WHEREAS, on April 1, 2012, (the “Petition Date”), the Borrower and each of the other Credit Parties filed a voluntary petition for relief (collectively, the “Cases”) under chapter 11 of the Bankruptcy Code with the United States Bankruptcy Court for the Southern District of New York (the “Bankruptcy Court”);

WHEREAS, the Borrower and the other Credit Parties are continuing to operate their respective businesses and manage their respective properties as debtors and debtors in possession under sections 1107 and 1108 of the Bankruptcy Code;

WHEREAS, the Borrower has requested that the Lenders provide senior secured super-priority term loan facilities of up to \$74,285,000 in order to fund the continued operation of the Credit Parties businesses as debtors and debtors in possession under the Bankruptcy Code and repay amounts owing under the Promissory Note;

WHEREAS, the Lenders are willing to make available to the Borrower such post-petition loans and other extensions of credit upon the terms and subject to the conditions set forth herein;

WHEREAS, each of the Guarantors has agreed to guaranty the obligations of the Borrower hereunder, and each of the Credit Parties has agreed to secure its obligations to the Secured Parties hereunder with, inter alia, security interests in, and liens on, all of its property and assets, whether real or personal, tangible or intangible, now existing or hereafter acquired or arising, all as more fully provided herein; and

WHEREAS, capitalized terms used in this Agreement shall have the meanings ascribed to them in Annex A and, for purposes of this Agreement and the other Loan Documents, the rules of construction set forth in Annex A shall govern. All Annexes, Schedules, Exhibits and other attachments (collectively, “Appendices”) hereto, or expressly identified to this Agreement, are incorporated herein by reference, and taken together with this Agreement, shall constitute but a single agreement. These Recitals shall be construed as part of the Agreement.

NOW, THEREFORE, in consideration of the premises and the mutual covenants hereinafter contained, and for other good and valuable consideration, the parties hereto agree as follows:

1. AMOUNT AND TERMS OF CREDIT

1.1 Credit Facilities.

(a) Initial Term Loan.

(i) Each Lender severally and not jointly with the other Lenders agrees, upon the terms and subject to the conditions herein set forth, to make term loans (each a "Term Loan" and collectively, the "Term Loans") to the Borrower at any time and from time to time during the period commencing on the date hereof and ending on the Maturity Date in an aggregate principal amount not to exceed the Commitment of such Lender. At no time shall the then outstanding aggregate principal amount of the Loans exceed the Commitment minus the Reserve, as the Commitment may be reduced from time to time pursuant to terms herein.

(ii) On the Closing Date, the Borrower shall be deemed to borrow an amount equal to all outstanding principal and accrued interest under the Promissory Note, which borrowing shall be used to repay in full in cash the Promissory Note.

(b) Delayed Draw Term Loan. Subject to the terms and conditions hereof, each Lender agrees to make additional term loans (each, a "Delayed Draw Term Loan" and collectively the "Delayed Draw Term Loans") in accordance with the terms of the Budget.

(c) Subject to Section 1.14, the aggregate outstanding principal balance of the Term Loans shall be due and payable in full in immediately available funds on the Maturity Date, if not sooner paid in full. No payment with respect to the Term Loans may be reborrowed.

(d) Each payment of principal with respect to the Term Loans shall be paid to the Administrative Agent for each Lender's Pro Rata Share.

(e) The Closing Date Term Loans shall, upon the request of any Lender pursuant to Section 1.10, be evidenced by promissory notes substantially in the form of Exhibit 1.1 (each a "Note" and collectively the "Notes"), and, upon such request as provided in Section 1.10, the Borrower shall execute and deliver each Note to the applicable Lender. Each Note shall represent the obligation of the Borrower to pay the amount of the applicable Lender's Term Loans, together with interest thereon as prescribed in Section 1.6.

1.2 Procedure for Loan Borrowing. The Borrower shall have given the Administrative Agent written notice by E-Fax or e-mail substantially in the form of Exhibit 1.2 (a "Notice of Borrowing") (which notice must be received by the Administrative Agent prior to 12:00 P.M., New York City time, five (5) Business Days prior to the requested Borrowing Date), specifying (a) the amount to be borrowed, (b) the requested Borrowing Date and (c) instructions for remittance of the applicable Term Loans to be borrowed. Upon receipt of any such notice from the Borrower, the Administrative Agent shall promptly notify each Lender thereof. Each Lender will make the amount of its pro rata share of the Term Loans available to the Administrative Agent for the account of the Borrower at the Funding Office prior to 12:00 Noon, New York City time, in funds immediately available to the Administrative Agent, on the applicable Borrowing Date. Such Term Loans will then be made available to the Borrower by the Administrative Agent crediting such account as is designated in writing to the Administrative Agent by the Borrower, with the aggregate of the amounts made available to the Administrative Agent by the Lenders and in like funds as received by the Administrative Agent. Notwithstanding anything to the contrary contained herein, the Borrower shall only be entitled to make three (3) requests for Term Loans during the term of this Agreement and each request shall be in the minimum amount of \$10,000,000.

1.3 Prepayments and Commitment Reduction.

(a) Voluntary Prepayments. The Borrower may at any time on at least three (3) Business Days' prior written notice to the Administrative Agent, voluntarily prepay all or part of the Term Loans; provided that any such prepayment shall be in a minimum amount of \$1,000,000 and integral multiples of \$1,000,000 in excess of such amount (or, if less, the outstanding amount of the Term Loans or any other amount approved by the Requisite Lenders); provided, further, that any such prepayment shall be applied pursuant to Section 1.4.

(b) Mandatory Prepayments.

(i) Except as provided under Section 1.3(c), upon receipt by any Credit Party of Net Cash Proceeds arising from an Asset Sale or Property Loss Event, the Borrower shall immediately prepay the Term Loans in an amount equal to 100% of such Net Cash Proceeds; provided, that, immediately upon receipt by any Credit Party of such Net Cash Proceeds, the Borrower may, at its option, deposit 100% of such Net Cash Proceeds in the Cash Collateral Account, in each case, to be applied in accordance with Section 1.4.

(ii) Upon receipt by any Credit Party of any Net Cash Proceeds from any issuance of Indebtedness (other than Debt permitted under Section 6.3 hereof), the Borrower shall immediately prepay the Term Loans in an amount equal to 100% of such Net Cash Proceeds.

(iii) Upon receipt by any Credit Party of any Net Cash Proceeds from any issuance of its equity securities (other than an Excluded Issuance), the Borrower shall immediately prepay the Term Loans in an amount equal to 100% of such Net Cash Proceeds.

(c) Application of Net Cash Proceeds. Any Net Cash Proceeds received by the Borrower or any other Credit Party or the Administrative Agent under any Loan Document (except as otherwise expressly provided herein or therein) shall be applied pursuant to Section 1.4; provided, however, that, in the event the Borrower has elected to deposit such Net Cash Proceeds in the Cash Collateral Account in accordance with Section 1.3(b)(i), so long as no Default or Event of Default shall have occurred or be continuing, all or a portion of such Net Cash Proceeds may be used to acquire, construct, replace, restore or repair assets used or useful in such Person's business if such use of Net Cash Proceeds shall be made within 90 days of receipt of Net Cash Proceeds from such Asset Sale or Property Loss Event.

(d) Optional Commitment Reduction. The Borrower may, upon irrevocable written notice to the Administrative Agent, terminate the unused Commitments, or from time to time permanently reduce the unused Commitments, in each case without premium or penalty; provided that (i) any such notice shall be received by the Administrative Agent three (3) Business Days prior to the date of termination or reduction and (ii) any such partial reduction shall be in a minimum aggregate amount of \$1,000,000, as applicable, or any whole multiple of \$1,000,000, in excess.

(e) Mandatory Commitment Reduction. The Commitment shall automatically and permanently terminate on the Maturity Date. The Commitments of all Lenders hereunder shall

automatically terminate if the Closing Date does not occur on or prior to 5:00 p.m. (New York, New York time) on May 1, 2012.

(f) No Implied Consent. Nothing in this Section 1.3 shall be construed to constitute the Administrative Agent's or any Lender's consent to any transaction that is not permitted by other provisions of this Agreement or the other Loan Documents.

1.4 Priority and Application of Payments. So long as no Event of Default has occurred and is continuing, payments matching specific scheduled or required payments then due shall be applied to those scheduled or required payments. As to any other payment and as to all payments made when an Event of Default has occurred and is continuing or following the Maturity Date, the Borrower hereby irrevocably waives the right to direct the application of any and all payments received from or on behalf of the Borrower, and the Borrower and each Secured Party hereby irrevocably agrees that the Administrative Agent shall have the continuing exclusive right to apply any and all such payments against the Obligations as follows: first, to reimbursable costs and expenses of the Administrative Agent then due and payable pursuant to any of the Loan Documents; second, to unpaid reimbursable costs and expenses of Lenders then due and payable pursuant to any of the Loan Documents; third, to interest then due and payable on the Term Loans; fourth, to prepay the remaining principal amount of the Term Loans, until the Term Loans shall have been paid in full; and fifth, to all other Obligations then due and payable to the Lenders. All payments and prepayments applied to a particular Term Loan shall be applied ratably to the portion thereof held by each Lender as determined by its Pro Rata Share.

1.5 Use of Proceeds. The Borrower shall utilize the proceeds of the Term Loans solely (i) to provide working capital for, and for other general corporate purpose of, the Credit Parties, in each case in accordance with the Budget, (ii) to repay in full the Promissory Note on the Closing Date, and (iii) to pay the costs and expenses of the Lenders and the Administrative Agent.

1.6 Interest and Applicable Margins.

(a) The Borrower shall pay interest to the Administrative Agent, for the ratable benefit of Lenders in accordance with the Term Loans being made by each Lender, in arrears on each applicable Interest Payment Date, at 12.5% per annum.

(b) If any payment on any Term Loan becomes due and payable on a day other than a Business Day, the maturity thereof will be extended to the next succeeding Business Day and, with respect to payments of principal, interest thereon shall be payable at the then applicable rate during such extension.

(c) All computations of interest shall be made by the Administrative Agent on the basis of a 365/366 day year, in each case, for the actual number of days occurring in the period for which such interest is payable. Each determination by the Administrative Agent of interest rates hereunder shall be presumptive evidence of the correctness of such rates.

(d) So long as an Event of Default has occurred and is continuing, (i) the interest rates applicable to the Term Loans shall be increased by two percentage points (2%) per annum above

the rates of interest otherwise applicable to such Term Loan hereunder (the “Default Rate”), and (ii) all other outstanding Obligations shall bear interest at the Default Rate. Interest at the Default Rate shall accrue from the initial date of such Event of Default until that Event of Default is cured or waived and shall be payable upon demand.

(e) Notwithstanding anything to the contrary set forth in this Section 1.6, if a court of competent jurisdiction determines in a final order that the rate of interest payable hereunder exceeds the highest rate of interest permissible under law (the “Maximum Lawful Rate”), then so long as the Maximum Lawful Rate would be so exceeded, the rate of interest payable hereunder shall be equal to the Maximum Lawful Rate; provided, however, that if at any time thereafter the rate of interest payable hereunder is less than the Maximum Lawful Rate, the Borrower shall continue to pay interest hereunder at the Maximum Lawful Rate until such time as the total interest received by the Administrative Agent, on behalf of applicable Lenders, is equal to the total interest that would have been received had the interest rate payable hereunder been (but for the operation of this paragraph) the interest rate payable since the Closing Date as otherwise provided in this Agreement. In no event shall the total interest received by any Lender pursuant to the terms hereof exceed the amount that such Lender could lawfully have received had the interest due hereunder been calculated for the full term hereof at the Maximum Lawful Rate.

1.7 Cash Management Systems. On or prior to the Closing Date, the Borrower will establish and will maintain until the Termination Date, the cash management systems described in Annex B (the “Cash Management Systems”).

1.8 Setoff Against Delta Connection Agreement. Unless Delta otherwise elects upon at least three Business Days’ prior written notice to the Borrower (so long as Delta or its affiliates are the sole Lenders), payments of principal hereof and interest hereon in each case due and payable shall be made on the applicable due date by deductions from amounts due and payable to the Credit Parties under the Delta Connection Agreement in the manner set forth therein.

1.9 Receipt of Payments. The Borrower shall make each payment under this Agreement not later than 2:00 p.m. (New York time) on the day when due in immediately available funds in Dollars to the Collection Account. For purposes of computing interest as of any date, all payments shall be deemed received on the Business Day on which immediately available funds therefor are received in the Collection Account prior to 2:00 p.m. New York time. Payments received after 2:00 p.m. New York time on any Business Day or on a day that is not a Business Day shall be deemed to have been received on the following Business Day.

1.10 Loan Account and Accounting. The Administrative Agent shall maintain a loan account (the “Loan Account”) on its books to record the Term Loans, all payments made by the Borrower with respect to the Term Loans, and all other debits and credits as provided in this Agreement with respect to the Term Loans or any other Obligations with respect to the Term Loans. All entries in the Loan Account shall be made in accordance with the Administrative Agent’s customary accounting practices as in effect from time to time. The balance in the Loan Account, as recorded on the Administrative Agent’s most recent printout or other written statement, shall, absent manifest error, be presumptive evidence of the amounts due and owing to

the Administrative Agent and the Lenders by the Borrower; provided, that any failure to so record or any error in so recording shall not limit or otherwise affect the Borrower's duty to pay the Obligations with respect to the Term Loans. The Administrative Agent shall render to the Borrower a monthly accounting of transactions with respect to the Term Loans setting forth the balance of the Loan Account for the immediately preceding month. Any Lender may elect, by notice to the Borrower and the Administrative Agent, to have such Lender's Term Loans be evidenced by a Note issued to that Lender. If no such Note is requested, such Lender may rely on the Term Loan Account as evidence of the amount of Obligations with respect to the Term Loan from time to time owing to it. Unless the Borrower notifies the Administrative Agent in writing of any objection to any such accounting (specifically describing the basis for such objection), within thirty (30) days after the date thereof, each and every such accounting shall be presumptive evidence of all matters reflected therein. Only those items expressly objected to in such notice shall be deemed to be disputed by the Borrower.

1.11 Indemnity. Each Credit Party that is a signatory hereto shall jointly and severally indemnify and hold harmless each of the Administrative Agent, Lenders and their respective Affiliates, and each such Person's respective officers, directors, employees, advisors, agents and representatives (each, an "Indemnified Person"), from and against any and all suits, actions, proceedings, claims, damages, losses, liabilities, costs and expenses (including attorneys fees and disbursements and other costs of investigation or defense, including those incurred upon any appeal) that may be instituted or asserted against or incurred by any such Indemnified Person as the result of the financing contemplated hereby or the use or the proposed use of proceeds thereof under this Agreement and the other Loan Documents and the administration of such credit, and in connection with or arising out of the transactions contemplated hereunder and thereunder and any actions or failures to act in connection therewith, including any and all Environmental Liabilities and legal costs and expenses arising out of or incurred in connection with disputes between or among any parties to any of the Loan Documents, and associated with Electronic Transmissions or E-Systems as well as failures caused by the Borrower's equipment, software, services or otherwise used in connection therewith (collectively, "Indemnified Liabilities"); provided, that no such Credit Party shall be liable for any indemnification to an Indemnified Person to the extent that any such suit, action, proceeding, claim, damage, loss, liability, cost or expense results from that Indemnified Person's gross negligence or willful misconduct as determined by a final and non-appealable order of a court of competent jurisdiction. NEITHER THE LENDERS, THE ADMINISTRATIVE AGENT NOR ANY SUCCESSOR, ASSIGNEE OR THIRD PARTY BENEFICIARY OF SUCH PERSON SHALL BE RESPONSIBLE OR LIABLE TO ANY CREDIT PARTY OR ANY OTHER PERSON ASSERTING CLAIMS DERIVATIVELY THROUGH SUCH CREDIT PARTY, ANY OF SUCH CREDIT PARTY'S SUBSIDIARIES OR ANY OTHER PERSON, FOR INDIRECT, PUNITIVE, EXEMPLARY, SPECIAL OR CONSEQUENTIAL DAMAGES.

