CERTIFICATION OF THE DEBTOR IN SUPPORT OF MOTION FOR AN ORDER AUTHORIZING SALE

Nicholas Pezza, the Debtor herein, of full age, hereby certifies and says:

- 1. I am the Debtor herein and make this Certification in support of my application for an Order Authorizing Sale of my residential real estate.
- My Chapter 13 case was filed on December 8, 2016 which case was converted to a Chapter 11 on May 10, 2017. My Chapter 11 Plan is based, in part, on the proposed sale of my residential real estate located at 488 Dewey Avenue, Saddle Brook, New Jersey.
- 3. I have entered into a contract for the sale of my residential property to Mark and Imran Shaikh. The contract of sale provides for a total sale

Case 16-33371-RG Doc 96-1 Filed 05/17/18 Entered 05/17/18 12:49:41 Desc Certification Page 2 of 4

price of \$375,000.00. A copy of the Real Estate Contract is attached hereto as an Exhibit.

- 4. I believe that the sale price of \$375,000.00 reflects the highest and best offer for this property at this time. The contract of sale was obtained after extensive marketing efforts undertaken by the real estate brokers and is an arms length transaction.
- 5. The closing on the transfer of title, as required by the Purchaser must be no later than June 15, 2018.
- The property is subject to a first mortgage, held by Deutsche Bank National Trust.
- The total amount owed to Deutsche Bank Nation Trust is less than the Purchase price offered by this contract.
- 8. Under the terms of the contract of sale Deutsche Bank National Trust, the first mortgagee will receive the full balance owed on the mortgage. Per the proof of claim filed by the mortgage creditor the balance owed at the time of filing was \$336,877.67.
- 9 At closing, this mortgage will be paid and satisfied in full.
- 10 The proposed sale is for fair value to a good faith purchaser with considerable economic justification. Thus, the prerequisites of 11 U.S.C. § 363(b)(1) are fulfilled and the sale should be approved.
- No prior application for the relief sought herein has been made to this or any other Court.

Case 16-33371-RG Doc 96-1 Filed 05/17/18 Entered 05/17/18 12:49:41 Desc Certification Page 3 of 4

For the foregoing reasons, it is respectfully requested that the proposed form of Order submitted with the Motion Authorizing the sale of my residential property be granted. I hereby certify that the foregoing statements made by me are true. I am aware that if any of the foregoing statements made by me are willfully false, I am subject to punishment.

The Law requires real estate brokers to give you the following information before you sign this contract. It requires us to tell you that you must read all of it before you sign. The purpose is to help you in this purchase or sale.

1) As a real estate broker, I represent: The seller, not the buyer; The buyer, not the seller;

 \blacksquare both the seller and the buyer; \square neither the seller nor the buyer.

The title company does not represent either the seller or the buyer.

2) You will not get any legal advice unless you have your own lawyer. Neither I nor anyone from the title company can give legal advice to either the buyer or the seller. If you do not hire a lawyer, no one will represent you in legal matters now or at the closing. Neither I nor the title company will represent you in those matters.

3) The contract is the most important part of the transaction. It determines your rights, risks, and obligations. Signing the contract is a big step. A lawyer would review the contract, help you to understand it, and to negotiate its terms.

4) The contract becomes final and binding unless your lawyer cancels it within the following three business days. If you do not have a lawyer, you cannot change or cancel the contract unless the other party agrees. Neither can the real estate broker nor the title insurance company change the contract.

5) Another important service of a lawyer is to order a survey, title report, or other important reports. The lawyer will review them and help to resolve any questions that may arise about the ownership and condition of the property. These reports and survey can cost you a lot of money. A lawyer will also prepare the documents needed to close title and represent you at the closing.

