I. INTRODUCTION

The Plan Proponents submit this Disclosure Statement pursuant to Bankruptcy Code § 1125 in connection with the solicitation of acceptances of the Plan. A copy of the Plan is attached hereto as Exhibit A.

This Disclosure Statement sets forth certain information regarding the prepetition operating and financial history of the Debtors, the events leading up to the commencement of the Chapter 11 Cases, events that have occurred during the Chapter 11 Cases and the anticipated organization, operations and capital structure of the reorganized Debtors on or after the Effective Date (the “**Reorganized Debtors**”) if the Plan is confirmed and becomes effective. This Disclosure Statement also describes terms and provisions of the Plan, including certain effects of Confirmation of the Plan, certain risk factors (including those associated with securities to be issued under the Plan), certain alternatives to the Plan and the manner in which distributions will be made under the Plan. The Confirmation process and the voting procedures that Holders of Claims entitled to vote on the Plan must follow for their votes to be counted are also discussed herein.

The Plan Proponents believe that the Plan is the best means to efficiently and effectively implement the restructuring of the Debtors’ capital structure and provide for their emergence from bankruptcy.

Except as otherwise provided herein, capitalized terms not otherwise defined in this Disclosure Statement have the meanings ascribed to them in the Plan. Except as otherwise stated herein, all dollar amounts provided in this Disclosure Statement and in the Plan are given in United States dollars.

On December [], 2015, the Bankruptcy Court entered an order approving this Disclosure Statement as containing “adequate information,” i.e., information of a kind and in sufficient detail to enable a hypothetical reasonable investor typical of the Holders of Claims or Interests to make an informed judgment about the Plan. See Dkt. No. [].

THE BANKRUPTCY COURT’S APPROVAL OF THIS DISCLOSURE STATEMENT CONSTITUTES NEITHER A GUARANTY OF THE ACCURACY OR COMPLETENESS OF THE INFORMATION CONTAINED HEREIN NOR AN ENDORSEMENT OF THE MERITS OF THE PLAN BY THE BANKRUPTCY COURT.

A. Material Terms of the Plan

As discussed in more detail below, the Plan will allow the Debtors to reorganize Relativity’s non-TV Business units with a substantially de-levered balance sheet utilizing new equity investments and new financing. Relativity’s balance sheet will be de-levered in the approximate amount of \$500 million by paying off or eliminating the Manchester DIP Claims, TLA/TLB Secured Claims, Ultimates Secured Claims, Vine/Verite Secured Claims, and claim under the Manchester Prepetition Credit Facility in exchange for a \$60 million BidCo Note and a \$100 million New P&A/Ultimates Facility.

THE PLAN PROPONENTS BELIEVE THAT THE IMPLEMENTATION OF THE PLAN IS IN THE BEST INTERESTS OF EACH OF THE DEBTORS AND ITS STAKEHOLDERS. FOR ALL OF THE REASONS DESCRIBED IN THIS DISCLOSURE STATEMENT. THE PLAN PROPONENTS URGE YOU TO RETURN YOUR BALLOT ACCEPTING THE PLAN BY THE VOTING DEADLINE, WHICH IS JANUARY [], 2016 AT []:00 P.M. (EASTERN TIME).

B. Parties Entitled to Vote on the Plan

Under the provisions of the Bankruptcy Code, not all parties in interest are entitled to vote on a chapter 11 plan. Creditors or equity interest holders whose claims or interests are not impaired by a plan are deemed to accept the plan under Bankruptcy Code § 1126(f) and are not entitled to vote. In addition, creditors or equity interest holders whose claims or interests are impaired by the plan and will receive no distribution under the plan are also not entitled to vote because they are deemed to have rejected the plan under Bankruptcy Code § 1126(g). For a discussion of these matters, see Section I.B below.

The following table sets forth which Classes are entitled to vote on the Plan and which are not, and sets forth the estimated Allowed amount, the estimated recovery, and the impairment status for each of the separate Classes of Claims and Interests provided for in the Plan:

Class	Designation	Impairment	Estimated Allowed Amount³	Estimated Recovery Rate⁴	Voting Status
A.	Priority Non-Tax Claims	Unimpaired	\$0	100%	Deemed to Accept
B.	TLA/TLB Secured Claims	Impaired	\$236,611,038	100% to BidCo Note Holders and remainder TBD	Entitled to Vote
C.	Pre-Release P&A Secured Claims	Unimpaired	\$88,224,682	100%	Deemed to Accept
D.	Post-Release P&A Secured Claims	Impaired	\$26,818,821	100%	Entitled to Vote
E.	Production Loan Secured Claims	Unimpaired	\$33,848,694	100%	Deemed to Accept
F.	Ultimates Secured Claims	Unimpaired	\$27,789,945	100%	Deemed to Accept
G.	Secured Guilds Claims	Impaired	\$12,071,834	100%	Entitled to Vote
H.	Vine/Verite Secured Claims	Unimpaired	\$69,405,434	100%	Deemed to Accept
I.	Other Secured Claims	Unimpaired	\$0	100%	Deemed to Accept
J.	General Unsecured Claim	Impaired	\$215,329,877	TBD	Entitled to Vote
K.	Subordinated Claims	Impaired	\$0	0%	Deemed to Reject
L.	Interests	Impaired	\$0	0%	Deemed to Reject

Bankruptcy Code § 1126 defines “acceptance” of a plan by a class of claims as acceptance by creditors in that class that hold at least two-thirds in dollar amount and more than one-half in number of the claims actually voted to accept or reject the plan. Your vote on the Plan is important. The Bankruptcy Code requires as a condition to confirmation of a plan of reorganization that each class that is impaired and entitled to vote under a plan votes to accept such plan, unless the plan is being confirmed under the “cramdown” provisions of Bankruptcy Code

³ The Estimated Allowed Amounts are estimates only and actual amounts may be materially greater or less than those set forth herein.

⁴ The Estimated Recovery Rates are estimates only and actual recoveries may be materially greater or less than those set forth herein based on, among other things, Allowed Claims arising from the rejection of Executory Contracts or Unexpired Leases and resolution of disputed or unliquidated Claims. In addition, the Estimated Recovery Rates do not include an estimate of value attributable to the Litigation Trust Assets.

§ 1129(b). Bankruptcy Code § 1129(b) permits confirmation of a plan of reorganization, notwithstanding the nonacceptance of the plan by one or more impaired classes of claims or equity interests, so long as at least one impaired class of claims votes to accept a proposed plan. Under that section, a plan may be confirmed by a bankruptcy court if it does not “discriminate unfairly” and is “fair and equitable” with respect to each non-accepting class.

For a detailed description of the Classes of Claims and Interests and their treatment under the Plan, see Section VI.B.

C. Solicitation Package

The package of materials (the “**Solicitation Package**”) to be sent to Holders of Claims and Interests entitled to vote on the Plan will contain:

D. Voting Procedures, Ballots and Voting Deadline

If you are entitled to vote to accept or reject the Plan, a Ballot(s) has been enclosed in your Solicitation Package for the purpose of voting on the Plan. Each Ballot has been coded to reflect the Class of Claims it represents. Accordingly, in voting to accept or reject the Plan, you must use only the coded Ballot or Ballots sent to you with this Disclosure Statement. If you (1) hold Claims in more than one voting Class or (2) hold multiple Claims within one Class, you may receive more than one Ballot.

After carefully reviewing (1) the Plan, (2) this Disclosure Statement, (3) the Disclosure Statement Order, (4) the Solicitation Order that, among other things, established the voting procedures, scheduled a Confirmation Hearing and set the voting deadline and the deadline for objecting to Confirmation of the Plan, and (5) the detailed instructions accompanying your Ballot, please indicate on your Ballot your vote to accept or reject the Plan.

All Ballots, in order to be counted, must be properly completed in accordance with the voting instructions on the Ballot and actually received by the Voting Agent by the Voting Deadline (i.e., January [___], 2016 at 4:00 p.m. (Eastern Time)). directly to the Plan Proponents, the Creditors' Committee, or their agents (other than the Voting Agent). No Ballots may be submitted by electronic mail or any other means of electronic transmission, and any Ballots submitted by electronic mail or other means of electronic transmission will not be accepted by the Voting Agent.

If a Holder of a Claim delivers to the Voting Agent more than one timely, properly completed Ballot with respect to such Claim prior to the Voting Deadline, the Ballot that will be counted for purposes of determining whether sufficient acceptances required to confirm the Plan have been received will be the timely, properly completed Ballot determined by the Voting Agent to have been received last from such Holder with respect to such Claim.

If you are a Holder of a Claim who is entitled to vote on the Plan as set forth in the Solicitation Order and did not receive a Ballot, received a damaged Ballot or lost your Ballot, or if you have any questions concerning the Disclosure Statement, the Plan, the Ballot or the procedures for voting on the Plan, please contact the Voting Agent (1) by telephone at (212) 771-1128, (2) by email at DRCVote@donlinrecano.com, or (3) in writing at Donlin, Recano & Company, Inc., Re: Relativity Fashion, LLC, et al., Attn: Ballot Processing, P. O. Box 2034, Murray Hill Station, New York, NY 10156-0701.

FOR FURTHER INFORMATION AND INSTRUCTIONS ON VOTING TO ACCEPT OR REJECT THE PLAN, SEE SECTION VII.

Before voting on the Plan, each Holder of a Claim in Classes B, D, G and J should read, in its entirety, this Disclosure Statement, the Plan, the Disclosure Statement Order, the Solicitation Order, the Confirmation Hearing Notice, and the instructions accompanying the Ballots. These documents contain important information concerning how Claims are classified for voting purposes and how votes will be tabulated. Holders of Claims entitled to vote are also encouraged to review the relevant provisions of the Bankruptcy Code and Bankruptcy Rules and/or consult their own attorney.

E. Confirmation Exhibits

The Plan Proponents will separately file copies of all Confirmation Exhibits with the Bankruptcy Court no later than seven (7) days before the Voting Deadline (or such later date as may be approved by the Bankruptcy Court). F. Confirmation Hearing and Deadline for Objections to Confirmation

The Bankruptcy Code requires the Bankruptcy Court, after notice, to hold a hearing on whether the Plan Proponents have fulfilled the confirmation requirements of Bankruptcy Code § 1129. II. OVERVIEW OF THE COMPANY

A. Corporate Structure of the Company

The company operates its businesses through separate but affiliated companies that are generally organized by business lines or units. Relativity Holdings LLC ("**Relativity Holdco**") owns 100% of the equity of Relativity

Media, LLC (“**RML**”) and RML is the direct or indirect owner of the Debtors (the “**Debtor Subsidiaries**”) and the non-Debtor subsidiaries of Relativity Holdco (the “**Non-Debtor Subsidiaries**”) and, together with Relativity Holdco, RML and the Debtors, “**Relativity**”).

B. Business Overview

Relativity is a privately-held entertainment company with an integrated and diversified global media platform that provides, among other things, film and scripted television financing, production and distribution. In addition to its film studio, the Company maintains an integrated suite of complementary and synergistic business units that make up the “360 degree” global media platform. Relativity benefits from the convergence of filmed entertainment with other forms of entertainment and global brands. Specifically, Relativity couples its traditional media and content offerings with a roster of world-class athletes, artists and global consumer brands. By bringing these businesses together, the Company drives value to its films, television shows, brands and managed portfolio of clients through highly unique, integrated promotion opportunities. As of the Petition Date, Relativity had approximately 89 full and part-time employees and 54 independent contractors. In addition, in connection with Relativity’s film and scripted television productions, as of the Petition Date, Relativity employed approximately 760 temporary production personnel that provide Relativity cast and crew services, as well as other production support. As of October 31, 2015 following the sale of the unscripted television business unit described in further detail in Section IV.A below, Relativity has approximately 48 employees.

Relativity’s corporate headquarters are located at 9242 Beverly Blvd., Suite 300, Beverly Hills, California 90210, and Relativity’s primary telephone number is 310-724-7700. Attached hereto as Exhibit C and Exhibit D respectively, are (i) Relativity’s unaudited financial statements for the fiscal year ending December 31, 2014 and (ii) Relativity’s audited financial statement for the fiscal years ending December 31, 2012 and 2013 (collectively, the “**Financial Statements**”).

C. Business Operations

1. Key Business Units

Relativity’s operations are conducted through various subsidiaries and affiliates, which are grouped by business units. Relativity’s key business units include (i) film production and distribution, (ii) scripted television production and distribution, (iii) sports talent management, (iv) marketing/branding, (v) digital media, (vi) music publishing, (vii) education, and (viii) international strategic partnerships. Each business unit is further described below.

a. Relativity’s Film Studio Division

The Relativity film business provides a full-service studio with development, production, financing and distribution capabilities (the “**Film Business**”). Since its inception, the Film Business has distributed, produced or arranged financing for over 200 films that have earned over \$23 billion in worldwide box office receipts, with 78 films generating more than \$100 million in worldwide box office receipts, 49 films opening at number one at the domestic box office and 73 films earning Oscar nominations with 11 wins. Relativity has produced 20 films in-house and 169 through distribution or financing arrangements including 127 as part of major studio co-production and financing arrangements.

As Relativity moved away from its slate co-financing arrangements, it developed capabilities to efficiently source, finance, produce and distribute approximately 15 – 20 films theatrically and up to 30 films on television and digital media per year. Relativity’s business model mitigates the traditional risk of a film studio. Through international output deals and tax credits, Relativity typically limits its at-risk capital to domestic Prints and Advertising (“**P&A**”) costs plus 0-25% of a film’s budget versus 100% for a traditional film studio. Relativity’s distribution agreements include: (i) long-dated output arrangements in numerous foreign territories that often cover the majority of a film’s budget, (ii) pre-sale of distribution rights in the foreign territories not covered by output arrangements typically covers an additional significant portion of a film’s budget, and (iii) guaranteed minimum Pay TV revenues from the Netflix output arrangement and government film production tax incentives that further reduce production costs in some territories.

Relativity's proprietary film selection process is rooted in an analytical methodology which considers both quantitative and qualitative factors. Relativity calculates the estimated range of revenue performance for the film by evaluating historical box office performance, looking at the performance of films with similar genre, budget and talent, assessing the competitive landscape around release dates and analyzing the performance of films released on similar dates in previous years. Each film's production and marketing budgets are developed to ensure a film of first class technical quality can be made within the anticipated "below-the-line" (i.e., non-talent related) costs in the production budget and that the "above-the-line" (i.e., talent) costs and profit participations properly align incentives to maximize film profit. Additionally, Relativity utilizes potential "soft money" benefits frequently and creates the P&A budget to efficiently support the intended marketing and distribution plans. Ultimately, the total estimated cost is then compared against the estimated revenue performance to determine the film's profit potential.

The Film Business consists of (i) an acquisition division that purchases film rights; (ii) a single picture division that oversees production of Relativity's films and a group of Special Purpose Entities ("SPEs") that produce particular Relativity films and retain the rights to said films; and (iii) a marketing and distribution division that arranges the domestic and international distribution of Relativity's films. Relativity arranges for the purchases of rights to movies through SPEs, one for each movie. The SPEs own the rights to the movies, and enter into funding agreements with lenders using the movies as collateral. The SPEs, themselves, do not distribute the movies or otherwise directly pay for movie-related expenses. Rather, they license their rights to the movies to one of Relativity's subsidiaries, RML Distribution Domestic, LLC ("**RML Distribution**"), for purposes of distributing the movies in the United States.

As of October 31, 2015, there are seven (7) films that have completed principal photography. The upcoming film slate with anticipated releases over the next 18 months consists of: *Before I Wake*, *Masterminds*, *Disappointments Room*, *Secret Scripture*, *Shot Caller*, *Solace* and *Kidnap*. In addition, there are over 25 film projects in active development.

For the twelve months ending December 31, 2014, the Relativity Film Business generated approximately \$340.7 million in revenue.

b. *Relativity's Television Studio Division*

The Relativity television business (the "**TV Business**") started as a television production company in 2008 and, as of the Petition Date, included over 29 television series in production across 25 different networks and more than 46 contracted pilots and presentations, including eight upcoming scripted shows. Examples of these series include: *Catfish: The TV Show* (MTV), *The Great Food Truck Race* (Food Network), *Kim of Queens* (Lifetime Network), *Young & Hungry* (ABC Family), and *Limitless* (CBS). Prior to the Petition Date, the TV Business had approximately 24 employees and 510 temporary production personnel. For the twelve months ending December 31, 2014, the Relativity TV Business generated approximately \$96.6 million in revenue.

On October 20, 2015, the sale of the unscripted TV Business to certain of the Debtors' secured lenders closed.

Following the sale of Relativity's unscripted (reality) TV Business, the Company's television strategy is now focused exclusively on developing and providing scripted television shows in partnerships with major networks, cable companies, and online platforms. The scripted content will be based on existing Relativity IP (films, digital content, etc.) and original IP.

Relativity has already demonstrated the capability for feature film IP to be successfully converted into television content:

- *Catfish* (The TV Show): based on a documentary released by Relativity in 2010, now one of the top-rated shows on MTV.
- *Limitless* (The TV Show): based on Relativity's 2011 feature film starring Bradley Cooper which grossed over \$160 million worldwide, now one of the top new primetime shows airing at 10:00 p.m. on Tuesday on CBS (immediately following NCIS).

Starting in 2016, Relativity expects to produce 1-2 major scripted shows per year. In scripted television, the revenue model typically consists of two (2) main components: (i) producer/EP fees (per episode) and (ii) profit participation in the event a show reaches syndication. Syndication upside for popular shows can potentially be worth hundreds of millions of dollars.

c. *Relativity's Music Division*

The Relativity music business (the “**Relativity Music Group**”) was founded in 2009 to provide in-house music supervision and soundtrack services for films produced and/or financed by Relativity. Relativity Music Group also releases soundtracks internationally and provides services for films produced and/or financed by other film studios. Relativity Music Group has released soundtrack albums for some of Hollywood’s biggest films, including: *Bridesmaids*, *Hanna*, *The Adjustment Bureau*, *30 Rock*, *Dear John*, *Love Happens*, *Couples Retreat*, *Zombieland*, *A Single Man*, *MacGruber*, *Repo Men*, *Brothers*, *The Spy Next Door*, *The Perfect Getaway*, *Machine Gun Preacher*, *Like Crazy* and *Immortals*. Relativity Music Group is exclusively distributed by EMI Label Services/Universal.

For the twelve months ending December 31, 2014, the Relativity Music Business generated approximately \$1.5 million in revenue. Relativity Music Group continues to service its agreements and expects to bring in new management on or before the Effective Date.

d. *Relativity Marketing*

Madvine RM, LLC (“**Madvine**”) is Relativity’s branded entertainment and consumer products company. Madvine creates and offers full product and brand integration for companies, major brands and other strategic partners outside of Relativity. Madvine works with both established and emerging brand partners. Madvine’s work for established brands is paid for in cash and its work for emerging brands is compensated through equity participations in the brandholder.

Relativity Digital Studios (“**RDS**”) develops, produces and distributes original content and other promotional material for digital distribution. RDS also develops branded entertainment campaigns that connect brand partners with other Relativity businesses, such as the Music Business. The entities in RDS own and manage websites and website content, and their assets include the intellectual property related to digital shorts and the equipment necessary to produce such content. For the twelve months ending December 31, 2014, RDS generated approximately \$242,000 in revenue.

In 2015, Relativity launched Quantum Distribution Network (“**Quantum**”), a content distribution network consisting of owned and operated and third-party websites, with an emphasis on video content syndication. Quantum is designed to generate incremental sponsorship/media campaign revenue against RML produced content, provide a more efficient and cost effective marketing platform for RML assets and generate additional premium inventory against which RML can sell sponsorships and media campaigns.

e. *Relativity's Fashion Division*

Relativity Fashion (also known by its d/b/a, M3/Relativity), is a New York limited liability company that was organized on October 22, 2013. Relativity Fashion was a consultancy service company that represented fashion designers and provided services to other clients in connection with building and launching their brands and expanding them into various forms of media through involvement with other Relativity entities. Prior to the Petition Date, Relativity Fashion terminated all of its employees and ceased all activities.

f. *Global Distribution Platform*

Relativity has positioned itself at the center of several growth trends in the film industry, particularly in China and India. Sky Land Entertainment (“**Sky Land**”) is a 90%-owned subsidiary of Relativity that provides direct distribution access to the Chinese market for Relativity and other third-party film content. Relativity, through Sky Land, is the only U.S. studio to have a government-issued distribution license in China, the world’s fastest-growing and second largest film market, and de facto guaranteed distribution slots annually supported by Sky

Land's Beijing-based management team. Relativity already has released four films in China: *Immortals*, *Mirror Mirror*, *Freebirds*, and *21 & Over*.

Replicating its strategy in China, Relativity entered into a 50/50 joint venture in India - now the 6th largest film market in the world with over 1 billion people - focusing on theatrical distribution of Relativity and third-party produced films as well as production of U.S. and Bollywood content.

2. *Joint Ventures*

Certain Non-Debtor Subsidiaries that are in the Film Business, the Digital Business, and the Music Business are only partially owned by Relativity (collectively, the "**Joint Ventures**"). Each Joint Venture is discussed below.

a. *RED*

- b. *Relativity EuropaCorp Distribution, LLC ("**RED**") is a domestic distribution and marketing joint venture formed and owned 50-50 by RML and EuropaCorp Films USA, Inc. ("**EuropaCorp**"). RED was created in February 2014 to support each party's domestic distribution for their respective film slates and to provide marketing and distribution services to both entities. Under the terms of the deal, EuropaCorp paid approximately \$70 million for a 50% stake in the joint venture. As of the Petition Date, RED had approximately 56 employees. As of October 31, 2015, RED employed 51 employees.* Relativity Sports

The Relativity Sports Group is comprised of Relativity Sports Management, LLC ("**Sports Management**"), Relativity Sports, LLC, Relativity Sports Enterprises, LLC, and their subsidiaries (collectively, "**Sports Group**"). The Sports Group represents the first major professional sports management agency that operates as part of a global media company with film production and distribution capabilities "under the same roof." As of the date hereof, the Sports Group is one of the largest sports management companies in the United States, representing and managing over 300 professional athletes in Major League Baseball, the National Basketball Association, and the National Football League with greater than \$2.5 billion in contracts.