1.12 Access.

(a) Each Credit Party shall, during normal business hours, from time to time upon reasonable prior notice as frequently as the Administrative Agent and each Lender reasonably determines to be appropriate: (i) provide the Administrative Agent and each Lender and any of its or their officers, employees and agents access to its officers and employees, and with prior notice and the opportunity to be present, advisors of each Credit Party; (ii) permit the

Administrative Agent and each Lender, and any of its or their officers, employees and agents, to inspect, audit and make extracts from any Credit Party's Books and Records (subject to requirements under any confidentiality agreements, if applicable); and (iii) permit the Administrative Agent and each Lender, and any of its or their officers, employees and agents, to have access to properties, facilities and to the Collateral and to inspect, audit, review, evaluate, conduct field examinations and make test verifications and counts of the Accounts, Inventory and other Collateral of any Credit Party. Each Credit Party shall make available to the Administrative Agent and each Lender and its (or their) counsel reasonably promptly originals or copies of all Books and Records (subject to requirements under any confidentiality agreements, if applicable) that the Administrative Agent and each Lender may reasonably request. 3.11 Taxes. Except as provided on Disclosure Schedule 3.11, (and except as otherwise permitted by the Bankruptcy Court and the Bankruptcy Code) all Federal and other material tax returns, reports and statements, including information returns, required by any Governmental Authority to be filed by any Credit Party have been filed with the appropriate Governmental Authority, all such returns, reports and statements are true and correct and, subject to the automatic stay, all Charges due and payable by such Credit Party (whether or not shown on any returns, reports or statements) have been or will be timely paid prior to the date on which any fine, penalty, interest or late charge may be added thereto for nonpayment thereof, excluding Charges or other amounts being contested in accordance with Section 5.2(b). No such employee benefit plan is a Title IV Plan or a Multiemployer Plan. No condition exists or event or transaction has occurred with respect to any such plan which might result in the incurrence by any Credit Party of any material liability, fine or penalty.

3.13 No Litigation. No Credit Party shall change its Fiscal Year.

6.15 No Impairment of Intercompany Transfers. No Credit Party will, nor will it seek approval to directly or indirectly enter into or become contractually bound by any agreement, instrument, indenture or other obligation (other than this Agreement and the other Loan Documents) that could directly or indirectly restrict, prohibit or require the consent of any Person with respect to the payment of dividends or distributions by a Subsidiary or a Credit Party, the making or repayment of intercompany loans by a Subsidiary of a Credit Party to the Credit Party or the transfer of assets between and among the Credit Parties and their Subsidiaries; other than (a) prohibitions or restrictions existing on the Closing Date and listed on Disclosure Schedule 6.15, and any extension or renewal thereof on terms no less favorable to such Credit Party and (b) prohibitions or restrictions imposed by law or by this Agreement or any of the other Loan Documents, (c) customary restrictions and conditions contained in agreements relating to the sale of a subsidiary or any asset pending such sale, provided such restrictions and conditions apply only to the subsidiary or asset that is to be sold and such sale is permitted hereunder, (d) prohibitions or restrictions imposed by any agreement related to secured Indebtedness or other obligations permitted by this Agreement if such restriction or condition applies only to property secured or financed by such Indebtedness or other obligations and (e) the foregoing shall not apply to customary provisions in leases, licenses and other contracts relating to the use and occupancy of airport premises and facilities restricting the assignment thereof.

6.16 Limitation on Negative Pledge Clauses. No Credit Party will, nor will it seek approval to, directly or indirectly, enter into, incur or permit to exist any agreement or other arrangement that prohibits, restricts or imposes any condition upon the ability of any Credit Party or any Subsidiary to create, incur, assume or permit to exist any Lien to secure its Obligations under the Loan Documents; provided that (i) the foregoing shall not apply to restrictions and conditions imposed by law or by this Agreement or any of the other Loan Documents, (ii) the foregoing shall not apply to restrictions and conditions existing on the date hereof identified on Disclosure Schedule 6.16 (but shall apply to any amendment or modification expanding the scope or duration of, any such restriction or condition), (iii) the foregoing shall not apply to customary restrictions and conditions contained in agreements relating to the sale of a Subsidiary or any asset pending such sale, provided such restrictions and conditions apply only to the Subsidiary or asset that is to be sold and such sale is permitted hereunder, (iv) the foregoing shall not apply to prohibitions or restrictions imposed by any agreement related to secured Indebtedness or other obligations permitted by this Agreement if such restriction or condition applies only to property secured or financed by such Indebtedness or other obligations and (v)

the foregoing shall not apply to customary provisions in leases, licenses and other contracts relating to the use and occupancy of airport premises and facilities restricting the assignment thereof.

6.17 No Speculative Transactions. No Credit Party will, nor will it seek approval to engage in any transaction involving commodity options, futures contracts or similar transactions, except solely to hedge in the ordinary course of business.

6.18 Bankruptcy Related Matters. The Credit Parties shall not permit any of the following (or file any motion seeking authorization):

(a) except with respect to the Lenders, entry into any agreement to return any of its property to any of its creditors for application against any prepetition Indebtedness, prepetition trade payables or other prepetition claims under Section 546(g) of the Bankruptcy Code or enter into any agreement which allows any creditor to take any setoff or recoupment other than (i) in accordance with the Operating Forecast against any of its prepetition Indebtedness, prepetition trade payables or other prepetition claims based upon any such return pursuant to Section 553(b)(1) of the Bankruptcy Code, (ii) in connection with the Delta Connection Agreement in accordance with Section 1.8, (iii) in connection with the Capacity Purchase Agreement, (iv) as approved by the First Day Orders or (v) in connection with the cash deposit or cash collateral provided by the Credit Parties to any third party prior to the commencement of the Cases, in the case of this clause (v), in an amount not to exceed \$200,000;

(b) any order which authorizes the payment of any Indebtedness (other than the Promissory Note, Indebtedness reflected in the approved Budget, and other Indebtedness approved by the Requisite Lenders) incurred prior to the Petition Date or the grant of “adequate protection” (whether payment in cash or transfer of property) with respect to any such Indebtedness which is secured by a Lien (other than adequate protection granted pursuant to the UA Order or expressly provided for in the Budget or Operating Forecast); or

(c) any order seeking authority to take any action that is prohibited by the terms of this Agreement, the Final Order or the other Loan Documents or refrain from taking any action that is required to be taken by the terms of this Agreement or any of the other Loan Documents.

7. TERM

7.1 Termination. The financing arrangements contemplated hereby shall be in effect until the Maturity Date, and the Term Loans and all other Obligations shall be automatically due and payable in full on such date.

7.2 Survival of Obligations Upon Termination of Financing Arrangements. Except as otherwise expressly provided for in the Loan Documents, no termination or cancellation (regardless of cause or procedure) of any financing arrangement under this Agreement shall in any way affect or impair the obligations, duties and liabilities of the Credit Parties or the rights of the Administrative Agent and the Lenders relating to any unpaid portion of the Term Loans or any other Obligations, due or not due, liquidated, contingent or unliquidated or any transaction or event occurring prior to such termination, or any transaction or event, the performance of which is required after the Maturity Date. Except as otherwise expressly provided herein or in any other

Loan Document, all undertakings, agreements, covenants, warranties and representations of or binding upon the Credit Parties, and all rights of the Administrative Agent and each Lender, all as contained in the Loan Documents, shall not terminate or expire, but rather shall survive any such termination or cancellation and shall continue in full force and effect until the Termination Date; provided, that the provisions of Article 13, the payment obligations under Section 1.13 and the indemnities contained in the Loan Documents shall survive the Termination Date.

8. EVENTS OF DEFAULT; RIGHTS AND REMEDIES

8.1 Events of Default. The occurrence of any one or more of the following events (regardless of the reason therefor) shall constitute an “Event of Default” hereunder:

(a) The Borrower (i) fails to make any payment of principal of the Term Loans when due and payable, (ii) fails to make any payment of interest on the Term Loans or any of the other Obligations when due and payable, or (iii) fails to pay or reimburse the Administrative Agent or Lender for any expense reimbursable hereunder or under any other Loan Document within ten (10) days following the demand for such reimbursement or payment of expenses.

(e) (x) The Borrower fails to perform or observe any covenant, condition or agreement to be performed or observed by it under this Agreement or any other Loan Document (other than as described in clauses (a), (b), (c) or (d) above) and such failure shall remain unremedied for 30 days from notice to or knowledge of any Credit Party.

(f) A default or breach (after giving effect to any required written notice from Delta and after giving effect to any applicable grace period) by any Credit Party under any Delta Connection Agreement, which give Delta (or its Affiliates) the right to terminate such agreements.

(g) Any representation or warranty herein or in any Loan Document or in any written statement, report, financial statement or certificate made or delivered to the Administrative Agent or any Lender by any Credit Party is untrue or incorrect or false in any material respect, in each case, as of the date when made or deemed made.

(h) Any Credit Party shall reject any Delta Connection Agreement without the prior consent of the Lenders.

(i) At any time after the thirteen-week anniversary of the date of commencement of the Cases, a Budget that has been approved by the Lenders in accordance with the Loan Documents is not then in full force and effect.

(j) The Loan Documents and the Final Order shall, for any reason, cease to create a valid Lien on any of the Collateral purported to be covered thereby or such Lien shall cease to be a perfected Lien having the priority provided for herein and in the Final Order, or any Credit Party shall so allege in any pleading filed in any court or any material provision of any Loan Document shall, for any reason, cease to be valid and binding on each Credit Party party thereto (or any Credit Party shall challenge the enforceability of any Loan Document or shall assert in writing, or engage in any action or inaction based on any such assertion, that any provision of any of the Loan Documents has ceased to be or otherwise is not valid, binding and enforceable in accordance with its terms).

(k) (i) Any judgment or judgments for the payment of any post-petition obligations in excess of \$1,000,000 in the aggregate at any time are outstanding against one or more of the Credit Parties (which judgments are not covered by insurance policies as to which liability has been accepted by the insurance carrier) or (ii) any one or more non-monetary judgments that have, or could reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect and, in each case, the same are not, within thirty (30) days after the entry thereof, discharged or bonded pending appeal, or such judgments are not discharged prior to the expiration of any such stay.

(l) Suspension of all or substantially all of the Credit Parties flight and other operations for longer than two days or entry of an order by the Bankruptcy Court authorizing the same.

(m) Any Change of Control occurs.

(n) In the case of any Gates or Routes (i) any applicable Aviation Authority modifies, suspends, revokes, terminates, cancels or otherwise takes any action that adversely affects any Credit Party's Permits or any Credit Party's use or occupation or maintenance of such Gates or Routes due to any Credit Party's failure to abide by applicable law or any contract governing the use of such Gates or Routes, or (ii) any Credit Party otherwise ceases to use, occupy or maintain such Gates or Routes, and any event referred to in this clause (ii) could reasonably be expected to have a Material Adverse Effect.

(o) A default occurs under any lease or leases by a Credit Party as lessee of any real or personal property, excluding any defaults due to Credit Party's Chapter 11 filing or any Bankruptcy Court approved rejection of such lease or leases under section 365 or 1110 of the Bankruptcy Code, regarding a failure to make a post-petition payment under which the aggregate rentals payable under such lease or all such leases in the aggregate exceed \$1,000,000.

(p) An ERISA Event shall have occurred that, when taken together with all other ERISA Events that have occurred, could reasonably be expected to result in a Material Adverse Effect.

(q) The commencement of any adversary proceeding, contested matter or other action by any Credit Party asserting any claims and defenses or otherwise against the Promissory Note Lender with respect to the obligations of any Credit Party thereunder or the liens granted to the Promissory Note Lender to secure the obligations under the Promissory Note.

(r) (i) Any of the Cases shall be dismissed without a provision for indefeasible payment of all of the Obligations in full in cash (or the Bankruptcy Court shall make a ruling requiring the dismissal of the Cases) or converted to a case under chapter 7 of the Bankruptcy Code, (ii) any Credit Party shall file any pleading requesting any such relief, (iii) a trustee under chapter 7 or chapter 11 of the Bankruptcy Code, a responsible officer or an examiner with enlarged powers relating to the operation of the business (powers beyond those set forth in section 1106(a)(3) and (4) of the Bankruptcy Code) under section 1106(b) of the Bankruptcy Code shall be appointed in any of the Cases without the prior written consent of the Lenders; or (iv) an application shall be filed by any Credit Party for the approval of, or the Bankruptcy Court shall enter an order (x) granting any Lien that is *pari passu* or senior to any lien granted to the Lenders under the Loan Documents or the Final Order, except as expressly permitted therein; (y) to recover from any portions of the Collateral any costs or expenses of preserving or disposing of such Collateral under section 506(c) of the Bankruptcy Code; or (z) to grant a superpriority claim, other than that granted in the Final Order (and other than with respect to the Carve-Out), which is *pari passu* with or senior to any of the claims of the Lenders against the Borrower or any other Guarantor hereunder, under the Final Order (or there shall arise or be granted any superpriority claim *pari passu* or senior to any such claims).

(s) Any Credit Party shall file a motion seeking, or the Bankruptcy Court shall enter, an order (i) approving any payment (as adequate protection or otherwise) on account of any Claim against any Credit Party arising or deemed to have arisen prior to the Petition Date, other than a Permitted Prepetition Payment, or any Credit Party shall make such a payment, (ii) approving any other First Day Order not acceptable to the Lenders, (iii) the Bankruptcy Court shall enter an order granting relief from the automatic stay to the holder or holders of any other security interest or Lien (other than the Lenders) in any Collateral to permit the pursuit of any judicial or non-judicial transfer or other remedy against any of the Collateral with a value in excess of \$1,000,000 subject to any such relief from the automatic stay, or granting any form of adequate protection, including, without limitation, requiring cash payments by such Credit Party to such holder or holders, in lieu of such relief other than (x) in connection with granting the first day relief as proposed by the Credit Parties or relief granted under section 1110 of the Bankruptcy Code (that is acceptable to the Lenders) or (y) to the extent that the Credit Parties shall remain in compliance with the Budget after giving effect to the foregoing and such relief shall not be adverse to the interests of the Lenders, (iv) authorizing the sale of all or substantially all of the Borrower's assets (unless such order contemplates the indefeasible payment in full in cash of the Obligations upon consummation of such sale, whether pursuant to a Plan of Reorganization or otherwise); (v) except as permitted under Section 6.8, approving the implementation of liquidation under chapter 11 of the Bankruptcy Code in any Case or (vi) any plan of reorganization or liquidation which does not provide for the indefeasible payment in full in cash of all Obligations on or before the date of the effectiveness of such plan is confirmed without the express prior written consent of the Lenders.

