IMPORTANT INFORMATION FOR YOU TO READ

MACH GEN HAS NOT YET COMMENCED ANY CASES UNDER CHAPTER 11 OF THE U.S. BANKRUPTCY CODE, AND NO BANKRUPTCY COURT HAS APPROVED THE ADEQUACY OF THE DISCLOSURES CONTAINED IN THIS DISCLOSURE STATEMENT OR THE MERITS OF THE PLAN. MACH GEN EXPECTS TO COMMENCE CHAPTER 11 CASES AFTER THE SOLICITATION OF VOTES ON THE PLAN.

UNDER THE PLAN, HOLDERS OF "ALLOWED GENERAL UNSECURED CLAIMS" (EACH AS DEFINED IN THE PLAN) ARE ANTICIPATED TO BE PAID IN FULL, SUBJECT TO BANKRUPTCY COURT APPROVAL, IN THE ORDINARY COURSE OF BUSINESS DURING THE PENDENCY OF THE CASES OR THEREAFTER IN ACCORDANCE WITH THEIR TERMS, OR TO RECEIVE SUCH OTHER TREATMENT TO RENDER HOLDERS OF SUCH CLAIMS UNIMPAIRED UNDER THE BANKRUPTCY CODE.

MACH Gen, Beal Bank USA and Beal Bank, SSB, as plan proponents have prepared this disclosure statement (this "Disclosure Statement") for use in connection with the solicitation of votes on, and confirmation of, the *Joint Prepackaged Chapter 11 Plan of New MACH Gen, LLC and Its Affiliated Debtors and Debtors in Possession*, as it may be amended, supplemented, restated, or modified from time to time (together with the Plan Supplement, the "Plan"),[2] and the information set forth herein may not be relied upon for any other purpose. MACH Gen has not authorized any entity to provide any information about, or concerning, the Plan, other than the information contained in this Disclosure Statement. In addition, MACH Gen has not authorized any entity to make any representations concerning MACH Gen or the value of its property, other than as set forth in this Disclosure Statement.

This Disclosure Statement sets forth certain information regarding MACH Gen's operations, its financial history and forecasts, the need to seek chapter 11 protection, significant events that are expected to occur during its chapter 11 cases, and the anticipated organization, operations, and liquidity of MACH Gen upon its successful emergence from chapter 11. This Disclosure Statement also describes terms and provisions of the Plan, including certain alternatives to the Plan, certain effects of confirmation of the Plan, certain risk factors associated with securities to be issued under the Plan, and the manner in which distributions will be made under the Plan. In addition, this Disclosure Statement discusses the confirmation process and the voting procedures that holders of claims or interests entitled to vote under the Plan must follow in order for their votes to be counted.

MACH Gen has entered into a Restructuring Support Agreement (attached hereto as **Exhibit B**) with the Support Parties, who hold a majority of MACH Gen's first lien debt and existing equity interests, in order to effectuate a balance sheet recapitalization of MACH Gen and the transfer of New Harquahala Generating Company, LLC pursuant to the terms of the Plan. The proposed restructuring is expected to eliminate approximately $95 million in debt from MACH Gen's First

[2] Capitalized terms used but not otherwise defined herein shall have the meaning ascribed to such terms in the Plan.

Lien Facilities and thereby improve MACH Gen's financial condition and overall creditworthiness and help ensure the continued operation of the Millennium Facility and the Athens Facility. MACH Gen and the First Lien Lenders, in their roles as Plan Proponents, are seeking votes in favor of the Plan *prior* to the commencement of "prepackaged" chapter 11 cases, which MACH Gen believes will minimize disruption to MACH Gen's day-to-day operations, reduce the cost of MACH Gen's proposed restructuring, and ultimately be in the best interests of all of the MACH Gen Entities' stakeholders.

The Plan Proponents therefore recommend, with the support of the Support Parties, that all holders of Claims who are entitled to vote on the Plan, after having reviewed all of the information contained in this Disclosure Statement, Plan, and other documents incorporated by reference thereto, vote to accept the Plan.

THE CONTENTS OF THIS DISCLOSURE STATEMENT SHOULD NOT BE CONSTRUED AS PROVIDING ANY LEGAL, BUSINESS, FINANCIAL, OR TAX ADVICE, AND THE PLAN PROPONENTS URGE ANY HOLDER OF A CLAIM OR INTEREST ENTITLED TO VOTE ON THE PLAN TO CONSULT WITH ITS OWN ADVISORS FOR ANY LEGAL, BUSINESS, FINANCIAL, OR TAX ADVICE IN REVIEWING THIS DISCLOSURE STATEMENT, THE PLAN, AND THE PROPOSED TRANSACTIONS CONTEMPLATED THEREBY, BEFORE DECIDING WHETHER TO VOTE TO ACCEPT OR REJECT THE PLAN.

EACH HOLDER OF A CLAIM ENTITLED TO VOTE ON THE PLAN IS ADVISED AND ENCOURAGED TO READ THIS DISCLOSURE STATEMENT AND THE PLAN IN THEIR ENTIRETY BEFORE VOTING. PLAN SUMMARIES AND STATEMENTS MADE IN THIS DISCLOSURE STATEMENT ARE QUALIFIED IN THEIR ENTIRETY BY REFERENCE TO THE PLAN, WHICH CONTROLS IN THE EVENT OF ANY INCONSISTENCY OR INCOMPLETENESS.

UNLESS OTHERWISE STATED HEREIN, THE STATEMENTS CONTAINED IN THIS DISCLOSURE STATEMENT ARE MADE ONLY AS OF THE DATE HEREOF, AND THERE CAN BE NO ASSURANCE THAT THE STATEMENTS CONTAINED HEREIN WILL BE CORRECT OR ACCURATE AT ANY TIME AFTER THAT DATE.

CERTAIN DOCUMENTS DESCRIBED OR REFERRED TO IN THIS DISCLOSURE STATEMENT HAVE NOT BEEN ATTACHED AS EXHIBITS BECAUSE OF THE IMPRACTICABILITY OF FURNISHING COMPLETE COPIES OF SUCH DOCUMENTS TO ALL RECIPIENTS OF THIS DISCLOSURE STATEMENT.

SOME ASSUMPTIONS INEVITABLY WILL NOT MATERIALIZE. FURTHERMORE, EVENTS AND CIRCUMSTANCES OCCURRING SUBSEQUENT TO THE DATE ON WHICH THESE PROJECTIONS WERE PREPARED MAY DIFFER FROM ANY ASSUMED FACTS AND CIRCUMSTANCES. ALTERNATIVELY, ANY EVENTS AND CIRCUMSTANCES THAT COME TO PASS MAY WELL HAVE BEEN UNANTICIPATED AND, THUS, MAY AFFECT FINANCIAL RESULTS IN A MATERIALLY ADVERSE OR MATERIALLY BENEFICIAL MANNER. THE PROJECTIONS, THEREFORE, MAY NOT BE RELIED UPON AS A GUARANTEE OR OTHER ASSURANCE OF THE ACTUAL RESULTS THAT WILL OCCUR.

AS TO DESCRIPTIONS OF LITIGATION OR THREATENED ACTIONS, THIS DISCLOSURE STATEMENT SHALL NOT CONSTITUTE, OR BE CONSTRUED AS, AN ADMISSION OF ANY FACT OR LIABILITY, STIPULATION OR WAIVER, BUT RATHER AS A STATEMENT MADE IN SETTLEMENT NEGOTIATIONS. THIS DISCLOSURE STATEMENT SHALL NOT BE ADMISSIBLE IN ANY NON-BANKRUPTCY PROCEEDING, NOR SHALL IT BE CONSTRUED TO BE CONCLUSIVE ADVICE ON THE TAX, SECURITIES, OR OTHER LEGAL EFFECTS OF THE PLAN AS TO HOLDERS OF CLAIMS AGAINST, OR INTERESTS IN, EITHER MACH GEN OR REORGANIZED MACH GEN.

INTRODUCTION AND OVERVIEW

New MACH Gen, LLC and its subsidiaries MACH Gen GP, LLC, Millennium Power Partners, L.P., New Athens Generating Company, LLC, and New Harquahala Generating Company, LLC, as debtors and debtors in possession (each, a "MACH Gen Entity" or a "Debtor" and, collectively, the "MACH Gen Entities" or "MACH Gen" or the "Debtors"), and Beal Bank USA and Beal Bank, SSB, in their capacity as First Lien Lenders under the First Lien Credit Facility and as a Support Party under the Restructuring Support Agreement, and as Plan Proponents submit this disclosure statement (this "Disclosure Statement") pursuant to section 1125 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (as amended, the "Bankruptcy Code") for use in the solicitation of votes on the *Joint Prepackaged Chapter 11 Plan of New Mach Gen, LLC and Its Affiliated Debtors and Debtors in Possession*, dated as of June 4, 2018, as it may be amended, supplemented, restated, or modified from time to time (together with the Plan Supplement, the "Plan").[3] Each of the MACH Gen Entities and the First Lien Lenders is a proponent of the Plan within the meaning of section 1129 of the Bankruptcy Code.

A copy of the Plan is attached hereto as Exhibit A and incorporated herein by reference. In the event of any inconsistency between the terms of the Plan and the description of such terms in this Disclosure Statement, the terms of the Plan shall control.

This Disclosure Statement is part of the "Solicitation Package," which contains the following:

- this Disclosure Statement,
- the Plan (as Exhibit A to this Disclosure Statement),
- the Restructuring Support Agreement (as Exhibit B to this Disclosure Statement),
- the Projections (as Exhibit C to this Disclosure Statement),
- the Liquidation Analysis (as Exhibit D to this Disclosure Statement),
- the Consolidated Financial Statements (as Exhibit E to this Disclosure Statement), and
- if you are entitled to vote to accept or reject the Plan, one or more ballots, as applicable, including instructions describing where and when to submit your ballot(s) and a postage-paid, pre-addressed return envelope, to be used by holders of Claims and Interests entitled to vote on the Plan.

[3] Capitalized terms used but not otherwise defined herein shall have the meaning ascribed to such terms in the Plan.

If you are a holder of a Claim entitled to vote on the Plan and you did not receive a ballot, received a damaged ballot, or lost your ballot, please contact Prime Clerk LLC (the "Voting Agent") by e-mail at newmachgenballots@primeclerk.com or by phone at 844-242-7491 (domestic / toll free) or 929-333-8974 (international / toll).

For your vote to be counted, your ballot(s) must be **actually received** by the Voting Agent (by either physical or electronic mail) no later than 5:00 p.m., prevailing Eastern Time, on June 5, 2018 (the "Voting Deadline").

After the solicitation of votes with respect to the Plan, MACH Gen anticipates commencing a case under chapter 11 of the Bankruptcy Code for each MACH Gen Entity (collectively, the "Chapter 11 Cases") and seeking confirmation of the Plan by the United States Bankruptcy Court for the District of Delaware (the "Bankruptcy Court").

A. *Overview of Proposed Restructuring*

MACH Gen is pleased to announce that the Plan provides for a restructuring of MACH Gen (the "Restructuring") that will result in (1) the transfer of the equity of New Harquahala Generating Company, LLC, the owner of the Harquahala Facility—a 1,092 MW natural gas fired electric generating facility located in Maricopa County, Arizona—to the First Lien Lenders in exchange for, among other things, the First Lien Loan Reduction (subject to the terms and conditions of the Plan, including the Harquahala Reorganization Annex, and the New First Term Loan) (the "Harquahala Reorganization"), (2) the refinancing of the remainder of MACH Gen's First Lien Credit Facility through a new first lien credit facility provided to Reorganized MACH Gen (as such term is defined in the Plan) by the First Lien Lenders anticipated to be in an aggregate principal amount of approximately $512 million, consisting of a $10 million new revolving first lien credit facility (the "New First Lien Revolver"), a new term B loan facility anticipated to be in an aggregate principal amount of approximately $448 million (the "New Term B Loan Facility"), and a new term C loan facility anticipated to be in an aggregate principal amount of approximately $54 million (the "New Term C Loan Facility" and, together with the New Term B Loan Facility, the "New First Lien Term Loans" and, collectively with the New First Lien Revolver, the "New First Lien Facilities"), and (3) the extension of new financing to Reorganized MACH Gen provided by Talen Energy Supply, LLC, as the "Talen L/C Provider," and by Talen Investment Corporation, as the "Talen Lender," on a second lien basis, consisting of a new second lien term loan credit facility anticipated to be in an aggregate principal amount of approximately $25 million (the "New Second Lien Term Loan Facility") and a new second lien letter of credit facility which will be used to collateralize letters of credit issued under the New First Lien Facilities (the "New Second Lien L/C Facility" and, together with the New Second Lien Term Loan Facility, the "New Second Lien Facilities" and, together with the New First Lien Facilities, the "New Financing Facilities"). The Restructuring is expected to eliminate approximately $95 million in debt under MACH Gen's First Lien Facilities. MACH Gen, including New Harquahala, will emerge from the Chapter 11 Cases in each case a stronger company, with a sustainable capital structure that is better aligned with MACH Gen's present and future operating prospects.

MACH Gen is commencing this solicitation on the Plan following extensive discussions with the Support Parties, who constitute certain of its key stakeholders. The discussions have

resulted in the significant majorities of its stakeholders agreeing to support the Restructuring and to vote to accept the Plan pursuant to a Restructuring Support Agreement, dated as of June 4, 2018 (as it may be amended from time to time, the "Restructuring Support Agreement"), among MACH Gen and:

- holders of 100% of the First Lien Revolver Claims and First Lien Term Loan Claims (the "Consenting First Lien Holders"); and

- holders of 100% of the Interests in New MACH Gen, LLC (the "Consenting Equity Holders" and, together with the Consenting First Lien Holders, the "Support Parties").

For additional information regarding the Restructuring Support Agreement, please refer to the discussion in Section II.F.2 herein entitled, "Restructuring Support Agreement." A copy of the Restructuring Support Agreement is attached hereto as Exhibit B and incorporated herein by reference. In the event of any inconsistency between the terms of the Restructuring Support Agreement and the description of such terms in this Disclosure Statement, the terms of the Restructuring Support Agreement shall control.

As a result of the Restructuring provided in the Plan:

- Each holder of an Allowed First Lien Revolver Claim, such Claims collectively in the aggregate principal amount of approximately $132,953,263.52, plus any interest, fees, expenses, and other amounts due and owing in respect of the First Lien Revolver Claims pursuant to the First Lien Credit Agreement as of the Effective Date, will be exchanged for either:

  (i) if the First Lien Step-In Scenario does not occur, its Pro Rata share relative to all Allowed First Lien Revolver Claims and all Allowed First Lien Term Loan Claims (or such other allocation as may be determined by the First Lien Lenders in their sole discretion) of (A) Cash on account of the Amendment Fee and Deferred Charges Amount, (B) the New First Lien Term Loans, (C) the New First Lien Revolver, and (D) in exchange for the First Lien Loan Reduction (subject to the terms and conditions of the Harquahala Reorganization Annex and the New First Lien Term Loans), 100% of the Interests in Reorganized New Harquahala; or

  (ii) in the event of a First Lien Step-In Scenario, its Pro Rata share relative to all Allowed DIP Claims, Allowed First Lien Revolver Claims, and Allowed First Lien Term Loan Claims (or such other allocation as may be determined by the First Lien Lenders and DIP Lenders in their sole discretion) of 100% of the Interests in Reorganized MACH Gen;

- Each holder of an Allowed First Lien Term Loan Claim, such Claims collectively in the aggregate principal amount of approximately $465,114,835.06, plus any interest, fees, expenses, and other amounts due and owing in respect of the First

Lien Term Loan Claims pursuant to the First Lien Credit Agreement as of the Effective Date, will be exchanged for either:

(i) if the First Lien Step-In Scenario does not occur, its Pro Rata share relative to all Allowed First Lien Revolver Claims and all Allowed First Lien Term Loan Claims (or such other allocation as may be determined by the First Lien Lenders in their sole discretion) of (A) Cash on account of the Amendment Fee and Deferred Charges Amount, (B) the New First Lien Term Loans, (C) the New First Lien Revolver, and (D) in exchange for the First Lien Loan Reduction (subject to the terms and conditions of the Harquahala Reorganization Annex and the New First Lien Term Loans), 100% of the Interests in Reorganized New Harquahala; or

(ii) in the event of a First Lien Step-In Scenario, its Pro Rata share relative to all Allowed DIP Claims, Allowed First Lien Revolver Claims, and Allowed First Lien Term Loan Claims (or such other allocation as may be determined by the First Lien Lenders and DIP Lenders in their sole discretion) of 100% of the Interests in Reorganized MACH Gen;

- the Allowed Interests in each of the MACH Gen Entities will (i) if the First Lien Step-In Scenario does not occur, be reinstated, other than the Allowed Interests in New Harquahala, which will be cancelled, or (ii) if the First Lien Step-In Scenario does occur, be reinstated, other than the Allowed Interests in New MACH Gen, LLC, which will be cancelled; and

- all other Allowed Claims, including all Allowed General Unsecured Claims, will be paid in full or otherwise rendered Unimpaired (other than Intercompany Claims, which may be reinstated or cancelled as set forth in the Plan).

In order to implement the above-described transactions and distributions, in connection with the consummation of the Plan, if the First Lien Step-In Scenario does not occur, (1) MACH Gen will consummate the Harquahala Reorganization (subject to the terms and conditions of the Harquahala Reorganization Annex), (2) Reorganized MACH Gen will enter into the New First Lien Facilities, and (3) Reorganized MACH Gen will enter into the New Second Lien Facilities. **For additional information on MACH Gen's post-Restructuring capitalization, please refer to the discussion in Section IV.B herein entitled, "Summary of Capitalization of Reorganized MACH Gen."**

MACH Gen, with the support of the Support Parties, believes that consummation of the proposed Restructuring under the Plan will provide MACH Gen with the capital structure and liquidity to continue operating as a going concern as a result of, among other things: (1) the sale of New Harquahala to the First Lien Lenders in exchange for the First Lien Loan Reduction (subject to the terms and conditions of the Plan, including the Harquahala Reorganization Annex, and the New First Lien Term Loans); (2) the reduction of approximately $95 million of long-term debt under the First Lien Facilities; and (3) the elimination of approximately $20 million per year of cash interest that would otherwise continue to accrue under the First Lien Facilities. MACH Gen believes the realization of these transactions on the terms outlined in the Plan will enable MACH

Gen to emerge from the Chapter 11 Cases appropriately capitalized and competitively positioned within the wholesale power markets for the Athens Facility and Millennium Facility. Additionally, New Harquahala will be unburdened of all funded debt obligations and competitively positioned within the wholesale power market for the Harquahala Facility.

In connection with developing the Plan, MACH Gen conducted a careful review of its current business operations and compared its projected value as an ongoing business enterprise with its potential value in a liquidation scenario, as well as the estimated recoveries to holders of Allowed Claims and Interests thereunder. MACH Gen concluded that the potential recoveries to holders of Allowed Claims and Interests would be maximized by continuing to operate as a going concern, following the transfer of New Harquahala. MACH Gen believes that its businesses and assets have significant value that would not be realized in a liquidation, either in whole or in substantial part. Consistent with the liquidation analysis described herein and other analyses prepared by MACH Gen and its advisors, MACH Gen believes the value of its assets would be considerably greater if MACH Gen operates as a going concern and continues to generate revenues by selling energy, capacity, and ancillary services, while awaiting better market conditions for the sale of its assets, as opposed to immediately liquidating. **For additional information on estimated recoveries under the Plan as compared to estimated recoveries in liquidation, please refer to the discussion in Section VI.B.2 herein entitled, "Best Interests Test."** Moreover, MACH Gen believes that any alternative to the Restructuring contemplated by the Plan, such as an out-of-court restructuring, a liquidation, or attempts by another party-in-interest to file an alternative plan of reorganization, could result in significant delay, litigation, execution risk, and/or additional costs and, ultimately, could lower the recoveries to holders of Allowed Claims and Interests. Accordingly, the Plan Proponents, with the support of the Support Parties, strongly recommends that you vote to **accept** the Plan, if you are entitled to vote.

B. *Summary of Classification and Estimated Recoveries of Claims and Interests Under Plan*

The following table summarizes the classification and estimated recoveries to holders of Allowed Claims and Interests under the Plan. Although every reasonable effort was made to be accurate, the projections of recoveries are only estimates. The final amounts of Claims or Interests allowed by the Bankruptcy Court may vary from the estimates in this Disclosure Statement. As a result of the foregoing and other uncertainties inherent in the estimates, the estimated recoveries in this Disclosure Statement may vary from the actual recoveries realized. In addition, the ability to receive distributions under the Plan depends upon, among other things, the ability of MACH Gen to obtain confirmation of the Plan and meet the conditions to confirmation and effectiveness of the Plan, as discussed in this Disclosure Statement. **For additional explanation regarding the terms of the Plan and treatment of Allowed Claims and Interests thereunder, please refer to the discussion in Section IV.A herein entitled, "Summary of Plan," as well as the Plan itself, attached hereto as Exhibit A.**

[5] The Estimated Allowed Amount of General Unsecured Claims includes approximately $21,543,000 on account of unsecured claims that the Debtors anticipate seeking approval to pay pursuant to the Debtors' first day motions. The Estimated Allowed Amount of General Unsecured Claims also includes approximately $30,426,408 on account of what MACH Gen (but not the First Lien Lenders) has determined to be an unsecured claim by Talen LC Provider against the MACH Gen Entities (the "Tax Allocation Claims") that arose in connection with that certain Amended and Restated Tax Allocation Agreement, by and among Talen Energy Corporation and the Talen Tax Affiliates, effective as of December 15, 2015 and terminated effective January 1, 2017. MACH Gen anticipates that the Tax Allocation Claims will be reinstated against Reorganized MACH Gen. Any such reinstated Tax Allocation Claims shall be junior, subordinated, and silent in respect of, and otherwise subject to the liens securing, among other things, the liabilities and obligations under the DIP Credit Agreement and the DIP Orders, the First Lien Credit Agreement, the New First Lien Facilities, and the New Second Lien Facility, and neither Talen Energy Corporation nor any other Talen Tax Affiliate shall have any right to payment or enforcement of any such claim unless and until the obligations under the senior facilities have been indefeasibly paid in full in cash. Any Tax Allocation Claim against New Harquahala will be deemed waived and get no distribution under the Plan. Additionally, in the First Lien Step-In Scenario, any Tax Allocations Claims against any MACH Gen Entity shall be deemed waived and discharged and shall get no distribution under the Plan. Talen Energy Corporation and Talen LC Provider have agreed to indemnify and reimburse the MACH Gen Entities, Beal Bank USA, Beal Bank, SSB, and CLMG Corp. for losses and liabilities incurred in connection with the Tax Allocation Claim.

[6] As set forth in Article III of the Plan, Intercompany Claims, except Intercompany Claims against New Harquahala, will be unimpaired and holders of such Claims will be deemed to accept the Plan, provided that, Intercompany Claims against New Harquahala will be impaired, receive no distribution, and will be deemed to reject the Plan. In the event of a First-Lien Step-In Scenario, Intercompany Claims may be reinstated, and thus unimpaired, or cancelled, and thus impaired and deemed to reject, in the sole discretion of the Plan Proponents.

[7] As set forth in Article III of the Plan, Interests in New MACH Gen, LLC will be unimpaired and holders of such Interests will be deemed to accept the Plan, provided that, solely in the event of a First Lien Step-In Scenario, such Interests will be impaired, the holders of such Interests will receive no distribution and will be deemed to reject the Plan.

[8] As set forth in Article III below, Interests in New Harquahala Generating Company, LLC will be impaired and the holders of such Interests will be deemed to reject the Plan, provided that, solely in the event of a First Lien Step-In Scenario, such Interests will be unimpaired and the holders of such Interests will be deemed to accept the Plan.

C. *Plan Solicitation*

As indicated above, MACH Gen intends to implement the Restructuring through the Chapter 11 Cases and confirmation of the Plan by the Bankruptcy Court. The solicitation is being conducted at this time in order to obtain sufficient votes accepting the Plan to permit the Plan to be confirmed by the Bankruptcy Court. **For further information and instructions on voting on the Plan, please refer to Section V herein entitled, "Voting Procedures and Requirements."**

1. Parties Entitled to Vote on Plan

Under the Bankruptcy Code, only holders of Claims or Interests that are "Impaired" under the Plan are entitled to vote to accept or reject the Plan. Holders of Claims or Interests that are not Impaired under the Plan (i.e., "Unimpaired") are, in accordance with section 1126(f) of the Bankruptcy Code, conclusively presumed to accept the Plan, and solicitation with respect to such holders is not required. Additionally, holders of Claims and Interests that will receive no recovery under the Plan are, in accordance with section 1126(g) of the Bankruptcy Code, conclusively deemed to reject the Plan.

Holders of Claims or Interests in Class 3A (First Lien Revolver Claims) and Class 3B (First Lien Term Loan Claims) are Impaired under the Plan and entitled to vote to accept or reject the Plan.

Holders of Claims or Interests in Class 1 (Priority Non-Tax Claims), Class 2 (Other Secured Claims), Class 4 (General Unsecured Claims), Class 5 (Intercompany Claims), and Class 6(a), 6(b), 6(c), 6(d), and 6(e) (Interests) are either Unimpaired or Impaired (and not entitled to any distribution under the Plan) and are therefore not entitled to vote to accept or reject the Plan. MACH Gen is therefore soliciting votes only from holders of Claims in Class 3A and Class 3B.

2. Voting Procedures, Ballots, and Voting Deadline

If you have received a ballot and are entitled to vote on the Plan, you should read the materials supplied to you in the Solicitation Package in their entirety, including the instructions set forth in the ballot(s). These documents contain important information concerning how Claims and Interests are classified for voting purposes and how votes will be tabulated. After carefully reviewing the Solicitation Package, please indicate your acceptance or rejection of the Plan on the ballot by voting for or against the Plan. MACH Gen will not count any executed ballot that (a) does not indicate either acceptance or rejection of the Plan, or (b) indicates both acceptance and rejection of the Plan.

For your vote to be counted, you must complete and sign your original ballot(s) and return it by overnight courier or hand-delivery or via the online voting platform maintained by the Voting Agent. Unless otherwise agreed by MACH Gen (in their sole discretion), copies of ballots or ballots submitted via electronic mail or facsimile will not be accepted or counted as votes. Each ballot has been coded to reflect the Class of the Claim(s) or Interest(s) it represents. Accordingly, in voting to accept or reject the Plan, you must use only the coded ballot(s) sent to you with this Disclosure Statement.

For your vote to be counted, your ballot(s) must be **actually received** by the Voting Agent (via overnight courier, hand delivery, or the online voting platform) no later than the Voting Deadline, which is 5:00 p.m., prevailing Eastern Time, on June 5, 2018. Any ballot received after the Voting Deadline will be counted only in the discretion of MACH Gen. Do not return any debt instruments with your ballot(s).

If you have any questions about the procedure for voting your Claim(s) or Interest(s), the packet of materials that you have received, or the amount of your Claim(s) or Interest(s), or if you wish to obtain, at your own expense, an additional copy of this Disclosure Statement and its exhibits, please contact the Voting Agent, by e-mail at newmachgenballots@primeclerk.com or by phone at 844-242-7491 (domestic / toll free) or 929-333-8974 (international / toll).

D. *Anticipated Restructuring Timetable*

In accordance with the Restructuring Support Agreement, MACH Gen anticipates commencing the Chapter 11 Cases (such commencement date, the "Petition Date") soon after the Voting Deadline and, as soon as practicable thereafter, seeking entry of an order of the Bankruptcy Court scheduling the Confirmation Hearing to consider, among other things, (1) the adequacy of this Disclosure Statement and solicitation of votes in connection therewith and (2) confirmation of the Plan (including the transfer of the equity of New Harquahala to the First Lien Lenders in accordance with the terms of the Plan, including the Harquahala Reorganization Annex). MACH Gen expects that notice of the Confirmation Hearing will be published in a nationally-circulated newspaper and will be mailed to all known holders of Claims and Interests at least twenty-eight (28) days before the date by which objections to confirmation must be filed with the Bankruptcy Court. **For additional information regarding the Confirmation Hearing, please refer to Section VI.A herein entitled, "Confirmation Hearing."**

Assuming the Bankruptcy Court approves MACH Gen's scheduling request, MACH Gen anticipates that the Confirmation Hearing will be held within approximately thirty (30) to forty-five (45) days after the Petition Date. MACH Gen does not currently anticipate any significant objections to confirmation of the Plan. However, if any such objections are raised, the expected timing for confirmation may be delayed. **For additional information regarding the anticipated Chapter 11 Cases, please refer to Section III herein entitled, "Anticipated Events During Chapter 11 Cases."**

MACH Gen also intends to file certain regulatory notices and applications concerning the Restructuring on or around the launch of this solicitation. MACH Gen is hopeful that all necessary regulatory approvals will be obtained within approximately ninety (90) days of their filing. To the extent the Plan has been confirmed by the time such regulatory approvals are received, MACH Gen currently intends to consummate the Plan as soon as practicable thereafter consistent with the milestones set forth in the Restructuring Support Agreement.

SECTION II.
HISTORICAL INFORMATION

A. *MACH Gen's Businesses and Operations*

MACH Gen owns and manages a portfolio of three natural gas-fired electric generating facilities located in the United States: (1) a 1,080 MW facility located in Athens, New York that achieved commercial operation on May 5, 2004 (the "Athens Facility"); (2) a 1,092 MW facility located in Maricopa County, Arizona, that achieved commercial operation on September 11, 2004 (the "Harquahala Facility"); and (3) a 360 MW facility, located in Charlton, Massachusetts, that achieved commercial operation on April 12, 2001 (the "Millennium Facility," and collectively with the Athens Facility and the Harquahala Facility, the "Facilities").

MACH Gen generates revenues through the sale of energy, capacity, and ancillary services from the Facilities through various arrangements, including into relevant power markets pursuant to energy management agreements (each, an "Energy Management Agreement") with reputable energy managers, currently its affiliate Talen Energy Marketing, LLC ("Talen Marketing") (for the Athens and Millennium Facilities) and EDF Energy Services, LLC (for the Harquahala Facility).[9] The Facilities dispatch electricity into three power markets, two of which are served by independent system operators ("ISOs"). Specifically, the Athens Facility dispatches power into the region managed by the New York ISO, the Harquahala Facility into the region served by the Western Electricity Coordinating Council, and the Millennium Facility into the region managed by ISO New England. Each of the Facilities utilizes advanced frame "501G" combustion turbine generating technology and equipment supplied by leading manufacturers.

B. *Selected Financial Information*

As of December 31, 2017, MACH Gen generated approximately $269 million of operating revenue for the prior 12-month period at a net loss of approximately $10 million. Its unaudited balance sheet reflected assets of approximately $503 million and liabilities of approximately $654 million as of March 31, 2018. Additional financial information regarding MACH Gen can be found in the audited consolidated financial statements for MACH Gen as of December 31, 2017 and 2016, attached hereto as Exhibit E (the "Consolidated Financial Statements").

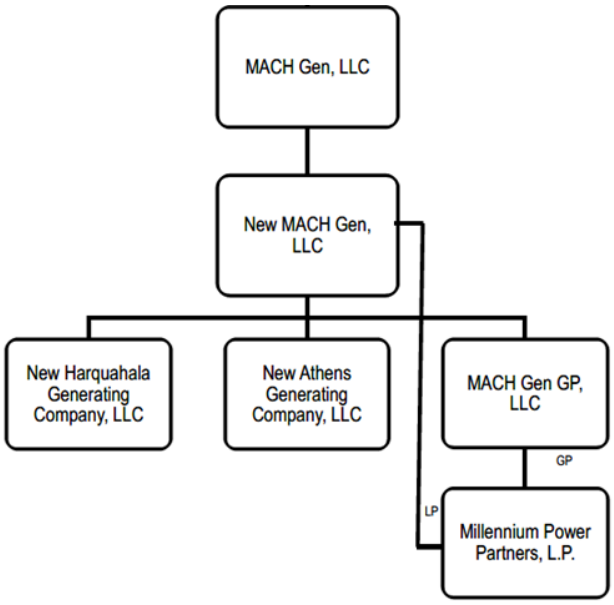
C. *Corporate History and Organizational Structure*

In November 2015, Talen Energy Supply, LLC ("Talen Energy") acquired MACH Gen, LLC ("Old MACH Gen") for approximately $1.175 billion (including assumption of

[9] The Energy Management Agreements with Talen Marketing terminated on February 20, 2018. However, Talen Marketing continues to provide services with respect to the Athens and Millennium Facilities on terms substantially similar to those set forth under the terminated Energy Management Agreements, generally pursuant to monthly extensions. Prior to the commencement of preparation for these Chapter 11 Cases, New Athens and Millennium Power were in discussions to enter into new Energy Management Agreements with a third party energy manager, following which Talen Marketing would no longer serve as energy manager. These discussions are expected to resume during or promptly after Chapter 11 Cases.

indebtedness). Old MACH Gen is the direct parent company of New MACH Gen, LLC ("New MACH Gen") and is not a debtor in the Chapter 11 Cases. New MACH Gen, in turn, is the direct or indirect parent company of the following project-owning entities: (1) New Athens Generating Company, LLC ("*New Athens*"), the current owner of the Athens Facility; (2) New Harquahala Generating Company, LLC ("*New Harquahala*"), the current owner of the Harquahala Facility; and (3) Millennium Power Partners, L.P. ("*Millennium Power*" and, together with New Athens and New Harquahala, the "*Project Companies*"), the current owner of the Millennium Facility. New Athens and New Harquahala are both wholly and directly owned by New MACH Gen. Millennium Power is also wholly owned by New MACH Gen, in part directly and in part indirectly through MACH Gen GP, LLC (a wholly and directly owned subsidiary of New MACH Gen) ("*MACH Gen GP*").

Set forth below is the prepetition corporate organizational structure of MACH Gen. Each entity depicted is anticipated to be a Debtor in the Chapter 11 Cases other than MACH Gen, LLC.



Prior to the acquisition by Talen Energy, New MACH Gen had been formed to own and operate the other MACH Gen Entities as a result of the court-approved prepackaged chapter 11 bankruptcy cases of MACH Gen, LLC and the MACH Gen Entities (other than New MACH Gen), Case No. 14-10461 (MFW) et seq. (the "Prior Chapter 11 Cases"). In the Prior Chapter 11 Cases, MACH Gen reduced its funded indebtedness from approximately $1.6 billion to approximately $1 billion while paying unsecured creditors in full and issuing 93.5% of new equity in reorganized MACH Gen to former holders of second lien debt and 6.5% of new equity in reorganized MACH Gen to existing equity holders. The restructuring of MACH Gen pursuant to the Prior Chapter 11 Cases became effective on April 28, 2014.

Each of the Project Companies, New MACH Gen LLC, and MACH Gen GP will file Chapter 11 Cases pursuant to the Restructuring.

D. *Management and Operations*

MACH Gen is party to various consulting, operations, maintenance, and other similar agreements, under which affiliates and third parties provide essential services and personnel to meet the business, commercial, and technical needs of MACH Gen and the Facilities. Among these agreements are the Energy Management Agreements, agreements for the supply of equipment and services, warranty contracts, and operations and maintenance agreements.

Under agreements with each Project Company, daily operations and maintenance of the Facilities is handled by third party contractors, and maintenance, parts, labor, and material for combustion turbine and generators planned and unplanned outages at the Facilities are provided by Siemens Energy, Inc. (f/k/a Siemens Power Generation, Inc.). In addition, under the Energy Management Agreements, the energy managers, on behalf of the applicable Project Company, solicit and enter into energy transactions, schedule, bid, and dispatch energy from the Facilities into distribution systems and coordinate with transmission providers. The energy managers assist MACH Gen in identifying commercial strategies to maximize the value of the Facilities' generation and gas transmission capacity and identifying, soliciting, and executing transactions beyond the day-ahead market. In an effort to procure fuel for the Facilities at the lowest cost possible, the energy managers deal with all market participants, for and on behalf of each Facility, from a credit standpoint and act as the applicable Project Company's counterparty in purchasing natural gas.

E. *Prepetition Indebtedness*

New MACH Gen has long-term material debt obligations consisting of outstanding loans and letters of credit issued under a first lien secured credit facility (the "First Lien Credit Facility") pursuant to that certain Amended and Restated First Lien Credit and Guaranty Agreement, dated as of June 4, 2018 (as may be amended, amended and restated, supplemented, modified, extended, renewed restated and/or replaced at any time prior to the Petition Date, the "A&R First Lien Credit Agreement"), among New MACH Gen, as borrower, each of MACH Gen GP, LLC, Millennium Power Partners, L.P., New Athens Generating Company, LLC and New Harquahala Generating Company, LLC, as guarantors, CLMG Corp., as First Lien Collateral Agent and Administrative Agent, Beal Bank USA, as a Revolving Credit Lender, the Initial Revolving Issuing Bank and a Term B Lender, and Beal Bank, SSB, as a Term B Lender (together with Beal Bank USA, the "First Lien Lenders").

The A&R First Lien Credit Agreement amended and restated that certain First Lien Credit and Guaranty Agreement dated as of April 28, 2014 (as amended, amended and restated, supplemented, modified, extended, renewed restated and/or replaced at any time prior to the effectiveness of the A&R First Lien Credit Agreement, the "First Lien Credit Agreement"), which was implemented in connection with New MACH Gen's emergence from the Prior Chapter 11 Cases and was outstanding when Talen Energy acquired New MACH Gen in November 2015.

In connection with the execution of the Restructuring Support Agreement, New MACH Gen (1) entered into the A&R First Lien Credit Agreement and (2) obtained an option to enter into an additional amendment to the A&R First Lien Credit Agreement to obtain a short-term $5

million emergency loan (the "Emergency Loan Amendment") from the First Lien Lenders prior to the commencement of the Chapter 11 Cases to provide emergency liquidity.

The A&R First Lien Credit Agreement provides, among other things, (a) a term loan facility in an aggregate principal amount of up to approximately $482 million, and (b) a $200 million working capital revolving credit facility, which was subsequently reduced to $160 million. The revolving credit facility also includes a $50 million sub-facility for the issuance of letters of credit. The term loan facility matures on July 10, 2022 and the revolving credit facility matures on July 10, 2021.

As security for the obligations arising under the A&R First Lien Credit Agreement, New MACH Gen granted first priority liens and security interests in substantially all of its assets and property, including the property of and the equity interests in MACH Gen GP, LLC, Millennium Power Partners, L.P., New Athens Generating Company, LLC and New Harquahala Generating Company, LLC.

The A&R First Lien Credit Agreement, among other things, (1) defers all required payments under the First Lien Credit Facility until the earliest of (a) the Effective Date, (b) the date falling one hundred eighty (180) days after any of New MACH Gen or the Guarantors (as defined in the A&R First Lien Credit Agreement) file for bankruptcy under chapter 11 of the Bankruptcy Code, (c) thirty (30) days after the entry of the DIP Interim Order (or such later date as the Required Lenders (as defined in the DIP Credit Agreement) may approve) if the DIP Final Order has not been entered prior to the expiration of such period, (d) the occurrence of a Termination Date (as defined in the DIP Interim Order and the DIP Final Order) pursuant to clause (ii) of the definition thereof and (e) the date of termination of the Restructuring Support Agreement, (2) adjusted the amount of interest accruing under the First Lien Credit Facility (including the principal amount deemed to be outstanding under the First Lien Credit Facility for purposes of calculating interest thereon) on and after September 30, 2017, and (3) assessed a fee, which fee is payable solely to the extent the Restructuring becomes effective and will be converted into the Term C loan facility under the New First Lien Facilities.

If New MACH Gen enters into the Emergency Loan Amendment, such amendment will provide New MACH Gen the ability to draw an incremental $5 million term loan (the "Emergency Loan") for the purposes of funding critical expenses prior to commencing the Chapter 11 Cases. As of the date hereof, New MACH Gen has not enter into the Emergency Loan Amendment or drawn the Emergency Loan.

Forms of the A&R First Lien Credit Agreement and the Emergency Loan Amendment are attached as Exhibit A to the Restructuring Support Agreement.

As discussed below, the First Lien Lenders have agreed to provide New MACH Gen with a senior secured superpriority debtor-in-possession term loan credit facility in an amount not to exceed $20 million (the "DIP Facility") in order to, subject to Bankruptcy Court approval, (1) fund general corporate purposes of New MACH Gen during the pendency of the Chapter 11 Cases, and (2) repay the Emergency Loan, if applicable. **For additional information regarding**

the debtor-in-possession credit facility, please refer to Section III.C herein entitled, "DIP Facility."

Under the A&R First Lien Credit Agreement, as of June 4, 2018, (a) First Lien Term Loan Claims of approximately $465 million in aggregate principal amount and approximately $23 million in accrued interest remain outstanding, (b) First Lien Revolver Claims of approximately $160 million in aggregate principal amount (including issued letters of credit) and approximately $6.4 million in accrued interest, fees, expenses and other amounts remain outstanding and (c) the Exit Fee (as defined therein) of approximately $49 million remains outstanding. As of June 4, 2018, the First Lien Revolving Credit Facility was fully drawn and no commitments remained unused.

F. *Circumstances Leading to Commencement of Chapter 11 Cases*

1. Industry and Company-Specific Events

As noted above, in November 2015, Talen Energy acquired Old MACH Gen, the parent company of New MACH Gen, for approximately $1.175 billion (including assumption of indebtedness). At the time of acquisition, the Project Companies appeared to be substantial optimization opportunities with compelling future projections. At acquisition closing, MACH Gen was party to the First Lien Credit Agreement with the First Lien Lenders. Specifically, MACH Gen had approximately $475 million outstanding under the secured term loan and approximately $103 million drawn against the $160 million revolving credit facility. Furthermore, MACH Gen had issued approximately $31 million in letters of credit. Despite the highly-leveraged nature of the business at acquisition, Talen Energy forecasted MACH Gen to generate $120 million of EBITDA and $30 million in free cash flow in 2016, the first full year following closing.

Unfortunately, and concurrent with industry-specific events that created a challenging operating environment adversely impacting MACH Gen and its competitors, the 2016 results significantly underperformed with a net loss of approximately $589.8 million. During 2016, the overall cash balance of MACH Gen grew by $80,000, which includes an advance from Talen Energy of $14.5 million. Talen Energy had planned to refinance MACH Gen's outstanding debt and also intended for the newly acquired Project Companies to bear administrative expenses, but was prevented from doing so when the Project Companies – New Athens in particular – encountered unforeseen obstacles. The financial model for New Athens assumed a low price for gas, specifically because the Constitution Pipeline proposed for Pennsylvania and New York was anticipated to enter service in 2016. The pipeline was ultimately delayed because New York State did not issue required water permits. Litigation stemming from non-issuance of permits has prevented the pipeline from being constructed, and is now not expected to enter service until at least 2019. Gas and transmission constraints at New Athens, which were not reflected in the acquisition model, also significantly impacted cash flow.

Furthermore, poor market conditions in the Desert Southwest proved difficult for New Harquahala, which continued to operate at an approximately $10 million per year cash loss. Following the closing of Talen Energy's acquisition of Old MACH Gen, it was also discovered that MACH Gen had unpaid long term service agreement costs that were not reflected in the

original acquisition forecast. Additionally, restrictions in the First Lien Credit Agreement prevented MACH Gen from hedging its expected margins, which resulted in underperformance when market conditions were impacted by external factors, such as weather.

When Talen Energy was taken private in 2016, a combination of new and existing managers was installed at both Talen Energy and New MACH Gen, as well as the Project Debtors and MACH Gen GP. Thereafter, management conducted a detailed review of all aspects of the businesses, identifying significant liquidity constraints for the businesses in 2017. This followed from 2016 underperformance in conjunction with very poor winter market conditions in Q1 of 2017. In recognition of the highly-leveraged nature of MACH Gen's balance sheet and current financial position, MACH Gen's management undertook discussions with the First Lien Lenders in March 2017, which resulted in the Fourth Amendment to the First Lien Credit Agreement, giving MACH Gen the ability to continue drawing on the revolver.

Despite additional funds from the revolver, the businesses continued to face challenges. New Athens showed lower than expected capacity margins due to lower prices in the New York ISO. Lower market prices led to energy margin underperformance at both New Athens and New Millennium in the summer of 2017. Likewise, a micro-burst storm in August 2017 significantly damaged the transmission line of the New Harquahala plant, which resulted in further market losses. Simultaneously, MACH Gen faced significant interest expenses due to the leveraged nature of its balance sheet, which, in combination with the underperforming plants, further impacted MACH Gen's available liquidity.

In attempts to address these issues, management took a number of actions, including efforts to significantly reduce overall future debt service obligations. In connection with this, MACH Gen entered into discussions with the First Lien Lenders in August 2017 regarding a potential restructuring of the First Lien Credit Facility.

2. Restructuring Support Agreement

MACH Gen and its advisors continued to engage extensively with the First Lien Lenders through the fall of 2017 and spring of 2018 in an attempt to consensually restructure the First Lien Credit Facility. After months of good faith and arm's-length negotiations, MACH Gen and the First Lien Lenders agreed in principal to the Restructuring, pursuant to which (1) MACH Gen would transfer New Harquahala to the First Lien Lenders in exchange for the First Lien Loan Reduction (subject to the terms and conditions of the Plan, including the Harquahala Reorganization Annex, and the New First Lien Facilities), (2) the remainder of the First Lien Credit Facility would be refinanced through the New First Lien Facilities, and (3) Talen Energy and its affiliates would provide additional new financing to MACH Gen on a second lien basis through the New Second Lien Facilities. The Restructuring will result in a significantly deleveraged balance sheet that will be aligned with MACH Gen's anticipated go-forward financial performance.

On June 4, 2018, each of MACH Gen and the Support Parties entered into the Restructuring Support Agreement, pursuant to which the Support Parties agreed, subject to the terms and conditions set forth therein, to support the Restructuring and vote to accept the Plan (to

the extent they are entitled to vote under the Plan). Specifically, the Support Parties agreed, as applicable and among other things, to:

- support and cooperate with the MACH Gen Entities to take all commercially reasonable actions necessary to consummate the Restructuring in accordance with the Plan and the terms and conditions of the Restructuring Support Agreement (without limiting consent and approval rights provided in the Restructuring Support Agreement);

- not withdraw, amend, or revoke (or cause to be withdrawn, amended, or revoked) its tender, consent, or vote with respect to the Plan;

- not object to, delay, impede, or take any other action to interfere, directly or indirectly, with the Restructuring, or propose, file, support, or vote for, directly or indirectly, any restructuring, workout, asset sale, or chapter 11 plan for any of the MACH Gen Entities other than the Restructuring and the Plan or the exercise of the First Lien Step-In Right;

- not take any action (or encourage or instruct any other party to take any action) in respect of any potential, actual, or alleged occurrence of any "Default" or "Event of Default" under (and as defined in) the Prepetition First Lien Documents that exists as of the date of the Restructuring Support Agreement and as further described and scheduled therein or that would be triggered as a result of the commencement or pendency of the Chapter 11 Cases or the undertaking of any MACH Gen Entity under the Restructuring Support Agreement to implement the Restructuring through the Chapter 11 Cases;

- support and not object to, delay, impede, or take any other action to interfere, directly or indirectly, with the entry by the Bankruptcy Court of the Interim Financing Order or the Final Financing Order, or propose, file or support, directly or indirectly, any use of cash collateral or debtor-in-possession financing other than as proposed in the Interim Financing Order and the Final Financing Order;

- not take any other action, including, without limitation, initiating or joining in any legal proceeding, that is materially inconsistent with its obligations under the Restructuring Support Agreement;

- use its commercially reasonable efforts to support any reasonable and necessary amendment, waiver, supplement or other modification of the Restructuring Support Agreement and the Definitive Documentation as may be requested by the Bankruptcy court that does not change any material or economic term of the Definitive Documentation;

- no later than five (5) calendar days after the Voting Deadline (such date, the "Siemens Rejection Notice Deadline"), the Consenting Lenders agreed to provide MACH Gen with a written notice (a "Siemens Rejection Notice") of the Consenting Lenders' intention to condition the occurrence of the Effective Date

and Consummation on the rejection of that certain (i) Amended and Restated Term Warranty Contract, by and between Siemens Power Generation, Inc. and New Harq, effective as of September 28, 2017, in respect of the Harquahala project; and/or (ii) SPPA-T3000 Life Cycle Maintenance Program Proposal, dated August 21, 2013, for Harquahala by Siemens Energy, Inc., and related Purchase Orders, dated August 29, 2013, in respect of the Harquahala project (the contracts described in the foregoing clauses (i) and (ii), together, the "Siemens Contracts"); provided that, in the event the Consenting Lenders do not provide MACH Gen with a Siemens Rejection Notice by the Siemens Rejection Notice Deadline, the Siemens Contracts shall then be assumed pursuant to the Plan and the Consenting Lenders shall have no further right to reject the Siemens Contracts or to condition the occurrence of the Effective Date and Consummation on the rejection of the Siemens Contracts (other than in the event of a Talen/Company Walkaway);

- if requested by the Company, the Consenting Lenders agreed to extend the Emergency Loan to the Company pursuant to the terms and conditions set forth in the Restructuring Support Agreement and the Emergency Loan Amendment; and

- upon the occurrence of a Talen/Company Walkaway, cooperate in good faith with the Consenting Lenders as reasonably necessary to allow the First Lien Lenders to exercise the First Lien Step-In Right and seek confirmation of the Plan, including by providing the Consenting Lenders prompt access to any documents, information, employees and physical access to any facility or property in connection therewith.

Pursuant to the Restructuring Support Agreement, MACH Gen agreed, among other things, to:

- support and complete the Restructuring and all transactions set forth in the Plan and the Restructuring Support Agreement;

- negotiate and complete in good faith all definitive documentation contemplated by the Restructuring Support Agreement and take any and all necessary and appropriate actions in furtherance of the Plan and the Restructuring Support Agreement;

- make commercially reasonable efforts to obtain any and all required regulatory and/or third-party approvals for the Restructuring;

- not undertake any action materially inconsistent with the adoption and implementation of the plan and the speedy confirmation thereof;

- use commercially reasonable efforts to support any reasonable and necessary amendment, waiver, supplement or other modification of the Restructuring Support Agreement and the definitive documentation contemplated thereunder, as may be requested by the Bankruptcy Court that does not change any material or economic term of the definitive documentation contemplated thereunder; and

- complete the Restructuring and all transactions set forth in accordance with each of the following milestones, among others:

  - no later than ten (10) calendar days following the RSA Effective Date, the MACH Gen Entities shall file an application for the FERC Order;

  - on the RSA Effective Date, the MACH Gen Entities shall commence solicitation on the Plan by mailing the Solicitation Materials (which may be by e-mail) to the parties eligible to vote on the Plan (such mailing date, the "Solicitation Commencement Date");

  - no later than one (1) Business Day after the Solicitation Commencement Date, parties eligible to vote on the plan must vote to accept or reject the Plan;

  - if at least 66-2/3% in amount and more than half in number of claims that constitute Prepetition First Lien Obligations that have accepted or rejected the Plan vote to accept the Plan, the MACH Gen Entities shall commence the Chapter 11 Cases by filing bankruptcy petitions with the Bankruptcy Court by the date falling six (6) calendar days after the Voting Deadline (the date the Chapter 11 Cases are commenced, the "Petition Date"); provided, however, that if the Company elects to enter into the Emergency Loan Amendment and borrow the Emergency Loan, the MACH Gen Entities shall instead file the Chapter 11 Cases by the tenth (10th) Business Day following the funding of such Emergency Loan (but only if such date occurs prior to the Petition Date otherwise contemplated in Section 6(d) of the Restructuring Support Agreement), unless the Emergency Loan is repaid in full and in cash prior to such date;

  - on the Petition Date or within one (1) calendar day thereof, the MACH Gen Entities shall file with the Bankruptcy Court: (i) the Plan; (ii) the Disclosure Statement; (iii) a motion seeking entry of the Interim Financing Order and the Final Financing Order; (iv) the Assumption Motion; and (v) motions seeking (A) approval of the Disclosure Statement, (b) confirmation of the Plan, and (C) the scheduling of a hearing to consider confirmation of the Plan (the "Confirmation Hearing");

The Restructuring Support Agreement also provides that in the event the Talen Lender, the Talen LC Provider and/or the MACH Gen Entities at any time disclaim their intent, or fail, to diligently pursue the Restructuring, including confirmation of the Plan, in accordance with the terms of the Restructuring Support Agreement (a "Talen/Company Walkaway"), the Consenting Lenders shall have the right, upon notice to the other Parties, to make any modifications to and independently prosecute confirmation of the Plan (the "First Lien Step-In Right"), subject to the terms of the Restructuring Support Agreement.

In addition to certain specified termination events that would, upon occurrence, permit MACH Gen or one or more of the Support Parties to terminate their own respective obligations under the Restructuring Support Agreement, the Restructuring Support Agreement will automatically terminate upon the earlier to occur of: (i) the occurrence of the Consummation Date; and (ii) 180 calendar days after the Petition Date.

On June 4, 2018, the Restructuring Support Agreement became effective, having been executed by (a) each MACH Gen Entity, (b) Consenting First Lien Holders representing at least two-thirds in principal amount of all First Lien Revolver Claims and at least two-thirds in principal amount of all First Lien Term Loan Claims and more than one-half in number of all holders of all First Lien Revolver Claims and more than one-half in number of all holders of First Lien Term Loan Claims, and (c) Consenting Equity Holders representing at least 75% in amount of all issued and outstanding Interests in New MACH Gen, LLC.

SECTION III.
ANTICIPATED EVENTS DURING CHAPTER 11 CASES

A. *Overview of Chapter 11*

Chapter 11 is the principal business reorganization chapter of the Bankruptcy Code. Under chapter 11, a debtor is authorized to reorganize its business for the benefit of its creditors and estates. In addition to permitting the rehabilitation of a debtor, another goal of chapter 11 is to promote the equality of treatment of similarly-situated creditors and equity interest holders with respect to the distribution of a debtor's assets. In furtherance of these two goals, section 362 of the Bankruptcy Code generally provides for, upon the filing of a petition for relief under chapter 11, an automatic stay of substantially all acts and proceedings against a debtor and its property, including all attempts to collect claims or enforce liens that arose prior to the commencement of the debtor's chapter 11 case.

The commencement of a case under chapter 11 creates an estate comprising all of the debtor's legal and equitable interests as of the petition date. The Bankruptcy Code provides that

the debtor may continue to operate its business and remain in possession of its property as a "debtor-in-possession."

The consummation of a plan is the principal objective of a chapter 11 case. A chapter 11 plan sets forth the means for satisfying claims against and interests in the debtor. Confirmation of a plan by the bankruptcy court makes the plan binding, subject to the occurrence of an effective date, upon the debtor, any issuer of securities under the plan, any person acquiring property under the plan, and any creditor or equity interest holder of a debtor. Subject to certain limited exceptions, the order approving confirmation of a plan discharges a debtor from any debt that arose prior to the date of confirmation of the plan and substitutes the obligations specified under the confirmed plan.

The Bankruptcy Code expressly authorizes a debtor to solicit votes for the acceptance of a plan prior to the filing by the debtor of a chapter 11 case. Certain holders of claims against, or interests in, a debtor are permitted to vote to accept or reject the plan. Prior to soliciting acceptances of the proposed plan, sections 1125(a) and 1126(b) of the Bankruptcy Code require a plan proponent to prepare and distribute a disclosure statement containing adequate information of a kind, and in sufficient detail, to enable a hypothetical reasonable investor to make an informed judgment whether to accept or reject the plan.

Because no chapter 11 cases have yet been commenced, this Disclosure Statement has not yet been approved by any bankruptcy court with respect to whether it contains adequate information within the meaning of section 1125(a) of the Bankruptcy Code. If the Chapter 11 Cases are subsequently commenced as currently contemplated, MACH Gen expects to promptly seek entry of an order of the Bankruptcy Court approving this Disclosure Statement pursuant to section 1125 of the Bankruptcy Code and determining that the solicitation of votes on the Plan by means of this Disclosure Statement was in compliance with section 1125(a) of the Bankruptcy Code.

B. *First-Day Relief*

Upon commencement of the Chapter 11 Cases, MACH Gen expects to seek entry of an order authorizing procedural consolidation and joint administration of the Chapter 11 Cases. Joint administration will provide significant administrative convenience without harming the rights of any party in interest.

MACH Gen intends to continue to operate its businesses throughout the Chapter 11 Cases in the ordinary course, as it had prior to the commencement thereof, and expects to seek certain "first-day" relief from the Bankruptcy Court for authority to do so. The following are descriptions of the "first-day" motions that MACH Gen currently expects to file upon commencement of the Chapter 11 Cases. As a result of further consideration, however, MACH Gen may, subject to its obligations under the Restructuring Support Agreement, determine to file other motions or omit certain motions. The following list should therefore not be considered final or exhaustive.

Motion for Entry of Order Authorizing MACH Gen's Continued Use of Its Existing Cash Management Systems

MACH Gen expects to seek entry of an order authorizing it, subject to the requirements of the DIP Orders, to continue using its existing cash management system, bank accounts, business forms, and to continue conducting intercompany transactions in the ordinary course. Absent the Bankruptcy Court's authorization of the continued use of its prepetition cash management system, MACH Gen would face unnecessary difficulty in managing its cash flow and operations during the course of the Chapter 11 Cases, potentially to the detriment of its estates.

Motion for Entry of Order Authorizing Ordinary Course Payment of Prepetition Claims of General Unsecured Creditors

In the ordinary course of its businesses, MACH Gen relies on a range of materials, equipment, and services from a limited number of vendors and contractors. Although MACH Gen expects to pay all such obligations in full pursuant to the Plan, some of its vendors and contractors may nonetheless seek to terminate their relationship with MACH Gen or alter payment terms, to the detriment of MACH Gen's estates, in the event that MACH Gen fails to timely honor outstanding obligations as they become due. To avoid the potentially detrimental effects of any such party's efforts to terminate its relationship with MACH Gen and to ensure uninterrupted operations and a seamless transition through the Chapter 11 Cases, MACH Gen expects to seek entry of an order authorizing it to pay, in the ordinary course of business, the allowed, fixed, liquidated, noncontingent, and undisputed prepetition claims of holders of unsecured claims.

Motion for Entry of Order Authorizing Payment of Taxes and Regulatory Expenses in Ordinary Course of Business

Although MACH Gen expects to pay all taxes and regulatory obligations in full pursuant to the Plan, in order to minimize the potential disruption to its businesses during the Chapter 11 Cases, MACH Gen expects to seek entry of an order authorizing it to pay prepetition sales taxes, use taxes, and property taxes, regardless of when incurred, to the appropriate taxing, licensing, and other governmental authorities and to continue to honor related obligations (including the posting of additional collateral, if necessary) in the ordinary course of MACH Gen's businesses and consistent with its past practices.

Motion for Entry of Order Authorizing Payment and Adequate Assurance to Utilities and Prohibit Alterations or Discontinuance of Utility Services to MACH Gen

MACH Gen obtains electricity, natural gas, water, telephone, and other services from several utility companies or their brokers, which are essential to the everyday operations of the Facilities. MACH Gen expects to seek entry of an order (i) approving, as adequate assurance of payment for the utility companies, a cash deposit equal to approximately half of MACH Gen's average aggregate monthly cost for utility services, (ii) authorizing MACH Gen to continue to pay the prepetition and postpetition claims of the utility companies as they become due in the

ordinary course of business, and (iii) prohibiting utility companies from altering, refusing, or discontinuing services to MACH Gen.

Motion for Entry of Order Authorizing MACH Gen to Maintain and Honor Insurance Policies in Ordinary Course of Business

MACH Gen maintains various insurance policies, essential to its ability to conduct its operations and to preserve the value of its business, properties, and assets. Maintenance of insurance is also required under the laws of the various states in which MACH Gen operates and pursuant to the terms of material agreements to which the MACH Gen Entities are parties. Accordingly, MACH Gen expects to seek entry of an order authorizing it to continue to honor obligations under and related to its insurance policies, and to renew, replace, extend, supplement, modify, or obtain its insurance coverage.

C. *DIP Facility*

In connection with the Restructuring Support Agreement, and after arms-length negotiations with MACH Gen and the Consenting Equity Holders, the Consenting First Lien Holders agreed to provide a the DIP Facility in an aggregate principal amount not to exceed $20 million, which will be provided on substantially the same economic terms as those contained in the First Lien Credit Agreement (as amended by the Prepetition Amendment), except that it will contain such terms and conditions as are customary for a debtor-in-possession financing facility. New MACH Gen will be the borrower under the DIP Facility, which will be guaranteed by each of the other MACH Gen Entities. Subject to approval by the Bankruptcy Court, the proceeds of the DIP Facility will be used, among other things, for general corporate purposes during the pendency of the Chapter 11 Cases, in accordance with the terms of the DIP Orders and a debtor-in-possession credit and guaranty agreement (the "DIP Credit Agreement") and subject to a budget.

Moreover, as the DIP Facility has been agreed in connection with the Restructuring, a failure to meet certain milestones under the Restructuring Support Agreement, among other things, could trigger an event of default and the payment of default interest as specified under the terms of the DIP Facility. Consistent with the terms of the Restructuring Support Agreement, MACH Gen expects to file a motion on the Petition Date seeking entry of two orders, in the forms attached as Exhibits E and F to the Restructuring Support Agreement (collectively, the "DIP Orders"), approving, on an interim basis and a final basis, respectively, (i) MACH Gen's entry into the DIP Facility and (ii) MACH Gen's use of the cash collateral of the First Lien Lenders during the pendency of the Chapter 11 Cases. In addition, MACH Gen will seek approval of certain superpriority liens and claims to be granted to the DIP Agent pursuant to the DIP Orders, as well as certain adequate protection liens and claims for the benefit of the First Lien Lenders, whose prepetition liens will be "primed" by those granted to the DIP Agent in connection with the DIP Facility. The motion will also seek the scheduling of a hearing to consider approval of the DIP Facility on a final basis.

Additional information regarding the DIP Facility may be found in the forms of DIP Orders attached as Exhibits E and F to the Restructuring Support Agreement.

D. *The Harquahala Reorganization*

A key component of the Restructuring is the sale by New MACH Gen of New Harquahala to the First Lien Lenders pursuant to the Plan. Specifically, MACH Gen and its advisors engaged in extensive good faith and arm's-length negotiations with the First Lien Lenders in order to achieve a global restructuring of MACH Gen's prepetition indebtedness, resulting in, among other things, the First Lien Loan Reduction (subject to the terms and conditions of the Plan, including the Harquahala Reorganization Annex, and the New First Lien Term Loans) in exchange for the sale of New Harquahala to the First Lien Lenders and the agreement by the First Lien Lenders to extend credit on a post-petition basis as set forth in the New First Lien Facilities. MACH Gen will seek the Bankruptcy Court's approval of the Harquahala Reorganization in connection with confirmation of the Plan.

E. *Confirmation of the Plan and Assumption of the Restructuring Support Agreement*

MACH Gen expects to file, on the Petition Date, a motion for entry of an order scheduling a combined hearing on the adequacy of this Disclosure Statement, approval of the prepetition solicitation procedures and related notices and objection deadlines, as well as confirmation of the Plan.

Additionally, on the Petition Date, MACH Gen expects to file a motion to assume the Restructuring Support Agreement pursuant to section 365 of the Bankruptcy Code.

For additional information regarding the confirmation process and requirements, please refer to the discussion in Section VI herein entitled, "Confirmation of Plan."

SECTION IV.
JOINT PREPACKAGED CHAPTER 11 PLAN

A. *Summary of Plan*

1. Administrative Expenses and Other Unclassified Claims

In accordance with section 1123(a)(1) of the Bankruptcy Code, Administrative Expenses, DIP Claims, and Priority Tax Claims have not been classified and, thus, are excluded from the Classes of Claims and Interests set forth in Article III of the Plan.

a. General Administrative Expenses

Each holder of an Allowed General Administrative Expense, to the extent such Allowed General Administrative Expense has not already been paid during the Chapter 11 Cases and without any further action by such holder, shall receive, in full satisfaction of its General Administrative Expense, Cash equal to the Allowed amount of such General Administrative Expense on the Effective Date (or, if payment is not then due, then in MACH Gen's ordinary course of business), unless otherwise agreed by (i) the holder of such General Administrative Expense, and (ii) MACH Gen or, solely in the case of a First Lien Step-In Scenario, the Consenting Lenders; provided, that in the event that any such agreement under Article II.A of the Plan with respect to the treatment of an Allowed General Administrative Expense would not be

in accordance with the Approved Budget (as defined in the DIP Credit Agreement or the New First Lien Credit Agreement, as applicable), then such treatment shall only be allowed if MACH Gen has provided written assurances to the Consenting Lenders that are satisfactory, in the Consenting Lenders' sole discretion, to establish that the amount and validity of the relevant Allowed General Administrative Expense is correct in accordance with applicable law.

b. Professional Fees

(i) Final Fee Applications

All final requests for payment of Professional Fees incurred prior to the Effective Date must be filed with the Bankruptcy Court and served on Reorganized MACH Gen no later than forty-five (45) days after the Effective Date, unless Reorganized MACH Gen, agrees otherwise in writing. Objections to Professional Fees must be filed with the Bankruptcy Court and served on Reorganized MACH Gen and the applicable Professional no later than seventy-five (75) days after the Effective Date. After notice and a hearing in accordance with the procedures established by the Bankruptcy Code and any prior orders of the Bankruptcy Court in the Chapter 11 Cases, the Allowed amounts of such Professional Fees shall be determined by the Bankruptcy Court.

For the avoidance of doubt, the immediately preceding paragraph shall not affect any professional-service Entity that is permitted to receive, and MACH Gen is permitted to pay without seeking further authority from the Bankruptcy Court, compensation for services and reimbursement of expenses in the ordinary course of MACH Gen's businesses (and in accordance with any relevant prior order of the Bankruptcy Court), which payments may continue notwithstanding the occurrence of Confirmation.

(ii) Post-Effective Date Fees and Expenses

On the Effective Date, any requirement that Professionals comply with sections 327 through 331 and 1103 of the Bankruptcy Code in seeking retention or compensation for services rendered after such date shall terminate, and Reorganized MACH Gen and Reorganized New Harquahala may employ and pay any Professional in the ordinary course of business without any further notice to or action, order or approval of the Bankruptcy Court.

c. DIP Claims

The DIP Claims shall be Allowed in the aggregate principal amount of $20,000,000 (or such lesser amount actually drawn under the DIP Facility), plus any interest, fees, expenses, and other amounts due and owing pursuant to the DIP Credit Agreement and the DIP Orders as of the Effective Date. Pursuant to the terms of the DIP Facility, each holder of an Allowed DIP Claim shall, in full and final satisfaction, settlement, release, and discharge of, and in exchange for, its Allowed DIP Claim, receive payment in full in Cash on the Effective Date, provided, that in the event of the First Lien Step-In Scenario, the Allowed DIP Claims will be deemed satisfied by the receipt by each holder of an Allowed DIP Claim of a distribution of its Pro Rata share relative to all Allowed DIP Claims, Class 3A Claims, and Class 3B Claims (or such other allocation as may be determined by the First Lien Lenders and DIP Lenders in their sole discretion) of 100% of the Interests in Reorganized MACH Gen. Pursuant to the Restructuring Support Agreement, each

holder of an Allowed DIP Claim shall be deemed to have consented to receive such proposed treatment for its DIP Claim that is different from the treatment set forth in the Bankruptcy Code, on the terms set forth in the Restructuring Support Agreement.

d. Priority Tax Claims

Except to the extent that a holder of an Allowed Priority Tax Claim agrees to a less favorable treatment, in full and final satisfaction, settlement, release, and discharge of, and in exchange for, each Allowed Priority Tax Claim, each holder of such Allowed Priority Tax Claim shall be treated in accordance with the terms set forth in section 1129(a)(9)(C) of the Bankruptcy Code. In the event an Allowed Priority Tax Claim also is secured, such Claim shall, to the extent it is Allowed, be treated as an Other Secured Claim if such Claim is not otherwise paid or satisfied in full.

2. Classification and Treatment of Claims and Interests

a. Classification of Claims and Interests

Claims and Interests, except for Administrative Expenses, DIP Claims, and Priority Tax Claims, are classified in the Classes set forth in Article III of the Plan. A Claim or Interest is classified in a particular Class only to the extent that the Claim or Interest qualifies within the description of that Class and is classified in other Classes to the extent that any portion of the Claim or Interest qualifies within the description of such other Classes. A Claim or Interest also is classified in a particular Class for the purpose of receiving distributions pursuant to the Plan only to the extent that such Claim is an Allowed Claim or Allowed Interest, as applicable, in that Class. To the extent a specified Class does not include any Allowed Claims or Allowed Interests, as applicable, then such Class shall be deemed not to exist.

The Plan constitutes a separate chapter 11 plan of reorganization for each MACH Gen Entity. Pursuant to section 1122, the classification of Claims and Interests is as follows:

3. Acceptance or Rejection of Plan

a. Voting Classes

Classes 3A and 3B, 4 are entitled to vote to accept or reject the Plan. By operation of section 1126(e) of the Bankruptcy code, Classes 1, 2, 4, 5, and 6 are deemed to have either accepted or rejected the Plan and are not entitled to vote.

An Impaired Class of Claims shall be deemed to have accepted the Plan if, not counting any holder designated pursuant to section 1126(e) of the Bankruptcy Code, (i) holders of at least two-thirds in amount of the Allowed Claims held by holders who actually voted in such Class have voted to accept the Plan, and (ii) holders of more than one-half in number of the Allowed Claims held by holders who actually voted in such Class have voted to accept the Plan.

b. Non-Consensual Confirmation

To the extent that any Impaired Class rejects the Plan or is deemed to have rejected the Plan, the Plan Proponents may request confirmation of the Plan pursuant to section 1129(b) of the Bankruptcy Code. The Plan Proponents reserve the right to alter, amend, modify, revoke, or withdraw the Plan or any document in the Plan Supplement, including to amend or modify it to satisfy the requirements of section 1129(b) of the Bankruptcy Code, subject in each instance to the Restructuring Support Agreement.

c. Subordinated Claims

The allowance, classification, and treatment of all Allowed Claims and Allowed Interests and the respective distributions and treatments under the Plan take into account and conform to the relative priority and rights of the Claims and Interests in each Class in connection with any contractual, legal, and equitable subordination rights relating thereto, whether arising under general principles of equitable subordination, section 510(b) of the Bankruptcy Code, or

otherwise. Pursuant to section 510 of the Bankruptcy Code, the Plan Proponents reserve the right to re-classify any Allowed Claim or Interest in accordance with any contractual, legal, or equitable subordination relating thereto.

4. Means for Implementation of Plan

a. General Settlement of Claims and Interests

As discussed in detail in this Disclosure Statement and as otherwise provided the Plan, pursuant to section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, and in consideration for the classification, distributions, releases, and other benefits provided under the Plan, on the Effective Date, the provisions of the Plan shall constitute a good faith compromise and settlement of all Claims and Interests and controversies resolved pursuant to the Plan. All distributions made to holders of Allowed Claims in any Class and Interests in accordance with the Plan are intended to be, and shall be, final.

b. Restructuring Transactions

On the Confirmation Date, subject to and consistent with the terms of its obligations under the Plan and the Restructuring Support Agreement, and subject to the rights of the parties to the Restructuring Support Agreement, the Plan Proponents shall be authorized to enter into such transactions and take (or cause the MACH Gen Entities to take) such other actions as may be necessary or appropriate to effect a corporate and other Entity restructuring of the MACH Gen businesses, to otherwise simplify the overall corporate and other Entity structure of MACH Gen, or to reincorporate or reorganize certain of the MACH Gen Entities under the laws of jurisdictions other than the laws of which such MACH Gen Entities currently are incorporated or formed, which restructuring may include one or more mergers, consolidations, dispositions, liquidations or dissolutions, as may be determined by the Plan Proponents to be necessary or appropriate to result in substantially all of the respective assets, properties, rights, liabilities, duties and obligations of certain of the MACH Gen Entities vesting in one or more surviving, resulting or acquiring entities (collectively, the "Restructuring Transactions"). Except with respect to Reorganized New Harquahala, as provided in the Plan, in each case in which the surviving, resulting or acquiring Entity in any such transaction is a successor to a MACH Gen Entity, such surviving, resulting or acquiring Entity will perform the obligations of such MACH Gen Entity pursuant to the Plan to pay or otherwise satisfy the Allowed Claims against such MACH Gen Entity, except as provided in any contract, instrument or other agreement or document effecting a disposition to such surviving, resulting or acquiring Entity, which may provide that another MACH Gen Entity will perform such obligations.

In effecting the Restructuring Transactions, the Plan Proponents shall be permitted to (or cause the MACH Gen Entities to): (1) execute and deliver appropriate agreements or other documents of merger, consolidation, restructuring, disposition, liquidation, or dissolution containing terms that are consistent with the terms of the Plan and the Restructuring Support Agreement and that satisfy the requirements of applicable state law and such other terms to which the applicable Entities may agree; (2) execute and deliver appropriate instruments of transfer, assignment, assumption or delegation of any asset, property, right, liability, duty or obligation on terms consistent with the terms of the Plan and having such other terms to which

the applicable Entities may agree; (3) file appropriate certificates or articles of merger, consolidation or dissolution pursuant to applicable state law; and (4) take all other actions that the applicable Entities determine to be necessary or appropriate, including making filings or recordings that may be required by applicable state law in connection with such transactions.

The terms of the Restructuring Transactions shall be structured to preserve favorable tax attributes, if any, of the MACH Gen Entities, including New Harquahala, to the extent such structure is not detrimental to the First Lien Lenders and Talen. If by the First Lien Lenders, the Plan may be effected by, or include, a taxable sale of some or all of New Harquahala's assets to one or more new holding companies that are (1) owned in whole or in part by or for the holders of the First Lien Claims and (2) either taxable as corporations or are owned directly or indirectly by one or more Entities that are taxable as corporations for U.S. federal income tax purposes.

c. Sources of Consideration for Plan Distributions

(i) Cancellation and Issuances of Interests in Certain Debtors

If the First Lien Step-In Scenario does not occur, on the Effective Date, 100% of the Interests in New Harquahala shall be cancelled and the holders of the First Lien Claims (or their designee) shall receive their Pro Rata share of 100% of the Interests in Reorganized New Harquahala in exchange for their Pro Rata share of the First Lien Loan Reduction (subject to the terms and conditions of the New First Lien Term Loans). The Confirmation Order shall authorize the transfer of 100% of the Equity Interests of Reorganized New Harquahala, including all Harquahala Assets, as set forth in the Plan including on the terms and conditions set forth in Schedule B thereof, to the holders of the First Lien Claims (or their designee), free and clear of all Liens, Claims, charges, or other encumbrances under sections 105(a), 363, 1123(b)(4), 1145, and 1146(a) of the Bankruptcy Code except to the extent otherwise set forth in the Plan.

In the event of a First Lien Step-In Scenario, on the Effective Date, 100% of the Interests in New MACH Gen, LLC shall be cancelled and the holders of the First Lien Claims and the holders of the DIP Claims (or their respective designees) shall each receive their Pro Rata share of 100% of the Interests in Reorganized New MACH Gen, LLC in exchange for the First Lien Claims and the DIP Claims. The Confirmation Order shall authorize the transfer of Reorganized MACH Gen and each Reorganized MACH Gen Entity to the holders of the First Lien Claims and the holders of the DIP Claims (or their respective designees), free and clear of all Liens, Claims, charges, or other encumbrances under sections 105(a), 363, 1123(b)(4), 1145, and 1146(a) of the Bankruptcy Code except to the extent otherwise expressly set forth in the Plan.

Confirmation shall be deemed approval of the issuance of the Interests in Reorganized New Harquahala or Reorganized New MACH Gen, LLC as applicable, and the transactions contemplated thereby, and all actions to be taken, undertakings to be made, and obligations to be incurred with respect thereto, and MACH Gen, Reorganized MACH Gen, Reorganized New Harquahala, the holders of the First Lien Claims, and the holders of the DIP Claims, as applicable, are authorized to execute and deliver those documents necessary or appropriate to consummate the issuance of Interests without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order, or rule or vote, consent, authorization, or

approval, subject to such modifications as Reorganized MACH Gen, Reorganized New Harquahala, the holders of the First Lien Claims, or the holders of the DIP Claims, as applicable, may mutually agree to be necessary to consummate the transaction.

All of the securities issued or transferred pursuant to the Plan shall be duly authorized, validly issued, and fully paid, and non-assessable. Each distribution and issuance referred to in Article VII of the Plan shall be governed by the terms and conditions set forth in the Plan applicable to such distribution or issuance, and by the terms and conditions of the instruments evidencing or relating to such distributions or issuance, which terms and conditions shall bind each Entity receiving such distribution or issuance.

(ii) Cash

Reorganized MACH Gen shall fund all distributions under the Plan required to be paid in Cash with Cash on hand, including Cash from operations and any Cash received on the Effective Date, including pursuant to the New Second Lien Facility or the New First Lien Facilities. Unless the First Lien Step-In Scenario occurs, all Allowed General Administrative Expense Claims, Allowed DIP Claims, Allowed Priority Tax Claims, Allowed Priority Non-Tax Claims, Allowed Other Secured Claims, and Allowed Unsecured Claims, including all such Claims of New Harquahala, shall be paid by Reorganized MACH Gen.

(iii) New First Lien Facilities

Pursuant to Article III.B of the Plan, certain distributions to holders of Allowed Class 3A and Class 3B Claims shall be made in the form of the New First Lien Term Loans and the New First Lien Revolver issued pursuant to the New First Lien Facilities. On the Effective Date, Reorganized MACH Gen shall enter into the New First Lien Facilities. Confirmation shall be deemed approval of the New First Lien Facilities, to the extent not approved by the Bankruptcy Court previously (including the transactions contemplated thereby, and all actions to be taken, undertakings to be made, and obligations to be incurred and fees paid by MACH Gen or Reorganized MACH Gen in connection therewith) and Reorganized MACH Gen is authorized to execute and deliver those documents necessary or appropriate to obtain the New First Lien Facilities, including the New First Lien Facilities Documents, without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order, rule, vote, consent, authorization, or approval, subject to such modifications as Reorganized MACH Gen, and the New First Lien Agent may mutually agree to be necessary to consummate the New First Lien Facilities. The provisions of Article V.C.3 of the Plan shall apply only in the event that the First Lien Step-In Scenario does not occur.

(iv) New Second Lien Facility

In order to provide working capital to Reorganized MACH Gen and to make any Cash payments contemplated on the Effective Date, each of the Reorganized MACH Gen Entities shall enter into the New Second Lien Facility. Confirmation shall be deemed approval of the New Second Lien Facility, to the extent not approved by the Bankruptcy Court previously (including the transactions contemplated thereby, and all actions to be taken, undertakings to be

made, and obligations to be incurred and fees paid by MACH Gen or Reorganized MACH Gen in connection therewith) and Reorganized MACH Gen is authorized to execute and deliver those documents necessary or appropriate to obtain the New Second Lien Facilities, including the New Second Lien Facility Documents, without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order, or rule or vote, consent, authorization, or approval, subject to such modifications as Reorganized MACH Gen and the New Second Lien Agent may mutually agree to be necessary to consummate the New Second Lien Facilities. The provisions of Article V.C.4 of the Plan shall apply only in the event that the First Lien Step-In Scenario does not occur.

d. First Lien Step-In Right

Pursuant to the DIP Orders, including the notice requirements set forth therein, upon the occurrence of an Event of Default under the DIP Credit Agreement resulting from a Talen/Company Walkaway, the MACH Gen Entities' exclusive right pursuant to section 1121 of the Bankruptcy Code to file and solicit acceptance of a plan of reorganization shall be deemed automatically modified without further court order to allow the First Lien Lenders to exercise the First Lien Step-In Right, including, without limitation, to make any modifications to, and to prosecute Confirmation of, the Plan as the sole Plan Proponent.

In the event the First Lien Lenders exercise their First Lien Step-In Right, upon Confirmation and Consummation of the Plan, the Holders of DIP Claims and the Holders of Claims in Classes 3A, 3B, 5, and 6 shall receive the treatment provided for such claims in the First Lien Step-In Scenario as set forth in Articles II.C, III.B.3, III.B.4, III.B.6, and III.B.7 of the Plan.

As provided in the DIP Order and Restructuring Support Agreement, upon the occurrence of a Talen/Company Walkaway, MACH Gen shall cooperate in good faith with the Consenting Lenders as reasonably necessary to allow them to exercise the First Lien Step-In Right and seek Confirmation and Consummation of the Plan, including by providing the Consenting Lenders prompt access to any documents, information, employees and physical access to any facility or property in connection therewith.

e. O&M Reimbursement

On the Effective Date, the First Lien Lenders shall reimburse or pay to Reorganized MACH Gen all reasonable and documented out-of-pocket O&M Expenses incurred, accrued, and paid by MACH Gen in the ordinary course of business and in accordance with Prudent Operating Practices, from the date the Restructuring Support Agreement is executed until the Effective Date, in an amount not to exceed $3,000,000 in the aggregate; provided that in the event of a First Lien Step-In Scenario, or if the Effective Date does not occur, the First Lien Lenders shall have no obligation to reimburse or pay to MACH Gen or Reorganized MACH Gen any such O&M Expenses, and all such O&M Expenses will remain the sole obligation of MACH Gen.

Subject to the preceding paragraph, at least five (5) Business Days, but not more than seven (7) Business Days prior to the Effective Date, MACH Gen shall prepare and deliver to the

First Lien Agent a statement (the "**Estimated Expense Statement**") setting forth MACH Gen's good faith estimate of the amount of the O&M Expenses. During the period after the delivery of the Estimated Expense Statement and prior to the Effective Date, the First Lien Lenders shall have an opportunity to review the Estimated Expense Statement and MACH Gen shall provide the First Lien Lenders and their representatives with reasonable access, during normal business hours, to MACH Gen's accounting and other personnel and to the records of MACH Gen, as the case may be, and any other document or information reasonably requested by the First Lien Lenders in order to allow the First Lien Lenders and their representatives to verify the accuracy of the Estimated Expense Statement. During the period after the delivery of the Estimated Expense Statement until the date that is two (2) Business Days prior to the Effective Date, the First Lien Lenders may object to the Estimated Expense Statement in reasonable detail in which case the First Lien Lenders and MACH Gen shall cooperate in good faith to mutually agree upon the Estimated Expense Statement; *provided*, that, if the First Lien Lenders and MACH Gen are not able to reach mutual agreement on the amount of O&M Expenses prior to the Effective Date, the First Lien Lenders shall pay only the undisputed amount of such O&M Expenses on the Effective Date and the First Lien Lenders and MACH Gen shall cooperate in good faith to agree upon any disputed O&M Expenses following the Effective Date.

f. Corporate Existence

Except as otherwise provided in the Plan, each MACH Gen Entity shall continue to exist after the Effective Date as a separate limited liability company, limited partnership, or other form, as the case may be, with all the powers of a limited liability company, limited partnership, or other form, as the case may be, pursuant to the applicable law in the jurisdiction in which each applicable MACH Gen Entity is incorporated or formed and pursuant to the respective limited liability company agreement, operating agreement, limited partnership agreement (or other formation documents) in effect prior to the Effective Date, except to the extent such formation documents are amended under the Plan or otherwise, and to the extent such documents are amended, such documents are deemed to be amended pursuant to the Plan and require no further action or approval (other than any requisite filings required under applicable law).

g. Vesting of Assets in Reorganized MACH Gen

Except as otherwise provided in the Plan, on the Effective Date, all property in each Estate, all Causes of Action (other than Excluded Actions) and any property acquired by MACH Gen pursuant to the Plan shall vest in each respective Reorganized MACH Gen Entity, or Reorganized New Harquahala, as applicable, free and clear of all Liens, Claims, charges, or other encumbrances. On and after the Effective Date, except as otherwise provided in the Plan, each Reorganized MACH Gen Entity and Reorganized New Harquahala may operate its respective businesses and may use, acquire, or dispose of property and compromise or settle any Claims, Interests, or Causes of Action without supervision or approval by the Bankruptcy Court, and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules.

h. Cancellation of Loans, Securities, and Agreements

The members of the New Boards will be identified in the Plan Supplement, together with biographical information. If any such director, manager, or officer of Reorganized MACH Gen and Reorganized New Harquahala is an "insider" under the Bankruptcy Code, MACH Gen also will disclose the nature of any compensation to be paid to such director or officer. Each such director, manager, and officer shall serve from and after the Effective Date pursuant to the terms of the New Organizational Documents and other constituent documents of Reorganized MACH Gen and Reorganized New Harquahala.

n. Preservation of Causes of Action

In accordance with section 1123(b) of the Bankruptcy Code, but subject in all respects to Article IX of the Plan, Reorganized MACH Gen and Reorganized New Harquahala, as applicable, shall retain, and may enforce, all rights to commence and pursue, as appropriate, any and all Preserved Causes of Action, whether arising before or after the Petition Date, including any actions specifically identified in the Plan Supplement, and Reorganized MACH Gen's and Reorganized New Harquahala's, as applicable, rights to commence, prosecute, settle, or assert as a defense such Preserved Causes of Action shall be preserved notwithstanding the occurrence of the Effective Date. Reorganized MACH Gen or Reorganized New Harquahala, as applicable, may pursue such Preserved Causes of Action, as appropriate, in accordance with the best interests of Reorganized MACH Gen or Reorganized New Harquahala, as applicable. No Entity may rely on the absence of a specific reference in the Plan, the Plan Supplement, or the Disclosure Statement to any Preserved Cause of Action against it as any indication that MACH Gen, Reorganized MACH Gen, or Reorganized New Harquahala, as applicable, will not, or may not, pursue any and all available Preserved Causes of Action against it. MACH Gen, Reorganized MACH Gen, or Reorganized New Harquahala, as applicable, expressly reserves all rights to prosecute any and all Preserved Causes of Action against any Entity. Unless any Preserved Causes of Action against an Entity are expressly waived, relinquished, exculpated, released, compromised, or settled in the Plan or a Bankruptcy Court order, Reorganized MACH Gen and Reorganized New Harquahala, as applicable, expressly reserves all Preserved Causes of Action for later adjudication, and, therefore, no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches shall apply to such Preserved Causes of Action upon, after, or as a consequence of, the Confirmation or Consummation.

In accordance with section 1123(b)(3) of the Bankruptcy Code, any Preserved Causes of Action that a MACH Gen Entity may hold against any Entity shall vest in Reorganized MACH Gen or Reorganized New Harquahala, as applicable. The applicable Reorganized MACH Gen Entity or Entities or Reorganized New Harquahala, as applicable, through their authorized agents

or representatives, shall retain and may exclusively enforce any and all such Preserved Causes of Action. Reorganized MACH Gen or Reorganized New Harquahala, as applicable, shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Preserved Causes of Action and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court.

5. Treatment of Executory Contracts and Unexpired Leases

a. Assumption of Executory Contracts and Unexpired Leases

On the Effective Date, except as otherwise ordered by the Bankruptcy Court, provided in the Plan, or identified in the Plan Supplement as being rejected, all Executory Contracts and Unexpired Leases of MACH Gen, shall be deemed assumed in accordance with the provisions and requirements of sections 365 and 1123 of the Bankruptcy Code. Entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of such assumptions pursuant to sections 365(a) and 1123 of the Bankruptcy Code. Any motions to assume or reject Executory Contracts or Unexpired Leases pending on the Effective Date shall be subject to approval by the Bankruptcy Court on or after the Effective Date by a Final Order. As set forth in Article X.B.7. of the Plan, the First Lien Lenders shall, in their sole discretion, have the right to condition the occurrence of the Effective Date and Consummation on the resolution of any motion to assume or reject the Executory Contracts or Unexpired Leases set forth on Schedule A of the Plan. Each Executory Contract and Unexpired Lease assumed pursuant to Article VI.A of the Plan or by any order of the Bankruptcy Court, which has not been assigned to a third party prior to the Confirmation Date, shall revest in, and be fully enforceable by, Reorganized MACH Gen or Reorganized New Harquahala, with respect to Executory Contracts that relate to Harquahala and are expressly assumed in the Plan Supplement, in accordance with its terms, except as such terms are modified by the provisions of the Plan or any order of the Bankruptcy Court authorizing and providing for its assumption under applicable federal law.

b. Rejection of Executory Contracts and Unexpired Leases

At least ten (10) days prior to the Confirmation Hearing, to the extent not previously filed with the Bankruptcy Court and served on affected counterparties, the Plan Proponents shall provide notices of any Executory Contracts or Unexpired Leases to be rejected to the applicable contract and lease counterparties. Unless otherwise provided by a Final Order of the Bankruptcy Court, all Proofs of Claim with respect to Claims arising from the rejection of Executory Contracts or Unexpired Leases, pursuant to the Plan or the Confirmation Order, if any, must be filed with the Notice and Claims Agent and served on the Plan Proponents no later than thirty (30) days after the effective date of such rejection.

Any Claims arising from the rejection of an Executory Contract or Unexpired Lease not Filed with the Notice and Claims Agent within such time will be automatically disallowed, forever barred from assertion, and shall not be enforceable against MACH Gen, Reorganized MACH Gen, Reorganized New Harquahala, the Estates, or their property, without the need for any objection by the Plan Proponents, Reorganized MACH

Gen or Reorganized New Harquahala, or further notice to, action, order, or approval of the Bankruptcy Court or any other Entity, and any Claim arising out of the rejection of the Executory Contract or Unexpired Lease shall be deemed fully satisfied, released, and discharged, and be subject to the permanent injunction set forth in Article IX.F of the Plan, notwithstanding anything in the Schedules or a Proof of Claim to the contrary.

All Claims arising from the rejection by any MACH Gen Entity of any Executory Contract or Unexpired Lease pursuant to section 365 of the Bankruptcy Code shall be treated as a General Unsecured Claim pursuant to Article III.B of the Plan and may be objected to in accordance with the provisions of Article VIII of the Plan and the applicable provisions of the Bankruptcy Code and Bankruptcy Rules.

c. Cure of Defaults for Executory Contracts and Unexpired Leases Assumed

Any monetary defaults under each Executory Contract and Unexpired Lease to be assumed pursuant to the Plan shall be satisfied, pursuant to section 365(b)(1) of the Bankruptcy Code, by payment of the default amount in Cash on the Effective Date or in the ordinary course of business, subject to the limitation described below, or on such other terms as the parties to such Executory Contracts or Unexpired Leases may otherwise agree. In the event of a dispute regarding (1) the amount of any payments to cure such a default, (2) the ability of Reorganized MACH Gen, Reorganized New Harquahala, or any assignee to provide "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code) under the Executory Contract or Unexpired Lease to be assumed, or (3) any other matter pertaining to assumption, the cure payments required by section 365(b)(1) of the Bankruptcy Code shall be made following the entry of a Final Order or orders resolving the dispute and approving the assumption and shall not prevent or delay implementation of the Plan or the occurrence of the Effective Date.

At least ten (10) days prior to the Confirmation Hearing, to the extent not previously filed with the Bankruptcy Court and served on affected counterparties, the Plan Proponents shall provide for notices of assumption and proposed cure amounts to be sent to applicable contract and lease counterparties, together with procedures for objecting thereto and resolution of disputes by the Bankruptcy Court. Any objection by a contract or lease counterparty to a proposed assumption or related cure amount must be filed, served, and actually received by MACH Gen prior to the Confirmation Hearing (or such other date as may be provided in the applicable assumption notice). Any counterparty to an Executory Contract or Unexpired Lease that fails to timely object to the proposed assumption or cure amount will be deemed to have assented to such assumption or cure amount.

Assumption of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise, and payment of the applicable cure amount, shall result in the full release and satisfaction of any Claims or defaults, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed Executory Contract or Unexpired Lease at any time prior to the effective date of assumption. Any Proof of Claim Filed with respect to an Executory Contract or Unexpired Lease that is assumed shall be deemed disallowed and expunged, without further notice to or action, order or approval of the Bankruptcy Court.

d. Indemnification Obligations

On the Effective Date, pursuant to sections 365 and 1123 of the Bankruptcy Code, MACH Gen shall assume (and be deemed to have assumed), (1) all indemnification obligations in place on the Petition Date (whether in operating agreements, limited liability company agreements, limited partnership agreements, board resolutions, indemnification agreements, or employment contracts) for the former and current directors and officers of MACH Gen and (2) all director and officer insurance policies in place as of the Petition Date. The foregoing indemnification obligations that are assumed, deemed assumed, honored, or reaffirmed by MACH Gen shall remain in full force and effect, shall not be modified, reduced, discharged, impaired, or otherwise affected in any way, and shall survive Unimpaired and unaffected, irrespective of when such obligation arose.

e. Insurance Policies

Each of the insurance policies of MACH Gen and any agreements, documents, or instruments relating thereto, are deemed to be and treated as Executory Contracts under the Plan. On the Effective Date, MACH Gen shall be deemed to have assumed all insurance policies and any agreements, documents, and instruments relating to coverage of all insured Claims.

f. Modifications, Amendments, Supplements, Restatements, or Other Agreements

Unless otherwise provided in the Plan, each Executory Contract and Unexpired Lease that is assumed shall include all modifications, amendments, supplements, restatements, or other agreements that in any manner affect such Executory Contract or Unexpired Lease, including all easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, and any other interests, unless any of the foregoing agreements has been previously terminated or is otherwise not in effect.

Modifications, amendments, supplements, and restatements to prepetition Executory Contracts or Unexpired Leases that have been executed by MACH Gen during the Chapter 11 Cases shall not be deemed to alter the prepetition nature of the Executory Contract or Unexpired Lease, or the validity, priority, or amount of any Claims that may arise in connection therewith.

g. Reservation of Rights

Nothing contained in the Plan or the Schedules shall constitute an admission by MACH Gen or any Plan Proponent that any Executory Contract or Unexpired Lease is, in fact, an Executory Contract or Unexpired Lease or that MACH Gen, Reorganized MACH Gen or Reorganized New Harquahala, as applicable, has any liability thereunder.

h. Non-occurrence of Effective Date

In the event that the Effective Date does not occur, the Bankruptcy Court shall retain jurisdiction with respect to any request to extend the deadline for assuming or rejecting Executory Contracts and Unexpired Leases pursuant to section 365(d)(4) of the Bankruptcy Code.

i. Contracts and Leases Entered into after Petition Date

Contracts and leases entered into after the Petition Date by any MACH Gen Entity, including any Executory Contracts and Unexpired Leases assumed by a MACH Gen Entity, will be performed by the applicable MACH Gen Entity, Reorganized MACH Gen Entity or Reorganized New Harquahala, as the case may be, in the ordinary course of its business. Accordingly, such contracts and leases (including any assumed Executory Contracts and Unexpired Leases) will survive and remain unaffected by entry of the Confirmation Order.

6. Provisions Governing Distributions

a. Timing and Calculation of Amounts to Be Distributed

Unless otherwise provided in the Plan (including payments made in the ordinary course of MACH Gen's business to holders of Claims in Class 4) or paid pursuant to a prior Bankruptcy Court order, on the Effective Date (or if a Claim or Interest is not Allowed on the Effective Date, on the date that such Claim or Interest becomes Allowed), each holder of an Allowed Claim or Allowed Interest shall receive the full amount of the distributions that the Plan provides for Allowed Claims or Allowed Interests in the applicable Class. In the event that any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day but shall be deemed to have been completed as of the required date. If and to the extent that there are Disputed Claims or Disputed Interests, distributions on account of any such Disputed Claims or Disputed Interests shall be made pursuant to the provisions set forth in Article VIII of the Plan.

b. Application of Distributions

Any distribution made under the Plan on account of an Allowed Claim shall be allocated first to the principal amount of such Claim (as determined for U.S. federal income tax purposes) and then, to the extent the consideration exceeds the principal amount of the Claim, to any portion of such Claim for accrued but unpaid interest.

c. Disbursing Agent

All distributions under the Plan shall be made by the Disbursing Agent on the Effective Date. If the Disbursing Agent is one or more of the Reorganized MACH Gen Entities, the Disbursing Agent shall not be required to give any bond or surety or other security for the performance of its duties unless otherwise ordered by the Bankruptcy Court and, if so ordered, any and all costs and expenses of procuring such bond or surety shall be borne by Reorganized MACH Gen.

d. Rights and Powers of Disbursing Agent

(i) Powers of the Disbursing Agent

The Disbursing Agent shall be empowered to: (a) effect all actions and execute all agreements, instruments, and other documents necessary to perform its duties under the Plan;

(b) make all distributions contemplated by the Plan; (c) employ professionals and incur reasonable fees and expenses to represent it with respect to its responsibilities; and (d) exercise such other powers as may be vested in the Disbursing Agent by order of the Bankruptcy Court, pursuant to the Plan, or as deemed by the Disbursing Agent to be necessary and proper to implement the provisions of the Plan.

