

GLOBAL NOTES REGARDING DEBTORS' BANKRUPTCY SCHEDULES AND STATEMENTS

General Notes

The Schedules of Assets and Liabilities (the “Schedules”) and Statements of Financial Affairs (the “Statements” and, collectively with the Schedules, the “Bankruptcy Materials”) of Monitor Company Group Limited Partnership (“Monitor”) and its affiliated debtors-in-possession (collectively, the “Debtors”) were prepared pursuant to 11 U.S.C. § 521 and Rule 1007 of the Federal Rules of Bankruptcy Procedure by management of the Debtors with the assistance of their advisors, and are unaudited. While the Debtors’ management has made reasonable efforts to ensure that the Bankruptcy Materials are accurate and complete, based upon information that was available to them at the time of preparation, subsequent information may result in material changes to the Bankruptcy Materials. Moreover, because the Bankruptcy Materials contain unaudited information which is subject to further review and potential adjustment, there can be no assurance that these Bankruptcy Materials are complete. The Debtors reserve all rights to amend the Bankruptcy Materials from time to time, in all respects, as may be necessary or appropriate, including, but not limited to, the right to dispute or otherwise assert offsets or defenses to any claim reflected on the Bankruptcy Materials as to amount, liability, or classification, or to otherwise subsequently designate any claim as “disputed,” “contingent” or “unliquidated.” Furthermore, nothing contained in the Bankruptcy Materials shall constitute a waiver of rights with respect to the Debtors’ chapter 11 cases and specifically with respect to any issues involving substantive consolidation, equitable subordination, or causes of action arising under the provisions of Chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws to recover assets or avoid transfers. These Global Notes Regarding Debtors’ Bankruptcy Materials (“Global Notes”) comprise an integral part of the Bankruptcy Materials and should be referred to and considered in connection with any review of the Bankruptcy Materials.

Accounts Receivable and Accounts Payable. Accounts receivable are presented net of allowance for doubtful accounts, but without consideration for any liabilities related to mutual counterparty accounts payable, open or terminated contract liabilities, liquidated damages, setoff rights, or collateral held by the Debtors, unless otherwise stated. Likewise, accounts payable are shown without consideration for accounts receivable, open or terminated contracts, liquidated damages, setoff rights, or collateral that has been posed on behalf of the counterparty. The presentation of accounts receivable and accounts payable in the Bankruptcy Materials is an estimate solely for the purposes of these Bankruptcy Materials and the Debtors reserve any and all rights with respect to any presentation or estimation required under, or delivered pursuant to, the Asset Purchase Agreement with Deloitte Consulting LLP and DCSH Limited, including but not limited to any calculation or estimation of accounts receivable, accounts payable or deferred revenue required thereunder.

Basis of Presentation. The Bankruptcy Materials reflect the separate assets and liabilities of each individual Debtor. The Bankruptcy Materials do not purport to represent financial statements prepared in accordance with U.S. Generally Accepted Accounting Principles. The Schedules and Statements require the Debtors to describe the nature of certain transfers. The descriptions listed in the Bankruptcy Materials reflect the characterization of these transfers on the books and

records of the Debtors at the time such transfers were made. The Debtors reserve any and all rights with respect to modifying, disputing, or challenging such descriptions or characterizations at any time now, in the past, or in the future.

Causes of Action. The Debtors, despite their efforts, may not have listed all of their causes of action against third parties as assets in the Bankruptcy Materials. The Debtors reserve all of their rights with respect to any causes of action they may have and neither these Global Notes nor the Bankruptcy Materials shall be deemed a waiver of any such causes of action.

Claims Paid Pursuant to Court Orders. Certain of the Bankruptcy Materials may list creditors and set forth the Debtors' estimate of the claims of creditors as of the Petition Date. The Bankruptcy Court authorized the Debtors to pay various prepetition claims, including claims of employees and foreign vendors. Consequently, certain pre-petition fixed, liquidated, and undisputed unsecured claims have been paid as of the date of the filing of the Bankruptcy Materials. Accordingly, the actual unpaid claims of creditors that may be allowed in these cases or paid pursuant to the Debtors' chapter 11 plan may differ from the amounts set forth in the Bankruptcy Materials. In addition, certain of the Bankruptcy Materials may reflect such payments having been made and therefore may not list certain creditors or claims held on the Petition Date that have been paid in whole or in part.