(t) Any other party shall both seek and obtain allowance of any order in the Cases to recover from any portions of the Collateral any costs or expenses of preserving or disposing of such Collateral under section 506(c) of the Bankruptcy Code.

(u) (i) the Final Order shall not have been entered by the Bankruptcy Court on or before the 30th day following the Petition Date, or (ii) from and after the date of entry thereof, the Final Order shall cease to be in full force and effect, or (iii) any Credit Party shall fail to comply with the terms of the Final Order, or (iv) the Final Order shall be amended, supplemented, stayed, reversed, vacated or otherwise modified (or any of the Credit Parties shall apply for authority to do so), in each case, without the prior written consent of the Administrative Agent.

8.2 Remedies.

(a) If any Event of Default has occurred and is continuing, without further order of, application to, or action by, the Bankruptcy Court, the rate of interest applicable to the Term Loans shall be increased to the Default Rate.

(b) If any Event of Default has occurred and is continuing, without further order of, application to, or action by, the Bankruptcy Court, (i) the Administrative Agent may, without notice, declare all or any portion of the Obligations, including all or any portion of any Term Loans to be forthwith due and payable, all without presentment, demand, protest or further notice of any kind, all of which are expressly waived by the Borrower and each other Credit Party; and (ii) the Administrative Agent may (and at the written request of the Requisite Lenders, shall), without notice except as required by the Final Order, exercise any rights and remedies provided to the Administrative Agent under the Loan Documents or at law or equity, including all remedies provided under the Code; provided that the Lenders shall provide to the Credit Parties (with a copy to counsel for (A) the Credit Parties, (B) any statutory committee appointed in the Cases and (C) the United States Trustee for the Southern District of New York) within five (5) Business Days prior written notice (the "Notice Period"). If an Event of Default shall have occurred and is continuing, Delta (so long as it is a Lender) shall have the right to deduct such amount from amounts due and payable to Credit Parties under any Delta Connection Agreement.

(c) In addition, subject solely to any requirement of the giving of notice by the terms the Final Order, the automatic stay provided in section 362 of the Bankruptcy Code shall be deemed automatically vacated without further action or order of the Bankruptcy Court and the Administrative Agent and the Lenders shall be entitled to exercise all of their respective rights and remedies under the Loan Documents, including, without limitation, all rights and remedies with respect to the Collateral and the Guarantors.

8.3 Waivers by Credit Parties. Except as otherwise provided for in this Agreement or by applicable law, each Credit Party waives: (a) presentment, demand and protest and notice of presentment, dishonor, notice of intent to accelerate, notice of acceleration, protest, default, nonpayment, maturity, release, compromise, settlement, extension or renewal of any or all commercial paper, accounts, contract rights, documents, instruments, chattel paper and guaranties at any time held by the Administrative Agent on which any Credit Party may in any way be liable, and hereby ratifies and confirms whatever the Administrative Agent may do in

this regard; (b) all rights to notice and a hearing prior to the Administrative Agent's taking possession or control of, or to the Administrative Agent's replevy, attachment or levy upon, the Collateral or any bond or security that might be required by any court prior to allowing the Administrative Agent to exercise any of their remedies; and (c) the benefit of all valuation, appraisal, marshaling and exemption laws.

9. GUARANTY

9.1 Guaranty of Obligations of the Borrower. Each Guarantor hereby jointly and severally and absolutely and unconditionally guarantees to the Administrative Agent and the Secured Parties, and their respective successors, endorsees, transferees and assigns, the prompt payment when due (whether at stated maturity, by acceleration or otherwise) and performance of the Obligations of the Borrower and all costs and expenses including, without limitation, all court costs and attorneys' and paralegals' fees and expenses paid or incurred by the Administrative Agent and the Lenders in endeavoring to collect all or any part of the Obligations from, or in prosecuting any action against, the Borrower, any Guarantor or any other guarantor of all or any part of the Obligations. The Guarantors agree that this Guaranty is a guaranty of payment and performance and not of collection, and that their obligations under this Guaranty shall be primary, absolute and unconditional, irrespective of, and unaffected by:

(a) any claim of waiver, release, amendment, extension, renewal, settlement, surrender, alteration, or compromise of any of the Obligations or any of the Loan Documents, by operation of law or otherwise;

(b) any change in the corporate existence, structure or ownership of the Borrower or any other Guarantor;

(c) the existence of any claim, setoff or other rights which any Guarantor may have at any time against any Credit Party, the Administrative Agent, any Lender, or any other person, whether in connection herewith or in any unrelated transactions;

(d) the genuineness, validity, regularity, enforceability or any future amendment of, or change in any other Loan Document or any other agreement, document or instrument to which any Credit Party and/or the Guarantors are or may become a party;

(e) the absence of any action, claim or demand to enforce any of the Obligations or any other Loan Document or the waiver or consent by the Administrative Agent or any Lender with respect to any of the provisions thereof;

(f) the existence, release, non-perfection, invalidity, value or condition of, or failure to perfect its Lien against, any collateral for the Obligations or any action, or the absence of any action, by the Administrative Agent or any Lender in respect thereof (including, without limitation, the release of any such security);

(g) the insolvency of any Credit Party; or

(h) any other action or circumstances which might otherwise constitute a legal or equitable discharge or defense of a surety or the guarantor, it being agreed by each Guarantor

that its obligations under this Guaranty shall not be discharged until the Termination Date. Each Guarantor shall be regarded, and shall be in the same position, as principal debtor with respect to the Obligations. Each Guarantor agrees that any notice or directive given at any time to Secured Parties which is inconsistent with the waiver in the immediately preceding sentence shall be null and void and may be ignored by the Administrative Agent and the Lenders, and, in addition, may not be pleaded or introduced as evidence in any litigation relating to this Guaranty for the reason that such pleading or introduction would be at variance with the written terms of this Guaranty, unless Secured Parties have specifically agreed otherwise in writing. It is agreed among each Guarantor and Secured Parties that the foregoing waivers are of the essence of the transaction contemplated by the Loan Documents and that, but for this Guaranty and such waivers, Secured Parties would decline to enter into this Agreement.

9.2 Demand by Secured Parties. In addition to the terms of the Guaranty set forth in Section 9.1 hereof, and in no manner imposing any limitation on such terms, it is expressly understood and agreed that, if, at any time, the outstanding Obligations under this Agreement (including all accrued interest thereon) are declared to be immediately due and payable, then the Guarantors shall, without demand, pay to the holders of the Obligations the entire amount of the outstanding Obligations due and owing to such holders. Payment by the Guarantors shall be made to the Administrative Agent in immediately available Federal funds to the Cash Collateral Account and applied to the Obligations.

9.3 Enforcement of Guaranty. In no event shall the Administrative Agent or any Lender have any obligation (although it is entitled, at its option) to proceed against the Borrower or any other Credit Party or any Collateral pledged to secure Obligations or any other Guarantor before seeking satisfaction from any or all of the Guarantors, and the Administrative Agent and the Secured Parties may proceed, prior or subsequent to, or simultaneously with, the enforcement of their rights hereunder, to exercise any right or remedy which it may have against any Collateral, as a result of any Lien it may have as security for all or any portion of the Obligations.

9.4 Waiver. To the fullest extent permitted by applicable law, each Guarantor hereby waives any defense based on or arising out of any defense of the Borrower or any Guarantor or the unenforceability of all or any part of the Obligations from any cause, or the cessation from any cause of the liability of the Borrower or any Guarantor, other than, subject to Section 9.9, the indefeasible payment in full in cash of the Obligations (other than unasserted contingent indemnification obligations). Without limiting the foregoing, in addition to the waivers contained in Section 9.1 hereof, the Guarantors waive, and agree that they shall not at any time insist upon, plead or in any manner whatever claim or take the benefit or advantage of, any appraisal, valuation, stay, extension, marshaling of assets or redemption laws, or exemption, whether now or at any time hereafter in force, which may delay, prevent or otherwise affect the performance by the Guarantors of their Obligations under, or the enforcement by Secured Parties of, this Guaranty. Each Guarantor confirms that it is not a surety under any state law and shall not raise any such law as a defense to its obligations hereunder. The Guarantors hereby waive diligence, presentment and demand (whether for non-payment or protest or of acceptance, maturity, extension of time, change in nature or form of the Obligations, acceptance of further security, release of further security, composition or agreement arrived at as to the amount of, or the terms of, the Obligations, notice of adverse change in the Borrower's financial condition or any other

fact which might increase the risk to the Guarantors) with respect to any of the Obligations or all other demands whatsoever and waive the benefit of all provisions of law which are or might be in conflict with the terms of this Guaranty. The Guarantors represent, warrant and jointly and severally agree that, as of the date of this Guaranty, their obligations under this Guaranty are not subject to any offsets or defenses against the Administrative Agent, any Secured Parties or any Credit Party of any kind. The Guarantors further jointly and severally agree that their obligations under this Guaranty shall not be subject to any counterclaims or offsets or defenses against Secured Parties or against any Credit Party of any kind which may arise in the future.

9.5 Benefit of Guaranty. The provisions of this Guaranty are for the benefit of Secured Parties and their respective successors, transferees, endorsees and assigns, and nothing herein contained shall impair, as between any Credit Party and Secured Parties, the obligations of any Credit Party under the Loan Documents. In the event all or any part of the Obligations are transferred, indorsed or assigned by any Secured Party to any Person or Persons, any reference to Secured Party herein shall be deemed to refer equally to such Person or Persons.

9.6 Modification of Obligations, Etc. Each Guarantor hereby acknowledges and agrees that Secured Parties may at any time or from time to time, with or without the consent of, or notice to, the Guarantors or any of them:

- (a) change or extend the manner, place or terms of payment of, or renew or alter all or any portion of, the Obligations;
- (b) take any action under or in respect of the Loan Documents in the exercise of any remedy, power or privilege contained therein or available to it at law, equity or otherwise, or waive or refrain from exercising any such remedies, powers or privileges;
- (c) amend or modify, in any manner whatsoever, the Loan Documents;
- (d) extend or waive the time for any Credit Party's performance of, or compliance with, any term, covenant or agreement on its part to be performed or observed under the Loan Documents, or waive such performance or compliance or consent to a failure of, or departure from, such performance or compliance;
- (e) take and hold collateral for the payment of the Obligations guaranteed hereby or sell, exchange, release, dispose of, or otherwise deal with, any property pledged, mortgaged or conveyed, or in which Secured Parties have been granted a Lien, to secure any Obligations;
- (f) release anyone who may be liable in any manner for the payment of any amounts owed by other the Guarantors or any other Credit Party to any Secured Party;
- (g) modify or terminate the terms of any intercreditor or subordination agreement pursuant to which claims of other creditors of any Guarantor or any Credit Party are subordinated to the claims of Secured Parties; and/or
- (h) apply any sums by whomever paid or however realized to any amounts owing by any other the Guarantor or any other Credit Party to any Secured Party in such manner as any Secured Party shall determine in its discretion; and Secured Parties shall not incur any liability to

the Guarantors as a result thereof, and no such action shall impair or release the Obligations of the Guarantors or any of them under this Guaranty.

9.7 Waiver of Subrogation, Etc. Notwithstanding anything to the contrary in this Guaranty, or in any other Loan Document, each Guarantor hereby:

(a) expressly and irrevocably waives, on behalf of itself and its successors and assigns (including any surety), any and all rights at law or in equity to subrogation, to reimbursement, to exoneration, to contribution, to indemnification, to set off or to any other rights that could accrue to a surety against a principal, to a guarantor against a principal, to a guarantor against a maker or obligor, to an accommodation party against the party accommodated, to a holder or transferee against a maker, or to the holder of any claim against any Person, and which such Guarantor may have or hereafter acquire against any Credit Party in connection with or as a result of such Guarantor's execution, delivery and/or performance of this Guaranty, or any other documents to which such Guarantor is a party or otherwise; and

(b) acknowledges and agrees (i) that this waiver is intended to benefit Secured Parties and shall not limit or otherwise effect any Guarantor's liability hereunder or the enforceability of this Guaranty, and (ii) that Secured Parties and their respective successors and assigns are intended third party beneficiaries of the waivers and agreements set forth in this Section 9.7 and their rights under this Section 9.7 shall survive payment in full of the Obligations.

9.8 Election of Remedies. If the Administrative Agent may, under applicable law, proceed to realize benefits under any of the Loan Documents giving Secured Parties a Lien upon any Collateral owned by any Credit Party, either by judicial foreclosure or by non-judicial sale or enforcement, the Administrative Agent may, at its sole option, determine which of such remedies or rights it may pursue without affecting any of such rights and remedies under this Guaranty. If, in the exercise of any of its rights and remedies, the Administrative Agent shall forfeit any of its rights or remedies, including its right to enter a deficiency judgment against any Credit Party, whether because of any applicable laws pertaining to election of remedies or the like, the Guarantors hereby consent to such action by the Administrative Agent and waive any claim based upon such action, even if such action by the Administrative Agent shall result in a full or partial loss of any rights of subrogation which the Guarantors might otherwise have had but for such action by the Administrative Agent. Any election of remedies which results in the denial or impairment of the right of the Administrative Agent to seek a deficiency judgment against any Credit Party shall not impair each Guarantor's obligation to pay the full amount of the Obligations. In the event the Administrative Agent shall bid at any foreclosure or trustee's sale or at any private sale permitted by law or the Loan Documents, the Administrative Agent may bid all or less than the amount of the Obligations and the amount of such bid need not be paid by the Administrative Agent but shall be credited against the Obligations. The amount of the successful bid at any such sale shall be conclusively deemed to be the fair market value of the Collateral and the difference between such bid amount and the remaining balance of the Obligations shall be conclusively deemed to be the amount of the Obligations guaranteed under this Guaranty, notwithstanding that any present or future law or court decision or ruling may have the effect of reducing the amount of any deficiency claim to which Secured Parties might otherwise be entitled but for such bidding at any such sale.

9.9 Reinstatement; Stay of Acceleration. If at any time any payment of any portion of the Obligations is rescinded or must otherwise be restored or returned, each Guarantor's obligations under this Agreement with respect to that payment shall be reinstated at such time as though the payment had not been made. If acceleration of the time for payment of any of the Obligations is stayed upon the insolvency, bankruptcy or reorganization of the Borrower, all such amounts otherwise subject to acceleration under the terms of any agreement relating to the Obligations shall nonetheless be payable by the Guarantors forthwith on demand by the Administrative Agent.

9.10 Information. Each Guarantor assumes all responsibility for being and keeping itself informed of the Borrower's financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Obligations and the nature, scope and extent of the risks that each Guarantor assumes and incurs under this Agreement, and agrees that neither the Administrative Agent nor any Lender shall have any duty to advise any Guarantor of information known to it regarding those circumstances or risks.

9.11 Taxes. All payments of the Obligations will be made by each Guarantor free and clear of and without deduction or withholding for any Taxes; provided that if any Guarantor shall be required to deduct or withhold any Taxes from such payments, then (i) the sum payable shall be increased as necessary so that after making all required deductions or withholdings (including deductions or withholdings applicable to additional sums payable under this Section) the Administrative Agent or Lender (as the case may be) receives an amount equal to the sum it would have received had no such deductions been made, (ii) such Guarantor shall make such deductions and (iii) such Guarantor shall pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law.

