**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODS
AND DISCLAIMER REGARDING THE DEBTORS' SCHEDULES OF
ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

PPI Holdings, Inc., et al.¹ (collectively, the “Debtors”) are filing their respective Schedules of Assets and Liabilities (the “Schedules”) and Statements of Financial Affairs (the “Statements” and, with the Schedules, the “Schedules and Statements”) in the United States Bankruptcy Court, District of Delaware (the “Bankruptcy Court”). The Debtors, with the assistance of their court-appointed advisors, prepared the Schedules and Statements in accordance with section 521 of title 11 of the United States Code, 11 U.S.C. §§ 101-1532 (the “Bankruptcy Code”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure.

These Global Notes and Statement of Limitations, Methods and Disclaimer Regarding the Debtors’ Schedules and Statements (the “Global Notes”) pertain to, are incorporated by reference in and comprise an integral part of, all the Schedules and Statements. These Global Notes should be referred to, and reviewed in connection with, any review of the Schedules and Statements.²

The Schedules and Statements contain unaudited information that is subject to further review and potential adjustment. In preparing the Schedules and Statements, the Debtors relied on financial data derived from their books and records that were available at the time of such preparation. Although the Debtors have made reasonable efforts to ensure the accuracy and completeness of such financial information, subsequent information or discovery may result in material changes to the Schedules and Statements.

¹ The Debtors in these cases, along with the last four digits of each Debtor’s federal tax identification number, are: PPI Holdings, Inc. (2596), PPI Sub-Holdings, Inc. (9410), Precision Parts International Services Corp. (7837), MPI International Holdings, Inc. (2600), MPI International, Inc.(5554), International Fineblanking Corporation (5591), Michigan Fineblanking, Inc. (5075), Skill Tool & Die Holdings Corp. (1980) and Skill Tool & Die Corp. (5926). The primary address for the Debtors is 2129 Austin Ave, Rochester Hills, MI 48309.

² These Global Notes are in addition to the specific notes contained in each Debtor’s Schedules or Statements. The fact that the Debtors have prepared a “General Note” with respect to any of the Schedules and Statements and not to others should not be interpreted as a decision by the Debtors to exclude the applicability of such General Note to any of the Debtors’ remaining Schedules and Statements, as appropriate.

As a result, the Debtors are unable to warrant or represent that the Schedules and Statements are without inadvertent errors, omissions or inaccuracies. The Debtors reserve all rights to amend or supplement their Schedules and Statements as is necessary and appropriate.

Nothing contained in the Schedules and Statements or these Global Notes shall constitute a waiver of any of the Debtors' rights or an admission with respect to their chapter 11 cases including, but not limited to, any issues involving objections to claims, substantive consolidation, equitable subordination, defenses, characterization or re-characterization of contracts, assumption or rejection of contracts under the provisions of chapter 3 of the Bankruptcy Code and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code or any other relevant applicable laws to recover assets or avoid transfers.

1. **Description of the Cases.** On December 12, 2008 (the "Petition Date"), each of the Debtors filed a voluntary petition for relief with the Bankruptcy Court under chapter 11 of the Bankruptcy Code. The Debtors are operating their businesses and managing their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On December 15, 2008, the Bankruptcy Court entered an order jointly administering these cases pursuant to Bankruptcy Rule 1015(b). On December 23, 2008, the United States Trustee for the District of Delaware appointed an official committee of unsecured creditors pursuant to section 1102 of the Bankruptcy Code.

2. **Corporate Structure.** The corporate structure is as follows:

- a. PPI Holdings, Inc. owns 100% of PPI Sub-Holdings, Inc.
- b. PPI Sub-Holdings, Inc. owns 100% of MPI International Holdings, Inc., Precision Parts International Services Corp. and Skill Tool & Die Holdings Corp.
- c. MPI International Holdings, Inc. owns 100% of MPI International, Inc.
- d. Skill Tool & Die Holdings Corp. owns 100% of Skill Tool & Die Corp.
- e. MPI International, Inc. owns 100% of International Fineblanking Corporation and Michigan Fineblanking, Inc.
- f. All Debtors not listed as having any sort of subsidiary have no interests in any subsidiaries, joint ventures or joint venture projects in a Debtor.

