(ii) All dividends, interest and other distributions that are received by any Grantor contrary to the provisions of Section 12(b)(i) shall be received in trust for the benefit of the Collateral Agent, shall be segregated from other funds of such Grantor and shall be forthwith paid over to the Collateral Agent as Security Collateral in the same form as so received (with any necessary indorsement).

Section 13. As to the Assigned Agreements.

Section 14. As to Letter-of-Credit Rights.

(a) Each Grantor, by granting a security interest in its Receivables consisting of letter-of-credit rights to the Collateral Agent, intends to (and hereby does) assign to the Collateral Agent its rights (including its contingent rights) to the proceeds of all Related Contracts consisting of letters of credit of which it is or hereafter becomes a beneficiary or assignee. Each Grantor will promptly use its commercially reasonable efforts to cause the issuer of each letter of credit with a face amount greater than $2,000,000 and each nominated person (if any) with respect thereto to consent to such assignment of the proceeds thereof pursuant to a consent in form and substance reasonably satisfactory to the Collateral Agent and deliver written evidence of such consent to the Collateral Agent.

(b) to receive, indorse and collect any drafts or other instruments, documents and chattel paper, in connection with the foregoing clause (a), and

(c) to file any claims or take any action or institute any proceedings that the Collateral Agent may deem necessary for the collection of any of the Collateral or otherwise to enforce compliance with the terms and conditions of any Assigned Agreement or the rights of the Collateral Agent with respect to any of the Collateral.

Section 16. Collateral Agent May Perform. If any Grantor fails to perform any agreement contained herein, the Collateral Agent may, but without any obligation to do so and without notice, itself perform, or cause performance of, such agreement, and the expenses of the Collateral Agent incurred in connection therewith shall be payable by such Grantor under Section 9.04 of the Credit Agreement.

Section 17. The Collateral Agent's Duties. The powers conferred on the Collateral Agent hereunder are solely to protect the Secured Parties' interest in the Collateral and shall not impose any duty upon it to exercise any such powers. Except for the safe custody of any Collateral in its possession and the accounting for moneys actually received by it hereunder, the Collateral Agent shall have no duty as to any Collateral, as to ascertaining or taking action with respect to calls, conversions, exchanges, maturities, tenders or other matters relative to any Collateral, whether or not any Secured Party has or is deemed to have knowledge of such matters, or as to the taking of any necessary steps to preserve rights against any parties or any other rights pertaining to any Collateral. The Collateral Agent shall be deemed to have exercised reasonable care in the custody and preservation of any Collateral in its possession if such Collateral is accorded treatment substantially equal to that which it accords its own property.

Section 18. Remedies. Subject to the terms of the Interim Order or, after entry thereof, the Final Order, if any Event of Default shall have occurred and be continuing:

(a) The Collateral Agent may exercise in respect of the Collateral, in addition to other rights and remedies provided for herein or otherwise available to it, all the rights and remedies of a Secured Party upon default under the UCC (whether or not the UCC applies to the affected Collateral) and also may: (i) require each Grantor to, and each Grantor hereby agrees that it will at its expense and upon request of the Collateral Agent forthwith, assemble all or part of the Collateral as directed by the Collateral Agent and make it available to the Collateral Agent at a place and time to be designated by the Collateral Agent that is reasonably convenient to both parties; (ii) without notice except as specified in this Section 18(a), sell the Collateral or any part thereof in one or more parcels at public or private sale, at any of the Collateral Agent's offices or elsewhere, for cash, on credit or for future delivery, and upon such other terms as the Collateral Agent may deem commercially reasonable; (iii) occupy any premises owned or leased by any of the Grantors where the Collateral or any part thereof is assembled or located for a reasonable period in order to effectuate its rights and remedies hereunder or under law, without obligation to

such Grantor in respect of such occupation; and (iv) exercise any and all rights and remedies of any of the Grantors under or in connection with the Collateral, or otherwise in respect of the Collateral, including, without limitation, (A) any and all rights of such Grantor to demand or otherwise require payment of any amount under, or performance of any provision of, the Assigned Agreements, the Receivables, the Related Contracts and the other Collateral, (B) withdraw, or cause or direct the withdrawal, of all funds with respect to the Account Collateral and (C) exercise all other rights and remedies with respect to the Assigned Agreements, the Receivables, the Related Contracts and the other Collateral, including, without limitation, those set forth in Section 9-607 of the UCC. Each Grantor agrees that, to the extent notice of sale shall be required by law, at least ten days' notice to such Grantor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. The Collateral Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Collateral Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned.

(b) Any cash held by or on behalf of the Collateral Agent and all cash proceeds received by or on behalf of the Collateral Agent in respect of any sale of, collection from, or other realization upon all or any part of the Collateral may, in the discretion of the Collateral Agent, be held by the Collateral Agent as collateral and shall be applied by the Collateral Agent in accordance with the provisions of the Credit Agreement.

(c) The Collateral Agent may, without notice to any Grantor except as required by law and at any time or from time to time, charge, set off and otherwise apply all or any part of the Secured Obligations against any funds held with respect to the Account Collateral or in any other deposit account.

(d) The Collateral Agent may send to each bank, securities intermediary or issuer party to any Securities/Deposit Account Control Agreement, Securities Account Control Agreement or Uncertificated Security Control Agreement a "*Notice of Exclusive Control*" as defined in and under such Agreement.

(e) In the event of any sale or other disposition of any of the Intellectual Property Collateral of any Grantor, the goodwill symbolized by any Trademarks subject to such sale or other disposition shall be included therein, and such Grantor shall supply to the Collateral Agent or its designee such Grantor's know-how and expertise, and documents and things relating to any Intellectual Property Collateral subject to such sale or other disposition, and such Grantor's customer lists and other records and documents relating to such Intellectual Property Collateral and to the manufacture, distribution, advertising and sale of products and services of such Grantor.

Each Grantor agrees that a breach by any Grantor of any of the covenants contained in this Agreement will cause irreparable injury to the Secured Parties, that the Collateral Agent has no adequate remedy at law in respect of such breach and, as a consequence, that each and every covenant contained in this Agreement shall be specifically enforceable against such Grantor. Each Grantor waives and hereby agrees not to assert any defenses against an action for specific performance of such covenants except for a defense that no default has occurred giving rise to the Secured Obligations becoming due and payable prior to their stated maturities. Nothing in this Section 19 shall in any way limit the rights of the Collateral Agent hereunder.

Section 19. Amendments; Waivers; Etc. Subject to the approval of the Bankruptcy Court (to the extent required by the Financing Orders):

(a) No amendment or waiver of any provision of this Agreement, and no consent to any departure by any Grantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Collateral Agent and each Grantor, in the case of any amendment, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. No failure on the part of the Collateral Agent or any other Secured Party to exercise, and no delay in exercising any right hereunder, shall operate as a waiver thereof; nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right.

(b) Notwithstanding the other provisions of this Agreement, the Grantors and the Collateral Agent may (but shall have no obligation to) amend or supplement this Agreement without the consent of any Secured Party: (i) to cure any ambiguity, defect or inconsistency; or (ii) to make, complete or confirm any grant of Collateral permitted or required by this Agreement or any of the other Loan Documents or any release of any Collateral that is otherwise permitted under the terms of this Agreement and the other Loan Documents.

Section 20. Notices, Etc. All notices and other communications provided for hereunder shall be either (i) in writing (including telecopier communication) and mailed, telecopied or otherwise delivered or (ii) by electronic mail (if electronic mail addresses are designated in a written notice to the other parties) confirmed immediately in writing, in the case of the Borrower or the Collateral Agent, addressed to it at its address specified in the Credit Agreement and, in the case of each Grantor other than the Borrower, addressed to it at its address set forth opposite such Grantor's name on the signature pages hereto; or, as to any party, at such other address as shall be designated by such party in a written notice to the other parties. All such notices and other communications shall, when mailed, telecopied, sent by electronic mail or otherwise, be effective when deposited in the mails, telecopied, sent by electronic mail and confirmed in writing, or otherwise delivered (or confirmed by a signed receipt), respectively, addressed as aforesaid; except that notices and other communications to the Collateral Agent shall not be effective until received by the Collateral Agent. Delivery by telecopier of an executed counterpart of any amendment or waiver of any provision of this Agreement or Schedule hereto shall be effective as delivery of an original executed counterpart thereof.

This Agreement shall create a continuing security interest in the Collateral and shall (a) remain in full force and effect until the occurrence of a Repayment Event, (b) be binding upon each Grantor, its successors and assigns and (c) inure, together with the rights and remedies of the Collateral Agent hereunder, to the benefit of the Secured Parties and their respective successors, transferees and assigns. Without limiting the generality of the foregoing clause (c), any Secured Party may assign or otherwise transfer all or any portion of its rights and obligations under the Loan Documents (including, without limitation, all or any portion of its Commitments, the DIP Loans owing to it and any promissory note held by it) to any other Person subject to the terms of the Loan Documents, and such other Person shall thereupon become vested with all the benefits in respect thereof granted to such Secured Party herein or otherwise.

Section 22. Financing Orders Control. In the event of any conflict between the provisions set forth in this Agreement and those set forth in the applicable Financing Order, the provisions of the applicable Financing Order shall supersede and control the terms and provisions of this Agreement. In the event the Collateral Agent decides, or is required, to take any action hereunder, it shall take such action only in accordance with the terms and provisions of the applicable Financing Order.

Section 23. The Mortgages. In the event that any of the Collateral hereunder is also subject to a valid and enforceable Lien under the terms of any mortgage and the terms of such mortgage

are inconsistent with the terms of this Agreement, then, with respect to such Collateral, the terms of such mortgage shall be controlling in the case of fixtures and real estate leases, letting and licenses of, and contract and agreements relating to the lease of, real property, and the terms of this Agreement shall be controlling in the case of all other Collateral.

Section 24. Execution in Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement by telecopier shall be effective as delivery of an original executed counterpart of this Agreement.

Section 25. Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York and, to the extent applicable, the Bankruptcy Code.

Section 26. Entire Agreement. This Agreement constitutes the entire agreement between the parties hereto with respect to the subject matter hereof, and supersedes any and all agreements entered into prior to the date hereof with respect to the subject matter hereof.

Please review the Plan and Disclosure Statement carefully before you complete this Ballot.

2. To have your vote counted, your properly completed Ballot must be **actually received** by Prime Clerk LLC, the Voting Agent, by no later than the Voting Deadline of 5:00 p.m. (prevailing Eastern time) on June 5, 2018. **Delivery of a Ballot by facsimile, e-mail, or any other electronic means other than the Voting Agent's online voting portal shall not be accepted unless otherwise expressly permitted by New MACH Gen.**

3. Except as otherwise specifically provided in the Plan, New MACH Gen reserves the right to modify the Plan, whether such modification is material or immaterial, and seek confirmation of the Plan consistent with the Bankruptcy Code.

4. Each Ballot has been coded to reflect the Class of Claims or Interests it represents. Accordingly, in voting to accept or reject the Plan, you must use only the coded Ballot(s) sent to you with the Disclosure Statement. If you hold Claims or Interests in more than one Class and you are entitled to vote such Claims or Interests in more than one Class, you will receive separate Ballots, which must be used for each separate Class of Claims or Interests.

5. If more than one timely, properly-completed Ballot is received with respect to the same Class 3A Claim, the Ballot that will be counted for purposes of determining whether sufficient acceptances required to confirm the Plan have been received will be the Ballot that the Voting Agent determines was the last to be received.

6. Holders of Class 3A Claims must vote the entirety of their Class 3A Claims either to accept or reject the Plan and may not split any such votes. Accordingly, holders of Class 3A Claims should submit one Ballot that votes the entirety of their Class 3A Claim. To the extent the Voting Agent receives more than one Ballot from any holder of a Class 3A Claim, such holder shall only be deemed to have voted once to accept or reject the Plan with respect to such Class 3A Claim. A Ballot that partially rejects and partially accepts the Plan will not be counted.

7. If a Ballot is signed by a trustee, executor, administrator, guardian, attorney-in-fact, officer of a corporation, or other entity acting in a fiduciary or representative capacity, such entity should indicate such capacity when signing and, if requested by New MACH Gen, will be required to submit proper evidence satisfactory to New MACH Gen of authority to so act. Authorized signatories should submit the separate Ballot of each holder for whom they are voting.

8. If a Class 3A Claim has been estimated or otherwise allowed for voting purposes by an order of the Bankruptcy Court pursuant to Bankruptcy Rule 3018(a), such Class 3A Claim shall be temporarily allowed in the amount so estimated or allowed by the Bankruptcy Court for voting purposes only and not for purposes of allowance or distribution.

Notwithstanding any other provision of this Agreement, during the period that commences upon the Effective Date and terminates on the earlier of (i) Term B Maturity Date, (ii) the Revolving Credit Maturity Date, and (iii) the date on which an Event of Default has occurred and is continuing:

(a) the Lenders shall (x) cause Wells Fargo Bank, N.A., Natixis New York, or another bank reasonably acceptable to the Borrower (which shall include that such bank satisfy any requirements of any beneficiary of a Project LC) (a "***Project LC Issuer***") to issue and maintain each Project LC and (y) to the extent, in the manner and in the amount required by such Project LC Issuer, cause one or more of the Lenders (without limiting the obligations under clause (x) above, determined in the Lenders' sole discretion) to cash collateralize such Project LCs, in each case solely to the extent the LC Provider has issued a corresponding Talen Letter of Credit in accordance with the LC Support Agreement with an aggregate Available Amount at least equal to the face amount of all such outstanding Project LCs; and

(b) in respect of any Project LC issued by a Project LC Issuer, (A) the fronting fees payable to the Project LC Issuer for issuing such Project LC shall be for the account of the Borrower; (B) the funds (if any) used to cash collateralize a Project LC issued by a Project LC Issuer shall be provided by one or more of the Lenders (as determined by the Lenders in their sole discretion); provided that a draw on any such Project LC (other than any draw arising solely from (i) satisfaction of a drawing condition related to the pending expiration and non-renewal of such Project LC or (ii) or such Project LC (or the Project LC Issuer thereof) ceasing to meet the express requirements of the relevant beneficiary for such Project LC (or Project LC Issuer thereof), and any loss of such funds by such Lender due to any cause whatsoever (except to the extent such loss and the amount of such loss are solely caused by breach of the Loan Documents or by acts of gross negligence or willful misconduct on the party of such Lender), shall give rise to a right to draw an equal amount on the Talen Letter of Credit in accordance with the terms thereof; (C) the Project LC Issuer in its capacity as such shall have no rights or recourse against any Loan Party and shall not be a Secured Party or a Lender; (D) such Project LCs shall not constitute a utilization of the Revolving Credit Facility; and (E) the Borrower shall pay to the Lenders a letter of credit fee, in arrears quarterly on the last Business Day of each December, March, June and September occurring after the Effective Date, and on the Term B Maturity Date, on (x) the average daily aggregate Available Amount during such quarter of all Project LCs outstanding from time to time during such quarter at a rate *per annum* equal to the Eurodollar Rate *plus* 2.00% and (y) the unpaid principal amount of all amounts drawn under any Project LC (other than any draw arising solely from satisfaction of a drawing condition related to the pending expiration and non-renewal of such Project LC or such Project LC (or the Project LC

Issuer thereof) ceasing to meet the express requirements of the relevant beneficiary for such Project LC (or Project LC Issuer thereof) and not reimbursed (including through a draw on the Talen Letter of Credit if the conditions to drawing therein have been satisfied) on the date of the applicable drawing from the date of the applicable drawing until such principal amount shall be paid or reimbursed in full (including through a draw on the Talen Letter of Credit if the conditions to drawing therein have been satisfied), at a rate *per annum* equal to the Eurodollar Rate *plus* 2.00%.

SECTION 2.04. Repayment of Loans.

(a) Term B Loans. The Borrower shall repay to the Administrative Agent for the ratable account of the Term B Lenders on the Term B Maturity Date the aggregate principal amount of the Term B Loans then outstanding, together with any accrued but unpaid interest thereon.

(b) Term C Loans. The Borrower shall repay to the Administrative Agent for the ratable account of the Term C Lenders on the Term C Maturity Date the aggregate principal amount of the Term C Loans then outstanding, together with any accrued but unpaid interest thereon.

(c) Revolving Credit Loans. The Borrower shall repay to the Administrative Agent for the ratable account of the Revolving Credit Lenders on the Revolving Credit Termination Date the aggregate principal amount of the Revolving Credit Loans then outstanding, together with any accrued but unpaid interest thereon.

SECTION 2.05. Termination or Reduction of the Commitments.

(a) Optional. The Borrower may, upon at least five Business Days' written notice to the Administrative Agent, terminate in whole or reduce in part the Unused Revolving Credit Commitments; *provided*, *however*, that each partial reduction of the Revolving Credit Facility shall be in an aggregate amount of $1,000,000 or an integral multiple of $500,000 in excess thereof and shall be made ratably among the Revolving Credit Lenders in accordance with their Commitments with respect to the Revolving Credit Facility. The Borrower's written notice to the Administrative Agent shall designate the date (which shall be a Business Day) of such termination or reduction and the amount of any partial reduction, and such termination or reduction of the relevant Commitments shall be effective on the date specified in the Borrower's notice and shall reduce the relevant Commitments of the Appropriate Lenders proportionately in accordance with each such Appropriate Lender's Pro Rata Share thereof.

(b) [Reserved].

(c) [Reserved].

SECTION 2.06. Prepayments.

(a) Optional. The Borrower may, upon at least three Business Days' notice to the Administrative Agent stating the proposed date and aggregate principal amount of the prepayment, and if such notice is given the Borrower shall, prepay the outstanding aggregate principal amount of the Loans in whole or ratably in part, together with accrued interest to the date of such prepayment on the aggregate principal amount prepaid and the applicable Yield Maintenance Fee (if any); it being understood and agreed that no Yield Maintenance Fee will be applicable with respect to any prepayment or refinancing of Term B Loans undertaken pursuant to Section 5.01(r); *provided, however*, that each partial prepayment shall be in an aggregate principal amount of $1,000,000 or an integral multiple of $500,000 in excess thereof. Each such prepayment of the Loans shall be applied (i) *first*, to the prepayment of Term C Loans in Cash until the aggregate outstanding principal balance of the Term C Loans (following such application) equals $35,000,000, (ii) *second*, following the prepayment contemplated by the preceding clause (i), to the scheduled principal payments of the Term B Loans in full in Cash in inverse order of maturity, including the principal amount due on the Term B Maturity Date, until the aggregate outstanding principal balance thereof equals $0.00, (iii) *third*, following the prepayment contemplated by the preceding clauses (i) and (ii), to the prepayment of the remaining amount of outstanding Term C Loans in full in Cash, and (iv) *fourth*, following the prepayments contemplated by the preceding clauses (i), (ii) and (iii), to the Revolving Credit Loans in full in Cash (with a corresponding reduction of the Revolving Credit Commitment).

(b) Mandatory. (i) On each Cash Flow Payment Date, the Borrower shall prepay an aggregate principal amount of the Loans in accordance with priority *eighth* of Section 3.2 of the Security Deposit Agreement for further application in accordance with priority *first* of Section 3.7 of the Security Deposit Agreement, in an amount equal to one hundred percent (100%) of the aggregate amount remaining on deposit in or credited to the Revenue Account after giving effect to the withdrawals and transfers on such Cash Flow Payment Date pursuant to priorities *first* through *seventh* of Section 3.2 of the Security Deposit Agreement. Each such prepayment of the Loans shall be applied (A) *first*, to the prepayment of Term C Loans in Cash until the aggregate outstanding principal balance of the Term C Loans (following such application) equals $35,000,000, (B) *second*, following the prepayment contemplated by the preceding clause (A), to the scheduled principal payments of the Term B Loans in full in Cash in inverse order of maturity, including the principal amount due on the Term B Maturity Date, until the aggregate outstanding principal balance thereof equals $0.00, (C) *third*, following the prepayment contemplated by the preceding clauses (A) and (B), to the prepayment of the remaining amount of outstanding Term C Loans in full in Cash, and (D) *fourth*, following the prepayments contemplated by the preceding clauses (A), (B) and (C), to the Revolving Credit Loans in full in Cash (with a corresponding reduction of the Revolving Credit Commitment).

(ii) Subject to the Security Deposit Agreement, upon the occurrence of a Casualty Event, Event of Eminent Domain, Asset Sale or the incurrence or issuance of any Debt (other than Debt permitted to be incurred pursuant to Section 5.02(b)), the Borrower shall prepay an aggregate principal amount of the Loans in an aggregate amount equal to the Net Cash Proceeds thereof in accordance with priority *first* of Section 3.7 of the Security Deposit Agreement. Each such prepayment of the Loans shall be applied (A) *first*, to the scheduled principal payments of the Term B Loans in full in

Cash in inverse order of maturity, including the principal amount due on the Term B Maturity Date, (B) *second*, following the repayment contemplated by the preceding clause (A), to the prepayment of Term C Loans in full in cash and (C) *third*, following the repayments contemplated by the preceding clauses (A) and (B), to the Revolving Credit Loans in full in Cash (with a corresponding reduction of the Revolving Credit Commitment).

(iii) If at any time the aggregate outstanding balance of the Term B Loans and Term C Loans is $0.00, the Borrower shall within ten (10) Business Days repay the Revolving Credit Loans in full in Cash (and upon such prepayment the Revolving Credit Commitment shall be reduced to $0.00).

(iv) If at any time the sum of the aggregate outstanding balance of the Revolving Credit Loans exceeds the aggregate Revolving Credit Commitments, the Borrower shall within two (2) Business Days repay the Revolving Credit Loans in an amount sufficient to eliminate such excess in accordance with this Agreement.

(v) All prepayments under this clause (b) shall be made together with (A) accrued and unpaid interest to the date of such prepayment on the principal amount prepaid, (B) any amounts owing pursuant to Section 9.04(c) and (C) any applicable Yield Maintenance Fee.

(c) Term B Lender's Option to Decline Prepayment. Except as provided in the last sentence of this Section 2.06(c), any Term B Lender, at its option, may elect not to accept all or any portion of any prepayment of the Term B Loans pursuant to Section 2.06(b). Subject to the immediately preceding sentence, upon each prepayment date set forth in Section 2.06(b) for any prepayment of Term B Loans, in accordance with the Security Deposit Agreement, the Borrower shall notify the Administrative Agent in writing of the amount that is available to prepay the Term B Loans. Promptly after the date of receipt of such notice, the Administrative Agent shall provide written notice to the Term B Lenders of the amount available to prepay the Term B Loans. Any Term B Lender declining such prepayment (a "***Declining Lender***") shall give written notice thereof to the Administrative Agent by 11:00 a.m. New York City time no later than two (2) Business Days after the date of such notice from the Administrative Agent; any Term B Lender that does not give such notice during such period shall be deemed to have accepted such prepayment offer. On such date the Administrative Agent shall then provide written notice (the "***Second Offer***") to the Term B Lenders other than the Declining Lenders (such Term B Lenders being the "***Accepting Lenders***") of the additional amount available (due to such Declining Lenders' declining such prepayment) to prepay the Term B Loans owing to such Accepting Lenders. Any Term B Lender declining prepayment pursuant to such Second Offer shall give written notice thereof to the Administrative Agent by 11:00 a.m. New York City time no later than two (2) Business Days after the date of such notice of a Second Offer; any Term B Lender that does not give such notice during such period shall be deemed to have accepted such prepayment offer. Amounts remaining after the allocation of accepted amounts shall be applied as provided in Section 3.7 of the Security Deposit Agreement, except to the extent otherwise set forth in Section 2.06(b). Notwithstanding the above, if Term B Lenders

owed or holding more than 50% of the aggregate principal amount of the Term B Loans outstanding at such time accept or are deemed to have accepted all or any portion of any prepayment offer pursuant to this Section 2.06(c), then all Term B Lenders shall be deemed to have accepted such prepayment offer to the same.

SECTION 2.07. Interest.

(a) Interest.

(i) Interest shall accrue on the unpaid principal amount of each Term B Loan, Term C Loan and Revolving Credit Loan owing to each Term B Lender, Term C Lender and Revolving Credit Lender from the date of each such Term B Loan, Term C Loan and Revolving Credit Loan until such principal amount shall be paid in full, at a rate *per annum* equal at all times during each Interest Period for each such Term B Loan, Term C Loan and Revolving Credit Loan to the sum of (A) the Eurodollar Rate for such Interest Period for such Term B Loan, Term C Loan and Revolving Credit Loan (as applicable) plus (B) the Applicable Margin.

(ii) Except for the Q3 Interest True-Up Payments (which amounts shall be paid in accordance with Section 2.07(c)), interest shall be payable in arrears on each Interest Payment Date, *provided that*:

(A) the amount of interest payable in Cash by the Borrower in respect of each Term B Loan and Revolving Credit Loan on each Interest Payment Date pursuant to this Section 2.07(a) shall be limited to interest on the unpaid principal amount of each Term B Loan and Revolving Credit Loan at a rate *per annum* equal to the Minimum Cash Interest Rate;

(B) the Term B Remaining Interest Amounts and the Revolving Credit Remaining Interest Amounts payable by the Borrower in respect of each Term B Loan and Revolving Credit Loan on each Interest Payment Date pursuant to this Section 2.07(a) shall be paid-in-kind in accordance with Section 2.07(b); and

(C) all the interest payable by the Borrower in respect of each Term C Loan shall be payable in accordance with Section 2.07(b).

(iii) At the Borrower's option, so long as no Default or Event of Default shall have occurred and be continuing, the Borrower may elect to defer any interest due and payable in Cash under this Section 2.07(a) during, or with respect to, a single Full Deferred Interest Fiscal Quarter identified in writing by the Borrower to the Administrative Agent not less than three (3) Business Days prior to the applicable Interest Payment Date (the aggregate such amount of interest in respect of Term B Loans and Revolving Credit Loans during the Full Deferred Interest Fiscal Quarter, the "***Full Deferred Interest Amount***").

(iv) The Deferred Stub Interest Payment Amount as set forth in the Deferred Stub Interest Certificate delivered on the Effective Date shall be payable by the Borrower in Cash on the first Interest Payment Date to occur following the Effective Date.

(b) PIK Interest.

(i) On each Interest Payment Date, the Borrower shall pay the Remaining Interest Amount in PIK Interest. Schedule 2.07(b) includes illustrative examples of calculations of PIK Interest in respect of the Remaining Interest Amounts and the resulting increases in the outstanding principal amount of the Term C Loans. The outstanding principal amount of the Term C Loans shall be automatically increased on such Interest Payment Date by the amount of PIK Interest paid on such Interest Payment Date.

(ii) The Borrower shall be permitted to pay any PIK Interest due under this Section 2.07(b) in Cash in lieu of PIK Interest by providing the Administrative Agent written notice of such upcoming payment in Cash with respect to an Interest Period, and the amount of interest in respect of the Remaining Interest Amounts for which the Borrower will pay in Cash, at least three (3) Business Days prior to the applicable Interest Payment Date, in the form attached as Exhibit H hereto (the "***Cash Payment Election***"). The Administrative Agent shall provide written notice of any Cash Payment Election to all applicable Term B Lenders, Term C Lenders or Revolving Credit Lenders, as applicable, promptly upon receipt thereof.

(c) Q3 Interest True-Up Payment. On each Interest Payment Date set forth below (each such date, a "**Q3 Interest Payment Date**"), the Borrower shall pay in Cash the amount (such amount, the "**Q3 Interest True-Up Payment**") set forth opposite such Q3 Interest Payment Date:

Q3 Interest Payment Date	Q3 Interest True-Up Payment
September 30, 2019	An amount equal to the sum of (i) $7,822,953 *plus* (ii) an amount that would cause the *per annum* Applicable Margin actually paid in Cash on account of interest due on the unpaid principal amount of each Term B Loan and Revolving Credit Loan owing to each Term B Lender and Revolving Credit Lender from the Effective Date through September 30, 2019 to equal 4.00%.
September 30, 2020	An amount that would cause the *per annum* Applicable Margin actually

	paid in Cash on account of interest due on the unpaid principal amount of each Term B Loan and Revolving Credit Loan owing to each Term B Lender and Revolving Credit Lender from September 30, 2019 through September 30, 2020 to equal 4.00%.
September 30, 2021	An amount that would cause the *per annum* Applicable Margin actually paid in Cash on account of interest due on the unpaid principal amount of each Term B Loan and Revolving Credit Loan owing to each Term B Lender and Revolving Credit Lender from September 30, 2020 through September 30, 2021 to equal 4.00%.
September 30, 2022	An amount that would cause the *per annum* Applicable Margin actually paid in Cash on account of interest due on the unpaid principal amount of each Term B Loan and Revolving Credit Loan owing to each Term B Lender and Revolving Credit Lender from September 30, 2021 through September 30, 2022 to equal 4.00%.
[September 30, 2023	An amount that would cause the *per annum* Applicable Margin actually paid in Cash on account of interest due on the unpaid principal amount of each Term B Loan and Revolving Credit Loan owing to each Term B Lender and Revolving Credit Lender from September 30, 2022 through September 30, 2023 to equal 4.00%.][3]

; *provided that,* on each Q3 Interest Payment Date, the Borrower shall, in any event, pay an amount that would cause the *per annum* Applicable Margin actually paid in Cash on account of interest due on the unpaid principal amount of each Term B Loan and Revolving Credit Loan owing to each Term B Lender and Revolving Credit Lender from the Effective Date through

[3] To be included only if the maturity date falls after September 2023.

such Q3 Interest Payment Date to equal 4.00% (any amount that is due under the terms of this proviso that is not otherwise due under the terms of the immediately preceding table, a "***Q3 Interest True-Up Catch Up Payment***").

(d) Treatment of Q3 Interest True-Up Payments. Any Q3 Interest True-Up Payment due in Cash under Section 2.07(c) shall be in addition to any interest owed by the Borrower under Section 2.07(a) and Section 2.07(b) (including, if applicable, the Full Deferred Interest Amount), and shall not otherwise impact, or have any effect on the calculation of, the interest payable by the Borrower under Section 2.07(a) or Section 2.07(b) (including, if applicable, the Full Deferred Interest Amount). The Borrower shall be permitted to credit the amount of any mandatory repayment under Section 2.06(b)(i) or any optional prepayment of the Term C Loans or the Term B Loans (as applicable) on a dollar-for-dollar basis against any Q3 Interest True-Up Payment that is subsequently owed. Once any amount of such prepayment has been credited to any Q3 Interest True-Up Payment, such amount shall no longer be available for crediting against any future Q3 Interest True-Up Payment. The aggregate outstanding amount of the Term C Loans shall be reduced from time to time by the amount of each Q3 Interest True-Up Payment actually paid in Cash hereunder. Notwithstanding anything herein to the contrary, in no event shall the amount of any Default Interest (which is, for the avoidance of doubt, 2% *per annum*) paid hereunder be included in the calculation of the Q3 Interest True-Up Payments.

(e) Default Interest. Upon the occurrence and during the continuance of an Event of Default, the Administrative Agent may, and upon the request of the Required Lenders shall, require that the Borrower pay interest at a rate *per annum* equal at all times to 2% *per annum* above the rate *per annum* required to be paid pursuant to Section 2.07(a)(i) ("***Default Interest***") on:

(i) the aggregate outstanding principal amount of each Loan, and

(ii) to the fullest extent permitted by applicable law, the amount of any interest, fee or other amount payable under this Agreement or any other Loan Document to any Agent or any Lender that is not paid when due, from the date such amount shall be due until such amount shall be paid in full,

in each case, payable in Cash (without diminishing the Borrower's obligations to make the Cash interest payment due pursuant to Section 2.07(a)(ii)(A)) either (x) on each Interest Payment Date following the occurrence and during the continuance of an Event of Default or (y) on demand; *provided*, *however*, that following the making of the request or the granting of the consent specified by Section 6.01 to authorize the Administrative Agent to declare the Loans due and payable pursuant to the provisions of Section 6.01, Default Interest shall accrue and be payable hereunder whether or not previously required by the Administrative Agent. Payment or acceptance of the increased rates of interest provided for in this Section 2.07(e) is not a permitted alternative to timely payment and shall not constitute a waiver of any Event of Default or otherwise prejudice or limit any rights or remedies of the Administrative Agent or any Lender.

SECTION 2.08. Fees.

(a) Commitment Fee. The Borrower shall pay to the Administrative Agent for the account of each of the Revolving Credit Lenders, a commitment fee, from the date hereof in the case of each Initial Lender and from the effective date specified in the Assignment and Acceptance pursuant to which it became a Revolving Credit Lender in the case of each other Revolving Credit Lender until the Revolving Credit Termination Date, payable in arrears quarterly on the last Business Day of each December, March, June and September occurring after the Effective Date, and on the Revolving Credit Termination Date, at the Eurodollar Rate *per annum* on the average daily Unused Revolving Credit Commitment of such Revolving Credit Lender during such quarter.

(b) Yield Maintenance Fee.

(i) Subject to clause (ii) below, in the event that (A) the Borrower makes any prepayment of Term B Loans or Term C Loans pursuant to Section 2.06(a) or Section 2.06(b) (other than any prepayment pursuant to Section 2.06(b)(i), any prepayment upon the occurrence of a Casualty Event or an Event of Eminent Domain, or any prepayment or refinancing of Loans undertaken pursuant to Section 5.01(r)) or (B) the unpaid principal balance of any Term B Loan or Term C Loan is accelerated pursuant to Section 6.01, in each case during the Yield Maintenance Period (the principal amount of such prepayment or amount so accelerated being the "***Prepayment Amount***"), the Borrower shall pay to the Administrative Agent, for the ratable benefit of the Term B Lenders or Term C Lenders, as applicable, a Yield Maintenance Fee in an amount equal to the sum of the interest that would have been payable on the Prepayment Amount (in the absence of such prepayment or acceleration) at a rate *per annum* equal to the Applicable Margin (x) on all scheduled Interest Payment Dates falling after the date of prepayment or acceleration until the end of the Yield Maintenance Period and (y) if the last day of the Yield Maintenance Period is not an Interest Payment Date, on the last day of the Yield Maintenance Period, in each case discounted from the respective scheduled payment date to the date of prepayment or acceleration, in accordance with accepted financial practice at a discount factor equal to the equivalent weighted-average life U.S. Treasury yield as of 10:00 a.m. New York City time on the Business Day immediately preceding the date of prepayment or acceleration.

(ii) Notwithstanding anything set forth in this Agreement, no Yield Maintenance Fee will be due during any time period that is not the Yield Maintenance Period; *provided*, *however*, that, in the event of an acceleration of the Term B Facility or Term C Facility pursuant to Section 6.01, the Yield Maintenance Fee shall apply and shall be determined pursuant to clause (b)(i) above as if a prepayment occurred on the date of such acceleration.

(c) [Reserved].

(d) Agents' Fees. The Borrower shall pay to each Agent for its own account such fees as may from time to time be agreed between the Borrower and such Agent.

SECTION 2.09. [Reserved].

SECTION 2.10. Increased Costs, Etc. (a) If, due to either (i) the introduction of or any change in or in the interpretation of any law or regulation or (ii) the compliance with any guideline or request from any central bank or other governmental authority (whether or not having the force of law), there shall be any increase in the cost to any Lender of agreeing to make or of making, funding or maintaining Loans (excluding, for purposes of this Section 2.10, any such increased costs resulting from (x) Taxes or Other Taxes (as to which Section 2.12 shall govern) and (y) changes in the basis or rate of taxation of overall net income or overall gross income by the United States or by the foreign jurisdiction or state under the laws of which such Lender is organized or has its Lending Office or any political subdivision thereof), then the Borrower shall from time to time, upon demand by such Lender (with a copy of such demand to the Administrative Agent), pay to the Administrative Agent for the account of such Lender additional amounts sufficient to compensate such Lender for such increased cost. A certificate as to the amount of such increased cost, submitted to the Borrower by such Lender, shall be conclusive and binding for all purposes, absent manifest error.

(b) If any Lender determines that compliance with any law or regulation or any guideline or request from any central bank or other governmental authority (whether or not having the force of law) affects or would affect the amount of capital required or expected to be maintained by such Lender or any corporation controlling such Lender and that the amount of such capital is increased by or based upon the existence of such Lender's commitment to make Loans and other commitments of such type (or similar Guaranteed Debts), then, upon demand by such Lender or such corporation (with a copy of such demand to the Administrative Agent), the Borrower shall pay to the Administrative Agent for the account of such Lender, from time to time as specified by such Lender, additional amounts sufficient to compensate such Lender in the light of such circumstances, to the extent that such Lender reasonably determines such increase in capital to be allocable to the existence of such Lender's commitment to make Loans. A certificate as to such amounts submitted to the Borrower by such Lender shall be conclusive and binding for all purposes, absent manifest error.

SECTION 2.11. Payments and Computations. (a) The Borrower shall make each payment hereunder and under the other Loan Documents, irrespective of any right of counterclaim or set-off (except as otherwise provided in Section 2.13), not later than 11:00 A.M. (New York City time) on the day when due in U.S. dollars to the Administrative Agent at the Administrative Agent's Account in same day funds, with payments being received by the Administrative Agent after such time being deemed to have been received on the next succeeding Business Day. The Administrative Agent will promptly thereafter cause like funds to be distributed (i) if such payment by the Borrower is in respect of principal, interest, commitment fees, letter of credit fees or any other Obligation then payable hereunder and under the other Loan Documents to more than one Lender, to such Lenders for the account of their respective Lending Offices ratably in accordance with the amounts of such respective Obligations then payable to such Lenders and (ii) if such payment by the Borrower is in respect of any Obligation then payable hereunder to one Lender, to such Lender for the account of its Lending Office, in each case to be applied in accordance with the terms of this Agreement. Upon its acceptance of an Assignment and Acceptance and recording of the information contained therein in the Register pursuant to Section 9.07(f), from and after the effective date of such

Assignment and Acceptance, the Administrative Agent shall make all payments hereunder and under the other Loan Documents in respect of the interest assigned thereby to the assignee thereunder, and the parties to such Assignment and Acceptance shall make all appropriate adjustments in such payments for periods prior to such effective date directly between themselves.

(b) The Borrower hereby authorizes each Lender and each of its Affiliates, if and to the extent payment owed to such Lender is not made when due hereunder or under the other Loan Documents, to charge from time to time, to the fullest extent permitted by law, against any or all of the Borrower's accounts with such Lender or such Affiliate any amount so due.

(c) All computations of interest based on the Eurodollar Rate and of commitment fees, letter of credit fees and other fees and commissions shall be made by the Administrative Agent on the basis of a year of 360 days, in each case for the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest, fees or commissions are payable. Each determination by the Administrative Agent of an interest rate, fee or commission hereunder shall be conclusive and binding for all purposes, absent manifest error.

(d) Whenever any payment hereunder or under the other Loan Documents shall be stated to be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of payment of interest or commitment or letter of credit fee or commission, as the case may be; *provided*, *however*, that, if such extension would cause payment of interest on or principal of Loans to be made in the next following calendar month, such payment shall be made on the preceding Business Day.

(e) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to any Lender hereunder that the Borrower will not make such payment in full, the Administrative Agent may assume that the Borrower has made such payment in full to the Administrative Agent on such date and the Administrative Agent may, in reliance upon such assumption, cause to be distributed to each such Lender on such due date an amount equal to the amount then due such Lender. If and to the extent the Borrower shall not have so made such payment in full to the Administrative Agent, each such Lender shall repay to the Administrative Agent forthwith on demand such amount distributed to such Lender together with interest thereon, for each day from the date such amount is distributed to such Lender until the date such Lender repays such amount to the Administrative Agent, at the Eurodollar Rate.

(f) If the Administrative Agent receives funds for application to the Obligations of the Loan Parties under or in respect of the Loan Documents under circumstances for which the Loan Documents do not specify the Loans or the Facility to which, or the manner in which, such funds are to be applied, the Administrative Agent may, if no instructions with respect thereto are received from the Lenders upon request, but shall not be obligated to, elect to distribute such funds to each of the Lenders in accordance with such Lenders' Pro Rata Share of

the aggregate principal amount of all Loans outstanding at such time, in repayment or prepayment of such of the outstanding Loans or other Obligations then owing to such Lender, and, in the case of the Term B Facility, for application to such principal repayment installments thereof, as the Administrative Agent shall direct.

(g) Notwithstanding any provision of this Agreement to the contrary, to the extent that this Agreement provides for advances or payments (or deemed advances or payments) to be made by or to the Revolving Credit Lenders ratably according to their Revolving Credit Commitments or according to their Pro Rata Shares, as between any Lenders that are Affiliates of Beal Bank USA or Beal Bank SSB, the Revolving Credit Lenders may allocate such advances and payments ratably according to their respective Unused Revolving Credit Commitments or in such other manner as Beal Bank USA or Beal Bank SSB and such Affiliates may agree without affecting in any manner the aggregate Revolving Credit Commitments available to the Borrower at any time.

SECTION 2.12. Taxes. (a) Any and all payments by any Loan Party to or for the account of any Lender or any Agent hereunder or under any other Loan Document shall be made, in accordance with Section 2.11 or the applicable provisions of such other Loan Document, if any, free and clear of and without deduction for any and all present or future taxes, levies, imposts, deductions, charges or withholdings, and all liabilities with respect thereto, *excluding*, in the case of each Lender and each Agent, (x) taxes that are imposed on its overall net income by the United States and taxes that are imposed on its overall net income (and franchise taxes imposed in lieu thereof) by the state or foreign jurisdiction under the laws of which such Lender or such Agent, as the case may be, is organized (or any political subdivision thereof), has its Lending Office, has a permanent establishment or is engaged in business (other than the business that the Lender is engaged in solely by reason of the transactions contemplated by this Agreement), (y) any branch profits taxes imposed by the United States of America and (z) withholding taxes imposed under law in effect on the date hereof or at the time the Lender designates a new Lending Office, other than any new Lending Office designated at the written request of a Loan Party (in the case of a Lender that is not an Initial Lender, this clause (z) shall include taxes imposed under law in effect on the date such Lender becomes a Lender, except to the extent that the Lender's predecessor would have been entitled to receive additional amounts under this Section 2.12(a)) and, in the case of each Lender, taxes that are imposed on its overall net income (and franchise taxes imposed in lieu thereof) by the state or foreign jurisdiction of such Lender's Lending Office or any political subdivision thereof (all such non-excluded taxes, levies, imposts, deductions, charges, withholdings and liabilities in respect of payments hereunder or under any other Loan Document being hereinafter referred to as "***Taxes***"). If any Loan Party shall be required by law to deduct any Taxes from or in respect of any sum payable hereunder or under any other Loan Document to any Lender or any Agent, (i) the sum payable by such Loan Party shall be increased as may be necessary so that after such Loan Party and the Administrative Agent have made all required deductions (including deductions applicable to additional sums payable under this Section 2.12) such Lender or such Agent, as the case may be, receives an amount equal to the sum it would have received had no such deductions been made, (ii) such Loan Party shall make all such deductions and (iii) such Loan Party shall pay the full

amount deducted to the relevant taxation authority or other authority in accordance with applicable law.

(b) In addition, each Loan Party shall pay any present or future stamp, documentary, excise, property (including intangible property, but with regard to all property taxes, only to the extent relating to property of a Loan Party) mortgage recording or similar taxes, charges or levies that arise from any payment made by such Loan Party hereunder or under any other Loan Documents or from the execution, delivery or registration of, performance under, or otherwise with respect to, this Agreement or the other Loan Documents (hereinafter referred to as "***Other Taxes***").

(c) The Loan Parties shall indemnify each Lender and each Agent for and hold them harmless against the full amount of Taxes and Other Taxes, and for the full amount of taxes of any kind imposed or asserted by any jurisdiction on amounts payable under this Section 2.12, imposed on or paid by such Lender or such Agent (as the case may be) and any liability (including penalties, additions to tax, interest and expenses) arising therefrom or with respect thereto. This indemnification shall be made within 30 days from the date such Lender or such Agent (as the case may be) makes written demand therefor.

(d) Within 30 days after the date of any payment of Taxes, the appropriate Loan Party shall furnish to the Administrative Agent, at its address referred to in Section 9.02, the original or a certified copy of a receipt evidencing such payment, to the extent such a receipt is issued therefor, or other written proof of payment thereof that is reasonably satisfactory to the Administrative Agent. In the case of any payment hereunder or under the other Loan Documents by or on behalf of a Loan Party through an account or branch outside the United States or by or on behalf of a Loan Party by a payor that is not a United States person, if such Loan Party determines that no Taxes are payable in respect thereof, such Loan Party shall furnish, or shall cause such payor to furnish, to the Administrative Agent, at such address, an opinion of counsel acceptable to the Administrative Agent stating that such payment is exempt from Taxes. For purposes of subsections (d) and (e) of this Section 2.12, the terms "***United States***" and "***United States person***" shall have the meanings specified in Section 7701 of the Internal Revenue Code.

(e) Each Lender organized under the laws of a jurisdiction outside the United States shall, on or prior to the date of its execution and delivery of this Agreement in the case of each Initial Lender and on the date of the Assignment and Acceptance pursuant to which it becomes a Lender in the case of each other Lender, and from time to time thereafter as reasonably requested in writing by the Borrower (but only so long thereafter as such Lender remains lawfully able to do so), provide each of the Administrative Agent and the Borrower with two original Internal Revenue Service Forms W-8BEN or W-8EC1 or (in the case of a Lender that has certified in writing to the Administrative Agent that it is not (i) a "bank" as defined in Section 881(c)(3)(A) of the Internal Revenue Code), (ii) a 10-percent shareholder (within the meaning of Section 871(h)(3)(B) of the Internal Revenue Code) of any Loan Party or (iii) a controlled foreign corporation related to any Loan Party (within the meaning of Section 864(d)(4) of the Internal Revenue Code), Internal Revenue Service Form W-8BEN, as appropriate, or any successor or other form prescribed by the Internal Revenue Service,

certifying that such Lender is exempt from or entitled to a reduced rate of United States withholding tax on payments pursuant to this Agreement or any other Loan Document or, in the case of a Lender that has certified that it is not a "bank" as described above, certifying that such Lender is a foreign corporation, partnership, estate or trust. As provided in Section 2.12(a), if the forms provided by a Lender at the time such Lender first becomes a party to this Agreement indicate a United States interest withholding tax rate in excess of zero, withholding tax at such rate shall be considered excluded from Taxes unless and until such Lender provides the appropriate forms certifying that a lesser rate applies, whereupon withholding tax at such lesser rate only shall be considered excluded from Taxes for periods governed by such forms; *provided*, *however*, that if, at the effective date of the Assignment and Acceptance pursuant to which a Lender becomes a party to this Agreement, the Lender assignor was entitled to payments under subsection (a) of this Section 2.12 in respect of United States withholding tax with respect to interest paid at such date, then, to such extent, the term Taxes shall include (in addition to withholding taxes that may be imposed in the future or other amounts otherwise includable in Taxes) United States withholding tax, if any, applicable with respect to the Lender assignee on such date. If any form or document referred to in this subsection (e) requires the disclosure of information, other than information necessary to compute the tax payable and information required on the date hereof by Internal Revenue Service Form W-8BEN or W-8EC1 or the related certificate described above, that the applicable Lender reasonably considers to be confidential, such Lender shall give notice thereof to the Borrower and shall not be obligated to include in such form or document such confidential information.

(f) For any period with respect to which a Lender has failed to provide the Borrower with the appropriate form, certificate or other document described in subsection (e) above (other than if such failure is due to a change in law, or in the interpretation or application thereof, occurring after the date on which a form, certificate or other document originally was required to be provided or if such form, certificate or other document otherwise is not required under subsection (e) above), such Lender shall not be entitled to indemnification under subsection (a) or (c) of this Section 2.12 with respect to Taxes imposed by the United States by reason of such failure; *provided*, *however*, that should a Lender become subject to Taxes because of its failure to deliver a form, certificate or other document required hereunder, the Loan Parties shall take such steps as such Lender shall reasonably request, at the Lender's sole expense and as long as the Loan Parties determine that such steps will not, in the reasonable judgment of the Loan Parties, be disadvantageous to the Loan Parties, to assist such Lender to recover such Taxes.

(g) Any Lender claiming any additional amounts payable pursuant to this Section 2.12 agrees to use reasonable efforts (consistent with its internal policy and legal and regulatory restrictions) to change the jurisdiction of its Lending Office if the making of such a change would avoid the need for, or reduce the amount of, any such additional amounts that may thereafter accrue and would not, in the reasonable judgment of such Lender, be otherwise disadvantageous to such Lender. In addition, if a Lender determines, in such Lender's sole discretion, that it has received a refund or credit in respect of any Taxes or Other Taxes as to which it has been indemnified pursuant to Section 2.12(c), or with respect to which additional amounts have been paid pursuant to Section 2.12(a), such Lender shall pay to the Borrower an

amount equal to such refund (but such amount in no event to exceed the amount of any indemnity payments made, or additional amounts paid, by the Borrower under this Section 2.12 with respect to the Taxes or Other Taxes giving rise to such refund) net of all out-of-pocket expenses of such Lender, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), provided that the Borrower, upon the request of such Lender, shall agree to repay the amount paid over to the Borrower (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to such Lender in the event such Lender subsequently determines that such refund or credit is unavailable under applicable law or is otherwise required to repay such refund to such Governmental Authority. This paragraph shall not be construed to require a Lender to rearrange its tax affairs or to make available its tax returns (or any other information relating to its taxes that it deems confidential) to the Borrower or any other Person.

SECTION 2.13. Sharing of Payments, Etc. If any Lender shall obtain at any time any payment (whether voluntary, involuntary, through the exercise of any right of set-off, or otherwise, other than as a result of an assignment pursuant to Section 9.07), (a) on account of Obligations due and payable to such Lender hereunder and under the other Loan Documents in excess of its ratable share (according to the proportion of (i) the amount of such Obligations due and payable to such Lender to (ii) the aggregate amount of the Obligations due and payable to all Lenders hereunder and under the other Loan Documents at such time) of payments on account of the Obligations due and payable to all Lenders hereunder and under the other Loan Documents at such time obtained by all the Lenders at such time or (b) on account of Obligations owing (but not due and payable) to such Lender hereunder and under the other Loan Documents at such time in excess of its ratable share (according to the proportion of (i) the amount of such Obligations owing to such Lender at such time to (ii) the aggregate amount of the Obligations owing (but not due and payable) to all Lenders hereunder and under the other Loan Documents at such time) of payments on account of the Obligations owing (but not due and payable) to all Lenders hereunder and under the other Loan Documents at such time obtained by all of the Lenders at such time, such Lender shall forthwith purchase from the other Lenders such interests or participating interests in the Obligations as shall be necessary to cause such purchasing Lender to share the excess payment ratably with each of them; *provided*, *however*, that if all or any portion of such excess payment is thereafter recovered from such purchasing Lender, such purchase from each other Lender shall be rescinded and such other Lender shall repay to the purchasing Lender the purchase price to the extent of such Lender's ratable share (according to the proportion of (i) the purchase price paid to such Lender to (ii) the aggregate purchase price paid to all Lenders) of such recovery together with an amount equal to such Lender's ratable share (according to the proportion of (i) the amount of such other Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered. The Loan Parties agree that any Lender so purchasing an interest or participating interest from another Lender pursuant to this Section 2.13 may, to the fullest extent permitted by law, exercise all its rights of payment (including the right of set-off) with respect to such interest or participating interest, as the case may be, as fully as if such Lender were the direct creditor of the Loan Parties in the amount of such interest or participating interest, as the case may be.

SECTION 2.14. Use of Proceeds.

(a) The Term B Loans to be advanced on the Effective Date shall be available (and the Borrower agrees that it shall use the Term B Loans) solely to repay (including by book entry) (i) the Existing Debt of the Existing Loan Parties outstanding on the Effective Date under the Pre-Petition First Lien Credit Agreement (other than the Pre-Petition Exit Fee and the Deferred Stub Interest Payment Amount) and (ii) the Existing Debt of the Existing Loan Parties outstanding on the Effective Date under the DIP Credit Agreement.

(b) The Term C Loans to be advanced on the Effective Date shall be available (and the Borrower agrees that it shall use the Term C Loans) solely to repay (including by book entry) the Pre-Petition Exit Fee due and payable by the Borrower under the Pre-Petition First Lien Credit Agreement.

(c) The proceeds of the Revolving Credit Loans shall be available (and the Borrower agrees that it shall use such proceeds and Commitments) solely (i) on the Effective Date, to repay and/or refinance a portion of obligations of the Existing Loan Parties outstanding on the Effective Date under the Pre-Petition First Lien Credit Agreement (other than the Deferred Stub Interest Payment Amount) and the DIP Credit Agreement in accordance with the Plan of Reorganization, and (ii) on and after the Effective Date, (A) to provide working capital for the Loan Parties, (B) to provide credit support in respect of such working capital needs (other than funding any Excluded G&A Services) and (C) for the Loan Parties' other general corporate purposes (other than funding any Excluded G&A Services).

SECTION 2.15. Evidence of Debt. (a) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan owing to such Lender from time to time, including the amounts of principal (including, in the case of Term C Loans, principal owing as a result of PIK Interest) and interest payable and paid to such Lender from time to time hereunder. The Borrower agrees that upon notice by any Lender to the Borrower (with a copy of such notice to the Administrative Agent) to the effect that a promissory note or other evidence of indebtedness is required or appropriate in order for such Lender to evidence (whether for purposes of pledge, enforcement or otherwise) the Loans owing to, or to be made by, such Lender, the Borrower shall promptly execute and deliver to such Lender, with a copy to the Administrative Agent, a Revolving Credit Note, a Term B Note and a Term C Note, as applicable, in substantially the form of Exhibits A-1, A-2 and A-3 hereto, respectively, payable to the order of such Lender in a principal amount equal to the Revolving Credit Commitment, Term B Loans and Term C Loans, respectively, of such Lender. All references to Notes in the Loan Documents shall mean Notes, if any, to the extent issued hereunder.

(b) The Register maintained by the Administrative Agent pursuant to Section 9.07(f) shall include a control account, and a subsidiary account for each Lender, in which accounts (taken together) shall be recorded (i) the date and amount of each Borrowing made hereunder and, if appropriate, the Eurodollar Rate Period applicable thereto, (ii) the terms of each Assignment and Acceptance delivered to and accepted by it, (iii) the amount of any principal (including PIK Interest automatically added to the principal amount of the Term C

Loans) or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iv) the amount of any sum received by the Administrative Agent from the Borrower hereunder and each Lender's share thereof.

(c) Entries made in good faith by the Administrative Agent in the Register pursuant to subsection (b) above, and by each Lender in its account or accounts pursuant to subsection (a) above, shall be *prima facie* evidence of the amount of principal and interest due and payable or to become due and payable from the Borrower to, in the case of the Register, each Lender and, in the case of such account or accounts, such Lender, under this Agreement, absent manifest error; *provided*, *however*, that the failure of the Administrative Agent or such Lender to make an entry, or any finding that an entry is incorrect, in the Register or such account or accounts shall not limit or otherwise affect the obligations of the Borrower under this Agreement.

SECTION 2.16. Duty to Mitigate. In the event that any Lender demands payment of costs or additional amounts pursuant to Sections 2.10 or 2.12, the Borrower may, upon 20 days' prior written notice to such Lender and the Administrative Agent, elect to cause such Lender to assign its Loans and Commitments in full to one or more Persons selected by the Borrower so long as (i) each such Person satisfies the criteria of an Eligible Assignee and is reasonably satisfactory to the Administrative Agent, (ii) such Lender receives payment in full in Cash of the outstanding principal amount of all Loans made by it and all accrued and unpaid interest thereon and all other amounts due and payable to such Lender as of the date of such assignment (including, without limitation, amounts owing pursuant to Sections 2.10, 2.12 and 9.04) and (iii) each such assignee agrees to accept such assignment and to assume all obligations of such Lender hereunder in accordance with Section 9.07.

ARTICLE VII

THE AGENTS

SECTION 7.01. Authorization and Action. (a) Each Lender (in its capacity as a Lender) hereby appoints and authorizes the Administrative Agent to take such action as agent on its behalf and to exercise such powers and discretion under this Agreement and the other Loan Documents as are delegated to the Administrative Agent by the terms hereof and thereof, together with such powers and discretion as are reasonably incidental thereto. As to any matters not expressly provided for by the Loan Documents (including, without limitation, enforcement of the Obligations or collection of the Obligations owing under the Loan Documents), the Administrative Agent shall not be required to exercise any discretion or take any action, but shall be required to act or to refrain from acting (and shall be fully protected in so acting or refraining from acting) upon the instructions of the Required Lenders, and such instructions shall be binding upon all Lenders and all holders of Notes; *provided*, *however*, that the Administrative Agent shall not be required to take any action that exposes the Administrative Agent to personal liability or that is contrary to this Agreement or applicable law. Without limiting the generality of the foregoing, each Lender hereby authorizes and instructs the Administrative Agent to enter into the documents to be entered into by the Administrative Agent expressly mentioned in Section 3.01.

(b) The Administrative Agent may execute any of its duties under this Agreement or any other Loan Document (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the First Lien Collateral Documents

or of exercising any rights and remedies thereunder at the direction of the First Lien Collateral Agent) by or through agents, employees or attorneys-in-fact and shall be entitled to advice of counsel and other consultants or experts concerning all matters pertaining to such duties. The Administrative Agent shall not be responsible for the negligence or misconduct of any agent, employee or attorney-in-fact that it selects in accordance with the foregoing provisions of this Section 7.01(b) in the absence of the Administrative Agent's gross negligence or willful misconduct.

SECTION 7.02. Administrative Agent's Reliance, Etc. Neither the Administrative Agent nor any of its directors, officers, agents or employees shall be liable for any action taken or omitted to be taken by it or them under or in connection with the Loan Documents, except for its or their own gross negligence or willful misconduct. Without limitation of the generality of the foregoing, the Administrative Agent: (a) may consult with legal counsel (including counsel for any Loan Party), independent public accountants and other experts selected by it and shall not be liable for any action taken or omitted to be taken in good faith by it in accordance with the advice of such counsel, accountants or experts; (b) makes no warranty or representation to any Lender and shall not be responsible to any Lender for any statements, warranties or representations (whether written or oral) made in or in connection with the Loan Documents; (c) shall not have any duty to ascertain or to inquire as to the performance, observance or satisfaction of any of the terms, covenants or conditions of any Loan Document on the part of any Loan Party or the existence at any time of any Default under the Loan Documents or to inspect the property (including the books and records) of any Loan Party; (d) shall not be responsible to any Lender for the due execution, legality, validity, enforceability, genuineness, sufficiency or value of, or the perfection or priority of any lien or security interest created or purported to be created under or in connection with, any Loan Document or any other instrument or document furnished pursuant thereto; and (e) shall incur no liability under or in respect of any Loan Document by acting upon any notice, consent, certificate or other instrument or writing (which may be by telegram, telecopy or electronic communication) believed by it to be genuine and signed or sent by the proper party or parties.

SECTION 7.03. Agents and Affiliates. With respect to its Commitments, the Loans made by it and any Notes issued to it, each Agent and its Affiliates shall have the same rights and powers under the Loan Documents as any other Lender and may exercise the same as though each were not an Agent or an Affiliate of an Agent; and the term "*Lender*" or "*Lenders*" shall, unless otherwise expressly indicated, include each Agent and its Affiliates in their respective individual capacities. Each Agent and its Affiliates may accept deposits from, lend money to, act as trustee under indentures of, accept investment banking engagements from and generally engage in any kind of business with, any Loan Party, any of its Subsidiaries and any Person that may do business with or own securities of any Loan Party or any such Subsidiary, all as if such Agent was not an Agent and without any duty to account therefor to the Lenders. No Agent shall have any duty to disclose any information obtained or received by it or any of its Affiliates relating to any Loan Party or any of its Subsidiaries to the extent such information was obtained or received in any capacity other than as such Agent.

SECTION 7.04. Lender Credit Decision. Each Lender acknowledges that it has, independently and without reliance upon any Agent or any other Lender and based on the financial statements referred to in Section 3.01 and such other documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon any Agent or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement.

SECTION 7.05. Indemnification. (a) Each Lender severally agrees to indemnify each Agent (to the extent not promptly reimbursed by the Borrower and without limiting its obligation to do so) from and against such Lender's ratable share (determined as provided below) of any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever that may be imposed on, incurred by, or asserted against such Agent in any way relating to or arising out of the Loan Documents or any action taken or omitted by such Agent under the Loan Documents (collectively, the "***Indemnified Costs***"); *provided*, *however*, that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from such Agent's gross negligence or willful misconduct as found in a final, non-appealable judgment by a court of competent jurisdiction. Without limitation of the foregoing, each Lender agrees to reimburse each Agent promptly upon demand for its ratable share of any costs and expenses (including, without limitation, reasonable fees and expenses of counsel) payable by the Borrower under Section 9.04, to the extent that such Agent is not promptly reimbursed for such costs and expenses by the Borrower. In the case of any investigation, litigation or proceeding giving rise to any Indemnified Costs, this Section 7.05 applies whether any such investigation, litigation or proceeding is brought by any Lender or any other Person. Each Agent is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and otherwise apply any and all amounts it receives pursuant to the Loan Documents to or for the credit or the account of any Lender against any and all obligations of such Lender to such Agent now or hereafter existing under this Section 7.05; *provided* that the foregoing sentence shall only apply if such Lender fails to promptly pay such obligation following such Agent's written request for payment; *provided further* that any obligation a Lender fails to promptly pay following the Agent's written request for payment shall bear interest at the same rate as Default Interest and the Agent is authorized to set off against any such accrued interest in the manner described above.

(b) [Reserved].

(c) For purposes of Section 7.05(a), (i) each Lender's ratable share of any amount shall be determined, at any time, according to the sum of (A) the aggregate principal amount of the Loans outstanding at such time and owing to such Lender and (B) in the case of any Revolving Credit Lender, such Revolving Credit Lender's Unused Revolving Credit Commitments at such time; and (ii) each Revolving Credit Lender's ratable share of any amount shall be determined, at any time, according to the sum of (A) the aggregate principal amount of the Revolving Credit Loans outstanding at such time and owing to such Lender and (B) such

Lender's Unused Revolving Credit Commitments at such time. The failure of any Lender to reimburse any Agent promptly upon demand for its ratable share of any amount required to be paid by the Lenders to such Agent as provided herein shall not relieve any other Lender of its obligation hereunder to reimburse such Agent for its ratable share of such amount, but no Lender shall be responsible for the failure of any other Lender to reimburse such Agent for such other Lender's ratable share of such amount. Without prejudice to the survival of any other agreement of any Lender hereunder, the agreement and obligations of each Lender contained in this Section 7.05 shall survive the payment in full of principal, interest and all other amounts payable hereunder and under the other Loan Documents.

SECTION 7.06. Successor Administrative Agent. The Administrative Agent may resign as to any or all of the Facilities at any time by giving 15 days' written notice thereof to the Lenders and the Borrower and may be removed at any time with or without cause by the Required Lenders. Upon any such resignation or removal, the Required Lenders shall have the right, with (so long as no Event of Default has occurred and is continuing) the consent of the Borrower (not to be unreasonably withheld or delayed), to appoint a successor Administrative Agent as to such of the Facilities as to which the Administrative Agent has resigned or been removed. If no successor Administrative Agent shall have been so appointed by the Required Lenders, and shall have accepted such appointment, within 30 days after the retiring Administrative Agent's giving of notice of resignation or the Required Lenders' removal of the retiring Administrative Agent, then the retiring Administrative Agent may, on behalf of the Lenders, appoint a successor Administrative Agent, which shall be a commercial bank organized under the laws of the United States or of any State thereof and having a combined capital and surplus of at least $500,000,000. Upon the acceptance of any appointment as Administrative Agent hereunder by a successor Administrative Agent, such successor Administrative Agent shall succeed to and become vested with all the rights, powers, discretion, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations under the Loan Documents. Upon the acceptance of any appointment as Administrative Agent hereunder by a successor Administrative Agent as to less than all of the Facilities, such successor Administrative Agent shall succeed to and become vested with all the rights, powers, discretion, privileges and duties of the retiring Administrative Agent as to such Facilities, other than with respect to funds transfers and other similar aspects of the administration of Borrowings under such Facilities, and the retiring Administrative Agent shall be discharged from its duties and obligations under this Agreement as to such Facilities, other than as aforesaid. If within 45 days after written notice is given of the retiring Administrative Agent's resignation or removal under this Section 7.06 no successor Administrative Agent shall have been appointed and shall have accepted such appointment, then on such 45th day (a) the retiring Administrative Agent's resignation or removal shall become effective, (b) the retiring Administrative Agent shall thereupon be discharged from its duties and obligations under the Loan Documents and (c) the Required Lenders shall thereafter perform all duties of the retiring Administrative Agent under the Loan Documents until such time, if any, as the Required Lenders appoint a successor Agent as provided above. After any retiring Administrative Agent's resignation or removal hereunder as Administrative Agent as to any of the Facilities shall have become effective, the provisions of this Article VII shall inure to its

benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent as to such Facilities under this Agreement.

SECTION 7.07. First Lien Collateral Agent. Each of the Administrative Agent and the Lenders hereby designates and appoints CLMG as First Lien Collateral Agent under this Agreement and the other Loan Documents and authorizes CLMG, in the capacity of First Lien Collateral Agent, to (A) execute, deliver and perform the obligations, if any, of the First Lien Collateral Agent, as applicable under this Agreement and each other Loan Document and (B) take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the First Lien Collateral Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto; *provided*, *however*, that the First Lien Collateral Agent shall not be required to take any action that exposes the First Lien Collateral Agent to personal liability or that is contrary to this Agreement or applicable law. Without limiting the generality of the foregoing, each of the Administrative Agent and the Lenders hereby authorizes and instructs CLMG, in the capacity of First Lien Collateral Agent, to execute and deliver the documents to be entered into by the First Lien Collateral Agent expressly mentioned in Section 3.01, and, without limiting any of the provisions of this Agreement, CLMG, in the capacity of First Lien Collateral Agent, shall continue to be bound by and entitled to all the benefits and protections afforded to the First Lien Collateral Agent under the Intercreditor Agreement, including Section 7 of the Intercreditor Agreement, as if fully set forth herein.

ARTICLE VIII

GUARANTY

SECTION 8.01. Guaranty; Limitation of Liability. (a) Subject in the case of Athens to the Athens Cap Amount, each Guarantor, jointly and severally, hereby absolutely, unconditionally and irrevocably guarantees the punctual payment when due, whether at scheduled maturity or on any date of a required prepayment or by acceleration, demand or otherwise, of all Obligations of each other Loan Party now or hereafter existing under or in respect of the Loan Documents (including, without limitation, any extensions, modifications, substitutions, amendments or renewals of any or all of the foregoing Obligations), whether direct or indirect, absolute or contingent, and whether for principal, interest, premiums, fees, indemnities, contract causes of action, costs, expenses or otherwise (such Obligations being the "***Guaranteed Obligations***"), and agrees to pay any and all expenses (including, without limitation, reasonable fees and expenses of counsel) incurred by the Administrative Agent or any other Lender in enforcing any rights under this Guaranty or any other Loan Document. Without limiting the generality of the foregoing, subject in the case of Athens to the Athens Cap Amount, each Guarantor's liability shall extend to all amounts that constitute part of the Guaranteed Obligations and would be owed by any other Loan Party to any Lender under or in respect of the Loan Documents but for the fact that they are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving such other Loan Party.

(b) Each Guarantor, and by its acceptance of this Guaranty, the Administrative Agent and each other Lender, hereby confirms that it is the intention of all such Persons that this Guaranty and the obligations of each Guarantor hereunder not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar foreign, federal or state law to the extent applicable to this Guaranty and the obligations of each Guarantor hereunder. To effectuate the foregoing intention, the Administrative Agent, the other Lenders and the Guarantors hereby irrevocably agree that the obligations of each Guarantor under this Guaranty at any time shall be limited to the maximum amount as will result in the obligations of such Guarantor under this Guaranty not constituting a fraudulent transfer or conveyance.

(c) Subject in the case of Athens to the Athens Cap Amount, each Guarantor hereby unconditionally and irrevocably agrees that in the event any payment shall be required to be made to any Lender under this Guaranty or any other guaranty, such Guarantor will contribute, to the maximum extent permitted by law, such amounts to each other Guarantor and each other guarantor so as to maximize the aggregate amount paid to the Lenders under or in respect of the Loan Documents.

SECTION 8.02. Guaranty Absolute. Subject in the case of Athens to the Athens Cap Amount, each Guarantor guarantees that the Guaranteed Obligations will be paid strictly in accordance with the terms of the Loan Documents, regardless of any law, regulation or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of any Lender with respect thereto. The obligations of each Guarantor under or in respect of this Guaranty are independent of the Guaranteed Obligations or any other Obligations of any other Loan Party under or in respect of the Loan Documents, and a separate action or actions may be brought and prosecuted against each Guarantor to enforce this Guaranty, irrespective of whether any action is brought against the Borrower or any other Loan Party or whether the Borrower or any other Loan Party is joined in any such action or actions. The liability of each Guarantor under this Guaranty shall be irrevocable, absolute and unconditional irrespective of, and each Guarantor hereby irrevocably waives any defenses it may now have or hereafter acquire in any way relating to, any or all of the following:

(a) any lack of validity or enforceability of any Loan Document or any agreement or instrument relating thereto;

(b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Guaranteed Obligations or any other Obligations of any other Loan Party under or in respect of the Loan Documents, or any other amendment or waiver of or any consent to departure from any Loan Document, including, without limitation, any increase in the Guaranteed Obligations resulting from the extension of additional credit to any Loan Party or any of its Subsidiaries or otherwise;

(c) any taking, exchange, release or non-perfection of any Collateral or any other collateral, or any taking, release or amendment or waiver of, or consent to departure from, any other guaranty, for all or any of the Guaranteed Obligations;

(d) any manner of application of Collateral or any other collateral, or proceeds thereof, to all or any of the Guaranteed Obligations, or any manner of sale or other disposition of any Collateral or any other collateral for all or any of the Guaranteed Obligations or any other Obligations of any Loan Party under the Loan Documents or any other assets of any Loan Party or any of its Subsidiaries;

(e) any change, restructuring or termination of the corporate structure or existence of any Loan Party or any of its Subsidiaries;

(f) any failure of any Lender to disclose to any Loan Party any information relating to the business, condition (financial or otherwise), operations, performance, properties or prospects of any other Loan Party now or hereafter known to such Lender (each Guarantor waiving any duty on the part of the Lenders to disclose such information);

(g) the failure of any other Person to execute or deliver this Agreement or any other guaranty or agreement or the release or reduction of liability of any Guarantor or other guarantor or surety with respect to the Guaranteed Obligations; or

(h) any other circumstance (including, without limitation, any statute of limitations) or any existence of or reliance on any representation by any Lender that might otherwise constitute a defense available to, or a discharge of, any Loan Party or any other guarantor or surety.

This Guaranty shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the Guaranteed Obligations is rescinded or must otherwise be returned by any Lender or any other Person upon the insolvency, bankruptcy or reorganization of the Borrower or any other Loan Party or otherwise, all as though such payment had not been made.

SECTION 8.03. Waivers and Acknowledgments. (a) Each Guarantor hereby unconditionally and irrevocably waives promptness, diligence, notice of acceptance, presentment, demand for performance, notice of nonperformance, default, acceleration, protest or dishonor and any other notice with respect to any of the Guaranteed Obligations and this Guaranty and any requirement that any Lender protect, secure, perfect or insure any Lien or any property subject thereto or exhaust any right or take any action against any Loan Party or any other Person or any Collateral.

(b) Each Guarantor hereby unconditionally and irrevocably waives any right to revoke this Guaranty and acknowledges that this Guaranty is continuing in nature and applies to all Guaranteed Obligations, whether existing now or in the future.

(c) Each Guarantor hereby unconditionally and irrevocably waives (i) any defense arising by reason of any claim or defense based upon an election of remedies by any Lender that in any manner impairs, reduces, releases or otherwise adversely affects the subrogation, reimbursement, exoneration, contribution or indemnification rights of such Guarantor or other rights of such Guarantor to proceed against any of the other Loan Parties, any

other guarantor or any other Person or any Collateral and (ii) any defense based on any right of set-off or counterclaim against or in respect of the obligations of such Guarantor hereunder.

(d) Each Guarantor acknowledges that the First Lien Collateral Agent may, without notice to or demand upon such Guarantor and without affecting the liability of such Guarantor under this Guaranty, foreclose under any mortgage by nonjudicial sale, and each Guarantor hereby waives any defense to the recovery by the First Lien Collateral Agent and the other First Lien Secured Parties against such Guarantor of any deficiency after such nonjudicial sale and any defense or benefits that may be afforded by applicable law.

(e) Each Guarantor hereby unconditionally and irrevocably waives any duty on the part of any Lender to disclose to such Guarantor any matter, fact or thing relating to the business, condition (financial or otherwise), operations, performance, properties or prospects of any other Loan Party or any of its Subsidiaries now or hereafter known by such Lender.

(f) Each Guarantor acknowledges that it will receive substantial direct and indirect benefits from the financing arrangements contemplated by the Loan Documents and that the waivers set forth in Section 8.02 and this Section 8.03 are knowingly made in contemplation of such benefits.

SECTION 8.04. Subrogation. Each Guarantor hereby unconditionally and irrevocably agrees not to exercise any rights that it may now have or hereafter acquire against the Borrower or any other Loan Party that arise from the existence, payment, performance or enforcement of such Guarantor's obligations under or in respect of this Guaranty or any other Loan Document, including, without limitation, any right of subrogation, reimbursement, exoneration, contribution or indemnification and any right to participate in any claim or remedy of any Lender against the Borrower, any other Loan Party or any Collateral, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, including, without limitation, the right to take or receive from the Borrower or any other Loan Party directly or indirectly, in Cash or other property or by set-off or in any other manner, payment or security on account of such claim, remedy or right, unless and until all of the Guaranteed Obligations and all other amounts payable under this Guaranty shall have been paid in full in Cash and the Commitments shall have expired or been terminated. If any amount shall be paid to any Guarantor in violation of the immediately preceding sentence at any time prior to the latest of (a) the payment in full in Cash of the Guaranteed Obligations and all other amounts payable under this Guaranty and (b) the latest of the Term B Maturity Date, the Term C Maturity Date and the Revolving Credit Termination Date, such amount shall be received and held in trust for the benefit of the Lenders, shall be segregated from other property and funds of such Guarantor and shall forthwith be paid or delivered to the Administrative Agent in the same form as so received (with any necessary endorsement or assignment) to be credited and applied to the Guaranteed Obligations and all other amounts payable under this Guaranty, whether matured or unmatured, in accordance with the terms of the Loan Documents, or to be held as Collateral for any Guaranteed Obligations or other amounts payable under this Guaranty thereafter arising. If (i) any Guarantor shall make payment to any Lender of all or any part of the Guaranteed Obligations, (ii) all of the Guaranteed Obligations and all other amounts payable under this

Guaranty shall have been paid in full in Cash, (iii) the Term B Maturity Date shall have occurred, the Lenders will, at such Guarantor's request and expense, execute and deliver to such Guarantor appropriate documents, without recourse and without representation or warranty, necessary to evidence the transfer by subrogation to such Guarantor of an interest in the Guaranteed Obligations resulting from such payment made by such Guarantor pursuant to this Guaranty.

SECTION 8.05. Subordination. Each Guarantor hereby subordinates any and all debts, liabilities and other obligations owed to such Guarantor by each other Loan Party (the "***Subordinated Obligations***") to the Guaranteed Obligations to the extent and in the manner hereinafter set forth in this Section 8.05:

(a) Prohibited Payments, Etc. Except during the continuance of any Event of Default, each Guarantor may receive regularly scheduled payments from any other Loan Party on account of the Subordinated Obligations in compliance with the Security Deposit Agreement. After the occurrence and during the continuance of any Event of Default, however, unless the Required Lenders otherwise agree, no Guarantor shall demand, accept or take any action to collect any payment on account of the Subordinated Obligations other than to the extent payment of such Subordinated Obligations is permitted under the terms of the Security Deposit Agreement and the other Loan Documents.

(b) Prior Payment of Guaranteed Obligations. In any proceeding under any Bankruptcy Law relating to any other Loan Party, each Guarantor agrees that the Lenders shall be entitled to receive payment in full in Cash of all Guaranteed Obligations (including all interest and expenses accruing after the commencement of a proceeding under any Bankruptcy Law, whether or not constituting an allowed claim in such proceeding ("***Post-Petition Interest***")) before such Guarantor receives payment of any Subordinated Obligations.

(c) Turn-Over. After the occurrence and during the continuance of any Default, each Guarantor shall, if the Administrative Agent so requests, collect, enforce and receive payments on account of the Subordinated Obligations as trustee for the Lenders and deliver such payments to the Administrative Agent on account of the Guaranteed Obligations (including all Post-Petition Interest), together with any necessary endorsements or other instruments of transfer, but without reducing or affecting in any manner the liability of such Guarantor under the other provisions of this Guaranty.

(d) Administrative Agent Authorization. After the occurrence and during the continuance of any Default, the Administrative Agent is authorized and empowered (but without any obligation to so do), in its discretion, (i) in the name of each Guarantor, to collect and enforce, and to submit claims in respect of, the Subordinated Obligations and to apply any amounts received thereon to the Guaranteed Obligations (including any and all Post-Petition Interest), and (ii) to require each Guarantor (A) to collect and enforce, and to submit claims in respect of, the Subordinated Obligations and (B) to pay any amounts received on such obligations to the Administrative Agent for application to the Guaranteed Obligations (including any and all Post-Petition Interest).

SECTION 8.06. Continuing Guaranty; Assignments. This Guaranty is a continuing guaranty and shall (a) remain in full force and effect until a Repayment Event has occurred, (b) be binding upon each Guarantor, its successors and assigns and (c) inure to the benefit of and be enforceable by the Lenders and their successors, transferees and assigns. Without limiting the generality of clause (c) of the immediately preceding sentence, any Lender may assign or otherwise transfer all or any portion of its rights and obligations under this Agreement (including, without limitation, all or any portion of its Commitments, the Loans owing to it and any Note or Notes held by it) to any other Person, and such other Person shall thereupon become vested with all the benefits in respect thereof granted to such Lender herein or otherwise, in each case as and to the extent provided in Section 9.07. No Guarantor shall have the right to assign its rights hereunder or any interest herein without the prior written consent of the Required Lenders, which consent may be granted or withheld in the Required Lenders' sole and absolute discretion.

SECTION 8.07. Eligible Contract Participant.

(a) Each Guarantor (other than MACH Gen GP, LLC) represents and warrants on the date hereof that, to the extent any Guaranteed Obligations include Swap Obligations on the date hereof, it is an "eligible contract participant" as defined in the Commodity Exchange Act and the regulations issued thereunder.

(b) Each Guarantor (other than MACH Gen GP, LLC) agrees that at such time as the Guaranteed Obligations of such Guarantor includes Swap Obligations, and at such other times as are required for purposes of the Commodity Exchange Act and the regulations thereunder, such Guarantor shall constitute an "eligible contract participant" as defined in the Commodity Exchange Act and the regulations thereunder.

SECTION 8.08. Keepwell. Each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by any other Guarantor to honor all of such Guarantor's Swap Obligations to the extent included in such Guarantor's Guaranteed Obligations under this Article VIII (provided, however, that each Qualified ECP Guarantor shall only be liable under this Section 8.08 for the maximum amount of such liability that can be hereby incurred without rendering its obligation under this Section 8.08, or otherwise under this Article VIII, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of each Qualified ECP Guarantor under this Section 8.08 shall remain in full force and effect until the date on which all the Guaranteed Obligations pursuant to and in accordance with this Article VIII are irrevocably and unconditionally discharged in full (but solely to the extent such Guaranteed Obligations include Swap Obligations). Each Qualified ECP Guarantor intends that this Section 8.08 constitute, and this Section 8.08 shall be deemed to constitute, a keepwell, support, or other agreement for the benefit of each Guarantor for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

SECTION 8.09. Excluded Swap Obligations. In no event shall the Guaranty or any guarantee of any Guarantor in respect of any Swap Obligation under any Hedge Agreements and

Commodity Hedge and Power Sale Agreements include, or be deemed to include, a guarantee of any Excluded Swap Obligations.

Delivery by telecopier of an executed counterpart of a signature page to any amendment or waiver of any provision of this Agreement or the Notes shall be effective as delivery of an original executed counterpart thereof.

(b) The Borrower hereby agrees that it will provide to the Administrative Agent all information, documents and other materials that it is obligated to furnish to the Administrative Agent pursuant to the Loan Documents, including, without limitation, all notices, requests, financial statements, financial and other reports, certificates and other information materials, but excluding any such communication that (i) relates to a request for a new Borrowing (including any election of an interest rate or interest period relating thereto), (ii) relates to the payment of any principal or other amount due under this Agreement prior to the scheduled date therefor, (iii) provides notice of any Default or Event of Default under this Agreement or (iv) is required to be delivered to satisfy any condition precedent to the effectiveness of this Agreement and/or any Borrowing or other extension of credit thereunder (all such non-excluded communications being referred to herein collectively as "***Communications***"), by transmitting the Communications in an electronic/soft medium in a format acceptable to the Administrative Agent to an electronic mail address specified by the Administrative Agent to the

The Borrower further agrees that the Administrative Agent may make the Communications available to the Lenders by posting the Communications on IntraLinks or a substantially similar electronic transmission system (the "***Platform***").

(c) THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE". THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE COMMUNICATIONS, OR THE ADEQUACY OF THE PLATFORM AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS OR OMISSIONS IN THE COMMUNICATIONS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY THE AGENT PARTIES IN CONNECTION WITH THE COMMUNICATIONS OR THE PLATFORM. Each Lender agrees (i) that notice to it (as provided in the next sentence) specifying that the Communications have been posted to the Platform shall constitute effective delivery of the Communications to such Lender for purposes of the Loan Documents. Each Lender agrees to notify the Administrative Agent in writing (including by electronic communication) from time to time of such Lender's e-mail address to which the foregoing notice may be sent by electronic transmission and (ii) that the foregoing notice may be sent to such e-mail address. Nothing herein shall prejudice the right of the Administrative Agent or any Lender to give any notice or other communication pursuant to any Loan Document in any other manner specified in such Loan Document.

SECTION 9.03. No Waiver; Remedies. No failure on the part of any Lender or any Agent to exercise, and no delay in exercising, any right hereunder or under any Note or any other

Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

SECTION 9.04. Costs and Expenses. (a)The Borrower agrees to pay on demand (i) all costs and expenses of each Agent in connection with the preparation, execution, delivery, administration, modification and amendment of, or any consent or waiver under, the Loan Documents (including, without limitation, (A) all due diligence, collateral review, syndication, transportation, computer, duplication, appraisal, audit, insurance, consultant, search, filing and recording fees and expenses and (B) the reasonable fees and expenses of counsel for each Agent with respect thereto, with respect to advising such Agent as to its rights and responsibilities, or the perfection, protection or preservation of rights or interests, under the Loan Documents, with respect to negotiations with any Loan Party or with other creditors of any Loan Party or any of its Subsidiaries arising out of any Default or any events or circumstances that may give rise to a Default and with respect to presenting claims in or otherwise participating in or monitoring any bankruptcy, insolvency or other similar proceeding involving creditors' rights generally and any proceeding ancillary thereto) and (ii) all costs and expenses of each Agent and each Lender in connection with the enforcement of the Loan Documents, whether in any action, suit or litigation, or any bankruptcy, insolvency or other similar proceeding affecting creditors' rights generally (including, without limitation, the reasonable fees and expenses of counsel for the Administrative Agent and each Lender with respect thereto).

(b) The Borrower agrees to indemnify, defend and save and hold harmless each Agent, each Lender, each of their Affiliates and the respective officers, directors, employees, trustees, agents and advisors of each of the foregoing (each, an "***Indemnified Party***") from and against, and shall pay on demand, any and all claims, damages, losses, liabilities and expenses (including, without limitation, reasonable fees and expenses of counsel) that may be incurred by or asserted or awarded against any Indemnified Party, in each case arising out of or in connection with or by reason of (including, without limitation, in connection with any investigation, litigation or proceeding or preparation of a defense in connection therewith) (i) the Facilities, the actual or proposed use of the proceeds of the Loans, the Loan Documents or any of the transactions contemplated thereby, (ii) the Tax Sharing Agreement or (iii) the actual or alleged presence of Hazardous Materials on any property of any Loan Party or any of its Subsidiaries or any Environmental Action relating in any way to any Loan Party or any of its Subsidiaries, except to the extent such claim, damage, loss, liability or expense is found in a final, non-appealable judgment by a court of competent jurisdiction to have resulted from such Indemnified Party's gross negligence or willful misconduct. In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 9.04(b) applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Loan Party, its directors, shareholders or creditors, any Indemnified Party or any other Person, whether or not any Indemnified Party is otherwise a party thereto and whether or not the transactions contemplated thereby are consummated. The Borrower also agrees not to assert any claim against any Agent, any Lender or any of their Affiliates, or any of their respective officers, directors, employees, trustees, agents and advisors, on any theory of liability, for special, indirect, consequential or punitive damages arising out of or otherwise relating to the Facilities,

the actual or proposed use of the proceeds of the Loans, the Loan Documents or any of the transactions contemplated by the Loan Documents.

(c) If (i) any payment of principal of any Loan is made by the Borrower to or for the account of a Lender other than on the last day of the Interest Period for such Loan as a result of (A) acceleration of the maturity of the Loans pursuant to Section 6.01 or (B) a mandatory prepayment of the Loans pursuant to Section 2.06(b), or (ii) the Borrower fails to make any payment or prepayment of a Loan after the Borrower had delivered a notice of prepayment, whether, in the case of this clause (ii), pursuant to Section 2.04 or 6.01 or otherwise, the Borrower shall, upon demand by such Lender (with a copy of such demand to the Administrative Agent), pay to the Administrative Agent for the account of such Lender any amounts required to compensate such Lender for any additional losses, costs or expenses that it may reasonably incur as a result of such payment or such failure to pay or prepay, as the case may be, including, without limitation, any loss (excluding loss of anticipated profits), cost or expense incurred by reason of the liquidation or reemployment of deposits or other funds acquired by any Lender to fund or maintain such Loan.

(d) If any Loan Party fails to pay when due any costs, expenses or other amounts payable by it under any Loan Document, including, without limitation, fees and expenses of counsel and indemnities, such amount may be paid on behalf of such Loan Party by the Administrative Agent or any Lender, in its sole discretion.

(e) Without prejudice to the survival of any other agreement of any Loan Party hereunder or under any other Loan Document, the agreements and obligations of the Borrower contained in Sections 2.10 and 2.12 and this Section 9.04 shall survive the payment in full of principal, interest and all other amounts payable hereunder and under any of the other Loan Documents.

SECTION 9.05. Right of Set-off. Upon (a) the occurrence and during the continuance of any Event of Default and (b) the making of the request or the granting of the consent specified by Section 6.01 to authorize the Administrative Agent to declare the Loans due and payable pursuant to the provisions of Section 6.01, each Agent and each Lender and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and otherwise apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Agent, such Lender or such Affiliate to or for the credit or the account of the Borrower against any and all of the Obligations of the Borrower now or hereafter existing under the Loan Documents, irrespective of whether such Agent or such Lender shall have made any demand under this Agreement and although such Obligations may be unmatured. Each Agent and each Lender agrees promptly to notify the Borrower after any such set-off and application; *provided*, *however*, that the failure to give such notice shall not affect the validity of such set-off and application. The rights of each Agent and each Lender and their respective Affiliates under this Section are in addition to other rights and remedies (including, without limitation, other rights of set-off) that such Agent, such Lender and their respective Affiliates may have.

SECTION 9.06. Binding Effect. This Agreement shall become effective when it shall have been executed by the Borrower and each Agent and the Administrative Agent shall have been notified by each initial Lender that such initial Lender has executed it and thereafter shall be binding upon and inure to the benefit of the Borrower, each Agent and each Lender and their respective successors and assigns, except that the Borrower shall not have the right to assign its rights hereunder or any interest herein without the prior written consent of each Lender. This Agreement is intended to be solely for the benefit of the parties hereto and is not intended to confer any benefits upon, or create any rights in favor of, any person other than the parties hereto.

SECTION 9.07. Assignments and Participations. (a) Each Lender may assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including, without limitation, all or a portion of its Commitment or Commitments, the Loans owing to it, and the Note or Notes held by it); *provided*, *however*, that (i) each such assignment shall be of a uniform, and not a varying, percentage of all rights and obligations under and in respect of any or all Facilities, (ii) except in the case of an assignment to a Person that, immediately prior to such assignment, was a Lender, an Affiliate of any Lender or an Approved Fund of any Lender or an assignment of all of a Lender's rights and obligations under this Agreement, the aggregate amount of the Commitments being assigned to such Eligible Assignee pursuant to such assignment (determined as of the date of the Assignment and Acceptance with respect to such assignment) shall in no event be less than $2,000,000 (or such lesser amount as shall be approved by the Administrative Agent and, so long as no Default shall have occurred and be continuing at the time of effectiveness of such assignment, the Borrower), (iii) each such assignment shall be to an Eligible Assignee, (iv) no such assignments shall be permitted without the written consent of the Administrative Agent, which consent shall not be unreasonably withheld and (v) the parties to each such assignment shall execute and deliver to the Administrative Agent, for its acceptance and recording in the Register, an Assignment and Acceptance, together with any Note or Notes (if any) subject to such assignment.

(b) [Reserved].

(c) [Reserved].

(d) Upon such execution, delivery, acceptance and recording, from and after the effective date specified in such Assignment and Acceptance, (i) the assignee thereunder shall be a party hereto and, to the extent that rights and obligations hereunder have been assigned to it pursuant to such Assignment and Acceptance, have the rights and obligations of a Lender hereunder and (ii) the Lender assignor thereunder shall, to the extent that rights and obligations hereunder have been assigned by it pursuant to such Assignment and Acceptance, relinquish its rights (other than its rights under Sections 2.10, 2.12 and 9.04 to the extent any claim thereunder relates to an event arising prior to such assignment) and be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the remaining portion of an assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto).

(e) By executing and delivering an Assignment and Acceptance, each Lender assignor thereunder and each assignee thereunder confirm to and agree with each other and the other parties thereto and hereto as follows: (i) other than as provided in such Assignment and Acceptance, such assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with any Loan Document or the execution, legality, validity, enforceability, genuineness, sufficiency or value of, or the perfection or priority of any lien or security interest created or purported to be created under or in connection with, any Loan Document or any other instrument or document furnished pursuant thereto; (ii) such assigning Lender makes no representation or warranty and assumes no responsibility with respect to the financial condition of any Loan Party or the performance or observance by any Loan Party of any of its obligations under any Loan Document or any other instrument or document furnished pursuant thereto; (iii) such assignee confirms that it has received a copy of this Agreement, together with copies of the financial statements referred to in Section 4.01 and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (iv) such assignee will, independently and without reliance upon any Agent, such assigning Lender or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement; (v) such assignee confirms that it is an Eligible Assignee; (vi) such assignee appoints and authorizes each Agent to take such action as agent on its behalf and to exercise such powers and discretion under the Loan Documents as are delegated to such Agent by the terms hereof and thereof, together with such powers and discretion as are reasonably incidental thereto; and (vii) such assignee agrees that it will perform in accordance with their terms all of the obligations that by the terms of this Agreement are required to be performed by it as a Lender.

(f) The Administrative Agent, acting for this purpose (but only for this purpose) as the agent of the Borrower, shall maintain at its address referred to in Section 9.02 a copy of each Assignment and Acceptance delivered to and accepted by it and a register for the recordation of the names and addresses of the Lenders and the Commitment under each Facility of, and principal amount of the Loans owing under each Facility to, each Lender from time to time (the "***Register***"). The entries in the Register shall be conclusive and binding for all purposes, absent manifest error, and the Borrower, the Agents and the Lenders shall treat each Person whose name is recorded in the Register as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrower or any Agent or any Lender at any reasonable time and from time to time upon reasonable prior notice.

