On and after the Closing Date, the funds in the Cure Amounts Account shall be used by the Seller for the sole and exclusive purpose of making Cure Amount payments to counter-parties to Assigned Agreements in accordance with Schedule 2.05(a); and

(b) Residual Amount of Payment Amount. With respect to the amount of the Payment Amount that is not paid directly to the Cure Amounts Account in accordance with Section 3.01(a) (the "**Residual Amount**"), the Purchaser shall have the right, but not the obligation, at Closing to pay the amount of any post-petition payable obligation of the Seller directly to the appropriate third party(s), thereby reducing the amount of the Residual Amount required to be paid directly to the Seller at Closing. Correspondingly, the Seller shall have the right at Closing to direct Purchaser to pay a portion of the Residual Amount directly (i) to the Seller's payroll account and/or (ii) to vendors for accrued but unpaid post-petition payables as of Closing Date.

Section 3.02. Adjustment to Purchase Price and Payment Amount. The Purchase Price and Payment Amount, as applicable, shall be subject to adjustment as follows:

(a) Election to Exclude Kinta Ranch Property; Allocation of Consideration. Seller and Purchaser hereby agree that Five Hundred Thousand Dollars (\$500,000.00) of the Payment Amount is deemed to be allocated for the purchase of the Kinta Ranch Property. If, pursuant to the bidding procedures approved under the Bidding Procedures Order, Seller timely receives a separate bid for the Kinta Ranch Property in an amount greater than \$500,000.00, Seller may elect to sell its interest in the surface rights of the Kinta Ranch Property for such higher amount;

provided, however, that any conveyance of such interest in the surface rights of the Kinta Ranch Property to a Person other than the Purchaser shall be subject to (i) a written and recordable surface use agreement and lease granting Purchaser a perpetual cost-free easement for the possession and use of the surface and ingress and egress to the saltwater injection wells on the Kinta Ranch Property, and the perpetual cost-free right to utilize, and to dispose of water, saltwater and other fluids produced incident to the production of oil and gas into, such injection wells, all in accordance with current practices of Seller (the “**Surface Use Agreement-Kinta Ranch**”), and (ii) the Seller’s execution and delivery to Purchaser of a quitclaim deed and assignment, in form and substance acceptable to Purchaser, conveying to Purchaser all of Seller’s right, title and interest in and to all Leases, Wells and other mineral interests located on or otherwise associated with the Kinta Ranch Property, free and clear of all Liens, Claims, encumbrances and interests (the “**Kinta Ranch Mineral Interest Quitclaim Deed**”). Should Seller make such election to sell its interest in the surface rights of the Kinta Ranch Property to a Person other than Purchaser under such terms and conditions, then Seller shall promptly (and by no later than the date of the Sale Hearing) provide written notice to Purchaser of such election, whereupon (i) the Seller’s interest in the surface rights of the Kinta Ranch Property shall be deemed excluded from the Transactions contemplated hereby and constitute an Excluded Asset, (ii) the property interests and rights conveyed to Purchaser under the Surface Use Agreement-Kinta Ranch and Kinta Ranch Mineral Interest Quitclaim Deed shall be deemed included within the Transactions contemplated hereby and constitute Purchased Assets, and (iii) the Payment Amount shall be reduced by \$500,000.00. **Notwithstanding the foregoing, and for the avoidance of doubt, Purchaser shall have no obligation to purchase the Kinta Ranch Property separate and apart from the Purchased Assets, and Purchaser’s obligation to purchase the Kinta Ranch Property is expressly conditioned upon, and subject to, the approval and consummation of Seller’s sale of the Purchased Assets to Purchaser at the Closing.**

(b) Taxes. To the extent (i) any property, excise, severance or other Taxes are assessed or charged against the Purchased Assets or the production therefrom prior to the Closing Date or after the Closing Date and such Taxes were incurred or accrued prior to the Closing Date, and/or (ii) any property or other Taxes are assessed or charged against the Kinta Ranch Property prior to the Closing Date or after the Closing Date and such Taxes were incurred or accrued prior to the Closing Date, then in each case (unless the Kinta Ranch Property is excluded from the Transactions contemplated hereby pursuant to Section 3.02(a), in which case this provision shall only apply to (i) above) Purchaser shall have the right, but not the obligation, to pay and satisfy such Taxes, and in such event and unless paid from the Residual Amount of the Payment Amount in accordance with Section 3.01(b), to (A) deduct from the Purchase Price a dollar for each dollar of the amount paid to satisfy the Taxes, and (B) receive a reimbursement from the Seller for such amount (such reimbursement to the extent possible to come from the Deposit Amount and thereafter from the general funds of Seller’s estate as an administrative expense); *provided, however*, that nothing in this subsection shall relieve Seller of the obligation to pursue approval of the sale of the Purchased Assets and Kinta Ranch Property free and clear of all Liens, Claims, encumbrances and interests.

