## **GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS ("GLOBAL NOTES")**

### **General**

The Schedules of Assets and Liabilities (collectively, the "Schedules") and the Statements of Financial Affairs (collectively, the "Statements" and, together with the Schedules, the "Schedules and Statements") filed by Metaldyne Corporation ("Metaldyne") and its affiliated debtors in these jointly administered chapter 11 cases (each, a "Debtor") in the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court") have been prepared pursuant to 11 U.S.C. § 521 and Rule 1007 of the Federal Rules of Bankruptcy Procedure by management of the Debtors with the assistance of their court-appointed advisors and are unaudited. Although management has made every reasonable effort to ensure that the Schedules and Statements are as accurate and complete as possible under the circumstances based on information that was available to them at the time of preparation, subsequent information or discovery may result in material changes to these Schedules and Statements, and inadvertent errors or omissions may exist. Because, among other things, the Schedules and Statements contain unaudited information, which is subject to further review and potential adjustment, there can be no assurance that these Schedules and Statements are complete. Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of rights with respect to these chapter 11 cases, including, but not limited to, issues involving valuation, the amount of any liability or obligation, substantive consolidation, equitable subordination and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws to recover assets or avoid transfers. These Global Notes and Statement of Limitations, Methodology and Disclaimer Regarding the Debtors' Schedules and Statements (the "Global Notes") are incorporated by reference in, and comprise an integral part of, the Schedules and Statements, and should be referred to and reviewed in connection with any review of the Schedules and Statements.

### **Description of the Cases and "As Of" Information Date**

On May 27, 2009 (the "Petition Date"), the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code. The Debtors are operating their business and managing their property as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On May 29, 2009, an order was entered directing procedural consolidation and joint administration of these Chapter 11 Cases. Each Debtor's fiscal year ended on March 29, 2009. All asset information contained in the Schedules and Statements, except where otherwise noted, is as of March 29, 2009. The liability information, except where otherwise noted, is as of the close of business on the Petition Date of each respective Debtor. All other information is as of the Petition Date, unless otherwise indicated.

### **Amendment**

The Debtors manage their business by factory and product line, not by legal entity. Therefore, in producing Schedules and Statements by legal entity, the Debtors assigned certain administrative cost centers to a specific legal entity based on knowledge of the business recorded in the cost center. The Debtors may reassign the cost centers based on further review. Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, inadvertent errors or omissions may exist. The Debtors reserve all rights to amend and/or supplement the Schedules and Statements for these reasons or as otherwise necessary or appropriate.

### **Basis of Presentation**

Metaldyne Corporation is a wholly-owned subsidiary of Metaldyne Holdings LLC, a Delaware limited liability company whose sole member is Asahi Tec Corporation, a Japanese corporation. The Debtors are not required to file financial statements with the U. S. Securities and Exchange Commission (the "SEC"). However, Metaldyne Corporation prepared consolidated quarterly and annual financial statements, which consolidated not only the Debtors but also consolidated Metaldyne Corporation's foreign subsidiaries that have not filed voluntary petitions for reorganization under the Bankruptcy Code. These financial statements historically were made available on Metaldyne Corporation's website. On November 25, 2008, certain debt covenants that required public disclosure of financial statements were eliminated. Therefore, the Debtor did not provide financial statements publicly as of the Petition Date.

Unlike consolidated financial statements, these Schedules and Statements reflect the assets and liabilities of each separate Debtor, except where indicated otherwise. In addition, not all of the direct and indirect subsidiaries of Metaldyne Corporation are Debtors in these chapter 11 cases. Accordingly, combining the assets and liabilities set forth in the Schedules and Statements of the Debtors would result in amounts that differ substantially and materially from financial information regarding Metaldyne and its subsidiaries that would be prepared on a consolidated basis under accounting principles generally accepted in the United States ("GAAP"). These Schedules and Statements do not purport to represent financial statements prepared in accordance with GAAP nor are they comparable to the financial statements previously filed by Metaldyne.