(g) Upon its receipt of an Assignment and Acceptance executed by an assigning Lender and an assignee, together with any Note or Notes (if any) subject to such assignment, the Administrative Agent shall, if such Assignment and Acceptance has been completed and is in substantially the form of Exhibit C hereto, (i) accept such Assignment and Acceptance, (ii) record the information contained therein in the Register and (iii) give prompt notice thereof to the Borrower and each other Agent. In the case of any assignment by a Lender, within five Business Days after its receipt of such notice, the Borrower, at its own expense, shall execute and deliver to the Administrative Agent in exchange for the surrendered Note or Notes

(if any) an amended and restated Note (which shall be marked "*Amended and Restated*") to the order of such Eligible Assignee in an amount equal to the Commitment assumed by it under each Facility pursuant to such Assignment and Acceptance and, if any assigning Lender that had a Note or Notes prior to such assignment has retained a Commitment hereunder under such Facility, an amended and restated Note to the order of such assigning Lender in an amount equal to the Commitment retained by it hereunder. Such amended and restated Note or Notes shall be dated the effective date of such Assignment and Acceptance and shall otherwise be in substantially the form of Exhibit A-1, A-2 or A-3 hereto, as the case may be.

(h) Each Lender may sell participations to one or more Persons (other than any Loan Party or any of its Affiliates) in or to all or a portion of its rights and obligations under this Agreement (including, without limitation, all or a portion of its Commitments, the Loans owing to it and the Note or Notes (if any) held by it); *provided*, *however*, that (i) such Lender's obligations under this Agreement (including, without limitation, its Commitments) shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (iii) such Lender shall remain the holder of any such Note for all purposes of this Agreement, (iv) the Borrower, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement and (v) no participant under any such participation shall have any right to approve any amendment or waiver of any provision of any Loan Document, or any consent to any departure by any Loan Party therefrom.

(i) Any Lender may, in connection with any assignment or participation or proposed assignment or participation pursuant to this Section 9.07, disclose to the assignee or participant or proposed assignee or participant any information relating to the Borrower furnished to such Lender by or on behalf of the Borrower; *provided*, *however*, that, prior to any such disclosure, the assignee or participant or proposed assignee or participant shall agree to preserve the confidentiality of any Confidential Information received by it from such Lender.

(j) Notwithstanding any other provision set forth in this Agreement, any Lender may at any time create a security interest in all or any portion of its rights under this Agreement (including, without limitation, the Loans owing to it and the Note or Notes (if any) held by it) in favor of any Federal Reserve Bank or Federal Home Loan Bank in accordance with Regulation A of the Board of Governors of the Federal Reserve System or similar laws and regulations relating to the Federal Home Loan Banks.

(k) Notwithstanding anything to the contrary contained herein, any Lender that is a Fund may, without the consent of the Borrower or any other Person, create a security interest in all or any portion of the Loans owing to it and any Note or Notes held by it to the trustee for holders of obligations owed, or securities issued, by such Fund as security for such obligations or securities; *provided* that, unless and until such trustee actually becomes a Lender in compliance with the other provisions of this Section 9.07, (i) no such pledge shall release the pledging Lender from any of its obligations under the Loan Documents and (ii) such trustee shall not be entitled to exercise any of the rights of a Lender under the Loan Documents even though

such trustee may have acquired ownership rights with respect to the pledged interest through foreclosure or otherwise.

(l) Notwithstanding anything to the contrary contained herein, any Lender (a "***Granting Lender***") may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower (an "***SPC***") the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; *provided* that (i) nothing herein shall constitute a commitment by any SPC to fund any Loan and (ii) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Each party hereto hereby agrees that (i) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable, (ii) no SPC shall be entitled to the benefits of Section 2.10 and Section 2.12 (or any other increased costs protection provision) and (iii) the Granting Lender shall for all purposes, including, without limitation, the approval of any amendment or waiver of any provision of any Loan Document, remain the Lender of record hereunder. In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior Debt of any SPC, it will not institute against, or join any other person in instituting against, such SPC any bankruptcy, reorganization, arrangement, insolvency or liquidation proceeding under the laws of the United States or any State thereof. Notwithstanding anything to the contrary contained in this Agreement, any SPC may (i) with notice to, but without prior consent of, the Borrower and the Administrative Agent and with the payment of a processing fee of $500, assign all or any portion of its interest in any Loan to the Granting Lender and (ii) disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or guarantee or credit or liquidity enhancement to such SPC. This subsection (l) may not be amended without the prior written consent of each Granting Lender, all or any part of whose Loans are being funded by the SPC at the time of such amendment.

SECTION 9.08. Execution in Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery by telecopier of an executed counterpart of a signature page to this Agreement shall be effective as delivery of an original executed counterpart of this Agreement.

SECTION 9.09. [Reserved].

SECTION 9.10. Confidentiality. Neither any Agent nor any Lender shall disclose any Confidential Information to any Person without the consent of the Borrower, other than (a) to such Agent's or such Lender's Affiliates and their officers, directors, employees, trustees, agents and advisors and to actual or prospective Eligible Assignees and participants, and then

only on a confidential basis, (b) as required by any law, rule or regulation or judicial process, (c) as requested or required by any state, Federal or foreign authority or examiner (including the National Association of Insurance Commissioners or any similar organization or quasi-regulatory authority) regulating such Lender, (d) to any rating agency when required by it, *provided* that, prior to any such disclosure, such rating agency shall undertake to preserve the confidentiality of any Confidential Information relating to the Loan Parties received by it from such Lender, (e) in connection with any litigation or proceeding to which such Agent or such Lender or any of its Affiliates may be a party or (f) in connection with the exercise of any right or remedy under this Agreement or any other Loan Document.

SECTION 9.11. Marshalling; Payments Set Aside. Neither any Agent nor any Lender shall be under any obligation to marshal any assets in favor of any Loan Party or any other Person or against or in payment of any or all of the Obligations. To the extent that any Loan Party makes a payment or payments to the Administrative Agent or the Lenders (or to Administrative Agent, on behalf of the Lenders), or any Agent or Lender enforces any security interests or exercise its rights of setoff, and such payment or payments or the proceeds of such enforcement or setoff or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside and/or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, any other state or federal law, common law or any equitable cause, then, to the extent of such recovery, the obligation or part thereof originally intended to be satisfied, and all Liens, rights and remedies therefor or related thereto, shall be revived and continued in full force and effect as if such payment or payments had not been made or such enforcement or setoff had not occurred.

SECTION 9.12. Patriot Act Notice. Each Lender and each Agent (for itself and not on behalf of any Lender) hereby notifies the Loan Parties that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of such Loan Party and other information that will allow such Lender or such Agent, as applicable, to identify such Loan Party in accordance with the Patriot Act. The Borrower shall, and shall cause each of its Subsidiaries to, provide such information and take such actions as are reasonably requested by any Agent or any Lender in order to assist the Agents and the Lenders in maintaining compliance with the Patriot Act.

SECTION 9.13. Jurisdiction, Etc. (a) Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of any New York State court or Federal court of the United States of America sitting in New York City, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or any of the other Loan Documents to which it is a party, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in any such New York State court or, to the fullest extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Except as provided in Section 9.16, nothing in this Agreement shall affect any right that any party may otherwise have to bring any action or

proceeding relating to this Agreement or any of the other Loan Documents in the courts of any jurisdiction.

(b) Each of the parties hereto irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any of the other Loan Documents to which it is a party in any New York State or Federal court. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

SECTION 9.14. Governing Law. This Agreement and the Notes shall be governed by, and construed in accordance with, the laws of the State of New York.

SECTION 9.15. Waiver of Jury Trial. Each of the Borrower, the Agents and the Lenders irrevocably waives all right to trial by jury in any action, proceeding or counterclaim (whether based on contract, tort or otherwise) arising out of or relating to any of the Loan Documents, the Loans or the actions of any Agent or any Lender in the negotiation, administration, performance or enforcement thereof.

SECTION 9.16. Limitation on Liability. TO THE EXTENT PERMITTED BY APPLICABLE LAW, AND NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT OR THE OTHER LOAN DOCUMENTS: (A) NONE OF THE ADMINISTRATIVE AGENT, THE LENDERS OR ANY INDEMNIFIED PARTY SHALL BE LIABLE TO ANY PARTY FOR ANY INDIRECT, SPECIAL, PUNITIVE OR CONSEQUENTIAL DAMAGES IN CONNECTION WITH THEIR RESPECTIVE ACTIVITIES RELATED TO THIS AGREEMENT, THE OTHER LOAN DOCUMENTS, THE TRANSACTIONS CONTEMPLATED THEREBY, THE TERM B LOANS, THE TERM C LOANS, THE REVOLVING CREDIT LOANS, OR OTHERWISE IN CONNECTION WITH THE FOREGOING; (B) WITHOUT LIMITING THE FOREGOING, NONE OF THE ADMINISTRATIVE AGENT, THE LENDERS OR ANY INDEMNIFIED PARTY SHALL BE SUBJECT TO ANY EQUITABLE REMEDY OR RELIEF, INCLUDING SPECIFIC PERFORMANCE OR INJUNCTION ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE OTHER LOAN DOCUMENTS, OR THE TRANSACTIONS CONTEMPLATED THEREBY; (C) NONE OF THE ADMINISTRATIVE AGENT, THE LENDERS OR ANY INDEMNIFIED PARTY SHALL HAVE ANY LIABILITY TO THE LOAN PARTIES, FOR DAMAGES OR OTHERWISE, ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE OTHER LOAN DOCUMENTS, OR THE TRANSACTIONS CONTEMPLATED THEREBY UNTIL THE EFFECTIVE DATE HAS OCCURRED; AND (D) IN NO EVENT SHALL LENDERS' LIABILITY TO THE LOAN PARTIES FOR FAILURE TO FUND ANY REVOLVING CREDIT LOAN EXCEED ACTUAL DIRECT DAMAGES INCURRED BY THE LOAN PARTIES OF UP TO $10,000,000 IN THE AGGREGATE.

SECTION 9.17. Acknowledgment and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other

agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of any EEA Resolution Authority.

[Remainder of Page Intentionally Left Blank]

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their respective officers thereunto duly authorized, as of the date first above written.

i. All such policies required in "f," "g" and "h" above may have deductibles of not greater than $5,000,000 for physical damage per occurrence all locations, except for earthquake, flood and named windstorm.

j. Pollution Legal Liability of not less than $2,000,000 per occurrence and in the aggregate including preexisting and new conditions for on-site and off-site cleanup, bodily injury and property damage. Such other or additional insurance (as to risks covered, policy amounts, policy provisions or otherwise) as, under Prudent Industry Practice, are from time to time insured against for property and facilities similar in nature, use and location to the Projects which the Administrative Agent or the First Lien Collateral Agent may reasonably require.

2. In the event any insurance (including the limits or deductibles thereof) hereby required to be maintained, other than insurance required by law to be maintained shall not be available or commercially feasible in the commercial insurance market, the Secured Parties shall not unreasonably withhold their agreement to waive such requirement to the extent the maintenance thereof is not so available; provided, however, that: (i) the Borrower shall first request any such waiver in writing ten (10) Business Days prior to the policy renewal, which request shall be accompanied by written reports prepared by the Borrower's insurance broker and the independent insurance consultant certifying that such insurance is not reasonably available and commercially feasible in the commercial insurance market for electric generating plants of similar type and capacity (and, in any case

where the required amount is not so available, certifying as to the maximum amount which is so available) and explaining in detail the basis for such conclusions, such insurance advisers and the form and substance of such reports to be reasonably acceptable to the Administrative Agent and the First Lien Collateral Agent; (ii) at any time after the granting of any such waiver, the Administrative Agent and the First Lien Collateral Agent may request, and the Borrower shall furnish to the Administrative Agent and the First Lien Collateral Agent within fifteen (15) days after such request, supplemental reports reasonably acceptable to the Administrative Agent and the First Lien Collateral Agent from such insurance advisers updating their prior reports and reaffirming such conclusion; and (iii) any such waiver shall be effective only so long as such insurance shall not be available and commercially feasible in the commercial insurance market, it being understood that the failure of the Borrower to timely furnish any such supplemental report shall be conclusive evidence that such waiver is no longer effective because such condition no longer exists, but that such failure is not the only way to establish such non-existence.

3. Endorsements. Policies issued pursuant hereto shall contain the following or equivalent unless waived by Administrative Agent and the First Lien Collateral Agent with the consent of the Secured Parties in accordance with the Credit Agreement. All policies of liability insurance required to be maintained shall be endorsed as follows: (i) to name the Borrower or the Guarantors, as applicable, and its respective officers and employees as named insureds, and to name the Administrative Agent, the First Lien Collateral Agent and the Secured Parties and their respective officers and employees as additional insureds; (ii) to provide a severability of interests and cross liability clause; and (iii) to provide that the insurance shall be primary and not excess to or contributing with any insurance or self-insurance maintained by the Secured Parties.

4. Waiver of Subrogation. The Borrower and each of its Subsidiaries hereby waives any and every claim for recovery from the Secured Parties, the Administrative Agent and the First Lien Collateral Agent for any and all loss or damage covered by any of the insurance policies to be maintained under the Loan Documents to the extent that such loss or damage is recovered under any such policy. Inasmuch as the foregoing waiver will preclude the assignment of any such claim to the extent of such recovery, by subrogation (or otherwise), to an insurance company (or other Person), the Borrower shall give written notice of the terms of such waiver to each insurance company which has issued, or which may issue in the future, any such policy of insurance (if such notice is required by the insurance policy) and shall cause each such insurance policy to be properly endorsed by the issuer thereof to, or to otherwise contain one or more provisions that, prevent the invalidation of the insurance coverage provided thereby by reason of such waiver. Insurer to provide that there shall be no recourse against any Secured Party for payment of premiums or other amounts with respect thereto.

5. Additional Provisions.

a. Loss Notification: The Borrower shall promptly notify the Administrative Agent and the First Lien Collateral Agent of any Casualty Event likely to give rise to a claim under the physical damage insurance policy for an amount in excess of $5,000,000.

b. Payment of Loss Proceeds: The all-risk, property, machinery, marine cargo, transit, physical damage and other applicable first party insurance policies shall include a standard lender's 438 BFU loss payable endorsement (or other acceptable endorsement) in favor of the First Lien Collateral Agent and shall name the First Lien Collateral Agent as sole loss payee.

c. The loss payable endorsement described in the previous paragraph shall contain non-vitiation language reasonably acceptable to the Administrative Agent and the First Lien Collateral Agent which shall provide that in the event that any of the Loan Parties performs a vitiating act that might otherwise void coverage, the coverage will remain in full force and effect for the benefit of the Secured Parties.

d. Loss Adjustment and Settlement: A loss under any of the first party policies (including property and machinery) shall be adjusted with the insurance companies, including the filing in a timely manner of appropriate proceedings, by the Borrower, subject to the approval of the Administrative Agent and the First Lien Collateral Agent, which shall be not unreasonably withheld or delayed, for any claims incurred above an annual cumulative claim amount of $5,000,000. In addition, the Borrower may in its reasonable judgment consent to the settlement of any loss, provided that in the event that the amount of the loss exceeds $5,000,000 the terms of such settlement are approved by the Administrative Agent and the First Lien Collateral Agent (which approval shall not be unreasonably withheld or delayed).

e. In the event that any Loan Party fails to respond in a timely and appropriate manner (as reasonably determined by the Administrative Agent and the First Lien Collateral Agent) to take any steps necessary or reasonably requested by the Administrative Agent or the First Lien Collateral Agent to collect from any insurers for any loss covered by any insurance required to be maintained by this Schedule, the Administrative Agent and the First Lien Collateral Agent shall have the right to make all proofs of loss, adjust all claims and/or receive all or any part of the proceeds of the foregoing insurance policies, either in its own name or the name of the Borrower; provided, however, that such Loan Party shall, upon the Administrative Agent's or the First Lien Collateral Agent's request and at such Loan Party's own cost and expense, make all proofs of loss and take all other steps necessary or reasonably requested by the

Administrative Agent or the First Lien Collateral Agent, as the case may be, to collect from insurers for any loss covered by any insurance required to be obtained by this Schedule.

f. Policy Cancellation and Change: All policies of insurance required to be maintained pursuant to this Schedule shall be endorsed so that if at any time they should be canceled, or coverage be materially reduced, such cancellation or reduction shall not be effective as to the Secured Parties for forty-five (45) days, except for non-payment of premium which shall be for ten (10) days, after receipt by the Administrative Agent and the First Lien Collateral Agent of written notice from such insurer (or the Borrower's insurance broker) of such cancellation or reduction. Such policy provisions shall also provide that in the event the Borrower fails to pay the premium, the First Lien Collateral Agent and the Administrative Agent shall have the right (but not the obligation) to pay the premium and continue coverage. Suspension of coverage for machinery breakdown for specific equipment due to the insurers exercising a suspension clause will be immediate but the Borrower or its insurance broker shall provide immediate written notification as soon as coverage is suspended.

g. Miscellaneous Policy Provisions: The all-risk, property and machinery insurance policies shall (A) not include any annual or term aggregate limits of liability or clause requiring the payment of an additional premium to reinstate the limits after loss except as regards the insurance applicable to the perils of flood, earth movement, named windstorm, and (subject to agreement with the Administrative Agent and the First Lien Collateral Agent) sabotage and terrorism, (B) include the Administrative Agent and the First Lien Collateral Agent as additional insured on behalf of the Secured Parties in all policies (where permitted by applicable law), and (C) include a clause requiring the insurer to make final payment on any claim within ninety (90) days after the submission of final proof of loss and its acceptance by the insurer.

6. Separation of Interests: All liability policies shall insure the interests of the Secured Parties regardless of any breach or violation by the Loan Parties, or any other Person of warranties, declarations or conditions contained in such policies, or any action or inaction of the Loan Parties. This provision may be satisfied with a policy endorsement acceptable to the Administrative Agent and the First Lien Collateral Agent with the advice of their independent insurance consultant.

7. Reinstatement or Replacement of Limits: In the event that the insurance policies for this transaction are also insuring other assets that are not part of this transaction, in the event that limits or sub limits (including any aggregated limits or sub limits) are eroded due to losses at other locations, the Loan Parties shall immediately have the limits or sub limits reinstated or replaced for the benefit of the assets in this transaction.

8. Evidence of Insurance. On the Effective Date and on an annual basis within 15 days of each policy anniversary, the Borrower shall furnish the Administrative Agent and First Lien Collateral Agent with (i) certification of all required insurance marked "premium paid" or accompanied by other evidence of payment reasonably satisfactory to the Administrative Agent and the First Lien Collateral Agent and (ii) a schedule of the insurance policies held by or for the benefit of the Loan Parties and required to be in force by the provisions of this Schedule. Such certification shall be executed by each insurer or by an authorized representative of each insurer where it is not practical for such insurer to execute the certificate itself Such certification shall identify carriers, the type of insurance, the insurance limits and the policy term and shall specifically list the special provisions enumerated for such insurance required by this Schedule. The schedule of insurance shall include the name of the insurance company, policy number, type of insurance, major limits of liability and expiration date of the insurance policies. Upon reasonable prior written request, the Borrower and each of the Guarantors will (i) permit the Administrative Agent and the First Lien Collateral Agent to inspect copies of all insurance policies at the office of the Borrower or the Guarantors during normal business hours and (ii) furnish the Administrative Agent and the First Lien Collateral Agent with copies of all binders and cover notes or other evidence of such insurance relating to the insurance required to be maintained hereunder, provided that after the occurrence of any Default or any Event of Default, upon request, the Borrower will furnish the Administrative Agent and the First Lien Collateral Agent with copies of the insurance policies relating to the Projects.

9. Reports. Concurrently with the furnishing of the certification referred to in Paragraph 8 above, the Borrower shall furnish the Administrative Agent and the First Lien Collateral Agent with a letter from its insurance broker, signed by an officer of the insurance broker, stating that in the opinion of the insurance broker, the insurance then carried or to be renewed is in accordance with the terms of this Schedule. Such report shall not be subject to any non-customary qualification with respect to the scope of review or the information made available.

10. Failure to Maintain Insurance. In the event the Borrower fails to maintain, or fails to cause to be maintained the full insurance coverage required by this Schedule, the Administrative Agent or the First Lien Collateral Agent, upon thirty (30) days' prior notice (unless the aforementioned insurance would lapse within such period, in which event notice should be given as soon as reasonably possible) to the Borrower of any such failure, may (but shall not be obligated to) take out the required policies of insurance and pay the premiums on the same. All amounts so advanced therefore by the Administrative Agent or the First Lien Collateral Agent shall become an additional Obligation of the Borrower, and the Borrower shall forthwith pay such amounts to the Administrative Agent, together with Default Interest thereon from the date so advanced until fully paid.

11. No Duty of First Lien Collateral Agent to Verify or Review. No provision of this Schedule or any provision of any Loan Document shall impose on the Administrative Agent, the First Lien Collateral Agent or any Secured Party any duty or obligation to verify the existence or adequacy of the insurance coverage maintained pursuant to this Schedule, nor shall the Administrative Agent, the First Lien Collateral Agent or any Secured Party be responsible for any representations or warranties made by or on behalf of the Borrower to any insurance company or underwriter. Any failure on the part of the Administrative Agent, the First Lien Collateral Agent or any Secured Party to pursue or obtain the evidence of insurance required by this Agreement and/or failure of the Administrative Agent, the First Lien Collateral Agent or any Secured Party to point out any non-compliance of such evidence of insurance shall not constitute a waiver of any of the insurance requirements in this Agreement.

12. Foreclosure. In the event of a foreclosure of any of the Projects under any Loan Document or other transfer of a title to any of the Projects in extinguishment in whole or in part of the Obligations, all right, title and interest of the Loan Party in and to the insurance policies then in force concerning such Project and all proceeds payable thereunder shall thereupon vest in the Administrative Agent or the purchaser at such foreclosure or other transferee in the event of such other transfer of title.

13. Notice of Injurious Exposure to Conditions. It is agreed that failure of any agent, servant, or employee of the insured other than the owner, partner of any partnership, or an officer of the insured to notify the company of any occurrence of which he has knowledge shall not invalidate the insurance afforded by this policy as respects the named insured and additional insureds.

14. No Coinsurance. All insurance coverage shall be on a "no coinsurance or self-insurance/replacement cost" basis and in such form (including the form of the loss payable clauses) as shall be acceptable to Administrative Agent and the First Lien Collateral Agent (which acceptance shall not be unreasonably withheld).

15. Claims Made Forms. In the event that any policy is written on a "claims-made" basis and such policy is not renewed or the retroactive date of such policy is to be changed, the Borrower shall obtain for each such policy or policies the broadest basic and supplemental extended reporting period coverage ("tail" coverage) or prior acts coverage ("nose" coverage) as is reasonably available in the commercial insurance market for each such policy or policies and shall provide Administrative Agent and the First Lien Collateral Agent with proof that such extended reporting period coverage or prior acts coverage has been obtained.

FORM OF
SOLVENCY CERTIFICATE

[●], 2018

Reference is made to the Exit First Lien Credit and Guaranty Agreement, dated as of [●], 2018 (as amended, amended and restated, supplemented or otherwise modified from time to time, the "***Credit Agreement***"; terms defined therein, unless otherwise defined herein, being used herein as therein defined), among New MACH GEN, LLC, a Delaware limited liability company (the "***Company***"), the Guarantors, the Lenders party thereto, CLMG Corp., as First Lien Collateral Agent, and CLMG Corp., as Administrative Agent.

It is understood that the Administrative Agent, the First Lien Collateral Agent and the Lenders are relying on the truth and accuracy of this Solvency Certificate in connection with the transactions contemplated in the Loan Documents.

The undersigned Chief Financial Officer hereby certifies, on behalf of the Company and not in such Chief Financial Officer's individual capacity, as of the date hereof that he is the Chief Financial Officer of the Company and that, as such, he is authorized to execute and deliver this Solvency Certificate on behalf of the Company pursuant to Section 3.01(a)(xiv) of the Credit Agreement and that:

1. The undersigned is generally familiar with the properties, businesses and assets of the Company and its Subsidiaries and has carefully reviewed the Loan Documents and the contents of this Solvency Certificate and in connection herewith, has reviewed such other documentation and information and has made such investigations and inquiries as deemed necessary and prudent therefor. Any financial information and assumptions generated during the period within which the undersigned served as chief financial officer of the Company which underlie and form the basis for the representations made in this Solvency Certificate, were reasonable when made and were made in good faith and continue to be reasonable as of the date hereof.

2. On the date hereof, before and after giving effect to the transactions contemplated in the Loan Documents, the fair market value of the property of the Loan Parties (on a Consolidated basis) is, to the best of the Chief Financial Officer's knowledge, information and belief, greater than the total amount of liabilities, including, without limitation, contingent liabilities of the Loan Parties (on a Consolidated basis).

3. The Loan Parties do not intend to and do not believe that the Loan Parties (on a Consolidated basis) will incur debts or liabilities that will be beyond the ability of the Loan Parties (on a Consolidated basis) to pay such debts or liabilities as they mature (taking into account reasonably anticipated prepayments and refinancings).

4. On the date hereof, before and after giving effect to the transactions contemplated in the Loan Documents, the Loan Parties are not engaged in business or a transaction, and are not about to engage in business or a transaction, for which the Loan Parties' property (on a Consolidated basis) would constitute an unreasonably small capital.

5. In reaching the conclusions set forth in this Solvency Certificate, the undersigned has considered, among other things:

   (a) the cash and other current assets of the Loan Parties reflected in the Consolidated balance sheet of the Loan Parties;

(b) all obligations and liabilities of the Loan Parties, whether matured or unmatured, liquidated or unliquidated, disputed or undisputed, secured or unsecured, subordinated, absolute, fixed or contingent, including, among other things, claims arising out of, pending, or to the best knowledge of the undersigned, threatened litigation against any Loan Party, and in so doing, each of the Loan Parties has computed the amount of each such contingent liability as the amount that, in light of all the facts and circumstances existing on the date hereof, represents the amount that can reasonably be expected to become an actual or matured liability;

(c) historical and anticipated growth in the sales volume of the Company and in the income stream generated by the Company as reflected in, among other things, the Consolidated cash flow statements of the Company and its Subsidiaries and the business plans and forecasts of the Company delivered to the Lenders;

(d) the customary terms of the trade payables of the Loan Parties' industry;

(e) the amount of the credit extended by and to customers of the Loan Parties;

(f) the amortization requirements of the Credit Agreement and the anticipated interest payable on the Loans under the Credit Agreement; and

(g) the level of capital customarily maintained by the Loan Parties and other entities engaged in the same or similar business as the business of the Loan Parties.

Delivery of an executed counterpart of a signature page to this Solvency Certificate via facsimile or other electronic means shall be effective as delivery of a manually executed counterpart of this Solvency Certificate.

IN WITNESS WHEREOF, the Chief Financial Officer has executed this Solvency Certificate in his corporate capacity and on behalf of the Company hereto on the date first written above.

ARTICLE 1

ASSIGNMENT AND AGREEMENT

SECTION 1.1 Consent to Assignment.

(a) The Contracting Party: (i) is hereby notified and acknowledges that the First Lien Secured Parties have entered into the First Lien Documents and made or committed to make the extensions of credit contemplated thereby; (ii) consents to the collateral assignment under the First Lien Security Agreement of all of the Company's right, title and interest in, to and under the Assigned Agreement, including, without limitation, all of the Company's rights to receive payment and all payments due and to become due to the Company under or with respect to the Assigned Agreement (collectively, the "***Assigned Interests***"); (iii) acknowledges that after the First Lien Collateral Agent delivers to the Contracting Party written notice that a First Lien Event of Default has occurred and is continuing (a "***Notice of Exclusive Control***"), the First Lien Collateral Agent may exercise all of the First Lien Collateral Agent's rights and remedies pursuant to the First Lien Security Agreement, make all demands, give all notices, take all actions and exercise all rights of the Company under the Assigned Agreement without the consent of the Company; *provided*, *however*, that at no time shall the Contracting Party's or its designees' or successors' respective rights and remedies under the Assigned Agreement be impaired in any way or to any extent, other than as expressly set forth in this Consent or the Intercreditor Agreement.

(b) It is expressly understood that the Contracting Party: (i) shall have no obligation whatsoever to verify or confirm the occurrence of a First Lien Event of Default, as well as matters related to the delivery of a Notice of Exclusive Control or any other matter related to the First Lien Security Agreement; (ii) has not reviewed, agreed to or in any way acquiesced to the terms or conditions of the First Lien Security Agreement other than as expressly set forth herein; and (iii) other than as expressly set forth in this Consent or the Intercreditor Agreement, is not limiting in any way or to any extent its rights and remedies under the Assigned Agreement by executing this Consent.

(c) Prior to the delivery of a Notice of Exclusive Control to the Contracting Party, the Company shall continue to have the right to make all demands, give all notices, take all actions and exercise all of its rights under the Assigned Agreement. Following delivery of a Notice of Exclusive Control, the Company irrevocably agrees that if the instructions given by the Company are inconsistent with the First Lien Collateral Agent's instructions, the First Lien Collateral Agent's instructions shall control. The Company agrees that the Contracting Party shall not be liable for following the First Lien Collateral Agent's instructions after the delivery of a Notice of Exclusive Control.

SECTION 1.2 Transfer of Assigned Interest.

(a) The Contracting Party agrees that, after the First Lien Collateral Agent has delivered a Notice of Exclusive Control to the Contracting Party pursuant to Section 1.1 above, pursuant to the terms of the First Lien Security Agreement and the Intercreditor Agreement, the First Lien Collateral Agent shall have the right to absolutely assign, foreclose or sell the Assigned Interest or any portion thereof to a Permitted Transferee (as defined below). If the Assigned Interest is transferred

pursuant to this Section 1.2, then: (i) the Permitted Transferee shall be substituted for the Company under the Assigned Agreement; and (ii) the Contracting Party shall (1) recognize the Permitted Transferee as its counterparty under the Assigned Agreement and (2) continue to perform the Contracting Party's obligations under the Assigned Agreement in favor of the Permitted Transferee; *provided* that the Permitted Transferee has assumed in writing all of the Company's rights and obligations (including, without limitation, the obligation to cure any then existing payment and performance defaults, but excluding any obligation to cure any then existing performance defaults which by their nature are incapable of being cured) under the Assigned Agreement.

(b) For purposes of this Consent, the Contracting Party may conclusively rely upon notice from the First Lien Collateral Agent that a First Lien Event of Default, has occurred, notwithstanding any contrary notice from the Company or any dispute then existing or later arising regarding the existence or effect of such First Lien Event of Default.

(c) "***Permitted Transferee***" means, in respect of any transfer, assignment or novation permitted hereunder or under the Assigned Agreement (a "***transfer***"), (x) the First Lien Collateral Agent or an agent on its behalf or (y) if the transfer is not made to the First Lien Collateral Agent or its agent, any person who: (i) is at least as creditworthy (taking into account any credit support provided by such person) as the Company; (ii) is properly licensed or otherwise authorized to perform the Company's obligations under the Assigned Agreement; and (iii) meets the Contracting Party's customary internal credit policies, as reasonably and consistently applied, solely with respect to the maximum potential credit exposure of the Contracting Party to such person (it being understood that the determination of the amount of such credit exposure shall take into account the then-current creditworthiness of such person (or its successor-in-interest, if any) and any collateral or guarantees posted by or for the benefit of such person); *provided*, *however*, that this restriction shall not apply if such person's or its guarantor's senior, unsubordinated, unsecured debt has a credit rating of at least "BBB-" from Standard & Poor's Rating Group (a division of McGraw-Hill, Inc.) or its successor ("***S&P***), or "Baa3" from Moody's Investor Services, or its successor ("***Moody's***"), whichever is lower.

SECTION 1.3 Right to Cure. If the Company defaults in the performance of any of its obligations under the Assigned Agreement, or upon the occurrence or non-occurrence of any event or condition under the Assigned Agreement which would immediately or with the passage of any applicable grace period or the giving of notice, or both, enable the Contracting Party to terminate or suspend its performance under the Assigned Agreement (each hereinafter a "***default***"), subject to Section 1.4 below, the Contracting Party shall not terminate or suspend its performance under the Assigned Agreement until it first gives written notice of such default to the First Lien Collateral Agent and affords the First Lien Collateral Agent or its designee a period of:

(a) in the case of monetary defaults thirty (30) calendar days from the later of: (i) receipt of such notice to cure such default; or (ii) the expiration of the applicable cure period provided in the Assigned Agreement for the Company to cure such default;

(b) in the case of non-monetary defaults [one hundred eighty] ([180]) calendar days from the later of: (i) receipt of such notice to cure such default; or (ii) the expiration of the applicable cure period, if any, provided in the Assigned Agreement for the Company to cure such default, so long as the First Lien Collateral Agent or its designee has commenced and is diligently pursuing appropriate action to cure such default;

(c) subject to Section 1.3(d) below, in the case of the Company becoming subject to any of the events specified in [Section 5(a)(vii)][3] of the Assigned Agreement ("***Bankruptcy***"), thirty (30)

calendar days from the date of filing or commencing such Bankruptcy proceedings (the "***Forbearance Period***") *provided* that the Company or bankruptcy trustee has, during the Forbearance Period: (A) obtained a final court order in a form and substance reasonably acceptable to the Contracting Party approving under Section 365 of the U.S. Bankruptcy Code the assumption of the Assigned Agreement; and (B) cured all outstanding defaults promptly and continues to perform the Assigned Agreement, then the event of default caused by the Bankruptcy shall be deemed "cured"; *provided*, *further*, that the Contracting Party shall continue to have all rights and remedies available under the Assigned Agreement with respect to any Bankruptcy or other defaults subsequent to assumption of the Assigned Agreement in accordance with the Assigned Agreement and subject to provisions of this Section 1.3; and

(d) notwithstanding anything to the contrary, if the Company is subject to a Bankruptcy under Chapter 7 of the U.S. Bankruptcy Code, zero (0) days (such that there is no cure period).

SECTION 1.4 No Termination. The Contracting Party agrees that it shall not, without the prior written consent of the First Lien Collateral Agent: (i) terminate, cancel or suspend its performance under the Assigned Agreement following and during the continuation of an event of default by the Company thereunder (unless it has given the First Lien Collateral Agent notice and an opportunity to cure in accordance with Section 1.3 hereof); or (ii) assign or transfer any of its rights or obligations under the Assigned Agreement.

SECTION 1.5 Replacement Agreement. In the event the Assigned Agreement is rejected or terminated as a result of Bankruptcy, the Contracting Party shall, at the option of the First Lien Collateral Agent exercised within twenty (20) calendar days from the day of filing or commencing such Bankruptcy proceedings, enter into a replacement agreement with the First Lien Collateral Agent or a Permitted Transferee, *provided* that: (a) the term under such replacement agreement shall be no longer than the remaining balance of the term specified in the Assigned Agreement; (b) upon execution of such replacement agreement, the First Lien Collateral Agent or a Permitted Transferee cures any outstanding payment and performance defaults under the Assigned Agreement, excluding any performance defaults which by their nature are incapable of being cured; and (c) such replacement agreement, including any credit support provisions related thereto, is reasonably acceptable to the Contracting Party in form and substance.

SECTION 1.6 Limitations on Liability. The Contracting Party acknowledges and agrees that First Lien Collateral Agent shall not have any liability or obligation under the Assigned Agreement as a result of this Consent, any other First Lien Loan Document or otherwise, nor shall the First Lien Collateral Agent be obligated or required to: (a) perform any of the Company's obligations under the Assigned Agreement, except during any period in which the First Lien Collateral Agent has assumed the Company's rights and obligations under the Assigned Agreement pursuant to this Consent; or (b) take any action to collect or enforce any claim for payment assigned under the First Lien Security Agreement. If the First Lien Collateral Agent has assumed the Company's rights and obligations under the Assigned Agreement pursuant to Section 1.2 above or has entered into a new agreement pursuant to Section 1.5 above, the First Lien Collateral Agent's liability to the Contracting Party under the Assigned Agreement or such new agreements, and the sole recourse of the Contracting Party in seeking enforcement of the obligations under such agreements, shall be limited to the interest of the First Lien Collateral Agent in the [Athens Project][Millennium Project].

SECTION 1.7 Delivery of Notices. The Contracting Party shall deliver to the First Lien Collateral Agent, concurrently with the delivery thereof to the Company, a copy of each notice, request or demand given by the Contracting Party to the Company pursuant to the Assigned Agreement relating to: (a) a default by the Company under the Assigned Agreement; and (b) any matter that would require the consent of the First Lien Collateral Agent pursuant to Section 1.4 of this Consent.

SECTION 1.8 Transfer. In connection with or after the exercise of its rights or remedies under any First Lien Loan Document, and after delivering a Notice of Exclusive Control to the Contracting Party, the First Lien Collateral Agent shall have the right to transfer its interest in the Assigned Agreement or a new agreement or agreements entered into with the First Lien Collateral Agent or a Permitted Transferee pursuant to the terms of this Consent for the remainder of the term hereof; *provided* that such Permitted Transferee assumes in writing the obligations of the Company or the First Lien Collateral Agent, as applicable, under the Assigned Agreement or such new agreement or agreements. Upon such transfer, the First Lien Collateral Agent shall be released from any further liability under the Assigned Agreement or such new agreement(s) to the extent of the interest transferred.

ARTICLE 2

SECTION 2.2 No Offset, Etc. All payments required to be made by the Contracting Party under the Assigned Agreement shall be made without any offset, recoupment, abatement, withholding, reduction or defense whatsoever, other than those allowed by the terms of the Assigned Agreement. ASSIGNMENT AND AGREEMENT

SECTION 1.1 Consent to Assignment.

(a) The Contracting Party hereby irrevocably consents to the pledge, transfer and assignment to the First Lien Collateral Agent for the benefit of the First Lien Secured Parties of, and the grant to the First Lien Collateral Agent for the benefit of the First Lien Secured Parties, of a lien on and security interest in, all of the Company's right, title and interest in, to and under the Assigned Agreement pursuant to the terms and conditions of the Collateral Documents, as collateral security for all of the obligations of the Company secured or purported to be secured by the Collateral Documents. In the event that the First Lien Collateral Agent or any of its designees or assignees elects to succeed to the Company's interest under the Assigned Agreement, the First Lien Collateral Agent or such designee or assignee may elect by written notice delivered to the Contracting Party to assume the Company's rights and obligations under the Assigned Agreement, including any payment obligations under the Assigned Agreement theretofore accrued but excluding any other obligations or liabilities that may have accrued prior to such foreclosure or assignment (any right in respect of such excluded obligation being hereby expressly waived by the Contracting Party). Until such time as the First Lien Collateral Agent gives written notice as provided herein, the Contracting Party shall, except as otherwise provided in this Consent, continue to deal directly with the Company with respect to its obligations to the Company under the Assigned Agreement. Notwithstanding anything else herein, the assignment of the Assigned Agreement pursuant to this Section 1.1 shall not relieve the Company of any obligations arising under the Assigned Agreement. Upon the exercise (as contemplated above) by the First Lien Collateral Agent, or any First Lien Secured Party (or any of their respective designees or assignees) of any of the remedies under the Collateral Documents in respect of the Assigned Agreement, the First Lien Collateral Agent or any First Lien Secured Party (or any of their respective designees or assignees) may assign its rights and interests and the rights and interests of the Company under the Assigned Agreement to any other Person if such Person shall assume liability for all of the obligations of the Company, including any payment obligations, under the Assigned Agreement theretofore accrued but excluding any other obligations or liabilities that may have accrued prior to such foreclosure or assignment (any right in respect of such excluded obligation being hereby expressly waived by the Contracting Party).

SECTION 1.2 Right to Cure.

(a) In the event of a default by the Company in the performance of any of its obligations under the Assigned Agreement, or upon the occurrence or non-occurrence of any event or condition under the Assigned Agreement which would immediately or with the passage of any applicable grace period or the giving of notice, or both, enable the Contracting Party to terminate or suspend its obligations under the Assigned Agreement, the Contracting Party shall not terminate the Assigned Agreement until it first gives the First Lien Collateral Agent written notice of the default and permits the First Lien Collateral Agent to cure the default within a period of 180 days after the later of (i) notice of default having been given to the First Lien Collateral Agent by the Contracting Party and (ii) the expiration of the applicable cure period provided in the Assigned Agreement for the Company to cure the default.

(b) In connection with any cure of the Company's default under the Assigned Agreement or any assumption by the First Lien Collateral Agent or any First Lien Secured Party of the Company's liabilities thereunder, only those obligations and liabilities arising expressly under the Assigned Agreement shall be required to be cured or assumed, as the case may be, and there shall be no

obligation by the First Lien Collateral Agent or any First Lien Secured Party to cure or assume any non-contractual liability that may have arisen.

The Contracting Party will not, without the prior written consent of the First Lien Collateral Agent, (i) cancel or terminate or suspend performance under the Assigned Agreement or consent to or accept any cancellation, termination or suspension thereof, or its performance thereunder, or (ii) amend, amend and restate, supplement or otherwise modify the Assigned Agreement, except, in each case, to the extent otherwise permitted under the First Lien Documents.

SECTION 1.4 Replacement Agreement. In the event that (i) the Assigned Agreement is rejected by a trustee, liquidator, debtor-in-possession or similar Person in any bankruptcy, insolvency or similar proceeding involving the Company; (ii) the Assigned Agreement is terminated as a result of any bankruptcy, insolvency, or similar proceeding involving the Contracting Party; or (iii) the assignment by way of security of the Assigned Agreement hereunder is ineffective or challenged for any reason whatsoever; and if within 180 days after such rejection, termination, ineffectiveness or challenge, the First Lien Collateral Agent or any First Lien Secured Party (or any of their respective designees or assignees) shall so request and shall certify in writing to the Contracting Party that it or they intend to perform the obligations of the Company as and to the extent required under the Assigned Agreement (as if the Assigned Agreement had not been rejected or terminated, but otherwise only to the extent such obligations would be undertaken had such Person succeeded to the Company thereunder pursuant to clause (i) above), the Contracting Party will execute and deliver to the First Lien Collateral Agent or such First Lien Secured Party (or their respective designees or assignees) a replacement contract (the "***Replacement Assigned Agreement***") for the balance of the remaining term under the original Assigned Agreement before giving effect to such rejection or termination and such Replacement Assigned Agreement shall contain the same conditions, agreements, terms, provisions and limitations as the original Assigned Agreement (except for any requirements which have been fulfilled by the Company and the Contracting Party prior to such rejection, termination, ineffectiveness or challenge or which are not required to be undertaken by such Person as aforesaid) and in such case, reference in this Consent to the "***Assigned Agreement***" shall be deemed also to refer to the Replacement Assigned Agreement in replacement of the Assigned Agreement. The Contracting Party hereby indemnifies the First Lien Collateral Agent and each First Lien Secured Party from and against any liability, loss, costs or damages that may be suffered by the First Lien Collateral Agent or any First Lien Secured Party as a result of a breach by the Contracting Party of its obligations hereunder.

If the First Lien Collateral Agent has assumed the Company's rights and obligations under the Assigned Agreement pursuant to Section 1.1 above or has entered into a new agreement pursuant to Section 1.4 above, the First Lien Collateral Agent's liability to the Contracting Party under the Assigned Agreement or such new agreements, and the sole recourse of the Contracting Party in seeking enforcement of the obligations under such agreements, shall be limited to the interest of the First Lien Collateral Agent in the [Athens Project][Millennium Project][the Projects].

SECTION 1.6 Delivery of Notices. The Contracting Party shall deliver to the First Lien Collateral Agent, concurrently with the delivery thereof to the Company, a copy of each notice, request or demand given by the Contracting Party pursuant to the Assigned Agreement.

ARTICLE 2.

PAYMENTS UNDER THE ASSIGNED AGREEMENT

SECTION 2.2 No Offset, Etc. All payments required to be made by the Contracting Party under the Assigned Agreement shall be made without any offset, recoupment, abatement, withholding, reduction or defense whatsoever, other than those allowed by the terms of the Assigned Agreement. (d) Each governmental approval required for the execution, delivery or performance of this Consent and the Assigned Agreement by the Contracting Party has been validly issued and duly obtained, taken or made, is not subject to any condition, does not impose restrictions or requirements inconsistent with the terms hereof or thereof, as the case may be, is in full force and effect and is not subject to appeal. The Contracting Party has no reason to believe that any governmental approval that has been issued will be revoked, modified, suspended or not renewed on substantially the same terms as are currently in effect.

(e) There is no action, suit or proceeding at law or in equity by or before any governmental authority, arbitral tribunal or other body now pending or, to the best knowledge of the Contracting Party, threatened against or affecting the Contracting Party or any of its properties, rights or assets which (i) if adversely determined, individually or in the aggregate, could reasonably be expected to have a material adverse effect on its ability to perform its obligations under the Assigned Agreement or this Consent or (ii) affects the validity, binding effect or enforceability of the Assigned Agreement or this Consent or any action taken or to be taken pursuant hereto or thereto or any of the transactions contemplated hereby or thereby.

(f) Neither the Contracting Party nor, to the best knowledge of the Contracting Party, the Company, is in default of any of their respective obligations under the Assigned Agreement. The Contracting Party and, to the best knowledge of the Contracting Party, the Company have complied with all conditions precedent to their respective obligations to perform under the Assigned Agreement. No event or condition exists which would either immediately or with the passage of any applicable grace period or giving of notice, or both, enable the Contracting Party, or, to the best knowledge of the Contracting Party, the Company, to terminate or suspend the Contracting Party's obligations under the Assigned Agreement.

(g) That each representation and warranty made by the Contracting Party in the Assigned Agreement is true and correct as of the date of this Consent (or, if stated to have been made solely as of an earlier date, each such representation and warranty was true and correct as of such earlier date).

(h) Each of the representations and warranties set forth in this Article 3 shall survive the execution and delivery of this Consent and the consummation of the transactions contemplated hereby.

Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

SECTION 5.9 Exercise of Rights. No failure or delay on the part of the Contracting Party, the Company, the First Lien Collateral Agent, any First Lien Secured Party or any of their respective agents or designees to exercise, and no course of dealing with respect to, any right, power or privilege hereunder shall operate as a waiver thereof, and no single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise of any other right, power or privilege.

SECTION 5.10 Remedies. The remedies of the First Lien Collateral Agent and each of its designees or assignees provided herein are cumulative and not exclusive of any remedies provided by law. In addition, the First Lien Collateral Agent may exercise its rights in respect of the Assigned Agreement in such order as the First Lien Collateral Agent may deem expedient.

SECTION 5.11 Waiver of Jury Trial. Each of the Company, the Contracting Party and the First Lien Collateral Agent irrevocably waives all right to trial by jury in any action, proceeding or counterclaim (whether based on contract, tort or otherwise) arising out of or relating to this Consent or any of the First Lien Loan Documents, the First Lien Loans or the actions of any First Lien Secured Party in the negotiation, administration, performance or enforcement thereof.

Re: Millennium Generating Facility – 2018 Financing

Ladies and Gentlemen:

We have acted as special counsel to Millennium Power Partners, L.P., a Delaware limited partnership (the "Company"), in connection with the financing for the "Millennium Project", as such term is defined in the Credit Agreement, and in such capacity we have reviewed executed counterparts or copies of executed counterparts represented to us as being true copies of the originals of each of the following documents:

(a) a certain [Fee and Leasehold Mortgage, Security Agreement, Assignment of Rents and Leases and Fixture Filing (Massachusetts)] to secure a maximum principal indebtedness of $[_____], dated as of [●], 2018 (the "Mortgage"), from the Company to CLMG Corp., as collateral agent (in such capacity, the "First Lien Collateral Agent") for the First Lien Secured Parties, as such term is defined in the Collateral Agency and Intercreditor Agreement (the "Intercreditor Agreement"), dated as of [●], 2018, among Borrower, the Guarantors identified therein, the First Lien Collateral Agent, CLMG Corp. as First Lien Administrative Agent, the Second Lien Administrative Agent, the Second Lien Collateral Agent, and the other parties identified therein; and

We have also reviewed executed counterparts or copies of executed counterparts represented to us as being true copies of the original of the Credit Agreement and that certain Lease dated as of August 31, 1998 by and between the Company and the Town of Southbridge in respect of a portion of the Millennium Project.

We have also examined such other documents and matters as we have considered necessary or appropriate under the circumstances to render the following opinions.

Capitalized terms used herein and not otherwise defined shall have the meanings assigned thereto in the Mortgage. This opinion is rendered at the request of Borrower pursuant to Section [3.01(a)(xx)] of the Credit Agreement.

In rendering the opinions set forth below, we have assumed that:

A. Due Organization of Company. The Company is a limited partnership duly organized, validly existing and in good standing under the laws of the State of Delaware and is qualified to do business in the Commonwealth of Massachusetts (the "State").

B. Authority by Company. The Company has all requisite power and authority to (i) consummate the transactions described in the Mortgage, (ii) execute and deliver the Mortgage, and (iii) perform its obligations thereunder.

C. Execution by Company. The Company has duly and validly authorized, executed and delivered the Mortgage.

D. Authenticity of Documents. All documents submitted to us as originals are authentic; all documents submitted to us as certified, photostatic, conformed or emailed copies conform to the original documents; all signatures on all documents are genuine; and all public records reviewed are accurate and complete.

E. No Conflict or Breach. Neither the execution or delivery nor consummation of the transactions contemplated in the Mortgage nor compliance with the terms, conditions and provisions thereof nor the creation and perfection of the mortgage liens or other security interests provided for in the Mortgages will conflict with or result in any breach of any of the organizational documents of the Company, or any judgment, order, writ, injunction or decree of any court or governmental instrumentality or agency or with any agreement or instrument to which the Company may be a party, or to which its properties are subject or bound, or constitute a default thereunder, or result in the creation of any lien, charge, security interest or encumbrance of any nature whatsoever upon any of the property of the Company, except pursuant to the terms of the Mortgage.

F. Ownership of Project Facility. The Company is the owner and leasehold interest holder, as applicable, of the Millennium Project and the property encumbered by the Mortgage.

G. Recordation of Mortgage. The Mortgage will be duly recorded in the Worcester County Registry of Deeds (the "Registry").

H. Accuracy of Factual Matters. All material factual matters, including without limitation, representations and warranties, contained in the Mortgage, are true and correct as set forth therein.

I. Governing Law. The Mortgage will be governed by and construed in accordance with the internal laws of the State, notwithstanding any provisions of the Mortgage to the contrary.

J. Documents Evidencing Indebtedness or Obligations. Each document, instrument or agreement executed by the Company creating or evidencing "Indebtedness" or "Obligations" (as each such term is defined in the Mortgage) constitutes the valid and binding obligation of the Company enforceable against the Company in accordance with its respective terms.

K. Lender. We have assumed that you are a "lender subject to control, regulation or examination by any state or federal regulatory agency" within the meaning of Section 49(e) of Chapter 271 of the Massachusetts General Laws.

On the basis of such examination, our reliance upon the assumptions contained herein and our consideration of those questions of law we considered relevant, and subject to the limitations and qualifications contained herein, we are of the opinion that:

1. The Mortgage constitutes the valid and binding obligation of the Company, enforceable against the Company in accordance with its terms.

2. Neither (a) the execution and delivery by the Company of the Mortgage, (b) the performance by the Company of its obligations thereunder, nor (c) the compliance with the terms and conditions thereof by the Company are in contravention of the provisions of any applicable law, rule or regulation of the State.

3. The execution and delivery by the Company of the Mortgage and the performance by the Company of the Company's obligations thereunder do not require any governmental consents, approvals, authorizations, permits, registrations, declarations or filings or other action or any notices to, consents of, orders of or filings with any governmental authority or regulatory body of the State (including those having jurisdiction over the enforcement of the environmental laws of the State), except for the recordation of the Mortgage in the Registry.

4. The Mortgage (including the acknowledgements) is in appropriate form for recordation in the State.

5. The Mortgage is in proper form sufficient to create a valid mortgage lien in favor of the First Lien Collateral Agent on that portion of the Mortgaged Property described therein that constitutes real property (including fixtures, as such term is defined in the Uniform Commercial Code in effect in the State (the "UCC"), to the extent that the same constitute real property) (collectively, the "Real Property"). The recordation of the Mortgage with the Registry is the only recordation, filing or registration necessary to perfect the liens on the Real Property created by the Mortgage. Upon recordation of the Mortgage with the Registry, the First Lien Collateral Agent will have a valid and perfected mortgage lien on the Real Property described in the Mortgage. No other recordation, filing, re-recordation or re-filing is necessary in order to perfect or to maintain the perfection of the mortgage lien on the Real Property created by the Mortgage.

6. Assuming that the Mortgage is properly recorded with the Registry and all fees in connection with such recording are paid, such recording is sufficient as of the date of this opinion to perfect a security interest as to any interests held by the Company in the "Fixtures" (as defined in M.G.L. c. 106, §9-102) as described in the Mortgage, further assuming that such security interest has attached.

7. Except as described in Paragraph 8 of this opinion, the First Lien Collateral Agent will not be subject to any taxes imposed by the State solely by reason of being the holder of either of the Mortgage or a party to the Mortgage.

8. Other than nominal recording and filing fees, no taxes or other charges, including, without limitation, intangible, documentary, stamp, mortgage, transfer or recording taxes or similar charges are payable to the State or to any governmental authority or regulatory body located therein on account of the execution or delivery of the Mortgage, the creation of the lien and security interest under the Mortgage, or the recordation of the Mortgage.

The foregoing opinions are subject to the following qualifications, limitations and exceptions:

The enforceability of the Mortgage and the lien created thereby may be limited or affected by bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors' rights generally (including, without limitation, fraudulent conveyance laws) and by general principles of equity including, without limitation, concepts of materiality, reasonableness, good faith and fair dealing and the possible

unavailability of specific performance or injunctive relief, regardless of whether considered in a proceeding in equity or at law. The aforesaid opinion as to enforceability of the Mortgage is also subject to the qualification that certain provisions contained therein may not be enforceable, but (subject to the limitations set forth in the foregoing sentence) such unenforceability will not render the Mortgage invalid as a whole or substantially interfere with realization of the principal benefits and/or security provided thereby.

No opinion is rendered herein as to (a) the enforceability of any provision in the Mortgage purporting to waive the effect of applicable laws, rights to notice and hearings prior to the granting of any relief, or the right to trial by jury; (b) the enforceability of any provision of any agreement relating to confessions of judgment, waivers of defenses, the imposition of "penalty-rate" interest or the imposition of interest on interest; (c) the effectiveness of any power of attorney granted pursuant to the Mortgage; (d) any provisions of the Mortgage which provide for indemnification, contribution, waiver or release to the extent such provisions may be limited or rendered unenforceable, in whole or in part, by applicable Federal or state securities laws, criminal statutes, or the policies underlying such laws and by the effect of general rules of contract law that limit the enforceability of provisions releasing, exculpating or exempting a party from, or requiring indemnification for liability for action or inaction, to the extent the action or inaction involves gross negligence, recklessness, willful misconduct or unlawful conduct, or which provide for waivers which are rendered ineffective or unenforceable by provisions of the Massachusetts UCC, or waivers of contingent claims or rights; (e) any provision purporting to grant relief or remedies in advance, including, without limitation, any consent to the appointment of a receiver or the granting of relief from the automatic stay in bankruptcy under Title I of the Bankruptcy Reform Act of 1978, as amended and codified at Title 11 of the United States Code (the "Bankruptcy Code"); (f) the availability of the remedy of specific performance or of any other equitable remedy or relief, to enforce any right or obligation under any of the Mortgage; (g) any provision of the Mortgage to the extent that it provides that the First Lien Collateral Agent may set off and apply any deposits at any time held, or any other indebtedness at any time owing, by the First Lien Collateral Agent to or for the account of the Company; (h) the payment of any liquidated damages or other amount which may be held by a court to be a penalty or forfeiture; (i) Federal or state securities or blue sky laws, rules or regulations, or antitrust law, or ERISA or tax laws, rules, regulations or ordinances; (j) zoning, environmental, land use control, permitting or related issues; or (k) the waiver of inconvenient forum or any claim that venue is improper or provisions relating to subject matter jurisdiction of the courts set forth in any of the Mortgage. References in this opinion to the "Massachusetts UCC" shall mean the Uniform Commercial Code as in effect on the date hereof in The Commonwealth of Massachusetts.

Enforceability against the Company of the rights and remedies under the Mortgage with respect to that portion of the Mortgaged Property subject to the Lease is subject to the existence and continued effectiveness of the Lease.

Under M.G.L. Chapter 271, Section 49(e) ("Section 49(e)"), the provisions of applicable laws of the State regulating usury do not apply "to any lender subject to control, regulation or examination by any state or federal regulatory agency". With your permission, we have assumed that the First Lien Collateral Agent is subject to control, regulation or examination by one or more state or federal regulatory agencies within the meaning of Section 49(e).

We have made no examination of and express no opinion with respect to: (i) title to or, the description of the Mortgaged Property described in the Mortgage; (ii) the nature or extent of the Company's rights in, or title to, the Mortgaged Property; (iii) the existence or non-existence of liens, security interests, charges or encumbrances thereon or therein actually of record; or (iv) the priority of any lien on any part of the Mortgaged Property. We have not independently certified the existence, condition, or location or ownership of any of the Mortgaged Property.

Except as otherwise provided in numbered paragraph 5 above, we express no opinion as to the validity, legality, creation, perfection or enforceability of any security interest, lien or encumbrance in any property granted or purported to be granted by the Company. Without limiting the foregoing, we express no opinion as to the validity, legality, creation, perfection or enforceability any lien or encumbrance granted by the Company in the Mortgaged Property with the understanding that, with respect to such matters, the First Lien Collateral Agent will be relying upon one or more title insurance policies.

We express no opinion with respect to the perfection of any lien on any portion of any collateral that consists of consumer goods, equipment used in farming operations, farm products, crops, timber, as-extracted collateral, minerals and the like or accounts or general intangibles resulting from the sale thereof, beneficial interests in a trust or a decedent's estate, deposit accounts, letters of credit and policies of insurance.

We express no opinion with respect to accounts that are due from the United States or any state of the United States or any agency or department of the United States and are subject to the Federal Assignment of Claims Act or similar state statutes. We have assumed that there are no agreements or understandings among the parties, written or oral, and there is no usage of trade or course of prior dealing among the parties that would, in either case, define, supplement, or qualify the terms of any of the Mortgage.

We express no opinion with respect to PUHCA, PURPA, the FPA, or any other federal, State, or local law pertaining to the regulation of energy companies, "electric corporations," "utility companies," "public utility companies," "utility corporations," "public utility corporations," or any similar type of entity (or any affiliate thereof).

This opinion is given as of the date hereof, and we disclaim any obligation to update this opinion letter for events occurring after the date of this opinion letter. Although this opinion is given only as of the date hereof, we wish to call your attention to the following:

(a) Under Section 33 of Chapter 260 of the Massachusetts General Laws, as amended, Massachusetts mortgages are unenforceable 50 years after their recording unless extended pursuant to Section 34 of Chapter 260 of the Massachusetts General Laws, as amended, within the last 10 years of this 50-year statutory period by a recorded extension, acknowledgment or affidavit, the effect of which is to continue such period for an additional 10 years.

(b) Sections 9-507 and 9-508 of the Applicable UCC provide that if a debtor so changes its name or identity that a filed financing statement becomes seriously misleading, the filing is not effective to perfect a security interest in collateral acquired by that debtor more than four (4) months after such change unless (i) in the case of a change of the debtor's name, an appropriate amendment is filed in accordance with Section 9-507(c) of the Applicable UCC prior to the expiration of such period, or (ii) in the case of a change in the debtor's identity, an appropriate initial financing statement is filed before the expiration of that period in accordance with Section 9-508(b) of the Applicable UCC.

This foregoing opinion applies only with respect to the laws of the State and the federal laws of the United States of America, and we express no opinion with respect to the laws of any other jurisdiction.

This opinion is rendered only to the First Lien Collateral Agent, the Administrative Agent, Beal USA, and their respective successors and assigns (including any participant in any First Lien Collateral Agent's interests) and is solely for their benefit and the benefit of the First Lien Secured Parties in connection with the transactions contemplated by the Mortgage and the Credit Agreement and may not be relied upon by the First Lien Collateral Agent, the Administrative Agent, Beal USA, any of the other First

Lien Secured Parties, or any of their respective successors or assigns for any other purpose without our prior written consent.

Our opinion in paragraph 8 does not address (a) the real estate transfer tax payable in connection with any sale of the Mortgaged Property in foreclosure or by deed in lieu of foreclosure or (b) taxes imposed by the State to which the First Lien Collateral Agent would be subject if and when the First Lien Collateral Agent were to acquire title to the Mortgaged Property by reason of exercise of the power of sale or foreclosure of the Mortgage or by deed in lieu of foreclosure.

We express no opinion regarding regulatory approvals, if any, that may be required for any possible transfer of, or change in, ownership interests in Borrower or the Company.

We express no opinion as to compliance with or the effect of any applicable health, safety, tax, antitrust or securities law, rule, regulation or ordinance.

This opinion is limited to the matters set forth herein, no opinion may be inferred or implied beyond the matters expressly stated herein, and this opinion must be read in conjunction with the assumptions, limitations, exceptions and qualifications set forth in this opinion.

Very truly yours,

We have also reviewed executed counterparts or copies of executed counterparts represented to us as being true copies of the original of the Credit Agreement.

We have also examined such other documents and matters as we have considered necessary or appropriate under the circumstances to render the following opinions.

Capitalized terms used herein and not otherwise defined shall have the meanings assigned thereto in the Mortgages. This opinion is rendered at the request of Borrower pursuant to Section [3.01(a)(xx)] of the Credit Agreement.

No proceeds of the financing for the Project Facility in accordance with the terms of the Credit Agreement are being used in a manner inconsistent with (a) the Order Authorizing Issuance of Debt of the Public Service Commission of the State (the "PSC") in Athens Generating Co., L.P., Case 01-E-0816 (issued and effective July 30, 2001) or (b) the PSC's Order Clarifying Prior Order in New Athens Generating Company LLC, Case 06-E-1223 and Athens Generating Company, L.P., Case 01-E-0816 (issued and effective November 15, 2006) (the "Clarifying Order"). No court challenge has been commenced as to the Clarifying Order.

On the basis of such examination, our reliance upon the assumptions contained herein and our consideration of those questions of law we considered relevant, and subject to the limitations and qualifications contained herein, we are of the opinion that:

1. Each of the Mortgages constitutes the valid and binding obligation of the Company, enforceable against the Company in accordance with its respective terms.

2. Neither (a) the execution and delivery by the Company of the Mortgages, (b) the performance by the Company of its obligations thereunder, nor (c) the compliance with the terms and conditions thereof by the Company are in contravention of the provisions of any applicable law, rule or regulation of the State.

3. The execution and delivery by the Company of the Mortgages and the performance by the Company of the Company's obligations thereunder do not require any governmental consents, approvals, authorizations, permits, registrations, declarations or filings or other action or any notices to, consents of, orders of or filings with any governmental authority or regulatory body of the State (including those having jurisdiction over the enforcement of the environmental laws of the State), except for the recordation of the Mortgages in the Clerk's Office.

4. Neither (a) the execution and delivery by the Company of the Credit Agreement, (b) the performance by the Company of its obligations thereunder, nor (c) the compliance with the terms and conditions thereof by the Company are in contravention of the provisions of the Public Service Law of the State.

5. The execution and delivery by the Company of the Credit Agreement and the performance by the Company of the Company's obligations thereunder do not require any consents,

approvals, authorizations, permits, registrations or declarations or other action or any notices to, orders of or filings with the Public Service Commission of the State.

6. Each of the Mortgages (including the acknowledgements) is in appropriate form for recordation in the State.

7. Each of the Mortgages is in proper form sufficient to create a valid mortgage lien in favor of the First Lien Collateral Agent on that portion of the Mortgaged Property described therein that constitutes real property (including fixtures, as such term is defined in the Uniform Commercial Code in effect in the State (the "UCC"), to the extent that the same constitute real property) (collectively, the "Real Property"). The recordation of the Mortgages in the Clerk's Office is the only recordation, filing or registration necessary to perfect the liens on the Real Property created by each of the Mortgages. Upon recordation of the Mortgages in the Clerk's Office, the First Lien Collateral Agent will have valid and perfected mortgage liens on the Real Property described in each of the Mortgages. No other recordation, filing, re-recordation or re-filing is necessary in order to perfect or to maintain the perfection of the mortgage liens on the Real Property created by each of the Mortgages.

8. Each of the Mortgages is in proper form sufficient to constitute a valid and effective fixture filing with respect to the property described therein which is or is to become fixtures under Article 9 of the UCC (the "Fixtures"). Upon the recordation of each of the Mortgages in the Clerk's Office, the First Lien Collateral Agent's security interest in the Fixtures will be perfected.

9. Assuming that the First Lien Collateral Agent is not otherwise doing business in the State, the First Lien Collateral Agent (a) will not be required to qualify to transact business in the State and (b) except as described in Paragraph 10 of this opinion, will not be subject to any taxes imposed by the State solely by reason of being the holder of either of the Mortgages or a party to either of the Mortgages.

10. Except for (a) the mortgage recording tax, if any, payable pursuant to Article 11 of the Tax Law of the State and (b) recording and filing fees, no taxes or other charges, including, without limitation, intangible, documentary, stamp, mortgage, transfer or recording taxes or similar charges are payable to the State or to any governmental authority or regulatory body located therein on account of the execution or delivery of the Mortgages, the creation of the liens and security interests under each of the Mortgages, or the recordation of the Mortgages.

The foregoing opinions are subject to the following qualifications, limitations and exceptions:

The enforceability of each of the Mortgages and the liens created thereby may be limited or affected by bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors' rights generally (including, without limitation, fraudulent conveyance laws) and by general principles of equity including, without limitation, concepts of materiality, reasonableness, good faith and fair dealing and the possible unavailability of specific performance or injunctive relief, regardless of whether considered in a proceeding in equity or at law. The aforesaid opinion as to enforceability of each of the Mortgages is also subject to the qualification that certain provisions contained therein may not be enforceable, but (subject to the limitations set forth in the foregoing sentence) such unenforceability will not render either of the Mortgages invalid as a whole or substantially interfere with realization of the principal benefits and/or security provided thereby.

Enforceability against the Company of the rights and remedies under the Agency Mortgage is subject to the existence and continued effectiveness of the Lease Agreement.

We have made no examination of and express no opinion with respect to: (i) title to or, the description of the Mortgaged Property described in either of the Mortgages; (ii) the nature or extent of the

Company's rights in, or title to, the Mortgaged Property; (iii) the existence or non-existence of liens, security interests, charges or encumbrances thereon or therein actually of record; or (iv) the priority of any liens on any part of the Mortgaged Property, including, without limitation, the priority of the liens of the Mortgages. We have not independently certified the existence, condition, or location or ownership of any of the Mortgaged Property.

Except as expressly stated in opinion paragraphs 4 and 5, we express no opinion with respect to PUHCA, PURPA, the FPA, the New York State Public Service Law, or any other federal, State, or local law pertaining to the regulation of energy companies, "electric corporations," "utility companies," "public utility companies," "utility corporations," "public utility corporations," or any similar type of entity (or any affiliate thereof).

This opinion is given as of the date hereof, and we disclaim any obligation to update this opinion letter for events occurring after the date of this opinion letter.

This foregoing opinion applies only with respect to the laws of the State and the federal laws of the United States of America, and we express no opinion with respect to the laws of any other jurisdiction.

This opinion is rendered only to the First Lien Collateral Agent, the Administrative Agent, Beal USA, the Agency and their respective successors and assigns (including any participant in any First Lien Collateral Agent's interests) and is solely for their benefit and the benefit of the First Lien Secured Parties in connection with the transactions contemplated by the Mortgages and the Credit Agreement and may not be relied upon by the First Lien Collateral Agent, the Administrative Agent, Beal USA, any of the other First Lien Secured Parties, or the Agency or any of their respective successors or assigns for any other purpose without our prior written consent.

Our opinion in paragraph 9 does not address (a) the real estate transfer tax payable pursuant to Article 31 of the New York Tax Law in connection with any sale of the Real Property in foreclosure or by deed in lieu of foreclosure or (b) taxes imposed by the State to which the First Lien Collateral Agent would be subject if and when the First Lien Collateral Agent were to acquire title to the Mortgaged Property by reason of exercise of the power of sale or foreclosure of either of the Mortgages or by deed in lieu of foreclosure.

We express no opinion regarding regulatory approvals, if any, that may be required for any possible transfer of, or change in, ownership interests in Borrower or the Company.

We express no opinion as to compliance with or the effect of any applicable health, safety, tax, antitrust or securities law, rule, regulation or ordinance.

This opinion is limited to the matters set forth herein, no opinion may be inferred or implied beyond the matters expressly stated herein, and this opinion must be read in conjunction with the assumptions, limitations, exceptions and qualifications set forth in this opinion.

Very truly yours,

(b) PIK Interest. Prior to the earlier of (i) the Termination Date and (ii) the payment in full of all First Lien Obligations under the First Lien Facility, all interest payable under Section 2.06(a) shall be paid as PIK Interest.

(c) Default Interest. Upon the occurrence and during the continuance of an Event of Default, the Administrative Agent may, and upon the request of the Required Lenders shall, require that the Borrower pay interest at a rate *per annum* equal at all times to 2% *per annum* above the rate *per annum* required to be paid pursuant to Section 2.06(a) ("***Default Interest***") on:

(i) the aggregate outstanding principal amount of each Loan, and

(ii) to the fullest extent permitted by applicable law, the amount of any interest, fee or other amount payable under this Agreement or any other Loan Document to any Agent or any Lender that is not paid when due, from the date such amount shall be due until such amount shall be paid in full,

in each case, payable in Cash (without diminishing the Borrower's obligations to make the Cash interest payment due pursuant to Section 2.06(a)) either (x) on each Interest Payment Date following the occurrence and during the continuance of an Event of Default or (y) on demand; *provided*, *however*, that following the making of the request or the granting of the consent specified by **Error! Reference source not found.** to authorize the Administrative Agent to declare the Loans due and payable pursuant to the provisions of **Error! Reference source not found.**, Default Interest shall accrue and be payable hereunder whether or not previously required by the Administrative Agent. Payment or acceptance of the increased rates of interest provided for in this Section 2.06(c) is not a permitted alternative to timely payment and shall not constitute a waiver of any Event of Default or otherwise prejudice or limit any rights or remedies of the Administrative Agent or any Lender.

SECTION 2.07. Agents' Fees. The Borrower shall pay to each Agent for its own account such fees as may from time to time be agreed between the Borrower and such Agent.

SECTION 2.08. [Reserved].

SECTION 2.09. Increased Costs, Etc. (a) If, due to either (i) the introduction of or any change in or in the interpretation of any law or regulation or (ii) the compliance with any guideline or request from any central bank or other governmental authority (whether or not having the force of law), there shall be any increase in the cost to any Lender of agreeing to make or of making, funding or maintaining Loans (excluding, for purposes of this Section 2.09, any such increased costs resulting from (x) Taxes or Other Taxes (as to which Section 2.11 shall govern) and (y) changes in the basis or rate of taxation of overall net income or overall gross income by the United States or by the foreign jurisdiction or state under the laws of which such Lender is organized or has its Lending Office or any political subdivision thereof), then the Borrower shall from time to time, upon demand by such Lender (with a copy of such demand to the Administrative Agent), pay to the Administrative Agent for the account of such Lender additional amounts sufficient to compensate such Lender for such increased cost. A certificate as

to the amount of such increased cost, submitted to the Borrower by such Lender, shall be conclusive and binding for all purposes, absent manifest error.

(b) If any Lender determines that compliance with any law or regulation or any guideline or request from any central bank or other governmental authority (whether or not having the force of law) affects or would affect the amount of capital required or expected to be maintained by such Lender or any corporation controlling such Lender and that the amount of such capital is increased by or based upon the existence of such Lender's commitment to make Loans and other commitments of such type (or similar Guaranteed Debts), then, upon demand by such Lender or such corporation (with a copy of such demand to the Administrative Agent), the Borrower shall pay to the Administrative Agent for the account of such Lender, from time to time as specified by such Lender, additional amounts sufficient to compensate such Lender in the light of such circumstances, to the extent that such Lender reasonably determines such increase in capital to be allocable to the existence of such Lender's commitment to make Loans. A certificate as to such amounts submitted to the Borrower by such Lender shall be conclusive and binding for all purposes, absent manifest error.

SECTION 2.10. Payments and Computations. (a) The Borrower shall make each payment hereunder and under the other Loan Documents, irrespective of any right of counterclaim or set-off (except as otherwise provided in Section 2.12), not later than 11:00 A.M. (New York City time) on the day when due in U.S. dollars to the Administrative Agent at the Administrative Agent's Account in same day funds, with payments being received by the Administrative Agent after such time being deemed to have been received on the next succeeding Business Day. The Administrative Agent will promptly thereafter cause like funds to be distributed (i) if such payment by the Borrower is in respect of principal, interest, commitment fees, letter of credit fees or any other Obligation then payable hereunder and under the other Loan Documents to more than one Lender, to such Lenders for the account of their respective Lending Offices ratably in accordance with the amounts of such respective Obligations then payable to such Lenders and (ii) if such payment by the Borrower is in respect of any Obligation then payable hereunder to one Lender, to such Lender for the account of its Lending Office, in each case to be applied in accordance with the terms of this Agreement. Upon its acceptance of an Assignment and Acceptance and recording of the information contained therein in the Register pursuant to Section 9.07(f), from and after the effective date of such Assignment and Acceptance, the Administrative Agent shall make all payments hereunder and under the other Loan Documents in respect of the interest assigned thereby to the assignee thereunder, and the parties to such Assignment and Acceptance shall make all appropriate adjustments in such payments for periods prior to such effective date directly between themselves.

(b) The Borrower hereby authorizes each Lender and each of its Affiliates, if and to the extent payment owed to such Lender is not made when due hereunder or under the other Loan Documents, to charge from time to time, to the fullest extent permitted by law, against any or all of the Borrower's accounts with such Lender or such Affiliate any amount so due.

(c) All computations of interest based on the Eurodollar Rate and of commitment fees and other fees and commissions shall be made by the Administrative Agent on the basis of a year of 360 days, in each case for the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest, fees or commissions are payable. Each determination by the Administrative Agent of an interest rate, fee or commission hereunder shall be conclusive and binding for all purposes, absent manifest error.

(d) Whenever any payment hereunder or under the other Loan Documents shall be stated to be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of payment of interest or commitment or letter of credit fee or commission, as the case may be; *provided*, *however*, that, if such extension would cause payment of interest on or principal of Loans to be made in the next following calendar month, such payment shall be made on the preceding Business Day.

(e) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to any Lender hereunder that the Borrower will not make such payment in full, the Administrative Agent may assume that the Borrower has made such payment in full to the Administrative Agent on such date and the Administrative Agent may, in reliance upon such assumption, cause to be distributed to each such Lender on such due date an amount equal to the amount then due such Lender. If and to the extent the Borrower shall not have so made such payment in full to the Administrative Agent, each such Lender shall repay to the Administrative Agent forthwith on demand such amount distributed to such Lender together with interest thereon, for each day from the date such amount is distributed to such Lender until the date such Lender repays such amount to the Administrative Agent, at the Eurodollar Rate.

(f) If the Administrative Agent receives funds for application to the Obligations of the Loan Parties under or in respect of the Loan Documents under circumstances for which the Loan Documents do not specify the Loans or the Facility to which, or the manner in which, such funds are to be applied, the Administrative Agent may, if no instructions with respect thereto are received from the Lenders upon request, but shall not be obligated to, elect to distribute such funds to each of the Lenders in accordance with such Lenders Pro Rata Share of the aggregate principal amount of all Loans outstanding at such time, in repayment or prepayment of such of the outstanding Loans or other Obligations then owing to such Lender, as the Administrative Agent shall direct.

SECTION 2.11. Taxes. (a) Any and all payments by any Loan Party to or for the account of any Lender or any Agent hereunder or under any other Loan Document shall be made, in accordance with Section 2.10 or the applicable provisions of such other Loan Document, if any, free and clear of and without deduction for any and all present or future taxes, levies, imposts, deductions, charges or withholdings, and all liabilities with respect thereto, *excluding*, in the case of each Lender and each Agent, (x) taxes that are imposed on its overall net income by the United States and taxes that are imposed on its overall net income (and franchise taxes imposed in lieu thereof) by the state or foreign jurisdiction under the laws of

which such Lender or such Agent, as the case may be, is organized (or any political subdivision thereof), has its Lending Office, has a permanent establishment or is engaged in business (other than the business that the Lender is engaged in solely by reason of the transactions contemplated by this Agreement), (y) any branch profits taxes imposed by the United States of America and (z) withholding taxes imposed under law in effect on the date hereof or at the time the Lender designates a new Lending Office, other than any new Lending Office designated at the written request of a Loan Party (in the case of a Lender that is not an Initial Lender, this clause (z) shall include taxes imposed under law in effect on the date such Lender becomes a Lender, except to the extent that the Lender's predecessor would have been entitled to receive additional amounts under this Section 2.11(a)) and, in the case of each Lender, taxes that are imposed on its overall net income (and franchise taxes imposed in lieu thereof) by the state or foreign jurisdiction of such Lender's Lending Office or any political subdivision thereof (all such non-excluded taxes, levies, imposts, deductions, charges, withholdings and liabilities in respect of payments hereunder or under any other Loan Document being hereinafter referred to as "***Taxes***"). If any Loan Party shall be required by law to deduct any Taxes from or in respect of any sum payable hereunder or under any other Loan Document to any Lender or any Agent, (i) the sum payable by such Loan Party shall be increased as may be necessary so that after such Loan Party and the Administrative Agent have made all required deductions (including deductions applicable to additional sums payable under this Section 2.11) such Lender or such Agent, as the case may be, receives an amount equal to the sum it would have received had no such deductions been made, (ii) such Loan Party shall make all such deductions and (iii) such Loan Party shall pay the full amount deducted to the relevant taxation authority or other authority in accordance with applicable law.

(b) In addition, each Loan Party shall pay any present or future stamp, documentary, excise, property (including intangible property, but with regard to all property taxes, only to the extent relating to property of a Loan Party) mortgage recording or similar taxes, charges or levies that arise from any payment made by such Loan Party hereunder or under any other Loan Documents or from the execution, delivery or registration of, performance under, or otherwise with respect to, this Agreement or the other Loan Documents (hereinafter referred to as "***Other Taxes***").

(c) The Loan Parties shall indemnify each Lender and each Agent for and hold them harmless against the full amount of Taxes and Other Taxes, and for the full amount of taxes of any kind imposed or asserted by any jurisdiction on amounts payable under this Section 2.11, imposed on or paid by such Lender or such Agent (as the case may be) and any liability (including penalties, additions to tax, interest and expenses) arising therefrom or with respect thereto. This indemnification shall be made within 30 days from the date such Lender or such Agent (as the case may be) makes written demand therefor.

(d) Within 30 days after the date of any payment of Taxes, the appropriate Loan Party shall furnish to the Administrative Agent, at its address referred to in Section 9.02, the original or a certified copy of a receipt evidencing such payment, to the extent such a receipt is issued therefor, or other written proof of payment thereof that is reasonably satisfactory to the Administrative Agent. In the case of any payment hereunder or under the other Loan Documents

by or on behalf of a Loan Party through an account or branch outside the United States or by or on behalf of a Loan Party by a payor that is not a United States person, if such Loan Party determines that no Taxes are payable in respect thereof, such Loan Party shall furnish, or shall cause such payor to furnish, to the Administrative Agent, at such address, an opinion of counsel acceptable to the Administrative Agent stating that such payment is exempt from Taxes. For purposes of subsections (d) and (e) of this Section 2.11, the terms "***United States***" and "***United States person***" shall have the meanings specified in Section 7701 of the Internal Revenue Code.

(e) Each Lender organized under the laws of a jurisdiction outside the United States shall, on or prior to the date of its execution and delivery of this Agreement in the case of each Initial Lender and on the date of the Assignment and Acceptance pursuant to which it becomes a Lender in the case of each other Lender, and from time to time thereafter as reasonably requested in writing by the Borrower (but only so long thereafter as such Lender remains lawfully able to do so), provide each of the Administrative Agent and the Borrower with two original Internal Revenue Service Forms W-8BEN or W-8EC1 or (in the case of a Lender that has certified in writing to the Administrative Agent that it is not (i) a "bank" as defined in Section 881(c)(3)(A) of the Internal Revenue Code), (ii) a 10-percent shareholder (within the meaning of Section 871(h)(3)(B) of the Internal Revenue Code) of any Loan Party or (iii) a controlled foreign corporation related to any Loan Party (within the meaning of Section 864(d)(4) of the Internal Revenue Code), Internal Revenue Service Form W-8BEN, as appropriate, or any successor or other form prescribed by the Internal Revenue Service, certifying that such Lender is exempt from or entitled to a reduced rate of United States withholding tax on payments pursuant to this Agreement or any other Loan Document or, in the case of a Lender that has certified that it is not a "bank" as described above, certifying that such Lender is a foreign corporation, partnership, estate or trust. As provided in Section 2.11(a), if the forms provided by a Lender at the time such Lender first becomes a party to this Agreement indicate a United States interest withholding tax rate in excess of zero, withholding tax at such rate shall be considered excluded from Taxes unless and until such Lender provides the appropriate forms certifying that a lesser rate applies, whereupon withholding tax at such lesser rate only shall be considered excluded from Taxes for periods governed by such forms; *provided*, *however*, that if, at the effective date of the Assignment and Acceptance pursuant to which a Lender becomes a party to this Agreement, the Lender assignor was entitled to payments under subsection (a) of this Section 2.11 in respect of United States withholding tax with respect to interest paid at such date, then, to such extent, the term Taxes shall include (in addition to withholding taxes that may be imposed in the future or other amounts otherwise includable in Taxes) United States withholding tax, if any, applicable with respect to the Lender assignee on such date. If any form or document referred to in this subsection (e) requires the disclosure of information, other than information necessary to compute the tax payable and information required on the date hereof by Internal Revenue Service Form W-8BEN or W-8EC1 or the related certificate described above, that the applicable Lender reasonably considers to be confidential, such Lender shall give notice thereof to the Borrower and shall not be obligated to include in such form or document such confidential information.

(f) For any period with respect to which a Lender has failed to provide the Borrower with the appropriate form, certificate or other document described in subsection (e)

above (other than if such failure is due to a change in law, or in the interpretation or application thereof, occurring after the date on which a form, certificate or other document originally was required to be provided or if such form, certificate or other document otherwise is not required under subsection (e) above), such Lender shall not be entitled to indemnification under subsection (a) or (c) of this Section 2.11 with respect to Taxes imposed by the United States by reason of such failure; *provided*, *however*, that should a Lender become subject to Taxes because of its failure to deliver a form, certificate or other document required hereunder, the Loan Parties shall take such steps as such Lender shall reasonably request, at the Lender's sole expense and as long as the Loan Parties determine that such steps will not, in the reasonable judgment of the Loan Parties, be disadvantageous to the Loan Parties, to assist such Lender to recover such Taxes.

(g) Any Lender claiming any additional amounts payable pursuant to this Section 2.11 agrees to use reasonable efforts (consistent with its internal policy and legal and regulatory restrictions) to change the jurisdiction of its Lending Office if the making of such a change would avoid the need for, or reduce the amount of, any such additional amounts that may thereafter accrue and would not, in the reasonable judgment of such Lender, be otherwise disadvantageous to such Lender. In addition, if a Lender determines, in such Lender's sole discretion, that it has received a refund or credit in respect of any Taxes or Other Taxes as to which it has been indemnified pursuant to Section 2.11(c), or with respect to which additional amounts have been paid pursuant to Section 2.11(a), such Lender shall pay to the Borrower an amount equal to such refund (but such amount in no event to exceed the amount of any indemnity payments made, or additional amounts paid, by the Borrower under this Section 2.11 with respect to the Taxes or Other Taxes giving rise to such refund) net of all out-of-pocket expenses of such Lender, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), *provided* that the Borrower, upon the request of such Lender, shall agree to repay the amount paid over to the Borrower (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to such Lender in the event such Lender subsequently determines that such refund or credit is unavailable under applicable law or is otherwise required to repay such refund to such Governmental Authority. This paragraph shall not be construed to require a Lender to rearrange its tax affairs or to make available its tax returns (or any other information relating to its taxes that it deems confidential) to the Borrower or any other Person.

SECTION 2.12. Sharing of Payments, Etc. If any Lender shall obtain at any time any payment (whether voluntary, involuntary, through the exercise of any right of set-off, or otherwise, other than as a result of an assignment pursuant to Section 9.07), (a) on account of Obligations due and payable to such Lender hereunder and under the other Loan Documents in excess of its ratable share (according to the proportion of (i) the amount of such Obligations due and payable to such Lender to (ii) the aggregate amount of the Obligations due and payable to all Lenders hereunder and under the other Loan Documents at such time) of payments on account of the Obligations due and payable to all Lenders hereunder and under the other Loan Documents at such time obtained by all the Lenders at such time or (b) on account of Obligations owing (but not due and payable) to such Lender hereunder and under the other Loan Documents at such time in excess of its ratable share (according to the proportion of (i) the amount of such Obligations

owing to such Lender at such time to (ii) the aggregate amount of the Obligations owing (but not due and payable) to all Lenders hereunder and under the other Loan Documents at such time) of payments on account of the Obligations owing (but not due and payable) to all Lenders hereunder and under the other Loan Documents at such time obtained by all of the Lenders at such time, such Lender shall forthwith purchase from the other Lenders such interests or participating interests in the Obligations as shall be necessary to cause such purchasing Lender to share the excess payment ratably with each of them; *provided*, *however*, that if all or any portion of such excess payment is thereafter recovered from such purchasing Lender, such purchase from each other Lender shall be rescinded and such other Lender shall repay to the purchasing Lender the purchase price to the extent of such Lender's ratable share (according to the proportion of (i) the purchase price paid to such Lender to (ii) the aggregate purchase price paid to all Lenders) of such recovery together with an amount equal to such Lender's ratable share (according to the proportion of (i) the amount of such other Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered. The Loan Parties agree that any Lender so purchasing an interest or participating interest from another Lender pursuant to this Section 2.12 may, to the fullest extent permitted by law, exercise all its rights of payment (including the right of set-off) with respect to such interest or participating interest, as the case may be, as fully as if such Lender were the direct creditor of the Loan Parties in the amount of such interest or participating interest, as the case may be.

SECTION 2.13. Use of Proceeds. The proceeds of the Loans shall be available (and the Borrower agrees that it shall use such proceeds and Commitments) solely (a) on the Effective Date, to repay and/or refinance a portion of obligations of the Existing Loan Parties outstanding on the Effective Date under the Pre-Petition First Lien Credit Agreement (other than the Pre-Petition Exit Fee (as defined in the First Lien Credit Agreement) and the Deferred Stub Interest Payment Amount) and the DIP Credit Agreement in accordance with the Plan of Reorganization and (b) on and after the Effective Date, (i) to provide working capital for the Loan Parties and (ii) for the Loan Parties' other general corporate purposes.

SECTION 2.14. Evidence of Debt. (a) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan owing to such Lender from time to time, including the amounts of principal (including principal owing as a result of PIK Interest) and interest payable and paid to such Lender from time to time hereunder. The Borrower agrees that upon notice by any Lender to the Borrower (with a copy of such notice to the Administrative Agent) to the effect that a promissory note or other evidence of indebtedness is required or appropriate in order for such Lender to evidence (whether for purposes of pledge, enforcement or otherwise) the Loans owing to, or to be made by, such Lender, the Borrower shall promptly execute and deliver to such Lender, with a copy to the Administrative Agent, a Note in substantially the form of Exhibit A hereto, payable to the order of such Lender in a principal amount equal to the Commitment of such Lender. All references to Notes, if any, in the Loan Documents shall mean Notes, if any, to the extent issued hereunder.

(b) The Register maintained by the Administrative Agent pursuant to Section 9.07(f) shall include a control account, and a subsidiary account for each Lender, in which accounts (taken together) shall be recorded (i) the date and amount of each Borrowing made hereunder and, if appropriate, the Eurodollar Rate Period applicable thereto, (ii) the terms of each Assignment and Acceptance delivered to and accepted by it, (iii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iv) the amount of any sum received by the Administrative Agent from the Borrower hereunder and each Lender's share thereof.

(c) Entries made in good faith by the Administrative Agent in the Register pursuant to subsection (b) above, and by each Lender in its account or accounts pursuant to subsection (a) above, shall be *prima facie* evidence of the amount of principal and interest due and payable or to become due and payable from the Borrower to, in the case of the Register, each Lender and, in the case of such account or accounts, such Lender, under this Agreement, absent manifest error; *provided*, *however*, that the failure of the Administrative Agent or such Lender to make an entry, or any finding that an entry is incorrect, in the Register or such account or accounts shall not limit or otherwise affect the obligations of the Borrower under this Agreement.

SECTION 2.15. Duty to Mitigate. In the event that any Lender demands payment of costs or additional amounts pursuant to Section 2.09 or 2.11, the Borrower may, upon 20 days' prior written notice to such Lender and the Administrative Agent, elect to cause such Lender to assign its Loans and Commitments in full to one or more Persons selected by the Borrower so long as (i) each such Person satisfies the criteria of an Eligible Assignee and is reasonably satisfactory to the Administrative Agent, (ii) such Lender receives payment in full in Cash of the outstanding principal amount of all Loans made by it and all accrued and unpaid interest thereon and all other amounts due and payable to such Lender as of the date of such assignment (including, without limitation, amounts owing pursuant to Sections 2.09, 2.11 and 9.04) and (iii) each such assignee agrees to accept such assignment and to assume all obligations of such Lender hereunder in accordance with Section 9.07.

ARTICLE III

SECTION 3.02. Conditions Precedent to Each Borrowing. The obligation of each Lender to make a Loan (including on the Effective Date) shall be subject to the conditions precedent that on the date of such Borrowing the following statements shall be true and the Administrative Agent shall have received for the account of such Lender a certificate signed by a Responsible Officer of the Borrower, dated the date of such Borrowing, stating that (and each of the giving of the applicable Notice of Borrowing and the acceptance by the Borrower of the proceeds of such Borrowing shall constitute a representation and warranty by the Borrower that both on the date of such notice and on the date of such Borrowing such statements are true):

(a) the representations and warranties contained in each Loan Document are true and correct in all material respects on and as of such date, before and after giving effect to such Borrowing and to the application of the proceeds therefrom, as though made on and as of such date, except to the extent such representations and warranties expressly relate to an earlier date (in which case such representations and warranties shall be true and correct in all material respects as of such earlier date) *provided*, that if a representation and warranty is qualified as to materiality, with respect to such representation and warranty, the materiality qualifier set forth in this clause (a) shall be disregarded; and

(b) no Default has occurred and is continuing, or would result from such Borrowing or from the application of the proceeds therefrom.

