GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS

General

The Schedules of Assets and Liabilities (collectively, the "Schedules") and the Statements of Financial Affairs (collectively, the "Statements" and, together with the Schedules, the "Schedules and Statements") filed by Rotech Healthcare Inc. ("Rotech" or the "Company") and its title 11 subsidiaries, as chapter 11 debtors and debtors in possession (collectively with Rotech, the "Debtors") pending in the United States Bankruptcy Court for the District of Delaware (the "Bankruptcy Court") were prepared, pursuant to section 521 of title 11 of the United States Code (the "Bankruptcy Code") and Rule 1007 of the Federal Rules of Bankruptcy Procedure, by management of the Debtors, with the assistance of the Debtors' advisors, and are unaudited. While the Debtors' management has made reasonable efforts to ensure that the Schedules and Statements are as accurate and complete as possible under the circumstances, based on information available at the time of preparation, subsequent information or discovery may result in material changes to these Schedules and Statements, and inadvertent errors, inaccuracies, or omissions may have occurred. Because the Schedules and Statements contain unaudited information, which is subject to further review, verification, and potential adjustment, there can be no assurance that these Schedules and Statements are complete. Nothing contained in the Schedules and Statements shall constitute a waiver of any right of the Debtors or an admission with respect to their chapter 11 cases (including, but not limited to, issues involving claims, substantive consolidation, defenses, equitable subordination, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers), and the Debtors reserve all rights to amend or supplement the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate, including, but not limited to, the right to dispute or otherwise assert offsets or defenses to any claim reflected in the Schedules and Statements as to amount, liability, or classification, or to otherwise subsequently designate any claim as "disputed," "contingent," or "unliquidated."

The Schedules and Statements have been signed by David Meador, Chief Financial Officer of the Debtors. Accordingly, in reviewing and signing the Schedules and Statements, Mr. Meador necessarily relied upon the efforts, statements, and representations of the Debtors' other personnel and professionals. Mr. Meador has not (and could not have) personally verified the accuracy of each such statement and representation, including, but not limited to, statements and representations concerning amounts owed to creditors, classification of such amounts, and their addresses.

These Global Notes and Statement of Limitations, Methodology, and Disclaimer Regarding the Debtors' Schedules and Statements (the "Global Notes") are incorporated by reference in, and comprise an integral part of, all of the Schedules and Statements, and should be referred to and considered in connection with any review of the Schedules and Statements.(1)

(1) These Global Notes supplement and are in addition to any specific notes contained in each Debtor's Schedules or Statements. The fact that the Debtors have prepared a Global Note with respect to any of individual Debtor's Schedules and Statements and not to those of another should not be interpreted as a decision by the Debtors to exclude the applicability of such Global Note to any of the Debtors' other Schedules and Statements, as appropriate. Disclosure of information in one Schedule, one Statement, or an exhibit or attachment to a Schedule or Statement, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedule, Statement, exhibit, or attachment.

Description of the Cases and Information Date

On April 8, 2013 (the "Commencement Date"), the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code in the Bankruptcy Court. The chapter 11 cases are being jointly administered under Case No. 13-10741. The Debtors continue to operate their business and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. The asset information provided herein, except as otherwise noted, represents the asset data of the Debtors as of March 31, 2013 and the liability data of the Debtors as of the close of business on the Commencement Date.

Case Number: 13-10779

GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS

Basis of Presentation

For financial reporting purposes, prior to the Commencement Date, the Debtors prepared financial statements that were annually audited and consolidated by the parent Debtor. Combining the assets and liabilities set forth in the Debtors' Schedules and Statements would result in amounts that would be substantially different from financial information that would be prepared on a consolidated basis under Generally Accepted Accounting Principles ("GAAP"). Therefore, these Schedules and Statements do not purport to represent financial statements prepared in accordance with GAAP nor are they intended to fully reconcile to the financial statements prepared by the Debtors. Unlike the consolidated financial statements, these Schedules and Statements reflect the assets and liabilities of each separate Debtor, except where otherwise indicated. Information contained in the Schedules and Statements has been derived from the Debtors' books and records and historical financial statements.

Moreover, given, among other things, the uncertainty surrounding the collection and ownership of certain assets and the valuation and nature of certain liabilities, to the extent that a Debtor shows more assets than liabilities, this is not an admission that the Debtor was solvent as of the Commencement Date or at any time prior to the Commencement Date. Likewise, to the extent a Debtor shows more liabilities than assets, this is not an admission that the Debtor was insolvent at the Commencement Date or any time prior to the Commencement Date.

Amendment

While reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements, inadvertent errors or omissions may exist. The Debtors reserve all rights to amend and/or supplement the Schedules and Statements from time to time as is necessary or appropriate.

Confidential or Sensitive Information

There may be instances in which certain information in the Schedules and Statements intentionally has been redacted due to the nature of an agreement between a Debtor and a third party, concerns about the confidential or commercially sensitive nature of certain information, or concerns for the privacy of an individual. The alterations will be limited to only what is necessary to protect the Debtor or third party and will provide interested parties with sufficient information to discern the nature of the listing.

Causes of Action

Despite their reasonable efforts to identify all known assets, the Debtors may not have listed all of their causes of action or potential causes of action against third parties as assets in their Schedules and Statements, including, but not limited to, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions under other relevant non-bankruptcy laws to recover assets. The Debtors reserve all of their rights with respect to any claims, causes of action, or avoidance actions they may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such claims, causes of actions, or avoidance actions or in any way prejudice or impair the assertion of such claims.

Recharacterization

The Debtors have made reasonable efforts to correctly characterize, classify, categorize, and designate the claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements. However, due to the complexity and size of the Debtors' businesses, the Debtors may have improperly characterized, classified, categorized, or designated certain items. The Debtors thus reserve all of their rights to recharacterize, reclassify, recategorize, or redesignate items reported in the Schedules and Statements at a later time as necessary or appropriate as additional information becomes available, including, but not limited to, whether contracts herein were executory as of the Commencement Date or remain executory postpetition.

GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS

Claim Designations

Any failure to designate a claim in the Schedules and Statements as "contingent," "unliquidated," or "disputed" does not constitute an admission by the Debtors that such claim or amount is not "contingent," "unliquidated," or "disputed." The Debtors reserve all of their rights to dispute, or to assert offsets or defenses to, any claim reflected on their Schedules or Statements on any grounds, including, but not limited to, amount, liability, priority, status, or classification, or to otherwise subsequently designate any claim as "contingent," "unliquidated," or "disputed." Moreover, the Debtors reserve all of their rights to amend their Schedules and Statements as necessary and appropriate, including, but not limited to, with respect to claim description and designation. Listing a claim does not constitute an admission of liability by the Debtors.