9.12 Maximum Liability. The provisions of this Guaranty are severable, and in any action or proceeding involving any state corporate law, or any state, federal or foreign bankruptcy, insolvency, reorganization or other law affecting the rights of creditors generally, if the obligations of any Guarantor under this Guaranty would otherwise be held or determined to be avoidable, invalid or unenforceable on account of the amount of such Guarantor's liability under this Guaranty, then, notwithstanding any other provision of this Guaranty to the contrary, the amount of such liability shall, without any further action by the Guarantors or the Lenders, be automatically limited and reduced to the highest amount that is valid and enforceable as determined in such action or proceeding (such highest amount determined hereunder being the relevant Guarantor's "Maximum Liability"). This Section with respect to the Maximum Liability of each Guarantor is intended solely to preserve the rights of the Lenders to the maximum extent not subject to avoidance under applicable law, and no Guarantor nor any other person or entity shall have any right or claim under this Section with respect to such Maximum Liability, except to the extent necessary so that the obligations of any Guarantor hereunder shall not be rendered voidable under applicable law. Each Guarantor agrees that the Obligations may at any time and from time to time exceed the Maximum Liability of each Guarantor without impairing this Guaranty or affecting the rights and remedies of the Lenders hereunder, provided that, nothing in this sentence shall be construed to increase any Guarantor's obligations hereunder beyond its Maximum Liability.

9.13 Contribution. In the event any Guarantor (a “Paying Guarantor”) shall make any payment or payments under this Guaranty or shall suffer any loss as a result of any realization upon any collateral granted by it to secure its obligations under this Guaranty, each other Guarantor (each a “Non-Paying Guarantor”) shall contribute to such Paying Guarantor an amount equal to such Non-Paying Guarantor’s “Applicable Percentage” of such payment or payments made, or losses suffered, by such Paying Guarantor. For purposes of this Article X, each Non-Paying Guarantor’s “Applicable Percentage” with respect to any such payment or loss by a Paying Guarantor shall be determined as of the date on which such payment or loss was made by reference to the ratio of (i) such Non-Paying Guarantor’s Maximum Liability as of such date (without giving effect to any right to receive, or obligation to make, any contribution hereunder) or, if such Non-Paying Guarantor’s Maximum Liability has not been determined, the aggregate amount of all monies received by such Non-Paying Guarantor from the Borrower after the date hereof (whether by loan, capital infusion or by other means) to (ii) the aggregate Maximum Liability of all Guarantors hereunder (including such Paying Guarantor) as of such date (without giving effect to any right to receive, or obligation to make, any contribution hereunder), or to the extent that a Maximum Liability has not been determined for any Guarantor, the aggregate amount of all monies received by such Guarantors from the Borrower after the date hereof (whether by loan, capital infusion or by other means). Nothing in this provision shall affect any Guarantor’s several liability for the entire amount of the Obligations (up to such Guarantor’s Maximum Liability). Each of the Guarantors covenants and agrees that its right to receive any contribution under this Guaranty from a Non-Paying Guarantor shall be subordinate and junior in right of payment to the indefeasible payment in full in cash of the Obligations. This provision is for the benefit of the Administrative Agent, the Lenders and the Guarantors and may be enforced by any one, or more, or all of them in accordance with the terms hereof.

9.14 Liability Cumulative. The liability of each Loan Party as a Guarantor under this Guaranty is in addition to and shall be cumulative with all liabilities of each Loan Party to the Administrative Agent and the Lenders under this Agreement and the other Loan Documents to which such Loan Party is a party or in respect of any obligations or liabilities of the other Loan Parties, without any limitation as to amount, unless the instrument or agreement evidencing or creating such other liability specifically provides to the contrary.

Upon the occurrence and during the continuation of an Event of Default, the Administrative Agent or any Lender may exercise such right of setoff upon at least five (5) Business Days' prior written notice to the Credit Parties and the Committee (or the U.S. Trustee if no Committee has been appointed).

(c) To the extent a security interest hereunder would be created in any asset in which a security interest is created under any Loan Document, to the extent of conflict, the rights, remedies and obligations of the relevant Credit Party, the Administrative Agent and the Secured Parties with respect to such asset shall be governed by such Loan Document and not this Agreement.

10.2 Perfection of Security Interests.

(a) At any time and from time to time, upon the request of the Administrative Agent and at the sole expense of the Credit Parties, each Credit Party shall promptly and duly execute and deliver any and all such further instruments and documents and take such further actions as the Administrative Agent or any Lender may deem desirable to obtain the full benefits of any security interest granted or purported to be granted by such Credit Party hereunder and of the rights and powers herein granted, including (i) upon the request of the Administrative Agent or any Lender using its commercially reasonable efforts to secure all consents and approvals necessary or appropriate for the assignment to or for the benefit of the Administrative Agent of any License or Contract held by such Credit Party and to enforce the security interests granted hereunder, (ii) upon the request of the Administrative Agent or any Lender, delivering to the Administrative Agent all Collateral consisting of negotiable Documents, certificated Securities, Chattel Paper and Instruments (in each case, accompanied by stock powers, allonges or other instruments of transfer executed in blank) promptly after such Credit Party receives the same,

(b) Each Credit Party hereby irrevocably authorizes the Administrative Agent at any time and from time to time to file in any filing office in any Uniform Commercial Code jurisdiction any initial financing statements and amendments thereto that (a) indicate the Collateral (i) as "all assets of such Credit Party" or words of similar effect, regardless of whether any particular asset comprised in the Collateral falls within the scope of Article 9 of the Code in such jurisdiction, or (ii) as being of an equal or lesser scope or with greater detail, and (b) contain any other information required by part 5 of Article 9 of the Code for the sufficiency or filing office acceptance of any financing statement or amendment, including (i) whether such Credit Party is an organization, the type of organization and any organization identification number issued to such Credit Party, and (ii) in the case of a financing statement filed as a fixture filing, a sufficient description of real property to which the Collateral relates. Each Credit Party also ratifies its authorization for the Administrative Agent to have filed in any Uniform Commercial Code jurisdiction any initial financing statements or amendments thereto if filed prior to the date hereof.

(c) Each Credit Party hereby irrevocably authorizes the Administrative Agent at any time and from time to time to file any filings with the United States Patent and Trademark Office or United States Copyright Office (or any successor office or any similar office in any other country) or other documents (including pursuant to the Cape Town Treaty) in order to perfect the Administrative Agent's security interest in the Collateral.

(d) Notwithstanding subsections (a) , (b) and (c) of this Section 10.2, or any failure on the part of any Credit Party or the Administrative Agent to take any of the actions set forth in such subsections, the Liens and security interests granted herein shall be deemed valid,

enforceable and perfected by entry of the Final Order. No financing statement, notice of lien, mortgage, deed of trust or similar instrument in any jurisdiction or filing office need be filed or any other action taken in order to validate and perfect the Liens and security interests granted by or pursuant to this Agreement or the Final Order.

10.3 Rights of Lender; Limitations on Lenders Obligations.

(a) Subject to each Credit Party's rights and duties under the Bankruptcy Code (including section 365 of the Bankruptcy Code), it is expressly agreed by each Credit Party that, anything herein to the contrary notwithstanding, each such Credit Party shall remain liable under each of its Contracts and each of its Licenses to observe and perform all the conditions and obligations to be observed and performed by it thereunder, unless such Credit Party determines in its reasonable good faith judgment and in accordance with the terms of this Agreement that such Contract or License is no longer valuable to such Credit Party's business, economically or otherwise. Neither the Administrative Agent nor any Secured Party shall have any obligation or liability under any Contract or License by reason of or arising out of this Agreement or the granting herein of a Lien thereon or the receipt by Administrative Agent or any Secured Party of any payment relating to any Contract or License pursuant hereto. Neither Administrative Agent nor any Secured Party shall be required or obligated in any manner to perform or fulfill any of the obligations of any Credit Party under or pursuant to any Contract or License, or to make any payment, or to make any inquiry as to the nature or the sufficiency of any payment received by it or the sufficiency of any performance by any party under any Contract or License, or to present or file any claims, or to take any action to collect or enforce any performance or the payment of any amounts which may have been assigned to it or to which it may be entitled at any time or times.

(b) Subject to Section 10.5 hereof, the Administrative Agent authorizes each Credit Party to collect its Accounts, provided that such collection is performed in accordance with such Credit Party's customary procedures, and the Administrative Agent may, upon the occurrence and during the continuation of any Event of Default and without notice, other than any requirement of notice provided in the Final Order, limit or terminate said authority at any time.

(c) The Administrative Agent may at any time notify Account Debtors and other Persons obligated on the Collateral that the Administrative Agent has a security interest therein, and, after an Event of Default or Default has occurred and is continuing without any notice to any Credit Party, that payments shall be made directly to the Administrative Agent. Subject to any requirement of notice provided in the Final Order, upon the reasonable request of the Administrative Agent, each Credit Party shall so notify Account Debtors and other Persons obligated on Collateral. Once any such notice has been given to any Account Debtor or other Person obligated on the Collateral, the affected Credit Party shall not give any contrary instructions to such Account Debtor or other Person without the Administrative Agent's prior written consent. Subject to any requirement of notice provided in the Final Order, upon the occurrence and during the continuation of an Event of Default, the Administrative Agent may in its own name, or in the name of others, communicate with such parties to such Accounts, Contracts, Instruments, Investment Property and Chattel Paper to verify with such Persons to the Administrative Agent's reasonable satisfaction the existence, amount and terms of any such Accounts, Contracts, Instruments, Investment Property or Chattel Paper.

(d) The Administrative Agent may at any time in the Administrative Agent's own name, in the name of a nominee of the Administrative Agent or in the name of any Credit Party communicate (by mail, telephone, facsimile or otherwise) with Account Debtors to verify with such Persons, to the Administrative Agent's satisfaction, the existence, amount, terms of, and any other matter relating to, Accounts and/or payment intangibles comprising Collateral; provided that unless an Event of Default shall have occurred and be continuing, the Administrative Agent shall not do any of the foregoing except during normal business hours and after giving such Credit Party reasonable prior notice and opportunity to be present. If an Event of Default shall have occurred and be continuing, each Credit Party, at its own expense, shall cause the independent certified public accountants then engaged by such Credit Party to prepare and deliver to the Administrative Agent and each Lender at any time and from time to time promptly upon the Administrative Agent's written request the following reports with respect to each Credit Party: (i) a reconciliation of all Accounts; (ii) an aging of all Accounts; (iii) trial balances; and (iv) a test verification of such Accounts as the Administrative Agent may request. The Administrative Agent may at any time in the Administrative Agent's own name, in the name of a nominee of the Administrative Agent or in the name of any Credit Party communicate (by mail, telephone, facsimile or otherwise) with parties to Contracts and obligors in respect of Instruments to verify with such Persons, to the Administrative Agent's satisfaction, the existence, amount, terms of, and any other matter relating to, Instruments, Chattel Paper and/or payment intangibles comprising Collateral; provided that unless an Event of Default shall have occurred and be continuing, the Administrative Agent shall not do any of the foregoing except during normal business hours and after giving such Credit Party reasonable prior notice and opportunity to be present. Each Credit Party, at its own expense, shall deliver to the Administrative Agent the results of each physical verification, if any, which such Credit Party may in its discretion have made, or caused any other Person to have made on its behalf, of all or any portion of its Inventory.

10.4 Covenants of the Credit Parties with Respect to Collateral. Each Credit Party covenants and agrees with the Administrative Agent, for the benefit of the Secured Parties, that from and after the date of this Agreement and until the Termination Date:

(a) Maintenance of Records. Credit Parties shall keep and maintain, at their own cost and expense, satisfactory and complete records of the Collateral, including a record of any and all payments received and any and all credits granted with respect to the Collateral and all other dealings with the Collateral, in each case in a manner consistent with past practice. Upon request by the Administrative Agent, Credit Parties shall mark their books and records pertaining to the Collateral to evidence this Agreement and the Liens granted hereby. If any Credit Party retains possession of any Chattel Paper or Instruments with the Administrative Agent's consent, such Chattel Paper and Instruments shall, if requested by the Administrative Agent, be marked with the following legend: This writing and the obligations evidenced or secured hereby are subject to the security interest of Delta Air Lines, Inc., as the Administrative Agent, for the benefit of Secured Parties.

(b) Covenants Regarding Patent, Trademark and Copyright Collateral.

(i) Each Credit Party shall notify the Administrative Agent promptly if it knows or has reason to know that any application or registration relating to any material Patent,

Trademark or Copyright (now or hereafter existing) may become abandoned or dedicated, or of any adverse determination or development (including the institution of, or any such determination or development in, any proceeding in the United States Patent and Trademark Office, the United States Copyright Office or any court) regarding any Credit Party's ownership of any material Patent, Trademark or Copyright, its right to register the same, or to keep and maintain the same.

(ii) Promptly after any Credit Party, either itself or through the Administrative Agent, employee, licensee or designee, files an application for the registration of any Patent, Trademark or Copyright with the United States Patent and Trademark Office or the United States Copyright Office, such Credit Party shall give the Administrative Agent written notice of such filing and, upon request of the Administrative Agent, Credit Party shall execute and deliver any and all Patent Security Agreements, Copyright Security Agreements or Trademark Security Agreements as the Administrative Agent may request to evidence the Administrative Agent's Lien on such Patent, Trademark or Copyright, and the General Intangibles of such Credit Party relating thereto or represented thereby.

(iii) The Credit Parties shall take all actions necessary or requested by the Administrative Agent to maintain and pursue each application, to obtain the relevant registration and to maintain the registration of each of the Patents, Trademarks and Copyrights (now or hereafter existing), including the filing of applications for renewal, affidavits of use, affidavits of noncontestability and opposition and interference and cancellation proceedings unless such Credit Party reasonably determines that such Patent, Trademark or Copyright Collateral is in no way material to the conduct of its business or operations,

(iv) In the event that any of the Patent, Trademark or Copyright Collateral is infringed upon, or misappropriated or diluted by a third party, such Credit Party shall comply with Section 10.2 of this Agreement. Such Credit Party shall, [unless such Credit Party reasonably determines that such Patent, Trademark or Copyright Collateral is in no way material to the conduct of its business or operations,]² sue for infringement, misappropriation or dilution and to recover any and all damages for such infringement, misappropriation or dilution, and shall take such other actions as the Administrative Agent shall deem appropriate under the circumstances to protect such Patent, Trademark or Copyright Collateral.

(c) Compliance with Terms of Accounts, etc. Each Credit Party will perform and comply in all material respects with all obligations in respect of the Collateral and all other agreements to which it is a party or by which it is bound relating to the Collateral.

(d) Further Identification of Collateral. Credit Parties will, if so requested by the Administrative Agent, furnish to the Administrative Agent, as often as the Administrative Agent requests, statements and schedules further identifying and describing the Collateral and such other reports in connection with the Collateral as the Administrative Agent may reasonably request, all in such detail as the Administrative Agent may specify.

² Subject to review of intellectual property schedules.