(c) Post-Petition Payables. Seller shall provide to Purchaser two (2) Business Days prior to the Closing Date a schedule (the “**Post-Petition Amount Schedule**”) listing all post-

petition payables owed by Seller as of the Closing Date. Prior to the Closing, Purchaser shall have the right, but not the obligation, to assume and pay any of such post-petition payables and, unless paid from the Residual Amount of the Payment Amount in accordance with Section 3.01(b), to reduce the Payment Amount a dollar for each dollar of such post-petition payables assumed. Additionally, not later than 45 days after the Closing Date, Purchaser shall have the right, but not the obligation, to assume and pay any additional amount of post-petition payables owed by Seller that was not included on the Post-Petition Amount Schedule and Seller shall reimburse Purchaser for such amount (such reimbursement to extent possible to come from the Deposit Amount and thereafter from the general funds of Seller's estate as an administrative expense). To the extent Seller does not agree with Purchaser's calculation of the additional amount of post-petition payables so paid by Purchaser, then Purchaser and Seller shall work in good faith for a period of thirty (30) days to resolve the dispute. If Seller and Purchaser cannot agree on the amount, the dispute shall be submitted to arbitration in accordance with subsection (g) below.

(d) Liens. To the extent (i) any mechanic's, materialman's or other Lien attaches to any of the Purchased Assets prior to the Closing Date or after the Closing Date and such Lien relates to claims against, or services or goods provided to Seller prior to the Closing Date, and/or (ii) any mechanic's, materialman's or other Lien attaches to the Kinta Ranch Property prior to the Closing Date or after the Closing Date and such Lien related to claims against, or services or goods provided to Seller prior to the Closing Date, then in each case (unless the Kinta Ranch Property is excluded from the Transactions contemplated hereby pursuant to Section 3.02(a), in which case this provision shall only apply to (i) above) Purchaser shall have the right, but not the obligation, to pay and satisfy such Lien, and in such event and unless paid from the Residual Amount of the Payment Amount in accordance with Section 3.01(b), to (A) deduct from the Purchase Price a dollar for each dollar of the amount paid to satisfy the Lien, and (B) receive a reimbursement from the Seller for such amount (such reimbursement to the extent possible to come from the Deposit Amount and thereafter from the general funds of Seller's estate as an administrative expense); *provided, however*, that nothing in this subsection shall relieve Seller of the obligation to pursue approval of the sale of the Purchased Assets and Kinta Ranch Property free and clear of all Liens, Claims, encumbrances and interests.

(e) Adjustments for Failures of Title. If any of the Leases (or any portion of Seller's interests therein) that are included in the Reserve Report cannot be conveyed to Purchaser, then the Purchase Price/Payment Amount shall be reduced by the proportionate amount that the NPV of the unconveyable interest bears to the NPV of total interests contained in the Reserve Report.

(f) Adjustments for Revenues and Expenses. Purchaser and Seller shall further make appropriate adjustments to the Purchase Price so that:

(i) Purchaser will bear expenses that are incurred in the operation of the Purchased Assets after the Closing, including, without limitation, all drilling costs, all capital expenditures, all appropriate overhead charges under applicable operating agreements (regardless of whether such operating agreements are with third parties or related entities and regardless of whether Seller was the operator or a non-operator prior to the Closing), and all other overhead charges incurred after the Closing and charged and due to third parties; and

(ii) Seller will bear all expenses which are incurred in the operation of the Purchased Assets before the Closing Date including, without limitation, all drilling costs, all capital expenditures, all appropriate overhead charges under applicable operating agreements (regardless of whether such operating agreements are with third parties or related entities and regardless of whether Seller was the operator or a non-operator prior to the Closing), and all other overhead charges incurred before the Closing and charged and due to third parties.

(g) Dispute Resolution. The Purchaser and Seller hereby expressly agree to and shall submit any unresolved disputes regarding the amount of the Purchase Price, Consideration, Adjustments to Purchase Price, and Expense Reimbursement, and any unresolved disputes regarding release of the Deposit Amount, to binding arbitration before a mutually agreed upon accounting firm (the "**Neutral Accountant**"), which firm shall, within thirty (30) days of such submission, resolve such remaining disputes. In agreeing upon the Neutral Accountant, each party, on behalf of themselves and their respective Affiliates, shall represent in writing to the other that neither the party nor any of its Affiliates has in the past thirty six (36) months engaged the Neutral Accountant for any purpose. The fees and expenses of the Neutral Accountant shall be shared equally by Purchaser and Seller. Each party shall furnish to the Neutral Accountant such workpapers and other documents and information relating to the disputed issues as the Neutral Accountant may reasonably request and are available to that party, and each party will be afforded the opportunity to present to the Neutral Accountant any material relating to the item in dispute and to discuss the same with the Neutral Accountant. The decision of the Neutral Accountant shall be final and binding on the parties and may be entered in and enforced by any court of competent jurisdiction.

Section 3.03. Allocation of Purchase Price for Tax Purposes. On or before the date that is one hundred twenty (120) days after the Closing Date or as soon thereafter as practicable, the Seller and the Purchaser will agree upon an allocation of the Purchase Price covering the Purchased Assets and the Kinta Ranch Property (unless the Kinta Ranch Property is excluded from the Transactions contemplated hereby pursuant to Section 3.02(a)) for federal, state and local Tax purposes. Upon reaching such agreement, such allocation will be set forth on Schedule 3.03 hereto. The Seller and the Purchaser will implement, report and accept the allocation set forth on Schedule 3.03 for federal, state and local Tax purposes. The parties agree that such allocations will not in any way limit their respective rights and obligations under the Sale Documents in respect of representations, warranties, covenants and agreements and the breach thereof or damages therefor. With respect to the foregoing, and in accordance with Section 3.02(a), the Seller and Purchaser hereby agree that \$500,000.00 of the Purchase Price shall be allocated to the Kinta Ranch Property (unless the Kinta Ranch Property is excluded from the Transactions contemplated hereby pursuant to Section 3.02(a)).