Unliquidated Claim Amounts

Claim amounts that could not be readily quantified by the Debtors are scheduled as "unliquidated."

Undetermined Amounts

The description of an amount as "undetermined" is not intended to reflect upon the materiality of such amount.

Court Orders

Pursuant to certain orders of the Bankruptcy Court entered in the Debtors' chapter 11 cases entered on or about April 9, 2013 (the "First Day Orders"), the Debtors were authorized (but not directed) to pay, among other things, certain prepetition claims of employees, critical vendors, and taxing authorities. Accordingly, these liabilities may have been or may be satisfied in accordance with such orders. To the extent such claims are paid pursuant to an order of the Bankruptcy Court (including the First Day Orders), the Debtors reserve all rights to amend or supplement their Schedules and Statements as is necessary or appropriate.

Valuation

It would be prohibitively expensive, unduly burdensome, and an inefficient use of estate assets for the Debtors to obtain current market valuations of all of their assets. Accordingly, unless otherwise indicated, net book values as of the Commencement Date are reflected on the Schedules and Statements. Exceptions to this include operating cash and certain other assets. Operating cash is presented at bank balances as of the Commencement Date. Certain other assets, such as investments in subsidiaries and other intangible assets, are listed at undetermined amounts, as the net book values may differ materially from fair market values. Amounts ultimately realized may vary from net book value (or whatever value was ascribed) and such variance may be material. Accordingly, the Debtors reserve all of their rights to amend or adjust the value of each asset set forth herein. In addition, the amounts shown for total liabilities exclude items identified as "unknown" or "undetermined," and, thus, ultimate liabilities may differ materially from those stated in the Schedules and Statements. Barclays Capital, the Debtors' financial advisor, has conducted a valuation of the Debtors on a consolidated basis and projects a value range of between \$400 million and \$460 million depending upon the method and multiple used. The Barclays valuation was included as exhibit H to the Disclosure Statement [Docket no. 337] and certain additional materials were attached as an exhibit to the Debtors' Motion Requesting Order Disbanding Statutory Committee of Equity Security Holders [Docket No. 142].

Liabilities

The Debtors have sought to allocate liabilities between the prepetition and postpetition periods based on the information and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between prepetition and postpetition periods may change. The Debtors reserve the right to amend the Schedules and Statements as they deem appropriate in this regard.

DISTRICT OF DELAWARE**

G&G MEDICAL, INC.

Case Number: 13-10779

GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS

Excluded Assets and Liabilities

The Debtors have excluded certain categories of assets, tax accruals, and liabilities from the Schedules and Statements, including goodwill, deferred compensation, accrued salaries, employee benefit accruals, accrued accounts payable, deferred gains, and certain immaterial assets and liabilities. The Debtors also have excluded rejection damage claims of counterparties to executory contracts and unexpired leases that have been or may be rejected, to the extent such damage claims exist. Pursuant to certain First Day Orders, the Debtors have been granted authority to pay certain prepetition obligations to, among others, employees, critical vendors, and taxing authorities.

Leases

The Debtors have not included in the Schedules and Statements the future obligations of any capital or operating leases. To the extent that there was an amount outstanding as of the Commencement Date, the creditor has been included on Schedule F of the Schedules.

Contingent Assets

The Debtors believe that they may possess certain claims and causes of action against various parties. Additionally, the Debtors may possess contingent claims in the form of various avoidance actions they could commence under the provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws. The Debtors, despite reasonable efforts, may not have set forth all of their causes of action against third parties as assets in their Schedules and Statements. The Debtors reserve all of their rights with respect to any claims, causes of action, or avoidance actions they may have and nothing contained in these Global Notes or the Schedules and Statements shall be deemed a waiver of any such claims, avoidance actions, or causes of action or in any way prejudice or impair the assertion of such claims.

The Debtors may also possess contingent and unliquidated claims against affiliate Debtor entities for various financial accommodations and similar benefits they have extended from time to time, including contingent and unliquidated claims for contribution, reimbursement, and/or indemnification arising from, among other things, (i) letters of credit, (ii) notes payable and receivable, (iii) surety bonds, (iv) guarantees, (v) indemnities, and (vi) warranties. Additionally, prior to the relevant Commencement Date, each Debtor, as plaintiff, may have commenced various lawsuits in the ordinary course of its business against third parties seeking monetary damages. Refer to each Statement, item 4(a)(i), for lawsuits commenced prior to the relevant Commencement Date in which the Debtor was a plaintiff.

Receivables and Payables

The Debtors have not listed individual customer accounts receivable balance information as the Company considers its customer list to be proprietary and confidential.

Intercompany Accounts

The Debtors record intercompany assets and liabilities through intercompany trade (includes trade and other business-related transactions) accounts. The Debtors have eliminated intra-company activity within each legal entity.

Guarantees and Other Secondary Liability Claims

The Debtors have used reasonable efforts to locate and identify guarantees and other secondary liability claims (collectively, "Guarantees") in each of their executory contracts, unexpired leases, secured financings, debt instruments, and other such agreements. Where such Guarantees have been identified, they have been included in the relevant Schedule H for the Debtor or Debtors affected by such Guarantees. However, certain Guarantees embedded in the Debtors' executory contracts, unexpired leases, secured financings, debt instruments, and other such agreements may have been inadvertently omitted. Thus, the Debtors reserve all of their rights to amend the Schedules to the extent that additional Guarantees are identified.

DISTRICT OF DELAWARE**

G&G MEDICAL, INC.

Case Number: 13-10779

GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS

Intellectual Property Rights

Exclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have been abandoned, have been terminated, or otherwise have expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, have not been terminated, or otherwise have not expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Accordingly, the Debtors reserve all of their rights with respect to the legal status of any and all intellectual property rights.

Estimates

To prepare and file the Schedules as close to the Commencement Date as possible, management was required to make certain estimates and assumptions that affected the reported amounts of these assets and liabilities. The Debtors reserve all rights to amend the reported amounts of assets and liability to reflect changes in those estimates or assumptions.

Fiscal Year

Each Debtor's fiscal year ends on December 31.

Currency

Unless otherwise indicated, all amounts are reflected in U.S. dollars.

Property and Equipment

Unless otherwise indicated, owned property (including real property) and equipment are stated at net book value. The Debtors may lease furniture, fixtures, and equipment from certain third party lessors. Any such leases are set forth in the Schedules and Statements. Nothing in the Schedules and Statements is or shall be construed as an admission as to the determination as to the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtors reserve all of their rights with respect to same.

