**ORDER (A) AUTHORIZING AND APPROVING (I) THE ASSET PURCHASE AGREEMENT FOR THE KANSAS, WEST TEXAS, AND OTHER ASSETS; (II) THE SALE OF THE DEBTOR’S KANSAS, WEST TEXAS AND OTHER ASSETS FREE AND CLEAR OF ALL LIENS, CLAIMS, ENCUMBRANCES AND INTERESTS; AND (III) THE ASSUMPTION AND ASSIGNMENT OF CERTAIN EXECUTORY CONTRACTS AND UNEXPIRED LEASES; AND
(B) GRANTING RELATED RELIEF
[Relates to Doc. No. 60]**

Upon the motion (the “Sale Motion”)¹ of the above captioned debtor and debtor in possession (the “Debtor”) in the above-captioned case (the “Chapter 11 Case”) for entry of an order (this “Sale Order”) (a) approving the sale (the “Sale”) of all of the Debtor’s oil and gas assets, free and clear of all liens, claims, encumbrances and interests of any kind to the Successful Bidder(s) and (b) authorizing the assumption and assignment of certain executory contracts and unexpired leases (the “Assigned Contracts”) of the Debtor that are to be assumed and assigned to the Successful Bidder(s) in connection with the Sale; and the Court having entered an order approving, among other things, the Bidding Procedures (the “Bidding Procedures Order”) [Dkt. No. 30], as well as an order amending the Bidding Procedures (the “Order Amending Bidding Procedures”)[Dkt. No. 102];² and the Auction having been held in accordance with the Bidding

¹ Capitalized terms not otherwise defined herein shall have the meanings ascribed to such terms in the Asset Purchase Agreement (as defined below) or, if not defined in the Asset Purchase Agreement, the Sale Motion.

² “Bidding Procedures” as used herein shall include the bidding procedures as amended by the Order Amending Bidding Procedures.

Procedures Order; and at the conclusion of the Auction, Pachira Oil and Gas, LLC (the “Buyer”) having been chosen as the Successful Bidder for the Kansas, West Texas, and Other Assets;³ and upon the Buyer and Debtor having entered into that certain Asset Purchase Agreement, dated August 27, 2019 (together with all ancillary documents, as may be amended, modified or supplemented, the “Asset Purchase Agreement”, attached hereto as **Attachment 1**); and the Court having conducted the Sale Hearing on August 30, 2019; and all parties in interest having been heard or having had the opportunity to be heard regarding the Asset Purchase Agreement; and it appearing that adequate and proper notice of the Sale Motion has been given and that no other or further notice need be given; and the Sale Hearing having been held to consider the relief requested in the Sale Motion; and upon the record of the Sale Hearing and all of the proceedings had before the Court; and the Court having found and determined that the relief sought in the Sale Motion is in the best interests of the Debtor, its estate, its creditors and all other parties in interest; and that the legal and factual bases set forth in the Sale Motion, the Declaration of Joshua Eaves and the testimony adduced at the Sale Hearing establish just cause for the relief granted herein; and after due deliberation and sufficient cause appearing therefor,

IT IS HEREBY FOUND AND DETERMINED THAT:⁴

A. Jurisdiction. The Court has jurisdiction to hear and determine the Sale Motion and to grant the relief requested in the Sale Motion pursuant to 28 U.S.C. § 157(b)(1).

B. Venue. Venue of this case and the Sale Motion in this district is proper under 28 U.S.C. § 1408. This is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2).

³ The “Kansas, West Texas, and Other Assets” are the Oil and Gas Assets under the Asset Purchase Agreement and generally those oil and gas assets in Kansas, West Texas, and other locations that were not included as “Oil and Gas Assets” in the Stalking Horse APA, subject in all respects to the specific terms of the asset purchase agreement between Pachira and the Debtor attached hereto as Attachment 1.

⁴ Findings of fact shall be construed as conclusions of law and conclusions of law shall be construed as findings of fact to the fullest extent of the law. *See* Fed. R. Bankr. P. 7052.

C. Statutory Predicates. The statutory and legal predicates for the relief requested in the Sale Motion are sections 105, 363 and 365 of title 11 of the United States Code, 11 U.S.C. §§101, et seq. (the “Bankruptcy Code”), Rules 2002, 6004, 6006, 9006 and 9014 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”) and Bankruptcy Local Rule 2002-1.

D. Notice. Notice of the proposed Sale of Kansas, West Texas, and Other Assets, Auction and Sale Hearing has been provided to: (i) counsel for the Official Committee of Unsecured Creditors appointed in this Chapter 11 Case; (ii) the United States Trustee for the Eastern District of Texas; (iii) all other parties known to the Debtor who have or may have asserted liens against any of the Kansas, West Texas, and Other Assets; (iv) the Debtor’s twenty (20) largest unsecured creditors; (v) all parties that have requested notice pursuant to Bankruptcy Rule 2002; (vi) all parties known to have expressed an interest in a transaction with respect to all or a part of the Kansas, West Texas, and Other Assets; (vii) all parties on the Debtor’s creditor matrix dated June 7, 2019; and (viii) all other parties on the Debtor’s Master Service List (collectively, the “Notice Parties”), all in accordance with and as provided by the Bidding Procedures Order. Cure Notices have been provided to all counterparties to Assigned Contracts and publication notice of the Auction and the Sale was provided through the New York Times, in each case, in accordance with and as provided by the Bidding Procedures Order.

E. Notice Sufficient. Based upon the affidavits of service previously filed with the Court and the evidence presented at the Sale Hearing, adequate and sufficient notice of the Sale Motion, Auction, Sale Hearing, the Sale, and the transactions contemplated thereby, including without limitation, the assumption and assignment of the Assigned Contracts to the Buyer, has been provided in accordance with the Bidding Procedures Order, sections 105(a), 363 and 365 of

the Bankruptcy Code, Bankruptcy Rules 2002, 6004, 6006 and 9006 and Local Bankruptcy Rule 2002-1. A reasonable opportunity to object and be heard with respect to the Sale, the Sale Motion and the relief requested therein, including the assumption and assignment of the Assigned Contracts to the Buyer and the amounts necessary under section 365(b) of the Bankruptcy Code to cure defaults thereunder, as such amounts have been transmitted pursuant to a written notice delivered to the applicable counterparty, has been afforded to all interested persons and entities, including the Notice Parties.

F. Kansas, West Texas, and Other Assets Property of the Estate. The Kansas, West Texas, and Other Assets sought to be transferred and/or assigned by the Debtor to the Buyer pursuant to the Asset Purchase Agreement are property of the Debtor's estate and title thereto is vested in the Debtor's estate.

G. Sufficiency of Marketing. The Debtor and its professionals marketed the Kansas, West Texas, and Other Assets and conducted the marketing and sale process as set forth in and in accordance with the Sale Motion and the Bidding Procedures. Based upon the record of this Chapter 11 Case, all creditors and other parties in interest and all prospective buyers have been afforded a reasonable and fair opportunity to bid for the Kansas, West Texas, and Other Assets. Under the circumstances, the Debtor and its professionals have adequately and appropriately marketed the Kansas, West Texas, and Other Assets.

H. Bidding Procedures. The Bidding Procedures were substantively and procedurally fair to all parties and all potential bidders and afforded notice and a full, fair and reasonable opportunity for any person to make a higher or otherwise better offer to purchase the Kansas, West Texas, and Other Assets. The Debtor conducted the sale process (including the Auction) without collusion and in accordance with the Bidding Procedures.

I. Auction. After the conclusion of the Auction held on August 21, 2019, the Debtor determined in a valid and sound exercise of its business judgment that the highest and best Qualifying Bid for the Kansas, West Texas, and Other Assets was that of the Buyer as contemplated in the Asset Purchase Agreement.

J. Corporate Authority. Subject to the entry of this Sale Order, the Debtor: (i) has full power and authority to execute the Asset Purchase Agreement and all other documents contemplated thereby; (ii) has all of the power and authority necessary to consummate the transactions contemplated by the Asset Purchase Agreement (collectively, the “Transactions”), and (iii) has taken all company action necessary to authorize and approve the Asset Purchase Agreement and the sale of the Kansas, West Texas, and Other Assets, and any actions required to be performed by the Debtor in order to consummate the Transactions contemplated in the Asset Purchase Agreement. No consents or approvals, other than those expressly provided for in the Asset Purchase Agreement or this Sale Order, are required for the Debtor to consummate the Sale.

K. Arm’s-Length Sale and Buyer’s Good Faith. The Asset Purchase Agreement was negotiated and is undertaken by the Debtor and the Buyer at arm’s-length without collusion or fraud, and in good faith within the meaning of section 363(m) of the Bankruptcy Code. Neither the Buyer nor any of its affiliates, members, officers, directors, or shareholders is an “insider” of the Debtor as that term is defined by section 101(31) of the Bankruptcy Code. The Buyer (i) recognized that the Debtor was free to deal with any other party interested in acquiring the Kansas, West Texas, and Other Assets, (ii) complied with the Bidding Procedures Order and (iii) willingly subjected its bid to the competitive Bidding Procedures approved in the Bidding Procedures Order. All payments to be made by the Buyer and other agreements or arrangements entered into by the Buyer in connection with the Sale have been disclosed, the Buyer has not

violated section 363(n) of the Bankruptcy Code by any action or inaction, and no common identity of directors or controlling stockholders exists between the Buyer and the Debtor. As a result of the foregoing, the Buyer is a “good faith buyer” within the meaning of section 363(m) of the Bankruptcy Code, and as such, is entitled to all of the protections afforded thereby, including in the event this Sale Order or any portion thereof is reversed or modified on appeal, and otherwise has proceeded in good faith in all respects in connection with the Sale specifically and this Chapter 11 Case generally.

L. Sale Highest or Best Offer. The offer submitted by the Buyer for the Kansas, West Texas, and Other Assets as reflected in the Asset Purchase Agreement, including the form and total consideration to be realized thereunder, is the highest and best offer for the Kansas, West Texas, and Other Assets. No other person or entity or group of persons or entities has offered to purchase the Kansas, West Texas, and Other Assets for an amount that would provide greater value to the Debtor than the Buyer, including through the reduction of claims against the estate. The Court’s approval of the Sale Motion, the Asset Purchase Agreement, and the Transactions maximizes the Debtor’s recovery for the Kansas, West Texas, and Other Assets, and, thus, is in the best interests of the Debtor and its estate, creditors and all other parties in interest.

M. No Fraudulent Transfer. The Purchase Price constitutes reasonably equivalent value and fair consideration under the Bankruptcy Code, the Uniform Fraudulent Transfer Act, the Uniform Fraudulent Conveyance Act and any other applicable law, and may not be avoided under section 363(n) or any other section of the Bankruptcy Code. The Asset Purchase Agreement was not entered into, and the Sale is not being consummated, for the purpose of hindering, delaying or defrauding creditors of the Debtor under the Bankruptcy Code or under the

laws of the United States, any state, territory, possession thereof, or the District of Columbia, or any other applicable law. Neither the Debtor nor the Buyer has entered into the Asset Purchase Agreement or is consummating the Sale with any fraudulent or otherwise improper purpose.

N. No Liability under Section 363(n). Neither the Debtor nor the Buyer engaged in any conduct that would cause or permit the Asset Purchase Agreement or the consummation of the Sale to be avoided, or costs or damages to be imposed, under section 363(n) of the Bankruptcy Code.

O. Transfer of Kansas, West Texas, and Other Assets Free and Clear. The Debtor is the sole and lawful owner of the Kansas, West Texas, and Other Assets. Subject to section 363(f) of the Bankruptcy Code, and except as otherwise provided in the Asset Purchase Agreement, the transfer of each of the Kansas, West Texas, and Other Assets to the Buyer will be, as of the Closing Date, a legal, valid, and effective transfer of the Kansas, West Texas, and Other Assets, which transfer vests or will vest the Buyer with all right, title, and interest of the Debtor to the Kansas, West Texas, and Other Assets free and clear of, among other things, (i) all Encumbrances,⁵ (ii) all debts arising under, relating to, or in connection with any act of the Debtor or claims (as that term is defined in section 101(5) of the Bankruptcy Code), liabilities, obligations, demands, guaranties, options, rights, contractual commitments, restrictions, interests and matters of any kind and nature, whether arising prior to or subsequent to the commencement of the Debtor's Chapter 11 Case, and whether imposed by agreement, understanding, law, equity or otherwise (including, without limitation, rights with respect to Claims (as defined below) and Encumbrances (x) that purport to give to any party a right of setoff or recoupment against, or a

⁵ As defined in the Asset Purchase Agreement to be "any charge, lien, claim, mortgage, lease, sublease, hypothecation, deed of trust, pledge, security interest, option, right of use or possession, right of first offer or first refusal, easement, servitude, restrictive covenant, encroachment, encumbrance, third party interest or other restriction or limitation of any kind."

right or option to effect any forfeiture, modification, profit sharing interest, right of first refusal, purchase or repurchase right or option, or termination of, the Debtor's or the Buyer's interests in the Kansas, West Texas, and Other Assets, or any similar rights, or (y) in respect of taxes, restrictions, rights of first refusal, charges or interests of any kind or nature, if any, including, without limitation, any restriction on use, voting, transfer, receipt of income or other exercise of any attributes of ownership) (collectively, as defined in this clause (ii), "Claims"), relating to, accruing or arising any time prior to or on the Closing Date, with the exception of Permitted Encumbrances⁶ that expressly survive the Closing pursuant to the Asset Purchase Agreement and Assumed Liabilities (collectively with subsections (i) and (ii) above, the "Interests").

P. Free and Clear Findings Required by Buyer. The Buyer would not have entered into the Asset Purchase Agreement and would not consummate the transactions contemplated thereby if the Sale of the Kansas, West Texas, and Other Assets to the Buyer were not free and clear of any and all Interests (other than Permitted Encumbrances or Assumed Liabilities) pursuant to section 363(f) of the Bankruptcy Code, or if the Buyer would, or in the future could, be liable for any of such Interests. Effective upon the Closing Date, the Buyer shall not be responsible for any Interests (other than Permitted Encumbrances or Assumed Liabilities), including in respect of the following: (i) labor or employment agreements; (ii) all mortgages, deeds of trust, and security interests; (iii) any intercompany loans and receivables between the Debtor and any non-Debtor affiliate; (iv) any welfare, compensation or other employee benefit plans, agreements, practices and programs, including, without limitation, any pension plan of the Debtor, any affiliate of any Debtor, or any member of the Debtor's "control group;" (v) any other employee, worker's compensation, occupational disease or unemployment or temporary disability

⁶ For the sake of clarity, Permitted Encumbrances includes any ad valorem tax liens for unpaid 2019 ad valorem taxes related to the Assets.

related claim, including, without limitation, claims that might otherwise arise under or pursuant to (a) the Employee Retirement Income Security Act of 1974, as amended, (b) the Fair Labor Standards Act, (c) Title VII of the Civil Rights Act of 1964, (d) the Federal Rehabilitation Act of 1973, (e) the National Labor Relations Act, (f) the Age Discrimination and Employee Act of 1967 and Age Discrimination in Employment Act, as amended, (g) the Americans with Disabilities Act of 1990, (h) the Consolidated Omnibus Budget Reconciliation Act of 1985, (i) state discrimination laws, (j) state unemployment compensation laws or any other similar state laws, (k) the Worker Adjustment and Retraining Notification Act, 29 U.S.C §§ 2101 et. seq., or (l) any other state or federal benefits or claims relating to any employment with the Debtors or any of their predecessors; (vi) Interests arising under any environmental, health and safety laws with respect to any assets owned or operated by Debtor or any corporate predecessor at any time prior to the Closing Date and any liabilities of the Debtor other than the Assumed Liabilities; (vii) any bulk sales or similar law; (viii) any tax statutes or ordinances, including, without limitation, the Internal Revenue Code of 1986, as amended; (ix) any and all Interests arising out of violations, or other non-compliance with any law(s), regulation(s), standard(s), guideline(s), enforcement order(s), or any other authority or requirement enforced by, or under the supervision of the Occupational Safety and Health Administration; (x) any theories of successor liability or causes of action related thereto; (xi) any unpaid pre-Effective Time royalties, non-operating working interest disbursements, joint interest billing obligations, or similar interests relating to any oil and gas leases included in the Kansas, West Texas, and Other Assets; and (xii) any rights or claims based on Excluded Contracts or Excluded Liabilities. A sale of the Kansas, West Texas, and Other Assets other than one free and clear of all Interests would yield substantially less value for the Debtor's estate, with less certainty, than the Sale as contemplated. Therefore, the Sale contemplated by the Asset Purchase

Agreement maximizes the Debtor's recovery on the Kansas, West Texas, and Other Assets, and, thus, is in the best interests of the Debtor and its estate, creditors and all other parties in interest.

Q. Satisfaction of Section 363(f) Standards. The Debtor may sell the Kansas, West Texas, and Other Assets free and clear of all Interests (other than Permitted Encumbrances and Assumed Liabilities) because, with respect to each creditor or other person or entity asserting an Interest, one or more of the standards set forth in section 363(f)(1)-(5) of the Bankruptcy Code has been satisfied. Those holders of Interests who did not object (or who ultimately withdrew their objections, if any) to the Sale or the Sale Motion are deemed to have consented to the Sale Motion and Sale pursuant to section 363(f)(2) of the Bankruptcy Code. Those holders of Interests who did object fall within one or more of the other subsections of section 363(f) of the Bankruptcy Code.

R. No Successor Liability. The Buyer is not holding itself out to the public as a continuation of the Debtor and is not an "insider" or "affiliate" of the Debtor, as those terms are defined in the Bankruptcy Code, and no common identity of incorporators, directors or stockholders exists now or has ever existed between the Buyer and the Debtor. The conveyance of the Kansas, West Texas, and Other Assets does not amount to a consolidation, merger or *de facto* merger of the Buyer and the Debtor and/or Debtor's estate, there is not substantial continuity between the Buyer and the Debtor, there is no continuity of enterprise between the Debtor and the Buyer, the Buyer is not a mere continuation of the Debtor or its estate, and the Buyer does not constitute a successor to the Debtor or its estate. To the fullest extent of the law, the Buyer's acquisition of the Kansas, West Texas, and Other Assets shall be free and clear of any "successor liability" claims of any nature whatsoever, whether known or unknown and whether asserted or unasserted as of the Closing. The Buyer's operations shall not be deemed a continuation of the

Debtor's business as a result of the acquisition of the Kansas, West Texas, and Other Assets. The Buyer would not have acquired the Kansas, West Texas, and Other Assets but for the foregoing protections against potential claims based upon "successor liability" theories.