Section 3.04. Deposit.

(a) Making of Deposit. Purchaser shall deposit, within one (1) Business Day after the entry of the Bidding Procedures Order, an amount in cash equal to \$500,000 (the "**Deposit**") (such Deposit, together with all interest earned thereon, being the "**Deposit Amount**") to be held in escrow by the Escrow Agent in an interest bearing account in accordance with the

terms and provisions of this Agreement and that certain escrow agreement among the Escrow Agent, the Seller and Purchaser (the “**Escrow Agreement**”). The fees and expenses of the Escrow Agent shall be paid one half by Seller and one half by Purchaser. The parties agree that the Deposit Amount shall be held in escrow and shall not become, or be considered, part of the bankruptcy estate of the Seller unless and until it is released to the Seller.

(b) Deposit Amount. Purchaser shall be entitled to be indemnified and reimbursed from the Deposit Amount for (i) those amounts it is entitled to be reimbursed pursuant to the provisions set forth in this Agreement, (ii) any and all post petition amounts of Excluded Liabilities that Seller is required to pay pursuant to this Agreement but fails to pay, and (iii) any breach of any representation, warranty or covenant of the Seller set forth in this Agreement.

(c) Release of Deposit. The Deposit Amount shall be distributed by the Escrow Agent as follows:

(i) If the sale of the Purchased Assets and the Kinta Ranch Property (unless the Kinta Ranch Property is excluded from the Transactions contemplated hereby pursuant to Section 3.02(a) above) to Purchaser under the terms and conditions of this Agreement is approved by the Bankruptcy Court, then:

(A) After the Closing and upon agreement, the Purchaser and Seller will deliver to the Escrow Agent a written notice directing the Escrow Agent to either distribute (i) the Deposit Amount to the Seller or (ii) such portion of the Deposit Amount to the Purchaser to the extent necessary to satisfy Seller’s obligations under this Agreement, including but not limited those pursuant to Section 3.02, with the balance, if any, to the Seller; or

(B) If (i) all of the conditions to Closing set forth in Section 4.03 have been satisfied on or prior to the Termination Date, (ii) the Seller shall have duly performed and complied with all obligations under the Sale Documents, and (iii) the Transactions would otherwise have been consummated on or prior to the Termination Date but for the breach by the Purchaser of any of its material obligations under this Agreement (each such breach, a “**Purchaser Breach**”), then the Seller may give written notice of a Purchaser Breach to the Purchaser and the Escrow Agent, and within ten Business Days after receipt of such notice, the Escrow Agent shall (unless the Purchaser shall object to the notice by the Seller within such ten Business Day period) deliver the Deposit Amount to the Seller in accordance with its written instructions; or

(C) If (i) this Agreement shall have been terminated in accordance with the provisions of Section 9.01, or (ii) the Transactions have not been consummated by the Termination Date, then the Purchaser shall give written notice thereof to the Seller and the Escrow Agent, and

within ten Business Days after receipt of such notice the Escrow Agent shall (unless the Seller shall object to the notice by Purchaser within such ten Business Day period) deliver the Deposit Amount to the Purchaser in accordance with its written instructions; or

(D) the Purchaser shall within 120 days from Closing give written notice to the Seller and the Escrow Agent of the amount to be distributed to Purchaser and Seller, as the case may be, and within ten Business Days after receipt of such notice the Escrow Agent shall (unless the Seller shall object to the notice by Purchaser within such ten Business Day period) deliver such portion of the Deposit Amount to the Purchaser or Seller, as the case may be, in accordance with Purchaser's written instructions.

(ii) If either (A) the sale of the Purchased Assets and the Kinta Ranch Property (unless the Kinta Ranch Property is excluded from the Transactions contemplated hereby pursuant to Section 3.02(a)) to Purchaser is not approved by the Bankruptcy Court, or (B) an Auction involving the Purchased Assets takes place, a Person other than the Purchaser is selected as the winning bidder under an Alternative Transaction or Competing Transaction, and the Purchaser is not the back-up bidder to the Alternative Transaction or Competing Transaction, then the Escrow Agent shall deliver the Deposit Amount to the Purchaser on the earlier to occur of (x) the date which is two Business Days after the conclusion of the Sale Hearing and (y) the date which is five Business Days after the Auction. If the Purchaser is the back-up bidder to any Alternative Transaction or Competing Transaction, then the Escrow Agent shall deliver the Deposit Amount to the Purchaser on the earlier of (I) within one Business Day after the closing of such Alternative Transaction or Competing Transaction, and (II) 30 days after conclusion of the Sale Hearing; *provided, however*, that if, prior to 30 days after conclusion of the Sale Hearing and prior to termination of the Agreement in accordance with Section 9.01, the Alternative Transaction or Competing Transaction fails to close and, as authorized by the Sale Order, the Seller provides written notice to Purchaser (as the back-up bidder) of its intention to close on the Transactions with Purchaser under the terms and conditions of this Agreement, then the Deposit Amount shall be distributed in accordance with the provisions of Section 3.04(c)(i).

(d) Sole Remedy. Notwithstanding any provision of this Agreement to the contrary, the Seller hereby agrees that in the event that the Seller is entitled to retain the Deposit Amount pursuant to the provisions of Section 3.04(c)(i)(B) above, the Deposit Amount shall be the Seller's sole remedy for such a Purchaser Breach as liquidated and stipulated damages. Except for so retaining the Deposit Amount as provided above, the Seller shall not have any other claim or remedy relating to the Transactions (or the failure thereof) (whether resulting from breach or otherwise). As acknowledged by the parties, the full extent of the Seller's damages in the event of a Purchaser Breach cannot be accurately anticipated or determined, and the amount of liquidated damages in the amount of the Deposit Amount does not constitute a penalty.

