**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS**

**Introduction**

On September 27, 2012 (the "Petition Date"), Metro Fuel Oil Corp., Metro Terminals Corp., Metro Terminals of Long Island, LLC, Metro Biofuels, LLC, Metro Energy Group, LLC, Metro Plumbing Services Corp., Apollo Petroleum Transport, LLC, Kings Land Realty, Inc., Apollo Pipeline, LLC and Apollo Petroleum Transport, Inc. (collectively, "Metro" or "Debtors"), filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the "Bankruptcy Code"). Metro continues to operate their business and manage their property as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

On the date hereof, Metro, with the assistance of their management and advisors, filed the Schedules of Assets and Liabilities (collectively, "Schedules") and the Statement of Financial Affairs (collectively, "Statements," and, together with the Schedules, "Schedules and Statements") pursuant to section 521 of the Bankruptcy Code and Rule 1007 of the Federal Rules of Bankruptcy Procedure. Mr. Thomas Studebaker, Chief Financial Officer, executed the Schedules and Statements in his capacity as an authorized signatory. Mr. Thomas Studebaker has not (and could not have) personally verified the accuracy of each statement and representation contained in the Schedules and Statements, including statements and representations concerning amounts owed to creditors.

In addition, while Metro's management has made reasonable efforts to ensure that the Schedules and Statements are as accurate and complete as possible based on the information that was available at the time of preparation (i) additional information, or subsequent discovery thereof, may result in material changes to these Schedules and Statements, and (ii) inadvertent errors or omissions may exist. Furthermore, because the Schedules and Statements contain unaudited financial information that is subject to further review and potential adjustment, there can be no assurance that the Schedules and Statements are complete. Accordingly, Metro reserves all rights to amend, supplement, or otherwise modify the Schedules and Statements to the extent that it is necessary and appropriate. Metro shall not be required, however, to update the Schedules and Statements.

**Global Notes and Overview of Methodology**

These General Notes and Statement of Limitations, Methodology and Disclaimer Regarding the Debtors' Schedules and Statements ("Global Notes") are incorporated by reference in, and comprise an integral part of, the Schedules and Statements and should be referred to and reviewed in connection with any review of the Schedules and Statements. These Global Notes are in addition to the specific notes contained in Metro's Schedules and Statements. The fact that certain Global Notes may apply to only particular Schedules or Statements does not exclude the applicability of such Global Note to any or all of Metro's remaining Schedules or Statements, as appropriate. In the event that the Schedules and Statements differ from the foregoing Global Notes, the Global Notes shall control.

**Accounts Receivable**

The accounts receivable information included in the Schedules and Statements is as of August 31, 2012 and has been listed net of reserves.

**Amendment**

Although reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements, inadvertent errors or omissions may exist. Accordingly, Metro reserves all rights to amend and/or supplement the Schedules and Statements as it deems necessary and appropriate.

**Cash Management**

The Debtors use a consolidated cash management system through which the Debtors collect substantially all receipts and pay liabilities and expenses.

**Causes of Action**

Despite reasonable efforts, Metro may have inadvertently failed to identify and/or set forth as assets all of its filed or potential causes of action against third parties as assets in the Schedules and Statements, including, without limitation, causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. The Debtors reserve all of their rights with respect to any cause of action (including avoidance actions), controversy, right of setoff, cross claim, counterclaim or recoupment and any claim on contracts or for breaches of duties imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertable directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law or in equity, or pursuant to any other theory of law (collectively, "Causes of Action") they may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any Causes of Action or in any way prejudice or impair the assertion of such Causes of Action.

**Claims Designations and Claims of Third-Party Related Entities**

Although Metro has made every effort to classify properly each claim listed in the Schedules as being either disputed or undisputed, liquidated or unliquidated, and contingent or noncontingent, the Debtors have not been able to reconcile fully all payments made to certain third parties and their related entities on account of the Debtors' obligations to such entities and their affiliates. Accordingly, any failure of Metro to designate a claim identified on the Schedules and Statements as "disputed"; "contingent"; or "unliquidated" does not constitute an admission by Metro that such amount is not "disputed"; "contingent"; or "unliquidated." Indeed, Metro reserves the right to dispute, or assert offsets or defenses to, any claim reflected on the Schedules or Statements on any grounds whatsoever, including amount, liability, or classification, or to otherwise subsequently designate such claims as "disputed"; "contingent"; or "unliquidated." Identification of a claim on the Schedules and Statements shall not constitute an admission of liability by Metro.

**Case Number: 12-46915**

**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS**

**Classifications**

Listing a Claim on (a) Schedule D as "secured," (b) Schedule E as "priority," (c) Schedule F as "unsecured," or (d) listing a contract on Schedule G as "executory" or "unexpired," does not constitute an admission by the Debtors of the legal rights of the claimant or a waiver of the Debtor's rights to recharacterize or reclassify such claims or contracts or to setoff against any such Claims.

**Confidentiality**

In certain circumstances certain information has been intentionally omitted or revised due to concerns about the confidential or commercially sensitive nature of such information or for privacy of individuals. The revisions or omissions will be limited to only what is necessary the Debtors or third-parties and will provide interested parties with sufficient information.