(e) Notices. Credit Parties will advise the Administrative Agent promptly, in reasonable detail, (i) of any Lien or claim made or asserted against any of the Collateral other than in respect of Permitted Liens, and (ii) of the occurrence of any other event which would have a material adverse effect on the aggregate value of the Collateral or on the Liens created hereunder or under any other Loan Document.

(f) No Reincorporation. Without limiting the restrictions on mergers involving the Credit Parties contained in this Agreement, no Credit Party shall reincorporate or reorganize itself under the laws of any jurisdiction other than the jurisdiction in which it is incorporated or organized as of the date hereof without the prior written consent of the Administrative Agent.

(g) Terminations; Amendments Not Authorized. Except to the extent permitted by clause (h), each Credit Party acknowledges that it is not authorized to file any financing statement or amendment or termination statement with respect to any financing statement relating to the Collateral and filed pursuant to the terms hereof without the prior written consent of the Administrative Agent and agrees that it will not do so without the prior written consent of the Administrative Agent, subject to such Credit Party's rights under Section 9-509(d)(2) of the Code.

(h) Authorized Terminations and Subordinations. The Administrative Agent will promptly deliver to each Credit Party, after a reasonable period of time following receipt of an officer's certificate from such Credit Party, for filing or authorize each Credit Party to prepare and file termination statements and releases in respect of any sales, transfers, conveyances, assignments or other dispositions of Collateral made in accordance with Section 6.8 of this Agreement; provided that such Credit Party shall represent and warrant in such officer's certificate that such sale, transfer, conveyance assignment or other disposition of Collateral was made in compliance with Section 6.8. The Administrative Agent will, upon request of any Credit Party, and after a reasonable period of time following receipt of an officer's certificate from such Credit Party, expressly subordinate, in form and substance reasonably satisfactory to the Administrative Agent the Liens granted hereunder to any prior Lien permitted under Section 6.7 of this Agreement; provided that such Credit Party shall represent and warrant in such officer's certificate that such prior Lien is permitted under Section 6.7.

(i) Motor Vehicles. Upon request, each Credit Party shall deliver to the Administrative Agent a motor vehicle certificate of title, if any, for all motor vehicles from time to time owned by it and shall cause those title certificates to be filed (with the Administrative Agent's Lien noted thereon) in the appropriate state motor vehicle filing office.

(j) Pledged Collateral.

(i) All certificates and all promissory notes and Instruments evidencing the Pledged Collateral shall be delivered to and held by or on behalf of the Administrative Agent, for itself and the benefit of Secured Parties, pursuant hereto. All Pledged Shares shall be accompanied by duly executed instruments of transfer or assignment in blank, all in form and substance satisfactory to the Administrative Agent and all promissory notes or other instruments evidencing the Pledged Indebtedness shall be endorsed by the applicable Credit Party. In addition, the Administrative Agent shall have the right at any time to exchange certificates or

instruments representing or evidencing Pledged Collateral for certificates or instruments of smaller or larger denominations.

(ii) No Credit Party will sell, assign, transfer, pledge, or otherwise encumber any of its rights in or to the Pledged Collateral, or any unpaid dividends, interest or other distributions or payments with respect to the Pledged Collateral or grant a Lien in the Pledged Collateral, unless otherwise expressly permitted by this Agreement;

(iii) Each Credit Party will, at its expense, promptly execute, acknowledge and deliver all such instruments and take all such actions as the Administrative Agent (or any Lender) from time to time may reasonably request in order to ensure to the Administrative Agent and Secured Parties the benefits of the Liens in and to the Pledged Collateral intended to be created by this Agreement, including the filing of any necessary Code financing statements, which may be filed by the Administrative Agent with or (to the extent permitted by law) without the signature of Credit Party, and will cooperate with the Administrative Agent, at such Credit Party's expense, in obtaining all necessary approvals and making all necessary filings under federal, state, local or foreign law in connection with such Liens or any sale or transfer of the Pledged Collateral; provided that the Administrative Agent shall not, prior to the occurrence of any Event of Default, require any actions to be taken with respect to property the acquisition or construction of which was financed through Indebtedness (existing as of the Closing Date or as permitted by Section 6.3(a) of this Agreement);

(iv) Each Credit Party has and will defend the title to the Pledged Collateral and the Liens of the Administrative Agent in the Pledged Collateral against the claim of any Person (other than the holder of a Permitted Lien) and will maintain and preserve such Liens; and

(v) Each Credit Party will, upon obtaining ownership of any additional Stock of a Pledged Entity or promissory notes or instruments representing Pledged Indebtedness or Stock or promissory notes or instruments otherwise required to be pledged to the Administrative Agent pursuant to any of the Loan Documents, which Stock, notes or instruments are not already Pledged Collateral, promptly (and in any event within five (5) Business Days) deliver to the Administrative Agent a Pledge Amendment, duly executed by such Credit Party, in form and substance reasonably acceptable to the Administrative Agent (a "Pledge Amendment") in respect of any such additional Stock, notes or instruments, pursuant to which such Credit Party shall pledge to the Administrative Agent all of such additional Stock, notes and instruments; provided, that such Credit Party shall be required to do the foregoing with respect to any such promissory note or instrument only if requested to do so by the Administrative Agent pursuant to Section 10.2(a)(ii) of this Agreement. Credit Party hereby authorizes the Administrative Agent to attach each Pledge Amendment to this Agreement and agrees that all Pledged Shares and Pledged Indebtedness listed on any Pledge Amendment delivered to the Administrative Agent shall for all purposes hereunder be considered Pledged Collateral. This clause (v) shall not apply to any Excluded Equity.

(vi) At any time that an Event of Default has occurred and is then continuing, subject to any requirement of notice provided in the Final Order:

A. All rights of the Pledgor to exercise voting and other consensual rights in respect of the Pledged Shares shall immediately cease and all such voting and other consensual rights shall become vested in the Pledgee, and the Pledgee shall thereupon have the sole right to exercise such voting and other consensual rights (; provided, the voting and other consensual rights of the Pledgor in respect of the Pledged Shares shall automatically be restored in full upon the cure or waiver of all Events of Default then existing. In order to effect the foregoing, the Pledgor hereby grants to the Pledgee an irrevocable proxy to vote the Pledged Shares and, any time that an Event of Default exists, the Pledgor agrees to execute such other proxies as the Pledgee may request; and

B. All rights of the Pledgor to receive and retain any distributions, dividends (in the form of cash, securities or otherwise), instruments, chattel paper or other property paid or payable with respect to any of the Pledged Shares shall immediately cease and any such distributions, dividends (in the form of cash, securities or otherwise), instruments, chattel paper or other property paid or payable with respect to any of the Pledged Shares shall be paid to the Pledgee (for application to the Obligations with respect to any cash or cash equivalents, or to be held by the Pledgee as additional security). Any distributions, dividends (in the form of cash, securities or otherwise), instruments, chattel paper or other property paid or payable with respect to any of the Pledged Shares and received by the Pledgor contrary to the provisions of this Agreement shall be received in trust for the benefit of the Pledgee, shall be segregated from other assets (including, in the case of cash or cash equivalents, other funds) of Pledgor and shall be immediately delivered to the Pledgee (for application to the Obligations with respect to any cash or cash equivalents, or to be held by the Pledgee as additional security).

10.5 Performance by the Administrative Agent of the Credit Parties Obligations. If any Credit Party fails to perform or comply with any of its agreements contained herein and the Administrative Agent, as provided for by the terms of this Agreement, shall itself perform or comply, or otherwise cause performance or compliance, with such agreement, the expenses of the Administrative Agent incurred in connection with such performance or compliance, together with interest thereon at the rate then in effect in respect of the Term Loans, shall be payable by such Credit Party to the Administrative Agent on demand and shall constitute Obligations secured by the Collateral. Performance of such Credit Party's obligations as permitted under this Section 10.5 shall in no way constitute a violation of the automatic stay provided by section 362 of the Bankruptcy Code and each Credit Party hereby waives applicability thereof. Moreover, the Administrative Agent shall in no way be responsible for the payment of any costs incurred in connection with preserving or disposing of Collateral pursuant to section 506(c) of the Bankruptcy Code and the Collateral may not be charged for the incurrence of any such cost.

10.6 Limitation on the Administrative Agent's duty in Respect of Collateral. The Administrative Agent and each Secured Party shall use reasonable care with respect to the Collateral in its possession or under its control. Neither the Administrative Agent nor any Secured Party shall have any other duty as to any Collateral in its possession or control or in the possession or control of any agent or nominee of the Administrative Agent or such Secured

Party, or any income thereon or as to the preservation of rights against prior parties or any other rights pertaining thereto.

10.7 Remedies; Rights Upon Default.

(a) In addition to all other rights and remedies granted to it under the other Loan Documents and under any other instrument or agreement securing, evidencing or relating to any of the Secured Obligations, if any Event of Default shall have occurred and be continuing, the Administrative Agent may exercise all rights and remedies of a secured party under the Code. Without limiting the generality of the foregoing, each Credit Party expressly agrees that in any such event the Administrative Agent, without demand of performance or other demand, advertisement or notice of any kind (except the notice required by the Final Order or the notice specified below of time and place of public or private sale) to or upon such Credit Party or any other Person (all and each of which demands, advertisements and notices are hereby expressly waived to the maximum extent permitted by the Code and other applicable law), may, to the maximum extent permitted by law, forthwith enter upon the premises of such Credit Party where any Collateral is located through self-help, without judicial process, without first obtaining a final judgment or giving such Credit Party or any other Person notice and opportunity for a hearing on the Administrative Agent's claim or action and may collect, receive, assemble, process, appropriate and realize upon the Collateral, or any part thereof, and may forthwith sell, lease, license, assign, give an option or options to purchase, or sell or otherwise dispose of and deliver said Collateral (or contract to do so), or any part thereof, in one or more parcels at a public or private sale or sales, at any exchange at such prices as it may deem acceptable, for cash or on credit or for future delivery without assumption of any credit risk. The Administrative Agent or any Secured Party shall have the right upon any such public sale or sales and, to the extent permitted by law, upon any such private sale or sales, to purchase for the benefit of Secured Parties, the whole or any part of said Collateral so sold, free of any right or equity of redemption, which equity of redemption each Credit Party hereby releases. Such sales may be adjourned and continued from time to time with or without notice. The Administrative Agent shall have the right to conduct such sales on any Credit Party's premises or elsewhere and shall have the right to use any Credit Party's premises without charge for such time or times as the Administrative Agent may deem necessary or advisable. EACH CREDIT PARTY HEREBY IRREVOCABLY CONSTITUTES AND APPOINTS ADMINISTRATIVE AGENT AS THE PROXY AND ATTORNEY-IN-FACT OF SUCH CREDIT PARTY WITH RESPECT TO THE PLEDGED COLLATERAL, INCLUDING THE RIGHT TO VOTE THE PLEDGED SHARES, WITH FULL POWER OF SUBSTITUTION TO DO SO. THE APPOINTMENT OF ADMINISTRATIVE AGENT AS PROXY AND ATTORNEY-IN-FACT IS COUPLED WITH AN INTEREST AND SHALL BE IRREVOCABLE UNTIL THE TERMINATION DATE. IN ADDITION TO THE RIGHT TO VOTE THE PLEDGED SHARES, THE APPOINTMENT OF ADMINISTRATIVE AGENT AS PROXY AND ATTORNEY-IN-FACT SHALL INCLUDE THE RIGHT TO EXERCISE ALL OTHER RIGHTS, POWERS, PRIVILEGES AND REMEDIES TO WHICH A HOLDER OF THE PLEDGED SHARES WOULD BE ENTITLED (INCLUDING GIVING OR WITHHOLDING WRITTEN CONSENTS OF SHAREHOLDERS, CALLING SPECIAL MEETINGS OF SHAREHOLDERS AND VOTING AT SUCH MEETINGS). SUCH PROXY SHALL BE EFFECTIVE, AUTOMATICALLY AND WITHOUT THE NECESSITY OF ANY ACTION (INCLUDING ANY TRANSFER OF ANY PLEDGED SHARES ON THE RECORD BOOKS OF THE ISSUER THEREOF) BY ANY

PERSON (INCLUDING THE ISSUER OF THE PLEDGED SHARES OR ANY OFFICER OR AGENT THEREOF). NOTWITHSTANDING THE FOREGOING, ADMINISTRATIVE AGENT SHALL NOT HAVE ANY DUTY TO EXERCISE ANY SUCH RIGHT OR TO PRESERVE THE SAME AND SHALL NOT BE LIABLE FOR ANY FAILURE TO DO SO OR FOR ANY DELAY IN DOING SO.

(b) If any Event of Default shall have occurred and be continuing, each Credit Party further agrees, at the Administrative Agent's request, to assemble the Collateral and make it available to the Administrative Agent at a place or places designated by the Administrative Agent which are reasonably convenient to the Administrative Agent and such Credit Party, whether at such Credit Party's premises or elsewhere. Until the Administrative Agent is able to effect a sale, lease, or other disposition of Collateral, the Administrative Agent shall have the right to hold or use Collateral, or any part thereof, to the extent that it deems appropriate for the purpose of preserving Collateral or its value or for any other purpose deemed appropriate by the Administrative Agent. The Administrative Agent shall have no obligation to any Credit Party to maintain or preserve the rights of Credit Party as against third parties with respect to Collateral while Collateral is in the possession of the Administrative Agent. The Administrative Agent may, if it so elects, seek the appointment of a receiver or keeper to take possession of Collateral and to enforce any of the Administrative Agent's remedies (for the benefit of Secured Parties), with respect to such appointment without prior notice or hearing as to such appointment. The Administrative Agent shall deposit the net proceeds of any such collection, recovery, receipt, appropriation, realization or sale to the Cash Collateral Account and such net proceeds shall be applied in accordance with Section 1.3. To the maximum extent permitted by applicable law, each Credit Party waives all claims, damages, and demands against the Administrative Agent or any Secured Party arising out of the repossession, retention or sale of the Collateral except such as arise solely out of the gross negligence or willful misconduct of the Administrative Agent or such Secured Party as finally determined by a court of competent jurisdiction. Each Credit Party agrees that ten (10) days prior notice by the Administrative Agent of the time and place of any public sale or of the time after which a private sale may take place is reasonable notification of such matters. Credit Parties shall remain liable for any deficiency if the proceeds of any sale or disposition of the Collateral are insufficient to pay all Secured Obligations, including any attorneys fees and other expenses incurred by the Administrative Agent or any Secured Party to collect such deficiency.

(c) Except as otherwise specifically provided herein, each Credit Party hereby waives presentment, demand, protest or any notice (to the maximum extent permitted by applicable law) of any kind in connection with this Agreement or any Collateral.

