Jointly Administered

**GLOBAL NOTES, METHODOLOGY AND SPECIFIC
DISCLOSURES REGARDING THE DEBTORS' SCHEDULES OF
ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

Introduction

New Gulf Resources, LLC, NGR Texas, LLC, NGR Finance, LLC, NGR Holdings, LLC, (each a “Debtor” and collectively, the “Debtors”) with the assistance of their advisors, have filed their respective Schedules of Assets and Liabilities (the “Schedules”) and Statements of Financial Affairs (the “Statements,” and together with the Schedules, the “Schedules and Statements”) with the United States Bankruptcy Court for the District of Delaware (the “Bankruptcy Court”), pursuant to section 521 of title 11 of the United States Code (the “Bankruptcy Code”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”).

These Global Notes, Methodology, and Specific Disclosures Regarding the Debtors’ Schedules of Assets and Liabilities and Statements of Financial Affairs (the “Global Notes”) pertain to, are incorporated by reference in, and comprise an integral part of each Debtor’s Schedules and Statements. The Global Notes should be referred to, considered, and reviewed in connection with any review of the Schedules and Statements.

The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States (“GAAP”), nor are they intended to be fully reconciled with the financial statements of each Debtor (whether publically filed or otherwise). Additionally, the Schedules and Statements contain unaudited information that is subject to further review and potential adjustment, and reflect the Debtors’ reasonable efforts to report the assets and liabilities of each Debtor on an unconsolidated basis.

In preparing the Schedules and Statements, the Debtors relied upon information derived from their books and records that was available at the time of such preparation. Although the Debtors have made reasonable efforts to ensure the accuracy and completeness of such financial

¹ The Debtor entities in this case are: New Gulf Resources, LLC, NGR Texas, LLC, NGR Finance, LLC, and NGR Holdings, LLC. The Debtors’ mailing address is 10441 S. Regal Blvd, Suite 210 Tulsa, OK 74133.

information, inadvertent errors or omissions, as well as the discovery of conflicting, revised, or subsequent information, may cause a material change to the Schedules and Statements.

The Debtors and their officers, employees, agents, attorneys and financial advisors do not guarantee or warrant the accuracy or completeness of the data that is provided in the Schedules and Statements and shall not be liable for any loss or injury arising out of or caused in whole or in part by any act or omission, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating or delivering the information contained in the Schedules and Statements. Except as expressly required by the Bankruptcy Code, the Debtors and their officers, employees, agents, attorneys and financial advisors expressly do not undertake any obligation to update, modify, revise or re-categorize the information provided in the Schedules and Statements or to notify any third party should the information be updated, modified, revised or re-categorized.

The Schedules and Statements have been signed by an authorized representative of each Debtor. In reviewing and signing the Schedules and Statements, this representative relied upon the efforts, statements and representations of the Debtors' other personnel and professionals. The representative has not (and could not have) personally verified the accuracy of each such statement and representation, including, for example, statements and representations concerning amounts owed to creditors and their addresses.

Global Notes and Overview of Methodology

- 1. Reservation of Rights.** Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, inadvertent errors or omissions may exist. The Debtors reserve all rights to amend or supplement the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate, including, without limitation, the right to amend the Schedules and Statements with respect to claim ("Claim") description, designation, or Debtor against which the Claim is asserted; dispute or otherwise assert offsets or defenses to any Claim reflected in the Schedules and Statements as to amount, liability, priority, status, or classification; subsequently designate any Claim as "disputed," "contingent," or "unliquidated;" or object to the extent, validity, enforceability, priority, or avoidability of any Claim. Any failure to designate a Claim in the Schedules and Statements as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtors that such Claim or amount is not "disputed," "contingent," or "unliquidated." Listing a Claim does not constitute an admission of liability by the Debtor against which the Claim is listed or against any of the Debtors. Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of rights with respect to the Debtors' chapter 11 cases, including, without limitation, issues involving Claims, substantive consolidation, defenses, equitable subordination, recharacterization, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph. The actual value for any asset or liability may be different than what is reflected in the Debtors' books and records or the Schedules and Statements and the Debtors' reserve the right to have the Bankruptcy Court determine such value.