S. Pre-Effective Time Transactions. The liabilities of the Debtor, if any, for all royalty, working interest, overriding royalty interest, joint interest billing obligations, and other vendor obligations related to the Kansas, West Texas, and Other Assets and all other operating expenses accruing after the Petition Date but prior to the Effective Time shall not be affected by this order.

T. Post-Effective Time Transactions. Subject to the terms of the Asset Purchase Agreement, the Buyer shall be responsible for all royalty, working interest, overriding royalty interest, joint interest billing obligations, and other vendor obligations related to the Kansas, West Texas, and Other Assets and all other operating expenses accruing from the Effective Time forward.

U. Assigned Contracts. Each and every provision of the Assigned Contracts or applicable non-bankruptcy law that purports to prohibit, restrict, or condition, or could be construed as prohibiting, restricting, or conditioning assignment of any Assigned Contract has been satisfied or is otherwise unenforceable under section 365 of the Bankruptcy Code. There shall be no rent accelerations, assignment fees, increases or any other fees charged to the Debtor or the Buyer as a result of the assumption and/or assignment of the Assigned Contracts. All counterparties of the Assigned Contracts who did not or do not timely file an objection to the assumption and assignment of the Assigned Contract(s) to which they are counterparty are deemed to consent to the assumption by the Debtor of their respective Assigned Contract(s) and the assignment thereof to the Buyer, and the Buyer shall enjoy all of the rights and benefits under each

such Assigned Contract as of the applicable date of assumption and assignment without the necessity of obtaining such non-debtor party's written consent to the assumption or assignment thereof. Upon the assignment and sale to the Buyer, the Assigned Contracts shall be deemed valid and binding, in full force and effect in accordance with their terms, subject to the provisions of this Sale Order, and shall be assigned and transferred to the Buyer, notwithstanding any provision in the Assigned Contracts prohibiting or otherwise restricting assignment or transfer. The Debtor has demonstrated that it is an exercise of its sound business judgment to assume and assign the Assigned Contracts to the Buyer in connection with the consummation of the Sale of the Kansas, West Texas, and Other Assets, and the assumption and assignment of the Assigned Contracts is in the best interests of the Debtor, its estate and creditors, and other parties in interest. The Assigned Contracts being assigned to the Buyer are an integral part of the Sale of the Kansas, West Texas, and Other Assets and, accordingly, their assumption and assignment are reasonable and an enhancement to the value of the Debtor's estate.

V. Cure/Adequate Assurance. Pursuant to the Asset Purchase Agreement, the Cure Costs will be paid by Buyer as "Assumed Liabilities" under the Asset Purchase Agreement. The Buyer has demonstrated adequate assurance of future performance of all Assigned Contracts within the meaning of section 365 of the Bankruptcy Code, including its promise to perform the Debtor's obligations under the Assigned Contracts for periods on and after the Closing. The Cure Costs are deemed the amounts necessary to "cure" all "defaults" (each, within the meaning of section 365(b) of the Bankruptcy Code) under such Assigned Contracts. Any objections to the Cure Costs, to the extent not otherwise resolved, are hereby overruled. To the extent that any counterparty failed to timely object to its Cure Cost or the assignment of its Assigned Contract or to raise any other alleged default or breach of contract, such counterparty is deemed to have

consented to such Cure Cost and to the assignment of its respective Assigned Contract(s) to the Buyer and to have waived any other defaults or breaches. The payment of the Cure Costs as provided in the Asset Purchase Agreement is appropriate and is deemed to fully satisfy the Debtor's obligations under sections 365(b) and 365(f) of the Bankruptcy Code. Accordingly, all of the requirements of sections 365(b) and 365(f) of the Bankruptcy Code have been satisfied for the assumption by the Debtor, and the assignment by the Debtor to the Buyer, of each of the Assigned Contracts.

W. Kansas, West Texas, and Other Assets Assignable. Any contractual provision or applicable non-bankruptcy law that purports to prohibit, restrict, or condition assignment of any of the Kansas, West Texas, and Other Assets has been satisfied or is otherwise unenforceable under section 365 of the Bankruptcy Code.

X. Sale as Exercise of Business Judgment. Entry into and consummation of the Asset Purchase Agreement constitute the exercise by the Debtor of sound business judgment, and such acts are in the best interests of the Debtor, its estate and creditors, and all parties in interest. The Court finds that the Debtor has articulated good and sufficient business reasons justifying the Sale of the Kansas, West Texas, and Other Assets to the Buyer. Additionally: (i) the Asset Purchase Agreement constitutes the highest and best offer for the Kansas, West Texas, and Other Assets; (ii) the Asset Purchase Agreement and the closing thereon presents the best opportunity to realize the maximum value of the Kansas, West Texas, and Other Assets and avoid a decline and devaluation of the Kansas, West Texas, and Other Assets; (iii) there is risk of deterioration of the value of the Kansas, West Texas, and Other Assets if the Sale is not consummated promptly; and (iv) the Asset Purchase Agreement and the closing thereon will provide a greater recovery for the Debtor's creditors than would be provided by any other presently

available alternative. The Debtor has demonstrated compelling circumstances and a good, sufficient and sound business purpose and justification for the Sale prior to, and outside of, a plan of reorganization.

Y. Compelling Reasons for an Immediate Sale. Good and sufficient reasons for approval of the Asset Purchase Agreement have been articulated by the Debtor. The Debtor has demonstrated compelling circumstances for the Sale outside: (a) the ordinary course of business, pursuant to section 363(b) of the Bankruptcy Code; and (b) a plan of reorganization, in that, among other things, the immediate consummation of the Sale to the Buyer is necessary and appropriate to preserve and to maximize the value of the Debtor's estate. To maximize the value of the Kansas, West Texas, and Other Assets and to preserve the viability of the businesses to which the Kansas, West Texas, and Other Assets relate, it is essential that the Sale occur promptly. Time is of the essence in consummating the Sale.

Z. No Sub Rosa Plan. The Sale does not constitute a *sub rosa* chapter 11 plan. The Sale neither impermissibly restructures the rights of the Debtors' creditors nor impermissibly dictates the terms of a plan of reorganization for the Debtors.

AA. Final Order. This Sale Order constitutes a final order within the meaning of 28 U.S.C. § 158(a). Notwithstanding Bankruptcy Rules 6004(h) and 6006(d), the Court expressly finds that there is no just reason for delay in the implementation of this Sale Order and expressly directs entry of judgment as set forth herein.

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED THAT:

1. Sale Motion Granted. The relief requested in the Sale Motion is GRANTED and the Sale of the Kansas, West Texas, and Other Assets to Buyer is approved, all as set forth in this Sale Order.

2. Objections Overruled. All objections, if any, with regard to the relief sought in the Sale Motion that have not been withdrawn, waived, settled or otherwise dealt with as expressly provided herein or on the record at the Sale Hearing are hereby overruled on the merits, with prejudice.

3. Approval. Pursuant to sections 105, 363 and 365 of the Bankruptcy Code, the Asset Purchase Agreement, the assumption and assignment of the Assigned Contracts to the Buyer as of the Closing Date and the Sale of the Kansas, West Texas, and Other Assets and the other transactions contemplated thereby are hereby approved in all respects. Pursuant to sections 105, 363 and 365 of the Bankruptcy Code, the Debtor and its officers, agents, professionals and other representatives are authorized and directed to perform their obligations under, and comply with the terms of, the Asset Purchase Agreement, and to consummate, the Sale, including the sale, transfer and assignment of all of the Debtor's right, title and interest in the Kansas, West Texas, and Other Assets to the Buyer free and clear of any and all Interests (other than Permitted Encumbrances and the Assumed Liabilities) in accordance with the terms of the Asset Purchase Agreement and this Sale Order. Pursuant to sections 105, 363 and 365 of the Bankruptcy Code, the Debtor, the Buyer and each of their respective officers, directors, employees, professionals, agents and other representatives are each hereby authorized and directed to take any and all actions necessary or appropriate to: (a) consummate the Sale of the Kansas, West Texas, and Other Assets to the Buyer and the Closing of the Sale, pursuant to the Asset Purchase Agreement and this Sale Order, (b) assume and assign the Assigned Contracts to be assumed and assigned to the Buyer as of the Closing Date, and (c) perform, consummate, implement and close fully the Asset Purchase Agreement together with any and all additional instruments and documents that may be reasonably necessary or desirable to implement the Asset Purchase Agreement. The Debtor is hereby

authorized and directed to perform its respective covenants and undertakings as provided in the Asset Purchase Agreement prior to or after the Closing of the Sale without further order of the Court. The Buyer and the Debtor shall have no obligation to close the Sale except as is contemplated and provided for in the Asset Purchase Agreement.

4. Transfer Free and Clear. Pursuant to sections 105, 363 and 365 of the Bankruptcy Code, upon the Closing, neither the Buyer nor its respective successors and assigns shall have any liability for any Interest, except for Permitted Encumbrances and Assumed Liabilities, whether known or unknown as of the Closing Date, now existing or hereafter arising, whether fixed or contingent, whether as a successor, vicariously or otherwise, of any kind, nature or character whatsoever, including for any Interests arising under, without limitation: (i) any labor or employment agreements; (ii) all mortgages, deeds of trust and security interests; (iii) any intercompany loans and receivables between the Debtor and any non-Debtor affiliate; (iv) any welfare, compensation or other employee benefit plans, agreements, practices and programs, including, without limitation, any pension plan of any affiliate of any Debtor, or any member of the Debtor's "control group;" (v) any other employee, worker's compensation, occupational disease or unemployment or temporary disability related claim, including, without limitation, claims that might otherwise arise under or pursuant to (a) the Employee Retirement Income Security Act of 1974, as amended, (b) the Fair Labor Standards Act, (c) Title VII of the Civil Rights Act of 1964, (d) the Federal Rehabilitation Act of 1973, (e) the National Labor Relations Act, (f) the Age Discrimination and Employee Act of 1967 and Age Discrimination in Employment Act, as amended, (g) the Americans with Disabilities Act of 1990, (h) the Consolidated Omnibus Budget Reconciliation Act of 1985, (i) state discrimination laws, (j) state unemployment compensation laws or any other similar state laws, (k) the Worker Adjustment and

Retraining Notification Act, 29 U.S.C §§ 2101 et. seq., or (l) any other state or federal benefits or claims relating to any employment with the Debtors or any of their predecessors; (vi) Interests arising under any environmental, health and safety laws with respect to any assets owned or operated by Debtor or any corporate predecessor at any time prior to the Closing Date and any liabilities of the Debtor other than the Assumed Liabilities; (vii) any bulk sales or similar law; (viii) any tax statutes or ordinances, including, without limitation, the Internal Revenue Code of 1986, as amended; (ix) any and all Interests arising out of violations, or other non-compliance with any law(s), regulation(s), standard(s), guideline(s), enforcement order(s), or any other authority or requirement enforced by, or under the supervision of the Occupational Safety and Health Administration; (x) any theories of successor liability or causes of action related thereto; (xi) any unpaid pre-Effective Time royalties, non-operating working interest disbursements, joint interest billing obligations, or similar interests relating to any oil and gas leases included in the Kansas, West Texas, and Other Assets; and (xii) any rights or claims based on Excluded Contracts or Excluded Liabilities. Any Interests shall attach to the cash proceeds of the Transactions ultimately attributable to the Kansas, West Texas, and Other Assets in which such creditor alleges an Interest with the same validity, extent and priority as immediately prior to the Transactions, subject to any rights, claims and defenses that the Debtor and other parties in interest may possess with respect thereto.

5. Preferential Purchase Rights. Other than contractual rights of first refusal that have been waived by agreement and stipulation, any contractual rights of first refusal or similar contractual purchasing rights regarding the Debtor's Kansas, West Texas, and Other Assets are found to be impermissible restrictions on assignment pursuant to section 365(f) of the Bankruptcy Code and are therefore unenforceable in the context of the Debtor's proposed sale of the Kansas,

West Texas, and Other Assets. Nonetheless, assumption and assignment of any executory contract or unexpired lease by the Debtor to the Buyer shall not be free and clear of any contractual rights of first refusal or similar contractual purchasing rights regarding the Debtor's Kansas, West Texas, and Other Assets, and such rights shall apply to any subsequent transfer or sale as provided under applicable non-bankruptcy law.

6. Surrender of Possession. Any and all Kansas, West Texas, and Other Assets in the possession or control of any person or entity, including any vendor, supplier or employee of the Debtor, shall be transferred to the Buyer free and clear of all Interests, except for Permitted Encumbrances and Assumed Liabilities, and shall be delivered to the Buyer and deemed delivered at the time of Closing (or such other time as provided in the Asset Purchase Agreement).

7. Valid Transfer. Effective upon the Closing, the transfer to the Buyer of the Debtor's right, title and interest in the Kansas, West Texas, and Other Assets pursuant to the Asset Purchase Agreement shall be, and hereby is deemed to be, a legal, valid and effective transfer of the Debtor's right, title and interest in the Kansas, West Texas, and Other Assets, and vests with or will vest in the Buyer all right, title and interest of the Debtor in the Kansas, West Texas, and Other Assets, free and clear of all Interests (other than Permitted Encumbrances or Assumed Liabilities).

8. Exculpation and Release of Buyer. None of the Buyer or any of its members or their respective affiliates, successors, assigns and advisors shall have or incur any liability to, or be subject to any action by the Debtor, its estate or any of its predecessors, successors or assigns, arising out of the negotiation, due diligence in respect of, preparation, execution or delivery of the Asset Purchase Agreement, and the entry into and consummation of the Sale, other than (with respect to the Buyer only) the Assumed Liabilities being assumed by the Buyer.

9. Exculpation and Release of Debtor. Except for the enumerated rights and obligations of the Debtor and the Buyer under the Asset Purchase Agreement, the Buyer, to the extent permitted by law, is hereby deemed to have irrevocably and unconditionally released, remised, and forever discharged the Debtor and its affiliates, and all their past, present and future shareholders, partners, members, board of directors and/or supervisors, managers, officers, employees, agents, representatives and advisors from any and all suits, legal or administrative proceedings, claims, demands, damages, losses, costs, liabilities, interest or causes of action whatsoever at law or in equity, known or unknown, which the Buyer or its affiliates might now or subsequently may have, based on, relating to or arising out of the Asset Purchase Agreement, the transactions contemplated thereby, the ownership, use or operation of the Kansas, West Texas, and Other Assets or the condition, quality, status or nature of the Kansas, West Texas, and Other Assets, including rights to contribution under the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended, breaches of statutory or implied warranties, nuisance or other tort actions, rights to punitive damages, common law rights of contribution and rights under insurance maintained by the Debtor or any of its affiliates.

10. Injunction. Except as expressly provided in the Asset Purchase Agreement or this Sale Order, effective upon the Closing all persons and entities, including, but not limited to, all debt security holders, equity security holders, holders of preferential purchase rights, governmental, tax and regulatory authorities, lenders, vendors, suppliers, employees, trade creditors, litigation claimants and other persons holding Interests (other than Permitted Encumbrances or Assumed Liabilities) against or in the Debtor or the Debtor's interests in the Kansas, West Texas, and Other Assets (whether known or unknown, legal or equitable, matured or unmatured, contingent or noncontingent, liquidated or unliquidated, asserted or unasserted,

whether arising prior to or subsequent to the commencement of this Chapter 11 Case, whether imposed by agreement, understanding, law, equity or otherwise), shall be and hereby are forever barred, estopped and permanently enjoined from asserting, prosecuting or otherwise pursuing such Interests against the Buyer or any of its members or their respective affiliates, agents, advisors, representatives, officers, successors and assigns, the Kansas, West Texas, and Other Assets, or the interests of the Debtor or the Buyer in such Kansas, West Texas, and Other Assets, including, without limitation, taking any of the following actions with respect to an Interest (other than, with respect to the Buyer only, the Permitted Encumbrances and Assumed Liabilities): (a) commencing or continuing in any manner any action or other proceeding against such parties or Kansas, West Texas, and Other Assets; (b) enforcing, attaching, collecting or recovering in any manner any judgment, award, decree or order against such parties or Kansas, West Texas, and Other Assets; (c) creating, perfecting or enforcing any liens, claims, encumbrances or other interests against such parties or Kansas, West Texas, and Other Assets; (d) asserting a Claim as a setoff, right of subrogation or recoupment of any kind against any obligation due the Buyer or its affiliates, agents, advisors, representatives, officers, successors or assigns; or (e) commencing or continuing any action in any manner or place that does not comply, or is inconsistent, with the provisions of this Sale Order or the agreements or actions contemplated or taken in respect thereof. All persons are hereby enjoined from taking any action that would interfere with or adversely affect the Debtor's ability to transfer the Kansas, West Texas, and Other Assets in accordance with the terms of the Asset Purchase Agreement and this Sale Order. Following the Closing, no holder of an Interest (including as such term is used in section 363(f)) against the Debtor shall interfere with the Buyer's title to or use and enjoyment of the Kansas, West Texas, and Other Assets.

11. Good Faith Buyer. The Asset Purchase Agreement has been entered into by the Buyer in good faith and the Buyer is a good faith Buyer of the Kansas, West Texas, and Other Assets as that term is used in section 363(m) of the Bankruptcy Code, and accordingly, the reversal or modification on appeal of the authorization of the Sale provided herein shall neither affect the validity of this Sale nor the transfer of the Kansas, West Texas, and Other Assets to Buyer, free and clear of Interests, unless such authorization is duly stayed before the Closing pending such appeal. The Buyer is entitled to all of the protections afforded by section 363(m) of the Bankruptcy Code, and the Buyer otherwise has proceeded in good faith in all respects in connection with the Sale specifically and this Chapter 11 Case generally.

