**GLOBAL NOTES TO SCHEDULES OF ASSETS AND LIABILITIES AND
STATEMENTS OF FINANCIAL AFFAIRS OF WP STEEL VENTURE LLC
AND ITS AFFILIATED DEBTORS AND DEBTORS IN POSSESSION**

These notes (the “Global Notes”) regarding the Debtors’ Schedules of Assets and Liabilities (the “Schedules”) and Statements of Financial Affairs (the “SOFAs,” and together with the Schedules, the “Bankruptcy Schedules”) comprise an integral part of the Bankruptcy Schedules and should be referred to and considered in connection with any review of them.

1. Management (“Management”) of the above-referenced debtors and debtors in possession (each, a “Debtor,” and collectively, the “Debtors”)¹ have prepared unaudited Bankruptcy Schedules pursuant to section 521 of title 11 of the United States Code (the “Bankruptcy Code”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure. Except where otherwise noted, the information provided herein is as of the close of business on May 30, 2012. The chapter 11 cases of the Debtors are jointly administered, pursuant to an order of the United States Bankruptcy Court for the District of Delaware (the “Bankruptcy Court”), dated June 1, 2012. While Management has made every reasonable effort to ensure that the Debtors’ Bankruptcy Schedules are accurate and complete, based upon information that was available to them at the time of preparation, inadvertent errors or omissions may exist and the subsequent receipt of information and/or further review and analysis of the Debtors’ books and records may result in changes to financial data and other information contained in the Bankruptcy Schedules. Moreover, because the Bankruptcy Schedules contain unaudited information that is subject to further review and potential adjustment, there can be no assurance that these Bankruptcy Schedules are complete or accurate.
2. The Debtors reserve the right to amend the Bankruptcy Schedules in all respects as may be necessary or appropriate, including, but not limited to, the right to assert offsets or defenses to, or to dispute, any claim reflected on the Schedules as to amount, liability or classification, or to otherwise subsequently designate any claim as “disputed,” “contingent” or “unliquidated.” Furthermore, nothing contained in the Bankruptcy Schedules shall constitute a waiver of the Debtors’ rights with respect to these chapter 11 cases and specifically with respect to any issues involving substantive consolidation, equitable subordination and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws.

¹ If applicable, the last four digits of the taxpayer identification numbers of the Debtors follow in parentheses: (i) WP Steel Venture LLC (7095); (ii) Metal Centers LLC; (iii) RG Steel, LLC (1806); (iv) RG Steel Railroad Holding, LLC (4154); (v) RG Steel Sparrows Point, LLC (3633); (vi) RG Steel Warren, LLC (0253); (vii) RG Steel Wheeling, LLC (3273); and (viii) RG Steel Wheeling Steel Group, LLC (9927). The Debtors’ executive headquarters are located at 1430 Sparrows Point Boulevard, Sparrows Point, MD 21219.

These Global Notes regarding the Debtors' Bankruptcy Schedules comprise an integral part of the Schedules and SOFAs and should be referred to and considered in connection with any review of them.

3. The Bankruptcy Schedules are a reflection of the assets and liabilities as recorded in the Debtors' books and records and, therefore, may not be an accurate reflection of all of the Debtors' potential liabilities.
4. Some of the Debtors' scheduled assets and liabilities are unliquidated or of unknown value at this time. Accordingly, the Schedules may not accurately reflect the aggregate amount of the Debtors' current assets and liabilities.
5. The preparation of the Bankruptcy Schedules required Management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities and the reported amounts of expenses during the reporting period. Actual results could differ from those estimates. Without prior notice, the Debtors may amend their Bankruptcy Schedules as they deem necessary and appropriate to reflect material changes, if any, that arise during the pendency of their chapter 11 cases.
6. Given the differences between the information requested in the Bankruptcy Schedules and the financial information utilized under accounting principles generally accepted in the United States of America ("**GAAP**"), the aggregate asset values and claim amounts set forth in the Bankruptcy Schedules do not necessarily reflect the amounts that would be set forth in a balance sheet prepared in accordance with GAAP.
7. Except where otherwise noted, the information provided herein relates to the period following March 31, 2011. To the extent questions in the Bankruptcy Schedules ask for information relating to the period prior to March 31, 2011, such information is not provided.
8. While property listed with a book value of \$0 has been fully depreciated, the property is still listed on the Schedules to account for the fact that market value may be higher.
9. Schedule A of the Debtors' Schedules reflects book value of each real property asset as of May 30, 2012.
10. For purposes of the Debtors' Schedule B, the values listed for each of the bank account balances are as of May 30, 2012. The value of accounts receivable, security deposits and inventory are as of May 30, 2012.
11. The bank account balances listed in the Debtors' Schedule B are net of outstanding negotiables that have been issued by the Debtors but not yet cashed by the recipient of such negotiables (i.e., Schedule B reflects bank cash, not book cash).
12. With respect to the Debtors' Schedule B, question 3, the information on security deposits includes prepayments that are held by certain third parties on account of services provided to the Debtors in the ordinary course of their businesses.
13. Schedule B, question 13 of each Debtor's Schedules identifies such Debtor's direct ownership interests in any subsidiary, but does not list any subsidiary that the Debtor may own indirectly. Amounts related to the investment in consolidated subsidiaries exclude equity earnings (or losses) because those earnings (or losses) are typically eliminated in

