The Market Value shall be deemed to be zero with respect to each Mortgage Loan for which such valuation is not provided within thirty (30) days after the Valuation Agent's or Administrative Agent's request therefor. Without limiting the foregoing, the Market Value shall be deemed to be zero with respect to each Mortgage Loan:

(a) in respect of which there is a material breach of a representation or warranty set forth on Schedule 4.39 (assuming each representation and warranty is made as of the date Market Value with respect to such Mortgage Loan is determined);

(g) in respect of which such Mortgage Loan is a second lien Mortgage Loan or HELOC and such Mortgage Loan is Delinquent; or

Unless Administrative Agent shall have been notified by any Lender prior to the applicable Credit Date that such Lender does not intend to make available to Administrative Agent the amount of such Lender's Loan requested on such Credit Date, Administrative Agent may assume that such Lender has made such amount available to Administrative Agent on such Credit Date and Administrative Agent may, in its sole discretion, but shall not be obligated to, make available to Borrowers a corresponding amount on such Credit Date. If such corresponding amount is not in fact made available to Administrative Agent by such Lender, Administrative Agent shall be entitled to recover such corresponding amount on demand from such Lender together with interest thereon, for each day from such Credit Date until the date such amount is paid to Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by Administrative Agent in accordance with banking industry rules on interbank compensation. If such Lender does not pay such corresponding amount forthwith upon Administrative Agent's demand therefor, Administrative Agent shall promptly notify Borrowers and Borrowers shall immediately pay such corresponding amount to Administrative Agent together with interest thereon, for each day from such Credit Date until the date such amount is paid to Administrative Agent, at the rate payable hereunder for ABR Loans. Nothing in this Section 2.05(b) shall be deemed to relieve any Lender from its obligation to fulfill its Commitments hereunder or to prejudice any rights that Borrower may have against any Lender as a result of any default by such Lender hereunder.

Section 2.06 Use of Proceeds. The proceeds of the Loans will be used, in each case in accordance with the Approved DIP Budget, (a) on the Closing Date, to repay in full the indebtedness outstanding as of the commencement of the Cases under the Prepetition Refinanced Facilities and to pay the fees, costs and expenses incurred or payable by ResCap and its Subsidiaries in connection with the Credit Documents and the Transactions and (b) for general corporate purposes of ResCap and its Subsidiaries, including the acquisition of Receivables and Mortgage Loans, working capital, allowed administrative expenses incurred during the Cases or such expenses as have otherwise been approved by the Bankruptcy Court and for the purposes

set forth in the Orders, in each case as otherwise permitted by this Agreement, following commencement of the Cases. The proceeds of the Credit Facilities may not be used in connection with the investigation, initiation or prosecution of any claims against any Agent or any Lender or other holder of Obligations under the Credit Documents or against any noteholder, agent, trustee or other holder of obligations under the Prepetition GSAP Facility and/or the Credit Facilities; provided that, without duplication of the limitations on the use of the Carve Out, up to \$100,000 in the aggregate of such proceeds may be used to pay allowed fees and expenses of professionals to any Committee to investigate (but not initiate or prosecute any claims with respect to) the Liens granted pursuant to the Prepetition GSAP Facility or the Prepetition Ally Repo. No portion of the proceeds of any Credit Extension shall be used (x) to make any Prepetition Payment (except as would not constitute an Event of Default under Section 8.01(o), and then only in accordance with the Approved DIP Budget), (y) for any act which has the effect of materially or adversely modifying or compromising the rights and remedies of any Agent or Lender as set forth herein and in the other Credit Documents, or which results in the occurrence of an Event of Default, or (z) in any manner that causes or might cause such Credit Extension or the application of such proceeds to violate Regulation T, Regulation U or Regulation X of the Board or any other regulation thereof or to violate the Exchange Act. No portion of the proceeds of any Credit Extension or the Collateral, including cash collateral, shall be used for any purpose other than as provided for in the Approved DIP Budget.

Section 2.07 Evidence of Debt; Register; Lenders' Books and Records; Notes.

(a) Lenders' Evidence of Debt. Each Lender shall maintain on its internal records an account or accounts evidencing the Obligations of Borrowers to such Lender, including the amounts of the Loans made by it and each repayment and prepayment in respect thereof. Any such recordation shall be conclusive and binding on Borrowers, absent manifest error; provided that the failure to make any such recordation, or any error in such recordation, shall not affect any Lender's Commitments or Borrowers' Obligations in respect of any applicable Loans; and provided further, in the event of any inconsistency between the Register and any Lender's records, the recordations in the Register shall govern.

(b) Register. Administrative Agent (or its agent or sub-agent appointed by it) shall maintain at the Principal Office a register for the recordation of the names and addresses of Lenders and the Revolving Commitments and Loans of each Lender from time to time (the "**Register**"). The Register shall be available for inspection by Borrowers or any Lender at any reasonable time and from time to time upon reasonable prior notice. Administrative Agent shall record, or shall cause to be recorded, in the Register the Revolving Commitments and the Loans in accordance with the provisions of Section 12.06, and each repayment or prepayment in respect of the principal amount of the Loans, and any such recordation shall be conclusive and binding on Borrowers and each Lender, absent manifest error; provided, failure to make any such recordation, or any error in such recordation, shall not affect any Lender's Revolving Commitments or Borrowers' Obligations in respect of any Loan. Each Borrower hereby designates Barclays to serve as such Borrower's agent solely for purposes of maintaining the Register as provided in this Section 2.07, and each Borrower hereby agrees that, to the extent Barclays serves in such capacity, Barclays and its officers, directors, employees, agents, sub-agents and Affiliates shall constitute "Indemnitees" as defined under this Agreement.

(c) Notes. If so requested by any Lender by written notice to Borrowers (with a copy to Administrative Agent) at least two (2) Business Days prior to the Closing Date, or at any time thereafter, Borrowers shall execute and deliver to such Lender (and/or, if applicable and if so specified in such notice, to any Person who is an assignee of such Lender pursuant to and in accordance with Section 12.06) on the Closing Date (or, if such notice is delivered after the Closing Date, promptly after Borrowers' receipt of such notice) a Note or Notes to evidence such Lender's Term Loan or Revolving Loan, as the case may be.

Section 2.08 Interest on Loans.

(a) Except as otherwise set forth herein, each Loan shall bear interest on the unpaid principal amount thereof from the date made through but excluding the date of repayment (whether by acceleration or otherwise) thereof as follows:

(i) in the case of Term Loans or Revolving Loans,

(A) if an ABR Loan, at the Alternate Base Rate plus the Applicable Margin; or

(B) if a Eurodollar Rate Loan, at the Adjusted Eurodollar Rate plus the Applicable Margin; and

(ii) in the case of Protective Advances, at the Alternate Base Rate plus the Applicable Margin for Revolving Loans that are ABR Loans.

(b) The basis for determining the rate of interest with respect to any Loan, and the Interest Period with respect to any Eurodollar Rate Loan, shall be selected by the applicable Borrower and notified to Administrative Agent and Lenders pursuant to the applicable Funding Notice or Conversion/Continuation Notice, as the case may be. If on any day a Loan is outstanding with respect to which a Funding Notice or Conversion/Continuation Notice has not been delivered to Administrative Agent in accordance with the terms hereof specifying the applicable basis for determining the rate of interest, then for that day such Loan shall be an ABR Loan.

(c) In connection with Eurodollar Rate Loans, there shall be no more than ten (10) Interest Periods outstanding at any time. In the event Borrowers fail to specify between an ABR Loan or a Eurodollar Rate Loan in the applicable Funding Notice or Conversion/Continuation Notice, such Loan (if outstanding as a Eurodollar Rate Loan) will be automatically converted into an ABR Loan on the last day of the then current Interest Period for such Loan (or if outstanding as an ABR Loan will remain as, or (if not then outstanding) will be made as, an ABR Loan). In the event Borrowers fail to specify an Interest Period for any Eurodollar Rate Loan in the applicable Funding Notice or Conversion/Continuation Notice, Borrower shall be deemed to have selected an Interest Period of one month. As soon as practicable after 2:00 p.m. (New York City time) on each Interest Rate Determination Date, Administrative Agent shall determine (which determination shall, absent manifest error, be final, conclusive and binding upon all parties) the interest rate that shall apply to the Eurodollar Rate Loans for which an interest rate is then being determined for the applicable Interest Period and

shall promptly give notice thereof (in writing or by telephone confirmed in writing) to Borrowers and each Lender.

(d) Interest payable pursuant to Section 2.08(a) shall be computed (i) in the case of ABR Loans on the basis of a 365 day or 366 day year, as the case may be, and (ii) in the case of Eurodollar Rate Loans, on the basis of a 360 day year, in each case for the actual number of days elapsed in the period during which it accrues. In computing interest on any Loan, the date of the making of such Loan or the first day of an Interest Period applicable to such Loan or, with respect to an ABR Loan being converted from a Eurodollar Rate Loan, the date of conversion of such Eurodollar Rate Loan to such ABR Loan, as the case may be, shall be included, and the date of payment of such Loan or the expiration date of an Interest Period applicable to such Loan or, with respect to an ABR Loan being converted to a Eurodollar Rate Loan, the date of conversion of such ABR Loan to such Eurodollar Rate Loan, as the case may be, shall be excluded; provided, if a Loan is repaid on the same day on which it is made, one day's interest shall be paid on that Loan.

(e) Except as otherwise set forth herein, interest on each Loan (i) shall accrue on a daily basis and shall be payable in arrears on each Interest Payment Date with respect to interest accrued on and to each such payment date; (ii) shall accrue on a daily basis and shall be payable in arrears upon any prepayment of that Loan, whether voluntary or mandatory, to the extent accrued on the amount being prepaid; and (iii) shall accrue on a daily basis and shall be payable in arrears at maturity of the Loans, including final maturity of the Loans; provided, however, with respect to any voluntary prepayment of an ABR Loan, accrued interest shall instead be payable on the applicable Interest Payment Date.

Section 2.09 Conversion/Continuation.

(a) Subject to Section 2.18 and so long as no Default or Event of Default shall have occurred and then be continuing, Borrowers shall have the option:

(i) to convert at any time all or any part of any Term Loan or Revolving Loan equal to \$5,000,000 and integral multiples of \$1,000,000 in excess of that amount from one Type of Loan to another Type of Loan; provided, a Eurodollar Rate Loan may only be converted on the expiration of the Interest Period applicable to such Eurodollar Rate Loan unless Borrower shall pay all amounts due under Section 2.18 in connection with any such conversion; or

(ii) upon the expiration of any Interest Period applicable to any Eurodollar Rate Loan, to continue all or any portion of such Loan equal to \$5,000,000 and integral multiples of \$1,000,000 in excess of that amount as a Eurodollar Rate Loan.

(b) Borrowers shall deliver a Conversion/Continuation Notice to Administrative Agent no later than 2:00 p.m. (New York City time) at least one (1) Business Day in advance of the proposed conversion date (in the case of a conversion to an ABR Loan) and at least three (3) Business Days in advance of the proposed Conversion/Continuation Date (in the case of a conversion to, or a continuation of, a Eurodollar Rate Loan). Except as otherwise provided herein, a Conversion/Continuation Notice for conversion to, or continuation of, any

Eurodollar Rate Loans (or telephonic notice in lieu thereof) shall be irrevocable on and after the related Interest Rate Determination Date, and Borrowers shall be bound to effect a conversion or continuation in accordance therewith.

Section 2.10 Default Interest. Upon the occurrence and during the continuance of an Event of Default, the principal amount of all Loans outstanding and not paid when due, and, to the extent permitted by applicable law, any interest payments on the Loans or any fees or other amounts owed hereunder and not paid when due, shall thereafter bear interest payable on demand at a rate (the "**Default Rate**") that is 2.00% per annum in excess of the interest rate otherwise payable hereunder with respect to the applicable Loans (or, in the case of any such fees and other amounts, at a rate which is 2.00% per annum in excess of the interest rate otherwise payable hereunder for ABR Loans); provided, in the case of Eurodollar Rate Loans that are not paid when due, upon the expiration of the Interest Period in effect at the time any such increase in interest rate is effective such Eurodollar Rate Loans shall thereupon become ABR Loans and shall thereafter bear interest payable upon demand at a rate which is 2.00% per annum in excess of the interest rate otherwise payable hereunder for ABR Loans. Payment or acceptance of the increased rates of interest provided for in this Section 2.10 is not a permitted alternative to timely payment and shall not constitute a waiver of any Event of Default or otherwise prejudice or limit any rights or remedies of any Agent or any Lender.

Section 2.11 Fees.

(a) Borrower agrees to pay to Revolving Lenders unused line fees equal to (A) the average of the daily difference between (1) the Revolving Commitments, and (2) the Total Utilization of Revolving Commitments, times (B) the Applicable Revolving Commitment Fee Percentage, per annum. All fees referred to in this Section 2.11(a) shall be paid to Administrative Agent at its Principal Office and upon receipt, Administrative Agent shall promptly distribute to each Revolving Lender its Pro Rata Share thereof.

(b) All fees referred to in Section 2.11(a) shall be calculated on the basis of a 360 day year and the actual number of days elapsed and shall be payable monthly in on the first day of each calendar month until the Termination Date, commencing on the first such date to occur after the Closing Date, and on the Termination Date.

(c) In addition to any of the foregoing fees, Borrowers agree to pay to Agents such other fees, if any, in the amounts and at the times separately agreed upon.

Section 2.12 Protective Advances.

(a) Subject to the limitations set forth below, Administrative Agent is authorized by Borrowers and the Lenders, from time to time in Administrative Agent's sole discretion (but shall have absolutely no obligation to), to make Loans to Borrowers, on behalf of all Lenders, which Administrative Agent, in its Permitted Discretion, deems necessary or desirable (i) to preserve or protect the Collateral, or any portion thereof or (ii) to pay any other amount chargeable to or required to be paid by Borrowers pursuant to the terms of this Agreement, including payments of reimbursable expenses (including costs, fees, and expenses as described in Section 12.02) and other sums payable under the Credit Documents (any of such

Loans are herein referred to as "**Protective Advances**"); provided that, the aggregate amount of Protective Advances made at any time, together with any other Protective Advances then outstanding, shall not exceed \$50,000,000; provided further that, the aggregate amount of outstanding Protective Advances plus the aggregate Revolving Exposure shall not exceed the aggregate Revolving Commitments. Protective Advances may be made even if the conditions precedent set forth in Section 3.03 have not been satisfied. The Protective Advances shall be secured by the Liens in favor of Administrative Agent in and to the Collateral and shall constitute Obligations hereunder. All Protective Advances shall be ABR Loans. Administrative Agent's authorization to make Protective Advances may be revoked at any time by the Requisite Lenders. Any such revocation must be in writing and shall become effective prospectively upon Administrative Agent's receipt thereof. At any time that the conditions precedent set forth in Section 3.03 have been satisfied, Administrative Agent may request the Revolving Lenders to make a Revolving Loan to repay a Protective Advance. At any other time, Administrative Agent may require the Lenders to fund their risk participations described in Section 2.12(b).

(b) Upon the making of a Protective Advance by Administrative Agent (whether before or after the occurrence of a Default), each Lender shall be deemed, without further action by any party hereto, to have unconditionally and irrevocably purchased from Administrative Agent without recourse or warranty, an undivided interest and participation in such Protective Advance in proportion to its Pro Rata Share. From and after the date, if any, on which any Lender is required to fund its participation in any Protective Advance purchased hereunder, Administrative Agent shall promptly distribute to such Lender, such Lender's Pro Rata Share of all payments of principal and interest and all proceeds of Collateral received by Administrative Agent in respect of such Protective Advance.

Section 2.13 Voluntary Prepayments/Commitment Reductions.

(a) Voluntary Prepayments.

(i) Subject to Section 2.18(c), any time and from time to time, Borrowers may prepay any Loans without penalty or premium on any Business Day in whole or in part, in an aggregate minimum amount of \$5,000,000 and integral multiples of \$1,000,000 in excess of that amount; provided that Term Loans may not be prepaid under this Section 2.13(a) unless (A) all Revolving Commitments have been terminated and (B) all Revolving Loans and Protective Advances have been repaid in full; provided, further that Term A-2 Loans may not be prepaid under this Section 2.13(a) unless (A) all Revolving Commitments have been terminated and (B) all Revolving Loans, Protective Advances and Term A-1 Loans have been repaid in full.

(ii) All such prepayments shall be made:

(A) upon not less than one Business Day's prior written or telephonic notice in the case of ABR Loans; and

(B) upon not less than three Business Days' prior written or telephonic notice in the case of Eurodollar Rate Loans;

in each case given to Administrative Agent by 12:00 noon (New York City time) on the date required and, if given by telephone, promptly confirmed in writing to Administrative Agent (and Administrative Agent will promptly transmit such telephonic or original notice for Revolving Loans by telefacsimile or telephone to each Lender). Upon the giving of any such notice, the principal amount of the Loans specified in such notice shall become due and payable on the prepayment date specified therein. Any such voluntary prepayment shall be applied as specified in Section 2.15.

(b) Voluntary Commitment Reductions.

(i) Borrowers may, upon not less than three Business Days' prior written notice through delivery of a Notice of Payment/Commitment Termination (which notice Administrative Agent will promptly transmit by telefacsimile or telephone to each applicable Lender), at any time and from time to time irrevocably terminate in whole or permanently reduce in part, without premium or penalty, the Revolving Commitments in an amount up to the amount by which the Revolving Commitments exceed the sum of (x) the Total Utilization of Revolving Commitments plus (y) the aggregate outstanding principal amount of Protective Advances at the time of such proposed termination or reduction; provided, any such partial reduction of the Revolving Commitments shall be in an aggregate minimum amount of \$5,000,000 and integral multiples of \$1,000,000 in excess of that amount.

Borrowers' notice to Administrative Agent shall designate the date (which shall be a Business Day) of such termination or reduction and the amount of any partial reduction, and such termination or reduction of the Revolving Commitments shall be effective on the date specified in Borrowers' notice and shall reduce the Revolving Commitment of each Revolving Lender proportionately to its Pro Rata Share thereof.

Section 2.14 Mandatory Prepayments

(a) In the event that (i) the sum of the Total Utilization of Revolving Commitments and the aggregate outstanding principal amount of Protective Advances exceeds (ii) the Revolving Commitments, Borrowers shall, within one (1) Business Day, (x) deposit Cash or Cash Equivalents into the Borrower Accounts in an aggregate amount equal to the excess of clause (i) over clause (ii), and/or (y) without penalty or premium but subject to Section 2.18(c), first, prepay Protective Advances until paid in full and second, prepay Revolving Loans until paid in full in an aggregate amount equal to the excess of clause (i) over clause (ii).

(b) In the event that (i) the sum of the Aggregate Revolving/Term A-1 Credit Exposure and the aggregate outstanding principal amount of Protective Advances exceeds (ii) the Borrowing Base (the excess of clause (i) over clause (ii), a "**Borrowing Base Shortfall**"), Borrowers shall, within one (1) Business Day, (x) deposit Cash or Cash Equivalents into the Borrower Accounts in an aggregate amount equal to such Borrowing Base Shortfall, and/or (y) without penalty or premium but subject to Section 2.18(c) (in accordance with Section 8.02), first, prepay Protective Advances until paid in full, second, prepay Revolving Loans until paid in full and third, prepay the Term A-1 Loans until paid in full, in an aggregate amount equal to such

Borrowing Base Shortfall; provided that the Borrowers shall be required to terminate the Revolving Commitments in full prior to prepaying any Term A-1 Loans as required hereunder.

(c) In the event that (i) the Aggregate Credit Exposure exceeds (ii) the Collateral Amount (the excess of clause (i) over clause (ii), a "**Collateral Amount Shortfall**"), Borrowers shall, within one (1) Business Day, (x) deposit Cash or Cash Equivalents into the Borrower Accounts in an aggregate amount equal to such Borrowing Base Shortfall and/or (y) without penalty or premium but subject to Section 2.18(c) (in accordance with Section 8.02), first, prepay Protective Advances until paid in full, second, prepay Revolving Loans until paid in full, third, prepay the Term A-1 Loans until paid in full, and fourth, prepay the Term A-2 Loans until paid in full, in an amount equal to such Collateral Amount Shortfall; provided that the Borrowers shall be required to terminate the Revolving Commitments in full prior to prepaying any Term A-1 Loans or Term A-2 Loans as required hereunder.

(d) In the event that any Net Proceeds are received by or on behalf of a Credit Party or any of its Subsidiaries in respect of a Prepayment Event, such Credit Party shall, or shall cause its Subsidiaries to, without penalty or premium but subject to Section 2.18(c), within one (1) Business Day first, prepay Protective Advances until paid in full, second, prepay Revolving Loans until paid in full, third, prepay the Term A-1 Loans until paid in full, and fourth, prepay the Term A-2 Loans until paid in full, in an aggregate amount equal to such Net Proceeds; provided that the Borrowers shall be required to terminate the Revolving Commitments in full prior to prepaying any Term A-1 Loans or Term A-2 Loans as required hereunder; provided, further, that any Indebtedness secured by a Lien on any Junior Lien Collateral that is the subject of a Prepayment Event and is senior to the Liens of the Secured Parties has been repaid in full (or Net Proceeds in an amount necessary to repay such Indebtedness have been set aside for the benefit of the holder of such Indebtedness).

