3. In the event that City Capital secures a potential buyer of one or more of the Debtors' Turn-Key Assets, the Debtors shall file a motion to approve the proposed Turn-Key Asset Sale on or before June 11, 2014, with objections to such motion to be filed on or before June 16, 2014 at 12:00 NOON, and the Court shall hold a hearing to approve the proposed Turn-Key Asset Sale on June 17, 2014 at 11:00 a.m. (ET) (the "Turn-Key Sale Hearing").
4. If less than all of the Assets are sold through Turn-Key Asset Sales, then the Debtors are hereby authorized to sell such remaining Assets pursuant to the Liquidation Procedures.

10. At the conclusion of the process, Tiger shall prepare, and the Debtors shall file, a report with the Court that identifies each of the Assets sold pursuant to the Liquidation Procedures, the applicable purchaser, and the price paid for each Asset.

Bankruptcy Code, Bankruptcy Rules 2014 and 6005 and Local Rule 2014-1, on the terms and conditions set forth in the Motion and the Agreements, as modified by this Order.

12. Tiger shall be compensated for its services and reimbursed for any related expenses in accordance with applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules and any other applicable orders or procedures of this Court.

13. Tiger shall not be subject to the compensation procedures established for professionals in these chapter 11 cases. 14. After the conclusion of its work, Tiger shall file with the Court a final fee application for allowance of its compensation and reimbursement of its expenses in accordance with applicable provisions of the Bankruptcy Code, the Bankruptcy Rules and the Local Rules; provided, however, that such final fee application need only to describe the services provided by Tiger generally, and that Tiger shall not be required to keep time records of hours spent performing their services. In connection with its final fee application, Tiger shall be required to provide supplemental information regarding Tiger's fees and expenses to the extent requested by the Notice Parties (as defined in the Interim Compensation Order).

15. Notwithstanding anything herein and any provision to the contrary in the Motion or the Agreements, the compensation and expense reimbursement payable to Tiger pursuant to the Agreements and this Order shall be subject to review only pursuant to the standard set forth in section 328(a) of the Bankruptcy Code, and shall not be subject to any other standard of review, including, without limitation, the standard of review set forth in sections 330

or 331 of the Bankruptcy Code; provided, however, that the U.S. Trustee shall retain the right to object to the compensation and expense reimbursement payable to Tiger based on the reasonableness standards set forth in section 330 of the Bankruptcy Code. Accordingly, nothing in this Order or the record shall constitute a finding of fact or conclusion of law binding the U.S. Trustee, on appeal or otherwise, with respect to the reasonableness of any such compensation and expense reimbursement.

16. The indemnification provisions set forth in the Agreements are approved, subject to the following:

- a. Subject to the provisions of subparagraphs (b) and (c) below, the Debtors are authorized to indemnify, and shall indemnify, Tiger for any claims arising from, related to, or in connection with the services to be provided by Tiger as specified in the Motion, but not for any claim arising from, related to, or in connection with Tiger's post-petition performance of any other services other than those in connection with the Agreements, unless such post-petition services and indemnification therefor are approved by this Court.
- b. The Debtors shall have no obligation to indemnify Tiger for any claim or expense that is either (i) judicially determined (the determination having become final) to have arisen from Tiger's bad faith, gross negligence or willful misconduct, (ii) settled prior to a judicial determination as to Tiger's bad faith, gross negligence or willful misconduct, but determined by this Court, after notice and a hearing pursuant to subparagraph (c) infra, to be a claim or expense for which Tiger is not entitled to receive indemnity under the terms of the Motion.
- c. If, before the earlier of (i) the entry of an order confirming a chapter 11 plan in this case (that order having become a final order no longer subject to appeal), and (ii) the entry of an order closing this chapter 11 case, Tiger believes that it is entitled to the payment of any amounts by the Debtors on account of the Debtors' indemnification obligations under the Motion, including, without limitation, the advancement of defense costs, Tiger must file an application in this Court, and the Debtors may not pay any such amounts to Tiger before the entry of an order by this Court approving the payment. This subparagraph (c) is intended only to specify the period of time under which the Court shall have jurisdiction over any request for fees and expenses by Tiger for

indemnification, and not as a provision limiting the duration of the Debtors' obligation to indemnify Tiger.