Section 7.04. Disclosure Schedules.

(a) Updating of Disclosure Schedules. The Seller agrees that during the period from the date of the delivery of the Schedules through the earlier to occur of (x) the Closing Date and (y) the date on which this Agreement is terminated in accordance with the provisions of Section 9.01 hereof, the Seller will promptly notify the Purchaser of (i) any and all information, facts, events, circumstances, issues or other matters that existed as of the date of this Agreement that should have been set forth or described in the Schedules required or provided for under this Agreement as of the date of this Agreement, and (ii) any and all information, facts, events, circumstances, issues or other matters arising after the date of this Agreement which, if existing on the date of this Agreement, would have been required to be set forth or described in the Schedules required or provided for under this Agreement as of the date of this Agreement, in each case by delivery of appropriate updates to the Schedules attached to this Agreement setting forth such information, facts, events, circumstances, issues or other matters by no later than the earlier of two Business Days prior to the scheduled Closing Date or two Business Days after becoming aware of such matter (any such updates to the Schedules, or to the Seller's schedules of assets, liabilities and executory contracts or to the Seller's statement of financial affairs as they may file in the Proceedings, being referred to herein as "**Schedule Updates**").

(b) Effect of Schedule Updates. In the event that the Seller delivers any Schedule Updates to the Purchaser in accordance with the provisions of Section 7.04(a) above, then such Schedule Updates shall not be (i) deemed to be attached to this Agreement or become a part of this Agreement, or (ii) given effect for any purposes under this Agreement, unless such Schedule reflects the results of operation in the ordinary course consistent with past practice relating to such Schedule, or such Schedule Updates shall be accepted by the Purchaser in its sole discretion. In the event that the Schedule Updates are accepted by the Purchaser, then upon such acceptance, (i) such Schedule Updates shall be deemed to be attached to this Agreement and become a part of this Agreement, (ii) all references to the Schedules in this Agreement shall refer to the Schedules as updated by such Schedule Updates, and (iii) such Schedule Updates shall be given effect for all purposes under this Agreement, including, without limitation, for determining whether the conditions to Closing set forth in Section 4.03 have been satisfied. In the event Purchaser does not accept any Schedule Update pursuant to this Section 7.04(b), Purchaser shall notify Seller in writing of such non-acceptance within three (3) Business Days after the delivery of such Schedule Update which notification shall be deemed a notice of termination under Section 9.01(c)(iii), subject to any right to cure pursuant thereto.

Section 7.05. Notice. Seller agrees that, within two (2) Business Days after the Bankruptcy Court enters the Bidding Procedures Order, it shall provide (i) a copy of this Agreement along with a copy of the Bidding Procedures Order to each Person who has filed a mortgage, deed of trust, or Uniform Commercial Code financing statement against the Seller, and (ii) notice of the Bidding Procedures Order, of the Seller's intention to assume and assign the Assigned Agreements to Purchaser, and of the Cure Amounts set forth on Schedule 2.05(a) to all relevant parties as required by Federal Rule of Bankruptcy Procedure 6006.

Section 7.06. No Solicitation of Purchase or Sale. The Seller agrees that during the period from (a) the date hereof to the date on which the Bidding Procedures Order is entered and (b) the date on which the Sale Order is entered through the earlier to occur of (i) the Closing Date, and (ii) the date on which this Agreement is terminated in accordance with the provisions of Section 9.01 hereof, the Seller will not, directly or indirectly (A) solicit, initiate, assist or accept any offer, inquiry or proposal for, entertain any offer, inquiry or proposal to enter into, take any other action designed to facilitate or encourage (including by way of furnishing any information), any inquiries or the making of any proposal, in any case, which constitutes an Alternative Transaction or Competing Transaction, (B) provide information to any other Person regarding the Seller, the Purchased Assets, the Kinta Ranch Property, the Business, or the Seller's liabilities (except as required under the Bankruptcy Code or applicable Federal Rules of Bankruptcy Procedure in connection with the Proceedings), (C) provide information to any other Person regarding any potential Alternative Transaction or Competing Transaction, (D) permit any other Person to conduct a due diligence review of the Seller, the Purchased Assets, the Kinta Ranch Property, the Business or the Seller's liabilities (except as required under the Bankruptcy Code or applicable Federal Rules of Bankruptcy Procedure in connection with the Proceedings), (E) initiate, participate in, continue or conduct any discussions or negotiations regarding any Alternative Transaction or Competing Transaction, or (F) enter into any Contract, arrangement, understanding or commitment with respect to any Alternative Transaction or Competing Transaction. It is understood that any breach or violation of the restrictions set forth in this Section by Seller shall be deemed to be a breach of this Agreement by the Seller, **provided, however, that the limitations set forth in this Section 7.06 for the period prior to entry of the Bidding Procedures Order shall only apply with respect to Seller's activities to solicit a "stalking horse" bidder for the Purchased Assets and/or Kinta Ranch Property and not to any other potential bidders for the Purchased Assets or Kinta Ranch Property.**

ARTICLE VIII

Covenants of the Seller and the Purchaser

Section 8.01. Name Change. Seller shall not sell, lease, license or otherwise permit another entity to use any corporate names or trade names that include "Redwine Resources, Inc." or any substantially similar name. Within two Business Days after the Closing, all of the entities comprising the Seller shall change their names, respectively, to ROGP Liquidating Company, LLC; RRI Liquidating Company, Inc.; RR Liquidating Company, LLC; and ROG Liquidating Company, LLC (or substantially similar names).

