INTRODUCTION

Molycorp, Inc. and the other Debtors in the above-captioned cases propose the following joint plan of reorganization for the resolution of the outstanding claims against, and equity interests in, the Debtors pursuant to chapter 11 of the Bankruptcy Code. The Debtors are the proponents of the Plan within the meaning of section 1129 of the Bankruptcy Code.

In broad strokes, the Plan contemplates two possible alternative plan structures (the "Plan Alternatives"): (1) the sale of substantially all of the Debtors' assets pursuant to the Plan and distributions to creditors of the net proceeds from such sale on the effective date of the Plan (the "Entire Company Sale"); or (2) if the Debtors' sales process is unsuccessful in attracting a bid (or combination of bids) sufficient to trigger the conditions for the Entire Company Sale or the Debtors are otherwise unable to consummate the Entire Company Sale, (a) the sale of the Debtors' Mountain Pass rare earth mining facility ("Mountain Pass") and related assets and (b) a stand-alone reorganization around the Debtors' three remaining business units (the foregoing clauses (a) and (b), together, the "Stand-Alone Reorganization"); *provided, however*, that if the Molycorp Minerals Assets Sale cannot be consummated but all other conditions to the Effective Date have been satisfied or waived, the Stand-Alone Reorganization shall mean the stand-alone reorganization around the Debtors' three remaining Business Units.

In this Third Amended Joint Plan of Reorganization, the Debtors have revised the Second Amended Joint Plan of Reorganization to incorporate the terms of the Plan Settlement Agreement among the Debtors, Oaktree, the Creditors' Committee and National Union. The treatment for Holders of Claims and Interests has been modified herein to conform to the agreements reached between the Plan Settlement Parties in the Plan Settlement Agreement.

Holders of Claims and Interests may refer to the Disclosure Statement for a more detailed discussion of the Plan Alternatives, the Debtors' history, businesses, results of operations, historical financial information, projections, and assets; events occurring during these Chapter 11 Cases; and the ongoing sales process. In addition, contemporaneously herewith the Debtors have distributed to all Holders entitled to receive a copy of the Disclosure Statement pursuant to the terms of the Disclosure Statement Order, an explanation of the Plan Settlement Agreement and describing the amendments and settlements contained in this Plan and a summary of the distributions to be made hereunder.

Other agreements and documents supplement the Plan and have been or will be Filed with the Bankruptcy Court as part of the Plan Supplement no later than seven (7) days prior to the Voting Deadline.

A Claim or Interest (1) is classified in a particular Class only to the extent that the Claim or Interest qualifies within the description of that Class, and (2) is classified in a different Class to the extent that any remainder of such Claim or Interest qualifies within the description of such other Class. A Claim or Interest is also classified in a particular Class for the purpose of receiving distributions pursuant to the Plan only to the extent that such Claim or Interest is an Allowed Claim or an Allowed Interest in that Class and has not been paid, released, or otherwise satisfied prior to the Effective Date.

Section 1129(a)(10) of the Bankruptcy Code shall be satisfied for the purposes of Confirmation by acceptance of the Plan by an Impaired Class of Claims; provided, however, that in the event no Holder of a Claim with respect to a specific Class for a particular Debtor timely submits a Ballot in compliance with the Disclosure Statement Order indicating acceptance or rejection of this Plan, such Class will be deemed to have accepted this Plan pursuant to the Confirmation Order. The Debtors may seek Confirmation of this Plan pursuant to

section 1129(b) of the Bankruptcy Code with respect to any rejecting Class of Claims or Interests.

For administrative convenience, the Plan organizes the Debtors into five (5) groups (each, a "Debtor Group") and assigns a letter to each Debtor Group and a number to each Class of Claims against or Interests in each Debtor in each Debtor Group. Notwithstanding this organizing principle, the Plan is a separate plan of reorganization or liquidation for each Debtor. Claims against or Interests in a Debtor belonging to a Debtor Group consisting of more than one Debtor shall be deemed to be classified in a single Class for all purposes under the Bankruptcy Code, including voting. To the extent a Holder has a Claim that may be asserted against more than one Debtor in a Debtor Group, the vote of such Holder in connection with such Claims shall be counted as a vote of such Claim against each Debtor in such Debtor Group. For consistency, similarly designated Classes of Claims and Interests are assigned the same number across each of the Debtor Groups. Any non-sequential enumeration of the Classes is intentional to maintain consistency. Claims against and Interests in the Debtors are classified as follows:

Letter	Debtor Group	Number	Designation

**ARTICLE IV.
MEANS FOR IMPLEMENTATION OF THE PLAN**

A. 9019 Settlement

The Bankruptcy Court shall consider the approval of the 9019 Settlement in connection with the Plan pursuant to the standards under Bankruptcy Rule 9019.

In exchange for the distributions set forth herein with respect to Holders of Claims in Class 5A, including without limitation, the Class 5A Equity, the Class 5A Stand-Alone Cash Distribution, the Class 5 Cash Out Option (including with respect to Class 5A-1 and Class 5C-1), the Class 5A Sale Distribution, the Class 5A Insurance Payment and the Indenture Trustees Allowed Fee Payment, the Adversary Proceeding shall be dismissed with prejudice against Oaktree and the Directors and Officers. The Creditors Committee and its Representatives, Oaktree and its Representatives, the Debtors and their Representatives, the Directors and Officers, and National Union shall be deemed to have provided and received the mutual full and final releases from all claims and Causes of Action, including without limitation, those claims and Causes of Action that may be asserted on behalf of the Debtors' Estates as more fully set forth in Article IV.N hereof. In addition, pursuant to the 9019 Settlement, all Avoidance Actions and all other claims of the Debtors against Holders of Claims in Class 5 shall be released; *provided, however*, that notwithstanding anything to the contrary herein, no release shall be granted to Holders of Claims in Class 5 that object to the Plan. All other claims and Causes of Action not released pursuant to the Plan shall vest in the Reorganized Debtors as more fully set forth in Section IV.N.

The 9019 Settlement is conditioned on Oaktree's Claims being allowed in full in the amount of no less than the Oaktree Maximum Distribution. The Plan Settlement Agreement also provides that for all purposes the value of the Reorganized Parent Common Equity distributed under the Plan be calculated using the Debtors' midpoint valuation of \$417 million.

In addition, the Plan Settlement Parties have agreed to, and the Court is requested to make, the following Requested Findings, which for the avoidance of doubt, shall not be conditions to confirmation of the Plan, and the Plan may be confirmed even if the Court declines to make any of the Requested Findings if all other conditions to confirmation have been

satisfied:

1. The Holders of Claims in Class 5A are entitled to receive the Class 5A Insurance Payment;
2. The Convertible Notes Claims shall be allowed in the amounts set forth in Section III.B.5.b;
3. If the Entire Company Sale Trigger occurs, to the extent legally permissible, and notwithstanding anything to the contrary in Section III.B.4.b all other remaining value of the Debtors' Estates (other than on account of the Molycorp Minerals Assets) remaining after (1) receipt of payment by Oaktree of the Oaktree Maximum Distribution Amount, and (2) payment pursuant to the terms hereof in full in Cash of the (i) Administrative Claims (other than the DIP Claims), (ii) Priority Tax Claims, (iii) Other Priority Claims, (iv) General Unsecured Claims against the Downstream Debtors and (v) the Wind-down Reserve, shall be distributed to the Holders of Claims in Class 5A;
4. The Recharacterized Intercompany Claims shall be deemed recharacterized as equity solely for purposes of calculating distributions under this Plan to third-party creditors and the Plan will take into account all Recharacterized Intercompany Claims solely for purpose of calculating distributions to third-party creditors; *provided*, that the Debtors may determine, in good faith, not to support the recharacterization of the Recharacterized Intercompany Claims as part of the 9019 Settlement, *provided, further, however*, the Creditors' Committee shall retain the right, to seek to recharacterize the Recharacterized Intercompany Claims irrespective of the Debtors' determination.
5. Approval of the 10% Notes Collateral Surcharge, pursuant to the terms of the Plan Settlement Agreement, including for the purpose of defending against any claim or objection to confirmation of the Revised Plan asserting that any subclass in Class 5 is not entitled to its proposed distribution under the Plan.
6. If the Entire Company Sale Trigger occurs, the payments to Oaktree shall be made from the following sources: (a) first, from the Oaktree Molycorp Minerals Allocation Amount; and (b) second, from the proceeds from the sale of the Downstream Entities.
7. If the Entire Company Sale Trigger occurs, the Oaktree DIP Claims shall be deemed to be satisfied prior to the Oaktree Prepetition Claims, and Oaktree's DIP Claims shall be deemed satisfied first through its Allowed Administrative Claims against MCP Exchangeco Inc. and Molycorp Luxembourg Holdings S.à r.l.

8. If the Entire Company Sale Trigger occurs, after payment of the Oaktree Maximum Distribution Amount in full in Cash and after the following amounts required to be paid under the Plan have been paid in full in cash (i) Administrative Claims (other than the DIP Claims), (ii) Priority Tax Claims, (iii) Other Priority Claims, (iv) General Unsecured Claims against the Downstream Debtors and (v) the Wind-Down Reserve, the Oaktree Liens shall be released on the DIP Loan Disbursement Account and the Parent's unencumbered Cash accounts for the benefit of the Holders of Claims in Class 5A.

Any amounts incurred by the Creditors' Committee's legal professionals on and after the Plan Settlement Effective Date with respect to the Creditors' Committee Legal Fee Cap Matters in excess of the Creditors' Committee Legal Fee Cap shall be disallowed unless and until, if the Entire Company Sale Trigger has occurred, Oaktree has received payment of the Oaktree Maximum Distribution amount in full in Cash.

As part of the 9019 Settlement, the Debtors shall pay the Indenture Trustees Allowed Fee Payment on account of the Indenture Trustees Allowed Fees.

As part of the 9019 Settlement, upon emergence, the Reorganized Debtors will have no Oaktree-related debt and no preferred equity will be outstanding. The Reorganized Debtors are entitled to seek and obtain debt from parties unrelated to Oaktree on emergence or from any party thereafter provided such capital raises comply with the minority equityholder protections set forth in Section IV.D.2 hereof.

As part of the 9019 Settlement, and in settlement of the claims asserted in the Adversary Proceeding against the Directors and Officers, National Union shall pay the Class 5A Insurance Payment on the Effective Date to the Estate of the Parent for the sole benefit of the Class 5A Creditors. As part of the 9019 Settlement, the Creditors' Committee shall be deemed to grant a release, on behalf of the Debtors' Estates, to the Directors and Officers (regardless of whether such directors or officers are named as defendants in the Adversary Proceeding) and National Union from any and all claims asserted in the Adversary Proceeding and any and all claims that the Debtors' estates could have asserted against such Directors and Officers based on events occurring prior to the Petition Date as more fully set forth in Article IX. In addition, National Union shall have the National Union Consent Right and the Directors and Officers named as defendants in the Adversary Proceeding shall have the Directors and Officers Consent Right.

Neither approval of the settlement with National Union nor receipt of the National Union Payment by the Class 5A Creditors shall be conditions to confirmation of the Plan, *provided, however*, that National Union's obligation to make the Class 5A Insurance Payment shall be conditioned solely on the Bankruptcy Court approving the Creditors' Committee's releases of the Directors and Officers and National Union described above, the exculpation of the Directors and Officers set forth in Section IX.F, and the injunction and Third Party Releases contained herein (but only to the fullest extent approved by the Bankruptcy Court).

B. Entire Company Sale

The Debtors will only proceed with an Entire Company Sale if Molycorp's Board of Directors concludes that acceptance of one or more Qualified Bids for all of the Assets of the Downstream Businesses is value-maximizing for the Debtors' estates. If the Entire Company Sale Trigger occurs, the Debtors shall consummate the Entire Company Sale pursuant to the terms of this Plan, and the Confirmation Order shall authorize the Debtors to enter into and perform under the Entire Company Sale Agreements.

Notwithstanding anything herein to the contrary, Oaktree shall have the right to seek to credit bid in accordance with the terms of the Bid Procedures, and parties shall have the right to object to any such credit bid. Any such credit bid shall comply with the terms of the Bid Procedures. On the Effective Date, all of the transactions contemplated by the Entire Company Sale Agreements shall be consummated.

Except as otherwise explicitly provided herein, on the Effective Date, substantially all of the Debtors' property shall be sold and transferred to one or more Purchasers in accordance with the terms of the Entire Company Sale Agreements and this Plan in exchange for the consideration set forth in the Entire Company Sale Agreements. Any property of the Debtors' Estates that is not transferred under the Entire Company Sale Agreements or distributed on the Effective Date pursuant to the terms of this Plan shall revert in the Post-Effective Date Debtors for liquidation and distribution to creditors in accordance with the terms of the Plan.

Unless otherwise expressly provided under the terms of a particular Entire Company Sale Agreement, all matters and transactions provided for in the Entire Company Sale Agreements, and any partnership, membership, or shareholder action required by the Debtors or the Post-Effective Date Debtors in connection with the Entire Company Sale Agreements, will be deemed to have occurred and will be in effect, without any requirement of further action by those authorized to act on behalf of the Debtors or the Post-Effective Date Debtors. On or (as applicable) prior to the Effective Date, the appropriate officers or managing members of each Debtor or Post-Effective Date Debtor, as applicable, shall be authorized and directed to issue, execute, deliver, file, and/or record any contracts, agreements, instruments, or other documents contemplated by the Entire Company Sale Agreements (or necessary or desirable to effect the transactions contemplated by the Entire Company Sale Agreements), and take such actions as may be necessary or appropriate to effectuate and further evidence the terms and conditions of the Entire Company Sale Agreements, in each case in the name of and on behalf of such Debtor or Post-Effective Date Debtor. Such authorizations and approvals will be effective notwithstanding any requirements under non-bankruptcy law.

To the extent there are material amendments to the Entire Company Sale Agreements prior to the Confirmation Hearing, the Debtors shall File such revised Entire Company Sale Agreements prior to the Confirmation Hearing. After the Confirmation Date, the Debtors are authorized, subject to the Oaktree Consent Right, to enter into non-material amendments to the Entire Company Sale Agreements in accordance with their terms and in furtherance of the transactions contemplated thereby without the need for further notice or Court approval.

C. Molycorp Minerals Assets Sale

The Molycorp Minerals Assets Sale, which may be consummated pursuant to a 10% Noteholder Permitted Credit Bid, shall take place whether or not the Entire Company Sale Trigger occurs, and may be approved in connection with confirmation of the Plan or outside of a chapter 11 plan. If the Debtors seek approval of the Molycorp Minerals Assets Sale pursuant to this Plan, the Confirmation Order shall authorize the Debtors to enter into and perform under the Molycorp Minerals Sale Agreements, or the Debtors may seek approval and consummation of a Molycorp Minerals Assets Sale outside of a chapter 11 plan. If the Debtors seek approval of the Molycorp Minerals Assets Sale pursuant to this Plan, on the Effective Date, all of the transactions contemplated by the Molycorp Minerals Sale Agreements shall be consummated. Except as otherwise explicitly provided herein, on the Effective Date, the assets subject to the Molycorp Minerals Assets Sale shall be sold and transferred to one or more purchasers in accordance with the terms of the Molycorp Minerals Sale Agreements and this Plan in exchange for the consideration set forth in the respective Molycorp Minerals Sale Agreements. On the Effective Date, all Molycorp Minerals Debtors not sold in connection with the Molycorp Minerals Assets Sale shall be dissolved.

The Debtors will only proceed with a sale of the Oaktree Equipment if a Qualified Bid (as defined in the Bid Procedures) for the Molycorp Minerals Assets together with the Oaktree Equipment, or for the Oaktree Equipment alone, contains a cash purchase price no less than the Oaktree Equipment Reserve Price, subject to the limitations set forth in Section III.B.3.c.iv of the Plan. Whether or not the Oaktree Equipment Reserve Price is satisfied, the Debtors will proceed with the Molycorp Minerals Assets Sale without the Oaktree Equipment, if appropriate pursuant to the Bid Procedures.

Notwithstanding anything herein to the contrary, if there are no Qualified Bids for the Oaktree Equipment, including with respect to any Qualified Bid (including a credit bid) for the Molycorp Minerals Assets, Oaktree shall have the right to enter the property and remove the Oaktree Equipment and / or agree to lease the Oaktree Equipment, on such terms and conditions, as are acceptable to Oaktree in its sole and absolute discretion, to any Successful Bidder (as defined in the Bid Procedures) for the Molycorp Minerals Assets, provided that if Oaktree is going to remove the Oaktree Equipment, Oaktree shall have a reasonable amount of time following the closing of the sale of the Molycorp Minerals Assets to remove the Oaktree Equipment in accordance with the terms of the Oaktree Lease Documents.

Any Molycorp Minerals Assets Sale shall not include the sale or liquidation of the equity interests of Molycorp Minerals in Molycorp Silmet AS or Molycorp Advanced Water Technologies, LLC, which shall be (a) sold as part of the sale of the Downstream Debtors if the Entire Company Sale Trigger occurs or (b) transferred to the Reorganized Debtors as part of the Restructuring Transactions in the Stand-Alone Reorganization.

If the Debtors seek approval of the Molycorp Minerals Assets Sale pursuant to this Plan, unless otherwise expressly provided under the terms of a particular Molycorp Minerals Sale Agreement, all matters and transactions provided for in the Molycorp Minerals Sale Agreements, and any partnership, membership, or shareholder action required by the Debtors in connection with the Molycorp Minerals Sale Agreements will be deemed to have occurred and will be in

effect, without any requirement of further action by those authorized to act on behalf of the Debtors. On or (as applicable) prior to the Effective Date, the appropriate officers or managing members of each Debtor, as applicable, shall be authorized and directed to issue, execute, deliver, file, and/or record any contracts, agreements, instruments, or other documents contemplated by the Molycorp Minerals Sale Agreements (or necessary or desirable to effect the transactions contemplated by the Molycorp Minerals Sale Agreements), and take such actions as may be necessary or appropriate to effectuate and further evidence the terms and conditions of the Molycorp Minerals Sale Agreements, in each case in the name of and on behalf of such Debtor. Such authorizations and approvals will be effective notwithstanding any requirements under non-bankruptcy law.

