**GLOBAL NOTES, RESERVATION OF RIGHTS, AND
STATEMENT OF LIMITATIONS, METHODOGY AND
DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND SOFAs**

Pacific Sunwear of California, Inc. ("PacSun"), Miraloma Borrower Corporation ("Miraloma"), and Pacific Sunwear Stores Corp. ("PacSun Stores"), the debtors and debtors in possession (the "Debtors") are contemporaneously filing these Global Notes (as defined below) as a supplement to and integral part of their Schedules of Assets and Liabilities (the "Schedules") and Statements of Financial Affairs (the "SOFAs") filed in the Bankruptcy Court for the District of Delaware (the "Bankruptcy Court"). The Debtors prepared their Schedules and SOFAs pursuant to section 521 of Title 11 of the United States Code, as amended (the "Bankruptcy Code"), and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), with the assistance of their advisors. These *Global Notes, Reservation of Rights, and Statement of Limitations, Methodology and Disclaimer Regarding Debtor's Schedules and SOFAs* (the "Global Notes") pertain to, are incorporated by reference into, and comprise an integral part of, each of the Schedules and SOFAs, and should be reviewed in connection with any review of the Schedules and SOFAs.

The Debtors and their officers, employees, agents, attorneys and financial advisors do not guarantee or warrant the accuracy or completeness of the data that is provided in the Schedules and SOFAs and shall not be liable for any loss or injury arising out of or caused in whole or in part by any acts or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating or delivering the information contained herein in the Schedules and SOFAs. Except as expressly required by the Bankruptcy Code, the Debtors and their officers, employees, agents, attorneys and financial advisors do not undertake any obligation to update, modify, revise or re-categorize the information provided herein in the Schedules and SOFAs or to notify any third party should the information be updated, modified, revised or re-categorized. The Debtors, on behalf of themselves, their officers, employees, agents and advisors, disclaim any liability to any third party arising out of or related to the information contained in the Schedules and SOFAs and reserve all rights with respect thereto.

The Schedules and SOFAs have been signed by an authorized representative of each of the Debtors. In reviewing and signing the Schedules and SOFAs, this representative relied upon the efforts, statements and representations of the Debtors' other personnel and professionals. The representative has not (and could not have) personally verified the accuracy of each such statement and representation,

(9463-CA); Miraloma Borrower Corporation (0381-Del.); and Pacific Sunwear Stores Corp. (5792-CA). The Debtors' address is 3450 East Miraloma Avenue, Anaheim, CA 92806.

including, for example, statements and representations concerning amounts owed to creditors and their addresses.

Global Notes and Overview of Methodology

1. **Reservation of Rights.** Reasonable efforts have been made to prepare and file complete and accurate Schedules and SOFAs; however, inadvertent errors or omissions may exist and conflicting, revised, or subsequent information may be discovered. The Debtors reserve all rights to amend or supplement the Schedules and SOFAs from time to time, in all respects, as may be necessary or appropriate, including, without limitation, the right to amend the Schedules and SOFAs with respect to claim (“Claim”) description, designation, or Debtor against which the Claim is asserted; dispute or otherwise assert offsets or defenses to any Claim reflected in the Schedules and SOFAs as to amount, liability, priority, status, or classification; subsequently designate any Claim as “disputed,” “contingent,” or “unliquidated;” or object to the extent, validity, enforceability, priority, or avoidability of any Claim. Any failure to designate a Claim in the Schedules and SOFAs as “disputed,” “contingent,” or “unliquidated” does not constitute an admission by the Debtors that such Claim or amount is not “disputed,” “contingent,” or “unliquidated.” Listing a Claim does not constitute an admission of liability by the Debtor against which the Claim is listed or against any of the Debtors. Furthermore, nothing contained in the Schedules and SOFAs shall constitute a waiver of rights with respect to the Debtors’ chapter 11 cases, including, without limitation, issues involving Claims, substantive consolidation, defenses, equitable subordination, recharacterization, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers.

