IMPORTANT INFORMATION: BANK DEPOSIT ACCOUNTS

Change of address - Please call us at the telephone number listed on the front of this statement to tell us about a change of address.

Deposit agreement - When you opened your account, you received a deposit agreement and fee schedule and agreed that your account would be governed by the terms of these documents, as we may amend them from time to time. These documents are part of the contract for your deposit account and govern all transactions relating to your account, including all deposits and withdrawals. Copies of both the deposit agreement and fee schedule which contain the current version of the terms and conditions of your account relationship may be obtained at our banking centers.

Electronic transfers: In case of errors or questions about your electronic transfers - If you think your statement or receipt is wrong or you need more information about an electronic transfer (e.g., ATM transactions, direct deposits or withdrawals, point-of-sale transactions) on the statement or receipt, telephone or write us at the address and number listed on the front of this statement as soon as you can. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

- Tell us your name and account number.
- Describe the error or transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
- Tell us the dollar amount of the suspected error.

For consumer accounts used primarily for personal, family or household purposes, we will investigate your complaint and will correct any error promptly. If we take more than 10 business days (10 calendar days if you are a Massachusetts customer) (20 business days if you are a new customer, for electronic transfers occurring during the first 30 days after the first deposit is made to your account) to do this, we will credit your account for the amount you think is in error, so that you will have use of the money during the time it will take to complete our investigation.

For other accounts, we investigate, and if we find we have made an error, we credit your account at the conclusion of our investigation.

Reporting other problems - You must examine your statement carefully and promptly. You are in the best position to discover errors and unauthorized transactions on your account. If you fail to notify us in writing of suspected problems or an unauthorized transaction within the time period specified in the deposit agreement (which periods are no more than 60 days after we make the statement available to you and in some cases are 30 days or less), we are not liable to you for, and you agree to not make a claim against us for the problems or unauthorized transactions.

Direct deposits - If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you may call us at the telephone number listed on the front of this statement to find out if the deposit was made as scheduled.

Effective January 10, 2012 - MTB Investment Advisors, Inc. (MTBIA) changed its name to Wilmington Trust Investment Advisors, Inc. (WTIA). During the next few months you may see either name on documents/communications you receive while we complete the transition to the new name.

Transactions for investment advisory accounts are effected through outside brokers. In arranging for clients' securities transactions, Wilmington Trust Investment Advisors ("WTIA") is primarily concerned with seeking best execution which is considered to be the most favorable combination of price and quantity that can be traded at a point in time given the liquidity, market conditions, and required urgency of execution.

Consistent with the requirements of best execution, brokerage commissions on an account's portfolio transactions are directed to brokers in recognition of investment research and information furnished as well as for services rendered in the execution of orders by such brokers. WTIA may in its discretion cause accounts to pay such broker-dealers a commission for effecting a portfolio transaction in excess of the amount of commission another broker or dealer adequately qualified to effect such transaction would have charged for effecting that transaction. This may be done where WTIA has determined in good faith that such commission is reasonable in relation to the value of the brokerage and/or research to that particular transaction or to WTIA's overall responsibilities with respect to the accounts as to which it exercises investment discretion.

WTIA receives a wide range of research services from brokers. These services include information on the economy, industries, group of securities, individual companies, statistical information, technical market action, pricing and appraisal services, portfolio management computer services, risk measurement analysis, and performance analysis.

Certain of the services received from brokers, including portfolio management computer services, are partially paid for directly by WTIA and an allocation of the usage has been made in accordance with Section 28(e) of the Securities Exchange Act of 1934.

Research services furnished by brokers may be used in servicing any or all of the clients of WTIA and such research services may not necessarily be used by WTIA in connection with the accounts which paid commissions to the broker providing such services.

IMPORTANT STATEMENT INFORMATION

In performing discretionary investment services for an Account, M&T Bank or an affiliate may invest Account assets in one or more mutual funds, including mutual funds ("Affiliated Funds") advised by investment management affiliates of M&T Bank, including Wilmington Funds Management Corporation, Wilmington Trust Investment Advisors, Inc., Cramer Rosenthal McGlynn, LLC, and Roxbury Capital Management, LLC ("Affiliated Advisers").

The Affiliated Advisers, M&T Bank, and M&T Securities, Inc., another affiliate of M&T Bank (collectively "M&T") may also provide administrative and shareholder services, and services under Rule 12b-1 plans to the Affiliated Funds, and may receive compensation for those services. If M&T provides additional services to the Affiliated Funds, it would be entitled to receive additional compensation from those funds. The compensation for services provided to the Affiliated Funds is determined by the Board of Trustees that governs each Affiliated Fund, and is subject to change from time to time in the discretion of such Board of Trustees.

Currently, each Affiliated Adviser, in its capacity as investment adviser to its Affiliated Fund, is entitled to receive annual advisory fees from the Affiliated Fund at the contractual rates set forth below. In its capacity as co-administrator of the Wilmington Funds, Wilmington Funds Management Corporation is currently entitled to receive annual co-administration fees from the Wilmington Funds as follows: 0.033% on the first \$5 billion; 0.020% on the next \$2 billion; 0.016% on the next \$3 billion; and 0.015% on assets in excess of \$10 billion. All fees are calculated based on average daily assets. M&T Bank may be entitled to receive an annual shareholder services fee of up to 0.25% with respect to the assets of certain Accounts invested in Wilmington Funds. If M&T Bank or an affiliate has investment discretion over an Account, then an Account may receive a credit against the Account-level fiduciary (or investment management) fee for all or some portion of the foregoing fees when Account assets are invested in an Affiliated Fund. Alternatively, the value of Account assets invested in an Affiliated Fund may be excluded from calculation of the Account-level fiduciary (or investment management) fee.

Please consult a current prospectus for the relevant Affiliated Fund or contact your Account officer for additional information.

Investments, including shares of the Affiliated Funds, are not insured or guaranteed by the Federal Deposit Insurance Corporation or any other government agency, are not deposits or other obligations of, or guaranteed by, M&T Bank or any of its affiliates, and are subject to investment risk, including possible loss of the principal amount invested.