On July 28, 2015, YC Athletic Holdings, LLC exercised warrants to purchase 50% of the equity in Sports Management. As such, RML now owns 50% of Sports Management. Sports Management, in turn, owns 59.71% of Relativity Sports LLC, with the remaining 40.29% owned by certain individuals and other entities.

Relativity Sports, LLC currently holds warrants to purchase 11.48% of Major League Gaming, Inc ("**MLG**"). In addition, Relativity Media also directly holds warrants to purchase 4.86% of MLG. Major League Gaming is in advanced discussions regarding a sale to a buyer for an amount that the Debtors believe to be in the range of \$200 million.

As of October 31, 2015, the Sports Group had 73 employees, including over 20 agents and representatives across the country. For the twelve months ending December 31, 2014, the Relativity Sports Group generated approximately \$26.9 million in revenue.

c. *Relativity University*

Relativity Education, LLC and its direct and indirect subsidiaries (collectively, "**Relativity University**") is a for-profit accredited branch campus of the Hussian School of Art with 82 students as of November 18, 2015. Relativity University offers an array of film, media, performing arts and graphic arts Bachelor of Fine Arts programs. The programs include curricula developed in collaboration with industry insiders and classes are taught by working professionals operating from an active Hollywood production studio. Relativity owns a minority stake in the Relativity University subsidiaries. Relativity Education, LLC is 36% owned by RML with the remaining 64% owned by a number of third-party and/or affiliate entities outside of Relativity.

D. Relativity Equity Classes

Relativity Holdco's five classes of equity are held by approximately 55 holders. The following is a general description of the five equity classes:

- Class A Units: Relativity Holdco currently has 120.75 million Class A Units outstanding. The Class A Units have voting rights on a 1 vote per unit basis. These units are not subject to any mandatory dividends. One holder of the Class A Units has a put right, and certain other rights, in the event an IPO or other specified liquidity event does not occur prior to November 26, 2018.
- Class B Units: Relativity Holdco currently has 59.95 million Class B Units outstanding. The Class B Units do not have any voting rights, and are held by members of Relativity's management team, either directly or indirectly through a holding company, as well as by members of the Board of Managers and certain consultants to Relativity. The Class B Units are profits interests and only have value to the extent Relativity Holdco's valuation per unit exceeds the applicable threshold amount.
- Class C Preferred Equity: Relativity Holdco currently has 3.4704 Class C Units outstanding. The Class C Units do not have any voting rights and are held by Dune Capital Partners IV LLC. The Class C Units accrue dividends at 12.5% paid in kind ("PIK"), must be exchanged into Class E Units or debt no later than December 31, 2015, and are otherwise non-convertible.⁵
- Class D Units: Relativity Holdco currently has 1.36 million Class D Units outstanding. The Class D Units do not have any voting rights, and are held by Tom Forman. The Class D Units permit Mr. Forman to cause Relativity Holdco, under certain circumstances, to repurchase all or any portion of the Class D Units held by Mr. Forman in approximately 3.5 years for either \$6.25 per Class D Unit in a lump sum or \$12.50 per Class D Unit paid over time (at Relativity Holdco's election).
- Class E Units: Relativity Holdco currently has 11.7 million Class E Units outstanding. The Class E Units have voting rights on a 2 vote per unit basis and accrue dividends at 12.5% PIK. The Class E Units are convertible into Class A Units at the option of the holders thereof and, in certain circumstances, on a mandatory basis.

E. Corporate History

Relativity was founded in 2004 by its current Chairman and CEO, Ryan Kavanaugh ("**Kavanaugh**"), as a film slate co-financier partnering with major studios such as Sony and Universal. Between 2005 and 2010, a NYC-based hedge fund (the "**Hedge Fund**") made a significant investment in Relativity, investing over \$1.3 billion in equity and debt primarily through slate co-financing activities.

In 2010, Relativity acquired Overture Films' marketing and distribution operations and began to transform its business into a full-service Hollywood studio. Since 2010, Relativity has distributed, produced, or arranged financing for more than 200 feature films, including pictures such as *The Fighter*, *Limitless*, *Immortals*, *Safe Haven* and *Act of Valor*, and generated more than \$23 billion in box-office revenues and earned 73 Oscar nominations. In 2011, Yucaipa purchased a significant equity stake in Relativity.

Relativity is now one of the largest privately-held Hollywood movie studios with a fully integrated and diversified global media platform spanning major studio level film and scripted television production and distribution, professional sports talent management, branding, digital media, music publishing, education and gaming.

⁵ Historically, the Debtors have treated the Class C Preferred Equity as debt for both financial reporting and income tax purposes, and there is a contractual obligation to a holder of the Class C Preferred Equity to continue treating the units as indebtedness for income tax purposes. The cumulative preference per Class C Unit through May 30, 2015 is \$871,301.83 and the total Class C Unit preference is \$8,251,576.87.

In 2012, the Hedge Fund forced a buyout of its interest in Relativity. To satisfy this, Relativity borrowed \$360 million in debt, and sold its then-existing film library to the Hedge Fund (~30+ titles) leaving Relativity in an over-leveraged, under-capitalized position.

F. Prepetition Capital Structure

The following is a summary of Relativity’s prepetition secured indebtedness (all terms as defined below). Each debt is further described below.

Cortland TLA/TLB Facility (corporate level debt)	\$361,611,038 plus accrued interest
Manchester Credit Facility (corporate level debt)	\$137,078,557 plus accrued interest
P&A Facility (SPV debt)	\$115,043,503 plus accrued interest
Production Loans (SPV debt)	\$33,848,694 plus accrued interest
Ultimates Facility (SPV debt)	\$27,789,945 plus accrued interest

1. *Cortland Term Loan A and Term Loan B Financing Facility*

On May 30, 2012, RML and certain of its subsidiaries⁶ (the “**Cortland Borrowers**”) entered into a Financing Agreement with a variety of lenders that are parties to the agreement (the “**Cortland Lenders**”), including Cortland Capital Market Services LLC (“**Cortland**”), as collateral and administrative agent, and CBA Agency Services, LLC, as origination agent. The financing extended under this facility was divided into two tranches: (i) a tranche A term loan in the aggregate principal amount of \$125,000,000 (the “**Cortland Term Loan A**”) and (ii) a tranche B term loan in the aggregate initial principal amount of \$125,000,000 (the “**Cortland Term Loan B**”), and together with the Cortland Term A Loan, the “**Cortland TLA/TLB Facility**”). Prior to an event of default, the Cortland Term Loan A bore interest at 10% per annum, payable quarterly in cash, while the Cortland Term Loan B bore PIK interest at 15% per annum. Following an event of default, the Cortland Term Loan A bears interest at 12% per annum, payable quarterly in cash, while the Cortland Term Loan B bears PIK interest at 17% per annum. The Cortland TLA/TLB Facility is secured by substantially all of the assets of the Cortland Borrowers. Pursuant to the Cortland TLA/TLB Facility, Relativity Holdco (together with the Cortland Borrowers, the “**Cortland Obligor**”) guaranteed the obligations of the Cortland Borrowers and pledged 100% of its equity interest in RML.

Pursuant to the Cortland TLA/TLB Facility, prior to the occurrence of an event of default, payments of principal are distributed ratably to all of the Cortland Lenders. Upon the occurrence and during the continuance of an event of default, Cortland may (and at the direction of certain of the Cortland Lenders shall) apply the proceeds of the collateral in an order that repays interest and principal on the Cortland Term Loan A in full before repaying any of the interest or principal on the Cortland Term Loan B. The Cortland TLA/TLB Facility matured on June 1, 2015 and was extended by forbearance to July 27, 2015. As of the Petition Date, approximately \$145,834,693 was outstanding under the Cortland Term Loan A and approximately \$215,776,345 was outstanding under the Cortland Term Loan B, for a total of approximately \$361,611,038 plus accrued interest outstanding under the Cortland TLA/TLB Facility. As more fully described in the section below regarding the events that have led to the filing of the Chapter 11 Petitions, the lenders in the Cortland Term Loan A (the “**TLA Lenders**”) have traded their debt to the lenders in the Cortland Term Loan B (the “**TLB Lenders**”).

2. *Manchester Credit Facility*

On May 30, 2012, RML and each of the Cortland Borrowers (the “**Manchester Borrowers**”) entered into an additional credit facility with Manchester Securities Corporation (“**Manchester**”) under the Second Amended and Restated Credit Agreement, as amended by Amendment No. 1 thereto, dated September 30, 2014 (collectively with all the related loan and other documents identified therein, the “**Manchester Credit Facility**”). The obligations under the Manchester Credit Facility bear PIK interest at 7.5% per annum and mature on May 30, 2016. Any event of default under the Cortland TLA/TLB Facility constitutes an event of default under the

⁶ The three (3) Debtors that are not Cortland Borrowers are J&J Project, LLC, Yuma, Inc. and Relativity Fashion.

Manchester Credit Facility. The Manchester Credit Facility is subordinate to the Cortland TLA/TLB Facility and is secured by substantially all of the assets of the Manchester Borrowers (the same collateral securing the repayment of the Cortland TLA/TLB Facility). Relativity Holdco (together with the Manchester Borrowers, the “**Manchester Obligors**”) guaranteed the obligations of the Manchester Borrowers under the Manchester Credit Facility.

3. *Production Loans*

Relativity finances the production of its films through a combination of equity (i.e., RML contributing funds to the production entity as equity) and individual production loans (the “**Production Loans**”) that are secured by the respective films and their related assets, including tax credits, rebates, international sales estimates and international receivables. As of the Petition Date, the following Production Loans were outstanding:

- On August 5, 2014, Armored Car Productions, LLC, as borrower, entered into an Amended and Restated Loan and Security Agreement with CIT Bank, N.A., f/k/a CIT Bank, N.A., f/k/a OneWest Bank, N.A., as agent, and Surefire Entertainment Capital, LLC, as lender (the “**A&R Armored Car LSA**”), for loans up to \$24,090,353 (inclusive of fees and the Interest and Fee Reserve (as defined in the A&R Armored Car LSA)) for the purpose of acquiring, producing, completing and delivering a motion picture not yet released, and the payment of related financing costs (the “**Armored Car Loan**”).⁷ A portion of the Armored Car Loan was syndicated to City National Bank. The Armored Car Loan matures on May 31, 2016, bears interest at a rate of the Prime Rate plus 3.875% or LIBOR plus 5.875%, and is secured by substantially all of the assets of the SPE. As of October 4, 2015, approximately \$21,586,243⁸ was outstanding under the Armored Car Loan.
- On September 5, 2014, DR Productions, LLC, as borrower, entered into a Loan and Security Agreement with CIT Bank, N.A., f/k/a CIT Bank, N.A., f/k/a OneWest Bank, N.A., as agent and lender (the “**DR LSA**”), for loans up to \$14,688,456 (inclusive of fees and the Interest and Fee Reserve (as defined in the DR LSA)) for the purpose of acquiring, producing, completing and delivering a motion picture not yet released, and the payment of related financing costs (the “**DR Loan**”). The DR Loan matures on July 29, 2016, bears interest at a rate of the Prime Rate plus 1.00% or LIBOR plus 3.00%, and is secured by substantially all of the assets of the SPE. As of October 4, 2015, approximately \$12,272,477⁹ was outstanding under the DR Loan.

In addition, in connection with the production of the films *3:10 to Yuma* and *The Forbidden Kingdom*, Yuma, Inc. and J & J Project, LLC (the “**Vine/Verite Borrowers**”) entered into certain loan and security agreements with Verite Capital Onshore Loan Fund LLC, which were subsequently transferred Vine Film Finance Fund II LP (collectively, the “**Vine/Verite Loans**”). Each of the Vine/Verite Loans bear interest at LIBOR plus 5.00%, are collateralized by the assets of the respective films and are otherwise non-recourse to the Vine/Verite Borrowers. The Vine/Verite Loans have matured and are in default. As of the Petition Date, \$69,405,434 (\$36,912,271 outstanding with Yuma, Inc. and \$32,493,163 outstanding with J&J Project, LLC) was outstanding under the Vine/Verite Loans.

4. *The P&A Facility*

As film production finishes and the film moves into post-production, editing occurs, special effects and music are added, trailers are created, the release of the film is advertised, and then the film prepares for distribution. Relativity has historically financed its operations with lending facilities called “P&A facilities” for print and advertising marketing.

⁷ The A&R Armored Car LSA amends and restates in its entirety that certain Loan and Security Agreement, dated as of July 9, 2014, by and among the Borrower, the Agent and CIT Bank, N.A., f/k/a CIT Bank, N.A., f/k/a OneWest Bank, N.A.

⁸ CIT asserts a different amount outstanding as of the date shown, and the amount is also subject to reconciliation for other obligations under the LSA including, without limitation, attorneys’ fees.

⁹ CIT asserts a different amount outstanding as of the date shown, and the amount is also subject to reconciliation for other obligations under the LSA including, without limitation, attorneys’ fees.

The current P&A facility is the Second Amended and Restated Funding Agreement entered into by certain of RML's subsidiaries (the "**P&A Borrowers**"),¹⁰ together with RML Distribution and RMLDD Financing, LLC, as accommodation pledgors, on June 30, 2014 and amended on August 26, 2014, with Macquarie US Trading LLC ("Macquarie"), as agent for the lenders, Macquarie Bank Limited, as post-release lender and RKA Film Financing, LLC ("**RKA**"), as pre-release lender and pre-release lender agent (collectively, the "**P&A Lenders**")¹¹ (collectively with all the related loan and other documents identified therein, the "**P&A Funding Agreement**"). The loans under the P&A Funding Agreement are divided into two types: (i) specific loans made in connection with an individual film prior to its theatrical release that bear interest at 5.5% per annum for the first 12 months and 11.5% thereafter (the "**Pre-Release P&A Loans**") and (ii) specific loans made in connection with an individual film in the opening weekend or calendar week following the theatrical release of a film that bear interest at 6.9% per annum for the first 12 months and 9.9% per annum thereafter (the "**Post-Release P&A Loans**" and together with the Pre-Release P&A Loans, the "**P&A Facility**"). In addition, each loan under the P&A Facility is subject to an original issue discount of 6.5% for the Pre-Release P&A Loans and 3% for Post-Release P&A Loans. To secure their obligations under the P&A Facility, the P&A Borrowers granted liens and security interests to the P&A Lenders in certain collateral which generally consists of the proceeds from domestic distribution agreements for the films financed under the P&A Facility and the intellectual property, picture rights and receipts related to such films.

The Pre-Release P&A Loans mature the earlier of December 31, 2015 or 18 months after each loans respective funding date. Each Post-Release P&A Loan matures 18 months after its respective funding date. The P&A Facility is secured by the assets of the film-specific SPEs, including the proceeds from domestic distribution agreements for the films financed under the P&A Facility, the intellectual property, picture rights and the receipts from such films, but it is not cross collateralized. RML Distribution and RMLDD Financing guaranteed the obligations of the P&A Borrowers under the P&A Facility. RKA has lent Relativity approximately \$115 million for seven films that have been produced and released, and been repaid in full. As of October 31, 2015, approximately \$88,224,682 was outstanding under the Pre-Release P&A Loans and \$26,818,821 was outstanding under the Post-Release P&A Loans.

5. *The Ultimates Facility*

Following a film's theatrical release, the value of the future cash flows for the film in all media (e.g., theatrical, DVD, digital and television), (the "**Ultimates**") serves as collateral for a loan facility to fund the studio's operations.

On September 25, 2012, RMLDD Financing entered into a Credit, Security, Guaranty and Pledge Agreement with CIT Bank, N.A., f/k/a CIT Bank, N.A., f/k/a OneWest Bank, N.A., as administrative agent, issuing bank, joint lead arranger and joint bookrunner (as such terms are defined therein), as amended from time to time, by those certain and various amendments thereto, including and through Amendment No. 17, dated April 29, 2015 (collectively with all the related loan and other documents identified therein, the "**Ultimates Credit Agreement**"). Following the closing date of September 25, 2012, the Ultimates facility was syndicated to Barclays Bank PLC, City National Bank, Comerica Bank, First Republic Bank, Bank Hapoalim B.M. and Wilshire Bank (collectively, with CIT Bank, N.A., the "**Ultimates Lenders**"). The Ultimates Credit Agreement provides RMLDD Financing with a senior secured revolving credit facility for up to \$202.5 million (the "**Ultimates Facility**"). As of July 9, 2015, the Ultimates Lenders terminated their commitments, terminated the revolver and converted the agreement into a term loan. Pursuant to the Ultimates Credit Agreement, the obligations under the Ultimates Facility incur interest at LIBOR plus 3.75% with a LIBOR floor of 0.50% or the Alternate Base Rate (as defined in the Ultimates Credit Agreement) plus 2.75%, as well as commitment, unused and collateral and administrative fees, which are calculated and payable quarterly. Since May 30, 2015, the Ultimates Facility has been accruing interest at the default rate

¹⁰ The P&A Borrowers are: Best of Me Productions, LLC; Blackbird Productions, LLC; RML Lazarus Films, LLC; RML WIB Films, LLC; DR Productions, LLC; Armored Car Productions, LLC; RML Solace Films, LLC; and RML Somnia Films, LLC.

¹¹ Claren Road Credit Master Fund Ltd., an original lender under the P&A Funding Agreement, is no longer a party thereto.

(currently 9.00%). The obligations of RMLDD Financing under the Ultimates Facility are guaranteed by certain of the Debtors (the “**Ultimates Guarantors**”).¹²

The Ultimates Facility originally was scheduled to mature on September 30, 2016 but, due to defaults under other cross-defaulted agreements, the maturity date was accelerated to May 30, 2015. The Ultimates Facility is secured by the right, title and interest in all personal property and tangible and intangible property of RMLDD Financing and the Ultimates Guarantors. This covers all currently owned property, property that is later created or acquired and included all goods, accounts, instruments, intercompany obligations, contract rights, partnership and joint venture interests, documents, chattel paper, general intangibles, goodwill, equipment, machinery, inventory, investment property, copyrights, trademarks, trade names and insurance policies.

Beginning in April of 2015, funds that would otherwise be available to be transferred to the cash collateral account and subsequently transferred to the Debtors’ operating accounts to be used for working capital, were swept by the Ultimates Lenders. The sweeps continued through July of 2015, and in aggregate totaled approximately \$32,541,661.20. In addition, on July 17, 2015, the Ultimates Lenders swept an additional \$17,881,299.24 on deposit in the participations and residuals account, a bank account at OneWest in RMLDD Financing’s name that is used to pay participations and residuals to the producers, performers, writers and other individuals or entities entitled to compensation for the exhibition of the content developed, produced, and/or distributed by the Debtors and the Non-Debtor Subsidiaries. The swept funds were applied to the outstanding balance of the Ultimates Facility. As a result of these principal balance application and reductions, among others, as of the Petition Date, approximately \$27,789,945 plus accrued interest was outstanding under the Ultimates Facility. As of October 31, 2015, the outstanding amounts under the Ultimates Facility was \$27,789,945 plus accrued interest of \$919,707.00. Per diem interest is accruing interest at a daily rate of \$6,852.32.

As of November 18, 2015, the Debtors have over \$47.0 million in various accounts at CIT.

6. *Unsecured Trade Debt*

The Debtors’ unsecured trade creditors include vendors providing services to Relativity for print and advertising services, production-related services and products and other services necessary to run a business on a day-to-day basis. According to Relativity’s books and records, as of the Petition Date, there is approximately \$78.0 million in unsecured trade vendor debt.

7. *Unsecured RED Loan*

As part of the formation of RED, RED made an unsecured loan to RML (the “**RED Loan**”), which RML repays through amortization payments equal to 50% of the quarterly overhead of RED. If RML fails to make the amortization payments, it becomes obligated to make capital contributions in an amount equal to the corresponding amortization payment. However, as the sole holder of Class B membership interests in RED, RML is also the sole beneficiary of the amounts repaid with respect to the loan and has the unilateral right to forgive the balance of the loan at any time. As of the Petition Date, \$70,550,262 was outstanding under the RED Loan. As of October 31, 2015, the outstanding amount under the RED Loan is \$71,235,773. RML plans to cause the loan to be forgiven on the Effective Date.

¹² The Ultimates Guarantors are: RML Distribution Domestic, LLC; RML Distribution International, LLC; RML Acquisition I, LLC; RML Acquisition II, LLC; RML Acquisition III, LLC; RML Acquisition IV, LLC; RML Acquisition V, LLC; RML Acquisition VI, LLC; RML Acquisition IX, LLC; RML Acquisition XI, LLC; Movie Productions, LLC; Safe Haven Productions, LLC; 21 and Over Productions, LLC; Mala Vita Productions, LLC; Don Jon Acquisitions, LLC; Paranoia Acquisitions, LLC; RML Turkey Films, LLC; Furnace Films, LLC; 3 Days to Kill Productions, LLC; RML Oculus Films, LLC; Brick Mansions Acquisitions, LLC; RML November Films, LLC; RML Echo Films, LLC; RML Hector Films, LLC; Best of Me Productions, LLC; RML Solace Films, LLC; Blackbird Productions, LLC; RML Lazarus Films, LLC; RML WIB Films, LLC; and Black or White Films, LLC.

G. Events Leading to Chapter 11 Cases

Prior to the maturity date of the Cortland TLA/TLB Facility, Relativity sought to raise additional funds for its operations and to service existing debt. On or about May 11, 2015, these efforts resulted in the issuance of 5,000,000 Class E Units in Relativity Holdco to entities affiliated with an individual investor and VII Peaks in exchange for \$62,500,000 gross cash proceeds. Simultaneously with the issuance of such equity interests, and at various times subsequent thereto, holders of the aggregate amount of 96.5296 Class C Units exchanged such Class C Units for an aggregate of 6,695,648 Class E Units pursuant to exchange agreements entered into concurrently with the Class E Unit issuance on May 11, 2015. In addition, Relativity had lined up in excess of \$400 million in a combination of debt and equity commitments to refinance or pay off the Cortland TLA/TLB Facility prior to its maturity date. However, unbeknownst to Relativity, certain insiders and fiduciaries of the Company thwarted Relativity's debt and equity raise in breach of their fiduciary duties and in interference with Relativity's refinancing process.

