**GLOBAL NOTES, METHODOLOGY AND SPECIFIC
DISCLOSURES REGARDING THE DEBTORS' SCHEDULES OF ASSETS
AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

Introduction

NII Holdings, Inc. and its affiliated debtors in possession (collectively, the "Debtors", or the "Company") in the above-captioned chapter 11 cases (the "Chapter 11 Cases"), with the assistance of their advisors, each has filed their respective Schedules of Assets and Liabilities (the "Schedules") and Statements of Financial Affairs (the "Statements," and together with the Schedules the "Schedules and Statements") with the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court"), pursuant to section 521 of title 11 of the United States Code (the "Bankruptcy Code") and Rule 1007 of the Federal Rules of Bankruptcy Procedure.

These Global Notes, Methodology and Specific Disclosures Regarding the Debtors' Schedules and Statements (the "Global Notes") pertain to, are incorporated by reference in, and constitute an integral part of, the Schedules and Statements. Any individual reviewing the Schedules and Statements should refer to, consider and consult the Global Notes in connection with such review.

The Schedules and Statements reflect the Debtors' reasonable best efforts to report the assets and liabilities of each Debtor on an unconsolidated basis. The Debtors prepared the Schedules and Statements on an independent basis and without taking into account generally accepted accounting principles in the United States ("GAAP"). The Schedules and Statements may not reconcile with the financial statements that the Debtors prepare in the ordinary course of

¹ On September 15, 2014 the following nine Debtors filed chapter 11 bankruptcy petitions (the last four digits of their respective U.S. taxpayer identification numbers follow in parentheses): NII Holdings, Inc. (1412); Nextel International (Services), Ltd. (6566); NII Capital Corp. (6843); NII Aviation, Inc. (6551); NII Funding Corp. (6265); NII Global Holdings, Inc. (1283); NII International Telecom S.C.A. (7498); NII International Holdings S.à r.l. (N/A); and NII International Services S.à r.l. (6081). The location of the Debtors' corporate headquarters and the Debtors' service address is: 1875 Explorer Street, Suite 1000, Reston, VA 20190.

their business. The Schedules and Statements contain unaudited information that is subject to further review and potential adjustment.

NII Holdings, Inc. is a publicly-held corporation. For financial reporting purposes, NII Holdings, Inc. prepares consolidated quarterly and annual financial statements, including the Debtors and certain non-Debtors, that are filed with the United States Securities and Exchange Commission (the "SEC"). The quarterly financial statements are unaudited and the annual financial statements are audited. Unlike the consolidated financial statements, these Schedules and Statements reflect the assets and liabilities of each separate Debtor, except where otherwise indicated and presented on the basis described herein. Not all of the direct and indirect subsidiaries of NII Holdings, Inc. are Debtors in these Chapter 11 Cases. Specifically, the operating subsidiaries of NII Holdings, Inc. in Brazil, Mexico and Argentina are not Debtors in these Chapter 11 Cases and therefore are not reflected in these Schedules and Statements. Accordingly, combining the assets and liabilities set forth in the Schedules and Statements of the Debtors would result in amounts that differ substantially and materially from the consolidated financial reports prepared by NII Holdings, Inc. for public reporting purposes or otherwise. Therefore, these Schedules and Statements do not purport to represent financial statements prepared in accordance with GAAP nor are they intended to fully reconcile to the financial statements filed by the Debtors with the SEC.

In preparing the Schedules and Statements, the Debtors relied upon information derived from their books and records that was available at the time of such preparation. Although the Debtors have made reasonable efforts to ensure the accuracy and completeness of the financial information contained in the Schedules and Statements, inadvertent errors or omissions, as well as the discovery of conflicting, revised or subsequent information, may cause material changes to the Schedules and Statements. Accordingly, the Debtors reserve all of their rights to amend, supplement or otherwise modify the Schedules and Statements as the Debtors deem necessary and appropriate. Notwithstanding the foregoing, the Debtors make no affirmative representation that they will revise, amend or otherwise update the Schedules and Statements.