(ii) Incurred Expenses

Except as otherwise ordered by the Bankruptcy Court, the amount of any reasonable fees and documented expenses incurred by the Disbursing Agent on and after, or in contemplation of, the Effective Date (including taxes) and any reasonable compensation and documented expense reimbursement claims (including reasonable attorney fees and expenses) made by the Disbursing Agent shall be paid in Cash by Reorganized MACH Gen.

e. Delivery of Distributions and Undeliverable or Unclaimed Distributions

(i) Delivery of Distributions to DIP Agent

No later than two (2) Business Days after the Confirmation Order is entered, the DIP Agent shall provide to counsel to MACH Gen a list of all holders of DIP Claims as of such date and such additional information as reasonably requested by counsel to MACH Gen or the Disbursing Agent required to make distributions under the Plan. All distributions to holders of DIP Claims shall be governed by the DIP Credit Agreement and the DIP Orders and shall be made to each holder of an Allowed DIP Claim or such holder's authorized designee for purposes of distributions to be made under the Plan. If no First Lien Step-In Scenario occurs, all reasonable and documented fees and expenses of the DIP Agent incurred after the Effective Date as part of Article VII.E.1 of the Plan shall be paid by Reorganized MACH Gen.

(ii) Delivery of Distributions to Holders of First Lien Claims

Upon (i) the execution of the New First Lien Facilities Documents; (ii) the issuance of 100% of the Interests of Reorganized New Harquahala to the holders of the First Lien Claims; and (iii) the payment in Cash of the Amendment Fee and Deferred Charges Amount, in each case, on the Effective Date, all distributions to holders of First Lien Claims shall be deemed complete in accordance with the Plan and all obligations thereafter shall be governed by the New First Lien Facilities Documents. The provisions of Article VII.E.2 of the Plan shall apply only in the event that the First Lien Step-In Scenario does not occur.

(iii) Delivery of Distributions in General

Except as otherwise provided in the Plan or prior Bankruptcy Court order, the Disbursing Agent shall make distributions to holders of Allowed Claims and Allowed Interests as of the voting record date, June 4, 2018, at the address for each such holder as indicated on MACH Gen's records as of the date of any such distribution; provided, however, that the manner of such distributions shall be determined at the discretion of the Plan Proponents.

(iv) Minimum Distributions of Interests in Reorganized New Harquahala

No fractional Interests in Reorganized New Harquahala or Reorganized MACH Gen, as applicable, shall be distributed or transferred. When any distribution pursuant to the Plan would otherwise result in the issuance of a number of Interests in Reorganized New Harquahala or Reorganized MACH Gen, as applicable, that is not a whole number, the actual distribution of Interests in Reorganized New Harquahala or Reorganized MACH Gen, as applicable, shall be rounded as follows: (a) fractions of one-half ($^1/_2$) or greater shall be rounded to the next higher whole number, and (b) fractions of less than one-half ($^1/_2$) shall be rounded to the next lower whole number with no further payment therefor. The total number of authorized Interests in Reorganized New Harquahala or Reorganized MACH Gen, as applicable, to be distributed or transferred to holders of Allowed First Lien Claims and holders of Allowed DIP Claims, as applicable, shall be adjusted as necessary to account for the foregoing rounding.

(v) Undeliverable Distributions and Unclaimed Property

In the event that any distribution to any holder is returned as undeliverable, no distribution to such holder shall be made unless and until the Disbursing Agent has determined the then-current address of such holder, at which time such distribution shall be made to such holder without interest; provided, however, that such distributions shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code at the expiration of one year from the Effective Date; provided further, that MACH Gen, Reorganized MACH Gen, or Reorganized Harquahala, as applicable, shall use commercially reasonable efforts to locate a holder if any distribution is returned as undeliverable. After such date, all unclaimed property or interests in property shall revert to Reorganized MACH Gen or Reorganized New Harquahala, as applicable, automatically and without need for a further order by the Bankruptcy Court (notwithstanding any applicable federal, provincial, or state escheat, abandonment, or unclaimed property laws to the contrary), and the claim of any holder to such property or interest in property shall be discharged and forever barred.

f. Section 1145 Exemption

Pursuant to section 1145 of the Bankruptcy Code, the offering, issuance, and distribution of Interests in New MACH Gen, LLC, Reorganized MACH Gen, New Harquahala and/or Reorganized New Harquahala, as applicable, as contemplated by the Plan shall be exempt from, among other things, the registration requirements of section 5 of the Securities Act and any other applicable law requiring registration of the offering, issuance, distribution, or sale of securities. In addition, under section 1145 of the Bankruptcy Code, the Interests in Reorganized MACH Gen and/or Reorganized New Harquahala, as applicable, will be freely tradable in the U.S. by the recipients thereof, subject to the provisions of section 1145(b)(1) of the Bankruptcy Code relating to the definition of an underwriter in section 2(a)(11) of the Securities Act, and compliance with applicable securities laws and any rules and regulations of the Securities and Exchange Commission, if any, applicable at the time of any future transfer of such securities or instruments and subject to any restrictions in the applicable New Organizational Documents.

g. Compliance with Tax Requirements

In connection with the Plan, to the extent applicable, Reorganized MACH Gen and Reorganized New Harquahala shall comply with all tax withholding and reporting requirements imposed on them by any Governmental Unit, and all distributions pursuant to the Plan shall be subject to such withholding and reporting requirements. Notwithstanding any provision in the Plan to the contrary, Reorganized MACH Gen, Reorganized New Harquahala, and the Disbursing Agent shall be authorized to take all actions necessary or appropriate to comply with such withholding and reporting requirements, including withholding distributions pending receipt of information necessary to facilitate such distributions or establishing any other mechanisms they believe are reasonable and appropriate. Reorganized MACH Gen and Reorganized New Harquahala reserve the right to allocate all distributions made under the Plan in compliance with all applicable wage garnishments, alimony, child support and other spousal awards, liens, and encumbrances.

h. No Postpetition Interest on Claims and Interests

Unless otherwise specifically provided for in the Restructuring Support Agreement, Plan, Confirmation Order, or other Bankruptcy Court order or otherwise required by applicable law, postpetition interest shall not accrue or be paid on any Claims or Interests, and no holder of a Claim or Interest shall be entitled to interest accruing on or after the Petition Date on any such Claim or Interest.

i. Setoffs and Recoupment

MACH Gen, Reorganized MACH Gen, and Reorganized New Harquahala, as applicable, are authorized to set off against or recoup from any Claims (to the extent not released pursuant to the Plan) of any nature whatsoever that MACH Gen, Reorganized MACH Gen, or Reorganized New Harquahala, as applicable, may have against the claimant, but neither the failure to do so nor the allowance of any Claim under the Plan shall constitute a waiver or release by MACH Gen, Reorganized MACH Gen, or Reorganized New Harquahala, as applicable, of any such claim they may have against the holder of such Claim.

j. Claims Paid or Payable by Third Parties

(i) Claims Paid by Third Parties

MACH Gen, Reorganized MACH Gen, or Reorganized New Harquahala, as applicable, shall reduce in full a Claim, and such Claim shall be disallowed without an objection having to be filed and without any further notice to or action, order, or approval of the Bankruptcy Court, to the extent that the holder of such Claim receives payment (before or after the Effective Date) on account of such Claim from a party that is not a MACH Gen, Reorganized MACH Gen Entity, or Reorganized New Harquahala, as applicable. To the extent a holder of a Claim receives a distribution on account of such Claim and receives payment from a party that is not a MACH Gen Entity, Reorganized MACH Gen Entity, or Reorganized New Harquahala,] as applicable, on account of such Claim, such holder shall, within ten (10) days of receipt thereof, repay or return the distribution to the applicable MACH Gen Entity, Reorganized MACH Gen Entity, or Reorganized New Harquahala, to the extent the holder's total recovery on account of

such Claim from the third party and under the Plan exceeds the amount of such Claim as of the date of any such distribution under the Plan. The failure of such holder to timely repay or return such distribution shall result in the holder owing the applicable Reorganized MACH Gen Entity or to Reorganized New Harquahala annualized interest at the federal judgment rate, as in effect as of the Petition Date, on such amount owed for each Business Day after the 10-day grace period specified above until the amount is repaid. To the extent that the First Lien Step-In Scenario does not occur and Reorganized New Harquahala receives a repayment or return of any distribution in accordance with this paragraph, Reorganized New Harquahala shall promptly pay such amount to the New Second Lien Lenders and such payment shall be deemed to constitute a repayment of the New Second Lien Facility.

(ii) Claims Payable by Third Parties

No distributions under the Plan shall be made on account of an Allowed Claim that is payable pursuant to one of MACH Gen's insurance policies until the holder of such Allowed Claim has exhausted all remedies with respect to such insurance policy. To the extent that one or more of MACH Gen's insurers agree to satisfy in full or in part a Claim (if and to the extent adjudicated by a court of competent jurisdiction), then immediately upon such insurers' agreement, the applicable portion of such Claim may be expunged without an objection having to be filed and without any further notice to or action, order or approval of the Bankruptcy Court.

(iii) Applicability of Insurance Policies

Except as otherwise provided in the Plan, distributions to holders of Allowed Claims shall be in accordance with the provisions of any applicable insurance policy. Nothing contained in the Plan shall constitute or be deemed a waiver of any Cause of Action that the Plan Proponents or any Entity may hold against any other Entity under any insurance policies, including against insurers, nor shall anything contained in the Plan constitute or be deemed a waiver by such insurers of any defenses, including coverage defenses, held by such insurers.

7. Procedures for Treating Disputed Claims and Interests Under Plan

a. Allowance of Claims

After the Effective Date, MACH Gen, Reorganized MACH Gen, or Reorganized New Harquahala shall have and retain any and all rights and defenses such Entities had with respect to any Claim immediately before the Effective Date. Except as expressly provided in the Plan or in any order entered in the Chapter 11 Cases before the Effective Date (including the Confirmation Order), no Claim shall become an Allowed Claim unless and until such Claim is deemed Allowed pursuant to the Plan or a Final Order, including the Confirmation Order (when it becomes a Final Order), allowing such Claim.

b. Claims and Interests Administration Responsibilities

Except as otherwise specifically provided in the Plan and notwithstanding any requirements that may be imposed pursuant to Bankruptcy Rule 9019, after the Effective Date, Reorganized MACH Gen (together with Reorganized New Harquahala, to the extent of any Claims against New Harquahala) by order of the Court, shall have the sole authority: (1) to File,

withdraw, or litigate to judgment objections to Claims; (2) to settle or compromise any Disputed Claim without any further notice to or action, order, or approval by the Court; and (3) to administer and adjust the Claims Register to reflect any such settlements or compromises without any further notice to or action, order, or approval by the Court.

c. Estimation of Claims

Before or after the Effective Date, MACH Gen, Reorganized MACH Gen, or Reorganized New Harquahala may (but are not required to) at any time request that the Court estimate any Disputed Claim or Disputed Interest that is contingent or unliquidated pursuant to section 502(c) of the Bankruptcy Code for any reason, regardless of whether any party previously has objected to such Claim or whether the Court has ruled on any such objection, and the Court shall retain jurisdiction to estimate any such Claim, including during the litigation of any objection to any Claim or during the appeal relating to such objection. Notwithstanding any provision otherwise in the Plan, a Claim that has been expunged from the Claims Register, but that has not been the subject of a Final Order, shall be deemed to be estimated at zero dollars, unless otherwise ordered by the Court. In the event that the Court estimates any Disputed, contingent, or unliquidated Claim, that estimated amount shall constitute a maximum limitation on such Claim for all purposes under the Plan (including for purposes of distributions), and the relevant MACH Gen Entity may elect to pursue any supplemental proceedings to object to any ultimate distribution on such Claim. Notwithstanding section 502(j) of the Bankruptcy Code, in no event shall any Holder of a Claim that has been estimated pursuant to section 502(c) of the Bankruptcy Code or otherwise be entitled to seek reconsideration of such estimation unless such Holder has Filed a motion requesting the right to seek such reconsideration on or before 21 days after the date on which such Claim is estimated. All of the aforementioned Claims and objection, estimation, and resolution procedures are cumulative and not exclusive of one another. Claims may be estimated and subsequently compromised, settled, withdrawn, or resolved by any mechanism approved by the Court.

d. Adjustment to Claims Register Without Objection

Any Claim that has been paid or satisfied, or any Claim that has been amended or superseded by the holder of such Claim, may be adjusted or expunged on the Claims Register by MACH Gen or Reorganized MACH Gen without a Claims objection having to be Filed and without any further notice to or action, order, or approval of the Court.

e. Time to File Objections to Claims

Any objections to Claims must be Filed on or before the Claims Objection Deadline.

f. Disputed Claims and Interest Process

In the event the First Lien Step-In Scenario does not occur, on or prior to the occurrence of the Effective Date, MACH Gen shall provide a schedule of all Disputed Claims and Disputed Interests and the maximum amount of such Disputed Claims and Disputed Interests to the First Lien Lenders. On the Effective Date, MACH Gen or Reorganized MACH Gen shall deposit Cash equal to the maximum aggregate amount of the identified Disputed Claims and Disputed Interests in an interest bearing account (the "**Disputed Claim Reserve**") pending determination

of the relevant objection or request for estimation. Upon (i) the issuance of a Final Order or (ii) an agreement between MACH Gen and/or Reorganized MACH Gen (together with Reorganized New Harquahala, to the extent of any Claims against New Harquahala), as applicable, on the one hand, and the holder of such Disputed Claim or Disputed Interest, on the other, in either case determining the Allowed amount of the relevant Disputed Claim or Disputed Interests, MACH Gen or Reorganized MACH Gen shall make distributions to the holder of such Allowed Claim or Allowed Interest from the Disputed Claim Reserve in accordance with the provisions of the Plan and Section J of Article VIII of the Plan. All other amounts deposited in the Disputed Claim Reserve on account of such Disputed Claim or Disputed Interest shall be returned to Reorganized MACH Gen immediately after the distributions on account of the relevant Disputed Claim or Disputed Interest. Reorganized MACH Gen shall promptly thereafter pay such returned amount to the New Second Lien Lenders and such payment shall be deemed to constitute a repayment of the New Second Lien Facility.

g. Disallowance of Claims

Notwithstanding anything to the contrary herein, all Claims of any Entity subject to section 502(d) of the Bankruptcy Code shall be deemed Disallowed unless and until such Entity turns over or pays in full the amount that it owes to MACH Gen to either MACH Gen or Reorganized MACH Gen. All Proofs of Claim Filed on account of an indemnification obligation to a director, officer, or employee shall be deemed satisfied and expunged from the Claims Register as of the Effective Date to the extent such indemnification obligation is assumed (or honored or reaffirmed, as the case may be) pursuant to the Plan, without any further notice to or action, order, or approval of the Court.

h. Amendments to Claims

On or after the Effective Date, except as provided in the Plan or the Confirmation Order, a Claim may not be Filed or amended without the prior authorization of the Court or Reorganized MACH Gen (together with Reorganized New Harquahala to the extent of any Claims against New Harquahala).

i. No Distributions Pending Allowance

Notwithstanding anything to the contrary herein, if any portion of a Claim or Interest is Disputed, no payment or distribution provided hereunder shall be made on account of such Claim or Interest unless and until such Disputed Claim or Disputed Interest becomes Allowed.

j. Distributions After Allowance

To the extent that a Disputed Claim or Disputed Interest ultimately becomes Allowed, distributions (if any) shall be made to the holder of such Allowed Claim or Allowed Interest in accordance with the provisions of the Plan. As soon as practicable after the date that the order or judgment finding or deeming any Disputed Claim or Disputed Interest to be Allowed has become a Final Order, the Disbursing Agent shall provide to the holder of such Claim or Interest the distribution (if any) to which such holder is entitled under the Plan as of the Effective Date, without any interest to be paid on account of such Claim or Interest.

k. Single Satisfaction of Claims

Holders of Allowed Claims may assert such Claims against each MACH Gen Entity obligated with respect to such Claims, and such Claims shall be entitled to share in the recovery provided for the applicable Class of Claims against each obligated Debtor based upon the full Allowed amount of such Claims. Notwithstanding the foregoing, in no case shall the aggregate value of all property received or retained under the Plan on account of any Allowed Claim exceed 100 percent of the underlying Allowed Claim plus applicable interest, if any.

8. Settlement, Release, Injunction, and Related Provisions

a. Compromise and Settlement

The Confirmation Order will constitute the Bankruptcy Court's finding and determination that the settlements reflected in the Plan are (1) in the best interests of MACH Gen, its Estates, and all holders of Claims or Interests, (2) fair, equitable, and reasonable, (3) made in good faith, and (4) approved by the Bankruptcy Court pursuant to Bankruptcy Rule 9019. In addition, the allowance, classification, and treatment of any Allowed Claims and Allowed Interests of a Released Party take into account any Causes of Action, whether under the Bankruptcy Code or otherwise under applicable non-bankruptcy law, that may exist between MACH Gen and any Released Party and, as of the Effective Date, any and all such Causes of Action are settled, compromised, and released as set forth in the Plan. The Confirmation Order shall authorize and approve the releases by all Entities of all such contractual, legal, and equitable subordination rights and Causes of Action that are satisfied, compromised, and settled pursuant to the Plan. Nothing in Article IX.A of the Plan shall compromise or settle, in any way whatsoever, any Causes of Action that MACH Gen, Reorganized MACH Gen, or Reorganized New Harquahala as applicable, may have against any Entity that is not a Released Party.

In accordance with the provisions of the Plan, and pursuant to Bankruptcy Rule 9019, without any further notice to, or action, order, or approval of, the Bankruptcy Court, after the Effective Date, Reorganized MACH Gen or Reorganized New Harquahala, as applicable, may, in its sole and absolute discretion, compromise and settle (1) Claims (including Causes of Action) against and Interests in MACH Gen (if any), and (2) claims (including Causes of Action) against other Entities.

b. Discharge of Claims

Pursuant to section 1141(d) of the Bankruptcy Code, and except as otherwise specifically provided in the Plan or in any contract, instrument, or other agreement or document created pursuant to the Plan (including, for the avoidance of doubt, the Plan Supplement), the distributions, rights, and treatment that are provided in the Plan shall be in exchange for and in complete satisfaction, discharge, and release, effective as of the Effective Date, of Claims (including any Intercompany Claims resolved or compromised after the Effective Date by Reorganized MACH Gen), Interests, and Causes of Action of any nature whatsoever, including any interest accrued on Claims from and after the Petition Date, whether known or unknown, against, liabilities of, Liens on, obligations of, rights against, and Interests in MACH Gen or any of its assets or properties, regardless of whether any property shall have been distributed or

retained pursuant to the Plan on account of such Claims and Interests, including demands, liabilities, and Causes of Action that arose prior to the Effective Date, any contingent or non-contingent liability on account of representations or warranties issued on or before the Effective Date, and all debts of the kind specified in section 502(g), (h), or (i) of the Bankruptcy Code. The Confirmation Order shall be a judicial determination of the discharge of all Claims and Interests as set forth above subject to the occurrence of the Effective Date.

c. Release of Liens

Except as otherwise expressly provided in the Plan, or in any contract, instrument, release, or other agreement or document created pursuant to the Plan, including the New First Lien Facilities Documents and the New Second Lien Facility Documents, on the Effective Date and concurrently with the applicable distributions made pursuant to the Plan and the effectiveness of the New First Lien Facilities Documents and the New Second Lien Facility Documents, all mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estates shall be fully released and discharged, and all of the right, title, and interest of any holder of such mortgages, deeds of trust, Liens, pledges, or other security interests shall revert to the Reorganized MACH Gen Entities or Reorganized New Harquahala, as applicable, and each of their successors and assigns.

d. Releases of Released Parties

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the releases described in Article IX.D of the Plan and shall constitute the Bankruptcy Court's finding that such releases are: (1) in exchange for the good and valuable consideration provided by the Released Parties; (2) a good faith settlement and compromise of the claims released by Article IX.D of the Plan; (3) in the best interests of MACH Gen and all holders of Claims and Interests; (4) fair, equitable, and reasonable; (5) given and made after due notice and opportunity for hearing; and (6) a bar to any Entity (including MACH Gen) asserting any claim or Cause of Action released pursuant to Article IX.D of the Plan.

(i) Releases by MACH Gen

Pursuant to section 1123(b) of the Bankruptcy Code, and except as otherwise specifically provided in the Plan, for good and valuable consideration, including without limitation the efforts of the Released Parties to facilitate the reorganization of MACH Gen and the implementation of the restructuring contemplated by the Restructuring Support Agreement, on and after the Effective Date, MACH Gen, Reorganized Mach Gen, Reorganized New Harquahala, and the Estates are deemed to have conclusively, absolutely, unconditionally, irrevocably, and forever released and discharged each Released Party from, and covenanted not to sue on account of, any and all claims, interests, obligations (contractual or otherwise), rights, suits, damages, Causes of Action (including Avoidance Actions), remedies, and liabilities whatsoever, including any derivative claims assertable by or on behalf of a MACH Gen Entity, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, that MACH Gen, Reorganized Mach Gen, Reorganized New Harquahala, or the Estates would have been legally entitled

to assert in their own right (whether individually or collectively) or on behalf of the holder of any Claim or Interest or other Entity (including any MACH Gen Entity), based on or relating to, or in any manner arising from, in whole or in part, MACH Gen, the Chapter 11 Cases, the DIP Claims, the First Lien Claims, purchase, sale, or rescission of the purchase or sale of any security of MACH Gen, Reorganized MACH Gen, or Reorganized New Harquahala, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between any MACH Gen Entity and any Released Party, the restructuring of Claims and Interests before or during the Chapter 11 Cases, the negotiation, formulation, preparation, or dissemination of the Plan (including, for the avoidance of doubt, the Plan Supplement), the Disclosure Statement, the Restructuring Support Agreement, or related agreements, instruments, or other documents, upon any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date, other than claims or liabilities arising out of or relating to any act or omission of a Released Party that is determined by a Final Order of a court of competent jurisdiction to have constituted willful misconduct, fraud, or gross negligence, provided, that nothing in Section IX.D.1 of the Plan shall release MACH Gen or Reorganized MACH Gen from its indemnification obligations with respect to Reorganized New Harquahala or any other Harquahala Asset as set forth on Schedule B of the Plan.

(ii) Third-Party Releases by Holders of Claims or Interests

On and after the Effective Date, to the maximum extent permitted by applicable law, each Releasing Party (other than MACH Gen, Reorganized MACH Gen, and Reorganized New Harquahala, which releases therefrom are set forth in Article IX.D.1 of the Plan) shall be deemed to have conclusively, absolutely, unconditionally, irrevocably, and forever released and discharged the Released Parties from, and covenanted not to sue on account of, any and all claims, interests, obligations (contractual or otherwise), rights, suits, damages, Causes of Action (including Avoidance Actions), remedies, and liabilities whatsoever, including any derivative claims assertable by or on behalf of a MACH Gen Entity, whether known or unknown, foreseen or unforeseen, existing or hereafter arising, in law, equity or otherwise, that such Releasing Party would have been legally entitled to assert in its own right (whether individually or collectively) or on behalf of the holder of any Claim or Interest or other Entity (including any MACH Gen Entity), based on or relating to, or in any manner arising from, in whole or in part, MACH Gen, the Chapter 11 Cases, the DIP Claims, the First Lien Claims, purchase, sale, or rescission of the purchase or sale of any security of MACH Gen, Reorganized MACH Gen, or Reorganized New Harquahala, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between any MACH Gen Entity and any Released Party, the restructuring of Claims and Interests before or during the Chapter 11 Cases, the negotiation, formulation, preparation, or dissemination of the Plan (including, for the avoidance of doubt, the Plan Supplement), the Disclosure Statement, the Restructuring Support Agreement, or related agreements, instruments, or other documents, upon any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date, other than claims or liabilities arising out of or relating to any act or omission of a Released Party that is

determined by a Final Order of a court of competent jurisdiction to have constituted willful misconduct, fraud, or gross negligence.

e. Exculpation

No Exculpated Party shall have or incur, and each Exculpated Party is hereby released and exculpated from, any claim (including any Cause of Action) related to any act taken or omitted to be taken in connection with, relating to, or arising out of the restructuring efforts of MACH Gen, negotiation of and entry into the Restructuring Support Agreement, the DIP Credit Agreement, the New First Lien Facilities Documents, the New Second Lien Facility Documents, the New Intercreditor Agreement, the Chapter 11 Cases, the formulation, preparation, dissemination, negotiation, or filing of the Disclosure Statement, the Plan, or any contract, instrument, release, or other agreement or document created or entered into in connection with the Disclosure Statement, the Plan (including, for the avoidance of doubt, the Plan Supplement), the preparation or filing of the Chapter 11 Cases, the pursuit of Confirmation, the pursuit of Consummation, the Restructuring Transactions, and the administration and implementation of the Plan, including the issuance of any securities or the distribution of property under the Plan or any other agreement or any obligation, cause of action, or liability for any such Claim; provided, however, that the foregoing "Exculpation" shall have no effect on the liability of any Entity that results from any such act or omission that is determined by a Final Order of a court of competent jurisdiction to have constituted willful misconduct, fraud, or gross negligence; provided further, that in all respects such Exculpated Parties shall be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities pursuant to, or in connection with, the Plan. The Exculpated Parties have participated in compliance with the applicable provisions of the Bankruptcy Code with regard to the solicitation and distribution of the securities pursuant to the Plan, and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan, provided, that nothing in Section IX.E of the Plan shall exculpate MACH Gen or Reorganized MACH Gen of its indemnification obligations with respect to the Reorganized New Harquahala or any other Harquahala Asset as set forth on Schedule B of the Plan.

f. Injunction

Except as otherwise expressly provided in the Plan and except for obligations issued pursuant to the Plan, including with respect to the New First Lien Facilities and the New Second Lien Facility, all Entities who have held, hold, or may hold claims, Causes of Action, or interests that have been released pursuant to Article IX.D of the Plan (the "Released Claims") or discharged pursuant to Article IX.B of the Plan (the "Discharge"), or that are subject to exculpation pursuant to Article IX.E of the Plan (the "Exculpation"), are permanently enjoined, from and after the Effective Date, from taking any of the following actions against, as applicable, the Released Parties or the Exculpated Parties: (1) commencing or continuing in any manner any action or other proceeding of any kind on account of, in connection with, or with respect to, any Released Claims or any Claim, Cause of Action, or Interest that is the subject of the Discharge or Exculpation; (2)

enforcing, attaching, collecting, or recovering, by any manner or means any judgment, award, decree or order against the Released Parties or the Exculpated Parties, as applicable, on account of, in connection with, or with respect to, any Released Claims or any Claim, Cause of Action, or Interest that is the subject of the Discharge or Exculpation; (3) creating, perfecting, or enforcing any encumbrance of any kind against the Released Parties or the Exculpated Parties, as applicable, or their property or assets on account of, in connection with, or with respect to, any Released Claims or any Claim, Cause of Action, or Interest that is the subject of the Discharge or Exculpation; and (4) asserting any right of subrogation or recoupment of any kind against any obligation due from the Released Parties or the Exculpated Parties, as applicable, or against their property or assets on account of, in connection with, or with respect to, any Released Claims or any Claim, Cause of Action, or Interest that is the subject of the Discharge or Exculpation, provided, that nothing in Section F of the Plan shall enjoin Reorganized New Harquahala from asserting claims against MACH Gen or Reorganized MACH Gen on account of its indemnification obligations with respect to Reorganized New Harquahala or any other Harquahala Asset as set forth on Schedule B of the Plan.

9. Conditions to Confirmation and Effective Date

a. Conditions to Confirmation

The following are conditions to Confirmation that shall have been satisfied or waived in accordance with Article X.C of the Plan:

1. no valid termination of the Restructuring Support Agreement with respect to the obligations of all parties thereto shall have occurred, and no Termination Event (as defined in the Restructuring Support Agreement) shall have occurred and not been waived that, in either instance, has the effect of (a) removing any MACH Gen Entity as a party to the Restructuring Support Agreement or (b) having Support Parties remaining as parties to the Restructuring Support Agreement that do not meet the thresholds specified in section 1 of the Restructuring Support Agreement;

2. the Confirmation Order shall approve all provisions, terms, and conditions of the Plan and be in form and substance reasonably acceptable to MACH Gen and the Support Parties or, in the event of the First Lien Step-In Scenario, the Plan Proponents.

c. Waiver of Conditions

The conditions to Confirmation and the Effective Date set forth in Article X of the Plan may be waived in whole or in part, without notice, leave, or order of the Bankruptcy Court, by: (1) if the First Lien Step-In Scenario does not occur, by the Plan Proponents, with the consent of the Support Parties, or (2) in the event of the First Lien Step-In Scenario, by the Plan Proponent.

d. Effect of Non-Occurrence of Effective Date

If it is determined by the Plan Proponents that the Effective Date shall not and cannot occur on the terms contemplated by the Plan and the Confirmation Order, the Plan shall be null and void in all respects, and nothing contained in the Plan or the Disclosure Statement shall: (1) constitute a waiver or release of any claims by MACH Gen, the Plan Proponents, any holders of Claims or Interests (including the Support Parties), or any other Entity; (2) prejudice in any manner the rights of MACH Gen, the Plan Proponents, any holders of Claims or Interests (including the Support Parties), or any other Entity; or (3) constitute an admission, acknowledgment, offer, or undertaking by MACH Gen, any holders of Claims or Interests (including the Support Parties), or any other Entity, in any respect. For the avoidance of doubt, except as provided in the Restructuring Support Agreement, nothing in the Plan shall be construed as requiring termination or avoidance of the Restructuring Support Agreement upon non-occurrence of the Effective Date (subject, in all respects, to any consent, termination, or other rights of the Support Parties under the Restructuring Support Agreement) or as otherwise preventing the Restructuring Support Agreement from being effective in accordance with its terms.

10. Modification, Revocation or Withdrawal of Plan

a. Modification and Amendments

Except as otherwise specifically provided in the Plan, and subject to the terms of the Restructuring Support Agreement, the Plan Proponents reserve the right to modify the Plan, whether such modification is material or immaterial, and seek Confirmation consistent with the Bankruptcy Code. Subject to certain restrictions and requirements set forth in section 1127 of the Bankruptcy Code and Bankruptcy Rule 3019 and those restrictions on modifications set forth in the Plan and the terms of the Restructuring Support Agreement, the Plan Proponents expressly reserve their respective rights to revoke, withdraw, alter, amend, or modify the Plan with respect to each MACH Gen Entity, one or more times, after Confirmation, and to the extent necessary may initiate proceedings in the Bankruptcy Court to so alter, amend, or modify the Plan, or remedy any defect or omission, or reconcile any inconsistencies in the Plan, the Disclosure Statement, or the Confirmation Order, in such matters as may be necessary to carry out the

purposes and intent of the Plan and the Restructuring Support Agreement. Any such modification or supplement shall be considered a modification of the Plan and shall be made in accordance with Article XI of the Plan.

Notwithstanding anything to the contrary in the Plan or the Restructuring Support Agreement, the Plan Proponents shall not amend or modify the Plan, including, but not limited to, Article I.45 (Definition of "Exculpated Parties"), Article I.108 (Definition of "Released Claims"), Article I.109 (Definition of "Released Parties"), Article I.110 (Definition of "Releasing Parties"), Article IX.D (Releases of Released Parties), Article IX.E (Exculpation) or Article IX.F (Injunction), as it relates to any release or exculpation of, or injunction with respect to claims against, Talen, Beal Bank USA, or Beal Bank, SSB, and their respective Affiliates and each of their respective predecessors, successors and assigns, and current and former shareholders, subsidiaries, directors, officers, funds, members, employees, partners, managers, agents, representatives, principals, consultants, attorneys, and professional advisors, in their capacities as such, without Talen's or Beal Bank USA and Beal Bank, SSB's prior written consent, as applicable; provided, however that should the Court not approve Article I.45 (Definition of "Exculpated Parties") and/or Article IX.E (Exculpation) in whole or in part, such provision or provisions shall be ineffective only to the extent disapproved by the Court, without invalidating the remainder of such provision or any other provision of this Plan or the Restructuring Support Agreement (and shall not give rise to Talen, MACH Gen, LLC, the MACH Gen Entities, Beal Bank USA, or Beal Bank, SSB having a termination right under the Restructuring Support Agreement or otherwise solely as a result of such ineffectiveness of the provision or provisions in whole or in part).

b. Effect of Confirmation on Modifications

Entry of a Confirmation Order shall mean that all modifications or amendments to the Plan since the solicitation thereof are approved pursuant to section 1127(a) of the Bankruptcy Code and do not require additional disclosure or resolicitation under Bankruptcy Rule 3019.

c. Revocation or Withdrawal of Plan

The Plan Proponents, reserve the right to revoke or withdraw the Plan with respect to any or all of the MACH Gen Entities prior to the Confirmation Date and to file subsequent plans of reorganization, subject in each instance to the Restructuring Support Agreement. If the Plan Proponents revoke or withdraw the Plan, or if Confirmation or the Effective Date does not occur, then: (1) the Plan shall be null and void in all respects; (2) any settlement or compromise embodied in the Plan (including the fixing or limiting to an amount certain of any Claim or Class of Claims), assumption of Executory Contracts or Unexpired Leases effected under the Plan, and any document or agreement executed pursuant to the Plan, shall be deemed null and void; and (3) nothing contained in the Plan shall: (a) constitute a waiver or release of any Claims or Interests; (b) prejudice in any manner the rights of such MACH Gen Entity or any other Entity (including the Plan Proponents and the Support Parties); or (c) constitute an admission, acknowledgement, offer, or undertaking of any sort by such MACH Gen Entity or any other Entity (including the Plan Proponents and the Support Parties).

11. Retention of Jurisdiction

Notwithstanding the entry of the Confirmation Order and the occurrence of the Effective Date, on and after the Effective Date, the Bankruptcy Court shall retain exclusive jurisdiction over all matters arising out of, or related to, the Chapter 11 Cases and the Plan pursuant to sections 105(a) and 1142 of the Bankruptcy Code, including jurisdiction to:

B. *Summary of Capitalization of Reorganized MACH Gen*

1. Description of Interests in Reorganized MACH Gen and Reorganized New Harquahala

As set forth in the Plan and described above, if the First Lien Step-In Scenario does not occur, then on the Effective Date the Interests in MACH Gen other than Interests in New Harquahala will be reinstated. Interests in New Harquahala will be cancelled and new interests in Reorganized New Harquahala will be issued to the First Lien Lenders in consideration for the First Lien Loan Reduction (subject to the terms and conditions of the Plan, including the Harquahala Reorganization Annex, and the New First Lien Facilities).

In the event the First Lien Step-In Scenario occurs, on the Effective Date the Interests in MACH Gen other than Interests in New MACH Gen, LLC will be reinstated. In such case, Interests in New MACH Gen, LLC will be cancelled and new interests in Reorganized New MACH Gen, LLC will be issued to the First Lien Lenders.

2. Description of New First Lien Facilities

As set forth in the Plan, on the Effective Date, the Reorganized MACH Gen Entities will enter into the New First Lien Facilities, and certain distributions to holders of Allowed First Lien Revolver Claims and Allowed First Lien Term Loan Claims will be funded with the proceeds of new debt incurred pursuant to the New First Lien Facilities. Specifically, the New First Lien Revolver in an aggregate principal amount of approximately $10 million, the New Term B Loan Facility in an aggregate principal amount of approximately $448 million, and the New Term C Loan Facility in an aggregate principal amount of approximately $54 million.

The New First Lien Revolver will accrue interest at a rate of Eurodollar Rate plus 6.00% per annum (with Eurodollar Rate plus 2.50% per annum payable in cash and the remainder payable in kind as the accrual of principal of the New Term C Loan Facility), the New Term B Loan Facility will accrue interest at a rate of the Eurodollar Rate plus 6.00% per annum (with Eurodollar Rate plus 2.50% per annum payable in cash and the remainder payable in kind as the accrual of principal of the New Term C Loan Facility), and the New Term C Loan Facility will accrue interest at a rate of Eurodollar Rate plus 6.00% per annum (payable in kind as the accrual of principal of the New Term C Loan Facility). Interest payable in respect of each New First Lien Facility will be paid quarterly in cash (other than interest payable in kind which will be

added to the principal amount of the New Term C Loan Facility). Interest payable in kind may, at the option of the borrower, be paid in cash. Beginning on the quarterly payment date for the third quarter of 2019, each third quarter interest payment will include an additional "true up" payment such that the realized effective rate of cash payments since the last payment in full under the First Lien Credit Facilities and the preceding "true up" payment, as applicable, will have been a rate of Eurodollar Rate plus 4.00% per annum.

The First Lien Lenders under the New First Lien Facilities will cause certain letter-of-credit issuing banks to issue letters of credit to satisfy certain credit support obligations of New MACH Gen and the guarantors. Drawings on such letters of credit, in certain circumstances, will be reimbursed with proceeds delivered pursuant to the New LC Support Agreement. Drawings on such letters of credit will not be reimbursed through loans under the New First Lien Revolver. New MACH Gen will pay the First Lien Lenders a letter of credit fee equal to Eurodollar Rate + 2.00% on drawn and, in certain circumstances, undrawn amounts of the letters of credit, plus any fronting fees payable to such letter-of-credit issuing banks.

The New First Lien Facilities will mature on the fifth anniversary of the Effective Date.

New MACH Gen will act as borrower under the New First Lien Facilities, with MACH Gen GP, Millennium Power, and New Athens as guarantors. As security for the obligations arising under the New First Lien Facilities, MACH Gen, LLC, New MACH Gen and the guarantors will grant first priority liens and security interests in substantially all of their assets and property, including the property of and equity interests in New Mach Gen, MACH Gen GP, Millennium Power, and New Athens.

The form of new First Lien Credit and Guaranty Agreement that will govern the New First Lien Facilities is attached as Exhibit L to the Restructuring Support Agreement.

3. Description of New Second Lien Facility

As set forth in the Plan, on the Effective Date, the Reorganized MACH Gen Entities will also enter into the New Second Lien Facilities provided by Talen Lender and Talen L/C Provider. Specifically, the approximately $25 million New Second Lien Term Loan Facility and the New Second Lien L/C Facility will comprise the New Second Lien Facilities.

The New Second Lien Term Loan Facility will accrue interest at a rate of Eurodollar Rate plus 9.00% per annum, all of which will be paid in kind by increasing the principal amount of the New Second Lien Term Loan Facility. The New Second Lien Term Loan Facility will mature on March 31, 2024. New MACH Gen will act as borrower under the New Second Lien Term Loan Facility.

The form of Second Lien Credit and Guaranty Agreement that will govern the New Second Lien Term Loan Facility is attached as Exhibit M-1 to the Restructuring Support Agreement.

The New Second Lien L/C Facility will be used to cash collateralize letters of credit issued under the New First Lien Facilities. Reorganized MACH Gen will pay the Talen L/C Provider a letter of credit fee equal to Eurodollar Rate + 2.00% on the undrawn amount of the

letters of credit, plus any additional fees, charges, etc. incurred by the Talen L/C Provider in providing the letters of credit. Reorganized MACH Gen will also pay the Talen L/C Provider interest equal to Eurodollar Rate + 2.00% on the drawn amount of the letters of credit, plus any additional interest, fees, etc. incurred by the Talen L/C Provider in funding such drawn amount. Following the satisfaction of all obligations under the New First Lien Facilities, Reorganized MACH Gen is required to reimburse the Talen L/C Provider for all amounts drawn under the letters of credit.

The form of the L/C Support Agreement that will govern the New Second Lien L/C Facility is attached as Exhibit M-2 to the Restructuring Support Agreement.

MACH Gen GP, Millennium Power, and New Athens will act as guarantors of the obligations under the New Second Lien Term Loan Facility and the New Second Lien L/C Facility. As security for the obligations arising under the New Second Lien Term Loan Facility and the New Second Lien L/C Facility, MACH Gen, LLC, New MACH Gen and the guarantors will grant second priority liens and security interests in substantially all of their assets and property, including the property of and equity interests in New MACH Gen, MACH Gen GP, Millennium Power, and New Athens.

This Section describes in summary fashion the procedures and requirements that have been established for voting on the Plan. If you are entitled to vote to accept or reject the Plan, you should receive a ballot for the purpose of voting on the Plan. If you hold Claims or Interests in more than one Class and you are entitled to vote such Claims or Interests in more than one Class, you will receive separate ballots, which must be used for each separate Class of Claims or Interests. If you are entitled to vote and did not receive a ballot, received a damaged ballot, or lost your ballot please contact the Voting Agent by e-mail at newmachgenballots@primeclerk.com or by phone at 844-242-7491 (domestic / toll free) or 929-333-8974 (international / toll).

Before voting to accept or reject the Plan, each eligible holder of a Claim or Interest should carefully review the Plan attached hereto as Exhibit A and described in Section IV herein entitled, "Joint Prepackaged Chapter 11 Plan."

A. *Voting Deadline*

To be considered for purposes of accepting or rejecting the Plan, all ballots must be **actually received** by the Voting Agent no later than the Voting Deadline of **5:00 p.m., prevailing Eastern Time, on June 5, 2018**, unless MACH Gen extends the Voting Deadline. **MACH Gen expressly reserves the absolute right to extend, by oral or written notice to the Voting Agent, the period of time (on a daily basis, if necessary) during which ballots will be accepted for any reason, until the necessary ballots have been received. MACH Gen will not have any obligation to publish, advertise, or otherwise communicate any such extension. There can be no assurance that MACH Gen will exercise any right to extend the solicitation period and deadline for the receipt of ballots.**

Except to the extent requested by MACH Gen, in its sole discretion, or as permitted by the Bankruptcy Court pursuant to Bankruptcy Rule 3018, ballots received by the Voting Agent after the Voting Deadline will not be counted or otherwise used in connection with MACH Gen's request for confirmation of the Plan (or any permitted modification thereof).

IF SUBMITTING ITS BALLOT BY OVERNIGHT MAIL OR HAND DELIVER, THE VOTING CREDITOR MUST SEND ITS COMPLETED BALLOT TO THE FOLLOWING ADDRESS:

New MACH Gen Ballot Processing
c/o Prime Clerk LLC
830 3rd Avenue, 3rd Floor
New York, NY 10022

IF SUBMITTING ITS BALLOT ELECTRONICALLY, THE VOTING CREDITOR MUST COMPLETE AND SUBMIT ITS BALLOT THROUGH THE VOTING AGENT'S ONLINE PORTAL AT HTTPS://CASES.PRIMECLERK.COM/NEWMACHGENBALLOTS BY FOLLOWING THE INSTRUCTIONS THEREON.

You must complete and return your original ballot(s). Ballots validly submitted through the Voting Agent's online voting portal will be deemed to be original ballots. Votes may not be transmitted orally or by facsimile. Accordingly, you are urged to return your signed and completed ballot(s) promptly.

B. *Voting Record Date*

Consistent with the provisions of Bankruptcy Rule 3018(b), MACH Gen has fixed June 4, 2018 as the "Voting Record Date" for the determination of holders of record of Claims or Interests entitled to vote to accept or reject the Plan. Only holders of record are entitled to vote to accept or reject the Plan.

C. *Parties Entitled to Vote*

Under the provisions of the Bankruptcy Code, not all parties-in-interest are entitled to vote on a chapter 11 plan. Creditors or equity interest holders whose claims or interests are not Impaired by a plan are deemed to accept the plan pursuant to section 1126(f) of the Bankruptcy Code and are not entitled to vote. Under section 1124 of the Bankruptcy Code, a class of claims or interests is deemed to be "Impaired" under a plan unless (1) the plan leaves unaltered the legal, equitable, and contractual rights to which such claim or interest entitles the holder thereof or (2) notwithstanding any legal right to an accelerated payment of such claim or interest, the plan cures all existing defaults (other than defaults resulting from the occurrence of events of bankruptcy) and reinstates the maturity of such claim or interest as it existed before the default.

Creditors and equity interest holders whose claims or interests are Impaired by a plan, but who will receive no distribution under a plan, are also not entitled to vote because they are deemed to have rejected the plan pursuant to section 1126(g) of the Bankruptcy Code.

As mentioned above, this Disclosure Statement and other Solicitation Package materials are being furnished prior to the commencement of the Chapter 11 Cases, and MACH Gen is soliciting votes on the Plan from the holders of Allowed Claims and Interests in Classes 3A and 3B, which Classes are deemed to be Impaired, as follows:

- Holders of Class 3A First Lien Revolver Claims whose names appear as of the Voting Record Date in the list of holders maintained by the First Lien Agent; and

- Holders of Class 3B First Lien Term Loan Claims whose names appear as of the Voting Record Date in the list of holders maintained by the First Lien Agent.

Holders of Claims that are entitled to vote should receive ballots with their Solicitation Package, which ballots should be used to submit their vote.

D. *Ballots*

Each ballot enclosed with this Disclosure Statement is marked with the Class into which the Claim or Interest has been placed under the Plan. All votes to accept or reject the Plan with respect to any Class of Claims or Interests must be cast by properly submitting the duly completed and executed form of ballot designated for such Class. Holders of Claims or Interests voting on the Plan should complete and sign their ballot(s) in accordance with the instructions thereon, being sure to check the appropriate box entitled "ACCEPT (VOTE FOR) THE PLAN" or "REJECT (VOTE AGAINST) THE PLAN." Any executed ballot that does not indicate either acceptance or rejection of the Plan, or that indicates both acceptance and rejection of the Plan, will not be counted.

To the extent a holder of Claims or Interests holds multiple Claims or Interests within a particular Class, MACH Gen may, in its discretion, instruct the Voting Agent to aggregate, to the extent possible, such holder's Claims or Interests (as applicable) for purposes of counting votes.

Ballots must be delivered to the Voting Agent, at its address set forth above, and **actually received** by the Voting Deadline. THE METHOD OF SUCH DELIVERY IS AT THE ELECTION AND RISK OF THE VOTER. If the voting creditor seeks to submit its ballot in paper copy and cannot deliver the ballot by hand, it is recommended that voters use an overnight courier with a guaranteed next day delivery or registered mail, properly insured, with return receipt requested. In all cases, sufficient time should be allowed to ensure timely delivery.

If you are entitled to vote and you did not receive a ballot, received a damaged ballot, or lost your ballot, please contact the Voting Agent by e-mail at newmachgenballots@primeclerk.com or by phone at 844-242-7491 (domestic / toll free) or 929-333-8974 (international / toll).

E. *Agreements upon Furnishing Ballots*

The delivery of a ballot to the Voting Agent by a holder of a Claim or an Interest voting to accept the Plan will constitute the agreement of such holder to accept (1) all of the terms of, and conditions to, the solicitation and (2) the terms of the Plan; provided, however, that all

parties-in-interest retain their right to object to confirmation of the Plan pursuant to section 1128 of the Bankruptcy Code in accordance with any applicable order of the Bankruptcy Court.

In addition, a vote on the Plan may be disregarded if the Bankruptcy Court determines, pursuant to section 1126(e) of the Bankruptcy Code, that it was not solicited or procured in good faith or in accordance with the provisions of the Bankruptcy Code.

F. *Withdrawal or Change of Votes on Plan*

Except as may be provided in the Restructuring Support Agreement with respect to the votes of the Support Parties, after the Voting Deadline, no vote may be withdrawn without the prior consent of MACH Gen, which consent shall be provided in MACH Gen's sole discretion.

Any holder who has submitted a properly completed ballot to the Voting Agent prior to the Voting Deadline may change its vote by submitting to the Voting Agent prior to the Voting Deadline a subsequent, properly-completed ballot for acceptance or rejection of the Plan. If more than one timely, properly-completed ballot is received with respect to the same Claim or Interest, the ballot that will be counted for purposes of determining whether sufficient acceptances required to confirm the Plan have been received will be the ballot that the Voting Agent determines in its sole discretion was the last to be received.

G. *Fiduciaries and Other Representatives*

If a ballot is signed by a trustee, executor, administrator, guardian, attorney-in-fact, officer of a corporation, or other Entity acting in a fiduciary or representative capacity, such Entity should indicate such capacity when signing and, if requested by MACH Gen, will be required to submit proper evidence satisfactory to MACH Gen of authority to so act. Authorized signatories should submit the separate ballot of each holder for whom they are voting.

UNLESS THE BALLOT BEING FURNISHED IS **ACTUALLY RECEIVED** BY THE VOTING AGENT ON OR PRIOR TO THE VOTING DEADLINE, SUCH BALLOT WILL BE REJECTED AS INVALID AND WILL NOT BE COUNTED AS AN ACCEPTANCE OR REJECTION OF THE PLAN; PROVIDED, HOWEVER, THAT MACH GEN RESERVES THE RIGHT, IN ITS SOLE DISCRETION, TO ACCEPT AND COUNT ANY SUCH LATE BALLOT. IN NO CASE SHOULD A BALLOT BE DELIVERED TO ANY ENTITY OTHER THAN THE VOTING AGENT.

H. *Waivers of Defects, Irregularities, etc.*

Unless otherwise directed by the Bankruptcy Court, all questions as to the validity, form, eligibility (including time of receipt), acceptance, and revocation or withdrawal of ballots will be determined by MACH Gen in its sole discretion, which determination will be final and binding. As indicated above, effective withdrawals of ballots must be delivered to the Voting Agent prior to the Voting Deadline. MACH Gen reserves the absolute right to contest the validity of any such withdrawal. MACH Gen also reserves the right to reject any and all ballots not in proper form, the acceptance of which would, in the opinion of MACH Gen or its counsel, be unlawful. MACH Gen further reserves the right to waive any defects or irregularities or conditions of delivery as to any particular ballot. The interpretation (including the ballot and the applicable

instructions thereto) by MACH Gen, unless otherwise directed by the Bankruptcy Court, will be final and binding on all parties. Unless waived, any defects or irregularities in connection with deliveries of ballots must be cured within such time as MACH Gen (or the Bankruptcy Court) determines. Neither MACH Gen nor any other person will be under any duty to provide notification of defects or irregularities with respect to deliveries of ballots, nor will any of them incur any liabilities for failure to provide such notification. Unless otherwise directed by the Bankruptcy Court, delivery of such ballots will not be deemed to have been made until such irregularities have been cured or waived. Ballots previously furnished (and as to which any irregularities have not theretofore been cured or waived) will be invalidated.

J. *Requirements for Acceptance by Impaired Class*

1. Class of Claims

An Impaired Class of Claims shall have accepted the Plan if it is accepted by at least two-thirds in amount and more than one-half in number of the Allowed Claims in such Class that have voted on the Plan.

SECTION VI.
CONFIRMATION OF PLAN

A. *Confirmation Hearing*

Section 1128(a) of the Bankruptcy Code requires the Bankruptcy Court, after appropriate notice, to hold the Confirmation Hearing. On, or as promptly as practicable after commencement of the Chapter 11 Cases, MACH Gen will request that the Bankruptcy Court schedule the Confirmation Hearing. Notice of the Confirmation Hearing will be provided to all known creditors and equity interest holders or their representatives. The Confirmation Hearing may be adjourned from time to time by the Bankruptcy Court without further notice.

Section 1128(b) of the Bankruptcy Code provides that any party in interest may object to confirmation of a plan. Any objection to confirmation of the Plan must (1) be in writing, (2) conform to the Bankruptcy Rules, (3) set forth the name of the objecting party, the nature of Claims or Interests held or asserted by the objecting party, and (4) state with particularity the legal and factual basis for the objection, and (5) be filed with the Bankruptcy Court, together with proof of service thereof, and served so as to be received no later than the date and time designated in the notice of the Confirmation Hearing.

The procedures for filing objections to confirmation of the Plan shall be determined by the Bankruptcy Court after the Chapter 11 Cases are commenced.

B. *Requirements for Confirmation of Plan – Consensual Confirmation*

At the Confirmation Hearing, the Bankruptcy Court will confirm the Plan only if all of the requirements of section 1129 of the Bankruptcy Code are met. If the Plan is accepted by all Impaired Classes of Claims and Interests (i.e., a consensual confirmation), among the requirements for confirmation are that the Plan is (1) feasible and (2) in the "best interests" of holders of Claims and Interests Impaired under the Plan.

1. Feasibility

Pursuant to section 1129(a)(11) of the Bankruptcy Code, the Bankruptcy Court must determine, among other things, that confirmation of the Plan is not likely to be followed by the liquidation or need for further financial reorganization of MACH Gen or any successors to MACH Gen under the Plan. This condition is often referred to as the "feasibility" of the Plan. MACH Gen believes that the Plan satisfies this requirement.

For purposes of determining whether the Plan meets this requirement, MACH Gen, in consultation with its financial and market advisors, has analyzed MACH Gen's ability to meet its obligations under the Plan. As part of that analysis, MACH Gen has prepared consolidated projected financial results (the "Projections") for each of the fiscal years 2018 through and including 2022. These Projections, and the assumptions on which they are based, are attached hereto as Exhibit C. The Projections relate to each of the Reorganized MACH Gen Entities other than Reorganized New Harquahala.

MACH Gen has prepared the Projections based upon certain assumptions and upon the assessments of certain market experts that it believes to be reasonable at the time of preparation. Those assumptions MACH Gen considered to be significant are described in the Projections. The Projections have not been examined or compiled by independent accountants. Many of the assumptions on which the Projections are based are subject to significant uncertainties. Inevitably, some assumptions will not materialize, and unanticipated events and circumstances may affect the actual financial results. Therefore, the actual results achieved throughout the period covered by the Projections may vary from the projected results, and the variations may be material. All holders of Claims and Interests that are entitled to vote to accept or reject the Plan are urged to examine carefully all of the assumptions on which the Projections are based in evaluating the feasibility of the Plan.

Under the Plan, New Harquahala will be transferred to the First Lien Lenders in exchange for the First Lien Loan Reduction (subject to the terms and conditions of the Plan, including the Harquahala Reorganization Annex, and the New First Term Loan). The Harquahala Facility is currently non-operational, but is nevertheless kept in a "hot idle" state whereby the plant is capable of returning to full operations in as little as 90 days. New Harquahala is expected to incur approximately $10.5 million of expenses annually to maintain this state of readiness, following which it is expected to generate cash flows sufficient to satisfy its costs and expenses. As the post-emergence owners of the Harquahala Facility, the First Lien

Lenders have indicated that they intend to provide all funds and financing necessary to satisfy Reorganized New Harquahala's post-Effective Date obligations as they come due until the Harquahala Facility is able to return to operability and profitability. Indeed, the First Lien Lenders, who, upon emergence, will be the ultimate parent of Reorganized New Harquahala, are major national banks insured by the Federal Deposit Insurance Corporation and, as of March 31, 2018, had aggregate total assets of more than $7.7 billion and total capital of more than $2.7 billion. As well-capitalized financial institutions, the First Lien Lenders are positioned and incentivized to manage Reorganized New Harquahala in both its current state and in the future as a going concern. To the extent necessary, additional evidence regarding feasibility and Reorganized New Harquahala's ability to emerge as a viable enterprise will be produced at or prior to the Confirmation Hearing.

2. Best Interests Test

Unless each Impaired Class of Claims or Interests under the Plan unanimously accepts the Plan, section 1129 of the Bankruptcy Code requires the Bankruptcy Court to determine that the Plan is in the best interests of all holders of Claims and Interests in such Classes. This "best interests" test must show that each holder of Impaired Claims or Interests receive property with a value not less than the amount such holder would receive if MACH Gen were liquidated under chapter 7 of the Bankruptcy Code. MACH Gen believes that under the Plan, holders of Impaired Claims or Interests will receive property with a value equal to or in excess of the value such holders would receive in a chapter 7 liquidation.

To estimate the potential recoveries to holders of Claims and Interests in a Chapter 7 liquidation, MACH Gen determined, as might a Bankruptcy Court conducting such an analysis, the amount of liquidation proceeds that might be available for distribution (net of liquidation-related costs) and the allocation of such proceeds among the Classes of Claims and Interests based on their relative priority as set forth in the Bankruptcy Code.

The amount of liquidation value available to holders of unsecured Claims against MACH Gen would be reduced by, first, the Claims of secured creditors to the extent of the value of their collateral and, second, the administrative expenses and priority claims allowed in chapter 7, including the costs and expenses of liquidation. Costs and other administrative expenses of a chapter 7 liquidation would include the compensation of a trustee, as well as counsel and other professionals retained by the trustee, asset disposition expenses, applicable taxes, litigation costs, all unpaid administrative expenses incurred by MACH Gen in the Chapter 11 Cases that are allowed in the chapter 7 cases, such as compensation of counsel and other professionals retained by MACH Gen and Claims arising from MACH Gen's operations during the pendency of the Chapter 11 Cases. The liquidation itself would trigger certain priority payments that otherwise would be due in the ordinary course of business. Those priority claims would be paid in full from the liquidation proceeds before the balance would be made available to pay unsecured Claims or to make any distribution in respect of Interests. The liquidation would also prompt the rejection of executory contracts and unexpired leases and thereby create a significantly greater amount of unsecured Claims.

In a chapter 7 liquidation, no junior Class of Claims or Interests may be paid unless all Classes of Claims or Interests senior to such junior Class are paid in full. Section 510(a) of the

Bankruptcy Code provides that subordination agreements are enforceable in a bankruptcy case to the same extent that such subordination agreements are enforceable under applicable non-bankruptcy law. Therefore, no Class of Claims or Interests that is contractually subordinated to another Class would receive any payment on account of its Claims or Interests, unless and until such senior Class was paid in full.

Once the Bankruptcy Court ascertains the liquidation recoveries to MACH Gen's secured and priority creditors in chapter 7, it would then determine the probable distribution to unsecured creditors from the remaining available proceeds of the liquidation. If this probable distribution has a value greater than the value of distributions to be received by the unsecured creditors under the Plan, then the Plan is not in the best interests of creditors and cannot be confirmed by the Bankruptcy Court. MACH Gen believes that the liquidation analysis attached hereto as Exhibit D (the "Liquidation Analysis") demonstrates that each holder in a Class of Impaired Claims or Interests will receive at least as much, if not more, under the Plan as such holder would receive if MACH Gen were liquidated pursuant to chapter 7. Therefore, MACH Gen believes that the Plan satisfies the requirements of the "best interests" test.

C. *Requirements for Confirmation of Plan – Non-Consensual Confirmation*

The Bankruptcy Code permits the Bankruptcy Court to confirm the Plan over the dissent of any Impaired Class of Claims or Interests as long as the standards in section 1129(b) are met. This power to confirm a plan over dissenting classes – often referred to as "cram down" – is an important part of the chapter 11 process. It assures that no single group (or multiple groups) of claims or interests can block a restructuring that otherwise meets the requirements of the Bankruptcy Code and is in the interests of the other constituents in the case.

The Bankruptcy Court may confirm the Plan over the rejection or deemed rejection by any Impaired Class of Claims or Interests if, among other requirements, the Plan "does not discriminate unfairly" and is "fair and equitable" with respect to such Class. All impaired classes of Claims or Interests have either accepted the Plan or are Consenting Parties under the Restructuring Support Agreement. MACH Gen believes that the Plan nonetheless satisfies the requirements for a nonconsensual confirmation and may be confirmed over the deemed dissent of any Impaired Class of Claims or Interests.

1. Unfair Discrimination

A plan does not discriminate unfairly against a dissenting class if its legal rights are treated in a manner consistent with the treatment of the legal rights of other classes of the same liquidation priority under non-bankruptcy law as the dissenting class. MACH Gen believes that the Plan treats each Impaired Class in a manner consistent with each other Class of equal priority and therefore satisfies the "unfair discrimination" test.

2. Fair and Equitable Test

A chapter 11 plan is only fair and equitable with respect to a dissenting class if no class senior to such dissenting class receives more than it is entitled to on account of such senior claims or interests. The "fair and equitable" test also imposes certain requirements that depend on the type of claims or interests in the dissenting class.

To be fair and equitable with respect to a dissenting class of Impaired secured creditors, a chapter 11 plan must provide that each holder in such class either (a) retains its liens on the property subject to such liens (or if sold, on the proceeds thereof) to the extent of the allowed amount of its secured claim and receives deferred cash payments having a value, as of consummation of the chapter 11 plan, of at least such allowed amount or (b) receives the "indubitable equivalent" of its secured claim.

To be fair and equitable with respect to a dissenting class of Impaired unsecured creditors, a chapter 11 plan must provide that either (a) each holder in such class receives or retains property having a value, as of consummation of the chapter 11 plan, equal to the allowed amount of its unsecured claim or (b) the holders of claims and interests that are junior to the claims of the dissenting class will not receive or retain any property under the chapter 11 plan.

To be fair and equitable with respect to a dissenting class of Impaired equity interest holders, a chapter 11 plan must provide that either (a) each holder in such class receives or retains property having a value, as of consummation of the chapter 11 plan, equal to the greater of (i) the allowed amount of any fixed liquidation preference or fixed redemption price of its interest and (ii) the value of its interest or (b) the holders of interests that are junior to the interests of the dissenting class will not receive or retain any property under the chapter 11 plan.

MACH Gen believes that the Plan does not permit holders any Class to receive more than they entitled to on account their Claims or Interests and that the Plan satisfies each other requirement of the "fair and equitable" test with respect to each Impaired Class.

SECTION VII.
VALUATION ANALYSIS

THE VALUATION INFORMATION CONTAINED IN THE FOLLOWING ANALYSIS IS NOT A PREDICTION OR GUARANTEE OF THE ACTUAL MARKET VALUE THAT MAY BE REALIZED THROUGH THE SALE OF ANY SECURITIES TO BE ISSUED PURSUANT TO THE PLAN. THIS VALUATION IS PRESENTED SOLELY FOR THE PURPOSE OF PROVIDING ADEQUATE INFORMATION AS REQUIRED BY SECTION 1125 OF THE BANKRUPTCY CODE TO ENABLE THE HOLDERS OF CLAIMS ENTITLED TO VOTE TO ACCEPT OR REJECT THE PLAN TO MAKE AN INFORMED JUDGMENT ABOUT THE PLAN AND SHOULD NOT BE USED OR RELIED UPON FOR ANY OTHER PURPOSE, INCLUDING THE PURCHASE OR SALE OF CLAIMS AGAINST THE DEBTORS.

Solely for purposes of the Plan and this Disclosure Statement, Evercore Group L.L.C. ("Evercore"), as investment banker to the Debtors, has estimated the total enterprise value (the "Total Enterprise Value") and implied equity value (the "Equity Value") of Reorganized MACH Gen on a going concern basis and pro forma for the transactions contemplated by the Plan.

In estimating the Total Enterprise Value of the Debtors, Evercore discussed the Debtors' assets, operations and future prospects with the Debtors' senior management team, reviewed the Debtors' historical financial information, reviewed certain of the Debtors' internal financial and

operating data, reviewed the Projections, reviewed publicly available third-party information and conducted such other studies, analyses, and inquiries Evercore deemed appropriate.

The valuation analysis herein represents a valuation of Reorganized MACH Gen as the continuing operators of the businesses and assets of the Debtors, after giving effect to the transactions contemplated by the Plan (including the Harquahala Reorganization), based on the application of standard valuation techniques. The estimated values set forth herein: (a) do not purport to constitute an appraisal of the assets of Reorganized MACH Gen; (b) do not constitute an opinion on the terms and provisions or fairness from a financial point of view to any person of the consideration to be received by such person under the Plan; (c) do not constitute a recommendation to any holder of Allowed Claims as to how such person should vote or otherwise act with respect to the Plan; and (d) do not necessarily reflect the actual market value that might be realized through a sale or liquidation of Reorganized MACH Gen.

In preparing the estimates set forth below, Evercore has relied upon the accuracy, completeness, and fairness of financial and other information furnished by the Debtors. Evercore did not attempt to independently audit or verify such information, nor did it perform an independent appraisal of the assets or liabilities of Reorganized MACH Gen.

The Debtors' Projections for Reorganized MACH Gen are provided in Exhibit C. The estimated values set forth herein assume that Reorganized MACH Gen will achieve its Projections in all material respects. Evercore has relied on the Debtors' representation and warranty that the Projections (a) have been prepared in good faith; (b) are based on fully disclosed assumptions, which, in light of the circumstances under which they were made, are reasonable; (c) reflect the Debtors' best currently available estimates; and (d) reflect the good faith judgments of the Debtors. Evercore does not offer an opinion as to the attainability of the Projections. As disclosed in the Disclosure Statement, the future results of Reorganized MACH Gen are dependent upon various factors, many of which are beyond the control or knowledge of the Debtors and Evercore, and consequently are inherently difficult to project.

This report contemplates facts and conditions known and existing as of the date of the Disclosure Statement. Events and conditions subsequent to this date, including updated projections, as well as other factors, could have a substantial effect upon the Total Enterprise Value. Among other things, failure to consummate the Plan in a timely manner may have a materially negative effect on the Total Enterprise Value. For purposes of this valuation, Evercore has assumed that no material changes that would affect value will occur between the date of the Disclosure Statement and the assumed Effective Date.

The following is a summary of analyses performed by Evercore to arrive at its range of estimated Total Enterprise Value for Reorganized MACH Gen.

1. Discounted Cash Flow Analysis

The discounted cash flow analysis ("DCF") is a forward-looking enterprise valuation methodology that estimates the value of an asset or business by calculating the present value of expected future cash flows to be generated by that asset or business. Evercore's DCF analysis

used the Projections' estimated unlevered free cash flows through the period ending December 31, 2022. Evercore evaluated the unlevered free cash flows on an after-tax basis assuming that Reorganized MACH Gen is an income tax-paying entity. These after-tax unlevered free cash flows were then discounted at a range of estimated weighted average costs of capital for Reorganized MACH Gen.

The total enterprise value is then determined by calculating the present value of after-tax unlevered free cash flows over the course of the projection period with an additional estimate for the value of the asset or business beyond the projection period, known as the terminal value. In evaluating the estimated terminal value of Reorganized MACH Gen, Evercore considered two terminal value calculations: (i) the present value of the after-tax unlevered free cash flows through the estimated remaining useful life of each asset and (ii) the perpetuity growth formula.

2. Trading Multiples Analysis

The Trading Multiples Analysis is based on the total enterprise values of public-traded unregulated power generation companies operating in the U.S. Under this methodology, the total enterprise value for each selected public company is determined by examining the trading prices for the equity securities of such company in the public markets and adding the aggregate amount of outstanding net debt and preferred stock for such company. Such total enterprise values are commonly expressed as multiples of various measures of financial and operating statistics, such as EBITDA. The total enterprise value for Reorganized MACH Gen is then calculated by applying these EBITDA multiples to its projected financial metrics.

Total Enterprise Value and Implied Equity Value

The assumed range of the reorganization value, as of the assumed Effective Date, reflects work performed by Evercore on the basis of information with respect to the business and assets of the Debtors available to Evercore as of the date of the Disclosure Statement. It should be understood that, although subsequent developments may affect Evercore's conclusions, Evercore does not have any obligation to update, revise or reaffirm its estimate.

As a result of the analyses described herein, Evercore estimated the Total Enterprise Value of Reorganized MACH Gen to be approximately $570 million to $670 million, with a midpoint of $620 million as of the assumed Effective Date of August 31, 2018. Based on an assumed pro forma net debt of $527 million as of the assumed Effective Date of August 31, 2018, the Total Enterprise Value implies an Equity Value range of $43 million to $143 million, with a midpoint of $93 million.

The estimate of Total Enterprise Value set forth herein is not necessarily indicative of actual outcomes, which may be significantly more or less favorable than those set forth herein depending on the results of the Debtors' operations or changes in the financial markets. Additionally, these estimates of value represent hypothetical enterprise and equity values of Reorganized MACH Gen as the continuing operator of the Debtors' businesses and assets (subject to the Harquahala Reorganization), and do not purport to reflect or constitute appraisals, liquidation values or estimates of the actual market value that may be realized through the sale of

any securities to be issued pursuant to the Plan, which may be significantly different than the amounts set forth herein. Such estimates were developed solely for purposes of formulation and negotiation of the Plan and analysis of implied relative recoveries to creditors thereunder. The value of an operating business such as the Debtors' businesses is subject to uncertainties and contingencies that are difficult to predict and will fluctuate with changes in factors affecting the financial condition and prospects of such businesses.

Evercore's estimated valuation range of Reorganized MACH Gen does not constitute a recommendation to any holder of Allowed Claims or Interests as to how such person should vote or otherwise act with respect to the Plan. The estimated value of Reorganized MACH Gen set forth herein does not constitute an opinion as to the fairness from a financial point of view to any person of the consideration to be received by such person under the Plan or of the terms and provisions of the Plan. Because valuation estimates are inherently subject to uncertainties, none of the Debtors, Evercore or any other person assumes responsibility for their accuracy or any differences between the estimated valuation ranges herein and any actual outcome.

Evercore is acting as investment banker to the Debtors, and will not be responsible for and will not provide any tax, accounting, actuarial, legal or other specialist advice.

SECTION VIII.
CERTAIN U.S. FEDERAL INCOME TAX CONSEQUENCES OF THE PLAN

The following is a discussion of certain U.S. federal income tax consequences of the Plan to MACH Gen and does not address the U.S. federal income tax consequences to holders of Claims. The group of entities comprising MACH Gen are treated, for U.S. federal income tax purposes, as entities disregarded as separate from their regarded parent, MACH Gen, LLC. MACH Gen, LLC is a member of an affiliated group, of which Talen Energy Corporation is the common parent that files a U.S. federal consolidated tax return. Consequently, as further described below, any gain realized by MACH Gen, LLC in connection with transactions effectuated under the Plan would be reflected on the U.S. federal consolidated tax return of Talen Energy Corporation.

This discussion is based on the Internal Revenue Code of 1986 (as amended, the "Tax Code"), Treasury Regulations thereunder, and administrative and judicial interpretations and practice, all as in effect on the date of this Disclosure Statement and all of which are subject to change, with possible retroactive effect. Due to the lack of definitive judicial and administrative authority in a number of areas, substantial uncertainty may exist with respect to some of the tax consequences described below. No opinion of counsel has been obtained, and MACH Gen does not intend to seek a ruling from the Internal Revenue Service (the "IRS") as to any of the tax consequences of the Plan, including those items discussed below. There can be no assurance that the IRS will not challenge, or that a court will not sustain such a challenge of, one or more of the tax consequences of the Plan. Moreover, this discussion does not purport to cover all aspects of U.S. federal income taxation that may apply to MACH Gen. Additionally, this discussion does not discuss any tax consequences that may arise under any laws other than U.S. federal income tax law, including under state, local, or foreign tax law and does not address U.S. federal taxes other than income taxes.

A. *Cancellation of Debt Income*

In general, absent an exception, a debtor will realize and recognize cancellation of debt income ("COD Income") upon satisfaction of its outstanding indebtedness for total consideration less than the amount of such indebtedness. The amount of COD Income, in general, is the excess of (a) the adjusted issue price of the indebtedness satisfied, over (b) the sum of (i) the amount of cash paid, (ii) the issue price of any indebtedness received, and (iii) the fair market value of any other consideration given in satisfaction of such indebtedness at the time of the exchange. COD Income, however, does not arise in certain circumstances, including in connection with the cancellation of an obligation, the payment of which would have been deductible by the payor. A debtor will not be required to include any amount of COD Income in gross income if the debtor is under the jurisdiction of a court in a case under chapter 11 of the Bankruptcy Code and the discharge of debt occurs pursuant to that proceeding. Instead, as a consequence of such exclusion, a debtor must reduce its tax attributes by the amount of COD Income that it excluded from gross income pursuant to section 108 of the Tax Code. In general, tax attributes will be reduced in the following order: (a) net operating losses; (b) most tax credits and capital loss carryovers; (c) tax basis in assets; and (d) foreign tax credits. A debtor with COD Income may elect first to reduce the basis of its depreciable assets pursuant to section 108(b)(5) of the Tax Code.

Whether COD Income will arise in connection with the implementation of the Plan will depend, in part, on the value of the property transferred in satisfaction of a Claim and the allocation of that value between the principal amount and accrued interest on the Claim. MACH Gen does not anticipate any COD Income resulting from the transactions effectuated pursuant to the Plan.

B *Taxable Gain*

In general, a taxpayer will realize gain upon the sale or other disposition of property in an amount equal to the excess of the total consideration received, including the amount of any liabilities discharged as a result of such sale or disposition, over the taxpayer's adjusted basis in such property. For U.S. federal income tax purposes, the Harquahala Reorganization will be treated as a taxable sale, in which MACH Gen, LLC, as the regarded parent of the group of entities comprising MACH Gen, would realize gain equal to the difference between the net amount of debt discharged, for U.S. federal income tax purposes, in connection with the Harquahala Reorganization and refinancing of the prepetition First Lien Credit Facility and its adjusted basis in such property. Furthermore, such gain would be reflected on the U.S. federal consolidated tax return of Talen Energy Corporation.

ALL HOLDERS OF CLAIMS ARE URGED TO CONSULT THEIR OWN TAX ADVISORS FOR THE U.S. FEDERAL, STATE, LOCAL, AND OTHER TAX CONSEQUENCES APPLICABLE UNDER THE PLAN.

SECTION IX.
CERTAIN FEDERAL AND STATE SECURITIES LAW CONSIDERATIONS

A. *Exemption from Registration Requirements for Interests in New Harquahala*

Upon consummation of the Plan, MACH Gen will rely on section 1145 of the Bankruptcy Code to exempt the issuance or transfer of Interests in New Harquahala or New MACH Gen, as applicable, from the registration requirements of the Securities Act and of any state securities or "blue sky" laws. Section 1145 of the Bankruptcy Code exempts from registration the offer or sale of securities of a debtor or a successor to a debtor under a chapter 11 plan if such securities are offered or sold in exchange for a claim against, or interest in, or a claim for an administrative expense in a case concerning, the debtor or a successor to the debtor under the Plan. MACH Gen believes that the offer and sale of Interests in New Harquahala or New MACH Gen, as applicable, under the Plan satisfy the requirements of section 1145 and are therefore exempt from the registration requirements of the Securities Act and state securities laws.

B. *Subsequent Transfers of Interests in New Harquahala or New MACH Gen*

In general, recipients of Interests in New Harquahala or New MACH Gen, as applicable, will be able to resell such securities without registration under the Securities Act or other federal securities laws pursuant to the exemption provided by section 4(a)(1) of the Securities Act and the rules promulgated thereunder, unless the holder of such securities is an "underwriter" within the meaning of section 1145(b) of the Bankruptcy Code. In addition, such securities generally may be resold without registration under state securities laws pursuant to various exemptions provided by the respective laws of the several states. However, recipients of Interests in New Harquahala issued under the Plan are advised to consult with their own legal advisors as to the availability of any such exemption from registration under state law in any given instance and as to any applicable requirements or conditions to such availability.

Section 1145(b) of the Bankruptcy Code defines "underwriter" as one who (1) purchases a claim with a view to distribution of any security to be received in exchange for such claim, (2) offers to sell securities issued under a plan for the holders of such securities, (3) offers to buy securities issued under a plan from persons receiving such securities, if the offer to buy is made with a view to distribution, or (4) is an "issuer" of the relevant security, as such term is used in section 2(11) of the Securities Act. Under section 2(11) of the Securities Act, an "issuer" includes any "affiliate" of the issuer, which means any person directly or indirectly through one or more intermediaries controlling, controlled by, or under common control with the issuer.

To the extent recipients of Interests in New Harquahala or New MACH Gen, as applicable, are deemed to be "underwriters," the resale of such securities by such persons would not be exempted from registration by section 4(a)(1) of the Securities Act. Accordingly, the resale of such securities by such persons could only be made upon the registration of such securities in the future or an available exemption from such registration.

Notwithstanding the foregoing, statutory underwriters may be able to sell securities without registration pursuant to the resale limitations of rule 144 under the Securities Act which, in effect, permit the resale of securities received by statutory underwriters pursuant to a chapter 11 plan, subject to applicable volume limitations, public information, notice, and manner of sale requirements and certain other conditions. Parties who believe they may be statutory underwriters as defined in section 1145 of the Bankruptcy Code are advised to consult with their own legal advisors as to the availability of the exemption provided by rule 144 under the Securities Act.

GIVEN THE COMPLEX NATURE OF THE QUESTION OF WHETHER A PARTICULAR PERSON MAY BE AN "UNDERWRITER" WITH RESPECT TO INTERESTS IN NEW HARQUAHALA, MACH GEN MAKES NO REPRESENTATIONS CONCERNING THE RIGHT OF ANY PERSON TO TRADE SUCH SECURITIES UNDER THE PLAN. MACH GEN RECOMMENDS THAT HOLDERS OF CLAIMS AND INTERESTS CONSULT THEIR OWN COUNSEL CONCERNING WHETHER THEY MAY FREELY TRADE SUCH SECURITIES WITHOUT REGISTRATION UNDER THE SECURITIES ACT AND APPLICABLE STATE SECURITIES LAWS.

SECTION X.
RISK FACTORS

The implementation of the Plan and the transfer of Interests in New Harquahala or Interests in New MACH Gen are subject to a number of material risks, including those summarized below. However, this summary of risks and considerations is not exhaustive. Prior to deciding whether and how to vote on the Plan, holders of Claims or Interests entitled to vote should read and consider carefully all of the information in the Plan and this Disclosure Statement, as well as all other information referenced or incorporated by reference into this Disclosure Statement.

These risk factors contain certain statements that are "forward-looking statements." These statements are subject to a number of assumptions, risks, and uncertainties, many of which are beyond the control of MACH Gen, including the implementation of the Plan, the continuing availability of sufficient borrowing capacity or other financing to fund operations, the effect of the reorganization on customers, suppliers, and vendors, fluctuations in raw material (including but not limited to, gas, coal, electricity, and other energy commodities) prices and other costs, downturns in industrial production, housing, and construction, the consumption of durable and nondurable goods, the degree and nature of competition, increases in insurance costs, changes in government regulations, changes in the application or interpretation of those regulations, changes in the systems, personnel, technologies, or other resources MACH Gen devotes to compliance with regulations, MACH Gen's ability to complete acquisitions and successfully integrate the operations of acquired businesses, terrorist actions or acts of war, operating efficiencies, labor relations, property tax assessments, and other market and competitive conditions. Holders of Claims and Interests are cautioned that the forward-looking statements speak as of the date made and are not guarantees of future performance. Actual results or developments may differ materially from the expectations expressed or implied in the forward-looking statements. No party, including, without limitation, MACH Gen, Reorganized MACH Gen, Reorganized New

Harquahala or Beal Bank USA and Beal Bank, SSB (in their capacity as Plan Proponents), undertakes an obligation to update any such statements.

A. *Certain Bankruptcy Law Considerations*

We cannot predict the amount of time needed in chapter 11 to implement the Plan, and lengthy chapter 11 cases could disrupt our businesses, as well as impair prospects for reorganization on terms contained in the Plan and possibly provide an opportunity for other plans to be proposed.

MACH Gen cannot be certain that the Chapter 11 Cases, commenced solely for the purpose of implementing the Plan, would be of relatively short duration and would not unduly disrupt its businesses. It is impossible to predict with certainty the amount of time needed in bankruptcy, and MACH Gen cannot be certain that the Plan would be confirmed. Moreover, the Bankruptcy Code limits the time during which a debtor has an exclusive right to file a plan before other proponents can propose and file their own plan.

Lengthy chapter 11 cases would also involve additional expenses and divert the attention of management from operation of the businesses, as well as create concerns for personnel, vendors, and customers. The disruption that lengthy chapter 11 cases would inflict upon MACH Gen's businesses would increase with the length of time needed to complete the Restructuring, and the severity of that disruption would depend upon the attractiveness and feasibility of the Plan from the perspective of the constituent parties, including critical vendors, personnel, and customers. Significant delay may result in the termination of the Restructuring Support Agreement due to missed milestones or other termination events, to the extent MACH Gen is unable to obtain waivers or amendments from the relevant Support Parties.

If MACH Gen is unable to obtain confirmation of the Plan on a timely basis for any reason, MACH Gen may be forced to operate in chapter 11 for an extended period while trying to develop a different chapter 11 plan that can be confirmed. Protracted chapter 11 cases would increase both the probability and the magnitude of the adverse effects described above.

We may be unable to obtain confirmation of the Plan.

Although MACH Gen believes that the Plan will satisfy all requirements for confirmation under the Bankruptcy Code, there can be no assurance that the Bankruptcy Court will reach the same conclusion. Moreover, there can be no assurance that modifications to the Plan will not be required for confirmation or that such modifications would not be sufficiently material as to necessitate the re-solicitation of votes on the Plan.

If the Plan is not confirmed, there can be no assurance the Chapter 11 Cases will continue rather than be converted into chapter 7 liquidation cases or that any alternative chapter 11 plan or plans would be on terms as favorable to the holders of Claims and Interests as the terms of the Plan. If a liquidation or protracted reorganization of MACH Gen's bankruptcy estates were to occur, there is a substantial risk that MACH Gen's going-concern value would be substantially eroded to the detriment of all stakeholders.

The Effective Date may not occur.

Although MACH Gen believes the Effective Date may occur shortly after the Confirmation Date and receipt of regulatory approvals, there can be no assurance as to such timing. The occurrence of the Effective Date is also subject to certain conditions precedent as set forth in Article X of the Plan. Failure to meet any of these conditions could result in the Plan not being consummated.

If the Effective Date does not occur, the Plan shall be null and void in all respects, and nothing contained in the Plan or this Disclosure Statement shall: (a) constitute a waiver or release of any claims by MACH Gen, any holders of Claims or Interests (including the Support Parties), or any other Entity; (b) prejudice in any manner the rights of MACH Gen, any holders of Claims or Interests (including the Support Parties), or any other Entity; or (c) constitute an admission, acknowledgment, offer, or undertaking by MACH Gen, any holders of Claims or Interests (including the Support Parties), or any other Entity, in any respect.

If the Effective Date of the Plan does not occur, there can be no assurance that the Chapter 11 Cases will continue rather than be converted into chapter 7 liquidation cases or that any alternative chapter 11 plan or plans would be on terms as favorable to the holders of Claims and Interests as the terms of the Plan. If a liquidation or protracted reorganization of MACH Gen's Estates were to occur, there is a substantial risk that MACH Gen's going-concern value would be eroded to the detriment of all stakeholders.

We may be unsuccessful in obtaining first-day orders to authorize payment to key creditors in the ordinary course of business.

There can be no guaranty that MACH Gen will be successful in obtaining the necessary approvals of the Bankruptcy Court to authorize payment of accounts payable to key creditors in the ordinary course of business. As a result, MACH Gen may be unable to make certain prepetition payments to customers, vendors, and other key creditors, in which case the businesses may suffer.

B. *Business-Related Risks*

The announcement of the Restructuring could adversely affect the value of our businesses.

It is possible that announcement of the Restructuring or the filing of the Chapter 11 Cases could adversely affect MACH Gen's operations and relationships with third parties. Due to uncertainties, many risks exist, including the following:

- customers could switch to competitors;
- personnel may be distracted from performance of their duties or more easily attracted to other employment opportunities, including with their competitors;
- customers may delay making payments;

- although the Plans provides for payment in full of General Unsecured Claims, general unsecured creditors may suspend or terminate their relationship with MACH Gen, exercise rights of set-off or similar remedies, further restrict ordinary credit terms, or require guarantee of payment;

- business partners could terminate their relationship or require financial assurances or enhanced performance;

- trade creditors could require payment in advance or cash on delivery;

- the ability to renew existing contracts and compete for new business may be adversely affected;

- competitors may take business away from MACH Gen; and

- insurance policies may be more difficult or expensive to obtain.

A delay in completing the Restructuring may result in the same adverse consequences. The occurrence of one or more of these events could have a material and adverse effect on the financial condition, operations, and prospects of MACH Gen and the value of its existing interests and debt.

Because wholesale power prices are subject to extreme volatility, the revenues that we generate are subject to significant fluctuations.

MACH Gen must sell all or a portion of the electrical energy, capacity, and other products from the Facilities into wholesale power markets. The prices of such energy products in those markets are influenced by many factors outside of its control, including fuel prices, energy prices, capacity prices, transmission constraints and prices, supply and demand, weather, economic conditions, and the rules, regulations, and actions of the system operators and regulatory regimes in those markets. In addition, unlike most other commodities, electric energy, for the most part, cannot be stored and therefore must be produced concurrently with its use. As a result, the wholesale power markets are subject to significant price fluctuations over relatively short periods of time and can be unpredictable.

Competition in wholesale power markets may have a material adverse effect on our financial condition, results of operations, and cash flows.

MACH Gen has numerous competitors, and additional competitors may enter the industry. MACH Gen's power generation businesses compete with other non-utility generators, regulated utilities, unregulated subsidiaries of regulated utilities, other energy service companies, and financial institutions in the sale of electric energy, capacity, and ancillary services, as well as in the procurement of fuel, transmission, and transportation services. Moreover, aggregate demand for power may be met by generation capacity based on several competing technologies, as well as power generating facilities fueled by alternative or renewable energy sources, including hydroelectric power, synthetic fuels, solar, wind, wood, geothermal, waste heat, and

solid waste sources. Regulatory initiatives designed to enhance renewable generation could increase competition from these types of facilities.

MACH Gen also competes against other energy merchants on the basis of their relative operating skills, financial position, and access to credit sources. Electric energy customers, wholesale energy suppliers, and transporters often seek financial guarantees, credit support such as letters of credit, and other assurances that energy contracts will be satisfied. Companies with which MACH Gen competes may have greater resources in these areas or lower costs of service than MACH Gen.

Other factors may contribute to increased competition in wholesale power markets. New forms of capital and competitors have entered the industry in the last several years, including financial investors who perceive that asset values are at levels below their true replacement value. As a result, a number of generation facilities in the United States are now owned by lenders and investment companies with a lower cost basis than the original construction costs. Furthermore, mergers and asset reallocations in the industry could create powerful new competitors. Under any scenario, MACH Gen anticipates that it will face competition from numerous companies in the industry, some of which have superior capital structures.

Moreover, many companies in the regulated utility industry, with which the wholesale power industry is closely linked, are also restructuring or reviewing their strategies. Several of those companies have discontinued or are discontinuing their unregulated activities and are seeking to divest or spin-off their unregulated subsidiaries. Some of those companies have had, or are attempting to have, their regulated subsidiaries acquire assets out of their or other companies' unregulated subsidiaries. This may lead to increased competition between the regulated utilities and the unregulated power producers within certain markets. To the extent competition increases, MACH Gen's financial condition, results of operations, and cash flows may be materially adversely affected.

We may not successfully manage risks associated with the wholesale power markets if a sufficient amount of working capital and collateral are not retained in the businesses to manage and mitigate operational and market risk.

MACH Gen is exposed to market risks through its power marketing business and energy management arrangements, which involve the sale of energy and capacity and the procurement of fuel and emission allowances. MACH Gen buys and sells forward contracts and options in transactions identified by the energy managers and buys and sells its energy, capacity, and other energy products into spot markets. In addition, MACH Gen procures fuel and emission allowances for the Facilities in spot and forward markets and on exchanges. Without a sufficient amount of working capital and collateral to post as performance guarantees or margin, MACH Gen may not be able to effectively manage this price volatility and may not be able to successfully manage the other risks associated with trading in energy markets, including the risk that counterparties may not perform or refuse to continue to do business with MACH Gen.

Our competitors may be less sensitive to the risks associated with the wholesale power markets.

Many of MACH Gen's competitors, particularly in the Desert Southwest, derive revenue from sources other than wholesale power, such as sales of power to retail customers at cost-of-service regulated rates and power purchase contracts. As a result, fluctuations in wholesale energy prices and related costs may disproportionately impact the profitability of MACH Gen as compared to its competitors.

Operation of power generation facilities involves significant risks, which cannot always be covered by insurance or contractual protections.

The operation of power generation, thermal energy production, transmission, and resource recovery facilities involve many risks, including supply interruptions, work stoppages, labor disputes, safety-related concerns social unrest, weather interferences, unforeseen engineering, environmental and geological problems, and unanticipated cost overruns on maintenance and refurbishment projects.

The ongoing operation of the Facilities involves all of the risks described above, in addition to risks relating to the breakdown or failure of equipment or processes and performance below expected levels of generation output or efficiency. New plants may employ recently developed and technologically complex equipment, especially in the case of newer environmental emission control technology. The Facilities cannot operate without certain critical components that, if they failed, could take over a year to replace. While MACH Gen maintains insurance, obtains warranties from vendors, and obligates contractors to meet certain performance levels, the proceeds of such insurance, warranties, or performance guarantees may not be timely received or adequate to cover lost revenues, increased expenses, or liquidated damages payments. Any of these risks could cause MACH Gen to operate below expected capacity levels, which in turn could result in lost revenues, increased expenses, higher maintenance costs, and penalties. As a result, the Facilities may operate at a loss or MACH Gen may be unable to fund principal and interest payments under the Facilities or certain other project financing agreements, which may result in a default under such indebtedness.

We are exposed to the risk of natural gas and transportation cost increases and interruption in fuel supply because our facilities generally do not have long-term natural gas supply agreements.

MACH Gen's power generation facilities that sell energy into the wholesale power markets primarily purchase natural gas on the spot market. Even though MACH Gen attempts to hedge its known fuel requirements, it still may face the risk of supply interruptions and some fuel price volatility. The price MACH Gen can obtain for the sale of energy may not rise at the same rate, or may not rise at all, to match a rise in fuel costs. This may have a material adverse effect on its financial performance.

We often rely on single suppliers, exposing us to significant financial risks if they should fail to perform their obligations.

MACH Gen often relies on a single supplier for the provision of water and other services required for operation of a facility and its energy managers are the sole counterparties for the

provision of natural gas and sole overseers of the sale of electricity and ancillary services generated at the Facilities. MACH Gen also relies on single providers for (i) parts and service for its combustion turbine generators and (ii) operations and maintenance services. The failure of any one supplier to fulfill its contractual obligations in connection with any Facility could have a material adverse effect on such Facility's (and MACH Gen's) financial results. Consequently, the financial performance of any such facility is dependent on the continued performance by suppliers of their obligations and, in particular, on the credit quality of the project's suppliers.

We do not own or control significant transmission facilities required to sell wholesale power from our generation facilities.

MACH Gen depends on dedicated, non-redundant transmission facilities owned and operated by ISOs and other third parties to sell wholesale power from the Facilities. ISOs provide transmission services, administer transparent and competitive power markets, and maintain system reliability. Many of these ISOs operate in the realtime and day-ahead markets in which MACH Gen sells energy. These transmission facilities may fail and would require extended periods for repair. If service from these third-party owned transmission facilities is unavailable or disrupted, or if the transmission capacity infrastructure is inadequate, MACH Gen's ability to sell and deliver wholesale power may be materially adversely affected.

Wholesale electric markets are highly structured and regulated and subject to frequent change that can materially affect our revenues.

Because the transmission facilities used by MACH Gen are operated by ISOs and other third parties, they are subject to changes in structure and operation and impose various pricing limitations. These changes and pricing limitations may affect the products that MACH Gen is permitted to sell, the price and terms on which the Facilities' output can be sold, and MACH Gen's ability to deliver power to the market that would, in turn, adversely affect the profitability of its generation facilities. The ISOs that oversee most of the wholesale power markets impose, and in the future may continue to impose, offer caps and other mechanisms to guard against the potential exercise of market power in these markets as well as price limitations. These types of price limitations and other regulatory mechanisms may adversely affect the profitability of MACH Gen's generation facilities that sell energy and capacity into the wholesale power markets.

Rules governing the various regional power markets may also change from time to time, which could affect MACH Gen's costs or revenues. Furthermore, the rates for transmission capacity from these facilities are set by others and thus are subject to change, some of which could be significant. As a result, MACH Gen's financial condition, results of operations, and cash flows may be materially adversely affected.

We are subject to competitive pressures in the Desert Southwest power market.

In the Desert Southwest power market where the Harquahala Facility operates, the facility must provide its own operating reserves to support firm power sales. While this does not generally present a problem during peak summer months, MACH Gen is placed at a competitive

disadvantage during non-peak months, operating as a lone asset. During non-peak months, MACH Gen operates only one of the Harquahala Facility's generation units and provides unit contingent power, while the remaining units are kept idle. Because demand for unit contingent power is relatively low, such unit contingent power sells at a significant discount to firm power and is potentially subject to further demand and price deterioration.

In addition, the region served by the Harquahala Facility is exclusively a bilateral market, and, as such, the Facility does not enjoy the benefits provided by certain centralized markets, such as the ISOs. The bilateral market can result in less market transparency, greater uneconomic dispatch by fully integrated load serving entities with their own generation resources, and other preferential treatment of utility owned assets.

Inability to consummate the Harquahala Reorganization

Certain risk factors exist with respect to the closing of the Harquahala Reorganization. For example, there are numerous conditions to closing the Harquahala Reorganization that are out of MACH Gen's control, including receiving approval of the Harquahala Reorganization from the Federal Energy Regulatory Commission. Failure to timely achieve such closing conditions could prevent closing of the transfer. Such a result could significantly delay the consummation of the Plan or result in the Plan not being consummated.

C. *Regulatory Risks*

MACH Gen's businesses are subject to extensive energy, environmental, and other laws and regulations of federal, state, and local authorities. MACH Gen is generally required to obtain and comply with a wide variety of licenses, permits, and other approvals in order to operate the Facilities. MACH Gen may incur significant additional costs because of its compliance with these requirements. If it fails to comply with these requirements, it could be subject to civil or criminal liability and the imposition of liens or fines. In addition, existing regulations may be revised or reinterpreted, new laws and regulations may be adopted or become applicable to MACH Gen or its Facilities, and future changes in laws and regulation may have a detrimental effect on its businesses. Furthermore, with the continuing trend toward stricter standards, greater regulation, more extensive permitting requirements, MACH Gen expects its environmental expenditures may be substantial in the future.

The acquisition of Interests in New Harquahala, including through the Plan, may be subject to regulatory restrictions.

The acquisition of Interests in New Harquahala, including through the Plan and the Harquahala Reorganization, may be subject to compliance with regulatory requirements and/or prior regulatory approvals by the holder or acquirer of Interests in New Harquahala. Such regulatory approvals may include, without limitation, Federal Energy Regulatory Commission authorization under section 203 of the Federal Power Act, Federal Communications Commission authorization with respect to change in control over wireless radio licenses, and approvals from any other applicable regulatory body or bodies. The applicability of regulatory approvals may depend on the amount of Interests in New Harquahala to be acquired. The ability to obtain regulatory approvals may depend upon the business activities of the proposed acquirers of

Interests in New Harquahala, and the affiliates of such proposed acquirers, and in particular upon holdings of or interests in electric power generation or transmission facilities or other energy infrastructure. Regulatory approvals may be denied, conditioned, or delayed and may not be available. Denial, condition or delay could prevent a proposed holder from acquiring Interests in New Harquahala. Additionally, the Plan will not be consummated unless appropriate and necessary regulatory approvals are received.

A holder or acquirer of Interests in New Harquahala should consult with its own legal counsel with regard to compliance with and/or obtaining appropriate regulatory approvals. The acquisition of Interests in New Harquahala prior to obtaining and/or complying with any necessary regulatory approvals may result in liability including potentially substantial civil penalties.

D. *Other Risks*

The DIP Facility and/or New Financing Facilities may not become available to us.

On or shortly after the Petition Date, MACH Gen intends to ask the Bankruptcy Court to authorize the DIP Facility to provide for funding during the Chapter 11 Cases. The DIP Facility is intended to provide liquidity to MACH Gen during the pendency of the Chapter 11 Cases. There can be no assurance that the Bankruptcy Court will approve the DIP Facility on the terms requested by MACH Gen. Moreover, if the Chapter 11 Cases take longer than expected to conclude, MACH Gen may exhaust its financing. There is no assurance that it will be able to obtain additional financing from its existing lenders or otherwise. In either such case, the liquidity necessary for the orderly functioning of MACH Gen's businesses may be materially impaired.

In addition, the DIP Facility Agreement and the New Facilities Agreements include various conditions to closing. Accordingly, MACH Gen cannot give assurances that the DIP Facility or the New Financing Facilities will be consummated. In the event either of these facilities are not consummated, and MACH Gen is unable to promptly obtain replacement facilities, the ability of MACH Gen to confirm the Plan will be materially and adversely affected.

Even if the DIP Facility Agreement and the New Facilities Agreements are entered into, any inability of Reorganized MACH Gen to remain in compliance with its covenants thereunder could restrict the ability of Reorganized MACH Gen to fully access the maximum amount that may be borrowed under the DIP Facility Agreement and the New Facilities Agreements. While MACH Gen believes this risks are mitigated in part by the fact that the DIP Facility and New Financing Facilities are expected to be provided by the Consenting First Lien Holders and the Consenting Equity Holders, these uncertainties with respect to the DIP Facility Agreement and the New Facilities Agreements may nonetheless adversely affect the success of Reorganized MACH Gen.

The extent of leverage may limit Reorganized MACH Gen's ability to obtain additional financing.

Although the Plan will result in the elimination of debt, Reorganized MACH Gen will continue to have a significant amount of indebtedness after the Effective Date.

Such levels of indebtedness may limit the ability of Reorganized MACH Gen to obtain additional financing for working capital, capital expenditures, debt service requirements, and general corporate or other purposes. Such levels of indebtedness may also limit the ability of Reorganized MACH Gen to adjust to changing market conditions and to withstand competitive pressures, possibly leaving Reorganized MACH Gen vulnerable in a downturn in general economic conditions or in its business, or unable to carry out necessary maintenance or capital spending.