3. **Basis of Presentation.** Although separate accounts payable systems are maintained, the Debtors operate their businesses as a consolidated entity. Payments made are listed by the entity making such payment notwithstanding that certain payments will have been made on behalf of another entity. It is possible that not all assets or liabilities have been recorded at the correct legal entity on the Schedules and Statements. As such, the Debtors reserve all rights to amend these Schedules and Statements accordingly.

Although these Schedules and Statements may, at times, incorporate information prepared in accordance with generally accepted accounting principles (“GAAP”), the Statements and Schedules neither purport to represent nor reconcile financial statements otherwise prepared and/or distributed by the Debtors in accordance with GAAP or otherwise. Moreover, given, among other things, the uncertainty surrounding the collection and ownership of certain assets and the valuation and nature of certain liabilities, to the extent that a Debtor shows more assets than liabilities, this is not an admission that the Debtor was solvent at the Petition Date or at any time prior to the Petition Date. Likewise, to the extent that a Debtor shows more liabilities than assets, this is not an admission that the Debtor was insolvent at the Petition Date or any time prior to the Petition Date.

4. **“As of” Information Date.** Unless otherwise indicated (see Global Note regarding “Totals” below), all amounts listed in the Schedules and Statements are as of 12:00 a.m. on December 12, 2008.

5. **Insiders.** For the purposes of the Schedules and Statements, the Debtors define “insider” as any individual who has served as an officer or director of a respective Debtor within the one-year period prior to the Petition Date. In addition, the Debtors have also included their controlling shareholder as an “insider”. Persons and organizations listed as “insiders” have been included for informational purposes only. The Debtors do not take any position with respect to (a) such person’s influence over the control of the Debtors, (b) the management responsibilities or functions of such individual, (c) the decision-making or corporate authority of such individual or (d) whether such individual could successfully argue that he or she is not an “insider” under applicable law.

6. **Amendment.** While the Debtors made reasonable efforts to file complete and accurate Schedules and Statements, inadvertent errors or omissions may exist. The Debtors reserve all rights to amend or supplement their Schedules and Statements as is necessary and appropriate.

7. **Recharacterization.** Notwithstanding that the Debtors have made reasonable efforts to correctly characterize, classify, categorize or designate certain claims, assets, executory contracts, unexpired leases and other items reported in the Schedules and Statements, the Debtors nonetheless may have improperly characterized, classified, categorized or designated certain items. Thus, the Debtors reserve all rights to recharacterize, reclassify, recategorize or redesignate items reported in the Schedules and Statements at a later time as is necessary and appropriate.

8. **Undetermined Amounts.** The description of an amount as “unknown,” “TBD” or “undetermined” is not intended to reflect upon the materiality of such amount.

9. **Consolidation of Certain Information.** Information that is provided on a consolidated basis is specifically indicated in the applicable Schedule and/or Statement. The listing of information on a consolidated basis is not, and should not be interpreted as, an admission or view as to the appropriateness of substantive consolidation. The Debtors

reserve all rights to amend or supplement their Schedules and/or Statements which reflect information on a consolidated basis in order to present such information on an unconsolidated basis as is necessary and appropriate.

10. **Estimates.** To close timely the books and records of the Debtors as of the Petition Date, the Debtors were required to make certain estimates and assumptions, relating primarily to accruals and reserves that affect the reported amounts of assets and reported revenue and expenses as of the Petition Date.

11. **Totals.** All totals that are included in the Schedules and Statements represent totals of all known amounts included in the Debtors' books and records as of the Petition Date. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total.

