## I. INTRODUCTION

On May 28, 2009 (the “Petition Date”),<sup>2</sup> R.H. Donnelley Corporation (“RHDC”) and its subsidiaries (collectively with RHDC, the “Debtors” or the “Company”)<sup>3</sup> filed voluntary petitions for relief under Chapter 11 of the Bankruptcy Code in the Bankruptcy Court (collectively, the “Chapter 11 Cases”). In all, the Debtors comprise 20 entities.

To facilitate the Debtors’ emergence from bankruptcy and effect their reorganization, on October 7, 2009, the Debtors filed the Joint Plan of Reorganization for R.H. Donnelley Corporation and Its Debtor Subsidiaries, dated October 7, 2009 (as the same may be amended from time to time, the “Plan”) with the Bankruptcy Court. A copy of the Plan is attached hereto as Exhibit A. The Debtors hereby submit this Disclosure Statement pursuant to Section 1125 of the Bankruptcy Code to Holders of Claims against and Interests in each of the Debtors in connection with (i) the solicitation of acceptances of the Plan and (ii) the hearing to consider confirmation of the Plan scheduled for [January 12, 2010], commencing at [ ] --.m. prevailing Eastern Time. In advance of the hearing on confirmation of the Plan, the Debtors will file a Plan Supplement containing the documents listed on page iv of the Plan.

The purpose of this Disclosure Statement is to describe the Plan and its provisions, provide certain information, as required under Section 1125 of the Bankruptcy Code, to creditors who will have the right to vote on the Plan so that they can make an informed decision in doing so, and to urge such creditors to vote to accept the Plan. Creditors entitled to vote to accept or reject the Plan will receive a ballot (“Ballot”) together with this Disclosure Statement to enable them to vote on the Plan.

This Disclosure Statement includes, among other things, information pertaining to the Debtors’ prepetition business operations and financial history and the events leading to the filing of these Chapter 11 Cases. This Disclosure Statement also contains information respecting significant events that have occurred during these Chapter 11 Cases. In addition, an overview of the Plan is included, which sets forth certain terms and provisions of the Plan, the effects of confirmation of the Plan, certain risk factors associated with the Plan, and the manner in which distributions will be made under the Plan. This Disclosure Statement also discusses the confirmation process and the procedures for voting, which must be followed by the Holders of Claims entitled to vote under the Plan for their votes to be counted.

### **The Committee’s Statement in Response to the Disclosure Statement**

Exhibit G to this Disclosure Statement includes certain information that the Official Committee of Unsecured Creditors (the “Committee”) believes is necessary for the Holders of Claims to make an informed decision whether to accept or reject a plan of reorganization predicated on the Plan Support Agreements. This information is based on the Committee’s view that (i) credit markets have improved considerably since May 21, 2009, when the Plan Support

<sup>2</sup> Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Plan; provided, however, that any capitalized term used herein that is not defined herein or in the Plan, but is defined in the Bankruptcy Code or the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”) shall have the meaning ascribed to that term in the Bankruptcy Code or the Bankruptcy Rules.

<sup>3</sup> The Debtors are set forth on the cover page of this Disclosure Statement.

Agreements were executed, (ii) the Reorganized Debtors have substantial additional capacity to issue debt securities for the benefit of all Holders of Noteholders Claims, and (iii) since 2004, the Prepetition Lenders have failed to perfect their prepetition liens on the Debtors' registered copyrights. Exhibit G also contains the responses of the Debtors and the Prepetition Lenders Agents to certain arguments raised by the Committee. The Committee urges creditors to review Exhibit G carefully before voting to accept or reject the Plan.

A Ballot for the acceptance or rejection of the Plan is also enclosed with the Disclosure Statement transmitted to each Holder of a Claim entitled to vote on the Plan.

For a discussion of these matters, see Article VI, "Voting Procedures and Requirements" and Article VII, "Confirmation of the Plan."

The following sets forth which classes are entitled to vote on the Plan and which are not:

- The Debtors are seeking votes from the Holders of Convenience Claims (Classes 1C through 19C), Noteholders Claims (Classes 1E, 2D, 3E, 4E, and 4F), RHDI Noteholders Guaranty Claims (Classes 1F and 10E through 16E), Prepetition Lenders Claims (Classes 3D, 4D, and 5D), Prepetition Lenders Guaranty Claims (1D and 6D through 16D) General Unsecured Claims (Classes 1G, 2E, 3F, 4G, 5E through 9E, 10F through 16F, and 17D through 19D), and Intercompany Claims (Classes 1H, 2F, 3G, 4H, 5F through 9F, 10G through 16G, 17E through 19E, and 20A).
- The Debtors are not seeking votes from Holders of RHDC Interests (Class 1I) because those Interests are impaired under the Plan and the Holders are receiving no distribution on account of such Interests. These Holders will be deemed to have voted to reject the Plan.

- The Debtors are not seeking votes from Holders of Priority Non-Tax Claims (Classes 1A through 19A), Other Secured Claims (Classes 1B through 19B), and Interests in Debtors Other Than RHDC (Classes 2G, 3H, 4I, 5G through 9G, 10H through 16H, 17F through 19F, and 20B) because those Claims and Interests are unimpaired under the Plan, and the Holders of Claims and Interests in each of these Classes are conclusively presumed to have accepted the Plan and are not entitled to vote on the Plan.

For a detailed description of the Classes of Claims and Interests and their treatment under the Plan, see Article V, Sections B and E.

**B. Overview of Chapter 11.**

Chapter 11 is the principal business reorganization chapter of the Bankruptcy Code. Under chapter 11, a debtor is authorized to reorganize its business for the benefit of itself, its creditors and its equity security holders. In addition to permitting the rehabilitation of a debtor, another goal of chapter 11 is to promote the equality of treatment of similarly situated creditors and equity interest holders with respect to the distribution of a debtor's assets.

The commencement of a chapter 11 case creates an estate that is comprised of all of the legal and equitable interests of the debtor as of the commencement date. The Bankruptcy Code provides that the debtor may continue to operate its business and remain in possession of its property as a "debtor-in-possession."

The consummation of a plan of reorganization is the principal objective of a chapter 11 reorganization case. A plan of reorganization sets forth the means for satisfying claims against and equity interests in the debtor. Confirmation of a plan of reorganization by the bankruptcy court makes the plan binding upon the debtor, any issuer of securities under the plan, any person acquiring property under the plan and any creditor or equity interest holder of a debtor. Subject to certain limited exceptions, the order approving confirmation of a plan discharges a debtor from any debt that arose prior to the date of confirmation of the plan and substitutes therefore the obligations specified under the confirmed plan.

After a plan of reorganization has been filed in a chapter 11 case, certain holders of claims against or equity interests in a debtor are permitted to vote to accept or reject the plan. Prior to soliciting acceptances of the proposed plan, Section 1125 of the Bankruptcy Code requires a plan proponent to prepare a disclosure statement containing adequate information of a kind, and in sufficient detail, to enable a hypothetical reasonable investor to make an informed judgment whether to accept or reject the plan. The Debtors are submitting this Disclosure Statement to Holders of Allowed Claims and Interests against each Debtor in order to satisfy the requirements of Section 1125 of the Bankruptcy Code.

**C. Solicitation Package.**

Accompanying this Disclosure Statement is a package of materials called the "Solicitation Package." The Solicitation Package contains copies of, among other things:

- the Bankruptcy Court order approving the Disclosure Statement and procedures for soliciting and tabulating votes on the Plan (the “Voting Procedures Order”) which, among other things, approves this Disclosure Statement as containing adequate information, schedules the Confirmation Hearing, sets the voting deadline, sets out the procedures for distributing Solicitation Packages to the Holders of Claims against and Interests in the Debtors, establishes the procedures for tabulating Ballots used in voting on the Plan, and fixes the deadline for objecting to confirmation of the Plan;
- the notice of Confirmation Hearing and entry of the Voting Procedures Order; and
- one or more Ballots and a postage-paid return envelope (Ballots are provided only to Holders of Claims that are entitled to vote on the Plan), which will be used by creditors who are entitled to vote on the Plan.

**D. Voting Procedures, Ballots, and Voting Deadline.**

After carefully reviewing the materials in the Solicitation Package and the detailed instructions accompanying your Ballot, please indicate your acceptance or rejection of the Plan by voting in favor of or against the Plan. In order for your vote to be counted, you must complete and sign your original Ballot and return it in the envelope provided (copies will not be accepted). In most cases, each Ballot enclosed with this Disclosure Statement has been encoded with the amount of the Allowed Claim for voting purposes (if the Claim is a contested Claim, this amount may not be the amount ultimately allowed for purposes of Distribution) and the Class into which the Claim has been placed under the Plan. Accordingly, in voting to accept or reject the Plan, a Holder must use only the coded Ballot or Ballots sent with this Disclosure Statement.

**In order for your vote to be counted, your Ballot must be properly completed in accordance with the voting instructions on the Ballot and actually received no later than the Voting Deadline (as defined in the Voting Procedures Order) by the Voting Agent (as defined below). Do not return any debt instruments or equity securities with your Ballot.**

**Any executed Ballot that does not indicate either an acceptance or rejection of the Plan or indicates both an acceptance and rejection of the Plan will not be counted as a vote either to accept or reject the Plan.**

If you are a Holder of a Claim who is entitled to vote on the Plan and did not receive a Ballot, received a damaged Ballot or lost your Ballot, please call The Garden City Group, at 1-888-571-1767.

If you have any questions about the procedure for voting your Claim, the packet of materials that you have received, the amount of your Claim, or if you wish to obtain at your own expense an additional copy of this Disclosure Statement and its appendices, schedules and exhibits, please contact the Voting Agent.

FOR FURTHER INFORMATION AND INSTRUCTIONS ON VOTING TO ACCEPT OR REJECT THE PLAN, SEE ARTICLE VI, "VOTING PROCEDURES AND REQUIREMENTS."

Before voting on the Plan, each Holder of a Claim in Classes that are entitled to vote on the Plan should read, in its entirety, this Disclosure Statement, the Plan, the Solicitation Order, the notice of the Confirmation Hearing, and the instructions accompanying the Ballots. These documents contain important information concerning how Claims are classified for voting purposes and how votes will be tabulated.

**E. Confirmation Hearing and Deadline for Objections to Confirmation.**

Section 1128(a) of the Bankruptcy Code requires the Bankruptcy Court, after notice, to hold a hearing on confirmation of a plan. The Bankruptcy Court has scheduled the Confirmation Hearing on [January 12, 2010] at [\_\_\_\_\_] (prevailing Eastern time) before the Honorable Kevin Gross, United States Bankruptcy Judge, at the United States Bankruptcy Court for the District of Delaware, 824 Market Street, Sixth Floor, Courtroom No. 3, Wilmington, Delaware 19801. The Confirmation Hearing may be adjourned from time to time by the Bankruptcy Court without further notice except for the announcement of adjournment at the Confirmation Hearing, or at any subsequent adjourned Confirmation Hearing. Any objection to Confirmation of the Plan must be made in accordance with the requirements of Section 1128(b) of the Bankruptcy Code, Bankruptcy Rule 9014 and the procedures set forth in Article VII, Section A of this Disclosure Statement.

**II. OVERVIEW OF THE PLAN**

The following summary is a general overview only, which is qualified in its entirety by, and should be read in conjunction with, the more detailed discussions, information, and financial statements and notes thereto appearing elsewhere in this Disclosure Statement and the Plan. For a more detailed description of the terms and provisions of the Plan, see Article V, "The Plan of Reorganization." The Debtors, moreover, reserve the right to modify the Plan consistent with Section 1127 of the Bankruptcy Code and Bankruptcy Rule 3019.

**A. General Overview.**

The Company, in consultation with its advisors, has reached prepetition agreements in principle on a pre-arranged restructuring plan with (i) the Company's secured lenders and (ii) the holders of a majority of the aggregate outstanding principal amount of the Company's unsecured bonds. The terms of the Company's pre-arranged restructuring plan are evidenced by (i) prepetition plan support agreements, together with accompanying term sheets, executed by the Company and lenders holding well in excess of two-thirds (2/3) in principal amount and one-half (1/2) in number of claims under each of the RHDI Credit Agreement, DME Credit Agreement, and DMW Credit Agreement (collectively, the, "Banks Support Agreements"), true and correct copies of which are attached hereto as Exhibit B; and (ii) a prepetition restructuring support agreement, together with accompanying plan term sheet, executed by the Company and Noteholders holding in excess of a majority of the principal amount of the Prepetition Note Debt (the "Noteholders Support Agreement" and, collectively, with the Banks Support Agreements,

the “Plan Support Agreements”), a true and correct copy of which is attached hereto as Exhibit C. The Plan Support Agreements, together with the applicable term sheets, formed the basis for the Plan, the principal terms of which are summarized in Article V of this Disclosure Statement.

The salient economic terms of the Company’s pre-arranged restructuring plan (which are subject in all respects to the specific terms set forth in the term sheets attached to the Plan Support Agreements and the negotiation and execution of definitive documentation) include, but are not limited to, the following: (i) elimination of approximately \$6.4 billion of indebtedness (including through payment of \$700 million of secured indebtedness) and \$500 million of annual interest expense; (ii) receipt by the Prepetition Lenders of approximately \$655 million of debt paydown (including the \$200 million in principal that the Debtors paid down prior to the Petition Date) in addition to scheduled amortization and interest payments (subject to future Company cash flows); (iii) the exchange of all Prepetition Note Debt for (a) 100% of the reorganized RHDC equity (subject to dilution pursuant to the Management Incentive Plan) and, (b) in the case of the Holders of the DMW 8.5% Senior Notes due 2010 and the DMW 5.875% Senior Notes due 2011, in addition to their allocable share of the reorganized RHDC equity, \$300 million of new seven-year RHDC unsecured notes issued on a *pro rata* basis; (iv) the RHDI Revolver will be termed out with a maturity of October 2014 and new pricing of LIBOR plus 600-625 basis points (“bps”) subject to a grid and the RHDI Term Loans D-1 and D-2 will be amended with new pricing (LIBOR plus 600-625bps subject to a grid) and a maturity of October 2014; (iv) each of the DME and DMW Revolvers will be termed out with maturities of October 2014 and pricing increased by 75bps (subject to step-downs) and (a) each of the DME and DMW Term Loan A’s will be amended with extended maturities of October 2014 and pricing increased by 75bps (subject to step-downs) and (b) each of the DME and DMW Term Loan B’s will be amended with pricing increased by 50bps (subject to step-downs); and (v) enhancement of the collateral and guarantee packages of the DME, DMW and RHDI secured debt. As of emergence, the Company anticipates that its secured and consolidated debt will be approximately \$3.1 billion and \$3.4 billion, respectively, which represents approximately 2.9x and 3.2x net secured and net consolidated leverage, respectively. The restructuring will allow the Company to preserve and retain significant tax attributes that could meaningfully reduce the Company’s post-emergence cash tax obligation for the foreseeable future.<sup>4</sup>

The Company’s pre-arranged restructuring plan represents a significant achievement for the Company and should greatly enhance the Company’s ability to reorganize successfully and expeditiously. Through confirmation of a plan implementing the terms of the pre-arranged restructuring, the Company will restructure and substantially deleverage its balance sheet; reduce its cash interest expense to a level that is better aligned with its expected future cash flows; retain flexibility to invest in growth initiatives to maximize enterprise value; and maintain very favorable pricing to the Company under certain of its Prepetition Credit Facilities (as amended and restated). Additionally, the Company expects that it will continue to generate cash flows from its operations, and build liquidity during the pendency of these Chapter 11 Cases. For all of these reasons, the Company believes it will be well-positioned going forward.

<sup>4</sup> The debt obligations described in this paragraph and the proposed treatment of such obligations as provided in the Plan are described in detail and otherwise defined in Article III.E of this Disclosure Statement.

**B. Summary of Classification and Treatment of Allowed Claims Against and Interests in Each of the Debtors Under the Plan.**

The following chart summarizes the projected distributions to Holders of Allowed Claims against and Interests in each of the Debtors under the Plan. For purposes of brevity and convenience, the classification and treatment of Claims and Interests has been set forth in five (5) groups: (i) Primary Obligor Debtors (Debtors 1 through 5), (ii) DMW Guarantor Debtors (Debtors 6 and 7), (iii) DME Guarantor Debtors (Debtors 8 and 9), (iv) RHDI Guarantor Debtors (Debtors 10 through 16); and (v) Non-Guarantor Debtors (Debtors 17 through 20). Each group is specifically listed in Appendixes A through E to the Plan, and each Debtor is ascribed a numerical designation therein that corresponds to the applicable Debtor.

Although every reasonable effort was made to be accurate, the projections of estimated recoveries are only an estimate. Any estimates of the Allowed amount of Claims or Interests in this Disclosure Statement may vary from the final amounts allowed by the Bankruptcy Court. As a result of the foregoing and other uncertainties which are inherent in the estimates, the recoveries set forth below are projected recoveries only and may change based upon changes in the amount of Allowed Claims and Interests as well as other factors related to the Debtors' business operations and general economic conditions. In addition, the ability to receive distributions under the Plan depends upon the ability of the Debtors to obtain confirmation of the Plan and meet the conditions to confirmation and effectiveness of the Plan, as discussed in this Disclosure Statement. The estimated recoveries in this Disclosure Statement may vary from the actual recoveries received. Reference should be made to the entire Disclosure Statement and the Plan for a complete description of the classification and treatment of Allowed Claims against and Interests in each of the Debtors.

For example, if a Class of Impaired Claims against RHDC fails to accept the Plan while all Classes of Impaired Claims against each of DMI, RHDI, and DMW, respectively, accept the Plan, then the estimated recovery (in cash) for Holders of Allowed General Unsecured against RHDC will be not less than 5.9% (with the exact amount of such recovery to be determined by the Bankruptcy Court at or in connection with the Confirmation Hearing) – the same as the estimated recovery (in New Common Stock) for the Holders of Allowed RHDC Noteholders Claims in Class 1E – while the Holders of Allowed General Unsecured Claims against each of DMI, RHDI and DMW, respectively, will, unless the aggregate amount of Allowed General Unsecured Claims against any of DMI, RHDI and DMW, respectively, exceeds the Maximum Payment for that particular Class, receive a 100% recovery payable in cash.

### C. General Unsecured Claims and Claims Resolution Matters

As reflected in the foregoing Summary of Classification and Treatment of Allowed Claims Against and Interests in Each of the Debtors Under the Plan (the “Claims Summary”), the estimated recovery percentage with respect to Allowed General Unsecured Claims against each Debtor is 100%. The estimated recovery percentage with respect to the Allowed General Unsecured Claims against RHDC, DMI, RHDI and DMW, respectively, is based upon the assumption that (i) each Class of Impaired Claims against the applicable Debtor has accepted the Plan and (ii) the aggregate dollar amount of Allowed General Unsecured Claims against RHDC will not exceed the Maximum Class 1G Payment, the aggregate dollar amount of Allowed General Unsecured Claims against DMI will not exceed the Maximum Class 2E Payment, the aggregate dollar amount of Allowed General Unsecured Claims against RHDI will not exceed the Maximum Class 3F Payment, and the aggregate dollar amount of Allowed General Unsecured Claims against DMW will not exceed the Maximum Class 4G Payment (collectively, with the Maximum Class 1G Payment, the Maximum Class 2E Payment, and the Maximum

<sup>15</sup> The Debtors reserve the right, if and as appropriate, to classify any potential Subordinated Equity Securities Claim either as an RHDC Interest or as a separate class for such Subordinated Equity Securities Claim.

<sup>16</sup> In the event that the Debtors separately classify any Subordinated Equity Securities Claim, any such Claims shall be extinguished, cancelled and discharged as of the Effective Date, and any Holders thereof shall receive no distribution in respect of their Claims pursuant to Section 1129(b)(2)(C) of the Bankruptcy Code.

Class 3F Payment, the “Maximum Payments”).<sup>17</sup> If the aggregate dollar amount of Allowed General Unsecured Claims against any of RHDC, DMI, RHDI and DMW, respectively, exceeds the Maximum Payment for that particular Class, then Holders of Allowed General Unsecured Claims against that particular Debtor will receive a *pro rata* share of the Maximum Payment for such Class and thus may potentially have a recovery percentage of less than 100%, unless the Maximum Payment for such Class is increased in the manner described below.

The Debtors’ estimated recovery percentage with respect to the Allowed General Unsecured Claims against RHDC, DMI, RHDI and DMW, respectively, as well as the Maximum Payments, are predicated upon, among other things, the information contained in the Schedules. Pursuant to the bar date order entered by the Bankruptcy Court on September 11, 2009 (the “Bar Date Order”) [Docket. No. 439], all Persons (other than governmental entities) must file proofs of claim against the Debtors by no later than 4:00 PM (ET) on October 30, 2009 (the “General Bar Date”).<sup>18</sup> In the event that, based upon, among other things, a review and assessment of General Unsecured Claims filed in accordance with the Bar Date Order, the Debtors, in consultation with the Consenting Noteholders, conclude that the aggregate amount of such filed General Unsecured Claims, if Allowed, could materially exceed the Maximum Payments referenced above and set forth in the Plan, then the Debtors reserve the right, subject to the reasonable consent of a Majority of Consenting Noteholders, to modify the Plan to adjust the Maximum Class 1G Payment, the Maximum Class 2E Payment, the Maximum Class 3F Payment, and/or the Maximum Class 4G Payment as may be appropriate.

With respect to the allowance of Claims, under the terms of the Noteholders Support Agreement, the Consenting Noteholders have certain consent rights with respect to the Allowance of Claims prior to the entry of the Confirmation Order. For example, pursuant to paragraph 11 of the Noteholders Support Agreement, the Debtors may enter into agreements with Holders of Claims (other than the Claims of the Consenting Noteholders) relating to the allowance, estimation, validity, extent or priority of such Claims, or the treatment and classification of such Claims under the Plan; provided, however, that the Debtors shall provide the Consenting Noteholders with not less than five (5) Business Days prior written notice of any motion seeking authorization for the Debtors to enter into such a proposed agreement, and upon the expiration of such period, if the Consenting Noteholders have not notified the Debtors of an objection to such proposed treatment of such Claims, the Debtors shall be authorized to proceed with such motion and agreement. Notwithstanding the foregoing, the Debtors are not required to provide the Consenting Noteholders with advanced notice or any objection period with respect to

---

<sup>17</sup> In quantifying the amounts of the respective Maximum Payments, the Debtors examined the claims set forth in each of the applicable Debtors’ Schedules of Assets and Liabilities (the “Schedules”) and their current open prepetition accounts payable. The Debtors then netted out payments on Claims that are not subject to the Maximum Payment limitation, including (i) cure amounts that the Debtors must pay to satisfy the requirements of section 365 of the Bankruptcy Code in connection with the executory contracts and unexpired leases anticipated to be assumed pursuant to the Plan or otherwise (including, but not limited to, the Employee Benefit Plans listed on Exhibit C to the Noteholders Plan Term Sheet) and (ii) all payments made or anticipated to be made to Holders of Allowed General Unsecured Claims pursuant to any order of this Court entered prior to the Confirmation Date (including, but not limited to, payments to Critical Vendors (as defined below)). After netting these payments against the Claims listed in the Schedules and each respective Debtor’s current open prepetition accounts payable, the Debtors then added back a contingency for unknown and unliquidated claims. The Maximum Payments were consented to by a Majority of Consenting Noteholders.

<sup>18</sup> The claims bar date for governmental entities is November 24, 2009 at 4:00 PM (ET).

payment of (i) any trade payables and employee benefits and obligations which arise in the ordinary course of the Debtors' business, (ii) Claims asserted in a liquidated amount of \$250,000 or less, and (iii) Claims which the Debtors have been authorized to resolve or pay pursuant to any first day orders.

**D. Estimated Recoveries for Holders of Certain Noteholders Claims**

As reflected in the foregoing Claims Summary, the estimated recovery percentages for Holders of RHDC Noteholders Claims, DMI Noteholders Claims, RHDI Noteholders Claims, DMW Senior Notes Noteholders Claims and DMW Senior Subordinated Notes Noteholders Claims, as applicable, will depend upon a variety of factors, including but not limited to, the ultimate value of the New RHDC Common Stock distributed to such Holders on account of their respective Noteholders Claims.

As discussed in greater detail in Article VIII. B below, and subject to the assumptions and qualifications set forth therein, such recovery estimates reflect, among other things, computations of the hypothetical range of the estimated Equity Value (as defined below) of the Reorganized Debtors through the application of various valuation techniques and do not purport to reflect estimates of the actual market value of the New RHDC Common Stock on and after the Effective Date. For example, for illustrative purposes only, the recovery percentage for Holders of DMW Senior Notes Noteholders Claims is estimated to be not less than 87.6%.

If, and to the extent that, the value of the distributions made to Holders of DMW Senior Notes Noteholders Claims under the Plan is less than 100% of the amount of such Allowed Claims, then, assuming acceptance of the Plan by the Class of Holders of DMW Senior Notes Noteholders Claims and confirmation of the Plan, notwithstanding the terms of either of the DMW Senior Subordinated Notes Indenture or the DMW Senior Subordinated Notes, each Holder of a DMW Senior Notes Noteholders Claim shall be deemed to have consented and agreed to the treatment provided under the Plan to all Holders of DMW Senior Subordinated Noteholders Claims in accordance with the terms of the Plan and to have waived and/or relinquished, and shall be barred from asserting, any rights or claims pursuant to Section 510(a) of the Bankruptcy Code.

Under the terms of Section 10.01 of the DMW Senior Subordinated Notes Indenture, Holders of DMW Senior Subordinated Notes have agreed to subordinate their right to payment to, inter alia, the prior payment in full of the DMW Senior Notes. Wilmington Trust Company, in its capacity as indenture trustee under the DMW Senior Notes Indenture, believes that the subordination provisions may under certain circumstances have the effect of prohibiting the Holders of the DMW Senior Subordinated Notes from receiving any recovery until the DMW Senior Notes are paid in full as provided under the DMW Senior Subordinated Notes Indenture. The Debtors believe that, consistent with applicable law, the Plan provides for a valid, enforceable and consensual waiver of any subordination rights by the Holders of DMW Senior Notes in the event the Class of Holders of DMW Senior Notes has accepted the Plan, in which case any subordination rights in favor of the Holders of DMW Senior Notes will not be enforced. Wilmington Trust Company believes that, under the terms of the DMW Senior Notes Indenture, the Debtors may be obligated, pursuant to Section 510(a) of the Bankruptcy Code, to enforce subordination agreements in accordance with applicable non-bankruptcy law, and that

acceptance of the Plan by the Class of Holders of DMW Senior Notes Noteholders Claims may not waive those rights under the Plan without the consent of each Holder of DMW Senior Notes or over the objection of a Holder of DMW Senior Notes. The Debtors, however, do not believe that such statement is consistent with prevailing bankruptcy law. In the event that the value of distributions made to Holders of DMW Senior Notes Noteholders Claims under the Plan is less than 100% of the amount of such Allowed Claims, Wilmington Trust reserves the right to enforce, subject to the terms of the DMW Senior Subordinated Notes Indenture and applicable bankruptcy law, the subordination provisions in connection with confirmation of the Plan or otherwise oppose confirmation of the Plan.

**E. Resolution of Objections to Approval of the Disclosure Statement**

Limited Objection of Maricopa County, Arizona

Maricopa County, Arizona (“Maricopa County”) filed a limited objection to approval of the Disclosure Statement, arguing that the Disclosure Statement should not be approved because it does not specify the treatment to which Maricopa County’s personal property tax claim will be entitled under the Plan. Maricopa County asserts that it holds an Other Secured Claim against DMI for 2009 personal property taxes in the amount of \$13,775.16 (the “Maricopa County Claim”). Maricopa County further asserts that the Maricopa County Claim is secured by first priority liens on certain property of the Debtors. Upon information and belief, the Maricopa County Claim will not become due and payable under applicable non-bankruptcy law until November 1, 2009.

The Debtors have not had the opportunity to assess the merits of the Maricopa County Claim and therefore reserve the right to contest the allowance of the Maricopa County Claim on any applicable grounds. However, assuming that the Maricopa County Claim is ultimately deemed to be an Allowed Claim, it will be treated as an Allowed Other Secured Claim against DMI and will be paid in full in cash (plus any unpaid interest thereon accruing at the statutory rate of 16% per annum) on, or as soon as reasonably practicable after, the later to occur of (a) the Effective Date and (b) the date on which the Maricopa County Claim becomes an Allowed Other Secured Claim that is due and payable under applicable non-bankruptcy law.

Objection of Treasurer of Douglas County, Colorado

Sharon K. Jones, the Treasurer of Douglas County, Colorado (“Douglas County”), also filed an objection to approval of the Disclosure Statement, similarly arguing that the Disclosure Statement should not be approved because it does not specify the treatment to which Douglas County’s personal property tax claim will be entitled under the Plan. Douglas County asserts that it holds an Other Secured Claim against each of RHDC and DMI for 2009 personal property taxes in the amount of \$181,148.62 (collectively, the “Douglas County Claim”). Douglas County further asserts that the Douglas County Claim is secured by a statutory lien on certain personal property of RHDC and DMI. Upon information and belief, the Douglas County Claim will not become due and payable under applicable non-bankruptcy law until April 30, 2010.

The Debtors have not had the opportunity to assess the merits of the Douglas County Claim and therefore reserve the right to contest the allowance of the Douglas County Claim on

any applicable grounds. However, assuming that the Douglas County Claim is ultimately deemed to be an Allowed Claim, it will be treated as an Allowed Other Secured Claim against each of RHDC and DMI and will be paid in full in cash (plus any unpaid interest thereon accruing at the statutory rate of 12% per annum) on, or as soon as reasonably practicable after, the later to occur of (a) the Effective Date and (b) the date on which the Douglas County Claim becomes an Allowed Other Secured Claim that is due and payable under applicable non-bankruptcy law.

**B. Operational Structure of the Debtors.**

RHDC currently has nineteen (19) domestic subsidiaries. RHDC is a holding company that conducts its business operations through three wholly-owned direct subsidiaries: R.H. Donnelley Inc. (“RHDI”), Dex Media, Inc. (“DMI”), and Business.com, Inc. (“BDC”). A chart depicting the Company’s corporate structure is annexed hereto as Exhibit D.

The Company provides the following marketing products and services to its customers: (i) marketing consultation, including the assessment of marketing programs and advertisements, advertising design and copywriting, and advertising placement advice; (ii) industry and market-specific research and information; (iii) information regarding consumer search behavior; and (iv) distribution of the advertisers’ business information through a variety of media platforms. The Company’s yellow and white pages directories offer the broadest reach of the active buying market in the Company’s local communities. The *dexknows.com* platform, which includes approximately 11.5 million business listings and more than 190 million residential listings from across the United States, allows consumers to search listings based on category, business name, or set of keyword terms within a geographic region. The Company also provides business-to-business (“B-to-B”) advertising sales, with online properties that include Business.com, a leading business search engine and performance-based advertising network, and Work.com, a B-to-B publishing platform where experts share advice on common business topics.

**1. Print Products and Services.**

The Company publishes three primary types of printed directories: core directories, community directories, and Plus companion directories. These directories generally can be further broken down into three basic categories: Yellow Pages, White Pages, and Specialty/Awareness Products.

(a) Yellow Pages

The Company’s yellow pages are a comprehensive directory of local area businesses published under the Dex brand and co-branded with other recognizable telecommunications brands in the industry, *e.g.*, Qwest, Century Link (formerly Embarq), and AT&T. A business’s

name, address, and telephone number are included in the relevant edition of the Company's yellow pages directories at no charge. A range of paid advertising options is available in the Company's yellow pages directories. For example, businesses can enhance their complimentary listing by highlighting their business name or setting it in a bolder typeface. They may also purchase various advertisements, ranging from in-column advertising, which increases the space in the column in which the listing appears, to a display advertisement, which includes a wide range of information, illustrations, photographs, and logos.

(b) White Pages

The Company publishes white pages directories listing the name, address, and phone number of each residence and business in the local market for Qwest, Embarq, and AT&T, as required by state public utilities commissions. Advertising in the white pages is available and includes similar options available in the Company's yellow pages directories: bold and highlighted names, extra lines, and in-column and display advertisements.

(c) Specialty/Awareness Products

In addition to the regular advertisements in the yellow and white pages, the Company also offers certain "awareness products" that allow businesses to advertise in a variety of high-visibility locations on or inside a directory, such as the inside and outside of the front and back cover, on tabs within the directory, on the edges of the directory, on delivery bags, and on card stock inserted in the directory and delivery bags. Because of scarcity and the highly-visible nature of the locations, these products are priced at a premium to in-column and display advertisements.

## 2. Online Products and Distribution.

The Company also offers online products on the Company's proprietary Internet directory sites – *dexknows.com*, *Business.com*, and *Work.com* – as well as distributed to third party Internet search engines and directories such as Google, Yahoo!, *YellowPages.com*, and the Company's B-to-B pay-per-click advertising network comprised of over 100 partners, including Forbes, Financial Times, and Hoovers.

(a) *dexknows.com*

The Company places its listing and advertiser content, including basic listings and business profiles, from its print directories onto its *dexknows.com* platform. In addition, the Company enhances the *dexknows.com* listings through the purchase of information from national databases to enhance its in-region listings and to supply out-of-region listings. The *dexknows.com* database includes approximately 11.5 million business and more than 190 million residential listings from across the United States. In February of 2009, the Company launched a new *dexknows.com* site and content management platform.

(b) DexNet™

DexNet™ focuses exclusively on the delivery of local advertisements across multiple local search directories and major search engines such as Google and Yahoo!. DexNet™

provides these services through four major product and service elements. The first element is the Storefront Profile, which is designed to construct a simple but content-rich Internet presence for advertisers. The second is the distribution capabilities that provide the advertiser's business information to multiple local search platforms. The third element is paid search, which is the development, deployment, and management of effective search marketing campaigns across multiple major search platforms on behalf of the advertiser. Finally, the network provides reporting capabilities that provide advertisers with transparent, real-time results, such as click and call activity that occurs on the advertiser's website or Storefront Profile.

(c) Business.com

The Business.com Advertising Network serves advertising on non-proprietary websites such as Forbes.com and Allbusiness.com, and shares advertiser revenue with such third-party sites each time a visitor clicks on the advertisers' listings. Business.com's online properties include Business.com, Work.com, and the Business.com Advertising Network. The Business.com and Work.com properties attract an audience of highly-qualified and motivated business decision-makers. Business.com increases the revenues from these properties through the use of its performance-based advertising platform ("PBA"). PBA allows advertisers to effectively bid on a cost-per-click basis against other advertisers for priority placement within search results. The Business.com platform thus provides flexible advertising provisioning and bid management capabilities.

### **3. Intellectual Property.**

The Company owns and controls a number of trade secrets, trademarks, service marks, trade names, copyrights and other intellectual property rights that, in the aggregate, are of material importance to the Company. These marks include "R.H. Donnelley," "Dex," "Business.com," "Work.com," "*dexknows.com*" and "Dex Search Marketing," and the related names, marks and logos, all of which are material to the Company's business. The Company is also licensed to use certain technology and other intellectual property rights owned and controlled by third-parties. The Company licenses certain of its technology and other intellectual property rights to third parties.

In addition, the Company is the exclusive official directory publisher of listings and classified advertisements for Qwest and has the exclusive right to use certain Qwest branding on directories in the markets Qwest serves through 2052. The Company also has the exclusive license to use Embarq's name and logo on directories in the markets Embarq serves through 2052. Similarly, the Company has an exclusive license to provide yellow pages directory services for AT&T as well as the exclusive right to use through 2054 the AT&T brand and logo on print directories in Illinois and Northwest Indiana. In addition to the foregoing, the Company is party to certain licensing agreements for subscriber listings and directory delivery lists with Qwest, Embarq, and AT&T. These agreements are non-exclusive, non-transferable restricted licenses of listing and delivery information for persons and businesses that order and/or receive local exchange telephone services in the relevant service areas at the prices set forth in the respective agreements. The terms of these licensing agreements are generally consistent with the term of the respective publishing agreements described above.

#### **4. Raw Materials.**

Paper is the principal raw material the Company uses in the publication of its print directories. It is one of the largest cost items, representing approximately 4% of net revenue for the year ended December 31, 2008. The Company depends on third-party vendors to supply the paper the Company requires to produce their print directories. Because of the volume and quality of paper the Company requires, there is a limited number of paper vendors capable of meeting the Company's supply requirements. The Company currently purchases large volumes of paper from four (4) paper companies: CellMark Paper, Inc. ("CellMark"); Kruger, Inc. ("Kruger"); Nippon Paper Industries USA, Co., Ltd. ("Nippon"); and Catalyst Paper (USA) Inc. ("Catalyst"). The Company's agreements with CellMark, Kruger, Nippon, and Catalyst each expire on December 31, 2009. Furthermore, the Company purchases paper used for the covers of directories from Tembec Paper Group ("Temboard"). Temboard is contractually obligated to provide 100% of the Company's annual cover stock at pre-negotiated prices for each basis weight. This agreement also expires on December 31, 2009. The Company intends to continue purchasing paper from one or more of these vendors for periods beginning after December 31, 2009.

#### **5. Printing and Distribution.**

##### **(a) Printing**

The Company also depends on third parties to print and distribute its print directories. Due to the large print volume and specialized binding of directories, only a limited number of companies are capable of servicing the Company's printing needs. The Company's directories are printed under its long-standing relationships with specialized printing vendors R.R. Donnelley & Sons Company ("R.R. Donnelley"), and Quebecor World (USA) Inc. ("Quebecor"). RHDC and R.R. Donnelley share a common heritage, but are not otherwise affiliated. In general, R.R. Donnelley prints all AT&T and Embarq directories and larger, higher-circulation Qwest directories, whereas Quebecor prints Qwest directories that are smaller and have a more limited circulation. The Company has a long-standing contract with Quebecor to print various of the Company's smaller-sized Qwest print directories and certain other print directories that have a more limited circulation. On or about January 21, 2008, Quebecor and certain of its affiliates filed voluntary petitions for Chapter 11 in the United States Bankruptcy Court for the Southern District of New York. These cases are jointly administered under Case No. 08-10152-JMP. Despite its bankruptcy filing, Quebecor has continued to honor its printing contract with the Company. On June 19, 2008, the bankruptcy court entered an order authorizing Quebecor to assume the contract with the Company. On July 2, 2009, an order was entered confirming Quebecor's plan of reorganization. The Company's agreements with R.R. Donnelley and Quebecor extend through 2014 and 2015, respectively.

##### **(b) Distribution of Print Directories**

The physical delivery of directories is facilitated through several outsourcing relationships. Delivery methods utilized to distribute directories to consumers are selected based on factors such as cost, quality, geography and market need. As of the Petition Date, the Company had relationships with three (3) separate distribution companies for directory delivery

services. These contracts are scheduled to expire at various times through May 2010. In addition to these relationships, other delivery and distribution methods include the U.S. Postal Service, hand delivery and, on occasion, the United Parcel Service for expedited delivery needs. Due to the numerous geographic areas served by the Company, it is frequently necessary to use a combination of all available delivery services in order to distribute the Company's print directories.

(c) Distribution of Online Content

The Company also relies on services of third-party agencies to deliver Internet traffic (leads) to its proprietary website, which contains its advertisers' content. The leads provided to the Company by these third-party agencies are critical to attract consumers to use the Company's products and ultimately the advertisers' services.

**6. Sales and Customer Care.**

The Company acquires new customers and maintains long-term customer relationships through various sales, marketing, and distribution channels. The Company employs approximately 1,500 marketing consultants, who are assigned to local service areas. These marketing consultants work to establish personal, long-term relationships with local print and online advertisers. Local sales are divided into three channels: premise sales, telephone sales, and locally centralized sales. Premise sales conduct face-to-face sales meetings at the customer's business location for typically high dollar and complex accounts. Telephone sales tend to handle advertisers with lower spending levels and conduct business over the phone. Finally, locally centralized sales include multiple types of sale efforts, which are used to contact non-advertisers or provide service to advertisers with very low spending levels that in many cases have renewed their account for the same product over several years. The Company utilizes third-party Certified Marketing Representatives ("CMRs") for sales to national advertisers. As of the Petition Date, the Company utilized the services of approximately 165 CMRs.

**7. Employees.**

The Company currently employs approximately 3,600 active employees, of whom approximately 1,500 are hourly employees and 2,100 are salaried employees. The employees' skills, knowledge, and understanding of the Company's businesses are among the Company's most valuable assets. In addition, the Company typically utilizes the services of approximately between 75 and 100 temporary workers on essentially a full-time basis (the "Temporary Workers"). In 2008, the Company reduced headcount by approximately 20%.

Approximately 1,150, or thirty-two percent (32%), of the employees are represented by unions and are covered by one of two collective bargaining agreements (the "CBAs") with DMI. The International Brotherhood of Electrical Workers of America ("IBEW") represents approximately 385 union employees, and the Communication Workers of America ("CWA") represents approximately 765 union employees. The CBA between DMI and the IBEW expired on May 8, 2009. Prior to that date, DMI and the IBEW were involved in extensive collective bargaining negotiations resulting in DMI presenting its last, best, and final offer to the IBEW bargaining committee on May 10, 2009 (the "Final Offer"). The Final Offer was ratified by the

union's membership effective June 12, 2009, and the new CBA went into effect immediately thereafter. The current CBA with the CWA expires on October 2, 2009. DMI is presently engaged with the CWA in similar collective bargaining negotiations.

## **8. Recent Operations.**

As of June 30, 2009, the Company reported total assets having a book value of approximately \$11.6 billion and total liabilities of approximately \$12.6 billion. In addition, the Company had net revenues from continuous operations of (i) approximately \$2.6 billion for the year ending December 31, 2008 and (ii) approximately \$1.2 billion for the six months ending June 30, 2009. Approximately 85% of the Company's revenue is derived from the sale of advertising to local small and medium-sized business, and approximately 15% of the Company's revenue is derived from the sale of advertising to national or large regional companies, such as rental car companies, automobile repair shops and pizza delivery businesses, that purchase advertising in several of the Company's directories. The Company has experienced a drop in revenue due to the recent economic environment, trends in its industry, and an increase in competition and more fragmentation in the local business search market.

## **9. Corporate History and Business Acquisitions.**

Founded in 1886 as The Chicago Directory Company, the Company was incorporated in New York in 1917 as the Reuben H. Donnelley Company ("R.H. Donnelley"). In 1961, R.H. Donnelley and The Dun & Bradstreet Corporation ("D&B") exchanged stock and R.H. Donnelley continued as a wholly-owned subsidiary of D&B. In November 1996, D&B separated through a spin-off into three separate public companies: D&B, ACNielsen Corporation, and Cognizant Corporation. In June 1998, D&B separated through a spin-off into two separate public companies: RHDC and a new company that changed its name to D&B.

In recent years, the Company has dramatically expanded its presence in the print directory business. On January 3, 2003, the Company completed the acquisition of the directory business of Sprint Nextel Corporation ("Sprint") (the "Embarq Acquisition"). On September 1, 2004, the Company completed the acquisition of the directory publishing business of AT&T Inc. in Illinois and Northwest Indiana, including AT&T's interest in DonTech II Partnership ("DonTech"), a 50/50 general partnership between the Company and AT&T (collectively, the "AT&T Directory Acquisition"). As a result of the AT&T Directory Acquisition, RHDC became the publisher of AT&T branded yellow pages in Illinois and Northwest Indiana. The purpose of both the Embarq Acquisition and the AT&T Directory Acquisition was to transform the Company from one of the largest independent sales agents and pre-press vendors for yellow pages advertising in the United States into a leading publisher of yellow pages directories.

On January 31, 2006, the Company acquired DMI. DMI is the exclusive publisher of the "official" yellow pages and white pages directories for Qwest Communications International Inc. ("Qwest") in markets where Qwest was the primary local exchange carrier in November 2002. DMI is the indirect parent of DME and DMW. By acquiring DMI, the Company further solidified its position as a leading publisher of print and online yellow pages and other local online search directories and products.

On September 6, 2006, the Company acquired Local Launch, Inc. (“Local Launch”), a local search products, platform and fulfillment provider (the “Local Launch Acquisition”). Through the Local Launch Acquisition, the Company sought to expand its local search engine marketing and search engine optimization offerings and to provide new, innovative solutions to enhance the Company’s local search engine marketing and search engine optimization capabilities.

The Company also expanded its online presence by launching Internet directories, including *dexknows.com*, and by acquiring BDC, together with its wholly-owned subsidiary, Work.com, Inc. (“WDC”), on August 23, 2007. The BDC acquisition expanded the Company’s existing interactive portfolio by adding leading internet advertising talent and technology, strengthened the Company’s position in the growing local commercial search market and developed an online performance-based advertising network. BDC also provided the Company with the established B-to-B online properties of Business.com, Work.com and the Business.com Advertising Network. The Company is now one of the nation’s leading consumer and B-to-B local commercial search companies.

## C. Management of the Debtors.

### 1. **Board of Directors.**

The board of directors of RHDC (the “Board of Directors”) currently consists of nine (9) members: E. Thayer Bigelow, Jr. (age 67), Robert Kamerschen (age 73), Thomas J. Reddin (age 48), Ron Rittenmeyer (age 62), Alan F. Schultz (age 50), David C. Swanson (age 54), David M. Veit (age 70), Barry Lawson Williams (age 65), and Edwina Woodbury (age 57). Seven of the current members of the Board of Directors were elected by RHDC’s common stockholders, and two, Mr. Bigelow and Mr. Rittenmeyer, were appointed by the Board of Directors to fill vacancies and have not yet been up for election by RHDC’s common stockholders. All members of the Board of Directors are independent, with the exception of Mr. Swanson, who is the Chief Executive Officer of RHDC.

RHDC’s Board of Directors has four committees: (i) the Audit and Finance Committee, (ii) the Corporate Governance Committee, (iii) the Compensation and Benefits Committee, and (iv) the Restructuring Committee. The Audit and Finance Committee maintains oversight responsibilities with respect to accounting, auditing, financial reporting and internal control processes generally. The members of the Audit and Finance Committee are Mr. Bigelow, Mr. Rittenmeyer, Mr. Veit, and Ms. Woodbury (Chair). The Corporate Governance Committee assists the Board of Directors by overseeing, among other things, the composition of the Board of Directors and its committees’ composition and the development, maintenance and evolution of corporate governance guidelines, policies and procedures. The members of the Corporate Governance Committee are Mr. Reddin, Mr. Schultz, and Mr. Williams (Chair). The Compensation and Benefits Committee maintains oversight responsibility with respect to, among other things, the compensation of officers and employees, as well as the Company’s benefit programs. The members of the Compensation and Benefits Committee are Mr. Reddin, Mr. Schultz (Chair), and Mr. Williams. The Restructuring Committee was established to better facilitate the Company’s restructuring analysis and execution process and to make itself available to management and its advisors, on an as needed basis, for the purpose of reviewing, analyzing

and facilitating any restructuring recommendations presented by management and the Company's advisors. The members of the Restructuring Committee are Mr. Kamerschen (Chair), Mr. Bigelow, Mr. Rittenmeyer, Mr. Swanson and Ms. Woodbury.

## **2. Compensation of Directors.**

RHDC has standard compensation arrangements for its Board of Directors. Effective April 2009, each member of RHDC's Board of Directors receives an annual cash retainer of \$75,000. Each member of RHDC's Audit and Finance Committee earns a supplement of \$20,000 annually and each member of the Compensation and Benefits and Corporate Governance Committees earns a supplement of \$15,000 annually. Each member of the Restructuring Committee earns a supplement of \$8,000 quarterly. Additionally, the chair of the Audit and Finance Committee, Ms. Woodbury, earns a supplement of \$25,000 annually. The chair of RHDC's Compensation and Benefits Committee, Mr. Schultz, and the chair of RHDC's Corporate Governance Committee, Mr. Williams, each earns a supplement of \$15,000 annually. The Lead Director, Mr. Kamerschen, also earns a supplement of \$75,000 annually. Finally, each member of RHDC's Board of Directors earns an additional \$90,000 annually, payable at the end of the year in stock or cash, at the election of the Board.

## **4. Executive Compensation.**

The Compensation and Benefits Committee determines the compensation of all of the Company's executive officers. Compensation of RHDC's named executive officers, as such term is defined in Item 402(a) of Regulation S-K promulgated under the Securities Exchange Act of 1934, as amended (the "NEOs"), is determined under the Company's compensation program

for senior executives. This program is governed by the Compensation and Benefits Committee.<sup>19</sup>

In February 2009, the Compensation and Benefits Committee assessed and modified the executive compensation program. In general, the 2009 compensation program has been structured with the same elements of the 2008 program (*i.e.* base salary, annual incentive plan and long-term incentive plan). However, because of the dramatic decline in the Company's stock price during the latter part of 2007 and into 2008, as well as the challenging economic environment that the Company projected it would face for 2009, the Compensation and Benefits Committee awarded no increases in base salary, annual incentive target or total direct remuneration target to any NEO for 2009. The Compensation and Benefits Committee also eliminated the use of equity awards at all levels of the organization, in favor of a cash-based long-term incentive plan, which is further described below.

#### **D. Compensation and Benefits Programs.**

In the ordinary course of business, the Debtors have implemented a number of compensation and benefits programs, which are designed to reward the Debtors' management and non-management employees for excellent service, incentivize future performance, and provide employees with a competitive compensation and benefits package. Except and to the extent previously assumed by an order of the Bankruptcy Court, as of the Confirmation Date, but subject to the occurrence of the Effective Date, all Employee Benefit Plans, including the Employment and Retirement Benefit Agreements, of the Debtors, as amended or modified, including programs subject to Sections 1114 and 1129(a)(13) of the Bankruptcy Code, entered into before, on or after the Petition Date and not since terminated, shall be deemed to be, and shall be treated as though they are, executory contracts that are assumed except for (i) executory contracts or plans specifically rejected pursuant to the Plan, and (ii) executory contracts or plans that have previously been rejected, are the subject of a motion to reject or have been specifically waived by the beneficiaries of any plans or contracts; provided, however, that (x) the Debtors shall pay all "retiree benefits" (as defined in Section 1114(a) of the Bankruptcy Code), (y) to the extent applicable, each of the Employment and Retirement Benefit Agreements shall be amended prior to (or upon) such assumption to provide that the implementation of the restructuring in accordance with the Plan shall not alone constitute "Good Reason" to terminate employment; and (z) notwithstanding anything to the contrary in Section 5.9.1 of the Plan, the assumption of Employee Benefit Plans not (i) listed on Exhibit C of the Noteholders Plan Term Sheet, or (ii) otherwise approved, authorized or assumed by an order of the Bankruptcy Court, shall be reasonably acceptable to a Majority of Consenting Noteholders.

Certain of these employee compensation and benefits programs are generally described below, with the blanket exception of insured and self-insured programs (*e.g.*, health plans), customary fringe benefit policies (*e.g.*, vacation, sick leave) and individual employment or similar agreements or arrangements. The list of programs and descriptions set forth below is not, and is not intended to be, exhaustive or comprehensive. All such plans and other programs are governed by applicable plan and program terms and conditions, as in effect or amended from

<sup>19</sup> Compensation provided to the NEOs for fiscal year 2008 is set forth in RHDC's Annual Report on Form 10-K/A for the year ended December 31, 2008.

time to time. In addition, the Debtors reserve the right (i) to modify, amend or terminate any or all of their employee benefit and compensation programs in the ordinary course of business in their sole discretion, subject to applicable modification, amendment or termination provisions and/or applicable law; and (ii) to file one or more motions to assume and/or implement these or such other compensation plans or agreements during the pendency of these cases as management and the Board, in consultation with their advisors, deem appropriate. The Debtors expressly reserve their right, at any time prior to the Effective Date, to amend Exhibit 6.5 to the Plan to delete any executory compensation or benefits program therefrom or add any executory compensation or benefits program thereto, provided, however, that such amendment is reasonably acceptable to a Majority of Consenting Noteholders.

### **1. Bonus Programs.**

Prior to the Petition Date and in the ordinary course of business, the Debtors awarded certain bonuses/commissions to certain employees in order to recognize and encourage exceptional individual and overall Company performance (the “Production Bonuses”). The Production Bonuses are generally based on achievement of some pre-set performance metric (in most cases, sales targets) and are paid monthly or quarterly and, in some cases, annually in arrears. The Debtors estimate that approximately 1,700 employees are currently eligible to receive Production Bonuses.

### **2. Long-Term Incentive Program.**

The 2009 Long-Term Incentive Program for Executive Officers and the 2009 Long-Term Incentive Program (the “2009 LTIPs”) are cash-based plans designed to provide long-term incentive compensation to participants based on the achievement of stated performance goals. Such performance goals include certain cumulative free cash flow targets and, in the case of the 2009 Long-Term Incentive Program for Executive Officers, the achievement of certain restructuring goals related to the Company’s outstanding indebtedness and liabilities, in each case during the three-year performance period of 2009, 2010 and 2011. The Compensation and Benefits Committee administers the 2009 LTIPs in its sole discretion and may, subject to certain exceptions, delegate some or all of its power and authority under the 2009 LTIPs to the Chief Executive Officer or other executive officer of the Company.

Participants in the 2009 LTIPs consist of (i) such executive officers of the Company and its affiliates as the Compensation and Benefits Committee in its sole discretion has selected in connection with the adoption of the 2009 LTIPs and may select from time to time and (ii) such other employees of the Company and its subsidiaries and affiliates as the Chief Executive Officer in his sole discretion may select from time to time. The amount of each award under the 2009 LTIPs will be paid in cash and is dependent upon the attainment of the performance goals described above.

### **3. Other Incentive Programs.**

The 2009 Annual Incentive Plan (“AIP”) is a cash-based plan designed to provide short-term incentive compensation to eight executive officers of the Company in order to align their interests with and motivate them to meet and exceed the Company’s short-term financial and

operational goals. Awards under the AIP are subject to the Company's achievement of (i) pre-determined EBITDA and free cash flow targets and (ii) certain other operational performance targets to be determined in the sole discretion of the Compensation and Benefits Committee. The amount of each award under the 2009 AIP will be paid in cash and is dependent on the attainment of the foregoing measures during the 2009 fiscal year (the "AIP Performance Period").

The Company also maintains numerous additional annual incentive compensation plans for other employees, including for non-sales, non-bargaining unit employees, and for key employees of certain subsidiaries. Incentive awards under these plans generally will be paid in cash (or, in some cases, stock) following the end of the fiscal year and generally are subject to the achievement of corporate metrics (*e.g.*, EBITDA and/or free cash flow), individual or team-based goals, or some combination of corporate and individual or team-based metrics.

#### **4. Executive Agreements.**

In July 2008, the Board reached and approved an agreement with Mr. Swanson, the Company's CEO, which had two components. The first component was a grant of 300,000 restricted stock units, 50% of which vest upon Mr. Swanson's attaining age 55 and the remainder of which vest ratably over the three years following Mr. Swanson's 55th birthday. The second component was the Supplemental Agreement, which was entered into in December 2008. The Supplemental Agreement was to provide Mr. Swanson with a benefit that was limited to the smallest amount necessary to cause his annual retirement benefit from the Supplemental Agreement and all Company plans to yield a total single life annuity of \$500,000 per year if Mr. Swanson were to retire at age 60, subject to specified vesting conditions. In April 2009, the Company and Mr. Swanson entered into an amendment to the Supplemental Agreement which increased this amount to \$1,000,000. Such amendment also clarified that any transaction completed pursuant to or during the course of a restructuring, reorganization and/or recapitalization of all or a significant portion of the Company's outstanding indebtedness and liabilities would not constitute a change in control of the Company, and thus would not result in any accelerated vesting under the Supplemental Agreement. In addition, as of the Petition Date, the Company had entered into employment agreements with Mr. Swanson, Mr. Blondy, Ms. LeBeau, and Ms. Catherine Crump, the Company's Franchise Vice President - Sales Talent Development. These employment agreements, along with the Supplemental Agreement, will be assumed by the Company under the Plan.

#### **5. Retirement Plans.**

Retirement benefits are provided to employees through savings and pension plans sponsored either by the Debtors or by unions, which are generally described below (the "Employee Retirement Plans").

On October 21, 2008, the Compensation and Benefits Committee approved a comprehensive redesign of the Company's employee retirement savings and pension plans. Effective January 1, 2009, except as described below, the sole retirement benefit available to all non-union employees of the Company (other than those employed by BDC) will be provided through a single defined contribution plan (the "RHDC 401(k) Plan").

In connection with the redesign of the Debtors' employee retirement programs, all benefit accruals for non-union employees under the Company's pension plans ceased as of December 31, 2008. However, all participants' balances under the Employee Pension Plans remained intact and interest credits on participant account balances, as well as service credits for vesting and retirement eligibility, continue in accordance with the terms of the respective plans. The Debtors' redesign of their employee retirement program includes the provision of transition credits, which will be in the form of additional employer contributions by the Debtors under the RHDC 401(k) Plan over a period of five calendar years beginning with 2009, to certain plan participants nearing retirement who might otherwise lose a significant portion of their anticipated retirement benefits as a result of the freezing of the Company's pension plans.

(a) The RHDC 401(k) Plan

The RHDC 401(k) Plan replaced the pre-existing RHDC and DMI 401(k) savings plans. Under the RHDC 401(k) Plan, RHDC contributes 100% for each dollar contributed by a participating employee, up to a maximum of 6% of each participating employee's salary (including bonus and commissions) and contributions made by RHDC are fully vested for participants who have completed one year of service with the Company.

(b) The BDC 401(k) Plan

BDC employees continue to be eligible to participate in the BDC 401(k) plan until such time as the Company is able to efficiently transition them to the RHDC 401(k) Plan. Under the BDC 401(k) Plan, BDC contributes 100% for each dollar contributed by a participating employee, up to a maximum of 3% of each participating employee's salary (including bonus and commissions) and contributions made by BDC will now be fully vested for participants who have completed one year of service with the Company.

(c) Union-only Plans

Because union employees may still participate in the DMI Employee Savings Plan and continue to accrue benefits under the DMI Pension Plan, a summary of each of these plans prior to the redesign is provided below.

(i) DMI Pension Plan

The DMI Pension Plan is a defined benefit pension plan covering substantially all union employees within DMI. The underlying pension plan assets are invested in diversified portfolios consisting primarily of equity and debt securities.

(ii) DMI Employee Savings Plan

For union employees under the DMI Employee Savings Plan, the Company contributes 81% of the first 6% of each participating employee's salary not to exceed 4.86% of eligible earnings for any one pay period. Matching contributions are limited to \$4,860 per union employee annually.

## **6. Other Post-Retirement Benefit Programs.**

### **(a) Supplemental Retirement Plans**

In addition to the Employee Retirement Plans described above, the Debtors maintain a nonqualified defined contribution plan, the R.H. Donnelley 401(k) Restoration Plan, and a nonqualified defined benefit plan, the RHDC Pension Benefit Equalization Plan, each of which is intended to provide benefits to employees in excess of applicable IRS annual limits.

### **(b) Health Care and Life Insurance Continuation**

The Debtors maintain a self-insured plan that provides different levels of medical, dental, vision and prescription drug programs to approximately 495 retired union and non-union former employees (collectively, the “Retiree Medical Benefits”). Medical coverage provided as part of the Retiree Medical Benefits is administered through Blue Cross Blue Shield of North Carolina. The Debtors also maintain a retiree life insurance plan that is provided by MetLife (the “Retiree Life Insurance”). The Retiree Life Insurance program provides benefits to approximately 495 retired former employees.

On October 21, 2008, the Compensation and Benefits Committee approved for non-union employees (i) the elimination of all non-subsidized access to retiree health care and life insurance benefits effective January 1, 2009, (ii) the elimination of subsidized retiree health care benefits for any Medicare-eligible retirees effective January 1, 2009 and (iii) the phase out of subsidized retiree health care benefits over a three-year period beginning January 1, 2009 (with all non-union retiree health care benefits terminating January 1, 2012). The new CBA with the IBEW similarly implements the foregoing changes. With respect to the phase out of subsidized retiree health care benefits, if an eligible retiree becomes Medicare-eligible at any point in time during the phase out process noted above, such retiree will no longer be eligible for retiree health care coverage.

### **(c) Severance Benefits**

Prior to the Petition Date and in the ordinary course of business, the Debtors (except for BDC) maintained severance plans (the “Severance Programs”) for certain of their union and non-union employees. Eligible employees’ severance payments and benefits (“Severance”) vary depending on several factors, including, whether the employee is an employee of RHDI or DMI, and whether the employee’s employment is governed by a CBA; however, in general, upon a severable event, an employee is typically entitled to receive a cash benefit tied to length of service, employee’s position and annual salary, as well as a continuation of health and life insurance benefits. The Debtors also maintain a severance plan applicable to individuals at the senior vice president level and above who are not provided severance benefits pursuant to an employment agreement. The Debtors sought and received authority from the Court to continue their Severance Programs under the CBAs, and after a hearing on June 25, 2009, the Court authorized the Debtors to continue Severance Programs to all of its non-insider employees.

## **E. Prepetition Debt and Capital Structure of the Company.**

Prior to the Petition Date, the Company obtained financing under certain senior secured bank facilities comprised of term loans and revolving credit facilities (the “Prepetition Secured Debt”) and the issuance of unsecured notes (the “Prepetition Note Debt”). As of the Petition Date, the Company owed approximately \$3,642,000,000 in outstanding aggregate principal amount on account of the Prepetition Secured Debt, plus accrued but unpaid interest with respect thereto. **3. Intercompany Debt.**

(a) Ordinary Course Claims

In the normal operations of the Debtors' businesses, the Debtors engage in intercompany transactions involving intercompany trade and intercompany capital needs. As a result, there are numerous intercompany claims that reflect intercompany receivables and intercompany payables made and/or accrued in the ordinary course of the Debtors' businesses. These intercompany transactions include, but are not limited to:

Accounts Receivable, Accounts Payable and Payroll. As discussed above, in the ordinary course of business, certain Debtors collect cash and disburse funds on behalf of other Debtors. The Debtors' accounts reflect the net position of both receipts and disbursements received or made on behalf of each Debtor. The Debtors account for this intercompany movement of cash in their intercompany books and records.

Centrally Billed Expenses. In the ordinary course of business, the Debtors incur centrally billed expenses, such as general overhead costs, employee benefits costs, digital traffic expenses, advertising commitments, insurance premiums, accounts payable processing, and certain taxes (including real estate, franchise, sales taxes, etc.). These charges are allocated among the Debtors and are reflected in the Debtors' intercompany books and records.

Corporate Expense Allocation. Charges for corporate expenses provided among the Debtors are allocated among the Debtors based upon the cost of service provided, directly identifiable costs, and other allocation methods.

Intercompany Loans. In the ordinary course of business, certain of the Debtors provide revolving loans to other Debtors in order to meet their liquidity needs. Such intercompany loans are reflected in the Debtors' books and records and are separately documented.

Accordingly, at any given time, there may be intercompany claims owing among the Debtors. The Debtors maintain records of all intercompany transactions and can ascertain, trace and account for all intercompany transactions.

(b) Intercompany Loans

RHDC is the lender under that certain Loan Agreement, dated as of October 17, 2007, between DMI as borrower and RHDC as lender (the "RHDC Loan"). The RHDC Loan has a current outstanding principal balance of \$300,000,000; an interest rate of 8.75%; and matures on October 17, 2017. The RHDC Loan is subordinated to the prior payment in full in cash of all obligations under the RHDC Notes.

In addition, on or about March 19, 2009, RHDI transferred \$50 million to RHD Service, DME transferred \$50 million to RHD Service, and DMW transferred \$75 million to RHD Service, in each case by way of an intercompany loan (collectively, the "RHD Service Loan"). The RHD Service Loan was permissible under the relevant credit agreements and unsecured note indentures, as applicable. The \$175 million loaned to RHD Service (the "RHD Service Cash") is not encumbered by liens in favor of the Administrative Agents and therefore does not constitute "cash collateral" within the meaning of Section 363(a) of the Bankruptcy Code. Accordingly, the RHD Service Cash is not subject to any provisions of the Final Cash Collateral Orders and is not encumbered by the adequate protection liens or claims granted to the Administrative Agents under such orders. On the Effective Date, in accordance with treatment to be provided to the Prepetition Lenders under the Plan, RHD Service shall repay in full the loans it received from each of RHDI, DME and DMW (together with any earnings realized by RHD Service on the investment of the proceeds of such loans) and such amounts shall be deposited into accounts in which the respective Agents have a perfected security interest in favor of the applicable Prepetition Lenders.

**4. Trade Debt.**

As of the Petition Date, the Debtors had accrued approximately \$20 million in trade debt. As demonstrated by the table below, only eight (8) of the twenty (20) Debtors had outstanding trade debt on the Petition Date. Therefore, the outstanding prepetition trade debt, primarily for goods such as paper and services such as shipping and distribution, constitutes a small percentage of the Debtors' overall prepetition debt profile. The Debtors expect that a significant portion of the overall trade debt will be payable to counterparties to executory contracts in connection with the Debtors' assumption thereof.

Name of Debtor	Number of Scheduled Trade Claims	Amount of Scheduled Trade Debt
BDC	121	\$5,286,712.62
Dex Media East, Inc.	645	\$7,652,908.85
Dex Media West, Inc.	608	\$1,711,153.06
DonTech II Partnership	83	\$309,914.59
RHDC	35	\$375,562.84
RHDI	144	\$2,619,643.79
R.H. Donnelley Publishing & Advertising of Illinois Partnership	119	\$391,566.80
R.H. Donnelley Publishing & Advertising, Inc.	379	\$1,838,935.46

## 5. Equity of RHDC.

RHDC's certificate of incorporation authorizes the issuance of 400,000,000 shares of common stock, of which 68,359,949 shares were outstanding as of the Petition Date. As of the Petition Date, RHDC's common stock was traded over-the-counter on the Pink Sheets. In RHDC's Annual Report on Form 10-K/A for the year ended December 31, 2008, RHDC listed the following entities as beneficial owners of five percent (5%) or more of RHDC's common stock as of April 15, 2009: Doddsville Investments, LLC; Wells Fargo & Company; Kevin Douglas; Amalgamated Gadget, L.P.; Kinetics Asset Management, Inc.; Jack B. Corwin; and Goldman Sachs Asset Management. As of that date, all other Holders owned less than five percent (5%) of the outstanding common stock of RHDC. RHDC had no preferred stock outstanding as of the Petition Date.

## F. Post-Confirmation Debt and Capital Structure of the Company.

Through confirmation of the Plan, the Company will restructure its balance sheet, reduce its cash interest expense to a level that is better aligned with its expected future cash flows, retain additional flexibility to invest in growth initiatives to maximize enterprise value, and maintain very favorable pricing to the Company under the Prepetition Credit Facilities (as amended and restated). Under the terms of the Plan, the Company will (i) eliminate approximately \$6.4 billion of indebtedness (including through payment of approximately \$700 million of secured indebtedness) and \$500 million of annual interest expense; (ii) provide the Prepetition Lenders with approximately \$655 million of debt paydown (including the \$200 million in principal that the Debtors paid down prior to the Petition Date), in addition to scheduled amortization and interest payments (subject to future Company cash flows); and (iii) the exchange of all Prepetition Note Debt for (a) 100% of the reorganized RHDC equity (subject to dilution pursuant to the Management Incentive Plan) and, (b) in the case of the Holders of the DMW 8.5% Senior Notes due 2010 and the DMW 5.875% Senior Notes due 2011, in addition to their allocable share of the reorganized RHDC equity, \$300 million of new seven-year RHDC unsecured notes issued on a *pro rata* basis. Post-emergence, the Company anticipates that its secured and consolidated debt will be approximately \$3.1 billion and \$3.4 billion, respectively, which will represent 2.9x and 3.2x net secured and net consolidated leverage, respectively.

## 1. Post-Confirmation Secured Debt.

### (a) DME Post-Confirmation Secured Debt

Pursuant to the Plan, DME will repay a portion of the outstanding principal balance of the DME Revolver, the DME Term Loan A and the DME Term Loan B (the “DME Loans”) on the Effective Date in an aggregate amount equal to approximately \$75 million, subject to a formula specified in the applicable Banks Support Agreement (the “DME Effective Date Paydown Amount”). Such repayment shall be applied to the DME Loans and the DME Hedge Termination Payments *pro rata* based on the outstanding principal balance of each DME Loan and each DME Hedge Termination Payment.