**Employees**

The Debtors employ approximately 130 employees as of the petition date. The Bankruptcy Court entered "first-day" interim orders granting authority to the Debtors to pay pre-petition employee wages, salaries, severance, benefits or other obligations in the ordinary course of their businesses. Accordingly, the Schedules and Statements do not include claims that the Debtors have paid or otherwise resolved or satisfied pursuant to such "first-day" orders. In addition, the Debtors may take certain actions that lead to employee-related claims. Such potential claims are not included in the Schedules and Statements. Furthermore, the Debtors have omitted from their response to Statement Question 3.b. ordinary course payments made to employees within 90 days of the Petition Date.

**Estimates**

To close the books and records of the Debtors as of the Petition Date, the Debtors' management was required to make estimates, allocations or assumptions that affect the amounts of assets and liabilities as of September 27, 2012 and reported revenue and expenses for the period ending [August 31, 2012].

**Excluded Assets and Liabilities**

Metro has excluded certain assets from the Schedules and Statements, including goodwill, customer relationships, and assets with a net book value of zero. Metro has excluded certain liabilities from the Schedules and Statements, including accrued salaries and employee benefits, tax accruals, letters of credit and other accrued liabilities. The Debtors have also excluded potential rejection damage claims of counterparties to executory contracts and unexpired leases that have been or may be rejected; to the extent such damage claims may at some point arise. Liabilities resulting from non-specific accruals and/or estimates of long-term liabilities that are not payable at this time given that they (i) have not been approved for payment in accordance with Metro's normal procedures or (ii) have not yet been reported and, therefore, do not represent specific claims as of the Petition Date, have been excluded from the Schedules and Statements. Other de minimis or otherwise immaterial assets and liabilities may also have been excluded.

**Financial Reporting**

The Debtors are privately-held companies. The Schedules and Statements identify Metro's stand-alone assets and liabilities and were not prepared in accordance with generally accepted accounting principles ("GAAP").

**Fiscal Year**

The fiscal year for Metro Fuel Oil Corp, Metro Terminals Corp and Metro Terminals of Long Island, LLC covers the period July 1 through June 30. For all other entities, the fiscal year covers the period January 1 through December 31.

**Foreign Currency**

All amounts are reflected in U.S. Dollars ("USD").

**Guarantees and Other Secondary Liability Claims**

Metro has used its best efforts to locate and identify guarantee obligations and other secondary liability claims related to each of its executory contracts, unexpired leases, secured financings, debt instruments, and other agreements (collectively, the "Guarantees"). Where such Guarantees have been identified, they have been included in the Schedules.

**Insiders**

For purposes of the Schedules and Statements, the term "insiders" is defined pursuant to section 101(31) of the Bankruptcy Code as: (i) directors; (ii) officers; (iii) shareholders holding in excess of 5% of the voting shares; and (iv) relatives of directors, officers, or shareholders of Metro (to the extent known by Metro).

Persons listed as "insiders" have been included for informational purposes only. Metro does not take any position with respect to: (i) such person's influence over the control of Metro; (ii) the management responsibilities or functions of such individual; (iii) the decision-making or corporate authority of such individual; or (iv) whether any such individual could successfully argue that he or she is not an "insider" under applicable law, including the Bankruptcy Code or federal securities laws, or with respect to any theories of liability or for any other purpose.

**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS**

**Intellectual Property Rights**

Any exclusion of Metro's intellectual property shall not be construed as an admission by Metro that such intellectual property rights have been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property rights shall not be construed as an admission by Metro that such intellectual property rights have not been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction. In addition, although the Debtors have made diligent efforts to attribute intellectual property to the rightful Debtor entity, in certain instances, intellectual property owned by one Debtor may, in fact, be owned by another. Accordingly, Metro reserves any and all of its rights with respect to the legal status of any and all of its intellectual property.

**Intercompany Claims**

Receivables and payables among Metro and its affiliates (each an "Intercompany Receivable" or "Intercompany Payable" and collectively, the "Intercompany Claims") are included in the Schedules to the extent they are not duplicative of other listed amounts.

The Debtors routinely engaged in intercompany transactions among the Debtors resulting in intercompany accounts payable and accounts receivable. The Debtors have listed the intercompany information for each debtor on Schedule B and Schedule F, as applicable. Summary schedules do not include receivables or payables related to intercompany transactions.

**Inventories, Property and Equipment**

Inventories referenced in the Schedules and Statements are stated at current cost. Property and equipment referenced in the Schedules and Statements is stated at cost, net of accumulated depreciation. All inventories, as well as all property and equipment, are presented without consideration of any potential liens.

**Leases and Contracts**

The Debtors have not included in the Schedules and Statements any future obligations on any leases. To the extent that there was an amount due as of the Petition Date, the creditor has been included in Schedule F. Unless otherwise stated, all lease agreements have been included in Schedule G.

The business of the Debtors is complex. While commercially-reasonable efforts have been made to ensure the accuracy of Schedule G, inadvertent errors, omissions, or over-inclusions may have occurred. In compiling Schedule G, the Debtors categorized contracts by the type for ease of reference only and do not intend such categorization to denote any significance.