The Debtors have not historically identified "home office" assets or liabilities with a particular Debtor. The Debtors believe that "home office" assets and liabilities could, in many cases, be allocated to Metaldyne Corporation or to Metaldyne Company LLC. For purposes of the Schedules, the Debtors have listed these assets and liabilities on the Metaldyne Corporation Schedules.

### **Causes of Action**

Despite reasonable efforts to identify all known assets, the Debtors may not have set forth all actual or potential causes of action against third parties as assets in their Schedules and Statements. These causes of action include, but are not limited to, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions under other relevant non-bankruptcy laws to recover assets. The Debtors reserve all of their rights with respect to any claims, causes of action or avoidance actions they may have whether or not listed in the Schedules and Statements. Neither these Global Notes or the Schedule and Statements shall be deemed a waiver of any such claim, cause of action or avoidance action or in any way prejudice or impair the assertion of such claims.

## **GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS ("GLOBAL NOTES")**

### **Claim Designations**

Any failure to designate a claim on the Debtors' Schedules and Statements as "disputed," "contingent" or "unliquidated" does not constitute an admission by the Debtors that such amount is not "disputed," "contingent" or "unliquidated." The Debtors reserve the right to dispute any claim reflected on their Schedules or Statements on any grounds, including, but not limited to, amount, liability or classification, or to otherwise subsequently designate such claims as "disputed," "contingent" or "unliquidated" through an amendment to the Schedules.

### **Court Orders**

By separate orders of the Bankruptcy Court entered on or shortly after the Petition Date (collectively, the "Prepetition Claim Orders"), the Debtors were authorized to pay, among other things, certain prepetition claims of customers, employees, essential suppliers, foreign vendors, lienholders, taxing authorities, insurance premium financiers and claims relating to workers' compensation. Consequently, certain prepetition fixed, liquidated and undisputed priority and general unsecured claims have been or may be paid under this authority. To the extent that any claims have been paid pursuant to the Prepetition Claim Orders as of June 12, 2009 such claims have not been listed in response to any Schedule or Statement.

### **Net Book Value of Assets**

Unless otherwise indicated, the Debtors' assets and liabilities are shown on the basis of their net book value as of March 29, 2009. Amounts ultimately realized or realizable on account of such assets may, and likely will in many cases, vary from net book value and such variance may be and, in many cases likely is, material. Exceptions to this include operating cash, which is presented as bank balances as of the Petition Date. Certain other assets, such as investments in subsidiaries, are listed at undetermined amounts because the net book values may materially differ from fair market values. Attempts to obtain current market valuations of all assets would be prohibitively expensive, unduly burdensome and an inefficient use of estate assets, particularly here, where the value of such assets is being tested in the open market. At times, the debtors may consolidate net book value of assets such as machinery, equipment, inventory, or office furnishings at a single corporate location when consistent with the recording of the related assets on the books and records.

### **Excluded Assets and Liabilities**

The Debtors have excluded the following categories of assets and liabilities from the Schedules and Statements: goodwill, deferred compensation, certain intercompany accounts and deferred gains. In addition, accrued salaries and employee benefits accruals are being excluded because such amounts are in most cases being paid pursuant to orders of the Bankruptcy Court. Other immaterial assets and liabilities also may have been excluded.

### **Fiscal Year**

The Debtors maintains a fifty-two/fifty-three week fiscal year ending on the Sunday nearest March 31. Fiscal year 2008 was comprised of fifty-two weeks ended March 29, 2009 and fiscal year 2007 was comprised of fifty-two weeks ended March 30, 2008. All year references relate to the Debtors' fiscal year unless otherwise stated.

### **Foreign Currency**

Intercompany notes receivable and payable are valued in U.S. dollars using April 30, 2009 exchange rates. Other intercompany payables and receivables are valued based on exchange rate as of May 29, 2009. Unless otherwise indicated, all amounts are reflected in U. S. dollars.