Mr. Daniel E. Freiman has signed the Schedules and Statements. Mr. Freiman serves as the Treasurer, Vice President – Corporate Development & Investor Relations of NII Holdings, Inc., one of the debtors in the Chapter 11 Cases. In addition, Mr. Freiman is the Vice President and Treasurer and a member of the boards of directors of Debtors Nextel International (Services), Ltd., NII Capital Corp., NII Aviation, Inc., NII Funding Corp. and NII Global Holdings, Inc. and a manager of Debtors NII International Holdings S.à r.l. and NII International Services S.à r.l. In reviewing and signing the Schedules and Statements, Mr. Freiman necessarily has relied upon the efforts, statements and representations of various personnel employed by the Debtors and their advisors. Mr. Freiman has not (and could not have) personally verified the accuracy of each statement and representation contained in the Schedules and Statements.

Global Notes and Overview of Methodology

1. **Global Notes Control.** In the event that the Schedules and Statements differ from the Global Notes, the Global Notes will control.

2. **Reservation of Rights.** The Debtors and their advisors have made reasonable efforts to prepare and file complete and accurate Schedules and Statements; however, inadvertent errors or omissions in the Schedules and Statements may exist. The Debtors reserve all rights to amend, supplement or otherwise modify the Schedules and Statements as may be necessary or appropriate, including, without limitation, reserving the right to amend the Schedules and Statements with respect to any claim or other amounts listed therein (collectively, a "Claim") (including, without limitation, reserving the right to: (a) alter the description or designation of any Claim; (b) dispute or otherwise assert a right of setoff or other defenses to any Claim, including, without limitation, any defenses relating to amount, liability, priority, status or classification; (c) subsequently designate any Claim as "disputed," "contingent" or "unliquidated;" and/or (d) object to the extent, validity, enforceability, priority or avoidability of any Claim). Any failure to designate a Claim in the Schedules and Statements as "disputed," "contingent" or "unliquidated" is not an admission by the Debtors that they consider any such Claim as not "disputed," "contingent" or "unliquidated." The Debtors' inclusion of a Claim in the Schedules and Statements is not an admission of liability by the Debtors. Furthermore, nothing contained in the Schedules and Statements will constitute a waiver of any right the Debtors may possess, including, without limitation, any right involving Claims, defenses, equitable subordination and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in the Global Notes will in no way limit the scope or breadth of the general reservation of rights contained in this paragraph.

3. **Confidential Information.** There may be instances in the Schedules and Statements where the Debtors deemed it necessary and appropriate to redact from the public record information such as names, addresses or amounts. Typically, the Debtors have used this approach because of an agreement between the Debtors and a third party, concerns of confidentiality or concerns for the privacy of an individual. In addition, certain of the Debtors are parties to executory contracts with confidentiality provisions and, where applicable, confidential information has not been included in the Schedules and Statements.

4. **Description of Case and "as of" Information Date.** On September 15, 2014 (the "Petition Date"), the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code (the "Chapter 11 Cases"). The Debtors are operating their business and managing their properties as debtors in possession pursuant to Bankruptcy Code sections 1107(a) and 1108.

As applicable, and except as otherwise noted herein, the information (including the Debtors' assets and liabilities) set forth in the Statements and Schedules reflects such information as of the close of business, September 14, 2014.

5. **Currency.** Unless otherwise indicated, all amounts are reflected in U.S. dollars.