Section 8.02. Books and Records.

(a) To the extent permitted by law, the Purchaser shall allow the Seller and any of its directors, officers, employees, legal counsel, financial advisors, representatives, accountants and auditors and any party asserting derivative claims or otherwise acting on behalf of the Seller (collectively, "**Seller's Representatives**") access to all business records and files of the Seller or the Business that are transferred to the Purchaser in connection herewith, that are reasonably required by a Seller's Representative in the administration of the Proceedings or in anticipation of, or preparation for, any existing or future legal proceeding involving Seller, tax return preparation, litigation, or Excluded Liabilities, during regular business hours and upon reasonable notice at the Purchaser's principal place of business or at any location where such records are stored, and the Seller's Representatives shall have the right to make copies of any such records and files; provided, however, that any such access or copying should be had or done in such manner so as not to interfere with the normal conduct of the Purchaser's business or operations. Notwithstanding anything herein to the contrary, Purchaser's obligation under this Section 8.02(a) shall survive beyond the Closing Date until the sooner of (i) the six-month anniversary of the Closing Date or (ii) Seller notifies Purchaser in writing that Seller no longer require Purchaser's services required under this Section 8.2(a).

(b) Employee Records. To the extent permitted by law, on the Closing Date or as soon as practicable thereafter, Seller shall deliver to Purchaser a copy of all historical personnel and medical records of each of the Newly Hired Employees, including but not limited to, INS Forms I-9, confidentiality agreements and non-competition agreements; provided, however, that Seller shall provide Purchaser access to the original of any document contained in any such employee files if Purchaser has a reasonable business need therefore.

(c) Seller Access. Notwithstanding anything herein to the contrary, Seller may retain any books and records of the Seller for so long as or to the extent required by Seller to prepare tax returns or related financial statements; provided, however, that, subject to applicable law, Seller shall grant Purchaser access to such books and records and upon reasonable request of Purchaser, Seller shall provide copies to Purchaser.

Section 8.03. Insurance. Seller shall maintain in full force and effect for the remainder of their existing term all existing policies of insurance covering property, casualty, environmental and liability and related risks (the "**Liability Insurance Policies**"). Seller agrees to notify the insurers providing coverage under the Liability Insurance Policies in writing promptly upon becoming aware of any Claim or potential Claim that is or may be covered by such insurance, including notifying all insurers providing "claims made" coverage prior to the last date for which claims may be made under such policies.

Section 8.04. Notice. On or within two (2) Business Days after entry of the Bidding Procedures Order, Seller shall provide notice of the Bidding Procedures Order, this Agreement and the motion relating to the Sale Order to (i) all creditors of Seller, (ii) all parties that have filed a notice of appearance and/or a request for the service of notices, pleadings, papers or other documents in the Proceedings, and (iii) all counsel of record on any known or threatened

litigation against Seller, including but not limited to counsel involved in any litigation listed on Schedule 5.06.

ARTICLE IX

Termination and Expenses

Section 9.01. Termination. The obligations of the parties to consummate the Transactions under the Sale Documents may be terminated at any time prior to the Closing by:

- (a) the mutual written consent of the Seller and the Purchaser;
- (b) the Seller if (i) the Closing shall not have occurred on or prior to the Termination Date, unless such failure to consummate the Transactions is the result of a material breach of any Sale Document by Seller, or (ii) if the Purchaser shall have breached in any material respect any of its representations, warranties, covenants or other agreements contained in the Sale Documents;
- (c) the Purchaser, if (i) the Closing shall not have occurred on or prior to the Termination Date, unless such failure to consummate the Transactions is the result of a material breach of any Sale Document by the Purchaser, or (ii) if Seller shall have breached in any material respect any of its representations, warranties, covenants or other agreements contained in the Sale Documents, or (iii) there has been a Material Adverse Effect;
- (d) the Purchaser or Seller if (i) any Law shall have been enacted, adopted, issued or promulgated which prohibits the Transactions, or (ii) any Governmental Body shall have issued an order, decree or ruling or taken any other action, which permanently restrains, enjoins or otherwise prohibits the Transactions, and such order, decree, ruling or other action shall have become a Final Order;
- (e) the Purchaser if the Sale Order approving the Transactions with the Purchaser, in form and substance satisfactory to the Purchaser, without modification, is not entered by the Bankruptcy Court on or prior to 5:00 p.m. New York City Time on August 4, 2010, or the Sale Order is subject to a stay, temporary restraining order or injunction as of 5:00 p.m. New York City time on August 19, 2010;
- (f) the Purchaser, if Seller (or any trustee appointed in the Proceedings) shall (i) reject or file a motion to reject any of the Sale Documents in connection with the Proceedings, (ii) convert or attempt to convert any of the Proceedings to a Chapter 7 proceeding or other liquidation proceeding, or (iii) file a plan of reorganization that excludes, prohibits or does not provide for the consummation of the Transactions with the Purchaser;
- (g) the Purchaser, if (i) (A) the Purchaser is not selected as the winning bidder or the second highest bidder in any Auction of the Purchased Assets and (B) five Business Days have elapsed since the Auction, or (ii) the Seller consummates an Alternative Transaction or Competing Transaction;

(h) the Purchaser, if the Bidding Procedures Order is not entered by the Bankruptcy Court on or prior to 5:00 p.m. New York City Time on June 18, 2010 or the Bidding Procedures Order is subject to a stay, temporary restraining order or injunction as of 5:00 p.m. New York City Time on July 5, 2010; or

(i) the Purchaser if the Bankruptcy Court disapproves or materially modifies the amount of the Termination Fee, the amount of the Expense Reimbursement, or the terms and conditions under which the Termination Fee and the Expense Reimbursement are due and payable to Purchaser in accordance with this Agreement or the form of Bidding Procedures Order attached hereto.