### **Insiders**

Each Debtor has identified payments made over the 12 months preceding the Petition Date to any individual deemed to be an "insider" of that Debtor. The definition of insider under the Bankruptcy Code includes individuals who served as either officers or directors of a Debtor in the 12 months immediately preceding the Petition Date. For a further description of the disclosure of this information, see the note to Statement Question 3b.

### **Totals**

All totals that are included in the Schedules and Statements represent totals of all the known amounts included in the tables.

### **SPECIFIC NOTES REGARDING SCHEDULE B**

#### **Schedule B-4 - Household goods and furnishings**

The Debtors capitalize all items purchased having an original value of \$5,000 or greater. To the extent the Debtors have any items that are responsive to this request the Debtors believe the value of the items is de minimis.

#### **Schedule B-6 – Wearing apparel**

The Debtors have a small inventory of t-shirts, sweatshirts, baseball hats and other apparel (collectively, the “Metaldyne Apparel”) bearing the Metaldyne logo or other Metaldyne related brand name logos. The Metaldyne Apparel is used solely for promotional purposes and is not sold by Metaldyne or otherwise distributed for sale by others. Because of the negligible value of the Metaldyne Apparel and the limited quantities maintained by the Debtors, the Debtors have not attempted to assess the value of the Metaldyne Apparel in connection with this question.

## **SPECIFIC NOTES REGARDING SCHEDULE D**

### **Creditors Holding Secured Claims**

The Debtors have only listed the trustee or administrative agent, rather than the individual or beneficial holders, of any bank facility or public debt instrument described in the Schedules. The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any lien. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor's claim.

In certain instances, a Debtor may be a co-obligor, co-mortgagor or guarantor with respect to scheduled claims of other Debtors, and no claim set forth on Schedule D of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities.

The Debtors have not confirmed the validity of any lien or the appropriate amounts owed. Therefore, these liabilities are listed at undetermined amounts and marked as contingent, unliquidated and disputed. The Debtors reserve their right to dispute or challenge the validity, perfection or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a creditor listed on Schedule D of any Debtor. The information herein shall not constitute an admission of liability by, nor is it binding on, the Debtors, regarding the validity of the security interests held by the parties identified on this Schedule D.

## **SPECIFIC NOTES REGARDING SCHEDULE E**

### **Creditors Holding Unsecured Priority Claims**

Prior to the Petition Date, the Debtors outsourced substantially all of their employee administration services to an independent contractor, Automatic Data Processing, Inc. ("ADP"). Among other services provided by ADP to the Debtors, ADP coordinates the collection, maintenance and ultimate disbursement of various payroll and withholding tax liabilities (including federal and state income tax and contributions under the Federal Insurance Contributions Act), in compliance with federal, state and local tax regulations. As a result, the Debtors do not maintain records of the various taxing authorities and other entities to which ADP remits the Debtors' tax liabilities. To the extent ADP has provided the Debtors with their records, the Debtors cannot verify it is accurate and complete as much of ADP's transactions are conducted electronically.

The Debtors believe that virtually all (if not all) of the employee claims entitled to priority status under the Bankruptcy Code were paid (or will soon be paid) pursuant to the Interim Order, Pursuant to Sections 105(a), 363, 507(a)(4), 507(a)(5), 541(b)(7) and 541(d) of the Bankruptcy Code, for an Order Authorizing Them to Pay: (A) Prepetition Regular Employee and Independent Contractor Wages, Salaries and Related Items; (B) Prepetition Regular Employee and Independent Contractor Business Expenses; (C) Prepetition Contributions to, and Benefits Under, Employee Benefit Plans; (D) Prepetition Regular Employee Payroll Deductions and Withholdings; (E) Prepetition Additional Workforce Costs; and (F) All Costs and Expenses Incident to the Foregoing Payments and Contributions, which was entered by the Court on May 29, 2009, or the substantially similar final order entered on June 22, 2009. As such, as of the Petition Date, the Debtor believes that it has no unsecured priority amounts owed to creditors that are employees. To the extent additional amounts are owed to employees that have not already been paid, they are listed in Schedule F.

