**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY  
AND DISCLAIMERS REGARDING DEBTORS' SCHEDULES OF  
ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

Quirky, Inc. (Case No. 15-12596 (MG)) ("Quirky" or the "Company") and its two domestic subsidiaries (together with Quirky, the "Debtors") submit their Schedules of Assets and Liabilities (the "Schedules") and Statements of Financial Affairs (the "Statements" and, together with the Schedules, the "Schedules and Statements") pursuant to section 521 of the Bankruptcy Code (as defined below) and Rule 1007 of the Federal Rules of Bankruptcy Procedure.

On September 22, 2015 (the "Petition Date"), the Debtors commenced their reorganization cases by filing voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the "Bankruptcy Code") with the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court"). Notwithstanding the joint administration of the Debtors' chapter 11 cases, each of the Debtors has filed its own Schedules and SOFAs.

The Debtors are authorized to operate their businesses as debtors-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. The Schedules and Statements were prepared by the Debtors' management with the assistance of their advisors. The Schedules and Statements are unaudited. While the Debtors' management and advisors have made reasonable efforts to ensure that the Schedules and Statements are accurate and complete based on information known to them at the time of preparation, after reasonable inquiries, inadvertent errors or omissions may exist and/or the subsequent receipt of information may result in material changes in financial and other data contained in the Schedules and Statements. Accordingly, the Debtors reserve their right to amend and/or supplement their Schedules and Statements from time to time as may be necessary or appropriate and they will do so as information becomes available.

These Global Notes and Statement of Limitations, Methodology and Disclaimers Regarding Debtors' Schedules of Assets and Liabilities and Statements of Financial Affairs (the "Global Notes") are incorporated by reference in, and comprise an integral part of, the Schedules and Statements, and should be referred to and reviewed in connection with any review of the Schedules and Statements. In the event that the Schedules and Statements differ from the Global Notes, the Global Notes shall control.

<sup>1</sup> The Debtors in these chapter 11 cases and the last four digits of each Debtor's taxpayer identification number are as follows: Quirky, Inc. (2873); Wink, Inc. (8826); and Undercurrent Acquisition, LLC (9692). The Debtors' principal offices are located at 606 West 28<sup>th</sup> Street, Seventh Floor, New York, NY 10001.

### **General Notes**

**Reservation of Rights.** The Debtors reserve the right to dispute, or to assert setoff or other defenses to, any claim reflected in the Schedules and Statements as to amount, liability and classification. The Debtors also reserve all rights with respect to the values, amounts and characterizations of the assets and liabilities listed in their Schedules and Statements.

**Basis of Presentation.** The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles ("GAAP"), nor are they intended to reconcile to financial statements previously distributed to lenders, major creditors, potential investors or purchasers or various equity holders on an intermittent basis.

The Schedules and Statements reflect the Debtors' reasonable efforts to report the separate assets and liabilities of each individual Debtor on an unconsolidated basis. For financial reporting purposes, Quirky has historically prepared consolidated financial statements, which included financial information for all of its subsidiaries and which in the past have been audited annually. Quirky does not prepare individual financial statements for its subsidiaries and the Debtors do not maintain full, separate, stand-alone accounting records for each Debtor in their general ledger. It should also be noted that the Debtors use a consolidated cash management system through which the Debtors pay substantially all liabilities and expenses.

Given the limited availability of stand-alone accounting records, the Debtors have made reasonable efforts to attribute assets and liabilities to the rightful Debtor entity. In separating out information among the Debtors, the Debtors were required to make certain assumptions about the ownership of assets and responsibility for liabilities of certain Debtors because specific documentation identifying the particular Debtor that owned an assets or was responsible for a liability was not readily available in every instance. Accordingly, the Debtors reserve all rights with respect to the attribution of assets and liabilities and reserve the rights to amend the Schedules and Statements.

The Schedules and Statements have been signed by Charles Kwalwasser, General Counsel, Chief Administrative Officer and Secretary of Quirky, Inc. In reviewing and signing the Schedules and Statements, Mr. Kwalwasser has necessarily relied upon the efforts, statements and representations of the accounting and non-accounting personnel located at the Debtors' offices who report to, or work with, Mr. Kwalwasser, either directly or indirectly. Mr. Kwalwasser has not, and could not have, personally verified the accuracy of each such statement and representation, including statements and representations concerning amounts owed to creditors.