6) A buyer without a lawyer runs special risks. Only a lawyer can advise a buyer about what to do if problems arise concerning the purchase of this property. The problems may be about the seller's title, the size and shape of the property, or other matters that may affect the value of the property. If either the broker or the title company knows about the problems, they should tell you. But they may not recognize the problem, see it from your point of view, or know what to do. Ordinarily, the broker and the title company have an interest in seeing that the sale is completed, because only then do they usually receive their commissions. So, their interests may differ from yours.

7) Whether you retain a lawyer is up to you. It is your decision. The purpose of this notice is to make sure that

Buyer agrees to use best efforts to cause the property to be sold, including but not limited to listing the property at a reasonable 116 price and on reasonable terms and submitting it to a prominent multiple listing service serving the community in which Buyer's Property 117 is located. If Buyer enters into a contract of sale for Buyer's Property, Buyer shall provide the contract of sale to Brokers and Seller within 118 three (3) business days of delivery of the fully executed Contract of Sale to Buyer and to notify Brokers and Seller of any material change 119 in the status of the contract of sale and, if a closing date is set, the date of the closing within three (3) business days of setting the date for 120 closing. 213 **13. QUALITY AND INSURABILITY OF TITLE:**

214 At the Closing, Seller shall deliver a duly executed Bargain and Sale Deed with Covenant as to Grantor's Acts or other Deed satisfactory to 215 Buyer. Title to the Property will be free from all claims or rights of others, except as described in Sections 12, 13 and 14 of this Contract. 216 The Deed shall contain the full legal description of the Property. 217

218 This sale will be subject to utility and other easements and restrictions of record, if any, and such state of facts as an accurate survey 219 might disclose, provided such easement or restriction does not unreasonably limit the use of the Property. Generally, an easement is a 220 right of a person other than the owner of property to use a portion of the property for a special purpose. A restriction is a recorded 221 limitation on the manner in which a property owner may use the property. Buyer does not have to complete the purchase, however, if any easement, restriction or facts disclosed by an accurate survey would substantially interfere with the use of the Property for 222 223 residential purposes. A violation of any restriction shall not be a reason for Buyer refusing to complete the Closing as long as the title 224 company insures Buyer against loss at regular rates. The sale also will be made subject to applicable zoning ordinances, provided that 225 the ordinances do not render title unmarketable.

227 Title to the Property shall be good, marketable and insurable, at regular rates, by any title insurance company licensed to do business in New Jersey, subject only to the claims and rights described in this section and Section 14. Buyer agrees to order a title insurance 228 commitment (title search) and survey, if required by Buyer's lender, title company or the municipality where the Property is located, 229 230 and to furnish copies to Seller. If Seller's title contains any exceptions other than as set forth in this section, Buyer shall notify Seller

Seller represents that all buildings and other improvements on the Property are as a Single 234 within its boundary lines and that no improvements on adjoining properties extend across boundary lines of the Property. 235 If Seller is unable to transfer the quality of title required and Buyer and Seller are unable to agree upon a reduction of the purchase 236 price, Buyer shall have the option to either void this Contract, in which case the monies paid by Buyer toward the purchase price shall 237 be returned to Buyer, together with the actual costs of the title search and the survey and the mortgage application fees in preparing for 238 the Closing without further liability to Seller, or to proceed with the Closing without any reduction of the purchase price.

16. LEAD-BASED PAINT AND/OR LEAD-BASED PAINT HAZARD: (This section is applicable only to all dwellings **built prior to 1978.)** Applicable Not Applicable

(A) Document Acknowledgement.

Buyer acknowledges receipt of the EPA pamphlet entitled "Protect Your Family From Lead In Your Home." Moreover, a copy of a document entitled "Disclosure of Information and Acknowledgement Lead-Based Paint and Lead-Based Paint Hazards" has been fully completed and signed by Buyer, Seller and Broker(s) and is appended to this Contract as Addendum "A" and is part of this Contract.

(B) Lead Warning Statement.

Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to purchase.

280 (C) Inspection.

