The Plan proposes to repay the Debtor's creditors through the operation of the Property, the Registry Funds and the potential recovery of certain fees collected by the attorneys for the Debtor and others in the Nationwide Lawsuit.

ARTICLE III
PROVISIONS APPLICABLE TO ALL CLAIMS

3.01 **Treatment of Claims.** This Plan is intended to resolve all Claims against the Debtor and/or property of the Debtor of whatever character, whether contingent or liquidated, or whether allowed by the Bankruptcy Court pursuant to 11 U.S.C. § 502(a). However, only Allowed Claims will receive treatment afforded by the Plan. The Plan is designed to insure that Claimants shall receive at least as much pursuant to this Plan as they would receive in a liquidation pursuant to chapter 7 of the Bankruptcy Code.

3.02 **Allowed Claims.** To receive a distribution under the Plan, a Creditor must have an Allowed Claim.

3.03 **Amount of Claims.** If the Debtor has scheduled a Claim and has not scheduled such Claim as disputed, contingent, or unliquidated, then the amount scheduled by the Debtor shall control unless the Creditor files a Proof of Claim in a different amount or a party in interest files an objection to the scheduled claim. If a creditor files a Proof of Claim, then the amount stated in the Proof of Claim shall control unless a party in interest files an objection to the Claim. If a party in interest files an objection to a Proof of Claim or a scheduled claim, then the amount determined by the Court in a Final Order shall control. If a Claim has been scheduled as disputed, contingent or unliquidated and the Creditor has not filed a Proof of Claim by the Bar Date, the Claim shall be deemed to be disallowed unless this Plan specifically provides otherwise.

3.04 **Allowance of Post-Petition Interest, Fees and Costs.** Unless otherwise provided, a Claim shall not be entitled to post-petition interest, fees or costs.

3.05 **Filing of Claims Arising from Rejection of Unexpired Leases or Executory Contracts.** Any claims arising from the rejection of unexpired leases or executory contracts shall be filed by the date specified in the order rejecting such lease or contract. If no date is specified, the date for filing a rejection claim shall be deemed to be the later of thirty (30) days after the Effective Date or thirty (30) days after entry of the order rejecting the lease or contract.

3.06 **Filing of Administrative Claims.** Any requests for allowance of Administrative Expense Claims shall be filed within thirty (30) days after the Effective Date or shall be barred.

3.07 **Cure Claims.** Any Cure Claims shall be filed within thirty (30) days after the Effective Date or shall be barred unless otherwise agreed to by the parties.

3.08 **Filing of Requests for Post-Petition Fees or Costs.** Any requests for allowance of post-petition fees or costs pursuant to 11 U.S.C. § 506(b) shall be filed within sixty (60) days after the Effective Date or shall be barred.

3.10 **Objections to Claims.** Any party authorized by the Bankruptcy Code may object to the allowance of a Pre-Petition Claim at any time prior to the later of sixty (60) days after the Effective Date or thirty (30) days after such claim is filed. Any Proof of Claim filed after the Bar Date(s) set by the Court shall be of no force and effect and shall be deemed disallowed. All Contested Claims shall be litigated to Final Order; provided, however, that the Debtor may compromise and settle any Contested Claim, subject to the approval of the Bankruptcy Court and further provided that if a Claim has been scheduled as disputed, contingent or unliquidated and the Creditor has not filed a Proof of Claim by the Bar Date, the Claim shall be deemed to be disallowed unless this Plan specifically provides otherwise.

3.11 **Distributions on Disputed Claims.** No distributions under this Plan shall be made to the holder of a Claim that is in dispute, unless and until such Claim becomes an Allowed Claim. When and if a disputed Claim becomes an Allowed Claim, Debtor shall at the next scheduled distribution under the Plan to the Class of Creditors into which the Claim falls pay the newly Allowed Claim a sum sufficient to bring that Claimant *in pari passu* with the other Claimants in the Class. If a Claim is disputed in whole or in part because the Debtor asserts a right of offset against such Claim or recoupment against the holder of such Claim, then, if and to the extent the Claim giving rise to the offset or recoupment is sustained by Final Order, the Claim in dispute shall be reduced or eliminated and, if applicable, the holder of such Claim shall be required to pay the amount of such offset or recoupment, less the amount of the Allowed Claim. In addition, any party authorized by the Bankruptcy Code may request that the Court estimate any contingent, disputed or unliquidated Claim pursuant to 11 U.S.C. § 502(c) at any time.

3.12 **Third Party Obligations.** Except as otherwise provided herein, to the extent that any third party is jointly liable with the Debtor upon a Claim, whether by contract or by operation of law, such obligation shall remain in force with respect to the Claim as modified by this Plan but not otherwise. All guarantees and other obligations shall be deemed modified to reflect the restructuring of the primary obligations under this Plan. To the extent that a Claim is classified in more than one class, the liability of the third party shall extend to the obligations under each applicable class.

ARTICLE IV