Our Projections and other financial information are based on assumptions that may prove incorrect.

The Projections and other financial information contained herein reflect numerous assumptions concerning the anticipated future performance of Reorganized MACH Gen, some of which may not materialize, including the projected prices of electricity and natural gas.

The financial information contained in this Disclosure Statement, other than that in **Exhibit E**, has not been audited. In preparing this Disclosure Statement, MACH Gen has relied on financial data derived from its books and records that was available at the time of such preparation. Although MACH Gen has exercised its reasonable business judgment to ensure the accuracy of the financial information provided herein, and while MACH Gen believes that such financial information fairly reflects its financial results, MACH Gen is unable to warrant or represent that the financial information contained herein is without inaccuracies.

The Projections are, by their nature, forward-looking, and necessarily based on certain assumptions or estimates that are beyond MACH Gen's control and may ultimately prove to be incorrect. The actual future financial results of Reorganized MACH Gen may turn out to be materially different from the Projections. As discussed above, the wholesale power markets are volatile and MACH Gen's operations are subject to inherent uncertainties and risks, all of which make accurate forecasting very difficult. In preparing the Projections, MACH Gen has relied upon the expertise of Evercore to assess and evaluate many of those uncertainties and risks on a prospective basis, and there can be no assurances that such prospective assessments will ultimately prove to be accurate.

It was assumed in the preparation of the Projections and other financial information contained herein that the historical book value of MACH Gen's assets as of September 30, 2017 approximates those assets' fair value, except for specific adjustments.

Historical financial information may not be comparable.

As a result of the consummation of the Plan and the transactions contemplated thereby, the financial condition and results of operations of Reorganized MACH Gen from and after the Effective Date may not be comparable to the financial condition or results of operations reflected in MACH Gen's historical financial statements.

SECTION XI.
ALTERNATIVES TO CONFIRMATION AND CONSUMMATION OF PLAN

If the Plan is not confirmed, the alternatives include (a) liquidation of MACH Gen under chapter 7 or chapter 11 of the Bankruptcy Code and (b) continuation of the Chapter 11 Cases and formulation of an alternative plan or plans of reorganization. Each of these possibilities is discussed in turn below.

A. *Liquidation Under Chapter 7 or Chapter 11*

If the Plan is not confirmed, the Chapter 11 Cases could be converted to liquidation cases under chapter 7 of the Bankruptcy Code. In chapter 7, a trustee would be appointed to promptly liquidate the assets of MACH Gen.

Although it is impossible to predict precisely how the proceeds of a liquidation would be distributed to the respective holders of Claims or Interests, MACH Gen believes that in a chapter 7 liquidation, before creditors received any distributions, additional administrative expenses involved in the appointment of a trustee and attorneys, accountants, and other professionals to assist such trustee, along with an increase in expenses associated with an increase in the number of unsecured Claims that would be expected, would cause a substantial diminution in the value of the Estates. The assets available for distribution to creditors and equity interest holders would be reduced by such additional expenses and by Claims, some of which would be entitled to priority, which would arise by reason of the liquidation and from the rejection of leases and other executory contracts in connection with the cessation of MACH Gen's operations and the failure to realize the greater going concern value of MACH Gen's assets.

MACH Gen could also be liquidated pursuant to the provisions of a chapter 11 plan. In a liquidation under chapter 11, MACH Gen's assets could be sold in a more orderly fashion over a longer period of time than in a chapter 7 liquidation. Thus, a chapter 11 liquidation might result in larger recoveries than in a chapter 7 liquidation, but the delay in distributions could result in lower present values being received and higher administrative costs. Because a trustee is not required in a chapter 11 liquidation, expenses for professional fees could be lower than in a chapter 7 liquidation, in which a trustee must be appointed. However, the drafting and pursuit of a liquidation plan and its balloting and tabulation would result in additional administrative costs. Any distributions to the holders of Claims under a chapter 11 liquidation plan probably would be delayed substantially.

It is highly unlikely that Interest holders would receive any distribution in a liquidation under either chapter 7 or chapter 11.

Although a chapter 11 liquidation is preferable to a chapter 7 liquidation, MACH Gen believes that any liquidation is a much less attractive alternative for creditors and equity interest holders than the Plan because of the greater recoveries MACH Gen anticipates will be provided by the Plan. MACH GEN BELIEVES THAT THE PLAN AFFORDS SUBSTANTIALLY GREATER BENEFITS TO HOLDERS OF CLAIMS AND INTERESTS THAN WOULD LIQUIDATION UNDER ANY CHAPTER OF THE BANKRUPTCY CODE.

The Liquidation Analysis, prepared by MACH Gen with its financial advisors, is premised upon a chapter 7 liquidation and is attached hereto as Exhibit D. In the Liquidation Analysis, MACH Gen has taken into account the nature, status, and underlying value of the assets of MACH Gen, the ultimate realizable value of such assets, and the extent to which the assets are subject to liens and security interests. Based on this analysis, it is likely that a liquidation of MACH Gen's assets would produce less value for distribution to creditors and equity interest holders than that recoverable in each instance under the Plan.

B. *Alternative Plans of Reorganization*

If MACH Gen remained in chapter 11, MACH Gen could continue to operate its businesses and manage its properties as debtors-in-possession, but it would remain subject to the restrictions imposed by the Bankruptcy Code. It is not clear whether MACH Gen could continue as a viable going-concern in protracted Chapter 11 Cases. MACH Gen could have difficulty operating with the high operating and financing costs and the eroding confidence of its customers and trade vendors, if MACH Gen remained in chapter 11. It is unlikely that MACH Gen would be able to find alternative bank financing if the DIP Facility were terminated. If MACH Gen were able to obtain financing and continue as a viable going-concern, MACH Gen (or other parties in interest) could ultimately propose another plan or attempt to liquidate MACH Gen under chapter 7 or chapter 11. Such alternative plans might involve either a reorganization and continuation of MACH Gen's businesses or an orderly liquidation of its assets, or a combination of both.

SECTION XII.
CONCLUSION AND RECOMMENDATION

MACH Gen, with the support of the Support Parties, believes that confirmation and implementation of the Plan is in the best interests of the holders of Claims and Interests because it provides the greatest distributions and opportunity for distributions to such holders. In addition, any alternative to confirmation of the Plan could result in extensive delays and substantially increased administrative expenses.

Accordingly, MACH Gen, with the support of the Support Parties, urges all holders of Claims and Interests who are entitled to vote on the Plan to vote to accept the Plan and to evidence such acceptance by returning their Ballots so that they will be **actually received** by the Voting Agent no later than 5:00 p.m., prevailing Eastern Time, on June 5, 2018.

The Plan Proponents reserve the right to alter, amend, modify, revoke, or withdraw this Plan or any document in the Plan Supplement, including to amend or modify it to satisfy the requirements of section 1129(b) of the Bankruptcy Code, subject in each instance to the Restructuring Support Agreement.

C. *Subordinated Claims*

The allowance, classification, and treatment of all Allowed Claims and Allowed Interests and the respective distributions and treatments under the Plan take into account and conform to the relative priority and rights of the Claims and Interests in each Class in connection with any contractual, legal, and equitable subordination rights relating thereto, whether arising under general principles of equitable subordination, section 510(b) of the Bankruptcy Code, or otherwise. Pursuant to section 510 of the Bankruptcy Code, the Plan Proponents reserve the right to re-classify any Allowed Claim or Interest in accordance with any contractual, legal, or equitable subordination relating thereto.

ARTICLE V
MEANS FOR IMPLEMENTATION OF PLAN

A. *General Settlement of Claims and Interests*

As discussed in detail in the Disclosure Statement and as otherwise provided herein, pursuant to section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, and in consideration for the classification, distributions, releases, and other benefits provided under the Plan, on the Effective Date, the provisions of the Plan shall constitute a good faith compromise and settlement of all Claims and Interests and controversies resolved pursuant to the Plan. All distributions made to holders of Allowed Claims in any Class and Interests in accordance with the Plan are intended to be, and shall be, final.

B. *Restructuring Transactions*

On the Confirmation Date, subject to and consistent with the terms of its obligations under the Plan and the Restructuring Support Agreement, and subject to the rights of the parties to the Restructuring Support Agreement, the Plan Proponents shall be authorized to enter into such transactions and take (or cause the MACH Gen Entities to take) such other actions as may be necessary or appropriate to effect a corporate and other Entity restructuring of the MACH Gen businesses, to otherwise simplify the overall corporate and other Entity structure of MACH Gen, or to reincorporate or reorganize certain of the MACH Gen Entities under the laws of jurisdictions other than the laws of which such MACH Gen Entities currently are incorporated or formed, which restructuring may include one or more mergers, consolidations, dispositions, liquidations or dissolutions, as may be determined by the Plan Proponents to be necessary or appropriate to result in substantially all of the respective assets, properties, rights, liabilities, duties and obligations of certain of the MACH Gen Entities vesting in one or more surviving, resulting or acquiring entities (collectively, the "**Restructuring Transactions**"). Except with respect to Reorganized New Harquahala, as provided herein, in each case in which the surviving, resulting or acquiring Entity in any such transaction is a successor to a MACH Gen Entity, such surviving, resulting or acquiring Entity will perform the obligations of such MACH Gen Entity pursuant to the Plan to pay or otherwise satisfy the Allowed Claims against such MACH Gen Entity, except as provided in any contract, instrument or other agreement or document effecting a disposition to such surviving, resulting or acquiring Entity, which may provide that another MACH Gen Entity will perform such obligations.

In effecting the Restructuring Transactions, the Plan Proponents shall be permitted to (or to cause the MACH Gen Entities to): (1) execute and deliver appropriate agreements or other documents of merger, consolidation, restructuring, disposition, liquidation, or dissolution

containing terms that are consistent with the terms of the Plan and the Restructuring Support Agreement and that satisfy the requirements of applicable state law and such other terms to which the applicable Entities may agree; (2) execute and deliver appropriate instruments of transfer, assignment, assumption or delegation of any asset, property, right, liability, duty or obligation on terms consistent with the terms of the Plan and having such other terms to which the applicable Entities may agree; (3) file appropriate certificates or articles of merger, consolidation or dissolution pursuant to applicable state law; and (4) take all other actions that the applicable Entities determine to be necessary or appropriate, including making filings or recordings that may be required by applicable state law in connection with such transactions.

The terms of the Restructuring Transactions shall be structured to preserve favorable tax attributes, if any, of the MACH Gen Entities, including New Harquahala, to the extent such structure is not detrimental to the First Lien Lenders and Talen. If by the First Lien Lenders, the Plan may be effected by, or include, a taxable sale of some or all of New Harquahala's assets to one or more new holding companies that are (1) owned in whole or in part by or for the holders of the First Lien Claims and (2) either taxable as corporations or are owned directly or indirectly by one or more Entities that are taxable as corporations for U.S. federal income tax purposes.

C. *Sources of Consideration for Plan Distributions*

1. Cancellation and Issuances of Interests in Certain Debtors

If the First Lien Step-In Scenario does not occur, on the Effective Date, 100% of the Interests in New Harquahala shall be cancelled and the holders of the First Lien Claims (or their designee) shall receive their Pro Rata share (or such other allocations as may be determined by the First Lien Lenders in their sole discretion) of 100% of the Interests in Reorganized New Harquahala in exchange for the First Lien Loan Reduction (subject to the terms and conditions of the Harquahala Reorganization Annex and the New First Lien Term Loans). The Confirmation Order shall authorize the transfer of 100% of the Equity Interests of Reorganized New Harquahala, including all Harquahala Assets, as set forth in this Plan including on the terms and conditions set forth in Annex A hereto, to the holders of the First Lien Claims (or their designee), free and clear of all Liens, Claims, charges, or other encumbrances under sections 105(a), 363, 1123(b)(4), 1145, and 1146(a) of the Bankruptcy Code except to the extent otherwise set forth in the Plan.

In the event of a First Lien Step-In Scenario, on the Effective Date, 100% of the Interests in New MACH Gen shall be cancelled and the holders of the First Lien Claims and the holders of the DIP Claims (or their respective designees) shall each receive their Pro Rata share (or such other allocation as may be determined by the First Lien Lenders and DIP Lenders in their sole discretion) of 100% of the Interests in Reorganized New MACH Gen in exchange for the First Lien Claims and the DIP Claims. The Confirmation Order shall authorize the transfer of Reorganized New MACH Gen and each Reorganized MACH Gen Entity to the holders of the First Lien Claims and the holders of the DIP Claims (or their respective designees), free and clear of all Liens, Claims, charges, or other encumbrances under sections 105(a), 363, 1123(b)(4), 1145, and 1146(a) of the Bankruptcy Code except to the extent otherwise expressly set forth in the Plan.

Confirmation shall be deemed approval of the issuance of the Interests in Reorganized New Harquahala or Reorganized New MACH Gen as applicable, and the transactions contemplated thereby, and all actions to be taken, undertakings to be made, and obligations to be

incurred with respect thereto, and MACH Gen, Reorganized MACH Gen, Reorganized New Harquahala, the holders of the First Lien Claims, and the holders of the DIP Claims, as applicable, are authorized to execute and deliver those documents necessary or appropriate to consummate the issuance of Interests without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order, or rule or vote, consent, authorization, or approval, subject to such modifications as Reorganized MACH Gen, Reorganized New Harquahala, the holders of the First Lien Claims, or the holders of the DIP Claims, as applicable, may mutually agree to be necessary to consummate the transaction.

All of the securities issued or transferred pursuant to the Plan shall be duly authorized, validly issued, and fully paid, and non-assessable. Each distribution and issuance referred to in Article VII shall be governed by the terms and conditions set forth in the Plan applicable to such distribution or issuance, and by the terms and conditions of the instruments evidencing or relating to such distributions or issuance, which terms and conditions shall bind each Entity receiving such distribution or issuance.

2. Cash

Reorganized MACH Gen shall fund all distributions under the Plan required to be paid in Cash with Cash on hand, including Cash from operations and any Cash received on the Effective Date, including pursuant to the New Second Lien Facility or the New First Lien Facilities. Unless the First Lien Step-In Scenario occurs, all Allowed General Administrative Expense Claims, Allowed DIP Claims, Allowed Priority Tax Claims, Allowed Priority Non-Tax Claims, Allowed Other Secured Claims, and Allowed Unsecured Claims, including all such Claims of New Harquahala, shall be paid by Reorganized MACH Gen.

3. New First Lien Facilities

Pursuant to Article III.B, certain distributions to holders of Allowed Class 3A and Class 3B Claims shall be made in the form of the New First Lien Term Loans and the New First Lien Revolver issued pursuant to the New First Lien Facilities Documents. On the Effective Date, Reorganized MACH Gen shall enter into the New First Lien Facilities. Confirmation shall be deemed approval of the New First Lien Facilities, to the extent not approved by the Bankruptcy Court previously (including the transactions contemplated thereby, and all actions to be taken, undertakings to be made, and obligations to be incurred and fees paid by MACH Gen or Reorganized MACH Gen in connection therewith) and Reorganized MACH Gen is authorized to take all actions and to execute and deliver those documents necessary or appropriate to obtain the New First Lien Facilities, including the New First Lien Facilities Documents, without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order, rule, vote, consent, authorization, or approval, subject to such modifications as Reorganized MACH Gen and the New First Lien Agent may mutually agree to be necessary to consummate the New First Lien Facilities. The provisions of this Article V.C.3 shall apply only in the event that the First Lien Step-In Scenario does not occur.

4. New Second Lien Facility

In order to provide working capital to Reorganized MACH Gen and to make any Cash payments contemplated on the Effective Date, each of the Reorganized MACH Gen Entities shall enter into the New Second Lien Facility. Confirmation shall be deemed approval of the New Second Lien Facility, to the extent not approved by the Bankruptcy Court previously (including

the transactions contemplated thereby, and all actions to be taken, undertakings to be made, and obligations to be incurred and fees paid by MACH Gen or Reorganized MACH Gen in connection therewith) and Reorganized MACH Gen is authorized to execute and deliver those documents necessary or appropriate to obtain the New Second Lien Facilities, including the New Second Lien Facility Documents, without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order, or rule or vote, consent, authorization, or approval, subject to such modifications as Reorganized MACH Gen and the New Second Lien Agent may mutually agree to be necessary to consummate the New Second Lien Facilities. The provisions of this Article V.C.4 shall apply only in the event that the First Lien Step-In Scenario does not occur.

D. *First Lien Step-In Right*

Pursuant to the DIP Orders, including the notice requirements set forth therein, upon the occurrence of an Event of Default under the DIP Credit Agreement resulting from a Talen/Company Walkaway, the MACH Gen Entities' exclusive right pursuant to section 1121 of the Bankruptcy Code to file and solicit acceptance of a plan of reorganization shall be deemed automatically modified without further court order to allow the Consenting Lenders to exercise the First Lien Step-In Right, including, without limitation, to make any modifications to, and to prosecute Confirmation of, this Plan as the sole Plan Proponent.

In the event the First Lien Lenders exercise their First Lien Step-In Right, upon Confirmation and Consummation of the Plan, the Holders of DIP Claims and the Holders of Claims in Classes 3A, 3B, 4, 5, and 6 shall receive the treatment provided for such claims in the First Lien Step-In Scenario as set forth in Articles II.C, III.B.3, III.B.4, III.B.5, III.B.6, and III.B.7 of this Plan.

As provided in the DIP Order and Restructuring Support Agreement, upon the occurrence of a Talen/Company Walkaway, MACH Gen shall cooperate in good faith with the Consenting Lenders as reasonably necessary to allow them to exercise the First Lien Step-In Right and seek and obtain Confirmation and Consummation of the Plan, including by promptly providing the Consenting Lenders with access to any documents, information, employees and physical access to any facility or property in connection therewith.

E. *O&M Reimbursement*

On the Effective Date, the First Lien Lenders shall reimburse or pay to Reorganized MACH Gen all reasonable and documented out-of-pocket O&M Expenses incurred, accrued, and paid by MACH Gen in the ordinary course of business and in accordance with Prudent Operating Practices, from the date the Restructuring Support Agreement is executed until the Effective Date, in an amount not to exceed $3,000,000 in the aggregate (and the TEM Payment shall count towards such $3,000,000 aggregate cap); provided that in the event of a First Lien Step-In Scenario, or if the Effective Date does not occur, the First Lien Lenders shall have no obligation to reimburse or pay to MACH Gen or Reorganized MACH Gen any such O&M Expenses (including, without limitation, the TEM Payment), and all such O&M Expenses (including, without limitation, the TEM Payment) will remain the sole obligation of MACH Gen.

Subject to the preceding paragraph, at least five (5) Business Days, but not more than seven (7) Business Days prior to the Effective Date, MACH Gen shall prepare and deliver to the First Lien Agent a statement (the "**Estimated Expense Statement**") setting forth MACH Gen's

good faith estimate of the amount of the O&M Expenses (including, without limitation, the TEM Payment). During the period after the delivery of the Estimated Expense Statement and prior to the Effective Date, the First Lien Lenders shall have an opportunity to review the Estimated Expense Statement and MACH Gen shall provide the First Lien Lenders and their representatives with reasonable access, during normal business hours, to MACH Gen's accounting and other personnel and to the records of MACH Gen, as the case may be, and any other document or information reasonably requested by the First Lien Lenders in order to allow the First Lien Lenders and their representatives to verify the accuracy of the Estimated Expense Statement. During the period after the delivery of the Estimated Expense Statement until the date that is two (2) Business Days prior to the Effective Date, the First Lien Lenders may object to the Estimated Expense Statement in reasonable detail in which case the First Lien Lenders and MACH Gen shall cooperate in good faith to mutually agree upon the Estimated Expense Statement; *provided*, that, if the First Lien Lenders and MACH Gen are not able to reach mutual agreement on the amount of O&M Expenses (including, without limitation, the TEM Payment) prior to the Effective Date, the First Lien Lenders shall pay only the undisputed amount of such O&M Expenses on the Effective Date and the First Lien Lenders and MACH Gen shall cooperate in good faith to agree upon any disputed O&M Expenses following the Effective Date.

F. *Corporate Existence*

Except as otherwise provided in the Plan, each MACH Gen Entity shall continue to exist after the Effective Date as a separate limited liability company, limited partnership, or other form, as the case may be, with all the powers of a limited liability company, limited partnership, or other form, as the case may be, pursuant to the applicable law in the jurisdiction in which each applicable MACH Gen Entity is incorporated or formed and pursuant to the respective limited liability company agreement, operating agreement, limited partnership agreement (or other formation documents) in effect prior to the Effective Date, except to the extent such formation documents are amended under the Plan or otherwise, and to the extent such documents are amended, such documents are deemed to be amended pursuant to the Plan and require no further action or approval (other than any requisite filings required under applicable law).

G. *Vesting of Assets in Reorganized MACH Gen*

Except as otherwise provided in the Plan, on the Effective Date, all property in each Estate, all Causes of Action (other than Excluded Actions) and any property acquired by MACH Gen pursuant to the Plan shall vest in each respective Reorganized MACH Gen Entity or Reorganized New Harquahala, as applicable, free and clear of all Liens, Claims, charges, or other encumbrances. On and after the Effective Date, except as otherwise provided in the Plan, each Reorganized MACH Gen Entity and Reorganized New Harquahala may operate its respective businesses and may use, acquire, or dispose of property and compromise or settle any Claims, Interests, or Causes of Action without supervision or approval by the Bankruptcy Court, and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules.

H. *Cancellation of Loans, Securities, and Agreements*

Except as otherwise provided in the Plan, on the Effective Date: (1) the obligations of MACH Gen under the DIP Credit Agreement, the First Lien Credit Agreement (subject to the effectiveness of the New First Lien Facilities Documents and the New First Lien Facilities and satisfaction of all conditions precedent, including all conditions precedent regarding the perfection of liens and security interests, to the obligations of the New First Lien Lenders to make

extensions of credit thereunder), and any other certificate, equity security, share, note, purchase right, option, warrant, or other instrument or document directly or indirectly evidencing or creating any indebtedness or obligation of, or ownership interest in, MACH Gen giving rise to any Claim or Interest (except such certificates, notes, or other instruments or documents evidencing indebtedness or obligation of, or ownership interest in, MACH Gen that are reinstated pursuant to the Plan), shall be cancelled as to MACH Gen, and Reorganized MACH Gen and Reorganized New Harquahala shall not have any continuing obligations thereunder; and (2) the obligations of MACH Gen pursuant, relating, or pertaining to any agreements, indentures, certificates of designation, bylaws or certificate or articles of incorporation, or similar documents governing the shares, certificates, notes, purchase rights, options, warrants, or other instruments or documents evidencing or creating any indebtedness or obligation of, or ownership interest in, MACH Gen (except such agreements, certificates, notes or other instruments evidencing indebtedness or obligation of or ownership interest in MACH Gen that are specifically reinstated pursuant to the Plan, including indemnification obligations assumed pursuant to the Plan) shall be released and discharged; provided, however, that notwithstanding Confirmation or Consummation, any such agreement that governs the rights of the holder of a Claim shall continue in effect solely for purposes of allowing holders to receive distributions under the Plan; provided further, that the preceding proviso shall not affect the discharge of Claims or Interests pursuant to the Bankruptcy Code, the Confirmation Order, or the Plan, or result in any expense or liability to Reorganized MACH Gen or Reorganized New Harquahala.

I. *Corporate and Other Entity Action*

On the Effective Date, all actions contemplated under the Plan (including, for the avoidance of doubt, the Plan Supplement) shall be deemed authorized and approved in all respects, including: (1) appointment of the New Boards pursuant to Article V.I and any other managers, directors, or officers for Reorganized MACH Gen or Reorganized New Harquahala identified in the Plan Supplement; (2) if the First Lien Step-In Scenario does not occur, the cancellation of Interests in New Harquahala and issuance of Interests in Reorganized New Harquahala to the holders of the First Lien Claims; (3) upon the occurrence of a First Lien Step-In Scenario, the cancellation of Interests in New MACH Gen and issuance of Interests in Reorganized MACH Gen to the holders of the First Lien Claims and the DIP Claims, (4) entry into the New Organizational Documents, as applicable; (5) if the First Lien Step-In Scenario does not occur, entry into the New First Lien Facilities Documents; (6) if the First Lien Step-In Scenario does not occur, entry into the New Second Lien Facility Documents; (7) if the First Lien Step-In Scenario does not occur, entry into the New Intercreditor Agreement; (8) implementation of the Restructuring Transactions; and (9) all other actions contemplated under the Plan (whether to occur before, on, or after the Effective Date). All matters provided for in the Plan involving the corporate or other Entity structure of MACH Gen or Reorganized MACH Gen or Reorganized New Harquahala, and any corporate or other Entity action required by MACH Gen or Reorganized MACH Gen or Reorganized New Harquahala in connection with the Plan, shall be deemed to have occurred and shall be in effect, without any requirement of further action by the security holders, managers, or officers of MACH Gen or Reorganized MACH Gen or Reorganized New Harquahala. On or before the Effective Date, the appropriate officers of MACH Gen or Reorganized MACH Gen or Reorganized New Harquahala, as applicable, shall be authorized and (as applicable) directed to issue, execute, and deliver the agreements, documents, securities, and instruments contemplated under the Plan (or necessary or desirable to effectuate the transactions contemplated under the Plan) in the name, and on behalf, of Reorganized MACH Gen or Reorganized New Harquahala, as applicable, including any and all agreements, documents, securities, and instruments relating to the foregoing. The authorizations and approvals

contemplated by this Article V.I shall be effective notwithstanding any requirements under applicable non-bankruptcy law.

J. *New Organizational Documents*

On or immediately prior to the Effective Date or as soon thereafter as is practicable, each of the Reorganized MACH Gen Entities and Reorganized New Harquahala will, to the extent such New Organizational Documents were included in the Plan Supplement, file its New Organizational Documents (if so required under applicable state law) with the applicable Secretaries of State and/or other applicable authorities in its respective state, province, or country of incorporation in accordance with the corporate laws of the respective state, province, or country of incorporation or formation. After the Effective Date, the Reorganized MACH Gen Entities and Reorganized New Harquahala may amend and restate their respective New Organizational Documents and other constituent documents as permitted by the Plan, the laws of their respective state, province, or country of incorporation or formation, and their respective New Organizational Documents, without further order of the Bankruptcy Court.

K. *Managers and Officers of Reorganized MACH Gen and Reorganized New Harquahala*

As of the Effective Date, the terms of the current members of the boards of directors or managers (as applicable) of MACH Gen shall expire, such directors shall be deemed to have resigned, and the initial boards of directors or managers (as applicable), including the New Boards, and the officers of each of the Reorganized MACH Gen Entities and Reorganized New Harquahala shall be appointed in accordance with the respective New Organizational Documents. The members of the New Boards will be identified in the Plan Supplement, together with biographical information. If any such director, manager, or officer of Reorganized MACH Gen and Reorganized New Harquahala is an "insider" under the Bankruptcy Code, MACH Gen also will disclose the nature of any compensation to be paid to such director or officer. Each such director, manager, and officer shall serve from and after the Effective Date pursuant to the terms of the New Organizational Documents and other constituent documents of Reorganized MACH Gen and Reorganized New Harquahala.

L. *Effectuating Documents; Further Transactions*

On and after the Effective Date, Reorganized MACH Gen, Reorganized New Harquahala and the officers and members of the boards of directors thereof are authorized to, and may issue, execute, deliver, file, or record, such contracts, securities, instruments, releases, and other agreements or documents and take such actions as may be necessary or appropriate to effectuate, implement, and further evidence the terms and conditions of the Plan, and any securities issued pursuant to the Plan in the name, and on behalf, of Reorganized MACH Gen or Reorganized New Harquahala, without the need for any approvals, authorization, or consents, except for those expressly required pursuant to the Plan or the New Organizational Documents.

M. *Section 1146 Exemption*

Pursuant to section 1146 of the Bankruptcy Code, any transfers of property pursuant hereto shall not be subject to any document recording tax, stamp tax, conveyance fee, intangibles or similar tax, mortgage tax, stamp act, real estate transfer tax, mortgage recording tax, or other

similar tax or governmental assessment, and upon entry of the Confirmation Order, the appropriate state or local governmental officials or agents and any third party shall forgo the collection of any such tax, recordation fee, or governmental assessment and accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax, recordation fee, or assessment.

N. *Preservation of Causes of Action*

In accordance with section 1123(b) of the Bankruptcy Code, but subject in all respects to Article IX, Reorganized MACH Gen and Reorganized New Harquahala, as applicable, shall retain, and may enforce, all rights to commence and pursue, as appropriate, any and all Preserved Causes of Action, whether arising before or after the Petition Date, including any actions specifically identified in the Plan Supplement, and Reorganized MACH Gen's and Reorganized New Harquahala's, as applicable, rights to commence, prosecute, settle, or assert as a defense such Preserved Causes of Action shall be preserved notwithstanding the occurrence of the Effective Date. Reorganized MACH Gen or Reorganized New Harquahala, as applicable, may pursue such Preserved Causes of Action, as appropriate, in accordance with the best interests of Reorganized MACH Gen or Reorganized New Harquahala, as applicable. No Entity may rely on the absence of a specific reference in the Plan, the Plan Supplement, or the Disclosure Statement to any Preserved Cause of Action against it as any indication that MACH Gen, Reorganized MACH Gen, or Reorganized New Harquahala, as applicable, will not, or may not, pursue any and all available Preserved Causes of Action against it. MACH Gen, Reorganized MACH Gen, or Reorganized New Harquahala, as applicable, expressly reserves all rights to prosecute any and all Preserved Causes of Action against any Entity. Unless any Preserved Causes of Action against an Entity are expressly waived, relinquished, exculpated, released, compromised, or settled in the Plan or a Bankruptcy Court order, Reorganized MACH Gen and Reorganized New Harquahala, as applicable, expressly reserves all Preserved Causes of Action for later adjudication, and, therefore, no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches shall apply to such Preserved Causes of Action upon, after, or as a consequence of, the Confirmation or Consummation.

In accordance with section 1123(b)(3) of the Bankruptcy Code, any Preserved Causes of Action that a MACH Gen Entity may hold against any Entity shall vest in Reorganized MACH Gen or Reorganized New Harquahala, as applicable. The applicable Reorganized MACH Gen Entity or Entities or Reorganized New Harquahala, as applicable, through their authorized agents or representatives, shall retain and may exclusively enforce any and all such Preserved Causes of Action. Reorganized MACH Gen or Reorganized New Harquahala, as applicable, shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Preserved Causes of Action and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court.

ARTICLE VI
TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

A. *Assumption of Executory Contracts and Unexpired Leases*

On the Effective Date, except as otherwise ordered by the Bankruptcy Court, provided herein, or identified in the Plan Supplement as being rejected, all Executory Contracts and Unexpired Leases of MACH Gen shall be deemed assumed in accordance with the provisions and requirements of sections 365 and 1123 of the Bankruptcy Code. Entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of such assumptions pursuant to sections 365(a) and 1123 of the Bankruptcy Code. Any motions to assume or reject Executory Contracts or Unexpired Leases pending on the Effective Date shall be subject to approval by the Bankruptcy Court on or after the Effective Date by a Final Order. As set forth in Article X.B.7., the First Lien Lenders shall, in their sole discretion, have the right to condition the occurrence of the Effective Date and Consummation on the resolution of any motion to assume or reject Executory Contracts or Unexpired Leases set forth on Schedule A hereto. Each Executory Contract and Unexpired Lease assumed pursuant to this Article VI.A or by any order of the Bankruptcy Court, which has not been assigned to a third party prior to the Confirmation Date, shall revest in, and be fully enforceable by, Reorganized MACH Gen or Reorganized New Harquahala, with respect to Executory Contracts that relate to Harquahala and are expressly assumed in the Plan Supplement, in accordance with its terms, except as such terms are modified by the provisions of the Plan or any order of the Bankruptcy Court authorizing and providing for its assumption under applicable federal law.

B. *Rejection of Executory Contracts and Unexpired Leases*

At least ten (10) days prior to the Confirmation Hearing, to the extent not previously filed with the Bankruptcy Court and served on affected counterparties, the Plan Proponents shall provide notices of any Executory Contracts or Unexpired Leases to be rejected to the applicable contract and lease counterparties. Unless otherwise provided by a Final Order of the Bankruptcy Court, all Proofs of Claim with respect to Claims arising from the rejection of Executory Contracts or Unexpired Leases, pursuant to the Plan or the Confirmation Order, if any, must be Filed with the Notice and Claims Agent and served on the Plan Proponents no later than thirty (30) days after the effective date of such rejection.

Any Claims arising from the rejection of an Executory Contract or Unexpired Lease not Filed with the Notice and Claims Agent within such time will be automatically disallowed, forever barred from assertion, and shall not be enforceable against MACH Gen, Reorganized MACH Gen, Reorganized New Harquahala, the Estates, or their property, without the need for any objection by the Plan Proponents, Reorganized MACH Gen or Reorganized New Harquahala, or further notice to, action, order, or approval of the Bankruptcy Court or any other Entity, and any Claim arising out of the rejection of the Executory Contract or Unexpired Lease shall be deemed fully satisfied, released, and discharged, and be subject to the permanent injunction set forth in Article IX.F of the Plan, notwithstanding anything in the Schedules or a Proof of Claim to the contrary.

All Claims arising from the rejection by any MACH Gen Entity of any Executory Contract or Unexpired Lease pursuant to section 365 of the Bankruptcy Code shall be treated as a General Unsecured Claim pursuant to Article III.B of the Plan and may be objected to in

accordance with the provisions of Article VIII of the Plan and the applicable provisions of the Bankruptcy Code and Bankruptcy Rules.

C. *Cure of Defaults for Executory Contracts and Unexpired Leases Assumed*

Any monetary defaults under each Executory Contract and Unexpired Lease to be assumed pursuant to the Plan shall be satisfied, pursuant to section 365(b)(1) of the Bankruptcy Code, by payment of the default amount in Cash on the Effective Date or in the ordinary course of business, subject to the limitation described below, or on such other terms as the parties to such Executory Contracts or Unexpired Leases may otherwise agree. In the event of a dispute regarding (1) the amount of any payments to cure such a default, (2) the ability of Reorganized MACH Gen, Reorganized New Harquahala, or any assignee to provide "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code) under the Executory Contract or Unexpired Lease to be assumed, or (3) any other matter pertaining to assumption, the cure payments required by section 365(b)(1) of the Bankruptcy Code shall be made following the entry of a Final Order or orders resolving the dispute and approving the assumption and shall not prevent or delay implementation of the Plan or the occurrence of the Effective Date.

At least ten (10) days prior to the Confirmation Hearing, to the extent not previously filed with the Bankruptcy Court and served on affected counterparties, the Plan Proponents shall provide for notices of assumption and proposed cure amounts to be sent to applicable contract and lease counterparties, together with procedures for objecting thereto and resolution of disputes by the Bankruptcy Court. Any objection by a contract or lease counterparty to a proposed assumption or related cure amount must be filed, served, and actually received by MACH Gen prior to the Confirmation Hearing (or such other date as may be provided in the applicable assumption notice). Any counterparty to an Executory Contract or Unexpired Lease that fails to timely object to the proposed assumption or cure amount will be deemed to have assented to such assumption or cure amount.

Assumption of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise, and payment of the applicable cure amount, shall result in the full release and satisfaction of any Claims or defaults, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed Executory Contract or Unexpired Lease at any time prior to the effective date of assumption. Any Proof of Claim Filed with respect to an Executory Contract or Unexpired Lease that is assumed shall be deemed disallowed and expunged, without further notice to or action, order or approval of the Bankruptcy Court.

D. *Indemnification Obligations*

On the Effective Date, pursuant to sections 365 and 1123 of the Bankruptcy Code, MACH Gen shall assume (and be deemed to have assumed), (1) all indemnification obligations in place on the Petition Date (whether in operating agreements, limited liability company agreements, limited partnership agreements, board resolutions, indemnification agreements, or employment contracts) for the former and current directors and officers of MACH Gen and (2) all director and officer insurance policies in place as of the Petition Date. The foregoing indemnification obligations that are assumed, deemed assumed, honored, or reaffirmed by MACH Gen shall remain in full force and effect, shall not be modified, reduced, discharged,

impaired, or otherwise affected in any way, and shall survive Unimpaired and unaffected, irrespective of when such obligation arose.

E. *Insurance Policies*

Each of the insurance policies of MACH Gen and any agreements, documents, or instruments relating thereto, are deemed to be and treated as Executory Contracts under the Plan. On the Effective Date, MACH Gen shall be deemed to have assumed all insurance policies and any agreements, documents, and instruments relating to coverage of all insured Claims.

F. *Modifications, Amendments, Supplements, Restatements, or Other Agreements*

Unless otherwise provided in the Plan, each Executory Contract and Unexpired Lease that is assumed shall include all modifications, amendments, supplements, restatements, or other agreements that in any manner affect such Executory Contract or Unexpired Lease, including all easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, and any other interests, unless any of the foregoing agreements has been previously terminated or is otherwise not in effect.

Modifications, amendments, supplements, and restatements to prepetition Executory Contracts or Unexpired Leases that have been executed by MACH Gen during the Chapter 11 Cases shall not be deemed to alter the prepetition nature of the Executory Contract or Unexpired Lease, or the validity, priority, or amount of any Claims that may arise in connection therewith.

G. *Reservation of Rights*

Nothing contained in the Plan or the Schedules shall constitute an admission by MACH Gen or any Plan Proponent that any Executory Contract or Unexpired Lease is, in fact, an Executory Contract or Unexpired Lease or that MACH Gen, Reorganized MACH Gen or Reorganized New Harquahala, as applicable, has any liability thereunder.

H. *Non-occurrence of Effective Date*

In the event that the Effective Date does not occur, the Bankruptcy Court shall retain jurisdiction with respect to any request to extend the deadline for assuming or rejecting Executory Contracts and Unexpired Leases pursuant to section 365(d)(4) of the Bankruptcy Code.

I. *Contracts and Leases Entered into after Petition Date*

Contracts and leases entered into after the Petition Date by any MACH Gen Entity, including any Executory Contracts and Unexpired Leases assumed by a MACH Gen Entity, will be performed by the applicable MACH Gen Entity , Reorganized MACH Gen Entity or Reorganized New Harquahala, as the case may be, in the ordinary course of its business. Accordingly, such contracts and leases (including any assumed Executory Contracts and Unexpired Leases) will survive and remain unaffected by entry of the Confirmation Order.

ARTICLE VII
PROVISIONS GOVERNING DISTRIBUTIONS

A. *Timing and Calculation of Amounts to Be Distributed*

Unless otherwise provided in the Plan (including payments made in the ordinary course of MACH Gen's business to holders of Claims in Class 4) or paid pursuant to a prior Bankruptcy Court order, on the Effective Date (or if a Claim or Interest is not Allowed on the Effective Date, on the date that such Claim or Interest becomes Allowed), each holder of an Allowed Claim or Allowed Interest shall receive the full amount of the distributions that the Plan provides for Allowed Claims or Allowed Interests in the applicable Class. In the event that any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day but shall be deemed to have been completed as of the required date. If and to the extent that there are Disputed Claims or Disputed Interests, distributions on account of any such Disputed Claims or Disputed Interests shall be made pursuant to the provisions set forth in Article VIII.

B. *Application of Distributions*

Any distribution made under the Plan on account of an Allowed Claim shall be allocated first to the principal amount of such Claim (as determined for U.S. federal income tax purposes) and then, to the extent the consideration exceeds the principal amount of the Claim, to any portion of such Claim for accrued but unpaid interest.

C. *Disbursing Agent*

All distributions under the Plan shall be made by the Disbursing Agent on the Effective Date. If the Disbursing Agent is one or more of the Reorganized MACH Gen Entities, the Disbursing Agent shall not be required to give any bond or surety or other security for the performance of its duties unless otherwise ordered by the Bankruptcy Court and, if so ordered, any and all costs and expenses of procuring such bond or surety shall be borne by Reorganized MACH Gen.

D. *Rights and Powers of Disbursing Agent*

1. Powers of the Disbursing Agent

The Disbursing Agent shall be empowered to: (a) effect all actions and execute all agreements, instruments, and other documents necessary to perform its duties under the Plan; (b) make all distributions contemplated hereby; (c) employ professionals and incur reasonable fees and expenses to represent it with respect to its responsibilities; and (d) exercise such other powers as may be vested in the Disbursing Agent by order of the Bankruptcy Court, pursuant to the Plan, or as deemed by the Disbursing Agent to be necessary and proper to implement the provisions hereof.

2. Incurred Expenses

Except as otherwise ordered by the Bankruptcy Court, the amount of any reasonable fees and documented expenses incurred by the Disbursing Agent on and after, or in contemplation of,

the Effective Date (including taxes) and any reasonable compensation and documented expense reimbursement claims (including reasonable attorney fees and expenses) made by the Disbursing Agent shall be paid in Cash by Reorganized MACH Gen.

E. *Delivery of Distributions and Undeliverable or Unclaimed Distributions*

1. Delivery of Distributions to DIP Agent

No later than two (2) Business Days after the Confirmation Order is entered, the DIP Agent shall provide to counsel to MACH Gen a list of all holders of DIP Claims as of such date and such additional information as reasonably requested by counsel to MACH Gen or the Disbursing Agent required to make distributions under the Plan. All distributions to holders of DIP Claims shall be governed by the DIP Credit Agreement and the DIP Orders and shall be made to each holder of an Allowed DIP Claim or such holder's authorized designee for purposes of distributions to be made hereunder. If no First Lien Step-In Scenario occurs, all reasonable and documented fees and expenses of the DIP Agent incurred after the Effective Date as part of this Article VII.E.1 shall be paid by Reorganized MACH Gen.

2. Delivery of Distributions to Holders of First Lien Claims

Upon (i) the execution of the New First Lien Facilities Documents; (ii) the issuance of 100% of the Interests of Reorganized New Harquahala to the holders of the First Lien Claims; and (iii) the payment in Cash of the Amendment Fee and Deferred Charges Amount, in each case, on the Effective Date, all distributions to holders of First Lien Claims shall be deemed complete in accordance with the Plan and all obligations thereafter shall be governed by the New First Lien Facilities Documents. The provisions of this Article VII.E.2 shall apply only in the event that the First Lien Step-In Scenario does not occur.

3. Delivery of Distributions in General

Except as otherwise provided herein or prior Bankruptcy Court order, the Disbursing Agent shall make distributions to holders of Allowed Claims and Allowed Interests as of the voting record date, June 4, 2018, at the address for each such holder as indicated on MACH Gen's records as of the date of any such distribution; provided, however, that the manner of such distributions shall be determined at the discretion of the Plan Proponents.

4. Minimum Distributions of Interests in Reorganized New Harquahala

No fractional Interests in Reorganized New Harquahala or Reorganized MACH Gen, as applicable, shall be distributed or transferred. When any distribution pursuant to the Plan would otherwise result in the issuance of a number of Interests in Reorganized New Harquahala or Reorganized MACH Gen, as applicable, that is not a whole number, the actual distribution of Interests in Reorganized New Harquahala or Reorganized MACH Gen, as applicable, shall be rounded as follows: (a) fractions of one-half (1/2) or greater shall be rounded to the next higher whole number, and (b) fractions of less than one-half (1/2) shall be rounded to the next lower whole number with no further payment therefor. The total number of authorized Interests in Reorganized New Harquahala or Reorganized MACH Gen, as applicable, to be distributed or transferred to holders of Allowed First Lien Claims and holders of Allowed DIP Claims, as applicable, shall be adjusted as necessary to account for the foregoing rounding.

5. Undeliverable Distributions and Unclaimed Property

In the event that any distribution to any holder is returned as undeliverable, no distribution to such holder shall be made unless and until the Disbursing Agent has determined the then-current address of such holder, at which time such distribution shall be made to such holder without interest; provided, however, that such distributions shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code at the expiration of one year from the Effective Date; provided further, that MACH Gen, Reorganized MACH Gen, or Reorganized New Harquahala, as applicable, shall use commercially reasonable efforts to locate a holder if any distribution is returned as undeliverable. After such date, all unclaimed property or interests in property shall revert to Reorganized MACH Gen or Reorganized New Harquahala, as applicable, automatically and without need for a further order by the Bankruptcy Court (notwithstanding any applicable federal, provincial, or state escheat, abandonment, or unclaimed property laws to the contrary), and the claim of any holder to such property or interest in property shall be discharged and forever barred.

F. *Section 1145 Exemption*

Pursuant to section 1145 of the Bankruptcy Code, the offering, issuance, and distribution of Interests in MACH Gen, Reorganized MACH Gen, New Harquahala and/or Reorganized New Harquahala, as applicable, as contemplated by the Plan shall be exempt from, among other things, the registration requirements of section 5 of the Securities Act and any other applicable law requiring registration of the offering, issuance, distribution, or sale of securities. In addition, under section 1145 of the Bankruptcy Code, the Interests in Reorganized MACH Gen and/or Reorganized New Harquahala, as applicable, will be freely tradable in the U.S. by the recipients thereof, subject to the provisions of section 1145(b)(1) of the Bankruptcy Code relating to the definition of an underwriter in section 2(a)(11) of the Securities Act, and compliance with applicable securities laws and any rules and regulations of the Securities and Exchange Commission, if any, applicable at the time of any future transfer of such securities or instruments and subject to any restrictions in the applicable New Organizational Documents.

G. *Compliance with Tax Requirements*

In connection with the Plan, to the extent applicable, Reorganized MACH Gen and Reorganized New Harquahala shall comply with all tax withholding and reporting requirements imposed on them by any Governmental Unit, and all distributions pursuant to the Plan shall be subject to such withholding and reporting requirements. Notwithstanding any provision in the Plan to the contrary, Reorganized MACH Gen, Reorganized New Harquahala, and the Disbursing Agent shall be authorized to take all actions necessary or appropriate to comply with such withholding and reporting requirements, including withholding distributions pending receipt of information necessary to facilitate such distributions or establishing any other mechanisms they believe are reasonable and appropriate. Reorganized MACH Gen and Reorganized New Harquahala reserve the right to allocate all distributions made under the Plan in compliance with all applicable wage garnishments, alimony, child support and other spousal awards, liens, and encumbrances.

H. *No Postpetition Interest on Claims and Interests*

Unless otherwise specifically provided for in the Restructuring Support Agreement, Plan, Confirmation Order, or other Bankruptcy Court order or otherwise required by applicable law,

postpetition interest shall not accrue or be paid on any Claims or Interests, and no holder of a Claim or Interest shall be entitled to interest accruing on or after the Petition Date on any such Claim or Interest.

I. *Setoffs and Recoupment*

MACH Gen, Reorganized MACH Gen, and Reorganized New Harquahala, as applicable, are authorized to set off against or recoup from any Claims (to the extent not released pursuant to the Plan) of any nature whatsoever that MACH Gen, Reorganized MACH Gen, or Reorganized New Harquahala, as applicable, may have against the claimant, but neither the failure to do so nor the allowance of any Claim hereunder shall constitute a waiver or release by MACH Gen, Reorganized MACH Gen, or Reorganized New Harquahala, as applicable, of any such claim they may have against the holder of such Claim.

J. *Claims Paid or Payable by Third Parties*

1. Claims Paid by Third Parties

MACH Gen, Reorganized MACH Gen, or Reorganized New Harquahala, as applicable, shall reduce in full a Claim, and such Claim shall be disallowed without an objection having to be filed and without any further notice to or action, order, or approval of the Bankruptcy Court, to the extent that the holder of such Claim receives payment (before or after the Effective Date) on account of such Claim from a party that is not a MACH Gen, Reorganized MACH Gen Entity, or Reorganized New Harquahala, as applicable. To the extent a holder of a Claim receives a distribution on account of such Claim and receives payment from a party that is not a MACH Gen Entity, Reorganized MACH Gen Entity, or Reorganized New Harquahala, as applicable, on account of such Claim, such holder shall, within ten (10) days of receipt thereof, repay or return the distribution to the applicable MACH Gen Entity, Reorganized MACH Gen Entity, or Reorganized New Harquahala, to the extent the holder's total recovery on account of such Claim from the third party and under the Plan exceeds the amount of such Claim as of the date of any such distribution under the Plan. The failure of such holder to timely repay or return such distribution shall result in the holder owing the applicable Reorganized MACH Gen Entity or to Reorganized New Harquahala annualized interest at the federal judgment rate, as in effect as of the Petition Date, on such amount owed for each Business Day after the 10-day grace period specified above until the amount is repaid. To the extent that the First Lien Step-In Scenario does not occur and Reorganized New Harquahala receives a repayment or return of any distribution in accordance with this paragraph, Reorganized New Harquahala shall promptly pay such amount to the New Second Lien Lenders and such payment shall be deemed to constitute a repayment of the New Second Lien Facility.

2. Claims Payable by Third Parties

No distributions under the Plan shall be made on account of an Allowed Claim that is payable pursuant to one of MACH Gen's insurance policies until the holder of such Allowed Claim has exhausted all remedies with respect to such insurance policy. To the extent that one or more of MACH Gen's insurers agree to satisfy in full or in part a Claim (if and to the extent adjudicated by a court of competent jurisdiction), then immediately upon such insurers' agreement, the applicable portion of such Claim may be expunged without an objection having to be filed and without any further notice to or action, order or approval of the Bankruptcy Court.

3. Applicability of Insurance Policies

Except as otherwise provided in the Plan, distributions to holders of Allowed Claims shall be in accordance with the provisions of any applicable insurance policy. Nothing contained in the Plan shall constitute or be deemed a waiver of any Cause of Action that the Plan Proponents or any Entity may hold against any other Entity under any insurance policies, including against insurers, nor shall anything contained herein constitute or be deemed a waiver by such insurers of any defenses, including coverage defenses, held by such insurers.

ARTICLE VIII
PROCEDURES FOR TREATING CLAIMS AND INTERESTS UNDER PLAN

A. *Allowance of Claims*

After the Effective Date, MACH Gen, Reorganized MACH Gen, or Reorganized New Harquahala shall have and retain any and all rights and defenses such Entities had with respect to any Claim immediately before the Effective Date. Except as expressly provided in the Plan or in any order entered in the Chapter 11 Cases before the Effective Date (including the Confirmation Order), no Claim shall become an Allowed Claim unless and until such Claim is deemed Allowed pursuant to the Plan or a Final Order, including the Confirmation Order (when it becomes a Final Order), allowing such Claim.

B. Claims and Interests Administration Responsibilities

Except as otherwise specifically provided in the Plan and notwithstanding any requirements that may be imposed pursuant to Bankruptcy Rule 9019, after the Effective Date, Reorganized MACH Gen (together with Reorganized New Harquahala, to the extent of any Claims against New Harquahala), by order of the Court, shall have the sole authority: (1) to File, withdraw, or litigate to judgment objections to Claims; (2) to settle or compromise any Disputed Claim without any further notice to or action, order, or approval by the Court; and (3) to administer and adjust the Claims Register to reflect any such settlements or compromises without any further notice to or action, order, or approval by the Court.

C. Estimation of Claims

Before or after the Effective Date, MACH Gen, Reorganized MACH Gen, or Reorganized New Harquahala may (but are not required to) at any time request that the Court estimate any Disputed Claim or Disputed Interest that is contingent or unliquidated pursuant to section 502(c) of the Bankruptcy Code for any reason, regardless of whether any party previously has objected to such Claim or whether the Court has ruled on any such objection, and the Court shall retain jurisdiction to estimate any such Claim, including during the litigation of any objection to any Claim or during the appeal relating to such objection. Notwithstanding any provision otherwise in the Plan, a Claim that has been expunged from the Claims Register, but that has not been the subject of a Final Order, shall be deemed to be estimated at zero dollars, unless otherwise ordered by the Court. In the event that the Court estimates any Disputed, contingent, or unliquidated Claim, that estimated amount shall constitute a maximum limitation on such Claim for all purposes under the Plan (including for purposes of distributions), and the relevant MACH Gen Entity may elect to pursue any supplemental proceedings to object to any ultimate distribution on such Claim. Notwithstanding section 502(j) of the Bankruptcy Code, in

no event shall any Holder of a Claim that has been estimated pursuant to section 502(c) of the Bankruptcy Code or otherwise be entitled to seek reconsideration of such estimation unless such Holder has Filed a motion requesting the right to seek such reconsideration on or before 21 days after the date on which such Claim is estimated. All of the aforementioned Claims and objection, estimation, and resolution procedures are cumulative and not exclusive of one another. Claims may be estimated and subsequently compromised, settled, withdrawn, or resolved by any mechanism approved by the Court.

D. Adjustment to Claims Register Without Objection

Any Claim that has been paid or satisfied, or any Claim that has been amended or superseded by the holder of such Claim, may be adjusted or expunged on the Claims Register by MACH Gen or Reorganized MACH Gen without a Claims objection having to be Filed and without any further notice to or action, order, or approval of the Court.

E. Time to File Objections to Claims

Any objections to Claims must be Filed on or before the Claims Objection Deadline.

F. Disputed Claims and Interest Process

In the event the First Lien Step-In Scenario does not occur, on or prior to the occurrence of the Effective Date, MACH Gen shall provide a schedule of all Disputed Claims and Disputed Interests and the maximum amount of such Disputed Claims and Disputed Interests to the First Lien Lenders. On the Effective Date, MACH Gen or Reorganized MACH Gen shall deposit Cash equal to the maximum aggregate amount of the identified Disputed Claims and Disputed Interests in an interest bearing account (the "**Disputed Claim Reserve**") pending determination of the relevant objection or request for estimation. Upon (i) the issuance of a Final Order or (ii) an agreement between MACH Gen and/or Reorganized MACH Gen (together with Reorganized New Harquahala, to the extent of any Claims against New Harquahala), as applicable, on the one hand, and the holder of such Disputed Claim or Disputed Interest, on the other, in either case determining the Allowed amount of the relevant Disputed Claim or Disputed Interests, MACH Gen or Reorganized MACH Gen shall make distributions to the holder of such Allowed Claim or Allowed Interest from the Disputed Claim Reserve in accordance with the provisions of the Plan and Section J of this Article VIII. All other amounts deposited in the Disputed Claim Reserve on account of such Disputed Claim or Disputed Interest shall be returned to Reorganized MACH Gen immediately after the distributions on account of the relevant Disputed Claim or Disputed Interest. Reorganized MACH Gen shall promptly thereafter pay such returned amount to the New Second Lien Lenders and such payment shall be deemed to constitute a repayment of the New Second Lien Facility.

G. Disallowance of Claims

Notwithstanding anything to the contrary herein, all Claims of any Entity subject to section 502(d) of the Bankruptcy Code shall be deemed Disallowed unless and until such Entity turns over or pays in full the amount that it owes to MACH Gen to either MACH Gen or Reorganized MACH Gen. All Proofs of Claim Filed on account of an indemnification obligation to a director, officer, or employee shall be deemed satisfied and expunged from the Claims Register as of the Effective Date to the extent such indemnification obligation is assumed (or

honored or reaffirmed, as the case may be) pursuant to the Plan, without any further notice to or action, order, or approval of the Court.

H. Amendments to Claims

On or after the Effective Date, except as provided in the Plan or the Confirmation Order, a Claim may not be Filed or amended without the prior authorization of the Court or Reorganized MACH Gen (together with Reorganized New Harquahala, to the extent of any Claims against New Harquahala).

I. *No Distributions Pending Allowance*

Notwithstanding anything to the contrary herein, if any portion of a Claim or Interest is Disputed, no payment or distribution provided hereunder shall be made on account of such Claim or Interest unless and until such Disputed Claim or Disputed Interest becomes Allowed.

J. *Distributions after Allowance*

To the extent that a Disputed Claim or Disputed Interest ultimately becomes Allowed, distributions (if any) shall be made to the holder of such Allowed Claim or Allowed Interest in accordance with the provisions of the Plan. As soon as practicable after the date that the order or judgment finding or deeming any Disputed Claim or Disputed Interest to be Allowed has become a Final Order, the Disbursing Agent shall provide to the holder of such Claim or Interest the distribution (if any) to which such holder is entitled under the Plan as of the Effective Date, without any interest to be paid on account of such Claim or Interest.

K. *Single Satisfaction of Claims*

Holders of Allowed Claims may assert such Claims against each MACH Gen Entity obligated with respect to such Claims, and such Claims shall be entitled to share in the recovery provided for the applicable Class of Claims against each obligated Debtor based upon the full Allowed amount of such Claims. Notwithstanding the foregoing, in no case shall the aggregate value of all property received or retained under the Plan on account of any Allowed Claim exceed 100 percent of the underlying Allowed Claim plus applicable interest, if any.

ARTICLE IX
SETTLEMENT, RELEASE, INJUNCTION, AND RELATED PROVISIONS

A. *Compromise and Settlement*

The Confirmation Order will constitute the Bankruptcy Court's finding and determination that the settlements reflected in the Plan are (1) in the best interests of MACH Gen, its Estates, and all holders of Claims or Interests, (2) fair, equitable, and reasonable, (3) made in good faith, and (4) approved by the Bankruptcy Court pursuant to Bankruptcy Rule 9019. In addition, the allowance, classification, and treatment of any Allowed Claims and Allowed Interests of a Released Party take into account any Causes of Action, whether under the Bankruptcy Code or otherwise under applicable non-bankruptcy law, that may exist between MACH Gen and any Released Party and, as of the Effective Date, any and all such Causes of Action are settled, compromised, and released as set forth in the Plan. The Confirmation Order shall authorize and

approve the releases by all Entities of all such contractual, legal, and equitable subordination rights and Causes of Action that are satisfied, compromised, and settled pursuant hereto. Nothing in this Article IX.A shall compromise or settle, in any way whatsoever, any Causes of Action that MACH Gen, Reorganized MACH Gen, or Reorganized New Harquahala, as applicable, may have against any Entity that is not a Released Party.

In accordance with the provisions of the Plan, and pursuant to Bankruptcy Rule 9019, without any further notice to, or action, order, or approval of, the Bankruptcy Court, after the Effective Date, Reorganized MACH Gen or Reorganized New Harquahala, as applicable, may, in its sole and absolute discretion, compromise and settle (1) Claims (including Causes of Action) against and Interests in MACH Gen (if any), and (2) claims (including Causes of Action) against other Entities.

B. *Discharge of Claims*

Pursuant to section 1141(d) of the Bankruptcy Code, and except as otherwise specifically provided in the Plan or in any contract, instrument, or other agreement or document created pursuant to the Plan (including, for the avoidance of doubt, the Plan Supplement), the distributions, rights, and treatment that are provided in the Plan shall be in exchange for and in complete satisfaction, discharge, and release, effective as of the Effective Date, of Claims (including any Intercompany Claims resolved or compromised after the Effective Date by Reorganized MACH Gen), Interests, and Causes of Action of any nature whatsoever, including any interest accrued on Claims from and after the Petition Date, whether known or unknown, against, liabilities of, Liens on, obligations of, rights against, and Interests in MACH Gen or any of its assets or properties, regardless of whether any property shall have been distributed or retained pursuant to the Plan on account of such Claims and Interests, including demands, liabilities, and Causes of Action that arose prior to the Effective Date, any contingent or non-contingent liability on account of representations or warranties issued on or before the Effective Date, and all debts of the kind specified in section 502(g), (h), or (i) of the Bankruptcy Code. The Confirmation Order shall be a judicial determination of the discharge of all Claims and Interests as set forth above subject to the occurrence of the Effective Date.

C. *Release of Liens*

Except as otherwise expressly provided in the Plan, or in any contract, instrument, release, or other agreement or document created pursuant to the Plan, including the New First Lien Facilities Documents and the New Second Lien Facility Documents, on the Effective Date and concurrently with the applicable distributions made pursuant to the Plan and the effectiveness of the New First Lien Facilities Documents and the New Second Lien Facility Documents, all mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estates shall be fully released and discharged, and all of the right, title, and interest of any holder of such mortgages, deeds of trust, Liens, pledges, or other security interests shall revert to the Reorganized MACH Gen Entities or Reorganized New Harquahala, as applicable, and each of their successors and assigns.

D. *Releases of Released Parties*

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the releases described in this Article IX.D and shall constitute the Bankruptcy Court's finding that such releases are: (1) in exchange for the

good and valuable consideration provided by the Released Parties; (2) a good faith settlement and compromise of the claims released by this Article IX.D; (3) in the best interests of MACH Gen and all holders of Claims and Interests; (4) fair, equitable, and reasonable; (5) given and made after due notice and opportunity for hearing; and (6) a bar to any Entity (including MACH Gen) asserting any claim or Cause of Action released pursuant to this Article IX.D.

1. Releases by MACH Gen

Pursuant to section 1123(b) of the Bankruptcy Code, and except as otherwise specifically provided in the Plan, for good and valuable consideration, including without limitation the efforts of the Released Parties to facilitate the reorganization of MACH Gen and the implementation of the restructuring contemplated by the Restructuring Support Agreement, on and after the Effective Date, MACH Gen, Reorganized Mach Gen, Reorganized New Harquahala, and the Estates are deemed to have conclusively, absolutely, unconditionally, irrevocably, and forever released and discharged each Released Party from, and covenanted not to sue on account of, any and all claims, interests, obligations (contractual or otherwise), rights, suits, damages, Causes of Action (including Avoidance Actions), remedies, and liabilities whatsoever, including any derivative claims assertable by or on behalf of a MACH Gen Entity, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, that MACH Gen, Reorganized Mach Gen, Reorganized New Harquahala, or the Estates would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the holder of any Claim or Interest or other Entity (including any MACH Gen Entity), based on or relating to, or in any manner arising from, in whole or in part, MACH Gen, the Chapter 11 Cases, the DIP Claims, the First Lien Claims, the purchase, sale, or rescission of the purchase or sale of any security of MACH Gen, Reorganized MACH Gen, or Reorganized New Harquahala, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between any MACH Gen Entity and any Released Party, the restructuring of Claims and Interests before or during the Chapter 11 Cases, the negotiation, formulation, preparation, or dissemination of the Plan (including, for the avoidance of doubt, the Plan Supplement), the Disclosure Statement, the Restructuring Support Agreement, or related agreements, instruments, or other documents, upon any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date, other than claims or liabilities arising out of or relating to any act or omission of a Released Party that is determined by a Final Order of a court of competent jurisdiction to have constituted willful misconduct, fraud, or gross negligence, provided, that nothing in this Section IX.D.1 shall release MACH Gen or Reorganized MACH Gen from its indemnification obligations with respect to Reorganized New Harquahala or any other Harquahala Asset as set forth on Schedule B attached hereto.

2. Third-Party Releases by Holders of Claims or Interests

On and after the Effective Date, to the maximum extent permitted by applicable law, each Releasing Party (other than MACH Gen, Reorganized MACH Gen, and Reorganized New Harquahala, which releases therefrom are set forth in Article IX.D.1 above) shall be deemed to have conclusively, absolutely, unconditionally, irrevocably, and forever released and discharged the Released Parties from, and covenanted not to sue on account of, any and all claims, interests, obligations (contractual or otherwise), rights, suits,

damages, Causes of Action (including Avoidance Actions), remedies, and liabilities whatsoever, including any derivative claims assertable by or on behalf of a MACH Gen Entity, whether known or unknown, foreseen or unforeseen, existing or hereafter arising, in law, equity or otherwise, that such Releasing Party would have been legally entitled to assert in its own right (whether individually or collectively) or on behalf of the holder of any Claim or Interest or other Entity (including any MACH Gen Entity), based on or relating to, or in any manner arising from, in whole or in part, MACH Gen, the Chapter 11 Cases, the DIP Claims, the First Lien Claims, the purchase, sale, or rescission of the purchase or sale of any security of MACH Gen, Reorganized MACH Gen, or Reorganized New Harquahala, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between any MACH Gen Entity and any Released Party, the restructuring of Claims and Interests before or during the Chapter 11 Cases, the negotiation, formulation, preparation, or dissemination of the Plan (including, for the avoidance of doubt, the Plan Supplement), the Disclosure Statement, the Restructuring Support Agreement, or related agreements, instruments, or other documents, upon any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date, other than claims or liabilities arising out of or relating to any act or omission of a Released Party that is determined by a Final Order of a court of competent jurisdiction to have constituted willful misconduct, fraud, or gross negligence.

E. *Exculpation*

No Exculpated Party shall have or incur, and each Exculpated Party is hereby released and exculpated from, any claim (including any Cause of Action) related to any act taken or omitted to be taken in connection with, relating to, or arising out of the restructuring efforts of MACH Gen, negotiation of and entry into the Restructuring Support Agreement, the DIP Credit Agreement, the New First Lien Facilities Documents, the New Second Lien Facility Documents, the New Intercreditor Agreement, the Chapter 11 Cases, the formulation, preparation, dissemination, negotiation, or filing of the Disclosure Statement, the Plan, or any contract, instrument, release, or other agreement or document created or entered into in connection with the Disclosure Statement, the Plan (including, for the avoidance of doubt, the Plan Supplement), the preparation or filing of the Chapter 11 Cases, the pursuit of Confirmation, the pursuit of Consummation, the Restructuring Transactions, and the administration and implementation of the Plan, including the issuance of any securities or the distribution of property under the Plan or any other agreement or any obligation, cause of action, or liability for any such Claim; provided, however, that the foregoing "Exculpation" shall have no effect on the liability of any Entity that results from any such act or omission that is determined by a Final Order of a court of competent jurisdiction to have constituted willful misconduct, fraud, or gross negligence; provided further, that in all respects such Exculpated Parties shall be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities pursuant to, or in connection with, the Plan. The Exculpated Parties have participated in compliance with the applicable provisions of the Bankruptcy Code with regard to the solicitation and distribution of the securities pursuant to the Plan, and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan, provided, that nothing in this Section IX.E shall exculpate MACH Gen or Reorganized MACH Gen of its indemnification obligations with

respect to the Reorganized New Harquahala or any other Harquahala Asset as set forth on Schedule B attached hereto.

F. *Injunction*

Except as otherwise expressly provided in the Plan and except for obligations issued pursuant to the Plan, including with respect to the New First Lien Facilities and the New Second Lien Facility, all Entities who have held, hold, or may hold claims, Causes of Action, or interests that have been released pursuant to Article IX.D (the "Released Claims") or discharged pursuant to Article IX.B (the "Discharge"), or that are subject to exculpation pursuant to Article IX.E (the "Exculpation"), are permanently enjoined, from and after the Effective Date, from taking any of the following actions against, as applicable, the Released Parties or the Exculpated Parties: (1) commencing or continuing in any manner any action or other proceeding of any kind on account of, in connection with, or with respect to, any Released Claims or any Claim, Cause of Action, or Interest that is the subject of the Discharge or Exculpation; (2) enforcing, attaching, collecting, or recovering, by any manner or means any judgment, award, decree or order against the Released Parties or the Exculpated Parties, as applicable, on account of, in connection with, or with respect to, any Released Claims or any Claim, Cause of Action, or Interest that is the subject of the Discharge or Exculpation; (3) creating, perfecting, or enforcing any encumbrance of any kind against the Released Parties or the Exculpated Parties, as applicable, or their property or assets on account of, in connection with, or with respect to, any Released Claims or any Claim, Cause of Action, or Interest that is the subject of the Discharge or Exculpation; and (4) asserting any right of subrogation or recoupment of any kind against any obligation due from the Released Parties or the Exculpated Parties, as applicable, or against their property or assets on account of, in connection with, or with respect to, any Released Claims or any Claim, Cause of Action, or Interest that is the subject of the Discharge or Exculpation, provided, that nothing in this Section F shall enjoin Reorganized New Harquahala from asserting claims against MACH Gen or Reorganized MACH Gen on account of its indemnification obligations with respect to the Reorganized New Harquahala or any other Harquahala Asset as set forth on Schedule B attached hereto.

ARTICLE X
CONDITIONS TO CONFIRMATION AND EFFECTIVE DATE

A. *Conditions to Confirmation*

The following are conditions to Confirmation that shall have been satisfied or waived in accordance with Article X.C:

1. no valid termination of the Restructuring Support Agreement with respect to the obligations of all parties thereto shall have occurred, and no Termination Event (as defined in the Restructuring Support Agreement) shall have occurred and not been waived that, in either instance, has the effect of (a) removing any MACH Gen Entity as a party to the Restructuring Support Agreement or (b) having Support Parties remaining as parties to the Restructuring Support Agreement that do not meet the thresholds specified in section 1 of the Restructuring Support Agreement;

2. the Confirmation Order shall approve all provisions, terms, and conditions hereof and be in form and substance reasonably acceptable to MACH Gen and the Support Parties or, in the event of the First Lien Step-In Scenario, the Plan Proponents;

3. the Plan Supplement shall have been filed at least ten (10) days prior to the Confirmation Hearing, in form and substance reasonably acceptable to MACH Gen and the Support Parties or, in the event of the First Lien Step-In Scenario, the Plan Proponents, and any additional documents or amendments to previously-filed documents shall have been filed as amendments to the Plan Supplement prior to Confirmation; and

B. *Conditions to Effective Date*

The following are conditions to the Effective Date that shall have been satisfied or waived in accordance with Article X.C:

1. no valid termination of the Restructuring Support Agreement with respect to the obligations of all parties thereto shall have occurred, and no Termination Event (as defined in the Restructuring Support Agreement) shall have occurred and not been waived that, in either instance, has the effect of (a) removing any MACH Gen Entity as a party to the Restructuring Support Agreement or (b) having Support Parties remaining as parties to the Restructuring Support Agreement that do not meet the thresholds specified in section 1 of the Restructuring Support Agreement;

2. Talen LC Provider shall have caused each of the Backstop LCs to be issued to the First Lien Lenders;

5. all authorizations, consents, regulatory approvals, rulings, or documents required by applicable law to implement and effectuate the Plan, including any approvals required in connection with the transfer, change of control, or assignment of MACH Gen's permits and licenses, shall have been obtained from any appropriate regulatory agencies, including FERC and the Federal Communications Commission, and not subject to any appeal;

6. the New Second Lien Facility shall have been entered into and funded in an amount sufficient to cover the Talen Funding Obligation in its entirety, including any amounts necessary to fund the Disputed Claims Reserve;

7. the First Lien Lenders shall have approved the schedule of assumed and rejected Executory Contracts and Unexpired Leases attached to the Plan Supplement and any motion to assume or reject the Executory Contracts or Unexpired Leases set forth on Schedule A hereto shall have been resolved in a matter satisfactory to MACH Gen and the Support Parties or, in the event of the First Lien Step-In Scenario, the Plan Proponents;

C. *Waiver of Conditions*

The conditions to Confirmation and the Effective Date set forth in this Article X may be waived, in whole or in part, without notice, leave, or order of the Bankruptcy Court, by: (1) if the First Lien Step-In Scenario does not occur, by the Plan Proponents, with the consent of the Support Parties, or (2) in the event of the First Lien Step-In Scenario, by the Plan Proponent.

D. *Effect of Non-Occurrence of Effective Date*

If it is determined by the Plan Proponents that the Effective Date shall not and cannot occur on the terms contemplated by the Plan and the Confirmation Order, the Plan shall be null and void in all respects, and nothing contained in the Plan or the Disclosure Statement shall: (1) constitute a waiver or release of any claims by MACH Gen, the Plan Proponents, any holders of Claims or Interests (including the Support Parties), or any other Entity; (2) prejudice in any manner the rights of MACH Gen, the Plan Proponents, any holders of Claims or Interests (including the Support Parties), or any other Entity; or (3) constitute an admission, acknowledgment, offer, or undertaking by MACH Gen, any holders of Claims or Interests (including the Support Parties), or any other Entity, in any respect. For the avoidance of doubt, except as provided in the Restructuring Support Agreement, nothing in the Plan shall be construed as requiring termination or avoidance of the Restructuring Support Agreement upon non-occurrence of the Effective Date (subject, in all respects, to any consent, termination, or other rights of the Support Parties under the Restructuring Support Agreement) or as otherwise preventing the Restructuring Support Agreement from being effective in accordance with its terms.

ARTICLE XI
MODIFICATION, REVOCATION OR WITHDRAWAL OF PLAN

A. *Modification and Amendments*

Except as otherwise specifically provided in the Plan, and subject to the terms of the Restructuring Support Agreement, the Plan Proponents reserve the right to modify the Plan, whether such modification is material or immaterial, and seek and obtain Confirmation consistent with the Bankruptcy Code. Subject to certain restrictions and requirements set forth in section

1127 of the Bankruptcy Code and Bankruptcy Rule 3019 and those restrictions on modifications set forth in the Plan and the terms of the Restructuring Support Agreement, the Plan Proponents expressly reserve their respective rights to revoke, withdraw, alter, amend, or modify the Plan with respect to each MACH Gen Entity, one or more times, after Confirmation, and to the extent necessary may initiate proceedings in the Bankruptcy Court to so alter, amend, or modify the Plan, or remedy any defect or omission, or reconcile any inconsistencies in the Plan, the Disclosure Statement, or the Confirmation Order, in such matters as may be necessary to carry out the purposes and intent of the Plan and the Restructuring Support Agreement. Any such modification or supplement shall be considered a modification of the Plan and shall be made in accordance with this Article XI.

Notwithstanding anything to the contrary herein or in the Restructuring Support Agreement, the Plan Proponents shall not amend or modify the Plan, including, but not limited to, Article I.45 (Definition of "Exculpated Parties"), Article I.108 (Definition of "Released Claims"), Article I.109 (Definition of "Released Parties"), Article I.110 (Definition of "Releasing Parties"), Article IX.D (Releases of Released Parties), Article IX.E (Exculpation) or Article IX.F (Injunction), as it relates to any release or exculpation of, or injunction with respect to claims against, Talen, Beal Bank USA, or Beal Bank, SSB, and their respective affiliates and each of their respective predecessors, successors and assigns, and current and former shareholders, subsidiaries, directors, officers, funds, members, employees, partners, managers, agents, representatives, principals, consultants, attorneys, and professional advisors, in their capacities as such, without Talen's or Beal Bank USA and Beal Bank, SSB's prior written consent, as applicable; provided, however that should the Court not approve Article I.45 (Definition of "Exculpated Parties") and/or Article IX.E (Exculpation) in whole or in part, such provision or provisions shall be ineffective only to the extent disapproved by the Court, without invalidating the remainder of such provision or any other provision of this Plan or the Restructuring Support Agreement (and shall not give rise to Talen, MACH Gen, LLC, the MACH Gen Entities, Beal Bank USA, or Beal Bank, SSB having a termination right under the Restructuring Support Agreement or otherwise solely as a result of such ineffectiveness of the provision or provisions in whole or in part).

B. *Effect of Confirmation on Modifications*

Entry of a Confirmation Order shall mean that all modifications or amendments to the Plan since the solicitation thereof are approved pursuant to section 1127(a) of the Bankruptcy Code and do not require additional disclosure or resolicitation under Bankruptcy Rule 3019.

C. *Revocation or Withdrawal of Plan*

The Plan Proponents reserve the right to revoke or withdraw the Plan with respect to any or all of the MACH Gen Entities prior to the Confirmation Date and to file subsequent plans of reorganization, subject in each instance to the Restructuring Support Agreement. If the Plan Proponents revoke or withdraw the Plan, or if Confirmation or the Effective Date does not occur, then: (1) the Plan shall be null and void in all respects; (2) any settlement or compromise embodied in the Plan (including the fixing or limiting to an amount certain of any Claim or Class of Claims), assumption of Executory Contracts or Unexpired Leases effected under the Plan, and any document or agreement executed pursuant to the Plan, shall be deemed null and void; and (3) nothing contained in the Plan shall: (a) constitute a waiver or release of any Claims or Interests; (b) prejudice in any manner the rights of such MACH Gen Entity or any other Entity (including the Plan Proponents and the Support Parties); or (c) constitute an admission,

acknowledgement, offer, or undertaking of any sort by such MACH Gen Entity or any other Entity (including the Plan Proponents and the Support Parties).

ARTICLE XII
RETENTION OF JURISDICTION

Notwithstanding the entry of the Confirmation Order and the occurrence of the Effective Date, on and after the Effective Date, the Bankruptcy Court shall retain exclusive jurisdiction over all matters arising out of, or related to, the Chapter 11 Cases and the Plan pursuant to sections 105(a) and 1142 of the Bankruptcy Code, including jurisdiction to:

10. issue injunctions, enter, and implement other orders or take such other actions as may be necessary or appropriate to restrain interference by any Entity with Consummation or enforcement of the Plan and ensure compliance with the Plan;

24. hear any other matter not inconsistent with the Bankruptcy Code.

None of the filing of the Plan, any statement or provision contained in the Plan, or the taking of any action by any Debtor with respect to the Plan, the Disclosure Statement, or the Plan Supplement shall be or shall be deemed to be an admission or waiver of any rights of any MACH Gen Entity with respect to the holders of Claims or Interests before Consummation.

After the Effective Date, the Plan Proponents shall be authorized to limit the list of Entities receiving documents pursuant to Bankruptcy Rule 2002 to the United States Trustee, those Entities who have filed such renewed requests and the Entities affected by any relief requested.

H. *Term of Injunctions or Stays*

Unless otherwise provided in the Plan or in the Confirmation Order, all injunctions or stays in effect in the Chapter 11 Cases pursuant to sections 105 or 362 of the Bankruptcy Code or any order of the Bankruptcy Court, and existing on the Confirmation Date (excluding any injunctions or stays contained in the Plan or the Confirmation Order) shall remain in full force and effect until the Effective Date. All injunctions or stays contained in the Plan or the Confirmation Order shall remain in full force and effect in accordance with their terms.

I. *Entire Agreement*

Except as otherwise indicated, the Plan (including the Plan Supplement) supersedes all previous and contemporaneous negotiations, promises, covenants, agreements, understandings, and representations on such subjects, all of which have become merged and integrated into the Plan, provided that, prior to the occurrence of the Effective Date and Consummation, in the event of any conflict between the terms of the DIP Orders and the terms of the Plan, the terms of the DIP Order shall govern.

J. *Exhibits*

All exhibits and documents included in the Plan Supplement are incorporated into, and are a part of, the Plan as if set forth in full in the Plan. After the exhibits and documents are filed, copies of such exhibits and documents shall be available upon written request to the Plan Proponents' counsel at the address above or by downloading such exhibits and documents from the Bankruptcy Court's website at http://www.ecf.deb.uscourts.gov/ or the website of MACH Gen's notice and voting agent at http://cases.primeclerk.com/newmachgen. To the extent any exhibit or document is inconsistent with the terms of the Plan, unless otherwise ordered by the Bankruptcy Court, the non-exhibit or non-document portion of the Plan shall control.

K. *Nonseverability of Plan Provisions*

Before Confirmation, if any term or provision of the Plan is held by the Bankruptcy Court to be invalid, void, or unenforceable, the Bankruptcy Court shall have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void,

or unenforceable, and such term or provision shall then be applicable as altered or interpreted. Notwithstanding any such holding, alteration, or interpretation, the remainder of the terms and provisions of the Plan will remain in full force and effect and will in no way be affected, impaired, or invalidated by such holding, alteration, or interpretation. The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of the Plan, as it may have been altered or interpreted in accordance with the foregoing, is: (1) valid and enforceable pursuant to its terms; (2) integral to the Plan and may not be deleted or modified without consent of MACH Gen, the Consenting Lenders (as defined in the Restructuring Support Agreement), and the Consenting Equity Holders (as defined in the Restructuring Support Agreement); and (3) nonseverable and mutually dependent.

L. *Votes Solicited in Good Faith*

Upon entry of the Confirmation Order, the Plan Proponents shall be deemed to have solicited votes on the Plan in good faith and in compliance with the Bankruptcy Code and, pursuant to section 1125(e) of the Bankruptcy Code, MACH Gen and its respective Affiliates, agents, representatives, members, principals, shareholders, officers, directors, employees, advisors, and attorneys shall be deemed to have participated in good faith and in compliance with the Bankruptcy Code in the offer, issuance, sale, and purchase of securities offered and sold under the Plan and any previous plan, and, therefore, none of any such parties or individuals, the Plan Proponents, or Reorganized MACH Gen will have any liability for the violation of any applicable law, rule or regulation governing the solicitation of votes on the Plan or the offer, issuance, sale, or purchase of the securities offered and sold under the Plan and any previous plan.

M. *Closing of Chapter 11 Cases*

Reorganized MACH Gen, Reorganized New Harquahala, or the Plan Proponents, as applicable, shall, promptly after the full administration of the Chapter 11 Cases, file with the Bankruptcy Court all documents required by Bankruptcy Rule 3022 and any applicable order of the Bankruptcy Court to close the Chapter 11 Cases.

N. *Document Retention*

O. *Conflicts*

Except as set forth in the Plan, to the extent that any provision of the Disclosure Statement, Plan Supplement, Restructuring Support Agreement, or any other order (other than the Confirmation Order) referenced in the Plan (or any exhibits, schedules, appendices, supplements, or amendments to any of the foregoing), conflict with or are in any way inconsistent with any provision of the Plan (without reference to the Plan Supplement), the Plan (without reference to the Plan Supplement) shall govern and control.

3.2 **Authority**. Beal Bank has all requisite corporate power and authority to perform its obligations hereunder and, subject to the entry of the Confirmation Order, to consummate the Reorganized New Harquahala Transfer. The performance by Beal Bank of its obligations hereunder has been duly and validly authorized by all necessary company action on behalf of Beal Bank. This Annex A constitutes the legal, valid and binding obligation of Beal Bank, enforceable against Beal Bank in accordance with its terms except as the same may be limited by bankruptcy, insolvency, reorganization, fraudulent conveyance, arrangement, moratorium or other similar Laws relating to or affecting the rights of creditors generally or by general equitable principles.

3.3 **No Conflicts; Consents and Approvals**. Subject to entry of the Confirmation Order, the performance by Beal Bank of its obligations hereunder and the consummation by Beal Bank of the Reorganized New Harquahala Transfer do not:

(a) violate or result in a breach of the Charter Documents of Beal Bank;

(b) violate or result in a breach or default under any material contract to which Beal Bank is a party, except for any such violation or default which would not reasonably be expected to result in a material adverse effect on Beal Bank's ability to consummate the Reorganized New Harquahala Transfer; or

(c) assuming all required filings, waivers, approvals, consents, authorizations and notices disclosed in Schedule 3.3 (collectively, the "**Beal Bank Governmental Approvals**") have been made, obtained or given, (i) violate or result in a breach of any Law or Order applicable to Beal Bank, except as would not reasonably be expected to result in a material adverse effect on Beal Bank's ability to consummate the Reorganized New Harquahala Transfer or (ii) require the consent or approval of any Governmental Authority under any Law or Order applicable to Beal Bank, other than in each case any such consent or approval which, if not made or obtained, would not reasonably be expected to result in a material adverse effect on Beal Bank's ability to consummate the Reorganized New Harquahala Transfer.

3.4 **Legal Proceedings**. There are no material Proceedings pending or, to Beal Bank's knowledge, threatened against Beal Bank or its Affiliates with respect to the Reorganized New Harquahala Transfer at law or in equity, which could reasonably be expected to materially delay, prevent, result in rescission or material modification of or otherwise unwind the Reorganized New Harquahala Transfer or any material portion thereof.

3.5 **Compliance with Laws and Orders**. Beal Bank is not in violation of, or in default under, any Law or Order applicable to Beal Bank or its assets the effect of which, individually or in

the aggregate, would reasonably be expected to hinder, prevent or materially delay Beal Bank from consummating the Reorganized New Harquahala Transfer.

3.6 **Brokers**. Neither Beal Bank nor any of its Affiliates has any liability or obligation to pay fees or commissions to any broker, finder or agent with respect to the Reorganized New Harquahala Transfer for which Reorganized New MACH Gen or any of its Affiliates could become liable or obligated after the Closing.

3.7 **Intentionally Omitted**.

3.8 **Exon Florio**. Beal Bank is not a "foreign person" for purposes of Section 721 of the Defense Production Act of 1950, as amended, the Foreign Investment and National Security Act or any executive orders, rules or regulations relating thereto.

ARTICLE 4
COVENANTS

4.1 **Efforts to Close; Regulatory and Other Approvals.**

(a) The Parties shall (and each shall cause its respective applicable Affiliates to) use commercially reasonable efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper or advisable to consummate and make effective the Reorganized New Harquahala Transfer as promptly as practicable and to obtain as promptly as practicable all MACH Gen Governmental Approvals, Beal Bank Governmental Approvals and MACH Gen Consents, and all other material consents and Approvals that Beal Bank, New MACH Gen or their respective Affiliates are required to obtain in order to consummate the Reorganized New Harquahala Transfer.

(b) Each of Beal Bank and New MACH Gen shall and shall cause its respective Affiliates to (i) make or cause to be made the filings required of such Person or any of its applicable Affiliates under any Laws applicable to it with respect to the Reorganized New Harquahala Transfer, (ii) reasonably cooperate with the other Party and furnish the information in such Party's possession that is necessary in connection with the filings, (iii) use commercially reasonable efforts to cause the expiration of the notice or waiting periods under any Laws applicable to it with respect to the consummation of the Reorganized New Harquahala Transfer as promptly as is reasonably practicable, (iv) promptly inform the other Party of any communication from or to, and any proposed understanding or agreement with, any Governmental Authority in respect of such filings, (v) reasonably consult and cooperate with the other Party in connection with any analyses, appearances, presentations, memoranda, briefs, arguments and opinions made or submitted by or on behalf of any Person in connection with all meetings, actions and proceedings with Governmental Authorities relating to such filings, (vi) comply, as promptly as is reasonably practicable, with any requests received by such Person or any of its Affiliates under any Laws for additional information, documents or other materials with respect to such filings, (vii) use commercially reasonable efforts to resolve any objections as may be asserted by any Governmental Authority with respect to the Reorganized New Harquahala Transfer and (viii) use commercially reasonable efforts to contest and resist any action or proceeding instituted (or threatened in writing to be instituted) by any Governmental Authority challenging the

Reorganized New Harquahala Transfer as violative of any Law. If a Party or any of its Affiliates intends to participate in any material meeting with any Governmental Authority with respect to such filings and if permitted by, or acceptable to, the applicable Governmental Authorities, it shall give the other Party reasonable prior notice of, and an opportunity to participate in, such meeting.

(c) In connection with any such filings or applications made pursuant to this Section 4.1, each Party shall cooperate in good faith with Governmental Authorities and use its commercially reasonable efforts to lawfully consummate the Reorganized New Harquahala Transfer.

(d) Each of New MACH Gen and Beal Bank shall provide prompt notification to the other when it becomes aware that any such consent or approval referred to in this Section 4.1 is obtained, taken, made, given or denied, as applicable.

(e) In furtherance of the foregoing covenants:

(i) New MACH Gen and Beal Bank shall prepare, as soon as is practicable following the RSA Effective Date and in accordance with the terms of the Restructuring Support Agreement and the following sentence, all necessary filings applicable to it in connection with the Reorganized New Harquahala Transfer that may be required by FERC or under the HSR Act or any other federal, state or local Laws. Each Party shall submit such filings applicable to it as soon as practicable, but in no event later than ten (10) calendar days following the RSA Effective Date. The Persons making such filings shall request expedited treatment of any such filings, shall promptly furnish each other with copies of any notices, correspondence or other written communication received by it from the relevant Governmental Authority, shall promptly make any appropriate or necessary subsequent or supplemental filings required of it and shall cooperate in the preparation of such filings as is reasonably necessary and appropriate. Any filing fees, costs or expenses arising out of or relating to such filings shall be for the account of New MACH Gen.

(ii) The Parties shall not, and shall cause their respective Affiliates not to, take any action that could reasonably be expected to adversely affect the approval of any Governmental Authority of any of the filings or applications referred to in this Section 4.1.

4.2 **Access of Beal Bank**.

(a) During the Interim Period, New MACH Gen will (i) use commercially reasonable efforts to provide Beal Bank and its Representatives with reasonable access, upon reasonable prior notice and during normal business hours, to New Harquahala's current plant managers and maintenance managers and other employees for the Harquahala Facility, and (ii) upon reasonable prior notice to New MACH Gen, during normal business hours and upon reasonable notice, provide Beal Bank with access to New Harquahala, Reorganized New Harquahala and the Harquahala Assets, including its Books and Records, but only to the extent that such access does not unreasonably interfere with the business of New MACH Gen or any of its Affiliates or the safe commercial operations of the Harquahala Assets; *provided, however*, that (a) New MACH Gen shall have the right to have a Representative present for any communication with employees or officers of New MACH Gen or its Affiliates, and (b) Beal Bank shall, and shall cause its Representatives to, observe and comply with all health, safety and security requirements of which

it is advised at the Harquahala Facility. For purposes of clarification, during the Interim Period, Beal Bank shall have the right to conduct Phase I environmental site assessments with respect to the Harquahala Assets, but Beal Bank shall not be entitled to collect any air, soil, surface water or ground water samples nor to perform any invasive or destructive sampling on, under, at or from any Harquahala Asset (including any Phase II environmental site assessment). Beal Bank shall hold in confidence all information disclosed to Beal Bank, its Affiliates or its Representatives hereunder on the terms and subject to the conditions contained in the Amended and Restated Credit Agreement; *provided, further*, that from and after the Effective Date, the obligations under the Amended and Restated Credit Agreement shall no longer apply to Beal Bank, its Affiliates or its Representatives with respect to the Harquahala Assets, New Harquahala, Reorganized New Harquahala and the Interests of Reorganized New Harquahala. Notwithstanding anything to the contrary in this Section 4.2, Beal Bank shall have no right of access to, and neither New MACH Gen nor any of its Affiliates shall have any obligation to provide any information the disclosure of which could reasonably be expected to (1) violate any attorney-client or similar legal privilege available to New MACH Gen or its Affiliates, (2) cause New MACH Gen or its Affiliates to breach a confidentiality obligation to a third party; *provided, that* New MACH Gen shall use commercially reasonable efforts to have such third party waive any such confidentiality obligation or (3) result in a violation of Law. Promptly upon completion of any such access, Beal Bank shall repair at its sole expense any damage caused by such access.

(b) Beal Bank agrees to defend, indemnify and hold harmless New MACH Gen, its Affiliates and their respective Representatives for any and all liabilities, losses, and out-of-pocket costs or expenses incurred by New MACH Gen, its Affiliates or their respective Representatives arising out of the access rights under this Section 4.2, including any claims by any of Beal Bank's Representatives for any injuries or property damage while present on the New Harquahala Facility Site, other than due to the gross negligence or willful misconduct of New MACH Gen or its Affiliates.

4.3 **Certain Restrictions**.

(a) Except as otherwise expressly required or permitted by this Annex A or authorized by Beal Bank in writing, during the Interim Period, New MACH Gen shall cause New Harquahala to keep the Harquahala Facility in a "non-operational" mode in accordance with the procedures set forth on Schedule 4.3(a), *provided*, that New Harquahala may operate the Harquahala Facility (i) to the extent necessary to comply with Prudent Operating Practices to maintain those assets in at least substantially the same condition as they exist prior to the RSA Effective Date, (ii) as is necessary to comply with an emergency power shortage as required by WECC, the Secretary of the U.S. Department of Energy, NERC or FERC, (iii) as needed to perform the capital projects and/or the maintenance projects in accordance with and as described on Schedule 4.3(b), (iv) as needed to conduct the performance test in accordance with Section 5.6, *provided*, that Beal Bank shall pay for the reasonable documented out-of-pocket costs therefor or (v) with the prior written consent of Beal Bank in its sole discretion.

(b) Except (x) as required by the terms of the Restructuring Support Agreement (including this Annex A), any requirements or limitations resulting from the Chapter 11 Cases, the Plan, the Bankruptcy Court or the Bankruptcy Code (including the DIP Orders), the Confirmation Order, or any Transferred Permit or Assumed Contract, (y) as consented to by Beal Bank (which

consent shall not be unreasonably withheld, conditioned or delayed), or (z) as otherwise set forth in Schedule 4.3(c), during the Interim Period, New Harquahala and Reorganized New Harquahala will, and New MACH Gen will cause each of New Harquahala and Reorganized New Harquahala, as applicable, to, (A) use commercially reasonable efforts to operate the Harquahala Facility in the ordinary course of business consistent with past practice, taking into account Section 4.3(a), in accordance with the Budget (as defined in and attached to the Restructuring Support Agreement) and (B) use commercially reasonable efforts to preserve its present business operations, organization and goodwill, keep available the services of its officers and employees or contractors (including with respect to the Harquahala Assets), and preserve its present relationship with Persons having business dealings with New Harquahala and Reorganized New Harquahala (including with respect to the Harquahala Assets). Except (i) as otherwise permitted or required by the terms of the Restructuring Support Agreement (including this Annex A), any requirements or limitations resulting from the Chapter 11 Cases, the Plan, the Bankruptcy Court or the Bankruptcy Code (including the DIP Orders), the Confirmation Order, or any Transferred Permit or Assumed Contract, (ii) as consented to by Beal Bank (which consent shall not be unreasonably withheld, conditioned or delayed), and/or (iii) as otherwise set forth on Schedule 4.3(c), New Harquahala will not, and New MACH Gen shall cause New Harquahala and Reorganized New Harquahala not to, during the Interim Period, undertake any of the following:

(i) create or permit any Lien (other than a Permitted Lien) against any of the Harquahala Assets;

(ii) create or permit any Lien against the Interests of New Harquahala or Reorganized New Harquahala;

(iii) grant any waiver or consent of any term under any Assumed Contract;

(iv) incur, assume, guarantee, or otherwise become liable in respect of any obligation or liability resulting in any Liabilities exceeding a value of $50,000 in the aggregate, or issue any debt securities, or make any loans or purchase any securities of any Person;

(v) (A) sell, lease, transfer, convey, license, sublicense, covenant not to assert, abandon, allow to lapse, or otherwise dispose of any Harquahala Assets (other than de minimis or insignificant assets), other than with respect to sales of gas or electricity in the ordinary course and consistent with existing Contracts; or (B) disclose any material trade secrets or confidential information included in the Harquahala Assets, other than pursuant to a confidentiality agreement sufficient to protect the confidentiality thereof;

(vi) (A) terminate, amend, or supplement any (x) Material Contract or (y) Transferred Permit, or (B) enter into any new purchase order or Contract (other than as permitted by the DIP Loan Documents), in each case of sub-clause (B) material to the operation of the Harquahala Facility, other than (1) for purchases or sales on a daily or forward basis (with a delivery date no later than 2 days after the Effective Date) of electric energy, ancillary services, fuel, other commodities necessary for the generation or sale of power by the Harquahala Assets, emissions allowance, capacity, transmission rights, and/or fuel transportation rights, in each case in the ordinary course of business, or (2) with respect to operations and maintenance otherwise permitted by this Annex A or scheduled maintenance allowed by or set forth in the DIP Budget, or

(3) any Contract as acceptable to Beal Bank evidencing any action that is otherwise expressly permitted to be taken pursuant to any other clause of this Section 4.3.

(vii) amend any of its Charter Documents;

(viii) file any Tax Return, make any Tax election, or settle any liability for Taxes;

(ix) fail to maintain limited liability company existence or merge or consolidate or otherwise combine with any other Person or acquire any business or line of business or all or substantially all of the assets of any other Person (in a single transaction or a series of related transactions) or enter into any Contract or letter of intent or similar arrangement with respect to the foregoing;

(x) liquidate, dissolve, recapitalize, reorganize or otherwise wind up its business or operations;

(xi) incur capital expenditures exceeding those permitted pursuant to the DIP Loan Documents;

(xii) cancel any debts, discount any receivables, or waive, release, assign or settle any Proceedings or other claims, except pursuant to the Plan;

(xiii) cancel, terminate or allow any material property or liability insurance policy (including any Harquahala Insurance Policy) to lapse except as such action is required by Beal Bank, or unless such insurance policy is permitted to be replaced with a comparable insurance policy under the DIP Orders;

(xiv) cause or allow to be hired, or hire for its account any employees;

(xv) authorize for issuance, issue or sell (A) any membership, equity or voting interests, (B) any securities convertible into, exchangeable for, or evidencing the right to subscribe for or acquire any (x) membership interests of, or other equity or voting interest in New Harquahala or Reorganized New Harquahala, including rights, warrants or options, or (y) phantom stock or similar equity-based payment option;

(xvi) declare, pay or set aside any dividend or make any distribution with respect to, or split, combine, redeem, reclassify, purchase or otherwise acquire directly, or indirectly, any shares of capital stock of, or other equity or voting interest in New Harquahala or Reorganized New Harquahala; or

(xvii) agree or commit to do any of the foregoing.

Notwithstanding the foregoing, New MACH Gen and New Harquahala may take commercially reasonable actions with respect to (i) emergency situations (including to mitigate or remedy the endangerment of health or safety of any Person or the environment or in connection with any forced outage) or (ii) regulatory requirements and/or other requirements of Law (including preliminary curtailment or similar operating decisions taken as a safety precaution), and New

MACH Gen shall promptly inform Beal Bank of any such actions taken outside the ordinary course of business.

4.4 **Tax Matters**.