281 The law requires that, unless Buyer and Seller agree to a longer or shorter period, Seller must allow Buyer a ten (10) day period within 282 which to complete an inspection and/or risk assessment of the Property as set forth in the next paragraph. Buyer, however, has the right 283 to waive this requirement in its entirety. 284

285 This Contract is contingent upon an inspection and/or risk assessment (the"Inspection") of the Property by a certified inspector/risk 286 assessor for the presence of lead-based paint and/or lead-based paint hazards. The Inspection shall be ordered and obtained by Buyer at 287 Buyer's expense within ten (10) calendar days after the attorney-review period is completed or, if this Contract is timely disapproved by an 288 attorney as provided in the attorney-review section of this Contract, then within ten (10) days after the parties agree to the terms in this 289 Contract ("Completion Date"). If the Inspection indicates that no lead-based paint or lead-based paint hazard is present at the Property, 290 this contingency clause shall be deemed null and void. If the Inspection indicates that lead-based paint or lead-based paint hazard is

The Amendment shall provide that Seller agrees to (a) correct 295 the deficiencies; and (b) furnish Buyer with a certification from a certified inspector/risk assessor that the deficiencies have been corrected, 296 before the Closing. Seller shall have 10 _____ days after receipt of the Amendment to sign and return it to Buyer or send a written 297 counter-proposal to Buyer. If Seller does not sign and return the Amendment or fails to offer a counter-proposal, this Contract shall be 298 null and void. If Seller offers a counter-proposal, Buyer shall have 10 days after receipt of the counter-proposal to accept it. 299 If Buyer fails to accept the counter-proposal within the time limit provided, this Contract shall be null and void.

307 Pursuant to the Private Well Testing Act, N.J.S.A. 58:12A-26 to 37, and regulations, N.J.A.C. 7:9E - 3.1 to 5.1, if this Contract is for the 308 sale of real property whose potable water supply is provided from a private well and the analytical results of prior water tests no longer are 309 valid, a test on the water supply must be performed by a laboratory certified by NJDEP. Seller shall order the new test or, if applicable, 310 provide Buyer with the valid prior water test within seven (7) calendar days after the attorney-review period is completed or, if this 311 Contract is timely disapproved by an attorney as provided in the attorney-review section of this Contract, then within seven (7) calendar 312 days after the parties agree to the terms of this Contract. Seller agrees to procure the test, at Seller's sole cost and expense, and to provide 313 a copy of the test results to Buyer within seven (7) calendar days after receiving the report(s). The test shall cover the parameters set forth in 314 the Act and regulations. As required in the Act, prior to the Closing, Seller and Buyer shall each certify in writing that they have received 315 and read a copy of the water test results. 316

317 If any of the water tests do not meet applicable standards at the time Seller provides the water test results to Buyer, Seller shall notify Buyer, 318 in writing, that Seller agrees to cure or correct said conditions in the water test results. If Seller fails to notify Buyer of Seller's agreement 319 to cure or correct, such failure to so notify shall be deemed to be a refusal by Seller to cure or correct. If Seller shall fail to agree to cure 320 or correct any of the conditions set forth in the water test results within seven (7) calendar days or if the condition is incurable and is of 321 such significance as to unreasonably endanger the health of Buyer, Buyer shall then have the right to void this Contract by notifying Seller 322 in writing within seven (7) calendar days thereafter. If Buyer fails to void this Contract within the seven (7) day period, Buyer shall have 323 waived Buyer's right to cancel this Contract and this Contract shall remain in full force, and Seller shall be under no obligation to correct 324 or cure any of the conditions set forth in the water test results. If Seller agrees to correct or cure such conditions, all such remediation shall 325 be completed by Seller prior to the Closing. 326

Pursuant to N.J.A.C. 7:1J-2.5 (c), the seller of a property with a POET system that was installed and maintained at the expense of the Spill Fund must notify the Department of Environmental Protection within thirty (30) days of executing a binding contract that the Property is to be sold.