6. Summary of Significant Reporting Policies. The following is a summary of significant reporting policies:

- a. Undetermined Amounts. The description of an amount as "unknown," "TBD" or "undetermined" is not intended to reflect upon the materiality of such amount.
- b. Totals. All totals that are included in the Schedules and Statements represent totals of all known amounts. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total.
- c. Paid Claims. The Debtors were authorized (but not directed) to pay certain outstanding prepetition Claims pursuant to various orders entered by the Bankruptcy Court. Accordingly, certain outstanding liabilities may have been reduced by postpetition payments made on account of prepetition liabilities. To the extent the Debtors pay any of the Claims listed in the Schedules and Statements pursuant to any orders entered by the Bankruptcy Court, the Debtors reserve all of their rights to amend or supplement the Schedules and Statements or take other action as is necessary or appropriate to avoid over-payment of, or duplicate payments for, any such liabilities.
- d. Excluded Assets and Liabilities. The Debtors have excluded certain accrued liabilities, including accrued employee benefits and tax accruals from the Schedules and Statements that are not yet due and payable. Certain other immaterial assets and liabilities may also have been excluded.
- e. Liens. Property and equipment listed in the Schedules and Statements are presented without consideration of any liens that may attach (or have attached) to such property and equipment.
- f. Intercompany Claims. Receivables and payables among the Debtors in these Chapter 11 Cases and their non-debtor affiliates are reported on Schedule B16 and Schedule F, respectively, at book value. In the ordinary course of business there are receivables and payables created between and among the various Debtors and their non-debtor subsidiaries. Unless otherwise noted in the Schedules and Statements, the Debtors record the resulting net balances of these transactions in their books and records as equalized entries that have been entered into in the ordinary course of business. The listing of any amounts with respect to such receivables and payables is not and shall not be construed as an admission of the characterization of such balances, as debt, equity or otherwise. Furthermore, the listing of these amounts is not

necessarily indicative of the ultimate recovery, if any, on any intercompany asset account or the impairment or claim status of any intercompany liability account. The Debtors reserve all rights to later change the characterization, classification, categorization or designation of intercompany accounts reported in the Schedules and Statements.

- g. Certain Intercompany Reporting Policies. The Debtors' non-debtor operating subsidiaries generally report to the Debtors on a consolidated basis and not by individual legal entity. While reasonable efforts have been made where appropriate to identify the appropriate non-debtor foreign entity for purposes of these Schedules and Statements, in certain instances the Debtors have only reported certain items by operating company generally (i.e., "NII Brazil", "NII Mexico" and "NII Argentina") where it was unduly burdensome or infeasible to identify the particular relevant non-debtor foreign entity at issue with respect to a particular item.

In addition, certain of the Debtors act on behalf of other Debtors. Reasonable efforts have been made to indicate the ultimate beneficiary of a payment or obligation. Whether or not a particular payment or obligation was incurred by the entity actually making the payment or incurring the obligation is a complex question of applicable non-bankruptcy law and nothing herein constitutes an admission that the Debtor entity is the obligor of any such payment. The Debtors reserve all rights to reclassify any payment or obligation as belonging to another entity and their rights with respect to the proper accounting and treatment of such payments and liabilities.

7. Estimates. To prepare and file the Schedules and Statements in accordance with the deadline established in the Chapter 11 Cases, management was required to make certain estimates and assumptions that affected the reported amounts of these assets and liabilities. The Debtors reserve all rights to amend the reported amounts of assets and liabilities to reflect changes in those estimates or assumptions.

8. Net Book Value of Assets. It would be prohibitively expensive, unduly burdensome and an inefficient use of estate assets for the Debtors to obtain current market valuations for their assets. Thus, unless otherwise indicated, the Schedules and Statements reflect approximate net book values as of September 14, 2014. As the book values of certain assets, including, without limitation, patents, trademarks and copyrights, may materially differ from their fair market values, the Debtors listed certain assets with undetermined values. In addition, certain assets may not appear in the Schedules and Statements, because the Debtors have depreciated the entire book value of such assets or otherwise expensed such assets in their entirety. Finally, certain of the Debtors have significant assets related to their ultimate equity interests in certain non-debtor foreign affiliates, the market value of which may differ significantly from the reported book

value and therefore the Schedules and Statements only reflect the undetermined value of the Debtors' ownership of their direct subsidiaries.

9. Reporting of Liabilities. The Debtors have sought to allocate liabilities between the prepetition and postpetition periods based on the information and research conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available, the allocation of liabilities between the prepetition and postpetition periods may change. Accordingly, the Debtors reserve all of their rights to amend, supplement or otherwise modify the Schedules and Statements as is necessary or appropriate to reflect any change in the allocation of liabilities between the prepetition and postpetition periods.

The liabilities listed on the Schedules do not reflect a complete analysis of any Claims that may arise under section 503(b)(9) of the Bankruptcy Code. Accordingly, the Debtors reserve all of their rights to dispute or challenge the validity of any Claims asserted under section 503(b)(9) of the Bankruptcy Code.