- Description of Cases and “as of” Information Date.** On December 17, 2015 (the “Petition Date”), the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code. The Debtors are operating their business and managing their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On December 18, 2015, the Bankruptcy Court entered an order directing procedural consolidation and joint administration of the Debtors’ chapter 11 cases [Docket No. 33].

The asset information provided in the Schedules and Statements, except as otherwise noted, represents the asset data of the Debtors as of November 30, 2015, and the liability information provided herein, except as otherwise noted, represents the liability data of the Debtors as of December 17, 2015.

- Net Book Value of Assets.** It would be prohibitively expensive, unduly burdensome, and an inefficient use of estate assets for the Debtors to obtain current market valuations for each of their assets. Accordingly, unless otherwise indicated, the Debtors’ Schedules and Statements reflect the net book value of an asset as of November 30, 2015. Furthermore, as applicable, assets that have fully depreciated or were expensed for accounting purposes may not be reflected in the Schedules and Statements as they have no net book value. The Debtors reserve their right to amend or adjust the value of each asset or liability set forth herein. Further, the Debtors’ records do not allocate all costs to individual oil and gas properties nor do they allocate all of the reductions in asset values due to depreciation, depletion and mark-to-market adjustments to the individual oil and gas properties. The book values reflect the amount reflected in the Debtors’ records for those properties.
- Recharacterization.** Notwithstanding the Debtors’ reasonable efforts to properly characterize, classify, categorize or designate certain Claims, assets, executory contracts, unexpired leases and other items reported in the Schedules and Statements, the Debtors may, nevertheless, have improperly characterized, classified, categorized or designated, or omitted certain items. Accordingly, the Debtors reserve all of their rights to recharacterize, reclassify, recategorize, redesignate, add or delete items reported in the Schedules and Statements at a later time as is necessary or appropriate as additional information becomes available.
- Real Property and Personal Property–Leased.** In the ordinary course of their business, the Debtors lease real property, hold rights to oil, gas and mineral interests (which are severed from the realty under which they are situated) and various articles of personal property, including vehicles, fixtures, and equipment, from certain third-party lessors. The Debtors have made reasonable efforts to list all such leases in the Schedules and Statements. However, nothing in the Schedules or Statements is or shall be construed as an admission or determination as to the legal status of any lease (including whether to assume and assign or reject such lease or whether it is a true lease or a financing arrangement), and the Debtors reserve all of their rights with respect to all such issues.
- Excluded Assets and Liabilities.** The Debtors have sought to allocate liabilities between the prepetition and post-petition periods based on the information and research conducted in connection with the preparation of the Schedules and Statements. As additional information

becomes available and further research is conducted, the allocation of liabilities between the prepetition and post-petition periods may change.

The Schedules do not reflect any analysis of Claims under section 503(b)(9) of the Bankruptcy Code. Accordingly, the Debtors reserve all of their rights to dispute or challenge the validity of any asserted Claims under section 503(b)(9) of the Bankruptcy Code or the characterization of the structure of any such transaction or any document or instrument related to any creditor's Claim.

The Debtors have excluded certain categories of assets, tax accruals, and liabilities from the Schedules and Statements, including, without limitation, goodwill, accrued salaries, employee benefit accruals, and deferred gains. In addition, certain immaterial assets and liabilities may have been excluded.

The Bankruptcy Court has authorized the Debtors to pay, in their discretion in the ordinary course of business, certain prepetition Claims on a post-petition basis.

7. **Insiders.** Solely, for purposes of the Schedules and Statements, the Debtors define "insiders" to include the following: (a) directors; (b) senior level officers, (c) equity holders holding in excess of 5% of the voting securities of the Debtor entities; (d) Debtor affiliates; and (e) relatives of any of the foregoing (to the extent known by the Debtors). Entities listed as "insiders" have been included for informational purposes and their inclusion shall not constitute an admission that those entities are insiders for purposes of section 101(31) of the Bankruptcy Code.
8. **Intellectual Property Rights.** The exclusion of any intellectual property shall not be construed as an admission that such intellectual property rights have been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction. Accordingly, the Debtors reserve all of their rights with respect to the legal status of any and all such intellectual property rights.
9. **Executory Contracts and Unexpired Leases.** Although the Debtors have made diligent attempts to attribute executory contracts and unexpired leases to the Debtor counter-party to such agreements, in certain instances, the Debtors may have inadvertently failed to do so. Accordingly, the Debtors reserve all of their rights with respect to the legal status of any and all such contracts and leases.