The Debtors have attempted to provide complete lists of all agreements that might be considered to be executory contracts. The Debtors are continuing to review their records and may supplement their Schedules and Statements to the extent necessary. The Debtors hereby reserves all of its rights to dispute the validity, status, or enforceability of any contracts, agreements, or leases set forth in Schedule G, or to amend or supplement such Schedule as necessary. The contracts, agreements and leases listed on Schedule G may not have taken effect or be binding on any party and may have expired, or been terminated, modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppels certificates, letters, or other documents, instruments, or agreements which may not be listed therein.

Certain of the real property leases and contracts listed on Schedule G may contain renewal options, guarantees of payments, options to purchase, rights of first refusal, rights to lease additional space and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth on Schedule G. Certain executory agreements may not have been memorialized in writing and could be subject to dispute. Generally, executory agreements that are oral in nature have not been included in the Schedule. Schedule G generally does not include stand-alone equipment purchase orders. Schedule G does not include agreements that the Debtors have entered into with certain of their advisors.

**Liabilities**

Metro allocated liabilities between the prepetition and postpetition periods based on the information available and research conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, Metro's allocation of liabilities between the pre-petition and post-petition periods may change. The liability information, except where otherwise noted, is listed as of the close of business on September 26, 2012. Accordingly, Metro reserves all rights to amend, supplement or otherwise modify the Schedules and Statements as necessary and appropriate. In addition, the liabilities listed on the Schedules do not reflect any analysis conducted by Metro regarding potential claims under section 503(b)(9) of the Bankruptcy Code. Accordingly, Metro reserves any and all of its rights to dispute or challenge the validity of any claims asserted under section 503(b)(9) of the Bankruptcy Code or otherwise. The Debtors shall not, however, be required to update the Schedules and Statements.

**Metro Terminals of Long Island, LLC**

**Case Number: 12-46915**

**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS**

**Net Book Value of Assets**

It would be prohibitively expensive, unduly burdensome, and an inefficient use of resources for the Debtors to obtain current market valuations of all of its assets. Accordingly, unless otherwise indicated, the values for assets contained in the Schedules and Statements are net book values as of August 31, 2012. Consequently, amounts ultimately realized from the disposition of the Debtors' assets may materially vary from the stated net book value. Additionally, because the book values of patents, trademarks, and copyrights may materially differ from their fair market values, they are listed as undetermined amounts as of the Petition Date. Furthermore, assets that have been fully depreciated or were expensed by the Debtors for accounting purposes do not appear in the Schedules and Statements because they have no net book value. Certain of the Debtors' assets are listed in the Schedules and Statements with undetermined values as of the Petition Date because the net book values of these assets may materially differ from fair market values. Thus, unless otherwise noted, the Schedules and Statements reflect the carrying value of the assets as recorded on Metro's books as of August 31, 2012, and are not based upon any estimate of their current market value.

**Paid Claims**

Pursuant to certain interim orders entered by the Bankruptcy Court, Metro has been authorized to pay certain outstanding prepetition obligations. Accordingly, certain outstanding prepetition liabilities may have been reduced by payments made by the Debtors after the Petition Date. To the extent the Debtors pay any of the Claims listed in the Schedules and Statements pursuant to orders entered by the Bankruptcy Court, the Debtors reserve all of their rights to amend or supplement the Schedules and Statements or take other action as is necessary and appropriate to avoid over-payment of or duplicate payment for any such liabilities.

**Recharacterization**

Metro has made reasonable efforts to characterize, classify, categorize, and/or designate correctly the claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements. However, due to the complexity and size of Metro's business, Metro may have improperly characterized, classified, categorized, or designated certain items. Thus, Metro reserves the right to recharacterize, reclassify, recategorize, or redesignate items reported in the Schedules and Statements as additional information becomes available, including whether contracts listed in the Schedules and Statements were executory as of the Petition Date or remain executory post petition.

**Reservation of Rights**

Nothing contained in the Schedules and Statements shall constitute a waiver of Metro's rights or an admission with respect to their Chapter 11 cases, including with respect to any issues involving substantive consolidation, equitable subordination, defenses, and/or causes of action arising under the provisions of Chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws. All rights to object to any claims of any parties and with claims listed on the Schedules are reserved.

**Secured Claims**

Except as otherwise agreed pursuant to a stipulation, agreed order, or general order entered by the Bankruptcy Court, the Debtors reserves their rights to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D of any Debtor. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims, the Debtors reserves all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization or structure of any such transaction, or any document or instrument (including, without limitation, any inter-company agreement) related to such creditor's claim. The descriptions provided in Schedule D are intended only to be a summary, do not constitute an admission and are not dispositive for any purpose. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any lien. Nothing in the Global Notes or the Schedules and Statements shall be deemed to be an admission, modification, or interpretation of or relating to such agreements.

