<sup>1</sup> Assets available to general unsecured creditors do not include uncollectible prepetition intercompany receivables from Debtors or pension assets. These amounts are net of secured, administrative and priority claims.

<sup>2</sup> Estimated general unsecured claims do not include unsecured intercompany claims. If included, intercompany claims would have no material effect on the listed estimated recovery percentages.

\* N/A indicates that no Claims have been scheduled or filed, or if filed, are expected to be Allowed.