ARTICLE IV

REPRESENTATIONS AND WARRANTIES

SECTION 4.01. Representations and Warranties. Each Loan Party represents and warrants as follows:

(a) Organization. (i) any ERISA Event shall have occurred with respect to a Plan and the sum (determined as of the date of occurrence of such ERISA Event) of the Insufficiency of such Plan and the Insufficiency of any and all other Plans with respect to which an ERISA Event shall have occurred and then exist (or the liability of the Loan Parties and the ERISA Affiliates related to such ERISA Event) exceeds $10,000,000;

(ii) any Loan Party or any ERISA Affiliate shall have been notified by the sponsor of a Multiemployer Plan that it has incurred Withdrawal Liability to such Multiemployer Plan in an amount that, when aggregated with all other amounts required to be paid to Multiemployer Plans by the Loan Parties and the ERISA Affiliates as Withdrawal Liability (determined as of the date of such notification), exceeds $5,000,000 or requires payments exceeding $5,000,000 *per annum*; or

(iii) any Loan Party or any ERISA Affiliate shall have been notified by the sponsor of a Multiemployer Plan that such Multiemployer Plan is in reorganization or is being terminated, within the meaning of Title IV of ERISA, and as a result of such reorganization or termination the aggregate annual contributions of the Loan Parties and the ERISA Affiliates to all Multiemployer Plans that are then in reorganization or being terminated have been or will be increased over the amounts contributed to such Multiemployer Plans for the plan years of such Multiemployer Plans immediately preceding the plan year in which such reorganization or termination occurs by an amount exceeding $10,000,000;

(n) Dissolution. any order, judgment or decree shall be entered against any Loan Party or any of its Subsidiaries decreeing the dissolution or split up of such Loan Party or Subsidiary and such order shall remain undischarged or unstayed for a period in excess of 30 days; or

(o) Material Contracts. (i) any Material Contract shall at any time cease to be valid and binding or in full force and effect (in each case, except in connection with its expiration in accordance with its terms in the ordinary course (and not related to any default thereunder), or (ii) any Loan Party shall default in any material respect in the performance or observance of any covenant or agreement contained in any Material Contract to which it is a party and such default has continued beyond any applicable grace period specified therein, and in the case of (i) or (ii),

such event could reasonably be expected to have a Material Adverse Effect or to have an adverse impact on the value of the Collateral in excess of an amount equal to (A) $50,000,000 *multiplied by* (B) an amount equal to (I) one *minus* (II) an amount equal to (1) the sum of the Floor Amounts for each Project or Project Company that has been transferred pursuant to an Asset Sale, if any (and for the avoidance of doubt, if no Asset Sales have occurred, this sum shall be equal to zero), *divided by* (2) $1,050,000,000, unless within 120 days of such termination or default, the applicable Loan Party replaces such Material Contract with a replacement agreement (x) similar in scope to and on terms not materially less favorable to the relevant Loan Party, the relevant Project and the Lenders than the Material Contract being replaced or (y) in form and substance reasonably satisfactory to the Administrative Agent, and in each case with a counterparty of comparable or better standing in the applicable industry; *provided* that if at any time during such 120 day grace period the Administrative Agent reasonably determines that the applicable Loan Party is not diligently seeking to replace the applicable Material Contract, an Event of Default shall immediately occur; and *provided*, *further*, that to the extent the IDA Lease is terminated, no Default or Event of Default shall occur to the extent that concurrently therewith the Borrower obtains fee title to the Athens Project and grants to the Second Lien Collateral Agent (or the Second Lien Collateral Agent is otherwise granted) a mortgage in respect thereof as set forth in Section 5.01(j) and no Material Adverse Effect results from the termination of the IDA Lease;

then, and in any such event, the Administrative Agent (i) shall at the request, or may with the consent, of the Required Lenders, by notice (which may be delivered concurrently with any EOD Notice) to the Borrower, declare the Commitments of each Lender and the obligation of each Lender to make Loans to be terminated, whereupon the same shall forthwith terminate and (ii) shall at the request, or may with the consent, of the Required Lenders, by notice (which may be delivered concurrently with any EOD Notice) to the Borrower, declare the Loans, all interest thereon and all other amounts payable under this Agreement and the other Loan Documents to be forthwith due and payable, whereupon the Loans, all such interest and all such amounts shall become and be forthwith due and payable, without presentment, demand, protest or further notice of any kind, all of which are hereby expressly waived by the Borrower; *provided*, *however*, that, in the event of an actual or deemed entry of an order for relief with respect to the Borrower under the Bankruptcy Code, (x) the Commitments of each Lender and the obligation of each Lender to make Loans shall automatically be terminated and (y) the Loans, all such interest and all such amounts shall automatically become and be due and payable, without presentment, demand, protest or any notice of any kind, all of which are hereby expressly waived by the Borrower. For the avoidance of doubt, payment defaults may be cured within the applicable cure period, if any, by equity contributions from one or more members of the Borrower without limitation as to the number of such cures.

ARTICLE VII

THE AGENTS

SECTION 7.01. Authorization and Action. (a) Each Lender (in its capacity as a Lender) hereby appoints and authorizes the Administrative Agent to take such action as agent on

its behalf and to exercise such powers and discretion under this Agreement and the other Loan Documents as are delegated to the Administrative Agent by the terms hereof and thereof, together with such powers and discretion as are reasonably incidental thereto. As to any matters not expressly provided for by the Loan Documents (including, without limitation, enforcement of the Obligations or collection of the Obligations owing under the Loan Documents), the Administrative Agent shall not be required to exercise any discretion or take any action, but shall be required to act or to refrain from acting (and shall be fully protected in so acting or refraining from acting) upon the instructions of the Required Lenders, and such instructions shall be binding upon all Lenders and all holders of Notes; *provided*, *however*, that the Administrative Agent shall not be required to take any action that exposes the Administrative Agent to personal liability or that is contrary to this Agreement or applicable law. Without limiting the generality of the foregoing, each Lender hereby authorizes and instructs the Administrative Agent to enter into the documents to be entered into by the Administrative Agent expressly mentioned in Section 3.01.

(b) The Administrative Agent may execute any of its duties under this Agreement or any other Loan Document (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Second Lien Collateral Documents or of exercising any rights and remedies thereunder at the direction of the Second Lien Collateral Agent) by or through agents, employees or attorneys-in-fact and shall be entitled to advice of counsel and other consultants or experts concerning all matters pertaining to such duties. The Administrative Agent shall not be responsible for the negligence or misconduct of any agent, employee or attorney-in-fact that it selects in accordance with the foregoing provisions of this Section 7.01(b) in the absence of the Administrative Agent's gross negligence or willful misconduct.

SECTION 7.02. Administrative Agent's Reliance, Etc. Neither the Administrative Agent nor any of its directors, officers, agents or employees shall be liable for any action taken or omitted to be taken by it or them under or in connection with the Loan Documents, except for its or their own gross negligence or willful misconduct. Without limitation of the generality of the foregoing, the Administrative Agent: (a) may consult with legal counsel (including counsel for any Loan Party), independent public accountants and other experts selected by it and shall not be liable for any action taken or omitted to be taken in good faith by it in accordance with the advice of such counsel, accountants or experts; (b) makes no warranty or representation to any Lender and shall not be responsible to any Lender for any statements, warranties or representations (whether written or oral) made in or in connection with the Loan Documents; (c) shall not have any duty to ascertain or to inquire as to the performance, observance or satisfaction of any of the terms, covenants or conditions of any Loan Document on the part of any Loan Party or the existence at any time of any Default under the Loan Documents or to inspect the property (including the books and records) of any Loan Party; (d) shall not be responsible to any Lender for the due execution, legality, validity, enforceability, genuineness, sufficiency or value of, or the perfection or priority of any lien or security interest created or purported to be created under or in connection with, any Loan Document or any other instrument or document furnished pursuant thereto; and (e) shall incur no liability under or in respect of any Loan Document by acting upon any notice, consent, certificate or other instrument or writing

(which may be by telegram, telecopy or electronic communication) believed by it to be genuine and signed or sent by the proper party or parties.

SECTION 7.03. Agents and Affiliates. With respect to its Commitments, the Loans made by it and any Notes issued to it, each Agent and its Affiliates shall have the same rights and powers under the Loan Documents as any other Lender and may exercise the same as though each were not an Agent or an Affiliate of an Agent; and the term "*Lender*" or "*Lenders*" shall, unless otherwise expressly indicated, include each Agent and its Affiliates in their respective individual capacities. Each Agent and its Affiliates may accept deposits from, lend money to, act as trustee under indentures of, accept investment banking engagements from and generally engage in any kind of business with, any Loan Party, any of its Subsidiaries and any Person that may do business with or own securities of any Loan Party or any such Subsidiary, all as if such Agent was not an Agent and without any duty to account therefor to the Lenders. No Agent shall have any duty to disclose any information obtained or received by it or any of its Affiliates relating to any Loan Party or any of its Subsidiaries to the extent such information was obtained or received in any capacity other than as such Agent.

SECTION 7.04. Lender Credit Decision. Each Lender acknowledges that it has, independently and without reliance upon any Agent or any other Lender and based on the financial statements referred to in Section 3.01 and such other documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon any Agent or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement.

SECTION 7.05. Indemnification. (a) Each Lender severally agrees to indemnify each Agent (to the extent not promptly reimbursed by the Borrower and without limiting its obligation to do so) from and against such Lender's ratable share (determined as provided below) of any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever that may be imposed on, incurred by, or asserted against such Agent in any way relating to or arising out of the Loan Documents or any action taken or omitted by such Agent under the Loan Documents (collectively, the "***Indemnified Costs***"); *provided*, *however*, that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from such Agent's gross negligence or willful misconduct as found in a final, non-appealable judgment by a court of competent jurisdiction. Without limitation of the foregoing, each Lender agrees to reimburse each Agent promptly upon demand for its ratable share of any costs and expenses (including, without limitation, reasonable fees and expenses of counsel) payable by the Borrower under Section 9.04, to the extent that such Agent is not promptly reimbursed for such costs and expenses by the Borrower. In the case of any investigation, litigation or proceeding giving rise to any Indemnified Costs, this Section 7.05 applies whether any such investigation, litigation or proceeding is brought by any Lender or any other Person. Each Agent is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and otherwise apply any and all amounts it receives pursuant

to the Loan Documents to or for the credit or the account of any Lender against any and all obligations of such Lender to such Agent now or hereafter existing under this Section 7.05; *provided* that the foregoing sentence shall only apply if such Lender fails to promptly pay such obligation following such Agent's written request for payment; *provided further* that any obligation a Lender fails to promptly pay following the Agent's written request for payment shall bear interest at the same rate as Default Interest and the Agent is authorized to set off against any such accrued interest in the manner described above.

(b) For purposes of Section 7.05(a), (i) each Lender's ratable share of any amount shall be determined, at any time, according to the sum of (A) the aggregate principal amount of the Loans outstanding at such time and owing to such Lender and (B) in the case of any Lender, such Lender's Unused Commitments at such time; and (ii) each Lender's ratable share of any amount shall be determined, at any time, according to the sum of (A) the aggregate principal amount of the Loans outstanding at such time and owing to such Lender and (B) such Lender's Unused Commitments at such time. The failure of any Lender to reimburse any Agent promptly upon demand for its ratable share of any amount required to be paid by the Lenders to such Agent as provided herein shall not relieve any other Lender of its obligation hereunder to reimburse such Agent for its ratable share of such amount, but no Lender shall be responsible for the failure of any other Lender to reimburse such Agent for such other Lender's ratable share of such amount. Without prejudice to the survival of any other agreement of any Lender hereunder, the agreement and obligations of each Lender contained in this Section 7.05 shall survive the payment in full of principal, interest and all other amounts payable hereunder and under the other Loan Documents.

SECTION 7.06. Successor Administrative Agent. The Administrative Agent may resign as to the Facility at any time by giving 15 days' written notice thereof to the Lenders and the Borrower and may be removed at any time with or without cause by the Required Lenders. Upon any such resignation or removal, the Required Lenders shall have the right, with (so long as no Event of Default has occurred and is continuing) the consent of the Borrower (not to be unreasonably withheld or delayed), to appoint a successor Administrative Agent as to the Facility. If no successor Administrative Agent shall have been so appointed by the Required Lenders, and shall have accepted such appointment, within 30 days after the retiring Administrative Agent's giving of notice of resignation or the Required Lenders' removal of the retiring Administrative Agent, then the retiring Administrative Agent may, on behalf of the Lenders, appoint a successor Administrative Agent, which shall be a commercial bank organized under the laws of the United States or of any State thereof and having a combined capital and surplus of at least $500,000,000. Upon the acceptance of any appointment as Administrative Agent hereunder by a successor Administrative Agent, such successor Administrative Agent shall succeed to and become vested with all the rights, powers, discretion, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations under the Loan Documents. If within 45 days after written notice is given of the retiring Administrative Agent's resignation or removal under this Section 7.06 no successor Administrative Agent shall have been appointed and shall have accepted such appointment, then on such 45th day (a) the retiring Administrative Agent's resignation or removal shall become effective, (b) the retiring Administrative Agent shall thereupon be

discharged from its duties and obligations under the Loan Documents and (c) the Required Lenders shall thereafter perform all duties of the retiring Administrative Agent under the Loan Documents until such time, if any, as the Required Lenders appoint a successor Agent as provided above. After any retiring Administrative Agent's resignation or removal hereunder as Administrative Agent as to the Facility shall have become effective, the provisions of this Article VII shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent as to the Facility under this Agreement.

SECTION 7.07. Second Lien Collateral Agent. Each of the Administrative Agent and the Lenders hereby designates and appoints Talen Investment Corporation as Second Lien Collateral Agent under this Agreement and the other Loan Documents and authorizes Talen Investment Corporation, in the capacity of Second Lien Collateral Agent, to (A) execute, deliver and perform the obligations, if any, of the Second Lien Collateral Agent, as applicable under this Agreement and each other Loan Document and (B) take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Second Lien Collateral Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto; *provided*, *however*, that the Second Lien Collateral Agent shall not be required to take any action that exposes the Second Lien Collateral Agent to personal liability or that is contrary to this Agreement or applicable law. Without limiting the generality of the foregoing, each of the Administrative Agent and the Lenders hereby authorizes and instructs Talen Investment Corporation, in the capacity of Second Lien Collateral Agent, to execute and deliver the documents to be entered into by the Second Lien Collateral Agent expressly mentioned in Section 3.01, and, without limiting any of the provisions of this Agreement, Talen Investment Corporation, in the capacity of Second Lien Collateral Agent, shall continue to be bound by and entitled to all the benefits and protections afforded to the Second Lien Collateral Agent under the Intercreditor Agreement, including Section 7 of the Intercreditor Agreement, as if fully set forth herein.

ARTICLE VIII

GUARANTY

SECTION 8.01. Guaranty; Limitation of Liability. (a) Subject in the case of Athens to the Athens Cap Amount, each Guarantor, jointly and severally, hereby absolutely, unconditionally and irrevocably guarantees the punctual payment when due, whether at scheduled maturity or on any date of a required prepayment or by acceleration, demand or otherwise, of all Obligations of each other Loan Party now or hereafter existing under or in respect of the Loan Documents (including, without limitation, any extensions, modifications, substitutions, amendments or renewals of any or all of the foregoing Obligations), whether direct or indirect, absolute or contingent, and whether for principal, interest, premiums, fees, indemnities, contract causes of action, costs, expenses or otherwise (such Obligations being the "***Guaranteed Obligations***"), and agrees to pay any and all expenses (including, without limitation, reasonable fees and expenses of counsel) incurred by the Administrative Agent or any other Lender in enforcing any rights under this Guaranty or any other Loan Document. Without

limiting the generality of the foregoing, subject in the case of Athens to the Athens Cap Amount, each Guarantor's liability shall extend to all amounts that constitute part of the Guaranteed Obligations and would be owed by any other Loan Party to any Lender under or in respect of the Loan Documents but for the fact that they are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving such other Loan Party.

(b) Each Guarantor, and by its acceptance of this Guaranty, the Administrative Agent and each other Lender, hereby confirms that it is the intention of all such Persons that this Guaranty and the obligations of each Guarantor hereunder not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar foreign, federal or state law to the extent applicable to this Guaranty and the obligations of each Guarantor hereunder. To effectuate the foregoing intention, the Administrative Agent, the other Lenders and the Guarantors hereby irrevocably agree that the obligations of each Guarantor under this Guaranty at any time shall be limited to the maximum amount as will result in the obligations of such Guarantor under this Guaranty not constituting a fraudulent transfer or conveyance.

(c) Subject in the case of Athens to the Athens Cap Amount, each Guarantor hereby unconditionally and irrevocably agrees that in the event any payment shall be required to be made to any Lender under this Guaranty or any other guaranty, such Guarantor will contribute, to the maximum extent permitted by law, such amounts to each other Guarantor and each other guarantor so as to maximize the aggregate amount paid to the Lenders under or in respect of the Loan Documents.

SECTION 8.02. Guaranty Absolute. Subject in the case of Athens to the Athens Cap Amount, each Guarantor guarantees that the Guaranteed Obligations will be paid strictly in accordance with the terms of the Loan Documents, regardless of any law, regulation or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of any Lender with respect thereto. The obligations of each Guarantor under or in respect of this Guaranty are independent of the Guaranteed Obligations or any other Obligations of any other Loan Party under or in respect of the Loan Documents, and a separate action or actions may be brought and prosecuted against each Guarantor to enforce this Guaranty, irrespective of whether any action is brought against the Borrower or any other Loan Party or whether the Borrower or any other Loan Party is joined in any such action or actions. The liability of each Guarantor under this Guaranty shall be irrevocable, absolute and unconditional irrespective of, and each Guarantor hereby irrevocably waives any defenses it may now have or hereafter acquire in any way relating to, any or all of the following:

(a) any lack of validity or enforceability of any Loan Document or any agreement or instrument relating thereto;

(b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Guaranteed Obligations or any other Obligations of any other Loan Party under or in respect of the Loan Documents, or any other amendment or waiver of or any consent to departure from any Loan Document, including, without limitation, any increase in the

Guaranteed Obligations resulting from the extension of additional credit to any Loan Party or any of its Subsidiaries or otherwise;

(c) any taking, exchange, release or non-perfection of any Collateral or any other collateral, or any taking, release or amendment or waiver of, or consent to departure from, any other guaranty, for all or any of the Guaranteed Obligations;

(d) any manner of application of Collateral or any other collateral, or proceeds thereof, to all or any of the Guaranteed Obligations, or any manner of sale or other disposition of any Collateral or any other collateral for all or any of the Guaranteed Obligations or any other Obligations of any Loan Party under the Loan Documents or any other assets of any Loan Party or any of its Subsidiaries;

(e) any change, restructuring or termination of the corporate structure or existence of any Loan Party or any of its Subsidiaries;

(f) any failure of any Lender to disclose to any Loan Party any information relating to the business, condition (financial or otherwise), operations, performance, properties or prospects of any other Loan Party now or hereafter known to such Lender (each Guarantor waiving any duty on the part of the Lenders to disclose such information);

(g) the failure of any other Person to execute or deliver this Agreement or any other guaranty or agreement or the release or reduction of liability of any Guarantor or other guarantor or surety with respect to the Guaranteed Obligations; or

(h) any other circumstance (including, without limitation, any statute of limitations) or any existence of or reliance on any representation by any Lender that might otherwise constitute a defense available to, or a discharge of, any Loan Party or any other guarantor or surety.

This Guaranty shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the Guaranteed Obligations is rescinded or must otherwise be returned by any Lender or any other Person upon the insolvency, bankruptcy or reorganization of the Borrower or any other Loan Party or otherwise, all as though such payment had not been made.

SECTION 8.03. Waivers and Acknowledgments. (a) Each Guarantor hereby unconditionally and irrevocably waives promptness, diligence, notice of acceptance, presentment, demand for performance, notice of nonperformance, default, acceleration, protest or dishonor and any other notice with respect to any of the Guaranteed Obligations and this Guaranty and any requirement that any Lender protect, secure, perfect or insure any Lien or any property subject thereto or exhaust any right or take any action against any Loan Party or any other Person or any Collateral.

(b) Each Guarantor hereby unconditionally and irrevocably waives any right to revoke this Guaranty and acknowledges that this Guaranty is continuing in nature and applies to all Guaranteed Obligations, whether existing now or in the future.

(c) Each Guarantor hereby unconditionally and irrevocably waives (i) any defense arising by reason of any claim or defense based upon an election of remedies by any Lender that in any manner impairs, reduces, releases or otherwise adversely affects the subrogation, reimbursement, exoneration, contribution or indemnification rights of such Guarantor or other rights of such Guarantor to proceed against any of the other Loan Parties, any other guarantor or any other Person or any Collateral and (ii) any defense based on any right of set-off or counterclaim against or in respect of the obligations of such Guarantor hereunder.

(d) Each Guarantor acknowledges that the Second Lien Collateral Agent may, without notice to or demand upon such Guarantor and without affecting the liability of such Guarantor under this Guaranty, foreclose under any mortgage by nonjudicial sale, and each Guarantor hereby waives any defense to the recovery by the Second Lien Collateral Agent and the other Second Lien Secured Parties against such Guarantor of any deficiency after such nonjudicial sale and any defense or benefits that may be afforded by applicable law.

(e) Each Guarantor hereby unconditionally and irrevocably waives any duty on the part of any Lender to disclose to such Guarantor any matter, fact or thing relating to the business, condition (financial or otherwise), operations, performance, properties or prospects of any other Loan Party or any of its Subsidiaries now or hereafter known by such Lender.

(f) Each Guarantor acknowledges that it will receive substantial direct and indirect benefits from the financing arrangements contemplated by the Loan Documents and that the waivers set forth in Section 8.02 and this Section 8.03 are knowingly made in contemplation of such benefits.

SECTION 8.04. Subrogation. Each Guarantor hereby unconditionally and irrevocably agrees not to exercise any rights that it may now have or hereafter acquire against the Borrower or any other Loan Party that arise from the existence, payment, performance or enforcement of such Guarantor's obligations under or in respect of this Guaranty or any other Loan Document, including, without limitation, any right of subrogation, reimbursement, exoneration, contribution or indemnification and any right to participate in any claim or remedy of any Lender against the Borrower, any other Loan Party or any Collateral, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, including, without limitation, the right to take or receive from the Borrower or any other Loan Party directly or indirectly, in Cash or other property or by set-off or in any other manner, payment or security on account of such claim, remedy or right, unless and until all of the Guaranteed Obligations and all other amounts payable under this Guaranty shall have been paid in full in Cash, and the Commitments shall have expired or been terminated. If any amount shall be paid to any Guarantor in violation of the immediately preceding sentence at any time prior to the latest of (a) the payment in full in Cash of the Guaranteed Obligations and all other amounts payable under this Guaranty, and (b) the Maturity Date, such amount shall be received and held in trust for the benefit of the Lenders, shall be segregated from other property and funds of such Guarantor and shall forthwith be paid or delivered to the Administrative Agent in the same form as so received (with any necessary endorsement or assignment) to be credited and applied to the Guaranteed Obligations and all other amounts payable under this Guaranty, whether matured or

unmatured, in accordance with the terms of the Loan Documents, or to be held as Collateral for any Guaranteed Obligations or other amounts payable under this Guaranty thereafter arising. If (i) any Guarantor shall make payment to any Lender of all or any part of the Guaranteed Obligations, (ii) all of the Guaranteed Obligations and all other amounts payable under this Guaranty shall have been paid in full in Cash, and (iii) the Maturity Date shall have occurred, the Lenders will, at such Guarantor's request and expense, execute and deliver to such Guarantor appropriate documents, without recourse and without representation or warranty, necessary to evidence the transfer by subrogation to such Guarantor of an interest in the Guaranteed Obligations resulting from such payment made by such Guarantor pursuant to this Guaranty.

SECTION 8.05. Subordination. Each Guarantor hereby subordinates any and all debts, liabilities and other obligations owed to such Guarantor by each other Loan Party (the "***Subordinated Obligations***") to the Guaranteed Obligations to the extent and in the manner hereinafter set forth in this Section 8.05:

(a) Prohibited Payments, Etc. Except during the continuance of any Event of Default, each Guarantor may receive regularly scheduled payments from any other Loan Party on account of the Subordinated Obligations in compliance with the Security Deposit Agreement. After the occurrence and during the continuance of any Event of Default, however, unless the Required Lenders otherwise agree, no Guarantor shall demand, accept or take any action to collect any payment on account of the Subordinated Obligations other than to the extent payment of such Subordinated Obligations is permitted under the terms of the Security Deposit Agreement and the other Loan Documents.

(b) Prior Payment of Guaranteed Obligations. In any proceeding under any Bankruptcy Law relating to any other Loan Party, each Guarantor agrees that the Lenders shall be entitled to receive payment in full in Cash of all Guaranteed Obligations (including all interest and expenses accruing after the commencement of a proceeding under any Bankruptcy Law, whether or not constituting an allowed claim in such proceeding ("***Post-Petition Interest***")) before such Guarantor receives payment of any Subordinated Obligations.

(c) Turn-Over. After the occurrence and during the continuance of any Default, each Guarantor shall, if the Administrative Agent so requests, collect, enforce and receive payments on account of the Subordinated Obligations as trustee for the Lenders and deliver such payments to the Administrative Agent on account of the Guaranteed Obligations (including all Post-Petition Interest), together with any necessary endorsements or other instruments of transfer, but without reducing or affecting in any manner the liability of such Guarantor under the other provisions of this Guaranty.

(d) Administrative Agent Authorization. After the occurrence and during the continuance of any Default, the Administrative Agent is authorized and empowered (but without any obligation to so do), in its discretion, (i) in the name of each Guarantor, to collect and enforce, and to submit claims in respect of, the Subordinated Obligations and to apply any amounts received thereon to the Guaranteed Obligations (including any and all Post-Petition Interest), and (ii) to require each Guarantor (A) to collect and enforce, and to submit claims in respect of, the Subordinated Obligations and (B) to pay any amounts received on such

obligations to the Administrative Agent for application to the Guaranteed Obligations (including any and all Post-Petition Interest).

SECTION 8.06. Continuing Guaranty; Assignments. This Guaranty is a continuing guaranty and shall (a) remain in full force and effect until a Repayment Event has occurred, (b) be binding upon each Guarantor, its successors and assigns and (c) inure to the benefit of and be enforceable by the Lenders and their successors, transferees and assigns. Without limiting the generality of clause (c) of the immediately preceding sentence, any Lender may assign or otherwise transfer all or any portion of its rights and obligations under this Agreement (including, without limitation, all or any portion of its Commitments, the Loans owing to it and any Note or Notes held by it) to any other Person, and such other Person shall thereupon become vested with all the benefits in respect thereof granted to such Lender herein or otherwise, in each case as and to the extent provided in Section 9.07. No Guarantor shall have the right to assign its rights hereunder or any interest herein without the prior written consent of the Required Lenders, which consent may be granted or withheld in the Required Lenders' sole and absolute discretion.

SECTION 8.07. LC Provider a Beneficiary. Each Guarantor expressly acknowledges and agrees that Talen is a beneficiary of the Guaranty and that all obligations under the LC Support Agreement constitute Guaranteed Obligations.

SECTION 8.08. Eligible Contract Participant.

(a) Each Guarantor (other than MACH Gen GP, LLC) represents and warrants on the date hereof that, to the extent any Guaranteed Obligations include Swap Obligations on the date hereof, it is an "eligible contract participant" as defined in the Commodity Exchange Act and the regulations issued thereunder.

(b) Each Guarantor (other than MACH Gen GP, LLC) agrees that at such time as the Guaranteed Obligations of such Guarantor includes Swap Obligations, and at such other times as are required for purposes of the Commodity Exchange Act and the regulations thereunder, such Guarantor shall constitute an "eligible contract participant" as defined in the Commodity Exchange Act and the regulations thereunder.

SECTION 8.09. Keepwell. Each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by any other Guarantor to honor all of such Guarantor's Swap Obligations to the extent included in such Guarantor's Guaranteed Obligations under this Article VIII (provided, however, that each Qualified ECP Guarantor shall only be liable under this Section 8.09 for the maximum amount of such liability that can be hereby incurred without rendering its obligation under this Section 8.09, or otherwise under this Article VIII, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of each Qualified ECP Guarantor under this Section 8.09 shall remain in full force and effect until the date on which all the Guaranteed Obligations pursuant to and in accordance with this Article VIII are irrevocably and unconditionally discharged in full (but solely to the extent such Guaranteed Obligations include Swap Obligations). Each Qualified ECP Guarantor intends that this Section 8.09 constitute, and

this Section 8.09 shall be deemed to constitute, a keepwell, support, or other agreement for the benefit of each Guarantor for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

SECTION 8.10. Excluded Swap Obligations. In no event shall the Guaranty or any guarantee of any Guarantor in respect of any Swap Obligation under any Hedge Agreements and Commodity Hedge and Power Sale Agreements include, or be deemed to include, a guarantee of any Excluded Swap Obligations.

ARTICLE IX

MISCELLANEOUS

SECTION 9.01. Amendments, Etc. (a) Subject to Section 5.4(c) of the Intercreditor Agreement and clause (b) below, no amendment or waiver of any provision of this Agreement, the Notes or any other Loan Document (including the Intercreditor Agreement and the Security Deposit Agreement), nor consent to any departure by any Loan Party therefrom, shall in any event be effective unless the same shall be in writing and signed by the Required Lenders (or the Administrative Agent on their behalf) and, in the case of an amendment, the Borrower on behalf of the Loan Parties, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; *provided*, *however*, that (i) no amendment, waiver or consent shall, unless in writing and signed by each Lender, do any of the following at any time:

(A) waive any of the conditions specified in Section 3.01 or, in the case of the initial Borrowing hereunder, Section 3.02;

(B) change (1) the definition of "*Required Lenders*" or (2) the number of Lenders or the percentage of (x) the Commitments, or (y) the aggregate unpaid principal amount of the Loans that, in each case, shall be required for the Lenders or any of them to take any action hereunder or under any other Loan Document;

(C) change any other definition in the Intercreditor Agreement or the Security Deposit Agreement in any manner adverse to the Lenders;

(b) Notwithstanding the other provisions of this Section 9.01, the Borrower, the Guarantors, the Second Lien Collateral Agent and the Administrative Agent may (but shall have no obligation to) amend or supplement the Loan Documents without the consent of any Lender: (i) to cure any ambiguity, defect or inconsistency; (ii) to make any change that would provide any additional rights or benefits to the Lenders or (iii) to make, complete or confirm any grant of Collateral permitted or required by this Agreement or any of the Second Lien Collateral

All such notices and other communications shall, when mailed, telegraphed, telecopied, or e-mailed, be effective when deposited in the mails, delivered to the telegraph company, transmitted by telecopier or sent by electronic communication, respectively, except that notices and communications to any Agent pursuant to Article II, Article III or Article VII shall not be effective until received by such Agent. Delivery by telecopier of an executed counterpart of a signature page to any amendment or waiver of any provision of this Agreement or the Notes shall be effective as delivery of an original executed counterpart thereof.

(b) The Borrower hereby agrees that it will provide to the Administrative Agent all information, documents and other materials that it is obligated to furnish to the Administrative Agent pursuant to the Loan Documents, including, without limitation, all notices, requests, financial statements, financial and other reports, certificates and other information materials, but excluding any such communication that (i) relates to a request for a new Borrowing (including any election of an interest rate or interest period relating thereto), (ii) relates to the payment of any principal or other amount due under this Agreement prior to the scheduled date therefor, (iii) provides notice of any Default or Event of Default under this Agreement or (iv) is required to be delivered to satisfy any condition precedent to the effectiveness of this Agreement and/or any Borrowing or other extension of credit thereunder (all such non-excluded communications being referred to herein collectively as "***Communications***"),

by transmitting the Communications in an electronic/soft medium in a format acceptable to the Administrative Agent to an electronic mail address specified by the Administrative Agent to the Borrower. In addition, the Borrower agrees to continue to provide the Communications to the Administrative Agent in the manner specified in the Loan Documents but only to the extent requested by the Administrative Agent. The Borrower further agrees that the Administrative Agent may make the Communications available to the Lenders by posting the Communications on IntraLinks or a substantially similar electronic transmission system (the "***Platform***").

(c) THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE". THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE COMMUNICATIONS, OR THE ADEQUACY OF THE PLATFORM AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS OR OMISSIONS IN THE COMMUNICATIONS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY THE AGENT PARTIES IN CONNECTION WITH THE COMMUNICATIONS OR THE PLATFORM. IN NO EVENT SHALL THE ADMINISTRATIVE AGENT OR ANY OF ITS AFFILIATES OR ANY OF THEIR RESPECTIVE OFFICERS, DIRECTORS, EMPLOYEES, AGENTS, ADVISORS OR REPRESENTATIVES (COLLECTIVELY, "***AGENT PARTIES***") HAVE ANY LIABILITY TO THE BORROWER, ANY LENDER OR ANY OTHER PERSON OR ENTITY FOR DAMAGES OF ANY KIND, INCLUDING, WITHOUT LIMITATION, DIRECT OR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, LOSSES OR EXPENSES (WHETHER IN TORT, CONTRACT OR OTHERWISE) ARISING OUT OF THE BORROWER'S OR THE ADMINISTRATIVE AGENT'S TRANSMISSION OF COMMUNICATIONS THROUGH THE INTERNET, EXCEPT TO THE EXTENT THE LIABILITY OF ANY AGENT PARTY IS FOUND IN A FINAL NON-APPEALABLE JUDGMENT BY A COURT OF COMPETENT JURISDICTION TO HAVE RESULTED PRIMARILY FROM SUCH AGENT PARTY'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT.

(d) The Administrative Agent agrees that the receipt of the Communications by the Administrative Agent at its e-mail address set forth above shall constitute effective delivery of the Communications to the Administrative Agent for purposes of the Loan Documents. Each Lender agrees (i) that notice to it (as provided in the next sentence) specifying that the Communications have been posted to the Platform shall constitute effective delivery of the Communications to such Lender for purposes of the Loan Documents. Each Lender agrees to notify the Administrative Agent in writing (including by electronic communication) from time to time of such Lender's e-mail address to which the foregoing notice may be sent by electronic transmission and (ii) that the foregoing notice may be sent to such e-mail address. Nothing herein shall prejudice the right of the Administrative Agent or any Lender to give any notice or other communication pursuant to any Loan Document in any other manner specified in such Loan Document.

SECTION 9.03. No Waiver; Remedies. No failure on the part of any Lender or any Agent to exercise, and no delay in exercising, any right hereunder or under any Note or any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

SECTION 9.04. Costs and Expenses. (a)The Borrower agrees to pay on demand (i) all costs and expenses of each Agent in connection with the preparation, execution, delivery, administration, modification and amendment of, or any consent or waiver under, the Loan Documents (including, without limitation, (A) all due diligence, collateral review, syndication, transportation, computer, duplication, appraisal, audit, insurance, consultant, search, filing and recording fees and expenses and (B) the reasonable fees and expenses of counsel for each Agent with respect thereto, with respect to advising such Agent as to its rights and responsibilities, or the perfection, protection or preservation of rights or interests, under the Loan Documents, with respect to negotiations with any Loan Party or with other creditors of any Loan Party or any of its Subsidiaries arising out of any Default or any events or circumstances that may give rise to a Default and with respect to presenting claims in or otherwise participating in or monitoring any bankruptcy, insolvency or other similar proceeding involving creditors' rights generally and any proceeding ancillary thereto) and (ii) all costs and expenses of each Agent and each Lender in connection with the enforcement of the Loan Documents, whether in any action, suit or litigation, or any bankruptcy, insolvency or other similar proceeding affecting creditors' rights generally (including, without limitation, the reasonable fees and expenses of counsel for the Administrative Agent and each Lender with respect thereto).

(b) The Borrower agrees to indemnify, defend and save and hold harmless each Agent, each Lender, each of their Affiliates and the respective officers, directors, employees, trustees, agents and advisors of each of the foregoing (each, an "***Indemnified Party***") from and against, and shall pay on demand, any and all claims, damages, losses, liabilities and expenses (including, without limitation, reasonable fees and expenses of counsel) that may be incurred by or asserted or awarded against any Indemnified Party, in each case arising out of or in connection with or by reason of (including, without limitation, in connection with any investigation, litigation or proceeding or preparation of a defense in connection therewith) (i) the Facility, the actual or proposed use of the proceeds of the Loans, the Loan Documents or any of the transactions contemplated thereby or (ii) the actual or alleged presence of Hazardous Materials on any property of any Loan Party or any of its Subsidiaries or any Environmental Action relating in any way to any Loan Party or any of its Subsidiaries, except to the extent such claim, damage, loss, liability or expense is found in a final, non-appealable judgment by a court of competent jurisdiction to have resulted from such Indemnified Party's gross negligence or willful misconduct. In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 9.04(b) applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Loan Party, its directors, shareholders or creditors, any Indemnified Party or any other Person, whether or not any Indemnified Party is otherwise a party thereto and whether or not the transactions contemplated thereby are consummated. The Borrower also agrees not to assert any claim against any Agent, any Lender or any of their Affiliates, or any of their respective officers, directors, employees, trustees, agents

and advisors, on any theory of liability, for special, indirect, consequential or punitive damages arising out of or otherwise relating to the Facility, the actual or proposed use of the proceeds of the Loans, the Loan Documents or any of the transactions contemplated by the Loan Documents.

(c) If (i) any payment of principal of any Loan is made by the Borrower to or for the account of a Lender other than on the last day of the Interest Period for such Loan as a result of (A) acceleration of the maturity of the Loans pursuant to Section 6.01 or (B) a mandatory prepayment of the Loans pursuant to Section 2.05(b), or (ii) the Borrower fails to make any payment or prepayment of a Loan after the Borrower had delivered a notice of prepayment, whether, in the case of this clause (ii), pursuant to Section 2.03 or 6.01 or otherwise, the Borrower shall, upon demand by such Lender (with a copy of such demand to the Administrative Agent), pay to the Administrative Agent for the account of such Lender any amounts required to compensate such Lender for any additional losses, costs or expenses that it may reasonably incur as a result of such payment or such failure to pay or prepay, as the case may be, including, without limitation, any loss (excluding loss of anticipated profits), cost or expense incurred by reason of the liquidation or reemployment of deposits or other funds acquired by any Lender to fund or maintain such Loan.

(d) If any Loan Party fails to pay when due any costs, expenses or other amounts payable by it under any Loan Document, including, without limitation, fees and expenses of counsel and indemnities, such amount may be paid on behalf of such Loan Party by the Administrative Agent or any Lender, in its sole discretion.

(e) Without prejudice to the survival of any other agreement of any Loan Party hereunder or under any other Loan Document, the agreements and obligations of the Borrower contained in Sections 2.09 and 2.11 and this Section 9.04 shall survive the payment in full of principal, interest and all other amounts payable hereunder and under any of the other Loan Documents.

SECTION 9.05. Right of Set-off. Upon (a) the occurrence and during the continuance of any Event of Default and (b) the making of the request or the granting of the consent specified by Section 6.01 to authorize the Administrative Agent to declare the Loans due and payable pursuant to the provisions of Section 6.01, each Agent and each Lender and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and otherwise apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Agent, such Lender or such Affiliate to or for the credit or the account of the Borrower against any and all of the Obligations of the Borrower now or hereafter existing under the Loan Documents, irrespective of whether such Agent or such Lender shall have made any demand under this Agreement and although such Obligations may be unmatured. Each Agent and each Lender agrees promptly to notify the Borrower after any such set-off and application; *provided*, *however*, that the failure to give such notice shall not affect the validity of such set-off and application. The rights of each Agent and each Lender and their respective Affiliates under this Section are in addition to other rights and remedies (including, without limitation, other rights of set-off) that such Agent, such Lender and their respective Affiliates may have.

SECTION 9.06. Binding Effect. This Agreement shall become effective when it shall have been executed by the Borrower and each Agent and the Administrative Agent shall have been notified by each initial Lender that such initial Lender has executed it and thereafter shall be binding upon and inure to the benefit of the Borrower, each Agent and each Lender and their respective successors and assigns, except that the Borrower shall not have the right to assign its rights hereunder or any interest herein without the prior written consent of each Lender. This Agreement is intended to be solely for the benefit of the parties hereto and is not intended to confer any benefits upon, or create any rights in favor of, any person other than the parties hereto.

SECTION 9.07. Assignments and Participations. (a) Each Lender may assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including, without limitation, all or a portion of its Commitment or Commitments, the Loans owing to it, and the Note or Notes held by it); *provided*, *however*, that (i) each such assignment shall be of a uniform, and not a varying, percentage of all rights and obligations under and in respect of the Facility, (ii) except in the case of an assignment to a Person that, immediately prior to such assignment, was a Lender, an Affiliate of any Lender or an Approved Fund of any Lender or an assignment of all of a Lender's rights and obligations under this Agreement, the aggregate amount of the Commitments being assigned to such Eligible Assignee pursuant to such assignment (determined as of the date of the Assignment and Acceptance with respect to such assignment) shall in no event be less than $2,000,000 (or such lesser amount as shall be approved by the Administrative Agent and, so long as no Default shall have occurred and be continuing at the time of effectiveness of such assignment, the Borrower), (iii) each such assignment shall be to an Eligible Assignee, (iv) no such assignments shall be permitted without the written consent of the Administrative Agent, which consent shall not be unreasonably withheld and (v) the parties to each such assignment shall execute and deliver to the Administrative Agent, for its acceptance and recording in the Register, an Assignment and Acceptance, together with any Note or Notes (if any) subject to such assignment.

(b) [Reserved].

(c) [Reserved].

(d) Upon such execution, delivery, acceptance and recording, from and after the effective date specified in such Assignment and Acceptance, (i) the assignee thereunder shall be a party hereto and, to the extent that rights and obligations hereunder have been assigned to it pursuant to such Assignment and Acceptance, have the rights and obligations of a Lender hereunder and (ii) the Lender assignor thereunder shall, to the extent that rights and obligations hereunder have been assigned by it pursuant to such Assignment and Acceptance, relinquish its rights (other than its rights under Sections 2.09, 2.11 and 9.04 to the extent any claim thereunder relates to an event arising prior to such assignment) and be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the remaining portion of an assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto).

(e) By executing and delivering an Assignment and Acceptance, each Lender assignor thereunder and each assignee thereunder confirm to and agree with each other and the other parties thereto and hereto as follows: (i) other than as provided in such Assignment and Acceptance, such assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with any Loan Document or the execution, legality, validity, enforceability, genuineness, sufficiency or value of, or the perfection or priority of any lien or security interest created or purported to be created under or in connection with, any Loan Document or any other instrument or document furnished pursuant thereto; (ii) such assigning Lender makes no representation or warranty and assumes no responsibility with respect to the financial condition of any Loan Party or the performance or observance by any Loan Party of any of its obligations under any Loan Document or any other instrument or document furnished pursuant thereto; (iii) such assignee confirms that it has received a copy of this Agreement, together with copies of the financial statements referred to in Section 4.01 and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (iv) such assignee will, independently and without reliance upon any Agent, such assigning Lender or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement; (v) such assignee confirms that it is an Eligible Assignee; (vi) such assignee appoints and authorizes each Agent to take such action as agent on its behalf and to exercise such powers and discretion under the Loan Documents as are delegated to such Agent by the terms hereof and thereof, together with such powers and discretion as are reasonably incidental thereto; and (vii) such assignee agrees that it will perform in accordance with their terms all of the obligations that by the terms of this Agreement are required to be performed by it as a Lender.

(f) The Administrative Agent, acting for this purpose (but only for this purpose) as the agent of the Borrower, shall maintain at its address referred to in Section 9.02 a copy of each Assignment and Acceptance delivered to and accepted by it and a register for the recordation of the names and addresses of the Lenders and the Commitment under each Facility of, and principal amount of the Loans owing under each Facility to, each Lender from time to time (the "***Register***"). The entries in the Register shall be conclusive and binding for all purposes, absent manifest error, and the Borrower, the Agents and the Lenders shall treat each Person whose name is recorded in the Register as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrower or any Agent or any Lender at any reasonable time and from time to time upon reasonable prior notice.

(g) Upon its receipt of an Assignment and Acceptance executed by an assigning Lender and an assignee, together with any Note or Notes (if any) subject to such assignment, the Administrative Agent shall, if such Assignment and Acceptance has been completed and is in substantially the form of Exhibit C hereto, (i) accept such Assignment and Acceptance, (ii) record the information contained therein in the Register and (iii) give prompt notice thereof to the Borrower and each other Agent. In the case of any assignment by a Lender, within five Business Days after its receipt of such notice, the Borrower, at its own expense, shall execute and deliver to the Administrative Agent in exchange for the surrendered Note or Notes

(if any) an amended and restated Note (which shall be marked "*Amended and Restated*") to the order of such Eligible Assignee in an amount equal to the Commitment assumed by it under each Facility pursuant to such Assignment and Acceptance and, if any assigning Lender that had a Note or Notes prior to such assignment has retained a Commitment hereunder under such Facility, an amended and restated Note to the order of such assigning Lender in an amount equal to the Commitment retained by it hereunder. Such amended and restated Note or Notes shall be dated the effective date of such Assignment and Acceptance and shall otherwise be in substantially the form of Exhibit A hereto, as the case may be.

(h) Each Lender may sell participations to one or more Persons (other than any Loan Party or any of its Affiliates) in or to all or a portion of its rights and obligations under this Agreement (including, without limitation, all or a portion of its Commitments, the Loans owing to it and the Note or Notes (if any) held by it); *provided*, *however*, that (i) such Lender's obligations under this Agreement (including, without limitation, its Commitments) shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (iii) such Lender shall remain the holder of any such Note for all purposes of this Agreement, (iv) the Borrower, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement and (v) no participant under any such participation shall have any right to approve any amendment or waiver of any provision of any Loan Document, or any consent to any departure by any Loan Party therefrom.

(i) Any Lender may, in connection with any assignment or participation or proposed assignment or participation pursuant to this Section 9.07, disclose to the assignee or participant or proposed assignee or participant any information relating to the Borrower furnished to such Lender by or on behalf of the Borrower; *provided*, *however*, that, prior to any such disclosure, the assignee or participant or proposed assignee or participant shall agree to preserve the confidentiality of any Confidential Information received by it from such Lender.

(j) Notwithstanding any other provision set forth in this Agreement, any Lender may at any time create a security interest in all or any portion of its rights under this Agreement (including, without limitation, the Loans owing to it and the Note or Notes (if any) held by it) in favor of any Federal Reserve Bank or Federal Home Loan Bank in accordance with Regulation A of the Board of Governors of the Federal Reserve System or similar laws and regulations relating to the Federal Home Loan Banks.

(k) Notwithstanding anything to the contrary contained herein, any Lender that is a Fund may, without the consent of the Borrower or any other Person, create a security interest in all or any portion of the Loans owing to it and any Note or Notes held by it to the trustee for holders of obligations owed, or securities issued, by such Fund as security for such obligations or securities; *provided* that, unless and until such trustee actually becomes a Lender in compliance with the other provisions of this Section 9.07, (i) no such pledge shall release the pledging Lender from any of its obligations under the Loan Documents and (ii) such trustee shall not be entitled to exercise any of the rights of a Lender under the Loan Documents even though

such trustee may have acquired ownership rights with respect to the pledged interest through foreclosure or otherwise.

(l) Notwithstanding anything to the contrary contained herein, any Lender (a "***Granting Lender***") may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower (an "***SPC***") the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; *provided* that (i) nothing herein shall constitute a commitment by any SPC to fund any Loan and (ii) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Each party hereto hereby agrees that (i) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable, (ii) no SPC shall be entitled to the benefits of Section 2.09 and Section 2.11 (or any other increased costs protection provision) and (iii) the Granting Lender shall for all purposes, including, without limitation, the approval of any amendment or waiver of any provision of any Loan Document, remain the Lender of record hereunder. In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior Debt of any SPC, it will not institute against, or join any other person in instituting against, such SPC any bankruptcy, reorganization, arrangement, insolvency or liquidation proceeding under the laws of the United States or any State thereof. Notwithstanding anything to the contrary contained in this Agreement, any SPC may (i) with notice to, but without prior consent of, the Borrower and the Administrative Agent and with the payment of a processing fee of $500, assign all or any portion of its interest in any Loan to the Granting Lender and (ii) disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or guarantee or credit or liquidity enhancement to such SPC. This subsection (l) may not be amended without the prior written consent of each Granting Lender, all or any part of whose Loans are being funded by the SPC at the time of such amendment.

SECTION 9.08. Execution in Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery by telecopier of an executed counterpart of a signature page to this Agreement shall be effective as delivery of an original executed counterpart of this Agreement.

SECTION 9.09. Confidentiality. Neither any Agent nor any Lender shall disclose any Confidential Information to any Person without the consent of the Borrower, other than (a) to such Agent's or such Lender's Affiliates and their officers, directors, employees, trustees, agents and advisors and to actual or prospective Eligible Assignees and participants, and then only on a confidential basis, (b) as required by any law, rule or regulation or judicial process, (c) as requested or required by any state, Federal or foreign authority or examiner (including the

National Association of Insurance Commissioners or any similar organization or quasi-regulatory authority) regulating such Lender, (d) to any rating agency when required by it, provided that, prior to any such disclosure, such rating agency shall undertake to preserve the confidentiality of any Confidential Information relating to the Loan Parties received by it from such Lender, (e) in connection with any litigation or proceeding to which such Agent or such Lender or any of its Affiliates may be a party or (f) in connection with the exercise of any right or remedy under this Agreement or any other Loan Document.

SECTION 9.10. Marshalling; Payments Set Aside. Neither any Agent nor any Lender shall be under any obligation to marshal any assets in favor of any Loan Party or any other Person or against or in payment of any or all of the Obligations. To the extent that any Loan Party makes a payment or payments to the Administrative Agent or the Lenders (or to Administrative Agent, on behalf of the Lenders), or any Agent or Lender enforces any security interests or exercise its rights of setoff, and such payment or payments or the proceeds of such enforcement or setoff or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside and/or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, any other state or federal law, common law or any equitable cause, then, to the extent of such recovery, the obligation or part thereof originally intended to be satisfied, and all Liens, rights and remedies therefor or related thereto, shall be revived and continued in full force and effect as if such payment or payments had not been made or such enforcement or setoff had not occurred.

SECTION 9.11. Patriot Act Notice. Each Lender and each Agent (for itself and not on behalf of any Lender) hereby notifies the Loan Parties that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of such Loan Party and other information that will allow such Lender or such Agent, as applicable, to identify such Loan Party in accordance with the Patriot Act. The Borrower shall, and shall cause each of its Subsidiaries to, provide such information and take such actions as are reasonably requested by any Agent or any Lender in order to assist the Agents and the Lenders in maintaining compliance with the Patriot Act.

SECTION 9.12. Jurisdiction, Etc. (a) Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of any New York State court or Federal court of the United States of America sitting in New York City, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or any of the other Loan Documents to which it is a party, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in any such New York State court or, to the fullest extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Except as provided in Section 9.15, nothing in this Agreement shall affect any right that any party may otherwise have to bring any action or proceeding relating to this Agreement or any of the other Loan Documents in the courts of any jurisdiction.

(b) Each of the parties hereto irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any of the other Loan Documents to which it is a party in any New York State or Federal court. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

SECTION 9.13. Governing Law. This Agreement and the Notes shall be governed by, and construed in accordance with, the laws of the State of New York.

SECTION 9.14. Waiver of Jury Trial. Each of the Borrower, the Agents and the Lenders irrevocably waives all right to trial by jury in any action, proceeding or counterclaim (whether based on contract, tort or otherwise) arising out of or relating to any of the Loan Documents, the Loans or the actions of any Agent or any Lender in the negotiation, administration, performance or enforcement thereof.

SECTION 9.15. Limitation on Liability. annual aggregate sublimit of $400,000,000; for all locations, collapse, sinkhole, subsidence and such other perils in accordance with the First Lien Credit Agreement or, following the payment in full of all First Lien Obligations under the First Lien Facility, as Administrative Agent and the Second Lien Collateral Agent, after consultation with the independent insurance consultant and the Borrower, may from time to time require to be insured.

g. Insurance that the Secured Parties and the Borrower may, from time to time, agree in writing to require with (i) a sublimit of not less than $10,000,000 (non-aggregated) for on-site clean-up and/or debris removal required as a result of the occurrence of an insured risk; (ii) off-site coverage with a per occurrence limit of $10,000,000; (iii) transit coverage (including ocean cargo where ocean transit exposure exists) with a per occurrence limit of not less than $10,000,000 or such higher amount as to cover replacement cost of property at risk; (iv) expediting insurance in an amount not less than $10,000,000; and (v) machinery breakdown coverage on a "comprehensive" basis including breakdown and repair with limits not less than the full replacement cost of the insured objects. Property insurance coverage shall not contain an exclusion for freezing, mechanical breakdown or resultant damage caused by faulty workmanship, design or materials. The policy shall allow the Borrower the option to not repair, rebuild or replace damaged property following a covered loss, subject to policy conditions on valuation in the event that the Borrower does elect to not repair, rebuild or replace damaged property.

h. The policy/policies required in "f" above shall include a sublimit of not less than $10,000,000 for increased cost of construction coverage, debris removable, and building ordinance coverage to pay for loss of "undamaged" property which may be required to be replaced due to enforcement of local, state, or federal ordinances.

i. All such policies required in "f," "g" and "h" above may have deductibles of not greater than $5,000,000 for physical damage per occurrence all locations, except for earthquake, flood and named windstorm.

j. Pollution Legal Liability of not less than $2,000,000 per occurrence and in the aggregate including preexisting and new conditions for on-site and off-site cleanup, bodily injury and property damage. Such cover shall be in accordance with the First Lien Credit Agreement or, following the payment in full of all First Lien Obligations under the First Lien Facility, in such form and with such deductibles as acceptable to the Administrative Agent and the Second Lien Collateral Agent.

k. Such other or additional insurance (as to risks covered, policy amounts, policy provisions or otherwise) as, under Prudent Industry Practice, are from time

to time insured against for property and facilities similar in nature, use and location to the Projects in accordance with the First Lien Credit Agreement or, following the payment in full of all First Lien Obligations under the First Lien Facility, which the Administrative Agent or the Second Lien Collateral Agent may reasonably require.

2. In the event any insurance (including the limits or deductibles thereof) hereby required to be maintained, other than insurance required by law to be maintained shall not be available or commercially feasible in the commercial insurance market, the Secured Parties shall not unreasonably withhold their agreement to waive such requirement to the extent the maintenance thereof is not so available; provided, however, that: (i) the Borrower shall first request any such waiver in writing ten (10) Business Days prior to the policy renewal, which request shall be accompanied by written reports prepared by the Borrower's insurance broker and the independent insurance consultant certifying that such insurance is not reasonably available and commercially feasible in the commercial insurance market for electric generating plants of similar type and capacity (and, in any case where the required amount is not so available, certifying as to the maximum amount which is so available) and explaining in detail the basis for such conclusions, such insurance advisers and the form and substance of such reports in accordance with the First Lien Credit Agreement or, following the payment in full of all First Lien Obligations under the First Lien Facility, to be reasonably acceptable to the Administrative Agent and the Second Lien Collateral Agent; (ii) at any time after the granting of any such waiver (if applicable), the Administrative Agent and the Second Lien Collateral Agent may request, and the Borrower shall furnish to the Administrative Agent and the Second Lien Collateral Agent within fifteen (15) days after such request, supplemental reports reasonably acceptable to the Administrative Agent and the Second Lien Collateral Agent from such insurance advisers updating their prior reports and reaffirming such conclusion; and (iii) any such waiver shall be effective only so long as such insurance shall not be available and commercially feasible in the commercial insurance market, it being understood that the failure of the Borrower to timely furnish any such supplemental report shall be conclusive evidence that such waiver is no longer effective because such condition no longer exists, but that such failure is not the only way to establish such non-existence.

3. Endorsements. Policies issued pursuant hereto shall contain the following or equivalent in accordance with the First Lien Credit Agreement or, following the payment in full of all First Lien Obligations under the First Lien Facility, unless waived by Administrative Agent and the Second Lien Collateral Agent with the consent of the Secured Parties in accordance with the Credit Agreement. Following the payment in full of all First Lien Obligations under the First Lien Facility, all policies of liability insurance required to be maintained shall be

endorsed as follows: (i) to name the Borrower or the Guarantors, as applicable, and its respective officers and employees as named insureds, and to name the Administrative Agent, the Second Lien Collateral Agent and the Secured Parties and their respective officers and employees as additional insureds; (ii) to provide a severability of interests and cross liability clause; and (iii) to provide that the insurance shall be primary and not excess to or contributing with any insurance or self-insurance maintained by the Secured Parties.

4. Waiver of Subrogation. The Borrower and each of its Subsidiaries hereby waives any and every claim for recovery from the Secured Parties, the Administrative Agent and the Second Lien Collateral Agent for any and all loss or damage covered by any of the insurance policies to be maintained under the Loan Documents to the extent that such loss or damage is recovered under any such policy. Inasmuch as the foregoing waiver will preclude the assignment of any such claim to the extent of such recovery, by subrogation (or otherwise), to an insurance company (or other Person), the Borrower shall give written notice of the terms of such waiver to each insurance company which has issued, or which may issue in the future, any such policy of insurance (if such notice is required by the insurance policy) and shall cause each such insurance policy to be properly endorsed by the issuer thereof to, or to otherwise contain one or more provisions that, prevent the invalidation of the insurance coverage provided thereby by reason of such waiver. Insurer to provide that there shall be no recourse against any Secured Party for payment of premiums or other amounts with respect thereto.

5. Additional Provisions.

a. Loss Notification: The Borrower shall promptly notify the Administrative Agent and the Second Lien Collateral Agent of any Casualty Event likely to give rise to a claim under the physical damage insurance policy for an amount in excess of $5,000,000.

b. Payment of Loss Proceeds: The all-risk, property, machinery, marine cargo, transit, physical damage and other applicable first party insurance policies shall include a standard lender's 438 BFU loss payable endorsement (or other acceptable endorsement) in favor of the Second Lien Collateral Agent and shall, following the payment in full of all First Lien Obligations under the First Lien Facility, name the Second Lien Collateral Agent as sole loss payee.

c. The loss payable endorsement described in the previous paragraph shall contain non-vitiation language in accordance with the First Lien Credit Agreement or, following the payment in full of all First Lien Obligations under the First Lien Facility, reasonably acceptable to the Administrative Agent and the Second Lien Collateral Agent which shall provide that in the event that any of the

Loan Parties performs a vitiating act that might otherwise void coverage, the coverage will remain in full force and effect for the benefit of the Secured Parties.

d. Loss Adjustment and Settlement: A loss under any of the first party policies (including property and machinery) shall be adjusted with the insurance companies, including the filing in a timely manner of appropriate proceedings, by the Borrower, in accordance with the First Lien Credit Agreement or, following the payment in full of all First Lien Obligations under the First Lien Facility, subject to the approval of the Administrative Agent and the Second Lien Collateral Agent, which shall be not unreasonably withheld or delayed, for any claims incurred above an annual cumulative claim amount of $5,000,000. In addition, the Borrower may in its reasonable judgment consent to the settlement of any loss, provided that in the event that the amount of the loss exceeds $5,000,000 the terms of such settlement are in accordance with the First Lien Credit Agreement or, following the payment in full of all First Lien Obligations under the First Lien Facility, approved by the Administrative Agent and the Second Lien Collateral Agent (which approval shall not be unreasonably withheld or delayed).

e. In the event that any Loan Party fails to respond in a timely and appropriate manner (as reasonably determined by the Administrative Agent and the Second Lien Collateral Agent) to take any steps necessary or reasonably requested by the Administrative Agent or the Second Lien Collateral Agent to collect from any insurers for any loss covered by any insurance required to be maintained by this Schedule, the Administrative Agent and the Second Lien Collateral Agent shall have the right to make all proofs of loss, adjust all claims and/or receive all or any part of the proceeds of the foregoing insurance policies, either in its own name or the name of the Borrower; provided, however, that such Loan Party shall, upon the Administrative Agent's or the Second Lien Collateral Agent's request and at such Loan Party's own cost and expense, make all proofs of loss and take all other steps necessary or reasonably requested by the Administrative Agent or the Second Lien Collateral Agent, as the case may be, to collect from insurers for any loss covered by any insurance required to be obtained by this Schedule. This clause (e) shall apply following payment in full of all First Lien Obligations under the First Lien Facility.

f. Policy Cancellation and Change: All policies of insurance required to be maintained pursuant to this Schedule shall be endorsed so that if at any time they should be canceled, or coverage be materially reduced, such cancellation or reduction shall not be effective as to the Secured Parties for forty-five (45) days, except for non-payment of premium which shall be for ten (10) days, after receipt by the Administrative Agent and the Second Lien Collateral Agent of written notice from such insurer (or the Borrower's insurance broker) of such cancellation or reduction. Such policy provisions shall also provide that in the event the

Borrower fails to pay the premium, the Second Lien Collateral Agent and the Administrative Agent shall have the right (but not the obligation) to pay the premium and continue coverage. Suspension of coverage for machinery breakdown for specific equipment due to the insurers exercising a suspension clause will be immediate but the Borrower or its insurance broker shall provide immediate written notification as soon as coverage is suspended.

g. Miscellaneous Policy Provisions: The all-risk, property and machinery insurance policies shall (A) not include any annual or term aggregate limits of liability or clause requiring the payment of an additional premium to reinstate the limits after loss except as regards the insurance applicable to the perils of flood, earth movement, named windstorm, and (subject to agreement with the Administrative Agent and the Second Lien Collateral Agent) sabotage and terrorism, (B) include the Administrative Agent and the Second Lien Collateral Agent as additional insured on behalf of the Secured Parties in all policies (where permitted by applicable law), and (C) include a clause requiring the insurer to make final payment on any claim within ninety (90) days after the submission of final proof of loss and its acceptance by the insurer. This clause (g) shall apply following payment in full of all First Lien Obligations under the First Lien Facility.

6. Separation of Interests: All liability policies shall insure the interests of the Secured Parties regardless of any breach or violation by the Loan Parties, or any other Person of warranties, declarations or conditions contained in such policies, or any action or inaction of the Loan Parties. This provision may be satisfied with a policy endorsement in accordance with the First Lien Credit Agreement or, following the payment in full of all First Lien Obligations under the First Lien Facility, acceptable to the Administrative Agent and the Second Lien Collateral Agent with the advice of their independent insurance consultant.

7. Reinstatement or Replacement of Limits: In the event that the insurance policies for this transaction are also insuring other assets that are not part of this transaction, in the event that limits or sub limits (including any aggregated limits or sub limits) are eroded due to losses at other locations, the Loan Parties shall immediately have the limits or sub limits reinstated or replaced for the benefit of the assets in this transaction.

8. Evidence of Insurance. On the Effective Date and on an annual basis within 15 days of each policy anniversary, the Borrower shall furnish the Administrative Agent and Second Lien Collateral Agent with (i) certification of all required insurance marked “premium paid” or accompanied by other evidence of payment reasonably satisfactory to the Administrative Agent and the Second Lien Collateral Agent and (ii) a schedule of the insurance policies held by or for the benefit of the Loan Parties and required to be in force by the provisions of this

Schedule. Such certification shall be executed by each insurer or by an authorized representative of each insurer where it is not practical for such insurer to execute the certificate itself. Such certification shall identify carriers, the type of insurance, the insurance limits and the policy term and shall specifically list the special provisions enumerated for such insurance required by this Schedule. The schedule of insurance shall include the name of the insurance company, policy number, type of insurance, major limits of liability and expiration date of the insurance policies. Upon reasonable prior written request, the Borrower and each of the Guarantors will (i) permit the Administrative Agent and the Second Lien Collateral Agent to inspect copies of all insurance policies at the office of the Borrower or the Guarantors during normal business hours and (ii) furnish the Administrative Agent and the Second Lien Collateral Agent with copies of all binders and cover notes or other evidence of such insurance relating to the insurance required to be maintained hereunder, provided that after the occurrence of any Default or any Event of Default, upon request, the Borrower will furnish the Administrative Agent and the Second Lien Collateral Agent with copies of the insurance policies relating to the Projects.

9. Reports. Concurrently with the furnishing of the certification referred to in Paragraph 8 above, the Borrower shall furnish the Administrative Agent and the Second Lien Collateral Agent with a letter from its insurance broker, signed by an officer of the insurance broker, stating that in the opinion of the insurance broker, the insurance then carried or to be renewed is in accordance with the terms of this Schedule. Such report shall not be subject to any non-customary qualification with respect to the scope of review or the information made available.

10. Failure to Maintain Insurance. In the event the Borrower fails to maintain, or fails to cause to be maintained the full insurance coverage required by this Schedule, the Administrative Agent or the Second Lien Collateral Agent, upon thirty (30) days' prior notice (unless the aforementioned insurance would lapse within such period, in which event notice should be given as soon as reasonably possible) to the Borrower of any such failure, may (but shall not be obligated to) take out the required policies of insurance and pay the premiums on the same. All amounts so advanced therefore by the Administrative Agent or the Second Lien Collateral Agent shall become an additional Obligation of the Borrower, and the Borrower shall forthwith pay such amounts to the Administrative Agent, together with Default Interest thereon from the date so advanced until fully paid.

11. No Duty of Second Lien Collateral Agent to Verify or Review. No provision of this Schedule or any provision of any Loan Document shall impose on the Administrative Agent, the Second Lien Collateral Agent or any Secured Party any duty or obligation to verify the existence or adequacy of the insurance coverage maintained pursuant to this Schedule, nor shall the Administrative Agent, the Second Lien Collateral Agent or any Secured Party be responsible for any

representations or warranties made by or on behalf of the Borrower to any insurance company or underwriter. Any failure on the part of the Administrative Agent, the Second Lien Collateral Agent or any Secured Party to pursue or obtain the evidence of insurance required by this Agreement and/or failure of the Administrative Agent, the Second Lien Collateral Agent or any Secured Party to point out any noncompliance of such evidence of insurance shall not constitute a waiver of any of the insurance requirements in this Agreement.

12. Foreclosure. In the event of a foreclosure of any of the Projects under any Loan Document or other transfer of a title to any of the Projects in extinguishment in whole or in part of the Obligations, all right, title and interest of the Loan Party in and to the insurance policies then in force concerning such Project and all proceeds payable thereunder shall thereupon vest in the Administrative Agent (provided all First Lien Obligations under the First Lien Facility have been paid in full) or the purchaser at such foreclosure or other transferee in the event of such other transfer of title.

13. Notice of Injurious Exposure to Conditions. It is agreed that failure of any agent, servant, or employee of the insured other than the owner, partner of any partnership, or an officer of the insured to notify the company of any occurrence of which he has knowledge shall not invalidate the insurance afforded by this policy as respects the named insured and additional insureds.

14. No Coinsurance. All insurance coverage shall be on a "no coinsurance or self-insurance/replacement cost" basis and in such form (including the form of the loss payable clauses) in accordance with the First Lien Credit Agreement or, following the payment in full of all First Lien Obligations under the First Lien Facility, as shall be acceptable to Administrative Agent and the Second Lien Collateral Agent (which acceptance shall not be unreasonably withheld).

15. Claims Made Forms. In the event that any policy is written on a "claims-made" basis and such policy is not renewed or the retroactive date of such policy is to be changed, the Borrower shall obtain for each such policy or policies the broadest basic and supplemental extended reporting period coverage ("tail" coverage) or prior acts coverage ("nose" coverage) as is reasonably available in the commercial insurance market for each such policy or policies and shall provide Administrative Agent and the Second Lien Collateral Agent with proof that such extended reporting period coverage or prior acts coverage has been obtained.

FORM OF
ASSIGNMENT AND ACCEPTANCE

Reference is made to the Second Lien Credit and Guaranty Agreement, dated as of [●], 2018 (as amended, amended and restated, supplemented or otherwise modified from time to time, the "***Credit Agreement***"; the terms defined therein, unless otherwise defined herein, being used herein as therein defined), among New MACH Gen, LLC, a Delaware limited liability company (the "***Borrower***"), the Guarantors, the Lenders party thereto, Talen Investment Corporation, as Second Lien Collateral Agent, and Talen Investment Corporation, as Administrative Agent.

Each assignor referred to on Schedule 1 hereto (each, an "***Assignor***") and each assignee referred to on Schedule 1 hereto (each, an "***Assignee***") agrees severally with respect to all information relating to it and its assignment hereunder and on Schedule 1 hereto as follows:

(1) Such Assignor hereby sells and assigns, without recourse except as to the representations and warranties made by it herein, to such Assignee, and such Assignee hereby purchases and assumes from such Assignor, an interest in and to such Assignor's rights and obligations under the Credit Agreement as of the date hereof equal to the percentage interest specified on Schedule 1 hereto of all outstanding rights and obligations under the Credit Agreement. After giving effect to such sale and assignment, such Assignee's Commitments and the amount of the Loans owing to such Assignee will be as set forth on Schedule 1 hereto.

(2) Such Assignor (i) represents and warrants that its name set forth on Schedule 1 hereto is its legal name, that it is the sole legal and beneficial owner of the interest or interests being assigned by it hereunder and that such interest or interests are free and clear of any adverse claim, including, without limitation, any Lien, participation or other legal or beneficial interest of another Person; (ii) makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with any Loan Document by any Person other than Assignor or the execution, legality, validity, enforceability, genuineness, sufficiency or value of, or the perfection or priority of any lien or security interest created or purported to be created under or in connection with, any Loan Document or any other instrument or document furnished pursuant thereto; (iii) makes no representation or warranty and assumes no responsibility with respect to the financial condition of any Loan Party or the performance or observance by any Loan Party of any of its obligations under any Loan Document or any other instrument or document furnished pursuant thereto; and (iv) attaches the Note or Notes (if any) held by such Assignor and requests that the Administrative Agent exchange such Note or Notes for a new Note or Notes payable to the order of such Assignee in an amount equal to the aggregate Loans purchased and, if applicable, Commitments assumed by such Assignee pursuant hereto, or new Notes payable to the order of such Assignee in an amount equal to the aggregate Loans purchased and, if applicable, Commitments assumed by such Assignee pursuant hereto and to the order of such Assignor in an amount equal to the aggregate Loans and, if applicable, Commitments retained by such Assignor under the Credit Agreement, respectively, as specified on Schedule 1 hereto.

(3) Such Assignee (i) confirms that it has received a copy of the Credit Agreement, together with copies of the financial statements referred to in Section 4.01(h) thereof and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into this Assignment and Acceptance; (ii) agrees that it will, independently and without reliance upon any Agent, any Assignor or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under the Credit Agreement; (iii) represents and warrants that its name set forth on Schedule 1 hereto is

its legal name; (iv) confirms that it is an Eligible Assignee; (v) appoints and authorizes each Agent to take such action as agent on its behalf and to exercise such powers and discretion under the Loan Documents as are delegated to such Agent by the terms thereof, together with such powers and discretion as are reasonably incidental thereto; (vi) agrees that it will perform in accordance with their terms all of the obligations that by the terms of the Credit Agreement are required to be performed by it as a Lender; and (vii) attaches any U.S. Internal Revenue Service forms required under Section 2.11 of the Credit Agreement.

(4) Following the execution of this Assignment and Acceptance, it will be delivered to the Administrative Agent for acceptance and recording by the Administrative Agent. The effective date for this Assignment and Acceptance (the "***Effective Date***") shall be the date of acceptance hereof by the Administrative Agent, unless otherwise specified on Schedule 1 hereto.

(5) Upon such acceptance and recording by the Administrative Agent, as of the Effective Date, (i) such Assignee shall be a party to the Credit Agreement and, to the extent provided in this Assignment and Acceptance, have the rights and obligations of a Lender thereunder and (ii) such Assignor shall, to the extent provided in this Assignment and Acceptance, relinquish its rights and be released from its obligations under the Credit Agreement (other than its rights and obligations under the Loan Documents that are specified under the terms of such Loan Documents to survive the payment in full of the Obligations of the Loan Parties under the Loan Documents to the extent any claim thereunder relates to an event arising prior to the Effective Date of this Assignment and Acceptance) and, if this Assignment and Acceptance covers all of the remaining portion of the rights and obligations of such Assignor under the Credit Agreement, such Assignor shall cease to be a party thereto.

(6) Upon such acceptance and recording by the Administrative Agent, from and after the Effective Date, the Administrative Agent shall make all payments under the Credit Agreement and the other Loan Documents in respect of the interest assigned hereby (including, without limitation, all payments of principal, interest and commitment fees with respect thereto) to such Assignee. Such Assignor and such Assignee shall make all appropriate adjustments in payments under the Credit Agreement and the other Loan Documents for periods prior to the Effective Date directly between themselves.

AGREEMENT

NOW, THEREFORE, in consideration of the foregoing, and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, and intending to be legally bound, the parties hereto hereby agree, notwithstanding anything in the Assigned Agreement to the contrary, as follows:

ARTICLE 1

ASSIGNMENT AND AGREEMENT

SECTION 1.1 Consent to Assignment.

(a) The Contracting Party: (i) is hereby notified and acknowledges that the Second Lien Secured Parties have entered into the Second Lien Documents and made or committed to make the extensions of credit contemplated thereby; (ii) consents to the collateral assignment under the Second Lien Security Agreement of all of the Company's right, title and interest in, to and under the Assigned Agreement, including, without limitation, all of the Company's rights to receive payment and all payments due and to become due to the Company under or with respect to the Assigned Agreement (collectively, the "***Assigned Interests***"); (iii) acknowledges that after the Second Lien Collateral Agent delivers to the Contracting Party written notice that a Second Lien Event of Default has occurred and is continuing (a "***Notice of Exclusive Control***"), the Second Lien Collateral Agent may exercise all of the Second Lien Collateral Agent's rights and remedies pursuant to the Second Lien Security Agreement, make all demands, give all notices, take all actions and exercise all rights of the Company under the Assigned Agreement without the consent of the Company; *provided*, *however*, that at no time shall the Contracting Party's or its designees' or successors' respective rights and remedies under the Assigned Agreement be impaired in any way or to any extent, other than as expressly set forth in this Consent or the Intercreditor Agreement.

(b) It is expressly understood that the Contracting Party: (i) shall have no obligation whatsoever to verify or confirm the occurrence of a Second Lien Event of Default, as well as matters related to the delivery of a Notice of Exclusive Control or any other matter related to the Second Lien Security Agreement; (ii) has not reviewed, agreed to or in any way acquiesced to the terms or conditions of the Second Lien Security Agreement other than as expressly set forth herein; and (iii) other than as expressly set forth in this Consent or the Intercreditor Agreement, is not limiting in any way or to any extent its rights and remedies under the Assigned Agreement by executing this Consent.

(c) Prior to the delivery of a Notice of Exclusive Control to the Contracting Party, the Company shall continue to have the right to make all demands, give all notices, take all actions and exercise all of its rights under the Assigned Agreement. Following delivery of a Notice of Exclusive Control, the Company irrevocably agrees that if the instructions given by the Company are inconsistent with the Second Lien Collateral Agent's instructions, the Second Lien Collateral Agent's instructions shall control. The Company agrees that the Contracting Party shall not be liable for following the Second Lien Collateral Agent's instructions after the delivery of a Notice of Exclusive Control.

SECTION 1.2 Transfer of Assigned Interest.

(a) The Contracting Party agrees that, after the Second Lien Collateral Agent has delivered a Notice of Exclusive Control to the Contracting Party pursuant to Section 1.1 above, pursuant to the terms of the Second Lien Security Agreement and the Intercreditor Agreement, the Second Lien Collateral Agent shall have the right to absolutely assign, foreclose or sell the Assigned Interest or any portion thereof to a Permitted Transferee (as defined below). If the Assigned Interest is transferred

pursuant to this Section 1.2, then: (i) the Permitted Transferee shall be substituted for the Company under the Assigned Agreement; and (ii) the Contracting Party shall (1) recognize the Permitted Transferee as its counterparty under the Assigned Agreement and (2) continue to perform the Contracting Party's obligations under the Assigned Agreement in favor of the Permitted Transferee; *provided* that the Permitted Transferee has assumed in writing all of the Company's rights and obligations (including, without limitation, the obligation to cure any then existing payment and performance defaults, but excluding any obligation to cure any then existing performance defaults which by their nature are incapable of being cured) under the Assigned Agreement.

(b) For purposes of this Consent, the Contracting Party may conclusively rely upon notice from the Second Lien Collateral Agent that a Second Lien Event of Default, has occurred, notwithstanding any contrary notice from the Company or any dispute then existing or later arising regarding the existence or effect of such Second Lien Event of Default.

(c) "***Permitted Transferee***" means, in respect of any transfer, assignment or novation permitted hereunder or under the Assigned Agreement (a "***transfer***"), (x) the Second Lien Collateral Agent or an agent on its behalf or (y) if the transfer is not made to the Second Lien Collateral Agent or its agent, any person who: (i) is at least as creditworthy (taking into account any credit support provided by such person) as the Company; (ii) is properly licensed or otherwise authorized to perform the Company's obligations under the Assigned Agreement; and (iii) meets the Contracting Party's customary internal credit policies, as reasonably and consistently applied, solely with respect to the maximum potential credit exposure of the Contracting Party to such person (it being understood that the determination of the amount of such credit exposure shall take into account the then-current creditworthiness of such person (or its successor-in-interest, if any) and any collateral or guarantees posted by or for the benefit of such person); *provided*, *however*, that this restriction shall not apply if such person's or its guarantor's senior, unsubordinated, unsecured debt has a credit rating of at least "BBB-" from Standard & Poor's Rating Group (a division of McGraw-Hill, Inc.) or its successor ("***S&P***), or "Baa3" from Moody's Investor Services, or its successor ("***Moody's***"), whichever is lower.

SECTION 1.3 Right to Cure. If the Company defaults in the performance of any of its obligations under the Assigned Agreement, or upon the occurrence or non-occurrence of any event or condition under the Assigned Agreement which would immediately or with the passage of any applicable grace period or the giving of notice, or both, enable the Contracting Party to terminate or suspend its performance under the Assigned Agreement (each hereinafter a "***default***"), subject to Section 1.4 below, the Contracting Party shall not terminate or suspend its performance under the Assigned Agreement until it Second gives written notice of such default to the Second Lien Collateral Agent and affords the Second Lien Collateral Agent or its designee a period of:

(a) in the case of monetary defaults thirty (30) calendar days from the later of: (i) receipt of such notice to cure such default; or (ii) the expiration of the applicable cure period provided in the Assigned Agreement for the Company to cure such default;

(b) in the case of non-monetary defaults [one hundred eighty] ([180]) calendar days from the later of: (i) receipt of such notice to cure such default; or (ii) the expiration of the applicable cure period, if any, provided in the Assigned Agreement for the Company to cure such default, so long as the Second Lien Collateral Agent or its designee has commenced and is diligently pursuing appropriate action to cure such default;

(c) subject to Section 1.3(d) below, in the case of the Company becoming subject to any of the events specified in [Section 5(a)(vii)][3] of the Assigned Agreement ("***Bankruptcy***"), thirty (30)

[3] Subject to the relevant Commodity Hedge and Power Sale Agreement.

calendar days from the date of filing or commencing such Bankruptcy proceedings (the "***Forbearance Period***"); *provided* that the Company or bankruptcy trustee has, during the Forbearance Period: (A) obtained a final court order in a form and substance reasonably acceptable to the Contracting Party approving under Section 365 of the U.S. Bankruptcy Code the assumption of the Assigned Agreement; and (B) cured all outstanding defaults promptly and continues to perform the Assigned Agreement, then the event of default caused by the Bankruptcy shall be deemed "cured"; *provided*, *further*, that the Contracting Party shall continue to have all rights and remedies available under the Assigned Agreement with respect to any Bankruptcy or other defaults subsequent to assumption of the Assigned Agreement in accordance with the Assigned Agreement and subject to provisions of this Section 1.3; and

(d) notwithstanding anything to the contrary, if the Company is subject to a Bankruptcy under Chapter 7 of the U.S. Bankruptcy Code, zero (0) days (such that there is no cure period).

SECTION 1.4 No Termination. The Contracting Party agrees that it shall not, without the prior written consent of the Second Lien Collateral Agent: (i) terminate, cancel or suspend its performance under the Assigned Agreement following and during the continuation of an event of default by the Company thereunder (unless it has given the Second Lien Collateral Agent notice and an opportunity to cure in accordance with Section 1.3 hereof); or (ii) assign or transfer any of its rights or obligations under the Assigned Agreement.

SECTION 1.5 Replacement Agreement. In the event the Assigned Agreement is rejected or terminated as a result of Bankruptcy, the Contracting Party shall, at the option of the Second Lien Collateral Agent exercised within twenty (20) calendar days from the day of filing or commencing such Bankruptcy proceedings, enter into a replacement agreement with the Second Lien Collateral Agent or a Permitted Transferee, *provided* that: (a) the term under such replacement agreement shall be no longer than the remaining balance of the term specified in the Assigned Agreement; (b) upon execution of such replacement agreement, the Second Lien Collateral Agent or a Permitted Transferee cures any outstanding payment and performance defaults under the Assigned Agreement, excluding any performance defaults which by their nature are incapable of being cured; and (c) such replacement agreement, including any credit support provisions related thereto, is reasonably acceptable to the Contracting Party in form and substance.

SECTION 1.6 Limitations on Liability. The Contracting Party acknowledges and agrees that Second Lien Collateral Agent shall not have any liability or obligation under the Assigned Agreement as a result of this Consent, any other Second Lien Loan Document or otherwise, nor shall the Second Lien Collateral Agent be obligated or required to: (a) perform any of the Company's obligations under the Assigned Agreement, except during any period in which the Second Lien Collateral Agent has assumed the Company's rights and obligations under the Assigned Agreement pursuant to this Consent; or (b) take any action to collect or enforce any claim for payment assigned under the Second Lien Security Agreement. If the Second Lien Collateral Agent has assumed the Company's rights and obligations under the Assigned Agreement pursuant to Section 1.2 above or has entered into a new agreement pursuant to Section 1.5 above, the Second Lien Collateral Agent's liability to the Contracting Party under the Assigned Agreement or such new agreements, and the sole recourse of the Contracting Party in seeking enforcement of the obligations under such agreements, shall be limited to the interest of the Second Lien Collateral Agent in the [Athens Project][Millennium Project].

SECTION 1.7 Delivery of Notices. The Contracting Party shall deliver to the Second Lien Collateral Agent, concurrently with the delivery thereof to the Company, a copy of each notice, request or demand given by the Contracting Party to the Company pursuant to the Assigned Agreement relating to: (a) a default by the Company under the Assigned Agreement; and (b) any matter that would require the consent of the Second Lien Collateral Agent pursuant to Section 1.4 of this Consent.

SECTION 1.8 Transfer. In connection with or after the exercise of its rights or remedies under any Second Lien Loan Document, and after delivering a Notice of Exclusive Control to the Contracting Party, the Second Lien Collateral Agent shall have the right to transfer its interest in the Assigned Agreement or a new agreement or agreements entered into with the Second Lien Collateral Agent or a Permitted Transferee pursuant to the terms of this Consent for the remainder of the term hereof; *provided* that such Permitted Transferee assumes in writing the obligations of the Company or the Second Lien Collateral Agent, as applicable, under the Assigned Agreement or such new agreement or agreements. Upon such transfer, the Second Lien Collateral Agent shall be released from any further liability under the Assigned Agreement or such new agreement(s) to the extent of the interest transferred.

ARTICLE 2

PAYMENTS UNDER THE ASSIGNED AGREEMENT

SECTION 2.1 Payments. The Contracting Party shall pay all amounts (if any) payable by it under the Assigned Agreement in the manner and as and when required by the Assigned Agreement directly into the account specified on Exhibit A hereto, or to such other person, entity or account as shall be specified from time to time by the Second Lien Collateral Agent to the Contracting Party in writing.

SECTION 2.2 No Offset, Etc. All payments required to be made by the Contracting Party under the Assigned Agreement shall be made without any offset, recoupment, abatement, withholding, reduction or defense whatsoever, other than those allowed by the terms of the Assigned Agreement. For the avoidance of doubt, nothing in this Section 2.2 or this Consent shall preclude Consenting Party from exercising its rights under the Assigned Agreement with respect to netting and setoff.

ARTICLE 3

bound, the parties hereto hereby agree, notwithstanding anything in the Assigned Agreement to the contrary, as follows:

ARTICLE 1.

ASSIGNMENT AND AGREEMENT

SECTION 1.1 Consent to Assignment.

(a) The Contracting Party hereby irrevocably consents to the pledge, transfer and assignment to the Second Lien Collateral Agent for the benefit of the Second Lien Secured Parties of, and the grant to the Second Lien Collateral Agent for the benefit of the Second Lien Secured Parties, of a lien on and security interest in, all of the Company's right, title and interest in, to and under the Assigned Agreement pursuant to the terms and conditions of the Collateral Documents, as collateral security for all of the obligations of the Company secured or purported to be secured by the Collateral Documents. In the event that the Second Lien Collateral Agent or any of its designees or assignees elects to succeed to the Company's interest under the Assigned Agreement, the Second Lien Collateral Agent or such designee or assignee may elect by written notice delivered to the Contracting Party to assume the Company's rights and obligations under the Assigned Agreement, including any payment obligations under the Assigned Agreement theretofore accrued but excluding any other obligations or liabilities that may have accrued prior to such foreclosure or assignment (any right in respect of such excluded obligation being hereby expressly waived by the Contracting Party). Until such time as the Second Lien Collateral Agent gives written notice as provided herein, the Contracting Party shall, except as otherwise provided in this Consent, continue to deal directly with the Company with respect to its obligations to the Company under the Assigned Agreement. Notwithstanding anything else herein, the assignment of the Assigned Agreement pursuant to this Section 1.1 shall not relieve the Company of any obligations arising under the Assigned Agreement. Upon the exercise (as contemplated above) by the Second Lien Collateral Agent, or any Second Lien Secured Party (or any of their respective designees or assignees) of any of the remedies under the Collateral Documents in respect of the Assigned Agreement, the Second Lien Collateral Agent or any Second Lien Secured Party (or any of their respective designees or assignees) may assign its rights and interests and the rights and interests of the Company under the Assigned Agreement to any other Person if such Person shall assume liability for all of the obligations of the Company, including any payment obligations, under the Assigned Agreement theretofore accrued but excluding any other obligations or liabilities that may have accrued prior to such foreclosure or assignment (any right in respect of such excluded obligation being hereby expressly waived by the Contracting Party).

SECTION 1.2 Right to Cure.

(a) In the event of a default by the Company in the performance of any of its obligations under the Assigned Agreement, or upon the occurrence or non-occurrence of any event or condition under the Assigned Agreement which would immediately or with the passage of any applicable grace period or the giving of notice, or both, enable the Contracting Party to terminate or suspend its obligations under the Assigned Agreement, the Contracting Party shall not terminate the Assigned Agreement until it first gives the Second Lien Collateral Agent written notice of the default and permits the Second Lien Collateral Agent to cure the default within a period of 180 days after the later of (i) notice of default having been given to the Second Lien Collateral Agent by the Contracting Party and (ii) the expiration of the applicable cure period provided in the Assigned Agreement for the Company to cure the default.

(b) In connection with any cure of the Company's default under the Assigned Agreement or any assumption by the Second Lien Collateral Agent or any Second Lien Secured Party of

the Company's liabilities thereunder, only those obligations and liabilities arising expressly under the Assigned Agreement shall be required to be cured or assumed, as the case may be, and there shall be no obligation by the Second Lien Collateral Agent or any Second Lien Secured Party to cure or assume any non-contractual liability that may have arisen.

SECTION 1.3 No Termination. The Contracting Party will not, without the prior written consent of the Second Lien Collateral Agent, (i) cancel or terminate or suspend performance under the Assigned Agreement or consent to or accept any cancellation, termination or suspension thereof, or its performance thereunder, or (ii) amend, amend and restate, supplement or otherwise modify the Assigned Agreement, except, in each case, to the extent otherwise permitted under the Second Lien Documents.

SECTION 1.4 Replacement Agreement. Talen Investment Corporation, in the capacity of Second Lien Collateral Agent, shall continue to be bound by and entitled to all the benefits and protections afforded to the Second Lien Collateral Agent under the Intercreditor Agreement, including Section 7 of the Intercreditor Agreement, as if fully set forth herein.

SECTION 6.03. Joint and Several Liability; Obligations Unconditional. The Obligations of the Company Parties hereunder and other the other Loan Documents are joint and several, and are primary, absolute, irrevocable and unconditional irrespective of the validity or enforceability of this Agreement or any other agreement or instrument referred to herein, or any substitution, release or exchange of any security for any of the Company Parties' obligations under this Agreement and, to the fullest extent permitted by applicable law, irrespective of any other circumstance whatsoever that might otherwise constitute a legal or equitable discharge or defense, it being the intent of the parties that Company Parties' obligations under this Agreement shall be primary, absolute, irrevocable and unconditional under any and all circumstances.

SECTION 6.04. No Waiver; Remedies. No failure on the part of LC Provider or Second Lien Collateral Agent to exercise, and no delay in exercising, any right hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

SECTION 6.05. Costs and Expenses.

(a) Following the Discharge of First Lien Obligations, the Company agrees to pay on demand (i) all costs and expenses of LC Provider and Second Lien Collateral Agent in connection with the preparation, execution, delivery, administration, modification and amendment of, or any consent or waiver under, the Loan Documents and (ii) all costs and expenses of LC Provider and the Second Lien Collateral Agent in connection with the enforcement of the Loan Documents, whether in any action, suit or litigation, or any bankruptcy, insolvency or other similar proceeding affecting creditors' rights generally.

In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 6.05(b) applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Company Party, its directors, shareholders or creditors, any Indemnified Party or any other Person, whether or not any Indemnified Party is otherwise a party thereto and whether or not the transactions contemplated thereby are consummated. The Company also agrees not to assert any claim against LC Provider, the issuer of any Letter of Credit, any Affiliate of LC Provider or any issuer of any Letter of Credit, the Second Lien Collateral Agent and each of their respective officers, directors, employees, trustees, agents and advisors, on any theory of liability, for special, indirect, consequential or punitive damages arising out of or otherwise relating to this Agreement, the actual or proposed use of the Letters of Credit, the Loan Documents or any of the transactions contemplated by the Loan Documents.

(c) Without prejudice to the survival of any other agreement of any Company Party hereunder or under any other Loan Document, the agreements and obligations of the Company contained in this Section 6.05 shall survive the payment in full of principal, interest and all other amounts payable hereunder and under any of the other Loan Documents.

SECTION 6.06. Right of Set-off. Upon the occurrence and during the continuance of any Event of Default, LC Provider, the Second Lien Collateral Agent and each of their

The rights of LC Provider, the Second Lien Collateral Agent and each of their respective Affiliates under this Section are in addition to other rights and remedies (including, without limitation, other rights of set-off) that such Persons may have.

SECTION 6.07. Binding Effect. This Agreement shall become effective when it shall have been executed by the Company, LC Provider, the Guarantors and the Second Lien Collateral Agent.

SECTION 6.08. Assignments and Participations. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns; provided, however, that none of the Company Parties shall assign or transfer its rights or obligations hereunder without the prior written consent of LC Provider and any purported assignment without such consent shall be void. Nothing in this Agreement, express or implied, shall give any Person, other than the parties hereto and their successors and permitted assigns hereunder, any benefit or any legal or equitable right or remedy under this Agreement.

SECTION 6.09. Execution in Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. The Company assumes all risks of the acts or omissions of any beneficiary or transferee of any Letter of Credit with respect to its use of such Letter of Credit. None of LC Provider, the issuer of any Letter of Credit, any Affiliate of LC Provider or any issuer of any Letter of Credit, or any of their respective officers or directors shall be liable or responsible for: (a) the use that may be made of any Letter of Credit or any acts or omissions of any beneficiary or transferee in connection therewith; (b) the validity, sufficiency or genuineness of documents, or of any endorsement thereon, even if such documents should prove to be in any or all respects invalid, insufficient, fraudulent or forged; (c) payment against presentation of documents that do not comply with the terms of a Letter of Credit, including failure of any documents to bear any reference or adequate reference to the Letter of Credit; or (d) any other circumstances whatsoever in making or failing to make payment under any Letter of Credit.

SECTION 6.11. Jurisdiction, Etc. (a) Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of any New York State court or Federal court of the United States of America sitting in New York City, and any appellate court from any thereof, in any action or proceeding arising out of or relating to

(b) Each of the parties hereto irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any of the other Loan Documents to which it is a party in any New York State or Federal court. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

SECTION 2. Lien Priorities.

2.1 Relative Priorities. (a) Notwithstanding any provision contained herein, each of the parties hereto hereby acknowledges and agrees that:

(i) the grant of the Liens pursuant to the Collateral Documents creates two separate and distinct Liens over the Collateral: the First Lien securing the payment and performance of the First Lien Obligations and the Second Lien securing the payment and performance of the Second Lien Obligations;

(ii) the Liens securing the Second Lien Obligations are subject and subordinate on the terms contained in this Agreement to the Liens securing the First Lien Obligations; and

(iii) because of, among other things, their differing rights in the Collateral, the Second Lien Obligations are fundamentally different from the First Lien Obligations and, in each case, must be separately classified in any plan of reorganization proposed or adopted in an Insolvency or Liquidation Proceeding.