**Date of Valuations.** Except as otherwise noted in the Schedules and Statements, all liabilities and assets are valued as of the Petition Date. The Schedules and Statements reflect the Debtors' best effort to allocate the assets, liabilities, receipts and expenses to the appropriate Debtor entity "as of" such dates. All values are stated in United States currency. In some instances, the Debtors have used estimates or pro-rated amounts where actual data as of the aforementioned dates was not available. The Debtors have made a reasonable effort to allocate liabilities between the pre- and post-petition periods based on the information and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the Debtors may modify the allocation of liabilities between the pre- and post-petition periods and amend the Schedules and Statements accordingly.

**Book Value.** Except as otherwise noted, each asset and liability of each Debtor is shown on the basis of net book value of the asset or liability in accordance with such Debtor's accounting books and records as of the Petition Date. Therefore, unless otherwise noted, the Schedules are not based upon any estimate of

the current market values of the Debtors' assets and liabilities, which may not correspond to book values. It would be cost prohibitive, unduly burdensome and an inefficient use of estate resources to obtain current market valuations of the Debtors' property interests.

Where necessary, the Debtors have indicated that the value of assets is "unknown". Amounts ultimately realized may vary materially from net book value. Accordingly, the Debtors reserve all rights to amend, supplement, or adjust the asset values set forth in the Schedules and Statements.

The Debtors believe that certain of their assets, including (i) intangibles with indefinite life (principally trademarks and tradenames), and (ii) certain owned property may have been significantly impaired by, among other things, the events leading to, and the commencement of, the Debtors' chapter 11 cases. The Debtors have not formally evaluated the appropriateness of the carrying values ascribed to their assets prior to the Petition Date, but expect that they would need to re-evaluate such values during their chapter 11 cases and take appropriate impairment charges, in accordance with GAAP, to accurately reflect the carrying values were the Debtors to undertake preparing and issuing GAAP financial statements during the course of these cases.

**Causes of Action.** The Debtors have made their best efforts to set forth known causes of action against third parties as assets in their Schedules and Statements. The Debtors reserve all of their rights with respect to causes of action they may have, whether disclosed or not disclosed, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such causes of action.

**Litigation.** Certain litigation actions (the "Litigation Actions") reflected as claims against a particular Debtor may relate to any of the other Debtors. The Debtors have made reasonable efforts to accurately record the Litigation Actions in the Schedules and Statements of the Debtor that is the party to the Litigation Action. The inclusion of any Litigation Action in these Schedules and Statements does not constitute an admission by the Debtors of liability, the validity of any Litigation Action or the amount of any potential claim that may result from any claims with respect to any Litigation Action and the amount and treatment of any potential claim resulting from any Litigation Action currently pending or that may arise in the future.

**Claims Description.** Any failure to designate a claim listed on a Debtor's Schedule as "disputed," "contingent," "or "unliquidated" does not constitute an admission by the Debtors that the claim is not "disputed," "contingent," or "unliquidated." The Debtors reserve the right to (i) object to or otherwise dispute or assert setoff rights, cross-claims, counterclaims or defenses to, any claim reflected on the Schedules as to amount, liability or classification or (ii) otherwise to designate subsequently any claim as "disputed," "contingent" or "unliquidated." Claim amounts that could not be readily quantified by the Debtors are scheduled as "unliquidated". The description of a claim amount as "unknown" is not intended to reflect upon the materiality of such amount.

**Payment of Prepetition Claims Pursuant to Court Orders.** The Bankruptcy Court has authorized the Debtors, among other matters, to (i) continue certain customer practices, (ii) pay prepetition wages, salaries, employee benefits and other related obligations, (iii) pay certain priority claims in the ordinary course of business, (iv) pay certain prepetition sales, use and other taxes, (v) make certain utility payments, and (vi) pay certain prepetition shipping charges and related possessory liens. Where the Schedules list creditors and set forth the Debtors' scheduled amounts attributable to such claims, such scheduled amounts reflect balances owed as of the Petition Date as adjusted for any payments made on account of such claims following the commencement of these chapter 11 cases pursuant to the authority granted to the Debtors by the Bankruptcy Court. The Debtors reserve the right to update the Schedules and Statements to reflect further payments made pursuant to the above referenced orders.