**Setoffs**

The Debtors incur certain setoffs and other similar rights during the ordinary course of business. Offsets in the ordinary course can result from various items, including, without limitation, intercompany transactions, pricing discrepancies, returns, warranties, and other disputes between the Debtors and their suppliers. These offsets and other similar rights are consistent with the ordinary course of business in the Debtors' industry and are not tracked separately. Therefore, although such offsets and other similar rights may have been accounted for when certain amounts were included in the Schedules, offsets are not independently accounted for, and as such, are excluded from the Debtors' Schedules and Statements.

**Taxes**

Schedule E includes claims to various taxing authorities to which the Debtors may potentially be liable. However, certain of such claims may be subject to ongoing audits, and the Debtors are otherwise unable to determine with certainty the amount of some, if not all, of the claims listed on Schedule E. Therefore, the Debtors have listed all such claims as unliquidated, pending final resolution and liquidation of such claims, including for ongoing audits or other outstanding issues. The Debtors reserve their right to assert that any claim listed on Schedule E does not constitute an unsecured priority claim under the Bankruptcy Code.

**Totals**

All totals that are included in the Schedules and Statements represent totals of all known amounts. To the extent there are unknown, unliquidated or undetermined amounts, the actual total may differ from the total in the Schedules and Statements.

**Undetermined Amounts**

The description of an amount as "unknown" or "undetermined" is not intended to reflect the materiality of such amount.

**Workers Compensation**

Workers' compensation claims generally have been excluded from the Schedules and Statements because the Debtors are performing their obligations as required by law and in accordance with applicable court orders.

**SPECIFIC NOTES REGARDING SCHEDULE D**

**Creditors Holding Secured Claims**

Amounts listed herein are as of the Petition Date.

Except as otherwise agreed pursuant to a stipulation, agreed order, or general order entered by the Bankruptcy Court, the Debtors reserve their rights to dispute or challenge the extent, validity, priority, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a creditor listed on Schedule D of any debtor. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument (including, without limitation, any intercreditor or intercompany agreement) related to such creditor's claim. In certain instances, the Debtors may be a co-obligor, co-mortgagor, or guarantor with respect to scheduled claims of other Debtors and no claim set forth on Schedule D of any debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities. If the debtor is a guarantor with respect to a scheduled claim of another debtor, the claim will be labeled "Contingent." The descriptions provided on Schedule D are intended only as a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent, and priority of any liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements.

Certain of the Debtors' agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financing agreements. No attempt has been made to identify such agreements for purposes of Schedule D. However, the Debtors reserves all of their rights to amend Schedule D in the future to the extent the Debtors determine that any claims associated with such agreements are properly reported on Schedule D. The Debtors reserves all of their rights, claims, and causes of action with respect to claims associated with any contracts and agreements listed in Schedule G, including the right to dispute or challenge the characterization of the structure of any transaction, document, or instrument related to a creditor's claim, including to argue that an agreement listed in Schedule G may be treated as a secured financing agreement, rather than an executory contract or unexpired lease. Nothing herein shall be construed as an admission by the Debtors of the legal rights of the claimant or a waiver of the Debtors' rights to recharacterize or reclassify such claim or contract. Some of the Debtors' creditors may have filed mechanic or materialman's liens following the commencement of the Debtors' chapter 11 case. Some liens may, by virtue of section 546(b) of the Bankruptcy Code and applicable law, relate back to the period prior to the Petition Date. Any such liens that have been filed after the Petition Date are not listed on Schedule D.

To the extent that any landlords, real property and personal property lessors, utility companies, or other creditors hold a security deposit from any of the Debtors and to the extent that such deposits constitute secured claims, such deposits are not listed on Schedule D, except as specifically stated herein.

**SPECIFIC NOTES REGARDING SCHEDULE E**

**Creditors Holding Unsecured Priority Claims**

The listing of any claim on Schedule E does not constitute an admission by the Debtors that such claim is entitled to priority treatment under section 507 of the Bankruptcy Code. The Debtors reserve all of their rights to dispute the amount and/or the priority status of any claim on any basis at any time.

As noted in the Global Notes, the Bankruptcy Court entered a first day order granting authority to the Debtors to pay certain prepetition employee wage and other obligations in the ordinary course (the "Employee Wage Order"). Pursuant to the Employee Wage Order, the Debtors believe that, other than claims of certain current insiders, any priority employee claims for prepetition amounts have been or will be satisfied, and such satisfied amounts are therefore not listed on Schedule E. Only non priority employee claims against the Debtors for prepetition amounts that have not been paid as of the time that the Schedules and Statements were prepared were included.

**SCHEDULE F - CREDITORS HOLDING UNSECURED NONPRIORITY CLAIMS**

State the name, mailing address, including zip code, and account number, if any, of all entities holding unsecured claims without priority against the debtor or the property of the debtor, as of the filing of the petition. Do not include claims listed in Schedule D and E. If all creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete schedule H - Codebtors. If a joint petition is filed, state whether husband, wife, both of them, or the marital community may be liable on each claim by placing an "H", "W", "J", or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report total of all claims listed on the schedules in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules.

Check this box if debtor has no unsecured nonpriority claims to report on this Schedule F.