Confidentiality. Concurrent with filing the Schedules and Statements the Debtors also filed the Motion for an Order Pursuant to Section 107(b) of the Bankruptcy Code and Bankruptcy Rule 9018 Authorizing the Debtors to File Under Seal a Portion of the Debtors' Schedules and Statements of Financial Affairs. The motion seeks authority to redact certain information related to partners, employees, and clients, because it is confidential business information of the Debtors. Accordingly, in the Debtors' Schedules E, F, and G and in the response to Questions 3(b), 3(c), 21, and 23 in the Debtors' Statements of Financial Affairs, certain information has been redacted.

Currency Conversion. Certain of the Bankruptcy Materials contain amounts originally set forth in foreign currencies. In each case those amounts have been converted to U.S. Dollars using an exchange rate as of the Petition Date as published by Bloomberg.

Dates. Unless otherwise indicated, all asset and liability information is listed as of November 7, 2012 (the "Petition Date").

Employee Claims. The Bankruptcy Court entered "first day" orders granting authority to the Debtors to pay prepetition employee wages, salaries, benefits, and other obligations in the ordinary course of business. Accordingly, only employee claims against the Debtors for prepetition amounts that have not been paid as of the time that the Bankruptcy Materials were prepared have been included in the Bankruptcy Materials.

Estimates. To close the books and records of the Debtors as of the Petition Date, management was required to make estimates and assumptions that affect the reported amounts of assets and liabilities.

Excluded Assets and Liabilities. The Debtors have excluded certain categories of assets and liabilities from the Bankruptcy Materials, including goodwill. In addition, immaterial assets and liabilities may also have been excluded.

Totals. All totals that are included in the Bankruptcy Materials represent totals of all the known amounts included in the tables.

Valuation. It would be prohibitively expensive, unduly burdensome, and an inefficient use of estate assets for the Debtors to obtain current market valuations of all of their assets. Accordingly, unless otherwise indicated, net book values as of the Petition Date are reflected on the Bankruptcy Materials. For this reason, amounts ultimately realized from and allocated to various assets will vary from net book value, and such variance may be material. In addition, the amounts shown for total liabilities exclude items identified as “unknown” or “undetermined” and, thus, ultimate liabilities may differ materially from those stated in the Bankruptcy Materials.

Schedules of Assets and Liabilities

Schedule D: Creditors Holding Secured Claims. Except as otherwise agreed pursuant to a stipulation, agreed order, or general order entered by the Bankruptcy Court, the Debtors reserve the right to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D of any Debtor. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor’s claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor’s claim. In certain instances, a Debtor may be a co-obligor, co-mortgagor, or guarantor with respect to scheduled claims of other Debtors, and no claim set forth on Schedule D of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities. The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent, and priority of any liens. Nothing in the Global Notes or the Bankruptcy Materials shall be deemed a modification or interpretation of the terms of such agreements. Except as specifically stated herein, real property lessors, utility companies, and other parties that may hold security deposits have not been listed on Schedule D. Certain of the Debtors’ agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financing agreements. No attempt has been made to identify such agreements for purposes of Schedule D.

Schedule E: Creditors Holding Unsecured Priority Claims. All claims listed on the Debtors’ Schedule E are claims owing to various taxing authorities to which the Debtors may potentially be liable. However, certain of such claims may be subject to on-going audits and the Debtors are otherwise unable to determine with certainty the amount of many, if not all, of the claims listed on Schedule E. Therefore, the Debtors have listed all such claims as unknown in amount, pending final resolution of ongoing audits or other outstanding issues. The Debtors reserve their right to dispute or challenge whether such claims are entitled to priority.

Schedule F: Creditors Holding Unsecured Priority Claims. Schedule F does not include certain deferred charges, deferred liabilities, or general reserves. Such amounts are general estimates of liabilities and do not represent specific claims as of the Petition Date.