To the extent there are material amendments to the Molycorp Minerals Sale Agreements prior to the Confirmation Hearing, the Debtors shall File such revised Molycorp Minerals Sale Agreements prior to the Confirmation Hearing. After the Confirmation Date, the Debtors, subject to the Oaktree Consent Right, are authorized subject to Section XI.A to enter into non-material amendments to the Molycorp Minerals Sale Agreements in accordance with their terms and in furtherance of the transactions contemplated thereby without the need for further notice or Court approval.

If the Molycorp Minerals Assets Sale is not consummated at the time that all other conditions to the Effective Date set forth in Section X.B have been satisfied or waived, (a) the Debtors (subject to the Oaktree Consent Right) shall consummate the Entire Company Sale (subject to the occurrence of the Entire Company Sale Trigger) or the Stand-Alone Reorganization (if the Entire Company Sale Trigger does not occur).

D. The Stand-Alone Reorganization

If the Debtors do not effectuate the Entire Company Sale with respect to the Downstream Businesses, or if the Entire Company Sale Trigger does not occur, the Debtors shall consummate the Stand Alone Reorganization. The following provisions shall govern a Stand-Alone Reorganization.

1. Third Party Financing

On the Effective Date, one or more of the Reorganized Debtors shall be permitted to enter into any financing or other debt arrangement with third-parties unrelated to Oaktree and provided that any such capital raise complies with the minority protections described in Section IV.D.2 below.

2. Reorganized Parent Common Equity

On the Effective Date, subject to the terms and conditions of the Plan Settlement Agreement, (a) 92.5% of the Reorganized Parent Common Equity will be issued, directly or indirectly, to Oaktree in partial satisfaction of its Allowed Claims, and (b) the Class 5A Equity will be issued, directly or, subject to the consent of the Creditors' Committee which shall not be unreasonably withheld, indirectly, to the Holders of Allowed Claims in Class 5A, each of which will be subject to dilution for the MIP.

Each share of the Reorganized Parent Common Equity issued and distributed pursuant to the Plan will be duly authorized, validly issued, and fully paid non-assessable. Each distribution and issuance referred to herein will be governed by the terms and conditions set forth herein applicable to such distribution or issuance and by the terms and conditions of the instruments evidencing such distribution or issuance, which terms and conditions will bind each Entity receiving such distribution or issuance.

- (e) a requirement that any transactions (including debt incurrences or issuances of senior securities, but exclusive of other transactions for which preemptive rights are applicable) between the Reorganized Debtors, on the one hand, and Oaktree or any affiliate thereof (excluding the Reorganized Debtors and their respective subsidiaries), on the other hand, be at arms' length, on market terms and that, for transactions involving payments or value in excess of \$5 million, the Reorganized Parent obtain an opinion from an independent financial advisor that the consideration to be received in the transaction is fair to the Reorganized Debtors, provided that Oaktree agrees that neither Oaktree Capital Management LP nor any investment fund managed by Oaktree Capital Management LP, nor any entity within the corporate structure of Oaktree Capital Management LP will charge a fee with respect to the management of, or similar services provided to, the Reorganized Debtors, but may seek reimbursement of actual costs and expenses;
- (f) sharing of audited annual consolidated financial statements, and unaudited quarterly consolidated financial statements, subject to appropriate confidentiality restrictions, to the ten (10) largest holders of more than 0.1% of the common stock;
- (g) provisions in the governing documents providing that, to the fullest extent permitted by applicable law, a director of the Reorganized Parent shall not be liable to the Reorganized Parent or any holder of the Reorganized Parent

Common Equity for monetary damages for a breach of fiduciary duty as a director; and

- (h) no amendments or modifications to the Reorganized Parent's organizational or governing documents that may disproportionately adversely affect the Class 5A Equity without the consent of a majority of the holders of the Class 5A Equity.

3. Section 1145 Exemption

To the maximum extent provided by section 1145 of the Bankruptcy Code and applicable non-bankruptcy law, the offering, issuance, and distribution of (a) the Reorganized Parent Common Equity, and (b) any other securities issued and distributed pursuant to the Plan will be exempt from, among other items, the registration and prospectus delivery requirements of section 5 of the Securities Exchange Act of 1933 and any other applicable state and federal law requiring registration and/or delivery of a prospectus prior to the offering, issuance, distribution, or sale of securities subject to the provisions of section 1145(b)(1) of the Bankruptcy Code relating to the definition of an "underwriter" in section 2(a)(11) of the Securities Act. N. Preservation of Causes of Action

Except as provided in the Plan or in any contract, instrument, release, or other agreement entered into, or delivered in connection with, the Plan, in accordance with section 1123(b) of the Bankruptcy Code and to the fullest extent possible under applicable law, the Post-Effective Date Debtors will retain and may enforce, and will have the sole right to enforce, any claims, demands, rights, and Causes of Action that any Debtor or Estate may hold against any Entity other than Oaktree or any of its Representatives or any other Released Parties. The Post-Effective Date Debtors or their successors may pursue, or not pursue, such retained claims, demands, rights or Causes of Action, as they deem appropriate in their discretion. A list of such retained Causes of Action shall be included in the Plan Supplement.

All claims and Causes of Action, including without limitation any Avoidance Actions of the Debtors against any Holder of Claim in Class 5 shall be released and shall not vest in the Post-Effective Date Debtors; *provided, however*, that notwithstanding anything to the contrary herein, no release shall be granted to Holders of Claims in Class 5 that object to the Plan.

O. Administrative Consolidation

The classification and manner of satisfying all Claims and Interests under the Plan take into consideration the rights of holders of Claims and Interests, whether arising under contract, law, or equity, that a holder of a Claim or Interest may have against each of the Debtors. Holders of Claims or Interests against more than one Debtor are classified in consolidated classes of Claims against and Interests in all Debtors in Section III.A for administrative convenience with respect to voting and the making of distributions on account of Claims and Interests. The Confirmation Order will approve this administrative consolidation.

Such administrative consolidation will have no effect on (a) the legal and corporate structures of the Debtors; (b) pre- and post-Effective Date guarantees, liens, and security interests that are required to be maintained (i) in connection with contracts or leases that were entered into during the Chapter 11 Cases or (ii) Executory Contracts or Unexpired Leases that have been, or will be, assumed or assumed and assigned pursuant to the Plan; (c) Interests between and among the Debtors; (d) distributions from any insurance policies or proceeds of such policies; (e) the revesting of assets in the separate Post-Effective Date Debtors; and (f) the responsibility of each Estate for the payment of its respective quarterly fees to the office of the U.S. Trustee pursuant to 28 U.S.C. § 1930 until the applicable Debtor's case is closed, dismissed or converted to another chapter of the Bankruptcy Code. In addition, such administrative consolidation will not constitute a waiver of the mutuality requirement for setoff under section 553 of the Bankruptcy Code.

P. Payment of Indenture Trustee Allowed Fees

As part of the 9019 Settlement, without any further notice to or action, order, or approval of the Bankruptcy Court, the Reorganized Debtors shall pay on the Effective Date the Indenture Trustees Allowed Fee Payment to the Convertible Notes Indenture Trustees and the Subordinated Convertible Notes Indenture Trustee on account of the Indenture Trustees Allowed Fees.

**ARTICLE V.
TREATMENT OF COMPENSATION AND BENEFITS PROGRAMS**

A. MIP

If the Entire Company Sale Trigger does not occur, the New Board shall adopt the MIP.

B. Employee Compensation and Benefits Programs

If the Entire Company Sale Trigger does not occur, from and after the Effective Date, the Reorganized Debtors shall, subject to the Oaktree Consent Right, continue (or continue as modified or replaced) their Compensation and Benefits Programs. Nothing herein shall preclude

the Debtors or the Reorganized Debtors from making any changes to or terminating any of their Compensation and Benefits Programs in accordance with applicable law.

C. Magnequench Pension Plan

If the Entire Company Sale Trigger does not occur, MII will assume and continue the Magnequench Pension Plan, and will continue to fund the Magnequench Pension Plan in accordance with the minimum funding standards under applicable law, pay all required insurance premiums to the PBGC and continue to administer and operate the Magnequench Pension Plan in accordance with its terms and the provisions of ERISA.

If the Entire Company Sale does not occur, the contingent Claims filed by the PBGC shall be deemed withdrawn and expunged from the Claims register; provided that neither the Plan, the Confirmation Order nor section 1141 of the Bankruptcy Code shall be construed as discharging, releasing or relieving any party, in any capacity, from any liability with respect to the Magnequench Pension Plan under any law, government policy or regulatory provision. In addition, if the Entire Company Sale does not occur, the PBGC and the Magnequench Pension Plan shall not be enjoined or precluded from enforcing such liability or responsibility against any party with such liability or responsibility as a result of any of provisions for satisfaction, release, injunction, exculpation, and discharge of Claims in the Plan, Confirmation Order or the Bankruptcy Code.

If the Entire Company Trigger occurs and the Magnequench Pension Plan is not assumed in connection with the Entire Company Sale, any Claims the PBGC asserts as a result will, if Allowed, be afforded the priority as agreed to by the Debtors or determined by the Bankruptcy Court and respective treatment under the terms of the Plan.

D. Workers' Compensation Programs

From and after the Effective Date, the Post-Effective Date Debtors will continue to pay valid Claims under (i) all applicable workers' compensation laws in jurisdictions in which the Reorganized Debtors operate; and (ii) the Debtors' written contracts, agreements, agreements of indemnity, self-insurer workers' compensation bonds, policies, programs, and plans for workers' compensation and workers' compensation insurance. All Proofs of Claims on account of workers' compensation will be deemed withdrawn automatically and without any further notice to, or action, order, or approval of, the Bankruptcy Court. Nothing in the Plan (i) will limit, diminish, or otherwise alter the Debtors' or Reorganized Debtors' defenses, Causes of Action, or other rights under applicable non-bankruptcy law with respect to any such contracts, agreements, policies, programs, and plans; and (ii) will be deemed to impose any obligations on the Debtors or Reorganized Debtors in addition to what is provided for under applicable law.

ARTICLE VI.
TREATMENT OF EXECUTORY
CONTRACTS AND UNEXPIRED LEASES

A. Assumption of Executory Contracts or Unexpired Leases

If the Entire Company Sale Trigger occurs, except as otherwise provided herein, in the Entire Company Sale Agreements, or in any contract, instrument, release, indenture, or other agreement or document entered into in connection with the Plan or the Entire Company Sale Agreements, and as of the Effective Date, each Debtor will be deemed to have rejected each Executory Contract or Unexpired Lease to which such Debtor is a party, unless such Executory Contract or Unexpired Lease (i) was previously assumed or rejected; (ii) was previously expired or terminated pursuant to its own terms; (iii) is the subject of a motion or notice to assume or assume and assign Filed on or before the Confirmation Date, including in connection with the Entire Company Sale; or (iv) is designated specifically, or by category, as an Executory Contract or Unexpired Lease on the Schedule of Assumed Executory Contracts and Unexpired Leases.

If the Entire Company Sale Trigger does not occur, except as otherwise provided herein or in any contract, instrument, release, indenture, or other agreement or document entered into in connection with the Plan and as of the Effective Date, each Reorganized Debtor will be deemed to have assumed each Executory Contract or Unexpired Lease to which such Reorganized Debtor is a party, unless such Executory Contract or Unexpired Lease (i) was previously assumed or rejected; (ii) was previously expired or terminated pursuant to its own terms; (iii) is the subject of a motion or notice to reject Filed on or before the Confirmation Date; or (iv) is designated specifically, or by category, as an Executory Contract or Unexpired Lease on the Schedule of Rejected Executory Contracts and Unexpired Leases.

Each Molycorp Minerals Wind-Down Debtor will be deemed to have rejected each Executory Contract or Unexpired Lease to which such Molycorp Minerals Wind-Down Debtor is a party, unless such Executory Contract or Unexpired Lease (i) was previously assumed or rejected; (ii) was previously expired or terminated pursuant to its own terms; (iii) is the subject of a motion or notice to assume or assume and assign Filed on or before the Confirmation Date; or (iv) is designated specifically, or by category, as an Executory Contract or Unexpired Lease on the Schedule of Assumed Executory Contracts and Unexpired Leases.

The Confirmation Order will constitute an order of the Bankruptcy Court under sections 365 and 1123(b) of the Bankruptcy Code approving the assumptions or assumptions and assignments or rejections described above as of the Effective Date. Unless otherwise indicated, all assumptions, assumptions and assignments, and rejections of Executory Contracts and Unexpired Leases in the Plan will be effective as of the Effective Date. Each Executory Contract and Unexpired Lease assumed or assumed and assigned pursuant to the Plan, or by Bankruptcy Court order, will vest in and be fully enforceable by the applicable Reorganized Debtor or assignee in accordance with its terms, except as such terms may have been modified by order of the Bankruptcy Court.

Notwithstanding the foregoing paragraph or anything contrary herein, the Debtors reserve the right to alter, amend, modify, or supplement the Executory Contracts and Unexpired Leases identified for assumption or rejection in the Plan Supplement prior to the Effective Date.

B. Cure of Defaults for Assumed Executory Contracts or Unexpired Leases

Any Executory Contracts or Unexpired Leases to be assumed (or assumed and assigned) pursuant to the Plan, or otherwise, that are, or may be, alleged to be in default, will be satisfied solely by payment of the Cure Cost or by an agreed-upon waiver or discharge of the Cure Cost on the Effective Date or as soon thereafter as practicable or on such other terms as the Debtors (subject to the Oaktree Consent Right) and the counterparties to each such Executory Contract or Unexpired Lease may otherwise agree. In the event of a dispute regarding: (i) the amount of any Cure Cost; (ii) the ability to provide "adequate assurance of future performance" within the meaning of section 365(b) of the Bankruptcy Code (if applicable) under the Executory Contract or the Unexpired Lease to be assumed and/or assumed and assigned; or (iii) any other matter pertaining to assumption (or assumption and assignment), then such Cure Costs will be paid following the entry of a Final Order resolving the dispute and approving the assumption and assignment of such Executory Contracts or Unexpired Leases or as may be agreed upon by the Debtors (subject to the Oaktree Consent Right), or the Post-Effective Date Debtors, as applicable, and the counterparty to such Executory Contract or Unexpired Lease.

The Debtors shall provide notices of proposed assumption (or proposed assumption and assignment) and proposed cure amounts to be sent to applicable Executory Contract or Unexpired Lease counterparties, together with procedures for objecting thereto and resolution of disputes by the Bankruptcy Court in accordance with the Bid Procedures Order. Any objection by a contract or lease counterparty to a proposed assumption (or assumption and assignment) or related cure amount must be Filed, served, and actually received by the Debtors no later than the date on which objections to Confirmation are due (or such other date as may be provided in the applicable assumption notice). Any counterparty to an Executory Contract or Unexpired Lease that fails to object timely to the proposed assumption or assumption and assignment or cure amount will be deemed to have assented to such assumption or assumption and assignment and related Cure Cost (if any).

Prior to the Effective Date, the Debtors (subject to the Oaktree Consent Right), or after the Effective Date, the Post-Effective Date Debtors, may settle any dispute regarding the amount of any Cure Cost without any further notice to any party or any action, order, or approval of the Bankruptcy Court. In addition, prior to the Effective Date and prior to the entry of a Final Order resolving any dispute and approving the assumption or assumption and assignment of such Executory Contract or Unexpired Lease, the Debtors reserve the right to reject any Executory Contract or Unexpired Lease which is subject to dispute.

Notwithstanding anything to the contrary herein, neither the Debtors nor the Post-Effective Date Debtors shall assume any indemnification obligation in place as of the Effective Date, whether in the Bylaws, Certificates of Incorporation, Limited Liability Agreements, other organizational or formation documents, board resolutions, management or indemnification agreements or employee contracts for the Debtors' current and former Directors and Officers but

rather any such obligation shall, to the extent arising out of events which occurred prior to the Petition Date, be treated as a General Unsecured Claim.

C. Claims Based on Rejection of Executory Contracts and Unexpired Leases

Unless otherwise provided by an order of the Bankruptcy Court, any Proofs of Claim based on the rejection of the Debtors' Executory Contracts or Unexpired Leases pursuant to the Plan or otherwise, must be Filed with the Prime Clerk no later than the later of (i) thirty (30) days after the effective date of rejection of such Executory Contract or Unexpired Lease and (ii) the Claims Bar Date established in the Chapter 11 Cases.

Any Holder of a Claim arising from the rejection of an Executory Contract or Unexpired Lease for which a Proof of Claims was not timely Filed as set forth in the immediately preceding paragraph will not (i) be treated as a Holder of a Claim hereunder, (ii) be permitted to vote to accept or reject the Plan, or (iii) participate in any distribution in the Chapter 11 Cases on account of such Claim, and such Claim will be deemed fully satisfied, released, settled, and compromised and be subject to the provisions of Section IX.G of the Plan, notwithstanding anything in the Schedules or a Proof of Claim to the contrary.

D. Preexisting Obligations to the Debtors Under Executory Contracts or Unexpired Leases

Rejection or repudiation of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise will not constitute a termination of preexisting obligations owed to the Debtors under such contracts or leases. In particular, notwithstanding any non-bankruptcy law to the contrary, the Debtors expressly reserve and do not waive any right to receive, or any continuing obligation of a counterparty to provide, warranties or continued maintenance obligations on goods previously purchased, or services previously received, by the contracting Debtors from counterparties to rejected or repudiated Executory Contracts or Unexpired Leases.

