Chapter 11

Case No. 15-10534 (HJB)

**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY,
AND DISCLAIMERS REGARDING DEBTOR'S SCHEDULES OF
ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

Reed and Barton Corporation ("Reed and Barton" or the "Debtor") submits its Schedules of Assets and Liabilities (the "Schedules") and Statements of Financial Affairs (the "Statements") and, together with the Schedules, the "Schedules and Statements") pursuant to section 521 of the Bankruptcy Code (as defined below) and Rule 1007 of the Federal Rules of Bankruptcy Procedure.

On February 17, 2015 (the "Petition Date"), the Debtor commenced its chapter 11 case by filing a voluntary petition for relief under chapter 11 of title 11 of the United States Code (the "Bankruptcy Code") with the United States Bankruptcy Court for the District of Massachusetts (the "Bankruptcy Court"). The Debtor is authorized to operate its business as debtor-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

The Schedules and Statements were prepared by the Debtor's management and are unaudited. While those members of management responsible for the preparation of the Schedules and Statements have made a reasonable effort to ensure that the Schedules and Statements are accurate and complete based on information known to them at the time of preparation after reasonable inquiries, inadvertent errors or omissions may exist and/or the subsequent receipt of information may result in material changes in financial and other data contained in the Schedules and Statements. Accordingly, the Debtor reserves its right to amend and/or supplement its Schedules and Statements from time to time as may be necessary or appropriate and it will do so as information becomes available.

These Global Notes and Statement of Limitations, Methodology and Disclaimers Regarding Debtor's Schedules of Assets and Liabilities and Statements of Financial Affairs (the "Global Notes") are incorporated by reference in, and comprise an integral part of, the Schedules and Statements, and should be referred to and reviewed in connection with any review of the Schedules and Statements.

In the event that the Schedules and Statements differ from the Global Notes, the Global

Notes shall control.

General Comments

Reservation of Rights. The Debtor reserves the right to dispute, or to assert setoff or other defenses to, any claim reflected in the Schedules and Statements as to amount, liability and classification. The Debtor also reserves all rights with respect to the values, amounts, and characterizations of the assets and liabilities listed in its Schedules and Statements.

Basis of Presentation. These Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles (“GAAP”), nor are they intended to reconcile to the financial statements previously distributed to lenders, major creditors or various equity holders on an intermittent basis.

The Schedules and Statements have been signed by Timothy K. Riddle, President and Chief Executive Officer of Reed and Barton Corporation. In reviewing and signing the Schedules and Statements, Mr. Riddle has necessarily relied upon the efforts, statements and representations of the accounting and non-accounting personnel located at the Debtor’s offices who report to, or work with, Mr. Riddle, either directly or indirectly. Mr. Riddle has not, and could not have, personally verified the accuracy of each such statement and representation, including statements and representations concerning amounts owed to creditors.

Date of Valuations. Except as otherwise noted in the Schedules and Statements, all liabilities are valued as of the Petition Date and all assets as of the Petition Date. The Schedules and Statements reflect the Debtor’s best effort to allocate the assets, liabilities, receipts and expenses “as of” such dates. All values are stated in United States currency. In some instances, the Debtor has used estimates or pro-rated amounts where actual data as of the aforementioned dates was not available. The Debtor has made a reasonable effort to allocate liabilities between the pre- and post-petition periods based on the information and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the Debtor may modify the allocation of liabilities between the pre- and post-petition periods and amend the Schedules and Statements accordingly.

Book Value. Except as otherwise noted, each asset and liability of the Debtor is shown on the basis of net book value of the asset or liability in accordance with the Debtor’s accounting books and records as of the Petition Date. Therefore, unless otherwise noted, the Schedules are not based upon any estimate of the current market values of the Debtor’s assets and liabilities, which may not correspond to book values. The Debtor has not recently procured appraisals of its assets and submits that the pending sale price will determine fair market value. Except as otherwise noted, the Debtor’s assets are largely presented, in detail, as they appear on the Debtor’s accounting sub-ledgers.

Property and Equipment – Owned. Owned property and equipment are recorded at cost, net depreciation using straight-line methods.

Causes of Action. The Debtor has made its best efforts to set forth known causes of action against third parties as assets in its Schedules and Statements. The Debtor reserves all of its

rights with respect to causes of action it may have, whether disclosed or not disclosed, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such causes of action.