The listing in the Schedules or SOFAs (including, without limitation, Schedule A / B and Schedule E / F) by the Debtors of any obligation between a Debtor and another Debtor is a statement of what appears in the Debtors’ books and records and does not reflect any admission or conclusion of the Debtors regarding whether such amount would be allowed as a Claim or how such obligations may be classified and/or characterized in a plan of reorganization or by the Bankruptcy Court. The Debtors reserve all rights with respect to such obligations.

Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the foregoing general reservation of rights. Notwithstanding the foregoing, the Debtors shall not be required to update the Schedules and SOFAs.

2. **Description of the Cases and “as of” Information Date.** On April 7, 2016 (the “Petition Date”), the Debtors filed voluntary petitions in the Bankruptcy Court seeking relief under chapter 11 of the United States Bankruptcy Code (these “Cases”), which Cases have been assigned to the Honorable Laurie Selber Silverstein. The Debtors continue to manage and operate their businesses as debtors in possession pursuant to Sections 1107(a) and 1108 of the Bankruptcy Code. No trustee or examiner has been appointed in these Cases.

Except as otherwise noted in the Global Notes or Schedules and SOFAs, all liability information is valued as of April 7, 2016 and all assets as of April 2, 2016. In some instances, the Debtors have used estimates or pro-rated amounts where actual data as of the aforementioned dates was unavailable. The Debtors have made a reasonable effort to allocate liabilities between the pre- and post-petition periods based on the information and research that was conducted in connection with the preparation of the Schedules and SOFAs. As additional information becomes available and further research is conducted, the Debtors may modify the allocation of liabilities between the pre- and post-petition periods and amend the Schedules and SOFAs accordingly.

3. **Basis of Presentation.** The Schedules and SOFAs reflect financial information for the Debtors only and do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States (“GAAP”), nor are they intended to be fully reconciled with any financial statements otherwise prepared and/or distributed by the Debtors. Additionally, the Schedules and SOFAs contain unaudited information that is subject to further review and potential adjustment, and reflect the Debtors’ reasonable efforts to report the assets and liabilities of each Debtor on an unconsolidated basis.
4. **Currency.** Unless otherwise indicated, all amounts are reflected in U.S. dollars.
5. **Fiscal Year.** The Company’s fiscal year is reported on a 52 week fiscal year, consisting of twelve four/five-week periods and ending on the Saturday nearest the end of January. The current fiscal period, for the purpose of the Schedules and SOFAs is comprised of 52 weeks from January 31, 2016 through January 28, 2017.
6. **Recharacterization.** Notwithstanding the Debtors’ reasonable best efforts to properly characterize, classify, categorize or designate certain Claims, assets, executory contracts, unexpired leases and other items reported in the Schedules and SOFAs, the Debtors may, nevertheless, have improperly characterized, classified, categorized, designated, or omitted certain items due to the complexity and size of the Debtors’ businesses. Accordingly, the Debtors reserve all of their rights to recharacterize, reclassify, recategorize, redesignate, add or delete items reported in the Schedules and SOFAs at a later time as is necessary or appropriate as additional information becomes available.
7. **Fair Market Value; Book Value.** It would be prohibitively expensive and unduly burdensome for the Debtors to obtain current market valuations of all of their assets. Accordingly, unless otherwise indicated, the Schedules and SOFAs reflect net book values for assets as of the dates stated in the Global Notes as reflected in the Debtors’ books and records. Amounts ultimately realized may vary from net book value, and such variance may be material. The asset amounts listed do not include material write-downs that may be necessary. Operating cash is presented as bank balances as of the Petition Date. Certain other assets, such as intangible assets, are listed as undetermined amounts as of the Petition Date because the book values may materially differ from fair market values.
8. **Estimates.** To prepare and file the Schedules in accordance with the deadline established in these Cases, management was required to make certain estimates and assumptions that affected the reported amounts of assets and liabilities as of the Petition Date. The Debtors reserve the right to amend the reported amounts of assets, liabilities, and expenses to reflect changes in those estimates or assumptions.
9. **Totals and Undetermined Amounts.** All totals that are included in the Schedules and SOFAs represent totals of known amounts only and do not include any contingent, unliquidated, disputed, or otherwise undetermined amounts. To the extent there are unknown, disputed, contingent, unliquidated, or otherwise undetermined amounts, the actual total may be materially different than the listed total. The description of an amount as “unknown,” “disputed,” “contingent,” “unliquidated,” or “undetermined” is not intended to reflect upon the materiality of such amount. Due to numerous unliquidated, contingent and/or disputed claims, summary statistics in the Schedules, SOFAs and Global Notes may significantly understate the Debtors’ liabilities.
10. **Excluded Assets and Liabilities.** The Debtors have sought to allocate liabilities between the prepetition and post-petition periods based on the information and research conducted in connection with the preparation of the Schedules and SOFAs. As additional information