E. Modifications, Amendments, Supplements, Restatements, or Other Agreements

Unless otherwise provided in the Plan, each assumed Executory Contract or Unexpired Lease will include all modifications, amendments, supplements, restatements, or other agreements that in any manner affect such Executory Contract or Unexpired Lease, and all Executory Contracts or Unexpired Leases related thereto, if any, including all easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, and any other interests, unless any of the foregoing agreements has been previously rejected or repudiated or is rejected or repudiated under the Plan. Modifications, amendments, supplements, and restatements to prepetition Executory Contracts and Unexpired Leases that have been executed by the Debtors during the Chapter 11 Cases will not be deemed to alter the prepetition nature of the Executory Contract or Unexpired Lease, or the validity, priority, or amount of any Claims that may arise in connection therewith.

F. Assignments Related to the Restructuring Transactions

As of the effective time of an applicable Restructuring Transaction, any Executory Contract or Unexpired Lease to be held by any Debtor or another surviving, resulting, or

acquiring Entity in an applicable Restructuring Transaction, will be deemed assigned to the applicable Entity, pursuant to section 365 of the Bankruptcy Code.

ARTICLE VII. PROVISIONS GOVERNING DISTRIBUTIONS

A. Timing and Calculation of Amounts to be Distributed

Except as otherwise provided in the Plan, on the Effective Date, or as soon as reasonably practicable thereafter, each Holder of an Allowed Claim against the Debtors will receive the full amount of the distributions that the Plan provides for Allowed Claims in the applicable Class from the Disbursing Agent. On each Distribution Date, Distributions also will be made, pursuant to Section VIII.B, to Holders of Claims that previously were Disputed Claims that were allowed after the most recent Distribution Date. Such periodic Distributions also shall be in the full amount that the Plan provides for Allowed Claims in the applicable Class. Distribution Dates shall occur no less frequently than once per year.

In the event that any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day, but will be deemed to have been completed as of the required date. If, and to the extent that, there are Disputed Claims, distributions on account of any such Disputed Claims will be made pursuant to the provisions set forth in Article VIII. Except as otherwise provided herein, Holders of Claims will not be entitled to interest, dividends, or accruals on the distributions provided for herein, regardless of whether such distributions are delivered on or at any time after the Effective Date.

Reorganized Parent Common Equity will be deemed to be issued as of the Effective Date to the Holders of Claims entitled to receive Reorganized Parent Common Equity hereunder without the need for further action by any Disbursing Agent, Reorganized Parent, or any other Debtor, including without limitation the issuance or delivery (or both) of any certificate evidencing any such shares, units, or interests, as applicable, of Reorganized Parent Common Equity.

B. Distribution on Account of Claims Allowed After the Effective Date

Distributions to Holders of Claims that become Allowed Claims after the Effective Date will be made in accordance with this Article VII. Distributions made after the Effective Date to Holders of Disputed Claims that are not Allowed Claims as of the Effective Date, but which later become Allowed Claims will be deemed to have been made on the Effective Date.

C. Rights and Powers of Disbursing Agent

1. Powers of the Disbursing Agent

The Disbursing Agent will be empowered to, as applicable, (a) affect all actions and execute all agreements, instruments, and other documents necessary to perform its duties under the Plan; (b) make all distributions contemplated under the Plan; (c) employ professionals to represent it with respect to its responsibilities; and (d) exercise such other powers as may be

vested in the Disbursing Agent by order of the Bankruptcy Court, pursuant to the Plan, or as deemed by the Disbursing Agent to be necessary and proper to implement the provisions hereof. A Disbursing Agent will not be required to give any bond or surety or other security for the performance of its duties unless otherwise ordered by the Bankruptcy Court.

2. Expenses Incurred On or After the Effective Date

Except as otherwise ordered by the Bankruptcy Court, the amount of any reasonable fees and expenses incurred by the Disbursing Agent after the Effective Date (including taxes) and any reasonable compensation and expense reimbursement Claims (including reasonable attorney fees and expenses) made by the Disbursing Agent will be paid in Cash by the Post-Effective Date Debtors.

D. Delivery of Distributions and Undeliverable or Unclaimed Distributions

1. Delivery of Distributions

Distributions to holders of Allowed Claims will be made by a Disbursing Agent (a) at the addresses set forth on the respective proofs of Claim Filed by holders of such Claims; (b) at the addresses set forth in any written certification of address change delivered to the Disbursing Agent (including pursuant to a letter of transmittal delivered to a Disbursing Agent) after the date of Filing of any related Proof of Claim; (c) at the addresses reflected in the applicable Debtor's Schedules if no Proof of Claim has been Filed and the Disbursing Agent has not received a written notice of a change of address; or (d) if clauses (a) through (c) are not applicable, at the last address directed by such Holder in a Filing made after such Claim becomes an Allowed Claim.

Distributions to Oaktree or such Entity as otherwise designated by Oaktree will (a) be made by the Disbursing Agent to Oaktree or such Entity as otherwise designated by Oaktree for the benefit of Oaktree and (b) be deemed completed when received by Oaktree or such Entity as otherwise designated by Oaktree, provided however that unless otherwise agreed to the by the DIP Facility Agent, distributions to Holders of DIP Facility Claims will (a) be made by the Disbursing Agent to the DIP Facility Agent for the benefit of Holders of DIP Facility Claims and (b) be deemed completed when made by the Disbursing Agent to the DIP Facility Agent.

Distributions to Holders of 10% Notes Claims will (a) be made by the Disbursing Agent to the 10% Notes Indenture Trustee for the benefit of Holders of 10% Notes Claims and (b) be deemed completed when made by the Disbursing Agent to the 10% Notes Indenture Trustee.

Distributions under this Plan to holders of Convertible Notes Claims and 10% Notes Claims shall be made to the Convertible Notes Indenture Trustees and 10% Notes Indenture Trustee, as applicable, which shall transmit such distributions to the Holders of such Convertible Notes Claims as provided in the Convertible Notes Indentures and the 10% Notes Claims as provided in the 10% Notes Indenture. Notwithstanding any provision contained in this Plan to the contrary, the distribution provisions contained in the Convertible Notes Indentures and the 10% Notes Indenture shall continue in effect to the extent necessary to authorize the Convertible Notes Indenture Trustees and 10% Notes Indenture Trustee to receive and make distributions to the Holders of Convertible Notes Claims and 10% Notes Claims, as applicable, and shall

terminate completely upon completion of such distributions. The Convertible Notes Indenture Trustees and 10% Notes Indenture Trustee may withhold such distributions consistent with the terms of the Convertible Notes Indentures and the 10% Notes Indenture, respectively, to satisfy all accrued and reasonably expected fees and expenses as to which they are entitled to assert priority of payment and/or exercise charging liens against such distributions under the applicable indentures.

2. Distribution Record Date

A Disbursing Agent will have no obligation to recognize the transfer, or the sale, of any participation in, any Claim that occurs after the close of business on the Distribution Record Date and will be entitled for all purposes herein to recognize and make distributions only to those holders of Allowed Claims that are holders of such Claims, or participants therein, as of the close of business on the Distribution Record Date.

Except as otherwise provided in a Final Order of the Bankruptcy Court, the transferees of Claims that are transferred pursuant to Bankruptcy Rule 3001 on or prior to the Distribution Record Date will be treated as the holders of such Claims for all purposes, notwithstanding that any period provided by Bankruptcy Rule 3001 for objecting to such transfer has not expired by the Distribution Record Date.

3. Undeliverable Distributions

In the event that any distribution to any Holder is returned as undeliverable, no distribution to such Holder will be made unless and until the Disbursing Agent has determined the then current address of such Holder, at which time such distribution will be made to such Holder without interest. Any undeliverable distributions will be deemed unclaimed property under section 347(b) of the Bankruptcy Code at the expiration of six (6) months from the Effective Date. After such date, all unclaimed property or interests in property will revert to the Post-Effective Date Debtors (notwithstanding any applicable federal or state escheat, abandoned, or unclaimed property laws to the contrary), and the Claim any Holder to such property or interest in property will be released, settled, compromised, and forever barred.

On each Distribution Date, the applicable Disbursing Agent will make all Distributions that became deliverable to Holders of Allowed Claims after the most recent Distribution Date; provided, however, that the applicable Disbursing Agent may, in its sole discretion, establish a record date prior to each Distribution Date, such that only Claims allowed as of the record date will participate in such periodic Distribution. Notwithstanding the foregoing, the applicable Disbursing Agent reserves the right, if it determines a distribution on any Distribution Date is uneconomical or unfeasible, or is otherwise unadvisable, to postpone a Distribution Date.

E. Means of Cash Payments

Cash payments made pursuant to the Plan will be in U.S. currency by checks drawn on a domestic bank selected by the applicable Disbursing Agent or, at the option of the applicable Disbursing Agent, by wire or automated clearinghouse transfer from a domestic bank; provided, however, that Cash payments to foreign holders of Allowed Claims may be made, at the option

of the applicable Disbursing Agent, in such funds and by such means as are necessary or customary in a particular foreign jurisdiction.

F. Establishment of Reserves

The Post-Effective Date Debtors may establish any reserves that they deem necessary or advisable to make Distributions to holders of Disputed Claims as of the Effective Date or otherwise to satisfy their obligations under the Plan, including the creation of one or more reserves for Disputed Claims, which may be treated (in the discretion of the Post-Effective Date Debtors), for U.S. federal income Tax purposes, as one or more disputed ownership funds within the meaning of Treasury Regulations section 1.468B-9(b)(1).

G. Compliance with Tax Requirements

In connection with the Plan and all instruments issued in connection herewith and distributed hereunder, to the extent applicable, the Debtors, the Post-Effective Date Debtors, the Disbursing Agent or any other party issuing any instruments or making any distributions under the Plan shall comply with all applicable Tax withholding and reporting requirements imposed on them by any governmental unit, and all distributions pursuant to the Plan and all related agreements shall be subject to such withholding and reporting requirements. Each of the Debtors, the Post-Effective Date Debtors and the Disbursing Agent, as applicable, shall be authorized to take any actions that may be necessary or appropriate to comply with such withholding and reporting requirements, including applying a portion of any Cash distribution to be made under the Plan to pay applicable Tax withholding. In the case of a non-Cash distribution that is subject to withholding, the distributing party may withhold an appropriate portion of such distributed property and sell such withheld property to generate Cash necessary to pay over the withholding tax. Any amounts withheld pursuant to the immediately preceding sentence shall be deemed to have been distributed and received by the applicable recipient for all purposes of the Plan. Notwithstanding any other provision of the Plan, each Holder of an Allowed Claim receiving a distribution pursuant to the Plan shall have the sole and exclusive responsibility for the satisfying and paying of any Tax obligations imposed on it by any governmental unit on account of such distribution, including income, withholding and other Tax obligations. Any party issuing any instrument or making any distribution to the Plan has the right, but not the obligation, to not make a distribution until such Holder has made arrangements satisfactory to the issuing or disbursing party for the payment of any tax obligations.

Any party entitled to receive any property as an issuance or distribution under the Plan shall be required, if so requested, to deliver to the Disbursing Agent (or such other Entity designated by the Debtors or the Post-Effective Date Debtors, which Entity shall subsequently deliver to the Disbursing Agent) an appropriate Form W-9 or (if the payee is a foreign Entity) Form W-8, unless such Entity is exempt under the Internal Revenue Code and so notifies the Disbursing Agent. Unless a properly completed Form W-9 or Form W-8, as appropriate, is delivered to the Disbursing Agent (or such other Entity), the Disbursing Agent, in its sole discretion, may (a) make a distribution net of any applicable withholding, including backup withholding, or (b) reserve such distribution. If the Disbursing Agent reserves such distribution, and the Holder fails to comply with the requirement to deliver the Form W-9 or Form W-8

within 180 days after the Effective Date, such distribution shall be deemed undeliverable in accordance with Section VII.D.

H. Surrender of Cancelled Instruments or Securities

As a condition precedent to receiving any distribution pursuant to the Plan on account of an Allowed Claim evidenced by the notes, instruments, securities or other documentation cancelled pursuant to Article IV, the holder of such Claim must tender, the applicable notes, instruments, securities or other documentation evidencing such Claim to the applicable Disbursing Agent, together with any letter of transmittal required by such Disbursing Agent, and which in the case of the 10% Notes and the Convertible Notes shall be the global notes evidencing such securities held by the applicable indenture trustee.

Upon surrender of the Convertible Notes, the Convertible Notes Indenture Trustees shall cancel and destroy the Convertible Notes. As soon as practicable after the surrender date, the Convertible Notes Indenture Trustees shall distribute to the Holder thereof such Holder's pro rata share of the distribution, but subject to the rights of the Convertible Notes Indenture Trustees pursuant to the Convertible Notes Indentures to assert any rights to priority of payment and/or to exercise charging liens against such distribution. Pending such surrender, any distributions pursuant to the Plan on account of any such Claim will be treated as an undeliverable distribution pursuant to Section VII.D.

Upon surrender of the 10% Notes, the 10% Notes Indenture Trustee shall cancel and destroy the 10% Notes. As soon as practicable after the surrender date, the 10% Notes Indenture Trustee shall distribute to the Holder thereof such Holder's pro rata share of the distribution, but subject to the rights of the 10% Notes Indenture Trustee pursuant to the 10% Notes Indenture to assert any rights to priority of payment and/or to exercise charging liens against such distribution. Pending such surrender, any distributions pursuant to the Plan on account of any such Claim will be treated as an undeliverable distribution pursuant to Section VII.D.

I. Claims Paid or Payable by Third Parties

1. Claims Paid by Third Parties

Any Claim will be deemed satisfied in full or in part (as applicable) without a Claims objection having to be Filed by the Debtors or Post-Effective Date Debtors (as applicable) and without any further order or approval of the Bankruptcy Court, to the extent that the Holder of such Claim (i) receives payment in full or in part (as applicable) on account of such Claim from an Entity that is not a Debtor and (ii) does not object to notice thereof within 21 days from service of such notice. To the extent a Holder of a Claim receives, on account of such Claim, both a distribution under the Plan and a payment from a party that is not a Debtor on account of such Claim, the Debtors or Post-Effective Date Debtors (as applicable) will serve a notice of such duplicative payment and such Holder must, within 21 days of receipt thereof, either (i) repay or return the distribution to the Post-Effective Date Debtors to the extent the Holder's total recovery on account of such Claim from the third party and under the Plan exceeds the Allowed amount of such Claim or (ii) file an objection setting forth the reasons that the Holder asserts that such distribution does not have to be returned.

2. Claims Payable by Third Parties

No distributions under the Plan will be made on account of an Allowed Claim that is payable pursuant to one of the Debtors' insurance policies until the Holder of such Allowed Claim has exhausted all remedies with respect to such insurance policy. If the Debtors believe a Holder of an Allowed Claim has recourse to an insurance policy and intend to withhold a distribution pursuant to this Article VII, the Debtors shall cause the Disbursing Agent to provide written notice to such Holder as to what the Debtors believe to be the nature and scope of applicable insurance coverage. To the extent that one or more of the Debtors' insurers agrees to satisfy in full a Claim (if and to the extent adjudicated by a court of competent jurisdiction), then immediately upon such insurers' agreement, such Claim may be expunged without a Claims objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court.

J. Setoffs

Except with respect to claims of a Debtor or Reorganized Debtor released pursuant to the Plan or any contract, instrument, release or other agreement or document entered into or delivered in connection with the Plan, the Post-Effective Date Debtors or, as instructed by the applicable Post-Effective Date Debtor, a Disbursing Agent may, pursuant to section 553 of the Bankruptcy Code or applicable non-bankruptcy law, set off against any Allowed Claim and the Distributions to be made pursuant to the Plan on account of such Claim (before any Distribution is made on account of such Claim) the claims, rights and Causes of Action of any nature that the applicable Debtor or Reorganized Debtor may hold against the Holder of such Allowed Claim. Neither the failure to effect a setoff nor the allowance of any Claim hereunder will constitute a waiver or release by the applicable Debtor or Reorganized Debtor of any claims, rights and Causes of Action that the Debtor or Reorganized Debtor may possess against such a Claim holder.

K. Fractional Plan Distributions

Notwithstanding anything to the contrary contained herein, no Distributions of fractional shares or fractions of dollars (whether in Cash or Reorganized Parent Common Equity) will be made. Fractional shares and fractions of dollars will be rounded to the nearest whole unit (with any amount equal to or less than one-half share or one-half dollar, as applicable, to be rounded down).

L. Allocation Between Principal and Accrued Interest

Except as otherwise provided in the Plan, the aggregate consideration paid to Holders with respect to their Allowed Claims shall be treated pursuant to the Plan as allocated first to the principal amount of such Allowed Claims (to the extent thereof as determined for U.S. federal income tax purposes) and, thereafter, to interest and the remaining portion, if any, of such Allowed Claims.

**ARTICLE VIII.
RESOLUTION OF DISPUTED CLAIMS**

A. Resolution of Disputed Claims

1. Allowance of Claims

On or after the Effective Date, the Post-Effective Date Debtors will have and will retain any and all rights and defenses that the Debtors had with respect to any Claim, except with respect to any Claim deemed Allowed as of the Effective Date. Except as expressly provided in the Plan or in any order entered in the Chapter 11 Cases prior to the Effective Date (including, without limitation, the Confirmation Order), no Claim will become an Allowed Claim unless and until such Claim is deemed Allowed under the Plan or the Bankruptcy Code or the Bankruptcy Court has entered a Final Order, including, without limitation, the Confirmation Order, in the Chapter 11 Cases allowing such Claim.

2. Prosecution of Objections to Claims

Except as otherwise set forth in the Plan, the Debtors or the Post-Effective Date Debtors (as applicable) will have the exclusive authority to File objections to Claims, settle, compromise, withdraw, or litigate to judgment objections to any and all Claims, regardless of whether such Claims are in a Class or otherwise. From and after the Effective Date, the Post-Effective Date Debtors may settle or compromise any Disputed Claim without any further notice to, or action, order, or approval of, the Bankruptcy Court. From and after the Effective Date, the Post-Effective Date Debtors will have the sole authority to administer and adjust the Claims Register to reflect any such settlements or compromises without any further notice to or action, order or approval of the Bankruptcy Court.