Moreover, the Debtors have not set forth executory contracts and unexpired leases as assets in the Schedules and Statements, even though these contracts and leases may have some value to the Debtors' estates.
10. **Materialman's/Mechanic's Liens.** The assets listed in the Schedules and Statements are presented without consideration of any oil and gas purchaser, mineral contractor, materialman's or mechanic's liens.
11. **Classifications.** Listing a Claim, contract or lease on (a) Schedule D as "secured," (b) Schedule E/F, Part 1 as "priority unsecured," (c) Schedule E/F, Part 2 as "Non-priority unsecured," or (d) Schedule G as "executory" or "unexpired," does not constitute an

admission by the Debtors of the legal rights of the Claimant, or a waiver of the Debtors' rights to recharacterize or reclassify such Claims or contracts or leases or to setoff against such Claims.

12. Causes of Action. Despite their reasonable efforts to identify all known assets, the Debtors may not have listed all of their causes of action or potential causes of action against third-parties as assets in the Schedules and Statements, including, without limitation, causes of actions arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. The Debtors reserve all of their rights with respect to any cause of action (including avoidance actions), controversy, right of setoff, cross-Claim, counter-Claim, or recoupment and any Claim on contracts or for breaches of duties imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertable directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law, or in equity, or pursuant to any other theory of law (collectively, "Causes of Action") they may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any Claims or Causes of Action or in any way prejudice or impair the assertion of such Claims or Causes of Action.

13. Intercompany Accounts:

In the ordinary course of business, the Debtors engage in routine business relationships with each other (the "Intercompany Transactions") resulting in intercompany receivables and payables (the "Intercompany Claims"), which are described more fully in the Debtors' "first-day" cash management motion [*see* Docket No. 5], and which also include amounts allocated from the purchase price of acquired assets. Many receipt and disbursement transactions result in one or more corresponding Intercompany Transactions, and these most frequently occur either as (i) revenues are received and deposited into the JPMorgan Account and recorded as cash on the books of New Gulf and credited, as and when applicable, to the intercompany account of NGR Texas, LLC, or (ii) disbursements are made from the MidFirst or JP Morgan account to pay expenses or other obligations to New Gulf Resources, LLC, and NGR Texas, LLC, as and when applicable. As of November 30, 2015, the intercompany balance between New Gulf Resources, LLC and NGR Texas, LLC was \$158,270.80.

14. Summary of Significant Reporting Policies. The following is a summary of significant reporting policies:

- a. Undetermined Amounts. The description of an amount as "unknown," "TBD," "undetermined," or similar indication is not intended to reflect upon the materiality of such amount.
- b. Totals. All totals that are included in the Schedules and Statements represent totals of all known amounts. To the

extent there are unknown or undetermined amounts, the actual total may be different than the listed total.

- c. Liens. The value of assets listed in the Schedules and Statements are presented without consideration of any liens that may attach (or have attached) to such property and equipment.

15. Currency. All amounts are reflected in U.S. dollars.

16. Setoffs. The Debtors incur certain offsets and other similar rights during the ordinary course of business. Offsets in the ordinary course most frequently result from the deduction of lease operating expenses and joint interest billings from oil and gas revenue, but can also result from various other items, including, without limitation, pricing discrepancies, returns, refunds, warranties, debit memos, credits, and other disputes between the Debtors and their suppliers, joint operating agreement counterparties and/or customers. These offsets and other similar rights are consistent with the Debtors' ordinary course of business. Therefore, although such offsets and other similar rights may have been accounted for when certain amounts were included in the Schedules, offsets may not have been independently accounted for, and as such, offsets occurring in the ordinary course of business are excluded from the Debtors' Schedules and Statements.