To further effectuate the intent of the parties as provided in the immediately preceding clauses (i), (ii) and (iii), if a court in any Insolvency or Liquidation Proceeding or otherwise holds that the claims of more than one class of Secured Parties in respect of the Collateral constitute only one secured claim (rather than two separate classes of secured claims), then each of the parties hereto hereby acknowledges and agrees that, subject to this Section 2.1 and 4.1, all distributions in such Insolvency or Liquidation Proceeding or otherwise shall be made as if there were two separate classes of secured claims against the Loan Parties in respect of the Collateral (with the effect being that, to the extent the aggregate value of the Collateral is sufficient (for this purpose ignoring all claims held by the Second Lien Secured Parties), the First Lien Secured Parties shall be entitled to receive on a *pro rata* basis all amounts owing (including, principal, pre-petition interest, all amounts owing in respect of post-petition interest and/or additional interest payable pursuant to the First Lien Documents arising from a default, which is disallowed as a claim in any Insolvency or Liquidation Proceeding and any other claims constituting First Lien Obligations) to such First Lien Secured Parties under the First Lien Documents before any distribution is made in respect of the claims arising from the Second Lien Obligations held by the Second Lien Secured Parties, and the Second Lien Collateral Agent (on behalf of itself and the Second Lien Secured Parties) and each Second Lien Secured Party hereby acknowledges and agrees to turn over to the First Lien Collateral Agent (who in turn will turn over to the First Lien Administrative Agent (for itself and on behalf of the First Lien Lenders) and, subject to the applicable Permitted First Lien Hedge Amount, the First Lien Commodity Hedge Counterparties) amounts otherwise received or receivable by them to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the claim or recovery of the Second Lien Secured Parties.

(b) Notwithstanding (i) the date, time, method, manner or order of grant, attachment or perfection of (A) any Liens securing the Second Lien Obligations granted on the Collateral or (B) any Liens securing the First Lien Obligations granted on the Collateral, (ii) anything contained in any filing or agreement to which any Agent or other Secured Party (either individually or collectively or in the case of any Agent, for its own behalf or on behalf of any of the Secured Parties), now or hereafter may be a party, (iii) the perfection of or avoidability of such Liens or claims securing the First Lien Obligations or the Second Lien Obligations, as the case may be, (iv) any provision of the UCC, (v) any other applicable law or any provision set forth in the Second Lien Documents, (vi) any defect or deficiencies in, or failure to perfect, the Liens securing the First Lien Obligations or the Second Lien Obligations or (vii) any other circumstances whatsoever, in each case, each of the Second Lien Collateral Agent (on behalf of itself and each Second Lien Secured Party) and each Second Lien Secured Party hereby agrees that:

(1) any Lien on the Collateral securing any First Lien Obligations now or hereafter held by or on behalf of the First Lien Collateral Agent or any of the First Lien Secured Parties or any agent or trustee therefor, regardless of how acquired, whether by grant, possession, statute, operation of law, subrogation or otherwise, shall be senior in all respects and prior to any Lien on the Collateral securing any Second Lien Obligations; and

(2) any Lien on the Collateral securing any Second Lien Obligations now or hereafter held by or on behalf of, or created for the benefit of the Second Lien Collateral Agent or any of the Second Lien Secured Parties or any agent or trustee therefor, regardless of how acquired, whether by grant, possession, statute, operation of law, subrogation or otherwise, shall be junior and subordinate in all respects to all Liens on the Collateral securing any First Lien Obligations. All Liens on the Collateral securing any First Lien Obligations shall be and remain senior in all respects and prior to all Liens on the Collateral securing any Second Lien Obligations for all purposes, whether or not such Liens securing any

First Lien Obligations are subordinated to any Lien securing any other obligation of the Borrower, any other Loan Party or any other Person.

(i) grant or permit any additional Liens on any Property to secure any Second Lien Obligations unless it has granted or concurrently grants a Lien on such Property to secure the First Lien Obligations; or

(ii) grant or permit any additional Liens on any Property to secure any of the First Lien Obligations unless it has granted or concurrently grants a Lien on such Property to secure the Second Lien Obligations.

To the extent that the foregoing provisions are not complied with for any reason, without limiting any other rights and remedies available to the First Lien Collateral Agent and/or the First Lien Secured Parties, the Second Lien Administrative Agent (on behalf of itself and the Second Lien Lenders), the Second Lien Collateral Agent (on behalf of itself and the Second Lien Secured Parties), the Second Lien LC Support Provider and each other Second Lien Secured Party agrees that any amounts received by or distributed to any of them pursuant to or as a result of Liens granted in contravention of this Section 2.3 shall be subject to Section 4.2.

The parties hereto agree that it is their intention that the First Lien Collateral and the Second Lien Collateral be identical, except to the extent that the First Lien Collateral may become more expansive than the Second Lien Collateral as a result of a determination by a Bankruptcy Court or any other court of competent jurisdiction. In furtherance of the foregoing and of Section 9.10, the parties hereto agree, subject to the other provisions of this Agreement:

(a) upon request by the First Lien Collateral Agent, the Second Lien Collateral Agent, any Secured Debt Representative, any First Lien Secured Party or any Second Lien Secured Party, to cooperate in good faith (and to direct their counsel to cooperate in good faith) from time to time in order to determine the specific items included in the First Lien Collateral and the Second Lien Collateral and the steps taken to perfect their respective Liens thereon and the

identity of the respective parties obligated under the applicable First Lien Documents and the Second Lien Documents; and

(b) that the documents, agreements and instruments creating or evidencing the Liens on the First Lien Collateral and the Liens on the Second Lien Collateral and the First Lien Guaranties and the Second Lien Guaranties shall be in all material respects the same forms of documents other than with respect to the first lien or second lien nature of the Obligations thereunder.

2.5 Nature of Obligations. (i) will not exercise or seek to exercise any rights or remedies with respect to any Collateral (including the exercise of any right of setoff (but subject to Section 5.9(a)) or any right under any lockbox agreement, account control agreement, landlord waiver or bailee's letter or similar agreement or arrangement to which the Second Lien Collateral Agent, any Second Lien Secured Debt Representative or any Second Lien Secured Party is a party or which runs for the benefit of the Second Lien Collateral Agent (on behalf of the Second Lien Secured Parties) or any Second Lien Secured Party) or institute any action or proceeding, or join with any Person in commencing any action or proceeding with respect to such rights or remedies (including any action of foreclosure, enforcement, collection or execution of any Insolvency or Liquidation Proceeding);

(ii) will not contest, protest or object to any foreclosure proceeding or action brought by the First Lien Collateral Agent, any First Lien Secured Debt Representative or any First Lien Secured Party or any other exercise by the First Lien Collateral Agent, any First Lien Secured Debt Representative or any First Lien Secured Party of any rights and remedies relating to the Collateral under the First Lien Documents or otherwise;

(iv) will not oppose or otherwise contest any claim by the First Lien Collateral Agent (on behalf of itself or the First Lien Secured Parties), the First Lien Administrative Agent (on behalf of itself or any First Lien Lender), or any First Lien Secured Party, or take any other action with respect to any relief or remedy that the First Lien Collateral Agent or any First Lien Secured Party seeks or supports in any Insolvency or Liquidation Proceeding including without limitation, the appointment of a trustee, relief from the automatic stay, termination of exclusivity, proposal of a plan of reorganization, or sale of Collateral;

(v) will not challenge the validity, enforceability, perfection or priority of the Liens held by the First Lien Collateral Agent or any First Lien Secured Party; and

(vi) will not seek any relief or remedy in any Insolvency or Liquidation Proceeding without the prior written consent of the First Lien Collateral Agent (subject to the First Lien Secured Parties' sole discretion) that would otherwise be prohibited under this Section 3.1(a);

provided, that in the case of clauses (i) through (vi), the Liens granted to secure the Second Lien Obligations shall attach to any proceeds resulting from actions taken by the First Lien Collateral Agent or any First Lien Secured Party in accordance with this Agreement subject to the relative priorities described in Section 2.1.

(b) (i) Until the Discharge of First Lien Obligations has occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against the Borrower or any Guarantor, the First Lien Collateral Agent, at the written direction of the Required First Lien Secured Parties, shall have the exclusive right to enforce rights, exercise remedies (including set-off (but subject to Section 5.9(a) and the right to credit bid the First Lien Obligations) and make determinations regarding the release, sale, disposition or restrictions with respect to the Collateral without any consultation with or the consent of the Second Lien Collateral Agent or any Second Lien Secured Party (or any Second Lien Secured Debt Representative in respect thereof); *provided* that the Lien securing the Second Lien Obligations shall remain on the proceeds of such Collateral released or disposed of subject to the relative priorities described in Section 2.1). In exercising rights and remedies with respect to the Collateral, the First Lien Collateral Agent, at the written direction of the Required First Lien Secured Parties, may enforce the provisions of the First Lien Collateral Documents and exercise remedies thereunder, all in such order and in such manner as they may determine in the exercise of their sole discretion. Such exercise and enforcement shall include the rights of the First Lien Collateral Agent (or any other agent appointed by the Required First Lien Secured Parties) to sell or otherwise dispose of Collateral upon foreclosure as set forth in the First Lien Collateral Documents, to incur expenses in connection with such sale or disposition, and to exercise all the rights and remedies of a secured creditor under the UCC and the First Lien Collateral Documents and of a secured creditor under the Bankruptcy Laws of any applicable jurisdiction.

(ii) After the Discharge of First Lien Obligations, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against the Borrower or any Guarantor, the Second Lien Collateral Agent, at the written direction of the Required Second Lien Secured Parties shall have the exclusive right to enforce rights, exercise remedies (including set-off (but subject to Section 5.9(a)) and the right to credit bid the Second Lien Obligations and make determinations regarding the release, sale, disposition or restrictions with respect to the Collateral. In exercising rights and remedies with respect to the Collateral (to the extent otherwise permitted under the terms of this Agreement), the Second Lien Collateral Agent, at the written direction of the Required Second Lien Secured Parties, may enforce the provisions of the Second Lien Collateral Documents and exercise remedies thereunder, all in such order and in such manner as they may determine in the exercise of their sole discretion. Such exercise of remedies shall include the rights of the Second Lien Collateral Agent (or any other agent appointed by the Required Second Lien Secured Parties) to sell or otherwise dispose of Collateral upon foreclosure as set forth in the Second Lien Collateral Documents, to incur expenses in connection with such sale or disposition and to exercise all of the rights and remedies of a secured creditor under the UCC and the Second Lien Collateral Documents and of a secured creditor under Bankruptcy Laws of any applicable jurisdiction.

(c) The Second Lien Collateral Agent (on behalf of itself and the Second Lien Secured Parties) and each Second Lien Secured Party agree that they will not take or receive any Collateral or any proceeds of Collateral in connection with the exercise of any right or remedy (including

set-off (but subject to Section 5.9(a)) with respect to any Collateral in their capacity as creditors unless and until the Discharge of First Lien Obligations has occurred, except as provided in Sections 3.1(g) and 6.3. Without limiting the generality of the foregoing, unless and until the Discharge of First Lien Obligations has occurred, except as expressly provided in Sections 3.1(g) and 6.3 and this Section 3.1(c), the sole right of the Second Lien Collateral Agent and any other Second Lien Secured Party with respect to the Collateral is to hold a Lien on the Collateral pursuant to the Second Lien Collateral Documents for the period and to the extent granted therein and to receive a share of the proceeds thereof, if any, after the Discharge of First Lien Obligations has occurred.

(d) The Second Lien Collateral Agent (on behalf of itself and the Second Lien Secured Parties) and each Second Lien Secured Party each:

(i) agrees not to take any action that would hinder, delay, limit or prohibit any exercise of remedies under the First Lien Documents or is otherwise prohibited hereunder, including any collection, sale, lease, exchange, transfer or other disposition of the Collateral, whether by foreclosure or otherwise or that would limit, invalidate, avoid or set aside any Lien or First Lien Collateral Document or subordinate the priority of the First Lien Obligations to the Second Lien Obligations or grant the Liens securing the Second Lien Obligations equal ranking to the Liens securing the First Lien Obligations;

(ii) hereby waives any and all rights it may have as a second lien creditor or otherwise (whether arising under the UCC or under any other law) to object to the manner in which the First Lien Collateral Agent, any First Lien Secured Debt Representative or the First Lien Secured Parties seek to enforce or collect the First Lien Obligations or the Liens securing the First Lien Obligations granted in any of the First Lien Collateral undertaken in accordance with this Agreement, regardless of whether any action or failure to act by or on behalf of the First Lien Collateral Agent, any First Lien Secured Debt Representative or the First Lien Secured Parties is adverse to the interest of the Second Lien Secured Parties; and

(iii) hereby acknowledges and agrees that no covenant, agreement or restriction contained in the Second Lien Documents (other than this Agreement) shall be deemed to restrict in any way the rights and remedies of the First Lien Collateral Agent, any First Lien Secured Debt Representative or any First Lien Secured Party with respect to the Collateral as set forth in this Agreement or any First Lien Document.

(e) Except as set forth in Section 3.1(d) and so long as not otherwise in contravention of this Agreement, the Second Lien Collateral Agent, each Second Lien Secured Debt Representative and the Second Lien Secured Parties may exercise rights and remedies as unsecured creditors against the Borrower or any Guarantor in accordance with the terms of the Second Lien Documents and applicable law; *provided* that, in the event that any Second Lien Secured Party becomes a judgment Lien creditor in respect of Collateral as a result of its enforcement of its rights as an unsecured creditor with respect to the Second Lien Obligations, such judgment Lien shall be subject to the terms of this Agreement for all purposes (including in relation to the First Lien Obligations) as the other Liens securing the Second Lien Obligations are subject to this Agreement.

(f) Subject to Article VI, including without limitation Section 5, 6.3, 6.7 and 6.8, nothing in this Agreement shall prohibit the receipt by any Second Lien Secured Debt Representative or any Second Lien Secured Party of the required payments of interest, principal and other amounts owed in respect of the Second Lien Obligations so long as such receipt is not the direct or indirect result of the exercise by the Second Lien Collateral Agent, any Second Lien Secured Debt Representative or any other Second Lien Secured Party of rights or remedies as a secured creditor (including set-off (but subject to Section 5.9(a)) or enforcement in contravention of this Agreement of any Lien held by any of them.

Nothing in this Agreement impairs or otherwise adversely affects any rights or remedies the First Lien Collateral Agent (on behalf of the First Lien Secured Parties) or any First Lien Secured Party may have with respect to the Collateral.

(g) Notwithstanding the foregoing, the Second Lien Collateral Agent, any Second Lien Secured Debt Representative and each Second Lien Secured Party may:

(i) file a claim or statement of interest with respect to the Second Lien Obligations; *provided* that an Insolvency or Liquidation Proceeding has been commenced by or against the Borrower or any Guarantor;

(ii) take any action (not adverse to the priority status of the Liens on the Collateral securing the First Lien Obligations, or the rights of the First Lien Collateral Agent or the First Lien Secured Parties to exercise remedies in respect thereof) in order to create, perfect, preserve or protect its Lien on the Collateral;

(iii) file any necessary responsive or defensive pleadings in opposition to any motion, claim, adversary proceeding or other pleading made by any Person objecting to or otherwise seeking the disallowance of the claims of the Second Lien Secured Parties, including any claims secured by the Collateral, if any, in each case in accordance with the terms of this Agreement;

(iv) file any pleadings, objections, motions or agreements which assert rights or interests available to unsecured creditors of the Loan Parties arising under any Insolvency or Liquidation Proceeding or applicable non-bankruptcy law, in each case not inconsistent with the terms of this Agreement; and

(v) vote on any plan of reorganization, file any proof of claim, make other filings and make any arguments and motions that are, in each case, in accordance with the terms of this Agreement, with respect to the Second Lien Obligations and the Collateral.

3.2 Enforcement of Liens. (a) (i) At all times prior to the Discharge of First Lien Obligations, the Required First Lien Secured Parties will have, subject to the terms of this Agreement and the other First Lien Documents, the right to authorize and direct the First Lien Collateral Agent with respect to the First Lien Collateral Documents and the Collateral, including, without limitation the exclusive right to authorize or direct the First Lien Collateral Agent to enforce, collect or realize on any Collateral or exercise any other right or remedy with respect to the Collateral.

(ii) At all times after the Discharge of First Lien Obligations but before the Discharge of Second Lien Obligations, the Required Second Lien Secured Parties will have, subject to the terms of this Agreement and the other Second Lien Documents, the right to authorize and direct the Second Lien Collateral Agent with respect to the Second Lien Collateral Documents and the Collateral, including, without limitation, the exclusive right to authorize or direct the Second Lien Collateral Agent to enforce, collect or realize on any Collateral or exercise any other right or remedy with respect to the Collateral.

(b) (i) Until the Discharge of First Lien Obligations, except to the extent directed or consented to in writing by the Required First Lien Secured Parties, none of the First Lien Collateral Agent, any First Lien Secured Debt Representative or any other First Lien Secured Party will:

(A) request judicial relief, in any Insolvency or Liquidation Proceeding or in any other court, that would hinder, delay, limit or prohibit the lawful exercise or enforcement of any right or remedy otherwise available to the First Lien Secured Parties in respect of the Liens granted to the First Lien Collateral Agent, for the benefit of the First Lien Secured Parties;

(B) oppose or otherwise contest any motion for relief from the automatic stay or for any injunction against foreclosure or enforcement of Liens granted to the First Lien Collateral Agent, for the benefit of the First Lien Secured Parties, made by the First Lien Collateral Agent, acting at the direction of, or as consented to by, the Required First Lien Secured Parties, in any Insolvency or Liquidation Proceeding;

(C) oppose or otherwise contest any lawful exercise by the First Lien Collateral Agent, acting at the direction of, or as consented to by, the Required First Lien Secured Parties, of the right to credit bid the First Lien Obligations at any sale in foreclosure of the Liens granted to the First Lien Collateral Agent, for the benefit of the First Lien Secured Parties; or

(D) oppose or otherwise contest any other request for judicial relief made in any court by the First Lien Collateral Agent, acting at the direction of, or as consented to by, the Required First Lien Secured Parties; relating to the lawful enforcement of any First Lien;

provided, *however*, that the First Lien Collateral Agent may take such actions as it deems desirable to create, prove, preserve or protect the Liens upon any Collateral. Notwithstanding the foregoing, both before and during an Insolvency or Liquidation Proceeding, any First Lien Secured Party and any First Lien Secured Debt Representative may take any actions and exercise any and all rights that they would have as an unsecured creditor, including, without limitation, the commencement of an Insolvency or Liquidation Proceeding against any Loan Party in accordance with applicable law and the termination of any Financing Document in accordance with the terms thereof; *provided* that the First Lien Secured Parties and the First Lien Secured Debt Representatives may not take any of the actions prohibited by clauses (A) through (D) above or oppose or contest any other claim that it has agreed not to oppose or contest under Section 6.

(A) request judicial relief, in any Insolvency or Liquidation Proceeding or in any other court, that would hinder, delay, limit or prohibit the lawful exercise or enforcement of any right or remedy otherwise available to the Second Lien Secured Parties in respect of the Liens granted to the Second Lien Collateral Agent, for the benefit of the Second Lien Secured Parties;

(B) oppose or otherwise contest any motion for relief from the automatic stay or for any injunction against foreclosure or enforcement of Liens granted to the Second Lien Collateral Agent, for the benefit of the Second Lien Secured Parties, made by the Second Lien Collateral Agent, acting at the direction of, or as consented to by, the Required Second Lien Secured Parties, in any Insolvency or Liquidation Proceeding;

(C) oppose or otherwise contest any lawful exercise by the Second Lien Collateral Agent, acting at the direction of, or as consented to by, the Required Second Lien Secured Parties, of the right to credit bid the Second Lien Obligations at any sale in foreclosure of the Liens granted to the Second Lien Collateral Agent, for the benefit of the Second Lien Secured Parties; or

(D) oppose or otherwise contest any other request for judicial relief made in any court by the Second Lien Collateral Agent, acting at the direction of, or as consented to by, the Required Second Lien Secured Parties; relating to the lawful enforcement of any Second Lien;

provided, *however*, that the Second Lien Collateral Agent may take such actions as it deems desirable to create, prove, preserve or protect the Liens upon any Collateral. Notwithstanding the foregoing, both before and during an Insolvency or Liquidation Proceeding, any Second Lien Secured Party and any Second Lien Secured Debt Representative may take any actions and exercise any and all rights that they would have as an unsecured creditor, including, without limitation, the commencement of an Insolvency or Liquidation Proceeding against any Loan Party in accordance with applicable law and the termination of any Financing Document in accordance with the terms thereof; *provided* that the Second Lien Secured Parties and the Second Lien Secured Debt Representatives may not take any of the actions prohibited by clauses (A) through (D) above or oppose or contest any other that it has agreed not to oppose or contest under Section 6.

Upon the Discharge of First Lien Obligations, the First Lien Collateral Agent shall deliver to the Second Lien Collateral Agent any Collateral and proceeds of Collateral held by it in the same form as received, with any necessary endorsements, or as a court of competent jurisdiction may otherwise direct, to be applied by the Second Lien Collateral Agent to the Second Lien Obligations in accordance with the terms of the Second Lien Collateral Documents.

4.2 Payments Over. So long as the Discharge of First Lien Obligations has not occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against the Borrower or any other Loan Party, any Collateral or proceeds thereof (including assets or proceeds subject to Liens referred to in the final sentence of Section 2.3) (or any distribution in-respect of the Collateral, whether or not expressly characterized as such) received by the Second Lien Collateral Agent or any Second Lien Secured Party in connection with the exercise of any right or remedy (including set-off (but subject to Section 5.9(a)) relating to the Collateral in contravention of, or that is otherwise inconsistent with, this Agreement shall be segregated and held in trust and forthwith paid over to the First

Lien Collateral Agent for the benefit of the First Lien Secured Parties in the same form as received, with any necessary endorsements or as a court of competent jurisdiction may otherwise direct; *provided* that this Section 4.2 shall not limit any First Lien Commodity Hedge Counterparty's right to recoup, set off, net or off-set amounts to the extent permitted under the applicable First Lien Commodity Hedge and Power Sale Agreement. The First Lien Collateral Agent is hereby authorized to make any such endorsements as agent for the Second Lien Collateral Agent or any Second Lien Secured Party. This authorization is coupled with an interest and is irrevocable until the Discharge of First Lien Obligations.

4.3 Debt Balances. (a) Upon the written request of any Collateral Agent, each Secured Debt Representative shall promptly (and, in any event, within five Business Days) give such Collateral Agent written notice of the aggregate amount of the Obligations then outstanding and owed by the Borrower or any other Loan Party to the Secured Parties represented by such Secured Debt Representative under the applicable Financing Documents and any other information that such Collateral Agent may reasonably request, including, without limitation, Outstanding Amounts, Available Amounts, and Eligible Hedge Amounts for the purpose of permitting a Collateral Agent to determine the Required First Lien Secured Parties and the Required Second Lien Secured Parties.

(b) Without limiting the foregoing, upon receipt of any of the monies referred to in Section 4.1 above, the Collateral Agent receiving such monies shall promptly provide notice to each Secured Debt Representative of the receipt of such monies. Within 10 Business Days of the receipt of such notice, each Secured Debt Representative shall give such Collateral Agent written certification by an authorized officer or representative thereof of the aggregate amount of the Obligations then outstanding owed by the Borrower or any other Loan Party to the Secured Parties represented by such Secured Debt Representative under the applicable Financing Documents to be certified to as presently due and owing (and, promptly upon receipt thereof, such Collateral Agent shall provide a copy of each such certification to each other Secured Debt Representative). Unless otherwise directed by a court of competent jurisdiction or each Secured Debt Representative, the applicable Collateral Agent shall use the information provided for in such notices as the basis for applying such monies in accordance with Section 4.1 above.

4.4 Termination Payments. If following the occurrence of an Early Termination Date under any Secured Commodity Hedge and Power Sale Agreement, any Loan Party shall fail to pay any of the Obligations owing under such Secured Commodity Hedge and Power Sale Agreements as and when required thereunder, then each First Lien Commodity Hedge Counterparty and Second Lien Commodity Hedge Counterparty agrees that to the extent it seeks to satisfy any such Obligations, such Commodity Hedge Counterparty shall *first* proceed to satisfy such Obligations with, subject to the occurrence of any Other Credit Support Exception, the proceeds of any Other Credit Support issued or pledged in favor of such Commodity Hedge Counterparty to support the Obligations of the Loan Parties under such Secured Commodity Hedge and Power Sale Agreement. If following the application of any Other Credit Support Amounts (or, to the extent that any Other Credit Support Exception exists with respect to any such Other Credit Support, without regard to such Other Credit Support) to the repayment of Obligations owing to the applicable Commodity Hedge Counterparty under any Secured Commodity Hedge and Power Sale Agreement, such Commodity Hedge Counterparty has not received the full amount of the First Lien Obligations or Second Lien Obligations, as applicable, due under such Secured Commodity Hedge and Power Sale Agreement, it may, subject to the provisions hereof, seek recourse to the First Lien Collateral (subject to the Permitted First Lien Hedge Amount) or Second Lien Collateral (subject to the Permitted Second Lien Hedge Amount), as applicable, on a first or second, as applicable, priority basis in accordance with the terms of this Agreement.

SECTION 5. Other Agreements.

5.1 Releases. (a) If, in connection with the exercise of the First Lien Collateral Agent's remedies in respect of the Collateral provided for in Sections 3.1 and 3.2 or pursuant to Section 363 of the Bankruptcy Code (in each case, whether or not an "event of default" thereunder or under any Second Lien Documents has occurred and is continuing), the First Lien Collateral Agent releases for itself or on behalf of any of the First Lien Secured Parties any of its Liens on any part of the Collateral or releases any Guarantor from its obligations under any First Lien Guaranty in connection with the sale of the Equity Interests in, or substantially all of the Property of, such Guarantor, then the Liens, if any, of the Second Lien Collateral Agent (for itself or for the benefit of the Second Lien Secured Parties) on such Collateral and the obligations of such Guarantor under its guaranty of the Second Lien Obligations shall be automatically, unconditionally and simultaneously released. The Second Lien Collateral Agent shall promptly execute and deliver to the First Lien Collateral Agent or such Guarantor for itself and on behalf of the Second Lien Secured Debt Representatives and the Second Lien Secured Parties such termination statements, releases and other documents as the First Lien Collateral Agent or such Guarantor may request to effectively confirm such release.

(b) Upon the written request of any Loan Party in connection with any Asset Disposition permitted under the Financing Documents (other than in connection with the exercise of any Collateral Agent's rights and remedies in respect of the Collateral provided for in Sections 3.1 and 3.2), each Collateral Agent shall release for itself or on behalf of each of the Secured Parties whom it represents its Liens on any part of the Collateral subject of such Asset Disposition (including any Equity Interests in any Guarantor), and, in the event of a sale of all or substantially all of the Property of a Guarantor or of all or substantially all of the Equity Interests of a Guarantor, release such Guarantor from its obligations under each of the First Lien Guaranty and Second Lien Guaranty. Each Collateral Agent shall promptly execute and deliver to the Borrower or such Guarantor for itself and on behalf of the Secured Parties whom it represents such termination statements, releases and other documents as the Borrower or such Guarantor may reasonably request in writing to effectively confirm such release.

(c) Until the Discharge of First Lien Obligations occurs, the Second Lien Collateral Agent (on behalf of itself and the Second Lien Secured Parties) and each Second Lien Secured Party hereby irrevocably constitutes and appoints the First Lien Collateral Agent and any officer or agent of the First Lien Collateral Agent, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of the Second Lien Collateral Agent or such other Second Lien Secured Party, as the case may be, or in the First Lien Collateral Agent's own name, from time to time in the First Lien Collateral Agent's discretion for the purpose of carrying out the terms of Section 5.1(a), to take any and all appropriate action and to execute any and all documents and instruments which may be necessary to accomplish the purposes of Section 5.1(a), including any endorsements or other instruments of transfer or release.

(d) Until the Discharge of First Lien Obligations occurs, to the extent that the First Lien Collateral Agent or the First Lien Secured Parties (i) have released any Lien on Collateral or any Guarantor from its obligation under any First Lien Guaranty and any such Liens or First Lien Guaranty are later reinstated or (ii) obtain any new Liens or additional guarantees from any Guarantor, then the Second Lien Collateral Agent, for itself and for the benefit of the Second Lien Secured Parties, shall be granted a Lien on any such Collateral, subject to the lien subordination provisions of this Agreement, and an additional guaranty, as the case may be.

5.2 Insurance. Unless and until the Discharge of First Lien Obligations has occurred, the First Lien Collateral Agent (acting at the direction of the Required First Lien Secured Parties) shall have the sole and exclusive right, subject to the rights of the Guarantors under the First Lien Loan Documents, to adjust settlement for any insurance policy covering the Collateral in the event of any loss

thereunder and to approve any award granted in any condemnation or similar proceeding (or any deed in lieu of condemnation) affecting the Collateral. Unless and until the Discharge of First Lien Obligations has occurred, and subject to the rights of the Guarantors under the First Lien Collateral Documents and the Second Lien Collateral Documents, all proceeds of any such policy and any such award (or any payments with respect to a deed in lieu of condemnation) in respect of the Collateral shall be applied *first*, as provided in the First Lien Documents or, if such proceeds or award are received in connection with an enforcement action taken under any Collateral Document, shall be paid to the First Lien Collateral Agent for the benefit of the First Lien Secured Parties pursuant to the terms of the First Lien Documents in accordance with Section 4 and *second*, after the Discharge of First Lien Obligations has occurred, as provided in the Second Lien Documents or, if such proceeds or award are received in connection with an enforcement action taken under any Collateral Document, shall be paid to the Second Lien Collateral Agent for the benefit of the Second Lien Secured Parties to the extent required under the Second Lien Documents and then, to the extent no Second Lien Obligations are outstanding, to the owner of the subject property, such other Person as may be entitled thereto or as a court of competent jurisdiction may otherwise direct. If the Second Lien Collateral Agent or any other Second Lien Secured Party shall, at any time, receive any proceeds of any such insurance policy or any such award or payment in in contravention of this Agreement, it shall pay such proceeds over to the First Lien Collateral Agent in accordance with the terms of Section 4.2.

5.3 Amendments to Second Lien Collateral Documents. (a) Until the Discharge of First Lien Obligations has occurred, without the prior written consent of the First Lien Collateral Agent, acting at the written direction of the Required First Lien Secured Parties, no Second Lien Collateral Document may be amended, supplemented or otherwise modified or entered into to the extent such amendment, supplement or modification, or the terms of any new Second Lien Collateral Document, would contravene the provisions of this Agreement. The Borrower and each Loan Party agrees that each Second Lien Collateral Document shall include the following language (or language to similar effect approved by the First Lien Collateral Agent):

> "*Notwithstanding anything herein to the contrary, the lien and security interest granted to the Second Lien Collateral Agent pursuant to this Agreement and the exercise of any right or remedy by the Second Lien Collateral Agent hereunder are subject to the provisions of the Intercreditor Agreement, dated as of [_____], 2018 (as amended, amended and restated, supplemented or otherwise modified from time to time, the "Intercreditor Agreement"), among New MACH Gen, LLC, as Borrower, the Guarantors party thereto, CLMG Corp., as First Lien Collateral Agent, Talen Investment Corporation, as Second Lien Collateral Agent, CLMG Corp., as First Lien Administrative Agent, Talen Investment Corporation, as Second Lien Administrative Agent, Talen Energy Supply, LLC, as Second Lien LC Support Provider, and each other Person party or that may become party thereto from time to time. In the event of any conflict between the terms of the Intercreditor Agreement and this Agreement, the terms of the Intercreditor Agreement shall govern and control.*"

In addition, the Borrower and each Loan Party agrees that each Second Lien Collateral Document covering any Collateral shall contain such other language as the First Lien Collateral Agent may reasonably request to reflect the junior priority of such Second Lien Collateral Document to the First Lien Collateral Documents covering such Collateral.

(b) In the event any First Lien Collateral Agent, the First Lien Secured Debt Representatives or the First Lien Secured Parties and the relevant Loan Party enter into any amendment, waiver or consent in respect of any of the First Lien Collateral Documents for the purpose of adding to, or deleting from, or waiving or consenting to any departures from any provisions of, any First Lien Collateral Document or changing in any manner the rights of the First Lien Collateral Agent, the First

Lien Secured Debt Representatives, such First Lien Secured Parties, the Borrower or any Guarantor thereunder, then such amendment, waiver or consent shall apply automatically to any comparable provision of the Comparable Second Lien Collateral Document without the consent of the Second Lien Collateral Agent or the Second Lien Secured Parties and without any action by the Second Lien Collateral Agent, the Borrower or any other Guarantor; *provided* that (i) no such amendment, waiver or consent shall have the effect of (A) removing any Collateral from the Lien of the Second Lien Collateral Agent except where a release is otherwise permitted or required pursuant to Section 5.1 or, following an exercise of remedies prior to the Discharge of First Lien Obligations, Section 3.1 or (B) imposing any duties on, or increasing the obligations of, any Second Lien Secured Party without its prior written consent, or (C) permitting other Liens on the Collateral not permitted under the terms of the Second Lien Documents or this Agreement, and (ii) notice of such amendment, waiver or consent shall have been given to the Second Lien Collateral Agent within ten (10) Business Days after the effective date of such amendment, waiver or consent (although the failure to give any such notice shall in no way affect the effectiveness of any such amendment, waiver or consent, unless such amendment, waiver or consent imposes additional duties on, or modifies the interests, rights or obligations of the Second Lien Collateral Agent).

5.4 Amendments to Financing Documents.

(a) The First Lien Documents may be amended, supplemented or otherwise modified in accordance with their terms, and the First Lien Credit Agreement may be Refinanced, in each case, without notice to or the consent of any Collateral Agent, Secured Debt Representative or Secured Party that is not a party to such First Lien Document without affecting the lien subordination or other provisions of this Agreement; *provided*, *however*, that the holders of such Refinancing Debt (or any agent or trustee therefor) execute and deliver an Accession Agreement to each of the Collateral Agents pursuant to which they agree to be bound by the terms of this Agreement and have the obligations of a First Lien Secured Party hereunder.

(b) Notwithstanding anything herein to the contrary, during the continuance of any First Lien Event of Default, any First Lien Secured Party shall be entitled in its reasonable discretion to make payments or advances to the First Lien Collateral Agent, any Loan Party or any other Person for the purpose of protecting, preserving or defending the value of the Collateral; *provided* that such First Lien Secured Party notifies the Second Lien Collateral Agent promptly after making such payment or advance; and any such payment or advance shall be deemed to constitute part of the First Lien Obligations hereunder.

(c) No amendment, modification, termination or waiver of any provision of the Security Deposit Agreement, or consent to any departure by any Loan Party therefrom, shall be effective without the written consent of each of the Required First Lien Lenders, and then such amendment, modification, termination or waiver shall be effective only in the specific instance and for the specific purpose for which given; *provided*, *however*, that no such amendment, modification, termination or waiver shall, unless consented to by each Secured Party specified below: (i) postpone any date scheduled for any payment in respect of the Secured Obligations to a Secured Party, without the consent of such Secured Party, (ii) change the order of application of any payments under Article III of the Security Deposit Agreement in any manner that materially and adversely affects any Secured Party without the written consent of such affected Secured Party, or (iii) adversely affect any Secured Party disproportionately *vis a vis* any other Secured Party without the consent of such affected Secured Party.

5.5 When Discharge of First Lien Obligations Deemed to Not Have Occurred. If concurrently with the Discharge of First Lien Obligations, the Borrower thereafter enters into a Refinancing of any First Lien Loan Document, in each case, which Refinancing is permitted by the terms hereunder, then such Discharge of First Lien Obligations shall automatically be deemed not to have occurred for all purposes of this Agreement (other than with respect to any actions taken as a result of the

occurrence of such first Discharge of First Lien Obligations) and, from and after the date on which the New First Lien Debt Notice is delivered to the Second Lien Collateral Agent (if any), the obligations under such Refinancing of the relevant First Lien Document shall automatically be treated as First Lien Obligations for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of Collateral set forth herein, and the First Lien Collateral Agent under the new First Lien Documents shall be the First Lien Collateral Agent for all purposes of this Agreement. Upon receipt of a notice (the "***New First Lien Debt Notice***") stating that the Borrower has entered into a new First Lien Document (which notice shall include the identity of the new first lien collateral agent, such agent, the "***New First Lien Collateral Agent***"), the Second Lien Collateral Agent (if any) shall promptly (a) enter into such documents and agreements (including amendments or supplements to this Agreement) as the Borrower or such New First Lien Collateral Agent shall reasonably request in order to provide to the New First Lien Collateral Agent the rights contemplated hereby, in each case consistent in all material respects with the terms of this Agreement and (b) deliver to the New First Lien Collateral Agent any Pledged Collateral held by it together with any necessary endorsements (or otherwise allow the New First Lien Collateral Agent to obtain control of such Pledged Collateral). The New First Lien Collateral Agent shall execute and deliver an Accession Agreement to the Second Lien Collateral Agent (if any). If the new First Lien Obligations under the new First Lien Documents are secured by Property of the Loan Parties constituting Collateral that do not also secure the Second Lien Obligations, then the Second Lien Obligations shall be secured at such time by a second priority Lien on such Property to the same extent provided in the Second Lien Collateral Documents and this Agreement.

5.6 [Reserved.]

5.7 Injunctive Relief. Should any Second Lien Secured Party, contrary to this Agreement, in any way take, attempt to or threaten to take any action with respect to the Collateral (including, without limitation, any attempt to realize upon or enforce any remedy with respect to this Agreement), or fail to take any action required by this Agreement, the First Lien Collateral Agent, any First Lien Secured Debt Representative or any First Lien Secured Party (in its or their own name or in the name of the Borrower) or the Borrower may obtain relief against such Second Lien Secured Parties by injunction, specific performance and/or other appropriate equitable relief, it being understood and agreed by the Second Lien Collateral Agent (on behalf of itself and the Second Lien Secured Parties) and each Second Lien Secured Party that (i) the First Lien Secured Parties' damages from its actions may at that time be difficult to ascertain and may be irreparable, and (ii) each Second Lien Secured Party waives any defense that the Borrower and/or the First Lien Secured Parties cannot demonstrate damage and/or be made whole by the awarding of damages.

5.8 Certain Actions. So long as any Secured Obligations remain outstanding in respect of more than one class of Secured Parties, the following provisions shall apply:

(a) Each Secured Debt Representative hereby agrees to give, pursuant to the terms set forth in the First Lien Documents or the Second Lien Documents, as the case may be, each of the Collateral Agents and each other Secured Debt Representative prompt written notice of the occurrence of (i) any Event of Default under such Person's Financing Documents, as applicable, of which such Person has written notice, and (ii) acceleration of the maturity of any Secured Obligations under any of the Financing Documents for which it acts as a Secured Debt Representative wherein such Secured Obligations have been declared to be or have automatically become due and payable earlier than the scheduled maturity thereof or termination date thereunder (or similar remedial actions including demands for cash collateral (except in connection with ordinary course margining under Permitted Commodity Hedge and Power Sale Agreements) have been taken) and setting forth the aggregate amount of Secured Obligations that have been so accelerated under such Financing Documents, in each case, as soon as practicable after the occurrence thereof (and, in any event, within five Business Days after the occurrence thereof); *provided*, *however*, that the failure to provide such notice shall not limit or impair the rights of

the Secured Parties, or the obligations of the Borrower or any other Loan Party, hereunder or under the other Financing Documents. No Agent shall be deemed to have knowledge or notice of the occurrence of an Event of Default under the Financing Documents to which it is a party until such Agent has received a written notice of such Event of Default from any other Agent, the Borrower, the other Loan Parties or any other Secured Party for whom such Agent is acting as agent or trustee.

(b) Each Collateral Agent hereby agrees to give each Secured Debt Representative written notice of the occurrence of an Event of Default following receipt thereof of written notice to it and provide a copy of all other information provided to it by the Borrower, any other Loan Party or the Depositary under the Collateral Documents upon request.

(c) (i) Until the Discharge of First Lien Obligations, the First Lien Collateral Agent hereby agrees that (without limiting anything set forth in the Security Deposit Agreement), at the instruction of the Required First Lien Lenders during the occurrence and continuation of an Event of Default or as otherwise contemplated by the Security Deposit Agreement, it shall give such notices and instructions under the Security Deposit Agreement to the Depositary and (ii) after the Discharge of First Lien Obligations but until the Discharge of Second Lien Obligations, the Second Lien Collateral Agent hereby agrees that (without limiting anything set forth in the Security Deposit Agreement), at the instruction of the Required Second Lien Secured Parties during the occurrence and continuation of any Event of Default or as otherwise contemplated by the Security Deposit Agreement, it shall give such notices and instructions under the Security Deposit Agreement.

(d) Each Loan Party hereby agrees that, at any time and from time to time, at its sole cost and expense, it shall promptly execute and deliver all further agreements, instruments, documents and certificates and take all further action that may be reasonably necessary in order to fully effect the purposes of this Agreement and the Collateral Documents (including, to the extent required by any Collateral Document, the delivery of possession of any Collateral represented by certificated securities that hereafter comes into existence or is acquired in the future by the Collateral Agents as pledgee for the benefit of the Secured Parties and to enable the Collateral Agents to exercise and enforce its rights and remedies under the Collateral Documents with respect to the Collateral or any part thereof.

Such First Lien Commodity Hedge Counterparty and such Second Lien Secured Party shall not have any right to object to (and shall be deemed to have accepted) any provisions of such substitute agreement which are more favorable to such First Lien Commodity Hedge Counterparty and such Second Lien Secured Party than the provisions contemplated by this Agreement prior to such Refinancing. Such First Lien Commodity Hedge Counterparty and any Second Lien Secured Party shall also have no right to object to (and shall be deemed to have accepted) any provisions of such substitute agreement which (A) are less favorable to it than the provisions contemplated by such original agreement, if and to the extent the other Secured Parties afforded approval rights in respect of such matters have accepted such provisions and such provisions do not materially and adversely affect such First Lien Commodity Hedge Counterparty's or such Second Lien Secured Party's rights (taken as a whole) as a Secured Party or (B) are customary for intercreditor agreements relating to similar transactions.

5.9 Cash Collateral Accounts. (a) Notwithstanding anything to the contrary, nothing contained herein shall be construed (i) to impair the rights of any Commodity Hedge Counterparty to exercise its rights and remedies with respect to any cash collateral pledged for its sole benefit or as a beneficiary under and pursuant to any Other Credit Support issued in its favor, or (ii) to impair the rights of any Commodity Hedge Counterparty to exercise any of its rights and remedies as an unsecured creditor

under any or all Permitted Commodity Hedge and Power Sale Agreements to which it is a party or (iii) to impair the rights of any Commodity Hedge Counterparty to exercise its rights to set off and net amounts under and among any Permitted Commodity Hedge and Power Sale Agreements to which it is a party.

(b) In the event any additional Cash Collateral Accounts are established in connection with cash collateralizing letters issued pursuant to the Second Lien LC Support Agreement, such Cash Collateral Accounts shall only be for the benefit of the Second Lien LC Support Provider.

5.10 Additional Secured Obligations. (a) Subject to the limitations set forth in the Financing Documents, each Loan Party and each Secured Party acknowledges and agrees that the Collateral may secure additional Obligations of the Borrower and the other Loan Parties (i) in respect of the Refinancing of the First Lien Credit Agreement, (ii) the Refinancing of the Second Lien Credit Agreement, and (iii) Secured Commodity Hedge and Power Sale Agreements. Upon execution and delivery to the Collateral Agents of an Accession Agreement by the Persons to whom the obligations referred to in the immediately preceding sentence are owed (or, in the case of a Commodity Hedge Counterparty that is already party to an Accession Agreement with respect to one or more Secured Commodity Hedge and Power Sale Agreements, upon such Commodity Hedge Counterparty entering into a supplement to such Accession Agreement in the form of Attachment I thereto to include any additional Secured Commodity Hedge and Power Sale Agreement being entered into by such Commodity Hedge Counterparty after the date of such Accession Agreement), such Persons shall become "***First Lien Secured Parties***" or "***Second Lien Secured Parties***" hereunder, as applicable, and the obligations owed to such Persons shall become "***First Lien Obligations***" or "***Second Lien Obligations***", as applicable. Each Loan Party and each Secured Party agrees that this Agreement and the applicable Collateral Documents may be amended by the Loan Parties and the Collateral Agents without the consent of any Secured Party to the extent necessary or desirable to (A) effectuate the intent of this Section 5.10, (B) cause the Liens granted thereby to be in favor of such Persons (to the extent Liens in favor of such Persons are expressly permitted by the terms of all of the Financing Documents) and (C) cause such Persons to be treated in the same manner as the other First Lien Secured Parties or the Second Lien Secured Parties, as applicable, under this Agreement and the other Collateral Documents.

(b) Notwithstanding anything in the Financing Documents to the contrary, (x) the aggregate amount of all Maximum First Lien Amounts and all Maximum Second Lien Amounts under all Accession Agreements associated with any Secured Commodity Hedge and Power Sale Agreements shall not at any time exceed (i) in the case of all First Lien Commodity Hedge and Power Sale Agreements, $80,000,000 and (ii) in the case of all Second Lien Commodity Hedge and Power Sale Agreements, $[__] *minus* (in each case) (A) upon and following an Asset Sale (as defined in the Security Deposit Agreement) with respect to Millennium or the Millennium Project, $10,000,000, and *minus* (B) to the extent such amounts are greater than $20,000,000, the aggregate amount of all Termination Payments paid by the Loan Parties with respect to termination of Commodity Hedge and Power Sale Agreements that exceed $20,000,000, and (y) no Person shall be permitted to become or be designated as "First Lien Secured Parties" or "Second Lien Secured Parties" and no obligations owing to such Persons shall become or be designated as "First Lien Obligations" or "Second Lien Obligations" unless such Persons are expressly permitted to be so designated and such obligations so secured under the terms of all the Financing Documents.

The First Lien Collateral Agent further agrees to take all other action reasonably requested by the Second Lien Collateral Agent in connection with the Second Lien Collateral Agent obtaining a first-priority interest in the Collateral or as a court of competent jurisdiction may otherwise direct.

commitments and duties of the First Lien Lenders), at any time during the exercise period described in clause (c) below of this Section 5.12, all, but not less than all, of the First Lien Obligations in respect of the First Lien Loan Documents, including all principal of and accrued and unpaid interest (including default interest) and fees in respect of all First Lien Obligations in respect of the First Lien Loan Documents outstanding at the time of purchase; *provided* that at the time of (and as a condition to) any purchase pursuant to this Section 5.12, all commitments pursuant to any then outstanding First Lien Loan Document shall have terminated. (iii) with the purchase price described in preceding clause (a)(i) accompanied by a waiver by the Second Lien Collateral Agent (on behalf of itself and the related Second Lien Secured Parties) of all claims arising out of this Agreement and the transactions contemplated hereby as a result of exercising the purchase option contemplated by this Section 5.12;

Neither the First Lien Collateral Agent nor any other First Lien Secured Party shall have any disclosure obligation to any Eligible Purchaser, the Second Lien Collateral Agent or any other Second Lien Secured Party in connection with any exercise of such purchase option.

(c) So long as the Discharge of First Lien Obligations has not occurred, the right to purchase the First Lien Obligations as described in this Section 5.12 may be exercised (by giving the irrevocable written notice described in preceding clause (b)) during the period that (1) begins on the date occurring three (3) Business Days after the occurrence of a Waterfall Trigger Event or after receipt by the Second Lien Collateral Agent of a notice from the First Lien Collateral Agent of the intent of the First Lien Collateral Agent and the First Lien Lenders to cause a Waterfall Trigger Event; *provided* that if there is any failure to meet the condition described in the proviso of preceding clause (a) hereof, the date described in this clause (1) shall be extended until the first date upon which such condition is satisfied, and (2) ends on the Discharge of First Lien Obligations.

(d) The obligations of the First Lien Secured Parties to sell their respective First Lien Obligations under this Section 5.12 are several and not joint and several.

(e) Each Grantor irrevocably consents to any assignment effected to one or more Eligible Purchasers pursuant to this Section 5.12 (so long as they meet all eligibility standards contained in all relevant First Lien Loan Documents, other than obtaining the consent of any Grantor or agent to an assignment to the extent required by such First Lien Loan Documents) for purposes of all First Lien Loan Documents and hereby agrees that no further consent from such Grantor shall be required.

SECTION 6. Insolvency or Liquidation Proceedings.

6.1 Finance and Sale Issues. (a) Until the Discharge of First Lien Obligations has occurred, if the Borrower or any Guarantor shall be subject to any Insolvency or Liquidation Proceeding and the First Lien Collateral Agent (acting at the direction of the Required First Lien Lenders) shall desire to permit the use of "*cash collateral*" (as such term is defined in Section 363(a) of the Bankruptcy Code, "***Cash Collateral***"), on which the First Lien Collateral Agent or any other creditor has a Lien or to permit any Borrower or any Guarantor to obtain financing (including on a priming basis), whether from the First Lien Secured Parties or any other third party under Section 362, 363 or 364 of the Bankruptcy Code or any other Bankruptcy Law (each, a "***DIP Financing***"), then the Second Lien Collateral Agent and each Second Lien Secured Party (or any Second Lien Secured Debt Representative in respect thereof) shall be deemed to accept such use of Cash Collateral and/or such DIP Financing and agrees that none of them will oppose or raise any objection to or contest (or join with or support any third party opposing, objecting to or contesting), such use of Cash Collateral or DIP Financing and will not request adequate protection or any other relief in connection therewith (except to the extent permitted by Section 6.3) and its Liens on the Collateral shall be deemed to be subordinated, without any further action on the part of any Person, to the Liens securing such DIP Financing (and all Obligations relating thereto), any adequate protection Liens provided to the First Lien Secured Parties, and any "carve-out" in respect of professional and United States Trustee fees or otherwise agreed to by the First Lien Collateral Agent, and shall remain

subordinated to the Liens in the Collateral securing the First Lien Obligations. The Second Lien Collateral Agent and each Second Lien Secured Party agrees that none of them shall offer to provide, administer or syndicate any DIP Financing to the Borrower or any Guarantor unless (i) the First Lien Obligations (including, without limitation, all post-petition interest, fees and expenses as provided in Section 6.8) would be indefeasibly paid in full in cash with the first proceeds of such financing or (ii) such action is approved by the Required First Lien Lenders.

(b) The Second Lien Collateral Agent and each other Second Lien Secured Party agrees that it will raise no objection to, oppose or contest (or join with or support any third party opposing, objecting to or contesting), and will be deemed to have consented (pursuant to Section 363(f) of the Bankruptcy Code), to a sale, sale process for disposing (including marketing, bid and auction procedures), or other disposition of any Collateral free and clear of its Liens or other claims under Section 363 of the Bankruptcy Code, under a Plan of Reorganization or otherwise if the First Lien Secured Parties have consented to such sale or disposition of such assets; *provided, however,* that in connection with any such sale or other disposition, the Second Lien Collateral Agent may raise any objection solely to preserve its rights in and to any proceeds received from such sale in excess of the First Lien Obligations. The First Lien Secured Parties shall have the unqualified right (which the Second Lien Secured Parties shall not oppose or support any other party in opposing) to credit bid up to the full amount of the applicable outstanding First Lien Obligations (including, for the avoidance of doubt, the full amount of any outstanding DIP Financing provided by the First Lien Secured Parties) in any sale of the Collateral, whether such sale is effectuated through Section 363 or 1129 of the Bankruptcy Code, by a chapter 7 trustee under Section 725 of the Bankruptcy Code, or otherwise. The Second Lien Secured Parties may, unless the Bankruptcy Court for cause orders otherwise, credit bid for and purchase such property and offset the Second Lien Obligations against the purchase price of such property only if the First Lien Obligations (including, without limitation, all interest, fees, premium, expenses and other charges accrued or accruing (or which would, absent commencement of an Insolvency or Liquidation Proceeding, accrue) on or after the commencement of any Insolvency or Liquidation Proceeding at the rate provided for in the relevant First Lien Document, whether or not such interest, fees, premium, expenses or other charges are allowed or allowable in any such Insolvency or Liquidation Proceeding, as provided in Section [6.8]) are indefeasibly repaid in full, in cash, upon the consummation of any such sale or other disposition.

6.2 Relief from the Automatic Stay. Until the Discharge of First Lien Obligations has occurred, the Second Lien Collateral Agent (on behalf of itself and each Second Lien Secured Party) and each Second Lien Secured Party agree that none of them shall file any motion, take any position in any Insolvency or Liquidation Proceeding, or take any other action in respect of the Collateral (including to seek (or support any other Person seeking) any relief from the automatic stay or any other stay in any Insolvency or Liquidation Proceeding in respect of the Collateral, without the prior written consent of the First Lien Collateral Agent (subject to the First Lien Secured Parties' sole discretion), except for (i) filing a proof of claim or statement of interest with respect to the Second Lien Obligations or responsive or defensive pleadings in opposition to any motion or pleading seeking the disallowance of the claims of the Second Lien Secured Parties, to the extent not otherwise in contravention of the terms of this Agreement or (ii) credit bidding to the extent permitted under Section 6.1(b).

6.3 Adequate Protection. The Second Lien Collateral Agent (on behalf of itself and the Second Lien Secured Parties) and each Second Lien Secured Party agree that none of them shall (a) oppose, object to or contest (or join with or support any other Person in opposing, objecting to or contesting) (i) any request by the First Lien Collateral Agent or the other First Lien Secured Parties for adequate protection in any Insolvency or Liquidation Proceeding (or the granting of any such request); or (ii) any objection by the First Lien Collateral Agent or the other First Lien Secured Parties to any motion, relief, action or proceeding based on the First Lien Collateral Agent or the other First Lien Secured Parties claiming a lack of adequate protection; or (b) seek or accept any form of adequate protection

under any of Sections 362, 363 and/or 364 of the Bankruptcy Code or otherwise with respect to the Collateral unless (i) the First Lien Secured Parties are satisfied in their sole discretion with the adequate protection afforded to the First Lien Secured Parties, and (ii) any such adequate protection is in the form of a replacement Lien on the Borrower's and Guarantors' assets, which Lien will be subordinated to the Liens securing the First Lien Obligations (including any replacement Liens granted as adequate protection in respect of the First Lien Obligations), any DIP Financing (and all Obligations relating thereto) and any "carve-out" in respect of professional and United States Trustee fees or otherwise agreed to by the First Lien Collateral Agent. In the event the Second Lien Collateral Agent (on behalf of itself or any of the Second Lien Secured Parties) seeks or requests adequate protection in respect of the Second Lien Obligations and such adequate protection is granted in the form of additional collateral, then the Second Lien Collateral Agent (on behalf of itself or any of the Second Lien Secured Parties) and each Second Lien Secured Party agree that the First Lien Collateral Agent shall also be granted a senior Lien on such additional collateral as security for the First Lien Obligations and for any Cash Collateral use or DIP Financing provided by the First Lien Secured Parties and that any Lien on such additional collateral securing the Second Lien Obligations shall be subordinated to the Lien on such collateral securing the First Lien Obligations and any such DIP Financing provided by the First Lien Secured Parties (and all Obligations relating thereto) and to any other Liens granted to the First Lien Secured Parties as adequate protection. In no event shall any Second Lien Secured Party be entitled to any cash payments (including any payment of interest or principal on account of the Second Lien Obligations) as adequate protection.

6.4 No Waiver by First Lien Secured Parties. Except with respect to any action expressly permitted under Section 6.3, nothing contained herein shall prohibit or in any way limit the First Lien Collateral Agent, any First Lien Secured Debt Representative or any First Lien Secured Party from objecting in any Insolvency or Liquidation Proceeding or otherwise to any action taken by the Second Lien Collateral Agent, any Second Lien Secured Debt Representative or any of the Second Lien Secured Parties, including the seeking by the Second Lien Collateral Agent, any Second Lien Secured Debt Representative or the Second Lien Secured Parties of adequate protection or the asserting by the Second Lien Collateral Agent, any Second Lien Secured Debt Representative or any Second Lien Secured Party of any of its rights and remedies under the Second Lien Documents or otherwise.

6.5 Voting for Plan of Reorganization.

(a) Each of the First Lien Secured Parties and the Second Lien Secured Parties shall be entitled to vote as separate classes with respect to any Plan of Reorganization or arrangement in connection with any Insolvency or Liquidation Proceeding. If, notwithstanding the foregoing, the Bankruptcy Court or any other court of competent jurisdiction determines that the claims of the First Lien Secured Parties and the claims of the Second Lien Secured Parties are to be classified together in a Plan of Reorganization or arrangement in connection with any Insolvency or Liquidation Proceeding, all distributions thereunder shall be made as if there were separate classes of secured claims.

(b) The First Lien Secured Parties and the Second Lien Secured Parties, in each case in such capacity, shall be entitled to vote to accept or reject any Plan of Reorganization in connection with any Insolvency or Liquidation Proceeding so long as such Plan of Reorganization is a Conforming Plan of Reorganization and shall be entitled to vote to reject any such Plan of Reorganization that is a Non-Conforming Plan of Reorganization; *provided* that the Second Lien Collateral Agent and each of the Second Lien Secured Parties agrees that none of the Second Lien Secured Parties, in such capacity, shall be entitled to take any action or vote in any way that supports any Non-Conforming Plan of Reorganization or to object to a Plan of Reorganization to which the requisite holders of First Lien Obligations have consented on the grounds that any sale of Collateral thereunder or pursuant thereto is for inadequate consideration, or that the sale process in respect thereof was inadequate. Without limiting the generality of the foregoing or of the other provisions of this Agreement, any vote to accept, and any other act to support the confirmation or approval of, any Non-Conforming Plan of Reorganization by any

Second Lien Secured Party, in such capacity, shall be inconsistent with and accordingly, a violation of the terms of this Agreement, and the First Lien Collateral Agent shall be entitled (and is hereby authorized by the Second Lien Secured Parties) to have any such vote to accept a Non-Conforming Plan of Reorganization changed and any such support of any such Non-Conforming Plan of Reorganization withdrawn.

6.6 Avoidance Issues. If any First Lien Secured Party is required in any Insolvency or Liquidation Proceeding to disgorge, turn over or otherwise pay to the estate of the Borrower or any Guarantor any amount paid in respect of the First Lien Obligations (a "***First Lien Recovery***"), then the First Lien Obligations shall be reinstated to the extent of such First Lien Recovery and the First Lien Secured Parties shall be entitled to a reinstatement of First Lien Obligations with respect to all such recovered amounts. In such event (a) the Discharge of First Lien Obligations shall be deemed not to have occurred and (b) if this Agreement shall have been terminated prior to such First Lien Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto from such date of reinstatement. Any amounts received by the Second Lien Collateral Agent or any other Second Lien Secured Party on account of the Second Lien Obligations (including as recovery for such Second Lien Secured Party's deficiency claim) after the termination of this Agreement shall, in the event of a reinstatement of this Agreement pursuant to this Section 6.6, be held in trust for and paid over to the First Lien Collateral Agent for the benefit of the First Lien Secured Parties, for application to the reinstated First Lien Obligations. This Section 6.6 shall survive termination of this Agreement.

6.7 Reorganization Securities. Notwithstanding Section 4.2 hereof or any other provision of this Agreement, and regardless of whether a Discharge of First Lien Obligations shall occur in connection with a confirmed Plan of Reorganization, if in any Insolvency or Liquidation Proceeding, debt securities or obligations of the reorganized debtor secured by Liens upon any property of the reorganized debtor are distributed pursuant to such confirmed Plan of Reorganization or similar dispositive restructuring plan, both on account of First Lien Obligations and on account of Second Lien Obligations, then, the Second Lien Secured Parties shall be permitted to receive or retain such debt securities or obligations of the Grantors to be distributed to them under any such confirmed Plan of Reorganization or other dispositive restructuring plan on account of or otherwise by virtue of the Second Lien Collateral (collectively, a "***Plan Distribution***"), so long as (i) any lien granted on the Collateral (or any other assets of the Borrower or any other Grantor) to secure such Plan Distributions to the Second Lien Secured Parties shall be junior in priority to any liens granted on the Collateral to secure any Plan Distribution to the First Lien Secured Parties under any such Plan of Reorganization or other dispositive restructuring plan on account of the First Lien Collateral to the same extent as the Second Lien Collateral is junior in priority to the First Lien Collateral hereunder and such liens shall otherwise be subject to the terms and conditions of this Agreement (or an analogous agreement), (ii) any Plan Distribution received by Second Lien Secured Parties shall not be entitled to receive cash interest (but may accrue interest or contain pay-in-kind interest) and (iii) any Plan Distribution may not be subject to amortization, redemption or other principal or preference paydown, in each case prior to the Discharge of First Lien Obligations (including by way of full payment of any Plan Distribution received by the First Lien Secured Parties) ; *provided* that, absent the Discharge of First Lien Obligations, any Plan Distribution received by a Second Lien Secured Parties under a Plan of Reorganization which the class of First Lien Obligations has voted to reject (and which was implemented despite such rejection), or which does not satisfy the criteria set forth in clauses (i), (ii) and (iii) above, shall be turned over to the First Lien Collateral Agent for application in accordance with Section 4.2.

6.8 Post-Petition Interest. None of the Second Lien Collateral Agent, any Second Lien Secured Debt Representative or any Second Lien Secured Party shall oppose or seek to challenge any claim by the First Lien Collateral Agent, any First Lien Secured Debt Representative or any other

First Lien Secured Party, for allowance in any Insolvency or Liquidation Proceeding of First Lien Obligations consisting of post-petition interest, fees, premium, or expenses. Regardless of whether any such claim for post-petition interest, fees, premium or expenses is allowed or allowable, and without limiting the generality of the other provisions of this Agreement, this Agreement expressly is intended to include and does include the "rule of explicitness" in that this Agreement expressly entitles the First Lien Secured Parties, and is intended to provide the First Lien Secured Parties with the right, to receive payment of all post-petition interest, fees, premium or expenses through distributions made pursuant to the provisions of this Agreement even though such interest, fees, premium and expenses may not be allowed or allowable against the bankruptcy estate of the Borrower or any Guarantor under Section 502(b)(2) or Section 506(b) of the Bankruptcy Code or under any other provision of the Bankruptcy Code or any other Bankruptcy Law.

6.9 Second Lien Waiver. The Second Lien Collateral Agent and each Second Lien Secured Party waives any claim it may hereafter have against any First Lien Secured Party, arising out of the election of any First Lien Secured Party of the application of Section 1111(b)(2) of the Bankruptcy Code, out of any cash collateral or financing (including any DIP Financing) arrangement or out of any grant of a security interest in connection with the Collateral in any Insolvency or Liquidation Proceeding.

6.10 Limitations. So long as the Discharge of First Lien Obligations has not occurred, in any Insolvency or Liquidation Proceeding involving any Borrower or Guarantor, none of the Second Lien Secured Parties (i) shall make (or shall join with or support any third party in making) an election for application to its claims of Section 1111(b)(2) of the Bankruptcy Code, (ii) shall oppose, object to or contest (or shall join with or support any third party in opposing, objecting to or contesting) the determination of the extent of any Liens held by any of the First Lien Secured Parties or the value of any claims of First Lien Secured Parties under Section 506(a) of the Bankruptcy Code, (iii) shall oppose, object to or contest (or shall join with or support any third party in opposing, objecting or contesting) the payment to the First Lien Secured Parties of interest, fees or expenses, or (iv) shall assert (or join with or support any third party in asserting) any claim under Section 506(c) of the Bankruptcy Code senior to or on a parity with the Liens securing the First Lien Obligations for costs and expenses of preserving or disposing of any Collateral.

6.11 Second Lien Secured Party Rights to Collateral. To the extent that the Second Lien Collateral Agent or any Second Lien Secured Party has or acquires rights under Section 363 or Section 364 of the Bankruptcy Code with respect to any of the Collateral, the Second Lien Collateral Agent and each Second Lien Secured Party agrees not to assert any of such rights without the prior written consent of the First Lien Collateral Agent; *provided* that if requested by the First Lien Collateral Agent, the Second Lien Collateral Agent shall timely exercise such rights in the manner requested by the First Lien Collateral Agent, including any rights to payments in respect of such rights.

6.12 Determination of Distributions on Account of Liens on Second Lien Collateral. For the purposes of this Agreement, including for the purposes of Sections 4.2, 3.1(d) and (e), and Section 6, there shall be a presumption that any distribution to or for the benefit of the Second Lien Secured Parties (in their capacity as such) under any Plan of Reorganization for the Borrower or any Guarantor shall be on account of or by virtue of the Second Lien Collateral. The Second Lien Collateral Agent and the Second Lien Secured Parties shall have the burden of rebutting that presumption, and of proving the portion (if any) of any distribution under any Plan of Reorganization to, or for the benefit of, any Second Lien Secured Party (in its capacity as such) that does not consist of proceeds of (or is not otherwise on account of or by virtue of) such Lien on the Collateral, in each case by clear and convincing evidence.

SECTION 7. Collateral Agents.

7.1 Appointment; Authorization. (a) Each of the First Lien Administrative Agent (for itself and on behalf of each First Lien Lender) and each First Lien Commodity Hedge Counterparty hereby irrevocably designates and appoints CLMG as First Lien Collateral Agent under this Agreement and the other First Lien Documents. Each of the Second Lien Administrative Agent (for itself and on behalf of each Second Lien Lender), the Second Lien LC Support Provider, and each Second Lien Commodity Hedge Counterparty hereby irrevocably designates and appoints [Talen Investment Corporation] as Second Lien Collateral Agent under this Agreement and the other Second Lien Documents.

(b) Each of the First Lien Administrative Agent (on behalf of itself and each First Lien Lender), each First Lien Commodity Hedge Counterparty, the Second Lien Administrative Agent (on behalf of itself and each Second Lien Lender), the Second Lien LC Support Provider, and each Second Lien Commodity Hedge Counterparty irrevocably authorize the First Lien Collateral Agent and the Second Lien Collateral Agent, as applicable, to (i) execute, deliver and perform the obligations, if any, of the First Lien Collateral Agent or Second Lien Collateral Agent, as applicable, under this Agreement and each other Financing Document and (ii) take such action on its behalf under the provisions of this Agreement and the other Financing Documents and to exercise such powers and perform such duties as are expressly delegated to such Collateral Agent by the terms of this Agreement and the other Financing Documents, together with such other powers as are reasonably incidental thereto. As to any matters not expressly provided for in the Financing Documents (including, without limitation, enforcement or collection of the obligations of the Secured Parties), no Collateral Agent shall be required to exercise any discretion or take any action but shall be required to act or to refrain from acting (and shall be fully protected in so acting or refraining from acting) upon the written instructions of (subject to Section 9.4) (A) prior to the Discharge of First Lien Obligations, the Required First Lien Secured Parties and (B) after the Discharge of First Lien Obligations but prior to the Discharge of Second Lien Obligations, the Required Second Lien Secured Parties, and such instructions shall be binding upon all First Lien Secured Parties and Second Lien Secured Parties, as applicable; *provided*, *however*, that no Agent shall be required to take any action that exposes such Agent to personal liability or that is contrary to this Agreement or applicable law.

(c) In furtherance of the foregoing, each of the First Lien Administrative Agent (for itself and on behalf of each First Lien Lender), each First Lien Commodity Hedge Counterparty, the Second Lien Administrative Agent (for itself and on behalf of each Second Lien Lender), the Second Lien LC Support Provider and each Second Lien Commodity Hedge Counterparty hereby appoints and authorizes the First Lien Collateral Agent or the Second Lien Collateral Agent, as applicable, to act as its agent for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Secured Obligations owed to such Person, together with such powers and discretion as are reasonably incidental thereto.

7.2 Delegation of Duties. (a) Each Collateral Agent may execute any of its duties under this Agreement and the First Lien Documents and the Second Lien Documents (including for purposes of holding or enforcing any Lien on the Collateral, as applicable, (or any portion thereof) granted under the Collateral Documents or of exercising any rights or remedies thereunder at the direction of such Collateral Agent) by or through agents, employees or attorneys-in-fact and shall be entitled to advice of counsel and other consultants or experts of its choice concerning all matters pertaining to such duties. No Collateral Agent shall be responsible for the negligence or misconduct of any agent or attorney-in-fact selected by it with reasonable care.

(b) Each Collateral Agent may also from time to time, when such Collateral Agent deems it to be necessary or desirable, appoint one or more trustees, co-trustees, collateral co-agents,

collateral subagents or attorneys-in-fact (each, a "***Supplemental Collateral Agent***") with respect to all or any part of the Collateral; *provided, however,* that no such Supplemental Collateral Agent shall be authorized to take any action with respect to any Collateral unless and except to the extent expressly authorized in writing by such Collateral Agent. Should any instrument in writing from the Borrower or any other Loan Party be required by any Supplemental Collateral Agent so appointed by any Collateral Agent to more fully or certainly vest in and confirm to such Supplemental Collateral Agent such rights, powers, privileges and duties, the Borrower shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments promptly upon request by such Collateral Agent. If any Supplemental Collateral Agent, or successor thereto, shall die, become incapable of acting, resign or be removed, all rights, powers, privileges and duties of such Supplemental Collateral Agent, to the extent permitted by law, shall automatically vest in and be exercised by the applicable Collateral Agent until the appointment of a new Supplemental Collateral Agent. No Agent shall be responsible for the negligence or misconduct of any agent, attorney-in-fact or Supplemental Collateral Agent that it selects in accordance with the foregoing provisions of this Section 7.2(b) in the absence of such Collateral Agent's gross negligence or willful misconduct.

(c) Any notice, request or other writing given to any Collateral Agent shall be deemed to have been given to each Supplemental Collateral Agent. Every instrument appointing any Supplemental Collateral Agent shall refer to this Agreement and the conditions of this Section 7.2.

(d) Any Supplemental Collateral Agent may at any time appoint any Collateral Agent as its agent or attorney-in-fact with full power and authority, to the extent not prohibited by law, to do any lawful act under or in respect of this Agreement on its behalf or in its name.

7.3 Exculpatory Provisions. (a) No Collateral Agent nor any of its officers, directors, employees, agents, attorneys-in-fact or affiliates shall be liable for any action taken or omitted to be taken by it or such Person under or in connection with this Agreement or any other Financing Document (except to the extent that any of the foregoing are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from its or such Person's own gross negligence or willful misconduct). Without limitation of the generality of the foregoing, each Collateral Agent: (i) may consult with legal counsel (including counsel for any Loan Party), independent public accountants and other experts selected by it and shall not be liable for any action taken or omitted to be taken in good faith by it in accordance with the advice of such counsel, accountants or experts; (ii) makes no warranty or representation to any Secured Party and shall not be responsible to any Secured Party for any statements, warranties or representations (whether written or oral) made in or in connection with the Financing Documents; (iii) shall not have any duty to ascertain or to inquire as to the performance, observance or satisfaction of any of the terms, covenants or conditions of any Financing Document on the part of any Loan Party or the existence at any time of any Event of Default under the Financing Documents or to inspect the property (including the books and records) of any Loan Party; (iv) shall not be responsible to any Secured Party for the due execution, legality, validity, enforceability, genuineness, sufficiency or value of, or the perfection or priority of any lien or security interest created or purported to be created under or in connection with, any Financing Document or any other instrument or document furnished pursuant thereto; and (v) shall incur no liability under or in respect of any Financing Document by acting upon any notice, consent, certificate or other instrument or writing (which may be by telegram, telecopy or electronic communication) believed by it to be genuine and signed or sent by the proper party or parties. Each of the parties hereto acknowledges and agrees that (A) each Collateral Agent is acting as collateral agent for a separate Lien class and, as provided for herein, may be required to take actions on behalf of that Lien class only and (B) no Collateral Agent shall have any liability to any Person (including any Secured Party) as a result of or arising from an action which it takes hereunder which benefits one class of Lien-holders but not all Secured Parties, unless (and without limiting any other right or protection of the Collateral Agent hereunder) such action violates the terms of this Agreement and is found by a final

and nonappealable decision of a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of such Collateral Agent.

(b) No Collateral Agent shall have any duties or responsibilities except those expressly set forth in this Agreement and no implied duties or covenants shall be read against such Collateral Agent.

(c) No Collateral Agent shall have any obligation to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder.

(d) Beyond the exercise of reasonable care in the custody thereof and as otherwise specifically set forth herein, no Collateral Agent shall have any duty as to any of the Collateral in its possession or control or in the possession or control of any agent or bailee or any income thereon or as to preservation of rights against prior parties or any other rights pertaining thereto and no Collateral Agent shall be responsible for filing any financing or continuation statements or recording any documents or instruments in any public office at any time or times or otherwise perfecting or maintaining the perfection of any security interest in the Collateral. No Collateral Agent shall be liable or responsible for any loss or diminution in the value of any of the Collateral, by reason of the act or omission of any carrier, forwarding agency or other agent or bailee selected by such Collateral Agent in good faith.

(e) In the event that any Collateral Agent is required to acquire title to any Property for any reason, or take any managerial action of any kind in regard thereto, in order to carry out any obligation for the benefit of another, which in such Collateral Agent's sole discretion may cause such Collateral Agent to be considered an "*owner or operator*" under the provisions of CERCLA, or otherwise cause the Collateral Agent to incur liability under CERCLA or any other federal, state or local law, such Collateral Agent reserves the right, instead of taking such action, to either resign as Collateral Agent or arrange for the transfer of the title or control of the asset to a court-appointed receiver. No Collateral Agent shall be liable to the Secured Parties, the Loan Parties or any other Person for any Environmental Actions under any federal, state or local law, rule or regulation by reason of such Collateral Agent's actions and conduct as authorized, empowered and directed hereunder or relating to the discharge, release or threatened release of hazardous materials into the environment. If at any time it is necessary or advisable for any part of a Project to be possessed, owned, operated or managed by any Person (including any Collateral Agent) other than a Loan Party or the Secured Parties, (i) prior to the Discharge of First Lien Obligations, the Required First Lien Secured Parties and (ii) after the Discharge of First Lien Obligations but prior to the Discharge of Second Lien Obligations, the Required Second Lien Secured Parties, shall direct the applicable Collateral Agent to appoint an appropriately qualified Person (excluding any Collateral Agent) who they shall designate to possess, own, operate or manage, as the case may be, such Project.

(f) No Collateral Agent shall be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Required First Lien Secured Parties and/or the Required Second Lien Secured Parties, as the case may be, relating to the time, method and place of conducting any proceeding for any remedy available to such Collateral Agent, or exercising any power conferred upon such Collateral Agent, under this Agreement.

7.4 Reliance by Collateral Agents. Each Collateral Agent shall be entitled to rely, and shall be fully protected in relying, upon any instrument, writing, resolution, notice, consent, certificate, affidavit, letter, telecopy, telex or teletype message, statement, order or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including counsel to the Loan Parties), independent accountants and other experts selected by such Collateral Agent. Each Collateral Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other

Financing Document unless it shall first receive such legal advice or the concurrence of the Required First Lien Secured Parties or the Required Second Lien Secured Parties, as applicable, in accordance with the terms hereof, or it shall first be indemnified or receive security to its satisfaction by the Secured Parties against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. Each Collateral Agent shall be entitled to rely on the First Lien Administrative Agent (for itself and on behalf of each First Lien Lender), each First Lien Commodity Hedge Counterparty, the Second Lien Administrative Agent (for itself and on behalf of each Second Lien Lender), the Second Lien LC Support Provider and each Second Lien Commodity Hedge Counterparty, to indicate whether a Person is a holder of a First Lien Obligation or Second Lien Obligation, as the case may be, of record at any time. Each Collateral Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Financing Documents in accordance with a written request from the First Lien Administrative Agent (for itself and on behalf of each First Lien Lender), each First Lien Commodity Hedge Counterparty, the Second Lien Administrative Agent (for itself and on behalf of each Second Lien Lender), the Second Lien LC Support Provider and each Second Lien Commodity Hedge Counterparty, as the case may be, and such written request and any action taken or failure to act pursuant thereto shall be binding upon all the Secured Parties. The rights, privileges, protections and benefits given to the Collateral Agents including, without limitation, its rights to be indemnified, are extended to, and shall be enforceable by, each such Collateral Agent in each of its capacities hereunder, and to each agent, custodian and other persons employed by such Collateral Agent in accordance herewith to act hereunder.

7.5 Notice of Event of Default. No Collateral Agent shall be deemed to have actual knowledge or notice of the occurrence of any Event of Default unless such Collateral Agent has received written notice from an authorized officer of a Secured Party or a Loan Party referring to this Agreement and the applicable document or documents governing such Event of Default, describing such Event of Default and stating that such notice is a "***Notice of Event of Default***". In the event that such Collateral Agent receives such a written notice, such Collateral Agent shall give notice thereof to the other Secured Parties.

7.6 Non-Reliance on Collateral Agents and Other Secured Parties. (a) Each of the First Lien Administrative Agent (on behalf of itself and each First Lien Lender), each First Lien Commodity Hedge Counterparty, the Second Lien Administrative Agent (for itself and on behalf of each Second Lien Lender), the Second Lien LC Support Provider and each Second Lien Commodity Hedge Counterparty: (i) expressly acknowledge that no Collateral Agent or any of its officers, directors, employees, agents, attorneys-in-fact or affiliates have made any representations or warranties to it and that no act by any Collateral Agent hereinafter taken, including any review of the affairs of the Borrower or any of its Affiliates, shall be deemed to constitute any representation or warranty by such Collateral Agent to any such Person; (ii) represents to each Collateral Agent that it has, independently and without reliance upon any Collateral Agent or any other Secured Party and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Borrower and its Affiliates and made its own decision to extend credit to the Borrower and to enter into the Financing Documents to which it is a party; and (iii) represents that they will, independently and without reliance upon any Collateral Agent or any other Secured Party and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analyses, appraisals and decisions in taking or not taking action under this Agreement and the other Financing Documents, and to make such investigation as its deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Borrower and its Affiliates.

(b) Except for notices, reports and other documents expressly required to be furnished to the Secured Parties by the Collateral Agents hereunder, no Collateral Agent shall have any duty or responsibility to provide any Secured Party with any credit or other information concerning the

business, operations, property, condition (financial or otherwise), prospects or creditworthiness of the Borrower or its Affiliates that may come into the possession of such Collateral Agent or any of its officers, directors, employees, agents, attorneys-in-fact or Affiliates.

7.7 Collateral Agents in Individual Capacity. With respect to Obligations made or renewed by it or any of its Affiliates, the First Lien Collateral Agent, the Second Lien Collateral Agent and such Affiliates shall have the same rights and powers under this Agreement and the other First Lien Documents and Second Lien Documents as any First Lien Secured Party or Second Lien Secured Party, if applicable, and may exercise the same as though it were not a Collateral Agent, and the terms "*Secured Party*", "*First Lien Secured Party*" or "*Second Lien Secured Party*" shall (to the extent applicable) include each such Person in its individual capacity. The Collateral Agents and their respective Affiliates may accept deposits from, lend money to, act as trustee under indentures of, accept investment banking engagements from and generally engage in any kind of business with, any Loan Party, any of its Subsidiaries and any Person that may do business with or own securities of any Loan Party or any such Subsidiary, all as if the Collateral Agents were not Agents and without any duty to account therefor to the Secured Parties

7.8 Successor Collateral Agents. Each Person acting in such capacity may resign as a First Lien Collateral Agent or Second Lien Collateral Agent, as the case may be, upon 30 days' notice to each other Secured Party party hereto and the Borrower. If the First Lien Collateral Agent resigns, the First Lien Collateral Agent shall appoint a successor collateral agent at the direction of the Required First Lien Secured Parties in consultation with the Borrower, whereupon such successor collateral agent shall succeed to the rights, powers and duties of the First Lien Collateral Agent, and the term "*First Lien Collateral Agent*" shall mean such successor collateral agent effective upon such appointment, and the resigning Collateral Agent's rights, powers and duties as First Lien Collateral Agent shall be terminated, without any other or further act or deed on the part of the resigning Collateral Agent or any of the parties to this Agreement or any Secured Party. If the Second Lien Collateral Agent resigns, the Second Lien Collateral Agent shall appoint a successor agent at the direction of the Required Second Lien Secured Parties in consultation with the Borrower, whereupon such successor agent shall succeed to the rights, powers and duties of the Second Lien Collateral Agent, and the term "*Second Lien Collateral Agent*" shall mean such successor collateral agent effective upon such appointment and approval and the resigning Collateral Agent's rights, powers and duties as Second Lien Collateral Agent shall be terminated without any other or further act or deed on the part of the resigning Collateral Agent or any of the parties to this Agreement or any Secured Party. If no successor collateral agent has accepted appointment as First Lien Collateral Agent or Second Lien Collateral Agent, as applicable, by the date that is 30 days following the resigning Collateral Agent's notice of resignation, such resignation shall nevertheless thereupon become effective and (a) in the case of the resignation of the First Lien Collateral Agent, the First Lien Secured Parties shall assume and perform all of the duties of the First Lien Collateral Agent hereunder until such time, if any, as the Required First Lien Secured Parties appoint a successor collateral agent as contemplated above and (b) in the case of the resignation of the Second Lien Collateral Agent, the Second Lien Secured Parties shall assume and perform all of the duties of the Second Lien Collateral Agent hereunder until such time, if any, as the Required Second Lien Secured Parties appoint a successor collateral agent as contemplated above. After any Person's resignation as a Collateral Agent, the provisions of this Section 7 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was a Collateral Agent under this Agreement and the other Financing Documents.

7.10 Indemnification. (a) Each Loan Party hereto, agrees to indemnify, defend and save and hold harmless each Indemnified Person from and against, and shall pay on demand, any and all claims, damages, losses, liabilities and expenses (including, without limitation, reasonable fees and expenses of counsel) which may be imposed on, incurred by or asserted or awarded against any Indemnified Person, in each case arising out of or in connection with or by reason of any investigation, litigation or proceeding or preparation of a defense in connection with, arising from or regarding: (i) the Financing Documents, the actual or proposed use of the proceeds of the First Lien Loans, the First Lien Letters of Credit, the Second Lien Letters of Credit or the Second Lien Loans issued under the Second Lien Credit Agreement or any of the transactions contemplated thereby or (ii) the actual or alleged presence of Hazardous Materials on any property of any Loan Party or any of its Subsidiaries or any Environmental Action relating in any way to any Loan Party, except to the extent such claim, damage, loss, liability or expense is found in a final, non-appealable judgment by a court of competent jurisdiction to have resulted from such Indemnified Person's gross negligence or willful misconduct. Each Loan Party also agrees not to assert any claim against any Agent, any Secured Party or any of their Affiliates, or any of their respective officers, directors, employees, agents and advisors, on any theory of liability, for special, indirect, consequential or punitive damages arising out of or otherwise relating to the Financing Documents, the actual or proposed use of the proceeds of the First Lien Loans, First Lien Letters of Credit, the Second Lien Letters of Credit or the Second Lien Loans or any of the transactions contemplated by the Financing Documents (except in the case of gross negligence or willful misconduct).

(b) Each Loan Party agrees to pay on demand (i) all reasonable and duly documented costs and expenses of each Collateral Agent in connection with the preparation, execution, delivery, administration, modification and amendment of, or any consent or waiver under, this Agreement and the other Collateral Documents (including, without limitation, the reasonable fees and expenses of counsel for such Collateral Agent) and (ii) all reasonable and duly documented costs and expenses of each Collateral Agent in connection with the enforcement of the Collateral Documents, whether in any action, suit or litigation, or any bankruptcy, insolvency or other similar proceeding affecting creditors' rights generally (including, without limitation, the reasonable fees and expenses of counsel for such Collateral Agent). All amounts due under Section 7.10(a) shall be payable not later than 30 days after written demand therefor.

(c) To the extent that the undertakings to defend, indemnify, pay and hold harmless set forth in Section 7.10(a) may be unenforceable in whole or in part because they are violative of any law or public policy, each Loan Party (without duplication) shall contribute the maximum portion that it is permitted to pay and satisfy under applicable law to the payment and satisfaction of all indemnified liabilities incurred pursuant to Section 7.10(a) by any Indemnified Person.

(d) (i) Each First Lien Lender (through the First Lien Administrative Agent) and each First Lien Commodity Hedge Counterparty severally agrees to indemnify the First Lien Collateral Agent (to the extent not promptly reimbursed by the Loan Parties) from and against such Person's ratable share (calculated on the basis of the First Lien Obligations held by each such Person and in the case of any First Lien Commodity Hedge Counterparty on the basis of its then applicable Permitted First Lien Hedge Amount) of any and all claims, damages, losses, liabilities and expenses of any kind or nature whatsoever that may be imposed on, incurred by, or asserted against such First Lien Collateral Agent in any relating to or arising out of the First Lien Collateral Documents or any action taken or omitted by the First Lien Collateral Agent under the First Lien Documents (collectively, the "***First Lien Indemnified Costs***"); *provided, however*, that no First Lien Secured Party shall be liable to the First Lien Collateral Agent for any portion of any such First Lien Indemnified Costs resulting from the First Lien Collateral Agent's gross negligence or willful misconduct as found in a final, non-appealable judgment by a court of

competent jurisdiction. Without limitation of the foregoing, each First Lien Lender (through the First Lien Administrative Agent) and each First Lien Commodity Hedge Counterparty agrees to reimburse the First Lien Collateral Agent promptly upon demand for its ratable share of any costs and expenses (including, without, limitation, of counsel) payable by the Loan Parties pursuant to Section 7.10(a) above, to the extent that the First Lien Collateral Agent is not promptly reimbursed for such costs and expenses by the Loan Parties. In the case of any investigation, litigation or proceeding giving rise to any Indemnified Costs, this Section 7.10(d)(i) applies whether any such investigation, litigation or proceeding is brought by any Secured Party or any other Person.

(ii) Each Second Lien Lender (through the Second Lien Administrative Agent), the Second Lien LC Support Provider and each Second Lien Commodity Hedge Counterparty severally agrees to indemnify the Second Lien Collateral Agent (to the extent not promptly reimbursed by the Loan Parties) from and against such Person's ratable share (calculated on the basis of the Second Lien Obligations held by each such Person and in the case of any Second Lien Commodity Hedge Counterparty on the basis of its then applicable Permitted Second Lien Hedge Amount) of any and all claims, damages, losses, liabilities and expenses of any kind or nature whatsoever that may be imposed on, incurred by, or asserted against the Second Lien Collateral Agent in any relating to or arising out of the Second Lien Collateral Documents or any action taken or omitted by the Second Lien Collateral Agent under the Second Lien Collateral Documents (collectively, the "***Second Lien Indemnified Costs***"); *provided*, *however*, that no Second Lien Secured Party shall be liable to the Second Lien Collateral Agent for any portion of any such Second Lien Indemnified Costs resulting from the Second Lien Collateral Agent's gross negligence or willful misconduct as found in a final, non-appealable judgment by a court of competent jurisdiction. Without limitation of the foregoing, each Second Lien Secured Party agrees to reimburse the Second Lien Collateral Agent promptly upon demand for its ratable share of any costs and expenses (including, without, limitation, of counsel) payable by the Loan Parties pursuant to Section 7.10(a) above, to the extent that such Second Lien Collateral Agent is not promptly reimbursed for such costs and expenses by the Loan Parties. In the case of any investigation, litigation or proceeding giving rise to any Second Lien Indemnified Costs, this Section 7.10(d)(ii) applies whether any such investigation, litigation or proceeding is brought by any Secured Party or any other Person.

(e) The agreements in this Section 7.10 shall survive termination of this Agreement.

7.11 Judgment Currency. All payments made to any Collateral Agent under this Agreement shall be made in Dollars. If for the purposes of obtaining judgment in any court it is necessary to convert a sum due in Dollars into another currency, the parties hereto agree, to the fullest extent that they may legally and effectively do so, that the rate of exchange used shall be that at which in accordance with normal banking procedures (based on quotations from four major dealers in the relevant market) the Collateral Agent could purchase Dollars with such currency at or about 11:00 a.m. (New York City time) on the Business Day preceding that on which final judgment is given. The obligations in respect of any sum due to any other party hereunder shall, to the extent permitted by applicable law notwithstanding any judgment expressed in a currency other than Dollars, be discharged only to the extent that on the Business Day following receipt by such party of any sum adjudged to be so due in such other currency such Person may in accordance with normal banking procedures purchase Dollars with such other currency. If the amount of Dollars so purchased is less than the sum originally due to such Person, the Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify such Person against such resulting loss; and if the amount of Dollars so purchased exceeds the sum originally due to such Person, such Person agrees to remit such excess to the Borrower.

7.12 No Risk of Funds. None of the provisions of this Agreement or the other Financing Documents shall be construed to require any Collateral Agent in its individual capacity to expend or risk its own funds or otherwise to incur any personal financial liability in the performance of any of its duties hereunder or thereunder.

SECTION 8. Reliance; Waivers; Etc.

8.1 Reliance. Other than any reliance on the terms of this Agreement, each of the First Lien Collateral Agent (on behalf of itself and the First Lien Secured Parties), the First Lien Administrative Agent (on behalf of itself and each First Lien Lender) and the First Lien Commodity Hedge Counterparties acknowledges that it and each other First Lien Secured Party has, independently and without reliance on the Second Lien Collateral Agent, the Second Lien Administrative Agent, the Second Lien LC Support Provider, any Second Lien Commodity Hedge Counterparty or any other Second Lien Secured Party and based on documents and information deemed by it appropriate, made its own credit analysis and decision to enter into each First Lien Document to which it is a party and be bound by the terms of this Agreement and it will continue to make its own credit decision in taking or not taking any action under this Agreement or any other First Lien Document. Each of the Second Lien Collateral Agent (on behalf of itself and the Second Lien Secured Parties), the Second Lien Administrative Agent (on behalf of itself and each Second Lien Lender), the Second Lien LC Support Provider and the Second Lien Commodity Hedge Counterparties acknowledges that it and each other Second Lien Secured Party has independently and without reliance on the First Lien Collateral Agent, the First Lien Administrative Agent, any First Lien Commodity Hedge Counterparty or any other First Lien Secured Party, and based on documents and information deemed by it appropriate, made its own credit analysis and decision to enter into each Second Lien Document to which it is a party and be bound by the terms of this Agreement and it will continue to make its own credit decision in taking or not taking any action under this Agreement or any other Second Lien Document.

8.2 No Warranties or Liability. (a) The First Lien Collateral Agent (on behalf of the First Lien Secured Parties), the First Lien Administrative Agent (on behalf of itself and each First Lien Lender) and each First Lien Commodity Hedge Counterparty acknowledge and agree that none of the Second Lien Collateral Agent or the Second Lien Secured Parties has made any express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectibility or enforceability of any of the Second Lien Documents, the ownership of any Collateral or the perfection or priority of any Liens thereon. Except as otherwise expressly provided herein, the First Lien Secured Parties will be entitled to manage and supervise their respective loans and extensions of credit under the First Lien Documents in accordance with law and as they may otherwise, in their sole discretion, deem appropriate.

(b) Except as otherwise provided herein, the Second Lien Collateral Agent (on behalf of itself and the Second Lien Secured Parties), the Second Lien Administrative Agent (on behalf of itself and each Second Lien Lender), the Second Lien LC Support Provider and each Second Lien Commodity Hedge Counterparty acknowledge and agree that none of the First Lien Collateral Agent, the First Lien Administrative Agent or the First Lien Secured Parties has made any express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectibility or enforceability of any of the First Lien Documents, the ownership of any Collateral or the perfection or priority of any Liens thereon. Except as otherwise expressly provided herein, the Second Lien Secured Parties will be entitled to manage and supervise their respective loans and extensions of credit under the Second Lien Documents in accordance with law and as it may otherwise, in its sole discretion, deem appropriate.

(c) None of the Second Lien Collateral Agent, the Second Lien Administrative Agent, the Second Lien LC Support Provider or any other Second Lien Secured Party shall have any duty to the First Lien Collateral Agent, the First Lien Administrative Agent or any other First Lien Secured Party, and none of the First Lien Collateral Agent, the First Lien Administrative Agent or any other First Lien Secured Party shall have any duty to the Second Lien Collateral Agent, the Second Lien Administrative Agent, the Second Lien LC Support Provider or any other Second Lien Secured Party, to act or refrain from acting in a manner which allows, or results in, the occurrence or continuance of an

event of default or default under any agreements with the Borrower or any other Guarantor (including the First Lien Documents and the Second Lien Documents), regardless of any knowledge thereof which they may have or be charged with.