3. Deadline to File Objections to Claims

Any objections to Claims not otherwise Allowed under the Plan or by a Final Order, must be Filed no later than the Claims Objection Bar Date; provided, however, the Post-Effective Date Debtors may seek authorization to extend the Claims Objection Bar Date for some or all Disputed Claims for cause through the Filing of a motion with the Bankruptcy Court.

4. Claims Estimation

Prior to the Effective Date, the Debtors, and on or after the Effective Date, the Post-Effective Date Debtors, may, at any time, request that the Bankruptcy Court estimate the maximum or Allowed amount of (a) any Disputed Claim pursuant to applicable law and (b) any contingent or unliquidated Claim pursuant to applicable law, including, without limitation, section 502(c) of the Bankruptcy Code, regardless of whether the Debtors have previously objected to such Claim or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court will retain jurisdiction under 28 U.S.C. §§ 157 and 1334 to estimate any Disputed Claim, contingent Claim, or unliquidated Claim, including during the litigation concerning any objection to any Claim or during the pendency of any appeal relating to any such objection. Notwithstanding any provision otherwise in the Plan, a Claim that has been expunged from the Claims Register but that is subject to appeal or has not been the subject of a Final

Order, will be deemed to be estimated at zero dollars, unless otherwise ordered by the Bankruptcy Court. In the event that the Bankruptcy Court estimates any Disputed Claim, contingent Claim, or unliquidated Claim, that estimated amount will constitute either the Allowed amount of such Claim or a maximum limitation on such Claim for all purposes under the Plan, including for purposes of distributions, and the Debtors or the Post-Effective Date Debtors, as applicable, may elect to pursue additional objections to the ultimate distribution on such Claim. If the estimated amount constitutes a maximum limitation on such Claim, the Debtors or the Post-Effective Date Debtors, as applicable, may elect to pursue any supplemental proceedings to object to any ultimate distribution on account of such Claim. Notwithstanding section 502(j) of the Bankruptcy Code, in no event will any Holder of a Claim that has been estimated pursuant to section 502(c) of the Bankruptcy Code or otherwise be entitled to seek reconsideration of such estimation unless such Holder has Filed a motion requesting the right to seek such reconsideration on or before 21 days after the date on which such Claim is estimated. All of the aforementioned Claims and objection, estimation, and resolution procedures are cumulative and not exclusive of one another. Claims may be estimated and subsequently compromised, settled, withdrawn, or resolved by any mechanism approved by the Bankruptcy Court.

B. Distributions on Account of Disputed Claims Once Allowed

Notwithstanding any other provisions of the Plan, no payments or distributions will be made on account of a Claim until such Claim becomes an Allowed Claim. Distributions on account of Disputed Claims that become Allowed Claims after the Effective Date shall be in accordance with Article VII of the Plan.

C. Authority to Amend Schedules

The Debtors or the Post-Effective Date Debtors (as applicable) will have the authority to amend the Schedules with respect to any Claim for which a Proof of Claim has not been filed and to make distributions based on such amended Schedules without approval of the Bankruptcy Court. If any such amendment to the Schedules reduces the amount of a Claim or changes the nature or priority of a Claim, the Debtor or Reorganized Debtor will provide the holder of such Claim with notice of such amendment and such holder will have 30 days to File an objection to such amendment with the Bankruptcy Court. If no such objection is Filed, the Debtor or Reorganized Debtor may proceed with distributions based on such amended Schedules without approval of the Bankruptcy Court; *provided, however*, that notwithstanding the foregoing, if any such amendments to the Schedules (i) is a new Claim in Class 5A in an amount in excess of \$200,000, or (ii) increases the amount of a Claim in Class 5A by twenty percent (20%), such amendment must be approved by order of the Bankruptcy Court.

D. Disallowance of Claims

All Claims of any Entity from which property is sought by the Debtors under section 542, 543, 550, or 553 of the Bankruptcy Code or that the Debtors allege is a transferee of a transfer that is avoidable under section 522(f), 522(h), 544, 545, 547, 548, 549, or 724(a) of the Bankruptcy Code will be disallowed if (i) the Entity, on the one hand, and the Debtors, on the other hand, agree or the Bankruptcy Court has determined by Final Order that such Entity or

transferee is liable to turnover any property or monies under any of the aforementioned sections of the Bankruptcy Code and (ii) such Entity or transferee has failed to turnover such property by the date set forth in such agreement or Final Order.

E. Expungement or Adjustment to Claims Without Objection

Any Claim that has been paid, satisfied, or superseded may be expunged on the Claims Register by the Debtors or the Post-Effective Date Debtors, as applicable, and any Claim that has been amended in accordance with the provisions of this Plan and the Bankruptcy Code may be adjusted thereon by the Debtors or the Post-Effective Date Debtors, in both cases, without a Claims objection having to be Filed and without any further notice to, or action, order, or approval of, the Bankruptcy Court.

F. Amendments to Claims

Unless otherwise provided herein, on or after the Effective Date, a Claim may not be Filed or amended without the prior authorization of the Bankruptcy Court or the Post-Effective Date Debtors, and any such new or amended Claim Filed will be deemed disallowed without any further notice to or action, order, or approval of the Bankruptcy Court.

EXCEPT AS OTHERWISE AGREED BY THE DEBTORS, ANY AND ALL PROOFS OF CLAIM FILED AFTER THE APPLICABLE CLAIMS BAR DATE WILL BE DEEMED DISALLOWED AND EXPUNGED AS OF THE EFFECTIVE DATE WITHOUT ANY FURTHER NOTICE TO OR ACTION, ORDER OR APPROVAL OF THE BANKRUPTCY COURT, AND HOLDERS OF SUCH CLAIMS MAY NOT RECEIVE ANY DISTRIBUTIONS ON ACCOUNT OF SUCH CLAIMS, UNLESS SUCH LATE PROOF OF CLAIM IS DEEMED TIMELY FILED BY A FINAL ORDER OF THE BANKRUPTCY COURT.

**ARTICLE IX.
SETTLEMENT, DISCHARGE
RELEASE, INJUNCTION AND RELATED PROVISIONS**

A. Compromise and Settlement of Claims, Interests, and Controversies

The Plan incorporates and implements the 9019 Settlement which reflects a compromise and settlement of all claims and Causes of Action, including the claims and Causes of Action asserted in the Adversary Proceeding, that the Debtors may have or could have asserted or that may have been asserted on the Debtors' behalf, or by any Holder of a Claim or Interest, against Oaktree, the Directors and Officers, National Union and the Holders of Claims in Class 5 other than Holders of Claims in Class 5 who object to the Plan. The releases reflect a critical component of the 9019 Settlement, without which the Plan Settlement Parties would not have agreed to support the Plan. In particular, Oaktree has agreed to support a plan that not only equitizes the Oaktree Prepetition Claims and the Oaktree DIP Claims in a Stand-Alone Reorganization but that also provides significant value to the Holders of Claims in Class 5. As part of the 9019 Settlement, and subject to the terms and conditions of the Plan Settlement Agreement, Holders of Claims in Class 5A will receive 7.5% of the Reorganized Parent Common Equity and \$2 million in Cash in a Stand-Alone Reorganization, and 7.5% of the Entire Company Sale Net Proceeds if the Entire Company Sale Trigger occurs. Oaktree has also agreed

to the various other consideration described in Article IX. In addition, National Union, subject to the terms and conditions of the Plan Settlement Agreement, has agreed to provide the Holders of Claims in Class 5A with the Class 5A Insurance Payment. Accordingly, the Plan is also being proposed pursuant to Bankruptcy Rule 9019. In consideration for the distributions and other benefits provided under the Plan, the provisions of the Plan, including the releases set forth in this Article IX, will constitute a good faith compromise and settlement of all claims or controversies relating to the rights that a Holder of a Claim or Interest may have against any of the Debtors or any the Released Parties. As of the Effective Date, the entry of the Confirmation Order will constitute the Bankruptcy Court's approval of the compromise or settlement of all such Claims or controversies and the Bankruptcy Court's finding that such compromise or settlement is in the best interests of the Debtors, the Post-Effective Date Debtors, and their respective property and Claim and Interest Holders and is fair, equitable and reasonable.

B. Subordinated Claims

The allowance, classification, and treatment of all Allowed Claims and Interests and the respective distributions and treatments under the Plan take into account and conform to the relative priority and rights of the Claims and Interests in each Class in connection with any contractual, legal, and equitable subordination rights relating thereto, whether arising under general principles of equitable subordination, section 510(b) of the Bankruptcy Code, or otherwise. Pursuant to section 510 of the Bankruptcy Code, the Debtors or the Post-Effective Date Debtors, as applicable, reserve the right to re-classify any Allowed Claim or Interest in accordance with any contractual, legal, or equitable subordination relating thereto. Notwithstanding anything herein to the contrary, and as provided in Section III.B.7, no Holder of a Section 510(b) Claim will receive any distribution on account of such Section 510(b) Claim, and all Section 510(b) Claims will be extinguished.

C. Discharge of Claims

Except as provided in the Plan or in the Confirmation Order, the rights afforded under the Plan and the treatment of Claims and Interests under the Plan will be in exchange for, and in complete satisfaction, discharge, and release of, all Claims, including any interest accrued on Claims from the Petition Date to the full extent permitted by section 1141 of the Bankruptcy Code. Except as provided in the Plan or in the Confirmation Order, Confirmation will, as of the Effective Date, discharge the Debtors from all Claims or other Liabilities that arose on or before the Effective Date and all debts of the kind specified in section 502(g), 502(h) or 502(i) of the Bankruptcy Code to the full extent permitted by section 1141 of the Bankruptcy Code, whether or not (a) a Proof of Claim based on such debt is Filed or deemed Filed pursuant to section 501 of the Bankruptcy Code, (b) a Claim based on such debt is Allowed pursuant to section 502 of the Bankruptcy Code, or (c) the holder of a Claim based on such debt has accepted the Plan.

As of the Effective Date and in accordance with the foregoing and except as provided in the Plan or the Confirmation Order, the Confirmation Order will be a judicial determination of a discharge of all Claims, including any debts and Liabilities against the Debtors, pursuant to sections 524 and 1141 of the Bankruptcy Code, and such discharge will void any judgment obtained against a Debtor at any time to the extent that such judgment relates to a discharged Claim.

E. Request for Waiver of Stay of Confirmation Order

Subject to the limitations contained herein, the Debtors, subject to the Oaktree Consent Right, the Creditors' Committee Consent Right (solely with respect to those issues contained in the Plan Settlement Agreement) and the National Union Consent Right and Directors and Officers Consent Right (each solely with respect to those issues contained in Section IV of the Plan Settlement Agreement), reserve the right to modify the Plan as to material terms and seek Confirmation consistent with the Bankruptcy Code and, as appropriate, not re-solicit votes on such modified Plan. For the avoidance of doubt, nothing herein shall affect Oaktree's rights to withdraw its vote if there is any material change to the Plan, including with respect to valuation or allowance of the Oaktree Claims in an amount less than \$513.8 million. Subject to certain restrictions and requirements set forth in section 1127 of the Bankruptcy Code and Bankruptcy Rule 3019 and those restrictions on modifications set forth in the Plan, the Debtors expressly reserve their rights to, subject to the Oaktree Consent Right, alter, amend, or modify materially the Plan with respect to the Debtors (one or more times) after Confirmation; and, to the extent necessary, may initiate proceedings in the Bankruptcy Court to so alter, amend, or modify the Plan or remedy any defect or omission or reconcile any inconsistencies in the Plan, the Disclosure Statement, or the Confirmation Order as may be necessary to carry out the purposes

and intent of the Plan. Any such modification or supplement will be considered a modification of the Plan and will be made in accordance with this Article XI.

B. Effect of Confirmation on Modifications

Entry of a Confirmation Order will mean that (subject to the Oaktree Consent Right) all modifications or amendments to the Plan occurring after the solicitation thereof are approved pursuant to section 1127(a) of the Bankruptcy Code and do not require additional disclosure or re-solicitation under Bankruptcy Rule 3019.

C. Revocation or Withdrawal of the Plan

Subject to the Oaktree Consent Right and the consent, which shall not be unreasonably withheld, of the Creditors' Committee with respect to Parent, the Debtors reserve the right to revoke or withdraw the Plan as to any Debtor or all of the Debtors prior to the Confirmation Date or at the Confirmation Hearing. If the Debtors revoke or withdraw the Plan as to any or all of the Debtors, or if Confirmation or the Effective Date does not occur as to any or all of the Debtors, then as to such Debtors: (i) the Plan will be null and void in all respects; (ii) any settlement or compromise embodied in the Plan (including the fixing or limiting to an amount certain of any Claim or Interest or Class of Claims or Interests), assumption or rejection of Executory Contracts or Unexpired Leases effected by the Plan, and any document or agreement executed pursuant to the Plan, will be deemed null and void; and (iii) nothing contained in the Plan or Disclosure Statement will (a) constitute a waiver or release of any Claims or Interests against such Debtors, (b) prejudice in any manner the rights of such Debtors or any other Entity, or (c) constitute an admission, acknowledgement, offer, or undertaking of any sort by such Debtors or any other Entity. The revocation or withdrawal of the Plan with respect to one or more Debtors shall not require re-solicitation of the Plan with respect to the remaining Debtors.

ARTICLE XII. RETENTION OF JURISDICTION

Unless otherwise provided in any contract, instrument, release agreement or document entered into in connection with implementation or consummation of the Plan, and notwithstanding the entry of the Confirmation Order and the occurrence of the Effective Date, on, and after the occurrence of, the Effective Date, the Bankruptcy Court will retain such exclusive jurisdiction over the Chapter 11 Cases and any matter related to the Chapter 11 Cases as is legally permissible, including exclusive jurisdiction over the following matters:

INTRODUCTION

Molycorp, Inc. and the other Debtors in the above-captioned cases propose the following joint plan of reorganization for the resolution of the outstanding claims against, and equity interests in, the Debtors pursuant to chapter 11 of the Bankruptcy Code. The Debtors are the proponents of the Plan within the meaning of section 1129 of the Bankruptcy Code.

In broad strokes, the Plan contemplates two possible alternative plan structures (the "Plan Alternatives"): (1) the sale of substantially all of the Debtors' assets pursuant to the Plan and distributions to creditors of the net proceeds from such sale on the effective date of the Plan (the "Entire Company Sale"); or (2) if the Debtors' sales process is unsuccessful in attracting a bid (or combination of bids) sufficient to trigger the conditions for the Entire Company Sale or the Debtors are otherwise unable to consummate the Entire Company Sale, (a) the sale of the Debtors' Mountain Pass rare earth mining facility ("Mountain Pass") and related assets and (b) a stand-alone reorganization around the Debtors' three remaining business units (the foregoing clauses (a) and (b), together, the "Stand-Alone Reorganization"); provided, however, that if the Molycorp Minerals Assets Sale cannot be consummated but all other conditions to the Effective Date have been satisfied or waived, the Stand-Alone Reorganization shall mean the stand-alone reorganization around the Debtors' three remaining Business Units.

In this Third Amended Joint Plan of Reorganization, the Debtors have revised the Second Amended Joint Plan of Reorganization to incorporate the terms of the Plan Settlement Agreement among the Debtors, Oaktree, the Creditors' Committee and National Union. The treatment for Holders of Claims and Interests has been modified herein to conform to the agreements reached between the Plan Settlement Parties in the Plan Settlement Agreement.

Holders of Claims and Interests may refer to the Disclosure Statement for a more detailed discussion of the Plan Alternatives, the Debtors' history, businesses, results of operations, historical financial information, projections, and assets; events occurring during these Chapter 11 Cases; and the ongoing sales process. In addition, contemporaneously herewith the Debtors have distributed to all Holders entitled to receive a copy of the Disclosure Statement pursuant to the terms of the Disclosure Statement Order, an explanation of the Plan Settlement Agreement and describing the amendments and settlements contained in this Plan and a summary of the distributions to be made hereunder.

Other agreements and documents supplement the Plan and have been or will be Filed with the Bankruptcy Court as part of the Plan Supplement no later than seven (7) days prior to the Voting Deadline.

**ARTICLE III.
CLASSIFICATION OF CLAIMS AND INTERESTS**

In accordance with section 1123(a)(1) of the Bankruptcy Code, Administrative Claims and Priority Tax Claims are not classified and thus are excluded from the Classes of Claims and Interests set forth in this Article III.

A. Summary of Classification

Pursuant to sections 1122 and 1123 of the Bankruptcy Code and as set forth herein, the Plan places Claims and Interests in the below Classes for voting and distribution purposes. A Claim or Interest (1) is classified in a particular Class only to the extent that the Claim or Interest qualifies within the description of that Class, and (2) is classified in a different Class to the extent that any remainder of such Claim or Interest qualifies within the description of such other Class. A Claim or Interest is also classified in a particular Class for the purpose of receiving distributions pursuant to the Plan only to the extent that such Claim or Interest is an Allowed Claim or an Allowed Interest in that Class and has not been paid, released, or otherwise satisfied prior to the Effective Date.

Section 1129(a)(10) of the Bankruptcy Code shall be satisfied for the purposes of Confirmation by acceptance of the Plan by an Impaired Class of Claims; provided, however, that in the event no Holder of a Claim with respect to a specific Class for a particular Debtor timely submits a Ballot in compliance with the Disclosure Statement Order indicating acceptance or rejection of this Plan, such Class will be deemed to have accepted this Plan pursuant to the Confirmation Order. The Debtors may seek Confirmation of this Plan pursuant to section 1129(b) of the Bankruptcy Code with respect to any rejecting Class of Claims or Interests.