Section 2.15 Application of Prepayments

(a) Application of Voluntary Prepayments of Revolving Loans. Any prepayment of any Loan pursuant to Section 2.13(a) shall be applied as specified by Borrowers in the applicable notice of prepayment; provided, in the event Borrowers fail to specify the Revolving Loans to which any such prepayment shall be applied, such prepayment shall be applied as follows (without reduction of the Revolving Commitments): *first*, to repay outstanding Protective Advances to the full extent thereof; and *second*, to repay outstanding Revolving Loans to the full extent thereof.

(b) Application of Prepayments of Loans to ABR Loans and Eurodollar Rate Loans. Any prepayment of any Loan of any Class shall be applied first to ABR Loans of such Class to the full extent thereof before application to Eurodollar Rate Loans of such Class, in each case in a manner that minimizes the amount of any payments required to be made by Borrowers pursuant to Section 2.18(c).

Section 2.16 General Provisions Regarding Payments.

(a) All payments by Borrowers of principal, interest, fees and other Obligations shall be made in Dollars in same day funds, without defense, setoff or counterclaim,

free of any restriction or condition, and delivered to Administrative Agent not later than 12:00 p.m. (New York City time) on the date due at the Principal Office designated by Administrative Agent for the account of Lenders, together with, in the event of any voluntary or mandatory prepayment of the Loans or reduction of the Commitments under Sections 2.13 or 2.14, a Notice of Payment/Commitment Termination; for purposes of computing interest and fees, funds received by Administrative Agent after that time on such due date shall be deemed to have been paid by Borrowers on the next succeeding Business Day.

(b) Except as otherwise set forth in Section 2.08(e), all payments in respect of the principal amount of any Loan shall be accompanied by payment of accrued interest on the principal amount being repaid or prepaid.

(c) Administrative Agent (or its agent or sub-agent appointed by it) shall promptly distribute to each Lender at such address as such Lender shall indicate in writing, such Lender's applicable Pro Rata Share of all payments and prepayments of principal and interest due hereunder, together with all other amounts due thereto, including, without limitation, all fees payable with respect thereto, to the extent received by Administrative Agent.

(d) Notwithstanding the foregoing provisions hereof, if any Conversion/Continuation Notice is withdrawn as to any Affected Lender or if any Affected Lender makes ABR Loans in lieu of its Pro Rata Share of any Eurodollar Rate Loans, Administrative Agent shall give effect thereto in apportioning payments received thereafter.

(e) Subject to the provisos set forth in the definition of "Interest Period" as they may apply to Revolving Loans, whenever any payment to be made hereunder with respect to any Loan shall be stated to be due on a day that is not a Business Day, such payment shall be made on the next succeeding Business Day and, with respect to Revolving Loans only, such extension of time shall be included in the computation of the payment of interest hereunder or of the Revolving Commitment fees hereunder.

(f) Each Borrower hereby authorizes Administrative Agent to charge such Borrower's accounts with Administrative Agent in order to cause timely payment to be made to Administrative Agent of all principal, interest, fees and expenses due hereunder (subject to sufficient funds being available in its accounts for that purpose).

(g) Administrative Agent shall deem any payment by or on behalf of Borrowers hereunder that is not made in same day funds prior to 12:00 p.m. (New York City time) to be a non-conforming payment. Any such payment shall not be deemed to have been received by Administrative Agent until the later of (i) the time such funds become available funds and (ii) the applicable next Business Day. Administrative Agent shall give prompt telephonic notice to each applicable Borrower and each applicable Lender (confirmed in writing) if any payment is non-conforming. Any non-conforming payment may constitute or become a Default or Event of Default in accordance with the terms of Section 8.01(a). Interest shall continue to accrue on any principal as to which a non-conforming payment is made until such funds become available funds (but in no event less than the period from the date of such payment to the next succeeding applicable Business Day) at the rate determined pursuant to Section 2.10 from the date such amount was due and payable until the date such amount is paid in full.

(h) If an Event of Default shall have occurred and not otherwise been waived, and the maturity of the Obligations shall have been accelerated pursuant to Section 8.01, all payments or proceeds received by Administrative Agent hereunder in respect of any of the Obligations, shall be applied in accordance with Section 8.02.

Section 2.17 Ratable Sharing. Lenders hereby agree among themselves that, except as otherwise provided in the Collateral Documents with respect to amounts realized from the exercise of rights with respect to Liens on the Collateral, if any of them shall, whether by voluntary payment (other than a voluntary prepayment of Loans made and applied in accordance with the terms hereof), through the exercise of any right of set off or banker's lien, by counterclaim or cross action or by the enforcement of any right under the Credit Documents or otherwise, or as adequate protection of a deposit treated as cash collateral under the Bankruptcy Code, receive payment or reduction of a proportion of the aggregate amount of principal, interest, fees and other amounts then due and owing to such Lender hereunder or under the other Credit Documents (collectively, the "**Aggregate Amounts Due**" to such Lender) which is greater than the proportion received by any other Lender in respect of the Aggregate Amounts Due to such other Lender, then the Lender receiving such proportionately greater payment shall (a) notify Administrative Agent and each other Lender of the receipt of such payment and (b) apply a portion of such payment to purchase participations (which it shall be deemed to have purchased from each seller of a participation simultaneously upon the receipt by such seller of its portion of such payment) in the Aggregate Amounts Due to the other Lenders so that all such recoveries of Aggregate Amounts Due shall be shared by all Lenders in proportion to the Aggregate Amounts Due to them; provided, if all or part of such proportionately greater payment received by such purchasing Lender is thereafter recovered from such Lender upon the bankruptcy or reorganization of Borrower or otherwise, those purchases shall be rescinded and the purchase prices paid for such participations shall be returned to such purchasing Lender ratably to the extent of such recovery, but without interest. Each Borrower expressly consents to the foregoing arrangement and agrees that, to the extent permitted by law, any holder of a participation so purchased may exercise any and all rights of banker's lien, set off or counterclaim with respect to any and all monies owing by Borrowers to that holder with respect thereto as fully as if that holder were owed the amount of the participation held by that holder.

Section 2.18 Making or Maintaining Eurodollar Rate Loans.

(a) Inability to Determine Applicable Interest Rate. In the event that Administrative Agent shall have determined (which determination shall, absent manifest error, be final and conclusive and binding upon all parties hereto), on any Interest Rate Determination Date with respect to any Eurodollar Rate Loans, that by reason of circumstances affecting the London interbank market adequate and fair means do not exist for ascertaining the interest rate applicable to such Loans on the basis provided for in the definition of Adjusted Eurodollar Rate, Administrative Agent shall on such date give notice (by telefacsimile or by telephone confirmed in writing) to Borrowers and each Lender of such determination, whereupon (i) no Loans may be made as, or converted to, Eurodollar Rate Loans until such time as Administrative Agent notifies Borrowers and Lenders that the circumstances giving rise to such notice no longer exist and (ii) any Funding Notice or Conversion/Continuation Notice given by a Borrower with respect to the Loans in respect of which such determination was made shall be deemed to be rescinded by such Borrower.

(b) Illegality or Impracticability of Eurodollar Rate Loans. In the event that on any date any Lender shall have determined (which determination shall, absent manifest error, be final and conclusive and binding upon all parties hereto but shall be made only after consultation with Borrowers and Administrative Agent) that the making, maintaining or continuation of its Eurodollar Rate Loans (i) has become unlawful as a result of compliance by such Lender in good faith with any law, treaty, governmental rule, regulation, guideline or order (or would conflict with any such treaty, governmental rule, regulation, guideline or order not having the force of law even though the failure to comply therewith could not be unlawful) or (ii) has become impracticable, as a result of contingencies occurring after the date hereof which materially and adversely affect the London interbank market or the position of such Lender in that market, then, and in any such event, such Lender shall be an "**Affected Lender**" and it shall on that day give notice (by telefacsimile or by telephone confirmed in writing) to Borrowers and Administrative Agent of such determination (which notice Administrative Agent shall promptly transmit to each other Lender). Thereafter (A) the obligation of the Affected Lender to make Loans as, or to convert Loans to, Eurodollar Rate Loans shall be suspended until such notice shall be withdrawn by the Affected Lender, (B) to the extent such determination by the Affected Lender relates to a Eurodollar Rate Loan then being requested by a Borrower pursuant to a Funding Notice or a Conversion/Continuation Notice, the Affected Lender shall make such Loan as (or continue such Loan as or convert such Loan to, as the case may be) an ABR Loan, (C) the Affected Lender's obligation to maintain its outstanding Eurodollar Rate Loans (the "**Affected Loans**") shall be terminated at the earlier to occur of the expiration of the Interest Period then in effect with respect to the Affected Loans or when required by law, and (D) the Affected Loans shall automatically convert into ABR Loans on the date of such termination. Notwithstanding the foregoing, to the extent a determination by an Affected Lender as described above relates to a Eurodollar Rate Loan then being requested by a Borrower pursuant to a Funding Notice or a Conversion/Continuation Notice, Borrower shall have the option, subject to the provisions of Section 2.18(c), to rescind such Funding Notice or Conversion/Continuation Notice as to all Lenders by giving notice (by telefacsimile or by telephone confirmed in writing) to Administrative Agent of such rescission on the date on which the Affected Lender gives notice of its determination as described above (which notice of rescission Administrative Agent shall promptly transmit to each other Lender). Except as provided in the immediately preceding sentence, nothing in this Section 2.18(b) shall affect the obligation of any Lender other than an Affected Lender to make or maintain Loans as, or to convert Loans to, Eurodollar Rate Loans in accordance with the terms hereof.

(c) Compensation for Breakage or Non-Commencement of Interest Periods. Borrowers shall compensate each Lender, upon written request by such Lender (which request shall set forth the basis for requesting such amounts), for all reasonable losses, expenses and liabilities (including any interest paid by such Lender to Lenders of funds borrowed by it to make or carry its Eurodollar Rate Loans and any loss, expense or liability sustained by such Lender in connection with the liquidation or re employment of such funds but excluding loss of anticipated profits) which such Lender may sustain: (i) if for any reason (other than a default by such Lender) a borrowing of any Eurodollar Rate Loan does not occur on a date specified therefor in a Funding Notice or a telephonic request for borrowing, or a conversion to or continuation of any Eurodollar Rate Loan does not occur on a date specified therefor in a Conversion/Continuation Notice or a telephonic request for conversion or continuation; (ii) if any prepayment or other principal payment of, or any conversion of, any of its Eurodollar Rate

Loans occurs on a date prior to the last day of an Interest Period applicable to that Loan or (iii) if any prepayment of any of its Eurodollar Rate Loans is not made on any date specified in a notice of prepayment given by Borrowers.

(d) Booking of Eurodollar Rate Loans. Subject to Section 2.21, any Lender may make, carry or transfer Eurodollar Rate Loans at, to or for the account of any of its branch offices or the office of an Affiliate of such Lender.

(e) Assumptions Concerning Funding of Eurodollar Rate Loans. Calculation of all amounts payable to a Lender under this Section 2.18 and under Section 2.19 shall be made as though such Lender had actually funded each of its relevant Eurodollar Rate Loans through the purchase of a Eurodollar deposit bearing interest at the rate obtained pursuant to clause (a) of the definition of Adjusted Eurodollar Rate in an amount equal to the amount of such Eurodollar Rate Loan and having a maturity comparable to the relevant Interest Period and through the transfer of such Eurodollar deposit from an offshore office of such Lender to a domestic office of such Lender in the United States; provided, however, each Lender may fund each of its Eurodollar Rate Loans in any manner it sees fit and the foregoing assumptions shall be utilized only for the purposes of calculating amounts payable under this Section 2.18 and under Section 2.19.

Section 2.19 Increased Costs; Capital Adequacy.

(a) Compensation For Increased Costs and Taxes. In the event that any Lender or Recipient shall determine (which determination shall, absent manifest error, be final and conclusive and binding upon all parties hereto) that any Change in Law: (i) subjects any Recipient to any Taxes (other than (x) Indemnified Taxes and (y) Other Connection Taxes on gross or net income, profits or revenue (including value-added or similar Taxes)) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; (ii) imposes, modifies or holds applicable any reserve (including any marginal, emergency, supplemental, special or other reserve), special deposit, compulsory loan, Federal Deposit Insurance Corporation insurance or similar requirement against assets held by, or deposits or other liabilities in or for the account of, or advances or loans by, or other credit extended by, or any other acquisition of funds by, any office of such Lender (other than any such reserve or other requirements with respect to Eurodollar Rate Loans that are reflected in the definition of Adjusted Eurodollar Rate); or (iii) imposes any other condition (other than with respect to a Tax matter) on or affecting such Lender (or its applicable lending office) or its obligations hereunder or the London interbank market; and the result of any of the foregoing is to increase the cost to such Lender or such other Recipient of agreeing to make, making or maintaining Loans hereunder or to reduce any amount received or receivable by such Lender (or its applicable lending office) with respect thereto (whether of principal, interest or any other amount); then, in any such case, Borrowers shall promptly pay to such Lender or such other Recipient, upon receipt of the statement referred to in the next sentence, such additional amount or amounts (in the form of an increased rate of, or a different method of calculating, interest or otherwise as such Lender or such other Recipient in its sole discretion shall determine) as may be necessary to compensate such Lender or such other Recipient for any such increased cost or reduction in amounts received or receivable hereunder. Such Lender shall deliver to Borrowers (with a copy to Administrative Agent) a written statement, setting forth in reasonable

detail the basis for calculating the additional amounts owed to such Lender under this Section 2.19(a), which statement shall be conclusive and binding upon all parties hereto absent manifest error.

(b) Capital Adequacy Adjustment. In the event that any Lender shall have determined that any Change in Law has or would have the effect of reducing the rate of return on the capital of such Lender or any corporation controlling such Lender as a consequence of, or with reference to, such Lender's Loans or Revolving Commitments or other obligations hereunder with respect to the Loans to a level below that which such Lender or such controlling corporation could have achieved but for such adoption, effectiveness, phase in, applicability, change or compliance (taking into consideration the policies of such Lender or such controlling corporation with regard to capital adequacy), then from time to time, within five Business Days after receipt by Borrowers from such Lender of the statement referred to in the next sentence, Borrowers shall pay to such Lender such additional amount or amounts as will compensate such Lender or such controlling corporation on an after tax basis for such reduction. No Lender shall be entitled to request any payment pursuant to this Section 2.19(b) unless such Lender is generally demanding payment under comparable provisions of its agreements with similarly situated borrowers. Such Lender shall deliver to Borrowers (with a copy to Administrative Agent) a written statement, setting forth in reasonable detail the basis for calculating the additional amounts owed to Lender under this Section 2.19(b), which statement shall be conclusive and binding upon all parties hereto absent manifest error.

(c) Notwithstanding anything to the contrary contained herein, Borrowers will not be required to compensate any Lender for any such increased costs or reduced return incurred by such Lender more than six (6) months prior to such Lender's written request to Borrowers for such compensation.

Section 2.20 Taxes: Withholding, Etc.

(a) Withholding of Taxes; Gross-Up. Each payment by any Credit Party under this Agreement shall be made without withholding for any Taxes, unless such withholding is required by any law. If any Withholding Agent determines, in its sole discretion exercised in good faith, that it is so required to withhold Taxes, then such Withholding Agent may so withhold and shall timely pay the full amount of withheld Taxes to the relevant Governmental Authority in accordance with applicable law. If such Taxes are Indemnified Taxes, then the amount payable by any Credit Party shall be increased as necessary so that, net of such withholding (including such withholding applicable to additional amounts payable under this Section 2.20), the applicable Recipient receives the amount it would have received had no such withholding been made.

(b) Payment of Other Taxes by Borrower. Borrower shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(c) Evidence of Payments. As soon as practicable after any payment of Indemnified Taxes by Borrower to a Governmental Authority, Borrower shall deliver to Administrative Agent the original or a certified copy of a receipt issued by such Governmental

Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to Administrative Agent.

(d) Indemnification by the Credit Parties. The Credit Parties shall jointly and severally indemnify each Recipient for any Indemnified Taxes that are paid or payable by such Recipient in connection with this Agreement (including amounts paid or payable under this Section 2.20(d)) and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. The indemnity under this Section 2.20(d) shall be paid within ten (10) days after the Recipient delivers to Borrower a certificate stating the amount of any Indemnified Taxes so paid or payable by such Recipient and describing the basis for the indemnification claim. Such certificate shall be conclusive of the amount so paid or payable absent manifest error. Such Recipient shall deliver a copy of such certificate to Administrative Agent.

(e) Indemnification by the Lenders. Each Lender shall severally indemnify Administrative Agent for any Taxes (but, in the case of any Indemnified Taxes, only to the extent that Borrower has not already indemnified Administrative Agent for such Indemnified Taxes and without limiting the obligation of Borrower to do so) attributable to such Lender that are paid or payable by Administrative Agent in connection with this Agreement and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. The indemnity under this Section 2.20(e) shall be paid within ten (10) days after Administrative Agent delivers to the applicable Lender a certificate stating the amount of Taxes so paid or payable by Administrative Agent. Such certificate shall be conclusive of the amount so paid or payable absent manifest error.

(f) Status of Lenders.

(i) Any Lender that is entitled to an exemption from, or reduction of, any applicable withholding Tax with respect to any payments under this Agreement shall deliver to Borrower and Administrative Agent, at the time or times reasonably requested by Borrower or Administrative Agent, such properly completed and executed documentation reasonably requested by Borrower or Administrative Agent as will permit such payments to be made without, or at a reduced rate of, withholding. In addition, any Lender, if requested by Borrower or Administrative Agent, shall deliver such other documentation prescribed by law or reasonably requested by Borrower or Administrative Agent as will enable Borrower or Administrative Agent to determine whether or not such Lender is subject to any withholding (including backup withholding) or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.20(f)(ii)(A) through (E) below) shall not be required if in the Lender's judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense (or, in the case of a Change in Law, any incremental material unreimbursed cost or expense) or would materially prejudice the legal or commercial position of such Lender. Upon the reasonable request of Borrower or Administrative Agent, any Lender shall

update any form or certification previously delivered pursuant to this Section 2.20(f). If any form or certification previously delivered pursuant to this Section 2.20(f) expires or becomes obsolete or inaccurate in any respect with respect to a Lender, such Lender shall promptly notify Borrower and Administrative Agent in writing of such expiration, obsolescence or inaccuracy and update the form or certification if it is legally eligible to do so.

(ii) Without limiting the generality of the foregoing, any Lender with respect to Borrower shall, if it is legally eligible to do so, deliver to Borrower and Administrative Agent (in such number of copies reasonably requested by Borrower and Administrative Agent) on or prior to the date on which such Lender becomes a party hereto, duly completed and executed copies of whichever of the following is applicable:

(A) in the case of a Lender that is a U.S. Person, IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) in the case of a Non-U.S. Lender claiming the benefits of an income tax treaty to which the United States is a party (1) with respect to payments of interest under this Agreement, IRS Form W-8BEN establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (2) with respect to any other applicable payments under this Agreement, IRS Form W-8BEN establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(C) in the case of a Non-U.S. Lender for whom payments under this Agreement constitute income that is effectively connected with such Lender's conduct of a trade or business in the United States, IRS Form W-8ECI;

(D) in the case of a Non-U.S. Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Internal Revenue Code both (1) IRS Form W-8BEN and (2) a certificate substantially in the form of Exhibit E (a "**U.S. Tax Certificate**") to the effect that such Lender is not (a) a "bank" within the meaning of Section 881(c)(3)(A) of the Internal Revenue Code, (b) a "10 percent shareholder" of Borrower within the meaning of Section 881(c)(3)(B) of the Internal Revenue Code, (c) a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Internal Revenue Code and (d) conducting a trade or business in the United States with which the relevant interest payments are effectively connected;

(E) in the case of a Non-U.S. Lender that is not the beneficial owner of payments made under this Agreement (including a partnership or a participating Lender) (1) an IRS Form W-8IMY on behalf of itself and (2) the relevant forms prescribed in clauses (A), (B), (C), (D) and (F) of this Section

2.20(f)(ii) that would be required of each such beneficial owner or partner of such partnership if such beneficial owner or partner were a Lender; provided, however, that if the Lender is a partnership and one or more of its partners are claiming the exemption for portfolio interest under Section 881(c) of the Internal Revenue Code, such Lender may provide a U.S. Tax Certificate on behalf of such partners; or

(F) any other form prescribed by law as a basis for claiming exemption from, or a reduction of, U.S. federal withholding Tax together with such supplementary documentation necessary to enable Borrower or Administrative Agent to determine the amount of Tax (if any) required by law to be withheld.

(iii) If a payment made to a Lender under this Agreement would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Internal Revenue Code, as applicable), such Lender shall deliver to the Withholding Agent, at the time or times prescribed by law and at such time or times reasonably requested by the Withholding Agent, such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Internal Revenue Code) and such additional documentation reasonably requested by the Withholding Agent as may be necessary for the Withholding Agent to comply with its obligations under FATCA, to determine that such Lender has or has not complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this Section 2.20(f)(iii), "**FATCA**" shall include any amendments made to FATCA after the date of this Agreement.

(g) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.20 (including additional amounts paid pursuant to this Section 2.20), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.20 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including any Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid to such indemnified party pursuant to the previous sentence (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this Section 2.20(g), in no event will any indemnified party be required to pay any amount to any indemnifying party pursuant to this Section 2.20(g) if such payment would place such indemnified party in a less favorable position (on a net after-Tax basis) than such indemnified party would have been in if the indemnification payments or additional amounts giving rise to such refund had never been paid. This Section 2.20(g) shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes which it deems confidential) to the indemnifying party or any other Person.

(h) Survival. Each party's obligations under this Section 2.20 shall survive any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all other obligations under this Agreement.