(a) New MACH Gen shall be liable for and shall pay all Transfer Taxes imposed on any Party by Law as a result of the transactions contemplated by this Annex A. The Parties agree to cooperate in the execution and delivery of all instruments and certificates reasonably necessary to remit and/or minimize the amount of any Transfer Taxes. If Beal Bank is required by Law to pay any such Transfer Taxes, New MACH Gen shall promptly reimburse Beal Bank within ten (10) days of receipt of written request from Beal Bank for all of such Transfer Taxes. Each Party shall timely file their own Transfer Tax returns as required by Law and shall notify and provide a copy of such Transfer Tax returns to the other Party when such filings have been made. Each Party shall cooperate and consult with each other prior to filing such Transfer Tax returns to ensure that all such returns are filed in a consistent manner.

(b) Beal Bank shall prepare any and all Tax Returns for a Pre-Effective Date Tax Period or a Straddle Period required to be filed by New MACH Gen with respect to New Harquahala, Reorganized New Harquahala or the Harquahala Assets after the Effective Date, and any such Tax Return shall be prepared consistent with past practice, unless otherwise required by applicable Law. Not later than thirty (30) days prior to the due date for filing any such Tax Return (other than Tax Returns relating to sales, use, payroll, or other Taxes that are required to be filed contemporaneously with, or promptly after, the close of a tax period), Beal Bank shall deliver a draft of such Tax Return, together with all supporting documentation and work-papers, to New MACH Gen (or its designated representative) for its review and shall take into account any of New MACH Gen's (or its designated representative's) reasonable comments. New MACH Gen (or its designated representative) and Beal Bank shall cooperate to cause such Tax Return (as revised to incorporate New MACH Gen's (or its designated representative's) reasonable comments) to be timely filed. If either Party receives any notice of any claim or Proceeding pending in respect of a Tax for which the other Party is responsible (or any significant developments with respect to ongoing claims or Proceedings in respect of such a Tax), the first-mentioned Party shall promptly inform the other Party of such notice or development.

(c) All real property Taxes, personal property Taxes and other periodic Taxes that have been imposed on Reorganized New Harquahala, New Harquahala or their businesses or the Harquahala Assets that are due or become due for Straddle Periods shall be apportioned to the Pre-Effective Date Tax Period based upon the actual number of days in the Straddle Period that have elapsed up to and including the Effective Date, and they shall be apportioned to the Post-Effective Date Tax Period based upon the actual number of days in the Straddle Period that have elapsed after the Effective Date. All Taxes based upon income, gains or receipts, Transfer Taxes (except as provided in Section 4.4(a)), employment or payroll Taxes, or other transactional Taxes that have been imposed on Reorganized New Harquahala, New Harquahala or its business or the Harquahala Assets shall be allocated between the Pre-Effective Date Tax Period and the Post-Effective Date Tax Period as though a taxable year of Reorganized New Harquahala or New Harquahala had ended on the Effective Date (collectively, the "**Apportioned Taxes**"). New MACH Gen shall be responsible for the portion of such Apportioned Taxes attributable to the period ending on the Effective Date. Beal Bank and Reorganized New Harquahala shall be

responsible for the portion of such Apportioned Taxes attributable to the period beginning after the Effective Date.

(d) Each Party shall use commercially reasonable efforts to cooperate fully with the other Party, as and to the extent reasonably requested by the other Party, in connection with the filing of Tax Returns and any Proceeding with respect to Taxes. Such cooperation shall include the retention and (upon the other Party's request) the provision of records and information which are reasonably relevant to any such Proceeding and making employees (to the extent such employees were responsible for the preparation, maintenance or interpretation of information and documents relevant to Tax matters or to the extent required as witnesses in any Tax proceedings), available on a mutually convenient basis to provide additional information and explanation of any material provided hereunder. Each Party agrees to retain all of its books and records with respect to Tax matters relating to New Harquahala, Reorganized New Harquahala or the Harquahala Assets for any taxable period beginning before the Effective Date until the expiration of the applicable statute of limitations and to abide by all record retention agreements entered into with any taxing authority.

(e) Notwithstanding anything in this Annex A to the contrary, the Parties agree to treat, for U.S. federal, state and local income tax purposes, the transactions contemplated by this Annex A and the Plan as a sale of assets to Beal Bank in exchange for an amount equal to (x) the First Lien Loan Reduction, plus (y) up to $3,000,000 in O&M Expenses payable by the First Lien Lenders (as defined in the Plan) pursuant to Article V.E. of the Plan (but only to the extent that a portion or all of the actual amount of the O&M Expenses payable by the First Lien Lenders under Article V.E. of the Plan is determined by Beal Bank prior to the Effective Date not to be an expense), less (z) a portion of the Pre-Petition Exit Fee (as defined in the New First Lien Credit Agreement) equal to $35,000,000.00, subject to the terms and conditions of the New First Lien Term Loan (the "**Agreed Tax Treatment**"). Consistent with the Agreed Tax Treatment, the fair market value of the Harquahala Assets (and other amounts constituting consideration for U.S. federal income tax purposes, to the extent known on the RSA Effective Date) shall be the amount of (x) the First Lien Loan Reduction, plus (y) up to $3,000,000 in O&M Expenses payable by the First Lien Lenders (as defined in the Plan) pursuant to Article V.E. of the Plan (but only to the extent that a portion or all of the actual amount of the O&M Expenses payable by the First Lien Lenders under Article V.E. of the Plan is determined by Beal Bank prior to the Effective Date not to be an expense), less (z) a portion of the Pre-Petition Exit Fee (as defined in the New First Lien Credit Agreement) equal to $35,000,000.00 (subject to the terms and conditions of the New First Lien Term Loan) and allocated among the Harquahala Assets in accordance with the allocation set forth on Schedule 4.4(e) (the "**Allocation**"). The Parties agree that the Allocation has been prepared in accordance with the principles of Section 1060 of the Code and the Treasury regulations promulgated thereunder.

(f) The Parties shall, and shall cause their Affiliates to, (i) report consistently with the Allocation and Agreed Tax Treatment in all Tax Returns, including IRS Form 8594, which if applicable, the Parties shall timely file with the IRS, (ii) not take any position for any tax purpose that is inconsistent with the Allocation or Agreed Tax Treatment, and (iii) promptly advise each other regarding the existence of any tax audit, controversy or litigation related to the Allocation or the Agreed Tax Treatment, in each case, unless required to do otherwise by a final determination (as defined in Section 1313 of the Code).

4.5 **Post-Closing Delivery and Retention of Records.**

(a) After the Effective Date, each Party shall grant to the other Party (or its respective designees) access during regular business hours, without significant disruption to the business of Beal Bank, Reorganized New Harquahala or the Harquahala Facility or New MACH Gen, as applicable, and upon reasonable request and reasonable advance notice to the books and records related to the Harquahala Facility, Reorganized New Harquahala and New Harquahala in its possession or the possession of its Affiliates (including to the Books and Records), and shall afford the other Party the right (at such other Party's sole cost and expense) to take extracts therefrom and to make copies thereof, to the extent reasonably necessary (i) to implement the provisions of, or to investigate or defend any claims among the Parties and/or their Affiliates arising under this Annex A, (ii) in connection with the reconciliation of claims in the Chapter 11 Cases as they relate to the Reorganized New Harquahala Transfer, or (iii) otherwise to enable Beal Bank or New MACH Gen, as applicable to address issues arising in connection with or relating to the Chapter 11 Cases as they relate to the Reorganized New Harquahala Transfer. Each of MACH Gen and Beal Bank shall maintain such books and records (including the Books and Records) related to New Harquahala, Reorganized New Harquahala or the Harquahala Facility in its possession until the seventh (7th) anniversary of the Effective Date, or if any of the books and records (including the Books and Records) pertain to any claim or dispute pending on the seventh (7th) anniversary of the Effective Date, until such claim or dispute is finally resolved and the time for all appeals has been exhausted. Notwithstanding anything herein to the contrary, in the event of a dispute, the furnishing of, or access to, the books and records (including the Books and Records) shall be subject to applicable rules relating to discovery. In addition, if either Party or any of its Affiliates reasonably believes it is required to disclose any such documents or information to comply with any Law, Order or any request made by any Governmental Authority or any other legal, regulatory or administrative proceeding or process, such Party or its Affiliates may do so, without liability hereunder; *provided*, *that* such disclosing Party will, and will cause its Affiliates to, to the extent reasonably practicable, provide the non-disclosing Party with prompt notice so that such non-disclosing Party may seek an appropriate protective order or other remedy, and the disclosing Party will, and will cause its Affiliates to, to the extent reasonably practicable and the expense of the non-disclosing Party (except to the extent such expense is allocated to a different Party under this Annex A), cooperate with the non-disclosing Party to obtain any protective order or remedy; *provided*, *that*, with respect to Beal Bank and its Affiliates, the obligations in the immediately preceding proviso shall not apply to the information relating to Reorganized New Harquahala, New Harquahala and the Harquahala Assets, from and after the Effective Date.

(b) For the avoidance of doubt, as of the Effective Date, all confidential non-public information with respect to or relating to Reorganized New Harquahala, New Harquahala and the Harquahala Assets shall be deemed confidential information of Beal Bank, and New MACH Gen and its Affiliates shall maintain the confidentiality thereof unless as may be required by any applicable Law or Order and unless such information is (i) made known or otherwise provided to New MACH Gen and its Affiliates from sources other than those directly related to New MACH Gen's or its Affiliates' prior ownership of New Harquahala, Reorganized New Harquahala or any Harquahala Asset, to the extent not in breach of confidentiality obligations of such sources to Beal Bank or its Affiliates, (ii) in the public domain other than as a result of disclosure by New MACH Gen or any of its Affiliates in violation of this Section 4.5, or (iii) acquired after the Effective Date by New MACH Gen or its Affiliates from a source other than Beal Bank, provided that such source

is not known by New MACH Gen or its Affiliates to be bound by a confidentiality agreement or arrangement with Beal Bank. The obligation of New MACH Gen and its Affiliates to hold any such information in confidence shall be satisfied if New MACH Gen and its Affiliates exercise the same care with respect to such information as they would take to preserve the confidentiality of their own similar information.

4.6 **Support Obligations**. At or prior to the Effective Date, subject to the commercially reasonable cooperation of New MACH Gen and its Affiliates, and except with respect to any Support Obligations (as defined below) issued under or pursuant to any Contracts which are not Assumed Contracts or discharged by the Bankruptcy Court, Beal Bank shall effect the full and unconditional release, effective as of the Effective Date, of New MACH Gen and any of its Affiliates, as applicable, from the outstanding credit support obligations provided by New MACH Gen or any of its Affiliates with respect to the Assumed Contracts or New Harquahala, which outstanding credit support obligations are in each case as set forth on Schedule 4.6 ("**Support Obligations**"), including by putting in place, concurrently with the Closing, letters of credit, and/or cash collateral, as reasonably required, to effect the replacement of such Support Obligations on the Effective Date. Notwithstanding the foregoing, if the form of the Support Obligation is cash (whether cash collateral or cash deposit), Beal Bank shall have no obligation to replace such cash collateral or cash deposit, and New Harquahala shall keep (and New MACH Gen shall cause New Harquahala to keep) such cash collateral or cash deposit in place, and shall not retrieve or remove such cash collateral or cash deposit from the counterparty.

4.7 **Insurance**. If any claims may reasonably be made relating to events that have occurred prior to the Effective Date that relate to New Harquahala, Reorganized New Harquahala or the Harquahala Assets, then New MACH Gen (on behalf of itself and each of its Affiliates) shall use its commercially reasonable efforts (at the sole cost of Beal Bank) to permit Beal Bank (after the Effective Date and in cooperation with New MACH Gen) to file, notice and otherwise continue to pursue such claims under the terms of any applicable policies, and, subject to all of the foregoing, New MACH Gen (on behalf of itself and each of its Affiliates) agrees to otherwise reasonably cooperate (at the sole cost of Beal Bank) with Beal Bank or its Affiliates to make the benefits of any Harquahala Insurance Policies available to Beal Bank or its Affiliates.

4.8 **Public Announcements**. Except in connection with the Chapter 11 Cases or as otherwise required by Law, each of the Parties will, and will cause their Affiliates to, consult with the other regarding the timing and content of any press releases or public statements with respect to this Annex A or the Reorganized New Harquahala Transfer; *provided*, *however*, that notwithstanding the foregoing, in no event will the Parties issue any press release or public statement naming or containing any information with respect to the other Party, or their respective Affiliates, as applicable, without the prior written consent of such other Party.

4.9 **Further Assurances**. Subject to the terms and conditions of this Annex A and the Plan, at any time or from time to time after the Effective Date, at either Party's request and without further consideration, the other Party shall execute and deliver to such Party such other instruments of sale, transfer, conveyance, assignment and confirmation, provide such materials and information and take such other actions as such Party may reasonably request in order to consummate or effectuate the Reorganized New Harquahala Transfer; *provided*, *however*, no such

instruments, materials, information or actions shall increase either Party's liability, or decrease its rights, under this Annex A or the Plan.

4.10 **Title Cooperation**. New MACH Gen agrees to cooperate in a commercially reasonable manner with Beal Bank's efforts to obtain title insurance with respect to the Harquahala Assets, as Beal Bank may elect in its sole discretion, to be issued, if at all, by the Title Insurer. In the event Beal Bank decides to obtain title insurance, New MACH Gen and its Affiliates shall deliver to the Title Insurer an owner's affidavit in form and substance reasonably acceptable to Beal Bank, New MACH Gen and the Title Insurer in order to enable the Title Insurer to issue to Beal Bank a title insurance policy which omits from such policy all exceptions for (i) parties in possession claiming through New MACH Gen or its Affiliates; and (ii) mechanics', materialmens' and other statutory liens (other than for taxes which are not yet due and payable or for liens being contested in good faith and by proper proceedings). New MACH Gen also agrees to cooperate in a commercially reasonable manner with Beal Bank's efforts to obtain a survey and/or survey update with respect to the Harquahala Assets, as Beal Bank may elect in its sole discretion.

4.11 **Discharge of Affiliate Obligations**. At or prior to Closing, New MACH Gen shall, and shall cause its Affiliates to, terminate and release all Liabilities between New Harquahala and Reorganized New Harquahala, on the one hand, and New MACH Gen and any of its Affiliates (other than New Harquahala and Reorganized New Harquahala), on the other hand, without any continuing Liability to Beal Bank or Reorganized New Harquahala or their respective Affiliates from and after the Closing, in each case in accordance with the Plan.

4.12 **Schedule Update**. From time to time prior to the Closing, but no less than ten (10) days prior to the anticipated date of the Closing, New MACH Gen may at its option supplement or amend and deliver updates to the Schedules to Article 2 as necessary to complete or correct any information in such Schedules to Article 2 or in any representation or warranty in Article 2. Such update shall be solely for informational purposes and no such update made pursuant to this Section 4.12 shall be deemed to amend or supplement any such Schedules or prevent or cure any inaccuracy of any representation or warranty made in this Annex A and shall not be deemed to qualify or limit any covenant, agreement or remedy (including indemnification under Article 7), except with respect to any updates to the list of the Assumed Contracts set forth on Schedule 2.8(a) and 2.8(b) made in accordance with and pursuant to the Plan.

The covenants of New MACH Gen which are to be performed at or prior to the Closing shall survive the Closing until the date that is twelve (12) months from the Effective Date. The covenants of New MACH Gen which are to be performed after the Closing shall survive the Closing until the date that such covenants are fully performed in accordance with their terms and for the time periods set forth therein. Except as otherwise set forth in this Section 7.1, no representations, warranties, covenants or agreements shall survive the Closing. No Person shall be liable for any claim for indemnification under Article 7 unless a Claim Certificate is delivered by the Person seeking indemnification to the Person from whom indemnification is sought prior to the expiration of the applicable survival period, in which case the representation, warranty, covenant or agreement which is the subject of such claim shall survive, to the extent of the claims described in such Claim Certificate only, until such claim is resolved, whether or not the amount of the Losses resulting from such breach has been finally determined at the time the notice is given.

7.2 **Indemnification by New MACH Gen**.

(a) General. Subject to the other provisions of this Article 7, from and after the Closing, New MACH Gen agrees to and shall indemnify Beal Bank and Reorganized New Harquahala and each of their respective Representatives, subsidiaries, direct and indirect parent companies, shareholders, partners, members, managers, officers and directors (collectively, the "**Beal Bank Indemnitees**") and save and hold each of them harmless against any Losses suffered, incurred or paid, directly or indirectly, by them as a result of, arising out of or related to: (i) any failure of any representation or warranty made by New MACH Gen in this Annex A or in any schedule, exhibit or certificate delivered pursuant to this Annex A to be true and correct in all respects (without giving effect to any "material", "materially", "materiality", "Material Adverse Effect", "material adverse effect", "material adverse change" or similar qualification contained in any such representation or warranty) on and as of the Effective Date as if made on such date (other than those representations and warranties made as of a specified date (disregarding the words "as of the RSA Effective Date" in the lead-in paragraph of Article 2) which shall be true and correct in all respects as of such specified date), (ii) any breach of any covenant or agreement by New MACH Gen contained in this Annex A, and (iii) any Taxes imposed on Beal Bank, New Harquahala, Reorganized New Harquahala or any Harquahala Asset that arise in a Pre-Effective Date Tax Period or are Straddle Period Taxes apportioned to New MACH Gen pursuant to Section 4.4.

(b) Deductible Amount. The Beal Bank Indemnitees shall not be entitled to make any claim for indemnification under Section 7.2(a)(i) to the extent that the aggregate amount of all Losses for which all Beal Bank Indemnitees are entitled to indemnification pursuant to Section 7.2(a)(i) (other than with respect to Fundamental Representations) does not exceed an amount equal to $575,000 (the "**Deductible Amount**"). After the Deductible Amount has been reached, the Beal Bank Indemnitees shall be entitled to indemnification only for amounts in excess of the Deductible Amount and only to the extent otherwise allowable, including under Section 7.2(c). Notwithstanding the foregoing, the limitations set forth in this Section 7.2(b) shall not apply to (x) Losses arising out of a breach of the representations and warranties set forth in Section 2.11 (Tax Matters) or (y) any claim for indemnification under Sections 7.2(a)(ii) or 7.2(a)(iii).

(c) Liability of New MACH Gen. Notwithstanding any other provision of this Annex A, (A) the aggregate liability of New MACH Gen under this Article 7 for all Losses (other than (x) any liability arising from a breach of any Fundamental Representation or the representations and warranties contained in Section 2.11 (Tax Matters) or (y) any claim for indemnification under Sections 7.2(a)(ii) or 7.2(a)(iii)) shall not exceed $11,500,000; *provided, that*, except for any claim based on fraud, the aggregate liability of New MACH Gen under this Article 7 for all Losses (including those arising from a breach of any Fundamental Representations, the representations and warranties contained in Section 2.11 (Tax Matters) or under Sections 7.2(a)(ii) or 7.2(a)(iii)) shall in no event exceed $115,000,000.

(d) Mitigation and Limitation of Claims.

(i) Each Beal Bank Indemnitee that becomes aware of a Loss for which it may seek indemnification under this Article 7 shall take commercially reasonable efforts to mitigate such Loss, including actions reasonably requested by the other Party.

(ii) If the amount of any Beal Bank Indemnitee's Loss, at any time subsequent to New MACH Gen's making of a payment under this Article 7, is reduced by recovery, settlement or otherwise under or pursuant to any applicable insurance coverage, or pursuant to any applicable claim, recovery, settlement, or payment by or against any other Person (collectively, "**Recoveries**"), the amount of such Recoveries (reduced by costs of recovery) shall be credited to New MACH Gen within fifteen (15) days after receipt of such Recoveries by such Beal Bank Indemnitee, up to the aggregate amount of the indemnification to the Beal Bank Indemnitee (reduced by costs of recovery of such Recoveries) by New MACH Gen which credit shall be made and given effect to New MACH Gen in the form and /or through the same method as the initial indemnity payment which was made or credited to the Beal Bank Indemnitee hereunder by New MACH Gen.

(e) Exclusive Remedy. Except for fraud, the indemnification provisions of this Article 7 shall be the sole and exclusive remedy of Beal Bank (including Beal Bank Indemnitees) for any breach of any representations, warranties, covenants or agreements contained in this Annex A.

7.3 **Indemnification Procedures**.

(a) If any Person entitled to indemnification pursuant to Section 7.2 (an "**Indemnified Party**") believes that a claim, demand or other circumstance exists that has given or may reasonably be expected to give rise to a right of indemnification hereunder (whether or not the amount of Losses relating thereto is then quantifiable), the Indemnified Party shall deliver to the party from which indemnification is sought (the "**Indemnifying Party**") a certificate (a "**Claim Certificate**") promptly after discovering the circumstances giving rise to such claim, which Claim Certificate shall: (i) state that the Indemnified Party has paid or anticipates it will incur liability for Losses for which such Indemnified Party is entitled to indemnification pursuant to this Annex A; and (ii) specify each individual item of Loss included in the amount so stated (if quantifiable), the date such item was paid (if paid), the basis for any anticipated Liability and the nature of the misrepresentation, breach of warranty, breach of covenant or claim to which each such item is related and the computation of the amount to which such Indemnified Party claims to be entitled hereunder (if quantifiable); *provided*, that, the failure to give the Claim Certificate or a delay in giving the Claim Certificate, as the case may be, will not relieve the Indemnifying Party of its obligations hereunder, except to the extent that such Indemnifying Party is materially prejudiced as a result thereof.

(b) The Indemnified Party making the claim shall state only what is required in subsection (a) above and shall not be required to admit or deny the validity of the facts or circumstances out of which such claim arose.

7.4 **Third-Party Claims**.

(a) If any Indemnified Party becomes subject to a pending or threatened claim of a third party (a "**Third-Party Claim**") and such Person (the "**Claiming Party**") delivers to the Indemnifying Party (the "**Responding Party**") the Claim Certificate set forth in Section 7.3, and in the event that the Responding Party notifies the Claiming Party that it desires to defend the Third-Party Claim pursuant to this Section 7.4(a), such Responding Party shall be deemed to have acknowledged its obligations to indemnify hereunder for such Third-Party Claim and it shall have

control of such defense and proceedings, including any settlement thereof, with counsel reasonably satisfactory to the Claiming Party; *provided, however*, that the Responding Party may not assume control of the defense of a Third-Party Claim (i) involving a criminal proceeding, action, indictment, allegation or investigation against the Claiming Party or its Affiliates, or (ii) in which equitable relief is sought against the Claiming Party, as applicable with respect to the relevant Third-Party Claim, at the time such claim was submitted by the Claiming Party.

(b) If the Responding Party notifies the Claiming Party that it desires to defend the Third-Party Claim pursuant to Section 7.4(a), then the Responding Party shall work diligently to defend the Third-Party Claim and shall not enter into any settlement (i) that does not include as a term thereof the giving by each claimant or plaintiff to the Claiming Party a release from all liability in respect of such Third-Party Claim or (ii) that provides for any relief other than the payment of monetary damages as to which the Claiming Party shall be paid in full; *provided, however*, that if requested by the Responding Party, the Claiming Party shall (at the cost and expense of the Responding Party only with respect to reasonable out-of-pocket costs and expenses of the Claiming Party) reasonably cooperate with the Responding Party and its counsel in contesting any Third-Party Claim that the Responding Party elects to contest, or, if appropriate and related to the Third-Party Claim in question, in making any counterclaim reasonably requested against the Person asserting the Third-Party Claim, or any cross-complaint against any Person (other than the Claiming Party or any of its Affiliates). The Claiming Party may elect to participate in such proceedings, negotiations or defense at any time at its own expense (*provided, however*, that the Responding Party shall pay the reasonable attorneys' fees of the Claiming Party if (i) the employment of separate counsel shall have been authorized in writing by the Responding Party in connection with the defense of such Third-Party Claim or (ii) the Claiming Party's and the Responding Party's respective counsels have reasonably agreed that there is a conflict of interest that could make it inappropriate under applicable standards of professional conduct for the Responding Party and the Claiming Party to have common counsel).

(c) Until the Responding Party notifies the Claiming Party that the Responding Party desires to defend the Third-Party Claim pursuant to Section 7.4(a), the Claiming Party shall (upon reasonable prior notice to the Responding Party) have the right to undertake the defense or, with the consent of the Responding Party which shall not be unreasonably withheld, compromise or settle of such Third-Party Claim; *provided, however*, that the Responding Party shall reimburse the Claiming Party for the costs of defending against such Third-Party Claim (including reasonable attorneys' fees and expenses) and shall remain otherwise responsible for any liability with respect to amounts arising from or related to such Third-Party Claim, in both cases to the extent it is ultimately determined that such Responding Party is liable with respect to such Third-Party Claim for a breach under this Annex A. The Responding Party may elect to participate in such proceedings, negotiations or defense at any time at its own expense.

(d) Notwithstanding anything else contained in this Annex A, with respect to a Third-Party Claim for Taxes, (i) (A) New MACH Gen shall only have the right to control a Third-Party Claim with respect to Taxes if (I) it relates to a taxable year or other taxable period that ends on or prior to the Effective Date or (II) such Taxes are imposed on New MACH Gen or its post-Closing Affiliates and (B) New MACH Gen shall not consent to any settlement or compromise of any Third-Party Claim that could reasonably be expected to adversely impact Beal Bank, Reorganized New Harquahala, or any of their post-Closing Affiliates, or the Harquahala

Assets without written consent of Beal Bank, which consent shall not be unreasonably withheld, conditioned or delayed, and (ii) Beal Bank shall have the right to control all other Third-Party Claims for indemnification regarding Taxes. New MACH Gen, at its own expense, shall be entitled to participate in any Third-Party Claim with respect to Taxes for a taxable period that begins prior to the Effective Date and ends after the Effective Date, or for any Pre-Effective Date Tax Period if New MACH Gen did not choose to control the contest of such Tax pursuant to this Annex A, Beal Bank shall not settle any such claim that could reasonably be expected to adversely impact New MACH Gen or its post-Closing Affiliates without written consent of New MACH Gen, which consent shall not be unreasonably withheld, conditioned or delayed.

7.5 **Waiver of Other Representations**. SUBJECT TO SECTION 7.5(c), IT IS THE EXPLICIT INTENT OF EACH PARTY, AND THE PARTIES HEREBY AGREE, IN EACH CASE SOLELY IN CONNECTION WITH THE REORGANIZED NEW HARQUAHALA TRANSFER, THAT NONE OF NEW MACH GEN NOR ANY OF ITS AFFILIATES OR THEIR RESPECTIVE REPRESENTATIVES HAS MADE OR IS MAKING ANY REPRESENTATION OR WARRANTY WHATSOEVER, EXPRESS OR IMPLIED, WRITTEN OR ORAL, INCLUDING ANY IMPLIED REPRESENTATION OR WARRANTY AS TO THE CONDITION, VALUE, PROSPECTS (FINANCIAL, ENVIRONMENTAL OR OTHERWISE), MERCHANTABILITY, USAGE, SUITABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE WITH RESPECT TO NEW HARQUAHALA, REORGANIZED NEW HARQUAHALA OR THE HARQUAHALA ASSETS, OR ANY PART THEREOF IN THIS ANNEX A, EXCEPT FOR THOSE REPRESENTATIONS AND WARRANTIES SET FORTH IN ARTICLE 2. (b) BEAL BANK ACKNOWLEDGES THAT THE REPRESENTATIONS AND WARRANTIES SET FORTH IN ARTICLE 2 ARE THOSE ONLY OF NEW MACH GEN AND NOT OF ANY OTHER PERSON INCLUDING ANY AFFILIATE OR REPRESENTATIVE OF NEW MACH GEN OR ANY OF ITS AFFILIATES.

(c) NOTWITHSTANDING ANYTHING IN THIS ANNEX A TO THE CONTRARY, ANY WAIVER SET FORTH IN THIS SECTION 7.5 SHALL NOT BE DEEMED TO AFFECT OR LIMIT (X) ANY OTHER REPRESENTATION OR WARRANTY MADE BY NEW MACH GEN OR ANY OF ITS AFFILIATES IN THE RESTRUCTURING SUPPORT AGREEMENT, IN THE PLAN, IN THE DIP LOAN DOCUMENTS (OR IN ANY OTHER "LOAN DOCUMENT" (AS "LOAN DOCUMENT" IS DEFINED IN THE DIP LOAN DOCUMENTS)), IN THE AMENDED AND RESTATED CREDIT AGREEMENT (OR IN ANY OTHER "LOAN DOCUMENT" (AS "LOAN DOCUMENT" IS DEFINED IN THE AMENDED AND RESTATED CREDIT AGREEMENT)), IN THE DIP ORDERS, IN THE EMERGENCY LOAN AMENDMENT (AS DEFINED IN THE RESTRUCTURING SUPPORT AGREEMENT) (TO THE EXTENT MADE), IN THE NEW LC SUPPORT AGREEMENT, OR

SCHEDULE 1.1(a)
HARQUAHALA ASSETS

The major equipment incorporated into the Harquahala Facility includes three combustion turbines ("CTs"), three heat recovery steam generators ("HRSGs"), and three steam turbines ("STs") configured in three lx1x1 combined-cycle trains. Other major equipment includes three generator step-up ("GSU") transformers and two cooling towers.

The Harquahala Facility includes three Siemens Energy ("SE") SGT6-6000G CTs. Each of the CTs is rated at 244 MW while operating at ISO conditions. Each of the CTs is supplied with dry low-NO_x ("DLN") combustors designed to reduce the formation of NOx, steam injection for power augmentation ("PA"), and fires only natural gas.

Each of the Harquahala Facility's CTs exhaust hot combustion gases (at approximately 1,100°F) into a three-pressure, natural circulation HRSG, supplied by NEM. Each of the HRSGs sends approximately 470,000 lb/hr of high pressure ("HP") steam (1,727 psia at 1,054°F) to an ST to produce power. Approximately, 624,000 lb/hr of hot reheat steam and intermediate pressure ("IP") steam from each HRSG at 397 psia and 1,045°F is directed to the ST IP inlet. Low pressure ("LP") steam production from each HRSG provides approximately 73,000 lb/hr of 55 psia, 518°F steam to the ST LP inlet.

Each ST is an SE, two-casing, HP combined LP/IP, axial exhaust, condensing reheat turbine designed for triple inlet pressures and nominally rated at 126 MW. Exhaust steam from the ST is directed to dual two-pass condensers. Two mechanical draft cooling towers remove the waste heat in each of the three condensers and discharge it to the atmosphere. Condensate is delivered from the condenser hot well to each HRSG LP feedwater inlet via one 100 percent capacity condensate pump. Each HRSG is provided with one 100 percent boiler feedwater pump which supplies HP inlet feedwater and IP inlet feedwater.

New Harquahala has contracted to receive raw water for cooling tower make-up, steam cycle make-up and other process uses under an agreement with the Central Arizona Water Conservation District ("CAWCD") for the delivery of excess Central Arizona Project raw Colorado River water. Five on-site wells provide an additional source for 100 percent of the Harquahala Facility's make-up water requirements.

The demineralized water system consists of multimedia filters followed by a skid-mounted reserve osmosis ("RO") system with mixed bed demineralizers. Domestic water is provided from a dedicated well and water treatment system.

Sanitary wastewater is treated on site in a septic system. The Harquahala Facility is equipped with a zero liquid discharge system for the treatment of cooling tower blowdown and demineralized water system discharges. The zero liquid discharge system influent flow is treated in two parallel treatment trains that incorporate clarifiers, thickeners, filters, an RO system and evaporators. Solids from the clarifiers are thickened, filtered and shipped off site for disposal. A portion of the clarifier liquid discharge is returned to the cooling tower and the remainder flows

to polishing filters and then the RO system. RO system rejects are treated to remove the remaining solids which are shipped for off-site disposal.

A 16-inch natural gas pipeline lateral, approximately 6.5 miles in length, connects to one intrastate pipeline to provide fuel to the Harquahala Facility. The interconnection is capable of maintaining a minimum delivery pressure of 585 psig and a peak throughput sufficient to support maximum consumption required by the Harquahala Facility. The pipeline is owned by El Paso Natural Gas Company. Four 33 percent capacity gas compressors are also installed to increase gas pressure in the event of low pipeline pressure.

In addition to the CT DLN combustors, each HRSG is designed with a selective catalytic reduction ("SCR") system for control of NO_X and an oxidation catalyst for the control of carbon monoxide ("CO"). The original SCR fill supplied by Hitachi Zosen was replaced by a more high performance fill supplied by Haldor Topsoe on all three units. A continuous emissions monitoring system ("CEMS") is installed for each HRSG stack to measure emissions in accordance with Title 40 CFR Parts 60 and 75 and to generate reports in accordance with the permit requirements. The CEMS is a fully functional system including sample probes, conditioning, lines, analyzers, connections, regulators, gauges, valves, and calibration systems.

The Harquahala Facility includes three CT generators and three ST generators, which are all synchronous, three-phase units operating at 60 Hz. The CT and the ST units generate electricity at 16 kV and 13.8 kV, respectively. The CT generators are hydrogen cooled and the ST generators are air cooled. Three three-winding GSU transformers (one per train) are used to increase the voltage level from each train's CT generator and ST generator to 500 kV. Each GSU transformer is connected separately via an overhead circuit to the on-site switchyard which is configured as a four-circuit breaker, ring bus, including a position for a transmission line.

Start-up power is back-fed from the transmission system and the on-site switchyard via three station auxiliary power transformers, each connected between one of the CT generator breakers and its respective GSU transformer. The auxiliary power required during normal operation is provided by the CTs. Black-start capability is not provided; however, a 1,500 kW diesel generator is also provided to support essential loads in the event of a complete power failure. New Harquahala has replaced the main plant control system and a SE TXP DCS with a SE T-3000 DCS.

The electrical interconnection facilities designed and built for the Harquahala Facility include the Harquahala Substation and the 22 miles of 500 kV transmission line from the Harquahala switchyard to the Hassayampa switchyard. The Harquahala Substation and 22-mile transmission line is owned, operated, and maintained by New Harquahala.

New MACH Gen shall provide Beal Bank, within thirty (30) days after the RSA Effective Date, a true, correct and complete list of all the assets comprising the Harquahala Facility and all other associated assets as of the RSA Effective Date, which list shall be acceptable to and approved by Beal Bank, to the extent such assets are not otherwise listed in this Schedule 1.1(a), including without limitation, all fixtures and improvements located on the New Harquahala Facility Site, all water wells (registered and unregistered) on the New Harquahala Facility Site, and all other

electrical interconnection and metering facilities, equipment, machinery, capital and other spare parts, tools, furniture, office equipment, computer hardware, supplies, materials, vehicles and other items of tangible personal property located on (or in transit to or from) the New Harquahala Facility Site or used by New MACH Gen or its Affiliates in connection with the operation and maintenance of the Harquahala Facility, and such list acceptable to and approved by Beal Bank shall be incorporated by reference into this Schedule 1.1(a) as if fully set forth herein.

Each of the Definitive Documentation identified in the foregoing sentence is substantially final (subject only to any typographical or grammatical corrections and the insertion of appropriate dates, names, titles and signatures), provided that the New Owner Documents and the Plan Supplement remain subject to negotiation and completion. The Definitive Documentation that remains subject to negotiation and completion shall upon completion (x) contain terms, conditions, representations, warranties, and covenants consistent with the terms of this Agreement and (y) otherwise be in form and substance acceptable to (i) the Company, (ii) Consenting Lenders who hold, in the aggregate, at least 66-2/3% in principal amount outstanding of all First Lien Revolver Claims and at least 66-2/3% in principal amount outstanding of all First Lien Term Loan Claims (collectively, the "Required Lenders"), and (iii) Consenting Equity Holders who hold, in the aggregate, at least 75% in amount of all issued and outstanding Equity Interests (collectively, the "Required Equity Holders").

Section 4. Plan Proponents.

The Consenting Lenders and the MACH Gen Entities shall be co-proponents of the Plan. Notwithstanding anything to the contrary in this Agreement, in the event that the Talen Lender, the Talen LC Provider and/or the MACH Gen Entities at any time disclaim their intent, or fail, to diligently pursue the Restructuring, including confirmation of the Plan, in accordance with this Agreement (a "Talen/Company Walkaway"), including, without limitation, by (w) failing to meet the milestones in Section 6(e) or (i) hereto, (x) failing to use commercially reasonable efforts to meet or cause to be met any of the other milestones in Section 6, (y) failing to (i) provide and fund the facility proposed pursuant to the New Second Lien Credit Agreement in an amount necessary to satisfy all of the MACH Gen Entities' or Reorganized MACH Gen's and Reorganized New Harquahala's financial commitments and administrative obligations under and as required to confirm the Plan, including, without limitation, any potential funding shortfall, if one exists at such time, as a result of the aggregate amount of such financial commitments and administrative obligations exceeding the proposed $15 million aggregate principal amount of the New Second Lien Facility plus the $10 million revolving loan provided under the New First Lien Credit Agreement (the "Talen Funding Obligation") or (ii) cause to be issued each of the Backstop LCs (as defined below) in each case in the form attached as Exhibit A to the New LC Support Agreement and by a bank listed on Schedule I to the New LC Support Agreement or otherwise acceptable to the Consenting Lenders in their sole discretion, and otherwise in accordance with the New LC Support Agreement and in the amounts set forth on the Backstop LC Schedule (as defined below), or (z) by otherwise materially breaching this Agreement (unless such breach, if susceptible to cure, is cured within five (5) Business Days after written notice to the Company, Talen Lender, or Talen LC Provider thereof), the Consenting Lenders shall have the right, upon notice to the other Parties, to make any modifications to and independently prosecute confirmation of the Plan (the "First Lien Step-In Right"). Any modification to the Plan shall be subject to Article XI.A thereof. Talen Lender, Talen LC Provider and the MACH Gen Entities agree that upon notice by the Consenting Lenders of the occurrence of a Talen/Company Walkaway, the MACH Gen Entities' exclusive right to file and solicit a plan provided by section 1121 of the Bankruptcy Code will be deemed automatically modified without further court order to allow the Consenting Lenders to exercise their First Lien Step-In Right, provided that the Consenting Lenders may not exercise the First Lien Step-In Right if (x) the Company has terminated the MACH Gen Entities' obligations hereunder in accordance with Section 11(a), (b), (c), (d), (f), (g) or (h) hereof, (y) this Agreement is mutually terminated in accordance with Section 12 hereof, or (z) this Agreement automatically terminates in accordance with clause (i) of the last sentence of Section 12 hereof, in each case prior to the occurrence of the Talen/Company Walkaway that is the subject of the notice provided by the Consenting Lenders.

Upon the occurrence of a Talen/Company Walkaway (i) the MACH Gen Entities shall cooperate in good faith with the Consenting Lenders as reasonably necessary to allow the Consenting Lenders to

exercise the First Lien Step-In Right and seek and obtain confirmation of the Plan, including by providing the Consenting Lenders prompt access to any documents, information, employees and physical access to any facility or property in connection therewith, and (ii) if the Consenting Lenders exercise the First Lien Step-In Right, (x) any claims under or in respect of the Talen Second Lien Facility will be deemed waived and get no distribution under the Plan and (y) any claims asserted against any MACH Gen Entity on account of a receivable owed to Talen LC Provider, Talen Energy Corporation or any Talen Tax Affiliate (defined below) under or in respect of that certain Amended and Restated Tax Allocation Agreement (such claims, if any, the "Tax Allocation Claims"), entered into by and among Talen Energy Corporation and the affiliates listed on Exhibit A thereto (the "Talen Tax Affiliates"), effective as of December 31, 2015 and terminated effective January 1, 2017 (the "Tax Allocation Agreement"), will be deemed waived and discharged and get no distribution under the Plan.

Section 5. Assumption of the Restructuring and Support Agreement.

On the Petition Date (as such term is defined below) or within one (1) calendar day thereof, the MACH Gen Entities shall file with the Bankruptcy Court, in each case in form and substance acceptable to the Required Lenders, a motion to assume this Agreement (the "Assumption Motion") and a form of order approving the Assumption Motion (the "Assumption Order").

Section 6. Milestones.

As provided in Section 8, the MACH Gen Entities shall implement the Restructuring on the following timeline (each deadline, a "Milestone"):

(c) the deadline by which parties eligible to vote on the Plan must vote to accept or reject the Plan (the "Voting Deadline") shall be no later than one (1) Business Day after the Solicitation Commencement Date;

(d) if at least 66-2/3% in amount and more than one half in number of claims that constitute Prepetition First Lien Obligations that have accepted or rejected the Plan vote to accept the Plan, the MACH Gen Entities shall commence the Chapter 11 Cases by filing bankruptcy petitions with the Bankruptcy Court by the date falling six (6) calendar days after the Voting Deadline (the date the Chapter 11 Cases are commenced, the "Petition Date"); provided, however, that if the Company elects to enter into the Emergency Loan Amendment and borrow the Emergency Loan, the MACH Gen Entities shall instead file the Chapter 11 Cases by the tenth (10th) Business Day following the funding of such Emergency Loan (but only if such date occurs prior to the Petition Date otherwise contemplated in this Section 6(d)), unless the Emergency Loan is repaid in full and in cash prior to such date;

(e) on the Petition Date or within one (1) calendar day thereof, the MACH Gen Entities shall file with the Bankruptcy Court: (i) the Plan; (ii) the Disclosure Statement; (iii) a motion seeking entry of the Interim Financing Order and the Final Financing Order; (iv) the Assumption Motion; and (v) motions seeking (A) approval of the Disclosure Statement, (B) confirmation of the Plan, and (C) the scheduling of a hearing to consider confirmation of the Plan (the "Confirmation Hearing");

(g) no later than thirty (30) calendar days after the Petition Date, the Bankruptcy Court shall have entered (1) the Final Financing Order in the form attached hereto as Exhibit F or in a form that is otherwise reasonably acceptable to the Required Lenders and (2) the Assumption Order;

(h) no later than thirty (30) calendar days after the Petition Date, the Bankruptcy Court shall have entered a final order authorizing the MACH Gen Entities' cash management system on the terms set forth in the Security Deposit Agreement[3] (as adjusted pursuant to the Prepetition Amendment) and otherwise acceptable to the Required Lenders;

(i) no later than five (5) Business Days prior to the Confirmation Hearing, each of Talen Lender and Talen LC Provider shall have irrevocably confirmed in writing that it will, immediately prior to, or substantially concurrent with, the occurrence of the Consummation Date (including the satisfaction or waiver in accordance with the Plan of all other conditions thereto), as applicable (i) satisfy the Talen Funding Obligation in its entirety, and (ii) cause to be issued to the Consenting Lenders each of the backstop letters of credit set forth on that certain Schedule I to the New LC Support Agreement (the "Backstop LC Schedule"), in each case issued in the form attached as Exhibit A to the New LC Support Agreement and by a bank listed on Schedule I to the New LC Support Agreement or otherwise acceptable to the Consenting Lenders in their sole discretion, and otherwise in accordance with the terms of the New LC Support Agreement and in the amounts set forth on the Backstop LC Schedule (such letters of credit, the "Backstop LCs");

(j) no later than sixty (60) calendar days after the Petition Date, the Bankruptcy Court shall have entered an order approving the Disclosure Statement and confirming the Plan in the form attached hereto as Exhibit Q or in a form that is otherwise reasonably acceptable to the Consenting Lenders (the "Confirmation Order"); and

(k) by the later to occur of (i) the date falling fourteen (14) calendar days from the date the Bankruptcy Court enters the Confirmation Order, (ii) the fifteenth (15) calendar day immediately following the date on which the MACH Gen Entities receive all necessary regulatory and other approvals to consummate the Restructuring (including, among other things, the FERC Order and requisite approvals from the Federal Communications Commission (the "FCC") with respect to change in control over wireless radio licenses) or (iii) the twentieth (20) calendar day immediately following the General Claims Bar Date (as determined by the Bankruptcy Court), the MACH Gen Entities shall have consummated the transactions contemplated by the Plan in accordance with all terms and conditions thereunder (the date of such consummation, the "Consummation Date"), it being understood that the MACH Gen Entities' entry (as reorganized entities under the Plan) into the New First Lien Credit Agreement and the satisfaction of the conditions precedent to the Effective Date (as defined in the New First Lien Credit Agreement) shall be conditions precedent to the occurrence of the Consummation Date.

[3] The "Security Deposit Agreement" is that certain Security Deposit Agreement (as previously amended, amended and restated, supplemented or otherwise modified from time to time), dated as of April 28, 2014, by and among New MACH Gen, LLC, as borrower, the Guarantors from time to time party thereto, CLMG Corp., as first lien collateral agent, and Citibank, N.A., as depositary.

Notwithstanding anything to the contrary in this Agreement (including Section 32 hereof), a specific Milestone may not be extended or waived except with the express written consent of the Required Lenders (in their sole discretion).

Section 7. Commitment of Restructuring Support Parties.

Subject to compliance in all material respects by the other Parties with the terms of this Agreement, each Restructuring Support Party (or, in the case of sub-clauses (h) or (i) below, solely each Consenting Lender) shall (severally and not jointly), from the RSA Effective Date until the occurrence of a Termination Date (as defined in Section 13) applicable to such Restructuring Support Party and without limiting any of the terms of Section 13 or the rights of such Restructuring Support Party under Section 9, Section 10, Section 11 and Section 12:

(a) support and cooperate with the MACH Gen Entities to take all commercially reasonable actions necessary to consummate the Restructuring in accordance with the Plan and the terms and conditions of this Agreement (but without limiting consent and approval rights provided in this Agreement), including: (i) voting all of its claims against, or interests in, as applicable, the MACH Gen Entities now or hereafter owned by such Restructuring Support Party (or for which such Restructuring Support Party now or hereafter serves as the nominee, investment manager, or advisor for holders thereof) to accept the Plan in accordance with the applicable procedures set forth in the Disclosure Statement and the Solicitation Materials; (ii) timely returning a duly-executed ballot in connection therewith; (iii) consenting to and not "opting out" of any releases under the Plan; (iv) negotiating and completing in good faith all Definitive Documentation that is subject to negotiation or completion, or both, as of the RSA Effective Date; and (v) solely with respect to the Consenting Equity Holders, timely providing all requisite consents and approvals, as they become available and are requested by the Company, under that certain Third Amended and Restated Limited Liability Company Agreement of MACH Gen, LLC, dated as of November 2, 2015 and as amended from time to time (the "LLC Agreement") and that certain Limited Liability Company Agreement of New MACH Gen, LLC dated as of April 28, 2014 and as amended from time to time;

(b) not withdraw, amend, or revoke (or cause to be withdrawn, amended, or revoked) its tender, consent, or vote with respect to the Plan;

(c) not object to, delay, impede, or take any other action to interfere, directly or indirectly, with the Restructuring, or propose, file, support, or vote for, directly or indirectly, any restructuring, workout, asset sale, or chapter 11 plan for any of the MACH Gen Entities, other than the Restructuring and the Plan or the exercise of the First Lien Step-In Right (any such other restructuring, workout, material asset sale, or chapter 11 plan, an "Alternative Restructuring");

(d) not take any action (or encourage or instruct any other party to take any action) in respect of any potential, actual, or alleged occurrence of any "Default" or "Event of Default" under (and as defined in) the Prepetition First Lien Documents (defined below) that exists as of the date hereof and is described on Schedule 1 or that would be triggered as a result of the commencement or pendency of the Chapter 11 Cases or the undertaking of any MACH Gen Entity hereunder to implement the Restructuring through the Chapter 11 Cases;

(e) support and not object to, delay, impede, or take any other action to interfere, directly or indirectly, with the entry by the Bankruptcy Court of the Interim Financing Order or the Final Financing Order, or propose, file or support, directly or indirectly, any use of cash collateral or debtor-in-possession financing other than as proposed in the Interim Financing Order and the Final Financing Order;

(f) not take any other action, including, without limitation, initiating or joining in any legal proceeding that is materially inconsistent with its obligations under this Agreement;

(g) use its commercially reasonable efforts to support any reasonable and necessary amendment, waiver, supplement or other modification of this Agreement and the Definitive Documentation as may be requested by the Bankruptcy Court that does not change any material or economic term of the Definitive Documentation;

(h) no later than five (5) calendar days after the Voting Deadline (such date, the "Siemens Rejection Notice Deadline"), the Consenting Lenders shall provide MACH Gen with a written notice (a "Siemens Rejection Notice") of the Consenting Lenders' intention to condition the occurrence of the Effective Date and Consummation on the rejection of that certain (i) Amended and Restated Term Warranty Contract, by and between Siemens Power Generation, Inc. and New Harq, effective as of September 28, 2017, in respect of the Harquahala project; and/or (ii) SPPA-T3000 Life Cycle Maintenance Program Proposal, dated August 21, 2013, for Harquahala by Siemens Energy, Inc., and related Purchase Orders, dated August 29, 2013, in respect of the Harquahala project (the contracts described in the foregoing clauses (i) and (ii), together, the "Siemens Contracts"); provided that, in the event the Consenting Lenders do not provide MACH Gen with a Siemens Rejection Notice by the Siemens Rejection Notice Deadline, the Siemens Contracts shall then be assumed pursuant to the Plan and the Consenting Lenders shall have no further right to reject the Siemens Contracts or to condition the occurrence of the Effective Date and Consummation on the rejection of the Siemens Contracts (other than in the event of a Talen/Company Walkaway);

(i) if requested by the Company extend the Emergency Loan to the Company pursuant to the terms and conditions set forth in this Agreement and the Emergency Loan Amendment; and

(j) upon the occurrence of a Talen/Company Walkaway cooperate in good faith with the Consenting Lenders as reasonably necessary to allow them to exercise the First Lien Step-In Right and seek confirmation of the Plan, including by providing the Consenting Lenders with prompt access to any documents, information, employees and physical access to any facility or property in connection therewith.

Notwithstanding the foregoing, nothing in this Agreement and neither a vote to accept the Plan by any Restructuring Support Party nor the acceptance of the Plan by any Restructuring Support Party shall (x) be construed to prohibit any Restructuring Support Party from contesting whether any matter, fact, or thing is a breach of, or is inconsistent with, this Agreement, (y) be construed to prohibit any Restructuring Support Party from appearing as a party-in-interest in any matter to be adjudicated in the Chapter 11 Cases, so long as such appearance and the positions advocated in connection therewith are not inconsistent with this Agreement and are not for the purpose of hindering, delaying, or preventing the consummation of the Restructuring, or (z) impair or waive the rights of any Restructuring Support Party to assert or raise any objection permitted under this Agreement in connection with any hearing on confirmation of the Plan or in the Bankruptcy Court.

Documentation that is subject to negotiation as of the RSA Effective Date and take any and all necessary and appropriate actions in furtherance of the Plan and this Agreement, (E) complete the Restructuring and all transactions set forth in the Plan in accordance with each Milestone set forth in Section 6 of this Agreement, and (F) make commercially reasonable efforts to obtain any and all required regulatory and/or third-party approvals for the Restructuring, and (ii) shall not undertake any action materially inconsistent with the adoption and implementation of the Plan and the speedy confirmation thereof.

(b) Notwithstanding anything to the contrary herein, nothing in this Agreement shall require the directors, officers, managers, or members of any MACH Gen Entity (in such person's capacity as a director, officer, or manager of such MACH Gen Entity) to take any action, or to refrain from taking any action, that, after receiving written advice from counsel (which advice is not required to be in the form of a formal legal opinion and may be in the form of an e-mail communication) would be inconsistent with such director's, officer's, manager's or member's fiduciary obligations under applicable law, provided that a certification from the president, chief financial officer or chief restructuring officer of the Company regarding the receipt of such written advice must be provided to the Consenting Lenders.

(c) Talen LC Provider shall retain and not transfer any right to, or legal or beneficial interest in, the Tax Allocation Claims to any person or entity, and shall cause all Tax Affiliates to take no action in respect of the Tax Allocation Claims. The MACH Gen Entities and the Talen Entities agree to provide, execute or deliver any additional documentation, agreements, instruments and information, and take any actions necessary or reasonably required by the Consenting Lenders to protect the interests of the Consenting Lenders in respect thereof.

Nothing in this Section 8 shall be construed to limit or affect in any way any Restructuring Support Party's rights under this Agreement, including upon the occurrence of any Termination Event or the Outside Date (as defined below).

Section 9. Consenting Lenders' Termination Events.

Each Consenting Lender shall have the right, but not the obligation, upon notice to the other Parties, to terminate its own obligations under this Agreement upon the occurrence of any of the following events, unless waived, in writing, by such Consenting Lender on a prospective or retroactive basis (each, a "First Lien Termination Event"):

(a) the failure to meet the Milestones in Section 6 (subject to the last sentence of Section 6), unless (i) such failure is the result of any act, omission, or delay on the part of the Consenting Lender seeking termination in violation of its obligations under this Agreement or (ii) such Milestone is waived in accordance with Section 6; it being understood that in no event shall the Consenting Lenders' role as co-proponents of the Plan, in and of itself, cause them to be responsible (either jointly with the MACH Gen Entities or severally) for any obligation to meet the Milestones as set forth in this Agreement;

(b) the occurrence of a material breach of this Agreement, including the Harquahala Reorganization Annex, by any of the MACH Gen Entities that has not been cured (if susceptible to cure) within five (5) Business Days after written notice to the Company of such material breach by the Consenting Lender asserting such termination;

(c) the occurrence of a material breach by any of the MACH Gen Entities of its obligations under, or any Event of Default under (and as defined in), the (i) Prepetition First Lien Credit Agreement, other than any material breach or Event of Default triggered as a result of the commencement or pendency of the Chapter 11 Cases or the undertaking of any MACH Gen Entity of any other action in furtherance of implementing the Restructuring to the extent consistent with the terms of this Agreement

or any material breach or Event of Default existing prior to or as of the RSA Effective Date that has been disclosed by the MACH Gen Entities to the Consenting Lenders and is set forth on Schedule 1 attached hereto, (ii) the Financing Orders, (iii) the DIP Credit Agreement; in each case, which material breach or Event of Default has not been cured (if susceptible to cure) or expressly waived in accordance with the terms set forth therein;

(d) the conversion of one or more of the Chapter 11 Cases to a case under chapter 7 of the Bankruptcy Code;

(e) the appointment of a trustee, receiver, or examiner with expanded powers beyond those set forth in section 1106(a)(3) and (4) of the Bankruptcy Code in one or more of the Chapter 11 Cases;

(h) any MACH Gen Entity files, propounds, or otherwise publicly supports or announces that any MACH Gen Entity will support any plan of reorganization other than the Plan, or files any motion or application seeking authority to sell any material assets, without the prior written consent of the Required Lenders (in their sole discretion);

(i) the issuance by any governmental authority, including the Bankruptcy Court, any regulatory authority, or any other court of competent jurisdiction, of any ruling or order enjoining the substantial consummation of the Restructuring; provided, however, that the Company shall have twenty (20) Business Days after issuance of such ruling or order to obtain relief that would allow consummation of the Restructuring in a manner that (i) does not prevent or diminish in a material way compliance with the terms of the Plan and this Agreement, or (ii) is acceptable to the Required Lenders (in their sole discretion);

(j) the failure to satisfy any requirement under Section 3 that any Definitive Documentation that is subject to negotiation and completion contain terms, conditions, representations, warranties, and covenants consistent with the terms of this Agreement, including the Harquahala Reorganization Annex, and is in form and substance acceptable to the Required Lenders;

(k) the Bankruptcy Court enters any order authorizing the use of cash collateral or post-petition financing that is not in the form of the Interim Financing Order or Final Financing Order or otherwise acceptable to the Required Lenders (in their sole discretion);

(l) a breach by any other Restructuring Support Party of any representation, warranty, or covenant of such other Restructuring Support Party set forth in this Agreement, including the Harquahala Reorganization Annex, that could reasonably be expected to have a material adverse impact on the Restructuring or the consummation of the Restructuring that (to the extent curable) remains uncured for a period of five (5) Business Days after the receipt by such other Restructuring Support Party of written notice of such breach;

(m) a breach by any MACH Gen Entity of any representation, warranty, or covenant of such MACH Gen Entity set forth in this Agreement, including the Harquahala Reorganization Annex, that could reasonably be expected to have a material adverse impact on the Restructuring or the consummation of the Restructuring and, solely with respect to any breach of a covenant, that (to the extent curable) remains uncured for a period of five (5) Business Days after the receipt by the Company of written notice of such breach;

(n) either (i) any MACH Gen Entity or any Consenting Equity Holder files a motion, application, or adversary proceeding (or any MACH Gen Entity or Consenting Equity Holder supports any such motion, application, or adversary proceeding filed or commenced by any third party) (A) challenging the validity, enforceability, perfection or priority of, or seeking avoidance or subordination of, the Prepetition First Lien Obligations or the liens securing such obligations or (B) asserting any other cause of action against and/or with respect or relating to such obligations or the prepetition liens securing such obligations (except to enforce the terms of this Agreement); or (ii) the Bankruptcy Court (or any court with jurisdiction over the Chapter 11 Cases) enters an order impairing the validity, enforceability, perfection, priority, extent or amount of, or avoiding or subordinating, the Prepetition First Lien Obligations or the liens securing such obligations, or otherwise impairing any rights or remedies that the Consenting Lenders may have in respect of such Prepetition First Lien Obligations or the liens securing such Prepetition First Lien Obligations;

(o) any Party terminates its obligations under and in accordance with this Agreement, if as a result of such termination any MACH Gen Entity is no longer a Party to this Agreement;

(p) in any instance, the Restructuring Support Parties remaining as Parties to this Agreement do not meet the voting thresholds in Section 1;

(q) if the Bankruptcy Court enters an order in the Chapter 11 Cases terminating any of the MACH Gen Entities' exclusive right to file a plan or plans of reorganization pursuant to section 1121 of the Bankruptcy Code other than in connection with the First Lien Step-In Right;

(r) any MACH Gen Entity, or Consenting Equity Holder files, publicly announces its intention to support, or otherwise provides any support to any Alternative Restructuring;

(s) denial by or other failure to obtain approval from a regulatory authority, including FERC and the FCC, that is necessary to consummate the Restructuring;

(t) any occurrence, condition, change, development, effect or event occurring after the date of this Restructuring Support Agreement, in each case that is promulgated by the Arizona Corporations Commission or any other government or regulatory body regarding the regulatory conditions in the State of Arizona or resulting in any change in any laws of any governmental authority in the State of Arizona, that, in each case, would reasonably be expected to materially adversely affect or impair the business, properties, financial condition, operations or sale to third parties of the Harquahala Assets, New Harquahala or Reorganized New Harquahala; it being understood that a general tightening or movement of markets or the unavailability of a purchaser for the Harquahala Assets on any particular terms or conditions would not constitute such an event; or

(u) the failure to comply with (i) Section 4.14 of the Harquahala Reorganization Annex, within the time periods set forth therein or (ii) the requirement that the deliveries set forth in such Section 4.14 be in form and substance reasonably acceptable to Beal Bank USA.

Section 10. Consenting Equity Holder's Termination Events.

Each Consenting Equity Holder shall have the right, but not the obligation, upon notice to the other Parties, to terminate its own obligations under this Agreement upon the occurrence of any of the following events, unless waived in writing, by such Consenting Equity Holder on a prospective or retroactive basis (each, an "Equity Termination Event"):

(a) the occurrence of a First Lien Termination Event of the type described in Sub-clause (c) of Section 9, provided that the Consenting Lenders have exercised their right to accelerate the obligations of the MACH Gen Entities arising under the Prepetition First Lien Credit Agreement, the Financing Orders or the DIP Credit Agreement, as applicable;

(b) the conversion of one or more of the Chapter 11 Cases to a case under chapter 7 of the Bankruptcy Code;

(c) the appointment of a trustee, receiver, or examiner with expanded powers beyond those set forth in section 1106(a)(3) and (4) of the Bankruptcy Code in one or more of the Chapter 11 Cases;

(d) a breach by any Consenting Lender of any representation, warranty, or covenant of such Consenting Lender set forth in this Agreement that could reasonably be expected to have a material adverse impact on the Restructuring or the consummation of the Restructuring and, solely with respect to any breach of a covenant, that (to the extent curable) remains uncured for a period of five (5) Business Days after the receipt by such Consenting Lender of written notice of such breach;

(e) in any instance, the Restructuring Support Parties remaining as Parties to this Agreement do not meet the voting thresholds in Section 1;

(f) if the Bankruptcy Court enters an order in the Chapter 11 Cases terminating any of the MACH Gen Entities' exclusive right to file a plan or plans of reorganization pursuant to section 1121 of the Bankruptcy Code other than in connection with the First Lien Step-In Right;

(g) denial by or other failure to obtain approval from a regulatory authority, including FERC and the FCC, that is necessary to consummate the Restructuring, provided that the MACH Gen Entities have diligently used all commercially reasonable efforts to obtain such approval;

(h) the occurrence of the Voting Deadline without sufficient votes accepting the Plan (taking into account any votes that are withdrawn or changed on or prior to the Voting Deadline) to satisfy section 1129(a)(10) of the Bankruptcy Code with respect to each class that is entitled to vote under the Plan; or

(i) the failure to satisfy any requirement under Section 3 that any Definitive Documentation that is subject to negotiation and completion, contains terms, conditions, representations, warranties, and covenants consistent with the terms of this Agreement and is in form and substance acceptable to the Required Equity Holders.

Section 11. Company's Termination Events.

The Company (on behalf of itself and the other MACH Gen Entities) may terminate the MACH Gen Entities' obligations under this Agreement upon the occurrence of any of the following events (each a "Company Termination Event," and collectively and together with the First Lien Termination Events and Equity Termination Events, the "Termination Events"), subject to the rights of the Company to fully

or conditionally waive, on a prospective or retroactive basis, the occurrence of a Company Termination Event:

(a) a breach by the Consenting Lenders of any representation, warranty, or covenant of such Consenting Lenders set forth in this Agreement that could reasonably be expected to have a material adverse impact on the Restructuring or the consummation of the Restructuring and, solely with respect to any breach of a covenant, that (to the extent curable) remains uncured for a period of five (5) Business Days after the receipt by the Consenting Lenders of notice and description of such breach;

(b) the occurrence of a breach of this Agreement by the Consenting Lenders that has the effect of materially impairing any of the MACH Gen Entities' ability to effectuate the Restructuring and has not been cured (if susceptible to cure) within five (5) Business Days after written notice to all Parties of such breach;

(c) upon notice to the Restructuring Support Parties, in the form of a certification from the president, chief financial officer or chief restructuring officer of the Company, if the board of directors, board of managers, or members, as applicable, of a MACH Gen Entity determines, after receiving written advice from counsel (which advice is not required to be in the form of a formal legal opinion and may be in the form of an e-mail communication), that proceeding with the Restructuring (including, without limitation, the Plan or solicitation of the Plan) would be inconsistent with the exercise of its fiduciary duties;

(d) the issuance by any governmental authority, including the Bankruptcy Court, any regulatory authority, or any other court of competent jurisdiction, of any ruling or order enjoining the substantial consummation of the Restructuring; provided, however, that the MACH Gen Entities have made commercially reasonable, good faith efforts to cure, vacate, or have overruled such ruling or order prior to terminating this Agreement;

(e) in any instance, the Restructuring Support Parties remaining as Parties to this Agreement do not meet the voting thresholds in Section 1;

(f) the occurrence of the Voting Deadline without sufficient votes accepting the Plan (taking into account any votes that are withdrawn or changed on or prior to the Voting Deadline) to satisfy section 1129(a)(10) of the Bankruptcy Code with respect to each class that is entitled to vote under the Plan;

(g) a determination by the Consenting Lenders to reject either or both of the Siemens Contracts in accordance with Section 7(h); or

(h) denial by or other failure to obtain approval from a regulatory authority, including FERC and the FCC, that is necessary to consummate the Restructuring, provided that the MACH Gen Entities have diligently used all commercially reasonable efforts to obtain such approval.

Section 12. Mutual Termination; Automatic Termination.

This Agreement and the obligations of all Parties hereunder may be terminated by mutual agreement by and among all of the following Parties: (a) the Company on behalf of itself and each other MACH Gen Entity; (b) Required Equity Holders; and (c) the Required Lenders. Notwithstanding anything in this Agreement to the contrary, this Agreement shall terminate automatically upon the earlier to occur of: (i) the occurrence of the Consummation Date; and (ii) 180 calendar days after the Petition Date (the "Outside Date").

Section 13. Effect of Termination.

The earliest date on which termination of this Agreement as to a Party is effective in accordance with Section 9, Section 10, Section 11 or Section 12 of this Agreement shall be referred to, with respect to such Party, as a "Termination Date." Upon the occurrence of a Termination Date, the terminating Party's obligations and, in the case of a Termination Date in accordance with Section 12 of this Agreement, all Parties' obligations under this Agreement shall be terminated effective immediately, and such Party or Parties hereto shall be released from its commitments, undertakings, and agreements; provided, however, that each of the following shall survive any such termination: (a) any claim for breach of this Agreement that occurs prior to such Termination Date, and all rights and remedies with respect to such claims shall not be prejudiced in any way; (b) the MACH Gen Entities' obligations in Section 19 of this Agreement accrued up to and including such Termination Date; and (c) Section 4, Section 13, Section 20, Section 22, Section 23, Section 24, Section 26, Section 27, Section 29, Section 31, Section 34, Section 35, Section 36, and Section 37. Upon any Party's termination of this Agreement in accordance with its terms prior to the date on which the Confirmation Order is entered by the Bankruptcy Court, such Party shall have the immediate right, without further order of the Bankruptcy Court, and without the consent of the Company, to withdraw or change any vote previously tendered by such Party, irrespective of whether any voting deadline or similar deadline or bar date has passed, provided that such Party is not then in material breach of its obligations under this Agreement; provided further that, for the avoidance of doubt, the foregoing shall not be construed to prohibit any MACH Gen Entity or Restructuring Support Party from contesting whether such terminating Party's termination of this Agreement is in accordance with the terms of this Agreement. Any Party withdrawing or changing its vote(s) pursuant to this Section 13 shall promptly provide written notice of such withdrawal or change to each other Party and, if such withdrawal or change occurs on or after the Petition Date, file notice of such withdrawal or change with the Bankruptcy Court.

Section 14. Cooperation and Support.

The Company shall provide draft copies of all "first day" motions, applications, and other documents that any MACH Gen Entity intends to file with the Bankruptcy Court to counsel for each Restructuring Support Party at least four (4) calendar days (or as soon thereafter as is reasonably practicable under the circumstances) prior to the date when such MACH Gen Entity intends to file such document, and shall consult in good faith with such counsel regarding the form and substance of any such proposed filing with the Bankruptcy Court. The Company will use reasonable efforts to provide draft copies of all other material pleadings any MACH Gen Entity intends to file with the Bankruptcy Court to counsel to each Restructuring Support Party at least three (3) calendar days prior to filing such pleading to the extent practicable and shall consult in good faith with such counsel regarding the form and substance of any such proposed pleading. For the avoidance of doubt, the Parties agree to negotiate in good faith the Definitive Documentation that is subject to negotiation and completion, consistent with the last sentence of Section 3 hereof.

Section 15. Subordination of Talen Entities' and MACH Gen Entities' Claims.

All Intercompany Claims against the MACH Gen Entities shall be subordinated and otherwise subject to the liens securing (a) the Talen Second Lien Facility, if applicable, (b) the Prepetition First Lien Obligations, (c) the Emergency Loan; (d) the obligations under the DIP Credit Agreement and the Financing Orders; and (e) the New First Lien Facilities.

Subject to the last paragraph of Section 4 of this Agreement, any Tax Allocation Claim against any MACH Gen Entity (other than New Harquahala) or any Reorganized MACH Gen Entity under the Tax Allocation Agreement shall be junior and subordinated, and subject to, and shall be silent in respect of, the liens securing (a) the Talen Second Lien Facility, if applicable, (b) the Prepetition First Lien Obligations, (c) the Emergency Loan; (d) the obligations under the DIP Credit Agreement and the

Financing Orders; (e) the New First Lien Facilities; and (f) the New Second Lien Facility, and neither Talen Energy Corporation nor any other Talen Tax Affiliate shall have any right to payment or enforcement of any such claims unless and until all obligations under the facilities set forth in the foregoing clauses (b) through (e) have been indefeasibly paid in full in cash. Any Tax Allocation Claim against New Harquahala under or in respect of the Tax Allocation Agreement will be deemed waived and get no distribution under the Plan. The MACH Gen Entities and the Talen Entities agree that they will reflect such subordination of the Tax Allocation Claims on their books and records and, if any Tax Allocation Claim is at any time evidenced by an instrument, that such subordination will be reflected on the face of such instrument.

Section 16. Transfers of Claims and Interests.

(a) Each Restructuring Support Party shall not (i) sell, transfer, assign, pledge, grant a participation interest in, or otherwise dispose of, directly or indirectly, its right, title, or interest in respect of any of such Restructuring Support Party's claims against, or interests in, any MACH Gen Entity, as applicable, in whole or in part, or (ii) grant any proxies, deposit any of such Restructuring Support Party's claims against or interests in any MACH Gen Entity, as applicable, into a voting trust, or enter into a voting agreement with respect to any such claims or interests (the actions described in clauses (i) and (ii) are collectively referred to herein as a "Transfer" and the Restructuring Support Party making such Transfer is referred to herein as the "Transferor"), unless such Transfer is to another Restructuring Support Party or any other entity that (x) first agrees in writing to be bound by the terms of this Agreement by executing and delivering to the Company a Transferee Joinder substantially in the form attached hereto as Exhibit R (the "Transferee Joinder"), and (y) is reasonably capable, after due inquiry and investigation by the Transferor, of fulfilling its obligations under this Agreement, and in the case of any Transfer notice of such Transfer is delivered to the Company by no later than one (1) business day before such Transfer is consummated and settled. With respect to claims against or interests in a MACH Gen Entity held by the relevant transferee upon consummation of a Transfer, such transferee is deemed to make all of the representations and warranties of a Restructuring Support Party, as applicable, set forth in this Agreement. Upon compliance with the foregoing, the Transferor shall be deemed to relinquish its rights (and be released from its obligations) under this Agreement to the extent of such transferred rights and obligations. Any Transfer made in violation of this Sub-clause (a) of this Section 16 shall be deemed null and void ab initio and of no force or effect, regardless of any prior notice provided to the Company and/or any Restructuring Support Party, and shall not create any obligation or liability of any MACH Gen Entity or any other Restructuring Support Party to the purported transferee. Notwithstanding the foregoing, (i) the Company's prior written consent shall not be required pursuant to this Agreement for any Transfer set forth on Schedule 2; (ii) for the avoidance of doubt, any total return swap transaction in respect of a Restructuring Support Party's claims in existence as of the date hereof (an "Existing TRS") shall not constitute a Transfer (so long as such Restructuring Support Party has the right and power to comply with this Agreement in all respects, including the right and power to direct the voting of such claim in accordance with Section 7 hereof); and (iii) any amendment, amendment and restatement, or modification of an Existing TRS in connection with or following the Restructuring that does not change the "beneficial ownership" (within the meaning of Rule 13d-3 under the Securities Act of 1933 (the "Securities Act")) of such Restructuring Support Party's claims (if any) shall not constitute a Transfer (so long as such Restructuring Support Party has the right and power to comply with this Agreement in all respects, including the right and power to direct the voting of such claim in accordance with Section 7 hereof).

(b) Notwithstanding Sub-clause (a) of this Section 16, each Consenting Equity Holder shall not, and, as applicable, shall not permit its affiliates to, sell, transfer, assign, pledge, grant a participation interest in, or otherwise dispose of, directly or indirectly, its right, title, or interest in respect of any of its Equity Interests, in whole or in part, without the prior written consent of the Required

Lenders (in their sole discretion); provided, that any direct or indirect sale, transfer, assignment pledge, grant or other disposition of the Equity Interests by any Consenting Equity Holder or any of its affiliates that shall not result in a Change of Control (as such term is defined in the DIP Credit Agreement or the Existing First Lien Credit Agreement) or that is required by law or regulatory authority shall be permitted hereunder. Any such transfer made in violation of this Section 16 shall be deemed null and void ab initio and of no force or effect.

(c) Notwithstanding Sub-clauses (a) and (b) of this Section 16, (i) an entity that is acting in its capacity as a Qualified Marketmaker shall not be required to be or become a Restructuring Support Party in order to effect any transfer (by purchase, sale, assignment, participation, or otherwise) of any claim against, or interest in, any MACH Gen Entity, as applicable, by a Restructuring Support Party to a transferee; provided that such transfer by a Restructuring Support Party to a transferee shall be in all other respects in accordance with and subject to Sub-clauses(a) and (b) of this Section 16; provided, further that the foregoing exception will only be available in transactions where the Qualified Marketmaker is not the ultimate "beneficial owner" (within the meaning of Rule 13d-3 under the Securities Act) of such claims against, or interests in, any MACH Gen Entity; and (ii) to the extent that a Restructuring Support Party, acting in its capacity as a Qualified Marketmaker, acquires any claim against, or interest in, any MACH Gen Entity from a holder of such claim or interest who is not a Restructuring Support Party, it may transfer (by purchase, sale, assignment, participation or otherwise) such claim or interest without the requirement that the transferee be or become a Restructuring Support Party in accordance with this Section 16. For purposes of this Sub-clause (c), a "Qualified Marketmaker" means an entity that (x) holds itself out to the market as standing ready in the ordinary course of its business to purchase from customers and sell to customers claims against, or interests in, the MACH Gen Entities (including debt securities or other debt) or enter with customers into long and short positions in claims against, or interests in, the MACH Gen Entities (including debt securities or other debt), in its capacity as a dealer or market maker in such claims against, or interests in, the MACH Gen Entities, and (y) is in fact regularly in the business of making a market in claims against issuers or borrowers (including debt securities or other debt).

Section 17. Further Acquisition of Claims or Interests.

Except as set forth in Section 16, nothing in this Agreement shall be construed as precluding any Restructuring Support Party or any of its affiliates from acquiring additional First Lien Claims or Equity Interests, or interests in the instruments underlying the First Lien Claims or Equity Interests, as applicable; provided, however, that any such additional First Lien Claims, Equity Interests, or interests shall automatically be subject to the terms and conditions of this Agreement. Upon any such further acquisition by a Restructuring Support Party or any of its affiliates, such Restructuring Support Party shall promptly notify the Company, who shall update Exhibit S to reflect such further acquisition.

Section 18. Business Continuance.

Except as contemplated by this Agreement or with the express prior written consent of the Required Lenders (in their sole discretion), and subject to applicable bankruptcy or non-bankruptcy law, the Company covenants and agrees that, between the date hereof and the Consummation Date, the MACH Gen Entities shall continue to operate their businesses in accordance with their past practices and on the terms and conditions set forth in the 13-week cash flow attached hereto as Exhibit T (the "Budget"). The Company shall only be permitted to amend, modify, or revise the Budget with the express prior written consent of the Required Lenders (in their sole discretion).

Section 19. Fees and Expenses.

The Company shall pay or reimburse when due all reasonable and documented fees and expenses of the following (regardless of whether such fees and expenses were incurred before or after the Petition Date): (a) one (1) primary counsel and one (1) local counsel for all Consenting Equity Holders and (b) one (1) primary counsel, one (1) bankruptcy counsel, any local counsel that may be required, and one (1) financial advisor for the Consenting Lenders (collectively, the "Consenting Lender Professionals"). The Company agrees (x) that notwithstanding any applicable restriction in the Security Deposit Agreement (which, by their execution of this Agreement and upon the occurrence of the RSA Effective Date, is hereby waived by the Consenting Lenders solely for the purpose set forth in this clause (x)), to pay within three (3) Business Days of the RSA Effective Date all outstanding fees and expenses included in any invoices previously submitted to the MACH Gen Entities by White & Case LLP and any other Consenting Lender Professionals, and (y) thereafter to pay all reasonable and documented expenses of the Consenting Lender Professionals promptly upon submission of an invoice therefor and, if such invoice is submitted during the Chapter 11 Cases, in accordance with the Financing Orders. For the avoidance of doubt, nothing in this Section 19 shall be construed as limiting any of the Company's obligations under section 9.04 of the Existing First Lien Credit Agreement.

Section 20. Consents and Acknowledgments.

(a) Each Party irrevocably acknowledges and agrees that this Agreement is not and shall not be deemed to be a solicitation for consents to the Plan. The acceptance of the Plan by each of the Restructuring Support Parties will not be solicited until such Parties have received the Disclosure Statement and related ballots in accordance with applicable law (as provided under sections 1125(g) and 1126(b) of the Bankruptcy Code), and will be subject to sections 1125, 1126 and 1127 of the Bankruptcy Code.

(b) By executing this Agreement (including, for the avoidance of doubt, any entity that may execute this Agreement or a Transferee Joinder after the RSA Effective Date), each Consenting Equity Holder hereby irrevocably approves (i) the MACH Gen Entities' and Consenting Lenders' entry into the Talen Second Lien Facility, the Emergency Loan Amendment, and the Prepetition Amendment, the MACH Gen Entities' use of cash collateral and debtor in possession financing authorized by the Financing Orders and the DIP Credit Agreement, the MACH Gen Entities' and Consenting Lenders' entry into the DIP Credit Agreement, the New First Lien Credit Agreement, the New Second Lien Credit Agreement, the New LC Support Agreement, the New Intercreditor Agreement, the New First Lien Security Documents, and the New Second Lien Security Documents; (ii) in each case, the entry into the other documents related to the Financing Orders, the DIP Credit Agreement, the Emergency Loan Amendment, the Prepetition Amendment, the DIP Credit Agreement, the New First Lien Credit Agreement, the New Second Lien Facility, the New LC Support Agreement, the New Intercreditor Agreement, the New First Lien Security Documents, and the New Second Lien Security Documents; and (iii) the transactions contemplated by this Agreement, the Financing Orders, the DIP Credit Agreement, the Emergency Loan Amendment, the Prepetition Amendment, the DIP Credit Agreement, the New First Lien Credit Agreement, the New Second Lien Credit Agreement, the New LC Support Agreement, the New Intercreditor Agreement, the New First Lien Security Documents, and the New Second Lien Security Documents, in each case subject to the terms and conditions set forth herein.

(c) Each Consenting Equity Holder agrees that (i) its execution of this Agreement shall constitute its affirmative vote and written consent to the filing of the Chapter 11 Cases under Article 5.2 of the LLC Agreement, (ii) such affirmative vote and written consent shall be irrevocable and survive any Termination Date that may occur with respect to such Consenting Equity Holder, and (iii) such affirmative vote and written consent shall only expire upon the occurrence of the Outside Date,

if the Petition Date has not occurred prior to the Outside Date, or if this Agreement has not otherwise previously been terminated under Section 9, Section 10, Section 11 or Section 12.

Section 21. Representations and Warranties.

(a) Each Restructuring Support Party hereby represents and warrants on a several and not joint basis for itself and not any other person or entity that the following statements are true, correct, and complete as of the date hereof:

i. it has the requisite organizational power and authority to enter into this Agreement and to carry out the transactions contemplated by, and perform its respective obligations under, this Agreement;

Section 22. Survival of Agreement

Each of the Parties acknowledges and agrees that this Agreement is being executed in connection with negotiations concerning a possible financial restructuring of the MACH Gen Entities and in contemplation of possible chapter 11 filings by the MACH Gen Entities and the rights granted in this Agreement are enforceable by each signatory hereto without approval of any court, including the Bankruptcy Court.

Section 23. Waiver.

If the transactions contemplated herein are or are not consummated, or following the occurrence of a Termination Date, if applicable, nothing herein shall be construed as a waiver by any Party of any or all of such Party's rights, other than as provided in Section 4, Section 20 or the Plan (to the extent that the

Plan is confirmed and consummated), and the Parties expressly reserve any and all of their respective rights. The Parties acknowledge that this Agreement and all negotiations relating hereto are subject to Federal Rule of Evidence 408 and any other applicable rules of evidence.

Section 24. Relationship Among Parties.

Notwithstanding anything herein to the contrary, the duties and obligations of the Restructuring Support Parties under this Agreement shall be several, not joint. No Party shall have any responsibility by virtue of this Agreement for any trading by any other entity. No prior history, pattern, or practice of sharing confidences among or between the Parties shall in any way affect or negate this Agreement.

Section 25. Specific Performance; Sole Remedy.

(a) It is understood and agreed by the Parties that money damages may be an insufficient remedy for any breach of this Agreement by any Party and each non-breaching Party shall be entitled to seek specific performance and injunctive or other equitable relief as a remedy of any such breach of this Agreement (excluding the Prepetition First Lien Credit Agreement, the DIP Credit Agreement and the New First Lien Credit Agreement to the extent any of the terms thereof are incorporated herein pursuant to Section 2, each of which such agreements once entered into (and approved by the Bankruptcy Court, if necessary) shall be governed exclusively by the terms set forth therein and, to the extent applicable, the Financing Orders), including, without limitation, an order of the Bankruptcy Court or other court of competent jurisdiction requiring any Party to comply promptly with any of its obligations hereunder, including, without limitation, any obligations in respect of the First Lien Step-In Right set forth in Section 4 and Section 7 hereof.

(b) In the event of a Talen/Company Walkaway, the only remedy available to the Consenting Lenders with respect to the Talen Lender or the Talen LC Provider shall be either (1) the exercise of the First Lien Step-In Right in accordance with the terms of this Agreement and the Plan or (2) the termination of this Agreement pursuant to Section 9 hereof. For the avoidance of doubt, in the event of a Talen/Company Walkaway, neither the Talen Lender nor the Talen LC Provider shall be under any obligation to enter into or perform under the New Second Lien Facility or the New LC Support Agreement.

Section 26. Governing Law & Jurisdiction.

This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York. By its execution and delivery of this Agreement, each Party irrevocably and unconditionally agrees for itself that any legal action, suit, or proceeding against it with respect to any matter arising under or arising out of or in connection with this Agreement or for recognition or enforcement of any judgment rendered in any such action, suit, or proceeding, may be brought in the United States District Court for the District of Delaware, and by executing and delivering this Agreement, each of the Parties irrevocably accepts and submits itself to the exclusive jurisdiction of such court, generally and unconditionally, with respect to any such action, suit or proceeding. Notwithstanding the foregoing consent to Delaware jurisdiction, if the Chapter 11 Cases are commenced, each Party agrees that the Bankruptcy Court shall have exclusive jurisdiction of all matters arising out of or in connection with this Agreement. By executing and delivering this Agreement, and upon commencement of the Chapter 11 Cases, each of the Parties irrevocably and unconditionally submits to the personal jurisdiction of the Bankruptcy Court solely for purposes of any action, suit, proceeding, or other contested matter arising out of or relating to this Agreement, or for recognition or enforcement of any judgment rendered or order entered in any such action, suit, proceeding or other contested matter.

Section 27. Waiver of Right to Trial by Jury.

Each of the Parties waives any right to have a jury participate in resolving any dispute, whether sounding in contract, tort or otherwise, between any of the Parties arising out of, connected with, relating to or incidental to the relationship established between any of them in connection with this Agreement. Instead, any disputes resolved in court shall be resolved in a bench trial without a jury.

Section 28. Successors and Assigns.

Except as otherwise provided in this Agreement, this Agreement is intended to bind and inure to the benefit of each of the Parties and each of their respective permitted successors, assigns, heirs, executors, administrators, and representatives.

Section 29. No Third-Party Beneficiaries.

Unless expressly stated herein, this Agreement shall be solely for the benefit of the Parties and no other person or entity shall be a third-party beneficiary of this Agreement.

Section 30. Notices.

All notices (including, without limitation, any notice of termination or breach) and other communications from any Party hereunder shall be in writing and shall be deemed to have been duly given if personally delivered by courier service, messenger, email, or facsimile to the other Parties at the applicable addresses below, or such other addresses as may be furnished hereafter by notice in writing. Any notice of termination or breach shall be delivered to all other Parties.

SECTION 2.01. The Loans and the Letters of Credit.

(a) The Term B Loans. Each Term B Lender severally agrees, on the terms and conditions hereinafter set forth, to make a single advance (a "***Term B Loan***") to the Borrower on the Effective Date in an amount in Dollars not to exceed such Lender's Term B Commitment at such time. The Term B Borrowing shall consist of Term B Loans made simultaneously by the Term B Lenders ratably according to their Term B Commitments. Term B Loan amounts repaid or prepaid may not be reborrowed.

(b) The Revolving Credit Loans. Each Revolving Credit Lender severally agrees, on and subject to the terms and conditions hereinafter set forth, to make advances (each, a "***Revolving Credit Loan***") to the Borrower from time to time on any Business Day during the period from the Effective Date until the date that is thirty (30) days prior to the Revolving Credit Termination Date in an amount for each such Loan not to exceed such Lender's Unused Revolving Credit Commitment at such time. Each Revolving Credit Borrowing shall be in an aggregate amount equal to the lesser of (i) $2,500,000 or an integral multiple of $1,000,000 in excess thereof (other than a Borrowing the proceeds of which shall be used solely to repay or prepay in full outstanding Revolving Letter of Credit Loans or the initial Borrowing of Revolving Credit Loans) or (ii) the aggregate Unused Revolving Credit Commitment at such time and, in each case, shall consist of Revolving Credit Loans made simultaneously by the Revolving Credit Lenders ratably according to their Revolving Credit Commitments. Within the limits of each Revolving Credit Lender's Unused Revolving Credit Commitment in effect from time to time, the Borrower may borrow under this Section 2.01(b), prepay pursuant to Section 2.06(a) and reborrow under this Section 2.01(b).

(c) Letters of Credit.

(i) Revolving Letters of Credit. The Revolving Issuing Bank agrees, on the terms and conditions hereinafter set forth and in reliance on the agreements of the Revolving Credit Lenders set forth in Section 2.03 below, to issue (or cause its Affiliate that is a commercial bank that meets the criteria set forth in the definition of "*Eligible Assignee*" or, subject to Section 2.03(j), a Fronting Bank to issue) letters of credit (the "***Revolving Letters of Credit***") in U.S. Dollars for the account of the Borrower from time to time on any Business Day during the period from the Effective Date until thirty (30)

days before the Revolving Credit Termination Date in an aggregate Available Amount (i) for all Revolving Letters of Credit not to exceed at any time the lesser of (A) the Revolving Letter of Credit Facility at such time and (B) the Revolving Issuing Bank's Revolving Letter of Credit Commitment at such time and (ii) for each such Revolving Letter of Credit not to exceed the Unused Revolving Credit Commitments of the Revolving Credit Lenders at such time.

(ii) [Reserved].

(iii) Renewal and Termination of Revolving Letters of Credit. No Revolving Letter of Credit shall have an expiration date (including all rights of the Borrower or the beneficiary to require renewal) later than the tenth Business Day prior to the Revolving Credit Termination Date and may by its terms be renewable annually as may be stated in the Revolving Letter of Credit and upon the fulfillment of the applicable conditions set forth in Article III unless the Revolving Issuing Bank, upon notice (a "***Notice of Non-Renewal***") to the beneficiary and the Borrower (with a copy to the Administrative Agent) at least 60 calendar days (or such other period that may be specified in such Revolving Letter of Credit) prior to the then applicable expiration date that such Revolving Letter of Credit will not be renewed; *provided* that the terms of each Revolving Letter of Credit that is automatically renewable annually shall, (x) permit such beneficiary, upon receipt of such Notice of Non-Renewal, to draw under such Revolving Letter of Credit prior to the date such Revolving Letter of Credit otherwise would have expired and (y) not permit the expiration date (after any renewal) of such Revolving Letter of Credit in any event to be extended to a date later than 10 Business Days before the Revolving Credit Termination Date. If a "Notice of Non-Renewal" is given by any Revolving Issuing Bank pursuant to the immediately preceding sentence, such Revolving Letter of Credit shall expire on the expiry date. Within the limits of the Revolving Letter of Credit Facility and subject to the limits referred to above, the Borrower may request the issuance of Revolving Letters of Credit under this Section 2.01, repay any Unreimbursed Amounts resulting from drawings thereunder pursuant to Section 2.03(d)(i) or repay any Revolving Letter of Credit Loan resulting from drawings thereunder pursuant to Section 2.03(d)(ii), and request the issuance of additional Revolving Letters of Credit under this Section 2.01.

SECTION 2.02. Making the Loans. (a) Each Revolving Credit Borrowing shall be made following the issuance of a Notice of Borrowing, given not later than 11:00 A.M. (New York City time) (x) subject to the following clause (y), on the third Business Day prior to the date of the proposed Revolving Credit Borrowing, in the case of a Borrowing in a principal amount of up to $25,000,000, or (y) the tenth Business Day prior to the date of the proposed Revolving Credit Borrowing, in the case of any Borrowing that, together with all other Borrowings requested within the preceding 10 consecutive Business Days, would result in the aggregate principal amount of such Borrowings being greater than $25,000,000 (except in the case of the initial Borrowing on the Effective Date), by the Borrower to the Administrative Agent, which shall give to each Appropriate Lender prompt notice thereof by telecopier or electronic communication. Each such Notice of Borrowing shall be by telephone, confirmed immediately in writing, or by telecopier or electronic communication, in substantially the form of Exhibit B-1 hereto, specifying therein the requested (i) date of such Revolving Credit Borrowing, and (ii) aggregate amount of such Borrowing. Each Appropriate Lender shall, before

11:00 A.M. (New York City time) on the date of such Revolving Credit Borrowing, make available for the account of its Lending Office to the Administrative Agent at the Administrative Agent's Account, in same day funds, such Lender's ratable portion of such Revolving Credit Borrowing in accordance with the respective Commitments under the Revolving Credit Facility of such Lender and the other Appropriate Lenders. After the Administrative Agent's receipt of such funds and upon fulfillment of the applicable conditions set forth in Article III, the Administrative Agent will make such funds available to the Borrower, by book entries or by means or one or more wire transfers to the Operating Account (as applicable), for application by the Borrower in accordance with Section 2.14(b).

(c) The Term B Borrowing consisting of Term B Loans advanced by the Term B Lenders on the Effective Date shall be made following the issuance of a Notice of Borrowing, given not later than 11:00 A.M. (New York City time) on the third Business Day prior to the date of the proposed Term B Borrowing, by the Borrower to the Administrative Agent, which shall give to the Term B Lenders prompt notice thereof by telecopier or electronic communication. Each such Notice of Borrowing shall be by telephone, confirmed immediately in writing, or by telecopier or electronic communication, in substantially the form of Exhibit B-1 hereto, specifying therein the requested (i) date of such Term B Borrowing (which shall be the Effective Date), and (ii) aggregate amount of such Term B Borrowing. Each Term B Lender shall, before 11:00 A.M. (New York City time) on the date of such Term B Borrowing, make available for the account of its Lending Office to the Administrative Agent at the Administrative Agent's Account, in same day funds, its Pro Rata Share of the amount of such Term B Borrowing in accordance with its Commitment under the Term B Facility. After the Administrative Agent's receipt of such funds and upon fulfillment of the applicable conditions set forth in Article III, the Borrower hereby directs the Administrative Agent to apply such funds to the repayment of the Existing Debt of MACH Gen and the Guarantors.

(d) Notwithstanding anything to the contrary in this Article II, in connection with Loans requested to be made on the Effective Date, if the proceeds of such Loans will be used exclusively to repay and/or refinance in full all obligations of the Existing Loan Parties outstanding on the Effective Date under the Original Credit Agreement and the DIP Credit Agreement, the request for the Borrowing of such Loans may be given by the Borrower to the Administrative Agent telephonically or by electronic communication, not later than 11:00 A.M. (New York City time) on the third Business Day prior to the proposed Effective Date, if such request is confirmed in writing by a Notice of Borrowing given not later than 11:00 A.M. (New York City time) on the proposed Effective Date.

(e) Each Notice of Borrowing shall be irrevocable and binding on the Borrower. The Borrower shall indemnify each Appropriate Lender against any loss, cost or expense incurred by such Lender as a result of any failure to fulfill on or before the date specified in such Notice of Borrowing for such Borrowing the applicable conditions set forth in Article III, including, without limitation, any loss (excluding loss of anticipated profits), cost or expense incurred by reason of the liquidation or reemployment of deposits or other funds acquired by such Lender to fund the Loan to be made by such Lender as part of such Borrowing when such Loan, as a result of such failure, is not made on such date.

(f) Unless the Administrative Agent shall have received notice from an Appropriate Lender prior to the date of any Borrowing that such Lender will not make available

to the Administrative Agent such Lender's ratable portion of such Borrowing, the Administrative Agent may assume that such Lender has made such portion available to the Administrative Agent on the date of such Borrowing in accordance with subsection (a) of this Section 2.02 and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If and to the extent that such Lender shall not have so made such ratable portion available to the Administrative Agent, such Lender and the Borrower severally agree to repay or pay to the Administrative Agent forthwith on demand such corresponding amount and to pay interest thereon, for each day from the date such amount is made available to the Borrower until the date such amount is repaid or paid to the Administrative Agent, at (i) in the case of the Borrower, the interest rate applicable at such time under Section 2.07 to Loans comprising such Borrowing and (ii) in the case of such Lender, the Eurodollar Rate. If such Lender shall pay to the Administrative Agent such corresponding amount, such amount so paid shall constitute such Lender's Loan as part of such Borrowing for all purposes.

(g) The failure of any Lender to make the Loan to be made by it as part of any Borrowing shall not relieve any other Lender of its obligation, if any, hereunder to make its Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on the date of any Borrowing.

SECTION 2.03. Issuance of and Drawings and Reimbursements Under Revolving Letters of Credit.

(a) Request for Issuance. Each Revolving Letter of Credit shall be issued upon notice, given not later than 11:00 A.M. (New York City time) (x) subject to the following clause (y), on the third Business Day prior to the date of the proposed issuance of such Revolving Letter of Credit, in the case of a Revolving Letter of Credit with an Available Amount of up to $25,000,000, or (y) the tenth Business Day prior to the date of the proposed issuance of such Revolving Letter of Credit, in the case of a Revolving Letter of Credit with an Available Amount that, together with the Available Amount of all other Revolving Letters of Credit requested within the preceding 10 consecutive Business Days, would result in the aggregate Available Amount of all such Revolving Letters of Credit being greater than $25,000,000 (except in the case of the initial Revolving Letters of Credit to be issued or deemed issued on the Effective Date), by the Borrower to the Administrative Agent, which shall give to the Revolving Issuing Bank prompt notice thereof by telecopier or electronic communication by no later than 5:00 P.M. (New York time) at least three Business Days or ten Business Days, as the case may be, prior to the date of the proposed issuance. The notice of issuance of any Revolving Letter of Credit shall be substantially in the form attached hereto as Exhibit B-2 (a "***Notice of Issuance***") and shall be in writing or by telecopier or electronic communication (and confirmed by telephone), specifying therein the requested (i) date of such issuance (which shall be a Business Day), (ii) Available Amount of such Revolving Letter of Credit, (iii) expiration date of such Revolving Letter of Credit, (iv) name and address of the beneficiary of such Revolving Letter of Credit, (v) supportable obligation and (vi) form of such Revolving Letter of Credit. If the requested form of such Revolving Letter of Credit is acceptable to the Revolving Issuing Bank in its sole discretion, the Revolving Issuing Bank will, upon fulfillment of the applicable conditions set forth in Article III, make such Revolving Letter of Credit available to the Borrower at its office referred to in Section 9.02 or as otherwise agreed with the Borrower in connection with such issuance. Notwithstanding anything herein to the contrary, no Revolving Issuing Bank shall be under any obligation to issue any Revolving Letter of Credit if (x) any order, judgment

or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such Revolving Issuing Bank from issuing such Revolving Letter of Credit, or any law applicable to such Revolving Issuing Bank or any directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such Revolving Issuing Bank shall prohibit, or direct that such Revolving Issuing Bank refrain from, the issuance of letters of credit generally or such Revolving Letter of Credit in particular or shall impose upon such Revolving Issuing Bank with respect to such Revolving Letter of Credit any restriction, reserve or capital requirement (for which such Revolving Issuing Bank is not otherwise compensated hereunder), or shall impose upon such Revolving Issuing Bank any unreimbursed loss, cost or expense (for which such Revolving Issuing Bank is not otherwise compensated hereunder) or (y) any Lender under the Revolving Letter of Credit Facility is a Defaulting Lender, unless such Revolving Issuing Bank has entered into arrangements with the Borrower or such Defaulting Lender satisfactory to such Revolving Issuing Bank to eliminate such Revolving Issuing Bank's risk with respect to such Defaulting Lender.

(b) Revolving Letter of Credit Reports. Each Revolving Issuing Bank shall promptly (i) notify the Administrative Agent in writing of the amount and expiry date of each Revolving Letter of Credit issued by it and (ii) provide a copy of such Revolving Letter of Credit (and any amendments, renewals or extension thereof) to the Administrative Agent.

(c) Participations in Revolving Letters of Credit. Upon the issuance of each Revolving Letter of Credit and, in the case of the Existing Letters of Credit, upon the Effective Date, without further action, each Revolving Credit Lender shall be deemed to have irrevocably purchased, to the extent of its Pro Rata Share, a participation interest in such Revolving Letter of Credit and such Revolving Credit Lender shall, to the extent of its contingent obligation or Pro Rata Share, be responsible for reimbursing the Revolving Issuing Bank in respect of any Unreimbursed Amount in accordance with Section 2.03(d) (with the terms of this Section surviving the termination of this Agreement).

