

**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY AND
DISCLAIMER REGARDING DEBTORS¹ STATEMENT OF FINANCIAL AFFAIRS
AND STATEMENT OF ASSETS AND LIABILITIES**

The Schedules of Assets and Liabilities and Statements of Financial Affairs (the "Schedules and Statements") filed herewith by Philadelphia Newspapers, LLC. and certain of its above-captioned affiliate debtors, debtors and debtors- in-possession (collectively, the "Debtors" or the Company") in the United States Bankruptcy Court for the Eastern District of Philadelphia, Eastern Division (the "Bankruptcy Court") were prepared pursuant to 11 U.S.C. § 521 and Federal Rule of Bankruptcy Procedure 1007 by management of the Debtors and are unaudited. The Schedules and Statements remain subject to further review and verification by the Debtors. Subsequent information may result in material changes in financial and other data contained in the Schedules and Statements. The Debtors have used their best efforts to compile the information set forth in the Schedules and Statements from their books and records maintained in the ordinary course of their business. While those members of management responsible for preparation of the Schedules and Statements have made reasonable effort to ensure that the Schedules and Statements are accurate and complete based on information known to them at the time of preparation after reasonable inquiries, inadvertent errors or omissions may exist and/or the subsequent receipt of information may result in material changes in financial and other data contained in the Schedules and Statements which may warrant amendment of the same. The Debtors reserve their right to amend their Schedules and Statements from time to time as may be necessary or appropriate. These Global Notes and Statement of Limitations, Methodology and Disclaimer Regarding Debtors' Statements of Financial Affairs With Schedules (the "Global Notes") are incorporated by reference in, and comprise an integral part of, the Schedules and Statements, and should be referred to and reviewed in connection with any review of the Schedules and Statements.

¹ The Debtors consist of: Philadelphia Newspapers, LLC (EIN: 09-11204); Broad Street Video, LLC (EIN: 09-11205); Philadelphia Media, LLC (EIN: 09-11206); PMH Acquisition, LLC (EIN: 09-11207); Philly Direct, LLC (EIN: 09-11208); Broad Street Publishing, LLC (EIN: 09-11209); Philly Online, LLC (EIN: 09-11211) and PMH Holdings, LLC (EIN: 09-11212).

1. **Description of the Cases and "As of" Information Date:** On February 22, 2009 (the "Petition Date"), each of the Debtors filed a voluntary petition for relief with the Court under chapter 11 of the Bankruptcy Code. The Debtors are operating their businesses and managing their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On February 24, 2009, the Court entered an order jointly administering these cases pursuant to Bankruptcy Rule 1015(b). Unless otherwise indicated (see Note regarding Totals below), all amounts listed in the Schedules and Statements are as of February 22, 2009.

2. **Basis of Presentation:** For financial reporting purposes, the Debtors generally prepare consolidated financial statements, which include financial information for all Debtors and which in the past have been audited or compiled annually. Unlike the consolidated financial information used for the Company's financial reporting purposes, the Schedules and Statements reflect the assets and liabilities of each Debtor based on their unaudited accounting records. Each Debtor generally maintains its accounting records in accordance with the Generally Accepted Accounting Principles ("GAAP") used in the United States. However, these Schedules and Statements do not purport to represent financial statements prepared in accordance with GAAP, nor are they intended to reconcile to any financial statements prepared by the Company.

3. **Summary of Significant Reporting Policies:** Philadelphia Newspapers, LLC and its Debtor and non-Debtor affiliates frequently engage in intercompany transactions. All such entities maintain their own balance sheets and each entity maintains accounting records reflecting intercompany accounts receivable and payable arising from intercompany transactions. Accordingly, the following conventions were adopted by the Debtors in the preparation of the Schedules and Statements:

(a) **Debtors:** Separate Schedules and Statements have been filed for each of the Debtors. Intercompany balances and interests between the Debtors and various non-Debtor affiliates are reflected as of the close of business on February 22, 2009. Each Debtor's Schedules and Statements were prepared using the assets and liabilities of that Debtor pursuant to the Debtor's accounting records.

(b) **Reporting Date:** The Debtors' Schedules and Statements are prepared as of the close of business on February 22, 2009 except as otherwise stated in these Global notes or footnotes to these Schedules and Statements. In some instances, the Debtors have used estimates where actual data as of February 22, 2009 was not available.

(c) **Book value:** Except as otherwise noted, each asset and liability of each Debtor is shown on the basis of the net book value of the asset or liability in accordance with the Debtor's accounting records as of February 22, 2009. Unless otherwise noted, the Schedules reflect the carrying value of the assets and liabilities as listed in the Debtors' books, and are not based upon any estimate of their current market values, which may not correspond to book values. All intercompany balances are shown at the book values set forth in the books and records of the Debtors. Accounts receivable are shown net of any bad debt allowances which the Debtors carry on their books.