Specifically, Colbeck Capital Management ("**Colbeck**"), while acting in multiple capacities including while having representation on Relativity Holdings's Board of Managers, while being paid as consultants to Relativity, and while acting as agent for the TLA/TLB facility with significant management and financial oversight powers and duties, breached their fiduciary duties and other obligations and agreements, through a clandestine plan designed to effectuate a change in control of Relativity for their benefit and to the detriment of the company and its other stakeholders. With full knowledge of Relativity's debt and equity financing efforts, Colbeck intentionally diverted sources of equity and debt financing away from the company's efforts and instead sought to have such sources committed to their clandestine plan. Colbeck recruited Relativity's then CFO Andrew Matthews and then President of Production Matthew Alvarez to join meetings with investors to further promulgate the false perception that Relativity, its Chairman and CEO, and the Board were aware of and supportive of the Colbeck plan. Relativity believes that Colbeck represented to third parties that its efforts were Board authorized and approved, when they were not. As a result of the actions of Colbeck and its co-conspirators, Relativity was unable to conclude its debt and equity refinance efforts and on the maturity date of the Cortland TLA/TLB Facility, over \$360 million in debt became due and payable as of the Petition Date and Relativity was unable to make payment on the Cortland TLA/TLB Facility.

On June 1, 2015, Relativity entered into a forbearance agreement with a majority of TLA Lenders and a majority of TLB Lenders (the "**TLA/TLB Forbearance Agreement**"). On the same day, Relativity executed a forbearance agreement with the Ultimates Lenders under the Ultimates Facility (the "**Ultimates Forbearance Agreement**"), and thereafter, on June 5, 2015, Relativity entered into a forbearance agreement with the P&A Lenders under the P&A Facility (the "**P&A Forbearance Agreement**," and collectively with the TLA/TLB Forbearance Agreement and the Ultimates Forbearance Agreement, the "**Forbearance Agreements**"). On June 25, 2015, the Forbearance Agreements expired in accordance with their terms.

In early July 2015, Catalyst Capital Group, a Toronto-based hedge fund ("**Catalyst**") purchased the outstanding Cortland Term Loan A debt and became the sole lender under the Cortland Term Loan A. Anchorage Capital Master Offshore, Ltd. and Luxor Capital LLC, as lenders under the Cortland Term Loan B (the "**Purchasing TLB Lenders**"), promptly provided notice of their intent to exercise their right under Section 10.17 of the Cortland TLA/TLB Financing Agreement to purchase the outstanding debt under the Cortland Term Loan A. On July 9, 2015, the Purchasing TLB Lenders, along with Catalyst (also a lender under the Cortland Term Loan B) purchased all of the Cortland Term Loan A debt.

On July 16, 2015, the Cortland Borrowers and the Cortland Lenders entered into Amendment No. 1 to the Cortland TLA/TLB Financing Agreement, pursuant to which certain of the Cortland Lenders funded \$15 million of additional Term Loans ("**Term A-1 Loans**") of which \$7.5 million was funded on July 16, 2015 and \$7.5 million was funded on July 20, 2015. The Term A-1 Loans had a maturity date of July 27, 2015 and interest was payable in cash at a rate of 15% per annum. On July 27, 2015, the Term A-1 Loans matured.

Beginning in April of 2015, funds that would otherwise be available to be transferred to the cash collateral account and subsequently transferred to the Debtors' operating accounts to be used for working capital, were swept by the Ultimates Lenders. The sweeps continued through July of 2015, and in aggregate totaled approximately \$32,541,661.20. On July 17, 2015, the Ultimates Lenders swept an additional \$17,881,299.24 on deposit in the

participations and residuals account, a bank account at OneWest in RMLDD Financing's name that is used to pay participations and residuals to the producers, performers, writers and other individuals or entities entitled to compensation for the exhibition of the content developed, produced, and/or distributed by the Debtors and the Non-Debtor Subsidiaries. The swept funds were applied to the outstanding balance of the Ultimates Facility.

Relativity experienced severe liquidity constraints and increasing limitations imposed by the Forbearance Agreements and the new debt issuances. With over \$350 million in outstanding matured secured debt and unable to finalize any further financing due to a variety of factors, Relativity determined it was in its best interest to file for bankruptcy protection.

III. THE CHAPTER 11 CASES

A. Voluntary Petitions

On July 30, 2015, the Debtors commenced these Chapter 11 Cases by filing voluntary petitions for relief under chapter 11 of the Bankruptcy Code. Pursuant to the bankruptcy court's order on July 31, 2015, the Debtors' Chapter 11 Cases have been consolidated for procedural purposes only and are being administered jointly.

The Debtors have continued, and will continue until the Effective Date, to manage their properties as debtors-in-possession, subject to the supervision of the Bankruptcy Court and in accordance with the provisions of the Bankruptcy Code. An immediate effect of the filing of the Chapter 11 Cases was the imposition of the automatic stay pursuant to Bankruptcy Code § 362, which, with limited exceptions, enjoined the commencement or continuation of all collection efforts by creditors, enforcement of liens against any assets of the Debtors and litigation against the Debtors.

B. First and Second Day Motions

On the Petition Date, the Debtors filed a number of motions and other pleadings (the "**First Day Motions**"). The First Day Motions were proposed to ensure the Debtors' orderly transition into the chapter 11 proceedings. The court granted the following First Day Motions with certain adjustments or modifications to accommodate the concerns of the Bankruptcy Court, the United States Trustee for the Southern District of New York (the "**U.S. Trustee**") and other parties in interest:

- orders relating to case administration, joint administration and the use of Donlin Recano as the Debtors' Notice and Claims Agent (Dkt. Nos. 36, 185, 79);
- order approving the Debtors' ability to continue prepetition insurance coverage and pay related prepetition obligations (Dkt. Nos. 70, 340);
- order approving the Debtors' ability to pay and continue using prepetition critical vendors and utility services providers (Dkt. Nos. 334, 336);
- order approving the payment of certain employee wages and benefits (Dkt. Nos. 49, 341);
- order approving the Debtors' ability to make certain prepetition residuals and participations payments incurred in the ordinary course of business (Dkt. Nos. 72, 357);
- order approving the Debtors' ability to honor prize obligations under existing production agreements (Dkt. Nos. 50, 338);
- order approving the continued use of the Debtors' existing cash management system (Dkt. No. 51);
and
- order approving the Debtors' ability to obtain postpetition financing and use cash collateral (Dkt. Nos. 48, 342) (the "**Final DIP Order**"). Pursuant to the Final DIP Order, the Court authorized the Debtors to obtain \$49,500,000 in postpetition debtor-in-possession financing (the "**Original DIP Facility**").

C. Retention of the Debtors' Advisors

Soon after the commencement of the Chapter 11 Cases, the Debtors obtained Bankruptcy Court approval to retain (a) Jones Day and Sheppard Mullin Richter & Hampton LLP as co-counsel (Dkt. Nos. 473, 479), (b) FTI Consulting, Inc. as crisis and turnaround manager (Dkt. No. 669), (c) Blackstone Advisory Partners L.P. (n/k/a PJT Partners) as financial advisor (Dkt. No. 550), (d) Kasowitz, Benson, Torres & Friedman LLP as special litigation and conflicts counsel (Dkt. No. 477), and (e) Holthouse Carlin & Van Trigt LLP and McGladrey LLP as tax advisors (Dkt. Nos. 551, 847).

The applications to retain these firms were granted with certain adjustments or modifications to accommodate the concerns of the Bankruptcy Court, the U.S. Trustee, the Creditors' Committee and other parties in interest. In connection with these applications, the Debtors sought and obtained (Dkt. No. 905) approval to establish procedures for interim monthly compensation of professionals. The Debtors also sought and obtained (Dkt. No. 673) approval to employ certain professionals not involved in the administration of the Chapter 11 Cases in the ordinary course of business.

D. The Creditors' Committee

On August 7, 2015, the U.S. Trustee appointed the Creditors' Committee in these Chapter 11 Cases pursuant to Bankruptcy Code § 1102 (Dkt. No. 114).

The Creditors' Committee consists of the following seven members: (1) Carat USA, Inc.; (2) NBC Universal; (3) Cinedigm Corp.; (4) Technicolor, Inc.; (5) Allied Advertising Limited Partnership; (6) Comen VFX LLC; (7) Create Advertising Group, LLC. The Creditors' Committee obtained Bankruptcy Court approval to retain Togut, Segal & Segal LLP as counsel (Dkt. No. 676) and Alvarez & Marsal North America, LLC as financial advisor (Dkt. No. 969).

Since its appointment, the Creditors' Committee has been actively involved with the Debtors in overseeing the administration of the Chapter 11 Cases as a fiduciary for all of the Debtors' unsecured creditors and has consulted with the Debtors on various matters relevant to the Chapter 11 Cases. The Debtors have also discussed their business operations with the Creditors' Committee and their advisors and have negotiated with the Creditors' Committee regarding actions and transactions outside of the ordinary course of business. The Creditors' Committee has participated actively in reviewing the Debtors' business operations, operating performance and business plan.

During the course of the Chapter 11 Cases, the Creditors' Committee has negotiated and secured a transfer of \$2 million previously allocated in the Debtors' DIP Budget into a segregated account to be maintained by counsel for the Creditors' Committee, with the understanding that such funds ultimately may be used for the investigation, prosecution and/ or settlement of any Retained Claims¹³ not otherwise released pursuant to a plan of reorganization or order of the Bankruptcy Court. See Dkt. No. 768, ¶ 15. Additionally, the Creditors' Committee settled its challenge rights with respect to the Cortland Obligations by agreement, resulting in a \$10 million reduction in the amount of the principal amount of the Cortland Term Loan B. Finally, as part of the new DIP Facility (the "**New DIP Facility**"), the Creditors' Committee negotiated a period of 45 days from closing of the New DIP Facility and the right to use \$275,000 of cash collateral to investigate the claims of and potential claims against Manchester and its affiliates; *provided* that the obligations owing to Manchester in connection with the New DIP Facility shall not be subject to offset, setoff, defense or counterclaim in any way.

E. Further Motions in the Chapter 11 Cases

Since the Petition Date, the Debtors have sought and obtained approval for a number of additional motions to aid in the efficient administration of the Chapter 11 Cases. The most significant additional motions are described below.

¹³ "Retained Claims" are any and all actual or potential claims and causes of action in favor of the Debtors and their estates against any and all third parties, including actions arising under Chapter 5 of the Bankruptcy Code and applicable non-bankruptcy law, tort claims, and director and officer claims.

1. *The Sale Motion (Dkt. No. 25)*

On July 30, 2015, the Debtors filed the *Debtors' Motion For (I) An Order (A) Establishing Bid Procedures For the Sale of Substantially All of the Debtors' Assets, (B) Approving Stalking Horse APA and Bidding Protections, and (C) Granting Certain Related Relief and (II) An Order (A) Approving the Sale of Substantially All of the Debtors' Assets Free and Clear of Liens, Claims, Encumbrances and Other Interests, (B) Approving the Assumption and Assignment of Certain Executory Contracts and Unexpired Leases Related Thereto, and (C) Granting Certain Related Relief* (Dkt. No. 25) (the "**Sale Motion**"). The Stalking Horse APA contemplated a sale of substantially all of the Debtors' assets and an assumption and assignment of executory contracts associated with such assets for a credit bid of \$250 million and certain other consideration. Accordingly, on September 3, 4, and 5 2015, in furtherance of the Sale Motion, the Debtors served the *Notice of (I) Proposed Assumption and Assignment of Executory Contracts and Unexpired Leases in Connection with the Sale and (II) Associated Cure Costs* (the "**Notice of Assignment and Cure**") on all of the parties entitled to notice. The Debtors filed supplemental Notices of Assignment and Cure on September 16, 2015 and September 28, 2015. The Buyer provided its adequate assurance package on September 3, 2015 at <https://www.donlinrecano.com/Clients/rm/Static/adequateassurance> and provided objecting parties an updated adequate assurance package on October 8 and October 9, 2015.

The Debtors received no bids for substantially all of the assets of either the TV Business, or the Film Business. Instead the Debtors received multiple purchase agreements for certain assets. Prior to the Debtors' auction (the "**Auction**"), the Buyer amended the Stalking Horse APA to acquire only the Television Business and not the previously contemplated film, sports or music businesses. On October 2, 2015, the Debtors filed a *Notice of Successful Bidder for Sale of Substantially All of the Debtors' Television Assets and Proposed Form of Sale Order* (Dkt. No. 732), and on October 5, 2015, the Debtors filed a *Notice of Filing Third Amended & Restated Asset Purchase Agreement and Redline* (Dkt. No. 740), which was revised on October 6, 2015 (Dkt. No. 763) (as revised, the "**October APA**").

On October 6, 2015, the court entered the *Order (A) Approving the Sale of Substantially All of the Debtors' Television Assets Free and Clear of Liens, Claims, Encumbrances, and Interests, (B) Approving the Assumption and Assignment of Certain Executory Contracts and Unexpired Leases, and (C) Granting Related Relief* (Dkt. No. 768) (the "**Sale Order**") approving the sale to the Buyer pursuant to the terms of the October APA.

On October 16 and 20, 2015, the court entered the *First Omnibus Order Supplementing Order (A) Approving the Sale of Substantially All of the Debtors' Television Assets Free and Clear of Liens, Claims, Encumbrances, and Interests, (B) Approving the Assumption and Assignment of Certain Executory Contracts and Unexpired Leases, and (C) Granting Related Relief* and the *Second Omnibus Order Supplementing Order (A) Approving the Sale of Substantially All of the Debtors' Television Assets Free and Clear of Liens, Claims, Encumbrances, and Interests, (B) Approving the Assumption and Assignment of Certain Executory Contracts and Unexpired Leases, and (C) Granting Related Relief* (Dkt. Nos. 852, 876), which, among other things, resolved the continued objections concerning the Television Business.

On October 20, 2015, the transaction concerning the Television Business closed and, on October 23, 2015, the Debtors filed a *Notice of Filing of List of Contracts Assumed by Debtors and Assigned to Buyer Entities Pursuant to the Third Amended and Restated Asset Purchase Agreement* (Dkt. No. 912), which the Debtors intend to revise shortly to correct certain inaccuracies.

2. *The KEIP and KERP Motions (Dkt. Nos. 281, 282)*

a. *KEIP*

On August 24, 2015, the Debtors sought approval of their Key Employee Incentive Plan (the "**KEIP**") for five (5) of the Debtors' senior management employees (the "**Senior Management Employees**") who, prepetition, took aggregate salary reductions of \$795,000 at a cost of \$314,868 excluding employer contribution taxes. The Senior Management Employees were vital in preparing the company for the sale process, engaging with potentially interested parties and interacting with the Debtors' advisors assisting in the sale process.

On September 29, 2015, the court approved (Dkt. No. 683) the Debtors' KEIP in a modified form as follows. The maximum potential cost of the KEIP is \$1,235,122. The KEIP had two segments: (1) the sale metrics

segment, which has a total maximum potential cost of \$580,122 and (2) the television metrics segment, which has a total maximum potential cost of \$655,000. The sale metrics segment of the KEIP was unearned as it was preconditioned on funding if the bidding on the Debtors' assets increased by at least \$1 million dollars over the Stalking Horse Purchase Price, which did not materialize. However, the two (2) employees in the television metrics portion of the KEIP fully earned and were paid their portion of the KEIP since the performance targets that were set as preconditions were met.

b. *KERP*

On August 24, 2015, the Debtors sought approval of their Key Employee Retention Plan (the "**KERP**") for 80 of the Debtors' non insider employees (the "**Key Employees**") who are critical to the Debtors' continued operation and a successful restructuring. Given significant headcount reductions, the Debtors formulated the KERP to incentivize Key Employees, many of whom have unique institutional knowledge of the Debtors, to remain with the Debtors before, during and after these Chapter 11 Cases, both to ensure the Debtors' continued operation and to avoid the significant costs associated with obtaining and training replacements.

On September 29, 2015, the court approved (Dkt. No. 684) the Debtors' KERP as follows. The maximum cost of the KERP is \$345,390 and 71 employees are eligible to participate. The "**KERP Formula**" is as follows. The Key Employees that were subject to pay reductions prior to the Petition Date will have the opportunity to recapture 100% of such pay reductions, provided that they remain employed with the Debtors during the sale process through and including October 20, 2015 or the sale closing, whichever is later, plus an additional incentive of up to 12.5% of their original base pay that would have been earned during the period between the Petition Date and October 5, 2015 (the "**Measuring Period**") without taking into consideration any pay reduction. The 12.5% incentive metric does not mean 12.5% of any such employee's full annual salary. The opportunity to recapture the prepetition salary reduction and to earn up to 12.5% of their original base pay pertains only to the Measuring Period. Those employees who did not receive a pay reduction will have the opportunity to receive an incentive of up to 12.5% of their respective salaries, provided that they remain employed by the Debtors during the sale process through the later of October 20, 2015 or the sale closing. The KERP Formula cannot be modified by the officers, management and the Board of Managers of the Debtors. Any Key Employee who resigns or is terminated for cause will forfeit his or her right to any payment under the KERP. If a KERP participant is terminated without cause, the KERP participant may still be eligible for a prorated award. Finally, no employee will receive payment from more than one of the following three programs: (i) the sale metrics segment of the KEIP, (ii) the television metrics of the KEIP, and (iii) the KERP.

The Key Employees were paid their KERP bonuses on or about October 20, 2015.

3. *The Motions to Assume Certain Producer Agreements (Dkt. Nos. 289-295)*

On August 24, 2015, the Debtors filed seven (7) motions seeking to assume certain producer agreements (the "**Producer Agreements**") and fix their related cure amounts. The Debtors sought to assume the Producer Agreements because the loss of any of the Producer Agreements would damage the Television Business and potentially depress the Debtors' going concern value in connection with the sale process.

On October 5, 2015, the court entered orders permitting the Debtors to assume the following producer agreements: Brian Lando Productions, Inc. (Dkt. No. 755), Jay and Tony Show f/s/o Jay Blumenfield and Tony Marsh (Dkt. No. 756), Ellen Rakieten Productions, LLC (Dkt. No. 757), Bogner Entertainment (Dkt. No. 758), Press Start, Inc. (Dkt. No. 759), Bill Thompson Productions, Inc. (Dkt. No. 760), and Alibi TV (Dkt. No. 761).

4. *The Miscellaneous/De Minimis Assets Motion (Dkt. No. 345)*

On August 27, 2015, the Debtors filed a motion seeking to (1) implement procedures that would allow them to sell, transfer or abandon miscellaneous assets (the "**Miscellaneous Assets**"), or groups of such assets, and address related contracts, on an expedited basis without incurring the delay and costs of preparing, filing, serving and having hearings on motions for approval of each such disposition (the "**Miscellaneous Asset Procedures**").

On September 17, 2015, the court entered an order approving the Miscellaneous Asset Procedures as follows. The Miscellaneous Asset Procedures only apply to: (i) the sale or transfer of Miscellaneous Assets

involving \$1,500,000 or less in total consideration (the “**Sale Cap**”), as measured by the amount of cash and other consideration (such as assumption of liabilities) to be received by the Debtors on account of the Miscellaneous Assets to be sold or transferred in any one transaction or in any series of related transactions; and (ii) the abandonment of Miscellaneous Assets with a book value of \$250,000 or less. Interested Parties shall have five (5) business days after the date of service of the sale notice or abandonment notice to object. However, for (a) any transaction involving the sale or transfer of a Miscellaneous Asset for less than \$100,000 in total consideration, as measured by the amount of cash and other consideration (such as assumption of liabilities) to be received by the Debtors on account of the Miscellaneous Assets to be sold or transferred in any one transaction or in any series of related transactions (a “**De Minimis Sale**”) or (b) the abandonment of any asset with a book value of less than \$100,000 (a “**De Minimis Abandonment**”), the applicable Debtor or Debtors will be authorized, without following the Notice Procedures and without further notice and further Court approval except five business days written notice to Counsel for the Creditors’ Committee and any other party in interest who has filed a notice of appearance and a request for service pursuant to Bankruptcy Rules 2002 and 9010(b), to consummate the De Minimis Sale or De Minimis Abandonment and such De Minimis Sales or De Minimis Abandonments will be deemed fully authorized by the Court, provided that the Debtors have obtained any necessary consent required.

The Debtors completed the following sales pursuant to the court’s order: Following a September 26, 2015, notice (Dkt. No. 660) concerning the sale of their rights and other interests in the film, Collide p/k/a Autobahn, the Debtors completed a sale to IM Global Film Fund, LLC for \$830,000 on October 3, 2015. Following a November 3, 2015 notice (Dkt. No. 933) concerning the sale of all of their rights and interests in a certain tax credit, the Debtors anticipate shortly completing a sale to Macy’s Puerto Rico, Inc. for \$1,144,882.88.

5. *The Motions to Reject Leases or Executory Contracts (Dkt. Nos. 396, 691)*

On September 8, 2015, the Debtors filed a motion seeking to reject 21 consulting and advisory agreements, one real estate brokerage agreement, one production services agreement related to aerial production work and one nonresidential real property lease. On September 29, 2015, the Debtors filed a motion seeking to abandon certain property and reject a nonresidential real property lease, a license and an automobile lease. On September 30, 2015 and October 15, 2015, the court entered orders (Dkt. Nos. 697, 850) permitting the Debtors to reject each of these agreements and abandon certain property.

On November 11, 2012, the court granted the Debtors’ motion seeking to extend the time within which the Debtors must assume or reject unexpired leases of nonresidential real property to February 25, 2016. (Dkt. No. 966).

6. *The Motion to Extend the Exclusive Periods for Filing a Plan and Soliciting Acceptances*

On November 12, 2015, the court granted the Debtors’ motion seeking to extend the exclusive periods for filing a plan and soliciting acceptances thereof to February 1, 2016 and April 1, 2016, respectively. (Dkt. No. 967).