12. **Excluded Accruals/GAAP entries.** Liabilities resulting from accruals and/or estimates of long-term liabilities either are not payable at this time or have not yet been reported and, therefore, do not represent specific claims as of the Petition Date and are not otherwise set forth in the Statement and Schedules. Additionally, certain deferred charges, accounts or reserves recorded for GAAP reporting purposes only and assets with a net book value of zero, in some instances, are not included in the Debtors' Schedules. The excluded assets relate to, among other things, goodwill, customer relationship intangibles and loan commitment fees and excluded liabilities relate to, among other things, accrued taxes and accrued wage and/or employee benefit related obligations.

13. **Summary of Significant Reporting Policies.** The following is a summary of significant reporting policies:

- a. **Foreign Currency.** Unless otherwise indicated, all amounts are reflected in U.S. dollars.
- b. **Current Market Value—Net Book Value.** In certain instances, current market valuations are neither maintained by nor readily available to the Debtors. Accordingly, unless otherwise indicated, net book values are reflected on the Debtors' Schedules and Statements. For this reason, amounts ultimately realized will vary, at some times materially, from net book value. Additionally, the amount of certain liabilities may be "Unknown" or "Undetermined" and, thus, ultimate liabilities may differ materially from those stated in the Schedules and Statements.
- c. **Trade Accounts Payable.** Trade accounts payable are shown in an amount which is the verified unpaid obligation as reflected on the Debtors' books and records. The Debtors have also listed unverified pre-petition accruals which represent goods and services received but for which the corresponding invoice has not yet been received and reconciled ("RNI"). While the Debtors anticipate that

their books and records are accurate, such **RNI** amounts are listed as contingent.

- d. **Paid Claims/Certain Accruals.** The **Bankruptcy Court** has authorized the **Debtors** to pay certain outstanding prepetition claims and, if subsequently paid, such claims have not been listed on the **Schedules**. To the extent that other claims are paid pursuant to an order of the **Bankruptcy Court**, the **Debtors** reserve all rights to amend or supplement their **Schedules** and **Statements** as is necessary and appropriate.
- e. **Inventory.** Inventory, where applicable, is presented without consideration for any potential warehousemen's, mechanics', materialmen's, possessory or other similar liens that may be asserted under applicable law. All inventories were completed using the **FIFO** method.
- f. **Setoffs.** The **Debtors** incur certain setoffs during the ordinary course of business. Setoffs in the ordinary course can result from various items including, but not limited to, intercompany transactions, pricing discrepancies, returns, warranties, and other disputes between the **Debtors** and their customers and/or suppliers. These normal setoffs are consistent with the ordinary course of business in the **Debtors'** industries and are not tracked separately. Therefore, such normal setoffs are excluded from the **Debtors'** **Schedules** and **Statements**.

14. **Classifications.** Listing a claim (a) on **Schedule D** as "secured," (b) on **Schedule E** as "priority" or (c) on **Schedule F** as "unsecured nonpriority," or listing a contract on **Schedule G** as "executory" or "unexpired," does not constitute an admission by the **Debtors** of the legal rights of the claimant, or a waiver of the **Debtors'** right to recharacterize or reclassify such claim or contract.

15. **Claims Description.** Any failure to designate a claim on a given **Debtor's Schedules** as "disputed," "contingent" or "unliquidated" does not constitute an admission by the **Debtor** that such amount is not "disputed," "contingent" or "unliquidated." The **Debtors** reserve all rights to dispute any claim reflected on their respective **Schedules** on any grounds including, without limitation, liability or classification, or to otherwise subsequently designate such claims as "disputed," "contingent" or "unliquidated."

16. **Causes of Action.** The **Debtors**, despite reasonable efforts, may not have identified and/or set forth all of their causes of action (filed or potential) against third parties as assets in their **Schedules** and **Statements**. The **Debtors** reserve all rights with respect to any causes of action and nothing in these **Global Notes** or the **Schedules** and **Statements** shall be deemed a waiver of any such causes of action.

17. **Intercompany Transfers.** Intercompany transfers of a de minimis nature are made in the ordinary course of the Debtors' business. These transfers are made due to the structure of the Debtors' cash management system and all payments are being made out of concentration accounts. Due to the complexity of the nature of reporting such transactions and their de minimis nature, intercompany transfers are not reported in the Schedules and Statements.

