Debtors		
		·

To the best of my knowledge, the Debtors have made all required post-petition tax payments on a timely basis as it relates to all employee payroll related tax payments through August 23, 2013. The Debtors use a third party service for the remittance of employee payroll related tax payments through August 23, 2013. The Debtors have no employees subsequent to the sale effective August 23, 2012 and consequently, there are no employee payroll related tax payments in September 2013.

The Debtors filed the consolidated federal income tax returns in September 2012 and the required state income tax returns in October 2012. The Debtors are currently working with the IRS on an audit of the tax return filings from 2007 through 2010.