**Specific Notes:**

While various creditors delivered goods to the Debtor in the 20 days before the Petition Date, the Debtor was unable to determine if all such deliveries were made in the ordinary course of business and has not determined the value of all such deliveries. Accordingly, no claims entitled to this priority are identified herein.

**SCHEDULE F - CREDITORS HOLDING UNSECURED NONPRIORITY CLAIMS**

State the name, mailing address, including zip code, and account number, if any, of all entities holding unsecured claims without priority against the debtor or the property of the debtor, as of the filing of the petition. Do not include claims listed in Schedule D and E. If all creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete schedule H - Codebtors. If a joint petition is filed, state whether husband, wife, both of them, or the marital community may be liable on each claim by placing an "H", "W", "J", or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report total of all claims listed on the schedules in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules.

Check this box if debtor has no unsecured nonpriority claims to report on this Schedule F.

## **SPECIFIC NOTES REGARDING SCHEDULE F**

### **Creditors Holding Unsecured Nonpriority Claims**

Schedule F does not include certain deferred charges, deferred liabilities or general reserves. Such amounts, however, are reflected on the Debtors' books and records as required in accordance with GAAP. Such accruals are general estimates of liabilities and do not represent specific claims as of the Petition Date. The claims listed in Schedule F arose or were incurred on various dates. In certain instances, the date on which a claim arose is an open issue of fact. Although reasonable efforts have been made to identify the date of incurrence of each claim, determination of the date that each claim in Schedule F was incurred or arose would be unduly burdensome; therefore, the Debtors do not list a date for each claim listed on Schedule F.

Prior to the Petition Date, the Debtors participated in a centralized cash management system through which certain payments were made by one entity on behalf of another or through which certain customer collections were made by one entity and transferred to another. These payments have generally been reported on the Schedules of the Debtor that actually made the payment or received the payment, with the applicable intercompany transfer recorded on the books and records of the applicable entity on behalf of which the payment was made.

Due to the complexity and volume of transactions reflected in the Debtors intercompany accounts, the Debtors have not historically reconciled all intercompany account detail. It would be prohibitively burdensome to attempt to complete such reconciliation in advance of presenting the Schedules and Statements.

**Specific Notes:**

The amounts identified above as owing to Chrysler LLC, Ford Motor Company and General Motors Corporation are secured by Metaldyne Corporation's pledge of the common stock of Metaldyne Intermediate Holdco, Inc. Because it is likely that Metaldyne Intermediate Holdco, Inc. is insolvent, the Debtors believe that the Notes are likely wholly unsecured obligations, and thus are listing them here instead of on Schedule D.

Effective June 24th, 2009, Law Debenture Trust Company of New York replaced Bank of New York Trust Company as indenture trustee on the 11% Senior Subordinated Notes Due 2012.

### **SPECIFIC NOTES REGARDING SCHEDULE G**

#### Executory Contracts

Although reasonable efforts have been made to ensure the accuracy of Schedule G, inadvertent errors, omissions or over inclusion may have occurred. The Debtors hereby reserve all of their rights to dispute the validity, status or enforceability of any contract or other agreement set forth in Schedule G that may have expired or may have been modified, amended and supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters and other documents, instruments and agreements, which may not be listed therein. To the greatest extent possible, Schedule G contains all of the Debtors contracts and agreements as of the Petition Date. It is possible that some of the contracts or agreements listed on Schedule G have expired or otherwise terminated pursuant to their terms since the Petition Date. It is also possible that certain expired contracts may have been inadvertently included. The listing of a contract or agreement on Schedule G does not constitute an admission by the Debtors that such contract or agreement is an executory contract or unexpired lease.