For administrative convenience, the Plan organizes the Debtors into five (5) groups (each, a "Debtor Group") and assigns a letter to each Debtor Group and a number to each Class of Claims against or Interests in each Debtor in each Debtor Group. Notwithstanding this organizing principle, the Plan is a separate plan of reorganization or liquidation for each Debtor. Claims against or Interests in a Debtor belonging to a Debtor Group consisting of more than one Debtor shall be deemed to be classified in a single Class for all purposes under the Bankruptcy Code, including voting. To the extent a Holder has a Claim that may be asserted against more than one Debtor in a Debtor Group, the vote of such Holder in connection with such Claims shall be counted as a vote of such Claim against each Debtor in such Debtor Group. For consistency, similarly designated Classes of Claims and Interests are assigned the same number across each of the Debtor Groups. Any non-sequential enumeration of the Classes is intentional to maintain consistency. Claims against and Interests in the Debtors are classified as follows:

b. Treatment: The Plan takes into account Allowed Subsidiary Debtor Equity Interests when calculating distributions to be made to third-party creditors. Notwithstanding the foregoing treatment of Subsidiary Debtor Equity Interests for purposes of calculating distributions to third-party creditors, Holders of Subsidiary Debtor Equity Interests shall receive no distributions under the Plan on account of their Interests, subject to Section IV.G of the Plan. At the option of the Debtors (subject to the Oaktree Consent Right) or the Wind-Down Officer, as applicable, Subsidiary Debtor Equity Interests may be reinstated or cancelled and extinguished in accordance with the provisions of Section IV.G.

c. **Voting:** Classes 10B, 10C, 10D and 10E are Unimpaired. Holders of Subsidiary Debtor Equity Interests are deemed to have accepted the Plan.

C. Special Provisions Governing Unimpaired Claims

Except as otherwise provided in the Plan, nothing under the Plan will affect the Debtors' or the Post-Effective Date Debtors' rights in respect of legal and equitable defenses to, or setoffs or recoupments against, any Unimpaired Claims.

D. Elimination of Vacant Classes

Any Class of Claims or Interests that does not have a Holder of an Allowed Claim or Allowed Interest or a Claim or Interest temporarily Allowed by the Bankruptcy Court as of the date of the Confirmation Hearing will be deemed eliminated from the Plan for purposes of voting to accept or reject the Plan and for purposes of determining acceptance or rejection of the Plan by such Class pursuant to section 1129(a)(8) of the Bankruptcy Code.

E. Voting Classes; Presumed Acceptance by Non-Voting Classes

If a Class contains Claims or Interests eligible to vote, and no Holders of Claims or Interests eligible to vote in such Class vote to accept or reject the Plan, the Plan will be presumed accepted by the Holders of such Claims or Interests in such Class pursuant to the Confirmation Order.

F. Confirmation Pursuant to Section 1129(b) of the Bankruptcy Code

The Debtors will seek Confirmation of the Plan pursuant to section 1129(b) of the Bankruptcy Code with respect to any rejecting Class of Claims or Interests. The Debtors reserve the right to modify the Plan in accordance with Article XI to the extent, if any, Confirmation pursuant to section 1129(b) of the Bankruptcy Code requires modification.

**ARTICLE IV.
MEANS FOR IMPLEMENTATION OF THE PLAN**

A. 9019 Settlement

The Bankruptcy Court shall consider the approval of the 9019 Settlement in connection with the Plan pursuant to the standards under Bankruptcy Rule 9019.

In exchange for the distributions set forth herein with respect to Holders of Claims in Class 5A, including without limitation, the Class 5A Equity, the Class 5A Stand-Alone Cash Distribution, the Class 5 Cash Out Option (including with respect to Class 5A-1 and Class 5C-1), the Class 5A Sale Distribution, ~~the Class 5A Trade Creditor Payment~~, the Class 5A Insurance Payment and the Indenture Trustees Allowed Fee Payment, the Adversary Proceeding shall be dismissed with prejudice against Oaktree and the Directors and Officers. The Creditors Committee and its Representatives, Oaktree and its Representatives, the Debtors and their Representatives, the Directors and Officers, and National Union shall be deemed to have provided and received the mutual full and final releases from all claims and Causes of

Action, including without limitation, those claims and Causes of Action that may be asserted on behalf of the Debtors' Estates as more fully set forth in Article IV.N hereof. In addition, pursuant to the 9019 Settlement, all Avoidance Actions and all other claims of the Debtors against Holders of Claims in Class 5 shall be released; *provided, however*, that notwithstanding anything to the contrary herein, no release shall be granted to Holders of Claims in Class 5 that object to the Plan. All other claims and Causes of Action not released pursuant to the Plan shall vest in the Reorganized Debtors as more fully set forth in Section IV.N.

The 9019 Settlement is conditioned on: ~~(1)~~ Oaktree's Claims being allowed in full in the amount of no less than the Oaktree Maximum Distribution; ~~and (2).~~ The Plan Settlement Agreement also provides that for all purposes the value of the Reorganized Parent Common Equity distributed under the Plan ~~being~~be calculated using the Debtors' midpoint valuation of \$417 million.

In addition, the Plan Settlement Parties have agreed to, and the Court is requested to make, the following Requested Findings, which for the avoidance of doubt, shall not be conditions to confirmation of the Plan, and the Plan may be confirmed even if the Court declines to make any of the Requested Findings if all other conditions to confirmation have been satisfied:

1. The Holders of Claims in Class 5A are entitled to receive the Class 5A Insurance Payment;
2. The Convertible Notes Claims shall be allowed in the amounts set forth in Section III.B.5.b;
3. If the Entire Company Sale Trigger occurs, to the extent legally permissible, and notwithstanding anything to the contrary in Section III.B.4.b all other remaining value of the Debtors' Estates (other than on account of the Molycorp Minerals Assets) remaining after (1) receipt of payment by Oaktree of the Oaktree Maximum Distribution Amount, and (2) payment pursuant to the terms hereof in full in Cash of the (i) Administrative Claims (other than the DIP Claims), (ii) Priority Tax Claims, (iii) Other Priority Claims, (iv) General Unsecured Claims against the Downstream Debtors and (v) the Wind-down Reserve, shall be distributed to the Holders of Claims in Class 5A;
4. The Recharacterized Intercompany Claims shall be deemed recharacterized as equity solely for purposes of calculating distributions under this Plan to third-party creditors and the Plan will take into account all Recharacterized Intercompany Claims solely for purpose of calculating distributions to third-party creditors; *provided*, that the Debtors may determine, in good faith, not to support the recharacterization of the Recharacterized Intercompany Claims as part of the 9019 Settlement, *provided, further, however*, the Creditors' Committee shall retain the right, to seek to recharacterize the

Recharacterized Intercompany Claims irrespective of the Debtors' determination.

5. Approval of the 10% Notes Collateral Surcharge, pursuant to the terms of the Plan Settlement Agreement, including for the purpose of defending against any claim or objection to confirmation of the Revised Plan asserting that any subclass in Class 5 is not entitled to its proposed distribution under the Plan.
6. If the Entire Company Sale Trigger occurs, the payments to Oaktree shall be made from the following sources: (a) first, from the Oaktree Molycorp Minerals Allocation Amount; and (b) second, from the proceeds from the sale of the Downstream Entities.
7. If the Entire Company Sale Trigger occurs, the Oaktree DIP Claims shall be deemed to be satisfied prior to the Oaktree Prepetition Claims, and Oaktree's DIP Claims shall be deemed satisfied first through its Allowed Administrative Claims against MCP Exchangeco Inc. and Molycorp Luxembourg Holdings S.à r.l.
8. If the Entire Company Sale Trigger occurs, after payment of the Oaktree Maximum Distribution Amount in full in Cash and after the following amounts required to be paid under the Plan have been paid in full in cash (i) Administrative Claims (other than the DIP Claims), (ii) Priority Tax Claims, (iii) Other Priority Claims, (iv) General Unsecured Claims against the Downstream Debtors and (v) the Wind-Down Reserve, the Oaktree Liens shall be released on the DIP Loan Disbursement Account and the Parent's unencumbered Cash accounts for the benefit of the Holders of Claims in Class 5A.

Any amounts incurred by the Creditors' Committee's legal professionals on and after the Plan Settlement Effective Date with respect to the Creditors' Committee Legal Fee Cap Matters in excess of the Creditors' Committee Legal Fee Cap shall be disallowed unless and until, if the Entire Company Sale Trigger has occurred, Oaktree has received payment of the Oaktree Maximum Distribution amount in full in Cash.

As part of the 9019 Settlement, the Debtors shall pay the Indenture Trustees Allowed Fee Payment on account of the Indenture Trustees Allowed Fees.

As part of the 9019 Settlement, upon emergence, the Reorganized Debtors will have no Oaktree-related debt and no preferred equity will be outstanding. The Reorganized Debtors are entitled to seek and obtain debt from parties unrelated to Oaktree on emergence or from any party thereafter provided such capital raises comply with the minority equityholder protections set forth in Section IV.D.2 hereof.

As part of the 9019 Settlement, and in settlement of the claims asserted in the Adversary Proceeding against the Directors and Officers, National Union shall pay the Class 5A Insurance Payment on the Effective Date to the Estate of the Parent for the sole benefit of the

Class 5A Creditors. As part of the 9019 Settlement, the Creditors' Committee shall be deemed to grant a release, on behalf of the Debtors' Estates, to the Directors and Officers (regardless of whether such directors or officers are named as defendants in the Adversary Proceeding) and National Union from any and all claims asserted in the Adversary Proceeding and any and all claims that the Debtors' estates could have asserted against such Directors and Officers based on events occurring prior to the Petition Date as more fully set forth in Article IX. In addition, National Union shall have the National Union Consent Right and the Directors and Officers named as defendants in the Adversary Proceeding shall have the Directors and Officers Consent Right.

Neither approval of the settlement with National Union nor receipt of the National Union Payment by the Class 5A Creditors shall be conditions to confirmation of the Plan, *provided, however*, that National Union's obligation to make the Class 5A Insurance Payment shall be conditioned solely on the Bankruptcy Court approving the Creditors' Committee's releases of the Directors and Officers and National Union described above, the exculpation of the Directors and Officers set forth in Section IX.F, and the injunction and Third Party Releases contained herein (but only to the fullest extent approved by the Bankruptcy Court).

B. Entire Company Sale

The Debtors will only proceed with an Entire Company Sale if Molycorp's Board of Directors concludes that acceptance of one or more Qualified Bids for all of the Assets of the Downstream Businesses is value-maximizing for the Debtors' estates. If the Entire Company Sale Trigger occurs, the Debtors shall consummate the Entire Company Sale pursuant to the terms of this Plan, and the Confirmation Order shall authorize the Debtors to enter into and perform under the Entire Company Sale Agreements.

Notwithstanding anything herein to the contrary, Oaktree shall have the right to seek to credit bid in accordance with the terms of the Bid Procedures, and parties shall have the right to object to any such credit bid. Any such credit bid shall comply with the terms of the Bid Procedures. On the Effective Date, all of the transactions contemplated by the Entire Company Sale Agreements shall be consummated.

Except as otherwise explicitly provided herein, on the Effective Date, substantially all of the Debtors' property shall be sold and transferred to one or more Purchasers in accordance with the terms of the Entire Company Sale Agreements and this Plan in exchange for the consideration set forth in the Entire Company Sale Agreements. Any property of the Debtors' Estates that is not transferred under the Entire Company Sale Agreements or distributed on the Effective Date pursuant to the terms of this Plan shall revert in the Post-Effective Date Debtors for liquidation and distribution to creditors in accordance with the terms of the Plan.

Unless otherwise expressly provided under the terms of a particular Entire Company Sale Agreement, all matters and transactions provided for in the Entire Company Sale Agreements, and any partnership, membership, or shareholder action required by the Debtors or the Post-Effective Date Debtors in connection with the Entire Company Sale Agreements, will be deemed to have occurred and will be in effect, without any requirement of further action by those authorized to act on behalf of the Debtors or the Post-Effective Date Debtors.

On or (as applicable) prior to the Effective Date, the appropriate officers or managing members of each Debtor or Post-Effective Date Debtor, as applicable, shall be authorized and directed to issue, execute, deliver, file, and/or record any contracts, agreements, instruments, or other documents contemplated by the Entire Company Sale Agreements (or necessary or desirable to effect the transactions contemplated by the Entire Company Sale Agreements), and take such actions as may be necessary or appropriate to effectuate and further evidence the terms and conditions of the Entire Company Sale Agreements, in each case in the name of and on behalf of such Debtor or Post-Effective Date Debtor. Such authorizations and approvals will be effective notwithstanding any requirements under non-bankruptcy law.

To the extent there are material amendments to the Entire Company Sale Agreements prior to the Confirmation Hearing, the Debtors shall File such revised Entire Company Sale Agreements prior to the Confirmation Hearing. After the Confirmation Date, the Debtors are authorized, subject to the Oaktree Consent Right, to enter into non-material amendments to the Entire Company Sale Agreements in accordance with their terms and in furtherance of the transactions contemplated thereby without the need for further notice or Court approval.

C. Molycorp Minerals Assets Sale

The Molycorp Minerals Assets Sale, which may be consummated pursuant to a 10% Noteholder Permitted Credit Bid, shall take place whether or not the Entire Company Sale Trigger occurs, and may be approved in connection with confirmation of the Plan or outside of a chapter 11 plan. If the Debtors seek approval of the Molycorp Minerals Assets Sale pursuant to this Plan, the Confirmation Order shall authorize the Debtors to enter into and perform under the Molycorp Minerals Sale Agreements, or the Debtors may seek approval and consummation of a Molycorp Minerals Assets Sale outside of a chapter 11 plan. If the Debtors seek approval of the Molycorp Minerals Assets Sale pursuant to this Plan, on the Effective Date, all of the transactions contemplated by the Molycorp Minerals Sale Agreements shall be consummated. Except as otherwise explicitly provided herein, on the Effective Date, the assets subject to the Molycorp Minerals Assets Sale shall be sold and transferred to one or more purchasers in accordance with the terms of the Molycorp Minerals Sale Agreements and this Plan in exchange for the consideration set forth in the respective Molycorp Minerals Sale Agreements. On the Effective Date, all Molycorp Minerals Debtors not sold in connection with the Molycorp Minerals Assets Sale shall be dissolved.

The Debtors will only proceed with a sale of the Oaktree Equipment if a Qualified Bid (as defined in the Bid Procedures) for the Molycorp Minerals Assets together with the Oaktree Equipment, or for the Oaktree Equipment alone, contains a cash purchase price no less than the Oaktree Equipment Reserve Price, subject to the limitations set forth in Section III.B.3.c.iv of the Plan. Whether or not the Oaktree Equipment Reserve Price is satisfied, the Debtors will proceed with the Molycorp Minerals Assets Sale without the Oaktree Equipment, if appropriate pursuant to the Bid Procedures.

Notwithstanding anything herein to the contrary, if there are no Qualified Bids for the Oaktree Equipment, including with respect to any Qualified Bid (including a credit bid) for the Molycorp Minerals Assets, Oaktree shall have the right to enter the property and remove the Oaktree Equipment and / or agree to lease the Oaktree Equipment, on such terms and

conditions, as are acceptable to Oaktree in its sole and absolute discretion, to any Successful Bidder (as defined in the Bid Procedures) for the Molycorp Minerals Assets, provided that if Oaktree is going to remove the Oaktree Equipment, Oaktree shall have a reasonable amount of time following the closing of the sale of the Molycorp Minerals Assets to remove the Oaktree Equipment in accordance with the terms of the Oaktree Lease Documents.

Any Molycorp Minerals Assets Sale shall not include the sale or liquidation of the equity interests of Molycorp Minerals in Molycorp Silmet AS or Molycorp Advanced Water Technologies, LLC, which shall be (a) sold as part of the sale of the Downstream Debtors if the Entire Company Sale Trigger occurs or (b) transferred to the Reorganized Debtors as part of the Restructuring Transactions in the Stand-Alone Reorganization.

If the Debtors seek approval of the Molycorp Minerals Assets Sale pursuant to this Plan, unless otherwise expressly provided under the terms of a particular Molycorp Minerals Sale Agreement, all matters and transactions provided for in the Molycorp Minerals Sale Agreements, and any partnership, membership, or shareholder action required by the Debtors in connection with the Molycorp Minerals Sale Agreements will be deemed to have occurred and will be in effect, without any requirement of further action by those authorized to act on behalf of the Debtors. On or (as applicable) prior to the Effective Date, the appropriate officers or managing members of each Debtor, as applicable, shall be authorized and directed to issue, execute, deliver, file, and/or record any contracts, agreements, instruments, or other documents contemplated by the Molycorp Minerals Sale Agreements (or necessary or desirable to effect the transactions contemplated by the Molycorp Minerals Sale Agreements), and take such actions as may be necessary or appropriate to effectuate and further evidence the terms and conditions of the Molycorp Minerals Sale Agreements, in each case in the name of and on behalf of such Debtor. Such authorizations and approvals will be effective notwithstanding any requirements under non-bankruptcy law.

To the extent there are material amendments to the Molycorp Minerals Sale Agreements prior to the Confirmation Hearing, the Debtors shall File such revised Molycorp Minerals Sale Agreements prior to the Confirmation Hearing. After the Confirmation Date, the Debtors, subject to the Oaktree Consent Right, are authorized subject to Section XI.A to enter into non-material amendments to the Molycorp Minerals Sale Agreements in accordance with their terms and in furtherance of the transactions contemplated thereby without the need for further notice or Court approval.

If the Molycorp Minerals Assets Sale is not consummated at the time that all other conditions to the Effective Date set forth in Section X.B have been satisfied or waived, (a) the Debtors (subject to the Oaktree Consent Right) shall consummate the Entire Company Sale (subject to the occurrence of the Entire Company Sale Trigger) or the Stand-Alone Reorganization (if the Entire Company Sale Trigger does not occur).

D. The Stand-Alone Reorganization

If the Debtors do not effectuate the Entire Company Sale with respect to the Downstream Businesses, or if the Entire Company Sale Trigger does not occur, the Debtors

shall consummate the Stand Alone Reorganization. The following provisions shall govern a Stand-Alone Reorganization.