- d. Any limitation of liability or limitation on any amounts to be contributed by the parties to the Agreements under the terms of the Agreements shall be eliminated.

17. This Order and the terms and provisions of the Agreements shall be binding on all of the Debtors' creditors (whether known or unknown), the Debtors, Tiger, and their respective affiliates, successors, and assigns, and any affected third parties including, but not limited to, all persons asserting an interest in the Assets, notwithstanding any subsequent appointment of any trustee, party, entity, or other fiduciary under any section of the Bankruptcy Code with respect to the forgoing parties, and as to such trustee, party, entity, or other fiduciary, such terms and provisions likewise shall be binding. The provisions of this Order and the terms and provisions of the Agreements, and any actions taken pursuant hereto or thereto shall survive the entry of any order which may be entered confirming or consummating any plan(s) of the Debtors or converting the Debtors' cases from chapter 11 to chapter 7, and the terms and provisions of the Agreements, as well as the rights and interests granted pursuant to this Order and the Agreements, shall continue in these or any superseding cases and shall be binding upon the Debtors, Tiger and their respective successors and permitted assigns, including any trustee or other fiduciary hereafter appointed as a legal representative of the Debtors under chapter 7 or chapter 11 of the Bankruptcy Code. Any trustee appointed in these cases shall be and hereby is authorized to operate the business of the Debtors to the fullest extent necessary to permit compliance with the terms of this Order and the Agreements, and Tiger and such trustee shall be and hereby are authorized to perform under the Agreements upon the appointment of such trustee without the need for further order of this Court.

- b. In connection with any auction (as opposed to a turn-key sale), GECC will have the right to establish reserves on or before June 10, 2014 for any of the GECC Equipment (whether sold separately or in small lots) that GECC's appraiser valued or values in the amount of at least Fifty Thousand Dollars (\$50,000) at Public Auction Value.
- c. All GECC Equipment sold in an auction (as opposed to a turn-key sale) will be sold by taking bids allocated solely to each such piece of GECC Equipment or in small lots.
- d. The High Pressure-Pasteurization System ("HPP"), which is a piece of GECC Equipment, will be sold by taking bids allocated solely to the HPP.
- e. Upon 24 hours advance notice, the Debtors will provide GECC and its employees and agents reasonable access to each of the Debtors' locations during normal business hours between May 28, 2014, and the date upon which the last piece of GECC Equipment is auctioned and removed from such locations.

(assignor of GECC), as lessor, and Quantum Foods, LLC, Quantum Culinary, LLC, Quantum Foods 213-D, LLC, and GDC Logistics, LLC, as lessees (together with all amendments, attachments, and schedules thereunder, "Master Lease I"), and (y) the Master Equipment Lease Agreement dated April 19, 2010 between PNCEF, LLC d/b/a PNC Equipment Finance (assignor of GECC), as lessor, and Quantum Foods, LLC, as lessee (together with all amendments, attachments, and schedules thereunder, "Master Lease II"); (ii) "Schedules" means Schedules 12-15 under Master Lease I and Schedules 8703093-002 and 154050000 under Master Lease II, all of which Schedules were assigned to GECC; (iii) "GECC Equipment" means the equipment listed in the Schedules; and (iv) "Pro Rata Percentage" means the percentage determined by dividing the GECC Sale Proceeds (excluding the commission payable to Tiger from any buyer's premium) by the total amount of gross sale proceeds (minus any amounts payable to Tiger).