12. No Bulk Sales. No bulk sales law or any similar law of any state or other jurisdiction shall apply in any way to the transactions contemplated by the Asset Purchase Agreement, the Sale Motion and this Sale Order.

13. Fair and Equivalent Value. The consideration provided by the Buyer for the Kansas, West Texas, and Other Assets under the Asset Purchase Agreement shall be deemed for all purposes to constitute reasonably equivalent value and fair consideration under the Bankruptcy Code and any other applicable law, and the Sale may not be avoided, or costs or damages imposed or awarded under section 363(n) or any other provision of the Bankruptcy Code, the Uniform Fraudulent Transfer Act, the Uniform Fraudulent Conveyance Act or any other similar state laws.

14. Transfer of Marketable Title. Upon the Closing, this Sale Order shall be construed and shall constitute for any and all purposes a full and complete general assignment, conveyance and transfer of all of the Debtor's right, title and interest in the Kansas, West Texas, and Other Assets and/or a bill of sale transferring good and marketable title in such Kansas, West Texas, and

Other Assets to the Buyer at the Closing pursuant to the terms of the Asset Purchase Agreement, free and clear of all Interests (other than Permitted Encumbrances or Assumed Liabilities).

15. No Successor Liability. The consummation of the Sale does not amount to a consolidation, merger or *de facto* merger of the Buyer and the Debtor and/or its estate, there is not substantial continuity between the Buyer and the Debtor, there is no continuity of enterprise between the Debtor and the Buyer, the Buyer is not a mere continuation of the Debtor or its estate, and the Buyer does not constitute a successor to the Debtor or its estate. Upon the Closing, to the fullest extent of the law, the Buyer's acquisition of the Kansas, West Texas, and Other Assets shall be free and clear of any "successor liability" claims of any nature whatsoever, whether known or unknown and whether asserted or unasserted as of the time of the Closing. The Kansas, West Texas, and Other Assets shall not be subject to any Interests arising under or in connection with any Excluded Contract, Excluded Asset, or Excluded Liability. The Buyer's operations shall not be deemed a continuation of the Debtor's business as a result of the acquisition of the Kansas, West Texas, and Other Assets. The transfer of the Kansas, West Texas, and Other Assets to the Buyer, except as otherwise set forth in the Asset Purchase Agreement, does not, and will not, subject the Buyer to any liability whatsoever, with respect to operation of the Debtor's business prior to the Closing.

16. Authorization to Assign. Pursuant to section 365(f) of the Bankruptcy Code, and the Asset Purchase Agreement, and notwithstanding any provision of any contract governing the Kansas, West Texas, and Other Assets or any Assigned Contract to be assumed and assigned to the Buyer or applicable non-bankruptcy law that prohibits, restricts, or conditions the assignment of the Kansas, West Texas, and Other Assets or the Assigned Contracts, the Debtor is authorized to (a) assign, sell and transfer the Kansas, West Texas, and Other Assets to the Buyer and

(b) assume and assign the Assigned Contracts to the Buyer, which assignments shall take place on and be effective as of the Closing Date or as otherwise provided by a separate order of this Court.

a. There shall be no accelerations, assignment fees, increases, or any other fees charged to the Buyer or the Debtor as a result of the assumption and assignment of the Kansas, West Texas, and Other Assets and the Assigned Contracts.

b. The Debtor has met all of the requirements of section 365(b) of the Bankruptcy Code for each of the Assigned Contracts to be assumed and assigned to the Buyer as of Closing. Notwithstanding the foregoing, unless required by the Buyer under the Asset Purchase Agreement, no Debtor shall be required by the Court to assume and assign any Assigned Contracts, and, if no such assumption and assignment occurs, no Cure Costs shall be due and no adequate assurance of future performance shall be required.

c. The Debtor's assumption of the Assigned Contracts is subject to the consummation of the Sale of the Kansas, West Texas, and Other Assets to the Buyer. To the extent that an objection by a counterparty to any Assigned Contract, including an objection related to the applicable Cure Cost, is not resolved prior to the Closing, the Buyer may, without any further approval of the Court or notice to any party, elect to (i) not have the Debtor assume and assign such Assigned Contract to it or (ii) have the Debtor postpone the assumption of such Assigned Contract in accordance with section 2.5 of the Asset Purchase Agreement until the resolution of such objection; provided that the Debtor, the Buyer, and the relevant non-debtor counterparty under each Assigned Contract shall have authority to compromise, settle or otherwise resolve any objections to proposed Cure Costs without further order of the Bankruptcy Court, with any such agreed upon Cure Costs being paid to the appropriate counterparty as a condition subsequent to such assumption and assignment of the relevant Assigned Contract.

d. The Debtor is authorized to execute and deliver to the Buyer such agreements, documents and other instruments as may facilitate or document the sale, assignment, transfer, conveyance and delivery of the Assigned Contracts to the Buyer.

17. Assigned Contracts. As of the Closing, subject to the provisions of this Sale Order, the Buyer shall succeed to the entirety of the Debtor's rights and obligations in the Assigned Contracts to be assumed and assigned to the Buyer first arising and attributable to the time period occurring on or after the Closing and shall have all rights thereunder. Each non-Debtor party to an Assigned Contract is hereby forever barred, estopped, and permanently enjoined from raising or asserting against the Debtor or the Buyer, or the property of either of them, any assignment fee, default, breach or claim of pecuniary loss, or condition to assignment, arising under or related to the Assigned Contracts, existing as of the date of the Sale Hearing, or arising by reason of the consummation of transactions contemplated by the Asset Purchase Agreement, including the Sale and the assumption and assignment of the Assigned Contracts. Any party that may have had the right to consent to the assignment of an Assigned Contract is deemed to have consented to such assignment for purposes of section 365(e)(2)(A)(ii) of the Bankruptcy Code if such party failed to object to the assumption and assignment of such Assigned Contract.

a. Upon Closing, (i) all defaults (monetary and non-monetary) under the Assigned Contracts shall be deemed cured and satisfied in full through the payment of the Cure Costs, (ii) no other amounts will be owed by the Debtor, its estate or the Buyer with respect to amounts first arising or accruing during, or attributable or related to, the period before Closing with respect to the Assigned Contracts and (iii) any and all persons or entities shall be forever barred and estopped from asserting a claim against the Debtor, its estate, the Buyer, or the Kansas, West Texas, and Other Assets, that any additional amounts are due or that any defaults exist under

the Assigned Contracts that arose or accrued, or relate to or are attributable to the period before the Closing, whether declared or undeclared, or known or unknown. The Buyer's promise pursuant to the terms of the Asset Purchase Agreement to pay the Cure Costs and to perform the Debtor's obligations under the Assigned Contracts for the period on or after the Closing shall constitute adequate assurance of its future performance under the Assigned Contracts being assigned to it as of the Closing within the meaning of sections 365(b)(1)(C) and (f)(2)(B) of the Bankruptcy Code.

b. Upon assumption of the Assigned Contracts, such Assigned Contracts shall be deemed valid and binding, in full force and effect in accordance with their terms, subject to the provisions of this Sale Order, and shall be assigned and transferred to the Buyer notwithstanding any provision in such Assigned Contracts or other restrictions prohibiting assignment or transfer. The assumption and assignment of the Assigned Contracts as authorized under this Sale Order will not take effect until the Closing. Furthermore, other than Assigned Contracts, no other contract shall be deemed assumed by the Debtor and assigned to the Buyer pursuant to section 365 of the Bankruptcy Code. The failure of the Debtors or the Buyer to enforce at any time one or more terms or conditions of any Assigned Contract shall not be a waiver of such terms or conditions, or of the Debtors' and the Buyer's rights to enforce every term and condition of such Assigned Contract.

c. All counterparties to the Assigned Contracts to be assumed and assigned to Buyer as of the Closing shall cooperate and expeditiously execute and deliver, upon the reasonable request of the Buyer, and shall not charge the Debtor or the Buyer for, any instruments, applications, consents, or other documents which may be required or requested by any public or

quasi-public authority or other party or entity to effectuate the applicable transfers in connection with the Transactions.

d. Notwithstanding the foregoing, in accordance with and pursuant to the terms and conditions of Section 2.5 of the Asset Purchase Agreement, the Debtor may, at the Buyer's direction, amend the list of Assigned Contracts and designate any Assigned Contract as an Excluded Contract without further Court order. If the list of Assigned Contracts attached to the Asset Purchase Agreement at Disclosure Schedule 5.4 is amended from the version attached to this Sale Order, then the Debtor shall file a final notice listing all Assigned Contracts as soon as practicable following such amendment; provided that the Designation Deadline for any Executory Contract with respect to which a dispute regarding a Cure Amount exists on such date shall be five (5) days after the resolution of such dispute.

18. Ad Valorem Taxes. For the avoidance of doubt, the ad valorem tax liens of Atlanta ISD, Harris County, Robertson County, and Shelby County for the 2019 tax year are hereby expressly retained against the Kansas, West Texas, and Other Assets until payment is made to fully satisfy the 2019 ad valorem taxes, and any penalties or interest which may ultimately accrue to those 2019 taxes if not timely paid.

19. Police and Regulatory Power. Nothing in this Sale Order or the Asset Purchase Agreement releases, nullifies, precludes, or enjoins the enforcement of any police or regulatory liability to a governmental unit that any entity would be subject to as the owner or operator of property after the date of entry of this Sale Order. Nothing in this Sale Order or the Asset Purchase Agreement authorizes the transfer or assignment of any governmental (a) license, (b) permit, (c) registration, (d) authorization or (e) approval, or the discontinuation of any obligation thereunder, without compliance with all applicable legal requirements and approvals under police or regulatory

law. Nothing in this Sale Order divests any tribunal of any jurisdiction it may have under police or regulatory law to interpret this Sale Order or to adjudicate any defense asserted under this Sale Order.

20. Release of Interests. Effective upon the Closing, this Sale Order: (a) is and shall be effective as a determination that all Interests (other than Permitted Encumbrances or Assumed Liabilities) of any kind or nature whatsoever existing as to the Kansas, West Texas, and Other Assets prior to the Closing have been unconditionally released, discharged and terminated, and that the conveyances described herein have been effected; (b) is and shall be binding upon and shall govern the acts of all entities, including all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, administrative agencies or units, governmental departments or units, secretaries of state, federal, state and local officials and all other persons and entities who may be required by operation of law, the duties of their office, or contract, to accept, file, register or otherwise record or release any documents or instruments, or who may be required to report or insure any title or state of title in or to the Kansas, West Texas, and Other Assets conveyed to the Buyer, and all recorded Interests (other than Permitted Encumbrances or Assumed Liabilities) against the Kansas, West Texas, and Other Assets shall be deemed stricken from such entities' records, official and otherwise.

21. Approval to Release Interests. If any person or entity that has filed financing statements, mortgages, mechanic's liens or other documents or agreements evidencing Interests in, Liens on, or Claims against the Kansas, West Texas, and Other Assets shall not have delivered to the Debtor before the Closing, in proper form for filing and executed by the appropriate parties, the appropriate documentation with respect to the release of such Interests, the Debtor and the Buyer are hereby authorized to execute and file such statements, instruments, releases and other

documents on behalf of such person or entity with respect to the Kansas, West Texas, and Other Assets. The Buyer is hereby authorized to file, register or otherwise record a certified copy of this Sale Order, which, once filed, registered or otherwise recorded, shall constitute conclusive evidence of the release of all Interests against the Kansas, West Texas, and Other Assets other than the Permitted Encumbrances and the Assumed Liabilities. This Sale Order is deemed to be in recordable form sufficient to be placed in the filing or recording system of each and every federal, state or local government agency, department or office.

22. Allocation of Kansas, West Texas, and Other Assets. The Buyer is hereby authorized in connection with the consummation of the Sale to allocate the Kansas, West Texas, and Other Assets, including the Assigned Contracts, among its affiliates, designees, assigns, and/or successors, in a manner as it in its sole discretion deems appropriate, and to assign, lease, sublease, license, sublicense, transfer, or otherwise dispose of any of the Kansas, West Texas, and Other Assets, including the Assigned Contracts, to its affiliates, designees, assignees and/or successors with all of the rights and protections accorded to the Buyer under this Sale Order and the Asset Purchase Agreement with respect thereto. The Debtor shall cooperate with and take all actions reasonably requested by the Buyer to effectuate any of the foregoing.

23. Governmental Authorization to Effectuate Sale and Assignments. Each and every federal, state and governmental agency or department, and any other person or entity, is hereby authorized to accept any and all documents and instruments in connection with or necessary to consummate the transactions contemplated by the Asset Purchase Agreement. No governmental unit may revoke or suspend any lawful right, license, trademark or other permission relating to the use of the Kansas, West Texas, and Other Assets sold, transferred or conveyed to the Buyer on account of the filing or pendency of this Chapter 11 Case or the consummation of the Transactions.

For the avoidance of doubt, the Sale of the Kansas, West Texas, and Other Assets authorized herein shall be of full force and effect, regardless of whether the Debtor or any of their affiliates lack good standing in any jurisdiction in which such entity is formed or is authorized to transact business.

24. Inconsistencies with Prior Orders, Pleadings or Agreements. To the extent this Sale Order is inconsistent with any prior order or pleading with respect to the Motion in this Chapter 11 Case, the terms of this Sale Order shall govern. To the extent there is any inconsistency between the terms of this Sale Order and the terms of the Asset Purchase Agreement (including all ancillary documents executed in connection therewith), the terms of this Sale Order shall govern.

25. Binding Effect of Sale Order; Subsequent Orders. This Sale Order and the Asset Purchase Agreement shall be binding in all respects upon the Debtor, its estate, all creditors of, and holders of equity interests in, the Debtor, any holders of Interests in, against or on all or any portion of the Kansas, West Texas, and Other Assets (whether known or unknown), the Buyer and all successors and assigns of the Buyer, all successors and assigns to the Kansas, West Texas, and Other Assets and any trustee, examiner, “responsible person” or other fiduciary appointed in the Chapter 11 Cases or upon a conversion to chapter 7 under the Bankruptcy Code. Any such trustee, examiner, “responsible person” or other fiduciary appointed in the Chapter 11 Case or upon a conversion to chapter 7 under the Bankruptcy Code shall have full authority to take any action or execute any document on behalf of the Debtor as may be necessary to ensure the full performance of the Debtor’s obligations under Section 2.7 of the Asset Purchase Agreement. The Asset Purchase Agreement shall not be subject to rejection or avoidance under any circumstances. If any order under section 1112 of the Bankruptcy Code is entered, such order shall provide (in accordance with sections 105 and 349 of the Bankruptcy Code) that this Sale Order, including the

rights granted to the Buyer hereunder, shall remain effective and, notwithstanding such conversion or dismissal, shall remain binding on parties in interest. This Sale Order shall not be modified by any chapter 11 plan confirmed in this Chapter 11 Case or any subsequent order(s) of this Court.

26. Failure to Specify Provisions. The failure specifically to include or make reference to any particular provisions of the Asset Purchase Agreement or any related ancillary document in this Sale Order shall not diminish or impair the effectiveness of such provision, it being the intent of the Court that the Asset Purchase Agreement and all related ancillary documents are authorized and approved in their entirety.

27. Retention of Jurisdiction. The Court retains jurisdiction with respect to all matters arising from or related to the implementation of this Sale Order, including, without limitation, the authority to: (i) interpret, implement and enforce the terms and provisions of this Sale Order (including the exculpation, release and injunctive provisions in this Sale Order) and the terms of the Asset Purchase Agreement, all amendments thereto and any waivers and consents thereunder; (ii) protect the Buyer, or the Kansas, West Texas, and Other Assets, from and against any Interests (other than Permitted Encumbrances or Assumed Liabilities); (iii) compel delivery of all Kansas, West Texas, and Other Assets to the Buyer; (iv) compel the Debtor and the Buyer to perform all of their respective obligations under the Asset Purchase Agreement; and (v) resolve any disputes arising under or related to the Asset Purchase Agreement or the Sale.

28. Automatic Stay. The Buyer shall not be required to seek or obtain relief from the automatic stay under section 362 of the Bankruptcy Code to enforce any of its remedies under the Asset Purchase Agreement or any other sale-related document. The automatic stay imposed by section 362 of the Bankruptcy Code is modified solely to the extent necessary to implement the provisions of this Sale Order.

29. No Material Modifications. The Asset Purchase Agreement and any related agreements, documents or other instruments may be modified, amended, or supplemented through a written document signed by the parties thereto in accordance with the terms thereof without further order of the Court; provided, however, that any such modification, amendment or supplement is neither material nor materially changes the economic substance of the transactions contemplated hereby.

30. Immediate Effect. This Sale Order constitutes a final order within the meaning of 28 U.S.C. § 158(a). Notwithstanding any provision in the Bankruptcy Rules to the contrary, the Court expressly finds there is no reason for delay in the implementation of this Sale Order and, accordingly: (i) the terms of this Sale Order shall be immediately effective and enforceable upon its entry and the fourteen (14) day stay provided in Bankruptcy Rule 6004(h) and Bankruptcy Rule 6006(d) is hereby expressly waived and shall not apply; (ii) the Debtor is not subject to any stay in the implementation, enforcement or realization of the relief granted in this Sale Order; and (iii) the Debtor may, in its discretion and without further delay, take any action and perform any act authorized under this Sale Order.

31. Provisions Non-Severable. The provisions of this Sale Order are nonseverable and mutually dependent.

32. Back-Up Bidder. The combined bid of (a) Ritchie Exploration, Inc. for the Kansas Assets in the cash bid amount of \$2,451,000 and (b) O2 Energy, LLC for the West Texas and Other Assets in the cash bid amount of \$924,000 is hereby declared the Back-Up Bid for the Kansas, West Texas, and Other Assets, and Ritchie Exploration, Inc. and O2 Energy, LLC together are declared the Back-Up Bidder for the Kansas, West Texas, and Other Assets. Subject to, and in accordance with, the terms of this Sale Order, the Debtor is authorized to consummate, complete

and close the sale of the Kansas, West Texas, and Other Assets and the assumption and assignment of the Assigned Contracts to the Back-Up Bidder in the event that the sale to the Buyer as contemplated by the Asset Purchase Agreement does not close for any reason whatsoever, without further order of this Court.