7. *Litigation*

a. *Manchester*

Heatherden Securities LLC, a Delaware Limited Liability Company (“**Heatherden**”) is a minority equity holder of Relativity Holdco and an affiliate of Manchester Library Company and Manchester Securities Corporation (collectively, “**Manchester**”). Manchester Securities Corporation and Manchester Library Company LLC are parties to the following agreements with the Debtors, each dated as of May 30, 2012: a Libraries Asset Transfer Agreement, a Sales and Distribution Services Agreement, and a Security Agreement and Mortgage of Copyright (collectively the “**Manchester Agreements**”). Pursuant to the Manchester Agreements, Manchester was granted a continuing security interest in, and copyright mortgage on, any interest that the Debtors might have in certain collateral. In addition, the Manchester Agreements grant Manchester a first priority lien and security interest in a certain collection account, which is governed by a collection account management agreement dated as of October 1, 2012.

Manchester filed objections to the Sale Motion (Dkt. Nos. 162, 168, 169, 190) generally objecting to the speed of the sale process and the authority of the Debtors to sell their assets, an objection to the Debtors' motion seeking to pay prepetition residuals and participations in the ordinary course of business (Dkt. No. 223), and an objection to the Debtors' motion seeking postpetition financing (Dkt. Nos. 223, 225, 226). Then, on August 24, 2015, Manchester filed an emergency motion (Dkt. No. 260) seeking to adjourn a hearing on the Debtors' proposed bid procedures and DIP financing. On September 18, 2015, Manchester filed a limited objection to the Debtors' motion seeking to sell substantially all of their assets (Dkt. Nos. 521, 522). After much contested litigation, the Debtors were able to negotiate a resolution with Manchester which permitted the DIP Financing Order and the Bid Procedures Order to be entered and the sale process to move forward.

b. *RKA*

In June and July 2015, RKA and Relativity entered into a series of forbearance agreements related to RKA's loans to Relativity under the P&A Funding Agreement. At the time, Relativity was engaged in refinancing efforts and RKA had threatened litigation which Relativity believed to be meritless, but would have interfered with Relativity's refinancing efforts. Pursuant to one of the forbearance agreements, River Birch Funds LLC (an entity in which Kavanaugh is the sole member) provided RKA with a guarantee of its equity interest in RKA of approximately \$10 million in value.

On July 15, 2015, RKA filed a complaint in the Supreme Court of the State of New York, County of New York against defendants Kavanaugh, in his personal capacity, and RKA-member River Birch Funds LLC, alleging breach of contract under the guaranty provided in connection with the aforementioned forbearance agreement. On July 24, 2015, RKA filed a separate action in the Supreme Court of the State of New York, County of New York against Kavanaugh and a series of John Does alleging misconduct in connection with the P&A Funding Agreement. In response, on July 24, 2015, RML filed an action against RKA seeking a declaratory judgment that the P&A Funding Agreement had not been breached and damages in excess of \$200 million for RKA's tortious conduct and alleged unfair business practices. The three matters are currently stayed as the parties are seeking to resolve the outstanding claims by participating in a mediation and discussing a resolution that would allow for the release of the four films (*Before I Wake*, *Disappointments Room*, *Masterminds*, and *Kidnap*) in which RKA has a security interest.

In parallel, RKA filed multiple pleadings in the Chapter 11 Cases, including a motion seeking adequate protection or relief from the automatic stay to protect its liens and security interests (Dkt. No. 147), objections to the Sale Motion (Dkt. Nos. 164, 508, 644, 748), objections to the Debtors' motion seeking postpetition financing (Dkt. Nos. 158, 219), a motion seeking leave to conduct discovery pursuant to Bankruptcy Code § 105(a) and Federal Rule of Bankruptcy Procedure 2004 (Dkt. No. 176), and a limited joinder (Dkt. No. 644) in Macquarie's motion seeking adequate protection or relief from the automatic stay to protect its interests and compelling compliance with the final DIP order prohibiting the use of cash collateral that constitutes P&A Collateral. Each of these matters has been resolved or adjourned.

c. *Macquarie*

Macquarie US Trading LLC and Macquarie Investments US Inc. (collectively, "**Macquarie**") serve as agent and lender, respectively, under a prepetition Second Amended and Restated Funding Agreement, dated as of June 30, 2014 (as amended, the "**Funding Agreement**"). Pursuant to the Funding Agreement, Macquarie holds security interests in certain of the Debtors' property, rights of setoff and rights of recoupment.

Macquarie filed several objections during the course of the Chapter 11 Cases -- a limited objection and reservation of rights to the Debtors' motion seeking postpetition financing (Dkt. No. 43), an objection to the Sale Motion and the Debtors' motion seeking postpetition financing (Dkt. No. 156), and a limited objection and reservation of rights to the Debtors' motion seeking to sell, transfer or abandon miscellaneous and de minimis assets (Dkt. No. 415). Additionally, Macquarie filed a motion (Dkt. Nos. 409, 410, 411; reply at 627) seeking adequate protection or relief from the automatic stay to protect its interest. The parties were able to reach an amicable resolution which included a release of certain funds to Macquarie at which time Macquarie withdrew its motion.

8. *Claims Process and Bar Date*

On October 30, 2015, the court entered an order (Dkt. No. 927) establishing December 9, 2015 at 5:00 p.m. (Eastern Time) as the deadline for each person or entity (including, without limitation, individuals, partnerships, corporations, joint ventures and trusts) to file a proof of claim in respect of a prepetition claim (as defined in Bankruptcy Code § 101(5)) against any of the Debtors (the “**General Bar Date**”) and January 26, 2016 at 5:00 p.m. (Eastern Time) as the deadline for governmental units (as defined in Bankruptcy Code § 101(27)) to file a proof of claim in respect of a prepetition claim against any of the Debtors (the “**Governmental Bar Date**”).

IV. POSTPETITION SALE AND PLAN NEGOTIATIONS

A. Television Business Sale and Related Term Sheets

As discussed in detail in Section III.E.1 above, immediately prior to the Auction, the Buyer amended the Stalking Horse APA to acquire only the Television Business and not the previously contemplated film, sports or music businesses as a consequence of a series of arms-length negotiations among the Buyer and several investors in the Debtors. Such negotiations continued among several of the parties up to and including the drafting of the Plan. A summary of the transactions arising from such negotiations is provide below.

1. *TLA/TLB Transactions*

Substantially contemporaneously with the closing of the sale of the Television Business to the Buyer under the Stalking Horse APA (and in partial consideration for the amendment of the Stalking Horse APA), a group of investors including Kavanaugh, Manchester and Joseph Nicholas (“**Nicholas**”) paid \$65 million to the Buyer and further agreed that the Buyer would retain \$60 million in TLA claims until exchanged for a \$60 million note from reorganized Relativity Holdings under the Plan.

In connection with the payments described above, the Buyer also agreed to (a) confirm the partial satisfaction and reduction of the DIP Facility to \$35 million; (b) transfer to Manchester \$35 million of its claims under the DIP Facility and (c) transfer \$5.8 million of its claims under the TLA and TLB Loans to Kavanaugh and \$169.2 million of its claims under the TLA and TLB Loans to Nicholas.

2. *Investor Transactions*

In connection with the Auction and the closing of the sale of the Television Business, Manchester, Kavanaugh, Nicholas, OA3, LLC (“**OA3**”), VII Peaks Capital, LLC (“**VII Peaks**”) all executed equity commitment letters (collectively, the “**Commitment Letters**”) with the Debtors which were also enforceable by an affiliate of RM Bidder. OA3 and VII Peaks did not consummate their Commitment Letters, and the Debtors commenced an adversary proceeding against VII Peaks (discussed below). The Debtors have engaged in settlement discussions to resolve the issues of the Commitment Letter issued by VII Peaks. The Debtors reserve all rights with respect to the Commitment Letter issued by OA3. In consideration of the performance of the Commitment Letters, Kavanaugh, Nicholas and Manchester agreed to treatment of their various claims under the Plan. As of November 17, 2015, the Debtors continued to negotiate with such parties to confirm that the Plan accurately reflects their agreements.

a. *Relativity Holdings LLC v. VII Peaks Capital, LLC (In re Relativity Fashion, LLC), No. 15-01361 (Bankr. S.D.N.Y.)*

On October 19, 2015, Relativity commenced an adversary proceeding against VII Peaks. See Complaint for Emergency Order Requiring VII Peaks Capital, LLC to Pay \$30 Million Into the Court’s Registry and/or Issuing a Restraining Order and Directing Specific Performance, Relativity Holdings LLC v. VII Peaks Capital, LLC (In re Relativity Fashion, LLC), No. 15-01361 (Bankr. S.D.N.Y.) (Dkt. No. 1). Relativity’s Complaint alleged that VII Peaks entered into an “absolute and unconditional” agreement to fund \$30 million on or before October 20, 2015, as part of a transaction pursuant to which certain assets from the Debtors’ television business were to be sold to specific creditors and the remainder of Relativity would be restructured and continue as a going concern. As the Complaint set forth, VII Peaks had indicated it would not commit the agreed \$30 million in funding, on the ground that certain purposed conditions precedent to VII Peaks’ obligation to fund had not been satisfied.

Relativity claimed that VII Peaks was in breach of its absolute and unconditional obligation to commit the \$30 million in funds and sought specific performance of this obligation. Relativity also sought a preliminary injunction and a temporary restraining order, and an expedited hearing on its request for a preliminary injunction. On October 20, 2015, the Bankruptcy Court entered an order temporarily restraining VII Peaks from transferring certain funds from two of VII Peaks' accounts. See Dkt. No. 4. On October 27, 2015, Relativity and VII Peaks entered into a stipulation, so ordered by the Bankruptcy Court the next day, that vacated the TRO and adjourned the expedited hearing until November 13, 2015. See Dkt. No. 10. Pursuant to the parties' so-ordered stipulation, VII Peaks agreed to cause \$3 million to be deposited into its counsel's client trust account, to remain there during an agreed-upon period of time, and the parties agreed in the meantime to negotiate in good faith regarding a potential settlement of their dispute. See id. The parties have subsequently entered into another stipulation to further adjourn the hearing on Relativity's motion for a preliminary injunction until November 24, 2015, as they continue to negotiate a potential settlement of their dispute.

3. *DIP Stipulations*

On October 6, 2015, the Bankruptcy Court approved a stipulation (Dkt. No. 769) among (a) the Debtors, (b) the Original DIP Lenders, (c) the Manchester Parties (as defined in the stipulation), and (d) Kavanaugh, which was also signed by the Creditors' Committee. The stipulation is another piece of a global agreement between the Parties to provide the Debtors with an opportunity to reorganize their business around their non-unscripted TV Business Assets (the "**Global Agreement**"). As noted in Section III.B above, on August 27, 2015, the Court entered the Final DIP Order authorizing the Debtors to obtain the Original DIP Facility in the amount of \$49.5 million. As part of the Global Agreement, Heatherden agreed to purchase the Original DIP Facility, as modified to \$35,000,000, for \$35,000,000 on or before October 20, 2015.

As the Final DIP Order expired on October 21, 2015, the Bankruptcy Court entered the Amended DIP Order (Dkt No. 931) and, in the meantime, eight (8) extension orders (Dkt. Nos. 889, 896, 921, 934, 945, 945, 950, 964) extending the maturity to November 16, 2015 (which date shall be updated as further extension orders may be granted) as certain predicate agreements had not yet been reached.

B. Fintage Omnibus Stipulation

The Debtors and Fintage Collection Account Management B.V. ("**Fintage**") are each a party, among other parties, to various collection account management agreements ("**CAMAs**") governing the collection and distribution of revenues generated from the exploitation of certain Relativity film projects. As of the Petition Date, Fintage ceased making distributions on account of each CAMA to which one or more of the Debtors are a party and refused to resume distributions until Fintage received Court authorization. Such CAMAs include: (a) an Amended and Restated Collection Account Management Agreement, dated May 14, 2013, with Debtor RML Acquisitions IV, LLC, IATM, LLC and CIT Bank, N.A. relating to the collection of worldwide revenues generated from the exploitation of the film project entitled *Act of Valor*; (b) an Amended and Restated Collection Account Management Agreement, dated October 31, 2013, with Debtor Paranoia Acquisitions, LLC, CIT Bank, N.A., and Paranoia Productions, LLC relating to the collection of the U.S. revenues generated from the exploitation of the film project entitled *Paranoia*; (c) an Amended and Restated Collection Account Management Agreement, dated October 1, 2012, with Debtor Relativity Media, LLC and Manchester Library Company relating to the collection of revenues generated from, among others, the exploitation of the following film projects entitled: (i) *The Fighter*, (ii) *Limitless*, (iii) *Season Of The Witch*, (iv) *Skyline*, (v) *Take Me Home Tonight*, (vi) *The Warrior's Way*, (vii) *Catfish*, (viii) *Catfish TV*, (ix) *Dear John*, (x) *Fighting*, (xi) *Haywire*; (xii) *Immortals*; (xiii) *Judy Moody and the Not Bummer Summer*; (xiv) *Last House on the Left*; (xv) *MacGruber*, (xvi) *My Soul to Take* and (xvii) *Shark Night 3D*.

The Debtors anticipate filing shortly a notice of presentment of the *Omnibus Stipulation and Agreed Order Governing Fintage Collection Account Management B.V. Release of Funds*. The aforementioned stipulation and agreed order, *inter alia*, authorized Fintage to disburse funds that were being held in trust pursuant to the CAMAs and authorized Fintage to continue to resume distributions under the CAMAs on a going forward basis.

C. Post-Emergence Financing and Management

Jim Cantelupe, of Summit Trail Advisors, LLC, has committed to work with the Debtors to raise up to \$100 million of new equity to fund the Plan, which funds are to be escrowed on or before December 31, 2015. Additionally, the Plan contemplates entering into a revolving credit facility of up to \$250 million in the form of the New P&A/Ultimates Facility. Finally, the Plan contemplates that Relativity will secure a multi-year media buying agreement, for traditional and digital media, that includes payment terms of at least 90 days.

V. THE PLAN OF REORGANIZATION

THE FOLLOWING SUMMARY HIGHLIGHTS CERTAIN OF THE SUBSTANTIVE PROVISIONS OF THE PLAN, AND IS NOT, NOR IS IT INTENDED TO BE, A COMPLETE DESCRIPTION OR A SUBSTITUTE FOR A FULL AND COMPLETE REVIEW OF THE PLAN. THE PLAN PROPONENTS URGE ALL HOLDERS OF CLAIMS AND INTERESTS TO READ AND STUDY CAREFULLY THE PLAN, A COPY OF WHICH IS ATTACHED HERETO AS EXHIBIT A.

Bankruptcy Code § 1123 provides that, except for Administrative Claims and Priority Tax Claims, a plan of reorganization must categorize claims against and equity interests in a debtor into individual classes. Although the Bankruptcy Code gives a debtor significant flexibility in classifying claims and interests, Bankruptcy Code § 1123 dictates that a plan of reorganization may only classify a claim or an equity interest with claims or equity interests, respectively, that are substantially similar.

The Plan creates 11 Classes of Claims and one (1) Class of Interests per Debtor. These Classes take into account the differing nature and priority of Claims against and Interests in the Debtors. Administrative Claims and Priority Tax Claims are not classified for purposes of voting or receiving distributions under the Plan (as is permitted by Bankruptcy Code § 1123) but are treated separately as unclassified Claims.

The Plan provides specific treatment for each Class of Claims and Interests. Only Holders of Claims that are impaired under the Plan and who will receive distributions under the Plan are entitled to vote on the Plan.

The following discussion sets forth the classification and treatment of all Claims against, or Interests in, the Debtors. It is qualified in its entirety by the terms of the Plan, which is attached hereto as Exhibit A, and which you should read carefully before deciding whether to vote to accept or reject the Plan.

VI. CLASSIFICATION AND TREATMENT OF CLAIMS AND INTERESTS

All Claims and Interests, except Administrative Claims and Priority Tax Claims, are placed in the Classes set forth below. In accordance with Bankruptcy Code § 1123(a)(1), Administrative Claims and Priority Tax Claims, as described in Section II.A of the Plan, are not classified in the Plan. A Claim or Interest is classified in a particular Class only to the extent that the Claim or Interest qualifies within the description of that Class and is classified in other Classes to the extent that any remainder of the Claim or Interest qualifies within the description of such other Classes.

If the Plan is confirmed by the Bankruptcy Court, unless a Holder of an Allowed Claim consents to different treatment, (A) each Allowed Claim in a particular Class will receive the same treatment as the other Allowed Claims in such Class, whether or not the Holder of such Claim voted to accept the Plan and (B) each Allowed Interest in a particular Class will receive the same treatment as the other Allowed Interests in such Class. Such treatment will be in exchange for and in full satisfaction, release and discharge of, the Holder's respective Claims against or Interests in a Debtor, except as otherwise provided in the Plan. Moreover, upon Confirmation, the Plan will be binding on (A) all Holders of Claims regardless of whether such Holders voted to accept the Plan and (B) all Holders of Interests.

A. Unclassified Claims

1. Administrative Claims

a. *Overview*

Except as specified in Section II.A.1 of the Plan and subject to the bar date provisions herein, unless otherwise agreed by the Holder of an Administrative Claim and the applicable Reorganized Debtor, or unless an order of the Bankruptcy Court provides otherwise, each Holder of an Allowed Administrative Claim (other than a Professional's Fee Claim and a Plan Co-Proponent Fee/Expense Claim) shall receive, in full satisfaction of its Administrative Claim, Cash equal to the Allowed amount of such Administrative Claim on either (i) the latest to occur of (A) the Effective Date (or as soon thereafter as practicable), (B) the date such Claim becomes an Allowed Administrative Claim, and (C) such other date as may be agreed upon by the Reorganized Debtors and the Holder of such Claim or (ii) on such other date as the Bankruptcy Court may order. For the avoidance of doubt, claims arising under the Modified DIP Credit Agreement are Administrative Claims.

b. *Statutory Fees*

All fees payable pursuant to 28 U.S.C. § 1930 after the Effective Date shall be paid by the applicable Reorganized Debtor in accordance therewith until the earlier of the conversion or dismissal of the applicable Chapter 11 Case under Bankruptcy Code § 1112 or the closing of the applicable Chapter 11 Case pursuant to Bankruptcy Code § 350(a).

c. *Ordinary Course Postpetition Administrative Liabilities*

Administrative Claims based on liabilities incurred by a Debtor in the ordinary course of its business, including Administrative Claims arising from or with respect to the sale of goods or provision of services on or after the Petition Date, Administrative Claims of governmental units for Taxes (including Tax audit Claims related to Tax years or portions thereof ending after the Petition Date), and Administrative Claims arising under Executory Contracts and Unexpired Leases, shall be paid by the applicable Reorganized Debtor, pursuant to the terms and conditions of the particular transaction giving rise to those Administrative Claims, without further action by the Holders of such Administrative Claims or further approval by the Bankruptcy Court. Holders of the foregoing Claims shall not be required to File or serve any request for payment of such Administrative Claims.

d. *Professional Compensation*

Professionals or other Entities asserting a Fee Claim for services rendered before the Effective Date must File and serve on the Reorganized Debtors and such other Entities who are designated by the Bankruptcy Rules, the Fee Order, the Confirmation Order or other order of the Bankruptcy Court an application for final allowance of such Fee Claim no later than sixty (60) days after the Effective Date; provided, however, that any party who may receive compensation or reimbursement of expenses pursuant to the Ordinary Course Professionals Order may continue to receive such compensation and reimbursement of expenses for services rendered before the Effective Date pursuant to the Ordinary Course Professionals Order without further Bankruptcy Court review or approval (except as provided in the Ordinary Course Professionals Order). To the extent necessary, the Confirmation Order shall amend and supersede any previously entered order of the Bankruptcy Court regarding the payment of Fee Claims.

e. *Plan Co-Proponent Fee/Expense Claims*

The Reorganized Debtor shall reimburse the Plan Co-Proponent Fee/Expense Claims incurred in connection with the Chapter 11 Cases.

f. *Post-Effective Date Professionals' Fees and Expenses*

Upon the Effective Date, any requirement that Professionals comply with Bankruptcy Code §§ 327 - 331 and 1103 or any order of the Bankruptcy Court entered before the Effective Date governing the retention of, or compensation for services rendered by, Professionals after the Effective Date

shall terminate, and the Reorganized Debtors may employ or pay any Professional in the ordinary course of business without any further notice to or action, order, or approval of the Bankruptcy Court.

g. Bar Dates for Administrative Claims

Except as otherwise provided herein, requests for payment of Administrative Claims (other than Fee Claims, and Administrative Claims based on Liabilities incurred by a Debtor in the ordinary course of its business as described in Section II.A.1.c of the Plan) must be Filed and served on the Reorganized Debtors pursuant to the procedures specified in the Confirmation Order and the notice of entry of the Confirmation Order no later than the Administrative Claims Bar Date. Holders of Administrative Claims that are required to, but do not, File and serve a request for payment of such Administrative Claims by such date shall be forever barred, estopped and enjoined from asserting such Administrative Claims against the Debtors or their property and such Administrative Claims shall be deemed discharged as of the Effective Date. Objections to such requests, if any, must be Filed and served on the Reorganized Debtors and the requesting party no later than the Administrative Claims Objection Deadline.

2. Payment of Priority Tax Claims

Pursuant to Bankruptcy Code § 1129(a)(9)(C), and unless otherwise agreed by the Holder of a Priority Tax Claim and the Plan Proponents, each Holder of an Allowed Priority Tax Claim shall receive at the option of the Debtors or the Reorganized Debtors, as applicable, in full satisfaction of its Allowed Priority Tax Claim, on account of and in full and complete settlement, release and discharge of such Claim, (i) Cash in an amount equal to the amount of such Allowed Priority Tax Claim payable on the Effective Date (or as reasonably practicable thereafter) or (ii) Cash in the aggregate amount of such Allowed Priority Tax Claim payable in annual equal installments commencing on the later of: (a) the Effective Date (or as soon as reasonably practicable thereafter) and (b) the date such Priority Tax Claim becomes an Allowed Priority Tax Claim (or as soon as practicable thereafter); and, in each case, ending no later than five (5) years from the Petition Date. Notwithstanding the foregoing, any Claim on account of any penalty arising with respect to or in connection with an Allowed Priority Tax Claim that does not compensate the Holder for actual pecuniary loss will be treated as a Subordinated Claim, and the Holder may not assess or attempt to collect such penalty from the Reorganized Debtors or their respective property.