**Intercompany Transfers.** The net balance of intercompany transactions between the Debtors, if any, is set forth on Schedule F or Schedule B16 as applicable. Intercompany transfers between Debtors are also captured on SOFA 3(c). The listing in the Schedules or Statements by the Debtors of any obligation between a Debtor and another Debtor is a statement of what appears in the Debtors' books and records, and does not reflect any admission or conclusion of the Debtors regarding whether such amount should be allowed as a claim or how such obligations may be classified and/or characterized in a plan of reorganization or by the Bankruptcy Court. As noted in Basis for Preparation above, Quirky does not prepare individual financial statements for its subsidiaries and the Debtors do not maintain full, separate, stand-alone accounting records for each Debtor in their general ledger. It should also be noted that the Debtors use a consolidated cash management system through which the Debtors pay substantially all liabilities and expenses. Accordingly, intercompany transfers may not reflect all transactions between the Debtor entities and, in any event, the Debtors reserve all rights with respect to the attribution of assets and liabilities and reserve the rights to amend the Schedules and Statements.

**Addresses of Employees.** The Debtors have listed each of their employees' addresses as the Debtors' corporate address to protect the privacy of the Debtors' employees. As provided in the Case Management Motion, where necessary, the Debtors have served and will continue to serve all necessary notices, including notice of the claims bar date, to the actual address of each of the Debtors' employees.

**E-mail Addresses of Community Members.** The Debtors have attempted to list each of the community members by user ID and name to protect the privacy of the individual community members. As provided in the Case Management Motion, where necessary, the Debtors have served and will continue to serve all necessary notices, including notice of the claims bar date, to the community members by e-mail.

**Specific Notes.** These Notes are in addition to the specific notes set forth in the Schedules and SOFAs of the individual Debtor entities. The fact that the Debtors have prepared these Notes with respect to a particular Schedule or SOFA and not as to others does not reflect and should not be interpreted as a decision by the Debtors to exclude the applicability of such Notes to any or all of the Debtors' remaining Schedules or SOFAs, as appropriate. Disclosure of information in one Schedule, one SOFA or an exhibit or attachment to a Schedule or SOFA, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedule, SOFA, exhibit or attachment.

#### **Specific Notes Regarding the Debtors' Schedules of Assets and Liabilities**

1. **Schedule A.** The Debtors do not own real property.
2. **Schedule B.**
  - a. **Schedule B1 and Schedule B2.** Unless otherwise noted, the amounts shown are based on closing account balances as of the Petition Date. The Debtors use a global cash management system to streamline collection, transfer, and disbursement of funds generated by the Debtors' business operations. The cash management system is operated and maintained by Quirky, as described in detail in the *Motion of an Order Authorizing the Debtors to (I) Continue to Use Existing Cash Management System (II) Maintain Existing Bank Accounts and (III) Waive Requirements of Section 345(b) of the Bankruptcy Code*.
  - b. **Schedule B9.** The Company maintains certain insurance policies essential to its continued operations, including, but not limited to, property, casualty, motor vehicle and general liability, and director and officer insurance policies. The terms of the policies are similar to insurance policies typically maintained by corporate entities that are similar in size and nature to the

Company. The Company's insurance policies generally are structured to provide coverage for all of its direct and indirect subsidiaries and affiliates. The listing reflects those policies in place and in effect at the time of filing. Certain policies were extended prior to filing as required (policies with start dates following the petition date are not listed).