- f. GECC and the Debtors reserve their respective rights to a Bankruptcy Court determination of (a) the (i) value and/or (ii) appropriate allocation of the purchase price of any GECC Equipment sold in a “turn-key” sale and (b) whether any of the GECC Sale Proceeds shall be payable as a section 506(c) surcharge against the GECC Equipment for the benefit of the Debtors’ estates; provided, however, that such surcharge shall not exceed the aggregate sum determined by multiplying each of the following by the Pro Rata Percentage: (i) \$272,000 in expenses previously identified by Tiger, (ii) rent and (iii) real estate taxes.

19. Notwithstanding anything in this Order to the contrary, and for the avoidance of doubt, nothing herein shall allow the Debtors to sell or convey in any respect any equipment subject to the equipment lease between the Debtors and Packaging Progression, Inc. (“PPI”) without PPI’s express prior written consent.

22. The Debtors agree to use commercially reasonable efforts to locate and account for the missing equipment identified by PNC in the objection that it filed to the Motion [Docket No. 366], and provide counsel for PNC with a status report.

23. In the event that no Turn-Key Asset Sale of either of the premises (the “Premises”) subject to a lease between the Debtors and Griffin Capital Corporation (“Griffin”) is

consummated, the Debtors and Griffin shall work to resolve any disputes regarding ownership of any fixtures located at the Premises. In the event the parties do not reach a consensual agreement, the Court will hold a hearing on June 17, 2014 at 11:00 a.m. to resolve any dispute concerning ownership of fixtures. No alleged fixtures will be removed from the Premises prior to such hearing without the consent of Griffin, which may be withheld in Griffin's sole discretion.

24. To the extent that this Order is inconsistent with the Agreements, the terms of this Order shall govern.

25. This Court retains jurisdiction over any and all matters or disputes with respect to any of the relief granted in this Order.

Exhibit A to Order

FF&E Agreement

This Agreement is entered into effective this 14th day of May, 2014, between Quantum Foods, LLC (the "Seller" or the "Company") and Tiger Remarketing Services ("Tiger") (each a "Party" and collectively the "Parties").

Section 1. Purpose of Agreement. (a) Subject to the provisions of clause 1(b) and the approval of the Bankruptcy Court in the Bankruptcy Case (defined below), Seller hereby retains Tiger to act as its exclusive agent to sell all Machinery, Equipment, Furniture and Fixtures, as listed on the attached Exhibit 'A' (hereinafter referred to as the "Assets") at a publicly marketed sale (hereinafter referred to as the "Sale(s)"). Tiger hereby agrees to use its professional skill, knowledge and experience to the best advantage of both Parties, but makes no representations or warranties regarding the outcome of the Sale, except to the extent as may be provided for in this Agreement. Seller shall promptly file a motion with the Bankruptcy Court seeking to approve the engagement of Tiger on the terms set forth herein.

(b) Tiger acknowledges that Seller has engaged City Capital Advisors ("City Capital") to seek a purchaser for one or more of the Seller's facilities by a "turn-key" operator. A "Turn-Key" operator shall be defined as a purchaser which operates their enterprise from one or more of the site locations referenced in Section 3, below, and does not buy the assets with the intent to move them. Tiger and City Capital agree to reasonably cooperate with each other in their sales efforts. In the event that City Capital obtains such a purchaser acceptable to the Seller and approved by the Bankruptcy Court in the Seller's pending bankruptcy case in the District of Delaware (the "Bankruptcy Case"), Tiger's engagement to sell the Assets which are the subject of such transaction(s) shall automatically be terminated upon consummation of any such sale (it being understood that Tiger's engagement with respect to the Assets not so sold shall continue until all remaining Assets are sold) subject to Tiger's rights to compensation under Section 19(b) hereof.

Section 2. Title to the Assets. Seller shall be responsible to comply with such legal processes, as may be required in the Bankruptcy Case, to ensure that the Seller, shall have the right to convey all Assets to purchasers free and clear of any encumbrances whatsoever. Without limiting the foregoing, subject to Tiger's approval. Seller shall promptly file a motion to establish sale procedures with the Bankruptcy Court which shall be substantially on the terms set forth in this Agreement and Seller shall be responsible to secure an Order from the Bankruptcy Court approving such sale procedures (the "Sales Procedure Order") and authorizing the Sale under the terms of this Agreement.