Any such termination shall be in writing delivered to the other parties hereto in accordance with the provisions of Section 10.01 hereof.

Section 9.02. Effect of Termination. In the event of a termination of this Agreement under Section 9.01, this Agreement will become void and of no further force or effect, except for the provisions of (a) Section 9.03 relating to the payment of fees and expenses, (b) this Section 9.02, (c) Section 3.04(b)-(d) relating to disbursement of the Deposit Amount, and (d) Section 3.02(g) relating to the resolution of certain disputes. Notwithstanding any provision of the Sale Documents to the contrary, except as otherwise provided in Sections 3.04(d) and 9.03(e) of this Agreement, neither the termination of this Agreement, nor anything contained in this Section 9.02, will be deemed to release any party from any liability due to, or prevent the other party from exercising its rights and remedies under the Sale Documents with respect to, the breach by any such party of the covenants or agreements of such party in the Sale Documents, in each case, prior to the date of such termination, provided, however, that such right to terminate shall be Purchaser's sole and exclusive remedy for any breach of representation or warranty by Seller prior to the Closing.

Section 9.03. Fees and Expenses.

(a) Payment of Fees and Expenses. Subject to clauses (c) and (d) below, each of the parties hereto will be responsible for and pay its own legal, accounting, engineering, environmental, survey and title charges and other fees and expenses, including, without limitation, reasonable attorneys' and accountants' fees and expenses and the fees and expenses of financial consultants, investment bankers, lenders and environmental consultants, incurred in connection with the Transactions, including, without limitation, the due diligence review, and the negotiation, preparation and execution of the Sale Documents (collectively, all such fees and expenses being the "**Fees and Expenses**").

(b) Transaction Fees and Taxes. The Seller will be responsible for and will duly and timely pay any and all (i) filing fees, including, without limitation, recording charges, registration costs and expenses, and (ii) Taxes, including, without limitation, stock transfer Taxes, sales and use Taxes and real property gains Taxes, in each case, directly or indirectly attributable to the Transactions. Except as otherwise required by applicable Law, the Seller will be responsible for filing any Tax Returns with respect to Taxes payable by Seller and complying with any procedures required in connection with all Taxes resulting from the

Transactions, other than those Taxes that are Assumed Liabilities as set forth in Section 2.03(d).

(c) Expense Reimbursement. In the event that the Transactions are not consummated on or prior to the Termination Date for any reason other than as a result of a material breach of this Agreement by the Purchaser, then in addition to the return of the Deposit Amount to the Purchaser as provided in Section 3.04, Purchaser shall recover the full amount of the Expense Reimbursement from Seller, and the Seller hereby agrees, and shall not object, to the payment of such amount to the Purchaser. In determining the amount of the Expense Reimbursement, Purchaser shall provide to Seller such invoices and other information, subject to the preservation of Purchaser's privileges, that adequately document and itemize the amount of the Expense Reimbursement. In the absence of the Seller's delivery to Purchaser of a written objection to the amount of the Expense Reimbursement within three (3) Business Days of Purchaser's provision of such invoices and other information (the "**Expense Objection Deadline**"), detailing the amount and nature of all objectionable items, the amount of the Expense Reimbursement submitted by the Purchaser shall be deemed approved. In the event of Seller's delivery of a written objection to Purchaser on or prior to the Expense Objection Deadline, Purchaser and Seller shall, in good faith, attempt to promptly resolve the areas of objection, but if such disputes cannot amicably and promptly be resolved, then the dispute shall be submitted to arbitration in accordance with the provisions of Section 3.02(g) of this Agreement; *provided, however*, that all non-objectionable amounts shall be promptly reimbursed to Purchaser in accordance with the provisions set forth below. The Expense Reimbursement shall be paid to Purchaser as follows: (i) in the event of a termination of this Agreement pursuant to Section 9.01(g) as a result of the selection of a bidder(s) other than the Purchaser at the Auction, then Purchaser shall have the right upon and subject to the consummation of the Alternative Transaction or Competing Transaction to recover the Expense Reimbursement directly from the escrow account holding the bid deposit made by the selected bidder(s); *provided, however*, that if and to the extent such payment is not made from such escrow account, for any reason whatsoever, such payment shall be made in accordance with Section 9.03(c)(ii) below; or (ii) in the event of a termination for any other reason (other than a material breach of this Agreement by Purchaser), or in the event the Expense Reimbursement, in whole or in part, is not paid to Purchaser in accordance with Section 9.03(c)(i) above, then within three (3) Business Days of the Expense Objection Deadline (or, only with respect to those amounts, if any, that are timely objected to by Seller, the date on which any such disputes are resolved in accordance with the procedures set forth above), Seller shall pay to the Purchaser an amount in cash equal to the Expense Reimbursement by wire transfer of immediately available funds. The Seller acknowledges and agrees that the Expense Reimbursement constitutes an allowed claim in the Proceedings under Section 503(b) of the Bankruptcy Code.