Section 2.21 Obligation to Mitigate. Each Lender agrees that, as promptly as practicable after the officer of such Lender responsible for administering its Loans becomes aware of the occurrence of an event or the existence of a condition that would cause such Lender to become an Affected Lender or that would entitle such Lender to receive payments under Section 2.18, 2.19 or 2.20, it will, to the extent not inconsistent with the internal policies of such Lender and any applicable legal or regulatory restrictions, use reasonable efforts to (a) make, issue, fund or maintain its Credit Extensions, including any Affected Loans, through another office of such Lender, or (b) take such other measures as such Lender may deem reasonable, if as a result thereof the circumstances which would cause such Lender to be an Affected Lender would cease to exist or the additional amounts which would otherwise be required to be paid to such Lender pursuant to Section 2.18, 2.19 or 2.20 would be materially reduced and if, as determined by such Lender in its sole discretion, the making, issuing, funding or maintaining of such Commitments or Loans through such other office or in accordance with such other measures, as the case may be, would not otherwise adversely affect such Commitments or Loans or the interests of such Lender; provided, such Lender will not be obligated to utilize such other office pursuant to this Section 2.21 unless Borrowers agree to pay all incremental expenses incurred by such Lender as a result of utilizing such other office as described in clause (a) above. A certificate as to the amount of any such expenses payable by Borrowers pursuant to this Section 2.21 (setting forth in reasonable detail the basis for requesting such amount) submitted by such Lender to Borrowers (with a copy to Administrative Agent) shall be conclusive absent manifest error.

Section 2.22 Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) fees described in Section 2.11 shall cease to accrue on the unfunded portion of the Commitment of such Defaulting Lender and such Defaulting Lender shall not be entitled to receive any such fee pursuant to Section 2.11 with respect to such Defaulting Lender's unfunded Commitment; and

(b) the Commitment and Credit Exposure of such Defaulting Lender shall not be included for purposes of voting on any matters except (i) such Defaulting Lender's Commitment may not be increased or extended without its consent and (ii) the principal amount of, or interest or fees payable on, Loans may not be reduced or excused or the scheduled date of payment may not be postponed as to such Defaulting Lender (other than pursuant to Section 2.22(a) above) without such Defaulting Lender's consent.

In the event that Administrative Agent and Borrowers each agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then on such date such Lender shall purchase at par such of the Protective Advances and Revolving Loans of the other Revolving Lenders as Administrative Agent shall

determine may be necessary in order for such Lender to hold such Protective Advances and Revolving Loans in accordance with its Pro Rata Share.

Section 2.23 Removal or Replacement of a Lender. Anything contained herein to the contrary notwithstanding, in the event that: (a) (i) any Lender (an "**Increased Cost Lender**") shall give notice to Borrowers that such Lender is an Affected Lender or that such Lender is entitled to receive payments under Section 2.18, 2.19 or 2.20, (ii) the circumstances which have caused such Lender to be an Affected Lender or which entitle such Lender to receive such payments shall remain in effect, and (iii) such Lender shall fail to withdraw such notice within five Business Days after Borrowers' request for such withdrawal; or (b) (i) any Lender shall become a Defaulting Lender and (ii) such Defaulting Lender shall fail to cure the default as a result of which it has become a Defaulting Lender within five Business Days after Borrowers' request that it cure such default; or (c) in connection with any proposed amendment, modification, termination, waiver or consent with respect to any of the provisions hereof as contemplated by Section 12.05(a), the consent of Requisite Lenders shall have been obtained but the consent of one or more of such other Lenders (each a "**Non-Consenting Lender**") whose consent is required shall not have been obtained; then, with respect to each such Increased Cost Lender, Defaulting Lender or Non-Consenting Lender (the "**Terminated Lender**"), Borrowers may, by giving written notice to Administrative Agent and any Terminated Lender of their election to do so, elect to cause such Terminated Lender (and such Terminated Lender hereby irrevocably agrees) to assign its outstanding Loans and its Revolving Commitments, if any, in full to one or more Eligible Assignees (each a "**Replacement Lender**") in accordance with the provisions of Section 12.06 and Borrowers shall pay any fees payable thereunder in connection with such assignment; provided, (A) on the date of such assignment, the Replacement Lender shall pay to Terminated Lender an amount equal to the sum of (1) an amount equal to the principal of, and all accrued interest on, all outstanding Loans of the Terminated Lender, and (2) an amount equal to all accrued, but theretofore unpaid fees owing to such Terminated Lender pursuant to Section 2.11; (B) on the date of such assignment, Borrowers shall pay any amounts payable to such Terminated Lender pursuant to Section 2.18(c), 2.19 or 2.20; (C) in the event such Terminated Lender is a Non-Consenting Lender, each Replacement Lender shall consent, at the time of such assignment, to each matter in respect of which such Terminated Lender was a Non-Consenting Lender; and (D) in the event such Terminated Lender is an Increased Cost Lender, such assignment shall not cause any Replacement Lender or any other Lender to be entitled to receive payments under Section 2.18, 2.19 or 2.20. Upon the prepayment of all amounts owing to any Terminated Lender and the termination of such Terminated Lender's Commitments, if any, in accordance with this Section 2.23, such Terminated Lender shall no longer constitute a "Lender" for purposes hereof; provided, any rights of such Terminated Lender to indemnification hereunder shall survive as to such Terminated Lender.

Section 2.24 Determination of Borrowing Base and Collateral Amount.

(a) Eligible Receivables. On any date of determination of the Borrowing Base or the Collateral Amount, any Receivable owned by a Borrower that satisfies the following criteria and is reflected in the most recent Borrowing Base and Collateral Amount Certificate delivered to Collateral Agent and Administrative Agent shall be an "**Eligible Receivable**" for the purposes of this Agreement. (ii) it is denominated in U.S. Dollars and is payable in the United States;

(iii) it arises under a Designated Servicing Agreement and, at the time it was made, (A) was reasonably determined by the related Servicer to be ultimately recoverable from the proceeds of the related Serviced Loan, related liquidation proceeds or otherwise from the proceeds of or collections on the related Serviced Loan, (B) the related Servicer complied with all requirements for reimbursement thereunder, and (C) it was authorized to be made pursuant to the terms of the related Designated Servicing Agreement;

(iv) pursuant to the terms of the related Designated Servicing Agreement:

(B) if the Servicer determines that the related P&I Advance will not be recoverable out of late collections of the amounts advanced or out of insurance proceeds or liquidation proceeds from the Serviced Loan with respect to which such P&I Advance was made, the Servicer has the right to reimburse itself for such P&I Advance out of any funds in the related MBS Trust Collection Account, or out of general collections received by the Servicer with respect to any Serviced Loans serviced under the same Servicing Agreement, prior to any payment of any holders of any notes, certificates or other securities backed by the related Loan pool, which securities in the case of a Servicing Agreement include a "AAA (sf)" or equivalent rated class at the time of execution of the Servicing Agreement, and prior to payment of any party subrogated to the rights of the holders of such securities (such as a reimbursement right of a credit enhancer) or any hedge or derivative termination fees, or the expenses of the related MBS Trust;

(vii) as of the date such Receivable was sold and/or contributed by the GSAP Transferor under the related Receivables Purchase Agreement or by GMACM or RFC, as applicable, the related Receivables Pooling and Purchase Agreement, none of RFC, GMACM or the GSAP Transferor had (1) taken any action that would impair the right, title and interest of the Secured Parties therein, or (2) failed to take any action that was necessary to avoid impairing the Secured Parties' right, title or interest therein;

(viii) the Advance related to such Receivable has been fully funded by the related Servicer using its own funds and/or Amounts Held for Future Distribution (to the extent permitted under the related Designated Servicing Agreement);

(ix) the Advance Ratio for the related Designated Servicing Agreement determined as of the end of the most recently concluded calendar month was less than 1%;

(x) as of the end of the most recently concluded calendar month, (A) the Advance to Pool Balance Ratio for the related Designated Servicing Agreement was less than 33.33% and (B) the unpaid principal balance of Serviced Loans serviced under such related Designated Servicing Agreement was at least \$8,000,000 and at least 50 Serviced Loans were being serviced under such Designated Servicing Agreement;

(xi) as of the first Business Day of the calendar month of such date of determination, the aggregate Receivable Balances of all Eligible Receivables arising under the related Designated Servicing Agreement does not exceed 15% of the aggregate Receivable Balance of all Eligible Receivables in respect of all Designated Servicing Agreements; and

(xii) no Servicer Termination Event shall have occurred with respect to the Designated Servicing Agreement related to such Receivable (except any Servicer Termination Event caused solely by the failure of a collateral performance test under such Designated Servicing Agreement, in respect of which the related Servicer has not received a notice of termination from one or more parties authorized to terminate the Servicer under such Designated Servicing Agreement).

(b) Eligible Mortgage Loans. On any date of determination of the Borrowing Base or the Collateral Amount, any Mortgage Loan owned by a Borrower that satisfies the following criteria and is reflected in the most recent Borrowing Base and Collateral Amount Certificate delivered to Collateral Agent and Administrative Agent shall be an "**Eligible Mortgage Loan**" for the purposes of this Agreement. On any date of determination of the

Borrowing Base or the Collateral Amount, an Eligible Mortgage Loan must satisfy the following criteria:

- (i) it constitutes a Mortgage Loan on a one to four family residential property;
- (ii) the representations and warranties set forth in this Agreement, including without limitation the representations and warranties set forth on Schedule 4.39, with respect to such Mortgage Loan are true and correct as of each date on which any Commitments are in effect or any Obligations are outstanding under this Agreement; and
- (iii) such Mortgage Loan is, in the sole discretion of Collateral Agent, eligible for sale to a prudent third-party investor.

(c) Eligible REO Property. On any date of determination of the Borrowing Base or the Collateral Amount, any REO Property (i) owned by a Borrower's REO Subsidiary, which Subsidiary is a Guarantor and a "Grantor" under and as defined in the Borrowers Security Agreement and whose Capital Stock is subject to a perfected First Priority Lien pursuant to the Borrowers Security Agreement and the Orders, and (ii) as to which Collateral Agent has received a Broker's Price Opinion as of a date within ninety (90) days prior to such date of determination and that is reflected in the most recent Borrowing Base and Collateral Amount Certificate delivered to Collateral Agent and Administrative Agent shall be an **"Eligible REO Property"** for the purposes of this Agreement. For the avoidance of doubt, there is no Eligible REO Property as of the Closing Date.

Section 2.25 Priority and Liens Applicable to Credit Parties. Each Credit Party hereby covenants and agrees that, upon the execution of this Agreement and upon the entry of the Interim Financing Order (and when applicable, the Final Financing Order), the Obligations of the Credit Parties:

- (a) pursuant to Section 364(c)(1) of the Bankruptcy Code, shall at all times constitute joint and several Superpriority Claims in the Cases;
- (b) pursuant to Sections 364(c)(2) and 364(d) of the Bankruptcy Code, shall at all times be secured by (i) a valid, binding, perfected first priority Lien on all real, personal, tangible and intangible property of the Borrowers' and the Borrowers' REO Subsidiaries' respective estates in the Cases that (x) is not subject to valid, perfected and non-avoidable Liens as of the Petition Date or (y) becomes unencumbered and is no longer subject to a Lien as a result of the repayment of Prepetition Refinanced Indebtedness with the proceeds of the Loans, and (ii) a valid, binding, perfected first priority priming Lien on all such property to the extent that such property is subject to any valid, perfected and non-avoidable Lien as of the Petition Date that is not being terminated as a result of the repayment of Prepetition Refinanced Indebtedness;
- (c) pursuant to Sections 364(c)(2) and 364(d) of the Bankruptcy Code, shall at all times be secured by (i) a valid, binding, perfected first priority Lien on all right, title and interest of ResCap in the Concentration Account and all funds from time to time held or

subject in the case of each of the preceding paragraphs, only to the Carve Out, and, in each case, as set forth in the Orders.

Section 2.26 Payment of Obligations. Subject to the provisions of Section 8.01, upon the maturity (whether by acceleration or otherwise) of any of the Obligations of the Credit Parties under this Agreement or any of the other Credit Documents, the Lenders shall be entitled to immediate payment of such Obligations without further application to or order of the Bankruptcy Court.

Section 2.27 No Discharge; Survival of Claims. Each Credit Party agrees that to the extent that the Obligations hereunder have not been satisfied in full in Cash (a) its Obligations arising hereunder shall not be discharged by the entry of any order of the Bankruptcy

Court confirming a Reorganization Plan (and each Credit Party, pursuant to Section 1141(d)(4) of the Bankruptcy Code, hereby waives any such discharge) and (b) the Superpriority Claim granted to Administrative Agent and the Lenders pursuant to the Orders and described in Section 2.25(a) and the Liens granted to Administrative Agent pursuant to the Orders and described in Section 2.25(b) through (f) shall not be affected in any manner by the entry of any order of the Bankruptcy Court confirming a Reorganization Plan.

ARTICLE III

CONDITIONS PRECEDENT

Section 3.01 Closing Date. The obligation of any Lender to make a Credit Extension under the Term Facilities on the Closing Date is subject to the satisfaction, or waiver in accordance with Section 12.05, of the following conditions on or before the Closing Date:

(a) the Credit Parties shall have each commenced the Cases with the Bankruptcy Court by no later than May 18, 2012;

(b) no trustee or examiner with expanded powers pursuant to section 1104(c) of the Bankruptcy Code shall have been appointed or designated with respect to any Credit Party or their respective business, properties or assets;

(c) all of the "first day" orders entered by the Bankruptcy Court at the time of the commencement of the Cases (and if any such orders shall not have been entered by the Bankruptcy Court, the form of such orders submitted to the Bankruptcy Court for approval) shall be in form and substance reasonably satisfactory to Administrative Agent;

ARTICLE VII

GUARANTY

Section 7.01 Guaranty of the Obligations. Subject to the provisions of Section 7.02, Guarantors jointly and severally hereby irrevocably and unconditionally guaranty to Administrative Agent for the ratable benefit of the Beneficiaries the due and punctual payment in full of all Obligations when the same shall become due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise (collectively, the "**Guaranteed Obligations**"). Notwithstanding the foregoing or any other provision of this Agreement to the contrary, if the obligations of any Guarantor under this Section 7.01 would, in any action or proceeding involving any state or provincial corporate law, or any state, provincial, federal or foreign bankruptcy, insolvency, reorganization or other law affecting the rights of creditors generally, otherwise be held or determined to be subject to avoidance as a fraudulent transfer or conveyance under Section 548 of Title 11 of the United States Code or any comparable

applicable provisions of a state, provincial or foreign law on account of the amount of its liability under this Section 7.01, then the amount of such liability shall, without further action by such Guarantor, or any Credit Party or any other Person, be automatically limited and reduced to the highest amount that is valid and enforceable as determined in such action or proceeding.

Section 7.02 Contribution by Guarantors. All Guarantors desire to allocate among themselves (collectively, the "**Contributing Guarantors**"), in a fair and equitable manner, their obligations arising under this Guaranty. Accordingly, in the event any payment or distribution is made on any date by a Guarantor (a "**Funding Guarantor**") under this Guaranty such that its Aggregate Payments exceeds its Fair Share as of such date, such Funding Guarantor shall be entitled to a contribution from each of the other Contributing Guarantors in an amount sufficient to cause each Contributing Guarantor's Aggregate Payments to equal its Fair Share as of such date. "**Fair Share**" means, with respect to a Contributing Guarantor as of any date of determination, an amount equal to (a) the ratio of (i) the Fair Share Contribution Amount with respect to such Contributing Guarantor to (ii) the aggregate of the Fair Share Contribution Amounts with respect to all Contributing Guarantors multiplied by (b) the aggregate amount paid or distributed on or before such date by all Funding Guarantors under this Guaranty in respect of the Obligations. "**Fair Share Contribution Amount**" means, with respect to a Contributing Guarantor as of any date of determination, the maximum aggregate amount of the obligations of such Contributing Guarantor under this Guaranty that would not render its obligations hereunder or thereunder subject to avoidance as a fraudulent transfer or conveyance under Section 548 of Title 11 of the United States Code or any comparable applicable provisions of a state, provincial or foreign law; provided, solely for purposes of calculating the "Fair Share Contribution Amount" with respect to any Contributing Guarantor for purposes of this Section 7.02, any assets or liabilities of such Contributing Guarantor arising by virtue of any rights to subrogation, reimbursement or indemnification or any rights to or obligations of contribution hereunder shall not be considered as assets or liabilities of such Contributing Guarantor. "**Aggregate Payments**" means, with respect to a Contributing Guarantor as of any date of determination, an amount equal to (i) the aggregate amount of all payments and distributions made on or before such date by such Contributing Guarantor in respect of this Guaranty (including, without limitation, in respect of this Section 7.02), minus (ii) the aggregate amount of all payments received on or before such date by such Contributing Guarantor from the other Contributing Guarantors as contributions under this Section 7.02. The amounts payable as contributions hereunder shall be determined as of the date on which the related payment or distribution is made by the applicable Funding Guarantor. The allocation among Contributing Guarantors of their obligations as set forth in this Section 7.02 shall not be construed in any way to limit the liability of any Contributing Guarantor hereunder. Each Guarantor is a third-party beneficiary to the contribution agreement set forth in this Section 7.02.

Section 7.03 Payment by Guarantors. Subject to Section 7.02, Guarantors hereby jointly and severally agree, in furtherance of the foregoing and not in limitation of any other right which any Beneficiary may have at law or in equity against any Guarantor by virtue hereof; that upon the failure of Borrowers to pay any of the Guaranteed Obligations when and as the same shall become due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise, Guarantors will upon demand pay, or cause to be paid, in Cash, to Administrative Agent for the ratable benefit of Beneficiaries, an amount equal to the sum of the unpaid principal amount of all Guaranteed Obligations then due as aforesaid, accrued

and unpaid interest on such Guaranteed Obligations (including interest accruing during the pendency of the Cases, regardless of whether allowed or allowable in such proceedings) and all other Guaranteed Obligations then owed to Beneficiaries as aforesaid.

Section 7.04 Liability of Guarantors Absolute. Each Guarantor agrees that its obligations hereunder are irrevocable, absolute, independent and unconditional and shall not be affected by any circumstance that constitutes a legal or equitable discharge of a guarantor or surety other than payment in full of the Guaranteed Obligations. In furtherance of the foregoing and without limiting the generality thereof, each Guarantor agrees as follows:

(a) this Guaranty is a guaranty of payment when due and not of collectability. This Guaranty is a primary obligation of each Guarantor and not merely a contract of surety;

(b) Administrative Agent may enforce this Guaranty upon the occurrence of an Event of Default notwithstanding the existence of any dispute between Borrowers and any Beneficiary with respect to the existence of such Event of Default;

(c) the obligations of each Guarantor hereunder are independent of the obligations of Borrowers and the obligations of any other guarantor (including any other Guarantor) of the obligations of Borrowers, and a separate action or actions may be brought and prosecuted against such Guarantor whether or not any action is brought against Borrowers or any of such other guarantors and whether or not a Borrower is joined in any such action or actions;

(d) payment by any Guarantor of a portion, but not all, of the Guaranteed Obligations shall in no way limit, affect, modify or abridge any Guarantor's liability for any portion of the Guaranteed Obligations which has not been paid. Without limiting the generality of the foregoing, if Administrative Agent is awarded a judgment in any suit brought to enforce any Guarantor's covenant to pay a portion of the Guaranteed Obligations, such judgment shall not be deemed to release such Guarantor from its covenant to pay the portion of the Guaranteed Obligations that is not the subject of such suit, and such judgment shall not, except to the extent satisfied by such Guarantor, limit, affect, modify or abridge any other Guarantor's liability hereunder in respect of the Guaranteed Obligations;

(e) any Beneficiary, upon such terms as it deems appropriate, without notice or demand and without affecting the validity or enforceability hereof or giving rise to any reduction, limitation, impairment, discharge or termination of any Guarantor's liability hereunder, from time to time may (i) renew, extend, accelerate, increase the rate of interest on, or otherwise change the time, place, manner or terms of payment of the Guaranteed Obligations; (ii) settle, compromise, release or discharge, or accept or refuse any offer of performance with respect to, or substitutions for, the Guaranteed Obligations or any agreement relating thereto and/or subordinate the payment of the same to the payment of any other obligations; (iii) request and accept other guaranties of the Guaranteed Obligations and take and hold security for the payment hereof or the Guaranteed Obligations; (iv) release, surrender, exchange, substitute, compromise, settle, rescind, waive, alter, subordinate or modify, with or without consideration, any security for payment of the Guaranteed Obligations, any other guaranties of the Guaranteed Obligations, or any other obligation of any Person (including any other Guarantor) with respect to the

Guaranteed Obligations; (v) enforce and apply any security now or hereafter held by or for the benefit of such Beneficiary in respect hereof or the Guaranteed Obligations and direct the order or manner of sale thereof, or exercise any other right or remedy that such Beneficiary may have against any such security, in each case as such Beneficiary in its discretion may determine consistent herewith, including foreclosure on any such security pursuant to one or more judicial or nonjudicial sales, whether or not every aspect of any such sale is commercially reasonable, and even though such action operates to impair or extinguish any right of reimbursement or subrogation or other right or remedy of any Guarantor against Borrowers or any security for the Guaranteed Obligations; and (vi) exercise any other rights available to it under the Credit Documents; and

(f) this Guaranty and the obligations of Guarantors hereunder shall be valid and enforceable and shall not be subject to any reduction, limitation, impairment, discharge or termination for any reason (other than payment in full of the Guaranteed Obligations), including the occurrence of any of the following, whether or not any Guarantor shall have had notice or knowledge of any of them: (i) any failure or omission to assert or enforce or agreement or election not to assert or enforce, or the stay or enjoining, by order of court, by operation of law or otherwise, of the exercise or enforcement of, any claim or demand or any right, power or remedy (whether arising under the Credit Documents, at law, in equity or otherwise) with respect to the Guaranteed Obligations or any agreement relating thereto, or with respect to any other guaranty of or security for the payment of the Guaranteed Obligations; (ii) any rescission, waiver, amendment or modification of; or any consent to departure from, any of the terms or provisions (including provisions relating to events of default) hereof, any of the other Credit Documents or any agreement or instrument executed pursuant thereto, or of any other guaranty or security for the Guaranteed Obligations, in each case whether or not in accordance with the terms hereof or such Credit Document or any agreement relating to such other guaranty or security; (iii) the Guaranteed Obligations, or any agreement relating thereto, at any time being found to be illegal, invalid or unenforceable in any respect; (iv) the application of payments received from any source (other than payments received pursuant to the other Credit Documents or from the proceeds of any security for the Guaranteed Obligations, except to the extent such security also serves as collateral for indebtedness other than the Guaranteed Obligations) to the payment of indebtedness other than the Guaranteed Obligations, even though any Beneficiary might have elected to apply such payment to any part or all of the Guaranteed Obligations; (v) any Beneficiary's consent to the change, reorganization or termination of the corporate structure or existence of ResCap or any of its Subsidiaries and to any corresponding restructuring of the Guaranteed Obligations; (vi) any failure to perfect or continue perfection of a security interest in any collateral which secures any of the Guaranteed Obligations; (vii) any defenses, set offs or counterclaims which Borrower may allege or assert against any Beneficiary in respect of the Guaranteed Obligations, including failure of consideration, breach of warranty, payment, statute of frauds, statute of limitations, accord and satisfaction and usury; and (viii) any other act or thing or omission, or delay to do any other act or thing, which may or might in any manner or to any extent vary the risk of any Guarantor as an obligor in respect of the Guaranteed Obligations.