33. Satisfaction of Conditions Precedent. Neither the Buyer nor the Debtor shall have an obligation to close the Transactions until all conditions precedent in the Asset Purchase Agreement to each of their respective obligations to close the Transactions have been met, satisfied, or waived in accordance with the terms of the Asset Purchase Agreement.

ASSET PURCHASE AGREEMENT

THIS ASSET PURCHASE AGREEMENT (this “Agreement”), dated as of August 27, 2019 (“Execution Date”), is by and between O’Benco IV, LP, a Delaware limited partnership (“Seller”), and Pachira Oil and Gas, LLC, a Delaware limited liability company (“Buyer”). The assumption by Buyer of the Assumed Liabilities shall not, in any way, enlarge the rights of any third parties relating thereto.

2.4 Excluded Liabilities.

Notwithstanding any provision in this Agreement to the contrary, Buyer shall not assume and shall not be obligated to assume or be obliged to pay, perform or otherwise discharge any Liability of Seller, and Seller shall be solely and exclusively liable with respect to all Liabilities of Seller, other than the Assumed Liabilities (such Liabilities other than Assumed Liabilities, collectively, the “Excluded Liabilities”). For purposes of clarity, and without limitation of the generality of the foregoing, the Excluded Liabilities shall include, without limitation, each of the following Liabilities of Seller, other than the Assumed Liabilities:

2.5 Assigned Contracts and Cure Costs.

(a) At the Closing (or, if the applicable Assigned Contract or Assigned Lease and Interest is not assigned to Buyer at Closing pursuant to the terms of Section 2.6 or Section 8.8, then at the time of the assignment of such Assigned Contract or Assigned Lease and Interest to Buyer, if ever), Buyer shall pay, pursuant to Section 365 of the Bankruptcy Code and the Sale Order, any and all cure and reinstatement costs or expenses that are required to be paid under sections 365(b)(1)(A) and (B) of the Bankruptcy Code in connection with the assumption and assignment of the Assigned Contracts and Assigned Leases and Interests (the “Cure Costs”). For the avoidance of doubt, the payment of any Cure Costs called for by this Agreement shall be made by Buyer in cash at Closing and shall be in addition to the Purchase Price but in no event shall Buyer be required to make any payment of Cure Costs for, and shall not assume any Liabilities with respect to, any Contract that is not an Assigned Contract.

(b) Schedule 2.5(b) sets forth each Executory Contract and Seller’s good faith estimate of the amount of the Cure Costs payable in respect of each such Executory Contract (and if no Cure Cost is estimated to be payable in respect of any particular Executory Contract, the amount of such Cure Cost designated for such Contract shall be “\$0.00”).

(c) Ten (10) Business Days after Seller has made available to Buyer correct and complete copies of all Executory Contracts listed on Schedule 2.5(b), and subject to Buyer’s rights under Section 2.5(e) below to subsequently amend such designations, Buyer will deliver to Seller (i) an **Exhibit C**, to be determined in Buyer’s sole discretion, which shall be a schedule of the Executory Contracts to be

assumed by Seller and assigned to Buyer (as Assigned Contracts) at the Closing, and (ii) a Schedule 2.2(h), to be determined in Buyer's sole discretion, which shall be a schedule of the Executory Contracts to be rejected by Seller (as Excluded Contracts). The Seller shall provide sufficient notice under the Bankruptcy Code and local rules of the Bankruptcy Court to all counterparties to the Assigned Contracts of their assumption or rejection and, with respect to the Assigned Contracts to be assumed, also provide a schedule of Cure Costs.

(d) On the date that is no later than five (5) days prior to the Sale Hearing Date, the Seller shall deliver a written notice in a form reasonably acceptable to Buyer of the proposed assignments of the Executory Contracts and the proposed Cure Costs for each Executory Contract to all non-debtor parties of Executory Contracts, which notice shall notify each non-debtor party of (i) the proposed Cure Cost for such Executory Contract and (ii) an objection deadline for such non-debtor party to object to the proposed Cure Cost.

(e) At any time prior to the Designation Deadline, Buyer shall have the right, which may be exercised in Buyer's sole discretion, to provide written notice to Seller (each such notice, a "Contract Notice") of Buyer's election to designate any Executory Contract (including any Contract that is an Assigned Contract immediately before such designation) (1) as an Excluded Contract, and upon such designation such Contract shall constitute an Excluded Contract and, if applicable, shall cease to constitute an Assigned Contract or (2) to the extent not already rejected, as an Assigned Contract and upon such designation such Contract shall constitute an Assigned Contract and shall cease to constitute an Excluded Contract. If, at any time after the Designation Deadline, the Cure Costs fixed by the Bankruptcy Court for any Assigned Contract are (i) greater than the amount set forth on the initial schedule of Cure Costs filed by Seller with the Bankruptcy Court prior to the Designation Deadline and (ii) are not consented to by Buyer, then Buyer shall be permitted, no later than two (2) Business Days after entry of an order by the Bankruptcy Court setting such Cure Costs, to provide Seller a Contract Notice of Buyer's election to revoke its designation of any such Contract as an Assigned Contract and thereupon such Contract shall be deemed to be an Excluded Contract for all purposes of this Agreement. The Parties shall amend Schedule 2.2(h) and Exhibit C to reflect changes made pursuant to this Section 2.5(e).

(f) If Buyer exercises its rights in Section 2.5(e) above to designate a Contract, including a Contract that was an Assigned Contract immediately before such designation, as an Excluded Contract, there shall be no reduction in the Purchase Price as a result of such designation or change in designation.

2.6 Assignment of Oil and Gas Assets Subject to Consent Requirements.

(a) Within three (3) Business Days after the Sale Order is entered, Seller shall send letters seeking any consent to assignment (including Hard Consents) or approval rights applicable to the transactions contemplated hereby. Subject to Section 2.6(b), this Agreement shall not constitute an agreement to assign or transfer and shall not effectuate the assignment or transfer of any Oil and Gas Asset if such Oil and Gas Asset is subject to an un-obtained Hard Consent. Seller and Buyer shall use their commercially reasonable efforts to obtain all such Hard Consents; *provided, however*, neither Seller nor Buyer will be obligated to pay any consideration or initiate any Proceedings to obtain any such Hard Consent. Subject to Section 2.6(b), each Oil and Gas Asset affected by a Hard Consent that is not obtained prior to Closing shall, at the option of Buyer, be held back from the Oil and Gas Assets conveyed at Closing (without any adjustment to the Purchase Price), subject to the following provisions of this Section 2.6(a). If any of the Oil and Gas Assets is not conveyed at Closing due to failure to obtain a Hard Consent, then (1) Seller shall, following the Closing, at Buyer's sole expense and subject to any approval of the Bankruptcy Court that may be required, reasonably cooperate with Buyer to provide to Buyer the benefits thereof in some other manner (including the exercise of the rights of Seller thereunder or the subcontracting,

sub licensing, or sub-leasing thereof) and (2) such Oil and Gas Asset shall be conveyed to Buyer within ten (10) Business Days after such Hard Consent has been obtained, waived or otherwise satisfied or after Buyer otherwise so requests, whichever occurs earlier. Except for Hard Consents, if any consents to the assignment of any Oil and Gas Asset are not obtained prior to Closing, such Oil and Gas Asset shall nevertheless be sold and conveyed to Buyer at the Closing. Notwithstanding the foregoing, nothing in this Section 2.6 shall (x) require Seller to make any expenditure or incur any obligation on its own or on behalf of Buyer, or (y) prohibit Seller from ceasing operations or winding up its affairs following the Closing.

(b) The provisions of Section 2.6(a) shall only apply with respect to those Oil and Gas Assets (i) that are subject to any consent to assignment (including Hard Consents) or approval rights applicable to the transactions contemplated hereby and (ii) which cannot be acquired by Buyer free and clear of such consent to assignment or approval right pursuant to the Bidding Procedures Order, the Sale Order or the Bankruptcy Code.

2.7 Further Assurances.

The Parties agree to (a) furnish upon request to each other such further information, (b) execute, acknowledge and deliver to each other such other documents, and (c) do such other acts and things, all as the other Party may reasonably request for the purpose of carrying out the intent of this Agreement and the Transaction Documents; *provided*, that Seller's covenants and obligations after Closing shall be limited to the extent Seller has employees and resources available for such purposes and *provided, further* that nothing in this Section 2.7 or anywhere else in this Agreement shall prohibit Seller from ceasing operations or winding up its affairs following the Closing.

(b) If the Closing of the sale of the Oil and Gas Assets by Seller to Buyer pursuant to this Agreement is not consummated because of a breach of this Agreement by Buyer resulting in termination pursuant to Section 11.1(c)(i), then, in such event, Seller shall have the right to receive the Good Faith Deposit, free of any claims by Buyer thereto, as liquidated damages due to the difficulty of ascertaining actual damages with any certainty and, to the fullest extent permitted by applicable Legal Requirements, the Good Faith Deposit shall be Seller's sole and exclusive remedy with respect to such breach by Buyer notwithstanding any provision to the contrary contained in Article 11 or elsewhere in this Agreement.

(c) If this Agreement is terminated for any reason other than a breach of this Agreement by Buyer resulting in termination pursuant to Section 11.1(c)(i), Buyer shall be reimbursed the Good Faith Deposit, together with any interest or other earnings thereon. The Parties shall cause the reimbursement of the Good Faith Deposit to be delivered to Buyer within five (5) Business Days of such termination, free of any claims by Seller with respect thereto.

Buyer is not or will not be required to give any notice to or obtain any consent from any Person in connection with the execution and delivery of this Agreement and the other Transaction Documents to which it is a Party or the consummation or performance of any of the transactions contemplated hereby or thereby, except for such notices, filings and consents, the failure of which to provide, make or obtain, would not, individually or in the aggregate, affect Buyer's ability to perform its obligations under this Agreement or any other Transaction Documents or to consummate the transactions contemplated hereby or thereby.

6.3 No Conflict.

When the consents and other actions described in Section 6.2 have been obtained and taken, the execution and delivery of this Agreement and the other Transaction Documents and the consummation of the transactions provided for herein and therein will not result in the breach of any of the terms and provisions of, or constitute a default under, or conflict with, or cause any acceleration of any obligation of Buyer under (a) any agreement, indenture, or other instrument to which it is bound, (b) the partnership agreement, bylaws or other governing documents of Buyer, as applicable, (c) any Order or (d) any Legal Requirement.

6.4 Availability of Funds.

(a) Subject to applicable Legal Requirements, upon receipt of written notice from Buyer of any such activities no less than two (2) Business Days in advance, Seller shall (and shall cause its Affiliates to) afford Buyer's authorized Representatives reasonable access, during normal business hours until the date that is five (5) Business Days prior to the scheduled Closing Date, to its employees, properties, books, Contracts and Records, and, during such period, Seller shall furnish promptly to Buyer all information concerning the Oil and Gas Assets as may reasonably be requested; *provided, however*, such access shall not interfere with the ordinary conduct of business or the operation of the Oil and Gas Assets and, unless Seller provides written consent otherwise, at all times during such access, Buyer's authorized Representatives shall be accompanied by at least one Representative of Seller. All requests for information made pursuant to this Section 7.1 shall be submitted in accordance with Section 13.4. All such information shall be governed by the terms of the Confidentiality Agreement. No investigation pursuant to this Section 7.1 or by Buyer or its Representatives at any time prior to or following the date hereof shall affect or be deemed to modify any representation or warranty made by the Seller herein.

(b) From and after the execution of this Agreement until the date that is five (5) Business Days prior to the scheduled Closing Date, Buyer shall have the right, at its sole cost, risk, liability, and expense, to conduct a Phase I Environmental Site Assessment of the Oil and Gas Assets. During the Seller's regular hours of business and after providing the Seller with written notice of any such activities no less than two (2) Business Days in advance (which written notice shall include the written permission of the operator (if other than a Seller) and any other third party whose permission is legally required, which Seller shall reasonably cooperate with Buyer in securing), Buyer and its authorized Representatives shall be permitted to enter upon the Oil and Gas Assets, inspect the same, review all of Seller's files and records (other than those for which Seller has an attorney-client privilege) relating to the Oil and Gas Assets, and generally conduct visual, non-invasive tests, examinations, and investigations; *provided, however*, that such entry shall not interfere with the ordinary conduct of business or operation of the Oil and Gas Assets and, unless Seller provides written consent otherwise, at all times during such entry, Buyer's authorized Representatives shall be accompanied by at least one Representative of Seller. No sampling or other invasive inspections of the Oil and Gas Assets may be conducted without the Seller's prior written consent, which shall not be unreasonably withheld. The withholding of consent to sampling or any other invasive inspection by the Seller shall be deemed reasonable if (without limitation) the need for such sampling or invasive testing was not indicated from a visual inspection or, based on the Phase I Environmental Assessment. Seller will have the right, which it may exercise at its sole discretion, to (i) observe such investigation, and (ii) promptly receive a copy of all results, analyses, reports, and reviews, except for such information for which Buyer has an attorney-client privilege. All information obtained or reviewed by Buyer shall be maintained confidential by Buyer and shall be governed by the terms of the Confidentiality Agreement.

(c) This Section 7.1 shall not require Seller to permit any access to, or to disclose (i) any information that, in the reasonable, good faith judgment (after consultation with counsel, which may be in-house counsel) of the Seller, is reasonably likely to result in any violation of any Legal Requirement or any Contract to which the Seller is a party or cause any privilege (including attorney-client privilege) that Seller would be entitled to assert to be undermined with respect to such information and such undermining of such privilege could in the Seller's good faith judgment (after consultation with counsel, which may be in-house counsel) adversely affect in any material respect Seller's position in any pending or, what the Seller believes in good faith (after consultation with counsel, which may be in-house counsel)

could be, future litigation or (ii) if the Seller, on the one hand, and Buyer or any of its Affiliates, on the other hand, are adverse parties in a litigation, any information that is reasonably pertinent thereto; *provided*, that, in the case of clause (i), the Parties shall cooperate in seeking to find a way to allow disclosure of such information to the extent doing so (A) would not (in the good faith belief of the Seller (after consultation with counsel, which may be in-house counsel)) be reasonably likely to result in the violation of any such Legal Requirement or Contract or be reasonably likely to cause such privilege to be undermined with respect to such information or (B) could reasonably (in the good faith belief of the Seller (after consultation with counsel, which may be in-house counsel)) be managed through the use of customary “clean-room” arrangements pursuant to which non-employee Representatives of Buyer could be provided access to such information.

(d) The information provided pursuant to this Section 7.1 shall be used solely for the purpose of the transactions contemplated by this Agreement, and such information shall be kept confidential by Buyer and Seller in accordance with, and Buyer and Seller shall otherwise abide by and be subject to the terms and conditions of, the Confidentiality Agreement.

(e) BUYER HEREBY AGREES TO DEFEND, RELEASE, INDEMNIFY AND HOLD HARMLESS SELLER PARTIES FROM AND AGAINST ANY AND ALL LIABILITIES THAT MAY BE ASSERTED AGAINST ANY SELLER PARTY, BASED UPON INJURY TO PERSON, INCLUDING DEATH, OR TO PROPERTY, ARISING IN ANY MANNER WHATSOEVER FROM ANY INSPECTION BY ANY BUYER PARTY OF THE OIL AND GAS ASSETS AND ACCESS BY ANY BUYER PARTY TO THE OIL AND GAS ASSETS PRIOR TO THE CLOSING DATE, **WHETHER OR NOT BASED UPON STRICT LIABILITY OR CAUSED BY THE SOLE OR CONCURRENT NEGLIGENCE (WHETHER ACTIVE OR PASSIVE) OF ANY SELLER PARTY, UNLESS SUCH INJURY WAS OCCASIONED SOLELY BY THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF A SELLER PARTY.**

7.2 Operations Prior to the Closing Date.

Seller covenants and agrees that, except (v) as expressly contemplated by this Agreement, (w) as disclosed in Schedule 7.2, (x) with the prior written consent of Buyer (which consent shall not be unreasonably withheld, conditioned or delayed) or (y) as otherwise required by Legal Requirements, after the Effective Time and prior to the Closing Date:

(a) Seller shall:

(i) pay or cause to be paid all Property Costs with respect to the Oil and Gas Assets for which it receives joint interest billings from the applicable operator of such Oil and Gas Assets;

(ii) maintain its books, accounts and records in accordance with past custom and practice; and

(iii) use commercially reasonable efforts, taking into account Seller’s status as debtors in possession and as a non-operator, to maintain its relationships with and preserve the goodwill of its key service providers.

(b) Seller shall not:

(i) exercise any election to abandon any Oil and Gas Asset (except any abandonment of Leases to the extent any such Leases terminate pursuant to their terms);

(ii) propose or agree to participate in any single operation with respect to the Wells or Assigned Leases and Interests with an anticipated cost in excess of Fifty Thousand Dollars (\$50,000), except for emergency operations, operations scheduled under the AFEs, or operations required by any Governmental Authority;

(iii) terminate, cancel, or materially amend or modify any Assigned Contract or Assigned Lease and Interest;

(iv) sell, lease, encumber, or otherwise dispose of all or any portion of any Oil and Gas Assets, except sales of Hydrocarbons in the ordinary course of business; or

(v) enter into any agreement or commitment to take any action prohibited by this Section 7.2(b).

Notwithstanding the foregoing provisions of this Section 7.2, in the event of an emergency, Seller may take such action as reasonably necessary and shall notify Buyer of such action promptly thereafter. Buyer acknowledges that Seller owns undivided interests in the Oil and Gas Assets and is not the operator of the Oil and Gas Assets. The acts or omissions of third Persons (including the applicable operators of the Oil and Gas Assets) who are not controlled Affiliates of Seller shall not constitute a violation of the provisions of this Section 7.2, nor shall any action required by a vote of working interest owners constitute such a violation so long as the Seller has voted its interests in a manner consistent with the provisions of this Section 7.2.