- c. **Schedule B13.** Each Debtor's Schedule B includes its ownership interests, if any, in subsidiaries and partnerships. In general, the value of such stock is dependent upon the calculated value of the underlying subsidiaries' equity and profits and losses over time. Since (i) investments in subsidiaries and intercompany balances are not maintained on a subsidiary-by-subsidiary basis in Quirky's general ledger and (ii) the Debtors did not undertake a historical analysis to assign values to the subsidiary stock, the value of the subsidiary stock is listed as "unknown."
- d. **Schedule B16.** Because the detailed trade accounts receivable are reflective of the Debtors' proprietary customer lists, trade accounts receivable are reported in the aggregate only. The balances listed reflect the Debtors' reserves for uncollectable amounts. Furthermore, the accounts receivable are reported net of purchase discounts earned by certain customers. The Debtors reserve all of their rights with respect to such credits and allowances. The Debtors have retained, and can make available, detailed customer level account information in appropriate circumstances and to appropriate parties, subject to the assurance of confidentiality.
- e. **Schedule B22.** The Debtors have not assigned value to, or identified the expiration date for, all of the trademarks, patents, copyrights and other intellectual property identified on Schedule B22. The fair market value of such intellectual property is dependent on numerous variables and factors, and likely differs significantly from its net book value.
- f. **Schedule B23.** The Debtors have not assigned value to the permits and licenses identified on Schedule B23. The fair market value of such permits and licenses is dependent on numerous variables and factors, and likely differs significantly from their net book value.
- g. **Schedules B28 and B29.** The Debtors maintain fixed asset registers at asset level detail. However, due to the significant length of records at the asset level, Schedules B28 and B29 provide fixed asset values by asset category. The Debtors do not have current appraisals or other valuations of their fixed assets. Accordingly, aggregate net book values by asset category are provided.

3. **Schedule D.** Except as otherwise ordered by the Bankruptcy Court, the Debtors reserve their rights to dispute or challenge the validity, perfection or immunity from avoidance of any lien purported to be granted or perfected in any specific asset for the benefit of a secured creditor listed on a Debtor's Schedule D. Moreover, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument (including without limitation, any intercompany agreement) related to such creditor's claim.

The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements.

4. **Schedule E.** The claims listed on Schedule E arose or were incurred on various dates. A determination of the date upon which each claim arose or was incurred would be unduly burdensome and cost prohibitive. Accordingly, not all such dates are included for each claim.

Certain of the claims of state and local taxing authorities set forth in Schedule E, which the Debtors have designated as contingent, disputed and unliquidated, ultimately may be deemed to be secured claims pursuant to state or local laws. The Debtors reserve their right to dispute or challenge whether claims owing to various taxing authorities are entitled to priority, and the listing of any claim on Schedule E does not constitute an admission that such claim is entitled to priority treatment pursuant to section 507 of the Bankruptcy Code.

The Bankruptcy Court entered an order granting authority to, but not requiring, the Debtors to pay prepetition employee wages, salaries, benefits and other related obligations. The Debtors currently expect that most prepetition employee claims for wages, salaries, benefits and other related obligations either have been paid or will be paid in the ordinary course of business and therefore, the Schedules and Statements do not include such claims. Notwithstanding the foregoing, the Debtors reserve their rights to (i) evaluate whether to modify or terminate any employee plan or program and (ii) modify or terminate, with respect to discretionary obligations, or seek to modify or terminate any such plans or programs. In the event that any employee plans or programs are modified or terminated, or sought to be modified or terminated, affected employees would receive by mail notice thereof, thereby allowing any such affected party to assert claims against the Debtors arising therefrom.

5. **Schedule F.** The Debtors have used reasonable efforts to report all general unsecured claims against the Debtors on Schedule F based upon the Debtors' existing books and records as of the Petition Date. The claims listed on Schedule F arose or were incurred on various dates. In certain instances, the date on which a claim arose is an open issue of fact. Although reasonable efforts have been made to identify the date of incurrence of each claim, determination of the date that each claim in Schedule F was incurred or arose would be unduly burdensome and cost prohibitive. Therefore, the Debtors do not list a date for each claim listed on Schedule F.

Schedule F does not include certain balances including deferred liabilities, accruals, or general reserves. Such amounts are, however, reflected on the Debtors' books and records as required in accordance with GAAP. Such accruals primarily represent general estimates of liabilities and do not represent specific claims as of the Petition Date. The Debtors have made reasonable efforts to include as contingent, unliquidated and/or disputed the claim of any party not included on the Debtors' open accounts payable that is associated with an account that has an accrual or receipt not invoiced.

The claims of individual creditors may not reflect credits and/or allowances due from creditors to the applicable Debtor. The Debtors reserve all of their rights with respect to any such credits and/or allowances, including the right to assert objections and/or setoffs with respect to same.