(d) Drawing and Reimbursement; Funding of Participations.

(i) Upon receipt from the beneficiary of any Revolving Letter of Credit of any notice of drawing under such Revolving Letter of Credit, the Revolving Issuing Bank that issued such Revolving Letter of Credit shall notify promptly the Borrower and the Administrative Agent thereof. On the same Business Day on which any payment is made by any Revolving Issuing Bank under a Revolving Letter of Credit (each such date, an "***Honor Date***"), the Borrower shall reimburse such Revolving Issuing Bank through the Administrative Agent in an amount equal to the amount of such drawing. If the Borrower fails to so reimburse any Revolving Issuing Bank by such time (it being acknowledged and agreed that any such failure shall not be a Default hereunder), the Administrative Agent shall promptly notify each Appropriate Lender of the Honor Date, the amount of the unreimbursed drawing (the "***Unreimbursed Amount***"), and the amount of such Appropriate Lender's Pro Rata Share thereof. In such event, in the case of an Unreimbursed Amount under a Revolving Letter of Credit, the Borrower shall be deemed to have requested a Revolving Credit Borrowing of Loans under the Revolving Credit Facility, to be disbursed on the Business Day immediately following the Honor Date in an amount not to exceed the Unreimbursed Amount thereof subject to the amount of the Unused Revolving Credit Commitments (without regard, in

each case, to the conditions set forth in Section 3.02). Any notice given by a Revolving Issuing Bank or the Administrative Agent pursuant to this Section 2.03(d) may be given by telephone if immediately confirmed in writing; provided that the lack of such an immediate confirmation shall not affect the conclusiveness or binding effect of such notice. Unreimbursed Amounts shall bear interest at the Eurodollar Rate *plus* the Applicable Margin, from the Honor Date until such Unreimbursed Amount shall be repaid or converted into a Revolving Letter of Credit Loan, payable on demand.

(ii) Each Revolving Credit Lender shall upon any notice pursuant to Section 2.03(d)(i) make funds available for the account of its Lending Office to the Administrative Agent for the account of the Revolving Issuing Bank by deposit to the Administrative Agent's Account, in same day funds, an amount equal to such Lender's Pro Rata Share of any Unreimbursed Amount in respect of any Revolving Letter of Credit issued by such Revolving Issuing Bank not later than 11:00 A.M. (New York City time) on the Business Day specified in such notice by the Administrative Agent, whereupon, subject to the provisions of subsection (iii), each Revolving Credit Lender that so makes funds available to the Revolving Issuing Bank shall be deemed to have made a Eurodollar Rate Loan to the Borrower in such amount. The Administrative Agent shall remit the funds so received to the Revolving Issuing Bank.

(iii) Until each Revolving Credit Lender funds its Revolving Credit Loan or Revolving Letter of Credit Loan pursuant to this Section 2.03(d) to reimburse the Revolving Issuing Bank for any amount drawn under any Revolving Letter of Credit issued by the Revolving Issuing Bank, interest in respect of such Lender's Pro Rata Share of such amount shall be solely for the account of the applicable Revolving Issuing Bank.

(iv) Each Revolving Credit Lender's obligation to make Revolving Credit Loans or Revolving Letter of Credit Loans to reimburse the Revolving Issuing Bank for amounts drawn under any Revolving Letter of Credit issued by the Revolving Issuing Bank, as contemplated by this Section 2.03(d), shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Revolving Credit Lender may have against the Revolving Issuing Bank, the Borrower or any other Person for any reason whatsoever; (B) the occurrence or continuance of a Default, or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing.

(v) If any Revolving Credit Lender fails to make available to the Administrative Agent for the account of the Revolving Issuing Bank any amount required to be paid by such Revolving Credit Lender pursuant to the foregoing provisions of this Section 2.03(d) by the time specified in Section 2.03(d)(ii), the Revolving Issuing Bank shall be entitled to recover from such Revolving Credit Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the Revolving Issuing Bank at a rate per annum equal to the Eurodollar Rate plus the Applicable Margin from time to time in effect. A certificate of the Revolving Issuing Bank submitted to any Revolving Credit Lender (through the Administrative Agent) with respect to any amounts owing under this Section 2.03(d)(v) shall be conclusive absent manifest error.

(vi) If, at any time after the Revolving Issuing Bank has made a payment under any Revolving Letter of Credit and has received from any Revolving Credit Lender such Lender's Revolving Letter of Credit Loan in respect of such payment in accordance with this Section 2.03(d), the Administrative Agent receives for the account of such Revolving Issuing Bank any payment in respect of the related Unreimbursed Amount or interest thereon (whether directly from the Borrower, or otherwise, including proceeds of Collateral applied thereto by the Administrative Agent), the Administrative Agent will distribute to such Revolving Credit Lender its Pro Rata Share thereof (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Revolving Credit Lender's Revolving Letter of Credit Loan was outstanding) in the same funds as those received by the Administrative Agent.

(vii) If any payment received by the Administrative Agent for the account of any Revolving Issuing Bank pursuant to Section 2.03(d)(i) is required to be returned under any of the circumstances described in Section 9.11 (including pursuant to any settlement entered into by the Revolving Issuing Bank in its discretion), in the case of a Revolving Letter of Credit, each Revolving Credit Lender shall pay for the account of its Lending Office to the Administrative Agent for the account of such Revolving Issuing Bank its Pro Rata Share thereof on demand of the Administrative Agent, *plus* interest thereon from the date of such demand to the date such amount is returned by such Revolving Credit Lender, at a rate *per annum* equal to the Eurodollar Rate from time to time in effect.

(e) Existing Letters of Credit Refinanced. As of the date of the Original Credit Agreement, the Borrower acknowledged that certain letters of credit as set forth in Schedule 2.03(e) (the "***Existing Letters of Credit***") had been issued by or on behalf of the Initial Revolving Issuing Bank for the account of MACH Gen and the Guarantors (the "***Existing Loan Parties***"). The parties agree that all reimbursement and other obligations of the Existing Loan Parties in respect of the Existing Letters of Credit, if then outstanding, shall be refinanced by the Revolving Letter of Credit Facility under this Agreement with effect from the Effective Date and thereafter such letters of credit will be deemed for all purposes of the Loan Documents to have been provided for the account of the Borrower and the Guarantors under the Revolving Letter of Credit Facility under this Agreement.

(f) [Reserved].

(g) Obligations Absolute. The Obligations of the Borrower under this Agreement and any other agreement or instrument relating to any Revolving Letter of Credit shall be unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement and such other agreement or instrument under all circumstances, including, without limitation, the following circumstances:

(i) any lack of validity or enforceability of any Loan Document, any Revolving Letter of Credit or any other agreement or instrument relating thereto (all of the foregoing being, collectively, the "***L/C Related Documents***");

(ii) any change in the time, manner or place of payment of, or in any other term of, all or any of the Obligations of the Borrower in respect of any L/C Related

Document or any other amendment or waiver of or any consent to departure from all or any of the L/C Related Documents;

(iii) the existence of any claim, set-off, defense or other right that the Borrower may have at any time against any beneficiary or any transferee of a Revolving Letter of Credit (or any Persons for which any such beneficiary or any such transferee may be acting), any Revolving Issuing Bank or any other Person, whether in connection with the transactions contemplated by the L/C Related Documents or any unrelated transaction;

(iv) any statement or any other document presented under a Revolving Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect;

(v) payment by any Revolving Issuing Bank under a Revolving Letter of Credit against presentation of a draft, certificate or other document that does not strictly comply with the terms of such Revolving Letter of Credit;

(vi) any exchange, release or non-perfection of any Collateral or other collateral, or any release or amendment or waiver of or consent to departure from the Guaranty or any other guarantee, for all or any of the Obligations of the Borrower in respect of the L/C Related Documents; or

(vii) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including, without limitation, any other circumstance that might otherwise constitute a defense available to, or a discharge of, the Borrower or a guarantor.

(h) Replacement of a Revolving Issuing Bank.

(i) Any Revolving Issuing Bank may be replaced at any time by written agreement among the Borrower, the new Revolving Issuing Bank and the Administrative Agent (with notice to the Revolving Issuing Bank being replaced); *provided*, *however*, that, if the Revolving Issuing Bank being replaced so requests, any Revolving Letter of Credit issued by such Revolving Issuing Bank shall be replaced and cancelled prior to the removal of such Revolving Issuing Bank and all fees and other amounts owed to such removed Revolving Issuing Bank shall be paid to it by the Borrower; and *provided*, *further*, that the Initial Revolving Issuing Bank may not be replaced without the consent of the Required Lenders.

(ii) If at any time the unsecured senior debt of any Revolving Issuing Bank (other than the Initial Revolving Issuing Bank or an Affiliate of the Initial Revolving Issuing Bank) is not rated at least A3 by Moody's and A- by S&P, then the Borrower may, upon 10 days' prior written notice to such Revolving Issuing Bank and the Administrative Agent, elect to (i) replace such Revolving Issuing Bank with a Person selected by the Borrower so long as such Person is an Eligible Assignee and is reasonably satisfactory to the Administrative Agent or (ii) cause such Revolving Issuing Bank to assign its Revolving Letter of Credit Commitment to an additional Revolving Issuing Bank selected by the Borrower so long as such Person is an Eligible Assignee and is

reasonably satisfactory to the Administrative Agent. Each replacement or assignment pursuant to this Section 2.03(h) shall be done in accordance with Section 9.07.

(iii) From and after the effective date of any such replacement or addition, (A) the successor or additional Revolving Issuing Bank shall have all the rights and obligations of a Revolving Issuing Bank under this Agreement (and the Revolving Letters of Credit to be issued by it on such effective date or thereafter) and (B) references herein to the term "*Revolving Issuing Bank*" shall be deemed to refer to such successor, additional Revolving Issuing Bank or to any previous Revolving Issuing Bank, or to such successor, additional Revolving Issuing Bank and all previous Revolving Issuing Banks, as the context may require.

(i) Resignation of a Revolving Issuing Bank. Each Revolving Issuing Bank may at any time give notice of its resignation to the Administrative Agent and the Borrower, in each case by giving 30 days written notice thereof to such parties. Upon receipt of any such notice of resignation, the Borrower shall have the right, in consultation with the Administrative Agent, to appoint a successor, which shall be an Eligible Assignee and shall be reasonably satisfactory to the Administrative Agent, it being understood that each of Wells Fargo, N.A., Deutsche Bank AG, Bank of America, N.A., Natixis New York and Barclays Bank PLC and their respective Affiliates or branches operating in New York is approved by and reasonably acceptable to both Borrower and the Administrative Agent. If no such successor shall have been so appointed by the Borrower and shall have accepted such appointment within 30 days after the retiring Revolving Issuing Bank gives notice of its resignation, then the retiring Revolving Issuing Bank may on behalf of the Revolving Credit Lenders, appoint a successor Revolving Issuing Bank, as applicable, meeting the qualifications set forth above; *provided*, that, if such Revolving Issuing Bank shall notify the Borrower and the Revolving Credit Lenders, that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and the retiring Revolving Issuing Bank shall be discharged from its duties and obligations hereunder and under the other Loan Documents. Upon the acceptance of a successor's appointment as Revolving Issuing Bank hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Revolving Issuing Bank, and the retiring Revolving Issuing Bank shall be discharged from all of its duties and obligations to issue additional Revolving Letters of Credit hereunder without affecting its rights and obligations in respect to Revolving Letters of Credit previously issued by it (if not already discharged therefrom as provided above in this Section). After the resignation of the Revolving Issuing Bank hereunder, the retiring Revolving Issuing Bank shall remain a party hereto and shall continue to have all the rights and obligations of a Revolving Issuing Bank set forth in this Agreement and the other Loan Documents with respect to Revolving Letters of Credit issued by it prior to such resignation, but shall not be required to issue additional Revolving Letters of Credit.

(j) Revolving Letter of Credit Issuance Protocol. Notwithstanding any other provision of this Agreement, so long as Beal Bank USA or an Affiliate thereof is a Revolving Issuing Bank, the following protocol and agreements shall govern the issuance of all Revolving Letters of Credit by such Revolving Issuing Bank:

(i) the Borrower shall use its commercially reasonable efforts to have the beneficiary of any requested Revolving Letter of Credit accept a Revolving Letter of Credit issued by Beal Bank USA or an Affiliate thereof;

(ii) if the applicable beneficiary declines to accept a Revolving Letter of Credit issued by Beal Bank USA or an Affiliate thereof, then such Revolving Issuing Bank agrees (A) to use its commercially reasonable efforts to cause Wells Fargo Bank, N.A., Natixis New York, or another bank reasonably acceptable to the Borrower and such Revolving Issuing Bank to issue such Revolving Letter of Credit (*i.e.*, front for such Revolving Issuing Bank) and (B) to the extent, in the manner and in the amount required by such bank, cash collateralize such Revolving Letter of Credit;

(iii) in respect of any Revolving Letter of Credit issued by Wells Fargo Bank, N.A., Natixis New York or another bank pursuant to clause (ii) above (a "***Fronting Bank***"), (A) the letter of credit and fronting fees payable to the Fronting Bank for issuing such Revolving Letter of Credit shall be for the account of the Borrower, (B) the funds (if any) used to cash collateralize a Revolving Letter of Credit issued by a Fronting Bank shall be provided by such Revolving Issuing Bank, provided that any draw on any such Revolving Letter of Credit (and application or utilization of such funds by the Fronting Bank to reimburse itself for any such draw), and any loss of such funds by such Revolving Issuing Bank due to any cause whatsoever (except to the extent such loss and the amount of such loss are solely caused by breach of the Loan Documents or by acts of gross negligence or willful misconduct on the part of such Revolving Issuing Bank), shall give rise to a reimbursement obligation on the part of the Borrower to such Revolving Issuing Bank and a deemed advance by such Revolving Issuing Bank to be repaid by the Borrower to such Revolving Issuing Bank as if such amount had been drawn on the applicable Revolving Letter of Credit in accordance with Section 2.03(d), (C) unless otherwise agreed by the Borrower and such Revolving Issuing Bank, the Fronting Bank in its capacity as such shall have no rights or recourse against any Loan Party and shall not be a Secured Party or a Lender Party, (D) such Revolving Letter of Credit shall constitute a utilization of the applicable Revolving Letter of Credit Facility, and (E) the Borrower shall pay to such Revolving Issuing Bank the fees in respect of such Letter of Credit as if such Revolving Issuing Bank had issued such Revolving Letter of Credit pursuant to this Section 2.03; and

(iv) a failure or delay by (A) any Fronting Bank to issue any Revolving Letter of Credit in accordance with the protocol set forth in this Section 2.03(j) or (B) any Revolving Issuing Bank or Fronting Bank to issue any Revolving Letter of Credit in the form requested by the Loan Parties shall not constitute a breach or default by such Revolving Issuing Bank of any of its obligations under this Agreement

(k) Treatment of Revolving Letters of Credit on the Restatement Date. On or prior to the Petition Date (as defined in the Restructuring Support Agreement), the Revolving

Issuing Bank shall extend, or cause each applicable Fronting Bank to extend, the maturity of each Revolving Letter of Credit to a date not earlier than twelve (12) months following the date of issuance of such Revolving Letter of Credit.

provided, *however*, that the final principal installment shall be repaid on the Term B Maturity Date and in any event shall be in an amount equal to the aggregate unpaid principal amount of the Term B Loans on such date; *provided*, *further*, that notwithstanding anything to the contrary in this Agreement or any other Loan Document, (i) the aggregate outstanding principal amount of the Term B Loans due and payable on or after the last Business Day of December 2017 but prior to the Deferred Payment Date shall be deferred and payable in full in Cash on the Deferred Payment Date and (ii) the failure to pay such principal amount by 2:00 p.m. (New York City time) on the Deferred Payment Date shall be an immediate Event of Default.

(b) Revolving Credit Loans. The Borrower shall repay to the Administrative Agent for the ratable account of the Revolving Credit Lenders on the Revolving Credit Termination Date the aggregate principal amount of the Revolving Credit Loans then outstanding, together with any accrued but unpaid interest thereon.

(c) Revolving Letter of Credit Loans. The Borrower shall repay to the Administrative Agent for the account of the Revolving Issuing Bank and each Revolving Credit Lender that has made a Revolving Letter of Credit Loan on the Revolving Credit Termination Date the outstanding principal amount of each Revolving Letter of Credit Loan made by each of them, together with any accrued but unpaid interest thereon.

SECTION 2.05. Termination or Reduction of the Commitments.

(a) Optional. The Borrower may, upon at least five Business Days' written notice to the Administrative Agent, terminate in whole or reduce in part the Unused Revolving Credit Commitments; *provided*, *however*, that each partial reduction of the Revolving Credit Facility shall be in an aggregate amount of $5,000,000 or an integral multiple of $500,000 in excess thereof and shall be made ratably among the Revolving Credit Lenders in accordance with their Commitments with respect to the Revolving Credit Facility. The Borrower's written notice to the Administrative Agent shall designate the date (which shall be a Business Day) of such termination or reduction and the amount of any partial reduction, and such termination or reduction of the relevant Commitments shall be effective on the date specified in the Borrower's notice and shall reduce the relevant Commitments of the Appropriate Lenders proportionately in accordance with each such Appropriate Lender's Pro Rata Share thereof.

(b) Mandatory.

(i) Revolving Letter of Credit Commitments. The Revolving Letter of Credit Facility shall be permanently and ratably reduced from time to time on the date of each reduction of the Unused Revolving Credit Commitments pursuant to Section 2.05(a) by the amount, if any, by which the amount of the Revolving Letter of Credit Facility exceeds the Revolving Credit Facility after giving effect to such reduction of the Unused Revolving Credit Commitments.

(ii) Asset Sales. In addition, in the event of an Asset Sale, the Revolving Credit Commitments (and, if applicable, the corresponding Revolving Letter of Credit Commitments to the extent necessary so that such Revolving Letter of Credit Commitments will not exceed the reduced Revolving Credit Commitments) will be ratably and permanently reduced by the applicable amounts set forth below:

(A) $25,000,000, in the event of a sale of the Millennium Project or Millennium;

(B) $40,000,000, in the event of a sale of the Harquahala Project or Harquahala; and

(C) $100,000,000, in the event of a sale of the Athens Project or Athens.

provided, that, in the event of an Asset Sale on or prior to the Revolving Credit Reduction Date, each of the amounts set forth in clauses (A), (B) and (C) shall be increased by twenty-five percent (25%).

(iii) Upon Revolving Credit Reduction Date. On the Revolving Credit Reduction Date, automatically and without the requirement of any action by any Person, (A) the Revolving Credit Commitments will be ratably and permanently reduced by $40,000,000, and (B) the Revolving Letter of Credit Commitments will be ratably and permanently reduced by $40,000,000.

(c) Yield Maintenance Fee. The Borrower will pay any Yield Maintenance Fee due in connection with any reduction of the Revolving Credit Commitments on the terms set forth in Section 2.08(b).

SECTION 2.06. Prepayments.

(a) Optional. The Borrower may, upon at least three Business Days' notice to the Administrative Agent stating the proposed date and aggregate principal amount of the prepayment, and if such notice is given the Borrower shall, prepay the outstanding aggregate principal amount of the Loans in whole or ratably in part, together with accrued interest to the date of such prepayment on the aggregate principal amount prepaid and the applicable Yield Maintenance Fee (if any; it being understood and agreed that no Yield Maintenance Fee will be applicable with respect to prepayments of Revolving Credit Loans or Revolving Letter of Credit Loans that do not result in a permanent reduction of the Revolving Credit Commitments); *provided*, *however*, that (i) each partial prepayment shall be in an aggregate principal amount of $2,500,000 or an integral multiple of $500,000 in excess thereof and (ii) if any prepayment of a Loan is made on a date other than the last day of an Interest Period for such Loan, the Borrower shall also pay any amounts owing pursuant to Section 9.04(c). Each such prepayment of the Term B Loans shall be applied to scheduled principal payments of the Term B Loans in inverse order of maturity, including the principal amount due on the Term B Maturity Date.

(b) Mandatory. (i) On each Cash Flow Payment Date, the Borrower shall prepay an aggregate principal amount of the Term B Loans in accordance with priority eighth of Section 3.2 of the Security Deposit Agreement and priority first of Section 3.7 of the Security Deposit Agreement, in an amount equal to one hundred percent (100%) (subject to the provisos

below, the "***Cash Sweep Percentage***") of the aggregate amount remaining on deposit in or credited to the Revenue Account after giving effect to the withdrawals and transfers on such Cash Flow Payment Date pursuant to priorities first through seventh of Section 3.2 of the Security Deposit Agreement; provided, that if, within 3 years from the date of this Agreement, the outstanding aggregate principal amount of Term B Loans and Revolving Credit Loans has been prepaid solely from (x) Cash Flow Available for Debt Service or (y) equity contributions to less than $470,000,000, and only for so long as the outstanding aggregate principal amount of Term B Loans and Revolving Credit Loans continues to be less than $470,000,000, the Cash Sweep Percentage shall be reduced to seventy-five percent (75%). Each such prepayment of the Term B Loans shall be applied to scheduled principal payments of the Term B Loans in inverse order of maturity (including the principal amount due on the Term B Maturity Date).

(ii) Subject to the Security Deposit Agreement, upon the occurrence of a Casualty Event, Event of Eminent Domain, Asset Sale or the incurrence or issuance of any Debt (other than Debt permitted to be incurred pursuant to Section 5.02(b)), the Borrower shall (A) prepay an aggregate principal amount of the Loans and (B) deposit an amount in the Revolving L/C Cash Collateral Account in an aggregate amount equal to the Net Cash Proceeds thereof in accordance with priorities *first* through *third* of Section 3.7 of the Security Deposit Agreement. Each such prepayment of the Term B Loans shall be applied to scheduled principal payments of the Term B Loans in inverse order of maturity, including the principal amount due on the Term B Maturity Date.

(iii) [Reserved].

(iv) If at any time (A) the sum of the aggregate outstanding balance of the Revolving Credit Loans and the Available Amount of all Revolving Letters of Credit exceeds the aggregate Revolving Credit Commitments or (B) the Available Amount of all Revolving Letters of Credit exceeds the aggregate Revolving Letter of Credit Commitments, whether because of a reduction of the Revolving Credit Commitments and/or Revolving Letter of Credit Commitments pursuant to Section 2.05(b) or otherwise, the Borrower shall within two (2) Business Days, first, repay the Revolving Credit Loans and, second, if necessary, transfer funds to the Revolving L/C Cash Collateral Account in an amount sufficient to eliminate such excess in accordance with this Agreement.

(v) All prepayments under this clause (b) shall be made together with (A) accrued and unpaid interest to the date of such prepayment on the principal amount prepaid, (B) any amounts owing pursuant to Section 9.04(c) and (C) any applicable Yield Maintenance Fee.

(c) Term B Lender's Option to Decline Prepayment. Except as provided in the last sentence of this clause (c), any Term B Lender, at its option, may elect not to accept all or any portion of any prepayment of the Term B Loans pursuant to Section 2.06(b). Subject to the immediately preceding sentence, upon each prepayment date set forth in Section 2.06(b) for any prepayment of Term B Loans, in accordance with the Security Deposit Agreement, the Borrower shall notify the Administrative Agent in writing of the amount that is available to prepay the Term B Loans. Promptly after the date of receipt of such notice, the Administrative Agent shall provide written notice to the Term B Lenders of the amount available to prepay the Term B Loans. Any Term B Lender declining such prepayment (a "***Declining Lender***") shall

give written notice thereof to the Administrative Agent by 11:00 a.m. New York City time no later than two (2) Business Days after the date of such notice from the Administrative Agent; any Term B Lender that does not give such notice during such period shall be deemed to have accepted such prepayment offer. On such date the Administrative Agent shall then provide written notice (the "***Second Offer***") to the Term B Lenders other than the Declining Lenders (such Term B Lenders being the "***Accepting Lenders***") of the additional amount available (due to such Declining Lenders' declining such prepayment) to prepay the Term B Loans owing to such Accepting Lenders. Any Term B Lender declining prepayment pursuant to such Second Offer shall give written notice thereof to the Administrative Agent by 11:00 a.m. New York City time no later than two (2) Business Days after the date of such notice of a Second Offer; any Term B Lender that does not give such notice during such period shall be deemed to have accepted such prepayment offer. Amounts remaining after the allocation of accepted amounts shall be applied as provided in Section 3.7 of the Security Deposit Agreement, except to the extent otherwise set forth in Section 2.06(b). Notwithstanding the above, (A) if Term B Lenders owed or holding more than 50% of the aggregate principal amount of the Term B Loans outstanding at such time accept or are deemed to have accepted all or any portion of any prepayment offer pursuant to this clause (c), then all Term B Lenders shall be deemed to have accepted such prepayment offer to the same extent and (B) in the case of the mandatory prepayment of Term B Loans pursuant to Section 2.06(b) as a result of the Harquahala Reorganization, the right of the Term B Lenders to reject prepayments hereunder shall only be permitted once the Term B Loans have been prepaid with such proceeds such that the aggregate principal amount of the Term B Loans is $310,000,000 or less.

SECTION 2.07. Interest.

(a) Scheduled Interest. The Borrower shall pay interest on the unpaid principal amount of each Loan owing to each Lender from the date of such Loan until such principal amount shall be paid in full, at a rate per annum equal at all times during each Interest Period for such Loan to the sum of (A) the Eurodollar Rate for such Interest Period for such Loan *plus* (B) the Applicable Margin in effect from time to time, payable in arrears on each Interest Payment Date; *provided*, *that*:

(i) solely in respect of each Interest Period commencing on or after September 30, 2017, the aggregate amount of interest due and payable on each Interest Payment Date falling on or after the last day of December 2017 but prior to the Deferred Payment Date shall be deferred and payable in full in Cash on the Deferred Payment Date;

(ii) notwithstanding anything to the contrary in this Agreement or any other Loan Document, (i) the failure to pay such interest on the Deferred Payment Date shall not be subject to the grace period set forth in Section 6.01(a)(ii) and (ii) the failure to pay such interest by 2:00 p.m. (New York City time) on the Deferred Payment Date shall be an immediate Event of Default; and

(iii) solely if the Deferred Payment Date occurs as a result of the occurrence of the New Restructuring Effective Date,

(A) such interest shall be deemed to have accrued as follows: (i) from September 30, 2017 until the Restatement Date, on the unpaid

principal amount of each Loan owing to each Lender and (ii) from and after the Restatement Date until the Deferred Payment Date, on the unpaid principal amount of the Loans owing to each Lender from and after the Restatement Date minus $150,000,000; and

(B) solely with respect to the Cash interest due pursuant to this Section 2.07(a) for the period commencing on the Interest Payment Date immediately preceding the New Restructuring Effective Date and ending on the New Restructuring Effective Date (such Cash amount, the "***Deferred Stub Interest Payment Amount***"), such Deferred Stub Interest Payment Amount shall be payable pursuant to the New First Lien Credit Agreement (as defined in the Restructuring Support Agreement), *provided that*, on the New Restructuring Effective Date, the Borrower shall deliver to the Lenders a certificate satisfactory to the Lenders setting forth the Deferred Stub Interest Payment Amount, with reasonable supporting documentation.

(b) Interest Accruing to the Exit Fee. The Borrower shall pay interest on the unpaid principal amount of the Loans minus $150,000,000 from and after the Restatement Date until such principal amount shall be paid in full, at a rate per annum equal to the Applicable Accrued Interest Margin, which shall accrue quarterly and on each Interest Payment Date be added to and become part of the Exit Fee that is payable in accordance with Section 2.08(e); *provided* that any interest that has accrued under this Section 2.07(b) shall not be added to, or become part of, the outstanding principal amount of any Loan, or otherwise be capitalized with the outstanding principal amount of any Loan. The Administrative Agent's determination of the Exit Fee outstanding at any time shall be conclusive and binding, absent manifest error, provided that, the parties agree that the initial Exit Fee as of the Restatement Date shall be the amount set forth in the definition of Exit Fee.

(c) Default Interest. Upon the occurrence and during the continuance of an Event of Default, the Administrative Agent may, and upon the request of the Required Lenders shall, require that the Borrower pay interest at a rate *per annum* equal at all times to 2% *per annum* above the rate *per annum* required to be paid pursuant to Section 2.07(a) or Section 2.07(b) ("***Default Interest***") on:

(i) the aggregate outstanding principal amount of each Loan, and

(ii) to the fullest extent permitted by applicable law, the amount of any interest, fee or other amount payable under this Agreement or any other Loan Document to any Agent or any Lender Party that is not paid when due, from the date such amount shall be due until such amount shall be paid in full,

in each case, payable in Cash either (x) on each Interest Payment Date following the occurrence and during the continuance of an Event of Default or (y) on demand; *provided*, *however*, that following the making of the request or the granting of the consent specified by Section 6.01 to authorize the Administrative Agent to declare the Loans due and payable pursuant to the provisions of Section 6.01, Default Interest shall accrue and be payable hereunder whether or not previously required by the Administrative Agent.

Payment or acceptance of the increased rates of interest provided for in this Section 2.07(c) is not a permitted alternative to timely payment and shall not constitute a waiver of any Event of Default or otherwise prejudice or limit any rights or remedies of the Administrative Agent or any Lender Party.

SECTION 2.08. Fees.

(a) Commitment Fee. The Borrower shall pay to the Administrative Agent for the account of each of the Revolving Credit Lenders, a commitment fee, from the date of the Original Credit Agreement in the case of each Initial Lender and from the effective date specified in the Assignment and Acceptance pursuant to which it became a Revolving Credit Lender in the case of each other Revolving Credit Lender until the Revolving Credit Termination Date, payable in arrears quarterly on the last Business Day of each December, March, June and September occurring after the Effective Date, and on the Revolving Credit Termination Date, at the Eurodollar Rate *per annum* on the average daily Unused Revolving Credit Commitment of such Revolving Credit Lender during such quarter.

(b) Yield Maintenance Fee.

(i) Subject to clause (iii) below, upon any permanent reduction of the aggregate Revolving Credit Commitments pursuant to Section 2.05 or any termination of the aggregate Revolving Credit Commitments pursuant to Section 6.01 during the Yield Maintenance Period (the amount of such reduction being the "***Commitment Reduction Amount***" and the date when such reduction occurs being the "***Commitment Reduction Date***"), the Borrower shall pay to the Administrative Agent, for the ratable benefit of the Revolving Credit Lenders, a Yield Maintenance Fee in an amount equal to the Commitment Reduction Amount multiplied by the percentage set forth below opposite the period in which the Commitment Reduction Date occurs:

(ii) Subject to clause (iii) below, in the event that (A) the Borrower makes any prepayment of Term B Loans pursuant to Section 2.06 other than any prepayment upon the occurrence of a Casualty Event or an Event of Eminent Domain or (B) the unpaid principal balance of any Term B Loan is accelerated pursuant to Section

6.01 during the Yield Maintenance Period (the principal amount of such prepayment or amount so accelerated being the "***Prepayment Amount***"), the Borrower shall pay to the Administrative Agent, for the ratable benefit of the Term B Lenders, a Yield Maintenance Fee in an amount equal to the sum of the interest that would have been payable on the Prepayment Amount (in the absence of such prepayment or acceleration) at a rate per annum equal to the Applicable Margin (x) on all scheduled Interest Payment Dates falling after the date of prepayment or acceleration until the end of the Yield Maintenance Period and (y) if the last day of the Yield Maintenance Period is not an Interest Payment Date, on the last day of the Yield Maintenance Period, in each case discounted from the respective scheduled payment date to the date of prepayment or acceleration, in accordance with accepted financial practice at a discount factor equal to the equivalent weighted-average life U.S. Treasury yield as of 10:00 a.m. New York City time on the Business Day immediately preceding the date of prepayment or acceleration.

(iii) Notwithstanding anything set forth in this Agreement, no Yield Maintenance Fee will be due:

(A) with respect to any prepayment of the Loans or reduction of Revolving Credit Commitments, in each case, resulting from the Harquahala Reorganization on the New Restructuring Effective Date;

(B) following the end of the Yield Maintenance Period; *provided*, *however*, that, in the event of an acceleration of the Facilities pursuant to Section 6.01 or Section 6.02, the Yield Maintenance Fee shall apply and shall be determined pursuant to clause (b)(ii) above as if a prepayment occurred on the date of such acceleration;

(C) with respect to any payment of Revolving Credit Loans or Revolving Letter of Credit Loans that does not result in a permanent reduction of the Revolving Credit Commitments;

(D) [Reserved]; or

(E) with respect to any reduction of Revolving Credit Commitments pursuant to Section 2.05(b)(iii).

(c) Revolving Letter of Credit Fees.

(i) The Borrower shall pay to the Administrative Agent for the account of each Revolving Credit Lender a letter of credit fee, payable in arrears quarterly on the last Business Day of each December, March, June and September occurring after the Effective Date, and on the Revolving Credit Termination Date, on such Revolving Credit Lender's Pro Rata Share of the average daily aggregate Available Amount during such quarter of all Revolving Letters of Credit outstanding from time to time during such quarter at a rate per annum equal to the Eurodollar Rate plus 2.00%.

(ii) The Borrower shall pay the Revolving Issuing Bank, for its own account, such commissions, issuance fees, fronting fees, transfer fees and other fees and charges in connection with the issuance, administration and amendment of each Revolving Letter of Credit as the Borrower and such Revolving Issuing Bank shall agree.

(d) Agents' Fees. The Borrower shall pay to each Agent for its own account such fees as may from time to time be agreed between the Borrower and such Agent.

(e) Exit Fee. If the New Restructuring Effective Date occurs, the Exit Fee shall be due and payable by the Borrower to the Administrative Agent for the account of each of the Lenders on the New Restructuring Effective Date. The Borrower shall pay interest on the unpaid principal amount of the Exit Fee from and after the Restatement Date until the Exit Fee shall be paid in full, at a rate per annum equal to the sum of (x) the Eurodollar Rate plus (y) 6.00%, which shall accrue quarterly and on each Interest Payment Date be added to and become part of the Exit Fee. In the event the New Restructuring Effective Date does not occur, no Exit Fee (or accrual thereof or thereon) shall be due and payable and interest under Section 2.07(a) shall have accrued on the outstanding principal amount of the Loans from time to time at the Eurodollar Rate plus the Applicable Margin referred to in paragraph (a) of the definition of Applicable Margin and be payable on the Deferred Payment Date. Notwithstanding anything in this Agreement to the contrary, the Loan Parties and Lender Parties agree that, solely for all U.S. federal and state income tax purposes, the Exit Fee shall be taken into account in the calculation of the Loan's "stated redemption price at maturity" (as defined under Section 1273 of the Code). The Loan Parties and Lender Parties shall not, and shall cause their respective Affiliates to not, take a reporting position (or action in connection with any U.S. federal and state income tax proceeding) that is inconsistent with such treatment, except upon a final determination by an applicable Governmental Authority.

SECTION 2.09. Deferred Payment Date. Notwithstanding anything to the contrary in this Agreement or any other Loan Document, the Loan Parties' obligations to make any payments under this Agreement or any other Loan Document on or after September 30, 2017 shall be deferred until the Deferred Payment Date and the failure to pay any such amount by 2:00 p.m. (New York City time) on the Deferred Payment Date shall be an immediate Event of Default.

SECTION 2.10. Increased Costs, Etc.. (a) If, due to either (i) the introduction of or any change in or in the interpretation of any law or regulation or (ii) the compliance with any guideline or request from any central bank or other governmental authority (whether or not having the force of law), there shall be any increase in the cost to any Lender Party of agreeing to make or of making, funding or maintaining Loans or of agreeing to issue or of issuing or maintaining or participating in Revolving Letters of Credit or of agreeing to make or of making or maintaining Revolving Letter of Credit Loans (excluding, for purposes of this Section 2.10, any such increased costs resulting from (x) Taxes or Other Taxes (as to which Section 2.12 shall govern) and (y) changes in the basis or rate of taxation of overall net income or overall gross income by the United States or by the foreign jurisdiction or state under the laws of which such Lender Party is organized or has its Lending Office or any political subdivision thereof), then the Borrower shall from time to time, upon demand by such Lender Party (with a copy of such demand to the Administrative Agent), pay to the Administrative Agent for the account of such Lender Party additional amounts sufficient to compensate such Lender Party for such increased cost. A certificate as to the amount of such increased cost, submitted to the Borrower by such Lender Party, shall be conclusive and binding for all purposes, absent manifest error.

(b) If any Lender Party determines that compliance with any law or regulation or any guideline or request from any central bank or other governmental authority (whether or

not having the force of law) affects or would affect the amount of capital required or expected to be maintained by such Lender Party or any corporation controlling such Lender Party and that the amount of such capital is increased by or based upon the existence of such Lender Party's commitment to make Loans or to issue or participate in Revolving Letters of Credit hereunder and other commitments of such type or the issuance or maintenance of or participations in the Revolving Letters of Credit (or similar Guaranteed Debts), then, upon demand by such Lender Party or such corporation (with a copy of such demand to the Administrative Agent), the Borrower shall pay to the Administrative Agent for the account of such Lender Party, from time to time as specified by such Lender Party, additional amounts sufficient to compensate such Lender Party in the light of such circumstances, to the extent that such Lender Party reasonably determines such increase in capital to be allocable to the existence of such Lender Party's commitment to make Loans or to issue or participate in Revolving Letters of Credit hereunder or to the issuance or maintenance of or participation in any Revolving Letters of Credit. A certificate as to such amounts submitted to the Borrower by such Lender Party shall be conclusive and binding for all purposes, absent manifest error.

SECTION 2.11. Payments and Computations. (a) The Borrower shall make each payment hereunder and under the other Loan Documents, irrespective of any right of counterclaim or set-off (except as otherwise provided in Section 2.13), not later than 11:00 A.M. (New York City time) on the day when due in U.S. dollars to the Administrative Agent at the Administrative Agent's Account in same day funds, with payments being received by the Administrative Agent after such time being deemed to have been received on the next succeeding Business Day. The Administrative Agent will promptly thereafter cause like funds to be distributed (i) if such payment by the Borrower is in respect of principal, interest, commitment fees or any other Obligation then payable hereunder and under the other Loan Documents to more than one Lender Party, to such Lender Parties for the account of their respective Lending Offices ratably in accordance with the amounts of such respective Obligations then payable to such Lender Parties and (ii) if such payment by the Borrower is in respect of any Obligation then payable hereunder to one Lender Party, to such Lender Party for the account of its Lending Office, in each case to be applied in accordance with the terms of this Agreement. Upon its acceptance of an Assignment and Acceptance and recording of the information contained therein in the Register pursuant to Section 9.07(e), from and after the effective date of such Assignment and Acceptance, the Administrative Agent shall make all payments hereunder and under the other Loan Documents in respect of the interest assigned thereby to the assignee thereunder, and the parties to such Assignment and Acceptance shall make all appropriate adjustments in such payments for periods prior to such effective date directly between themselves.

(b) The Borrower hereby authorizes each Lender Party and each of its Affiliates, if and to the extent payment owed to such Lender Party is not made when due hereunder or under the other Loan Documents, to charge from time to time, to the fullest extent permitted by law, against any or all of the Borrower's accounts with such Lender Party or such Affiliate any amount so due.

(c) All computations of interest based on the Eurodollar Rate and of commitment fees, letter of credit fees and other fees and commissions shall be made by the Administrative Agent on the basis of a year of 360 days, in each case for the actual number of days (including the first day but excluding the last day) occurring in the period for which such

interest, fees or commissions are payable. Each determination by the Administrative Agent of an interest rate, fee or commission hereunder shall be conclusive and binding for all purposes, absent manifest error.

(d) Whenever any payment hereunder or under the other Loan Documents shall be stated to be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of payment of interest or commitment or letter of credit fee or commission, as the case may be; *provided*, *however*, that, if such extension would cause payment of interest on or principal of Loans to be made in the next following calendar month, such payment shall be made on the preceding Business Day.

(e) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to any Lender Party hereunder that the Borrower will not make such payment in full, the Administrative Agent may assume that the Borrower has made such payment in full to the Administrative Agent on such date and the Administrative Agent may, in reliance upon such assumption, cause to be distributed to each such Lender Party on such due date an amount equal to the amount then due such Lender Party. If and to the extent the Borrower shall not have so made such payment in full to the Administrative Agent, each such Lender Party shall repay to the Administrative Agent forthwith on demand such amount distributed to such Lender Party together with interest thereon, for each day from the date such amount is distributed to such Lender Party until the date such Lender Party repays such amount to the Administrative Agent, at the Eurodollar Rate.

(f) If the Administrative Agent receives funds for application to the Obligations of the Loan Parties under or in respect of the Loan Documents under circumstances for which the Loan Documents do not specify the Loans or the Facility to which, or the manner in which, such funds are to be applied, the Administrative Agent may, if no instructions with respect thereto are received from the Lender Parties upon request, but shall not be obligated to, elect to distribute such funds to each of the Lender Parties in accordance with such Lender Parties pro rata share of the sum of (i) the aggregate principal amount of all Loans outstanding at such time and (ii) the aggregate Available Amount of all Revolving Letters of Credit outstanding at such time, in repayment or prepayment of such of the outstanding Loans or other Obligations then owing to such Lender Party, and, in the case of the Term B Facility, for application to such principal repayment installments thereof, as the Administrative Agent shall direct.

(g) Notwithstanding any provision of this Agreement to the contrary, to the extent that this Agreement provides for advances or payments (or deemed advances or payments) to be made by or to the Revolving Credit Lenders ratably according to their Revolving Credit Commitments or according to their Pro Rata Shares, as between any Lenders that are Affiliates of Beal Bank USA or Beal Bank SSB, the Revolving Credit Lenders may allocate such advances and payments ratably according to their respective Unused Revolving Credit Commitments or in such other manner as Beal Bank USA or Beal Bank SSB and such Affiliates may agree without affecting in any manner the aggregate Revolving Credit Commitments available to the Borrower at any time.

SECTION 2.12. Taxes. (a) Any and all payments by any Loan Party to or for the account of any Lender Party or any Agent hereunder or under any other Loan Document shall

be made, in accordance with Section 2.11 or the applicable provisions of such other Loan Document, if any, free and clear of and without deduction for any and all present or future taxes, levies, imposts, deductions, charges or withholdings, and all liabilities with respect thereto, *excluding*, in the case of each Lender Party and each Agent, (x) taxes that are imposed on its overall net income by the United States and taxes that are imposed on its overall net income (and franchise taxes imposed in lieu thereof) by the state or foreign jurisdiction under the laws of which such Lender Party or such Agent, as the case may be, is organized (or any political subdivision thereof), has its Lending Office, has a permanent establishment or is engaged in business (other than the business that the Lender Party is engaged in solely by reason of the transactions contemplated by this Agreement), (y) any branch profits taxes imposed by the United States of America and (z) withholding taxes imposed under law in effect on the date of the Original Credit Agreement or at the time the Lender Party designates a new Lending Office, other than any new Lending Office designated at the written request of a Loan Party (in the case of a Lender Party that is not an Initial Lender, this clause (z) shall include taxes imposed under law in effect on the date such Lender Party becomes a Lender Party, except to the extent that the Lender's predecessor would have been entitled to receive additional amounts under this Section 2.12(a)) and, in the case of each Lender Party, taxes that are imposed on its overall net income (and franchise taxes imposed in lieu thereof) by the state or foreign jurisdiction of such Lender Party's Lending Office or any political subdivision thereof (all such non-excluded taxes, levies, imposts, deductions, charges, withholdings and liabilities in respect of payments hereunder or under any other Loan Document being hereinafter referred to as "***Taxes***"). If any Loan Party shall be required by law to deduct any Taxes from or in respect of any sum payable hereunder or under any other Loan Document to any Lender Party or any Agent, (i) the sum payable by such Loan Party shall be increased as may be necessary so that after such Loan Party and the Administrative Agent have made all required deductions (including deductions applicable to additional sums payable under this Section 2.12) such Lender Party or such Agent, as the case may be, receives an amount equal to the sum it would have received had no such deductions been made, (ii) such Loan Party shall make all such deductions and (iii) such Loan Party shall pay the full amount deducted to the relevant taxation authority or other authority in accordance with applicable law.

(b) In addition, each Loan Party shall pay any present or future stamp, documentary, excise, property (including intangible property, but with regard to all property taxes, only to the extent relating to property of a Loan Party) mortgage recording or similar taxes, charges or levies that arise from any payment made by such Loan Party hereunder or under any other Loan Documents or from the execution, delivery or registration of, performance under, or otherwise with respect to, this Agreement or the other Loan Documents (hereinafter referred to as "***Other Taxes***").

(c) The Loan Parties shall indemnify each Lender Party and each Agent for and hold them harmless against the full amount of Taxes and Other Taxes, and for the full amount of taxes of any kind imposed or asserted by any jurisdiction on amounts payable under this Section 2.12, imposed on or paid by such Lender Party or such Agent (as the case may be) and any liability (including penalties, additions to tax, interest and expenses) arising therefrom or with respect thereto. This indemnification shall be made within 30 days from the date such Lender Party or such Agent (as the case may be) makes written demand therefor.

(d) Within 30 days after the date of any payment of Taxes, the appropriate Loan Party shall furnish to the Administrative Agent, at its address referred to in Section 9.02, the original or a certified copy of a receipt evidencing such payment, to the extent such a receipt is issued therefor, or other written proof of payment thereof that is reasonably satisfactory to the Administrative Agent. In the case of any payment hereunder or under the other Loan Documents by or on behalf of a Loan Party through an account or branch outside the United States or by or on behalf of a Loan Party by a payor that is not a United States person, if such Loan Party determines that no Taxes are payable in respect thereof, such Loan Party shall furnish, or shall cause such payor to furnish, to the Administrative Agent, at such address, an opinion of counsel acceptable to the Administrative Agent stating that such payment is exempt from Taxes. For purposes of subsections (d) and (e) of this Section 2.12, the terms "***United States***" and "***United States person***" shall have the meanings specified in Section 7701 of the Internal Revenue Code.

(e) Each Lender Party organized under the laws of a jurisdiction outside the United States shall, on or prior to the date of its execution and delivery of this Agreement in the case of each Initial Lender Party and on the date of the Assignment and Acceptance pursuant to which it becomes a Lender Party in the case of each other Lender Party, and from time to time thereafter as reasonably requested in writing by the Borrower (but only so long thereafter as such Lender Party remains lawfully able to do so), provide each of the Administrative Agent and the Borrower with two original Internal Revenue Service Forms W-8BEN or W-8EC1 or (in the case of a Lender Party that has certified in writing to the Administrative Agent that it is not (i) a "bank" as defined in Section 881(c)(3)(A) of the Internal Revenue Code), (ii) a 10-percent shareholder (within the meaning of Section 871(h)(3)(B) of the Internal Revenue Code) of any Loan Party or (iii) a controlled foreign corporation related to any Loan Party (within the meaning of Section 864(d)(4) of the Internal Revenue Code), Internal Revenue Service Form W-8BEN, as appropriate, or any successor or other form prescribed by the Internal Revenue Service, certifying that such Lender Party is exempt from or entitled to a reduced rate of United States withholding tax on payments pursuant to this Agreement or any other Loan Document or, in the case of a Lender Party that has certified that it is not a "bank" as described above, certifying that such Lender Party is a foreign corporation, partnership, estate or trust. As provided in Section 2.12(a), if the forms provided by a Lender Party at the time such Lender Party first becomes a party to this Agreement indicate a United States interest withholding tax rate in excess of zero, withholding tax at such rate shall be considered excluded from Taxes unless and until such Lender Party provides the appropriate forms certifying that a lesser rate applies, whereupon withholding tax at such lesser rate only shall be considered excluded from Taxes for periods governed by such forms; *provided*, *however*, that if, at the effective date of the Assignment and Acceptance pursuant to which a Lender Party becomes a party to this Agreement, the Lender Party assignor was entitled to payments under subsection (a) of this Section 2.12 in respect of United States withholding tax with respect to interest paid at such date, then, to such extent, the term Taxes shall include (in addition to withholding taxes that may be imposed in the future or other amounts otherwise includable in Taxes) United States withholding tax, if any, applicable with respect to the Lender Party assignee on such date. If any form or document referred to in this subsection (e) requires the disclosure of information, other than information necessary to compute the tax payable and information required on the date hereof by Internal Revenue Service Form W-8BEN or W-8EC1 or the related certificate described above, that the applicable Lender Party reasonably considers to be confidential, such Lender Party shall give notice thereof

to the Borrower and shall not be obligated to include in such form or document such confidential information.

(f) For any period with respect to which a Lender Party has failed to provide the Borrower with the appropriate form, certificate or other document described in subsection (e) above (other than if such failure is due to a change in law, or in the interpretation or application thereof, occurring after the date on which a form, certificate or other document originally was required to be provided or if such form, certificate or other document otherwise is not required under subsection (e) above), such Lender Party shall not be entitled to indemnification under subsection (a) or (c) of this Section 2.12 with respect to Taxes imposed by the United States by reason of such failure; *provided*, *however*, that should a Lender Party become subject to Taxes because of its failure to deliver a form, certificate or other document required hereunder, the Loan Parties shall take such steps as such Lender Party shall reasonably request, at the Lender Party's sole expense and as long as the Loan Parties determine that such steps will not, in the reasonable judgment of the Loan Parties, be disadvantageous to the Loan Parties, to assist such Lender Party to recover such Taxes.

(g) Any Lender Party claiming any additional amounts payable pursuant to this Section 2.12 agrees to use reasonable efforts (consistent with its internal policy and legal and regulatory restrictions) to change the jurisdiction of its Lending Office if the making of such a change would avoid the need for, or reduce the amount of, any such additional amounts that may thereafter accrue and would not, in the reasonable judgment of such Lender Party, be otherwise disadvantageous to such Lender Party. In addition, if a Lender Party determines, in such Lender Party's sole discretion, that it has received a refund or credit in respect of any Taxes or Other Taxes as to which it has been indemnified pursuant to Section 2.12(c), or with respect to which additional amounts have been paid pursuant to Section 2.12(a), such Lender Party shall pay to the Borrower an amount equal to such refund (but such amount in no event to exceed the amount of any indemnity payments made, or additional amounts paid, by the Borrower under this Section 2.12 with respect to the Taxes or Other Taxes giving rise to such refund) net of all out-of-pocket expenses of such Lender Party, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), *provided* that the Borrower, upon the request of such Lender Party, shall agree to repay the amount paid over to the Borrower (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to such Lender Party in the event such Lender Party subsequently determines that such refund or credit is unavailable under applicable law or is otherwise required to repay such refund to such Governmental Authority. This paragraph shall not be construed to require a Lender Party to rearrange its tax affairs or to make available its tax returns (or any other information relating to its taxes that it deems confidential) to the Borrower or any other Person.

SECTION 2.13. Sharing of Payments, Etc.. If any Lender Party shall obtain at any time any payment (whether voluntary, involuntary, through the exercise of any right of set-off, or otherwise, other than as a result of an assignment pursuant to Section 9.07), (a) on account of Obligations due and payable to such Lender Party hereunder and under the other Loan Documents in excess of its ratable share (according to the proportion of (i) the amount of such Obligations due and payable to such Lender Party to (ii) the aggregate amount of the Obligations due and payable to all Lender Parties hereunder and under the other Loan Documents at such time) of payments on account of the Obligations due and payable to all Lender Parties hereunder and under the other Loan Documents at such time obtained by all the Lender Parties at such time

or (b) on account of Obligations owing (but not due and payable) to such Lender Party hereunder and under the other Loan Documents at such time in excess of its ratable share (according to the proportion of (i) the amount of such Obligations owing to such Lender Party at such time to (ii) the aggregate amount of the Obligations owing (but not due and payable) to all Lender Parties hereunder and under the other Loan Documents at such time) of payments on account of the Obligations owing (but not due and payable) to all Lender Parties hereunder and under the other Loan Documents at such time obtained by all of the Lender Parties at such time, such Lender Party shall forthwith purchase from the other Lender Parties such interests or participating interests in the Obligations as shall be necessary to cause such purchasing Lender Party to share the excess payment ratably with each of them; *provided*, *however*, that if all or any portion of such excess payment is thereafter recovered from such purchasing Lender Party, such purchase from each other Lender Party shall be rescinded and such other Lender Party shall repay to the purchasing Lender Party the purchase price to the extent of such Lender Party's ratable share (according to the proportion of (i) the purchase price paid to such Lender Party to (ii) the aggregate purchase price paid to all Lender Parties) of such recovery together with an amount equal to such Lender Party's ratable share (according to the proportion of (i) the amount of such other Lender Party's required repayment to (ii) the total amount so recovered from the purchasing Lender Party) of any interest or other amount paid or payable by the purchasing Lender Party in respect of the total amount so recovered. The Loan Parties agree that any Lender Party so purchasing an interest or participating interest from another Lender Party pursuant to this Section 2.13 may, to the fullest extent permitted by law, exercise all its rights of payment (including the right of set-off) with respect to such interest or participating interest, as the case may be, as fully as if such Lender Party were the direct creditor of the Loan Parties in the amount of such interest or participating interest, as the case may be. For the avoidance of doubt, notwithstanding anything to the contrary in this Section 2.13 or otherwise, the Lender Parties shall not be entitled to receive or share in any fees paid by the Borrower pursuant to Section 2.08(c), which fees shall be solely for the account of the Revolving Credit Lenders (with respect to Section 2.08(c)(i)) and Revolving Issuing Bank (with respect to Section 2.08(c)(ii)).

SECTION 2.14. Use of Proceeds.

(a) The Term B Loans to be advanced on the Effective Date shall be available (and the Borrower agrees that it shall use the Term B Loans) solely to repay the Existing Debt of the Existing Loan Parties outstanding on the Effective Date.

(b) The proceeds of the Revolving Credit Loans and utilization of Revolving Letter of Credit Commitments shall be available (and the Borrower agrees that it shall use such proceeds and Commitments) solely (i) on the Effective Date, to repay and/or refinance in full all obligations of the Existing Loan Parties outstanding on the Effective Date under the Pre-Petition First Lien Credit Agreement (as defined in the Original Credit Agreement) and the DIP Credit Agreement (as defined in the Original Credit Agreement) in accordance with the Prior Plan of Reorganization, including to refinance the obligations of the Existing Loan Parties with respect to Existing Letters of Credit then outstanding, in accordance with the Plan of Reorganization, and (ii) on and after the Effective Date, (A) to provide working capital for the Loan Parties, (B) to provide credit support in respect of such working capital needs (other than funding any Excluded G&A Services) and (C) for the Loan Parties' other general corporate purposes (other than funding any Excluded G&A Services).

SECTION 2.15. Evidence of Debt. (a) Each Lender Party shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender Party resulting from each Loan owing to such Lender Party from time to time, including the amounts of principal and interest payable and paid to such Lender Party from time to time hereunder. The Borrower agrees that upon notice by any Lender Party to the Borrower (with a copy of such notice to the Administrative Agent) to the effect that a promissory note or other evidence of indebtedness is required or appropriate in order for such Lender Party to evidence (whether for purposes of pledge, enforcement or otherwise) the Loans owing to, or to be made by, such Lender Party, the Borrower shall promptly execute and deliver to such Lender Party, with a copy to the Administrative Agent, a Revolving Credit Note and a Term B Note, as applicable, in substantially the form of Exhibits A-1 and A-2 hereto, respectively, payable to the order of such Lender Party in a principal amount equal to the Revolving Credit Commitment and Term B Loans, respectively, of such Lender Party. All references to Notes in the Loan Documents shall mean Notes, if any, to the extent issued hereunder.

(b) The Register maintained by the Administrative Agent pursuant to Section 9.07(f) shall include a control account, and a subsidiary account for each Lender Party, in which accounts (taken together) shall be recorded (i) the date and amount of each Borrowing made hereunder and, if appropriate, the Eurodollar Rate Period applicable thereto, (ii) the terms of each Assignment and Acceptance delivered to and accepted by it, (iii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender Party hereunder and (iv) the amount of any sum received by the Administrative Agent from the Borrower hereunder and each Lender Party's share thereof.

(c) Entries made in good faith by the Administrative Agent in the Register pursuant to subsection (b) above, and by each Lender Party in its account or accounts pursuant to subsection (a) above, shall be *prima facie* evidence of the amount of principal and interest due and payable or to become due and payable from the Borrower to, in the case of the Register, each Lender Party and, in the case of such account or accounts, such Lender Party, under this Agreement, absent manifest error; *provided*, *however*, that the failure of the Administrative Agent or such Lender Party to make an entry, or any finding that an entry is incorrect, in the Register or such account or accounts shall not limit or otherwise affect the obligations of the Borrower under this Agreement.

SECTION 2.16. Duty to Mitigate. In the event that any Lender Party demands payment of costs or additional amounts pursuant to Section 2.10 or 2.12, the Borrower may, upon 20 days' prior written notice to such Lender Party and the Administrative Agent, elect to cause such Lender Party to assign its Loans and Commitments in full to one or more Persons selected by the Borrower so long as (i) each such Person satisfies the criteria of an Eligible Assignee and is reasonably satisfactory to the Administrative Agent and any Revolving Issuing Bank, (ii) such Lender Party receives payment in full in Cash of the outstanding principal amount of all Loans made by it and all accrued and unpaid interest thereon and all other amounts due and payable to such Lender Party as of the date of such assignment (including, without limitation, amounts owing pursuant to Sections 2.10, 2.12 and 9.04) and (iii) each such assignee agrees to accept such assignment and to assume all obligations of such Lender Party hereunder in accordance with Section 9.07.

(a) the representations and warranties contained in each Loan Document are true and correct in all material respects on and as of such date, before and after giving effect to such Borrowing or other extension of credit and to the application of the proceeds therefrom, as though made on and as of such date, except to the extent such representations and warranties expressly relate to an earlier date (in which case such representations and warranties shall be true and correct in all material respects as of such earlier date); *provided*, that if a representation and warranty is qualified as to materiality, with respect to such representation and warranty, the materiality qualifier set forth above shall be disregarded; and

(b) no Default has occurred and is continuing, or would result from such Borrowing or other extension of credit or from the application of the proceeds therefrom.

SECTION 3.03. Conditions Precedent to the Restatement Date. (i) Invalidity. any provision of any Loan Document after delivery thereof pursuant to Section 3.01 or 5.01(j) shall for any reason (except as a result of acts or omissions of the First Lien Secured Parties or pursuant to the terms thereof) cease to be valid and binding on or enforceable against any Loan Party to it, or any such Loan Party shall so state in writing;

(j) Collateral. any First Lien Collateral Document or financing statement after delivery thereof pursuant to Section 3.01 or 5.01(j) shall for any reason (other than pursuant to the terms thereof) cease to create a legal, valid, enforceable and perfected first priority (subject to Liens expressly permitted by Section 5.02(a) (other than the Liens created by the Second Lien Collateral Documents in accordance with Section 5.02(a)(ii))) lien on and security interest in the Collateral purported to be covered thereby;

(l) ERISA Event.

(i) any ERISA Event shall have occurred with respect to a Plan and the sum (determined as of the date of occurrence of such ERISA Event) of the Insufficiency of such Plan and the Insufficiency of any and all other Plans with respect to which an ERISA Event shall have occurred and then exist (or the liability of the Loan Parties and the ERISA Affiliates related to such ERISA Event) exceeds $10,000,000;

(ii) any Loan Party or any ERISA Affiliate shall have been notified by the sponsor of a Multiemployer Plan that it has incurred Withdrawal Liability to such Multiemployer Plan in an amount that, when aggregated with all other amounts required to be paid to Multiemployer Plans by the Loan Parties and the ERISA Affiliates as Withdrawal Liability (determined as of the date of such notification), exceeds $5,000,000 or requires payments exceeding $5,000,000 *per annum*; or

(n) Material Contracts. (i) any Material Contract shall at any time cease to be valid and binding or in full force and effect (in each case, except in connection with its expiration in accordance with its terms in the ordinary course (and not related to any default thereunder) or as a result of the solvency of the Loan Parties) or (ii) any Loan Party shall default in any material respect in the performance or observance of any covenant or agreement contained in any Material Contract to which it is a party and such default has continued beyond any applicable grace period specified therein (other than any default caused as a result of the solvency of the Loan Parties or the Loan Parties entering into the Restructuring Support Agreement and the implementation of the transactions thereunder and as to which defaults (if any) the relevant counterparty(ies) to such Material Contract cannot exercise remedies), and in the case of (i) or (ii), such event could reasonably be expected to have a Material Adverse Effect or to have an adverse impact on the value of the Collateral in excess of an amount equal to (A) $50,000,000 *multiplied by* (B) an amount equal to (I) one *minus* (II) an amount equal to (1) the sum of the Floor Amounts for each Project or Project Company that has been transferred pursuant to an Asset Sale, if any (and for the avoidance of doubt, if no Asset Sales have occurred, this sum shall be equal to zero), *divided by* (2) $1,050,000,000, unless within 120 days of such termination or default, the applicable Loan Party replaces such Material Contract with a replacement agreement (x) similar in scope to and on terms not materially less favorable to the relevant Loan Party, the relevant Project and the Lender Parties than the Material Contract being replaced or (y) in form and substance reasonably satisfactory to the Administrative Agent, and in each case with a counterparty of comparable or better standing in the applicable industry; *provided* that if at any time during such 120 day grace period the Administrative Agent reasonably determines that the applicable Loan Party is not diligently seeking to replace the applicable Material Contract, an Event of Default shall immediately occur; and *provided, further*, that to the extent the IDA Lease is terminated, no Default or Event of Default shall occur to the extent that concurrently therewith the Borrower obtains fee title to the Athens Project and grants to the First Lien Collateral Agent

(o) RSA Termination Event or Talen/Company Walkaway. the occurrence of an RSA Termination Event or a Talen/Company Walkaway;

then, and in any such event, the Administrative Agent (i) shall at the request, or may with the consent, of the Required Lenders, by notice to the Borrower, declare the Commitments of each Lender Party and the obligation of each Lender Party to make Loans (other than Revolving Letter of Credit Loans by the Revolving Issuing Bank or Revolving Credit Lenders pursuant to Section 2.03(c)) and each Revolving Issuing Bank to issue Revolving Letters of Credit to be terminated, whereupon the same shall forthwith terminate and (ii) shall at the request, or may with the consent, of the Required Lenders, by notice to the Borrower, declare the Loans, all interest thereon and all other amounts payable under this Agreement and the other Loan Documents to be forthwith due and payable, whereupon the Loans, all such interest and all such amounts shall become and be forthwith due and payable, without presentment, demand, protest or further notice of any kind, all of which are hereby expressly waived by the Borrower; *provided*, *however*, that, in the event of an actual or deemed entry of an order for relief with respect to the Borrower under the Bankruptcy Code, (x) the Commitments of each Lender Party and the obligation of each Lender Party to make Loans (other than Revolving Letter of Credit Loans by the Revolving Issuing Bank or Revolving Credit Lenders pursuant to Section 2.03(c)) and of each Revolving Issuing Bank to issue Revolving Letters of Credit shall automatically be terminated and (y) the Loans, all such interest and all such amounts shall automatically become and be due and payable, without presentment, demand, protest or any notice of any kind, all of which are hereby expressly waived by the Borrower. For the avoidance of doubt, payment defaults may be cured within the applicable cure period, if any, by equity contributions from one or more members of the Borrower without limitation as to the number of such cures. Upon any acceleration of the unpaid principal balance of any Term B Loan or termination of any Revolving Credit Commitment pursuant to this Section 6.01 during the Yield Maintenance Period, the applicable Lender shall be entitled to, and the Borrower shall pay as liquidated damages (it being agreed that the amount of damages that such Lender will suffer in each case are difficult to calculate) an amount equal to the Yield Maintenance Fee applicable to the principal balance of such Term B Loan that has been accelerated or Revolving Credit Commitment that has been terminated, as the case may be, determined, in the case of a Term B Loan, as if such Term B Loan had been prepaid on the date of the acceleration thereof, less any interest accrued and paid thereon and attributable to the period from the date of acceleration to the date of payment, in each case in addition to all other amounts due and payable in respect of the Obligations hereunder.

SECTION 6.02. Actions in Respect of the Revolving Letters of Credit Upon Default. If any Event of Default shall have occurred and be continuing, the Administrative Agent may, or shall at the request of the Required Lenders, irrespective of whether it is taking any of the actions described in Section 6.01 or otherwise, make demand upon the Borrower to, and forthwith upon such demand the Borrower will, pay to the First Lien Collateral Agent on behalf of the Lender Parties in same day funds at the Collateral Agent's Office, for deposit in the Revolving L/C Cash Collateral Account, an amount equal to 103.0% of the aggregate Available Amount of all Revolving Letters of Credit then outstanding; *provided*, *however*, that in the event of an actual or deemed entry of an order for relief with respect to the Borrower under the Federal

Bankruptcy Code, the Borrower shall be obligated to pay to the First Lien Collateral Agent on behalf of the Lender Parties in same day funds at the Collateral Agent's Office, for deposit in the Revolving L/C Cash Collateral Account, an amount equal to 103.0% of the aggregate Available Amount of all Letters of Credit then outstanding, without presentment, demand, protest or any notice of any kind, all of which are hereby expressly waived by the Borrower. If at any time the Administrative Agent or the First Lien Collateral Agent determines that any funds held in the Revolving L/C Cash Collateral Account are subject to any right or claim of any Person other than the Agents and the Lender Parties or that the total amount of such funds is less than 103.0% of the aggregate Available Amount of all Revolving Letters of Credit, the Borrower will, forthwith upon demand by the Administrative Agent or the First Lien Collateral Agent, pay to the First Lien Collateral Agent, as additional funds to be deposited and held in the Revolving L/C Cash Collateral Account, an amount equal to the excess of (a) 103.0% of the aggregate Available Amount of all Revolving Letters of Credit then outstanding *over* (b) the total amount of funds, if any, then held in the Revolving L/C Cash Collateral Account that the Administrative Agent or the First Lien Collateral Agent, as the case may be, determines to be free and clear of any such right and claim. Upon the drawing of any Letter of Credit for which funds are on deposit in the Revolving L/C Cash Collateral Account, such funds shall be applied to reimburse the Revolving Issuing Bank or the Appropriate Lenders, as applicable, to the extent permitted by applicable law.

ARTICLE VII

THE AGENTS

SECTION 7.01. Authorization and Action. (a) Each Lender Party (in its capacities as a Lender and a Revolving Issuing Bank (if applicable)) hereby appoints and authorizes the Administrative Agent to take such action as agent on its behalf and to exercise such powers and discretion under this Agreement and the other Loan Documents as are delegated to the Administrative Agent by the terms hereof and thereof, together with such powers and discretion as are reasonably incidental thereto. As to any matters not expressly provided for by the Loan Documents (including, without limitation, enforcement of the Obligations or collection of the Obligations owing under the Loan Documents), the Administrative Agent shall not be required to exercise any discretion or take any action, but shall be required to act or to refrain from acting (and shall be fully protected in so acting or refraining from acting) upon the instructions of the Required Lenders, and such instructions shall be binding upon all Lender Parties and all holders of Notes; *provided*, *however*, that the Administrative Agent shall not be required to take any action that exposes the Administrative Agent to personal liability or that is contrary to this Agreement or applicable law. Without limiting the generality of the foregoing, each Lender Party hereby authorizes and instructs the Administrative Agent to enter into the documents to be entered into by the Administrative Agent expressly mentioned in Section 3.01.

(b) The Administrative Agent may execute any of its duties under this Agreement or any other Loan Document (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the First Lien Collateral Documents or of exercising any rights and remedies thereunder at the direction of the First Lien Collateral Agent) by or through agents, employees or attorneys-in-fact and shall be entitled to advice of counsel and other consultants or experts concerning all matters pertaining to such duties. The Administrative Agent shall not be responsible for the negligence or misconduct of any agent,

employee or attorney-in-fact that it selects in accordance with the foregoing provisions of this Section 7.01(b) in the absence of the Administrative Agent's gross negligence or willful misconduct.

SECTION 7.02. Administrative Agent's Reliance, Etc.. Neither the Administrative Agent nor any of its directors, officers, agents or employees shall be liable for any action taken or omitted to be taken by it or them under or in connection with the Loan Documents, except for its or their own gross negligence or willful misconduct. Without limitation of the generality of the foregoing, the Administrative Agent: (a) may consult with legal counsel (including counsel for any Loan Party), independent public accountants and other experts selected by it and shall not be liable for any action taken or omitted to be taken in good faith by it in accordance with the advice of such counsel, accountants or experts; (b) makes no warranty or representation to any Lender Party and shall not be responsible to any Lender Party for any statements, warranties or representations (whether written or oral) made in or in connection with the Loan Documents; (c) shall not have any duty to ascertain or to inquire as to the performance, observance or satisfaction of any of the terms, covenants or conditions of any Loan Document on the part of any Loan Party or the existence at any time of any Default under the Loan Documents or to inspect the property (including the books and records) of any Loan Party; (d) shall not be responsible to any Lender Party for the due execution, legality, validity, enforceability, genuineness, sufficiency or value of, or the perfection or priority of any lien or security interest created or purported to be created under or in connection with, any Loan Document or any other instrument or document furnished pursuant thereto; and (e) shall incur no liability under or in respect of any Loan Document by acting upon any notice, consent, certificate or other instrument or writing (which may be by telegram, telecopy or electronic communication) believed by it to be genuine and signed or sent by the proper party or parties.

SECTION 7.03. Agents and Affiliates. With respect to its Commitments, the Loans made by it and any Notes issued to it, each Agent and its Affiliates shall have the same rights and powers under the Loan Documents as any other Lender Party and may exercise the same as though each were not an Agent or an Affiliate of an Agent; and the term "*Lender Party*" or "*Lender Parties*" shall, unless otherwise expressly indicated, include each Agent and its Affiliates in their respective individual capacities. Each Agent and its Affiliates may accept deposits from, lend money to, act as trustee under indentures of, accept investment banking engagements from and generally engage in any kind of business with, any Loan Party, any of its Subsidiaries and any Person that may do business with or own securities of any Loan Party or any such Subsidiary, all as if such Agent was not an Agent and without any duty to account therefor to the Lender Parties. No Agent shall have any duty to disclose any information obtained or received by it or any of its Affiliates relating to any Loan Party or any of its Subsidiaries to the extent such information was obtained or received in any capacity other than as such Agent.

SECTION 7.04. Lender Party Credit Decision. Each Lender Party acknowledges that it has, independently and without reliance upon any Agent or any other Lender Party and based on the financial statements referred to in Section 3.01 and such other documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender Party also acknowledges that it will, independently and without reliance upon any Agent or any other Lender Party and based on such documents and

information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement.

SECTION 7.05. Indemnification. (a) Each Lender Party severally agrees to indemnify each Agent (to the extent not promptly reimbursed by the Borrower and without limiting its obligation to do so) from and against such Lender Party's ratable share (determined as provided below) of any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever that may be imposed on, incurred by, or asserted against such Agent in any way relating to or arising out of the Loan Documents or any action taken or omitted by such Agent under the Loan Documents (collectively, the "***Indemnified Costs***"); *provided*, *however*, that no Lender Party shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from such Agent's gross negligence or willful misconduct as found in a final, non-appealable judgment by a court of competent jurisdiction. Without limitation of the foregoing, each Lender Party agrees to reimburse each Agent promptly upon demand for its ratable share of any costs and expenses (including, without limitation, reasonable fees and expenses of counsel) payable by the Borrower under Section 9.04, to the extent that such Agent is not promptly reimbursed for such costs and expenses by the Borrower. In the case of any investigation, litigation or proceeding giving rise to any Indemnified Costs, this Section 7.05 applies whether any such investigation, litigation or proceeding is brought by any Lender Party or any other Person. Each Agent is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and otherwise apply any and all amounts it receives pursuant to the Loan Documents to or for the credit or the account of any Lender Party against any and all obligations of such Lender Party to such Agent now or hereafter existing under this Section 7.05; *provided* that the foregoing sentence shall only apply if such Lender Party fails to promptly pay such obligation following such Agent's written request for payment; *provided further* that any obligation a Lender Party fails to promptly pay following the Agent's written request for payment shall bear interest at the same rate as Default Interest and the Agent is authorized to set off against any such accrued interest in the manner described above.

(b) Each Revolving Credit Lender severally agrees to indemnify the Revolving Issuing Bank (to the extent not promptly reimbursed by the Borrower) from and against such Lender Party's ratable share (determined as provided below) of any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever that may be imposed on, incurred by, or asserted against such Revolving Issuing Bank in any way relating to or arising out of the Loan Documents or any action taken or omitted by such Revolving Issuing Bank under the Loan Documents; *provided*, *however*, that no Lender Party shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from such Revolving Issuing Bank's gross negligence or willful misconduct as found in a final, non-appealable judgment by a court of competent jurisdiction. Without limitation of the foregoing, each Revolving Credit Lender agrees to reimburse the Revolving Issuing Bank promptly upon demand for its ratable share of any costs and expenses (including, without limitation, fees and expenses of counsel) payable by the Borrower under Section 9.04, to the extent that such Revolving Issuing Bank is not promptly reimbursed for such costs and expenses by the Borrower.

(c) For purposes of Section 7.05(a), (i) each Lender Party's ratable share of any amount shall be determined, at any time, according to the sum of (A) the aggregate principal amount of the Loans outstanding at such time and owing to such Lender Party, (B) in the case of any Revolving Credit Lender, such Revolving Credit Lender's Unused Revolving Credit Commitments at such time and (C) in the case of any Revolving Credit Lender, such Revolving Credit Lender's Pro Rata Shares of the aggregate Available Amount of all Revolving Letters of Credit outstanding at such time; and (ii) each Revolving Credit Lender's ratable share of any amount shall be determined, at any time, according to the sum of (A) the aggregate principal amount of the Revolving Credit Loans outstanding at such time and owing to such Lender, (B) such Lender's Pro Rata Shares of the aggregate Available Amount of all Revolving Letters of Credit outstanding at such time and (C) such Lender's Unused Revolving Credit Commitments at such time; *provided* that the aggregate principal amount of Revolving Letter of Credit Loans owing to the Revolving Issuing Bank shall be considered to be owed to the Revolving Credit Lenders ratably in accordance with their respective Revolving Credit Commitments and Section 7.05(b). The failure of any Lender Party to reimburse any Agent or any Revolving Issuing Bank, as the case may be, promptly upon demand for its ratable share of any amount required to be paid by the Lender Parties to the such Agent or such Revolving Issuing Bank, as the case may be, as provided herein shall not relieve any other Lender Party of its obligation hereunder to reimburse such Agent or Revolving Issuing Bank, as the case may be, for its ratable share of such amount, but no Lender Party shall be responsible for the failure of any other Lender Party to reimburse such Agent or Revolving Issuing Bank, as the case may be, for such other Lender Party's ratable share of such amount. Without prejudice to the survival of any other agreement of any Lender Party hereunder, the agreement and obligations of each Lender Party contained in this Section 7.05 shall survive the payment in full of principal, interest and all other amounts payable hereunder and under the other Loan Documents.

SECTION 7.06. Successor Administrative Agent. The Administrative Agent may resign as to any or all of the Facilities at any time by giving 15 days' written notice thereof to the Lender Parties and the Borrower and may be removed at any time with or without cause by the Required Lenders. Upon any such resignation or removal, the Required Lenders shall have the right, with (so long as no Event of Default has occurred and is continuing) the consent of the Borrower (not to be unreasonably withheld or delayed), to appoint a successor Administrative Agent as to such of the Facilities as to which the Administrative Agent has resigned or been removed. If no successor Administrative Agent shall have been so appointed by the Required Lenders, and shall have accepted such appointment, within 30 days after the retiring Administrative Agent's giving of notice of resignation or the Required Lenders' removal of the retiring Administrative Agent, then the retiring Administrative Agent may, on behalf of the Lender Parties, appoint a successor Administrative Agent, which shall be a commercial bank organized under the laws of the United States or of any State thereof and having a combined capital and surplus of at least $500,000,000. Upon the acceptance of any appointment as Administrative Agent hereunder by a successor Administrative Agent, such successor Administrative Agent shall succeed to and become vested with all the rights, powers, discretion, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations under the Loan Documents. Upon the acceptance of any appointment as Administrative Agent hereunder by a successor Administrative Agent as to less than all of the Facilities, such successor Administrative Agent shall succeed to and become vested with all the rights, powers, discretion, privileges and duties of the retiring

Administrative Agent as to such Facilities, other than with respect to funds transfers and other similar aspects of the administration of Borrowings under such Facilities, issuance of Revolving Letters of Credit (notwithstanding any resignation as Administrative Agent with respect to the Revolving Letter of Credit Facility) and payments by the Borrower in respect of such Facilities, and the retiring Administrative Agent shall be discharged from its duties and obligations under this Agreement as to such Facilities, other than as aforesaid. If within 45 days after written notice is given of the retiring Administrative Agent's resignation or removal under this Section 7.06 no successor Administrative Agent shall have been appointed and shall have accepted such appointment, then on such 45th day (a) the retiring Administrative Agent's resignation or removal shall become effective, (b) the retiring Administrative Agent shall thereupon be discharged from its duties and obligations under the Loan Documents and (c) the Required Lenders shall thereafter perform all duties of the retiring Administrative Agent under the Loan Documents until such time, if any, as the Required Lenders appoint a successor Agent as provided above. After any retiring Administrative Agent's resignation or removal hereunder as Administrative Agent as to any of the Facilities shall have become effective, the provisions of this Article VII shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent as to such Facilities under this Agreement.

SECTION 7.07. First Lien Collateral Agent. Each of the Administrative Agent and the Lender Parties hereby designates and appoints CLMG as First Lien Collateral Agent under this Agreement and the other Loan Documents and authorizes CLMG, in the capacity of First Lien Collateral Agent, to (A) execute, deliver and perform the obligations, if any, of the First Lien Collateral Agent, as applicable under this Agreement and each other Loan Document and (B) take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the First Lien Collateral Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto; *provided, however,* that the First Lien Collateral Agent shall not be required to take any action that exposes the First Lien Collateral Agent to personal liability or that is contrary to this Agreement or applicable law. Without limiting the generality of the foregoing, each of the Administrative Agent and the Lender Parties hereby authorizes and instructs CLMG, in the capacity of First Lien Collateral Agent, to execute and deliver the documents to be entered into by the First Lien Collateral Agent expressly mentioned in Section 3.01, and, without limiting any of the provisions of this Agreement, CLMG, in the capacity of First Lien Collateral Agent, shall continue to be bound by and entitled to all the benefits and protections afforded to the First Lien Collateral Agent under the Intercreditor Agreement, including Section 7 of the Intercreditor Agreement, as if fully set forth herein.

ARTICLE VIII

GUARANTY

SECTION 8.01. Guaranty; Limitation of Liability. (a) Subject in the case of Athens to the Athens Cap Amount, each Guarantor, jointly and severally, hereby absolutely, unconditionally and irrevocably guarantees the punctual payment when due, whether at scheduled maturity or on any date of a required prepayment or by acceleration, demand or otherwise, of all Obligations of each other Loan Party now or hereafter existing under or in respect of the Loan Documents (including, without limitation, any extensions, modifications,

substitutions, amendments or renewals of any or all of the foregoing Obligations), whether direct or indirect, absolute or contingent, and whether for principal, interest, premiums, fees, indemnities, contract causes of action, costs, expenses or otherwise (such Obligations being the "***Guaranteed Obligations***"), and agrees to pay any and all expenses (including, without limitation, reasonable fees and expenses of counsel) incurred by the Administrative Agent or any other Lender Party in enforcing any rights under this Guaranty or any other Loan Document. Without limiting the generality of the foregoing, subject in the case of Athens to the Athens Cap Amount, each Guarantor's liability shall extend to all amounts that constitute part of the Guaranteed Obligations and would be owed by any other Loan Party to any Lender Party under or in respect of the Loan Documents but for the fact that they are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving such other Loan Party.

(b) Each Guarantor, and by its acceptance of this Guaranty, the Administrative Agent and each other Lender Party, hereby confirms that it is the intention of all such Persons that this Guaranty and the obligations of each Guarantor hereunder not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar foreign, federal or state law to the extent applicable to this Guaranty and the obligations of each Guarantor hereunder. To effectuate the foregoing intention, the Administrative Agent, the other Lender Parties and the Guarantors hereby irrevocably agree that the obligations of each Guarantor under this Guaranty at any time shall be limited to the maximum amount as will result in the obligations of such Guarantor under this Guaranty not constituting a fraudulent transfer or conveyance.

(c) Subject in the case of Athens to the Athens Cap Amount, each Guarantor hereby unconditionally and irrevocably agrees that in the event any payment shall be required to be made to any Lender Party under this Guaranty or any other guaranty, such Guarantor will contribute, to the maximum extent permitted by law, such amounts to each other Guarantor and each other guarantor so as to maximize the aggregate amount paid to the Lender Parties under or in respect of the Loan Documents.

SECTION 8.02. Guaranty Absolute. Subject in the case of Athens to the Athens Cap Amount, each Guarantor guarantees that the Guaranteed Obligations will be paid strictly in accordance with the terms of the Loan Documents, regardless of any law, regulation or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of any Lender Party with respect thereto. The obligations of each Guarantor under or in respect of this Guaranty are independent of the Guaranteed Obligations or any other Obligations of any other Loan Party under or in respect of the Loan Documents, and a separate action or actions may be brought and prosecuted against each Guarantor to enforce this Guaranty, irrespective of whether any action is brought against the Borrower or any other Loan Party or whether the Borrower or any other Loan Party is joined in any such action or actions. The liability of each Guarantor under this Guaranty shall be irrevocable, absolute and unconditional irrespective of, and each Guarantor hereby irrevocably waives any defenses it may now have or hereafter acquire in any way relating to, any or all of the following:

(a) any lack of validity or enforceability of any Loan Document or any agreement or instrument relating thereto;

(b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Guaranteed Obligations or any other Obligations of any other Loan Party under or in respect of the Loan Documents, or any other amendment or waiver of or any consent to departure from any Loan Document, including, without limitation, any increase in the Guaranteed Obligations resulting from the extension of additional credit to any Loan Party or any of its Subsidiaries or otherwise;

(e) any change, restructuring or termination of the corporate structure or existence of any Loan Party or any of its Subsidiaries;

(f) any failure of any Lender Party to disclose to any Loan Party any information relating to the business, condition (financial or otherwise), operations, performance, properties or prospects of any other Loan Party now or hereafter known to such Lender Party (each Guarantor waiving any duty on the part of the Lender Parties to disclose such information);

(g) the failure of any other Person to execute or deliver this Agreement or any other guaranty or agreement or the release or reduction of liability of any Guarantor or other guarantor or surety with respect to the Guaranteed Obligations; or

(h) any other circumstance (including, without limitation, any statute of limitations) or any existence of or reliance on any representation by any Lender Party that might otherwise constitute a defense available to, or a discharge of, any Loan Party or any other guarantor or surety.

This Guaranty shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the Guaranteed Obligations is rescinded or must otherwise be returned by any Lender Party or any other Person upon the insolvency, bankruptcy or reorganization of the Borrower or any other Loan Party or otherwise, all as though such payment had not been made.

SECTION 8.03. Waivers and Acknowledgments. (a) Each Guarantor hereby unconditionally and irrevocably waives promptness, diligence, notice of acceptance, presentment, demand for performance, notice of nonperformance, default, acceleration, protest or dishonor and any other notice with respect to any of the Guaranteed Obligations and this Guaranty and any requirement that any Lender Party protect, secure, perfect or insure any Lien or any property subject thereto or exhaust any right or take any action against any Loan Party or any other Person or any Collateral.

(b) Each Guarantor hereby unconditionally and irrevocably waives any right to revoke this Guaranty and acknowledges that this Guaranty is continuing in nature and applies to all Guaranteed Obligations, whether existing now or in the future.

(c) Each Guarantor hereby unconditionally and irrevocably waives (i) any defense arising by reason of any claim or defense based upon an election of remedies by any Lender Party that in any manner impairs, reduces, releases or otherwise adversely affects the subrogation, reimbursement, exoneration, contribution or indemnification rights of such Guarantor or other rights of such Guarantor to proceed against any of the other Loan Parties, any other guarantor or any other Person or any Collateral and (ii) any defense based on any right of set-off or counterclaim against or in respect of the obligations of such Guarantor hereunder.

(d) Each Guarantor acknowledges that the First Lien Collateral Agent may, without notice to or demand upon such Guarantor and without affecting the liability of such Guarantor under this Guaranty, foreclose under any mortgage by nonjudicial sale, and each Guarantor hereby waives any defense to the recovery by the First Lien Collateral Agent and the other First Lien Secured Parties against such Guarantor of any deficiency after such nonjudicial sale and any defense or benefits that may be afforded by applicable law.

(e) Each Guarantor hereby unconditionally and irrevocably waives any duty on the part of any Lender Party to disclose to such Guarantor any matter, fact or thing relating to the business, condition (financial or otherwise), operations, performance, properties or prospects of any other Loan Party or any of its Subsidiaries now or hereafter known by such Lender Party.

(f) Each Guarantor acknowledges that it will receive substantial direct and indirect benefits from the financing arrangements contemplated by the Loan Documents and that the waivers set forth in Section 8.02 and this Section 8.03 are knowingly made in contemplation of such benefits.

SECTION 8.04. Subrogation. Each Guarantor hereby unconditionally and irrevocably agrees not to exercise any rights that it may now have or hereafter acquire against the Borrower or any other Loan Party that arise from the existence, payment, performance or enforcement of such Guarantor's obligations under or in respect of this Guaranty or any other Loan Document, including, without limitation, any right of subrogation, reimbursement, exoneration, contribution or indemnification and any right to participate in any claim or remedy of any Lender Party against the Borrower, any other Loan Party or any Collateral, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, including, without limitation, the right to take or receive from the Borrower or any other Loan Party directly or indirectly, in Cash or other property or by set-off or in any other manner, payment or security on account of such claim, remedy or right, unless and until all of the Guaranteed Obligations and all other amounts payable under this Guaranty shall have been paid in full in Cash, all Revolving Letters of Credit shall be expired or been terminated and the Commitments shall have expired or been terminated. If any amount shall be paid to any Guarantor in violation of the immediately preceding sentence at any time prior to the latest of (a) the payment in full in Cash of the Guaranteed Obligations and all other amounts payable under this Guaranty, (b) the Term B Maturity Date and (c) the latest date of expiration or termination of all Revolving Letters of Credit, such amount shall be received and held in trust for the benefit of the Lender Parties, shall be segregated from other property and funds of such Guarantor and shall forthwith be paid or delivered to the Administrative Agent in the same form as so received (with any necessary endorsement or assignment) to be credited and applied to the Guaranteed Obligations and all other amounts payable under this Guaranty, whether matured or unmatured, in accordance with the terms of the Loan Documents, or to be held as Collateral for any Guaranteed Obligations or

other amounts payable under this Guaranty thereafter arising. If (i) any Guarantor shall make payment to any Lender Party of all or any part of the Guaranteed Obligations, (ii) all of the Guaranteed Obligations and all other amounts payable under this Guaranty shall have been paid in full in Cash, (iii) the Term B Maturity Date shall have occurred, and (c) all Revolving Letters of Credit shall have expired or been terminated, the Lender Parties will, at such Guarantor's request and expense, execute and deliver to such Guarantor appropriate documents, without recourse and without representation or warranty, necessary to evidence the transfer by subrogation to such Guarantor of an interest in the Guaranteed Obligations resulting from such payment made by such Guarantor pursuant to this Guaranty.

SECTION 8.05. Subordination. Each Guarantor hereby subordinates any and all debts, liabilities and other obligations owed to such Guarantor by each other Loan Party (the "***Subordinated Obligations***") to the Guaranteed Obligations to the extent and in the manner hereinafter set forth in this Section 8.05:

(a) Prohibited Payments, Etc. Except during the continuance of any Event of Default, each Guarantor may receive regularly scheduled payments from any other Loan Party on account of the Subordinated Obligations in compliance with the Security Deposit Agreement. After the occurrence and during the continuance of any Event of Default, however, unless the Required Lenders otherwise agree, no Guarantor shall demand, accept or take any action to collect any payment on account of the Subordinated Obligations other than to the extent payment of such Subordinated Obligations is permitted under the terms of the Security Deposit Agreement and the other Loan Documents.

(b) Prior Payment of Guaranteed Obligations. In any proceeding under any Bankruptcy Law relating to any other Loan Party, each Guarantor agrees that the Lender Parties shall be entitled to receive payment in full in Cash of all Guaranteed Obligations (including all interest and expenses accruing after the commencement of a proceeding under any Bankruptcy Law, whether or not constituting an allowed claim in such proceeding ("***Post-Petition Interest***")) before such Guarantor receives payment of any Subordinated Obligations.

(c) Turn-Over. After the occurrence and during the continuance of any Default, each Guarantor shall, if the Administrative Agent so requests, collect, enforce and receive payments on account of the Subordinated Obligations as trustee for the Lender Parties and deliver such payments to the Administrative Agent on account of the Guaranteed Obligations (including all Post-Petition Interest), together with any necessary endorsements or other instruments of transfer, but without reducing or affecting in any manner the liability of such Guarantor under the other provisions of this Guaranty.

(d) Administrative Agent Authorization. After the occurrence and during the continuance of any Default, the Administrative Agent is authorized and empowered (but without any obligation to so do), in its discretion, (i) in the name of each Guarantor, to collect and enforce, and to submit claims in respect of, the Subordinated Obligations and to apply any amounts received thereon to the Guaranteed Obligations (including any and all Post-Petition Interest), and (ii) to require each Guarantor (A) to collect and enforce, and to submit claims in respect of, the Subordinated Obligations and (B) to pay any amounts received on such obligations to the Administrative Agent for application to the Guaranteed Obligations (including any and all Post-Petition Interest).

SECTION 8.06. Continuing Guaranty; Assignments. This Guaranty is a continuing guaranty and shall (a) remain in full force and effect until a Repayment Event has occurred, (b) be binding upon each Guarantor, its successors and assigns and (c) inure to the benefit of and be enforceable by the Lender Parties and their successors, transferees and assigns. Without limiting the generality of clause (c) of the immediately preceding sentence, any Lender Party may assign or otherwise transfer all or any portion of its rights and obligations under this Agreement (including, without limitation, all or any portion of its Commitments, the Loans owing to it and any Note or Notes held by it) to any other Person, and such other Person shall thereupon become vested with all the benefits in respect thereof granted to such Lender Party herein or otherwise, in each case as and to the extent provided in Section 9.07. No Guarantor shall have the right to assign its rights hereunder or any interest herein without the prior written consent of the Required Lenders, which consent may be granted or withheld in the Required Lenders' sole and absolute discretion.

SECTION 8.07. Eligible Contract Participant.

(a) Each Guarantor (other than MACH Gen GP, LLC) represents and warrants on the date hereof that, to the extent any Guaranteed Obligations include Swap Obligations on the date hereof, it is an "eligible contract participant" as defined in the Commodity Exchange Act and the regulations issued thereunder.

(b) Each Guarantor (other than MACH Gen GP, LLC) agrees that at such time as the Guaranteed Obligations of such Guarantor includes Swap Obligations, and at such other times as are required for purposes of the Commodity Exchange Act and the regulations thereunder, such Guarantor shall constitute an "eligible contract participant" as defined in the Commodity Exchange Act and the regulations thereunder.

SECTION 8.08. Keepwell. Each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by any other Guarantor to honor all of such Guarantor's Swap Obligations to the extent included in such Guarantor's Guaranteed Obligations under this Article VIII (*provided, however*, that each Qualified ECP Guarantor shall only be liable under this Section 8.08 for the maximum amount of such liability that can be hereby incurred without rendering its obligation under this Section 8.08, or otherwise under this Article VIII, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of each Qualified ECP Guarantor under this Section 8.08 shall remain in full force and effect until the date on which all the Guaranteed Obligations pursuant to and in accordance with this Article VIII are irrevocably and unconditionally discharged in full (but solely to the extent such Guaranteed Obligations include Swap Obligations). Each Qualified ECP Guarantor intends that this Section 8.08 constitute, and this Section 8.08 shall be deemed to constitute, a keepwell, support, or other agreement for the benefit of each Guarantor for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

SECTION 8.09. Excluded Swap Obligations. In no event shall the Guaranty or any guarantee of any Guarantor in respect of any Swap Obligation under any Hedge Agreements and Commodity Hedge and Power Sale Agreements include, or be deemed to include, a guarantee of any Excluded Swap Obligations.

The Borrower further agrees that the Administrative Agent may make the Communications available to the Lender Parties by posting the Communications on IntraLinks or a substantially similar electronic transmission system (the "***Platform***").

(c) THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE". THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE COMMUNICATIONS, OR THE ADEQUACY OF THE PLATFORM AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS OR OMISSIONS IN THE COMMUNICATIONS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY THE AGENT PARTIES IN CONNECTION WITH THE COMMUNICATIONS OR THE PLATFORM. IN NO EVENT SHALL THE ADMINISTRATIVE AGENT OR ANY OF ITS AFFILIATES OR ANY OF THEIR RESPECTIVE OFFICERS, DIRECTORS, EMPLOYEES, AGENTS, ADVISORS OR REPRESENTATIVES (COLLECTIVELY, "***AGENT PARTIES***") HAVE ANY LIABILITY TO THE BORROWER, ANY LENDER PARTY OR ANY OTHER PERSON OR ENTITY FOR DAMAGES OF ANY KIND, INCLUDING, WITHOUT LIMITATION, DIRECT OR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, LOSSES OR EXPENSES (WHETHER IN TORT, CONTRACT OR OTHERWISE) ARISING OUT OF THE BORROWER'S OR THE ADMINISTRATIVE AGENT'S TRANSMISSION OF COMMUNICATIONS THROUGH THE INTERNET, EXCEPT TO THE EXTENT THE LIABILITY OF ANY AGENT PARTY IS FOUND IN A FINAL NON-APPEALABLE JUDGMENT BY A COURT OF COMPETENT JURISDICTION TO HAVE RESULTED

PRIMARILY FROM SUCH AGENT PARTY'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT.

(d) The Administrative Agent agrees that the receipt of the Communications by the Administrative Agent at its e-mail address set forth above shall constitute effective delivery of the Communications to the Administrative Agent for purposes of the Loan Documents. Each Lender Party agrees (i) that notice to it (as provided in the next sentence) specifying that the Communications have been posted to the Platform shall constitute effective delivery of the Communications to such Lender Party for purposes of the Loan Documents. Each Lender Party agrees to notify the Administrative Agent in writing (including by electronic communication) from time to time of such Lender Party's e-mail address to which the foregoing notice may be sent by electronic transmission and (ii) that the foregoing notice may be sent to such e-mail address. Nothing herein shall prejudice the right of the Administrative Agent or any Lender Party to give any notice or other communication pursuant to any Loan Document in any other manner specified in such Loan Document.

SECTION 9.03. No Waiver; Remedies. No failure on the part of any Lender or any Agent to exercise, and no delay in exercising, any right hereunder or under any Note or any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

SECTION 9.04. Costs and Expenses. (a) The Borrower agrees to pay on demand (i) all costs and expenses of each Agent and Revolving Issuing Bank in connection with the preparation, execution, delivery, administration, modification and amendment of, or any consent or waiver under, the Loan Documents (including, without limitation, (A) all due diligence, collateral review, syndication, transportation, computer, duplication, appraisal, audit, insurance, consultant, search, filing and recording fees and expenses and (B) the reasonable fees and expenses of counsel for each Agent with respect thereto, with respect to advising such Agent or Revolving Issuing Bank, as the case may be, as to its rights and responsibilities, or the perfection, protection or preservation of rights or interests, under the Loan Documents, with respect to negotiations with any Loan Party or with other creditors of any Loan Party or any of its Subsidiaries arising out of any Default or any events or circumstances that may give rise to a Default and with respect to presenting claims in or otherwise participating in or monitoring any bankruptcy, insolvency or other similar proceeding involving creditors' rights generally and any proceeding ancillary thereto) and (ii) all costs and expenses of each Agent and each Lender Party in connection with the enforcement of the Loan Documents, whether in any action, suit or litigation, or any bankruptcy, insolvency or other similar proceeding affecting creditors' rights generally (including, without limitation, the reasonable fees and expenses of counsel for the Administrative Agent and each Lender Party with respect thereto).