17. Employee Addresses. Employee addresses have been removed from entries listed on Schedules E/F and G and the Statements, as applicable, and are listed care of the Debtors' headquarters address. These addresses are available upon request of the Office of the United States Trustee or order of the Bankruptcy Court.

18. Global Notes Control. If the Schedules and Statements differ from these Global Notes, the Global Notes shall control.

Specific Disclosures with Respect to the Debtors' Schedules

Schedule A/B.

Part 1, Question 3. Cash values held in financial accounts are listed on Schedule A/B, Part 1, Question 3 as of December 17, 2015. Although the Debtor has listed two Certificates of Deposit as financial accounts, these are escrow accounts required by law in Texas and Oklahoma for Surface Damage Bonding and Operator Licensing by the Texas Railroad Commission.

Schedule A/B, Part 4, Question 15. The value of ownership interests in subsidiaries have been listed in Schedule A/B, Part 4, Question 15, as unknown. The Debtors' current chapter 11 plan ascribes no equity value to the various subsidiary-Debtors.

Schedule A/B, Part 9. The Debtors record as real property all costs of acquisition, exploration, exploitation, and development of oil, natural gas liquids ("NGL") and natural gas reserves (including such costs as leasehold acquisition costs, geological expenditures, dry hole costs, tangible and intangible exploration and development costs, which may

include personal property that remains in the possession of the Debtors, and direct internal costs) and the cost to acquire, explore for and develop oil, NGL and natural gas properties. The Debtors ownership of any real property is reported on Schedule A/B for New Gulf Resources, LCC and NGR Texas, LLC, the record holder(s) of the underlying oil and gas leases.

Schedule A/B, Part 11, Question 73. The Debtors maintain certain insurance policies. The Debtors have identified the pre-paid premium amounts for such insurance programs on Schedule A/B, Part 11, Question 73 for New Gulf Resources, LLC.

Schedule A/B, Part 11, Questions 74. In the ordinary course of their business, the Debtors may have accrued, or may subsequently accrue, certain rights to counter-Claims, setoffs, refunds, or potential warranty Claims against their suppliers. Additionally, certain of the Debtors may be a party to pending litigation in which the Debtors have asserted, or may assert, Claims as a plaintiff or counter-Claims as a defendant. Where such Claims are either unknown to the Debtors, not quantifiable, or both, they are not listed on Schedule A/B, Part 11, Questions 74.

Schedule A/B, Part 11, Questions 74-75. The Debtors' failure to list any contingent and/or unliquidated Claim or Cause of Action held by the Debtors in response to this question shall not constitute a waiver, release, relinquishment, or forfeiture of such Claim or cause of action.

Schedule D. The Claims listed on Schedule D arose or were incurred on various dates; a determination of the date upon which each Claim arose or was incurred would be unduly burdensome and cost prohibitive. Accordingly, not all such dates are included. All Claims listed on Schedule D, however, appear to have been incurred before the Petition Date.

Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent, and priority of liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements. Further, real property lessors, utility companies, and other parties that may hold security deposits have not been listed on Schedule D. The Debtors reserve all of their rights to amend Schedule D to the extent that the Debtors determine that any Claims associated with such agreements should be reported on Schedule D. Nothing herein shall be construed as an admission by the Debtors of the legal rights of the Claimant or a waiver of the Debtors' rights to recharacterize or reclassify such Claim or contract.

The Debtors have not included on Schedule D parties that may believe their Claims are secured through setoff rights, mechanics liens or other lien rights.

Schedule E/F, Part 1. The listing of any Claim on Schedule E/F does not constitute an admission by the Debtors that such Claim is entitled to priority treatment under 11 U.S.C. § 507. The Debtors reserve their right to dispute the priority status of any Claim on any basis.

As the operator for the Debtors' oil and gas leases, the Debtors have listed all potential tax claims arising out of business operations on the Schedules of New Gulf Resources, LLC despite

the fact that such amounts may ultimately be determined to be the obligation (or co-obligation) of one or more other Debtors.

Schedule E/F, Part 2. The Debtors have used reasonable efforts to report all general unsecured Claims against the Debtors on Schedule E/F, based upon the Debtors' books and records as of the Petition Date.

