Chapter 11

Case No. 16-10192 (MFW)

**SCHEDULE OF ASSETS AND LIABILITIES
FOR NUO THERAPEUTICS, INC. (CASE NO. 16-10192)**

GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY AND DISCLAIMER REGARDING SCHEDULES OF ASSETS AND LIABILITIES OF NUO THERAPEUTICS, INC.

The Schedules of Assets and Liabilities (collectively, the “Schedules”) and the Statements of Financial Affairs (collectively, the “Statements” and, together with the Schedules, the “Schedules and Statements”) filed by Nuo Therapeutics, Inc. (the “Debtor”) in this chapter 11 case (the “Chapter 11 Case”) in the United States Bankruptcy Court for the District of Delaware (the “Bankruptcy Court”) have been prepared pursuant to section 521 of title 11 of the United States Code (the “Bankruptcy Code”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”) by management of the Debtor with the assistance of its legal and financial advisors.

The Schedules and Statements have been prepared by the Debtor’s management exercising best efforts to ensure accuracy and completeness. The Schedules and Statements are unaudited and were prepared with data reasonably available as of February 25, 2016, or in the reasonable proximity thereof. These Global Notes and Statement of Limitations, Methodology and Disclaimer Regarding the Debtor’s Schedules and Statements (the “Global Notes”) are incorporated by reference in, and comprise an integral part of, the Schedules and Statements, and should be referred to and reviewed in connection with any review of the Schedules and Statements.

The Schedules and Statements have been signed by the Debtor’s Acting Chief Executive Officer and Acting Chief Financial Officer, David E. Jorden. In reviewing and signing the Schedules and Statements, Mr. Jorden has necessarily relied upon the efforts, statements and representations of other personnel and professionals of the Debtor. Mr. Jorden has not personally verified, and could not have personally verified, the accuracy of each such statement and representation, including statements and representations concerning amounts owed to creditors and their addresses.

I. Amendments to Schedules and Statements and General Reservation of Rights.

1) While the Debtor’s management has exercised best efforts to ensure that the Schedules and Statements are accurate and complete based on information that was available at the time of preparation, inadvertent errors or omissions may exist. The Debtor reserves the right to amend the Schedules and Statements from time to time as may be necessary or appropriate.

2) Without limiting anything else expressly reserved herein, the Debtor reserves the right to dispute, or to assert offset or defenses to any claim reflected in the Schedules and/or Statements as to amount, liability and/or classification. The Debtor also reserves all rights with respect to the values, amounts and characterizations of the assets and liabilities listed in its Schedules and Statements.

3) Nothing contained in the Schedules and Statements shall constitute a waiver of rights with respect to this Chapter 11 Case, including but not limited to, issues involving substantive consolidation, equitable subordination and/or causes of action arising under applicable sections of chapter 5 of the Bankruptcy Code and other applicable non-bankruptcy law to recover assets or avoid transfers.

II. Basis of Presentation. These Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles (“GAAP”) nor are they intended to fully reconcile to the financial statements otherwise prepared and/or distributed by the Debtor. The amounts set forth in the Schedules and Statements differ in some respects from the financial statements of the Debtor and are not a basis for drawing conclusions concerning the Debtor’s solvency or the specific dollar amount of disputed, contingent or unliquidated claims.

III. General Assumptions. The Debtor adopted the following conventions in the preparation of the Schedules and Statements:

1) Reporting Date. Unless otherwise indicated, all asset and liability information is listed as of January 26, 2016 (the “Petition Date”).

2) Book Value.

a) Assets and liabilities of the Debtor are shown on the basis of the book value of the asset or liability in the Debtor’s accounting books and records, unless otherwise noted, rather than the current market values of such interests in property and/or liabilities. Exceptions to this include certain tax claims. Accordingly, the Debtor reserves all of its rights to amend or adjust the value of each asset set forth herein.

b) Amounts shown for total liabilities exclude items that are designated as “unliquidated” or identified as “unknown” or “undetermined” and, thus, ultimate liabilities may differ materially from those stated in the Schedules and Statements.

3) Non-Debtor Entities. Except as noted, none of the amounts, claims or contracts in the Schedules and Statements refers to Aldagen Inc. (“Aldagen”), which is a non-debtor subsidiary of the Debtor.

4) Payments. Where specific payment dates are indicated in the Schedules and Statements, they relate to one of the following: (a) the date of a wire transfer, (b) the date of an Automated Clearing House (“ACH”) payment, (c) the date of another form of electronic payment, or (d) the check-issuance date. In addition, the Debtor made several payments to vendors by credit card in the ordinary course of business, including for the benefit of employees as payment of business expenses. The individual creditors receiving these payments are not listed; rather, these payments are listed under the name of the credit-card issuer.

5) Addresses for Individuals. In instances where current or former employees, officers, directors or other similar individuals are listed in the Schedules and Statements, the Debtor’s principal mailing address is shown as the address of record in order to protect the privacy of those individuals.