B. Classified Claims and Interests

1. General

Pursuant to Bankruptcy Code §§ 1122 and 1123, Claims and Interests are classified for voting and distribution pursuant to the Plan, as set forth herein. A Claim or Interest shall be deemed classified in a particular Class only to the extent that the Claim or Interest qualifies within the description of that Class and shall be deemed classified in a different Class to the extent that any remainder of such Claim or Interest qualifies within the description of such other Class. Holders of Allowed Claims may assert such Claims against each Debtor obligated with respect to such Claim, and such Claims shall be entitled to share in the recovery provided for the applicable Class of Claims against each obligated Debtor based upon the full Allowed amount of the Claim. Notwithstanding the foregoing, and except as otherwise specifically provided for herein, the Confirmation Order or other order of the Bankruptcy Court, or required by applicable bankruptcy law, in no event shall the aggregate value of all property received or retained under the Plan on account of an Allowed Claim exceed 100% of the underlying Allowed Claim.

Bankruptcy Code § 1129(a)(10) shall be satisfied for the purposes of Confirmation by acceptance of the Plan by an Impaired Class of Claims; provided, however, that in the event no Holder of a Claim with respect to a specific Class for a particular Debtor timely submits a Ballot in compliance with the Disclosure Statement Order and/or Solicitation Order indicating acceptance or rejection of the Plan, such Class will be deemed to have accepted the Plan. The Plan Proponents may seek Confirmation of the Plan pursuant to Bankruptcy Code § 1129(b) with respect to any rejecting Class of Claims or Interests.

For administrative convenience, the Plan organizes the Debtors into two (2) groups and assigns a number to each of the Debtors and a letter to each of the Classes of Claims against or Interests in the Debtors. For consistency, designated Classes of Claims or Interests are assigned the same letter across each of the Debtors. The numbers assigned to each Debtor are:

For the avoidance of doubt, claims arising under the Modified DIP Credit Agreement are Administrative Claims.

b. *Statutory Fees*

All fees payable pursuant to 28 U.S.C. § 1930 after the Effective Date shall be paid by the applicable Reorganized Debtor in accordance therewith until the earlier of the conversion or dismissal of the applicable Chapter 11 Case under Bankruptcy Code § 1112 or the closing of the applicable Chapter 11 Case pursuant to Bankruptcy Code § 350(a).

c. *Ordinary Course Postpetition Administrative Liabilities*

Administrative Claims based on liabilities incurred by a Debtor in the ordinary course of its business, including Administrative Claims arising from or with respect to the sale of goods or provision of services on or after the Petition Date, Administrative Claims of governmental units for Taxes (including Tax audit Claims related to Tax years or portions thereof ending after the Petition Date), and Administrative Claims arising under Executory Contracts and Unexpired Leases, shall be paid by the applicable Reorganized Debtor, pursuant to the terms and conditions of the particular transaction giving rise to those Administrative Claims, without further action by the Holders of such Administrative Claims or further approval by the Bankruptcy Court. Holders of the foregoing Claims shall not be required to File or serve any request for payment of such Administrative Claims.

Upon the Effective Date, any requirement that Professionals comply with Bankruptcy Code §§ 327 - 331 and 1103 or any order of the Bankruptcy Court entered before the Effective Date governing the retention of, or compensation for services rendered by, Professionals after the Effective Date shall terminate, and the Reorganized Debtors may employ or pay any Professional in the ordinary course of business without any further notice to or action, order, or approval of the Bankruptcy Court.

Holders of the Allowed TLA/TLB Secured Claims, excluding Kavanaugh and Nicholas, have agreed to less favorable treatment, and shall receive the BidCo Note in full and final satisfaction, release, and discharge of, and in exchange for, such TLA/TLB Secured Claim. For the avoidance of doubt, the BidCo Note, to the extent paid down to \$30 million out of the proceeds thereof, will be subordinated to the New P&A/Ultimates Facility. J. Treatment of Executory Contracts and Unexpired Leases

1. *Assumption and Rejections of Executory Contracts and Unexpired Leases*

On the Effective Date, except as otherwise provided herein, each of the Debtors' Executory Contracts and Unexpired Leases not previously assumed or rejected pursuant to an order of the Bankruptcy Court shall be deemed assumed as of the Effective Date in accordance with the provisions and requirements of Bankruptcy Code §§ 365 and 1123 except any Executory Contract or Unexpired Lease (1) identified on Exhibit F to the Plan (which shall be Filed as part of the Plan Supplement, and as may be amended) as an Executory Contract or Unexpired Lease designated for rejection, (2) which is the subject of a pending objection as to cure or assumability of such Executory Contract(s) or Unexpired Lease(s), (3) which is the subject of a separate motion or notice to assume or reject Filed by the Debtors and pending as of the Effective Date, (4) that previously expired or terminated pursuant to its own terms, or (5) that was previously assumed by any of the Debtors. In the event that an Executory Contract or Unexpired Lease is the subject of a pending objection, at any time (i) on or before the Effective Date, the Debtors reserve the right to supplement the list of rejected contracts on Exhibit F to the Plan or (ii) after the Effective Date, the Reorganized Debtors reserve the right to supplement the list of rejected contracts on Exhibit F to the Plan.

Entry of the Confirmation Order by the Bankruptcy Court shall constitute an order approving the assumptions or rejections of such Executory Contracts and Unexpired Leases as set forth in the Plan, all pursuant to Bankruptcy Code §§ 365(a) and 1123. Each Executory Contract and Unexpired Lease assumed pursuant to the Plan or by Bankruptcy Court order, and not assigned to a third party on or prior to the Effective Date, shall revert in, and be fully enforceable by, the applicable contracting Reorganized Debtor in accordance with its terms, except as such terms may have been modified by order of the Bankruptcy Court. To the maximum extent permitted by law, to the extent any provision in any Executory Contract or Unexpired Lease assumed pursuant to the Plan restricts or prevents, or purports to restrict or prevent, or is breached or deemed breached by, the assumption of such Executory Contract or Unexpired Lease (including, without limitation, any "change of control" provision), then such provision shall be deemed modified such that the transactions contemplated by the Plan shall not entitle the counterparty thereto to terminate such Executory Contract or Unexpired Lease or to exercise any other default-related rights with respect thereto. Notwithstanding anything to the contrary in the Plan, the Debtors or Reorganized Debtors, as

applicable, reserve the right to alter, amend, modify, or supplement Exhibit F to the Plan in their discretion prior to the Effective Date on no less than three (3) days' notice to the counterparty thereto.

2. *Cure of Defaults for Assumed Executory Contracts and Unexpired Leases*

Any monetary defaults under each Executory Contract and Unexpired Lease to be assumed pursuant to the Plan shall be satisfied, pursuant to Bankruptcy Code § 365(b)(1), by payment of the default amount in Cash on the Effective Date, subject to the limitation described below, or on such other terms as the parties to such Executory Contracts or Unexpired Leases may otherwise agree. In the event of a dispute regarding (1) the amount of any payments to cure such a default, (2) the ability of the Reorganized Debtors or any assignee to provide "adequate assurance of future performance" (within the meaning of Bankruptcy Code § 365) under the Executory Contract or Unexpired Lease to be assumed, or (3) any other matter pertaining to assumption, the cure payments required by Bankruptcy Code § 365(b)(1) shall be made following the entry of a Final Order or orders resolving the dispute and approving the assumption.

No later than the date on which the Plan Supplement is Filed, to the extent not previously Filed with the Bankruptcy Court and served on affected counterparties, the Debtors shall provide for notices of proposed assumption and proposed cure amounts to be sent to applicable Executory Contract and Unexpired Lease counterparties, together with procedures for objecting thereto and resolution of disputes by the Bankruptcy Court. Any objection by a contract or lease counterparty to a proposed assumption (but not related to cure amount) must be Filed, served, and actually received by the Debtors by the date on which objections to Confirmation are due (or such other date as may be provided in the applicable assumption notice). Any counterparty to an Executory Contract or Unexpired Lease that fails to object timely to the proposed assumption shall be deemed to have assented to such assumption. For the avoidance of doubt, as ordered by the Bankruptcy Court in these Chapter 11 Cases (Dkt. No. 369), failure of the non-Debtor counterparty previously served with a cure notice to have filed an objection or raised an informal objection with Debtors' counsel has resulted in a deemed waiver to object to, contest, condition or otherwise restrict the assumption of the noticed assumed contracts or lease and otherwise forever barred the non-Debtor counterparty from objecting to the amount of the cure payment. Every non-Debtor counterparty may, however, object as to adequate assurance of future performance of the Reorganized Debtors.

Assumption of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall result in the full release and satisfaction of any Claims or defaults, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed Executory Contract or Unexpired Lease at any time prior to the effective date of assumption. Any Proofs of Claim filed with respect to an Executory Contract or Unexpired Lease that has been assumed shall be deemed disallowed and expunged without further notice to or action, order or approval of the Bankruptcy Court.

3. *Claims Based on Rejection of Executory Contracts and Unexpired Leases*

Unless otherwise provided by a Bankruptcy Court order, any Proofs of Claim asserting Claims arising from the rejection of the Debtors' Executory Contracts and Unexpired Leases pursuant to the Plan or otherwise must be filed with the Notice and Claims Agent within 30 days after the date of entry of an order of the Bankruptcy Court (including the Confirmation Order) approving such rejection. Any Proofs of Claim arising from the rejection of the Debtors' Executory Contracts and Unexpired Leases that are not timely filed shall be disallowed automatically, forever barred from assertion, and shall not be enforceable against any Reorganized Debtor without the need for any objection by the Reorganized Debtors or further notice to or action, order, or approval of the Bankruptcy Court. All Allowed Claims arising from the rejection of the Debtors' Executory Contracts and Unexpired Leases shall constitute General Unsecured Claims and shall be treated in accordance with Section II.C.10 of the Plan.

The Plan Proponents reserve the right to object to, settle, compromise or otherwise resolve any Claim Filed on account of a rejected Executory Contract or Unexpired Lease.

4. *Contracts and Leases Entered Into After the Petition Date*

Contracts and leases entered into after the Petition Date by any Debtor, including any Executory Contracts and Unexpired Leases assumed by such Debtor, shall be performed by the Debtor or Reorganized Debtor liable

thereunder in the ordinary course of its business. Accordingly, such contracts and leases (including any assumed Executory Contracts and Unexpired Leases) shall survive and remain unaffected by entry of the Confirmation Order.

5. *Reservation of Rights*

Neither the exclusion nor inclusion of any contract or lease in the Plan Supplement, nor anything contained in the Plan, nor the Debtors' delivery of a notice of proposed assumption and proposed cure amount to applicable contract and lease counterparties shall constitute an admission by the Debtors that any such contract or lease is in fact an Executory Contract or Unexpired Lease or that any Reorganized Debtor has any liability thereunder. If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection, the Debtors or Reorganized Debtors, as applicable, shall have 30 days following entry of a Final Order resolving such dispute to alter their treatment of such contract or lease.

6. *Preexisting Obligations to the Debtors Under Executory Contracts and Unexpired Leases*

Rejection of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall not constitute a termination of pre-existing obligations owed to the Debtors or Reorganized Debtors under such Executory Contracts or Unexpired Leases. Notwithstanding any applicable non-bankruptcy law to the contrary, the Debtors and Reorganized Debtors expressly reserve and do not waive any right to receive, or any continuing obligation of a counterparty to provide, warranties, indemnifications or continued maintenance obligations on goods previously purchased by the contracting Debtors or Reorganized Debtors from counterparties to rejected Executory Contracts or Unexpired Leases.

7. *Certain Compensation and Benefit Programs*

Notwithstanding anything to the contrary in the Plan, all contracts, agreements, policies, programs and plans in existence on the Petition Date that provided for the issuance of Interests in any of the Debtors to current or former employees or directors of the Debtors are, to the extent not previously terminated or rejected by the Debtors, to be treated as Class K Subordinated Claims and shall be rejected or otherwise terminated as of the Effective Date without any further action of the Debtors or Reorganized Debtors or any order of the Court, any unvested Interests granted under any such agreements, policies, programs and plans in addition to any Interests granted under such agreements previously terminated or rejected by the Debtors to the extent not previously cancelled shall be cancelled pursuant to Section III.K of the Plan. Objections to the treatment of these plans or the Claims for rejection or termination damages arising from the rejection or termination of any such plans, if any, must be submitted and resolved in accordance with the procedures and subject to the conditions for objections to Confirmation. If any such objection is not timely Filed and served before the deadline set for objections to the Plan, each participant in or counterparty to any agreement described in Section IV.G of the Plan shall be forever barred from (1) objecting to the rejection or termination provided hereunder, and shall be precluded from being heard at the Confirmation Hearing with respect to such objection; (2) asserting against any Reorganized Debtor, or its property, any default existing as of the Effective Date or any counterclaim, defense, setoff or any other interest asserted or assertable against the Debtors; and (3) imposing or charging against any Reorganized Debtor any accelerations, assignment fees, increases or any other fees as a result of any rejection pursuant to Section IV.G of the Plan.

8. *Obligations to Insure and Indemnify Directors, Officers and Employees*

Any and all managers/directors and officers liability and fiduciary insurance or tail policies in existence as of the Effective Date shall be reinstated and continued in accordance with their terms and, to the extent applicable, shall be deemed assumed or assumed and assigned by the applicable Debtor or Reorganized Debtor, pursuant to Bankruptcy Code § 365 and Section IV.A of the Plan. Each insurance carrier under such policies shall continue to honor their coverage obligation, if any, and administer the policies with respect to the Reorganized Debtors in the same manner and according to the same terms, conditions, and practices applicable to the Debtors prior to the Effective Date.

The applicable Reorganized Debtor shall only be obligated to indemnify any person who is serving or has served as one of the Debtors' directors, officers, managers or employees at any time from and after the Petition Date for any losses, claims, costs, damages or Liabilities resulting from such person's service in such a capacity at any

time from and after the Petition Date or as a director, officer, managers or employee of a Non-Debtor Affiliate at any time from and after the Petition Date, to the extent provided in the applicable certificates of incorporation or formation, by-laws or similar constituent documents, by statutory law or by written agreement, policies or procedures of or with such Debtor. Accordingly, such indemnification obligations shall survive and be unaffected by entry of the Confirmation Order.

O. Box 2034, Murray Hill Station, New York, NY 10156-0701.

A. Voting Deadline

This Disclosure Statement and the appropriate Ballot(s) are being distributed to all Holders of Claims that are entitled to vote on the Plan. In order to facilitate vote tabulation, there is a separate Ballot designated for each impaired voting Class; however, all Ballots are substantially similar in form and substance, and the term "Ballot" is used without intended reference to the Ballot of any specific Class of Claims.

IN ACCORDANCE WITH THE DISCLOSURE STATEMENT ORDER AND SOLICITATION ORDER, IN ORDER TO BE CONSIDERED FOR PURPOSES OF ACCEPTING OR REJECTING THE PLAN, ALL BALLOTS MUST BE RECEIVED BY THE VOTING AGENT NO LATER THAN **4:00 P.M. (EASTERN TIME) ON JANUARY [] , 2016**, WHICH IS THE VOTING DEADLINE. ONLY THOSE BALLOTS ACTUALLY RECEIVED BY THE VOTING AGENT BEFORE THE VOTING DEADLINE WILL BE COUNTED AS EITHER ACCEPTING OR REJECTING THE PLAN.

FOR DETAILED VOTING INSTRUCTIONS, SEE THE DISCLOSURE STATEMENT ORDER AND SOLICITATION ORDER.

B. Holders of Claims or Interests Entitled to Vote

Under Bankruptcy Code § 1124, a class of claims or equity interests is deemed to be "impaired" under a plan unless (1) the plan leaves unaltered the legal, equitable and contractual rights to which such claim or equity interest entitles the holder thereof; or (2) notwithstanding any legal right to an accelerated payment of such claim or equity interest, the plan (a) cures all existing defaults (other than defaults resulting from the occurrence of events of bankruptcy), (b) reinstates the maturity of such claim or equity interest as it existed before the default, (c) compensates the holder of such claim or equity interest for any damages resulting from such holder's reasonable reliance on such legal right to an accelerated payment and (d) does not otherwise alter the legal, equitable or contractual rights to which such claim or equity interest entitles the holder of such claim or equity interest.

In general, a holder of a claim or equity interest may vote to accept or reject a plan if (1) the claim or equity interest is "allowed," which means generally that it is not disputed, contingent or unliquidated, and (2) the claim or equity interest is impaired by a plan. However, if the holder of an impaired claim or equity interest will not receive

any distribution under the plan on account of such claim or equity interest, the Bankruptcy Code deems such holder to have rejected the plan and provides that the holder of such claim or equity interest is not entitled to vote on the plan. If the claim or equity interest is not impaired, the Bankruptcy Code conclusively presumes that the holder of such claim or equity interest has accepted the plan and provides that the holder is not entitled to vote on the plan.

Except as otherwise provided in the Disclosure Statement Order or Solicitation Order, the Holder of a Claim against one or more Debtors that is “impaired” under the Plan is entitled to vote to accept or reject the Plan if (1) the Plan provides a distribution in respect of such Claim; and (2) the Claim has been scheduled by the appropriate Debtor (and is not scheduled as disputed, contingent, or unliquidated), the Holder of such Claim has timely Filed a Proof of Claim or a Proof of Claim was deemed timely Filed by an order of the Bankruptcy Court prior to the Voting Deadline.

A vote on the Plan may be disregarded if the Bankruptcy Court determines, pursuant to Bankruptcy Code § 1126(e), that it was not solicited or procured in good faith or in accordance with the provisions of the Bankruptcy Code. The Solicitation Order also sets forth assumptions and procedures for determining the amount of Claims that each creditor is entitled to vote in these Chapter 11 Cases, and how votes will be counted under various scenarios.

C. Vote Required for Acceptance by a Class

A Class of Claims will have accepted the Plan if it is accepted by at least two-thirds ($\frac{2}{3}$) in amount and more than one-half ($\frac{1}{2}$) in number of the Allowed Claims in such Class that have voted on the Plan in accordance with the Solicitation Order.

VIII. CONFIRMATION OF THE PLAN

A. Requirements for Confirmation of the Plan

Among the requirements for confirmation of the Plan are that the Plan (1) is accepted by all impaired Classes of Claims and Interests or, if rejected by an impaired Class, that the Plan “does not discriminate unfairly” and is “fair and equitable” as to such Class, (2) is feasible, and (3) is in the “best interests” of creditors and stockholders that are impaired under the Plan.

1. Acceptance of the Plan

A moneyed, business, commercial corporation or trust must satisfy the following requirements pursuant to Bankruptcy Code § 1129(a) before the Bankruptcy Court may confirm its reorganization plan:

- The plan complies with the applicable provisions of the Bankruptcy Code.
- The proponent(s) of the plan complies with the applicable provisions of the Bankruptcy Code.
- The plan has been proposed in good faith and not by any means forbidden by law.
- Any payment made or to be made by the proponent, by the debtor, or by a person issuing securities or acquiring property under a plan, for services or for costs and expenses in or in connection with the case, or in connection with the plan and incident to the case, has been approved by, or is subject to the approval of, the Bankruptcy Court as reasonable.
- The proponent(s) of a plan has disclosed the identity and affiliations of any individual proposed to serve, after confirmation of the plan, as a director, officer, or voting trustee of the debtor, an affiliate of the debtor participating in a joint plan with the debtor or a successor to the debtor under the plan, and the appointment to, or continuance in, such office of such individual must be consistent with the interests of creditors and equity security holders and with public policy.
- The proponent(s) of the plan has disclosed the identity of any insider (as defined in Bankruptcy Code § 101) that will be employed or retained by the reorganized debtor, and the nature of any compensation for such insider.

- Any governmental regulatory commission with jurisdiction, after confirmation of the plan, over the rates of the debtor has approved any rate change provided for in the plan, or such rate change is expressly conditioned on such approval.
- With respect to each impaired class of claims or interests—
 - each holder of a claim or interest of such class (a) has accepted the plan; or (b) will receive or retain under the plan on account of such claim or interest property of a value, as of the effective date of the plan, that is not less than the amount that such holder would so receive or retain if the debtor were liquidated under chapter 7 of the Bankruptcy Code on such date; or
 - if Bankruptcy Code § 1111(b)(2) applies to the claims of such class, each holder of a claim of such class will receive or retain under the plan on account of such claim, property of a value, as of the effective date of the plan, that is not less than the value of such holder's interest in the estate's interest in the property that secures such claims.
- With respect to each class of claims or interests, such class has (a) accepted the plan; or (b) such class is not impaired under the plan (subject to the "cramdown" provisions discussed below).
- Except to the extent that the holder of a particular claim has agreed to a different treatment of such claim, the plan provides that:
 - with respect to a claim of a kind specified in Bankruptcy Code §§ 507(a)(2) or 507(a)(3), on the effective date of the plan, the holder of the claim will receive on account of such claim cash equal to the allowed amount of such claim, unless such holder consents to a different treatment;
 - with respect to a class of claim of the kind specified in Bankruptcy Code §§ 507(a)(1), 507(a)(4), 507(a)(5), 507(a)(6), or 507(a)(7), each holder of a claim of such class will receive (a) if such class has accepted the plan, deferred cash payments of a value, on the effective date of the plan, equal to the allowed amount of such claim; or (b) if such class has not accepted the plan, cash on the effective date of the plan equal to the allowed amount of such claim, unless such holder consents to a different treatment;
 - with respect to a claim of a kind specified in Bankruptcy Code § 507(a)(8), unless the holder of such a claim consents to a different treatment, the holder of such claim will receive on account of such claim, regular installment payments in cash, of a total value, as of the effective date of the plan, equal to the allowed amount of such claim over a period ending not later than five (5) years after the date of the order for relief under Bankruptcy Code §§ 301, 302, or 303 and in a manner not less favorable than the most favored nonpriority unsecured claim provided for by the plan (other than cash payments made to a class of creditors under Bankruptcy Code § 1122(b)); and
 - with respect to a secured claim which would otherwise meet the description of an unsecured claim of a governmental unit under Bankruptcy Code § 507(a)(8), but for the secured status of that claim, the holder of that claim will receive on account of that claim, cash payments, in the same manner and over the same period, as prescribed in the immediately preceding bullet points above.
- If a class of claims is impaired under the plan, at least one (1) class of claims that is impaired under the plan has accepted the plan, determined without including any acceptance of the plan by any insider (as defined in Bankruptcy Code § 101).
- Confirmation of the plan is not likely to be followed by the liquidation, or the need for further financial reorganization, of the debtor or any successor to the debtor under the plan, unless such liquidation or reorganization is proposed in the plan.

