**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND
DISCLAIMER REGARDING THE MONTHLY OPERATING REPORT OF
MF GLOBAL HOLDINGS LTD. AND ITS AFFILIATED DEBTORS**

The Monthly Operating Report filed by MF Global Holdings Ltd. (“Holdings Ltd”) and its affiliated debtors, MF Global Finance USA Inc., MF Global Capital LLC, MF Global FX Clear LLC, MF Global Market Services LLC, and MF Global Holdings USA Inc., in these jointly administered chapter 11 cases (collectively, the “Debtors”) is limited in scope, covers a limited time period and has been prepared by the Debtors with the assistance of its advisors solely for the purpose of complying with the reporting requirements of the Bankruptcy Court and title 11 of the United States Code (the “Bankruptcy Code”). The financial information contained in the Monthly Operating Report is preliminary and unaudited, and as such may be subject to revision. The information in the Monthly Operating Report should not be viewed as indicative of future results.

At the time of its bankruptcy filing, Holdings Ltd and its subsidiaries and affiliates (the “Company”) was one of the world’s leading brokers in markets for commodities and listed derivatives. The Company provided its customers access to more than 70 exchanges globally, and was a leader by volume on many of the world’s largest derivative exchanges. The Company was also an active broker-dealer in markets for commodities, fixed income securities, equities and foreign exchange. The Company was one of 22 primary dealers authorized to trade U.S. government securities with the Federal Reserve Bank of New York (the “Federal Reserve”). In addition to executing client transactions, the Company provided research and market commentary to help clients make trading decisions, as well as provided clearing and settlement services. The Company was also active in providing client financing and securities lending services.

The Company, headquartered in the United States, had operations globally, including the United Kingdom, Australia, Singapore, India, Canada, Hong Kong, and Japan. The Company’s priority was serving the needs of its diversified global client base, which included a wide range of institutional asset managers and hedge funds, professional traders, corporations, sovereign entities and financial institutions. The Company also offered a range of services for individual traders and introducing brokers. As of October 31, 2011, the Company had approximately 2,870 employees worldwide, 248 of which were employed by the Debtors in the United States. The Company derived revenues from three main sources: (a) commissions generated from execution and clearing services; (b) principal transactions revenue, generated both from client facilitation and proprietary activities; and (c) net interest income from cash balances in client accounts maintained to meet margin requirements, as well as interest related to the Company’s collateralized financing arrangements and principal transactions activities.

Prior to October 31, 2011, when Holdings Ltd filed for bankruptcy, the Debtors operated, with other Holdings Ltd’s direct and indirect subsidiaries (“non-Debtor MFG entities”), on a global, integrated and interdependent basis. Holdings Ltd’s precipitous filing caused an immediate shutdown of Holdings Ltd’s formerly integrated, globally interdependent information and financial reporting systems. On or about the commencement of Holdings Ltd’s bankruptcy, many of Holdings Ltd’s regulated affiliates around the world became subject to various proceedings, in which administrators or trustees were appointed by the requisite authorities to oversee, manage, and administer the affairs of those affiliates going forward. The Debtors were significantly and adversely affected by these proceedings because they lost full, direct access to certain personnel, a portion of their books and records, certain back office systems and document repositories. Furthermore, because of these separate administrative and liquidation proceedings, the Debtors were no longer able to communicate directly with the employees of the non-Debtor MFG entities. The Debtors sought cooperation from their non-Debtor MFG entities to perform a global accounting close of the books as of October 31, 2011 or, in the alternative, to gain full, direct access to all non-Debtor MFG entity personnel, back office systems, and documents. The Debtors’ efforts were ultimately unsuccessful as full cooperation from all non-Debtor MFG entities was not forthcoming.

MF Global Holdings Ltd., et al.,
Debtors

Chapter 11
Case Number: 11-15059 (MG)
Jointly Administered

With respect to the Debtors, the majority of the operational accounting functions, including day-to-day maintenance of the Debtors' books and records, were fulfilled by an accounting group located in Chicago, Illinois and employed by a non-Debtor MFG entity, MF Global Inc. ("MFGI"). On October 31, 2011, a separate proceeding was commenced under the Securities Investor Protection Act of 1970 ("SIPA") against MFGI and a trustee appointed pursuant to the provisions of SIPA is administering MFGI's estate.

The Debtors have had limited access to the accounting group located in Chicago who primarily maintained its books and records, and limited access to certain back office systems and certain document repositories, as these are controlled by the SIPA appointed trustee. As a result, the Debtors have been unable to complete the month-end close process for October 31, 2011 and, as a result, the financial statements and other financial information as of the petition date through April 30, 2012 are not yet available. Further, the Debtors intend to amend this Monthly Operating Report with the relevant financial information when the financial statements are prepared, but at this time the Debtors are unable to estimate when that will occur.

On December 19, 2011, MF Global Capital LLC, MF Global FX Clear LLC, and MF Global Market Services LLC each filed a voluntary petition for relief under chapter 11 of title 11 of the United States Code in the United States Bankruptcy Court for the Southern District of New York. On March 2, 2012, MF Global Holdings USA Inc. filed a voluntary petition for relief under chapter 11 of title 11 of the United States Code in the United States Bankruptcy Court for the Southern District of New York. The chapter 11 cases have been assigned to the Honorable Judge Martin Glenn and are being jointly administered under the caption "In re MF Global Holdings Ltd., et al." Case No. 11-15059 (MG).

While the Debtors have exercised their best efforts to ensure that the Monthly Operating Report is accurate, based on limited information that was available at the time of preparation, inadvertent errors or omissions may exist. The Debtors reserve the right to amend the Monthly Operating Report from time to time as may be necessary or appropriate.