(b) The Borrower agrees to indemnify, defend and save and hold harmless each Agent, each Lender Party, each of their Affiliates and the respective officers, directors, employees, trustees, agents and advisors of each of the foregoing (each, an "***Indemnified Party***") from and against, and shall pay on demand, any and all claims, damages, losses, liabilities and expenses (including, without limitation, reasonable fees and expenses of counsel) that may be incurred by or asserted or awarded against any Indemnified Party, in each case arising out of or

in connection with or by reason of (including, without limitation, in connection with any investigation, litigation or proceeding or preparation of a defense in connection therewith) (i) the Facilities, the actual or proposed use of the proceeds of the Loans or the Revolving Letters of Credit, the Loan Documents or any of the transactions contemplated thereby, (ii) the Tax Sharing Agreement or (iii) the actual or alleged presence of Hazardous Materials on any property of any Loan Party or any of its Subsidiaries or any Environmental Action relating in any way to any Loan Party or any of its Subsidiaries, except to the extent such claim, damage, loss, liability or expense is found in a final, non-appealable judgment by a court of competent jurisdiction to have resulted from such Indemnified Party's gross negligence or willful misconduct. In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 9.04(b) applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Loan Party, its directors, shareholders or creditors, any Indemnified Party or any other Person, whether or not any Indemnified Party is otherwise a party thereto and whether or not the transactions contemplated thereby are consummated. The Borrower also agrees not to assert any claim against any Agent, any Lender Party or any of their Affiliates, or any of their respective officers, directors, employees, trustees, agents and advisors, on any theory of liability, for special, indirect, consequential or punitive damages arising out of or otherwise relating to the Facilities, the actual or proposed use of the proceeds of the Loans or the Revolving Letters of Credit, the Loan Documents or any of the transactions contemplated by the Loan Documents.

(c) If (i) any payment of principal of any Loan is made by the Borrower to or for the account of a Lender Party other than on the last day of the Interest Period for such Loan as a result of (A) acceleration of the maturity of the Loans pursuant to Section 6.01 or (B) a mandatory prepayment of the Loans pursuant to Section 2.05(b), or (ii) if the Borrower fails to make any payment or prepayment of a Loan after the Borrower had delivered a notice of prepayment, whether, in the case of this clause (ii), pursuant to Section 2.04, 2.06 or 6.01 or otherwise, the Borrower shall, upon demand by such Lender Party (with a copy of such demand to the Administrative Agent), pay to the Administrative Agent for the account of such Lender Party any amounts required to compensate such Lender Party for any additional losses, costs or expenses that it may reasonably incur as a result of such payment or such failure to pay or prepay, as the case may be, including, without limitation, any loss (excluding loss of anticipated profits), cost or expense incurred by reason of the liquidation or reemployment of deposits or other funds acquired by any Lender Party to fund or maintain such Loan.

(d) If any Loan Party fails to pay when due any costs, expenses or other amounts payable by it under any Loan Document, including, without limitation, fees and expenses of counsel and indemnities, such amount may be paid on behalf of such Loan Party by the Administrative Agent or any Lender Party, in its sole discretion.

(e) Without prejudice to the survival of any other agreement of any Loan Party hereunder or under any other Loan Document, the agreements and obligations of the Borrower contained in Sections 2.10 and 2.12 and this Section 9.04 shall survive the payment in full of principal, interest and all other amounts payable hereunder and under any of the other Loan Documents.

SECTION 9.05. Right of Set-off. Upon (a) the occurrence and during the continuance of any Event of Default and (b) the making of the request or the granting of the

consent specified by Section 6.01 to authorize the Administrative Agent to declare the Loans due and payable pursuant to the provisions of Section 6.01, each Agent and each Lender Party and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and otherwise apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Agent, such Lender Party or such Affiliate to or for the credit or the account of the Borrower against any and all of the Obligations of the Borrower now or hereafter existing under the Loan Documents, irrespective of whether such Agent or such Lender Party shall have made any demand under this Agreement and although such Obligations may be unmatured. Each Agent and each Lender Party agrees promptly to notify the Borrower after any such set-off and application; *provided, however*, that the failure to give such notice shall not affect the validity of such set-off and application. The rights of each Agent and each Lender Party and their respective Affiliates under this Section are in addition to other rights and remedies (including, without limitation, other rights of set-off) that such Agent, such Lender Party and their respective Affiliates may have.

SECTION 9.06. Binding Effect. This Agreement shall become effective when it shall have been executed by the Borrower and each Agent and the Administrative Agent shall have been notified by each initial Lender Party that such initial Lender Party has executed it and thereafter shall be binding upon and inure to the benefit of the Borrower, each Agent and each Lender Party and their respective successors and assigns, except that the Borrower shall not have the right to assign its rights hereunder or any interest herein without the prior written consent of each Lender Party. This Agreement is intended to be solely for the benefit of the parties hereto and is not intended to confer any benefits upon, or create any rights in favor of, any person other than the parties hereto.

SECTION 9.07. Assignments and Participations. (a) Each Lender Party may assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including, without limitation, all or a portion of its Commitment or Commitments, the Loans owing to it, and the Note or Notes held by it); *provided, however*, that (i) each such assignment shall be of a uniform, and not a varying, percentage of all rights and obligations under and in respect of any or all Facilities, (ii) except in the case of an assignment to a Person that, immediately prior to such assignment, was a Lender Party, an Affiliate of any Lender Party or an Approved Fund of any Lender Party or an assignment of all of a Lender Party's rights and obligations under this Agreement, the aggregate amount of the Commitments being assigned to such Eligible Assignee pursuant to such assignment (determined as of the date of the Assignment and Acceptance with respect to such assignment) shall in no event be less than $2,000,000 (or such lesser amount as shall be approved by the Administrative Agent and, so long as no Default shall have occurred and be continuing at the time of effectiveness of such assignment, the Borrower), (iii) each such assignment shall be to an Eligible Assignee, (iv) no such assignments shall be permitted without the written consent of the Administrative Agent, which consent shall not be unreasonably withheld and (v) the parties to each such assignment shall execute and deliver to the Administrative Agent, for its acceptance and recording in the Register, an Assignment and Acceptance, together with any Note or Notes (if any) subject to such assignment.

(b) [Reserved].

(c) [Reserved].

(d) Upon such execution, delivery, acceptance and recording, from and after the effective date specified in such Assignment and Acceptance, (i) the assignee thereunder shall be a party hereto and, to the extent that rights and obligations hereunder have been assigned to it pursuant to such Assignment and Acceptance, have the rights and obligations of a Lender or Revolving Issuing Bank, as the case may be, hereunder and (ii) the Lender or Revolving Issuing Bank assignor thereunder shall, to the extent that rights and obligations hereunder have been assigned by it pursuant to such Assignment and Acceptance, relinquish its rights (other than its rights under Sections 2.10, 2.12 and 9.04 to the extent any claim thereunder relates to an event arising prior to such assignment) and be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the remaining portion of an assigning Lender's or Revolving Issuing Bank's rights and obligations under this Agreement, such Lender or Revolving Issuing Bank shall cease to be a party hereto).

(e) By executing and delivering an Assignment and Acceptance, each Lender Party assignor thereunder and each assignee thereunder confirm to and agree with each other and the other parties thereto and hereto as follows: (i) other than as provided in such Assignment and Acceptance, such assigning Lender Party makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with any Loan Document or the execution, legality, validity, enforceability, genuineness, sufficiency or value of, or the perfection or priority of any lien or security interest created or purported to be created under or in connection with, any Loan Document or any other instrument or document furnished pursuant thereto; (ii) such assigning Lender Party makes no representation or warranty and assumes no responsibility with respect to the financial condition of any Loan Party or the performance or observance by any Loan Party of any of its obligations under any Loan Document or any other instrument or document furnished pursuant thereto; (iii) such assignee confirms that it has received a copy of this Agreement, together with copies of the financial statements referred to in Section 4.01 and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (iv) such assignee will, independently and without reliance upon any Agent, such assigning Lender Party or any other Lender Party and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement; (v) such assignee confirms that it is an Eligible Assignee; (vi) such assignee appoints and authorizes each Agent to take such action as agent on its behalf and to exercise such powers and discretion under the Loan Documents as are delegated to such Agent by the terms hereof and thereof, together with such powers and discretion as are reasonably incidental thereto; and (vii) such assignee agrees that it will perform in accordance with their terms all of the obligations that by the terms of this Agreement are required to be performed by it as a Lender or Revolving Issuing Bank, as the case may be.

(f) The Administrative Agent, acting for this purpose (but only for this purpose) as the agent of the Borrower, shall maintain at its address referred to in Section 9.02 a copy of each Assignment and Acceptance delivered to and accepted by it and a register for the recordation of the names and addresses of the Lender Parties and the Commitment under each Facility of, and principal amount of the Loans owing under each Facility to, each Lender Party from time to time (the "***Register***"). The entries in the Register shall be conclusive and binding

for all purposes, absent manifest error, and the Borrower, the Agents and the Lender Parties shall treat each Person whose name is recorded in the Register as a Lender Party hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrower or any Agent or any Lender Party at any reasonable time and from time to time upon reasonable prior notice.

(g) Upon its receipt of an Assignment and Acceptance executed by an assigning Lender Party and an assignee, together with any Note or Notes (if any) subject to such assignment, the Administrative Agent shall, if such Assignment and Acceptance has been completed and is in substantially the form of Exhibit C hereto, (i) accept such Assignment and Acceptance, (ii) record the information contained therein in the Register and (iii) give prompt notice thereof to the Borrower and each other Agent. In the case of any assignment by a Lender, within five Business Days after its receipt of such notice, the Borrower, at its own expense, shall execute and deliver to the Administrative Agent in exchange for the surrendered Note or Notes (if any) an amended and restated Note (which shall be marked "*Amended and Restated*") to the order of such Eligible Assignee in an amount equal to the Commitment assumed by it under each Facility pursuant to such Assignment and Acceptance and, if any assigning Lender that had a Note or Notes prior to such assignment has retained a Commitment hereunder under such Facility, an amended and restated Note to the order of such assigning Lender in an amount equal to the Commitment retained by it hereunder. Such amended and restated Note or Notes shall be dated the effective date of such Assignment and Acceptance and shall otherwise be in substantially the form of Exhibit A-1 or A-2 hereto, as the case may be.

(h) Each Lender Party may sell participations to one or more Persons (other than any Loan Party or any of its Affiliates) in or to all or a portion of its rights and obligations under this Agreement (including, without limitation, all or a portion of its Commitments, the Loans owing to it and the Note or Notes (if any) held by it); *provided*, *however*, that (i) such Lender's obligations under this Agreement (including, without limitation, its Commitments) shall remain unchanged, (ii) such Lender Party's shall remain solely responsible to the other parties hereto for the performance of such obligations, (iii) such Lender Party shall remain the holder of any such Note for all purposes of this Agreement, (iv) the Borrower, the Agents and the other Lender Parties shall continue to deal solely and directly with such Lender Party in connection with such Lender Party's rights and obligations under this Agreement and (v) no participant under any such participation shall have any right to approve any amendment or waiver of any provision of any Loan Document, or any consent to any departure by any Loan Party therefrom.

(i) Any Lender Party may, in connection with any assignment or participation or proposed assignment or participation pursuant to this Section 9.07, disclose to the assignee or participant or proposed assignee or participant any information relating to the Borrower furnished to such Lender Party by or on behalf of the Borrower; *provided*, *however*, that, prior to any such disclosure, the assignee or participant or proposed assignee or participant shall agree to preserve the confidentiality of any Confidential Information received by it from such Lender Party.

(j) Notwithstanding any other provision set forth in this Agreement, any Lender Party may at any time create a security interest in all or any portion of its rights under this Agreement (including, without limitation, the Loans owing to it and the Note or Notes (if

any) held by it) in favor of any Federal Reserve Bank or Federal Home Loan Bank in accordance with Regulation A of the Board of Governors of the Federal Reserve System or similar laws and regulations relating to the Federal Home Loan Banks.

(k) Notwithstanding anything to the contrary contained herein, any Lender that is a Fund may, without the consent of the Borrower or any other Person, create a security interest in all or any portion of the Loans owing to it and any Note or Notes held by it to the trustee for holders of obligations owed, or securities issued, by such Fund as security for such obligations or securities; *provided* that, unless and until such trustee actually becomes a Lender in compliance with the other provisions of this Section 9.07, (i) no such pledge shall release the pledging Lender from any of its obligations under the Loan Documents and (ii) such trustee shall not be entitled to exercise any of the rights of a Lender under the Loan Documents even though such trustee may have acquired ownership rights with respect to the pledged interest through foreclosure or otherwise.

(l) Notwithstanding anything to the contrary contained herein, any Lender Party (a "***Granting Lender***") may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower (an "***SPC***") the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; *provided* that (i) nothing herein shall constitute a commitment by any SPC to fund any Loan and (ii) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Each party hereto hereby agrees that (i) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender Party would be liable, (ii) no SPC shall be entitled to the benefits of Sections 2.10 and 2.12 (or any other increased costs protection provision) and (iii) the Granting Lender shall for all purposes, including, without limitation, the approval of any amendment or waiver of any provision of any Loan Document, remain the Lender Party of record hereunder. In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior Debt of any SPC, it will not institute against, or join any other person in instituting against, such SPC any bankruptcy, reorganization, arrangement, insolvency or liquidation proceeding under the laws of the United States or any State thereof. Notwithstanding anything to the contrary contained in this Agreement, any SPC may (i) with notice to, but without prior consent of, the Borrower and the Administrative Agent and with the payment of a processing fee of $500, assign all or any portion of its interest in any Loan to the Granting Lender and (ii) disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or guarantee or credit or liquidity enhancement to such SPC. This subsection (l) may not be amended without the prior written consent of each Granting Lender, all or any part of whose Loans are being funded by the SPC at the time of such amendment.

SECTION 9.08. Execution in Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery by telecopier of an executed counterpart of a

signature page to this Agreement shall be effective as delivery of an original executed counterpart of this Agreement.

SECTION 9.09. No Liability of the Revolving Issuing Banks. The Borrower assumes all risks of the acts or omissions of any beneficiary or transferee of any Revolving Letter of Credit with respect to its use of such Revolving Letter of Credit. Neither any Revolving Issuing Bank nor any of its officers or directors shall be liable or responsible for: (a) the use that may be made of any Revolving Letter of Credit or any acts or omissions of any beneficiary or transferee in connection therewith; (b) the validity, sufficiency or genuineness of documents, or of any endorsement thereon, even if such documents should prove to be in any or all respects invalid, insufficient, fraudulent or forged; (c) payment by such Revolving Issuing Bank against presentation of documents that do not comply with the terms of a Revolving Letter of Credit, including failure of any documents to bear any reference or adequate reference to the Revolving Letter of Credit; or (d) any other circumstances whatsoever in making or failing to make payment under any Revolving Letter of Credit, except that the Borrower shall have a claim against such Revolving Issuing Bank, and such Revolving Issuing Bank shall be liable to the Borrower, to the extent of any direct, but not consequential, damages suffered by the Borrower that the Borrower proves were caused by (i) such Revolving Issuing Bank's willful misconduct or gross negligence as determined in a final, non-appealable judgment by a court of competent jurisdiction in determining whether documents presented under any Revolving Letter of Credit comply with the terms of the Revolving Letter of Credit or (ii) such Revolving Issuing Bank's willful failure to make lawful payment under a Revolving Letter of Credit after the presentation to it of a draft and certificates strictly complying with the terms and conditions of the Revolving Letter of Credit. In furtherance and not in limitation of the foregoing, such Revolving Issuing Bank may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary and, in connection therewith, shall adhere to Uniform Customs and Practice for Documentary Credits as in effect as at the time of the issuance of the applicable Revolving Letter of Credit.

SECTION 9.10. Confidentiality. Neither any Agent nor any Lender Party shall disclose any Confidential Information to any Person without the consent of the Borrower, other than (a) to such Agent's or such Lender Party's Affiliates and their officers, directors, employees, trustees, agents and advisors and to actual or prospective Eligible Assignees and participants, and then only on a confidential basis, (b) as required by any law, rule or regulation or judicial process, (c) as requested or required by any state, Federal or foreign authority or examiner (including the National Association of Insurance Commissioners or any similar organization or quasi-regulatory authority) regulating such Lender Party, (d) to any rating agency when required by it, *provided* that, prior to any such disclosure, such rating agency shall undertake to preserve the confidentiality of any Confidential Information relating to the Loan Parties received by it from such Lender Party, (e) in connection with any litigation or proceeding to which such Agent or such Lender Party or any of its Affiliates may be a party or (f) in connection with the exercise of any right or remedy under this Agreement or any other Loan Document.

SECTION 9.11. Marshalling; Payments Set Aside. Neither any Agent nor any Lender Party shall be under any obligation to marshal any assets in favor of any Loan Party or any other Person or against or in payment of any or all of the Obligations. To the extent that any Loan Party makes a payment or payments to the Administrative Agent or the Lender Parties (or

to Administrative Agent, on behalf of the Lender Parties), or any Agent or Lender Party enforces any security interests or exercise its rights of setoff, and such payment or payments or the proceeds of such enforcement or setoff or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside and/or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, any other state or federal law, common law or any equitable cause, then, to the extent of such recovery, the obligation or part thereof originally intended to be satisfied, and all Liens, rights and remedies therefor or related thereto, shall be revived and continued in full force and effect as if such payment or payments had not been made or such enforcement or setoff had not occurred.

SECTION 9.12. Patriot Act Notice. Each Lender Party and each Agent (for itself and not on behalf of any Lender Party) hereby notifies the Loan Parties that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of such Loan Party and other information that will allow such Lender Party or such Agent, as applicable, to identify such Loan Party in accordance with the Patriot Act. The Borrower shall, and shall cause each of its Subsidiaries to, provide such information and take such actions as are reasonably requested by any Agent or any Lender Party in order to assist the Agents and the Lender Parties in maintaining compliance with the Patriot Act.

SECTION 9.13. Jurisdiction, Etc.. (a) Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of any New York State court or Federal court of the United States of America sitting in New York City, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or any of the other Loan Documents to which it is a party, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in any such New York State court or, to the fullest extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Except as provided in Section 9.16, nothing in this Agreement shall affect any right that any party may otherwise have to bring any action or proceeding relating to this Agreement or any of the other Loan Documents in the courts of any jurisdiction.

(b) Each of the parties hereto irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any of the other Loan Documents to which it is a party in any New York State or Federal court. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

SECTION 9.14. Governing Law. This Agreement and the Notes shall be governed by, and construed in accordance with, the laws of the State of New York.

SECTION 9.15. Waiver of Jury Trial. Each of the Borrower, the Agents and the Lender Parties irrevocably waives all right to trial by jury in any action, proceeding or

counterclaim (whether based on contract, tort or otherwise) arising out of or relating to any of the Loan Documents, the Loans, the Revolving Letters of Credit or the actions of any Agent or any Lender Party in the negotiation, administration, performance or enforcement thereof.

SECTION 9.16. Limitation on Liability. TO THE EXTENT PERMITTED BY APPLICABLE LAW, AND NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT OR THE OTHER LOAN DOCUMENTS: (A) NONE OF THE ADMINISTRATIVE AGENT, THE LENDER PARTIES OR ANY INDEMNIFIED PARTY SHALL BE LIABLE TO ANY PARTY FOR ANY INDIRECT, SPECIAL, PUNITIVE OR CONSEQUENTIAL DAMAGES IN CONNECTION WITH THEIR RESPECTIVE ACTIVITIES RELATED TO THIS AGREEMENT, THE OTHER LOAN DOCUMENTS, THE TRANSACTIONS CONTEMPLATED THEREBY, THE TERM B LOAN, THE REVOLVING CREDIT LOANS, THE REVOLVING LETTER OF CREDIT LOANS OR OTHERWISE IN CONNECTION WITH THE FOREGOING; (B) WITHOUT LIMITING THE FOREGOING, NONE OF THE ADMINISTRATIVE AGENT, THE LENDER PARTIES OR ANY INDEMNIFIED PARTY SHALL BE SUBJECT TO ANY EQUITABLE REMEDY OR RELIEF, INCLUDING SPECIFIC PERFORMANCE OR INJUNCTION ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE OTHER LOAN DOCUMENTS, OR THE TRANSACTIONS CONTEMPLATED THEREBY; (C) NONE OF THE ADMINISTRATIVE AGENT, THE LENDER PARTIES OR ANY INDEMNIFIED PARTY SHALL HAVE ANY LIABILITY TO THE LOAN PARTIES, FOR DAMAGES OR OTHERWISE, ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE OTHER LOAN DOCUMENTS, OR THE TRANSACTIONS CONTEMPLATED THEREBY UNTIL THE EFFECTIVE DATE HAS OCCURRED; AND (D) IN NO EVENT SHALL LENDERS' LIABILITY TO THE LOAN PARTIES FOR FAILURE TO FUND ANY REVOLVING CREDIT LOAN EXCEED ACTUAL DIRECT DAMAGES INCURRED BY THE LOAN PARTIES OF UP TO $20,000,000 IN THE AGGREGATE.

SECTION 9.17. Amendment and Restatement. Except as expressly set forth herein, it is the intention of each of the parties hereto that:

(a) this Agreement does not constitute a novation of the obligations and liabilities of the parties under the Original Credit Agreement or the other Loan Documents as in effect prior to the Restatement Date and that remain outstanding as of the Restatement Date;

(b) this Agreement (including all Exhibits and Schedules attached hereto) amends, restates, replaces and supersedes in its entirety the Original Credit Agreement (including all Exhibits and Schedules attached thereto) on the Restatement Date and the Original Credit Agreement (including all Exhibits and Schedules attached thereto) thereafter shall be of no further force and effect;

(c) this Agreement constitutes an amendment of the Original Credit Agreement made under and in accordance with the terms of Section 9.01 of the Original Credit Agreement and, in connection therewith, the amendments set forth herein shall be binding upon all of the parties to the Original Credit Agreement with the written consent of the Administrative Agent, the First Lien Collateral Agent and each Lender Party under the Original Credit Agreement immediately prior to giving effect to this Agreement on the Restatement Date;

(d) from and after the Restatement Date, all references to the "First Lien Credit Agreement" contained in the Loan Documents (including all exhibits, schedules, annexes and other attachments attached hereto) shall be deemed to refer to this Agreement and all references to any section (or subsection) of this Agreement in any other Loan Document shall be amended to become, *mutatis mutandis*, references to the corresponding provisions of this Agreement; and

(e) all Obligations (as modified by this Agreement on the Restatement Date) continue to be valid, enforceable and in full force and effect and not be impaired, in any respect, by the effectiveness of this Agreement.

SECTION 9.18. Acknowledgment and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of any EEA Resolution Authority.

[***Remainder of Page Intentionally Left Blank***]

2. In the event any insurance (including the limits or deductibles thereof) hereby required to be maintained, other than insurance required by law to be maintained shall not be available or commercially feasible in the commercial insurance market, the Secured Parties shall not unreasonably withhold their agreement to waive such requirement to the extent the maintenance thereof is not so available; provided, however, that: (i) the Borrower shall first request any such waiver in writing ten (10) Business Days prior to the policy renewal, which request shall be accompanied by written reports prepared by the Borrower's insurance broker and the independent insurance consultant certifying that such insurance is not

reasonably available and commercially feasible in the commercial insurance market for electric generating plants of similar type and capacity (and, in any case where the required amount is not so available, certifying as to the maximum amount which is so available) and explaining in detail the basis for such conclusions, such insurance advisers and the form and substance of such reports to be reasonably acceptable to the Administrative Agent and the First Lien Collateral Agent; (ii) at any time after the granting of any such waiver, the Administrative Agent and the First Lien Collateral Agent may request, and the Borrower shall furnish to the Administrative Agent and the First Lien Collateral Agent within fifteen (15) days after such request, supplemental reports reasonably acceptable to the Administrative Agent and the First Lien Collateral Agent from such insurance advisers updating their prior reports and reaffirming such conclusion; and (iii) any such waiver shall be effective only so long as such insurance shall not be available and commercially feasible in the commercial insurance market, it being understood that the failure of the Borrower to timely furnish any such supplemental report shall be conclusive evidence that such waiver is no longer effective because such condition no longer exists, but that such failure is not the only way to establish such non-existence.

3. Endorsements. Policies issued pursuant hereto shall contain the following or equivalent unless waived by Administrative Agent and the First Lien Collateral Agent with the consent of the Secured Parties in accordance with the Credit Agreement. All policies of liability insurance required to be maintained shall be endorsed as follows: (i) to name the Borrower or the Guarantors, as applicable, and its respective officers and employees as named insureds, and to name the Administrative Agent, the First Lien Collateral Agent and the Secured Parties and their respective officers and employees as additional insureds; (ii) to provide a severability of interests and cross liability clause; and (iii) to provide that the insurance shall be primary and not excess to or contributing with any insurance or self-insurance maintained by the Secured Parties.

4. Waiver of Subrogation. The Borrower and each of its Subsidiaries hereby waives any and every claim for recovery from the Secured Parties, the Administrative Agent and the First Lien Collateral Agent for any and all loss or damage covered by any of the insurance policies to be maintained under the Loan Documents to the extent that such loss or damage is recovered under any such policy. Inasmuch as the foregoing waiver will preclude the assignment of any such claim to the extent of such recovery, by subrogation (or otherwise), to an insurance company (or other Person), the Borrower shall give written notice of the terms of such waiver to each insurance company which has issued, or which may issue in the future, any such policy of insurance (if such notice is required by the insurance policy) and shall cause each such insurance policy to be properly endorsed by the issuer thereof to, or to otherwise contain one or more provisions that, prevent the invalidation of the insurance coverage provided thereby by reason of such waiver.

Insurer to provide that there shall be no recourse against any Secured Party for payment of premiums or other amounts with respect thereto.

5. Additional Provisions.

a. Loss Notification: The Borrower shall promptly notify the Administrative Agent and the First Lien Collateral Agent of any Casualty Event likely to give rise to a claim under the physical damage insurance policy for an amount in excess of $5,000,000.

b. Payment of Loss Proceeds: The all-risk, property, machinery, marine cargo, transit, physical damage and other applicable first party insurance policies shall include a standard lender's 438 BFU loss payable endorsement (or other acceptable endorsement) in favor of the First Lien Collateral Agent and shall name the First Lien Collateral Agent as sole loss payee.

c. The loss payable endorsement described in the previous paragraph shall contain non-vitiation language reasonably acceptable to the Administrative Agent and the First Lien Collateral Agent which shall provide that in the event that any of the Loan Parties performs a vitiating act that might otherwise void coverage, the coverage will remain in full force and effect for the benefit of the Secured Parties.

d. Loss Adjustment and Settlement: A loss under any of the first party policies (including property and machinery) shall be adjusted with the insurance companies, including the filing in a timely manner of appropriate proceedings, by the Borrower, subject to the approval of the Administrative Agent and the First Lien Collateral Agent, which shall be not unreasonably withheld or delayed, for any claims incurred above an annual cumulative claim amount of $5,000,000. In addition, the Borrower may in its reasonable judgment consent to the settlement of any loss, provided that in the event that the amount of the loss exceeds $5,000,000 the terms of such settlement are approved by the Administrative Agent and the First Lien Collateral Agent (which approval shall not be unreasonably withheld or delayed).

e. In the event that any Loan Party fails to respond in a timely and appropriate manner (as reasonably determined by the Administrative Agent and the First Lien Collateral Agent) to take any steps necessary or reasonably requested by the Administrative Agent or the First Lien Collateral Agent to collect from any insurers for any loss covered by any insurance required to be maintained by this Schedule, the Administrative Agent and the First Lien Collateral Agent shall have the right to make all proofs of loss, adjust all claims and/or receive all or any part of the proceeds of the foregoing insurance policies, either in its own name or the name of the Borrower; provided, however, that such

Loan Party shall, upon the Administrative Agent's or the First Lien Collateral Agent's request and at such Loan Party's own cost and expense, make all proofs of loss and take all other steps necessary or reasonably requested by the Administrative Agent or the First Lien Collateral Agent, as the case may be, to collect from insurers for any loss covered by any insurance required to be obtained by this Schedule.

f. Policy Cancellation and Change: All policies of insurance required to be maintained pursuant to this Schedule shall be endorsed so that if at any time they should be canceled, or coverage be materially reduced, such cancellation or reduction shall not be effective as to the Secured Parties for forty-five (45) days, except for non-payment of premium which shall be for ten (10) days, after receipt by the Administrative Agent and the First Lien Collateral Agent of written notice from such insurer (or the Borrower's insurance broker) of such cancellation or reduction. Such policy provisions shall also provide that in the event the Borrower fails to pay the premium, the First Lien Collateral Agent and the Administrative Agent shall have the right (but not the obligation) to pay the premium and continue coverage. Suspension of coverage for machinery breakdown for specific equipment due to the insurers exercising a suspension clause will be immediate but the Borrower or its insurance broker shall provide immediate written notification as soon as coverage is suspended.

g. Miscellaneous Policy Provisions: The all-risk, property and machinery insurance policies shall (A) not include any annual or term aggregate limits of liability or clause requiring the payment of an additional premium to reinstate the limits after loss except as regards the insurance applicable to the perils of flood, earth movement, named windstorm, and (subject to agreement with the Administrative Agent and the First Lien Collateral Agent) sabotage and terrorism, (B) include the Administrative Agent and the First Lien Collateral Agent as additional insured on behalf of the Secured Parties in all policies (where permitted by applicable law), and (C) include a clause requiring the insurer to make final payment on any claim within ninety (90) days after the submission of final proof of loss and its acceptance by the insurer.

6. Separation of Interests: All liability policies shall insure the interests of the Secured Parties regardless of any breach or violation by the Loan Parties, or any other Person of warranties, declarations or conditions contained in such policies, or any action or inaction of the Loan Parties. This provision may be satisfied with a policy endorsement acceptable to the Administrative Agent and the First Lien Collateral Agent with the advice of their independent insurance consultant.

7. Reinstatement or Replacement of Limits: In the event that the insurance policies for this transaction are also insuring other assets that are not part of this transaction, in the event that limits or sub limits (including any aggregated limits

or sub limits) are eroded due to losses at other locations, the Loan Parties shall immediately have the limits or sub limits reinstated or replaced for the benefit of the assets in this transaction.

8. Evidence of Insurance. On the Effective Date of the Original Credit Agreement and on an annual basis within 15 days of each policy anniversary, the Borrower shall furnish the Administrative Agent and First Lien Collateral Agent with (i) certification of all required insurance marked "premium paid" or accompanied by other evidence of payment reasonably satisfactory to the Administrative Agent and the First Lien Collateral Agent and (ii) a schedule of the insurance policies held by or for the benefit of the Loan Parties and required to be in force by the provisions of this Schedule. Such certification shall be executed by each insurer or by an authorized representative of each insurer where it is not practical for such insurer to execute the certificate itself. Such certification shall identify carriers, the type of insurance, the insurance limits and the policy term and shall specifically list the special provisions enumerated for such insurance required by this Schedule. The schedule of insurance shall include the name of the insurance company, policy number, type of insurance, major limits of liability and expiration date of the insurance policies. Upon reasonable prior written request, the Borrower and each of the Guarantors will (i) permit the Administrative Agent and the First Lien Collateral Agent to inspect copies of all insurance policies at the office of the Borrower or the Guarantors during normal business hours and (ii) furnish the Administrative Agent and the First Lien Collateral Agent with copies of all binders and cover notes or other evidence of such insurance relating to the insurance required to be maintained hereunder, provided that after the occurrence of any Default or any Event of Default, upon request, the Borrower will furnish the Administrative Agent and the First Lien Collateral Agent with copies of the insurance policies relating to the Projects.

9. Reports. Concurrently with the furnishing of the certification referred to in Paragraph 8 above, the Borrower shall furnish the Administrative Agent and the First Lien Collateral Agent with a letter from its insurance broker, signed by an officer of the insurance broker, stating that in the opinion of the insurance broker, the insurance then carried or to be renewed is in accordance with the terms of this Schedule. Such report shall not be subject to any non-customary qualification with respect to the scope of review or the information made available.

10. Failure to Maintain Insurance. In the event the Borrower fails to maintain, or fails to cause to be maintained the full insurance coverage required by this Schedule, the Administrative Agent or the First Lien Collateral Agent, upon thirty (30) days' prior notice (unless the aforementioned insurance would lapse within such period, in which event notice should be given as soon as reasonably possible) to the Borrower of any such failure, may (but shall not be obligated to) take out the required policies of insurance and pay the premiums on the same. All amounts so

advanced therefore by the Administrative Agent or the First Lien Collateral Agent shall become an additional Obligation of the Borrower, and the Borrower shall forthwith pay such amounts to the Administrative Agent, together with Default Interest thereon from the date so advanced until fully paid.

11. No Duty of First Lien Collateral Agent to Verify or Review. No provision of this Schedule or any provision of any Loan Document shall impose on the Administrative Agent, the First Lien Collateral Agent or any Secured Party any duty or obligation to verify the existence or adequacy of the insurance coverage maintained pursuant to this Schedule, nor shall the Administrative Agent, the First Lien Collateral Agent or any Secured Party be responsible for any representations or warranties made by or on behalf of the Borrower to any insurance company or underwriter. Any failure on the part of the Administrative Agent, the First Lien Collateral Agent or any Secured Party to pursue or obtain the evidence of insurance required by this Agreement and/or failure of the Administrative Agent, the First Lien Collateral Agent or any Secured Party to point out any non-compliance of such evidence of insurance shall not constitute a waiver of any of the insurance requirements in this Agreement.

12. Foreclosure. In the event of a foreclosure of any of the Projects under any Loan Document or other transfer of a title to any of the Projects in extinguishment in whole or in part of the Obligations, all right, title and interest of the Loan Party in and to the insurance policies then in force concerning such Project and all proceeds payable thereunder shall thereupon vest in the Administrative Agent or the purchaser at such foreclosure or other transferee in the event of such other transfer of title.

13. Notice of Injurious Exposure to Conditions. It is agreed that failure of any agent, servant, or employee of the insured other than the owner, partner of any partnership, or an officer of the insured to notify the company of any occurrence of which he has knowledge shall not invalidate the insurance afforded by this policy as respects the named insured and additional insureds.

14. No Coinsurance. All insurance coverage shall be on a "no coinsurance or self-insurance/replacement cost" basis and in such form (including the form of the loss payable clauses) as shall be acceptable to Administrative Agent and the First Lien Collateral Agent (which acceptance shall not be unreasonably withheld).

15. Claims Made Forms. In the event that any policy is written on a "claims-made" basis and such policy is not renewed or the retroactive date of such policy is to be changed, the Borrower shall obtain for each such policy or policies the broadest basic and supplemental extended reporting period coverage ("tail" coverage) or prior acts coverage ("nose" coverage) as is reasonably available in the commercial insurance market for each such policy or policies and shall provide

Administrative Agent and the First Lien Collateral Agent with proof that such extended reporting period coverage or prior acts coverage has been obtained.

F. MACH Gen Entities' Stipulations. Subject to the rights of any Committee or other parties-in-interest as and to the extent set forth in paragraph 33 below, the MACH Gen Entities acknowledge, admit, represent, stipulate and agree that:

(i) *First Lien Prepetition Obligations*. As of the Petition Date, the First Lien Prepetition Obligations for which the MACH Gen Entities are truly and justly indebted to the First Lien Lenders, without defense, counterclaim, recoupment or offset of any kind, included (x)(1) the aggregate principal amount of not less than approximately $132,953,263.52 on account of First Lien Prepetition Obligations incurred under and in connection with the Prepetition Revolving Credit Facility, plus (2) the aggregate face amount of $26,771,841.00 on account of issued and outstanding undrawn Revolving Letters of Credit under the Prepetition Revolving Credit Facility, (y) the aggregate principal amount of not less than approximately $465,114,835.06 on account of First Lien Prepetition Obligations incurred under and in connection with the Prepetition Term Loan Facility, and (z) all other First Lien Prepetition Obligations.

(ii) *Prepetition First Liens Not Subject to Avoidance.* The Prepetition First Liens (a) constitute valid, binding, enforceable, nonavoidable, and properly perfected liens on the Prepetition Collateral that, prior to entry of this Interim Order, were senior in priority (except for any senior Permitted Liens (as defined in and) to the extent expressly permitted under the First Lien Credit Agreement) over any and all other liens on the Prepetition Collateral; and (b) are not subject to avoidance, reductions, recharacterization, set-off, subordination (whether equitable, contractual or otherwise), counterclaims, cross-claims, defenses or any other challenges under the Bankruptcy Code or any other applicable law or regulation (except insofar as such liens are subordinated to the DIP Liens, the Adequate Protection Liens in respect of the First Lien Lenders, and the Carve-Out (each term as defined below) in accordance with the provisions of this Interim Order and the other DIP Loan Documents).

(iii) *No Claims*. The MACH Gen Entities have no valid claims (as such term is defined in section 101(5) of the Bankruptcy Code) or causes of action against the First Lien Agent or any First Lien Lenders with respect to the First Lien Financing Documents, the First Lien Prepetition Obligations, the Prepetition First Liens, or otherwise, whether arising at law or at equity, including, without limitation, any challenge, recharacterization, subordination, avoidance or other claims arising under or pursuant to sections 105, 510, 541 or 542 through 553, inclusive, of the Bankruptcy Code.

(iv) *Indemnity*. The First Lien Agent, the First Lien Lenders, the DIP Agent and the DIP Lenders have acted in good faith, and without negligence or violation of public policy or law, in respect of all actions taken by them in connection with or related in any way to negotiating, implementing, documenting or obtaining requisite approvals of the RSA, the A&R First Lien Credit Agreement, the DIP Facility, and the use of Cash Collateral, including in respect of the granting of the DIP Liens and the Adequate Protection Liens, any challenges or objections to the DIP Facility or the use of Cash Collateral, and all documents related to any and all transactions contemplated by the foregoing. Accordingly, the First Lien Agent, the First Lien Lenders, the DIP Agent and the DIP Lenders shall be and hereby are indemnified and held harmless by the MACH Gen Entities in respect of any claim or liability incurred in respect thereof or in any way related thereto, provided that no such parties will be indemnified for any cost, expense or liability to the extent determined in a final, non-appealable judgment of a court of competent jurisdiction to have resulted primarily from such parties' gross negligence or willful misconduct. No exception or defense in contract, law or equity exists as to any obligation set forth, as the case may be, in this paragraph F(iv), in the First Lien Financing Documents or in the

DIP Loan Documents, to indemnify and/or hold harmless the First Lien Agent, the First Lien Lenders, the DIP Agent or the DIP Lenders, as the case may be.

(v) *Release*. The MACH Gen Entities hereby stipulate and agree that they forever and irrevocably release, discharge and acquit the DIP Agent, the First Lien Agent, all former, current and future First Lien Lenders and DIP Lenders, and each of their respective successors, assigns, affiliates, subsidiaries, parents, officers, shareholders, directors, employees, attorneys and agents, past, present and future, and their respective heirs, predecessors, successors and assigns (collectively, the "Releasees") of and from any and all claims, controversies, disputes, liabilities, obligations, demands, damages, expenses (including, without limitation, reasonable attorneys' fees), debts, liens, actions and causes of action of any and every nature whatsoever relating to, as applicable, the DIP Facility, the DIP Loan Documents, the Prepetition First Lien Facilities, the First Lien Financing Documents and/or the transactions contemplated hereunder or thereunder including, without limitation, (x) any so-called "lender liability" or equitable subordination claims or defenses, (y) any and all claims and causes of action arising under the Bankruptcy Code, and (z) any and all claims and causes of action with respect to the validity, priority, perfection or avoidability of the liens or claims of the First Lien Agent, the First Lien Lenders, the DIP Agent and the DIP Lenders. The MACH Gen Entities further waive and release any defense, right of counterclaim, right of set-off or deduction to the payment of the First Lien Prepetition Obligations and the DIP Obligations which the MACH Gen Entities now have or may claim to have against the Releasees, arising out of, connected with or relating to any and all acts, omissions or events occurring prior to the Bankruptcy Court entering this Interim Order.

(vi) None of the DIP Agent, the DIP Lenders, the First Lien Agent or the First Lien Lenders are control persons or insiders of the Debtors or any of their affiliates by virtue of

any of the actions taken with respect to, in connection with, related to, or arising from the DIP Facility, the DIP Loan Documents and/or the First Lien Financing Documents.

G. Cash Collateral. For purposes of this Interim Order, the term "Cash Collateral" shall mean and include all "cash collateral" as defined in section 363 of the Bankruptcy Code, in which the First Lien Agent (on behalf of the First Lien Lenders) or the First Lien Lenders have a lien or security interest, in each case whether existing on the Petition Date, arising pursuant to this Interim Order or any Final Order, or otherwise. The MACH Gen Entities represent and stipulate that all of MACH Gen's cash, cash equivalents, negotiable instruments, investment property, and securities constitute Cash Collateral of the First Lien Agent on behalf of the First Lien Lenders.

H. Use of DIP Facility and Cash Collateral. The MACH Gen Entities have an immediate and critical need to use proceeds of the DIP Facility and Cash Collateral to preserve and operate their businesses and effectuate a reorganization of their businesses, including through the Harquahala Reorganization, which proceeds of the DIP Facility and Cash Collateral will be used in accordance with the terms of this Interim Order and subject to the Approved Budget (as defined below). Without the use of proceeds of the DIP Facility and Cash Collateral, the MACH Gen Entities will not have sufficient liquidity to be able to continue to operate their businesses. The adequate protection provided herein and other benefits and privileges contained herein are consistent with and authorized by the Bankruptcy Code and are necessary in order to obtain such consent or nonobjection of certain parties, and to adequately protect the parties' interests in the Prepetition Collateral. Absent authorization to immediately use proceeds of the DIP Facility and Cash Collateral, the MACH Gen Entities' estates and their creditors would suffer immediate and irreparable harm.

I. Other Financing Unavailable. As discussed in the First Day Declaration and the Evercore Declaration, MACH Gen is unable to obtain (i) adequate unsecured credit allowable either (a) under sections 364(b) and 503(b)(l) of the Bankruptcy Code or (b) under section 364(c)(l) of the Bankruptcy Code, (ii) adequate credit secured by (x) a senior lien on unencumbered assets of their estates under section 364(c)(2) of the Bankruptcy Code and (y) a junior lien on encumbered assets of their estates under section 364(c)(3) of the Bankruptcy Code, or (iii) secured credit under section 364(d)(l) of the Bankruptcy Code from sources other than the First Lien Lenders on terms more favorable than the terms of the DIP Facility. The only available source of secured credit available to MACH Gen, other than the use of Cash Collateral, is the DIP Facility. MACH Gen requires both financing under the DIP Facility and the continued use of Cash Collateral under the terms of this Interim Order in order to satisfy its post-petition liquidity needs.

J. Best Financing Presently Available. The DIP Agent and the DIP Lenders have indicated a willingness to provide MACH Gen with financing solely on the terms and conditions set forth in this Interim Order (and, subject to entry by the Court, the Final Order) and the other DIP Loan Documents (including the Approved Budget (subject to Permitted Variances)). After considering all of their alternatives, the MACH Gen Entities have concluded, in an exercise of their sound business judgment, that the financing to be provided by the DIP Lenders pursuant to the terms of this Interim Order (and, subject to entry by the Court, the Final Order) and the other DIP Loan Documents, represents the best financing presently available to MACH Gen. The DIP Lenders are good faith financiers. The DIP Lenders' and DIP Agent's claims, superpriority claims, security interests, liens and other protections granted pursuant to this Interim Order (and, subject to entry by the Court, the Final Order) and the other DIP Loan Documents will not be

affected by any subsequent reversal, modification, vacatur or amendment of this Interim Order, the Final Order or any other order, as provided in section 364(e) of the Bankruptcy Code.

K. Good Cause for Immediate Entry. Good cause has been shown for immediate entry of this Interim Order pursuant to Bankruptcy Rules 4001(b)(2) and (c)(2) and Local Rule 4001-2. In particular, the authorization granted herein for the MACH Gen Entities to enter into the DIP Facility, to continue using Cash Collateral and to obtain interim financing, including on a priming lien basis, is necessary to avoid immediate and irreparable harm to the MACH Gen Entities and their estates. Entry of this Interim Order is in the best interest of the MACH Gen Entities, their estates and creditors. The terms of the DIP Facility (including MACH Gen's continued use of Cash Collateral) are fair and reasonable under the circumstances, reflect MACH Gen's exercise of prudent business judgment consistent with its fiduciary duties, and are supported by reasonably equivalent value and fair consideration.

L. Arm's Length Negotiation. MACH Gen, the DIP Agent, the DIP Lenders, the First Lien Agent, and the First Lien Lenders have negotiated the terms and conditions of the DIP Facility (including the MACH Gen Entities' continued use of Cash Collateral) and this Interim Order in good faith and at arm's length, and any credit extended and loans made to MACH Gen pursuant to this Interim Order shall be, and hereby are, deemed to have been extended, issued or made, as the case may be, in "good faith" within the meaning of section 364(e) of the Bankruptcy Code.

M. Application of Proceeds of the Collateral. All proceeds of the sale or other disposition of the Collateral shall be applied in accordance with the terms of the DIP Loan Documents and this Interim Order.

N. Adequate Protection for Secured Lenders. The First Lien Agent (on behalf of the First Lien Lenders) and the First Lien Lenders have negotiated and acted in good faith regarding the RSA, the A&R First Lien Credit Agreement, the DIP Facility and MACH Gen's use of the Prepetition Collateral (including the Cash Collateral) to fund the administration of MACH Gen's estates and continued operation of their businesses, in accordance with the terms hereof. The First Lien Agent (on behalf of the First Lien Lenders) has agreed to permit MACH Gen to use the Prepetition Collateral, including the Cash Collateral, in accordance with the terms hereof and the Approved Budget (subject to Permitted Variances (as defined below)). The rights of the First Lien Agent and the First Lien Lenders under the RSA (including, without limitation, the First Lien Step-In Right and the Tax Claim Subordination (as defined below)) are an essential element of their adequate protection. Without their rights under the RSA, the First Lien Agent and the First Lien Lenders would not have entered into the A&R First Lien Credit Agreement, and the First Lien Agent (on behalf of the First Lien Lenders) would not have consented to the use of Cash Collateral or the DIP Facility. Accordingly, the First Lien Agent and First Lien Lenders may exercise all of their termination and other rights under the RSA, in accordance with the terms thereof, irrespective of the commencement or the continuation of the Chapter 11 Cases or any Successor Case, or the automatic stay to the extent it might apply to such termination or other rights. The First Lien Agent (on behalf of the First Lien Lenders) is entitled to the adequate protection provided in this Interim Order as and to the extent set forth herein pursuant to §§ 361, 362 and 363 of the Bankruptcy Code. Based on the Motion and on the record presented to the Court at the Interim Hearing, the terms of the proposed adequate protection arrangements and of the use of the Prepetition Collateral (including the Cash Collateral) are fair and reasonable, reflect MACH Gen's prudent exercise of business judgment and constitute

reasonably equivalent value and fair consideration for the consent thereto of the First Lien Agent (on behalf of the First Lien Lenders); provided, that nothing in this Interim Order or the other DIP Loan Documents shall (x) be construed as a consent by the First Lien Agent or any First Lien Lender that it would be adequately protected in the event debtor in possession financing is provided by a third party (i.e., other than the DIP Lenders) or a consent to the terms of any other such financing or any lien encumbering the Collateral (whether senior or junior) or to the use of Cash Collateral except as provided in this Interim Order, or (y) prejudice, limit or otherwise impair the rights of the First Lien Agent (for the benefit of the First Lien Lenders) or the First Lien Lenders to seek new, different or additional adequate protection in the event circumstances change after the date hereof.

O. Sections 506(c) and 552(b). In light of the First Lien Lenders' agreement to subordinate their liens and claims to the Carve-Out, the DIP Liens and the Adequate Protection Liens in respect of the First Lien Lenders, to permit the use of the DIP Facility and Cash Collateral for payments made in accordance with the Approved Budget and the terms of this Interim Order, subject to entry of a Final Order and the other DIP Loan Documents, (a) the First Lien Lenders and the First Lien Agent are entitled to a waiver of the provisions of Bankruptcy Code section 506(c), and (b) the First Lien Lenders and the First Lien Agent are entitled to a waiver of any "equities of the case" claims under Bankruptcy Code section 552(b).

P. Order of the Court. Based upon the foregoing findings, acknowledgements, and conclusions, and upon the record made before this Court at the Interim Hearing, and good and sufficient cause appearing therefor:

IT IS HEREBY FOUND, DETERMINED, ORDERED, ADJUDGED AND DECREED THAT:

1. Motion Granted. The Motion is granted on an interim basis, subject to the terms set forth herein. Any objections to the Motion that have not previously been withdrawn or resolved are hereby overruled on their merits. This Interim Order shall be valid, binding on all parties in interest, and fully effective immediately upon entry notwithstanding the possible application of Bankruptcy Rule 6004(h), 7062 and 9014.

2. Authority to Enter Into DIP Facility. The MACH Gen Entities are hereby authorized to incur and perform the obligations arising from and after the date of this Interim Order under the DIP Facility, on the terms set forth in this Interim Order, the debtor-in-possession credit and guaranty agreement attached hereto as Exhibit A (as amended, supplemented or otherwise modified from time to time, the "DIP Credit Agreement"), and such additional documents, instruments and agreements as may be reasonably required by the DIP Agent to implement the terms or effectuate the purposes of and transactions contemplated by this Interim Order, the Final Order (when entered by the Court) and the DIP Credit Agreement (collectively, this Interim Order, the Final Order, the Approved Budget, the DIP Credit Agreement and such additional documents, instruments and agreements, including any fee letters, the "DIP Loan Documents"). The MACH Gen Entities are hereby authorized to enter into, execute and deliver the DIP Loan Documents and to borrow money under the DIP Facility, on an interim basis, up to an aggregate principal amount not to exceed $10 million and the Subsidiaries are hereby authorized to guaranty such borrowings and the Borrower's obligations under the DIP Facility, this Interim Order and the other DIP Loan Documents, all in accordance with the terms of this Interim Order and the other DIP Loan Documents, and the MACH Gen

Entities are authorized to take all actions which may be reasonably required or otherwise necessary for the performance by the MACH Gen Entities of its obligations under the DIP Loan Documents, including the creation and perfection of the DIP Liens described and provided for in this Interim Order and the other DIP Loan Documents.

3. Use of Cash Collateral and DIP Loans. The MACH Gen Entities are hereby authorized to use Cash Collateral and the proceeds of any DIP Loans (as defined below) solely in accordance with the Approved Budget and the financial covenants, and other terms and conditions set forth in this Interim Order and the other DIP Loan Documents.

4. Validity of DIP Loan Documents. The DIP Loan Documents shall constitute valid and binding obligations of the MACH Gen Entities, enforceable against each MACH Gen Entity party thereto in accordance with the terms thereof. No obligation, payment, transfer or grant of security under the DIP Loan Documents as approved under this Interim Order shall be stayed, restrained, voided, voidable or recoverable under the Bankruptcy Code or under any applicable non-bankruptcy law, or subject to any defense, reduction, setoff, recoupment or counterclaim.

5. DIP Loans. All loans made to or for the benefit of any of the MACH Gen Entities on or after the Petition Date in accordance with the DIP Loan Documents (collectively, the "DIP Loans"), all interest thereon and all fees, costs, expenses, indemnification obligations and other liabilities owing by the MACH Gen Entities to the DIP Lenders or the DIP Agent in accordance with and relating to this Interim Order and the other DIP Loan Documents shall hereinafter be referred to as the "DIP Obligations." The DIP Loans: (a) shall be evidenced by the books and records of the DIP Agent or the DIP Lenders and, upon the request of any DIP Lender, a note executed and delivered to such DIP Lender by the Borrower in accordance with the terms of the

DIP Loan Documents, which note shall evidence such DIP Lender's DIP Loans in addition to such accounts and records; (b) shall bear interest payable and incur fees at the rates set forth in Sections 2.06 and 2.07 of the DIP Credit Agreement; (c) shall be secured in the manner specified below; (d) shall be payable in accordance with the DIP Loan Documents; and (e) shall otherwise be governed by the terms set forth in this Interim Order and the other DIP Loan Documents.

6. Structure of DIP Facility. The DIP Facility shall be comprised of a $20 million multi-draw term loan facility. An amount up to $10 million of the DIP Facility shall be available upon the entry of this Interim Order.

7. Conditions Precedent. The DIP Lenders and the DIP Agent shall have no obligation to make any DIP Loans or any other financial accommodation under the DIP Loan Documents unless the conditions precedent to make such extensions of credit under the DIP Loan Documents have been satisfied in full or waived in accordance with such DIP Loan Documents.

8. [RESERVED.]

9. Continuation of Prepetition Cash Management Procedures. Except to the extent inconsistent with the express terms of this Interim Order, all prepetition practices and procedures (including bank account cash management practices) provided for in the First Lien Financing Documents (including in that certain Security Deposit Agreement, dated as of April 28, 2014 (the "Security Deposit Agreement"), by and among New MACH Gen, the First Lien Agent and Citibank, N.A., as Depositary) for the payment, collection and application of proceeds of the Prepetition Collateral, the turnover and transfer of cash and other financial assets, the delivery of property to the First Lien Lenders or the First Lien Agent, and the funding of extensions of credit pursuant thereto are hereby approved and shall continue without interruption in respect of the

Prepetition Collateral and the First Lien Prepetition Obligations and in respect of the Collateral, the DIP Obligations, and the DIP Loans pursuant to the DIP Loan Documents, which shall constitute a Secured Obligation under and as defined in the Security Deposit Agreement.

10. Approved Budget.

(a) The budget annexed hereto as Exhibit B (as updated periodically in accordance with the DIP Credit Agreement, the "Approved Budget")[3] is hereby approved. Proceeds of the DIP Loans and Cash Collateral under this Interim Order shall be used by MACH Gen only in accordance with the Approved Budget and this Interim Order, subject to any Permitted Variance. Subject to the Carve-Out, the DIP Lenders' consent to the Approved Budget shall not be construed as consent to the use of DIP Loans or Cash Collateral beyond the Termination Date (as defined below), regardless of whether the aggregate funds shown on the Approved Budget have been expended.

(b) Subject to paragraph 32 of this Interim Order, upon the written consent of the First Lien Lenders and MACH Gen, and without further order of the Court, the Approved Budget may be amended from time to time. MACH Gen shall provide a copy of any so amended revised budget to the U.S. Trustee and counsel to the Committee, if any.

11. Permitted Variance. Notwithstanding the Approved Budget, so long as the Termination Date has not occurred, the MACH Gen Entities shall be authorized to use proceeds of the DIP Loans and Cash Collateral in accordance with the Approved Budget, in an amount that would not cause MACH Gen to use proceeds of the DIP Loans and Cash Collateral in an aggregate amount greater than 120% of the Approved Budget for any two-week period (a

[3] The Approved Budget will be updated as of the date of entry of this Interim Order, provided that such updated Approved Budget shall be consistent with Exhibit B to this Interim Order and otherwise in form and substance satisfactory to the DIP Agent and DIP Lenders in their sole discretion.

"Permitted Variance"). For the purpose of calculating any variance in accordance with this paragraph, the fees and expenses of the Lender Professionals (as defined below) shall not be considered.

12. Continuation of Prepetition First Liens. Until (a) the Borrower and the Subsidiaries have indefeasibly paid in full and in cash all DIP Obligations, all First Lien Prepetition Obligations (including the satisfactory cash collateralization of all issued and outstanding Revolving Letters of Credit under the Prepetition Revolving Credit Facility in accordance with the First Lien Financing Documents), (b) the DIP Lenders' obligations under the DIP Facility have terminated, (c) all objections and challenges to (i) the liens and security interests of the First Lien Lenders (including, without limitation, liens granted for adequate protection purposes) and (ii) the First Lien Prepetition Obligations have been waived, denied or barred, and (d) all of MACH Gen's stipulations in paragraph F above have become binding upon their estates and parties in interest in accordance with paragraph 33 below, all liens and security interests of the DIP Agent, DIP Lenders, First Lien Agent and the First Lien Lenders (including, without limitation, liens granted for adequate protection purposes) shall remain valid and enforceable with the same continuing priority as described herein, except as otherwise provided in an Acceptable Plan (as defined in the DIP Credit Agreement) (but solely to the extent the Acceptable Plan is confirmed and becomes effective in accordance with the terms of the RSA).

13. DIP Liens and Collateral. As security for the full and timely payment of the DIP Obligations, the DIP Agent on behalf of the DIP Lenders is hereby granted, pursuant to sections 364(c)(2), 364(c)(3) and 364(d)(1) of the Bankruptcy Code, valid, enforceable, nonavoidable and fully perfected priming security interests in, and liens and mortgages (collectively, the "DIP Liens") upon, all existing and after-acquired tangible and intangible personal and real property

and assets of each of the MACH Gen Entities, including, without limitation, Prepetition Collateral, accounts receivable, inventory, equipment, fee and leasehold interests in real property, general intangibles, contract rights, intercompany notes, cash, deposit accounts, securities accounts, investment property, rights, claims and causes of action, commercial tort claims, and one hundred percent (100%) of the outstanding equity interests in the Subsidiaries (collectively, the "Collateral"); provided that this Interim Order does not grant, and shall not be deemed to grant, any security interests in or liens on claims and causes of action under Chapter 5 of the Bankruptcy Code and similar laws, and any proceeds thereof and property received thereby whether by judgment, settlement or otherwise (collectively, the "Avoidance Actions"), but, subject to the entry of the Final Order, proceeds of Avoidance Actions and property received thereby whether by judgment, settlement or otherwise shall constitute Collateral. The DIP Liens shall not, without the consent of the DIP Agent, be made subject to, or *pari passu* with, any other lien or security interest, other than to the extent expressly provided herein and subject to the Carve-Out, by any court order heretofore or hereafter entered in the Chapter 11 Cases, and shall be valid and enforceable against any trustee appointed in the Chapter 11 Cases, upon the conversion of any of the Chapter 11 Cases to a case under Chapter 7 of the Bankruptcy Code or in any other proceedings related to any of the foregoing (such cases or proceedings, "Successor Cases"), and/or upon the dismissal of any of the Chapter 11 Cases. The DIP Liens and the Adequate Protection Liens shall not be subject to sections 510, 549, 550 or 551 of the Bankruptcy Code or, upon entry of the Final Order, the "equities of the case" exception of section 552 of the Bankruptcy Code or section 506(c) of the Bankruptcy Code. The MACH Gen Entities shall not sell, transfer, lease, encumber or otherwise dispose of any portion of the Collateral, except as permitted by the DIP Loan Documents or as approved by the Court.

14. Priority of DIP Liens. The DIP Liens (a) shall constitute first-priority security interests in and liens upon all Collateral that is not otherwise subject to any valid, perfected, enforceable and nonavoidable lien in existence as of the Petition Date, pursuant to section 364(c)(2) of the Bankruptcy Code; and (b) shall, pursuant to section 364(c)(3) and 364(d)(1) of the Bankruptcy Code, be senior to and prime all other liens and security interests in the DIP Collateral, including, without limitation, the Prepetition First Liens and the Adequate Protection Liens, and shall be junior only to any pre-existing liens as of the Petition Date of a third party, but solely to the extent that such liens and security interests were, in each case, as of the Petition Date (x) valid, enforceable, perfected and non-avoidable liens or were perfected subsequent to the Petition Date as permitted by section 546(b) of the Bankruptcy Code, and (y) expressly permitted by the terms of First Lien Financing Documents and senior to the Prepetition First Liens (the "Senior Third Party Liens").

15. Automatic Effectiveness of Liens. The automatic stay imposed under section 362(a) of the Bankruptcy Code is hereby vacated and modified to permit the MACH Gen Entities to grant (or continue to grant) the liens and security interests to the First Lien Agent, the First Lien Lender, the DIP Agent and the DIP Lenders contemplated by this Interim Order and the other DIP Loan Documents.

16. Automatic Perfection of DIP Liens. The DIP Liens granted pursuant to this Interim Order shall constitute valid, enforceable, nonavoidable and duly perfected first priority security interests and liens, and the DIP Agent and DIP Lenders shall not be required to file or serve financing statements, notices of lien, mortgage deeds, deeds of trust or similar instruments which otherwise may be required under federal, state or local law in any jurisdiction, or take any action, including taking possession, to validate and perfect such security interests and liens; and

the failure by the MACH Gen Entities to execute any documentation relating to the DIP Liens shall in no way affect the validity, enforceability, perfection or priority of such liens. The DIP Agent and the DIP Lenders are hereby authorized, but not required, to file or record financing statements, trademark filings, copyright filings, mortgages, deeds of trust, notices of lien or similar instruments in any jurisdiction or take any other action in order to validate and perfect the liens and security interests granted to them hereunder. Whether or not the DIP Agent or the DIP Lenders shall, in their sole discretion, choose to file such financing statements, trademark filings, copyright filings, mortgages, deeds of trust, notices of lien or similar instruments or otherwise confirm perfection of the liens and security interests granted to them hereunder, such liens and security interests shall be deemed valid, perfected, allowed, enforceable, nonavoidable and not subject to challenge, dispute or subordination, at the time and as of the date of entry of this Interim Order. Upon the request of the DIP Lenders, the MACH Gen Entities, without any further consent of any party, are authorized to take, execute and deliver such instruments (in each case without representation or warranty of any kind except as set forth in the DIP Loan Documents) to enable the DIP Agent or the DIP Lenders to further validate, perfect, preserve and enforce the DIP Liens. A certified copy of this Interim Order may be filed with or recorded in filing or recording offices in addition to or in lieu of such financing statements, mortgages, deeds of trust, notices of lien or similar instruments, and all filing offices are hereby authorized and directed to accept such certified copy of this Interim Order for filing and recording.

17. Other Automatic Perfection Matters. To the extent that the First Lien Agent (or any affiliate) is the secured party under any account control agreements, listed as loss payee under any of MACH Gen's insurance policies or is the secured party under any First Lien Financing Document, the DIP Agent, on behalf of the DIP Lenders, is also deemed to be the

secured party under such account control agreements, loss payee under MACH Gen's insurance policies and the secured party under each such First Lien Financing Document, and shall have all rights and powers in each case attendant to that position (including, without limitation, rights of enforcement), and shall act in that capacity and distribute any proceeds recovered or received in accordance with the terms of this Interim Order and/or the Final Order, as applicable, and the other DIP Loan Documents. The First Lien Agent shall serve as agent for the DIP Agent for purposes of perfecting the DIP Agent's security interests in and liens on all Collateral that is of a type such that perfection of a security interest therein may be accomplished only by possession or control by a secured party.

18. Automatic Perfection of Adequate Protection Liens. The Adequate Protection Liens granted pursuant to this Interim Order shall constitute valid, enforceable, nonavoidable and duly perfected security interests and liens, and the First Lien Agent and First Lien Lenders (collectively, the "Adequate Protection Parties") shall not be required to file or serve financing statements, mortgage deeds, deeds of trust, notices of lien or similar instruments which otherwise may be required under federal, state or local law in any jurisdiction, or take any action, including taking possession, to validate and perfect such security interests and liens; and the failure by the MACH Gen Entities to execute any documentation relating to the Adequate Protection Liens shall in no way affect the validity, enforceability, perfection or priority of such liens. The Adequate Protection Parties are hereby authorized, but not required, to file or record financing statements, trademark filings, copyright filings, mortgages, deeds of trust, notices of lien or similar instruments in any jurisdiction or take any other action in order to validate and perfect the liens and security interests granted to them hereunder. Whether or not the Adequate Protection Parties shall, in their sole discretion, choose to file such financing statements, trademark filings,

copyright filings, mortgages, deeds of trust, notices of lien or similar instruments or otherwise confirm perfection of the liens and security interests granted to them hereunder, such liens and security interests shall be deemed valid, perfected, allowed, enforceable, nonavoidable and not subject to challenge, dispute or subordination, at the time and as of the date of entry of this Interim Order. Upon the request of the First Lien Lenders, the MACH Gen Entities, without any further consent of any party, are authorized to take, execute and deliver such instruments (in each case without representation or warranty of any kind except as set forth in the DIP Loan Documents) to enable the applicable Adequate Protection Party to further validate, perfect, preserve and enforce the Adequate Protection Liens. A certified copy of this Interim Order may be filed with or recorded in filing or recording offices in addition to or in lieu of such financing statements, mortgages, deeds of trust, notices of lien or similar instruments, and all filing offices are hereby authorized and directed to accept such certified copy of this Interim Order for filing and recording.

19. DIP Superpriority Claims. In addition to the liens and security interests granted to the DIP Agent on behalf of the DIP Lenders pursuant to this Interim Order, subject to the Carve-Out (solely upon the occurrence of a Termination Date), and in accordance with sections 364(c)(1), 503 and 507 of the Bankruptcy Code, all of the DIP Obligations (including, without limitation, all DIP Loans) shall constitute allowed superpriority administrative expense claims (the "DIP Superpriority Claims") with priority over any and all administrative expenses of MACH Gen, whether heretofore or hereafter incurred, of the kind specified in, or ordered pursuant to, sections 105, 326, 328, 330, 331, 364, 365, 503(b), 506(c) (subject to entry of the Final Order), 507(a), 507(b), 726, 1113, 1114 or any other provisions of the Bankruptcy Code, and which DIP Superpriority Claims shall be payable from and have recourse to all prepetition

and postpetition property of MACH Gen, including, but not limited to, the Avoidance Actions (subject to entry of the Final Order), and all proceeds thereof.

20. Adequate Protection Liens and Adequate Protection Superpriority Claims. The Adequate Protection Parties are hereby granted the following adequate protection (collectively, the "Adequate Protection Obligations"):

(a) In each case to secure an amount equal to the aggregate post-petition diminution in value (which shall be calculated in accordance with Bankruptcy Code section 506(a)) of the interests of the Adequate Protection Parties in the Prepetition Collateral (including the Cash Collateral), including without limitation any such diminution in value resulting from depreciation, physical deterioration, use, sale, loss or decline in market value of the Prepetition Collateral, the priming of the First Lien Agent's (on behalf of the First Lien Lenders) security interests and liens in the Prepetition Collateral, and/or the imposition of the automatic stay under section 362 of the Bankruptcy Code, or otherwise, the First Lien Agent, on behalf of the First Lien Lenders, shall receive:

(i) valid, enforceable, nonavoidable and fully perfected, postpetition security interests in and liens (effective and perfected upon the date of entry of this Interim Order and without the necessity of execution by the MACH Gen Entities (except to the extent so requested by the First Lien Agent) of mortgages, deeds of trust, security agreements, pledge agreements, financing statements, and other agreements or instruments) on the Collateral, including, but not limited to, Cash Collateral (the "Adequate Protection Liens"), which liens shall be junior and subject only to the DIP Liens and any Senior Third Party Liens and, solely upon the occurrence of a Termination Date, payment of the Carve-Out in accordance with the terms and conditions set forth in this Interim Order; and

(ii) superpriority administrative expense claims under Bankruptcy Code section 507(b) (the "Adequate Protection Superpriority Claims"; and together with the DIP Superpriority Claims, the "Superpriority Claims") which claims shall be junior and subject only to the DIP Superpriority Claims and, solely upon the occurrence of a Termination Date, payment of the Carve-Out in accordance with the terms and conditions set forth in this Interim Order, and which shall have priority in payment, subject to entry of a Final Order, over any and all other administrative expenses of the kinds specified in or ordered pursuant to Bankruptcy Code sections 105, 326, 328, 330, 331, 365, 503(a), 503(b), 506(c) (subject to the entry of a Final Order), 507(a), 507(b), 546(c), 546(d), 552, 1113 and 1114, whether or not such expenses or claims arise in the Chapter 11 Cases or in any subsequent cases or proceedings under the Bankruptcy Code that may result therefrom; and

(b) Reimbursement from MACH Gen, without further order of this Court, (x) promptly upon the entry of this Interim Order, of all amounts set forth in any outstanding invoices received by the Debtors at least two (2) days prior to the entry of this Interim Order and (y) thereafter, when due, of all accrued and unpaid reasonable professional fees and expenses (regardless of whether such fees and expenses were incurred before or after the Petition Date) payable to the First Lien Agent and the First Lien Lenders and the DIP Agent and DIP Lenders (without duplication) pursuant to the terms of the First Lien Prepetition Loan Documents, the DIP Documents and the RSA (limited to White & Case LLP, one local Delaware counsel, and, if required, one (1) local counsel in each relevant jurisdiction and one (1) financial advisor (collectively, the "Lender Professionals"). At the same time such invoices are delivered to the Debtors, the professionals shall deliver a copy of their respective invoices to counsel for any statutory Committee and the U.S. Trustee. The invoices for such fees and expenses shall not be

required to comply with any particular format, may be in summary form only, but shall at least include a general, brief description of the nature of the matters worked on, a list of the professionals who worked on the matter, their hourly rate (if such professionals bill at an hourly rate) and the number of hours each professional billed; provided, however, that any such invoice may be redacted to protect privileged, confidential, or proprietary information. The invoices shall not be subject to application or allowance by the Court. The Debtors shall pay the reasonable and documented accrued and unpaid out-of-pocket professional fees and expenses provided for in this Section 19(a)(iii) within ten (10) days following the presentment of any invoices therefor to the Debtors, counsel to any Committee, and the U.S. Trustee. Any written objection raised by the Debtors, the United States Trustee or any statutory Committee with respect to such invoices (with notice provided to the DIP Agent and to the respective Lender Professional) within ten (10) business days of receipt thereof will be resolved by the Court (absent prior consensual resolution thereof). Pending such resolution, the undisputed portion of any such invoice shall be promptly paid by the Debtors. Such fees and expenses shall not be subject to the Approved Budget and shall not be subject to any offset, defense, claim, counterclaim or diminution of any type, kind or nature whatsoever.

(c) All interest, fees (including letter of credit fees and the Exit Fee), costs, and expenses shall continue to accrue and shall be payable to the extent, and at the rates, provided for in First Lien Financing Documents on the Effective Date of the Acceptable Plan or as otherwise provided in the First Lien Financing Documents.

(d) The use of Cash Collateral, for any purpose, shall constitute post-petition diminution in value of the First Lien Lenders' interest in the Collateral and shall entitle the First Lien Lenders (or the First Lien Agent on behalf of the First Lien Lenders) to dollar-for-dollar

Adequate Protection Liens and Adequate Protection Superpriority Claims, in accordance with the terms of this Interim Order. Nothing herein shall impair or modify the application of Bankruptcy Code section 507(b) in the event that the adequate protection provided to the Adequate Protection Parties hereunder is insufficient to compensate for any post-petition diminution in value of the interests of the Adequate Protection Parties in the Prepetition Collateral during the Chapter 11 Cases or any successor cases.

(e) Each Prepetition First Lien Lender is also authorized to terminate the RSA, as to itself, and to exercise all of its rights thereunder, in accordance with the terms of the RSA irrespective of the automatic stay which, to the extent it might apply, is hereby modified to permit such termination and the exercise by each Prepetition First Lien Lender of its rights under the RSA.

21. Carve-Out. (a) Upon the DIP Agent's issuance of a Default Notice (as defined below), all liens, claims and other security interests held by any party, including the Superpriority Claims, the Adequate Protection Liens, the DIP Liens, and the Prepetition First Liens, shall be subject to the payment of the Carve-Out. For purposes of this Order, the "Carve-Out" shall mean, collectively: (a) fees pursuant to 28 U.S.C. § 1930(a)(6) and 28 U.S.C. § 156(c); (b) the payment of fees and expenses of up to $50,000 incurred by a trustee under section 726(b) of the Bankruptcy Code; and (c)(x) unpaid fees and expenses of professionals retained by the MACH Gen Entities pursuant to section 327 or 328 of the Bankruptcy Code or by any Committee pursuant to section 1103 of the Bankruptcy Code (collectively, the "Professionals") incurred and accruing after the date the DIP Agent issues a Default Notice, to the extent such fees and expenses are allowed by the Court, in an aggregate amount (excluding any incurred and unpaid professional fees and expenses of any of the agents or lenders payable pursuant to this

Interim Order) not in excess of $1,000,000, collectively, with respect to the MACH Gen Entities' Professionals and the Professionals of any Committee (the "Professionals' Carve-Out Cap") and (y) unpaid Professionals' fees and expenses incurred and accruing prior to or on the date upon which the DIP Agent issues a Default Notice, but only to the extent such unpaid fees and expenses are, with respect to each Professional, set forth in the Approved Budget and are allowed by the Court; provided, however, that the Professionals' Carve-Out Cap shall be reduced, dollar-for-dollar, by the amount of any fees and expenses incurred and accruing by MACH Gen and paid to the applicable Professionals following delivery of a Default Notice to MACH Gen. Notwithstanding the foregoing, so long as a Default Notice has not been issued, MACH Gen shall be permitted to pay fees to estate professionals and reimburse expenses incurred by estate professionals to the extent set forth in the Approved Budget and that are allowed by the Court and payable under sections 328, 330 and 331 of the Bankruptcy Code and compensation procedures approved by the Court and in form and substance reasonably acceptable to the MACH Gen Entities and the First Lien Lenders, as the same may be due and payable, and the same shall not reduce the Professionals' Carve-Out Cap. In any event, the DIP Lenders and the First Lien Lenders reserve the right to review and object to any fee statement, interim application or monthly application issued or filed by estate professionals. Notwithstanding any provision of this Interim Order, any Final Order or the DIP Loan Documents to the contrary, the DIP Loans shall not be used to fund aggregate cumulative expenditures for restructuring professional fees of MACH Gen or any Committee that exceed the maximum amount with respect thereto set forth in the Approved Budget (after giving effect to any Permitted Variance). For the avoidance of doubt, the foregoing shall not apply to any expenditures for restructuring professional fees that are not set forth in the Approved Budget and

that are paid pursuant to the Plan and in accordance with a court order approving such professionals' retention (including, without limitation, any success or transaction fees).

(b) The payment of any allowed Professional fees and expenses pursuant to the Carve-Out shall not, and shall not be deemed to (i) reduce any Debtor's obligations owed to the DIP Agent, the DIP Lenders, the First Lien Agent and the First Lien Lenders (whether under this Interim Order or otherwise) or, (ii) other than as necessary to permit the payment of such Professional fees and expenses (in each case, subject to the terms of and as expressly provided in this Interim Order with respect to the Carve-Out), modify, alter or otherwise affect any of the liens and security interests of such parties (whether granted under this Interim Order or otherwise) in the Prepetition Collateral or the DIP Collateral (or their claims against the Debtors). The DIP Agent, the DIP Lenders, the First Lien Agent and the First Lien Lenders shall not be responsible for the direct payment or reimbursement of any allowed Professional fees and expenses, or any fees or expenses of the U.S. Trustee or Clerk of the Court (or of any other entity) incurred in connection with the Chapter 11 Cases or any successor case, and nothing in this Interim Order or otherwise shall be construed to obligate such parties in any way to pay such compensation or to reimburse such expenses.

22. Limitations on Use of Cash Collateral, etc. The MACH Gen Entities shall not assert or prosecute, and no portion of the DIP Facility, the Collateral (including the Prepetition Collateral and the Cash Collateral), or the Carve-Out, and no disbursements set forth in the Approved Budget, shall be used for the payment of professional fees, disbursements, costs or expenses incurred by any party in interest in connection with (a) asserting or prosecuting any claims, causes of action, or Challenge (as defined in paragraph 33) against the First Lien Agent or First Lien Lenders, or (b) asserting any Challenge or raising any defenses to the First Lien

Prepetition Obligations, the DIP Obligations, the Prepetition First Liens or the DIP Liens; provided, however, that not more than $25,000 in the aggregate of proceeds of the Carve-Out, any Cash Collateral or any proceeds of the DIP Facility or the Collateral may be used to pay any allowed fees of the Committee or professionals retained by the Committee and incurred in connection with investigating (but not preparing, initiating or prosecuting) the matters covered by the stipulations contained in paragraph F of this Interim Order (the "Investigation Budget").

23. 506(c) Waiver; Marshaling. Upon the entry of the Final Order, the MACH Gen Entities (on behalf of themselves and their estates) shall irrevocably waive, and shall be prohibited from asserting, any surcharge claim under section 506(c) of the Bankruptcy Code or otherwise for any costs and expenses incurred in connection with the preservation, protection or enhancement of, or realization by the First Lien Lenders upon, the Collateral. In no event shall the DIP Agent, the DIP Lenders, the First Lien Agent or the First Lien Lenders be subject to the equitable doctrine of marshaling or any similar doctrine with respect to the Collateral.

24. Restrictions on Granting Post-Petition Liens; Collateral Rights; Limitations in Respect of Subsequent Court Orders and Subordination of Liens. Except for the Carve-Out or as otherwise expressly set forth in this Interim Order, it shall constitute an Event of Default if any of the MACH Gen Entities incurs or requests authority to incur a claim or grants a lien (or a claim or lien is allowed) having a priority superior to or *pari passu* with those granted pursuant to this Interim Order to the First Lien Agent on behalf of the First Lien Lenders at any time during which any portion of the DIP Facility, the DIP Obligations, the Prepetition Revolving Credit Facility, the Prepetition Term Loan Facility, the First Lien Prepetition Obligations, or the Adequate Protection Obligations owing to the First Lien Lenders remains outstanding. Without limiting any other provisions and protections of this Interim Order, unless the DIP Agent and the

First Lien Agent have provided their prior written consent, there shall not be entered in these proceedings, or in any Successor Case, any order which authorizes the obtaining of credit or the incurring of indebtedness that is secured by a security, mortgage, or collateral interest or other lien on all or any portion of the Collateral and/or entitled to priority administrative status which is superior to or *pari passu* with those granted pursuant to this Interim Order for any purpose other than as set forth in the Approved Budget. Without limiting the provisions and protections of this paragraph 24, if at any time prior to the indefeasible repayment and satisfaction in full and in cash of all DIP Obligations and all First Lien Prepetition Obligations, including the satisfactory cash collateralization of all issued and outstanding Revolving Letters of Credit in accordance with the First Lien Financing Documents and the DIP Loan Documents, including subsequent to the confirmation of any plan of reorganization (including an Acceptable Plan), with respect to the MACH Gen Entities or their estates, any trustee, any examiner with enlarged powers or any responsible officer subsequently appointed, shall obtain credit or incur debt in violation of this Interim Order or the other DIP Loan Documents, then all of the cash proceeds derived from such credit or debt and all Cash Collateral shall be immediately be turned over to the DIP Agent or the First Lien Agent, as the case may be, for application in accordance with this Interim Order, the DIP Loan Documents and the First Lien Financing Documents, as applicable, and under applicable law.

25. Binding Nature of Order. The provisions of this Interim Order shall be binding upon the MACH Gen Entities and their respective successors and assigns (including, without limitation, any trustee or other fiduciary hereafter elected or appointed for or on behalf of any MACH Gen Entity's estate or with respect to its property).

26. Survival of Order. With respect to the DIP Lenders and the First Lien Lenders only, the provisions of this Interim Order and any actions taken pursuant thereto (a) shall survive the entry of any order: (i) confirming any plan of reorganization in any of the Chapter 11 Cases; (ii) converting any of the Chapter 11 Cases to a case under Chapter 7 of the Bankruptcy Code; or (iii) dismissing any of the Chapter 11 Cases; and (b) shall continue in full force and effect notwithstanding the entry of any such order, and the claims, liens, and security interests granted pursuant to this Interim Order shall maintain their priority as provided by this Interim Order until all of the DIP Obligations are indefeasibly paid in full and discharged in accordance with the DIP Loan Documents. The DIP Obligations shall not be discharged by the entry of any order confirming any plan of reorganization in any of the Chapter 11 Cases that does not provide for the payment in full and in cash of the DIP Obligations, and upon the entry of any such order, the MACH Gen Entities shall, and shall be deemed to, waive any such discharge pursuant to section 1141(d)(4) of the Bankruptcy Code, unless alternative treatment of the DIP Obligations is agreed to in an Acceptable Plan (but only if such Acceptable Plan is confirmed and becomes effective).

27. Protection under Section 364(e) of the Bankruptcy Code. If any or all of the provisions of this Interim Order are hereafter reversed, modified, vacated or stayed, such reversal, modification, vacatur or stay shall not affect (i) the validity of any DIP Obligations or Adequate Protection Obligations owing to the DIP Agent, the DIP Lenders, the First Lien Agent or the First Lien Lenders incurred prior to the actual receipt by the DIP Lenders and the First Lien Lenders of written notice of the effective date of such reversal, modification, vacation or stay, or (ii) the validity or enforceability of any claim, lien, security interest or priority authorized or created hereby or pursuant to the DIP Loan Documents with respect to any DIP Obligations or Adequate Protection Obligations owing to the DIP Agent, the DIP Lenders, the First Lien Agent

or the First Lien Lenders. Notwithstanding any such reversal, modification, vacatur or stay, any use of Cash Collateral or the incurrence of DIP Obligations or Adequate Protection Obligations owing to the First Lien Lenders and the First Lien Agent by MACH Gen prior to the actual receipt by the First Lien Lenders of written notice of the effective date of such reversal, modification, vacatur, or stay, shall be governed in all respects by the provisions of this Interim Order, and the DIP Lenders, the DIP Agent, the First Lien Lenders, and the First Lien Agent shall be entitled to all of the rights, remedies, protections and benefits granted under section 364(e) of the Bankruptcy Code, this Interim Order and the other DIP Loan Documents with respect to all uses of Cash Collateral and the incurrence of DIP Obligations and Adequate Protection Obligations owing to First Lien Lenders and First Lien Agent.

28. Termination of DIP Facility. MACH Gen's right to use the DIP Facility and Cash Collateral shall terminate immediately upon the earliest of (i) the DIP Loan Maturity Date and (ii) five (5) calendar days following delivery of written notice (the "Default Notice," and such period of time, the "Default Notice Period") via electronic mail and facsimile by the DIP Lenders or the DIP Agent to counsel to MACH Gen, counsel to the First Lien Lenders, the U.S. Trustee, counsel to the Committee (if any) and any other official committee appointed in the Chapter 11 Cases, of the occurrence of an Event of Default (as defined below) (the date of such termination pursuant to clauses (i) or (ii) above, the "Termination Date").

29. Events of Default. Except as otherwise provided in this Interim Order or to the extent the First Lien Lenders may otherwise agree in writing, any violation of any of the terms of this Interim Order or any occurrence of an "Event of Default" under and as defined in Section 6.01 of the DIP Credit Agreement shall constitute an event of default (each, an "Event of

Default"). Interest, including, where applicable, default interest, shall accrue and be paid as set forth in the DIP Credit Agreement.

30. Modification of Stay; Rights and Remedies Upon Termination.

(a) Subject to paragraph 28 of this Interim Order, upon the occurrence of a Termination Date, the automatic stay provisions of section 362 of the Bankruptcy Code shall be automatically vacated and modified to the extent necessary to permit the DIP Agent, the DIP Lenders, the First Lien Agent and/or the First Lien Lenders, as applicable, to exercise all rights and remedies provided in this Interim Order, the DIP Loan Documents or the First Lien Financing Documents, as applicable, and to take any or all of the following actions without further order of or application to this Court: (i) immediately terminate MACH Gen's use of Cash Collateral and cease making any DIP Loans to MACH Gen; (ii) immediately declare all DIP Obligations to be immediately due and payable; (iii) immediately terminate the DIP Facility and the availability of any DIP Loans thereunder; (iv) immediately set off any and all amounts in accounts maintained by the MACH Gen Entities with (or subject to a security interest in favor of) the DIP Agent, the DIP Lenders, the First Lien Agent, or the First Lien Lenders, as applicable, against the DIP Obligations or the First Lien Prepetition Obligations, or otherwise enforce rights against the Collateral in the possession of, or subject to a lien in favor of the DIP Agent, the DIP Lenders, the First Lien Agent, or the First Lien Lenders, as applicable, in each case for application towards the DIP Obligations or the First Lien Prepetition Obligations, as applicable; (v) upon the occurrence of an Event of Default resulting from a Talen/Company Walkaway, to exercise the First Lien Step-In Right; and (vi) take any other actions or exercise any other rights or remedies permitted under this Interim Order, the DIP Loan Documents, the First Lien Financing Documents or applicable law to effect the repayment of the DIP Obligations

and the First Lien Prepetition Obligations. The automatic stay under section 362(a) of the Bankruptcy Code shall be automatically vacated and modified as provided above, unless and until, during the Default Notice Period, the Court has determined that an Event of Default has not occurred and/or is not continuing. Any party in interest's sole recourse with respect to opposing such modification of the automatic stay under section 362(a) of the Bankruptcy Code shall be to contest the occurrence and/or continuance of an Event of Default. During the Default Notice Period, the MACH Gen Entities shall (x) have no right to use any proceeds of the DIP Facility or the Cash Collateral, or any right to request advances under the DIP Facility, other than (i) with the consent of the DIP Lenders and the First Lien Lenders, or (ii) to contest the occurrence and/or continuance of the an Event of Default and (y) be entitled to an emergency hearing before the Court, with proper notice to the DIP Lenders and the First Lien Lenders, solely for the purpose of contesting whether an Event of Default has occurred and/or is continuing.

(b) Upon the occurrence of an Event of Default resulting from a Talen/Company Walkaway, (x) the MACH Gen Entities' exclusive right to file and solicit acceptance of a plan of reorganization shall be deemed automatically modified without further court order solely to allow the First Lien Lenders to exercise the First Lien Step-In Right, including, without limitation, to make any modifications to, and to prosecute confirmation of, an Acceptable Plan, as provided in the RSA and (y) the MACH Gen Entities shall cooperate in good faith with the First Lien Lenders as reasonably necessary to allow the First Lien Lenders to exercise the First Lien Step-In Right and seek confirmation and consummation of an Acceptable Plan, including, without limitation, by promptly providing the First Lien Lenders with prompt access to any documents, information, and employees and/or physical access to any facility or

property necessary for executing the First Lien Step-In Right and/or for seeking confirmation or consummation of an Acceptable Plan.

(c) The rights and remedies of the DIP Agent, the DIP Lenders, the First Lien Agent and the First Lien Lenders specified herein are cumulative and not exclusive of any rights or remedies that the DIP Agent, the DIP Lenders, the First Lien Agent and/or the First Lien Lenders may respectively have under the DIP Loan Documents or the First Lien Financing Documents, or otherwise. The MACH Gen Entities shall cooperate fully with the DIP Agent, the DIP Lenders, the First Lien Agent and the First Lien Lenders, respectively, in their exercise of rights and remedies, whether against the Collateral or otherwise.

31. Limitations on Borrowings. It shall constitute an Event of Default if any of the MACH Gen Entities, the Committee, or any of the members of the Committee seeks authorization for the MACH Gen Entities or their estates to borrow money from any person other than the DIP Lenders to the extent that the repayment of such borrowings is to be secured pursuant to section 364(d)(1) of the Bankruptcy Code by a security interest, lien or mortgage that is senior to or *pari passu* with any of the security interests, liens or mortgages held by the DIP Agent on behalf of the DIP Lenders or the First Lien Agent on behalf of the First Lien Lenders, including the Adequate Protection Liens, the Prepetition First Liens, and the DIP Liens, unless in connection with such borrowings the DIP Obligations and any remaining First Lien Prepetition Obligations (including, any Yield Maintenance Fees (as such term is defined in the First Lien Credit Agreement or the DIP Credit Agreement, as applicable)) are indefeasibly paid in full in cash (including the satisfactory cash collateralization of all issued and outstanding Revolving Letters of Credit in accordance with the First Lien Financing Documents and the DIP Loan Documents) as a condition to the closing of such borrowings.

32. Modifications of DIP Loan Documents and Budgets. The MACH Gen Entities are hereby authorized, without further order of this Court, to enter into agreements with the DIP Agent, the DIP Lenders, the First Lien Agent and First Lien Lenders providing for any non-material modifications to the Approved Budget or the DIP Loan Documents, or of any other modifications to the DIP Loan Documents necessary to conform the terms of the DIP Loan Documents to this Interim Order; provided, however, that the MACH Gen Entities shall provide notice of any material modification or amendment to the Approved Budget or the DIP Loan Documents that is adverse to the MACH Gen Entities' estates to counsel to any Committee, counsel to the First Lien Lenders, and the U.S. Trustee, each of whom shall have five (5) days from the date of such notice within which to object in writing to such modification or amendment. If any Committee, the U.S. Trustee, or the First Lien Lenders timely objects to any such material modification or amendment to the Approved Budget or the DIP Loan Documents, such modification or amendment shall only be permitted pursuant to an order of this Court.

33. Stipulations Regarding First Lien Prepetition Obligations and Prepetition First Liens Binding on Parties in Interest. The stipulations and admissions contained in this Interim Order, including, without limitation, in recital paragraph F of this Interim Order, shall be binding on the MACH Gen Entities' estates and all parties in interest, including, without limitation, all Committees, unless (a) any Committee, or another party in interest (other than any of the MACH Gen Entities) with standing and requisite authority, has timely commenced a contested matter or adversary proceeding (subject to the limitations set forth in paragraph 22 hereof, including the Investigation Budget) (a "Challenge") challenging the amount, validity or enforceability of the First Lien Prepetition Obligations or the perfection or priority of the Prepetition First Liens, or otherwise asserting any objections, claims or causes of action on

behalf of the MACH Gen Entities' estates against the First Lien Lenders relating to the First Lien Prepetition Obligations or the Prepetition First Liens no later than on or before either (i) if no Committee has been appointed, the earlier of (A) 75 days from the Petition Date and (B) the date on which objections to confirmation of MACH Gen's Chapter 11 plan or plans of reorganization for one or more of the MACH Gen Entities are due, or (ii) if a Committee has been appointed, the earlier of (A) 60 days after such Committee is appointed and (B) the date on which objections to confirmation of MACH Gen's Chapter 11 plan or plans of reorganization for one or more of the MACH Gen Entities are due, and (b) to the extent the Court rules in favor of the plaintiff in any such timely and properly filed Challenge. If no such Challenge is timely commenced as of such date then, without further order of the Court, (x) the claims, liens and security interests of the First Lien Agent and the First Lien Lenders shall, without further order of the Court, be deemed to be finally allowed for all purposes in the Chapter 11 Cases and any subsequent Chapter 7 cases and shall not be subject to challenge or objection by any party in interest as to validity, priority, amount or otherwise, and (y) without further order of the Court, the MACH Gen Entities and their estates shall be deemed to have released any and all claims or causes of action against the First Lien Lenders with respect to the First Lien Financing Documents or any related transactions. Notwithstanding anything to the contrary herein, if no Challenge is timely commenced, the stipulations contained in paragraph F of this Interim Order shall be binding on the MACH Gen Entities' estates, any Committee and all parties in interest. If a Challenge is timely commenced, the stipulations contained in paragraph F of this Interim Order shall be binding on the MACH Gen Entities' estates and all parties in interest except to the extent such stipulations are specifically challenged in such Challenge, as and when originally filed (ignoring any relation back principles); provided, that if and to the extent a

Challenge is withdrawn, denied or overruled, the stipulations specifically challenged in such Challenge also shall be binding on the MACH Gen Entities' estates and all parties in interest.

34. Waiver of Requirement to File Proofs of Claim.

(a) The DIP Agent and the DIP Lenders shall not be required to file proofs of claim in the Chapter 11 Cases or any Successor Case in order to maintain their claims for payment of principal, interest, fees, expenses and other amounts owing in respect of the DIP Obligations under, and as provided in, the DIP Loan Documents. The statements of claim in respect of the DIP Obligations set forth in this Interim Order, together with the evidence accompanying the Motion and presented at the Interim Hearing are deemed sufficient to and do constitute proofs of claim in respect of such obligations and such secured status.

(b) The First Lien Agent and the First Lien Lenders shall not be required to file proofs of claim in the Chapter 11 Cases or any Successor Case in order to maintain their claims for payment of principal, interest, fees, expenses and other amounts owing in respect of the First Lien Prepetition Obligations under, and as provided in, the First Lien Financing Documents. The statements of claim in respect of the First Lien Prepetition Obligations set forth in this Interim Order, together with the evidence accompanying the Motion and presented at the Interim Hearing are deemed sufficient to and do constitute proofs of claim in respect of such obligations and such secured status.

35. Final Hearing. The Final Hearing is scheduled for _____ __, 2018, at __:00_.m. (prevailing Eastern Time) before this Court. Any objections by creditors or other parties in interest to any provisions of this Interim Order shall be deemed waived unless timely filed and served in accordance with this paragraph 35. MACH Gen shall promptly serve notice of entry of this Interim Order and the Final Hearing on the appropriate parties in interest in

accordance with the Bankruptcy Rules and the Local Rules. Without limiting the foregoing, MACH Gen shall promptly serve a notice of entry of this Interim Order and the Final Hearing, together with a copy of this Interim Order, by first class mail, postage prepaid, facsimile, electronic mail or overnight mail upon the Notice Parties. The notice of the entry of this Interim Order and the Final Hearing shall state that objections to the entry of a Final Order shall be filed with the United States Bankruptcy Court for the District of Delaware by no later than 5:00 p.m. (prevailing Eastern Time) on _____ __, 2018 (the "Objection Deadline").

36. DIP Agent and First Lien Agent Authorization. Notwithstanding any provision of the First Lien Financing Documents or the DIP Loan Documents, each of the DIP Agent and First Lien Agent is hereby authorized to make any and all account transfers requested by MACH Gen in accordance with the Approved Budget, and is further authorized to take any other action reasonably necessary to implement the terms of this Interim Order.

37. Subordination of Certain Tax Allocation Claims. The following subordination provisions (collectively, the "Tax Claim Subordination") constitute essential consideration for the DIP Agent and the DIP Lenders' entry into the DIP Facility and are an integral element of the First Lien Agent and First Lien Lenders' adequate protection.

(a) For all purposes, the liabilities and obligations under this Interim Order, the Final Order, the other DIP Loan Documents and the First Lien Financing Documents shall be senior in priority and right to payment to any Tax Allocation Claims.

(b) Any rights to payment on account of the Tax Allocation Claims are subordinated to the DIP Agent's, DIP Lenders, Prepetition Agent, and Prepetition First Lien Lenders' right to payment in full in cash of the obligations under the DIP Credit Agreement, this Interim Order, the Final Order, and the First Lien Credit Agreement. No legal or beneficial owner of a Tax

Allocation Claim (a "Tax Allocation Claimant") shall accept or receive payments or other distributions on account of any Tax Allocation Claim (including, without limitation, under any plan of reorganization, plan of liquidation or otherwise, whether in cash or other property and whether received directly, indirectly or by set-off, counterclaim or otherwise) from any of the Debtors prior to the date that all DIP Obligations, Adequate Protection Obligations, and Prepetition First Lien Obligations have been indefeasibly paid in full in cash and all commitments related to the DIP Loan and the Prepetition First Lien Loan have terminated (the "Satisfaction of the Senior Obligations").

(c) So long as the Satisfaction of Senior Obligations has not occurred, any payments or other distributions on account of a Tax Allocation Claim (whether or not expressly characterized as such) received by a Tax Allocation Claimant shall be segregated and held in trust and forthwith paid over to the DIP Agent or the First Lien Agent for the benefit of the DIP Lenders and/or the First Lien Lenders, as applicable, in the same form as received, with any necessary endorsements or as a court of competent jurisdiction may otherwise direct.

(d) No Tax Allocation Claimant shall take any action or cause any action to be taken to recover in connection with the Tax Allocation Claims, or otherwise enforce or exercise remedies with respect to a Tax Allocation Claim prior to the Satisfaction of the Senior Obligations.

(e) No Tax Allocation Claimant shall take or cause to be taken any action the purpose or intent of which could directly or indirectly interfere, hinder or delay, in any manner, whether by judicial proceedings or otherwise, any action to enforce any DIP Obligation, Adequate Protection Obligation, or Prepetition First Lien Obligation.

38. No Modification of Interim Order. The MACH Gen Entities irrevocably waive any right to seek any amendment, modification or extension of this Interim Order without the prior written consent of the DIP Lenders and the First Lien Lenders and no such consent shall be implied by any action, inaction or acquiescence of the DIP Lenders or the First Lien Lenders

39. Rights Preserved. Notwithstanding anything herein to the contrary, the entry of this Interim Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly (a) the DIP Agent's, the DIP Lenders', the First Lien Agent's or the First Lien Lenders' right to seek any other or supplemental relief in respect of MACH Gen, including the right to seek additional adequate protection, as applicable, subject to the terms of the RSA, (b) any of the rights of the DIP Agent, DIP Lender, the First Lien Agent or the First Lien Lenders under the Bankruptcy Code or applicable nonbankruptcy law. Nothing contained herein shall be deemed a finding by the Court or an acknowledgement by the First Lien Agent or the First Lien Lenders that the adequate protection granted herein does in fact adequately protect the First Lien Agent or the First Lien Lenders against any diminution in value of the Prepetition Collateral.

40. Priority of Terms. To the extent of any conflict between or among (a) the Motion, any other order of this Court (other than the Final Order), or any other agreements, on the one hand, and (b) the terms and provisions of this Interim Order, on the other hand, the terms and provisions of this Interim Order shall govern.

41. Entry of Interim Order; Effect. This Interim Order shall take effect and be fully enforceable *nunc pro tunc* to the Petition Date immediately upon entry hereof, notwithstanding the possible application of Fed. R. Bankr. P. 6004(h), 7062, 9014, or otherwise, and the Clerk of

this Court is hereby directed to enter this Interim Order on this Court's docket in the Chapter 11 Cases.

