Schedule 1

Schedule of Property to be Abandoned at Chocolate Bayou Olefins Facility (the "Site")

All right, title and interest of Debtor Equistar Chemicals, L.P. in the following:

- 1. Any and all buildings, structures, improvements and real estate fixtures located on the Site, including those listed on Exhibit "A";
- 2. Any and all property located on the Site falling into the categories set forth on Exhibit "B" and any contents thereof.
- 3. Any and all personal property located on the Site, including unused raw materials, intermediate materials, and finished chemical products. Exhibit "C" includes a listing of tanks within the Distribution Area and associated contents.
- 4. Any and all other personal property located on the Site whether or not included in the foregoing enumeration.

Exhibit "A"