Section 3. Location Of Assets. The Assets are located at the following site(s), collectively referred to as the "Premises".

525 West Crossroads Blvd., Bolingbrook, IL (the "Culinary Plant")

550 Northwest Frontage Road, Bolingbrook, IL (the "Global Distribution")

750 South Schmidt Road, Bolingbrook, IL (the "Main Plant")

Section 4. Date and Time of Sale. Tiger shall schedule the Sale to occur no later than the week of June 23, 2014 (the "Sale Date"). Upon execution of this Agreement Tiger shall be authorized to begin immediate preparation and promotion of the Sale(s). Tiger's ability to meet the dates contemplated herein are based upon a) immediate and full access to the assets and Premises, b) the proper decommissioning of the assets (including the evacuation of ammonia) prior to the sale date and c) the entry of the Sales Procedure Order by May 31, 2014. To the extent that there are delays in the court approval process, or otherwise, through no fault of Tiger's, Tiger reserves the right to modify the proposed timeline for the sale and its marketing budget.

Section 5. Manner of Sale. Seller hereby authorizes Tiger: (a) to sell the Assets, in whole or in part, at live, online and/or sealed bid auction(s), and/or private sale(s) to the highest bidder thereof. While it is Tiger's intention to conduct the Sale in accordance with its Sale Plan attached as Exhibit 'B', and while Tiger shall consult with Seller regarding any changes in the manner and method of the Sale, subject to any orders of the Bankruptcy Court in the Bankruptcy Case (including, without limitation, the Sales Procedure Order), Tiger shall have complete authority to conduct the Sale in the manner, and utilizing the methods, that Tiger deems, in its professional judgment, to be appropriate and in the best interest of Seller. Seller hereby agrees that, except pursuant to the engagement of City Capital, it will not otherwise effectuate any sale of the Assets on its own without utilizing the services of Tiger in connection therewith.

Section 6. Sale Process. Tiger shall be authorized to permit any purchasers of the Assets to tender payment in the form of cash, cashiers' checks, guaranteed checks, Visa, MasterCard and American Express as payment for the Assets sold, and, subject to the terms of any order of the Bankruptcy Court (including, without limitation, the Sales Procedure Order) to establish such other terms of sale which shall be deemed appropriate by Tiger; provided that unless otherwise agreed by the Seller in writing, Tiger shall not permit any Assets to be sold or delivered to a purchaser unless, and until the full payment therefor has been received. Tiger shall be responsible to collect, report, and remit sales tax collected during the Sale(s). Seller agrees to promptly execute all bills of sale, receipts and other documents necessary to transfer title to the Assets to any purchaser thereof upon payment of purchase price. Seller will turn over all sales or negotiations for sales of the Assets to Tiger, provided that Tiger shall collaborate with City Capital in the negotiations of any Turn-Key transactions. Except as set forth in this Agreement and in the agreements with City Capital, Seller agrees not to remove any Assets from the Sale for any reason after execution of this Agreement. The sale shall be without reserve. Tiger shall assess auction purchasers a 15% buyers' premium ("Buyers' Premium"), which shall be added to the high bid prices to comprise the gross sales ("Gross Sales"). Additionally, third party online webcast services may assess up to an additional 3% buyers' premium to online bidders, payable directly to the webcast service.

Section 7. Compensation. The following shall define Tiger's fees ("Compensation"), which shall be charged on the Gross Sales (defined above to include the high bid price, plus the Buyers' Premium):

- a. Gross Sales proceeds received from \$0 to \$7,500,000 shall be subject to a 6.0% commission; plus

- b. Gross Sales proceeds received in excess of \$7,500,001 but less than or equal to \$8,500,000 shall be subject to a 7.0% commission, plus
- c. Gross Sales proceeds received in excess of \$8,500,001 shall be subject to a 8.5% commission

Section 8. Sale Costs. Tiger shall also be entitled to reimbursement for all reasonable and necessary sale related expenses (hereinafter referred to as "Costs") incurred by Tiger in preparing for and conducting the sale, including labor, marketing, supplies and other related costs as further defined in Exhibit 'B'. Tiger shall not be entitled to reimbursement for Costs in excess of \$200,000, except as otherwise provided for herein, and without prior authorization from Seller. All expenses shall be documented in Tiger's final settlement package provided to Seller. The following expenses have not been included in the Costs and are not deemed a responsibility of Tiger: occupancy costs, personal property insurance, data backup, removal and/or destruction, cleanup or trash removal.