The Plan will extend the maturity of the DME Revolver and the DME Term Loan A from October 2013 to October 2014. All commitments of the revolving lenders under the DME Prepetition Credit Agreement to make additional advances under the DME Revolver were terminated on the Petition Date, and all outstanding Revolving Loans will be converted to a new tranche of term loans. Letters of credit outstanding under the DME Prepetition Credit Agreement will remain outstanding and to the extent any amounts are drawn thereunder, such amounts will be added to the balance of the DME Revolver. The Plan will increase the interest rate applicable to the DME Revolver and the DME Term Loan A by 0.75% per annum to a floating rate of LIBOR plus 2.5% per annum or ABR plus 1.5% per annum (subject to step-downs in such margin based on the DME leverage ratio).

The maturity of the DME Term Loan B will remain October 2014. The Plan will increase the interest rate applicable to the DME Term Loan B by 0.50% per annum to a floating rate of LIBOR plus 2.5% per annum (subject to step-downs in such margin based on the DME leverage ratio).

Pursuant to the Plan, the DME Loans will amortize based on aggregate quarterly amortization payments of \$27,250,000 through September 2011 and quarterly amortization payments of \$36,000,000 thereafter through September 2014, with the remaining outstanding principal balance due at maturity. Pursuant to the Plan, commencing with the 2010 fiscal year, the DME Loans will also be subject to mandatory prepayments equal to 65% of annual excess cash flow of DME and its subsidiaries (subject to a step down in such percentage based upon the DME leverage ratio) and certain assets sales, debt issuances and equity issuances by DME and its subsidiaries and certain equity issuances by RHDC (subject to the leverage ratio test).

The DME Loans outstanding after giving effect to the Plan (the “DME Post-Confirmation Secured Debt”) will be guaranteed by each domestic subsidiary of DME and by RHDC, DMI, RHD Service, BDC and certain hereafter formed or acquired subsidiaries of RHDC (such hereafter formed or acquired subsidiaries of RHDC, the “New RHDC Subsidiaries”). The DME Post-Confirmation Secured Debt will be secured by substantially all of the assets of DME, each domestic subsidiary of DME, RHDC (excluding its stock of RHDI), DMI and RHD Service. In the case of BDC and the New RHDC Subsidiaries, such guaranty may be subordinated to other indebtedness of such entity, and the collateral provided by such entity, if any, may be limited to its capital stock held by its holding company.

(b) DMW Post-Confirmation Secured Debt

Pursuant to the Plan, DMW will repay a portion of the outstanding principal balance of the DMW Revolver, the DMW Term Loan A and the DMW Term Loan B (the “DMW Loans”) on the Effective Date in an aggregate amount equal to approximately \$180 million, subject to a formula specified in the applicable Banks Support Agreement (the “DMW Effective Date Paydown Amount”). Such repayment shall be applied to the DMW Loans and the DMW Hedge Termination Payments *pro rata* based on the outstanding principal balance of each DMW Loan and each DMW Hedge Termination Payment.

The Plan will extend the maturity of the DMW Revolver and the DMW Term Loan A from October 2013 to October 2014. All commitments of the revolving lenders under the DMW Prepetition Credit Agreement to make additional advances under the DMW Revolver were terminated on the Petition Date, and all outstanding Revolving Loans will be converted to a new tranche of term loans. The Plan will increase the interest rate applicable to the DMW Revolver and the DMW Term Loan A by 0.75% per annum to a floating rate of LIBOR plus 4.5% per annum (subject to step-downs in such margin based on the DMW leverage ratio).

The maturity of the DMW Term Loan B will remain October 2014. The Plan will increase the interest rate applicable to the DMW Term Loan B by 0.50% per annum to a floating rate of LIBOR plus 4.5% per annum or ABR plus 3.5% per annum (subject to step-downs in such margin based on the DMW leverage ratio).

Pursuant to the Plan, the DMW Loans will amortize based on aggregate quarterly amortization payments of \$5,625,000 in March 2010, \$7,250,000 from June 2010 through March 2012 and \$8,875,000 from June 2012 through September 2014, with the remaining outstanding principal balance due at maturity. Pursuant to the Plan, commencing with the 2010 fiscal year, the DMW Loans will also be subject to mandatory prepayments equal to 65% of annual excess cash flow of DMW and its subsidiaries (subject to a step down in such percentage based upon the DMW leverage ratio) and certain assets sales, debt issuances and equity issuances by DMW and its subsidiaries and certain equity issuances by RHDC (subject to the leverage ratio test).

The DMW Loans outstanding after giving effect to the Plan (the “DMW Post-Confirmation Secured Debt”) will be guaranteed by each domestic subsidiary of DMW and by RHDC, DMI, RHD Service, BDC and the New RHDC Subsidiaries. The DMW Post-Confirmation Secured Debt will be secured by substantially all of the assets of DMW, each domestic subsidiary of DMW, RHDC (excluding its stock of RHDI), DMI and RHD Service. In the case of BDC and the New RHDC Subsidiaries, such guaranty may be subordinated to other indebtedness of such entity, and the collateral provided by such entity, if any, may be limited to its capital stock held by its holding company.

(c) RHDI Post-Confirmation Secured Debt

Pursuant to the Plan, RHDI will repay a portion of the outstanding principal balance of the RHDI Revolver and the RHDI Term Loans D-1/2 (the “RHDI Loans”) on the Effective Date in an aggregate amount equal to approximately \$200 million, subject to a formula specified in the applicable Banks Support Agreement (the “RHDI Effective Date Paydown Amount”). Such

repayment shall be applied to the RHDI Loans and the RHDI Hedge Termination Payments *pro rata* based on the outstanding principal balance of each RHDI Loan and each RHDI Hedge Termination Payment.

The Plan will extend the maturity of a portion of the RHDI Revolver from December 2009 to October 2014 and will extend the maturity of the remainder of the RHDI Revolver and the RHDI Term Loans D-1/2 from June 2011 to October 2014. All commitments of the revolving lenders under the RHDI Prepetition Credit Agreement to make additional advances under the RHDI Revolver were terminated on the Petition Date, and all outstanding Revolving Loans will be converted to a new tranche of term loans. The Plan will increase the interest rate applicable to the RHDI Loans to a floating rate of LIBOR plus 6.25% per annum or ABR plus 5.25% per annum (subject to a step down in such margin based upon the RHDI leverage ratio).

Pursuant to the Plan, the RHDI Loans will amortize quarterly in aggregate installments as follows: 2010 - \$50,000,000; 2011 - \$50,000,000; 2012 - \$60,000,000; 2013 - \$70,000,000; and 2014 - \$70,000,000. Pursuant to the Plan, commencing with the 2010 fiscal year, the RHDI Loans will also be subject to mandatory prepayments equal to 60% of annual excess cash flow of RHDI (subject to a step down in such percentage based upon the RHDI leverage ratio) and certain assets sales, debt issuances and equity issuances by RHDI and its subsidiaries and certain equity issuances by RHDC (subject to the leverage ratio test).

The RHDI Loans outstanding after giving effect to the Plan (the “RHDI Post-Confirmation Secured Debt”) will be guaranteed by each domestic subsidiary of RHDI and by RHDC, DMI, RHD Service, BDC and the New RHDC Subsidiaries. The RHDI Post-Confirmation Secured Debt will be secured by substantially all of the assets of RHDI, each domestic subsidiary of RHDI, RHDC, DMI (excluding its stock of DME and DMW) and RHD Service. In the case of BDC and the New RHDC Subsidiaries, such guaranty may be subordinated to other indebtedness of such entity, and the collateral provided by such entity, if any, will be limited to its capital stock held by its holding company.

## **2. Post-Confirmation Note Debt.**

Following emergence from chapter 11, the Company’s outstanding note debt shall consist of only \$300,000,000 in aggregate principal amount of unsecured notes issued by RHDC which will be due on the seventh anniversary of the date of issuance (the “New RHDC Notes”). The New RHDC Notes shall be issued on a *pro rata* basis to the Holders of the DMW 8.5% Senior Notes due 2010 and the DMW 5.875% Senior Notes due 2011. Interest under the New RHDC Notes will be paid semi-annually beginning March 31, 2010 at the Company’s election (for any interest period) either (i) 7% in cash and 7% paid-in-kind (“PIK”) or (ii) 12% in cash. PIK interest will be paid at the maturity of the New RHDC Notes or at the time of any optional redemption. The New RHDC Notes may be redeemed at the Company’s option at any time after the first anniversary of the Effective Date at the redemption rates (expressed as a percentage of principal amount of New RHDC Notes, including any principal amount of New RHDC Notes issued as PIK interest, to be redeemed) set forth below (plus all accrued and unpaid interest, which will be paid in cash):

Months Following Effective Date	Redemption %
---------------------------------	--------------

12-24	106%
25-36	102%
37-48	101%
After 48 months	100%

In addition, the New RHDC Notes will contain customary affirmative and negative covenants, which will only apply to RHDC and, to the extent permitted under the Senior Credit Facilities (as such term is defined in the Noteholders Support Agreement), existing subsidiaries of RHDC. Affirmative covenants include limitations on the incurrence of additional indebtedness other than the following:

(i) \$140 million in additional indebtedness for borrowed money and guarantees thereof, subject to customary exceptions;

(ii) non-recourse debt to finance acquisitions (including purchase money debt) and/or non-recourse debt assumed in acquisitions;

(iii) (a) recourse debt to finance acquisitions and/or debt assumed in acquisitions of a target with principal lines of business that include print directory publishing and/or the sale of print directory advertising (as further defined in the applicable indenture governing the New RHDC Notes), solely to the extent that *pro forma* leverage after giving effect to the incurrence or assumption of such indebtedness is 5.5x or lower; and

(b) recourse debt to finance acquisitions and/or debt assumed in acquisitions of a target having principal lines of business that are the same as one or more lines of business conducted by Debtors on the Effective Date, but are not print directory publishing and/or the sale of print directory advertising (as further defined in the applicable indenture governing the New RHDC Notes), solely to the extent that *pro forma* leverage after giving effect to the incurrence or assumption of such indebtedness is 5.5x or lower; provided, however, that solely with respect to this clause (b) the holders of the New RHDC Notes will have the option to cause RHDC to redeem such holders' New RHDC Notes at a price equal to 101% of the principal amount thereof (plus accrued and unpaid interest) upon consummation;

(iv) refinancings of existing RHDC debt or debt of any of its subsidiaries (provided that the principal amount of any such debt shall not be increased in connection with the refinancing thereof);

(v) unsecured intercompany debt (which will be subordinate to payment in full in cash of the New RHDC Notes); and

(vi) starting in 2011, any incremental indebtedness that may be incurred to the extent that *pro forma* leverage after giving effect to such indebtedness is 4.25x or lower,

provided that such incremental indebtedness shall be (x) *pari passu* or junior in right of payment to the New RHDC Notes, (y) unsecured, and (z) subject to anti-layering provisions.

Any permitted debt incurred as provided above (other than such debt described in the foregoing clauses (ii), (iii) only with respect to assumed debt and (v)) shall be subject to the following “most favored nations” terms:

If holders of a majority in principal amount of the then outstanding New RHDC Notes (the “Majority Noteholders”) determine, in their discretion, that the effective yield to maturity (taking into account, without limitation, interest rates, commitment fees, arranger fees, upfront fees, original issue discount, prepayment fees and other fees of a similar nature) of any such debt described in the foregoing clauses (i), (iii) (other than assumed debt, or (vi) that is senior to (in the case of clauses (i) and (iii)) or *pari passu* with (in the case of clauses (i), (iii), and (vi)) the New RHDC Notes, is higher than that of the New RHDC Notes, the Majority Noteholders shall have the option to amend the terms of the New RHDC Note documents in order to cause the effective yields of maturity of such debt and the New RHDC Notes to be equal.

Customary negative covenants include negative pledge provisions, to the extent permitted under the Senior Credit Facilities (as such term is defined in the Noteholders Support Agreement). The New RHDC Notes will also contain customary events of default, including but not limited to payment defaults, covenant non-compliance, bankruptcy, and cross acceleration with respect to the Senior Credit Facilities (as such term is defined in the Noteholders Support Agreement). The New RHDC Notes will be subject to mandatory prepayment offer at par upon a change in control of the Company. Final documentation setting out the terms of the New RHDC Notes will be included in the Plan Supplement.

The New RHDC Notes will be freely tradeable under Section 1145 of the Bankruptcy Code. To the extent that any of the New RHDC Notes are not freely tradeable under such Section, the holders thereof will have customary demand and S-3 registration rights where any such registration statement would cover both the New RHDC Notes and the New RHDC Common Stock.

### **3. Post-Confirmation Intercompany Debt.**

In accordance with the terms of (a) the Court’s Order (I) Authorizing the Debtors to Continue Using Their Existing Cash Management System, (II) Authorizing the Continued Use of Existing Bank Accounts and Business Forms, (III) Authorizing the Continuation of Certain Intercompany Transactions, (IV) Waiving the Requirements of 11 U.S.C. § 345(b) on an Interim Basis, and (V) Granting Administrative Expenses Status to Post-Petition Intercompany Transactions, dated as of June 1, 2009, which permitted the Debtors to continue using their Cash Management System, and (b) the Plan, all postpetition ordinary course intercompany debt will receive administrative expense priority. The prepetition RHDC Loan will be discharged and will receive no distribution, and the RHD Service Loan (together with any earnings realized by RHD Service on the investment of the proceeds of the RHD Service Loan) will be repaid in full on the Effective Date of the Plan, in accordance with the terms of the Banks Support Agreements. There will be no material post-confirmation intercompany loans.

#### **4. Post-Confirmation Equity in RHDC.**

After confirmation of the Plan, Holders of the Prepetition Note Debt will own 100% of the common stock of Reorganized RHDC (subject to dilution by the Management Incentive Plan). The Plan does not provide for issuance of any preferred stock as of the Effective Date.

#### **G. Pending Litigation Against the Debtors.**

As a consequence of the Debtors' commencement of these Chapter 11 Cases, all pending claims and litigation against the Debtors in the United States have been automatically stayed pursuant to Section 362 of the Bankruptcy Code.

The Company is involved in various legal proceedings arising in the ordinary course of business, as well as certain litigation and tax matters. In many of these matters, plaintiffs allege that they have suffered damages from errors or omissions in their advertising or improper listings, in each case, contained in directories published by the Company. The Company also is exposed to potential defamation and breach of privacy claims arising from its publication of directories and methods of collecting, processing and using advertiser and telephone subscriber data.

The Company periodically assesses its liabilities and contingencies in connection with these matters based upon the latest information available to it. Based on its review of the latest information available, the Company believes its ultimate liability in connection with pending or threatened legal proceedings will not have a material effect on its results of operations, cash flows or financial position.

The Debtors anticipate that, to the extent any pending litigation is not resolved prior to the Effective Date of the Plan (including through the claims allowance process during the Chapter 11 Cases) or removed by the Debtors to federal court consistent with their powers under the Bankruptcy Code, such litigation will continue after the Effective Date in the forum(s) in which it was initiated. Any adverse judgment against or liability of the Debtors arising out of these actions would constitute a Claim that will be treated in accordance with the provisions of the Plan and the Bankruptcy Code.

#### **H. Events Leading up to Chapter 11.**

The Company's operating performance depends upon its ability to generate revenues from advertising sales. Beginning in 2008, the Company has experienced lower advertising sales primarily as a result of declines in recurring business (both renewal and increases from existing advertisers), mainly driven by weaker economic trends, reduced consumer confidence and more cautious advertiser spending in the Company's markets. Advertising sales have also been impacted by an increase in competition and more fragmentation in the local business search market. In addition, the Company has been experiencing adverse bad debt trends attributable to many of these same economic challenges in its markets. Through the second quarter of 2009, the Company's gross advertising revenues declined \$95.7 million, or 14.4%, compared to the second quarter of 2008. The Company's adjusted EBITDA in the second quarter of 2009 was down \$72.9 million, or 20%, compared to the second quarter of 2009.

In response to these economic challenges, the Company continues to actively manage expenses and has enacted several initiatives to streamline operations and contain costs. In addition, the Company has invested in its future through initiatives such as new sales force automation, an advertiser self service system and portal, new mobile and voice search platforms, and associated employee training.

The decline in revenues has been particularly challenging because, as of the Petition Date, the Company had a substantial amount of debt outstanding and significant near-term debt service obligations, due in large part to financings associated with prior acquisitions. As of the Petition Date, the Company had total outstanding funded debt of approximately \$9.7 billion. Absent the filing of these Chapter 11 Cases, the Company was facing cash interest expense of approximately \$400 million in connection with unsecured bond debt, and approximately \$1.39 billion in principal payments on unsecured and secured debt due in 2010. Notwithstanding the Company's aggressive efforts to enhance revenue and cut expenses, the impact of an unprecedented economic downturn coupled with a highly leveraged balance sheet left the Company with significant liquidity challenges.

Faced with declining advertising revenues and the need to address near-term debt maturities and amortization payments, prior to the Petition Date the Company engaged in extensive discussions about a potential balance sheet restructuring with parties representing its Noteholders and the Prepetition Lenders. In furtherance of those discussions, on May 14, 2009, the Company entered into forbearance agreements with certain of its Noteholders and Prepetition Lenders with respect to the consequences of the expiration of the 30-day grace period relating to a \$55 million interest payment on Series A-4 of RHDC's senior unsecured notes. The relevant interest payment was due and payable on April 15, 2009, and the 30-day grace period for such payment expired on May 15, 2009. Those Noteholders and Prepetition Lenders party to the forbearance agreements agreed not to pursue their rights and remedies under the applicable debt agreements relating to such interest payment through May 28, 2009, while the parties continued to negotiate the terms of an overall restructuring. Additionally, counsel for the Consenting Noteholders informed Debtors that the Notes Indenture Trustees were directed by a required percentage of the Noteholders not to pursue rights and remedies under the applicable Notes Indentures.

After several weeks of active and arm's-length negotiations, the Company, in consultation with its advisors, reached prepetition agreements in principle with a substantial majority of Noteholders and the Company's Prepetition Lenders on a pre-arranged restructuring plan. The terms of the Company's pre-arranged restructuring plan are evidenced by (i) Banks Support Agreements executed by the Company and certain of the Prepetition Lenders holding well in excess of two-thirds (2/3) in principal amount and one-half (1/2) in number of claims under each of the RHDI, DME, and DMW Prepetition Credit Facilities and (ii) the Noteholders Support Agreement executed by the Company and Noteholders holding in excess of a majority of the aggregate principal amount of the Prepetition Note Debt. The Plan Support Agreements, together with the applicable terms sheets, form the basis for the Plan.

Pursuant to the Banks Support Agreements, the RHDI Lenders, the DME Lenders and the DMW Lenders party thereto agree, among other things, (i) to vote to accept the Plan so long as it is consistent with the treatment summarized in the RHDI Lenders Plan Term Sheet, the DME Lenders Plan Term Sheet and the DMW Lenders Plan Term Sheet, respectively; and (ii) not to transfer any claim under the relevant credit agreement except to a transferee who agrees to be bound by the applicable Banks Support Agreement. Pursuant to the Noteholders Support Agreement, the Consenting Noteholders agree, among other things, (i) to vote to accept the Plan so long as it is consistent with the treatment summarized in the Noteholders Plan Term Sheet and (ii) not to transfer any Noteholders Claim except to a transferee who agrees to be bound by the Noteholders Support Agreement. Each Plan Support Agreement is subject to certain material conditions and may be terminated upon the occurrence of certain events in accordance with its terms.

Under each Banks Support Agreement, among other things, (a) the Confirmation Order and Voting Procedures Order are required to be in form and substance reasonably acceptable to the administrative agent under the relevant credit agreement and (b) the following documents or items are required to be in form and substance reasonably acceptable to the administrative agent and requisite lenders under the relevant credit agreement: (i) the Amended and Restated RHDI Credit Agreement, the Amended and Restated DME Credit Agreement or the Amended and Restated DMW Credit Agreement, as applicable; and (ii) the Amended and Restated RHDI Lenders Guaranty & Collateral Agreement, the Amended and Restated DME Lenders Guaranty & Collateral Agreement and the Amended and Restated DMW Lenders Guaranty & Collateral Agreement, as applicable, and all related security agreements, intercreditor agreements and other closing documents.

In consideration of the obligation of the Consenting Noteholders to vote to accept the Plan, the Company has granted to the Consenting Noteholders significant rights of approval or consultation relating to the Plan, the Plan Related Documents and related matters and documents pursuant to the Noteholders Support Agreement. In the event that the Company materially breaches its obligations under the Noteholders Support Agreement, the Majority of Consenting Noteholders may under certain circumstances terminate the Noteholders Support Agreement (and the obligations of the Consenting Noteholders thereunder, including their obligation to vote to accept the Plan) in accordance with its terms.

In accordance with the terms of the Noteholders Support Agreement and the Noteholders Plan Term Sheet, among other things, the following documents or items, including any modification, supplement or amendment thereto, are required to be in form and substance reasonably acceptable or acceptable, as the case may be, to a Majority of Consenting Noteholders: (i) the Plan; (ii) the Disclosure Statement; (iii) the Plan Related Documents (including the Amended and Restated Credit Documents and the Confirmation Order and the solicitation materials); (iv) the Plan Supplement; (v) the Exhibits; (vi) the Corporate Governance Documents, as defined in the Noteholders Support Agreement (including the Certificate of Incorporation, the By-Laws, the Registration Rights Agreement and any stockholders agreement); (vii) the New RHDC Notes; (viii) the Management Incentive Plan; and (ix) any Restructuring Transaction entered into or undertaken on or prior to the Effective Date. In

addition, the Company is required to consult with the Consenting Noteholders on a number of matters.<sup>20</sup>

Consistent with the terms of the Noteholders Support Agreement, section 9.2.3 of the Plan provides that, as a condition to the Effective Date, all fees and expenses of counsel and the financial advisor to the Consenting Noteholders (collectively, the “Consenting Noteholders Advisors”), as well as the out-of-pocket expenses of the Consenting Noteholders, incurred prior to the Confirmation Hearing in connection with the restructuring of the Debtors, shall have been paid in full in cash. The Debtors anticipate that the Consenting Noteholders Advisors’ fees and the out of pocket expenses of the Consenting Noteholders shall be paid through (a) the granting, pursuant to the terms of the Confirmation Order, of a substantial contribution claim to the Consenting Noteholders allowing for the payment of the Consenting Noteholders Advisors’ fees and the out of pocket expenses of the Consenting Noteholders, or (b) such other appropriate mechanism to comply with section 9.2.3 of the Plan as agreed upon by the Debtors and a Majority of Consenting Noteholders. Provided that the Consenting Noteholders and the Consenting Noteholders Advisors have, in the Debtors’ reasonable judgment, continued during the course of the Chapter 11 Cases (as they did prior to the commencement of the Chapter 11 Cases) to act in accordance with the Noteholders Support Agreement, the Debtors will support the foregoing mechanisms in order to satisfy section 9.2.3 of the Plan.

The Consenting Noteholders are the following entities: (i) Aegon USA Investment Management, LLC; (ii) James E. Douglas III, the James Douglas and Jean Douglas Irrevocable Descendant’s Trust, the K&M Douglas Trust, and the Douglas Family Trust; (iii) Franklin Advisers, Inc., and (iv) Mast Capital Management, LLC. For the avoidance of doubt, Pacific Investment Management Company LLC is not a Consenting Noteholder.

Prior to the Petition Date and in accordance with the terms and the effectiveness conditions of the Banks Support Agreements, the Company made approximately \$200 million in prepayments to the Prepetition Lenders. As of the Petition Date, the Company had approximately \$300 million in cash on hand. This cash on hand included the RHD Service Cash transferred by RHDI, DME, and DMW to RHD Service on or about March 19, 2009, as permitted by the relevant credit agreements and Note Indentures, as applicable. While the RHD Service Cash did not constitute cash collateral, the Company negotiated for the consensual use of the remaining cash on hand with its Prepetition Lenders. The Company’s businesses also continue to generate significant cash flow. As such, the Company has not sought, nor does it intend to seek, approval of any “debtor in possession” financing and does not anticipate it will need exit financing in these Chapter 11 Cases. The Company’s pre-arranged restructuring plan represents a significant achievement for the Company and should greatly enhance the Company’s ability to reorganize successfully and expeditiously.

<sup>20</sup> This is a summary of certain of the material terms and provisions of the Restructuring Support Agreements and does not purport to be complete and is subject to, and is qualified in its entirety by, (i) all of the terms and provisions of the Banks Support Agreements attached hereto as Exhibit B and (ii) all of the terms and provisions of the Noteholders Support Agreement attached hereto as Exhibit C.

#### IV. EVENTS DURING THE CHAPTER 11 CASES

On the Petition Date, the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code in the United States Bankruptcy Court for the District of Delaware. These Chapter 11 Cases have been assigned to United States Bankruptcy Judge Kevin Gross and have been administratively consolidated under case number 09-11833 (KG). The following is a brief description of certain major events that have occurred during the Chapter 11 Cases.

##### A. Joint Administration of Debtors' Chapter 11 Cases.

On the Petition Date, the Debtors filed the Motion of the Debtors for an Order Directing Joint Administration of Related Chapter 11 Cases (the "Joint Administration Motion"), which requested procedural consolidation of these Chapter 11 Cases for ease of administration. The Bankruptcy Court approved the Joint Administration Motion on June 1, 2009.

##### B. Other First-Day Relief.

On the Petition Date, the Debtors also filed "first-day" motions seeking authority to, among other things, (i) prohibit utility companies from discontinuing, altering, or refusing service; (ii) make tax payments to federal, state and local taxing authorities on an uninterrupted basis; (iii) pay certain prepetition claims of shippers and other lien claimants; (iv) make payments to certain prepetition creditors that are vital to the Debtors' uninterrupted operations; (v) continue prepetition insurance programs and pay all premium installments outstanding in connection therewith; (vi) honor prepetition obligations to certain customers and certified marketing representatives and continue customer programs; (vii) pay prepetition wages and other benefits to their employees; (viii) continue use of their existing cash management system, bank accounts and business forms; and (ix) for authority to continue using cash collateral. All of the Debtors' first-day motions were granted by the Bankruptcy Court in substantially the manner requested by the Debtors on an interim or final basis.

##### 1. **Utility Services.**

In connection with the operation of their businesses and management of their properties, the Debtors incur utility expenses in the ordinary course of business for, among other things, water, sewer service, electricity, natural gas, local and long-distance telephone service, data service, solid waste disposal and other similar services. Because uninterrupted utility services are essential to the Debtors' ongoing operations and the success of the Debtors' reorganization efforts, the Debtors requested entry of (i) a bridge order and (ii) a final order (a) prohibiting the utility providers from altering, refusing, or discontinuing service to the Debtors on account of prepetition invoices, including the making of demands for security deposits or accelerated payment terms; (b) providing that the utility providers have "adequate assurance of payment" within the meaning of Section 366 of the Bankruptcy Code, based, *inter alia*, on the Debtors' establishment of a segregated account containing an amount equal to fifty percent (50%) of the Debtors' estimated monthly cost of utility service; and (c) establishing procedures for resolving requests for additional adequate assurance and authorizing the Debtors to provide adequate assurance of future payment to the utility providers (the "Utility Motion"). The Bankruptcy Court entered a bridge order dated as of June 1, 2009, and a final order dated as of June 25, 2009.

## **2. Payment of Federal, State and Local Taxes.**

On the Petition Date, the Debtors filed a motion seeking authority to pay prepetition sales, use, property, franchise and other taxes and governmental charges (the "Tax Motion"). Through the Tax Motion, the Debtors sought the authority to pay any accrued and unpaid liabilities for prepetition taxes in the ordinary course of business up to an aggregate amount not to exceed \$5.50 million. The order, dated as of June 1, 2009, granted the Debtors the authority to pay any accrued and unpaid prepetition Taxes in an amount up to \$5.50 million.

## **3. Shippers and Other Lien Claimants.**

The Debtors, in the ordinary course of their business, frequently rely on third-party common carriers (the "Shippers") to transport the printed directories to third-party vendors who distribute the directories on behalf of the Debtors. On the Petition Date, the Debtors sought authority (i) to pay certain of the Shippers' prepetition claims, at their discretion, and (ii) to pay the prepetition claims of certain third-parties who, under applicable state law, could have asserted liens or had the potential to assert liens against the Debtors and their property if their claims were not satisfied (the "Lien Claimants"), at their discretion (the "Shippers and Lien Claimants Motion"). By order dated as of June 1, 2009, the Court granted the Debtors the authority, at their discretion, to satisfy the prepetition claims of the Shippers and Lien Claimants. The order granted authority to the Debtors to pay up to \$1 million per Shipper and Lien Claimant.

## **4. Critical Trade Vendor Treatment and Payment of Priority Claims.**

As part of their "first day" relief, the Debtors sought the authority to pay the prepetition claims of certain vendors (the "Critical Vendors") where a failure to pay such creditor's prepetition claims would have a material impact on the Debtors' operations (the "Critical Vendor Motion"). The Court approved the Critical Vendor Motion by order dated as of June 1, 2009. Payments to the Critical Vendors were authorized in a total amount not to exceed \$17 million. Under the terms of the Critical Vendor Order, in return for payment of their prepetition claims, such Critical Vendors must have provided the Debtors with terms that were as, or more, favorable to the Debtors as the most favorable trade terms, practices, and programs in effect between the Debtors and the Critical Vendors in the six (6) months prior to the Petition Date or such other favorable trade terms as were agreed upon by such parties.

## **5. Continuation and Payment of Prepetition Insurance.**

On the Petition Date, the Debtors filed a motion requesting the authority to (i) continue prepetition insurance programs and (ii) pay all prepetition obligations in respect thereof (the "Insurance Motion"). By order dated as of June 1, 2009, the Bankruptcy Court authorized the Debtors to (a) pay any prepetition premium payments as necessary; (b) perform any other prepetition obligations that may be necessary to maintain the Insurance Policies (as defined in the Insurance Motion); (c) pay the 2008 Adjustment Amount (as defined in the Insurance Motion); and (d) pay all premium adjustment amounts that may come due under certain Zurich Policies. The ability to continue payments under their policies was necessary to ensure that the Debtors maintained essential insurance coverage on favorable terms.

## **6. Customer Programs.**

Prior to the Petition Date, the Debtors engaged in customer programs to develop and sustain a positive reputation with their customers and in the general marketplace for the Debtors' products and services. The Debtors believe that these customer programs assisted, and will continue to assist, them in retaining current customers, attracting new customers, and, ultimately, increasing revenues. Accordingly, through the Motion of the Debtors for Order Authorizing, but not Requiring, the Debtors to Honor Certain Prepetition Obligations to Customers and to Otherwise Continue Prepetition Customer Programs and Practices in the Ordinary Course of Business (the "Customer Motion"), filed on the Petition Date, the Debtors requested Bankruptcy Court authorization to (i) continue certain prepetition customer programs, such as adjustments and credits to resolve customer claims, honoring pre-paid obligations, and honoring obligations under certain affiliate and barter agreements; (ii) maintain their relationships with certain Certified Marketing Representatives (as defined in the Customer Motion); and (iv) perform any prepetition obligations that the Debtors may owe the Certified Marketing Representatives. The relief requested in the Customer Motion was granted in an order dated as of June 1, 2009.

## **7. Employee Compensation and Benefits.**

On the Petition Date, the Debtors filed a motion seeking court authority to continue, among other things, to (i) pay employee wages, salaries, commissions, and other compensation, (ii) pay all prepetition compensation owed to certain temporary workers, (iii) make all payments for which prepetition payroll and tax deductions were made; (iv) honor prepetition obligations under certain employee benefit programs and continue such programs in the ordinary course; (v) honor workers' compensation obligations; and (vi) make all payments to third-parties relating to the foregoing payments and contributions, among other relief (the "Employee Wage Motion"). Specifically, on average the Debtors spend approximately \$28.3 million per month in employee wages, of which 98% is paid electronically. Because most of the Debtors' employees are paid in arrears, as of the Petition Date there was approximately \$6 million in unpaid, prepetition wages. In addition to the unpaid wages, the Debtors' employees regularly submit expense reports to the Debtors, which the Debtors then pay through the normal payroll process. As of the Petition Date, there was approximately \$2.25 million of reimbursable expenses outstanding and approximately \$74,000 outstanding in connection with various federal, state and local taxes withheld from the employees' wages. In addition, as of the Petition Date, amounts were also outstanding in connection with various benefit programs maintained by the Debtors for their employees, including employee health care programs, vacation, sick day and holiday benefits, employee savings plans, disability and other types of insurance, retiree medical programs and workers compensation. The Debtors also requested the authority to pay each of the aforementioned prepetition obligations. By order dated as of June 1, 2009, the Bankruptcy Court granted the relief requested in the Employee Wage Motion in substantially the manner requested by the Debtors. In addition, the Debtors requested authority to continue certain prepetition employee benefit programs, including a severance program. By order dated as of June 25, 2009, the Court allowed the Debtors to continue these prepetition programs.

## **8. Cash Management.**

Prior to the Petition Date, the Debtors utilized a centralized cash management system (the “Cash Management System”) to collect funds from their operations and to pay operating and administrative expenses in connection therewith. In order to, among other things, avoid administrative inefficiencies, the Debtors moved the Bankruptcy Court for an order (i) approving the Cash Management System; (ii) authorizing the continued use of their existing, prepetition bank accounts and business forms; (iii) waiving the requirements of Section 345(b) in connection therewith on an interim basis; and (iv) granting administrative priority status to postpetition intercompany claims between and among the Debtors (the “Cash Management Motion”). By order dated as of June 1, 2009, the Court approved the Cash Management Motion and waived the requirements of Section 345(b) on an interim basis. By order dated September 30, 2009, the Court further extended the interim waiver of the requirements of Section 345(b) through and including June 30, 2010, without prejudice to the Debtors’ right to seek a further interim waiver.

## **9. Use of Cash Collateral.**

In order to continue running their business in the ordinary course throughout the Chapter 11 Cases, the Debtors sought authority on the Petition Date to continue using certain cash deposits of RHDI, DME, and DMW, which were otherwise restricted pursuant to certain prepetition security agreements, and to grant adequate protection to the relevant Prepetition Lenders in order to be able to use the cash deposits (the “Cash Collateral Motion”). The relief sought in the Cash Collateral Motion was necessary as the Debtors had an immediate and critical need to use the cash deposits to preserve and protect the value of their assets. In addition, the terms of the Cash Collateral Motion were negotiated in good faith and at arm’s-length with the relevant Debtors’ Prepetition Lenders. The relief requested in the Cash Collateral motion was granted on an interim basis by an order dated as of June 1, 2009. By order dated as of June 25, 2009, the Court approved the Cash Collateral Motion on a final basis.

### **C. Professional Retention.**

#### **1. Retention of Professionals by the Debtors’ Estates.**

The Debtors applied for an order authorizing the retention of Sidley Austin LLP (“Sidley”) as their general reorganization and bankruptcy counsel under Section 327(a) of the Bankruptcy Code on June 5, 2009 (the “Sidley Retention Application”). The Court approved the Sidley Retention Application by order dated as of June 24, 2009.

The Debtors also filed an application to retain Young Conaway Stargatt & Taylor, LLP (“YCST”) as Delaware bankruptcy co-counsel in these Chapter 11 Cases (the “YCST Retention Application”). The YCST Retention Application, which was filed on June 5, 2009, was approved by the Court pursuant to an order dated as of June 24, 2009.

In addition, the Debtors filed an application to retain Lazard Frères & Co., LLC (“Lazard”) as their investment banker and financial advisors (the “Lazard Retention”). The Lazard Retention was also filed on June 5, 2009. The Court approved Lazard’s retention by order dated as of July 20, 2009. Pursuant to the order, Lazard is entitled to payment of (i) a transaction fee equal to \$15.0 million, subject to a credit for up to one half of certain monthly

fees paid by the Debtors, upon confirmation of the Plan or any amendment to the Plan (a “Pre-Arranged Plan”); or (ii) a transaction fee equal to \$13.0 million, subject to a credit for up to one half of certain monthly fees paid by the Debtors, upon confirmation of a plan of reorganization that is not a Pre-Arranged Plan. The transaction fee is payable upon confirmation of the Plan; provided, however, if the transaction fee is payable in connection with a Pre-Arranged Plan, one-half of the transaction fee shall be earned and payable upon the execution of definitive lock-up agreements with respect to such Pre-Arranged Plan. In accordance with the terms of the foregoing arrangement, the Debtors paid Lazard \$8,400,000 in fees and reimbursed \$66,467.10 in expenses prior to the Petition Date. The total fees payable to Lazard (including any fees approved by the Bankruptcy Court for Lazard (or any Lazard affiliate) acting as agent or underwriter in connection with any proposed financing transaction, including any debtor-in-possession financing or exit financing in connection with the Chapter 11 Cases) will, however, be capped at \$19 million if a Pre-Arranged Plan is confirmed or at \$17 million for circumstances not involving a Pre-Arranged Plan.

To further assist them in carrying out their duties as debtors in possession and to otherwise represent their interests in the Chapter 11 Cases, the Debtors also retained the following professionals with the Bankruptcy Court’s approval: (i) Sitrick and Company, Inc. as corporate communications consultants; (ii) The Garden City Group, Inc., as claims, noticing, and balloting agent; (iii) KPMG LLP as auditors, tax compliance and tax consultants; (iv) Grubb & Ellis Company as real estate consultant; (v) Deloitte Financial Advisory Services LLP (“Deloitte”) as financial advisor and administrative services provider; and (vi) Deloitte Tax LLP as tax advisor. On September 3, 2009, the Debtors filed an application (the “Mercer Application”) to employ and retain Mercer (US) Inc. (“Mercer”) as compensation consultants effective as of June 1, 2009. Pursuant to an order dated September 11, 2009, the Bankruptcy Court approved the Mercer Application and authorized the Debtors to retain Mercer.

In addition, the Debtors filed a motion seeking authorization to continue paying certain professionals utilized in the ordinary course of the Debtors’ business (the “Ordinary Course Motion”). The Ordinary Course Motion was approved by order dated as of June 25, 2009.

## **2. The Committee and Its Advisors.**

On June 11, 2009, the United States Trustee for the District of Delaware appointed the Committee. The Committee is comprised of the following parties: (i) Communication Workers of America; (ii) RR Donnelley & Sons Company; (iii) Web.com Holding Company; (iv) The Bank of New York Mellon, as Indenture Trustee; (v) PIMCO High Yield Fund; (vi) Wilmington Trust Company, as Indenture Trustee; and (vii) Law Debenture Trust Company of New York, as Indenture Trustee.<sup>21</sup> On July 1, 2009, the Committee applied for an order authorizing the retention of Ropes & Gray LLP (“Ropes”) as its counsel under Sections 328(a) and 1103 of the Bankruptcy Code. In addition, on July 14, 2009, the Committee applied for an order authorizing the retention of Cozen O’Connor (“Cozen”) as Delaware bankruptcy co-counsel and J.H. Cohn LLP (“Cohn”) as its financial advisor and forensic accountant. The order approving the retention

<sup>21</sup> Wilmington Trust Company was added to the Committee by an amended Notice of Appointment filed on June 15, 2009, and Law Debenture Trust Company of New York was added to the Committee by a second amended Notice of Appointment filed on June 19, 2009.

of Ropes was dated as of July 20, 2009, and the orders approving the retention of Cozen and Cohn were dated as of August 17, 2009. On July 16, 2009 (the “Application Date”), the Committee applied for an order to retain The Blackstone Group, LP (“Blackstone”) as its financial and restructuring advisor. By order dated as of August 21, 2009, the Bankruptcy Court approved the Blackstone retention application. Pursuant to that order, Blackstone is entitled to payment of (i) a monthly advisory fee (the “Monthly Fee”) of \$175,000; and (ii) an additional fee (the “Restructuring Fee”) equal to \$4,000,000, provided that each Monthly Fee payable (a) on or after January 16, 2010 (if a chapter 11 plan for the Debtors is confirmed on or before January 15, 2010) or (b) on or after February 16, 2010 (if a chapter 11 plan for the Debtors is not confirmed on or before January 15, 2010) will be credited against the Restructuring Fee.

**D. Administrative Matters in the Chapter 11 Cases.**

**1. Unexpired Leases.**

On May 30, 2009, the Debtors filed the First Omnibus Motion for Entry of an Order Authorizing the Rejection of Certain Unexpired Leases of Nonresidential Real Property Pursuant to Section 365 of the Bankruptcy Code (the “First Omnibus Motion”). The First Omnibus Motion identified certain nonresidential real property leases to which the Debtors were a lessee. These leases were for certain real property spaces that were vacant or would be vacant by the proposed effective date for the rejection. On June 24, 2009, the Court granted the First Omnibus Motion.

The Debtors have also filed a number of motions through which they seek to assume various unexpired leases of nonresidential real property, including their headquarters in Cary, North Carolina, as well as to reject other unexpired leases of nonresidential real property. The Debtors also sought and obtained by order dated as of August 20, 2009, an extension of their deadline to assume or reject unexpired leases of real property to December 24, 2009.

**2. Bar Date.**

On August 25, 2009, the Debtors filed the Motion of the Debtors for an Order Pursuant to Sections 501,502, and 1111(a) of the Bankruptcy Code, Bankruptcy Rules 2002 and 3003(c)(3), and Local Rule 2002-1(e) Establishing Certain Deadlines for Filing Proofs of Claim and Approving the Form and Manner of Notice Thereof (the “Bar Date Motion”). In the Bar Date Motion, the Debtors requested the Bankruptcy Court establish certain deadlines for filing Proofs of Claim (as defined in the Bar Date Motion). Specifically, the Debtors requested that the Bankruptcy Court (i) establish October 30, 2009 at 4:00 p.m. (prevailing Eastern Time) (the “General Bar Date”) as the deadline for all persons and entities (excluding governmental units, as such term is defined in the Bankruptcy Code) holding a claim against any of the Debtors to file a proof of such claim in the Chapter 11 Cases, except as otherwise provided in the Bar Date Motion; (ii) establish November 24, 2009 at 4:00 p.m. (prevailing Eastern Time) as the deadline for each governmental unit holding a claim against any of the Debtors to file a proof of such claim in the Chapter 11 Cases; (iii) except where a claim has previously been included in the Schedules (as defined in the Bar Date Motion) as disputed, contingent, or unliquidated, establish the later of (a) the General Bar Date or (b) twenty (20) days after the holder of such claim is served with notice of the applicable amendment or supplement to the Schedules as the bar date

for filing a Proof of Claim with respect to such amended claim; and (iv) except as otherwise set forth in any order authorizing rejection of an executory contract or unexpired lease, establish the later of (y) the General Bar Date or (z) thirty (30) days after the entry of any order authorizing the rejection of an executory contract or unexpired lease, as the bar date by which a Proof of Claim for any damages resulting from the Debtors' rejection of such executory contract or unexpired lease must be filed. The Bankruptcy Court approved the Bar Date Motion pursuant to an order entered on or about September 11, 2009.

### **3. Miscellaneous.**

On August 21, 2009, the Debtors filed a Motion of the Debtors for an Order Authorizing the Payment of Prepetition Contributions to Pension Plans and the Continuation of Such Contributions in the Ordinary Course of Business ("Pension Plan Motion"). Pursuant to the Pension Plan Motion, the Debtors requested the authority, but not direction, to (i) make funding contributions of up to \$30 million prior to September 30, 2009 to certain pension plans in order to ensure that such pension plans maintain a funded level – the value of plan assets over plan liabilities – of at least 80% and (ii) continue making funding contributions to such pension plans in the ordinary course of business. The Bankruptcy Court approved the Pension Plan Motion pursuant to an order entered on or about September 9, 2009.

On August 24, 2009, the Debtors filed a Motion of the Debtors for Entry of an Order Extending the Deadline for the Debtors to File Notices of Removal of Related Claims and Causes of Action Pursuant to 28 U.S.C. § 1452 (the "Removal Motion"). In the Removal Motion, the Debtors seek an extension of the deadline to file notices of removal of related claims and causes of action through and including December 24, 2009. The Bankruptcy Court approved the Removal Motion pursuant to an order entered on or about September 9, 2009.

On September 11, 2009, the Debtors filed a Motion for an Order Pursuant to 11 U.S.C. § 1121(d) Extending the Exclusive Periods Within Which the Debtors May File a Chapter 11 Plan and Solicit Acceptances Thereof (the "Exclusivity Motion"), in which they requested that the Court to extend the periods in which the Debtors may exclusively propose and solicit votes on a plan of reorganization to January 22, 2010 and January 31, 2010, respectively. The Bankruptcy Court approved the Exclusivity Motion pursuant to an order entered on or about September 30, 2009.

## **V. THE PLAN OF REORGANIZATION**

### **A. General.**

Chapter 11 is the principal business reorganization chapter of the Bankruptcy Code. Under Chapter 11 of the Bankruptcy Code, a debtor is authorized to reorganize its business for the benefit of itself and its creditors and stockholders. In addition to permitting rehabilitation of the debtor, another goal of Chapter 11 is to promote equality of treatment of creditors and equity security holders, respectively, who hold substantially similar claims or interests with respect to the distribution of the value of a debtor's assets. In furtherance of these two goals, upon the filing of a petition for relief under Chapter 11, Section 362 of the Bankruptcy Code generally provides for an automatic stay of substantially all acts and proceedings against the debtor and its

property, including all attempts to collect claims or enforce liens that arose prior to the commencement of the debtor's Chapter 11 case.

The consummation of a plan of reorganization is the principal objective of a Chapter 11 case. A plan of reorganization sets forth the means for satisfying claims against and interests in a debtor. Confirmation of a plan of reorganization by the bankruptcy court makes the plan binding upon the debtor, any issuer of securities under the plan, any person or entity acquiring property under the plan and any creditor of or equity security holder in the debtor, whether or not such creditor or equity security holder (i) is impaired under or has accepted the plan or (ii) receives or retains any property under the plan. Subject to certain limited exceptions and other than as provided in the Plan itself or the confirmation order, the confirmation order discharges the debtor from any debt that arose prior to the date of confirmation of the plan and substitutes therefore the obligations specified under the confirmed plan, and terminates all rights and interests of prepetition equity security holders.

The confirmation requirements of Section 1129(a) of the Bankruptcy Code must be satisfied separately with respect to each Debtor. Therefore, notwithstanding the combination of the separate plans of reorganization of all Debtors in this Plan for purposes of, among other things, economy and efficiency, the Plan shall be deemed a separate Chapter 11 plan for each such Debtor.

**THE FOLLOWING SECTIONS SUMMARIZE CERTAIN KEY INFORMATION CONTAINED IN THE PLAN. THIS SUMMARY REFERS TO, AND IS QUALIFIED IN ITS ENTIRETY BY, REFERENCE TO THE PLAN, A COPY OF WHICH IS ATTACHED HERETO AS EXHIBIT A. THE TERMS OF THE PLAN WILL GOVERN IN THE EVENT ANY INCONSISTENCY ARISES BETWEEN THIS SUMMARY AND THE PLAN. THE COURT HAS NOT YET CONFIRMED THE PLAN DESCRIBED IN THIS DISCLOSURE STATEMENT. IN OTHER WORDS, THE TERMS OF THE PLAN DO NOT YET BIND ANY PERSON OR ENTITY. IF THE BANKRUPTCY COURT DOES CONFIRM THE PLAN, HOWEVER, THEN IT WILL BIND ALL CLAIM AND INTEREST HOLDERS.**

**CAPITALIZED TERMS USED IN THIS SECTION V OF THE DISCLOSURE STATEMENT THAT ARE NOT OTHERWISE DEFINED IN THIS SECTION V OF THE DISCLOSURE STATEMENT SHALL HAVE THE MEANINGS ASCRIBED TO THEM IN THE PLAN.**

**B. Classification and Allowance of Claims & Equity Interests Generally.**

**1. Classification and Allowance.**

Section 1123 of the Bankruptcy Code provides that, except for administrative expense claims and priority tax claims, a plan of reorganization must categorize claims against and equity interests in a debtor into individual classes. Although the Bankruptcy Code gives a debtor significant flexibility in classifying claims and interests, Section 1122 of the Bankruptcy Code dictates that a plan of reorganization may only place a claim or an equity interest into a class containing claims or equity interests that are substantially similar.

The Plan creates numerous “Classes” of Claims and Interests. These Classes take into account the differing nature and priority of Claims against and Interests in the Debtors. Administrative Expense Claims and Priority Tax Claims are not classified for purposes of voting or receiving distributions under the Plan, but are treated separately as unclassified Claims.

The Plan provides specific treatment for each Class of Claims and Interests. Only Holders of certain Allowed Claims are entitled to vote on and receive distributions under the Plan.

Unless otherwise provided in the Plan or the Confirmation Order, the treatment of any Claim or Interest under the Plan will be in full satisfaction, settlement, release and discharge of, and in exchange for, such Claim or Interest.

**C. Provisions for Payment of Administrative Expense Claims and Priority Tax Claims.**

**1. Administrative Expense Claims.**

Administrative Expense Claims are any claims for costs and expenses of administration of the Chapter 11 Cases that are Allowed under Sections 328, 330, 363, 364(c)(1), 365, 503(b), and 507(a)(2) of the Bankruptcy Code, including, without limitation, (a) any actual and necessary costs and expenses of preserving the Debtors’ Estates and operating the businesses of the Debtors (such as wages, salaries and commissions for services and payments for inventory, leased equipment and premises) and Claims of governmental units for taxes (including tax audit Claims) related to tax years commencing after the Petition Date, but excluding Claims related to tax periods, or portions thereof, ending on or before the Petition Date; (b) all compensation for legal, financial, advisory, accounting and other professional services and reimbursement of expenses Allowed by the Bankruptcy Court; (c) any indebtedness or obligations incurred or assumed by the Debtors during the Chapter 11 Cases; (d) any payment to be made under the Plan or otherwise to cure a default on an assumed executory contract or unexpired lease; (e) any fees and charges assessed against the Debtors’ Estates under Section 1930, chapter 123, of title 28 of the United States Code; (f) Postpetition Intercompany Claims; and (g) all administrative and superpriority administrative expense claims set forth in the Final Cash Collateral Orders.

The Bankruptcy Code does not require that administrative expense claims be classified under a plan. It does, however, require that allowed administrative expense claims be paid in full in cash in order for a plan to be confirmed, unless the holder of such claim consents to different treatment.

Pursuant to the Plan and subject to the provisions of Sections 328, 330, 331 and 503(b) of the Bankruptcy Code, on either: (i) the latest to occur of (x) the Effective Date (or as soon as practicable thereafter), (y) the date upon which such Administrative Expense Claim becomes an Allowed Claim and (z) such other date as agreed upon by the Debtors and the Holder of such Administrative Expense Claim, or (ii) on such other date as the Bankruptcy Court may order, each Holder of an Allowed Administrative Expense Claim shall receive, on account of and in full and complete settlement, release and discharge of, and in exchange for, such Allowed Claim, (a) cash equal to the full unpaid amount of such Allowed Administrative Expense Claim, or (b) such other treatment as the applicable Debtor and such Holder shall have agreed; provided, however,

that Allowed Administrative Expense Claims not yet due or that represent obligations incurred by the Debtors in the ordinary course of their business during these Chapter 11 Cases, or assumed by the Debtors during these Chapter 11 Cases, shall be paid or performed when due in the ordinary course of business and in accordance with the terms and conditions of the particular agreements governing such obligations.

Notwithstanding anything to the contrary, Allowed Administrative Expense Claims representing the Debtors' postpetition liabilities incurred in the ordinary course of business will continue to be paid by the Debtors during the Chapter 11 Cases in accordance with the terms and conditions of the particular transactions and any agreement or Court order relating thereto.

Each Allowed Administrative Expense Claim will be paid from, and to the extent of available assets of, the respective Debtor's Estate to which such Claim applies or has been allocated. To the extent that an Administrative Expense Claim is Allowed against the Estate of more than one Debtor, there shall be only a single recovery on account of such Allowed Claim.

## **2. Priority Tax Claims.**

Priority Tax Claims are Claims of governmental units for taxes owed by the Debtors that are entitled to priority in payment pursuant to Sections 502(i) and 507(a)(8) of the Bankruptcy Code.

The taxes entitled to priority are (a) taxes on income or gross receipts that meet the requirements of Section 507(a)(8)(A), (b) property taxes meeting the requirements of Section 507(a)(8)(B), (c) taxes that were required to be collected or withheld by the Debtors and for which the Debtors are liable in any capacity as described in Section 507(a)(8)(C), (d) employment taxes on wages, salaries, or commissions that are entitled to priority pursuant to Section 507(a)(4), to the extent such taxes also meet the requirements of Section 507(a)(8)(D), (e) excise taxes of the kind specified in Section 507(a)(8)(E), (f) customs duties arising out of the importation of merchandise that meet the requirements of Section 507(a)(8)(F), and (g) prepetition penalties relating to any of the foregoing taxes to the extent such penalties are in compensation for actual pecuniary loss as provided in Section 507(a)(8)(G).

The Bankruptcy Code does not require that priority tax claims be classified under a plan. It does, however, require that such claims receive the treatment described below in order for a plan to be confirmed unless the holder of such claims consents to different treatment.

Pursuant to the Plan, except to the extent that a Holder of an Allowed Priority Tax Claim agrees to a less favorable treatment (in which event such other agreement shall govern), each Holder of an Allowed Priority Tax Claim against any of the Debtors that is due and payable on or before the Effective Date shall receive, on account of and in full and complete settlement, release and discharge of, and in exchange for, such Allowed Priority Tax Claim, cash equal to the amount of such Allowed Priority Tax Claim on the later of (i) the Effective Date (or as soon as practicable thereafter) and (ii) the date such Priority Tax Claim becomes an Allowed Claim, or as soon thereafter as practicable. All Allowed Priority Tax Claims against any of the Debtors which are not due and payable on the Effective Date shall be paid in the ordinary course of business by the Reorganized Debtors in accordance with the terms thereof.

**D. Non-Substantive Consolidation and Classification of Claims.**

The Plan is a joint plan that does not provide for substantive consolidation of the Debtors' Estates, and on the Effective Date, the Debtors' Estates shall not be deemed to be substantively consolidated for purposes thereof. Unless otherwise provided by the Plan or the Confirmation Order, Allowed Claims held against one Debtor will be satisfied solely from the cash and assets of such Debtor and its Estate, provided that, to the extent of any insufficiency, funds or other property may be advanced to the relevant Debtor(s) by any of the Estates of the Debtors. Except as specifically set forth in the Plan, nothing in the Plan or the Disclosure Statement shall constitute or be deemed to constitute an admission that any one or all of the Debtors is subject to or liable for any Claims against any other Debtor.

Additionally, claimants holding Claims against multiple Debtors will be treated as a separate Claim against each Debtor's Estate for all purposes (including, but not limited to, voting and distribution; provided, however, that there shall be only a single recovery on account of such Claims and any distribution from a Debtor on account of such Claims shall take into account the Distributions to be made by other Debtors on account of such Claims pursuant to the Plan), and such Claims shall be administered and treated in the manner provided in the Plan.

The categories of Claims and Interests listed below, which exclude Administrative Expense Claims and Priority Tax Claims in accordance with Section 1123(a)(1) of the Bankruptcy Code, are classified for all purposes, including voting, confirmation, and distribution pursuant to the Plan, as follows:

**E. Provisions for Treatment of Claims and Interests**

The classification, if any, and treatment of Claims against and Interests in the various Debtors are set forth in detail in the Plan. A summary of that treatment is provided below.

**1. Priority Non-Tax Claims (Classes 1A through 19A).**

Priority Non-Tax Claim means any Claim other than an Administrative Expense Claim or a Priority Tax Claim, entitled to priority in payment as specified in Section 507(a) of the Bankruptcy Code.

Except to the extent that a Holder of an Allowed Priority Non-Tax Claim has agreed in writing to a different treatment (in which event such other writing will govern), each Holder of an Allowed Priority Non-Tax Claim that is due and payable on or before the Effective Date shall receive, on account of, and in full and complete settlement, release and discharge of and in exchange for, such Claim, at the election of the Debtors, (i) cash equal to the amount of such Allowed Priority Non-Tax Claim in accordance with Section 1129(a)(9) of the Bankruptcy Code, on the later of (a) the Effective Date (or as soon as reasonably practicable thereafter) and (b) the date such Priority Non-Tax Claim becomes an Allowed Priority Non-Tax Claim, or as soon thereafter as is practicable, or (ii) such other treatment required to render such Allowed Priority Non-Tax Claim Unimpaired pursuant to Section 1124 of the Bankruptcy Code. All Allowed Priority Non-Tax Claims which are not due and payable on or before the Effective Date shall be paid by the Reorganized Debtors when such claims become due and payable in the ordinary course of business in accordance with the terms thereof. As of the date of this Disclosure Statement, the Debtors estimate that they will not owe any amounts on account of Priority Non-Tax Claims when they emerge from chapter 11.

Allowed Priority Non-Tax Claims are Unimpaired under the Plan, and each Holder of an Allowed Priority Non-Tax Claim shall be conclusively deemed to have accepted the Plan pursuant to Section 1126(f) of the Bankruptcy Code, and, therefore, shall not be entitled to vote to accept or reject the Plan.

**2. Other Secured Claims (Classes 1B through 19B).**

Other Secured Claim means a Claim, other than a Prepetition Lenders Claim that is secured by a Lien on property in which a Debtor's Estate has an interest or that is subject to setoff under Section 553 of the Bankruptcy Code, to the extent of the value of the Claim Holder's interest in the applicable Estate's interest in such property or to the extent of the amount subject to setoff, as applicable, as determined pursuant to Section 506(a) of the Bankruptcy Code or, in the case of the setoff, pursuant to Section 553 of the Bankruptcy Code.

On or as soon as reasonably practicable after, the latest to occur of (i) the Effective Date or (ii) the date on which such Other Secured Claim becomes an Allowed Other Secured Claim,

each Holder of an Allowed Other Secured Claim, if any, shall receive, on account of, and in full and complete settlement, release and discharge of and in exchange for such Other Secured Claim, at the election of the Debtors, in consultation with the Consenting Noteholders, (a) Reinstatement of any such Other Secured Claim pursuant to Section 1124 of the Bankruptcy Code; (b) payment in full, in cash, of such Other Secured Claim; (c) satisfaction of any such Other Secured Claim by delivering the collateral securing any such Claim and paying any interest required to be paid under Section 506(b) of the Bankruptcy Code; or (d) providing such Holder with such treatment in accordance with Section 1129(b) of the Bankruptcy Code as may be determined by the Bankruptcy Court. The Debtors' failure to object to any Other Secured Claim in the Chapter 11 Cases shall be without prejudice to the rights of the Debtors or the Reorganized Debtors to contest or otherwise defend against such Claim in the appropriate forum when and if such Claim is sought to be enforced by the Holder of such Claim. Nothing in the Plan or elsewhere shall preclude the Debtors or Reorganized Debtors from challenging the validity of any alleged Lien on any asset of any Debtor or Reorganized Debtor or the value of any such collateral.

Allowed Other Secured Claims are Unimpaired under the Plan, and each Holder of an Other Secured Claim shall be conclusively deemed to have accepted the Plan pursuant to Section 1126(f) of the Bankruptcy Code, and, therefore, shall not be entitled to vote to accept or reject the Plan.

### **3. Convenience Claims (Classes 1C through 19C).**

Convenience Claim means a Claim against any of the Debtors that would otherwise be classified as an Allowed General Unsecured Claim, and which (i) is in an amount that is equal to or less than \$5,000 or (ii) pursuant to the Ballot has been reduced to \$5,000 by election of the Holder of such Claim. On or as soon as reasonably practicable after, the latest of (i) the Effective Date or (ii) the date on which such Convenience Claim becomes an Allowed Convenience Claim, each Holder of an Allowed Convenience Claim shall receive, on account of, and in full and complete satisfaction, settlement, release and discharge of and in exchange for such Allowed Convenience Claim an amount equal to one hundred percent (100%) of such Allowed Convenience Claim, subject to a cap of \$5,000 for each such Allowed Convenience Claim; provided, however, that if the Allowed Convenience Claims in the aggregate against all of the Debtors exceed the Maximum Convenience Class Payment (\$1,000,000), then the Holders of Allowed Convenience Claims shall receive their *pro rata* share of the Maximum Convenience Class Payment.

In addition, any Holder of a General Unsecured Claim that desires treatment of such Claim as a Convenience Claim shall make such election on the Ballot to be provided to Holders of Impaired Claims entitled to vote to accept or reject the Plan (as specified in Section 4.1 of the Plan) and return such Ballot to the address specified therein on or before the Voting Deadline. Any election made after the Voting Deadline shall not be binding on the Debtors unless the Voting Deadline is expressly waived in writing by the Debtors with respect to any such Claim.

Allowed Convenience Claims are Impaired under the Plan, and each Holder of an Allowed Convenience Claim shall be entitled to vote to accept or reject the Plan.

#### **4. Noteholders Claims (Classes 1E, 2D, 3E, 4E, 4F).**

The RHDC Noteholders Claims shall be Allowed under the Plan in the aggregate amount of \$3.211 billion, plus accrued but unpaid interest, if any, as of the Petition Date, and shall not be subject to objection, challenge, deduction or offset.

The DMW Senior Subordinated Notes Noteholders Claims shall be Allowed in the aggregate amount of \$762 million, plus

accrued but unpaid interest, as of the Petition Date, and shall not be subject to objection, challenge, deduction or offset.

For the avoidance of doubt, to the extent that a Notes Indenture Trustee and a Noteholder each file a Proof of Claim evidencing a duplicative Noteholders Claim, only the Claim of the Notes Indenture Trustee shall be Allowed.

Such Noteholder Claims are Impaired under the Plan, and each Holder of an Allowed Noteholders Claim shall be entitled to vote to accept or reject the Plan.

**5. RHDI Noteholders Guaranty Claims (Classes 1F, 10E through 16E).**

RHDI Noteholders Guaranty Claims means those claims arising under or evidenced by the RHDI Noteholders Guaranty, and consist of all Claims in Classes 1F and 10E through 16E. RHDI Noteholders Guaranty Claims are deemed Allowed Claims under the Plan.

Each Holder of a RHDI Noteholders Guaranty Claim shall receive the same treatment provided to Allowed RHDI Noteholders Claims in Class 3E, and Holders of such Allowed RHDI Noteholders Guaranty Claims shall receive no additional consideration under the Plan on account of such RHDI Noteholders Guaranty Claims.

Notwithstanding anything to the contrary in the Disclosure Statement or the Plan, in the event the Class of RHD Lenders Claims, DMW Lenders Claims or the DME Lenders Claims do not accept the Plan, the Debtors expressly reserve the right to cure and reinstate the Claims in such rejecting Class against the Holders of such Prepetition Lenders Claims under Section 1124 of the Bankruptcy Code, and the Prepetition Lenders Agents and Prepetition Lenders expressly reserve the right to contest, litigate and oppose such relief.

Prepetition Lenders Claims are Impaired under the Plan, and each Holder of an Allowed Prepetition Lenders Claim shall be entitled to vote to accept or reject the Plan.

General Unsecured Claims means any Claim against the Debtors that is not an Administrative Expense Claim, a Priority Tax Claim, a Priority Non-Tax Claim, an Other Secured Claim, a Convenience Claim, a Prepetition Lenders Claim, a Noteholders Claim, a RHDI Noteholders Guaranty Claim or an Intercompany Claim and shall not include Claims that are Disallowed or released, whether by operation of law or pursuant to order of the Bankruptcy Court, written release or settlement, the provisions of the Plan or otherwise.

The Plan provides for the following distributions to the Holders of Allowed General Unsecured Claims against each of RHDC, DMI, RHDI and DMW:

In the event that each Class of Impaired Claims against RHDC, DMI, RHDI, and DMW, respectively, has accepted the Plan, then each Holder of an Allowed 1G, 2E, 3F, or 4G Unsecured Claim, including any General Unsecured Claims for damages relating to executory contracts and unexpired leases rejected by RHDC, DMI, RHDI, and DMW, respectively (either pursuant to the Plan or otherwise) and trade payables owed by each of RHDC, DMI, RHDI and DMW, respectively, shall receive the following treatment at the option of the Debtors: (i) on the Effective Date, or as soon thereafter as is practicable, payment in cash equal to 100% of such Allowed 1G, 2E, 3F, or 4G Unsecured Claim; provided, however, that if the aggregate amount of Allowed General Unsecured Claims against any of RHDC, DMI, RHDI, and DMW, respectively, exceeds the Maximum Payment for that particular Class, then, subject to Section 7.4.2 of the Plan, Holders of Allowed General Unsecured Claims against that particular Debtor will receive a *pro rata* share of the Maximum Payment for such Class payable in cash; or (ii) the assumption or payment in full or in part of any such Allowed 1G, 2E, 3F, or 4G Unsecured Claim as such Claim becomes due in the ordinary course of business; provided, however, that in the event that any Class of Impaired Claims against RHDC, DMI, RHDI, or DMW, as applicable, does not accept the Plan, then, on the Effective Date, or as soon thereafter as practicable, each Holder of an Allowed General Unsecured Claim against the applicable Debtor, including Claims for damages relating to executory contracts and unexpired leases rejected by such Debtor (either pursuant to the Plan or otherwise) and trade payables owed by such Debtor, shall receive payment in cash equal to the value, as of the Effective Date, of the distribution to which the Holder of such Allowed General Unsecured Claim would have been entitled under the Plan had such General Unsecured Claim been classified with the Noteholders Claims against the applicable Debtor, as such value shall be determined by the Bankruptcy Court at or in connection with the Confirmation Hearing. The Debtors shall reserve all rights to challenge the legal basis and amount of any such Claims.

In addition, the Plan provides for the following distributions to the Holders of Allowed General Unsecured Claims against any of the Debtors other than RHDC, DMI, RHDI, DMW:

Each Holder of an Allowed 5E through 9E, 10F through 16F, and 17D through 19D Unsecured Claim, including any General Unsecured Claims for damages relating to executory contracts and unexpired leases rejected by the applicable Debtor (either pursuant to the Plan or otherwise) and trade payables owed by a Debtor other than RHDC, DMI, RHDI, DMW, and RHD Service, respectively, shall receive the following treatment at the option of the Debtors: (i) on the Effective Date, or as soon thereafter as practicable, payment in cash equal to 100% of such Allowed 5E through 9E, 10F through 16F, and 17D through 19D Unsecured Claim; or (ii) the assumption or payment in full or in part of any such Allowed 5E through 9E, 10F through 16F, and 17D through 19D Unsecured Claim as such Claim becomes due in the ordinary course of business. The Debtors shall reserve all rights to challenge the legal basis and amount of any such Claims.

**9. Intercompany Claims (Classes 1H, 2F, 3G, 4H, 5F through 9F, 10G through 16G, 17E through 19E, and 20A).**

Intercompany Claims means all prepetition Claims against any Debtor held by another Debtor. Except as otherwise provided with respect to Class 20A Intercompany Claims (which treatment is described below), Holders of Intercompany Claims shall receive no monetary distributions on account of such Allowed Intercompany Claims, and all of the Allowed Intercompany Claims shall be deemed settled, cancelled and extinguished; provided, however, that any Allowed Intercompany Claim (other than Class 20A Intercompany Claims) may be reinstated, in full or in part, to the extent the Debtors and a Majority of Consenting Noteholders agree to such treatment. Subject to the foregoing proviso, no Holder of an Allowed Intercompany Claim shall be entitled to, or shall receive or retain, any property or interest in property on account of such Allowed Intercompany Claim.

With respect to Class 20A Intercompany Claims (which Claims are held by Debtors DME, RHDI and DMW), RHD Service shall repay in cash the aggregate principal amount of (i) \$50,000,000 to DME, (ii) \$50,000,000 to RHDI, and (iii) \$75,000,000 to DMW, on account of, and in full and complete satisfaction, settlement, release and discharge of and in exchange for their respective Allowed Claims in Class 20A. Intercompany Claims are Impaired under the Plan, and each Holder of an Allowed Intercompany Claim shall be entitled to vote to accept or reject the Plan.

**10. RHDC Interests (Class 1I).**

RHDC Interests consist of any and all Interests in RHDC prior to the Effective Date (including prior to the Petition Date). For the avoidance of doubt, the term RHDC Interests shall include the existing common stock of RHDC of which 400 million shares were authorized and 68,924,438 shares were outstanding as of July 15, 2009.

No distributions shall be made on account of Interests in this Class, and all such Interests shall be extinguished, cancelled and discharged as of the Effective Date.<sup>22</sup> Holders of such Interests shall not be entitled to, nor receive, any distribution or retain any property or interest in property under the Plan. Accordingly, Holders of such Interests are conclusively presumed to reject the Plan and are not entitled to vote.

