\$50,000

In June 2009, the states of New Jersey, Oklahoma and Georgia presented their workers compensation bonds to Travelers Casualty for payment. The amounts of these bonds were \$9 million, \$8.4 million and \$16.4 million respectively. As a result, on July 1, 2009 Travelers Casualty drew down on MLC's cash collateral in the amount of \$33.8 million. MLC may have a residual interest in the funds held by such states on account of workers compensation claims.