becomes available and further research is conducted, the allocation of liabilities between the prepetition and post-petition periods may change.

The liabilities listed on the Schedules do not reflect any analysis of Claims under section 503(b)(9) of the Bankruptcy Code. Accordingly, the Debtors reserve all of their rights to dispute or challenge the characterization, validity, or amount of any asserted Claims under section 503(b)(9) of the Bankruptcy Code.

The Debtors have excluded certain categories of assets, tax accruals, and liabilities from the Schedules and SOFAs, including, without limitation, accrued salaries and employee benefit accruals. The Debtors also have excluded potential rejection damage Claims, if any, of counterparties to executory contracts and unexpired leases. In addition, certain immaterial assets and liabilities may have been excluded.

Pursuant to various “first day” orders and any supplements or amendments to such orders entered by the Bankruptcy Court, the Bankruptcy Court has authorized the Debtors to pay certain pre-Petition Date claims including, but not limited to, those of employees, transportation carriers and taxing authorities. Thus, Schedule E and F generally do not include prepetition liabilities that have been paid after the Petition Date. However, the estimate of claims set forth in the Schedules may not reflect assertions by the Debtor’s creditors of a right to have such claims paid or reclassified under the Bankruptcy Code or orders of the Bankruptcy Court.

11. **Property and Equipment.** Nothing in the Schedules or SOFAs (including, without limitation the failure to list leased property or equipment as owned property or equipment) is, or shall be construed as, an admission as to the determination of legal status of any lease (including whether any lease is a true lease or financing arrangement).
12. **Leases.** In the ordinary course of business, the Debtors may lease equipment and facilities under various operating leases. These agreements are carried by the Debtors at a zero book value. These equipment and facilities leases are reported on Schedule G. To the extent that there was an amount outstanding under any of these agreements as of the Petition Date, the amount owed to the applicable lessor has been listed on Schedule E / F of the Debtors.
13. **Guaranties and Other Secondary Liability Claims.** The Debtors have made reasonable efforts to locate and identify guaranties and other secondary liability claims (collectively, the “Guaranties”) in each of the executory contracts, unexpired leases, secured financings, debt instruments and other such agreements. Where Guaranties have been identified, they have been included in the relevant Schedule for each Debtor. It is possible that certain Guaranties embedded in the Debtors’ executory contracts, unexpired leases, secured financings, debt instruments and other such agreements may have been inadvertently omitted. The Debtors reserve the right to amend the Schedules to the extent additional Guaranties are identified or such Guaranties are discovered to have expired or be unenforceable. In addition, the Debtors reserve the right (i) to amend the Schedules and SOFAs and to recharacterize or reclassify any such contract or claim, and (ii) to contest the validity or enforceability of any such Guaranties. Additionally, failure to list any Guaranties in the Schedules and SOFAs, including in any future amendments to the Schedules and SOFAs, shall not affect the enforceability of any Guaranties not listed.