**SPECIFIC NOTES REGARDING SCHEDULE F**

**Creditors Holding Unsecured Non Priority Claims**

Amounts listed herein are as of the Petition Date.

The Debtors have used reasonable efforts to list all general unsecured claims against the Debtors on Schedule F based upon the Debtors' existing books and records. Schedule F does not include certain deferred credits, deferred charges, deferred liabilities, accruals, or general reserves. Such amounts are general estimates of liabilities and do not represent specific claims as of the Petition Date; however, such amounts are reflected on the Debtors' books and records as required in accordance with GAAP. Such accruals are general estimates of liabilities and do not represent specific claims as of the Petition Date.

Schedule F does not include certain reserves for potential unliquidated contingencies that historically were carried on the Debtors' books as of the Petition Date; such reserves were for potential liabilities only and do not represent actual liabilities as of the Petition Date.

The claims listed in Schedule F arose or were incurred on various dates. In certain instances, the date on which a claim arose is an open issue of fact. Although commercially reasonable efforts have been made to identify the date of inurrence of each claim, determining the date upon which each claim in Schedule F was incurred or arose would be unduly burdensome and cost prohibitive and, therefore, the Debtors do not list a date for each claim listed on Schedule F.

Schedule F contains information regarding potential and pending litigation involving the Debtors. In certain instances, the debtor that is the subject of the litigation is unclear or undetermined. To the extent that litigation involving a particular debtor has been identified, however, such information is contained in the Schedule for that debtor.

Schedule F reflects the prepetition amounts owing to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in connection with the assumption, or assumption and assignment, of an executory contract or unexpired lease. In addition, Schedule F does not include rejection damage claims of the counterparties to the executory contracts and unexpired leases that have been or may be rejected, to the extent such damage claims exist.

Except in certain limited circumstances, the Debtors have not scheduled contingent and unliquidated liabilities related to guaranty obligations on Schedule F. Such guaranties are, instead, listed on Schedule G.

The claims of individual creditors for, among other things, goods, services, or taxes listed on the Debtors' books and records may not reflect credits or allowances due from such creditors. The Debtors reserve all of their rights in respect of such credits or allowances. The dollar amounts listed may be exclusive of contingent or unliquidated amounts. The Debtors expressly incorporates by reference into Schedule F all employee wage claims listed in Schedule E that are identified as nonpriority, and the Debtors reserve all of their rights to dispute the validity and amount of all such nonpriority general unsecured amounts of any employee wage claim.

The Debtors routinely engaged in intercompany transactions among the Debtors resulting in intercompany accounts payable and accounts receivable. The Debtors have listed the intercompany information for each debtor on Schedule B and Schedule F, as applicable. Summary schedules do not include receivables or payables related to intercompany transactions.

**SPECIFIC NOTES REGARDING SCHEDULE G**

**Unexpired Leases and Executory Contracts**

Schedule G contains a listing of the Debtors' existing contracts and leases as of the Petition Date. Given, however, the complexity of the Debtors' business, inadvertent errors, omissions or the over-inclusion of contracts or leases may have occurred. Accordingly, the Debtors hereby reserve all of their rights to dispute the validity, status, enforceability or the executory nature of any contract or other agreement set forth in Schedule G and to amend or supplement Schedule G if necessary.

The contracts, agreements and leases listed on Schedule G may have expired or been modified, amended and/or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, memoranda and other documents, instruments and agreements, which may not be listed therein despite the Debtors' use of reasonable efforts to identify such documents. The presence (or omission) of a contract or agreement on Schedule G does not constitute an admission by Metro that such contract or agreement is (or is not) an executory contract or unexpired lease.

In the ordinary course of its business, the Debtors may have entered into certain agreements, including confidentiality agreements, non-disclosure agreements, noncompete agreements, access agreements, service agreements and purchase orders, which may be executory contracts but are not included in Schedule G. To the extent that such agreements are executory contracts, the Debtors reserve all of their rights with respect to any of these agreements. In addition, the Debtors generally have not included any insurance policies, the premiums for which have been prepaid, on Schedule G. The Debtors reserves all of their rights to amend Schedule G to include such policies, as appropriate.

**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS**

**Introduction**

On September 27, 2012 (the "Petition Date"), Metro Fuel Oil Corp., Metro Terminals Corp., Metro Terminals of Long Island, LLC, Metro Biofuels, LLC, Metro Energy Group, LLC, Metro Plumbing Services Corp., Apollo Petroleum Transport, LLC, Kings Land Realty, Inc., Apollo Pipeline, LLC and Apollo Petroleum Transport, Inc. (collectively, "Metro" or "Debtors"), filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the "Bankruptcy Code"). Metro continues to operate their business and manage their property as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

On the date hereof, Metro, with the assistance of their management and advisors, filed the Schedules of Assets and Liabilities (collectively, "Schedules") and the Statement of Financial Affairs (collectively, "Statements," and, together with the Schedules, "Schedules and Statements") pursuant to section 521 of the Bankruptcy Code and Rule 1007 of the Federal Rules of Bankruptcy Procedure. Mr. Thomas Studebaker, Chief Financial Officer, executed the Schedules and Statements in his capacity as an authorized signatory. Mr. Thomas Studebaker has not (and could not have) personally verified the accuracy of each statement and representation contained in the Schedules and Statements, including statements and representations concerning amounts owed to creditors.