The Debtors have a number of blanket purchase orders with their suppliers and customers which constitute requirements contracts. Due to the nature of the purchase orders, listing individual purchase order numbers would be inefficient, would not provide useful information to parties in interest and could ultimately provide parties in interest with confidential information. The Debtors have reviewed their systems and have identified on Schedule G, among other things: (a) customers or suppliers with whom they have a supply agreement other than a blanket purchase order; (b) customers where the Debtors have a blanket purchase order supply relationship pursuant to which they have received payment from in the months prior to the bankruptcy filing; and (c) suppliers of direct materials to the Debtors where goods are shipped pursuant to a blanket purchase order. Through this identification process, the Debtors have likely not captured certain blanket purchase orders they have with certain suppliers, and the failure to identify such purchase order is not a waiver or concession that a formal supply agreement does not exist. Blanket purchase order relationships identify customers or suppliers by name and address, without other identifying information.

Certain of the leases and contracts listed on Schedule G may contain renewal options, guarantees of payment, options to purchase, rights of first refusal and other miscellaneous rights. Such rights, powers, duties and obligations may not be set forth separately on Schedule G. In addition, the Debtors may have entered into various other types of agreements in the ordinary course of their business, such as easements, right of way, subordination, nondisturbance and attornment agreements, supplemental agreements, amendments/letter agreements, title agreements and confidentiality agreements. Such documents may also not be listed in Schedule G.

In addition to the agreements listed in Schedule G for each of the Debtors, Metaldyne Corporation may have entered into agreements on behalf of itself as well as some or all of the other Debtors. To the extent such agreements exist, they have been disclosed on Metaldyne Corporation's Schedule G.

Certain of the agreements listed on Schedule G may be in the nature of synthetic leases, conditional sales agreements or secured financings. The Debtors reserve all of their rights to dispute or challenge the characterization of the structure of any transaction, or any document or instrument (including, without limitation, any intercreditor agreement) related to a creditor's claim.

In the ordinary course of business, the Debtors may have entered into confidentiality agreements, non disclosure agreements, non-compete agreements and non-access agreements, which, to the extent that such agreements constitute executory contracts, are not listed individually on Schedule G.

In some cases, the same supplier or provider appears multiple times in Schedule G. This multiple listing is to reflect distinct agreements between the applicable Debtor and such supplier or provider. Additionally, certain of the contracts, agreements and leases listed on Schedule G may have been entered into by more than one of the Debtors. Further, the specific Debtor obligor to certain of the executory contracts could not be specifically ascertained in every circumstance. In such cases, the Debtors made their best efforts to determine the correct Debtor's Schedule G on which to list such executory contract or unexpired lease.

The Debtors reserve all of their rights, claims and causes of action with respect to the contracts and agreements listed on Schedule G, including the right to dispute or challenge the characterization or the structure of any transaction, document or instrument related to a creditor's claim.

#### Schedule G-5 Employee Related Agreements

Due to commercial sensitivity and to protect the privacy of employees, the names of the employees who have Special Severance Letters have been withheld.

## **SPECIFIC NOTES REGARDING SCHEDULE H**

### **Co-Debtors**

Schedule H reflects guaranties by various Debtor affiliates of obligations primarily vested in other related affiliates. The Debtors may not have identified certain guaranties that are embedded in the Debtors' executory contracts, unexpired leases, secured financings, debt instruments and other such agreements. Thus, the Debtors reserve their rights to amend the Schedules to the extent that additional guaranties are identified or such guaranties are discovered to have expired or are unenforceable.

In the ordinary course of their business, the Debtors may be involved in pending or threatened litigation and claims arising out of certain ordinary business transactions. These matters may involve multiple plaintiffs and defendants, some or all of whom may assert cross-claims and counter-claims against other parties. Due to the volume of such claims, and because all such claims are contingent, disputed or unliquidated, and listed elsewhere in the Schedules and Statements, such claims have not been set forth individually on Schedule H.