- 14. Claims of Third-Party Related Entities.** Although the Debtors have made reasonable efforts to properly classify each claim listed in the Schedules as being either disputed or undisputed, liquidated or unliquidated and/or contingent or noncontingent, the Debtors have not been able to fully reconcile all payments made to certain third parties and their related entities on account of the Debtors' obligations to both such entities and their affiliates. Therefore, to the extent that the Debtors have classified claims of a creditor as disputed, unliquidated and/or contingent, all claims of such creditor's affiliates listed in the Schedules shall similarly be considered as disputed, unliquidated and/or contingent, whether or not they are designated as such.
- 15. Insiders.** Solely for purposes of the Schedules and SOFAs, the Debtors define "insiders" to include the following: (a) directors; (b) PacSun's President and Chief Executive Officer, Chief Financial Officer, Senior Vice Presidents, and certain Vice Presidents; (c) the President, Secretary, and Treasurer of Miraloma; (d) the President, Secretary, and Chief Financial Officer of PacSun Stores; (e) equity holders holding in excess of 5% of the voting securities of the Debtor entities; and (f) relatives of any of the foregoing (to the extent known by the Debtors). Effective as of April 22, 2016, Ernie Sibal is the new Chief Financial Officer for PacSun and PacSun Stores, and the new Treasurer for Miraloma. Mr. Sibal formerly served as PacSun's Vice President of Real Estate, Construction & Strategy. Entities listed as "insiders" have been included for informational purposes and their inclusion shall not constitute an admission that those entities are insiders for purposes of section 101(31) of the Bankruptcy Code.
- 16. Intellectual Property Rights.** The exclusion of any intellectual property shall not be construed as an admission that such intellectual property rights have been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction.

In addition, although the Debtors have made diligent efforts to attribute intellectual property to the rightful Debtor entity, in certain instances, intellectual property owned by one Debtor may, in fact, be owned by another Debtor.

- 17. Executory Contracts and Unexpired Leases.** Although the Debtors made diligent attempts to attribute executory contracts and unexpired leases to their rightful Debtors, in certain instances, the Debtors may have inadvertently failed to do so due to the complexity and size of the Debtors' businesses.

Moreover, the Debtors have not necessarily set forth executory contracts and unexpired leases as assets in the Schedules and SOFAs, even though these contracts and leases may have some value to the Debtors' estates. The Debtors' executory contracts and unexpired leases have been set forth in Schedule G. The Debtors' rejection of executory contracts and unexpired leases may result in the assertion of rejection damage claims; the Schedules and SOFAs do not reflect any claims for rejection damages. The Debtors reserve the right to make any arguments and objections with respect to the assertion of any such claims.

- 18. Materialman's/Mechanic's Liens.** The assets listed in the Schedules and SOFAs are presented without consideration of any materialman's or mechanic's liens. Property and equipment listed in the Schedules and SOFAs are presented without consideration of any liens that may attach (or have attached) to such property and equipment.
- 19. Causes of Action.** Despite their reasonable efforts to identify all known assets, the Debtors may not have listed all of their causes of action or potential causes of action against third parties as assets in the Schedules and SOFAs, including, without limitation, causes of actions arising under the

provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers.

The Debtors reserve all of their rights with respect to any cause of action (including avoidance actions), controversy, right of setoff, cross-Claim, counter-Claim, or recoupment and any Claim on contracts or for breaches of duties imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertable directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law, or in equity, or pursuant to any other theory of law (collectively, “Causes of Action”) they may have, and neither these Global Notes nor the Schedules and SOFAs shall be deemed a waiver of any Claims or Causes of Action or in any way prejudice or impair the assertion of such Claims or Causes of Action.