**11. Interests in Debtors Other Than RHDC (Classes 2G, 3H, 4I, 5G through 9G, 10H through 16H, 17F through 19F, and 20B).**

Interests in Debtors other than RHDC consist of Interests of any holder of equity securities in any of the Debtors other than RHDC represented by any issued outstanding common stock, preferred interests or other instrument evidencing an ownership interest in any of the Debtors prior to the Effective Date (including prior to the Petition Date), whether or not transferable, any restricted stock units, calls, rights, puts, awards, commitments, repurchase rights, unvested or unexercised options, warrants, unvested common interests, unvested preferred

As of the Petition Date, all such Interests were owned or held, directly or indirectly, by RHDC and its wholly-owned subsidiaries.

As of the Effective Date, each Holder of such Interest shall retain, unaltered, the legal, equitable and contractual rights to which such Allowed Interest entitles such Holder immediately prior to the Effective Date. Such Interests are Unimpaired under the Plan, and each Holder of an Allowed Interest shall be conclusively deemed to have accepted the Plan, and, therefore, shall not be entitled to vote to accept or reject the Plan.

**F. Identification of Classes of Claims and Interests That Are Impaired; Acceptance or Rejection of the Plan.**

**1. Holders of Claims Entitled to Vote.**

Each of the Priority Non-Tax Claims (Classes 1A through 19A), Other Secured Claims (Classes 1B through 19B), and Interests in Debtors Other Than RHDC (Classes 2G, 3H, 4I, 5G through 9G, 10H through 16H, 17F through 19F, and 20B) is Unimpaired by the Plan, and the Holders of Allowed Claims and Interests in each Class are conclusively presumed to have accepted the Plan and are not entitled to vote to accept or reject the Plan.

Each of the Convenience Claims (Classes 1C through 19C), Noteholders Claims (Classes 1E, 2D, 3E, 4E, and 4F), RHDI Noteholders Guaranty Claims (Classes 1F and 10E through 16E), Prepetition Lenders Claims (Classes 3D, 4D, and 5D), Prepetition Lenders Guaranty Claims (1D and 6D through 16D) General Unsecured Claims (Classes 1G, 2E, 3F, 4G, 5E through 9E, 10F through 16F, and 17D through 19D), and Intercompany Claims (Classes 1H, 2F, 3G, 4H, 5F through 9F, 10G through 16G, 17E through 19E, and 20A) is Impaired, and the Holders of Allowed Claims in each are entitled to vote to accept or reject the Plan.

Each of the RHDC Interests (Class 1I) is Impaired by the Plan, and the Holders of Interests in this Class will not receive or retain any property under the Plan on account of such Interests. Accordingly, Holders of Interests in this Class are conclusively presumed to have rejected the Plan and are not entitled to vote to accept or reject the Plan.

**2. Acceptance by an Impaired Class.**

Pursuant to Section 1126(c) of the Bankruptcy Code, an Impaired Class of Claims shall have accepted the Plan if, after excluding any Claims held by any Holder designated pursuant to

Section 1126(e) of the Bankruptcy Code, (a) the Holders of at least two-thirds in dollar amount of the Allowed Claims actually voting in such Class have voted to accept the Plan, and (b) more than one-half in number of such Allowed Claims actually voting in such Class have voted to accept the Plan.

### **3. Deemed Acceptance of the Plan.**

Pursuant to Section 4.3 of the Plan, Classes of Claims or Interests designated as Unimpaired are conclusively presumed to accept the Plan pursuant to Section 1126(f) of the Bankruptcy Code, and the votes of the Holders of such Claims or Interests will not be solicited.

### **4. Presumed Rejection of the Plan.**

Class 1I is Impaired by this Plan, and Holders of Interests in Class 1I will not receive or retain any property under the Plan. Under Section 1126(g) of the Bankruptcy Code, Holders of Class 1I Interests are conclusively presumed to reject the Plan and thus the votes of such Holders of Class 1I Interests will not be solicited.

### **5. Consensual Confirmation.**

Pursuant to Section 4.5.1 of the Plan, the Confirmation requirements of Section 1129(a) of the Bankruptcy Code must be satisfied separately with respect to each Debtor. Therefore, notwithstanding the combination of the separate plans of reorganization of all Debtors in the Plan for purposes of, among other things, economy and efficiency, the Plan shall be deemed a separate chapter 11 plan for each such Debtor.

### **6. Cram-Down.**

Pursuant to Section 4.5.2 of the Plan, with respect to any Impaired Class of Claims that fails to accept the Plan in accordance with Section 1129(a) of the Bankruptcy Code, if any, including any Classes that may be created pursuant to any amendments to the Plan, the Debtors will request that the Court confirm the Plan in accordance with Section 1129(b) of the Bankruptcy Code with respect to any such non-accepting Classes, in which case or cases, the Plan shall constitute a motion for such relief.

### **7. Reservation of Rights.**

Pursuant to Section 4.5.3 of the Plan, the Debtors reserve the right to amend, modify, supplement, or withdraw the Plan, any other plan, or the Plan in its entirety, for any reason, including, without limitation, in the event that any separate plan for a particular Debtor is not confirmed; provided, however, that any amendment, modification or supplement to the Plan (i) is reasonably acceptable to a Majority of Consenting Noteholders in accordance with the Noteholders Support Agreement and Noteholders Plan Term Sheet and (ii) shall not be inconsistent with the terms of the Banks Support Agreements. In addition, should the Plan, or any individual Debtor's plan, fail to be accepted by the requisite number and amount of Claims and Interests voting, as required to satisfy Section 1129 of the Bankruptcy Code, and notwithstanding any other provision of the Plan to the contrary, the Debtors reserve the right to amend, modify, supplement, or withdraw the Plan in its entirety; provided, however, that any

amendment, modification or supplement to the Plan (i) is reasonably acceptable to a Majority of Consenting Noteholders in accordance with the Noteholders Support Agreement and Noteholders Plan Term Sheet and (ii) shall not be inconsistent with the terms of the Banks Support Agreements.

**G. Means for Implementation of the Plan.**

**1. Non-Substantive Consolidation.**

Pursuant to Section 5.1 of the Plan, the Plan is a joint plan that does not provide for substantive consolidation of the Debtors' Estates, and on the Effective Date, the Debtors' Estates shall not be deemed to be substantively consolidated for purposes thereof. Unless otherwise provided by the Plan or the Confirmation Order, Allowed Claims held against one Debtor will be satisfied solely from the cash and assets of such Debtor and its Estate, provided that, to the extent of any insufficiency, funds or other property may be advanced to the relevant Debtor(s) by any of the Estates of the Debtors. Except as specifically set forth in the Plan, nothing in the Plan or the Disclosure Statement shall constitute or be deemed to constitute an admission that any one or all of the Debtors is subject to or liable for any Claims against any other Debtor. A Claim against multiple Debtors will be treated as a separate Claim against each Debtor's Estate for all purposes (including, but not limited to, voting and distribution; provided, however, that there shall be only a single recovery on account of such Claims and any distribution from a Debtor on account of such Claims shall take into account the Distributions to be made by other Debtors on account of such Claims pursuant to the Plan), and such Claims shall be administered and treated in the manner provided in the Plan.

#### **11. Management Incentive Plan.**

Pursuant to Section 5.10 of the Plan, as of the Effective Date, Reorganized RHDC shall adopt the Management Incentive Plan substantially in the form to be attached as an exhibit to the Plan Supplement, pursuant to which not less than ten percent (10%) of the fully diluted New RHDC Common Stock shall be reserved for issuance. Awards under such Management Incentive Plan may be granted either (a) pursuant to action taken prior to the Effective Date with the consent of the Consenting Noteholders, with such grants to be effective on the Effective Date, or (b) from time to time on or after the Effective Date, as determined by the compensation committee of the Reorganized RHDC board of directors in such committee’s discretion. On and after the Effective Date, eligible persons who receive awards under such Management Incentive Plan shall be entitled to the benefits thereof on the terms and conditions provided for therein. As of the Effective Date, all equity-based awards granted by a Debtor prior to the Petition Date shall terminate and cease to be binding on such Debtor.

#### **12. Sources of Cash for Plan Distributions.**

Except as otherwise provided in the Plan or the Confirmation Order, pursuant to Section 5.11 of the Plan, all cash necessary for the Reorganized Debtors to make payments pursuant to the Plan may be obtained from existing cash balances, the operations of the Debtors and the Reorganized Debtors or sales of assets, if any.

#### **13. Restructuring Transactions.**

Pursuant to Section 5.12 of the Plan, prior to, on or after the Effective Date, any Debtor or Reorganized Debtor may enter into or undertake any Restructuring Transactions and may take such actions as may be determined by such Debtor or Reorganized Debtor to be necessary or appropriate to effect such Restructuring Transactions; provided, however, that (a) the Debtors shall have obtained the consent of a Majority of Consenting Noteholders prior to entering into or

undertaking any such Restructuring Transaction that is entered into or undertaken on or prior to the Effective Date and (b) any Restructuring Transaction that is entered into or undertaken after the Effective Date shall be subject to the terms of the Amended and Restated Credit Documents. The actions to effect the Restructuring Transactions may include, without limitation: (i) the execution and delivery of appropriate agreements or other documents of merger, consolidation, conversion, restructuring, recapitalization, disposition, liquidation or dissolution containing terms that are consistent with the terms herein and that satisfy the requirements of applicable law and such other terms to which the applicable entities may agree; (ii) the execution and delivery of appropriate instruments of transfer, assignment, assumption, disposition or delegation of any asset, property, right, liability, duty or obligation on terms consistent with the terms herein and having such other terms to which the applicable entities may agree; (iii) the filing of appropriate certificates or articles of merger, consolidation, conversion or dissolution (or similar instrument) pursuant to applicable law; and (iv) all other actions which the applicable entities may determine to be necessary or appropriate, including making filings or recordings that may be required by applicable law in connection with such transactions. The Restructuring Transactions may include one or more mergers, consolidations, conversions, restructurings, recapitalizations, dispositions, liquidations or dissolutions, as may be determined by the Debtors or Reorganized Debtors to be necessary or appropriate to effect the purposes of such Restructuring Transaction for the benefit of the Reorganized Debtors, including, without limitation, the potential simplification of the organizational structure of the Debtors or Reorganized Debtors; provided, however, that the Debtors shall have obtained the consent of a Majority of Consenting Noteholders prior to entering into any such Restructuring Transaction that is entered into on or prior to the Effective Date. In each case in which the surviving, resulting or acquiring person in any such transaction is a successor to a Reorganized Debtor, such surviving, resulting or acquiring person will perform the obligations of the applicable Reorganized Debtor pursuant to the Plan to pay or otherwise satisfy the Allowed Claims against such Reorganized Debtor, except as provided by applicable law or in any contract, instrument or other agreement or document effecting a disposition to such surviving, resulting or acquiring person, which may provide that another Reorganized Debtor will perform such obligations.

Schedule 5.12, to be filed with the Plan Supplement in form and substance reasonably acceptable, or acceptable, as the case may be, to a Majority of Consenting Noteholders in accordance with the Noteholders Support Agreement and Noteholders Plan Term Sheet, shall set forth a detailed description of the actions and steps required to implement the Restructuring Transactions.

On or prior to, or as soon as practicable after, the Effective Date, the Debtors or the Reorganized Debtors may take such steps as they may deem necessary or appropriate to effectuate any Restructuring Transactions that satisfy the requirements set forth in Section 5.12 of the Plan; provided, however, that the Debtors shall have obtained the consent of a Majority of Consenting Noteholders prior to entering into or undertaking any such Restructuring Transaction that is entered into or undertaken on or prior to the Effective Date. The Restructuring Transactions shall be authorized and approved by the Confirmation Order pursuant to, among other provisions, Sections 1123 and 1141 of the Bankruptcy Code and Section 303 of Title 8 of the Delaware Code, if applicable, without any further notice, action, third-party consents, court order or process of any kind.

#### **14. Additional Transactions Authorized Under the Plan.**

In accordance with the provisions of the Plan and the Confirmation Order, on or prior to the Effective Date, the Debtors shall be authorized to take any such actions as may be necessary or appropriate to Reinstate Claims or Interests or render Claims or Interests not Impaired.

#### **H. Treatment of Executory Contracts and Unexpired Leases.**

THE FOLLOWING IS A SUMMARY OF THE PROVISIONS GOVERNING THE TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES UNDER THE PLAN AND IS QUALIFIED IN ITS ENTIRETY BY THE TERMS OF THE PLAN.

##### **1. Assumption of Executory Contracts and Unexpired Leases.**

Upon the occurrence of the Effective Date, all executory contracts or unexpired leases of the Debtors shall be deemed assumed in accordance with, and subject to, the provisions and requirements of Sections 365 and 1123 of the Bankruptcy Code, unless such executory contract or unexpired lease (i) was previously assumed or rejected by the Debtors, (ii) previously expired or terminated in accordance with its terms, (iii) is an executory contract that is set forth on Exhibit 6.5 to the Plan, which shall be filed as an Exhibit to the Plan Supplement, or (iv) is subject to the Assumption/Rejection Motion. Entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of each such assumption pursuant to Sections 365(a) and 1123 of the Bankruptcy Code. Each executory contract and unexpired lease assumed pursuant to this Article VI shall revert in and be fully enforceable by the respective Reorganized Debtor in accordance with its terms, except as modified by the provisions of the Plan, or any order of the Bankruptcy Court authorizing and providing for its assumption or applicable federal law.

Any monetary amounts by which each executory contract and unexpired lease to be assumed hereunder is in default shall be satisfied, pursuant to Section 365(b)(1) of the Bankruptcy Code, by payment of the default amount in cash on the Effective Date or on such other terms as the parties to each such executory contract or unexpired lease may otherwise agree. In the event of a dispute regarding (a) the amount of any cure payments, (b) the ability of the Reorganized Debtors or any assignee to provide “adequate assurance of future performance” (within the meaning of Section 365 of the Bankruptcy Code) under the contract or lease to be assumed or (c) any other matter pertaining to assumption, the cure payments required by Section 365(b)(1) of the Bankruptcy Code shall be made following the entry of a Final Order resolving the dispute and approving the assumption. Pending the Bankruptcy Court’s ruling on such motion, the executory contract or unexpired lease at issue shall be deemed assumed by the Debtors unless otherwise ordered by the Bankruptcy Court.

Upon the occurrence of the Effective Date, all collective bargaining agreements entered into by the Debtors, or any of them, and in effect as of the Effective Date, shall be deemed to have been assumed in accordance with, and subject to, the provisions and requirements of Sections 365 and 1123 of the Bankruptcy Code. Entry of the Confirmation Order shall constitute the Bankruptcy Court’s approval of the survival, and/or the pertinent Debtor’s assumption of the

collective bargaining agreements then in effect, except to the extent that such agreements have already been assumed prior to the entry of the Confirmation Order.

Insurance policies issued to, or insurance agreements entered into by, the Debtors prior to the Petition Date (including, without limitation, any policies covering directors' or officers' conduct) shall continue in effect after the Effective Date. To the extent that such insurance policies or agreements (including, without limitation, any policies covering directors' or officers' conduct) are considered to be executory contracts, then, notwithstanding anything to the contrary in the Plan, the Plan shall constitute a motion to assume such insurance policies and agreements, and, subject to the occurrence of the Effective Date, the entry of the Confirmation Order shall constitute approval of such assumption pursuant to Section 365(a) of the Bankruptcy Code and a finding by the Bankruptcy Court that each such assumption is in the best interest of each Debtor, its Estate, and all parties in interest in the Chapter 11 Cases. Unless otherwise determined by the Bankruptcy Court pursuant to a Final Order or agreed to by the parties thereto prior to the Effective Date, no payments are required to cure any defaults of the Debtors existing as of the Confirmation Date with respect to each such insurance policy or agreement. To the extent that the Bankruptcy Court determines otherwise as to any such insurance policy or agreement, the Debtors reserve the right to seek rejection of such insurance policy or agreement or other available relief.

## **2. Rejection of Executory Contracts and Unexpired Leases.**

On the Effective Date, each executory contract and unexpired lease that is listed on Exhibit 6.5 of the Plan, which Exhibit shall be in form and substance reasonably acceptable to a Majority of Consenting Noteholders and which shall be attached as an Exhibit to the Plan Supplement, shall be deemed to have been rejected pursuant to Section 365 of the Bankruptcy Code. Each contract or lease listed on Exhibit 6.5 shall be rejected only to the extent that any such contract or lease constitutes an executory contract or unexpired lease. The Debtors expressly reserve their right, at any time prior to the Effective Date, to amend Exhibit 6.5 to delete any unexpired lease or executory contract therefrom or add any unexpired lease or executory contract thereto, provided, however, that such amendment to Exhibit 6.5 is reasonably acceptable to a Majority of Consenting Noteholders. To the extent that an executory contract or unexpired lease (i) is not listed on Exhibit 6.5, (ii) has not been previously rejected or (iii) is not subject to a motion to reject at the time of the Confirmation Date (including the Assumption/Rejection Motion), such executory contract or unexpired lease shall be deemed to have been assumed as provided in Section 6.1 of the Plan. Listing a contract or lease on Exhibit 6.5 shall not constitute an admission by a Debtor or a Reorganized Debtor that such contract or lease is an executory contract or unexpired lease or that such Debtor or Reorganized Debtor has any liability thereunder.

## **3. Rejection Damages Bar Date.**

If the rejection by a Debtor, pursuant to the Plan, of an executory contract or unexpired lease results in a Claim, then such Claim shall be forever barred and shall not be enforceable against any Debtor or Reorganized Debtor, or the properties of any of them, unless a Proof of Claim is filed with the Claims Agent and served upon counsel to the Debtors or the Reorganized

Debtors (as the case may be) by the earlier of thirty (30) days after the Effective Date or (ii) thirty (30) days after entry of a Final Order rejecting any executory contract or unexpired lease.

## **I. Provisions Governing Distributions.**

THE FOLLOWING IS A SUMMARY OF THE PROVISIONS GOVERNING DISTRIBUTIONS UNDER THE PLAN AND IS QUALIFIED IN ITS ENTIRETY BY THE TERMS OF THE PLAN.

### **1. General Matters.**

Pursuant to Article VI of the Plan, except as otherwise provided in the Plan or as ordered by the Bankruptcy Court or to the extent that any Holder of an Allowed Claim agrees to different treatment, distributions to be made on account of Claims that are Allowed as of the Effective Date shall be made on the Effective Date or as soon thereafter as is practicable. Notwithstanding anything in the Plan to the contrary, distributions on account of Administrative Expense Claims that are Allowed Claims as of the Effective Date shall be made on, or as soon as practicable after the Effective Date, with no action to enforce a right to such payment until at least thirty (30) days after the Effective Date. Distributions on account of Claims that first become Allowed Claims after the Effective Date shall be made pursuant to Section 8.2 of the Plan. Notwithstanding the date on which any distribution of New RHDC Common Stock is actually made to a Holder of a Claim that is an Allowed Claim entitled to receive such distribution on the Effective Date, as of the date of the distribution such Holder shall be deemed to have the rights of a Holder of New RHDC Common Stock distributed as of the Effective Date. Any payment or distribution required to be made under the Plan on a day other than a Business Day shall be made on the next succeeding Business Day.

### **2. Interest on Claims.**

As provided in Section 7.2 of the Plan, except as otherwise specifically provided for in the Plan, the Confirmation Order or other order of the Bankruptcy Court (including, without limitation, the Final Cash Collateral Orders), or required by applicable bankruptcy or non-bankruptcy law, post-petition interest shall not accrue or be paid on any Claims, and no Holder of a Claim shall be entitled to interest accruing on or after the Petition Date on any Claim.

Notwithstanding the foregoing, the applicable borrower Debtor pursuant to the RHDI Credit Agreement, DMW Credit Agreement and DME Credit Agreement and the applicable Final Cash Collateral Order shall pay any reasonable fees and expenses due and payable, current scheduled amortization and interest at the non-default rate on the Revolving Loans and Term Loans, current fees in respect of any outstanding letters of credit and interest in respect of the Hedge Termination Payments, accruing thereunder, respectively, on or after the Petition Date and during the pendency of the Chapter 11 Cases.

### **3. Distributions.**

Except as specifically provided for in the Plan, the Disbursing Agent shall make all distributions required to be made under the Plan. The Reorganized Debtors may act as Disbursing Agent or may employ or contract with other entities to assist in or make the

distributions required by the Plan, including, but not limited to, the Indenture Trustees. Other than as specifically set forth in the Plan, distributions to be made on account of Allowed Noteholders Claims shall be made in accordance with the terms of the respective Notes Indenture or in accordance with the Plan to the extent that any such Notes Indenture is silent.

Section 7.4.2 of the Plan provides that, in the event that the Debtors or the Reorganized Debtors determine, with the reasonable consent of a Majority of Consenting Noteholders, that the aggregate dollar amount of Allowed General Unsecured Claims against any of RHDC, DMI, RHDI and DMW, respectively, exceeds the Maximum Payment for that particular Class, then the Debtors or the Reorganized Debtors, with the reasonable consent of a Majority of Consenting Noteholders, shall take any and all necessary steps to facilitate the *pro rata* distribution of the relevant Maximum Payment to the holders of Allowed General Unsecured Claims in such Class including, without limitation, seeking the Court's approval for setting reasonable reserves, if necessary, withholding portions of any distributions and/or providing other distribution mechanisms, as appropriate, pending the completion of the Claims allowance and reconciliation process for the applicable Debtor and/or Debtors. The Debtors reserve the right to modify, alter or supplement Section 7.4.2 of the Plan, with the reasonable consent of a Majority of Consenting Noteholders, on or before the Plan Supplement Filing Date.

Distributions to Holders of Allowed Claims shall be made at the addresses set forth in the Debtors' records unless such addresses are superseded by Proofs of Claim or transfers of claim filed pursuant to Bankruptcy Rule 3001. If the distribution to any Holder of an Allowed Claim is returned to the Reorganized Debtors or the Disbursing Agent as undeliverable or is otherwise unclaimed, no further distributions shall be made to such Holder unless and until the Reorganized Debtors or the Disbursing Agent is notified in writing of such Holder's then current address.

Any Holder of an Allowed Claim that does not assert a claim pursuant to the Plan for an undeliverable or unclaimed distribution within six (6) months after the Effective Date shall be deemed to have forfeited its claim for such undeliverable or unclaimed distribution and shall be forever barred and enjoined from asserting any such claim for an undeliverable or unclaimed distribution against the Debtors or their Estates or the Reorganized Debtors or their property. In such cases, any cash for distribution on account of such claims for undeliverable or unclaimed distributions shall become the property of the Estates and the Reorganized Debtors free of any restrictions thereon and notwithstanding any federal or state escheat laws to the contrary. Any New RHDC Common Stock held for distribution on account of such Claim shall be canceled and of no further force or effect. Nothing contained in the Plan shall require any Disbursing Agent, including, but not limited to, the Reorganized Debtors, to attempt to locate any Holder of an Allowed Claim or Interest.

#### **4. Record Date for Distributions.**

Under the terms of the Plan, with the exception of Allowed Prepetition Lenders Claims, the Debtors, the Reorganized Debtors, the Disbursing Agent and the Notes Indenture Trustees shall have no obligation to recognize the transfer of, or the sale of any participation in, any Allowed Claim that occurs after the close of business on the Distribution Record Date, and shall be entitled for all purposes herein to recognize and distribute only to those Holders of Allowed

Claims or Interests that are Holders of such Claims or Interests, or participants therein, as of the close of business on the Distribution Record Date. The Reorganized Debtors, the Disbursing Agent, and the Notes Indenture Trustees shall instead be entitled to recognize and deal for all purposes under the Plan with only those record Holders stated on the official claims register as of the close of business on the Distribution Record Date.

Distributions to Holders of Allowed Noteholder Claims administered by each Notes Indenture Trustee shall be made, to the account of, or at the direction of, the respective Notes Indenture Trustee and subject to the rights of the Notes Indenture Trustees to assert their Notes Indenture Trustee Charging Lien, by means of book-entry exchange through the facilities of the DTC in accordance with the customary practices of the DTC, as and to the extent practicable, and the Distribution Record Date shall not apply. In connection with such book-entry exchange, each Notes Indenture Trustee shall deliver instructions to the DTC instructing the DTC to effect distributions on a *pro rata* basis as provided under the Plan with respect to such Claims upon which such Notes Indenture Trustee acts as trustee.

#### **5. Means of Cash Payment.**

Pursuant to Section 7.6 of the Plan, payments of cash made pursuant to the Plan shall be in U.S. dollars and shall be made, at the option and in the sole discretion of the Reorganized Debtors, by (a) checks drawn on or (b) wire transfer from a bank selected by the Reorganized Debtors; provided that cash payments made to the Prepetition Lenders Agents shall be made in immediately available funds by wire transfer. Cash payments to foreign creditors may be made, at the option of the Reorganized Debtors, in such funds and by such means as are necessary or customary in a particular foreign jurisdiction.

#### **6. Withholding and Reporting Requirements.**

In connection with the Plan and all distributions thereunder, the Reorganized Debtors shall comply with all withholding and reporting requirements imposed by any federal, state, local or foreign taxing authority, and all distributions hereunder shall be subject to any such withholding and reporting requirements. The Reorganized Debtors shall be authorized to take any and all actions that may be necessary or appropriate to comply with such withholding and reporting requirements. All persons holding Claims shall be required to provide any information necessary to effect information reporting and the withholding of such taxes.

#### **7. Setoffs.**

Pursuant to Section 7.8 of the Plan, other than with regards to the Noteholders Claims, the RHDI Lender Claims, the DMW Lender Claims, and the DME Lender Claims, the Reorganized Debtors may, pursuant to Section 553 of the Bankruptcy Code or applicable nonbankruptcy laws, but shall not be required to, set off against any Claim, the payments or other distributions to be made pursuant to the Plan in respect of such Claim, or claims of any nature whatsoever that the Debtors or the Reorganized Debtors may have against the Holder of such Claim; provided, however, that neither the failure to do so nor the allowance of any Claim hereunder shall constitute a waiver or release by the Reorganized Debtors of any such claim that the Debtors or the Reorganized Debtors may have against such Holder.

## **8. Fractional Shares.**

No fractional shares of New RHDC Common Stock shall be distributed. Where a fractional share would otherwise be called for, the actual issuance shall reflect a rounding up (in the case of more than .50) of such fraction to the nearest whole share of New RHDC Common Stock or a rounding down of such fraction (in the case of .50 or less than .50) to the nearest whole share of New RHDC Common Stock. The total number of shares of New RHDC Common Stock to be distributed pursuant to the Plan shall be adjusted as necessary to account for the rounding provided for herein.

## **J. Provisions for Treatment of Disputed Claims and Disputed Interests.**

THE FOLLOWING IS A SUMMARY OF THE PROVISIONS FOR TREATMENT OF DISPUTED CLAIMS AND DISPUTED INTERESTS UNDER THE PLAN AND IS QUALIFIED IN ITS ENTIRETY BY THE TERMS OF THE PLAN.

As set forth in Article VIII of the Plan, after the Effective Date, only the Reorganized Debtors may object to the allowance of any Claim or Administrative Expense Claim. After the Effective Date, the Reorganized Debtors shall be accorded the power and authority to allow or settle and compromise any Claim without notice to any other party, or approval of, or notice to the Bankruptcy Court. In addition, the Debtors or the Reorganized Debtors may, at any time, request that the Bankruptcy Court estimate any contingent or unliquidated Claim pursuant to Section 502(c) of the Bankruptcy Code regardless of whether the Debtors or Reorganized Debtors have previously objected to such Claim. Unless otherwise ordered by the Bankruptcy Court, the Debtors or Reorganized Debtors shall serve and file any objections to Claims and Interests as soon as practicable, but in no event later than (a) ninety (90) days after the Effective Date or (b) such later date as may be determined by the Bankruptcy Court upon a motion which may be made without further notice or hearing.

No partial payments and no partial distributions will be made with respect to a disputed, contingent or unliquidated Claim, or with respect to any Claim for which a Proof of Claim has been filed, until the resolution of such disputes or estimation or liquidation of such claims by settlement or by Final Order. As soon as practicable after a disputed, contingent or unliquidated Claim becomes an Allowed Claim in an amount certain, the Holder of such Allowed Claim will receive all payments and distributions to which such Holder is then entitled under the Plan.

## **K. Confirmation and Consummation of the Plan.**

### **1. Conditions to Confirmation of the Plan.**

Pursuant to Section 9.1 of the Plan, the following are conditions precedent to the occurrence of the confirmation of the Plan, each of which may be satisfied or waived in accordance with Section 9.3 of the Plan:

(a) The Bankruptcy Court shall have entered an order, in a form reasonably acceptable to the Debtors and a Majority of Consenting Noteholders and the Prepetition Lenders Agents, approving the adequacy of the Disclosure Statement.

(b) The Confirmation Order approving and confirming the Plan, as such Plan may have been modified, amended or supplemented, shall be in form and substance reasonably acceptable to the Debtors, a Majority of Consenting Noteholders and the Prepetition Lenders Agents.

(c) The Plan Related Documents shall each be in form and substance reasonably acceptable to the Debtors and a Majority of Consenting Noteholders.

## **2. Conditions to Effective Date.**

Pursuant to Section 9.2 of the Plan, the Plan shall not become effective, and the Effective Date shall not occur, unless and until the following conditions shall have been satisfied or waived in accordance with Section 9.3 of the Plan:

(a) All conditions to Confirmation in Section 9.1 of the Plan shall have been either satisfied or waived.

(b) The Confirmation Order shall have become a Final Order and shall be in form and substance reasonably acceptable to the Debtors, a Majority of Consenting Noteholders and the Prepetition Lenders Agents.

(c) All fees and expenses of counsel and the financial advisor to the Consenting Noteholders, as well as the out-of-pocket expenses of the Consenting Noteholders in connection with the restructuring of the Debtors that were incurred prior to the Confirmation Hearing, shall have been paid in full in cash.

(d) Each of the Amended and Restated Credit Documents shall have been executed by the relevant Reorganized Debtors, and the Closing Date, as defined in each of the Amended and Restated Credit Documents, shall have occurred.

(e) To the extent a Majority of Consenting Noteholders (i) determine that a Registration Rights Agreement is appropriate or necessary on the Effective Date and (ii) notify the Debtors in writing of such determination at least thirty (30) days prior to the Confirmation Hearing, then any such Registration Rights Agreement shall have been executed and delivered by the relevant Debtors.

## **3. Waiver of Conditions.**

Notwithstanding anything contained in Section 9.1 or 9.2 of the Plan, the Debtors, with the consent of a Majority of Consenting Noteholders, and, to the extent applicable, the Prepetition Lenders Agents, may waive in writing the occurrence of any of the foregoing conditions precedent to the Confirmation of the Plan and/or the Effective Date or to modify any of such conditions precedent; provided, however, that such consent shall not be unreasonably withheld or delayed. Any such written waiver of a condition precedent set forth in Section 9.3 of the Plan may be effected at any time without notice, without leave or order of the Bankruptcy Court, and without any formal action other than proceeding to consummate the Plan. Any actions required to be taken on the Effective Date shall take place and shall be deemed to have occurred simultaneously, and no such action shall be deemed to have occurred prior to the taking

of any other such action. If the Debtors decide that one of the foregoing conditions cannot be satisfied, and the occurrence of such condition is not waived in the manner set forth above, then the Debtors shall file a notice of the failure of the Effective Date with the Bankruptcy Court, at which time the Plan and the Confirmation Order shall be deemed null and void.

#### **4. Consequences of Non-Occurrence of Effective Date.**

If the Confirmation Order is vacated, (a) the Plan shall be null and void in all respects; (b) any settlement of Claims or Interests provided for hereby shall be null and void without further order of the Bankruptcy Court; and (c) to the extent permitted under the Bankruptcy Code, the time within which the Debtors may assume and assign or reject all executory contracts and unexpired leases shall be extended for a period of one hundred twenty (120) days after the date the Confirmation Order is vacated.

#### **5. Substantial Consummation.**

Substantial Consummation of the Plan shall be deemed to occur on the Effective Date.

### **L. Injunctions, Releases and Discharges**

#### **1. Discharge of Claims and Termination of Interests.**

Pursuant to Section 10.1 of the Plan, as of the Effective Date, except as expressly provided in the Plan or the Confirmation Order, all distributions and rights afforded under the Plan and the treatment of Claims and Interests under the Plan shall be, and shall be deemed to be, in exchange for, and in complete satisfaction, settlement, discharge and release of, all Claims and any other obligations, suits, judgments, damages, debts, rights, remedies, causes of action or liabilities of any nature whatsoever, and of all Interests, or other rights of a Holder of an equity security or other ownership interest, relating to any of the Debtors or the Reorganized Debtors or any of their respective assets, property and Estates, or interests of any nature whatsoever, including any interest accrued on such Claims from and after the Petition Date, and regardless of whether any property will have been distributed or retained pursuant to the Plan on account of such Claims or other obligations, suits, judgments, damages, debts, rights, remedies, causes of action or liabilities, or Interests or other rights of a Holder of an equity security or other ownership interest, and upon the Effective Date, the Debtors and the Reorganized Debtors shall (i) be deemed discharged under Section 1141(d)(1)(A) of the Bankruptcy Code and released from any and all Claims and any other obligations, suits, judgments, damages, debts, rights, remedies, causes of action or liabilities, and any Interests or other rights of a Holder of an equity security or other ownership interest, of any nature whatsoever, including, without limitation, liabilities that arose before the Effective Date (including prior to the Petition Date), and all debts of the kind specified in Sections 502(g), 502(h) or 502(i) of the Bankruptcy Code, whether or not (a) a Proof of Claim based upon such debt is filed or deemed filed under Section 501 of the Bankruptcy Code, (b) a Claim based upon such debt is Allowed under Section 502 of the Bankruptcy Code (or is otherwise resolved), or (c) the Holder of a Claim based upon such debt voted to accept the Plan and (ii) terminate and cancel all rights of any equity security Holder in any of the Debtors and all Interests, including RHDC Interests.

In addition, as of the Effective Date, except as expressly provided in the Plan or the Confirmation Order, all Persons shall be precluded from asserting against each of the Debtors, the Debtors' respective assets, property and Estates, the Reorganized Debtors and their respective Related Persons any other or further Claims, or any other obligations, suits, judgments, damages, debts, rights, remedies, causes of action or liabilities of any nature whatsoever, and all Interests or other rights of a Holder of an equity security or other ownership interest, relating to any of the Debtors or Reorganized Debtors or any of their respective assets, property and Estates based upon any act, omission, transaction or other activity of any nature that occurred prior to the Effective Date. In accordance with the foregoing, except as expressly provided in the Plan or the Confirmation Order, the Confirmation Order shall constitute a judicial determination, as of the Effective Date, of the discharge of all such Claims or other obligations, suits, judgments, damages, debts, rights, remedies, causes of action or liabilities, and any Interests or other rights of a Holder of an equity security or other ownership interest and termination of all rights of any equity security Holder in any of the Debtors and all Interests, including RHDC Interests, pursuant to Sections 524 and 1141 of the Bankruptcy Code, and such discharge shall void and extinguish any judgment obtained against the Debtors or the Reorganized Debtors or any of their respective assets, property and Estates at any time, to the extent such judgment is related to a discharged Claim, debt or liability or terminated right of any equity security Holder in any of the Debtors or terminated Interest, including an RHDC Interest.

## **2. Discharge Injunction.**

Pursuant to Section 10.1.2 of the Plan, except as provided in the Plan or the Confirmation Order, as of the Effective Date, (i) all Persons that hold, have held, or may hold a Claim or any other obligation, suit, judgment, damages, debt, right, remedy, cause of action or liability of any nature whatsoever, or any Interest or other right of a Holder of an equity security or other ownership interest, relating to any of the Debtors or the Reorganized Debtors or any of their respective assets, property and Estates, that is discharged pursuant to Section 10.1 of the Plan, (ii) all other parties in interest, and (iii) each of the Related Persons of each of the foregoing entities, are, and shall be, permanently, forever and completely stayed, restrained prohibited, barred and enjoined from taking any of the following actions against any of the Debtors, the Reorganized Debtors, any of their respective property and their respective Related Persons, whether directly or indirectly, derivatively or otherwise, on account of or based on the subject matter of such discharged Claims or other obligations, suits, judgments, damages, debts, rights, remedies, causes of action or liabilities, and of all Interests or other rights of a Holder of an equity security or other ownership interest: (i) commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding (including, without limitation, any judicial, arbitral, administrative or other proceeding) in any forum; (ii) enforcing, attaching (including, without limitation, any prejudgment attachment), collecting, or in any way seeking to recover any judgment, award, decree, or other order; (iii) creating, perfecting or in any way enforcing in any matter, directly or indirectly, any Lien; (iv) setting off, seeking reimbursement or contributions from, or subrogation against, or otherwise recouping in any manner, directly or indirectly, any amount against any liability or obligation owed to any Person discharged under Section 10.1.1 of the Plan; and (v) commencing or continuing in any manner, in any place of any judicial, arbitration or administrative proceeding in any forum, that does not comply with or is inconsistent with the provisions of the Plan or the Confirmation Order.

### **3. Discharge and Discharge Injunction Integral to Plan.**

Each of the discharges and injunctions provided in Section 10.1 of the Plan is an integral part of the Plan and is essential to its implementation. Each of the Debtors and the Reorganized Debtors shall have the right to independently seek the enforcement of the discharge and injunction set forth in Section 10.1 of the Plan.

### **4. Releases by Debtors and Estates.**

Pursuant to Section 10.2.1 of the Plan, except as otherwise expressly provided in the Plan or the Confirmation Order, on the Effective Date, for good and valuable consideration, to the fullest extent permissible under applicable law, each of the Debtors and Reorganized Debtors on its own behalf and as representative of its respective Estate, and each of its respective Related Persons, shall, and shall be deemed to, completely and forever release, waive, void, extinguish and discharge unconditionally, each and all of the Released Parties of and from any and all Claims, any and all other obligations, suits, judgments, damages, debts, rights, remedies, causes of action and liabilities of any nature whatsoever, and any and all Interests or other rights of a Holder of an equity security or other ownership interest, whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, then existing or thereafter arising, in law, equity or otherwise that are or may be based in whole or part on any act, omission, transaction, event or other circumstance taking place or existing on or prior to the Effective Date (including prior to the Petition Date) in connection with or related to any of the Debtors, the Reorganized Debtors or their respective assets, property and Estates, the Chapter 11 Cases or the Plan, the Disclosure Statement, the Restructuring Transactions or the Plan Support Agreements that may be asserted by or on behalf of any of the Debtors or Reorganized Debtors or their respective Estates.

### **5. Releases by Holders of Claims.**

Notwithstanding anything to the contrary contained in Section 10.2 of the Plan, the releases and injunctions set forth in Section 10.2 shall not, and shall not be deemed to, limit, abridge or otherwise affect the rights of the Reorganized Debtors to enforce, sue on, settle or compromise the rights, claims and other matters expressly retained by the Reorganized Debtors pursuant to the Plan.

**M. Supplemental Injunction.**

In order to supplement the injunctive effect of the Discharge Injunction, and pursuant to the exercise of the equitable jurisdiction and power of the Bankruptcy Court under Section 105(a) of the Bankruptcy Code, the Confirmation Order shall provide for the following injunctions to take effect as of the Effective Date.

Pursuant to Section 10.3 of the Plan, in order to preserve and promote the settlements contemplated by and provided for in the Plan, and to supplement, where necessary, the injunctive effect of the discharge as provided in Sections 1141 and 524 of the Bankruptcy Code and as described in this Article, except as otherwise expressly provided in the Plan or the Confirmation Order, all Persons and any Person claiming by or through them, which have held or asserted, which currently hold or assert or which may hold or assert any Claims or any other obligations, suits, judgments, damages, debts, rights, remedies, causes of action or liabilities of any nature whatsoever, and all Interests, or other rights of a Holder of an equity security or other ownership interest, against any of the Released Parties based upon, attributable to, arising out of or relating to any Claim against or Interest in any of the Debtors, whenever and wherever arising or asserted, whether in the U.S. or anywhere else in the world, whether sounding in tort, contract, warranty or any other theory of law, equity or admiralty, shall be, and shall be deemed to be, permanently stayed, restrained and enjoined from taking any action against any of the Released Parties for the purpose of directly or indirectly collecting, recovering or receiving any payment or recovery with respect to any such Claims or other obligations, suits, judgments, damages, debts, rights, remedies, causes of action or liabilities, and all Interests or other rights of a Holder of an equity security or other ownership interest, arising prior to the Effective Date (including prior to the Petition Date), including, but not limited to:

## **2. Bankruptcy Rule 3016 Compliance.**

The Debtors' compliance with the formal requirements of Bankruptcy Rule 3016(c) shall not constitute an admission that the Plan provides for an injunction against conduct not otherwise enjoined under the Bankruptcy Code.

## **3. Integral to Plan.**

Each of the injunctions provided in Section 10.3 of the Plan is an integral part of the Plan and is essential to its implementation. Each of the Released Parties and any other Persons protected by the injunctions set forth in Section 10.3 of the Plan shall have the right to independently seek the enforcement of such injunctions.

## **N. Disallowed Claims And Disallowed Equity Interests.**

On and after the Effective Date, the Debtors and the Reorganized Debtors shall be fully and finally discharged of any and all liability or obligation on any and all disallowed Claims or disallowed Interests, and any Order disallowing any Claim or Interest which is not a Final Order as of the Effective Date solely because of an entity's right to move for reconsideration of such order pursuant to Section 502 of the Bankruptcy Code or Bankruptcy Rule 3008 shall nevertheless become and be deemed to be a Final Order on the Effective Date. The Confirmation Order, except as otherwise provided herein, shall constitute an Order: (a) disallowing all Claims and Interests to the extent such Claims and Interests are not allowable under any provision of Section 502 of the Bankruptcy Code, including, but not limited to, time-barred Claims and Interests, and Claims for unmatured interest, and (b) disallowing or subordinating to all other Claims, as the case may be, any Claims for penalties, punitive damages or any other damages not constituting compensatory damages.

**O. Exculpation.**

Pursuant to Section 10.5 of the Plan, no Released Party shall have or incur any liability to (i) any Person that has held, currently holds or may hold a Claim or any other obligation, suit, judgment, damages, debt, right, remedy, cause of action or liability of any nature whatsoever, or any Interest or other right of a Holder of an equity security or other ownership interest, (ii) any other party in interest, (iii) any Person claiming by or through any of the foregoing entities, or (iv) any of the Related Persons of any of the foregoing entities, from (x) any and all claims and causes of action arising on or after the Petition Date, and (y) any and all claims and causes of action relating to any act taken at any time or omitted to be taken in connection with, relating to, or arising out of, the Chapter 11 Cases or the formulating, negotiating, preparing, disseminating, implementing, administering, soliciting, confirming or consummating the Plan, the Disclosure Statement, the Restructuring Transactions, the Plan Term Sheets, the Plan Support Agreements, or any contract or instrument, release or other agreement or document created or entered into in connection with the Plan or any other act taken or omitted to be taken in connection with or in contemplation of the restructuring of any of the Debtors, with the sole exception of willful misconduct or gross negligence, and each Released Party in all respects shall be entitled to reasonably rely upon the advice of counsel with respect to its duties and responsibilities under the Plan.

Notwithstanding any other provision herein, (i) no Person that has held, currently holds or may hold a Claim or any other obligation, suit, judgment, damages, debt, right, remedy, cause of action or liability of any nature whatsoever, or any Interest or other right of a Holder of an equity security or other ownership interest, (ii) no other party in interest, (iii) no Person claiming by or through any of the foregoing entities, and (iv) none of the Related Persons of any of the foregoing entities, shall, or shall be deemed to, have any Claim or right of action whatsoever against any Released Party for, or on account of or relating to (x) any and all claims and causes of action arising on or after the Petition Date, and (y) any and all claims and causes of action relating to any act taken or omitted to be taken in connection with, relating to, or arising out of, the Chapter 11 Cases, or the formulating, negotiating, preparing, disseminating, implementing, administering, soliciting, confirming or consummating the Plan, the Disclosure Statement, the Confirmation Order, the Restructuring Transactions, the Plan Term Sheets, the Plan Support Agreements, or any contract or instrument, release or other agreement or document created or entered into in connection with the Plan or any other act taken or omitted to be taken in connection with or in contemplation of the restructuring of any of the Debtors, with the sole exception of willful misconduct or gross negligence.

**P. Revesting of Assets.**

Pursuant to Section 1141(b) of the Bankruptcy Code, all property of the respective Estate of each Debtor, together with any property of each Debtor that is not property of its Estate and that is not specifically disposed of pursuant to the Plan, shall revest in the applicable Reorganized Debtor on the Effective Date. Thereafter, the Reorganized Debtors may operate their businesses and may use, acquire and dispose of property free of any restrictions of the Bankruptcy Code, the Bankruptcy Rules and the Bankruptcy Court. As of the Effective Date, all property of each Reorganized Debtor shall be free and clear of all Liens, Claims and Interests, except as specifically provided in the Plan or the Confirmation Order. Without limiting the

generality of the foregoing, each Reorganized Debtor may, without application to or approval by the Bankruptcy Court, pay fees that it incurs after the Effective Date for professional services and expenses.

**Q. Preservation of Rights of Action and Litigation Claims.**

Pursuant to Section 10.7 of the Plan, except as otherwise provided in the Plan, the Confirmation Order, or in any document, instrument, release or other agreement entered into in connection with the Plan, in accordance with Section 1123(b) of the Bankruptcy Code, the Debtors and their Estates shall retain the Litigation Claims. The Reorganized Debtors, as the successors in interest to the Debtors and their Estates, may enforce, sue on, settle or compromise (or decline to do any of the foregoing) any or all of the Litigation Claims. The Debtors or the Reorganized Debtors expressly reserve all rights to prosecute any and all Litigation Claims against any Person, except as otherwise expressly provided in the Plan, and no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable or otherwise), or laches, shall apply to such Litigation Claims upon, after, or as a consequence of Confirmation or the occurrence of the Effective Date.

**R. Survival of Indemnification Obligations.**

**1. Prepetition Indemnification and Reimbursement Obligations.**

Pursuant to Section 10.8.1 of the Plan, for purposes of the Plan, all respective obligations of RHDC and the other Debtors to indemnify and reimburse persons who are or were directors, officers, managers or employees and agents of the Debtors on the Petition Date or at any time thereafter, whether pursuant to certificates or articles of incorporation, codes of regulation, by-laws, limited liability company agreements, limited liability partnership agreements, applicable state or non-bankruptcy law, or specific agreement or any combination of the foregoing, shall be treated as if they are executory contracts that are assumed pursuant to Section 365 of the Bankruptcy Code under the Plan as of the Effective Date, and such obligations shall survive confirmation of the Plan, shall remain unaffected by the Plan, and shall not be discharged or impaired by the Plan, irrespective of whether the indemnification or reimbursement obligation is owed in connection with any event occurring before, on or after the Petition Date, it being understood that all indemnification provisions in place on and prior to the Effective Date for directors, officers, managers or employees and agents of the Debtors shall survive the effectiveness of the Plan for claims related to or in connection with any actions, omissions or transactions prior to the Effective Date (including prior to the Petition Date). Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of the survival, and the Debtors' assumption, of each of the Debtors' director and officer liability insurance policies. Additionally, the Debtors shall obtain (at market-based premiums) prior to the Effective Date insurance policies providing coverage for claims (as defined in such policies) made for any wrongful acts (as defined in such policies) or other covered conduct, acts or omissions occurring prior to the Effective Date (also referred to as "tail coverage") with coverage (in scope and substance) and on terms no less favorable to the current insureds than the Debtors' insurance policies existing as of the date of entry of the Confirmation Order, which insurance policies shall be described in greater detail in the Plan Supplement and shall be reasonably acceptable to a Majority of Consenting Noteholders.

## **2. Integral Part of Plan.**

Each of the provisions set forth in Section 10.8 of the Plan is an integral part of the Plan and is essential to its implementation. Each Person entitled to indemnification and insurance pursuant to Section 10.8 of the Plan shall have the right to independently seek the enforcement of each of the terms of Section 10.8 of the Plan.

## **S. Miscellaneous Plan Provisions.**

THE FOLLOWING IS A SUMMARY OF CERTAIN MISCELLANEOUS PROVISIONS UNDER THE PLAN AND IS QUALIFIED IN ITS ENTIRETY BY THE TERMS OF THE PLAN.

### **1. Retention of Jurisdiction.**

Pursuant to Sections 105(c) and 1142 of the Bankruptcy Code and notwithstanding entry of the Confirmation Order and the occurrence of the Effective Date, the Bankruptcy Court will retain exclusive jurisdiction pursuant to Section 11.1 of the Plan, over all matters arising out of, and related to, the Chapter 11 Cases and this Plan to the fullest extent permitted by law, as more specifically described in Article XI of the Plan.

### **2. Surrender of Instruments.**

As provided for in Section 12.1 of the Plan, as a condition to participation under the Plan, the Holder of a Note, debenture or other evidence of indebtedness of the Debtors that desires to receive the property to be distributed on account of an Allowed Claim based on such Note, debenture or other evidence of indebtedness shall surrender such Note, debenture or other evidence of indebtedness to the Debtors, or their designee (unless such Holder's Claim will be Reinstated by the Plan, in which case such surrender shall not be required), and shall execute and deliver such other documents as are necessary to effectuate the Plan; provided, however, that if a claimant is a Holder of an equity security or Note, debenture or other evidence of indebtedness for which no physical certificate was issued to the Holder but which instead is held in book-entry form pursuant to a global security held by DTC or other securities depository or custodian thereof, then the beneficial holder of such a Noteholders Claim shall be deemed to have surrendered such holder's security or Note, debenture or other evidence of indebtedness upon the surrender of such global security by DTC or such other securities depository or custodian thereof, or in the event the DTC or such other securities depository or custodian does not surrender such global security on the Effective Date or as soon as practicable thereafter, then the Debtors may waive any requirement of surrender of such Note. Except as otherwise provided in Section 12.1 of the Plan, if no surrender of a security, Note, debenture or other evidence of indebtedness occurs and a claimant does not provide an affidavit and indemnification agreement, in form and substance satisfactory to the Debtors, that such security, Note, debenture or other evidence of indebtedness was lost, then no distribution may be made to any claimant whose Claim or Interest is based on such security, Note, debenture or other evidence of indebtedness thereof. The Debtors or the Reorganized Debtors (as the case may be) shall make subsequent distributions only to the persons who surrender the securities for exchange (or their assignees)

and the record Holders of such securities shall be those Holders of record as of the Effective Date.

**3. Committees.**

As provided for in Section 12.2 of the Plan, the appointment of the Unsecured Creditors Committee, and any other official committee in the Chapter 11 Cases, shall terminate on the Effective Date.

**4. Post-Confirmation Date Retention of Professionals.**

Pursuant to Section 12.3 of the Plan, upon the Effective Date, any requirement that professionals employed by the Reorganized Debtors comply with Sections 327 through 331 of the Bankruptcy Code in seeking retention or compensation for services rendered after such date will terminate, and the Reorganized Debtors will be authorized to employ and compensate professionals in the ordinary course of business and without the need for Bankruptcy Court approval.

**5. Bar Date for Payment or Reimbursement of Professional Fees and Expenses and Claims for Substantial Contribution.**

Under the terms of Section 12.4 of the Plan, except as otherwise provided in the Final Cash Collateral Orders, all final requests for compensation or reimbursement of the fees of any professional employed in the Chapter 11 Cases pursuant to Section 327 or 1103 of the Bankruptcy Code or otherwise, including any Claims for making a substantial contribution under Section 503(b)(4) of the Bankruptcy Code, must be filed and served on the Reorganized Debtors and their counsel and the Office of the United States Trustee, not later than forty five (45) days after the Effective Date, unless otherwise ordered by the Bankruptcy Court. Objections to applications of such professionals or other entities for compensation or reimbursement of expenses must be filed and served on the parties specified in the preceding sentence and the requesting professional or other entity not later than twenty (20) days after the date on which the applicable application for compensation or reimbursement was served.

**6. Effectuating Documents and Further Transactions.**

Under Section 12.5 of the Plan, each of the Debtors and the Reorganized Debtors is authorized to execute, deliver, file or record such contracts, instruments, releases and other agreements or documents and take such actions as may be necessary or appropriate to effectuate, implement and further evidence the terms and conditions of the Plan and any notes or securities issued pursuant to the Plan.

**7. Exemption from Transfer Taxes.**

As provided in Section 12.6 of the Plan, pursuant to Section 1146(a) of the Bankruptcy Code, (a) the issuance, transfer or exchange of notes or equity securities under the Plan; (b) the creation of any mortgage, deed of trust, Lien, pledge or other security interest; (c) the making or assignment of any lease or sublease; or (d) the making or delivery of any deed or other instrument of transfer under the Plan, including, without limitation, merger agreements,

agreements of consolidation, restructuring, disposition, liquidation or dissolution, deeds, bills of sale, and transfers of tangible property, shall not be subject to any stamp tax or other similar tax.

**8. Payment of Statutory Fees.**

All fees payable pursuant to Section 1930 of title 28 of the United States Code, as determined by the Bankruptcy Court at the Confirmation Hearing, shall be paid on the Effective Date.

**9. Payment of Notes Indenture Trustee Fees.**

Notwithstanding anything to the contrary in the Plan, the Notes Indenture Trustee Fees shall be paid in full, in cash, on the Effective Date; provided, however, that such amounts shall exclude any fees and expenses incurred by the Notes Indenture Trustees related to any objections to Confirmation of the Plan and/or such other actions that may interfere with or delay Confirmation of the Plan.

To the extent the Notes Indenture Trustee Fees are not paid in accordance with the Plan, the applicable Notes Indenture Trustee may assert the applicable Notes Indenture Trustee Charging Lien. The assertion of such Notes Indenture Trustee Charging Lien may potentially result in diluting and delaying distributions to the Noteholders.

**10. Notes Indenture Trustees' Proofs of Claim in Respect of Noteholders Claims.**

Consistent with Bankruptcy Rule 3003(c) and as provided in Sections 3.2.5(d), 3.3.4(d), 3.4.5(d), 3.5.5(d) and 3.5.6(d) of the Plan, in the event that the Notes Indenture Trustees file Proofs of Claim in respect of the Noteholders Claims and a Noteholder also files a Proof of Claim evidencing a duplicative Noteholders Claim, then only the applicable Proof of Claim filed by the Indenture Trustees shall be Allowed.

**11. Amendment or Modification of the Plan.**

Subject to Section 1127 of the Bankruptcy Code and, to the extent applicable, Sections 1122, 1123 and 1125 of the Bankruptcy Code, the Debtors may alter, amend, modify or supplement the Plan, Plan Supplement or the Exhibits at any time prior to or after the Confirmation Date but prior to the Substantial Consummation of the Plan; provided, however, that any amendment, modification or supplement to the Plan is reasonably acceptable to a Majority of Consenting Noteholders and shall not be inconsistent with the terms of the Banks Support Agreements. A Holder of a Claim or Interest that has accepted the Plan shall be deemed to have accepted the Plan, as altered, amended, modified or supplemented, if the proposed alteration, amendment, modification or supplement does not materially and adversely change the treatment of the Claim or Interest of such Holder.

**12. Severability of Plan Provisions.**

Pursuant to the terms of Section 12.10 of the Plan, if prior to the Confirmation Date, any term or provision of the Plan is determined by the Bankruptcy Court to be invalid, void or unenforceable, the Bankruptcy Court shall have the power to alter and interpret such term or

provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void or unenforceable, and such term or provision shall then be applicable as altered or interpreted. Notwithstanding any such holding, alteration or interpretation, the remainder of the terms and provisions of the Plan shall remain in full force and effect and shall in no way be affected, Impaired or invalidated by such holding, alteration, or interpretation. The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of the Plan, as it may have been altered or interpreted in accordance with the foregoing, is valid and enforceable pursuant to its terms.

### **13. Binding Effect; Successors and Assigns.**

The Plan shall be binding upon and inure to the benefit of the Debtors, all present and former Holders of Claims and Interests, and all other parties in interests in these Chapter 11 Cases and the respective successors and assigns of each of the foregoing, including, without limitation, the Reorganized Debtors. The rights, benefits and obligations of any entity named or referred to in the Plan shall be binding on, and shall inure to the benefit of, any heir, executor, administrator, successor or assign of such entity.

### **14. Revocation, Withdrawal or Non-Consummation of the Plan.**

Subject to the rights of the Consenting Noteholders under the Noteholders Support Agreement and the Noteholders Plan Term Sheet, the Debtors reserve the right to revoke or withdraw the Plan as to any or all of the Debtors prior to the Confirmation Date and to file subsequent plans of reorganization. If the Debtors revoke or withdraw the Plan as to any or all of the Debtors, or if confirmation or consummation as to any or all of the Debtors does not occur, then, with respect to such Debtors, (a) the Plan shall be null and void in all respects, (b) any settlement or compromise embodied in the Plan (including the fixing or limiting to an amount certain any Claim or Interest or Class of Claims or Interests), assumption or rejection of executory contracts or unexpired leases effected by the Plan, and any document or agreement executed pursuant to the Plan shall be deemed null and void and (c) nothing contained in the Plan shall (i) constitute a waiver or release of any Claims by or against, or any Interests in, such Debtors or any other Person, (ii) prejudice in any manner the rights of such Debtors or any other Person or (iii) constitute an admission of any sort by the Debtors or any other Person.

**B. Holder s of Claims Entitled to Vote.**

In general, a holder of a claim may vote to accept or reject a plan of reorganization if (i) the holder’s claim or interest is “allowed,” i.e. generally not disputed, contingent, or unliquidated, and (ii) such holder’s claim or equity interest is “impaired” (as defined below) by the plan. However, if a holder of an allowed and impaired claim will not receive any distribution under a plan, than such holder is deemed to have rejected the plan and is not entitled to vote. In the same vein, a holder of an allowed and unimpaired claim will be presumed to have accepted the plan and will not be entitled to vote.

Under the Bankruptcy Code, a class of claims or equity interests is presumed impaired unless a plan (i) does not alter the legal, equitable or contractual rights to which such claim or equity interest entitles the holder thereof; or (2) regardless of any legal right to an accelerated

payment of such claim or equity interest the plan (a) cures all existing defaults, except the defaults of a kind specified in Section 365(b)(2), (b) reinstates the maturity of such claim or interest as it existed before the default, (c) compensates the holder of such claim for any damages incurred as a result any such holder's reasonable reliance on such legal right to an accelerated payment, and (d) does not otherwise alter the legal, equitable, or contractual rights to which such claim or equity interest entitles the holder of such claim or equity interest.

As detailed in Section V.F.1 above, the Debtors are soliciting votes on the Plan from the Holders of Allowed Claims in Classes 1C through 19C, 1D through 19D, 1E through 20E, 1F through 16F, 1G, 3G, 4G, 10G through 16G, 1H and 4H, and the Holders of Allowed Claims in each are entitled to vote to accept or reject the Plan.

Also as detailed in Section V.F.3 above, with respect to the Impaired Class of Interests that is deemed to reject the Plan (Class 1I), and any other Class of Claims that votes to reject the Plan, the Debtors shall request that the Bankruptcy Court confirm the Plan pursuant to Section 1129(b) of the Bankruptcy Code.

ANY VOTE NOT SOLICITED OR PROCURED IN GOOD FAITH OR IN ACCORDANCE WITH THE PROVISIONS OF THE BANKRUPTCY CODE WILL NOT BE COUNTED PURSUANT TO SECTION 1126(E) OF THE BANKRUPTCY CODE.

**C. Vote Required for Acceptance by a Class of Claims.**

A Class of Claims shall have accepted the Plan if it is accepted by at least two-thirds ( $\frac{2}{3}$ ) in amount and more than one-half ( $\frac{1}{2}$ ) in number of the Allowed Claims in such Class that have voted on the Plan in accordance with the Solicitation Order.

**D. Voting Procedures.**

**1. Ballots.**

All votes to accept or reject the Plan with respect to any Class of Claims must be cast by properly submitting the duly completed and executed form of Ballot designated for such Class. Holders of Impaired Claims voting on the Plan should complete and sign the Ballot in accordance with the instructions thereon, being sure to check the appropriate box entitled "Accept the Plan" or "Reject the Plan."

ANY EXECUTED BALLOT THAT DOES NOT INDICATE EITHER AN ACCEPTANCE OR REJECTION OF THE PLAN OR THAT INDICATES BOTH AN ACCEPTANCE AND REJECTION OF THE PLAN WILL NOT BE COUNTED AS A VOTE EITHER TO ACCEPT OR REJECT THE PLAN.

ANY BALLOT THAT IS RECEIVED BUT WHICH IS NOT SIGNED OR THAT OTHERWISE CONTAINS INSUFFICIENT INFORMATION TO PERMIT THE IDENTIFICATION OF THE CLAIMANT WILL BE CONSIDERED AN INVALID BALLOT AND WILL NOT BE COUNTED FOR PURPOSES OF DETERRING ACCEPTANCE OR REJECTION OF THE PLAN.

In order for a vote to be counted, the respective Holder must complete and sign an original Ballot and return it in the envelope provided (only original signatures will be accepted). In most cases, each Ballot enclosed with this Disclosure Statement has been encoded with the amount of the Allowed Claim for voting purposes (if the Claim is a contested Claim, this amount may not be the amount ultimately allowed for purposes of Distribution) and the Class into which the Claim has been placed under the Plan. Accordingly, in voting to accept or reject the Plan, a Holder must use only the coded Ballot or Ballots sent with this Disclosure Statement.

Ballots must be delivered to the Voting Agent, at its address set forth above, and actually received by the Voting Deadline. THE METHOD OF SUCH DELIVERY IS AT THE ELECTION AND RISK OF THE VOTER.

**If you are entitled to vote and you did not receive a Ballot, received a damaged Ballot or lost your Ballot, please contact the Voting Agent in the manner set forth in this Disclosure Statement.**

## **2. Withdrawal or Change of Votes on the Plan.**

After the Voting Deadline, no vote may be withdrawn without the prior consent of the Debtors, which consent shall be given in the Debtors' sole discretion.

Any Holder of a Claim who has submitted to the Voting Agent prior to the Voting Deadline a properly completed Ballot may change its vote by submitting to the Voting Agent prior to the Voting Deadline a subsequent properly completed Ballot for acceptance or rejection of the Plan. If more than one timely, properly completed Ballot is received with respect to the same Claim or Interest, the Ballot that will be counted for purposes of determining whether sufficient acceptances required to confirm the Plan have been received will be the Ballot that the Voting Agent determines was the last to be received.

## **VII. CONFIRMATION OF THE PLAN**

### **A. Confirmation Hearing.**

Section 1128(a) of the Bankruptcy Code requires the Bankruptcy Court, after notice, to hold a hearing on confirmation of a plan. The Confirmation Hearing pursuant to Section 1128 of the Bankruptcy Code will be held on [January 12, 2010] at [\_\_\_\_] [\_.m.], prevailing Eastern Time, before the Honorable Kevin Gross, United States Bankruptcy Judge, at the United States Bankruptcy Court for the District of Delaware, 824 Market Street, Sixth Floor, Courtroom No. 3, Wilmington, Delaware 19801. The Confirmation Hearing may be adjourned from time to time by the Bankruptcy Court without further notice except for the announcement of adjournment at the Confirmation Hearing, or at any subsequent adjourned Confirmation Hearing.

Section 1128(b) of the Bankruptcy Code provides that any party in interest may object to confirmation of a plan. Any objection to Confirmation of the Plan must: (i) be made in writing; (ii) state the name and address of the objecting party and the nature of the claim or interest of such party; (iii) state with particularity the legal and factual basis and nature of any objection to the Plan; and (iv) be filed with the Court, together with proof of service, and served so that they

are received **on or before [December 17, 2009] at [4:00 p.m.]**, prevailing Eastern Time by the following parties:

Objections to confirmation of the Plan are governed by Rule 9014 of the Bankruptcy Rules. **UNLESS AN OBJECTION TO CONFIRMATION IS TIMELY AND PROPERLY SERVED AND FILED, IT MAY NOT BE CONSIDERED BY THE BANKRUPTCY COURT.**

**B. Statutory Requirements for Confirmation of the Plan.**

At the Confirmation Hearing, the Bankruptcy Court will confirm the Plan only if all of the requirements of Section 1129 of the Bankruptcy Code are met. Among the requirements for

confirmation are that the Plan (i) is accepted by all impaired Classes of Claims and Interests or, if rejected by an impaired Class, that the Plan “does not discriminate unfairly” and is “fair and equitable” as to such Class, (ii) is feasible and (iii) is in the “best interests” of Holders of Claims and Interests impaired under the Plan.

AS EXPLAINED ABOVE, THE BANKRUPTCY CODE CONTAINS PROVISIONS FOR CONFIRMATION OF A PLAN EVEN IF IT IS NOT ACCEPTED BY ALL CLASSES. THESE SO-CALLED “CRAMDOWN” PROVISIONS ARE SET FORTH IN SECTION 1129(B) OF THE BANKRUPTCY CODE, WHICH PROVIDES THAT A PLAN OF REORGANIZATION CAN BE CONFIRMED EVEN IF IT HAS NOT BEEN ACCEPTED BY ALL IMPAIRED CLASSES OF CLAIMS AND INTERESTS AS LONG AS AT LEAST ONE IMPAIRED CLASS OF NON-INSIDER CLAIMS HAS VOTED TO ACCEPT THE PLAN.

### **1. Acceptance.**

Claims and Interests in Classes 1C through 19C, 1D through 19D, 1E through 20E, 1F through 16F, 1G, 3G, 4G, 10G through 16G, 1H, 4H and 1I are Impaired under the Plan (the “Impaired Classes”). As a condition to Plan Confirmation, the Bankruptcy Code requires that each Impaired Class vote to accept the Plan unless the Plan satisfies the “fair and equitable test” (as described below) as applied to such non-accepting Impaired Class. As such, the Impaired Classes must accept the Plan in order for it to be confirmed without application of the “fair and equitable test.”

As stated above, Impaired Classes will have accepted the Plan if the Plan is accepted by at least two-thirds in dollar amount and a majority in number of the Claims or Interests of each such Class (other than any Claims of creditors designated under Section 1126(e) of the Bankruptcy Code) that have voted to accept or reject the Plan.

The Claims and Interests in Classes 1A through 19A, 1B through 19B, 2G, 3H, 4I, 5G through 9G, 10H through 16H, and 17F through 20F are Unimpaired under the Plan, and the Holders of Allowed Claims in each of these Classes are conclusively presumed to have accepted the Plan.

The Interests in Class 1I are Impaired and the Holders of such Interests will not receive or retain any property under the Plan. Accordingly, Class 1I is deemed not to have accepted the Plan and confirmation of the Plan will require application of the “fair and equitable test,” described below.

### **2. Fair and Equitable Test.**

The Debtors will seek to confirm the Plan notwithstanding the non-acceptance or deemed non-acceptance of the Plan by any impaired Class of Claims or Interests. To obtain such confirmation, it must be demonstrated that the Plan “does not discriminate unfairly” and is “fair and equitable” with respect to such dissenting impaired Class. A plan does not discriminate unfairly if the legal rights of a dissenting class are treated in a manner consistent with the treatment of other classes whose legal rights are substantially similar to those of the dissenting

class and if no class receives more than it is entitled to on account of its claims or interests. The Debtors believe that the Plan satisfies these requirements.

The Bankruptcy Code establishes different “fair and equitable” tests for secured claims, unsecured claims and equity interests, as follows:

(a) Secured Creditors. Either (i) each holder of an impaired secured claim retains its liens securing its secured claim and receives on account of its secured claim deferred cash payments having a present value equal to the amount of its allowed secured claim, (ii) each impaired secured creditor realizes the “indubitable equivalent” of its allowed secured claim, or (iii) the property securing the claim is sold free and clear of liens, with such liens attaching to the proceeds of the sale and the treatment of such liens on proceeds is as provided in clauses (i) or (ii) above.

(b) Unsecured Creditors. Either (i) each holder of an impaired unsecured claim receives or retains under the plan property of a value equal to the amount of its allowed claim or (ii) the holders of claims and equity interests that are junior to the claims of the dissenting class will not receive or retain any property under the plan.

(c) Interest Holders. Either (i) each holder of an equity interest will receive or retain under the plan property of a value equal to the greater of the fixed liquidation preference to which such holder is entitled, or the fixed redemption price to which such holder is entitled or the value of the equity interest, or (ii) the holders of equity interests that are junior to the non-accepting class will not receive or retain any property under the plan.