7.3 Reasonable Best Efforts.

(a) Seller, on the one hand, and Buyer, on the other hand, shall use reasonable best efforts to take, or cause to be taken, all actions, and to do, or cause to be done, and to assist and cooperate with the other in doing, all things necessary, proper or advisable to consummate and make effective, in the most expeditious manner practicable, the transactions contemplated hereby, including using reasonable best efforts to accomplish the following: (i) the taking of all reasonable acts necessary to cause the conditions precedent set forth in Article 9 and Article 10 to be satisfied, (ii) the obtaining, at the earliest practicable date, of all necessary Governmental Authorizations and the making of all necessary registrations, declarations and filings (including registrations, declarations and filings with Governmental Authorities, if any) and the taking of all reasonable steps as may be necessary to avoid any Proceeding by any Governmental Authority, and (iii) the execution or delivery of any additional instruments necessary to consummate the transactions contemplated hereby and to fully carry out the purposes of this Agreement.

(b) To the extent required by applicable Legal Requirement, Seller, on the one hand, and Buyer, on the other hand, (i) shall promptly inform each other of any communication from any Governmental Authority concerning this Agreement, the transactions contemplated hereby, and any filing, notification or request for approval and (ii) shall permit the other to review in advance any proposed written or material oral communication or information submitted to any such Governmental Authority in response thereto. In addition, none of Parties shall agree to participate in any meeting with any Governmental Authority in respect of any filings, investigation or other inquiry with respect to this Agreement or the transactions contemplated hereby, unless such Party consults with the other Parties in advance and, to the extent permitted by any such Governmental Authority, gives the other Parties the opportunity to attend and participate in such meeting, in each case to the maximum extent practicable. Subject to any restrictions under applicable laws, rules or regulations, each of Buyer, on the one hand, and Seller, on the other hand, shall furnish the other with copies of all correspondence, filings and communications (and memoranda setting forth the substance thereof) between it and its Affiliates and their respective Representatives on the one hand, and the Governmental Authority or members of its staff on the other hand, with respect to this

Agreement, the transactions contemplated hereby (excluding documents and communications which are subject to preexisting confidentiality agreements or to the attorney-client privilege or work product doctrine) or any such filing, notification or request for approval. Each Party shall also furnish the other Party with such necessary information and assistance as such other Party and its Affiliates may reasonably request in connection with their preparation of necessary filings, registration or submissions of information to the Governmental Authority in connection with this Agreement, the transactions contemplated hereby and any such filing, notification or request for approval.

(c) Subject to the terms and conditions of this Agreement, Buyer shall take any and all steps necessary to avoid or eliminate any impediments under any applicable antitrust, competition or trade regulation laws, rules or regulations that may be asserted by any Governmental Authority with respect to the transactions contemplated hereby so as to enable the Closing to occur as soon as reasonably possible, including, without limitation, proposing, negotiating, committing to and effecting, by consent decree or otherwise, the sale, divestiture or disposition of such assets or businesses of Buyer or any of its controlled Affiliates as may be required in order to avoid the entry, or to effect the dissolution, of any injunction, temporary restraining order or other order in any suit or proceeding, which would otherwise have the effect of preventing, delaying or restricting the consummation of the transactions contemplated in this Agreement.

(d) The Parties hereby acknowledge and agree that O'Brien Resources holds record and/or beneficial title to, and is a party to certain contracts relating to, certain Oil and Gas Assets, on behalf of Seller. Prior to Closing, O'Brien Resources covenants and agrees to use commercially reasonable efforts to assign such Oil and Gas Assets and such contracts to Seller. O'Brien Resources further covenants and agrees to relinquish operatorship of those certain Oil and Gas Assets to which Seller owns greater than a Fifty Percent (50%) Working Interest in and to and, to the extent that Seller owns less than a Fifty Percent (50%) Working Interest in and to such Oil and Gas Assets, O'Brien Resources covenants and agrees to use its reasonable best efforts to obtain all ballots and authorizations required for Buyer (or its designee) to be named as operator of record and to transfer operatorship to Buyer (or its designee), for no additional consideration. Buyer acknowledges that Seller cannot and does not covenant or warrant that Buyer (or its designee) shall become successor operator of such Oil and Gas Assets since the Oil and Gas Assets or portions thereof may be subject to operating or other agreements that control the appointment of a successor operator.

(e) Upon the earlier of (i) payment of all proceeds of production to Seller related to the Oil and Gas Assets which is attributable to the time period between the Effective Time and Closing or (ii) ninety (90) days after the Closing Date, O'Brien Resources shall deliver letters-in-lieu of transfer or division orders to Buyer. To the extent that O'Brien Resources receives revenue from purchasers of production that is attributable to post-Closing time periods, O'Brien Resources shall remit such revenue to which Buyer is entitled within five (5) Business Days after receiving such revenue; *provided*, that Buyer shall pay all expenses attributable to such revenue with respect to post-Closing time periods. To the extent that Buyer receives revenue from purchasers of production that is attributable to pre-Closing time periods, Buyer shall remit to O'Brien Resources such revenue to which Seller and/or O'Brien Resources is entitled within five (5) Business Days after receiving such revenue; *provided*, that O'Brien Resources shall pay all expenses attributable to such revenue with respect to pre-Closing time periods.

7.4 Bankruptcy Court Approval.

(a) Seller and Buyer acknowledge that this Agreement and the sale of the Oil and Gas Assets and the assumption and assignment of the Assigned Contracts and Assigned Leases and Interests are subject to Bankruptcy Court approval. Seller and Buyer acknowledge that (i) to obtain such approval, Seller must demonstrate that it has taken reasonable steps to obtain the highest and otherwise best offer possible for the Oil and Gas Assets, and that such demonstration shall include giving notice of the

transactions contemplated by this Agreement to creditors and other interested parties as ordered by the Bankruptcy Court, and (ii) Buyer must provide adequate assurance of future performance under the to-be-assigned Leases and Executory Contracts.

(b) In the event an appeal is taken or a stay pending appeal is requested, from the Sale Order, Seller shall promptly notify Buyer of such appeal or stay request and shall provide to Buyer promptly a copy of the related notice of appeal or order of stay. Seller shall also provide Buyer with written notice of any motion or application filed in connection with any appeal from either of such orders.

(c) From and after the date of execution of this Agreement and prior to the Closing or the termination of this Agreement in accordance with Section 11.1, Seller shall not take any action which is intended to (or is reasonably likely to), or fail to take any action the intent (or the reasonably likely result) of which failure to act is to, result in the reversal, voiding, modification or staying of the Sale Order or this Agreement.

7.5 Bankruptcy Filings.

(a) Seller shall file the form of the Sale Order, which shall be reasonably acceptable to Buyer, for entry with the Bankruptcy Court prior to the Sale Hearing Date. Subject to Section 7.4, Seller shall pursue diligently the entry of the Sale Order. Buyer agrees that it shall promptly take such actions as are reasonably requested by Seller to assist in obtaining entry of the Sale Order and a finding of adequate assurance of future performance by Buyer of the Assigned Contracts and Assigned Leases and Interests, including furnishing affidavits or other documents or information for filing with the Bankruptcy Court for the purposes, among others, of providing necessary assurances of performance by Buyer under this Agreement and demonstrating that Buyer is a “good faith” purchaser under Section 363(m) of the Bankruptcy Code. In the event that the entry of the Sale Order is appealed or a stay pending appeal is sought, Seller shall oppose the appeal or the stay pending appeal and seek the dismissal of any appeal (including a petition for certiorari, motion for rehearing, re-argument, reconsideration or revocation). Notwithstanding the foregoing, any resulting changes to this Agreement or any related document or resulting material changes to the Sale Order shall be subject to the approval of Buyer in its reasonable discretion. Seller shall (i) provide Buyer with drafts of any and all other pleadings and proposed orders to be filed or submitted in connection with this Agreement and the transactions contemplated hereby, and such pleadings and proposed orders shall be in form and substance reasonably acceptable to Buyer and (ii) make reasonable efforts to consult and cooperate with Buyer regarding any discovery taken in connection with seeking entry of the Sale Order (including any depositions).

(b) Seller acknowledges and agrees, and the Sale Order shall provide that, on the Closing Date and concurrently with the Closing, all then existing or thereafter arising liens, claims, and encumbrances (other than Permitted Encumbrances and Assumed Liabilities) of, against or created by Seller or its bankruptcy estate, shall be fully released from and with respect to the Oil and Gas Assets, which shall be transferred to Buyer free and clear of all such liens, claims, and encumbrances (other than Permitted Encumbrances and Assumed Liabilities).

7.6 Bidding Procedures.

Buyer agrees and acknowledges that Seller, including through its Representatives, is and may continue soliciting inquiries, proposals, or offers from third parties for all or any part of the Oil and Gas Assets, as contemplated by the Bidding Procedures and the Bid Protection Order.

7.7 Back-Up Bidder.

If an Auction is conducted and Seller does not choose Buyer as the Successful Bidder, but instead chooses Buyer as the Back-Up Bidder, Buyer will be the Back-Up Bidder. If Buyer is chosen as the Back-Up Bidder, Buyer will be required to keep its bid to consummate the transactions contemplated by this Agreement on the terms and conditions set forth in this Agreement (as may be amended with Buyer's written consent prior to or at the Auction) open and irrevocable until the closing of the sale of the Oil and Gas Assets to the Successful Bidder. If the Successful Bid with the Successful Bidder is terminated prior to closing, Buyer will be deemed to be the Successful Bidder and will forthwith consummate the transactions contemplated by this Agreement on the terms and conditions set forth in this Agreement (as the same may be amended with Buyer's written consent prior to or at the Auction).

7.8 Updates and Amendments of Exhibits and Schedules.

Until the fifth (5th) Business Day before Closing, Seller shall have the right to amend, modify and/or supplement Exhibit A, Exhibit B and Exhibit C (subject to Section 2.5), Schedule 2.2(g) and Schedule 2.2(h), in each case, as applicable, in order to reflect (i) any additional Contracts or Leases taken by Seller, (ii) the deletion of any Contracts or Leases from any such Exhibit or Schedule, or (iii) the addition of Exhibits or Schedules that are responsive to the representations and warranties contained herein but for which an Exhibit or Schedule is not contemplated as of the execution of this Agreement. For all purposes of this Agreement, including for purposes of termination pursuant to Article 11 and for determining whether the conditions set forth in Article 11 have been fulfilled, the Exhibits and Schedules to Seller's representations and warranties contained in this Agreement shall be deemed to include only that information contained therein on the date that this Agreement is executed and shall be deemed to exclude all information contained in any addition, supplement or amendment thereto.

Seller and Buyer shall use commercially reasonable efforts and cooperate in good faith to exempt the sale and transfer of the Oil and Gas Assets from any Transfer Taxes, including under Section 1146(a) of the Bankruptcy Code. Buyer will, at its own expense, file all necessary Tax Returns and other documentation with respect to all Transfer Taxes, and, if required by applicable law, rule or regulation, the Parties will, and will cause their Affiliates to, join in the execution of any such Tax Returns and other documentation.

(b) Seller shall retain responsibility for, and shall bear and pay, all ad valorem, property, excise, severance, production or similar Taxes based upon operation or ownership of the Oil and Gas Assets or the production of Hydrocarbons or the receipt of proceeds therefrom (but excluding, for the avoidance of doubt, income, franchise and similar Taxes and Transfer Taxes) (collectively, the "Asset Taxes") for (i) any period ending prior to the Effective Time and (ii) the portion of any Straddle Period ending prior to the Effective Time. For purposes of allocation between the Parties of Asset Taxes assessed with respect to the Oil and Gas Assets that are payable with respect to any tax periods beginning before and ending after the Effective Time ("Straddle Periods"), the portion of any such Taxes that are attributable to the portion of the Straddle Period that ends prior to the Effective Time shall (A) in the case of such Asset

Taxes that are based upon or related to income or receipts or imposed on a transactional basis such as severance or production taxes, be allocated based on revenues from sales occurring before the Effective Time (which shall be Seller's responsibility) and after the Effective Time (which shall be Buyer's responsibility); and (B) in the case of other Asset Taxes, be allocated pro rata per day between the period prior to the Effective Time (which shall be Seller's responsibility) and the period after the Effective Time (which shall be Buyer's responsibility). For purposes of clause (A) and (B) of the preceding sentence, any exemption, deduction, credit or other item that is calculated on an annual basis shall be allocated pro rata per day between the period ending prior to the Effective Time and the period beginning after the Effective Time. At the Closing, Asset Taxes for the applicable Straddle Period shall be prorated in accordance with the foregoing provisions based on the Asset Tax assessment for such Straddle Period, if available, or if otherwise, based on the Asset Taxes paid during the preceding Tax period. With respect to any not yet delinquent Asset Taxes relating to a Tax year ending after the Closing Date, Buyer will assume responsibility for the actual payment of all such Asset Taxes to the applicable Governmental Authority. With respect to any Asset Taxes relating to a Straddle Period or pre-Closing Tax Period that are delinquent as of the Closing Date, the amount of which is known and not subject to dispute, Buyer shall pay the delinquent amount of such Taxes directly to the applicable Governmental Authority at the Closing.

(c) Seller, on the one hand, or Buyer, on the other hand, as the case may be (the "Reimbursing Party"), shall provide reimbursement for any Tax paid by the other (the "Paying Party") all or a portion of which is the responsibility of the Reimbursing Party in accordance with the terms of this Section 8.1, except to the extent an adjustment to the Base Purchase Price was made pursuant to Section 8.10(b) to compensate the Paying Party for such Tax. Within a reasonable time prior to the payment of any such Tax, the Paying Party shall give notice to the Reimbursing Party of the Tax payable and the Paying Party's and Reimbursing Party's respective Liability therefor, although failure to do so will not relieve the Reimbursing Party from its Liability hereunder except to the extent the Reimbursing Party is prejudiced thereby. Any amounts which may become payable from Seller to Buyer pursuant to this Section 8.1 shall constitute a super priority administrative expense of Seller under Section 364(c)(1) of the Bankruptcy Code with priority over any and all administrative expenses of the kind specified in Sections 503(b) or 507(b) of the Bankruptcy Code.

(d) From and after Closing Buyer and Seller agree to furnish or cause to be furnished to each other, upon request, as promptly as practicable, such information and assistance relating to the Oil and Gas Assets (including access to books and records and Tax Returns and related working papers dated before Closing) as is reasonably necessary for the filing of all Tax Returns, the making of any election relating to Taxes, the preparation for any audit by any taxing authority, the prosecution or defense of any claims, suit or proceeding relating to any Tax, and the claiming by Buyer of any federal, state or local business tax credits or incentives that Buyer may qualify for in any of the jurisdictions in which any of the Oil and Gas Assets are located; *provided, however*, that neither Buyer nor Seller shall be required to disclose the contents of its income Tax Returns to any Person. Any expenses incurred in furnishing such information or assistance pursuant to this Section 8.1(d) shall be borne by the Party requesting it.

8.2 Allocation of Purchase Price.

The Base Purchase Price shall be allocated among the Oil and Gas Assets as set forth in Schedule 8.2(a) hereto, and the portion of the Purchase Price allocated to each Oil and Gas Asset is referred to herein as the "Allocated Value" of such Oil and Gas Asset. Seller and Buyer agree to be bound by the Allocated Values set forth in Schedule 8.2(a) and Schedule 8.2(b) for purposes of this Agreement. Schedule 8.2(b) sets forth the allocation of the Base Purchase Price and any liabilities assumed by Buyer under this Agreement that are treated as consideration for Tax purposes among the Oil and Gas Assets in accordance with Code Section 1060, and the regulations thereunder (the "Tax Allocation"). Seller and Buyer agree that the Tax Allocation shall be prepared in a manner consistent with the Allocated Values, as set forth on

Schedule 8.2(a). Seller and Buyer each agree to report, and to cause their respective Affiliates to report, the federal, state and local income and other Tax consequences of the transactions contemplated herein, and in particular to report the information required by Section 1060(b) of the Code, and to jointly prepare Form 8594 (Asset Acquisition Statement under Section 1060 of the Code) as promptly as possible following the Closing Date and in a manner consistent with the Tax Allocation as revised to take into account subsequent adjustments to the Base Purchase Price, including any adjustments pursuant to the Agreement to determine the Purchase Price, and shall not take any position inconsistent therewith upon examination of any Tax Return, in any refund claim, in any litigation, investigation, or otherwise, unless required to do so by any Legal Requirement after notice to and discussions with the other Party, or with such other Party's prior consent; *provided, however*, that nothing contained herein shall prevent Buyer or Seller from settling any proposed deficiency or adjustment by any Governmental Authority based upon or arising out of the Tax Allocation, and neither Buyer nor Seller shall be required to litigate before any court any proposed deficiency or adjustment by any Governmental Authority challenging the Tax Allocation.

8.3 Bulk Sales.

Buyer and Seller hereby waive compliance with all "bulk sales," "bulk transfer" and similar Legal Requirements that may otherwise be applicable with respect to the sale and transfer of any or all of the Oil and Gas Assets to Buyer.

8.4 Payments Received.

Seller, on the one hand, and Buyer, on the other hand, each agree that, after the Closing, each will hold and will promptly transfer and deliver to the other, from time to time as and when received by them, any cash, checks with appropriate endorsements (using their best efforts not to convert such checks into cash) or other property that they may receive on or after the Closing which properly belongs to the other and will account to the other for all such receipts.

8.5 Assigned Contracts: Adequate Assurance and Performance; Security Arrangements.

(a) With respect to each Assigned Contract, Buyer shall provide adequate assurance as required under the Bankruptcy Code of the future performance by Buyer of each such Assigned Contract. Buyer and Seller agree that they will promptly take all actions reasonably required to assist in obtaining a Bankruptcy Court finding that there has been an adequate demonstration of adequate assurance of future performance under the Assigned Contracts, such as furnishing timely requested and factually accurate affidavits, non-confidential financial information and other documents or information for filing with the Bankruptcy Court and making Buyer's and Seller's employees and Representatives available to testify before the Bankruptcy Court.

(b) Buyer shall pay, perform or satisfy the Assumed Liabilities from time to time and as such Assumed Liabilities become due and payable or are required to be performed or satisfied in accordance with their respective terms.