## **GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS ("GLOBAL NOTES")**

### **General**

The Schedules of Assets and Liabilities (collectively, the "Schedules") and the Statements of Financial Affairs (collectively, the "Statements" and, together with the Schedules, the "Schedules and Statements") filed by Metaldyne Corporation ("Metaldyne") and its affiliated debtors in these jointly administered chapter 11 cases (each, a "Debtor") in the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court") have been prepared pursuant to 11 U.S.C. § 521 and Rule 1007 of the Federal Rules of Bankruptcy Procedure by management of the Debtors with the assistance of their court-appointed advisors and are unaudited. Although management has made every reasonable effort to ensure that the Schedules and Statements are as accurate and complete as possible under the circumstances based on information that was available to them at the time of preparation, subsequent information or discovery may result in material changes to these Schedules and Statements, and inadvertent errors or omissions may exist. Because, among other things, the Schedules and Statements contain unaudited information, which is subject to further review and potential adjustment, there can be no assurance that these Schedules and Statements are complete. Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of rights with respect to these chapter 11 cases, including, but not limited to, issues involving valuation, the amount of any liability or obligation, substantive consolidation, equitable subordination and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws to recover assets or avoid transfers. These Global Notes and Statement of Limitations, Methodology and Disclaimer Regarding the Debtors' Schedules and Statements (the "Global Notes") are incorporated by reference in, and comprise an integral part of, the Schedules and Statements, and should be referred to and reviewed in connection with any review of the Schedules and Statements.

### **Description of the Cases and "As Of" Information Date**

On May 27, 2009 (the "Petition Date"), the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code. The Debtors are operating their business and managing their property as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On May 29, 2009, an order was entered directing procedural consolidation and joint administration of these Chapter 11 Cases. Each Debtor's fiscal year ended on March 29, 2009. All asset information contained in the Schedules and Statements, except where otherwise noted, is as of March 29, 2009. The liability information, except where otherwise noted, is as of the close of business on the Petition Date of each respective Debtor. All other information is as of the Petition Date, unless otherwise indicated.

### **Amendment**

The Debtors manage their business by factory and product line, not by legal entity. Therefore, in producing Schedules and Statements by legal entity, the Debtors assigned certain administrative cost centers to a specific legal entity based on knowledge of the business recorded in the cost center. The Debtors may reassign the cost centers based on further review. Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, inadvertent errors or omissions may exist. The Debtors reserve all rights to amend and/or supplement the Schedules and Statements for these reasons or as otherwise necessary or appropriate.

### **Basis of Presentation**

Metaldyne Corporation is a wholly-owned subsidiary of Metaldyne Holdings LLC, a Delaware limited liability company whose sole member is Asahi Tec Corporation, a Japanese corporation. The Debtors are not required to file financial statements with the U. S. Securities and Exchange Commission (the "SEC"). However, Metaldyne Corporation prepared consolidated quarterly and annual financial statements, which consolidated not only the Debtors but also consolidated Metaldyne Corporation's foreign subsidiaries that have not filed voluntary petitions for reorganization under the Bankruptcy Code. These financial statements historically were made available on Metaldyne Corporation's website. On November 25, 2008, certain debt covenants that required public disclosure of financial statements were eliminated. Therefore, the Debtor did not provide financial statements publicly as of the Petition Date.

Unlike consolidated financial statements, these Schedules and Statements reflect the assets and liabilities of each separate Debtor, except where indicated otherwise. In addition, not all of the direct and indirect subsidiaries of Metaldyne Corporation are Debtors in these chapter 11 cases. Accordingly, combining the assets and liabilities set forth in the Schedules and Statements of the Debtors would result in amounts that differ substantially and materially from financial information regarding Metaldyne and its subsidiaries that would be prepared on a consolidated basis under accounting principles generally accepted in the United States ("GAAP"). These Schedules and Statements do not purport to represent financial statements prepared in accordance with GAAP nor are they comparable to the financial statements previously filed by Metaldyne.

The Debtors have not historically identified "home office" assets or liabilities with a particular Debtor. The Debtors believe that "home office" assets and liabilities could, in many cases, be allocated to Metaldyne Corporation or to Metaldyne Company LLC. For purposes of the Schedules, the Debtors have listed these assets and liabilities on the Metaldyne Corporation Schedules.