The Bankruptcy Court has authorized the Debtors to pay, in their discretion, certain nonpriority unsecured claims pursuant to Bankruptcy Court orders. To the extent practicable, each Debtor's Schedule F is intended to reflect the balance as of the Petition Date, as adjusted by any subsequent payment or satisfaction. To the extent an unsecured claim has been paid or may be paid, it is possible such claim is not included on Schedule F. Certain Debtors may pay additional claims listed on Schedule F during these chapter 11 cases pursuant to existing and/or further orders of the Bankruptcy Court and the Debtors reserve all of their rights to update Schedule F to reflect such payments or to modify the claims register to account for the satisfaction of such claims.

Schedule F contains information regarding pending litigation involving the Debtors. In certain instances, the amount that is the subject of the litigation is uncertain or undetermined. The dollar amount of potential claims associated with any such pending litigation is listed as "undetermined" and marked as contingent, unliquidated, and disputed in the Schedules and Statements. The inclusion of any litigation in Schedule F or otherwise does not constitute an admission of liability alleged in such litigation.

In addition, although the Debtors have made reasonable efforts to attribute the Schedule F debt to the rightful Debtor entity, in certain instances, the Schedule F debt in fact, may properly be against another Debtor entity. Accordingly, the Debtors reserve all of their rights with respect to the attribution of the liabilities and reserve the right to amend the Schedules and Statements.

To the extent they are known, Schedule F represents the prepetition amounts owing to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in connection with the assumption or the assumption and assignment of an executory contract or unexpired lease. Additionally, Schedule F does not include potential rejection damage claims, if any, of the counterparties to executory contracts and unexpired leases that may be rejected.

With respect to the community member liabilities, the total liability is the sum of the user rewards earned up to the Petition Date for each individual who is owed more than \$50. Per the Quirky.com Terms of Service, Quirky is under no obligation to distribute amounts owed to a community member until the aggregate amount payable in that user's account exceeds \$50. As indicated, a listing of the individual claims of each community member is included as a supplement to Schedule F.

6. **Schedule G.** While every effort has been made to ensure the accuracy of Schedule G, inadvertent errors or omissions may have occurred. The Debtors hereby reserve all of their rights to (i) dispute the validity, status or enforceability of any contracts, agreements or leases set forth in Schedule G and (ii) amend or supplement such Schedule as necessary. Furthermore, the Debtors reserve all of their rights, claims and causes of action with respect to the contracts and agreements listed on these Schedules, including the right to dispute or challenge the characterization or the structure of any transaction, document or instrument.

The presence of a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease. The contracts, agreements and leases listed on Schedule G may have expired or may have been modified, amended or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letter and other documents, instruments and agreements that may not be listed therein. Certain of the real property leases listed on Schedule G may contain renewal options, guarantees of payments, options to purchase, rights of first refusal, rights to lease additional space and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth on Schedule G. Certain of the executory agreements may not have been memorialized and could be subject to dispute. Executory agreements that are oral in nature have been scheduled to the best of the Debtors' knowledge. Because most of the Debtors' purchase orders are short term and have been or will soon be fully performed, Schedule G does not include purchase orders in existence as of the Petition Date. Additionally, the Debtors may be parties to various other agreements concerning real property, such as easements, rights of way, subordination, non-disturbance, supplemental agreements, amendments/letter agreements, title documents, consents, site plans, maps and other miscellaneous agreements. Such agreements, if any, are not set forth in Schedule G. Certain of the agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financings.

#### **Specific Notes With Respect to the Debtors' Statements of Financial Affairs**

1. **SOFA 1.** The revenue amounts shown in response to this question are net of returns and allowances as reported on the Debtors' federal income tax returns. As the Debtors do not maintain stand-alone financial statements for each subsidiary and file consolidated tax returns, consolidated revenue for Quirky and its subsidiaries is included in Quirky, Inc.'s response to SOFA 1.