(c) Without limiting the provisions of Section 8.5(a), Buyer acknowledges that various bonds, surety bonds, letters of credit, guarantees, and/or cash deposits, including those set forth on Schedule 8.5(c) (collectively the "Security Arrangements") have been provided by Seller and/or its Affiliates to secure the payment and/or performance of certain of Seller's Obligations related to the Oil and Gas Assets. Buyer acknowledges that Seller has no duty to maintain any Security Arrangements after the Closing. To the extent Seller and/or any of its Affiliates have any obligations pursuant to any Security Arrangement or have pledged or otherwise provided any property that secures any such Security Arrangement (collectively, the "Seller's Obligations"), Buyer shall take such actions, during the Straddle Period, as are necessary to

cause the Seller's Obligations arising under the Security Arrangements set forth on Schedule 8.5(c) (and such Security Arrangements) to be released and terminated, and any of Seller's property pledged or otherwise provided to secure such Security Arrangements returned to the Seller, concurrent with the Closing. As to those Security Arrangements not listed on Schedule 8.5(c), Buyer shall take such actions as are necessary to cause the Seller's Obligations arising under such Security Arrangements (and such Security Arrangements) to be released and terminated, and any of Seller's property pledged or otherwise provided to secure such Security Arrangements returned to the Seller, within thirty (30) days following Seller's notifying Buyer (or if earlier, Buyer's otherwise becoming aware) of such Security Arrangement, and Buyer shall reimburse Seller, within ten (10) days following Seller's demand therefor, the aggregate amount of Seller's Obligations that are paid or performed by Seller under such Security Arrangements following the Closing.

8.6 Post-Closing Books and Records and Personnel.

For five (5) years after the Closing Date (or such longer period as may be required by any Governmental Authority or ongoing claim), (a) Buyer shall not dispose of or destroy any of the Records received by Buyer as Oil and Gas Assets and (b) Buyer shall allow Seller (including, for clarity, any trust established under a chapter 11 plan of Seller or any other successors of Seller) and any of its directors, officers, employees, counsel, representatives, accountants and auditors reasonable access during normal business hours, at Seller's (or such Person's) sole expense and upon reasonable advance notice, to all employees and files of Buyer and their respective controlled Affiliates and any Records included in the Oil and Gas Assets for purposes relating to the Bankruptcy Case, the wind-down of the operations of Seller, the functions of any such trusts or successors, or other reasonable business purposes, and Seller (including any such trust or successors) and such directors, officers, employees, counsel, representatives, accountants and auditors shall have the right to make copies of any such files, books, records and other materials. Until the closing of the Bankruptcy Case or the liquidation and winding up of Seller's estates, Seller shall preserve and keep the Records and, at Buyer's sole expense, shall make such Records, records, and Seller's personnel available to Buyer as may be reasonably required by Buyer in connection with, among other things, any insurance claims by, Proceedings, Actions or Tax audits against, or governmental investigations of, Buyer or any of its Affiliates or in order to enable Buyer to comply with its obligations under this Agreement and each other Transaction Document. In the event any Party desires to destroy any such Records during or after the time during which they must be maintained pursuant to this Section 8.6, such Party shall first give ninety (90) days prior written notice to the other Party and any such other Party shall have the right at its option and expense, upon prior written notice given within such ninety (90) day period to the Party desiring to destroy such Records or records, to take possession of the applicable Records within one hundred and eighty (180) days after the date of such notice, or such shorter period as the liquidation and winding up of Seller's estates shall permit.

8.7 No Other Representations or Warranties; Disclaimers; Indemnification.

(a) NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN THIS AGREEMENT, EXCEPT AS AND TO THE EXTENT EXPRESSLY SET FORTH IN THIS AGREEMENT AND IN THE TRANSACTION DOCUMENTS, SELLER MAKES NO REPRESENTATIONS OR WARRANTIES WHATSOEVER, AND DISCLAIMS ALL LIABILITY AND RESPONSIBILITY FOR ANY REPRESENTATION, WARRANTY, STATEMENT OR INFORMATION MADE OR COMMUNICATED (ORALLY OR IN WRITING) TO BUYER (INCLUDING ANY OPINION, INFORMATION, OR ADVICE THAT MAY HAVE BEEN PROVIDED TO BUYER BY ANY AFFILIATE OR REPRESENTATIVE OF SELLER OR BY ANY INVESTMENT BANK OR INVESTMENT BANKING FIRM, ANY PETROLEUM ENGINEER OR ENGINEERING FIRM, SELLER'S COUNSEL, OR ANY OTHER AGENT, CONSULTANT, OR REPRESENTATIVE OF SELLER). WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, EXCEPT AS AND

TO THE EXTENT EXPRESSLY SET FORTH IN THIS AGREEMENT AND IN THE TRANSACTION DOCUMENTS, SELLER EXPRESSLY DISCLAIMS AND NEGATES ANY REPRESENTATION OR WARRANTY, EXPRESS, IMPLIED, AT COMMON LAW, BY STATUTE, OR OTHERWISE, RELATING TO (A) THE TITLE TO ANY OF THE OIL AND GAS ASSETS, (B) THE CONDITION OF THE OIL AND GAS ASSETS (INCLUDING ANY IMPLIED OR EXPRESS WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR CONFORMITY TO MODELS OR SAMPLES OF MATERIALS), IT BEING DISTINCTLY UNDERSTOOD THAT THE OIL AND GAS ASSETS ARE BEING SOLD “AS IS,” “WHERE IS,” AND “WITH ALL FAULTS AS TO ALL MATTERS,” (C) ANY INFRINGEMENT BY SELLER OF ANY PATENT OR PROPRIETARY RIGHT OF ANY THIRD PARTY, (D) ANY INFORMATION, DATA, OR OTHER MATERIALS (WHETHER WRITTEN OR ORAL) FURNISHED TO BUYER BY OR ON BEHALF OF SELLER (INCLUDING WITHOUT LIMITATION, IN RESPECT OF ANY SEISMIC DATA, THE EXISTENCE OR EXTENT OF HYDROCARBONS OR THE MINERAL RESERVES, THE RECOVERABILITY OF SUCH RESERVES, ANY PRODUCT PRICING ASSUMPTIONS, AND THE ABILITY TO SELL HYDROCARBON PRODUCTION AFTER THE CLOSING), AND (E) THE ENVIRONMENTAL CONDITION AND OTHER CONDITION OF THE OIL AND GAS ASSETS AND ANY POTENTIAL LIABILITY ARISING FROM OR RELATED TO THE OIL AND GAS ASSETS.

(b) Buyer acknowledges and affirms that it has made, or will have made as of the Closing, its own independent investigation, analysis, and evaluation of the transactions contemplated hereby and the Oil and Gas Assets (including Buyer’s own estimate and appraisal of the extent and value of Seller’s Hydrocarbon reserves attributable to the Oil and Gas Assets and an independent assessment and appraisal of the environmental risks associated with the acquisition of the Oil and Gas Assets). Buyer acknowledges that in entering into this Agreement, it has relied only on the aforementioned investigation and the express representations and warranties of Seller contained in this Agreement and the Transaction Documents. Buyer hereby irrevocably covenants to refrain from, directly or indirectly, asserting any claim, or commencing, instituting, or causing to be commenced, any Proceeding of any kind against Seller or its Affiliates, alleging facts contrary to the foregoing acknowledgment and affirmation.

(c) From and after Closing, O’Brien Resources shall be liable to and shall indemnify, defend, and hold harmless, Buyer and its Affiliates from and against all Liability incurred or suffered by Buyer caused by, arising out of, or resulting from claims by royalty owners for amounts held in suspense and related to the time period prior to the Closing Date.

8.8 Casualty.

(a) If, after the date of execution of this Agreement and prior to the Closing, a material part of the Oil and Gas Assets suffers a Casualty Loss or if a material part of the Oil and Gas Assets is taken in condemnation or under the right of eminent domain or if proceedings for such purposes are pending or threatened, Seller shall promptly give Buyer written notice of such occurrence, including reasonable particulars with respect thereto, and this Agreement shall remain in full force and effect notwithstanding any such destruction, taking, proceeding, or threat.

(b) With regard to a Casualty Loss or condemnation occurring after the date of execution of this Agreement and prior to the Closing, subject to Seller’s consent, which shall not be unreasonably withheld, conditioned, or delayed, Buyer may elect to exclude the affected Oil and Gas Assets from this Agreement, without any adjustment to the Purchase Price, and the affected Oil and Gas Assets shall be treated as Excluded Assets for all purposes under this Agreement.

(c) Unless the Oil and Gas Assets affected by a Casualty Loss are excluded pursuant to Section 8.8(b), (i) at the Closing, the Oil and Gas Assets affected by a Casualty Loss or condemnation

shall be included in the Closing and Buyer shall pay the full Allocated Value therefor, subject to any applicable adjustments under this Agreement, and (ii) Buyer's recourse with respect to a condemnation or Casualty Loss shall be limited to the proceeds of Seller's applicable insurance coverage actually recovered by Seller in respect thereof or other sums paid to Seller by third parties (or an assignment of claims related thereto), which proceeds or other sums shall be payable to Buyer only upon or after the Closing of the transactions contemplated hereby. Seller shall have no other liability or responsibility to Buyer (and there shall not be any adjustment to the Purchase Price) with respect to a condemnation or Casualty Loss, **EVEN IF SUCH CASUALTY LOSS SHALL HAVE RESULTED FROM OR SHALL HAVE ARISEN OUT OF THE SOLE OR CONCURRENT NEGLIGENCE, FAULT, VIOLATION OF A LEGAL REQUIREMENT, OR WILLFUL MISCONDUCT OF SELLER OR SELLER PARTIES.**

(d) Unless the affected Oil and Gas Assets are excluded pursuant to Section 8.8(b), (i) no insurance or condemnation proceeds shall be committed or applied by Seller to repair, restore or replace a lost, damaged, destroyed or taken portion of the Oil and Gas Assets if the cost to repair, restore or replace a lost, damaged, destroyed or taken portion of the Oil and Gas Assets is projected to exceed \$200,000.00, (ii) to the extent such proceeds are not committed or applied by any Seller prior to the Closing Date in accordance with this Section 8.8(d), Seller shall, at the Closing, pay to Buyer all sums paid to Seller by reason of such loss, damage, destruction or taking, less any reasonable costs and expenses incurred by Seller in collecting such proceeds, (iii) in addition and to the extent such proceeds have not been committed or applied by Seller in accordance with this Section 8.8(d), in such repair, restoration, or replacement, Seller shall transfer to Buyer, at the Closing, without recourse against Seller, all of the right, title, and interest of Seller in and to any unpaid insurance or condemnation proceeds arising out of such loss, damage, destruction or taking, less any reasonable costs and expenses incurred by Seller in collecting such proceeds, and (iv) any such funds that have been committed by Seller for repair, restoration or replacement as aforesaid shall be paid by Seller for such purposes or, at Seller's option, delivered to Buyer upon Seller's receipt from Buyer of adequate assurance and indemnity that Seller shall incur no liability or expense as a result of such commitment.

8.9 Preferential Purchase Rights.

(a) Within two (2) Business Days after the Sale Order is entered, Seller shall deliver to each such holder of a Preferential Purchase Right a notice that is in material compliance with the contractual provisions applicable thereto, offering to sell to each such holder the applicable Oil and Gas Assets subject to such Preferential Purchase Right in accordance with the terms of this Agreement and in exchange for an amount equal to the Allocated Value of such Oil and Gas Asset, adjusted as set forth in this Agreement, or, alternatively, seeking such holder's consent to the assignment of the applicable Oil and Gas Assets to Buyer; it being understood and agreed by the Parties that Seller shall not be obligated to make any payments or undertake obligations in connection with the obtaining of such consents. If, following the Sale Order, Buyer discovers a Preferential Purchase Right that is not set forth on Disclosure Schedule 5.11, Buyer may, at its option, provide a written notice to Seller of such Preferential Purchase Right, and Seller shall deliver a written notice as described in the immediately preceding sentence to the holder of such Preferential Purchase Right.

(b) If, as of the Closing, a holder of a Preferential Purchase Right has elected to exercise its Preferential Purchase Right with respect to the Oil and Gas Assets to which its Preferential Purchase Right applies, then (i) each of the Oil and Gas Assets affected by such Preferential Purchase Right shall be held back from the Oil and Gas Assets conveyed at Closing, without reduction to the Purchase Price, (ii) such Oil and Gas Assets shall thereafter be Excluded Assets (except as otherwise provided in the following sentence), and (iii) at Closing or the consummation of the purchase and sale of such Oil and Gas Assets with the holder of such Preferential Purchase Right, whichever is later, if Seller receives any proceeds generated from the exercise of such Preferential Purchase Right, Seller shall pay (or shall cause

such holder to pay) to Buyer all such proceeds. If for any reason after Closing, the purchase and sale of such Oil and Gas Assets is not or cannot be consummated with the holder of such Preferential Purchase Right and Seller is permitted after Closing (including, without limitation, pursuant to the Sale Order) to transfer such Oil and Gas Assets to Buyer pursuant to the terms of such Preferential Purchase Right, then the Oil and Gas Assets affected by such Preferential Purchase Right will be conveyed to Buyer at a subsequent Closing to be held within ten (10) Business Days thereafter, at which subsequent closing Seller shall assign, transfer and convey to Buyer, and Buyer shall acquire and accept from Seller, such Oil and Gas Assets pursuant to the terms of this Agreement. Notwithstanding the foregoing, nothing in this Section 8.9(b) shall prevent Seller from ceasing operations or winding up its affairs following the Closing.

(c) All Oil and Gas Assets for which any applicable Preferential Purchase Right (i) has been waived, (ii) as to which the period to exercise the applicable Preferential Purchase Right has expired without the exercise thereof, or (iii) has not been exercised or waived and the time for exercising such Preferential Purchase Right has not expired, in each case, prior to Closing shall be transferred to Buyer at Closing pursuant to the provisions of this Agreement. With respect to any Preferential Purchase Right described in Section 8.9(c)(iii) above, in the event the holder thereof exercises such Preferential Purchase Right after Closing to consummate the purchase of the Oil and Gas Asset(s) to which such Preferential Purchase Right applies, Buyer shall comply with the terms of such Preferential Purchase Right and shall be entitled to, and such holder shall pay to Buyer, all of the proceeds generated from the exercise of such Preferential Purchase Right.

(d) The provisions of this Section 8.9 shall only apply with respect to those Oil and Gas Assets that are subject to Preferential Purchase Rights and that cannot be acquired by Buyer free and clear of such Preferential Purchase Rights pursuant to the Sale Order or the Bankruptcy Code.

8.10 Accounting Adjustments for Revenues and Expenses.

(a) The Base Purchase Price shall be adjusted to reflect the net cash flow of the Oil and Gas Assets from the Effective Time until and through the Closing Date. Based on an examination of records maintained and provided by Seller, the net cash flow of the Oil and Gas Assets is hereby agreed to be One Hundred Thousand Dollars (\$100,000.00) (the "Net Cash Flow") per calendar month and accordingly, the Base Purchase Price shall be adjusted downward as such adjustment is adjusted pursuant to Section 8.11. In the event that Closing occurs between August 31, 2019 and the Outside Date, the Net Cash Flow shall be calculated as Three Thousand Three Hundred Thirty-Three and 33/100 Dollars (\$3,333.33) per day and the Base Purchase Price shall be further reduced on a day to day basis until Closing occurs.

(b) The Base Purchase Price also shall be (i) increased by the amount of Asset Taxes allocable to Buyer pursuant to Section 8.1(b) but paid or otherwise economically borne by Seller and (ii) decreased by the amount of Asset Taxes allocable to Seller pursuant to Section 8.1(b) but paid or otherwise economically borne by Buyer.

8.11 Initial Adjustment at Closing.

At least five (5) days before the Closing Date, Seller shall provide to Buyer a statement showing its computations, calculated in good faith, of the amount of the adjustments provided for in Section 8.10 above. Buyer and Seller shall attempt to agree upon such adjustments prior to Closing, *provided*, that if agreement is not reached, Seller's computation prepared in good faith shall be used at Closing. If the amount of adjustments so determined which would result in a credit to Buyer exceed the amount of adjustments so determined which would result in a credit to Seller, Buyer shall receive a Base Purchase Price reduction at

Closing for the amount of such excess, and if the converse is true, then the amount to be paid by Buyer to Seller at Closing shall be increased by the amount of such excess.

ARTICLE 9

ARTICLE 13

GENERAL PROVISIONS

13.1 Survival.

All covenants and agreements contained in this Agreement which by their terms are to be performed in whole or in part, or which prohibit actions, subsequent to the Closing shall, solely to the extent such covenants and agreements are to be performed, or prohibit actions, subsequent to the Closing, survive the Closing in accordance with their terms. Subject to the following sentence, all other covenants and agreements contained in this Agreement, and all representations and warranties contained in this Agreement or in any certificated deliveries hereunder, shall not survive the Closing and shall thereupon terminate, including any Actions for damages in respect of any breach thereof. Notwithstanding anything to the contrary, the indemnity obligations set forth in Section 5.18, Section 6.6, Section 7.1(e), and Section 8.7(c), and the representation and warranties set forth in Section 5.18 and Section 6.6 shall survive indefinitely. Notwithstanding the foregoing, nothing in this Section 13.1 shall prohibit Seller from ceasing operations or winding up its affairs following Closing.

13.2 Confidentiality.

The Parties agree that the confidentiality agreement entered into by them and their Affiliates, dated July 11, 2019 (the “Confidentiality Agreement”), shall continue in full force and effect notwithstanding the execution and delivery by the Parties of this Agreement; *provided, however*, that (a) disclosure of matters that become a matter of public record as a result of the Bankruptcy Case and the filings related thereto shall not constitute a breach of such Confidentiality Agreement, and (b) disclosures permitted under this Agreement shall not constitute a breach of such Confidentiality Agreement.

13.3 Public Announcements.

Unless otherwise required by applicable Legal Requirement or by obligations of Buyer or Seller or their respective Affiliates pursuant to any listing agreement with or rules of any securities exchange or with respect to disclosure of matters that become a matter of public record as a result of the Bankruptcy Case and the filings related thereto, Buyer, on the one hand, and Seller, on the other hand, shall consult with each other before issuing any press release or otherwise making any public statement with respect to this Agreement, the transactions contemplated hereby or the activities and operations of the other and shall not issue any such release or make any such statement without the prior written consent of the other (such consent not to be unreasonably withheld or delayed).