Section 9. Allocation of Sales Proceeds. As soon as practical, but no later than 5 days after the consummation of the Sale, Tiger shall deposit the proceeds of the Sale net of Tiger's Compensation, costs and all other amounts payable to Tiger (hereinafter referred to as "Net Income") into the Seller's deposit account as Seller may direct. Within (10) business days following the completion of Tiger's Sale activities onsite, including the removal of Assets from the Premises, Tiger shall provide Seller with an accounting of the Sale income and expenses, and any other relevant information to determine the amount of Gross Sales, and the Seller and Tiger shall make any payments due to the other on account of any such reconciliation. In the event that either party disputes the reconciliation, the undisputed amounts will promptly be paid to the appropriate party and the dispute shall, if not resolved by the parties, be resolved in the Bankruptcy Court in the Bankruptcy Case. All funds due to Tiger for Compensation and Cost under the terms of Sections 7 and 8 of this Agreement shall have priority over any security interest, lien, or encumbrance against the Assets or the proceeds thereof.

Section 10. Taxes. With the exception of sales taxes, Tiger shall have no liability whatsoever for taxes owed by seller as the result of transactions(s) contemplated herein. Seller shall indemnify and hold Tiger harmless from any claims made against Tiger for the payment of taxes related to the Assets, with the exception of sales taxes collected by Tiger during the sale, for which Tiger shall be solely responsible for the collection, reporting, and payment thereof.

Section 11. Insurance. Until such time as title to and possession of any Asset is delivered to each sale purchaser, Seller shall obtain and thereafter maintain full fire, vandalism, burglary, theft and liability insurance on the Assets in an amount not less than the full insurable value of the Assets. Tiger shall furnish the Seller with evidence that it maintains acceptable insurance prior to the commencement of the performance of its services hereunder and the Seller shall be named as additional insured. Tiger shall indemnify the Seller from and against all loss, cost, damage, claims or liability whatsoever occasioned by the gross negligence of Tiger, its agents, contractors and employees.

Section 12. Use of the Premises. Seller shall be solely responsible for maintaining access to the Premises for Tiger to enter the Premises for purposes of (i) storing the Assets thereupon, (ii) preparing for and conducting the Sale thereupon, and (iii) otherwise exhibiting the Assets. Seller shall not charge Tiger any rent, storage fees, utilities or any other fees associated with Tiger's use of the Premises. Seller shall provide adequate utilities to the Premises (including power, telephone, internet, security, and trash services) at Seller's sole expense. Notwithstanding any other term of this Agreement to the contrary, Seller's obligations to Tiger under this Section shall commence upon the execution of this Agreement and shall terminate, unless otherwise extended by the Parties, on the below defined termination date. Seller understands that Tiger's duties defined herein are time sensitive. Seller shall ensure Tiger's representatives are provided with reasonable access to the Premises to facilitate: (i) sale preparation, (ii) buyer inspections and (iii) Asset removal.