Section 7.05 Waivers by Guarantors. Each Guarantor hereby waives, for the benefit of Beneficiaries: (a) any right to require any Beneficiary, as a condition of payment or performance by such Guarantor, to (i) proceed against Borrowers, any other guarantor (including any other Guarantor) of the Guaranteed Obligations or any other Person, (ii) proceed against or

exhaust any security held from Borrowers, any such other guarantor or any other Person, (iii) proceed against or have resort to any balance of any Deposit Account or credit on the books of any Beneficiary in favor of Borrowers or any other Person, or (iv) pursue any other remedy in the power of any Beneficiary whatsoever; (b) any defense arising by reason of the incapacity, lack of authority or any disability or other defense of Borrowers or any other Guarantor including any defense based on or arising out of the lack of validity or the unenforceability of the Guaranteed Obligations or any agreement or instrument relating thereto or by reason of the cessation of the liability of Borrowers or any other Guarantor from any cause other than payment in full of the Guaranteed Obligations; (c) any defense based upon any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in other respects more burdensome than that of the principal; (d) any defense based upon any Beneficiary's errors or omissions in the administration of the Guaranteed Obligations, except behavior which amounts to gross negligence, or willful misconduct; (e) (i) any principles or provisions of law, statutory or otherwise, which are or might be in conflict with the terms hereof and any legal or equitable discharge of such Guarantor's obligations hereunder, (ii) the benefit of any statute of limitations affecting such Guarantor's liability hereunder or the enforcement hereof, (iii) any rights to set offs, recoupments and counterclaims, and (iv) promptness, diligence and any requirement that any Beneficiary protect, secure, perfect or insure any security interest or Lien or any property subject thereto; (f) notices, demands, presentments, protests, notices of protest, notices of dishonor and notices of any action or inaction, including acceptance hereof, notices of default hereunder or any agreement or instrument related thereto, notices of any renewal, extension or modification of the Guaranteed Obligations or any agreement related thereto, notices of any extension of credit to Borrowers and notices of any of the matters referred to in Section 7.04 and any right to consent to any thereof; and (g) any defenses or benefits that may be derived from or afforded by law which limit the liability of or exonerate guarantors or sureties, or which may conflict with the terms hereof.

Section 7.06 Guarantors' Rights of Subrogation, Contribution, Etc. Until the Guaranteed Obligations shall have been indefeasibly paid in full and the Revolving Commitments shall have terminated, each Guarantor hereby waives any claim, right or remedy, direct or indirect, that such Guarantor now has or may hereafter have against Borrowers or any other Guarantor or any of its assets in connection with this Guaranty or the performance by such Guarantor of its obligations hereunder, in each case whether such claim, right or remedy arises in equity, under contract, by statute, under common law or otherwise and including without limitation (a) any right of subrogation, reimbursement or indemnification that such Guarantor now has or may hereafter have against Borrowers with respect to the Guaranteed Obligations, (b) any right to enforce, or to participate in, any claim, right or remedy that any Beneficiary now has or may hereafter have against Borrowers, and (c) any benefit of, and any right to participate in, any collateral or security now or hereafter held by any Beneficiary. In addition, until the Guaranteed Obligations shall have been indefeasibly paid in full and the Revolving Commitments shall have terminated, each Guarantor shall withhold exercise of any right of contribution such Guarantor may have against any other guarantor (including any other Guarantor) of the Guaranteed Obligations, including, without limitation, any such right of contribution as contemplated by Section 7.02. Each Guarantor further agrees that, to the extent the waiver or agreement to withhold the exercise of its rights of subrogation, reimbursement, indemnification and contribution as set forth herein is found by a court of competent jurisdiction to be void or voidable for any reason, any rights of subrogation, reimbursement or

indemnification such Guarantor may have against Borrowers or against any collateral or security, and any rights of contribution such Guarantor may have against any such other guarantor, shall be junior and subordinate to any rights any Beneficiary may have against Borrowers, to all right, title and interest any Beneficiary may have in any such collateral or security, and to any right any Beneficiary may have against such other guarantor. If any amount shall be paid to any Guarantor on account of any such subrogation, reimbursement, indemnification or contribution rights at any time when all Guaranteed Obligations shall not have been finally and indefeasibly paid in full, such amount shall be held in trust for Administrative Agent on behalf of Beneficiaries and shall forthwith be paid over to Administrative Agent for the benefit of Beneficiaries to be credited and applied against the Guaranteed Obligations, whether matured or unmatured, in accordance with the terms hereof.

Section 7.07 Subordination of Other Obligations. Any Indebtedness of Borrowers or any Guarantor now or hereafter held by any Guarantor (the "**Obligee Guarantor**") is hereby subordinated in right of payment to the Guaranteed Obligations, and any such indebtedness collected or received by the Obligee Guarantor after an Event of Default has occurred and is continuing shall be held in trust for Administrative Agent on behalf of Beneficiaries and shall forthwith be paid over to Administrative Agent for the benefit of Beneficiaries to be credited and applied against the Guaranteed Obligations but without affecting, impairing or limiting in any manner the liability of the Obligee Guarantor under any other provision hereof.

Section 7.08 Continuing Guaranty. This Guaranty is a continuing guaranty and shall (a) remain in effect until all of the Guaranteed Obligations shall have been paid in full and the Commitments shall have terminated, (b) be binding upon each Guarantor, its successors and assigns and (c) inure to the benefit of and be enforceable by the Agents and the Lenders and their successors, permitted transferees and permitted assigns. Each Guarantor hereby irrevocably waives any right to revoke this Guaranty as to future transactions giving rise to any Guaranteed Obligations.

Section 7.09 Authority of Guarantors or Borrowers. It is not necessary for any Beneficiary to inquire into the capacity or powers of any Guarantor or Borrowers or the officers, directors or any agents acting or purporting to act on behalf of any of them.

Section 7.10 Financial Condition of Borrowers. Any Credit Extension may be made to Borrowers or continued from time to time, without notice to or authorization from any Guarantor regardless of the financial or other condition of Borrowers at the time of any such grant or continuation. No Beneficiary shall have any obligation to disclose or discuss with any Guarantor its assessment, or any Guarantor's assessment, of the financial condition of Borrowers. Each Guarantor has adequate means to obtain information from Borrowers on a continuing basis concerning the financial condition of Borrowers and its ability to perform its obligations under the Credit Documents, and each Guarantor assumes the responsibility for being and keeping informed of the financial condition of Borrowers and of all circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations. Each Guarantor hereby waives and relinquishes any duty on the part of any Beneficiary to disclose any matter, fact or thing relating to the business, operations or conditions of Borrowers now known or hereafter known by any Beneficiary.

Section 7.11 Discharge of Guaranty Upon Sale of Guarantor. If all of the Capital Stock of any Guarantor or any of its successors in interest hereunder shall be sold or otherwise disposed of (including by merger or consolidation) in accordance with the terms and conditions of this Agreement, the Guaranty of such Guarantor or such successor in interest, as the case may be, hereunder shall automatically be discharged and released without any further action by any Beneficiary or any other Person effective as of the time of such Asset Sale.

Section 7.12 Taxes. The provisions of Section 2.20 shall apply, *mutatis mutandis*, to the Guarantors and payments thereby.

Section 7.13 Assignments. Without limiting the generality of Section 7.08(c) above, each Guarantor acknowledges that any Agent or any Lender may assign or otherwise transfer all or any portion of its rights and obligations under this Agreement (including, without limitation, all or any portion of its Commitments, the Loans owing to it and any Note or Notes held by it), and such assignee, transferee or participant shall thereupon become vested with all the benefits in respect thereof granted to such Lender herein or otherwise, in each case as and to the extent provided in Section 12.06. No Guarantor shall have the right to assign its rights hereunder or any interest herein without the prior written consent of the Lenders in accordance with Section 12.05(b)(vi).

Section 7.14 Reinstatement. Each Guarantor agrees that, if (a) any payment made by the Borrowers or any other Person and applied to the Obligations is at any time annulled, avoided, set aside, rescinded, invalidated, declared to be fraudulent or preferential or otherwise required to be refunded or repaid, or (b) the proceeds of Collateral are required to be returned by any Beneficiary to any Borrower or its estate, trustee, receiver or any other party, including any Guarantor or its estate, trustee, receiver, under any state or provincial corporate law, or any state, provincial, federal or foreign bankruptcy, insolvency, reorganization or other law or equitable cause affecting the rights of creditors generally, then, to the extent of such payment or repayment, any such Guarantor's liability hereunder (and any Lien or other Collateral securing such liability) shall be and remain in full force and effect, as fully as if such payment had never been made. If, prior to any of the foregoing, this Guaranty shall have been cancelled or surrendered (and if any Lien or other Collateral securing such Guarantor's liability hereunder shall have been released or terminated by virtue of such cancellation or surrender), this Guaranty (and such Lien or other Collateral) shall be reinstated in full force and effect, and such prior cancellation or surrender shall not diminish, release, discharge, impair or otherwise affect the obligations of any such Guarantor in respect of the amount of such payment (or any Lien or other Collateral securing such obligation).

ARTICLE IX

CASH MANAGEMENT; COLLECTIONS

Section 9.01 Accounts; Cash Management

(a) Prior to the Closing Date, (i) GMACM Borrower shall establish and maintain, at its sole expense, one or more deposit accounts (collectively, the "**GMACM Borrower Accounts**") into which all Collections with respect to GMACM Borrower's Mortgage Loans, Receivables and REO Property will be deposited, and (ii) RFC Borrower shall establish and maintain, at its sole expense, one or more deposit accounts (collectively, the "**RFC Borrower Accounts**" and together with GMACM Borrower Accounts, the "**Borrower Accounts**") into which all Collections with respect to RFC Borrower's Mortgage Loans, Receivables and REO Property will be deposited. The Borrower Accounts shall be established and maintained with JPMCB, or such other bank as is acceptable to Administrative Agent (the "**Borrower Account Bank**").

(b) Funds on deposit in the Borrower Accounts may be swept from time to time (without any requirement to deliver any Withdrawal Notice or satisfy the conditions precedent in Section 3.04), except during an Activation Period, to a concentration account (the "**Concentration Account**") established and maintained by ResCap at JPMCB or another bank acceptable to Administrative Agent (the "**Concentration Account Bank**"). The Concentration Account will be a segregated account into which only funds swept from the Borrower Accounts will be deposited, and no other funds of the Credit Parties will be commingled with such funds. The Concentration Account will not be subject to any Lien other than Liens described in (i) clauses (a) and (b) of Section 6.02 and (ii) clause (j) of Section 6.02 to the extent that such Lien is permitted under the Deposit Account Control Agreement governing the Concentration Account and has not been waived by the Concentration Account Bank. Subject to Sections 3.04, ResCap will be permitted to withdraw funds from the Concentration Account and the Borrowers will be permitted to withdraw funds from the Borrower Accounts (and, following the receipt of an Activation Notice but prior to the commencement of a Dominion Period, the Collection Account) solely for the following purposes (collectively, the "**Permitted Expenditures**"): (i) at any time other than during a Dominion Period, funding Advances under Eligible Servicing Agreements, (ii) at any time other than during a Dominion Period, transferring funds to a ResCap corporate account to be used for the payment of expenses in accordance with the Approved DIP Budget (inclusive of any permitted variances), (iii) on the Closing Date, for the transfer of an amount up to \$40,000,000 to an account specified by the Borrowers, such funds to be used for general corporate purposes by ResCap and its Subsidiaries, and (iv) at any time other than during a Dominion Period, to reimburse GMACM or RFC, as applicable, for any Advances under Servicing Agreements initially funded out of ResCap's corporate accounts, in each of the foregoing cases, in accordance with the Approved DIP Budget, the Credit Documents, the Cash Management Order and the Orders.

(c) As a condition to withdrawal of any funds from the Concentration Account or any Borrower Account (other than in connection with a sweep of funds to the Concentration Account pursuant to Section 9.01(b)), or, following the receipt of an Activation Notice but prior to the commencement of a Dominion Period, the Collection Account, the

Primary Credit Parties shall deliver to Administrative Agent a fully executed Withdrawal Notice no later than 11:00 a.m. (New York City time) on the proposed Withdrawal Date, and all conditions precedent in Section 3.04 shall have been satisfied prior to any such withdrawal of funds on the applicable Withdrawal Date.

(i) Upon the occurrence of an Activation Trigger Event that is continuing, Administrative Agent may, or, at the request of the Requisite Lenders shall, direct Collateral Agent to send, and Collateral Agent shall promptly send, a notice (an "**Activation Notice**") to the Borrower Account Bank and the Concentration Account Bank commencing a period of exclusive control by Collateral Agent. After the delivery of an Activation Notice, the Borrowers shall not withdraw funds from the Borrower Accounts and ResCap shall not withdraw funds from the Concentration Account and all funds will be swept daily to the Collection Account as provided in Sections 9.01(e)(ii) and (iii).

(ii) After the delivery of an Activation Notice, Administrative Agent shall determine, upon receipt of the Withdrawal Notice, whether the conditions precedent set forth in Section 3.04 have been satisfied and shall promptly either (x) deliver a Withdrawal Direction Letter to Collateral Agent directing Collateral Agent to instruct the Collection Account Bank to remit the funds from the Collection Account as requested pursuant to the Withdrawal Notice or (y) advise the Borrowers that the conditions precedent in Section 3.04 have not been satisfied and that the requested withdrawal shall not be permitted.

(d) During a Dominion Period, the Primary Credit Parties agree that all payments made to the Borrower Accounts and funds on deposit therein and in the Concentration Account and the Collection Account and other funds received and collected by any Agent or any Lender, whether constituting Collections, other proceeds of First Lien Collateral or otherwise shall be treated as payments to Administrative Agent, Lenders and other Secured Parties in respect of the Obligations and therefore shall constitute the property of Administrative Agent, the Lenders and the other Secured Parties to the extent of the then outstanding Obligations.

(e) Each Credit Party shall maintain a cash management system that is acceptable to Administrative Agent (the "**Cash Management System**"), it being understood and agreed that the existing cash management system maintained at JPMCB as of the date hereof is acceptable to Administrative Agent. The Cash Management System shall contain, among other things, the following:

(i) The Borrowers shall establish and maintain the Borrower Accounts and ResCap shall establish and maintain the Concentration Account as set forth in Sections 9.01(a) and (b). The Borrower Accounts and the Concentration Account will be subject to Deposit Account Control Agreements in favor of Collateral Agent, pursuant to which the applicable Account Bank shall agree that, from and after the receipt of an Activation Notice from Collateral Agent, at the direction of Administrative Agent (which Activation Notice may only be given in accordance with Section 9.01(c)(i) or 9.01(e)(iii)), such Account Bank shall comply exclusively with the directions and instructions of

Collateral Agent with respect to the Deposit Accounts subject to such Deposit Account Control Agreement.

(ii) Either GMACM Borrower or RFC Borrower, at its sole expense, shall establish and maintain a deposit account (the "**Collection Account**" and, collectively with the Borrower Accounts and the Concentration Account, the "**Blocked Accounts**") with JPMCB, or such other bank as is acceptable to Administrative Agent (the "**Collection Account Bank**"). All funds in the Borrower Accounts and the Concentration Account will be swept daily during an Activation Period to the Collection Account, and during a Dominion Period upon not less than seven (7) days' prior written notice to Borrowers from Collateral Agent (at the direction of Administrative Agent), applied to outstanding Obligations in accordance with Section 8.02. The Collection Account will be subject to the sole dominion and control of Collateral Agent pursuant to a Deposit Account Control Agreement duly authorized, executed and delivered by the applicable Borrower and the Collection Account Bank.

(iii) At any time after entry of the Final Financing Order, upon the occurrence of an Event of Default that is continuing, Administrative Agent may, or at the request of the Requisite Lenders shall, direct Collateral Agent to send, and Collateral Agent shall promptly send, an Activation Notice to the Borrower Account Bank and the Concentration Account Bank commencing a Dominion Period and further direct the Borrower Account Bank and the Concentration Account Bank to forward and sweep daily all amounts in the Borrower Accounts and the Concentration Account, respectively, to the Collection Account.

(iv) Other than the Borrower Accounts and the Collection Account, Borrowers shall not establish any bank accounts, deposit accounts, checking accounts, money market funds, certificates of deposit or other similar accounts or financial instruments accounts after the Closing Date without the prior written consent of Administrative Agent. Any such account established by Borrowers with such consent shall be subject to a control agreement satisfactory to Administrative Agent and Collateral Agent, duly authorized, executed and delivered by such Borrower and by the bank where such account is maintained.

(f) The Credit Parties and their respective directors, employees, agents and Affiliates shall, acting as trustee for Collateral Agent, for the benefit of the Secured Parties, receive, as the property of Collateral Agent, for the benefit of the Secured Parties, any monies, checks, notes, drafts or any other payments relating to and/or proceeds of First Lien Collateral which come into their possession or under their control and immediately upon receipt thereof, shall deposit or cause the same to be deposited in a Borrower Account. The Credit Parties agree to reimburse Collateral Agent on demand for any amounts owed or paid to any bank at which a Blocked Account is established or any other bank or Person involved in the transfer of funds to or from the Blocked Accounts arising out of Collateral Agent's payments to or indemnification of such bank or Person.

Section 9.02 Daily Deposits of Receivables Proceeds. Each Servicer shall remit to a GMACM Borrower Account or an RFC Borrower Account, as applicable, all Collections

collected by such Servicer pursuant to any Designated Servicing Agreement, no later than two (2) Business Days after collection thereof by such Servicer; provided, however, that if a Designated Servicing Agreement requires the related Servicer to remit any such amounts constituting Receivables Proceeds that constitute Advance Reimbursement Amounts to an MBS Trust Collection Account, the Servicer shall deposit such Collections to such account no later than two (2) Business Days after collection thereof by the Servicer, and shall cause such amounts to be remitted directly from such MBS Trust Collection Account to the applicable Borrower Account no later than two (2) Business Days after such amounts are deposited into the MBS Trust Collection Account. Advance Reimbursement Amounts received in connection with the liquidation of any Serviced Loan shall be deemed to have been applied to reimburse all outstanding T&I Advances with respect to such Serviced Loan, before being applied to reimburse P&I Advances or Corporate Advances with respect to such Serviced Loan. Notwithstanding the foregoing, after a Servicer shall have remitted to the applicable Borrower Account Advance Reimbursement Amounts in respect of P&I Advances made under a Designated Servicing Agreement in an amount sufficient to reimburse all P&I Advances that were made under such Designated Servicing Agreement using funds other than Amounts Held for Future Distribution, such Servicer may leave additional Advance Reimbursement Amounts collected with respect to such Designated Servicing Agreement in the related MBS Trust Collection Account and use such funds to reimburse Amounts Held for Future Distribution as required by Section 9.03 below.

Section 9.03 Restoration of Amounts Held for Future Distribution. Pursuant to certain Designated Servicing Agreements, each Servicer may remit amounts held for distribution to the MBS Trustee in a future month ("**Amounts Held for Future Distribution**") on deposit in each MBS Trust Collection Account, to the related MBS Trustee as part of such Servicer's monthly P&I Advances required under the related Designated Servicing Agreement. Each Servicer shall deposit the full amount of any Amount Held for Future Distribution with respect to each Designated Servicing Agreement that were so used by such Servicer, in any month, back into the related MBS Trust Collection Account, to the extent not restored already out of Advance Reimbursement Amounts, by no later than the date on which such Servicer is required to remit such amount to the related MBS Trustee under the related Designated Servicing Agreement. If a Servicer fails to restore any such Amount Held for Future Distribution at the time when it is required to do so pursuant to this Section 9.03, and does not correct such failure within one (1) Business Day, then such Servicer covenants hereunder that it shall no longer use any Amounts Held for Future Distribution in making any of its P&I Advances at any time on or after such failure.