6) Estimates. To prepare and file the Schedules and Statements after the Petition Date, management was required to make certain estimates and assumptions that affected the reported amounts of these assets and liabilities.

7) Causes of Action. Despite its reasonable efforts to identify all known assets, the Debtor may not have set forth all of its causes of action or potential causes of action against third parties as assets in its Schedules and Statements, including, but not limited to, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions under other relevant non-bankruptcy law to recover assets. As discussed above, the Debtor reserves all of its rights with respect to any claims, causes of action or avoidance actions it may have and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such claims, causes of action or avoidance actions or in any way prejudice or impair the assertion of such claims, causes of action or avoidance actions.

8) Property and Equipment – owned. Property and equipment is stated at cost less accumulated depreciation and is depreciated, using the straight-line method, over its estimated useful life

ranging from three to five years for all assets except for furniture, lab, and manufacturing equipment which is depreciated over seven and ten years, respectively. Leasehold improvements are stated at cost less accumulated depreciation and is depreciated, using the straight-line method, over the lesser of the expected lease term or its estimated useful life ranging from three to six years. Amortization of leasehold improvements is included in depreciation expense. Maintenance and repairs are charged to operations as incurred. When assets are disposed of, the cost and related accumulated depreciation are removed from the accounts and any gain or loss is included in other income (expense).

9) Trade Accounts Receivable and Accounts Payable. Trade accounts receivable are presented net of an allowance for doubtful accounts, but without consideration for any liabilities related to mutual counterparty accounts payable, open or terminated contract liabilities, liquidated damages, setoff rights or collateral held by the Debtor, unless otherwise stated. Likewise, accounts payable are shown without consideration for accounts receivable, open or terminated contracts, liquidated damages, setoff rights or collateral that has been posted on behalf of the counterparty.

10) Claims Description. The Debtor's decision to designate a claim listed on the Debtor's Schedules as "disputed," "contingent" or "unliquidated" is subject to review at any time as permitted by the Bankruptcy Code. The Debtor reserves the right to subsequently amend its Schedules to designate a claim as "disputed," "contingent" or "unliquidated" in the event the Debtor determines that such claim is disputed, or subject to setoff rights, counterclaims or defenses as to amount, liability or classification.

11) Court Orders. On January 28, 2016, the Court entered orders authorizing, but not directing, the Debtor to pay, among other things, certain prepetition wages, salaries and benefits (Docket No. 33), certain trust-fund taxes (Docket No. 35), certain insurance payments (Docket No. 36) and certain critical-vendor payments (Docket No. 39). Where the Schedules list creditors and set forth the Debtor's scheduled amount of such claims, such scheduled amounts reflect amounts owed as of the Petition Date, not adjusted for any postpetition payments made on account of such claims pursuant to the authority granted to the Debtor by the Bankruptcy Court. However, the estimate of claims set forth in the Schedules may not reflect assertions by the Debtor's creditors of a right to have such claims paid or reclassified under the Bankruptcy Code or Orders of the Bankruptcy Court.

12) Excluded Assets and Liabilities. The Debtor has excluded certain categories of assets and liabilities from the Schedules and Statements, such as goodwill, accrued salaries, employee-benefit accruals, accrued insurance expenses, deferred insurance expenses and deferred gains. Additionally, other immaterial assets and liabilities may also have been excluded.

13) Recharacterization. The Debtor has made reasonable efforts to correctly characterize, classify, categorize and designate the claims, assets, executory contracts, unexpired leases and other items reported in the Schedules and Statements. However, due to the complexity and size of the Debtor's business, the Debtor may have improperly characterized, classified, categorized or designated certain items. The Debtor thus reserves all of its rights to characterize, reclassify, recategorize or redesignate items reported in the Schedules and Statements at a later time as necessary or appropriate as additional information becomes available.

IV. Schedules of Assets and Liabilities.

1) Schedule A/B: Assets – Real and Personal Property.

a) Part 4: The Debtor's interest in non-debtor entity Aldagen is shown on an acquisition-method basis before any GAAP impairment charges due to the absence of a formal outside appraisal on the assets not related to accounting rules.

b) Part 10: Long-lived assets, such as purchased intangible assets subject to amortization, are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. If the carrying value of the long-lived asset is not recoverable on an undiscounted cash flow basis, impairment is recognized to the extent the carrying value exceeds its fair value. Fair value is determined through various valuation techniques including discounted cash flow models, quoted market values and third-party independent appraisals, as necessary. While the Debtor has not completed a financial audit for the year ending December 31, 2015, it is believed that circumstances subsequent to December 31, 2015 indicate that an impairment charge may be warranted. In the event of an audit of the 2015 financial statements, the Debtor intends to undergo the analysis to determine the amount of such impairment and it is the Debtor's intent to record an impairment charge as expeditiously as possible, if warranted.

c) Part 11: The Debtor lists its unused net operating loss (the "NOL") as reported in its Form 10-K as of December 31, 2014. Subsequent to the filing of 2014 10-K, a preliminary limited analysis was performed, which indicated that the 2014 NOL could possibly be limited to approximately \$105.7 million. The Debtor has not completed a financial audit for the year ending December 31, 2015, but it is believed that such an audit will change the value of the 2015 NOL.