(C) Cesspool Requirements. Applicable Not Applicable

(This section is applicable if the Property has a cesspool, except in certain limited circumstances set forth in N.J.A.C. 7:9A-3.16.) Pursuant to New Jersey's Standards for Individual Subsurface Sewage Disposal Systems, N.J.A.C. 7:9A (the "Standards"), if this Contract is for the sale of real property at which any cesspool, privy, outhouse, latrine or pit toilet (collectively "Cesspool") is located, the Cesspool must be abandoned and replaced with an individual subsurface sewage disposal system at or before the time of the real property transfer, except in limited circumstances.

(i) Seller represents to Buyer that no Cesspool is located at or on the Property, or one or more Cesspools are located at or on the Property. [If there are one or more Cesspools, then also check EITHER Box 1 or 2 below.]
 341

342 1. Seller agrees that, prior to the Closing and at its sole cost and expense, Seller shall abandon and replace any and all Cesspools 343 located at or on the Property and replace such Cesspools with an individual subsurface sewage disposal system ("System") meeting all 344 the requirements of the Standards. At or prior to the Closing, Seller shall deliver to Buyer a certificate of compliance ("Certificate of 345 Compliance") issued by the administrative authority ("Administrative Authority") (as those terms are defined in N.J.A.C. 7:9A-2.1) with 346 respect to the System. Notwithstanding the foregoing, if the Administrative Authority determines that a fully compliant system cannot 347 be installed at the Property, then Seller shall notify Buyer in writing within three (3) calendar days of its receipt of the Administrative 348 Authority's determination of its intent to install either a nonconforming System or a permanent holding tank, as determined by the 349 Administrative Authority ("Alternate System"), and Buyer shall then have the right to void this Contract by notifying Seller in writing 350 within seven (7) calendar days of receipt of the notice from Seller. Buyer agrees that, at its sole cost and expense, Buyer shall take all actions necessary to abandon and replace any and all Cesspools located at or on the Property and replace such Cesspools with a System meeting all the requirements of the Standards or an Alternate System. Buyer shall indemnify and hold Seller harmless for any and all costs, damages, claims, fines, penalties and assessments (including but not limited to reasonable attorneys' and experts' fees) arising from Buyer's violation of this paragraph. This paragraph shall survive the Closing.

(ii) If prior to the Closing, either Buyer or Seller becomes aware of any Cesspool at or on the Property that was not disclosed by Seller t or prior to execution of this Contract, the party with knowledge of the newly identified Cesspool shall promptly, but in no event later than three (3) calendar days after receipt of such knowledge, advise the other party of the newly identified Cesspool in writing. In such event, the parties in good faith shall agree, no later than seven (7) calendar days after sending or receiving the written notice of the newly identified Cesspool, or the day preceding the scheduled Closing, whichever is sooner, to proceed pursuant to subsection (C) (i)1 or 2 above or such other agreement as satisfies the Standards, or either party may terminate this Contract.

368 18. INSPECTION CONTINGENCY CLAUSE:

369 (A) Responsibilities of Home Ownership.

370 Buyer and Seller acknowledge and agree that, because the purchase of a home is one of the most significant investments a person can 371 make in a lifetime, all aspects of this transaction require considerable analysis and investigation by Buyer before closing title to the 372 Property. While Brokers and salespersons who are involved in this transaction are trained as licensees under the New Jersey License 373 Law, they readily acknowledge that they have had no special training or experience with respect to the complexities pertaining to the 374 multitude of structural, topographical and environmental components of this Property. For example, and not by way of limitation, 375 Brokers and salespersons have no special training, knowledge or experience with regard to discovering and/or evaluating physical 376 defects, including structural defects, roof, basement, mechanical equipment, such as heating, air conditioning, and electrical systems, 377 sewage, plumbing, exterior drainage, termite, and other types of insect infestation or damage caused by such infestation. Moreover, 378 Brokers and salespersons similarly have no special training, knowledge or experience with regard to evaluation of possible environmental 379 conditions which might affect the Property pertaining to the dwelling, such as the existence of radon gas, formaldehyde gas, airborne 380 asbestos fibers, toxic chemicals, underground storage tanks, lead, mold or other pollutants in the soil, air or water. 381

(B) Radon Testing, Reports and Mitigation.