- 20. Intercompany Obligations.** The net balance of intercompany transactions between the Debtors, if any, is set forth on Schedule E / F and Schedule A / B, as applicable. The listing in the Schedules or SOFAs (including, without limitation, Schedule A / B or Schedule E / F) by the Debtors of any obligation between a Debtor and another Debtor is a statement of what appears in the Debtors’ books and records and does not reflect any admission or conclusion of the Debtors regarding whether such amount would be allowed as a Claim or how such obligations may be classified and/or characterized in a plan of reorganization or by the Bankruptcy Court.
21. Setoffs. The Debtors incur certain offsets and other similar rights during the ordinary course of business. Offsets in the ordinary course can result from various items, including, without limitation, intercompany transactions, pricing discrepancies, returns, refunds, warranties, debit memos, credits, and other disputes between the Debtors and their suppliers and/or customers. These offsets and other similar rights are consistent with the ordinary course of business in the Debtors’ industry and are not tracked separately. Therefore, although such offsets and other similar rights may have been accounted for when certain amounts were included in the Schedules, offsets are not independently accounted for, and as such, are or may be excluded from the Debtors’ Schedules and SOFAs.
22. Employee Addresses. Employee addresses have been removed from entries listed on Schedules E, F and G and the SOFAs, as applicable. These addresses are available upon request of the Office of the United States Trustee and the Bankruptcy Court.
23. **Global Notes Control.** All of the Debtors’ Schedules and SOFAs are subject to and qualified by the Global Notes. In the event that the Schedules and SOFAs differ from the Global Notes, *the Global Notes shall control.*

SPECIFIC DISCLOSURES WITH RESPECT TO THE DEBTOR’S SCHEDULES

Schedule A/B - Real and Personal Property

Except where otherwise noted, the Debtors have included on Scheduled A/B the book value of owned real and personal property assets. Further, due to the volume of the Debtors’ real and personal property holdings, the Debtors may have listed certain assets as real property when such holdings are in fact in the nature of personal property holdings, or the Debtors may have listed certain assets as personal property assets when such holdings are in fact in the nature of real property holdings.

As noted above, despite commercially reasonable efforts to identify all known assets, the Debtors may not have listed all of its causes of action or potential causes of action against third parties as assets in its Schedules and SOFAs, including, but not limited to, causes of action arising under the Bankruptcy Code or any other applicable laws to recover assets or avoid transfers.

Assets recorded as negative net payables or other prepayments are representative of credits owed from customers or third parties. Security deposits held by real property lessors, utility companies and various other third parties have been included on the applicable Debtors' Schedule A / B. Separately, some of the Debtors' personal property is held and maintained at third party locations.

Item 3 – Checking, Savings, Money Market, or Financial Brokerage Accounts

Amounts listed in this Schedule reflect actual amounts in the respective accounts as of the Petition Date and may vary from the amounts contained in the Debtors' books and records.

Item 7 & 8 – Deposits and Prepayments

The Debtors' characterization of an asset on one of these Schedules is not a legal characterization of either a deposit or a prepayment. The Debtors reserve all of its rights to re-categorize and/or recharacterize such asset holdings at a later time as appropriate. Additionally, the amounts set forth on the Schedules do not include amounts held as retainers by professionals.

Item 25 – Property Purchased within 20 Days Before the Bankruptcy was Filed

The information presented represents the total amount of inventory goods purchased and received by the Debtors within 20 days of the Petition Date.

Items 59 – 64 (Part 10: Intangibles and Intellectual Property)

Patents, trademarks and other intellectual property are listed as an undetermined amount because the fair value of such ownership is dependent on numerous variables and factors and likely differs significantly from their net book value.

Item 71 – Notes Receivable

The notes receivable schedule includes intercompany assets, which are accounting allocations performed as part of the Debtors' centralized cash management system. The net intercompany balances relate to intercompany sales, rent, interest, supplies and any other intercompany expense since the formation of PacSun Stores. For intercompany sales, Pacsun purchases inventory from third parties for resale to the stores at a markup which is eliminated upon consolidation. Cash collected at PacSun Stores are swept to a master account owned by PacSun in accordance with its cash management agreement with the PacSun Stores. The intercompany accounts are also used to account for the transfer of funds among entities and payments made on behalf of Miraloma, which does not have its own disbursement account.