10. Classification of Claims. Listing a Claim on (a) Schedule D as "secured," (b) Schedule E as "priority," (c) Schedule F as "unsecured" or (d) listing a contract on Schedule G as "executory" or "unexpired" is not (i) an admission by the Debtors with respect to any legal rights associated with such Claim or executory contract; or (ii) a waiver of the Debtors' rights to recharacterize or reclassify such Claim or executory contract or exercise any right of setoff or other defense that may exist with respect to such Claim or executory contract.

11. Description of Claims. Schedules D, E and F permit the Debtors to designate a Claim as "disputed," "contingent" and/or "unliquidated." Any failure to designate a Claim on a given Schedule as "disputed," "contingent" or "unliquidated" does not constitute an admission by the Debtors that such amount is not "disputed," "contingent" or "unliquidated," or that such Claim is not subject to objection. The Debtors reserve all of their rights to dispute and assert rights of setoff or any other defense to any Claim listed in the Schedules. Additionally, the Debtors expressly reserve all of their rights to subsequently designate any Claim as "disputed," "contingent" or "unliquidated." The Debtors' listing of a Claim in the Schedules does not constitute an admission of liability by the Debtors.

12. Setoffs. Setoffs in the ordinary course can result from various items including, without limitation, intercompany transactions. These normal setoffs are consistent with the Debtors' ordinary course of business and can be particularly voluminous with respect to intercompany transactions, making it unduly burdensome and costly for the Debtors to list such ordinary course setoffs. Therefore, although such setoffs and other similar rights may have been accounted for when scheduling certain amounts, these ordinary course setoffs are not independently accounted for, and as such, are not itemized in the response to Question 13 in the Statements.

13. Recharacterization. Notwithstanding the Debtors' reasonable efforts to properly characterize, classify, categorize or designate certain Claims, assets, executory contracts, unexpired leases and other items reported in the Schedules and Statements, the Debtors may nevertheless seek to recharacterize, reclassify, recategorize, redesignate, add or delete items. Accordingly, as additional information becomes available and as otherwise necessary and

appropriate, the Debtors reserve all of their rights to recharacterize, reclassify, recategorize, redesignate, add or delete items reported in the Schedules and Statements.

14. Definition of Insiders. Solely for purposes of the Schedules and Statements, the Debtors define "insiders" to include the following: (a) directors of the Debtors; (b) employees with a global grade of 16 or higher; and (c) relatives of individuals included within subsections (a) and (b) (to the extent known by the Debtors). The Debtors use a global grading system to rank the seniority of their Employees. For purposes of the Schedules and Statements, the Debtors are treating any employee with a global grade of 15 or below as a "non-insider" because such employees are not appointed by the Debtors' board of directors and do not exercise sufficient authority to dictate corporate policy.

Persons listed as "insiders" have been included for informational purposes only. The Debtors do not take any position with respect to: (a) such person's influence over the control of the Debtors; (b) the management responsibilities or functions of such individual; (c) the decision making or corporate authority of such individual; or (d) whether such individual could successfully argue that he or she is not an "insider" under applicable law, including, without limitation, the federal securities laws or with respect to any theories of liability or for any other purpose. Further, the inclusion of a party as an "insider" is not an acknowledgment or concession that such party is an "insider" under applicable bankruptcy law.

15. Intellectual Property Rights. The Debtors' inadvertent exclusion of certain intellectual property from the Schedules and Statements is not an admission that the Debtors have abandoned, terminated or assigned such intellectual property or that such intellectual property has not expired by its own terms or was not transferred pursuant to a sale, acquisition or other transaction. Conversely, the Debtors' inclusion of certain intellectual property in the Schedules and Statements is not an admission that the Debtors have not abandoned, terminated or assigned such intellectual property or that such intellectual property has not expired by its own terms or was not transferred pursuant to a sale, acquisition or other transaction.

In addition, although the Debtors have made diligent efforts to list only their owned intellectual property, in certain instances, an affiliate may be the actual owner of certain intellectual property listed in the Schedules and Statements. The Debtors reserve all of their rights with respect to the legal status of their intellectual property rights.