2. **SOFA 3(b).** Certain payroll-related payments include amounts that were paid to “insiders” as defined in section 101(31) of the Bankruptcy Code. These payments have also been listed in response to SOFA 3(c). The payroll-related amounts shown in response to this question for any salary, bonus or additional compensation, and/or severance payments are gross amounts that do not include reductions for amounts including employee tax or benefit withholdings. Pursuant to the Debtors’ global cash management system, payments made to various parties are often made from a single Debtor on behalf of one or more Debtor entities. The Debtors have only listed the Debtor entity that disbursed the payment. The amounts listed in SOFA 3(b) reflect the Debtors’ disbursements netted against any check level detail. Thus, to the extent a disbursement was made to pay for multiple invoices, only one entry has been listed.
3. **SOFA 3(c).** The Debtors reserve all rights to dispute whether someone identified in response to SOFA 3(c) is in fact an “insider” as defined in section 101(31) of the Bankruptcy Code. For more information regarding each Debtor’s officers and directors see SOFA 21(b) and SOFA 22(b). The payroll-related amounts shown in response to this question for any salary, bonus or additional compensation, and/or severance payments are gross amounts that do not include reductions for amounts including employee tax or benefit withholdings. Employer paid benefits and payroll taxes are not included. Amounts shown in response to this question for any travel and business-related expense reimbursements include expenses reimbursed directly to the applicable insider. Pursuant to the Debtors’ global cash management system, payments made to various parties are often made from a single Debtor on behalf of one or more Debtor entities. The Debtors have only listed the Debtor entity that disbursed the payment.
4. **SOFA 4(a).** The actions described in response to SOFA 4(a) are the responsive proceedings or pending proceedings of which the Debtors are aware.
5. **SOFA 9.** Although the services of any entities who provided consultation concerning debt counseling or restructuring services, relief under the Bankruptcy Code or preparation of a petition in bankruptcy within one year immediately preceding the Petition Date were provided for the benefit of all the Debtors, all of the payments for such services were made by Quirky, Inc. and are, therefore, listed on Quirky, Inc.’s response to SOFA 9.
6. **SOFA 13.** The Debtors routinely incur setoffs resulting from ordinary course of business transactions with their vendors. This includes, but is not limited to, the Debtors’ customers netting price protection credits against receivable balances due to the Debtors. Such setoffs are consistent with the ordinary course practices in the Debtors’ industry. Additionally, it would be overly burdensome and costly for the Debtors to list all such normal setoffs. Therefore, SOFA 13 excludes such setoffs.
7. **SOFA 14.** The response to SOFA 14 does not include equipment leased by the Debtors that is located on the Debtors’ premises. These leases are included in Schedule G.
8. **SOFA 19(b).** PricewaterhouseCoopers LLP (“PwC”) was engaged to provide tax and audit services for Quirky for FY2013 and to provide tax services for FY2014. PwC audited the consolidated books of Quirky, Inc. and its subsidiaries for FY2013. Separate books for each Debtor entity were not prepared or audited by any party. Crowe Horwath has, within two years before the Petition Date, provided sales tax services to the Debtors.
9. **SOFA 19(d).** From time to time, the Debtors provided financial statements in the ordinary course of business to certain parties for business, statutory, credit, financing and other reasons. Recipients have included regulatory agencies, financial institutions, individual investors, investment banks, customers, vendors, unions, debtholders and their legal and financial advisors. Additionally, financial statements have been provided to other parties as requested. Rather than provide an extensive list of financial

statement recipients (a process that would prove onerous for the Debtors), the Debtors offer this Global Note.

10. **SOFA 20(a).** Inventories are not conducted on a point-in-time basis. Since April 2013, as mandated by the terms of the Logistics Services Agreement by and between OHL and Quirky, inventories at all OHL warehouse locations have taken place on a rolling basis under the supervision of OHL employees. Specifically, Quirky's cycle counting program is based on a calendar that is set up to count every item at least once every quarter. Any variances that come up during the counting process are verified by another counter on the inventory team and researched prior to making any adjustment to inventory. In addition to the cycle count calendar, a regular audit to the pick front locations is performed. This inventory process has been the basis of inventory information for audit and tax reports prepared by PricewaterhouseCoopers LLP. Inventories outside of the OHL process are not conducted in the ordinary course of business.
11. **SOFA 21(b).** For purposes of identifying equity holders with greater than 5% equity ownership, the Debtors did not consider any unexercised options, warrants or other rights that might result in future dilution of the stock. Consequently, there may be individuals or entities that hold unexercised stock options or warrants that are not included in the Statements, including Statement 21b.
12. **SOFA 23.** The response to SOFA 23 includes all disbursements included in SOFA 3(c), in addition to certain employee advances.