(d) To the extent that applicable law imposes duties on the Administrative Agent to exercise remedies in a commercially reasonable manner, each Credit Party acknowledges and agrees that it is not commercially unreasonable for the Administrative Agent (i) to fail to incur expenses reasonably deemed significant by the Administrative Agent to prepare Collateral for disposition or otherwise to complete raw material or work in process into finished goods or other finished products for disposition, (ii) to fail to obtain third party consents for access to Collateral to be disposed of, or to obtain or, if not required by other law, to fail to obtain governmental or third party consents for the collection or disposition of Collateral to be collected or disposed of, (iii) to fail to exercise collection remedies against Account Debtors or other Persons obligated on

Collateral or to remove Liens on or any adverse claims against Collateral, (iv) to exercise collection remedies against Account Debtors and other Persons obligated on Collateral directly or through the use of collection agencies and other collection specialists, (v) to advertise dispositions of Collateral through publications or media of general circulation, whether or not the Collateral is of a specialized nature, (vi) to contact other Persons, whether or not in the same business as the Credit Parties, for expressions of interest in acquiring all or any portion of such Collateral, (vii) to hire one or more professional auctioneers to assist in the disposition of Collateral, whether or not the Collateral is of a specialized nature, (viii) to dispose of Collateral by utilizing internet sites that provide for the auction of assets of the types included in the Collateral or that have the reasonable capacity of doing so, or that match buyers and sellers of assets, (ix) to dispose of assets in wholesale rather than retail markets, (x) to disclaim disposition warranties, such as title, possession or quiet enjoyment, (xi) to purchase insurance or credit enhancements to insure the Administrative Agent against risks of loss, collection or disposition of Collateral or to provide to the Administrative Agent a guaranteed return from the collection or disposition of Collateral, or (xii) to the extent deemed appropriate by the Administrative Agent, to obtain the services of other brokers, investment bankers, consultants and other professionals to assist the Administrative Agent in the collection or disposition of any of the Collateral. Each Credit Party acknowledges that the purpose of this Section 10.7(d) is to provide non-exhaustive indications of what actions or omissions by the Administrative Agent would not be commercially unreasonable in the Administrative Agent's exercise of remedies against the Collateral and that other actions or omissions by the Administrative Agent shall not be deemed commercially unreasonable solely on account of not being indicated in this Section 10.7(d). Without limitation upon the foregoing, nothing contained in this Section 10.7(d) shall be construed to grant any rights to any Credit Party or to impose any duties on the Administrative Agent that would not have been granted or imposed by this Agreement or by applicable law in the absence of this Section 10.7(d).

(e) Neither the Administrative Agent nor any Secured Party shall be required to make any demand upon, or pursue or exhaust any of their rights or remedies against, any Credit Party, any other obligor, the Guarantor, pledgor or any other Person with respect to the payment of the Secured Obligations or to pursue or exhaust any of their rights or remedies with respect to any Collateral therefore or any direct or indirect guarantee thereof. Neither the Administrative Agent nor the Secured Parties shall be required to marshal the Collateral or any guarantee of the Secured Obligations or to resort to the Collateral or any such guarantee in any particular order, and all of its and their rights hereunder or under any other Loan Document shall be cumulative. To the extent it may lawfully do so, each Credit Party absolutely and irrevocably waives and relinquishes the benefit and advantage of, and covenants not to assert against the Administrative Agent or any Secured Party, any valuation, stay, appraisal, extension, redemption or similar laws and any and all rights or defenses it may have as a surety now or hereafter existing which, but for this provision, might be applicable to the sale of any Collateral made under the judgment, order or decree of any court, or privately under the power of sale conferred by this Agreement, or otherwise.

(f) Upon the occurrence of an Event of Default and during the continuation of such Event of Default, the Administrative Agent is hereby authorized and empowered to transfer and register in its name or in the name of its nominee the whole or any part of the Pledged Collateral, to exchange certificates or instruments representing or evidencing Pledged Collateral for

certificates or instruments of smaller or larger denominations, to exercise the voting and all other rights as a holder with respect thereto, to collect and receive all cash dividends, interest, principal and other distributions made thereon, to sell in one or more sales after ten (10) days notice of the time and place of any public sale or of the time at which a private sale is to take place (which notice Credit Parties agree is commercially reasonable) the whole or any part of the Pledged Collateral and to otherwise act with respect to the Pledged Collateral as though the Administrative Agent was the outright owner thereof. Any sale shall be made at a public or private sale at the Administrative Agent's place of business, or at any place to be named in the notice of sale, either for cash or upon credit or for future delivery at such price as the Administrative Agent may deem fair, and the Administrative Agent may be the purchaser of the whole or any part of the Pledged Collateral so sold and hold the same thereafter in its own right free from any claim of such Credit Party or any right of redemption. Each sale shall be made to the highest bidder, but the Administrative Agent reserves the right to reject any and all bids at such sale which, in its discretion, it shall deem inadequate. Demands of performance, except as otherwise herein specifically provided for, notices of sale, advertisements and the presence of property at sale are hereby waived and any sale hereunder may be conducted by an auctioneer or any officer or agent of the Administrative Agent.

(g) If, at the original time or times appointed for the sale of the whole or any part of the Pledged Collateral, the highest bid, if there be but one sale, shall be inadequate to discharge in full all the Secured Obligations, or if the Pledged Collateral has been offered for sale in lots, and if at any of such sales, the highest bid for the lot offered for sale would indicate to the Administrative Agent, in its discretion, that the proceeds of the sales of the whole of the Pledged Collateral would be unlikely to be sufficient to discharge all the Secured Obligations, the Administrative Agent may, on one or more occasions and in its sole discretion, postpone effectuating any of said sales by public announcement at the time of sale or the time of previous postponement of sale, and no other notice of such postponement or postponements of sale need be given, any other notice being hereby waived.

(h) If, at any time when the Administrative Agent in its sole discretion determines, following the occurrence and during the continuance of an Event of Default, that, in connection with any actual or contemplated exercise of its rights (when permitted under this Section (h) to sell the whole or any part of the Pledged Shares hereunder, it is necessary or advisable to effect a public registration of all or part of the Pledged Collateral pursuant to the Securities Act of 1933, as amended (or any similar statute then in effect) (the "Act"), such Credit Party shall, in an expeditious manner, cause the issuers of Pledged Collateral to:

(i) Prepare and file with the Securities and Exchange Commission (the "Commission") a registration statement with respect to the Pledged Shares and in good faith use commercially reasonable efforts to cause such registration statement to become and remain effective;

(ii) Prepare and file with the Commission such amendments and supplements to such registration statement and the prospectus used in connection therewith as may be necessary to keep such registration statement effective and to comply with the provisions of the Act with respect to the sale or other disposition of the Pledged Shares covered by such

registration statement whenever the Administrative Agent shall desire to sell or otherwise dispose of the Pledged Shares;

(iii) Furnish to the Administrative Agent such numbers of copies of a prospectus and a preliminary prospectus, in conformity with the requirements of the Act, and such other documents as the Administrative Agent may request in order to facilitate the public sale or other disposition of the Pledged Shares by the Administrative Agent;

(iv) Use commercially reasonable efforts to register or qualify the Pledged Shares covered by such registration statement under such other securities or blue sky laws of such jurisdictions within the United States and Puerto Rico as the Administrative Agent shall request, and do such other reasonable acts and things as may be required of it to enable the Administrative Agent to consummate the public sale or other disposition in such jurisdictions of the Pledged Shares by the Administrative Agent;

(v) Furnish, at the request of the Administrative Agent, on the date that shares of the Pledged Collateral are delivered to the underwriters for sale pursuant to such registration or, if the security is not being sold through underwriters, on the date that the registration statement with respect to such Pledged Shares becomes effective, (A) an opinion, dated such date, of the independent counsel representing such registrant for the purposes of such registration, addressed to the underwriters, if any, and in the event the Pledged Shares are not being sold through underwriters, then to the Administrative Agent, in customary form and covering matters of the type customarily covered in such legal opinions; and (B) a comfort letter, dated such date, from the independent certified public accountants of such registrant, addressed to the underwriters, if any, and in the event the Pledged Shares are not being sold through underwriters, then to the Administrative Agent, in a customary form and covering matters of the type customarily covered by such comfort letters and as the underwriters or the Administrative Agent shall reasonably request. The opinion of counsel referred to above shall additionally cover such other legal matters with respect to the registration in respect of which such opinion is being given as the Administrative Agent may reasonably request. The letter referred to above from the independent certified public accountants shall additionally cover such other financial matters (including information as to the period ending not more than five (5) Business Days prior to the date of such letter) with respect to the registration in respect of which such letter is being given as the Administrative Agent may reasonably request; and

(vi) Otherwise use commercially reasonable efforts to comply with all applicable rules and regulations of the Commission, and make available to its security holders, as soon as reasonably practicable but not later than 18 months after the effective date of the registration statement, an earnings statement covering the period of at least 12 months beginning with the first full month after the effective date of such registration statement, which earnings statement shall satisfy the provisions of Section 11(a) of the Act.

(i) All expenses incurred in complying with Section 10.7 hereof, including, without limitation, all registration and filing fees (including all expenses incident to filing with the National Association of Securities Dealers, Inc.), printing expenses, fees and disbursements of counsel for the registrant, the fees and expenses of counsel for the Administrative Agent, expenses of the independent certified public accountants (including any special audits incident to

or required by any such registration) and expenses of complying with the securities or blue sky laws or any jurisdictions, shall be paid by Credit Parties.

(j) If, at any time when the Administrative Agent shall determine to exercise its right to sell the whole or any part of the Pledged Collateral hereunder, such Pledged Collateral or the part thereof to be sold shall not, for any reason whatsoever, be effectively registered under the Act, the Administrative Agent may, in its discretion (subject only to applicable requirements of law), sell such Pledged Collateral or part thereof by private sale in such manner and under such circumstances as the Administrative Agent may deem necessary or advisable, but subject to the other requirements of this Section 10.7, and shall not be required to effect such registration or to cause the same to be effected. Without limiting the generality of the foregoing, in any such event, the Administrative Agent in its discretion (i) may, in accordance with applicable securities laws, proceed to make such private sale notwithstanding that a registration statement for the purpose of registering such Pledged Collateral or part thereof could be or shall have been filed under said Act (or similar statute), (ii) may approach and negotiate with a single possible purchaser to effect such sale, and (iii) may restrict such sale to a purchaser who is an accredited investor under the Act and who will represent and agree that such purchaser is purchasing for its own account, for investment and not with a view to the distribution or sale of such Pledged Collateral or any part thereof. In addition to a private sale as provided above in this Section 10.7, if any of the Pledged Collateral shall not be freely distributable to the public without registration under the Act (or similar statute) at the time of any proposed sale pursuant to this Section 10.7, then the Administrative Agent shall not be required to effect such registration or cause the same to be effected but, in its discretion (subject only to applicable requirements of law), may require that any sale hereunder (including a sale at auction) be conducted subject to restrictions:

(i) as to the financial sophistication and ability of any Person permitted to bid or purchase at any such sale;

(ii) as to the content of legends to be placed upon any certificates representing the Pledged Collateral sold in such sale, including restrictions on future transfer thereof;

(iii) as to the representations required to be made by each Person bidding or purchasing at such sale relating to that Person's access to financial information about such Credit Party and such Person's intentions as to the holding of the Pledged Collateral so sold for investment for its own account and not with a view to the distribution thereof; and

(iv) as to such other matters as the Administrative Agent may, in its discretion, deem necessary or appropriate in order that such sale (notwithstanding any failure so to register) may be effected in compliance with the Bankruptcy Code and other laws affecting the enforcement of creditors rights and the Act and all applicable state securities laws.

(k) Each Credit Party recognizes that the Administrative Agent may be unable to effect a public sale of any or all the Pledged Collateral and may be compelled to resort to one or more private sales thereof in accordance with clause (j) above. Each Credit Party also acknowledges that any such private sale may result in prices and other terms less favorable to the seller than if such sale were a public sale and, notwithstanding such circumstances, agrees that

any such private sale shall not be deemed to have been made in a commercially unreasonable manner solely by virtue of such sale being private. The Administrative Agent shall be under no obligation to delay a sale of any of the Pledged Collateral for the period of time necessary to permit the Pledged Entity to register such securities for public sale under the Act, or under applicable state securities laws, even if such Credit Party and the Pledged Entity would agree to do so.

(l) Each Credit Party agrees to the maximum extent permitted by applicable law that following the occurrence and during the continuance of an Event of Default it will not at any time plead, claim or take the benefit of any appraisal, valuation, stay, extension, moratorium or redemption law now or hereafter in force in order to prevent or delay the enforcement of this Agreement, or the absolute sale of the whole or any part of the Pledged Collateral or the possession thereof by any purchaser at any sale hereunder, and each Credit Party waives the benefit of all such laws to the extent it lawfully may do so. Each Credit Party agrees that it will not interfere with any right, power and remedy of the Administrative Agent provided for in this Agreement or now or hereafter existing at law or in equity or by statute or otherwise, or the exercise or beginning of the exercise by the Administrative Agent of any one or more of such rights, powers or remedies. No failure or delay on the part of the Administrative Agent to exercise any such right, power or remedy and no notice or demand which may be given to or made upon Credit Parties by the Administrative Agent with respect to any such remedies shall operate as a waiver thereof, or limit or impair the Administrative Agent's right to take any action or to exercise any power or remedy hereunder, without notice or demand, or prejudice its rights as against any Credit Party in any respect.

(m) Each Credit Party further agrees that a breach of any of the covenants contained in this Section 10.7 will cause irreparable injury to the Administrative Agent, that the Administrative Agent shall have no adequate remedy at law in respect of such breach and, as a consequence, agrees that each and every covenant contained in this Section 10.7 shall be specifically enforceable against the Credit Parties, and each Credit Party hereby waives and agrees not to assert any defenses against an action for specific performance of such covenants except for a defense that the Secured Obligations are not then due and payable in accordance with the agreements and instruments governing and evidencing such Obligations.

(n) To the extent that any rights and remedies under this Section 10.7 would otherwise be in violation of the automatic stay of section 362 of the Bankruptcy Code, such stay shall be deemed modified, as set forth in the Final Order, to the extent necessary to permit the Administrative Agent to exercise such rights and remedies.

10.8 The Administrative Agent's Appointment as Attorney-in-Fact.

(a) On the Closing Date each Credit Party shall execute and deliver to the Administrative Agent a power of attorney (the "Power of Attorney") substantially in the form attached hereto as Exhibit A. The power of attorney granted pursuant to the Power of Attorney is a power coupled with an interest and shall be irrevocable until the Termination Date. The powers conferred on the Administrative Agent, for the benefit of Secured Parties, under the Power of Attorney are solely to protect the Administrative Agent's interests (for the benefit of Secured Parties) in the Collateral and shall not impose any duty upon the Administrative Agent or any

Secured Party to exercise any such powers. The Administrative Agent agrees that it shall account for any moneys received by the Administrative Agent in respect of any foreclosure on or disposition of Collateral pursuant to the Power of Attorney; provided, that neither the Administrative Agent nor any Secured Party shall have any duty as to any Collateral, and the Administrative Agent and the Secured Parties shall be accountable only for amounts that they actually receive as a result of the exercise of such powers. NEITHER THE ADMINISTRATIVE AGENT, THE SECURED PARTIES NOR THEIR RESPECTIVE AFFILIATES, OFFICERS, DIRECTORS, EMPLOYEES, AGENTS OR REPRESENTATIVES SHALL BE RESPONSIBLE TO ANY CREDIT PARTY FOR ANY ACT OR FAILURE TO ACT UNDER ANY POWER OF ATTORNEY OR OTHERWISE, EXCEPT IN RESPECT OF DAMAGES ATTRIBUTABLE SOLELY TO THEIR OWN GROSS NEGLIGENCE OR WILLFUL MISCONDUCT AS FINALLY DETERMINED BY A COURT OF COMPETENT JURISDICTION, NOR FOR ANY PUNITIVE, EXEMPLARY, INDIRECT OR CONSEQUENTIAL DAMAGES.