383 (Radon is a radioactive gas which results from the natural breakdown of uranium in soil, rock and water. It has been 384 found in homes all over the United States and is a carcinogen. For more information on radon, go to www.epa.gov/ 385 radon/pubs/citguide.html and www.nj.gov/dep/rpp/radon or call the NJ Radon Hot Line at 800-648-0394 or 609-984-386 5425.)

388 If the Property has been tested for radon prior to the date of this Contract, Seller agrees to provide to Buyer, at the time of the 389 execution of this Contract, a copy of the result of the radon test(s) and evidence of any subsequent radon mitigation or treatment of the 390 Property. In any event, Buyer shall have the right to conduct a radon inspection/test as provided and subject to the conditions set forth 391 in paragraph (D) below. If any test results furnished or obtained by Buyer indicate a concentration level of 4 picocuries per liter (4.0 392 pCi/L) or more in the subject dwelling, Buyer shall then have the right to void this Contract by notifying Seller in writing within seven 393 (7) calendar days of the receipt of any such report. For the purposes of this Section 18, Seller and Buyer agree that, in the event a radon 394 gas concentration level in the subject dwelling is determined to be less than 4 picocuries per liter (4.0 pCi/L) without any remediation, 395 such level of radon gas concentration shall be deemed to be an acceptable level ("Acceptable Level") for the purposes of this Contract. 396 Under those circumstances, Seller shall be under no obligation to remediate, and this contingency clause as it relates to radon shall be 397 deemed fully satisfied. 398

399 If Buyer's qualified inspector reports that the radon gas concentration level in the subject dwelling is four picocuries per liter (4.0 pCi/L) 400 or more. Seller shall have a seven (7) calendar day period after receipt of such report to notify Buyer in writing that Seller agrees to 401 remediate the gas concentration to an Acceptable Level (unless Buyer has voided this Contract as provided in the preceding paragraph). 402 Upon such remediation, the contingency in this Contract which relates to radon shall be deemed fully satisfied. If Seller fails to notify 403 Buyer of Seller's agreement to so remediate, such failure to so notify shall be deemed to be a refusal by Seller to remediate the radon 404 level to an Acceptable Level, and Buyer shall then have the right to void this Contract by notifying Seller in writing within seven (7) 405 calendar days thereafter. If Buyer fails to void this Contract within the seven (7) day period, Buyer shall have waived Buyer's right to 406 cancel this Contract and this Contract shall remain in full force and effect, and Seller shall be under no obligation to remediate the 407 radon gas concentration. If Seller agrees to remediate the radon to an Acceptable Level, such remediation and associated testing shall 408 be completed by Seller prior to the Closing.

411 (C) Infestation and/or Damage By Wood Boring Insects.

412 Buyer, at Buyer's own expense, shall have the right to have the Property inspected by a licensed exterminating company of Buyer's choice, 413 for the purpose of determining if the Property is free from infestation and damage from termites or other wood destroying insects. If 414 Buyer chooses to make this inspection, the inspection must be completed and written reports must be furnished to Seller and Broker(s) 415 within fourteen (14) calendar days after the attorney-review period is completed or, if this Contract is timely disapproved by an attorney 416 as provided in the attorney-review section of this Contract, then within fourteen (14) calendar days after the parties agree to the terms of 417 this Contract. This report shall state the full cost of treatment and repairs if there is any indication of infestation or damage. If the cost to 418 cure infestation and/or repairs and treatment exceed 1% of the purchase price of the Property, then either party may void this Contract 419 provided they do so within seven (7) calendar days after the report has been delivered to Seller and Brokers. If Buyer and Seller are unable 420 to agree upon who will pay for the cost to cure and neither party timely voids this Contract, then Buyer will be deemed to have waived its 421 right to terminate this Contract and will bear the cost to cure. 422

423 (D) Buyer's Right to Inspections.