1. Third Party Financing

On the Effective Date, subject to the terms and conditions of the Plan Settlement Agreement, (a) 92.5% of the Reorganized Parent Common Equity will be issued, directly or indirectly, to Oaktree in partial satisfaction of its Allowed Claims ~~and subject to the 9019 Settlement and Section IV.A.~~, and (b) the Class 5A Equity will be issued, directly or, subject to the consent of the Creditors' Committee which shall not be unreasonably withheld, indirectly, to the Holders of Allowed Claims in Class 5A, each of which will be subject to dilution for the MIP.

Each share of the Reorganized Parent Common Equity issued and distributed pursuant to the Plan will be duly authorized, validly issued, and fully paid non-assessable. Each distribution and issuance referred to herein will be governed by the terms and conditions set forth herein applicable to such distribution or issuance and by the terms and conditions of the instruments evidencing such distribution or issuance, which terms and conditions will bind each Entity receiving such distribution or issuance.

The Reorganized Parent Common Equity Holder Agreement will provide the following protections for the minority holders of the Reorganized Parent Common Equity:

- (h) no amendments or modifications to the Reorganized Parent's organizational or governing documents that may disproportionately adversely affect the Class 5A Equity without the consent of a majority of the holders of the Class 5A Equity.

3. Section 1145 Exemption

To the maximum extent provided by section 1145 of the Bankruptcy Code and applicable non-bankruptcy law, the offering, issuance, and distribution of (a) the Reorganized Parent Common Equity, and (b) any other securities issued and distributed pursuant to the Plan will be exempt from, among other items, the registration and prospectus delivery requirements of section 5 of the Securities Exchange Act of 1933 and any other applicable state and federal law requiring registration and/or delivery of a prospectus prior to the offering, issuance, distribution, or sale of securities subject to the provisions of section 1145(b)(1) of the Bankruptcy Code relating to the definition of an "underwriter" in section 2(a)(11) of the Securities Act. G. Restructuring Transactions

1. Restructuring Transactions Generally

While the Debtors are not seeking, and will not effectuate a substantive consolidation of their respective Estates, on or after the Confirmation Date, the applicable Debtors or Post-Effective Date Debtors may enter into such Restructuring Transactions, including, but not limited to, those described in any Restructuring Transactions Exhibit to the Plan that may be Filed with the Court and may take such actions as the applicable Debtors (subject to the Oaktree Consent Right) or Post-Effective Date Debtors determine to be necessary or appropriate to effect, in accordance with applicable non-bankruptcy law, a corporate restructuring of their respective businesses or simplify the overall corporate structure of the Post-Effective Date Debtors; provided that each Estate shall remain responsible for the payment of its respective quarterly fees to the office of the U.S. Trustee pursuant to 28 U.S.C. § 1930 until the applicable Debtor's case is closed, dismissed or converted to another chapter of the Bankruptcy Code. Without limiting the foregoing, unless otherwise provided by the terms of a Restructuring Transaction, all such Restructuring Transactions will be deemed to occur on the Effective Date and may include one or more mergers, consolidations, restructurings, reorganizations, transfers, dispositions, conversions, liquidations, or dissolutions, as may be determined by the Debtors (subject to the Oaktree Consent Right) or the Post-Effective Date Debtors to be necessary or appropriate. The actions to effect these transactions may include (a) the execution and delivery of appropriate agreements or other documents of merger, consolidation, restructuring, reorganization, transfer, disposition, conversion, liquidation, or dissolution containing terms that are consistent with the terms of

the Plan and that satisfy the requirements of applicable state law and such other terms to which the applicable Entities may agree; (b) on terms consistent with the terms of the Plan and having such other terms to which the applicable Entities may agree, the execution and delivery of appropriate instruments of transfer, conversion, assignment, assumption, or delegation of any asset, property, right, liability, duty, or obligation; (c) pursuant to applicable state law, the filing of appropriate certificates or articles of merger, consolidation, conversion, dissolution, or change in corporate form; (d) the inclusion of one or more Non-Debtor Affiliates as co-proponents of the Plan and the issuance of such Entities' equity securities in accordance with the terms of the Plan; and (e) the taking of all other actions that the applicable Entities determine to be necessary or appropriate, including (i) making filings or recordings that may be required by applicable state law in connection with such transactions and (ii) any appropriate positions on one or more tax returns (e.g., worthlessness deductions).

Any Restructuring Transaction (i) may, without any further action by the stockholders or directors of any of the Debtors or the Post-Effective Date Debtors, be effected on, or subsequent to, the Effective Date; and (ii) must otherwise comply with the Plan. For purposes of effectuating the Plan, none of the Restructuring Transactions contemplated herein will constitute a change of control under any agreement, contract, or document of the Debtors.

2. Obligations of Any Successor Corporation in a Restructuring Transaction

The Restructuring Transactions may result in substantially all of the respective assets, properties, rights, liabilities, duties, and obligations of certain of the Post-Effective Date Debtors vesting in one or more surviving, resulting, or acquiring Entities. In any case in which the surviving, resulting, or acquiring Entity in any such transaction is a successor to a Reorganized Debtor, such surviving, resulting, or acquiring Entity will perform the obligations of the applicable Reorganized Debtor pursuant to the Plan.

H. Effectuating Documents; Further Transactions

On and after the Effective Date and without the need for any approvals, authorization, or consents except for those expressly required pursuant to the Plan, the Post-Effective Date Debtors and the managers, officers, authorized persons, and members of the boards of managers and directors thereof, are authorized to and may issue, execute, deliver, file, or record such contracts, securities, instruments, releases, and other agreements or documents and take such actions as may be necessary or appropriate to effectuate, implement, and further evidence the terms and conditions of the Plan, and to the extent applicable, the Entire Company Sale Agreements, the MolyCorp Minerals Sale Agreements, the Restructuring Transactions and the securities issued pursuant to the Plan in the name of, and on behalf of, the Post-Effective Date Debtors.

I. Sources of Cash for Plan Distributions

All consideration necessary for the Post-Effective Date Debtors to make payments or distributions pursuant hereto shall be obtained through a combination of one or more of the following: (a) Cash on hand of the Debtors, including Cash from business operations (other than Cash in the DIP Loan Disbursement Account (as defined in the DIP Order), or

distributions from Non-Debtor Affiliates; (b) Net Proceeds of any asset sales, including the Entire Company Sale, if applicable; (c) the Net Proceeds of any tax refunds and other causes of action; and (d) any other means of financing or funding that the Debtors or the Post-Effective Date Debtors determine is necessary or appropriate (subject to the Oaktree Consent Right). Further, the Debtors (subject to the Oaktree Consent Right) and the Post-Effective Date Debtors shall be entitled to transfer funds between and among themselves as they determine to be necessary or appropriate to enable the Post-Effective Date Debtors to satisfy their obligations under the Plan. Except as set forth herein, and subject to the Restructuring Transactions, any changes in intercompany account balances resulting from such transfers shall be accounted for and settled in accordance with the Debtors' historical intercompany account settlement practices and shall not violate the terms of the Plan or any orders entered by the Bankruptcy Court with respect to the Debtors' Cash management system or otherwise affect any distributions contemplated by the Plan.

J. Exemption from Certain Taxes and Fees

Pursuant to section 1146(a) of the Bankruptcy Code, any transfers of property pursuant hereto, including in connection with the Entire Company Sale, if applicable, and the Molycorp Minerals Assets Sale, will not be subject to any stamp, transfer, mortgage recording, or other similar tax or governmental assessment in the United States, and the Confirmation Order will direct and be deemed to direct the appropriate state or local governmental officials or agents to forgo the collection of any such tax or governmental assessment and to accept for filing and recordation instruments or other documents pursuant to such transfers of property without the payment of any such tax or governmental assessment. Such exemption specifically applies, without limitation, to (i) any transfer, sale or assignment pursuant to the Entire Company Sale Agreements and the Molycorp Minerals Sale Agreements; (ii) the creation of any mortgage, deed of trust, Lien, or other security interest; (iii) the making or assignment of any lease or sublease; (iv) any Restructuring Transaction; (v) the issuance, distribution, or sale of any of the Reorganized Parent Common Equity and any other securities of the Debtors or the Post-Effective Date Debtors, or any of the foregoing; or (vi) the making or delivery of any deed or other instrument of transfer under, in furtherance of, or in connection with, the Plan, including the following: (a) any merger or securities purchase agreements; (b) agreements of consolidation, restructuring, reorganization, transfer, disposition, conversion, liquidation, or dissolution; (c) deeds; (d) bills of sale; or (e) assignments executed in connection with any Restructuring Transaction occurring under the Plan.

K. Reporting Obligations

There will be no requirement that the Post-Effective Date Debtors File monthly operating reports, or any other type of report, with the Bankruptcy Court after the Effective Date. The Post-Effective Date Debtors shall provide a calculation of their disbursements to the U.S. Trustee on a quarterly basis until the entry of a final decree pursuant to Bankruptcy Rule 3022 to close the chapter 11 case of such Reorganized Debtor.

L. Cancellation of Securities and Agreements

With respect to any agreement (including, without limitation, any applicable indenture) that governs the rights of the Holder of a Claim or Interest and will be cancelled hereunder, and notwithstanding the occurrence of the Effective Date, such agreement will continue in effect solely for purposes of: (1) allowing such Holders to receive distributions under the Plan as provided herein; (2) allowing the Convertible Notes Indenture Trustees and the 10% Notes Indenture Trustee to make the distributions in accordance with the Plan; (3) preserving any rights of the Convertible Notes Indenture Trustees and 10% Notes Indenture Trustee to payment of fees, expenses, and indemnification obligations solely as against any money or property distributable to the Holders under the relevant indenture, including any rights to priority of payment and/or to exercise charging liens on such distributions; (4) allowing the Convertible Notes Indenture Trustees to enforce any right to payment with respect to the Indenture Trustees Allowed Fee Payment; and (5) allowing the Convertible Notes Indenture Trustees and the 10% Notes Indenture Trustees to appear in the Chapter 11 Cases or any proceeding in which they are or may become a party with respect to items (1) through (4), as applicable.

M. Release of Liens

Except as otherwise provided herein or in any contract, instrument, release, or other agreement or document created pursuant to the Plan, on the Effective Date and concurrently with the applicable distributions made pursuant to the Plan and, in the case of a Secured Claim, satisfaction in full of the portion of the Secured Claim that is Allowed as of the Effective Date, all mortgages, deeds of trust, liens, pledges, or other security interests of any nature against any property of the Estates will be fully released, settled, and compromised and all rights, titles, and interests of any Holder of such mortgages, deeds of trust, liens, pledges, or other security interests of any nature against any property of the Estates will revert to the Post-Effective Date Debtors and their successors and assigns. The Post-Effective Date Debtors will be authorized to file any necessary or desirable documents to evidence such release in the

name of such parties holding mortgages, deeds of trust, liens, pledges, or other security interests of any nature against any property of the Estates.

In addition, except as otherwise provided herein or in any contract, instrument, release, or other agreement or document created pursuant to the Plan, on the Effective Date subject to and concurrently with satisfaction in full of the Oaktree Prepetition Claims in accordance with the terms hereof, Oaktree shall release the Non-Debtor Prepetition Oaktree Guarantors from all obligations under the existing Oaktree Prepetition Facilities and Oaktree Lease Documents, including but not limited to (1) any guarantees that the Non-Debtor Prepetition Oaktree Guarantors are party to, (2) any equity pledge agreements that Non-Debtor Prepetition Oaktree Guarantors are party to (or deemed party to by operation of applicable law) or the owners of their equity are party to with respect to their equity and (3) any other mortgages, deeds of trust, liens, pledges or other security interests of any nature against any property of the Non-Debtor Prepetition Oaktree Guarantors. Further, except as otherwise provided herein or specifically provided for in the Plan, on the Effective Date and concurrently with receipt of all distributions on account of DIP Facility Claims in accordance with the terms hereof, the DIP Lenders shall consent to the termination of any claims, liens or negative pledges executed or incurred by any Debtor or Non-Debtor Affiliate in connection with the DIP Facility in connection with the extinguishment of the facility. The Post-Effective Date Debtors will be authorized to file any necessary or desirable documents to evidence the releases and terminations set forth in this Section IV.M in the name of Oaktree.

N. Preservation of Causes of Action

Except as provided in the Plan or in any contract, instrument, release, or other agreement entered into, or delivered in connection with, the Plan, in accordance with section 1123(b) of the Bankruptcy Code and to the fullest extent possible under applicable law, the Post-Effective Date Debtors will retain and may enforce, and will have the sole right to enforce, any claims, demands, rights, and Causes of Action that any Debtor or Estate may hold against any Entity other than Oaktree or any of its Representatives or any other Released Parties. The Post-Effective Date Debtors or their successors may pursue, or not pursue, such retained claims, demands, rights or Causes of Action, as they deem appropriate in their discretion. A list of such retained Causes of Action shall be included in the Plan Supplement.

All claims and Causes of Action, including without limitation any Avoidance Actions of the Debtors against any Holder of Claim in Class 5 shall be released and shall not vest in the Post-Effective Date Debtors; *provided, however*, that notwithstanding anything to the contrary herein, no release shall be granted to Holders of Claims in Class 5 that object to the Plan.

O. Administrative Consolidation

The classification and manner of satisfying all Claims and Interests under the Plan take into consideration the rights of holders of Claims and Interests, whether arising under contract, law, or equity, that a holder of a Claim or Interest may have against each of the Debtors. Holders of Claims or Interests against more than one Debtor are classified in consolidated classes of Claims against and Interests in all Debtors in Section III.A for

administrative convenience with respect to voting and the making of distributions on account of Claims and Interests. The Confirmation Order will approve this administrative consolidation.

Such administrative consolidation will have no effect on (a) the legal and corporate structures of the Debtors; (b) pre- and post-Effective Date guarantees, liens, and security interests that are required to be maintained (i) in connection with contracts or leases that were entered into during the Chapter 11 Cases or (ii) Executory Contracts or Unexpired Leases that have been, or will be, assumed or assumed and assigned pursuant to the Plan; (c) Interests between and among the Debtors; (d) distributions from any insurance policies or proceeds of such policies; (e) the revesting of assets in the separate Post-Effective Date Debtors; and (f) the responsibility of each Estate for the payment of its respective quarterly fees to the office of the U.S. Trustee pursuant to 28 U.S.C. § 1930 until the applicable Debtor's case is closed, dismissed or converted to another chapter of the Bankruptcy Code. In addition, such administrative consolidation will not constitute a waiver of the mutuality requirement for setoff under section 553 of the Bankruptcy Code.

P. Payment of Indenture Trustee Allowed Fees

As part of the 9019 Settlement, without any further notice to or action, order, or approval of the Bankruptcy Court, the Reorganized Debtors shall pay on the Effective Date the Indenture Trustees Allowed Fee Payment to the Convertible Notes Indenture Trustees and the Subordinated Convertible Notes Indenture Trustee on account of the Indenture Trustees Allowed Fees.

**ARTICLE V.
TREATMENT OF COMPENSATION AND BENEFITS PROGRAMS**

A. MIP

If the Entire Company Sale Trigger does not occur, the New Board shall adopt the MIP.

B. Employee Compensation and Benefits Programs

If the Entire Company Sale Trigger does not occur, from and after the Effective Date, the Reorganized Debtors shall, subject to the Oaktree Consent Right, continue (or continue as modified or replaced) their Compensation and Benefits Programs. Nothing herein shall preclude the Debtors or the Reorganized Debtors from making any changes to or terminating any of their Compensation and Benefits Programs in accordance with applicable law.

C. Magnequench Pension Plan

If the Entire Company Sale Trigger does not occur, MII will assume and continue the Magnequench Pension Plan, and will continue to fund the Magnequench Pension Plan in accordance with the minimum funding standards under applicable law, pay all required insurance premiums to the PBGC and continue to administer and operate the Magnequench

Pension Plan in accordance with its terms and the provisions of ERISA.

If the Entire Company Sale does not occur, the contingent Claims filed by the PBGC shall be deemed withdrawn and expunged from the Claims register; provided that neither the Plan, the Confirmation Order nor section 1141 of the Bankruptcy Code shall be construed as discharging, releasing or relieving any party, in any capacity, from any liability with respect to the Magnequench Pension Plan under any law, government policy or regulatory provision. In addition, if the Entire Company Sale does not occur, the PBGC and the Magnequench Pension Plan shall not be enjoined or precluded from enforcing such liability or responsibility against any party with such liability or responsibility as a result of any of provisions for satisfaction, release, injunction, exculpation, and discharge of Claims in the Plan, Confirmation Order or the Bankruptcy Code.

If the Entire Company Trigger occurs and the Magnequench Pension Plan is not assumed in connection with the Entire Company Sale, any Claims the PBGC asserts as a result will, if Allowed, be afforded the priority as agreed to by the Debtors or determined by the Bankruptcy Court and respective treatment under the terms of the Plan.

D. Workers' Compensation Programs

From and after the Effective Date, the Post-Effective Date Debtors will continue to pay valid Claims under (i) all applicable workers' compensation laws in jurisdictions in which the Reorganized Debtors operate; and (ii) the Debtors' written contracts, agreements, agreements of indemnity, self-insurer workers' compensation bonds, policies, programs, and plans for workers' compensation and workers' compensation insurance. All Proofs of Claims on account of workers' compensation will be deemed withdrawn automatically and without any further notice to, or action, order, or approval of, the Bankruptcy Court. Nothing in the Plan (i) will limit, diminish, or otherwise alter the Debtors' or Reorganized Debtors' defenses, Causes of Action, or other rights under applicable non-bankruptcy law with respect to any such contracts, agreements, policies, programs, and plans; and (ii) will be deemed to impose any obligations on the Debtors or Reorganized Debtors in addition to what is provided for under applicable law.