ARTICLE X

AGENTS

Section 10.01 Appointment and Authorization of Agents. Each Lender hereby irrevocably appoints (subject to Section 10.07) Barclays to act on its behalf as Administrative Agent hereunder and under the other Credit Documents and authorizes Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. Each Lender hereby irrevocably appoints (subject to Section 10.07) Barclays

Bank PLC to act on its behalf as Collateral Agent hereunder and under the other Credit Documents and authorizes Collateral Agent to take such actions on its behalf and to exercise such powers as are delegated to Collateral Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article X are solely for the benefit of the Agents and the Lenders, and the Borrowers shall not have rights as a third-party beneficiary of any of such provisions. It is understood and agreed that the use of the term "agent" herein or in any other Credit Documents (or any other similar term) with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

Section 10.02 Rights as a Lender. Any Agent shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same rights and powers as though it were not an Agent hereunder, and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as such Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for, and generally engage in any kind of business with, Borrowers or any Subsidiary or other Affiliate thereof as if such Person were not an Agent hereunder and without any duty to account therefor to the Lenders.

Section 10.03 Exculpatory Provisions.

(a) No Agent shall have any duties or obligations except those expressly set forth herein and in the other Credit Documents, and its duties hereunder shall be administrative in nature. Without limiting the generality of the foregoing, no Agent shall: (i) be subject to any fiduciary or other implied duties, regardless of whether a Default or an Event of Default has occurred and is continuing; (ii) have any duty to take any discretionary action or exercise any discretionary powers, except (in the case of Administrative Agent) discretionary rights and powers expressly contemplated hereby or by the other Credit Documents that Administrative Agent is required to exercise as directed in writing by the Requisite Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Credit Documents); provided that no Agent shall be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Credit Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law; and (iii) except as expressly set forth herein and in the other Credit Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrowers or any of their Affiliates that is communicated to or obtained by such Agent or any of its Affiliates in any capacity.

(b) No Agent shall be liable for any action taken or not taken by it (i) with the consent or at the request of the Requisite Lenders (or such other number or percentage of the Lenders as shall be necessary, or as such Agent shall believe in good faith shall be necessary, under the circumstances as provided in Section 12.05), or (ii) in the absence of its

own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and nonappealable judgment. No Agent shall be deemed to have knowledge or notice of the occurrence of any Default or Event of Default unless and until such Agent shall have received written notice from a Lender or a Borrower (or in the case of any Agent other than Administrative Agent, written notice from Administrative Agent) referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default."

(c) No Agent or any of its Related Parties (collectively, "**Agent-Related Persons**") shall be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Credit Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default or Event of Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Credit Document or any other agreement, instrument or document or (v) the satisfaction of any condition set forth in Article III or elsewhere herein, other than (in the case of Administrative Agent or Collateral Agent) to confirm receipt of items expressly required to be delivered to it.

Section 10.04 Reliance by Agents. Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. Each Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to any Credit Extension that by its terms shall be fulfilled to the satisfaction of a Lender, Agents may presume that such condition is satisfactory to such Lender unless Administrative Agent shall have received notice to the contrary from such Lender prior to any such Credit Extension. Each Agent may consult with legal counsel (who may be counsel for the Borrowers and their Subsidiaries), independent accountants and other experts and professional advisors selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts or professional advisors.

Section 10.05 Delegation of Duties. Each Agent may perform any and all of its duties and exercise its rights and powers under this Agreement or under any other Credit Document by or through any one or more sub-agents appointed by such Agent. Each Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article X shall apply to any such sub-agent and to the respective Related Parties of such Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the Credit Facilities as well as activities as Administrative Agent, Collateral Agent or Syndication Agent, as applicable. No Agent shall be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that such Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

Section 10.06 Indemnification of Agents. Whether or not the transactions contemplated hereby are consummated, each Lender shall indemnify upon demand each Agent-Related Person (to the extent not reimbursed by or on behalf of the Borrowers and without limiting the obligations of any Credit Party to do so) on a pro rata basis (determined as of the time that the applicable payment is sought based on each Lender's ratable share at such time) and hold harmless each Agent-Related Person against any and all Indemnified Liabilities incurred by it, including, without limitation, with respect to indemnities or other similar amounts payable by Administrative Agent or Collateral Agent to or on behalf of any other agent, sub-agent, appraiser or third party; provided that no Lender shall be liable for payment to any Agent-Related Person of any portion of such Indemnified Liabilities to the extent determined in a final, nonappealable judgment of a court of competent jurisdiction to have resulted from such Agent-Related Person's own gross negligence or willful misconduct (and no action taken in accordance with the directions of the Requisite Lenders shall be deemed to constitute gross negligence or willful misconduct for purposes of this Section 10.06). In the case of any investigation, litigation or proceeding giving rise to any Indemnified Liabilities, this Section 10.06 applies whether any such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limitation of the foregoing, each Lender shall reimburse Administrative Agent, Collateral Agent and Syndication Agent upon demand for its ratable share of any costs or out-of-pocket expenses (including the fees, disbursements and other charges of counsel) incurred by such Agent in connection with preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights and responsibilities under, this Agreement, any other Credit Document, or any document contemplated by or referred to herein, to the extent that such Agent is not reimbursed for such costs or expenses by or on behalf of Borrowers.

To the extent required by any applicable law, Administrative Agent may withhold from any payment to any Lender an amount equivalent to any U.S. federal income Tax. If the IRS or any other Governmental Authority asserts a claim that Administrative Agent did not properly withhold U.S. federal income Tax from amounts paid to or for the account of any Lender because the appropriate form was not delivered or was not properly executed or because such Lender failed to notify Administrative Agent of a change in circumstance which rendered the exemption from, or reduction of, U.S. federal income Tax ineffective or for any other reason, or if Administrative Agent reasonably determines that a payment was made to a Lender pursuant to this Agreement without deduction of applicable withholding tax from such payment, such Lender shall indemnify Administrative Agent fully for all amounts paid, directly or indirectly, by Administrative Agent as Tax or otherwise, including any penalties or interest and together with all reasonable costs and out-of-pocket expenses (including reasonable fees and expenses of counsel) incurred in connection therewith.

Section 10.07 Resignation or Removal of Administrative Agent and Collateral Agent.

(a) Administrative Agent may resign as Administrative Agent upon thirty (30) days' notice to the Lenders and the Borrowers. In addition, Administrative Agent may be removed at the written direction of the holders (other than Administrative Agent, in its capacity as a Lender) of 66 2/3% or more of the Aggregate Credit Exposure (excluding Administrative Agent's Credit Exposure, in its capacity as a Lender, if any). Upon any such

removal or upon receipt of any such notice of resignation, the Requisite Lenders shall appoint from among the Lenders a successor agent (which may be an Affiliate of a Lender), with the consent of the Borrowers at all times other than during the existence of an Event of Default (which consent shall not be unreasonably withheld or delayed). If no such successor shall have been so appointed by the Requisite Lenders and shall have accepted such appointment prior to the effective date of the removal or resignation of Administrative Agent, then Administrative Agent may (but shall not be obligated to), on behalf of the Lenders, appoint a successor Administrative Agent meeting the qualifications set forth above. Whether or not a successor has been appointed, such resignation shall become effective in accordance with such notice on such effective date and such removal shall become effective on such effective date, where (i) the retiring or removed Administrative Agent shall be discharged from its duties and obligations under this Agreement and under the other Credit Documents and (ii) all payments, communications and determinations provided to be made by, to or through Administrative Agent shall instead be made by or to each Lender directly, until such time, if any, as the Requisite Lenders appoint a successor Administrative Agent as provided for above. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring or removed Administrative Agent, and the retiring or removed Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Credit Documents. The fees payable by the Borrowers to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrowers and such successor. After the retiring or removed Administrative Agent's resignation or removal, as applicable, hereunder and under the other Credit Documents, the provisions of this Article X and Sections 12.02 and 12.03 shall continue in effect for the benefit of such retiring or removed Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring or removed Administrative Agent was acting as Administrative Agent.

(b) Collateral Agent may resign as Collateral Agent upon thirty (30) days' notice to the Lenders and the Borrowers. In addition, Collateral Agent may be removed at the written direction of the holders (other than Collateral Agent, in its capacity as a Lender) of 66 2/3% or more of the Aggregate Credit Exposure (excluding Collateral Agent's Credit Exposure, in its capacity as a Lender, if any). Upon any such removal or receipt of any such notice of resignation, the Requisite Lenders shall have the right to appoint a successor collateral agent (which may be a Lender or an Affiliate of a Lender), with the consent of the Borrowers at all times other than during the existence of an Event of Default (which consent shall not be unreasonably withheld or delayed). If no such successor shall have been so appointed by the Requisite Lenders and shall have accepted such appointment prior to the effective date of the resignation or removal of Collateral Agent, then Administrative Agent may (but shall not be obligated to), on behalf of the Lenders, appoint a successor Collateral Agent meeting the qualifications set forth above. Whether or not a successor has been appointed, such resignation shall become effective in accordance with such notice on such effective date and such removal shall become effective on such effective date, where (i) the retiring or removed Collateral Agent shall be discharged from its duties and obligations under this Agreement and under the other Credit Documents (except that in the case of any collateral security held by Collateral Agent on behalf of the Lenders under any of the Credit Documents, the retiring or removed Collateral Agent may (but shall not be obligated to) continue to hold such collateral security until such time

as a successor Collateral Agent is appointed) and (ii) all payments, communications and determinations provided to be made by, to or through Collateral Agent shall instead be made by or to each Lender directly, until such time, if any, as the Requisite Lenders appoint a successor Collateral Agent as provided for above. Upon the acceptance of a successor's appointment as Collateral Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring or removed Collateral Agent, and the retiring or removed Collateral Agent shall be discharged from all of its duties and obligations hereunder or under the other Credit Documents. The fees payable by Borrowers to a successor Collateral Agent shall be the same as those payable to its predecessor unless otherwise agreed between Borrowers and such successor. After the retiring or removed Collateral Agent's resignation or removal hereunder and under the other Credit Documents, the provisions of this Article X and Sections 12.02 and 12.03 shall continue in effect for the benefit of such retiring or removed Collateral Agent, its sub-agents and their respective Affiliates in respect of any actions taken or omitted to be taken by any of them while the retiring or removed Collateral Agent was acting as Collateral Agent.

Section 10.08 Non-Reliance on Agents and Other Lenders. Each Lender acknowledges that it has, independently and without reliance upon any Agent-Related Person or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement and the other Credit Documents. Each Lender also acknowledges that it will, independently and without reliance upon any Agent-Related Person or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Credit Document or any related agreement or any document furnished hereunder or thereunder.

Section 10.09 Administrative Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to the Credit Parties, including the Cases, Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether Administrative Agent shall have made any demand on any Credit Party) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, Administrative Agent and other Secured Parties (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, Administrative Agent and other Secured Parties and their respective agents and counsel and all other amounts due to the Lenders, Administrative Agent and other Secured Parties under Sections 2.11, 12.02 and 12.03) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and each other Secured Party to make such payments to Administrative Agent and, in the event that Administrative Agent shall consent to the making of such payments directly to the Lenders or other Secured Parties, to pay to Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of Administrative Agent and its agents and counsel, and any other amounts due Administrative Agent under Sections 2.11, 12.02 and 12.03.

Section 10.10 Collateral Documents and Guaranty.

(a) Agents under Collateral Documents and Guaranty. Each Secured Party hereby further authorizes Administrative Agent and Collateral Agent, on behalf of and for the benefit of Secured Parties, to be the agent for and representative of Secured Parties with respect to the Guaranty, the Collateral and the Collateral Documents. Subject to Section 12.05, without further written consent or authorization from any Secured Party, each of Administrative Agent and Collateral Agent may execute any documents or instruments necessary to (i) release any Lien encumbering any item of Collateral that is the subject of a sale or other disposition of assets permitted hereby or to which Requisite Lenders (or such other Lenders as may be required to give such consent under Section 12.05) have otherwise consented or (ii) release any Guarantor from the Guaranty pursuant to Section 7.11 or with respect to which Requisite Lenders (or such other Lenders as may be required to give such consent under Section 12.05) have otherwise consented.

(b) Right to Realize on Collateral and Enforce Guaranty. Anything contained in any of the Credit Documents to the contrary notwithstanding, Borrowers, Administrative Agent, Collateral Agent and each Secured Party hereby agree that (i) no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce the Guaranty, it being understood and agreed that all powers, rights and remedies hereunder may be exercised solely by Administrative Agent, on behalf of Secured Parties in accordance with the terms hereof and all powers, rights and remedies under the Collateral Documents may be exercised solely by Collateral Agent, and (ii) in the event of a foreclosure by Collateral Agent on any of the Collateral pursuant to a public or private sale, Collateral Agent or any Lender may be the purchaser of any or all of such Collateral at any such sale and Collateral Agent, as agent for and representative of Secured Parties (but not any Lender or Lenders in its or their respective individual capacities unless Requisite Lenders shall otherwise agree in writing) shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Obligations as a credit on account of the purchase price for any collateral payable by Collateral Agent at such sale.

ARTICLE XI

RECEIVABLES CUSTODIAN; VERIFICATION AGENT

Section 11.01 Receivable Files.

(a) Administrators as Receivables Custodian. To reduce administrative costs, Collateral Agent, on behalf of the Lenders, upon the execution and delivery

of this Agreement, appoints the Administrators, and each Administrator accepts such appointment, to act as the agent (each such Person, acting in such capacity, a "**Receivables Custodian**" hereunder) of Collateral Agent as custodian for the benefit of the Lenders of the following documents (collectively referred to as the "**Receivable File**") relating to each Receivable attributable to such Person:

- (i) a copy of the related Designated Servicing Agreement and each amendment and modification thereto;
- (ii) any other documents received from or made available by the related MBS Trustee, Servicer, securities administrator or other similar party in respect of such Receivable; and
- (iii) any and all other documents that the Primary Credit Parties, as the case may be, shall keep on file, in accordance with their customary procedures, relating to such Receivable or the related MBS Trust.

In the event any of RFC or GMACM is terminated or resigns as the Servicer under any Designated Servicing Agreement, it will immediately upon such termination or resignation, as applicable, deliver all documents held by it hereunder to Collateral Agent or the successor Servicer.

(b) Marking of Records. The Administrator shall ensure that, from and after the time of sale and conveyance of Receivables originated under a Designated Servicing Agreement to a Borrower under a Receivables Purchase Agreement and the time of sale and/or contribution of Receivables to a Borrower under a Receivables Pooling and Purchase Agreement, and the pledge thereof to Collateral Agent pursuant to the Collateral Documents, any records (including any computer records and back-up archives) maintained by or on behalf of the related Servicer that refer to any Receivable indicate clearly the interest of the Borrowers and the security interest of Collateral Agent in such Receivable and that such Receivable is owned by the applicable Borrower and subject to Collateral Agent's security interest. Indication of the applicable Borrower's ownership of a Receivable and the security interest of Collateral Agent shall be deleted from or modified on such records when, and only when, such Receivable has been paid in full, repurchased, or assigned by the applicable Borrower and released by Collateral Agent from its security interest.

Section 11.02 Duties of Receivables Custodian with Respect to the Receivables Files.

(a) Safekeeping. Each Person acting as a Receivables Custodian pursuant to Section 11.01, shall hold the portion of the Receivable Files, as applicable, that it is required to maintain under Section 11.01 in its possession from time to time for the use and benefit of the Lenders, and maintain such accurate and complete accounts, records and computer systems pertaining to each Receivable File as shall enable Collateral Agent and the Administrator to comply with this Agreement. Each Receivables Custodian shall act with reasonable care, using that degree of skill and attention that it would exercise with respect to the receivable files for comparable receivables that such Receivables Custodian owns for itself

(whether or not the Receivables Custodian shall then own such comparable receivables for itself). Each Receivables Custodian shall promptly report to Collateral Agent any failure on its part to hold the Receivable Files and maintain its accounts, records and computer systems as herein provided and promptly take appropriate action to remedy any such failure.

(b) Maintenance of and Access to Records. Each Receivables Custodian shall maintain the Receivable File that it is required to maintain under this Agreement at its offices at 1100 Virginia Drive, Fort Washington, PA 19034, or at such other office as shall be specified to Collateral Agent by thirty (30) days' prior written notice. The Receivables Custodians shall make available to Collateral Agent, Administrative Agent, the Borrowers, the Administrator and any Lender or their duly authorized representatives, attorneys or auditors each Receivable File, as applicable, and the accounts, records and computer systems maintained with respect thereto upon not less than two (2) Business Days' prior written notice for examination during normal business hours and in a manner that does not unreasonably interfere with such Receivables Custodian's ordinary conduct of business.

Section 11.03 Removal and Replacement of Verification Agent.

(a) Removal. Administrative Agent may, in its discretion, direct the Primary Credit Parties to, and the Primary Credit Parties shall promptly upon being so directed, exercise their rights to terminate the Verification Agency Agreement in accordance with its terms.

(b) Replacement. Upon any termination of the Verification Agency Agreement, the Primary Credit Parties shall enter into an agreement with a successor Verification Agent selected by Administrative Agent in consultation with the Borrowers.

ARTICLE XII

MISCELLANEOUS

Section 12.01 Notices.

(a) Notices Generally. Unless otherwise expressly provided herein, all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopier to the applicable party hereto, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as provided in Appendix B. Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in Section 12.01(b) below shall be effective as provided therein.

(b) Electronic Communications.

(i) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e mail and Internet or intranet websites) pursuant to procedures approved by Administrative Agent; provided that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender has notified Administrative Agent that it is incapable of receiving, or is unwilling to receive, notices under Article II by electronic communication. Administrative Agent, Collateral Agent or the Borrowers may, in their discretion, agree to accept notices and other communications to them hereunder by electronic communications pursuant to procedures approved by them; provided that approval of such procedures may be limited to particular notices or communications.

(ii) Unless Administrative Agent otherwise prescribes, (x) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement); and (y) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient, at its e-mail address as described in clause (x) above, of notification that such notice or communication is available and identifying the website address therefor; provided that, in the case of clauses (x) and (y) above, if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient.

(iii) Each of the Credit Parties and the Lenders understands that the distribution of material through an electronic medium is not necessarily secure and that there are confidentiality and other risks associated with such distribution and agrees and assumes the risks associated with such electronic distribution, except to the extent caused by the willful misconduct or gross negligence of Administrative Agent, as determined by a final, non-appealable judgment of a court of competent jurisdiction.

(c) Change of Address, etc. Each Borrower, Administrative Agent and Collateral Agent may change its address, telecopier number, telephone number or electronic mail address for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, telecopier number, telephone number or electronic mail address for notices and other communications hereunder by notice to Borrowers and Administrative Agent. In addition, each Lender agrees to notify Administrative Agent from time to time to ensure that Administrative Agent has on record (i) an effective address, contact name, telephone number, telecopier number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire transfer instructions for such Lender.

(d) Public Side Information Contacts. The Credit Parties acknowledge that certain of the Lenders (each, a "**Public Lender**") may have personnel who do not wish to receive material non-public information with respect to any Credit Party or its Affiliates, or the respective securities of any of the foregoing. Each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to have selected the "Private Side Information" or similar designation on the content declaration screen of the Platform in order to enable such

Public Lender or its delegate, in accordance with such Public Lender's compliance procedures and applicable law, including the U.S. federal and state securities laws, to make reference to materials and/or information provided by or on behalf of the Borrowers and their Related Parties ("**Borrower Materials**") that are not made available through the "Public Side Information" portion of the Platform and that may contain material non-public information with respect to a Borrower or its securities for purposes of the U.S. federal or state securities laws. In the event that any Public Lender has elected for itself to not access any information disclosed through the Platform or otherwise, such Public Lender acknowledges that (i) the Agents and other Lenders may have access to such information and (ii) neither the Borrowers nor any Agent or other Lender with access to such information shall have (x) any responsibility for such Public Lender's decision to limit the scope of information it has obtained in connection with this Agreement and the other Credit Documents or (y) any duty to disclose such information to such electing Lender or to use such information on behalf of such electing Lender, and shall not be liable for the failure to so disclose or use, such information.

(e) Platform. THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT-RELATED PERSONS DO NOT WARRANT THE ACCURACY OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS OR OMISSIONS IN THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD-PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT-RELATED PERSON IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall any Agent-Related Person have any liability to the Borrowers, any Lender or any other Person or entity for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrowers' or Administrative Agent's transmission of Borrower Materials through the Platform, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by an final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Agent-Related Person; provided that in no event shall any Agent-Related Person have any liability to the Borrowers, any Lender or any other Person for indirect, special, incidental, consequential damages or punitive damages (as opposed to direct or actual damages). Each of the Credit Parties, the Lenders and the Agents agree that Administrative Agent may, but shall not be obligated to, store any Approved Electronic Communications on the Platform in accordance with Administrative Agent's customary document retention procedures and policies.

(f) Reliance by Administrative Agent, Collateral Agent and Lenders. Administrative Agent, Collateral Agent and the Lenders shall be entitled to rely and act upon any notices (including telephonic funding requests and other telephonic notices) purportedly given by or on behalf of Borrowers even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. Borrowers shall indemnify Administrative Agent, Collateral Agent, each Lender and the Related Parties of each of them for all losses, costs, expenses and liabilities resulting from the reliance of such Person on each notice purportedly given by or on behalf of the Borrowers. All telephonic

notices to and telephonic communications with any Agent may be recorded by such Agent, and each of the parties hereby consents to such recording.