424 Buyer acknowledges that the Property is being sold in an "as is" condition and that this Contract is entered into based upon the knowledge 425 of Buyer as to the value of the land and whatever buildings are upon the Property, and not on any representation made by Seller, Brokers 426 or their agents as to character or quality of the Property. Therefore, Buyer, at Buyer's sole cost and expense, is granted the right to have 427 the dwelling and all other aspects of the Property, inspected and evaluated by "qualified inspectors" (as the term is defined in paragraph G 428 below) for the purpose of determining the existence of any physical defects or environmental conditions such as outlined above. If Buyer 429 chooses to make inspections referred to in this paragraph, such inspections must be completed, and written reports must be furnished to 430 Seller and Brokers of this Contract within fourteen (14) calendar days after the attorney-review period is completed or, if this Contract 431 is timely disapproved by an attorney as provided in the attorney-review section of this Contract, then within fourteen (14) calendar days 432 after the parties agree to the terms of this Contract. If Buyer fails to furnish such written reports to Seller and Brokers within the fourteen 433 (14) calendar days specified in this paragraph, this contingency clause shall be deemed waived by Buyer, and the Property shall be deemed 434 acceptable by Buyer. The time period for furnishing the inspection reports is referred to as the "Inspection Time Period." Seller shall have 435 all utilities in service for inspections. 436

(E) Responsibility to Cure.

437

450

460

438 If any physical defects or environmental conditions (other than radon or woodboring insects) are reported by the qualified inspectors 439 to Seller within the Inspection Time Period, Seller shall then have seven (7) calendar days after the receipt of such reports to notify 440 Buyer in writing that Seller shall correct or cure any of the defects set forth in such reports. If Seller fails to notify Buyer of Seller's 441 agreement to so cure and correct, such failure to so notify shall be deemed to be a refusal by Seller to cure or correct such defects. 442 If Seller fails to agree to cure or correct such defects within the seven (7) calendar day period, or if any part of the dwelling is found 443 to be located within a flood hazard area, or if the environmental condition at the Property (other than radon) is incurable and 444 is of such significance as to unreasonably endanger the health of Buyer, Buyer shall then have the right to void this Contract by 445 notifying Seller in writing within seven (7) calendar days thereafter. If Buyer fails to void this Contract within the seven (7) calendar 446 day period, Buyer shall have waived Buyer's right to cancel this Contract and this Contract shall remain in full force, and Seller 447 shall be under no obligation to correct or cure any of the defects set forth in the inspections. If Seller agrees to correct or cure such 448 defects, all such repair work shall be completed by Seller prior to the closing of title. Radon at the Property shall be governed by 449 the provisions of Paragraph (B), above.

451 (F) Flood Hazard Area (if applicable).

452 The federal and state governments have designated certain areas as flood areas. If the Property is located in a flood area, the use of 453 he Property may be limited. If Buyer's inquiry reveals that the Property is in a flood area, Buyer may cancel this Contract within 454 ten (10) business days after the attorney-review period is completed or, if this Contract is timely disapproved by an attorney as 455 provided in the attorney-review section of this Contract, then within fourteen (14) calendar days after the parties agree to the terms 456 of this Contract. If the mortgage lender requires flood insurance, then Buyer shall be responsible for obtaining such insurance on 457 the Property. For a flood policy to be in effect immediately, there must be a loan closing. There is a 30-day wait for flood policies to 458 be in effect for cash transactions. Therefore, cash buyers are advised to make application and make advance payment for a flood 459 policy at least thirty (30) days in advance of closing if they want coverage to be in effect upon transfer of title.