(b) The Credit Parties hereby ratify, to the extent permitted by law, all that said attorneys shall lawfully do or cause to be done by virtue hereof. Exercise by the Administrative Agent of the powers granted hereunder is not a violation of the automatic stay provided by section 362 of the Bankruptcy Code and each Credit Party waives applicability thereof. The power of attorney granted pursuant to this Section 10.8 is a power coupled with an interest and shall be irrevocable until the Obligations are indefeasibly paid in full in cash.

(c) The powers conferred on the Administrative Agent hereunder are solely to protect the Administrative Agent's and the Lenders' interests in the Collateral and shall not impose any duty upon it to exercise any such powers. The Administrative Agent shall be accountable only for amounts that it actually receives as a result of the exercise of such powers.

(d) Each Credit Party also authorizes the Administrative Agent, at any time and from time to time upon the occurrence and during the continuation of any Event of Default or as otherwise expressly permitted by this Agreement, (i) to communicate in its own name or the name of its Subsidiaries with any party to any Contract with regard to the assignment of the right, title and interest of such Credit Party in and under the Contracts hereunder and other matters relating thereto and (ii) to execute any endorsements, assignments or other instruments of conveyance or transfer with respect to the Collateral.

(e) All Obligations shall constitute, in accordance with section 364(c)(1) of the Bankruptcy Code, claims against the Borrower and each Credit Party in their respective Cases which are administrative expense claims having priority over any all administrative expenses of the kind specified in sections 503(b) or 507(b) of the Bankruptcy Code.

10.9 Modifications.

(a) The Liens, lien priority, administrative priorities and other rights and remedies granted to the Administrative Agent for the benefit of the Lenders pursuant to this Agreement, and the Final Order (specifically, including, but not limited to, the existence, perfection and priority of the Liens provided herein and therein and the administrative priority provided herein and therein) shall not be modified, altered or impaired in any manner by any other financing or

extension of credit or incurrence of Indebtedness by any of the Credit Parties (pursuant to section 364 of the Bankruptcy Code or otherwise), or by any dismissal or conversion of any of the Cases, or by any other act or omission whatsoever. Without limitation, notwithstanding any such order, financing, extension, incurrence, dismissal, conversion, act or omission:

(i) except for the Carve-Out having priority over the Obligations, no costs or expenses of administration which have been or may be incurred in any of the Cases or any conversion of the same or in any other proceedings related thereto, and no priority claims, are or will be prior to or on a parity with any claim of the Administrative Agent or the Lenders against the Credit Parties in respect of any Obligation;

(ii) the Liens and security interests granted herein shall constitute valid and perfected Liens on and security interests (having the priority provided for herein and in the Final Order); in all right, title and interest in the Collateral; and

(iii) the Liens and security interests granted hereunder shall continue valid and perfected without the necessity that financing statements be filed or that any other action be taken under applicable nonbankruptcy law.

(b) Notwithstanding any failure on the part of any Credit Party or the Administrative Agent or the Lenders to perfect, maintain, protect or enforce the liens and security interests in the Collateral granted hereunder, the Final Order (when entered) shall automatically, and without further action by any Person, perfect such Liens and security interests against the Collateral.

11. ASSIGNMENT AND PARTICIPATIONS; APPOINTMENT OF ADMINISTRATIVE AGENT

11.1 Assignment and Participations.

(a) Right to Assign. Each Lender may sell, transfer, negotiate or assign (an “Assignment”) all or a portion of its rights and obligations hereunder (including all or a portion of its Commitments and its rights and obligations with respect to Term Loans) with the Borrower’s (so long as no Event of Default is continuing) reasonable approval, such approval not to be unreasonably withheld, delayed or conditioned.

(b) Grant of Security Interests. In addition to the other rights provided in this Section 11.1, each Lender may grant a security interest in, or otherwise assign as collateral, any of its rights under this Agreement, whether now owned or hereafter acquired (including rights to payments of principal or interest on the Term Loans), to (A) any federal reserve bank (pursuant to Regulation A of the Federal Reserve Board), without notice to the Administrative Agent or (B) any holder of, or trustee for the benefit of the holders of, such Lender’s Securities or any debt obligations by notice to the Administrative Agent; provided, that no such holder or trustee, whether because of such grant or assignment or any foreclosure thereon (unless such foreclosure is made through an assignment in accordance with clause (b) above), shall be entitled to any rights of such Lender hereunder and no such Lender shall be relieved of any of its obligations hereunder.

(c) Participants. Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrower, maintain a register on which it enters the name and address of each participant and the principal amounts (and stated interest) of each participant's interest in the Term Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any participant or any information relating to a participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

11.2 Appointment of the Administrative Agent. Delta is hereby appointed to act as the Administrative Agent on behalf of the Lenders and the Secured Parties under this Agreement and the other Loan Documents. The provisions of this Section 11.2 are solely for the benefit of the Administrative Agent and Lenders and no Credit Party nor any other Person shall have any rights as a third party beneficiary of any of the provisions hereof. In performing its functions and duties under this Agreement and the other Loan Documents, the Administrative Agent shall act solely as an agent of the Lenders, and the Administrative Agent does not assume and shall not be deemed to have assumed any obligation toward or relationship of agency or trust with or for any Credit Party or any other Person. The Administrative Agent shall have no duties or responsibilities except for those expressly set forth in this Agreement and the other Term Loans Documents. The duties of the Administrative Agent shall be mechanical and administrative in nature, and the Administrative Agent shall not have, or be deemed to have, by reason of this Agreement, any other Loan Document or otherwise a fiduciary relationship in respect of any Lender. Except as expressly set forth in this Agreement and the other Loan Documents, the Administrative Agent shall not have any duty to disclose, and shall not be liable for failure to disclose, any information relating to any Credit Party or any of their respective Subsidiaries or any Account Debtor that is communicated to or obtained by Delta or any of its Affiliates in any capacity. Neither the Administrative Agent nor any of its Affiliates nor any of their respective officers, directors, employees, agents or representatives shall be liable to any Lender for any action taken or omitted to be taken by it hereunder or under any other Loan Document, or in connection herewith or therewith, except for damages caused by its or their own gross negligence or willful misconduct.

If the Administrative Agent shall request instructions from Requisite Lenders, all Lenders or all affected Lenders with respect to any act or action (including failure to act) in connection with this Agreement or any other Loan Document, then the Administrative Agent shall be entitled to refrain from such act or taking such action unless and until the Administrative Agent shall have received instructions from Requisite Lenders, all Lenders or all affected Lenders, as the case may be, and the Administrative Agent shall not incur liability to any Person by reason of so refraining. The Administrative Agent shall be fully justified in failing or refusing to take any action hereunder or under any other Loan Document (a) if such action would, in the opinion of

the Administrative Agent, be contrary to law or the terms of this Agreement or any other Loan Document, (b) if such action would, in the opinion of the Administrative Agent, expose the Administrative Agent to Environmental Liabilities or (c) if the Administrative Agent shall not first be indemnified to its satisfaction against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. Without limiting the foregoing, no Lender shall have any right of action whatsoever against the Administrative Agent as a result of the Administrative Agent acting or refraining from acting hereunder or under any other Loan Document in accordance with the instructions of Requisite Lenders, all Lenders or all affected Lenders, as applicable.

11.3 The Administrative Agent's Reliance, Etc. None of the Administrative Agent or any of its Affiliates or any of their respective directors, officers, agents or employees shall be liable for any action taken or omitted to be taken by it or them under or in connection with this Agreement or the other Loan Documents, except for damages caused by its or their own gross negligence or willful misconduct. Without limiting the generality of the foregoing, the Administrative Agent: (a) may treat the payee of any Note as the holder thereof until the Administrative Agent receives written notice of the assignment or transfer thereof signed by such payee and in form reasonably satisfactory to the Administrative Agent; (b) may consult with legal counsel, independent public accountants and other experts selected by it and shall not be liable for any action taken or omitted to be taken by it in good faith in accordance with the advice of such counsel, accountants or experts; (c) makes no warranty or representation to any Lender and shall not be responsible to any Lender for any statements, warranties or representations made in or in connection with this Agreement or the other Loan Documents; (d) shall not have any duty to ascertain or to inquire as to the performance or observance of any of the terms, covenants or conditions of this Agreement or the other Loan Documents on the part of any Credit Party or to inspect the Collateral (including the Books and Records to the extent not prohibited by a confidentiality agreement in favor of a third party) of any Credit Party; (e) shall not be responsible to any Lender for the due execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement or the other Loan Documents or any other instrument or document furnished pursuant hereto or thereto; and (f) shall incur no liability under or in respect of this Agreement or the other Loan Documents by acting upon any notice, consent, certificate or other instrument or writing (which may be by telecopy, telegram, cable or telex) believed by it to be genuine and signed or sent by the proper party or parties.

11.4 Delta and Affiliates. With respect to its Commitments hereunder, Delta shall have the same rights and powers under this Agreement and the other Loan Documents as any other Lender and may exercise the same as though it were not the Administrative Agent; and the term Lender or Lenders shall, unless otherwise expressly indicated, include Delta in its individual capacity. Delta and its Affiliates may lend money to, invest in, and generally engage in any kind of business with, any Credit Party, any of their Affiliates and any Person who may do business with or own securities of any Credit Party or any such Affiliate, all as if Delta were not the Administrative Agent and without any duty to account therefor to Lenders. Delta and its Affiliates may accept fees and other consideration from any Credit Party for services in connection with this Agreement or otherwise without having to account for the same to Lenders. Each Lender acknowledges the potential conflict of interest between Delta as a Lender holding disproportionate interests in the Term Loans and Delta as the Administrative Agent.

11.5 Lender Credit Decision. Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender and based on the Financial Statements referred to in Section 3.4(a) and such other documents and information as it has deemed appropriate, made its own credit and financial analysis of the Credit Parties and its own decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement. Each Lender acknowledges the potential conflict of interest of each other Lender as a result of Lenders holding disproportionate interests in the Term Loans, and expressly consents to, and waives any claim based upon, such conflict of interest.

11.6 Indemnification. Lenders agree to indemnify the Administrative Agent (to the extent not reimbursed by Credit Parties and without limiting the Obligations of Credit Parties hereunder), ratably according to their respective Pro Rata Shares, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever that may be imposed on, incurred by, or asserted against the Administrative Agent in any way relating to or arising out of this Agreement or any other Loan Document or any action taken or omitted to be taken by the Administrative Agent in connection therewith; provided, that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from the Administrative Agent's gross negligence or willful misconduct. Without limiting the foregoing, each Lender agrees to reimburse the Administrative Agent promptly upon demand for its ratable share of any out-of-pocket expenses (including counsel fees) incurred by the Administrative Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement and each other Loan Document, to the extent that the Administrative Agent is not reimbursed for such expenses by Credit Parties.

11.7 Successor Agents. The Administrative Agent may resign at any time by giving not less than thirty (30) days prior written notice thereof to Lenders and the Borrower. Upon any such resignation, the Requisite Lenders shall have the right to appoint a successor the Administrative Agent. If a successor Administrative Agent shall not have been so appointed by the Requisite Lenders and shall not have accepted such appointment within thirty (30) days after the resigning Administrative Agent's giving notice of resignation, then such resigning Administrative Agent on behalf of the Lenders may appoint a successor Administrative Agent, which shall be a Lender, if such Lender is willing to accept such appointment, or otherwise shall be a commercial bank or financial institution or a subsidiary of a commercial bank or financial institution if such commercial bank or financial institution is organized under the laws of the United States of America or of any State thereof and has a combined capital and surplus of at least \$300,000,000. If a successor Administrative Agent has not been appointed pursuant to the foregoing, within thirty (30) days after the date such notice of resignation was given by such resigning Administrative Agent, such resignation shall become effective and the Requisite Lenders shall thereafter perform all the duties of the Administrative Agent hereunder until such time, if any, as the Requisite Lenders appoint a successor Administrative Agent as provided above. Any successor Administrative Agent appointed by Requisite Lenders hereunder shall be

subject to the approval of the Borrower, such approval not to be unreasonably withheld, delayed or conditioned; provided, that such approval shall not be required if a Default or an Event of Default has occurred and is continuing. Upon the acceptance of any appointment as Administrative Agent hereunder by a successor Administrative Agent, such successor Administrative Agent shall succeed to and become vested with all the rights, powers, privileges and duties of the resigning Administrative Agent. Upon the earlier of (i) the acceptance of any appointment as Administrative Agent hereunder by a successor Administrative Agent or (ii) the effective date of the resigning Administrative Agent's resignation, such resigning Administrative Agent shall be discharged from its duties and obligations under this Agreement and the other Loan Documents, except that any indemnity rights or other rights in favor of such resigning Administrative Agent shall continue. After any Administrative Agent's resignation hereunder, the provisions of this Article 9 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was acting as the Administrative Agent under this Agreement and the other Loan Documents.

11.8 Setoff and Sharing of Payments. In addition to any rights now or hereafter granted under applicable law and not by way of limitation of any such rights, each Lender is hereby authorized upon the occurrence and during the continuance of any Event of Default and subject to Section 11.9(d), at any time or from time to time, without prior notice to any Credit Party or to any Person, any such notice being hereby expressly waived, to offset and to appropriate and to apply any and all balances held by it at any of its offices for the account of the Borrower or any Guarantor (regardless of whether such balances are then due to the Borrower or any Guarantor) and any other properties or assets at any time held or owing by that Lender or that holder to or for the credit or for the account of the Borrower or any Guarantor against and on account of any of the Obligations that are not paid when due; provided, that the Lender exercising such offset rights shall not be required to give notice thereof to the affected Credit Party, except as otherwise required by the Final Order, promptly after exercising such rights. Any Lender exercising a right of setoff or otherwise receiving any payment on account of the Obligations in excess of its Pro Rata Share thereof shall purchase for cash (and the other Lenders or holders shall sell) such participations in each such other Lender's or holder's Pro Rata Share of the Obligations as would be necessary to cause such Lender to share the amount so offset or otherwise received with each other Lender or holder in accordance with their respective Pro Rata Shares, (other than offset rights exercised by any Lender with respect to Section 1.11 or 1.13). The Borrower and each Guarantor agrees, to the fullest extent permitted by law, that (a) any Lender may exercise its right to offset with respect to amounts in excess of its Pro Rata Share of the Obligations and may sell participations in such amounts so offset to other Lenders and holders and (b) any Lender so purchasing a participation in the Term Loans made or other Obligations held by other Lenders or holders may exercise all rights of offset, bankers lien, counterclaim or similar rights with respect to such participation as fully as if such Lender or holder were a direct holder of the Term Loans and the other Obligations in the amount of such participation. Notwithstanding the foregoing, if all or any portion of the offset amount or payment otherwise received is thereafter recovered from the Lender that has exercised the right of offset, the purchase of participations by that Lender shall be rescinded and the purchase price restored without interest.