8.3 No Waiver of Lien Priorities. (a) No right of the First Lien Secured Parties, the First Lien Collateral Agent, any First Lien Secured Debt Representative or any of them to enforce any provision of this Agreement or any First Lien Document shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of the Borrower or any Guarantor or by any act or failure to act by any First Lien Secured Party, the First Lien Collateral Agent or any First Lien Secured Debt Representative, or by any noncompliance by any Person with the terms, provisions and covenants of this Agreement, any First Lien Document or any Second Lien Document, regardless of any knowledge thereof which the First Lien Collateral Agent, any First Lien Secured Debt Representative or any First Lien Secured Party, or any of them, may have or be otherwise charged with.

(b) Without in any way limiting the generality of the foregoing paragraph (but subject to the rights of the Borrower and the Guarantors under the First Lien Documents and subject to the provisions of Section 5.4), the First Lien Secured Parties, the First Lien Collateral Agent, the First Lien Secured Debt Representatives and any of them may, at any time and from time to time in accordance with the First Lien Documents to which such Person is a party and/or applicable law, without the consent of or notice to the Second Lien Collateral Agent or any Second Lien Secured Parties, without incurring any liabilities to the Second Lien Collateral Agent or any Second Lien Secured Parties and without impairing or releasing the Lien priorities and other benefits provided in this Agreement (even if any right of subrogation or other right or remedy of the Second Lien Collateral Agent or any Second Lien Secured Parties is affected, impaired or extinguished thereby) do any one or more of the following:

(i) change the manner, place or terms of payment, change or extend the time of payment of or amend, renew, exchange, increase or alter the terms of any of the First Lien Obligations or any Lien on any First Lien Collateral or any First Lien Guaranty or any liability of the Borrower or any Guarantor, or any liability incurred directly or indirectly in respect thereof (including any increase in or extension of the First Lien Obligations, without any restriction as to the tenor or terms of any such increase or extension) or otherwise amend, renew, exchange, extend, modify or supplement in any manner any Liens held by the First Lien Collateral Agent or any of the First Lien Secured Parties, the First Lien Obligations or any of the First Lien Documents;

(ii) sell, exchange, release, surrender, realize upon, enforce or otherwise deal with in any manner and in any order any part of the First Lien Collateral or any liability of the Borrower or any Guarantor to the First Lien Secured Parties, the First Lien Secured Debt Representatives or the First Lien Collateral Agent or any liability incurred directly or indirectly in respect thereof;

(iii) settle or compromise any First Lien Obligation or any other liability of the Borrower or any Guarantor or any security therefor or any liability incurred directly or indirectly in respect thereof and apply any sums by whomsoever paid and however realized to any liability (including the First Lien Obligations) in any manner or order; and

(iv) exercise or delay in or refrain from exercising any right or remedy against the Borrower or any security or any Guarantor or any other Person, elect any remedy and otherwise deal freely with the Borrower, any Guarantor or any First Lien Collateral and any security and any guarantor or any liability of the Borrower or any Guarantor to the First Lien Secured Parties or any liability incurred directly or indirectly in respect thereof.

(c) Except as otherwise provided herein, each of the Second Lien Collateral Agent (on behalf of itself and the Second Lien Secured Parties) and the Second Lien Secured Parties agrees that

none of the First Lien Secured Parties, the First Lien Collateral Agent or the First Lien Administrative Agent shall have any liability to the Second Lien Collateral Agent or any Second Lien Secured Party, and the Second Lien Collateral Agent (on behalf of itself and the Second Lien Secured Parties) and each Second Lien Secured Party hereby waives any claim against any First Lien Secured Party, the First Lien Collateral Agent or any First Lien Secured Debt Representative arising out of any and all actions which the First Lien Secured Parties or the First Lien Collateral Agent may take or permit or omit to take with respect to:

(i) the First Lien Documents (other than this Agreement);

(ii) the collection of the First Lien Obligations; or

(iii) the foreclosure upon, or sale, liquidation or other disposition sale of, or the failure to foreclose upon, or sell, liquidate or otherwise dispose of, the First Lien Collateral.

The Second Lien Collateral Agent (on behalf of itself and the Second Lien Secured Parties) and each Second Lien Secured Party agree that none of the First Lien Secured Parties, the First Lien Collateral Agent or any First Lien Secured Debt Representative has any duty to them in respect of the maintenance or preservation of the Collateral, the First Lien Obligations or otherwise.

(d) Until the Discharge of First Lien Obligations, the Second Lien Collateral Agent (on behalf of itself and the Second Lien Secured Parties) and each Second Lien Secured Party agree not to assert and hereby waive, to the fullest extent permitted by law, any right to demand, request, plead or otherwise assert, or otherwise claim the benefit of, any marshalling, appraisal, valuation or other similar right that may otherwise be available under applicable law with respect to the Collateral or any other similar rights a junior secured creditor may have under applicable law.

8.4 Obligations Unconditional. All rights, interests, agreements and obligations of each of the First Lien Collateral Agent, the First Lien Secured Debt Representatives and the First Lien Secured Parties and the Second Lien Collateral Agent, the Second Lien Secured Debt Representatives and the Second Lien Secured Parties, respectively, hereunder shall remain in full force and effect irrespective of:

(a) any lack of validity or enforceability of any First Lien Documents or any Second Lien Documents;

(b) except as otherwise expressly set forth in this Agreement, any change in the time, manner or place of payment of, or in any other terms of, all or any of the First Lien Obligations or Second Lien Obligations or any amendment or waiver or other modification, including any increase in the amount thereof, whether by course of conduct or otherwise, of the terms of any First Lien Document or any Second Lien Document;

(c) except as otherwise expressly set forth in this Agreement, any exchange of any security interest in any Collateral or any other collateral, or any amendment, waiver or other modification, whether in writing or by course of conduct or otherwise, of all or any of the First Lien Obligations or Second Lien Obligations or any guarantee thereof;

(d) the commencement of any Insolvency or Liquidation Proceeding in respect of the Borrower or any other Loan Party; or

(e) any other circumstances that otherwise might constitute a defense available to, or a discharge of, the Borrower or any other Loan Party in respect of the First Lien Collateral Agent, the First Lien Obligations, any First Lien Secured Party, the Second Lien Collateral Agent, the Second Lien Obligations or any Second Lien Secured Party in respect of this Agreement.

SECTION 9. Miscellaneous.

9.1 Conflicts. In the event of any conflict between the provisions of this Agreement and the provisions of any other Financing Document, the provisions of this Agreement shall govern and control.

9.2 Effectiveness; Continuing Nature of this Agreement; Severability. (a) This Agreement shall become effective when executed and delivered by each of the parties hereto. This is a continuing agreement of lien subordination and the First Lien Secured Parties may continue, at any time and without notice to the Second Lien Collateral Agent, any Second Lien Secured Debt Representative or any other Second Lien Secured Party, to extend credit and other financial accommodations and lend monies to or for the benefit of the Borrower or any Guarantor constituting First Lien Obligations in reliance hereof.

(b) Each of the Second Lien Collateral Agent (on behalf of itself and each Second Lien Secured Party) and the Second Lien Secured Parties hereby waives any rights it may have under applicable law to revoke this Agreement or any of the provisions of this Agreement. The terms of this Agreement shall survive, and shall continue in full force and effect, in any Insolvency or Liquidation Proceeding.

(c) Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall not invalidate the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. All references to any Loan Party shall include such Loan Party as debtor and debtor-in-possession and any receiver or trustee for such Loan Party in any Insolvency or Liquidation Proceeding.

(d) This Agreement shall terminate and be of no further force and effect:

(i) with respect to the First Lien Collateral Agent, the First Lien Administrative Agent, the other First Lien Secured Parties and the First Lien Obligations, on the date of Discharge of First Lien Obligations, subject to the rights of the First Lien Collateral Agent, the First Lien Administrative Agent and the First Lien Secured Parties under Sections 5.5 and 6.6; and

(ii) with respect to the Second Lien Collateral Agent, the other Second Lien Secured Parties and the Second Lien Obligations, on the Discharge of Second Lien Obligations.

9.3 Amendments; Waivers. (a) Subject to Sections 5.11 and 9.3(c), no amendment, modification or waiver of any of the provisions of this Agreement by any Agent or Secured Debt Representative shall be deemed to be made unless the same shall be in writing signed on behalf of each party hereto or its authorized agent and each waiver, if any, shall be a waiver only with respect to the specific instance involved and shall in no way impair the rights of the parties making such waiver or the obligations of the other parties to such party in any other respect or at any other time.

(b) Notwithstanding Section 9.3(a), neither the Borrower nor any Guarantor shall have any right to consent to or approve any amendment, modification or waiver of any provision of this Agreement except: (i) with respect to the amendment or modification of or waiver with respect to (A) Section 4.1, (B) the definitions of any of the terms defined in this Agreement, or (C) any provisions hereof that would have the effect of reducing the level of Secured Parties required to instruct a Collateral Agent to exercise remedies against the Collateral or (ii) to the extent its rights are directly affected (which includes, but is not limited to any amendment to the Borrower's or any Guarantor's ability to cause additional obligations to constitute First Lien Obligations or Second Lien Obligations as the Borrower or any Guarantor may designate).

(c) Notwithstanding the other provisions of this Section 9.3, the Borrower, the Guarantors and the Collateral Agents may (but shall have no obligation to) amend or supplement this Agreement or the Collateral Documents without the consent of any other Secured Party: (i) to cure any ambiguity, defect or inconsistency; (ii) to make any change that would provide any additional rights or benefits to the Secured Parties; or (iii) to make, complete or confirm any grant of Collateral permitted or required by this Agreement or any of the Collateral Documents or any release of any Collateral that is otherwise permitted under the terms of this Agreement and the Financing Documents.

9.4 Voting. (a) Without limiting anything contained herein and other than ministerial and administrative acts contemplated by the Collateral Documents to which it is a party, until the Discharge of First Lien Obligations, the First Lien Collateral Agent shall not take any action (including the exercise of remedies, the amendment of Collateral Documents or the granting of waivers under such Collateral Documents) or grant its consent under any Collateral Documents, unless and to the extent directed to do so by the Required First Lien Secured Parties. If the First Lien Collateral Agent determines that discretion is needed in the taking of any action, it may refrain from taking such action until such directions or instructions are received and shall have no liability to the Secured Parties for so refraining.

(b) Without limiting anything contained herein and other than ministerial and administrative acts contemplated by the Collateral Documents to which it is a party, the Second Lien Collateral Agent shall not take any action (including the exercise of remedies, the amendment of Collateral Documents or the granting of waivers under such Collateral Documents) or grant its consent under any Collateral Documents, unless and to the extent directed to do so by the Required Second Lien Secured Parties. If the Second Lien Collateral Agent determines that discretion is needed in the taking of any action, it may refrain from taking such action until such directions or instructions are received and shall have no liability to the Secured Parties for so refraining.

(c) In connection with any act or decision by the Required First Lien Secured Parties, Required First Lien Lenders or Required Second Lien Secured Parties under this Agreement or any of the Collateral Documents, (i) the vote of each First Lien Lender shall be calculated based on the amount of the Outstanding Amount owed to such First Lien Lender at the time the applicable matter is presented for a vote, (ii) the vote of each First Lien Commodity Hedge Counterparty shall be calculated based on the Eligible Hedge Amount owed to such First Lien Commodity Hedge Counterparty under the First Lien Commodity Hedge and Power Sale Agreement to which it is a party at the time the applicable matter is presented for a vote, (iii) the vote of each Second Lien Lender shall be calculated based on the amount of the Outstanding Amount owed to such Second Lien Lender at the time the applicable matter is presented for a vote, (iv) the vote of the Second Lien LC Support Provider shall be calculated based on the Outstanding Amount under the Second Lien LC Support Agreement at such time, and (v) the vote of each Second Lien Commodity Hedge Counterparty shall be calculated based on the amount Eligible Hedge Amount owed to such Second Lien Commodity Hedge Counterparty under the Second Lien Commodity Hedge and Power Sale Agreement to which it is a party at the time the applicable matter is presented for a vote. The votes of the First Lien Lenders shall be aggregated and cast as a single block by the First Lien Administrative Agent. The votes of the Second Lien Lenders shall be aggregated and cast as a single block by the Second Lien Administrative Agent. The votes of the First Lien Secured Parties and the Second Lien Secured Parties under this Section 9.4 are also subject to the provisions of Section 5.4.

9.5 Information Concerning Financial Condition of the Borrower and its Subsidiaries. The First Lien Administrative Agent and the other First Lien Secured Parties, on the one hand, and the Second Lien Administrative Agent, the Second Lien LC Support Provider and the other Second Lien Secured Parties, on the other hand, shall each be responsible for keeping themselves informed of (a) the financial condition of the Borrower and its Subsidiaries and all endorsers and/or

guarantors of the First Lien Obligations or the Second Lien Obligations and (b) all other circumstances bearing upon the risk of nonpayment of the First Lien Obligations or the Second Lien Obligations. No Agent or Secured Party shall have any duty to advise any other Agent or Secured Party of information known to it or them regarding such condition or any such circumstances or otherwise. In the event that any Agent or Secured Party, in its or their sole discretion, undertakes at any time or from time to time to provide any such information to any other Agent or Secured Party, it or they shall be under no obligation:

(a) to make, and the Agents and the Secured Parties shall not make, any express or implied representation or warranty, including with respect to the accuracy, completeness, truthfulness or validity of any such information so provided;

(b) to provide any additional information or to provide any such information on any subsequent occasion;

(c) to undertake any investigation; or

(d) to disclose any information, which pursuant to accepted or reasonable commercial finance practices, such party wishes to maintain confidential or is otherwise required to maintain confidential.

9.6 Subrogation. With respect to the value of any payments or distributions in Cash or other Property that the Second Lien Collateral Agent (on behalf of the Second Lien Secured Parties) or any Second Lien Secured Party pays over to the First Lien Collateral Agent (on behalf of the First Lien Secured Parties) or any First Lien Secured Party under the terms of this Agreement, the Second Lien Collateral Agent (on behalf of the Second Lien Secured Parties) or such Second Lien Secured Party, as the case may be, shall be subrogated to the rights of the First Lien Collateral Agent (on behalf of the First Lien Secured Parties) and the First Lien Secured Parties; *provided* that the Second Lien Collateral Agent (on behalf of itself and each Second Lien Secured Party) and each other Second Lien Secured Party hereby agrees not to assert or enforce all such rights of subrogation it or they may acquire as a result of any payment hereunder until the Discharge of First Lien Obligations has occurred. The Borrower and each Guarantor acknowledges and agrees that the value of any payments or distributions in Cash or other Property received by the Second Lien Collateral Agent (on behalf of the Second Lien Secured Parties) or the Second Lien Secured Parties that are paid over to the First Lien Collateral Agent (on behalf of the First Lien Secured Parties) or the First Lien Secured Parties pursuant to this Agreement shall not reduce any of the Second Lien Obligations.

9.7 Application of Payments. All payments received by the First Lien Collateral Agent (on behalf of the First Lien Secured Parties) or any First Lien Secured Party may be applied, reversed and reapplied, in whole or in part, to such part of the First Lien Obligations as provided for in this Agreement and the other First Lien Documents. The Second Lien Collateral Agent (on behalf of itself and each of the Second Lien Secured Parties) and each other Second Lien Secured Party assents to any extension or postponement of the time of payment of the First Lien Obligations or any part thereof and to any other indulgence with respect thereto, to any substitution, exchange or release of any Collateral which may at any time secure any part of the First Lien Obligations and to the addition or release of any other Person primarily or secondarily liable therefor.

9.8 Jurisdiction, Etc. (a) Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of any New York State court or Federal court of the United States of America sitting in New York City, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or any of the other Financing Documents to which it is a party, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in any such New York State court or, to the

fullest extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that any party may otherwise have to bring any action or proceeding relating to this Agreement or any of the other Financing Documents in the courts of any jurisdiction.

(b) Each of the parties hereto irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any of the other Financing Documents to which it is a party in any New York State or Federal court. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

All notices to the Second Lien Secured Parties and the First Lien Secured Parties permitted or required under this Agreement shall also be sent to the Second Lien Collateral Agent and each Second Lien Secured Debt Representative, and the First Lien Collateral Agent and each First Lien Secured Debt Representative, respectively. Unless otherwise specifically provided herein, any notice hereunder shall be in writing (including telegraphic, telecopy or electronic communication) and mailed, telegraphed, telecopied, e-mailed or otherwise delivered. All such notices and other communications shall, when mailed, telegraphed, telecopied or e-mailed, be effective when deposited in the mails, delivered to the telegraph company, transmitted by telecopier or sent by electronic communication, respectively, except that notices and other communications to the Collateral Agents shall not be effective until received by the applicable Collateral Agent. For the purposes hereof, the addresses of the parties hereto shall be as set forth on Annex I hereto, or, as to each party, at such other address as may be designated by such party in a written notice to all of the other parties.

9.10 Further Assurances. The First Lien Collateral Agent (on behalf of the First Lien Secured Parties under the First Lien Documents), the First Lien Administrative Agent (on behalf of itself and the First Lien Lenders under the First Lien Loan Documents), each First Lien Commodity Hedge Counterparty, the Second Lien Collateral Agent (on behalf of the Second Lien Secured Parties under the Second Lien Documents), the Second Lien Administrative Agent (on behalf of itself and the Second Lien Lenders under the Second Lien Loan Documents), the Second Lien LC Support Provider, each Second Lien Commodity Hedge Counterparty, the Borrower and each Guarantor, agree that each of them shall take such further action and shall execute and deliver such additional documents and instruments (in recordable form, if requested) as the First Lien Collateral Agent or the Second Lien Collateral Agent may reasonably request to effectuate the terms of and the Lien priorities contemplated by this Agreement.

9.11 Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

9.12 Binding on Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the First Lien Collateral Agent, the First Lien Secured Parties, the Second Lien Collateral Agent, the Second Lien Secured Parties and their respective successors and assigns.

9.13 Specific Performance. The First Lien Collateral Agent (on behalf of itself and the First Lien Secured Parties under the First Lien Documents), the First Lien Administrative Agent (on behalf of itself and the First Lien Lenders under the First Lien Loan Documents), each First Lien Commodity Hedge Counterparty, the Second Lien Collateral Agent (on behalf of the Second Lien Secured Parties under the Second Lien Documents), the Second Lien Administrative Agent (on behalf of itself and the First Lien Lender under the Second Lien Loan Documents), the Second Lien LC Support Provider and each Second Lien

Commodity Hedge Counterparty hereby irrevocably waive any defense based on the adequacy of a remedy at law and any other defense which might be asserted to bar the remedy of specific performance in any action which may be brought by the First Lien Collateral Agent or the First Lien Secured Parties or the Second Lien Collateral Agent or the Second Lien Secured Parties, as the case may be.

9.14 Headings. Section headings in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose or be given any substantive effect.

9.15 Execution in Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery by telecopier or e-mail of an executed counterpart of a signature page to this Agreement shall be effective as delivery of an original executed counterpart of this Agreement.

9.16 Authorization. By its signature, each Person executing this Agreement on behalf of a party hereto represents and warrants to the other parties hereto that it is duly authorized to execute this Agreement.

9.17 No Third Party Beneficiaries. This Agreement and the rights and benefits hereof shall inure to the benefit of each of the parties hereto and its respective successors and assigns and shall inure to the benefit of each of the First Lien Secured Parties and the Second Lien Secured Parties. Nothing in this Agreement shall impair, as between the Borrower and the other Loan Parties and the First Lien Collateral Agent and the First Lien Secured Parties, or as between the Borrower and the other Loan Parties and the Second Lien Collateral Agent and the Second Lien Secured Parties, the obligations of the Borrower and the other Loan Parties to pay principal, interest, fees and other amounts as provided in the First Lien Documents and the Second Lien Documents, respectively.

9.18 Provisions Solely to Define Relative Rights. The provisions of this Agreement are and are intended solely for the purpose of defining the relative rights of the First Lien Collateral Agent and the First Lien Secured Parties and the Second Lien Collateral Agent and the Second Lien Secured Parties, respectively. None of the Borrower, any other Loan Party or any other creditor thereof shall have any rights hereunder, and neither the Borrower nor any other Loan Party may rely on the terms hereof, other than, in each case, the provisions of Sections 4.1, 5.1, 5.3, 5.4, 5.8, 5.10, 6.1, 9.3, 9.4 and 9.16 (and the related definitions) hereof. The parties agree that any such Replacement Letter of Credit shall be deemed to be a Second Lien Letter of Credit from the date of delivery under the First Lien Loan Documents.

(d) Reimbursement of Drawn Amounts. To the extent that (i) any First Lien Letter of Credit is drawn by the beneficiary thereof, (ii) any Second Lien Letter of Credit that was provided to collateralize such First Lien Letter of Credit is drawn by the First Lien Administrative Agent (or cash collateral has been provided for the First Lien Administrative Agent's benefit to collateralize such First Lien Letter of Credit, including as set forth in clause (a) above) and (iii) the cash drawn in respect of such First Lien Letter of Credit is thereafter returned, reimbursed or otherwise transferred by the beneficiary thereof (or the Borrower, solely to the extent Borrower received proceeds from the beneficiary) to the

First Lien Administrative Agent, the First Lien Administrative Agent shall promptly (but in no event later than ten (10) Business Days after receipt) pay to the Second Lien LC Support Provider an amount equal to such returned, reimbursed or transferred cash.

9.23 Specified Project Foreclosure Sale. GRANT

Section 2.1 Grant. To secure the full and timely payment of the Indebtedness and the full and timely performance of the Obligations, Mortgagor MORTGAGES, GRANTS, BARGAINS, ASSIGNS, SELLS, CONVEYS and CONFIRMS, to Mortgagee, WITH MORTGAGE COVENANTS, the Mortgaged Property, subject, however, only to the matters that are set forth on Exhibit C attached hereto (the "***Permitted Encumbrances***") and to Permitted Liens TO HAVE AND TO HOLD the Mortgaged Property, WITH THE STATUTORY POWER OF SALE, and Mortgagor does hereby bind itself, its successors and assigns to WARRANT AND FOREVER DEFEND the title to the Mortgaged Property unto Mortgagee, subject to Permitted Liens and Permitted Encumbrances.

ARTICLE 3
WARRANTIES, REPRESENTATIONS AND COVENANTS

Without limitation of the MORTGAGE COVENANTS incorporated hereinabove by reference, Mortgagor warrants, represents and covenants to Mortgagee as follows:

Section 3.1 Title to Mortgaged Property and Lien of this Instrument. Mortgagor owns the Mortgaged Property free and clear of any liens, claims or interests, except the Permitted Encumbrances and the Permitted Liens. This Mortgage creates valid, enforceable first priority liens and security interests against the Mortgaged Property.

Section 3.2 Lien Status. Mortgagor shall preserve and protect the first lien and security interest priority of this Mortgage and the other Collateral Documents. If any lien or security interest other than a Permitted Encumbrance or a Permitted Lien is asserted against the Mortgaged Property, Mortgagor shall promptly, and at its expense, (a) give Mortgagee a detailed written notice of such lien or security interest (including origin, amount and other terms), and (b) pay the underlying claim in full or take such other action so as to cause it to be released or contest the same in compliance with the requirements of the Loan Documents (including the requirement of providing a bond or other security satisfactory to Mortgagee).

Section 3.3 Payment and Performance. Mortgagor shall pay the Indebtedness when due under the Loan Documents and shall perform the Obligations in full when they are required to be performed.

Section 3.4 Replacement of Fixtures and Personalty. Mortgagor shall not, without the prior written consent of Mortgagee, permit any of the Fixtures or Personalty owned or leased by Mortgagor to be removed at any time from the Land or Improvements, unless the removed item is removed temporarily for maintenance, repair or replacement, or the removal of the same is not prohibited by the Loan Documents.

Section 3.5 Inspection. Mortgagor shall permit Mortgagee and the other Secured Parties and their respective agents, representatives and employees, upon reasonable prior notice to Mortgagor and, with respect to the portion of the Mortgaged Property subject to the Subject Lease (the "***Leased Premises***"), in compliance with the Subject Lease, to inspect the Mortgaged Property and all books and records of Mortgagor located thereon, and to conduct such environmental and engineering studies as Mortgagee or the other Secured Parties may reasonably require, provided that such inspections and studies shall not materially interfere with the use and operation of the Mortgaged Property.

Section 3.6 Other Covenants. All of the covenants of Mortgagor in the Loan Documents are incorporated herein by reference and, together with covenants in this Article 3, shall be covenants running with the Land.

Section 3.7 Insurance; Condemnation Awards and Insurance Proceeds.

(a) Insurance. Mortgagor shall maintain or cause to be maintained insurance with respect to the Mortgaged Property in types, amounts and coverages (including the naming of Mortgagee as loss payee or additional insured, as applicable) and with insurers, satisfying the requirements of the First Lien Credit Agreement. In addition to the foregoing, if any portion of the Mortgaged Property is located in an area identified by the Federal Emergency Management Agency as an area having special flood hazards and in which flood insurance has been made available under the National Flood Insurance Act of 1968 (or any amendment or successor act thereto), then Mortgagor shall maintain, or cause to be maintained, with a financially sound and reputable insurer, flood insurance in an amount sufficient to comply with all applicable rules and regulations promulgated pursuant to such Act.

(b) Condemnation Awards. Mortgagor assigns all Condemnation Awards to Mortgagee and authorizes Mortgagee to collect and receive such Condemnation Awards (to the

extent Mortgagor is entitled thereto under the Subject Lease to the extent any Condemnation Awards relate to the Leased Premises) and to give proper receipts and acquittances therefor, subject to the terms of the Loan Documents.

(c) Insurance Proceeds. Mortgagor assigns to Mortgagee all proceeds of any insurance policies insuring against loss or damage to the Mortgaged Property, to the extent not prohibited by the Subject Lease. Subject to the terms of the Loan Documents, Mortgagor authorizes Mortgagee to collect and receive such proceeds (to the extent Mortgagor is entitled thereto in the event such proceeds relate to the Leased Premises) and authorizes and directs the issuer of each of such insurance policies to make payment (to the extent Mortgagor is entitled thereto in the event such payments relate to the Leased Premises) for all such losses directly to Mortgagee, instead of to Mortgagor and Mortgagee jointly.

ARTICLE 4
LEASEHOLD MORTGAGE PROVISIONS

Section 4.1 Representations; Warranties; Covenants. Mortgagor hereby represents, warrants and covenants that:

(a) (1) Except as set forth in Exhibit B hereof, the Subject Lease is unmodified and in full force and effect, (2) all rent and other charges therein have been paid to the extent they are payable to the date hereof, (3) Mortgagor enjoys the quiet and peaceful possession of the Leased Premises, (4) to the best of its knowledge, Mortgagor is not in default under any of the terms thereof and there are no circumstances which, with the passage of time or the giving of notice or both, would constitute an event of default thereunder, (5) to the best of Mortgagor's knowledge, the lessor thereunder is not in default under any of the terms or provisions thereof on the part of the lessor to be observed or performed, and (6) Mortgagor has not previously subordinated its interest in the Mortgaged Property to the lien or interests of any mortgagee of the lessor's fee interest in the Premises;

(b) Mortgagor shall promptly pay, when due and payable, the rent and other charges payable pursuant to the Subject Lease, and will timely perform and observe all of the other terms, covenants and conditions required to be performed and observed by Mortgagor as lessee under the Subject Lease;

(c) Mortgagor shall notify Mortgagee in writing of any default by Mortgagor in the performance or observance of any terms, covenants or conditions on the part of Mortgagor to be performed or observed under the Subject Lease within three (3) days after Mortgagor obtains knowledge of such default;

(d) Mortgagor shall, immediately upon receipt thereof, deliver a copy of each notice given to Mortgagor by the lessor pursuant to the Subject Lease and promptly notify Mortgagee in writing of any default by the lessor in the performance or observance of any of the terms, covenants or conditions on the part of the lessor to be performed or observed thereunder;

(e) Except as permitted in the Loan Documents or required under the terms of the Subject Lease, Mortgagor shall not, without the prior written consent of Mortgagee (which may be granted or withheld in Mortgagee's sole and absolute discretion) terminate, modify or

surrender the Subject Lease in any material way, and any such attempted termination, modification or surrender without Mortgagee's written consent shall be void;

(f) Mortgagor shall, within twenty (20) days after written request from Mortgagee, use its best efforts to obtain from the lessor and deliver to Mortgagee a certificate setting forth the name of the tenant under the Subject Lease and stating that the Subject Lease is in full force and effect, is unmodified or, if the Subject Lease has been modified, the date of each modification (together with copies of each such modification), that no notice of termination thereof has been served on Mortgagor, stating that no default or event which with notice or lapse of time (or both) would become a default is existing under the Subject Lease (or if any such default or event is existing, specifying the nature of such default or event), stating the date to which rent has been paid, and containing such other statements and representations as may be requested by Mortgagee; and

(g) Mortgagor shall not at any time subordinate its interest in the Mortgaged Property or any portion thereof to the lien or interests of any mortgagee of the lessor's fee interest in the Leased Premises.

Section 4.2 No Merger. So long as any of the Indebtedness or the Obligations remain unpaid or unperformed, the fee title to and the leasehold estate in the Leased Premises shall not merge but shall always be kept separate and distinct notwithstanding the union of such estates in the lessor or Mortgagor, or in a third party, by purchase or otherwise. If Mortgagor acquires the fee title or any other estate, title or interest in the Leased Premises, or any part thereof, the lien of this Mortgage shall attach to, cover and be a lien upon such acquired estate, title or interest and the same shall thereupon be and become a part of the Mortgaged Property with the same force and effect as if specifically encumbered herein. Mortgagor agrees to execute all instruments and documents that Mortgagee may reasonably require to ratify, confirm and further evidence the lien of this Mortgage on the acquired estate, title or interest. Furthermore, Mortgagor hereby appoints Mortgagee as its true and lawful attorney-in-fact to execute and deliver, following an Event of Default, all such instruments and documents in the name and on behalf of Mortgagor. This power, being coupled with an interest, shall be irrevocable as long as any portion of the Indebtedness remains unpaid.

Section 4.3 Mortgagee as Lessee. If the Subject Lease shall be terminated prior to the natural expiration of its term due to default by Mortgagor or any tenant thereunder, and if, pursuant to the provisions of the Subject Lease, Mortgagee or its designee shall acquire from the lessor a new lease of the Leased Premises, Mortgagor shall have no right, title or interest in or to such new lease or the leasehold estate created thereby, or renewal privileges therein contained.

Section 4.4 No Assignment. Notwithstanding anything to the contrary contained herein, this Mortgage shall not constitute an assignment of the Subject Lease within the meaning of any provision thereof prohibiting its assignment and Mortgagee shall have no liability or obligation thereunder by reason of its acceptance of this Mortgage. Mortgagee shall be liable for the obligations of the tenant arising out of the Subject Lease for only that period of time for which Mortgagee is in possession of the premises demised thereunder or has acquired, by foreclosure or otherwise, and is holding all of Mortgagor's right, title and interest therein.

ARTICLE 5
DEFAULT AND FORECLOSURE

Section 5.1 Remedies. Upon the occurrence and during the continuance of an Event of Default, Mortgagee may, at Mortgagee's election, exercise any or all of the following rights, remedies and recourses:

(a) Acceleration. Subject to any provisions of the Loan Documents providing for the automatic acceleration of the Indebtedness upon the occurrence of certain Events of Default, declare the Indebtedness to be immediately due and payable, without further notice, presentment, protest, notice of intent to accelerate, notice of acceleration, demand or action of any nature whatsoever (each of which hereby is expressly waived by Mortgagor), whereupon the same shall become immediately due and payable.

(b) Entry on Mortgaged Property. Subject to applicable law and, with respect to the Leased Premises, the terms of the Subject Lease, enter the Mortgaged Property and take exclusive possession thereof and of all books, records and accounts relating thereto or located thereon. If Mortgagor remains in possession of the Mortgaged Property following the occurrence and during the continuance of an Event of Default and without Mortgagee's prior written consent, subject to applicable law, and, with respect to the Leased Premises, the terms of the Subject Lease, Mortgagee may invoke any legal remedies to dispossess Mortgagor.

(c) Operation of Mortgaged Property. Hold, lease, develop, manage, operate or otherwise use the Mortgaged Property upon such terms and conditions as Mortgagee may deem reasonable under the circumstances (making such repairs, alterations, additions and improvements and taking other actions, from time to time, as Mortgagee deems necessary or desirable), and apply all Rents and other amounts collected by Mortgagee in connection therewith in accordance with the provisions of Section 5.7 and, with respect to the Leased Premises, the terms of the Subject Lease.

(d) Foreclosure and Sale. Institute proceedings for the complete foreclosure of this Mortgage by judicial action or by power of sale, in which case the Mortgaged Property may be sold for cash or credit in one or more parcels as Mortgagee may determine, subject to applicable law and, with respect to the Leased Premises, the terms of the Subject Lease. With respect to any notices required or permitted under the UCC, Mortgagor agrees that ten (10) days' prior written notice shall be deemed commercially reasonable. At any such sale by virtue of any judicial proceedings, power of sale, or any other legal right, remedy or recourse, the title to and right of possession of any such property shall pass to the purchaser thereof, and to the fullest extent permitted by law, Mortgagor shall be completely and irrevocably divested of all of its right, title, interest, claim, equity, equity of redemption, and demand whatsoever, either at law or in equity, in and to the property sold and such sale shall be a perpetual bar both at law and in equity against Mortgagor, and against all other Persons claiming or to claim the property sold or any part thereof, by, through or under Mortgagor. Mortgagee or any of the other Secured Parties may be a purchaser at such sale. If Mortgagee or such other Secured Party is the highest bidder, Mortgagee or such other Secured Party may credit the portion of the purchase price that would be distributed to Mortgagee or such other Secured Party against the Indebtedness in lieu of

paying cash. In the event this Mortgage is foreclosed by judicial action, appraisement of the Mortgaged Property is waived.

(e) Receiver. Make application to a court of competent jurisdiction for, and obtain from such court as a matter of strict right and without notice to Mortgagor or regard to the adequacy of the Mortgaged Property for the repayment of the Indebtedness, the appointment of a receiver of the Mortgaged Property, and Mortgagor irrevocably consents to such appointment. Any such receiver shall have all the usual powers and duties of receivers in similar cases, including the full power to rent, maintain and otherwise operate the Mortgaged Property upon such terms as may be approved by the court, and, with respect to the Leased Premises, in a manner consistent with the Subject Lease, and shall apply such Rents in accordance with the provisions of Section 5.7.

(f) Statutory Power of Sale. Exercise the Statutory Power of Sale.

(g) Other. Exercise all other rights, remedies and recourses granted under the Loan Documents or otherwise available at law or in equity, subject, in the case of any such exercise in respect of the Leased Premises, to the terms of the Subject Lease.

Section 5.2 Separate Sales. The Mortgaged Property may be sold in one or more parcels and in such manner and order as Mortgagee in its sole discretion may elect, subject to, in the case of the Leased Premises, the terms of the Subject Lease. The right of sale arising out of any Event of Default shall not be exhausted by any one or more sales.

Section 5.3 Remedies Cumulative, Concurrent and Nonexclusive. Mortgagee and the other Secured Parties shall have all rights, remedies and recourses granted in the Loan Documents and available at law or equity (including the UCC), which rights (a) shall be cumulative and concurrent, (b) may be pursued separately, successively or concurrently against Mortgagor or others obligated under the Loan Documents, or against the Mortgaged Property, or against any one or more of them, at the sole discretion of Mortgagee or such other Secured Party, as the case may be, (c) may be exercised as often as occasion therefor shall arise, and the exercise or failure to exercise any of them shall not be construed as a waiver or release thereof or of any other right, remedy or recourse, and (d) are intended to be, and shall be, nonexclusive. No action by Mortgagee or any other Secured Party in the enforcement of any rights, remedies or recourses under the Loan Documents or otherwise at law or equity shall be deemed to cure any Event of Default.

Section 5.4 Release of and Resort to Collateral. Mortgagee may release, regardless of consideration and without the necessity for any notice to or consent by the holder of any subordinate lien on the Mortgaged Property, any part of the Mortgaged Property without, as to the remainder, in any way impairing, affecting, subordinating or releasing the lien or security interest created in or evidenced by the Loan Documents or their priority with respect to the Mortgaged Property. For payment of the Indebtedness, Mortgagee may resort to any other security in such order and manner as Mortgagee may elect.

Section 5.5 Waiver of Redemption, Notice and Marshalling of Assets. To the fullest extent permitted by law, Mortgagor hereby irrevocably and unconditionally waives and

releases (a) all benefit that might accrue to Mortgagor by virtue of any present or future statute of limitations or law or judicial decision exempting the Mortgaged Property from attachment, levy or sale on execution or providing for any stay of execution, exemption from civil process, redemption or extension of time for payment, (b) all notices of any Event of Default or of any election by Mortgagee to exercise or the actual exercise of any right, remedy or recourse provided for under the Loan Documents, and (c) any right to a marshalling of assets or a sale in inverse order of alienation.

Section 5.6 Discontinuance of Proceedings. If Mortgagee or any other Secured Party shall have proceeded to invoke any right, remedy or recourse permitted under the Loan Documents and shall thereafter elect to discontinue or abandon it for any reason, Mortgagee or such other Secured Party, as the case may be, shall have the unqualified right to do so and, in such an event, Mortgagor, Mortgagee and the other Secured Parties shall be restored to their former positions with respect to the Indebtedness, the Obligations, the Loan Documents, the Mortgaged Property and otherwise, and the rights, remedies, recourses and powers of Mortgagee and the other Secured Parties shall continue as if the right, remedy or recourse had never been invoked, but no such discontinuance or abandonment shall waive any Event of Default which may then exist or the right of Mortgagee or any other Secured Party thereafter to exercise any right, remedy or recourse under the Loan Documents for such Event of Default.

Section 5.7 Application of Proceeds. The proceeds of any sale of, and the Rents and other amounts generated by the holding, leasing, management, operation or other use of the Mortgaged Property, shall be applied by Mortgagee (or the receiver, if one is appointed) in the order prescribed by Section 4.1 of the Intercreditor Agreement, unless otherwise required by applicable law.

Section 5.8 Occupancy After Foreclosure. Any sale of the Mortgaged Property or any part thereof in accordance with Section 5.1(d) will divest all right, title and interest of Mortgagor in and to the property sold, subject, in the case of the Leased Premises, to the terms of the Subject Lease. Subject to applicable law, any purchaser at a foreclosure sale will receive immediate possession of the property purchased. If Mortgagor retains possession of such property or any part thereof subsequent to such sale, Mortgagor will be considered a tenant at sufferance of the purchaser, and will, if Mortgagor remains in possession after demand to remove, be subject to eviction and removal, forcible or otherwise, with or without process of law.

Section 5.9 Additional Advances and Disbursements; Costs of Enforcement.

(a) Upon the occurrence and during the continuance of any Event of Default, Mortgagee and each of the other Secured Parties shall have the right, but not the obligation, to cure such Event of Default in the name and on behalf of Mortgagor. All sums advanced and expenses incurred at any time by Mortgagee or any other Secured Party under this Section 5.9, or otherwise under this Mortgage or any of the other Loan Documents or applicable law, shall bear interest from the date that such sum is advanced or expense incurred, to and including the date of reimbursement, computed at the highest rate at which interest is then computed on any portion of the Indebtedness, and all such sums, together with interest thereon, shall be secured by this Mortgage.

(b) Mortgagor shall pay all expenses (including reasonable attorneys' fees and expenses) of or incidental to the perfection and enforcement of this Mortgage and the other Loan Documents, or the enforcement, compromise or settlement of the Indebtedness or any claim under this Mortgage and the other Loan Documents, and for the curing thereof, or for defending or asserting the rights and claims of Mortgagee in respect thereof, by litigation or otherwise.

Section 5.10 No Mortgagee in Possession. Neither the enforcement of any of the remedies under this Article 5, the assignment of the Rents and Leases under Article 6, the security interests under Article 7, nor any other remedies afforded to Mortgagee under the Loan Documents, at law or in equity shall cause Mortgagee or any other Secured Party to be deemed or construed to be a mortgagee in possession of the Mortgaged Property, to obligate Mortgagee or any other Secured Party to lease the Mortgaged Property or attempt to do so, or to take any action, incur any expense, or perform or discharge any obligation, duty or liability whatsoever under any of the Leases or otherwise.

ARTICLE 6
ASSIGNMENT OF RENTS AND LEASES

Section 6.1 Assignment. In furtherance of and in addition to the assignment made by Mortgagor in Section 2.1 of this Mortgage, Mortgagor hereby absolutely and unconditionally assigns, sells, transfers and conveys to Mortgagee all of its right, title and interest in and to all Leases, whether now existing or hereafter entered into, and all of its right, title and interest in and to all Rents. This assignment is an absolute assignment and not an assignment for additional security only. So long as no Event of Default shall have occurred and be continuing, Mortgagor shall have a revocable license from Mortgagee to exercise all rights extended to the landlord under the Leases, including the right to receive and collect all Rents and to hold the Rents in trust for use in the payment and performance of the Obligations and to otherwise use the same. The foregoing license is granted subject to the conditional limitation that no Event of Default shall have occurred and be continuing. Upon the occurrence and during the continuance of an Event of Default, whether or not legal proceedings have commenced, and without regard to waste, adequacy of security for the Obligations or solvency of Mortgagor, the license herein granted shall automatically expire and terminate, without notice to Mortgagor by Mortgagee (any such notice being hereby expressly waived by Mortgagor to the extent permitted by applicable law).

Section 6.2 Perfection Upon Recordation. Mortgagor acknowledges that Mortgagee has taken all actions necessary to obtain, and that upon recordation of this Mortgage Mortgagee shall have, to the extent permitted under applicable law, a valid and fully perfected, first priority, present assignment of the Rents arising out of the Leases and all security for such Leases. Mortgagor acknowledges and agrees that upon recordation of this Mortgage, Mortgagee's interest in the Rents shall be deemed to be fully perfected, "choate" and enforced as to Mortgagor and to the extent permitted under applicable law, all third parties, including, without limitation, any subsequently appointed trustee in any case under Title 11 of the United States Code (the "***Bankruptcy Code***"), without the necessity of commencing a foreclosure action with respect to this Mortgage, making formal demand for the Rents, obtaining the appointment of a receiver or taking any other affirmative action.

Section 6.3 Bankruptcy Provisions. Without limitation of the absolute nature of the assignment of the Rents hereunder, Mortgagor and Mortgagee agree that (a) this Mortgage shall constitute a "security agreement" for purposes of Section 552(b) of the Bankruptcy Code, (b) the security interest created by this Mortgage extends to property of Mortgagor acquired before the commencement of a case in bankruptcy and to all amounts paid as Rents and (c) such security interest shall extend to all Rents acquired by the estate after the commencement of any case in bankruptcy.

Section 6.4 No Merger of Estates. So long as part of the Indebtedness and the Obligations secured hereby remain unpaid and undischarged, the fee and leasehold estates to the Mortgaged Property shall not merge, but shall remain separate and distinct, notwithstanding the union of such estates either in Mortgagor, Mortgagee, any tenant or any third party by purchase or otherwise.

ARTICLE 7
SECURITY AGREEMENT

Section 7.1 Security Interest. This Mortgage constitutes a "security agreement" on personal property within the meaning of the UCC and other applicable law and with respect to the Personalty, Fixtures, Leases, Rents, Deposit Accounts, Property Agreements, Tax Refunds, Proceeds, Insurance and Condemnation Awards. To this end, Mortgagor grants to Mortgagee a first and prior security interest in the Personalty, Fixtures, Leases, Rents, Deposit Accounts, Property Agreements, Tax Refunds, Proceeds, Insurance, Condemnation Awards and all other Mortgaged Property which is personal property to secure the payment of the Indebtedness and performance of the Obligations, and agrees that Mortgagee shall have all the rights and remedies of a secured party under the UCC with respect to such property. Any notice of sale, disposition or other intended action by Mortgagee with respect to the Personalty, Fixtures, Leases, Rents, Deposit Accounts, Property Agreements, Tax Refunds, Proceeds, Insurance and Condemnation Awards sent to Mortgagor at least ten (10) days prior to any action under the UCC shall constitute reasonable notice to Mortgagor. In the event of any conflict or inconsistency between the terms of this Mortgage and the terms of the Security Agreement with respect to the collateral covered both therein and herein, the Security Agreement shall control and govern to the extent of any such conflict or inconsistency.

Section 7.2 Financing Statements. Mortgagor shall prepare and deliver to Mortgagee such financing statements, and shall execute and deliver to Mortgagee such other documents, instruments and further assurances, in each case in form and substance satisfactory to Mortgagee, as Mortgagee may, from time to time, reasonably consider necessary to create, perfect and preserve Mortgagee's security interest hereunder. Mortgagor hereby irrevocably authorizes Mortgagee to cause financing statements (and amendments thereto and continuations thereof) and any such documents, instruments and assurances to be recorded and filed, at such times and places as may be required or permitted by law to so create, perfect and preserve such security interest. Mortgagor represents and warrants to Mortgagee that Mortgagor's jurisdiction of organization is the State of Delaware. After the date of this Mortgage, Mortgagor shall not change its name, type of organization, organizational identification number (if any), jurisdiction of organization or location (within the meaning of the UCC) without giving at least thirty (30) days' prior written notice to Mortgagee.

Section 7.3 Fixture Filing. This Mortgage shall also constitute a "fixture filing" for the purposes of the UCC against all of the Mortgaged Property which is or is to become fixtures. The information provided in this Section 7.3 is provided so that this Mortgage shall comply with the requirements of the UCC for a mortgage instrument to be filed as a financing statement. Mortgagor is the "Debtor" and its name and mailing address are set forth in the preamble of this Mortgage immediately preceding Article 1. Mortgagee is the "Secured Party" and its name and mailing address from which information concerning the security interest granted herein may be obtained are also set forth in the preamble of this Mortgage immediately preceding Article 1. A statement describing the portion of the Mortgaged Property comprising the fixtures hereby secured is set forth in Section 1.1(e)(3) of this Mortgage. Mortgagor represents and warrants to Mortgagee that Mortgagor is the record owner of the Mortgaged Property, the employer identification number of Mortgagor is 52-1756688 and Mortgagor has no organizational identification number.

ARTICLE 8
MISCELLANEOUS

Section 8.1 Notices. Any notice required or permitted to be given to Mortgagor or Mortgagee under this Mortgage shall be given in accordance with Section 9.9 of the Intercreditor Agreement.

Section 8.2 Covenants Running with the Land. All Obligations contained in this Mortgage are intended by Mortgagor and Mortgagee to be, and shall be construed as, covenants running with the Land. As used herein, "Mortgagor" shall refer to the party named in the first paragraph of this Mortgage and to any subsequent owner of all or any portion of the Mortgaged Property. All Persons who may have or acquire an interest in the Mortgaged Property shall be deemed to have notice of, and be bound by, the terms of the Loan Documents; *provided, however,* that no such party shall be entitled to any rights thereunder without the prior written consent of Mortgagee.

Section 8.3 Attorney-in-Fact. Mortgagor hereby irrevocably appoints Mortgagee as its attorney-in-fact, which agency is coupled with an interest and with full power of substitution, with full authority in the place and stead of Mortgagor and in the name of Mortgagor or otherwise, following the occurrence and during the continuance of any Event of Default, in Mortgagor's discretion, (a) to execute and/or record any notices of completion, cessation of labor or any other notices that Mortgagee deems appropriate to protect Mortgagee's interest, if Mortgagor shall fail to do so within ten (10) days after written request by Mortgagee, (b) upon the issuance of a deed pursuant to the foreclosure of this Mortgage or the delivery of a deed in lieu of foreclosure, to execute all instruments of assignment, conveyance or further assurance with respect to the Leases, Rents, Deposit Accounts, Property Agreements, Tax Refunds, Proceeds, Insurance and Condemnation Awards in favor of the grantee of any such deed and as may be necessary or desirable for such purpose, (c) to prepare and file or record financing statements and continuation statements, and to prepare, execute and file or record applications for registration and like papers necessary to create, perfect or preserve Mortgagee's security interests and rights in or to any of the Mortgaged Property, and (d) to perform any obligation of Mortgagor hereunder; *provided, however*, that (1) Mortgagee shall not under any circumstances be obligated to perform any obligation of Mortgagor; (2) any sums advanced by Mortgagee in

such performance shall be added to and included in the Indebtedness and shall bear interest at the highest rate at which interest is then computed on any portion of the Indebtedness; (3) Mortgagee as such attorney-in-fact shall only be accountable for such funds as are actually received by Mortgagee; and (4) Mortgagee shall not be liable to Mortgagor or any other person or entity for any failure to take any action which it is empowered to take under this Section 8.3.

Section 8.4 Successors and Assigns. This Mortgage shall be binding upon and inure to the benefit of Mortgagee, the other Secured Parties and Mortgagor and their respective successors and assigns. Mortgagor shall not, without the prior written consent of Mortgagee, assign any rights, duties or obligations hereunder.

Section 8.5 No Waiver. Any failure by Mortgagee or the other Secured Parties to insist upon strict performance of any of the terms, provisions or conditions of the Loan Documents shall not be deemed to be a waiver of same, and Mortgagee and the other Secured Parties shall have the right at any time to insist upon strict performance of all of such terms, provisions and conditions.

Section 8.6 Release or Reconveyance. Upon payment in full of the Indebtedness and performance in full of the Obligations or upon a sale or other disposition of the Mortgaged Property permitted by the Loan Documents, Mortgagee, at Mortgagor's request and expense, shall release the liens and security interests created by this Mortgage or reconvey the Mortgaged Property to Mortgagor.

Section 8.7 Waiver of Stay, Moratorium and Similar Rights. Mortgagor agrees, to the full extent that it may lawfully do so, that it will not at any time insist upon or plead or in any way take advantage of any stay, marshalling of assets, extension, redemption or moratorium law now or hereafter in force and effect so as to prevent or hinder the enforcement of the provisions of this Mortgage or the Indebtedness or Obligations secured hereby, or any agreement between Mortgagor and Mortgagee or any rights or remedies of Mortgagee or any other Secured Party.

Section 8.8 Applicable Law. The provisions of this Mortgage shall be governed by and construed under the laws of the Commonwealth of Massachusetts.

Section 8.9 Headings. The Article, Section and Subsection titles hereof are inserted for convenience of reference only and shall in no way alter, modify or define, or be used in construing, the text of such Articles, Sections or Subsections.

Section 8.10 Severability. If any provision of this Mortgage shall be held by any court of competent jurisdiction to be unlawful, void or unenforceable for any reason, such provision shall be deemed severable from and shall in no way affect the enforceability and validity of the remaining provisions of this Mortgage.

Section 8.11 Entire Agreement. This Mortgage and the other Financing Documents embody the entire agreement and understanding between Mortgagor and Mortgagee relating to the subject matter hereof and thereof and supersede all prior agreements and understandings between such parties relating to the subject matter hereof and thereof. Accordingly, this Mortgage and the Financing Documents may not be contradicted by evidence of prior,

contemporaneous or subsequent oral agreements of the parties. There are no unwritten oral agreements between the parties.

Section 8.12 Mortgagee as Agent; Successor Agents.

(a) Agent has been appointed to act as Agent hereunder by the other Secured Parties. Agent shall have the right hereunder to make demands, to give notices, to exercise or refrain from exercising any rights, and to take or refrain from taking any action (including, without limitation, the release or substitution of the Mortgaged Property) in accordance with the terms of the Intercreditor Agreement and this Mortgage. Mortgagor and all other Persons shall be entitled to rely on releases, waivers, consents, approvals, notifications and other acts of Agent, without inquiry into the existence of required consents or approvals of the Secured Parties therefor.

(b) Mortgagee shall at all times be the same Person that is Agent under the Intercreditor Agreement. Written notice of resignation by Agent pursuant to the Intercreditor Agreement shall also constitute notice of resignation as Agent under this Mortgage. Removal of Agent pursuant to any provision of the Intercreditor Agreement shall also constitute removal as Agent under this Mortgage. Appointment of a successor Agent pursuant to the Intercreditor Agreement shall also constitute appointment of a successor Agent under this Mortgage. Upon the acceptance of any appointment as Agent by a successor Agent under the Intercreditor Agreement, that successor Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring or removed Agent as the Mortgagee under this Mortgage, and the retiring or removed Agent shall promptly (i) assign and transfer to such successor Agent all of its right, title and interest in and to this Mortgage and the Mortgaged Property, and (ii) execute and deliver to such successor Agent such assignments and amendments and take such other actions, as may be necessary or appropriate in connection with the assignment to such successor Agent of the liens and security interests created hereunder, whereupon such retiring or removed Agent shall be discharged from its duties and obligations under this Mortgage. After any retiring or removed Agent's resignation or removal hereunder as Agent, the provisions of this Mortgage and the Intercreditor Agreement shall inure to its benefit as to any actions taken or omitted to be taken by it under this Mortgage while it was Agent hereunder.

Section 8.13 Credit Line Mortgage. This Mortgage secures the Indebtedness under the First Lien Credit Agreement that reflects the fact that the parties reasonably contemplate entering into one or more advances, repayments and readvances.

ARTICLE 9
LOCAL LAW PROVISIONS

Section 9.1 Inconsistencies. In the event of any inconsistencies between the terms and conditions of this Article 9 and the other provisions of this Mortgage, the terms and conditions of this Article 9 shall control and be binding.

Section 9.2 Statutory Condition; Statutory Power of Sale. This Mortgage is upon the STATUTORY CONDITION and the condition that all covenants and agreements of

Mortgagor contained in this Mortgage and the other Loan Documents shall be kept and fully performed, and upon any breach of the same which continues beyond all applicable notice and grace periods, Mortgagee shall have the STATUTORY POWER OF SALE.

Section 9.3 Usury Savings Clause. This Mortgage and the other Loan Documents are subject to the express condition that at no time shall Mortgagor be obligated or required to pay interest on the principal balance of the Indebtedness at a rate that could subject the holder thereof to either civil or criminal liability as a result of being in excess of the highest lawful rate permitted under the usury laws of the Commonwealth of Massachusetts to be charged to Mortgagor (the "***Maximum Rate***"). If by the terms of this Mortgage or any of the other Loan Documents Mortgagor is at any time required or obligated to pay interest on the principal balance due in respect of the Indebtedness at a rate in excess of such Maximum Rate, the rate of interest shall be deemed to be immediately reduced to such Maximum Rate and the interest payable shall be computed at such Maximum Rate and all prior interest payments in excess of such Maximum Rate shall be deemed to have been the result of a mistake on the part of both Mortgagor and Mortgagee and Mortgagee shall promptly credit such excess (to the extent only of such interest payments in excess of the Maximum Rate) against the unpaid principal amount of the Indebtedness to which such excess may lawfully be credited, and any portion of such excess payments not capable of being so credited shall be refunded to Mortgagor.

ARTICLE 2
GRANT; SECURED AMOUNT

Section 2.1 Grant. To secure the full and timely payment of the Indebtedness and the full and timely performance of the Obligations, Mortgagor MORTGAGES, GRANTS, BARGAINS, ASSIGNS, SELLS, CONVEYS and CONFIRMS, to Mortgagee the Mortgaged Property, subject, however, only to the matters that are set forth on Exhibit B attached hereto (the "***Permitted Encumbrances***") and to Permitted Liens, TO HAVE AND TO HOLD the Mortgaged Property, and Mortgagor does hereby bind itself, its successors and assigns to WARRANT AND FOREVER DEFEND the title to the Mortgaged Property unto Mortgagee, subject to Permitted Liens and Permitted Encumbrances.

Section 2.2 Reduction of Secured Amount. Pursuant to the First Lien Credit Agreement, the amount of the Indebtedness may increase and decrease from time to time, all as more fully described in the First Lien Credit Agreement. As of the date hereof, the total amount of the Indebtedness exceeds the Secured Amount so that the Secured Amount represents only a portion of the Indebtedness actually outstanding. So long as the balance of the Indebtedness equals or exceeds the Secured Amount, the amount of the Indebtedness secured by this Mortgage shall at all times equal only the Secured Amount. The Secured Amount shall be reduced only by the last and final sums that are repaid with respect to the Indebtedness and shall not be reduced by any intervening repayments of the Indebtedness, provided that the Indebtedness is not reduced below the Secured Amount. If at any time (a) the Secured Amount has been reduced by reason of a reduction in the amount of the Indebtedness and (b) the amount of the Indebtedness shall thereafter be increased, then the Secured Amount shall be increased accordingly by an amount equal to the amount of such increase in the Indebtedness, subject to the limitation that the maximum Indebtedness which is secured by or which by any contingency may be secured by this Mortgage shall not exceed $[29,860.00]. So long as the balance of the Indebtedness exceeds the Secured Amount, any payments and repayments of the Indebtedness shall not be deemed to be applied against, or to reduce, the portion of the Indebtedness secured by this Mortgage. Such payments shall instead be deemed to reduce only such portions of the Indebtedness as are secured by other collateral.

ARTICLE 3
WARRANTIES, REPRESENTATIONS AND COVENANTS

Mortgagor hereby represents, warrants and covenants that:

Section 3.1 Title to Mortgaged Property and Lien of this Instrument. Mortgagor owns the Mortgaged Property free and clear of any liens, claims or interests, except the Permitted Encumbrances and the Permitted Liens. This Mortgage creates valid, enforceable first priority liens and security interests against the Mortgaged Property.

Section 3.2 Lien Status. Mortgagor shall preserve and protect the first lien and security interest priority of this Mortgage and the other Collateral Documents. If any lien or security interest other than a Permitted Encumbrance or a Permitted Lien is asserted against the Mortgaged Property, Mortgagor shall promptly, and at Mortgagor's expense, (a) give Mortgagee a detailed written notice of such lien or security interest (including origin, amount and other

terms), and (b) pay the underlying claim in full or take such other action so as to cause it to be released or contest the same in compliance with the requirements of the Loan Documents (including the requirement of providing a bond or other security satisfactory to Mortgagee).

Section 3.3 Payment and Performance. Mortgagor shall pay the Indebtedness when due under the Loan Documents and shall perform the Obligations in full when they are required to be performed.

Section 3.4 Replacement of Fixtures and Personalty. Mortgagor shall not, without the prior written consent of Mortgagee, permit any of the Fixtures or Personalty owned or leased by Mortgagor to be removed at any time from the Land or Improvements, unless the removed item is removed temporarily for maintenance, repair or replacement, or the removal of the same is not prohibited by the Loan Documents.

Section 3.5 Inspection. Mortgagor shall permit Mortgagee and the other Secured Parties and their respective agents, representatives and employees, upon reasonable prior notice to Mortgagor to inspect the Mortgaged Property and all books and records of Mortgagor located thereon, and to conduct such environmental and engineering studies as Mortgagee or the other Secured Parties may reasonably require, provided that such inspections and studies shall not materially interfere with the use and operation of the Mortgaged Property.

Section 3.6 Other Covenants. All of the covenants of Mortgagor in the Loan Documents are incorporated herein by reference and, together with covenants in this Article 3, shall be covenants running with the Land.

Section 3.7 Insurance; Condemnation Awards and Insurance Proceeds.

(a) Insurance. Mortgagor shall maintain or cause to be maintained insurance with respect to the Mortgaged Property in types, amounts and coverages (including the naming of Mortgagee as loss payee or additional insured, as applicable) and with insurers, satisfying the requirements of the First Lien Credit Agreement. In addition to the foregoing, if any portion of the Mortgaged Property is located in an area identified by the Federal Emergency Management Agency as an area having special flood hazards and in which flood insurance has been made available under the National Flood Insurance Act of 1968 (or any amendment or successor act thereto), then Mortgagor shall maintain, or cause to be maintained, with a financially sound and reputable insurer, flood insurance in an amount sufficient to comply with all applicable rules and regulations promulgated pursuant to such Act.

(b) Condemnation Awards. Mortgagor assigns all Condemnation Awards to Mortgagee and authorizes Mortgagee to collect and receive such Condemnation Awards and to give proper receipts and acquittances therefor, subject to the terms of the Loan Documents.

(c) Insurance Proceeds. Mortgagor assigns to Mortgagee all proceeds of any insurance policies insuring against loss or damage to the Mortgaged Property. Subject to the terms of the Loan Documents, Mortgagor authorizes Mortgagee to collect and receive such proceeds and authorizes and directs the issuer of each of such insurance policies to make payment for all such losses directly to Mortgagee, instead of to Mortgagor and Mortgagee jointly.

ARTICLE 4
DEFAULT AND FORECLOSURE

Section 4.1 Remedies. Upon the occurrence and during the continuance of an Event of Default, Mortgagee may, at Mortgagee's election, exercise any or all of the following rights, remedies and recourses:

(a) Acceleration. Subject to any provisions of the Loan Documents providing for the automatic acceleration of the Indebtedness upon the occurrence of certain Events of Default, declare the Indebtedness to be immediately due and payable, without further notice, presentment, protest, notice of intent to accelerate, notice of acceleration, demand or action of any nature whatsoever (each of which hereby is expressly waived by Mortgagor), whereupon the same shall become immediately due and payable.

(b) Entry on Mortgaged Property. Subject to, and to the extent permitted by, applicable law, enter the Mortgaged Property and take exclusive possession thereof and of all books, records and accounts relating thereto or located thereon. If Mortgagor remains in possession of the Mortgaged Property following the occurrence and during the continuance of an Event of Default and without Mortgagee's prior written consent, subject to applicable law, Mortgagee may invoke any legal remedies to dispossess Mortgagor.

(c) Operation of Mortgaged Property. Subject to, and to the extent permitted by applicable law, hold, lease, develop, manage, operate or otherwise use the Mortgaged Property upon such terms and conditions as Mortgagee may deem reasonable under the circumstances (making such repairs, alterations, additions and improvements and taking other actions, from time to time, as Mortgagee deems necessary or desirable), and apply all Rents and other amounts collected by Mortgagee in connection therewith in accordance with the provisions of Section 4.7.

(d) Foreclosure and Sale. Institute proceedings for the complete foreclosure of this Mortgage by judicial action or by power of sale, in which case the Mortgaged Property may be sold for cash or credit in one or more parcels as Mortgagee may determine, subject to applicable law. With respect to any notices required or permitted under the UCC, Mortgagor agrees that ten (10) days' prior written notice shall be deemed commercially reasonable. At any such sale by virtue of any judicial proceedings, power of sale, or any other legal right, remedy or recourse, the title to and right of possession of any such property shall pass to the purchaser thereof, and to the fullest extent permitted by law, Mortgagor shall be completely and irrevocably divested of all of its right, title, interest, claim, equity, equity of redemption, and demand whatsoever, either at law or in equity, in and to the property sold and such sale shall be a perpetual bar both at law and in equity against Mortgagor, and against all other Persons claiming or to claim the property sold or any part thereof, by, through or under Mortgagor. Mortgagee or any of the other Secured Parties may be a purchaser at such sale. If Mortgagee or such other Secured Party is the highest bidder, Mortgagee or such other Secured Party may credit the portion of the purchase price that would be distributed to Mortgagee or such other Secured Party against the Indebtedness in lieu of paying cash. In the event this Mortgage is foreclosed by judicial action, appraisement of the Mortgaged Property is waived to the extent permitted by applicable law.

(e) Receiver. Make application to a court of competent jurisdiction for, and obtain from such court as a matter of strict right and without notice to Mortgagor or regard to the adequacy of the Mortgaged Property for the repayment of the Indebtedness, the appointment of a receiver of the Mortgaged Property, and Mortgagor irrevocably consents to such appointment. Any such receiver shall have all the usual powers and duties of receivers in similar cases, including the full power to rent, maintain and otherwise operate the Mortgaged Property upon such terms as may be approved by the court, and shall apply such Rents in accordance with the provisions of Section 4.7.

(f) Other. Exercise all other rights, remedies and recourses granted under the Loan Documents or otherwise available at law or in equity.

Section 4.2 Separate Sales. Any sale of the Mortgaged Property pursuant to Section 4.1(d) hereof may be in one or more parcels and in such manner and order as Mortgagee in its sole discretion may elect. The right of sale arising out of any Event of Default shall not be exhausted by any one or more sales.

Section 4.3 Remedies Cumulative, Concurrent and Nonexclusive. Mortgagee and the other Secured Parties shall have all rights, remedies and recourses granted in the Loan Documents and available at law or equity (including the UCC), which rights (a) shall be cumulative and concurrent, (b) to the extent permitted by applicable law, may be pursued separately, successively or concurrently against Mortgagor or others obligated under the Loan Documents, or against the Mortgaged Property, or against any one or more of them, at the sole discretion of Mortgagee or such other Secured Party, as the case may be, (c) may be exercised as often as occasion therefor shall arise, and the exercise or failure to exercise any of them shall not be construed as a waiver or release thereof or of any other right, remedy or recourse, and (d) are intended to be, and shall be, nonexclusive. No action by Mortgagee or any other Secured Party in the enforcement of any rights, remedies or recourses under the Loan Documents or otherwise at law or equity shall be deemed to cure any Event of Default.

Section 4.4 Release of and Resort to Collateral. Mortgagee may release, regardless of consideration and without the necessity for any notice to or consent by the holder of any subordinate lien on the Mortgaged Property, any part of the Mortgaged Property without, as to the remainder, in any way impairing, affecting, subordinating or releasing the lien or security interest created in or evidenced by the Loan Documents or their priority with respect to the Mortgaged Property. For payment of the Indebtedness, Mortgagee may resort to any other security in such order and manner as Mortgagee may elect.

Section 4.5 Waiver of Redemption, Notice and Marshalling of Assets. To the fullest extent permitted by law, Mortgagor hereby irrevocably and unconditionally waives and releases (a) all benefit that might accrue to Mortgagor by virtue of any present or future statute of limitations or law or judicial decision exempting the Mortgaged Property from attachment, levy or sale on execution or providing for any stay of execution, exemption from civil process, redemption or extension of time for payment, (b) all notices of any Event of Default or of any election by Mortgagee to exercise or the actual exercise of any right, remedy or recourse provided for under the Loan Documents, and (c) any right to a marshalling of assets or a sale in inverse order of alienation.

Section 4.6 Discontinuance of Proceedings. If Mortgagee or any other Secured Party shall have proceeded to invoke any right, remedy or recourse permitted under the Loan Documents and shall thereafter elect to discontinue or abandon it for any reason, Mortgagee or such other Secured Party, as the case may be, shall have the unqualified right to do so and, in such an event, Mortgagor, Mortgagee and the other Secured Parties shall be restored to their former positions with respect to the Indebtedness, the Obligations, the Loan Documents, the Mortgaged Property and otherwise, and the rights, remedies, recourses and powers of Mortgagee and the other Secured Parties shall continue as if the right, remedy or recourse had never been invoked, but no such discontinuance or abandonment shall waive any Event of Default which may then exist or the right of Mortgagee or any other Secured Party thereafter to exercise any right, remedy or recourse under the Loan Documents for such Event of Default.

Section 4.7 Application of Proceeds. The proceeds of any sale of, and the Rents and other amounts generated by the holding, leasing, management, operation or other use of the Mortgaged Property, shall be applied by Mortgagee (or the receiver, if one is appointed) in the order prescribed by Section 4.1 of the Intercreditor Agreement, unless otherwise required by applicable law.

Section 4.8 Occupancy After Foreclosure. Any sale of the Mortgaged Property or any part thereof in accordance with Section 4.1(d) will divest all right, title and interest of Mortgagor in and to the property sold. Subject to applicable law, any purchaser at a foreclosure sale will receive immediate possession of the property purchased. If Mortgagor retains possession of such property or any part thereof subsequent to such sale, Mortgagor will be considered a tenant at sufferance of the purchaser, and will, if Mortgagor remains in possession after demand to remove, be subject to eviction and removal, forcible or otherwise to the extent permitted by applicable law.

Section 4.9 Additional Advances and Disbursements; Costs of Enforcement.

(a) Upon the occurrence and during the continuance of any Event of Default, Mortgagee and each of the other Secured Parties shall have the right, but not the obligation, to cure such Event of Default in the name and on behalf of Mortgagor. All sums advanced and expenses incurred at any time by Mortgagee or any other Secured Party under this Section 4.9, or otherwise under this Mortgage or any of the other Loan Documents or applicable law, shall bear interest from the date that such sum is advanced or expense incurred, to and including the date of reimbursement, computed at the highest rate at which interest is then computed on any portion of the Indebtedness, and all such sums, together with interest thereon, shall be secured by this Mortgage.

(b) Mortgagor shall pay all expenses (including reasonable attorneys' fees and expenses) of or incidental to the perfection and enforcement of this Mortgage and the other Loan Documents, or the enforcement, compromise or settlement of the Indebtedness or any claim under this Mortgage and the other Loan Documents, and for the curing thereof, or for defending or asserting the rights and claims of Mortgagee in respect thereof, by litigation or otherwise.

Section 4.10 No Mortgagee in Possession**.** Neither the enforcement of any of the remedies under this Article 4, the assignment of the Rents and Leases under Article 5, the

security interests under Article 6, nor any other remedies afforded to Mortgagee under the Loan Documents, at law or in equity shall cause Mortgagee or any other Secured Party to be deemed or construed to be a mortgagee in possession of the Mortgaged Property, to obligate Mortgagee or any other Secured Party to lease the Mortgaged Property or attempt to do so, or to take any action, incur any expense, or perform or discharge any obligation, duty or liability whatsoever under any of the Leases or otherwise.

ARTICLE 5
ASSIGNMENT OF RENTS AND LEASES

Section 5.1 Assignment. In furtherance of and in addition to the assignment made by Mortgagor in Section 2.1 of this Mortgage, Mortgagor hereby absolutely and unconditionally assigns, sells, transfers and conveys to Mortgagee all of its right, title and interest in and to all Leases, whether now existing or hereafter entered into, and all of its right, title and interest in and to all Rents. This assignment is an absolute assignment and not an assignment for additional security only. So long as no Event of Default shall have occurred and be continuing, Mortgagor shall have a revocable license from Mortgagee to exercise all rights extended to the landlord under the Leases, including the right to receive and collect all Rents and to hold the Rents in trust for use in the payment and performance of the Obligations and to otherwise use the same. The foregoing license is granted subject to the conditional limitation that no Event of Default shall have occurred and be continuing. Upon the occurrence and during the continuance of an Event of Default, whether or not legal proceedings have commenced, and without regard to waste, adequacy of security for the Obligations or solvency of Mortgagor, the license herein granted shall automatically expire and terminate, without notice to Mortgagor by Mortgagee (any such notice being hereby expressly waived by Mortgagor to the extent permitted by applicable law).

Section 5.2 Perfection Upon Recordation. This Mortgage constitutes a "security agreement" on personal property within the meaning of the UCC and other applicable law and with respect to the Personalty, Fixtures, Leases, Rents, Deposit Accounts, Property Agreements, Tax Refunds, Proceeds, Insurance and Condemnation Awards. To this end, Mortgagor grants to Mortgagee a first and prior security interest in the Personalty, Fixtures, Leases, Rents, Deposit Accounts, Property Agreements, Tax Refunds, Proceeds, Insurance, Condemnation Awards and all other Mortgaged Property which is personal property to secure the payment of the Indebtedness and performance of the Obligations, and agrees that Mortgagee shall have all the rights and remedies of a secured party under the UCC with respect to such property. Any notice of sale, disposition or other intended action by Mortgagee with respect to the Personalty, Fixtures, Leases, Rents, Deposit Accounts, Property Agreements, Tax Refunds, Proceeds, Insurance and Condemnation Awards sent to Mortgagor at least ten (10) days prior to any action under the UCC shall constitute reasonable notice to Mortgagor. In the event of any conflict or inconsistency between the terms of this Mortgage and the terms of the Security Agreement with respect to the collateral covered both therein and herein, the Security Agreement shall control and govern to the extent of any such conflict or inconsistency.

ARTICLE 2
GRANT; SECURED AMOUNT

Section 2.1 Grant. Subject to the limitation to the Secured Amount hereunder, to secure the full and timely payment of the Indebtedness and the full and timely performance of the Obligations, each of Mortgagor and Agency MORTGAGES, GRANTS, BARGAINS, ASSIGNS, SELLS, CONVEYS and CONFIRMS, to Mortgagee the Mortgaged Property, subject, however, only to the matters that are set forth on Exhibit C attached hereto (the "***Permitted Encumbrances***") and to Permitted Liens (including, without limitation, the PILOT Mortgage), TO HAVE AND TO HOLD the Mortgaged Property and each of Mortgagor and Agency does hereby bind itself, its successors and assigns to WARRANT AND FOREVER DEFEND the title to the Mortgaged Property unto Mortgagee, subject to Permitted Liens and Permitted Encumbrances.

Section 2.2 Reduction of Secured Amount. So long as the balance of the Indebtedness equals or exceeds the Secured Amount, the amount of the Indebtedness secured by this Mortgage shall at all times equal only the Secured Amount. The Secured Amount shall be reduced only by the last and final sums that are repaid with respect to the Indebtedness and shall not be reduced by any intervening repayments of the Indebtedness, provided that the Indebtedness is not reduced below the Secured Amount. If at any time (a) the Secured Amount has been reduced by reason of a reduction in the amount of the Indebtedness and (b) the amount of the Indebtedness shall thereafter be increased, then the Secured Amount shall be increased accordingly by an amount equal to the amount of such increase in the Indebtedness, subject to the limitation that the maximum Indebtedness which is secured by or which by any contingency may be secured by this Mortgage shall not exceed $[420,000,000]. So long as the balance of the Indebtedness exceeds the Secured Amount, any payments and repayments of the Indebtedness shall not be deemed to be applied against, or to reduce, the portion of the Indebtedness secured by this Mortgage. Such payments shall instead be deemed to reduce only such portions of the Indebtedness as are secured by other collateral located outside of the State of New York.

ARTICLE 3
WARRANTIES, REPRESENTATIONS AND COVENANTS

Mortgagor, and Agency, as applicable, hereby represent, warrant and covenant that:

Section 3.1 Title to Mortgaged Property and Lien of this Instrument. Mortgagor and Agency each owns its respective portion of the Mortgaged Property free and clear of any liens, claims or interests, except the Permitted Encumbrances and the Permitted Liens. This Mortgage creates valid, enforceable liens and security interests against the Mortgaged Property.

Section 3.2 Lien Status. Mortgagor shall preserve and protect the lien and security interest priority of this Mortgage and the other Collateral Documents. If any lien or security interest other than a Permitted Encumbrance or a Permitted Lien is asserted against the Mortgaged Property, Mortgagor shall promptly, and at Mortgagor's expense, (a) give Mortgagee a detailed written notice of such lien or security interest (including origin, amount and other terms), and (b) pay the underlying claim in full or take such other action so as to cause it to be released or contest the same in compliance with the requirements of the Loan Documents (including the requirement of providing a bond or other security satisfactory to Mortgagee). Agency shall not at any time subordinate its fee interest in the Mortgaged Property or any portion thereof to the lien or interests of any mortgagee of its interest in the Premises.

ARTICLE 4
LEASEHOLD MORTGAGE PROVISIONS

Section 4.1 Representations; Warranties; Covenants. Mortgagor hereby represents, warrants and covenants that:

(a) (1) Except as set forth in Exhibit B hereof, the Subject Lease is unmodified and in full force and effect, (2) all rent and other charges therein have been paid to the extent they are payable to the date hereof, (3) Mortgagor enjoys the quiet and peaceful possession of the Premises, (4) to the best of its knowledge, Mortgagor is not in default under any of the terms thereof and there are no circumstances which, with the passage of time or the giving of notice or both, would constitute an event of default thereunder, (5) to the best of Mortgagor's knowledge, the lessor thereunder is not in default under any of the terms or provisions thereof on the part of the lessor to be observed or performed, and (6) Mortgagor has not previously subordinated its interest in the Mortgaged Property to the lien or interests of any mortgagee of the lessor's fee interest in the Premises other than the liens and interests created by this Mortgage;

(b) Mortgagor shall promptly pay, when due and payable, the rent and other charges payable pursuant to the Subject Lease, and will timely perform and observe all of the other terms, covenants and conditions required to be performed and observed by Mortgagor as lessee under the Subject Lease;

(c) Mortgagor shall notify Mortgagee in writing of any default by Mortgagor in the performance or observance of any terms, covenants or conditions on the part of Mortgagor to be performed or observed under the Subject Lease within three (3) days after Mortgagor obtains knowledge of such default;

(d) Mortgagor shall, immediately upon receipt thereof, deliver a copy of each notice given to Mortgagor by the lessor pursuant to the Subject Lease and promptly notify Mortgagee in writing of any default by the lessor in the performance or observance of any of the terms, covenants or conditions on the part of the lessor to be performed or observed thereunder;

(e) Except as permitted in the Loan Documents or required under the terms of the Subject Lease, Mortgagor shall not, without the prior written consent of Mortgagee (which may be granted or withheld in Mortgagee's sole and absolute discretion) terminate, modify or surrender the Subject Lease in any material way, and any such attempted termination, modification or surrender without Mortgagee's written consent shall be void;

(f) Mortgagor shall, promptly upon Mortgagee's request, request from Agency an estoppel certificate pursuant to Section 9.6(L) of the Subject Lease;

(g) Mortgagor shall not at any time subordinate its leasehold interest in the Mortgaged Property or any portion thereof to the lien or interests of any mortgagee of the lessor's fee interest in the Premises;

(h) Mortgagor shall pay the Indebtedness when due under the Loan Documents and shall perform the Obligations in full when they are required to be performed;

(i) Mortgagor shall not, without the prior written consent of Mortgagee, permit any of the Fixtures or Personalty owned or leased by Mortgagor to be removed at any time from the Land or Improvements, unless the removed item is removed temporarily for maintenance, repair or replacement, or the removal of the same is not prohibited by the Loan Documents;

(j) Mortgagor shall permit Mortgagee and the other Secured Parties and their respective agents, representatives and employees, upon reasonable prior notice to Mortgagor, to inspect the Mortgaged Property and all books and records of Mortgagor located thereon, and to conduct such environmental and engineering studies as Mortgagee or the other Secured Parties may reasonably require, provided that such inspections and studies shall not materially interfere with the use and operation of the Mortgaged Property;

(k) All of the covenants of Mortgagor in the Loan Documents are incorporated herein by reference and, together with covenants in this Article 3, shall be covenants running with the Land;

(l) Mortgagor shall (i) maintain or cause to be maintained insurance with respect to the Mortgaged Property in types, amounts and coverages (including the naming of Mortgagee as loss payee or additional insured, as applicable) and with insurers, satisfying the requirements of the First Lien Credit Agreement; and (ii) if any portion of the Mortgaged Property is located in an area identified by the Federal Emergency Management Agency as an area having special flood hazards and in which flood

insurance has been made available under the National Flood Insurance Act of 1968 (or any amendment or successor act thereto), then Mortgagor shall maintain, or cause to be maintained, with a financially sound and reputable insurer, flood insurance in an amount sufficient to comply with all applicable rules and regulations promulgated pursuant to such Act;

(m) Mortgagor assigns all Condemnation Awards to Mortgagee and authorizes Mortgagee to collect and receive such Condemnation Awards and to give proper receipts and acquittances therefor, subject to the terms of the Loan Documents and the terms of the Subject Lease; and

(n) Subject to the terms of the Subject Lease and the Loan Documents, (i) Mortgagor assigns to Mortgagee all proceeds of any insurance policies insuring against loss or damage to the Mortgaged Property, (ii) Mortgagor authorizes Mortgagee to collect and receive such proceeds (to the extent Mortgagor is entitled thereto under the terms of the Subject Lease) and authorizes and directs the issuer of each of such insurance policies to make payment for all such losses (to the extent Mortgagor is entitled thereto under the terms of the Subject Lease) directly to Mortgagee, instead of to Mortgagor and Mortgagee jointly.

Section 4.2 No Merger. So long as any of the Indebtedness or the Obligations remain unpaid or unperformed, the fee title to and the leasehold estate in the Premises subject to the Subject Lease shall not merge but shall always be kept separate and distinct notwithstanding the union of such estates in the lessor or Mortgagor, or in a third party, by purchase or otherwise. If Mortgagor acquires the fee title or any other estate, title or interest in the Premises, or any part thereof, the lien of this Mortgage shall attach to, cover and be a lien upon such acquired estate, title or interest and the same shall thereupon be and become a part of the Mortgaged Property with the same force and effect as if specifically encumbered herein. Mortgagor agrees to execute all instruments and documents that Mortgagee may reasonably require to ratify, confirm and further evidence the lien of this Mortgage on the acquired estate, title or interest. Furthermore, Mortgagor hereby appoints Mortgagee as its true and lawful attorney-in-fact to execute and deliver, following an Event of Default, all such instruments and documents in the name and on behalf of Mortgagor. This power, being coupled with an interest, shall be irrevocable as long as any portion of the Indebtedness remains unpaid.

Section 4.3 Mortgagee as Lessee. If the Subject Lease shall be terminated prior to the natural expiration of its term due to default by Mortgagor or any tenant thereunder, and if, pursuant to the provisions of such Subject Lease, Mortgagee or its designee shall acquire from the lessor a new lease of the Premises, Mortgagor shall have no right, title or interest in or to such new lease or the leasehold estate created thereby, or renewal privileges therein contained.

Section 4.4 No Assignment. Notwithstanding anything to the contrary contained herein, but without limiting the effectiveness of Section 11.2, this Mortgage shall not constitute an assignment of the Subject Lease within the meaning of any provision thereof prohibiting its assignment and Mortgagee shall have no liability or obligation thereunder by reason of its acceptance of this Mortgage. Mortgagee shall be liable for the obligations of the tenant arising out of the Subject Lease for only that period of time for which Mortgagee is in possession of the premises demised thereunder or has acquired, by foreclosure or otherwise, and is holding all of Mortgagor's right, title and interest therein.

ARTICLE 5
DEFAULT AND FORECLOSURE

Section 5.1 Remedies. Upon the occurrence and during the continuance of an Event of Default and subject to the provisions of the Intercreditor Agreement, Mortgagee may, at Mortgagee's election, exercise any or all of the following rights, remedies and recourses:

(a) Acceleration. Subject to any provisions of the Loan Documents providing for the automatic acceleration of the Indebtedness upon the occurrence of certain Events of Default, declare the Indebtedness to be immediately due and payable, without further notice, presentment, protest, notice of intent to accelerate, notice of acceleration, demand or action of any nature whatsoever (each of which hereby is expressly waived by Mortgagor), whereupon the same shall become immediately due and payable.

(b) Entry on Mortgaged Property. Subject to, and to the extent permitted by, applicable law, enter the Mortgaged Property and take exclusive possession thereof and of all books, records and accounts relating thereto or located thereon. If Mortgagor or Agency remains in possession of the Mortgaged Property following the occurrence and during the continuance of an Event of Default and without Mortgagee's prior written consent, subject to applicable law, Mortgagee may invoke any legal remedies to dispossess Mortgagor or Agency.

(c) Operation of Mortgaged Property. Subject to, and to the extent permitted by, applicable law, hold, lease, develop, manage, operate or otherwise use the Mortgaged Property upon such terms and conditions as Mortgagee may deem reasonable under the circumstances (making such repairs, alterations, additions and improvements and taking other actions, from time to time, as Mortgagee deems necessary or desirable), and apply all Rents and other amounts collected by Mortgagee in connection therewith in accordance with the provisions of Section 5.7.

(d) Foreclosure and Sale. Institute proceedings for the complete foreclosure of this Mortgage by judicial action or by power of sale, in which case the Mortgaged Property may be sold for cash or credit in one or more parcels as Mortgagee may determine, subject to applicable law. With respect to any notices required or permitted under the UCC, Mortgagor agrees that ten (10) days' prior written notice shall be deemed commercially reasonable. At any such sale by virtue of any judicial proceedings, power of sale, or any other legal right, remedy or recourse, the title to and right of possession of any such property shall pass to the purchaser thereof, and to the fullest extent permitted by law, Mortgagor and Agency shall be completely and irrevocably divested of all of their right, title, interest, claim, equity, equity of redemption, and demand whatsoever, either at law or in equity, in and to the property sold and such sale shall be a perpetual bar both at law and in equity against Mortgagor and Agency, and against all other Persons claiming or to claim the property sold or any part thereof, by, through or under Mortgagor or Agency. Mortgagee or any of the other Secured Parties may be a purchaser at such sale. If Mortgagee or such other Secured Party is the highest bidder, Mortgagee or such other Secured Party may credit the portion of the purchase price that would be distributed to Mortgagee or such other Secured Party against the Indebtedness in lieu of paying cash after payment in full of the PILOT Mortgage. In the event this Mortgage is foreclosed by judicial action, appraisement of the Mortgaged Property is waived to the extent permitted by applicable law.

(e) Receiver. Make application to a court of competent jurisdiction for, and obtain from such court as a matter of strict right and without notice to Mortgagor or regard to the adequacy of the Mortgaged Property for the repayment of the Indebtedness, the appointment of a receiver of the Mortgaged Property, and each of Mortgagor and Agency irrevocably consents to such appointment. Any such receiver shall have all the usual powers and duties of receivers in similar cases, including the full power to rent, maintain and otherwise operate the Mortgaged Property upon such terms as may be approved by the court, and shall apply such Rents in accordance with the provisions of Section 5.7.

(f) Other. Exercise all other rights, remedies and recourses granted under the Loan Documents or otherwise available at law or in equity.

Section 5.2 Separate Sales. Any sale of the Mortgaged Property pursuant to Section 5.1(d) may be in one or more parcels and in such manner and order as Mortgagee in its sole discretion may elect. The right of sale arising out of any Event of Default shall not be exhausted by any one or more sales.

Section 5.3 Remedies Cumulative, Concurrent and Nonexclusive. Mortgagee and the other Secured Parties shall have all rights, remedies and recourses granted in the Loan Documents and available at law or equity (including the UCC), which rights (a) shall be cumulative and concurrent, (b) to the extent permitted by applicable law, may be pursued separately, successively or concurrently against Mortgagor or Agency or others obligated under the Loan Documents, or against the Mortgaged Property, or against any one or more of them, at the sole discretion of Mortgagee or such other Secured Party, as the case may be, (c) may be exercised as often as occasion therefor shall arise, and the exercise or failure to exercise any of them shall not be construed as a waiver or release thereof or of any other right, remedy or recourse, and (d) are intended to be, and shall be, nonexclusive. No action by Mortgagee or any other Secured Party in the enforcement of any rights, remedies or recourses under the Loan Documents or otherwise at law or equity shall be deemed to cure any Event of Default.

Section 5.4 Release of and Resort to Collateral. Mortgagee may release, regardless of consideration and without the necessity for any notice to or consent by the holder of any subordinate lien on the Mortgaged Property, any part of the Mortgaged Property without, as to the remainder, in any way impairing, affecting, subordinating or releasing the lien or security interest created in or evidenced by the Loan Documents or their priority with respect to the Mortgaged Property. For payment of the Indebtedness, Mortgagee may resort to any other security in such order and manner as Mortgagee may elect.

Section 5.5 Waiver of Redemption, Notice and Marshalling of Assets. To the fullest extent permitted by law, each of Mortgagor and Agency hereby irrevocably and unconditionally waives and releases (a) all benefit that might accrue to Mortgagor or Agency by virtue of any present or future statute of limitations or law or judicial decision exempting the Mortgaged Property from attachment, levy or sale on execution or providing for any stay of execution, exemption from civil process, redemption or extension of time for payment, (b) all notices of any Event of Default or of any election by Mortgagee to exercise or the actual exercise of any right, remedy or recourse provided for under the Loan Documents, and (c) any right to a marshalling of assets or a sale in inverse order of alienation.

Section 5.6 Discontinuance of Proceedings. If Mortgagee or any other Secured Party shall have proceeded to invoke any right, remedy or recourse permitted under the Loan Documents and shall thereafter elect to discontinue or abandon it for any reason, Mortgagee or such other Secured Party, as the case may be, shall have the unqualified right to do so and, in such an event, Mortgagor, Agency, Mortgagee and the other Secured Parties shall be restored to their former positions with respect to the Indebtedness, the Obligations, the Loan Documents, the Mortgaged Property and otherwise, and the rights, remedies, recourses and powers of Mortgagee and the other Secured Parties shall continue as if the right, remedy or recourse had never been invoked, but no such discontinuance or abandonment shall waive any Event of Default which may then exist or the right of Mortgagee or any other Secured Party thereafter to exercise any right, remedy or recourse under the Loan Documents for such Event of Default.

Section 5.7 Application of Proceeds. The proceeds of any sale of, and the Rents and other amounts generated by the holding, leasing, management, operation or other use of the Mortgaged Property, shall be applied by Mortgagee (or the receiver, if one is appointed) first to the payment of all indebtedness secured by the PILOT Mortgage, and then in the order prescribed by Section 4.1 of the Intercreditor Agreement, unless otherwise required by applicable law.

Section 5.8 Occupancy After Foreclosure. Any sale of the Mortgaged Property or any part thereof in accordance with Section 5.1(d) will divest all right, title and interest of Mortgagor and Agency in and to the property sold. Subject to applicable law, any purchaser at a foreclosure sale will receive immediate possession of the property purchased. If Mortgagor or Agency retains possession of such property or any part thereof subsequent to such sale, Mortgagor or Agency (as applicable) will be considered a tenant at sufferance of the purchaser, and will, if Mortgagor or Agency remains in possession after demand to remove, be subject to eviction and removal, forcible or otherwise, to the extent permitted by applicable law.

Section 5.9 Additional Advances and Disbursements; Costs of Enforcement.

(a) Upon the occurrence and during the continuance of any Event of Default, Mortgagee and each of the other Secured Parties shall have the right, but not the obligation, to cure such Event of Default in the name and on behalf of Mortgagor. All sums advanced and expenses incurred at any time by Mortgagee or any other Secured Party under this Section 5.9, or otherwise under this Mortgage or any of the other Loan Documents or applicable law, shall bear interest from the date that such sum is advanced or expense incurred, to and including the date of reimbursement, computed at the highest rate at which interest is then computed on any portion of the Indebtedness, and all such sums, together with interest thereon, shall be secured by this Mortgage.

(b) Mortgagor shall pay all expenses (including reasonable attorneys' fees and expenses) of or incidental to the perfection and enforcement of this Mortgage and the other Loan Documents, or the enforcement, compromise or settlement of the Indebtedness or any claim under this Mortgage and the other Loan Documents, and for the curing thereof, or for defending or asserting the rights and claims of Mortgagee in respect thereof, by litigation or otherwise.

Section 5.10 No Mortgagee in Possession. Neither the enforcement of any of the remedies under this Article 5, the assignment of the Rents and Leases under Article 6, the security interests under Article 7, nor any other remedies afforded to Mortgagee under the Loan Documents, at law or in equity shall cause Mortgagee or any other Secured Party to be deemed or construed to be a mortgagee in possession of the Mortgaged Property, to obligate Mortgagee or any other Secured Party to lease the Mortgaged Property or attempt to do so, or to take any action, incur any expense, or perform or discharge any obligation, duty or liability whatsoever under any of the Leases or otherwise.

ARTICLE 6
ASSIGNMENT OF RENTS AND LEASES

Section 6.1 Assignment. In furtherance of and in addition to the assignment made by Mortgagor and Agency in Section 2.1 of this Mortgage, each of Mortgagor and Agency hereby absolutely and unconditionally assigns, sells, transfers and conveys to Mortgagee all of its right, title and interest in and to all Leases and the Subject Lease, whether now existing or hereafter entered into, and all of its right, title and interest in and to all Rents. This assignment is an absolute assignment and not an assignment for additional security only. So long as no Event of Default shall have occurred and be continuing, each of Mortgagor and Agency shall have a revocable license from Mortgagee to exercise all rights extended to the landlord under the Leases, including the right to receive and collect all Rents and to hold the Rents in trust for use in the payment and performance of the Obligations and to otherwise use the same. The foregoing license is granted subject to the conditional limitation that no Event of Default shall have occurred and be continuing. Upon the occurrence and during the continuance of an Event of Default, whether or not legal proceedings have commenced, and without regard to waste, adequacy of security for the Obligations or solvency of Mortgagor or Agency, the license herein granted shall automatically expire

and terminate, without notice to Mortgagor or Agency by Mortgagee (any such notice being hereby expressly waived by Mortgagor and Agency to the extent permitted by applicable law).

