Global Notes -

1. Introduction.

On August 25, 2014 (the "Commencement Date"), Mineral Park, Inc. ("Mineral Park") and certain affiliates, as debtors in possession (collectively with Mineral Park, the "Debtors¹"), each filed a voluntary petition for relief commencing cases (the "Chapter 11 Cases") under chapter 11 of title 11 of the United States Bankruptcy Code (the "Bankruptcy Code"). The Debtors continue to operate their businesses and manage their property as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. Additionally, on September 9, 2014, the United States Trustee for the District of Delaware appointed a statutory committee of creditors pursuant to section 1102(a)(1) of the Bankruptcy Code. Information contained herein may differ from the Debtors' filings on the Commencement Date due to more accurate information becoming available.

2. GAAP.

The financial statements and supplemental information contained herein are preliminary and unaudited, and may not comply with generally accepted accounting principles in the United States of America ("GAAP") or the International Financial Reporting Standards ("IFRS") in all material respects. In addition, the financial statements and supplemental information contained herein represent information for the Debtors only and exclude all non-Debtor affiliates.

The unaudited financial statements have been derived from the Debtors' books and records. This information, however, has not been subject to certain procedures that would typically be applied to financial information in accordance with GAAP or IFRS. Upon application of such procedures, the Debtors believe that the financial information could be subject to change, which could be material. The information furnished in this report includes primarily normal recurring adjustments but does not include all adjustments that would typically be made for financial statements in accordance with GAAP or IFRS.

3. General Methodology.

The Debtors prepared this Monthly Operating Report ("MOR") relying primarily upon the information set forth in their books and records. Consequently, certain transactions that are not identified in the normal course of business in the Debtors' books

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, as applicable, are: Mineral Park, Inc. (6900); Bluefish Energy Corporation (6843); Mercator Mineral Park Holdings Ltd. (3520); and Lodestrike Resources Ltd. (7923). The address for Debtors Mineral Park, Inc. and Bluefish Energy Corporation is 8275 N. Mineral Park Road, Golden Valley, AZ 86413. The mailing address for Debtors Mercator Mineral Park Holdings Ltd. and Lodestrike Resources, Ltd. is 1050-625 Howe Street, Vancouver, BC V6C 2T5.

and records may not be included in this MOR. Nevertheless, in preparing this MOR, the Debtors made reasonable efforts to supplement the information set forth in its books and records with additional information concerning transactions that may not have been identified therein.

4. Past Performance.

The results of operations contained herein are not necessarily indicative of results which may be expected for any other period or for the full year and may not necessarily reflect the consolidated results of operations and financial position of the Debtors in the future.

5. Prepetition vs. Postpetition Liabilities.

The Debtors allocated liabilities between prepetition and postpetition periods based upon the information available at the time of, and research conducted in connection with, the preparation of this MOR. As additional information becomes available and further research is conducted, the Debtors' allocation of liabilities between the prepetition and postpetition periods may change. The liability information, except as otherwise noted, is listed as of the close of business as of the end of the month. Accordingly, the Debtors reserve all rights to amend, supplement or otherwise modify this MOR as necessary and appropriate.

6. Insurance.

To the best of the Debtors' knowledge, all premiums for insurance policies are current.

7. Book Value of Assets.

Unless otherwise indicated, the values for assets contained in this MOR are book values as of the end of the month. Amounts ultimately realized from the disposition of the Debtors' assets may materially vary from the stated book value. Thus, unless otherwise noted, this MOR reflects the carrying values of the assets as recorded on the Debtors' books and records as of the end of the month and are not based upon any estimate of their current market value. The Debtors reserve their rights to amend or adjust the value of each asset set forth herein.

8. Intercompany Receivables/Payables.

In accordance with the Order (I) Approving the Continued Use of the Debtors' Cash Management System and (II) Granting Related Relief, dated August 27, 2014 [Docket No.6], Mineral Park and other Debtors maintain intercompany ("I/C") receivables/payables with certain subsidiaries. Mineral Park and other Debtors record I/C

receivables for payments made on behalf of certain subsidiaries, who in turn record corresponding I/C payables.

9. Liabilities Subject to Compromise.

As a result of commencing the Chapter 11 Cases, the payment of prepetition indebtedness is subject to compromise or other treatment under a chapter 11 reorganization plan. Generally, actions to enforce or otherwise effect payment of prepetition liabilities are stayed.

The filing of the Chapter 11 Cases constituted an event of default under, or otherwise triggered repayment obligations with respect to, a number of debt instruments and agreements relating to direct and indirect financial obligations of the Debtors (collectively, the "Prepetition Debt"). As a result, obligations under the Prepetition Debt became automatically and immediately due and payable. The Debtors believe that any efforts to enforce the payment obligations under the Prepetition Debt have been stayed as a result of the filing of the Chapter 11 Cases.

10. Liabilities Not Subject to Compromise.

Although payment of prepetition claims is generally not permitted, the Bankruptcy Court has authorized the Debtors to pay certain prepetition claims in designated categories and subject to certain terms and conditions. This relief generally was designed to preserve the value of the Debtors' business and assets. To the extent such claims have been categorized as "Liabilities Not Subject to Compromise," the Debtors reserve their right to dispute their obligation to make such payments.

The Debtors have been paying and intend to continue to pay undisputed postpetition claims in the ordinary course of business.

11. Reservation of Rights.

Given the complexity of the Debtors' business, inadvertent errors, omissions or the overinclusion of contracts or leases may have occurred in the preparation of this MOR. Accordingly, the Debtors hereby reserve all of their rights to dispute the validity, status, enforceability or the executory nature of any claim amounts, representation or other statement in this MOR and reserve the right to amend or supplement this MOR, if necessary.

Nothing contained in this MOR shall constitute a waiver of the Debtors' rights or an admission with respect to the Chapter 11 Cases, including with respect to any issues involving the Debtors' ownership interests, substantive consolidation, equitable subordination, defenses and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws.
