**ORDER GRANTING MOTION TO SELL PROPERTY OF THE ESTATE, FREE AND
CLEAR OF LIENS, WITH LIENS ATTACHING TO THE PROCEEDS, PURSUANT
TO 11 U.S.C. § 363(b)**

(Property: substantially all the Debtor's trucks, trailers, and a gantry crane)

This matter came before the Court on the Debtor's Motion to Sell Property of the Estate, Free and Clear of Liens, With Liens Attaching to the Proceeds, Pursuant to 11 U.S.C. § 363(b) (the "Motion"). Notice was given to all required parties pursuant to the Federal Rules of Bankruptcy Procedure. There having been no objections to the Motion, the period for objections having passed, and this Court being otherwise fully advised in the premises,

IT IS HEREBY ORDERED:

1. The Debtor herein is authorized to sell the Property described as substantially all of the Debtor's trucks, trailers, and a gantry crane (the "Property"), as described in Exhibit A at an auction, on the terms and conditions specified in the Motion.

2. The sale shall be free and clear of all liens and encumbrances. All liens and encumbrances shall attach to the net proceeds of sale.
3. The proceeds of the sale shall be first distributed to cover all normal costs of sale and the Auctioneer's costs. The commission of Auction Specialists is approved in the amount of 10%, and shall be paid, along with the costs, immediately from the proceeds of sale at closing.
4. The net proceeds of the sale from each item, after normal costs of sale and Auctioneer's fees, shall be paid to the lienholders on any item or a combination of the items sold at closing.
5. If a creditor has requested that a reserve price be set for collateral to which its security interest attaches, the Auctioneer shall set a reserve price accordingly. If the total reserve for any creditor is not met, the Auctioneer shall not sell that collateral.
6. If the highest bid on a secured creditor's pool of collateral is insufficient to pay such creditor's claim in full and the secured creditor does not consent to a sale for that amount, the Auctioneer may not sell that pool of collateral.