Section 12.02 Expenses. Section 12.03 Indemnity.

(a) Indemnification by Credit Parties. Each Credit Party shall indemnify Administrative Agent (and any sub-agent thereof), each other Agent (and any sub-agent thereof), each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an "**Indemnatee**") against, and hold each Indemnatee harmless from, any and all liabilities, obligations, losses, damages (including natural resource damages), penalties, claims, demands, actions, judgments, suits, costs (including settlement costs and costs of any investigation, study, sampling, testing, abatement, cleanup, removal, remediation or other response action necessary to remove, remediate, clean up or abate any Hazardous Materials Activity or remedy any violation of Environmental Law and indemnities or other similar amounts payable by Administrative Agent or Collateral Agent to or on behalf of any other agent, sub-agent, appraiser or third party), disbursements and out-of-pocket fees and expenses (including the fees, charges and disbursements of any counsel for any Indemnatee and indemnities or other similar amounts payable by Administrative Agent or Collateral Agent to or on behalf of any other agent, sub-agent, appraiser or third party) of any kind or nature whatsoever which may at any time be imposed on, incurred by or asserted or awarded against any Indemnatee, whether direct, indirect or consequential and whether based on any federal, state or foreign laws, statutes, rules or regulations (including securities and commercial laws, statutes, rules or regulations and Environmental Laws), on common law or equitable cause or on contract or otherwise, in each case other than Taxes, that may be imposed on, incurred by, or asserted against any such Indemnatee, in any way relating to or arising out of or in connection with or by reason of (i) any actual or prospective claim, litigation, investigation or proceeding in any way relating to, arising out of, in connection with or by reason of any of the following, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, litigation or proceeding): (x) the execution, delivery,

enforcement, performance or administration of this Agreement, any other Credit Document or any other document delivered in connection with the transactions contemplated thereby or the consummation of the transactions contemplated thereby or (y) any Commitment, any Credit Extension or the use or proposed use thereof or of the proceeds thereof; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs, fees and expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee; or (ii) any Environmental Claim or any Hazardous Materials Activity relating to or arising from, directly or indirectly, any past or present activity, operation, land ownership, or practice of ResCap, any of its Subsidiaries or any of their respective predecessors ((i) and (ii), collectively, the "**Indemnified Liabilities**"), in all cases, whether or not caused by or arising, in whole or in part, out of the negligence of such Indemnitee and regardless of whether such Indemnitee is a party thereto, and whether or not any such claim, litigation, investigation or proceeding is brought by any Credit Party, its equity holders, Affiliates, creditors or any other Person. To the extent that the undertakings to defend, indemnify, pay and hold harmless set forth in this Section 12.03 may be unenforceable in whole or in part because they are violative of any law or public policy, the applicable Credit Party shall contribute the maximum portion that it is permitted to pay and satisfy under applicable law to the payment and satisfaction of all Indemnified Liabilities incurred by Indemnitees or any of them. This Section 12.03(a) shall not apply with respect to Taxes other than any Taxes that represent losses or damages arising from any non-Tax claim.

(b) Waiver of Consequential Damages, Etc. To the fullest extent permitted by applicable law, the Credit Parties shall not assert, and each Credit Party hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, any Credit Document or any other document contemplated thereby, the transactions contemplated thereby, any Commitment or any Credit Extension, the use thereof or of the proceeds thereof or such Indemnitee's activities in connection therewith (whether before or after the Closing Date); provided that such waiver of special, indirect, consequential or punitive damages shall not limit the indemnification obligations of the Credit Parties under this Section 12.03. No Indemnitee shall be liable for any damages arising from the use by unintended recipients of any information or other materials obtained through any Platform or other information transmission systems in connection with the Credit Documents or the transactions contemplated thereby unless determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee.

(c) Payments. All amounts due under this Section 12.03 shall be payable in full in Dollars, promptly after demand therefor by the relevant Person entitled thereto, without deduction for any variation in any Rate of Exchange.

(d) Notification and Defense. Promptly after any Indemnitee shall have been served with the summons or other first legal process or shall have received written notice of the threat of a claim in respect of which a claim for indemnity may be made against the Credit Parties under this Section 12.03, such Indemnitee shall notify Borrowers and

Administrative Agent in writing of the service of such summons, other legal process or written notice, giving information therein as to the nature and basis of the claim, but failure so to notify such Persons shall not relieve any Credit Party from any liability which it may have hereunder or otherwise. The applicable Credit Party or Credit Parties will be entitled, at its own expense, to participate in the defense of any such claim or action and, to the extent that it may wish, to assume the defense thereof, with counsel reasonably satisfactory to such Indemnatee, and, after notice from any Credit Party to such Indemnatee that such Credit Party wishes to assume the defense of any such action, the Credit Parties will not be liable to such Indemnatee under this Section 12.03 for any legal or other expenses subsequently incurred by such Indemnatee in connection with the defense of any such action unless (1) the defendants in any such action include both such Indemnatee and any Credit Party, and such Indemnatee (upon the advice of counsel) shall have reasonably concluded that there may be legal defenses available to it that are different from or additional to those available to any Credit Party, or one or more Indemnitees, and which in the reasonable judgment of such counsel are sufficient to create a conflict of interest for the same counsel to represent both the Credit Parties and such Indemnatee, (2) the Credit Parties shall not have employed counsel reasonably satisfactory to such Indemnatee to represent such Indemnatee within a reasonable time after notice of commencement of the action, or (3) the Credit Parties have authorized the employment of counsel for such Indemnatee at the expense of the Credit Parties, then, in any such event, such Indemnatee shall have the right to employ its own counsel in such action, and the reasonable fees and expenses of such counsel shall be borne by the Credit Parties; provided, however, that the Credit Parties shall not in connection with any such action or separate but substantially similar or related actions arising out of the same general allegations or circumstances, be liable for any fees and expenses of more than one firm of attorneys at any time for all Indemnitees. Each Indemnatee, as a condition of the indemnity agreement contained herein, shall use its commercially reasonable efforts to cooperate with the Credit Parties in the defense of any such action or claim. The Credit Parties shall not, without the prior written consent of any Indemnatee, effect any settlement of any pending or threatened proceeding in respect of which such Indemnatee is or could have been a party and indemnity could have been sought hereunder by such Indemnatee, unless such settlement includes an unconditional release of such Indemnatee from all liability on claims that are the subject matter of such proceeding or threatened proceeding.

(e) Judgment Currency. The Credit Parties hereby agree to jointly and severally indemnify the Agents against any losses, damages, penalties, costs, expenses or disbursements of any kind or nature whatsoever, including, without limitation, attorney's fees and expenses, incurred by any Agent as a result of any judgment or order being given or made for the amount due hereunder and such judgment or order being expressed and paid in a currency (the "**Judgment Currency**") other than Dollars and as a result of any variation as between (i) the rate of exchange at which the dollar amount is converted into Judgment Currency for the purpose of such judgment or order, and (ii) the Rate of Exchange at which such Agent is then able to purchase Dollars with the amount of the Judgment Currency actually received by such Agent. The indemnity set forth in this Section 12.03(e) shall constitute a separate and independent obligation of the Credit Parties, shall continue in full force and effect notwithstanding any such judgment or order as aforesaid, and shall survive the termination or assignment of this Agreement and the resignation or removal of any Agent.

Section 12.04 Set Off. If an Event of Default shall have occurred and be continuing, each Lender and each of its Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency, but excluding any Blocked Accounts or funds on deposit therein) at any time held, and other obligations (in whatever currency) at any time owing, by such Lender or any such Affiliate, to or for the credit or the account of Borrowers, but excluding any Blocked Accounts or funds on deposit therein, against any and all of the obligations of Borrowers now or hereafter existing under this Agreement or any other Credit Document to such Lender or such Affiliates, irrespective of whether or not such Lender or Affiliate shall have made any demand under this Agreement or any other Credit Document and although such obligations of Borrowers may be contingent or unmatured or are owed to a branch, office or Affiliate of such Lender different from the branch, office or Affiliate holding such deposit or obligated on such indebtedness; provided that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to Administrative Agent for further application in accordance with the provisions of Article II and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of Administrative Agent, the Lenders and the other Secured Parties and (y) such Defaulting Lender shall provide promptly to Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender and their respective Affiliates under this Section 12.04 are in addition to other rights and remedies (including other rights of setoff) that such Lender or their respective Affiliates may have; provided that if any Blocked Account is maintained with any Lender or any Affiliate of such Lender, such Lender hereby waives any right of setoff with respect to such Blocked Account, except to the extent otherwise provided in the applicable Deposit Account Control Agreement. Each Lender agrees to notify Borrowers and Administrative Agent promptly after any such setoff and application; provided that the failure to give such notice shall not affect the validity of such setoff and application.

Section 12.05 Amendments and Waivers.

(a) No Waiver; Remedies Cumulative; Enforcement. No failure or delay by any Agent or any Lender in exercising any right, remedy, power or privilege hereunder or under any other Credit Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, remedy, power or privilege, or any abandonment or discontinuance of steps to enforce such a right remedy, power or privilege, preclude any other or further exercise thereof or the exercise of any other right remedy, power or privilege. The rights, remedies remedy, powers and privileges of the Agents and the Lenders hereunder and under the Credit Documents are cumulative and are not exclusive of any rights, remedies, powers or privileges that any such Person would otherwise have.

(i) extend or increase any Commitment of any Lender without the written consent of such Lender (other than any Sponsor Affiliated Lender); provided that Administrative Agent may make Protective Advances as set forth in Section 2.12 (it being understood that a waiver of any condition precedent set forth in Article III or the waiver of any Default or Event of Default shall not constitute an extension or increase of any Commitment of any Lender);

(ii) reduce the principal of, rate of interest specified herein on, any Loan, or any fees or other amounts payable hereunder or under any other Credit Document, without the written consent of each Lender (other than any Sponsor Affiliated Lender) directly and adversely affected thereby (provided that only the consent of the Requisite Lenders shall be necessary to amend the definition of "Default Rate" or to waive the obligation of the Borrowers to pay interest at the Default Rate);

(iii) postpone or extend any date (including, without limitation, the Termination Date) scheduled for any payment of principal of, or interest on, any Loan, or any fees or other amounts payable hereunder or under any other Credit Document, or reduce the amount of, waive or excuse any such payment, without the written consent of each Lender (other than any Sponsor Affiliated Lender) directly and adversely affected thereby;

(i) Minimum Amounts. (A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment under any Credit Facility and the Loans at the time owing to it under such Credit Facility or in the case of an assignment to a Lender or an Affiliate of an Lender or an Approved Fund with respect to a Lender, no minimum amount need be assigned and (B) in any case not described in the foregoing subclause (A), the amount of the Commitment under any Credit Facility of the assigning Lender, or if the applicable Commitment is not then in effect, the principal

(ii) Proportionate Amounts. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans or the Commitment assigned, except that this clause (ii) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate Credit Facilities on a non-pro rata basis.

(iii) Required Consents. No consent shall be required for any assignment except to the extent required by Section 12.06(b)(i)(B) and, in addition:

(A) the consent of Borrowers (such consent not to be unreasonably withheld or delayed) shall be required only for assignments in respect of the Revolving Facility unless (x) any Default or Event of Default has occurred and is continuing at the time of such assignment or (y) such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund; provided that Borrowers shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to Administrative Agent within five Business Days after having received notice thereof; provided, further, that the Borrowers' consent shall not be required during the primary syndication of any Credit Facility; and

(B) the consent of Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required for any assignment in respect of any Credit Facility, unless, with respect to any Term Facility, such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund (provided that Administrative Agent shall acknowledge any such assignment).

(iv) Assignment Agreement. The parties to each assignment shall execute and deliver to Administrative Agent an Assignment Agreement (except as otherwise provided in Section 2.23), together with a processing and recordation fee of \$3,500; provided that (x) Administrative Agent may, in its sole discretion, elect to waive such fee in the case of any assignment and (y) in the case of contemporaneous assignments by any Lender to one or more Approved Funds, only a single processing and

recording fee shall be payable for such assignments. The assignee, if it is not a Lender, shall deliver to Administrative Agent an Administrative Questionnaire.

(vi) Effect of Assignment. Subject to the terms and conditions of this Section 12.06, and subject to acceptance and recording thereof by Administrative Agent pursuant to Section 12.06(c), from and after the effective date specified in each Assignment Agreement, (A) the Eligible Assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment Agreement, have the rights and obligations of a "Lender" under this Agreement to the extent of its interest in the Loans and Commitments as reflected in the Register and shall thereafter be a party hereto and a "Lender" for all purposes hereof, (B) the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment Agreement, be released from its obligations under this Agreement (and, in the case of an Assignment Agreement covering all the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Sections 2.18(c), 2.19, 2.20 and 12.03 with respect to facts and circumstances occurring prior to the effective date of such assignment and any other rights which survive the termination hereof under Section 12.08; (C) the Commitments shall be modified to reflect the Commitment of such assignee and any Commitment of such assigning Lender, if any; and (D) if any such assignment occurs after the issuance of any Note hereunder, the assigning Lender shall, upon the effectiveness of such assignment or as promptly thereafter as practicable, surrender its applicable Notes to Administrative Agent for cancellation, and thereupon Borrowers shall issue and deliver new Notes, if so requested by the assignee and/or assigning Lender, to such assignee and/or to such assigning Lender, with appropriate insertions, to reflect the new Commitment and/or outstanding Loans of the assignee and/or the assigning Lender; provided that, except to the extent otherwise expressly agreed by the affected parties, no assignment by a Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from such Lender having been a Defaulting Lender. Any assignment or transfer by a Lender of

rights or obligations under this Agreement that does not comply with this clause (b) shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 12.06(d).

(c) Representations and Warranties of Assignee. Each Lender, upon execution and delivery hereof or upon succeeding to an interest in the Commitments and Loans, as the case may be, represents and warrants as of the Closing Date or as of the effective date specified in the applicable Assignment Agreement that (i) it is an Eligible Assignee; (ii) it has experience and expertise in the making of or investing in commitments or loans such as the applicable Commitments or Loans, as the case may be; and (iii) it will make or invest in, as the case may be, its Commitments or Loans for its own account in the ordinary course and without a view to distribution of such Commitments or Loans within the meaning of the Securities Act or the Exchange Act or other federal securities laws (it being understood that, subject to the provisions of this Section 12.06, the disposition of such Commitments, Loans or any interests therein shall at all times remain within its exclusive control).

(d) Participations; Participant Register. Any Lender may at any time, without the consent of, or notice to, Borrowers or Administrative Agent, sell participations to any Person (other than a natural person, Borrowers or any of their Affiliates or Subsidiaries, or a Person that Administrative Agent has identified in a notice to the Lenders as a Defaulting Lender) (each, a "**Participant**") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) Borrowers, Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. For the avoidance of doubt, each Lender shall be responsible for the indemnity under Section 10.06 with respect to any payments made by such Lender to its Participant(s). Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, waiver or consent in respect of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or consent described in the first proviso to Section 12.05(b) that directly affects such Participant. Borrowers agree that each Participant shall be entitled to the benefits of Sections 2.18(c), 2.19 and 2.20 (subject to the requirements and limitations of such Sections) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 12.06(b); provided that (x) such Participant agrees to be subject to the provisions of Section 2.17 as if it were an assignee under Section 12.06(b) and (y) a Participant shall not be entitled to receive any greater payments under Section 2.19 or 2.20 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of such participation is made with the Borrowers' prior written consent. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 12.04 as though it were a Lender; provided that such Participant agrees to be subject to Section 2.17 as though it were a Lender.

Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers (and such agency being solely for tax

purposes), maintain a register in the United States on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Credit Documents (the "**Participant Register**"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Credit Extensions or other obligations under any Credit Document) except to the extent that such disclosure is necessary to establish that any such Commitment, Credit Extension or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(e) Certain Other Assignments and Participations. In addition to any other assignment or participation permitted pursuant to this Section 12.06, any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment, to secure obligations to a Federal Reserve Bank or any central bank having jurisdiction over such Lender; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto; and provided further, in no event shall the applicable Federal Reserve Bank, pledgee or trustee be considered to be a "Lender" or be entitled to require the assigning Lender to take or omit to take any action hereunder, until such time as such Federal Reserve Bank, pledgee or trustee has complied with the provisions of this Section 12.06 regarding assignments.

Section 12.07 Independence of Covenants. All covenants hereunder shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, the fact that it would be permitted by an exception to, or would otherwise be within the limitations of, another covenant shall not avoid the occurrence of a Default or an Event of Default if such action is taken or condition exists.

Section 12.08 Survival of Representations, Warranties and Agreements. All covenants, agreements, representations and warranties made by Borrowers herein and in any Credit Document or other documents delivered in connection herewith or therewith or pursuant hereto or thereto shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery hereof and thereof and the making of the Credit Extensions hereunder, regardless of any investigation made by any such other party or on its behalf and notwithstanding that any Agent or any Lender may have had notice or knowledge of any Default at the time of any Credit Extension, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied and so long as the Commitments have not expired or been terminated. Notwithstanding anything herein or implied by law to the contrary, the provisions of Sections 2.18(c), 2.19, 2.20, 12.02, 12.03, 12.04 and 12.26 and Article X shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the payment in full of the Obligations, the expiration or termination of the Commitments or the termination of this Agreement or any provision hereof.

Section 12.09 No Waiver; Remedies Cumulative. No failure or delay on the part of any Agent or any Lender in the exercise of any right, remedy, power or privilege hereunder or under any other Credit Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, remedy, power or privilege, or any abandonment or discontinuance of steps to enforce such a right, remedy, power or privilege, preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges of each Agent and each Lender hereunder and under the Credit Documents and are cumulative and are not exclusive of any rights, remedies, powers or privileges that any such Person would otherwise have. Any forbearance or failure to exercise, and any delay in exercising, any right, remedy, power or privilege hereunder shall not impair any such right, remedy, power or privilege or be construed to be a waiver thereof, nor shall it preclude the further exercise of any such right, remedy, power or privilege.

Section 12.10 Marshalling; Payments Set Aside. Neither any Agent nor any Lender shall be under any obligation to marshal any assets in favor of any Credit Party or any other Person or against or in payment of any or all of the Obligations. To the extent that any payment by or on behalf of any Credit Party is made to any Agent or any Lender (or to any Agent, on behalf of the Lenders), or any Agent or any Lender enforces any security interests or exercises its right of setoff, and such payment or the proceeds of such enforcement or setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with the Cases or any other proceeding under any Debtor Relief Law, any other state, provincial or federal law, common law or any equitable cause or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied, and all Liens, rights and remedies therefor or related thereto, shall be revived and continued in full force and effect as if such payment or payments had not been made or such enforcement or setoff had not occurred, and (b) each Lender severally agrees to pay to such Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by such Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the Federal Funds Effective Rate from time to time in effect.

Section 12.11 Severability. If any provision in or obligation under this Agreement or any other Credit Document is held to be illegal, invalid or unenforceable in any jurisdiction, (a) the legality, validity and enforceability of the remaining provisions in or obligations under this Agreement and the other Credit Documents, or of such provision in or obligation under this Agreement or any other Credit Document in any other jurisdiction, shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Without limiting the foregoing provisions of this Section 12.11, if and to the extent that the enforceability of any provision of this Agreement relating to Defaulting Lenders shall be limited by Debtor Relief Laws, as determined in good faith by Administrative Agent, then such provision shall be deemed to be in effect only to the extent not so limited.

Section 12.12 Obligations Several; Independent Nature of Lenders' Rights. The obligations of Lenders hereunder are several and no Lender shall be responsible for the obligations or Revolving Commitment of any other Lender hereunder. Nothing contained herein or in any other Credit Document, and no action taken by Lenders pursuant hereto or thereto, shall be deemed to constitute Lenders as a partnership, an association, a Joint Venture or any other kind of entity. The amounts payable at any time hereunder to each Lender shall be a separate and independent debt, and, subject to the final paragraph of Article VIII and Section 10.10(b) or as otherwise expressly provided in this Agreement, each Lender shall be entitled to protect and enforce its rights arising hereunder and it shall not be necessary for any other Lender to be joined as an additional party in any proceeding for such purpose.

Section 12.13 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

Section 12.14 Applicable Law. Section 12.15 Jurisdiction; Etc.

(a) Jurisdiction. EACH CREDIT PARTY IRREVOCABLY AND UNCONDITIONALLY AGREES THAT IT WILL NOT COMMENCE ANY ACTION, LITIGATION OR PROCEEDING OF ANY KIND OR DESCRIPTION, WHETHER IN LAW OR EQUITY, WHETHER IN CONTRACT OR TORT OR OTHERWISE, AGAINST ANY AGENT, ANY LENDER OR ANY RELATED PARTY OF ANY OF THE FOREGOING, IN ANY WAY RELATING TO THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT OR THE TRANSACTIONS RELATING HERETO OR THERETO, IN A FORUM OTHER THAN THE BANKRUPTCY COURT (OR, IF THE BANKRUPTCY COURT DOES NOT HAVE (OR ABSTAINS FROM) JURISDICTION, THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK COUNTY, AND OF THE UNITED STATES DISTRICT COURT OF THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY SUBMITS TO THE JURISDICTION OF SUCH COURTS AND AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION, LITIGATION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION, LITIGATION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS

AGREEMENT OR IN ANY OTHER CREDIT DOCUMENT SHALL AFFECT ANY RIGHT THAT ANY AGENT OR ANY LENDER MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT AGAINST THE CREDIT PARTIES OR THEIR PROPERTIES IN THE COURTS OF ANY JURISDICTION.