461 Buyer's mortgage lender may require Buyer to purchase flood insurance in connection with Buyer's purchase of this Property. The 462 National Flood Insurance Program ("NFIP") provides for the availability of flood insurance but also establishes flood insurance 463 policy premiums based on the risk of flooding in the area where properties are located. Due to amendments to federal law governing 464 the NFIP, those premiums are increasing and, in some cases, will rise by a substantial amount over the premiums previously charged 465 for flood insurance for the Property. As a result, Buyer should not rely on the premiums paid for flood insurance on this Property 466 previously as an indication of the premiums that will apply after Buyer completes the purchase. In considering Buyer's purchase of 467 this Property, Buyer is therefore urged to consult with one or more carriers of flood insurance for a better understanding of flood 468 insurance coverage, the premiums that are likely to be required to purchase such insurance and any available information about 469 how those premiums may increase in the future.

as may be disclosable to you.

481 20. MEGAN'S LAW REGISTRY:

482 Buyer is notified that New Jersey law establishes an Internet Registry of Sex Offenders that may be accessed at www.njsp.org. Neither
483 Seller or any real estate broker or salesperson make any representation as to the accuracy of the registry.
484

485 21. NOTIFICATION REGARDING OFF-SITE CONDITIONS: (Applicable to all resale transactions.)

Pursuant to the New Residential Construction Off-Site Conditions Disclosure Act, N.J.S.A. 46:3C-1, et. seq, the clerks of municipalities in New Jersey maintains lists of off-site conditions which may affect the value of residential properties in the vicinity of the off-site condition.
Buyers may examine the lists and are encouraged to independently investigate the area surrounding this property in order to become familiar with any off-site conditions which may affect the value of the property. In cases where a property is located near the border of a municipality, buyers may wish to also examine the list maintained by the neighboring municipality.

492 22. NEW CONSTRUCTION RIDER:

491

496

493 Unless Seller has Seller's own form of contract, if the property being sold consists of a lot and a detached single-family home to be
494 constructed upon the lot by Seller, the "Rider To Real Estate Sales Contract For New Construction" has been signed by Buyer and Seller
495 and is appended to and made a part of this Contract.

497 23. AIR SAFETY AND ZONING NOTICE:

498 Any person who sells or transfers a property that is in an airport safety zone as set forth in the New Jersey Air Safety and Zoning Act 499 of 1983, N.J.S.A. 6:1-80, et seq., and appearing on a municipal map used for tax purposes shall provide notice to a prospective buyer 500 that the property is located in an airport safety zone prior to the signing of the contract of sale. Buyer and Seller acknowledge that 503 the following list of airports and the municipalities that may be affected by them under the Air Safety and Zoning Act is provided for 504 information only, that they are not relying on this list, which they understand may not be complete or accurate, and that a real estate 505 licensee's obligation to provide information about the Air Safety and Zoning Act is satisfied by the inclusion of Section 21 in this 506 Contract concerning off-site conditions:

537 24. BULK SALES:

536

538 The New Jersey Bulk Sales Law, N.J.S.A. 54:50-38, (the "Law") applies to the sale of certain residential property. Under the Law, 539 Buyer may be liable for taxes owed by Seller if the Law applies and Buyer does not deliver to the Director of the New Jersey Division 540 of Taxation (the "Division") a copy of this Contract and a notice on a form required by the Division (the "Tax Form") at least ten 541 (10) business days prior to the Closing. If Buyer decides to deliver the Tax Form to the Division, Seller shall cooperate with Buyer by 542 promptly providing Buyer with any information that Buyer needs to complete and deliver the Tax Form in a timely manner. Buyer 543 promptly shall deliver to Seller a copy of any notice that Buyer receives from the Division in response to the Tax Form. 544