11.9 Payments; Non-Funding Lenders; Information; Actions in Concert.

(a) Payments. Not less than once during each calendar month or more frequently at the Administrative Agent's election (each, a "Settlement Date"), the Administrative Agent shall advise each Lender by telephone, or telecopy of the amount of such Lender's Pro Rata Share of principal and interest paid for the benefit of Lenders with respect to each applicable Term Loan. Provided that each Lender has funded all payments and Term Loans required to be made by it and purchased all participations required to be purchased by it under this Agreement and the other Loan Documents as of such Settlement Date, the Administrative Agent shall pay to each Lender such Lender's Pro Rata Share of principal and interest paid by the Borrower since the previous Settlement Date for the benefit of such Lender on the Term Loans held by it. To the extent that any Lender (a "Non-Funding Lender") has failed to fund all such payments and Term Loans or failed to fund the purchase of all such participations, the Administrative Agent shall be entitled to set off the funding short-fall against that Non-Funding Lender's Pro Rata Share of all payments received from the Borrower. Such payments shall be made by wire transfer to such Lender's account (as specified by such Lender in Annex H or the applicable Assignment Agreement) not later than 2:00 p.m. (New York time) on the next Business Day following each Settlement Date.

(b) Return of Payments.

(i) If the Administrative Agent pays an amount to a Lender under this Agreement in the belief or expectation that a related payment has been or will be received by the Administrative Agent from the Borrower and such related payment is not received by the Administrative Agent, then the Administrative Agent will be entitled to recover such amount from such Lender on demand without setoff, counterclaim or deduction of any kind.

(ii) If the Administrative Agent determines at any time that any amount received by the Administrative Agent under this Agreement must be returned to the Borrower or paid to any other Person pursuant to any insolvency law or otherwise, then, notwithstanding any other term or condition of this Agreement or any other Loan Document, the Administrative Agent will not be required to distribute any portion thereof to any Lender. In addition, each Lender will repay to the Administrative Agent on demand any portion of such amount that the Administrative Agent has distributed to such Lender, together with interest at such rate, if any, as the Administrative Agent is required to pay to the Borrower or such other Person, without setoff, counterclaim or deduction of any kind.

(c) Dissemination of Information. The Administrative Agent shall use reasonable efforts to provide Lenders with any notice of Default or Event of Default received by the Administrative Agent from, or delivered by the Administrative Agent to, any Credit Party, with notice of any Event of Default of which the Administrative Agent has actually become aware and with notice of any action taken by the Administrative Agent following any Event of Default; provided, that the Administrative Agent shall not be liable to any Lender for any failure to do so, except to the extent that such failure is attributable to the Administrative Agent's gross negligence or willful misconduct. Lenders acknowledge that the Borrower is required to provide Financial Statements and Collateral Reports to Lenders in accordance with Annexes D and E

hereto and agree that the Administrative Agent shall not have the duty to provide the same to Lenders.

(d) Actions in Concert. Anything in this Agreement to the contrary notwithstanding, each Lender hereby agrees with each other Lender that no Lender shall take any action to protect or enforce its rights arising out of this Agreement or the Notes (including exercising any rights of setoff) without first obtaining the prior written consent of the Administrative Agent and Requisite Lenders, it being the intent of Lenders that any such action to protect or enforce rights under this Agreement and the Notes shall be taken in concert and at the direction or with the consent of the Administrative Agent or Requisite Lenders.

12. SUCCESSORS AND ASSIGNS

12.1 Successors and Assigns. This Agreement and the other Loan Documents shall be binding on and shall inure to the benefit of each Credit Party, the Administrative Agent, Lenders and their respective successors and assigns (including, in the case of any Credit Party, a debtor-in-possession on behalf of such Credit Party), except as otherwise provided herein or therein. No Credit Party may assign, transfer, hypothecate or otherwise convey its rights, benefits, obligations or duties hereunder or under any of the other Loan Documents without the prior express written consent of the Administrative Agent and the Lenders. Any such purported assignment, transfer, hypothecation or other conveyance by any Credit Party without the prior express written consent of the Administrative Agent and Lenders shall be void. The terms and provisions of this Agreement are for the purpose of defining the relative rights and obligations of each Credit Party, the Administrative Agent and Lenders with respect to the transactions contemplated hereby and no Person shall be a third party beneficiary of any of the terms and provisions of this Agreement or any of the other Loan Documents.

13. MISCELLANEOUS

The Administrative Agent's or any Lender's failure, at any time or times, to require strict performance by the Credit Parties of any provision of this Agreement or any other Loan Document shall not waive, affect or diminish any right of the Administrative Agent or such Lender thereafter to demand strict compliance and performance herewith or therewith. Any suspension or waiver of an Event of Default shall not suspend, waive or affect any other Event of Default whether the same is prior or subsequent thereto and whether the same or of a different type. Subject to the provisions of Section 13.2, none of the undertakings, agreements, warranties, covenants and representations of any Credit Party contained in this Agreement or any of the other Loan Documents and no Default or Event of Default by any Credit Party shall be deemed to have been suspended or waived by the Administrative Agent or any Lender, unless such waiver or suspension is by an instrument in writing signed by an officer of or other authorized employee of the Administrative Agent and the applicable required Lenders and directed to the Borrower specifying such suspension or waiver.

13.5 Remedies. The Administrative Agent's and Lenders rights and remedies under this Agreement shall be cumulative and nonexclusive of any other rights and remedies that the Administrative Agent or any Lender may have under any other agreement, including the other Loan Documents, by operation of law or otherwise. Recourse to the Collateral shall not be required.

13.6 Severability. Wherever possible, each provision of this Agreement and the other Loan Documents shall be interpreted in such a manner as to be effective and valid under applicable law, but if any provision of this Agreement or any other Loan Document shall be prohibited by or invalid under applicable law, such provision shall be ineffective only to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement or such other Loan Document.

13.7 Conflict of Terms. Except as otherwise provided in this Agreement or any of the other Loan Documents by specific reference to the applicable provisions of this Agreement, (i) if any provision contained in this Agreement or any of the other Loan Documents conflicts with the Final Order, the provision contained in the Final Order shall govern and control and (ii) if any provision contained in this Agreement conflicts with any provision in any of the other Loan Documents, the provision contained in this Agreement shall govern and control.

13.8 Confidentiality. The Administrative Agent and Lender agree to use commercially reasonable efforts (equivalent to the efforts the Administrative Agent or Lender applies to maintain the confidentiality of its own confidential information) to maintain as confidential all confidential information provided to them by the Credit Parties and designated as confidential for a period of two (2) years following receipt thereof, except that the Administrative Agent and Lender may disclose such information (a) to Persons employed or engaged by the Administrative Agent or such Lender; (b) to any bona fide assignee or participant or potential assignee or participant that has agreed to comply with the covenant contained in this Section 13.8 (and any such bona fide assignee or participant or potential assignee or participant may disclose such information to Persons employed or engaged by them as described in clause (a) above); (c) as required or requested by any Governmental Authority or reasonably believed by the Administrative Agent or Lender to be compelled by any court decree, subpoena or legal or administrative order or process; (d) as is required by law; (e) in connection with the exercise of any right or remedy under the Loan Documents or in connection with any Litigation to which the Administrative Agent or Lender is a party; (f) that ceases to be confidential through no fault of the Administrative Agent or Lender; (g) to its affiliates and its and their directors, officers, employees, advisors, representatives or agents, and (h) to ratings agencies.

13.13 WAIVER OF JURY TRIAL. BECAUSE DISPUTES ARISING IN CONNECTION WITH COMPLEX FINANCIAL TRANSACTIONS ARE MOST QUICKLY AND ECONOMICALLY RESOLVED BY AN EXPERIENCED AND EXPERT PERSON AND THE PARTIES WISH APPLICABLE STATE AND FEDERAL LAWS TO APPLY (RATHER THAN ARBITRATION RULES), THE PARTIES DESIRE THAT THEIR DISPUTES BE RESOLVED BY A JUDGE APPLYING SUCH APPLICABLE LAWS. THEREFORE, TO ACHIEVE THE BEST COMBINATION OF THE BENEFITS OF THE JUDICIAL SYSTEM AND OF ARBITRATION, THE PARTIES HERETO WAIVE ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, SUIT, OR PROCEEDING BROUGHT TO RESOLVE ANY DISPUTE, WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE, AMONG THE ADMINISTRATIVE AGENT, LENDERS AND ANY CREDIT PARTY ARISING OUT OF, CONNECTED WITH, RELATED TO, OR INCIDENTAL TO THE RELATIONSHIP ESTABLISHED AMONG THEM IN CONNECTION WITH, THIS AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS OR THE TRANSACTIONS RELATED THERETO.

In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties hereto and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provisions of this Agreement.

Each Credit Party shall establish and maintain the Cash Management Systems described below:

(a) On or before the Closing Date and until the Termination Date, each Credit Party shall cause each of its accounts to be Blocked Accounts; provided, Excluded Accounts shall not be required to be Blocked Accounts.

(b) On or before the Closing Date (or such later date as the Administrative Agent shall consent to in writing), (i) each bank or financial institution where any Credit Party maintains a deposit account (other than an Excluded Account) shall have entered into a Blocked Account Agreement with the applicable Credit Party and the Administrative Agent, for the benefit of Secured Parties and (ii) each financial institution where any Credit Party has an investment account (other than an Excluded Account) shall have entered into a Control Letter, with the applicable Credit Party and the Administrative Agent for the benefit of Secured Parties, in each effective as of the Closing Date (or such later date as the Administrative Agent shall consent to in writing). Each such Blocked Account Agreement and Control Letter shall provide, unless otherwise agreed by the Administrative Agent, that (i) upon notice from the Administrative Agent, such bank or financial institution agrees to forward immediately all amounts in each Blocked Account or investment account to the account set forth by the Administrative Agent in such notice or to any other account designated by the Administrative Agent (the "Concentration Account") and to commence the process of daily sweeps from such Blocked Account into the Concentration Account and otherwise accept directions from the Administrative Agent without consent of any Credit Party.

(c) The Borrower may only open or close any deposit accounts or investment accounts with the Administrative Agent's prior written consent. Prior to the time of the opening of such account (unless such account is an Excluded Account) after the Closing Date, the relevant Credit Party and such bank or financial institution shall have executed and delivered to the Administrative Agent a Blocked Account Agreement or Control Letter, as applicable. The Borrower shall close any of its Blocked Accounts (and establish replacement accounts in accordance with the foregoing sentence) as promptly as practicable and (i) in any event within ninety (90) days following notice from the Administrative Agent that the creditworthiness of any bank holding Blocked Accounts is no longer acceptable in the Administrative Agent's reasonable judgment, or (ii) in any event within sixty (60) days following notice from the Administrative Agent that the operating performance, funds transfer or availability procedures or performance with respect to Blocked Accounts or lock boxes of the bank holding such accounts or the Administrative Agent's liability under the Blocked Account Agreement or Control Letter with such bank is no longer acceptable in such Agent's reasonable judgment provided that those Blocked Accounts as of the Closing Date shall be deemed acceptable to the Administrative Agent.

(d) The Blocked Accounts (including the Cash Collateral Account) and Concentration Account shall be cash collateral accounts, with all cash, checks and other similar items of payment in such accounts securing payment of the Term Loans and all other Obligations, and in which each applicable Credit Party shall have granted a Lien to the Administrative Agent for the benefit of Secured Parties pursuant to the Agreement and the other Loan Documents.

(e) All amounts deposited in the Collection Account shall be deemed received by the Administrative Agent in accordance with Section 1.9 and shall be applied (and allocated) by the Administrative Agent in accordance with Section 1.4. In no event shall any amount be so applied unless and until such amount shall have been credited in immediately available funds to the Collection Account or Cash Collateral Account.

(f) Each Credit Party, on behalf of itself and each of its Related Persons, agrees to hold in trust for the Administrative Agent for the benefit of Secured Parties all checks, cash and other items of payment received by such Credit Party or any such Related Person to the extent constituting Collateral, provided that any such checks, cash and other items may be applied in any manner not prohibited by the Credit Agreement. Each Credit Party, on behalf of itself and each Related Person, acknowledges and agrees that all cash, checks or other items of payment constituting proceeds of the Collateral are part of the Collateral. All Net Cash Proceeds arising from the sale or other disposition of any assets shall be deposited directly into the Cash Collateral Account or into the Collection Account to the extent required by Section 1.3 of the Agreement.

(g) The Administrative Agent shall not deliver a notice that it is exercising exclusive control over any Blocked Account to any such bank or financial institution unless an Event of Default has occurred and is continuing.

(h) The Credit Parties shall only invest and/or maintain Cash Equivalents constituting Permitted Investments.

ANNEX G (Section 6.10)
to
CREDIT AGREEMENT
FINANCIAL COVENANTS

The Borrower shall not breach or fail to comply with any of the following financial covenants, each of which shall be calculated in accordance with GAAP consistently applied, as applicable:

(a) **Minimum Unrestricted Liquidity.** The Borrower and its Subsidiaries (on a consolidated basis) shall not permit Aggregated Cash on Hand to be less than \$25,000,000 as of the last day of any calendar month (or if such day is not a Business Day, the next proceeding Business Day).

(b) **Budget.** The Borrower and its Subsidiaries (on a consolidated basis) shall not permit there to occur a Material Budget Deviation.

(c) **Adjusted Total Operating Expenses.** The Borrower and its Subsidiaries (on a consolidated basis) shall not permit the Adjusted Total Operating Expenses to exceed the amount set forth below for the applicable month as set forth opposite such level:

For the Month Ending	Maximum Adjusted Total Operating Expenses
September 30, 2012	\$44,000,000
October 31, 2012	\$44,000,000
November 30, 2012	\$42,000,000
December 31, 2012	\$42,000,000
January 31, 2013	\$37,000,000
February 28, 2013	\$35,000,000
March 31, 2013	\$36,500,000

Unless otherwise specifically provided herein, any accounting term used in the Agreement shall have the meaning customarily given such term “in accordance with GAAP”, and all financial computations hereunder shall be computed in accordance with GAAP consistently applied. That certain items or computations are explicitly modified by the phrase in accordance with GAAP shall in no way be construed to limit the foregoing. If any Accounting Changes occur and such changes result in a change in the calculation of the financial covenants, standards or terms used in the Agreement or any other Loan Document, then the Borrower, the Administrative Agent and Lenders agree to enter into negotiations in order to amend such provisions of the Agreement so as to equitably reflect such Accounting Changes with the desired result that the criteria for evaluating the Borrower’s and its Subsidiaries financial condition shall be the same after such Accounting Changes as if such Accounting Changes had not been made;

provided, however, that the agreement of Requisite Lenders to any required amendments of such provisions shall be sufficient to bind all Lenders.

If the Administrative Agent, the Borrower and Requisite Lenders agree upon the required amendments, then after appropriate amendments have been executed and the underlying Accounting Change with respect thereto has been implemented, any reference to GAAP contained in the Agreement or in any other Loan Document shall, only to the extent of such Accounting Change, refer to GAAP, consistently applied after giving effect to the implementation of such Accounting Change. If the Administrative Agent, the Borrower and Requisite Lenders cannot agree upon the required amendments, then all Financial Statements delivered and all calculations of financial covenants and other standards and terms in accordance with the Agreement and the other Loan Documents shall be prepared, delivered and made without regard to the underlying Accounting Change. For purposes of Section 8.1, a breach of a Financial Covenant contained in this Annex G shall be deemed to have occurred as of any date of determination by the Administrative Agent or as of the last day of any specified measurement period, regardless of when the Financial Statements reflecting such breach are delivered to the Administrative Agent.