Section 13. Advertising; Disclaimers of Warranties; Etc. Tiger shall have sole authority to advertise the Sale and shall collaborate and cooperate with City Capital to advertise Turn-Key sales. Except in connection with the engagement of City Capital, Seller shall not place or arrange for any advertising without Tiger's approval as to content. To the extent allowable by law, Seller hereby authorizes Tiger: (a) to use Seller's and Company's name, without additional consideration from Tiger, in promotional materials pertaining to the Sale; and (b) to state both in its advertising of the Sale and at the Sale that all Assets are being sold, "AS IS, WHERE IS, AND WITH ALL FAULTS," and otherwise to include any disclaimers of warranty, including but not limited to disclaimers of the warranties of merchantability and fitness for a particular purpose or use. Seller hereby acknowledges and agrees that Tiger: (a) has no knowledge with respect to, and has no obligation to investigate, the merchantability or fitness for any particular purpose or use of any of the Assets; and (b) has no duty to comply with the relevant provisions of the secured transaction laws (if applicable), including but not limited to the delivery of any requisite notice to third parties, as it is Seller's responsibility to ensure that every aspect of the Sale shall be commercially reasonable (if applicable).

Section 14. Seller's Obligations. Seller shall seek to facilitate the following in such timeframes as reasonably necessary to support the time sensitive nature of the Sale: (i) execute this Agreement, (ii) obtain a Sale Procedures Order from the Bankruptcy Court authorizing the conduct of the Sale(s) and employing Tiger, (iii) furnish access to the Premises, (iv) provide executed vehicle title documentation, where applicable, (v) proper cleaning and off lining to regulatory standards of all Assets, including purging any Assets of any fluids, gasses, hazardous materials, etc., (vi) removal of all sensitive data.

Section 15. Removal of Sensitive Information. Seller acknowledges that certain materials located at the sites may be of sensitive or personal nature (e.g., books and records, computer data, etc.). Tiger shall not be responsible for the proper retrieval, storage and/or destruction of any personal or sensitive materials. Seller (and not Tiger) shall be responsible to remove from the Premises and offices all paperwork, personal effects, and sensitive materials. This includes removing sensitive data from the computers and hard drives to be sold; however, in no case should any data pertaining to the Seller's intellectual properties be destroyed or removed from the premises (including, but not limited to, customer and vendor lists, trademarks, sales history, and related

items), if Tiger is engaged to sell and dispose of intellectual property. Tiger shall furnish Seller with a reasonable period of time to accomplish the foregoing prior to the Sale. In any event, however, Seller shall be responsible to notify Tiger prior to the Sale of any Asset(s) which may require a delayed removal by auction purchaser due to such asset containing sensitive information pending Seller's backup or removal.

Section 16. Hazardous Materials. Tiger has no obligation whatsoever to purchase, sell, make, store, handle, treat, dispose, generate, transport or remove any HAZARDOUS SUBSTANCES that may be located at the Premises or otherwise associated with the Assets. Tiger shall have no liability to any party for any environmental action brought (i) because the Assets were involved in, or are somehow related to, the storage, handling, treatment, disposition, generation, or transportation of HAZARDOUS SUBSTANCES or (ii) in connection with any remedial actions associated with the Assets or the Premises, except to the extent caused by Tiger, its agents, contractors or employees. Seller (and not Tiger) shall be responsible to remove from the Premises all HAZARDOUS SUBSTANCES from Assets to be sold prior to Tiger's preview of the Assets to prospective Buyers.

The term "HAZARDOUS SUBSTANCES" means, collectively, any chemical, solid, liquid, gas, or other substance having the characteristics identified in, listed under, or designated pursuant to (i) the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended, 42 U.S.C.A. 9601(14), as a "hazardous substance," (ii) the Resource Conservation and Recovery Act, 42 U.S.C.A. 6903(5) and 6921, as a "hazardous waste," or (iii) any other laws, statutes or regulations of a government or political subdivision or agency thereof, as presenting an imminent and substantial danger to the public health or welfare or to the environment or as otherwise requiring special handling, collection, storage, treatment, disposal, or transportation.

Section 17. Term of Agreement: Removal of Sold Assets. The rights and obligations of the Parties under this Agreement shall terminate upon the earliest of (a) with respect to any Assets sold by City Capital, the consummation of a sale of such Assets (it being understood that Tiger's engagement with respect to the Assets not so sold shall continue until all remaining Assets are sold), (b) completion of the Sale of all the Assets by Tiger, the removal of the sold Assets following the Sale and/or the abandonment of such sold Assets by Buyers, and satisfaction of the Parties respective payment obligations to one another as set forth herein, or (c) August 10, 2014. ("Termination Date").