In addition, while Metro's management has made reasonable efforts to ensure that the Schedules and Statements are as accurate and complete as possible based on the information that was available at the time of preparation (i) additional information, or subsequent discovery thereof, may result in material changes to these Schedules and Statements, and (ii) inadvertent errors or omissions may exist. Furthermore, because the Schedules and Statements contain unaudited financial information that is subject to further review and potential adjustment, there can be no assurance that the Schedules and Statements are complete. Accordingly, Metro reserves all rights to amend, supplement, or otherwise modify the Schedules and Statements to the extent that it is necessary and appropriate. Metro shall not be required, however, to update the Schedules and Statements.

**Global Notes and Overview of Methodology**

These General Notes and Statement of Limitations, Methodology and Disclaimer Regarding the Debtors' Schedules and Statements ("Global Notes") are incorporated by reference in, and comprise an integral part of, the Schedules and Statements and should be referred to and reviewed in connection with any review of the Schedules and Statements. These Global Notes are in addition to the specific notes contained in Metro's Schedules and Statements. The fact that certain Global Notes may apply to only particular Schedules or Statements does not exclude the applicability of such Global Note to any or all of Metro's remaining Schedules or Statements, as appropriate. In the event that the Schedules and Statements differ from the foregoing Global Notes, the Global Notes shall control.

**Accounts Receivable**

The accounts receivable information included in the Schedules and Statements is as of August 31, 2012 and has been listed net of reserves.

**Amendment**

Although reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements, inadvertent errors or omissions may exist. Accordingly, Metro reserves all rights to amend and/or supplement the Schedules and Statements as it deems necessary and appropriate.

**Cash Management**

The Debtors use a consolidated cash management system through which the Debtors collect substantially all receipts and pay liabilities and expenses.

**Causes of Action**

Despite reasonable efforts, Metro may have inadvertently failed to identify and/or set forth as assets all of its filed or potential causes of action against third parties as assets in the Schedules and Statements, including, without limitation, causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. The Debtors reserve all of their rights with respect to any cause of action (including avoidance actions), controversy, right of setoff, cross claim, counterclaim or recoupment and any claim on contracts or for breaches of duties imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertable directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law or in equity, or pursuant to any other theory of law (collectively, "Causes of Action") they may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any Causes of Action or in any way prejudice or impair the assertion of such Causes of Action.

**Claims Designations and Claims of Third-Party Related Entities**

Although Metro has made every effort to classify properly each claim listed in the Schedules as being either disputed or undisputed, liquidated or unliquidated, and contingent or noncontingent, the Debtors have not been able to reconcile fully all payments made to certain third parties and their related entities on account of the Debtors' obligations to such entities and their affiliates. Accordingly, any failure of Metro to designate a claim identified on the Schedules and Statements as "disputed"; "contingent"; or "unliquidated" does not constitute an admission by Metro that such amount is not "disputed"; "contingent"; or "unliquidated." Indeed, Metro reserves the right to dispute, or assert offsets or defenses to, any claim reflected on the Schedules or Statements on any grounds whatsoever, including amount, liability, or classification, or to otherwise subsequently designate such claims as "disputed"; "contingent"; or "unliquidated." Identification of a claim on the Schedules and Statements shall not constitute an admission of liability by Metro.

**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS**

**Classifications**

Listing a Claim on (a) Schedule D as "secured," (b) Schedule E as "priority," (c) Schedule F as "unsecured," or (d) listing a contract on Schedule G as "executory" or "unexpired," does not constitute an admission by the Debtors of the legal rights of the claimant or a waiver of the Debtor's rights to recharacterize or reclassify such claims or contracts or to setoff against any such Claims.

**Confidentiality**

In certain circumstances certain information has been intentionally omitted or revised due to concerns about the confidential or commercially sensitive nature of such information or for privacy of individuals. The revisions or omissions will be limited to only what is necessary the Debtors or third-parties and will provide interested parties with sufficient information.

**Employees**

The Debtors employ approximately 130 employees as of the petition date. The Bankruptcy Court entered "first-day" interim orders granting authority to the Debtors to pay pre-petition employee wages, salaries, severance, benefits or other obligations in the ordinary course of their businesses. Accordingly, the Schedules and Statements do not include claims that the Debtors have paid or otherwise resolved or satisfied pursuant to such "first-day" orders. In addition, the Debtors may take certain actions that lead to employee-related claims. Such potential claims are not included in the Schedules and Statements. Furthermore, the Debtors have omitted from their response to Statement Question 3.b. ordinary course payments made to employees within 90 days of the Petition Date.

**Estimates**

To close the books and records of the Debtors as of the Petition Date, the Debtors' management was required to make estimates, allocations or assumptions that affect the amounts of assets and liabilities as of September 27, 2012 and reported revenue and expenses for the period ending [August 31, 2012].