16. Executory Contracts. While the Debtors made all reasonable efforts to identify the correct legal entities that are party to each of the Debtors' executory contracts, in certain instances, the Debtors may have incorrectly identified parties to their executory contracts. The Debtors reserve all of their rights with respect to the named parties associated with their executory contracts, including, without limitation, the right to amend Schedule G.

17. Causes of Action. Despite their reasonable efforts to identify all known assets, the Debtors may not have identified or listed all of the Debtors' causes of action and similar items, or potential causes of action or similar items, against third parties as assets in the Schedules and Statements. This may include, without limitation, causes of actions to recover assets or avoid transfers arising under chapter 5 of the Bankruptcy Code or other applicable non-bankruptcy law.

The Debtors reserve the right to amend their Schedules and Statements to add, delete or otherwise modify any information relating to their causes of action and similar items.

The Debtors further reserve all of their rights with respect to all of their causes of actions and similar items (collectively, the "Causes of Action"), including, without limitation, all rights relating to any: (a) controversy; (b) right of setoff or recoupment; (c) cross-Claim; (d) counter-Claim; (e) Claim arising from a contract; (f) Claim for the breach of any duty imposed by law or in equity; and (g) demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license and franchise of any kind or character whatsoever. The Debtors' reservation of rights with respect to the Causes of Action remains applicable, regardless of whether such Causes of Action are known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertable directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law or in equity, or pursuant to any other applicable theory of law. Neither the Global Notes nor the Schedules and Statements constitute a waiver of any Claim or Cause of Action or, in any way, prejudice or impair the assertion of any Claim or Cause of Action.

Specific Disclosures with Respect to the Debtors' Schedules

Schedule B2. Amounts listed in Schedule B2 reflect actual amounts in the respective accounts as of September 14, 2014 and may vary from the amounts contained in the Debtors' books and records. Bank accounts with a zero balance as of September 14, 2014 have not been listed on Schedule B2. More information regarding the Debtors' bank accounts is available in the *Motion of Debtors and Debtors in Possession, Pursuant to Sections 345, 363(c)(1), 364 and 503(b)(1) of the Bankruptcy Code, for Interim and Final Orders: (A) Approving the Continued Use of the Debtors' Cash Management System, Bank Accounts and Business Forms; (B) Granting a Waiver of the Requirements of Section 345(B) and Certain of the U.S. Trustee's Operating Guidelines; (C) Permitting Continued Inter-Debtor and Intercompany Transactions; and (D) Authorizing Banks to Honor Certain Transfers and Charge Certain Fees and Other Amounts* [Docket No. 12] (the "Cash Management Motion").

Schedule B9. Additional information regarding the insurance policies listed on Schedule B9 is available in the *Motion to Authorize Motion of Debtors and Debtors in Possession for Interim and Final Orders Authorizing the Debtors to (I) Maintain, Continue and Renew Their Property, Casualty, Liability and Other Insurance Policies and Agreements and (II) Honor All Obligations in Respect Thereof* filed by Scott Greenberg on behalf of NII Holdings, Inc. [Docket No. 11].

Schedule B13. Only entities directly controlled by the Debtors are listed for purposes of responding to this question. However, the Debtors also indirectly control operating entities in Latin America.

Schedule B16. The Debtors have disclosed the net book value with respect to accounts receivable listed on Schedule B16, which represents the amount of the accounts receivable netted against any "doubtful accounts." For purposes of Schedule B16, "doubtful accounts" are those accounts for which the Debtors believe they are unlikely to receive payment based upon the time such accounts have been outstanding.

Schedule B21. In the ordinary course of their business, the Debtors may have accrued, or may subsequently accrue, certain rights with respect to counter-claims, setoffs, supplier refunds and potential warranty claims against their suppliers. Additionally, the Debtors may be parties to existing or future litigation in which the Debtors have asserted, or may assert, claims as a plaintiff or counter-claims as a defendant. Because such claims are unknown or not quantifiable as of the Petition Date, they are not listed on Schedule B21.