Although reasonable efforts have been made to identify the date each Claim on Schedule E/F was incurred or arose, the Debtor cannot guarantee the information is entirely inclusive and inadvertent errors or omissions, as well as the discovery of conflicting, revised, or subsequent information may arise which may uncover claims hereto unscheduled.

In the ordinary course of business, the Debtors incur obligations for royalties and severance taxes which, for royalties, they are required to pay to third-parties that hold an interest in the oil and gas leases that the Debtors hold and for which the Debtors serve as operator. The Debtors determine and pay the requisite royalty and tax amounts during an approximately 60-day cycle after each month-end, as applicable to the respective hydrocarbon product. As a result, the Debtors are unable to determine with specificity the amount owing for royalties and severance taxes for the month of November and the stub-period of December. Under the Debtors' "first-day" royalty owner and lease operating expense motion and related order [*see* Docket Nos. 7 & 38], the Debtors obtained authority to continue to honor these amounts in the ordinary course. The Debtors believe that all such amounts that are not in dispute have been or will be paid in the ordinary course, except for amounts which have or will be placed into "suspense" status because the Debtors are unable to identify the appropriate payee. The Debtors have listed royalty holders on Schedule E/F and the amounts believed to be owed as of the Petition Date, however, in an abundance of caution the Debtors have also included all parties that have received royalty payments in the prior three-year period in their creditor matrix and such parties will receive notice of any bar date established in these cases.

As the operator for the Debtors' oil and gas leases, the Debtors have listed all potential general unsecured claims arising out of business operations on the Schedules of New Gulf Resources, LLC despite the fact that such amounts may ultimately be determined to be the obligation (or co-obligation) of one or more other Debtors.

Schedule G. Although reasonable efforts have been made to ensure the accuracy of each Debtor's Schedule G, inadvertent errors may have occurred. Certain information, such as the contact information of the counter-party, may not be included where such information could not be obtained using the Debtors' reasonable efforts. With respect to scheduled Operating Agreements, the Debtors have relied on their financial systems for the current working interest owners associated with all Operating Agreements.

Listing a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease that was in effect on the Petition Date or is valid or enforceable. The Debtors hereby reserve all of their rights to dispute the validity, status or enforceability of any contracts, agreements or leases set forth on Schedule G and to amend or supplement Schedule G as necessary. Certain of the leases and contracts

listed on Schedule G may contain certain renewal options, guarantees of payment, indemnifications, options to purchase, rights of first refusal and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth separately on Schedule G. Certain confidentiality and non-disclosure agreements may not be listed on Schedule G. The Debtors reserve all of their rights with respect to such agreements.

Certain of the contracts and agreements listed on Schedule G may consist of several parts, including, purchase orders, amendments, restatements, waivers, letters and other documents that may not be listed on Schedule G or that may be listed as a single entry. In some cases, the same supplier or provider appears multiple times on Schedule G. This multiple listing may reflect distinct agreements between the applicable Debtor and such supplier or provider, or may reflect a series of related agreements.

It is possible that a single Operating Agreement may cover properties spanning multiple fields as recorded on the Debtors' internal systems. Therefore, in some cases, a single Operating Agreement may be listed multiple times based on the number of fields covered by such agreement. The Debtors expressly reserve their rights to challenge whether such related agreements and transactions are "executory" within the context of section 365 of the Bankruptcy Code contract and whether they are a single contract or agreement or multiple, severable or separate contracts or agreements. The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, memoranda and other documents, instruments, and agreements that may not be listed therein despite the Debtors' use of reasonable efforts to identify such documents. Further, unless otherwise specified on Schedule G, each executory contract or unexpired lease listed thereon shall include all exhibits, schedules, riders, modifications, declarations, amendments, supplements, attachments, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects such executory contract or unexpired lease, without respect to whether such agreement, instrument, or other document is listed thereon.

The Debtors' predecessors were party to numerous farm-out, participation agreements, and Operating Agreements that were assumed in the acquisition of assets formerly owned by Halcon Operating Co, Inc. These include, but not limited to, Operating Agreements formerly operated by BWOC, Inc., Petromax Operating Company, SPG Exploration Corp., and Decker Operating Co., LLC., which have been assumed by Debtor entities NGR Texas, LLC and New Gulf Resources, LLC.