ARTICLE VI. TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

A. Assumption of Executory Contracts or Unexpired Leases

If the Entire Company Sale Trigger occurs, except as otherwise provided herein, in the Entire Company Sale Agreements, or in any contract, instrument, release, indenture, or other agreement or document entered into in connection with the Plan or the Entire Company Sale Agreements, and as of the Effective Date, each Debtor will be deemed to have rejected each Executory Contract or Unexpired Lease to which such Debtor is a party, unless such Executory Contract or Unexpired Lease (i) was previously assumed or rejected; (ii) was previously expired or terminated pursuant to its own terms; (iii) is the subject of a motion or notice to assume or assume and assign Filed on or before the Confirmation Date, including in

connection with the Entire Company Sale; or (iv) is designated specifically, or by category, as an Executory Contract or Unexpired Lease on the Schedule of Assumed Executory Contracts and Unexpired Leases.

If the Entire Company Sale Trigger does not occur, except as otherwise provided herein or in any contract, instrument, release, indenture, or other agreement or document entered into in connection with the Plan and as of the Effective Date, each Reorganized Debtor will be deemed to have assumed each Executory Contract or Unexpired Lease to which such Reorganized Debtor is a party, unless such Executory Contract or Unexpired Lease (i) was previously assumed or rejected; (ii) was previously expired or terminated pursuant to its own terms; (iii) is the subject of a motion or notice to reject Filed on or before the Confirmation Date; or (iv) is designated specifically, or by category, as an Executory Contract or Unexpired Lease on the Schedule of Rejected Executory Contracts and Unexpired Leases.

Each Molycorp Minerals Wind-Down Debtor will be deemed to have rejected each Executory Contract or Unexpired Lease to which such Molycorp Minerals Wind-Down Debtor is a party, unless such Executory Contract or Unexpired Lease (i) was previously assumed or rejected; (ii) was previously expired or terminated pursuant to its own terms; (iii) is the subject of a motion or notice to assume or assume and assign Filed on or before the Confirmation Date; or (iv) is designated specifically, or by category, as an Executory Contract or Unexpired Lease on the Schedule of Assumed Executory Contracts and Unexpired Leases.

The Confirmation Order will constitute an order of the Bankruptcy Court under sections 365 and 1123(b) of the Bankruptcy Code approving the assumptions or assumptions and assignments or rejections described above as of the Effective Date. Unless otherwise indicated, all assumptions, assumptions and assignments, and rejections of Executory Contracts and Unexpired Leases in the Plan will be effective as of the Effective Date. Each Executory Contract and Unexpired Lease assumed or assumed and assigned pursuant to the Plan, or by Bankruptcy Court order, will vest in and be fully enforceable by the applicable Reorganized Debtor or assignee in accordance with its terms, except as such terms may have been modified by order of the Bankruptcy Court.

Notwithstanding the foregoing paragraph or anything contrary herein, the Debtors reserve the right to alter, amend, modify, or supplement the Executory Contracts and Unexpired Leases identified for assumption or rejection in the Plan Supplement prior to the Effective Date.

B. Cure of Defaults for Assumed Executory Contracts or Unexpired Leases

Any Executory Contracts or Unexpired Leases to be assumed (or assumed and assigned) pursuant to the Plan, or otherwise, that are, or may be, alleged to be in default, will be satisfied solely by payment of the Cure Cost or by an agreed-upon waiver or discharge of the Cure Cost on the Effective Date or as soon thereafter as practicable or on such other terms as the Debtors (subject to the Oaktree Consent Right) and the counterparties to each such Executory Contract or Unexpired Lease may otherwise agree. In the event of a dispute regarding: (i) the amount of any Cure Cost; (ii) the ability to provide "adequate assurance of

future performance" within the meaning of section 365(b) of the Bankruptcy Code (if applicable) under the Executory Contract or the Unexpired Lease to be assumed and/or assumed and assigned; or (iii) any other matter pertaining to assumption (or assumption and assignment), then such Cure Costs will be paid following the entry of a Final Order resolving the dispute and approving the assumption and assignment of such Executory Contracts or Unexpired Leases or as may be agreed upon by the Debtors (subject to the Oaktree Consent Right), or the Post-Effective Date Debtors, as applicable, and the counterparty to such Executory Contract or Unexpired Lease.

The Debtors shall provide notices of proposed assumption (or proposed assumption and assignment) and proposed cure amounts to be sent to applicable Executory Contract or Unexpired Lease counterparties, together with procedures for objecting thereto and resolution of disputes by the Bankruptcy Court in accordance with the Bid Procedures Order. Any objection by a contract or lease counterparty to a proposed assumption (or assumption and assignment) or related cure amount must be Filed, served, and actually received by the Debtors no later than the date on which objections to Confirmation are due (or such other date as may be provided in the applicable assumption notice). Any counterparty to an Executory Contract or Unexpired Lease that fails to object timely to the proposed assumption or assumption and assignment or cure amount will be deemed to have assented to such assumption or assumption and assignment and related Cure Cost (if any).

Prior to the Effective Date, the Debtors (subject to the Oaktree Consent Right), or after the Effective Date, the Post-Effective Date Debtors, may settle any dispute regarding the amount of any Cure Cost without any further notice to any party or any action, order, or approval of the Bankruptcy Court. In addition, prior to the Effective Date and prior to the entry of a Final Order resolving any dispute and approving the assumption or assumption and assignment of such Executory Contract or Unexpired Lease, the Debtors reserve the right to reject any Executory Contract or Unexpired Lease which is subject to dispute.

Notwithstanding anything to the contrary herein, neither the Debtors nor the Post-Effective Date Debtors shall assume any indemnification obligation in place as of the Effective Date, whether in the Bylaws, Certificates of Incorporation, Limited Liability Agreements, other organizational or formation documents, board resolutions, management or indemnification agreements or employee contracts for the Debtors' current and former Directors and Officers but rather any such obligation shall, to the extent arising out of events which occurred prior to the Petition Date, be treated as a General Unsecured Claim.

C. Claims Based on Rejection of Executory Contracts and Unexpired Leases

Unless otherwise provided by an order of the Bankruptcy Court, any Proofs of Claim based on the rejection of the Debtors' Executory Contracts or Unexpired Leases pursuant to the Plan or otherwise, must be Filed with the Prime Clerk no later than the later of (i) thirty (30) days after the effective date of rejection of such Executory Contract or Unexpired Lease and (ii) the Claims Bar Date established in the Chapter 11 Cases.

Any Holder of a Claim arising from the rejection of an Executory Contract or Unexpired Lease for which a Proof of Claims was not timely Filed as set forth in the

immediately preceding paragraph will not (i) be treated as a Holder of a Claim hereunder, (ii) be permitted to vote to accept or reject the Plan, or (iii) participate in any distribution in the Chapter 11 Cases on account of such Claim, and such Claim will be deemed fully satisfied, released, settled, and compromised and be subject to the provisions of Section IX.G of the Plan, notwithstanding anything in the Schedules or a Proof of Claim to the contrary.

D. Preexisting Obligations to the Debtors Under Executory Contracts or Unexpired Leases

Rejection or repudiation of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise will not constitute a termination of preexisting obligations owed to the Debtors under such contracts or leases. In particular, notwithstanding any non-bankruptcy law to the contrary, the Debtors expressly reserve and do not waive any right to receive, or any continuing obligation of a counterparty to provide, warranties or continued maintenance obligations on goods previously purchased, or services previously received, by the contracting Debtors from counterparties to rejected or repudiated Executory Contracts or Unexpired Leases.

E. Modifications, Amendments, Supplements, Restatements, or Other Agreements

Unless otherwise provided in the Plan, each assumed Executory Contract or Unexpired Lease will include all modifications, amendments, supplements, restatements, or other agreements that in any manner affect such Executory Contract or Unexpired Lease, and all Executory Contracts or Unexpired Leases related thereto, if any, including all easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, and any other interests, unless any of the foregoing agreements has been previously rejected or repudiated or is rejected or repudiated under the Plan. Modifications, amendments, supplements, and restatements to prepetition Executory Contracts and Unexpired Leases that have been executed by the Debtors during the Chapter 11 Cases will not be deemed to alter the prepetition nature of the Executory Contract or Unexpired Lease, or the validity, priority, or amount of any Claims that may arise in connection therewith.

F. Assignments Related to the Restructuring Transactions

As of the effective time of an applicable Restructuring Transaction, any Executory Contract or Unexpired Lease to be held by any Debtor or another surviving, resulting, or acquiring Entity in an applicable Restructuring Transaction, will be deemed assigned to the applicable Entity, pursuant to section 365 of the Bankruptcy Code.

**ARTICLE VII.
PROVISIONS GOVERNING DISTRIBUTIONS**

A. Timing and Calculation of Amounts to be Distributed

Except as otherwise provided in the Plan, on the Effective Date, or as soon as reasonably practicable thereafter, each Holder of an Allowed Claim against the Debtors will receive the full amount of the distributions that the Plan provides for Allowed Claims in the applicable Class from the Disbursing Agent. On each Distribution Date, Distributions also

will be made, pursuant to Section VIII.B, to Holders of Claims that previously were Disputed Claims that were allowed after the most recent Distribution Date. Such periodic Distributions also shall be in the full amount that the Plan provides for Allowed Claims in the applicable Class. Distribution Dates shall occur no less frequently than once per year.

In the event that any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day, but will be deemed to have been completed as of the required date. If, and to the extent that, there are Disputed Claims, distributions on account of any such Disputed Claims will be made pursuant to the provisions set forth in Article VIII. Except as otherwise provided herein, Holders of Claims will not be entitled to interest, dividends, or accruals on the distributions provided for herein, regardless of whether such distributions are delivered on or at any time after the Effective Date.

Reorganized Parent Common Equity will be deemed to be issued as of the Effective Date to the Holders of Claims entitled to receive Reorganized Parent Common Equity hereunder without the need for further action by any Disbursing Agent, Reorganized Parent, or any other Debtor, including without limitation the issuance or delivery (or both) of any certificate evidencing any such shares, units, or interests, as applicable, of Reorganized Parent Common Equity.

B. Distribution on Account of Claims Allowed After the Effective Date

Distributions to Holders of Claims that become Allowed Claims after the Effective Date will be made in accordance with this Article VII. Distributions made after the Effective Date to Holders of Disputed Claims that are not Allowed Claims as of the Effective Date, but which later become Allowed Claims will be deemed to have been made on the Effective Date.

C. Rights and Powers of Disbursing Agent

1. Powers of the Disbursing Agent

The Disbursing Agent will be empowered to, as applicable, (a) affect all actions and execute all agreements, instruments, and other documents necessary to perform its duties under the Plan; (b) make all distributions contemplated under the Plan; (c) employ professionals to represent it with respect to its responsibilities; and (d) exercise such other powers as may be vested in the Disbursing Agent by order of the Bankruptcy Court, pursuant to the Plan, or as deemed by the Disbursing Agent to be necessary and proper to implement the provisions hereof. A Disbursing Agent will not be required to give any bond or surety or other security for the performance of its duties unless otherwise ordered by the Bankruptcy Court.

2. Expenses Incurred On or After the Effective Date

Except as otherwise ordered by the Bankruptcy Court, the amount of any reasonable fees and expenses incurred by the Disbursing Agent after the Effective Date (including taxes) and any reasonable compensation and expense reimbursement Claims (including reasonable

attorney fees and expenses) made by the Disbursing Agent will be paid in Cash by the Post-Effective Date Debtors.

D. Delivery of Distributions and Undeliverable or Unclaimed Distributions

1. Delivery of Distributions

Distributions to holders of Allowed Claims will be made by a Disbursing Agent (a) at the addresses set forth on the respective proofs of Claim Filed by holders of such Claims; (b) at the addresses set forth in any written certification of address change delivered to the Disbursing Agent (including pursuant to a letter of transmittal delivered to a Disbursing Agent) after the date of Filing of any related Proof of Claim; (c) at the addresses reflected in the applicable Debtor's Schedules if no Proof of Claim has been Filed and the Disbursing Agent has not received a written notice of a change of address; or (d) if clauses (a) through (c) are not applicable, at the last address directed by such Holder in a Filing made after such Claim becomes an Allowed Claim.

Distributions to Oaktree or such Entity as otherwise designated by Oaktree will (a) be made by the Disbursing Agent to Oaktree or such Entity as otherwise designated by Oaktree for the benefit of Oaktree and (b) be deemed completed when received by Oaktree or such Entity as otherwise designated by Oaktree, provided however that unless otherwise agreed to the by the DIP Facility Agent, distributions to Holders of DIP Facility Claims will (a) be made by the Disbursing Agent to the DIP Facility Agent for the benefit of Holders of DIP Facility Claims and (b) be deemed completed when made by the Disbursing Agent to the DIP Facility Agent.

Distributions to Holders of 10% Notes Claims will (a) be made by the Disbursing Agent to the 10% Notes Indenture Trustee for the benefit of Holders of 10% Notes Claims and (b) be deemed completed when made by the Disbursing Agent to the 10% Notes Indenture Trustee.

Distributions under this Plan to holders of Convertible Notes Claims and 10% Notes Claims shall be made to the Convertible Notes Indenture Trustees and 10% Notes Indenture Trustee, as applicable, which shall transmit such distributions to the Holders of such Convertible Notes Claims as provided in the Convertible Notes Indentures and the 10% Notes Claims as provided in the 10% Notes Indenture. Notwithstanding any provision contained in this Plan to the contrary, the distribution provisions contained in the Convertible Notes Indentures and the 10% Notes Indenture shall continue in effect to the extent necessary to authorize the Convertible Notes Indenture Trustees and 10% Notes Indenture Trustee to receive and make distributions to the Holders of Convertible Notes Claims and 10% Notes Claims, as applicable, and shall terminate completely upon completion of such distributions. The Convertible Notes Indenture Trustees and 10% Notes Indenture Trustee may withhold such distributions consistent with the terms of the Convertible Notes Indentures and the 10% Notes Indenture, respectively, to satisfy all accrued and reasonably expected fees and expenses as to which they are entitled to assert priority of payment and/or exercise charging liens against such distributions under the applicable indentures.

2. **Distribution Record Date**

A Disbursing Agent will have no obligation to recognize the transfer, or the sale, of any participation in, any Claim that occurs after the close of business on the Distribution Record Date and will be entitled for all purposes herein to recognize and make distributions only to those holders of Allowed Claims that are holders of such Claims, or participants therein, as of the close of business on the Distribution Record Date.

Except as otherwise provided in a Final Order of the Bankruptcy Court, the transferees of Claims that are transferred pursuant to Bankruptcy Rule 3001 on or prior to the Distribution Record Date will be treated as the holders of such Claims for all purposes, notwithstanding that any period provided by Bankruptcy Rule 3001 for objecting to such transfer has not expired by the Distribution Record Date.

3. **Undeliverable Distributions**

In the event that any distribution to any Holder is returned as undeliverable, no distribution to such Holder will be made unless and until the Disbursing Agent has determined the then current address of such Holder, at which time such distribution will be made to such Holder without interest. Any undeliverable distributions will be deemed unclaimed property under section 347(b) of the Bankruptcy Code at the expiration of six (6) months from the Effective Date. After such date, all unclaimed property or interests in property will revert to the Post-Effective Date Debtors (notwithstanding any applicable federal or state escheat, abandoned, or unclaimed property laws to the contrary), and the Claim any Holder to such property or interest in property will be released, settled, compromised, and forever barred.

On each Distribution Date, the applicable Disbursing Agent will make all Distributions that became deliverable to Holders of Allowed Claims after the most recent Distribution Date; provided, however, that the applicable Disbursing Agent may, in its sole discretion, establish a record date prior to each Distribution Date, such that only Claims allowed as of the record date will participate in such periodic Distribution. Notwithstanding the foregoing, the applicable Disbursing Agent reserves the right, if it determines a distribution on any Distribution Date is uneconomical or unfeasible, or is otherwise inadvisable, to postpone a Distribution Date.

E. **Means of Cash Payments**

Cash payments made pursuant to the Plan will be in U.S. currency by checks drawn on a domestic bank selected by the applicable Disbursing Agent or, at the option of the applicable Disbursing Agent, by wire or automated clearinghouse transfer from a domestic bank; provided, however, that Cash payments to foreign holders of Allowed Claims may be made, at the option of the applicable Disbursing Agent, in such funds and by such means as are necessary or customary in a particular foreign jurisdiction.

F. Establishment of Reserves

The Post-Effective Date Debtors may establish any reserves that they deem necessary or advisable to make Distributions to holders of Disputed Claims as of the Effective Date or otherwise to satisfy their obligations under the Plan, including the creation of one or more reserves for Disputed Claims, which may be treated (in the discretion of the Post-Effective Date Debtors), for U.S. federal income Tax purposes, as one or more disputed ownership funds within the meaning of Treasury Regulations section 1.468B-9(b)(1).

G. Compliance with Tax Requirements

In connection with the Plan and all instruments issued in connection herewith and distributed hereunder, to the extent applicable, the Debtors, the Post-Effective Date Debtors, the Disbursing Agent or any other party issuing any instruments or making any distributions under the Plan shall comply with all applicable Tax withholding and reporting requirements imposed on them by any governmental unit, and all distributions pursuant to the Plan and all related agreements shall be subject to such withholding and reporting requirements. Each of the Debtors, the Post-Effective Date Debtors and the Disbursing Agent, as applicable, shall be authorized to take any actions that may be necessary or appropriate to comply with such withholding and reporting requirements, including applying a portion of any Cash distribution to be made under the Plan to pay applicable Tax withholding. In the case of a non-Cash distribution that is subject to withholding, the distributing party may withhold an appropriate portion of such distributed property and sell such withheld property to generate Cash necessary to pay over the withholding tax. Any amounts withheld pursuant to the immediately preceding sentence shall be deemed to have been distributed and received by the applicable recipient for all purposes of the Plan. Notwithstanding any other provision of the Plan, each Holder of an Allowed Claim receiving a distribution pursuant to the Plan shall have the sole and exclusive responsibility for the satisfying and paying of any Tax obligations imposed on it by any governmental unit on account of such distribution, including income, withholding and other Tax obligations. Any party issuing any instrument or making any distribution to the Plan has the right, but not the obligation, to not make a distribution until such Holder has made arrangements satisfactory to the issuing or disbursing party for the payment of any tax obligations.