Schedule E. The listing of any Claim on Schedule E does not constitute an admission by the Debtors that such Claim is entitled to priority treatment under section 507 of the Bankruptcy Code. The Debtors have omitted from Schedule E any wage and/or benefit-related obligations for which the Debtors have been granted authority to pay by the Bankruptcy Court. The Debtors believe that all such claims as described in the applicable order of the Bankruptcy Court will be satisfied in the ordinary course of business during these Chapter 11 Cases pursuant to the authority granted by the Bankruptcy Court. The Debtors reserve all of their rights to dispute the amount and the priority status of any Claim on any basis at any time. Certain Claims listed on the Debtors' Schedule E are Claims owing to various taxing authorities to which the Debtors may potentially be liable. Certain of such Claims, however, may be subject to ongoing audits and the Debtors are otherwise unable to determine with certainty the amount of many, if not all, of the remaining Claims listed on Schedule E. Accordingly, the Debtors have listed all such Claims as unknown in amount, pending final resolution of ongoing audits or other outstanding issues.

In addition, certain of the Claims listed on Schedule E for NII Holdings, Inc. belong to employees. Although such potential Claims are recorded on the books and records of Nextel International (Services), Ltd., which is the entity that is used to manage the Debtors' payroll and benefit obligations to employees, such employees are actually employed by NII Holdings, Inc., which is why such Claims have been listed on Schedule E for NII Holdings, Inc.

Schedule F. The Debtors have used their reasonable best efforts to report all general unsecured Claims on Schedule F based upon the Debtors' existing books and records as of the Petition Date. The Claims of individual creditors for, among other things, products, goods or the providing of services are listed as either the lower of the amounts invoiced by such creditor or the amounts entered on the Debtors' books and records and may not reflect credits or allowances due from such creditors to the Debtors. The Debtors reserve all of their rights with respect to any such credits and allowances including the right to assert objections and/or setoffs with respect to the Claims listed on Schedule F. Schedule F does not include certain deferred charges, deferred liabilities, accruals or general reserves. Such accruals are general estimates of liabilities and do not represent specific Claims as of the Petition Date. The Debtors have made every effort to include the Claims of any vendors that would not appear on the Debtors' open accounts payable, including vendors with an account that has an accrual or a receipt not invoiced. Each of these Claims is listed as contingent, unliquidated or disputed on Schedule F. In addition, certain Claims listed on Schedule F may be entitled to priority under section 503(b)(9) of the Bankruptcy Code.

The Claims listed in Schedule F arose or were incurred on various dates. In certain instances, the date on which a Claim arose is an open issue of fact. Although reasonable efforts have been made to identify the date each Claim was incurred or arose, determining the date that each Claim listed in Schedule F was incurred or arose would be unduly burdensome and cost prohibitive. As

such, Schedule F may not include the date that each Claim arose or was incurred for every Claim listed thereon.

The Bankruptcy Court has authorized the Debtors to pay, in their discretion, certain outstanding Claims, even though those Claims were incurred, or arose prior to, the Petition Date. Schedule F may reflect the Debtors' payment of certain Claims pursuant to these orders, and, to the extent an unsecured Claim has been paid, or may be paid, it is possible such Claim is not included on Schedule F. The Debtors may pay additional Claims listed on Schedule F during their Chapter 11 Cases pursuant to these and other orders of the Bankruptcy Court. The Debtors reserve all of their rights to update Schedule F to reflect such payments.

Schedule F contains information regarding pending litigation involving the Debtors. The dollar amount of potential Claims associated with any such pending litigation is listed as "undetermined" and marked as contingent, unliquidated and disputed in the Schedules and Statements.

Schedule F reflects the prepetition amounts owing to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in connection with the assumption, or assumption and assignment, of an executory contract or unexpired lease. Additionally, Schedule F does not include potential rejection damage Claims, if any, of the counterparties to executory contracts and unexpired leases that may be rejected.

Finally, certain of the Vendor - Trade Payable Claims listed on Schedule F of Nextel International (Services), Ltd. may belong to NII Holdings, Inc.; however, all Vendor - Trade Payables are recorded on the books and records of Nextel International (Services), Ltd., which is the entity used to manage the Debtors' vendor activity. Therefore, for consistency purposes, all of the Vendor - Trade Payable Claims have been listed on Schedule F of Nextel International (Services), Ltd.