These Global Notes regarding the Debtors' Bankruptcy Schedules comprise an integral part of the Schedules and SOFAs and should be referred to and considered in connection with any review of them.

consolidation. These equity earnings (or losses) related to investments in consolidated subsidiaries are also excluded from SOFA, question 2.

14. Schedule B, question 13 reflects book value of subsidiaries.
15. Schedule B, question 25, of the Debtors' Schedules includes the value of motor vehicles owned by the Debtors. The value set forth on the Debtors' Schedules reflects the net book value of such vehicles.
16. With respect to Schedule B, questions 28 and 29, the Debtors own, among other things, computer hardware and software, office furniture, and various machinery and equipment. The Debtors may own additional items, each with net book value below \$1,000, that are not reflected in their Schedules.
17. The dollar amount of inventory listed in Schedule B, question 30, and SOFA, question 20, reflects the book value of inventory value as of May 30, 2012. Inventories are stated at the lower of cost or market. Inventory costs are determined on the weighted average cost method.
18. Pursuant to an order of the Bankruptcy Court dated June 1, 2012, the Debtors are authorized to pay certain prepetition obligations for employee wages, salaries, bonuses and other compensation, reimbursable employee expenses and employee medical and similar benefits. Pursuant to the same order, the Debtors are also authorized to pay prepetition obligations to certain independent contractors and satisfy related obligations to their independent contractors. Therefore, certain claims held by the Debtors' employees or in connection as of May 30, 2012 are not listed on the Debtors' Schedule E to the extent such claims were paid after June 1, 2012.
19. The Debtors have not included on Schedule F secured parties that may have an unsecured deficiency claim; such parties have been listed on Schedule D only.
20. Counter parties to the Debtors' executory contracts may be holders of contingent and unliquidated claims arising from (a) obligations under those executory contracts, and/or (b) rejection damages in the event that executory contract is rejected. Certain of these claims are not listed on Schedule F.
21. For purposes of the Schedules, the Debtors have only scheduled claims and executory contracts for which the Debtors may be contractually and/or directly liable. No claims have been scheduled for a Debtor that may have benefited directly or indirectly from a contractual relationship to which the Debtor was not a named party. No claims or executory contracts have been scheduled where payments to third parties were made on a Debtor's behalf for administrative convenience or as a result of the Debtors' cash management system. No claims or executory contracts have been scheduled for which the Debtors have rate agreements in place, but not formal contracts.
22. Listing a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease. The Debtors reserve all rights to challenge whether any of the listed contracts, leases, agreements or other documents

These Global Notes regarding the Debtors' Bankruptcy Schedules comprise an integral part of the Schedules and SOFAs and should be referred to and considered in connection with any review of them.

constitute an executory contract or unexpired lease, including if any are unexpired non-residential real property leases. Any and all of the Debtors' rights, claims and causes of action with respect to the contracts and agreements listed on Schedule G are expressly preserved.

23. While every reasonable effort has been made to ensure the accuracy of Schedule G regarding executory contracts and unexpired leases, inadvertent errors or omissions may have occurred. The Debtors hereby reserve all of their rights to dispute the validity, status or enforceability of any contract, agreement, or lease set forth on Schedule G that may have expired or may have been modified, amended, and supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters and other documents, instruments, and agreements which may not be listed on Schedule G. Certain of the leases and contracts listed on Schedule G may contain certain renewal options, guarantees of payment, options to purchase, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth on Schedule G. Certain of the executory agreements may not have been memorialized in writing and could be subject to dispute. In addition, the Debtors may have entered into various other types of agreements in the ordinary course of their business, including supplemental agreements, amendments/letter agreements, title agreements and confidentiality agreements. Such documents may also not be set forth on Schedule G. The Debtors reserve all of their rights to dispute or challenge the characterization of the structure of any transaction, or any document or instrument (including without limitation, any intercompany agreement) related to a creditor's claim. Certain of the contracts, agreements, and leases listed on Schedule G may have been entered into by more than one of the Debtors. In the ordinary course of business, the Debtors may have entered into agreements, written or oral, for the provision of certain services on a month-to-month or at-will basis. Such contracts may not be included on Schedule G. However, each Debtor reserves the right to assert that such agreements constitute executory contracts.
24. Certain of the contracts listed on Schedule G may have been rejected since the commencement of the Debtors' cases pursuant to an order of the Bankruptcy Court. Any notice of rejection of a certain contract supersedes the inclusion of such contract on Schedule G. In addition, certain contracts listed on Schedule G may be subject to pending rejection notices. The Debtors reserve the right to move for rejection of any contract listed on Schedule G.
25. In the interests of protecting individuals' privacy, the Debtors have not included payments made to non-insider employees on account of wages, salaries or commissions in their responses to SOFA question 3(b). In addition, the Debtors have not included payments made to employees who are or were insiders on account of wages, salaries or commissions in their responses to SOFA question 3(c). Prior to the filing of the Bankruptcy Schedules, the Debtors had provided copies of their compensation to insiders to the United States Trustee for the District of Delaware and counsel to the official committee of unsecured creditors and will provide additional copies to the Court.
26. With respect to SOFA, question 3(c), the listing of any person or entity is not intended to be nor shall it be construed as a legal characterization of such party as an insider, and does not