Section 6.2 Perfection Upon Recordation. Mortgagor acknowledges that Mortgagee has taken all actions necessary to obtain, and that upon recordation of this Mortgage Mortgagee shall have, to the extent permitted under applicable law, a valid and fully perfected, present assignment of the Rents arising out of the Leases and all security for such Leases. Mortgagor acknowledges and agrees that upon recordation of this Mortgage, Mortgagee's interest in the Rents shall be deemed to be fully perfected, "choate" and enforced as to Mortgagor and to the extent permitted under applicable law, all third parties, including, without limitation, any subsequently appointed trustee in any case under Title 11 of the United States Code (the "***Bankruptcy Code***"), without the necessity of commencing a foreclosure action with respect to this Mortgage, making formal demand for the Rents, obtaining the appointment of a receiver or taking any other affirmative action.

Section 6.3 Bankruptcy Provisions. Without limitation of the absolute nature of the assignment of the Rents hereunder, Mortgagor, Agency and Mortgagee agree that (a) this Mortgage shall constitute a "security agreement" for purposes of Section 552(b) of the Bankruptcy Code, (b) the security interest created by this Mortgage extends to property of Mortgagor and Agency acquired before the commencement of a case in bankruptcy and to all amounts paid as Rents and (c) such security interest shall extend to all Rents acquired by the estate after the commencement of any case in bankruptcy.

Section 6.4 No Merger of Estates. So long as part of the Indebtedness and the Obligations secured hereby remain unpaid and undischarged, the fee and leasehold estates to the Mortgaged Property shall not merge, but shall remain separate and distinct, notwithstanding the union of such estates in Mortgagor, Agency, Mortgagee, any tenant or any third party by purchase or otherwise.

ARTICLE 7
SECURITY AGREEMENT

Section 7.1 Security Interest. This Mortgage constitutes a "security agreement" on personal property within the meaning of the UCC and other applicable law and with respect to all of the right, title and interest of (x) Mortgagor in and to the Personalty, Fixtures, Deposit Accounts, Leases, Rents, Property Agreements, Tax Refunds, Proceeds, Insurance and Condemnation Awards, and (y) Agency in and to Personalty (to the extent the same comprise Equipment (as defined in the Subject Lease)), Fixtures, Leases, Rents, Property Agreements (subject to Section 11.5), Tax Refunds, Proceeds, Insurance and Condemnation Awards. To this end, (a) Mortgagor grants to Mortgagee a security interest in (i) Personalty, Fixtures, Deposit Accounts, Leases, Rents, Property Agreements, Tax Refunds, Proceeds, Insurance and Condemnation Awards, and (ii) all other Mortgaged Property which is personal property; and (b) Agency grants to Mortgagee a security interest in (i) Personalty (to the extent comprising Equipment (as defined in the Subject Lease)), Fixtures, Leases, Rents, Property Agreements (subject to Section 11.5), Tax Refunds, Proceeds, Insurance and Condemnation Awards, and (ii) to the extent comprising Equipment (as defined in the Subject Lease), all other Mortgaged Property which is personal property, in each case, to secure the payment of the Indebtedness and performance of the Obligations, and agrees that Mortgagee shall have all the rights and remedies of a secured party under the UCC with respect to such property. Any notice of sale, disposition or other intended action by Mortgagee with respect to the Personalty, Fixtures, Deposit Accounts, Leases, Rents, Property Agreements, Tax Refunds, Proceeds, Insurance and Condemnation Awards sent to Mortgagor or Agency at least ten (10) days prior to any action under the UCC shall constitute reasonable notice to Mortgagor or Agency, as the case may be. In the event of any conflict or inconsistency between the terms of this Mortgage and the terms of the Security Agreement with respect to the collateral covered both therein and herein, the Security Agreement shall control and govern to the extent of any such conflict or inconsistency.

Section 7.2 Financing Statements. Mortgagor shall prepare and deliver to Mortgagee such financing statements, and shall execute and deliver to Mortgagee such other documents, instruments and further assurances, in each case in form and substance satisfactory to Mortgagee, as Mortgagee may, from time to time, reasonably consider necessary to create, perfect and preserve Mortgagee's security interest hereunder. Mortgagor hereby irrevocably authorizes Mortgagee to cause financing statements (and amendments thereto and continuations thereof) and any such documents, instruments and assurances to be recorded and filed, at such times and places as may be required or permitted by law to so create, perfect and preserve such security interest. Mortgagor represents and warrants to Mortgagee that Mortgagor's jurisdiction of organization is the State of Delaware. Agency represents and warrants to Mortgagee that Agency's jurisdiction of organization is the State of New York. After the date of this Mortgage, Mortgagor shall not change its name, type of organization, organizational identification number (if any), jurisdiction of organization or location (within the meaning of the UCC) without giving at least thirty (30) days' prior written notice to Mortgagee.

Section 7.3 Fixture Filing. This Mortgage shall also constitute a "fixture filing" for the purposes of the UCC against all of the Mortgaged Property which is or is to become fixtures. The information provided in this Section 7.3 is provided so that this Mortgage shall comply with the requirements of the UCC for a mortgage instrument to be filed as a financing statement. Mortgagor is the "Debtor" and its name and mailing address is set forth in the preamble of this Mortgage immediately preceding Article 1. Mortgagee is the "Secured Party" and its name and mailing address from which information concerning the security interest granted herein may be obtained are also set forth in the preamble of this Mortgage immediately preceding Article 1. A statement describing the portion of the Mortgaged Property comprising the fixtures hereby secured is set forth in Section 1.1(e) of this Mortgage. Mortgagor represents and warrants to Mortgagee that Mortgagor is the record owner of the applicable portion of the Mortgaged Property. The employer identification number of Mortgagor is 65-1230156. The employer identification number of Agency is 14-6602874.

ARTICLE 8

Any notice required or permitted to be given to Mortgagor or Agency under this Mortgage shall be given in accordance with Section 12.1 of the Subject Lease.

Section 8.2 Covenants Running with the Land. All Obligations contained in this Mortgage are intended by Agency, Mortgagor and Mortgagee to be, and shall be construed as, covenants running with the Land. As used herein, "***Mortgagor***" shall refer to the party named in the first paragraph of this Mortgage and to any subsequent owner of all or any portion of the Mortgaged Property. All Persons who may have or acquire an interest in the Mortgaged Property shall be deemed to have notice of, and be bound by, the terms of the Loan Documents; *provided, however,* that no such party shall be entitled to any rights thereunder without the prior written consent of Mortgagee.

Section 8.3 Attorney-in-Fact. Mortgagor hereby irrevocably appoints Mortgagee as its attorney-in-fact, which agency is coupled with an interest and with full power of substitution, with full authority in the place and stead of Mortgagor and in the name of Mortgagor or otherwise following the occurrence and during the continuance of any Event of Default, in Mortgagor's discretion (a) to execute and/or record any notices of completion, cessation of labor or any other notices that Mortgagee deems appropriate to protect Mortgagee's interest, if Mortgagor shall fail to do so within ten (10) days after written request by Mortgagee, (b) upon the issuance of a deed pursuant to the foreclosure of this Mortgage or the delivery of a deed in lieu of foreclosure, to execute all instruments of assignment,

conveyance or further assurance with respect to the Leases, Rents, Deposit Accounts, Property Agreements, Tax Refunds, Proceeds, Insurance and Condemnation Awards in favor of the grantee of any such deed and as may be necessary or desirable for such purpose, (c) to prepare and file or record financing statements and continuation statements, and to prepare, execute and file or record applications for registration and like papers necessary to create, perfect or preserve Mortgagee's security interests and rights in or to any of the Mortgaged Property, and (d) to perform any obligation of Mortgagor hereunder; *provided, however*, that (1) Mortgagee shall not under any circumstances be obligated to perform any obligation of Mortgagor; (2) any sums advanced by Mortgagee in such performance shall be added to and included in the Indebtedness and shall bear interest at the highest rate at which interest is then computed on any portion of the Indebtedness; (3) Mortgagee as such attorney-in-fact shall only be accountable for such funds as are actually received by Mortgagee; and (4) Mortgagee shall not be liable to Mortgagor or any other person or entity for any failure to take any action which it is empowered to take under this Section 8.3.

Section 8.4 Successors and Assigns. This Mortgage shall be binding upon and inure to the benefit of Mortgagee, the other Secured Parties and Mortgagor and their respective successors and assigns. Mortgagor shall not, without the prior written consent of Mortgagee, assign any rights, duties or obligations hereunder.

Section 8.5 No Waiver. Any failure by Mortgagee or the other Secured Parties to insist upon strict performance of any of the terms, provisions or conditions of the Loan Documents shall not be deemed to be a waiver of same, and Mortgagee and the other Secured Parties shall have the right at any time to insist upon strict performance of all of such terms, provisions and conditions.

Section 8.6 Release or Reconveyance. Upon payment in full of the Indebtedness and performance in full of the Obligations or upon a sale or other disposition of the Mortgaged Property permitted by the Loan Documents, Mortgagee, at Mortgagor's request and expense, shall release the liens and security interests created by this Mortgage or reconvey the Mortgaged Property to Mortgagor.

Section 8.7 Waiver of Stay, Moratorium and Similar Rights. Mortgagor agrees, to the full extent that it may lawfully do so, that it will not at any time insist upon or plead or in any way take advantage of any stay, marshalling of assets, extension, redemption or moratorium law now or hereafter in force and effect so as to prevent or hinder the enforcement of the provisions of this Mortgage or the Indebtedness or Obligations secured hereby, or any agreement between Mortgagor and Mortgagee or any rights or remedies of Mortgagee or any other Secured Party.

Section 8.8 Applicable Law. All provisions of this Mortgage shall be governed by the laws of the State of New York (including, without limitation, Section 5-1401 of the General Obligations Law of the State of New York).

Section 8.9 Headings. The Article, Section and Subsection titles hereof are inserted for convenience of reference only and shall in no way alter, modify or define, or be used in construing, the text of such Articles, Sections or Subsections.

Section 8.10 Severability. If any provision of this Mortgage shall be held by any court of competent jurisdiction to be unlawful, void or unenforceable for any reason, such provision shall be deemed severable from and shall in no way affect the enforceability and validity of the remaining provisions of this Mortgage.

Section 8.11 Entire Agreement. This Mortgage, the Subject Lease and the other Financing Documents embody the entire agreement and understanding between Mortgagor and

Mortgagee relating to the subject matter hereof and thereof and supersede all prior agreements and understandings between such parties relating to the subject matter hereof and thereof. Accordingly, this Mortgage, the Subject Lease and the Financing Documents may not be contradicted by evidence of prior, contemporaneous or subsequent oral agreements of the parties. There are no unwritten oral agreements between the parties.

Section 8.12 Mortgagee as Agent; Successor Agents.

(a) Agent has been appointed to act as Agent hereunder by the other Secured Parties. Agent shall have the right hereunder to make demands, to give notices, to exercise or refrain from exercising any rights, and to take or refrain from taking any action (including, without limitation, the release or substitution of the Mortgaged Property) in accordance with the terms of the Intercreditor Agreement and this Mortgage. Mortgagor and all other Persons shall be entitled to rely on releases, waivers, consents, approvals, notifications and other acts of Agent, without inquiry into the existence of required consents or approvals of the Secured Parties therefor.

(b) Mortgagee shall at all times be the same Person that is Agent under the Intercreditor Agreement. Written notice of resignation by Agent pursuant to the Intercreditor Agreement shall also constitute notice of resignation as Agent under this Mortgage. Removal of Agent pursuant to any provision of the Intercreditor Agreement shall also constitute removal as Agent under this Mortgage. Appointment of a successor Agent pursuant to the Intercreditor Agreement shall also constitute appointment of a successor Agent under this Mortgage. Upon the acceptance of any appointment as Agent by a successor Agent under the Intercreditor Agreement, that successor Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring or removed Agent as the Mortgagee under this Mortgage, and the retiring or removed Agent shall promptly (i) assign and transfer to such successor Agent all of its right, title and interest in and to this Mortgage and the Mortgaged Property, and (ii) execute and deliver to such successor Agent such assignments and amendments and take such other actions, as may be necessary or appropriate in connection with the assignment to such successor Agent of the liens and security interests created hereunder, whereupon such retiring or removed Agent shall be discharged from its duties and obligations under this Mortgage. After any retiring or removed Agent's resignation or removal hereunder as Agent, the provisions of this Mortgage and the Intercreditor Agreement shall inure to its benefit as to any actions taken or omitted to be taken by it under this Mortgage while it was Agent hereunder.

Section 8.13 Counterparts. This Mortgage may be executed in any number of original counterparts, which when so executed shall be deemed to be an original for all purposes, and all counterparts shall together constitute one and the same instrument; signature and acknowledgment pages may be detached from multiple separate counterparts and attached to a single counterpart so that all signature pages are physically attached to the same document. This Mortgage shall become effective upon the execution of a counterpart hereof by each of the parties hereto.

ARTICLE 9
LOCAL LAW PROVISIONS

Section 9.1 Inconsistencies. In the event of any inconsistencies between the terms and conditions of this Article 9 and the other provisions of this Mortgage, the terms and conditions of this Article 9 shall control and be binding.

Section 9.2 Trust Fund. Pursuant to Section 13 of the New York Lien Law, Mortgagor shall receive the advances secured hereby and shall hold the right to receive the advances as a trust fund to be applied first for the purpose of paying the cost of any improvement and shall apply the advances

first to the payment of the cost of any such improvement on the Mortgaged Property before using any part of the total of the same for any other purpose.

Section 9.3 Commercial Property. Mortgagor represents that this Mortgage does not encumber real property principally improved or to be improved by one or more structures containing in the aggregate not more than six residential dwelling units, each having its own separate cooking facilities.

Section 9.4 Insurance. The provisions of subsection 4 of Section 254 of the New York Real Property Law covering the insurance of buildings against loss by fire shall not apply to this Mortgage. In the event of any conflict, inconsistency or ambiguity between the provisions of the First Lien Credit Agreement and the provisions of subsection 4 of Section 254 of the New York Real Property Law covering the insurance of buildings against loss by fire, the provisions of the First Lien Credit Agreement shall control.

Section 9.5 Leases. Mortgagee shall have all of the rights against lessees of the Mortgaged Property set forth in Section 291-f of the Real Property Law of New York.

Section 9.6 Statutory Construction. The clauses and covenants contained in this Mortgage that are construed by Section 254 of the New York Real Property Law shall be construed as provided in those sections (except as provided in Section 9.4). The additional clauses and covenants contained in this Mortgage shall afford rights supplemental to and not exclusive of the rights conferred by the clauses and covenants construed by Section 254 and shall not impair, modify, alter or defeat such rights (except as provided in Section 9.4), notwithstanding that such additional clauses and covenants may relate to the same subject matter or provide for different or additional rights in the same or similar contingencies as the clauses and covenants construed by Section 254. The rights of Mortgagee arising under the clauses and covenants contained in this Mortgage shall be separate, distinct and cumulative and none of them shall be in exclusion of the others. No act of Mortgagee or any of the Secured Parties shall be construed as an election to proceed under any one provision herein to the exclusion of any other provision, anything herein or otherwise to the contrary notwithstanding. In the event of any inconsistencies between the provisions of Section 254 and the provisions of this Mortgage, the provisions of this Mortgage shall prevail.

Section 9.7 Maximum Principal Amount Secured. Notwithstanding anything to the contrary contained in this Mortgage, the maximum amount of principal indebtedness secured by this Mortgage or which under any contingency may be secured by this Mortgage is the Secured Amount as set forth immediately following the Preamble above.

Section 9.8 Credit Line Mortgage. This Mortgage secures the Indebtedness under the First Lien Credit Agreement (a) that reflects the fact that the parties reasonably contemplate entering into one or more advances, repayments and readvances and (b) that limits the aggregate amount at any time outstanding and secured by this Mortgage to the Secured Amount.

ARTICLE 10
SUBORDINATION

The lien of and the terms, covenants and conditions of this Mortgage are fully subordinate and subject to the lien of and the terms, covenants and conditions of the PILOT Mortgage.

ARTICLE 11
JOINDER; LIMITED LIABILITY OF AGENCY; OTHER AGENCY PROVISIONS

Section 11.1 Agency to Record Mortgage. Notwithstanding anything to the contrary contained herein, Agency shall cause this Mortgage to be recorded in the Office of the Clerk of Greene County, New York.

Section 11.2 Joinder by Agency. Agency has executed and delivered this Mortgage to subject its fee interests in the Mortgaged Property to the lien hereof. Anything to the contrary contained herein notwithstanding, in no event shall the Mortgaged Property be deemed to include (a) any Unassigned Rights (as defined in the Subject Lease) of Agency, (b) the proceeds received on account of Agency Fee (as defined in the Subject Lease), (c) any instruments of collateral security and/or promissory notes payable to Agency, that may be delivered now or in the future to evidence or secure, as the case may be, any present or future obligations of Mortgagor to Agency or (d) any other property, asset, interest or other right or benefit of Agency except to the extent expressly arising out of or in connection with the Project (as defined in the Subject Lease). Anything contained herein to the contrary notwithstanding, Mortgagee shall not enforce any of the Obligations against Agency on a personal recourse basis by reason of its execution and delivery hereof, it being understood and agreed that Mortgagee's recourse against Agency shall be limited to its interest in the Mortgaged Property.

Section 11.3 Estoppel Statements by Agency; Other Matters. Agency hereby consents to the execution and delivery by Mortgagor of this Mortgage to the fullest extent any consent or approval thereto by Agency is required under the terms of the Subject Lease, including, without limitation, Sections 5.17 and 9.6 thereof. Agency acknowledges and agrees that, for all purposes under the Subject Lease, (a) the security interests granted by Mortgagor to Mortgagee hereby constitute a "Permitted Transfer", (b) this Mortgage comprises a "Leasehold Mortgage", (c) Mortgagee is a "Financial Institution", and (d) Mortgagee is a "Leasehold Mortgagee". Accordingly, Mortgagee shall be entitled to all of the benefits of Section 9.6 of the Subject Lease from the date hereof until payment in full of the Indebtedness and performance in full of the Obligations or upon a sale or other disposition of the Mortgaged Property permitted by the Loan Documents. Agency represents and warrants that Agency has approved a resolution approving the execution and delivery of this Mortgage as required by Section 9.6(b) of the Subject Lease. It is acknowledged and agreed that notices to Mortgagee in its capacity as "Subordinate Creditor" under the Intercreditor Agreement (as defined in the Subject Lease), notwithstanding the provisions of Section 8 thereof, shall from and after the date hereof be sent to Mortgagee in accordance with Section 8.1.

Section 11.4 No Recourse; Other Provisions.

(a) All covenants, stipulations, promises, agreements and obligations of Agency contained in this Mortgage shall be deemed to be the covenants, stipulations, promises, agreements and obligations of Agency and not of any member, officer, director, agent (other than Mortgagor), servant or employee of Agency in his individual capacity, and no recourse under or upon any obligation, covenant or agreement contained in this Mortgage, or otherwise based upon or in respect of this Mortgage, or for any claim based thereon or otherwise in respect thereof, shall be had against any past, present or future member, officer, director, agent (other than Mortgagor), servant or employee, as such, of Agency or any successor public benefit corporation or political subdivision or any person executing this Mortgage on behalf of Agency, either directly or through Agency or any successor public benefit corporation or political subdivision or any person so executing this Mortgage, it being expressly understood that this Mortgage is a corporate obligation, and that no such personal liability whatever shall attach to, or is or shall be incurred by, any such member, officer, director, agent (other than Mortgagor), servant or employee of Agency or of any successor public benefit corporation or political subdivision or any person

so executing this Mortgage under or by reason of the obligations, covenants or agreements contained in this Mortgage or implied therefrom; and that any and all such personal liability of, and any and all such rights and claims against, every such member, officer, director, agent (other than Mortgagor), servant or employee under or by reason of the obligations, covenants or agreements contained in this Mortgage or implied therefrom are, to the extent permitted by law, expressly waived and released as a condition of, and as a consideration for, the execution of this Mortgage.

(b) The obligations, covenants and agreements of Agency contained herein shall not constitute or give rise to an obligation of the State of New York or Greene County, New York, and neither the State of New York nor Greene County, New York shall be liable thereon, and further such obligations, covenants and agreements shall not constitute or give rise to a general obligation of Agency, but rather shall constitute limited obligations of Agency payable solely from the revenues of Agency derived and to be derived from the lease, sale or other disposition of the Mortgaged Property (except for revenues derived by Agency with respect to the Unassigned Rights (as defined in the Subject Lease)).

(c) Notwithstanding any provision of this Mortgage to the contrary, Agency shall not be obligated to take any action pursuant to any provision hereof unless (1) Agency shall have been requested to do so in writing by Mortgagee, and (2) if compliance with such request is reasonably expected to result in the incurrence by Agency (or any of its members, officers, agents (other than Mortgagor), servants or employees) of any liability, fees, expenses or other costs, Agency shall have received security or indemnity and an agreement to defend and hold harmless Agency satisfactory to Agency for protection against all such liability, however remote, and for the reimbursement of all such fees, expenses and other costs.

Section 11.5 **No Amendment of Existing Collateral Security Documents**. Nothing contained herein shall be deemed to modify, amend, mortgage, pledge or assign any interest of Agency under any instruments securing or evidencing the obligations of Mortgagor under the PILOT Agreement (as defined in the Subject Lease), including, without limitation, the amounts and payments under the Promissory Note from Mortgagor to Agency dated May 1, 2003 in the amount of $800,000.00, the PILOT Mortgage, the Letter of Credit to be maintained under Section 5.12 of the Subject Lease, any proceeds and rights of Agency in and to Unassigned Rights (as defined in the Subject Lease), the rights of Agency to receive the payments due under Section 5.3(B) and Exhibit "H" of the Subject Lease and the rights of the Agency under the Tri-Party Letter Agreement (as defined in the Subject Lease) and any and all proceeds, cash, receivables, rights and interests of Agency under any of the foregoing or under any of the Financing Documents (as defined in the Subject Lease).

Each Grantor agrees that a breach by any Grantor of any of the covenants contained in this Agreement will cause irreparable injury to the Secured Parties, that the Collateral Agent has no adequate remedy at law in respect of such breach and, as a consequence, that each and every covenant contained in this Agreement shall be specifically enforceable against such Grantor. Each Grantor waives and hereby agrees not to assert any defenses against an action for specific performance of such covenants except for a defense that no default has occurred giving rise to the Secured Obligations becoming due and payable prior to their stated maturities. Nothing in this Section 18 shall in any way limit the rights of the Collateral Agent hereunder.

In the case of a conflict between any instruction or order originated by the First Lien Collateral Agent and any instruction or order originated by the Borrower, any other Loan Party or any other Person, the instruction or order originated by the First Lien Collateral Agent shall prevail. The Borrower and each Guarantor hereby irrevocably direct, and the Depositary (in its capacity as securities intermediary) hereby agrees that after the Discharge of First Lien Obligations but prior to the Discharge of Second Lien Obligations, the Depositary will comply with all instructions and orders (including entitlement orders within the meaning of Section 8-102(a)(8) of the UCC) regarding each Account and any Financial Asset therein originated by the Second Lien Collateral Agent without the further consent of the Borrower, any other Loan Party or any other Person. The Depositary shall not change the name or account number of any Account without the prior written consent of, until the Discharge of First Lien Obligations, the First Lien Collateral Agent, and after the Discharge of First Lien Obligations but prior to the Discharge of Second Lien Obligations, the Second Lien Collateral Agent and shall not change the entitlement holder in respect of any Financial Asset credited thereto.

The Borrower, each Guarantor, the First Lien Collateral Agent, the Second Lien Collateral Agent and the Depositary agree that, for purposes of the UCC, notwithstanding anything to the contrary contained in any other agreement relating to the establishment and operation of the Accounts, the jurisdiction of the Depositary (in its capacity as the securities intermediary and bank) is the State of New York and the laws of the State of New York govern the establishment and operation of the Accounts and are applicable to all issues specified in Article 2(1) of the Hague Convention on the Law Applicable to Certain Rights in Respect of Securities Held with an Intermediary. The Depositary Agent (in its capacity as the securities intermediary) represents that at the effective time of the Depositary Agreement it has an office in the State of New York which is engaged in a business or other regular activity of maintaining securities accounts.

Section 2.6 Liens. The Depositary represents and warrants that it is not party to and shall not execute and deliver, or otherwise become bound by, any agreement under which the Depositary agrees with any Person other than the Collateral Agents to comply with entitlement orders or instructions originated by such Person relating to any of the Accounts or the Account Collateral that are the subject of this Agreement. The Depositary shall not grant any Lien on any Financial Asset credited to the Accounts, other than any Lien granted to any Collateral Agent under the Collateral Documents.

Section 2.7 Subordination of Lien; Waiver of Set-Off. In the event that the Depositary has or subsequently obtains by agreement, operation of law or otherwise a Lien in any Account or in any Account Collateral, the Depositary agrees that such Lien shall (except to the extent provided in the last sentence of this Section 2.7) be subordinate to the Liens of the Collateral Agents. The Financial Assets standing to the credit of the Accounts will not be subject to deduction, set-off, banker's lien, or any other right in favor of any Person other than the Collateral Agents (except to the extent of returned items and chargebacks either for uncollected checks or other items of payment and transfers previously credited to one or more of the Accounts, and the Borrower and each Collateral Agent hereby authorizes the Depositary to debit the Accounts for such amounts).

Section 2.8 No Other Agreements. None of the Depositary, any Collateral Agent, the Borrower or any other Loan Party has entered or will enter into any agreement with respect to any Account or any Account Collateral, other than this Agreement and the other Financing Documents.

Section 2.9 Notice of Adverse Claims. The Depositary hereby represents that, except for the claims and interests of the First Lien Collateral Agent and the Borrower in each of the Accounts and the Account Collateral, the Depositary, (a) as of the date hereof, has no knowledge of, and has received no notice of, and (b) as of each date on which any Account is established pursuant to this Agreement, has received no notice of, any claim to, or interest in, any Account or any other Account Collateral. If any Person asserts any Lien (including any writ, garnishment, judgment, warrant of attachment, execution or similar process) against any Account

or any other Account Collateral, the Depositary, upon obtaining knowledge thereof, will promptly notify each Collateral Agent and Borrower thereof.

Section 2.10 Rights and Powers of the Collateral Agents. The rights and powers granted to the First Lien Collateral Agent by the First Lien Secured Parties and to the Second Lien Collateral Agent by the Second Lien Secured Parties have, in each case, been granted in order to, among other things, perfect their respective Lien in the Accounts and the other Account Collateral and to otherwise act as their agent with respect to the matters contemplated hereby.

Section 2.11 Powers of Collateral Agents and Depositary. The Collateral Agents and, where appropriate, the Depositary shall have the right (but not the obligation) to (a) refuse any item for credit to any Account except as required by the terms of this Agreement and (b) refuse to honor any request for a disbursement of Account Funds that is not consistent with the terms of this Agreement and the Intercreditor Agreement. If any Loan Party fails to perform any of its agreements contained herein, the Applicable Collateral Agent may (but shall not be obligated to) itself perform, or cause the performance of, such agreement, and the expenses of the Applicable Collateral Agent incurred in connection therewith shall be payable by the Borrower upon demand and shall be part of the Secured Obligations. The powers conferred on the Collateral Agents and the Depositary in this Agreement are solely to protect (i) the First Lien Collateral Agent's, for the benefit of the First Lien Secured Parties, First Lien, and (ii) the Second Lien Collateral Agent's, for the benefit of the Second Lien Secured Parties, Second Lien, interest in the Accounts and the Account Funds and shall not impose any duty on any Collateral Agent or the Depositary to exercise any of such powers. Except for the reasonable care of any Account in its possession or under its control and the accounting of funds received by it pursuant hereto, neither of the Collateral Agents nor the Depositary shall have any duty with respect to the Accounts or Account Funds, or with respect to the taking of any necessary steps to preserve rights against prior parties or any other rights pertaining to the Accounts or the Account Funds.

Section 2.12 Disputes. In the event of any dispute as to any amount to be disbursed by the Depositary from the Accounts, the Depositary is authorized and directed to retain in its possession, without liability to any Loan Party, any Secured Party or any other Person, all or any part of the Account Funds until such dispute shall have been settled by a mutual agreement of the Borrower and the Applicable Collateral Agent or by a final order, decree or judgment of a Federal or state court of competent jurisdiction located in the State of New York, but the Depositary shall be under no duty whatsoever to institute or defend any such proceedings.

Section 3.7 Prepayment Account. So long as no Event of Default shall have occurred and be continuing, the Depositary (upon receipt of written instruction from the Borrower or, if the Borrower fails to provide such notice within five Business Days of the date any Account Funds are deposited in the Prepayment Account, the Applicable Collateral Agent) shall transfer the funds on deposit in or credited to the Prepayment Account in the following manner and in the following order of priority:

First, pro rata to (a) the First Lien Administrative Agent for ultimate application to the prepayment of outstanding Term B Loans, Term C Loans and Revolving Credit Loans, together with any Interest Expense then due and payable in connection therewith, in accordance with Section 2.06 of the First Lien Credit Agreement and (b) to the extent such Account Funds constitute Asset Sale Proceeds, to any First Lien Commodity Hedge Counterparty, for ultimate application to the payment of any Asset Sale Termination Payment owed to such First Lien Commodity Hedge Counterparty, together, in each case, with any Interest Expense then due and payable in connection therewith;

Second, after giving effect to the foregoing priority *first, pro rata* to the Second Lien Secured Parties, for ultimate application to the prepayment of any outstanding Second Lien Obligations to the extent required to be prepaid under the Second Lien Documents;

Third, any remaining amount on deposit in or credited to the Prepayment Account after giving effect to the foregoing priorities *first* and *second*, (a) so long as no Default has occurred and is continuing or will occur upon giving effect to such withdrawal and transfer, at the option of the Borrower, to such Persons and in such amounts as directed by the Borrower in such written instructions, including to pay dividends to the holders of common Equity Interests in the Borrower, or (b) to the Revenue Account.

Section 3.8 Loss Proceeds Account.

(a) Amounts on deposit in, or credited to, the Loss Proceeds Account in respect of any Casualty Event or Event of Eminent Domain shall be applied as follows:

(i) Subject to clause (iii) below, if the Borrower certifies to the Collateral Agents and the Depositary that the Affected Property is not capable of being rebuilt, repaired, restored or replaced to permit operation of the relevant Project in accordance in all material respects with the terms of the Financing Documents, then upon receipt of such certificate the Depositary shall transfer the amount of such Insurance Proceeds or Eminent Domain Proceeds (as applicable) to the Prepayment Account for further application in accordance with Section 3.7.

(ii) Subject to clause (iii) below, if the Loan Parties determine not to rebuild, repair, restore or replace any Affected Property and if the aggregate Insurance Proceeds or Eminent Domain Proceeds are in excess of $5,000,000, the Depositary shall upon receipt of such notice transfer the amount of such Insurance Proceeds or Eminent

Domain Proceeds (as applicable) to the Prepayment Account for further application in accordance with Section 3.7.

(iii) (A) If the aggregate amount of Insurance Proceeds or Eminent Domain Proceeds, as the case may be, payable in respect of such Casualty Event or Event of Eminent Domain is less than or equal to $75,000,000, then the Borrower may apply such Insurance Proceeds or Eminent Domain Proceeds, as applicable, to the payment of the cost of restoration or replacement of the Affected Property within eighteen (18), or in the event of any delay in such restoration or replacement due to a delay in the receipt of Governmental Authorizations, twenty-four (24), months from the date of receipt of such Insurance Proceeds or Eminent Domain Proceeds, as the case may be; *provided* that the Agents shall have received from the Borrower within 120 days of such Casualty Event or Event of Eminent Domain, a certificate of the Borrower executed by a Responsible Officer of the Borrower (a "***Repair Notice***") (1) setting forth in reasonable detail the nature of such restoration or replacement and the estimated cost and time to complete such restoration or replacement and (2) stating that (x) the proposed restoration or replacement is technologically and economically feasible and (y) the Insurance Proceeds or Eminent Domain Proceeds payable in connection with the related Casualty Event or Event of Eminent Domain, together with other resources available to the Borrower and the Guarantors in accordance with the terms of the Financing Documents, are sufficient to pay the estimated cost of completing such restoration or replacement.

(B) If the aggregate amount of Insurance Proceeds or Eminent Domain Proceeds, as the case may be, payable in respect of any Casualty Event or Event of Eminent Domain (other than a Casualty Event or Event of Eminent Domain described in clause (iii)(A) above) is greater than $75,000,000, then no later than three months following receipt of such payment, the Borrower shall either (1) cause such amount to be transferred to the Prepayment Account for further application in accordance with Section 3.7 or (2) deliver to the Agents (x) a Repair Notice confirming the Borrower's decision to apply such Insurance Proceeds or Eminent Domain Proceeds, as applicable, to the payment of the cost of restoration or replacement of the Affected Property and (y) a report of a reputable consulting engineering firm with recognized standing in the industry of power generation, such engineering firm and report to be reasonably satisfactory to the Applicable Collateral Agent confirming its agreement with (I) the estimated cost and time to complete such restoration and replacement of the Affected Property as set forth in the related Repair Notice and (II) that such restoration and replacement is technologically and economically feasible.

(C) Amounts held in the Loss Proceeds Account may be applied for the payment of the costs of rebuilding, restoration or repair of the Affected Property only as contemplated in this Section 3.8(a)(iii) and Section 3.8(a)(v).

(iv) Notwithstanding anything to the contrary in this Section 3.8(a), if the Insurance Proceeds or Eminent Domain Proceeds (as applicable) are equal to or less than $5,000,000 and the Loan Parties determine not to rebuild, repair, restore or replace the Affected Property or the Affected Property is not capable of being or cannot be rebuilt, repaired, restored or replaced in all material respects in accordance with the terms

of the Financing Documents, then at the specific, written request of the Borrower certifying the same, all such amounts shall be transferred by the Depositary to the Revenue Account.

(v) (A) Before any withdrawal or transfer shall be made from the Loss Proceeds Account, the Borrower shall deliver to the Depositary and Applicable Collateral Agent with respect to each Disbursement Date a requisition from the Borrower substantially in the form attached hereto as Exhibit B (a "***Restoration Requisition***"), dated not more than three Business Days prior to such Disbursement Date on which such withdrawal and transfer is requested to be made, signed by an authorized representative of the Borrower.

(B) On the Disbursement Date referred to in Section 3.8(a)(v)(A) above or as soon thereafter as practicable following receipt of the documents described in Section 3.8(a)(v)(A) above, the Depositary shall withdraw and transfer from the Loss Proceeds Account and shall deposit into the applicable Local Account (for further application to payment of costs associated with the restoration of the Affected Property) and/or pay to the Persons directed by the Borrower in writing the amounts set forth in the Restoration Requisition.

(C) Upon completion of any rebuilding, restoration, repair or replacement of all or a portion of any Project, the Borrower shall notify (in writing) the Depositary and the Agents of such completion, and the amount, if any, required in its reasonable opinion to be retained in the Loss Proceeds Account for the payment of any remaining costs of rebuilding, restoration, repair or replacement not then due and payable and for the payment of reasonable contingencies following completion of such rebuilding, restoration, repair or replacement (the "***Remaining Repair Amounts***"). Upon receipt of such notice, the Depositary shall transfer the amount remaining in the Loss Proceeds Account in excess of the Remaining Repair Amounts and any other amounts to remain in the Loss Proceeds Account as stated in such notice, to the Persons directed by the Borrower in writing to the extent of any amounts which have been expended in connection with such rebuilding, restoration, repair or replacement and not previously reimbursed. If after giving effect to the foregoing, the amount remaining on deposit in the Loss Proceeds Account in excess of the Remaining Repair Amounts exceeds $5,000,000, the Depositary shall transfer all of such excess in the Loss Proceeds Account to the Prepayment Account for further application in accordance with Section 3.7. If such amount is equal to or less than $5,000,000, the Depositary shall transfer all of such amount in the Loss Proceeds Account to the Revenue Account. Thereafter, upon notice from the Borrower that payment of all costs of rebuilding, restoration, repair or replacement of the Project has been made, the Depositary shall transfer any amounts remaining in the Loss Proceeds Account to the Revenue Account.

Section 3.9 Investment of Accounts.

(a) Cash held in the Accounts shall be invested and reinvested in Cash Equivalents by the Depositary, which shall make such investments and revinvestments in Cash Equivalents at the written direction of the Borrower, unless instructions to the contrary have been

given to the Depositary by the Applicable Collateral Agent upon the occurrence and during the continuance of an Event of Default; provided, that the Applicable Collateral Agent shall have no duty to give investment instructions. In no event shall the Depositary or the Applicable Collateral Agent be liable for the selection of Cash Equivalents or for investment losses, if any, incurred thereon. Any and all commissions, broker fees or other charges, penalties, fees or expenses incurred in connection with the investment in, or liquidation of, any Cash Equivalents shall be solely for the account of the Borrower, and shall be debited against the cash balance in the applicable Account.

(b) The Depositary shall sell or liquidate all or any portion of the Cash Equivalents held in any Account at any time the proceeds thereof are required to make any disbursement from such Account in accordance with the terms of this Agreement. Unless the Depositary is otherwise instructed by the Applicable Collateral Agent, any such sale or liquidation shall be in the order of maturity of the applicable Cash Equivalents, with Cash Equivalents closest to maturity being sold or liquidated first. In no event shall the Depositary or the Applicable Collateral Agent be liable for any losses incurred as a result of the liquidation of any Cash Equivalent prior to its stated maturity (including, without limitation, any early withdrawal or liquidation penalty).

(c) Each Cash Equivalent and the net proceeds of the sale or liquidation thereof shall be held in the same Account from which the cash was taken to purchase such Cash Equivalent. All earnings on Cash Equivalents shall be transferred to the Revenue Account.

(d) For purposes of determining responsibility for any income tax payable on account of any income or gain on any Cash Equivalents hereunder, such income or gain shall be for the account of the Borrower.

(e) The Depositary shall take or cause to be taken all actions reasonably requested by the Applicable Collateral Agent that are necessary to perfect the security interests in the Cash Equivalents created or purported to be created by the Collateral Documents.

Section 3.10 Account Balance Statements. The Depositary shall, on a monthly basis within 15 days after the end of each month and at such other times as any Collateral Agent or the Borrower may from time to time reasonably request, provide to the Collateral Agents and the Borrower fund balance statements in respect of each of the Accounts, sub-accounts and amounts segregated in any of the Accounts. Such balance statement shall also include deposits, withdrawals and transfers from and to any Account and sub-accounts and the net investment income or gain received and collected in each such Account and sub-account. The Depositary shall maintain records of all receipts, disbursements, and investments of funds with respect to the Accounts until the third anniversary of the Discharge Date. Within 30 days after the end of each year, the Depositary shall furnish to the Collateral Agents, with a copy to the Borrower, a report setting forth in reasonable detail the account balance, receipts, disbursements, transfers, investment transactions and accruals for each of the Accounts and sub-accounts during such year. The Depositary shall promptly notify the Collateral Agents (with a copy to the Borrower) of its receipt and the amount of any funds received from any Person that is, or is required hereunder to be, deposited into any Account, specifying the Account in which such funds have

been deposited. The Depositary shall give notice to the Collateral Agents and the Borrower of the location of the Accounts and sub-accounts.

Section 3.11 Events of Default.

(a) On and after any date on which the Depositary receives written notice from the Applicable Collateral Agent, that an Event of Default has occurred and is continuing and that the Applicable Collateral Agent has been instructed in accordance with the Intercreditor Agreement to direct the disposition of funds in the Accounts (the date of receipt of such notice, the "***Trigger Event Date***"), notwithstanding anything to the contrary contained herein (including Section 3.2), the Depositary shall thereafter accept all notices and instructions required or permitted to be given to the Depositary pursuant to the terms of this Agreement only from the Applicable Collateral Agent and not from the Borrower, any Guarantor or any other Person, and the Depositary shall not withdraw, transfer, pay or otherwise distribute any monies in any of the Accounts except pursuant to such notices and instructions from the Applicable Collateral Agent, unless the Depositary has been notified in writing by the Applicable Collateral Agent that such Event of Default has been waived, cured or no longer exists or such instruction has been withdrawn in accordance with the terms of the applicable Financing Documents.

(b) Within three Business Days of a Trigger Event Date, the Depositary shall render an accounting of all monies in the Accounts as of such Trigger Event Date to the Collateral Agents.

(c) All of the Collateral Agents' rights and remedies with respect to the Accounts and the other Account Collateral shall be subject to the terms of the Intercreditor Agreement. Accordingly, from and after a Trigger Event Date, the Applicable Collateral Agent shall have the right to control the Accounts, use the Account Collateral to repay the Secured Obligations and sell, dispose or realize on the Account Collateral, in each case in accordance with the Intercreditor Agreement.

(d) From and after a Trigger Event Date, and notwithstanding anything herein to the contrary (but without limiting any of the Secured Parties' rights or remedies under the Collateral Documents and in each case subject to the terms of the Intercreditor Agreement), the Applicable Collateral Agent (or the Depositary at the Applicable Collateral Agent's direction) shall be permitted to (i) liquidate and invest in Cash Equivalents, (ii) direct the disposition of the funds in each of the Accounts, (iii) pay O&M Costs then due and payable and (iv) pay Interest Expense, Ordinary Course Settlement Payments, Termination Payments and principal in accordance with the priorities established by Section 3.2 and the Intercreditor Agreement.

(e) Notwithstanding anything to the contrary herein (including Section 3.2) or in any Collateral Document, if during the continuance of any Event of Default the Applicable Collateral Agent has not been directed to exercise remedies pursuant to the Intercreditor Agreement, then the Applicable Collateral Agent shall direct (and the Borrower hereby authorizes the Applicable Collateral Agent to so direct) the Depositary to withdraw from the Revenue Account the following amounts and transfer such monies to the accounts or Persons indicated below, in each case in the following order of priority to the extent of available funds

and until such time as the Applicable Collateral Agent receives contrary instructions from the applicable Secured Parties under the Intercreditor Agreement:

First, on each Funding Date, to the Operating Account, an amount, which, together with the amount then on deposit in or credited to the Operating Account and the Local Accounts, equals the sum (without duplication) of: (i) the O&M Costs that are then due and payable *plus* (ii) the Borrower's good faith estimate of the O&M Costs reasonably anticipated to be due and payable during the next Funding Period beginning on such Funding Date (as notified by the Borrower pursuant to a Withdrawal Certificate delivered to each of the Collateral Agents and the Depositary at least three Business Days prior to such Funding Date);

Second, on any Business Day and after giving effect to the withdrawals and transfers specified in priority *first* above, on a *pro* rata basis, to (i) the First Lien Administrative Agent, the amount of any Interest Expense then due and payable under the First Lien Loan Documents (including any Q3 Interest True Up Payment), and (ii) subject to the Maximum First Lien Amount in respect of any First Lien Commodity Hedge and Power Sale Agreement, each First Lien Commodity Hedge Counterparty, the amount of any Interest Expense then due and payable to such First Lien Commodity Hedge Counterparty under such First Lien Commodity Hedge and Power Sale Agreement, in each case, with interest at the rates specified in the applicable First Lien Documents in respect of overdue payments; and

Fifth, on each Funding Date after the Discharge of First Lien Obligations, and after giving effect to the withdrawals and transfers specified in priorities *first* through *fourth* above, to Second Lien Collateral Agent for the benefit of the Second Lien Secured Parties, on a *pro rata* basis, the aggregate amount comprising Interest Expense under the Second Lien Credit Agreement and the Second Lien LC Support Agreement and any Interest Expense constituting Permitted Second Lien Hedge Amounts owed to such Second Lien Commodity Hedge Counterparty under any Second Lien Commodity Hedge and Power Sale Agreement, in each case with interest at the rates specified in the applicable Second Lien Documents in respect of overdue payments.

(f) Notwithstanding anything to the contrary herein (including Section 3.7) or in any Collateral Document, if during the continuance of any Event of Default, the Applicable Collateral Agent has not been directed to exercise remedies pursuant to the Intercreditor

Agreement, then the Applicable Collateral Agent shall direct (and the Borrower hereby authorizes the Applicable Collateral Agent to so direct) the Depositary to withdraw from the Prepayment Account the following amounts and transfer such monies to the accounts or Persons indicated below, in each case in the following order of priority to the extent of available funds and until such time as the Applicable Collateral Agent receives contrary instructions from the applicable Secured Parties under the Intercreditor Agreement:

No right, power or remedy herein conferred upon or reserved to any Collateral Agent is intended to be exclusive of any other right, power or remedy and every such right, power and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right, power and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right, power or remedy hereunder or otherwise shall not prevent the concurrent assertion or employment of any other appropriate right, power or remedy. Resort to any or all Collateral now or hereafter held by the Collateral Agents may be taken concurrently or successively and in one or several consolidated or independent judicial actions or lawfully taken non judicial proceedings or both.

Section 3.12 Transfers from Accounts. Whenever required under this Agreement and unless otherwise specified, all amounts required to be transferred from one Account to any other Account or to a Local Account shall be so transferred by the Depositary as promptly as practicable.

Section 3.13 [Reserved].

Section 3.14 Invasion of Accounts. At any time during any Funding Period, but no more than once during any Funding Period, to the extent amounts on deposit in, or credited to the Operating Account and the Local Accounts are not anticipated to be adequate to pay O&M Costs projected to be incurred prior to the next Funding Date (an "***O&M Deficiency Amount***"), the Borrower may withdraw from the Accounts specified below in the order of priority set forth below and transfer to the Operating Account an amount sufficient to cause the balance in the Operating Account and the Local Accounts to be sufficient to pay the O&M Deficiency Amount: *first*, from the Revenue Account, and *second*, to the extent monies in the Revenue Account are not adequate for such purpose, from the General Reserve Account. The Borrower shall deliver to the Depositary a Withdrawal Certificate at least three Business Days prior to a request withdrawal in respect of any O&M Deficiency Amount. ARTICLE IV
DEPOSITARY AGENT

Section 4.1 Appointment; Powers and Immunities. The Borrower, the Guarantors, the First Lien Collateral Agent (on behalf of the First Lien Secured Parties) and the Second Lien Collateral Agent (on behalf of the Second Lien Secured Parties) hereby appoint and authorize the Depositary to act as depositary agent hereunder where acting as an agent with such powers as are expressly delegated to the Depositary by the terms of this Agreement. The Depositary hereby accepts such appointment. The Depositary shall not have any duties or responsibilities except those expressly set forth in this Agreement, nor shall it be a trustee or a fiduciary for any Loan Party or any Secured Party. Notwithstanding anything to the contrary contained herein, the Depositary shall not be required to take any action which is contrary to this Agreement or any other Financing Document or applicable law or which exposes the Depositary to any liability. The Depositary and its directors, officers, employees and agents shall not be responsible or held liable for any action taken or omitted to be taken by it or them hereunder or in connection herewith, except for its or their own gross negligence or willful misconduct. The Depositary may employ agents, custodians, nominees and attorneys-in-fact and shall not be responsible for the negligence or misconduct of any such agents, custodians, nominees or attorneys-in-fact selected by it with reasonable care. Except as otherwise provided under this Agreement, the Depositary shall take only such action with respect to the Accounts and Account Funds as shall be directed by the Applicable Collateral Agent. None of the provisions of this Agreement shall require the Depositary to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not assured.

Section 4.2 Reliance by Depositary. The Depositary shall be fully entitled to conclusively rely upon any certificate, notice, resolution, statement, instrument, opinion, report, request, consent, order, approval or other paper or document (including any cable, telegram, facsimile or telex) believed by it to be genuine and correct and to have been signed or sent by or

on behalf of the proper Person or Persons, and upon advice and statements of legal counsel, independent accountants and other experts selected by the Depositary. The Depositary shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, entitlement order, approval or other paper or document. Whenever in the administration of the provisions of this Agreement the Depositary shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action to be taken hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of gross negligence or bad faith on the part of the Depositary, be deemed to be conclusively proved and established by a certificate signed by a Responsible Officer of any Loan Party or Collateral Agent, and delivered to the Depositary and such certificate, in the absence of gross negligence or bad faith on the part of the Depositary, shall be full warrant to the Depositary for any action taken, suffered or omitted by it under the provisions of this Agreement upon the faith thereof. As to any other matters not expressly provided for by this Agreement, the Depositary shall not be required to take any action or exercise any discretion, but shall be required to act or to refrain from acting upon instructions of the Applicable Collateral Agent (except the Depositary shall not be required to take any action which exposes the Depositary to personal liability or which is contrary to this Agreement, any other Financing Document or applicable law) and shall in all cases be fully protected in acting, or in refraining from acting, hereunder in accordance with the instructions of the Applicable Collateral Agent. The Depositary shall not be deemed to have knowledge or notice of the occurrence of any Default unless the Depositary has received a written notice from the Applicable Collateral Agent or a Loan Party, referring to this Agreement, describing such Default and indicating that such written notice is a notice of default. Any instructions to the Depositary to move Account Funds that are received after 11:00 A.M. (New York City time) on any Business Day will be treated as if received on the following Business Day.

Section 4.3 Indemnification. The Borrower assumes all liabilities for, and agrees to indemnify, protect, save and keep harmless the Depositary and its successors, assigns, agents, attorneys and servants from and against, any and all claims, liabilities, obligations, losses, damages, penalties, costs and reasonable expenses that may be imposed on, incurred by, or asserted against, at any time, the Depositary and in any way relating to or arising out of the execution, delivery and performance of this Agreement, the establishment of the Accounts, the acceptance of deposits, the purchase or sale of Cash Equivalents, the retention of Cash and Cash Equivalents or the proceeds thereof and any payment, transfer, or other application of Cash or Cash Equivalents by the Depositary in accordance with the provisions of this Agreement, or as may arise by reason of any act, omission or error of the Depositary made in good faith in the conduct of its duties; except that the Borrower shall not be required to indemnify, protect, save and keep harmless the Depositary against its own gross negligence or willful misconduct. The indemnities contained in this Section 4.3 shall survive the termination of this Agreement or removal or resignation of the Depositary.

Section 4.4 Resignation and Removal.

(a) The Depositary may at any time resign by giving notice to each other party to this Agreement, such resignation to be effective upon the appointment of a successor depositary agent as provided below. The Applicable Collateral Agent (upon the direction of (i) prior to the Discharge of First Lien Obligations, the Required First Lien Lenders and (ii) after the

Discharge of First Lien Obligations, the Required Second Lien Secured Parties) may remove the Depositary at any time by giving written notice to each other party to this Agreement, such removal to be effective upon the appointment of a successor depositary agent as provided below.

(b) In the event of any resignation or removal of the Depositary, a successor depositary agent, which shall be a bank or trust company organized under the laws of the United States of America, or of a state of the United States of America, having a capital and surplus of not less than $50,000,000, shall be promptly appointed by the Applicable Collateral Agent with (so long as no Event of Default has occurred and is continuing) the approval of Borrower. If a successor depositary agent shall not have been appointed and accepted its appointment within 45 days after such notice of resignation of the Depositary or such notice of removal of the Depositary, the Depositary, the Applicable Collateral Agent or any Loan Party may apply (at the sole cost and expense of the Borrower) to any court of competent jurisdiction to appoint a successor depositary agent to act until such time, if any, as a successor depositary agent shall have accepted its appointment as provided above. A successor depositary agent so appointed by such court shall immediately and without further act be superseded by any successor depositary agent appointed by the Applicable Collateral Agent as provided above. Any successor depositary agent shall be capable of acting as a "*securities intermediary*") within the meaning of Section 8-102(14) of the UCC) and a "*bank*" (within the meaning of Section 9-102(a)(8) of the UCC) and shall promptly deliver to each party to this Agreement a written instrument accepting such appointment and thereupon such successor depositary agent shall succeed to all the rights and duties of the Depositary, and release the Depositary from its obligations, under this Agreement and shall be entitled to receive the Accounts and Account Funds from the Depositary.

(c) Upon the replacement of the Depositary hereunder, all Account Funds shall be transferred to the successor depositary agent. In the event of the resignation or removal of the Depositary, the Depositary shall be entitled to its fees and expenses in accordance with the terms hereof up to the time such resignation or removal becomes effective in accordance with this Section 4.4.

Section 4.5 Directions to Depositary. All written directions and instructions (which may be provided by facsimile or e-mail transmission) by the Borrower and any Collateral Agent to the Depositary pursuant to this Agreement shall be executed by an authorized signatory (each, an "***Authorized Signatory***") of the Borrower or any Collateral Agent, as applicable. No Person shall be deemed to be an Authorized Signatory of the Borrower unless such Person is named on a certificate of incumbency delivered to the Depositary on the Closing Date or is otherwise named in a written notice signed by an Authorized Signatory and delivered by the Borrower to the Depositary at any time subsequent to the Closing Date. All directions, orders and other instructions provided by any Collateral Agent to the Depositary hereunder shall be in writing. In its capacity as the Depositary, the Depositary will accept all instructions and documents complying with the above order under the indemnities provided in this Agreement, and reserves the right to refuse to accept any instructions or documents which fail, or appear to fail, to comply with this Agreement. Further to this procedure, the Depositary reserves the right to telephone an Authorized Signatory to confirm the details of such instructions or documents if they are not already on file with the Depositary as standing instructions. The Depositary and each Collateral Agent agree that the above constitutes a commercially reasonable security procedure.

Section 4.6 Payment of Fees and Expenses to Depositary. The Borrower covenants and agrees to pay to the Depositary from time to time, or, if the Borrower fails to make such payment, the Depositary may reimburse itself for from the Revenue Account (before giving effect to the disbursements made pursuant to Section 3.2), and the Depositary shall be entitled to, the fees and expenses agreed in writing between the Borrower and the Depositary, and will further pay or reimburse the Depositary, or, if the Borrower fails to make such payment, the Depositary may reimburse itself from the Revenue Account (before giving effect to the disbursements made pursuant to Section 3.2), upon its request for all expenses, disbursements and advances incurred or made by the Depositary in accordance with any of the provisions hereof or any other documents executed in connection herewith (including the reasonable compensation and the reasonable expenses and disbursements of its counsel and of all persons not regularly in its employ). The obligations of the Borrower under this Section 4.6 to compensate the Depositary and to pay or reimburse the Depositary for reasonable expenses, disbursements and advances shall survive the satisfaction and discharge of this Agreement or the earlier resignation or removal of the Depositary.

Section 4.7 Investment Directions. Notwithstanding any other provisions of this Agreement:

(a) The Depositary shall have no obligations to invest or reinvest any Account Funds in any Account if all or a portion of such Account Funds are deposited with the Depositary after 11:00 A.M. (New York City time) on the day of deposit. Instructions to invest, reinvest or redeem any Account Funds that are received after 11:00 A.M. (New York City time) will be treated as if received on the following Business Day.

(b) The Depositary is authorized to sell or liquidate any investment made hereunder whenever the Depositary shall be required to release the Account Funds pursuant to the terms of this Agreement. The Depositary shall have no responsibility or liability for any investment losses resulting from the investment, reinvestment or liquidation of the Account Funds other than in accordance with Section 4.3 of this Agreement.

(c) Any interest or other income received on Cash Equivalent of amounts on deposit in or credited to any Account shall become part of the Account Funds.

(d) Except as otherwise provided in Section 3.9, if the Depositary does not receive written investment instructions for any Account Funds, such Account Funds shall remain uninvested with no liability for interest therein. It is agreed and understood that the Depositary may earn fees associated with the investment described herein.

ARTICLE V

MISCELLANEOUS

Section 5.1 Guarantors. Each Guarantor hereby appoints the Borrower as its agent for the purpose of delivering Withdrawal Certificates and taking other actions hereunder.

Section 5.2 Termination. The rights and powers granted herein to the Collateral Agents have been granted in order to, among other things, perfect the security interest in the Accounts granted to each such Collateral Agent, are powers coupled with an interest, and will be affected neither by Insolvency or Liquidation Proceeding nor by the lapse of time. Except as otherwise provided herein, the obligations of the Depositary hereunder shall continue in effect until the Discharge Date and the Applicable Collateral Agent has notified the Depositary in writing of the occurrence of the Discharge Date. After the Discharge Date, all right, title and interest of the Collateral Agents and the Secured Parties in the Accounts and Account Funds shall revert to the Loan Parties. At such time, the Applicable Collateral Agent shall direct the Depositary to, and upon such direction the Depositary shall, pay any Account Funds (including Cash Equivalents) then remaining in the Accounts to the Borrower. No termination of any Secured Party's interest hereunder shall affect the rights of any other Secured Party hereunder. The First Lien Collateral Agent will inform the Depositary of the Discharge of First Lien Obligations promptly upon the occurrence thereof. The Second Lien Collateral Agent will inform the Depositary of the Discharge of Second Lien Obligations promptly upon the occurrence thereof.

Section 5.3 Amendments; Etc. (a) No amendment or waiver of any provision of this Agreement and no consent to any departure by any Loan Party herefrom shall in any event be effective unless the same shall be in writing and signed by each of the parties hereto and is otherwise in accordance with the terms of the Financing Documents. Any such amendment, waiver or consent shall be effective only in the specific instance and for the specified purpose for which given. No failure on the part of any Collateral Agent or any other Secured Party to exercise, and no delay in exercising any right hereunder, shall operate as a waiver thereof; nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right.

(b) Notwithstanding the other provisions of this Agreement, the Borrower, the Guarantors and the Collateral Agents may (but shall have no obligation to) amend or supplement this Agreement or the Collateral Documents without the consent of any other Secured Party: (i) to cure any ambiguity, defect or inconsistency; (ii) to make any change that would provide any additional rights or benefits to the Secured Parties; or (iii) to make, complete or confirm any grant of Collateral permitted or required by this Agreement or any of the Collateral Documents or any release of any Collateral that is otherwise permitted under the terms of this Agreement and the Financing Documents.

Section 5.4 Addresses for Notices. All notices and other communications provided for hereunder shall be in writing (including telecopy communication) and mailed, telecopied or otherwise delivered, confirmed immediately in writing,), if to any Loan Party to the Borrower at its address at New MACH Gen, LLC, 1780 Hughes Landing, Suite 800, The Woodlands, TX 77380, Attention: Dale Lebsack, E-mail Address: dale.lebsack@talenenergy.com (with a copy sent to New MACH Gen, LLC, 1780 Hughes Landing, Suite 800, The Woodlands, TX 77380, Attention: John Chesser, E-mail Address: john.chesser@talenenergy.com); if to the First Lien Collateral Agent, at its address at its address at 7195 Dallas Parkway, Plano, TX 75024, Attention: James Erwin, Fax: (469) 467-5550, E-mail Address: jerwin@clmgcorp.com; if to the Depositary, at its address at Citibank Agency and Trust, 388 Greenwich Street, 14th floor, New York, NY, 10013, Attention: Marion O'Connor, Fax: (973) 461-7191, E-mail Address: marion.oconnor@citi.com; and if to any other party, at such party's address as provided in the Intercreditor Agreement or, as to any party, at such other address as shall be designated by such party in a written notice to the other parties. All such notices and other communications shall, when mailed, telecopied or otherwise delivered, be effective when deposited in the mails, telecopied or otherwise delivered (or confirmed by a signed receipt), respectively, addressed as aforesaid; except that notices and other communications to the Depositary shall not be effective until received by the Depositary.

Section 5.5 Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

Section 5.6 Binding Effect. This Agreement shall become effective when it shall have been executed by the Borrower, each Guarantor, the First Lien Collateral Agent and the Depositary and thereafter shall be binding upon and inure to the benefit of the Borrower, each Loan Party, each Collateral Agent and the Depositary and their respective successors and assigns, except that the Borrower and the Loan Parties shall not have the right to assign their rights hereunder or any interest herein without the prior written consent of the Applicable Collateral Agent.

Section 5.7 No Waiver; Remedies. No failure on the part of the Depositary, the Collateral Agents or any of the Secured Parties or any of their nominees or representatives to exercise, and no course of dealing with respect to, and no delay in exercising, any right, power or remedy hereunder shall operate as a waiver thereof; nor shall any single or partial exercise by the Depositary, the Collateral Agents or any of the Secured Parties or any of their nominees or representatives of any right, power or remedy hereunder preclude any other or future exercise thereof or the exercise of any other right, power or remedy, nor shall any waiver of any single Event of Default or other breach or default be deemed a waiver of any other Event of Default or

other breach or default theretofore or thereafter occurring. Without limiting the generality of the foregoing, if the Collateral Agents or the Depositary fail to make any transfers or withdrawals as and when specified in this Agreement, such failure shall not operate as a waiver of any of the rights that the Secured Parties may have under the Financing Documents and the Collateral Agents or the Depositary, as applicable, will promptly take any such action which it previously failed to take in accordance with the terms of this Agreement. All remedies either under this Agreement or by law or otherwise afforded to any Secured Party shall be cumulative and not alternative.

Section 5.8 Execution in Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery by telecopier of an executed counterpart of a signature page to this Agreement shall be effective as delivery of an original executed counterpart of this Agreement.

Section 5.9 Intercreditor Provisions. As between the parties hereto other than the Depositary, in the event of any conflict between the provisions set forth in this Agreement and those set forth in the Intercreditor Agreement, the provisions of the Intercreditor Agreement shall supersede and control the terms and provisions of this Agreement.

Section 5.10 Force Majeure. In no event shall any of the Collateral Agents or Depositary be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of god, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; it being understood that each of the Collateral Agents and the Depositary shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

Section 5.11 Consequential Damages. Anything in this Agreement to the contrary notwithstanding, in no event shall any of the parties hereto be liable under or in connection with this Agreement for indirect, special, incidental, punitive or consequential losses or damages of any kind whatsoever, including but not limited to lost profits, whether or not foreseeable, even if such party has been advised of the possibility thereof and regardless of the form of action in which such damages are sought.

Section 5.12 Jurisdiction, Etc.

(a) Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of any New York State court or Federal court of the United States of America sitting in New York City, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or any of the other Financing Documents to which it is a party, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in any such

New York State court or, to the fullest extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that any party may otherwise have to bring any action or proceeding relating to this Agreement or any of the other Financing Documents in the courts of any jurisdiction.

(b) Each of the parties hereto irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any of the other Financing Documents to which it is a party in any New York State or Federal court. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

Section 5.13 Termination of Original Security Deposit Agreement; Closing of Accounts.

(a) Prior to the date hereof, the Borrower, Athens, Millennium and Harquahala entered into the Security Deposit Agreement, dated as of April 28, 2014 (as amended, the "***Original Security Deposit Agreement***"), with the Depositary, the First Lien Collateral Agent and certain other parties thereto from time to time to govern certain of their respective rights and obligations with respect to the Accounts. Pursuant to Section 5.2 of the Original Depositary Agreement, CLMG CORP., as the Applicable Collateral Agent under the Original Depositary Agreement prior to the date hereof, hereby notifies the Depositary that, by virtue of the confirmation and effectiveness of the Plan of Reorganization, with effect from the date hereof, the Discharge Date (as defined in the Original Depositary Agreement) has occurred. Accordingly, all right, title and interest of the parties to the Original Depositary Agreement in the Accounts and Account Funds revert to the Borrower and the Guarantors as of such Discharge Date. The Loan Parties in turn hereby acknowledge that they have simultaneously granted to the First Lien Collateral Agent a Lien on and security interest in such Accounts and Account Funds to secure their Obligations under the First Lien Documents and direct the Depositary, from and after the date hereof, to receive, hold and apply the Accounts and Account Funds according to the terms of this Agreement. The First Lien Collateral Agent (on behalf of the First Lien Secured Parties), the Borrower and each Guarantor hereby direct the Depositary to close the Debt Service Reserve Account and the LSP Asset Sale Proceeds Account (each as defined in the Original Security Deposit Agreement) and transfer all amounts on deposit therein to the Revenue Account, and hereby confirm that the Depositary shall not have any duties or responsibilities in respect of such accounts (other than to close such accounts as described herein). The parties to this Agreement hereby agree and consent that the Original Depositary Agreement is hereby terminated and shall be of no further force and effect from and after the date hereof.

(b) Upon the Discharge of First Lien Obligations, the First Lien Collateral Agent (on behalf of the First Lien Secured Parties), the Borrower and each Guarantor shall promptly direct the Depositary to close the First Lien Interest Payment Account and the First Lien Principal Payment Account and transfer all amounts on deposit therein to the Revenue Account, and confirm to the Depositary that, upon the Discharge of First Lien Obligations, the

Depositary shall not have any duties or responsibilities in respect of such accounts thereafter (other than to close such accounts as described herein).

Section 5.14 U.S.A. Patriot Act. The parties hereto acknowledge that in accordance with Section 326 of the U.S.A. Patriot Act, the Depositary, like all financial institutions and in order to help fight the funding of terrorism and money laundering, is required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account with the Depositary. The parties to this Agreement agree that they will provide the Depositary with such information as it may request in order for the Depositary to satisfy the requirements of the U.S.A. Patriot Act.

(B) dividends and other distributions paid or payable in cash in respect of any Security Collateral in connection with a partial or total liquidation or dissolution or in connection with a reduction of capital, capital surplus or paid in surplus shall be deposited in the Revenue Account or such other account as provided for in the Security Deposit Agreement, and

(C) cash paid, payable or otherwise distributed in respect of principal of, or in redemption of, or in exchange for, any Security Collateral shall be deposited in the Revenue Account or such other account as provided for in the Security Deposit Agreement.

(iii) The Second Lien Collateral Agent will execute and deliver (or cause to be executed and delivered) to each Grantor all such proxies and other instruments as such Grantor may reasonably request for the purpose of enabling such Grantor to exercise the voting and other rights that it is entitled to exercise pursuant to paragraph (i) above and to receive the dividends or interest payments that it is authorized to receive and retain pursuant to paragraph (ii) above.

(b) Upon the occurrence and during the continuance of a Second Lien Event of Default:

(i) All rights of each Grantor (A) to exercise or refrain from exercising the voting and other consensual rights that it would otherwise be entitled to exercise pursuant to Section 12(a)(i) shall, upon notice to such Grantor by the Second Lien Collateral Agent, subject to the terms of the Intercreditor Agreement, cease and (B) to receive the dividends, interest and other distributions that it would otherwise be authorized to receive and retain pursuant to Section 12(a)(ii) shall automatically cease, and all such rights shall thereupon become vested in the Second Lien Collateral Agent (or First Lien Collateral Agent pursuant to the terms of the Intercreditor Agreement), which shall thereupon have the sole right to exercise or refrain from exercising such voting and other consensual rights and to receive and hold as Security Collateral such dividends, interest and other distributions.

(ii) All dividends, interest and other distributions that are received by any Grantor contrary to the provisions of Section 12(b)(i) of this Section 12(b) shall be received in trust for the benefit of the Second Lien Collateral Agent (or First Lien Collateral Agent pursuant to the terms of the Intercreditor Agreement), shall be segregated from other funds of such Grantor and shall be forthwith paid over to the Second Lien Collateral Agent (or First Lien Collateral Agent pursuant to the terms of the Intercreditor Agreement) as Security Collateral in the same form as so received (with any necessary indorsement).

Section 13. As to the Assigned Agreements. (a) Each Grantor hereby consents on its behalf to the assignment and pledge to the Second Lien Collateral Agent, subject to the terms of the Intercreditor Agreement, for benefit of the Second Lien Secured Parties of each Assigned Agreement to which it is a party by any other Grantor hereunder.

(b) Each Grantor agrees, and has effectively so instructed each other party to each Assigned Agreement to which it is a party, that all payments due or to become due under or in connection with such Assigned Agreement will be made directly to the Revenue Account.

Section 14. As to Letter-of-Credit Rights. (a) Each Grantor, by granting a security interest in its Receivables consisting of letter-of-credit rights to the Second Lien Collateral Agent intends to (and hereby does), subject to the terms of the Intercreditor Agreement, assign to the Second Lien Collateral Agent its rights (including its contingent rights) to the proceeds of all Related Contracts consisting of letters of credit of which it is or hereafter becomes a beneficiary or assignee. Each Grantor will promptly use its commercially reasonable efforts to cause the issuer of each letter of credit with a face amount greater than $2,000,000 and each nominated person (if any) with respect thereto to consent to such assignment of the proceeds thereof pursuant to a consent in form and substance reasonably satisfactory to the Second Lien Collateral Agent, subject to the terms of the Intercreditor Agreement, and deliver written evidence of such consent to the Second Lien Collateral Agent.

(a) to ask for, demand, collect, sue for, recover, compromise, receive and give acquittance and receipts for moneys due and to become due under or in respect of any of the Collateral,

(b) to receive, indorse and collect any drafts or other instruments, documents and chattel paper, in connection with clause (a), and

(c) to file any claims or take any action or institute any proceedings that the Second Lien Collateral Agent may deem necessary for the collection of any of the Collateral or otherwise to enforce compliance with the terms and conditions of any Assigned Agreement or the rights of the Second Lien Collateral Agent with respect to any of the Collateral.

Section 16. Second Lien Collateral Agent May Perform. If any Grantor fails to perform any agreement contained herein, the Second Lien Collateral Agent may, but without any obligation to do so and without notice, itself perform, or cause performance of, such agreement, and the

expenses of the Second Lien Collateral Agent incurred in connection therewith shall be payable by such Grantor under Section 7.10 of the Intercreditor Agreement.

Section 17. The Second Lien Collateral Agent's Duties. The powers conferred on the Second Lien Collateral Agent hereunder are solely to protect the Second Lien Secured Parties' interest in the Collateral and shall not impose any duty upon it to exercise any such powers. Except for the safe custody of any Collateral in its possession and the accounting for moneys actually received by it hereunder, the Second Lien Collateral Agent shall have no duty as to any Collateral, as to ascertaining or taking action with respect to calls, conversions, exchanges, maturities, tenders or other matters relative to any Collateral, whether or not any Second Lien Secured Party has or is deemed to have knowledge of such matters, or as to the taking of any necessary steps to preserve rights against any parties or any other rights pertaining to any Collateral. The Second Lien Collateral Agent shall be deemed to have exercised reasonable care in the custody and preservation of any Collateral in its possession if such Collateral is accorded treatment substantially equal to that which it accords its own property.

Section 18. Remedies. If any Second Lien Event of Default shall have occurred and be continuing:

(a) Subject to the terms of the Intercreditor Agreement, the Second Lien Collateral Agent may exercise in respect of the Collateral, in addition to other rights and remedies provided for herein or otherwise available to it, all the rights and remedies of a second lien secured party upon default under the UCC (whether or not the UCC applies to the affected Collateral) and also may: (i) require each Grantor to, and each Grantor hereby agrees that it will at its expense and upon request of the Second Lien Collateral Agent forthwith, assemble all or part of the Collateral as directed by the Second Lien Collateral Agent and make it available to the Second Lien Collateral Agent at a place and time to be designated by the Second Lien Collateral Agent that is reasonably convenient to both parties; (ii) without notice except as specified below, sell the Collateral or any part thereof in one or more parcels at public or private sale, at any of the Second Lien Collateral Agent's offices or elsewhere, for cash, on credit or for future delivery, and upon such other terms as the Second Lien Collateral Agent may deem commercially reasonable; (iii) occupy any premises owned or leased by any of the Grantors where the Collateral or any part thereof is assembled or located for a reasonable period in order to effectuate its rights and remedies hereunder or under law, without obligation to such Grantor in respect of such occupation; and (iv) exercise any and all rights and remedies of any of the Grantors under or in connection with the Collateral, or otherwise in respect of the Collateral, including, without limitation, (A) any and all rights of such Grantor to demand or otherwise require payment of any amount under, or performance of any provision of, the Assigned Agreements, the Receivables, the Related Contracts and the other Collateral, (B) withdraw, or cause or direct the withdrawal, of all funds with respect to the Account Collateral and (C) exercise all other rights and remedies with respect to the Assigned Agreements, the Receivables, the Related Contracts and the other Collateral, including, without limitation, those set forth in Section 9-607 of the UCC. Each Grantor agrees that, to the extent notice of sale shall be required by law, at least ten days' notice to such Grantor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. The Second Lien Collateral Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. Subject to the terms of the Intercreditor Agreement, the Second Lien Collateral Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned.

(b) Any cash held by or on behalf of the Second Lien Collateral Agent and all cash proceeds received by or on behalf of the Second Lien Collateral Agent in respect of any sale of, collection from, or other realization upon all or any part of the Collateral may, in the discretion of

the Second Lien Collateral Agent, be held by the Second Lien Collateral Agent as collateral and shall be applied by the Second Lien Collateral Agent in accordance with the provisions of the Intercreditor Agreement.

(c) The Second Lien Collateral Agent may, subject to the terms of the Intercreditor Agreement, without notice to any Grantor except as required by law and at any time or from time to time, charge, set off and otherwise apply all or any part of the Second Lien Secured Obligations against any funds held with respect to the Account Collateral or in any other deposit account.

(d) The Second Lien Collateral Agent may, subject to the terms of the Intercreditor Agreement, send to each bank, securities intermediary or issuer party to any Securities/Deposit Account Control Agreement, Securities Account Control Agreement or Uncertificated Security Control Agreement a "*Notice of Exclusive Control*" as defined in and under such Agreement.

(e) In the event of any sale or other disposition of any of the Intellectual Property Collateral of any Grantor, the goodwill symbolized by any Trademarks subject to such sale or other disposition shall be included therein, and such Grantor shall supply to the Second Lien Collateral Agent or its designee such Grantor's know-how and expertise, and documents and things relating to any Intellectual Property Collateral subject to such sale or other disposition, and such Grantor's customer lists and other records and documents relating to such Intellectual Property Collateral and to the manufacture, distribution, advertising and sale of products and services of such Grantor.

Section 19. Amendments; Waivers; Etc. (a) Subject to the terms of the Intercreditor Agreement, no amendment or waiver of any provision of this Agreement, and no consent to any departure by any Grantor herefrom, shall in any event be effective unless the same shall be in writing and signed by the Second Lien Collateral Agent and each Grantor, in the case of any amendment, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. No failure on the part of the Second Lien Collateral Agent or any other Second Lien Secured Party to exercise, and no delay in exercising any right hereunder, shall operate as a waiver thereof; nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right.

(b) Notwithstanding the other provisions of this Agreement, the Grantors and the Second Lien Collateral Agent may, subject to the terms of the Intercreditor Agreement, (but shall have no obligation to) amend or supplement this Agreement or the Collateral Documents without the consent of any Second Lien Secured Party: (i) to cure any ambiguity, defect or inconsistency; (ii) to make any change that would provide any additional rights or benefits to the Second Lien Secured Parties; or (iii) to make, complete or confirm any grant of Collateral permitted or required by this Agreement or any of the Collateral Documents or any release of any Collateral that is otherwise permitted under the terms of this Agreement and the Financing Documents.

Section 20. Notices, Etc. All notices and other communications provided for hereunder shall be either (i) in writing (including telecopier communication) and mailed, telecopied or otherwise delivered or (ii) by electronic mail (if electronic mail addresses are designated as provided below) confirmed immediately in writing, in the case of the Borrower or the Second Lien Collateral Agent, addressed to it at its address specified in the Intercreditor Agreement and, in the case of each Grantor other than the Borrower, addressed to it at its address set forth opposite such Grantor's name on the signature pages hereto; or, as to any party, at such other address as shall be designated by such party in a written notice to the other parties. All such notices and other communications shall, when mailed, telecopied, sent by electronic mail or otherwise, be effective when deposited in the mails, telecopied, sent

by electronic mail and confirmed in writing, or otherwise delivered (or confirmed by a signed receipt), respectively, addressed as aforesaid; except that notices and other communications to the Second Lien Collateral Agent shall not be effective until received by the Second Lien Collateral Agent. Delivery by telecopier of an executed counterpart of any amendment or waiver of any provision of this Agreement or Schedule hereto shall be effective as delivery of an original executed counterpart thereof.

Section 21. Continuing Security Interest; Assignments under the Second Lien Credit Agreement. This Agreement shall create a continuing security interest in the Collateral and shall (a) remain in full force and effect until the of the Discharge of Second Lien Obligations, (b) be binding upon each Grantor, its successors and assigns and (c) inure, together with the rights and remedies of the Second Lien Collateral Agent hereunder, to the benefit of the Second Lien Secured Parties and their respective successors, transferees and assigns. Without limiting the generality of the foregoing clause (c), any Second Lien Secured Party may assign or otherwise transfer all or any portion of its rights and obligations under the Second Lien Documents (including, without limitation, all or any portion of its Commitments, the Second Lien Loans owing to it and any promissory note held by it) to any other Person subject to the terms of the Second Lien Documents, and such other Person shall thereupon become vested with all the benefits in respect thereof granted to such Second Lien Secured Party herein or otherwise.

Section 22. Intercreditor Agreement Controls. Notwithstanding anything herein to the contrary, the lien and security interest granted to the Second Lien Collateral Agent pursuant to this Agreement and the exercise of any right or remedy by the Second Lien Collateral Agent hereunder are subject to the provisions of the Intercreditor Agreement. In the event of any conflict between the provisions set forth in this Agreement and those set forth in the Intercreditor Agreement, the provisions of the Intercreditor Agreement shall supersede and control the terms and provisions of this Agreement. In the event the Second Lien Collateral Agent decides, or is required, to take any action hereunder, it shall take such action only in accordance with the terms and provisions of the Intercreditor Agreement.

Section 23. The Mortgages. In the event that any of the Collateral hereunder is also subject to a valid and enforceable Lien under the terms of any Second Lien Mortgage and the terms of such Second Lien Mortgage are inconsistent with the terms of this Agreement, then, with respect to such Collateral, the terms of such Second Lien Mortgage shall be controlling in the case of fixtures and real estate leases, letting and licenses of, and contract and agreements relating to the lease of, real property, and the terms of this Agreement shall be controlling in the case of all other Collateral.

Section 24. Execution in Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement by telecopier shall be effective as delivery of an original executed counterpart of this Agreement.

Section 25. Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

No trustee or examiner has been appointed in these chapter 11 cases pursuant to section 1104 of the Bankruptcy Code. No statutory committee of unsecured creditors has been appointed pursuant to section 1102 of the Bankruptcy Code. No statutory committee of equity security holders has been appointed pursuant to section 1102 of the Bankruptcy Code.

C. Judicial Notice and Objections. The Court takes judicial notice of (and deems admitted into evidence for entry of this Confirmation Order) the docket of these chapter 11 cases maintained by the Clerk of Court, including all pleadings and other documents filed, all orders entered, and all evidence and arguments made, proffered, or adduced at the hearings held before the Court during the pendency of these chapter 11 cases. All unresolved objections, statements, and reservations of rights are overruled on the merits.

D. Burden of Proof. The Plan Proponents have the burden of proving the elements of section 1129 of the Bankruptcy Code by a preponderance of the evidence. As demonstrated by, among other things, the Declarations and Affidavits, the Plan Proponents have met such burden.

E. Notice. The transmittal and service of the Solicitation Packages, prior to the Petition Date, and the Combined Notice, after the Petition Date, were adequate and sufficient under the circumstances, and all parties required to be given notice of the Confirmation Hearing (including the deadline for filing and serving objections to the Plan, Disclosure Statement, Motion, or proposed entry of this Confirmation Order) have been given due proper, timely, and adequate notice in accordance with the Scheduling Order and in compliance with the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any applicable non-bankruptcy law, rule, and

regulation, and such parties have had an opportunity to appear and be heard with respect thereto. No other or further notice is required.

F. Solicitation Procedures. The Plan Proponents' procedures for soliciting votes to accept or reject the Plan (the "Solicitation Procedures"), as set forth in the Solicitation Package and described in the Motion, Solicitation Affidavit, and Tabulation Declaration, are appropriate and satisfactory based upon the circumstances and in compliance with the provisions of the Bankruptcy Code, including sections 1125 and 1126 thereof, the Bankruptcy Rules, including Bankruptcy Rules 3017 and 3018, the Local Rules, and any other applicable rules, laws, and regulations. In particular and without limitation, as detailed below, (1) Solicitation Packages were transmitted to all holders of Claims and Interests entitled to vote on the Plan and were not required to be transmitted to any other holders of Claims and Interests, (2) the Ballots included in the Solicitation Packages adequately addressed the particular needs of these chapter 11 cases, (3) holders of Claims and Interests entitled to vote on the Plan were prescribed sufficient and reasonable time and notice to submit Ballots, and (4) votes were tabulated fairly, in good faith, and as set forth in the Solicitation Package and the Tabulation Declaration.

(i) *Transmission of Solicitation Packages.* As evidenced by the Solicitation Affidavit and Tabulation Declaration, the Plan Proponents only solicited votes to accept or reject the Plan from holders of Claims in Classes 3A and 3B (collectively, the "Voting Classes"). All Classes other than the Voting Classes (collectively, the "Non-voting Classes") are either Unimpaired or will receive no recovery under the Plan and, pursuant to sections 1126(f) and (g) of the Bankruptcy Code, conclusively presumed to either have accepted or rejected the Plan, respectively. The Plan Proponents therefore were not required to solicit votes on the Plan from holders in Classes 1(a)-(e) (Priority Non-Tax Claims), Classes 2(a)-(e) (Other Secured Claims), Classes 4(a)-(e) (General Unsecured Claims), Classes 5(a)-(e) (Intercompany Claims), or Classes 6(a)-(e) (Interests).

On June 4, 2018, the Solicitation Packages (including the Plan) were distributed to all holders of record of the Claims in the Voting Classes. Holders of record were determined as of the date specified in the Solicitation Package for such purpose, June 4, 2018 (the "Voting Record Date") the selection of which was appropriate and reasonable under the circumstances. Transmission of the

Solicitation Packages to holders of Claims in the Voting Classes was timely, adequate, and sufficient under the circumstances, and no further transmission of the Solicitation Packages was required.

(ii) *Ballots*. The Ballots, forms of which are attached as an exhibit to the Motion, adequately conform to Official Form No. 14, and the modifications thereto addressed the particular needs of these chapter 11 cases and were appropriate for the holders of Claims and Interests entitled to vote to accept or reject the Plan. As evidenced by the Tabulation Declaration, the Ballots included in the tabulation results for the Plan were in form consistent with the requirements of Bankruptcy Rule 3018(c).

(iii) *Voting Deadline*. Establishment and notice of the deadline by which Ballots were required to be received by Prime Clerk in order to be counted for or against the Plan (the "Voting Deadline") was appropriate and reasonable under the circumstances. The period during which the Plan Proponents solicited acceptances to the Plan was a reasonable period of time for the holders of Claims entitled to vote on the Plan to make an informed decision to accept or reject the Plan.

(iv) *Vote Tabulation*. As evidenced by the Tabulation Declaration, Prime Clerk adhered to a tabulation protocol set forth in the Solicitation Packages (including in the instructions in the Ballots), which protocol was appropriate and reasonable under the circumstances. In particular, the tabulation results for the Plan only included those timely Ballots that were properly completed and executed by the holder of record of the relevant Claim or Interest (or such holder's authorized representative) as of the Voting Record Date. Votes to accept or reject the Plan were tabulated fairly and in good faith.

Accordingly, the Solicitation Procedures are approved in all respects, and the acceptances of the Plan obtained in accordance with the Solicitation Procedures, prior to the Petition Date, satisfy the conditions set forth in subdivisions (b) and (c) of Bankruptcy Rule 3018 for such acceptances to be deemed to be acceptances of the Plan pursuant to section 1126(b) of the Bankruptcy Code.

G. Adequacy of Disclosure Statement. Based on the circumstances of these chapter 11 cases and the extensive and comprehensive nature of the Disclosure Statement, which included descriptions and summaries of, among other things, (1) the Plan, (2) certain events preceding the commencement of these chapter 11 cases, (3) securities to be issued under the Plan, (4) the Restructuring Support Agreement, (5) risk factors affecting the Plan, (6) an analysis

setting forth the estimated return that creditors would receive in a chapter 7 liquidation, (7) financial projections and a valuation analysis that would be relevant to holders of Claims and Interests in determining whether to accept or reject the Plan, and (8) certain federal tax law consequences of the Plan, the adequacy of the Disclosure Statement is approved in all respects. The Disclosure Statement contains (1) sufficient information of a kind to satisfy the disclosure requirements of all applicable non-bankruptcy law, rules, and regulations, including the Securities Act of 1933, as amended (the "Securities Act") and (2) "adequate information," as such term is defined in section 1125(a) of the Bankruptcy Code, with respect to MACH Gen, the Plan, and the transactions contemplated therein. Accordingly, the Disclosure Statement complies with section 1126(b) of the Bankruptcy Code for purposes of subsections (c) and (d) of section 1126 of the Bankruptcy Code. By filing both the Disclosure Statement and the Plan on the Petition Date, the Plan Proponents have satisfied the filing requirement in Bankruptcy Rule 3016(b).

H. Plan Supplement. All materials in the Plan Supplement comply with the terms of the Plan, and the filing and notice of such documents is good and proper in accordance with the Bankruptcy Code, Bankruptcy Rules, and Local Rules, and no other or further notice is or shall be required. All exhibits and documents included in the Plan Supplement are incorporated into and are a part of the Plan as if set forth in full in the Plan.

I. Solicitation in Good Faith. The Plan Proponents have solicited votes to accept or reject the Plan in good faith and in compliance with the Bankruptcy Code. Pursuant to section 1125(e) of the Bankruptcy Code, the Plan Proponents and their respective affiliates, agents, representatives, members, principals, shareholders, officers, directors, employees, advisors, and attorneys have participated in good faith and in compliance with the Bankruptcy Code in the

offer, issuance, sale, and purchase of securities offered and sold under the Plan and any previous plan, and, therefore, none of any such parties or individuals or Reorganized MACH Gen or Reorganized New Harquahala will have any liability for the violation of any applicable law, rule or regulation governing the solicitation of votes on the Plan or the offer, issuance, sale, or purchase of the securities offered and sold under the Plan and any previous plan.

J. Plan's Compliance with Bankruptcy Code (11 U.S.C. § 1129(a)(1)). As detailed below, the Plan complies with the applicable provisions of the Bankruptcy Code, thereby satisfying section 1129(a)(1) of the Bankruptcy Code.

(i) *Plan Proponents (11 U.S.C. § 1121(a))*. The Plan Proponents are proper plan proponents under section 1121(a) of the Bankruptcy Code. In addition, the Plan is dated and identifies the Plan Proponents as proponents thereby satisfying Bankruptcy Rule 3016(a).

(ii) *Proper Classification (11 U.S.C. §§ 1122 and 1123(a)(1))*. Except with respect to Administrative Expenses, DIP Claims, and Priority Tax Claims, which need not be classified, Article III of the Plan classifies all Claims and Interests into seven Classes (numbered 1, 2, 3A, 3B, 4, 5, and 6). Because the Plan constitutes a separate chapter 11 plan with respect to each MACH Gen Entity, Article III of the Plan also provides that each numbered Class is deemed to encompass five separate Classes (one for each MACH Gen Entity), with such separate Classes designated, as necessary, by suffixes, as Classes 1(a)-(e), Classes 2(a)-(e), Classes 3A(i)-(v), Classes 3B(i)-(v), Classes 4(a)-(e), Classes 5(a)-(e), and Classes 6(a)-(e). Each Claim and Interest is substantially similar to all other Claims or Interests, as the case may be, that have been placed into the same Class as such Claim or Interest. Valid business, factual, and legal reasons exist for separately classifying the various Classes of Claims and Interests created under the Plan, including by each MACH Gen Entity, and such Classes do not unfairly discriminate among the holders of Claims and Interests. The Plan therefore satisfies sections 1122 and 1123(a)(1) of the Bankruptcy Code.

(iii) *Unimpaired Classes (11 U.S.C. § 1123(a)(2))*. Article III of the Plan specifies each Class that is Unimpaired under the Plan, thereby satisfying section 1123(a)(2) of the Bankruptcy Code:

(iv) *Treatment of Impaired Classes (11 U.S.C. § 1123(a)(3))*. Article III of the Plan specifies the treatment of each Class that is Impaired under the Plan, thereby satisfying section 1123(a)(3) of the Bankruptcy Code.

(v) *Same Treatment Within Classes (11 U.S.C. § 1123(a)(4))*. Article III of the Plan provides for the same treatment of each Claim or Interest in a particular Class, unless the holder of a particular Claim or Interest agrees to a less favorable treatment of such Claim or Interest, thereby satisfying section 1123(a)(4) of the Bankruptcy Code.

(vi) *Implementation of Plan (11 U.S.C. § 1123(a)(5))*. Article V and other provisions of the Plan specifically provide, in detail, adequate and proper means for the Plan's implementation. In the event the First Lien Step-In Scenario has not occurred, on the Effective Date, (1) 100% of the Interests in New Harquahala shall be cancelled and the holders of the First Lien Claims (or their designee) shall receive their Pro Rata share (or such other allocations as may be determined by the First Lien Lenders in their sole discretion) of 100% of the Interests in Reorganized New Harquahala and payment in Cash of the Amendment Fee and Deferred Charges Amount in satisfaction of the First Lien Loan Reduction (subject to the terms and conditions of the Harquahala Reorganization Annex and the New First Lien Term Loans), (2) all other Interests in the MACH Gen Entities shall be reinstated, (3) Reorganized MACH Gen will enter into the New First Lien Facilities and the New Second Lien Facility and make distributions to holders of Allowed Class 3A and Class 3B Claims in the form of the New First Lien Facilities issued pursuant the Plan, (4) the Holders of Allowed DIP Claims shall receive payment in full in Cash, and (5) the First Lien Lenders shall reimburse or pay to Reorganized MACH Gen all reasonable and documented out-of-pocket O&M Expenses in an amount not to exceed $3,000,000 in accordance with, and subject to, Article V.E of the Plan and the Harquahala Reorganization Annex. In the event of a First Lien Step-In Scenario, on the Effective Date, 100% of the Interests in New MACH Gen shall be cancelled and the holders of the First Lien Claims and the holders of the DIP Claims (or their respective designees) shall each receive their Pro Rata share (or such other allocations as may be determined by the First Lien Lenders and DIP Lenders in their sole discretion) of 100% of the Interests in Reorganized New MACH Gen in exchange for the First Lien Claims and the DIP Claims. Reorganized MACH shall fund all distributions under the Plan required to be paid in Cash with Cash on hand, including Cash from operations and any Cash received on the Effective Date, including pursuant to the New Second Lien Facility or the New First Lien Facilities. Accordingly, the Plan satisfies section 1123(a)(5) of the Bankruptcy Code

(vii) *Charter Provisions (11 U.S.C. § 1123(a)(6))*. The New Organizational Documents, filed as part of the Plan Supplement, prohibit the issuance of nonvoting equity securities, thereby satisfying section 1123(a)(6) of the Bankruptcy Code.

(viii) *Designation of Directors and Officers (11 U.S.C. § 1123(a)(7))*. Article V.I of the Plan and the New Organizational Documents, filed as part of the Plan Supplement, contain provisions with respect to the selection of Reorganized MACH Gen and Reorganized New Harquahala's directors and officers that are consistent with the interests of creditors and equity security holders and with

public policy. The Plan does not contain any provisions with respect to the selection of Reorganized MACH Gen and Reorganized New Harquahala's directors and officers that are inconsistent with the interests of creditors and equity security holders or with public policy, thereby satisfying section 1123(a)(7) of the Bankruptcy Code.

(ix) *No Individual Debtor – Requirement Inapplicable (1 I U.S.C. § 1123(a)(8))*. None of the MACH Gen Entities is an individual, and section 1123(a)(8) of the Bankruptcy Code is therefore inapplicable to the Plan.

(x) *Impairment/Unimpairment of Classes (11 U.S.C. § 1123(b)(1))*. Article III of the Plan specifies the Classes that are impaired and the Classes that are unimpaired, as contemplated by section 1123(b)(1) of the Bankruptcy Code.

(xi) *Assumption and Rejection of Executory Contracts (11 U.S.C. § 1123(b)(2))*. Article VI of the Plan provides for the assumption and rejection of Executory Contracts and Unexpired Leases in accordance with section 365 of the Bankruptcy Code, as contemplated by section 1123(b)(2) of the Bankruptcy Code.

(xii) *Settlement of Claims and Interests (11 U.S.C. § 1123(b)(3))*. The Plan provides for certain settlements of MACH Gen's claims and interests, including through the releases, exculpation, and injunction pursuant to Article IX of the Plan, and for the retention and enforcement of certain of MACH Gen's claims and interests, including pursuant to Article V.N of the Plan, as contemplated by section 1123(b)(3) of the Bankruptcy Code.