13.4 Notices.

All notices (including any notice of termination pursuant to Section 11.1 of this Agreement), consents, waivers and other communications under this Agreement must be in writing and shall be deemed to have been duly given when (a) delivered by hand (with written confirmation of receipt), (b) sent by email (with read receipt requested, with the receiving Party being obligated to respond affirmatively to any read receipt requests delivered by the other Party), (c) received by the addressee, if sent by a delivery service (prepaid, receipt requested) or (d) received by the addressee, if sent by registered or certified mail (postage prepaid, return receipt requested), in each case to the appropriate addresses and representatives (if applicable) set forth below (or to such other addresses and representatives as a Party may designate by notice to the other Parties):

13.5 Waiver, Waiver of Damages.

Neither the failure nor any delay by any Party in exercising any right, power or privilege under this Agreement or the documents referred to in this Agreement shall operate as a waiver of such right, power or privilege, and no single or partial exercise of any such right, power or privilege shall preclude any other or further exercise of such right, power or privilege or the exercise of any other right, power or privilege. To the maximum extent permitted by applicable law, (a) no waiver that may be given by a Party shall be applicable except in the specific instance for which it is given, and (b) no notice to or demand on one Party shall be deemed to be a waiver of any right of the Party giving such notice or demand to take further action without notice or demand. NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED HEREIN, NO PARTY SHALL BE LIABLE TO THE OTHER FOR SPECIAL, INDIRECT, EXEMPLARY OR PUNITIVE DAMAGES ARISING OUT OF, ASSOCIATED WITH, OR RELATING TO THIS AGREEMENT (INCLUDING LOSS OF PROFIT OR BUSINESS INTERRUPTIONS, HOWEVER SAME MAY BE CAUSED) AND THE PARTIES HEREBY WAIVE ALL CLAIMS FOR ANY SUCH DAMAGES.

13.6 Entire Agreement; Amendment.

This Agreement (including the Schedules and the Exhibits) and the other Transaction Documents supersede all prior agreements between Buyer, on the one hand, and Seller, on the other hand, with respect to its subject matter and constitute a complete and exclusive statement of the terms of the agreements between Buyer, on the one hand, and Seller, on the other hand, with respect to their subject matter. This Agreement may not be amended except by a written agreement executed by all of the Parties.

13.7 Assignment.

This Agreement, and the rights, interests and obligations hereunder, shall not be assigned by any Party by operation of law or otherwise without the express written consent of the other Parties (which consent may be granted or withheld in the sole discretion of such other Party); *provided, however*, that Buyer shall be permitted, upon prior notice to Seller, to assign all or part of its rights and/or obligations hereunder to one or more of its Affiliates, and each such assignee shall be deemed to be a Buyer for all purposes under the Transaction Documents to the extent of the rights and obligations so assigned to such assignee. No assignment of any obligations hereunder shall relieve the Parties hereto of any such obligations. Upon any such permitted assignment, the references in this Agreement to the Seller or Buyer shall also apply to any such assignee unless the context otherwise requires.

13.8 Severability.

The provisions of this Agreement shall be deemed severable, and the invalidity or unenforceability of any provision shall not affect the validity or enforceability of the other provisions hereof. If any provision of this Agreement, or the application thereof to any Person or any circumstance, is invalid or unenforceable, (a) a suitable and equitable provision shall be substituted therefor in order to carry out, so far as may be valid and enforceable, the intent and purpose of such invalid or unenforceable provision and (b) the remainder of this Agreement and the application of such provision to other Persons or circumstances shall not be affected by such invalidity or unenforceability.

13.9 Expenses.

Whether or not the transactions contemplated by this Agreement are consummated, the Parties shall bear their own respective expenses (including all compensation and expenses of counsel, financial advisors, consultants, actuaries and independent accountants) incurred in connection with this Agreement and the transactions contemplated hereby; *provided, however*, that, subject to Section 8.1(a), Transfer Taxes shall be borne by Buyer.

13.10 Time of Essence.

Time shall be of the essence with respect to all time periods and notice periods set forth in this Agreement.

13.11 Governing Law; Consent to Jurisdiction and Venue; Jury Trial Waiver.

(a) EXCEPT TO THE EXTENT THE MANDATORY PROVISIONS OF THE BANKRUPTCY CODE APPLY, THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF TEXAS APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED ENTIRELY IN SUCH STATE WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OR CHOICE OF LAWS OR ANY OTHER LAW THAT WOULD MAKE THE LAWS OF ANY OTHER JURISDICTION OTHER THAN THE STATE OF TEXAS APPLICABLE HERETO.

(b) Without limitation of any Party's right to appeal any Order of the Bankruptcy Court, (i) the Bankruptcy Court shall retain exclusive jurisdiction to enforce the terms of this Agreement and to decide any claims or disputes which may arise or result from, or be connected with, this Agreement, any breach or default hereunder, or the transactions contemplated hereby and (ii) any and all claims relating to the foregoing shall be filed and maintained only in the Bankruptcy Court, and the Parties hereby consent and submit to the exclusive jurisdiction and venue of the Bankruptcy Court and irrevocably waive the defense of an inconvenient forum to the maintenance of any such Action or Proceeding; *provided, however*, that, if the Bankruptcy Case is closed, all Actions and Proceedings arising out of or relating to this Agreement shall be heard and determined in a Texas federal court sitting in Houston, Texas, and the Parties hereby irrevocably submit to the exclusive jurisdiction and venue of such courts in any such Action or Proceeding and irrevocably waive the defense of an inconvenient forum to the maintenance of any such Action or Proceeding. The Parties consent to service of process by mail (in accordance with Section 13.4) or any other manner permitted by Legal Requirement.

(c) EACH PARTY HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LEGAL REQUIREMENTS, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE OTHER TRANSACTION DOCUMENTS OR ANY OTHER AGREEMENT

CONTEMPLATED HERETO AND THERETO OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

13.12 Counterparts.

This Agreement and any amendment hereto may be executed in one or more counterparts and by different Parties in separate counterparts, each of which shall be deemed to be an original of this Agreement or such amendment and all of which, when taken together, shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement or any amendment hereto by facsimile or other electronic means (including portable document format sent via email) shall be as effective as delivery of a manually executed counterpart of this Agreement or such amendment, as applicable.

13.13 Parties in Interest; No Third Party Beneficiaries.

This Agreement shall inure to the benefit of and be binding upon the Parties and their respective successors and permitted assigns. This Agreement is for the sole benefit of the Parties and their permitted assigns, and except as expressly provided in Section 7.1(e), nothing herein, express or implied, is intended to or shall confer upon any other Person any legal or equitable benefit, claim, cause of action, remedy or right of any kind.

13.14 Non-Recourse.

Any claim or cause of action based upon, arising out of, or related to this Agreement or any agreement, document or instrument contemplated hereby may only be brought against the Parties hereto, and then only with respect to the specific obligations set forth herein or therein. Other than the Parties hereto, no other party shall have any liability or obligation for any of the representations, warranties, covenants, agreements, obligations or Liabilities of any party under this Agreement, the other Transaction Documents, or any other agreement contemplated hereto and thereto or of or for any Proceeding based on, in respect of, or by reason of, the transactions contemplated hereby or thereby (including the breach, termination or failure to consummate such transactions), in each case whether based on contract, tort, fraud, strict liability, other Legal Requirements or otherwise and whether by piercing the corporate veil, by a claim by or on behalf of a Party hereto or another Person or otherwise.

13.15 Disclosure Schedules; Materiality.

The inclusion of any matter in any Disclosure Schedule shall be deemed to be an inclusion in all other Disclosure Schedules to the extent that such disclosure is sufficient to identify the matter to which such disclosure is responsive and reasonably apparent on its face, but inclusion therein shall not be deemed to constitute an admission, or otherwise imply, that any such matter is material or creates a measure for materiality for purposes of this Agreement. The disclosure of any particular fact or item in any Disclosure Schedule shall not be deemed an admission as to whether the fact or item is “material” or would constitute a “Material Adverse Effect.”

13.16 WAIVER OF TEXAS DECEPTIVE TRADE PRACTICES – CONSUMER PROTECTION ACT.

BUYER EXPRESSLY ACKNOWLEDGES AND RECOGNIZES THAT THE PRICE FOR WHICH SELLER HAS AGREED TO SELL THE OIL AND GAS ASSETS AND PERFORM ITS OBLIGATIONS UNDER THE TERMS OF THIS AGREEMENT HAS BEEN PREDICATED UPON THE INAPPLICABILITY OF THE TEXAS DECEPTIVE TRADE PRACTICES - CONSUMER PROTECTION ACT, TEX. BUS. & COM. CODE § 17.41 *ET SEQ.* (THE “DTPA”), OR ANY SIMILAR STATUTE, AND THE WAIVER OF THE DTPA, AND ANY SIMILAR STATUTE, BY BUYER, SET FORTH IN THIS SECTION 13.16. BUYER’S RIGHTS AND REMEDIES WITH RESPECT TO THIS TRANSACTION AND WITH RESPECT TO ALL ACTS OR PRACTICES OF SELLER, PAST, PRESENT, OR FUTURE, IN CONNECTION WITH THIS TRANSACTION SHALL BE GOVERNED BY LEGAL PRINCIPLES OTHER THAN THE DTPA, OR ANY SIMILAR STATUTE OF ANY JURISDICTION THAT MAY BE APPLICABLE TO THE TRANSACTIONS CONTEMPLATED HEREBY. BUYER HEREBY UNCONDITIONALLY AND IRREVOCABLY WAIVES THE APPLICABILITY OF THE DTPA, OR ANY SIMILAR STATUTE, TO THIS TRANSACTION AND ANY AND ALL RIGHTS, DUTIES, OR REMEDIES THAT MIGHT BE IMPOSED BY THE DTPA, OR ANY SIMILAR STATUTE.

13.17 Injunctive Relief.

(a) Except as provided in Section 3.2(b), the Parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement or the other Transaction Documents (as applicable) were not performed in accordance with their specific terms or were otherwise breached, and that damages at law may be an inadequate remedy for the breach of any of the covenants, promises and agreements contained in this Agreement or the other Transaction Documents (as applicable), and, accordingly, any Party shall be entitled to injunctive relief to prevent any such breach, and to specifically enforce specifically the terms and provisions of this Agreement or the other Transaction Documents (as applicable), including without limitation specific performance of such covenants, promises or agreements or an order enjoining a Party from any threatened, or from the continuation of any actual, breach of the covenants, promises or agreements contained in this Agreement or the other Transaction Documents (as applicable). The rights set forth in this Section 13.17 shall be in addition to any other rights which a Party may have at law or in equity pursuant to this Agreement or the other Transaction Documents (as applicable).

(b) The Parties hereby agree not to raise any objections to the availability of the equitable remedy of specific performance to prevent or restrain breaches of this Agreement or the other Transaction Documents (as applicable) by Buyer or Seller, as applicable, and to specifically enforce the terms and provisions of this Agreement or the other Transaction Documents (as applicable) to prevent breaches or threatened breaches of, or to enforce compliance with, the respective covenants and obligations of Buyer or Seller, as applicable, under this Agreement or the other Transaction Documents (as applicable) all in accordance with the terms of this Section 13.17.

(c) Notwithstanding the foregoing, nothing in this Section 13.17 shall prevent Seller from ceasing operations or winding up its affairs following the Closing.

BIDDING PROCEDURES

O’BENCO IV, LP – Amended Bidding Procedures

Set forth below are the bid procedures (the “Bidding Procedures”) to be employed by O’BENCO IV, LP (the “Debtor”) in connection with the sale of the Debtor’s Assets, free and clear of liens and interests, pursuant to and in accordance with the terms and conditions specified therein.

On June 7, 2019, the United States Bankruptcy Court for the Eastern District of Texas (the “Bankruptcy Court”) entered an order which, among other things (a) approved these Bidding Procedures, (b) approved the form and manner of the sale notice and bidding procedures notice, (c) scheduled a Sale Hearing date, and (d) approved procedures for the assumption and, if necessary, assignment of executory contracts and unexpired leases (the “Bidding Procedures Order”).¹ The Bankruptcy Court amended these procedures pursuant to an order entered on [•].

The Debtor has now selected Valence Operating Company as the “Stalking Horse Bidder” under these Bidding Procedures, and the parties have negotiated the Asset Purchase Agreement dated as of July 23, 2019, by and between O’BENCO IV, LP as Seller, and Valence Operating Company, as Buyer (the “Stalking Horse APA”).

1. Key Dates

These Bidding Procedures provide interested parties with the opportunity to complete diligence, to submit competing bids for all or a portion of the Assets, and to participate in an auction to be conducted by the Debtor (the “Auction”).

The key dates for the sale process are as follows:

July 22, 2019	Cure Objection Deadline
July 22, 2019	Sale Objection Deadline
August 14, 2019	Bid Deadline
August 21, 2019	Auction
August 23, 2019	Auction Objection Deadline
[TBD]	Sale Hearing

2. Property to be Sold

The Debtor shall offer for sale (the “Sale”) all of its oil and gas assets, including but not limited to, interests in oil and gas leases, related inventory and equipment, and various personal property (such assets collectively referred to herein as the “Assets”). The Debtor may consider bids for all or less than all of the Assets.

¹ Capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Debtor's Motion for (A) Entry of an Order (I) Approving Bidding Procedures; (II) Scheduling Bidding Deadline, Auction Date, and Sale Hearing Date; (III) Approving Form and Notice thereof; (B) Entry of an Order After the Sale Hearing (I) Authorizing the Debtor to Sell Its Assets; and (II) Authorizing the Debtor to Assume and Assign Certain Executory Contracts and Unexpired Leases; and (C) Granting Related Relief (Docket No. 3).

3. Participation Requirements

Any person seeking to conduct due diligence on the Assets and participate in the bidding must become a “Diligence Party.” As a prerequisite to becoming a Diligence Party, any interested party: (a) must deliver an executed confidentiality agreement in form and substance reasonably acceptable to the Debtor in consultation with the Agent;² and (b) must be able, as determined by the Debtor in consultation with its financial advisor and the Agent, to consummate a transaction based upon a Qualifying Bid (as defined below). The Debtor, in consultation with the Agent, reserves the right (i) at any time to require any Diligence Party to provide additional evidence of its ability to consummate a transaction based upon a Qualifying Bid (as defined below), and (ii) to exclude any such Diligence Party from participating further in the auction process as a result of its inability to satisfy such further requirements. The confidentiality agreements executed by Diligence Parties shall inure to the benefit of the Successful Bidder following the closing of the Sale transaction.

4. Due Diligence

The Debtor, with the assistance of its financial advisor, Houlihan Lokey (“HL”), shall afford any Diligence Party the time and opportunity to conduct reasonable due diligence. This will include, without limitation, an opportunity for Diligence Parties to inspect the Assets and receive copies of, among other things, all engineering reports regarding reserves, all production reports, all deeds and leases for oil and gas rights and all title opinions and information. The due diligence period shall extend through and include the Bid Deadline (as defined below). The Debtor and its representatives shall not be obligated to furnish any due diligence information after the Bid Deadline. Diligence inquiries should be made to:

(832) 319-5119

For the avoidance of doubt, the Agent and its advisors shall be provided prompt access to all executed Confidentiality Agreements and due diligence materials, including without limitation any management presentations, on-site inspections, and any other information provided to any Diligence Party that was not previously made available to the Agent. The Debtor and HL shall consult with the Agent and its advisors regarding materials produced in connection with the Sale, including without limitation the form of confidentiality agreement and any marketing materials or information memoranda or “teasers.” In addition, HL shall (a) hold weekly Sale update conferences with the Agent and its financial advisors and (b) provide weekly reporting to the

² For the avoidance of doubt, parties who have already executed a confidentiality agreement with the Debtor shall not be required to execute a new confidentiality agreement provided that the existing confidentiality agreement is in form and substance acceptable to the Debtor in consultation with the Agent.

Agent's financial advisors, including without limitation (i) a written log containing a summary of HL's correspondence (phone, email, etc.) with potential interested parties, including Diligence Parties, (ii) a written summary of marketing activity including parties contacted and current status (e.g., parties under Confidentiality Agreements, indications of interest/letters of intent received, parties scheduled for management/advisor presentations, site visits, etc.), and (iii) a written log of diligence activities and status of fulfilling requests.

5. Bid Requirements

The Debtor encourages Qualified Bidders that wish to bid on less than all the Assets to submit a bid(s) on the relevant assets. The Debtor, in consultation with the Agent, may make any modifications to the Bidding Procedures, including the Bid requirements described immediately below, as necessary to accommodate a piecemeal bid they determine is in the best interests of the estate.