Item 75 - Other contingent and unliquidated claims or causes of action of every nature, including counterclaims of the debtor and rights to set off claims

The Debtors' failure to list any contingent and/or unliquidated claim held by the Debtors in response to this question shall not constitute a waiver, release, relinquishment, or forfeiture of such claim. In the ordinary course of their businesses, the Debtors may have accrued, or may subsequently accrue, certain

rights to counter-claims, setoffs, refunds, or other warranty claims against their suppliers. Additionally, certain of the Debtors may be party to pending litigation in which the Debtors have asserted, or may assert, claims as a plaintiff or counter-claims as a defendant. Because such claims are unknown to the Debtors and not quantifiable as of the Petition Date, they are not listed in Item 75.

Schedule D - Creditors Holding Secured Claims

The Claims listed on Schedule D arose or were incurred on various dates; a determination of the date upon which each Claim arose or was incurred would be unduly burdensome and cost prohibitive. Accordingly, not all such dates are included. All Claims listed on Schedule D, however, appear to have been incurred before the Petition Date. Except as otherwise agreed pursuant an order of the Bankruptcy Court, the Debtors reserve the right to dispute or challenge the validity, perfection or priority of any lien purported to be granted or perfected in any specific asset to a creditor listed on Schedule D. The descriptions provided on Schedule D are intended only as a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in any Debtor's Schedule D shall be deemed a modification, interpretation, or waiver of the terms of any such agreements.

The Debtors have not included on Schedule D all parties that may believe their claims are secured through setoff rights, deposits posted by, or on behalf of, the Debtors, inchoate statutory lien rights, or real property lessors, utility companies and other parties that may hold security deposits.

By listing a party on Schedule D based on a UCC-1 filing, the Debtors are not conceding that such party actually holds a perfected, unavoidable security interest in the asset that is the subject of such filing, and reserves all rights as set forth in these Global Notes.

Schedule E / F - Creditors Holding Unsecured Priority and/or Unsecured Non-Priority Claims

The Bankruptcy Court has authorized the Debtors, in their discretion, to pay certain liabilities that may be entitled to priority under the applicable provisions of the Bankruptcy Code. For example, on April 8, 2016, the Bankruptcy Court entered an Order (I) Authorizing the Payment of Prepetition Sales, Use and Franchise Taxes and Similar Taxes and Fees and (II) Authorizing Banks and other Financial Institutions to Receive, Process, Honor, and Pay Checks Issued and Electronic Payment Requests Made Relating to the Foregoing [Docket No. 93], authorizing the Debtors to pay or honor certain prepetition obligations owed to taxing authorities. Further, on April 8, 2016, the Bankruptcy Court entered an Order Authorizing Payment of Certain Prepetition Shipping, Delivery and Customs Charges [Docket No. 95], authorizing the Debtors to pay certain prepetition claims, in their discretion, and on April 8, 2016, the Bankruptcy Court entered an Interim Order (I) Authorizing Payment of Certain Prepetition Employee Claims, Including Wages, Salaries and Bonuses, (II) Authorizing Payment of Certain Employee Benefits and Confirming Right to Continue Employee Benefits on Postpetition Basis, (III) Authorizing Payment of Reimbursement to Employees for Prepetition Expenses, (IV) Authorizing Payment of Withholding and Payroll-Related Taxes, (V) Authorizing Payment of Prepetition Claims Owing to Administrators or Third Party Providers, (VI) Directing Banks to Honor Prepetition Checks and Fund Transfers for Authorized Payments, and (VII) Scheduling a Final Hearing [Docket No. 94] (the "Interim Wage Order"), authorizing the Debtors to pay or honor certain prepetition obligations with respect to employee wages, salaries and other compensation, reimbursable employee expenses and similar benefits. Additionally, on April 8, 2016, the Bankruptcy Court entered an Order Confirming Administrative Expense Priority Status of Debtors' Undisputed Obligations for Postpetition Delivery of Goods Ordered Prepetition [Docket No. 96]. To the extent that applicable Claims have been paid under one or more of the foregoing orders, such Claims may not be included in Schedule E / F.

The Debtors are currently subject to certain on-going audits or disputes and in an abundance of caution, the Debtors have included all taxing authorities as contingent, unliquidated, and disputed claims in case there are on-going audits or disputes of which the Debtors are unaware.