**Excluded Assets and Liabilities**

Metro has excluded certain assets from the Schedules and Statements, including goodwill, customer relationships, and assets with a net book value of zero. Metro has excluded certain liabilities from the Schedules and Statements, including accrued salaries and employee benefits, tax accruals, letters of credit and other accrued liabilities. The Debtors have also excluded potential rejection damage claims of counterparties to executory contracts and unexpired leases that have been or may be rejected; to the extent such damage claims may at some point arise. Liabilities resulting from non-specific accruals and/or estimates of long-term liabilities that are not payable at this time given that they (i) have not been approved for payment in accordance with Metro's normal procedures or (ii) have not yet been reported and, therefore, do not represent specific claims as of the Petition Date, have been excluded from the Schedules and Statements. Other de minimis or otherwise immaterial assets and liabilities may also have been excluded.

**Financial Reporting**

The Debtors are privately-held companies. The Schedules and Statements identify Metro's stand-alone assets and liabilities and were not prepared in accordance with generally accepted accounting principles ("GAAP").

**Fiscal Year**

The fiscal year for Metro Fuel Oil Corp, Metro Terminals Corp and Metro Terminals of Long Island, LLC covers the period July 1 through June 30. For all other entities, the fiscal year covers the period January 1 through December 31.

**Foreign Currency**

All amounts are reflected in U.S. Dollars ("USD").

**Guarantees and Other Secondary Liability Claims**

Metro has used its best efforts to locate and identify guarantee obligations and other secondary liability claims related to each of its executory contracts, unexpired leases, secured financings, debt instruments, and other agreements (collectively, the "Guarantees"). Where such Guarantees have been identified, they have been included in the Schedules.

**Insiders**

For purposes of the Schedules and Statements, the term "insiders" is defined pursuant to section 101(31) of the Bankruptcy Code as: (i) directors; (ii) officers; (iii) shareholders holding in excess of 5% of the voting shares; and (iv) relatives of directors, officers, or shareholders of Metro (to the extent known by Metro).

Persons listed as "insiders" have been included for informational purposes only. Metro does not take any position with respect to: (i) such person's influence over the control of Metro; (ii) the management responsibilities or functions of such individual; (iii) the decision-making or corporate authority of such individual; or (iv) whether any such individual could successfully argue that he or she is not an "insider" under applicable law, including the Bankruptcy Code or federal securities laws, or with respect to any theories of liability or for any other purpose.

**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS**

**Intellectual Property Rights**

Any exclusion of Metro's intellectual property shall not be construed as an admission by Metro that such intellectual property rights have been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property rights shall not be construed as an admission by Metro that such intellectual property rights have not been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction. In addition, although the Debtors have made diligent efforts to attribute intellectual property to the rightful Debtor entity, in certain instances, intellectual property owned by one Debtor may, in fact, be owned by another. Accordingly, Metro reserves any and all of its rights with respect to the legal status of any and all of its intellectual property.

**Intercompany Claims**

Receivables and payables among Metro and its affiliates (each an "Intercompany Receivable" or "Intercompany Payable" and collectively, the "Intercompany Claims") are included in the Schedules to the extent they are not duplicative of other listed amounts.

The Debtors routinely engaged in intercompany transactions among the Debtors resulting in intercompany accounts payable and accounts receivable. The Debtors have listed the intercompany information for each debtor on Schedule B and Schedule F, as applicable. Summary schedules do not include receivables or payables related to intercompany transactions.

**Inventories, Property and Equipment**

Inventories referenced in the Schedules and Statements are stated at current cost. Property and equipment referenced in the Schedules and Statements is stated at cost, net of accumulated depreciation. All inventories, as well as all property and equipment, are presented without consideration of any potential liens.

**Leases and Contracts**

The Debtors have not included in the Schedules and Statements any future obligations on any leases. To the extent that there was an amount due as of the Petition Date, the creditor has been included in Schedule F. Unless otherwise stated, all lease agreements have been included in Schedule G.

The business of the Debtors is complex. While commercially-reasonable efforts have been made to ensure the accuracy of Schedule G, inadvertent errors, omissions, or over-inclusions may have occurred. In compiling Schedule G, the Debtors categorized contracts by the type for ease of reference only and do not intend such categorization to denote any significance.

The Debtors have attempted to provide complete lists of all agreements that might be considered to be executory contracts. The Debtors are continuing to review their records and may supplement their Schedules and Statements to the extent necessary. The Debtors hereby reserves all of its rights to dispute the validity, status, or enforceability of any contracts, agreements, or leases set forth in Schedule G, or to amend or supplement such Schedule as necessary. The contracts, agreements and leases listed on Schedule G may not have taken effect or be binding on any party and may have expired, or been terminated, modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppels certificates, letters, or other documents, instruments, or agreements which may not be listed therein.

Certain of the real property leases and contracts listed on Schedule G may contain renewal options, guarantees of payments, options to purchase, rights of first refusal, rights to lease additional space and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth on Schedule G. Certain executory agreements may not have been memorialized in writing and could be subject to dispute. Generally, executory agreements that are oral in nature have not been included in the Schedule. Schedule G generally does not include stand-alone equipment purchase orders. Schedule G does not include agreements that the Debtors have entered into with certain of their advisors.