- All fees payable under 28 U.S.C. § 1930, as determined by the Bankruptcy Court at the hearing on confirmation of the plan, have been paid or the plan provides for the payment of all such fees on the effective date of the plan.
- The plan provides for the continuation after its effective date of payment of all retiree benefits, as that term is defined in Bankruptcy Code § 1114, at the level established pursuant to Bankruptcy Code §§ 1114(e)(1)(B) or (g), at any time prior to confirmation of the plan, for the duration of the period the debtor has obligated itself to provide such benefits.

The Plan Proponents believe that the Plan meets all the applicable requirements of Bankruptcy Code § 1129(a) other than those pertaining to voting, which has not yet taken place.

2. *Feasibility*

The Plan Proponents believe that the Reorganized Debtors will be able to perform their obligations under the Plan and continue to operate their businesses without further financial reorganization or liquidation. In connection with Confirmation of the Plan, the Bankruptcy Court must determine that the Plan is feasible in accordance with Bankruptcy Code § 1129(a)(11) (which requires that the Confirmation of the Plan is not likely to be followed by the liquidation or the need for further financial reorganization of the Debtors).

To support the Plan Proponents' belief that the Plan is feasible, the Debtors have prepared the projections for the Reorganized Debtors, as set forth in Exhibit B to this Disclosure Statement and discussed in greater detail in Section 3VIII.A.3 below.

3. *Bests Interests of Creditors*

Bankruptcy Code § 1129(a)(7) requires that any holder of an impaired claim or interest voting against a proposed plan of reorganization must be provided in the plan with a value, as of the effective date of the plan, at least equal to the value that the holder would receive if the debtor's assets were liquidated under chapter 7 of the Bankruptcy Code. To determine what the Holders of claims and interests in each impaired class would receive if the debtors' assets were liquidated, the Bankruptcy Court must determine the dollar amount that would be generated from a liquidation of the debtors' assets in the context of a hypothetical liquidation. Such a determination must take into account the fact that secured claims, and any administrative claims resulting from the original Chapter 11 Cases and from the chapter 7 cases, would have to be paid in full from the liquidation proceeds before the balance of those proceeds were made available to pay unsecured creditors and make distributions (if any) to holders of interests.

Pursuant to the Initial DIP Credit Agreement, the Debtors engaged FTI Consulting, Inc. as crisis and turnaround manager and Blackstone Advisory Partners L.P. (n/k/a PJT Partners) to run a sale process for substantially all of the Debtors' assets. That sale process was run pursuant to the applicable Bankruptcy Court orders. The Stalking Horse APA provided for a credit bid of \$250 million and other cash consideration, which amount is over \$100 million less than the secured debt represented by the TLA/TLB Secured Claims and the Manchester Credit Facility. As described in Section III.E.IV.A above, the Debtors received no other bids for substantially all of the assets of either the TV Business, or the Film Business and ultimately concluded a sale of only the unscripted TV Business for a credit bid of \$125 million, and certain other consideration, on October 20, 2015. Accordingly, the Plan Proponents believe that the Holders of Claims and Interests in each impaired Class will receive more under the Plan than if these Chapter 11 cases were converted to chapter 7 cases and each Debtor's assets were liquidated under the direction of a chapter 7 trustee.

4. *Confirmation Without Acceptance of All Impaired Classes: The 'Cramdown' Alternative*

The Bankruptcy Code permits confirmation of a plan even if it is not accepted by all impaired classes, as long as (a) the plan otherwise satisfies the requirements for confirmation, (b) at least one impaired class of claims has accepted the plan without taking into consideration the votes of any insiders in such class and (c) the plan is "fair and equitable" and does not "discriminate unfairly" as to any impaired class that has not accepted the plan. These so-called "cramdown" provisions are set forth in Bankruptcy Code § 1129(b).

a. *“Fair and Equitable”*

The Bankruptcy Code establishes different “cramdown” tests for determining whether a plan is “fair and equitable” to dissenting impaired classes of secured creditors, unsecured creditors and equity interest holders as follows:

- Secured Creditors. A plan is fair and equitable to a class of secured claims that rejects the plan if the plan provides: (a) that each holder of a secured claim included in the rejecting class (i) retains the liens securing its claim to the extent of the allowed amount of such claim, whether the property subject to those liens is retained by the debtor or transferred to another entity, and (ii) receives on account of its secured claim deferred cash payments having a present value, as of the effective date of the plan, at least equal to such holder’s interest in the estate’s interest in such property; (b) that each holder of a secured claim included in the rejecting class realizes the “indubitable equivalent” of its allowed secured claim; or (c) for the sale, subject to Bankruptcy Code § 363(k), of any property that is subject to the liens securing the claims included in the rejecting class, free and clear of such liens with such liens to attach to the proceeds of the sale, and the treatment of such liens on proceeds in accordance with clause (i) or (ii) of this paragraph.
- Unsecured Creditors. A plan is fair and equitable as to a class of unsecured claims that rejects the plan if the plan provides that: (a) each holder of a claim included in the rejecting class receives or retains under the plan property of a value, as of the effective date of the plan, equal to the amount of its allowed claim; or (b) the holders of claims and interests that are junior to the claims of the rejecting class will not receive or retain any property under the plan on account of such junior claims or interests.
- Holder of Interests. A plan is fair and equitable as to a class of interests that rejects the plan if the plan provides that: (a) each holder of an equity interest included in the rejecting class receives or retains under the plan property of a value, as of the effective date of the plan, equal to the greatest of the allowed amount of (i) any fixed liquidation preference to which such holder is entitled, (ii) any fixed redemption price to which such holder is entitled or (iii) the value of the interest; or (b) the holder of any interest that is junior to the interests of the rejecting class will not receive or retain any property under the plan on account of such junior interest.

The Plan Proponents believe the Plan is fair and equitable as to unsecured creditors and Holders of Interests because no Holders of Claims or Interests junior to such parties are receiving any distributions under the Plan on account of such claims or interests. To the extent any of the Debtors’ secured creditors are Impaired, the Plan Proponents anticipate that they will vote in favor of the plan.

b. *“Unfair Discrimination”*

A plan of reorganization does not “discriminate unfairly” if a dissenting class is treated substantially equally with respect to other classes similarly situated, and no class receives more than it is legally entitled to receive for its claims or interests. The Plan Proponents carefully designed the Plan, including calculating the distributions to Holders of General Unsecured Claims against each of the Debtors, to ensure recoveries on account of Claims in a particular Class against each of the Debtors did not result in unfair discrimination among similarly situated Classes. The Plan Proponents do not believe that the Plan discriminates unfairly against any impaired Class of Claims or Interests.

The Plan Proponents believe that the Plan and the treatment of all Classes of Claims and Interests under the Plan satisfy the foregoing requirements for, “cramdown,” or non-consensual Confirmation of the Plan pursuant to Bankruptcy Code § 1129(b).

B. Alternatives to Confirmation and Consummation of the Plan

If the requisite acceptances are not received or if the Plan is not confirmed, the Plan Proponents could attempt to formulate and propose a different plan or plans of reorganization. Such a plan or plan(s) might involve either a reorganization and continuation of the Debtors' businesses or an orderly liquidation of assets.

Further, although the Plan Proponents could theoretically solicit votes with respect to an alternative plan if the requisite acceptances are not received, or the Plan is not confirmed and effectuated, a possible result would be the conversion of the Chapter 11 Cases to cases under chapter 7 of the Bankruptcy Code. As set forth above, in a chapter 7 liquidation, a trustee is elected or appointed to liquidate the debtor's assets for distribution to creditors in accordance with the priorities established by the Bankruptcy Code. Further, because there are over a hundred separate Debtors, there could be multiple chapter 7 trustees – one for each Debtor – whose interests and obligations conflict. This, in turn, would result in additional legal and other expenses. It is impossible to predict precisely how the proceeds of a chapter 7 liquidation would be distributed to the respective Holders of Claims against or Interests in the Debtors. The Plan Proponents believe that in a liquidation under chapter 7, before prepetition unsecured creditors received any distribution, additional administrative expenses incurred by a trustee or trustees and attorneys, accountants, and other professionals to assist such trustee(s) would cause a substantial diminution in the value of the Estates. Additionally, the Plan Proponents believe that conversion of the Debtors from chapter 11 to chapter 7 of the Bankruptcy Code would result in (i) significant delay in distributions to all creditors who would have received a distribution under the Plan and (ii) diminished recoveries for Holders of Impaired Claims. Accordingly, the Plan Proponents believe the Plan is superior to a chapter 7 liquidation because of the greater return that is anticipated to be provided by the Plan.

On the Effective Date, the Litigation Trust will be established pursuant to the Litigation Trust Agreement for the purpose of prosecuting the Specified Causes of Action (as determined by the Litigation Trustee) and making distributions (if any) to holders of Allowed General Unsecured Claims (in their capacities as Litigation Trust Beneficiaries) in accordance with the terms of the Plan. The Litigation Trust will have a separate existence from all of the Reorganized Debtors. The Litigation Trust's prosecution of any of the Specified Causes of Action will be on behalf of and for the benefit of the Litigation Trust Beneficiaries.

On the Effective Date, the Litigation Trust Assets will be transferred or issued to, and vest in, the Litigation Trust. In addition, standing to commence, prosecute and compromise all Specified Causes of Action will transfer to the Litigation Trust; *provided, however*, that all Causes of Action other than the Specified Causes of Action will be

retained by the Reorganized Debtors and will not be transferred to the Litigation Trust. A list of all known Causes of Action to be retained by the Reorganized Debtors will be filed with the Plan Supplement.

Subject to, and to the extent set forth in, the Plan, the Confirmation Order, the Litigation Trust Agreement or any other agreement (or any other order of the Bankruptcy Court entered pursuant to, or in furtherance of, the Plan), the Litigation Trust and the Litigation Trustee will be empowered to take the following actions, and any other actions, as the Litigation Trustee determines to be necessary or appropriate to implement the Litigation Trust, all without further order of the Bankruptcy Court:

Furthermore, the Plan Proponents' and Creditors' Committee's counsel and financial advisors will provide to the Litigation Trustee (or such professionals designated by the Litigation Trustee) documents and other information gathered, and relevant work product developed, during the Chapter 11 Cases in connection with its investigation of the Specified Causes of Action, provided that the provision of any such documents and information will be without waiver of any evidentiary privileges, including, without limitation, the attorney-client privilege, work-product privilege or other privileges or immunities attaching to any such documents or information (whether written or oral). The Plan will be considered a motion pursuant to Bankruptcy Code §§ 105, 363 and 365 for such relief.

The Litigation Trust and the Litigation Trustee will each be a "representative" of the Estates under Bankruptcy Code § 1123(b)(3)(B), and the Litigation Trustee will be the trustee of the Litigation Trust Assets for purposes of 31 U.S.C. § 3713(b) and 26 U.S.C. § 6012(b)(3), and, as such, the Litigation Trustee succeeds to all of the rights, powers and obligations of a trustee in bankruptcy with respect to collecting, maintaining, administering and liquidating the Litigation Trust Assets. Without limiting other such rights, powers, and obligations, on the Effective Date, the Creditors' Committee will transfer, and will be deemed to have irrevocably transferred, to the Litigation Trust and will vest in the Litigation Trust, the Litigation Trustee and all of his or her professionals the Creditors' Committee's evidentiary privileges, including, without limitation, the attorney-client privilege, work product privilege and other privileges and immunities that they possess related to the Specified Causes of Action. The Creditors' Committee and its financial advisors will provide to the Litigation Trustee (or such professionals designated by the Litigation Trustee) documents, other information, and work product relating to the Specified Causes of Action, provided that the provision of any such documents and information will be without waiver of any evidentiary privileges or immunity.

To the extent that any Litigation Trust Assets cannot be transferred to the Litigation Trust because of a restriction on transferability under applicable non-bankruptcy law that is not superseded or preempted by Bankruptcy Code § 1123 or any other provision of the Bankruptcy Code, such Litigation Trust Assets will be deemed to have been retained by the Debtors or Reorganized Debtors, as the case may be, and the Litigation Trustee will be deemed to have been designated as a representative of the Debtors or Reorganized Debtors, as the case may

be, pursuant to Bankruptcy Code § 1123(b)(3)(B) to enforce and pursue such Litigation Trust Assets on behalf of the Debtors or the Reorganized Debtors, as the case may be.

b. *The Litigation Trustee*

The powers, rights and responsibilities of the Litigation Trustee will be specified in the Litigation Trust Agreement. The Litigation Trustee will distribute the Litigation Trust Assets (or the proceeds thereof) in accordance with the provisions of the Plan and the Litigation Trust Agreement. Upon delivery of the Litigation Trust Assets to the Litigation Trust, the Debtors and their predecessors, successors and assigns, and each other Entity released pursuant to Article X of the Plan shall be discharged and released from all liability with respect to the delivery of such distributions.

d. *Fees and Expenses of the Litigation Trust*

Except as otherwise ordered by the Bankruptcy Court, the Litigation Trust Expenses will be paid from the Litigation Trust Assets in accordance with the Plan and the Litigation Trust Agreement.

e. *Indemnification of the Litigation Trust*

The Litigation Trust Agreement may include reasonable and customary indemnification provisions in favor of the Litigation Trustee. Any such indemnification will be the sole responsibility of the Litigation Trust.

f. *Tax Treatment*

The Litigation Trust generally is intended to be treated for United States federal income Tax purposes, (i) in part as a grantor trust that is a liquidating trust within the meaning of Treasury Regulations § 301.7701-4(d), with no objective to continue or engage in the conduct of a trade or business, and (ii) in part as one or more disputed ownership funds within the meaning of Treasury Regulations § 1.468B-9(b)(1). For United States federal income tax purposes, the transfer of the Litigation Trust Assets to the Litigation Trust will be treated as a transfer of the Litigation Trust Assets from the Debtors to the Litigation Trust Beneficiaries, followed by the Litigation Trust Beneficiaries' transfer of the Litigation Trust Assets to the Litigation Trust. The Litigation Trust Beneficiaries will thereafter be treated for U.S. federal income tax purposes as the grantors and deemed owners of their respective shares of the Litigation Trust Assets. The Litigation Trust Beneficiaries shall include in their annual taxable incomes, and pay tax to the extent due on, their allocable shares of each item of income, gain, deduction, loss and credit, and all other such items shall be allocated by the Litigation Trustee to the Litigation Trust Beneficiaries using any reasonable allocation method.

The Litigation Trustee will be required by the Litigation Trust Agreement to file income Tax returns for the Litigation Trust as a grantor trust of the Litigation Trust Beneficiaries (and file separate returns for the disputed ownership fund(s) pursuant to Treasury Regulations § 1.468B-9(b)(1) and pay all Taxes owed on any net income or gain of the disputed ownership fund(s), on a current basis from Litigation Trust Assets). In addition, the Litigation Trust Agreement will require consistent valuation by the Litigation Trustee and the Litigation Trust Beneficiaries, for all federal income Tax and reporting purposes, of any property held by the Litigation Trust. The Litigation Trust Agreement will provide that termination of the trust will occur no later than five years after the Effective Date, unless the Bankruptcy Court approves an extension based upon a finding that such an extension is necessary for the

Litigation Trust to complete its liquidating purpose. The Litigation Trust Agreement also will limit the investment powers of the Litigation Trustee in accordance with IRS Rev. Proc. 94-45 and will require the Litigation Trust to distribute at least annually to the Litigation Trust Beneficiaries (as such may have been determined at such time) its net income (net of any payment of or provision for Taxes), except for amounts retained as reasonably necessary to maintain the value of the Litigation Trust Assets

g. *No Revesting of Litigation Trust Assets*

No Litigation Trust Asset will revest in any Reorganized Debtor on or after the date such Litigation Trust Asset is transferred to the Litigation Trust but will vest upon such transfer in the Litigation Trust to be administered by the Litigation Trustee in accordance with the Plan and the Litigation Trust Agreement.

9. *Preservation of Rights of Action*

Except as provided in the Plan or in any contract, instrument, release, or other agreement entered into, or delivered in connection with, the Plan, in accordance with Bankruptcy Code § 1123(b) and to the fullest extent possible under applicable law, the Reorganized Debtors will retain and may enforce, and will have the sole right to enforce, any claims, demands, rights, and causes of action that any Plan Debtor or their respective estates may hold against any Entity. The Reorganized Debtors or their successors may pursue, or not pursue, such retained claims, demands, rights or causes of action, as they deem appropriate in their discretion.

10. *Reinstatement and Continuation of Insurance Policies*

From and after the Effective Date, each of the Debtors' insurance policies in existence as of the Effective Date will be reinstated and continued in accordance with their terms and, to the extent applicable, will be deemed assumed by the applicable Reorganized Debtor pursuant to Bankruptcy Code § 365 and Section III.J of the Plan. Nothing in the Plan will affect, impair or prejudice the rights of the insurance carriers or the Reorganized Debtors under the insurance policies in any manner, and such insurance carriers and Reorganized Debtors will retain all rights and defenses under such insurance policies, and such insurance policies will apply to, and be enforceable by and against, the Reorganized Debtors in the same manner and according to the same terms and practices applicable to the Debtors, as existed prior to the Effective Date.

11. *Cancellation and Surrender of Instruments, Securities and Other Documentation*

On the Effective Date and except as otherwise specifically provided for in the Plan, (i) the obligations of the Debtors under any other certificate, share, note, bond, indenture, purchase right, or other instrument or document directly or indirectly evidencing or creating any indebtedness or obligation of, or ownership interest, equity, or profits interest in, the Debtors or any warrants, options, or other securities exercisable or exchangeable for, or convertible into, debt, equity, ownership, or profits interests in the Debtors giving rise to any Claim or Interest (except the Intercompany Interests), will be cancelled as to the Debtors, and the Reorganized Debtors will have no continuing obligations thereunder; (ii) the obligations of the Debtors under the Modified DIP Credit Agreement will be fully released, settled, and compromised as to the Debtors, and the Reorganized Debtors will have no continuing obligations thereunder; and (iii) the obligations of the Debtors pursuant, relating, or pertaining to any agreements, indentures, certificates of designation, bylaws, or certificate or articles of incorporation/formation or similar documents governing the shares, units, certificates, notes, bonds, indentures, purchase rights, options, warrants, or other instruments or documents evidencing or creating any indebtedness or obligation of the Debtors will be fully released, settled, and compromised except as expressly provided herein.

With respect to any agreement (including, without limitation, any applicable credit agreement) that governs the rights of the Holder of a Claim or Interest and will be cancelled hereunder, and notwithstanding the occurrence of the Effective Date, such agreement will continue in effect solely for purposes of allowing such Holders to receive distributions under the Plan as provided herein.

12. *Release of Liens*

Except as otherwise provided in the Plan or in any contract, instrument, release or other agreement or document entered into or delivered in connection with the Plan, on the Effective Date and consistent with the treatment provided for Claims and Interests in Section VI.C above, all mortgages, deeds of trust, liens or other security interests, including any liens granted as adequate protection against the property of any Estate, shall be fully released and discharged, and all of the right, title and interest of any Holder of such mortgages, deeds of trust, liens or other security interests, including any rights to any collateral thereunder, shall revert to the applicable Reorganized Debtor and its successors and assigns. As of the Effective Date, the Reorganized Debtors shall be authorized to execute and file on behalf of creditors Form UCC-3 termination statements, mortgage releases or such other forms as may be necessary or appropriate to implement the provisions of Section III.L of the Plan.

13. *Effectuating Documents; Further Transactions*

On and after the Effective Date, the Reorganized Debtors, and the officers and members of the boards of managers or directors thereof, are authorized to and may issue, execute, deliver, file, or record such contracts, securities, instruments, releases, and other agreements or documents and take such actions as may be necessary or appropriate to effectuate, implement and further evidence the terms and conditions of the Plan, the Restructuring Transaction, the Reorganized Relativity Preferred Units, the Reorganized Relativity Common Units issued pursuant to the Plan, the New P&A/Ultimates Facility (if obtained) authorized pursuant to the Plan (including, but not limited to, the New Exit Financing Documents) and any amendments to any of the Debtors' credit agreements, in each case, in the name of and on behalf of the Reorganized Debtors, without the need for any approvals, authorization or consents except those expressly required pursuant to the Plan.

14. *Dissolution of Official Committees*

Except to the extent provided herein, upon the Effective Date, the current and former members of the Creditors' Committee and any other creditor, equity or other committee appointed in the Chapter 11 Cases pursuant to Bankruptcy Code § 1102, and their respective officers, employees, counsel, advisors and agents, shall be released and discharged of and from all further authority, duties, responsibilities and obligations related to and arising from and in connection with the Chapter 11 Cases; provided, however, that following the Effective Date the Creditors' Committee shall continue in existence and have standing and a right to be heard for the following limited purposes: (1) Claims and/or applications for compensation by Professionals and requests for allowance of Administrative Claims for substantial contribution pursuant to Bankruptcy Code § 503(b)(3)(D); (2) any appeals to which the Creditors' Committee is a party; (3) any adversary proceedings or contested matters as of the Effective Date to which the Creditors' Committee is a party; and (4) responding to creditor inquiries for sixty (60) days following the Effective Date. Following the completion of the Creditors' Committee's remaining duties set forth above, the Creditors' Committee shall be dissolved, and the retention or employment of the Creditors' Committee's respective attorneys, accountants and other agents shall terminate.

15. *Discharge of Claims and Interests*

Except as provided in the Plan or in the Confirmation Order, the rights afforded under the Plan and the treatment of Claims and Interests under the Plan shall be in exchange for and in complete satisfaction, discharge and release of all Claims and Interests arising or existing on or before the Effective Date, including any interest accrued on Claims from and after the Petition Date. From and after the Effective Date, the Debtors shall be discharged from any and all Claims and Interests that arose or existed prior to the Effective Date, subject to the obligations of the Debtors under the Plan.