**THE DEBTORS BELIEVE THAT THE PLAN MAY BE CONFIRMED ON A NONCONSENSUAL BASIS (PROVIDED AT LEAST ONE IMPAIRED CLASS OF CLAIMS FOR EACH DEBTOR ENTITY VOTES TO ACCEPT THE PLAN). ACCORDINGLY, THE DEBTORS WILL DEMONSTRATE AT THE CONFIRMATION HEARING THAT THE PLAN SATISFIES THE REQUIREMENTS OF SECTION 1129(b) OF THE BANKRUPTCY CODE AS TO ANY NON-ACCEPTING CLASS.**

### **3. Feasibility.**

Pursuant to Section 1129(a)(11) of the Bankruptcy Code, among other things, the Bankruptcy Court must determine that confirmation of the Plan is not likely to be followed by the liquidation or need for further financial reorganization of the Debtors or any successors to the Debtors under the Plan. This condition is often referred to as the “feasibility” of the Plan. The Debtors believe that the Plan satisfies this requirement.

For purposes of determining whether the Plan meets this requirement, the Debtors and their financial advisors have analyzed the Debtors’ ability to meet their obligations under the Plan. As part of that analysis, the Debtors have prepared consolidated projected financial results for each of the years ending December 31, 2009 through and including December 31, 2014. These financial projections, and the assumptions on which they are based (collectively, the “Projections”), are set forth in Exhibit E to this Disclosure Statement.

THE PROJECTIONS ARE SUBJECT TO FURTHER REVIEW AND ANALYSIS BY THE DEBTORS, AND THE DEBTORS RESERVE THE RIGHT TO SUPPLEMENT, AMEND, UPDATE AND/OR OTHERWISE MODIFY SUCH PROJECTIONS PRIOR TO THE HEARING ON THE DISCLOSURE STATEMENT AND UP TO AND THROUGH THE PLAN SUPPLEMENT FILING DATE.

The Debtors have prepared the Projections based upon certain assumptions that they believe to be reasonable under the current circumstances. Those assumptions the Debtors considered to be significant are described in Article VIII herein and the notes which are part of the Projections. The Projections have not been examined or compiled by independent accountants. Many of the assumptions on which the Projections are based are subject to significant uncertainties. Inevitably, some assumptions will not materialize, and unanticipated events and circumstances may affect the Debtors' actual financial results. Therefore, the actual results achieved by the Debtors throughout the period covered by the Projections may vary from the projected results, and the variations may be material. In evaluating the Plan, all Holders of Claims that are entitled to vote to accept or reject the Plan are urged to examine carefully all of the assumptions on which the Projections are based.

#### **4. Best Interests Test and Liquidation Analysis.**

Pursuant to section 1129(a)(7) of the Bankruptcy Code (often called the "Best Interests Test"), each Holder of an Impaired Claim or Interest must either (a) accept the Plan or (b) receive or retain under the Plan property of a value, as of the Effective Date, that is not less than the value such Holder would receive or retain if the Debtors were to be liquidated under chapter 7 of the Bankruptcy Code. In determining whether the Best Interests Test has been met, the first step is to determine the dollar amount that would be generated from a hypothetical liquidation of the Debtors' assets in Chapter 7. The gross amount of cash available for distribution to creditors would be the sum of the proceeds from the disposition of the Debtors' assets during, and the cash held by the Debtors at the commencement of, their hypothetical Chapter 7 cases. Such amount would then be reduced by the costs and expenses of the liquidation. In order to determine whether the Best Interests Test has been satisfied, available cash and the proceeds from the hypothetical liquidation of the Debtors' assets would be applied to Secured Claims (to the extent of the value of the underlying collateral) and to satisfy Administrative Expense Claims (including any incremental Administrative Expense Claims that may result from the termination of the Debtors' businesses and the liquidation of their assets), Priority Tax Claims, and Priority Non-Tax Claims, all of which are senior in priority to Noteholders Claims and General Unsecured Claims. Any remaining cash would be available for distribution to the Holders of Noteholders Claims, General Unsecured Claims, Convenience Claims, and RHDC Interests in accordance with the distribution hierarchy established by section 726 of the Bankruptcy Code.

The liquidation analysis attached hereto as Exhibit F (the "Liquidation Analysis") was prepared by the Debtors with assistance from their financial advisors, including Deloitte, and represents the Debtors' best current estimate of the cash proceeds, net of liquidation-related costs, that would potentially be available for distribution to the Holders of Claims and RHDC Interests if each of the Debtors were hypothetically liquidated under Chapter 7 of the Bankruptcy Code. The Liquidation Analysis assumes that the Debtors' Chapter 11 cases are converted into liquidation cases under Chapter 7 in a "shut-the-door" liquidation that does not preserve the

going concern value of the Debtors' estates. Unless otherwise stated, (i) the asset values used in the Liquidation Analysis reflect the unaudited book values of the Debtors' assets as of July 31, 2009 and (ii) the Debtors' liabilities are based on the Debtors' actual liabilities as of the Petition Date.

The Debtors' liquidation costs in a hypothetical Chapter 7 case would include the compensation of a bankruptcy trustee, as well as the compensation of counsel and other professionals retained by such trustee, asset disposition expenses, applicable taxes, litigation costs, Claims arising from the Debtors' operation during the pendency of the hypothetical Chapter 7 cases, and all unpaid Administrative Expense Claims that are allowed in the hypothetical Chapter 7 cases. The liquidation itself might trigger certain Priority Tax Claims or Priority Non-Tax Claims, such as Priority Non-Tax Claims for severance pay, and would likely accelerate Claims or, in the case of taxes, make it likely that the Internal Revenue Service would assert all of its Claims as Priority Tax Claims rather than asserting them in due course as is expected to occur during the course of the Chapter 11 Cases. These Priority Tax Claims and Priority Non-Tax Claims, which are not estimated for purposes of the Liquidation Analysis, would be paid in full out of the net liquidation proceeds, after payment of Secured Claims, Chapter 7 costs of administration, and other Administrative Expense Claims, and before the balance would be made available to pay Unsecured Claims or to make any distribution in respect of Interests.

**THE INFORMATION SET FORTH IN THE LIQUIDATION ANALYSIS IS PRELIMINARY AND IS SUBJECT TO MODIFICATION, REVISION AND SUPPLEMENTATION BY THE DEBTORS AT ANY TIME UP TO THE PLAN SUPPLEMENT FILING DATE.**

THE LIQUIDATION ANALYSIS HAS BEEN PREPARED SOLELY FOR THE PURPOSES OF ESTIMATING THE NET PROCEEDS POTENTIALLY AVAILABLE FOR DISTRIBUTION IN A HYPOTHETICAL CHAPTER 7 LIQUIDATION. NOTHING CONTAINED IN THE LIQUIDATION ANALYSIS IS INTENDED AS OR CONSTITUTES A CONCESSION OR ADMISSION FOR ANY PURPOSE OTHER THAN THE PRESENTATION OF A HYPOTHETICAL LIQUIDATION ANALYSIS FOR PURPOSES OF THE BEST INTERESTS TEST. THE LIQUIDATION ANALYSIS HAS NOT BEEN INDEPENDENTLY AUDITED OR VERIFIED.

The Liquidation Analysis is premised upon a number of estimates and assumptions that, although developed and considered reasonable by the Debtors and their financial advisors, are inherently subject to significant business, economic and competitive uncertainties and contingencies that are beyond the control of the Debtors and their management. Accordingly, there can be no assurance that the estimated values reflected in the Liquidation Analysis would be realized if the Debtors were, in fact, to undergo a liquidation under Chapter 7. In addition, any such liquidation would take place under future circumstances that cannot be predicted with certainty. Accordingly, although the Liquidation Analysis is necessarily presented with numerical specificity, if the Debtors' estates were in fact liquidated as described herein, the actual liquidation proceeds could vary significantly from the amounts set forth in the Liquidation Analysis. Such actual liquidation proceeds could be materially higher or lower than the amounts set forth in the Liquidation Analysis, and no representation or warranty can be or is being made

with respect to the actual proceeds that would be generated from a liquidation of the Debtors under Chapter 7 of the Bankruptcy Code. The Liquidation Analysis should be read and considered in conjunction with the accompanying notes and assumptions.

As demonstrated by the Liquidation Analysis, the Debtors believe that under the Plan, Holders of Impaired Claims against and Impaired Interests in each Debtor will receive property with a value equal to or in excess of the value such Holders would receive in a hypothetical liquidation of the Debtors under Chapter 7 of the Bankruptcy Code. Accordingly, the Liquidation Analysis demonstrates that the Plan satisfies the requirements of the “Best Interests Test.”

## VIII. PROJECTED FINANCIAL INFORMATION

### A. Projected Financial Information.

The Debtors believe that the Plan meets the feasibility requirement set forth in Section 1129(a)(11) of the Bankruptcy Code, as confirmation is not likely to be followed by liquidation or the need for further financial reorganization of the Debtors or any successor under the Plan. In connection with the development of the Plan and for the purposes of determining whether the Plan satisfies this feasibility standard, the Debtors analyzed their ability to satisfy their financial obligations while maintaining sufficient liquidity and capital resources. Management developed a business plan and prepared financial projections for the calendar years 2009 through 2014 (the “Projection Period”). The Projections are attached to this Disclosure Statement as Exhibit E.

THE PROJECTIONS ARE SUBJECT TO FURTHER REVIEW AND ANALYSIS BY THE DEBTORS, AND THE DEBTORS RESERVE THE RIGHT TO SUPPLEMENT, AMEND, UPDATE AND/OR OTHERWISE MODIFY SUCH PROJECTIONS PRIOR TO THE HEARING ON THE DISCLOSURE STATEMENT AND UP TO AND THROUGH THE PLAN SUPPLEMENT FILING DATE.

The Debtors prepared the Projections based upon, among other things, the anticipated future financial condition and results of operations of the Debtors and the Reorganized Debtors. The Debtors do not, as a matter of course, publish their business plans or strategies, projections or anticipated financial position. Accordingly, the Debtors do not anticipate that they will, and disclaim any obligation to, furnish updated business plans or projections to Holders of Claims or Interests or other parties in interest after the Confirmation Date, or to include such information in documents required to be filed with the SEC or otherwise make such information public, even in the event that any or all of the underlying assumptions are shown to be in error.

In connection with the planning and development of the Plan, the Projections were prepared by the Debtors to present the anticipated impact of the Plan. The Projections assume that the Plan will be implemented in accordance with its stated terms. The Projections are based on forecasts of key economic variables and may be significantly impacted by, among other factors, changes in the competitive environment, regulatory changes and/or a variety of other factors, including those factors listed in the Plan and the Disclosure Statement. Accordingly, the estimates and assumptions underlying the Projections are inherently uncertain and are subject to significant business, economic and competitive uncertainties. Therefore, such Projections,

estimates and assumptions are not necessarily indicative of current values or future performance, which may be significantly less or more favorable than set forth herein. The Projections included herein were prepared by Debtors' management prior to the Petition Date and were included in the Form 8-K that the Debtors filed with the Securities and Exchange Commission on May 29, 2009. Debtors' management is unaware of any circumstances as of the date of this Disclosure Statement that would require the re-forecasting of the Projections due to a material change in the Debtors' prospects.

The Projections should be read in conjunction with the significant assumptions, qualifications and notes set forth below.

THE DEBTORS' MANAGEMENT PREPARED THE PROJECTIONS WITH THE ASSISTANCE OF THEIR PROFESSIONALS. THE DEBTORS' MANAGEMENT DID NOT PREPARE SUCH PROJECTIONS TO COMPLY WITH THE GUIDELINES FOR PROSPECTIVE FINANCIAL STATEMENTS PUBLISHED BY THE AMERICAN INSTITUTE OF CERTIFIED PUBLIC ACCOUNTANTS AND THE RULES AND REGULATIONS OF THE UNITED STATES SECURITIES AND EXCHANGE COMMISSION. THE DEBTORS' PROFESSIONALS HAVE NEITHER EXAMINED NOR COMPILED THE PROJECTIONS THAT ACCOMPANY THE DISCLOSURE STATEMENT AND, ACCORDINGLY, DO NOT EXPRESS AN OPINION OR ANY OTHER FORM OF ASSURANCE WITH RESPECT TO THE PROJECTIONS, ASSUME NO RESPONSIBILITY FOR THE PROJECTIONS, AND DISCLAIM ANY ASSOCIATION WITH THE PROJECTIONS. EXCEPT FOR PURPOSES OF THE DISCLOSURE STATEMENT, THE DEBTORS DO NOT PUBLISH PROJECTIONS OF THEIR ANTICIPATED FINANCIAL POSITION OR RESULTS OF OPERATIONS.

MOREOVER, THE PROJECTIONS CONTAIN CERTAIN STATEMENTS THAT ARE "FORWARD-LOOKING STATEMENTS" WITHIN THE MEANING OF THE PRIVATE SECURITIES LITIGATION REFORM ACT OF 1995. THESE STATEMENTS ARE SUBJECT TO A NUMBER OF ASSUMPTIONS, RISKS, AND UNCERTAINTIES, MANY OF WHICH ARE BEYOND THE CONTROL OF THE DEBTORS, INCLUDING THE IMPLEMENTATION OF THE PLAN, THE CONTINUING AVAILABILITY OF SUFFICIENT BORROWING CAPACITY OR OTHER FINANCING TO FUND OPERATIONS, ACHIEVING OPERATING EFFICIENCIES, MAINTAINING GOOD EMPLOYEE RELATIONS, EXISTING AND FUTURE GOVERNMENTAL REGULATIONS AND ACTIONS OF GOVERNMENTAL BODIES, NATURAL DISASTERS AND UNUSUAL WEATHER CONDITIONS, ACTS OF TERRORISM OR WAR, INDUSTRY-SPECIFIC RISK FACTORS (AS DETAILED IN ARTICLE X OF THE DISCLOSURE STATEMENT ENTITLED "RISK FACTORS"), AND OTHER MARKET AND COMPETITIVE CONDITIONS. HOLDERS OF CLAIMS AND INTERESTS ARE CAUTIONED THAT THE FORWARD-LOOKING STATEMENTS SPEAK AS OF THE DATE MADE AND ARE NOT GUARANTEES OF FUTURE PERFORMANCE. ACTUAL RESULTS OR DEVELOPMENTS MAY DIFFER MATERIALLY FROM THE EXPECTATIONS EXPRESSED OR IMPLIED IN THE FORWARD-LOOKING STATEMENTS, AND THE DEBTORS UNDERTAKE NO OBLIGATION TO UPDATE ANY SUCH STATEMENTS.

THE PROJECTIONS, WHILE PRESENTED WITH NUMERICAL SPECIFICITY, ARE NECESSARILY BASED ON A VARIETY OF ESTIMATES AND ASSUMPTIONS WHICH, THOUGH CONSIDERED REASONABLE BY THE DEBTORS, MAY NOT BE REALIZED AND ARE INHERENTLY SUBJECT TO SIGNIFICANT BUSINESS, ECONOMIC, COMPETITIVE, INDUSTRY, REGULATORY, MARKET, AND FINANCIAL UNCERTAINTIES AND CONTINGENCIES, MANY OF WHICH ARE BEYOND THE REORGANIZED DEBTORS' CONTROL. THE DEBTORS CAUTION THAT NO REPRESENTATIONS CAN BE MADE OR ARE MADE AS TO THE ACCURACY OF THE PROJECTIONS OR TO THE REORGANIZED DEBTORS' ABILITY TO ACHIEVE THE PROJECTED RESULTS. SOME ASSUMPTIONS INEVITABLY WILL BE INCORRECT. MOREOVER, EVENTS AND CIRCUMSTANCES OCCURRING SUBSEQUENT TO THE DATE ON WHICH THE DEBTORS PREPARED THESE PROJECTIONS MAY BE DIFFERENT FROM THOSE ASSUMED, OR, ALTERNATIVELY, MAY HAVE BEEN UNANTICIPATED, AND THUS THE OCCURRENCE OF THESE EVENTS MAY AFFECT FINANCIAL RESULTS IN A MATERIALLY ADVERSE OR MATERIALLY BENEFICIAL MANNER. EXCEPT AS OTHERWISE PROVIDED IN THE PLAN OR DISCLOSURE STATEMENT, THE DEBTORS AND REORGANIZED DEBTORS, AS APPLICABLE, DO NOT INTEND AND UNDERTAKE NO OBLIGATION TO UPDATE OR OTHERWISE REVISE THE PROJECTIONS TO REFLECT EVENTS OR CIRCUMSTANCES EXISTING OR ARISING AFTER THE DATE THE DISCLOSURE STATEMENT IS INITIALLY FILED OR TO REFLECT THE OCCURRENCE OF UNANTICIPATED EVENTS. THEREFORE, THE PROJECTIONS MAY NOT BE RELIED UPON AS A GUARANTY OR OTHER ASSURANCE OF THE ACTUAL RESULTS THAT WILL OCCUR. IN DECIDING WHETHER TO VOTE TO ACCEPT OR REJECT THE PLAN, HOLDERS OF CLAIMS MUST MAKE THEIR OWN DETERMINATIONS AS TO THE REASONABLENESS OF SUCH ASSUMPTIONS AND THE RELIABILITY OF THE PROJECTIONS AND SHOULD CONSULT WITH THEIR OWN ADVISORS.

The Projections should be read in conjunction with the assumptions, qualifications, and explanations set forth in the Disclosure Statement and the Plan in their entirety, and the historical consolidated financial statements (including the notes and schedules thereto) and other financial information set forth in RHDC's Annual Report on Form 10-K for the fiscal year ended December 31, 2008, RHDC's Quarterly Report on Form 10-Q for the second quarter ending June 30, 2009, and other RHDC reports to the Securities and Exchange Commission filed prior to the Bankruptcy Court's approval of this Disclosure Statement. These filings are available by visiting the Securities and Exchange Commission's website at <http://www.sec.gov> or the Debtors' website at <http://www.rhd.com>.

**B. Valuation of the Reorganized Debtors.**

**THE VALUATION INFORMATION CONTAINED IN THIS SECTION WITH REGARD TO THE REORGANIZED DEBTORS IS NOT A PREDICTION OR GUARANTEE OF THE ACTUAL MARKET VALUE THAT MAY BE REALIZED PURSUANT TO THE PLAN.**

## 1. Overview.

The Debtors have been advised by Lazard, their investment banker and financial advisor, with respect to the consolidated enterprise value of the Reorganized Debtors (which consists of the aggregate enterprise value of Reorganized RHDC and its direct and indirect subsidiaries) on a going-concern basis (the “Enterprise Value”). The consolidated Enterprise Value is comprised of the following components: (a) the estimated value of the Reorganized Debtors’ operations on a going concern basis and (b) the estimated value of tax attributes, including NOLs, amortizable tax basis, and original issue discount, as of an assumed Effective Date of December 31, 2009, with which the Debtors are expected to emerge from bankruptcy. Solely for purposes of the Plan, the implied consolidated equity value of the Reorganized Debtors (the “Equity Value”) is calculated as the Enterprise Value less the Debtors’ projected total debt of \$3.440 billion plus the projected cash balance of \$125 million as of an assumed Effective Date of December 31, 2009.<sup>23</sup>

Lazard has advised the Debtors that it believes that the proposed allocation of New RHDC Common Stock to the Holders of each of the RHDC Notes, the RHDI 11.75% Senior Notes, the DMI Notes and the DMW Notes and the proposed allocation of the New RHDC Notes to the Holders of the DMW Senior Notes reflect a reasonable allocation of the going concern value of Reorganized RHDC among the Holders of RHDC Notes, RHDI 11.75% Senior Notes, DMI Notes, and DMW Notes, based on, among other things, input from management of the Debtors as well as their legal advisors regarding the amount and appropriate treatment of the various claims against the applicable Debtor (including intercompany claims, the expenses of administration and claims of senior indebtedness) and based on other information provided by the Debtors and subject to all the qualifications and limitations set forth herein.

Solely for purposes of the Plan, and consistent with the terms negotiated between the Debtors and the Consenting Noteholders in the Noteholders Support Agreement, Lazard has preliminarily estimated the hypothetical range of Enterprise Value to be between \$4.235 billion and \$5.350 billion. As described above, this estimated hypothetical range of Enterprise Value includes approximately \$500 million to \$560 million of value associated with Reorganized RHDC tax attributes as of an assumed Effective Date of December 31, 2009. Assuming the projected debt and cash balances as of an assumed Effective Date of December 31, 2009, this implies a range of consolidated Equity Value of the Reorganized Debtors between \$920 million and \$2.035 billion. Based upon the implied range of Equity Value for the Reorganized Debtors and allocation of the New RHDC Common Stock among the Noteholders as reflected in the Plan, solely for purposes of the Plan, Lazard has preliminarily estimated the hypothetical range of the value of the New RHDC Common Stock to be distributed to the Noteholders is as follows: (i) between \$193 million and \$427 million for Holders of RHDC Notes; (ii) between \$214 million and \$474 million for Holders of DMI Notes; (iii) between \$237 million and \$525 million for Holders of RHDI 11.75% Senior Notes; (iv) between \$120 million and \$265 million for Holders of DMW Senior Notes; and (v) between \$155 million and \$344 million for Holders of

---

<sup>23</sup> Consistent with the terms of the Plan Support Agreements, the Debtors currently anticipate emerging from bankruptcy protection after January 1, 2010 but no later than January 31, 2010. Lazard has advised the Debtors that the use of an assumed Effective Date that occurs after December 31, 2009 but no later than January 31, 2010 would not result in any material modifications to the hypothetical range of the Enterprise Value and the hypothetical range of the consolidated Equity Value of the Reorganized Debtors that are set forth in this Disclosure Statement.

DMW Senior Subordinated Notes. The foregoing preliminary estimates do not give effect to the potentially dilutive effect of any Management Incentive Plan.

Lazard has advised the Debtors that it believes that the proposed allocation of New RHDC Common Stock to the Holders of each of the RHDC Notes, the RHDI 11.75% Senior Notes, the DMI Notes and the DMW Notes and the proposed allocation of the New RHDC Notes to the Holders of the DMW Senior Notes is reasonable, based on, among other things, input from management of the Debtors as well as their legal advisors regarding the amount and appropriate treatment of the various claims against the applicable Debtor (including intercompany claims, the expenses of administration and claims of senior indebtedness) and based on other information provided by the Debtors and subject to all the qualifications and limitations set forth herein. However, Lazard's estimates of the hypothetical ranges of Enterprise Value and Equity Value do not constitute an opinion as to fairness from a financial point of view of the consideration to be received under the Plan or of the terms and provisions of the Plan.

**THE ESTIMATED HYPOTHETICAL RANGE OF ENTERPRISE VALUE, AS OF AN ASSUMED EFFECTIVE DATE OF DECEMBER 31, 2009, REFLECTS INFORMATION IN RESPECT OF THE BUSINESS AND ASSETS OF THE DEBTORS AVAILABLE AS OF AUGUST 31, 2009. IT SHOULD BE UNDERSTOOD THAT, ALTHOUGH SUBSEQUENT DEVELOPMENTS MAY AFFECT THESE VALUES, NEITHER THE DEBTORS NOR LAZARD SHALL HAVE ANY OBLIGATION TO UPDATE, REVISE OR REAFFIRM THESE ESTIMATES.<sup>24</sup>**

With respect to the Financial Projections prepared by the management of the Debtors and included as Exhibit E to this Disclosure Statement, Lazard assumed that such Financial Projections were reasonably prepared in good faith and on a basis reflecting the most accurate currently available estimates and judgments of the Debtors as to the future operating and financial performance of the Reorganized Debtors. Lazard's estimate of the hypothetical range of the Enterprise Value assumes that operating results projected by the Debtors will be achieved by the Reorganized Debtors in all material respects, including revenue growth and changes in operating margins, earnings and cash flow. If the Reorganized Debtors perform at levels materially above or below those set forth in the Financial Projections, such performance may have a material impact on the estimated hypothetical range of Enterprise Value.

In estimating the hypothetical range of the Enterprise Value of the Reorganized Debtors, Lazard (a) reviewed certain historical financial information of the Debtors for recent years and interim periods; (b) reviewed certain internal financial and operating data of the Debtors, including the Projections contained in Exhibit E to this Disclosure Statement, which data was prepared and provided to Lazard by the management of the Debtors and which relate to the Debtors' business and its prospects; (c) met with certain members of senior management of the Debtors to discuss the Debtors' operations and future prospects; (d) reviewed publicly available financial data and considered the market value of public companies that Lazard deemed

---

<sup>24</sup> The Debtors and their advisors continue to analyze and conduct due diligence with respect to the various matters summarized in this section, including, without limitation, the Debtors' available NOLs as of the projected Effective Date. Accordingly, the Debtors reserve the right to supplement, modify, update and/or revise the information set forth in this section, if and as they may deem appropriate, through the hearing on approval of this Disclosure Statement and potentially up to the Plan Supplement Filing Date.

generally comparable to the operating business of the Debtors; (e) considered relevant precedent transactions in the print directory industry; (f) considered certain economic and industry information relevant to the operating business; and (g) conducted such other studies, analysis, inquiries, and investigations as it deemed appropriate. Although Lazard conducted a review and analysis of the Debtors' business and the Reorganized Debtors' business plan, it assumed and relied on the accuracy and completeness of all financial and other information furnished to it by the Debtors, as well as publicly available information.

Lazard did not independently verify management's projections in connection with such estimates of the hypothetical range of Enterprise Value, and no independent valuations or appraisals of the Debtors were sought or obtained in connection herewith. In the case of the Reorganized Debtors, the estimates of the Enterprise Value prepared by Lazard represent the hypothetical reorganization value of the Reorganized Debtors. Such estimates were developed solely for purposes of the Plan and the analysis of implied relative recoveries to creditors thereunder. Such estimates reflect computations of the hypothetical range of the estimated Enterprise Value of the Reorganized Debtors through the application of various valuation techniques and do not purport to reflect or constitute appraisals, liquidation values or estimates of the actual market value that may be realized through the sale of any securities to be issued pursuant to the Plan, which may be significantly different than the amounts set forth herein.

The value of an operating business is subject to numerous uncertainties and contingencies that are difficult to predict and will fluctuate with changes in factors affecting the financial condition and prospects of such a business. As a result, the estimate of the range of the Enterprise Value of the Reorganized Debtors set forth herein is not necessarily indicative of actual outcomes, which may be significantly more or less favorable than those set forth herein. Because such estimates are inherently subject to uncertainties, neither the Debtors, Lazard, nor any other person assumes responsibility for their accuracy. In addition, the valuation of newly issued securities is subject to additional uncertainties and contingencies, all of which are difficult to predict. Actual market prices of such securities at issuance will depend upon, among other things, prevailing interest rates, conditions in the financial markets, the anticipated initial securities holdings of prepetition creditors, some of whom may prefer to liquidate their investment rather than hold it on a long-term basis, and other factors that generally influence the prices of securities.

As noted above, this estimate of the hypothetical range of Enterprise Value consists of the aggregate Enterprise Value of Reorganized RHDC and its direct and indirect subsidiaries on a going-concern basis. The Plan is premised upon complete deconsolidation of the Debtor entities. As such, the values of the individual Debtors subsidiaries of RHDC and the Claims against such Debtors may affect what is available for distribution to the creditors of each separate Debtor.

## **2. Additional Assumptions Regarding the Reorganized Debtors.**

Solely for purposes of the Plan, with respect to the hypothetical range of Enterprise Value of the Reorganized Debtors, in addition to the foregoing, Lazard has relied upon the following assumptions:

- The successful reorganization of the Debtors' businesses and finances in a timely manner.
- The implementation of the Reorganized Debtors' business plan and the achievement of the financial forecasts reflected therein.
- The present senior management of the Debtors will continue in their current positions following consummation of the Plan.
- The general financial and market conditions as of the assumed Effective Date of the Plan will not differ materially from those conditions prevailing as of the date of this Disclosure Statement or through the projection period.
- The Enterprise Value consists of the aggregate enterprise values of Reorganized RHDC and its direct and indirect subsidiaries.
- The Plan becomes effective in accordance with the estimates and other assumptions discussed herein.

Lazard's estimate represents a hypothetical range of value that reflects the estimated intrinsic value of the Reorganized Debtors derived through the application of various valuation techniques. Such analysis does not purport to represent valuation levels that would be achieved in, or assigned by, the public markets for debt and equity securities or private markets for corporations. Lazard's estimate of the hypothetical range of Enterprise Value does not purport to be an appraisal or to necessarily reflect the values which may be realized if assets are sold as a going concern, in liquidation, or otherwise.

### **3. Valuation Methodology.**

The following is a brief summary of certain financial analyses performed by Lazard, including a discounted cash flow analysis, publicly traded company analysis and precedent transactions analysis, to arrive at its estimate of the hypothetical range of the Enterprise Value of the Reorganized Debtors. Lazard performed certain procedures, including each of the financial analyses described below, and reviewed the assumptions with the management of the Debtors on which such analyses were based and other factors, including the projected financial results of the Reorganized Debtors. Lazard's estimates of the hypothetical range of Enterprise Values predominately relied upon the discounted cash flow analysis methodology given the limitations associated with the applicability of both the publicly traded company analysis and precedent transactions analysis in determining the Enterprise Value of the Reorganized Debtors for reasons described below.

Under the valuation methodologies summarized below, Lazard derived a range of hypothetical enterprise values assuming the Reorganized Debtors are full taxpayers. Lazard separately analyzed the value of the Debtors' tax attributes as of the assumed Effective Date, and added this value to derive the Enterprise Value.

(a) Discounted Cash Flow Analysis

The Discounted Cash Flow (“DCF”) analysis is a forward-looking enterprise valuation methodology that relates the value of an asset or business to the present value of expected future cash flows to be generated by that asset or business. Under this methodology, projected future cash flows are discounted by the business’ weighted average cost of capital (the “WACC”). The WACC reflects the estimated blended rate of return that debt and equity investors would require to invest in the business based on its capital structure. The DCF analysis has three components: the present value of the projected un-levered after-tax free cash flows for a determined period, the present value of the terminal value of cash flows (representing firm value beyond the time horizon of the projections) and the present value of the below market cost of secured debt at DME and DMW through the term of the relevant securities.

As the estimated cash flows and estimated WACC of the Reorganized Debtors are used to derive a potential value, an analysis of the results of such an estimate is not purely mathematical, but instead involves complex considerations and judgments concerning potential variances in the projected financial and operating characteristics of the Reorganized Debtors, as well as other factors that could affect the future prospects and cost of capital considerations for the Reorganized Debtors.

The DCF calculation was performed based on un-levered after-tax free cash flows for the projection period of 2010 to 2014. Lazard utilized management’s detailed financial projections as the primary input. Beginning with earnings before interest and taxes (“EBIT”), the analysis taxes this figure at an assumed rate of 40% to calculate an un-levered net income figure. The analysis then adds back the non-cash operating expense of depreciation and amortization. In addition, other factors affecting free cash flow are taken into account, such as the change in working capital, pension contributions and capital expenditures, all of which do not affect the income statement and therefore require separate adjustments in the calculation.

Lazard performed this valuation for each of the four main operating entities, RHDI, DME, DMW and Business.com, on a deconsolidated basis assuming these entities were burdened with their proportionate share of RHDC overhead. The consolidated Enterprise Value of the Reorganized Debtors includes the sum of the discounted cash flow values for these four operating entities.

In performing the calculation, Lazard used a range of WACCs to discount future cash flows and terminal values between 9.0% and 11.0% for DME, DMW and RHDI, and between 15.5% and 17.5% for Business.com. These ranges are premised on a market cost of debt, not the anticipated cost of debt of the Reorganized Debtors upon emergence from bankruptcy. The Reorganized Debtors are only expected to benefit from the below market cost of secured debt through the October 2014 maturity of their credit facilities. The value of this benefit is measured separately. Lazard used a range of exit multiples of 2014 earnings before interest, taxes, depreciation and amortization (“EBITDA”) between 4.75x and 6.25x for DME, DMW and RHDI, and 6.0x and 8.0x for Business.com to determine terminal values.

Finally, using the pricing of the new RHDI secured debt as a proxy for a market cost of debt (LIBOR + 600-625bps; 300bps LIBOR floor), Lazard calculated the present value benefit of

the Reorganized Debtors' below market cost of debt at DME (LIBOR + 250bps) and DMW (LIBOR + 450 bps; 300bps LIBOR floor). In performing this calculation, Lazard measured the difference between the actual cost of debt at DME and DMW and the assumed market cost of debt and discounted this difference at a range of WACCs between 9.0% and 11.0%. In performing this analysis, we assumed that the Reorganized Debtors will pay alternative minimum tax of 20%.

(b) Publicly Traded Company Analysis

A publicly traded company analysis estimates value based on a comparison of the target company's financial statistics with the financial statistics of public companies that are similar to the target company. The analysis establishes a benchmark for asset valuation by deriving the value of "comparable" assets, standardized using a common variable such as EBITDA. The analysis includes a detailed multi-year financial comparison of each company's income statement, balance sheet and cash flow statement. In addition, each company's performance, profitability, margins, leverage and business trends are also examined. Based on these analyses, a number of financial multiples and ratios are calculated to gauge each company's relative performance and valuation.

A key factor to this approach is the selection of companies with relatively similar business and operational characteristics to the target company. Criteria for selecting comparable companies for the analysis include, among other relevant characteristics, similar lines of businesses, business risks, growth prospects, maturity of businesses, market presence, size, and scale of operations. The selection of truly comparable companies is often difficult and subject to limitations due to sample size and the availability of meaningful market-based information. However, the underlying concept is to develop a premise for relative value, which, when coupled with other approaches, presents a foundation for determining firm value.

Given the limited universe of comparable companies, coupled with the fact that most print directory and local media companies are highly distressed due to industry fundamentals, there are limitations as to its applicability in determining the Enterprise Value.

(c) Precedent Transactions Analysis

The precedent transactions analysis estimates value by examining public merger and acquisition transactions. The valuations paid in such acquisitions or implied in such mergers are analyzed as ratios of various financial results. These transaction multiples are calculated based on the purchase price (including any debt assumed) paid to acquire companies that are comparable to the Debtors. Since precedent transaction analysis reflects aspects of value other than the intrinsic value of a company, coupled with the fact that these transactions occurred in a different operating and financial environment, there are limitations as to its applicability in determining the Enterprise Value.

(d) Analysis of Post-Emergence Tax Attributes

The Reorganized Debtors expect to have significant tax attributes, including NOLs, amortizable tax basis and original issue discount, which are expected to result from the deemed

exchanges for tax purposes of the DME, DMW and RHDI secured debt, following their emergence from bankruptcy. It is expected that the Debtors' tax attributes as of the filing date, plus the NOLs created through the pendency of bankruptcy, will exceed any cancellation of debt income (COD). Lazard has valued these tax attributes of the Reorganized Debtors by calculating the present value of the tax savings they would be expected to provide relative to the taxes the Reorganized Debtors would otherwise pay absent the availability of such attributes. Based on input from management and the Debtors' tax advisors, Lazard assumed that the cash flows resulting from the benefit of Reorganized Debtors' tax attributes would be subject to alternative minimum tax. These cash flows were then discounted at a range of discount rates, based on the Reorganized Debtors' relevant cost of capital or cost of equity. Furthermore, Lazard took into account a variety of qualitative factors in estimating the value of the tax attributes, including such factors as implementation and utilization risk.

**THE SUMMARY SET FORTH ABOVE DOES NOT PURPORT TO BE A COMPLETE DESCRIPTION OF THE ANALYSES PERFORMED BY LAZARD. THE PREPARATION OF AN ESTIMATE INVOLVES VARIOUS DETERMINATIONS AS TO THE MOST APPROPRIATE AND RELEVANT METHODS OF FINANCIAL ANALYSIS AND THE APPLICATION OF THESE METHODS IN THE PARTICULAR CIRCUMSTANCES AND, THEREFORE, SUCH AN ESTIMATE IS NOT READILY SUSCEPTIBLE TO SUMMARY DESCRIPTION. IN PERFORMING THEIR ANALYSES, LAZARD AND THE DEBTORS MADE NUMEROUS ASSUMPTIONS WITH RESPECT TO INDUSTRY PERFORMANCE, BUSINESS AND ECONOMIC CONDITIONS AND OTHER MATTERS. THE ANALYSES PERFORMED BY LAZARD ARE NOT NECESSARILY INDICATIVE OF ACTUAL VALUES OR FUTURE RESULTS, WHICH MAY BE SIGNIFICANTLY MORE OR LESS FAVORABLE THAN SUGGESTED BY SUCH ANALYSES.**

#### **IX. DESCRIPTION OF CAPITAL STOCK OF REORGANIZED RHDC**

On the Effective Date, the authorized capital stock of Reorganized RHDC will consist of a fixed number of shares of New RHDC Common Stock. Set forth below is a summary of (i) the terms of the New RHDC Common Stock, which will be set forth in their entirety in the Amended and Restated Certificate of Incorporation of Reorganized RHDC (the "Certificate of Incorporation"), which will be substantially in the form attached as Exhibit 5.2.1(1) to the Plan and (ii) the number and par value of shares of preferred stock authorized by the Certificate of Incorporation. Consistent with, but only to the extent required by, Section 1123(a)(6) of the Bankruptcy Code, the Certificate of Incorporation shall prohibit the issuance of non-voting equity securities. To the extent that there is any inconsistency between this summary and the Certificate of Incorporation, the terms of the Certificate of Incorporation shall control.

##### **A. RHDC Common Stock.**

The Certificate of Incorporation provides that Reorganized RHDC will have authorized [\_\_\_\_\_] ([\_\_\_\_\_] shares of common stock, \$.01 par value per share. Each share of New RHDC Common Stock will have one vote upon all matters to be voted on by the holders of New RHDC Common Stock, and shall be entitled to participate equally in all dividends payable with respect to the New RHDC Common Stock. The Board of Directors of Reorganized RHDC will

be elected by the affirmative vote of a majority of the New RHDC Common Stock present and entitled to vote on such matter. Each share of New RHDC Common Stock will share equally, subject to the rights and preferences of any series of outstanding New RHDC Preferred Stock (as fixed by resolutions, if any, of the Board of Directors), in all assets of Reorganized RHDC, in the event of any voluntary or involuntary liquidation, dissolution or winding up of the affairs of RHDC, or upon any distribution of the assets of the Reorganized RHDC. Holders of the New RHDC Common Stock will not have preemptive rights. Voting of the New RHDC Common Stock will not be cumulative.

**B. RHDC Preferred Stock.**

The Certificate of Incorporation provides that Reorganized RHDC will have authorized [\_\_\_\_\_] ([\_\_\_\_\_] shares of preferred stock, \$.01 par value per share (the “New RHDC Preferred Stock”), issuable in one or more series by the Board of Directors without stockholder approval. The Plan does not provide for issuance of any preferred stock as of the Effective Date.

**X. RISK FACTORS**

THE IMPLEMENTATION OF THE PLAN IS SUBJECT TO A NUMBER OF MATERIAL RISKS, INCLUDING THOSE ENUMERATED BELOW.

IN EVALUATING WHETHER TO VOTE TO ACCEPT OR REJECT THE PLAN, HOLDERS OF CLAIMS AGAINST ANY OF THE DEBTORS ENTITLED TO VOTE ON THE PLAN SHOULD READ AND CAREFULLY CONSIDER THE RISK FACTORS SET FORTH BELOW, AS WELL AS THE OTHER INFORMATION SET FORTH IN THIS DISCLOSURE STATEMENT (AND THE DOCUMENTS DELIVERED TOGETHER HEREWITH AND/OR INCORPORATED BY REFERENCE HEREIN), PRIOR TO VOTING TO ACCEPT OR REJECT THE PLAN. THESE RISK FACTORS SHOULD NOT, HOWEVER, BE REGARDED AS CONSTITUTING THE ONLY RISKS INVOLVED IN CONNECTION WITH THE PLAN AND ITS IMPLEMENTATION, OR ALTERNATIVES TO THE PLAN.

**A. General Bankruptcy Law Considerations.**

**1. Failure to Obtain Confirmation of the Plan May Result in Liquidation or Alternative Plan on Less Favorable Terms.**

Although the Debtors believe that the Plan will satisfy all requirements for confirmation under the Bankruptcy Code, there can be no assurance that the Bankruptcy Court will reach the same conclusion. Moreover, there can be no assurance that modifications to the Plan will not be required for confirmation or that such modifications would not be sufficiently material as to necessitate the resolicitation of votes on the Plan.

In the event that any Class of Claims entitled to vote fails to accept the Plan in accordance with Section 1126(c) and 1129(a)(8) of the Bankruptcy Code, the Debtors reserve the right: (a) to request that the Bankruptcy Court confirm the Plan in accordance with Section 1129(b) of the Bankruptcy Code; and/or (b) to modify the Plan in accordance with Section 12.9

thereof. While the Debtors believe that the Plan satisfies the requirements for non-consensual confirmation under Section 1129(b) of the Bankruptcy Code because it does not “discriminate unfairly” and is “fair and equitable” with respect to any Class that may reject or may be deemed to reject the Plan, there can be no assurance that the Bankruptcy Court will reach the same conclusion. There can be no assurance that any such challenge to the requirements for non-consensual confirmation will not delay the Debtors’ emergence from chapter 11 or prevent confirmation of the Plan.

If the Plan is not confirmed, there can be no assurance that the Chapter 11 Cases will continue rather than be converted into chapter 7 liquidation cases or that any alternative plan or plans of reorganization would be on terms as favorable to the Holders of Claims against any of the Debtors as the terms of the Plan. If a liquidation or protracted reorganization of the Debtors’ Estates were to occur, there is a substantial risk that the Debtors’ going concern value would be substantially eroded to the detriment of all stakeholders.

## **2. Failure of Occurrence of the Effective Date May Result in Liquidation or Alternative Plan on Less Favorable Terms.**

There can be no assurance with respect to timing of the Effective Date. The occurrence of the Effective Date is also subject to certain conditions precedent as described in Article IX of the Plan. Failure to meet any of these conditions could result in the Plan not being consummated.

If the Confirmation Order is vacated, (a) the Plan shall be null and void in all respects; (b) any settlement of Claims or Interests provided for in the Plan shall be null and void without further order of the Bankruptcy Court; and (c) the time within which the Debtors may assume and assign or reject all executory contracts and unexpired leases shall be extended for a period of one hundred twenty (120) days after the date the Confirmation Order is vacated.

If the Effective Date of the Plan does not occur, there can be no assurance that the Chapter 11 Cases will continue rather than be converted into chapter 7 liquidation cases or that any alternative plan or plans of reorganization would be on terms as favorable to the Holders of Claims against any of the Debtors as the terms of the Plan. If a liquidation or protracted reorganization of the Debtors’ Estates were to occur, there is a substantial risk that the Debtors’ going concern value would be eroded to the detriment of all stakeholders.

## **B. Other Risk Factors.**

### **1. Variances from Projections May Affect Ability to Pay Obligations.**

The Debtors have prepared the projected financial information contained in this Disclosure Statement relating to the Reorganized Debtors, including the pro forma financial statements attached as Exhibit E to this Disclosure Statement, in connection with the development of the Plan and in order to present the anticipated effects of the Plan and the transactions contemplated thereby. The Projections are intended to illustrate the estimated effects of the Plan and certain related transactions on the results of operations, cash flow and financial position of the Reorganized Debtors for the periods indicated. The Projections are

qualified by the introductory paragraphs thereto and the accompanying assumptions, and must be read in conjunction with such introductory paragraphs and assumptions, which constitute an integral part of the Projections. The Projections are based upon a variety of assumptions as set forth therein, and the Reorganized Debtors' future operating results are subject to and likely to be affected by a number of factors, including significant business, economic and competitive uncertainties, many of which are beyond the control of the Reorganized Debtors. In addition, unanticipated events and circumstances occurring subsequent to the date of this Disclosure Statement may affect the actual financial results of the Reorganized Debtors' operations. Accordingly, actual results may vary materially from those shown in the Projections, which may adversely affect the ability of the Reorganized Debtors to pay the obligations owing to certain Holders of Claims entitled to distributions under the Plan and other indebtedness incurred after confirmation of the Plan.

Management believes that the industries in which the Reorganized Debtors will be operating are volatile due to numerous factors, all of which make accurate forecasting very difficult. Although it is not possible to predict all risks associated with the Projections and their underlying assumptions, there are some risks which management is presently able to identify. The Projections assume that all aspects of the Plan will be successfully implemented on the terms set forth in this Disclosure Statement and that the publicity associated with the bankruptcy proceeding contemplated by the Plan will not adversely affect the Reorganized Debtors' operating results. There can be no assurance that these two assumptions are accurate, and the failure of the Plan to be successfully implemented, or adverse publicity, could have a materially detrimental effect on the Reorganized Debtors' businesses, results of operations and financial condition.

Moreover, the Projections were not prepared with a view toward public disclosure or with a view toward complying with the guidelines established by the American Institute of Certified Public Accountants with respect to prospective financial information. Rather, the Projections were developed in connection with the planning, negotiation and development of the Plan. The Reorganized Debtors do not undertake any obligation to update or otherwise revise the Projections to reflect events or circumstances existing or arising after the date of this Disclosure Statement or to reflect the occurrence of unanticipated events. In management's view, however, the Projections were prepared on a reasonable basis and represent a reasonable view of the expected future financial performance of the Reorganized Debtors after the Effective Date. Nevertheless, the Projections should not be regarded as a representation, guaranty or other assurance by the Debtors, Reorganized RHDC, the Reorganized Debtors or any other person that the Projections will be achieved and holders are therefore cautioned not to place undue reliance on the projected financial information contained in this Disclosure Statement.

## **2. Extent of Leverage May Limit Ability to Obtain Additional Financing for Operations.**

Although the Plan will result in the repayment of approximately \$700 million of secured debt and the elimination of approximately \$5.7 billion of unsecured debt, the Reorganized Debtors will continue to have a significant amount of indebtedness.

Such levels of indebtedness may limit the ability of the Reorganized Debtors to refinance, obtain additional financing for working capital, capital expenditures, product development, debt service requirements, acquisitions and general corporate or other purposes. Such levels of indebtedness may also limit the ability of the Reorganized Debtors to adjust to changing market conditions and to withstand competitive pressures, possibly leaving the Reorganized Debtors vulnerable in a downturn in general economic conditions or in their businesses or unable to carry out capital spending that is important to their growth and productivity improvement programs.

**3. The Debtors May Have Insufficient Liquidity to Successfully Operate Their Businesses.**

The Debtors expect to incur significant costs as a result of the Chapter 11 Cases. The Debtors are currently financing their operations during their reorganization using cash on hand and cash generated by operations which constitutes cash collateral pursuant to, and in accordance with, final cash collateral orders which were agreed to by the Debtors' secured lenders and approved by the Bankruptcy Court. In the event that the Debtors lose their authority to use cash collateral and do not have sufficient liquidity to fund their operations such that they need to obtain additional financing, there can be no assurance as to the Debtors' ability to obtain sufficient financing on acceptable terms or at all. The challenges of obtaining financing, if necessary, would be exacerbated by adverse conditions in the general economy and the volatility and tightness in the financial and credit markets. These conditions and our Chapter 11 Cases would make it more difficult for the Debtors to obtain financing.

**4. Assumptions Regarding Value of the Debtors' Assets May Prove Incorrect.**

It has been generally assumed in the preparation of the Projections that the historical book value of the Debtors' assets approximates those assets' fair value, except for specific adjustments. For financial reporting purposes, the fair value of the Debtors' assets must be determined as of the Effective Date. This determination will be based on an independent valuation. Although the Debtors do not presently expect this valuation to result in values that are materially greater or less than the values assumed in the preparation of the Projections, the Debtors can make no assurances with respect thereto.

**5. Historical Financial Information May Not Be Comparable.**

As a result of the consummation of the Plan and the transactions contemplated thereby, the financial condition and results of operations of the Reorganized Debtors from and after the Effective Date may not be comparable to the financial condition or results of operations reflected in the Debtors' historical financial statements.

**6. Market and Business Risks May Adversely Affect Business Performance.**

In the normal course of business, the Debtors are subject to certain types of risks and variables, which the Debtors anticipate may materially affect their business performance following the Effective Date.<sup>25</sup> For example, the local search industry in which the Company

---

<sup>25</sup> See also RHDC's Annual Report on Form 10-K for the year ended December 31, 2008 and the additional "Risk Factors" contained therein.

operates is highly competitive and fragmented. The Company competes with other print and online yellow pages directory publishers, as well as other types of media including television, newspaper, radio, direct mail, search engines, local search sites, advertising networks, and emerging technologies. Looking ahead, new content delivery technologies continue to evolve in the media environment. The Company regularly monitors developing trends and technologies to assess opportunities for enhancing its capabilities through new product development, partnerships or acquisitions, and identifies competitive threats where a specific response may be warranted.

In nearly all of its markets, the Company competes with one or more traditional print yellow pages directory publishers, including independent publishers such as Yellowbook, White Directory Publishing, Inc. and Phone Directories Company. In some markets, RHDC competes with other incumbent publishers such as Idearc and AT&T. RHDC competes with these publishers based on cost, quality, features, usage leadership and distribution.

Most major yellow pages directory publishers offer print and online directories as well as online search products. Virtually all independent publishers, including Yellowbook, a competitor in the majority of the Company's markets, compete aggressively and use pricing and discounting as a primary competitive tool to try to increase their market share. Due to the recent economic environment and trends in the Company's industry and an increase in competition and more fragmentation in the local business search space, the Company experienced a significant decline in advertising sales during 2008 and expects this trend to continue throughout 2009. The Company believes these same trends are also impacting its competitors.

Online competition has intensified as technologies have improved and broadband penetration has increased, offering a diverse set of advertising alternatives for small businesses. The Company considers its primary online competition to be the major search engines, such as Google, Yahoo!, MSN and others, in addition to the online directory properties of the largest yellow pages directory publishers, such as Superpages.com, provided by Idearc, and YellowPages.com, provided by AT&T. These companies operate on a national scale, competing for consumer and business users across the Company's entire region and actively soliciting advertisers in many of the Company's markets.

The Company's integrated Dex Advantage product and service offerings, as well as its enhanced distribution arrangements, have involved, and will likely continue to involve, cooperating with other local media companies with whom the Company also competes, particularly with respect to online local search. As a result, particularly as usage continues to migrate from print to online, the Company bears some risk that such cooperation arrangements may presently or come to constitute a significant component of the aggregate distribution of the advertising message that the Company offers to certain of its advertisers.

In addition, the Debtors must meet substantial debt service obligations and comply with restrictive covenants under their post-confirmation debt agreements. They must also contend with (i) fluctuations in interest rates; (ii) potential adverse consequences from RHDC's recent suspension of trading on the NYSE; (iii) the potential termination of one or more material Internet search engine, local search or portal agreements; (iv) the impact of potential and actual bankruptcy proceedings against Qwest, Embarq or AT&T during the term of the Debtors'

respective commercial agreements with such companies; (v) the inability of the Debtors to enforce any of their key agreements with Qwest, Embarq or AT&T; (vi) future changes in directory publishing obligations in Qwest and AT&T markets and other regulatory matters; (vii) dependence on third-party providers of printing, distribution, delivery and IT services; (viii) work stoppages or increased unionization among the Debtors' workforces; (ix) the potential loss of certain intellectual property rights; and (x) the ongoing global credit liquidity crisis and general economic factors.

**7. Business, Financial Condition and Results of Operations Could be Negatively Impacted by the Loss of Customers and Suppliers.**

Difficulties of providing services while attempting to reorganize the Debtors' business in bankruptcy may make it more difficult to maintain and promote services and attract customers to the Debtors' services and to keep the Debtors' suppliers. The Debtors' suppliers, vendors and services providers may require stricter terms and conditions. The loss of any of the Debtors' customers or suppliers during the pendency of the Chapter 11 Cases could have an adverse effect on the Debtors' business, financial condition and results of operations. In addition, the Debtors may experience other adverse effects, including, without limitation, a loss of confidence by current and prospective suppliers. Any failure to timely obtain suitable supplies at competitive prices could materially adversely affect the Debtors' businesses, financial condition and results of operations.

**8. Business Could Suffer From the Loss of Key Personnel.**

Among the Debtors' most valuable assets are their highly skilled employees who have the ability to leave the Debtors and so deprive the Debtors of valuable skills and knowledge that contribute substantially to their business operations. Although the Debtors have tried to maintain the confidence and dedication of their personnel through the pendency of the Chapter 11 Cases, the Debtors cannot be sure that they will ultimately be able to do so and, if not, that they will be able to replace such personnel with comparable personnel. In addition, the Debtors cannot be sure that such key personnel will not leave after consummation of the Plan and emergence from Chapter 11. Further attrition may hinder the Debtors' ability to operate efficiently, which could have a material adverse effect on their results of operations and financial condition. In addition, so long as the Chapter 11 Cases continue, the Debtors' senior management will be required to spend a significant amount of time and effort dealing with the reorganization instead of focusing exclusively on business operations.

**9. Adverse Publicity in Connection with the Chapter 11 Case or Otherwise, Could Negatively Affect Business.**

Adverse publicity or news coverage relating to the Debtors, including, but not limited to, publicity or news coverage in connection with the Chapter 11 Cases, may negatively impact the Debtors' efforts to establish and promote name recognition and a positive image after emergence from the Chapter 11 Cases.

**10. Pursuit of Litigation by the Parties in Interest Could Disrupt Confirmation of the Plan and Could Have Material Adverse Effects on the Debtors' Business and Financial Condition.**

There can be no assurance that any parties in interest will not pursue litigation strategies to enforce any claims against the Debtors. Litigation is by its nature uncertain and there can be no assurance of the ultimate resolution of such claims. Any litigation may be expensive, lengthy, and disruptive to the Debtors' normal business operations and the Plan confirmation process, and a resolution of any such strategies that is unfavorable to the Debtors could have a material adverse affect on the Plan confirmation process or their respective business, results of operations, financial condition, liquidity or cash flow.

**11. Debtors May Have an Inability to Take Advantage of Business Opportunities During the Chapter 11 Cases Without Bankruptcy Court approval.**

Transactions outside the ordinary course of business are subject to the prior approval of the Bankruptcy Court, which may limit the Debtors' ability to respond timely to certain events or take advantage of certain opportunities. In addition, the Bankruptcy Code limits the Debtors' ability to incur additional indebtedness, make investments, sell assets, consolidate, merge or sell or otherwise dispose of all or substantially all of the Debtors' assets or grant liens. These restrictions may place the Debtors at a competitive disadvantage. The Debtors may be unable to continue to grow their businesses through acquisitions and restrictions on the Debtors' ability to pursue other business strategies, unless the Debtors obtain Bankruptcy Court approval for those transactions.

**12. Other Firms in the Industry May Have a Competitive Advantage.**

The local search industry in which the Debtors operate is highly competitive and fragmented. The Debtors compete with other print and online yellow pages directory publishers, as well as other types of media including television, newspaper, radio, direct mail, search engines, local search sites, advertising networks, and emerging technologies. Looking ahead, new content delivery technologies continue to evolve the media environment.

In nearly all of their markets, the Debtors compete with one or more traditional print yellow pages directory publishers, including independent publishers such as Yellowbook, White Directory Publishing, Inc., and Phone Directories Company, and in some markets, the Debtors compete with other incumbent publishers such as Idearc and AT&T. The Debtors compete with these publishers based on cost per reference, quality, features, usage leadership and distribution.

Some of the incumbent publishers with which the Debtors compete are larger than the Debtors and have greater financial resources than the Debtors. Though the Debtors have limited market overlap with incumbent publishers relative to the size of their overall footprint, the Debtors may not be able to compete effectively with these publishers for advertising sales in these limited markets. In addition, independent publishers may commit more resources to certain markets than the Debtors are able to commit, thus limiting the Debtors' ability to compete effectively with these publishers in these areas for advertising sales.

### C. Risks to Creditors Who Will Receive Securities.

The ultimate recoveries under the Plan to Holders of Claims in Classes 1E, 1F, 2D, 3E, 4E, 4F, and 10E through 16E that receive New RHDC Common Stock and to Holders of Class 4E Claims that also receive New RHDC Notes pursuant to the Plan will depend on the realizable value of these securities. The securities to be issued pursuant to the Plan are subject to a number of material risks, including, but not limited to, those specified below. Prior to voting on the Plan, each Holder of a Claim in Classes 1E, 1F, 2D, 3E, 4E, 4F, and 10E through 16E should carefully consider the risk factors specified or referred to above and below, as well as all of the information contained in the Plan.

#### **1. Lack of Established Market for the Securities May Adversely Affect Liquidity.**

There can be no assurance that an active market for the New RHDC Common Stock or the New RHDC Notes will develop, nor can any assurance be given as to the prices at which such securities might be traded. Although the Company has agreed that Reorganized RHDC shall use its best efforts to obtain the listing of New RHDC Common Stock for trading on the NYSE or for quotation on the NASDAQ Stock Market, there can be no assurance that an active or liquid trading market will develop for either security.

The New RHDC Common Stock to be issued under the Plan has not been registered under the Securities Act of 1933 (as amended, together with the rules and regulations promulgated thereunder, the “Securities Act”), any state securities laws or the laws of any other jurisdiction. Absent such registration, the New RHDC Common Stock may be offered or sold only in transactions that are not subject to or that are exempt from the registration requirements of the Securities Act and other applicable securities laws. As explained in more detail in Article XII of the Disclosure Statement (“Certain Federal, State and Foreign Securities Law Considerations”), most recipients of New RHDC Common Stock will be able to resell such securities without registration pursuant to the exemption provided by Section 4(1) of the Securities Act.

#### **2. Lack of Dividends on Securities May Adversely Affect Liquidity.**

The Debtors do not anticipate that cash dividends or other distributions will be made by Reorganized RHDC with respect to the New RHDC Common Stock in the foreseeable future. In addition, covenants in certain debt instruments to which Reorganized RHDC or the Reorganized Debtors will be a party may restrict the ability of Reorganized RHDC or the Reorganized Debtors to pay dividends and make certain other payments. Further, such restrictions on dividends may have an adverse impact on the market demand for New RHDC Common Stock as certain institutional investors may invest only in dividend-paying equity securities or may operate under other restrictions that may prohibit or limit their ability to invest in the securities issued pursuant to the Plan.

### **XI. CERTAIN FEDERAL INCOME TAX CONSEQUENCES OF THE PLAN**

The following discussion is a summary of certain U.S. federal income tax aspects of the Plan, is for general information purposes only, and should not be relied upon for purposes of

determining the specific tax consequences of the Plan with respect to a particular Holder of a Claim or Interest. This discussion does not purport to be a complete analysis or listing of all potential tax considerations.

This discussion is based on existing provisions of the Internal Revenue Code of 1986, as amended (the “IRC”), existing and proposed Treasury Regulations promulgated thereunder, and current administrative rulings and court decisions. Legislative, judicial, or administrative changes or interpretations enacted or promulgated after the date hereof could alter or modify the analyses set forth below with respect to the U.S. federal income tax consequences of the Plan. Any such changes or interpretations may be retroactive and could significantly affect the U.S. federal income tax consequences of the Plan.

No ruling has been requested or obtained from the Internal Revenue Service (the “IRS”) with respect to any tax aspects of the Plan and no opinion of counsel has been sought or obtained with respect thereto. No representations or assurances are being made to the Holders of Claims or Interests with respect to the U.S. federal income tax consequences described herein.

Any discussion of U.S. federal tax issues set forth in this Disclosure Statement was written solely in connection with the confirmation of the Plan to which the transactions described in this Disclosure Statement are ancillary. Such discussion is not intended or written to be legal or tax advice to any person and is not intended or written to be used, and cannot be used, by any person for the purpose of avoiding any United States federal tax penalties that may be imposed on such person. Each Holder of a Claim or Interest should seek advice based on its particular circumstances from an independent tax advisor.

**A. Federal Income Tax Consequences to the Debtors.**

**1. Cancellation of Indebtedness Income.**

A debtor generally must recognize income from the cancellation of debt (“COD Income”) to the extent that its debt is discharged for consideration less than the amount of such debt. For these purposes, consideration includes the amount of cash and the fair market value of property, including stock of the debtor. COD Income is not required to be recognized, however, if the debtor is under the jurisdiction of a bankruptcy court in a case under chapter 11 and the discharge is granted, or is effected pursuant to a plan approved, by the court (the “Bankruptcy Exception”). Instead, the debtor is required to reduce certain of its tax attributes by the amount of COD Income, generally in the following order: net operating losses (“NOLs”), general business and minimum tax credit carryforwards, capital loss carryforwards, the basis of the debtor’s assets, and finally, foreign tax credit tax carryforwards (collectively, “Tax Attributes”). Generally, the reduction in the tax basis of assets cannot exceed the excess of the total tax bases of the debtor’s property held immediately after the debt discharge over the total liabilities of the debtor immediately after the discharge (the “Floor Rule”). A debtor may elect to first apply the reduction to the basis of the debtor’s depreciable assets, with any remaining balance applied to

the debtor's other Tax Attributes in the order stated above. The Floor Rule does not apply if this election is made.

Debtors that realize COD Income in 2009 or 2010 may, in lieu of the rules described above, elect to take into taxable income the COD Income with respect to discharged debt in equal installments in 2014 through 2018 (i.e., the debtor would report 20% of the COD Income in each such year). This election to defer COD Income is made separately with respect to each debt instrument on which COD Income is realized and must be made on the debtor's tax return for the year that includes the transaction that creates the COD Income.

Special rules apply to COD Income realized by a debtor corporation that is a member of a group filing a consolidated federal income tax return (the "Consolidated Attribute Reduction Rules"). The Consolidated Attribute Reduction Rules generally provide that the Tax Attributes attributable to the debtor corporation are the first to be reduced. For this purpose, Tax Attributes attributable to the debtor member include consolidated Tax Attributes (such as consolidated NOLs) that are attributable to the debtor member, and also include the basis of property of the debtor (including subsidiary stock), all of which are reduced in the order described above. To the extent that the COD Income of the debtor member exceeds the Tax Attributes attributable to it, the consolidated Tax Attributes attributable to other members of the consolidated group (including the portion of the consolidated NOL attributable to other members, but not including the basis of property of other members) must be reduced. In the case of a consolidated group with multiple debtor members, each debtor member's Tax Attributes must be reduced before such member's COD Income can be reduced by Tax Attributes attributable to other members of the consolidated group. In addition, to the extent that the debtor corporation is required to reduce its basis in the stock of another group member, the lower-tier member also must reduce its Tax Attributes, including the consolidated Tax Attributes attributable to that lower-tier member. Any required attribute reduction takes place after the consolidated group has determined its taxable income, and any federal income tax liability, for the taxable year in which the COD Income is realized.

The Company expects to realize substantial COD Income as a result of implementation of the Plan. The precise amount of COD Income will depend on, among other things, the fair market value of the New RHDC Common Stock, which cannot be known with certainty until after the Effective Date. Assuming, however, that the New RHDC Common Stock is valued consistently with the valuation assumption utilized in Article VIII of this Disclosure Statement, the Company estimates that it will realize COD Income between approximately \$4.9 billion and \$6.1 billion for U.S. federal income tax purposes. Pursuant to the Bankruptcy Exception, this COD Income will not be recognized as taxable income, but the Debtor that realizes the COD Income will have to reduce its Tax Attributes after calculating the tax for the taxable year of discharge. The Company does not expect to make the elections described above to reduce depreciable property first or to defer COD Income to 2014-2018.

As of December 31, 2008, the Company had approximately \$755 million of consolidated NOLs and approximately \$6 billion in amortizable tax basis in intangible assets. In addition, the Company expects to generate additional consolidated NOLs in 2009 and 2010. The amount of such consolidated NOLs and amortizable tax basis remains subject to adjustment by the IRS. As a general rule, an NOL incurred by a debtor during a taxable year can be carried back and

deducted from its taxable income generated within the two preceding taxable years and the remainder can be carried forward and deducted from the debtor's taxable income over the 20 succeeding taxable years. Amortizable tax basis in intangible assets can generally be deducted ratably from the debtor's taxable income over the 15-year period commencing with the year the intangible asset is acquired.

It is expected that a significant portion of the COD Income will be attributable to RHDC and that the COD Income that RHDC will realize will significantly exceed the consolidated NOLs of the Company. Under the Consolidated Attribute Reduction Rules described above, RHDC will first reduce its Tax Attributes starting with the consolidated NOLs attributable to RHDC. Any COD Income in excess of the amount of consolidated NOLs attributable to RHDC will be applied primarily against its tax basis in assets. It is expected that a significant portion of this reduction in tax basis will be with respect to RHDC's non-depreciable assets, such as stock in subsidiary corporations. As described above, a basis reduction in the stock of a U.S. subsidiary corporation will require such subsidiary corporation to reduce its Tax Attributes in the amount by which the parent corporation reduced its stock basis in that subsidiary corporation, subject to the Floor Rule.

It is also expected that certain U.S. subsidiaries of RHDC will directly realize COD Income. To the extent such subsidiaries have Tax Attributes remaining after the reduction of Tax Attributes described in the preceding paragraph, such subsidiaries will be required to reduce their Tax Attributes to the extent of the COD Income realized by such subsidiaries including, if necessary or applicable, basis in stock of subsidiary corporations and amortizable tax basis (again subject to the Floor Rule).

Any COD Income remaining after the reduction of Tax Attributes described in the two preceding paragraphs will then reduce certain consolidated tax attributes (such as NOLs) attributable to other members of the Company.

As a result of the application of these rules, it is expected that any NOLs of the Company that are not absorbed in the calculation of tax for the year of discharge and that cannot be carried back to an earlier taxable year will be eliminated and therefore not available to offset income of the Company for taxable years following the year of discharge. Further, it is expected that a significant portion of the Company's tax basis in amortizable intangibles will be reduced, thereby potentially resulting in the Company having to pay U.S. federal income taxes sooner and in a greater amount than if its Tax Attributes were not required to be reduced under the foregoing rules. Because of the application of the Floor Rule, however, the Company does not expect to reduce its Tax Attributes by the full amount of COD Income realized. Specifically, the Company estimates that it will have over \$2 billion in amortizable tax basis in intangible assets following attribute reduction.

## **2. Annual Section 382 Limitation on Use of NOLs and "Built-In" Losses and Deductions.**

### **(a) Overview of Section 382**

Section 382 of the IRC contains certain rules limiting the ability of corporations to utilize NOLs when there has been an “ownership change” (the “Annual Section 382 Limitation”). An “ownership change” generally is defined as a more than 50 percentage point change in ownership of the value of the stock of a “loss corporation” (a corporation with NOLs) that takes place during the three-year period ending on the date on which such change in ownership is tested.

As a general rule, the Annual Section 382 Limitation equals the product of the value of the stock of the loss corporation (with certain adjustments) immediately before the ownership change and the applicable “long-term tax-exempt rate,” a rate published monthly by the Treasury Department (4.48% for ownership changes that occur during October 2009). Any unused portion of the Annual Section 382 Limitation generally is available for use in subsequent years. The Annual Section 382 Limitation is increased in the case of a corporation that has net unrealized built-in gains (“NUBIG”), i.e., gains economically accrued but unrecognized at the time of the ownership change, in excess of a threshold amount. Such a corporation can use NOLs in excess of its Annual Section 382 Limitation to the extent that it realizes those NUBIGs for U.S. federal income tax purposes in the five years following the ownership change. For purposes of determining the Annual Section 382 Limitation for a consolidated tax group, the determination as to whether the group has a NUBIG generally is made on a consolidated basis (*i.e.*, by netting the built-in losses and built-in gains of all members of the group).

In addition to limiting a corporation’s ability to use NOLs, the Annual Section 382 Limitation may also apply to certain losses or deductions which are “built-in” as of the date of the ownership change and that are subsequently recognized. If a loss corporation has a net-unrealized built-in loss (“NUBIL”) at the time of the ownership change, then any built-in losses or deductions (which for this purpose includes a portion of the depreciation or amortization of depreciable or amortizable assets that have a built-in loss) that are recognized during the following five years (up to the amount of the original built-in loss) generally will be subject to the Annual Section 382 Limitation. Special rules apply for purposes of determining the amount of built-in losses of a consolidated tax group that are subject to an Annual Section 382 Limitation, including requirements to compute NUBILs on a separate company basis for certain members of the group. Under these rules, it is possible that a consolidated group may have an overall NUBIG for purposes of determining its ability to utilize NOLs, but that an individual member may have a NUBIL that will limit its ability to deduct built-in losses.