Schedule G. Although the Debtors' existing books, records, and financial systems have been relied upon to identify and schedule executory contracts, and diligent efforts have been made to ensure the accuracy of Schedule G, inadvertent errors, omissions or over-inclusions may have occurred. Certain information, such as the contact information of the counterparty, may not be included where such information could not be obtained through the use of reasonable efforts. The listing of a contract, agreement or lease on Schedule G does not constitute an admission that such contract, agreement or lease is an executory contract or unexpired lease or that such contract, agreement or lease was effective as of the Petition Date, or is valid or enforceable. The Debtors reserve all of their rights with respect to the contracts, agreements or leases listed in Schedule G, including, without limitation, the Debtors' rights to dispute the validity, status, or enforceability of any contracts, agreements or leases and to amend or supplement Schedule G as necessary.

Certain of the contracts, agreements and leases listed on Schedule G may contain renewal options, guarantees of payment, indemnifications, options to purchase, rights of first refusal and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth separately on Schedule G.

Certain confidentiality or nondisclosure agreements may not be listed on Schedule G. The Debtors reserve all of their rights with respect to such agreements.

Certain of the contracts, agreements and leases listed on Schedule G may consist of several parts, including, without limitation, purchase orders, amendments, restatements, waivers, letters and other documents, each of which may not be listed on Schedule G or that may be listed as a single entry. The Debtors expressly reserve their rights to challenge whether such related materials constitute an executory contract or unexpired lease, a single contract, agreement or lease, or multiple, severable or separate contracts, agreements or leases.

The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, memoranda and other documents, instruments and agreements. These additional documents may not be listed on Schedule G despite the Debtors' use of reasonable efforts to identify such documents.

The Debtors may have entered into various other types of agreements in the ordinary course of their business, such as subordination, nondisturbance, and attornment agreements, supplemental agreements, amendments/letter agreements, title agreements, indemnity agreements and confidentiality agreements. Such documents may not be set forth on Schedule G.

Any executory agreements that have not been reduced to writing, if any, are not included on Schedule G.

The omission of any contract, agreement or lease from Schedule G does not constitute an admission by the Debtors that such omitted contract, agreement or lease is not an executory contract or unexpired lease. The Debtors' rights under the Bankruptcy Code with respect to any such omitted contracts, agreements or leases are not impaired by the omission.

In addition, nothing herein is an admission or waiver of the Debtors' rights to argue that certain contracts or leases constitute a single executory contract or unexpired lease or that a single document may constitute one or more executory contracts or unexpired leases.

The Debtors reserve the right to dispute the effectiveness of any such contract or lease listed on Schedule G or to amend Schedule G at any time to remove any contract, agreement or lease.

Schedule H. The Debtors may not have identified certain guarantees associated with the Debtors' executory contracts, unexpired leases, debt instruments and other such agreements. The Debtors reserve all of their rights to amend the Schedules to the extent that additional guarantees are identified or such guarantees are discovered to have expired or be unenforceable.

As noted above, the Debtors' non-debtor operating subsidiaries generally report to the Debtors on a consolidated basis and not by individual legal entity. While reasonable efforts have been made where appropriate to identify the appropriate non-debtor foreign entity for purposes of Schedule H, in certain instances the Debtors have only reported certain items by operating company generally (*i.e.*, "NII Brazil", "NII Mexico" and "NII Argentina").

In the ordinary course of their business, the Debtors may be involved in pending or threatened litigation. These matters may involve multiple plaintiffs and defendants, some or all of whom may assert cross-Claims and counter-Claims against other parties. Because all such Claims are contingent, disputed or unliquidated, such Claims have not been set forth individually on Schedule H. Litigation matters can be found on the Debtors' Schedule F and Statement 4a, as applicable.

Specific Disclosures with Respect to the Debtors' Statements

Statement 3b. The information provided lists payments made by a Debtor on behalf of itself or on behalf of another Debtor in accordance with routine business practices. The response to Question 3b includes any disbursement or other transfer made by the Debtor except for those made to (a) insiders or other Debtors (which payments appear in response to Statement question 3c); (b) non-insider employees; and (c) bankruptcy professionals (which payments appear in response to Statement question 9).