(b) Waiver of Venue. Each Credit Party irrevocably and unconditionally waives, to the fullest extent permitted by applicable law, any objection that it may now or hereafter have to the laying of venue of any action or proceeding arising out of or relating to this Agreement or any other Credit Document in any court referred to in Section 12.15(a). Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by applicable law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) Service of Process. Each party hereto irrevocably consents to service of process in the manner provided for notices in Section 12.01. Nothing in this Agreement will affect the right of any party hereto to serve process in any other manner permitted by applicable law.

Section 12.16 Waiver of Jury Trial. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER CREDIT DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 12.17 Confidentiality. Each of the Agents and the Lenders agree to maintain the confidentiality of the Information, except that Information may be disclosed (a) to its Related Parties (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential in accordance with customary practices); (b) to the extent required or requested by any regulatory authority purporting to have jurisdiction over such Person or its Related Parties (including any self-regulatory authority, such as the NAIC); (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process; (d) to any other party hereto; (e) in connection with the exercise of any remedies hereunder or under any other Credit Document or any action or proceeding relating to this Agreement or any other Credit Document or the enforcement of rights hereunder or thereunder; (f) subject to an agreement containing provisions substantially the same (or at least as restrictive) as those of this Section 12.17 (or as may otherwise be reasonably acceptable to the Borrowers), to (i) any assignee of or Participant in,

or any prospective assignee of or Participant in, any of its rights and obligations under this Agreement, or (ii) any actual or prospective party (or its Related Parties) to any swap, derivative other transaction under which payments are to be made by reference to the Borrowers and their obligations, this Agreement or payments hereunder; (g) on a confidential basis to (i) any rating agency in connection with rating the Borrowers or their Subsidiaries or the Credit Facilities or (ii) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers with respect to the Credit Facilities; (h) with the consent of the Borrowers; or (i) to the extent that such Information (x) becomes publicly available other than as a result of a breach of this Section 12.17, or (y) becomes available to any Agent, any Lender or any of their respective Affiliates on a nonconfidential basis from a source other than the Borrowers. For purposes of this Section 12.17, "**Information**" means all information received from the Borrowers or any of their Subsidiaries relating to the Borrowers or any of their Subsidiaries or any of their respective businesses, other than any such information that is available to the any Agent or any Lender on a nonconfidential basis prior to disclosure by the Borrowers or any of their Subsidiaries; provided that, in the case of information received from the Borrowers or any of their Subsidiaries after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section 12.17 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information. Notwithstanding anything to the contrary herein, disclosures by Sponsor Affiliated Institutional Lenders shall be limited to disclosures to Affiliates that are themselves Sponsor Affiliated Institutional Lenders and their respective agents, trustees and advisors and with respect to Sponsor Affiliated Institutional Lenders that are securitization vehicles, lenders to such securitization vehicles; provided that such lenders shall be subject to similar confidentiality provisions as those contained in this Section 12.17.

Section 12.18 Usury Savings Clause. Notwithstanding any other provision herein, the aggregate interest rate charged with respect to any of the Obligations, including all charges, fees or other amounts in connection therewith deemed in the nature of interest under applicable law shall not exceed the Highest Lawful Rate. If the rate of interest (determined without regard to the preceding sentence) under this Agreement at any time exceeds the Highest Lawful Rate, the outstanding amount of the Loans made hereunder shall bear interest at the Highest Lawful Rate until the total amount of interest due hereunder equals the amount of interest which would have been due hereunder if the stated rates of interest set forth in this Agreement had at all times been in effect. In addition, if when the Loans made hereunder are repaid in full the total interest due hereunder (taking into account the increase provided for above) is less than the total amount of interest which would have been due hereunder if the stated rates of interest set forth in this Agreement had at all times been in effect, then to the extent permitted by law, Borrowers shall pay to Administrative Agent an amount equal to the difference between the amount of interest paid and the amount of interest which would have been paid if the Highest Lawful Rate had at all times been in effect. Notwithstanding the foregoing, it is the intention of Lenders and Borrowers to conform strictly to any applicable usury laws. Accordingly, if any Lender contracts for, charges, or receives any consideration which constitutes interest in excess of the Highest Lawful Rate, then any such excess shall be cancelled automatically and, if previously paid, shall at such Lender's option be applied to the outstanding amount of the Loans made hereunder or be refunded to Borrowers.

Section 12.19 Counterparts. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Credit Documents, and any separate letter agreements with respect to fees and expenses payable to the Agents and the Lenders (or any of them), constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof.

Section 12.20 Effectiveness. Except as provided in Section 3.01, this Agreement shall become effective when it shall have been executed by Administrative Agent and when Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by telecopier or in electronic format (e.g., "pdf," "tif" or other lawful comparable format) shall be effective as delivery of a manually executed counterpart of this Agreement.

Section 12.21 Patriot Act. Each Lender that is subject to the Patriot Act and Administrative Agent (for itself and not on behalf of any Lender) hereby notifies each Credit Party that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies such Credit Party, which information includes the name and address of such Credit Party and other information that will allow such Lender or Agent, as applicable, to identify the such Credit Party in accordance with the Patriot Act. Each Credit Party shall, promptly following a request by any Agent or any Lender, provide all documentation and other information that such Agent or such Lender requests in order to comply with its ongoing obligations under applicable "know your customer" and anti-money-laundering rules and regulations, including the Patriot Act.

Section 12.22 Electronic Execution of Assignments. The words "execution," "signed," "signature," and words of like import in any Assignment Agreement or in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

Section 12.23 No Fiduciary Duty. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Credit Document), each Credit Party acknowledges and agrees, and acknowledges its Affiliates' understanding, that: (a) (i) no fiduciary, advisory or agency relationship between the such Credit Party and its Subsidiaries and any Agent or any Lender is intended to be or has been created in respect of the transactions contemplated hereby or by the other Credit Documents, irrespective of whether any Agent or any Lender has advised or is advising such Credit Party or any Subsidiary on other matters, (ii) the arranging and other services regarding this Agreement provided by the Agents and the Lenders are arm's-length commercial transactions between the Credit Parties, on the one hand, and the Agents and the

Lenders, on the other hand, (iii) such Credit Party has consulted its own legal, accounting, regulatory and tax advisors to the extent that it has deemed appropriate and (iv) such Credit Party is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Credit Documents; and (b) (i) the Agents and the Lenders each is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for such Credit Party or any of its Affiliates, or any other Person; (ii) none of the Agents and the Lenders has any obligation to such Credit Party or any of its Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Credit Documents; and (iii) the Agents and the Lenders and their respective Affiliates may be engaged, for their own accounts or the accounts of customers, in a broad range of transactions that involve interests that differ from those of such Credit Party and its Affiliates, and none of the Agents and the Lenders has any obligation to disclose any of such interests to the such Credit Party or its Affiliates. To the fullest extent permitted by law, each Credit Party hereby waives and releases any claims that it may have against the Agents and the Lenders with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

Section 12.24 Borrowers' Obligations. Each Credit Party represents, warrants, covenants and agrees as follows:

(a) Defenses. The obligations pursuant to the Credit Documents shall not be affected by any of the following: (i) the bankruptcy, disability, dissolution, incompetence, insolvency, liquidation, or reorganization of any Borrower; or (ii) the discharge, modification of the terms of, reduction in the amount of, or stay of enforcement of any or all Liens and encumbrances or any or all obligations pursuant to the Credit Documents in any bankruptcy, insolvency, reorganization, or other legal proceeding or by law, ordinance, regulation, or rule (federal, state, or local).

(b) Rights of Administrative Agent and Collateral Agent. Subject to receiving any required consents of the Requisite Lenders, such other number or percentage of the Lenders as shall be necessary or all of the Lenders, as may be required by applicable provisions of this Agreement and the other Credit Documents, Administrative Agent and/or Collateral Agent, on behalf of the Lenders, may do the following acts or omissions from time to time without notice to or consent of any Borrower and without receiving payment or other value, nor shall the following acts or omissions affect, delay or impair any or all Liens and encumbrances or any or all obligations pursuant to the Credit Documents: (i) Administrative Agent and/or Collateral Agent may obtain collateral or additional collateral; (ii) Administrative Agent and/or Collateral Agent may substitute for any or all collateral regardless of whether the same type or greater or lesser value; (iii) Administrative Agent and/or Collateral Agent may release any or all collateral; (iv) Administrative Agent and/or Collateral Agent may compromise, delay enforcement, fail to enforce, release, settle or waive any rights or remedies of such Agent as to any or all collateral; (v) Administrative Agent and/or Collateral Agent may sell or otherwise dispose of any collateral in such manner or order as such Agent determines in accordance with the Credit Documents; (vi) Administrative Agent and/or Collateral Agent may fail to perfect, fail to protect the priority of, and fail to ensure any or all Liens or encumbrances; (vii) Administrative Agent and/or Collateral Agent may fail to inspect, insure, maintain, preserve or

protect any or all collateral; (viii) Administrative Agent and/or Collateral Agent may obtain additional obligors for any or all obligations pursuant to the Credit Documents; (ix) Administrative Agent and/or Collateral Agent may increase or decrease any or all obligations or otherwise change terms of any or all obligations in accordance with the Credit Documents; (x) Administrative Agent and/or Collateral Agent (at the direction of Administrative Agent) may release any Borrower; (xi) Administrative Agent and/or Collateral Agent may compromise, delay enforcement, fail to enforce, release, settle or waive any obligations of any Borrower with the agreement of that Borrower; (xii) Administrative Agent and/or Collateral Agent may make advances, or grant other financial accommodations to any Borrower; (xiii) Administrative Agent and/or Collateral Agent may fail to file or pursue a claim in any bankruptcy, insolvency, reorganization or other proceeding as to any or all Liens and encumbrances or any or all obligations; (xiv) Administrative Agent and/or Collateral Agent may amend, modify, extend, renew, restate, supplement or terminate in whole or in part the obligation of any Borrower with the agreement of that Borrower; (xv) Administrative Agent and/or Collateral Agent may take or fail to take any other action with respect to any Credit Document or any Borrower; and (xvi) Administrative Agent and/or Collateral Agent may do any other acts or make any other omissions that result in the extinguishment of the obligation of any Borrower, subject, in the case of clauses (ix) and (xiv) of this Section 12.24(b), to the consent of the Borrower(s) to the extent such Borrower's consent would be required by the applicable provisions of this Agreement and the other Credit Documents in such Borrower's capacity not as a surety but in its capacity as a primary obligor hereunder and under the other Credit Documents.

(c) Suretyship Waivers. Each Borrower waives any and all rights and benefits under any statutes or rules now or hereafter in effect and any other statutes or rules now or hereafter in effect that purport to confer specific rights upon or make specific defenses or procedures available to each Borrower.

(d) Information. Each Borrower represents and warrants to Administrative Agents, Lenders and other Secured Parties that such Borrower is currently informed of the financial condition of the Borrowers and of all other circumstances that a diligent inquiry would reveal, which bear upon the risk of nonpayment of the Obligations. Each Borrower further represents and warrants to the Agents, Lenders and other Secured Parties that such Borrower has read and understands the terms and conditions of the Credit Documents. Each Borrower hereby covenants that such Borrower will continue to keep informed of the Borrowers' financial condition, the financial condition of the other Credit Parties and other guarantors, if any, and of all other circumstances, which bear upon the risk of nonpayment or nonperformance of the Obligations. Notwithstanding anything herein which may be construed to the contrary, no Agent shall have any obligation to provide to any Borrower any information concerning the performance of any other Borrower, the obligations pursuant to the Credit Documents, or the ability of any other Borrower to perform the obligations pursuant to the Credit Documents or any other matter, regardless of what information such Agent may from time to time have.

(e) Waivers. Each Borrower waives, until payment in full of the Obligations, any and all present and future claims, remedies and rights against any other Borrower, any collateral and any other property, interest in property or rights to property of any other Borrower (A) arising from any performance hereunder, (B) arising from any application of

any collateral, or any other property, interest in property or rights to property of any Borrower, or (C) otherwise arising in respect of the Credit Documents, regardless of whether such claims, remedies and rights arise under any present or future agreement, document or instrument or are provided by any law, ordinance, regulation or rule (federal, state or local) (including, without limitation, any and all rights of contribution, exoneration, indemnity, reimbursement, and subrogation arising under the Credit Documents and any and all rights to participate in the rights and remedies of Lenders against any Borrower).

(f) Joint and Several Liability of Borrowers.

(i) Each of Borrowers is accepting joint and several liability hereunder and under the other Credit Documents in consideration of the financial accommodations to be provided by the Agents, the Lenders and the other Secured Parties under this Agreement and the other Credit Documents, for the mutual benefit, directly and indirectly, of each of Borrowers and in consideration of the undertakings of the other Borrowers to accept joint and several liability for the Obligations.

(ii) Each of Borrowers, jointly and severally, hereby irrevocably and unconditionally accepts, not merely as a surety but also as a co-debtor, joint and several liability with the other Borrowers, with respect to the payment and performance of all of the Obligations (including, without limitation, any Obligations arising under this Section 12.24), it being the intention of the parties hereto that all the Obligations shall be the joint and several obligations of each Borrower without preferences or distinction among them.

(iii) If and to the extent that any Borrower shall fail to make any payment with respect to any of the Obligations as and when due or to perform any of the Obligations in accordance with the terms thereof, then in each such event the other Borrowers will make such payment with respect to, or perform, such Obligation.

(iv) The Obligations of each Borrower under the provisions of this Section 12.24 constitute the absolute and unconditional, full recourse Obligations of each Borrower enforceable against each such Borrower to the full extent of its properties and assets, irrespective of the validity, regularity or enforceability of this Agreement or any other circumstances whatsoever.

(v) Except as otherwise expressly provided in this Agreement, each Borrower hereby waives notice of acceptance of its joint and several liability, notice of any Loans issued under or pursuant to this Agreement, notice of the occurrence of any Default, Event of Default, or of any demand for any payment under this Agreement or any other Credit Document, notice of any action at any time taken or omitted by any Agent, any Lender or any other Secured Party under, or in respect of, any of the Obligations, any requirement of diligence or to mitigate damages and, generally, to the extent permitted by applicable law, all demands, notices and other formalities of every kind in connection with this Agreement or any other Credit Document (except as otherwise provided in this Agreement or such other Credit Document). Each Borrower hereby assents to, and waives notice of, any extension or postponement of the time for

the payment of any of the Obligations, the acceptance of any payment of any of the Obligations, the acceptance of any partial payment thereon, any waiver, consent or other action or acquiescence by any Agent, Lender or other Secured Party at any time or times in respect of any default by any Borrower in the performance or satisfaction of any term, covenant, condition or provision of this Agreement or any other Credit Document, any and all other indulgences whatsoever by any Agent, any Lenders or any other Secured Party in respect of any of the Obligations, and the taking, addition, substitution or release, in whole or in part, at any time or times, of any security for any of the Obligations or the addition, substitution or release, in whole or in part, of any Borrower. Without limiting the generality of the foregoing, each Borrower assents to any other action or delay in acting or failure to act on the part of any Agent, any Lender or any other Secured Party with respect to the failure by any Borrower to comply with any of its respective Obligations, including, without limitation, any failure strictly or diligently to assert any right or to pursue any remedy or to comply fully with applicable laws or regulations thereunder, which might, but for the provisions of this Section 12.24 afford grounds for terminating, discharging or relieving any Borrower, in whole or in part, from any of its Obligations under this Section 12.24, it being the intention of each Borrower that, so long as any of the Obligations hereunder remain unsatisfied, the Obligations of such Borrower under this Section 12.24 shall not be discharged except by performance and then only to the extent of such performance. The Obligations of each Borrower under this Section 12.24 shall not be diminished or rendered unenforceable by any winding up, reorganization, arrangement, liquidation, reconstruction or similar proceeding with respect to any Borrower or any Agent, any Lender or any other Secured Party. The joint and several liability of each Borrower hereunder shall continue in full force and effect notwithstanding any absorption, merger, amalgamation or any other change whatsoever in the name, constitution or place of formation of any of the Borrowers or any Agent, any Lender or any other Secured Party.

(vi) The provisions of this Section 12.24 are made for the benefit of the Agents, the Lenders and the other Secured Parties and their respective successors and assigns, and may be enforced by it or them from time to time against any or all Borrowers as often as occasion therefor may arise and without requirement on the part of any Agent, any Lender or any other Secured Party or any of their respective successors or assigns first to marshal any of its or their claims or to exercise any of its or their rights against any Borrower or to exhaust any remedies available to it or them against any Borrower or to resort to any other source or means of obtaining payment of any of the Obligations hereunder or to elect any other remedy. The provisions of this Section 12.24 shall remain in effect until all of the Obligations shall have been paid in full or otherwise fully satisfied. If at any time, any payment, or any part thereof, made in respect of any of the Obligations, is rescinded or must otherwise be restored or returned by any Agent, any Lender or any other Secured Party upon the insolvency, bankruptcy or reorganization of any Borrower, or otherwise, the provisions of this Section 12.24 will forthwith be reinstated in effect, as though such payment had not been made.

(vii) Each Borrower hereby agrees that it will not enforce any of its rights of contribution or subrogation against any other Borrower with respect to any liability incurred by it hereunder or under any of the other Credit Documents, any

payments made by it to any Agent, any Lender or any other Secured Party with respect to any of the Obligations or any collateral security therefor until such time as all of the Obligations have been paid in full in Cash. Any claim which any Borrower may have against the other Borrowers with respect to any payments to any Agent, any Lender or any other Secured Party hereunder or under any other Credit Documents are hereby expressly made subordinate and junior in right of payment, including without limitation, as to any increases in the Obligations arising hereunder or thereunder, to the prior payment in full in Cash of the Obligations and, in the event of any insolvency, bankruptcy, receivership, liquidation, reorganization or other similar proceeding under the laws of any jurisdiction relating to any Borrower, its debts or its assets, whether voluntary or involuntary, all such Obligations shall be paid in full in Cash before any payment or distribution of any character, whether in Cash, securities or other property, shall be made to the other Borrowers therefor.

Section 12.25 Inconsistency. In the event of any inconsistency between the provisions of this Agreement or any other Credit Document and the Interim Financing Order (and, when applicable, the Final Financing Order), the provisions of Interim Financing Order (and, when applicable, the Final Financing Order) shall govern.

Section 12.26 Liability of Administrator; Indemnities.

(a) Obligations. The Administrator shall be liable in accordance herewith only to the extent of the obligations specifically undertaken by the Administrator under this Agreement and the other Credit Documents and shall have no other obligations or liabilities under this Agreement. The Administrator and each Servicer shall indemnify, defend and hold harmless the each other Agent, each Lender, and each Related Party of any of the foregoing Persons, from and against any and all costs, expenses, losses, claims, damages and liabilities to the extent that such cost, expense, loss, claim, damage or liability arose out of, and was imposed upon, each other Agent, each Lender, and each Related Party of any of the foregoing Persons, through the violation of law, negligence, willful misfeasance or bad faith of the Administrator or either Servicer in the performance of their respective obligations under this Agreement and the other Credit Documents or as Servicer under the Designated Servicing Agreements, or by reason of the breach by the Administrator or either Servicer of any of its representations, warranties or covenants hereunder or under the Designated Servicing Agreements.

(b) Notification and Defense. Promptly after any party seeking indemnification hereunder (an "**Indemnified Party**") shall have been served with the summons or other first legal process or shall have received written notice of the threat of a claim in respect of which a claim for indemnity may be made against the Administrator or a Servicer under this Section 12.26, the Indemnified Party shall notify the Administrator and each Servicer in writing of the service of such summons, other legal process or written notice, giving information therein as to the nature and basis of the claim, but failure so to notify the Administrator and each Servicer shall not relieve the Administrator and each Servicer from any liability which it may have hereunder or otherwise, except to the extent that the Administrator or Servicer is prejudiced by such failure so to notify the Administrator. The Administrator and each Servicer will be entitled, at its own expense, to participate in the defense of any such claim or action and, to the extent that it may wish, to assume the defense thereof, with counsel reasonably satisfactory to

such Indemnified Party, and, after notice from the Administrator and each Servicer to such Indemnified Party that the Administrator or Servicer wishes to assume the defense of any such action, the Administrator and Servicers will not be liable to such Indemnified Party under this Section 12.26 for any legal or other expenses subsequently incurred by such Indemnified Party in connection with the defense of any such action unless (1) the defendants in any such action include both the Indemnified Party and the Administrator or a Servicer, and the Indemnified Party (upon the advice of counsel) shall have reasonably concluded that there may be legal defenses available to it that are different from or additional to those available to the Administrator or a Servicer, or one or more Indemnified Parties, and which in the reasonable judgment of such counsel are sufficient to create a conflict of interest for the same counsel to represent both the Administrator and each Servicer and such Indemnified Party, (2) the Administrator or a Servicer shall not have employed counsel reasonably satisfactory to the Indemnified Party to represent the Indemnified Party within a reasonable time after notice of commencement of the action, or (3) the Administrator and each Servicer have authorized the employment of counsel for the Indemnified Party at the expense of the Administrator or a Servicer; then, in any such event, such Indemnified Party shall have the right to employ its own counsel in such action, and the reasonable fees and expenses of such counsel shall be borne by the Administrator and each Servicer, jointly or severally; provided, however, that no Administrator or Servicer shall in connection with any such action or separate but substantially similar or related actions arising out of the same general allegations or circumstances, be liable for any fees and expenses of more than one firm of attorneys at any time for all Indemnified Parties. Each Indemnified Party, as a condition of the indemnity agreement contained herein, shall use its commercially reasonable efforts to cooperate with the Administrator and each Servicer in the defense of any such action or claim. Neither the Administrator nor any Servicer shall, without the prior written consent of any Indemnified Party, effect any settlement of any pending or threatened proceeding in respect of which such Indemnified Party is or could have been a party and indemnity could have been sought hereunder by such Indemnified Party, unless such settlement includes an unconditional release of such Indemnified Party from all liability on claims that are the subject matter of such proceeding or threatened proceeding.