42. Limitation of Liability. In determining to make any DIP Loans, permitting the use of Cash Collateral, or in exercising any rights or remedies as and when permitted pursuant to this Interim Order (or any Final Order), the DIP Loan Documents, or the First Lien Financing Documents, none of the DIP Agent, the DIP Lenders, the First Lien Agent or the First Lien Lenders shall be deemed to be in control of the operations of the MACH Gen Entities or any affiliate (as defined in section 101(2) of the Bankruptcy Code) of the MACH Gen Entities, or to be acting as a "responsible person" or "owner or operator" with respect to the operation or management of the MACH Gen Entities or any affiliate of the MACH Gen Entities (as such terms, or any similar terms, are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, 29 U.S.C. §§ 9601 et seq., as amended, or any similar federal or state statute). Furthermore, nothing in this Interim Order, the DIP Loan Documents, or the First Lien Financing Documents shall in any way be construed or interpreted to impose or allow the imposition upon the DIP Agent, the DIP Lenders, the First Lien Agent or the First Lien Lenders of any liability for any claims arising from the prepetition or postpetition activities of the MACH Gen Entities or any affiliate of the MACH Gen Entities.

43. Cash Management. Subject to paragraph 9 of this Interim Order, the MACH Gen Entities shall not seek approval of any cash management system without the prior approval of the DIP Lenders and the First Lien Lenders, which consent shall not be unreasonably withheld, and any order approving such cash management system shall be reasonably acceptable to the DIP Lenders and the First Lien Lenders.

44. Credit Bidding.

(a) The DIP Agent, acting at the direction of the requisite DIP Lenders, shall have the unqualified right to credit bid up to the full amount of the DIP Obligations in any sale of the Collateral (or any part thereof), without the need for further Court order authorizing the same, and whether such sale is effectuated through section 363 or 1129 of the Bankruptcy Code, by a chapter 7 trustee under section 725 of the Bankruptcy Code, or otherwise; and

(b) The First Lien Agent, at the direction of the requisite First Lien Lenders, shall have the unqualified right to credit bid up to the full amount of any remaining First Lien Prepetition Obligations in the sale of any Prepetition Collateral (or any part thereof) subject to the satisfaction of the DIP Obligations, or as otherwise consented to by the DIP Lenders, without the need for further Court order authorizing the same, and whether such sale is effectuated through section 363 or 1129 of the Bankruptcy Code, by a chapter 7 trustee under section 725 of the Bankruptcy Code, or otherwise.

45. Equities of the Case. Subject to and effective upon entry of the Final Order and, in light of, as applicable, the subordination of the Prepetition First Liens to the Adequate Protection Liens in respect of the First Lien Lenders, the DIP Liens and the Carve-Out, and the granting of the DIP Liens, the First Lien Agent and the First Lien Lenders shall be entitled to all benefits of Bankruptcy Code section 552(b), and the "equities of the case" exception under Bankruptcy Code section 552(b) shall not apply to the First Lien Agent or the First Lien Lenders with respect to the proceeds, product, offspring, or profits of any of the Collateral, including the Prepetition Collateral.

46. Reporting Requirements. Notwithstanding any procedures or requirements under the First Lien Financing Documents or the DIP Loan Documents, MACH Gen shall prepare and

furnish to counsel for the DIP Lenders and counsel for the First Lien Lenders, in form and substance reasonably acceptable to the DIP Agent and the First Lien Lenders, a weekly report of receipts, disbursements, and a reconciliation of actual receipts and disbursements with those set forth in the Approved Budget, on a line-by-line basis, showing any percentage variance to the proposed corresponding line item of the Approved Budget (a) for the immediately preceding two-week period and (b) on a cumulative basis for the period of the Approved Budget or such other budget period, as applicable, and showing a calculation of the covenants and MACH Gen's compliance or noncompliance, which shall be certified by the chief financial officer or chief executive officer as having been prepared under such officer's supervision and in good faith (the "Budget Reconciliation"). MACH Gen shall also provide counsel to the DIP Agent and counsel to the First Lien Lenders with (i) a list of any and all prepetition claims paid during such period, each with a notation regarding which order authorized such payments, and (ii) the cumulative total of all prepetition claims paid, each with a notation regarding which order authorized such payments (the "Other Reporting Obligations"). Such Budget Reconciliation and Other Reporting Obligations shall be provided to counsel to the DIP Lenders and counsel to the First Lien Lenders so as actually to be received within three (3) business days following the end of each applicable period. MACH Gen and its professionals shall make themselves available to discuss the Budget Reconciliation and any other reports provided pursuant to this Interim Order with the professionals retained by the DIP Lenders and the First Lien Lenders on such basis as may be reasonably requested by the DIP Lenders and the First Lien Lenders.

47. No Third Party Rights. Except as explicitly provided for herein, this Interim Order does not create any rights for the benefit of any party, creditor, equity holder or other

entity other than the DIP Agent, the DIP Lenders, the First Lien Agent, the First Lien Lenders, and the MACH Gen Entities, and their respective successors and assigns.

48. Intercreditor Issues. Nothing in this Interim Order shall be construed to convey on any individual DIP Lender or Prepetition First Lien Lender any consent, voting or other rights beyond those (if any) set forth in the DIP Loan Documents, First Lien Financing Documents and RSA, as applicable. Nothing in this Interim Order shall be construed to impair or otherwise affect any intercreditor, subordination or similar agreement or arrangement in respect of the First Lien Prepetition Obligations.

49. Enforceability. This Interim Order shall constitute findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052 and shall take effect and be fully enforceable *nunc pro tunc* to the Petition Date immediately upon execution hereof. Any findings of fact shall constitute a finding of fact even if it is stated as a conclusion of law, and any conclusion of law shall constitute a conclusion of law even if it is stated as a finding of fact.

50. Retention of Jurisdiction. Notwithstanding any provision in the DIP Loan Documents or the First Lien Financing Documents, this Court shall retain jurisdiction over all matters pertaining to the implementation, interpretation and enforcement of this Interim Order, the DIP Facility, or the DIP Loan Documents.

E. The Prepetition Obligations.

(i) *Prepetition First Lien Credit Facility*. Prior to the Petition Date, pursuant to the terms and conditions set forth in (a) the $681,984,285 First Lien Credit and Guaranty Agreement, dated as of April 28, 2014, by and among the Borrower, the Subsidiaries, as guarantors, the lenders party thereto (the "First Lien Lenders"), and the First Lien Agent (as the same has been amended, amended and restated, supplemented, modified, extended, renewed, restated and/or replaced at any time prior to the Petition Date, including, without limitation, by the A&R First Lien Credit Agreement (as defined below), the "First Lien Credit Agreement"); and (b) all other agreements, documents and instruments executed and/or delivered with, to or in favor of the First Lien Lenders, including, without limitation, all security agreements, notes, guarantees, mortgages, Uniform Commercial Code financing statements and all other related agreements, documents and instruments, including any fee letters, executed and/or delivered in connection therewith or related thereto (all the foregoing, together with the First Lien Credit Agreement, as all of the same have been supplemented, modified, extended, renewed, restated and/or replaced at any time prior to the Petition Date, collectively, the "First Lien Financing Documents"):

(a) the First Lien Lenders made revolving loans to, and issued Revolving Letters of Credit (as defined in the First Lien Credit Agreement) for the account of, the Borrower, and otherwise extended credit to the MACH Gen Entities, in an aggregate principal committed amount of up to $200 million (of which not more

than $160 million was available to issue Revolving Letters of Credit) (the "Prepetition Revolving Credit Facility");

(b) the First Lien Lenders extended to the Borrower a term B loan facility, in an aggregate outstanding principal amount of $465,114,835.06 (the "Prepetition Term Loan Facility"; together with the Prepetition Revolving Credit Facility, the "Prepetition First Lien Facilities"); and

(c) pursuant to the A&R First Lien Credit Agreement, and as an integrated part of the overall restructuring transactions, the Borrower has agreed to pay an exit fee, which as of the date hereof is outstanding in an aggregate amount of $[•] (the "Exit Fee"), but which shall only become due and payable upon the occurrence of the Effective Date of an Acceptable Plan.

All obligations of the MACH Gen Entities arising under the First Lien Credit Agreement or any other First Lien Financing Document, including under the Prepetition Revolving Credit Facility and the Prepetition Term Loan Facility, and all loans, advances, debts, liabilities, principal, accrued or hereafter accruing interest, fees (including the Exit Fee), costs, charges, expenses (including any and all reasonable attorneys', accountants', appraisers' and financial advisors' fees and expenses that are chargeable, reimbursable or otherwise payable under the First Lien Financing Documents), Unreimbursed Amounts (as defined in the First Lien Credit Agreement) in respect of Revolving Letters of Credit which are drawn after the Petition Date, increased costs, tax gross-ups, breakage costs and indemnities payable under the First Lien Financing Documents, and obligations for the performance of covenants, tasks or duties, or for the payment of any other monetary amounts (including any Yield Maintenance Fees (as defined in the First Lien Credit Agreement)) owing to the First Lien Agent or First Lien Lenders by the

MACH Gen Entities, of any kind or nature, whether or not evidenced by any note, agreement or other instrument, shall hereinafter be referred to collectively as the "First Lien Prepetition Obligations."

(ii) *Subsidiary Guarantors*. The First Lien Prepetition Obligations are guaranteed by the Subsidiaries under the terms of the First Lien Credit Agreement.

(iii) *Prepetition First Liens*. Pursuant to those certain First Lien Collateral Documents (as such term is defined in the First Lien Credit Agreement), each MACH Gen Entity granted to the First Lien Agent for the benefit of the First Lien Lenders to secure the First Lien Prepetition Obligations, a first-priority security interest in and continuing lien (the "Prepetition First Liens") on substantially all of its Property (as defined in the First Lien Credit Agreement), including without limitation the Equity Interests (as defined in the First Lien Credit Agreement) in the Subsidiaries (collectively, the "Prepetition Collateral").

(iv) *No Other Liens*. As of the Petition Date, other than as expressly permitted under the First Lien Financing Documents (including any "Permitted Liens" as such term is defined in the First Lien Credit Agreement), there were no liens on or security interests in the Prepetition Collateral other than the Prepetition First Liens.

(v) *Restructuring Support Agreement and Prepetition First Lien Amendments*. After good faith, arm's length negotiations, the MACH Gen Entities, MACH Gen, LLC as equity holder in New MACH Gen, and the First Lien Lenders entered into that certain Restructuring Support Agreement, dated as of June 4, 2018 (as may be amended, supplemented, restated, or modified from time to time in accordance with the terms thereof, the "RSA"), in which the parties thereto agreed, *inter alia*, to engage in certain transactions, including, but not limited to, the distribution of the equity interests in New Harquahala to the First Lien Lenders or their

designee (such transfer, the "Harquahala Reorganization") pursuant to, and in exchange for the consideration set forth in, the Prepackaged Plan, and to restructure MACH Gen's obligations under the First Lien Financing Documents pursuant to the terms and conditions set forth in the RSA. In connection with the RSA and as a necessary condition thereto, the First Lien Lenders and the First Lien Agent entered into that certain Amended and Restated First Lien Credit and Guaranty Agreement, dated as of June 4, 2018 (the "A&R First Lien Credit Agreement"), which provided, *inter alia*, for the deferral of certain required payments under the First Lien Financing Documents and the incurrence of the Exit Fee (as described above), and which was necessary for the MACH Gen Entities to preserve their business operations and to consummate the transactions contemplated by the RSA.

(vi) *Tax Allocation Claims*. MACH Gen (but not the DIP Lenders or First Lien Lenders) has determined that Talen LC Provider may have an unsecured claim against the MACH Gen Entities in the amount of approximately $30,426,408 (the "Tax Allocation Claim," together with any other claims asserted against any MACH Gen Entity on account of a receivable owed to Talen LC Lender, Talen Energy Corporation or any Talen Tax Affiliate (each as defined in the Restructuring Support Agreement) under or in respect of the Tax Allocation Agreement (as defined in the Restructuring Support Agreement), the "Tax Allocation Claims") that arose in connection with that certain Amended and Restated Tax Allocation Agreement, by and among Talen Energy Corporation and the Talen Tax Affiliates, effective as of December 15, 2015 and terminated effective January 1, 2017, which Tax Allocation Claim MACH Gen anticipates will, pursuant to the Prepackaged Plan, be (x) reinstated against Reorganized MACH Gen, on a junior and subordinated basis, subject to the DIP Liens, the Adequate Protection Liens, the Prepetition Liens, the New First Lien Facilities, and the New Second Lien Facilities, with no

right to payment or enforcement of any such claim unless and until the obligations under the senior facilities have been indefeasibly paid in full in cash, (y) deemed waived against New Harquahala and will get no distribution under the Prepackaged Plan, and (z) in the event of a Talen/Company Walkaway, deemed waived and discharged and shall get no distribution under the Prepackaged Plan.

F. MACH Gen Entities' Stipulations. Subject to the rights of any Committee or other parties-in-interest as and to the extent set forth in paragraph 33 below, the MACH Gen Entities acknowledge, admit, represent, stipulate and agree that:

(i) *First Lien Prepetition Obligations*. As of the Petition Date, the First Lien Prepetition Obligations for which the MACH Gen Entities are truly and justly indebted to the First Lien Lenders, without defense, counterclaim, recoupment or offset of any kind, included (w)(1) the aggregate principal amount of not less than approximately $132,953,263.52, on account of First Lien Prepetition Obligations incurred under and in connection with the Prepetition Revolving Credit Facility, plus (2) the aggregate face amount of $26,771,841.00 on account of issued and outstanding undrawn Revolving Letters of Credit under the Prepetition Revolving Credit Facility, (y) the aggregate principal amount of not less than approximately $465,114,835.06 on account of First Lien Prepetition Obligations incurred under and in connection with the Prepetition Term Loan Facility, and (z) all other First Lien Prepetition Obligations.

(ii) *Prepetition First Liens Not Subject to Avoidance.* The Prepetition First Liens (a) constitute valid, binding, enforceable, nonavoidable, and properly perfected liens on the Prepetition Collateral that, prior to entry of the Interim Order, were senior in priority (except for any senior Permitted Liens (as defined in and) to the extent expressly permitted under the First

Lien Credit Agreement) over any and all other liens on the Prepetition Collateral; and (b) are not subject to avoidance, reductions, recharacterization, set-off, subordination (whether equitable, contractual or otherwise), counterclaims, cross-claims, defenses or any other challenges under the Bankruptcy Code or any other applicable law or regulation (except insofar as such liens are subordinated to the DIP Liens, the Adequate Protection Liens in respect of the First Lien Lenders, and the Carve-Out (each term as defined below) in accordance with the provisions of this Final Order, the Interim Order and the other DIP Loan Documents).

(iii) *No Claims*. The MACH Gen Entities have no valid claims (as such term is defined in section 101(5) of the Bankruptcy Code) or causes of action against the First Lien Agent or any First Lien Lenders with respect to the First Lien Financing Documents, the First Lien Prepetition Obligations, the Prepetition First Liens, or otherwise, whether arising at law or at equity, including, without limitation, any challenge, recharacterization, subordination, avoidance or other claims arising under or pursuant to sections 105, 510, 541 or 542 through 553, inclusive, of the Bankruptcy Code.

(iv) *Indemnity*. The First Lien Agent, the First Lien Lenders, the DIP Agent and the DIP Lenders have acted in good faith, and without negligence or violation of public policy or law, in respect of all actions taken by them in connection with or related in any way to negotiating, implementing, documenting or obtaining requisite approvals of the RSA, the A&R First Lien Credit Agreement, the DIP Facility, and the use of Cash Collateral, including in respect of the granting of the DIP Liens and the Adequate Protection Liens, any challenges or objections to the DIP Facility or the use of Cash Collateral, and all documents related to any and all transactions contemplated by the foregoing. Accordingly, the First Lien Agent, the First Lien Lenders, the DIP Agent and the DIP Lenders shall be and hereby are indemnified and held

harmless by the MACH Gen Entities in respect of any claim or liability incurred in respect thereof or in any way related thereto, provided that no such parties will be indemnified for any cost, expense or liability to the extent determined in a final, non-appealable judgment of a court of competent jurisdiction to have resulted primarily from such parties' gross negligence or willful misconduct. No exception or defense in contract, law or equity exists as to any obligation set forth, as the case may be, in this paragraph F(iv), in the First Lien Financing Documents or in the DIP Loan Documents, to indemnify and/or hold harmless the First Lien Agent, the First Lien Lenders, the DIP Agent or the DIP Lenders, as the case may be.

(v) *Release*. The MACH Gen Entities hereby stipulate and agree that they forever and irrevocably release, discharge and acquit the DIP Agent, the First Lien Agent, all former, current and future First Lien Lenders and DIP Lenders, and each of their respective successors, assigns, affiliates, subsidiaries, parents, officers, shareholders, directors, employees, attorneys and agents, past, present and future, and their respective heirs, predecessors, successors and assigns (collectively, the "Releasees") of and from any and all claims, controversies, disputes, liabilities, obligations, demands, damages, expenses (including, without limitation, reasonable attorneys' fees), debts, liens, actions and causes of action of any and every nature whatsoever relating to, as applicable, the DIP Facility, the DIP Loan Documents, the Prepetition First Lien Facilities, the First Lien Financing Documents and/or the transactions contemplated hereunder or thereunder including, without limitation, (x) any so-called "lender liability" or equitable subordination claims or defenses, (y) any and all claims and causes of action arising under the Bankruptcy Code, and (z) any and all claims and causes of action with respect to the validity, priority, perfection or avoidability of the liens or claims of the First Lien Agent, the First Lien Lenders, the DIP Agent and the DIP Lenders. The MACH Gen Entities further waive and release

any defense, right of counterclaim, right of set-off or deduction to the payment of the First Lien Prepetition Obligations and the DIP Obligations which the MACH Gen Entities now have or may claim to have against the Releasees, arising out of, connected with or relating to any and all acts, omissions or events occurring prior to the Bankruptcy Court entering this Final Order.

(vi) None of the DIP Agent, the DIP Lenders, the First Lien Agent or the First Lien Lenders are control persons or insiders of the Debtors or any of their affiliates by virtue of any of the actions taken with respect to, in connection with, related to, or arising from the DIP Facility, the DIP Loan Documents and/or the First Lien Financing Documents.

G. Cash Collateral. For purposes of this Final Order, the term "Cash Collateral" shall mean and include all "cash collateral" as defined in section 363 of the Bankruptcy Code, in which the First Lien Agent (on behalf of the First Lien Lenders) or the First Lien Lenders have a lien or security interest, in each case whether existing on the Petition Date, arising pursuant to the Interim Order or this Final Order, or otherwise. The MACH Gen Entities represent and stipulate that all of MACH Gen's cash, cash equivalents, negotiable instruments, investment property, and securities constitute Cash Collateral of the First Lien Agent on behalf of the First Lien Lenders.

H. Use of DIP Facility and Cash Collateral. The MACH Gen Entities have an immediate and critical need to use proceeds of the DIP Facility and Cash Collateral to preserve and operate their businesses and effectuate a reorganization of their businesses, including through the Harquahala Reorganization, which proceeds of the DIP Facility and Cash Collateral will be used in accordance with the terms of this Final Order and subject to the Approved Budget (as defined below). Without the use of proceeds of the DIP Facility and Cash Collateral, the MACH Gen Entities will not have sufficient liquidity to be able to continue to operate their

businesses. The adequate protection provided herein and other benefits and privileges contained herein are consistent with and authorized by the Bankruptcy Code and are necessary in order to obtain such consent or nonobjection of certain parties, and to adequately protect the parties' interests in the Prepetition Collateral. Absent authorization to immediately use proceeds of the DIP Facility and Cash Collateral, the MACH Gen Entities' estates and their creditors would suffer immediate and irreparable harm.

I. Other Financing Unavailable. As discussed in the First Day Declaration and the Evercore Declaration, MACH Gen is unable to obtain (i) adequate unsecured credit allowable either (a) under sections 364(b) and 503(b)(l) of the Bankruptcy Code or (b) under section 364(c)(l) of the Bankruptcy Code, (ii) adequate credit secured by (x) a senior lien on unencumbered assets of their estates under section 364(c)(2) of the Bankruptcy Code and (y) a junior lien on encumbered assets of their estates under section 364(c)(3) of the Bankruptcy Code, or (iii) secured credit under section 364(d)(l) of the Bankruptcy Code from sources other than the First Lien Lenders on terms more favorable than the terms of the DIP Facility. The only available source of secured credit available to MACH Gen, other than the use of Cash Collateral, is the DIP Facility. MACH Gen requires both financing under the DIP Facility and the continued use of Cash Collateral under the terms of this Final Order in order to satisfy its post-petition liquidity needs.

J. Best Financing Presently Available. The DIP Agent and the DIP Lenders have indicated a willingness to provide MACH Gen with financing solely on the terms and conditions set forth in this Final Order and the other DIP Loan Documents (including the Approved Budget (subject to Permitted Variances)). After considering all of their alternatives, the MACH Gen Entities have concluded, in an exercise of their sound business judgment, that the financing to be

provided by the DIP Lenders pursuant to the terms of this Final Order and the other DIP Loan Documents, represents the best financing presently available to MACH Gen. The DIP Lenders are good faith financiers. The DIP Lenders' and DIP Agent's claims, superpriority claims, security interests, liens and other protections granted pursuant to this Final Order, the Interim Order and the other DIP Loan Documents will not be affected by any subsequent reversal, modification, vacatur or amendment of the Interim Order, this Final Order or any other order, as provided in section 364(e) of the Bankruptcy Code.

K. Good Cause for Immediate Entry. Good cause has been shown for immediate entry of this Final Order pursuant to Bankruptcy Rules 4001(b)(2) and (c)(2) and Local Rule 4001-2. In particular, the authorization granted herein for the MACH Gen Entities to enter into the DIP Facility, to continue using Cash Collateral and to obtain financing, including on a priming lien basis, is necessary to avoid immediate and irreparable harm to the MACH Gen Entities and their estates. Entry of this Final Order is in the best interest of the MACH Gen Entities, their estates and creditors. The terms of the DIP Facility (including MACH Gen's continued use of Cash Collateral) are fair and reasonable under the circumstances, reflect MACH Gen's exercise of prudent business judgment consistent with its fiduciary duties, and are supported by reasonably equivalent value and fair consideration.

L. Arm's Length Negotiation. MACH Gen, the DIP Agent, the DIP Lenders, the First Lien Agent, and the First Lien Lenders have negotiated the terms and conditions of the DIP Facility (including the MACH Gen Entities' continued use of Cash Collateral) and this Final Order in good faith and at arm's length, and any credit extended and loans made to MACH Gen pursuant to this Final Order shall be, and hereby are, deemed to have been extended, issued or

made, as the case may be, in "good faith" within the meaning of section 364(e) of the Bankruptcy Code.

M. Application of Proceeds of the Collateral. All proceeds of the sale or other disposition of the Collateral shall be applied in accordance with the terms of the DIP Loan Documents and this Final Order.

N. Adequate Protection for Secured Lenders. The First Lien Agent (on behalf of the First Lien Lenders) and the First Lien Lenders have negotiated and acted in good faith regarding the RSA, the A&R First Lien Credit Agreement, the DIP Facility and MACH Gen's use of the Prepetition Collateral (including the Cash Collateral) to fund the administration of MACH Gen's estates and continued operation of their businesses, in accordance with the terms hereof. The First Lien Agent (on behalf of the First Lien Lenders) has agreed to permit MACH Gen to use the Prepetition Collateral, including the Cash Collateral, in accordance with the terms hereof and the Approved Budget (subject to Permitted Variances (as defined below)). The rights of the First Lien Agent and the First Lien Lenders under the RSA (including, without limitation, the First Lien Step-In Right and the Tax Claim Subordination (as defined below)) are an essential element of their adequate protection. Without their rights under the RSA, the First Lien Agent and the First Lien Lenders would not have entered into the A&R First Lien Credit Agreement, and the First Lien Agent (on behalf of the First Lien Lenders) would not have consented to the use of Cash Collateral or the DIP Facility. Accordingly, the First Lien Agent and First Lien Lenders may exercise all of their termination and other rights under the RSA, in accordance with the terms thereof, irrespective of the commencement or the continuation of the Chapter 11 Cases or any Successor Case, or the automatic stay to the extent it might apply to such termination or other rights. The First Lien Agent (on behalf of the First Lien Lenders) is entitled to the

adequate protection provided in this Final Order as and to the extent set forth herein pursuant to §§ 361, 362 and 363 of the Bankruptcy Code. Based on the Motion and on the record presented to the Court at the Interim Hearing and the Final Hearing, the terms of the proposed adequate protection arrangements and of the use of the Prepetition Collateral (including the Cash Collateral) are fair and reasonable, reflect MACH Gen's prudent exercise of business judgment and constitute reasonably equivalent value and fair consideration for the consent thereto of the First Lien Agent (on behalf of the First Lien Lenders); provided, that nothing in this Final Order or the other DIP Loan Documents shall (x) be construed as a consent by the First Lien Agent or any First Lien Lender that it would be adequately protected in the event debtor in possession financing is provided by a third party (i.e., other than the DIP Lenders) or a consent to the terms of any other such financing or any lien encumbering the Collateral (whether senior or junior) or to the use of Cash Collateral except as provided in the Interim Order and/or this Final Order, or (y) prejudice, limit or otherwise impair the rights of the First Lien Agent (for the benefit of the First Lien Lenders) or the First Lien Lenders to seek new, different or additional adequate protection in the event circumstances change after the date hereof.

O. Sections 506(c) and 552(b). In light of the First Lien Lenders' agreement to subordinate their liens and claims to the Carve-Out, the DIP Liens and the Adequate Protection Liens in respect of the First Lien Lenders, to permit the use of the DIP Facility and Cash Collateral for payments made in accordance with the Approved Budget and the terms of this Final Order and the other DIP Loan Documents, (a) the First Lien Lenders and the First Lien Agent are entitled to a waiver of the provisions of Bankruptcy Code section 506(c), and (b) the First Lien Lenders and the First Lien Agent are entitled to a waiver of any "equities of the case" claims under Bankruptcy Code section 552(b).

P. Order of the Court. Based upon the foregoing findings, acknowledgements, and conclusions, and upon the record made before this Court at the Interim Hearing and the Final Hearing, and good and sufficient cause appearing therefor:

IT IS HEREBY FOUND, DETERMINED, ORDERED, ADJUDGED AND DECREED THAT:

1. Motion Granted. The Motion is granted on a final basis, subject to the terms set forth herein. Any objections to the Motion that have not previously been withdrawn or resolved are hereby overruled on their merits. This Final Order shall be valid, binding on all parties in interest, and fully effective immediately upon entry, notwithstanding the possible application of Bankruptcy Rule 6004(h), 7062 and 9014.

2. Authority to Enter Into DIP Facility. The MACH Gen Entities are hereby authorized to incur and perform the obligations arising from and after the date of the Interim Order and this Final Order under the DIP Facility, on the terms set forth in this Final Order, the debtor-in-possession credit and guaranty agreement attached hereto as Exhibit A (as amended, supplemented or otherwise modified from time to time, the "DIP Credit Agreement"), and such additional documents, instruments and agreements as may be reasonably required by the DIP Agent to implement the terms or effectuate the purposes of and transactions contemplated by the Interim Order, this Final Order and the DIP Credit Agreement (collectively, the Interim Order, this Final Order, the Approved Budget, the DIP Credit Agreement and such additional documents, instruments and agreements, including any fee letters, the "DIP Loan Documents"). The MACH Gen Entities are hereby authorized to enter into, execute and deliver (to the extent not previously entered into, executed and/or delivered) the DIP Loan Documents and to borrow money under the DIP Facility, up to an aggregate principal amount not to exceed $20 million

(including the aggregate principal amount of all DIP Loans funded by the DIP Lenders pursuant to the Interim Order) and the Subsidiaries are hereby authorized to guaranty such borrowings and the Borrower's obligations under the DIP Facility, this Final Order and the other DIP Loan Documents, all in accordance with the terms of this Final Order and the other DIP Loan Documents, and the MACH Gen Entities are authorized to take all actions, which may be reasonably required or otherwise necessary for the performance by the MACH Gen Entities of its obligations under the DIP Loan Documents, including the creation and perfection of the DIP Liens described and provided for in the Interim Order, this Final Order and the other DIP Loan Documents.

3. Use of Cash Collateral and DIP Loans. The MACH Gen Entities are hereby authorized to use Cash Collateral and the proceeds of any DIP Loans solely in accordance with the Approved Budget and the financial covenants, and other terms and conditions set forth in this Final Order and the other DIP Loan Documents.

4. Validity of DIP Loan Documents. The DIP Loan Documents shall constitute valid and binding obligations of the MACH Gen Entities, enforceable against each MACH Gen Entity party thereto in accordance with the terms thereof. No obligation, payment, transfer or grant of security under the DIP Loan Documents as approved under this Final Order shall be stayed, restrained, voided, voidable or recoverable under the Bankruptcy Code or under any applicable non-bankruptcy law, or subject to any defense, reduction, setoff, recoupment or counterclaim.

5. DIP Loans. All loans made to or for the benefit of any of the MACH Gen Entities on or after the Petition Date in accordance with the DIP Loan Documents (collectively, the "DIP Loans"), all interest thereon and all fees, costs, expenses, indemnification obligations and other

liabilities owing by the MACH Gen Entities to the DIP Lenders or the DIP Agent in accordance with and relating to this Final Order and the other DIP Loan Documents shall hereinafter be referred to as the "DIP Obligations." The DIP Loans: (a) shall be evidenced by the books and records of the DIP Agent or the DIP Lenders and, upon the request of any DIP Lender, a note executed and delivered to such DIP Lender by the Borrower in accordance with the terms of the DIP Loan Documents, which note shall evidence such DIP Lender's DIP Loans in addition to such accounts and records; (b) shall bear interest payable and incur fees at the rates set forth in Sections 2.06 and 2.07 of the DIP Credit Agreement; (c) shall be secured in the manner specified below; (d) shall be payable in accordance with the DIP Loan Documents; and (e) shall otherwise be governed by the terms set forth in this Final Order and the other DIP Loan Documents.

6. Structure of DIP Facility. The DIP Facility shall be comprised of a $20 million multi-draw term loan facility.

7. Conditions Precedent. The DIP Lenders and the DIP Agent shall have no obligation to make any DIP Loans or any other financial accommodation under the DIP Loan Documents unless the conditions precedent to make such extensions of credit under the DIP Loan Documents have been satisfied in full or waived in accordance with such DIP Loan Documents.

8. [RESERVED]

9. Continuation of Prepetition Cash Management Procedures. Except to the extent inconsistent with the express terms of this Final Order, all prepetition practices and procedures (including bank account cash management practices) provided for in the First Lien Financing Documents (including in that certain Security Deposit Agreement, dated as of April 28, 2014 (the "Security Deposit Agreement"), by and among New MACH Gen, the First Lien Agent and

Citibank, N.A., as Depositary) for the payment, collection and application of proceeds of the Prepetition Collateral, the turnover and transfer of cash and other financial assets, the delivery of property to the First Lien Lenders or the First Lien Agent, and the funding of extensions of credit pursuant thereto are hereby approved and shall continue without interruption in respect of the Prepetition Collateral and the First Lien Prepetition Obligations and in respect of the Collateral, the DIP Obligations, and the DIP Loans pursuant to the DIP Loan Documents, which shall constitute a Secured Obligation under and as defined in the Security Deposit Agreement.

10. Approved Budget.

(a) The budget annexed hereto as Exhibit B (as updated periodically in accordance with the DIP Credit Agreement, the "Approved Budget")[3] is hereby approved. Proceeds of the DIP Loans and Cash Collateral under this Final Order shall be used by MACH Gen only in accordance with the Approved Budget and this Final Order, subject to any Permitted Variance. Subject to the Carve-Out, the DIP Lenders' consent to the Approved Budget shall not be construed as consent to the use of DIP Loans or Cash Collateral beyond the Termination Date (as defined below), regardless of whether the aggregate funds shown on the Approved Budget have been expended.

(b) Subject to paragraph 32 of this Final Order, upon the written consent of the First Lien Lenders and MACH Gen, and without further order of the Court, the Approved Budget may be amended from time to time. MACH Gen shall provide a copy of any so amended revised budget to the U.S. Trustee and counsel to the Committee, if any.

[3] The Approved Budget will be updated as of the date of entry of this Final Order, provided that such updated Approved Budget shall be consistent with Exhibit B to this Final Order and otherwise in form and substance satisfactory to the DIP Agent and DIP Lenders in their sole discretion.

11. Permitted Variance. Notwithstanding the Approved Budget, so long as the Termination Date has not occurred, the MACH Gen Entities shall be authorized to use proceeds of the DIP Loans and Cash Collateral in accordance with the Approved Budget, in an amount that would not cause MACH Gen to use proceeds of the DIP Loans and Cash Collateral in an aggregate amount greater than 120% of the Approved Budget for any two-week period (a "Permitted Variance"). For the purpose of calculating any variance in accordance with this paragraph, the fees and expenses of the Lender Professionals (as defined below) shall not be considered.

12. Continuation of Prepetition First Liens. Until (a) the Borrower and the Subsidiaries have indefeasibly paid in full and in cash all DIP Obligations, all First Lien Prepetition Obligations (including the satisfactory cash collateralization of all issued and outstanding Revolving Letters of Credit under the Prepetition Revolving Credit Facility in accordance with the First Lien Financing Documents), (b) the DIP Lenders' obligations under the DIP Facility have terminated, (c) all objections and challenges to (i) the liens and security interests of the First Lien Lenders (including, without limitation, liens granted for adequate protection purposes) and (ii) the First Lien Prepetition Obligations, have been waived, denied or barred, and (d) all of MACH Gen's stipulations in paragraph F above have become binding upon their estates and parties in interest in accordance with paragraph 33 below, all liens and security interests of the DIP Agent, DIP Lenders, First Lien Agent and the First Lien Lenders (including, without limitation, liens granted for adequate protection purposes) shall remain valid and enforceable with the same continuing priority as described herein, except as otherwise provided in an Acceptable Plan (as defined in the DIP Credit Agreement) (but solely to the extent the Acceptable Plan is confirmed and becomes effective in accordance with the terms of the RSA).

13. DIP Liens and Collateral. As security for the full and timely payment of the DIP Obligations, the DIP Agent on behalf of the DIP Lenders is hereby granted, pursuant to sections 364(c)(2), 364(c)(3) and 364(d)(1) of the Bankruptcy Code, valid, enforceable, nonavoidable and fully perfected priming security interests in, and liens and mortgages (collectively, the "DIP Liens") upon, all existing and after-acquired tangible and intangible personal and real property and assets of each of the MACH Gen Entities, including, without limitation, Prepetition Collateral, accounts receivable, inventory, equipment, fee and leasehold interests in real property, general intangibles, contract rights, intercompany notes, cash, deposit accounts, securities accounts, investment property, rights, claims and causes of action, commercial tort claims, and one hundred percent (100%) of the outstanding equity interests in the Subsidiaries (collectively, the "Collateral"), provided that this Final Order does not grant, and shall not be deemed to grant, any security interests in or liens on claims and causes of action under Chapter 5 of the Bankruptcy Code and similar laws, (collectively, the "Avoidance Actions"), but proceeds of Avoidance Actions and property received thereby whether by judgment, settlement or otherwise shall constitute Collateral. The DIP Liens shall not, without the consent of the DIP Agent, be made subject to, or *pari passu* with, any other lien or security interest, other than to the extent expressly provided herein and subject to the Carve-Out, by any court order heretofore or hereafter entered in the Chapter 11 Cases, and shall be valid and enforceable against any trustee appointed in the Chapter 11 Cases, upon the conversion of any of the Chapter 11 Cases to a case under Chapter 7 of the Bankruptcy Code or in any other proceedings related to any of the foregoing (such cases or proceedings, "Successor Cases"), and/or upon the dismissal of any of the Chapter 11 Cases. The DIP Liens and the Adequate Protection Liens shall not be subject to sections 510, 549, 550 or 551 of the Bankruptcy Code or the "equities of the case" exception

of section 552 of the Bankruptcy Code or section 506(c) of the Bankruptcy Code. The MACH Gen Entities shall not sell, transfer, lease, encumber or otherwise dispose of any portion of the Collateral, except as permitted by the DIP Loan Documents or as approved by the Court.

14. Priority of DIP Liens. The DIP Liens (a) shall constitute first-priority security interests in and liens upon all Collateral that is not otherwise subject to any valid, perfected, enforceable and nonavoidable lien in existence as of the Petition Date, pursuant to section 364(c)(2) of the Bankruptcy Code; and (b) shall, pursuant to section 364(c)(3) and 364(d)(1) of the Bankruptcy Code, be senior to and prime all other liens and security interests in the Collateral, including, without limitation, the Prepetition First Liens and the Adequate Protection Liens, and shall be junior only to any pre-existing liens as of the Petition Date of a third party, but solely to the extent that such liens and security interests were, in each case, as of the Petition Date (x) valid, enforceable, perfected and non-avoidable liens or were perfected subsequent to the Petition Date as permitted by section 546(b) of the Bankruptcy Code, and (y) expressly permitted by the terms of First Lien Financing Documents and senior to the Prepetition First Liens (the "Senior Third Party Liens").

15. Automatic Effectiveness of Liens. The automatic stay imposed under section 362(a) of the Bankruptcy Code is hereby vacated and modified to permit the MACH Gen Entities to grant (or to continue to grant) the liens and security interests to the First Lien Agent, the First Lien Lender, the DIP Agent and the DIP Lenders contemplated by the Interim Order, this Final Order, and the other DIP Loan Documents.

16. Automatic Perfection of DIP Liens. The DIP Liens granted pursuant to the Interim Order and this Final Order shall constitute valid, enforceable, nonavoidable and duly perfected first priority security interests and liens, and the DIP Agent and DIP Lenders shall not

be required to file or serve financing statements, notices of lien, mortgage deeds, deeds of trust or similar instruments which otherwise may be required under federal, state or local law in any jurisdiction, or take any action, including taking possession, to validate and perfect such security interests and liens; and the failure by the MACH Gen Entities to execute any documentation relating to the DIP Liens shall in no way affect the validity, enforceability, perfection or priority of such liens. The DIP Agent and the DIP Lenders are hereby authorized, but not required, to file or record financing statements, trademark filings, copyright filings, mortgages, deeds of trust, notices of lien or similar instruments in any jurisdiction or take any other action in order to validate and perfect the liens and security interests granted to them hereunder. Whether or not the DIP Agent or the DIP Lenders shall, in their sole discretion, choose to file such financing statements, trademark filings, copyright filings, mortgages, deeds of trust, notices of lien or similar instruments or otherwise confirm perfection of the liens and security interests granted to them hereunder, such liens and security interests shall be deemed valid, perfected, allowed, enforceable, nonavoidable and not subject to challenge, dispute or subordination, at the time and as of the date of entry of the Interim Order. Upon the request of the DIP Lenders, the MACH Gen Entities, without any further consent of any party, are authorized to take, execute and deliver such instruments (in each case without representation or warranty of any kind except as set forth in the DIP Loan Documents) to enable the DIP Agent or the DIP Lenders to further validate, perfect, preserve and enforce the DIP Liens. A certified copy of this Final Order and/or the Interim Order may be filed with or recorded in filing or recording offices in addition to or in lieu of such financing statements, mortgages, deeds of trust, notices of lien or similar instruments, and all filing offices are hereby authorized and directed to accept such certified copy of this Final Order and/or the Interim Order for filing and recording.

17. Other Automatic Perfection Matters. To the extent that the First Lien Agent (or any affiliate) is the secured party under any account control agreements, listed as loss payee under any of MACH Gen's insurance policies or is the secured party under any First Lien Financing Document, the DIP Agent, on behalf of the DIP Lenders, is also deemed to be the secured party under such account control agreements, loss payee under MACH Gen's insurance policies and the secured party under each such First Lien Financing Document, and shall have all rights and powers in each case attendant to that position (including, without limitation, rights of enforcement), and shall act in that capacity and distribute any proceeds recovered or received in accordance with the terms of this Final Order and the other DIP Loan Documents. The First Lien Agent shall serve as agent for the DIP Agent for purposes of perfecting the DIP Agent's security interests in and liens on all Collateral that is of a type such that perfection of a security interest therein may be accomplished only by possession or control by a secured party.

18. Automatic Perfection of Adequate Protection Liens. The Adequate Protection Liens granted pursuant to the Interim Order and this Final Order shall constitute valid, enforceable, nonavoidable and duly perfected security interests and liens, and the First Lien Agent and First Lien Lenders (collectively, the "Adequate Protection Parties") shall not be required to file or serve financing statements, mortgage deeds, deeds of trust, notices of lien or similar instruments which otherwise may be required under federal, state or local law in any jurisdiction, or take any action, including taking possession, to validate and perfect such security interests and liens; and the failure by the MACH Gen Entities to execute any documentation relating to the Adequate Protection Liens shall in no way affect the validity, enforceability, perfection or priority of such liens. The Adequate Protection Parties are hereby authorized, but not required, to file or record financing statements, trademark filings, copyright filings,

mortgages, deeds of trust, notices of lien or similar instruments in any jurisdiction or take any other action in order to validate and perfect the liens and security interests granted to them hereunder. Whether or not the Adequate Protection Parties shall, in their sole discretion, choose to file such financing statements, trademark filings, copyright filings, mortgages, deeds of trust, notices of lien or similar instruments or otherwise confirm perfection of the liens and security interests granted to them hereunder, such liens and security interests shall be deemed valid, perfected, allowed, enforceable, nonavoidable and not subject to challenge, dispute or subordination, at the time and as of the date of entry of the Interim Order. Upon the request of the First Lien Lenders, the MACH Gen Entities, without any further consent of any party, are authorized to take, execute and deliver such instruments (in each case without representation or warranty of any kind except as set forth in the DIP Loan Documents) to enable the applicable Adequate Protection Party to further validate, perfect, preserve and enforce the Adequate Protection Liens. A certified copy of this Final Order may be filed with or recorded in filing or recording offices in addition to or in lieu of such financing statements, mortgages, deeds of trust, notices of lien or similar instruments, and all filing offices are hereby authorized and directed to accept such certified copy of this Final Order for filing and recording.

19. DIP Superpriority Claims. In addition to the liens and security interests granted to the DIP Agent on behalf of the DIP Lenders pursuant to this Final Order, subject to the Carve-Out (solely upon the occurrence of a Termination Date), and in accordance with sections 364(c)(1), 503 and 507 of the Bankruptcy Code, all of the DIP Obligations (including, without limitation, all DIP Loans) shall constitute allowed superpriority administrative expense claims (the "DIP Superpriority Claims") with priority over any and all administrative expenses of MACH Gen, whether heretofore or hereafter incurred, of the kind specified in, or ordered

pursuant to, sections 105, 326, 328, 330, 331, 364, 365, 503(b), 506(c), 507(a), 507(b), 726, 1113, 1114 or any other provisions of the Bankruptcy Code, and which DIP Superpriority Claims shall be payable from and have recourse to all prepetition and postpetition property of MACH Gen, including, but not limited to, the Avoidance Actions, and all proceeds thereof.

20. Adequate Protection Liens and Adequate Protection Superpriority Claims. The Adequate Protection Parties are hereby granted the following adequate protection (collectively, the "Adequate Protection Obligations"):

(a) In each case to secure an amount equal to the aggregate post-petition diminution in value (which shall be calculated in accordance with Bankruptcy Code section 506(a)) of the interests of the Adequate Protection Parties in the Prepetition Collateral (including the Cash Collateral), including without limitation any such diminution in value resulting from depreciation, physical deterioration, use, sale, loss or decline in market value of the Prepetition Collateral, the priming of the First Lien Agent's (on behalf of the First Lien Lenders) or the First Lien Lenders' security interests and liens in the Prepetition Collateral, and/or the imposition of the automatic stay under section 362 of the Bankruptcy Code, or otherwise, the First Lien Agent, on behalf of the First Lien Lenders, shall receive:

(i) valid, enforceable, nonavoidable and fully perfected, postpetition security interests in and liens (effective and perfected upon the date of entry of the Interim Order and without the necessity of execution by the MACH Gen Entities (except to the extent so requested by the First Lien Agent) of mortgages, deeds of trust, security agreements, pledge agreements, financing statements, and other agreements or instruments) on the Collateral, including, but not limited to, Cash Collateral (the "Adequate Protection Liens"), which liens shall be junior and subject only to the DIP Liens and any Senior Third Party Liens and, solely

upon the occurrence of a Termination Date, payment of the Carve-Out in accordance with the terms and conditions set forth in this Final Order; and

(ii) superpriority administrative expense claims under Bankruptcy Code section 507(b) (the "Adequate Protection Superpriority Claims"; and together with the DIP Superpriority Claims, the "Superpriority Claims") which claims shall be junior and subject only to the DIP Superpriority Claims and, solely upon the occurrence of a Termination Date, payment of the Carve-Out in accordance with the terms and conditions set forth in this Final Order, and which shall have priority in payment over any and all other administrative expenses of the kinds specified in or ordered pursuant to Bankruptcy Code sections 105, 326, 328, 330, 331, 365, 503(a), 503(b), 506(c), 507(a), 507(b), 546(c), 546(d), 552, 1113 and 1114, whether or not such expenses or claims arise in the Chapter 11 Cases or in any subsequent cases or proceedings under the Bankruptcy Code that may result therefrom.

(b) Reimbursement from MACH Gen, without further order of this Court, when due, of all accrued and unpaid reasonable professional fees and expenses (regardless of whether such fees and expenses were incurred before or after the Petition Date) payable to the First Lien Agent and the First Lien Lenders and the DIP Agent and DIP Lenders (without duplication) pursuant to the terms of the First Lien Prepetition Loan Documents, the DIP Documents and the RSA (limited to White & Case LLP, one local Delaware counsel, and, if required, one (1) local counsel in each relevant jurisdiction and one (1) financial advisor (collectively, the "Lender Professionals"). At the same time such invoices are delivered to the Debtors, the professionals shall deliver a copy of their respective invoices to counsel for any statutory Committee and the U.S. Trustee. The invoices for such fees and expenses shall not be required to comply with any particular format, may be in summary form only, but shall at least

include a general, brief description of the nature of the matters worked on, a list of the professionals who worked on the matter, their hourly rate (if such professionals bill at an hourly rate) and the number of hours each professional billed; provided, however, that any such invoice may be redacted to protect privileged, confidential, or proprietary information. The invoices shall not be subject to application or allowance by the Court. The Debtors shall pay the reasonable and documented accrued and unpaid out-of-pocket professional fees and expenses provided for in this Section 19(a)(iii) within ten (10) days following the presentment of any invoices therefor to the Debtors, counsel to any Committee, and the U.S. Trustee. Any written objection raised by the Debtors, the United States Trustee or any statutory Committee with respect to such invoices (with notice provided to the DIP Agent and to the respective Lender Professional) within ten (10) business days of receipt thereof will be resolved by the Court (absent prior consensual resolution thereof). Pending such resolution, the undisputed portion of any such invoice shall be promptly paid by the Debtors. Such fees and expenses shall not be subject to the Approved Budget and shall not be subject to any offset, defense, claim, counterclaim or diminution of any type, kind or nature whatsoever.

(c) All interest, fees (including letter of credit fees and the Exit Fee), costs, and expenses shall continue to accrue and shall be payable to the extent, and at the rates, provided for in First Lien Financing Documents on the Effective Date of the Acceptable Plan or as otherwise provided in the First Lien Financing Documents.

(d) The use of Cash Collateral, for any purpose, shall constitute post-petition diminution in value of the First Lien Lenders' interest in the Collateral and shall entitle the First Lien Lenders (or the First Lien Agent on behalf of the First Lien Lenders) to dollar-for-dollar Adequate Protection Liens and Adequate Protection Superpriority Claims, in accordance with the

terms of this Final Order. Nothing herein shall impair or modify the application of Bankruptcy Code section 507(b) in the event that the adequate protection provided to the Adequate Protection Parties hereunder is insufficient to compensate for any post-petition diminution in value of the interests of the Adequate Protection Parties in the Prepetition Collateral during the Chapter 11 Cases or any successor cases.

(e) Each Prepetition First Lien Lender is also authorized to terminate the RSA, as to itself, and to exercise all of its rights thereunder, in accordance with the terms of the RSA irrespective of the automatic stay which, to the extent it might apply, is hereby modified to permit such termination and the exercise by each Prepetition First Lien Lender of its rights under the RSA.

21. Carve-Out. (a) Upon the DIP Agent's issuance of a Default Notice (as defined below), all liens, claims and other security interests held by any party, including the Superpriority Claims, the Adequate Protection Liens, the DIP Liens, and the Prepetition First Liens, shall be subject to the payment of the Carve-Out. For purposes of this Order, the "Carve-Out" shall mean, collectively: (a) fees pursuant to 28 U.S.C. § 1930(a)(6) and 28 U.S.C. § 156(c); (b) the payment of fees and expenses of up to $50,000 incurred by a trustee under section 726(b) of the Bankruptcy Code; and (c)(x) unpaid fees and expenses of professionals retained by the MACH Gen Entities pursuant to section 327 or 328 of the Bankruptcy Code or by any Committee pursuant to section 1103 of the Bankruptcy Code (collectively, the "Professionals") incurred and accruing after the date the DIP Agent issues a Default Notice, to the extent such fees and expenses are allowed by the Court, in an aggregate amount (excluding any incurred and unpaid professional fees and expenses of any of the agents or lenders payable pursuant to this Final Order) not in excess of $1,000,000, collectively, with respect to the MACH Gen Entities'

Professionals and the Professionals of any Committee (the "Professionals' Carve-Out Cap") and (y) unpaid Professionals' fees and expenses incurred and accruing prior to or on the date upon which the DIP Agent issues a Default Notice, but only to the extent such unpaid fees and expenses are, with respect to each Professional, set forth in the Approved Budget and are allowed by the Court; provided, however, that the Professionals' Carve-Out Cap shall be reduced, dollar-for-dollar, by the amount of any fees and expenses incurred and accruing by MACH Gen and paid to the applicable Professionals following delivery of a Default Notice to MACH Gen. Notwithstanding the foregoing, so long as a Default Notice has not been issued, MACH Gen shall be permitted to pay fees to estate professionals and reimburse expenses incurred by estate professionals to the extent set forth in the Approved Budget and that are allowed by the Court and payable under sections 328, 330 and 331 of the Bankruptcy Code and compensation procedures approved by the Court and in form and substance reasonably acceptable to the MACH Gen Entities and the First Lien Lenders, as the same may be due and payable, and the same shall not reduce the Professionals' Carve-Out Cap. In any event, the DIP Lenders and the First Lien Lenders reserve the right to review and object to any fee statement, interim application or monthly application issued or filed by estate professionals. Notwithstanding any provision of the Interim Order, this Final Order or the DIP Loan Documents to the contrary, the DIP Loans shall not be used to fund aggregate cumulative expenditures for restructuring professional fees of MACH Gen or any Committee, that exceed the maximum amount with respect thereto set forth in the Approved Budget (after giving effect to any Permitted Variance). For the avoidance of doubt, the foregoing shall not apply to any expenditures for restructuring professional fees that are not set forth in the Approved Budget and

that are paid pursuant to the Plan and in accordance with a court order approving such professionals' retention (including, without limitation, any success or transaction fees).

(b) The payment of any allowed Professional fees and expenses pursuant to the Carve-Out shall not, and shall not be deemed to (i) reduce any Debtor's obligations owed to the DIP Agent, the DIP Lenders, the First Lien Agent and the First Lien Lenders (whether under this Final Order or otherwise) or, (ii) other than as necessary to permit the payment of such Professional fees and expenses (in each case, subject to the terms of and as expressly provided in this Final Order with respect to the Carve-Out), modify, alter or otherwise affect any of the liens and security interests of such parties (whether granted under this Final Order or otherwise) in the Prepetition Collateral or the Collateral (or their claims against the Debtors). The DIP Agent, the DIP Lenders, the First Lien Agent and the First Lien Lenders shall not be responsible for the direct payment or reimbursement of any allowed Professional fees and expenses, or any fees or expenses of the U.S. Trustee or Clerk of the Court (or of any other entity) incurred in connection with the Chapter 11 Cases or any successor case, and nothing in this Final Order or otherwise shall be construed to obligate such parties in any way to pay such compensation or to reimburse such expenses.

22. Limitations on Use of Cash Collateral, etc. The MACH Gen Entities shall not assert or prosecute, and no portion of the DIP Facility, the Collateral (including the Prepetition Collateral and the Cash Collateral), or the Carve-Out, and no disbursements set forth in the Approved Budget, shall be used for the payment of professional fees, disbursements, costs or expenses incurred by any party in interest in connection with (a) asserting or prosecuting any claims, causes of action, or Challenge (as defined in paragraph 33) against the First Lien Agent

or First Lien Lenders, or (b) asserting any Challenge or raising any defenses to the First Lien Prepetition Obligations, the DIP Obligations, the Prepetition First Liens, or the DIP Liens; provided, however, that not more than $25,000 in the aggregate of proceeds of the Carve-Out, any Cash Collateral or any proceeds of the DIP Facility or the Collateral may be used to pay any allowed fees of the Committee or professionals retained by the Committee and incurred in connection with investigating (but not preparing, initiating or prosecuting) the matters covered by the stipulations contained in paragraph F of this Final Order (the "Investigation Budget").

23. 506(c) Waiver; Marshaling. The MACH Gen Entities (on behalf of themselves and their estates) irrevocably waive, and shall be prohibited from asserting, any surcharge claim under section 506(c) of the Bankruptcy Code or otherwise for any costs and expenses incurred in connection with the preservation, protection or enhancement of, or realization by the First Lien Lenders upon, the Collateral. In no event shall the DIP Agent, the DIP Lenders, the First Lien Agent or the First Lien Lenders be subject to the equitable doctrine of marshaling or any similar doctrine with respect to the Collateral.

24. Restrictions on Granting Post-Petition Liens; Collateral Rights; Limitations in Respect of Subsequent Court Orders and Subordination of Liens. Except for the Carve-Out or as otherwise expressly set forth in this Final Order, it shall constitute an Event of Default if any of the MACH Gen Entities incurs or requests authority to incur a claim or grants a lien (or a claim or lien is allowed) having a priority superior to or *pari passu* with those granted pursuant to the Interim Order or this Final Order to the First Lien Agent on behalf of the First Lien Lenders at any time during which any portion of the DIP Facility, the DIP Obligations, the Prepetition Revolving Credit Facility, the Prepetition Term Loan Facility, the First Lien Prepetition Obligations, or the Adequate Protection Obligations owing to the First Lien Lenders

remains outstanding. Without limiting any other provisions and protections of this Final Order, unless the DIP Agent and the First Lien Agent have provided their prior written consent, there shall not be entered in these proceedings, or in any Successor Case, any order which authorizes the obtaining of credit or the incurring of indebtedness that is secured by a security, mortgage, or collateral interest or other lien on all or any portion of the Collateral and/or entitled to priority administrative status which is superior to or *pari passu* with those granted pursuant to the Interim Order and this Final Order for any purpose other than as set forth in the Approved Budget. Without limiting the provisions and protections of this paragraph 24, if at any time prior to the indefeasible repayment and satisfaction in full and in cash of all DIP Obligations and all First Lien Prepetition Obligations, including the satisfactory cash collateralization of all issued and outstanding Revolving Letters of Credit in accordance with the First Lien Financing Documents and the DIP Loan Documents, including subsequent to the confirmation of any plan of reorganization (including an Acceptable Plan), with respect to the MACH Gen Entities or their estates, any trustee, any examiner with enlarged powers or any responsible officer subsequently appointed, shall obtain credit or incur debt in violation of this Final Order or the other DIP Loan Documents, then all of the cash proceeds derived from such credit or debt and all Cash Collateral shall be immediately be turned over to the DIP Agent or the First Lien Agent, as the case may be, for application in accordance with the Interim Order, this Final Order, the DIP Loan Documents and the First Lien Financing Documents, as applicable, and under applicable law.

25. Binding Nature of Order. The provisions of this Final Order shall be binding upon the MACH Gen Entities and their respective successors and assigns (including, without limitation, any trustee or other fiduciary hereafter elected or appointed for or on behalf of any MACH Gen Entity's estate or with respect to its property).

26. Survival of Order. With respect to the DIP Lenders and the First Lien Lenders only, the provisions of this Final Order and any actions taken pursuant thereto (a) shall survive the entry of any order: (i) confirming any plan of reorganization in any of the Chapter 11 Cases; (ii) converting any of the Chapter 11 Cases to a case under Chapter 7 of the Bankruptcy Code; or (iii) dismissing any of the Chapter 11 Cases; and (b) shall continue in full force and effect notwithstanding the entry of any such order, and the claims, liens, and security interests granted pursuant to this Final Order shall maintain their priority as provided by this Final Order until all of the DIP Obligations are indefeasibly paid in full and discharged in accordance with the DIP Loan Documents. The DIP Obligations shall not be discharged by the entry of any order confirming any plan of reorganization in any of the Chapter 11 Cases that does not provide for the payment in full and in cash of the DIP Obligations, and upon the entry of any such order, the MACH Gen Entities shall, and shall be deemed to, waive any such discharge pursuant to section 1141(d)(4) of the Bankruptcy Code, unless alternative treatment of the DIP Obligations is agreed to in an Acceptable Plan (but only if such Acceptable Plan is confirmed and becomes effective).

27. Protection under Section 364(e) of the Bankruptcy Code. If any or all of the provisions of this Final Order are hereafter reversed, modified, vacated or stayed, such reversal, modification, vacatur or stay shall not affect (i) the validity of any DIP Obligations or Adequate Protection Obligations owing to the DIP Agent, the DIP Lenders, the First Lien Agent or the First Lien Lenders incurred prior to the actual receipt by the DIP Lenders and the First Lien Lenders of written notice of the effective date of such reversal, modification, vacation or stay, or (ii) the validity or enforceability of any claim, lien, security interest or priority authorized or created hereby or pursuant to the DIP Loan Documents with respect to any DIP Obligations or Adequate Protection Obligations owing to the DIP Agent, the DIP Lenders, the First Lien Agent

or the First Lien Lenders. Notwithstanding any such reversal, modification, vacatur or stay, any use of Cash Collateral or the incurrence of DIP Obligations or Adequate Protection Obligations owing to the First Lien Lenders and the First Lien Agent by MACH Gen prior to the actual receipt by the First Lien Lenders of written notice of the effective date of such reversal, modification, vacatur, or stay, shall be governed in all respects by the provisions of this Final Order, and the DIP Lenders, the DIP Agent, the First Lien Lenders, and the First Lien Agent shall be entitled to all of the rights, remedies, protections and benefits granted under section 364(e) of the Bankruptcy Code, this Final Order and the other DIP Loan Documents with respect to all uses of Cash Collateral and the incurrence of DIP Obligations and Adequate Protection Obligations owing to First Lien Lenders and First Lien Agent.

28. Termination of DIP Facility. MACH Gen's right to use the DIP Facility and Cash Collateral shall terminate immediately upon the earliest of (i) the DIP Loan Maturity Date and (ii) five (5) calendar days following delivery of written notice (the "Default Notice," and such period of time, the "Default Notice Period") via electronic mail and facsimile by the DIP Lenders or the DIP Agent to counsel to MACH Gen, counsel to the First Lien Lenders, the U.S. Trustee, counsel to the Committee (if any) and any other official committee appointed in the Chapter 11 Cases, of the occurrence of an Event of Default (as defined below) (the date of such termination pursuant to clauses (i) or (ii) above, the "Termination Date").

29. Events of Default. Except as otherwise provided in this Final Order or to the extent the First Lien Lenders may otherwise agree in writing, any violation of any of the terms of this Final Order or any occurrence of an "Event of Default" under and as defined in Section 6.01 of the DIP Credit Agreement shall constitute an event of default (each, an "Event of Default").

Interest, including, where applicable, default interest, shall accrue and be paid as set forth in the DIP Credit Agreement.

30. Modification of Stay; Rights and Remedies Upon Termination.

(a) Subject to paragraph 28 of this Final Order, upon the occurrence of a Termination Date, the automatic stay provisions of section 362 of the Bankruptcy Code shall be automatically vacated and modified to the extent necessary to permit the DIP Agent, the DIP Lenders, the First Lien Agent and/or the First Lien Lenders, as applicable, to exercise all rights and remedies provided in this Final Order, the DIP Loan Documents or the First Lien Financing Documents, as applicable, and to take any or all of the following actions without further order of or application to this Court: (i) immediately terminate MACH Gen's use of Cash Collateral and cease making any DIP Loans to MACH Gen; (ii) immediately declare all DIP Obligations to be immediately due and payable; (iii) immediately terminate the DIP Facility and the availability of any DIP Loans thereunder; (iv) immediately set off any and all amounts in accounts maintained by the MACH Gen Entities with (or subject to a security interest in favor of) the DIP Agent, the DIP Lenders, the First Lien Agent, or the First Lien Lenders, as applicable, against the DIP Obligations or the First Lien Prepetition Obligations, or otherwise enforce rights against the Collateral in the possession of, or subject to a lien in favor of the DIP Agent, the DIP Lenders, the First Lien Agent, or the First Lien Lenders, as applicable, in each case for application towards the DIP Obligations or the First Lien Prepetition Obligations, as applicable; (v) upon the occurrence of an Event of Default resulting from a Talen/Company Walkaway, to exercise the First Lien Step-In Right; and (vi) take any other actions or exercise any other rights or remedies permitted under this Final Order, the DIP Loan Documents, the First Lien Financing Documents or applicable law to effect the repayment of the DIP Obligations and the First Lien Prepetition

Obligations. The automatic stay under section 362(a) of the Bankruptcy Code shall be automatically vacated and modified as provided above, unless and until, during the Default Notice Period, the Court has determined that an Event of Default has not occurred and/or is not continuing. Any party in interest's sole recourse with respect to opposing such modification of the automatic stay under section 362(a) of the Bankruptcy Code shall be to contest the occurrence and/or continuance of an Event of Default. During the Default Notice Period, the MACH Gen Entities shall (x) have no right to use any proceeds of the DIP Facility or the Cash Collateral, or any right to request advances under the DIP Facility, other than (i) with the consent of the DIP Lenders and the First Lien Lenders, or (ii) to contest the occurrence and/or continuance of the an Event of Default and (y) be entitled to an emergency hearing before the Court, with proper notice to the DIP Lenders and the First Lien Lenders, solely for the purpose of contesting whether an Event of Default has occurred and/or is continuing.

(b) Upon the occurrence of an Event of Default resulting from a Talen/Company Walkaway, (x) the MACH Gen Entities' exclusive right to file and solicit acceptance of a plan of reorganization shall be deemed automatically modified without further court order solely to allow the First Lien Lenders to exercise the First Lien Step-In Right, including, without limitation, to make any modifications to, and to prosecute confirmation of, an Acceptable Plan, as provided in the RSA and (y) the MACH Gen Entities shall cooperate in good faith with the First Lien Lenders as reasonably necessary to allow the First Lien Lenders to exercise the First Lien Step-In Right and seek confirmation and consummation of an Acceptable Plan, including, without limitation, by promptly providing the First Lien Lenders with prompt access to any documents, information, and employees and/or physical access to any facility or

property necessary for executing the First Lien Step-In Right and/or for seeking confirmation or consummation of an Acceptable Plan.

(c) The rights and remedies of the DIP Agent, the DIP Lenders, the First Lien Agent and the First Lien Lenders specified herein are cumulative and not exclusive of any rights or remedies that the DIP Agent, the DIP Lenders, the First Lien Agent and/or the First Lien Lenders may respectively have under the DIP Loan Documents or the First Lien Financing Documents, or otherwise. The MACH Gen Entities shall cooperate fully with the DIP Agent, the DIP Lenders, the First Lien Agent and the First Lien Lenders, respectively, in their exercise of rights and remedies, whether against the Collateral or otherwise.

31. Limitations on Borrowings. It shall constitute an Event of Default if any of the MACH Gen Entities, the Committee, or any of the members of the Committee seeks authorization for the MACH Gen Entities or their estates to borrow money from any person other than the DIP Lenders to the extent that the repayment of such borrowings is to be secured pursuant to section 364(d)(1) of the Bankruptcy Code by a security interest, lien or mortgage that is senior to or *pari passu* with any of the security interests, liens or mortgages held by the DIP Agent on behalf of the DIP Lenders or the First Lien Agent on behalf of the First Lien Lenders, including the Adequate Protection Liens, the Prepetition First Liens, and the DIP Liens, unless in connection with such borrowings the DIP Obligations and any remaining First Lien Prepetition Obligations (including, any Yield Maintenance Fees (as such term is defined in the First Lien Credit Agreement or the DIP Credit Agreement, as applicable)) are indefeasibly paid in full in cash (including the satisfactory cash collateralization of all issued and outstanding Revolving Letters of Credit in accordance with the First Lien Financing Documents and the DIP Loan Documents) as a condition to the closing of such borrowings.

32. Modifications of DIP Loan Documents and Budgets. The MACH Gen Entities are hereby authorized, without further order of this Court, to enter into agreements with the DIP Agent, the DIP Lenders, the First Lien Agent and First Lien Lenders providing for any non-material modifications to the Approved Budget or the DIP Loan Documents, or of any other modifications to the DIP Loan Documents necessary to conform the terms of the DIP Loan Documents to this Final Order; provided, however, that the MACH Gen Entities shall provide notice of any material modification or amendment to the Approved Budget or the DIP Loan Documents that is adverse to the MACH Gen Entities' estates to counsel to any Committee, counsel to the First Lien Lenders, and the U.S. Trustee, each of whom shall have five (5) days from the date of such notice within which to object in writing to such modification or amendment. If any Committee, the U.S. Trustee, or the First Lien Lenders timely objects to any such material modification or amendment to the Approved Budget or the DIP Loan Documents, such modification or amendment shall only be permitted pursuant to an order of this Court.

33. Stipulations Regarding First Lien Prepetition Obligations and Prepetition First Liens Binding on Parties in Interest. The stipulations and admissions contained in this Final Order and the Interim Order, including, without limitation, in recital paragraph F of this Final Order, shall be binding on the MACH Gen Entities' estates and all parties in interest, including, without limitation, all Committees, unless (a) any Committee, or another party in interest (other than any of the MACH Gen Entities) with standing and requisite authority, has timely commenced a contested matter or adversary proceeding (subject to the limitations set forth in paragraph 21 hereof, including, the Investigation Budget) (a "Challenge") challenging the amount, validity or enforceability of the First Lien Prepetition Obligations, or the perfection or priority of the Prepetition First Liens, or otherwise asserting any objections, claims or causes of

action on behalf of the MACH Gen Entities' estates against the First Lien Lenders relating to the First Lien Prepetition Obligations or the Prepetition First Liens no later than on or before either (i) if no Committee has been appointed, the earlier of (A) 75 days from the Petition Date and (B) the date on which objections to confirmation of MACH Gen's Chapter 11 plan or plans of reorganization for one or more of the MACH Gen Entities are due, or (ii) if a Committee has been appointed, the earlier of (A) 60 days after such Committee is appointed and (B) the date on which objections to confirmation of MACH Gen's Chapter 11 plan or plans of reorganization for one or more of the MACH Gen Entities are due, and (b) to the extent the Court rules in favor of the plaintiff in any such timely and properly filed Challenge. If no such Challenge is timely commenced as of such date then, without further order of the Court, (x) the claims, liens and security interests of the First Lien Agent and the First Lien Lenders shall, without further order of the Court, be deemed to be finally allowed for all purposes in the Chapter 11 Cases and any subsequent Chapter 7 cases and shall not be subject to challenge or objection by any party in interest as to validity, priority, amount or otherwise, and (y) without further order of the Court, the MACH Gen Entities and their estates shall be deemed to have released any and all claims or causes of action against the First Lien Lenders with respect to the First Lien Financing Documents or any related transactions. Notwithstanding anything to the contrary herein, if no Challenge is timely commenced, the stipulations contained in paragraph F of this Final Order shall be binding on the MACH Gen Entities' estates, any Committee and all parties in interest. If a Challenge is timely commenced, the stipulations contained in paragraph F of this Final Order shall be binding on the MACH Gen Entities' estates and all parties in interest except to the extent such stipulations are specifically challenged in such Challenge, as and when originally filed (ignoring any relation back principles); provided, that if and to the extent a

Challenge is withdrawn, denied or overruled, the stipulations specifically challenged in such Challenge also shall be binding on the MACH Gen Entities' estates and all parties in interest.

34. Waiver of Requirement to File Proofs of Claim.

(a) The DIP Agent and the DIP Lenders shall not be required to file proofs of claim in the Chapter 11 Cases or any Successor Case in order to maintain their claims for payment of principal, interest, fees, expenses and other amounts owing in respect of the DIP Obligations under, and as provided in, the DIP Loan Documents. The statements of claim in respect of the DIP Obligations set forth in this Final Order and the Interim Order, together with the evidence accompanying the Motion and presented at the Interim Hearing and Final Hearing are deemed sufficient to and do constitute proofs of claim in respect of such obligations and such secured status.

(b) The First Lien Agent and the First Lien Lenders shall not be required to file proofs of claim in the Chapter 11 Cases or any Successor Case in order to maintain their claims for payment of principal, interest, fees, expenses and other amounts owing in respect of the First Lien Prepetition Obligations under, and as provided in, the First Lien Financing Documents. The statements of claim in respect of the First Lien Prepetition Obligations, set forth in this Final Order and the Interim Order, together with the evidence accompanying the Motion and presented at the Interim Hearing and Final Hearing are deemed sufficient to and do constitute proofs of claim in respect of such obligations and such secured status.

35. DIP Agent and First Lien Agent Authorization. Notwithstanding any provision of the First Lien Financing Documents or the DIP Loan Documents, each of the DIP Agent and First Lien Agent is hereby authorized to make any and all account transfers requested by MACH

Gen in accordance with the Approved Budget, and is further authorized to take any other action reasonably necessary to implement the terms of the Interim Order and this Final Order.

36. Subordination of Certain Tax Allocation Claims. The following subordination provisions (collectively, the "Tax Claim Subordination") constitute essential consideration for the DIP Agent and the DIP Lenders' entry into the DIP Facility and are an integral element of the First Lien Agent and First Lien Lenders' adequate protection.

(a) For all purposes, the liabilities and obligations under the Interim Order, this Final Order, the other DIP Loan Documents and the First Lien Financing Documents shall be senior in priority and right to payment to any Tax Allocation Claims.

(b) Any rights to payment on account of the Tax Allocation Claims are subordinated to the DIP Agent's, DIP Lenders, Prepetition Agent, and Prepetition First Lien Lenders' right to payment in full in cash of the obligations under the DIP Credit Agreement, the Interim Order, this Final Order, and the First Lien Credit Agreement. No legal or beneficial owner of a Tax Allocation Claim (a "Tax Allocation Claimant") shall accept or receive payments or other distributions on account of any Tax Allocation Claim (including, without limitation, under any plan of reorganization, plan of liquidation or otherwise, whether in cash or other property and whether received directly, indirectly or by set-off, counterclaim or otherwise) from any of the Debtors prior to the date that all DIP Obligations, Adequate Protection Obligations, and Prepetition First Lien Obligations have been indefeasibly paid in full in cash and all commitments related to the DIP Loan and the Prepetition First Lien Loan have terminated (the "Satisfaction of the Senior Obligations").

(c) So long as the Satisfaction of Senior Obligations has not occurred, any payments or other distributions on account of a Tax Allocation Claim (whether or not expressly

characterized as such) received by a Tax Claimant shall be segregated and held in trust and forthwith paid over to the DIP Agent or the First Lien Agent for the benefit of the DIP Lenders and/or the First Lien Lenders, as applicable, in the same form as received, with any necessary endorsements or as a court of competent jurisdiction may otherwise direct.

(d) No Tax Allocation Claimant shall take any action or cause any action to be taken to recover in connection with the Tax Allocation Claims, or otherwise enforce or exercise remedies with respect to a Tax Allocation Claim prior to the Satisfaction of the Senior Obligations.

(e) No Tax Allocation Claimant shall take or cause to be taken any action the purpose or intent of which could directly or indirectly interfere, hinder or delay, in any manner, whether by judicial proceedings or otherwise, any action to enforce any DIP Obligation, Adequate Protection Obligation, or Prepetition First Lien Obligation.

37. No Modification of Final Order. The MACH Gen Entities irrevocably waive any right to seek any amendment, modification or extension of this Final Order without the prior written consent of the DIP Lenders and the First Lien Lenders and no such consent shall be implied by any action, inaction or acquiescence of the DIP Lenders or the First Lien Lenders

38. Rights Preserved. Notwithstanding anything herein to the contrary, the entry of this Final Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly (a) the DIP Agent's, the DIP Lenders', the First Lien Agent's or the First Lien Lenders' right to seek any other or supplemental relief in respect of MACH Gen, including the right to seek additional adequate protection, as applicable, subject to the terms of the RSA, (b) any of the rights of the DIP Agent, DIP Lender, the First Lien Agent or the First Lien Lenders under the Bankruptcy Code or applicable nonbankruptcy law. Nothing contained herein

shall be deemed a finding by the Court or an acknowledgement by the First Lien Agent or the First Lien Lenders that the adequate protection granted herein does in fact adequately protect the First Lien Agent or the First Lien Lenders against any diminution in value of the Prepetition Collateral.

39. Priority of Terms. To the extent of any conflict between or among (a) the Motion, any other order of this Court, or any other agreements, on the one hand, and (b) the terms and provisions of this Final Order, on the other hand, the terms and provisions of this Final Order shall govern.

40. Entry of Final Order; Effect. This Final Order shall take effect and be fully enforceable *nunc pro tunc* to the Petition Date immediately upon entry hereof, notwithstanding the possible application of Fed. R. Bankr. P. 6004(h), 7062, 9014, or otherwise, and the Clerk of this Court is hereby directed to enter this Final Order on this Court's docket in the Chapter 11 Cases.

41. Limitation of Liability. In determining to make any DIP Loans, permitting the use of Cash Collateral, or in exercising any rights or remedies as and when permitted pursuant to the Interim Order or this Final Order, the DIP Loan Documents, or the First Lien Financing Documents, none of the DIP Agent, the DIP Lenders, the First Lien Agent or the First Lien Lenders shall be deemed to be in control of the operations of the MACH Gen Entities or any affiliate (as defined in section 101(2) of the Bankruptcy Code) of the MACH Gen Entities, or to be acting as a "responsible person" or "owner or operator" with respect to the operation or management of the MACH Gen Entities or any affiliate of the MACH Gen Entities (as such terms, or any similar terms, are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, 29 U.S.C. §§ 9601 et seq., as amended, or any

similar federal or state statute). Furthermore, nothing in the Interim Order, this Final Order, the DIP Loan Documents, or the First Lien Financing Documents shall in any way be construed or interpreted to impose or allow the imposition upon the DIP Agent, the DIP Lenders, the First Lien Agent, or the First Lien Lenders of any liability for any claims arising from the prepetition or postpetition activities of the MACH Gen Entities or any affiliate of the MACH Gen Entities.

42. Cash Management. Subject to paragraph 9 of this Final Order, the MACH Gen Entities shall not seek approval of any cash management system without the prior approval of the DIP Lenders and the First Lien Lenders, which consent shall not be unreasonably withheld, and any order approving such cash management system shall be reasonably acceptable to the DIP Lenders and the First Lien Lenders.

43. Credit Bidding.

(a) The DIP Agent, acting at the direction of the requisite DIP Lenders, shall have the unqualified right to credit bid up to the full amount of the DIP Obligations in any sale of the Collateral (or any part thereof), without the need for further Court order authorizing the same, and whether such sale is effectuated through section 363 or 1129 of the Bankruptcy Code, by a chapter 7 trustee under section 725 of the Bankruptcy Code, or otherwise; and

(b) The First Lien Agent, at the direction of the requisite First Lien Lenders, shall have the unqualified right to credit bid up to the full amount of any remaining First Lien Prepetition Obligations in the sale of any Prepetition Collateral (or any part thereof) subject to the satisfaction of the DIP Obligations, or as otherwise consented to by the DIP Lenders, without the need for further Court order authorizing the same, and whether such sale is effectuated through section 363 or 1129 of the Bankruptcy Code, by a chapter 7 trustee under section 725 of the Bankruptcy Code, or otherwise.

44. Equities of the Case. In light of, as applicable, the subordination of the Prepetition First Liens to the Adequate Protection Liens in respect of the First Lien Lenders, the DIP Liens and the Carve-Out, and the granting of the DIP Liens, the First Lien Agent and the First Lien Lenders shall be entitled to all benefits of Bankruptcy Code section 552(b), and the "equities of the case" exception under Bankruptcy Code section 552(b) shall not apply to the First Lien Agent or the First Lien Lenders with respect to the proceeds, product, offspring, or profits of any of the Collateral, including the Prepetition Collateral.

45. Reporting Requirements. Notwithstanding any procedures or requirements under the First Lien Financing Documents or the DIP Loan Documents, MACH Gen shall prepare and furnish to counsel for the DIP Lenders, and counsel for the First Lien Lenders, in form and substance reasonably acceptable to the DIP Agent and the First Lien Lenders, a weekly report of receipts, disbursements, and a reconciliation of actual receipts and disbursements with those set forth in the Approved Budget, on a line-by-line basis, showing any percentage variance to the proposed corresponding line item of the Approved Budget (a) for the immediately preceding two-week period and (b) on a cumulative basis for the period of the Approved Budget or such other budget period, as applicable, and showing a calculation of the covenants and MACH Gen's compliance or noncompliance, which shall be certified by the chief financial officer or chief executive officer as having been prepared under such officer's supervision and in good faith (the "Budget Reconciliation"). MACH Gen shall also provide counsel to the DIP Agent and counsel to the First Lien Lenders with (i) a list of any and all prepetition claims paid during such period, each with a notation regarding which order authorized such payments, and (ii) the cumulative total of all prepetition claims paid, each with a notation regarding which order authorized such payments (the "Other Reporting Obligations"). Such Budget Reconciliation and Other Reporting

Obligations shall be provided to counsel to the DIP Lenders and counsel to the First Lien Lenders so as actually to be received within three (3) business days following the end of each applicable period. MACH Gen and its professionals shall make themselves available to discuss the Budget Reconciliation and any other reports provided pursuant to the Interim Order and/or this Final Order with the professionals retained by the DIP Lenders and the First Lien Lenders on such basis as may be reasonably requested by the DIP Lenders and the First Lien Lenders.

46. No Third Party Rights. Except as explicitly provided for herein, this Final Order does not create any rights for the benefit of any party, creditor, equity holder or other entity other than the DIP Agent, the DIP Lenders, the First Lien Agent, the First Lien Lenders, and the MACH Gen Entities, and their respective successors and assigns.

47. Intercreditor Issues. Nothing in this Final Order shall be construed to convey on any individual DIP Lender or Prepetition First Lien Lender any consent, voting or other rights beyond those (if any) set forth in the DIP Loan Documents, First Lien Financing Documents and RSA, as applicable. Nothing in this Final Order shall be construed to impair or otherwise affect any intercreditor, subordination or similar agreement or arrangement in respect of the First Lien Prepetition Obligations.

48. Enforceability. This Final Order shall constitute findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052 and shall take effect and be fully enforceable *nunc pro tunc* to the Petition Date immediately upon execution hereof. Any findings of fact shall constitute a finding of fact even if it is stated as a conclusion of law, and any conclusion of law shall constitute a conclusion of law even if it is stated as a finding of fact.

49. Retention of Jurisdiction. Notwithstanding any provision in the DIP Loan Documents or the First Lien Financing Documents, this Court shall retain jurisdiction over all

matters pertaining to the implementation, interpretation and enforcement of the Interim Order, this Final Order, the DIP Facility, or the DIP Loan Documents.

Business Day during the period from the DIP Effective Date until the DIP Loan Termination Date in an amount for each such DIP Loan not to exceed (i) at any time, such Lender's Unused Commitment at such time, (ii) upon the entry of the Interim Order, an aggregate amount (together with all prior DIP Loans) equal to $10,000,000 (the "***Initial Availability***") and (iii) following entry of the Final Order, an aggregate amount (together with all prior DIP Loans) equal to $20,000,000 (including the Initial Availability). Each Borrowing shall be in an aggregate amount equal to the lesser of (i) $1,000,000 or an integral multiple of $500,000 in excess thereof or (ii) the aggregate Unused Commitment at such time and, in each case, shall consist of DIP Loans made simultaneously by the Lenders ratably according to their Commitments. The Borrower may borrow under this Section 2.01 and prepay pursuant to Section 2.05(a). No amounts advanced under the DIP Facility once repaid or prepaid may be reborrowed.

SECTION 2.02. Making the DIP Loans. (a) Each Borrowing shall be made following the issuance of a Notice of Borrowing, given not later than 11:00 A.M. (New York City time) on the third Business Day prior to the date of the proposed Borrowing (or such later date and time as may be agreed in writing prior to such Borrowing by the Administrative Agent), by the Borrower to the Administrative Agent, which shall give to each Lender prompt notice thereof by telecopier or electronic communication. Each Lender shall, before 11:00 A.M. (New York City time) on the date of such Borrowing, make available for the account of its Lending Office to the Administrative Agent at the Administrative Agent's Account, in same day funds, such Lender's ratable portion of such Borrowing in accordance with its respective Commitment. (c) Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's ratable portion of such Borrowing, the Administrative Agent may assume that such Lender has made such portion available to the Administrative Agent on the date of such Borrowing in accordance with Section 2.02(a) and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If and to the extent that such Lender shall not have so made such ratable portion available to the Administrative Agent, such Lender and the Borrower severally agree to repay or pay to the

Administrative Agent forthwith on demand such corresponding amount and to pay interest thereon, for each day from the date such amount is made available to the Borrower until the date such amount is repaid or paid to the Administrative Agent, at (i) in the case of the Borrower, the interest rate applicable at such time under Section 2.06 to DIP Loans comprising such Borrowing and (ii) in the case of such Lender, the Eurodollar Rate. If such Lender shall pay to the Administrative Agent such corresponding amount, such amount so paid shall constitute such Lender's DIP Loan as part of such Borrowing for all purposes.

(d) The failure of any Lender to make the DIP Loan to be made by it as part of any Borrowing shall not relieve any other Lender of its obligation, if any, hereunder to make its DIP Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the DIP Loan to be made by such other Lender on the date of any Borrowing.

The Borrower's written notice to the Administrative Agent shall designate the date (which shall be a Business Day) of such termination or reduction and the amount of any partial reduction, and such termination or reduction of the relevant Commitments shall be effective on the date specified in the Borrower's notice and shall reduce the relevant Commitments of the Lenders proportionately in accordance with each such Lender's Pro Rata Share thereof.

SECTION 2.05. Prepayments. (a) Optional. The Borrower may, upon at least three Business Days' notice to the Administrative Agent stating the proposed date and aggregate principal amount of the prepayment, and if such notice is given the Borrower shall, prepay the outstanding aggregate principal amount of the DIP Loans in whole or ratably in part, together with accrued interest to the date of such prepayment on the aggregate principal amount prepaid; *provided*, *however*, that each partial prepayment shall be in an aggregate principal amount of $1,000,000 or an integral multiple of $500,000 in excess thereof.

the Revolving Credit Loans (as defined in the Pre-Petition First Lien Credit Agreement), and (3) *thereafter*, to the extent any amount of the Net Cash Proceeds remains after the application pursuant to preceding clauses (1) and, if applicable, (2), to prepay the remaining Pre-Petition First Lien Obligations in accordance with and as provided for in the Security Deposit Agreement.

(ii) If at any time the sum of the aggregate outstanding balance of the DIP Loans exceeds the aggregate Commitments, whether because of a reduction of the Commitments pursuant to Section 5.02(b) or otherwise, the Borrower shall within two (2) Business Days repay the DIP Loans.

(iii) All prepayments under this clause (b) shall be made together with (A) accrued and unpaid interest to the date of such prepayment on the principal amount prepaid and (B) any amounts owing pursuant to Section 9.04(c).

(a) Scheduled Interest. The Borrower shall pay interest on the unpaid principal amount of each DIP Loan owing to each Lender from the date of such DIP Loan until such principal amount shall be paid in full, at a rate *per annum* equal at all times during each Interest Period for such DIP Loan to the sum of (A) the Eurodollar Rate for such Interest Period for such DIP Loan *plus* (B) the Applicable Margin, payable in arrears on each Interest Payment Date.

Upon the occurrence and during the continuance of an Event of Default, the Administrative Agent may, and upon the request of the Required Lenders shall, require that the Borrower pay interest at a rate per annum equal at all times to 2% *per annum* above the rate *per annum* required to be paid pursuant to Section 2.06(a) ("***Default Interest***") on:

(i) the aggregate outstanding principal amount of each DIP Loan, and

(ii) to the fullest extent permitted by applicable law, the amount of any interest, fee or other amount payable under this Agreement or any other Loan Document to any Agent or any Lender that is not paid when due, from the date such amount shall be due until such amount shall be paid in full,

in each case, payable in Cash either (x) on each Interest Payment Date following the occurrence and during the continuance of an Event of Default or (y) on demand; *provided*, *however*, that following the making of the request or the granting of the consent specified by Section 6.01 to authorize the Administrative Agent to declare the DIP Loans due and payable pursuant to the provisions of Section 6.01, Default Interest shall accrue and be payable hereunder whether or not previously required by the Administrative Agent. Payment or acceptance of the increased rates of interest provided for in this Section 2.06(b) is not a permitted alternative to timely payment and shall not constitute a waiver of any Event of Default or otherwise prejudice or limit any rights or remedies of the Administrative Agent or any Lender.

SECTION 2.07. Fees.

(a) Commitment Fee. The Borrower shall pay to the Administrative Agent for the account of each of the Lenders, a commitment fee, from the date hereof in the case of each Initial Lender and from the effective date specified in the Assignment and Acceptance pursuant to which it became a Lender in the case of each other Lender until the DIP Loan Termination Date, payable in arrears quarterly on the last Business Day of each December, March, June and September occurring after the DIP Effective Date, and on the DIP Loan Termination Date, at the Eurodollar Rate *per annum* on the average daily Unused Commitment of such Lender during such quarter. Notwithstanding anything to the contrary in any Loan Documents, but subject to the Interim Order or the Final Order (as applicable), the unpaid amount of such undrawn commitment fee shall be deemed to be an "Interest Expense under or in respect of the First Lien Loan Documents" for purposes of the Security Deposit Agreement and, without limiting the generality of the foregoing, shall be payable in accordance with Section 3.2 of the Security Deposit Agreement.

(b) [Reserved].

(c) Agents' Fees. The Borrower shall pay to each Agent for its own account such fees as may from time to time be agreed between the Borrower and such Agent.

(a) If, due to either (i) the introduction of or any change in or in the interpretation of any law or regulation or (ii) the compliance with any guideline or request from any central bank or other governmental authority (whether or not having the force of law), there shall be any increase in the cost to any Lender of agreeing to make or of making, funding or maintaining DIP Loans (excluding, for purposes of this Section 2.09, any such increased costs resulting from (x) Taxes or Other Taxes (as to which Section 2.11 shall govern) and (y) changes in the basis or rate of taxation of overall net income or overall gross income by the United States or by the foreign jurisdiction or state under the laws of which such Lender is organized or has its Lending Office or any political subdivision thereof), then the Borrower shall from time to time, upon demand by such Lender (with a copy of such demand to the Administrative Agent), pay to the Administrative Agent for the account of such Lender additional amounts sufficient to compensate such Lender for such increased cost. A certificate as to the amount of such increased cost, submitted to the Borrower by such Lender, shall be conclusive and binding for all purposes, absent manifest error.

(b) If any Lender determines that compliance with any law or regulation or any guideline or request from any central bank or other governmental authority (whether or not having the force of law) affects or would affect the amount of capital required or expected to be maintained by such Lender or any corporation controlling such Lender and that the amount of such capital is increased by or based upon the existence of such Lender's commitment to make DIP Loans and other commitments of such type (or similar Guaranteed Debts), then, upon demand by such Lender or such corporation (with a copy of such demand to the Administrative Agent), the Borrower shall pay to the Administrative Agent for the account of such Lender, from time to time as specified by such Lender, additional amounts sufficient to compensate such Lender in the light of such circumstances, to the extent that such Lender reasonably determines such increase in capital to be allocable to the existence of such Lender's commitment to make

DIP Loans. A certificate as to such amounts submitted to the Borrower by such Lender shall be conclusive and binding for all purposes, absent manifest error.

SECTION 2.10. Payments and Computations. (a) The Borrower shall make each payment hereunder and under the other Loan Documents, irrespective of any right of counterclaim or set-off (except as otherwise provided in Section 2.12), not later than 11:00 A.M. The Administrative Agent will promptly thereafter cause like funds to be distributed (i) if such payment by the Borrower is in respect of principal, interest, commitment fees or any other Obligation then payable hereunder and under the other Loan Documents to more than one Lender, to such Lenders for the account of their respective Lending Offices ratably in accordance with the amounts of such respective Obligations then payable to such Lenders and (ii) if such payment by the Borrower is in respect of any Obligation then payable hereunder to one Lender, to such Lender for the account of its Lending Office, in each case to be applied in accordance with the terms of this Agreement. Upon its acceptance of an Assignment and Acceptance and recording of the information contained therein in the Register pursuant to Section 9.07(f), from and after the effective date of such Assignment and Acceptance, the Administrative Agent shall make all payments hereunder and under the other Loan Documents in respect of the interest assigned thereby to the assignee thereunder, and the parties to such Assignment and Acceptance shall make all appropriate adjustments in such payments for periods prior to such effective date directly between themselves.

(b) The Borrower hereby authorizes each Lender and each of its Affiliates, if and to the extent payment owed to such Lender is not made when due hereunder or under the other Loan Documents, to charge from time to time, to the fullest extent permitted by law, against any or all of the Borrower's accounts with such Lender or such Affiliate any amount so due.

(c) All computations of interest based on the Eurodollar Rate and of commitment fees and other fees and commissions shall be made by the Administrative Agent on the basis of a year of 360 days, in each case for the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest, fees or commissions are payable. Each determination by the Administrative Agent of an interest rate, fee or commission hereunder shall be conclusive and binding for all purposes, absent manifest error.

(d) Whenever any payment hereunder or under the other Loan Documents shall be stated to be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of payment of interest or commitment or letter of credit fee or commission, as the case may be; *provided*, *however*, that, if such extension would cause payment of interest on or principal of DIP Loans to be made in the next following calendar month, such payment shall be made on the preceding Business Day.

(e) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to any Lender hereunder that the Borrower will not make such payment in full, the Administrative Agent may assume that the

Borrower has made such payment in full to the Administrative Agent on such date and the Administrative Agent may, in reliance upon such assumption, cause to be distributed to each such Lender on such due date an amount equal to the amount then due such Lender. If and to the extent the Borrower shall not have so made such payment in full to the Administrative Agent, each such Lender shall repay to the Administrative Agent forthwith on demand such amount distributed to such Lender together with interest thereon, for each day from the date such amount is distributed to such Lender until the date such Lender repays such amount to the Administrative Agent, at the Eurodollar Rate.

(f) If the Administrative Agent receives funds for application to the Obligations of the Loan Parties under or in respect of the Loan Documents under circumstances for which the Loan Documents do not specify the DIP Loans to which, or the manner in which, such funds are to be applied, the Administrative Agent may, if no instructions with respect thereto are received from the Lenders upon request, but shall not be obligated to, elect to distribute such funds to each of the Lenders in accordance with such Lenders' Pro Rata Share of the aggregate principal amount of all DIP Loans outstanding at such time, in repayment or prepayment of such of the outstanding DIP Loans or other Obligations then owing to such Lender.

(g) Notwithstanding any provision of this Agreement to the contrary, to the extent that this Agreement provides for advances or payments (or deemed advances or payments) to be made by or to the Lenders ratably according to their Commitments or according to their Pro Rata Shares, as between any Lenders that are Affiliates of Beal Bank USA or Beal Bank SSB, the Lenders may allocate such advances and payments ratably according to their respective Unused Commitments or in such other manner as Beal Bank USA or Beal Bank SSB and such Affiliates may agree without affecting in any manner the aggregate Commitments available to the Borrower at any time.

SECTION 2.11. Taxes. (a) Any and all payments by any Loan Party to or for the account of any Lender or any Agent hereunder or under any other Loan Document shall be made, in accordance with Section 2.10 or the applicable provisions of such other Loan Document, if any, free and clear of and without deduction for any and all present or future taxes, levies, imposts, deductions, charges or withholdings, and all liabilities with respect thereto, *excluding*, in the case of each Lender and each Agent, (x) taxes that are imposed on its overall net income by the United States and taxes that are imposed on its overall net income (and franchise taxes imposed in lieu thereof) by the state or foreign jurisdiction under the laws of which such Lender or such Agent, as the case may be, is organized (or any political subdivision thereof), has its Lending Office, has a permanent establishment or is engaged in business (other than the business that the Lender is engaged in solely by reason of the transactions contemplated by this Agreement), (y) any branch profits taxes imposed by the United States of America and (z) withholding taxes imposed under law in effect on the date hereof or at the time the Lender designates a new Lending Office, other than any new Lending Office designated at the written request of a Loan Party (in the case of a Lender that is not an Initial Lender, this clause (z) shall include taxes imposed under law in effect on the date such Lender becomes a Lender, except to the extent that the Lender's predecessor would have been entitled to receive additional amounts under this Section 2.11(a)), and, in the case of each Lender, taxes that are imposed on its overall net income (and franchise taxes imposed in lieu thereof) by the state or foreign jurisdiction of such Lender's Lending Office or any political subdivision thereof (all such non-excluded taxes,

levies, imposts, deductions, charges, withholdings and liabilities in respect of payments hereunder or under any other Loan Document being hereinafter referred to as "***Taxes***"). If any Loan Party shall be required by law to deduct any Taxes from or in respect of any sum payable hereunder or under any other Loan Document to any Lender or any Agent, (i) the sum payable by such Loan Party shall be increased as may be necessary so that after such Loan Party and the Administrative Agent have made all required deductions (including deductions applicable to additional sums payable under this Section 2.11) such Lender or such Agent, as the case may be, receives an amount equal to the sum it would have received had no such deductions been made, (ii) such Loan Party shall make all such deductions and (iii) such Loan Party shall pay the full amount deducted to the relevant taxation authority or other authority in accordance with applicable law.

(b) In addition, each Loan Party shall pay any present or future stamp, documentary, excise, property (including intangible property, but with regard to all property taxes, only to the extent relating to property of a Loan Party) mortgage recording or similar taxes, charges or levies that arise from any payment made by such Loan Party hereunder or under any other Loan Documents or from the execution, delivery or registration of, performance under, or otherwise with respect to, this Agreement or the other Loan Documents (hereinafter referred to as "***Other Taxes***").

(c) The Loan Parties shall indemnify each Lender and each Agent for and hold them harmless against the full amount of Taxes and Other Taxes, and for the full amount of taxes of any kind imposed or asserted by any jurisdiction on amounts payable under this Section 2.11, imposed on or paid by such Lender or such Agent (as the case may be) and any liability (including penalties, additions to tax, interest and expenses) arising therefrom or with respect thereto. This indemnification shall be made within 30 days from the date such Lender or such Agent (as the case may be) makes written demand therefor.

(d) Within 30 days after the date of any payment of Taxes, the appropriate Loan Party shall furnish to the Administrative Agent, at its address referred to in Section 9.02, the original or a certified copy of a receipt evidencing such payment, to the extent such a receipt is issued therefor, or other written proof of payment thereof that is reasonably satisfactory to the Administrative Agent. In the case of any payment hereunder or under the other Loan Documents by or on behalf of a Loan Party through an account or branch outside the United States or by or on behalf of a Loan Party by a payor that is not a United States person, if such Loan Party determines that no Taxes are payable in respect thereof, such Loan Party shall furnish, or shall cause such payor to furnish, to the Administrative Agent, at such address, an opinion of counsel acceptable to the Administrative Agent stating that such payment is exempt from Taxes. For purposes of subsections (d) and (e) of this Section 2.11, the terms "***United States***" and "***United States person***" shall have the meanings specified in Section 7701 of the Internal Revenue Code.