Statement 3c. Statement 3c accounts for the Debtors' transactions between themselves, with non-debtor affiliates and other transfers to insiders, as applicable. As described in the Cash Management Motion, in the ordinary course of business certain of the Debtors and certain of the Debtors' non-debtor affiliates maintain business relationships with each other, resulting in intercompany receivables and payables (the "Intercompany Claims"). Any intercompany transactions between Debtors, or between Debtors and their non-debtor affiliates are captured by the difference between the opening balance and ending balance of Intercompany Claims in the year before the commencement of the chapter 11 cases. These differences reflect all intercompany activity during the period, including, but not limited to, new Intercompany Claims incurred, payments made to settle outstanding Intercompany Claims due and the contribution or other non-cash settlement of Intercompany Claims.

Statement 4a. Information provided in Statement 4a includes only those legal disputes and administrative proceedings that are formally recognized by an administrative, judicial or other adjudicative forum. In the Debtors' attempt to provide full disclosure, to the extent a legal dispute or administrative proceeding is not formally recognized by an administrative, judicial or other adjudicative forum due to certain procedural conditions that remain unsatisfied, the Debtors still may have identified such matter on Schedule F. Additionally, any information contained in Statement 4a is not a binding representation of the Debtors' liabilities with respect to any of the suits and proceedings identified therein.

Statement 7. In addition to the gifts noted in the Schedules and Statements, the Debtors may make de minimis gifts or gifts in kind from time to time.

Statement 8. The Debtors occasionally incur losses for a variety of reasons, including theft and property damage. The Debtors, however, may not have records of all such losses to the extent such losses do not have a material impact on the Debtors' business or are not reported for insurance purposes.

Statement 19d. The Debtors have provided financial statements in the ordinary course of their business to numerous financial institutions, creditors, and other parties within two years immediately before the Petition Date. Considering the number of such recipients and the possibility that such information may have been shared with parties without the Debtors' knowledge or consent, the Debtors have not disclosed any parties that may have received such financial statements for the purposes of Statement 19d.

Statement 23. The Debtors included a comprehensive response to Statement 23 in Statement 3c.

SCHEDULE D - CREDITORS HOLDING SECURED CLAIMS

State the name, mailing address, including zip code, and last four digits of any account number of all entities holding claims secured by property of the debtor as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. List creditors holding all types of secured interests such as judgment liens, garnishments, statutory liens, mortgages, deeds of trust, and other security interests.

List creditors in alphabetical order to the extent practicable. If a minor child is the creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child by John Doe, guardian." Do not disclose the child's name. See 11 U.S.C. § 112. and Fed. R. Bankr. P. 1007(m). If all secured creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H – Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Total the columns labeled "Amount of Claim Without Deducting Value of Collateral" and "Unsecured Portion, if Any" in the boxes labeled "Total(s)" on the last sheet of the completed schedule. Report the total from the column labeled "Amount of Claim Without Deducting Value of Collateral" also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report the total from the column labeled "Unsecured Portion, if Any" on the Statistical Summary of Certain Liabilities and Related Data.

Check this box if debtor has no creditors holding secured claims to report on this Schedule D.

SCHEDULE E - CREDITORS HOLDING UNSECURED PRIORITY CLAIMS

A complete list of claims entitled to priority, listed separately by type of priority, is to be set forth on the sheets provided. Only holders of unsecured claims entitled to priority should be listed in this schedule. In the boxes provided on the attached sheets, state the name, mailing address, including zip code, and last four digits of the account number, if any, of all entities holding priority claims against the debtor or the property of the debtor, as of the date of the filing of the petition. Use a separate continuation sheet for each type of priority and label each with the type of priority.

The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child by John Doe, guardian." Do not disclose the child's name. See 11 U.S.C. § 112. and Fed. R. Bankr. P. 1007(m).

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H-Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community." If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of claims listed on each sheet in the box labeled "Subtotals" on each sheet. Report the total of all claims listed on this Schedule E in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules.

Report the total of amounts entitled to priority listed on each sheet in the box labeled "Subtotals" on each sheet.