These Global Notes regarding the Debtors' Bankruptcy Schedules comprise an integral part of the Schedules and SOFAs and should be referred to and considered in connection with any review of them.

act as an admission of any fact, claim, right or defense, and all such rights, claims and defenses are hereby reserved.

27. With respect to SOFA, question 3(c), the Debtors have not included non-cash payments relating to intercompany transfers. Such transfers are reflected in Schedule G.
28. With respect to SOFA, question 4, the Debtors have made reasonable efforts to accurately record all suits and administrative proceedings to which a Debtor is or was party to within the one (1) year immediately preceding the Petition Date. Certain litigation against a particular Debtor may relate to any of the other Debtors.
29. Payments related to professional services rendered to the Debtors in connection with the commencement of their chapter 11 cases have been made on a consolidated basis and appear only in response to SOFA, question 9 for RG Steel, LLC.
30. As set forth in the final order authorizing the Debtors to obtain postpetition financing, dated June 21, 2012, the Debtors have granted certain security interests to their secured lenders set forth on Schedule D. Therefore, with respect to SOFA, question 10, those transfers are not listed.
31. With respect to SOFA, question 14, while the Debtors have made reasonable efforts to accurately record all property held by the Debtors for another person, the Debtors have not included equipment owned by third parties (whether lessees or not) that is located on site because the Debtors do not have an inventory list of such property.
32. SOFA, question 17, reflects information related to environmental notices received or sent, and certain environmental administrative proceedings conducted, on or after March 31, 2011.
33. With respect to SOFA, question 18, each Debtor has identified all businesses in which it has a direct ownership interest in more than 5% of the voting or equity securities. Indirect ownership interests, if any, are not listed.
34. With respect to SOFA, question 19(d), the Debtors have listed those secured creditors that are provided with financial statements in the ordinary course of business. In the interests of preserving the confidentiality of the identity of potential purchasers, the Debtors have not listed those parties that have received financial statements in such capacity.
35. With respect to SOFA, question 24, the Debtors have provided the name and federal taxpayer-identification number of the parent corporation of the consolidated group for tax purposes of which the Debtors have been a member since March 31, 2011.
36. The Debtors, their Management, agents, officers, directors, employees, representatives, attorneys and financial advisors do not guarantee or warrant as to the accuracy and/or completeness of the data that is provided herein and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating or delivering the information contained herein. While every effort has been made to provide accurate and complete information herein, inadvertent errors or omissions may exist. The

These Global Notes regarding the Debtors' Bankruptcy Schedules comprise an integral part of the Schedules and SOFAs and should be referred to and considered in connection with any review of them.

Debtors, their Management, officers, directors, employees, agents, attorneys and financial advisors expressly do not undertake any obligation to update, modify, revise or re-categorize the information provided herein or to notify any third party should the information be updated, modified, revised or re-categorized. In no event shall the Debtors, officers, directors, employees, agents, attorneys and financial advisors be liable to any third party for any direct, indirect, incidental, consequential or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost business or lost profits), whether foreseeable or not and however caused, even if the Debtors, officers, directors, employees, agents, attorneys and financial advisors are advised of the possibility of such damages.

State the name, mailing address, including zip code, and last four digits of any account number of all entities holding claims secured by property of the debtor as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. List creditors holding all types of secured interests such as judgment liens, garnishments, statutory liens, mortgages, deeds of trust, and other security interests.

If a minor child is the creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. § 112 and Fed. R. Bankr. P. 1007(m). If all secured creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H – Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "HWJC."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Total the columns labeled "Amount of Claim Without Deducting Collateral" and "Unsecured Portion, if Any" in the boxes labeled "Total(s)" on the last sheet of the completed schedule. If all creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H - Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "HWJC."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of all claims listed on this schedule in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report this total also on the Statistical Summary of Certain Liabilities and Related Data.

Check this box if debtor has no creditors holding unsecured nonpriority claims to report on this Schedule F.