Litigation. The Debtor has made reasonable efforts to accurately record certain litigation actions (the “Litigation Actions”) against the Debtor in the Schedules and Statements. The inclusion of any Litigation Action in these Schedules and Statements does not constitute an admission by the Debtor of liability, the validity of any Litigation Action or the amount of any potential claim that may result from any claims with respect to any Litigation Action and the amount and treatment of any potential claim resulting from any Litigation Action currently pending or that may arise in the future.

Application of Vendor Credits. In the ordinary course of its business, the Debtor’s vendors apply credits against amounts otherwise due to the Debtor, per agreement and custom. These credits arise because, among other matters, (i) materials ordered and paid for may not be delivered, (ii) materials delivered may be damaged or unusable and (iii) vendors require volume rebates and cash discounts. The claims listed on Schedule F are listed at the amounts entered on the Debtor’s books and records, which may or may not reflect credits or allowances due from such creditors to the Debtor. The Debtor reserves all of its rights respecting such credits and allowances.

Application of Customer Credits. In the ordinary course of its business, the Debtor maintains a number of customer programs. Therefore, the Debtor applies credits due pursuant to such programs against amounts due by customers, and the amounts reported on the Schedules and Statements are net of such customer credits.

Claims. Certain of the Debtor’s Schedules list creditors and set forth the Debtor’s estimate of the claims of creditors as of the Petition Date. The claim amounts reflected on the Schedules may include the Debtor’s estimates for vendor charges not yet invoiced. By estimating certain invoices, the Debtor is not representing that it has sought to identify and estimate all uninvoiced vendor charges. To the extent that a claim of a particular vendor is an aggregate of multiple invoices, the Debtor has reflected the claim with a date of “various.”

The Debtor intentionally has not included “non-cash” accruals, *i.e.* accruals to recognize expense or liability over multiple periods where no specific obligation to perform is established, such as accruals to equalize lease payments, in the Schedules and Statements.

Any failure to designate a claim listed on the Debtor’s Schedule as “disputed,” “contingent,” “or “unliquidated” does not constitute an admission by the Debtor that the claim is not “disputed,” “contingent,” or “unliquidated.” The Debtor reserves the right to (i) object to or otherwise dispute or assert setoff rights, cross-claims, counterclaims or defenses to, any claim reflected on the Schedules as to amount, liability or classification or (ii) otherwise to designate subsequently any claim as “disputed,” “contingent” or “unliquidated.”

Employee Claims. The Bankruptcy Court entered an order granting authority to, but not requiring, the Debtor to pay prepetition employee wages, salaries, benefits and other related obligations. The Debtor currently expects that most prepetition employee claims for wages,

salaries, benefits and other related obligations either have been paid or will be paid in the ordinary course of business and while the Schedules and Statements do include such claims in a lump sum basis, the claims have been or will be satisfied, and later expunged. Notwithstanding the foregoing, the Debtor reserves its rights to (i) evaluate whether to modify or terminate any employee plan or program and (ii) modify or terminate, with respect to discretionary obligations, or seek to modify or terminate any such plans or programs. In the event that any employee plans or programs are modified or terminated, or sought to be modified or terminated, affected employees would receive by mail notice thereof, thereby allowing any such affected party to assert claims against the Debtor arising therefrom.

SCHEDULES

Schedule B -- Personal Property

Item 9 – Interests in Insurance Policies. The Debtor maintains certain insurance policies essential to its continued operations, including, but not limited to, property, casualty, motor vehicle and general liability, and director and officer insurance policies. The terms of the policies are similar to insurance policies typically maintained by corporate entities that are similar in size and nature to the Debtor.

Item 16 – Accounts Receivable. Because the detailed trade accounts receivable are reflective of the Debtor's proprietary customer lists, trade accounts receivable are reported in the aggregate only. Furthermore, the accounts receivable are reported net of purchase discounts earned by certain customers. The Debtor reserves all of its rights with respect to such credits and allowances.

Item 22 – Patents, Copyrights, and Other Intellectual Property. The Debtor has made its best efforts to identify and list all patents, copyrights and other intellectual property. As of the Petition Date, these assets were reflected in the Debtor's ledger with zero dollar values, and on these schedules with "undetermined" as the value.