- (d) **Property and equipment – owned:** Unless otherwise noted, owned property and equipment are stated at net book value. Depreciation is provided principally on the straight-line method over a period of three to twelve years for furniture, fixtures and equipment, eleven to thirty-five years for buildings and building improvements and five to seventy-five years for land improvements.
- (e) **Property and equipment – leased:** In the ordinary course of business, the Debtors lease equipment from certain third-party lessors for use in the daily operation of their business. Any such leases are set forth in the Schedules and Statements. The Company has reflected certain leases in the Schedules and Statements as owned property in accordance with GAAP. Nothing in the Schedules and Statements is or shall be construed as an admission or determination as to the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtors reserve all rights with respect to any of such issues.
- (f) **Payments to Creditor:** The Debtors have scheduled payments to creditors made within the 90 days prior to the commencement of the Chapter 11 Cases on the appropriate Statement of Financial Affairs 3B of the Debtor that holds the bank account from which the payment was made. The Debtors have not scheduled payments made to employees during the 90 days prior to the Petition Date to the extent that such payments were ordinary course payments of wages or other compensation to employees that were not officers or directors of the Debtors.
- (g) **Causes of Action:** The Debtors have not set forth causes of action against third parties as assets in their Schedules and Statements. The Debtors reserve all of their rights with respect to any causes of action they may have and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such causes of action.
- (h) **Bank Debt:** All co-Debtor and guarantor relationships related to obligations under the Debtors' prepetition credit facilities are reflected on Schedule H for each Debtor.
- (i) **Schedule D:** Except as otherwise agreed pursuant to a stipulation or agreed order or general order entered by the Court, the Debtors reserve their rights to dispute or challenge the validity, perfection or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D of any Debtor. Moreover, although the Debtors have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction, or any document or instrument related to such creditor's claim. In certain instances, a Debtor may be a co-obligor, co-mortgagor or guarantor with respect to scheduled claims of other Debtors and no claim set forth on Schedule D of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities. The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable credit agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements.

(j) **Schedule E:** The Bankruptcy Court entered certain first day orders granting authority to the Debtors to pay prepetition employee wages, salaries, benefits and other obligations for employees. Pursuant to such orders, the Debtors believe that any employee claims for prepetition amounts either have been satisfied or are in the process of being satisfied. Accordingly, employee claims for amounts owing as of February 22, 2009 that have been paid or that are intended to be paid, have not been included in the Schedules and Statements.

(k) **Schedule F:** Prior to the Petition Date, the Debtors' books and records also reflected numerous intercompany account balances among various Debtors. All prepetition intercompany receivables have been listed in Schedule F. The Debtors primarily use a single Debtor, Philadelphia Newspapers, LLC to process disbursements to third parties. As such, the Debtors maintain individual accounts payable records on each Debtors' books and make entries which correspond to payments made by Philadelphia Newspapers, LLC on behalf of its Debtor and non-Debtor affiliates. The Debtors have attempted, to the best of their ability, to allocate their accounts payable as of the Petition Date, and to schedule such payables with the Debtor that received the benefit of the goods or services. All balances listed on Schedule F are shown net of any payments made as of the date of the filing of these Schedules and Statements.

(l) **Schedule G:** The Debtors have many customers and some of these customers may operate under contracts, which are not listed on Schedule G. While every effort has been made to ensure the accuracy of the executory contracts and unexpired leases listed on Schedule G, inadvertent errors or omissions may have occurred. The Debtors hereby reserve all of their rights to dispute the validity, status or enforceability of any contracts, agreements or leases set forth in Schedule G and to amend or supplement such Schedule as necessary. (i) The contracts, agreements and leases listed on Schedule G may have expired or may have been modified, amended and supplemented from time to time by various amendments, restatements, waivers, letters and other documents, instruments and agreements which may not be listed therein. Certain of the real property leases listed on Schedule G may contain renewal options, guarantees of payment, options to purchase, rights of first refusal, rights to lease additional space and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth on Schedule G. Certain of the executory agreements may not have been memorialized and could be subject to dispute. Executory agreements that are oral in nature have been scheduled to the best of the Debtors' knowledge. Additionally, the Debtors may be parties to various other agreements concerning real property, such as easements, rights of way, subordination, supplemental agreements, amendments/letter agreements, title documents, consents and other miscellaneous agreements. Such documents are not set forth in Schedule G. Certain of the agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financings. (ii) The presence of a contract or agreement on this schedule does not constitute an admission that such contract or agreement is an executory contract or unexpired lease. The Debtors reserve all of their rights, claims and causes of action with respect to the contracts and agreements listed on these Schedules.