Section 18. Condition of Premises. Tiger's services involve the orchestration of a sales and marketing effort of the Assets, on behalf of Seller. Tiger is not a cleaning, demolition, data destruction or hazmat company. Following Tiger's completion of the Sale, it shall endeavor to leave the premises in a clean and orderly condition, as allowable within the budget allocated for the Sale, the timing provided and based upon the availability of sufficient trash containers. However, under no circumstances shall Tiger be responsible for i) removal of unsold items, ii) removal of items abandoned by Buyers, iii) trash and debris of the Company or resulting from the removal process, iii) Company paperwork, iv) hazardous materials. As a term of sale between Tiger and its Buyers, Tiger compels Buyers to remove all of their purchased items and leave the Premises clean of all trash and debris resulting from their efforts. Further, Tiger takes steps to enforce these terms of sale. These terms also include Buyer's acknowledgment of Seller's and Landlord's rights to pursue Buyer for its failure to fulfill its purchase obligations.

Section 19. Cancellation.

- a. **Sale Cancellation.** In the event the Sale is cancelled for any reason, other than Tiger's failure to perform and other than as a result of a sale of any or all of the Assets pursuant to Section 19(b), or in the event revenues from the Sale are seized or frozen by legal action, Seller shall guarantee performance of its obligations under the terms of this Agreement, including reimbursement of Costs incurred up through the date of cancellation. To the extent that a sale is cancelled and the Assets are subsequently sold to a 3rd party at the Direction of the Company (other than as provided in 19 (b), Tiger shall be paid its full commission as provided herein.
- b. **Turn-Key or other Pre-Sale.** In the event all or a subset of the Assets are sold as a package, prior to the Sale ("Turn-Key Pre-Sale"), a reasonable and appropriate allocation of the sale price shall be attributed to the Assets subject to this Agreement, and Tiger shall be entitled to 2.5% of sale proceeds attributable to Assets, as well as reimbursement of Costs incurred as provided for in Section 8. All Turn-Key Pre-Sale proposals provided by Tiger to the Seller shall contain an allocation of total sale proceeds between the Assets and other property of the Seller. Seller's approval is required prior to the execution of any and all Turn-Key Pre-Sales. Any Pre-Sales that are not of a Turn-Key nature (i.e. the sale of an Asset prior to the Sale by a purchaser removing the Asset from the Premises) shall be subject to both Company and Tiger's approval and its compensation as defined in Section 7.

Section 20. Representations of Tiger. Tiger represents and warrants to Seller that:

- b. The terms of this Agreement are binding upon and enforceable against Tiger.

Section 21. Indemnifications By Tiger. Tiger hereby indemnifies, defends and agrees to hold harmless the Seller and the Seller's officers, Agents, lenders, and employees from and against any and all claims, demands, liabilities, judgments, damages, settlements, costs and expenses (including but not limited to court costs and attorneys fees) that may be sustained or incurred by the Seller as a result of Tiger's material breach of or failure to comply with any of its agreements, covenants, representations or warranties contained in this Agreement.

Seller hereby indemnifies, defends and agrees to hold harmless Tiger and Tiger's officers, agents and employees from and against any and all claims, demands, liabilities, judgments, damages, settlements, costs and expenses (including but not limited to court costs and attorneys fees) that may be sustained or incurred by Tiger as a result of (i) Seller's material breach of or failure to comply with any of its material agreements, covenants, representations or warranties contained in this Agreement (ii) any failure of Seller to pay to its employees any wages, salaries or benefits due to such employees during or after the Sale, (iii) any consumer warranty or products liability claims relating to the Assets, or (iv) any liability or other claims asserted by customers, any of Seller's employees, or any other person against Tiger.