Claims of Third-Party Related Entities

While the Debtors have made every effort to properly classify each claim listed in the Schedules as being either disputed or undisputed, liquidated or unliquidated, and contingent or noncontingent, the Debtors have not been able to fully reconcile all payments made to certain third parties and their related entities on account of the Debtors' obligations to same. Therefore, to the extent that the Debtors have classified their estimate of claims of a creditor as disputed, all claims of such creditor's affiliates listed in the Schedules and Statements shall similarly be considered as disputed, whether or not they are designated as such.

Interest in Subsidiaries and Affiliates

Rotech is a publicly held company, and each of the Debtors other than Rotech is a wholly-owned indirect subsidiary of Rotech. Each Debtor's Schedule B14 or Statement 18a contains a listing of the current capital structure of the Debtors and includes ownership interests.

Umbrella Or Master Agreements

Contracts listed in the Schedules and Statements may be umbrella or master agreements that cover relationships with some or all of the Debtors. Where relevant, such agreements have been listed in the Schedules and Statements only of the Debtor that signed the original umbrella or master agreement.

DISTRICT OF DELAWARE**

G&G MEDICAL, INC.

Case Number: 13-10779

GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS

Setoffs and Recoupment

The Debtors reconcile credit balances for payors and patients in the ordinary course of business. As of the Commencement Date, a significant amount of credit balances (which could ultimately result in a refund or offset to the payor or patient) had not been reconciled (some of which are old) and the Debtors cannot determine if, after reconciliation, such amounts would result in a claim against the Debtors. The Debtors are contract counter-party with over 600 payors and cannot reconcile all of the credit balances with certainty in the current time frame. Accordingly, the Debtors have identified all commercial payors (regardless of current stage of reconciliation) with unknown, unliquidated amounts on Schedule F.

The Debtors have over 7,000 patients who may be owed refunds and an additional 42,000 patients that may have small negative credit balances, which remain unreconciled. Given the time allotted and the volume of credit balances, it has not been possible for the Debtors to reconcile every credit balance and determine if a refund is owed. Accordingly, due to the HIPAA Privacy Rule and state confidentiality requirements, the Debtors have not listed on Schedule F the identity or amounts potentially owed to specific individual patients. Rather, each of the Debtors have scheduled a single line item showing the amount of contingent and/or liquidated refund claims which each Debtor has determined to be potentially owed to all patients protected by applicable regulations. All 49,000 patients will be provided with a proof of claim form which will provide the amount of the refund (if known) potentially owed to the patient.

Insiders

The Debtors have attempted to include all payments made over the 12 months preceding the Commencement Date to any individual or entity deemed an "insider." For these purposes, "insider" is defined as (1) an individual or entity owning 5% or more of the voting or equity securities of a Debtor, (2) Board of Directors, (3) the Chief Executive Officer, (4) the Chief Financial Officer, or (5) an entity related to an insider. The listing of a party as an "insider," however, is not intended to be nor should be construed as a legal characterization of such party as an insider and does not act as an admission of any fact, claim, right, or defense, and all such rights, claims, and defenses are hereby expressly reserved. In addition, certain Debtors have made payments to, charged or incurred charges from various affiliated entities during the twelve months preceding the relevant Commencement Date. These transactions have been reflected in the Schedules and Statements as the net change in beginning and ending intercompany trade payables.

Disputed, Contingent and/or Unliquidated Claims

Schedules D, E and F permit each of the Debtors to designate a claim as disputed, contingent and/or unliquidated. A failure to designate a claim on any of these Schedules as disputed, contingent and/or unliquidated does not constitute an admission that such claim is not subject to objection. The Debtors reserve the right to dispute, or assert offsets or defenses to, any claim reflected on these Schedules as to amount, liability or status.

Indemnification

Article IX of Rotech's Certificate of Incorporation (the "Certificate") provides indemnification, on the particular terms set forth in the Bylaws, for persons made a party or threatened to be made a party to any action, suit or proceeding by reason of the fact that he or she is the legal representative or, is or was a director or officer of Rotech, or is or was serving at the request of Rotech as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust or other enterprise, including service with respect to employee benefit plans maintained or sponsored by Rotech. The Debtors have not reached a determination that certain potentially indemnified persons are ineligible for indemnification under the terms of the Certificate and such persons are therefore listed on Rotech's Schedule F. To the extent that Rotech has entered into separate contracts with certain executives and former executives, agreeing to indemnify them in certain circumstances according to the particular terms and conditions set forth in those contracts, such contracts are listed on Rotech's Schedule G. The Debtors have not reached a determination as to whether the persons who are parties to these contracts are eligible for indemnification. Consequently, the Debtors have separately listed on Schedule G all contracts with such persons, but Debtors reserve all rights with respect thereto, including the right to assert that the individual is not entitled to indemnification and that the provisions do not constitute executory contracts.

**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING
DEBTOR'S SCHEDULES AND STATEMENTS**

Property Held for Others

The Debtors hold property, including medical equipment, for other people. In the ordinary course of their business, pursuant to contracts with the Department of Veterans Affairs ("VA") and certain commercial payors, certain Debtors store and hold in Debtors' facilities medical equipment and supplies owned by the VA and certain other payors, which is used when Debtors provide contracted services to patients of the VA and certain other payors pursuant to the terms and conditions of contracts with those parties. The inventory of medical equipment and supplies so held on consignment for others has been excluded from the Debtors' responses to Question 14 of the Statement of Financial Affairs.

Payments

The financial affairs and business of the Debtors are complex. Prior to the Commencement Date, the Debtors maintained a cash management and disbursement system in the ordinary course of their businesses (the "Cash Management System"). Disbursements under the Cash Management System are controlled primarily by the Debtors' financial personnel located at the Debtors' headquarters. As a result, certain payments in the Schedules and Statements may have been made prepetition by one legal entity on behalf of another legal entity through the operation of the centrally controlled cash management system. Although efforts have been made to attribute open payable amounts to the correct legal entity, the Debtors reserve the right to modify or amend their Schedules and Statements to attribute such payment to a different legal entity, if appropriate.

Totals

All totals that are included in the Schedules and Statements represent totals of all the known amounts included in the Schedules and Statements. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total. The description of an amount as "unknown" or "undetermined" is not intended to reflect upon the materiality of such amount.