Section 382(l)(5) of the IRC provides an exception to the application of the Annual Section 382 Limitation when a corporation is under the jurisdiction of a court in a Title 11 case (the “382(l)(5) Bankruptcy Exception”). The 382(l)(5) Bankruptcy Exception provides that where an ownership change occurs pursuant to a bankruptcy reorganization or similar proceeding, the Annual Section 382 Limitation will not apply if the pre-change shareholders and/or “qualified creditors” (as defined by applicable Treasury Regulations) own at least 50 percent of the stock of the reorganized corporation immediately after the ownership change. However, under the 382(l)(5) Bankruptcy Exception, a corporation’s pre-change losses and excess credits that may be carried over to a post-change year must be reduced to the extent attributable to any interest paid or accrued on certain debt converted to stock in the reorganization. In addition, if the 382(l)(5) Bankruptcy Exception applies, a second ownership change of the corporation within a two-year period will cause the corporation to forfeit all of its unused NOLs that were incurred prior to the date of the second ownership change. If a

corporation qualifies for the 382(l)(5) Bankruptcy Exception, the use of its NOLs will be governed by that exception unless the corporation affirmatively elects for the provisions not to apply.

If a corporation in bankruptcy is not eligible for the 382(l)(5) Bankruptcy Exception or elects out of that provision, a special rule under Section 382(l)(6) of the IRC will apply in calculating the Annual Section 382 Limitation. Under this special rule, the Annual Section 382 Limitation will be calculated by reference to the lesser of the value of the corporation's stock (with certain adjustments) immediately after the ownership change (as opposed to immediately before the ownership change, as discussed above) or the value of the debtor's assets (determined without regard to liabilities) immediately before the ownership change.

(b) Application of Section 382 to the Company.

The Company believes it underwent an ownership change on March 6, 2009. Because this ownership change occurred before the Petition Date, the Company did not qualify for the 382(l)(5) Bankruptcy Exception or the special rule of Section 382(l)(6). However, the Company believes it had a significant NUBIG at the time of the ownership change and expects that it will recognize almost all of this NUBIG within the five-year period following the change date. As a result, the Annual Section 382 Limitation resulting from such ownership change is not anticipated to have a material impact on the Company's ability to use its NOLs in 2009 or 2010.

Although the Company believes that it had an overall NUBIG on a consolidated basis at the time of the ownership change, certain members of the Company had a NUBIL at the time of such ownership change. As a result of the special rules described above, certain of the Company's built-in losses and deductions (which for this purpose includes a portion of the depreciation or amortization of depreciable or amortizable assets that have a built-in loss) are subject to limitations on recognition for the five-year period following such ownership change. Based on current projections, these limitations are not expected to result in material U.S. federal income taxes payable for the Company. The Company will likely, however, be liable for alternative minimum taxes as a result of certain members having a NUBIL as of such change date (see "Alternative Minimum Tax", below).

It is expected that the Company will undergo an additional ownership change as a result of the implementation of the Plan. The Company does not expect any additional limitations resulting from such ownership change to be more severe than those resulting from the prior ownership change, regardless of whether the Company applies the 382(l)(5) Bankruptcy Exception (if available) or the special rule under Section 382(l)(6).

### **3. Alternative Minimum Tax.**

In general, an alternative minimum tax ("AMT") is imposed on a corporation's alternative minimum taxable income ("AMTI") each year at a 20% rate to the extent such tax exceeds the corporation's regular U.S. federal income tax for such year. AMTI is generally equal to regular taxable income with certain adjustments. For purposes of computing AMTI, certain tax deductions and other beneficial allowances are modified or eliminated. For example, even though for regular tax purposes a corporation might otherwise be able to offset all of its taxable

income by NOL carryovers from prior years, only 90% of a corporation's AMTI may be offset by available alternative tax NOL carryforwards. Further, if a corporation that undergoes an "ownership change" within the meaning of Section 382 of the IRC has a NUBIL at the time of such change, the corporation is required to compute its AMTI based, in part, on the fair market value, rather than the tax basis, of its assets. Any AMT tax that a corporation pays is generally allowed as a nonrefundable credit against its regular U.S. federal income tax liability in future taxable years to the extent that the corporation is no longer subject to AMT.

As a result of these rules, even though the Company may not have regular U.S. federal income tax liability by reason of its Tax Attributes, it will likely owe AMT.

**B. Federal Income Tax Consequences to Holders of Claims and Interests.**

The United States federal income tax consequences of the transactions contemplated by the Plan to Holders of Claims or Interests that are United States Persons will depend upon a number of factors. For purposes of the following discussion, a "United States Person" is any person or entity (1) who is a citizen or resident of the United States, (2) that is a corporation (or entity treated as a corporation) created or organized in or under the laws of the United States or any state thereof, (3) that is an estate, the income of which is subject to United States federal income taxation regardless of its source or (4) that is a trust (a) the administration over which a United States person can exercise primary supervision and all of the substantial decisions of which one or more United States persons have the authority to control; or (b) that has elected to continue to be treated as a United States Person for United States federal income tax purposes. In the case of a partnership, the United States federal income tax treatment of its partners will depend on the status of the partner and the activities of the partnership. United States Persons who are partners in a partnership should consult their tax advisors. A "Non-United States Person" is any person or entity (other than a partnership) that is not a United States Person. For purposes of the following discussion and unless otherwise noted below, the term "Holder" shall mean a beneficial owner of a Claim or Interests that is a United States Person. The general United States federal income tax consequences to Holders of Claims or Interests that are Non-United States Persons are discussed below under Article XI.B.11 of this Disclosure Statement.

The United States federal income tax consequences to Holders of Claims and the character and amount of income, gain or loss recognized as a consequence of the Plan and the distributions provided for thereby will depend upon, among other things, (1) the manner in which a Holder acquired a Claim; (2) the length of time the Claim has been held; (3) whether the Claim was acquired at a discount; (4) whether the Holder has taken a bad debt deduction with respect to the Claim (or any portion thereof) in the current or prior years; (5) whether the Holder has previously included in income accrued but unpaid interest with respect to the Claim; (6) the method of tax accounting of the Holder; and (7) whether the Claim is an installment obligation for United States federal income tax purposes. Certain Holders of Claims or Interests (such as foreign persons, S corporations, regulated investment companies, insurance companies, financial institutions, small business investment companies, broker-dealers and tax-exempt organizations) may be subject to special rules not addressed in this summary. There also may be state, local, and/or foreign income or other tax considerations or United States federal estate and gift tax considerations applicable to Holders of Claims or Interests, which are not addressed herein. EACH HOLDER OF A CLAIM OR INTEREST AFFECTED BY THE PLAN IS STRONGLY

URGED TO CONSULT ITS OWN TAX ADVISOR REGARDING THE SPECIFIC TAX CONSEQUENCES OF THE TRANSACTIONS DESCRIBED HEREIN AND IN THE PLAN.

**1. General.**

A Holder who receives cash or other consideration (including, without limitation, New RHDC Common Stock) in satisfaction of its Claims may recognize ordinary income or loss to the extent that any portion of such consideration is characterized as accrued interest. A Holder who did not previously include in income accrued but unpaid interest attributable to its Claim, and who receives a distribution on account of its Claim pursuant to the Plan, will be treated as having received interest income to the extent that any consideration received is characterized for United States federal income tax purposes as interest, regardless of whether such Holder realizes an overall gain or loss as a result of surrendering its Claim. A Holder who previously included in its income accrued but unpaid interest attributable to its Claim should recognize an ordinary loss to the extent that such accrued but unpaid interest is not satisfied, regardless of whether such Holder realizes an overall gain or loss as a result of the distribution it may receive under the Plan on account of its Claim. The manner in which consideration is to be allocated between accrued interest and principal for these purposes is unclear under present law. Each Holder is urged to consult its tax advisor with respect to the allocation of amounts received between the principal and interest portions of its Claim.

If not otherwise so required, a Holder who receives New RHDC Common Stock in exchange for its Claim will be required to treat gain recognized on a subsequent sale or other taxable disposition of the New RHDC Common Stock as ordinary income to the extent of (i) any bad debt deductions taken with respect to the Claim and any ordinary loss deductions incurred upon satisfaction of the Claim, less any income (other than interest income) recognized by the Holder upon satisfaction of its Claim, and (ii) any amounts which would have been included in a Holder's gross income if the Holder's Claim had been satisfied in full, but which was not included in income because of the application of the cash method of accounting.

Subject to the foregoing rules relating to accrued interest, gain or loss recognized for United States federal income tax purposes as a result of the consummation of the Plan by Holders of Claims or Interests who hold their Claims or Interests as capital assets generally will be treated as a gain or loss from the sale or exchange of such capital asset. Capital gain or loss will be long-term if the Claim or Interest was held by the Holder for more than one year and otherwise will be short-term. Any capital losses realized generally may be used by a corporate Holder only to offset capital gains, and by an individual Holder only to the extent of capital gains plus \$3,000 of other income.

## **2. Holders of Convenience Claims (Classes 1C through 19C).**

Holders of Convenience Claims will realize and recognize gain or loss for United States federal income tax purposes as a result of the consummation of the Plan equal to the difference between their adjusted tax bases in such Claims immediately prior to the Effective Date and the amount of cash they receive pursuant to the Plan.

## **3. Holders of Claims in Classes 1D and 3D through 16D (Lenders Claims and Lenders Guaranty Claims).**

Pursuant to the Plan, the terms of Claims in Classes 1D and 3D through 16D (“Lenders Claims and Lenders Guaranty Claims”) may be modified by way of amendment to the Credit Agreement under which such claim arose. In addition, Holders of such Claims may receive cash in partial satisfaction of such claim. The United States federal income tax consequences of the Plan to Holders of Lenders Claims and Lenders Guaranty Claims depend, in part, on whether the modification of its Claim constitutes a “significant modification” of such Claim pursuant to Treasury Regulations under Section 1001 of the IRC. Examples of significant modifications include, but are not limited to, changes in the yield of a debt instrument by more than a certain threshold; changes in the timing of payments if it results in a material deferral of scheduled payments; substitution of a new obligor or a change in payment expectations in certain circumstances; and certain changes in the nature of a debt instrument.

If the modification of a Lenders Claim or Lenders Guaranty Claim does not constitute a “significant modification” of such Claim, the Holder of such Claim should not have an exchange that would give rise to a taxable event for United States federal income tax purposes, and any cash received should be treated as a reduction in the principal amount of such Claim. In such a case, such Claim Holder will not recognize gain or loss for United States federal income tax purposes as a result of the consummation of the Plan, the Holder’s holding period in its Claim will remain constant, and the Holder’s tax basis in its Claim will be equal to its basis before the transaction, minus any cash received in respect of such Claim.

If the modification of a Lenders Claim or Lenders Guaranty Claim constitutes a “significant modification” of such Claim, the Holder of such claim will, for United States federal income tax purposes, be deemed to exchange its Claim for a new debt instrument issued on the date of the exchange (the “New Debt”), and the Holder will realize gain or loss for United States federal income tax purposes as a result of the deemed exchange equal to the difference between (i) its adjusted tax basis in such Claim, determined immediately prior to the Effective Date, and (ii) the sum of (A) the “issue price” of the New Debt it receives in the exchange and (B) any cash received in respect of such Claim. The “issue price” of the New Debt will equal the principal amount thereof if it is not treated as “publicly traded” or its fair market value on the Effective Date if it is treated as “publicly traded.” For these purposes, a debt instrument generally is treated as “publicly traded” if, at any time during the 60 day period ending 30 days after the issue date, (i) the debt is listed on a national securities exchange or quoted on an interdealer quotation system sponsored by a national securities association, (ii) it appears on a system of general circulation (including a computer listing disseminated to subscribing brokers, dealers or traders) that provides a reasonable basis to determine fair market value by disseminating either recent price quotations (including rates, yields or other pricing information) of one or more identified

brokers, dealers or traders or actual prices (including rates, yields or other pricing information) of recent sales transactions or (iii) if, in certain circumstances, price quotations are readily available from dealers, brokers or traders.

Based on current interest rates and other relevant factors, the Company expects that, for United States federal income tax purposes, the modifications of Lenders Claims and Lenders Guaranty Claims will constitute “significant modifications” of such Claims, and, therefore, that the Holders of such Claims will be deemed to exchange such Claims for New Debt.

The United States federal income tax consequences to a Holder who is deemed to exchange its Lenders Claim or Lenders Guaranty Claim for New Debt depend on whether its Claim is a “security” for United States federal income tax purposes. See “Definition of ‘Security’” below. If a Lenders Claim or Lenders Guaranty Claim does not constitute a “security” for United States federal income tax purposes, then the deemed exchange of the Claim will be a taxable transaction, and the Holder of such Claim will be required to recognize the full amount of its gain or loss realized on the deemed exchange. In such a case, such Claim Holder’s initial tax basis in the New Debt it is deemed to receive in exchange for its Lenders Claim or Lenders Guaranty Claim should equal the issue price of the New Debt. Such Claim Holder’s holding period in the New Debt it receives in the deemed exchange would commence on the day after the Effective Date.

If a Lenders Claim or Lenders Guaranty Claim constitutes a “security” for United States federal income tax purposes and the New Debt received in the exchange does not constitute a “security” for United States federal income tax purposes, then the deemed exchange of the Claim will be a taxable transaction as described in the preceding paragraph.

If a Lenders Claim or Lenders Guaranty Claim constitutes a “security” for United States federal income tax purposes and the New Debt received in the exchange constitutes a “security” for United States federal income tax purposes, then the deemed exchange of such Claim will be treated as a “recapitalization” for United States federal income tax purposes. In such a case, such Claim Holder who realizes a loss on the exchange will not be permitted to recognize such loss. In addition, an exchanging Holder that realizes gain on the exchange will be required to recognize gain to the extent of the lesser of (i) the amount of gain realized and (ii) the amount of cash, if any, received by such Holder in respect of its Claim. A Claim Holder’s initial tax basis in the New Debt it is deemed to receive in exchange for its Lenders Claim or Lenders Guaranty Claim should equal the sum of (x) its adjusted tax basis in such Claim and (y) the amount of gain it recognizes on the deemed exchange, reduced by the amount of cash, if any, received by such Holder in respect of its Claim. A Claim Holder’s holding period in the New Debt it receives will include the holding period in the Lenders Claim or Lenders Guaranty Claim surrendered.

A Holder who receives New Debt will generally be required to include interest on the New Debt in income in accordance with such Holder’s regular method of tax accounting. If, however, the New Debt is treated as issued with original issue discount for United States federal income tax purposes, a Holder of New Debt will be required to include in income the amount of such original issue discount over the term of the New Debt based on the constant yield method. In such a case, a Holder will be required to include amounts in income before they are received. A Holder’s tax basis in a New Debt will be increased by the amount of original issue discount

included in income and reduced by the amount of cash (other than payments of stated interest) received with respect to the New Debt.

#### **4. Holders of Class 1E Claims (RHDC Noteholders Claims).**

The Holders of Class 1E and 1F Claims (the “RHDC Debt Claims”) will realize gain or loss for United States federal income tax purposes on the exchange of its RHDC Debt Claim for New RHDC Common Stock equal to the difference between (i) the adjusted tax basis in the RHDC Debt Claim surrendered in the exchange, determined immediately prior to the Effective Date, and (ii) the fair market value of the New RHDC Common Stock it receives in the exchange.

The tax consequences to a Holder of an RHDC Debt Claim depend on whether its RHDC Debt Claim is a “security” for United States federal income tax purposes. See “Definition of ‘Security’” below. If an RHDC Debt Claim does not constitute a “security” for United States federal income tax purposes, then the exchange of the RHDC Debt Claim for New RHDC Common Stock will be a taxable transaction, and the Holder of such Claim will be required to recognize gain or loss equal to the full amount of its gain or loss realized on the exchange. In such a case, a Holder’s initial tax basis in the New RHDC Common Stock it receives in the exchange will equal the fair market value of such New RHDC Common Stock on the Effective Date, and a Holder’s holding period in its New RHDC Common Stock will commence on the day after the Effective Date.

If a Holder’s RHDC Debt Claim constitutes a “security” for United States federal income tax purposes, then the exchange of the RHDC Debt Claim for New RHDC Common Stock will be treated as a recapitalization for United States federal income tax purposes. In such a case, (i) a Holder of such an RHDC Debt Claim should not recognize any gain or loss realized for United States federal income tax purposes with respect to the exchange of such RHDC Debt Claim, (ii) the Holder’s initial tax basis in the New RHDC Common Stock it receives in the exchange should equal its adjusted tax basis in such RHDC Debt Claim and (iii) the Holder’s holding period in the New RHDC Common Stock it receives in the exchange should include its holding period in the RHDC Debt Claim surrendered.

#### **5. Holders of Class 1F, 2D, 3E, 4F, and 10E through 16E Claims (RHDI Noteholders Guaranty, DMI Noteholders, RHDI Noteholders, and DMW Senior Subordinated Notes Noteholders Claims).**

The Holders of Class 1F, 2D, 3E, 4F, and 10E through 16E Claims (the “Subsidiary Debt Claims”) will realize gain or loss for United States federal income tax purposes on the exchange of its Subsidiary Debt Claim for New RHDC Common Stock equal to the difference between (i) the adjusted tax basis in the Subsidiary Debt Claim surrendered in the exchange, determined immediately prior to the Effective Date, and (ii) the fair market value of the New RHDC Common Stock it receives in the exchange.

As described more generally above, we intend to take the position that the New RHDC Common Stock received by a Subsidiary Debt Claim Holder is actually transferred by such Subsidiary. As a result, the exchange of a Subsidiary Debt Claim for New RHDC Common

Stock cannot be a “recapitalization” for United States federal income tax purposes, and therefore the exchange of a Subsidiary Debt Claim for New RHDC Common Stock will be a taxable transaction. In such a case, (i) the Holder of such a Claim will be required to recognize gain or loss equal to the full amount of its gain or loss realized on the exchange, (ii) a Holder’s initial tax basis in the New RHDC Common Stock it receives in the exchange will equal the fair market value of such New RHDC Common Stock on the Effective Date and (iii) a Holder’s holding period in its New RHDC Common Stock will commence on the day after the Effective Date.

The IRS could, however, challenge this position and, if it is successful, Holders may not be entitled to recognize a loss on the exchange.

#### **6. Holders of Class 4E Claims (DMW Senior Notes Noteholders Claims).**

The Holders of Class 4E Claims will realize gain or loss for United States federal income tax purposes as a result of the consummation of the Plan equal to the difference between (i) its adjusted tax basis in its Class 4E Claim, determined immediately prior to the Effective Date, and (ii) the sum of (A) the “issue price” of the New RHDC Notes and (B) the fair market value of the New RHDC Common Stock it receives. The “issue price” of the New RHDC Notes is generally expected to equal the principal amount thereof if they are not treated as “publicly traded” or their fair market value on the Effective Date if they are treated as “publicly traded.” For these purposes, a debt instrument generally is treated as “publicly traded” if, at any time during the 60 day period ending 30 days after the issue date, (i) the debt is listed on a national securities exchange or quoted on an interdealer quotation system sponsored by a national securities association, (ii) it appears on a system of general circulation (including a computer listing disseminated to subscribing brokers, dealers or traders) that provides a reasonable basis to determine fair market value by disseminating either recent price quotations (including rates, yields or other pricing information) of one or more identified brokers, dealers or traders or actual prices (including rates, yields or other pricing information) of recent sales transactions or (iii) if, in certain circumstances, price quotations are readily available from dealers, brokers or traders.

As described more generally above, we intend to take the position that the New RHDC Common Stock received by a Class 4E Claim Holder is actually transferred by DMW. As a result, the exchange of a Class 4E Claim cannot be a “recapitalization” for United States federal income tax purposes, and therefore the exchange of a Class 4E Claim for New RHDC Notes and New RHDC Common Stock will be a taxable transaction. In such a case, (i) the Holder of such a Claim will be required to recognize gain or loss equal to the full amount of its gain or loss realized on the exchange, (ii) a Class 4E Claim Holder’s initial tax basis in the New RHDC Common Stock it receives in exchange for its Class 4E Claim should equal the fair market value of such New RHDC Common Stock, and a Class 4E Claim Holder’s initial tax basis in the New RHDC Notes it receives in exchange for its Class 4E Claim should equal the issue price of such New RHDC Notes and (iii) A Class 4E Claim Holder’s holding period in property it receives in the exchange would commence on the day after the Effective Date.

The IRS could, however, challenge this position and, if it is successful, Holders may not be entitled to recognize loss on the exchange.

A Holder who receives New RHDC Notes will generally be required to include interest on the New RHDC Notes in income in accordance with such Holder's regular method of tax accounting. If, however, the New RHDC Notes are treated as issued with original issue discount for United States federal income tax purposes, a Holder of New RHDC Notes will be required to include in income the amount of such original issue discount over the term of the New RHDC Notes based on the constant yield method. In such a case, a Holder will be required to include amounts in income before they are received. A Holder's tax basis in a New RHDC Note will be increased by the amount of original issue discount included in income and reduced by the amount of cash (other than payments of stated interest) received with respect to the New RHDC Note.

**7. Holders of General Unsecured Claims (Classes 1G, 2E, 3F, 4G, 5E through 9E, 10F through 16F, and 17D through 19D).**

A Holder of General Unsecured Claims that, at the option of the Debtors, receives cash and/or property pursuant to the Plan will realize gain or loss for United States federal income tax purposes as a result of the consummation of the Plan equal to the difference between (i) its adjusted tax basis in its General Unsecured Claims, determined immediately prior to the Effective Date, and (ii) the sum of (A) the fair market value of any property, if any, and (B) the amount of cash, if any, it receives.

**8. Holders of RHDC Interests (Class 1I).**

Pursuant to the Plan, all RHDC Interests will be extinguished and cancelled as of the Effective Date, and Holders of RHDC Interests will receive nothing in exchange for such Interests. As a result, each Holder of RHDC Interests generally should recognize a loss for United States federal income tax purposes equal to the Holder's tax basis in such Interests extinguished under the Plan unless the Holder previously claimed a loss with respect to such Interests under its regular method of accounting.

**9. Definition of "Security".**

The term "security" is not defined in the IRC or in the Treasury Regulations. Whether an instrument constitutes a "security" for United States federal income tax purposes is determined based on all of the facts and circumstances. Certain authorities have held that one factor to be considered is the length of the initial term of the debt instrument. These authorities have indicated that an initial term of less than five years is evidence that the instrument is not a security, whereas an initial term of ten years or more is evidence that it is a security. Treatment of an instrument with an initial term between five and ten years is generally unsettled. Numerous factors other than the term of an instrument could be taken into account in determining whether a debt instrument is a security, including, but not limited to, whether repayment is secured, the level of creditworthiness of the obligor, whether or not the instrument is subordinated, whether the holders have the right to vote or otherwise participate in the management of the obligor, whether the instrument is convertible into an equity interest, whether payments of interest are fixed, variable or contingent and whether such payments are made on a current basis or are accrued.

## **10. Market Discount.**

The market discount provisions of the IRC may apply to Holders of certain Claims. In general, a debt obligation acquired by a Holder in the secondary market is a “market discount bond” as to that Holder if its stated redemption price at maturity (or, in the case of a debt obligation having original issue discount, its adjusted issue price) exceeds, by more than a statutory *de minimis* amount, the tax basis of the debt obligation in the Holder’s hands immediately after its acquisition. If a Holder has accrued market discount with respect to its Claims and such Holder realizes gain upon the exchange of its Claims for property pursuant to the Plan, such Holder may be required to include as ordinary income the amount of such accrued market discount to the extent of such realized gain. A Holder who receives New RHDC Notes in an exchange pursuant to the Plan that constitutes a recapitalization for United States federal income tax purposes may not be required immediately to include in income the accrued market discount to the extent such accrued market discount is allocable to the New RHDC Notes. In this event, such portion of the accrued market discount should carry over to the New RHDC Notes. Holders who have accrued market discount with respect to their claims should consult their tax advisors as to the application of the market discount rules to them in view of their particular circumstances.

## **11. Non-United States Persons.**

A Holder of a Claim that is a Non-United States Person generally will not be subject to United States federal income tax with respect to property (including money) received in exchange for such Claim pursuant to the Plan, unless (i) such Holder is engaged in a trade or business in the United States to which income, gain or loss from the exchange is “effectively connected” for United States federal income tax purposes, or (ii) if such Holder is an individual, such Holder is present in the United States for 183 days or more during the taxable year of the exchange and certain other requirements are met.

## **12. Information Reporting and Backup Withholding.**

Certain payments, including the payments with respect to Claims pursuant to the Plan, may be subject to information reporting by the payor (the relevant Debtor) to the IRS. Moreover, such reportable payments may be subject to backup withholding (currently at a rate of 28%) under certain circumstances. Backup withholding is not an additional tax. Amounts withheld under the backup withholding rules may be credited against a Holder’s United States federal income tax liability, and a Holder may obtain a refund of any excess amounts withheld under the backup withholding rules by filing an appropriate claim for refund with the IRS (generally, a United States federal income tax return).

## **C. Importance of Obtaining Professional Tax Assistance.**

THE FOREGOING DISCUSSION IS INTENDED ONLY AS A SUMMARY OF CERTAIN UNITED STATES FEDERAL INCOME TAX CONSEQUENCES OF THE PLAN AND IS NOT A SUBSTITUTE FOR CAREFUL TAX PLANNING WITH A TAX PROFESSIONAL. THE ABOVE DISCUSSION IS FOR INFORMATIONAL PURPOSES ONLY AND IS NOT TAX ADVICE. THE TAX CONSEQUENCES ARE IN MANY CASES

UNCERTAIN AND MAY VARY DEPENDING ON A HOLDER'S PARTICULAR CIRCUMSTANCES. ACCORDINGLY, HOLDERS ARE URGED TO CONSULT THEIR OWN TAX ADVISORS ABOUT THE UNITED STATES FEDERAL, STATE AND LOCAL, AND APPLICABLE FOREIGN INCOME AND OTHER TAX CONSEQUENCES OF THE PLAN.

**D. Reservation of Rights.**

This tax Section is subject to change (possibly substantially) based on subsequent changes to other provisions of the Plan. The Debtors and their advisors reserve the right to further modify, revise or supplement this Article XI and the other tax related Sections of the Plan up to ten (10) days prior to the date by which objections to Confirmation of the Plan must be filed and served.

**XII. CERTAIN FEDERAL, STATE AND FOREIGN SECURITIES LAW CONSIDERATIONS**

**A. Exemption From Registration Requirements.**

Upon consummation of the Plan, the Debtors will rely on Section 1145 of the Bankruptcy Code to exempt the issuance of the New RHDC Common Stock, from the registration requirements of the Securities Act and of any state securities or "blue sky" laws. Section 1145 of the Bankruptcy Code exempts from registration the offer or sale of securities of the debtor or a successor to a debtor under a chapter 11 plan if such securities are offered or sold in exchange for a claim against, or equity interest in, or a claim for an administrative expense in a case concerning, the debtor or a successor to the debtor under the Plan. The Debtors believe that Reorganized RHDC is a successor to RHDC under the Plan for purposes of Section 1145 of the Bankruptcy Code and that the offer and sale of the New RHDC Common Stock under the Plan satisfies the requirements of Section 1145 and is therefore exempt from the registration requirements of the Securities Act and state securities laws.

**B. Subsequent Transfers of Securities.**

In general, recipients of the New RHDC Common Stock will be able to resell the New RHDC Common Stock without registration under the Securities Act or other federal securities laws pursuant to the exemption provided by Section 4(1) of the Securities Act, unless the holder of such stock is an "underwriter" within the meaning of Section 1145(b) of the Bankruptcy Code. In addition, the New RHDC Common Stock generally may be resold without registration under state securities laws pursuant to various exemptions provided by the respective laws of the several states. However, recipients of the New RHDC Common Stock issued under the Plan are advised to consult with their own legal advisors as to the availability of any such exemption from registration under state law in any given instance and as to any applicable requirements or conditions to such availability.

Section 1145(b) of the Bankruptcy Code defines "underwriter" as one who (a) purchases a claim with a view to distribution of any security to be received in exchange for such claim, (b) offers to sell securities issued under a plan for the holders of such securities, (c) offers to buy securities issued under a plan from persons receiving such securities, if the offer to buy is made

with a view to distribution, or (d) is an “issuer” of the relevant security, as such term is used in Section 2(11) of the Securities Act. Under Section 2(11) of the Securities Act, an “issuer” includes any “affiliate” of the issuer, which means any person directly or indirectly through one or more intermediaries controlling, controlled by or under common control with the issuer.

To the extent that recipients of the New RHDC Common Stock under the Plan are deemed to be “underwriters,” the resale of the New RHDC Common Stock by such persons would not be exempted by Section 1145 of the Bankruptcy Code from registration under the Securities Act or other applicable laws. Persons deemed to be underwriters may, however, be permitted to sell such New RHDC Common Stock or other securities without registration pursuant to the provisions of Rule 144 under the Securities Act. This rule permits the public resale of securities received by “underwriters” if current information regarding the issuer is publicly available and if certain volume limitations and other conditions are met.

Certain persons may have rights to require Reorganized RHDC to register shares of New RHDC Common Stock held by such person for resale pursuant to a registration statement filed and effective under the Securities Act in accordance with the terms and conditions of the Registration Rights Agreement.

GIVEN THE COMPLEX NATURE OF THE QUESTION OF WHETHER A PARTICULAR PERSON MAY BE AN UNDERWRITER WITH RESPECT TO THE NEW RHDC COMMON STOCK, THE DEBTORS MAKE NO REPRESENTATIONS CONCERNING THE RIGHT OF ANY PERSON TO TRADE IN THE SHARES OF NEW RHDC COMMON STOCK ISSUED UNDER THE PLAN. THE DEBTORS RECOMMEND THAT HOLDERS OF CLAIMS OR INTERESTS CONSULT THEIR OWN COUNSEL CONCERNING WHETHER THEY MAY FREELY TRADE SUCH SECURITIES WITHOUT REGISTRATION UNDER THE SECURITIES ACT.

### **XIII. ALTERNATIVES TO CONFIRMATION AND CONSUMMATION OF THE PLAN**

If the Plan is not confirmed, the alternatives include (a) continuation of the Chapter 11 Cases and formulation of an alternative plan or plans of reorganization or (b) liquidation of the Debtors under chapter 7 or chapter 11 of the Bankruptcy Code. Each of these possibilities is discussed in turn below.

#### **A. Continuation of the Chapter 11 Cases.**

If the Debtors remain in chapter 11, the Debtors could continue to operate their businesses and manage their properties as Debtors in Possession, but they would remain subject to the restrictions imposed by the Bankruptcy Code. It is not clear whether the Debtors could continue as viable going concerns in protracted Chapter 11 Cases. The Debtors could have difficulty operating with the high costs, operating financing and the eroding confidence of their customers and trade vendors, if the Debtors remained in chapter 11. If the Debtors were able to obtain financing and continue as a viable going concern, the Debtors (or other parties in interest) could ultimately propose another plan or attempt to liquidate the Debtors under chapter 7 or chapter 11. Such plans might involve either a reorganization and continuation of the Debtors’ businesses, or an orderly liquidation of their assets, or a combination of both.

**B. Liquidation Under Chapter 7 or Chapter 11.**

If the Plan is not confirmed, the Debtors' Chapter 11 Cases could be converted to liquidation cases under chapter 7 of the Bankruptcy Code. In chapter 7, a trustee would be appointed to promptly liquidate the assets of the Debtors.

The Debtors believe that in a liquidation under chapter 7, before creditors received any distributions, additional administrative expenses involved in the appointment of a trustee and attorneys, accountants, and other professionals to assist such trustee, along with an increase in expenses associated with an increase in the number of unsecured claims that would be expected, would cause a substantial diminution in the value of the Estates. The assets available for distribution to creditors and equity holders would be reduced by such additional expenses and by Claims, some of which would be entitled to priority, which would arise by reason of the liquidation and from the rejection of leases and other executory contracts in connection with the cessation of the Debtors' operations and the failure to realize the greater going concern value of the Debtors' assets. In addition, the Debtors believe that the Liquidation Analysis attached to this Disclosure Statement as Exhibit F is speculative as it is necessarily premised upon assumptions and estimates. As such, the Liquidation Analysis can give no assurance as to the value which would be realized in a chapter 7 liquidation.

The Debtors could also be liquidated pursuant to the provisions of a chapter 11 plan of reorganization. In a liquidation under chapter 11, the Debtors' assets could be sold in a more orderly fashion over a longer period of time than in a liquidation under chapter 7. Thus, chapter 11 liquidation might result in larger recoveries than in a chapter 7 liquidation, but the delay in distributions could result in lower present values being received and higher administrative costs. Because a trustee is not required in a chapter 11 case, expenses for professional fees could be lower than in a chapter 7 case, in which a trustee must be appointed. Any distributions to the Holders of Claims or Interests under a plan of liquidation confirmed in the Chapter 11 Cases probably would be delayed substantially.

**XIV. CONCLUSION AND RECOMMENDATION**

The Debtors believe that confirmation of the Plan is preferable to the alternatives described above because it provides the greatest distributions and opportunity for distributions to Holders of Claims against any of the Debtors. In addition, any alternative to confirmation of the Plan could result in extensive delays and increased administrative expenses.

Accordingly, the Debtors urge all Holders of Claims entitled to vote on the Plan to vote to accept the Plan and to evidence such acceptance by returning their Ballots so that they are received no later than [4:00] p.m., prevailing Eastern Time, on [December 17, 2009].

## INTRODUCTION

R.H. Donnelley Corporation and those entities listed in footnote 1 hereto, hereby propose the following joint plans of reorganization for the Debtors<sup>2</sup> in their reorganization cases under chapter 11 of the Bankruptcy Code for the resolution of outstanding claims against and interests in the Debtors. The Debtors are the proponents of the Plan within the meaning of Section 1129 of the Bankruptcy Code. Reference is made to the Disclosure Statement, distributed contemporaneously herewith, for a discussion of the Debtors' history, business, properties and operations, projections for those operations, risk factors, a summary and analysis of the Plan, and certain related matters including, among other things, the securities to be issued under the Plan. Subject to certain restrictions and requirements set forth herein and in Section 1127 of the Bankruptcy Code and Bankruptcy Rule 3019, the Debtors reserve the right to alter, amend, modify, supplement, revoke or withdraw the Plan prior to its Substantial Consummation in accordance with the terms hereof, the Noteholders Support Agreement, the Confirmation Order, and the Bankruptcy Code; provided, however, that any amendment, modification or supplement to the Plan shall be reasonably acceptable to a Majority of Consenting Noteholders and shall not be inconsistent with the terms of the Banks Support Agreements.

##### **4.2 Acceptance by an Impaired Class.**

Pursuant to Section 1126(c) of the Bankruptcy Code, an Impaired Class of Claims shall have accepted the Plan if, after excluding any Claims held by any Holder designated pursuant to Section 1126(e) of the Bankruptcy Code, (a) the Holders of at least two-thirds in dollar amount of the Allowed Claims actually voting in such Class have voted to accept the Plan, and (b) more than one-half in number of such Allowed Claims actually voting in such Class have voted to accept the Plan.

Unless otherwise provided by the Plan or the Confirmation Order, Allowed Claims held against one Debtor will be satisfied solely from the cash and assets of such Debtor and its Estate, provided that, to the extent of any insufficiency, funds or other property may be advanced to the relevant Debtor(s) by any of the Estates of the Debtors. Except as specifically set forth herein, nothing in the Plan or the Disclosure Statement shall constitute or be deemed to constitute an admission that any one or all of the Debtors is subject to or liable for any Claims against any other Debtor. A Claim against multiple Debtors will be treated as a separate Claim against each Debtor's Estate for all purposes (including, but not limited to, voting and distribution; provided, however, that there shall be only a single recovery on account of such Claims and any distribution from a Debtor on account of such Claims shall take into account the Distributions to be made by other Debtors on account of such Claims pursuant to the Plan), and such Claims shall be administered and treated in the manner provided in the Plan.

Without limiting the foregoing, the Reorganized Debtors may pay the charges that they incur on or after the Effective Date for professionals' fees, disbursements, expenses or related support services without application to the Bankruptcy Court.

5.7 Cancellation of Notes, Instruments, Debentures and RHDC Interests.

On the Effective Date, except as otherwise provided for herein, all (a) Notes, RHDC Interests, and any other notes, bonds, indentures (including the Notes Indentures), stockholders agreements, registration rights agreements, repurchase agreements and repurchase arrangements or other instruments or documents evidencing or creating any indebtedness or obligations of a Debtor that relate to Claims or Interests that are Impaired under the Plan shall be cancelled, (b) the obligations of the Debtors under any agreements, stockholders agreements, registration rights agreements, repurchase agreements and repurchase arrangements, or indentures (including the Notes Indentures) governing the Notes, RHDC Interests and any other

notes, bonds, indentures, or other instruments or documents evidencing or creating any Claims or Interests against a Debtor that relate to Claims or Interests that are Impaired under the Plan shall be discharged, and (c) the obligations of the Debtors under the DME Hedge Agreements, DMW Hedge Agreements and RHDI Hedge Agreements shall be terminated and discharged; provided, however, that any agreements, notes and related instruments and documents executed and delivered by any of the Debtors in connection with the DME Credit Agreement, DMW Credit Agreement or RHDI Credit Agreement shall be subject to the terms and conditions of the Amended and Restated Credit Documents. Notwithstanding the foregoing and anything contained in the Plan, the Notes Indentures shall continue in effect to the extent necessary to (i) allow the Debtors, Reorganized Debtors or the relevant Notes Indenture Trustees to make distributions pursuant to the Plan on or about the Effective Date on account of the Noteholders Claims under the respective Notes Indentures, (ii) permit the relevant Notes Indenture Trustee to assert its Notes Indenture Trustee Charging Lien, (iii) permit the Notes Indenture Trustees to appear in the Chapter 11 Cases, and (iv) permit the applicable Notes Indenture Trustee to perform any functions that are necessary in connection with the foregoing clauses (i) through (iii); provided, however, that, for the avoidance of doubt, the Notes Indentures shall be, and shall be deemed to be, fully and completely terminated and discharged upon the making of the distributions set forth in clause (i) hereof. As of the Effective Date, any RHDC Interest that has been authorized to be issued but that has not been issued shall be deemed cancelled and extinguished without any further action of any party.

#### 5.8 Cancellation of Liens.

Except as otherwise provided in the Plan, on the Effective Date, any Lien securing any Other Secured Claim (other than a Lien securing an Other Secured Claim that is Reinstated pursuant to the Plan) shall be deemed released and the Holder of such Secured Claim shall be authorized and directed to release any collateral or other property of any Debtor (including any cash collateral) held by such Holder and to take such actions as may be requested by the Debtors (or the Reorganized Debtors, as the case may be) to evidence the release of such Lien, including the execution, delivery, and filing or recording of such releases as may be requested by the Debtors (or the Reorganized Debtors, as the case may be).

#### 5.9 Compensation and Benefit Programs

5.9.1 Except and to the extent previously assumed by an order of the Bankruptcy Court, as of the Confirmation Date, but subject to the occurrence of the Effective Date, all Employee Benefit Plans, including the Employment and Retirement Benefit Agreements, of the Debtors, as amended or modified, including programs subject to Sections 1114 and 1129(a)(13) of the Bankruptcy Code, entered into before, on or after the Petition Date and not since terminated, shall be deemed to be, and shall be treated as though they are, executory contracts that are assumed except for (i) executory contracts or plans specifically rejected pursuant to the Plan, and (ii) executory contracts or plans that have previously been rejected, are the subject of a motion to reject or have been specifically waived by the beneficiaries of any plans or contracts; provided, however, that (x) the Debtors shall pay all “retiree benefits” (as defined in Section 1114(a) of the Bankruptcy Code), (y) to the extent applicable, each of the Employment and Retirement Benefit Agreements shall be amended prior to (or upon) such assumption to provide that the implementation of the restructuring in accordance with the Plan shall not alone constitute “Good Reason” to terminate employment;

and (z) notwithstanding anything to the contrary in this Section 5.9.1, the assumption of Employee Benefit Plans not (i) listed on Exhibit C of the Noteholders Plan Term Sheet, or (ii) otherwise approved, authorized or assumed by an order of the Bankruptcy Court, shall be reasonably acceptable to a Majority of Consenting Noteholders.

5.9.2 As of the Effective Date, RHDC and any other Reorganized Debtor whose employees are covered by the Employee Pension Plans shall assume and continue the Employee Pension Plans, satisfy the minimum funding standards pursuant to 26 U.S.C. § 412 and 29 U.S.C. § 1082, and administer the Employee Pension Plans in accordance with their terms and the provisions of ERISA. Further, nothing in the Plan shall be construed in any way as discharging, releasing or relieving the Debtors or the Debtors' successors, including the Reorganized Debtors, or any party, in any capacity, from liability imposed under any law or regulatory provision with respect to the Employee Pension Plans or Pension Benefit Guaranty Corporation.

#### 5.10 Management Incentive Plan

As of the Effective Date, Reorganized RHDC shall adopt the Management Incentive Plan substantially in the form to be attached as an Exhibit to the Plan Supplement, pursuant to which not less than ten percent (10%) of the fully diluted New RHDC Common Stock shall be reserved for issuance. Awards under such Management Incentive Plan may be granted either (a) pursuant to action taken prior to the Effective Date with the consent of the Consenting Noteholders, with such grants to be effective on the Effective Date, or (b) from time to time on or after the Effective Date, as determined by the compensation committee of the Reorganized RHDC board of directors in such committee's discretion. On and after the Effective Date, eligible persons who receive awards under such Management Incentive Plan shall be entitled to the benefits thereof on the terms and conditions provided for therein. As of the Effective Date, all equity-based awards granted by a Debtor prior to the Petition Date shall terminate and cease to be binding on such Debtor.

#### 5.11 Sources of Cash for Plan Distributions.

Except as otherwise provided in the Plan or the Confirmation Order, all cash necessary for the Reorganized Debtors to make payments pursuant to the Plan may be obtained from existing cash balances, the operations of the Debtors and the Reorganized Debtors or sales of assets.

#### 5.12 Restructuring Transactions.

On, prior to or after the Effective Date, any Debtor or Reorganized Debtor may enter into or undertake any Restructuring Transactions and may take such actions as may be determined by such Debtor or Reorganized Debtor to be necessary or appropriate to effect such Restructuring Transactions; provided, however, that the Debtors shall have obtained the consent of a Majority of Consenting Noteholders prior to entering into or undertaking any such Restructuring Transaction that is entered into or undertaken on or prior to the Effective Date. The actions to effect the Restructuring Transactions may include, without limitation: (i) the execution and delivery of appropriate agreements or other documents of merger, consolidation, conversion, restructuring, recapitalization, disposition, liquidation or dissolution containing

terms that are consistent with the terms herein and that satisfy the requirements of applicable law and such other terms to which the applicable entities may agree; (ii) the execution and delivery of appropriate instruments of transfer, assignment, assumption, disposition, or delegation of any asset, property, right, liability, duty or obligation on terms consistent with the terms herein and having such other terms to which the applicable entities may agree; (iii) the filing of appropriate certificates or articles of merger, consolidation, conversion or dissolution (or similar instrument) pursuant to applicable law; and (iv) all other actions which the applicable entities may determine to be necessary or appropriate, including making filings or recordings that may be required by applicable law in connection with such transactions. The Restructuring Transactions may include one or more mergers, consolidations, conversions, restructurings, recapitalizations, dispositions, liquidations or dissolutions, as may be determined by the Debtors or Reorganized Debtors to be necessary or appropriate to effect the purposes of such Restructuring Transaction for the benefit of the Reorganized Debtors, including, without limitation, the potential simplification of the organizational structure of the Debtors or Reorganized Debtors; provided, however, that the Debtors shall have obtained the consent of a Majority of Consenting Noteholders prior to entering into any such Restructuring Transaction that is entered into on or prior to the Effective Date. In each case in which the surviving, resulting or acquiring person in any such transaction is a successor to a Reorganized Debtor, such surviving, resulting or acquiring person will perform the obligations of the applicable Reorganized Debtor pursuant to the Plan to pay or otherwise satisfy the Allowed Claims against such Reorganized Debtor, except as provided by applicable law or in any contract, instrument or other agreement or document effecting a disposition to such surviving, resulting or acquiring person, which may provide that another Reorganized Debtor will perform such obligations. Schedule 5.12, to be filed with the Plan Supplement, in form and substance reasonably acceptable, or acceptable, as the case may be, to a Majority of Consenting Noteholders in accordance with the Noteholders Support Agreement and Noteholders Plan Term Sheet, shall set forth a detailed description of the actions and steps required to implement the Restructuring Transactions. On or prior to, or as soon as practicable after, the Effective Date, the Debtors or the Reorganized Debtors may take such steps as they may deem necessary or appropriate to effectuate any Restructuring Transactions that satisfy the requirements set forth in this Section 5.12; provided, however, that the Debtors shall have obtained the consent of a Majority of Consenting Noteholders prior to entering into or undertaking any such Restructuring Transaction that is entered into or undertaken on or prior to the Effective Date. The Restructuring Transactions shall be authorized and approved by the Confirmation Order pursuant to, among other provisions, Sections 1123 and 1141 of the Bankruptcy Code and Section 303 of Title 8 of the Delaware Code, if applicable, without any further notice, action, third-party consents, court order or process of any kind.

#### 5.13 Additional Transactions Authorized Under the Plan.

In accordance with the provisions of the Plan and the Confirmation Order, on or prior to the Effective Date, the Debtors shall be authorized to take any such actions as may be necessary or appropriate to Reinstate Claims or Interests or render Claims or Interests not Impaired.

### **ARTICLE VI: TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES**

#### 6.1 Assumption of Executory Contracts and Unexpired Leases.

Upon the occurrence of the Effective Date, all executory contracts or unexpired leases of the Debtors shall be deemed assumed in accordance with, and subject to, the provisions and requirements of Sections 365 and 1123 of the Bankruptcy Code, unless such executory contract or unexpired lease (i) was previously assumed or rejected by the Debtors, (ii) previously expired or terminated in accordance with its terms, (iii) is an executory contract that is set forth on Exhibit 6.5 hereto, which shall be filed as an exhibit to the Plan Supplement, or (iv) is subject to the Assumption/Rejection Motion. Entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of each such assumption pursuant to Sections 365(a) and 1123 of the Bankruptcy Code. Each executory contract and unexpired lease assumed pursuant to this Article VI shall revert in and be fully enforceable by the respective Reorganized Debtor in accordance with its terms, except as modified by the provisions of the Plan, or any order of the Bankruptcy Court authorizing and providing for its assumption or applicable federal law.

#### 6.2 Cure of Defaults of Assumed Executory Contracts and Unexpired Leases.

Any monetary amounts by which each executory contract and unexpired lease to be assumed hereunder is in default shall be satisfied, pursuant to Section 365(b)(1) of the Bankruptcy Code, by payment of the default amount in cash on the Effective Date or on such other terms as the parties to each such executory contract or unexpired lease may otherwise agree. In the event of a dispute regarding (a) the amount of any cure payments, (b) the ability of the Reorganized Debtors or any assignee to provide “adequate assurance of future performance” (within the meaning of Section 365 of the Bankruptcy Code) under the contract or lease to be assumed or (c) any other matter pertaining to assumption, the cure payments required by Section 365(b)(1) of the Bankruptcy Code shall be made following the entry of a Final Order resolving the dispute and approving the assumption. Pending the Bankruptcy Court’s ruling on such motion, the executory contract or unexpired lease at issue shall be deemed assumed by the Debtors unless otherwise ordered by the Bankruptcy Court.

#### 6.3 Assumption of Collective Bargaining Agreements.

Upon the occurrence of the Effective Date, all collective bargaining agreements entered into by the Debtors, or any of them, and in effect as of the Effective Date, shall be deemed to have been assumed in accordance with, and subject to, the provisions and requirements of Sections 365 and 1123 of the Bankruptcy Code. Entry of the Confirmation Order shall constitute the Bankruptcy Court’s approval of the survival, and/or the pertinent Debtor’s assumption of the collective bargaining agreements then in effect, except to the extent that such agreements have already been assumed prior to the entry of the Confirmation Order.

#### 6.4 Insurance Policies and Agreements.

Insurance policies issued to, or insurance agreements entered into by, the Debtors prior to the Petition Date (including, without limitation, any policies covering directors’ or officers’ conduct) shall continue in effect after the Effective Date. To the extent that such insurance policies or agreements (including, without limitation, any policies covering directors’ or officers’ conduct) are considered to be executory contracts, then, notwithstanding anything to the contrary in the Plan, the Plan shall constitute a motion to assume such insurance policies and agreements, and, subject to the occurrence of the Effective Date, the entry of the Confirmation Order shall constitute approval of such assumption pursuant to Section 365(a) of the Bankruptcy

Code and a finding by the Bankruptcy Court that each such assumption is in the best interest of each Debtor, its Estate, and all parties in interest in the Chapter 11 Cases. Unless otherwise determined by the Bankruptcy Court pursuant to a Final Order or agreed to by the parties thereto prior to the Effective Date, no payments are required to cure any defaults of the Debtors existing as of the Confirmation Date with respect to each such insurance policy or agreement. To the extent that the Bankruptcy Court determines otherwise as to any such insurance policy or agreement, the Debtors reserve the right to seek rejection of such insurance policy or agreement or other available relief.

#### 6.5 Rejection of Executory Contracts and Unexpired Leases.

On the Effective Date, each executory contract and unexpired lease that is listed on Exhibit 6.5, which Exhibit shall be in form and substance reasonably acceptable to a Majority of Consenting Noteholders and shall be attached as an Exhibit to the Plan Supplement, shall be deemed to have been rejected pursuant to Section 365 of the Bankruptcy Code. Each contract or lease listed on Exhibit 6.5 shall be rejected only to the extent that any such contract or lease constitutes an executory contract or unexpired lease. The Debtors expressly reserve their right, at any time prior to the Effective Date, to amend Exhibit 6.5 to delete any unexpired lease or executory contract therefrom or add any unexpired lease or executory contract thereto, provided, however, that such amendment to Exhibit 6.5 is reasonably acceptable to a Majority of Consenting Noteholders. To the extent that an executory contract or unexpired lease (i) is not listed on Exhibit 6.5, (ii) has not been previously rejected or (iii) is not subject to a motion to reject at the time of the Confirmation Date (including the Assumption/Rejection Motion), such executory contract or unexpired lease shall be deemed to have been assumed as provided in Section 6.1 hereto. Listing a contract or lease on Exhibit 6.5 shall not constitute an admission by a Debtor or a Reorganized Debtor that such contract or lease is an executory contract or unexpired lease or that such Debtor or Reorganized Debtor has any liability thereunder.

#### 6.6 Rejection Damages Bar Date.

If the rejection by a Debtor, pursuant to the Plan, of an executory contract or unexpired lease results in a Claim, then such Claim shall be forever barred and shall not be enforceable against any Debtor or Reorganized Debtor, or the properties of any of them, unless a Proof of Claim is filed with the Claims Agent and served upon counsel to the Debtors or the Reorganized Debtors (as the case may be) by the earlier of thirty (30) days after the Effective Date or (ii) thirty (30) days after entry of a Final Order rejecting any executory contract or unexpired lease.

#### 6.7 Post-Petition Contracts and Leases.

All contracts, agreements and leases that were entered into by the Debtors or assumed by the Debtors after the Petition Date shall be deemed to have been assigned by the Debtors to the Reorganized Debtors on the Effective Date.

### **ARTICLE VII: PROVISIONS GOVERNING DISTRIBUTIONS**

#### 7.1 Distributions for Claims or Interests Allowed as of the Initial Distribution Date.

Except as otherwise provided herein or as ordered by the Bankruptcy Court or to the extent that any Holder of an Allowed Claim agrees to different treatment, distributions to be made on account of Claims that are Allowed as of the Effective Date shall be made on the Effective Date or as soon thereafter as is practicable. Notwithstanding anything herein to the contrary, distributions on account of Administrative Expense Claims that are Allowed Claims as of the Effective Date shall be made on, or as soon as practicable after, the Effective Date, with no action to enforce a right to such payment until at least thirty (30) days after the Effective Date. Distributions on account of Claims that first become Allowed Claims after the Effective Date shall be made pursuant to Section 8.2 of the Plan. Notwithstanding the date on which any distribution of New RHDC Common Stock is actually made to a Holder of a Claim that is an Allowed Claim entitled to receive such distribution on the Effective Date, as of the date of the distribution such Holder shall be deemed to have the rights of a Holder of New RHDC Common Stock distributed as of the Effective Date. Any payment or distribution required to be made under the Plan on a day other than a Business Day shall be made on the next succeeding Business Day.

#### 7.2 Interest on Claims.

Except as otherwise specifically provided for in the Plan, the Confirmation Order or other order of the Bankruptcy Court (including, without limitation, the Final Cash Collateral Orders), or required by applicable bankruptcy or non-bankruptcy law, post-petition interest shall not accrue or be paid on any Claims, and no Holder of a Claim shall be entitled to interest accruing on or after the Petition Date on any Claim.

Notwithstanding the foregoing, the applicable borrower Debtor pursuant to the RHDI Credit Agreement, DMW Credit Agreement and DME Credit Agreement and the applicable Final Cash Collateral Order shall pay any reasonable fees and expenses due and payable, current scheduled amortization and interest at the non-default rate on the Revolving Loans and Term Loans, current fees in respect of any outstanding letters of credit and interest in respect of the Hedge Termination Payments, accruing thereunder, respectively, on or after the Petition Date and during the pendency of the Chapter 11 Cases.

#### 7.3 Distributions by Disbursing Agent.

Except as specifically provided for in the Plan, the Disbursing Agent shall make all distributions required to be made under the Plan. The Reorganized Debtors may act as Disbursing Agent or may employ or contract with other entities to assist in or make the distributions required by the Plan, including, but not limited to, the Indenture Trustees. Other than as specifically set forth in the Plan, distributions to be made on account of Allowed Noteholders Claims shall be made in accordance with the terms of the respective Notes Indenture or in accordance with the Plan to the extent that any such Notes Indenture is silent.

#### 7.4 Delivery of Distributions and Undeliverable or Unclaimed Distributions.

The following terms shall govern the delivery of distributions and undeliverable or unclaimed distributions with respect to Claims.

7.4.1 Delivery of Distributions in General. Distributions to Holders of Allowed Claims shall be made at the addresses set forth in the Debtors' records unless such addresses are superseded by Proofs of Claim or transfers of claim filed pursuant to Bankruptcy Rule 3001.

7.4.2 Distributions to Holders of General Unsecured Claims against RHDC, DMI, RHDI and DMW. In the event that the Debtors or the Reorganized Debtors determine, with the reasonable consent of a Majority of Consenting Noteholders, that (i) the aggregate dollar amount of Allowed General Unsecured Claims against RHDC exceeds the Maximum Class 1G Payment, (ii) the aggregate dollar amount of Allowed General Unsecured Claims against DMI exceeds the Maximum Class 2E Payment, (iii) the aggregate dollar amount of Allowed General Unsecured Claims against RHDI exceeds the Maximum Class 3F Payment, or (iv) the aggregate dollar amount of Allowed General Unsecured Claims against DMW exceeds the Maximum Class 4G Payment (each a "Maximum Payment" and collectively, the "Maximum Payments"), then the Debtors or the Reorganized Debtors, with the reasonable consent of a Majority of Consenting Noteholders, shall take any and all necessary steps to facilitate the pro rata distribution of the relevant Maximum Payment or Maximum Payments, as the case may be, to the respective holders of such Allowed General Unsecured Claims, including, without limitation, seeking Bankruptcy Court approval for setting reasonable reserves, if necessary, withholding portions of any distributions and/or providing other distribution mechanisms, as appropriate, pending the completion of the Claims allowance and reconciliation process for the applicable Debtor and/or Debtors.<sup>13</sup>

7.4.3 Undeliverable and Unclaimed Distributions.

(a) Holding and Investment of Undeliverable and Unclaimed Distributions. If the distribution to any Holder of an Allowed Claim is returned to the Reorganized Debtors or the Disbursing Agent as undeliverable or is otherwise unclaimed, no further distributions shall be made to such Holder unless and until the Reorganized Debtors or the Disbursing Agent is notified in writing of such Holder's then current address.

(b) Failure to Claim Undeliverable Distributions. Any Holder of an Allowed Claim that does not assert a claim pursuant to the Plan for an undeliverable or unclaimed distribution within six (6) months after the Effective Date shall be deemed to have forfeited its claim for such undeliverable or unclaimed distribution and shall be forever barred and enjoined from asserting any such claim for an undeliverable or unclaimed distribution against the Debtors or their Estates or the Reorganized Debtors or their property. In such cases, any cash for distribution on account of such claims for undeliverable or unclaimed distributions shall become the property of the Estates and the Reorganized Debtors free of any restrictions thereon and notwithstanding any federal or state escheat laws to the contrary. Any New RHDC Common Stock held for distribution on account of such Claim shall be canceled and of no further force or effect. Nothing contained in the Plan shall require any Disbursing Agent, including, but not limited to, the Reorganized Debtors, to attempt to locate any Holder of an Allowed Claim or Interest.

---

<sup>13</sup> The Debtors reserve the right to modify, alter and/or supplement this Section 7.4.2, with the reasonable consent of a Majority of Consenting Noteholders, on or before the Plan Supplement Filing Date.

## 7.5 Record Date for Distributions.

7.5.1 With the exception of Allowed Prepetition Lenders Claims, the Debtors, Reorganized Debtors, the Disbursing Agent, and the Notes Indenture Trustees shall have no obligation to recognize the transfer of, or the sale of any participation in, any Allowed Claim that occurs after the close of business on the Distribution Record Date, and shall be entitled for all purposes herein to recognize and distribute only to those Holders of Allowed Claims or Interests that are Holders of such Claims, or Interests, or participants therein, as of the close of business on the Distribution Record Date. The Reorganized Debtors, the Disbursing Agent, and the Notes Indenture Trustees shall instead be entitled to recognize and deal for all purposes under the Plan with only those record Holders stated on the official claims register as of the close of business on the Distribution Record Date.

7.5.2 Distributions to Holders of Allowed Noteholder Claims administered by each Notes Indenture Trustee shall be made to the account of, or at the direction of, the respective Notes Indenture Trustee and subject to the rights of the Notes Indenture Trustees to assert their Notes Indenture Trustee Charging Lien, by means of book-entry exchange through the facilities of the DTC in accordance with the customary practices of the DTC, as and to the extent practicable, and the Distribution Record Date shall not apply. In connection with such book-entry exchange, each Notes Indenture Trustee shall deliver instructions to the DTC instructing the DTC to effect distributions on a Pro Rata basis as provided under the Plan with respect to such Claims upon which such Notes Indenture Trustee acts as trustee.

## 7.6 Means of Cash Payment.

Payments of cash made pursuant to the Plan shall be in U.S. dollars and shall be made, at the option and in the sole discretion of the Reorganized Debtors, by (a) checks drawn on or (b) wire transfer from a bank selected by the Reorganized Debtors; provided that cash payments made to the Prepetition Lenders Agents shall be made in immediately available funds by wire transfer. Cash payments to foreign creditors may be made, at the option of the Reorganized Debtors, in such funds and by such means as are necessary or customary in a particular foreign jurisdiction.

## 7.7 Withholding and Reporting Requirements.

In connection with the Plan and all distributions thereunder, the Reorganized Debtors shall comply with all withholding and reporting requirements imposed by any federal, state, local or foreign taxing authority, and all distributions hereunder shall be subject to any such withholding and reporting requirements. The Reorganized Debtors shall be authorized to take any and all actions that may be necessary or appropriate to comply with such withholding and reporting requirements. All persons holding Claims shall be required to provide any information necessary to effect information reporting and the withholding of such taxes.

## 7.8 Setoffs.

Other than with regards to the Noteholders Claims, the RHDI Lender Claims, the DMW Lender Claims and the DME Lender Claims, the Reorganized Debtors may, pursuant to Section 553 of the Bankruptcy Code or applicable nonbankruptcy laws, but shall not be required

to, set off against any Claim, the payments or other distributions to be made pursuant to the Plan in respect of such Claim, or claims of any nature whatsoever that the Debtors or the Reorganized Debtors may have against the Holder of such Claim; provided, however, that neither the failure to do so nor the allowance of any Claim hereunder shall constitute a waiver or release by the Reorganized Debtors of any such claim that the Debtors or the Reorganized Debtors may have against such Holder.

#### 7.9 Fractional Shares.

No fractional shares of New RHDC Common Stock shall be distributed. Where a fractional share would otherwise be called for, the actual issuance shall reflect a rounding up (in the case of more than .50) of such fraction to the nearest whole share of New RHDC Common Stock or a rounding down of such fraction (in the case of .50 or less than .50) to the nearest whole share of New RHDC Common Stock. The total number of shares of New RHDC Common Stock to be distributed pursuant to the Plan shall be adjusted as necessary to account for the rounding provided for herein.

### **ARTICLE VIII: PROVISIONS FOR RESOLVING DISPUTED CLAIMS AND DISPUTED INTERESTS**

#### 8.1 Objections to and Estimation of Claims.

After the Effective Date, only the Reorganized Debtors may object to the allowance of any Claim or Administrative Expense Claim. After the Effective Date, the Reorganized Debtors shall be accorded the power and authority to allow or settle and compromise any Claim without notice to any other party, or approval of, or notice to the Bankruptcy Court. In addition, the Debtors or the Reorganized Debtors may, at any time, request that the Bankruptcy Court estimate any contingent or unliquidated Claim pursuant to Section 502(c) of the Bankruptcy Code regardless of whether the Debtors or Reorganized Debtors have previously objected to such Claim. Unless otherwise ordered by the Bankruptcy Court, the Debtors or Reorganized Debtors shall serve and file any objections to Claims and Interests as soon as practicable, but in no event later than (a) ninety (90) days after the Effective Date or (b) such later date as may be determined by the Bankruptcy Court upon a motion which may be made without further notice or hearing.

#### 8.2 Payments and Distributions on Disputed, Contingent and Unliquidated Claims and Interests and on Claims for Which Proofs of Claim are Filed.

No partial payments and no partial distributions will be made with respect to a disputed, contingent or unliquidated Claim, or with respect to any Claim for which a Proof of Claim has been filed, until the resolution of such disputes or estimation or liquidation of such claims by settlement or by Final Order. As soon as practicable after a disputed, contingent or unliquidated Claim becomes an Allowed Claim in an amount certain, the Holder of such Allowed Claim will receive all payments and distributions to which such Holder is then entitled under the Plan.

### **ARTICLE IX: CONFIRMATION AND CONSUMMATION OF THE PLAN**

9.1 Conditions to Confirmation. The following are conditions precedent to the occurrence of the confirmation of the Plan, each of which may be satisfied or waived in accordance with Section 9.3 of the Plan:

9.1.1 The Bankruptcy Court shall have entered an order, in a form reasonably acceptable to the Debtors and a Majority of Consenting Noteholders and the Prepetition Lenders Agents, approving the adequacy of the Disclosure Statement.

9.1.2 The Confirmation Order approving and confirming the Plan, as such Plan may have been modified, amended or supplemented, shall be in form and substance reasonably acceptable to the Debtors, a Majority of Consenting Noteholders and the Prepetition Lenders Agents.

9.1.3 The Plan Related Documents shall each be in form and substance reasonably acceptable to the Debtors and a Majority of Consenting Noteholders.

9.2 Conditions to Effective Date. The Plan shall not become effective, and the Effective Date shall not occur, unless and until the following conditions shall have been satisfied or waived in accordance with Section 9.3 of the Plan:

9.2.1 All conditions to Confirmation in Section 9.1 of the Plan shall have been either satisfied or waived.

9.2.2 The Confirmation Order shall have become a Final Order and shall be in form and substance reasonably acceptable to the Debtors, a Majority of Consenting Noteholders and the Prepetition Lenders Agents.

9.2.3 All fees and expenses of counsel and the financial advisor to the Consenting Noteholders, as well as the out-of-pocket expenses of the Consenting Noteholders in connection with the restructuring of the Debtors that were incurred prior to the Confirmation Hearing, shall have been paid in full in cash.

9.2.4 Each of the Amended and Restated Credit Documents shall have been executed and delivered by the relevant Reorganized Debtors, and the Closing Date, as defined in each of the Amended and Restated Credit Documents, shall have occurred.

9.2.5 To the extent a Majority of Consenting Noteholders (i) determine that a Registration Rights Agreement is appropriate or necessary on the Effective Date and (ii) notify the Debtors in writing of such determination at least thirty (30) days prior to the Confirmation Hearing, then any such Registration Rights Agreement shall have been executed and delivered by the relevant Debtors.

9.3 Waiver of Conditions.

Notwithstanding anything contained in Section 9.1 or 9.2 hereof, the Debtors, with the consent of a Majority of Consenting Noteholders, and, to the extent applicable, the Prepetition Lenders Agents, may waive in writing the occurrence of any of the foregoing conditions precedent to the Confirmation of the Plan and/or the Effective Date or to modify any of such conditions precedent; provided, however, that such consent shall not be unreasonably

withheld or delayed. Any such written waiver of a condition precedent set forth in this section may be effected at any time without notice, without leave or order of the Bankruptcy Court, and without any formal action other than proceeding to consummate the Plan. Any actions required to be taken on the Effective Date shall take place and shall be deemed to have occurred simultaneously, and no such action shall be deemed to have occurred prior to the taking of any other such action. If the Debtors decide that one of the foregoing conditions cannot be satisfied, and the occurrence of such condition is not waived in the manner set forth above, then the Debtors shall file a notice of the failure of the Effective Date with the Bankruptcy Court, at which time the Plan and the Confirmation Order shall be deemed null and void.

9.4 Consequences of Non-Occurrence of Effective Date.

If the Confirmation Order is vacated, (a) the Plan shall be null and void in all respects; (b) any settlement of Claims or Interests provided for hereby shall be null and void without further order of the Bankruptcy Court; and (c) to the extent permitted under the Bankruptcy Code, the time within which the Debtors may assume and assign or reject all executory contracts and unexpired leases shall be extended for a period of one hundred twenty (120) days after the date the Confirmation Order is vacated.

9.5 Substantial Consummation.

Substantial Consummation of the Plan shall be deemed to occur on the Effective Date.

9.6 Notice of Effective Date

The Debtors shall file with the Bankruptcy Court a notice of the occurrence of the Effective Date within a reasonable period of time after the conditions in Section 9.2 of the Plan have been satisfied or waived pursuant to Section 9.3 of the Plan.

**ARTICLE X: INJUNCTIONS, RELEASES AND DISCHARGE**

10.1 Discharge.

10.1.1 Discharge of Claims and Termination of Interests.

(a) As of the Effective Date, except as expressly provided in the Plan or the Confirmation Order, all distributions and rights afforded under the Plan and the treatment of Claims and Interests under the Plan shall be, and shall be deemed to be, in exchange for, and in complete satisfaction, settlement, discharge and release of, all Claims and any other obligations, suits, judgments, damages, debts, rights, remedies, causes of action or liabilities of any nature whatsoever, and of all Interests, or other rights of a Holder of an equity security or other ownership interest, relating to any of the Debtors or the Reorganized Debtors or any of their respective assets, property and Estates, or interests of any nature whatsoever, including any interest accrued on such Claims from and after the Petition Date, and regardless of whether any property will have been distributed or retained pursuant to the Plan on account of such Claims or other obligations, suits, judgments, damages, debts, rights, remedies, causes of action or liabilities, or Interests or other rights of a Holder of an equity security or other ownership interest, and upon the Effective Date, the Debtors and the Reorganized Debtors shall (i) be

On and after the Effective Date, the Debtors and the Reorganized Debtors shall be fully and finally discharged of any and all liability or obligation on any and all disallowed Claims or disallowed Interests, and any Order disallowing any Claim or Interest which is not a Final Order as of the Effective Date solely because of an entity's right to move for reconsideration of such order pursuant to Section 502 of the Bankruptcy Code or Bankruptcy Rule 3008 shall nevertheless become and be deemed to be a Final Order on the Effective Date. The Confirmation Order, except as otherwise provided herein, shall constitute an Order: (a) disallowing all Claims and Interests to the extent such Claims and Interests are not allowable under any provision of Section 502 of the Bankruptcy Code, including, but not limited to, time-barred Claims and Interests, and Claims for unmatured interest, and (b) disallowing or

#### 10.5 Exculpation.

10.5.1 No Released Party shall have or incur any liability to (i) any Person that has held, currently holds or may hold a Claim or any other obligation, suit, judgment, damages, debt, right, remedy, cause of action or liability of any nature whatsoever, or any Interest or other right of a Holder of an equity security or other ownership interest, (ii) any other party in interest, (iii) any Person claiming by or through any of the foregoing entities, or (iv) any of the Related Persons of any of the foregoing entities, from (x) any and all claims and causes of action arising on or after the Petition Date, and (y) any and all claims and causes of action relating to any act taken at any time or omitted to be taken in connection with, relating to, or arising out of, the Chapter 11 Cases or the formulating, negotiating, preparing, disseminating, implementing, administering, soliciting, confirming or consummating the Plan, the Disclosure Statement, the Restructuring Transactions, the Plan Term Sheets, the Plan Support Agreements, or any contract or instrument, release or other agreement or document created or entered into in connection with the Plan or any other act taken or omitted to be taken in connection with or in contemplation of the restructuring of any of the Debtors, with the sole exception of willful misconduct or gross negligence, and each Released Party in all respects shall be entitled to reasonably rely upon the advice of counsel with respect to its duties and responsibilities under the Plan.