The listing of any claim on Schedule E / F does not constitute an admission by the Debtors that such claim is entitled to priority treatment under 11 U.S.C. § 507. The Debtors reserve their right to dispute the priority status of any claim on any basis.

The unsecured non-priority claims of individual creditors for among other things, products, goods or services are listed as either the lower of the amounts invoiced by the creditor or the amounts reflected on the Debtors' books and records and may not reflect credits or allowances due from such creditors to the Debtors. The claims listed on Schedule E / F arose or were incurred on various dates. In certain instances, the date on which a claim arose may be subject to dispute. While commercially reasonable efforts have been made, determining the date upon which each claim in Schedule E / F was incurred or arose would be unduly burdensome and cost prohibitive and, therefore, the Debtors do not list respective dates for the claims listed on Schedule E / F.

Schedule E / F also includes potential or threatened litigation claims. Any information contained in Schedule E / F with respect to such potential litigation shall not be a binding representation of the Debtors' liabilities with respect to any of the potential suits and proceedings included therein. The Debtors expressly incorporate by reference into Schedule E / F all parties to pending litigation listed on Item 7 of the Debtors' SOFAs as contingent, unliquidated, and disputed claims, to the extent not already listed on Schedule E / F.

Schedule E / F reflects the prepetition amounts owing to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in connection with the assumption, or assumption and assignment, of executory contracts or unexpired leases. Additionally, Schedule E / F does not include potential rejection damage Claims, if any, of the counterparties to executory contracts and unexpired leases that may be rejected.

In addition, certain of the Debtors unsecured non-priority obligations to certain of its vendors have been secured through letters of credit. The Debtors have listed each individual obligation to vendors on Schedule E / F with the entries marked as "Contingent", "Unliquidated", and "Disputed."

Schedule G - Unexpired Leases and Executory Contracts

Although commercially reasonable efforts have been made to ensure the accuracy of Schedule G regarding executory contracts and unexpired leases, inadvertent errors, omissions or overinclusion may have occurred in preparing Schedule G. In the ordinary course of business, the Debtors enter into various agreements with customers and vendors. The Debtors may have entered into various other types of agreements in the ordinary course of its business, such as indemnity agreements, supplemental agreements, letter agreements, and confidentiality agreements that may not be set forth in Schedule G. Omission of a contract, lease or other agreement from Schedule G does not constitute an admission that such omitted contract, lease or agreement is not an executory contract or unexpired lease. In some cases, the same supplier or provider appears multiple times on Schedule G. This multiple listing is intended to reflect distinct agreements between the Debtors and such supplier or provider. Likewise, the listing of an agreement on Schedule G does not constitute an admission that such agreement is an executory contract or unexpired lease, or that such agreement was in effect or unexpired on the Petition Date or is valid or enforceable. The agreements listed on Schedule G may have expired or may have been modified,

amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters and other documents, instruments and agreements that may not be listed on Schedule G.

Any and all rights, claims and causes of action of the Debtors with respect to the agreements listed on Schedule G are hereby reserved and preserved.

Schedule H - Co-Debtors

In the ordinary course of its business, the Debtors are involved in litigation with co-debtors and such litigation is listed on Schedule E / F. The Debtors may also have co-debtors or co-obligors under various leases, contracts or other agreements. The Debtors have made a reasonable effort to include these co-debtor or co-obligor relationships in Schedule H; however, certain co-debtor and co-obligor relationships may have been inadvertently omitted.

Any omission of a co-debtor or co-obligor in the Schedules does not constitute an admission that such omitted co-debtor or co-obligor is not obligated or liable under the relevant debt. The Debtors' rights under the Bankruptcy Code and non-bankruptcy law with respect to any omitted co-debtor or co-obligor are not impaired by the omission.