16. *Injunctions*

As of the Effective Date, except with respect to the obligations of the Reorganized Debtors under the Plan or the Confirmation Order, all Entities that have held, currently hold or may hold any Claims or Interests, obligations, suits, judgments, damages, demands, debts, rights, causes of action or Liabilities that are waived, discharged or released under the Plan shall be permanently enjoined from taking any of the following enforcement actions against the Debtors, the Reorganized Debtors, the Released Parties or any of their respective assets

or property on account of any such waived, discharged or released Claims, obligations, suits, judgments, damages, demands, debts, rights, causes of action or Liabilities: (1) commencing or continuing in any manner any action or other proceeding; (2) enforcing, levying, attaching, collecting or recovering in any manner any judgment, award, decree or order; (3) creating, perfecting or enforcing any lien or encumbrance; (4) asserting any right of setoff, subrogation or recoupment of any kind against any debt, liability or obligation due to any Debtor, Reorganized Debtor or Released Party; and (5) commencing or continuing any action, in any manner, in any place to assert any Claim waived, discharged or released under the Plan or that does not otherwise comply with or is inconsistent with the provisions of the Plan.

17. *Exculpation*

From and after the Effective Date, the Exculpated Parties, the Debtors and the Reorganized Debtors shall neither have nor incur any liability to any Entity, and no Holder of a Claim or Interest, no other party in interest and none of their respective Representatives shall have any right of action against any Debtor, Reorganized Debtor, Exculpated Party or any of their respective Representatives for any act taken or omitted to be taken before the Effective Date in connection with, related to or arising out of the Chapter 11 Cases, the Debtors or the negotiation, consideration, formulation, preparation, dissemination, implementation, Confirmation or consummation of the Plan, the Exhibits, the Disclosure Statement, any amendments to any of the foregoing or any other transactions proposed in connection with the Chapter 11 Cases or any contract, instrument, release or other agreement or document created or entered into or any other act taken or omitted to be taken in connection therewith or in connection with any other obligations arising under the Plan or the obligations assumed hereunder; provided, however, that the foregoing provisions of Section X.D of the Plan shall have no effect on: (1) the liability of any Entity that would otherwise result from the failure to perform or pay any obligation or liability under the Plan or any contract, instrument, release or other agreement or document to be entered into or delivered in connection with the Plan or (2) the liability of any Exculpated Party that would otherwise result from any act or omission of such Exculpated Party to the extent that such act or omission is determined in a Final Order to have constituted gross negligence or willful misconduct (including fraud).

18. *Releases*

a. *Debtor Release*

Without limiting any other applicable provisions of, or releases contained in, the Plan, as of the Effective Date, to the fullest extent permitted by law, the Debtors and the Reorganized Debtors, on behalf of themselves and their affiliates, the Estates and their respective successors, assigns and any and all Entities who may purport to claim by, through, for or because of them, shall forever release, waive and discharge all Liabilities that they have, had or may have against a Debtor, the Estates, any Released Party with respect to the Chapter 11 Cases, the negotiation, consideration, formulation, preparation, dissemination, implementation, Confirmation or consummation of the Plan, the Exhibits, the Disclosure Statement, any amendments thereto, the Initial DIP Credit Agreement, the Initial DIP Order, the Modified DIP Credit Agreement, the Modified DIP Order, any of the New Securities and Documents, the Restructuring Transactions or any other transactions proposed in connection with the Chapter 11 Cases or any contract, instrument, release or other agreement or document created or entered into or any other act taken or omitted to be taken in connection therewith or in connection with any other obligations arising under the Plan or the obligations assumed hereunder; provided, however, that the foregoing provisions of Section X.E of the Plan shall not affect (a) the liability of any Released Party that otherwise would result from any act or omission to the extent that act or omission subsequently is determined in a Final Order to have constituted gross negligence or willful misconduct (including fraud), (b) any rights to enforce the Plan or the other contracts, instruments, releases, agreements or documents to be, or previously, entered into or delivered in connection with the Plan, (c) except as otherwise expressly set forth in the Plan, any objections by the Debtors or the Reorganized Debtors to Claims or Interests filed by any Entity against any Debtor and/or the Estates, including rights of setoff, refund or other adjustments, (d) the rights of the Debtors to assert any applicable defenses in litigation or other proceedings with their employees (including the rights to seek sanctions, fees and other costs) and (e) any claim of the Debtors or Reorganized Debtors, including (but not limited to) cross-claims or counterclaims or other causes of action against employees or other parties, arising out of or relating to actions for personal injury, wrongful death, property damage, products liability or similar legal theories of recovery to which the Debtors or Reorganized Debtors are a party.

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the Debtor Release, which includes by reference each of the related provisions and definitions contained herein, and, further, shall constitute the Bankruptcy Court's finding that the Debtor Release is: (1) in exchange for the good and valuable consideration provided by the Released Parties; (2) a good faith settlement and compromise of the claims released by the Debtor Release; (3) in the best interests of the Debtors and all Holders of Claims and Interests; (4) fair, equitable and reasonable; (5) given and made after due notice and opportunity for hearing; and (6) a bar to any of the Releasing Parties asserting any claim or cause of action released pursuant to the Debtor Release.

b. *Third Party Releases*

Without limiting any other applicable provisions of, or releases contained in, the Plan, as of the Effective Date, in consideration for the obligations of the Plan Debtors and the Reorganized Debtors under the Plan and the consideration and other contracts, instruments, releases, agreements or documents to be entered into or delivered in connection with the Plan, each Holder of a Claim or Interest in Classes B, D, G, and J shall be deemed to have forever released and covenanted with the Released Parties to forever release, waive and discharge all Liabilities in any way that such Entity has, had or may have against any Released Party (which release shall be in addition to the discharge of Claims and termination of Interests provided herein and under the Confirmation Order and the Bankruptcy Code), in each case, relating to a Debtor, the Estates, the Chapter 11 Cases, the negotiation, consideration, formulation, preparation, dissemination, implementation, Confirmation or consummation the Plan, the Exhibits, the Disclosure Statement, any amendments thereto, the Initial DIP Credit Agreement, the Initial DIP Order, the Modified DIP Credit Agreement, the Modified DIP Order, any of the New Securities and Documents, the Restructuring Transactions or any other transactions in connection with the Chapter 11 Cases or any contract, instrument, release or other agreement or document created or entered into or any other act taken or omitted to be taken in connection therewith or in connection with any other obligations arising under the Plan or the obligations assumed hereunder; *provided, however*, that this provisions shall have no effect on: (a) the liability of any Entity that would otherwise result from the failure to perform or pay any obligation or liability under the Plan or any contract, instrument, release or other agreement or document to be entered into or delivered in connection with the Plan; (b) the liability of any Released Party that would otherwise result from any act or omission of such Released Party to the extent that such act or omission is determined in a Final Order to have constituted gross negligence or willful misconduct (including fraud); or (c) any Holder of a Claim or Interest in Classes B, D, G, and J who elects not to provide such Third Party Release by notation on the Ballot.

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the Third Party Release, which includes by reference each of the related provisions and definitions contained herein, and, further, shall constitute the Bankruptcy Court's finding that the Third Party Release is: (1) in exchange for the good and valuable consideration provided by the Released Parties; (2) a good faith settlement and compromise of the claims released by the Third Party Release; (3) in the best interests of the Debtors and all Holders of Claims and Interests; (4) fair, equitable and reasonable; (5) given and made after due notice and opportunity for hearing; and (6) a bar to any of the Releasing Parties asserting any claim or cause of action released pursuant to the Third Party Release.

19. *Votes Solicited in Good Faith*

The Plan Proponents have, and upon confirmation of the Plan shall be deemed to have, solicited acceptances of the Plan in good faith and in compliance with the applicable provisions of the Bankruptcy Code. The Plan Proponents (and each of their respective affiliates, agents, directors, officers, members, employees, advisors, and attorneys) have participated in good faith and in compliance with the applicable provisions of the Bankruptcy Code in the offer and issuance of the securities offered and sold under the Plan and therefore have not, and on account of such offer and issuance will not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or the offer or issuance of the securities offered and distributed under the Plan.

20. *Termination of Certain Subordination Rights*

The classification and manner of satisfying Claims under the Plan take into consideration all subordination rights, whether arising under general principles of equitable subordination, contract, Bankruptcy Code §§ 510(a) and 510(c) or otherwise, that a Holder of a Claim or Interest may have against other Claim or Interest Holders with respect to any distribution made pursuant to the Plan, including, without limitation, any such rights that are resolved in connection with the settlement of the Avoidance Claims. All subordination rights that a Holder of a Claim, other than a Holder of a Claim Reinstated hereunder, may have with respect to any distribution to be made pursuant to the Plan will be discharged and terminated, and all actions related to the enforcement of such subordination rights will be permanently enjoined. Accordingly, distributions pursuant to the Plan will not be subject to payment to a beneficiary of such terminated subordination rights or to levy, garnishment, attachment or other legal process by a beneficiary of such terminated subordination rights.

B. Provisions Governing Distributions

1. *Distributions for Allowed Claims as of the Effective Date*

Except as otherwise provided in Section V of the Plan, distributions to be made on the Effective Date to Holders of Allowed Claims as provided by Sections II or V of the Plan shall be deemed made on the Effective Date if made on the Effective Date or as promptly thereafter as practicable by the Debtors or the Reorganized Debtors, as applicable.

2. *Undeliverable Distribution*

a. *Holding of Undeliverable Distributions*

The Reorganized Debtors shall make one attempt to make the distributions contemplated hereunder in accordance with the procedures set forth herein. Any distributions returned to the Reorganized Debtors, or distributions that are otherwise undeliverable, shall remain in the possession of the applicable Reorganized Debtor until such time as a distribution becomes deliverable.

b. *Failure to Claim Undeliverable Distributions*

Any Holder of an Allowed Claim entitled to a distribution of property under the Plan that does not assert a claim pursuant to the Plan for an undeliverable distribution within 180 days after the Effective Date shall have its claim for such undeliverable distribution discharged and shall be forever barred from asserting any such claim against the Reorganized Debtors or their respective property.

3. *Compliance with Tax Requirements*

In connection with the Plan and all instruments issued in connection herewith and distributed hereunder, to the extent applicable, the Debtors, the Reorganized Debtors, the Litigation Trustee or any other party issuing any instruments or making any distributions under the Plan shall comply with all applicable Tax withholding and reporting requirements imposed on them by any governmental unit, and all distributions pursuant to the Plan and all related agreements shall be subject to such withholding and reporting requirements. Each of the Debtors, Reorganized Debtors, and the Litigation Trustee, as applicable, shall be authorized to take any actions that may be necessary or appropriate to comply with such withholding and reporting requirements, including applying a portion of any Cash distribution to be made under the Plan to pay applicable Tax withholding. In the case of a non-Cash distribution that is subject to withholding, the distributing party may withhold an appropriate portion of such distributed property and sell such withheld property to generate Cash necessary to pay over the withholding tax. Any amounts withheld pursuant to the immediately preceding sentence shall be deemed to have been distributed and received by the applicable recipient for all purposes of the Plan. Notwithstanding any other provision of the Plan, each Holder of an Allowed Claim receiving a distribution pursuant to the Plan shall have the sole and exclusive responsibility for the satisfying and paying of any Tax obligations imposed on it by any governmental unit on account of such distribution, including income, withholding and other Tax obligations. Any party issuing any instrument or making any distribution pursuant to the Plan has the right, but not the obligation, to not make a

distribution until such Holder has made arrangements satisfactory to the issuing or disbursing party for the payment of any tax obligations.

Any party entitled to receive any property as an issuance or distribution under the Plan shall be required, if so requested, to deliver to the Debtors, the Reorganized Debtors, the Litigation Trustee or any other party issuing any instruments or making any distributions under the Plan (or such other Entity designated by any of the foregoing), as applicable, an IRS Form W-9 or (if the payee is a foreign Entity) an IRS Form W-8BEN, IRS Form W-8BEN-E, or such other IRS Form W-8, as applicable, unless such Entity is exempt under the Internal Revenue Code and so notifies the making the distribution. Unless a properly completed IRS Form W-9 or IRS Form W-8, as appropriate, is delivered to the distributing party (or such other Entity), the distributing party, in its sole discretion, may (a) make a distribution net of any applicable withholding, including backup withholding, or (b) reserve such distribution. If the distributing party reserves such distribution, and the Holder fails to comply with the requirement to deliver the IRS Form W-9 or IRS Form W-8 within 180 days after the Effective Date, such distribution shall be deemed undeliverable in accordance with Section IX.B.2 above.

4. *Distribution Record Date*

The Plan Debtor or Reorganized Debtors will have no obligation to recognize the transfer, or the sale, of any participation in, any Claim that occurs after the close of business on the Distribution Record Date and will be entitled for all purposes herein to recognize and make distributions only to those holders of Allowed Claims that are holders of such Claims, or participants therein, as of the close of business on the Distribution Record Date.

Except as otherwise provided in a Final Order of the Bankruptcy Court, the transferees of Claims that are transferred pursuant to Bankruptcy Rule 3001 on or prior to the Distribution Record Date will be treated as the holders of such Claims for all purposes, notwithstanding that any period provided by Bankruptcy Rule 3001 for objecting to such transfer has not expired by the Distribution Record Date.

5. *Setoffs*

Except with respect to claims of a Plan Debtor or Reorganized Debtor released pursuant to the Plan or any contract, instrument, release or other agreement or document entered into or delivered in connection with the Plan, the Reorganized Debtors may, pursuant to Bankruptcy Code § 553 or applicable non-bankruptcy law, set off against any Claim and the payments or distributions to be made on account of the Claim the claims, rights and causes of action of any nature that the applicable Debtor or Reorganized Debtor may hold against the Holder of the Claim; *provided, however*, that the failure to effect a setoff shall not constitute a waiver or release by the applicable Debtor or Reorganized Debtor of any claims, rights and causes of action that the Plan Debtor or Reorganized Debtor may possess against the Holder of a Claim.

6. *Allocation Between Principal and Accrued Interest*

Except as otherwise provided in the Plan, the aggregate consideration paid to Holders with respect to their Allowed Claims shall be treated pursuant to the Plan as allocated first to the principal amount of such Allowed Claims (to the extent thereof) and, thereafter, to the interest, if any, accrued through the Effective Date.

7. *Distributions to Holders of Disputed Claims*

Notwithstanding any other provision of the Plan, (1) no payments or distributions will be made on account of a Disputed Claim until such Claim becomes an Allowed Claim, if ever and (2) except as otherwise agreed to by the relevant parties, no partial payments and no partial distributions shall be made with respect to a Disputed Claim until all such disputes in connection with such Disputed Claim have been resolved by settlement or Final Order.

To the extent that a Disputed Claim ultimately becomes an Allowed Claim, distributions (if any) shall be made to the Holder of such Allowed Claim in accordance with the provisions of the Plan. As soon as practicable after the date that the order or judgment of the Bankruptcy Court allowing any Disputed Claim becomes a Final Order, the Holder of such Claim shall receive the distribution (if any) to which such Holder is entitled under the Plan as of the Effective Date, without any interest to be paid on account of such Claim unless required under applicable

bankruptcy law. Distributions made after the Effective Date to Holders of Disputed Claims that are not Allowed Claims as of the Effective Date but which later become Allowed Claims shall be deemed to have been made on the Effective Date.

C. Disputed, Contingent and Unliquidated Claims

1. *Allowance of Claims*

After the Effective Date, the Reorganized Debtors shall have and retain any and all rights and defenses the Debtors had with respect to any Claim immediately prior to the Effective Date, except with respect to any Claim deemed Allowed under the Plan. Except as expressly provided in the Plan or in any order entered in the Chapter 11 Cases prior to the Effective Date (including the Confirmation Order), no Claim shall become an Allowed Claim unless and until such Claim is deemed Allowed under the Plan or the Bankruptcy Code or the Bankruptcy Court has entered a Final Order (including the Confirmation Order) in the Chapter 11 Cases allowing such Claim. All settled Claims approved prior to the Effective Date pursuant to a Final Order of the Bankruptcy Court pursuant to Bankruptcy Rule 9019 or otherwise shall be binding on all parties.

Any Claim that has been listed in the Schedules as disputed, contingent or unliquidated, and for which no Proof of Claim has been timely filed, is not considered Allowed and shall be expunged without further action and without any further notice to or action, order or approval of the Bankruptcy Court.

2. *Prosecution of Objections to Claims*

Except as otherwise specifically provided in the Plan, the Debtors, prior to the Effective Date, and the Reorganized Debtors, after the Effective Date, shall have the sole authority: (1) to File, withdraw or litigate to judgment, objections to Claims; (2) to settle or compromise any Disputed Claim without any further notice to or action, order or approval by the Bankruptcy Court; and (3) to administer and adjust the claims register to reflect any such settlements or compromises without any further notice to or action, order or approval by the Bankruptcy Court.

3. *Estimation of Claims*

The Debtors, prior to the Effective Date, and the Reorganized Debtors after the Effective Date, as applicable, may (but are not required to) at any time request that the Bankruptcy Court estimate any Claim that is contingent or unliquidated pursuant to Bankruptcy Code § 502(c) for any reason, regardless of whether any party previously has objected to such Claim or whether the Bankruptcy Court has ruled on any such objection. The Bankruptcy Court shall retain jurisdiction to estimate any such Claim, including during the litigation of any objection to any Claim or during the appeal relating to such objection. In the event that the Bankruptcy Court estimates any contingent or unliquidated Claim, that estimated amount shall constitute a maximum limitation on such Claim for all purposes under the Plan (including for purposes of distributions), and the relevant Reorganized Debtor may elect to pursue any supplemental proceedings to object to any ultimate distribution on such Claim or Interest.

4. *Adjustment to Claims Without Objection*

Any Claim that has been paid or satisfied, or any Claim that has been amended or superseded, may be adjusted or expunged on the claims register by the Reorganized Debtors without a claim objection having to be Filed and without any further notice to or action, order or approval of the Bankruptcy Court.

5. *Disallowance of Certain Claims*

EXCEPT AS PROVIDED IN SECTION VIA OF THE PLAN, IN AN ORDER OF THE BANKRUPTCY COURT OR OTHERWISE AGREED, ANY AND ALL PROOFS OF CLAIM FILED AFTER THE CLAIMS BAR DATE SHALL BE DEEMED DISALLOWED AND EXPUNGED AS OF THE EFFECTIVE DATE WITHOUT ANY FURTHER NOTICE TO OR ACTION, ORDER OR APPROVAL OF THE BANKRUPTCY COURT, AND HOLDERS OF SUCH CLAIMS MAY NOT RECEIVE ANY DISTRIBUTIONS ON ACCOUNT OF SUCH CLAIMS.

6. *Offer of Judgment*

The Reorganized Debtors are authorized to serve upon a Holder of a Disputed Claim an offer to allow judgment to be taken on account of such Disputed Claim, and, pursuant to Bankruptcy Rules 7068 and 9014, Federal Rule of Civil Procedure 68 shall apply to such offer of judgment. To the extent the Holder of a Disputed Claim must pay the costs incurred by the Reorganized Debtors after the making of such offer, the Reorganized Debtors are entitled to set off such amounts against the amount of any distribution to be paid to such Holder without any further notice to or action, order, or approval of the Bankruptcy Court.

7. *Amendments to Claims*

On or after the Effective Date, except as provided herein, a Claim may not be filed or amended without the prior authorization of the Bankruptcy Court or the Reorganized Debtors, and, to the extent such prior authorization is not received, any such new or amended Claim filed shall be deemed disallowed in full and expunged without any further action.

D. Conditions Precedent to Consummation of the Plan

1. *Condition to the Effective Date*

The Effective Date shall not occur, and the Plan shall not be consummated unless and until the following conditions have been satisfied or duly waived pursuant to Section VII.A of the Plan:

- All documents and agreements necessary to consummate the Plan shall have been effected or executed.
- The Bankruptcy Court shall have entered the Confirmation Order, and the Confirmation Order shall be (i) a Final Order and (ii) in form and substance reasonably acceptable to the Plan Proponents.

2. *Waiver of Conditions to the Effective Date*

The conditions to the Effective Date may be waived in whole or part at any time by the Plan Proponents, without an order of the Bankruptcy Court.

3. *Effects of Nonoccurrence of Conditions to the Effective Date*

If the Effective Date does not occur, then (i) the Plan will be null and void in all respects; (ii) any settlement or compromise embodied in the Plan (including the fixing or limiting to an amount certain of any Claim or Interest or Class of Claims or Interests), assumption or rejection of Executory Contracts or Unexpired Leases effected by the Plan, and any document or agreement executed pursuant to the Plan, will be deemed null and void; and (iii) nothing contained in the Plan or the Disclosure Statement will (a) constitute a waiver or release of any Claims or Interests, (b) prejudice in any manner the rights of the Debtors or any other Person or Entity, or (c) constitute an admission, acknowledgement, offer, or undertaking of any sort by the Debtors or any other Person or Entity.

E. Miscellaneous Provisions

1. *Retention of Jurisdiction by the Bankruptcy Court*

Notwithstanding the entry of the Confirmation Order and the occurrence of the Effective Date, the Bankruptcy Court will retain such jurisdiction over the Chapter 11 Cases after the Effective Date as is legally permissible, including jurisdiction to:

- Modify the Plan before or after the Effective Date pursuant to Bankruptcy Code § 1127; modify the Confirmation Order or any contract, instrument, release or other agreement or document entered into or delivered in connection with the Plan, the Disclosure Statement or the Confirmation Order; or remedy any defect or omission or reconcile any inconsistency in any Bankruptcy Court order, the Plan, the Disclosure Statement, the Confirmation Order or any contract, instrument, release or other agreement or document entered into, delivered or created in connection with the Plan, the Disclosure Statement or the Confirmation Order, in such manner as may be necessary or appropriate to consummate the Plan;
- Hear and determine any matter, case, controversy, suit, dispute, or Causes of Action regarding the existence, nature and scope of the releases, injunctions, and exculpation provided under the Plan, and issue injunctions, enforce the injunctions contained in the Plan and the Confirmation Order, enter and implement other orders or take such other actions as may be necessary or appropriate to implement, enforce or restrain interference by any Entity with respect to the consummation, implementation or enforcement of the Plan or the Confirmation Order, including the releases, injunctions, and exculpation provided under the Plan;

- Recover all assets of the Debtors and their Estates, wherever located; and
- Hear any other matter over which with the Bankruptcy Court has jurisdiction.