To be deemed a "Qualifying Bid," a bid must be received from a Diligence Party by a date no later than the Bid Deadline (as defined below) that satisfies each of the following conditions:

- i. Purchase Price. Each bid must identify the cash consideration to be paid for relevant Assets ("Purchase Price");
- ii. Executed Agreement. Each bid must be accompanied by (a) a duly executed asset purchase agreement (the "Modified APA"); and (B) a marked Modified APA reflecting any variations from the Stalking Horse APA executed by the Stalking Horse Bidder;
- iii. Irrevocable. Each bid must expressly provide that (a) the offer reflected in the bid is irrevocable until the conclusion of the Auction, provided that if such party is designated as the Successful Bidder or the Back-up Bidder (each, as defined below) then such offer shall remain open and irrevocable until the closing of the Sale or the Outside Back-up Date as described below and (b) if such party is selected as the Successful Bidder, then such party will take all commercially reasonable steps to consummate the transaction set forth in the Modified APA within 15 days of entry of the Sale Order and satisfaction of the closing conditions (if any) set forth in the Modified APA;
- iv. Bound to Bid Procedure Terms. Each bid must state that the bidder agrees to be bound by the terms of the Bidding Procedures Order and the Bidding Procedures;
- v. Proof of Financial Ability to Perform. Each bid must contain such financial and other information that allows the Debtor and HL to make a reasonable determination, in consultation with the Agent, as to the Qualifying Bidder's financial and other capabilities to consummate the transactions contemplated by the Modified APA, including, without limitation, such financial and other information setting forth adequate assurance of future performance. Without limiting the foregoing, such information must

include current financial statements or similar financial information certified to be true and correct as of the date thereof, proof of financing commitments, if needed to close the transaction, contact information for verification of such information, including any financing sources, and any other information reasonably requested by the Debtor necessary to demonstrate that such party has the ability to close the transaction;

- vi. Designation of Contracts and Leases. Each bid must identify with particularity each and every executory contract and unexpired lease, the assumption and, as applicable, assignment of which is a condition to closing; *provided* that the Modified APA may allow for the Qualifying Bidder to identify additional contracts prior to the closing or at such other date as agreed by the Debtor in consultation with the Agent;
- vii. Regulatory and Third Party Approval. Each bid must identify each regulatory and third-party approval required for the bidder to consummate the Sale, if any, and the time period within which the bidder expects to receive such regulatory and third-party approvals;
- viii. Disclosure of Identity of Bidder. Each bid must fully disclose the identity of each entity that will be bidding in the Auction or otherwise participating in connection with such bid, and the complete terms of any such participation;
- ix. Contingencies. Each bid shall (i) not contain any financing contingencies of any kind; (ii) not contain any conditions to closing other than the conditions precedent identified in the Modified APA; (iii) not contain any due diligence contingency; and (iv) contain evidence that the bidder has received debt and/or equity funding commitments or has financial resources readily available sufficient in the aggregate to consummate the Sale, which evidence is reasonably satisfactory to the Debtor in consultation with the Agent;
- x. Authorizations. Each bid must include written evidence of authorization and approval from the bidder's board of directors (or comparable governing body) with respect to the submission, execution, delivery and performance of the Modified APA that is acceptable to the Debtor in consultation with the Agent;
- xi. No Break-Up Fees. Other than the Stalking Horse APA, bid may not request or entitle the bidder to any break-up fee, expense reimbursement, termination fee or similar type of payment or bid protection; and
- xii. Good Faith Deposit. Each bid must be accompanied by a purchase deposit equal to or greater than 10% of the total Purchase Price.

xiii. Minimum Bid. Each bid must result in a value to the Debtor's estate which, in the Debtor's reasonable judgment, is more than the aggregate of the value of the sum of (a) the Break-Up Fee and the Expense Reimbursement (both as defined in the Stalking Horse APA), (b) the cash purchase price to be paid under the Stalking Horse APA (\$25,500,000), and (c) \$250,000, resulting in a minimum aggregate amount of \$26,514,000.

A competing bid meeting the above requirements shall constitute a "Qualifying Bid" and the party submitting such bid shall constitute a "Qualifying Bidder." The Debtor, in consultation with the Agent, shall make a determination regarding whether a bid is a Qualifying Bid and shall notify bidders whether their bids have been determined to be qualified by no later than **4:00 p.m. (Prevailing Central time) on August 15, 2019**. For the avoidance of doubt, the Agent (or its designee), on behalf of the Secured Lenders, shall be deemed a Qualifying Bidder for purposes of these Bidding Procedures, and any credit bid complying with the provisions set forth in the section entitled "Credit Bidding" herein shall be deemed a Qualifying Bid for all purposes in connection with the Bidding Procedures, the Auction and the Sale. Furthermore, the Stalking Horse Bidder is deemed a Qualified Bidder and the Stalking Horse APA constitutes a Qualifying Bid for all purposes, any other provision of these Bidding Procedures notwithstanding.

The Debtor, in consultation with the Agent, reserves the right (i) at any time to require any bidder previously determined to be a Qualified Bidder (other than the Stalking Horse Bidder) to provide additional evidence of its ability to consummate a transaction based upon a Qualifying Bid in order to remain a Qualified Bidder, and (ii) to exclude any bidder from participating further in the auction process as a result of its inability to satisfy such further requirements to remain a Qualified Bidder.

Persons who collectively are referred to as a "Qualifying Bidder" need not be affiliates and need not act in concert with one another, and the Debtor, in consultation with the Agent, may aggregate separate bids from unaffiliated persons to create one "bid" from a "Qualifying Bidder"; provided, however, that all bidders shall remain subject to the provisions of Bankruptcy Code section 363(n) regarding collusive bidding. Nothing contained herein shall prevent the consideration of bids for less than all Assets, and the Debtor, with the consent of the Agent, may make any modifications to the Bidding Procedures as necessary to accommodate such a bid as they determine is in the best interests of the estate.

6. No Qualifying Bids

If no Qualifying Bids other than the Qualifying Bid submitted by the Stalking Horse Bidder are submitted by the Bid Deadline, the Debtor shall not hold an Auction and instead shall request at the Sale Hearing that the Bankruptcy Court approve the Stalking Horse APA with the Stalking Horse Bidder and declare the Stalking Horse Bidder and the Stalking Horse APA to be the Prevailing Bid.

7. Bid Deadline

A Qualifying Bidder that desires to make a bid shall deliver a written or electronic copy of its bid to: (i) counsel to the Debtor, Bracewell LLP, 711 Louisiana Street, Suite 2300, Houston,

Texas 77002 (Attn: William A. (Trey) Wood III, email: Trey.Wood@bracewell.com and Jason G. Cohen, email: Jason.Cohen@bracewell.com) and (ii) counsel to the Agent, Sidley Austin LLP, 1000 Louisiana Street, Suite 5900, Houston, TX 77002 (Attn: Brian Minyard, email: bminyard@sidley.com and Dennis Twomey, email: dtwomey@sidley.com) (collectively, the “Notice Parties”) so as to be received by a date **no later than 4:00 p.m. (Prevailing Central Time) on August 14, 2019 (the “Bid Deadline”)**.

The Bid Deadline may be changed without further order of the Bankruptcy Court upon the agreement of the Debtor and the Agent.

8. Evaluation of Qualifying Bids

At least 48 hours prior to the Auction, the Debtor shall determine, in its reasonable judgment after consultation with the Debtor’s financial and legal advisors and the Agent (unless the Agent has given a Credit Bid Notification (as defined below)), which Qualifying Bid (including aggregated Qualifying Bids if appropriated as provided herein) is or are likely to result in the highest and best value to the Debtor’s estate, and shall provide a copy of that Qualifying Bid or Qualifying Bids to all Qualifying Bidders prior to the beginning of the Auction. The Debtor may discuss or clarify the terms of the Qualifying Bids with the Qualifying Bidders prior to such date, but no modifications may be made to the Qualifying Bids after the Bid Deadline without the Debtor’s prior written consent, in consultation with the Agent.

9. Credit Bidding

Only the Agent (or its designee), on behalf of the Secured Lenders, and the Stalking Horse Bidder, shall be permitted to submit a credit bid at the Auction. The Agent will notify the Debtor of its intention to potentially credit bid no later than the Bid Deadline (the “Credit Bid Notification”). To the extent the Agent indicates in the Credit Bid Notification that it does intend to potentially credit bid at the Auction, it shall not receive the consent/consultation rights described above in the “Evaluation of Qualifying Bids” section or below in the “Auction” section; provided, however, that in the event the Agent subsequently notifies the Debtor that the Agent is no longer credit bidding, then the Agent shall again receive the consent/consultation rights described herein.

The Agent (or its designee) shall be permitted to credit bid up to the total allowed amount of its secured claim outstanding at the time of the Auction under that certain Credit Agreement dated January 10, 2017, as amended from time to time, and related documents (the “Secured Lender Claim”). In the event the Agent (or its designee) submits a credit bid at the Auction, it shall provide the Debtor with a Modified APA at the Auction, but will not be required to meet any of the other requirements set forth in the “Bid Requirements” section (including, but not limited to, the

requirement to submit a deposit, and no portion of any credit bid shall constitute or be deemed a deposit for any purpose).

The Stalking Horse Bidder shall be permitted to credit bid some or all of its Break-Up Fee and Expense Reimbursement under the Stalking Horse APA at the time of the Auction.

10. Insider Participation

To the extent any insider of the Debtor or any of its affiliates, or any person or entity controlled by any insider of the Debtor or its affiliates, chooses to submit a bid at the Bid Deadline, and such bid is deemed a Qualifying Bid, such insider and any person associated with such insider shall be expressly prohibited from participating in any manner in the “Evaluation of Qualifying Bids” and “Auction” (other than in his or her capacity as a Qualified Bidder) sections as described herein.

11. Auction

In the event that the Debtor timely receives two or more Qualifying Bids, the Debtor shall conduct an auction (the “Auction”) starting at **10:00 a.m. on August 21, 2019 (the “Auction Date”)** at the law offices of Bracewell LLP, 711 Louisiana Street, Suite 2300, Houston, Texas 77002. In the event that only one Qualifying Bid is timely received and the Agent has elected not to credit bid, the Debtor shall declare that bid to be the Successful Bid and the Auction shall be canceled. The Auction shall be governed by the following procedures:

- i. Only Qualifying Bidders (including the Agent or its designee to the extent it makes a credit bid) who have made a Qualifying Bid shall be entitled to make any subsequent bids at the Auction;
- ii. Each Qualifying Bidder shall be required to confirm that it has not engaged in any collusion with respect to the bidding or the sale;
- iii. Qualifying Bidders shall appear in person at the Auction, or through a duly authorized representative;
- iv. Bidding shall commence at the amount of the highest Qualifying Bid as determined pursuant to Paragraph (g) above;
- v. Each Qualifying Bidder may then submit successive bids in increments of at least \$250,000.00 higher than the bid at which the Auction commenced and then continue in minimum increments of at least \$250,000.00 higher than the previous bid; provided that the Debtor, in consultation with the Agent, shall retain the right to modify the bid increment requirements at the Auction;
- vi. The Auction will be conducted openly and shall be transcribed or recorded, and the Qualifying Bidders will be informed of the terms of the previous bid;

- vii. Qualifying Bidders shall have the right to submit additional bids and make additional modifications to the Modified APA at the Auction, provided that any such modifications to the Modified APA on an aggregate basis and viewed in whole, shall not be less favorable to the Debtor's estate, as determined by the Debtor in consultation with the Agent, than the terms of the highest and best Qualifying Bid at that time;
- viii. The Auction shall continue until there is only one bid that the Debtor determines in consultation with the Agent, subject to Court approval, is the highest or best from among the Qualifying Bids submitted at the Auction (the "Successful Bid"). In making this decision, the Debtor shall consider, without limitation, the amount of the Purchase Price or other amounts to be paid to the Debtor, the form of consideration being offered, the likelihood of the bidder's ability to close a transaction and the timing thereof, the number, type and nature of any changes to the Form APA requested by each bidder, and the net benefit to the Debtor's estate. The bidder or bidders submitting such Successful Bid shall become the "Successful Bidder," and shall have such rights and responsibilities of the purchaser, as set forth in the applicable Modified APA;
- ix. The Debtor will determine in consultation with the Agent which Qualifying Bid, if any, is the next highest and/or best Qualifying Bid to the Successful Bid, and will designate such Qualifying Bid as a back-up bid ("Back-up Bid") to be consummated in the event the Successful Bid fails to consummate the contemplated sale transaction. There may be more than one Back-up Bid if aggregated Qualifying Bids are determined to be Back-up Bids. A Qualifying Bidder that submitted a Qualifying Bid that is designated as a Back-up Bid is a "Back-up Bidder." Each Back-up Bid shall remain open and binding until the Outside Back-up Date;
- x. At the Sale Hearing, the Debtor shall present the Successful Bid and Back-up Bid to the Court for approval. The Debtor's presentation of the announced Successful Bid to the Court for approval does not constitute the Debtor's acceptance of such Successful Bid. The Debtor shall have accepted such Successful Bid only when approved by the Court;
- xi. Within fifteen (15) calendar days after the entry of the Sale Order, each Successful Bidder and the Debtor (i) shall complete and execute all agreements, contracts, instruments and other documents evidencing and containing the terms and conditions upon which

such Successful Bid was made, and (ii) shall close the sale transaction; and

- xii. The Debtor in consultation with the Agent may adopt such other rules for the Auction (including rules that may depart from those set forth herein) that they anticipate will result in the highest or otherwise best value for the Debtor's estate and that are not inconsistent with any applicable Bankruptcy Court order, provided that any changed or additional rules of the Auction are not materially inconsistent with the Bidding Procedures and are communicated to all participants at or prior to the Auction.

12. Sale Hearing

The Successful Bid will be subject to approval by the Bankruptcy Court. The Debtor requests that the hearing to approve the Successful Bid (the “Sale Hearing”) take place on [TBD] __m. (Prevailing Central Time), unless adjourned or continued by the Debtor. At such time, the Debtor will seek the entry of an order of the Bankruptcy Court approving and authorizing the Sale to the Successful Bidder on the terms and conditions of the Successful Bid. The Successful Bidder shall appear at the Sale Hearing and be prepared to testify in support of the Successful Bid and the Successful Bidder’s ability to close in a timely manner and provide adequate assurance of its future performance under any and all contracts and leases to be assumed and/or assigned as part of the proposed Sale.

13. Return of Deposits

Except as provided herein, all deposits shall be returned to each bidder not selected by the Debtor as a Successful Bidder no later than five (5) business days following the conclusion of the Auction, except for any Back-up Bidder (as defined above) whose deposit will be returned by no later than the third (3rd) business day after the earlier to occur of: (a) the closing of the sale transaction with the relevant Successful Bidder or (b) the Outside Back-up Date.

14. Failure to Consummate Purchase

The Back-up Bidder shall keep its bid open and irrevocable until the earlier of 5:00 p.m. (Prevailing Central time) on (i) September 30, 2019 (the “Outside Back-up Date”) or (ii) the closing of the Sale transaction with the Successful Bidder. Following the Sale Hearing, if any Successful Bidder fails to consummate an approved Sale because of (a) the failure of a condition precedent beyond the control of either the Debtor or the Successful Bidder or (b) a breach or failure to perform on the part of such Successful Bidder, the Back-up Bidder will be deemed to be the new Successful Bidder, and the Debtor will be authorized to consummate the Sale with the Back-up Bidder without further order of the Bankruptcy Court. In the case of (b) above, the defaulting Successful Bidder's deposit shall be forfeited to the Debtor as the Debtor’s sole remedy with respect to the defaulting Successful Bidder.

15. Reservation of Rights; Deadline Extension

The Debtor reserves its rights, in the exercise of its fiduciary obligations and, with the consent of the Agent (not to be unreasonably withheld), to modify these Bidding Procedures or impose at, or prior to, the Auction, additional customary terms and conditions on the Sale of the Assets, including, without limitation, extending the deadlines set forth in the Auction procedures, modifying bidding increments, adjourning the Auction and/or adjourning the Sale Hearing in open court without further notice, withdrawing from the Auction the Assets at any time prior to or during the Auction or canceling the Auction in the Debtor's business judgment.

16. Emergency Hearing

The Debtor and the Agent agree that in the event of any dispute regarding the Sale process outlined herein, (i) either party may seek an emergency hearing requesting that the Court resolve such dispute and (ii) the other party shall consent to such request for an emergency hearing.

17. Sale As Is/Where Is

The Assets sold pursuant to the Bidding Procedures shall be sold free and clear of all liens claims and encumbrances as permitted by section 363(f) of the Bankruptcy Code other than any assumed liabilities as set forth in the applicable APA and conveyed at closing in their then-present condition, **“AS IS, WHERE IS, WITH ALL FAULTS, AND WITHOUT ANY WARRANTY WHATSOEVER, EXPRESS OR IMPLIED”**, except to the extent set forth in the definitive agreement for the Successful Bid, if applicable; *provided* that any such sale shall be subject to the rights of any DIP Lender or Prepetition Lender or other party in interest to object to the extent otherwise set forth herein.

2.2 Further Assurances. The Parties agree to (a) furnish upon request to each other such further information, (b) execute, acknowledge and deliver to each other such other documents, and (c) do such other acts and things, all as the other Party may reasonably request for the purpose of carrying out the intent of this Deed and the Transaction Documents; *provided*, that Grantor's covenants and obligations after Closing shall be limited to the extent Grantor has employees and resources available for such purposes

and *provided, further*, that nothing in this Section 2.2 or anywhere else in this Deed shall prohibit Grantor from ceasing operations or winding up its affairs following the Closing.

ARTICLE 3

If any provision of this Deed, or the application thereof to any Person or any circumstance, is invalid or unenforceable, (a) a suitable and equitable provision shall be substituted therefor in order to carry out, so far as may be valid and enforceable, the intent and purpose of such invalid or unenforceable provision and (b) the remainder of this Deed and the application of such provision to other Persons or circumstances shall not be affected by such invalidity or unenforceability.

3.5 Governing Law; Consent to Jurisdiction and Venue; Jury Trial Waiver.

(a) EXCEPT TO THE EXTENT THE MANDATORY PROVISIONS OF THE BANKRUPTCY CODE APPLY, THIS DEED SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF TEXAS APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED ENTIRELY IN SUCH STATE WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OR CHOICE OF LAWS OR ANY OTHER LAW THAT WOULD MAKE THE LAWS OF ANY OTHER JURISDICTION OTHER THAN THE STATE OF TEXAS APPLICABLE HERETO.

The Parties consent to service of process by mail (in accordance with Section 13.4 of the APA) or any other manner permitted by Legal Requirement.

(c) EACH PARTY HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LEGAL REQUIREMENTS, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS DEED, THE OTHER TRANSACTION DOCUMENTS OR ANY OTHER AGREEMENT CONTEMPLATED HERETO AND THERETO OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HAVE BEEN INDUCED TO ENTER INTO THIS DEED BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION

3.6 No Strict Construction. Grantee, on the one hand, and Grantor, on the other hand, participated jointly in the negotiation and drafting of this Deed, and, in the event an ambiguity or question of intent or interpretation arises, this Deed shall be construed as jointly drafted by Grantee, on the one hand, and Grantor, on the other hand, and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any provision of this Deed. Without limitation as to the foregoing, no rule of strict construction construing ambiguities against the draftsperson shall be applied against any Person with respect to this Deed.

3.7 Exhibits. The Exhibits attached hereto are hereby made part hereof and incorporated herein by this reference. Unless provided otherwise, all recording references in such Exhibits are to the appropriate records of the counties in which the applicable Mineral Interests are located.