4. **Claims:** Pursuant to certain first-day and other orders issued by the Bankruptcy Court (collectively, the "First Day Orders"), the Bankruptcy Court has authorized the Debtors to pay certain outstanding prepetition claims, such as certain employee wages and benefit claims, claims for taxes and fees, claims related to customer programs, and critical vendor claims.

Unless otherwise stated, these Schedules reflect (and do not list) prepetition obligations that have been satisfied prior to February 22, 2009 pursuant to such First Day Orders. Notwithstanding best efforts, certain claims paid pursuant to a First Day Order may inadvertently be listed in the Schedules, and the Debtors may pay some of the claims listed on the Schedules in the ordinary course of business during these cases pursuant to such First Day Orders or other court orders. To the extent claims listed on the Schedules have been paid pursuant to an order of the Bankruptcy Court (including the First Day Orders), the Debtors reserve all rights to amend or supplement their Schedules and Statements as is necessary and appropriate. Moreover, certain of the First Day Orders preserve the rights of parties in interest to dispute any amounts paid pursuant to First Day Orders. Nothing herein shall be deemed to alter the rights of any party in interest to contest a payment made pursuant to first day orders.

5. **Disputed, Contingent and/or Unliquidated Claims:** Schedules D, E and F permit each of the Debtors to designate a claim as disputed, contingent and/or unliquidated. A failure to designate a claim on any of these schedules as disputed, contingent and/or unliquidated does not constitute an admission that such claim is not subject to objection. The Debtors reserve their right to dispute, or assert offsets or defenses to any claim reflected on these Schedules as to nature, amount, liability or status.

6. **Insurance:** The Company maintains general liability insurance policies, and various other insurance policies, on behalf of all the Debtors. A listing of all such insurance policies is set forth on Schedule G of the Schedules of Assets and Liabilities of Philadelphia Newspapers, LLC. The Debtors maintain certain insurance policies essential to the continued operations of the Company. The terms of these policies are characteristic of insurance policies typically maintained by corporate entities that are similar in size and nature to the Company. The Company's insurance policies generally are structured to provide coverage for its affiliates, including the Debtors. The Company maintains various policies of insurance, including, but not limited to, property, casualty, motor vehicle and general liability policies.

7. **Real Property:** Real Property owned by any of the Debtors is listed in the Schedule A for that individual Debtor. Real property is scheduled at the value that the Debtors carried on their books as of February 1, 2009.

8. **Personal Property:** Personal Property owned by any of the Debtors is listed in the Schedule B for that individual Debtor. Personal property is scheduled at the value that the Debtors carried on their books as of February 22, 2009.

9. **Confidentiality:** There may be instances within the Schedules and Statements where names, addresses or amounts have been left blank. Due to the nature of an agreement between the Debtors and the third party, concerns of confidentiality or concerns for the privacy of an individual, the Debtors may have deemed it appropriate and necessary to avoid listing such names, addresses and amounts.

10. **Insiders:** The Bankruptcy Code (Section 101 (31)) defines "insiders", for purposes of an LLC, in the same way the term is defined for corporations. It includes directors, officers, persons in control, partnerships in which the debtor is a general partner, general partners of the debtor

and relatives of any of the above. Most of the categories do not apply to these Debtors. Insiders also include affiliates. Payments to “insiders” are listed in question 3C of the statement of financial affairs. This list is for informational purposes only. The debtors take no position at this time as to actual insider status of any of the listed individuals or entities.

11. **Setoffs**: The Debtors routinely incur setoffs in the ordinary course of business. These setoffs are primarily with home delivery agents (where the fees earned as home delivery agents are set off against the payments they collect for carrier collect home delivery sales). These setoffs are consistent with the ordinary course of business in the Debtors' industry. Therefore, such ordinary course setoffs are excluded from the Debtors' response to Question 13.

12. **Inventories**: Inventories are valued at cost. Costs related to newsprint inventories are determined using the First-In-First-Out (FIFO) method and costs related to other inventories are determined using average costing methods. Costs are charged to operations as consumed. Additionally, all inventories and plant and equipment are presented without consideration of any statutory or consensual liens. The Debtors set forth the value of certain high-value inventories in response to Question 20. Further, the Debtors also maintain supplies that are not subject to a physical inventory on a regular basis. Instead, perpetual inventories are maintained.

13. **Global Notes Control**: In the event that the Schedules and Statements differ from the foregoing Global Notes, the Global Notes shall control.