SPECIFIC NOTES REGARDING SCHEDULE D

SPECIFIC NOTES REGARDING SCHEDULE D

Except as otherwise agreed pursuant to a stipulation or agreed order or general order entered by the Bankruptcy Court, the Debtors reserve their rights to dispute or challenge validity, perfection or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D of any Debtor. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument (including, without limitation, any intercompany agreement) related to such creditor's claim. In certain instances, a Debtor may be a co-obligor, co-mortgagor or guarantor with respect to scheduled claims of other Debtors, and no claim set forth on Schedule D of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities. The descriptions provided in Schedule D are intended only as a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements.

SPECIFIC NOTES REGARDING SCHEDULE E

Creditors Holding Unsecured Priority Claims

The listing of any claim on Schedule E does not constitute an admission by the Debtors that such claim is entitled to priority treatment under section 507 of the Bankruptcy Code. The Debtors reserve all of their rights to dispute the amount and/or the priority status of any claim on any basis at any time.

All claims listed on the Debtors' Schedule E are claims owing to various taxing authorities to which the Debtors may potentially be liable. However, certain of such claims may be subject to on-going audits and the Debtors are otherwise unable to determine with certainty the amount of many, if not all, of the remaining claims listed on Schedule E. Therefore, the Debtors have listed all such claims as unknown in amount, pending final resolution of on-going audits or other outstanding issues.

As noted in the Global Notes, the Bankruptcy Court entered a first day order granting authority to the Debtors to pay certain prepetition employee wage and other obligations in the ordinary course (the "Employee Wage Order"). Pursuant to the Employee Wage Order, the Debtors believe that, other than claims of certain former and current employees for vacation, personal and/or severance pay, any priority employee claims for prepetition amounts have been or will be satisfied, and such satisfied amounts are therefore not listed on Schedule E. Only non priority employee claims against the Debtors for prepetition amounts that have not been paid as of the time that the Schedules and Statements were prepared were included; such amounts, if any, are listed on Schedule F.

SCHEDULE F - CREDITORS HOLDING UNSECURED NONPRIORITY CLAIMS

State the name, mailing address, including zip code, and account number, if any, of all entities holding unsecured claims without priority against the debtor or the property of the debtor, as of the filing of the petition. Do not include claims listed in Schedule D and E. If all creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete schedule H - Codebtors. If a joint petition is filed, state whether husband, wife, both of them, or the marital community may be liable on each claim by placing an "H", "W", "J", or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report total of all claims listed on the schedules in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules.

Check this box if debtor has no unsecured nonpriority claims to report on this Schedule F.

SPECIFIC NOTES REGARDING SCHEDULE F

Schedule - Paid Trade Payable

Paid Trade Payables listed on Schedule F contain the pre-petition liability information available to the Debtors as of the date of filing which include invoices that were paid subsequent to the Commencement Date related to prepetition obligations per the Final Order Pursuant to Bankruptcy Code Sections 363(b) and 105(a) Authorizing (I) the Debtors to Pay the Prepetition Claims of Certain Critical Vendors and Administrative Claimholders, and (II) Financial Institutions to Honor and Process Prepetition Checks and Transfers to Certain Critical Vendors and Administrative Claimholders (Docket No. 225), or in connection with the assumption of contracts pursuant to section 365 of the Bankruptcy Code.

Schedule - Intercompany

Prior to the Commencement Date, Rotech collects receipts and makes disbursements on behalf of all the Debtors, and thus distributions and receipts reflect intercompany balances due and owing from one Debtor to another Debtor. The respective intercompany accounts payable and accounts receivable are listed at the net amount due to/due from the debtor as of March 31, 2013 on Schedule F for each Debtor.

Schedule - Trade Payables

Trade Payables listed on Schedule F contain the pre-petition liability information available to the Debtors as of the date of filing and do not perfect payment made subsequent to the Commencement Date in accordance with any of the First Day Orders.

SPECIFIC NOTES REGARDING SCHEDULE F

Creditors Holding Unsecured Nonpriority Claims

The Debtors have used their reasonable best efforts to list all general unsecured claims against the Debtors on Schedule F based upon the Debtors' existing books and records.

Schedule F does not include certain deferred credits, deferred charges, deferred liabilities, accruals, or general reserves. Such amounts are general estimates of liabilities and do not represent specific claims as of the Commencement Date; however, such amounts are reflected on the Debtors' books and records as required in accordance with GAAP. Such accruals are general estimates of liabilities and do not represent specific claims as of the Commencement Date.

Schedule F does not include certain reserves for potential unliquidated contingencies that historically were carried on the Debtors' books as of the Commencement Date; such reserves were for potential liabilities only and do not represent actual liabilities as of the Commencement Date.

The claims listed in Schedule F arose or were incurred on various dates. In certain instances, the date on which a claim arose is an open issue of fact. Determining the date upon which each claim in Schedule F was incurred or arose would be unduly burdensome and cost prohibitive and, therefore, the Debtors do not list a date for each claim listed on Schedule F.

Schedule F contains information regarding potential and pending litigation involving the Debtors. In certain instances, the Debtor that is the subject of the litigation is unclear or undetermined. To the extent that litigation involving a particular Debtor has been identified, however, such information is contained in the Schedule for that Debtor.

Schedule F reflects the prepetition amounts owing to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in connection with the assumption, or assumption and assignment, of an executory contract or unexpired lease. In addition, Schedule F does not include rejection damage claims of the counterparties to the executory contracts and unexpired leases that have been or may be rejected, to the extent such damage claims exist.

Except in certain limited circumstances, the Debtors have not scheduled contingent and unliquidated liabilities related to guaranty obligations on Schedule F. Such guaranties are, instead, listed on Schedule H.

The claims of individual creditors for, among other things, goods, services, or taxes listed on the Debtors' books and records may not reflect credits or allowances due from such creditors. The Debtors reserve all of their rights in respect of such credits or allowances. The dollar amounts listed may be exclusive of contingent or unliquidated amounts.

Unless the Debtors were required to pay ancillary costs, such as freight, miscellaneous fees and taxes, such costs are not included in the liabilities scheduled, as such amounts do not represent actual liabilities of the Debtor.

SPECIFIC NOTES REGARDING SCHEDULE G

Executory Contracts

While the Debtors' existing books, records, and financial systems have been relied upon to identify and schedule executory contracts at each of the Debtors, and although commercially reasonable efforts have been made to ensure the accuracy of Schedule G, inadvertent errors, omissions, or over-inclusions may have occurred. The Debtors do not make, and specifically disclaim, any representation or warranty as to the completeness or accuracy of the information set forth on Schedule G. The Debtors hereby reserve all of their rights to dispute the validity, status, or enforceability of any contract, agreement, or lease set forth in Schedule G and to amend or supplement Schedule G as necessary. The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, memoranda, and other documents, instruments, and agreements that may not be listed therein despite the Debtors' use of reasonable efforts to identify such documents. Further, unless otherwise specified on Schedule G, each executory contract or unexpired lease listed thereon shall include all exhibits, schedules, riders, modifications, declarations, amendments, supplements, attachments, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects such executory contract or unexpired lease, without respect to whether such agreement, instrument or other document is listed thereon.