10.5.2 Notwithstanding any other provision herein, (i) no Person that has held, currently holds or may hold a Claim or any other obligation, suit, judgment, damages, debt, right, remedy, cause of action or liability of any nature whatsoever, or any Interest or other right of a Holder of an equity security or other ownership interest, (ii) no other party in interest, (iii) no Person claiming by or through any of the foregoing entities, and (iv) none of the Related Persons of any of the foregoing entities, shall, or shall be deemed to, have any Claim or right of action whatsoever against any Released Party for, or on account of or relating to (x) any and all claims and causes of action arising on or after the Petition Date, and (y) any and all claims and causes of action relating to any act taken or omitted to be taken in connection with, relating to, or arising out of, the Chapter 11 Cases, or the formulating, negotiating, preparing, disseminating, implementing, administering, soliciting, confirming or consummating the Plan, the Disclosure Statement, the Confirmation Order, the Restructuring Transactions, the Plan Term Sheets, the Plan Support Agreements, or any contract or instrument, release or other agreement or document created or entered into in connection with the Plan or any other act taken or omitted to be taken in connection with or in contemplation of the restructuring of any of the Debtors, with the sole exception of willful misconduct or gross negligence.

#### 10.6 Revesting of Assets.

Pursuant to Section 1141(b) of the Bankruptcy Code, all property of the respective Estate of each Debtor, together with any property of each Debtor that is not property of its Estate and that is not specifically disposed of pursuant to the Plan, shall revert in the applicable Reorganized Debtor on the Effective Date. Thereafter, the Reorganized Debtors may operate their businesses and may use, acquire and dispose of property free of any restrictions of the Bankruptcy Code, the Bankruptcy Rules and the Bankruptcy Court. As of the Effective Date,

all property of each Reorganized Debtor shall be free and clear of all Liens, Claims and Interests, except as specifically provided in the Plan or the Confirmation Order. Without limiting the generality of the foregoing, each Reorganized Debtor may, without application to or approval by the Bankruptcy Court, pay fees that it incurs after the Effective Date for professional services and expenses.

#### 10.7 Preservation of Rights of Action and Litigation Claims.

Except as otherwise provided in the Plan, the Confirmation Order, or in any document, instrument, release or other agreement entered into in connection with the Plan, in accordance with Section 1123(b) of the Bankruptcy Code, the Debtors and their Estates shall retain the Litigation Claims. The Reorganized Debtors, as the successors in interest to the Debtors and their Estates, may enforce, sue on, settle or compromise (or decline to do any of the foregoing) any or all of the Litigation Claims. The Debtors or the Reorganized Debtors expressly reserve all rights to prosecute any and all Litigation Claims against any Person, except as otherwise expressly provided in the Plan, and no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable or otherwise), or laches, shall apply to such Litigation Claims upon, after, or as a consequence of Confirmation or the occurrence of the Effective Date.

#### 10.8 Survival of Indemnification Obligations.

10.8.1 Prepetition Indemnification and Reimbursement Obligations. For purposes of the Plan, all respective obligations of RHDC and the other Debtors to indemnify and reimburse persons who are or were directors, officers, managers or employees and agents of the Debtors on the Petition Date or at any time thereafter, whether pursuant to certificates or articles of incorporation, codes of regulation, by-laws, limited liability company agreements, limited liability partnership agreements, applicable state or non-bankruptcy law, or specific agreement or any combination of the foregoing, shall be treated as if they are executory contracts that are assumed pursuant to Section 365 of the Bankruptcy Code under the Plan as of the Effective Date, and such obligations shall survive confirmation of the Plan, shall remain unaffected by the Plan, and shall not be discharged or impaired by the Plan, irrespective of whether the indemnification or reimbursement obligation is owed in connection with any event occurring before, on or after the Petition Date, it being understood that all indemnification provisions in place on and prior to the Effective Date for directors, officers, managers or employees and agents of the Debtors shall survive the effectiveness of the Plan for claims related to or in connection with any actions, omissions or transactions prior to the Effective Date (including prior to the Petition Date). Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of the survival, and the Debtors' assumption, of each of the Debtors' director and officer liability insurance policies. Additionally, the Debtors shall obtain (at market-based premiums) prior to the Effective Date insurance policies providing coverage for claims (as defined in such policies) made for any wrongful acts (as defined in such policies) or other covered conduct, acts or omissions occurring prior to the Effective Date (also referred to as "tail coverage") with coverage (in scope and substance) and on terms no less favorable to the current insureds than the Debtors' insurance policies existing as of the date of entry of the Confirmation Order, which insurance policies shall be described in greater detail in the Plan Supplement and shall be reasonably acceptable to a Majority of Consenting Noteholders.

## 10.8.2 Integral Part of Plan.

Each of the provisions set forth in Section 10.8 is an integral part of the Plan and is essential to its implementation. Each Person entitled to indemnification and insurance pursuant to this Section 10.8 shall have the right to independently seek the enforcement of each of the terms of this Section 10.8.

Pursuant to Section 1146(a) of the Bankruptcy Code, (a) the issuance, transfer or exchange of notes or equity securities under the Plan; (b) the creation of any mortgage, deed of trust, Lien, pledge or other security interest; (c) the making or assignment of any lease or sublease; or (d) the making or delivery of any deed or other instrument of transfer under the Plan, including, without limitation, merger agreements, agreements of consolidation, restructuring, disposition, liquidation or dissolution, deeds, bills of sale, and transfers of tangible property, shall not be subject to any stamp tax or other similar tax.

12.7 Payment of Statutory Fees.

All fees payable pursuant to Section 1930 of title 28 of the United States Code, as determined by the Bankruptcy Court at the Confirmation Hearing, shall be paid on the Effective Date.

12.8 Payment of Notes Indenture Trustee Fees.

Notwithstanding anything to the contrary in the Plan, the Notes Indenture Trustee Fees shall be paid in full, in cash, on the Effective Date; provided, however, that such amounts

shall exclude any fees and expenses incurred by the Notes Indenture Trustees related to any objections to Confirmation of the Plan and/or such other actions that may interfere with or delay Confirmation of the Plan.

12.9 Notes Indenture Trustees' Proof of Claim in respect of Noteholders Claims.

Consistent with Bankruptcy Rule 3003(c) and as provided in Sections 3.2.5(d), 3.3.4(d), 3.4.5(d), 3.5.5(d) and 3.5.6(d), in the event that the Notes Indenture Trustees file a proof of claim in respect of the Noteholders Claims and a Noteholder also files a Proof of Claim evidencing a duplicative Noteholders Claim, then only the Proof of Claim of the Indenture Trustees shall be Allowed.

12.10 Amendment or Modification of the Plan.

Subject to Section 1127 of the Bankruptcy Code and, to the extent applicable, Sections 1122, 1123 and 1125 of the Bankruptcy Code, the Debtors may alter, amend, modify or supplement the Plan, Plan Supplement or the Exhibits at any time prior to or after the Confirmation Date but prior to the Substantial Consummation of the Plan; provided, however, that any amendment, modification or supplement to the Plan is reasonably acceptable to a Majority of Consenting Noteholders and shall not be inconsistent with the terms of the Banks Support Agreements. A Holder of a Claim or Interest that has accepted the Plan shall be deemed to have accepted the Plan, as altered, amended, modified or supplemented, if the proposed alteration, amendment, modification or supplement does not materially and adversely change the treatment of the Claim or Interest of such Holder.

12.11 Severability of Plan Provisions.

If, prior to the Confirmation Date, any term or provision of the Plan is determined by the Bankruptcy Court to be invalid, void or unenforceable, the Bankruptcy Court shall have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void or unenforceable, and such term or provision shall then be applicable as altered or interpreted. Notwithstanding any such holding, alteration or interpretation, the remainder of the terms and provisions of the Plan shall remain in full force and effect and shall in no way be affected, Impaired or invalidated by such holding, alteration, or interpretation. The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of the Plan, as it may have been altered or interpreted in accordance with the foregoing, is valid and enforceable pursuant to its terms.

12.12 Binding Effect; Successors and Assigns.

The Plan shall be binding upon and inure to the benefit of the Debtors, all present and former Holders of Claims and Interests, and all other parties in interests in these Chapter 11 Cases and the respective successors and assigns of each of the foregoing, including, without limitation, the Reorganized Debtors. The rights, benefits and obligations of any entity named or referred to in the Plan shall be binding on, and shall inure to the benefit of, any heir, executor, administrator, successor or assign of such entity.

12.13 Revocation, Withdrawal or Non-Consummation.

Subject to the rights of the Consenting Noteholders under the Noteholders Support Agreement and the Noteholders Plan Term Sheet, the Debtors reserve the right to revoke or withdraw the Plan as to any or all of the Debtors prior to the Confirmation Date and to file subsequent plans of reorganization. If the Debtors revoke or withdraw the Plan as to any or all of the Debtors, or if confirmation or consummation as to any or all of the Debtors does not occur, then, with respect to such Debtors, (a) the Plan shall be null and void in all respects, (b) any settlement or compromise embodied in the Plan (including the fixing or limiting to an amount certain any Claim or Interest or Class of Claims or Interests), assumption or rejection of executory contracts or unexpired leases effected by the Plan, and any document or agreement executed pursuant to the Plan shall be deemed null and void and (c) nothing contained in the Plan shall (i) constitute a waiver or release of any Claims by or against, or any Interests in, such Debtors or any other Person, (ii) prejudice in any manner the rights of such Debtors or any other Person or (iii) constitute an admission of any sort by the Debtors or any other Person.

#### 12.14 Notice.

All notices, requests and demands to or upon the Debtors or the Reorganized Debtors to be effective shall be in writing and, unless otherwise expressly provided herein, shall be deemed to have been duly given or made when actually delivered or, in the case of notice by facsimile transmission, when received and telephonically confirmed, addressed as follows:

12.15 Governing Law.

Except to the extent that the Bankruptcy Code, the Bankruptcy Rules or other federal law is applicable, or to the extent that an exhibit or schedule to the Plan or the relevant document provide otherwise, the rights and obligations arising under the Plan shall be governed by, and construed and enforced in accordance with the laws of the State of Delaware, without giving effect to the principles of conflicts of law of such jurisdiction.

12.16 Tax Reporting and Compliance.

On or before Substantial Consummation of the Plan, the Reorganized Debtors and the Debtors, as applicable, shall File such agreements and other documents as may be necessary or appropriate to effectuate and further evidence the terms and conditions of the Plan, each in form and substance reasonably acceptable, or acceptable, as the case may be, to a Majority of Consenting Noteholders in accordance with the Noteholders Support Agreement and Noteholders Plan Term Sheet.

12.18 Reservation of Rights.

Except as expressly set forth herein, the Plan shall have no force and effect unless the Bankruptcy Court has entered the Confirmation Order. The filing of the Plan, any statement or provision contained in the Plan, or the taking of any action by the Debtors with respect to the Plan shall not be and shall not be deemed to be an admission or waiver of any rights of the Debtors with respect to the Holders of Claims and Interests.

Notwithstanding anything in the contrary in the Plan, each of the Debtors expressly reserves the right to cure and reinstate the Prepetition Lenders Claims against the Holders of the Prepetition Lenders Claims pursuant to Section 1124 of the Bankruptcy Code.

The Undersigned Lenders Party to the  
Credit Agreement Referred to Below

Reference is made to the Second Amended and Restated Credit Agreement among R.H. Donnelley Corporation (“Holdings”), R.H. Donnelley Inc. (the “Borrower”), as Borrower, the lenders from time to time party thereto (collectively, the “Lenders”), JPMorgan Chase Bank, N.A., as Syndication Agent, Bear Stearns Corporate Lending Inc., Credit Suisse, Cayman Islands Branch, Goldman Sachs Credit Partners L.P., UBS Securities LLC and Wachovia Bank, National Association, as Co-Documentation Agents and Deutsche Bank Trust Company Americas, as Administrative Agent (the “Administrative Agent”), dated as of December 13, 2005 (as amended, supplemented or otherwise modified, the “Credit Agreement”). Capitalized terms used herein and not defined herein shall have the meanings ascribed to them in the Credit Agreement.

Each of Holdings and the Borrower and each of the other Guarantors (collectively, the “RHD Parties”) hereby further agree to consummate, and to cause each of their direct and indirect subsidiaries (the RHD Parties, together with their direct and indirect subsidiaries, “Debtors”) <sup>1</sup> to consummate, a financial restructuring through a plan of reorganization (the “Plan”) that effectuates the terms of the restructuring term sheet attached hereto as Exhibit A (the “Term Sheet”) and the term sheets annexed to the Other Support Agreements (the “Other Term Sheets”), the requisite acceptances of which may be solicited after commencement of reorganization cases of the Debtors (the “Chapter 11 Cases”) by filing voluntary petitions (collectively, the “Petitions”) under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”), and the approval of a disclosure statement in the Chapter 11 Cases (the “Disclosure Statement”) and to use their commercially reasonable efforts to have such Plan confirmed by the United States Bankruptcy Court for the District of Delaware (the “Bankruptcy Court”), under the Bankruptcy Code, the Federal Rules of Bankruptcy Procedure, and the Local Rules of the Bankruptcy Court (the federal and local rules being, the “Bankruptcy Rules”).

Pursuant to this letter agreement, which, for the avoidance of doubt, shall include all exhibits annexed hereto (this “Support Agreement”), until the Termination Date (as defined below), each of the Debtors and each of the undersigned Lenders, as parties to the Credit Agreement, hereby approve and agree to: (a) support and consummate the transactions contemplated by the Term Sheet; and (b) support and agree to the Plan.

Subject to Sections 1125 and 1126 of the Bankruptcy Code (if and to the extent applicable), and so long as a Termination Event (as defined below) has not occurred, or has occurred but has been duly waived or cured in accordance with the terms hereof, each Lender

---

<sup>1</sup> The Debtors shall include each of the entities included in the list annexed hereto as Exhibit B.

hereby acknowledges, consents to, and agrees to the proposed treatment of its respective allowed RHD Claims (as defined below) in the Debtors' Chapter 11 Cases as set forth in the Term Sheet.

In furtherance of the foregoing, each of the parties to this Support Agreement (collectively, the "Parties") hereby agrees to negotiate in good faith an amendment and restatement of the Credit Agreement (or, if applicable and in accordance with the Term Sheet, a new credit agreement) to be entered into as of the Effective Date (as defined below) of the Plan among, inter alia, the Parties and the Administrative Agent, on the same economic terms and otherwise in all material respects on the terms set forth in the Term Sheet (the "Amended and Restated Credit Agreement"), and such other definitive documentation as is necessary to consummate the transactions contemplated by the Term Sheet, on the same economic terms and otherwise in all material respects on the terms set forth in the Term Sheet and reasonably acceptable to the Administrative Agent. The Parties acknowledge that the Term Sheet does not contain all terms and detail that would be contained in the definitive documentation, and that such additional terms shall be subject to mutual agreement. None of the RHD Parties shall alter, or cause to be altered, the economic terms or any other material term of the Term Sheet or the transactions contemplated thereby in a manner that is adverse to the Lenders except in accordance with the terms hereof.

Until the Termination Date (as defined below), the undersigned Lenders hereby agree to refrain from: (a) proposing or supporting any chapter 11 plan in the Chapter 11 Cases other than the Plan; and/or (b) objecting to the Plan or taking any action directly or indirectly inconsistent with the terms and conditions of this Support Agreement or the Term Sheet or that would unreasonably delay confirmation or consummation of the Plan.

Each Lender hereby agrees, as long as a Termination Event (as defined below) has not occurred, or has occurred but has been duly waived or cured in accordance with the terms hereof, that it shall, when solicited by any of the Debtors pursuant to Sections 1125 and 1126 of the Bankruptcy Code, timely vote, and cause its affiliates and funds (solely to the extent such Lender controls such affiliate or fund) to timely vote, as appropriate, to accept the Plan, and to the extent such election is available, shall not elect on its ballot to preserve any claims that may be affected by any usual and customary releases provided for under the Plan.

Each Lender hereby agrees, as long as a Termination Event (as defined below) has not occurred, or has occurred but has been duly waived or cured in accordance with the terms hereof (i) to recommend and support confirmation of the Plan and (ii) to permit disclosure, including the contents thereof and parties thereto, of this Support Agreement in any press release, Disclosure Statement and Plan Documents (as defined below) and any other filings by the Debtors with the Bankruptcy Court or the Securities and Exchange Commission to the extent the terms of all Other Support Agreements (as defined below) are or have been previously similarly disclosed or as otherwise required by law or regulation. In addition, each Lender agrees, as long as a Termination Event (as defined below) has not occurred, or has occurred but has been duly waived or cured in accordance with the terms hereof, that they shall not: (a) object to the Plan or Disclosure Statement or consummation of the Term Sheet or Plan or any efforts to obtain acceptance of, and to confirm and implement the Plan, or otherwise commence any proceeding to oppose any action or any of the documents needed to effectuate the Plan, including, but not limited to, any documents or agreements that are ancillary to or filed or implemented in connection with the Plan or the Disclosure Statement (collectively, the "Plan Documents"); (b) vote for, consent to, support or participate in the formulation of any other restructuring or settlement of any claims against the Debtors, any other transaction involving any Debtor, any of their assets or any of their stock, or any plan of reorganization (with the sole exception of the

Plan) or liquidation under applicable bankruptcy or insolvency laws, whether domestic or foreign, in respect of any of the Debtors; (c) directly or indirectly seek, solicit, support, formulate, entertain, encourage or engage in any inquiries, or discussions, or enter into any agreements relating to, any restructuring, plan, proposal or offer of dissolution, winding up, liquidation, reorganization, merger, transaction, sale, disposition or restructuring of any of the Debtors (or any of its assets or stock) other than the Plan or as otherwise set forth in the Term Sheet; (d) take any action, directly or indirectly, including but not limited to initiating any legal proceedings, that is inconsistent with, or that would delay, prevent, frustrate or impede the approval, confirmation or consummation of, the Disclosure Statement or the Plan or the transactions outlined therein or in the Term Sheet or take any other action that is barred by this Agreement; or (e) solicit, encourage, or direct any other entity to do any of the foregoing set forth in (a), (b), (c) or (d) of this paragraph.

Each Lender further agrees that it shall not at any time, and shall cause its affiliates and funds not to (solely to the extent such Lender controls such affiliate or fund), withdraw or revoke any properly solicited vote to accept the Plan unless (i) the Plan is modified in a manner inconsistent with the Term Sheet or this Support Agreement and such modification is adverse to such Lender without such Lender's prior written consent or (ii) this Support Agreement is terminated in accordance with its terms.

The occurrence of any of the following shall be a "Termination Event": (a) 11:59 p.m. (New York City time), May 28, 2009, if the Petitions for the Debtors shall not have been filed on or before such time; (b) the consummation of the transactions contemplated by the Term Sheet and the effectiveness of the Amended and Restated Credit Agreement in accordance with its terms (which, if the transactions contemplated by the Term Sheet are effected by means of the Plan, shall be the date on which the Plan becomes effective); (c) any court of competent jurisdiction or other competent governmental or regulatory authority issues an order making illegal or otherwise restricting, preventing or prohibiting the consummation of the transactions contemplated in the Term Sheet or the Amended and Restated Credit Agreement in a way that cannot be reasonably remedied by the Debtors; (d) upon the occurrence of any material breach of this Support Agreement by any of the Debtors, on the one hand, or any Lender, on the other hand (subject to the limitation below); (e) fifteen (15) business days after the filing of any Petition, unless the Bankruptcy Court enters an interim order under 11 U.S.C. §§ 105, 361, 362, 363 and 552 and Bankruptcy Rules 2002, 4001 and 9014 authorizing the Debtors to use cash collateral and granting adequate protection to the Lenders in form and substance reasonably satisfactory to the Administrative Agent (a "Cash Collateral Order"); (f) forty (40) days (or such additional period as agreed to by the Administrative Agent and the Debtors) after the filing of any Petition, unless the Bankruptcy Court enters a final Cash Collateral Order in form and substance satisfactory to the Administrative Agent; provided that a final Cash Collateral Order substantially consistent with the interim Cash Collateral Order shall be deemed to be acceptable to the Administrative Agent; provided further that the preceding proviso shall not limit any relief in the final Cash Collateral Order as entered by the Bankruptcy Court that is customarily considered in connection with such an order; (g) ten (10) business days after the occurrence of a "Termination Event" under any Cash Collateral Order related to any event other than an event set forth explicitly herein, unless the Bankruptcy Court enters on or before the expiration of such ten (10) day period an amendment to or new Cash Collateral Order, which (in each case) shall be in form and substance reasonably satisfactory to the Administrative Agent; (h) any of the Chapter 11 Cases shall be dismissed or converted to a chapter 7 case, or a chapter 11 trustee with plenary powers, a responsible officer, or an examiner with enlarged powers relating to the operation of the businesses of the Debtors (powers beyond those set forth in Sections 1106(a)(3) and (4) of the Bankruptcy Code) shall be appointed in any of the Chapter 11 Cases; (i) a filing by any Debtor of

any motion or application or adversary proceeding (or the joinder by the Debtors in, or support by the Debtors of, any such action commenced by any other party) challenging the validity, enforceability, perfection or priority of the liens securing the Obligations under the Credit Agreement or any other cause of action against and/or with respect to the Obligations, the prepetition liens securing such Obligations, the Administrative Agent or any of the Lenders; (j) the Debtors withdraw the Plan, publicly announce their intention not to support the Plan or file any plan of reorganization and/or disclosure statement that is adverse to the Lenders under the Term Sheet; (k) any amendment, supplement or modification of any Other Term Sheet that is adverse to the Lenders without the prior written consent of the Administrative Agent; (l) 11:59 p.m. (New York City time), August 31, 2009, unless the Debtors have filed the Plan and the accompanying Disclosure Statement with the Bankruptcy Court by such time; (m) 11:59 p.m. (New York City time), October 31, 2009, unless the Bankruptcy Court has entered an order, in form and substance reasonably satisfactory to the Administrative Agent, approving the Disclosure Statement pursuant to Section 1125 of the Bankruptcy Code by such time; (n) 11:59 p.m. (New York City time), January 15, 2010, unless the Bankruptcy Court has entered an order, in form and substance reasonably satisfactory to the Administrative Agent, confirming the Plan by such date; (o) 11:59 p.m. (New York City time), January 31, 2010, unless the Debtors have substantially consummated the Plan pursuant to its terms, including, for the avoidance of doubt, the closing of the Amended and Restated Credit Agreement; (p) the termination of any Other Support Agreement in accordance with its terms; and (q) a filing by any Debtor of any motion or application or adversary proceeding (or support by the Debtors of any such action commenced by any other party) that seeks to prime the liens securing the Obligations under the Credit Agreement; provided however, that with respect to subsections (a), (e), (f), (g), (l), (m), (n) and (o) above, the Termination Date may be extended for a maximum period of 45 days in the sole discretion of the Administrative Agent (such extension period commencing from the date that would have been the Termination Date but for the granting of such extension). Each of the Parties hereby agrees to use its respective commercially reasonable efforts to cause the transactions contemplated by the Term Sheet to be consummated as soon as practicable after the date hereof, and shall not take any action to hinder the bankruptcy process.

Unless extended in accordance with the last proviso of the preceding paragraph, upon the occurrence of a Termination Event under (i) subsections (b), (c), (e), (f), (g), (h), (p) and (q) in the immediately preceding paragraph, this Support Agreement shall automatically terminate without further action; and (ii) subsections (a), (d), (i), (j), (k), (l), (m), (n) and (o) in the immediately preceding paragraph, seven business days after the Administrative Agent (on behalf of the Lenders) or Holdings, as applicable, shall have given written notice of such breach to the breaching party and such breach shall not have been cured during such seven business days after receipt of such notice (or otherwise waived in writing by Holdings or a majority of Lenders, as applicable), this Support Agreement shall terminate (the date of termination under clause (i) or (ii) hereof being the "Termination Date"). For the avoidance of doubt, the automatic stay arising pursuant to Section 362 of the Bankruptcy Code in the Chapter 11 Cases shall be deemed waived or modified for purposes of providing notice hereunder.

Notwithstanding anything to the contrary in this Support Agreement, if any Lender shall breach its obligations pursuant to this Support Agreement, the Termination Date arising as a result of such act or omission shall apply only to such Lender and this Support Agreement shall otherwise remain in force and effect with respect to the RHD Parties and all such remaining Lenders.

Notwithstanding anything to the contrary in this Support Agreement, the Term Sheet or any other documents executed in connection therewith, each of the Debtors, as

applicable, expressly reserves the right to cure and reinstate the RHD Claims (as defined below) against the RHD Parties under Section 1124 of the Bankruptcy Code, and each of the Administrative Agent and the Lenders expressly reserve the right to contest, litigate and oppose such relief, in the event that either (i) Lenders holding in excess of two thirds (2/3) in amount and one half (1/2) in number of such claims (a) do not execute this Support Agreement or (b) to the extent that the votes of such Lenders are solicited by any of the Debtors following approval of the Disclosure Statement, do not vote to approve the Plan, or (ii) there is any Termination Date under this Support Agreement.

Holdings and the Borrower and each of the other Guarantors agree that all lock-up agreements, plan support agreements or similar arrangements agreed to by Holdings, the Borrower and each of the other Guarantors or any or all of its direct and indirect subsidiaries with respect to the: (i)(a) Credit Agreement, dated as of October 24, 2007, among Dex Media, Inc. (“DMI”), Dex Media East, Inc., Dex Media East LLC (as borrower), the lenders from time to time party thereto and JPMorgan Chase Bank, N.A. (as administrative agent) and (i)(b) Credit Agreement, dated as of June 6, 2008, among DMI, Dex Media West, Inc., Dex Media West LLC (as borrower), the lenders from time to time party thereto and JPMorgan Chase Bank, N.A. (as administrative agent) ((i)(a) and (i)(b) collectively, the “Bank Support Agreements”) shall be, in all material respects, on the same terms and conditions as this Support Agreement or otherwise in form and substance reasonably satisfactory to the Administrative Agent; and (ii) current holders of public bonds issued by any of the Debtors (the “Bond Support Agreement”, and together with the Bank Support Agreements, the “Other Support Agreements”) shall not contain terms inconsistent with the treatment of the Lenders under the Term Sheet, as reasonably determined by the Administrative Agent. Copies of the Other Support Agreements, including the Other Term Sheets, are annexed hereto as Exhibit C.

The obligations of each of the Parties and the effectiveness hereof are subject to satisfaction of each of the following conditions: (a) execution and delivery of signature pages for this Support Agreement by each of the Parties; (b) receipt by the Administrative Agent of executed copies of the Other Support Agreements, and each Other Support Agreement shall have become (or substantially simultaneously herewith shall become) effective by its terms (provided, however, that the condition in this clause (b) may be waived by the Administrative Agent and the Company); (c) the receipt by Holdings of written confirmation of the execution of this Support Agreement by Lenders holding at least two thirds (2/3) in principal amount and one half (1/2) in number of claims under or in connection with the Credit Agreement; (d) payment by Borrower to the Administrative Agent, (i) for the benefit of the Lenders who have executed and delivered to the Administrative Agent counterparts of this Support Agreement as of 5:00 p.m. (New York City time) on May 27, 2009 (as such date may be extended by agreement of the Administrative Agent and the Borrower), of consent fees as set forth in Addendum I of the Term Sheet, and (ii) for the benefit of all Lenders, the Initial Prepayment (as defined in the Term Sheet) to be applied in accordance with clause (n) of the “Conditions Precedent to Closing” section of the Term Sheet, and (e) receipt by counsel and the financial consultant to Deutsche Bank Trust Company Americas (and affiliates, as applicable) of all outstanding fees and expenses through the date hereof and a single \$250,000 retainer (which is not evergreen in nature) for each of Simpson Thacher & Bartlett LLP, Bingham McCutchen LLP and FTI Consulting, which, to the extent not applied to fees and expenses prior to the Petition Date, shall be applied to fees and expenses incurred by such advisors and payable in accordance with any applicable Cash Collateral Order entered by the Bankruptcy Court.

Each Party severally, and not jointly, represents to each other Party that, as of the date of this Support Agreement, such Party has, and at all times thereafter until the Termination

Date will have, all requisite corporate, partnership, or limited liability company power and authority to enter into this Support Agreement and to carry out the transactions contemplated by, and perform its respective obligations under, this Support Agreement and that this Support Agreement is the legally valid and binding obligation of it, enforceable in accordance with its terms, except as enforcement may be limited by bankruptcy, insolvency, reorganization or other similar laws limiting creditors' rights generally or by equitable principles relating to enforceability or ruling of the Bankruptcy Court. The RHD Parties each represent that none of the material and information (other than projections which are covered exclusively by the following sentence) provided by or on behalf of the Debtors to the Administrative Agent and the Lenders in connection with the restructuring contemplated in the Term Sheet and the Other Term Sheets, when read or considered collectively, together with all information filed by any of the RHD Parties with the Securities and Exchange Commission, contains any untrue statement of a material fact or omits to state a material fact necessary in order to prevent the statements made therein from being materially misleading. With regard to any projections provided to the Lenders by the Debtors or their agents, all financial projections that have been or will be prepared by or on behalf of the RHD Parties and made available to the Lenders have been or will be prepared in good faith based upon the RHD Parties' reasonable assumptions (which assumptions may not prove to be correct). Each Lender represents to each of the other Parties that it is the legal owner of, and has the full power to vote and dispose of, the RHD Claims (as defined below), in the total amount provided on the signature page attached hereto, free and clear of all liens, encumbrances or adverse claims.

It is understood and agreed by each of the Parties that any breach of this Support Agreement would give rise to irreparable harm for which money damages would not be an adequate remedy and accordingly the Parties agree that, in addition to any other remedies, each non-breaching party shall be entitled to specific performance and injunctive or other equitable relief for any such breach, provided, however, that each of the Parties agrees to waive any requirement for the securing or posting of a bond in connection with such a remedy. The RHD Parties hereby agree that for so long as the Administrative Agent and the undersigned Lenders have not taken any action to prejudice the enforceability of this Support Agreement (including without limitation, alleging in any pleading that this Support Agreement is unenforceable), and have taken such actions as are reasonably required or desirable for the enforcement hereof, then the Administrative Agent and the undersigned Lenders shall have no liability for damages hereunder in the event a court determines that this Support Agreement is not enforceable. Notwithstanding the terms of this paragraph, in no event shall any Debtor, the Administrative Agent or the undersigned Lenders be liable for any special, indirect, incidental, punitive or consequential damages of any kind or nature whatsoever.

Each Lender hereby agrees, for so long as this Support Agreement shall remain in effect as to it, not to, and not to enter into any contract or agreement to, sell, assign, transfer, hypothecate or otherwise dispose of any claim (as defined in Section 101 of the Bankruptcy Code) arising under the Loan Documents and the Specified Hedge Agreements to which such Lender may be a party to, against any of the Debtors (the "RHD Claims") unless the transferee thereof (a) agrees in writing to assume and be bound by this Support Agreement and the confidentiality provisions of the Credit Agreement, and (b) delivers such writing to the Administrative Agent and Holdings within two business days after the relevant transfer. The RHD Parties shall acknowledge such transfer in writing within two business days and provide a copy of such acknowledgement to the Administrative Agent. By providing such writing, the RHD Parties shall be deemed to have acknowledged their obligations to such transferee. Thereafter, such transferee shall be deemed to be a Lender for purposes of this Support Agreement. Any sale, transfer or assignment of any RHD Claim that does not comply with the

procedure set forth in this paragraph shall be deemed void *ab initio*. Unless expressly stated herein, this Support Agreement shall be solely for the benefit of the Debtors, the Lenders and the Administrative Agent and no other person or entity shall be a third party beneficiary of this Support Agreement.

This Support Agreement shall in no way be construed to preclude any Lender from acquiring additional RHD Claims; provided that any such RHD Claims shall automatically be deemed to be subject to the terms of this Support Agreement.

Notwithstanding anything to the contrary herein, nothing in this Support Agreement shall require any of the Parties or any other Debtor or any of their respective directors or officers (in such person's capacity as a director or officer) to take any action, or to refrain from taking any action, to the extent that taking such action or refraining from taking such action would be inconsistent with such person's fiduciary obligations under applicable law.

This Support Agreement, including exhibits, constitutes the entire agreement of the Parties with respect to the subject matter of this Support Agreement, and supersedes all other prior negotiations, agreements, and understandings, whether written or oral, among the Parties with respect to the subject matter of this Support Agreement; provided, however, that any confidentiality agreement executed by any Party hereto shall survive this Support Agreement and shall continue in full force and effect, subject to the terms thereof, irrespective of the terms hereof.

This Support Agreement and the Term Sheet are part of a proposed settlement of disputes among the Lenders, the Administrative Agent and the Debtors. Except as expressly provided in this Support Agreement, and subject to the terms of any Cash Collateral Order approved by the Bankruptcy Court, nothing herein is intended to, does or shall be deemed in any manner to waive, limit, impair or restrict the ability of any of the RHD Parties, the Lenders or the Administrative Agent to protect and preserve its rights, remedies and interests, including, but not limited to, all of their rights and remedies under the Credit Agreement or any applicable Cash Collateral Order, including any such rights and remedies relating to Defaults or other events that may have occurred prior to or after the execution of this Support Agreement, any and all of its claims and causes of action against any of the Debtors or any other third parties, any liens or security interests it may have in any assets of any of the Debtors or any third parties, or its full participation in the Chapter 11 Cases. Without limiting the foregoing sentence in any way, if the transactions contemplated by this Support Agreement or otherwise set forth in the Term Sheet are not consummated as provided herein, if a Termination Date occurs, or if this Support Agreement is otherwise terminated for any reason, the RHD Parties, the Lenders or the Administrative Agent each fully reserve any and all of their respective rights, remedies and interests under the Loan Documents, applicable law and in equity. Nothing herein shall be deemed to be an admission of any kind. Pursuant to Federal Rule of Evidence 408 and any applicable state rules of evidence, this Agreement and all negotiations relating thereto shall not be admissible into evidence in any proceeding other than a proceeding to enforce the terms of this Support Agreement.

This Support Agreement and the Term Sheet and transactions contemplated herein and therein are the product of negotiations among the Parties, together with their respective representatives. This Support Agreement is not, and shall not be deemed to be, a solicitation of votes for the acceptance of the Plan or any plan of reorganization for the purposes of Sections 1125 and 1126 of the Bankruptcy Code or otherwise. The Debtors will not solicit acceptances of the Plan from any Lender until such Lender has been provided with copies of a Disclosure Statement approved by the Bankruptcy Court.

Each of the Parties to this Support Agreement acknowledges that it has been represented by counsel (or had the opportunity to and waived its right to do so) in connection with this Support Agreement and the transactions contemplated by this Support Agreement. Accordingly, any rule of law or any legal decision that would provide any Party hereto with a defense to the enforcement of the terms of this Support Agreement against such Party based upon lack of legal counsel shall have no application and is expressly waived. The provisions of this Support Agreement shall be interpreted in a reasonable manner to effect the intent of the Parties hereto. None of the Parties hereto shall have any term or provision construed against such Party solely by reason of such Party having drafted the same.

Each Lender hereby confirms that its decision to execute this Support Agreement has been based upon its independent investigation of the operations, businesses, financial and other conditions and prospects of the RHD Parties. It is hereby acknowledged by the Parties that no consideration shall be due or paid to the Lenders in exchange for their support of the Plan, in accordance with the terms and conditions of this Support Agreement, other than the obligations imposed upon the Parties pursuant to the terms of this Support Agreement.

Except as set forth in this Support Agreement, this Support Agreement and the Term Sheet may only be modified, amended or supplemented by an agreement in writing signed by Holdings, the Borrower and the Lenders party hereto holding at such time a majority in aggregate principal amount of the Loans; provided, however, that if the modification or amendment at issue adversely impacts the economic treatment or rights of any Lender differently than other Lenders, the agreement in writing of such Lender whose economic treatment or rights are adversely impacted in a different manner than other Lenders shall also be required for such modification or amendment to be effective.

This Support Agreement is intended to bind the Parties and inure to the benefit of the Lenders and the Debtors and their respective successors, assigns, heirs, executors, administrators and representatives; provided, however, that nothing contained in this paragraph shall be deemed to permit any transfer, or tender, vote or consent, of any claims other than in accordance with the terms of this Support Agreement.

This Support Agreement may be executed in one or more counterparts, each of which shall be deemed an original and all of which shall constitute one and the same agreement. Delivery of an executed signature page of this Support Agreement by facsimile transmission shall be effective as delivery of a manually executed counterpart hereof.

All notices and other communications required or permitted hereunder shall be in writing and shall be deemed given when: (a) delivered personally or by overnight courier to the following address of the other Party hereto; or (b) sent by fax to the following fax number of the other Party hereto with the confirmatory copy delivered by overnight courier to the address of such Party listed below.

Holdings shall only conduct, transact or engage in business or operations incidental to (a) owning its current subsidiaries and any new subsidiaries acquired in a permitted acquisition or permitted investment, (b) the incurrence of permitted debt (as outlined herein), (c) the issuance of its common stock or (d) shared services arrangements as governed by a shared services agreement to be agreed.

Holdings shall not incur or permit to exist indebtedness (including guarantees), other than (a) up to \$300 million (plus PIK) of unsecured subordinated indebtedness issued to bondholders under the reorganization plan, provided that such indebtedness does not have an annual cash-pay interest rate of more than 12%, has a maturity at least 6 months beyond the latest maturing secured debt in existence at any subsidiary upon closing, has no financial maintenance covenants or restrictive covenants that apply to Holdings' subsidiaries or that impose limits on Holdings' ability to guarantee or pledge assets to secure the obligations under the Credit Facility, has no mandatory prepayments or redemptions (other than customary asset sale or change in control provisions) and otherwise has covenants, representations and warranties and events of default that are no more restrictive than those existing in the prevailing market for companies with the same or similar credit ratings of Holdings at such time issuing similar securities, is not guaranteed by Holdings' subsidiaries and is subordinated to the obligations under the Credit Facility on terms satisfactory to the Lenders and is not convertible or exchangeable except into indebtedness of Holdings meeting the qualifications set forth herein, (b) guaranties of the obligations (and obligations under the Dex credit facilities, subject to intercreditor agreement), (c) additional unsecured subordinated notes ("***Additional Notes***") bearing interest at a prevailing market rate, the proceeds of which are used to finance Permitted Investments, refinance the Restructuring Notes or prepay the Credit Facility and the Dex credit facilities, has a maturity at least 6 months beyond the latest maturing secured debt in existence at any subsidiary upon closing, has no financial maintenance covenants or restrictive covenants that apply to Holdings' subsidiaries or that impose limits on Holdings' ability to guarantee or pledge assets to secure the obligations under the Credit Facility, has no mandatory prepayments or redemptions (other than customary asset sale or change in control provisions) and otherwise has covenants, representations and warranties and events of default that are no more restrictive than those existing in the prevailing market for companies with the same or similar credit ratings of Holdings at such time issuing similar securities, is not guaranteed by Holdings' subsidiaries and is subordinated to the obligations under the Credit Facility on terms satisfactory to the Lenders and is not convertible or exchangeable except into indebtedness of Holdings meeting the qualifications set forth herein and (d) ordinary course exceptions customary for holding companies to be agreed.

Holdings shall not incur or permit to exist any liens, other than liens securing the obligations (and obligations under the Dex credit facilities, subject to intercreditor agreement) and other ordinary course exceptions.

Holdings may make investments or acquisitions so long as no default exists and any new subsidiary that is acquired or created as a result of such investment or acquisition shall become a guarantor subject and pursuant to the terms in this Addendum II. Holdings may make investments (not consisting of contribution of assets of any subsidiary) in joint ventures and other minority investments so long as the equity representing such investment is pledged to the Administrative Agent for the benefit of the lenders.

Holdings shall not (a) make distributions and restricted payments to equity holders or (b) repurchase the Restructuring Notes, unless such repurchase occurs on or after the two-year anniversary of the Closing Date.

## **GUARANTEES OF HOLDINGS' SUBSIDIARIES**

BDC, RHD Service, Dex Media and any Newco will be required to guaranty the obligations. Each such guaranty will be secured by a pledge of stock of its subsidiaries and any joint venture interest owned by such Guarantor to the Administrative Agent for the benefit of the Lenders (subject to any restrictions in the applicable joint venture agreement applicable to all partners of such joint venture; in the event any such restriction exists, the parties will agree upon alternative structures, if available, to effect the economic equivalent of a pledge of the applicable joint venture interest). The guaranty from Dex Media will not give the beneficiaries of such guarantee the right to vote or veto any proposed amendment or refinancing of the Dex credit facilities. In addition, RHD Service's and Dex Media's guaranty shall be secured by substantially all the assets of RHD Service and Dex Media, respectively. The guaranty and security provided by any Newco (as applicable) and the lien on the stock of any Newco would be automatically released, without any consent of the lenders (or Administrative Agent), as follows: (a) so long as no default exists and the net cash proceeds are applied to the mandatory prepayment of the obligations to the extent required under the Credit Agreement, if all or a portion of the stock of such Newco is disposed of to a non-affiliate in an arms length transaction (provided, that, in the case of a partial disposition, the lien of the Agent shall be released only with respect to the stock subject to such disposition and the guaranty and security of such Newco shall be released only if it is no longer a subsidiary of Holdings following such disposition) or (b) so long as no default exists, and the net cash proceeds are applied to the mandatory prepayment of the obligations to the extent required under the Credit Agreement, upon a public offering or spin off of such Newco (which results in such Newco no longer being a subsidiary), unless, in the case of clause (a) or (b), a Reinvestment Notice is delivered in respect thereof (so long as (1) such reinvestments do not exceed an amount to be agreed, (2) within twelve months of receipt, the proceeds are either reinvested or contractually committed to be reinvested, provided that such reinvestment shall occur within eighteen months of receipt, (3) the proceeds are kept in an escrow account with a lien granted to the Lenders and is subject to an account control agreement and (4) any asset acquired by such reinvestment shall be pledged as Collateral to the Lenders to the extent and as set forth in this Addendum II).

The covenants applicable to BDC and the Newco Senior Guarantors would be limited to: (i) no limitation on sale of assets to third parties so long as net cash proceeds are applied to repay the Credit Facility (subject to sharing with the Dex credit facilities), to the extent the consolidated leverage ratio at Holdings is greater than or equal to 2.5x, subject to a materiality threshold to be agreed and to the reinvestment option in lieu of mandatory prepayment for proceeds, as described in the prior paragraph, (ii) incur ordinary course unsecured debt (not for borrowed money), purchase money debt and capital leases up to an amount to be agreed, debt incurred to finance acquisitions or investments up to an amount to be agreed, acquired debt in existence prior to (and not in contemplation of) the acquisition of such subsidiary, and additional indebtedness not to exceed \$10,000,000 at each applicable consolidated entity, (iii) incur ordinary course liens, purchase money liens and acquired liens in existence prior to (and not in contemplation of) the acquisition of such subsidiary (iv) limitations on transactions with affiliates subject to customary exceptions to be agreed, and (v) limitations on mergers and consolidations, other than (A) mergers or consolidations with BDC, any Newco Senior Guarantor or any of its or their respective subsidiaries or (B) mergers or consolidations with any Newco Subordinated Guarantor to the extent BDC or a Newco Senior Guarantor is the surviving entity.

The Lenders agree that acquired debt in existence prior to the acquisition of a Newco Subordinated Guarantor or debt incurred to finance the acquisition of a Newco Subordinated Guarantor may have priority over the guarantee to the Lenders by such Newco Subordinated Guarantor to the extent required by the holders of such debt. Notwithstanding the foregoing, no Newco Subordinated Guarantor shall be required to guarantee the Obligations to the extent such guarantee is prohibited by the terms of any

acquired debt in existence prior to the acquisition of such Newco Subordinated Guarantor or any debt incurred to finance the acquisition of such Newco Subordinated Guarantor if no alternative financing (on terms not materially less favorable taken as a whole to the applicable borrower/issuer) is available that would permit such guarantee; provided, that Holdings shall use its commercially reasonable efforts to amend any such acquired debt that is otherwise being amended in connection with such acquisition to permit such guarantee. If any Newco Subordinated Guarantor is unable to guarantee the Obligations due to circumstances described in the immediately preceding sentence, then (A) Holdings may only effect the acquisition of such Newco Subordinated Guarantor to the extent it provides evidence reasonably satisfactory to the Administrative Agent, and certification by a responsible officer, that Holdings was unable to obtain amendments and/or alternative financing (on terms not materially less favorable taken as a whole to the applicable borrower/issuer) was not available, as the case may be, permitting such guarantee and (B) a holding company shall be formed to hold 100% of the shares of the applicable Newco Subordinated Guarantor, which holding company shall guarantee the Obligations and pledge the stock of such Newco Subordinated Guarantor to secure such guaranty.

Transactions between the Borrower and its subsidiaries, on the one hand, and BDC and/or any Newcos or any of their respective subsidiaries, on the other hand, that are not part of Shared Services or other similar ordinary course transactions, must satisfy the following requirements: (a) the terms of any such transaction must not be less favorable in any material respect than the terms it would receive in an arms-length transaction with a third party (and, in the case of any such transaction involving consideration in excess of \$50,000,000, the terms of such transaction must be confirmed as arms length by a reputable financial institution or advisor); (b) no such transaction shall involve the transfer of ownership of any operating assets (including intellectual property rights) or personnel to BDC and/or any Newcos or any of their respective subsidiaries; and (c) all such transactions shall result in the receipt of reasonably equivalent value by the Borrower and its subsidiaries and no such transaction shall not result in the transfer of any revenues that would otherwise be recognized by the Borrower or any of its subsidiaries to BDC and/or any Newcos or any of their respective subsidiaries

It is understood that the guarantees and collateral from Holdings, RHD Service, BDC and the Newcos, and the covenants applicable thereto, shall be substantially identical with respect to each of the Credit Facility, the Dex West credit facility and the Dex East credit facility.

**“Newco Senior Guarantor”** means any Newco the acquisition or formation of which is accomplished, directly or indirectly, using cash or other credit support (including debt service) provided by Holdings, the Borrower or any of their respective Subsidiaries.

**“Newco Subordinated Guarantor”** means any Newco other than a Newco Senior Guarantor.

Each Lender further agrees that it shall not at any time, and shall cause its affiliates and funds not to (solely to the extent such Lender controls such affiliate or fund), withdraw or revoke any properly solicited vote to accept the Plan unless (i) the Plan is modified in a manner inconsistent with the Term Sheet or this Support Agreement and such modification is adverse to such Lender without such Lender's prior written consent or (ii) this Support Agreement is terminated in accordance with its terms.

The occurrence of any of the following shall be a "Termination Event": (a) 11:59 p.m. (New York City time), May 28, 2009, if the Petitions for the Debtors shall not have been filed on or before such time; (b) the consummation of the transactions contemplated by the Term Sheet and the effectiveness of the Amended and Restated Credit Agreement in accordance with its terms (which, if the transactions contemplated by the Term Sheet are effected by means of the Plan, shall be the date on which the Plan becomes effective); (c) any court of competent jurisdiction or other competent governmental or regulatory authority issues an order making illegal or otherwise restricting, preventing or prohibiting the consummation of the transactions contemplated in the Term Sheet or the Amended and Restated Credit Agreement in a way that cannot be reasonably remedied by the Debtors; (d) upon the occurrence of any material breach of this Support Agreement by any of the Debtors, on the one hand, or any Lender, on the other hand (subject to the limitation below); (e) fifteen (15) business days after the filing of any Petition, unless the Bankruptcy Court enters an interim order under 11 U.S.C. §§ 105, 361, 362, 363 and 552 and Bankruptcy Rules 2002, 4001 and 9014 authorizing the Debtors to use cash collateral and granting adequate protection to the Lenders in form and substance reasonably satisfactory to the Administrative Agent (a "Cash Collateral Order"); (f) forty (40) days (or such additional period as agreed to by the Administrative Agent and the Debtors) after the filing of any Petition, unless the Bankruptcy Court enters a final Cash Collateral Order in form and substance satisfactory to the Administrative Agent; provided that a final Cash Collateral Order substantially consistent with the interim Cash Collateral Order shall be deemed to be acceptable to the Administrative Agent; provided further that the preceding proviso shall not limit any relief in the final Cash Collateral Order as entered by the Bankruptcy Court that is customarily considered in connection with such an order; (g) ten (10) business days after the occurrence of a "Termination Event" under any Cash Collateral Order related to any event other than an event set forth explicitly herein, unless the Bankruptcy Court enters on or before the expiration of such ten (10) day period an amendment to or new Cash Collateral Order, which (in each case) shall be in form and substance reasonably satisfactory to the Administrative Agent; (h) any of the Chapter 11 Cases shall be dismissed or converted to a chapter 7 case, or a chapter 11 trustee with plenary powers, a responsible officer, or an examiner with enlarged powers relating to the operation of the businesses of the Debtors (powers beyond those set forth in Sections 1106(a)(3) and (4) of the Bankruptcy Code) shall be appointed in any of the Chapter 11 Cases; (i) a filing by any Debtor of

any motion or application or adversary proceeding (or the joinder by the Debtors in, or support by the Debtors of, any such action commenced by any other party) challenging the validity, enforceability, perfection or priority of the liens securing the Obligations under the Credit Agreement or any other cause of action against and/or with respect to the Obligations, the prepetition liens securing such Obligations, the Administrative Agent or any of the Lenders; (j) the Debtors withdraw the Plan, publicly announce their intention not to support the Plan or file any plan of reorganization and/or disclosure statement that is adverse to the Lenders under the Term Sheet; (k) any amendment, supplement or modification of any Other Term Sheet that is adverse to the Lenders without the prior written consent of the Administrative Agent; (l) 11:59 p.m. (New York City time), August 31, 2009, unless the Debtors have filed the Plan and the accompanying Disclosure Statement with the Bankruptcy Court by such time; (m) 11:59 p.m. (New York City time), October 31, 2009, unless the Bankruptcy Court has entered an order, in form and substance reasonably satisfactory to the Administrative Agent, approving the Disclosure Statement pursuant to Section 1125 of the Bankruptcy Code by such time; (n) 11:59 p.m. (New York City time), January 15, 2010, unless the Bankruptcy Court has entered an order, in form and substance reasonably satisfactory to the Administrative Agent, confirming the Plan by such date; (o) 11:59 p.m. (New York City time), January 31, 2010, unless the Debtors have substantially consummated the Plan pursuant to its terms, including, for the avoidance of doubt, the closing of the Amended and Restated Credit Agreement; (p) the termination of any Other Support Agreement in accordance with its terms; and (q) a filing by any Debtor of any motion or application or adversary proceeding (or support by the Debtors of any such action commenced by any other party) that seeks to prime the liens securing the Obligations under the Credit Agreement; provided however, that with respect to subsections (a), (e), (f), (g), (l), (m), (n) and (o) above, the Termination Date may be extended for a maximum period of 45 days in the sole discretion of the Administrative Agent (such extension period commencing from the date that would have been the Termination Date but for the granting of such extension). Each of the Parties hereby agrees to use its respective commercially reasonable efforts to cause the transactions contemplated by the Term Sheet to be consummated as soon as practicable after the date hereof, and shall not take any action to hinder the bankruptcy process.

Unless extended in accordance with the last proviso of the preceding paragraph, upon the occurrence of a Termination Event under (i) subsections (b), (c), (e), (f), (g), (h), (p) and (q) in the immediately preceding paragraph, this Support Agreement shall automatically terminate without further action; and (ii) subsections (a), (d), (i), (j), (k), (l), (m), (n) and (o) in the immediately preceding paragraph, seven business days after the Administrative Agent (on behalf of the Lenders) or the Ultimate Parent, as applicable, shall have given written notice of such breach to the breaching party and such breach shall not have been cured during such seven business days after receipt of such notice (or otherwise waived in writing by the Ultimate Parent or a majority of Lenders, as applicable), this Support Agreement shall terminate (the date of termination under clause (i) or (ii) hereof being the “Termination Date”). For the avoidance of doubt, the automatic stay arising pursuant to Section 362 of the Bankruptcy Code in the Chapter 11 Cases shall be deemed waived or modified for purposes of providing notice hereunder.

Notwithstanding anything to the contrary in this Support Agreement, if any Lender shall breach its obligations pursuant to this Support Agreement, the Termination Date arising as a result of such act or omission shall apply only to such Lender and this Support Agreement shall otherwise remain in force and effect with respect to the RHD Parties and all such remaining Lenders.

Notwithstanding anything to the contrary in this Support Agreement, the Term Sheet or any other documents executed in connection therewith, each of the Debtors, as

applicable, expressly reserves the right to cure and reinstate the RHD claims (as defined below) against the Credit Agreement Parties under Section 1124 of the Bankruptcy Code, and each of the Administrative Agent and the Lenders expressly reserve the right to contest, litigate and oppose such relief, in the event that either (i) Lenders holding in excess of two thirds (2/3) in amount and one half (1/2) in number of such claims (a) do not execute this Support Agreement or (b) to the extent that the votes of such Lenders are solicited by any of the Debtors following approval of the Disclosure Statement, do not vote to approve the Plan, or (ii) there is any Termination Date under this Support Agreement.

The Ultimate Parent, the Parent, Holdings and the Borrower agree that all lock-up agreements, plan support agreements or similar arrangements agreed to by the Ultimate Parent or any or all of its direct and indirect subsidiaries with respect to the: (i)(a) Credit Agreement, dated as of June 6, 2008, among Dex Media, Inc., Dex Media West, Inc., Dex Media West LLC, as borrower, the lenders from time to time party thereto and JPMorgan Chase Bank, N.A., as administrative agent and (i)(b) Second Amended and Restated Credit Agreement among the Ultimate Parent, R.H. Donnelley Inc., as borrower, the lenders from time to time party thereto and Deutsche Bank Trust Company Americas, as administrative agent, dated as of December 13, 2005 ((i)(a) and (i)(b) collectively, the “Bank Support Agreements”) shall be, in all material respects, on the same terms and conditions as this Support Agreement or otherwise in form and substance reasonably satisfactory to the Administrative Agent; and (ii) current holders of public bonds issued by any of the Debtors (the “Bond Support Agreement”, and together with the Bank Support Agreements, the “Other Support Agreements”) shall not contain terms inconsistent with the treatment of the Lenders under the Term Sheet, as reasonably determined by the Administrative Agent. Copies of the Other Support Agreements, including the Other Term Sheets, are annexed hereto as Exhibit C.

The obligations of each of the Parties and the effectiveness hereof are subject to satisfaction of each of the following conditions: (a) execution and delivery of signature pages for this Support Agreement by each of the Parties; (b) receipt by the Administrative Agent of executed copies of the Other Support Agreements, and each Other Support Agreement shall have become (or substantially simultaneously herewith shall become) effective by its terms (provided, however, that the condition in this clause (b) may be waived by the Administrative Agent and the Company); (c) the receipt by the Ultimate Parent of written confirmation of the execution of this Support Agreement by Lenders holding at least two thirds (2/3) in principal amount and one half (1/2) in number of claims under or in connection with the Credit Agreement; (d) payment by Borrower to the Administrative Agent, (i) for the benefit of the Lenders who have executed and delivered to the Administrative Agent counterparts of this Support Agreement as of 5:00 p.m. (New York City time) on May 27, 2009 (as such date may be extended by agreement of the Administrative Agent and the Borrower), of consent fees as set forth in Section III(d) of the Term Sheet, and (ii) for the benefit of all Lenders, the Initial Prepayment (as defined in the Term Sheet) to be applied in accordance with Section III(j) of the Term Sheet, and (e) receipt by counsel and the financial consultant to the Administrative Agent of all outstanding fees and expenses through the date hereof and a single \$250,000 retainer (which is not evergreen in nature) for each of Simpson Thacher & Bartlett LLP, Bingham McCutchen LLP and FTI Consulting, which, to the extent not applied to fees and expenses prior to the Petition Date, shall be applied to fees and expenses incurred by such advisors and payable in accordance with any applicable Cash Collateral Order entered by the Bankruptcy Court.

Each Party severally, and not jointly, represents to each other Party that, as of the date of this Support Agreement, such Party has, and at all times thereafter until the Termination Date will have, all requisite corporate, partnership, or limited liability company power and

authority to enter into this Support Agreement and to carry out the transactions contemplated by, and perform its respective obligations under, this Support Agreement and that this Support Agreement is the legally valid and binding obligation of it, enforceable in accordance with its terms, except as enforcement may be limited by bankruptcy, insolvency, reorganization or other similar laws limiting creditors' rights generally or by equitable principles relating to enforceability or ruling of the Bankruptcy Court. The RHD Parties each represent that none of the material and information (other than projections which are covered exclusively by the following sentence) provided by or on behalf of the Debtors to the Administrative Agent and the Lenders in connection with the restructuring contemplated in the Term Sheet and the Other Term Sheets, when read or considered collectively, together with all information filed by any of the RHD Parties with the Securities and Exchange Commission, contains any untrue statement of a material fact or omits to state a material fact necessary in order to prevent the statements made therein from being materially misleading. With regard to any projections provided to the Lenders by the Debtors or their agents, all financial projections that have been or will be prepared by or on behalf of the RHD Parties and made available to the Lenders have been or will be prepared in good faith based upon the RHD Parties' reasonable assumptions (which assumptions may not prove to be correct). Each Lender represents to each of the other Parties that it is the legal owner of, and has the full power to vote and dispose of, the RHD Claims (as defined below), in the total amount provided on the signature page attached hereto, free and clear of all liens, encumbrances or adverse claims.

It is understood and agreed by each of the Parties that any breach of this Support Agreement would give rise to irreparable harm for which money damages would not be an adequate remedy and accordingly the Parties agree that, in addition to any other remedies, each non-breaching party shall be entitled to specific performance and injunctive or other equitable relief for any such breach, provided, however, that each of the Parties agrees to waive any requirement for the securing or posting of a bond in connection with such a remedy. The RHD Parties hereby agree that for so long as the Administrative Agent and the undersigned Lenders have not taken any action to prejudice the enforceability of this Support Agreement (including without limitation, alleging in any pleading that this Support Agreement is unenforceable), and have taken such actions as are reasonably required or desirable for the enforcement hereof, then the Administrative Agent and the undersigned Lenders shall have no liability for damages hereunder in the event a court determines that this Support Agreement is not enforceable. Notwithstanding the terms of this paragraph, in no event shall any Debtor, the Administrative Agent or the undersigned Lenders be liable for any special, indirect, incidental, punitive or consequential damages of any kind or nature whatsoever.

Each Lender hereby agrees, for so long as this Support Agreement shall remain in effect as to it, not to, and not to enter into any contract or agreement to, sell, assign, transfer, hypothecate or otherwise dispose of any claim (as defined in Section 101 of the Bankruptcy Code) arising under the Loan Documents and the Specified Swap Agreements to which such Lender may be a party to, against any of the Debtors (the "RHD Claims") unless the transferee thereof (a) agrees in writing to assume and be bound by this Support Agreement and the confidentiality provisions of the Credit Agreement, and (b) delivers such writing to the Administrative Agent and the Ultimate Parent within two business days after the relevant transfer. The RHD Parties shall acknowledge such transfer in writing within two business days and provide a copy of such acknowledgement to the Administrative Agent. By providing such writing, the RHD Parties shall be deemed to have acknowledged their obligations to such transferee. Thereafter, such transferee shall be deemed to be a Lender for purposes of this Support Agreement. Any sale, transfer or assignment of any RHD Claim that does not comply with the procedure set forth in this paragraph shall be deemed void *ab initio*. Unless expressly

stated herein, this Support Agreement shall be solely for the benefit of the Debtors, the Lenders and the Administrative Agent and no other person or entity shall be a third party beneficiary of this Support Agreement.

This Support Agreement shall in no way be construed to preclude any Lender from acquiring additional RHD Claims; provided that any such RHD Claims shall automatically be deemed to be subject to the terms of this Support Agreement.

Notwithstanding anything to the contrary herein, nothing in this Support Agreement shall require any of the Parties or any other Debtor or any of their respective directors or officers (in such person's capacity as a director or officer) to take any action, or to refrain from taking any action, to the extent that taking such action or refraining from taking such action would be inconsistent with such person's fiduciary obligations under applicable law.

This Support Agreement, including exhibits, constitutes the entire agreement of the Parties with respect to the subject matter of this Support Agreement, and supersedes all other prior negotiations, agreements, and understandings, whether written or oral, among the Parties with respect to the subject matter of this Support Agreement; provided, however, that any confidentiality agreement executed by any Party hereto shall survive this Support Agreement and shall continue in full force and effect, subject to the terms thereof, irrespective of the terms hereof.

This Support Agreement and the Term Sheet are part of a proposed settlement of disputes among the Lenders, the Administrative Agent and the Debtors. Except as expressly provided in this Support Agreement, and subject to the terms of any Cash Collateral Order approved by the Bankruptcy Court, nothing herein is intended to, does or shall be deemed in any manner to waive, limit, impair or restrict the ability of any of the Credit Agreement Parties, the Lenders or the Administrative Agent to protect and preserve its rights, remedies and interests, including, but not limited to, all of their rights and remedies under the Credit Agreement or any applicable Cash Collateral Order, including any such rights and remedies relating to Defaults or other events that may have occurred prior to or after the execution of this Support Agreement, any and all of its claims and causes of action against any of the Debtors or any other third parties, any liens or security interests it may have in any assets of any of the Debtors or any third parties, or its full participation in the Chapter 11 Cases. Without limiting the foregoing sentence in any way, if the transactions contemplated by this Support Agreement or otherwise set forth in the Term Sheet are not consummated as provided herein, if a Termination Date occurs, or if this Support Agreement is otherwise terminated for any reason, the Credit Agreement Parties, the Lenders or the Administrative Agent each fully reserve any and all of their respective rights, remedies and interests under the Loan Documents, applicable law and in equity. Nothing herein shall be deemed to be an admission of any kind. Pursuant to Federal Rule of Evidence 408 and any applicable state rules of evidence, this Agreement and all negotiations relating thereto shall not be admissible into evidence in any proceeding other than a proceeding to enforce the terms of this Support Agreement.

This Support Agreement and the Term Sheet and transactions contemplated herein and therein are the product of negotiations among the Parties, together with their respective representatives. This Support Agreement is not, and shall not be deemed to be, a solicitation of votes for the acceptance of the Plan or any plan of reorganization for the purposes of Sections 1125 and 1126 of the Bankruptcy Code or otherwise. The Debtors will not solicit acceptances of the Plan from any Lender until such Lender has been provided with copies of a Disclosure Statement approved by the Bankruptcy Court.

Each of the Parties to this Support Agreement acknowledges that it has been represented by counsel (or had the opportunity to and waived its right to do so) in connection with this Support Agreement and the transactions contemplated by this Support Agreement. Accordingly, any rule of law or any legal decision that would provide any Party hereto with a defense to the enforcement of the terms of this Support Agreement against such Party based upon lack of legal counsel shall have no application and is expressly waived. The provisions of this Support Agreement shall be interpreted in a reasonable manner to effect the intent of the Parties hereto. None of the Parties hereto shall have any term or provision construed against such Party solely by reason of such Party having drafted the same.

Each Lender hereby confirms that its decision to execute this Support Agreement has been based upon its independent investigation of the operations, businesses, financial and other conditions and prospects of the RHD Parties. It is hereby acknowledged by the Parties that no consideration shall be due or paid to the Lenders in exchange for their support of the Plan, in accordance with the terms and conditions of this Support Agreement, other than the obligations imposed upon the Parties pursuant to the terms of this Support Agreement.

Except as set forth in this Support Agreement, this Support Agreement and the Term Sheet may only be modified, amended or supplemented by an agreement in writing signed by the Ultimate Parent, Parent, Holdings, the Borrower and the Lenders party hereto holding at such time a majority in aggregate principal amount of the Loans; provided, however, that if the modification or amendment at issue adversely impacts the economic treatment or rights of any Lender differently than other Lenders, the agreement in writing of such Lender whose economic treatment or rights are adversely impacted in a different manner than other Lenders shall also be required for such modification or amendment to be effective.

This Support Agreement is intended to bind the Parties and inure to the benefit of the Lenders and the Debtors and their respective successors, assigns, heirs, executors, administrators and representatives; provided, however, that nothing contained in this paragraph shall be deemed to permit any transfer, or tender, vote or consent, of any claims other than in accordance with the terms of this Support Agreement.

This Support Agreement may be executed in one or more counterparts, each of which shall be deemed an original and all of which shall constitute one and the same agreement. Delivery of an executed signature page of this Support Agreement by facsimile transmission shall be effective as delivery of a manually executed counterpart hereof.

All notices and other communications required or permitted hereunder shall be in writing and shall be deemed given when: (a) delivered personally or by overnight courier to the following address of the other Party hereto; or (b) sent by fax to the following fax number of the other Party hereto with the confirmatory copy delivered by overnight courier to the address of such Party listed below.

## II. AMENDMENTS TO CREDIT AGREEMENT

The Credit Agreement will be amended and restated (as so amended and restated, the “Amended and Restated Credit Agreement”) as of the Effective Date (as defined below) to reflect the following changes:

- Revolving Loans:** All outstanding Revolving Loans will be converted to a new tranche of term loans, and the Revolving Commitments will be terminated. All references to “Revolving Loans” in this Exhibit shall be deemed a reference to such new tranche of term loans, as the context requires.
- Letters of Credit:** The outstanding Letters of Credit under the Credit Agreement will remain outstanding. To the extent that any amounts are drawn under the Letters of Credit, any such drawn amounts will be treated the same as the outstanding Revolving Loans. Revolving Lenders will fund their risk participations to the Issuing Bank in accordance with the Credit Agreement in respect of each such drawing. The Borrower shall continue to pay the fronting and participation fees under the Credit Agreement in respect of such Letters of Credit (after giving effect to the amendments to the Applicable Rate set forth herein).
- Applicable Rate:** The Applicable Rate will be amended to reflect an Applicable Rate for Revolving Loans, Tranche A Term Loans and Tranche B Term Loans equal to 2.5% per annum, in the case of Eurodollar Loans, and 1.5% per annum, in the case of ABR Loans, effective on the Effective Date, subject to a step-down of 0.25% if the Leverage Ratio is less than 2.75 to 1.0 and a further step-down of 0.25% if the Leverage Ratio is less than 2.50 to 1.0.
- Maturity:** October 24, 2014 (for Revolving Loans, Tranche A Term Loans and Tranche B Term Loans).
- Scheduled Amortization:** The Revolving Loans, Tranche A Term Loans and Tranche B Term Loans will amortize as set forth on Schedule 1 hereto.
- Incremental Facilities:** The capacity for incremental facilities provided in Section 2.20 will be eliminated.

- Mandatory Prepayments:** The mandatory prepayments in the Credit Agreement will be amended as follows (in addition to other prepayments required hereunder):
- (a) to amend the Excess Cash Flow prepayment to be equal to 65% (or 50% with respect to any fiscal year if the Leverage Ratio is equal to or less than 2.50 to 1.0 at the end of such fiscal

year) of Excess Cash Flow for each fiscal year (payable on the same date as the existing Excess Cash Flow prepayment), commencing with the 2010 fiscal year. “Excess Cash Flow” will be based solely on the cash flow of the Borrower and its Subsidiaries and calculated in a manner to be agreed, including after deducting payments made with respect to the RHD Corp. Annual Cash Interest Amount (as defined below) in any year. As used herein, “Borrower’s Portion of Excess Cash Flow” means the portion of Excess Cash Flow not required to be applied to prepay Loans.