2) Schedule D: Creditors Who Have Claims Secured By Property.

a) Except as otherwise agreed pursuant to a stipulation, agreed order or general order entered by the Bankruptcy Court, the Debtor reserves the right to dispute or challenge the validity, perfection or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D. Moreover, although the Debtor may have scheduled claims of various creditors as secured claims, the Debtor reserves all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument (including, without limitation, any intercompany agreement) related to such creditor's claim. The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in the Global Notes and/or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements.

b) Except as specifically stated herein, real property sublessors, utility companies and other parties that may have lien rights on certain assets have not been listed on Schedule D.

c) The claim amount for Deerfield Mgmt. L.P. and certain affiliates ("Deerfield") is listed as disputed due to the currently unresolved allocation of value of Deerfield's pre-petition secured claim between its senior secured convertible notes and its stock-purchase warrants.

3) Schedule E/F: Creditors Who Have Unsecured Claims.

a) General

- i. Certain of the scheduled amounts reflect amounts owed as of the Petition Date are not adjusted for any postpetition payments made on account of such claims pursuant to the authority granted to the Debtor by the Bankruptcy Court.
- ii. Many of the claims listed arose or were incurred on various dates. In certain instances, the date on which a claim arose is an open issue of fact. Although reasonable efforts have been made to identify the date of incurrence of each claim, determination of each date upon which each claim was incurred or arose would be unduly burdensome and cost prohibitive and, therefore, the Debtor does not list dates for certain claims listed on Schedule E/F.
- iii. Any discrepancy between Schedule E/F and the list of the Debtor's top 30 creditors attached to the Debtor's petition results from the continued examination and analysis of the Debtor's books and records following the Petition Date.

b) Part 1: Creditors with Priority Unsecured Claims

- i. Claim amounts are broken into two categories: "Total claim" and "Priority amount". The aggregate amounts listed for Schedule E/F in the Summary of Schedules for the Debtor reflects the total claim amount. In instances where the total claim amount is greater than the priority amount, the difference appears as a nonpriority unsecured claim in Part 2 of Schedule E/F. The Debtor reserves the right to take the position that any claim listed on this schedule is not entitled to priority.
- ii. The Debtor is seeking to sell substantially all of its assets. To the extent that such a sale closes, the amount of the Debtor's priority unsecured claims may be significantly reduced. The Debtor reserves the right to amend the amount of such claims under such circumstances.

c) Part 2: Creditors with Nonpriority Unsecured Claims

- i. Part 2 does not include certain deferred charges, deferred liabilities or general reserves. Such amounts are general estimates of liabilities and do not represent specific claims as of the Petition Date.
- ii. The claims of individual creditors for, among other things, goods and services are listed in the amounts listed on the Debtor's books and records and may not reflect credits or allowances due

from such creditor. The Debtor reserves all rights respecting such credits or allowances.

4) Schedule G: Executory Contracts and Unexpired Leases.

a) Although reasonable efforts have been made to ensure the accuracy of Schedule G, inadvertent errors, omissions or overinclusion may have occurred. The Debtor hereby reserves all of its rights to dispute the validity, status or enforceability of any contract or other agreement set forth in Schedule G that may have expired or may have been modified, amended and/or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters or other documents, instruments or agreements which may not be listed therein. It is possible that some of the contracts or agreements listed on Schedule G have expired or otherwise terminated pursuant to their terms since the Petition Date. The presence of a contract or agreement on Schedule G does not constitute an admission by the Debtor that such contract or agreement is an executory contract or unexpired lease.

b) Certain of the leases and contracts listed on Schedule G may contain certain purchase orders, amendments, restatements, waivers and other miscellaneous rights that are embedded in the Debtor's agreements. Such rights, powers, duties and obligations are not set forth separately on Schedule G. Certain of the executory agreements may not have been memorialized and could be subject to dispute. Schedule G may not include certain stand-alone purchase orders for goods, services or equipment, nondisclosure agreements or volume penalty agreements. The Debtor reserves all rights with respect to any agreements that are not included on Schedule G.

c) The Debtor reserves all of its rights, claims and causes of action with respect to the contracts and agreements listed on Schedule G, including the right to dispute or challenge the characterization or the structure of any transaction, or any document or instrument (including, without limitation, any intercompany agreement) related to a creditor's claim.

d) Omission of a contract or agreement from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. The Debtor's rights under the Bankruptcy Code with respect to any such omitted contracts or agreements are not impaired by their omission. Schedule G may be amended at any time to add any omitted contract or agreement.

e) For the purposes of Schedule G, contracts have been listed only where the Debtor is an actual party to the contract. The omission of any contract from Schedule G to which the Debtor is an intended beneficiary shall not constitute a waiver of any rights the Debtor may have in that contract, including the right to enforce such contract or the right to recover damages in the event that there is a breach of such contract.