(e) Each Lender organized under the laws of a jurisdiction outside the United States shall, on or prior to the date of its execution and delivery of this Agreement in the case of each Initial Lender and on the date of the Assignment and Acceptance pursuant to which it becomes a Lender in the case of each other Lender, and from time to time thereafter as reasonably requested in writing by the Borrower (but only so long thereafter as such Lender remains lawfully able to do so), provide each of the Administrative Agent and the Borrower with two original Internal Revenue Service Forms W-8BEN or W-8EC1 or (in the case of a Lender

that has certified in writing to the Administrative Agent that it is not (i) a "bank" as defined in Section 881(c)(3)(A) of the Internal Revenue Code), (ii) a 10-percent shareholder (within the meaning of Section 871(h)(3)(B) of the Internal Revenue Code) of any Loan Party or (iii) a controlled foreign corporation related to any Loan Party (within the meaning of Section 864(d)(4) of the Internal Revenue Code), Internal Revenue Service Form W-8BEN, as appropriate, or any successor or other form prescribed by the Internal Revenue Service, certifying that such Lender is exempt from or entitled to a reduced rate of United States withholding tax on payments pursuant to this Agreement or any other Loan Document or, in the case of a Lender that has certified that it is not a "bank" as described above, certifying that such Lender is a foreign corporation, partnership, estate or trust. As provided in Section 2.11(a), if the forms provided by a Lender at the time such Lender first becomes a party to this Agreement indicate a United States interest withholding tax rate in excess of zero, withholding tax at such rate shall be considered excluded from Taxes unless and until such Lender provides the appropriate forms certifying that a lesser rate applies, whereupon withholding tax at such lesser rate only shall be considered excluded from Taxes for periods governed by such forms; *provided*, *however*, that if, at the effective date of the Assignment and Acceptance pursuant to which a Lender becomes a party to this Agreement, the Lender assignor was entitled to payments under subsection (a) of this Section 2.11 in respect of United States withholding tax with respect to interest paid at such date, then, to such extent, the term Taxes shall include (in addition to withholding taxes that may be imposed in the future or other amounts otherwise includable in Taxes) United States withholding tax, if any, applicable with respect to the Lender assignee on such date. If any form or document referred to in this subsection (e) requires the disclosure of information, other than information necessary to compute the tax payable and information required on the date hereof by Internal Revenue Service Form W-8BEN or W-8EC1 or the related certificate described above, that the applicable Lender reasonably considers to be confidential, such Lender shall give notice thereof to the Borrower and shall not be obligated to include in such form or document such confidential information.

(f) For any period with respect to which a Lender has failed to provide the Borrower with the appropriate form, certificate or other document described in Section 2.11(e) above (other than if such failure is due to a change in law, or in the interpretation or application thereof, occurring after the date on which a form, certificate or other document originally was required to be provided or if such form, certificate or other document otherwise is not required under subsection (e) above), such Lender shall not be entitled to indemnification under subsection (a) or (c) of this Section 2.11 with respect to Taxes imposed by the United States by reason of such failure; *provided*, *however*, that should a Lender become subject to Taxes because of its failure to deliver a form, certificate or other document required hereunder, the Loan Parties shall take such steps as such Lender shall reasonably request, at the Lender's sole expense and as long as the Loan Parties determine that such steps will not, in the reasonable judgment of the Loan Parties, be disadvantageous to the Loan Parties, to assist such Lender to recover such Taxes.

(g) Any Lender claiming any additional amounts payable pursuant to this Section 2.11 agrees to use reasonable efforts (consistent with its internal policy and legal and regulatory restrictions) to change the jurisdiction of its Lending Office if the making of such a change would avoid the need for, or reduce the amount of, any such additional amounts that may thereafter accrue and would not, in the reasonable judgment of such Lender, be otherwise

disadvantageous to such Lender. In addition, if a Lender determines, in such Lender's sole discretion, that it has received a refund or credit in respect of any Taxes or Other Taxes as to which it has been indemnified pursuant to Section 2.11(c), or with respect to which additional amounts have been paid pursuant to Section 2.11(a), such Lender shall pay to the Borrower an amount equal to such refund (but such amount in no event to exceed the amount of any indemnity payments made, or additional amounts paid, by the Borrower under this Section 2.11 with respect to the Taxes or Other Taxes giving rise to such refund) net of all out-of-pocket expenses of such Lender, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), *provided* that the Borrower, upon the request of such Lender, shall agree to repay the amount paid over to the Borrower (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to such Lender in the event such Lender subsequently determines that such refund or credit is unavailable under applicable law or is otherwise required to repay such refund to such Governmental Authority. This paragraph shall not be construed to require a Lender to rearrange its tax affairs or to make available its tax returns (or any other information relating to its taxes that it deems confidential) to the Borrower or any other Person.

SECTION 2.12. Sharing of Payments, Etc. If any Lender shall obtain at any time any payment (whether voluntary, involuntary, through the exercise of any right of set-off, or otherwise, other than as a result of an assignment pursuant to Section 9.07), (a) on account of Obligations due and payable to such Lender hereunder and under the other Loan Documents in excess of its ratable share (according to the proportion of (i) the amount of such Obligations due and payable to such Lender to (ii) the aggregate amount of the Obligations due and payable to all Lenders hereunder and under the other Loan Documents at such time) of payments on account of the Obligations due and payable to all Lenders hereunder and under the other Loan Documents at such time obtained by all the Lenders at such time or (b) on account of Obligations owing (but not due and payable) to such Lender hereunder and under the other Loan Documents at such time in excess of its ratable share (according to the proportion of (i) the amount of such Obligations owing to such Lender at such time to (ii) the aggregate amount of the Obligations owing (but not due and payable) to all Lenders hereunder and under the other Loan Documents at such time) of payments on account of the Obligations owing (but not due and payable) to all Lenders hereunder and under the other Loan Documents at such time obtained by all of the Lenders at such time, such Lender shall forthwith purchase from the other Lenders such interests or participating interests in the Obligations as shall be necessary to cause such purchasing Lender to share the excess payment ratably with each of them; *provided*, *however*, that if all or any portion of such excess payment is thereafter recovered from such purchasing Lender, such purchase from each other Lender shall be rescinded and such other Lender shall repay to the purchasing Lender the purchase price to the extent of such Lender's ratable share (according to the proportion of (i) the purchase price paid to such Lender to (ii) the aggregate purchase price paid to all Lenders) of such recovery together with an amount equal to such Lender's ratable share (according to the proportion of (i) the amount of such other Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered. The Loan Parties agree that any Lender so purchasing an interest or participating interest from another Lender pursuant to this Section 2.12 may, to the fullest extent permitted by law, exercise all its rights of payment (including the right of set-off) with respect to such interest or participating interest, as the case

may be, as fully as if such Lender were the direct creditor of the Loan Parties in the amount of such interest or participating interest, as the case may be.

SECTION 2.13. Use of Proceeds. The proceeds of the DIP Loans shall be available (and the Borrower agrees that it shall use such proceeds) solely in accordance with the Approved Budget (subject to any Permitted Variance) and the financial covenants, and other terms and conditions, set forth herein and in the Financing Orders, including, but not limited to: (a) repay all amounts outstanding with respect to any Pre-Petition Emergency Loan (if any); (b) pay interest, fees and expenses associated with the DIP Facility, including all fees and expenses of the Consenting Lender Professionals (as defined in the Restructuring Support Agreement) in accordance with the Loan Documents; (c) pay (i) the quarterly fees of the U.S. Trustee and (ii) the unpaid fees and expenses of Professionals retained by the Borrower or any Committee (as defined in the Financing Orders), to the extent set forth in the Approved Budget (subject to any Permitted Variance), and including any Carve-Out, in each case to the extent allowed by the Bankruptcy Court in accordance with compensation procedures approved by the Bankruptcy Court, and subject to the terms of the Financing Orders; (d) fund any adequate assurance deposits for the Borrower's and/or the Subsidiaries' utility providers pursuant to section 366 of the Bankruptcy Code; (e) provide working capital reasonably required by the Loan Parties to pay O&M Costs and satisfy Contractual Obligations then due and payable or in good faith reasonably anticipated to be due and payable during the next Funding Period (as defined in the Security Deposit Agreement) beginning on the relevant Funding Date (as defined in the Security Deposit Agreement); (f) provide credit support required by counterparties to the Loan Parties' Contractual Obligations; and (g) the other approved general corporate purposes of the Loan Parties set forth in Schedule 2.13 (other than fees and expenses of professional persons, which fees and expenses are addressed in subclauses (b) and (c) above). Notwithstanding anything to the contrary in this Section 2.13, in no event shall any proceeds of the Loans be applied to directly or indirectly pay for (or otherwise assume any obligation to reimburse any of the G&A Service Providers) any Excluded G&A Services.

SECTION 2.14. Evidence of Debt. (a) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each DIP Loan owing to such Lender from time to time, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder. The Borrower agrees that upon notice by any Lender to the Borrower (with a copy of such notice to the Administrative Agent) to the effect that a promissory note or other evidence of indebtedness is required or appropriate in order for such Lender to evidence (whether for purposes of pledge, enforcement or otherwise) the DIP Loans owing to, or to be made by, such Lender, the Borrower shall promptly execute and deliver to such Lender, with a copy to the Administrative Agent, a Note, as applicable, in substantially the form of Exhibit A hereto payable to the order of such Lender in a principal amount equal to the Commitment of such Lender. All references to Notes in the Loan Documents shall mean Notes, if any, to the extent issued hereunder.

(b) The Register maintained by the Administrative Agent pursuant to Section 9.07(f) shall include a control account, and a subsidiary account for each Lender, in which accounts (taken together) shall be recorded (i) the date and amount of each Borrowing made hereunder and, if appropriate, the Eurodollar Rate Period applicable thereto, (ii) the terms of each Assignment and Acceptance delivered to and accepted by it, (iii) the amount of any

principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iv) the amount of any sum received by the Administrative Agent from the Borrower hereunder and each Lender's share thereof.

(c) Entries made in good faith by the Administrative Agent in the Register pursuant to subsection (b) above, and by each Lender in its account or accounts pursuant to subsection (a) above, shall be *prima facie* evidence of the amount of principal and interest due and payable or to become due and payable from the Borrower to, in the case of the Register, each Lender and, in the case of such account or accounts, such Lender, under this Agreement, absent manifest error; *provided*, *however*, that the failure of the Administrative Agent or such Lender to make an entry, or any finding that an entry is incorrect, in the Register or such account or accounts shall not limit or otherwise affect the obligations of the Borrower under this Agreement.

SECTION 2.15. Duty to Mitigate. In the event that any Lender demands payment of costs or additional amounts pursuant to Section 2.09 or 2.11, the Borrower may, upon 20 days' prior written notice to such Lender and the Administrative Agent, elect to cause such Lender to assign its DIP Loans and Commitments in full to one or more Persons selected by the Borrower so long as (i) each such Person satisfies the criteria of an Eligible Assignee and is reasonably satisfactory to the Administrative Agent, (ii) such Lender receives payment in full in Cash of the outstanding principal amount of all DIP Loans made by it and all accrued and unpaid interest thereon and all other amounts due and payable to such Lender as of the date of such assignment (including, without limitation, amounts owing pursuant to Sections 2.09, 2.11 and 9.04) and (iii) each such assignee agrees to accept such assignment and to assume all obligations of such Lender hereunder in accordance with Section 9.07.

SECTION 2.16. Reorganizational Matters.

(a) Superpriority Claims and Liens. Each of the Loan Parties hereby covenants, represents and warrants that, upon entry of the Interim Order (or the Final Order where applicable), the Obligations of the Borrower and the Guarantors under the Financing Orders and the other Loan Documents:

(i) pursuant to Sections 364(c)(1), 503 and 507(b) of the Bankruptcy Code, constitute joint and several Superpriority Claims in the Chapter 11 Cases having superpriority over all administrative expenses of the kind specified in Sections 105, 326, 328, 330, 331, 364, 365, 503(b), 506(c) (subject to entry of the Final Order), 507(a), 507(b), 507(d), 726, 1113, 1114 or any other provisions of the Bankruptcy Code;

(ii) pursuant to Sections 364(c)(2), 364(c)(3) and 364(d)(1) of the Bankruptcy Code and the Security Documents, shall be secured by, and each Loan Party shall have granted to the Collateral Agent, for the benefit of the Secured Parties, a valid, enforceable, non-avoidable and fully perfected first priority (subject to Liens expressly permitted pursuant to Section 5.02(a) or any pre-existing liens as of the Petition Date of a third party, but solely to the extent that such liens and security interests were, in each case, as of the Petition Date (x) valid, enforceable, perfected and non-avoidable liens or were perfected subsequent to the Petition Date as permitted by section 546(b) of the Bankruptcy

Code, and (y) expressly permitted by the terms of the Pre-Petition First Lien Loan Documents and senior to the Liens securing the Pre-Petition First Lien Loan Documents (the "***Senior Third Party Liens***") security interests and Liens in and mortgages upon on all Collateral;

(iii) pursuant to Sections 364(c)(3) and 364(d)(1) of the Bankruptcy Code and the Security Documents, shall be secured by, and each Loan Party shall have granted to the Collateral Agent, for the benefit of the Secured Parties, a perfected first priority (subject to Liens expressly permitted pursuant to Section 5.02(a) or any Senior Third Party Liens), senior priming Lien (the "***Priming Lien***") on the Collateral under and as defined in each of the Pre-Petition First Lien Collateral Documents, which Priming Lien shall be senior to and prime all other liens and security interests in the Collateral, including, without limitation, the Liens securing the Pre-Petition First Lien Credit Agreement and any Liens arising after the Petition Date to provide adequate protection in respect of any Liens to which the Priming Lien is senior, and shall be junior only to pre-existing liens as of the Petition Date of a third party, but solely to the extent that such liens and security interests were, in each case, as of the Petition Date (x) valid, enforceable, perfected and non-avoidable liens or were perfected subsequent to the Petition Date as permitted by section 546(b) of the Bankruptcy Code, and (y) expressly permitted by the terms of the Pre-Petition First Lien Loan Documents and senior to the Liens securing the Pre-Petition First Lien Credit Agreement; and

(iv) pursuant to Section 364(c)(3) of the Bankruptcy Code and the Security Documents, shall be secured by, and each Loan Party shall have granted to the Collateral Agent, for the benefit of the Secured Parties, a perfected junior Lien on all presently owned and hereafter acquired tangible and intangible property and assets of the Borrower, the Guarantors and their respective estates wherever located, and any proceeds and products thereof, including, without limitation, their respective accounts, deposit accounts, cash, chattel paper, investment property, letter-of-credit rights, securities accounts, commercial tort claims, causes of action (other than Avoidance Actions, subject to the last sentence in the definition of "***Collateral***"), investments, instruments, documents, inventory, contract rights, general intangibles, intellectual property, real property, fixtures, goods, equipment, vessels and other fixed assets and proceeds and products of all of the foregoing (including earnings and insurance proceeds) (in any such case, other than any Excluded Property) that are subject to (x) valid, enforceable, perfected, and non-avoidable Liens in existence on the Petition Date that were permitted by the Pre-Petition First Lien Credit Agreement and senior to the Liens securing the Pre-Petition First Lien Credit Agreement or (y) valid, enforceable and non-avoidable Liens permitted by the Pre-Petition First Lien Credit Agreement and senior to the Liens securing the Pre-Petition First Lien Credit Agreement in existence on the Petition Date and perfected subsequent to the Petition Date as permitted by Section 546(b) of the Bankruptcy Code, if any (in each case, other than Liens securing the Pre-Petition Facilities).

Each of Sections 2.16(a)(i), 2.16(a)(ii), 2.16(a)(iii) and 2.16(a)(iv) shall be subject only to (1) without regard to delivery of a Default Notice, the payment of fees pursuant to 28 U.S.C. §

1930(a)(6) and 28 U.S.C. § 156(c); (2) without regard to delivery of a Default Notice, the payment of fees and expenses of up to $50,000 incurred by a trustee under section 726(b) of the Bankruptcy Code and (3) on and after the delivery of a Default Notice, the payment of (i) unpaid fees and expenses of professionals retained by the Borrower and the Guarantors pursuant to Section 327 or 328 of the Bankruptcy Code or by any Committee pursuant to Section 1103 of the Bankruptcy Code (collectively, the "***Professionals***") incurred and accruing after the date upon which the Default Notice is issued (to the extent such fees and expenses are allowed by the Bankruptcy Court), in an aggregate amount (excluding any incurred and unpaid professional fees and expenses of any of the agents or lenders payable pursuant to the Interim Order or Final Order, as applicable) not in excess of $1,000,000, with respect to the Borrower's and Guarantors' Professionals and the Professionals of any Committee (collectively, the "***Professionals' Carve-Out Cap***") and (ii) unpaid Professionals' fees and expenses incurred and accruing prior to or on the date upon which a Default Notice is issued, but only to the extent such unpaid fees and expenses are, with respect to each Professional, set forth in the Approved Budget and are allowed by the Bankruptcy Court; *provided, however*, that the Professionals' Carve-Out Cap shall be reduced, dollar-for-dollar, by the amount of any fees and expenses incurred and accruing by the Loan Parties and paid to the applicable Professionals following delivery of a Default Notice to Borrower (clauses (1), (2) and (3) together, the "***Carve-Out***"). Except as otherwise provided in the Financing Orders, no portion of the DIP Facility, the Collateral (including the Pre-Petition Collateral and the Cash Collateral), or the Carve-Out, and no disbursements set forth in the Approved Budget, shall be used for the payment of professional fees, disbursements, costs or expenses incurred by any party in interest in connection with (a) asserting or prosecuting any claims, causes of action or Challenge (as defined in the Financing Orders) to the amount, extent, priority, validity, perfection or enforcement of the Debt of the Borrower and the Guarantors owing to the Lenders, the Agents or indemnified parties under this Agreement or the Pre-Petition First Lien Credit Agreement or to the liens and collateral securing obligations of the Loan Parties under this Agreement or the Pre-Petition First Lien Credit Agreement.

The Lenders agree that so long as no Default Notice has been delivered, the Borrower and the Guarantors shall be permitted to pay compensation and reimbursement of expenses incurred by estate professionals to the extent set forth in the Approved Budget and allowed by the Bankruptcy Court and payable under 11 U.S.C. § 328, 11 U.S.C. § 330 and 11 U.S.C. § 331 and compensation procedures approved by the Bankruptcy Court and in form and substance reasonably acceptable to the Borrower and Guarantors and to the Lenders, as the same may be due and payable, and the same shall not reduce the Professionals' Carve-Out Cap. The foregoing shall not be construed as consent to the allowance of any fees and expenses referred to above and shall not affect the right of the Agents and the Lenders to review and object to the any fee statement, interim application or monthly application issued or filed by estate professionals. Notwithstanding any provision of the Financing Orders or the other Loan Documents to the contrary, the Loans shall not be used to fund aggregate cumulative expenditures for restructuring professional fees of the Borrower or Guarantors, or any Committee (as defined in the Financing Orders) that exceed the maximum amount with respect thereto set forth in the Approved Budget (after giving effect to any Permitted Variance). For the avoidance of doubt, the foregoing shall not apply to any expenditures for restructuring professional fees that are not set forth in the Approved Budget and that are paid pursuant to the Plan and in accordance with a court order approving such professionals' retention (including, without limitation, any success or transaction fees).

(b) Collateral Security Perfection. Each of the Loan Parties agrees to take all actions that the Collateral Agent may request in its sole and absolute discretion to further secure the Obligations or perfect and protect the Collateral Agent's Liens for the benefit of the Secured Parties upon the Collateral and for such Liens to obtain the priority therefor contemplated hereby, including, without limitation, executing and delivering such documents (including, without limitation, security documents, mortgages, deeds of trust, subordination and intercreditor agreements), instruments, financing statements, providing such notices and assents of third parties, obtaining such governmental authorizations and providing such other instruments and documents (in all cases without representation or warranty of any kind) in recordable form as the Collateral Agent or any Lender may reasonably request and, in all cases, in form and substance satisfactory to the Collateral Agent. Each Loan Party hereby irrevocably authorizes the Collateral Agent at any time and from time to time to file in any filing office in any UCC jurisdiction any initial financing statements and amendments thereto that (a) indicate the Collateral (i) as all assets of such Loan Party or words of similar effect, regardless of whether any particular asset comprised in the Collateral falls within the scope of Article 9 of the UCC, or (ii) as being of an equal or lesser scope or with greater detail, and (b) provide any other information required by part 5 of Article 9 of the UCC for the sufficiency or filing office acceptance of any financing statement or amendment, including (i) whether such Loan Party is an organization, the type of organization and any organization identification number issued to such Loan Party and, (ii) in the case of a financing statement filed as a fixture filing, a sufficient description of real property to which the Collateral relates. Such Loan Party agrees to furnish any such information to the Collateral Agent promptly upon request. Notwithstanding the provisions of this Section 2.16(b), the Collateral Agent and the Lenders shall have the benefits of the Interim Order and the Final Order.

(c) Real Property. Subject in all respects to the priorities set forth in Section 2.16(a) above and to the Carve-Out, the Borrower and the Guarantors shall grant to the Collateral Agent on behalf of the Secured Parties a security interest in, and mortgage on, all of the right, title and interest of the Borrower and the Guarantors in all real property, if any, owned or leased by the Borrower or any of the Guarantors, together in each case with all of the right, title and interest of the Borrower and such Guarantor in and to all buildings, improvements, and fixtures related thereto, any lease or sublease thereof, all general intangibles relating thereto and all proceeds thereof, in each case to the extent secured pursuant to the Pre-Petition First Lien Mortgages. The Borrower and the Guarantors acknowledge that, pursuant to the Interim Order or the Final Order (as applicable), the Liens in favor of the Collateral Agent on behalf of the Secured Parties in all of such real property and leasehold interests shall be perfected without the recordation of any instruments of mortgage or assignment and the Collateral Agent and the Lenders shall have the benefits of the Interim Order and, after the Final Order Entry Date, the Final Order.

ARTICLE III

CONDITIONS TO EFFECTIVENESS OF LENDING

SECTION 3.01. Conditions Precedent. Section 2.01 of this Agreement shall become effective on and as of the first date (the "***DIP Effective Date***") on which the Administrative Agent determines in its sole and absolute discretion that the following conditions precedent have been satisfied (and the obligation of each Lender to make a DIP Loan is subject

to the satisfaction of such conditions precedent before or concurrently with the DIP Effective Date):

(a) The Administrative Agent shall have received on or before the DIP Effective Date the following, each dated such day (unless otherwise specified) and in form and substance reasonably satisfactory to the Administrative Agent:

(i) This Agreement, duly executed and delivered by the parties hereto.

(ii) The Notes, duly executed and delivered by the Borrower and payable to the order of the Lenders.

(v) A copy of a certificate of the Secretary of State of Delaware, dated reasonably near the DIP Effective Date certifying (A) as to a true and correct copy of the certificate of formation or certificate of limited partnership, as the case may be, of such Loan Party and each amendment thereto on file in such Secretary's office and (B) that (1) such amendments are the only amendments to such Loan Party's certificate of formation or certificate of limited partnership, as the case may be, on file in such Secretary's office, (2) to the extent applicable, such Loan Party has paid all franchise taxes to the date of such certificate and (3) to the extent applicable, such Loan Party is duly formed and in good standing or presently subsisting under the laws of the State of Delaware.

SECTION 7.02. Administrative Agent's Reliance, Etc. Neither the Administrative Agent nor any of its directors, officers, agents or employees shall be liable for any action taken or omitted to be taken by it or them under or in connection with the Loan Documents, except for its or their own gross negligence or willful misconduct. Without limitation of the generality of the foregoing, the Administrative Agent: (a) may consult with legal counsel (including counsel for any Loan Party), independent public accountants and other experts selected by it and shall not be liable for any action taken or omitted to be taken in good faith by it in accordance with the advice of such counsel, accountants or experts; (b) makes no warranty or representation to any Lender and shall not be responsible to any Lender for any statements, warranties or representations (whether written or oral) made in or in connection with the Loan Documents; (c) shall not have any duty to ascertain or to inquire as to the performance, observance or satisfaction of any of the terms, covenants or conditions of any Loan Document on the part of any Loan Party or the existence at any time of any Default under the Loan Documents or to inspect the property (including the books and records) of any Loan Party; (d) shall not be responsible to any Lender for the due execution, legality, validity, enforceability, genuineness, sufficiency or value of, or the perfection or priority of any lien or security interest created or purported to be created under or in connection with, any Loan Document or any other instrument or document furnished pursuant thereto; and (e) shall incur no liability under or in respect of any Loan Document by acting upon any notice, consent, certificate or other instrument or writing (which may be by telegram, telecopy or electronic communication) believed by it to be genuine and signed or sent by the proper party or parties.

SECTION 7.03. Agents and Affiliates. With respect to its Commitments, the DIP Loans made by it and any Notes issued to it, each Agent and its Affiliates shall have the same rights and powers under the Loan Documents as any other Lender and may exercise the same as though each were not an Agent or an Affiliate of an Agent; and the term "*Lender*" or "*Lenders*" shall, unless otherwise expressly indicated, include each Agent and its Affiliates in their respective individual capacities. Each Agent and its Affiliates may accept deposits from, lend money to, act as trustee under indentures of, accept investment banking engagements from and generally engage in any kind of business with, any Loan Party, any of its Subsidiaries and any Person that may do business with or own securities of any Loan Party or any such Subsidiary, all as if such Agent was not an Agent and without any duty to account therefor to the Lenders. No Agent shall have any duty to disclose any information obtained or received by it or any of its

Affiliates relating to any Loan Party or any of its Subsidiaries to the extent such information was obtained or received in any capacity other than as such Agent.

SECTION 7.04. Lender Credit Decision. Each Lender acknowledges that it has, independently and without reliance upon any Agent or any other Lender and based on the financial statements referred to in Section 4.01(i) and such other documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon any Agent or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement.

SECTION 7.05. Indemnification. (a) Each Lender severally agrees to indemnify each Agent (to the extent not promptly reimbursed by the Borrower and without limiting its obligation to do so) from and against such Lender's ratable share (determined as provided below) of any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever that may be imposed on, incurred by, or asserted against such Agent in any way relating to or arising out of the Loan Documents or any action taken or omitted by such Agent under the Loan Documents (collectively, the "***Indemnified Costs***"); *provided*, *however*, that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from such Agent's gross negligence or willful misconduct as found in a final, non-appealable judgment by a court of competent jurisdiction. Without limitation of the foregoing, each Lender agrees to reimburse each Agent promptly upon demand for its ratable share of any costs and expenses (including, without limitation, reasonable fees and expenses of counsel) payable by the Borrower under Section 9.04, to the extent that such Agent is not promptly reimbursed for such costs and expenses by the Borrower. In the case of any investigation, litigation or proceeding giving rise to any Indemnified Costs, this Section 7.05 applies whether any such investigation, litigation or proceeding is brought by any Lender or any other Person. Each Agent is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and otherwise apply any and all amounts it receives pursuant to the Loan Documents to or for the credit or the account of any Lender against any and all obligations of such Lender to such Agent now or hereafter existing under this Section 7.05; *provided* that the foregoing sentence shall only apply if such Lender fails to promptly pay such obligation following such Agent's written request for payment; *provided further* that any obligation a Lender fails to promptly pay following the Agent's written request for payment shall bear interest at the same rate as Default Interest and the Agent is authorized to set off against any such accrued interest in the manner described above.

(b) For purposes of Section 7.05(b), (i) each Lender's ratable share of any amount shall be determined, at any time, according to the sum of (A) the aggregate principal amount of the DIP Loans outstanding at such time and owing to such Lender and (B) in the case of any Lender, such Lender's Unused Commitments at such time; and (ii) each Lender's ratable share of any amount shall be determined, at any time, according to the sum of (A) the aggregate principal amount of the DIP Loans outstanding at such time and owing to such Lender and (B) such Lender's Unused Commitments at such time. The failure of any Lender to reimburse any Agent promptly upon demand for its ratable share of any amount required to be paid by the Lenders to such Agent as provided herein shall not relieve any other Lender of its obligation

hereunder to reimburse such Agent for its ratable share of such amount, but no Lender shall be responsible for the failure of any other Lender to reimburse such Agent for such other Lender's ratable share of such amount. Without prejudice to the survival of any other agreement of any Lender hereunder, the agreement and obligations of each Lender contained in this Section 7.05 shall survive the payment in full of principal, interest and all other amounts payable hereunder and under the other Loan Documents.

SECTION 7.06. Successor Administrative Agent. The Administrative Agent may resign as to any or all of the DIP Facilities at any time by giving 15 days' written notice thereof to the Lenders and the Borrower and may be removed at any time with or without cause by the Required Lenders. Upon any such resignation or removal, the Required Lenders shall have the right to appoint a successor Administrative Agent as to such of the DIP Facilities as to which the Administrative Agent has resigned or been removed. If no successor Administrative Agent shall have been so appointed by the Required Lenders, and shall have accepted such appointment, within 30 days after the retiring Administrative Agent's giving of notice of resignation or the Required Lenders' removal of the retiring Administrative Agent, then the retiring Administrative Agent may, on behalf of the Lenders, appoint a successor Administrative Agent, which shall be a commercial bank organized under the laws of the United States or of any State thereof and having a combined capital and surplus of at least $500,000,000. Upon the acceptance of any appointment as Administrative Agent hereunder by a successor Administrative Agent, such successor Administrative Agent shall succeed to and become vested with all the rights, powers, discretion, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations under the Loan Documents. Upon the acceptance of any appointment as Administrative Agent hereunder by a successor Administrative Agent as to less than all of the DIP Facilities, such successor Administrative Agent shall succeed to and become vested with all the rights, powers, discretion, privileges and duties of the retiring Administrative Agent as to such DIP Facilities, other than with respect to funds transfers and other similar aspects of the administration of Borrowings under such DIP Facilities and payments by the Borrower in respect of such DIP Facilities, and the retiring Administrative Agent shall be discharged from its duties and obligations under this Agreement as to such DIP Facilities, other than as aforesaid. If within 45 days after written notice is given of the retiring Administrative Agent's resignation or removal under this Section 7.06 no successor Administrative Agent shall have been appointed and shall have accepted such appointment, then on such 45th day (a) the retiring Administrative Agent's resignation or removal shall become effective, (b) the retiring Administrative Agent shall thereupon be discharged from its duties and obligations under the Loan Documents and (c) the Required Lenders shall thereafter perform all duties of the retiring Administrative Agent under the Loan Documents until such time, if any, as the Required Lenders appoint a successor Agent as provided above. After any retiring Administrative Agent's resignation or removal hereunder as Administrative Agent as to any of the DIP Facilities shall have become effective, the provisions of this Article VII shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent as to such DIP Facilities under this Agreement.

SECTION 7.07. Collateral Agent. Each of the Administrative Agent and the Lenders hereby designates and appoints CLMG as Collateral Agent under this Agreement and the other Loan Documents and authorizes CLMG, in the capacity of Collateral Agent, to (A) execute, deliver and perform the obligations, if any, of the Collateral Agent, as applicable

under this Agreement and each other Loan Document and (B) take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Collateral Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto; *provided*, *however*, that the Collateral Agent shall not be required to take any action that exposes the Collateral Agent to personal liability or that is contrary to this Agreement or applicable law. Without limiting the generality of the foregoing, each of the Administrative Agent and the Lenders hereby authorizes and instructs CLMG, in the capacity of Collateral Agent, to execute and deliver the documents to be entered into by the Agent expressly referenced in Section 3.01.

ARTICLE VIII

GUARANTY

SECTION 8.01. Guaranty; Limitation of Liability. (a) Subject in the case of Athens to the Athens Cap Amount, each Guarantor, jointly and severally, hereby absolutely, unconditionally and irrevocably guarantees the punctual payment when due, whether at scheduled maturity or on any date of a required prepayment or by acceleration, demand or otherwise, of all Obligations of each other Loan Party now or hereafter existing under or in respect of the Loan Documents (including, without limitation, any extensions, modifications, substitutions, amendments or renewals of any or all of the foregoing Obligations), whether direct or indirect, absolute or contingent, and whether for principal, interest, premiums, fees, indemnities, contract causes of action, costs, expenses or otherwise (such Obligations being the "***Guaranteed Obligations***"), and agrees to pay any and all expenses (including, without limitation, reasonable fees and expenses of counsel) incurred by the Administrative Agent or any other Lender in enforcing any rights under this Guaranty or any other Loan Document. Without limiting the generality of the foregoing, subject in the case of Athens to the Athens Cap Amount, each Guarantor's liability shall extend to all amounts that constitute part of the Guaranteed Obligations and would be owed by any other Loan Party to any Lender under or in respect of the Loan Documents but for the fact that they are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving such other Loan Party.

(b) Each Guarantor, and by its acceptance of this Guaranty, the Administrative Agent and each other Lender, hereby confirms that it is the intention of all such Persons that this Guaranty and the obligations of each Guarantor hereunder not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar foreign, federal or state law to the extent applicable to this Guaranty and the obligations of each Guarantor hereunder. To effectuate the foregoing intention, the Administrative Agent, the other Lenders and the Guarantors hereby irrevocably agree that the obligations of each Guarantor under this Guaranty at any time shall be limited to the maximum amount as will result in the obligations of such Guarantor under this Guaranty not constituting a fraudulent transfer or conveyance.

(c) Subject in the case of Athens to the Athens Cap Amount, each Guarantor hereby unconditionally and irrevocably agrees that in the event any payment shall be required to be made to any Lender under this Guaranty or any other guaranty, such Guarantor will contribute, to the maximum extent permitted by law, such amounts to each other Guarantor and

each other guarantor so as to maximize the aggregate amount paid to the Lenders under or in respect of the Loan Documents.

SECTION 8.02. Guaranty Absolute. Subject in the case of Athens to the Athens Cap Amount, each Guarantor guarantees that the Guaranteed Obligations will be paid strictly in accordance with the terms of the Loan Documents, regardless of any law, regulation or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of any Lender with respect thereto. The obligations of each Guarantor under or in respect of this Guaranty are independent of the Guaranteed Obligations or any other Obligations of any other Loan Party under or in respect of the Loan Documents, and a separate action or actions may be brought and prosecuted against each Guarantor to enforce this Guaranty, irrespective of whether any action is brought against the Borrower or any other Loan Party or whether the Borrower or any other Loan Party is joined in any such action or actions. The liability of each Guarantor under this Guaranty shall be irrevocable, absolute and unconditional irrespective of, and each Guarantor hereby irrevocably waives any defenses it may now have or hereafter acquire in any way relating to, any or all of the following:

(a) any lack of validity or enforceability of any Loan Document or any agreement or instrument relating thereto;

(b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Guaranteed Obligations or any other Obligations of any other Loan Party under or in respect of the Loan Documents, or any other amendment or waiver of or any consent to departure from any Loan Document, including, without limitation, any increase in the Guaranteed Obligations resulting from the extension of additional credit to any Loan Party or any of its Subsidiaries or otherwise;

(c) any taking, exchange, release or non-perfection of any Collateral or any other collateral, or any taking, release or amendment or waiver of, or consent to departure from, any other guaranty, for all or any of the Guaranteed Obligations;

(d) any manner of application of Collateral or any other collateral, or proceeds thereof, to all or any of the Guaranteed Obligations, or any manner of sale or other disposition of any Collateral or any other collateral for all or any of the Guaranteed Obligations or any other Obligations of any Loan Party under the Loan Documents or any other assets of any Loan Party or any of its Subsidiaries;

(e) any change, restructuring or termination of the corporate structure or existence of any Loan Party or any of its Subsidiaries;

(f) any failure of any Lender to disclose to any Loan Party any information relating to the business, condition (financial or otherwise), operations, performance, properties or prospects of any other Loan Party now or hereafter known to such Lender (each Guarantor waiving any duty on the part of the Lenders to disclose such information);

(g) the failure of any other Person to execute or deliver this Agreement or any other guaranty or agreement or the release or reduction of liability of any Guarantor or other guarantor or surety with respect to the Guaranteed Obligations; or

(h) any other circumstance (including, without limitation, any statute of limitations) or any existence of or reliance on any representation by any Lender that might otherwise constitute a defense available to, or a discharge of, any Loan Party or any other guarantor or surety.

This Guaranty shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the Guaranteed Obligations is rescinded or must otherwise be returned by any Lender or any other Person upon the insolvency, bankruptcy or reorganization of the Borrower or any other Loan Party or otherwise, all as though such payment had not been made.

SECTION 8.03. Waivers and Acknowledgments. (a) Each Guarantor hereby unconditionally and irrevocably waives promptness, diligence, notice of acceptance, presentment, demand for performance, notice of nonperformance, default, acceleration, protest or dishonor and any other notice with respect to any of the Guaranteed Obligations and this Guaranty and any requirement that any Lender protect, secure, perfect or insure any Lien or any property subject thereto or exhaust any right or take any action against any Loan Party or any other Person or any Collateral.

(b) Each Guarantor hereby unconditionally and irrevocably waives any right to revoke this Guaranty and acknowledges that this Guaranty is continuing in nature and applies to all Guaranteed Obligations, whether existing now or in the future.

(c) Each Guarantor hereby unconditionally and irrevocably waives (i) any defense arising by reason of any claim or defense based upon an election of remedies by any Lender that in any manner impairs, reduces, releases or otherwise adversely affects the subrogation, reimbursement, exoneration, contribution or indemnification rights of such Guarantor or other rights of such Guarantor to proceed against any of the other Loan Parties, any other guarantor or any other Person or any Collateral and (ii) any defense based on any right of set-off or counterclaim against or in respect of the obligations of such Guarantor hereunder.

(d) Each Guarantor acknowledges that the Collateral Agent may, without notice to or demand upon such Guarantor and without affecting the liability of such Guarantor under this Guaranty, foreclose under any mortgage by nonjudicial sale, and each Guarantor hereby waives any defense to the recovery by the Collateral Agent and the other Secured Parties against such Guarantor of any deficiency after such nonjudicial sale and any defense or benefits that may be afforded by applicable law.

(e) Each Guarantor hereby unconditionally and irrevocably waives any duty on the part of any Lender to disclose to such Guarantor any matter, fact or thing relating to the business, condition (financial or otherwise), operations, performance, properties or prospects of any other Loan Party or any of its Subsidiaries now or hereafter known by such Lender.

(f) Each Guarantor acknowledges that it will receive substantial direct and indirect benefits from the financing arrangements contemplated by the Loan Documents and that the waivers set forth in Section 8.02 and this Section 8.03 are knowingly made in contemplation of such benefits.

SECTION 8.04. Waiver. Each Guarantor hereby unconditionally and irrevocably agrees not to exercise any rights that it may now have or hereafter acquire against the Borrower

or any other Loan Party that arise from the existence, payment, performance or enforcement of such Guarantor's obligations under or in respect of this Guaranty or any other Loan Document, including, without limitation, any right of subrogation, reimbursement, exoneration, contribution or indemnification and any right to participate in any claim or remedy of any Lender against the Borrower, any other Loan Party or any Collateral, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, including, without limitation, the right to take or receive from the Borrower or any other Loan Party directly or indirectly, in Cash or other property or by set-off or in any other manner, payment or security on account of such claim, remedy or right, unless and until all of the Guaranteed Obligations and all other amounts payable under this Guaranty shall have been paid in full in Cash, the Commitments shall have expired or been terminated and all Pre-Petition First Lien Obligations shall have been indefeasibly paid in full in Cash.

SECTION 8.05. Subordination. Each Guarantor hereby subordinates any and all debts, liabilities and other obligations owed to such Guarantor by each other Loan Party (the "***Subordinated Obligations***") to the Guaranteed Obligations to the extent and in the manner hereinafter set forth in this Section 8.05:

(a) Prohibited Payments, Etc. Except during the continuance of any Event of Default, each Guarantor may receive regularly scheduled payments from any other Loan Party on account of the Subordinated Obligations in compliance with the Interim Order or the Final Order (as applicable) and to the extent not inconsistent with the Interim Order or the Final Order (as applicable) or the Security Deposit Agreement. After the occurrence and during the continuance of any Event of Default, however, unless the Required Lenders otherwise agree, no Guarantor shall demand, accept or take any action to collect any payment on account of the Subordinated Obligations other than to the extent payment of such Subordinated Obligations is permitted under the terms of the Interim Order or the Final Order (as applicable) and to the extent not inconsistent with the Interim Order or the Final Order (as applicable), the Security Deposit Agreement and the other Loan Documents.

(b) Prior Payment of Guaranteed Obligations. In any proceeding under any Bankruptcy Law relating to any other Loan Party, each Guarantor agrees that the Lenders shall be entitled to receive payment in full in Cash of all Guaranteed Obligations (including all interest and expenses accruing after the commencement of a proceeding under any Bankruptcy Law, whether or not constituting an allowed claim in such proceeding ("***Post-Petition Interest***")) before such Guarantor receives payment of any Subordinated Obligations.

(c) Turn-Over. After the occurrence and during the continuance of any Default, each Guarantor shall, if the Administrative Agent so requests, collect, enforce and receive payments on account of the Subordinated Obligations as trustee for the Lenders and deliver such payments to the Administrative Agent on account of the Guaranteed Obligations (including all Post-Petition Interest), together with any necessary endorsements or other instruments of transfer, but without reducing or affecting in any manner the liability of such Guarantor under the other provisions of this Guaranty.

(d) Administrative Agent Authorization. After the occurrence and during the continuance of any Default, the Administrative Agent is authorized and empowered (but without any obligation to so do), in its discretion, (i) in the name of each Guarantor, to collect and enforce, and to submit claims in respect of, the Subordinated Obligations and to apply any amounts received thereon to the Guaranteed Obligations (including any and all Post-Petition Interest), and (ii) to require each Guarantor (A) to collect and enforce, and to submit claims in respect of, the Subordinated Obligations and (B) to pay any amounts received on such obligations to the Administrative Agent for application to the Guaranteed Obligations (including any and all Post-Petition Interest).

SECTION 8.06. Continuing Guaranty; Assignments. This Guaranty is a continuing guaranty and shall (a) remain in full force and effect until a Repayment Event has occurred, (b) be binding upon each Guarantor, its successors and assigns and (c) inure to the benefit of and be enforceable by the Lenders and their successors, transferees and assigns. Without limiting the generality of clause (c) of the immediately preceding sentence, any Lender may assign or otherwise transfer all or any portion of its rights and obligations under this Agreement (including, without limitation, all or any portion of its Commitments, the DIP Loans owing to it and any Note or Notes held by it) to any other Person, and such other Person shall thereupon become vested with all the benefits in respect thereof granted to such Lender herein or otherwise, in each case as and to the extent provided in Section 9.07. No Guarantor shall have the right to assign its rights hereunder or any interest herein without the prior written consent of the Required Lenders, which consent may be granted or withheld in the Required Lenders' sole and absolute discretion.

SECTION 8.07. Eligible Contract Participant.

(a) Each Guarantor (other than MACH Gen GP, LLC) represents and warrants on the date hereof that, to the extent any Guaranteed Obligations include Swap Obligations on the date hereof, it is an "eligible contract participant" as defined in the Commodity Exchange Act and the regulations issued thereunder.

(b) Each Guarantor (other than MACH Gen GP, LLC) agrees that at such time as the Guaranteed Obligations of such Guarantor includes Swap Obligations, and at such other times as are required for purposes of the Commodity Exchange Act and the regulations thereunder, such Guarantor shall constitute an "eligible contract participant" as defined in the Commodity Exchange Act and the regulations thereunder.

SECTION 8.08. Keepwell. Each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by any other Guarantor to honor all of such Guarantor's Swap Obligations to the extent included in such Guarantor's Guaranteed Obligations under this Article VIII (provided, however, that each Qualified ECP Guarantor shall only be liable under this Section 8.08 for the maximum amount of such liability that can be hereby incurred without rendering its obligation under this Section 8.08, or otherwise under this Article VIII, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of each Qualified ECP Guarantor under this Section 8.08 shall remain in full force and effect until the date on which all the Guaranteed Obligations pursuant to and in accordance with this Article VIII are irrevocably and

unconditionally discharged in full (but solely to the extent such Guaranteed Obligations include Swap Obligations). Each Qualified ECP Guarantor intends that this Section 8.08 constitute, and this Section 8.08 shall be deemed to constitute, a keepwell, support, or other agreement for the benefit of each Guarantor for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

(c) THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE". THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE COMMUNICATIONS, OR THE ADEQUACY OF THE PLATFORM AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS OR OMISSIONS IN THE COMMUNICATIONS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY THE AGENT PARTIES IN CONNECTION WITH THE COMMUNICATIONS OR THE PLATFORM. IN NO EVENT SHALL THE ADMINISTRATIVE AGENT OR ANY OF ITS AFFILIATES OR ANY OF THEIR RESPECTIVE OFFICERS, DIRECTORS, EMPLOYEES, AGENTS, ADVISORS OR REPRESENTATIVES (COLLECTIVELY, "AGENT PARTIES") HAVE ANY LIABILITY TO THE BORROWER, ANY LENDER OR ANY OTHER PERSON OR ENTITY FOR DAMAGES OF ANY KIND, INCLUDING, WITHOUT LIMITATION, DIRECT OR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, LOSSES OR EXPENSES (WHETHER IN TORT, CONTRACT OR OTHERWISE) ARISING OUT OF THE BORROWER'S OR THE ADMINISTRATIVE AGENT'S TRANSMISSION OF COMMUNICATIONS THROUGH THE INTERNET, EXCEPT TO THE EXTENT THE LIABILITY OF ANY AGENT PARTY IS FOUND IN A FINAL NON-APPEALABLE JUDGMENT BY A COURT OF COMPETENT JURISDICTION TO HAVE RESULTED PRIMARILY FROM SUCH AGENT PARTY'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT.

(d) The Administrative Agent agrees that the receipt of the Communications by the Administrative Agent at its e-mail address set forth above shall constitute effective delivery of the Communications to the Administrative Agent for purposes of the Loan Documents. Each Lender agrees (i) that notice to it (as provided in the next sentence) specifying that the Communications have been posted to the Platform shall constitute effective delivery of the Communications to such Lender for purposes of the Loan Documents. Each Lender agrees to notify the Administrative Agent in writing (including by electronic communication) from time to time of such Lender's e-mail address to which the foregoing notice may be sent by electronic transmission and (ii) that the foregoing notice may be sent to such e-mail address. Nothing herein shall prejudice the right of the Administrative Agent or any Lender to give any notice or other communication pursuant to any Loan Document in any other manner specified in such Loan Document.

SECTION 9.03. No Waiver; Remedies. No failure on the part of any Lender or any Agent to exercise, and no delay in exercising, any right hereunder or under any Note or any other

Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

SECTION 9.04. Costs and Expenses. (a) The Borrower agrees to pay on demand (i) all costs and expenses of each Agent in connection with the preparation, execution, delivery, administration, modification and amendment of, or any consent or waiver under, the Loan Documents (including, without limitation, (A) all due diligence, collateral review, syndication, transportation, computer, duplication, appraisal, audit, insurance, consultant, search, filing and recording fees and expenses, (B) the monitoring of, and participation in, all aspect of the Chapter 11 Cases and (C) the reasonable fees and expenses of counsel for each Agent with respect thereto, with respect to advising such Agent as to its rights and responsibilities, or the perfection, protection or preservation of rights or interests, under the Loan Documents, with respect to negotiations with any Loan Party or with other creditors of any Loan Party or any of its Subsidiaries arising out of any Default or any events or circumstances that may give rise to a Default and with respect to presenting claims in or otherwise participating in or monitoring any bankruptcy, insolvency or other similar proceeding involving creditors' rights generally and any proceeding ancillary thereto) and (ii) all costs and expenses of each Agent and each Lender in connection with the enforcement of the Loan Documents, whether in any action, suit or litigation, or any bankruptcy, insolvency or other similar proceeding affecting creditors' rights generally (including, without limitation, the reasonable fees and expenses of counsel for the Administrative Agent and each Lender with respect thereto).

(b) The Borrower agrees to indemnify, defend and save and hold harmless each Agent, each Lender, each of their Affiliates and the respective officers, directors, employees, trustees, agents and advisors of each of the foregoing (each, an "***Indemnified Party***") from and against, and shall pay on demand, any and all claims, damages, losses, liabilities and expenses (including, without limitation, reasonable fees and expenses of counsel) that may be incurred by or asserted or awarded against any Indemnified Party, in each case arising out of or in connection with or by reason of (including, without limitation, in connection with any investigation, litigation or proceeding or preparation of a defense in connection therewith) (i) the DIP Facilities, the actual or proposed use of the proceeds of the DIP Loans, the Loan Documents or any of the transactions contemplated thereby, (ii) the Tax Sharing Agreement or (iii) the actual or alleged presence of Hazardous Materials on any property of any Loan Party or any of its Subsidiaries or any Environmental Action relating in any way to any Loan Party or any of its Subsidiaries, except to the extent such claim, damage, loss, liability or expense is found in a final, non-appealable judgment by a court of competent jurisdiction to have resulted from such Indemnified Party's gross negligence or willful misconduct. In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 9.04(b) applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Loan Party, its directors, shareholders or creditors, any Indemnified Party or any other Person, whether or not any Indemnified Party is otherwise a party thereto and whether or not the transactions contemplated thereby are consummated. The Borrower also agrees not to assert any claim against any Agent, any Lender or any of their Affiliates, or any of their respective officers, directors, employees, trustees, agents and advisors, on any theory of liability, for special, indirect, consequential or punitive damages arising out of or otherwise relating to the DIP

Facilities, the actual or proposed use of the proceeds of the DIP Loans, the Loan Documents or any of the transactions contemplated by the Loan Documents.

(c) If (i) any payment of principal of any DIP Loan is made by the Borrower to or for the account of a Lender other than on the last day of the Interest Period for such DIP Loan as a result of (A) acceleration of the maturity of the DIP Loans pursuant to Section 6.01 or (B) a mandatory prepayment of the DIP Loans pursuant to Section 2.05(b), or (ii) the Borrower fails to make any payment or prepayment of a DIP Loan after the Borrower had delivered a notice of prepayment, whether, in the case of this clause (ii), pursuant to Section 2.03, 2.05 or 6.01 or otherwise, the Borrower shall, upon demand by such Lender (with a copy of such demand to the Administrative Agent), pay to the Administrative Agent for the account of such Lender any amounts required to compensate such Lender for any additional losses, costs or expenses that it may reasonably incur as a result of such payment or such failure to pay or prepay, as the case may be, including, without limitation, any loss (excluding loss of anticipated profits), cost or expense incurred by reason of the liquidation or reemployment of deposits or other funds acquired by any Lender to fund or maintain such DIP Loan.

(d) If any Loan Party fails to pay when due any costs, expenses or other amounts payable by it under any Loan Document, including, without limitation, fees and expenses of counsel and indemnities, such amount may be paid on behalf of such Loan Party by the Administrative Agent or any Lender, in its sole discretion.

(e) Without prejudice to the survival of any other agreement of any Loan Party hereunder or under any other Loan Document, the agreements and obligations of the Borrower contained in Section 2.09 and 2.11 and this Section 9.04 shall survive the payment in full of principal, interest and all other amounts payable hereunder and under any of the other Loan Documents.

SECTION 9.05. Right of Set-off. Subject to the Interim Order or the Final Order (as applicable), upon (a) the occurrence and during the continuance of any Event of Default and (b) the making of the request or the granting of the consent specified by Section 6.01 to authorize the Administrative Agent to declare the DIP Loans due and payable pursuant to the provisions of Section 6.01, each Agent and each Lender and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and otherwise apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Agent, such Lender or such Affiliate to or for the credit or the account of the Borrower against any and all of the Obligations of the Borrower now or hereafter existing under the Loan Documents, irrespective of whether such Agent or such Lender shall have made any demand under this Agreement and although such Obligations may be unmatured. Each Agent and each Lender agrees promptly to notify the Borrower and the Bankruptcy Court after any such set-off and application; *provided*, *however*, that the failure to give such notice shall not affect the validity of such set-off and application. The rights of each Agent and each Lender and their respective Affiliates under this Section 9.05 are in addition to other rights and remedies (including, without limitation, other rights of set-off) that such Agent, such Lender and their respective Affiliates may have under the Loan Documents, the Interim Order or the Final Order (as applicable) or otherwise.

SECTION 9.06. Binding Effect. This Agreement shall become effective when it shall have been executed by each of the parties hereto and thereafter shall be binding upon and inure to the benefit of the Borrower, each Agent and each Lender and their respective successors and assigns, except that the Borrower shall not have the right to assign its rights hereunder or any interest herein without the prior written consent of each Lender. This Agreement is intended to be solely for the benefit of the parties hereto and is not intended to confer any benefits upon, or create any rights in favor of, any person other than the parties hereto.

SECTION 9.07. Assignments and Participations. (a) Each Lender may assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including, without limitation, all or a portion of its Commitment or Commitments, the DIP Loans owing to it, and the Note or Notes held by it); *provided*, *however*, that (i) each such assignment shall be of a uniform, and not a varying, percentage of all rights and obligations under and in respect of any or all DIP Facilities, (ii) except in the case of an assignment to a Person that, immediately prior to such assignment, was a Lender, an Affiliate of any Lender or an Approved Fund of any Lender or an assignment of all of a Lender's rights and obligations under this Agreement, the aggregate amount of the Commitments being assigned to such Eligible Assignee pursuant to such assignment (determined as of the date of the Assignment and Acceptance with respect to such assignment) shall in no event be less than $2,000,000 (or such lesser amount as shall be approved by the Administrative Agent and, so long as no Default shall have occurred and be continuing at the time of effectiveness of such assignment, the Borrower), (iii) each such assignment shall be to an Eligible Assignee, (iv) no such assignments shall be permitted without the written consent of the Administrative Agent, which consent shall not be unreasonably withheld and (v) the parties to each such assignment shall execute and deliver to the Administrative Agent, for its acceptance and recording in the Register, an Assignment and Acceptance, together with any Note or Notes (if any) subject to such assignment.

(b) [Reserved].

(c) [Reserved].

(d) Upon such execution, delivery, acceptance and recording, from and after the effective date specified in such Assignment and Acceptance, (i) the assignee thereunder shall be a party hereto and, to the extent that rights and obligations hereunder have been assigned to it pursuant to such Assignment and Acceptance, have the rights and obligations of a Lender hereunder and (ii) the Lender assignor thereunder shall, to the extent that rights and obligations hereunder have been assigned by it pursuant to such Assignment and Acceptance, relinquish its rights (other than its rights under Section 2.09, 2.11 and 9.04 to the extent any claim thereunder relates to an event arising prior to such assignment) and be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the remaining portion of an assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto).

(e) By executing and delivering an Assignment and Acceptance, each Lender assignor thereunder and each assignee thereunder confirm to and agree with each other and the other parties thereto and hereto as follows: (i) other than as provided in such Assignment and Acceptance, such assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in

connection with any Loan Document or the execution, legality, validity, enforceability, genuineness, sufficiency or value of, or the perfection or priority of any lien or security interest created or purported to be created under or in connection with, any Loan Document or any other instrument or document furnished pursuant thereto; (ii) such assigning Lender makes no representation or warranty and assumes no responsibility with respect to the financial condition of any Loan Party or the performance or observance by any Loan Party of any of its obligations under any Loan Document or any other instrument or document furnished pursuant thereto; (iii) such assignee confirms that it has received a copy of this Agreement, together with copies of the financial statements referred to in Section 4.01(i) and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (iv) such assignee will, independently and without reliance upon any Agent, such assigning Lender or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement; (v) such assignee confirms that it is an Eligible Assignee; (vi) such assignee appoints and authorizes each Agent to take such action as agent on its behalf and to exercise such powers and discretion under the Loan Documents as are delegated to such Agent by the terms hereof and thereof, together with such powers and discretion as are reasonably incidental thereto; and (vii) such assignee agrees that it will perform in accordance with their terms all of the obligations that by the terms of this Agreement are required to be performed by it as a Lender.

(f) The Administrative Agent, acting for this purpose (but only for this purpose) as the agent of the Borrower, shall maintain at its address referred to in Section 9.02 a copy of each Assignment and Acceptance delivered to and accepted by it and a register for the recordation of the names and addresses of the Lenders and the Commitment under each DIP Facility of, and principal amount of the DIP Loans owing under each DIP Facility to, each Lender from time to time (the "***Register***"). The entries in the Register shall be conclusive and binding for all purposes, absent manifest error, and the Borrower, the Agents and the Lenders shall treat each Person whose name is recorded in the Register as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrower or any Agent or any Lender at any reasonable time and from time to time upon reasonable prior notice.

(g) Upon its receipt of an Assignment and Acceptance executed by an assigning Lender and an assignee, together with any Note or Notes (if any) subject to such assignment, the Administrative Agent shall, if such Assignment and Acceptance has been completed and is in substantially the form of Exhibit C hereto, (i) accept such Assignment and Acceptance, (ii) record the information contained therein in the Register and (iii) give prompt notice thereof to the Borrower and each other Agent. In the case of any assignment by a Lender, within five Business Days after its receipt of such notice, the Borrower, at its own expense, shall execute and deliver to the Administrative Agent in exchange for the surrendered Note or Notes (if any) an amended and restated Note (which shall be marked "*Amended and Restated*") to the order of such Eligible Assignee in an amount equal to the Commitment assumed by it under each DIP Facility pursuant to such Assignment and Acceptance and, if any assigning Lender that had a Note or Notes prior to such assignment has retained a Commitment hereunder under such DIP Facility, an amended and restated Note to the order of such assigning Lender in an amount equal to the Commitment retained by it hereunder. Such amended and restated Note or Notes shall be

dated the effective date of such Assignment and Acceptance and shall otherwise be in substantially the form of Exhibit A.

(h) Each Lender may sell participations to one or more Persons (other than any Loan Party or any of its Affiliates) in or to all or a portion of its rights and obligations under this Agreement (including, without limitation, all or a portion of its Commitments, the DIP Loans owing to it and the Note or Notes (if any) held by it); *provided*, *however*, that (i) such Lender's obligations under this Agreement (including, without limitation, its Commitments) shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (iii) such Lender shall remain the holder of any such Note for all purposes of this Agreement, (iv) the Borrower, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement and (v) no participant under any such participation shall have any right to approve any amendment or waiver of any provision of any Loan Document, or any consent to any departure by any Loan Party therefrom.

(i) Any Lender may, in connection with any assignment or participation or proposed assignment or participation pursuant to this Section 9.07, disclose to the assignee or participant or proposed assignee or participant any information relating to the Borrower furnished to such Lender by or on behalf of the Borrower; *provided*, *however*, that, prior to any such disclosure, the assignee or participant or proposed assignee or participant shall agree to preserve the confidentiality of any Confidential Information received by it from such Lender.

(j) Notwithstanding any other provision set forth in this Agreement, any Lender may at any time create a security interest in all or any portion of its rights under this Agreement (including, without limitation, the DIP Loans owing to it and the Note or Notes (if any) held by it) in favor of any Federal Reserve Bank or Federal Home Loan Bank in accordance with Regulation A of the Board of Governors of the Federal Reserve System or similar laws and regulations relating to the Federal Home Loan Banks.

(k) Notwithstanding anything to the contrary contained herein, any Lender that is a Fund may, without the consent of the Borrower or any other Person, create a security interest in all or any portion of the DIP Loans owing to it and any Note or Notes held by it to the trustee for holders of obligations owed, or securities issued, by such Fund as security for such obligations or securities; *provided* that, unless and until such trustee actually becomes a Lender in compliance with the other provisions of this Section 9.07, (i) no such pledge shall release the pledging Lender from any of its obligations under the Loan Documents and (ii) such trustee shall not be entitled to exercise any of the rights of a Lender under the Loan Documents even though such trustee may have acquired ownership rights with respect to the pledged interest through foreclosure or otherwise.

(l) Notwithstanding anything to the contrary contained herein, any Lender (a "***Granting Lender***") may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower (an "***SPC***") the option to provide all or any part of any DIP Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; *provided* that (i) nothing herein shall constitute a commitment by any SPC to fund any DIP Loan and (ii) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such DIP Loan, the Granting

Lender shall be obligated to make such DIP Loan pursuant to the terms hereof. The making of a DIP Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such DIP Loan were made by such Granting Lender. Each party hereto hereby agrees that (i) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable, (ii) no SPC shall be entitled to the benefits of Section 2.09 and 2.11 (or any other increased costs protection provision) and (iii) the Granting Lender shall for all purposes, including, without limitation, the approval of any amendment or waiver of any provision of any Loan Document, remain the Lender of record hereunder. In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior Debt of any SPC, it will not institute against, or join any other person in instituting against, such SPC any bankruptcy, reorganization, arrangement, insolvency or liquidation proceeding under the laws of the United States or any State thereof. Notwithstanding anything to the contrary contained in this Agreement, any SPC may (i) with notice to, but without prior consent of, the Borrower and the Administrative Agent and with the payment of a processing fee of $500, assign all or any portion of its interest in any DIP Loan to the Granting Lender and (ii) disclose on a confidential basis any non-public information relating to its funding of DIP Loans to any rating agency, commercial paper dealer or provider of any surety or guarantee or credit or liquidity enhancement to such SPC. This subsection (l) may not be amended without the prior written consent of each Granting Lender, all or any part of whose DIP Loans are being funded by the SPC at the time of such amendment.

SECTION 9.08. Execution in Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery by telecopier of an executed counterpart of a signature page to this Agreement shall be effective as delivery of an original executed counterpart of this Agreement.

SECTION 9.09. Confidentiality. Neither any Agent nor any Lender shall disclose any Confidential Information to any Person without the consent of the Borrower, other than (a) to such Agent's or such Lender's Affiliates and their officers, directors, employees, trustees, agents and advisors and to actual or prospective Eligible Assignees and participants, and then only on a confidential basis, (b) as required by any law, rule or regulation or judicial process, (c) as requested or required by any state, Federal or foreign authority or examiner (including the National Association of Insurance Commissioners or any similar organization or quasi-regulatory authority) regulating such Lender, (d) to any rating agency when required by it, *provided* that, prior to any such disclosure, such rating agency shall undertake to preserve the confidentiality of any Confidential Information relating to the Loan Parties received by it from such Lender, (e) in connection with any litigation or proceeding to which such Agent or such Lender or any of its Affiliates may be a party or (f) in connection with the exercise of any right or remedy under this Agreement or any other Loan Document.

SECTION 9.10. Marshalling; Payments Set Aside. Neither any Agent nor any Lender shall be under any obligation to marshal any assets in favor of any Loan Party or any other Person or against or in payment of any or all of the Obligations. To the extent that any Loan Party makes a payment or payments to the Administrative Agent or the Lenders (or to

Administrative Agent, on behalf of the Lenders), or any Agent or Lender enforces any security interests or exercise its rights of setoff, and such payment or payments or the proceeds of such enforcement or setoff or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside and/or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, any other state or federal law, common law or any equitable cause, then, to the extent of such recovery, the obligation or part thereof originally intended to be satisfied, and all Liens, rights and remedies therefor or related thereto, shall be revived and continued in full force and effect as if such payment or payments had not been made or such enforcement or setoff had not occurred.

SECTION 9.11. Patriot Act Notice. Each Lender and each Agent (for itself and not on behalf of any Lender) hereby notifies the Loan Parties that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of such Loan Party and other information that will allow such Lender or such Agent, as applicable, to identify such Loan Party in accordance with the Patriot Act. The Borrower shall, and shall cause each of its Subsidiaries to, provide such information and take such actions as are reasonably requested by any Agent or any Lender in order to assist the Agents and the Lenders in maintaining compliance with the Patriot Act.

SECTION 9.12. Other Loan Documents; Order. For the avoidance of doubt, but subject to the terms of (including the priorities specified in) the Interim Order or the Final Order (as applicable), for purposes of the Intercreditor Agreement, the Administrative Agent shall constitute a "*First Lien Administrative Agent*," the Administrative Agent, the Collateral Agent and the Lenders shall constitute "*First Lien Secured Parties*" and the Obligations of the Loan Parties under the Loan Documents shall constitute "*First Lien Obligations*," in each case, under and as defined therein. In the event of any inconsistency between the terms and conditions of: (i) any of the Loan Documents, the Intercreditor Agreement, the Security Deposit Agreement or any other Pre-Petition Loan Document; and (ii) the Interim Order or the Final Order (whichever is in effect at the time of reference thereto), the provisions of the Interim Order or the Final Order, as the case may be, shall govern and control.

SECTION 9.13. Jurisdiction, Etc. (a) Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the Bankruptcy Court and, to the extent the Bankruptcy Court does not have or exercise jurisdiction, to the nonexclusive jurisdiction of any New York State court or Federal court of the United States of America sitting in New York City, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or any of the other Loan Documents to which it is a party, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in any of the aforementioned courts. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Except as provided in Section 9.16, nothing in this Agreement shall affect any right that any party may otherwise have to bring any action or proceeding relating to this Agreement or any of the other Loan Documents in the courts of any jurisdiction.

(b) Each of the parties hereto irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have

to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any of the other Loan Documents to which it is a party in any New York State or Federal court. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

SECTION 9.14. Governing Law. This Agreement and the Notes shall be governed by, and construed in accordance with, the laws of the State of New York.

SECTION 9.15. Waiver of Jury Trial. Each of the Borrower, the Agents and the Lenders irrevocably waives all right to trial by jury in any action, proceeding or counterclaim (whether based on contract, tort or otherwise) arising out of or relating to any of the Loan Documents, the DIP Loans or the actions of any Agent or any Lender in the negotiation, administration, performance or enforcement thereof.

SECTION 9.16. Limitation on Liability. TO THE EXTENT PERMITTED BY APPLICABLE LAW, AND NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT OR THE OTHER LOAN DOCUMENTS: (A) NONE OF THE ADMINISTRATIVE AGENT, THE LENDERS OR ANY INDEMNIFIED PARTY SHALL BE LIABLE TO ANY PARTY FOR ANY INDIRECT, SPECIAL, PUNITIVE OR CONSEQUENTIAL DAMAGES IN CONNECTION WITH THEIR RESPECTIVE ACTIVITIES RELATED TO THIS AGREEMENT, THE OTHER LOAN DOCUMENTS, THE TRANSACTIONS CONTEMPLATED THEREBY, THE DIP LOANS OR OTHERWISE IN CONNECTION WITH THE FOREGOING; (B) WITHOUT LIMITING THE FOREGOING, NONE OF THE ADMINISTRATIVE AGENT, THE LENDERS OR ANY INDEMNIFIED PARTY SHALL BE SUBJECT TO ANY EQUITABLE REMEDY OR RELIEF, INCLUDING SPECIFIC PERFORMANCE OR INJUNCTION ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE OTHER LOAN DOCUMENTS, OR THE TRANSACTIONS CONTEMPLATED THEREBY; (C) NONE OF THE ADMINISTRATIVE AGENT, THE LENDERS OR ANY INDEMNIFIED PARTY SHALL HAVE ANY LIABILITY TO THE LOAN PARTIES, FOR DAMAGES OR OTHERWISE, ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE OTHER LOAN DOCUMENTS, OR THE TRANSACTIONS CONTEMPLATED THEREBY UNTIL THE DIP EFFECTIVE DATE HAS OCCURRED; AND (D) IN NO EVENT SHALL LENDERS' LIABILITY TO THE LOAN PARTIES FOR FAILURE TO FUND ANY DIP LOAN EXCEED ACTUAL DIRECT DAMAGES INCURRED BY THE LOAN PARTIES OF UP TO $10,000,000 IN THE AGGREGATE.

SECTION 9.17. Parties Including Trustees; Bankruptcy Court Proceedings. This Agreement, the other Loan Documents, and all Liens and other rights and privileges created hereby or pursuant hereto or to any other Loan Document shall be binding upon each Loan Party, the estate of each Loan Party, and any trustee, other estate representative or any successor in interest of any Loan Party in the Chapter 11 Cases or any subsequent case commenced under Chapter 7 of the Bankruptcy Code. This Agreement and the other Loan Documents shall be binding upon, and inure to the benefit of, the Lenders and their respective assigns, transferees and endorsees. Until the Commitments have expired or have been terminated and the principal of and interest on each DIP Loan and all fees payable hereunder shall have been paid in full, the Liens created by this Agreement and the other Loan Documents shall be and remain valid and perfected in the event of the substantive consolidation or conversion of any Chapter 11 Cases or

any other bankruptcy case of any Loan Party to a case under Chapter 7 of the Bankruptcy Code or in the event of dismissal of any Chapter 11 Cases or the release of any Collateral from the jurisdiction of the Bankruptcy Court for any reason, without the necessity that the Lenders file financing statements or otherwise perfect their Liens under applicable law. Any such purported assignment, transfer, hypothecation or other conveyance by any Loan Party without the prior express written consent of the Lenders shall be void. The terms and provisions of this Agreement are for the purpose of defining the relative rights and obligations of each Loan Party, the Lenders with respect to the transactions contemplated hereby and no Person shall be a third party beneficiary of any of the terms and provisions of this Agreement or any of the other Loan Documents.

i. All such policies required in "f," "g" and "h" above may have deductibles of not greater than $5,000,000 for physical damage per occurrence all locations, except for earthquake, flood and named windstorm.

j. Pollution Legal Liability of not less than $2,000,000 per occurrence and in the aggregate including preexisting and new conditions for on-site and off-site cleanup, bodily injury and property damage. k. Such other or additional insurance (as to risks covered, policy amounts, policy provisions or otherwise) as, under Prudent Industry Practice, are from time to time insured against for property and facilities similar in nature, use and location to the Projects which the Administrative Agent or the Collateral Agent may reasonably require.

2. In the event any insurance (including the limits or deductibles thereof) hereby required to be maintained, other than insurance required by law to be maintained shall not be available or commercially feasible in the commercial insurance market, the Secured Parties shall not unreasonably withhold their agreement to waive such requirement to the extent the maintenance thereof is not so available; provided, however, that: (i) the Borrower shall first request any such waiver in writing ten (10) Business Days prior to the policy renewal, which request shall be

accompanied by written reports prepared by the Borrower's insurance broker and the independent insurance consultant certifying that such insurance is not reasonably available and commercially feasible in the commercial insurance market for electric generating plants of similar type and capacity (and, in any case where the required amount is not so available, certifying as to the maximum amount which is so available) and explaining in detail the basis for such conclusions, such insurance advisers and the form and substance of such reports to be reasonably acceptable to the Administrative Agent and the Collateral Agent; (ii) at any time after the granting of any such waiver, the Administrative Agent and the Collateral Agent may request, and the Borrower shall furnish to the Administrative Agent and the Collateral Agent within fifteen (15) days after such request, supplemental reports reasonably acceptable to the Administrative Agent and the Collateral Agent from such insurance advisers updating their prior reports and reaffirming such conclusion; and (iii) any such waiver shall be effective only so long as such insurance shall not be available and commercially feasible in the commercial insurance market, it being understood that the failure of the Borrower to timely furnish any such supplemental report shall be conclusive evidence that such waiver is no longer effective because such condition no longer exists, but that such failure is not the only way to establish such non-existence.

3. Endorsements. Policies issued pursuant hereto shall contain the following or equivalent unless waived by Administrative Agent and the Collateral Agent with the consent of the Secured Parties in accordance with the Credit Agreement. All policies of liability insurance required to be maintained shall be endorsed as follows: (i) to name the Borrower or the Guarantors, as applicable, and its respective officers and employees as named insureds, and to name the Administrative Agent, the Collateral Agent and the Secured Parties and their respective officers and employees as additional insureds; (ii) to provide a severability of interests and cross liability clause; and (iii) to provide that the insurance shall be primary and not excess to or contributing with any insurance or self-insurance maintained by the Secured Parties.

4. Waiver of Subrogation. The Borrower and each of its Subsidiaries hereby waives any and every claim for recovery from the Secured Parties, the Administrative Agent and the Collateral Agent for any and all loss or damage covered by any of the insurance policies to be maintained under the Loan Documents to the extent that such loss or damage is recovered under any such policy. Inasmuch as the foregoing waiver will preclude the assignment of any such claim to the extent of such recovery, by subrogation (or otherwise), to an insurance company (or other Person), the Borrower shall give written notice of the terms of such waiver to each insurance company which has issued, or which may issue in the future, any such policy of insurance (if such notice is required by the insurance policy) and shall cause each such insurance policy to be properly endorsed by the issuer thereof to, or to otherwise contain one or more provisions that, prevent the

invalidation of the insurance coverage provided thereby by reason of such waiver. Insurer to provide that there shall be no recourse against any Secured Party for payment of premiums or other amounts with respect thereto.

5. Additional Provisions.

a. Loss Notification: The Borrower shall promptly notify the Administrative Agent and the Collateral Agent of any Casualty Event likely to give rise to a claim under the physical damage insurance policy for an amount in excess of $5,000,000.

b. Payment of Loss Proceeds: The all-risk, property, machinery, marine cargo, transit, physical damage and other applicable first party insurance policies shall include a standard lender's 438 BFU loss payable endorsement (or other acceptable endorsement) in favor of the Collateral Agent and shall name the Collateral Agent as sole loss payee.

c. The loss payable endorsement described in the previous paragraph shall contain non-vitiation language reasonably acceptable to the Administrative Agent and the Collateral Agent which shall provide that in the event that any of the Loan Parties performs a vitiating act that might otherwise void coverage, the coverage will remain in full force and effect for the benefit of the Secured Parties.

d. Loss Adjustment and Settlement: A loss under any of the first party policies (including property and machinery) shall be adjusted with the insurance companies, including the filing in a timely manner of appropriate proceedings, by the Borrower, subject to the approval of the Administrative Agent and the Collateral Agent, which shall be not unreasonably withheld or delayed, for any claims incurred above an annual cumulative claim amount of $5,000,000. In addition, the Borrower may in its reasonable judgment consent to the settlement of any loss, provided that in the event that the amount of the loss exceeds $5,000,000 the terms of such settlement are approved by the Administrative Agent and the Collateral Agent (which approval shall not be unreasonably withheld or delayed).

e. In the event that any Loan Party fails to respond in a timely and appropriate manner (as reasonably determined by the Administrative Agent and the Collateral Agent) to take any steps necessary or reasonably requested by the Administrative Agent or the Collateral Agent to collect from any insurers for any loss covered by any insurance required to be maintained by this Schedule, the Administrative Agent and the Collateral Agent shall have the right to make all proofs of loss, adjust all claims and/or receive all or any part of the proceeds of the foregoing insurance policies, either in its own name or the name of the Borrower; provided, however, that such Loan Party shall, upon the Administrative Agent's or the Collateral Agent's request and at such Loan Party's own cost and

expense, make all proofs of loss and take all other steps necessary or reasonably requested by the Administrative Agent or the Collateral Agent, as the case may be, to collect from insurers for any loss covered by any insurance required to be obtained by this Schedule.

f. Policy Cancellation and Change: All policies of insurance required to be maintained pursuant to this Schedule shall be endorsed so that if at any time they should be canceled, or coverage be materially reduced, such cancellation or reduction shall not be effective as to the Secured Parties for forty-five (45) days, except for non-payment of premium which shall be for ten (10) days, after receipt by the Administrative Agent and the Collateral Agent of written notice from such insurer (or the Borrower's insurance broker) of such cancellation or reduction. Such policy provisions shall also provide that in the event the Borrower fails to pay the premium, the Collateral Agent and the Administrative Agent shall have the right (but not the obligation) to pay the premium and continue coverage. Suspension of coverage for machinery breakdown for specific equipment due to the insurers exercising a suspension clause will be immediate but the Borrower or its insurance broker shall provide immediate written notification as soon as coverage is suspended.

g. Miscellaneous Policy Provisions: The all-risk, property and machinery insurance policies shall (A) not include any annual or term aggregate limits of liability or clause requiring the payment of an additional premium to reinstate the limits after loss except as regards the insurance applicable to the perils of flood, earth movement, named windstorm, and (subject to agreement with the Administrative Agent and the Collateral Agent) sabotage and terrorism, (B) include the Administrative Agent and the Collateral Agent as additional insured on behalf of the Secured Parties in all policies (where permitted by applicable law), and (C) include a clause requiring the insurer to make final payment on any claim within ninety (90) days after the submission of final proof of loss and its acceptance by the insurer.

6. Separation of Interests: All liability policies shall insure the interests of the Secured Parties regardless of any breach or violation by the Loan Parties, or any other Person of warranties, declarations or conditions contained in such policies, or any action or inaction of the Loan Parties. This provision may be satisfied with a policy endorsement acceptable to the Administrative Agent and the Collateral Agent with the advice of their independent insurance consultant.

7. Reinstatement or Replacement of Limits: In the event that the insurance policies for this transaction are also insuring other assets that are not part of this transaction, in the event that limits or sub limits (including any aggregated limits or sub limits) are eroded due to losses at other locations, the Loan Parties shall

immediately have the limits or sub limits reinstated or replaced for the benefit of the assets in this transaction.

8. Evidence of Insurance. On the DIP Effective Date and on an annual basis within 15 days of each policy anniversary, the Borrower shall furnish the Administrative Agent and Collateral Agent with (i) certification of all required insurance marked "premium paid" or accompanied by other evidence of payment reasonably satisfactory to the Administrative Agent and the Collateral Agent and (ii) a schedule of the insurance policies held by or for the benefit of the Loan Parties and required to be in force by the provisions of this Schedule. Such certification shall be executed by each insurer or by an authorized representative of each insurer where it is not practical for such insurer to execute the certificate itself Such certification shall identify carriers, the type of insurance, the insurance limits and the policy term and shall specifically list the special provisions enumerated for such insurance required by this Schedule. The schedule of insurance shall include the name of the insurance company, policy number, type of insurance, major limits of liability and expiration date of the insurance policies. Upon reasonable prior written request, the Borrower and each of the Guarantors will (i) permit the Administrative Agent and the Collateral Agent to inspect copies of all insurance policies at the office of the Borrower or the Guarantors during normal business hours and (ii) furnish the Administrative Agent and the Collateral Agent with copies of all binders and cover notes or other evidence of such insurance relating to the insurance required to be maintained hereunder, provided that after the occurrence of any Default or any Event of Default, upon request, the Borrower will furnish the Administrative Agent and the Collateral Agent with copies of the insurance policies relating to the Projects.

9. Reports. Concurrently with the furnishing of the certification referred to in Paragraph 8 above, the Borrower shall furnish the Administrative Agent and the Collateral Agent with a letter from its insurance broker, signed by an officer of the insurance broker, stating that in the opinion of the insurance broker, the insurance then carried or to be renewed is in accordance with the terms of this Schedule. Such report shall not be subject to any non-customary qualification with respect to the scope of review or the information made available.

10. Failure to Maintain Insurance. In the event the Borrower fails to maintain, or fails to cause to be maintained the full insurance coverage required by this Schedule, the Administrative Agent or the Collateral Agent, upon thirty (30) days' prior notice (unless the aforementioned insurance would lapse within such period, in which event notice should be given as soon as reasonably possible) to the Borrower of any such failure, may (but shall not be obligated to) take out the required policies of insurance and pay the premiums on the same. All amounts so advanced therefore by the Administrative Agent or the Collateral Agent shall become an additional Obligation of the Borrower, and the Borrower shall

forthwith pay such amounts to the Administrative Agent, together with Default Interest thereon from the date so advanced until fully paid.

11. No Duty of Collateral Agent to Verify or Review. No provision of this Schedule or any provision of any Loan Document shall impose on the Administrative Agent, the Collateral Agent or any Secured Party any duty or obligation to verify the existence or adequacy of the insurance coverage maintained pursuant to this Schedule, nor shall the Administrative Agent, the Collateral Agent or any Secured Party be responsible for any representations or warranties made by or on behalf of the Borrower to any insurance company or underwriter. Any failure on the part of the Administrative Agent, the Collateral Agent or any Secured Party to pursue or obtain the evidence of insurance required by this Agreement and/or failure of the Administrative Agent, the Collateral Agent or any Secured Party to point out any noncompliance of such evidence of insurance shall not constitute a waiver of any of the insurance requirements in this Agreement.

12. Foreclosure. In the event of a foreclosure of any of the Projects under any Loan Document or other transfer of a title to any of the Projects in extinguishment in whole or in part of the Obligations, all right, title and interest of the Loan Party in and to the insurance policies then in force concerning such Project and all proceeds payable thereunder shall thereupon vest in the Administrative Agent or the purchaser at such foreclosure or other transferee in the event of such other transfer of title.

13. Notice of Injurious Exposure to Conditions. It is agreed that failure of any agent, servant, or employee of the insured other than the owner, partner of any partnership, or an officer of the insured to notify the company of any occurrence of which he has knowledge shall not invalidate the insurance afforded by this policy as respects the named insured and additional insureds.

14. No Coinsurance. All insurance coverage shall be on a "no coinsurance or self-insurance/replacement cost" basis and in such form (including the form of the loss payable clauses) as shall be acceptable to Administrative Agent and the Collateral Agent (which acceptance shall not be unreasonably withheld).

15. Claims Made Forms. In the event that any policy is written on a "claims-made" basis and such policy is not renewed or the retroactive date of such policy is to be changed, the Borrower shall obtain for each such policy or policies the broadest basic and supplemental extended reporting period coverage ("tail" coverage) or prior acts coverage ("nose" coverage) as is reasonably available in the commercial insurance market for each such policy or policies and shall provide Administrative Agent and the Collateral Agent with proof that such extended reporting period coverage or prior acts coverage has been obtained.

(1) Such Assignor hereby sells and assigns, without recourse except as to the representations and warranties made by it herein, to such Assignee, and such Assignee hereby purchases and assumes from such Assignor, an interest in and to such Assignor's rights and obligations under the Credit Agreement as of the date hereof equal to the percentage interest specified on Schedule 1 hereto of all outstanding rights and obligations under the Credit Agreement. (2) Such Assignor (i) represents and warrants that its name set forth on Schedule 1 hereto is its legal name, that it is the sole legal and beneficial owner of the interest or interests being assigned by it hereunder and that such interest or interests are free and clear of any adverse claim, including, without limitation, any Lien, participation or other legal or beneficial interest of another Person; (ii) makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with any Loan Document by any Person other than Assignor or the execution, legality, validity, enforceability, genuineness, sufficiency or value of, or the perfection or priority of any lien or security interest created or purported to be created under or in connection with, any Loan Document or any other instrument or document furnished pursuant thereto; (iii) makes no representation or warranty and assumes no responsibility with respect to the financial condition of any Loan Party or the performance or observance by any Loan Party of any of its obligations under any Loan Document or any other instrument or document furnished pursuant thereto; and (iv) attaches the Note or Notes (if any) held by such Assignor and requests that the Administrative Agent exchange such Note or Notes for a new Note or Notes payable to the order of such Assignee in an amount equal to the aggregate Loans purchased and, if applicable, Commitments assumed by such Assignee pursuant hereto, or new Notes payable to the order of such Assignee in an amount equal to the aggregate Loans purchased and, if applicable, Commitments assumed by such Assignee pursuant hereto and to the order of such Assignor in an amount equal to the aggregate Loans and, if applicable, Commitments retained by such Assignor under the Credit Agreement, respectively, as specified on Schedule 1 hereto.

[1] Conform as appropriate based on parties to the Assigned Agreement.

AGREEMENT

NOW, THEREFORE, in consideration of the foregoing, and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, and intending to be legally bound, the parties hereto hereby agree, notwithstanding anything in the Assigned Agreement to the contrary, as follows:

ARTICLE 1

ASSIGNMENT AND AGREEMENT

SECTION 1.1 Consent to Assignment.

(a) The Contracting Party: (i) is hereby notified and acknowledges that the First Lien Secured Parties have entered into the First Lien Documents and made or committed to make the extensions of credit contemplated thereby; (ii) consents to the collateral assignment under the First Lien Security Agreement of all of the Company's right, title and interest in, to and under the Assigned Agreement, including, without limitation, all of the Company's rights to receive payment and all payments due and to become due to the Company under or with respect to the Assigned Agreement (collectively, the "***Assigned Interests***"); (iii) acknowledges that after the Collateral Agent delivers to the Contracting Party written notice that a First Lien Event of Default has occurred and is continuing (a "***Notice of Exclusive Control***"), the Collateral Agent may exercise all of the Collateral Agent's rights and remedies pursuant to the First Lien Security Agreement, make all demands, give all notices, take all actions and exercise all rights of the Company under the Assigned Agreement without the consent of the Company; *provided*, *however*, that at no time shall the Contracting Party's or its designees' or successors' respective rights and remedies under the Assigned Agreement be impaired in any way or to any extent, other than as expressly set forth in this Consent or the Intercreditor Agreement.

(b) It is expressly understood that the Contracting Party: (i) shall have no obligation whatsoever to verify or confirm the occurrence of a First Lien Event of Default, as well as matters related to the delivery of a Notice of Exclusive Control or any other matter related to the First Lien Security Agreement; (ii) has not reviewed, agreed to or in any way acquiesced to the terms or conditions of the First Lien Security Agreement other than as expressly set forth herein; and (iii) other than as expressly set forth in this Consent or the Intercreditor Agreement, is not limiting in any way or to any extent its rights and remedies under the Assigned Agreement by executing this Consent.

(c) Prior to the delivery of a Notice of Exclusive Control to the Contracting Party, the Company shall continue to have the right to make all demands, give all notices, take all actions and exercise all of its rights under the Assigned Agreement. Following delivery of a Notice of Exclusive Control, the Company irrevocably agrees that if the instructions given by the Company are inconsistent with the Collateral Agent's instructions, the Collateral Agent's instructions shall control. The Company agrees that the Contracting Party shall not be liable for following the Collateral Agent's instructions after the delivery of a Notice of Exclusive Control.

SECTION 1.2 Transfer of Assigned Interest.

(a) The Contracting Party agrees that, after the Collateral Agent has delivered a Notice of Exclusive Control to the Contracting Party pursuant to Section 1.1 above, pursuant to the terms of the First Lien Security Agreement and the Intercreditor Agreement, the Collateral Agent shall have the right to absolutely assign, foreclose or sell the Assigned Interest or any portion thereof to a Permitted Transferee (as defined below). If the Assigned Interest is transferred pursuant to this Section 1.2, then: (i) the Permitted Transferee shall be substituted for the Company under the Assigned Agreement; and (ii)

the Contracting Party shall (1) recognize the Permitted Transferee as its counterparty under the Assigned Agreement and (2) continue to perform the Contracting Party's obligations under the Assigned Agreement in favor of the Permitted Transferee; *provided* that the Permitted Transferee has assumed in writing all of the Company's rights and obligations (including, without limitation, the obligation to cure any then existing payment and performance defaults, but excluding any obligation to cure any then existing performance defaults which by their nature are incapable of being cured) under the Assigned Agreement.

(b) For purposes of this Consent, the Contracting Party may conclusively rely upon notice from the Collateral Agent that a First Lien Event of Default, has occurred, notwithstanding any contrary notice from the Company or any dispute then existing or later arising regarding the existence or effect of such First Lien Event of Default.

(c) "***Permitted Transferee***" means, in respect of any transfer, assignment or novation permitted hereunder or under the Assigned Agreement (a "***transfer***"), (x) the Collateral Agent or an agent on its behalf or (y) if the transfer is not made to the Collateral Agent or its agent, any person who: (i) is at least as creditworthy (taking into account any credit support provided by such person) as the Company; (ii) is properly licensed or otherwise authorized to perform the Company's obligations under the Assigned Agreement; and (iii) meets the Contracting Party's customary internal credit policies, as reasonably and consistently applied, solely with respect to the maximum potential credit exposure of the Contracting Party to such person (it being understood that the determination of the amount of such credit exposure shall take into account the then-current creditworthiness of such person (or its successor-in-interest, if any) and any collateral or guarantees posted by or for the benefit of such person); *provided*, *however*, that this restriction shall not apply if such person's or its guarantor's senior, unsubordinated, unsecured debt has a credit rating of at least "BBB-" from Standard & Poor's Rating Group (a division of McGraw-Hill, Inc.) or its successor ("***S&P***), or "Baa3" from Moody's Investor Services, or its successor ("***Moody's***"), whichever is lower.

SECTION 1.3 Right to Cure. If the Company defaults in the performance of any of its obligations under the Assigned Agreement, or upon the occurrence or non-occurrence of any event or condition under the Assigned Agreement which would immediately or with the passage of any applicable grace period or the giving of notice, or both, enable the Contracting Party to terminate or suspend its performance under the Assigned Agreement (each hereinafter a "***default***"), subject to Section 1.4 below, the Contracting Party shall not terminate or suspend its performance under the Assigned Agreement until it first gives written notice of such default to the Collateral Agent and affords the Collateral Agent or its designee a period of:

(a) in the case of monetary defaults thirty (30) calendar days from the later of: (i) receipt of such notice to cure such default; or (ii) the expiration of the applicable cure period provided in the Assigned Agreement for the Company to cure such default;

(b) in the case of non-monetary defaults [one hundred eighty] ([180]) calendar days from the later of: (i) receipt of such notice to cure such default; or (ii) the expiration of the applicable cure period, if any, provided in the Assigned Agreement for the Company to cure such default, so long as the Collateral Agent or its designee has commenced and is diligently pursuing appropriate action to cure such default;

(c) subject to Section 1.3(d) below, in the case of the Company becoming subject to any of the events specified in [Section 5(a)(vii)][2] of the Assigned Agreement ("***Bankruptcy***"), thirty (30) calendar days from the date of filing or commencing such Bankruptcy proceedings (the "***Forbearance***

[2] Subject to the relevant Commodity Hedge and Power Sale Agreement.

Period") *provided* that the Company or bankruptcy trustee has, during the Forbearance Period: (A) obtained a final court order in a form and substance reasonably acceptable to the Contracting Party approving under Section 365 of the U.S. Bankruptcy Code the assumption of the Assigned Agreement; and (B) cured all outstanding defaults promptly and continues to perform the Assigned Agreement, then the event of default caused by the Bankruptcy shall be deemed "cured"; *provided*, *further*, that the Contracting Party shall continue to have all rights and remedies available under the Assigned Agreement with respect to any Bankruptcy or other defaults subsequent to assumption of the Assigned Agreement in accordance with the Assigned Agreement and subject to provisions of this Section 1.3; and

(d) notwithstanding anything to the contrary, if the Company is subject to a Bankruptcy under Chapter 7 of the U.S. Bankruptcy Code, zero (0) days (such that there is no cure period).

SECTION 1.4 No Termination. The Contracting Party agrees that it shall not, without the prior written consent of the Collateral Agent: (i) terminate, cancel or suspend its performance under the Assigned Agreement following and during the continuation of an event of default by the Company thereunder (unless it has given the Collateral Agent notice and an opportunity to cure in accordance with Section 1.3 hereof); or (ii) assign or transfer any of its rights or obligations under the Assigned Agreement.

SECTION 1.5 Replacement Agreement. In the event the Assigned Agreement is rejected or terminated as a result of Bankruptcy, the Contracting Party shall, at the option of the Collateral Agent exercised within twenty (20) calendar days from the day of filing or commencing such Bankruptcy proceedings, enter into a replacement agreement with the Collateral Agent or a Permitted Transferee, *provided* that: (a) the term under such replacement agreement shall be no longer than the remaining balance of the term specified in the Assigned Agreement; (b) upon execution of such replacement agreement, the Collateral Agent or a Permitted Transferee cures any outstanding payment and performance defaults under the Assigned Agreement, excluding any performance defaults which by their nature are incapable of being cured; and (c) such replacement agreement, including any credit support provisions related thereto, is reasonably acceptable to the Contracting Party in form and substance.

SECTION 1.6 Limitations on Liability. The Contracting Party acknowledges and agrees that Collateral Agent shall not have any liability or obligation under the Assigned Agreement as a result of this Consent, any other First Lien Loan Document or otherwise, nor shall the Collateral Agent be obligated or required to: (a) perform any of the Company's obligations under the Assigned Agreement, except during any period in which the Collateral Agent has assumed the Company's rights and obligations under the Assigned Agreement pursuant to this Consent; or (b) take any action to collect or enforce any claim for payment assigned under the First Lien Security Agreement. If the Collateral Agent has assumed the Company's rights and obligations under the Assigned Agreement pursuant to Section 1.2 above or has entered into a new agreement pursuant to Section 1.5 above, the Collateral Agent's liability to the Contracting Party under the Assigned Agreement or such new agreements, and the sole recourse of the Contracting Party in seeking enforcement of the obligations under such agreements, shall be limited to the interest of the Collateral Agent in the [Athens Project][Harquahala Project][Millennium Project].

SECTION 1.7 Delivery of Notices. The Contracting Party shall deliver to the Collateral Agent, concurrently with the delivery thereof to the Company, a copy of each notice, request or demand given by the Contracting Party to the Company pursuant to the Assigned Agreement relating to: (a) a default by the Company under the Assigned Agreement; and (b) any matter that would require the consent of the Collateral Agent pursuant to Section 1.4 of this Consent.

SECTION 1.8 Transfer. In connection with or after the exercise of its rights or remedies under any First Lien Loan Document, and after delivering a Notice of Exclusive Control to the Contracting

Party, the Collateral Agent shall have the right to transfer its interest in the Assigned Agreement or a new agreement or agreements entered into with the Collateral Agent or a Permitted Transferee pursuant to the terms of this Consent for the remainder of the term hereof; *provided* that such Permitted Transferee assumes in writing the obligations of the Company or the Collateral Agent, as applicable, under the Assigned Agreement or such new agreement or agreements. Upon such transfer, the Collateral Agent shall be released from any further liability under the Assigned Agreement or such new agreement(s) to the extent of the interest transferred.

ARTICLE 2

PAYMENTS UNDER THE ASSIGNED AGREEMENT

SECTION 2.1 Payments. The Contracting Party shall pay all amounts (if any) payable by it under the Assigned Agreement in the manner and as and when required by the Assigned Agreement directly into the account specified on Exhibit A hereto, or to such other person, entity or account as shall be specified from time to time by the Collateral Agent to the Contracting Party in writing.

SECTION 2.2 No Offset, Etc. All payments required to be made by the Contracting Party under the Assigned Agreement shall be made without any offset, recoupment, abatement, withholding, reduction or defense whatsoever, other than those allowed by the terms of the Assigned Agreement. For the avoidance of doubt, nothing in this Section 2.2 or this Consent shall preclude Consenting Party from exercising its rights under the Assigned Agreement with respect to netting and setoff.

ARTICLE 3

REPRESENTATIONS AND WARRANTIES OF THE CONTRACTING PARTY

SECTION 3.1 Representations and Warranties. The Contracting Party hereby represents and warrants, in favor of the Collateral Agent, as of the date hereof, that:

(b) the execution, delivery and performance by the Contracting Party of this Consent and the Assigned Agreement have been duly authorized by all necessary corporate or other action on the part of the Contracting Party and do not require any approvals, filings with, or consents of any entity or person which have not previously been obtained or made;

(d) there is no litigation, action, suit, proceeding or investigation pending or (to the best of the Contracting Party's knowledge) threatened against the Contracting Party before or by any

(e) the execution, delivery and performance by the Contracting Party of this Consent and the Assigned Agreement, and the consummation of the transactions contemplated hereby and thereby, will not result in any violation of, breach of or default under any term of its formation or governance documents, or of any contract or agreement to which it is a party or by which it or its property is bound, or of any license, permit, franchise, judgment, injunction, order, law, rule or regulation applicable to it, other than any such violation, breach or default which could not reasonably be expected to have a material adverse effect on the Contracting Party's ability to perform its obligations under the Assigned Agreement;

Delivery of an executed counterpart of a signature page to this Consent by telecopier shall be effective as delivery of an original executed counterpart of this Consent.

SECTION 5.4 Headings Descriptive. The headings of the several sections and subsections of this Consent are inserted for convenience only and shall not in any way affect the meaning or construction of any provision of this Consent.

In case any provision in or obligation under this Consent shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby.

SECTION 5.6 Amendment, Waiver. Neither this Consent nor any of the terms hereof may be terminated, amended, supplemented, waived or modified except by an instrument in writing signed by the Contracting Party and the Collateral Agent.

SECTION 5.7 Successors and Assigns. This Consent shall bind and benefit the Contracting Party, the Collateral Agent, and their respective successors and assigns.

SECTION 1.2 Right to Cure.

(a) In the event of a default by the Company in the performance of any of its obligations under the Assigned Agreement, or upon the occurrence or non-occurrence of any event or condition under the Assigned Agreement which would immediately or with the passage of any applicable grace period or the giving of notice, or both, enable the Contracting Party to terminate or suspend its obligations under the Assigned Agreement, the Contracting Party shall not terminate the Assigned Agreement until it first gives the Collateral Agent written notice of the default and permits the Collateral Agent to cure the default within a period of 180 days after the later of (i) notice of default having been given to the Collateral Agent by the Contracting Party and (ii) the expiration of the applicable cure period provided in the Assigned Agreement for the Company to cure the default.

(b) In connection with any cure of the Company's default under the Assigned Agreement or any assumption by the Collateral Agent or any First Lien Secured Party of the Company's liabilities thereunder, only those obligations and liabilities arising expressly under the Assigned Agreement shall be required to be cured or assumed, as the case may be, and there shall be no obligation by the Collateral Agent or any First Lien Secured Party to cure or assume any non-contractual liability that may have arisen.

SECTION 1.3 No Termination. The Contracting Party will not, without the prior written consent of the Collateral Agent, (i) cancel or terminate or suspend performance under the Assigned Agreement or consent to or accept any cancellation, termination or suspension thereof, or its performance thereunder, or (ii) amend, amend and restate, supplement or otherwise modify the Assigned Agreement, except, in each case, to the extent otherwise permitted under the First Lien Documents.

The Contracting Party hereby indemnifies the Collateral Agent and each First Lien Secured Party from and against any liability, loss, costs or damages that may be suffered by the Collateral Agent or any First Lien Secured Party as a result of a breach by the Contracting Party of its obligations hereunder.

If the Collateral Agent has assumed the Company's rights and obligations under the Assigned Agreement pursuant to Section 1.1 above or has entered into a new agreement pursuant to Section 1.4 above, the Collateral Agent's liability to the Contracting Party under the Assigned Agreement or such new agreements, and the sole recourse of the Contracting Party in seeking enforcement of the obligations under such agreements, shall be limited to the interest of the Collateral Agent in the [Athens Project][Harquahala Project][Millennium Project][the Projects].