(d) Termination Fee. In the event either (i) this Agreement is terminated pursuant to Section 9.01(g) or (ii) both (A) the Transactions are not consummated on or prior to the Termination Date for any reason other than as a result of a material breach of this Agreement by the Purchaser, and (B) within twelve months after the date of termination of this Agreement the Seller shall consummate an Alternative Transaction or Competing Transaction with a third party (the "**Third Party Acquiror**") at a sale price equal to or in excess of the Purchase Price

(whether or not such Alternative Transaction or Competing Transaction was proposed, contemplated or announced before or after the date of termination of this Agreement), then, in addition to the return of the Deposit Amount to the Purchaser as provided in Section 3.04, Purchaser shall recover the full amount of the Termination Fee from Seller, and the Seller agrees, and shall not object, to the payment of such amount to the Purchaser. The Termination Fee shall be paid to Purchaser as follows: (I) in the event of a termination of this Agreement pursuant to Section 9.01(g) as a result of the selection of a bidder(s) other than the Purchaser at the Auction, then Purchaser shall have the right upon and subject to the consummation of the Alternative Transaction or Competing Transaction to recover the Termination Fee directly from the escrow account holding the bid deposit made by the selected bidder(s); *provided, however*, that if and to the extent such payment is not made from such escrow account, for any reason whatsoever, such payment shall be made in accordance with Section 9.03(d)(III) below; or (II) in the event of the consummation of a transaction with a Third Party Acquiror as described in Section 9.03(d)(ii) above, then the Seller shall require the Third Party Acquiror, as part of the Alternative Transaction or Competing Transaction, to pay to the Purchaser an amount in cash equal to the Termination Fee by wire transfer of immediately available funds on the date of consummation of such transaction; *provided, however*, that if and to the extent such payment is not made by the Third Party Acquiror, for any reason whatsoever, such payment shall be made in accordance with Section 9.03(d)(III) below; or (III) if and to the extent the Termination Fee is not paid in accordance with Section 9.03(d)(I) or (d)(II) above, then within three (3) Business Days of the closing of such Alternative Transaction or Competing Transaction, Seller shall pay to the Purchaser an amount in cash equal to the Termination Fee by wire transfer of immediately available funds. The Seller acknowledges and agrees that the Termination Fee constitutes an allowed claim in the Proceedings under Section 503(b) of the Bankruptcy Code.

(e) Acknowledgement. The parties acknowledge and agree that (i) payment of the Expense Reimbursement and Termination Fee shall constitute liquidated and stipulated damages, (ii) the full extent of the Purchaser's damages in the event the Transactions are not consummated cannot be accurately anticipated or determined, (iii) the amount of liquidated damages represented by the Expense Reimbursement and Termination Fee does not constitute a penalty, (iv) the agreements contained in this Section 9.03 are an integral part of the transactions contemplated by this Agreement and that, without these agreements, the Purchaser would not enter into this Agreement, and (v) the Expense Reimbursement and Termination Fee shall be the Purchaser's sole remedy under the Sale Documents for the termination of this Agreement pursuant to Article IX.

ARTICLE X

Miscellaneous

Section 10.01. Notices. All notices, requests, demands and other communications to any party or given under any Sale Document will be in writing and delivered personally, by overnight delivery or courier, by registered mail or by telecopier (with confirmation received) to the parties at the address or telecopy number specified for such parties on the signature pages hereto (or at such other address or telecopy number as may be specified by a party in writing

given at least five Business Days prior thereto). All notices, requests, demands and other communications will be deemed delivered when actually received.

Section 10.02. Counterparts. This Agreement may be executed in one or more counterparts, and by different parties hereto in separate counterparts, each of which when executed will be deemed an original, but all of which taken together will constitute one and the same instrument.

Section 10.03. Amendment of Agreement. This Agreement may not be amended, modified or waived except by an instrument in writing signed on behalf of each of the parties hereto.

Section 10.04. Successors and Assigns; Assignability. This Agreement will be binding upon and inure to the benefit of and is enforceable by the respective successors and permitted assigns of the parties hereto. This Agreement may not be assigned by any party hereto without the prior written consent of all other parties hereto, except for the assignment of all or any part of the rights and obligations of the Purchaser under this Agreement, which may be freely assigned by the Purchaser to an Affiliate of the Purchaser either prior to or after the Closing Date. Any assignment or attempted assignment in contravention of this Section will be void ab initio and will not relieve the assigning party of any obligation under this Agreement

Section 10.05. Governing Law. This Agreement will be governed by, and construed in accordance with, the laws of the state of Texas applicable to contracts executed in and to be performed entirely within that state, without reference to conflicts of laws provisions.

Section 10.06. Integration. The Sale Documents contain and constitute the entire agreement of the parties with respect to the subject matter hereof and supersede all prior negotiations, agreements and understandings, whether written or oral, of the parties hereto.

Section 10.07. Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule of Law, or public policy, all other conditions and provisions of this Agreement will nevertheless remain in full force and effect. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto will negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner to the end that the transactions contemplated hereby are fulfilled to the extent possible.