### **Causes of Action**

Despite reasonable efforts to identify all known assets, the Debtors may not have set forth all actual or potential causes of action against third parties as assets in their Schedules and Statements. These causes of action include, but are not limited to, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions under other relevant non-bankruptcy laws to recover assets. The Debtors reserve all of their rights with respect to any claims, causes of action or avoidance actions they may have whether or not listed in the Schedules and Statements. ## **GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS ("GLOBAL NOTES")**

### **Claim Designations**

Any failure to designate a claim on the Debtors' Schedules and Statements as "disputed," "contingent" or "unliquidated" does not constitute an admission by the Debtors that such amount is not "disputed," "contingent" or "unliquidated." The Debtors reserve the right to dispute any claim reflected on their Schedules or Statements on any grounds, including, but not limited to, amount, liability or classification, or to otherwise subsequently designate such claims as "disputed," "contingent" or "unliquidated" through an amendment to the Schedules.

### **Court Orders**

By separate orders of the Bankruptcy Court entered on or shortly after the Petition Date (collectively, the "Prepetition Claim Orders"), the Debtors were authorized to pay, among other things, certain prepetition claims of customers, employees, essential suppliers, foreign vendors, lienholders, taxing authorities, insurance premium financiers and claims relating to workers' compensation. Consequently, certain prepetition fixed, liquidated and undisputed priority and general unsecured claims have been or may be paid under this authority. To the extent that any claims have been paid pursuant to the Prepetition Claim Orders as of June 12, 2009 such claims have not been listed in response to any Schedule or Statement.

### **Net Book Value of Assets**

Unless otherwise indicated, the Debtors' assets and liabilities are shown on the basis of their net book value as of March 29, 2009. Amounts ultimately realized or realizable on account of such assets may, and likely will in many cases, vary from net book value and such variance may be and, in many cases likely is, material. Exceptions to this include operating cash, which is presented as bank balances as of the Petition Date. Certain other assets, such as investments in subsidiaries, are listed at undetermined amounts because the net book values may materially differ from fair market values. Attempts to obtain current market valuations of all assets would be prohibitively expensive, unduly burdensome and an inefficient use of estate assets, particularly here, where the value of such assets is being tested in the open market. At times, the debtors may consolidate net book value of assets such as machinery, equipment, inventory, or office furnishings at a single corporate location when consistent with the recording of the related assets on the books and records.

### **Excluded Assets and Liabilities**

The Debtors have excluded the following categories of assets and liabilities from the Schedules and Statements: goodwill, deferred compensation, certain intercompany accounts and deferred gains. In addition, accrued salaries and employee benefits accruals are being excluded because such amounts are in most cases being paid pursuant to orders of the Bankruptcy Court. Other immaterial assets and liabilities also may have been excluded.

### **Fiscal Year**

The Debtors maintains a fifty-two/fifty-three week fiscal year ending on the Sunday nearest March 31. Fiscal year 2008 was comprised of fifty-two weeks ended March 29, 2009 and fiscal year 2007 was comprised of fifty-two weeks ended March 30, 2008. All year references relate to the Debtors' fiscal year unless otherwise stated.

### **Foreign Currency**

Intercompany notes receivable and payable are valued in U.S. dollars using April 30, 2009 exchange rates. Other intercompany payables and receivables are valued based on exchange rate as of May 29, 2009. Unless otherwise indicated, all amounts are reflected in U. S. dollars.

### **Insiders**

Each Debtor has identified payments made over the 12 months preceding the Petition Date to any individual deemed to be an "insider" of that Debtor. The definition of insider under the Bankruptcy Code includes individuals who served as either officers or directors of a Debtor in the 12 months immediately preceding the Petition Date. For a further description of the disclosure of this information, see the note to Statement Question 3b.

### **Totals**

All totals that are included in the Schedules and Statements represent totals of all the known amounts included in the tables.