(xiii) *Additional Provisions (11 U.S.C. § 1123(b)(6))*. The Plan contains other appropriate provisions that are not inconsistent with the applicable provisions of the Bankruptcy Code, as contemplated by section 1123(b)(6) of the Bankruptcy Code.

K. Plan Proponents' Compliance with Bankruptcy Code (11 U.S.C. § 1129(a)(2)). As detailed below, the Plan Proponents have complied with the applicable provisions of the Bankruptcy Code, thereby satisfying section 1129(a)(2) of the Bankruptcy Code:

(i) each MACH Gen Entity is eligible under section 109 of the Bankruptcy Code to be a debtor in these chapter 11 cases;

(ii) the Plan Proponents complied with the applicable provisions of the Bankruptcy Code, including sections 1125 and 1126, the Bankruptcy Rules, including Bankruptcy Rules 3017 and 3018, the Local Rules, the Scheduling Order, and any applicable non-bankruptcy law, rule, and regulation in transmitting the Plan, Plan

Supplement, Disclosure Statement, Ballots, and related documents and notices and in soliciting and tabulating the votes on the Plan; and

(iii) the Plan Proponents have complied in all other respects with any applicable provisions of the Bankruptcy Code, except as otherwise provided or permitted by orders of the Bankruptcy Court.

L. Plan Proposed in Good Faith (11 U.S.C. § 1129(a)(3)). The Plan Proponents have proposed the Plan (including all documents necessary to effectuate the Plan) and the transactions contemplated in the Plan in good faith and not by any means forbidden by law. The Plan Proponents' good faith is evident from the facts and record of these chapter 11 cases, the Disclosure Statement, the record of the Confirmation Hearing and other proceedings held in these chapter 11 cases, and the unanimous support indicated by all holders who voted on the Plan voting to accept the Plan. The Plan was proposed with the legitimate and honest purpose of maximizing the value of the Estates and to effectuate a successful and efficient reorganization of MACH Gen. The Plan (including all documents necessary to effectuate the Plan) was negotiated at arm's length among MACH Gen, the Support Parties, and each of their respective professionals. Further, the Plan's classification, indemnification, exculpation, release, and injunction provisions have been negotiated in good faith and at arm's-length, are consistent with sections 105, 1122, 1123, 1129, and 1142 of the Bankruptcy Code and are each necessary for MACH Gen's successful reorganization. Accordingly, the Plan satisfies section 1129(a)(3) of the Bankruptcy Code.

M. Payment for Services or Costs and Expenses (11 U.S.C. § 1129(a)(4)). Any payment made or to be made by the Plan Proponents or by a person issuing securities or acquiring property under the Plan for services or for costs and expenses of MACH Gen's professionals in connection with these chapter 11 cases, or in connection with the Plan and

incident to the chapter 11 cases, has been approved by, or is subject to the approval of, the Court as reasonable, thereby satisfying section 1129(a)(4) of the Bankruptcy Code.

N. Directors, Officers, and Insiders (11 U.S.C. § 1129(a)(5)). The identity and affiliations of any individual proposed to serve as a director or officer of Reorganized MACH Gen and Reorganized New Harquahala, as applicable, and the identity and nature of any compensation of any insider that will be employed or retained by Reorganized MACH Gen and Reorganized New Harquahala, as applicable, have been fully disclosed in the Disclosure Statement, Plan, and Plan Supplement, to the extent available, and the appointment to, or continuance in, such offices of such individuals is consistent with the interests of holders of Claims and Interests and with public policy. Each such individual will serve in accordance with the terms and subject to the conditions of the New Organizational Documents and any other relevant organizational documents, each as applicable. Accordingly, MACH Gen has complied with section 1129(a)(5) of the Bankruptcy Code.

O. No Rate Changes – Requirement Inapplicable (11 U.S.C. § 1129(a)(6)). The Plan does not provide for any rate changes by MACH Gen, and section 1129(a)(6) of the Bankruptcy Code is therefore inapplicable to the Plan.

P. Best Interest of Creditors (11 U.S.C. § 1129(a)(7)). The liquidation analysis attached to the Disclosure Statement and other evidence submitted, proffered, or adduced in support of the Plan at or in connection with the Confirmation Hearing (1) is persuasive and credible, (2) has not been controverted by other persuasive and credible evidence, (3) employs reasonable methodologies and assumptions, and (4) establishes that each holder of an Impaired Claim or Interest will receive or retain property under the Plan, on account of such Impaired Claim or Interest, with a value as of the Effective Date that is not less than the amount that such

holder would receive or retain if MACH Gen were liquidated under chapter 7 of the Bankruptcy Code on such date. Accordingly, the Plan satisfies section 1129(a)(7) of the Bankruptcy Code.

Q. Acceptance by Certain Classes (11 U.S.C. § 1129(a)(8)). Pursuant to section 1126(b) of the Bankruptcy Code, each Voting Class (Classes 3A and 3B) has accepted the Plan in accordance with section 1126(c) of the Bankruptcy Code. Classes 1, 2, 4, 6(b), 6(c), and 6(d) are Unimpaired under the Plan and pursuant to section 1126(f) of the Bankruptcy Code are conclusively presumed to have accepted the Plan. Classes 5, 6(a) and/or 6(e) are deemed to reject the Plan; therefore, section 1129(a)(8) of the Bankruptcy Code has not been satisfied with respect to these Classes that are deemed to reject the Plan. Accordingly, confirmation is sought pursuant to section 1129(b) of the Bankruptcy Code with respect to such Classes.[4]

R. Treatment of Administrative Expenses, DIP Claims, and Priority Claims (11 U.S.C. § 1129(a)(9)). Articles II.A, II.B, II.C, II.D, and III.B.1 of the Plan provide that (i) Administrative Expenses, (ii) Priority Claims, and (iii) in the event the First Lien Step-In Scenario has not occurred, DIP Claims, in each case, will receive treatment that is consistent with the treatment specified therefor in section 1129(a)(9) of the Bankruptcy Code. In the event of a First Lien Step-In Scenario, DIP Claims will receive treatment that is different than the treatment specified therefor in section 1129(a)(9) of the Bankruptcy Code, with the consent of each holder thereof. Accordingly, the Plan satisfies section 1129(a)(9) of the Bankruptcy Code.

[4] The Plan provides that holders of Claims within Classes 5 and 6(a) shall be Unimpaired and holders of such Claims will be deemed to accept the Plan, provided that, solely in the event of a First Lien Step-In Scenario, such Claims will be Impaired, the holders of such Claims will receive no distribution and will be deemed to reject the Plan. The Plan also provides holders of Claims within Class 6(e) shall be Impaired and holders of such Claims will receive no distribution and will be deemed to reject the Plan, provided that, solely in the event of a First Lien Step-In Scenario, such Claims will be Unimpaired and holders of such Claims will be deemed to accept the Plan.

S. Acceptance by Impaired Class of Claims (11 U.S.C. § 1129(a)(10)). Classes 3A, 3B and 6(e) are Impaired under the Plan. Additionally, in the event the First Lien Step-In Scenario occurs, Classes 5 and 6(a) (but not 6(e)) will be impaired under the Plan. As evidenced by the Tabulation Declaration, both of the Impaired Classes of Claims that are entitled to vote – Class 3A (First Lien Revolver Claims) and Class 3B (First Lien Term Loan Claims) – have voted unanimously to accept the Plan in accordance with section 1126(c) of the Bankruptcy Code, determined without including any acceptance of the Plan by any "insider," as that term is defined in section 101(31) of the Bankruptcy Code, thereby satisfying the requirements of section 1129(a)(10) of the Bankruptcy Code.

T. Feasibility (11 U.S.C. § 1129(a)(11)). The projected financial results attached to the Disclosure Statement and other evidence submitted, proffered, or adduced in support of the Plan at or in connection with the Confirmation Hearing (1) is persuasive and credible, (2) has not been controverted by other persuasive and credible evidence, and (3) employs reasonable methodologies and assumptions, and (4) establishes that the Plan is feasible and that there is a reasonable prospect of Reorganized MACH Gen and Reorganized New Harquahala being able to meet their financial obligations under the Plan and in their businesses in the ordinary course and that confirmation of the Plan is not likely to be followed by the liquidation or the need for further financial reorganization of Reorganized MACH Gen or Reorganized New Harquahala, thereby satisfying the requirements of section 1129(a)(11) of the Bankruptcy Code.

U. Payment of Fees (11 U.S.C. § 1129(a)(12)). Article II.A of the Plan provides for the payment on the Effective Date of all Administrative Expenses, including all fees and charges assessed against the Estates pursuant to chapter 123 of title 28 of the United States Code, which includes section 1930 thereof, that are then due and owing, to the extent not already paid during

these chapter 11 cases, thereby satisfying the requirements of section 1129(a)(12) of the Bankruptcy Code.

V. No Retiree Benefits – Requirement Inapplicable (11 U.S.C. § 1129(a)(13)). MACH Gen does not provide or pay any "retiree benefits," as such term is defined in section 1114 of the Bankruptcy Code, and section 1129(a)(13) of the Bankruptcy Code is therefore inapplicable to the Plan.

W. No Domestic Support Obligations – Requirement Inapplicable (11 U.S.C. § 1129(a)(14)). MACH Gen is not required by a judicial or administrative order, or by statute, to pay any domestic support obligation, and section 1129(a)(14) of the Bankruptcy Code is therefore inapplicable to the Plan.

X. No Individual Debtor – Requirement Inapplicable (11 U.S.C. § 1129(a)(15)). None of the MACH Gen Entities is an individual, and section 1129(a)(15) of the Bankruptcy Code is therefore inapplicable to the Plan.

Y. No Applicable Nonbankruptcy Law Regarding Transfers – Requirement Inapplicable (11 U.S.C. § 1129(a)(16)). Each of the MACH Gen Entities is a moneyed, business, or commercial corporation or trust, and section 1129(a)(16) of the Bankruptcy Code is therefore inapplicable to the Plan.

Z. Confirmation of the Plan Over Nonacceptance of Impaired Classes (11 U.S.C. § 1129(b)). Classes 5, 6(a), and 6(e) are deemed to reject the Plan. Pursuant to section 1129(b) of the Bankruptcy Code, the Plan may be confirmed notwithstanding that not all Impaired Classes have voted to accept the Plan. All of the requirements of section 1129(a) of the Bankruptcy Code with respect to such Classes, other than section 1129(a)(8), have been met. With respect to Classes 5, 6(a), and 6(e), no holders of Claims or Interests junior to the holders

of such Classes will receive or retain any property under the Plan on account of such Claims or Interests. Additionally, no Class of Claims or Interests is receiving property under the Plan having a value more than the Allowed amount of such Claim or Interest. Further, the Plan does not unfairly discriminate among Classes of Claims and Interests because holders of Claims with similar legal rights will not be receiving materially different treatment under the Plan. Specifically, classifications and recoveries under the Plan are based on the following factors: (a) the MACH Gen Entities and claims against such entity and assets at each entity, and (b) legal rights of holders of Claims, including rights under applicable credit and debt agreements, security interests against the applicable MACH Gen Entity, and subordination agreements. Moreover, any Claim or Interest that is Impaired and deemed to reject the Plan has consented to its treatment under the Plan. Accordingly, the Plan is fair and equitable and does not discriminate unfairly, as required by section 1129(b) of the Bankruptcy Code, and may be confirmed under Bankruptcy Code section 1129(b) notwithstanding such Classes' deemed rejection of the Plan.

AA. Satisfaction of Confirmation Requirements. Based upon the foregoing, all requirements for confirming the Plan set forth in subsection (a) of section 1129 of the Bankruptcy Code have been satisfied, and each other subsection thereof is inapplicable to the confirmation of the Plan. In particular, (1) the Plan is the only plan filed in these chapter 11 cases, (2) the principal purpose of the Plan is not the avoidance of taxes or the avoidance of the application of section 5 of the Securities Act, and no governmental unit has alleged and proven otherwise, and (3) none of the MACH Gen Entities is a "small business debtor," as such term is defined in section 101(51D) of the Bankruptcy Code.

BB. Implementation. All documents necessary to implement the Plan, including the exhibits thereto, the documents contained in the Plan Supplement, the New First Lien Facilities Documents, the New Second Lien Facility Documents, the New Intercreditor Agreement, and all other relevant and necessary documents have been negotiated in good faith and at arm's length and shall, upon completion of documentation and execution, be valid, binding, and enforceable agreements and shall not be in conflict with any federal or state law.

CC. Releases, Exculpation, and Injunction. The Court has jurisdiction under sections 1334(a) and (b) of title 28 of the United States Code to approve the releases, exculpation, and injunction set forth in the Plan. The settlements reflected in the Plan are (1) in the best interests of MACH Gen, its Estates, and all holders of Claims or Interests, (2) fair, equitable, and reasonable, (3) made in good faith, and (4) hereby approved by the Court pursuant to Bankruptcy Rule 9019. The allowance, classification, and treatment of any Allowed Claims and Allowed Interests of a Released Party take into account any Causes of Action, whether under the Bankruptcy Code or otherwise under applicable non-bankruptcy law, that may exist between MACH Gen and any Released Party.

DD. As contemplated by section 1123(b)(3) of the Bankruptcy Code, Article IX.D of the Plan describes certain releases granted by MACH Gen and certain third parties (the "Releases"). The Releases are permitted under section 105(a) of the Bankruptcy Code when, as has been established here based upon the record in these chapter 11 cases and the evidence presented at the Confirmation Hearing, they are (1) in exchange for the good and valuable consideration provided by the Released Parties; (2) a good faith settlement and compromise of the claims released by Article IX.D of the Plan; (3) in the best interests of MACH Gen and all holders of Claims and Interests; (4) fair, equitable, and reasonable; (5) given and made after due

notice and opportunity for hearing; and (6) a bar to any Entity (including MACH Gen) asserting any claim or Cause of Action released pursuant to Article IX.D the Plan.

EE. The releases of non-debtors in Article IX of the Plan are fair to holders of Claims and Interests and are necessary to the proposed restructuring, thereby satisfying the requirements of In re Continental Airlines, Inc., 203 F.3d 203, 214 (3d Cir. 2000). In addition, such releases are appropriate because (1) there is an identity of interest between MACH Gen and each of the Released Parties as (a) they share the common goal of confirming the Plan and implementing the transactions contemplated thereby, and (b) a suit against the Released Parties is, in essence, a suit against MACH Gen or will deplete assets of the Estates; (2) each of the Released Parties provided a substantial contribution to the reorganization, including without limitation the efforts of the Released Parties to facilitate the reorganization of MACH Gen and the implementation of the restructuring contemplated by the Restructuring Support Agreement, (3) each Impaired Class that was entitled to vote on the Plan voted unanimously to accept, and (4) the Plan provides for holders in all Non-voting Classes to be paid in full or otherwise rendered unimpaired, except as otherwise agreed by holders of Claims or Interests in such Non-voting Classes. In addition, the Releases provide finality for MACH Gen, Reorganized MACH Gen, and the Released Parties regarding the parties' respective obligations under the Plan and were specifically negotiated by MACH Gen and the Support Parties as part of the Restructuring Support Agreement, including the form of the Plan attached thereto.

FF. Further, the exculpation provision described in Article IX.E of the Plan (the "Exculpation") is appropriate under applicable law because it was proposed in good faith, was formulated following extensive good-faith, arm's-length negotiations with key constituents and is appropriately limited in scope, as it will have no effect on the liability of any Entity for any act

or omission that is determined by a Final Order of a court of competent jurisdiction to have constituted willful misconduct, fraud, or gross negligence. The Exculpated Parties have participated in compliance with the applicable provisions of the Bankruptcy Code with regard to the solicitation and distribution of the securities pursuant to the Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan.

GG. The injunction provision set forth in Article IX.F of the Plan is necessary to implement, preserve, and enforce the discharge described in Article IX.B of the Plan, the Releases, and the Exculpation.

HH. The record of the Confirmation Hearing and these chapter 11 cases, including the Declarations, is sufficient to support the releases, exculpation, and injunction provided for in Article IX.D, Article IX.E, and Article IX.F of the Plan, respectively. Accordingly, based upon the record of these chapter 11 cases, the representations and the evidence proffered, adduced and presented at the Confirmation Hearing, the Court finds that the releases, exculpation, and injunction set forth in Article IX of the Plan are consistent with the Bankruptcy Code and applicable law. The failure to implement the injunction, exculpation, and releases would seriously impair MACH Gen's ability to confirm the Plan.

II. Preservation of Causes of Action. Article V.N. of the Plan provides, in accordance with section 1123(b)(3) of the Bankruptcy Code, that (1) any Preserved Causes of Action that a MACH Gen Entity may hold against any Entity shall vest in Reorganized MACH Gen or Reorganized New Harquahala, as applicable, (2) the applicable Reorganized MACH Gen Entity or Entities or Reorganized New Harquahala, as applicable, through their authorized agents

or representatives, shall retain and may exclusively enforce any and all such Preserved Causes of Action, and (3) Reorganized MACH Gen or Reorganized New Harquahala, as applicable, shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Preserved Causes of Action and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Court. The provisions of the Plan, including the Plan Supplement, regarding the Preserved Causes of Action are appropriate, fair, equitable, and reasonable and are in the best interests of MACH Gen, the Estates, and holders of Claims and Interests.

JJ. Good Faith. MACH Gen, Reorganized MACH Gen, Reorganized New Harquahala, the Support Parties, the Plan Proponents, and the Released Parties will be acting in good faith if they proceed to (1) consummate the Plan and the agreements, settlements, transactions, and transfers contemplated thereby and (2) take the actions authorized and directed by this Confirmation Order.

KK. Valuation. The valuation analysis contained in the Disclosure Statement and the Declarations, and the liquidation analysis attached to the Disclosure Statement, provide the basis for the Plan, and the estimated going concern value and liquidation value of the Debtors is, in each case, reasonable and credible. All parties in interest have been given the opportunity to challenge the valuation analysis and the liquidation analysis and none have. Each of the valuation analysis and liquidation analysis (a) is reasonable, persuasive, credible, and accurate and (b) relies on reasonable and appropriate methodologies and assumptions.

LL. O&M Reimbursement. The proposed terms and conditions of the reimbursement and payment to Reorganized MACH Gen of certain O&M Expenses by the First

Lien Lenders, as set forth in Article V.E of the Plan, are fair and reasonable and are in the best interests of MACH Gen, their Estates, and do not conflict with applicable law. In the event the First Lien Step-In Scenario has not occurred, MACH Gen and the First Lien Lenders are authorized, without further approval of this Court or any other party, to effectuate the O&M Expense reimbursement pursuant to Article V.E. of the Plan and to execute and deliver all agreements, documents, instruments and certificates relating thereto.

MM. First Lien Step-In Right. The automatic modification of the MACH Gen Entities' exclusive right to file and solicit a plan provided by section 1121 of the Bankruptcy Code upon the occurrence of the First Lien Step-In Scenario and the corresponding treatment provided in such case to Holders of DIP Claims and the Holders of Claims in Classes 1 through 6 (including, without limitation Classes 3A, 3B, 5, and 6), as set forth in Article V.D. of the Plan, is fair and reasonable and is in the best interests of MACH Gen, their Estates, and does not conflict with applicable law.

NN. Harquahala Reorganization. The Interests in New Harquahala and all property owned by New Harquahala constitute property of the Debtors' Estates and exclusive title and right thereto is presently vested in the Debtors' Estates within the meaning of section 541(a) of the Bankruptcy Code. In the event the First Lien Step-In Scenario has not occurred, on the Effective Date the Interests in New Harquahala shall be cancelled, and the Interests in Reorganized New Harquahala shall be issued to the First Lien Lenders and Reorganized New Harquahala shall obtain all of the Debtors' right, title, and interest in the Harquahala Assets (the "Harquahala Reorganization"). The Debtors have taken all corporate or other entity action necessary to authorize and approve the Harquahala Reorganization, and the Harquahala Reorganization has been duly and validly authorized by all necessary corporate or other entity

action. In the event the First Lien Step-In Scenario does not occur, upon the entry of this Confirmation Order, the Debtors shall have full authority to consummate the Harquahala Reorganization and all necessary transactions related thereto contemplated by, and pursuant to the terms of, the Plan.

OO. Good Faith Arms' Length Process. The process engaged in by the Debtors, the Consenting Equity Holders (as such term is defined in the Restructuring Support Agreement), and the First Lien Lenders, including the negotiation of the Plan and the Restructuring Support Agreement, was at arm's length, non-collusive, in good faith and substantively and procedurally fair to all parties, including with respect to the treatment of the First Lien Claims, including the issuance to the First Lien Lenders (or their designee) of the Interests in Reorganized New Harquahala in exchange for, among other things, the First Lien Loan Reduction (subject to the terms and conditions of the New First Lien Term Loan). The First Lien Lenders are good faith purchasers within the meaning of section 363(m) of the Bankruptcy Code, and are therefore entitled to the full protection of that section under this Confirmation Order and any other order related to the Harquahala Reorganization, and otherwise have proceeded in good faith in all respects in connection with this proceeding. Accordingly, the reversal or modification on appeal of the authorization provided herein (or in any other order related to the Harquahala Reorganization) to consummate the Harquahala Reorganization shall not affect the validity of the Harquahala Reorganization, unless such authorization and consummation of the Harquahala Reorganization are duly and properly stayed pending such appeal. None of the Debtors or the First Lien Lenders have engaged in any conduct that would prevent the application of section 363(m) of the Bankruptcy Code.

PP. No Collusion. The Plan and the transactions contemplated thereunder, including, but not limited to the Harquahala Reorganization and the First Lien Step-In Right, were proposed, negotiated and entered into by the Debtors, the Consenting Equity Holders (as such term is defined in the Restructuring Support Agreement), and the First Lien Lenders without collusion, the First Lien Lenders are not "insiders" or "affiliates" of the Debtors, as those terms are defined in section 101 of the Bankruptcy Code, and none of the Debtors or the First Lien Lenders have engaged in any conduct that would cause or permit the Plan, the Harquahala Reorganization, or any other related transaction to be avoided, or costs or damages to be imposed, under section 363(n) of the Bankruptcy Code.

QQ. No Fraudulent Intent; Fair Value. None of the Plan Proponents have submitted the Plan or propose to consummate the Harquahala Reorganization for the purpose of hindering, delaying or defrauding the Debtors' present or future creditors. None of the Plan Proponents are submitting the Plan, or proposing to consummate the Harquahala Reorganization, fraudulently, for the purpose of statutory and common law fraudulent conveyance and fraudulent transfer claims whether under the Bankruptcy Code, under the laws of the United States, or under the laws of any state, territory, possession thereof or the District of Columbia, or any other applicable jurisdiction with laws substantially similar to the foregoing. The form and total consideration to be realized by the Debtors under the Plan (including the First Lien Loan Reduction, subject to the terms and conditions of the New First Lien Term Loan and the Harquahala Reorganization Annex) constitutes fair value, fair, full and adequate consideration, reasonably equivalent value and reasonable market value for the Harquahala Assets.

RR. Free and Clear Transfer Necessary. The First Lien Lenders would not have agreed to the treatment provided in the Plan, including the First Lien Loan Reduction (subject to

the terms and conditions of the New First Lien Term Loan), and the Harquahala Reorganization, thus adversely affecting the Debtors, their Estates, creditors and other parties in interest, if the Harquahala Reorganization was not free and clear of all Claims, Liens, liabilities, Interests, rights and encumbrances to the extent set forth in the Plan or if the First Lien Lenders would, or in the future could, be liable for any Claims, Liens, liabilities, Interests, rights or encumbrances including, as applicable, certain liabilities that expressly are not assumed by the First Lien Lenders or Reorganized New Harquahala as set forth in the Plan, the Plan Supplement, or this Confirmation Order.

SS. Retention of Jurisdiction. Pursuant to sections 105(a) and 1142 of the Bankruptcy Code, the Court may properly retain exclusive jurisdiction over the matters arising out of, or related to, these chapter 11 cases and the Plan as set forth in Article XII of the Plan. AND IT IS HEREBY ORDERED, ADJUDGED, AND DECREED THAT:

Order

1. **Findings of Fact and Conclusions of Law**. The above-referenced findings of fact and conclusions of law are hereby incorporated by reference as though fully set forth herein and, together with the findings and conclusions in the record of the Confirmation Hearing, shall constitute the Court's findings of fact and conclusions of law pursuant to Rule 52 of the Federal Rules of Civil Procedure, as made applicable herein by Bankruptcy Rules 7052 and 9014. To the extent any finding of fact shall be determined to be a conclusion of law, it shall be deemed so, and vice versa.

2. **Notice of Confirmation Hearing**. The Combined Notice complied with the terms of the Scheduling Order, was adequate and sufficient under the circumstances, and all parties required to be given notice of the Confirmation Hearing (including the deadline for filing and serving objections to the Plan and Disclosure Statement) have been given due, proper,

timely, and adequate notice in accordance with the Scheduling Order and in compliance with the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any applicable non-bankruptcy law, rule, and regulation, and such parties have had an opportunity to appear and be heard with respect thereto. No other or further notice is required.

3. **Objections**. All objections, responses to, and statements and comments, if any, in opposition to, the Plan and/or the Disclosure Statement, respectively, shall be, and hereby are, overruled in their entirety or are otherwise resolved as incorporated herein.

4. **Solicitation Procedures**. The Solicitation Procedures are approved in all respects, including the selection of the Voting Record Date and Voting Deadline, and were appropriate and satisfactory based upon the circumstances and in compliance with the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any other applicable non-bankruptcy law. Transmission of the Solicitation Package to holders of Claims and Interests in the Voting Classes was timely, adequate, and sufficient under the circumstances, and no further transmission of the Solicitation Package was required.

5. **Ballots**. The Ballots are in compliance with Bankruptcy Rule 3018(c), adequately conform to Official Form B14, and are approved in all respects.

6. **Adequacy of Disclosure Statement**. The Disclosure Statement is approved in all respects and contains (a) sufficient information of a kind to satisfy the disclosure requirements of all applicable non-bankruptcy law, rules, and regulations, including the Securities Act, to the extent applicable, and (b) "adequate information," as such term is defined in section 1125(a) of the Bankruptcy Code, with respect to MACH Gen, the Plan, and the transactions contemplated therein.

7. **Approval of Prepetition Solicitation**. The solicitation of votes on the Plan conducted prior to the Petition Date complied with the Solicitation Procedures, was appropriate and satisfactory based upon the circumstances of these chapter 11 cases, and was in compliance with the Bankruptcy Code, including section 1125(g) of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and applicable non-bankruptcy law. Holders of Claims or Interests who accepted the Plan prior to the Petition Date pursuant to MACH Gen's solicitation of the Plan are deemed, pursuant to section 1126(b) of the Bankruptcy Code, to have accepted the Plan for purposes of subsections (c) and (d), as applicable, of section 1126 of the Bankruptcy Code.

8. To the extent that Plan Proponent's solicitation of acceptances of the Plan is deemed to constitute an offer of new securities, the Plan Proponents are exempt from the registration requirements of the Securities Act (and of any equivalent state securities or "blue sky" laws) with respect to such solicitation under section 3(a)(9) of the Securities Act and similar Blue Sky Laws, exempting the Plan Proponents' prepetition solicitation from the disclosure and registration requirements otherwise imposed by the Securities Act or any similar rules, regulations, or statutes. Section 3(a)(9) of the Securities Act provides that the registration requirements of the Securities Act will not apply to "any security exchanged by the issuer with its existing security holders exclusively where no commission or other remuneration is paid or given directly or indirectly for soliciting such exchange." The Plan Proponents meet the requirements of section 3(a)(9) of the Securities Act as the prepetition solicitation of acceptances would constitute an offer of new securities.

9. **Confirmation of Plan**. The Plan and each of its provisions shall be, and hereby are, CONFIRMED pursuant to section 1129 of the Bankruptcy Code. The documents contained in the Plan Supplement are authorized and approved. The terms of the Plan, including all

schedules and exhibits thereto and the Plan Supplement, are incorporated by reference into and are an integral part of this Confirmation Order.

10. **No Action Required**. Pursuant to the appropriate provisions of applicable law and section 1142(b) of the Bankruptcy Code, no action of the respective directors, equity holders, managers, or members of MACH Gen, Reorganized MACH Gen, Reorganized New Harquahala, or the Plan Proponents, as applicable, shall be required to authorize MACH Gen, Reorganized MACH Gen, or Reorganized New Harquahala, as applicable, to enter into, execute, deliver, file, adopt, amend, restate, consummate, or effectuate, as the case may be, the Plan and any contract, instrument, or other document to be executed, delivered, adopted, or amended in connection with the implementation of the Plan, including the Plan Supplement.

11. **Binding Effect**. Subject to Article X.B of the Plan and notwithstanding Bankruptcy Rules 3020(e), 6004(h), or 7062 or otherwise, upon the occurrence of the Effective Date, the terms of the Plan shall be immediately effective and enforceable and deemed binding upon MACH Gen, Reorganized MACH Gen, Reorganized New Harquahala, any and all holders of Claims or Interests (irrespective of whether such Claims or Interests are deemed to have accepted the Plan), all Entities that are party, or subject, to the settlements, compromises, releases, discharges, and injunctions described in the Plan, each Entity acquiring property under the Plan, and any and all of MACH Gen's counterparties to Executory Contracts, Unexpired Leases, and any other prepetition agreements and each of the foregoing's respective heirs, successors, assigns, trustees, executors, administrators, affiliates, officers, directors, agents, representatives, attorneys, beneficiaries, or guardians.

12. **Vesting of Assets**. Except as otherwise provided in the Plan or in this Confirmation Order (and subject to paragraph 24 hereof in respect of the New First Lien

Facilities, New First Lien Facilities Documents, the New Second Lien Facilities and the New Second Lien Facilities Documents), on the Effective Date, all property in each Estate, all Causes of Action (other than Excluded Actions) and any property acquired by MACH Gen pursuant to the Plan shall vest in each respective Reorganized MACH Gen Entity or Reorganized New Harquahala, as applicable, free and clear of all Liens, Claims, charges, or other encumbrances. On and after the Effective Date, except as otherwise provided in the Plan, Reorganized MACH Gen and Reorganized New Harquahala may operate its businesses and may use, acquire, or dispose of property and compromise or settle any Claims, Interests, or Causes of Action without supervision or approval by the Bankruptcy Court, and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules.

13. **Authorizations to Undertake Restructuring Transactions**. As of the date hereof, the Plan Proponents are authorized to enter into such transactions and take such other actions as may be necessary or appropriate to effect a corporate and other Entity restructuring of their businesses, to otherwise simplify the overall corporate and other Entity structure of MACH Gen, or to reincorporate or reorganize certain of the MACH Gen Entities under the laws of jurisdictions other than the laws of which such MACH Gen Entities currently are incorporated or formed. In furtherance thereof, the Plan Proponents and the directors, officers, or managers acting on their behalf, may (a) execute and deliver appropriate agreements or other documents of merger, consolidation, restructuring, disposition, liquidation, or dissolution containing terms that are consistent with the terms of the Plan and the Restructuring Support Agreement and that satisfy the requirements of applicable state law and such other terms to which the applicable Entities may agree; (b) execute and deliver appropriate instruments of transfer, assignment, assumption, or delegation of any asset, property, right, liability, duty, or obligation on terms

consistent with the terms of the Plan and the Restructuring Support Agreement, and having such other terms to which the applicable Entities may agree; (c) file appropriate certificates or articles of merger, consolidation or dissolution pursuant to applicable state law, consistent with the terms of the Plan and the Restructuring Support Agreement; and (d) take all other actions that the applicable Entities determine to be necessary or appropriate, including making filings or recordings that may be required by applicable state law in connection with such transactions, consistent with the terms of the Plan and Restructuring Support Agreement.

14. **Effectiveness of All Actions**. On the Effective Date, all actions contemplated under the Plan (including, for the avoidance of doubt, the Plan Supplement) shall be deemed authorized and approved in all respects, including: (a) appointment of the New Boards pursuant to Article V.I of the Plan and any other managers, directors, or officers for Reorganized MACH Gen and Reorganized New Harquahala, as applicable, identified in the Plan Supplement; (b) the issuance of new Interests in Reorganized New Harquahala; (c) entry into the New Organizational Documents; (d) entry into the New First Lien Facilities Documents; (e) entry into the New Second Lien Facilities Documents, (f) entry into the New Intercreditor Agreement, (g) implementation of the Restructuring Transactions; and (h) all other actions contemplated under the Plan (whether to occur before, on, or after the Effective Date). All matters provided for in the Plan involving the corporate or other Entity structure of MACH Gen, Reorganized MACH Gen, or Reorganized New Harquahala, and any corporate or other Entity action required by MACH Gen, Reorganized MACH Gen, or Reorganized New Harquahala in connection with the Plan, shall be deemed to have occurred and shall be in effect, without any requirement of further action by the security holders, managers, or officers of MACH Gen, Reorganized MACH Gen, and Reorganized New Harquahala. On or before the Effective Date, the appropriate

officers of MACH Gen, Reorganized MACH Gen or Reorganized New Harquahala, as applicable, shall be authorized and (as applicable) directed to issue, execute, and deliver the agreements, documents, securities, and instruments contemplated under the Plan (or necessary or desirable to effectuate the transactions contemplated under the Plan) in the name, and on behalf, of Reorganized MACH Gen or Reorganized New Harquahala, as applicable, including any and all agreements, documents, securities, and instruments relating to the foregoing. The foregoing authorizations and approvals shall be effective notwithstanding any requirements under applicable non-bankruptcy law.

15. **First Lien Step-In Right**. The First Lien Step-In Right of the First Lien Lenders is in the best interests of the Debtors, their Estates, and the holders of Claims and Interests and is fair, equitable, and reasonable under the circumstances of these Chapter 11 Cases. Accordingly, the terms and conditions of the First Lien Step-In Right are hereby approved pursuant to section 1123(b) of the Bankruptcy Code. In the event the First Lien Step-In Scenario occurs, the Holders of Allowed DIP Claims and the holders of Claims in Classes 3A, 3B, 4, 5, and 6 shall receive the applicable treatment provided for such claims as set forth in Articles II.C, III.B.3, III.B.4, III.B.5, III.B.6, and III.B.7 of this Plan, including, without limitation, the cancellation of all Interests in New MACH Gen and the issuance of 100% of the Interests in Reorganized MACH Gen to the DIP Lenders and First Lien Lenders.

16. **Approval of the Harquahala Reorganization**. In the event the First Lien Step-In Scenario does not occur, the Harquahala Reorganization and all terms and conditions thereof are authorized and approved in all respects pursuant to sections 105(a), 363(b), 365 and 1123(b)(6) of the Bankruptcy Code.

17. **Good and Marketable Title**. In the event the First Lien Step-In Scenario has not occurred and except as otherwise provided in the Plan and this Confirmation Order, on the Effective Date, all of the Debtors' rights, title and interest in and to, and possession of, the Harquahala Assets shall be immediately vested in Reorganized New Harquahala pursuant to sections 105(a), 363(b), 363(f), 365, and 1123(b)(6) of the Bankruptcy Code free and clear of any and all Claims, Liens, liabilities, Interests, rights, and encumbrances, except to the extent otherwise set forth in the Plan. Such transfer shall constitute a legal, valid, binding, and effective transfer of all of the legal, equitable and beneficial right, title and interest in and to the Harquahala Assets and will vest Reorganized New Harquahala with good and marketable title to the Harquahala Assets. All persons or Entities, presently or on or after the Effective Date, in possession of some or all of the Harquahala Assets are directed to surrender possession of the Harquahala Assets to Reorganized New Harquahala or its designee on the Effective Date or at such time thereafter as the First Lien Lenders or First Lien Agent may request. The Harquahala Reorganization shall not be avoidable under section 363(n) of the Bankruptcy Code, and no party shall be entitled to any damages or other recovery pursuant to section 363(n) in respect to the Plan or the Harquahala Reorganization.

18. In the event of the First Lien Step-In Scenario, on the Effective Date, all of the Debtors' rights, title and interest in and to, and possession of, the assets held by New MACH Gen, LLC and each MACH Gen Entity (the "MACH Gen Assets") shall be immediately vested in Reorganized MACH Gen pursuant to sections 105(a), 363(b), 363(f), 365, and 1123(b)(6) of the Bankruptcy Code free and clear of any and all Claims, Liens, liabilities, Interests, rights, and encumbrances, except to the extent otherwise set forth in the Plan. Such transfer shall constitute a legal, valid, binding, and effective transfer of all of the legal, equitable and beneficial right,

title and interest in and to the MACH Gen Assets and will vest Reorganized MACH Gen with good and marketable title to the MACH Gen Assets. All persons or Entities, presently or on or after the Effective Date, in possession of some or all of the MACH Gen Assets are directed to surrender possession of the MACH Gen Assets to Reorganized MACH Gen or its designee on the Effective Date or at such time thereafter as the First Lien Lenders or First Lien Agent may request.

19. **Permits**. To the maximum extent permitted under applicable law, Reorganized New Harquahala and Reorganized MACH Gen, as applicable, shall be authorized, as of the Effective Date, to operate under any license, permit, registration and governmental authorization or approval of MACH Gen, and all such licenses, permits, registrations and governmental authorizations and approvals are deemed to have been, and hereby are, directed to be transferred to Reorganized New Harquahala or Reorganized MACH Gen, as applicable, as of the Effective Date.

20. **Government Licenses**. No governmental unit (as defined in section 101(27) of the Bankruptcy Code) or any representative thereof may deny, revoke, suspend or refuse to renew any permit, license or similar grant relating to the operation of the Debtors' assets, including the Harquahala Assets, on account of the filing or pendency of the Chapter 11 Cases or the consummation of the Harquahala Reorganization to the extent that any such action by a governmental unit or any representative thereof would violate section 525 of the Bankruptcy Code.

21. **Reorganized New Harquahala Not A Successor**. The First Lien Lenders, Beal Bank USA, and Reorganized New Harquahala are not and shall not be deemed, by reason of any theory of law or equity, as a result of any action taken in connection with the Plan, the

consummation of the Harquahala Reorganization, the exercise of the First Lien Step-In Right, the assumption of Executory Contracts and Unexpired Leases pursuant to the Plan, and the other transactions contemplated by the Plan, or the transfer or operation of the Harquahala Assets to (a) be a legal successor, or otherwise be deemed a successor to the Debtors (other than with respect to any obligations as an assignee under the assumed Executory Contracts or Unexpired Leases arising after the Effective Date); (b) have, *de facto* or otherwise, consolidated or merged with or into the Debtors; or (c) be an alter ego or mere continuation or substantial continuation of the Debtors or the enterprise(s) of the Debtors.

22. **No Successor or Transferee Liability**. Except as otherwise expressly provided in the Plan and this Confirmation Order and with respect to the assumed Executory Contracts or Unexpired Leases, in the event the First Lien Step-In Right Scenario has not occurred, Reorganized New Harquahala shall not be subject to any liability (including, to the fullest extent possible under applicable law (including the Bankruptcy Code), or any responsibility for (a) any liability or other obligation of MACH Gen, or related to New Harquahala or the Harquahala Assets arising prior to the Effective Date or (b) any Claims against any MACH Gen Entity or any of its respective predecessors or Affiliates) by reason of the transfer of the Harquahala Assets, including the assumption by Reorganized New Harquahala of certain executory contracts and unexpired leases. To the extent any successor liability claim against Reorganized New Harquahala is property of the Debtors' Estates, the Debtors have agreed that any such Estate property interests are hereby extinguished and released.

23. Except as otherwise expressly provided in the Plan and this Confirmation Order and with respect to the assumed Executory Contracts or Unexpired Leases, in the event of the First Lien Step-In Scenario, Reorganized MACH Gen shall not be subject to any liability

(including, to the fullest extent possible under applicable law (including the Bankruptcy Code), or any responsibility for (a) any liability or other obligation of the Debtors or (b) any Claims against any MACH Gen Entity or any of its respective predecessors or Affiliates) by reason of the transfer of their assets, including the assumption of certain executory contracts and unexpired leases. To the extent any successor liability claim against Reorganized MACH Gen is property of the Debtors' Estates, the Debtors have agreed that any such Estate property interests are hereby extinguished and released.

24. **New First Lien Facilities, New Second Lien Facility, and New Intercreditor Agreement**. On the Effective Date, in the event the First Lien Step-In Scenario has not occurred, New MACH Gen and the other Reorganized MACH Gen Entities shall enter into the New First Lien Facilities, the New Second Lien Facility, and the new Intercreditor Agreement, which are hereby approved (including the transactions contemplated thereby, and all actions to be taken, undertakings to be made, obligations to be incurred, and fees to be paid by MACH Gen or Reorganized MACH Gen in connection therewith) and each Reorganized MACH Gen Entity other than Reorganized New Harquahala is authorized to execute and deliver those documents necessary or appropriate to obtain the New First Lien Facilities and New Second Lien Facility, including the New First Lien Facilities Documents, New Second Lien Facility Documents, and the New Intercreditor Agreement, and to grant all liens and security interests thereunder to the New First Lien Agent, the New First Lien Lenders, the New Second Lien Agent and the New Second Lien Facility Lenders in accordance with the terms of the New First Lien Facilities Documents and the New Second Lien Facility Documents without further notice to or order of the Court, act or action under applicable law, regulation, order, or rule or vote, consent, authorization, or approval, subject to such modifications as the Plan Proponents, Reorganized

MACH Gen, the Support Parties, and the New First Lien Agent or New Second Lien Agent, as applicable, may mutually agree to be necessary to consummate the New First Lien Facilities and New Second Lien Facility.

25. **Subordination of Certain Tax Allocation Claims**. On the Effective Date, (x) any Tax Allocation Claims against New Harquahala shall be deemed waived and discharged and shall get no distribution under the Plan, and (y) any Tax Allocation Claims against any MACH Gen Entity (other than New Harquahala) shall be reinstated against Reorganized MACH Gen and shall be junior, subordinated, and silent in respect of, and otherwise subject to the liens securing, among other things, the liabilities and obligations under (1) the DIP Orders (including any adequate protection obligations), the DIP Credit Agreement, and such additional documents, instruments and agreements, including any fee letters (collectively, the "DIP Loan Documents"), (2) the First Lien Credit Agreement and all other agreements, documents and instruments executed and/or delivered with, to or in favor of the First Lien Lenders, including, without limitation, all security agreements, notes, guarantees, mortgages, Uniform Commercial Code financing statements and all other related agreements, documents and instruments, including any fee letters, executed and/or delivered in connection therewith or related thereto (collectively, the "First Lien Financing Documents"), (3) the New First Lien Facilities, and (4) the New Second Lien Facility, and neither Talen LC Provider nor any affiliate thereof shall have any right to payment or enforcement of such Claim unless and until all liabilities and obligations under the DIP Orders and the other DIP Loan Documents (including any adequate protection obligations), the First Lien Financing Documents, and the New First Lien Facilities have been indefeasibly paid in full in cash; provided, that, in the event of a First Lien Step-In Scenario, any Tax

Allocation Claim against any MACH Gen Entity shall be deemed waived and discharged and shall get no distribution under the Plan.

26. Subject in all respects to the terms and conditions of the subordination agreement that is required to be entered into between and among MACH Gen, Talen LC Provider (together with any affiliates of Talen LC Provider necessary to give effect thereof) and the First Lien Lenders regarding the Tax Allocation Claims pursuant to Section X.B.12 of the Plan (in form and substance acceptable to the First Lien Lenders), if no First Lien Step-In Scenario occurs, then on and after the Effective Date, any Tax Allocation Claims shall be subject to the following provisions:

(a) For all purposes, the liabilities and obligations under the New First Lien Facilities Documents, the DIP Order (including any adequate protection obligations), the other DIP Loan Documents, and the First Lien Financing Documents, shall be senior in priority and right to payment to any Tax Allocation Claims.

(b) Any rights to payment on account of the Tax Allocation Claims are subordinated to the New First Lien Agent and New First Lien Lenders' right to payment in full in cash of the obligations under the New First Lien Facilities Documents, and to the DIP Agent's, DIP Lenders', First Lien Agent's, and First Lien Lenders' respective rights to payment in full in cash of the obligations under the DIP Orders (including any adequate protection obligations), the other DIP Loan Documents, and the First Lien Financing Documents, respectively. No legal or beneficial owner of a Tax Allocation Claim (a "Tax Allocation Claimant") shall accept or receive payments or other distributions on account of any Tax Allocation Claim (including, without limitation, under any plan of reorganization, plan of liquidation or otherwise, whether in cash or other property and whether received directly, indirectly or by set-off, counterclaim or

otherwise) from any of the Debtors prior to the date that all obligations and liabilities under and in respect of the New First Lien Facilities Documents, as well as all obligations and liabilities under the DIP Loan Documents (including any adequate protection obligations) and under the First Lien Financing Documents have been indefeasibly paid in full in cash and all commitments related to the New First Lien Facilities, the DIP Facility and the secured financing facility pursuant to and subject to the First Lien Credit Agreement (the "Prepetition First Lien Facility") have terminated (the "Satisfaction of the Senior Obligations").

(c) So long as the Satisfaction of Senior Obligations has not occurred, any payments or other distributions on account of a Tax Allocation Claim (whether or not expressly characterized as such) received by a Tax Allocation Claimant shall be segregated and held in trust and forthwith paid over to the New First Lien Agent (for the benefit of the New First Lien Lenders), or to the DIP Agent or the First Lien Agent for the benefit of the DIP Lenders and/or the First Lien Lenders, as applicable, in the same form as received, with any necessary endorsements or as a court of competent jurisdiction may otherwise direct.

(d) No Tax Allocation Claimant shall take any action or cause any action to be taken to recover in connection with the Tax Allocation Claims, or otherwise enforce or exercise remedies with respect to a Tax Allocation Claim prior to the Satisfaction of the Senior Obligations.

(e) No Tax Allocation Claimant shall take or cause to be taken any action the purpose or intent of which could directly or indirectly interfere, hinder or delay, in any manner, whether by judicial proceedings or otherwise, any action to enforce any obligations or liabilities under the New First Lien Facilities, or under the DIP Facility (including any adequate protection obligation) or Prepetition First Lien Facilities.

27. **Managers and Officers**. As of the Effective Date, the terms of the current members of the boards of directors or managers (as applicable) of MACH Gen shall expire, such directors shall be deemed to have resigned, and the initial boards of directors or managers (as applicable), including the New Boards identified in the Plan Supplement, and the officers of each of the Reorganized MACH Gen Entities shall be appointed in accordance with the respective New Organizational Documents. Each such director, manager, and officer shall serve from and after the Effective Date pursuant to the terms of the New Organizational Documents and other constituent documents of Reorganized MACH Gen or Reorganized New Harquahala, as applicable. Pursuant to section 1129(a)(5)(A)(ii) of the Bankruptcy Code, the Court approves as consistent with the interests of holders of Claims and Interests and with public policy the selection, election and/or continuance, as the case may be, of these individuals; provided that nothing set forth herein shall prevent any of the foregoing individuals from resigning or from being removed or replaced as director or manager without further order of the Court in accordance with the terms of Reorganized MACH Gen's or Reorganized New Harquahala's, as applicable, organizational documents. On or immediately prior to the Effective Date or as soon thereafter as is practicable, each of the Reorganized MACH Gen Entities will, to the extent such New Organizational Documents were included in the Plan Supplement, file its New Organizational Documents (if so required under applicable state law) with the applicable Secretaries of State and/or other applicable authorities in its respective state, province, or country of incorporation in accordance with the corporate laws of the respective state, province, or country of incorporation or formation.

28. **Compliance with Section 1123(a)(6) of Bankruptcy Code**. The Plan complies with section 1123(a)(6) of the Bankruptcy Code.

29. **Exemption from Securities Law**. Pursuant to section 1145 of the Bankruptcy Code, the offering, issuance, and distribution of the Interests in New MACH Gen, LLC, Reorganized MACH Gen, New Harquahala, and Reorganized New Harquahala, as applicable, as contemplated by the Plan shall be exempt from, among other things, the registration requirements of section 5 of the Securities Act and any other applicable law requiring registration of the offering, issuance, distribution, or sale of securities. In addition, under section 1145 of the Bankruptcy Code, the Interests in Reorganized MACH Gen and/or New Harquahala will be freely tradable in the U.S. by the recipients thereof, subject to the provisions of section 1145(b)(1) of the Bankruptcy Code relating to the definition of an underwriter in section 2(a)(11) of the Securities Act, and compliance with applicable securities laws and any rules and regulations of the Securities and Exchange Commission, if any, applicable at the time of any future transfer of such securities or instruments and subject to any restrictions in the New Organizational Documents.

30. **Cancellation of Certain Securities**. Except as otherwise explicitly provided for in the Plan, on the Effective Date: (a) the obligations of MACH Gen under the DIP Credit Agreement and the First Lien Credit Agreement shall be cancelled as to MACH Gen, and Reorganized MACH Gen and Reorganized New Harquahala, as applicable, shall not have any continuing obligations thereunder (in the event the First Lien Step-In Scenario has not occurred, subject to the effectiveness of the New First Lien Facilities Documents, the New First Lien Facilities, the New Second Lien Facility Documents, and the New Second Lien Facility, and the satisfaction of all conditions precedent, including all conditions precedent regarding the perfection of liens and security interests, to the obligations of the New First Lien Lenders and New Second Lien Lenders to make extensions of credit thereunder), and any other certificate,

equity security, share, note, purchase right, option, warrant, or other instrument or document, directly or indirectly evidencing or creating any indebtedness or obligation of, or ownership interest in, MACH Gen giving rise to any Claim or Interest (except such certificates, notes, or other instruments or documents evidencing indebtedness or obligation of, or ownership interest in, MACH Gen that are reinstated pursuant to the Plan)); and (b) the obligations of MACH Gen pursuant, relating, or pertaining to any agreements, indentures, certificates of designation, bylaws or certificate or articles of incorporation, or similar documents, governing the shares, certificates, notes, purchase rights, options, warrants, or other instruments or documents evidencing or creating any indebtedness or obligation of, or ownership interest in, MACH Gen (except such agreements, certificates, notes or other instruments evidencing indebtedness or obligation of or ownership interest in MACH Gen that are specifically reinstated pursuant to the Plan, including indemnification obligations assumed pursuant to the Plan) shall be released and discharged (subject, in the case of any obligations under the DIP Credit Documents and the First Lien Credit Documents and in the event the First Lien Step-In Scenario has not occurred, to the effectiveness of the New First Lien Facilities Documents, the New First Lien Facilities, the New Second Lien Facilities Documents, and the New Second Lien Facilities and satisfaction of all conditions precedent, including all conditions precedent regarding the perfection of liens and security interests, to the obligations of the New First Lien Lenders and the New Second Lien Lenders to make extensions of credit thereunder); provided, however, that notwithstanding Confirmation or Consummation, any such agreement that governs the rights of the holder of a Claim shall continue in effect solely for purposes of allowing holders to receive distributions under the Plan; provided, further, that the preceding proviso shall not affect the discharge of Claims or Interests

pursuant to the Bankruptcy Code this Confirmation Order, or the Plan, or result in any expense or liability to Reorganized MACH Gen or Reorganized New Harquahala.

31. **Release of Liens**. Except as otherwise expressly provided in the Plan, or in any contract, instrument, release, or other agreement or document created pursuant to the Plan (including, in the event the First Lien Step-In Scenario has not occurred, the New First Lien Facilities Documents and New Second Lien Facility Documents), on the Effective Date and concurrently with, and subject to, the applicable distributions made pursuant to the Plan (and, in the event the First Lien Step-In Scenario has not occurred, the effectiveness of the New First Lien Facilities Documents and New Second Lien Facility Documents), all mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estates shall be fully released and discharged, and all of the right, title, and interest of any holder of such mortgages, deeds of trust, Liens, pledges, or other security interests shall revert to the Reorganized MACH Gen Entities and each of their successors and assigns. For the avoidance of doubt, any release of a prepetition Lien pursuant to this paragraph shall be automatic, without any further action or filings on the part of MACH Gen, Reorganized MACH Gen, or Reorganized New Harquahala, as applicable; provided, however, that a certified copy of this Confirmation Order may be filed or recorded in addition to or in lieu of any document or instrument necessary to confirm any such release.

32. **General Settlement of Claims and Interests**. Pursuant to section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, and in consideration for the classification, distributions, releases, and other benefits provided under the Plan, on the Effective Date, the provisions of the Plan shall constitute a good faith compromise and settlement of all Claims and Interests and controversies resolved pursuant to the Plan. All distributions made to holders of

Allowed Claims in any Class and Interests in accordance with the Plan are intended to be, and shall be, final.

33. **Preservation of Causes of Action**. In accordance with section 1123(b) of the Bankruptcy Code, but subject in all respects to Article IX of the Plan, Reorganized MACH Gen or Reorganized New Harquahala, as applicable, shall retain, and may enforce, all rights to commence and pursue, as appropriate, any and all Preserved Causes of Action, whether arising before or after the Petition Date, including any actions specifically identified in the Plan Supplement, and Reorganized MACH Gen and Reorganized New Harquahala's rights to commence, prosecute, settle, or assert as a defense such Preserved Causes of Action shall be preserved notwithstanding the occurrence of the Effective Date. Reorganized MACH Gen and Reorganized New Harquahala may pursue such Preserved Causes of Action, as appropriate, in accordance with the best interests of Reorganized MACH Gen or Reorganized New Harquahala, as applicable. No Entity may rely on the absence of a specific reference in the Plan, the Plan Supplement, or the Disclosure Statement to any Preserved Cause of Action against it as any indication that MACH Gen, Reorganized MACH Gen or Reorganized New Harquahala, as applicable, will not, or may not, pursue any and all available Preserved Causes of Action against it. MACH Gen, Reorganized MACH Gen, and Reorganized New Harquahala expressly reserve all rights to prosecute any and all Preserved Causes of Action against any Entity. Except to the extent that any Preserved Causes of Action against an Entity are expressly waived, relinquished, exculpated, released, compromised, or settled in the Plan or an order of the Court, Reorganized MACH Gen and Reorganized New Harquahala expressly reserve all Preserved Causes of Action for later adjudication, and, therefore, no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or

otherwise), or laches shall apply to such Preserved Causes of Action upon, after, or as a consequence of, the Confirmation or Consummation.

34. **Assumption or Rejection of Contracts and Leases**. On the Effective Date, except as otherwise ordered by the Court, provided in the Plan, or identified in the Plan Supplement as being rejected, all Executory Contracts and Unexpired Leases of MACH Gen shall be deemed assumed in accordance with the provisions and requirements of sections 365 and 1123 of the Bankruptcy Code, and such assumptions are hereby approved. Each Executory Contract and Unexpired Lease assumed pursuant to the Plan and this Confirmation Order, which has not been assigned to a third party prior to the Confirmation Date, shall revest in, and be fully enforceable by Reorganized MACH Gen or Reorganized New Harquahala, as applicable, in accordance with its terms, except as such terms are modified by the provisions of the Plan or otherwise ordered by the Court.

35. Any monetary defaults under each Executory Contract and Unexpired Lease to be assumed pursuant to the Plan shall be satisfied, pursuant to section 365(b)(1) of the Bankruptcy Code, by payment of the default amount in Cash by Reorganized MACH Gen on the Effective Date or in the ordinary course of business, subject to the limitation described below, or on such other terms as the parties to such Executory Contracts or Unexpired Leases may otherwise agree. In the event of a dispute regarding (a) the amount of any payments to cure such a default, (b) the ability of Reorganized MACH Gen, Reorganized New Harquahala, or any assignee to provide "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code) under the Executory Contract or Unexpired Lease to be assumed, or (c) any other matter pertaining to assumption, the cure payments required by section 365(b)(1) of the Bankruptcy Code shall be made following the entry of a Final Order or orders resolving the

dispute and approving the assumption and shall not prevent or delay implementation of the Plan or the occurrence of the Effective Date.

36. The proposed cure amounts set forth in the Assumption Notice are approved as sufficient to permit the assumption of the applicable Executory Contract or Unexpired Lease under section 365 of the Bankruptcy Code. Notice of the proposed assumption and proposed cure amounts of Cure Claims were sent to applicable contract and lease counterparties, together with procedures for objecting thereto and resolution of disputes by the Court. Any counterparty to an Executory Contract or Unexpired Lease that failed to object timely to the proposed assumption or cure amount is deemed to have assented to such assumption or cure amount.

37. Assumption of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise, and payment of the applicable cure amount, shall result in the full release and satisfaction of any Claims or defaults, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed Executory Contract or Unexpired Lease at any time prior to the effective date of assumption. Any proof of claim filed with respect to an Executory Contract or Unexpired Lease that is assumed shall be deemed Disallowed, without further notice to or action, order or approval of the Court.

38. **Disputed Claims and Interests Process**. If a proof of claim or interest is timely filed, the Plan Proponents, Reorganized MACH Gen, or Reorganized New Harquahala, as applicable, may elect to object to such proof of claim or interest, and to have the validity or amount of any Claim or Interest adjudicated by the Court. Notwithstanding anything to the contrary in the Plan, (a) Reorganized MACH Gen and Reorganized New Harquahala, as applicable, shall retain all defenses to Claims and Interests under applicable law and (b) on the

Effective Date, any proof of claim or interest filed by an Entity whose Allowed Claim or Allowed Interest is otherwise addressed, resolved, paid, or satisfied by the Plan shall be automatically expunged without further notice to or action, order, or approval of the Court.

39. In the event the First Lien Step-In Scenario has not occurred, on or prior to the occurrence of the Effective Date, MACH Gen shall provide a schedule of all Disputed Claims and Disputed Interests and the maximum amount of such Disputed Claims and Disputed Interests to the First Lien Lenders. On the Effective Date, MACH Gen or Reorganized MACH Gen shall deposit Cash equal to the maximum aggregate amount of the identified Disputed Claims and Disputed Interests in an interest bearing account (the "**Disputed Claim Reserve**") pending determination of the relevant objection or request for estimation. Upon (i) the issuance of a Final Order or (ii) an agreement between MACH Gen and/or Reorganized MACH Gen (together with Reorganized New Harquahala, to the extent of any Claims against New Harquahala), as applicable, on the one hand, and the holder of such Disputed Claim or Disputed Interest, on the other, in either case determining the Allowed amount of the relevant Disputed Claim or Disputed Interests, MACH Gen or Reorganized MACH Gen shall make distributions to the holder of such Allowed Claim or Allowed Interest from the Disputed Claim Reserve in accordance with the provisions of the Plan. All other amounts deposited in the Disputed Claim Reserve on account of such Disputed Claim or Disputed Interest shall be returned to Reorganized MACH Gen immediately after the distributions on account of the relevant Disputed Claim or Disputed Interest. Reorganized MACH Gen shall promptly thereafter pay such returned amount to the New Second Lien Lenders and such payment shall be deemed to constitute a repayment of the New Second Lien Facility.

40. **Authorization to Consummate**. The Plan Proponents are authorized to consummate the Plan at any time after the entry of this Confirmation Order, subject to satisfaction or waiver (by the required parties) of the conditions precedent to the Effective Date set forth in Article X.B of the Plan.

41. **General Administrative Expenses**. Each holder of an Allowed General Administrative Expense, to the extent such Allowed General Administrative Expense has not already been paid during the Chapter 11 Cases and without any further action by such holder, shall receive in full satisfaction of its General Administrative Expense, Cash equal to the Allowed amount of such General Administrative Expense on the Effective Date (or, if payment is not then due, then in MACH Gen's ordinary course of business), unless otherwise agreed by (i) the holder of such General Administrative Expense, and (ii) MACH Gen or, solely in the case of a First Lien Step-In Scenario, Beal Bank USA; provided, that in the event that any such agreement with respect to the treatment of an Allowed General Administrative Expense would not be in accordance with the Approved Budget (as such term is defined in the DIP Credit Agreement or the New First Lien Credit Agreement, as applicable), then such treatment shall only be allowed if MACH Gen has provided written assurances to Beal Bank USA that are satisfactory, in Beal Bank USA's sole discretion, to establish that the amount and validity of the relevant Allowed General Administrative Expense is correct in accordance with applicable law.

42. **Professional Fees**. All final requests for payment of Professional Fees incurred prior to the Effective Date must be filed with the Court and served on the Plan Proponents no later than forty-five (45) days after the Effective Date, unless the Plan Proponents agree otherwise in writing. Objections to Professional Fees must be filed with the Court and served on Reorganized MACH Gen and the applicable Professional no later than seventy-five (75) days

after the Effective Date. After notice and a hearing in accordance with the procedures established by the Bankruptcy Code and any prior orders of the Court in these chapter 11 cases, the Allowed amounts of such Professional Fees shall be determined by the Court and paid by Reorganized MACH Gen as set forth in the Plan. For the avoidance of doubt, the foregoing shall not affect any professional-service Entity that is permitted to receive, and that MACH Gen is permitted to pay without seeking further authority from the Bankruptcy Court, compensation for services and reimbursement of expenses in the ordinary course of MACH Gen's businesses (and in accordance with any relevant prior order of the Bankruptcy Court), which payments may continue notwithstanding the occurrence of Confirmation.

43. **Discharge**. Pursuant to section 1141(d) of the Bankruptcy Code, and except as otherwise specifically provided in the Plan, this Confirmation Order, or any contract, instrument, or other agreement or document created pursuant to the Plan (including, for the avoidance of doubt, the Plan Supplement, the New First Lien Facilities, and the New Second Lien Facility), the distributions, rights, and treatment that are provided in the Plan shall be in exchange for and in complete satisfaction, discharge, and release, effective as of the Effective Date, of Claims (including any Intercompany Claims resolved or compromised after the Effective Date by Reorganized MACH Gen and/or Reorganized New Harquahala, as applicable), Interests, and Causes of Action of any nature whatsoever, including any interest accrued on Claims from and after the Petition Date, whether known or unknown, against, liabilities of, Liens on, obligations of, rights against, and Interests in MACH Gen or any of its assets or properties, regardless of whether any property shall have been distributed or retained pursuant to the Plan on account of such Claims and Interests, including demands, liabilities, and Causes of Action that arose prior to the Effective Date, any contingent or non-contingent liability on account of representations or

warranties issued on or before the Effective Date, and all debts of the kind specified in section 502(g) or (i) of the Bankruptcy Code, in each case, whether or not a proof of claim or proof of interest was filed pursuant to section 501 of the Bankruptcy Code, the Claim or Interest is allowed under section 502 of the Bankruptcy Code, or any holder of a Claim or Interest has voted to accept or reject the Plan. This Confirmation Order shall be a judicial determination of the discharge of all Claims and Interests as set forth above subject to the occurrence of the Effective Date.

44. Releases, Injunction, Exculpation, and Related Provisions under the Plan. **The releases, injunctions, exculpations, and related provisions set forth in Article IX of the Plan are hereby approved and authorized in their entirety. Such provisions are (a) integral parts of the Plan, (b) fair, equitable, and reasonable, (c) given for valuable consideration, and (d) are in the best interest of MACH Gen and all parties in interest, and such provisions are approved and shall be effective and binding on all Persons and Entities, to the extent provided in the Plan. As of the Effective Date, any and all Causes of Action, whether under the Bankruptcy Code or otherwise under applicable non-bankruptcy law, that may exist between MACH Gen and any Released Party shall be deemed settled, compromised, and released as set forth in the Plan. The Court hereby authorizes and approves the releases by all Entities of all such contractual, legal, and equitable subordination rights and Causes of Action that are satisfied, compromised, and settled pursuant to the Plan. Nothing in Article IX.A of the Plan shall compromise or settle, in any way whatsoever, any Causes of Action that MACH Gen, Reorganized MACH Gen or Reorganized New Harquahala, as applicable, may have against any Entity that is not a Released Party.**

45. **Reservation of Rights under Police and Regulatory Laws**. Notwithstanding anything to the contrary in this Confirmation Order or the Plan, the injunctions, releases, and discharges set forth in this Confirmation Order or the Plan shall not impair the rights, claims or causes of action of Governmental Units against the MACH Gen Entities, the Reorganized MACH Gen Entities, or Reorganized New Harquahala under police and regulatory laws and regulations promulgated thereunder.

46. **Compliance with Tax Requirements**. In connection with the Plan, to the extent applicable, Reorganized MACH Gen and Reorganized New Harquahala, as applicable, shall comply with all tax withholding and reporting requirements imposed on them by any Governmental Unit, and all distributions pursuant to the Plan shall be subject to such withholding and reporting requirements. Notwithstanding any provision in the Plan to the contrary, Reorganized MACH Gen, Reorganized New Harquahala and the Disbursing Agent, as applicable, shall be authorized to take all actions necessary or appropriate to comply with such withholding and reporting requirements, including withholding distributions pending receipt of information necessary to facilitate such distributions or establishing any other mechanisms they believe are reasonable and appropriate. Reorganized MACH Gen and Reorganized New Harquahala, as applicable, reserve the right to allocate all distributions made under the Plan in compliance with all applicable wage garnishments, alimony, child support and other spousal awards, liens, and encumbrances.

47. **Section 1146 Exemption**. Pursuant to section 1146 of the Bankruptcy Code, any transfers of property pursuant hereto shall not be subject to any document recording tax, stamp tax, conveyance fee, intangibles or similar tax, mortgage tax, stamp act, real estate transfer tax, mortgage recording tax, or other similar tax or governmental assessment, and upon entry of this

Confirmation Order, the appropriate state or local governmental officials or agents and any third party shall forgo the collection of any such tax, recordation fee, or governmental assessment and accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax recordation fee, or assessment.

48. **Documents, Mortgages, and Instruments**. Each federal, state, commonwealth, local, foreign, or other governmental agency is hereby authorized to accept any and all documents, mortgages, and instruments necessary or appropriate to effectuate, implement, or consummate the transactions contemplated by the Plan and this Confirmation Order.

49. **Reversal/Stay/Modification/Vacatur of Confirmation Order**. Except as otherwise provided in this Confirmation Order, if any or all of the provisions of this Confirmation Order are hereafter reversed, modified, vacated, or stayed by subsequent order of the Court, or any other court, such reversal, stay, modification, or vacatur shall not affect the validity or enforceability of any act obligation, indebtedness, liability, priority, or lien incurred or undertaken by the Plan Proponents, MACH Gen, Reorganized MACH Gen, or Reorganized New Harquahala, as applicable, prior to the effective date of any such reversal, stay, modification, or vacatur, including, without limitation, in the event the First Lien Step-In Scenario has not occurred, the validity of any obligation, indebtedness, or liability incurred by MACH Gen or Reorganized MACH Gen pursuant to the New First Lien Facilities Documents and the New Second Lien Facility Documents. Notwithstanding any such reversal, stay, modification, or vacatur of this Confirmation Order, any such act or obligation incurred or undertaken pursuant to, or in reliance on, this Confirmation Order prior to the effective date of such reversal, stay, modification, or vacatur shall be governed in all respects by the provisions of this Confirmation Order and the Plan or any amendments or modifications thereto.

50. **Continued Effect of Stays and Injunction Until Effective Date**. Unless otherwise provided in the Plan or in this Confirmation Order, all injunctions or stays in effect in the Chapter 11 Cases pursuant to sections 105 or 362 of the Bankruptcy Code or any order of the Bankruptcy Court, and existing on the Confirmation Date (excluding any injunctions or stays contained in the Plan or this Confirmation Order) shall remain in full force and effect until the Effective Date. All injunctions or stays contained in the Plan or this Confirmation Order shall remain in full force and effect in accordance with their terms.

51. **Retention of Jurisdiction**. The Court retains exclusive jurisdiction over the matters arising out of, or related to, these chapter 11 cases and the Plan as set forth in Article XII of the Plan.

52. **Nonseverability of Plan Provisions upon Confirmation**. Each term and provision of the Plan is: (a) valid and enforceable pursuant to its terms; (b) integral to the Plan and may not be deleted or modified without consent of the Plan Proponents; and (c) nonseverable and mutually dependent.

53. **Modifications**. Except as otherwise specifically provided in the Plan, and subject to the terms of the Restructuring Support Agreement, the Plan Proponents reserve the right to modify the Plan in the manner provided for by section 1127 of the Bankruptcy Code, whether such modification is material or immaterial, and seek Confirmation consistent with the Bankruptcy Code or as otherwise permitted by law without additional disclosure pursuant to section 1125 of the Bankruptcy Code. Subject to certain restrictions and requirements set forth in section 1127 of the Bankruptcy Code and Bankruptcy Rule 3019 and those restrictions on modifications set forth in the Plan and the terms of the Restructuring Support Agreement, the Plan Proponents expressly reserves their respective rights to revoke, withdraw, alter, amend, or

modify the Plan with respect to such MACH Gen Entity, one or more times, after Confirmation, and to the extent necessary may initiate proceedings in the Court to so alter, amend, or modify the Plan, or remedy any defect or omission, or reconcile any inconsistencies in the Plan, the Disclosure Statement, or this Confirmation Order, in such matters as may be necessary to carry out the purposes and intent of the Plan and the Restructuring Support Agreement. Any such modification or supplement shall be considered a modification of the Plan and shall be made in accordance with Article XI of the Plan.

54. **Governing Law**. Unless federal law (including the Bankruptcy Code and Bankruptcy Rules) is applicable, and unless specifically stated otherwise, the laws of the State of New York, without giving effect to the principles of conflict of laws, shall govern the rights, obligations, construction, and implementation of the Plan and any agreements, documents, instruments, or contracts executed or entered into in connection with the Plan (except as otherwise set forth in those agreements, in which case the governing law of such agreement shall control); provided however that corporate or entity governance matters relating to MACH Gen, Reorganized MACH Gen, and Reorganized New Harquahala shall be governed by the laws of the state of incorporation or organization of the relevant MACH Gen Entity, Reorganized MACH Gen Entity or Reorganized New Haraquahala, as applicable.

55. **Applicable Non-Bankruptcy Law**. Pursuant to sections 1123(a) and 1142(a) of the Bankruptcy Code, the provisions of this Confirmation Order, the Plan, and related documents or any amendments or modifications thereto shall apply and be enforceable notwithstanding any otherwise applicable non-bankruptcy law.

56. **Governmental Approvals Not Required**. Except as otherwise stated in the Plan, this Confirmation Order shall constitute all approvals and consents required, if any, by the

laws, rules, or regulations of any state or other governmental authority with respect to the implementation or consummation of the Plan and Disclosure Statement, any documents, instruments, or agreements, and any amendments or modifications thereto, and any other acts referred to in, or contemplated by, the Plan and the Disclosure Statement.

57. **Filing and Recording**. This Confirmation Order is and shall be binding upon and shall govern the acts of all persons or entities including, without limitation, all filing agents, filing officers, title agents, title companies, recorders of mortgage, recorders of deeds, registrars of deeds, administrative agencies, governmental departments, secretaries of state, federal, state, and local officials, and all other persons and entities who may be required, by operation of law, the duties of their office, or contract, to accept, file, register, or otherwise record or release any document or instrument.

58. **Notice of Confirmation Order**. In accordance with Bankruptcy Rules 2002 and 3020(c), MACH Gen shall serve notice of the entry of this Confirmation Order, substantially in the form attached hereto as **Exhibit B** to all parties who hold a Claim or Interest in these chapter 11 cases, including those parties who have requested service of papers under Bankruptcy Rule 2002 and the Office of the United States Trustee within ten (10) business days after entry of this Confirmation Order. MACH Gen shall also publish notice of Confirmation once in the national edition of [New York Times National Edition] or other nationally-circulated newspaper. Mailing and publication of the notice of Confirmation Order in the time and manner set forth in this paragraph shall be deemed good and sufficient notice of entry of this Confirmation Order and no further notice is necessary.

59. **Separate Confirmation Order**. This Confirmation Order shall be a separate Confirmation Order with respect to each of the Debtors and in each of the Debtor's separate Chapter 11 Case.

60. **Substantial Consummation**. On the Effective Date, the Plan shall be deemed to be substantially consummated under sections 1101 and 1127 of the Bankruptcy Code.

61. **Effect of Non-Occurrence of Effective Date**. If it is determined by the Plan Proponents that the Effective Date shall not and cannot occur or if the Restructuring Support Agreement is terminated in accordance with its terms, except as expressly provided in the Restructuring Support Agreement, the Plan shall be null and void in all respects, and nothing contained in the Plan or the Disclosure Statement shall: (a) constitute a waiver or release of any claims by the Plan Proponents, MACH Gen, any holders of Claims or Interests (including the Support Parties), any DIP Lender, or any other Entity; (b) prejudice in any manner the rights of the Plan Proponents, MACH Gen, any holders of Claims or Interests (including the Support Parties), any DIP Lender, or any other Entity or (c) constitute an admission, acknowledgment, offer, or undertaking by the Plan Proponents, MACH Gen, any holders of Claims or Interests (including the Support Parties), any DIP Lender, or any other Entity, in any respect. For the avoidance of doubt, except as provided in the Restructuring Support Agreement, nothing in the Plan shall be construed as requiring termination or avoidance of the Restructuring Support Agreement upon non-occurrence of the Effective Date (subject, in all respects, to any consent, termination, or other rights of the Support Parties under the Restructuring Support Agreement) or as otherwise preventing the Restructuring Support Agreement from being effective in accordance with its terms.

62. **References to Plan Provisions**. References to Articles of the Plan are inserted for convenience of reference only and are not intended to be a part of or to affect the interpretation of the Plan except as specifically provided herein. The failure to specifically include or to refer to any particular article, section, or provision of the Plan or any related document in this Confirmation Order shall not diminish or impair the effectiveness of such article, section, or provision, it being the intent of the Bankruptcy Court that the Plan and any related documents be confirmed in their entirety.

63. **Immediately Effective Order.** Notwithstanding Bankruptcy Rules 3020(e), 6004(h), 6006(d), and 7062 (and notwithstanding any other applicable provisions of the Bankruptcy Code or the Bankruptcy Rules to the contrary), this Confirmation Order shall be effective and enforceable immediately upon entry and any related stays are hereby waived.

64. **Headings**. Headings utilized herein are for convenience and reference only, and shall not constitute a part of the Plan or this Confirmation Order for any other purpose.

65. **Effect of Certain Conflicts**. If there is any inconsistency between the terms of the Plan or the Plan Supplement and the terms of this Confirmation Order, the terms of this Confirmation Order shall govern and control. Prior to the occurrence of the Effective Date and Consummation, in the event of any conflict between the terms of the DIP Orders and the terms of the Plan, the terms of the DIP Orders shall govern.

66. **No Waiver**. The failure to specifically include any particular provision of the Plan in this Confirmation Order will not diminish the effectiveness of such provision nor constitute a waiver thereof, it being the intent of the Court that the Plan is confirmed in its entirety and incorporated herein by this reference.

67. **Final Order**. This Confirmation Order is a Final Order.

EXHIBIT C

Projections

I. Introduction

The Debtors believe that the Plan is feasible as required by section 1129(a)(11) of the Bankruptcy Code, because confirmation is not likely to be followed by liquidation or the need for further financial reorganization of the reorganized Debtors or any successor to the Debtors. For purposes of demonstrating feasibility of the Plan, the Debtors have prepared the forecasted, post-reorganized, consolidated balance sheet, income statement and statement of cash flows (the "**Financial Projections**") for the periods ending August 31, 2018 and December 31, 2018 through December 31, 2022 (the "**Projection Period**") for the Reorganized MACH Gen Entities (but not Reorganized New Harquahala). The Financial Projections were prepared based on a number of assumptions made by management as to the future performance of the reorganized Debtors, and reflect management's judgment and expectations regarding their future operations and financial position.

ALTHOUGH MANAGEMENT HAS PREPARED THE FINANCIAL PROJECTIONS IN GOOD FAITH AND BELIEVES THE ASSUMPTIONS TO BE REASONABLE, THE DEBTORS AND THE REORGANIZED DEBTORS CAN PROVIDE NO ASSURANCE THAT SUCH ASSUMPTIONS WILL BE REALIZED. AS DESCRIBED IN DETAIL IN THE DISCLOSURE STATEMENT, A VARIETY OF RISK FACTORS COULD AFFECT THE REORGANIZED DEBTORS' FINANCIAL RESULTS AND MUST BE CONSIDERED. ACCORDINGLY, ANY REVIEW OF THE FINANCIAL PROJECTIONS SHOULD TAKE INTO ACCOUNT THE RISK FACTORS SET FORTH IN THE DISCLOSURE STATEMENT AND THE ASSUMPTIONS DESCRIBED HEREIN, INCLUDING ALL RELEVANT QUALIFICATIONS AND FOOTNOTES.

The Financial Projections are subject to inherent risks and uncertainties, most of which are difficult to predict and many of which are beyond management's control. Although management believes these assumptions are reasonable under the circumstances, such assumptions are subject to significant uncertainties, including, but not limited to, (a) changes in demand for power in various end markets; (b) power, natural gas, capacity price, and other commodity pricing; (c) applicable laws and regulations; (d) interest rates and inflation; (e) business combinations among the Debtors' competitors, suppliers and customers; (f) availability and cost of fuel, chemicals and other raw materials; and (g) energy markets, capacity markets, rates, and other related factors affecting the Debtors' businesses. Additional information regarding these uncertainties are described in Section X of the Disclosure Statement. Should one or more of the risks or uncertainties referenced in the Disclosure Statement occur, or should underlying assumptions prove incorrect, actual results and plans could differ materially from those expressed in the Financial Projections. Further, new factors could cause actual results to differ materially from those described in the Financial Projections, and it is not possible to predict all such factors, or to the extent to which any such factor or combination of factors may cause actual results to differ from those contained in the Financial Projections. The Financial Projections herein are not, and must not be viewed as, a representation of fact, prediction or guaranty of the reorganized Debtors' future performance.

The Financial Projections have not been audited or reviewed by a registered independent accounting firm, and were not prepared with a view toward compliance with the guidelines of the

Securities and Exchange Commission, the American Institute of Certified Public Accountants, or the Financial Accounting Standards Board ("**FASB**"), particularly for reorganization accounting.

II. ACCOUNTING POLICIES

The Financial Projections have been prepared using accounting policies that are generally consistent with those applied in the Debtors' historical financial statements. The Financial Projections do not reflect the formal implementation of reorganization accounting pursuant to FASB Accounting Standards Codification Topic 852, *Reorganizations* ("**ASC 852**"). Overall, the implementation of ASC 852 is not anticipated to have a material impact on the underlying economics of the Plan.

III. GENERAL ASSUMPTIONS

a. Methodology

The Financial Projections incorporate assumptions related to certain economic and business conditions for the fiscal years ending 2018 through 2022. These assumptions are based on historic seasonality and industry experience, projected industry supply, demand, and capacity indicators, and estimated movements of specific markets. The Debtors engaged PA Consulting Group ("**PA**"), an industry-leading, independent energy markets consultancy firm, to assist in developing sales volumes and gross margin projections for each of the reorganized Debtors' plants. The development of the Financial Projections considered the Debtors' historical and recent operational performance, costs required to maintain strong availability, and PA's proprietary view regarding forecasted energy demand, electricity prices, natural gas prices, and capacity prices for the primary markets in which the Debtors participate. Market factors considered include, but are not limited to, load growth; reserve margins; generic unit statistics to determine additions and competitions; retirements; environmental regulations; capacity prices; fuel prices for coal, oil, and natural gas; environmental allowance prices; outages; transmission thermal transfer limits and interconnection locations.

b. Market Forecast

The Financial Projections were prepared using commodity prices, capacity factors, dispatch assumptions, fuel costs, among other assumptions, generated by PA for the plants and supplemented by management as deemed appropriate. PA developed the energy, capacity and ancillary services revenue projections for New York ISO ("**NYISO**") and ISO New England ("**ISO-NE**") markets.

Post-emergence, the Athens plant and the Millennium plant will continue to operate as merchant power plants in NYISO (Zone F) and ISO-NE, respectively, with revenues primarily driven by wholesale electricity and capacity market prices in the respective regions, and costs primarily driven by natural gas price prices, variable emissions, and variable operating and maintenance ("**O&M**") costs.

IV. REORGANIZED DEBTORS' PRO FORMA BALANCE SHEET FOR THE PERIODS ENDING AUGUST 31, 2018 THROUGH DECEMBER 31, 2022

The opening August 31, 2018 balance sheet was prepared utilizing the December 31, 2017 balance sheet and projected results of operations and cash flows over the projected period to the assumed Effective Date. Actual balances may vary from those reflected in the opening balance sheet due to variances in projections and potential changes in cash needed to consummate the Plan. The reorganized pro forma balance sheets for the periods contain certain pro forma adjustments as a result of consummation of the Plan. The reorganized pro forma balance sheets include the debt and other obligations of the reorganized Debtors that remain outstanding after the Effective Date that will be paid in the ordinary course of operations. The estimated pro forma adjustments regarding the equity value of the reorganized Debtors, its assets, or estimates of its liabilities as of the Effective Date will be based upon the fair value of its assets and liabilities as of that date, which could be materially different than the values assumed in the foregoing estimates[1].

[1] The pro forma balance sheet assumes a mid-point TEV of the reorganized Debtors of $620 million for purposes of determining the fair value of the assets on the Effective Date.

a. Capital Structure

The reorganized Debtors' estimated post-emergence capital structure is assumed to be effective beginning September 1, 2018 or shortly thereafter. The Financial Projections assume the following debt facilities will be in place at emergence:

- A $10.0 million revolving line of credit maturing 2023 ("**Revolving Credit Loan**"). The Revolving Credit Loan is assumed to be undrawn at the Effective Date. The Revolving Credit Loan accrues interest at LIBOR + 6.0%, with LIBOR + 2.5% being paid in cash and 3.5% accruing to the principal of the Term C Loan (described below). In addition, at the end of the third quarter of each year beginning in 2019, interest payments will include an additional true-up payment such that the realized effective rate since the last payment in full and the preceding true-up payment, as applicable, will have been L + 4.0% on a cash basis ("**True Up Payments**") [2]. The True Up Payments will reduce the principal balance of the Term C Loan.

- A $448.1 million first lien term loan maturing 2023 ("**Term B Loan**"). The Term B Loan accrues interest at LIBOR + 6.0%, with LIBOR + 2.5% being paid in cash and 3.5% accruing to the principal of the Term C Loan (described below). In addition, at the end of the third quarter of each year beginning in 2019, interest payments will include additional True Up Payments. The reorganized Debtors have a one-time option to pay 100% of a given quarter's total interest (on the Revolving Credit Loan and the Term B Loan) in kind, with the option available only when liquidity at any time during the next fiscal quarter would be $5.0 million or less without utilization of such option[3].

- A $53.8 million first lien term loan maturing 2023 ("**Term C Loan**"). The principal balance of the Term C Loan increases as paid in kind interest on the Revolving Credit Loan and the Term B Loan accrues, and decreases as True Up Payments are made (as discussed above). The Term C Loan accrues interest at LIBOR + 6.0%. All interest accrued on the Term C Loan is paid in kind and payable at maturity. The First Lien Lenders have the right to sweep cash in excess of a $30.0 million liquidity reserve once per year; the Financial Projections assume this is measured at the end of the first quarter. Cash sweep proceeds are first applied to the Term C Loan until the principal balance is reduced to $35.0 million, at which point, excess cash is swept to the Term B Loan.

- A $25.0 million second lien term loan maturing 2024 ("**Second Lien Term Loan**"). The Second Lien Term Loan accrues interest at LIBOR + 9.0%. All interest on the Second Lien Term Loan will be paid in kind and payable at maturity. There will be no scheduled amortization, and no payments on the Second Lien Term Loan can be made until all outstanding obligations under the Revolving Credit Loan, the Term B Loan and the Term C Loan have been repaid or satisfied.

- The reorganized Debtors will also be party to an LC Support Agreement, executed upon emergence. Talen Energy Supply, LLC ("**LC Provider**") will provide approximately $26.2

[2] The first True Up Payment made on September 30, 2019 will cover all interest payment dates beginning with and including December 31, 2017.

[3] The reorganized Debtors also have the option to pay interest in all cash in any given fiscal quarter (with any cash payment beyond that requiring offsetting future true up obligations).

million letters of credit for the account of the reorganized Debtors to the First Lien Lenders, which will be used to collateralize letters of credit issued by the First Lien Lenders pursuant to the Exit Credit Agreement. The reorganized Debtors will pay the LC Provider a letter of credit fee equal to LIBOR + 2.0% on the undrawn amount of the letter of credit, plus any additional fees, charges, etc. incurred by the LC Provider in providing the letter of credit. Additionally, the reorganized Debtors will pay the LC Provider interest equal to LIBOR + 2.0% on the drawn amount of the letter of credit. The reorganized Debtors are required to reimburse the LC Provider for all amounts drawn under the letter of credit. The Financial Projections assume no draws on the letter of credit over the Projection Period.

V. REORGANIZED DEBTORS' PRO FORMA INCOME STATEMENT FOR THE PERIODS ENDING DECEMBER 31, 2018 THROUGH DECEMBER 31, 2022

As discussed above, the market forecast and variable O&M costs were projected for the plants based on PA's market dispatch simulations, factoring each plants' characteristics, expected availability, starts and major maintenance schedules. These inputs were supplemented as deemed appropriate by management. Additionally, management developed certain assumptions on fixed transportation and fixed O&M. These assumptions are more fully described below.

a. Energy Gross Margin

Energy gross margin is equivalent to market energy revenues less fuel and VOM costs, and represents the gross margin earned by the reorganized Debtors from dispatching its plants and selling its electric generation output into the wholesale NYISO and ISO-NE energy markets. Market energy revenue, fuel and VOM costs are based on PA's market dispatch simulations and commodity price assumptions, management's experience operating each of the plants, and operating parameters and attributes of each plant. Energy gross margin also incorporates expenses associated with natural gas fuel transportation contracts and water supply expenses. Neither market energy revenues nor fuel costs assume any physical or financial hedging agreements.

b. Market Capacity and Ancillary Revenue

Market capacity revenues are projected based on PA's assumptions on reserve margins for NY-ISO and ISO-NE, supplemented by management as deemed appropriate. Reserve margins factor announced plant retirements, imports of generation from other regions, and announced and expected new generation construction. Due to ISO-NE's forward capacity market construct, ISO-NE capacity prices and the amount of capacity cleared by the Millennium plant is generally known through 2022.

Ancillary revenues are projected based on PA's assumptions and management's experience operating the plants. Such revenues represent the revenues earned by the reorganized Debtors for services which support the flow of electricity and the reliability of the NY-ISO and ISO-NE energy markets.

c. Fixed O&M

Fixed O&M costs incurred at the plants relate to site labor, insurance, property taxes and payments in lieu of property tax (PILOT), routine maintenance, and other professional services. Such expenses were forecasted by management based on the historical expenses incurred at the plants and any known obligations at the time of the filing of the Disclosure Statement.

d. Major Maintenance and Capital Expenditures

Major maintenance and capital expenditures for the plants are projected by management based on individual maintenance schedules and cost assumptions, and projected capacity factors and generation volumes, as well as the terms of long-term parts and service agreements with Siemens Corporation.

e. Taxes

The Financial Projections assume the reorganized Debtors will not be required to pay cash income tax during the Projection Period.

EXHIBIT D

Liquidation Analysis

1) Introduction

Often called the "best interests" test, section 1129(a)(7) of the Bankruptcy Code requires that the Bankruptcy Court find, as a condition to confirmation of the Plan, that each Holder of a Claim or Interest in each Impaired Class: (i) has accepted the Plan; or (ii) will receive or retain under the Plan property of a value, as of the Effective Date, that is not less than the amount that such Person would receive if the Debtors were liquidated under chapter 7 of the Bankruptcy Code. In order to make these findings, the Bankruptcy Court must: (1) estimate the cash proceeds (the "**Liquidation Proceeds**") that a chapter 7 trustee (a "**Trustee**") would generate if each Debtor's chapter 11 case were converted to a chapter 7 case on the Effective Date and the assets of such Debtor's Estate were liquidated; (2) determine the distribution (the "**Liquidation Distribution**") that each Holder of a Claim or Interest would receive from the Liquidation Proceeds under the priority scheme set forth in chapter 7; and (3) compare each Holder's Liquidation Distribution to the distribution under the Plan ("**Plan Distribution**") that such Holder would receive if the Plan were confirmed and consummated. Accordingly, asset values discussed herein may be different than amounts referred to in the Plan and elsewhere in the Disclosure Statement. This analysis (the "**Liquidation Analysis**") is based on certain assumptions discussed herein and in the Disclosure Statement.

NEITHER THE DEBTORS NOR THEIR ADVISORS MAKE ANY REPRESENTATION OR WARRANTY THAT THE ACTUAL RESULTS WOULD OR WOULD NOT APPROXIMATE THE ESTIMATES AND ASSUMPTIONS REFLECTED IN THE LIQUIDATION ANALYSIS. ACTUAL RESULTS COULD VARY MATERIALLY. THE RECOVERIES SHOWN DO NOT CONTEMPLATE A SALE OR SALES OF THE DEBTORS' ASSETS ON A GOING CONCERN BASIS. WHILE THE DEBTORS MAKE NO ASSURANCES, IT IS POSSIBLE THAT PROCEEDS RECEIVED FROM SUCH GOING CONCERN SALE(S) WOULD BE MORE THAN IN THE HYPOTHETICAL LIQUIDATION, THE COSTS ASSOCIATED WITH THE SALE(S) WOULD BE LESS, FEWER CLAIMS WOULD BE ASSERTED AGAINST THE BANKRUPTCY ESTATES AND/OR CERTAIN ORDINARY COURSE CLAIMS WOULD BE ASSUMED BY THE BUYER(S).

NOTHING CONTAINED IN THE LIQUIDATION ANALYSIS IS INTENDED TO BE OR CONSTITUTES A CONCESSION OR ADMISSION BY THE DEBTORS. THE ACTUAL AMOUNT OF ALLOWED CLAIMS IN THE CHAPTER 11 CASES COULD MATERIALLY DIFFER FROM THE ESTIMATED AMOUNTS SET FORTH IN THE LIQUIDATION ANALYSIS.

THE DEBTORS MAKE NO REPRESENTATIONS OR WARRANTIES REGARDING THE ACCURACY OF THE ESTIMATES AND ASSUMPTIONS CONTAINED HEREIN, OR A TRUSTEE'S ABILITY TO ACHIEVE FORECASTED RESULTS. IF THESE CHAPTER 11 CASES ARE CONVERTED TO A CHAPTER 7 LIQUIDATION, ACTUAL RESULTS COULD VARY MATERIALLY FROM THE ESTIMATES AND PROJECTIONS SET FORTH IN THIS LIQUIDATION ANALYSIS.

The determination of the costs of, and proceeds from, the hypothetical liquidation of the Debtors' assets in a chapter 7 case is an uncertain process involving the extensive use of significant estimates and assumptions that, although considered reasonable by the Debtors based on their business judgment and input from their advisors, are inherently subject to significant business, economic, and competitive uncertainties and contingencies beyond the control of the Debtors, their

management and their advisors. Inevitably, some assumptions in the Liquidation Analysis would likely not materialize in an actual chapter 7 liquidation, and unanticipated events and circumstances could materially affect the ultimate results in a chapter 7 liquidation. The Liquidation Analysis was prepared for the sole purpose of generating a reasonable good faith estimate of the proceeds that would be generated if the Debtors' assets were liquidated in accordance with chapter 7 of the Bankruptcy Code. The Liquidation Analysis is not intended and should not be used for any other purpose. The underlying financial information in the Liquidation Analysis was not compiled or examined by independent accountants and was not prepared to comply with GAAP or SEC reporting requirements; however, the financial information was prepared using policies that are generally consistent with those applied in historical financial statements.

In preparing the Liquidation Analysis, the Debtors estimated Allowed Claims based on a review of the Debtors' unaudited financial statements to account for estimated liabilities, as necessary. In addition, the Liquidation Analysis includes estimates for Claims not currently asserted in the chapter 11 cases, but which could be asserted and Allowed in a chapter 7 liquidation, including unpaid chapter 11 Administrative Expense Claims, and chapter 7 Administrative Expense Claims, such as wind down costs and trustee fees. The Debtors' estimates of Allowed Claims set forth in the Liquidation Analysis should not be relied on for any other purpose, including for determining the value of any distribution to be made on account of Allowed Claims and Interests under the Plan.

2) Basis of Presentation

The Liquidation Analysis has been prepared assuming that the Debtors' chapter 7 liquidation commences on or about August 31, 2018 (the "**Liquidation Date**"). The pro forma values referenced herein are projected as of August 31, 2018, utilizing the March 31, 2018 balance sheet and projected results of operations and cash flow over the projection period to the assumed Liquidation Date, which the Debtors assume to be a reasonable proxy for the anticipated Effective Date. The Liquidation Analysis was prepared on a legal entity basis, and summarized into a consolidated report.