Section 10.08. Further Assurances. Promptly upon the reasonable request by the Purchaser, the Seller (with the expenses paid by the party responsible as provided in this Agreement) shall (a) correct any defect or error that may be discovered in any Sale Document or in the execution, delivery, acknowledgment or recordation of any Sale Document and (b) execute, acknowledge, deliver, record, file and register, any and all such further acts, deeds, conveyances, pledge agreements, mortgages, deeds of trust, trust deeds, assignments, estoppel certificates, financing statements and continuations, notices of assignment, transfers, certificates, assurances and other instruments, in each case, as Purchaser may require from time to time.

Section 10.09. No Third-Party Rights. This Agreement is not intended, and will not be construed, to create any rights in any parties other than the Seller and the Purchaser, and no Person may assert any rights as third-party beneficiary hereunder, including, without limitation, the directors, officers and employees of the Seller, or any labor organization, if any, representing Seller's employees, except that any rights, obligations or remedies of the Purchaser hereunder may be exercised by an Affiliate of the Purchaser as provided in Section 10.04.

Section 10.10. Enforcement. Each of the Seller and Purchaser hereby acknowledges and agrees that the provisions of this Agreement are of a special and unique nature, the loss of which cannot be accurately compensated for in damages by an action at law, and that the breach or threatened breach of the provisions of this Agreement would cause the Purchaser or Seller as the case may be, irreparable harm and that money damages would not be an adequate remedy (except as otherwise provided herein) for any breach or threatened breach of the provisions of this Agreement by the Seller or Purchaser as the case may be. Therefore, the parties hereto agree that the Purchaser or Seller, as the case may be, shall be entitled to equitable relief, including, without limitation, an injunction or injunctions (without the requirement of posting a bond or other security or any similar requirement or proving actual damages) to prevent breaches or threatened breaches of this Agreement by the Seller or the Purchaser as the case may be and to specifically enforce the terms and provisions of this Agreement, this being in addition to any other remedy to which the Purchaser or Seller, as the case may be, is or may be entitled at law or in equity.

Section 10.11. Submission to Jurisdiction. Each of the Seller and the Purchaser hereby (a) agrees that any Action with respect to any Sale Document may be brought in the Bankruptcy Court, (b) accepts for itself and in respect of its property, generally and unconditionally, the jurisdiction of such court, (c) irrevocably waives any objection, including, without limitation, any objection to the laying of venue or based on the grounds of forum non conveniens, which it may now or hereafter have to the bringing of any Action in such jurisdiction, and (d) irrevocably consents to the service of process of any of the courts referred to above in any Action by the mailing of copies of the process to the parties hereto as provided in Section 10.01. Service effected as provided in this manner will become effective ten calendar days after the mailing of the process.

Section 10.12. WAIVER OF JURY TRIAL. EACH OF THE SELLER AND THE PURCHASER HEREBY WAIVES ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION TO ENFORCE OR DEFEND ANY RIGHT UNDER ANY SALE DOCUMENT OR ANY AMENDMENT, INSTRUMENT, DOCUMENT OR AGREEMENT DELIVERED OR TO BE DELIVERED IN CONNECTION WITH ANY SALE DOCUMENT AND AGREES THAT ANY ACTION WILL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY.

Section 10.13. No Waiver; Remedies. No failure or delay by any party in exercising any right, power or privilege under this Agreement will operate as a waiver of the right, power or privilege. A single or partial exercise of any right, power or privilege will not preclude any other or further exercise of the right, power or privilege or the exercise of any other right, power or privilege. The rights and remedies provided in the Sale Documents will be cumulative and not exclusive of any rights or remedies provided by law.

Section 10.14. Interpretation. As used in this Agreement, references to the singular will include the plural and vice versa and references to the masculine gender will include the feminine and neuter genders and vice versa, as appropriate. Unless otherwise expressly provided in this Agreement (a) the words “hereof”, “herein” and “hereunder” and words of similar import when used in this Agreement will refer to this Agreement as a whole and not to any particular provision of this Agreement and (b) article, section, subsection, schedule and exhibit references are references with respect to this Agreement unless otherwise specified. Unless the context otherwise requires, the term “including” will mean “including, without limitation.” The headings in this Agreement and in the Schedules are included for convenience of reference only and will not affect in any way the meaning or interpretation of this Agreement.

Section 10.15. Ambiguities. This Agreement was negotiated between legal counsel for the parties and any ambiguity in this Agreement shall not be construed against the party who drafted this Agreement.

Section 10.16. Incorporation of Schedules and Exhibits. The Schedules and Exhibits hereto are incorporated into this Agreement and will be deemed a part hereof as if set forth herein in full. References to “this Agreement” and the words “herein”, “hereof” and words of similar import refer to this Agreement (including the Schedules and Exhibits) as an entirety. In the event of any conflict between the provisions of this Agreement and any Schedule or Exhibit, the provisions of this Agreement will control. Capitalized terms used in the Schedules have the meanings assigned to them in this Agreement. The Section references referred to in the Schedules are to Sections of this Agreement, unless otherwise expressly indicated.

Section 10.17. No Survival of Representations and Warranties. The parties hereto agree that, except for representations regarding title to the Purchased Assets and the Kinta Ranch Property, the representations and warranties contained in this Agreement and in any certificate delivered pursuant hereto by any Person shall not survive the Closing Date hereunder and none of the parties shall have any liability to each other after the Closing Date for any breach thereof. The parties hereto agree that the covenants contained in this Agreement to be performed at or after the Closing Date shall survive the Closing Date hereunder.