In some cases, the same supplier or provider appears multiple times in Schedule G. This multiple listing is intended to reflect distinct agreements between the applicable Debtor and such supplier or provider.

In the ordinary course of business, the Debtors may have issued numerous purchase orders for supplies, product, and related items which, to the extent that such purchase orders constitute executory contracts, are not listed individually on Schedule G. To the extent that goods were delivered under purchase orders prior to the Commencement Date, vendors' claims with respect to such delivered goods are included on Schedule F.

As a general matter, certain of the Debtors' executory contracts and unexpired leases could be included in more than one category. In those instances, one category has been chosen to avoid duplication. Further, the designation of a category is not meant to be wholly inclusive or descriptive of the entirety of the rights or obligations represented by such contract.

Certain of the executory contracts and unexpired leases listed on Schedule G may contain certain renewal options, guarantees of payment, options to purchase, rights of first refusal, right to lease additional space, and other miscellaneous rights. Such rights, powers, duties, and obligations are not set forth separately on Schedule G. In addition, the Debtors may have entered into various other types of agreements in the ordinary course of their business, such as easements, rights of way, subordination, nondisturbance, and atonement agreements, supplemental agreements, amendments/letter agreements, title agreements, and confidentiality agreements. Such documents also are not set forth in Schedule G.

The Debtors hereby reserve all of their rights, claims, and causes of action with respect to the contracts and agreements listed on Schedule G, including the right to dispute or challenge the characterization or the structure of any transaction, document, or instrument related to a creditor's claim, to dispute the validity, status, or enforceability of any contract, agreement, or lease set forth in Schedule G, and to amend or supplement Schedule G as necessary. Inclusion of any agreement on Schedule G does not constitute an admission that such agreement is an executory contract or unexpired lease and the Debtors reserve all rights in that regard, including, without limitation, that any agreement is not executory, has expired pursuant to its terms, or was terminated prepetition.

In addition, certain of the agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financings. The presence of a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease. The Debtors reserve all of their rights, claims, and causes of action with respect to the contracts and agreements listed on Schedule G, including the right to dispute or challenge the characterization or the structure of any transaction, or any document or instrument (including, without limitation, any intercreditor or intercompany agreement) related to a creditor's claim. Certain of the contracts, agreements, and leases listed on Schedule G may have been entered into by more than one of the Debtors. Further, the specific Debtor obligor to certain of the executory contracts or unexpired leases could not be specifically ascertained in every circumstance. In such cases, the Debtors used their best efforts to determine the correct Debtor's Schedule G on which to list such executory contract or unexpired lease.

Case Number: 13-10779

SPECIFIC NOTES REGARDING SCHEDULE G

In the ordinary course of business, the Debtors have entered into numerous contracts or agreements, both written and oral, regarding the provision of certain services on a month to month basis. To the extent such contracts or agreements constitute executory contracts, these contracts and agreements are not listed individually on Schedule G.

Certain of the executory contracts may not have been memorialized and could be subject to dispute; executory agreements that are oral in nature have not been included in Schedule G.

In the ordinary course of business, the Debtors may have entered into confidentiality agreements which, to the extent that such confidentiality agreements constitute executory contracts, are not listed individually on Schedule G.

Certain of the executory contracts and unexpired leases listed in Schedule G were assigned to, assumed by, or otherwise transferred to certain of the Debtors in connection with, among other things, acquisitions by the Debtors.

The Debtors generally have not included on Schedule G any insurance policies, the premiums for which have been prepaid. The Debtors submit that prepaid insurance policies are not executory contracts pursuant to section 365 of the Bankruptcy Code because no further payment or other material performance is required by the Debtors. Nonetheless, the Debtors recognize that in order to enjoy the benefits of continued coverage for certain claims under these policies, the Debtors may have to comply with certain non-monetary obligations, such as the provision of notice of claims and cooperation with insurers. In the event that the Bankruptcy Court were to ever determine that any such prepaid insurance policies are executory contracts, the Debtors reserve all of their rights to amend Schedule G to include such policies, as appropriate.

In addition, Schedule G does not include rejection damage claims of the counterparties to the executory contracts and unexpired leases that have been or may be rejected, to the extent such damage claims exist.

The Debtors are still in the process of collecting the addresses of all counterparties to such executory contracts and unexpired leases. These addresses will be compiled prior to sending notice of the bar date for the filing of proofs of claim in these chapter 11 cases.

SPECIFIC NOTES REGARDING SCHEDULE H

Co-Debtors

In the ordinary course of their business, the Debtors pay certain expenses on behalf of their subsidiaries. The Debtors may not have identified certain guarantees that are embedded in the Debtors' executory contracts, unexpired leases, secured financings, debt instruments, and other agreements. Further, certain of the guarantees reflected on Schedule H may have expired or may no longer be enforceable. Thus, the Debtors reserve their rights to amend Schedule H to the extent that additional guarantees are identified or such guarantees are discovered to have expired or become unenforceable.

In the ordinary course of their business, the Debtors may be involved in pending or threatened litigation and claims arising out of certain ordinary course of business transactions. These matters may involve multiple plaintiffs and defendants, some or all of whom may assert cross-claims and counter-claims against other parties. Because such claims are contingent, disputed, and/or unliquidated, such claims have not been set forth individually on Schedule H. However, some such claims may be listed elsewhere in the Schedules and Statements.

DISTRICT OF DELAWARE**

SCHEDULE H - CODEBTORS

Provide the information requested concerning any person or entity, other than a spouse in a joint case, that is also liable on any debts listed by the debtor in the schedules of creditors. Include all guarantors and co-signers. If the debtor resides or resided in a community property state, commonwealth, or territory (including Alaska, Arizona, California, Idaho, Louisiana, Nevada, New Mexico, Puerto Rico, Texas, Washington, or Wisconsin) within the eight-year period immediately preceding the commencement of the case, identify the name of the debtor's spouse and of any former spouse who resides or resided with the debtor in the community property state, commonwealth, or territory. Include all names used by the nondebtor spouse during the eight years immediately preceding the commencement of this case. If a minor child is a codebtor or a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. §112 and Fed. R. Bankr. P. 1007(m).

Check this box if debtor has no codebtors.

Interest on the First Lien Notes is due bi-annually in the approximate amount of \$24 million per annum.