18. **Schedule D—Creditors Holding Secured Claims.** Except as otherwise agreed pursuant to a stipulation and agreed order or general order entered by the Bankruptcy Court, the Debtors reserve their right to dispute or challenge the validity, perfection or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a creditor listed on Schedule D of any Debtor. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument (including, without limitation, any intercompany agreement) related to such creditor's claim. In certain instances, a Debtor may be a co-obligor, co-mortgagor or guarantor with respect to scheduled claims of other Debtors, and no claim set forth on Schedule D of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities. The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements. Except as specifically stated herein, real property lessors, utility companies and other parties which may hold security deposits have not been listed on Schedule D. The Debtors have not included on Schedule D parties that may believe their claims are secured through setoff rights, deposit posted by, or on behalf of, the Debtors, or inchoate statutory lien rights. While there are multiple parties that hold a portion of the debt included in the secured facility, only the collateral agent has been listed for purposes of Schedule D.

19. **Schedule E—Creditors Holding Unsecured Priority Claims.** The Debtors reserve their right to dispute or challenge whether creditors listed on Schedule E are entitled to priority claims.

20. **Schedule F—Creditors Holding Unsecured Nonpriority Claims.** The Debtors have attempted to relate all liabilities to each particular Debtor. As a result of the consolidated payment and disbursement system discussed herein, however, in certain cases, it would be time-consuming and an inefficient use of the assets of the Debtors' estates to analyze the Debtors' consolidated systems to assign a given liability to a particular Debtor. To the extent the same claim is listed on the Schedules of more than one Debtor, the Debtors have done so out of an abundance of caution and do not admit or acknowledge that any creditor is entitled to more than one recovery on any claim.

The amounts represented in schedule F include all known open AP liabilities and do not take in to consideration deducting amounts which may in the future be determined

to qualify for 503(b)(9) status. Such re-prioritization of some or all of a claimant's indebtedness may result in the Debtors filing amended schedules or taking other steps to reduce the amount of the unsecured portion of their claims.

Schedule F includes certain deferred charges, deferred liabilities or general reserves. Such accruals are general estimates of liabilities and do not represent specific claims as of the Petition Date. Where possible, such accruals are attributed to a specific creditor, where such detail is not available, the obligation is presented on a balance sheet account basis. In all instances, the obligations have been marked as contingent.

Certain creditors owe amounts to the Debtors and, as such, may have valid setoff and recoupment rights with respect to such amounts. The Debtors have not reviewed the validity of any such setoff rights and hereby reserve all rights to challenge such setoff and recoupment rights. Nevertheless, in scheduling the claims of such creditors, the Debtors may have factored in the amounts owed by such creditors to the Debtors and have reduced the scheduled claims accordingly. In other cases, the Debtors have not reduced the scheduled claims to reflect any such right of setoff or recoupment, although where practicable the Debtors have indicated that the scheduled claims are contingent in recognition of a potential setoff or recoupment. The scheduling of any claim or amount owed at a net value is not a waiver of any right to challenge the creditor's right to setoff, recoup or net amounts owed against amounts that may be owed to any Debtor.

Schedule F contains information regarding pending litigation involving the Debtors. In certain instances, it is unclear or undetermined which Debtor is the subject of the litigation. However, to the extent that litigation involving a particular Debtor has been identified, such information is contained in the Schedule for that Debtor. The amounts for these potential claims are listed as undetermined and marked as contingent, unliquidated and disputed in the Schedules.