(b) to include a mandatory prepayment equal to 100% of the Net Cash Proceeds of any equity or debt issuance (subject to certain exceptions to be agreed) by the Borrower or any Subsidiary and, only to the extent necessary to bring the consolidated leverage ratio of RHD Corp. and its subsidiaries on a pro forma basis after giving effect to such prepayments to less than 3.25 to 1.0, 50% (subject to sharing with lenders under the RHDI Credit Agreement and the Dex West Credit Agreement to be agreed) of the net cash proceeds of any equity issuance by RHD Corp. (other than equity issuances used to fund investments in Guarantors which are not Subsidiaries of the Borrower the proceeds of which are used to fund capital expenditures or other investments in operating assets or to fund the purchase price of any newly acquired Guarantor (“Permitted Investments”) or to refinance the Restructuring Notes or any Additional Notes); and

(c) to limit the Borrower’s reinvestment rights pursuant to Section 2.11(c) to an amount per fiscal year to be agreed and with a limit of not more than an amount to be agreed subject to reinvestment at any time and to decrease the carveout in the definition of “Asset Disposition” to an amount per fiscal year to be agreed.

Application of Prepayments: The order of application of mandatory prepayments will be amended to provide that optional and mandatory prepayments will be applied ratably to the remaining installments of the Revolving Loans, Tranche A Term Loans and Tranche B Term Loans.

Amendments to Covenants: (a) Business.com Inc. and each Newco Senior Guarantor (as defined below) will be subject to the covenants specified on Schedule 2.

(iii) to decrease the general investment basket in Section 6.04(m) to \$25,000,000 in the aggregate during the term of the Credit Agreement (with no growth); and

(h) Section 6.08(a) (Restricted Payments) will be amended as follows:

(i) to replace the basket in Section 6.08(a)(v) with an exception permitting Restricted Payments using the unutilized Borrower's Portion of Excess Cash Flow, so long as proceeds are used (x) to effect Permitted Investments, (y) to pay interest on Restructuring Notes or Additional Notes (as defined below) or (z) at any time on or after the second anniversary of the Effective Date and so long as the consolidated leverage ratio of RHD Corp. and its subsidiaries after giving effect to such repurchase is less than or equal to 3.0 to 1.0, to effect repurchases of Restructuring Notes or Additional Notes;

(ii) to decrease the general Restricted Payment basket in Section 6.08(a)(viii) to \$5,000,000 per fiscal year;

(iii) to replace the basket in Section 6.08(a)(vii) with a basket permitting Restricted Payments to pay cash interest due within ten Business Days after such Restricted Payment is made in an amount not to exceed the RHD Corp. Annual Cash Interest Amount; provided, that to the extent such interest exceeds the RHD Corp. Annual Cash Interest Amount, such excess amount shall (x) reduce the amount of Restricted Payments permitted pursuant to clause (i) above and (y) only be permitted to the extent such amount does not exceed the amount of the anticipated Borrower's Portion of Excess Cash Flow for the then current year (to be calculated and evidenced in a reasonably satisfactory manner); and

(iv) to permit Restricted Payments for employee stock repurchases, Tax Payments and Holdings expenses in a manner and subject to limitations to be agreed.

"RHD Corp. Annual Cash Interest Amount" means, for any fiscal year (or full fiscal year equivalent), an amount equal to 27% of (1) \$36,000,000 plus (2)(a) the sum of the amounts by which the cash interest amount paid by RHD Corp. on the Restructuring Notes in any fiscal year is less than the RHD Corp. Annual Cash Interest Amount for such fiscal year (the "Aggregate Carryover Amount") minus (b) the amount of the Aggregate Carryover Amount that has been used to permit

restricted payments pursuant to clause (h)(iii) above in any preceding fiscal year.

(i) Section 6.08(b) (Certain Payments of Indebtedness) will be amended as follows:

(i) to replace the basket in Section 6.08(b)(vi) with an exception permitting prepayments of indebtedness of the Borrower and its Subsidiaries using the unutilized Borrower's Portion of Excess Cash Flow; and

(ii) to eliminate the basket permitting repayments with equity proceeds in Sections 6.08(b)(vii) and (ix).

(j) Section 6.09 (Transactions with Affiliates) will be amended to (i) incorporate the Shared Services agreement specified below and (ii) provide in clause (c) thereof that, in order to be excepted from arms-length requirements, investments among affiliates must be specifically contemplated by the relevant investment basket to be made among affiliates.

(k) Section 6.15 (Parent Covenants) will be amended as follows:

(i) to apply also to RHD Corp. (with restrictions similar to those under the RHDI Credit Agreement as amended, including that RHD Corp. may not (A) make any distributions to its equity holders or (B) repurchase any Restructuring Notes or Additional Notes except, in the case of this clause (B), at any time on or after the second anniversary of the Effective Date);

(ii) to provide that RHD Corp. may not dispose of (including pursuant to a public offering or spin-off) (A) Business.com Inc. or any Newcos (as defined below) (or substantially all of the assets thereof) unless the net cash proceeds are applied to repay the Loans (subject to (x) a right to reinvestment to be agreed in lieu of prepayment if proceeds are (a) applied (or contractually committed to be applied) within 365 days of receipt to effect a Permitted Investment (it being understood and agreed that any such contractually committed proceeds shall be so applied within 18 months of receipt) and (b) prior to such application, held in a segregated cash collateral account with a control agreement in favor of the Agent (and the agents under the RHDI Credit Agreement and the Dex West Credit Agreement if required thereby) and (y) sharing with lenders under the RHDI Credit Agreement and the Dex West Credit Agreement) or (B) RHD Service LLC; and

(iii) to provide that RHD Corp. and DMI may not incur

additional indebtedness (including guarantees) other than (A) guarantees of the Credit Agreement, the RHDI Credit Agreement and the Dex West Credit Agreement, (B) in the case of RHD Corp., the Restructuring Notes and additional notes (“Additional Notes”) the proceeds of which are used to finance Permitted Investments, to prepay Loans and loans outstanding under the RHDI Credit Agreement and the Dex West Credit Agreement (subject to sharing with lenders under the RHDI Credit Agreement and the Dex West Credit Agreement) or to refinance Restructuring Notes or any Additional Notes, in each case so long as any such indebtedness is unsecured, bears interest at a prevailing market rate (or, in the case of the Restructuring Notes, at an annual cash-pay interest rate not in excess of 12%), has a maturity, and no amortization prior to, at least 6 months beyond the latest maturing secured debt of any subsidiary of RHD Corp. in existence on the Effective Date, has no financial maintenance covenants or restrictive covenants that impose limits on RHD Corp.’s ability to guarantee or pledge assets to secure the Obligations, has no mandatory prepayments or redemptions (other than customary asset sale or change in control provisions) and otherwise has covenants, representations and warranties and events of default that are no more restrictive than those existing in the prevailing market for companies with the same or similar credit ratings of RHD Corp. at such time issuing similar securities, is not guaranteed by RHD Corp.’s subsidiaries, is subordinated to the Obligations on terms satisfactory to the Lenders and is not convertible or exchangeable except into indebtedness of RHD Corp. meeting the qualifications set forth herein and (C) ordinary course exceptions customary for holding companies to be agreed.

(l) Section 6.16 (Designation of Unrestricted Subsidiaries) will be eliminated and there will be no ability to designate Unrestricted Subsidiaries.

(m) Section 5.01 (Financial Statements and Other Information) will be amended to require delivery of copies of financial statements and related information solely to the extent that such statements and information are provided to any debtholder of Business.com Inc. or of any Newco.

(n) Section 5.14 (Interest Rate Protection) will be eliminated.

(o) A new covenant will be added requiring the Borrower to maintain corporate credit and/or family ratings from Moody’s and S&P as well as ratings for the facilities under the Amended

and Restated Credit Agreement.

Events of Default:

The cross default, bankruptcy and judgment events of default (Sections 7(f), (g), (h), (i) and (j)) will be amended to apply also to DMI, RHD Corp. and its subsidiaries (other than RHDI but including Business.com Inc., RHD Service LLC and any Newcos and, in the case of Sections 7(h) and (i), excluding any immaterial subsidiaries).

Guarantee and Collateral Requirements:

In addition to existing guarantee and collateral requirements in the Credit Agreement, RHD Corp., DMI and RHD Service LLC will become Guarantors with substantially all of their assets pledged to the Lenders on a pari passu basis with lenders under the Dex West Credit Agreement and the RHDI Credit Agreement (including the stock of Business.com Inc., RHD Service LLC, any Newcos and any joint venture interests owned by RHD Corp., DMI or RHD Service LLC, but excluding the stock of RHDI). It is understood that the guarantees and collateral from such entities (other than DMI) and the covenants applicable thereto shall be substantially identical with respect to each of the Credit Agreement, the Dex West Credit Agreement and the RHDI Credit Agreement.

Business.com Inc. and any Newco will be required to guarantee the Obligations. Each such guaranty by Business.com Inc., any Newco Senior Guarantor and, to the extent permitted, any Newco Subordinated Guarantor, will be secured by a pledge of stock of such Guarantor's subsidiaries and any joint venture interest owned by such Guarantor (subject to any restrictions in the applicable joint venture agreement applicable to all partners of such joint venture; in the event any such restriction exists, the parties will agree upon alternative structures, if available, to effect the economic equivalent of a pledge of the applicable joint venture interest). Each such guaranty by a Newco Subordinated Guarantor will, to the extent required by the terms of any such debt, be subordinated to any assumed debt of such Newco Subordinated Guarantor as well as any debt incurred to finance the acquisition of such Newco Subordinated Guarantor. Joint ventures will not be required to guarantee the Obligations. Notwithstanding the foregoing, no Newco Subordinated Guarantor shall be required to guarantee the Obligations to the extent such guaranty is prohibited by the terms of any acquired debt in existence prior to the acquisition of such Newco Subordinated Guarantor or any debt incurred to finance the acquisition of such Newco Subordinated Guarantor if no alternative financing (on terms not materially less favorable taken as a whole to the applicable borrower/issuer) is available that would permit such guaranty; provided, that RHD Corp. shall use its commercially reasonable efforts to amend any such acquired debt that is otherwise being amended in connection with such acquisition to permit such guaranty. If any Newco

Subordinated Guarantor is unable to guarantee the Obligations due to circumstances described in the immediately preceding sentence, then (A) RHD Corp. may only effect the acquisition of such Newco Subordinated Guarantor to the extent it provides evidence reasonably satisfactory to the Administrative Agent, and certification by a responsible officer, that RHD Corp. was unable to obtain amendments and/or alternative financing (on terms not materially less favorable taken as a whole to the applicable borrower/issuer) was not available, as the case may be, permitting such guarantee and (B) a holding company shall be formed to hold 100% of the shares of the applicable Newco Subordinated Guarantor, which holding company shall guarantee the Obligations and pledge the stock of such Newco Subordinated Guarantor to secure such guaranty.

The guaranty and security provided by any Newco (as applicable) and the lien on the stock of any Newco will be automatically released, without any consent of the lenders (or the Agent), as follows: (a) so long as no default exists and the net cash proceeds are applied to the mandatory prepayment of the obligations to the extent required under the Credit Agreement (subject to (x) a right to reinvestment to be agreed in lieu of prepayment if proceeds are (a) applied (or contractually committed to be applied) within 365 days of receipt to effect permitted reinvestments to be agreed (it being understood and agreed that any such contractually committed proceeds shall be so applied within 18 months of receipt) and (b) prior to such application, held in a segregated cash collateral account with a control agreement in favor of the Agent (and the agents under the RHDI Credit Agreement and the Dex West Credit Agreement if required thereby) and (y) sharing with lenders under the RHDI Credit Agreement and the Dex West Credit Agreement), if all or a portion of the stock of such subsidiary is disposed of to a non-affiliate in an arms-length transaction (provided, that, in the case of a partial disposition, the lien of the Agent shall be released only with respect to the stock subject to such disposition and the guaranty and security of such subsidiary shall be released only if it is no longer a subsidiary of RHD Corp. following such disposition), or (b) so long as no default exists and the net cash proceeds are applied to the mandatory prepayment of the obligations to the extent required under the Credit Agreement (including the reinvestment option described above), upon a public offering or spin-off of such subsidiary (which results in such entity no longer being a subsidiary).

Transactions between the Borrower and its Subsidiaries, on the one hand, and Business.com and/or any Newcos or any of their respective subsidiaries, on the other hand, that are not part of Shared Services or other similar ordinary course transactions, must satisfy the following requirements: (a) the terms of any such transaction must not be less favorable in any material

respect than the terms it would receive in an arms-length transaction with a third party (and, in the case of any such transaction involving consideration in excess of \$50,000,000, the terms of such transaction must be confirmed as arms-length by a reputable financial institution or advisor); (b) no such transaction shall involve the transfer of ownership of any operating assets (including intellectual property rights) or personnel to Business.com and/or any Newcos or any of their respective subsidiaries; and (c) all such transactions shall result in the receipt of reasonably equivalent value by the Borrower and its Subsidiaries and no such transaction shall result in the transfer of any revenues that would otherwise be recognized by the Borrower or any of its Subsidiaries to Business.com and/or any Newcos or any of their respective subsidiaries.

“Newco” means any new subsidiary (direct or indirect) of RHD Corp. acquired or formed by RHD Corp. after the effective date of the Support Agreement.

“Newco Senior Guarantor” means any Newco the acquisition or formation of which is accomplished, directly or indirectly, using cash or other credit support (including debt service) provided by Holdings, the Borrower or any of their respective Subsidiaries.

“Newco Subordinated Guarantor” means any Newco other than a Newco Senior Guarantor.

#### Interest Rate Swaps:

The net termination payments (the “Swap Payments”) owing under any interest rate swaps shall, except as may be required by applicable law, be treated the same as Revolving Loans and Term Loans for purposes of scheduled amortization (from and after the Effective Date), interest, prepayments and guarantee and collateral requirements.

### III. CONDITIONS

The Amended and Restated Credit Agreement will be subject to the satisfaction or waiver of conditions precedent deemed appropriate by the Administrative Agent and the Lenders, including but not limited to the following (the date on which such conditions are satisfied or waived, the “Effective Date”) and all references to the Closing Date in the Amended and Restated Credit Agreement shall be amended in the Amended and Restated Credit Agreement to refer to the Effective Date rather than the Closing Date, and all representations and warranties, covenants and events of default shall be reset and effective as of the Effective Date:

(a) The negotiation, execution and delivery of definitive documentation (including, without limitation, satisfactory legal opinions (including, without limitation, all relevant local opinions in connection with security), a satisfactory intercreditor agreement with the lenders under the RHDI Credit Agreement and the Dex West Credit Agreement, such corporate resolutions, certificates (including, without limitation, a certification on the

Effective Date of pro forma compliance with financial covenants through the term of the Credit Agreement) and other documents as the Administrative Agent shall require, and other customary closing documents) satisfactory to the Administrative Agent and the requisite Lenders.

(b) The Administrative Agent shall have received satisfactory evidence of the completion of the debt restructuring transactions described in “Debt Restructuring” above.

(c) The Borrower shall have made a prepayment of Loans and Swap Payments (the “Paydown”) in an amount equal to the sum of cash on hand as of March 31, 2009 plus cash flow generated by the Borrower and its Subsidiaries through the restructuring period plus cash repayments from RHD Service LLC repaying existing loans from the Borrower in full less minimum cash balance required for working capital needs of the Borrower and its Subsidiaries (to be equal to \$40,000,000 or such greater amount as may be agreed by the Borrower and the Lenders) less projected federal tax cash payment obligations for the 12 months subsequent to such prepayment in amounts to be agreed less scheduled amortization paid during the pendency of the Chapter 11 Cases and the Initial Prepayment (as defined below), which shall be applied to remaining installments of Revolving Loans, Tranche A Term Loans, Tranche B Term Loans and the Swap Payments ratably.

(d) Each Lender party to the Support Agreement as of 5:00 p.m., New York City time, on May 27, 2009 (as such date may be extended by agreement of the Administrative Agent and the Borrower) shall have received a fee equal to 0.25% of the Term Loans and Revolving Exposures held by such Lender as of such time (after giving effect to the Initial Prepayment).

(e) RHD Corp. and its subsidiaries as debtors and debtors in possession shall have filed cases under Chapter 11 of the Bankruptcy Code (the “Chapter 11 Cases”) in the United States Bankruptcy Court for the District of Delaware.

(f) The Borrower’s plan of reorganization under the Bankruptcy Code, which shall authorize treatment of the Lenders on terms no less favorable to the Lenders than those set forth in this term sheet (the “Plan”), shall have been confirmed by the Bankruptcy Court pursuant to a Confirmation Order on terms and conditions reasonably satisfactory to the Lenders (the “Confirmation Order”). The Confirmation Order shall not be subject to a stay and, unless otherwise agreed to by the Administrative Agent, (i) at least 10 days shall have passed since the entry of the Confirmation Order and (ii) no appeal shall have been lodged to the Confirmation Order that in the opinion of the Administrative Agent might adversely affect any of the Loans, impair in any

material respect the post-effectiveness of the Plan or impair in any material respect the financial condition, business or prospects of RHD Corp. or any of the Loan Parties. All conditions precedent to the effectiveness of the Plan shall have been satisfied or shall be satisfied concurrently in the reasonable judgment of the Administrative Agent. Except as consented to by the Administrative Agent, the Bankruptcy Court's retention of jurisdiction under the Confirmation Order shall not govern the enforcement of the loan documentation for the Loans or any rights or remedies related thereto.

(g) The Administrative Agent shall have received evidence of Shared Services agreements entered into among RHD Corp. and its subsidiaries in form and substance satisfactory to the Administrative Agent and the requisite Lenders (including covenants limiting the activities and liabilities of RHD Service LLC).

(h) The Borrower shall have timely paid current scheduled amortization and interest (at the non-default rate) on the Loans, current fees in respect of outstanding Letters of Credit and interest in respect of the Swap Payments during the pendency of the Chapter 11 Cases and shall have paid all other fees and expenses then due and payable with respect to the Existing Credit Agreement.

(i) Substantially concurrently with the effectiveness of the Support Agreement, the Borrower shall have made a permanent prepayment of Loans in an amount equal to \$59,600,000 (the "Initial Prepayment") which shall be applied to remaining installments of Revolving Loans, Tranche A Term Loans and Tranche B Term Loans ratably.

(j) Each of the representations and warranties made by any Loan Party in or pursuant to the Loan Documents shall be true and correct on and as of the Effective Date (except in the case of representations and warranties that expressly relate to an earlier date, in which case such representations and warranties shall be true and correct as of such earlier date) and no Default or Event of Default under the Amended and Restated Credit Agreement shall have occurred and be continuing.

(k) The Lenders shall have received satisfactory evidence that the Agent (on behalf of the Lenders) shall have a valid and perfected first priority (subject to certain exceptions to be set forth in the loan documentation) mortgage, lien and security interest in the existing and additional collateral pledged to support the Obligations pursuant to the terms of the Amended and Restated Credit Agreement.

(l) The absence of any action, suit, investigation or proceeding

pending or, to the knowledge of the Borrower, threatened in any court or before any arbitrator or governmental authority that could reasonably be expected to (x) have a material adverse effect on the business, assets, properties, liabilities (actual and contingent), operations or condition (financial or otherwise) of RHD Corp. and the Loan Parties and their subsidiaries, taken as a whole, (y) adversely affect the ability of RHD Corp. or any Loan Party to perform its obligations under the loan documentation or (z) adversely affect the rights and remedies of the Agent or the Lenders under the loan documentation.

(m) The Borrower shall have received the repayment in full of its loan (in the sum of \$50,000,000) to RHD Service LLC made on or about March 19, 2009, and such repayment shall have been deposited in a deposit account in which the Agent (for the benefit of the Lenders) has a perfected security interest and be applied as part of Paydown.

The Undersigned Lenders Party to the Credit Agreement  
Referred to Below

Reference is made to the Credit Agreement among Dex Media, Inc. (the "Parent"), Dex Media West, Inc. ("Holdings"), Dex Media West LLC (the "Borrower"), as Borrower, the lenders from time to time party thereto (collectively, the "Lenders"), JPMorgan Chase Bank, N.A., as Administrative Agent (the "Administrative Agent"), Bank of America, N.A., as Syndication Agent, Barclays Bank, PLC, Credit Suisse, Cayman Islands Branch, Deutsche Bank Trust Company Americas, Goldman Sachs Credit Partners, LP, Morgan Stanley & Co. and Wachovia Bank, National Association, as Co-Documentation Agents, and J.P. Morgan Securities Inc. and Banc of America Securities LLC, as Joint Lead Arrangers and Joint Bookrunners, dated as of June 6, 2008 (as amended, supplemented or otherwise modified, the "Credit Agreement"). Capitalized terms used herein and not defined herein shall have the meanings ascribed to them in the Credit Agreement.

R.H. Donnelley Corporation (the "Ultimate Parent") and each of the Parent, Holdings and the Borrower and each of the other Guarantors (collectively, the "Credit Agreement Parties") and, together with the Ultimate Parent, the "RHD Parties") hereby further agree to consummate, and to cause each of their direct and indirect subsidiaries (the RHD Parties, together with their direct and indirect subsidiaries, "Debtors")<sup>1</sup> to consummate, a financial restructuring through a plan of reorganization (the "Plan") that effectuates the terms of the restructuring term sheet attached hereto as Exhibit A (the "Term Sheet") and the term sheets annexed to the Other Support Agreements (the "Other Term Sheets"), the requisite acceptances of which may be solicited after commencement of reorganization cases of the Debtors (the "Chapter 11 Cases") by filing voluntary petitions (collectively, the "Petitions") under chapter 11 of title 11 of the United States Code (the "Bankruptcy Code"), and the approval of a disclosure statement in the Chapter 11 Cases (the "Disclosure Statement") and to use their commercially reasonable efforts to have such Plan confirmed by the United States Bankruptcy Court for the District of Delaware (the "Bankruptcy Court"), under the Bankruptcy Code, the Federal Rules of Bankruptcy Procedure, and the Local Rules of the Bankruptcy Court (the federal and local rules being, the "Bankruptcy Rules").

Pursuant to this letter agreement, which, for the avoidance of doubt, shall include all exhibits annexed hereto (this "Support Agreement"), until the Termination Date (as defined below), each of the Debtors and each of the undersigned Lenders, as parties to the Credit Agreement, hereby approve and agree to: (a) support and consummate the transactions contemplated by the Term Sheet; and (b) support and agree to the Plan.

Subject to Sections 1125 and 1126 of the Bankruptcy Code (if and to the extent applicable), and so long as a Termination Event (as defined below) has not occurred, or has

---

<sup>1</sup> The Debtors shall include each of the entities included in the list annexed hereto as Exhibit B.

occurred but has been duly waived or cured in accordance with the terms hereof, each Lender hereby acknowledges, consents to, and agrees to the proposed treatment of its respective allowed RHD Claims (as defined below) in the Debtors' Chapter 11 Cases as set forth in the Term Sheet.

In furtherance of the foregoing, each of the parties to this Support Agreement (collectively, the "Parties") hereby agrees to negotiate in good faith an amendment and restatement of the Credit Agreement (or, if applicable and in accordance with the Term Sheet, a new credit agreement) to be entered into as of the Effective Date (as defined below) of the Plan among, inter alia, the Parties and the Administrative Agent, on the same economic terms and otherwise in all material respects on the terms set forth in the Term Sheet (the "Amended and Restated Credit Agreement"), and such other definitive documentation as is necessary to consummate the transactions contemplated by the Term Sheet, on the same economic terms and otherwise in all material respects on the terms set forth in the Term Sheet and reasonably acceptable to the Administrative Agent. The Parties acknowledge that the Term Sheet does not contain all terms and detail that would be contained in the definitive documentation, and that such additional terms shall be subject to mutual agreement. None of the RHD Parties shall alter, or cause to be altered, the economic terms or any other material term of the Term Sheet or the transactions contemplated thereby in a manner that is adverse to the Lenders except in accordance with the terms hereof.

Until the Termination Date (as defined below), the undersigned Lenders hereby agree to refrain from: (a) proposing or supporting any chapter 11 plan in the Chapter 11 Cases other than the Plan; and/or (b) objecting to the Plan or taking any action directly or indirectly inconsistent with the terms and conditions of this Support Agreement or the Term Sheet or that would unreasonably delay confirmation or consummation of the Plan.

Each Lender hereby agrees, as long as a Termination Event (as defined below) has not occurred, or has occurred but has been duly waived or cured in accordance with the terms hereof, that it shall, when solicited by any of the Debtors pursuant to Sections 1125 and 1126 of the Bankruptcy Code, timely vote, and cause its affiliates and funds (solely to the extent such Lender controls such affiliate or fund) to timely vote, as appropriate, to accept the Plan, and to the extent such election is available, shall not elect on its ballot to preserve any claims that may be affected by any usual and customary releases provided for under the Plan.

Each Lender hereby agrees, as long as a Termination Event (as defined below) has not occurred, or has occurred but has been duly waived or cured in accordance with the terms hereof (i) to recommend and support confirmation of the Plan and (ii) to permit disclosure, including the contents thereof and parties thereto, of this Support Agreement in any press release, Disclosure Statement and Plan Documents (as defined below) and any other filings by the Debtors with the Bankruptcy Court or the Securities and Exchange Commission to the extent the terms of all Other Support Agreements (as defined below) are or have been previously similarly disclosed or as otherwise required by law or regulation. In addition, each Lender agrees, as long as a Termination Event (as defined below) has not occurred, or has occurred but has been duly waived or cured in accordance with the terms hereof, that they shall not: (a) object to the Plan or Disclosure Statement or consummation of the Term Sheet or Plan or any efforts to obtain acceptance of, and to confirm and implement the Plan, or otherwise commence any proceeding to oppose any action or any of the documents needed to effectuate the Plan, including, but not limited to, any documents or agreements that are ancillary to or filed or implemented in connection with the Plan or the Disclosure Statement (collectively, the "Plan Documents"); (b) vote for, consent to, support or participate in the formulation of any other restructuring or settlement of any claims against the Debtors, any other transaction involving any Debtor, any of

their assets or any of their stock, or any plan of reorganization (with the sole exception of the Plan) or liquidation under applicable bankruptcy or insolvency laws, whether domestic or foreign, in respect of any of the Debtors; (c) directly or indirectly seek, solicit, support, formulate, entertain, encourage or engage in any inquiries, or discussions, or enter into any agreements relating to, any restructuring, plan, proposal or offer of dissolution, winding up, liquidation, reorganization, merger, transaction, sale, disposition or restructuring of any of the Debtors (or any of its assets or stock) other than the Plan or as otherwise set forth in the Term Sheet; (d) take any action, directly or indirectly, including but not limited to initiating any legal proceedings, that is inconsistent with, or that would delay, prevent, frustrate or impede the approval, confirmation or consummation of, the Disclosure Statement or the Plan or the transactions outlined therein or in the Term Sheet or take any other action that is barred by this Agreement; or (e) solicit, encourage, or direct any other entity to do any of the foregoing set forth in (a), (b), (c) or (d) of this paragraph.

Each Lender further agrees that it shall not at any time, and shall cause its affiliates and funds not to (solely to the extent such Lender controls such affiliate or fund), withdraw or revoke any properly solicited vote to accept the Plan unless (i) the Plan is modified in a manner inconsistent with the Term Sheet or this Support Agreement and such modification is adverse to such Lender without such Lender's prior written consent or (ii) this Support Agreement is terminated in accordance with its terms.

The occurrence of any of the following shall be a "Termination Event": (a) 11:59 p.m. (New York City time), May 28, 2009, if the Petitions for the Debtors shall not have been filed on or before such time; (b) the consummation of the transactions contemplated by the Term Sheet and the effectiveness of the Amended and Restated Credit Agreement in accordance with its terms (which, if the transactions contemplated by the Term Sheet are effected by means of the Plan, shall be the date on which the Plan becomes effective); (c) any court of competent jurisdiction or other competent governmental or regulatory authority issues an order making illegal or otherwise restricting, preventing or prohibiting the consummation of the transactions contemplated in the Term Sheet or the Amended and Restated Credit Agreement in a way that cannot be reasonably remedied by the Debtors; (d) upon the occurrence of any material breach of this Support Agreement by any of the Debtors, on the one hand, or any Lender, on the other hand (subject to the limitation below); (e) fifteen (15) business days after the filing of any Petition, unless the Bankruptcy Court enters an interim order under 11 U.S.C. §§ 105, 361, 362, 363 and 552 and Bankruptcy Rules 2002, 4001 and 9014 authorizing the Debtors to use cash collateral and granting adequate protection to the Lenders in form and substance reasonably satisfactory to the Administrative Agent (a "Cash Collateral Order"); (f) forty (40) days (or such additional period as agreed to by the Administrative Agent and the Debtors) after the filing of any Petition, unless the Bankruptcy Court enters a final Cash Collateral Order in form and substance satisfactory to the Administrative Agent; provided that a final Cash Collateral Order substantially consistent with the interim Cash Collateral Order shall be deemed to be acceptable to the Administrative Agent; provided further that the preceding proviso shall not limit any relief in the final Cash Collateral Order as entered by the Bankruptcy Court that is customarily considered in connection with such an order; (g) ten (10) business days after the occurrence of a "Termination Event" under any Cash Collateral Order related to any event other than an event set forth explicitly herein, unless the Bankruptcy Court enters on or before the expiration of such ten (10) day period an amendment to or new Cash Collateral Order, which (in each case) shall be in form and substance reasonably satisfactory to the Administrative Agent; (h) any of the Chapter 11 Cases shall be dismissed or converted to a chapter 7 case, or a chapter 11 trustee with plenary powers, a responsible officer, or an examiner with enlarged powers relating to the operation of the businesses of the Debtors (powers beyond those set forth in Sections 1106(a)(3) and (4) of the

Bankruptcy Code) shall be appointed in any of the Chapter 11 Cases; (i) a filing by any Debtor of any motion or application or adversary proceeding (or the joinder by the Debtors in, or support by the Debtors of, any such action commenced by any other party) challenging the validity, enforceability, perfection or priority of the liens securing the Obligations under the Credit Agreement or any other cause of action against and/or with respect to the Obligations, the prepetition liens securing such Obligations, the Administrative Agent or any of the Lenders; (j) the Debtors withdraw the Plan, publicly announce their intention not to support the Plan or file any plan of reorganization and/or disclosure statement that is adverse to the Lenders under the Term Sheet; (k) any amendment, supplement or modification of any Other Term Sheet that is adverse to the Lenders without the prior written consent of the Administrative Agent; (l) 11:59 p.m. (New York City time), August 31, 2009, unless the Debtors have filed the Plan and the accompanying Disclosure Statement with the Bankruptcy Court by such time; (m) 11:59 p.m. (New York City time), October 31, 2009, unless the Bankruptcy Court has entered an order, in form and substance reasonably satisfactory to the Administrative Agent, approving the Disclosure Statement pursuant to Section 1125 of the Bankruptcy Code by such time; (n) 11:59 p.m. (New York City time), January 15, 2010, unless the Bankruptcy Court has entered an order, in form and substance reasonably satisfactory to the Administrative Agent, confirming the Plan by such date; (o) 11:59 p.m. (New York City time), January 31, 2010, unless the Debtors have substantially consummated the Plan pursuant to its terms, including, for the avoidance of doubt, the closing of the Amended and Restated Credit Agreement; (p) the termination of any Other Support Agreement in accordance with its terms; and (q) a filing by any Debtor of any motion or application or adversary proceeding (or support by the Debtors of any such action commenced by any other party) that seeks to prime the liens securing the Obligations under the Credit Agreement; provided however, that with respect to subsections (a), (e), (f), (g), (l), (m), (n) and (o) above, the Termination Date may be extended for a maximum period of 45 days in the sole discretion of the Administrative Agent (such extension period commencing from the date that would have been the Termination Date but for the granting of such extension). Each of the Parties hereby agrees to use its respective commercially reasonable efforts to cause the transactions contemplated by the Term Sheet to be consummated as soon as practicable after the date hereof, and shall not take any action to hinder the bankruptcy process.

Unless extended in accordance with the last proviso of the preceding paragraph, upon the occurrence of a Termination Event under (i) subsections (b), (c), (e), (f), (g), (h), (p) and (q) in the immediately preceding paragraph, this Support Agreement shall automatically terminate without further action; and (ii) subsections (a), (d), (i), (j), (k), (l), (m), (n) and (o) in the immediately preceding paragraph, seven business days after the Administrative Agent (on behalf of the Lenders) or the Ultimate Parent, as applicable, shall have given written notice of such breach to the breaching party and such breach shall not have been cured during such seven business days after receipt of such notice (or otherwise waived in writing by the Ultimate Parent or a majority of Lenders, as applicable), this Support Agreement shall terminate (the date of termination under clause (i) or (ii) hereof being the “Termination Date”). For the avoidance of doubt, the automatic stay arising pursuant to Section 362 of the Bankruptcy Code in the Chapter 11 Cases shall be deemed waived or modified for purposes of providing notice hereunder.

Notwithstanding anything to the contrary in this Support Agreement, if any Lender shall breach its obligations pursuant to this Support Agreement, the Termination Date arising as a result of such act or omission shall apply only to such Lender and this Support Agreement shall otherwise remain in force and effect with respect to the RHD Parties and all such remaining Lenders.

Notwithstanding anything to the contrary in this Support Agreement, the Term Sheet or any other documents executed in connection therewith, each of the Debtors, as applicable, expressly reserves the right to cure and reinstate the RHD claims (as defined below) against the Credit Agreement Parties under Section 1124 of the Bankruptcy Code, and each of the Administrative Agent and the Lenders expressly reserve the right to contest, litigate and oppose such relief, in the event that either (i) Lenders holding in excess of two thirds (2/3) in amount and one half (1/2) in number of such claims (a) do not execute this Support Agreement or (b) to the extent that the votes of such Lenders are solicited by any of the Debtors following approval of the Disclosure Statement, do not vote to approve the Plan, or (ii) there is any Termination Date under this Support Agreement.

The Ultimate Parent, the Parent, Holdings and the Borrower agree that all lock-up agreements, plan support agreements or similar arrangements agreed to by the Ultimate Parent or any or all of its direct and indirect subsidiaries with respect to the: (i)(a) Credit Agreement, dated as of October 24, 2007, among Dex Media, Inc., Dex Media East, Inc., Dex Media East LLC, as borrower, the lenders from time to time party thereto and JPMorgan Chase Bank, N.A., as administrative agent and (i)(b) Second Amended and Restated Credit Agreement among the Ultimate Parent, R.H. Donnelley Inc., as borrower, the lenders from time to time party thereto and Deutsche Bank Trust Company Americas, as administrative agent, dated as of December 13, 2005 ((i)(a) and (i)(b) collectively, the “Bank Support Agreements”) shall be, in all material respects, on the same terms and conditions as this Support Agreement or otherwise in form and substance reasonably satisfactory to the Administrative Agent; and (ii) current holders of public bonds issued by any of the Debtors (the “Bond Support Agreement”, and together with the Bank Support Agreements, the “Other Support Agreements”) shall not contain terms inconsistent with the treatment of the Lenders under the Term Sheet, as reasonably determined by the Administrative Agent. Copies of the Other Support Agreements, including the Other Term Sheets, are annexed hereto as Exhibit C.

The obligations of each of the Parties and the effectiveness hereof are subject to satisfaction of each of the following conditions: (a) execution and delivery of signature pages for this Support Agreement by each of the Parties; (b) receipt by the Administrative Agent of executed copies of the Other Support Agreements, and each Other Support Agreement shall have become (or substantially simultaneously herewith shall become) effective by its terms (provided, however, that the condition in this clause (b) may be waived by the Administrative Agent and the Company); (c) the receipt by the Ultimate Parent of written confirmation of the execution of this Support Agreement by Lenders holding at least two thirds (2/3) in principal amount and one half (1/2) in number of claims under or in connection with the Credit Agreement; (d) payment by Borrower to the Administrative Agent, (i) for the benefit of the Lenders who have executed and delivered to the Administrative Agent counterparts of this Support Agreement as of 5:00 p.m. (New York City time) on May 27, 2009 (as such date may be extended by agreement of the Administrative Agent and the Borrower), of consent fees as set forth in Section III(d) of the Term Sheet, and (ii) for the benefit of all Lenders, the Initial Prepayment (as defined in the Term Sheet) to be applied in accordance with Section III(j) of the Term Sheet, and (e) receipt by counsel and the financial consultant to the Administrative Agent of all outstanding fees and expenses through the date hereof and a single \$250,000 retainer (which is not evergreen in nature) for each of Simpson Thacher & Bartlett LLP, Bingham McCutchen LLP and FTI Consulting, which, to the extent not applied to fees and expenses prior to the Petition Date, shall be applied to fees and expenses incurred by such advisors and payable in accordance with any applicable Cash Collateral Order entered by the Bankruptcy Court.

Each Party severally, and not jointly, represents to each other Party that, as of the date of this Support Agreement, such Party has, and at all times thereafter until the Termination Date will have, all requisite corporate, partnership, or limited liability company power and authority to enter into this Support Agreement and to carry out the transactions contemplated by, and perform its respective obligations under, this Support Agreement and that this Support Agreement is the legally valid and binding obligation of it, enforceable in accordance with its terms, except as enforcement may be limited by bankruptcy, insolvency, reorganization or other similar laws limiting creditors' rights generally or by equitable principles relating to enforceability or ruling of the Bankruptcy Court. The RHD Parties each represent that none of the material and information (other than projections which are covered exclusively by the following sentence) provided by or on behalf of the Debtors to the Administrative Agent and the Lenders in connection with the restructuring contemplated in the Term Sheet and the Other Term Sheets, when read or considered collectively, together with all information filed by any of the RHD Parties with the Securities and Exchange Commission, contains any untrue statement of a material fact or omits to state a material fact necessary in order to prevent the statements made therein from being materially misleading. With regard to any projections provided to the Lenders by the Debtors or their agents, all financial projections that have been or will be prepared by or on behalf of the RHD Parties and made available to the Lenders have been or will be prepared in good faith based upon the RHD Parties' reasonable assumptions (which assumptions may not prove to be correct). Each Lender represents to each of the other Parties that it is the legal owner of, and has the full power to vote and dispose of, the RHD Claims (as defined below), in the total amount provided on the signature page attached hereto, free and clear of all liens, encumbrances or adverse claims.

It is understood and agreed by each of the Parties that any breach of this Support Agreement would give rise to irreparable harm for which money damages would not be an adequate remedy and accordingly the Parties agree that, in addition to any other remedies, each non-breaching party shall be entitled to specific performance and injunctive or other equitable relief for any such breach, provided, however, that each of the Parties agrees to waive any requirement for the securing or posting of a bond in connection with such a remedy. The RHD Parties hereby agree that for so long as the Administrative Agent and the undersigned Lenders have not taken any action to prejudice the enforceability of this Support Agreement (including without limitation, alleging in any pleading that this Support Agreement is unenforceable), and have taken such actions as are reasonably required or desirable for the enforcement hereof, then the Administrative Agent and the undersigned Lenders shall have no liability for damages hereunder in the event a court determines that this Support Agreement is not enforceable. Notwithstanding the terms of this paragraph, in no event shall any Debtor, the Administrative Agent or the undersigned Lenders be liable for any special, indirect, incidental, punitive or consequential damages of any kind or nature whatsoever.

Each Lender hereby agrees, for so long as this Support Agreement shall remain in effect as to it, not to, and not to enter into any contract or agreement to, sell, assign, transfer, hypothecate or otherwise dispose of any claim (as defined in Section 101 of the Bankruptcy Code) arising under the Loan Documents and the Specified Swap Agreements to which such Lender may be a party to, against any of the Debtors (the "RHD Claims") unless the transferee thereof (a) agrees in writing to assume and be bound by this Support Agreement and the confidentiality provisions of the Credit Agreement, and (b) delivers such writing to the Administrative Agent and the Ultimate Parent within two business days after the relevant transfer. The RHD Parties shall acknowledge such transfer in writing within two business days and provide a copy of such acknowledgement to the Administrative Agent. By providing such writing, the RHD Parties shall be deemed to have acknowledged their obligations to such

transferee. Thereafter, such transferee shall be deemed to be a Lender for purposes of this Support Agreement. Any sale, transfer or assignment of any RHD Claim that does not comply with the procedure set forth in this paragraph shall be deemed void *ab initio*. Unless expressly stated herein, this Support Agreement shall be solely for the benefit of the Debtors, the Lenders and the Administrative Agent and no other person or entity shall be a third party beneficiary of this Support Agreement.

This Support Agreement shall in no way be construed to preclude any Lender from acquiring additional RHD Claims; provided that any such RHD Claims shall automatically be deemed to be subject to the terms of this Support Agreement.

Notwithstanding anything to the contrary herein, nothing in this Support Agreement shall require any of the Parties or any other Debtor or any of their respective directors or officers (in such person's capacity as a director or officer) to take any action, or to refrain from taking any action, to the extent that taking such action or refraining from taking such action would be inconsistent with such person's fiduciary obligations under applicable law.

This Support Agreement, including exhibits, constitutes the entire agreement of the Parties with respect to the subject matter of this Support Agreement, and supersedes all other prior negotiations, agreements, and understandings, whether written or oral, among the Parties with respect to the subject matter of this Support Agreement; provided, however, that any confidentiality agreement executed by any Party hereto shall survive this Support Agreement and shall continue in full force and effect, subject to the terms thereof, irrespective of the terms hereof.

This Support Agreement and the Term Sheet are part of a proposed settlement of disputes among the Lenders, the Administrative Agent and the Debtors. Except as expressly provided in this Support Agreement, and subject to the terms of any Cash Collateral Order approved by the Bankruptcy Court, nothing herein is intended to, does or shall be deemed in any manner to waive, limit, impair or restrict the ability of any of the Credit Agreement Parties, the Lenders or the Administrative Agent to protect and preserve its rights, remedies and interests, including, but not limited to, all of their rights and remedies under the Credit Agreement or any applicable Cash Collateral Order, including any such rights and remedies relating to Defaults or other events that may have occurred prior to or after the execution of this Support Agreement, any and all of its claims and causes of action against any of the Debtors or any other third parties, any liens or security interests it may have in any assets of any of the Debtors or any third parties, or its full participation in the Chapter 11 Cases. Without limiting the foregoing sentence in any way, if the transactions contemplated by this Support Agreement or otherwise set forth in the Term Sheet are not consummated as provided herein, if a Termination Date occurs, or if this Support Agreement is otherwise terminated for any reason, the Credit Agreement Parties, the Lenders or the Administrative Agent each fully reserve any and all of their respective rights, remedies and interests under the Loan Documents, applicable law and in equity. Nothing herein shall be deemed to be an admission of any kind. Pursuant to Federal Rule of Evidence 408 and any applicable state rules of evidence, this Agreement and all negotiations relating thereto shall not be admissible into evidence in any proceeding other than a proceeding to enforce the terms of this Support Agreement.

This Support Agreement and the Term Sheet and transactions contemplated herein and therein are the product of negotiations among the Parties, together with their respective representatives. This Support Agreement is not, and shall not be deemed to be, a solicitation of votes for the acceptance of the Plan or any plan of reorganization for the purposes

of Sections 1125 and 1126 of the Bankruptcy Code or otherwise. The Debtors will not solicit acceptances of the Plan from any Lender until such Lender has been provided with copies of a Disclosure Statement approved by the Bankruptcy Court.

Each of the Parties to this Support Agreement acknowledges that it has been represented by counsel (or had the opportunity to and waived its right to do so) in connection with this Support Agreement and the transactions contemplated by this Support Agreement. Accordingly, any rule of law or any legal decision that would provide any Party hereto with a defense to the enforcement of the terms of this Support Agreement against such Party based upon lack of legal counsel shall have no application and is expressly waived. The provisions of this Support Agreement shall be interpreted in a reasonable manner to effect the intent of the Parties hereto. None of the Parties hereto shall have any term or provision construed against such Party solely by reason of such Party having drafted the same.

Each Lender hereby confirms that its decision to execute this Support Agreement has been based upon its independent investigation of the operations, businesses, financial and other conditions and prospects of the RHD Parties. It is hereby acknowledged by the Parties that no consideration shall be due or paid to the Lenders in exchange for their support of the Plan, in accordance with the terms and conditions of this Support Agreement, other than the obligations imposed upon the Parties pursuant to the terms of this Support Agreement.

Except as set forth in this Support Agreement, this Support Agreement and the Term Sheet may only be modified, amended or supplemented by an agreement in writing signed by the Ultimate Parent, Parent, Holdings, the Borrower and the Lenders party hereto holding at such time a majority in aggregate principal amount of the Loans; provided, however, that if the modification or amendment at issue adversely impacts the economic treatment or rights of any Lender differently than other Lenders, the agreement in writing of such Lender whose economic treatment or rights are adversely impacted in a different manner than other Lenders shall also be required for such modification or amendment to be effective.

This Support Agreement is intended to bind the Parties and inure to the benefit of the Lenders and the Debtors and their respective successors, assigns, heirs, executors, administrators and representatives; provided, however, that nothing contained in this paragraph shall be deemed to permit any transfer, or tender, vote or consent, of any claims other than in accordance with the terms of this Support Agreement.

This Support Agreement may be executed in one or more counterparts, each of which shall be deemed an original and all of which shall constitute one and the same agreement. Delivery of an executed signature page of this Support Agreement by facsimile transmission shall be effective as delivery of a manually executed counterpart hereof.

All notices and other communications required or permitted hereunder shall be in writing and shall be deemed given when: (a) delivered personally or by overnight courier to the following address of the other Party hereto; or (b) sent by fax to the following fax number of the other Party hereto with the confirmatory copy delivered by overnight courier to the address of such Party listed below.

## II. AMENDMENTS TO CREDIT AGREEMENT

The Credit Agreement will be amended and restated (as so amended and restated, the "Amended and Restated Credit Agreement") as of the Effective Date (as defined below) to reflect the following changes:

- Revolving Loans: All outstanding Revolving Loans will be converted to a new tranche of term loans, and the Revolving Commitments will be terminated. All references to "Revolving Loans" in this Exhibit shall be deemed a reference to such new tranche of term loans, as the context requires.
- Applicable Rate: The Applicable Rate will be amended to reflect an Applicable Rate for Revolving Loans, Tranche A Term Loans and Tranche B Term Loans equal to 4.5% per annum, in the case of Eurodollar Loans, and 3.5% per annum, in the case of ABR Loans, effective on the Effective Date, subject to a step-down of 0.25% if the Leverage Ratio is less than 2.75 to 1.0 and a further step-down of 0.25% if the Leverage Ratio is less than 2.50 to 1.0.

"Excess Cash Flow" will be based solely on the cash flow of the Borrower and its Subsidiaries and calculated in a manner to be agreed, including after deducting payments made with respect to the RHD Corp. Annual Cash Interest Amount (as defined below) in any year. As used herein, "Borrower's Portion of Excess Cash Flow" means the portion of Excess Cash Flow not required to be applied to prepay Loans.

(b) to include a mandatory prepayment equal to 100% of the Net Cash Proceeds of any equity or debt issuance (subject to certain exceptions to be agreed) by the Borrower or any Subsidiary and, only to the extent necessary to bring the consolidated leverage ratio of RHD Corp. and its subsidiaries on a pro forma basis after giving effect to such prepayments to less than 3.25 to 1.0, 50% (subject to sharing with lenders under the RHDI Credit Agreement and the Dex East Credit Agreement to be agreed) of the net cash proceeds of any equity issuance by RHD Corp.   - (ii) to eliminate the basket for intercompany investments in non-Guarantors in Section 6.04(c);
  - (iii) to decrease the general investment basket in Section 6.04(m) to \$25,000,000 in the aggregate during the term of the Credit Agreement (with no growth);
  - (iv) to permit investments with the unutilized Borrower's Portion of Excess Cash Flow in Permitted Investments; and
  - (v) to include a basket for investments structured as intercompany loans to Dex East, the proceeds of which are used to make scheduled amortization payments under the Dex East Credit Agreement, in an aggregate principal amount not exceeding \$15,000,000 in 2011, \$40,000,000 in 2012, \$40,000,000 in 2013 and \$40,000,000 in 2014; provided, that at the time any such loan is made, a responsible officer of the Borrower shall certify that on a pro forma basis after giving effect to such loan (A) the Borrower and its Subsidiaries will be compliant with the financial covenants through the remainder of the term of the Credit Agreement, (B) the Borrower and its Subsidiaries will have liquidity of at least \$25,000,000 and (C) no Default or Event of Default shall have occurred and be continuing.
- (f) Section 6.05 (Asset Sales) will be amended as follows:
  - (i) to decrease the basket in Section 6.05(h) to an amount to be agreed (with minimum 80% cash consideration); and
  - (ii) to decrease the basket for Permitted Asset Swaps in

Section 6.05(e) to an amount to be agreed.

(g) Section 6.06 (Sale and Leaseback Transactions) will be amended to limit sale and leaseback transactions to an amount to be agreed.

(h) Section 6.08(a) (Restricted Payments) will be amended as follows:

(i) to replace the basket in Section 6.08(a)(v) with an exception permitting Restricted Payments using the unutilized Borrower's Portion of Excess Cash Flow, so long as proceeds are used (x) to effect Permitted Investments, (y) to pay interest on Restructuring Notes or Additional Notes (as defined below) or (z) at any time on or after the second anniversary of the Effective Date and so long as the consolidated leverage ratio of RHD Corp. and its subsidiaries after giving effect to such repurchase is less than or equal to 3.0 to 1.0, to effect repurchases of Restructuring Notes or Additional Notes;

(ii) to decrease the general Restricted Payment basket in Section 6.08(a)(viii) to \$5,000,000 per fiscal year;

(iii) to replace the basket in Section 6.08(a)(vii) with a basket permitting Restricted Payments to pay cash interest due within ten Business Days after such Restricted Payment is made in an amount not to exceed the RHD Corp. Annual Cash Interest Amount; provided, that to the extent such interest exceeds the RHD Corp. Annual Cash Interest Amount, such excess amount shall (x) reduce the amount of Restricted Payments permitted pursuant to clause (i) above and (y) only be permitted to the extent such amount does not exceed the amount of the anticipated Borrower's Portion of Excess Cash Flow for the then current year (to be calculated and evidenced in a reasonably satisfactory manner); and

(iv) to permit Restricted Payments for employee stock repurchases, Tax Payments and Holdings expenses in a manner and subject to limitations to be agreed.

"RHD Corp. Annual Cash Interest Amount" means, for any fiscal year (or full fiscal year equivalent), an amount equal to 36% of (1) \$36,000,000 plus (2)(a) the sum of the amounts by which the cash interest amount paid by RHD Corp. on the Restructuring Notes in any fiscal year is less than the RHD Corp. Annual Cash Interest Amount for such fiscal year (the "Aggregate Carryover Amount") minus (b) the amount of the Aggregate Carryover Amount that has been used to permit

restricted payments pursuant to clause (h)(iii) above in any preceding fiscal year.

(i) Section 6.08(b) (Certain Payments of Indebtedness) will be amended as follows:

(i) to replace the basket in Section 6.08(b)(vi) with an exception permitting prepayments of indebtedness of the Borrower and its Subsidiaries using the unutilized Borrower's Portion of Excess Cash Flow; and

(ii) to eliminate the basket permitting repayments with equity proceeds in Sections 6.08(b)(vii) and (ix).

(j) Section 6.09 (Transactions with Affiliates) will be amended to (i) incorporate the Shared Services agreement specified below and (ii) provide in clause (c) thereof that, in order to be excepted from arms-length requirements, investments among affiliates must be specifically contemplated by the relevant investment basket to be made among affiliates.

(k) Section 6.15 (Parent Covenants) will be amended as follows:

(i) to apply also to RHD Corp. (with restrictions similar to those under the RHDI Credit Agreement as amended, including that RHD Corp. may not (A) make any distributions to its equity holders or (B) repurchase any Restructuring Notes or Additional Notes except, in the case of this clause (B), at any time on or after the second anniversary of the Effective Date);

(ii) to provide that RHD Corp. may not dispose of (including pursuant to a public offering or spin-off) (A) Business.com Inc. or any Newcos (as defined below) (or substantially all of the assets thereof) unless the net cash proceeds are applied to repay the Loans (subject to (x) a right to reinvestment to be agreed in lieu of prepayment if proceeds are (a) applied (or contractually committed to be applied) within 365 days of receipt to effect a Permitted Investment (it being understood and agreed that any such contractually committed proceeds shall be so applied within 18 months of receipt) and (b) prior to such application, held in a segregated cash collateral account with a control agreement in favor of the Agent (and the agents under the RHDI Credit Agreement and the Dex East Credit Agreement if required thereby) and (y) sharing with lenders under the RHDI Credit Agreement and the Dex East Credit Agreement) or (B) RHD Service LLC; and

(iii) to provide that RHD Corp. and DMI may not incur

additional indebtedness (including guarantees) other than (A) guarantees of the Credit Agreement, the RHDI Credit Agreement and the Dex East Credit Agreement, (B) in the case of RHD Corp., the Restructuring Notes and additional notes (“Additional Notes”) the proceeds of which are used to finance Permitted Investments, to prepay Loans and loans outstanding under the RHDI Credit Agreement and the Dex East Credit Agreement (subject to sharing with lenders under the RHDI Credit Agreement and the Dex East Credit Agreement) or to refinance Restructuring Notes or any Additional Notes, in each case so long as any such indebtedness is unsecured, bears interest at a prevailing market rate (or, in the case of the Restructuring Notes, at an annual cash-pay interest rate not in excess of 12%), has a maturity, and no amortization prior to, at least 6 months beyond the latest maturing secured debt of any subsidiary of RHD Corp. in existence on the Effective Date, has no financial maintenance covenants or restrictive covenants that impose limits on RHD Corp.’s ability to guarantee or pledge assets to secure the Obligations, has no mandatory prepayments or redemptions (other than customary asset sale or change in control provisions) and otherwise has covenants, representations and warranties and events of default that are no more restrictive than those existing in the prevailing market for companies with the same or similar credit ratings of RHD Corp. at such time issuing similar securities, is not guaranteed by RHD Corp.’s subsidiaries, is subordinated to the Obligations on terms satisfactory to the Lenders and is not convertible or exchangeable except into indebtedness of RHD Corp. meeting the qualifications set forth herein and (C) ordinary course exceptions customary for holding companies to be agreed.

(l) Section 6.18 (Designation of Unrestricted Subsidiaries) will be eliminated and there will be no ability to designate Unrestricted Subsidiaries.

(m) Section 5.01 (Financial Statements and Other Information) will be amended to require delivery of copies of financial statements and related information solely to the extent that such statements and information are provided to any debtholder of Business.com Inc. or of any Newco.

(n) Section 5.14 (Interest Rate Protection) will be eliminated.

(o) A new covenant will be added requiring the Borrower to maintain corporate credit and/or family ratings from Moody’s and S&P as well as ratings for the facilities under the Amended

and Restated Credit Agreement.

Events of Default:

The cross default, bankruptcy and judgment events of default (Sections 7(f), (g), (h), (i) and (j)) will be amended to apply also to DMI, RHD Corp. and its subsidiaries (other than RHDI but including Business.com Inc., RHD Service LLC and any Newcos and, in the case of Sections 7(h) and (i), excluding any immaterial subsidiaries).

Guarantee and Collateral Requirements:

In addition to existing guarantee and collateral requirements in the Credit Agreement, RHD Corp., DMI and RHD Service LLC will become Guarantors with substantially all of their assets pledged to the Lenders on a pari passu basis with lenders under the Dex East Credit Agreement and the RHDI Credit Agreement (including the stock of Business.com Inc., RHD Service LLC, any Newcos and any joint venture interests owned by RHD Corp., DMI or RHD Service LLC, but excluding the stock of RHDI). It is understood that the guarantees and collateral from such entities (other than DMI) and the covenants applicable thereto shall be substantially identical with respect to each of the Credit Agreement, the Dex East Credit Agreement and the RHDI Credit Agreement.

Business.com Inc. and any Newco will be required to guarantee the Obligations. Each such guaranty by Business.com Inc., any Newco Senior Guarantor and, to the extent permitted, any Newco Subordinated Guarantor, will be secured by a pledge of stock of such Guarantor's subsidiaries and any joint venture interest owned by such Guarantor (subject to any restrictions in the applicable joint venture agreement applicable to all partners of such joint venture; in the event any such restriction exists, the parties will agree upon alternative structures, if available, to effect the economic equivalent of a pledge of the applicable joint venture interest). Each such guaranty by a Newco Subordinated Guarantor will, to the extent required by the terms of any such debt, be subordinated to any assumed debt of such Newco Subordinated Guarantor as well as any debt incurred to finance the acquisition of such Newco Subordinated Guarantor. Joint ventures will not be required to guarantee the Obligations. Notwithstanding the foregoing, no Newco Subordinated Guarantor shall be required to guarantee the Obligations to the extent such guaranty is prohibited by the terms of any acquired debt in existence prior to the acquisition of such Newco Subordinated Guarantor or any debt incurred to finance the acquisition of such Newco Subordinated Guarantor if no alternative financing (on terms not materially less favorable taken as a whole to the applicable borrower/issuer) is available that would permit such guaranty; provided, that RHD Corp. shall use its commercially reasonable efforts to amend any such acquired debt that is otherwise being amended in connection with such acquisition to permit such guaranty. If any Newco

Subordinated Guarantor is unable to guarantee the Obligations due to circumstances described in the immediately preceding sentence, then (A) RHD Corp. may only effect the acquisition of such Newco Subordinated Guarantor to the extent it provides evidence reasonably satisfactory to the Administrative Agent, and certification by a responsible officer, that RHD Corp. was unable to obtain amendments and/or alternative financing (on terms not materially less favorable taken as a whole to the applicable borrower/issuer) was not available, as the case may be, permitting such guarantee and (B) a holding company shall be formed to hold 100% of the shares of the applicable Newco Subordinated Guarantor, which holding company shall guarantee the Obligations and pledge the stock of such Newco Subordinated Guarantor to secure such guaranty.

The guaranty and security provided by any Newco (as applicable) and the lien on the stock of any Newco will be automatically released, without any consent of the lenders (or the Agent), as follows: (a) so long as no default exists and the net cash proceeds are applied to the mandatory prepayment of the obligations to the extent required under the Credit Agreement (subject to (x) a right to reinvestment to be agreed in lieu of prepayment if proceeds are (a) applied (or contractually committed to be applied) within 365 days of receipt to effect permitted reinvestments to be agreed (it being understood and agreed that any such contractually committed proceeds shall be so applied within 18 months of receipt) and (b) prior to such application, held in a segregated cash collateral account with a control agreement in favor of the Agent (and the agents under the RHDI Credit Agreement and the Dex East Credit Agreement if required thereby) and (y) sharing with lenders under the RHDI Credit Agreement and the Dex East Credit Agreement), if all or a portion of the stock of such subsidiary is disposed of to a non-affiliate in an arms-length transaction (provided, that, in the case of a partial disposition, the lien of the Agent shall be released only with respect to the stock subject to such disposition and the guaranty and security of such subsidiary shall be released only if it is no longer a subsidiary of RHD Corp. following such disposition), or (b) so long as no default exists and the net cash proceeds are applied to the mandatory prepayment of the obligations to the extent required under the Credit Agreement (including the reinvestment option described above), upon a public offering or spin-off of such subsidiary (which results in such entity no longer being a subsidiary).

Transactions between the Borrower and its Subsidiaries, on the one hand, and Business.com and/or any Newcos or any of their respective subsidiaries, on the other hand, that are not part of Shared Services or other similar ordinary course transactions, must satisfy the following requirements: (a) the terms of any such transaction must not be less favorable in any material

respect than the terms it would receive in an arms-length transaction with a third party (and, in the case of any such transaction involving consideration in excess of \$50,000,000, the terms of such transaction must be confirmed as arms-length by a reputable financial institution or advisor); (b) no such transaction shall involve the transfer of ownership of any operating assets (including intellectual property rights) or personnel to Business.com and/or any Newcos or any of their respective subsidiaries; and (c) all such transactions shall result in the receipt of reasonably equivalent value by the Borrower and its Subsidiaries and no such transaction shall result in the transfer of any revenues that would otherwise be recognized by the Borrower or any of its Subsidiaries to Business.com and/or any Newcos or any of their respective subsidiaries.

“Newco” means any new subsidiary (direct or indirect) of RHD Corp. acquired or formed by RHD Corp. after the effective date of the Support Agreement.

“Newco Senior Guarantor” means any Newco the acquisition or formation of which is accomplished, directly or indirectly, using cash or other credit support (including debt service) provided by Holdings, the Borrower or any of their respective Subsidiaries.

“Newco Subordinated Guarantor” means any Newco other than a Newco Senior Guarantor.

Interest Rate Swaps:

The net termination payments (the “Swap Payments”) owing under any interest rate swaps shall, except as may be required by applicable law, be treated the same as Revolving Loans and Term Loans for purposes of scheduled amortization (from and after the Effective Date), interest, prepayments and guarantee and collateral requirements.

### III. CONDITIONS

The Amended and Restated Credit Agreement will be subject to the satisfaction or waiver of conditions precedent deemed appropriate by the Administrative Agent and the Lenders, including but not limited to the following (the date on which such conditions are satisfied or waived, the “Effective Date”) and all references to the Closing Date in the Amended and Restated Credit Agreement shall be amended in the Amended and Restated Credit Agreement to refer to the Effective Date rather than the Closing Date, and all representations and warranties, covenants and events of default shall be reset and effective as of the Effective Date:

(a) The negotiation, execution and delivery of definitive documentation (including, without limitation, satisfactory legal opinions (including, without limitation, all relevant local opinions in connection with security), a satisfactory intercreditor agreement with the lenders under the RHDI Credit Agreement and the Dex East Credit Agreement, such corporate resolutions, certificates (including, without limitation, a certification on the

Effective Date of pro forma compliance with financial covenants through the term of the Credit Agreement) and other documents as the Administrative Agent shall require, and other customary closing documents) satisfactory to the Administrative Agent and the requisite Lenders.

(b) The Administrative Agent shall have received satisfactory evidence of the completion of the debt restructuring transactions described in “Debt Restructuring” above.

(c) The Borrower shall have made a prepayment of Loans and Swap Payments (the “Paydown”) in an amount equal to the sum of cash on hand as of March 31, 2009 plus cash flow generated by the Borrower and its Subsidiaries through the restructuring period plus cash repayments from RHD Service LLC repaying existing loans from the Borrower in full less minimum cash balance required for working capital needs of the Borrower and its Subsidiaries (to be equal to \$40,000,000 or such greater amount as may be agreed by the Borrower and the Lenders) less projected federal tax cash payment obligations for the 12 months subsequent to such prepayment in amounts to be agreed less scheduled amortization paid during the pendency of the Chapter 11 Cases and the Initial Prepayment (as defined below), which shall be applied to remaining installments of Revolving Loans, Tranche A Term Loans, Tranche B Term Loans and the Swap Payments ratably.

(d) Each Lender party to the Support Agreement as of 5:00 p.m., New York City time, on May 27, 2009 (as such date may be extended by agreement of the Administrative Agent and the Borrower) shall have received a fee equal to 0.25% of the Term Loans and Revolving Exposures held by such Lender as of such time (after giving effect to the Initial Prepayment).

(e) RHD Corp. and its subsidiaries as debtors and debtors in possession shall have filed cases under Chapter 11 of the Bankruptcy Code (the “Chapter 11 Cases”) in the United States Bankruptcy Court for the District of Delaware.

(f) The Borrower’s plan of reorganization under the Bankruptcy Code, which shall authorize treatment of the Lenders on terms no less favorable to the Lenders than those set forth in this term sheet (the “Plan”), shall have been confirmed by the Bankruptcy Court pursuant to a Confirmation Order on terms and conditions reasonably satisfactory to the Lenders (the “Confirmation Order”). The Confirmation Order shall not be subject to a stay and, unless otherwise agreed to by the Administrative Agent, (i) at least 10 days shall have passed since the entry of the Confirmation Order and (ii) no appeal shall have been lodged to the Confirmation Order that in the opinion of the Administrative Agent might adversely affect any of the Loans, impair in any

material respect the post-effectiveness of the Plan or impair in any material respect the financial condition, business or prospects of RHD Corp. or any of the Loan Parties. All conditions precedent to the effectiveness of the Plan shall have been satisfied or shall be satisfied concurrently in the reasonable judgment of the Administrative Agent. Except as consented to by the Administrative Agent, the Bankruptcy Court's retention of jurisdiction under the Confirmation Order shall not govern the enforcement of the loan documentation for the Loans or any rights or remedies related thereto.

(g) The Administrative Agent shall have received evidence of Shared Services agreements entered into among RHD Corp. and its subsidiaries in form and substance satisfactory to the Administrative Agent and the requisite Lenders (including covenants limiting the activities and liabilities of RHD Service LLC).

(h) The Borrower shall have timely paid current scheduled amortization and interest (at the non-default rate) on the Loans, current fees in respect of outstanding Letters of Credit and interest in respect of the Swap Payments during the pendency of the Chapter 11 Cases and shall have paid all other fees and expenses then due and payable with respect to the Existing Credit Agreement.

(i) Substantially concurrently with the effectiveness of the Support Agreement, the Borrower shall have made a permanent prepayment of Loans in an amount equal to \$62,700,000 (the "Initial Prepayment") which shall be applied to remaining installments of Revolving Loans, Tranche A Term Loans and Tranche B Term Loans ratably.

(j) Each of the representations and warranties made by any Loan Party in or pursuant to the Loan Documents shall be true and correct on and as of the Effective Date (except in the case of representations and warranties that expressly relate to an earlier date, in which case such representations and warranties shall be true and correct as of such earlier date) and no Default or Event of Default under the Amended and Restated Credit Agreement shall have occurred and be continuing.

(k) The Lenders shall have received satisfactory evidence that the Agent (on behalf of the Lenders) shall have a valid and perfected first priority (subject to certain exceptions to be set forth in the loan documentation) mortgage, lien and security interest in the existing and additional collateral pledged to support the Obligations pursuant to the terms of the Amended and Restated Credit Agreement.

(l) The absence of any action, suit, investigation or proceeding

pending or, to the knowledge of the Borrower, threatened in any court or before any arbitrator or governmental authority that could reasonably be expected to (x) have a material adverse effect on the business, assets, properties, liabilities (actual and contingent), operations or condition (financial or otherwise) of RHD Corp. and the Loan Parties and their subsidiaries, taken as a whole, (y) adversely affect the ability of RHD Corp. or any Loan Party to perform its obligations under the loan documentation or (z) adversely affect the rights and remedies of the Agent or the Lenders under the loan documentation.

(m) The Borrower shall have received the repayment in full of its loan (in the sum of \$75,000,000) to RHD Service LLC made on or about March 19, 2009, and such repayment shall have been deposited in a deposit account in which the Agent (for the benefit of the Lenders) has a perfected security interest and be applied as part of Paydown.

2. Consenting Noteholders' Consent. For purposes of this Agreement, unless otherwise specified, where this Agreement provides for the action, consent or approval of the Consenting Noteholders collectively, such action, consent, or approval shall be upon the agreement of a Majority of Consenting Noteholders.