Any party entitled to receive any property as an issuance or distribution under the Plan shall be required, if so requested, to deliver to the Disbursing Agent (or such other Entity designated by the Debtors or the Post-Effective Date Debtors, which Entity shall subsequently deliver to the Disbursing Agent) an appropriate Form W-9 or (if the payee is a foreign Entity) Form W-8, unless such Entity is exempt under the Internal Revenue Code and so notifies the Disbursing Agent. Unless a properly completed Form W-9 or Form W-8, as appropriate, is delivered to the Disbursing Agent (or such other Entity), the Disbursing Agent, in its sole discretion, may (a) make a distribution net of any applicable withholding, including backup withholding, or (b) reserve such distribution. If the Disbursing Agent reserves such distribution, and the Holder fails to comply with the requirement to deliver the Form W-9 or Form W-8 within 180 days after the Effective Date, such distribution shall be deemed undeliverable in accordance with Section VII.D.

H. Surrender of Cancelled Instruments or Securities

As a condition precedent to receiving any distribution pursuant to the Plan on account of an Allowed Claim evidenced by the notes, instruments, securities or other documentation cancelled pursuant to Article IV, the holder of such Claim must tender, the applicable notes, instruments, securities or other documentation evidencing such Claim to the applicable Disbursing Agent, together with any letter of transmittal required by such Disbursing Agent, and which in the case of the 10% Notes and the Convertible Notes shall be the global notes evidencing such securities held by the applicable indenture trustee.

Upon surrender of the Convertible Notes, the Convertible Notes Indenture Trustees shall cancel and destroy the Convertible Notes. As soon as practicable after the surrender date, the Convertible Notes Indenture Trustees shall distribute to the Holder thereof such Holder's pro rata share of the distribution, but subject to the rights of the Convertible Notes Indenture Trustees pursuant to the Convertible Notes Indentures to assert any rights to priority of payment and/or to exercise charging liens against such distribution. Pending such surrender, any distributions pursuant to the Plan on account of any such Claim will be treated as an undeliverable distribution pursuant to Section VII.D.

Upon surrender of the 10% Notes, the 10% Notes Indenture Trustee shall cancel and destroy the 10% Notes. As soon as practicable after the surrender date, the 10% Notes Indenture Trustee shall distribute to the Holder thereof such Holder's pro rata share of the distribution, but subject to the rights of the 10% Notes Indenture Trustee pursuant to the 10% Notes Indenture to assert any rights to priority of payment and/or to exercise charging liens against such distribution. Pending such surrender, any distributions pursuant to the Plan on account of any such Claim will be treated as an undeliverable distribution pursuant to Section VII.D.

I. Claims Paid or Payable by Third Parties

1. Claims Paid by Third Parties

Any Claim will be deemed satisfied in full or in part (as applicable) without a Claims objection having to be Filed by the Debtors or Post-Effective Date Debtors (as applicable) and without any further order or approval of the Bankruptcy Court, to the extent that the Holder of such Claim (i) receives payment in full or in part (as applicable) on account of such Claim from an Entity that is not a Debtor and (ii) does not object to notice thereof within 21 days from service of such notice. To the extent a Holder of a Claim receives, on account of such Claim, both a distribution under the Plan and a payment from a party that is not a Debtor on account of such Claim, the Debtors or Post-Effective Date Debtors (as applicable) will serve a notice of such duplicative payment and such Holder must, within 21 days of receipt thereof, either (i) repay or return the distribution to the Post-Effective Date Debtors to the extent the Holder's total recovery on account of such Claim from the third party and under the Plan exceeds the Allowed amount of such Claim or (ii) file an objection setting forth the reasons that the Holder asserts that such distribution does not have to be returned.

2. Claims Payable by Third Parties

No distributions under the Plan will be made on account of an Allowed Claim that is payable pursuant to one of the Debtors' insurance policies until the Holder of such Allowed Claim has exhausted all remedies with respect to such insurance policy. If the Debtors believe a Holder of an Allowed Claim has recourse to an insurance policy and intend to withhold a distribution pursuant to this Article VII, the Debtors shall cause the Disbursing Agent to provide written notice to such Holder as to what the Debtors believe to be the nature and scope of applicable insurance coverage. To the extent that one or more of the Debtors' insurers agrees to satisfy in full a Claim (if and to the extent adjudicated by a court of competent jurisdiction), then immediately upon such insurers' agreement, such Claim may be expunged without a Claims objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court.

J. Setoffs

Except with respect to claims of a Debtor or Reorganized Debtor released pursuant to the Plan or any contract, instrument, release or other agreement or document entered into or delivered in connection with the Plan, the Post-Effective Date Debtors or, as instructed by the applicable Post-Effective Date Debtor, a Disbursing Agent may, pursuant to section 553 of the Bankruptcy Code or applicable non-bankruptcy law, set off against any Allowed Claim and the Distributions to be made pursuant to the Plan on account of such Claim (before any Distribution is made on account of such Claim) the claims, rights and Causes of Action of any nature that the applicable Debtor or Reorganized Debtor may hold against the Holder of such Allowed Claim. Neither the failure to effect a setoff nor the allowance of any Claim hereunder will constitute a waiver or release by the applicable Debtor or Reorganized Debtor of any claims, rights and Causes of Action that the Debtor or Reorganized Debtor may possess against such a Claim holder.

K. Fractional Plan Distributions

Notwithstanding anything to the contrary contained herein, no Distributions of fractional shares or fractions of dollars (whether in Cash or Reorganized Parent Common Equity) will be made. Fractional shares and fractions of dollars will be rounded to the nearest whole unit (with any amount equal to or less than one-half share or one-half dollar, as applicable, to be rounded down).

L. Allocation Between Principal and Accrued Interest

Except as otherwise provided in the Plan, the aggregate consideration paid to Holders with respect to their Allowed Claims shall be treated pursuant to the Plan as allocated first to the principal amount of such Allowed Claims (to the extent thereof as determined for U.S. federal income tax purposes) and, thereafter, to interest and the remaining portion, if any, of such Allowed Claims.

ARTICLE VIII. RESOLUTION OF DISPUTED CLAIMS

A. Resolution of Disputed Claims

1. Allowance of Claims

On or after the Effective Date, the Post-Effective Date Debtors will have and will retain any and all rights and defenses that the Debtors had with respect to any Claim, except with respect to any Claim deemed Allowed as of the Effective Date. Except as expressly provided in the Plan or in any order entered in the Chapter 11 Cases prior to the Effective Date (including, without limitation, the Confirmation Order), no Claim will become an Allowed Claim unless and until such Claim is deemed Allowed under the Plan or the Bankruptcy Code or the Bankruptcy Court has entered a Final Order, including, without limitation, the Confirmation Order, in the Chapter 11 Cases allowing such Claim.

2. Prosecution of Objections to Claims

Except as otherwise set forth in the Plan, the Debtors or the Post-Effective Date Debtors (as applicable) will have the exclusive authority to File objections to Claims, settle, compromise, withdraw, or litigate to judgment objections to any and all Claims, regardless of whether such Claims are in a Class or otherwise. From and after the Effective Date, the Post-Effective Date Debtors may settle or compromise any Disputed Claim without any further notice to, or action, order, or approval of, the Bankruptcy Court. From and after the Effective Date, the Post-Effective Date Debtors will have the sole authority to administer and adjust the Claims Register to reflect any such settlements or compromises without any further notice to or action, order or approval of the Bankruptcy Court.

3. Deadline to File Objections to Claims

Any objections to Claims not otherwise Allowed under the Plan or by a Final Order, must be Filed no later than the Claims Objection Bar Date; provided, however, the Post-Effective Date Debtors may seek authorization to extend the Claims Objection Bar Date for some or all Disputed Claims for cause through the Filing of a motion with the Bankruptcy Court.

4. Claims Estimation

Prior to the Effective Date, the Debtors, and on or after the Effective Date, the Post-Effective Date Debtors, may, at any time, request that the Bankruptcy Court estimate the maximum or Allowed amount of (a) any Disputed Claim pursuant to applicable law and (b) any contingent or unliquidated Claim pursuant to applicable law, including, without limitation, section 502(c) of the Bankruptcy Code, regardless of whether the Debtors have previously objected to such Claim or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court will retain jurisdiction under 28 U.S.C. §§ 157 and 1334 to estimate any Disputed Claim, contingent Claim, or unliquidated Claim, including during the litigation concerning any objection to any Claim or during the pendency of any appeal relating to any such objection. Notwithstanding any provision otherwise in the Plan, a Claim

that has been expunged from the Claims Register but that is subject to appeal or has not been the subject of a Final Order, will be deemed to be estimated at zero dollars, unless otherwise ordered by the Bankruptcy Court. In the event that the Bankruptcy Court estimates any Disputed Claim, contingent Claim, or unliquidated Claim, that estimated amount will constitute either the Allowed amount of such Claim or a maximum limitation on such Claim for all purposes under the Plan, including for purposes of distributions, and the Debtors or the Post-Effective Date Debtors, as applicable, may elect to pursue additional objections to the ultimate distribution on such Claim. If the estimated amount constitutes a maximum limitation on such Claim, the Debtors or the Post-Effective Date Debtors, as applicable, may elect to pursue any supplemental proceedings to object to any ultimate distribution on account of such Claim. Notwithstanding section 502(j) of the Bankruptcy Code, in no event will any Holder of a Claim that has been estimated pursuant to section 502(c) of the Bankruptcy Code or otherwise be entitled to seek reconsideration of such estimation unless such Holder has Filed a motion requesting the right to seek such reconsideration on or before 21 days after the date on which such Claim is estimated. All of the aforementioned Claims and objection, estimation, and resolution procedures are cumulative and not exclusive of one another. Claims may be estimated and subsequently compromised, settled, withdrawn, or resolved by any mechanism approved by the Bankruptcy Court.

B. Distributions on Account of Disputed Claims Once Allowed

Notwithstanding any other provisions of the Plan, no payments or distributions will be made on account of a Claim until such Claim becomes an Allowed Claim. Distributions on account of Disputed Claims that become Allowed Claims after the Effective Date shall be in accordance with Article VII of the Plan.

C. Authority to Amend Schedules

The Debtors or the Post-Effective Date Debtors (as applicable) will have the authority to amend the Schedules with respect to any Claim for which a Proof of Claim has not been filed and to make distributions based on such amended Schedules without approval of the Bankruptcy Court. If any such amendment to the Schedules reduces the amount of a Claim or changes the nature or priority of a Claim, the Debtor or Reorganized Debtor will provide the holder of such Claim with notice of such amendment and such holder will have 30 days to File an objection to such amendment with the Bankruptcy Court. If no such objection is Filed, the Debtor or Reorganized Debtor may proceed with distributions based on such amended Schedules without approval of the Bankruptcy Court; *provided, however*, that notwithstanding the foregoing, if any such amendments to the Schedules (i) is a new Claim in Class 5A in an amount in excess of \$200,000, or (ii) increases the amount of a Claim in Class 5A by twenty percent (20%), such amendment must be approved by order of the Bankruptcy Court.

D. Disallowance of Claims

All Claims of any Entity from which property is sought by the Debtors under section 542, 543, 550, or 553 of the Bankruptcy Code or that the Debtors allege is a transferee of a transfer that is avoidable under section 522(f), 522(h), 544, 545, 547, 548, 549, or 724(a) of

the Bankruptcy Code will be disallowed if (i) the Entity, on the one hand, and the Debtors, on the other hand, agree or the Bankruptcy Court has determined by Final Order that such Entity or transferee is liable to turnover any property or monies under any of the aforementioned sections of the Bankruptcy Code and (ii) such Entity or transferee has failed to turnover such property by the date set forth in such agreement or Final Order.

E. Expungement or Adjustment to Claims Without Objection

Any Claim that has been paid, satisfied, or superseded may be expunged on the Claims Register by the Debtors or the Post-Effective Date Debtors, as applicable, and any Claim that has been amended in accordance with the provisions of this Plan and the Bankruptcy Code may be adjusted thereon by the Debtors or the Post-Effective Date Debtors, in both cases, without a Claims objection having to be Filed and without any further notice to, or action, order, or approval of, the Bankruptcy Court.

F. Amendments to Claims

Unless otherwise provided herein, on or after the Effective Date, a Claim may not be Filed or amended without the prior authorization of the Bankruptcy Court or the Post-Effective Date Debtors, and any such new or amended Claim Filed will be deemed disallowed without any further notice to or action, order, or approval of the Bankruptcy Court.

EXCEPT AS OTHERWISE AGREED BY THE DEBTORS, ANY AND ALL PROOFS OF CLAIM FILED AFTER THE APPLICABLE CLAIMS BAR DATE WILL BE DEEMED DISALLOWED AND EXPUNGED AS OF THE EFFECTIVE DATE WITHOUT ANY FURTHER NOTICE TO OR ACTION, ORDER OR APPROVAL OF THE BANKRUPTCY COURT, AND HOLDERS OF SUCH CLAIMS MAY NOT RECEIVE ANY DISTRIBUTIONS ON ACCOUNT OF SUCH CLAIMS, UNLESS SUCH LATE PROOF OF CLAIM IS DEEMED TIMELY FILED BY A FINAL ORDER OF THE BANKRUPTCY COURT.

**ARTICLE IX.
SETTLEMENT, DISCHARGE
RELEASE, INJUNCTION AND RELATED PROVISIONS**

A. Compromise and Settlement of Claims, Interests, and Controversies

The Plan incorporates and implements the 9019 Settlement which reflects a compromise and settlement of all claims and Causes of Action, including the claims and Causes of Action asserted in the Adversary Proceeding, that the Debtors may have or could have asserted or that may have been asserted on the Debtors' behalf, or by any Holder of a Claim or Interest, against Oaktree, the Directors and Officers, National Union and the Holders of Claims in Class 5 other than Holders of Claims in Class 5 who object to the Plan. The releases reflect a critical component of the 9019 Settlement, without which the Plan Settlement Parties would not have agreed to support the Plan. In particular, Oaktree has agreed to support a plan that not only equitizes the Oaktree Prepetition Claims and the Oaktree DIP Claims in a Stand-Alone Reorganization but that also provides significant value to the Holders of Claims in Class 5. As part of the 9019 Settlement, and subject to the terms

and conditions of the Plan Settlement Agreement, Holders of Claims in Class 5A will receive 7.5% of the Reorganized Parent Common Equity and \$2 million in Cash in a Stand-Alone Reorganization, and 7.5% of the Entire Company Sale Net Proceeds if the Entire Company Sale Trigger occurs. Oaktree has also agreed to the various other consideration described in Article IX. In addition, National Union, ~~to the extent legally permissible~~subject to the terms and conditions of the Plan Settlement Agreement, has agreed to provide the Holders of Claims in Class 5A with the Class 5A Insurance Payment. Accordingly, the Plan is also being proposed pursuant to Bankruptcy Rule 9019. In consideration for the distributions and other benefits provided under the Plan, the provisions of the Plan, including the releases set forth in this Article IX, will constitute a good faith compromise and settlement of all claims or controversies relating to the rights that a Holder of a Claim or Interest may have against any of the Debtors or any the Released Parties. As of the Effective Date, the entry of the Confirmation Order will constitute the Bankruptcy Court's approval of the compromise or settlement of all such Claims or controversies and the Bankruptcy Court's finding that such compromise or settlement is in the best interests of the Debtors, the Post-Effective Date Debtors, and their respective property and Claim and Interest Holders and is fair, equitable and reasonable.

B. Subordinated Claims

The allowance, classification, and treatment of all Allowed Claims and Interests and the respective distributions and treatments under the Plan take into account and conform to the relative priority and rights of the Claims and Interests in each Class in connection with any contractual, legal, and equitable subordination rights relating thereto, whether arising under general principles of equitable subordination, section 510(b) of the Bankruptcy Code, or otherwise. Pursuant to section 510 of the Bankruptcy Code, the Debtors or the Post-Effective Date Debtors, as applicable, reserve the right to re-classify any Allowed Claim or Interest in accordance with any contractual, legal, or equitable subordination relating thereto. Notwithstanding anything herein to the contrary, and as provided in Section III.B.7, no Holder of a Section 510(b) Claim will receive any distribution on account of such Section 510(b) Claim, and all Section 510(b) Claims will be extinguished.

C. Discharge of Claims

Except as provided in the Plan or in the Confirmation Order, the rights afforded under the Plan and the treatment of Claims and Interests under the Plan will be in exchange for, and in complete satisfaction, discharge, and release of, all Claims, including any interest accrued on Claims from the Petition Date to the full extent permitted by section 1141 of the Bankruptcy Code. Except as provided in the Plan or in the Confirmation Order, Confirmation will, as of the Effective Date, discharge the Debtors from all Claims or other Liabilities that arose on or before the Effective Date and all debts of the kind specified in section 502(g), 502(h) or 502(i) of the Bankruptcy Code to the full extent permitted by section 1141 of the Bankruptcy Code, whether or not (a) a Proof of Claim based on such debt is Filed or deemed Filed pursuant to section 501 of the Bankruptcy Code, (b) a Claim based on such debt is Allowed pursuant to section 502 of the Bankruptcy Code, or (c) the holder of a Claim based on such debt has accepted the Plan.

As of the Effective Date and in accordance with the foregoing and except as provided in the Plan or the Confirmation Order, the Confirmation Order will be a judicial determination of a discharge of all Claims, including any debts and Liabilities against the Debtors, pursuant to sections 524 and 1141 of the Bankruptcy Code, and such discharge will void any judgment obtained against a Debtor at any time to the extent that such judgment relates to a discharged Claim.