The Liquidation Analysis represents an estimate of recovery values and percentages based on a hypothetical liquidation if the Trustee were appointed by the Bankruptcy Court to convert assets into cash. The determination of the hypothetical Liquidation Proceeds from the liquidation of assets is a highly uncertain process involving the extensive use of estimates and assumptions which, although considered reasonable by management and their advisors, are inherently subject to significant business, economic and competitive uncertainties and contingencies beyond the control of the Debtors and their management. This Liquidation Analysis should be read in conjunction with the assumptions, qualifications, and explanations set forth in the Disclosure Statement and the Plan in their entirety, as well as the notes and assumptions set forth below.

The cessation of business in a liquidation is likely to trigger certain Claims and funding requirements that otherwise would not exist under the Plan absent a liquidation. Some of these Claims and funding obligations could be significant and will be entitled to administrative or priority status in payment from liquidation proceeds.

No recovery or related litigation costs have been attributed to any potential avoidance actions under the Bankruptcy Code, including potential preferences or fraudulent transfer actions due to, among other issues, the cost of such litigation, the uncertainty of the outcome, and anticipated disputes regarding these matters.

The Debtors have assumed that their liquidation would occur over an approximate nine-month period to efficiently and effectively monetize substantially all the Debtors' assets on the consolidated balance sheet and administer and wind-down the Estates. While the Liquidation Analysis assumes liquidation over a nine-month period, it is possible that the disposition and recovery from certain assets could take shorter or longer to realize. The potential impact of litigation and actions by creditors could increase the amount of time required to realize recoveries assumed in this analysis. Additionally, the Trustee may not be able to obtain the regulatory approval to operate the Debtors' power generating assets for the period of time necessary to find a buyer, which would likely decrease potential sale proceeds. Such events could also add costs to the liquidation in the form of higher legal and other professional fees to resolve these potential events.

Fee claims, trustee fees, administrative expense claims, and other such claims that may arise in a liquidation scenario would have to be paid in full from the liquidation proceeds prior to proceeds being made available for distribution to Holders of General Unsecured Claims. Under the "absolute priority rule," no junior creditor may receive any distributions until all senior creditors are paid in full, and no equity Holder may receive any distribution until all creditors are paid in full. The assumed distributions to creditors as reflected in the Liquidation Analysis are estimated in accordance with the absolute priority rule.

The Liquidation Analysis does not include estimates for the tax consequences, both federal and state, that may be triggered upon the liquidation and sale of assets in the manner described above. Such tax consequences could be material.

3) Liquidation Process

The Debtors' liquidation would be conducted in a chapter 7 environment with the Trustee managing the bankruptcy Estate to maximize recovery in an efficient and expedited process. The Trustee's initial step would be to develop a liquidation plan to generate proceeds from the sale of the Debtors' assets for distribution to creditors. The three major components of the liquidation are as follows:

a) generation of cash proceeds from asset sales;

b) costs to liquidate the business and administer the estate under chapter 7 (Liquidation Adjustments); and

c) distribution of net proceeds to claimants.

It is assumed the appointed Trustee will retain lawyers, financial advisors, and investment bankers to assist in the liquidation. This Liquidation Analysis further assumes the assets are marketed on an accelerated timeline and the sale transactions are consummated within nine months from the Liquidation Date. Asset values in the liquidation process are assumed to be driven by, among other

things: (1) the accelerated time frame in which the assets are marketed and sold; (2) negative vendor reaction; and (3) the general forced nature of the sale.

a) Generation of Cash Proceeds from Asset Sales

The Liquidation Analysis process begins by determining the amount of proceeds that would be generated from a hypothetical chapter 7 liquidation. The Trustee would be required to:

- sell or otherwise monetize the assets owned by the Debtors to a single, or multiple, buyers, which may occur pursuant to sales of asset groups or on a piecemeal basis; and

- determine the amount of net proceeds generated during the period from conversion to sale closing (post-conversion cash flows).

b) Costs to Liquidate the Business and Administer the Estate Under Chapter 7 (Liquidation Adjustments)

The gross amount of cash proceeds from asset sales would be adjusted by the following cash sources and uses:

- Post-conversion cash flows;

- Trustee, professional, and other administrative fees; and

- Purchase price adjustments relating to the sale / monetization of the assets.

c) Distribution of Net Proceeds to Claimants

The Trustee would be required to reconcile each Class of Claims asserted against the Estate to determine the amount of Allowed Claims per Class. Any available net proceeds would be allocated to Holders of Claims in accordance with the absolute priority rule and pursuant to section 726 of the Bankruptcy Code:

- Superpriority Carve-Out Claims – Claims attributed to accrued and unpaid fees for the U.S. Trustee and Clerk of the Bankruptcy Court, and certain Professionals (as defined in the Final DIP Order);

- Superpriority DIP Claims – Claims attributed to the DIP Credit Agreement, including accrued and unpaid principal and interest as of the Liquidation Date;

- Superpriority First Lien Adequate Protection Claims – Claims attributed to the diminution in the value of collateral of the First Lien Lenders (as defined in the Final DIP Order);

- Priority Non-Tax Claims – there are no assumed Priority Non-Tax Claims;

- Other Secured Claims – there are no assumed Other Secured Claims;

- First Lien Revolver Claims – Claims arising under the Prepetition First Lien Credit Facility for revolving loans made to, and letters of credit for the account of, the Debtors;

- First Lien Term Loan Claims – Claims arising under the Prepetition First Lien Credit Facility for credit extended under the Term B loan facility (paid pari passu with the First Lien Revolver Claims);

- Chapter 11 Administrative Expense & Priority Claims – Claims attributed to post-petition accounts payable and accrued expenses;

- General Unsecured Claims – Claims arising from the First Lien Lenders' deficiency on the First Lien Claims, amounts owed by the Debtors to non-debtor affiliates, and trade and contract claims (if any);

- Intercompany Claims – Claims arising from amounts owed by and between the Debtors; and

- Interests – equity interests in the consolidated Debtors.

4) Conclusion

The Debtors have determined, as summarized in the following analysis, on the Effective Date, the Plan will provide all Holders of Allowed Claims and Interests with a recovery that is not less than what they would otherwise receive pursuant to a liquidation of the Debtors' assets under chapter 7 of the Bankruptcy Code, and as such, believe that the Plan satisfies the requirement of 1129(a)(7) of the Bankruptcy Code.

Specific Notes to the Liquidation Analysis

Gross Liquidation Proceeds

A. Cash and Restricted Cash and Cash Equivalents

Cash and restricted cash and cash equivalents at the Debtors is based on cash balances as of March 31, 2018, adjusted for the projected change in cash from March 31, 2018 to the Liquidation Date. Cash and cash equivalents consists of all cash and liquid investments, if applicable, with maturities of three months or less in bank accounts. Restricted cash accounts include the revenue account, operations and maintenance account, and others. The Liquidation Analysis assumes cash and cash equivalents are recoverable at 100%.

B. Accounts Receivable

Revenue accounts receivable balances consists of market energy revenues (less fuel and variable O&M costs) and capacity revenues, earned by the Debtors from dispatching its facilities and selling its electric generation output into the wholesale NYISO and ISO-NE energy markets. These amounts are projected to be owed to the Debtors from the Debtors' energy manager, Talen Energy Marketing, LLC. All accounts receivable are projected to be less than 30 days outstanding. The ability of the Trustee to collect the receivables may adversely impact the recovery. The Liquidation Analysis assumes revenue accounts receivable are recoverable at 90%.

Intercompany accounts receivable consists of amounts owed by and between the Debtors. These amounts eliminate on consolidation. The Liquidation Analysis assumes there would be no recovery on intercompany accounts receivable.

C. Materials and Supplies

Materials and supplies largely consists of miscellaneous spare parts including, but are not limited to, long-term inventory associated with the maintenance and repair of the plant machinery. For the purposes of the Liquidation Analysis, spare parts are expected to be included as working capital in the sale of property, plant & equipment and accounted for through a working capital adjustment. The Liquidation Analysis assumes materials and supplies are recoverable at 30%.

D. Emissions

The Debtors are allocated emission allowances by states based on its generation facilities' historical emissions experience, and purchase emission allowances or Regional Greenhouse Gas Initiative ("**RGGI**") credits as it expects that additional allowances or RGGI credits will be needed. RGGI emissions credits are initially recorded based on their purchase price. For the purposes of the Liquidation Analysis, emission certificates are expected to be included as working capital in the sale of property, plant & equipment and accounted for through a working capital adjustment. The Liquidation Analysis assumes emissions are recoverable at 90%.

E. Prepaid Expenses

Prepaid expenses include contractual vendor deposits, insurance premiums, property taxes, deposits for long lead time spare parts, and other miscellaneous fees & expenses. Proceeds from the recovery of prepaid expenses are based on likelihood of recovering these prepayments from the respective counterparties. In many instances, insurance premiums, certain deposits and vendor payments are fully earned and fully paid upfront with no recoverable value for the estate. Proceeds from the recovery of prepaid taxes, deposits for long lead time spare parts and services and other miscellaneous fees are assumed to be recovered from the respective counterparty in the form of a working capital adjustment to the purchase price of the plants. In the aggregate, the Liquidation Analysis assumes prepaid expenses are recoverable at 80%.

F. Property, Plant & Equipment

Property, plant & equipment includes the Athens plant, the Harquahala plant, and the Millennium plant with nominal generation capacities of 1,080 MW, 1,092 MW and 360 MW, respectively. Estimated proceeds realized from plant sales under a hypothetical liquidation are based on estimates of the salability of the plants, informed by (1) the net book value, on an individual asset basis, from the Debtors' balance sheets as of March 31, 2018, which are tested for impairment on an annual basis, (2) recent transactions and public disclosures involving merchant independent power producers in similar geographies, and (3) the ability to find a willing buyer within the time frame contemplated. The Liquidation Analysis assumes property, plant & equipment are recoverable at 80%.[1]

Liquidation Adjustments

G. Post Conversion Cash Flow

Post-conversion cash flow (whether positive or negative) generated by operating each plant after conversion to chapter 7 and through disposition of the assets (assumed to be nine months) is assumed to increase / decrease gross distributable proceeds.

H. Post Conversion Professional Fees

Post conversion chapter 7 professional fees include estimates for certain professionals required during the wind down period. Chapter 7 professional fees are estimated at a range of 0.5% to 1.0% of gross distributable proceeds, to litigate claims and resolve tax litigation matters, and resolve other matters relating to the wind down of the Estates. Litigation concerning the collateral coverage of the holders of the First Lien Claims could materially increase the estimated professional fees.

Additionally, the Final DIP Order provides for payment of fees to chapter 11 Professionals, subject to the Professionals' Carve-Out Cap (as defined in Final DIP Order) of $1.0 million, incurred on or after the date the DIP Agent issues a Default Notice (as defined in Final DIP Order, assumed

[1] Property, plant & equipment recovery values are net of a 25% to 35% liquidation discount to account for a shorter marketing and due diligence period due to the forced-sale nature of the transaction. This discount is consistent with discounts applied in other hypothetical chapter 7 liquidation analyses in other chapter 11 cases involving power-generating assets. *See, e.g., In re Edison Mission Energy*, No. 12-49219 (JPC) (Bankr. N.D. Ill. Dec. 18, 2013) [Docket No. 1721, Ex. E] and *In re NRG Energy, Inc.*, No. 03-13024 (PCB) (Bankr. S.D.N.Y. Jul. 28, 2003) [Docket No. 510, Ex. B].

subsequent conversion to a chapter 7 liquidation thereafter). The Liquidation Analysis assumes the total allowed amount per the Professionals' Carve-Out Cap would be spent during the asset monetization period.

I. Chapter 7 Trustee Fees

Section 326 of the Bankruptcy Code provides for Trustee fees not to exceed 3% of distributable proceeds *in excess* of $1 million. It is assumed the appointed Trustee will retain lawyers, financial advisors, and investment bankers to assist in the liquidation. The Liquidation Analysis assumes the Trustee fees would be 3% of gross distributable proceeds *in excess* of $1 million.

J. Plant Purchase Price Adjustments

Plant purchase price adjustments include accrued emission liabilities in excess of allocated emission allowances based on the Debtors' generation facilities' historical emissions experience. As discussed above, this liability is offset by any RGGI credits purchased by the Debtors and monetized by the Trustee. Also included in plant purchase price adjustments are any accrued and unpaid property tax liabilities through the sale date.

Net Liquidation Proceeds Available for Distribution

The gross cash proceeds net of the Liquidation Adjustments discussed above, result in a range of approximately $306.3 million to $495.3 million in net liquidation proceeds available for distribution to claimants. The Net Liquidation Proceeds Available for Distribution are divided between Proceeds Encumbered by Secured Claims and Proceeds Unencumbered by Secured Claims, as discussed below.

K. Proceeds Encumbered by Secured Claims

The Liquidation Analysis assumes a range of approximately $306.3 million to $495.3 million in Proceeds Encumbered by Secured Claims.

L. Proceeds Unencumbered by Secured Claims

The Liquidation Analysis assumes there are no Proceeds Unencumbered by Secured Claims.

Claims

M. Superpriority Carve-Out Claims

The Final DIP Order grants superpriority status to chapter 11 Professionals for fees incurred prior to notice of conversion to a chapter 7 liquidation to the extent such fees are set forth in the Approved Budget (as defined in the Final DIP Order) and that such fees are allowed by the Court and payable under sections 328, 330 and 331 of the Bankruptcy Code. The Liquidation Analysis assumes approximately $1.5 million in Superpriority Carve-Out Claims at the Liquidation Date and that the Liquidation Proceeds would be sufficient to satisfy 100% of the Superpriority Carve-out Claims.

N. Superpriority DIP Claims

The Final DIP Order grants superpriority status to Claims made pursuant to the Debtors' DIP Credit Agreement in accordance with sections 105, 326, 328, 330, 331, 364, 365, 503(b), 506(c) (subject to entry of the Final Order), 507(a), 507(b), 726, 1113, 1114 or any other provisions of the Bankruptcy Code. Such Claims outstanding as of the Liquidation Date include unpaid principal and interest in the amount of approximately $10.0 million, and that the Liquidation Proceeds would be sufficient to satisfy 100% of the Superpriority DIP Claims.

O. Superpriority Adequate Protection Claims

Pursuant to the Final DIP Order, the Debtors have agreed to provide adequate protection to the First Lien Lenders, pursuant to section 507(b) of the Bankruptcy Code, of their interests in the Prepetition Collateral in an amount equal to the aggregate post-petition diminution in value (which shall be calculated in accordance with Bankruptcy Code section 506(a)) of the respective interests of the Adequate Protection Parties in the Prepetition Collateral (including the Cash Collateral), including without limitation any such diminution in value resulting from depreciation, physical deterioration, use, sale, loss or decline in market value of the Prepetition Collateral, the priming of the First Lien Agent's (on behalf of the First Lien Lenders) security interests and liens in the Prepetition Collateral, and/or the imposition of the automatic stay under section 362 of the Bankruptcy Code. Adequate Protection Claims, if any, have not been factored into the Liquidation Analysis.

P. Class 1: Priority Non-Tax Claims

The Liquidation Analysis assumes there will be no Priority Non-Tax Claims as of the Liquidation Date.

Q. Class 2: Other Secured Claims

The Liquidation Analysis assumes there will be no Other Secured Claims as of the Liquidation Date.

R. Class 3A and 3B: First Lien Revolver and Term Loan Claims ("First Lien Claims")

The amount of the First Lien Claims is the sum of amounts drawn on the Prepetition Revolving Credit Facility and amounts outstanding on the Prepetition Term Loan, plus any interest and fees due and owing as of the Petition Date, as well as all outstanding letters of credit. The Liquidation Analysis does not contemplate any additional fees payable to the First Lien Lenders, or reduction in principal amounts outstanding as of the Petition Date, in connection with associated asset sales contemplated under the Plan. Further, the Liquidation analysis assumes that all outstanding letters of credit associated with the Debtors are drawn and become a funded obligation at the conversion from chapter 11 to chapter 7 liquidation. The Liquidation Analysis assumes the aggregate payments made to the First Lien Lenders' advisors through the Liquidation Date reduces the amount of the principal balance of the First Lien Claims. The Liquidation Analysis assumes approximately $653.8 million in First Lien Claims at the Liquidation Date and that the Liquidation Proceeds would be sufficient to satisfy 60% of the First Lien Claims.

S. Administrative Expense and Priority Claims

Administrative Expense and Priority Claims consist of estimated post-petition accounts payable and accrued expenses attributable to fixed O&M costs relating to site labor, insurance, routine maintenance, major maintenance, capital expenditures pursuant to long-term parts and service agreements, and other administrative and professional services. The Liquidation Analysis assumes approximately $6.5 million in Administrative Expense and Priority Claims at the Liquidation Date and that there would be no recovery of the Administrative Expense and Priority Claims.

T. Class 4: General Unsecured Claims

General Unsecured Claims consist of estimates based on the First Lien Lenders' deficiency on the First Lien Claims as well as amounts owed by the Debtors to non-debtor affiliates. The Liquidation Analysis assumes all long-term service agreements are assumed by the buyer of the plant assets. The actual amount of General Unsecured Claims could vary materially from these estimates. No order has been entered by the Bankruptcy Court estimating or otherwise fixing the amount of General Unsecured Claims. The Liquidation Analysis assumes approximately $295.2 million in General Unsecured Claims at the Liquidation Date and that there would be no recovery of the General Unsecured Claims.

U. Class 5: Intercompany Claims

Intercompany Claims consist of amounts owed by and between the Debtors. As of March 31, 2018, intercompany liabilities before eliminations totaled approximately $64.4 million. The Liquidation Analysis assumes that there would be no recovery of the Intercompany Claims.

V. Class 6: Interests

Interests consist of equity interests in the Debtors. Holders of Interests are not projected to have any recovery.

Auditors' Responsibility

Our responsibility is to express an opinion on the consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the Company's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of New MACH Gen, LLC and its subsidiaries as of December 31, 2017, and the results of their operations and their cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matters

The accompanying consolidated financial statements have been prepared assuming that the Company will continue as a going concern. As discussed in Note 3 to the consolidated financial statements, the Company has insufficient access to cash to satisfy its working capital and related liquidity needs, and has stated that

substantial doubt exists about the Company's ability to continue as a going concern. Management's evaluation of the events and conditions and management's plans regarding these matters are also described in Note 3. The financial statements do not include any adjustments that might result from the outcome of this uncertainty. Our opinion is not modified with respect to this matter.

As discussed in Note 9 to the consolidated financial statements, the Company has entered into significant transactions with Talen Energy Marketing, LLC, a related party. Our opinion is not modified with respect to this matter.

Notes to Consolidated Financial Statements

The terms "New MACH Gen," "the company," "we," "us" and "our" refer to New MACH Gen, LLC and its consolidated subsidiaries. This presentation has been applied where identification of particular subsidiaries is not material to the matter being disclosed, and to conform narrative disclosures to the presentation of financial information on a consolidated basis. When identification of a particular subsidiary is considered important to understanding the matter being disclosed, the specific entity's name is used. Each disclosure referring to a subsidiary applies to New MACH Gen, LLC.

1. Organization

New MACH Gen, LLC is a limited liability company formed under the laws of the State of Delaware, and is an indirect wholly owned subsidiary of Talen Energy Corporation (Talen Corp) and its indirect wholly owned subsidiaries, Talen Energy Supply, LLC (Talen Energy Supply) and Talen NE LLC (Talen NE), and a direct wholly owned subsidiary of Talen Energy Supply's indirectly owned and Talen NE's directly wholly owned subsidiary MACH Gen, LLC (MACH Gen or Member). Our Member is not liable for our obligations or liabilities, except to the extent of its capital contributions. The Company, through its subsidiaries, New Athens Generating Company, LLC (Athens), New Harquahala Generating Company, LLC (Harquahala) and Millennium Power Partners, L.P. (Millennium), owns, operates, and manages natural gas fired electric generating power plants located in Athens, New York; Tonopah, Arizona; and Charlton, Massachusetts.

As of December 31, 2017, the plant details were as follows:

Plant	MW Capacity	Fuel Type	State	Region/ISO
Harquahala	1,068	Natural Gas	AZ	WECC
Athens	994	Natural Gas	NY	NYISO
Millennium	335	Natural Gas	MA	ISO-NE

Operations and Maintenance Service Agreements

The Company's subsidiaries are party to short-term operations and maintenance agreements (O&M Agreements) with an unaffiliated energy services company that have annual terms. Pursuant to the terms of the agreements, the energy services company is required to operate and maintain each of the Company's three power plants. The Company's subsidiaries pay a fixed annual management fee, an incentive bonus, and reimburses the energy services company for all labor costs, including payroll and taxes, subcontractor costs, and other costs deemed reimbursable under the O&M Agreements.

Energy Management and Marketing Agreements

The Company's subsidiaries are party to short-term energy management and marketing agreements (EMAs) that provide energy management, fuel transportation and procurement management and other services, including selling the output from the plants and scheduling all the natural gas utilized in the operations. Harquahala's agreement at December 31, 2017 was with an unaffiliated energy marketing company. See Note 9 for information related to EMAs with our affiliate, Talen Energy Marketing, LLC.

Significant Business Risks

We are subject to business risks within the power industry. These risks could cause our future results to differ from historical results and include but are not limited to:

- Risk associated with our ability to renegotiate our existing debt agreements with our lender and our ability to continue as a going concern. See Notes 3 and 6 for additional information;
- Demand decreases due to macroeconomic factors such as a slowdown in the US economy, extended periods of moderate weather, or broad increases in energy efficiency of major consumers;
- Supply increases due to new power plant generation capacity, including an increase in combined cycle gas turbines and renewable generation, which adds intermittency to a grid generally designed for non-intermittent (or baseload) generation;

- Changes in state, federal and other rate regulations and legislation in the areas in which we operate; changes in or application of environmental and other laws and regulations to which we are subject; and regulatory and legislative initiatives regarding deregulation, regulation, or restructuring of the electric utility industry;

- Operational risks associated with our fleet, including unscheduled outages, the unavailability or increase in cost of fuel for generation and chemicals required for environmental regulation compliance, the unavailability of financial assurances for decommissioning liabilities, and the effects of extreme weather, such as the freezing of operational plant and equipment components within a power plant;

- The direct or indirect effects on our business resulting from the financial difficulties of our competitors, hedging counterparties, contractors, fuel suppliers, and fuel transporters (including pipelines), including, but not limited to, the liquidity in the trading and power industry, and the views of the capital markets' regarding the energy or trading industry;

- Risks associated with our reliance on our O&M Agreements with an external party, including their interaction with their labor force, including the renegotiation of their labor agreements;

- The expiration or termination of our energy management and marketing agreements; and

- Credit risk and losses resulting from non-performance of our counterparties.

2. Summary of Significant Accounting Policies

Consolidation and Presentation

Our financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP) and include the accounts of all controlled subsidiaries. All significant intercompany accounts and transactions have been eliminated in consolidation.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Fair Value of Financial Instruments

We value certain financial and nonfinancial assets and liabilities at their fair value. The carrying values of accounts receivable, accounts payable and other receivables and payables approximate their fair values due to their short-term maturities. See Note 7 for disclosures regarding fair value.

Revenue Recognition

Our operating revenues are comprised of:

- Sales of generated electricity and ancillary services through intermediaries and ultimately under contracts with an RTO or ISO (ISO-NE and NYISO);
- Sales of generated electricity through intermediaries ultimately under bilateral contracts with counterparties in the Western Electricity Coordinating Council (WECC) region; and
- Capacity payments received from capacity auctions in ISO-NE and NYISO and through intermediaries and bilateral contracts with counterparties for generation capacity available in order to satisfy RTO, ISO or utility system reliability requirements.

Sales of generated electricity and ancillary services through contracts with an RTO or ISO in which we operate (whether directly or via an energy management and marketing agreement) are recognized in "Energy revenues" on the Consolidated Statement of Operations upon transmission and delivery to the RTO or ISO at the contractually agreed upon day ahead or real-time market price. We record realized hourly sales of physical power net of realized hourly purchases of power with RTOs and ISOs, if any, in the Consolidated Statement of Operations as "Energy revenues" if in a net sales position and "Fuel and energy purchases" if in a net purchase position.

Capacity payments received from RTO or ISO capacity auctions in ISO-NE and NYISO are recognized in "Energy revenues" on the Consolidated Statement of Operations when contractually earned based on cleared capacity prices for each respective generation asset.

See Note 1 for additional information regarding energy management and marketing agreements. See Note 9 for addition information regarding transactions with related parties.

Energy Expenses

Energy expenses are comprised primarily of the costs of natural gas purchased through intermediaries for consumption in the generation of electricity. Purchases of physical natural gas for fuel in the generation of electricity are recognized in "Fuel and energy purchases" on the Consolidated Statement of Operations at the agreed contractual price upon delivery plus related transportation cost.

See Note 1 for additional information regarding energy management and marketing agreements. See Note 9 for addition information regarding transactions with related parties.

Cash and Cash Equivalents

All highly liquid investments with original maturities of three months or less are considered to be cash equivalents.

Restricted Cash and Cash Equivalents

Bank deposits that are restricted by agreement are classified as restricted cash and cash equivalents. Such amounts are restricted under the terms of the Company's Credit Agreement for payment to third parties. Restricted cash and cash equivalents accounts include an escrow account, debt service reserve, revenue account, and an operations and maintenance account. On the Consoldated Balance Sheet, restricted cash and cash equivalents are shown as "Restricted cash and cash equivalents" within current assets. See "New Accounting Standards - Adopted" below for a change in the presentation of restricted cash and cash equivalents on the Consolidated Statement of Cash Flows.

Accounts Receivable

Accounts receivable are on the Consolidated Balance Sheet net of an allowance for any doubtful accounts. At December 31, 2017 there is no allowance for doubtful accounts.

Inventory

Inventory includes materials, supplies and emission allowances and is valued at the lower of weighted average cost or net realizable value. Generally, cost is reduced to net realized value if the value of inventory has declined and the cost of inventory in the ordinary course of business will not be recovered through revenue earned. Materials and supplies are charged to "Operation and maintenance" on the Consolidated Statement of Operations as they are used for repairs and maintenance or capitalized to property, plant and equipment as they are used for capital projects.

As certain facilities generate electricity, an accrued liability with an offsetting charge to "Fuel and energy purchases" on the Consolidated Statement of Operations is recorded for the anticipated cost of any emission allowances required as a result of burning fossil fuels. Emission allowances are recorded as inventory when acquired by the Company. When emission allowances are remitted to the respective governmental agency at the end of a compliance period the inventory and accrued liability are removed from the Company's Consolidated Balance Sheet. See Note 4 for additional information on inventory.

Property, Plant, and Equipment

Property, plant and equipment is recorded at original cost or fair value at the time of acquisition, if acquired in a business combination. Expenditures for property, the construction of power plants, and the addition or refurbishment of major equipment is capitalized. The cost for repairs and maintenance that do not meet capitalization criteria are expensed

Depreciation is recorded over the estimated useful lives of property primarily using the straight-line and group method. When a component of property, plant and equipment is retired or sold, the property and the related accumulated depreciation account are reduced. Any net remaining value resulting from a retirement or sale is recognized as a gain or loss in income.

Asset Impairments

We evaluate our long-lived assets that are classified as held and used, such as property, plant and equipment, for impairment, when events or changes in circumstances indicate that the carrying value of such assets may not be recoverable. When we believe an impairment condition may have occurred, we are required to estimate the undiscounted future cash flows associated with a long-lived asset or group of long-lived assets at the lowest level for which identifiable cash flows are estimated, largely independent of the cash flows of the other assets and liabilities for long-lived assets. An impairment loss is indicated if the total future estimated undiscounted cash flows expected from an asset or asset group are less than its carrying value. An impairment charge is measured by the difference between an asset's carrying amount and fair value with the difference, if any, recorded as an impairment charge. Fair values are determined by a variety of valuation methods, including third-party appraisals, sales prices of similar assets, and present value techniques. Significant impairment charges were recorded in 2016 to reduce the carrying value of our Athens and Millennium plants. No asset impairments were recorded in 2017.

Asset Retirement Obligation (ARO)

We record liabilities to reflect various legal obligations associated with the retirement of long-lived assets. Initially, this obligation is measured at fair value and offset with an increase in the value of the capitalized asset, which is depreciated over the asset's useful life. Until the obligation is settled, the liability is increased through the recognition of accretion expense classified within "Depreciation and accretion" on the Consolidated Statement of Operations to reflect changes in the obligation due to the passage of time.

Estimated ARO costs and settlement dates, which affect the carrying value of the ARO and the related capitalized asset, are reviewed periodically to ensure that any material changes are incorporated into the latest estimate of the ARO. Any change to the capitalized asset, positive or negative, is generally amortized over the remaining life of the associated long-lived asset.

The changes in the carrying amounts of AROs were (in thousands):

ARO at December 31, 2016	$	732
Accretion expense		78
ARO at December 31, 2017	$	810

Income Taxes

Effective January 1, 2017, income tax expense is no longer recorded at the New MACH Gen, LLC or subsidiary level. New MACH Gen, LLC and subsidiaries are disregarded entities for tax purposes.

Loss Contingencies

Potential losses are accrued when (1) information is available that indicates it is "probable" that a loss has been incurred, given the likelihood of the uncertain future events and (2) the amount of the loss can be reasonably estimated. Accounting guidance defines "probable" as cases in which "the future event or events are likely to occur." We continuously assess potential loss contingencies for environmental remediation, litigation claims, regulatory penalties and other events. Loss contingencies for environmental remediation are discounted when appropriate. See Note 8 for additional information.

New Accounting Standards - Adopted

Consolidation

In February 2015, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2015-02, Amendments to the Consolidation Analysis, which amends the consolidation model used in determining whether a reporting entity should consolidate the financial results of certain of its partially- and wholly-owned subsidiaries. All of our subsidiaries are subject to reevaluation under the revised consolidation model. We adopted ASU 2015-02 and 2016-17 effective January 1, 2017, which did not have a material impact on our financial statements and related disclosures.

Specifically, the guidance (i) modifies the evaluation of whether limited partnerships and similar legal entities are VIEs, (ii) eliminates the presumption that a general partner should consolidate the financial results of a limited partnership, (iii) affects the consolidation analysis of reporting entities that are involved with VIEs, particularly those that have fee arrangements and related party transactions and (iv) provides an exception for certain type of entities.

In October 2016, the FASB issued Accounting Standard Update 2016-17, Interests Held through Related Parties That Are under Common Control, which is an update to ASU 2015-02 and changes how a single decision maker considers its indirect interests when performing the primary beneficiary analysis under the VIE model. A single decision maker is required to include those interests on a proportionate basis consistent with indirect interests held through other related parties.

Inventory

In July 2015, the FASB issued ASU 2015-11, Simplifying the Measurement of Inventory, which changes the inventory valuation method from the lower of cost or market to the lower of cost or net realizable value for inventory valued under the first-in, first-out or average cost methods. We prospectively adopted this standard effective January 1, 2017, which did not have a material impact on our financial statements and related disclosures.

Statement of Cash Flows, Restricted Cash

In November 2016, the FASB issued ASU 2016-18, Statement of Cash Flows (Topic 230): Restricted Cash, which requires restricted cash and cash equivalents to be included with cash and restricted cash equivalents when reconciling beginning and ending cash in the statement of cash flows and also requires disclosure of the restrictions on cash, cash equivalents and restricted cash. We adopted this standard effective January 1, 2017.

Bank deposits and other cash equivalents that are restricted by agreement are classified as restricted cash and cash equivalents. The following table provides a reconciliation of cash, cash equivalents and restricted cash reported within the December 31, 2017 Consolidated Balance Sheet and the totals reported in the Consolidated Statement of Cash Flows:

	December 31, 2017	December 31, 2016
Cash and cash equivalents	$ 335	$ 221
Restricted cash and cash equivalents	8,953	1,542
Total cash and cash equivalents and restricted cash and cash equivalents	$ 9,288	$ 1,763

New Accounting Standards - Pending Adoption

Accounting for Revenue from Contracts with Customers.

In May 2014, the FASB issued ASU 2014-09, which creates ASC Topic 606, Revenue from Contracts with Customers and supersedes ASC Topic 605, Revenue Recognition. The new standard replaces industry-specific guidance and establishes a single five-step model to identify and recognize revenue. We are in the initial stages of evaluating the impact of the new standard on our accounting policies, processes and system requirements. Based on the nature of our revenue arrangements within the markets in which we operate, we do not anticipate the standard will significantly alter the timing of revenue recognition. We continue to assess the potential impacts of the new standard on our consolidated financial statements. The enhanced disclosure requirements will expand the disclosures relating to revenue activities and associated transactions.

The core principle of the new standard is that an entity should recognize revenue upon transfer of control of promised goods or services to customers in an amount that reflects the consideration to which an entity expects to be entitled in exchange for those goods or services. Additionally, the new standard requires the entity to disclose further quantitative and qualitative information regarding the nature and amount of revenues arising from contracts with customers, as well as other information about the significant judgments and estimates used in recognizing revenues from contracts with customers. In March 2016, the FASB issued ASU 2016-08, Revenue from Contracts with Customers (Topic 606) Principal versus Agent Considerations (Reporting Revenue Gross versus Net), which clarifies how to apply the implementation guidance on principal versus agent considerations related to the sale of goods or services to a customer as updated by ASU 2014-09. In April 2016, the FASB issued ASU 2016-10, Revenue from Contracts with Customers (Topic 606) Identifying Performance Obligations and Licensing, which clarifies two aspects of Topic 606: identifying performance obligations and the licensing implementation guidance, while retaining the related principles for those areas, as updated by ASU 2014-09. In May 2016, the FASB issued ASU 2016-12, Revenue from Contracts with Customers (Topic 606): Narrow-Scope Improvements and Practical Expedients, which makes narrow scope amendments to Topic 606 including implementation issues on collectibility, non-cash consideration and completed contracts at transition. In December 2016, the FASB issued ASU 2016-20, Technical Corrections and Improvements to Topic 606, "Revenue from Contracts with Customers", which make additional narrow scope amendments to Topic 606 including loan guarantee fees, impairment testing of contract costs, provisions for losses on construction-type and production-type contracts. In September 2017, the FASB issued an amendment related to transition dates for certain public business entities, which we do not expect to impact our implementation.

The new standard permits adoption by either using (i) the full retrospective approach for all periods presented in the period of adoption or (ii) a modified retrospective approach with the cumulative effect of initially applying the new standard recognized at the date of initial application and providing certain additional disclosures. The new standard is effective annual reporting periods beginning after December 15, 2018 for entities other than public business entities, with early adoption permitted for annual reporting periods beginning after December 15, 2016. We do not plan to early adopt, and accordingly, will adopt the new standard effective January 1, 2019.

We plan to adopt using the modified retrospective approach. However, a final decision regarding the adoption method had not yet been made. The final determination will depend on a number of factors, including the significance of the impact of the new standard to our financial results and the ability to analyze the information necessary to assess the impact on prior period consolidated financial statements as necessary.

Accounting for Leases.

In February 2016, the FASB issued ASU 2016-02, Leases, which requires lessees to recognize assets and liabilities for the rights and obligations arising from their leases. We expect to adopt this standard effective January 1, 2020.

Consistent with current accounting guidance, the recognition, measurement, and presentation of expenses and cash flows arising from a lease by a lessee primarily will depend on its classification as a finance lease (similar to the current capital lease) or an operating lease. However, unlike current accounting standard, which requires only capital leases to be recognized on the balance sheet, the new accounting standard will require both types of leases to be recognized on the balance sheet. In September 2017, the FASB issued an amendment related to transition dates for certain public business entities, which we do not expect to impact our implementation.

This standard is effective for annual reporting periods beginning after December 15, 2019 and interim periods within those years. Early application is permitted. A modified retrospective transition approach is required for lessees for capital and operating leases existing at, or entered into after, the beginning of the earliest comparative period presented in the financial statements, with certain practical expedients available. We are currently assessing and have not yet determined the impact of adopting this standard on our consolidated financial statements at this time.

3. Going Concern

The accompanying consolidated financial statements have been prepared on a going concern basis, which contemplates the realization of assets and satisfaction of liabilities in the normal course of business. The competitive power industry continues to be challenged in certain markets by depressed wholesale market prices for electricity that has resulted from general economic conditions and other factors, including new gas-fired generation and additional renewable energy sources. These market conditions have impacted actual and forecasted cash flows and, by extension, any available liquidity for working capital and debt-related requirements. These factors have culminated in insufficient cash flows from operations to service debt principal and debt interest payments.

Accordingly, the Company has been granted forbearances of principal, interest, fees and other expense payments that are due under the First Lien Credit and Guaranty Agreement (Credit Agreement), as amended, with Beal Bank USA and certain of its affiliates since December 31, 2017 while in advanced negotiations with respect to a potential restructuring of the Company which may include amendments to or replacement of the Credit Agreement, the issuance of new indebtedness by the company and asset divestitures. Ultimately, the potential restructuring of the Company may be unsuccessful, and this may lead to insufficient liquidity to continue the Company's operations in the ordinary course of business and default under the Credit Agreement. These circumstances, among others, raise substantial doubt about our ability to continue as a going concern within one year from the date these financial statements are available to be issued. The consolidated financial statements do not include any adjustments that might result from the outcome of the uncertainty.

At December 31, 2017, we have approximately $9 million of restricted and unrestricted cash on our balance sheet, no available borrowing under the remaining capacity of our $160 million revolving line of credit and do not expect to receive future contributions from our indirect parent companies without a potential debt restructuring. The current amount of restricted and unrestricted cash would not be enough to satisfy amounts due under the Credit Agreement without a debt restructuring or the granting of additional forbearances. See Note 6 for information on outstanding debt and amendments to our Credit Agreement. We will continue to evaluate these conditions in relation to our ability to meet our obligations as they become due which may include pursuing other revenue streams and sources of liquidity such as disposition of certain assets.

4. Inventory

"Inventory" on the Consolidated Balance Sheet consisted of the following at December 31, 2017 (in thousands):

Materials and supplies	$	10,864
Emission allowances		13,490
Total	$	24,354

The three-year remittance cycle for environmental products is to occur by March 31, 2018.

5. Property, plant and equipment

The major components of property, plant and equipment at December 31, 2017 are as follows (in thousands):

Generation	$	482,849
Other		1,532
Construction work in process		20,065
Property, plant and equipment, at cost		504,446
Less: accumulated depreciation		(18,327)
Property, plant and equipment, net	$	486,119

We capitalize interest costs as part of construction costs. For the year ended December 31, 2017, capitalized interest was $22 thousand.

For the year ended December 31, 2017, we recorded depreciation expense of $18,806 thousand.

6. Debt

The Company is party to a First Lien Credit and Guaranty Agreement (Credit Agreement), as amended, with Beal Bank USA and certain of its affiliates. The $642 million Credit Agreement is comprised of a $160 million revolving credit facility, which provides the Company capacity available for revolving cash borrowings and issuance of up to $50 million of letters of credit, which in combination cannot exceed the capacity of the facility at any given time, and a $482 million first lien Term Loan B. The Credit Agreement is guaranteed by each of New MACH Gen's subsidiaries and is secured by a first priority security interest in the equity interests and substantially all of the assets of New MACH Gen and of each its subsidiaries. The maximum amount of potential future payments of the New MACH Gen subsidiaries would equal the maximum amount outstanding under the Credit Agreement. Our debt is non-recourse to our parents, Talen Corp, Talen Energy Supply and Talen NE.

The Credit Agreement is subject to customary negative covenants, including but not limited to, certain limitations on incurrence of liens and additional indebtedness, asset sales, capital expenditures, distributions, and amendments, modifications or termination of material contracts. The Credit Agreement also contains customary affirmative covenants and events of default, including certain reporting requirements. The Credit Agreement includes customary mandatory prepayments, and a mandatory cash sweep. The revolving credit facility commitments can be terminated on the applicable maturity date or upon the occurrence of an event of default.

We have been granted forbearances of principal, interest, fees and other expense payments under the Credit Agreement since December 31, 2017 while in negotiations with respect to a potential restructuring of the Company which may include amendments to or replacements of the Credit Agreement, the issuance of new indebtedness by the Company and asset divestitures by the Company. Ultimately, the potential restructuring of the Company may be unsuccessful which may lead to insufficient liquidity to continue our operations in the ordinary course of business and a default event under the Credit Agreement.

At December 31, 2017, the following secured revolving credit facility was in place (in thousands):

	Expiration Date	Capacity	Borrowed	Letters of Credit Issued	Unused Capacity
Non-recourse debt	July 2021	$ 160,000	$ 132,953	$ 26,697	$ 350

Borrowings bear interest at 12-month LIBOR, plus 4.25%. Commitment fees are charged on unused commitments. Customary letter of credit fees are charged with respect to issued letters of credit. The weighted average interest rate applicable to the outstanding borrowings was 6.05% at December 31, 2017. Borrowings are recorded as "Revolving lines of credit" on the Consolidated Balance Sheet.

At December 31, 2017, the Term Loan B had an outstanding balance of $465,115 thousand, matures on July 10, 2022, and had an interest rate of 7.29%. The Term Loan B requires amortization payments on a quarterly basis of 0.25% in fiscal year 2018, 1.25% in fiscal year 2019, and 2.50% beginning in fiscal year 2020 until maturity in July 2022, in each case of the original principal amount. The Term Loan B may also be repaid without any make-whole premium. Borrowings under the Term Loan B bear interest at 12-month LIBOR for the period plus 5.50% and are payable quarterly. The aggregate maturities of long-term debt are as follows (in thousands):

2018	2019	2020	2021	2022	Total
$ 6,025	$ 24,099	$ 48,198	$ 48,198	$ 338,595	$ 465,115

The Credit Agreement requires that proceeds from borrowings, the receipt of revenue, debt service payments, and the payments for certain categories of expenses each be segregated into separate bank accounts. Under the terms of a depositary agreement (the Security Deposit Agreement), the Company has established the required bank accounts and has pledged all its rights, title, and interest in the bank accounts as security for its payment obligations under the Credit Agreement. In addition, the Security Deposit Agreement provides for a cash sweep on the last business day of March of each calendar year until the discharge of the First and Second Lien obligations. The application of the funds from the cash sweep is prioritized based on certain provisions outlined within the Security Deposit Agreement.

In March 2017, an amendment to the Credit Agreement was executed, which (i) reduced the required quarterly payments of the Term Loan B for 2018 from 5% per annum to 1% per annum of the original principal balance; (ii) reduced the revolving letter of credit commitment from $120 million to $50 million; (iii) increased the required cash sweep percentage from 75% to 100% (which could be reduced to 75% after meeting certain conditions); (iv) relaxed the lien covenant related to debt arising under commodity hedge and power sale agreements; (v) deferred the requirement to satisfy certain conditions precedent to a borrowing under the revolving credit facility or issuance under the revolving letter of credit facility; (vi) imposed an amendment fee; and (vii) limited the payment of general and administrative expenses by the Company and its subsidiaries for three years.

In December 2017, an additional amendment to the Credit Agreement was executed, which deferred fourth quarter 2017 principal and interest payments and payment of an amendment fee. During 2018, we executed additional amendments that further deferred such payments while we negotiate a potential restructuring of the Company which may include amendments to the Credit Agreement, the issuance of new indebtedness by the Company and asset divestitures.

7. Fair Value

We carry a portion of our assets and liabilities at fair value that are measured at a reporting date using an exit price (i.e., the price that would be received to sell an asset or paid to transfer a liability). An exit price may be developed under a market approach utilizing market transactions, an income approach utilizing present value techniques, or a replacement cost approach and are disclosed according to the quality of valuation inputs under the following hierarchy:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities

Level 2: inputs other than quoted prices that are either directly or indirectly observable

Level 3: unobservable inputs that are significant to the fair value of assets or liabilities

The classification of an asset or liability is based on the lowest level of input significant to its fair value. Those that are initially classified as Level 3 are subsequently reported as Level 2 when the fair value derived from unobservable inputs is inconsequential to the overall fair value, or if corroborated market data becomes available. Assets and liabilities initially reported as Level 2 are subsequently reported as Level 3 if corroborated market data is no longer available. Transfers occur at the end of the reporting period.

Recurring Fair Value Measurements

The carrying amounts of cash equivalents, restricted cash equivalents, accounts receivable, accounts payable and other receivables and liabilities are equal to, or approximate, their fair values due to the short‑term maturity of those instruments and they are classified as Level 1 within the fair value hierarchy.

Nonrecurring Fair Value Measurements

No nonrecurring measurements were made in 2017.

Financial Instruments Not Recorded at Fair Value

Considering the substantial doubt about our ability to continue as a going concern, the fair value of the Company's outstanding revolving credit facility borrowings and its Term Loan B at December 31, 2017 approximate the net carrying value of the property, plant and equipment which secure the borrowings. See Note 3 for additional information on Going Concern.

Concentrations of Credit Risk

Financial instruments that potentially subject the Company to concentrations of credit risk consist primarily of restricted cash and accounts receivable. Restricted cash accounts are generally held in federally insured banks. Accounts receivable are primarily with an affiliate under an energy management and marketing agreement. See Note 9 for additional information on related party transactions.

See Note 9 for information related to Energy Management and Marketing Agreements with our affiliate, Talen Energy Marketing.

Property Tax and Other Arrangements

During construction of the Athens facility, Athens transferred its ownership interest in the land and improvements on which the facility was being constructed to the Greene County Industrial Development Agency (IDA) in return for certain tax exemptions and deferrals. IDA then leased the land and improvements back to Athens under a lease agreement (the Lease Agreement). In connection with this transaction, Athens entered into a Payment in Lieu of Tax Agreement (the Athens PILOT), which requires Athens to make periodic payments in lieu of taxes to the local taxing authorities. These payments are recorded as "Operation and maintenance" on the Consolidated Statement of Operations. The maximum scheduled amount Athens is required to make under the Athens PILOT are (in thousands):

2018	2019	2020	2021	2022	2023
$ 4,950	$ 5,250	$ 5,250	$ 5,250	$ 5,250	$ 5,250

Under the Lease Agreement, Athens is required to make payments of approximately $17 thousand per month for 20 years through 2023 at which point the assets are transferred back to Athens. Athens expenses these costs as they are incurred.

The obligations of Athens to make payments under the PILOT are secured in part by a first mortgage granted to the IDA by Athens in the amount of $5.5 million. The Athens PILOT payments and certain payments under the Lease Agreement are also secured by a letter of credit issued by the Company in favor of the IDA in the amount of $10.5 million.

Athens pays a special district tax charge to the West Athens Lime Street Fire District. The fire district tax charges are based on the Town of Athens' assessed value of the facility. Starting in 2005, these fire district tax charges are $0.1 million per year and escalate at a rate of 3% per annum through 2023.

Millennium also has PILOT arrangements with the Town of Charlton, Massachusetts and the Town of Southbridge, Massachusetts. Under the terms of these PILOTs, Millennium (i) received certain tax exemptions and deferrals and (ii) access to treated wastewater and potable water for use by Millennium and the disposal of wastewater from the Millennium facility. The term of the property tax PILOTs extend through the year 2021. The water-related contracts extend through 2028. Pursuant to the PILOTs, Millennium is required to make the following estimated payments (in thousands):

	2018	2019	2020	2021	2022	Thereafter
Property Tax	$ 700	$ 700	$ 700	$ 350	$ —	$ —
Water-related	1,561	1,591	1,622	1,653	1,685	9,573
Total	$ 2,261	$ 2,291	$ 2,322	$ 2,003	$ 1,685	$ 9,573

The Town of Charlton fees were $700 thousand for the year ended December 31, 2017. Fees paid to the Town of Southbridge are adjusted annually based on specified indices published by the United States government. The Town of Southbridge fees were $82 thousand for the year ended December 31, 2017.

Transportation Contracts

Athens has a gas transportation contract for firm reserved service with an unaffiliated third party. The terms of the contract permit Athens to receive firm natural gas transportation service for up to 70,000 dekatherms of natural gas per day. Athens is required to pay a rate per dekatherm of natural gas based on Iroquois's current Federal Energy Regulatory Commission gas tariff. The contract is effective until September 1, 2018, and year to year thereafter unless terminated by either party within 12 months by providing written notice. Athens incurred and expensed costs of approximately $4.4 million for the year ended December 31, 2017.

Electric Interconnection

Harquahala has an Interconnection Agreement with Arizona Public Service Company, the City of Los Angeles by and through the Department of Water and Power, El Paso Electric Company, Public Service Company of New Mexico, Salt River Project Agricultural Improvement and Power District, Southern California Public Power Authority, and Southern California Edison. The agreement provides for the interconnection of the Harquahala facility with the 500 kV transmission system at the Hassayampa Switchyard (as defined in the Interconnection Agreement) and requires Harquahala to pay a pro rata share of the ongoing operation and maintenance costs associated with the Hassayampa Switchyard. Approximately $2.2 million was included in "Operation and maintenance" on the Consolidated Statement of Operations for the year ended December 31, 2017.

Parts Supply and Services Agreement

The Company's subsidiaries are party to separate amended Term Warranty Contracts (Amended LTSAs) with an unaffiliated third party, which expire at the earlier of (a) the date on which the third party has completed all of the service associated with the final scheduled outage since the effective date of the applicable agreement or (b) the applicable Amended LTSA's expiration date.

Fees incurred under the Amended LTSAs comprised primarily of (i) a variable quarterly fee based upon the covered unit's operational parameters, (ii) a fixed quarterly management fee, and (iii) fees associated with certain additional services. All fees are adjusted annually based upon specified indices published by the United States government. In addition, the Company can be obligated to make additional payments to the third party, if the Company undertakes scheduled outages (as defined in the Amended LTSA) before an agreed amount of variable fees has been incurred or the units did not meet minimum operating hours.

Certain of these costs are capitalized to "Property, plant and equipment, net" on the Consolidated Balance Sheet at Athens and Millennium. These costs are expensed at Harquahala because of forecasted future cash flows do not support capitalization.

Leases and Supply Agreements

New MACH Gen and its subsidiaries have entered into various agreements for the lease of water storage and other equipment. At December 31, 2017, our most significant lease, which expires in 2024, relates to water storage equipment.

Rent expense for the year ended December 31, 2017 was $371 thousand.

Total future minimum rental payments for all operating leases are estimated to be (in thousands):

2018	2019	2020	2021	2022	Thereafter	Total
$ 140	$ 140	$ 140	$ 140	$ 140	$ 281	$ 981

During construction of the Millennium facility, Millennium entered into an agreement with the U.S. Army Corps of Engineers to construct an oil pipeline, water pipeline, and an access road through an area designated as wetlands. In connection with this agreement, the Company agreed to carry out environmental study recommendations and to restore or enhance certain wetlands and aquatic resources along the Quinebaug River. Under the terms of this agreement, the Company was required to pay $3 million for such costs of the studies, restoration, and enhancements over 10 years beginning in 2002. On December 1, 2011, the Company amended the agreement prior to its expiration. The amended agreement requires the Company to pay qualifying costs on demand up to its remaining obligation of approximately $3.0 million. The amended agreement expires at the earlier of payment of its entire obligation or upon expiration of the amendment through December 31, 2020. The Company has a liability recorded consolidated balance sheet in the amount of $2.1 million at December 31, 2017.

Legal and Regulatory Matters

From time-to-time in the ordinary course of its business the Company and/or its subsidiaries may be subject to legal proceedings, claims and litigation. While the outcome of these legal proceedings, claims and litigation is uncertain, the likely results are not expected, either individually or in the aggregate, to have a material adverse effect on the Company's financial condition or results of operations.

We are subject to regulation by federal and state agencies and commissions, as well as the ISOs in the various regions where we conduct business.

Environmental Matters

The Company's subsidiaries are subject to extensive federal, state and local environmental laws and regulations applicable to its air emissions, water discharges and the management of hazardous and solid waste, as well as other aspects of their business. In addition, many of these environmental considerations are also applicable to the operations of key suppliers, or customers, such as industrial power users, and may impact the cost for their products or their demand for the services. On occasion, the Company's subsidiaries may incur environmental fees, penalties and fines associated with the operation of their power plants. At the present time, the Company's subsidiaries do not have environmental violations or other matters that would have a material impact on the Company's financial condition, results of operations or cash flows or that would significantly change its operations.

9. Related Party Transactions

Energy Management and Marketing Agreements (EMA)

During 2017, the Company's subsidiaries were each a party to an EMA with an affiliate, Talen Energy Marketing, LLC (TEM). Under the agreements, each subsidiary pays $20 thousand per month for energy, management. fuel transportation and procurement management and other services, and TEM is entitled to market all the electrical energy and capacity of the plants (net of facility requirements) and procures and delivers at market prices all the natural gas utilized in the operations of the plants. The amount payable by TEM under the EMAs is the positive difference between prices received by TEM for sales of energy, capacity and ancillary services from the plants over certain costs incurred by TEM, including in respect of fuel supply. To the extent that such amount is negative, the applicable subsidiary is not required to pay TEM, but TEM is entitled to deduct such amount from amounts payable to the applicable subsidiary in future periods. Included in "Energy revenues" on the Consolidated Statement of Operations in 2017 is $208 million for the sales of electricity and included in "Fuel and energy purchases" on the Consolidated Statement of Operations is $128 million for plant fuel supply under the TEM EMA. The subsidiaries also incurred $580 thousand of fees for energy management services under the TEM EMAs, which is included in "Operation and maintenance" on the Consolidated Statement of Operations in 2017. A net receivable of approximately $2.8 million consisting of electricity marketed for the New MACH Gen plants, net of fuel and fees is reported as "Accounts receivable" on the Consolidated Balance Sheet at December 31, 2017.

In June 2017, Harquahala terminated its EMA with TEM and entered into a short-term EMA with a third party. See Note 1.

During a four month period beginning June 1, 2017, Harquahala entered into an arrangement whereby TEM purchased capacity and energy from Harquahala and agreed to sell and deliver it to an unaffiliated party. Related to this arrangement is approximately $9 million of affiliate sales presented as "Energy revenues" on the Consolidated Statement of Operations.

Affiliate Accounts Payable

We have a payable of $30 million related to amounts paid by our parent to us under a tax sharing agreement that was terminated, effective January 1, 2017 which is presented as current "Affiliate accounts payable" on the Consolidated Balance Sheet at December 31, 2017. The payable, which is non-interest bearing, could potentially be settled in connection with certain events, including a potential refinancing of the Company's obligations. The payable is subordinated to the First Lien Credit and Guaranty Agreement. See Note 6 for additional information on debt.

10. Subsequent Events

The Company evaluated subsequent events through May 15, 2018, the date the financial statements are available to be issued, and determined that except for the amendment to the First Lien Credit and Guaranty Agreement that that deferred certain payments under that agreement as discussed in Note 6, there were no other subsequent events to be reported.

Report of Independent Auditors

The Sole Member of New MACH Gen, LLC

We have audited the accompanying consolidated financial statements of New MACH Gen, LLC and subsidiaries, which comprise the consolidated balance sheet as of December 31, 2016, and the related consolidated statements of operations, member's equity/(deficit) and cash flows for the year then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in conformity with U.S. generally accepted accounting principles; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the consolidated financial position of New MACH Gen, LLC and subsidiaries at December 31, 2016, and the consolidated results of its operations and its cash flows for the year then ended in conformity with U.S. generally accepted accounting principles.

New MACH Gen, LLC's Ability to continue as a Going Concern

The accompanying consolidated financial statements have been prepared assuming that the Company will continue as a going concern. As discussed in Note 3 to the consolidated financial statements, the Company has recurring losses from operations and has a net capital deficiency that raise substantial doubt about its ability to continue as a going concern. Management's plans in regard to these matters are also described in Note 3. The 2016 consolidated financial statements do not include any adjustments to reflect the possible future effects on the recoverability and classification of assets or the amounts and classification of liabilities that may result from the outcome of this uncertainty. Our opinion is not modified with respect to this matter.

Notes to Consolidated Financial Statements

The terms "New MACH Gen," "the company," "we," "us" and "our" refer to New MACH Gen, LLC and its consolidated subsidiaries. This presentation has been applied where identification of particular subsidiaries is not material to the matter being disclosed, and to conform narrative disclosures to the presentation of financial information on a consolidated basis. When identification of a particular subsidiary is considered important to understanding the matter being disclosed, the specific entity's name is used. Each disclosure referring to a subsidiary applies to New MACH Gen, LLC.

1. Organization

New MACH Gen, LLC is a limited liability company formed under the laws of the State of Delaware, and is an indirect wholly owned subsidiary of Talen Energy Corporation (Talen Corp) and its indirect wholly owned subsidiary, Talen Energy Supply, LLC (Talen Energy Supply), and a direct wholly owned subsidiary of Talen Energy Supply's wholly owned subsidiary MACH Gen, LLC (MACH Gen or Member). Our Member is not liable for our obligations or liabilities, except to the extent of its capital contributions. The Company, through its subsidiaries, New Athens Generating Company, LLC (New Athens), New Harquahala Generating Company, LLC (New Harquahala) and Millennium Power Partners, L.P. (Millennium), owns, operates, and manages natural gas fired electric generating power plants located in Athens, New York; Tonopah, Arizona; and Charlton, Massachusetts.

As of December 31, 2016, the plant details were as follows:

Plant	MW Capacity	Fuel Type	State	Region/ISO
Harquahala	1,040	Natural Gas	AZ	WECC
Athens	981	Natural Gas	NY	NYISO
Millennium	342	Natural Gas	MA	ISO-NE

On December 6, 2016, affiliates of Riverstone Holdings LLC (Riverstone) completed a take-private buyout of all of the outstanding shares of Talen Corp's common stock not already owned. As a result of the take-private transaction, the affiliates of Riverstone now privately own Talen Corp and its subsidiaries. Concurrently with the closing of the take-private transaction, Talen Corp and Talen Energy Supply appointed a new senior management team.

Significant Business Risks

We are subject to business risks within the power industry. These risks could cause future results to differ from historical results and include: (1) changes in market conditions, including developments in energy and commodity supply, volume and pricing; (2) state, federal and other rate regulations and legislation in the areas in which we do business; (3) weather and other natural phenomena; (4) changes in or application of environmental and other laws and regulations to which we are subject; (5) regulatory and legislative initiatives regarding deregulation, regulation, or restructuring of the electric utility industry; (6) the extent and timing of the entry of additional competition in the markets in which we operate; (7) the direct or indirect effects on our business resulting from the financial difficulties of our competitors or fuel suppliers, including but not limited to, the effects on liquidity in the trading and power industry and the views of the capital markets' regarding the energy or trading industry; (8) risks associated with the operation of our power plants including unscheduled outages; (9) the expiration or termination of our power sales agreements and (10) credit risk and losses resulting from non-performance of our counterparties.

2. Summary of Significant Accounting Policies

Consolidation and Presentation

Our financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP) and include the accounts of all controlled subsidiaries. All significant intercompany accounts and transactions have been eliminated in consolidation. In conjunction with the December 6, 2016 take-private transaction, affiliates of Riverstone elected not to apply push down accounting for any of the fair value adjustments in connection with the change in control.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Fair Value of Financial Instruments

We value certain financial and nonfinancial assets and liabilities at their fair value. The carrying values of accounts receivable, accounts payable and other receivables and payables approximate their fair values due to their short-term maturities. See Notes 9 for disclosures regarding fair value.

Revenue Recognition

Our operating revenues are comprised of:

- Sales of generated electricity and ancillary services through contracts with an RTO or ISO (ISO-NE and NYISO);
- Sales of generated electricity under bilateral contracts with counterparties in the Western Electricity Coordinating Council (WECC) region; and
- Capacity payments received from capacity auctions in ISO-NE and NYISO and through bilateral contracts with counterparties for generation capacity available in order to satisfy RTO, ISO or utility system reliability requirements.

Sales of generated electricity and ancillary services through contracts with an RTO or ISO in which we operate (whether directly or via an energy management agreement) are recognized in "Energy revenues" on the Statements of Operations upon transmission and delivery to the RTO or ISO at the contractually agreed upon day ahead or real-time market price. We record realized hourly sales of physical power net of realized hourly purchases of power with RTOs and ISOs, if any, in the Statements of Operations as "Energy revenues" if in a net sales position and "Fuel and energy purchases" if in a net purchase position.

Capacity payments received from RTO or ISO capacity auctions in ISO-NE and NYISO are recognized in "Energy revenues" on the Statements of Operations when contractually earned based on cleared capacity prices for each respective generation asset.

Energy Expenses

Energy expenses are comprised primarily of the following:

- Costs of natural gas purchased from third parties under executory contracts with gas marketers for consumption in the generation; and
- Realized settlements of physical commodity derivative instruments.

Purchases of physical natural gas under executory bilateral contracts for consumption in the generation of electricity are recognized in "Fuel and energy purchases" on the Statements of Operations at the agreed contractual price upon delivery plus related transportation cost.

Realized settlements of physical commodity derivative instruments related to purchases of physical electricity and natural gas are recognized in "Fuel and energy purchases" on the Statements of Operations on the settlement date.

Commodity Derivatives

From time to time, the Company may utilize certain commodity derivative instruments, including financially settled power and natural gas swaps, to economically hedge its underlying exposure to volatility in commodity prices. The Company did not enter into any commodity derivative transactions during the year ended December 31, 2016.

There were no derivative assets or liabilities recorded on the Company's Balance Sheet at December 31, 2016.

Cash and Cash Equivalents

All highly liquid investments with original maturities of three months or less are considered to be cash equivalents.

Restricted Cash and Cash Equivalents

Bank deposits that are restricted by agreement are classified as restricted cash and cash equivalents. Such amounts are restricted under the terms of the Company's Credit Agreement for payment to third parties. Restricted cash and cash equivalents accounts include an escrow account, debt service reserve, revenue account, and an operations and maintenance account. The change in restricted cash and cash equivalents are shown as an investing activity on the Statement of Cash Flows. On the Balance Sheet, restricted cash and cash equivalents are shown as "Restricted cash and cash equivalents" within current assets.

Accounts Receivable

Accounts receivable are reported on the Balance Sheet at the net outstanding amount, gross accounts receivable adjusted for an allowance for doubtful accounts. At December 31, 2016 there is no allowance for doubtful accounts.

Inventory

Inventory includes materials, supplies and emission allowances and is valued at the lower of weighted average cost or market. Generally, cost is reduced to market if the value of inventory has declined and the utility of inventory in the ordinary course of business will not be recovered through revenue earned. Materials and supplies are charged to "Operation and maintenance" on the Statement of Operations as they are used for repairs and maintenance or capitalized to property, plant and equipment as they are used for capital projects. See Note 5 for additional information on inventory.

Property, Plant, and Equipment

Property, plant and equipment is recorded at original cost or fair value at the time of acquisition, if acquired in a business combination. We capitalize costs incurred in connection with the purchase of property, construction of power plants, and the addition or refurbishment of major equipment. We expense the cost of repairs and maintenance when work is performed that does not meet our capitalization criteria.

Depreciation is recorded over the estimated useful lives of property using the straight line and composite methods. When a component of property, plant and equipment that was depreciated under the composite method is retired, the original cost is charged to accumulated depreciation. When all or a significant portion of an operating unit that was depreciated under the composite method is retired or sold, the property and the related accumulated depreciation account is reduced and any gain or loss is included in income.

Asset Impairments

We evaluate our long-lived assets that are classified as held and used, such as property, plant and equipment, for impairment, when events or changes in circumstances indicate that the carrying value of such assets may not be recoverable. When we believe an impairment condition may have occurred, we are required to estimate the undiscounted future cash flows associated with a long-lived asset or group of long-lived assets at the lowest level for which identifiable cash flows are estimated, largely independent of the cash flows of the other assets and liabilities for long-lived assets. An impairment loss is indicated if the total future estimated undiscounted cash flows expected from an asset or asset group are less than its carrying value. An impairment charge is measured by the difference between an asset's carrying amount and fair value with the difference, if any, recorded as a loss in "impairments" in the Statement of Operations. Fair values are determined by a variety of valuation methods, including third-party appraisals, sales prices of similar assets, and present value techniques.

See Note 7 for additional information on asset impairments recorded in 2016.

Asset Retirement Obligation

We record liabilities to reflect various legal obligations associated with the retirement of long-lived assets. Initially, this obligation is measured at fair value and offset with an increase in the value of the capitalized asset, which is depreciated over the asset's useful life. Until the obligation is settled, the liability is increased through the recognition of accretion expense classified within "Depreciation and accretion" on the Statement of Operations to reflect changes in the obligation due to the passage of time.

Estimated ARO costs and settlement dates, which affect the carrying value of the ARO and the related capitalized asset, are reviewed periodically to ensure that any material changes are incorporated into the latest estimate of the ARO. Any change to the capitalized asset, positive or negative, is generally amortized over the remaining life of the associated long-lived asset.

The changes in the carrying amounts of AROs were (in thousands):

ARO at December 31, 2015	$	579
Accretion expense		111
Other		42
ARO at December 31, 2016	$	732

Income Taxes

Our tax provision is calculated as if New MACH Gen and its subsidiaries each filed a separate consolidated tax return. Income taxes are accounted for under the asset and liability method. Deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying values of existing assets and liabilities and their respective tax basis, tax credits and NOL carryforwards. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities due to a change in tax rates is recognized in income in the period that includes the enactment date.

We record valuation allowances to reduce deferred tax assets to the amounts that are more likely than not to be realized. We consider the ability to carryback attributes, the reversal of temporary differences, future taxable income and ongoing prudent and feasible tax planning strategies in initially recording and subsequently reevaluating the need for valuation allowances. If we determine that we are able to realize deferred tax assets in the future in excess of recorded net deferred tax assets, adjustments to the valuation allowances increase income by reducing tax expense in the period that such determination is made. Likewise, if we determine that it is not able to realize all or part of net deferred tax assets in the future, adjustments to the valuation allowances would decrease income by increasing tax expense in the period that such determination is made.

We recognize the financial statement effects of a tax position when it is more-likely-than-not, based on the technical merits, that the position will be sustained upon examination. A tax position that meets the more-likely-than-not recognition threshold is measured as the largest amount of tax benefit that is greater than 50% likely of being realized upon ultimate settlement with a taxing authority. We reverse a previously recognized tax position in the first period in which it is no longer more-likely-than-not that the tax position would be sustained upon examination. We account for interest and penalties from tax uncertainties in "Income Taxes" in the Statement of Operations.

See Note 12 for information on our intercompany tax sharing agreement.

Loss Contingencies

Potential losses are accrued when (1) information is available that indicates it is "probable" that a loss has been incurred, given the likelihood of the uncertain future events and (2) the amount of the loss can be reasonably estimated. Accounting guidance defines "probable" as cases in which "the future event or events are likely to occur." We continuously assess potential loss contingencies for environmental remediation, litigation claims, regulatory penalties and other events. Loss contingencies for environmental remediation are discounted when appropriate. See Note 10 for additional information.

New Accounting Standards - Adopted

Going Concern

Effective December 31, 2016, we adopted accounting guidance that requires management, in connection with preparing financial statements for each interim and annual period, to evaluate whether there are conditions and events, considered in the aggregate, that raise substantial doubt about the entity's ability to continue as a going concern within one year after the date that the financial statements are available to be issued. See Note 3 for additional information related to going concern.

New Accounting Standards - Pending Adoption

Accounting for Revenue from Contracts with Customers

In May 2014, the FASB issued accounting guidance that establishes a comprehensive new model for the recognition of revenue from contracts with customers. This model is based on the core principle that revenue should be recognized to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. In March 2016, the FASB issued guidance to clarify the implementation of principal versus agent considerations, and in April 2016, the FASB issued guidance to clarify the identification of performance obligations contained within the original standard. In December 2016, the FASB issued guidance that allows entities not to make quantitative disclosures about remaining performance obligations in certain cases and requires entities that use any of the new or previously existing optional exemptions to expand their qualitative disclosures. The guidance also makes additional technical corrections and improvements to the new revenue standard.

This guidance can be applied using either a full retrospective or modified retrospective transition method. Entities may early adopt the guidance as of the original effective date of the standard, which for public business entities is annual reporting periods beginning after December 15, 2016. We expect to adopt this guidance effective January 1, 2018, in conjunction with the adoption of this standard by Talen Energy Supply.

We are currently assessing the impact of adopting this guidance on our consolidated financial statements, as well as the transition method we will use.

Accounting for Leases

In February 2016, the FASB issued accounting guidance that supersedes all existing lease guidance. The updated guidance will require lessees to recognize assets and liabilities for the rights and obligations created by their leases with lease terms of more than 12 months. Consistent with current accounting guidance, the recognition, measurement, and presentation of expenses and cash flows arising from a lease by a lessee primarily will depend on its classification as a finance lease (similar to the current capital lease) or an operating lease. However, unlike current accounting guidance, which requires only capital leases to be recognized on the balance sheet, the new accounting guidance will require both types of leases to be recognized on the balance sheet.

This guidance is effective for annual reporting periods beginning after December 15, 2018 and interim periods within those years. Early application is permitted. We are currently assessing the impact of adopting this guidance and expect to adopt this guidance effective January 1, 2019, in conjunction with the adoption of this standard by Talen Energy Supply.

Classification of Certain Cash Receipts and Cash Payments

In August 2016, the FASB issued accounting guidance related to how an entity classifies certain cash receipts and cash payments on its statement of cash flows. The guidance clarifies eight specific cash flow presentation issues that have developed due to diversity in practice, including debt prepayment or extinguishment costs; distributions received from equity method investees; and cash receipts from payments on beneficial interests in securitization transactions.

This guidance is effective for fiscal years beginning after December 15, 2017, and interim periods therein. Early adoption is permitted and the guidance's provisions are required to be applied retrospectively. We are currently assessing the impact of adopting this guidance on our consolidated financial statements and expect to adopt this guidance effective January 1, 2018.

Statement of Cash Flows - Restricted Cash

In November 2016, the FASB issued final accounting guidance that requires restricted cash and cash equivalents to be included with cash and restricted cash equivalents when reconciling beginning and ending cash in the statement of cash flows and also requires disclosure of the restrictions on cash, cash equivalents and restricted cash.

The guidance is effective for fiscal years beginning after December 15, 2017 and interim periods within those years. Early adoption in an interim period is permitted. We adopted this guidance effective January 1, 2017.

3. Going Concern

The accompanying consolidated financial statements have been prepared on a going concern basis, which contemplates the realization of assets and satisfaction of liabilities in the normal course of business. The competitive power industry continues to be challenged by depressed wholesale market prices for electricity that has resulted from general economic conditions and other factors, including new gas-fired generation and additional renewable energy sources. These market conditions have impacted our actual and forecasted cash flows and, by extension, our available liquidity for working capital and debt-related requirements. For 2017 we are forecasting similarly reduced cash flows, based on expected similar market conditions. While at present our liquidity, including available revolver capacity, may satisfy our short-term liquidity needs, further deterioration in our cash flows could impede our ability to satisfy our working capital and debt-related liquidity requirements. These circumstances, among others, raise substantial doubt about our ability to continue as a going concern within one year from the date these financial statements are available to be issued. The consolidated financial statements do not include any adjustments that might result from the outcome of the uncertainty.

At December 31, 2016 we have approximately $221 thousand of cash on hand, $25 million of capacity under our $160 million revolving line of credit and do not expect to receive future contributions from our indirect parent companies. At current debt levels, we are required to make quarterly principal and interest payments of approximately $11 million. See Note 8 for information on outstanding debt and the recent amendment to our First Lien Credit and Guaranty Agreement. We will continue to evaluate these conditions in relation to our ability to meet our obligations as they become due which may include pursuing other revenue streams and sources of liquidity such as disposition of certain assets.

4. Acquisition by Talen Energy Supply

On November 2, 2015, Talen Energy Supply completed its acquisition of MACH Gen, our parent company. The push-down basis of accounting was applied to record the fair value of our assets and liabilities at the acquisition date. The allocation of purchase price was based on the fair value of assets acquired and liabilities assumed. Certain purchase accounting adjustments were made during the first and second quarter of 2016 that had an insignificant impact to property, plant and equipment, deferred income taxes and member's equity. The statement of operations effect of these adjustments during the measurement period was also insignificant. The purchase price allocation was considered by management to be final as of June 30, 2016.

5. Inventory

"Inventory" on the Balance Sheet consisted of the following at December 31, 2016 (in thousands):

Materials and supplies	$	10,647
Emission allowances		9,015
Total	$	19,662

6. Property, plant and equipment

The major components of property, plant and equipment at December 31, 2016 are as follows (in thousands):

Generation	$	481,299
Other		1,480
Construction work in process		8,006
Property, plant and equipment, at cost		490,785
Less: accumulated depreciation		—
Property, plant and equipment, net	$	490,785

We capitalize interest costs as part of construction costs. For the year ended December 31, 2016, capitalized interest was $10 thousand.

For the year ended December 31, 2016, we recorded depreciation expense of $44 million. During the fourth quarter of 2016, we recorded an impairment charge which adjusted accumulated depreciation expense to zero at December 31, 2016. See Note 7 for additional information on impairment charges recorded during the year ended December 31, 2016.

7. Asset Impairments

During the fourth quarter of 2016, as we updated our estimated future cash flows in connection with the preparation of our annual budget, it became apparent that delays in the completion of certain infrastructure projects combined with a reduction in long-term energy and capacity prices in NYISO and ISO-NE, would further reduce anticipated cash flows for the Athens and Millennium generation plants. We considered this to be an indicator that the carrying value of approximately $1.2 billion currently recorded for these plants, may not be recoverable, and as a result we performed a recoverability test. Based on the results of the recoverability test we concluded that the carrying amount of these plants was higher than the future estimated undiscounted cash flows expected to be generated by these plants and that they were impaired. During the fourth quarter of 2016 we recorded an impairment loss of approximately $763 million to adjust the carrying value of these plants to fair value. The fair value of these plants was determined by a proprietary discounted cash flow model which used certain unobservable Level 3 pricing inputs, including forecasted generation, forecasted operation, maintenance and capital expenditures and a market participant discount rate.

8. Debt

The Company is party to a First Lien Credit and Guaranty Agreement (Credit Agreement), as amended, with Beal Bank USA and certain of its affiliates. The $642 million Credit Agreement is comprised of a $160 million revolving credit facility, which provides the Company capacity available for revolving cash borrowings and issuance of up to $120 million of letters of credit, which in combination cannot exceed the capacity of the facility at any given time, and a $482 million first lien Term Loan B. Our debt is non-recourse to our indirect parents, Talen Corp and Talen Energy Supply.

At December 31, 2016, the following secured revolving credit facility was in place (in thousands):

	Expiration Date	Capacity	Borrowed	Letters of Credit Issued	Unused Capacity
Non-recourse debt	July 2021	$ 160,000	$ 107,953	$ 26,508	$ 25,539

The Company pays customary fees on the revolving credit facility and borrowings bear interest at 12-month LIBOR, plus an applicable margin. The weighted average interest rate applicable to the outstanding borrowings was 5.57% at December 31, 2016. Borrowings are recorded as "Short-term debt" on the Balance Sheet.

At December 31, 2016, the Term Loan B had an outstanding balance of $468,730 thousand and matures in 2022. The Term Loan B provides customary annual amortization paid quarterly and may also be repaid, in whole or in part, beginning in the third quarter of 2016 without any make-whole premium. The Term Loan B interest rate was 6.75% at December 31, 2016 based on the LIBOR for the period plus an applicable margin.

The aggregate maturities of long-term debt are as follows (in thousands):

2017	2018 (a)	2019	2020	2021	Thereafter	Total
$ 4,820	$ 4,820	$ 24,099	$ 48,198	$ 48,198	$ 338,595	$ 468,730

(a) Reflects the impact of the March 2017 amendment to the Credit Agreement discussed below whereby the 2018 principal amortization was changed.

Obligations under the Credit Agreement are guaranteed by each of the Company's subsidiaries and are secured by a first priority secured interest, subject to possible shared first lien status with certain permitted hedge and power sale agreements, in all the assets of the Company and each guarantor, including the equity interests in the Company and each guarantor, which assets collectively have an aggregate carrying value of approximately $492 million at December 31, 2016.

The Credit Agreement requires that proceeds from borrowings, the receipt of revenue, debt service payments, and the payments for certain categories of expenses each be segregated in separate bank accounts. Under the terms of a depositary agreement (the Security Deposit Agreement), the Company has established the required bank accounts and has pledged all its rights, title, and interest in the bank accounts as security for its payment obligations under the Credit Agreement. In addition, the Security Deposit Agreement provides for a cash sweep on the last business day of March of each calendar year until the discharge of the First and Second Lien obligations. The application of the funds from the cash sweep is prioritized based on certain provisions outlined within the Security Deposit Agreement. The Credit Agreement also contains certain limitations on incurrence of liens, additional debt, sale of assets, capital expenditures, and other customary restrictive covenants, but does not include financial ratio covenants.

In March 2017, we executed an amendment to the Credit Agreement which, among other things, (i) modified the conditions precedent to borrowings under the revolving credit facility such that New MACH Gen may draw on the revolver through the end of 2017 without making certain representations and warranties, (ii) reduced the principal amortization payments on the Term Loan B for 2018, (iii) reduced the overall letter of credit capacity to $50 million, (iv) implemented certain limitations with respect to incurring overhead costs, (v) provided additional flexibility to engage in economic hedging of commodity price risk, (vi) increased the extent of the annual cash sweep, and (vii) provided for an amendment fee payable by New MACH Gen to the lenders under the credit facility.

9. Fair Value

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). A market approach (generally, data from market transactions), an income approach (generally, present value techniques and option-pricing models), and/or a cost approach (generally, replacement cost) are used to measure the fair value of an asset or liability, as appropriate. These valuation approaches incorporate inputs such as observable, independent market data and/or unobservable data that management believes are predicated on the assumptions market participants would use to price an asset or liability. These inputs may incorporate, as applicable, certain risks such as nonperformance risk, which includes credit risk. The fair value of a group of financial assets and liabilities is measured on a net basis. For the successor, transfers between levels are recognized at end-of-reporting-period values.

We classify fair value measurements within one of three levels in the fair value hierarchy. The level assigned to a fair value measurement is based on the lowest level input that is significant to the fair value measurement in its entirety. The three levels of the fair value hierarchy are as follows:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities that are accessible at the measurement date. Active markets are those in which transactions for the asset or liability occur with sufficient frequency and volume to provide pricing information on an ongoing basis.

Level 2: inputs other than quoted prices included within Level 1 that are either directly or indirectly observable for substantially the full term of the asset or liability. This category includes natural gas forwards, gas index physicals and gas basis swaps at December 31, 2015.

Level 3: unobservable inputs that management believes are predicated on the assumptions market participants would use to measure the asset or liability at fair value.

Assessing the significance of a particular input requires judgment that considers factors specific to the asset or liability. As such, the Company's assessment of the significance of a particular input may affect how the assets and liabilities are classified within the fair value hierarchy.

Recurring Fair Value Measurements

The carrying amounts of cash and restricted cash are equal to, or approximate, their fair values due to the short-term maturity of those instruments and they are classified as Level 1 within the fair value hierarchy.

Nonrecurring Fair Value Measurements

See Note 7 for information on nonrecurring fair value measurements related to the impairments of long-lived assets.

Financial Instruments Not Recorded at Fair Value

Considering the substantial doubt about our ability to continue as a going concern, the fair value of the Company's outstanding revolving credit facility borrowings and its Term Loan B at December 31, 2016 approximate the net carrying value of the property, plant and equipment which secure the borrowings, and which were written down to fair value at the balance sheet date following the impairment charge. See Note 3 for additional information on Going Concern.

Concentrations of Credit Risk

Financial instruments that potentially subject the Company to concentrations of credit risk consist primarily of restricted cash and accounts receivable. Restricted cash accounts are generally held in federally insured banks. Accounts receivable are primarily with an affiliate under an energy management and marketing agreement (EMA). See Note 12 for additional information on related party transactions.

10. Commitments and Contingencies

Facility Contract Commitments

Operations and Maintenance Service Agreements

The Company's subsidiaries are party to separate long-term operations and maintenance agreements (O&M Agreements) with NAES Corporation (NAES). Pursuant to the terms of the agreements, NAES is required to operate and maintain each of the Company's three power plants. The Company's subsidiaries pay NAES a fixed annual management fees, an incentive bonus, and reimburses NAES for all labor costs, including payroll and taxes, subcontractor costs, and other costs deemed reimbursable under the O&M Agreement. The management fees are adjusted annually based on specified indices published by the U.S. government. Management fees totaled approximately $1 million for December 31, 2016. The O&M Agreements expire on December 31, 2017.

Energy Management and Marketing Agreements

See Note 12 for information related to an Energy Management and Marketing Agreement with our affiliate, Talen Energy Marketing.

New Athens and Millennium

New Athens and Millennium were each party to an Energy Management and Marketing Agreement (the EMA) with Consolidated Edison Energy, Inc. (Con Ed). Under each agreement, Con Ed provided energy, fuel, and risk management services for New Athens and Millennium. Furthermore, Con Ed sold all the electrical output on behalf of New Athens and Millennium and scheduled all the natural gas utilized in the operations.

The Con Ed EMAs with Athens and Millennium expired in September and November 2016, respectively. Management fees of approximately $1 million were incurred under the Con Ed EMAs from the beginning of 2016 through the expiration of the respective agreements.

New Harquahala

New Harquahala was party to an Energy Management Agreement (the EMA) with Twin Eagle Resource Management (Twin Eagle), pursuant to which Twin Eagle provided energy, fuel, and risk management services for New Harquahala. Under the agreement, Twin Eagle sold the electrical output on behalf of New Harquahala and scheduled the natural gas utilized in operations. The monthly fee was equal to the greater of a minimum fee or a fixed percentage of the gross margin of New Harquahala based on managed MWh.

Management fees of approximately $184 thousand for the period were incurred under the Twin Eagle EMA from the beginning of 2016 through the expiration of the agreement in June 2016.

Tax Agreements

During construction of the New Athens Facility, New Athens transferred its ownership interest in the land and improvements on which the facility was being constructed to the Greene County Industrial Development Agency (IDA) in return for certain tax exemptions and deferrals. IDA then leased the land and improvements back to New Athens under a lease agreement (the Lease Agreement). In connection with this transaction, New Athens entered into a Payment in Lieu of Tax Agreement (the Athens PILOT), which requires New Athens to make periodic payments in lieu of taxes to the local taxing authorities. These payments are recorded as operation and maintenance expenses on the consolidated Statement of Operations. New Athens is required to make the following payments under the Athens PILOT (in millions):

2017	2018	2019	2020	2021	Thereafter
4.9	5.1	5.3	5.3	5.3	6.8

Under the Lease Agreement, New Athens is required to make payments of approximately $17 thousand per month for 20 years at which point the assets are transferred back to New Athens. New Athens expenses these costs as they are incurred.

The obligations of New Athens to make payments under the PILOT are secured in part by a first mortgage granted to the IDA by New Athens in the amount of $5.5 million. The Athens PILOT payments and certain payments under the Lease Agreement are also secured by a letter of credit issued by the Company in favor of the IDA in the amount of $9.9 million.

New Athens pays a special district tax charge to the West Athens Lime Street Fire District. The fire district tax charges are based on the Town of Athens' assessed value of the facility. Starting in 2005, these fire district tax charges are $0.1 million per year and escalate at a rate of 3% per annum through 2023.

Millennium also has PILOT arrangements with the Town of Charlton, Massachusetts and the Town of Southbridge, Massachusetts. Under the terms of these PILOTs, Millennium received certain tax exemptions and deferrals and access to treated wastewater and potable water for use by Millennium and the disposal of wastewater from the Millennium facility. The term of the PILOTs extends through the year 2021. Pursuant to the PILOTs, Millennium is required to make the following estimated PILOT payments (in millions):

2017	2018	2019	2020	2021	Thereafter
2.0	2.0	2.0	2.0	1.3	—

The Town of Charlton fees were $700 thousand for December 31, 2016. Fees paid to the Town of Southbridge are adjusted annually based on specified indices published by the United States government. The Town of Southbridge fees were $80 thousand for the year ended December 31, 2016.

Transportation Contracts

New Athens has a gas transportation contract for firm reserved service with Iroquois. The terms of the contract permit New Athens to receive firm natural gas transportation service for up to 70,000 dekatherms of natural gas per day. New Athens is required to pay a rate per dekatherm of natural gas based on Iroquois's current Federal Energy Regulatory Commission (FERC) gas tariff. The contract is effective until September 1, 2018, and year to year thereafter unless terminated by either party within 12 months by providing written notice. New Athens incurred and expensed costs of approximately $4.9 million for the year ending December 31, 2016.

Electric Interconnection

New Harquahala has an Interconnection Agreement with Arizona Public Service Company, the City of Los Angeles by and through the Department of Water and Power, El Paso Electric Company, Public Service Company of New Mexico, Salt River Project Agricultural Improvement and Power District, Southern California Public Power Authority, and Southern California Edison. The agreement provides for the interconnection of the New Harquahala facility with the 500 kV transmission system at the Hassayampa Switchyard and requires New Harquahala to pay a pro rata share of the ongoing operation and maintenance costs associated with the Hassayampa Switchyard. Approximately $1 million was included in operations and maintenance expense for the year ended December 31, 2016.

Parts Supply and Services Agreement

The Company's subsidiaries are party to amended Combustion Turbine Parts Supply and Services Agreements (Amended LTSAs) with Siemens Power Generation, Inc. (Siemens), which expire at the earlier of (a) the date on which a covered turbine unit has completed its final scheduled outage since the effective date of the agreement or (b) the Amended LTSA's expiration date.

Fees incurred under the Amended LTSAs comprised primarily of (i) a variable quarterly fee based upon the covered unit's operational parameters, (ii) a fixed quarterly management fee, and (iii) service fees associated with certain planned outages. All fees are adjusted annually based upon specified indices published by the United States government. In addition, the Company can be obligated to make additional payments to Siemens, if the Company undertakes scheduled outages (as defined in the Amended LTSA) before an agreed amount of variable fees has been incurred or the units did not meet minimum operating hours.

These costs are capitalized to Property, plant and equipment on the Balance Sheet.

Leases and Supply Agreements

New MACH Gen and its subsidiaries have entered into various agreements for the lease of water storage and other equipment. At December 31, 2016, our most significant lease, which expires in 2024, relates to water storage equipment.

Rent expense for the year ended December 31, 2016 was $418 thousand.

Total future minimum rental payments for all operating leases are estimated to be (in thousands):

2017	2018	2019	2020	2021	Thereafter	Total

During construction of the Millennium facility, Millennium entered into an agreement with the U.S. Army Corps of Engineers to construct an oil pipeline, water pipeline, and an access road through an area designated as wetlands. In connection with this agreement, the Company agreed to carry out environmental study recommendations and to restore or enhance certain wetlands and aquatic resources along the Quinebaug River. Under the terms of this agreement, the Company was required to pay $3 million for such costs of the studies, restoration, and enhancements over 10 years beginning in 2002. On December 1, 2011, the Company amended the agreement prior to its expiration. The amended agreement requires the Company to pay qualifying costs on demand up to its remaining obligation of approximately $3.0 million. The amended agreement expires at the earlier of payment of its entire obligation or upon expiration of the amendment through December 31, 2020. The Company recorded a liability in accrued expenses on the consolidated balance sheet in the amount of $2.5 million at December 31, 2016.

Legal and Regulatory Matters

From time-to-time in the ordinary course of its business the Company and/or its subsidiaries may be subject to legal proceedings, claims and litigation. While the outcome of these legal proceedings, claims and litigation is uncertain, the likely results are not expected, either individually or in the aggregate, to have a material adverse effect on the Company's financial condition or results of operations.

We are subject to regulation by federal and state agencies and commissions, as well as the ISOs in the various regions where we conduct business.

Environmental Matters

The Company's subsidiaries are subject to extensive federal, state and local environmental laws and regulations applicable to its air emissions, water discharges and the management of hazardous and solid waste, as well as other aspects of their business. In addition, many of these environmental considerations are also applicable to the operations of key suppliers, or customers, such as industrial power users, and may impact the cost for their products or their demand for the services. On occasion, the Company's subsidiaries may incur environmental fees, penalties and fines associated with the operation of their power plants. At the present time, the Company's subsidiaries do not have environmental violations or other matters that would have a material impact on the Company's financial condition, results of operations or cash flows or that would significantly change its operations.

At December 31, 2016, we determined a full valuation allowance of its net deferred tax asset is necessary. We will continue to assess all available evidence during future periods to evaluate any changes to the realization of its deferred tax assets. If we were to determine that the Company would be able to realize additional federal or state deferred tax assets in the future, we would make an adjustment to the valuation allowance which could reduce the provision for income taxes.

We will continue to maintain the valuation allowance until we are able to support a conclusion that it is no longer more likely than not that a portion of these net deferred tax assets will not be realized in future periods. There is currently no assurance of future income before taxes that would support realizability of deferred tax assets.

12. Related Party Transactions

Energy Management and Marketing Agreements

In 2016, upon expiration of the EMA with Con Ed and Twin Eagle (see Note 10), the New MACH Gen plants each entered into a new EMA with an affiliate, Talen Energy Marketing. Under the agreements, each plant pays $20 thousand per month for energy, management services, and Talen Energy Marketing is entitled to purchase all the electrical energy and capacity of the plants (net of facility requirements) and procures and delivers at market prices all the natural gas utilized in the operations of the plants. The amount payable by Talen Energy Marketing under the EMAs is the positive difference between prices received by Talen Energy Marketing from sales of energy, capacity and ancillary services from the plants over certain costs incurred by Talen Energy Marketing, including in respect of fuel supply. To the extent that such amount is negative, the applicable plant is not required to pay Talen Energy Marketing, but Talen Energy Marketing is entitled to deduct such amount from amounts payable to the applicable plant in future periods. Included in “Energy Revenues” on the Statement of Operations in 2016 is $131 million for the sales of electricity to Talen Energy Marketing and included in “Fuel and energy purchases” on the Statement of Operations is $75 million for fuel purchases from Talen Energy Marketing. The plants also incurred $240 thousand of fees for energy management services under the Talen Energy Marketing EMA which is included in "Operation and maintenance" on the Statement of Operations in

2016. A net receivable of approximately $9 million from the sales of electricity, net of fuel and fees for the plants is recorded in "Accounts receivable from affiliate" on the Balance Sheet at December 31, 2016.

Tax Sharing Agreement

In 2016 the Company participated in Talen Corp's intercompany tax sharing agreement which provides that taxable income be calculated as if each subsidiary of Talen Corp filed its own separate consolidated tax return. Tax benefits are not shared between companies. Under the agreement, the legal entity that generates a tax benefit is the entity that is entitled to the tax benefit and tax benefits are not shared between affiliate companies. Under the intercompany tax sharing agreement, the Company receives from (or pays to) Talen Corp the income tax expense or benefit that is utilized in the consolidated tax return of Talen Corp.

During the first nine months of 2016, the Company was paid approximately $16 million by Talen Corp for estimated tax benefits generated by the Company during that period. In March 2017, certain tax elections were made by MACH Gen which effectively eliminated the estimated tax benefit generated by New MACH Gen under the intercompany tax sharing agreement during the first nine months of 2016. As a result, the Company has recorded "Accounts payable to affiliate" of approximately $16 million, constituting the future refund to Talen Corp of overpayments to New MACH Gen under the tax sharing agreement, on the Balance Sheet at December 31, 2016.

The intercompany tax sharing agreement was terminated effective January 1, 2017. See Note 11 for additional information on income taxes.

Advance from Member

During the year ended December 31, 2016, MACH Gen advanced us approximately $14 million from its share of tax attributes under the Talen Corp intercompany tax sharing agreement to fund ongoing operations and seasonal working capital requirements. The receipt of this cash is reflected in "Accounts payable to affiliate" on the Balance Sheet at December 31, 2016, and as a financing activity on the Statement of Cash Flows for the year ended December 31, 2016.

13. Subsequent Events

The Company evaluated subsequent events through May 15, 2017, the date the financial statements are available to be issued, and determined that except for the amendment to the revolving credit facility discussed in Note 8 and termination of the tax sharing agreement discussed in Note 12, there were no other subsequent events to be reported.