Section 24. Limitation of Liability. Notwithstanding any of the terms of this Agreement to the contrary, Tiger's maximum liability for (i) any breach of Tiger's covenants, agreements and/or indemnifications set forth herein, and (ii) any and all damages of any type or nature whatsoever, whether in contract, tort or otherwise, that *may* be sustained by the Seller or any other person or entity that arises from or is otherwise related to this Agreement or the Sale and which is in excess of any applicable insurance coverage shall be limited to the aggregate amounts actually received by Tiger as compensation under this Agreement.

Section 25. Binding Obligation; Assignment. This Agreement shall be binding upon the Parties hereto and their respective successors and assigns. Neither Party may assign its interest in this Agreement without the prior written consent of the other Party, except for the assignment of the Seller's interest to Crystal Financial LLC, as agent, as security for the obligations due from Seller to it..

Section 26. Final Agreement. This Agreement, and any and all (i) exhibits that are attached hereto and made a part hereof, and (ii) side agreements, letter agreements and amendments, if any, that are executed by the Seller and Tiger, contains the final and entire agreement and understanding and any terms, and conditions not set forth in this Agreement (or in such exhibits, side agreements, side letter agreements and amendments) are not part of this Agreement and the understanding of the Parties. The Parties have participated jointly in the negotiation and drafting of this Agreement and, in the event of any ambiguity or question of intent or interpretation arises, this Agreement shall be construed as jointly drafted by the Parties and no presumption or burden of proof shall arise by the virtue of the authorship of any provision of this Agreement. This Agreement may be amended or altered only in writing, signed by the Party to be bound by the change or alteration.

Section 27. Time. Time is strictly of the essence of this Agreement.

Section 28. Number, Gender and Captions. As used herein, the singular shall include the plural and the plural may refer to the singular. The use of any gender shall be applicable to all genders. The captions contained herein are for purposes of convenience only and are not a part of this Agreement.

Section 29. Partial Invalidity. If any term, covenant or condition of this Agreement or its application to any person or circumstances shall be invalid or unenforceable, the remainder of this Agreement, or the application of such term or provision to persons or circumstances other than those to which it is held invalid or unenforceable shall not be affected, and each term shall be valid and enforceable to the fullest extent permitted by law.

Section 30. Force Majeure. Notwithstanding any of the terms of this Agreement to the contrary, Tiger shall not be deemed in default with respect to the performance of any of the terms, covenants and conditions of this Agreement and the Termination Date shall be extended accordingly if Tiger is unable to fulfill its obligations hereunder due to or because of any: (a) strike or lockout; (b) civil commotion, war-like operation, invasion, rebellion, terrorist act, hostilities, military or usurped power, sabotage, or governmental regulation or control; or (c) hurricane, tornado, flood, mudslide, fire, act of God, or any other cause that is beyond the control of Tiger.

Section 31. Notices. Any notice required or permitted by or in connection with this Agreement, shall be in writing and shall be made by facsimile or electronic mail (confirmed on the date the facsimile or electronic mail is sent or by one of the other methods of giving notice provided for in this Section) or by hand delivery, by Federal Express, or other similar overnight delivery service, or by certified mail, unrestricted delivery, return receipt requested, postage prepaid, addressed to the respective Party at the appropriate address set forth below or to such other address as may be hereafter specified by written notice by the respective Parties. If notice is tendered pursuant to the provisions of this Section and is refused by the intended recipient thereof, the notice shall be considered to have been given.

Tiger hereby agrees to use its professional skill, knowledge and experience to the best advantage of both Parties, but makes no representations or warranties regarding the outcome of the Sale, except to the extent as may be provided for in this Agreement. Tiger acknowledges that Quantum has initiated its own efforts to sell various assets such as inventory, and that Quantum will continue such efforts in the normal course. The "Assets" subject to this agreement will be identified by Quantum and agreed to by Quantum and Tiger no later than May 23, 2014. Seller shall promptly file a motion with the Bankruptcy Court seeking to approve the engagement of Tiger on the terms set forth herein.