545 The Law does not apply to the sale of a simple dwelling house, or the sale or lease of a seasonal rental property, if Seller is an 546 individual, estate or trust. A simple dwelling house is a one or two family residential building, or a cooperative or condominium unit 547 used as a residential dwelling, none of which has any commercial property. A seasonal rental property is a time share, or a dwelling unit 548 that is rented for residential purposes for a term of not more than 125 consecutive days, by an owner that has a permanent residence 549 elsewhere. 550

551 If, prior to the Closing, the Division notifies Buyer to withhold an amount (the "Tax Amount") from the purchase price proceeds for 552 possible unpaid tax liabilities of Seller, Buyer's attorney or Buyer's title insurance company (the "Escrow Agent") shall withhold the Tax 553 Amount from the closing proceeds and place that amount in escrow (the "Tax Escrow"). If the Tax Amount exceeds the amount of 554 available closing proceeds, Seller shall bring the deficiency to the Closing and the deficiency shall be added to the Tax Escrow. If the 555 Division directs the Escrow Agent or Buyer to remit funds from the Tax Escrow to the Division or some other entity, the Escrow Agent 556 or Buyer shall do so. The Escrow Agent or Buyer shall only release the Tax Escrow, or the remaining balance thereof, to Seller (or as 557 otherwise directed by the Division) upon receipt of written notice from the Division that it can be released, and that no liability will be 558 asserted under the Law against Buyer. 559

560 25. NOTICE TO BUYER CONCERNING INSURANCE:

561 Buyer should obtain appropriate casualty and liability insurance for the Property. Buyer's mortgage lender will require that such insurance 562 be in place at Closing. Occasionally, there are issues and delays in obtaining insurance. Be advised that a "binder" is only a temporary 563 commitment to provide insurance coverage and is not an insurance policy. Buyer is therefore urged to contact a licensed insurance agent 564 or broker to assist Buyer in satisfying Buyer's insurance requirements. 565

566 26. MAINTENANCE AND CONDITION OF PROPERTY:

567 Seller agrees to maintain the grounds, buildings and improvements, in good condition, subject to ordinary wear and tear. The premises 568 shall be in "broom clean" condition and free of debris as of the Closing. Seller represents that all electrical, plumbing, heating and air 569 conditioning systems (if applicable), together with all fixtures included within the terms of the Contract now work and shall be in proper 570 working order at the Closing. Seller further states, that to the best of Seller's knowledge, there are currently no leaks or seepage in the 571 roof, walls or basement. Seller does not guarantee the continuing condition of the premises as set forth in this Section after the Closing. 572

27. RISK OF LOSS:

573

574

576 577

The risk of loss or damage to the Property by fire or otherwise, except ordinary wear and tear, is the responsibility of Seller until 575 the Closing.

28. INITIAL AND FINAL WALK-THROUGHS:

578 In addition to the inspections set forth elsewhere in this Contract, Seller agrees to permit Buyer or Buyer's duly authorized 579 representative to conduct an initial and a final walk-through inspection of the interior and exterior of the Property at any reasonable 580 time before the Closing. Seller shall have all utilities in service for the inspections. 581

582 29. ADJUSTMENTS AT CLOSING:

583 Seller shall pay for the preparation of the Deed, realty transfer fee, lien discharge fees, if any, and one-half of the title company charges 584 for disbursements and attendance allowed by the Commissioner of Insurance; but all searches, title insurance premium and other 585 conveyancing expenses are to be paid for by Buyer. 586

587 Seller and Buyer shall make prorated adjustments at Closing for items which have been paid by Seller or are due from Seller, such as real 588 estate taxes, water and sewer charges that could be claims against the Property, rental and security deposits, association and condominium 589 dues, and fuel in Seller's tank. Adjustments of fuel shall be based upon physical inventory and pricing by Seller's supplier. Such determi-590 nation shall be conclusive.