(c) Expenses. Indemnification under this Section 12.26 shall include, without limitation, reasonable fees and expenses of counsel and expenses of litigation. If the Administrator or any Servicer has made any indemnity payments pursuant to this Section 12.26 and the recipient thereafter collects any of such amounts from others, the recipient shall promptly repay such amounts collected to the Administrator, without interest.

(d) Survival. The provisions of this Section 12.26 shall survive the resignation or removal of any Agent or either Servicer and the termination of this Agreement.

SCHEDULE 4.39

**REPRESENTATIONS AND WARRANTIES
RELATING TO ELIGIBLE MORTGAGE LOANS**

(a) Mortgage Schedule. The information set forth in each Mortgage Schedule delivered to Administrative Agent is true, complete and correct in all material respects;

(b) Document Delivery. For each Eligible Mortgage Loan, all documents required to be delivered under the Custodial Agreement pursuant to Section 2 of the Custodial Agreement for each Eligible Mortgage Loan have been delivered to Custodian. Borrowers or their agents are in possession of a true and materially accurate Note-Only Mortgage File or Complete Mortgage File in compliance with the Custodial Agreement, except for such documents the originals of which have been delivered to Custodian;

(c) Valid Lien. The Mortgage creates a first or second lien on an estate in fee simple or a leasehold interest in real property securing the related Mortgage Note, free and clear of all adverse claims, liens and encumbrances having priority over the lien of the Mortgage subject only to (i) the lien of non-delinquent current real property taxes and assessments not yet due and payable, (ii) covenants, conditions and restrictions, rights of way, easements and other matters of public record as of the date of recording which are acceptable to mortgage lending institutions generally, (iii) with respect to each Mortgage Loan that is a second lien mortgage loan, the lien of the first mortgage on the Mortgaged Property and (iv) other matters to which like properties are commonly subject which do not materially interfere with the benefits of the security intended to be provided by the Mortgage or the use, enjoyment, value or marketability of the related Mortgaged Property;

(d) Ownership. Each Eligible Mortgage Loan is a whole loan and not a participation interest in a mortgage loan. Subject only to the Lien of Collateral Agent pursuant to the Collateral Documents and the Orders, the applicable Borrower has good title to, and is the sole owner of, each Eligible Mortgage Loan and has full right, power and authority to pledge and assign each of the Eligible Mortgage Loans to Collateral Agent free and clear of any and all pledges, liens, charges, security interests and/or other encumbrances. To the best of the Primary Credit Parties' knowledge, each holder, originator and servicer of the Eligible Mortgage Loan was qualified and appropriately licensed (or was exempt from such qualification or license) to transact business in the jurisdiction in which the related Mortgaged Property is located at the time such entity had possession of the Mortgage Note except where the failure to be qualified or licensed would not reasonably be expected to have a Material Adverse Effect. None of the Required Documents (as defined in the Custodial Agreement) restricts the Borrowers' right to pledge and assign the Eligible Mortgage Loan to Collateral Agent;

(e) No Outstanding Charges. There are no delinquent taxes which are due and payable, ground rents, assessments or other outstanding charges affecting the related Mortgaged Property;

(f) Original Terms Unmodified. The Mortgage Note and the Mortgage have not been impaired, waived, altered or modified in any respect, except by written instruments which have been recorded or submitted for recording to the extent any such recordation is required by applicable law or is necessary to protect the interests of the Secured Parties, and which have been approved by the title insurer and the primary mortgage insurer, as applicable, and copies of which written instruments are included in the Mortgage File. No other instrument of waiver, alteration or modification has been executed, and no Mortgagor has been released by any Primary Credit Party, or to the best of the Primary Credit Parties' knowledge by any other Person, in whole or in part, from the terms thereof except in connection with an assumption agreement, which assumption agreement is part of the Mortgage File and the terms of which are reflected on the most recently delivered Mortgage Schedule;

(g) No Defenses. There is no valid offset, defense or counterclaim to any Mortgage Note or Mortgage, or to any obligation of the mortgagor to pay the unpaid principal of or interest on such Mortgage Note. The Mortgage Note and the Mortgage are not subject to any right of rescission, recoupment, set off, counterclaim or defense, including the defense of usury, nor will the operation of any of the terms of the Mortgage Note and the Mortgage, or the exercise of any right thereunder, render the Mortgage Note or Mortgage unenforceable, in whole or in part, or subject to any right of rescission, recoupment, set off, counterclaim or defense, including the defense of usury, and no such right of rescission, recoupment, set off, counterclaim or defense has been asserted with respect thereto;

(h) Payment Terms. Except as disclosed in the most recently delivered Mortgage Schedule, (i) with respect to each Adjustable Rate Mortgage Loan, on each adjustment date, the Mortgage Interest Rate will be adjusted to equal the index plus the margin, rounded to the nearest 0.125%, subject to the periodic rate cap, the maximum rate and the minimum rate and (ii) the related Mortgage Note is payable on the first day of each month in monthly installments of principal and/or interest, with interest payable in arrears;

(i) Hazard Insurance. The improvements upon each Mortgaged Property are covered by a valid and existing hazard insurance policy that conforms in all respects to the requirements of Administrative Agent. All individual insurance policies and flood policies referred to in clause (j) below contain a standard mortgagee clause naming Borrowers or the original mortgagee, and its successors in interest, as mortgagee, and no Primary Credit Party has received notice that any premiums due and payable thereon have not been paid; the Mortgage obligates the Mortgagor thereunder to maintain all such insurance, including flood insurance (if required), at the Mortgagor's cost and expense, and upon the Mortgagor's failure to do so, authorizes the holder of the Mortgage to obtain and maintain such insurance at the Mortgagor's cost and expense and to seek reimbursement therefor from the Mortgagor, except as may be limited or restricted by applicable law. Where required by state law or regulation, the Mortgagor has been given an opportunity to choose the carrier of the required hazard insurance, provided that the policy is not a "master" or "blanket" hazard insurance policy covering a condominium, or any hazard insurance policy covering the common facilities of a planned unit development. The hazard insurance policy is the valid and binding obligation of the insurer, is in full force and effect, and will be in full force and effect and inure to the benefit of Collateral Agent upon the consummation of the transactions contemplated by this Agreement. No Primary Credit Party has engaged in, and has no knowledge of the Mortgagor's or any servicer's having engaged in, any

act or omission which would impair the coverage of any such policy, the benefits of the endorsement provided for herein, or the validity and binding effect of such policy, including, without limitation, no unlawful fee, commission, kickback or other unlawful compensation or value of any kind has been or will be received, retained or realized by any attorney, firm or other Person or entity, and no such unlawful items have been received, retained or realized by any Primary Credit Party;

(j) Flood Insurance. If the Mortgaged Property is in an area identified in the Federal Register by the Federal Emergency Management Agency as having special flood hazards, a flood insurance policy in a form meeting the requirements of the current guidelines of the Flood Insurance Administration is in effect with respect to such Mortgaged Property with a generally acceptable carrier and conforms in all respects to the Freddie Mac, Fannie Mae or Ginnie Mae requirements, as applicable;

(k) Compliance with Laws. Each Eligible Mortgage Loan as of the time of its origination complied in all material respects with all applicable local, state and federal laws, including, without limitation, usury, unfair collection practice, equal credit opportunity, fair housing and regulations, real estate settlement procedures, all applicable predatory lending laws (including, for the avoidance of doubt, laws regarding the extension of credit without regard to the ability of the Mortgagor to repay and the extension of credit which has no apparent benefit to the Mortgagor), truth-in-lending and disclosure laws applicable to the solicitation, origination, collection and servicing of such Eligible Mortgage Loan and any obligations of the holder of the Mortgage Note, Mortgage and other loan documents have been complied with in all material respects and the consummation of the transaction contemplated hereby will not involve the violation of any such laws or regulations, and Borrowers shall maintain in their possession, available for inspection of Administrative Agent or its designee, and shall deliver to Administrative Agent or its designee, upon reasonable request, such evidence of compliance with such requirements as are customary or otherwise required by applicable law;

(l) No Satisfaction of Mortgage. The Mortgage has not been satisfied, canceled or subordinated, in whole or in part, or rescinded, and the Mortgaged Property has not been released from the lien of the Mortgage, in whole or in part nor has any instrument been executed that would effect any such satisfaction, release, cancellation, subordination or rescission;

(m) Validity of Mortgage Loan Documents. The Mortgage Note and the related Mortgage are original and genuine and each is the legal, valid and binding obligation of the maker thereof, enforceable in all respects in accordance with its terms subject to bankruptcy, insolvency and other laws of general application affecting the rights of creditors. All parties to the Mortgage Note and the Mortgage had the legal capacity to enter into the Mortgage Loan and to execute and deliver the Mortgage Note and the Mortgage and each Mortgagor is an individual or natural person. The Mortgage Note and the Mortgage have been duly and properly executed by such parties. The documents, instruments and agreements submitted for loan underwriting were not falsified and contain no untrue statement of material fact or omit to state a material fact required to be stated therein or necessary to make the information and statements therein not misleading to the best of the Primary Credit Parties' knowledge;

(n) Full Disbursements of Proceeds. Except in the case of a HELOC, the proceeds of each Eligible Mortgage Loan have been fully disbursed, there is no requirement for future advances thereunder and any and all requirements as to completion of any on-site or off-site improvements and as to disbursements of any escrow funds therefor have been complied with. All costs, fees and expenses incurred in making, closing or recording the Eligible Mortgage Loans were paid and the Mortgagor is not entitled to any refund of any amounts paid or due under the Mortgage Note or Mortgage;

(o) Transfer of Mortgage Loans/Recordation. Each Mortgage other than MERS Mortgage Loans was recorded and the assignment of mortgage is in recordable form and (other than with respect to the blank assignee and the lack of mortgage recordation) is acceptable for recording under the laws of the jurisdiction in which Mortgaged Property is located;

(p) Environmental Matters. To the best of the Primary Credit Parties' knowledge, the Mortgaged Property is in material compliance with all applicable environmental laws, and is free from any and all toxic or hazardous substances, other than those commonly used for homeowner repair and maintenance and/or household purposes, and there exists no pending action or proceeding directly involving the Mortgaged Property in which compliance with any environmental law, rule or regulation is an issue;

(q) Title Insurance. Except with respect to Eligible Mortgage Loans secured by second liens with an original principal balance of less than \$200,000, the Eligible Mortgage Loan is covered by an ALTA lender's title insurance policy or other generally acceptable form of policy of insurance, as the case may be, with all necessary endorsements, issued by a title insurer qualified to do business in the jurisdiction where the Mortgaged Property is located, insuring (subject to the exceptions contained in clause (c) (i), (ii) and (iii) of this Schedule 4.39) the applicable Borrower, its successors and assigns, as to the first priority lien or second priority lien of the Mortgage, as applicable, in the original principal amount of the Eligible Mortgage Loan. Such title insurance policy affirmatively insures ingress and egress and against encroachments by or upon the Mortgaged Property or any interest therein. In the case of Adjustable Rate Mortgage Loans, such title insurance policy also affirmatively insures against any loss by reason of the invalidity or unenforceability of the lien resulting from the provisions of the Mortgage providing for adjustment to the Mortgage Interest Rate. The applicable Borrower is the sole insured of such lender's title insurance policy, such title insurance policy has been duly and validly endorsed to Collateral Agent or the assignment to Collateral Agent of such Borrower's interest therein does not require the consent of or notification to the insurer and such lender's title insurance policy is in full force and effect and will be in full force and effect upon the consummation of the transactions contemplated by this Agreement. No claims have been made under such lender's title insurance policy, and no prior holder of the related Mortgage has done, by act or omission, anything that would impair the coverage of such lender's title insurance policy. The underwriting standards with respect to the origination of each second lien Mortgage Loan did not require title insurance for second lien Mortgage Loans with an original principal balance of less than \$200,000;

(r) No Default. To the best of the Primary Credit Parties' knowledge, except as disclosed in the most recently delivered Mortgage Schedule, there is no default, breach,

violation or event of acceleration existing under the Mortgage or the related Mortgage Note and, to the best of the Primary Credit Parties' knowledge, no event which, with the passage of time or with notice and the expiration of any grace or cure period, would constitute a default, breach, violation or event permitting acceleration; and no Primary Credit Party nor any prior mortgagee has waived any default, breach, violation or event permitting acceleration;

(s) No Mechanic's Liens. To the best of the Primary Credit Parties' knowledge, there are no mechanics, or similar liens or claims which have been filed for work, labor or material affecting the related Mortgaged Property which are or may be liens prior to or equal to the lien of the related Mortgage;

(t) Mortgaged Property Undamaged. To the best of the Primary Credit Parties' knowledge, the Mortgaged Property for each Eligible Mortgage Loan is free of material damage and is in good repair and condition and free of any structural deficiencies or deferred maintenance that would influence the originator's decision to originate any such Eligible Mortgage Loan or Administrative Agent's decision to accept such Eligible Mortgage Loan as collateral under the Credit Documents. As of the date of its origination, there was no proceeding pending for the total or partial condemnation of any related Mortgaged Property that materially affects the value thereof. All of the improvements which were included for the purpose of determining the Appraised Value of the Mortgaged Property lie wholly within the boundaries and building restriction lines of such property, and no improvements on adjoining properties encroach upon the Mortgaged Property, except those, if any, which are considered de minimis by the Fannie Mae Guides or are insured against by the title insurance policy referred to in (q) above;

(u) Occupancy of the Mortgaged Property. All inspections, licenses and certificates required in connection with the origination of the Eligible Mortgage Loans to be made or issued with respect to all occupied portions of the Mortgaged Property and, with respect to the use and occupancy of the same, including but not limited to certificates of occupancy, have been made or obtained from the appropriate authorities and the Mortgaged Property is lawfully occupied under applicable law;

(v) Location of Mortgaged Property. The Eligible Mortgage Loan is not (i) secured by a lien other than a first lien on Mortgaged Property located in Minnesota unless the original principal balance thereof was greater than or equal to \$100,000 or (ii) secured by a Mortgaged Property located in Puerto Rico, the Virgin Islands or Guam or any other jurisdiction for which GMACM Servicer does not have all licenses required to purchase, hold and sell such Eligible Mortgage Loan;

(w) Due on Sale. Except as disclosed in the most recently delivered Mortgage Schedule, the Eligible Mortgage Loan contains the usual and enforceable provisions of the originator at the time of origination for the acceleration of the payment of the unpaid principal amount if the related Mortgaged Property is sold without the prior consent of the mortgagee thereunder;

(x) Customary Provisions. The related Mortgage contains enforceable provisions such as to render the rights and remedies of the holder thereof adequate for the

realization against the Mortgaged Property of the benefits of the security provided thereby, including, (i) in the case of a Mortgage designated as a deed of trust, by trustee's sale, and (ii) otherwise by judicial foreclosure. Upon default by a Mortgagor on a Mortgage Loan and foreclosure on, or trustee's sale of, the Mortgaged Property pursuant to the proper procedures, the holder of the Mortgage Loan will be able to deliver good and marketable title to the Mortgaged Property. To the best of the Primary Credit Parties' knowledge, there is no homestead or other exemption available to the Mortgagor that would materially interfere with the right to sell the Mortgaged Property at a trustee's sale or the right to foreclose the Mortgage. The Mortgagor has not notified any Primary Credit Party and Primary Credit Parties have no actual knowledge of any relief requested or allowed to the Mortgage under the Servicemembers Relief Act of 1940;

(y) Deeds of Trust. If the Mortgage constitutes a deed of trust, a trustee, duly qualified if required under applicable law to act as such, has been properly designated and currently so serves and is named in the Mortgage, and no fees or expenses are or will become payable by any Agent to the trustee under the deed of trust, except in connection with a trustee's sale or attempted sale after default by the Mortgagor;

(z) Location and Type of Mortgage Property. Each of the Mortgaged Properties consists of a single parcel of real property improved by a one-to-four-family residential dwelling, including condominium units and dwelling units in planned unit developments. The Eligible Mortgage Loans are not secured by a manufactured home, co-op, mobile home, condotel, multifamily, mixed use or commercial structure. None of the Eligible Mortgage Loans are on commercial, industrial, agricultural or undeveloped property, or on any property located anywhere except the continental United States, Alaska or Hawaii;

(aa) Origination and Collection Practices; Escrow Deposits. The origination, collection, servicing and subservicing practices with respect to each Mortgage Note and Mortgage have been in all material respects proper, reasonable and customary in the mortgage origination and servicing business. With respect to escrow deposits and payments that any Primary Credit Party collects, all such payments are in the possession of, or under the control of, such Primary Credit Party, and there exist no deficiencies in connection therewith for which customary arrangements for repayment thereof have not been made. No escrow deposits or other charges or payments due under the Mortgage Note have been capitalized under any Mortgage or the related Mortgage Note;

(bb) No Additional Security. There is no pledged account or other security other than real estate securing the Mortgagor's obligations;

(cc) Buydown Mortgage Loans. Except as disclosed in the most recently delivered Mortgage Schedule, no Eligible Mortgage Loan (i) contains provisions pursuant to which monthly payments are (x) paid or partially paid with funds deposited in any separate account established by any Primary Credit Party, the mortgagor, or anyone on behalf of the mortgagor or (y) paid by any source other than the mortgagor or (ii) contains any other similar provisions which may constitute a "buydown" provision. Except as disclosed in the Mortgage Schedule delivered to Administrative Agent on the Closing Date, no Eligible Mortgage Loan is a graduated payment mortgage loan and the Eligible Mortgage Loan does not have a shared appreciation or other contingent interest feature;

(dd) No Reverse Mortgage Loan. Except as disclosed in the most recently delivered Mortgage Schedule, no Eligible Mortgage Loan is a reverse mortgage loan;

(ee) No Additional Payments. There is no obligation on the part of any Primary Credit Party or any other party under the terms of the Mortgage or related Mortgage Note to make payments in addition to those made by the Mortgagor;

(ff) Consolidation of Advances. Any advances made prior to the Closing Date have been consolidated with the outstanding principal amount secured by the Mortgage, and the secured principal amount, as consolidated, bears a single interest rate and single repayment term reflected on the related Mortgage Schedule. The lien of the Mortgage securing the consolidated principal amount is expressly insured as having first or second, as applicable, lien priority by a title insurance policy, an endorsement to the policy insuring the mortgagee's consolidated interest or by other title evidence reasonably acceptable to Administrative Agent. The consolidated principal amount does not exceed the maximum principal amount of the Eligible Mortgage Loan;

(gg) No Error, Omission, Fraud etc. No material error, omission, misrepresentation, negligence, fraud or similar occurrence with respect to an Eligible Mortgage Loan has taken place on the part of any Primary Credit Party, or to the best of the Primary Credit Parties' knowledge, on the part of any Person, including, without limitation, the related Mortgagor, any appraiser, any builder or developer, or any other party involved in the origination of the Eligible Mortgage Loan or in the application of any insurance in relation to such Eligible Mortgage Loan;

(hh) Leasehold Interests. If any of the Eligible Mortgage Loans are secured by a leasehold interest, with respect to each leasehold interest: (i) the lessor under the lease holds a fee simple interest in the land; (ii) the terms of such lease expressly permit the mortgaging of the leasehold estate, the assignment of the lease without the lessor's consent and the acquisition by the holder of the Mortgage of the rights of the lessee upon foreclosure or assignment in lieu of foreclosure or provide the holder of the Mortgage with substantially similar protections; (iii) the terms of such lease do not (A) allow the termination thereof upon the lessee's default without the holder of the Mortgage being entitled to receive written notice of, and opportunity to cure, such default, (B) allow the termination of the lease in the event of damage or destruction as long as the Mortgage is in existence, (C) prohibit the holder of the Mortgage from being insured (or receiving proceeds of insurance) under the hazard insurance policy or policies relating to the Mortgaged Property or (D) permit any increase in rent other than pre-established increases set forth in the lease; (iv) the residential property in such area consisting of leasehold estates is readily marketable; (v) the lease is recorded and is in full force and effect and is not subject to any prior lien or encumbrance by which the leasehold could be terminated or subject to any charge or penalty; and (vi) the remaining term of the lease does not terminate less than ten years after the maturity date of such Eligible Mortgage Loan;

(ii) No Bankruptcy Proceedings. The related Mortgagor was not subject to a proceeding under applicable bankruptcy laws at the time the Eligible Mortgage Loan was originated, except as disclosed in the most recently delivered Mortgage Schedule;

(jj) HOEPA. No Eligible Mortgage Loan is (i) subject to the provisions of the Homeownership and Equity Protection Act of 1994 as amended ("**HOEPA**"), or has an "annual percentage rate" or "total points and fees" payable by the borrower thereunder or with respect thereto (as each such term is defined under HOEPA) that equals or exceeds the applicable thresholds defined under HOEPA (Section 32 of Regulation Z, 12 C.F.R.
