EXHIBIT "7"

OFFER TO PURCHASE BANKRUPT'S ASSETS

To: Robert Williamson, Esq.
Scroggins & Williamson, P.C.
127 Peachtree Street, NE,
Atlanta, Georgia 30303

Date: November 10, 2014

In reference to the bankruptcy of Miller Auto Parts Supply, Inc. ("Miller Auto") and the sale of the assets of Miller Auto, STIHL Incorporated ("STIHL" or "Offeror") offers to purchase: (1) all of the existing STIHL inventory located at 10151 Fairgrounds Road, Huntingdon, Pennsylvania (including all spare parts and related STIHL-branded items); (2) any other items listed on Exhibit A attached hereto and any future inventories provided by Miller Auto.

For the purchase of the assets described above, which shall be free and clear of all liens and encumbrances at the time of their transfer and which, as applicable, shall be fully functional and capable of being used in the normal course of business, the Offeror offers to purchase all STIHL inventory held by the Miller Auto, as stated above, at dealer's cost, estimated to be in the amount \$78,310.00. Of this amount, which shall be finalized once Offeror receives a full inventory list from Miller Auto, \$46,310.00 shall be payable by cashier's check at the time of delivery of a bill of sale transferring title to the assets purchased as a result of this offer (or at such other time required and specified by the trustee or the bankruptcy court judge acting in compliance with applicable law) to the Offeror; and \$32,000 shall be credited to Miller Auto's account with STIHL (so long as such amount does not exceed the total accounts receivable owed to STIHL by the Miller Auto).

To the extent of its applicability to the transfer of assets as a result of this offer, all provisions of the bulk sales law will be fully complied with. The Offeror shall have the right (but not the obligation) to withdraw this offer if it has not been accepted within ten (10) days of the date of this letter. This offer is contingent on the accuracy of information that has been provided by Miller Auto's counsel, and by the personnel of Miller Auto concerning the type, quantity, condition, location (and such similar matters) of the assets subject to this offer; the information must be sufficiently and reasonably accurate to the minimum extent that a reasonable and prudent business person could rely thereon in conducting his or her own business affairs. If the information is not accurate to the minimum requisite extent, the Offeror reserves the right to withdraw or modify this offer without prejudice.