(3) \$290 million in aggregate principal amount of Senior Second Lien Notes (the "Second Lien Notes"), governed by an indenture among Rotech, its subsidiaries, and Wilmington Trust, National Association as Successor Trustee as trustee. The Second Lien Notes mature on March 15, 2018 and are (i) secured by a second lien on substantially all the Company's assets and (ii) unconditionally guaranteed by all of Rotech's subsidiaries. GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS

General

The Schedules of Assets and Liabilities (collectively, the "Schedules") and the Statements of Financial Affairs (collectively, the "Statements" and, together with the Schedules, the "Schedules and Statements") filed by Rotech Healthcare Inc. ("Rotech" or the "Company") and its title 11 subsidiaries, as chapter 11 debtors and debtors in possession (collectively with Rotech, the "Debtors") pending in the United States Bankruptcy Court for the District of Delaware (the "Bankruptcy Court") were prepared, pursuant to section 521 of title 11 of the United States Code (the "Bankruptcy Code") and Rule 1007 of the Federal Rules of Bankruptcy Procedure, by management of the Debtors, with the assistance of the Debtors' advisors, and are unaudited. While the Debtors' management has made reasonable efforts to ensure that the Schedules and Statements are as accurate and complete as possible under the circumstances, based on information available at the time of preparation, subsequent information or discovery may result in material changes to these Schedules and Statements, and inadvertent errors, inaccuracies, or omissions may have occurred. Because the Schedules and Statements contain unaudited information, which is subject to further review, verification, and potential adjustment, there can be no assurance that these Schedules and Statements are complete. Nothing contained in the Schedules and Statements shall constitute a waiver of any right of the Debtors or an admission with respect to their chapter 11 cases (including, but not limited to, issues involving claims, substantive consolidation, defenses, equitable subordination, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers), and the Debtors reserve all rights to amend or supplement the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate, including, but not limited to, the right to dispute or otherwise assert offsets or defenses to any claim reflected in the Schedules and Statements as to amount, liability, or classification, or to otherwise subsequently designate any claim as "disputed," "contingent," or "unliquidated."

The Schedules and Statements have been signed by David Meador, Chief Financial Officer of the Debtors. Accordingly, in reviewing and signing the Schedules and Statements, Mr. Meador necessarily relied upon the efforts, statements, and representations of the Debtors' other personnel and professionals. Mr. Meador has not (and could not have) personally verified the accuracy of each such statement and representation, including, but not limited to, statements and representations concerning amounts owed to creditors, classification of such amounts, and their addresses.

These Global Notes and Statement of Limitations, Methodology, and Disclaimer Regarding the Debtors' Schedules and Statements (the "Global Notes") are incorporated by reference in, and comprise an integral part of, all of the Schedules and Statements, and should be referred to and considered in connection with any review of the Schedules and Statements.(1)

(1) These Global Notes supplement and are in addition to any specific notes contained in each Debtor's Schedules or Statements. The fact that the Debtors have prepared a Global Note with respect to any of individual Debtor's Schedules and Statements and not to those of another should not be interpreted as a decision by the Debtors to exclude the applicability of such Global Note to any of the Debtors' other Schedules and Statements, as appropriate. Disclosure of information in one Schedule, one Statement, or an exhibit or attachment to a Schedule or Statement, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedule, Statement, exhibit, or attachment.

Description of the Cases and Information Date

On April 8, 2013 (the "Commencement Date"), the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code in the Bankruptcy Court. The chapter 11 cases are being jointly administered under Case No. 13-10741. The Debtors continue to operate their business and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. The asset information provided herein, except as otherwise noted, represents the asset data of the Debtors as of March 31, 2013 and the liability data of the Debtors as of the close of business on the Commencement Date.

GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS

Basis of Presentation

For financial reporting purposes, prior to the Commencement Date, the Debtors prepared financial statements that were annually audited and consolidated by the parent Debtor. Combining the assets and liabilities set forth in the Debtors' Schedules and Statements would result in amounts that would be substantially different from financial information that would be prepared on a consolidated basis under Generally Accepted Accounting Principles ("GAAP"). Therefore, these Schedules and Statements do not purport to represent financial statements prepared in accordance with GAAP nor are they intended to fully reconcile to the financial statements prepared by the Debtors. Unlike the consolidated financial statements, these Schedules and Statements reflect the assets and liabilities of each separate Debtor, except where otherwise indicated. Information contained in the Schedules and Statements has been derived from the Debtors' books and records and historical financial statements.

Moreover, given, among other things, the uncertainty surrounding the collection and ownership of certain assets and the valuation and nature of certain liabilities, to the extent that a Debtor shows more assets than liabilities, this is not an admission that the Debtor was solvent as of the Commencement Date or at any time prior to the Commencement Date. Likewise, to the extent a Debtor shows more liabilities than assets, this is not an admission that the Debtor was insolvent at the Commencement Date or any time prior to the Commencement Date.

Amendment

While reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements, inadvertent errors or omissions may exist. The Debtors reserve all rights to amend and/or supplement the Schedules and Statements from time to time as is necessary or appropriate.

Confidential or Sensitive Information

There may be instances in which certain information in the Schedules and Statements intentionally has been redacted due to the nature of an agreement between a Debtor and a third party, concerns about the confidential or commercially sensitive nature of certain information, or concerns for the privacy of an individual. The alterations will be limited to only what is necessary to protect the Debtor or third party and will provide interested parties with sufficient information to discern the nature of the listing.

Causes of Action

Despite their reasonable efforts to identify all known assets, the Debtors may not have listed all of their causes of action or potential causes of action against third parties as assets in their Schedules and Statements, including, but not limited to, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions under other relevant non-bankruptcy laws to recover assets. The Debtors reserve all of their rights with respect to any claims, causes of action, or avoidance actions they may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such claims, causes of actions, or avoidance actions or in any way prejudice or impair the assertion of such claims.

Recharacterization

The Debtors have made reasonable efforts to correctly characterize, classify, categorize, and designate the claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements. However, due to the complexity and size of the Debtors' businesses, the Debtors may have improperly characterized, classified, categorized, or designated certain items. The Debtors thus reserve all of their rights to recharacterize, reclassify, recategorize, or redesignate items reported in the Schedules and Statements at a later time as necessary or appropriate as additional information becomes available, including, but not limited to, whether contracts herein were executory as of the Commencement Date or remain executory postpetition.

GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS

Claim Designations

Any failure to designate a claim in the Schedules and Statements as "contingent," "unliquidated," or "disputed" does not constitute an admission by the Debtors that such claim or amount is not "contingent," "unliquidated," or "disputed." The Debtors reserve all of their rights to dispute, or to assert offsets or defenses to, any claim reflected on their Schedules or Statements on any grounds, including, but not limited to, amount, liability, priority, status, or classification, or to otherwise subsequently designate any claim as "contingent," "unliquidated," or "disputed." Moreover, the Debtors reserve all of their rights to amend their Schedules and Statements as necessary and appropriate, including, but not limited to, with respect to claim description and designation. Listing a claim does not constitute an admission of liability by the Debtors.

Unliquidated Claim Amounts

Claim amounts that could not be readily quantified by the Debtors are scheduled as "unliquidated."

Undetermined Amounts

The description of an amount as "undetermined" is not intended to reflect upon the materiality of such amount.

Court Orders

Pursuant to certain orders of the Bankruptcy Court entered in the Debtors' chapter 11 cases entered on or about April 9, 2013 (the "First Day Orders"), the Debtors were authorized (but not directed) to pay, among other things, certain prepetition claims of employees, critical vendors, and taxing authorities. Accordingly, these liabilities may have been or may be satisfied in accordance with such orders. To the extent such claims are paid pursuant to an order of the Bankruptcy Court (including the First Day Orders), the Debtors reserve all rights to amend or supplement their Schedules and Statements as is necessary or appropriate.

Valuation

It would be prohibitively expensive, unduly burdensome, and an inefficient use of estate assets for the Debtors to obtain current market valuations of all of their assets. Accordingly, unless otherwise indicated, net book values as of the Commencement Date are reflected on the Schedules and Statements. Exceptions to this include operating cash and certain other assets. Operating cash is presented at bank balances as of the Commencement Date. Certain other assets, such as investments in subsidiaries and other intangible assets, are listed at undetermined amounts, as the net book values may differ materially from fair market values. Amounts ultimately realized may vary from net book value (or whatever value was ascribed) and such variance may be material. Accordingly, the Debtors reserve all of their rights to amend or adjust the value of each asset set forth herein. In addition, the amounts shown for total liabilities exclude items identified as "unknown" or "undetermined," and, thus, ultimate liabilities may differ materially from those stated in the Schedules and Statements. Barclays Capital, the Debtors' financial advisor, has conducted a valuation of the Debtors on a consolidated basis and projects a value range of between \$400 million and \$460 million depending upon the method and multiple used. The Barclays valuation was included as exhibit H to the Disclosure Statement [Docket no. 337] and certain additional materials were attached as an exhibit to the Debtors' Motion Requesting Order Disbanding Statutory Committee of Equity Security Holders [Docket No. 142].

Liabilities

The Debtors have sought to allocate liabilities between the prepetition and postpetition periods based on the information and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between prepetition and postpetition periods may change. The Debtors reserve the right to amend the Schedules and Statements as they deem appropriate in this regard.

G&G MEDICAL, INC.

Case Number: 13-10779

GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS

Excluded Assets and Liabilities

The Debtors have excluded certain categories of assets, tax accruals, and liabilities from the Schedules and Statements, including goodwill, deferred compensation, accrued salaries, employee benefit accruals, accrued accounts payable, deferred gains, and certain immaterial assets and liabilities. The Debtors also have excluded rejection damage claims of counterparties to executory contracts and unexpired leases that have been or may be rejected, to the extent such damage claims exist. Pursuant to certain First Day Orders, the Debtors have been granted authority to pay certain prepetition obligations to, among others, employees, critical vendors, and taxing authorities.

Leases

The Debtors have not included in the Schedules and Statements the future obligations of any capital or operating leases. To the extent that there was an amount outstanding as of the Commencement Date, the creditor has been included on Schedule F of the Schedules.

Contingent Assets

The Debtors believe that they may possess certain claims and causes of action against various parties. Additionally, the Debtors may possess contingent claims in the form of various avoidance actions they could commence under the provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws. The Debtors, despite reasonable efforts, may not have set forth all of their causes of action against third parties as assets in their Schedules and Statements. The Debtors reserve all of their rights with respect to any claims, causes of action, or avoidance actions they may have and nothing contained in these Global Notes or the Schedules and Statements shall be deemed a waiver of any such claims, avoidance actions, or causes of action or in any way prejudice or impair the assertion of such claims.

The Debtors may also possess contingent and unliquidated claims against affiliate Debtor entities for various financial accommodations and similar benefits they have extended from time to time, including contingent and unliquidated claims for contribution, reimbursement, and/or indemnification arising from, among other things, (i) letters of credit, (ii) notes payable and receivable, (iii) surety bonds, (iv) guarantees, (v) indemnities, and (vi) warranties. Additionally, prior to the relevant Commencement Date, each Debtor, as plaintiff, may have commenced various lawsuits in the ordinary course of its business against third parties seeking monetary damages. Refer to each Statement, item 4(a)(i), for lawsuits commenced prior to the relevant Commencement Date in which the Debtor was a plaintiff.

Receivables and Payables

The Debtors have not listed individual customer accounts receivable balance information as the Company considers its customer list to be proprietary and confidential.

Intercompany Accounts

The Debtors record intercompany assets and liabilities through intercompany trade (includes trade and other business-related transactions) accounts. The Debtors have eliminated intra-company activity within each legal entity.

Guarantees and Other Secondary Liability Claims

The Debtors have used reasonable efforts to locate and identify guarantees and other secondary liability claims (collectively, "Guarantees") in each of their executory contracts, unexpired leases, secured financings, debt instruments, and other such agreements. Where such Guarantees have been identified, they have been included in the relevant Schedule H for the Debtor or Debtors affected by such Guarantees. However, certain Guarantees embedded in the Debtors' executory contracts, unexpired leases, secured financings, debt instruments, and other such agreements may have been inadvertently omitted. Thus, the Debtors reserve all of their rights to amend the Schedules to the extent that additional Guarantees are identified.

DISTRICT OF DELAWARE**

G&G MEDICAL, INC.

Case Number: 13-10779

GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS

Intellectual Property Rights

Exclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have been abandoned, have been terminated, or otherwise have expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, have not been terminated, or otherwise have not expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Accordingly, the Debtors reserve all of their rights with respect to the legal status of any and all intellectual property rights.

Estimates

To prepare and file the Schedules as close to the Commencement Date as possible, management was required to make certain estimates and assumptions that affected the reported amounts of these assets and liabilities. The Debtors reserve all rights to amend the reported amounts of assets and liability to reflect changes in those estimates or assumptions.

Fiscal Year

Each Debtor's fiscal year ends on December 31.

Currency

Unless otherwise indicated, all amounts are reflected in U.S. dollars.