In addition, the Debtors may have entered into various other types of agreements in the ordinary course of their business, such as subordination, nondisturbance, and attornment agreements, supplemental agreements, settlement agreements, amendments/letter agreements, title agreements and confidentiality agreements. Such documents may not be set forth on Schedule G. Further, the Debtors reserve all of their rights to alter or amend these Schedules to the extent that additional information regarding the Debtor obligor to such executory contracts becomes available. Certain executory contracts may not have been memorialized and could be subject to dispute. Agreements that are oral in nature have not been included on Schedule G.

The Debtors reserve all of their rights, Claims and causes of action with respect to the contracts on Schedule G, including the right to dispute or challenge the characterization of any transaction or any document or instrument related to a creditor's Claim or its relationship with the Debtors.

Omission of an agreement from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. The Debtors' rights under the Bankruptcy Code with respect to any such omitted agreements are not impaired by the omission. Schedule G may be amended at any time to add any omitted agreement.

The listing of any agreement on Schedule G does not constitute an admission by the Debtors as to the validity of such agreement or that such agreement is an executory contract or unexpired lease. The Debtors reserve all of their rights to dispute the effectiveness of any such agreement listed on Schedule G or to amend Schedule G at any time to remove any agreement.

Schedule H. For purposes of Schedule H, the Debtors that are guarantors under the prepetition debt facilities are listed as co-debtors on Schedule H. The Debtors may not have identified certain guarantees associated with the Debtors' executory contracts, unexpired leases, secured financings, debt instruments and other agreements. The Debtors reserve all of their rights to amend the Schedules to the extent that additional guarantees are identified or such guarantees are discovered to have expired or be unenforceable.

In the ordinary course of their business, the Debtors may be involved in pending or threatened litigation or Claims. These matters may involve multiple plaintiffs, claimants and defendants, some or all of whom may assert cross-Claims and counter-Claims against other parties, and some of which may be co-obligors with, contributors to or Indemnitors of the Debtors. Because all such Claims are contingent, disputed, or unliquidated, such Claims have not been set forth individually on Schedule H. Litigation matters can be found on each Debtor's Schedule A/B, Part 11 and Statement, Part 3, as applicable.

Specific Disclosures with Respect to the Debtors' Statements

Part 2, Question 3. All of the disbursements reflected on Part 2, Question 3 were made from the bank accounts of New Gulf Resources, LLC (the only Debtor that maintains operating accounts). Some of those disbursements were for the benefit of other Debtors, primarily NGR Texas, LLC, and appropriate Intercompany Transactions have been recorded in the Debtors' books and records.

Part 2, Question 4. All of the disbursements reflected on Part 2, Question 4 were made by New Gulf Resources, LLC (the only Debtor that maintains operating accounts). Some of those disbursements were for the benefit of other Debtors, primarily NGR Texas, LLC. In addition, the Debtors have identified the amounts paid on account of employees that may be considered insiders, but these amounts were paid to Paycom, Inc. the Debtors' third-party payroll processor, who then made the applicable transfer to the employees.

Part 12, Question 22. The Debtors' operate in an industry with many potential environmental issues and are subject to strict laws and regulations. The Debtors' have made reasonable efforts to disclose all known information that is applicable in response to Part 12, Question 22.

Part 13, Question 26d. The Debtors have provided financial statements in the ordinary course of their business to numerous financial institutions, creditors, and other parties within two years immediately before the Petition Date. The Debtors may have also provided financial statements to parties who entered into confidentiality and non-disclosure agreements with the Debtors. Considering the number of such recipients and the possibility that such information may have been shared with parties without the Debtors' knowledge or consent, the Debtors have made reasonable efforts to list all such parties. However, the Debtors reserve all of their rights with respect to all such issues.

Part 13, Question 31. NGR Holdings, LLC is the parent to New Gulf Resources, LLC. and is not consolidated for purposes of the financial statements. NGR Holdings, LLC does not and is not required to file a stand-alone audit report.