**Liabilities**

Metro allocated liabilities between the prepetition and postpetition periods based on the information available and research conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, Metro's allocation of liabilities between the pre-petition and post-petition periods may change. The liability information, except where otherwise noted, is listed as of the close of business on September 26, 2012. Accordingly, Metro reserves all rights to amend, supplement or otherwise modify the Schedules and Statements as necessary and appropriate. In addition, the liabilities listed on the Schedules do not reflect any analysis conducted by Metro regarding potential claims under section 503(b)(9) of the Bankruptcy Code. Accordingly, Metro reserves any and all of its rights to dispute or challenge the validity of any claims asserted under section 503(b)(9) of the Bankruptcy Code or otherwise. The Debtors shall not, however, be required to update the Schedules and Statements.

**Case Number: 12-46915**

**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS**

**Net Book Value of Assets**

It would be prohibitively expensive, unduly burdensome, and an inefficient use of resources for the Debtors to obtain current market valuations of all of its assets. Accordingly, unless otherwise indicated, the values for assets contained in the Schedules and Statements are net book values as of August 31, 2012. Consequently, amounts ultimately realized from the disposition of the Debtors' assets may materially vary from the stated net book value. Additionally, because the book values of patents, trademarks, and copyrights may materially differ from their fair market values, they are listed as undetermined amounts as of the Petition Date. Furthermore, assets that have been fully depreciated or were expensed by the Debtors for accounting purposes do not appear in the Schedules and Statements because they have no net book value. Certain of the Debtors' assets are listed in the Schedules and Statements with undetermined values as of the Petition Date because the net book values of these assets may materially differ from fair market values. Thus, unless otherwise noted, the Schedules and Statements reflect the carrying value of the assets as recorded on Metro's books as of August 31, 2012, and are not based upon any estimate of their current market value.

**Paid Claims**

Pursuant to certain interim orders entered by the Bankruptcy Court, Metro has been authorized to pay certain outstanding prepetition obligations. Accordingly, certain outstanding prepetition liabilities may have been reduced by payments made by the Debtors after the Petition Date. To the extent the Debtors pay any of the Claims listed in the Schedules and Statements pursuant to orders entered by the Bankruptcy Court, the Debtors reserve all of their rights to amend or supplement the Schedules and Statements or take other action as is necessary and appropriate to avoid over-payment of or duplicate payment for any such liabilities.

**Recharacterization**

Metro has made reasonable efforts to characterize, classify, categorize, and/or designate correctly the claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements. However, due to the complexity and size of Metro's business, Metro may have improperly characterized, classified, categorized, or designated certain items. Thus, Metro reserves the right to recharacterize, reclassify, recategorize, or redesignate items reported in the Schedules and Statements as additional information becomes available, including whether contracts listed in the Schedules and Statements were executory as of the Petition Date or remain executory post petition.

**Reservation of Rights**

Nothing contained in the Schedules and Statements shall constitute a waiver of Metro's rights or an admission with respect to their Chapter 11 cases, including with respect to any issues involving substantive consolidation, equitable subordination, defenses, and/or causes of action arising under the provisions of Chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws. All rights to object to any claims of any parties and with claims listed on the Schedules are reserved.

**Secured Claims**

Except as otherwise agreed pursuant to a stipulation, agreed order, or general order entered by the Bankruptcy Court, the Debtors reserves their rights to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D of any Debtor. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims, the Debtors reserves all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization or structure of any such transaction, or any document or instrument (including, without limitation, any inter-company agreement) related to such creditor's claim. The descriptions provided in Schedule D are intended only to be a summary, do not constitute an admission and are not dispositive for any purpose. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any lien. Nothing in the Global Notes or the Schedules and Statements shall be deemed to be an admission, modification, or interpretation of or relating to such agreements.

**Setoffs**

The Debtors incur certain setoffs and other similar rights during the ordinary course of business. Offsets in the ordinary course can result from various items, including, without limitation, intercompany transactions, pricing discrepancies, returns, warranties, and other disputes between the Debtors and their suppliers. These offsets and other similar rights are consistent with the ordinary course of business in the Debtors' industry and are not tracked separately. Therefore, although such offsets and other similar rights may have been accounted for when certain amounts were included in the Schedules, offsets are not independently accounted for, and as such, are excluded from the Debtors' Schedules and Statements.

**Taxes**

Schedule E includes claims to various taxing authorities to which the Debtors may potentially be liable. However, certain of such claims may be subject to ongoing audits, and the Debtors are otherwise unable to determine with certainty the amount of some, if not all, of the claims listed on Schedule E. Therefore, the Debtors have listed all such claims as unliquidated, pending final resolution and liquidation of such claims, including for ongoing audits or other outstanding issues. The Debtors reserve their right to assert that any claim listed on Schedule E does not constitute an unsecured priority claim under the Bankruptcy Code.

**Totals**

All totals that are included in the Schedules and Statements represent totals of all known amounts. To the extent there are unknown, unliquidated or undetermined amounts, the actual total may differ from the total in the Schedules and Statements.