Property and Equipment

Unless otherwise indicated, owned property (including real property) and equipment are stated at net book value. The Debtors may lease furniture, fixtures, and equipment from certain third party lessors. Any such leases are set forth in the Schedules and Statements. Nothing in the Schedules and Statements is or shall be construed as an admission as to the determination as to the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtors reserve all of their rights with respect to same.

Claims of Third-Party Related Entities

While the Debtors have made every effort to properly classify each claim listed in the Schedules as being either disputed or undisputed, liquidated or unliquidated, and contingent or noncontingent, the Debtors have not been able to fully reconcile all payments made to certain third parties and their related entities on account of the Debtors' obligations to same. Therefore, to the extent that the Debtors have classified their estimate of claims of a creditor as disputed, all claims of such creditor's affiliates listed in the Schedules and Statements shall similarly be considered as disputed, whether or not they are designated as such.

Interest in Subsidiaries and Affiliates

Rotech is a publicly held company, and each of the Debtors other than Rotech is a wholly-owned indirect subsidiary of Rotech. Each Debtor's Schedule B14 or Statement 18a contains a listing of the current capital structure of the Debtors and includes ownership interests.

Umbrella Or Master Agreements

Contracts listed in the Schedules and Statements may be umbrella or master agreements that cover relationships with some or all of the Debtors. Where relevant, such agreements have been listed in the Schedules and Statements only of the Debtor that signed the original umbrella or master agreement.

DISTRICT OF DELAWARE**

G&G MEDICAL, INC.

Case Number: 13-10779

GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS

Setoffs and Recoupment

The Debtors reconcile credit balances for payors and patients in the ordinary course of business. As of the Commencement Date, a significant amount of credit balances (which could ultimately result in a refund or offset to the payor or patient) had not been reconciled (some of which are old) and the Debtors cannot determine if, after reconciliation, such amounts would result in a claim against the Debtors. The Debtors are contract counter-party with over 600 payors and cannot reconcile all of the credit balances with certainty in the current time frame. Accordingly, the Debtors have identified all commercial payors (regardless of current stage of reconciliation) with unknown, unliquidated amounts on Schedule F.

The Debtors have over 7,000 patients who may be owed refunds and an additional 42,000 patients that may have small negative credit balances, which remain unreconciled. Given the time allotted and the volume of credit balances, it has not been possible for the Debtors to reconcile every credit balance and determine if a refund is owed. Accordingly, due to the HIPAA Privacy Rule and state confidentiality requirements, the Debtors have not listed on Schedule F the identity or amounts potentially owed to specific individual patients. Rather, each of the Debtors have scheduled a single line item showing the amount of contingent and/or liquidated refund claims which each Debtor has determined to be potentially owed to all patients protected by applicable regulations. All 49,000 patients will be provided with a proof of claim form which will provide the amount of the refund (if known) potentially owed to the patient.

Insiders

The Debtors have attempted to include all payments made over the 12 months preceding the Commencement Date to any individual or entity deemed an "insider." For these purposes, "insider" is defined as (1) an individual or entity owning 5% or more of the voting or equity securities of a Debtor, (2) Board of Directors, (3) the Chief Executive Officer, (4) the Chief Financial Officer, or (5) an entity related to an insider. The listing of a party as an "insider," however, is not intended to be nor should be construed as a legal characterization of such party as an insider and does not act as an admission of any fact, claim, right, or defense, and all such rights, claims, and defenses are hereby expressly reserved. In addition, certain Debtors have made payments to, charged or incurred charges from various affiliated entities during the twelve months preceding the relevant Commencement Date. These transactions have been reflected in the Schedules and Statements as the net change in beginning and ending intercompany trade payables.

Disputed, Contingent and/or Unliquidated Claims

Schedules D, E and F permit each of the Debtors to designate a claim as disputed, contingent and/or unliquidated. A failure to designate a claim on any of these Schedules as disputed, contingent and/or unliquidated does not constitute an admission that such claim is not subject to objection. The Debtors reserve the right to dispute, or assert offsets or defenses to, any claim reflected on these Schedules as to amount, liability or status.

Indemnification

Article IX of Rotech's Certificate of Incorporation (the "Certificate") provides indemnification, on the particular terms set forth in the Bylaws, for persons made a party or threatened to be made a party to any action, suit or proceeding by reason of the fact that he or she is the legal representative or, is or was a director or officer of Rotech, or is or was serving at the request of Rotech as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust or other enterprise, including service with respect to employee benefit plans maintained or sponsored by Rotech. The Debtors have not reached a determination that certain potentially indemnified persons are ineligible for indemnification under the terms of the Certificate and such persons are therefore listed on Rotech's Schedule F. To the extent that Rotech has entered into separate contracts with certain executives and former executives, agreeing to indemnify them in certain circumstances according to the particular terms and conditions set forth in those contracts, such contracts are listed on Rotech's Schedule G. The Debtors have not reached a determination as to whether the persons who are parties to these contracts are eligible for indemnification. Consequently, the Debtors have separately listed on Schedule G all contracts with such persons, but Debtors reserve all rights with respect thereto, including the right to assert that the individual is not entitled to indemnification and that the provisions do not constitute executory contracts.

GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS

Property Held for Others

The Debtors hold property, including medical equipment, for other people. In the ordinary course of their business, pursuant to contracts with the Department of Veterans Affairs ("VA") and certain commercial payors, certain Debtors store and hold in Debtors' facilities medical equipment and supplies owned by the VA and certain other payors, which is used when Debtors provide contracted services to patients of the VA and certain other payors pursuant to the terms and conditions of contracts with those parties. The inventory of medical equipment and supplies so held on consignment for others has been excluded from the Debtors' responses to Question 14 of the Statement of Financial Affairs.

Payments

The financial affairs and business of the Debtors are complex. Prior to the Commencement Date, the Debtors maintained a cash management and disbursement system in the ordinary course of their businesses (the "Cash Management System"). Disbursements under the Cash Management System are controlled primarily by the Debtors' financial personnel located at the Debtors' headquarters. As a result, certain payments in the Schedules and Statements may have been made prepetition by one legal entity on behalf of another legal entity through the operation of the centrally controlled cash management system. Although efforts have been made to attribute open payable amounts to the correct legal entity, the Debtors reserve the right to modify or amend their Schedules and Statements to attribute such payment to a different legal entity, if appropriate.

Totals

All totals that are included in the Schedules and Statements represent totals of all the known amounts included in the Schedules and Statements. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total. The description of an amount as "unknown" or "undetermined" is not intended to reflect upon the materiality of such amount.