Item 23 – Licenses, franchises, and other general intangibles. Same as Item 22 above.

Item 30 – Inventory. Inventories are valued at the lower of cost or market value. The cost of most inventories generally is determined using the first-in, first-out method.

Schedule E -- Creditors Holding Unsecured Priority Claims

Certain of the claims of state and local taxing authorities set forth in Schedule E, which the Debtor has designated as contingent, disputed and unliquidated, ultimately may be deemed to be secured claims pursuant to state or local laws.

Certain of the claims owing to various taxing authorities to which the Debtor may be liable may be subject to ongoing audits. The Debtor reserves its right to dispute or challenge whether claims owing to various taxing authorities are entitled to priority, and the listing of any claim on Schedule E does not constitute an admission that such claim is entitled to priority treatment pursuant to section 507 of the Bankruptcy Code.

Schedule G -- Executory Contracts and Unexpired Leases

The Debtor hereby reserves all of its rights to (i) dispute the validity, status or enforceability of any contracts, agreements or leases set forth in Schedule G and (ii) amend or supplement such Schedule as necessary. Furthermore, the Debtor reserves all of its rights, claims, and causes of action with respect to the contracts and agreements listed on these Schedules, including the right to dispute or challenge the characterization or the structure of any transaction, document or instrument. The presence of a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract of unexpired lease.

The contracts, agreements and leases listed on Schedule G may have expired or may have been modified, amended or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letter and other documents, instruments and agreements that may not be listed therein. Certain of the real property leases listed on Schedule G may contain renewal options, guarantees of payments, options to purchase, rights of first refusal, rights to lease additional space and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth on Schedule G. Certain of the executory agreements may not have been memorialized and could be subject to dispute. Executory agreements that are oral in nature have been scheduled to the best of the Debtor's knowledge. Because most of the Debtor's purchase orders are short term and have been or will soon be fully performed, Schedule G does not include purchase orders in existence as of the Petition Date. Additionally, the Debtor may be party to various other agreements concerning real property, such as easements, rights of way, subordination, non-disturbance, supplemental agreements, amendments/letter agreements, title documents, consents, site plans, maps and other miscellaneous agreements. Such agreements, if any, are not set forth in Schedule G. Certain of the agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financings.

SCHEDULE E - CREDITORS HOLDING UNSECURED PRIORITY CLAIMS

A complete list of claims entitled to priority, listed separately by type of priority, is to be set forth on the sheets provided. Only holders of unsecured claims entitled to priority should be listed in this schedule. In the boxes provided on the attached sheets, state the name, mailing address, including zip code, and last four digits of the account number, if any, of all entities holding priority claims against the debtor or the property of the debtor, as of the date of the filing of the petition. Use a separate continuation sheet for each type of priority and label each with the type of priority.

The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. §112 and Fed. R. Bankr. P. 1007(m).

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H-Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community." If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of claims listed on each sheet in the box labeled "Subtotals" on each sheet. Report the total of all claims listed on this Schedule E in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules.

Report the total of amounts entitled to priority listed on each sheet in the box labeled "Subtotals" on each sheet. Report the total of all amounts entitled to priority listed on this Schedule E in the box labeled "Totals" on the last sheet of the completed schedule. Individual debtors with primarily consumer debts report this total also on the Statistical Summary of Certain Liabilities and Related Data.

Report the total of amounts not entitled to priority listed on each sheet in the box labeled "Subtotals" on each sheet. Report the total of all amounts not entitled to priority listed on this Schedule E in the box labeled "Totals" on the last sheet of the completed schedule. Individual debtors with primarily consumer debts report this total also on the Statistical Summary of Certain Liabilities and Related Data.

Check this box if debtor has no creditors holding unsecured priority claims to report on this Schedule E.

SCHEDULE F - CREDITORS HOLDING UNSECURED NONPRIORITY CLAIMS

State the name, mailing address, including zip code, and last four digits of any account number, of all entities holding unsecured claims without priority against the debtor or the property of the debtor, as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. §112 and Fed. R. Bankr. P. 1007(m). Do not include claims listed in Schedules D and E. If all creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H - Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of all claims listed on this schedule in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report this total also on the Statistical Summary of Certain Liabilities and Related Data.

Check this box if debtor has no creditors holding unsecured claims to report on this Schedule F.