SPECIFIC DISCLOSURES WITH RESPECT TO THE DEBTOR'S SOFAs

SOFAs Item 3 – 90 Day Payments

SOFAs Item 3 includes any disbursement or other transfer made by the Debtors within 90 days before the Petition Date except for those made to insiders (which payments appear in response to SOFAs Item 30), employees, and bankruptcy professionals (which payments appear in response to SOFAs Item 11). The amounts listed in SOFAs Item 3 reflect the Debtors' disbursements netted against any check level detail; thus, to the extent a disbursement was made to pay for multiple invoices, only one entry has been listed on SOFAs Item 3. All disbursements listed on SOFAs Item 3 are made through the Debtors' cash management system. Additionally, all disbursement information reported in SOFAs Item 3 for a specific Debtor pertains to the bank accounts maintained by that Debtor.

SOFAs Item 4 – Insider Payments

The Debtors have attempted to include all payments made on or within 12 months before the Petition Date to any individual or entity deemed an "insider." The listing of a party as an insider is not intended to be nor should be construed as a legal characterization of such party as an insider and does not act as an admission of any fact, claim, right or defense, and all such rights, claims, and defenses are hereby expressly reserved.

SOFAs Item 6 – Set-Offs

The Debtors routinely incur set-offs during the ordinary course of business. Set-offs in the ordinary course can result from various items including counterparty settlements, pricing discrepancies, returns, warranties and other transaction true-ups. These normal set-offs are consistent with the ordinary course of business in the Debtors' industry and can be particularly voluminous, making it unduly burdensome and costly for the Debtors to list all normal set-offs. Therefore, ordinary course set-offs are excluded from the Debtors' responses to SOFA Item 6 except where otherwise noted.

SOFAs Item 7 – Litigation

In addition to the litigation listed in this schedule, the Debtors from time to time may also participate in administrative actions and appeals with state agencies regarding permits in the ordinary course of its business. These actions have not been identified in this schedule. The actual amount of litigation matters is contingent on the outcome of the cases.

SOFAs Item 10 – Losses from Fire, Theft, or Other Casualty

The Debtors occasionally incur losses for a variety of reasons, including theft and property damage. The Debtors, however, may not have records of all such losses to the extent such losses do not have a material impact on the Debtors' business or are not reported for insurance purposes. The Debtors have included the inventory shrink by period. Inventory shrink includes, among other things, losses from theft.

SOFAs Item 14 – Previous Addresses

The Debtors' corporate headquarters has remained at the same address for the prior three years and the Debtors have not listed the individual store closings.

SOFAs Item 22, 23 and 24 - Environmental Information

The information set forth in SOFAs 22, 23, and 24 reflect the environmental information reasonably available to the Debtors at the time the Debtors prepared the Schedules and SOFAs.

SOFAs Item 26 – Books Records and Financial Statements

Pursuant to the requirements of the Securities Exchange Act of 1934, as amended, Pacific Sunwear of California, Inc. has filed with the U.S. Securities and Exchange Commission (the "SEC") reports on Form 8-K, Form 10-Q, and Form 10-K. These SEC filings contain consolidated financial information relating to the Debtors. Additionally, consolidated financial information for the Debtors is posted on the company's website at www.pacsun.com/company/investor-relations.html. Because the SEC filings and the website are of public record, the Debtors do not maintain records of the parties that requested or obtained copies of any of the SEC filings from the SEC or the Debtors.

In addition, in the ordinary course of business the Debtors provide certain parties, such as financial institutions, investment banks, debtholders, auditors, potential investors, vendors and financial advisors financial statements that may not be part of a public filing. The Debtors do not maintain complete lists to track such disclosures. As such, the Debtors have not provided lists of these parties in response to this question.

SOFAs Item 73 – Interest in Insurance Policies or Annuities

The Debtors maintain certain insurance policies essential to their continued operations, including, but not limited to, property, casualty, motor vehicle and general liability, and director and officer insurance policies. While the Company does have substantial self-insurance liabilities, the Debtors believe that these liabilities were fully collateralized as of the Petition Date. The terms of the policies are similar to insurance policies typically maintained by corporate entities that are similar in size and nature to the Debtors. The Debtors' insurance policies generally are structured to provide coverage for all of their direct and indirect subsidiaries and affiliates.