21. Schedule G—Executory Contracts and Unexpired Leases. While reasonable efforts have been made to ensure the accuracy of Schedule G regarding executory contracts and unexpired leases, inadvertent errors, omissions or over-inclusion may have occurred. Listing a contract, agreement or lease on Schedule G does not constitute an admission that such contract, agreement or lease is an executory contract or unexpired lease or that such contract or agreement was in effect on the Petition Date or is valid or enforceable. Any and all of the Debtors' rights, claims and causes of action with respect to the contracts, agreements and leases listed on Schedule G are hereby reserved and preserved. Additionally, the Debtors may have entered into various other types of agreements in the ordinary course of their business, such as indemnity agreements, supplemental agreements, amendments/letter agreements, and confidentiality agreements. Such documents may not be set forth in Schedule G. The Debtors reserve all of their rights to dispute or challenge the characterization of the structure of any transaction, or any document or instrument related to a creditor's claim. Certain of the contracts, agreements, and leases listed on Schedule G may have been entered into by more than one of the Debtors.

Contracts are listed with respect to the Debtor entities that are parties to the contracts per review of the contracts where possible. There may be instances where other Debtor entities that are not parties to the contracts have been the primary entities conducting business in connection with these contracts.

Omission of a contract, agreement or lease from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. Schedule G may be amended at any time to add any omitted contract, agreement or lease.

22. **Schedule H—Co-Debtors.** Many or all of the Debtors are co-debtors with respect to the senior secured debt. For purposes of Schedule H, only the collateral agent is listed for such borrowings. Additionally, there may be instances where litigation is brought against multiple legal entities. Where possible, such litigation is listed on Schedule F of the appropriate Debtor but such litigation is not reflected in Schedule H.

23. **Statement of Financial Affairs.** All amounts that remain outstanding to any creditor listed on SOFA 3b or 3c are reflected in Schedule E and F as applicable. Any creditor wishing to verify any outstanding indebtedness should review those Schedules.

- a. **SOFA 1.** The Debtors' financials are presented on a consolidated basis and are reported under PPI Holdings, Inc. (Case No. 08-13289).
- b. **SOFA 3c.** In the ordinary course of business, Precision Parts International Services Corp. (Case No. 08-13291) makes payments on behalf of other debtors through a disbursement account. These payments are reflected on the general ledger accounts of the respective Debtor for which the payments are made. Intercompany Transfers of a de minimis nature are made in the ordinary course of the Debtors' business. These transfers are made due to the structure of the Debtors' cash management system and all payments are being made out of concentration accounts. Due to the complexity of the nature of reporting such transactions and their de minimis nature, intercompany transfers are not reported as part of SOFA 3c.
- c. **SOFA 7.** During the course of a year, the Debtors present employees with de minimis gifts, such as turkeys or hams, to commemorate the holiday seasons. These employee gifts are not reported in the Debtors' Statements and Schedules.

- d. **SOFA 13.** The Debtors routinely incur setoffs from suppliers and customers during the ordinary course of business. Setoffs in the ordinary course can result from various items including, but not limited to, changes in pricing, returns/rejections, customer steel buy programs, quality chargebacks for sort/rework, freight, offal rebates and other disputes between the Debtors and their suppliers or customers. These setoffs are consistent with the ordinary course of business in the Debtors' industries and can be particularly voluminous making it unduly burdensome and costly for the Debtors to itemize such setoffs. Therefore, setoffs that occur in the ordinary course of business have been excluded from the Debtors' Statements and Schedules.
- e. **SOFA 14.** In the ordinary course of business and in accordance with industry custom, certain Debtors retain a significant number of molds, tooling, dies, cores, components used for remanufacture and other equipment, which are owned by the Debtors' customers. In addition, a portion of raw materials and supplies that are located at certain of the Debtors' plants may have been delivered by vendors pursuant to consignment agreements, which generally set forth the terms and conditions under which the raw materials and supplies are to be used and paid for by the Debtors. Such a Debtor generally agrees to pay its vendors if and when such raw materials are actually used by the Debtor, as determined by periodic reconciliation of such amounts between such vendors and the Debtor. Finally, in the ordinary course of certain of the Debtors' businesses, such Debtors sell inventory to their customers, may hold deposits or advance payments from their customers, and may hold for rework, certain products that have been returned to such Debtors for nonconformity with applicable specifications or warranties.