3. Commitment of Consenting Noteholders. Subject to the terms and conditions hereof and the terms and conditions set forth in the Plan Term Sheet, each Consenting Noteholder (severally and not jointly), on its behalf and on behalf of its affiliates, officers, directors, managers, stockholders, members, employees, partners, representatives and agents, agrees that:

- (a) so long as its vote has been properly solicited pursuant to sections 1125 and 1126 of the Bankruptcy Code, each Consenting Noteholder shall (i) vote all Noteholder Claims, now or hereafter beneficially owned by such Consenting Noteholder or for which it now or hereafter serves as the nominee, investment manager or advisor for beneficial holders thereof, in favor of the Plan in accordance with the applicable procedures set forth in the Consent Solicitation Materials and, to the extent such election is available, shall not elect on its ballot to preserve any claims (in respect of the Noteholder Claims that each Consenting Noteholder may own) that may be affected by any releases provided for under the Plan, and timely return a duly-executed Ballot in connection therewith; and (ii) to cause the Committee to take such other actions deemed appropriate in support of the Plan, which actions may include providing a letter in support of the Plan to be included with the Consent Solicitation Materials; provided, however, no Consenting Noteholder shall be obligated to vote in favor of the Plan, and each Consenting Noteholder may, acting individually and of its own accord, withdraw or revoke its tender, consent or vote with respect to the Plan upon (x) the termination of this Agreement (provided that if the Consenting Noteholders are the terminating party, such Party is not then in material breach of its obligations under this Agreement); or (y) the withdrawal, amendment, modification of, or the filing of a pleading seeking to withdraw, amend or modify, the Plan,

Disclosure Statement or other Plan Related Documents in a manner which is inconsistent with the Plan Term Sheet in a manner adverse to the Consenting Noteholders in the reasonable judgment of a Majority of Consenting Noteholders;

- (b) it shall not withdraw or revoke its tender, consent or vote with respect to the Plan except as otherwise expressly permitted pursuant to subsection (a) above;
- (c) following the commencement of the Chapter 11 Cases, it shall not (i) object to the Plan, Disclosure Statement or the consummation of the Plan Term Sheet or Plan, or any efforts to obtain acceptance of, and to confirm and implement, the Plan; (ii) initiate any legal proceedings, that are inconsistent with, or that would delay, prevent, frustrate or impede the approval, confirmation or consummation of, the Restructuring, the Disclosure Statement or the Plan or the transactions outlined therein or in the Term Sheet or otherwise commence any proceeding to oppose any action or any of the Plan Related Documents, or take any other action that is barred by this Agreement, so long as the Plan and all other Plan Related Documents contain terms and conditions effectuating the Restructuring that conform in all material respects to the Plan Term Sheet, subject to the rights of the Consenting Noteholders under subsection (a) of this Section 3; (iii) vote for, consent to, support or participate in the formulation of any other restructuring or settlement of the Company's claims, any other transaction involving the Company, any of its assets or any of its stock, or any plan of reorganization (with the sole exception of the Plan) or liquidation under applicable bankruptcy or insolvency laws, whether domestic or foreign, in respect of the Company; (iv) directly or indirectly seek, solicit, support, formulate entertain, encourage or engage in any inquiries, or discussions, or enter into any agreements relating to, any restructuring, plan of reorganization, proposal or offer of dissolution, winding up, liquidation, reorganization, merger, transaction, sale, disposition or restructuring of the Company (or any of its assets or stock) other than the Plan or as otherwise set forth in the Plan Term Sheet; (v) solicit, encourage, or direct any person or entity, including, without limitation, any trustee of any indenture governing the Notes, to undertake any action set forth in clauses (i) through (v) of this subsection (c).

Notwithstanding the foregoing, nothing in this Agreement shall be construed to prohibit any Party from appearing as a party-in-interest in any matter to be adjudicated in the Chapter 11 Cases so long as such appearance and the positions advocated in connection therewith are consistent with this Agreement and the Restructuring and are not for the purpose of, and could not reasonably be expected to have the effect of, hindering, delaying or preventing the consummation of the Restructuring. Notwithstanding anything contained in this Agreement, neither a vote to accept the Plan by a Consenting Noteholder, nor the acceptance of the Plan by any class of creditors, shall in any way be deemed to impair or waive the rights of a Consenting Noteholder to assert or raise any objection otherwise permitted under subsections (a) or (c) above in connection with the Plan.

4. Commitment of the Company. Subject to its fiduciary duties as debtor in possession, the Company agrees to use its reasonable best efforts to (i) support and complete the Restructuring and all transactions contemplated under the Plan, (ii) take any and all necessary and appropriate actions in furtherance of the Restructuring and the transactions contemplated under the Plan, (iii) complete

the Restructuring and all transactions contemplated under the Plan within the time-frame outlined herein, including, without limitation, by filing the Plan and Disclosure Statement with the Bankruptcy Court no later than sixty (60) days after the Petition Date and taking all steps necessary and desirable to obtain the Confirmation Order on or before January 15, 2010 and achieving the Effective Date prior to the Outside Date, (iv) obtain any and all required regulatory and/or third-party approvals for the Restructuring, and (v) take no actions inconsistent with this Agreement, the Plan Term Sheet, or the confirmation and consummation of the Plan.

5. Termination by Consenting Noteholders. This Agreement may be terminated upon both (i) the occurrence of any of the following events (each a "Termination Event") and (ii) three (3) Business Days' prior written notice from a Majority of Consenting Noteholders to the Company:

- (a) The Company fails to commence the Chapter 11 Cases on or before May 29, 2009;
- (b) The Company fails to file the Plan and Disclosure Statement no later than sixty (60) days after the Petition Date;
- (c) The Corporate Governance Documents are not in form and substance acceptable to the Majority of Consenting Noteholders, in their discretion, on or prior to November 20, 2009;
- (d) An order approving the Disclosure Statement and scheduling a hearing to confirm the Plan shall not have been entered by the Bankruptcy Court on or before October 31, 2009;
- (e) The Company fails to commence the Solicitation on or before November 13, 2009;
- (f) The Confirmation Order shall not have been entered by the Bankruptcy Court on or before January 15, 2010;
- (g) The withdrawal, amendment, modification of, or the filing of a pleading seeking to amend or modify, the Plan, the Disclosure Statement or any Plan Related Documents, notices, exhibits, appendices and orders by the Debtors, which withdrawal, amendment, modification or filing is materially inconsistent with the Plan Term Sheet in a manner not reasonably acceptable to the Consenting Noteholders;
- (h) The filing by the Company of any motion or other request for relief seeking (i) to voluntarily dismiss any of the Chapter 11 Cases, (ii) conversion of any of the Chapter 11 Cases to chapter 7 of the Bankruptcy Code, or (iii) appointment of a trustee or an examiner with expanded powers pursuant to Section 1104 of the Bankruptcy Code in any of the Chapter 11 Cases;
- (i) The entry of an order by the Bankruptcy Court (i) dismissing any of the Chapter 11 Cases, (ii) converting any of the Chapter 11 Cases to a case under chapter 7 of the Bankruptcy Code, (iii) appointing a trustee or an examiner with expanded powers pursuant to Section 1104 of the Bankruptcy Code in any of the Chapter 11 Cases; or

- (iv) making a finding of fraud, dishonesty, or misconduct by any officer or director of the Company.
- (j) An involuntary bankruptcy case is commenced against any entity within the Company or any of its Affiliates or subsidiaries prior to the Petition Date;
  - (k) A material breach by the Company of any of its obligations under this Agreement or the agreements governing the Restructuring, and any such breach by the Company is not cured by the earlier of five (5) Business Days after receipt of written notice from the Consenting Noteholders or, to the extent applicable, the cure period provided for under the agreements governing the Restructuring;
  - (l) any court of competent jurisdiction or other competent governmental or regulatory authority shall have issued an order making illegal or otherwise restricting, preventing, or prohibiting the Restructuring in a manner that cannot be reasonably remedied by the Company or the Consenting Noteholders; or
  - (m) the occurrence of the Outside Date; provided that the terminating party is not then in material breach of its obligations hereunder.

The Parties hereby waive any requirement under section 362 of the Bankruptcy Code to lift the automatic stay (the "Automatic Stay") thereunder in connection with the giving of such notice of termination (and agree not to object to any non-breaching Party seeking to lift the Automatic Stay in connection with giving any such notice, if necessary). The date on which this Agreement is terminated in accordance with (i) the foregoing provisions or (ii) Section 6 of this Agreement shall be referred to as the "Termination Date" and the provisions of this Agreement and the Plan Term Sheet shall terminate, except as otherwise provided herein, unless, in the case of this Section 5, within five (5) Business Days a Majority of Consenting Noteholders waive, in writing, the occurrence of or amend or modify any of the events set forth in clauses (a) through (m) of this Section 5; provided, however, that upon the occurrence of an event of the type described in subsection (g), (h) or (i) of this Section 5, any Consenting Noteholder may, in its individual capacity, terminate its obligations under this Agreement upon three (3) Business Days' prior notice to the Company and the other Consenting Noteholders; provided further, however, that any termination by a Consenting Noteholder of its obligations under this Agreement pursuant to the immediately previous proviso shall not constitute a Termination Event or affect the obligations of any other Consenting Noteholder hereunder.

Notwithstanding anything in this Agreement to the contrary, upon either (i) the entry of an order by the Bankruptcy Court invalidating or disallowing any Noteholder Claim of any Consenting Noteholder or any documents governing or giving rise to such claim or (ii) the filing of a Plan that is not in form and substance reasonably acceptable to any Consenting Noteholder, such Consenting Noteholder may, in its individual capacity, terminate its obligations under this Agreement upon three (3) Business Days' prior notice to the Company and the other Consenting Noteholders; provided, however that any termination by a Consenting Noteholder of its obligations under this Agreement pursuant to this sentence shall not constitute a Termination Event or affect the obligations of any other Consenting Noteholder hereunder.

6. Company Termination Events. The Company may terminate this Agreement as to all Parties upon three (3) Business Days' prior written notice thereof, upon the occurrence of any of the following events (each, a "Company Termination Event"): (a) the breach by any of the Consenting Noteholders of any of the representations, warranties or covenants of such Consenting Noteholders set forth in this Agreement that would have a material adverse impact on the Company, or which may hinder, delay or prevent or have a material adverse impact on the consummation of the Restructuring, that remains uncured for a period of five (5) Business Days after the receipt by the Consenting Noteholders of notice of such breach; or (b) the issuance by any governmental authority, including any regulatory authority or court of competent jurisdiction, of any ruling or order enjoining the consummation of a material portion of the Restructuring.

7. Transfer of Noteholder Claims. Notwithstanding anything to the contrary herein, each of the Consenting Noteholders agrees that, for so long as this Agreement has not been terminated in accordance with its terms, it shall not sell, assign, transfer, convey, pledge, hypothecate or otherwise dispose of, directly or indirectly (each such transfer, a "Transfer"), all or any of its Noteholder Claims (or any right related thereto and including any voting rights associated with such Noteholder Claims), unless the transferee thereof (a) agrees in an enforceable writing to assume and be bound by this Agreement and the Plan Term Sheet, and to assume the rights and obligations of the Consenting Noteholder under this Agreement and (b) promptly delivers such writing to the Company (each such transferee becoming, upon the Transfer, a Consenting Noteholder hereunder). The Company shall promptly acknowledge any such Transfer in writing and provide a copy of that acknowledgement to the transferor. By its acknowledgement of the relevant Transfer, the Company shall be deemed to have acknowledged that its obligations to the Consenting Noteholder hereunder shall be deemed to constitute obligations in favor of the relevant transferee. Any Transfer of any Noteholder Claim by a Consenting Noteholder that does not comply with the procedure set forth in the first sentence of this Section 7 shall be deemed void *ab initio*. This Agreement shall in no way be construed to preclude the Consenting Noteholders from acquiring additional Noteholder Claims, provided that any such additional Noteholder Claims shall automatically be deemed to be subject to the terms of this Agreement, and provided further that the Consenting Noteholders agree to furnish to the other Parties to this Agreement prompt notice within five (5) Business Days of the acquisition of any additional Notes.

8. Effectiveness. This Agreement shall become effective and binding upon each of the undersigned persons as of the date when (i) the Parties have executed and delivered signed copies of this Agreement and (ii) the Company has received executed Agreements from the holders (or advisors, nominees, or investment managers for beneficial holder(s)) which represent both (a) a majority in aggregate principal amount of the Notes, and (b) the majority in number of the parties who have executed confidentiality agreements with the Company, provided that in each of the foregoing cases the majority shall include Franklin Advisers, Inc.; further provided, however that the Company may agree to waive the foregoing requirement. This Agreement is not and shall not be deemed to be a solicitation of votes for the acceptance of the Plan (or any other plan of reorganization) for the purposes of sections 1125 and 1126 of the Bankruptcy Code or otherwise.

9. Ownership of Claims. Each of the Consenting Noteholder represents and warrants (severally and not jointly) that:

- a) as of the date of this Agreement, it is the beneficial owner of the principal amount of the Noteholder Claims, or is the nominee, investment manager or advisor for beneficial holders of the Noteholder Claims, as such Consenting Noteholder has indicated on Exhibit B to this Agreement; provided, however, that Exhibit B to this Agreement shall be disclosed only to the Company and the Company's financial advisors and legal counsel, Akin Gump Strauss Hauer & Feld LLP, and Houlihan Lokey Howard & Zukin Capital, Inc.; and
- b) other than pursuant to this Agreement, such Noteholder Claims are free and clear of any pledge, lien, security interest, charge, claim, equity, option, proxy, voting restriction, right of first refusal or other limitation on disposition or encumbrances of any kind, that might adversely affect in any way such Consenting Noteholder's performance of its obligations contained in this Agreement at the time such obligations are required to be performed.

10. Cooperation. The Company shall use reasonable efforts to provide draft copies of all "first day" motions or applications and other documents the Company intends to file with the Bankruptcy Court on the Petition Date to counsel for Consenting Noteholders as soon as reasonably practicable prior to the Petition Date and shall consult in good faith with such counsel regarding the form and substance of any such proposed filing. The Company will use its reasonable best efforts to provide draft copies of all Plan Related Documents to counsel to the Consenting Noteholders within a reasonable time prior to filing such pleadings and/or documents and shall consult in good faith with such counsel regarding the form and substance of any such proposed pleading.

11. Claim Resolution Matters. Prior to the entry of the Confirmation Order, the Company may enter into agreements with holders of claims (as defined in the Bankruptcy Code) (other than the Consenting Noteholders) relating to the allowance, estimation, validity, extent or priority of such claims, or the treatment and classification of such claims under the Plan; provided, however, that the Company shall provide the Consenting Noteholders with not less than five (5) Business Days prior written notice of any motion seeking authorization for the Company to enter into such a proposed agreement, and upon the expiration of such period, if the Consenting Noteholders have not notified the Company of an objection to such proposed treatment of such claims, the Company shall be authorized to proceed with such motion and agreement. Notwithstanding the forgoing, the Company shall not be required to provide the Consenting Noteholders with advanced notice or any objection period with respect to payment of (i) any trade payables and employee benefits and obligations which arise in the ordinary course of the Debtors' business, (ii) claims asserted in a liquidated amount of \$250,000 or less, and (iii) claims which the Company is authorized to resolve or pay pursuant to any first day orders.

12. Business Continuance. Except as contemplated by this Agreement or with the prior written consent of a Majority of Consenting Noteholders, the Company covenants and agrees that, between the date hereof and the Effective Date, the Company shall operate its businesses in the ordinary course in a manner consistent with past practice in all material respects (other than any changes in operations resulting from or relating to the filing of the Chapter 11 Cases or imposed by the Bankruptcy Court). Subject to the entry of any Consenting Noteholder and no more than a total of three sets of legal advisors (which shall include Akin Gump Strauss Hauer & Feld LLP) and Houlihan Lokey Howard & Zukin Capital, Inc., acting on behalf of one or more of the Consenting Noteholders (each, a "Representative") into a confidentiality agreement reasonably acceptable to

the Company,<sup>1</sup> at the reasonable request and upon reasonable notice of one or more such Consenting Noteholders or advisors, the Company also agrees to respond to reasonable requests from such Representatives (each of whom shall be bound by a confidentiality agreement with the Company) and provide reasonable access to the Company's senior management personnel regarding the Company's business, the Chapter 11 Cases, the general status of ongoing operations and operating results of the Company during normal business hours and at other reasonable times in a manner that does not unreasonably interfere with the normal business operations of the Company. Further, except as expressly contemplated by this Agreement and except for changes resulting from or relating to the filing of the Chapter 11 Cases or imposed by the Bankruptcy Court, the Company will continue (i) using commercially reasonable efforts to preserve the relationships with current customers, distributors, suppliers, vendors and others having business dealings with the Company, including but not limited to the performance of all material obligations under any executory contracts which have not been rejected and compliance with historical billing practices, (ii) maintaining and insuring its physical assets, properties and facilities in their current working order, condition and repair as of the date hereof (ordinary wear and tear excepted) and maintaining all existing insurance on the forgoing, (iii) not taking any action, or omitting to take any action, the intent of which is to cause the termination of its current executive officers (other than for good reason or for cause), (iv) maintaining the Company's books and records on a basis consistent with prior practice, including prior billing and collection practices and (v) providing the Consenting Noteholders who have entered into confidentiality agreements reasonably acceptable to the Company with a copy of the standard monthly operating report concerning the Company prepared for senior management.

13. Representations.

(a) Each Party represents to each other Party that, as of the date of this Agreement:

(i) such Party is duly organized, validly existing, and in good standing under the laws of the jurisdiction of its organization, and has all requisite corporate, partnership, or limited liability company power and authority to enter into this Agreement and to carry out the transactions contemplated by, and perform its respective obligations under, this Agreement;

(ii) The execution, delivery and performance of this Agreement by such Party does not and shall not (x) violate any provision of law, rule or regulation applicable to it or any of its subsidiaries or its organizational documents or those of any of its subsidiaries or (y) conflict with, result in a breach of or constitute (with due notice or lapse of time or both) a default under any material contractual obligations to which it or any of its subsidiaries is a party or under its organizational documents;

(iii) The execution, delivery and performance by it of this Agreement does not and shall not require any registration or filing with, consent or approval of, or notice to, or other action to, with or by, any federal, state or other governmental authority or regulatory body, except such filing as may be necessary and/or required for disclosure by the Securities and Exchange

---

<sup>1</sup> For the avoidance of doubt, any confidentiality agreement entered into by the Company and counsel and/or an advisor to the Consenting Noteholders in connection with the negotiation of the Restructuring shall be deemed acceptable to the Company.

Commission or pursuant to state securities or "blue sky" laws, and the approval by the Bankruptcy Court of the Company's authority to enter into and implement this Agreement; and

(iv) Subject to the provisions of sections 1125 and 1126 of the Bankruptcy Code, this Agreement is the legally valid and binding obligation of such Party, enforceable against it in accordance with its terms, except as enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws, both foreign and domestic, relating to or limiting creditors' rights generally or by equitable principles relating to enforceability.

(b) Each Consenting Noteholder represents to the Company that such Consenting Noteholder, in entering into this Agreement and undertaking its obligations hereunder, is acting independently and is not acting, directly or indirectly, through contract, arrangement, understanding, relationship or otherwise with any other holder of Notes.

14. Entire Agreement. This Agreement, including the exhibits, schedules and annexes hereto constitutes the entire agreement of the Parties with respect to the subject matter of this Agreement, and supersedes all other prior negotiations, agreements and understandings, whether written or oral, among the Parties with respect to the subject matter of this Agreement.

15. Survival of Agreement. Each of the Parties acknowledges and agrees that this Agreement is being executed in connection with negotiations concerning a possible financial restructuring of the Company and in contemplation of possible Chapter 11 Case filings by the Company.

16. Waiver. This Agreement and the Plan Term Sheet are part of a proposed settlement of a dispute among the Parties. If the transactions contemplated herein are or are not consummated, or following the occurrence of the Termination Date, if applicable, nothing shall be construed herein as a waiver by any Party of any or all of such Party's rights and the Parties expressly reserve any and all of their respective rights. Pursuant to Federal Rule of Evidence 408 and any other applicable rules of evidence, this Agreement and all negotiations relating hereto shall not be admissible into evidence in any proceeding other than a proceeding to enforce its terms.

17. Service on Committee. Notwithstanding anything herein to the contrary, if any Consenting Noteholder is appointed to, and serves on, an official committee of unsecured creditors in the Chapter 11 Cases, then the terms of this Agreement shall not be construed to limit such Consenting Noteholder's exercise of fiduciary duties in its role as a member of such committee, and any exercise of such fiduciary duties shall not be deemed to constitute a breach of the terms of this Agreement; provided, however, that service as a member of any such committee shall not relieve such Consenting Noteholder of its obligations to affirmatively support, and vote for, the Plan, on the terms and conditions set forth herein.

18. Company Fiduciary Duties. Notwithstanding anything to the contrary herein, nothing in this Agreement shall require the Company or its subsidiaries or any of its or their respective directors or officers (in such person's capacity as a director or officer) to take any action, or to refrain from taking any action, to the extent that taking such action or refraining from taking such action would be inconsistent with such person's fiduciary obligations under applicable law.

19. Representation by Counsel. Each Party hereto acknowledges that it has been represented by counsel (or had the opportunity to and waived its right to do so) in connection with this Agreement and the transactions contemplated by this Agreement. Accordingly, any rule of law or any legal decision that would provide any Party hereto with a defense to the enforcement of the terms of this Agreement against such Party based upon lack of legal counsel shall have no application and is expressly waived. The provisions of this Agreement shall be interpreted in a reasonable manner to effect the intent of the Parties hereto. None of the Parties hereto shall have any term or provision construed against such Party solely by reason of such Party having drafted the same.

20. Independent Due Diligence and Decision-Making. Each Consenting Noteholder hereby confirms that its decision to execute this Agreement has been based upon its independent investigation of the operations, businesses, financial and other conditions and prospects of the Company.

21. Counterparts. This Agreement may be executed in one or more counterparts, each of which, when so executed, shall constitute the same instrument and the counterparts may be delivered by facsimile transmission or by electronic mail in portable document format (.pdf).

22. Amendments. Except as otherwise provided herein, this Agreement may not be modified, amended or supplemented without prior written consent of the Company and a Majority of Consenting Noteholders; provided, that if the modification, amendment or supplement adversely impacts the economic treatment or rights of some of the Consenting Noteholders, then in addition to the foregoing, the agreement in writing of such affected Consenting Noteholders and the Company shall be required for such modification, amendment or supplement to be effective.

23. Headings. The headings of the sections, paragraphs and subsections of this Agreement are inserted for convenience only and shall not affect the interpretation hereof.

24. Relationship Among Parties. Notwithstanding anything herein to the contrary, the duties and obligations of the Consenting Noteholders under this Agreement shall be several, not joint. It is understood and agreed that any Consenting Noteholder may trade in the Noteholder Claims or other debt or equity securities of the Company without the consent of the Company or any Consenting Noteholder, subject to applicable securities laws and Section 6 of this Agreement. No Party hereto shall have any responsibility for any such trading by any other entity by virtue of this Agreement. No prior history, pattern or practice of sharing confidences among or between Parties hereto shall in any way affect or negate this understanding and agreement.

25. Specific Performance. It is understood and agreed by the Parties that money damages would be an insufficient remedy for any breach of this Agreement by any Party and each non-breaching Party shall be entitled to specific performance and injunctive or other equitable relief as a remedy of any such breach, including, without limitation, an order of the Bankruptcy Court or other court of competent jurisdiction requiring any Party to comply promptly with any of its obligations hereunder; provided, however, that each Party agrees to waive any requirement for the securing or posting of a bond in connection with such remedy.

26. Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York, without regard to such state's choice of law provisions which

would require the application of the law of any other jurisdiction. By its execution and delivery of this Agreement, each of the Parties irrevocably and unconditionally agrees for itself that any legal action, suit or proceeding against it with respect to any matter arising under or arising out of or in connection with this Agreement or for recognition or enforcement of any judgment rendered in any such action, suit or proceeding, may be brought in the United States District Court for the Southern District of New York, and by execution and delivery of this Agreement, each of the Parties irrevocably accepts and submits itself to the exclusive jurisdiction of such court, generally and unconditionally, with respect to any such action, suit or proceeding. Notwithstanding the foregoing consent to New York jurisdiction, if the Chapter 11 Cases are commenced, each Party agrees that the Bankruptcy Court shall have exclusive jurisdiction of all matters arising out of or in connection with this Agreement.

27. Tax Matters. The Company shall not, without the written consent of the Majority of Consenting Noteholders: (i) cause, or cause another party to make, any new or change a current "check the box election" under Treasury Regulations § 301.7701-3 with respect to the Company; or (ii) merge, consolidate or liquidate; if any of the actions specified in clause (i) or (ii) has material adverse tax consequences for the Company or holders of Noteholder Claims.

Discharge of the Company	<p>The Plan shall provide certain customary discharge provisions which shall include, except as otherwise provided herein, that on the Effective Date, and effective as of the Effective Date: (a) the rights afforded in the Plan and the treatment of all Claims and interests herein shall be, and shall be deemed to be, in exchange for, and in complete satisfaction, settlement, discharge and release of all Claims or other obligations, suits, judgments, damages, debts, rights, remedies, causes of action or liabilities, or interests or other rights of an equity security holder, relating to any of the Debtors or the Reorganized Debtors or their respective Estates, or interests of any nature whatsoever, including any interest accrued on such Claims from and after the Petition Date, against any of the Debtors or any of their assets, property or their estates; (b) the Plan shall bind all holders of Claims and interests, notwithstanding whether any such holders failed to vote to accept or reject the Plan or voted to reject the Plan; (c) all Claims against and interests in the Company shall be, and shall be deemed to be, satisfied, discharged and released in full, and the Debtors' liability with respect thereto shall be extinguished completely, including any liability of the kind specified under section 502(g), 502(h) or 502(i) of the Bankruptcy Code; and (d) all persons and entities shall be precluded from asserting against the Debtors, the Debtors' respective estates, the Reorganized Debtors, their successors and assigns, their assets and properties, any other Claims or interests based upon any documents, instruments, or any act or omission, transaction or other activity of any kind or nature that occurred prior to the Effective Date.</p>
--------------------------	---

Injunction	<p>The Plan shall provide certain customary injunction provisions, which shall provide that each person that has held, currently holds or may hold a Claim or other obligation, suit, judgment, damages, debt, right, remedy, cause of action, liability, Interest or other right of an equity security holder, and each other party in interest and each of their respective agents and related persons, are, and shall be, permanently, forever and completely stayed, restrained, prohibited, barred and enjoined from taking, whether directly or indirectly, derivatively or otherwise on account of or based on the subject matter of any such released Claims or other released obligations, suits, judgments, damages, debts, rights, remedies, causes of action or liabilities or Interests or other rights of an equity security holder: (i) commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding (including, without limitation, any judicial, arbitral, administrative or other proceeding) in any forum; (ii) enforcing, attaching (including, without limitation, any prejudgment attachment), collecting, or in any way seeking to recover any judgment, award, decree, or other order; (iii) creating, perfecting or in any way enforcing in any matter, directly or indirectly, any encumbrance; (iv) setting off, seeking reimbursement or contributions from, or subrogation against, or otherwise recouping in any manner, directly or indirectly, any amount against any liability or obligation owed to any person; and (v) commencing or continuing in any manner, in any place of any action, which in any such case does not comply with or is inconsistent with the provisions of the Plan or the confirmation order.</p>
Director & Officer Liability Policy; Indemnification Agreements	<p>All indemnification provisions currently in place for directors, officers, employees and agents of the Debtors (whether in the certificates of incorporation, by-laws, limited liability company agreements, board resolutions, contracts assumed by the Debtors or otherwise) shall survive effectiveness of the Plan and/or be assumed pursuant to section 365 of the Bankruptcy Code, it being understood that all indemnification provisions in place on and prior to the Effective Date for directors and officers of the Debtors shall survive the effectiveness of the Plan for claims related to or in connection with any actions, omissions or transactions prior to the Effective Date. Entry of the confirmation order will constitute the Bankruptcy Court's approval of the survival, and/or the Debtors' assumption, of each of the D&amp;O liability insurance policies.</p> <p>The Plan shall also provide that organizational documents for the Reorganized Debtors shall contain director and officer liability exculpation and indemnity provisions (including advancement of</p>

	expenses) to the fullest extent permitted by Delaware law (or the law of the state of organization, if not Delaware). In addition as of the Effective Date, each member of the Post-Emergence Board will be provided with the opportunity to enter into an indemnification agreement with Reorganized RHD.
Executory Contracts	On the Effective Date, all executory contracts or unexpired leases of the Debtors that have not been expressly rejected by the Debtors on or before the Effective Date shall be deemed assumed in accordance with, and subject to, the provisions and requirements of sections 365 and 1123 of the Bankruptcy Code, unless such executory contract or unexpired lease (i) was previously assumed or rejected by the Debtors, (ii) previously expired or terminated pursuant to its own terms, or (iii) is an executory contract or unexpired lease that is included under a separate assumption/rejection motion or is required under the Plan to be included in such motion, or (iv) has otherwise been listed on a schedule, to be filed prior to the confirmation objection deadline, of contracts or leases to be rejected on or after the Effective Date. Entry of an order confirming the Plan by the Bankruptcy Court shall constitute approval of such assumption pursuant to sections 365(a) and 1123 of the Bankruptcy Code. Each executory contract and unexpired lease assumed by the Debtors pursuant to the Plan or any assumption/rejection motion shall be assigned by operation of law, revert in and be fully enforceable by Reorganized Debtors in accordance with its terms, except as modified by the provisions of the Plan, or any order of the Bankruptcy Court authorizing and providing for its assumption or applicable federal law.
Other Causes of Action	Revested in Reorganized Debtors unless as otherwise provided in the Plan.
Distribution Provisions	The Plan shall include standard provisions governing distributions on account of allowed claims, including provisions for an initial distribution date and periodic distributions thereafter, a distribution record date, the delivery of distributions, the establishment of reserves to hold distributions in respect of disputed claims, and the surrender of prepetition debt instruments. The Plan shall also provide that post-petition interest will not be allowed or paid on prepetition claims except as set forth in the Plan.

Retention of Jurisdiction	The Plan shall provide that, notwithstanding the entry of the order confirming the Plan and the occurrence of the Effective Date, the Bankruptcy Court shall retain exclusive jurisdiction over all matters arising out of, and related to, the Debtors' chapter 11 cases and the Plan.
Miscellaneous Provisions	The Plan shall also contain certain miscellaneous provisions customary for a reorganization of this size and type, including, for example, provisions regarding professional fee claims, bar dates, modifications and amendments to the Plan, the severability of Plan provisions, the dissolution of various committees and certain other items.

## **PROJECTED FINANCIAL INFORMATION**

The Debtors believe that the Plan meets the feasibility requirement set forth in Section 1129(a)(11) of the Bankruptcy Code, as confirmation is not likely to be followed by liquidation or the need for further financial reorganization of the Debtors or any successor under the Plan. In connection with the development of the Plan and for the purposes of determining whether the Plan satisfies this feasibility standard, the Debtors analyzed their ability to satisfy their financial obligations while maintaining sufficient liquidity and capital resources. Management developed a business plan and prepared financial projections for the calendar years 2009 through 2014 (the "Projection Period").

**THE PROJECTIONS ARE SUBJECT TO FURTHER REVIEW AND ANALYSIS BY THE DEBTORS, AND THE DEBTORS RESERVE THE RIGHT TO SUPPLEMENT, AMEND, UPDATE AND/OR OTHERWISE MODIFY SUCH PROJECTIONS PRIOR TO THE HEARING ON THE DISCLOSURE STATEMENT AND UP TO AND THROUGH THE PLAN SUPPLEMENT FILING DATE.**

The Debtors prepared the Projections based upon, among other things, the anticipated future financial condition and results of operations of the Debtors and the Reorganized Debtors. The Debtors do not, as a matter of course, publish their business plans or strategies, projections or anticipated financial position. Accordingly, the Debtors do not anticipate that they will, and disclaim any obligation to, furnish updated business plans or projections to Holders of Claims or Interests or other parties in interest after the Confirmation Date, or to include such information in documents required to be filed with the Securities and Exchange Commission or otherwise make such information public, even in the event that any or all of the underlying assumptions are shown to be in error.

In connection with the planning and development of the Plan, the Projections were prepared by the Debtors to present the anticipated impact of the Plan. The Projections assume that the Plan will be implemented in accordance with its stated terms. The Projections are based on forecasts of key economic variables and may be significantly impacted by, among other factors, changes in the competitive environment, regulatory changes and/or a variety of other factors, including those factors listed in the Plan and the Disclosure Statement. Accordingly, the estimates and assumptions underlying the Projections are inherently uncertain and are subject to significant business, economic and competitive uncertainties. Therefore, such Projections, estimates and assumptions are not necessarily indicative of current values or future performance, which may be significantly less or more favorable than set forth herein. The Projections included herein were prepared by Debtors' management prior to the Petition Date and were included in the Form 8-K that the Debtors filed with the Securities and Exchange Commission on May 29, 2009. Debtors' management is unaware of any circumstances as of the date of this Disclosure Statement that would require the re-forecasting of the Projections due to a material change in the Debtors' prospects.

The Projections should be read in conjunction with the significant assumptions, qualifications and notes set forth below.

THE DEBTORS' MANAGEMENT PREPARED THE PROJECTIONS WITH THE ASSISTANCE OF THEIR PROFESSIONALS. THE DEBTORS' MANAGEMENT DID NOT PREPARE SUCH PROJECTIONS TO COMPLY WITH THE GUIDELINES FOR PROSPECTIVE FINANCIAL STATEMENTS PUBLISHED BY THE AMERICAN INSTITUTE OF CERTIFIED PUBLIC ACCOUNTANTS AND THE RULES AND REGULATIONS OF THE UNITED STATES SECURITIES AND EXCHANGE COMMISSION. THE DEBTORS' PROFESSIONALS HAVE NEITHER EXAMINED NOR COMPILED THE PROJECTIONS THAT ACCOMPANY THE DISCLOSURE STATEMENT AND, ACCORDINGLY, DO NOT EXPRESS AN OPINION OR ANY OTHER FORM OF ASSURANCE WITH RESPECT TO THE PROJECTIONS, ASSUME NO RESPONSIBILITY FOR THE PROJECTIONS, AND DISCLAIM ANY ASSOCIATION WITH THE PROJECTIONS. EXCEPT FOR PURPOSES OF THE DISCLOSURE STATEMENT, THE DEBTORS DO NOT PUBLISH PROJECTIONS OF THEIR ANTICIPATED FINANCIAL POSITION OR RESULTS OF OPERATIONS.

MOREOVER, THE PROJECTIONS CONTAIN CERTAIN STATEMENTS THAT ARE "FORWARD-LOOKING STATEMENTS" WITHIN THE MEANING OF THE PRIVATE SECURITIES LITIGATION REFORM ACT OF 1995. THESE STATEMENTS ARE SUBJECT TO A NUMBER OF ASSUMPTIONS, RISKS, AND UNCERTAINTIES, MANY OF WHICH ARE BEYOND THE CONTROL OF THE DEBTORS, INCLUDING THE IMPLEMENTATION OF THE PLAN, THE CONTINUING AVAILABILITY OF SUFFICIENT BORROWING CAPACITY OR OTHER FINANCING TO FUND OPERATIONS, ACHIEVING OPERATING EFFICIENCIES, MAINTAINING GOOD EMPLOYEE RELATIONS, EXISTING AND FUTURE GOVERNMENTAL REGULATIONS AND ACTIONS OF GOVERNMENTAL BODIES, NATURAL DISASTERS AND UNUSUAL WEATHER CONDITIONS, ACTS OF TERRORISM OR WAR, INDUSTRY-SPECIFIC RISK FACTORS (AS DETAILED IN ARTICLE X OF THE DISCLOSURE STATEMENT ENTITLED "RISK FACTORS"), AND OTHER MARKET AND COMPETITIVE CONDITIONS. HOLDERS OF CLAIMS AND INTERESTS ARE CAUTIONED THAT THE FORWARD-LOOKING STATEMENTS SPEAK AS OF THE DATE MADE AND ARE NOT GUARANTEES OF FUTURE PERFORMANCE. ACTUAL RESULTS OR DEVELOPMENTS MAY DIFFER MATERIALLY FROM THE EXPECTATIONS EXPRESSED OR IMPLIED IN THE FORWARD-LOOKING STATEMENTS, AND THE DEBTORS UNDERTAKE NO OBLIGATION TO UPDATE ANY SUCH STATEMENTS.

THE PROJECTIONS, WHILE PRESENTED WITH NUMERICAL SPECIFICITY, ARE NECESSARILY BASED ON A VARIETY OF ESTIMATES AND ASSUMPTIONS WHICH, THOUGH CONSIDERED REASONABLE BY THE DEBTORS, MAY NOT BE REALIZED AND ARE INHERENTLY SUBJECT TO SIGNIFICANT BUSINESS, ECONOMIC, COMPETITIVE, INDUSTRY, REGULATORY, MARKET, AND FINANCIAL UNCERTAINTIES AND CONTINGENCIES, MANY OF WHICH ARE BEYOND THE REORGANIZED DEBTORS' CONTROL. THE DEBTORS CAUTION THAT NO REPRESENTATIONS CAN BE MADE OR ARE MADE AS TO THE ACCURACY

OF THE PROJECTIONS OR TO THE REORGANIZED DEBTORS' ABILITY TO ACHIEVE THE PROJECTED RESULTS. SOME ASSUMPTIONS INEVITABLY WILL BE INCORRECT. MOREOVER, EVENTS AND CIRCUMSTANCES OCCURRING SUBSEQUENT TO THE DATE ON WHICH THE DEBTORS PREPARED THESE PROJECTIONS MAY BE DIFFERENT FROM THOSE ASSUMED, OR, ALTERNATIVELY, MAY HAVE BEEN UNANTICIPATED, AND THUS THE OCCURRENCE OF THESE EVENTS MAY AFFECT FINANCIAL RESULTS IN A MATERIALLY ADVERSE OR MATERIALLY BENEFICIAL MANNER. EXCEPT AS OTHERWISE PROVIDED IN THE PLAN OR DISCLOSURE STATEMENT, THE DEBTORS AND REORGANIZED DEBTORS, AS APPLICABLE, DO NOT INTEND AND UNDERTAKE NO OBLIGATION TO UPDATE OR OTHERWISE REVISE THE PROJECTIONS TO REFLECT EVENTS OR CIRCUMSTANCES EXISTING OR ARISING AFTER THE DATE THE DISCLOSURE STATEMENT IS INITIALLY FILED OR TO REFLECT THE OCCURRENCE OF UNANTICIPATED EVENTS. THEREFORE, THE PROJECTIONS MAY NOT BE RELIED UPON AS A GUARANTY OR OTHER ASSURANCE OF THE ACTUAL RESULTS THAT WILL OCCUR. IN DECIDING WHETHER TO VOTE TO ACCEPT OR REJECT THE PLAN, HOLDERS OF CLAIMS MUST MAKE THEIR OWN DETERMINATIONS AS TO THE REASONABLENESS OF SUCH ASSUMPTIONS AND THE RELIABILITY OF THE PROJECTIONS AND SHOULD CONSULT WITH THEIR OWN ADVISORS.

The Projections should be read in conjunction with the assumptions, qualifications, and explanations set forth in the Disclosure Statement and the Plan in their entirety, and the historical consolidated financial statements (including the notes and schedules thereto) and other financial information set forth in RHDC's Annual Report on Form 10-K for the fiscal year ended December 31, 2008, RHDC's Quarterly Report on Form 10-Q for the second quarter ending June 30, 2009, and other RHDC reports to the Securities and Exchange Commission filed prior to the Bankruptcy Court's approval of the Disclosure Statement. These filings are available by visiting the Securities and Exchange Commission's website at <http://www.sec.gov> or the Debtors' website at <http://www.rhd.com>.

## LIQUIDATION ANALYSIS

Pursuant to section 1129(a)(7) of the Bankruptcy Code (often called the “Best Interests Test”), each Holder of an Impaired Claim or Interest must either (a) accept the Plan or (b) receive or retain under the Plan property of a value, as of the Effective Date, that is not less than the value such Holder would receive or retain if the Debtors were to be liquidated under chapter 7 of the Bankruptcy Code. In determining whether the Best Interests Test has been met, the first step is to determine the dollar amount that would be generated from a hypothetical liquidation of the Debtors’ assets in chapter 7. The gross amount of cash available for distribution to creditors would be the sum of the proceeds from the disposition of the Debtors’ assets and the cash held by the Debtors at the commencement of their chapter 7 cases. Such amount would then be reduced by the costs and expenses of the liquidation. In order to determine whether the Best Interests Test has been satisfied, available cash and the proceeds from the liquidation of the Debtors’ assets would be applied to Secured Claims (to the extent of the value of the underlying collateral) and to satisfy Administrative Expense Claims (including any incremental Administrative Expense Claims that may result from the termination of the Debtors’ businesses and the liquidation of their assets), Priority Tax Claims, and Priority Non-Tax Claims, all of which are senior in priority to Noteholders Claims and General Unsecured Claims. Any remaining cash would be available for distribution to the Holders of Noteholders Claims and General Unsecured Claims in accordance with the distribution hierarchy established by section 726 of the Bankruptcy Code.

This liquidation analysis (the “Liquidation Analysis”) was prepared by the Debtors with assistance from their financial advisors and represents the Debtors’ best estimate of the cash proceeds, net of liquidation-related costs, that would be available for distribution to the Holders of Claims and RHDC Interests if the Debtors were liquidated under chapter 7 of the Bankruptcy Code. This Liquidation Analysis assumes that the Debtors’ chapter 11 cases are converted into liquidation cases under chapter 7 in a “shut-the-door” liquidation that does not preserve the going concern value of the Debtors’ estates. Unless otherwise stated, (i) the asset values used in this Liquidation Analysis reflect the unaudited book values of the Debtors’ assets as of July 31, 2009 and (ii) the Debtors’ liabilities are based on the Debtors’ actual liabilities as of the Petition Date.

**THE INFORMATION SET FORTH IN THIS LIQUIDATION ANALYSIS IS PRELIMINARY AND IS SUBJECT TO MODIFICATION AND SUPPLEMENTATION BY THE DEBTORS AT ANY TIME UP TO THE PLAN SUPPLEMENT FILING DATE.**

The Liquidation Analysis is premised upon a number of estimates and assumptions that, although developed and considered reasonable by the Debtors and their financial advisors, are inherently subject to significant business, economic and competitive uncertainties and contingencies that are beyond the control of the Debtors and their management. Accordingly, there can be no assurance that the estimated values reflected in this Liquidation Analysis would be realized if the Debtors were, in fact, to undergo a liquidation under chapter 7. In addition, any such liquidation would

take place under future circumstances that cannot be predicted with certainty. Accordingly, although the analysis that follows is necessarily presented with numerical specificity, if the Debtors' estates were in fact liquidated as described herein, the actual liquidation proceeds could vary significantly from the amounts set forth in this Liquidation Analysis. Such actual liquidation proceeds could be materially higher or lower than the amounts set forth herein, and no representation or warranty can be or is being made with respect to the actual proceeds that would be generated from a liquidation of the Debtors under chapter 7 of the Bankruptcy Code.

The Liquidation Analysis has been prepared solely for the purposes of estimating the asset proceeds available in a hypothetical chapter 7 liquidation. Nothing contained in this Liquidation Analysis is intended as or constitutes a concession or admission for any purpose other than the presentation of a hypothetical liquidation analysis for purposes of the Best Interests Test. The Liquidation Analysis should be read in conjunction with the accompanying assumptions.

The Liquidation Analysis has been prepared on a Debtor-by-Debtor basis, consistent with the deconsolidated structure of the Plan. Accordingly, Claims against each of the Debtors have been identified and allocated by Class for purposes of the Liquidation Analysis. The following Debtors are not included in the Liquidation Analysis because they have *de minimis* assets: Dex Media East Finance Co., Dex Media West Finance Co., DonTech Holdings, LLC, Get Digital Smart, Inc., and Work.com, Inc.

Capitalized terms used but not defined in this Liquidation Analysis have the meaning assigned thereto in the Plan, a copy of which is attached to the Disclosure Statement as Exhibit A.

## **General Assumptions**

Upon conversion of the Debtors' chapter 11 cases to chapter 7, a trustee (the "Chapter 7 Trustee") would be appointed to manage the Debtors' affairs and to conduct the liquidation of the Debtors' assets as an alternative to the continued operation of the Debtors' business on a going concern basis as proposed under the Plan. This Liquidation Analysis assumes that it would not be possible to sell the Debtors as a going concern in a chapter 7 case, which would precipitate a shutdown of the Debtors' operations. Accordingly, the Debtors have assumed that the Chapter 7 Trustee would be forced to sell the Debtors' assets in a traditional "bricks and mortar" liquidation, which would result in the loss of most, if not all, of the going concern value attributable to the Debtors' assets. To maximize recoveries, the hypothetical liquidation is assumed to take place over a six to twelve month period (the "Wind-Down Period"), during which time all of the Debtors' major assets (which primarily consist of receivables) would be collected or sold and the cash proceeds, net of liquidation-related costs, would be distributed to creditors. The Debtors have assumed that the collection of receivables, sale of assets, and wind-down of operations would be substantially completed during the Wind-Down Period. There can be no assurances that all assets of the Debtors would be completely liquidated during this time period. The Liquidation Analysis assumes that there would be no proceeds from the recoveries on any potential preference, fraudulent conveyance, or other causes of action belonging to the Debtors' estates.

This Liquidation Analysis assumes that the Debtors would be forced to cease substantially all operations almost immediately upon conversion of their cases to chapter 7.

The likely consequences of the conversion to chapter 7 include the following:

\* The Debtors' workforce consists of specialized employees who are coveted by the Debtors' competitors. With the Debtors facing certain liquidation, those employees are likely to quickly leave the Debtors and find employment elsewhere. The loss of the Debtors' employees would make an orderly wind down significantly more difficult and would render the possibility of continuing operations in an effort to complete a going concern sale highly remote, if not impossible. The inability to retain employees for a transitional period would be exacerbated by concerns over the Debtors' ability to fund ongoing payroll obligations.

\* Substantially all of the Debtors' revenues are derived from advertising sales. The Debtors' customers have the ability to quickly shift their purchases from the Debtors' publications and websites to the Debtors' competitors and/or other advertising mediums. It is highly unlikely that the Chapter 7 Trustee could maintain many, if any, of the Debtors' customers for any meaningful period of time upon the commencement of the Wind-Down Period.

\* Outstanding receivables would be difficult to collect in full. Advertising agencies are likely to withhold payments on a concern that the Debtor would not fulfill their

obligations under the advertising arrangement, though after some period of time some partial payments would likely be received. Circulation receivables would be very difficult to collect as distribution agents would likely hold back payments based upon estimated costs related to the removal of the Debtors' publications from the distribution system, holdbacks for returns and allowances, and/or to provide a cushion until the final audit of their books and records had been completed. Existing customers would likely demand refunds. The Debtors would, as a result, experience high levels of uncollectible accounts receivable.

\* The majority of the Debtors' property, plant and equipment ("PP&E") consists of depreciated computer equipment and internally and externally developed software. The Debtors lease substantially all of their office space. These assets have very limited value on the secondary market and it is unlikely that any meaningful value would be realized from the liquidation of such assets.

\* Substantially all of the Debtors' assets are intangible and are in the form of directory service agreements, brand names, and trademarks. The value of these assets would be severely compromised in a liquidation scenario, although some value would likely be realized from the sale of the subscriber lists and from the sale of the Debtors' trademarks and URLs.

## **Specific Assumptions**

### *A. Cash and Cash Equivalents*

The Liquidation Analysis assumes that the Debtors' actual cash balance as of July 31, 2009, in the amount of approximately \$500 million, would be 100% recoverable. The Liquidation Analysis assumes that operations during the Wind-Down Period would not generate additional cash, except for the net proceeds realized by the Chapter 7 Trustee from the disposition of non-cash assets.

### *B. Accounts Receivable*

The Liquidation Analysis assumes that the Chapter 7 Trustee would retain certain existing employees of the Debtors to handle an aggressive collection effort for the existing accounts receivable. Collections during a liquidation of the Debtors would likely be significantly compromised as customers may attempt to offset outstanding amounts owed to the Debtors against alleged damage and breach of contract claims. Estimated proceeds from accounts receivable in a liquidation scenario are based on management's estimate of collectability. An estimated recovery percentage has been applied to balances based on account aging as of March 31, 2009 and account type (i.e. local vs. national accounts). Accounts aged over 120 days are assumed to have *de minimis* liquidation value. The estimated recovery range is between 40% and 60% of gross accounts receivable, or approximately 42% to 63% of net accounts receivable. Intercompany accounts receivable are assumed to have no value for purposes of this Liquidation Analysis.

### *C. Deferred Directory Costs*

Deferred directory costs consist of deferred sales commissions and deferred print, paper and initial distribution costs. Deferred directory costs would be amortized over the life of the directory in a going concern scenario. Deferred directory costs are assumed to have no value in a liquidation.

### *D. Prepaid Expenses*

Prepaid expenses consist primarily of prepaid print and paper expenses, prepaid commissions, prepaid insurance expense, prepaid rent expense, and other miscellaneous prepaid expenses. Prepaid expenses are assumed to have no value in a liquidation scenario.

### *E. Other Current Assets*

Other current assets consist primarily of miscellaneous receivables, client re-bill, and state franchise tax refunds receivables and credit card receivables. Miscellaneous receivables are deemed to be 34 - 44% recoverable based on the fact that half of this balance represents leasehold receivables due from lessors, which the Debtors assume are not recoverable. Client re-bill is deemed not to be recoverable. Credit card receivables represent a timing difference between the authorization of the credit card transaction and the receipt of monies from the credit card processor. The Debtors have estimated that these receivables will be 90-100% recoverable.

### *F. Deferred Tax Assets*

The deferred tax assets are assumed to have no value for purposes of this Liquidation Analysis.

### *G. Property, Plant and Equipment*

PP&E primarily consists of owned assets such as computer equipment and software, leasehold improvements, and furniture & fixtures. A majority of these assets are significantly depreciated and are unlikely to result in any meaningful liquidation value. There is no recoverability for leasehold improvements since such improvements will revert to the lessor upon discontinuation of the leases. An estimated recovery percentage has been applied by asset category. The likely proceeds from the sale of such assets are estimated at 10% - 35% of book value on a net basis.

### *H. Other Non-Current Assets*

Other non-current assets include deferred financing costs, mark-to-market interest rate swaps, lease agreement receivables, long term deferred tax assets, various deposits and restricted cash. Restricted cash consists of cash equivalents pledged as collateral for an outstanding Letter of Credit and for Business.com, Inc.'s ("BDC") merchant banking provider. The Letter of Credit relates to BDC's facility lease, which requires BDC to collateralize the obligation with an outstanding letter of credit. Other non-current assets are assumed to have no value for purposes of this Liquidation Analysis. Intercompany investments consist of parent company interest recognition and are assumed to have no value for purposes of this Liquidation Analysis.

### *I. Intangible Assets*

Goodwill and other intangible assets are assumed to have no realizable value in a liquidation.

## **Chapter 7 Administrative Claims**

### *J. Chapter 7 Trustee Fees*

Chapter 7 Trustee fees are estimated based on historical experience in similar cases and are estimated to be 3% of the total cash proceeds generated during the liquidation, net of cash on hand.

### *K. Chapter 7 Professional Fees*

Chapter 7 Professional fees include legal and accounting fees expected to be incurred by the Chapter 7 Trustee during the Wind-Down Period and not already deducted from liquidation values. Monthly professional fees for legal, accounting and other staff to assist the estates and the Chapter 7 Trustee with the liquidation process are assumed to be 25% of the Chapter 7 Trustee's fees.

### *L. Wind - Down Costs*

Wind-down costs include employee benefits and compensation, general and administrative expenses, and fixed overhead costs. G&A costs primarily consist of the related to the retention of the accounts receivable department, consisting of approximately 150 employees, and key management personnel for the duration of the Wind-Down Period to assist in the collection of accounts receivable. G&A costs are estimated to be between 20% and 30% of annual G&A for 2008. Severance costs, consisting of three months of salary for each of the retained employees, are estimated to be approximately \$20 million. The wind-down costs have been allocated among the Debtors based on each Debtor's share of the net assets available for distribution.

### *M. Secured Claims*

For purposes of this Liquidation Analysis, the Secured Claims include the RHDI Lenders Claims, the RHDI Lenders Guaranty Claims, the DMW Lenders Claims, the DMW Lenders Guaranty Claims, the DME Lenders Claims, and the DME Lenders Guaranty Claims.

### *N. Noteholders Claims and General Unsecured Claims*

For purposes of this Liquidation Analysis, the Unsecured Claims consist of the Noteholders Claims and the General Unsecured Claims as estimated in the Disclosure Statement. The Liquidation Analysis does not attempt to estimate the potential additional General Unsecured Claims that would likely arise as a result of the termination of the Debtors' pension and benefit plans, the rejection of remaining executory contracts and leases, and the failure of the Debtors to perform under existing contracts with their customers and vendors. Such additional claims would likely result from a cessation of operations as contemplated herein and would likely be substantial

in amount. Noteholders Claims and the General Unsecured Claims are assumed to be paid on a pro rata basis from the net proceeds available, if any, after the payment in full of Secured Claims.

*O. RHDC Interests*

Holders of RHDC Interests are not expected to receive any recoveries in a liquidation scenario.

## **I. The Committee's Statement**

The Committee believes that the following information is necessary for creditors to make an informed decision whether to accept or reject a plan of reorganization predicated on the Plan Support Agreements. This information is based on the Committee's opinion that (i) credit markets have improved considerably since May 21, 2009 when the Plan Support Agreements were executed, (ii) the Reorganized Debtors have substantial additional capacity to issue debt securities for the benefit of all holders of claims in Noteholder classes,<sup>1</sup> and (iii) since 2004, the Debtors' Prepetition Lenders have failed to perfect their prepetition liens on the Debtors' registered copyrights.

The Committee believes that further reductions in the cash interest expense of the Reorganized Debtors than what is currently contemplated under the proposed Plan may be achievable by either (i) repricing the RHDI Credit Facility to better reflect current market rates or (ii) reinstating the DME and DMW Credit Facilities and providing the RHDI Lenders a cram-down note that reflects current market rates (the "Reinstatement/Cramdown Approach"). The Committee believes the terms agreed to by the Debtors with the Prepetition Lenders six months ago in the Banks Support Agreements are below market in that loan markets have rallied over the last six months, with spreads tightening by 240 basis points since the Petition Date.<sup>2</sup> As set forth in Appendix 1 hereto, the Committee estimates that a 100 basis point adjustment to the RHDI Credit Facility would realize a net present benefit to these estates of \$42 million in saved cash interest expense. The Committee believes that under the Reinstatement/Cramdown Approach, the interest savings would be even greater. The Committee believes that the net present benefit of the reinstated debt terms at DME and DMW is approximately \$20 million and the net present benefit of a cram-down note at RHDI is approximately \$42 million, for a total cash interest savings of \$62 million.<sup>3</sup>

In addition, the Committee believes that the recoveries to the Noteholder classes can be improved to what is currently offered under the proposed Plan because the proposed Plan equitizes more of the Debtors' prepetition unsecured note debt than what the Committee believes is either necessary or optimal, leaving the Debtors with what the Committee believes to be substantial untapped debt capacity. The Committee has analyzed the possibility of enhancing the recoveries to all Noteholder classes by offering additional debt securities to all Noteholders and distributing those debt securities either (i) as an alternative form of Plan currency to the equity security-based recovery presently proposed to be distributed on account of such claims, or (ii) as an additional recovery on top of the equity securities of the Reorganized Debtors.

---

<sup>1</sup> Currently, the only class of unsecured creditors to receive debt securities of the Reorganized Debtors is the class of DMW Senior Noteholders who are to receive \$300 million in notes issued by RHDC.

<sup>2</sup> Source: Standard & Poors LCD. This spread assumes a B/B2 credit rating.

<sup>3</sup> This assumes a cram-down interest rate of L+500.

The proposed Plan does not offer debt securities to any class of unsecured creditors other than the DMW Senior Noteholder Class. The Committee, however, believes that even under the proposed Plan, the Reorganized Debtors could offer additional debt securities to all Noteholder classes. The Committee believes that the expected future cash flows of the Debtors, according to the Debtors' own projections, would support \$690 million to \$745 million of additional debt or a total of \$990 million or \$1.045 billion. As set forth in greater detail in Appendix 2 hereto, the Committee believes that the Reorganized Debtors could support an additional \$690 million of 14% PIK notes or an additional \$745 million of 12% PIK notes. The Committee believes that such additional indebtedness would leave the Reorganized Debtors' liquidity levels unaffected and would maintain a maximum total leverage ratio of 4.0 times EBITDA at the end of the Debtors' projection period.

The Committee also believes that, under the Reinstatement/Cramdown Approach, the Reorganized Debtors could distribute even more debt securities to Noteholder classes. The Committee believes that under the Reinstatement/Cramdown Approach, the DME and DMW Credit Facilities could be reinstated on the same terms as their respective prepetition credit facilities. Pursuant to Section 1124 of the Bankruptcy Code, a debtor may reinstate debt provided that it: (i) cures all defaults, (ii) reinstates the original maturity date, (iii) compensates for any reliance damages, (iv) compensates for actual losses incurred from non-monetary defaults, and (v) does not otherwise alter the legal, equitable, or contractual rights of the lender. The Committee believes that all these requirements could be satisfied as the potential defaults under the DME and DMW credit agreements can either be cured or are not required to be cured under the Bankruptcy Code. Accordingly, assuming the expected cash flows as projected by the Debtors, reinstatement of the DME and DMW Credit Facilities and a cram-down of the RHDI Lenders, the Committee believes that the Reorganized Debtors could support substantial additional debt.

The Committee further believes that, if such debt were issued at the operating subsidiaries and RHDC, the Reorganized Debtors could issue an additional \$865 million or a total of \$1.165 billion of debt securities as recoveries to the Noteholder classes.<sup>4</sup> Specifically, the Committee believes that DME, DMW, RHDI and RHDC could respectively issue \$55 million, \$495 million, \$285 million and \$30 million of unsecured PIK notes to Noteholder classes, as set forth in Appendix 3 hereto. In the Committee's view, if such debt were issued solely at RHDC, the Noteholder classes could receive an additional \$810 million of 12% PIK notes or \$755 million of 14% PIK notes as set forth in greater detail in Appendix 4 hereto, or a total of \$1.11 billion or \$1.055 billion. The Committee believes that, under either of these scenarios, the Debtors' liquidity levels would be unaffected and maximum total leverage ratio would remain 4.0 times EBITDA at the end of the Debtors' projection period. Furthermore, contrary to the Debtors' assertion below, the Committee believes that the issuance of additional debt securities would have no negative impact on the total value of the recoveries to Noteholder

---

<sup>4</sup> This assumes (i) 10% PIK unsecured notes maturing in 2014 at DME, DMW and RHDI, (ii) 14% PIK unsecured notes maturing in 2014 at RHDC, (iii) covenant cushions of no less than 10% and (iv) total leverage at maturity no higher than 4.0 times EBITDA (refinancing benchmark).

classes and would provide the Noteholders with an alternative, and potentially preferable, form of distribution currency which would be senior in the capital structure to equity securities.

The Committee believes that any of the foregoing options is feasible and would provide significant additional value to Noteholder classes compared to what is currently contemplated under the Plan.

Moreover, it is not clear to the Committee whether the treatment of the Prepetition Lenders under the proposed Plan is fair or appropriate. The proposed Plan assumes that the Prepetition Lenders are fully secured to the extent of their prepetition claims. The Committee, however, has investigated the alleged liens of the Prepetition Lenders and believes that the Prepetition Lenders failed to perfect their alleged liens on 6,687 registered copyrights for the Debtors' various print directories.<sup>5</sup> The Committee believes that, from 2001 through 2003, the Prepetition Lenders had perfected their liens on only 854 of the Debtors registered copyrights. After 2004, however, the Prepetition Lenders failed to perfect on any of the Debtors' registered copyrights. The Committee believes that, depending on the value of the Debtors' registered copyrights, the failure to perfect could impact the economic entitlements of the various creditor groups. The Committee is advised that, despite the Debtors' position that their registered copyrights are of *de minimis* value, every year the Debtors create new advertisement and directory content and have, on a regular basis, incurred expenses to register hundreds of copyrights covering each annual edition of their published directories in an effort to protect the value of the copyrights in this content. In the Committee's view, if the value of the registered copyrights is sufficient to render the Prepetition Lenders partially or fully undersecured, the proposed Plan, which assumes the Prepetition Lenders are fully secured, will provide the Prepetition Lenders more economic value than what the Prepetition Lenders are entitled to receive. The Committee believes that any overpayment will be at the expense of the unsecured creditors. Because the registered copyrights have not yet been valued by the Committee, the Committee believes that the proposed Plan, which assumes that the Prepetition Lenders are fully secured, presents a risk of overpaying the Prepetition Lenders at the expense of unsecured creditors.

The Committee believes there are alternatives to the Plan predicated on the Plan Support Agreements that have significant benefits to these estates.

The Committee examined the benefits of reducing the cash interest expense of the Reorganized Debtors than what is currently contemplated under the proposed Plan by either (i) repricing the RHDI Credit Facility to better reflect current market rates or (ii) reinstating the DME and DMW Credit Facilities and providing the RHDI Lenders a cram-down note that reflects current market rates. The Committee believes that the terms agreed to by the Debtors with their prepetition secured lenders six months ago can be significantly improved as the loan markets have rallied over the last six months, with spreads tightening by 240 basis points since

---

<sup>5</sup> Pursuant to the orders granting the Cash Collateral Motion (the "Cash Collateral Orders"), the Committee was permitted to investigate the validity, enforceability and priority of the Lenders' liens on the Lenders' prepetition collateral. The Cash Collateral Orders also provided that the deadline to bring any action challenging the validity, enforceability and priority of the Lenders' liens was 90 days after the Petition Date or such later date agreed by the Lenders. With the consent of the Lenders, the deadline was extended to November 9, 2009.

the Petition Date. The Committee estimates that a 100 basis point adjustment will realize a net present benefit to these estates of \$42 million in saved cash interest expense. Under the Reinstatement/Cramdown Approach, the Committee believes that the interest savings would be \$62 million. It is thus the Committee's view that proposed terms under the current Plan do not reflect today's favorable market conditions and are not the best possible restructuring for these estates and the unsecured creditors at this time.

In addition, the Committee examined the feasibility of scenarios in which the Noteholder classes are offered debt securities as optional or additional recoveries. The Committee believes that given the expected future cash flows of the Reorganized Debtors under the proposed Plan, the Reorganized Debtors could distribute to Noteholder classes an optional or additional \$690 million to \$745 million of debt securities or a total of \$990 million to \$1.045 billion of debt securities. The Committee believes that, under the Reinstatement/Cramdown Approach, the Reorganized Debtors could distribute even more debt securities to Noteholder classes. The Committee further believes that, under the Reinstatement/Cramdown Approach, an additional \$865 million of subordinated debt securities, or \$1.165 billion total, can be distributed as recoveries to Noteholder classes. The Committee believes that either of the foregoing options are feasible and bring significant additional value to all Noteholder classes to what is currently contemplated under the Plan.

## II. Debtors' Response to the Committee's Statement

The Debtors disagree with the Committee's opinions and believe that the Plan, which is predicated upon (i) the Bank Support Agreements executed by the Debtors and Prepetition Lenders holding well in excess of two-thirds (2/3) in principal amount and one-half (1/2) in number of claims under each of the RHDI, DME and DMW Prepetition Credit Facilities and (ii) the Noteholders Support Agreement executed by the Debtors and Noteholders holding in excess of a majority of the aggregate principal amount of the Prepetition Note Debt, provides optimal recoveries for all creditors (including an estimated 100% recovery for trade creditors) while substantially improving the Company's balance sheet and creating the operating and financial flexibility required to maximize the total value of the Company in a challenging industry environment. In addition, the Debtors believe that the Plan satisfies all of the requirements for confirmation under Section 1129 of the Bankruptcy Code and, for the reasons set forth below, is more advantageous to the Company than any potential alternatives under chapter 11 of the Bankruptcy Code, including the potential alternatives that the Committee has identified.

THE INFORMATION SET FORTH IN APPENDICES 1 THROUGH 4 HERETO WAS PREPARED BY THE BLACKSTONE GROUP, LP, IN ITS CAPACITY AS FINANCIAL ADVISOR TO THE COMMITTEE. ALTHOUGH THE DEBTORS TAKE NO VIEW ON THE ACCURACY, CONTENT OR RELEVANCE OF THE INFORMATION SET FORTH IN APPENDICES 1 THROUGH 4, THE DEBTORS NOTE THAT SUCH INFORMATION APPEARS TO IGNORE SIGNIFICANT ISSUES, INCLUDING THE POTENTIAL RISKS ASSOCIATED WITH EXECUTION OF (I) THE COMPANY'S BUSINESS PLAN AND (II) THE POTENTIAL ALTERNATIVES IDENTIFIED BY THE COMMITTEE.

The Committee's first argument is that the Company's cash interest expense could be further reduced by either (i) repricing the RHDI Credit Facility to reflect what the Committee

believes to be current market rates or (ii) pursuing the Reinstatement/Cramdown Approach. The Debtors believe that the proposed interest rates and other terms under the restructured Prepetition Credit Facilities are not inconsistent with current market conditions and are very favorable to the Company. The Debtors also believe that any attempt to modify the terms of the Prepetition Credit Facilities without the consent of the Prepetition Lenders would likely result in the termination of the Plan Support Agreements, the incurrence of materially greater administrative expenses by the Debtors, and significant delays in the Debtors' anticipated emergence from bankruptcy, thereby further exposing the Debtors to the volatility of the market and general economic and competitive factors. Among other things, the Committee's argument ignores the significant litigation risks, costs and expenses associated with the Reinstatement/Cramdown Approach and assumes, in a conclusory fashion, that any attempted cramdown of the Prepetition Lenders would be successful. The Debtors, with the assistance of their professionals, have carefully evaluated all potential alternatives to confirmation of the Plan, including certain variations of the Reinstatement/Cramdown Approach, and have concluded that a consensual restructuring of the Prepetition Credit Facilities on the terms set forth in the Plan is in the best interests of the Debtors and all of their creditors and other parties in interest.

The Committee's second argument is that recoveries for the Noteholders could be improved by having the Company issue up to \$865 million of additional debt to the Noteholders and that such additional leverage would provide "significant additional value" to the Noteholders. The Debtors are surprised that the Committee, which is charged with representing the interests of all unsecured creditors (including the trade creditors, who are expected to receive 100% distributions under the Plan) would advocate increasing the Company's levels of indebtedness given that any increase in the Company's leverage would not only simply result in, at a minimum, a corresponding decrease in the value of the New RHDC Common Stock (the primary currency being distributed to the Noteholders under the Plan), but would also subject the Company to additional operational and financial risks associated with higher levels of indebtedness. Furthermore, any additional indebtedness would not only expose the Company to incremental refinancing risk associated with the maturity of the New RHDC Notes in 2017 given the resulting significantly higher levels of leverage, but would also create very limited operating and financial flexibility to adequately address any underperformance in the Company's business plan due to potential continued secular declines in the industry. The Company and the Consenting Noteholders – the holders of more than a majority of the aggregate principal amount of the Prepetition Note Debt – believe that the suggested increase in the Company's leverage is neither necessary nor in the best interests of the Company, its creditors, or the Company's future shareholders.

The Committee's final argument is that the Prepetition Lenders may not hold perfected security interests in certain registered copyrights of the Debtors on a number of regional or local phone books, the majority of which are no longer in circulation, and that the Plan may thus provide greater economic value to the Prepetition Lenders than they are entitled to receive. The Debtors believe that the value of the registered copyrights that are the subject of the Committee's investigation is *de minimis*. In fact, it is for this reason that the Debtors have never recognized the value of these intangible assets on their audited balance sheets. As a result, even assuming that the Prepetition Lenders are not properly perfected in such copyrights, such contingency would not appreciably alter the outcome of these Chapter 11 Cases or the distributions to which unsecured creditors would otherwise be entitled under applicable law. Furthermore, the

Committee retains the right to challenge the validity, enforceability and priority of the Prepetition Lenders' liens in such copyrights by commencing an action in accordance with the terms of the Cash Collateral Orders. The risks of overpayment that the Committee has identified can therefore be eliminated through the exercise of the Committee's investigatory powers under the Cash Collateral Orders. The Debtors have worked diligently to provide all reasonably available information that the Committee may require in order to determine whether such a challenge would be meritorious.

### III. The Prepetition Lenders Agents' Response to the Committee's Statement

The Bank Support Agreements represent a comprehensive compromise and settlement of significant economic and legal issues between the Company and the Prepetition Lenders, including, without limitation, issues related to reinstatement, valuation, performance, cramdown and perfection. The Prepetition Lenders Agents believe that the resolution of these issues, which is embodied in the Bank Support Agreements, will save the estates the costs, time and uncertainty related to litigated outcome of these issues. To the extent any of these issues is challenged, the Prepetition Lenders reserve all of their rights and defenses. The Prepetition Lenders Agents further believe that, even if the Court determines that the Prepetition Lenders Agents' liens in certain of the Debtors' registered copyrights are not perfected, no party in interest has asserted that the claims of the Prepetition Lenders are undersecured. Consequently, the Prepetition Lenders Agents believe that the Prepetition Lenders would remain fully secured and would not receive more economic value than what the Prepetition Lenders are entitled to receive. Furthermore, although the Committee may seek to challenge (subject to the rights of any party in interest to object to such challenge on any ground, including standing) the validity, enforceability and priority of the Prepetition Lenders' liens in certain of the Debtors' registered copyrights by commencing an action in accordance with the terms of the Cash Collateral Orders, the Prepetition Lenders Agents note that the Plan embodies a compromise of, among other things, any defect that may exist in the Prepetition Lenders Agents' perfection of their security interests. Accordingly, if the Plan is confirmed, any such action will be rendered moot.