The claims listed in Schedule F arose or were incurred on various dates. In certain instances, the date on which a claim arose is an open issue of fact. While commercially reasonable efforts have been made, determining the date upon which each claim in Schedule F was incurred or arose would be unduly burdensome and cost prohibitive and, therefore, the Debtors do not list a date for each claim listed on Schedule F.

Schedule G: Executory Contracts. The businesses of the Debtors are complex. While commercially reasonable efforts have been made to ensure the accuracy of Schedule G regarding executory contracts and unexpired leases, inadvertent errors, omissions, or over-inclusions may have occurred. The Debtors reserve all of their rights to dispute the validity, status, or enforceability of any contracts, agreements, or leases set forth in Schedule G and to amend or supplement such Schedule as necessary. The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended, and supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letter and other documents, instruments, and agreements which may not be listed herein. In particular, in certain circumstances the Debtors' records did not indicate which of the Debtors was the counterparty to the respective contract. The Debtors have provisionally scheduled these contracts on Schedule G of either Monitor Company Group Limited Partnership, Monitor Company Asia Pacific LLC, or Monitor Group CIS LLC where the counterparty is located in the U.S., Singapore, or Russia respectively. The Debtors continue to review their records and will supplement or amend Schedule G if necessary following further review.

Certain of the leases and contracts listed on Schedule G may contain renewal options, guarantees of payment, options to purchase, rights of first refusal, and other miscellaneous rights that are embedded in the Debtors' agreements. Such rights, powers, duties, and obligations may not be set forth on Schedule G.

The presence of a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease. The Debtors reserve all of their rights, claims, and causes of action with respect to the contracts and agreements listed on Schedule G, including the right to dispute or challenge the characterization or the structure of any transaction, or any document or instrument related to a creditor's claim. Any executory agreements that are oral in nature may not be included in Schedule G.

Schedule H: Co-Debtors. Schedule H reflects guarantees by various Debtors. The Debtors may not have identified certain guarantees that are embedded in the Debtors' executory contracts, unexpired leases, secured financings, debt instruments, and other such agreements. Thus, the Debtors reserve their right to amend the Schedules to the extent additional guarantees are identified or such guarantees are discovered to have expired or unenforceable.

Statements of Financial Affairs

Question 9: Payments Related to Debt Counseling or Bankruptcy. Unless otherwise disclosed, all professional fees relating to restructuring and bankruptcy counseling were paid by Monitor.

Question 13: Setoffs. The Debtors routinely incur setoffs from third parties during the ordinary course of business. Setoffs in the ordinary course can result from various routine transactions. These normal setoffs are consistent with the ordinary course of business in the Debtors' industries. Therefore, such ordinary course setoffs are excluded from the Debtors' responses to Question 13 of the SOFAs.

Question 19(d): Financial Statements. From time to time the Debtors have delivered consolidated financial statements to the limited partners of Monitor.

SCHEDULE D - CREDITORS HOLDING SECURED CLAIMS

State the name, mailing address, including zip code, and last four digits of any account number of all entities holding claims secured by property of the debtor as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. List creditors holding all types of secured interests such as judgment liens, garnishments, statutory liens, mortgages, deeds of trust, and other security interests.

List creditors in alphabetical order to the extent practicable. If a minor child is the creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." SCHEDULE F - CREDITORS HOLDING UNSECURED NONPRIORITY CLAIMS

State the name, mailing address, including zip code, and last four digits of any account number, of all entities holding unsecured claims without priority against the debtor or the property of the debtor, as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. §112 and Fed. R. Bankr. P. 1007(m). Do not include claims listed in Schedules D and E. If any entity other than a spouse in a joint case may be jointly liable on a claim, place an “X” in the column labeled “Codebtor,” include the entity on the appropriate schedule of creditors, and complete Schedule H - Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an “H,” “W,” “J,” or “C” in the column labeled “Husband, Wife, Joint, or Community.”

If the claim is contingent, place an “X” in the column labeled “Contingent.” If the claim is unliquidated, place an “X” in the column labeled “Unliquidated.” If the claim is disputed, place an “X” in the column labeled “Disputed.” (You may need to place an “X” in more than one of these three columns.)

Report the total of all claims listed on this schedule in the box labeled “Total” on the last sheet of the completed schedule.