2. *Failure of Bankruptcy Court to Exercise Jurisdiction*

If the Bankruptcy Court abstains from exercising, or declines to exercise, jurisdiction or is otherwise without jurisdiction over any matter, including the matters set forth in Section XI of the Plan, the provisions of Section XI of the Plan will have no effect upon and will not control, prohibit or limit the exercise of jurisdiction by any other court having jurisdiction with respect to such matter.

3. *Amendment or Modification of the Plan*

Subject to the restrictions on modifications set forth in Bankruptcy Code § 1127, the Plan Proponents reserve the right to alter, amend or modify the Plan before its substantial consummation; *provided* any such alterations, amendments or modifications are in form and substance reasonably acceptable to each of the Plan Proponents. Prior to the Effective Date, the Plan Proponents may make appropriate technical adjustments and modifications to the Plan without further order or approval of the Bankruptcy Court. Holders of Claims that have accepted the Plan shall be deemed to have accepted the Plan, as amended, modified, or supplemented, if the proposed amendment, modification, or supplement does not materially and adversely change the treatment of the Claim of such Holder; *provided, however*, that any Holders of Claims who were deemed to accept the Plan because such Claims were Unimpaired shall continue to be deemed to accept the Plan only if, after giving effect to such amendment, modification, or supplement, such Claims continue to be Unimpaired.

4. *Severability*

If prior to the entry of the Confirmation Order, any term or provision of the Plan is determined by the Bankruptcy Court to be invalid, void, or unenforceable, the Bankruptcy Court may, at the request of the Plan Proponents, alter and interpret such term or provision to the extent necessary to render it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void, or unenforceable, and such term or provision shall then be applicable as so altered or interpreted. Notwithstanding any such holding, alteration or interpretation, the remaining terms and provisions of the Plan shall remain in full force and effect and shall in no way be affected, impaired or invalidated by such holding, alteration or interpretation. The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of the Plan, as it may have been altered or interpreted in accordance with the foregoing, is valid and enforceable pursuant to its terms.

5. *Successors and Assigns*

The rights, benefits and obligations of any Entity named or referred to in the Plan shall be binding on, and shall inure to the benefit of, any heir, executor, administrator, successor or assign of such Entity.

X. FINANCIAL PROJECTIONS

As further discussed below, the Plan Proponents believe the Plan meets the feasibility requirement set forth in Bankruptcy Code § 1129(a)(11), as Confirmation is not likely to be followed by liquidation or the need for further financial reorganization of the Reorganized Debtors.

In connection with developing the Plan, and for purposes of determining whether the Plan satisfies feasibility standards, the Debtors' management has, through the development of financial projections for the years 2016 through 2020 as attached hereto as Exhibit B (the "**Financial Projections**"), analyzed the Reorganized Debtors' ability to meet their obligations under the Plan and to maintain sufficient liquidity and capital resources to conduct their business. The Plan Proponents believe that the Reorganized Debtors will have sufficient liquidity to fund obligations as they arise, thereby maintaining value. Accordingly, the Plan Proponents believe the Plan satisfies the feasibility requirement of Bankruptcy Code § 1129(a)(11). The Plan Proponents prepared the Financial Projections in good faith, based upon estimates and assumptions made by the Debtors' management.

The Financial Projections assume that the Plan will be consummated in accordance with its terms and that all transactions contemplated by the Plan will be consummated by the assumed Effective Date. Any significant delay in the assumed Effective Date of the Plan may have a significant negative impact on the operations and financial performance of the Debtors. Additionally, the estimates and assumptions in the Financial Projections, while considered reasonable by management, may not be realized, and are inherently subject to uncertainties and contingencies. They also are based on factors such as industry performance, general business, economic, competitive, regulatory, market, and financial conditions, all of which are difficult to predict and generally beyond the Debtors' control. Because future events and circumstances may well differ from those assumed and unanticipated events or circumstances may occur, the Debtors expect that the actual and projected results will differ and the actual results may be materially different from those reflected in the Financial Projections. No representations can be made as to the accuracy of the Financial Projections or the Reorganized Debtors' ability to achieve the projected results. Therefore, the Financial Projections may not be relied upon as a guaranty or other assurance of the actual results that will occur. The inclusion of the Financial Projections should not be regarded as an indication that the Debtors considered or consider the Financial Projections to reliably predict future performance. The Financial Projections are subjective in many respects, and thus are susceptible to interpretations and periodic revisions based on actual experience and recent developments. The Plan Proponents do not intend to update or otherwise revise the Financial Projections to reflect the occurrence of future events, even in the event that assumptions underlying the Financial Projections are not borne out. The Financial Projections should be read in conjunction with the assumptions and qualifications set forth herein.

XI. RISK FACTORS TO BE CONSIDERED

Parties in interest should read and carefully consider the following factors, as well as the other information set forth in this Disclosure Statement (and the documents delivered together herewith and/or incorporated by reference herein), before deciding whether to vote to accept or to reject the Plan. This information, however, does not describe the only risks involved in connection with the Plan and its implementation.

A. Certain Bankruptcy Considerations

1. *If the Plan is not confirmed or consummated, or the reorganization is delayed, distributions to Holders of Allowed Claims would be materially reduced.*

If the Plan is not confirmed or consummated, there can be no assurance that the Chapter 11 Cases will continue rather than be converted to chapter 7 liquidation cases, or that any alternative plan of reorganization would be on terms as favorable to Holders of Claims as the terms of the Plan. The Plan Proponents anticipate that certain parties in interest may file objections to the Plan in an effort to persuade the Bankruptcy Court that the Plan

Proponents have not satisfied the confirmation requirements under Bankruptcy Code §§ 1129(a) and (b). Even if (a) no objections are filed, (b) all impaired Classes of Claims accept or are deemed to have accepted the Plan or (c) with respect to any Class that rejects or is deemed to reject the Plan, the requirements for “cramdown” are met, the Bankruptcy Court, which can exercise substantial discretion, may determine that the Plan does not meet the requirements for confirmation under Bankruptcy Code §§ 1129(a) and (b). Bankruptcy Code § 1129(a) requires, among other things, (a) a demonstration that the Confirmation of the Plan will not be followed by liquidation or need for further financial reorganization of the Debtors, except as contemplated by the Plan, and (b) that the value of distributions to parties entitled to vote on the Plan who vote to reject the Plan not be less than the value of distributions such creditors would receive if the Debtors were liquidated under chapter 7 of the Bankruptcy Code. Although the Plan Proponents believe that the Plan will meet the requirements for confirmation, there can be no assurance that the Bankruptcy Court will reach the same conclusion. If the Bankruptcy Court determines that the Plan violates Bankruptcy Code § 1129 in any manner, including, among other things, the cramdown requirements under Bankruptcy Code § 1129(b), the Plan Proponents have reserved the right to amend the Plan in such a manner so as to satisfy the requirements of Bankruptcy Code § 1129. If a liquidation or protracted reorganization were to occur, the distributions to Holders of Allowed Claims would be drastically reduced. In particular, the Plan Proponents believe that, as set forth in the Liquidation Analysis, in a liquidation under chapter 7, Holders of Allowed Claims would receive substantially less because of the inability in a liquidation to realize the greater going-concern value of the Debtors’ assets. Furthermore, administrative expenses of a chapter 7 trustee and the trustee’s attorneys, accountants and other professionals would cause a substantial erosion of the value of the Debtors’ estates. Substantial additional Claims may also arise by reason of the liquidation and from the rejection of previously assumed unexpired leases and other executory contracts further reducing distributions to Holders of Allowed Claims.

2. *The Plan may not be consummated if the conditions to Effectiveness of the Plan are not satisfied.*

Section VII.A of the Plan provides for certain conditions that must be satisfied (or waived) prior to the Effective Date. Many of the conditions are outside of the control of the Debtors. There can be no assurance that any or all of the conditions in the Plan will be satisfied (or waived). Accordingly, even if the Plan is confirmed by the Bankruptcy Court, there can be no assurance that the Plan will be consummated and the restructuring completed. If the Plan is not consummated, there can be no assurance that the Chapter 11 Cases would not be converted to chapter 7 liquidation cases or that any new chapter 11 plan would be as favorable to Holders of Claims as the current Plan. Either outcome may materially reduce distributions to Holders of Claims. See Section IX.D.1 of this Disclosure Statement for a description of the conditions to the effectiveness of the Plan.

3. *If the Effective Date is delayed or projected proceeds are not timely received, the Debtors may need to seek postpetition financing.*

The Debtors may not have sufficient cash available in order to operate their business if the Effective Date is delayed or projected proceeds are not timely received by the Debtors. In that case, the Debtors may need new postpetition financing, which may increase the costs of consummating the Plan. There is no assurance of the terms on which such financing may be available or if such financing will be available. Any increased costs as a result of the incurrence of additional indebtedness may reduce amounts available to distribute to Holders of Allowed Claims.

4. *If current estimates of Allowed Claims prove inaccurate, Reorganized Relativity’s financial condition could be materially and adversely affected.*

The estimates of Allowed Claims in this Disclosure Statement are based on the Debtors’ books and records. Upon the passage of all applicable Bar Dates, the completion of further analyses of the Proofs of Claim, the completion of Claims litigation and related matters, the total amount of Claims that ultimately become Allowed Claims in the Chapter 11 Cases may differ from the Debtors’ estimates, and such difference could be material. For example, the amount of any Disputed Claim that ultimately is allowed may be significantly more or less than the estimated amount of such Claim. Particular risks exist with respect to those Claims such as Priority Non-Tax Claims, Priority Tax Claims and Secured Claims. If estimates of such Claims are inaccurate, it may materially and adversely affect Reorganized Relativity’s financial condition.

B. Financial Condition and Indebtedness

1. *Reorganized Relativity faces substantial capital requirements.*

Relativity has utilized significant amounts of cash to invest in motion pictures and marketing and relies heavily on obtaining government incentives, as well as its ability to borrow capital against its distribution agreements, to meet its working capital requirements. There can be no assurance that such future sources of funding will be available to Reorganized Relativity on terms that are economically feasible or at all. The unavailability of such sources could potentially prevent Reorganized Relativity from meeting the objectives set forth in its business plan or from meeting its working capital needs.

2. *Restrictions imposed by agreements governing indebtedness incurred by Reorganized Relativity or market conditions may limit Reorganized Relativity's ability to obtain additional liquidity.*

If Reorganized Relativity requires working capital greater than that provided by operating cash flow as a result of these sources of liquidity not meeting current projected needs or if additional cash is needed to fund additional business opportunities, Reorganized Relativity may be required either to obtain other sources of financing or curtail its operations. The availability of such financing may be limited by market conditions prevailing at the time Reorganized Relativity seeks to obtain such financing and by the terms of the agreements governing any New P&A/Ultimates Facility and indebtedness incurred by Reorganized Relativity. No assurance can be given, however, that any additional financing will be available on terms that are favorable or acceptable to Reorganized Relativity. Any inability to raise needed capital could have a material impact on Reorganized Relativity's business, financial condition, cash flows and results of operations.

3. *Projections of future performance by Reorganized Relativity are based on assumptions which may not prove accurate and many of which are outside the control of Reorganized Relativity.*

The Projections attached to this Disclosure Statement as Exhibits B and C are inherently uncertain and are dependent upon the reliability of certain assumptions regarding the performance of Reorganized Relativity in the markets in which it operates. The Projections reflect numerous assumptions, including Confirmation and consummation of the Plan in accordance with its terms, the terms of the amendments of the operative agreements, the anticipated future performance of Reorganized Relativity, industry performance, general business and economic conditions and other matters, and are subject to many risks, most of which are beyond the control of Reorganized Relativity. Unanticipated events and circumstances occurring after the preparation of the Projections may affect the actual financial results of Reorganized Relativity. Therefore, the actual results achieved throughout the periods covered by the Projections may vary from the projected results. These variations may be material and may adversely affect the ability of Reorganized Relativity to satisfy its obligations following the Effective Date. In addition, this Disclosure Statement does not reflect any events that may occur after the date of this Disclosure Statement. Any failure to successfully implement Reorganized Relativity's business strategy or the Projections within the time frames currently expected, or at all, may have a material adverse impact on the information contained in this Disclosure Statement, and on Reorganized Relativity's business, financial condition, cash flows and results of operations.

4. *Changes to Reorganized Relativity's business plan may cause material adverse changes to Reorganized Relativity's business.*

Reorganized Relativity may make changes to its business, operations and current business plan, which may have a material adverse impact on Reorganized Relativity's future business, financial condition, cash flows and results of operations.

5. *Reorganized Relativity cannot assure future profitability.*

Relativity has had historical net losses with an accumulated deficit that was \$821.5 million as of December 31, 2013. Although Reorganized Relativity expects to be profitable in future periods, there can be no assurance that

Reorganized Relativity will operate profitably as Relativity's primary business – motion picture production and distribution – is highly unpredictable, subject to significant competition and requires significant capital to compete effectively.

C. General Economic Risk Factors and Business Risk Factors

1. *Unpredictability Of Entertainment Industry.*

Motion picture production and distribution is highly speculative and inherently risky. There can be no assurance of the economic success of such motion pictures since the revenues derived from the production and distribution (which do not necessarily bear a direct correlation to the production or distribution costs incurred) depend primarily upon their acceptance by the public, which cannot be predicted.

The production, completion and distribution of motion pictures are subject to a number of uncertainties, including delays and increased expenditures due to creative differences among key cast, other creative personnel, strikes, disruptions caused by weather, cast or crew illness, or accidents or other events beyond the producer's control. As such, the costs of a Relativity-produced film may increase significantly from the original budget, and the date of completion may be substantially delayed due to the exigencies of production. Increased costs may make it less likely that such film will recoup its production costs, and delays in production may result in such film not being ready for release at the intended time and postponement to a potentially less favorable time, all of which could cause a decline in gross receipts for such a film.

The commercial success of a motion picture also depends upon the quality and acceptance of other competing films released into the marketplace at or near the same time, the availability of alternative forms of entertainment and leisure time activities, general economic conditions and other tangible and intangible factors, all of which can change and cannot be predicted with certainty. Further, the theatrical success of a motion picture is generally a key factor in generating revenues from other distribution channels.

There is a substantial risk that some or all of Relativity's future motion pictures will not be commercially successful, resulting in costs not being recouped or anticipated profit not being realized.

2. *Rapid Technological Changes And Alternative Forms Of Delivery Or Storage Of Filmed Entertainment.*

The entertainment industry in general and the motion picture industry in particular continue to undergo significant technological developments. Advances in technologies or alternative methods of product delivery or storage or certain changes in consumer behavior driven by these or other technologies and methods of delivery and storage could have a negative effect on Relativity's business. Examples of such advances in technologies include VOD, new video formats and downloading and streaming from the internet. An increase in VOD could decrease home video rentals. Similarly, further increases in the use of portable digital devices that allow users to view content of their own choosing while avoiding traditional commercial advertisements could adversely affect Relativity's revenues. Other larger entertainment distribution companies will have larger budgets to exploit these growing trends. Relativity cannot predict how it will financially participate in the exploitation of our motion pictures through these emerging technologies or whether it has the right to do so for certain of its library titles. If Relativity cannot successfully exploit these and other emerging technologies, it could have a material adverse effect on its business, results of operations and financial condition.

3. *Piracy Of Motion Pictures, Including Digital And Internet Piracy, May Reduce The Gross Receipts From The Exploitation Of Our Films.*

Motion picture piracy is extensive in many parts of the world, including South America, Asia, and former Eastern bloc countries, and is made easier by technological advances and the conversion of motion pictures into digital formats. This trend facilitates the creation, transmission and sharing of high quality unauthorized copies of motion pictures in theatrical release on DVDs, Blu-ray discs, from pay-per-view through set top boxes and other devices and through unlicensed broadcasts on free television and the internet. The proliferation of unauthorized

copies of these products has had and will likely continue to have an adverse effect on Relativity's business, because these products reduce the revenue Relativity receives from its products.

4. *Reorganized Relativity could be adversely affected by strikes, union actions or other work stoppages.*

The motion pictures by Relativity, and the other major studios in the United States, generally employ actors, writers and directors who are members of the Screen Actors Guild, Writers Guild of America and Directors Guild of America, respectively, pursuant to industry-wide collective bargaining agreements. Many productions also employ members of a number of other labor organizations including, without limitation, the International Alliance of Theatrical and Stage Employees and the International Brotherhood of Teamsters. A strike, union action or other work stoppage by one or more of the unions that provide personnel essential to the production of motion pictures could delay or halt our ongoing production activities. Such a halt or delay, depending on the length of time involved, could cause delay or interruption in Reorganized Relativity's release of new motion pictures and thereby could adversely affect Reorganized Relativity's cash flow and revenues.

5. *Increased costs of prints, advertising and promotion.*

The costs of marketing and distributing feature films have generally increased in recent years. These costs may continue to increase in the future. If gross receipts from motion pictures do not increase at the same rate as any increase in costs, there will be a negative impact on Reorganized Relativity's financial performance. Historically, marketing and distribution costs have risen at a higher rate than the combined effect of increases in the number of domestic admissions to movie theaters and in domestic admission ticket prices. A continuation of this trend would leave Reorganized Relativity more dependent on other media, such as home video, international markets and new media for revenue, and the revenues from such sources may not be sufficient to offset an increase in the cost of marketing and distributing motion pictures. Any of these occurrences could have a material adverse effect on Relativity's revenues and therefore on Reorganized Relativity's business, financial condition and results of operations.

6. *The motion picture industry is highly competitive and at times may create an oversupply of motion pictures in the market.*

Relativity faces competition from companies within the entertainment business, as well as alternative forms of leisure entertainment. Relativity competes with the other major studios, numerous independent motion picture companies, television networks and pay television systems for the acquisition of literary properties, the services of performing artists, directors, producers and other creative and technical personnel and production financing. Numerous organizations with which Relativity competes in the motion picture industry have significantly greater financial and other resources than Relativity, while the independent production companies may have less overhead than Relativity.

The number of motion pictures released by competitors, particularly the major studios, may also create an oversupply of product in the market, reduce share of box office receipts and make it more difficult for motion pictures to succeed commercially. Oversupply may become most pronounced during peak release times.

In addition, with only three major domestic pay television services, there is intense competition among film production companies for the distribution of film projects through these limited channels. There is also significant concentration of the control of retail distribution of DVD units in the United States through a handful of retailers. Similarly, there is significant concentration in the ownership and control of television and other media in a number of overseas markets. As a result, there is a risk that Reorganized Relativity may not be able to distribute its motion pictures in the United States and foreign markets on terms favorably to Relativity, or at all, which could have an adverse effect on Reorganized Relativity's business, financial condition and results of operations.

7. *Reorganized Relativity faces litigation risk.*

Relativity is, from time to time, subject to various asserted or unasserted legal proceedings and claims. Any such claims, regardless of merit, could be time-consuming and expensive to defend and could divert

management's attention and resources. While management believes Relativity has adequate insurance coverage and accrues loss contingencies for all known matters that are probable and can be reasonably estimated, Relativity cannot ensure that the outcome of all current or future litigation will not have a material adverse effect on Relativity and its results of operations.

8. *Reorganized Relativity faces risks from doing business internationally.*

Reorganized Relativity pre-sells foreign motion picture distribution rights through multiple output arrangements in 140 countries. It also receives a variety of other income from international territories as part of its business operations. Revenues and results of operations in these territories are subject to risk inherent in international businesses, many of which are beyond Reorganized Relativity's control, including: laws and policies affecting trade, investment and taxes, laws and policies relating to the repatriation of funds and withholding taxes and changes in these laws, differing cultural tastes and attitudes including varied censorship laws, differing degrees of protection for intellectual property and piracy, potential difficult enforcing contracts in some jurisdictions, financial instability and increased market concentration of buyers in foreign markets, the instability of foreign economies and governments, war and acts of terrorism, and fluctuating foreign exchange rates.

9. *In the Sport Representation and Management Business, Relativity is heavily reliant on its key agents.*

Athlete representation is a personal services and relationship business that relies on its agents to remain within the structure to maximize revenues by maintaining and attracting clients. The compensation structure of key agents is aligned with the success of the sports representation and management business. All current agents have been signed to long-term service agreements with restrictive covenants. Relativity's principal agents received equity as a significant portion of the consideration for Relativity's acquisition of their businesses, to better align their interests with those of other owners of Relativity and to incentivize long-term service to Relativity. If, despite these measures, key agents leave, their departure could adversely affect future revenues and business prospects, and accordingly could have an adverse effect on Reorganized Relativity's business, financial condition, and results of operations.

10. *Relativity does not and currently cannot own any equity interest in Sky Land (Beijing) Film-Television Culture Development Ltd., a PRC entity due to government regulation on foreign companies owning equity in China companies engaged in the entertainment and media industry.*

Relativity's PRC operations are conducted through Sky Land (Beijing) Film-Television Culture Development Ltd. ("**Sky Land Beijing**"). Foreign companies, such as Sky Land Entertainment Ltd. (BVI) ("**Relativity Sky Land**"), are not permitted to own equity interest in PRC entities that conduct business in the PRC entertainment and media industry. Relativity relies on Sky Land Beijing to comply with its obligations under contractual business arrangements that have been agreed upon by Relativity and its partners to operate Relativity's motion picture production and distribution business in China, which arrangements may not have been evidenced by written contracts. Such arrangements, whether or not evidenced in writing, may not be as effective in providing the Company with control over Sky Land Beijing as direct ownership. If Sky Land Beijing fails to perform under these arrangement including, without limitation, failing to distribute Relativity's motion pictures or to remit to Relativity 100% of its profits, Relativity may have to incur substantial costs to enforce these arrangements, which may be unsuccessful. Any claims Reorganized Relativity brings would require it to rely on legal remedies under PRC laws, regulations and policies, which may not be favorable to Reorganized Relativity. In the event that Sky Land Beijing no longer cooperates with the Company and the Company is unable to enforce these arrangements, there would be a material adverse effect on Reorganized Relativity's ability to continue to conduct business in the PRC, which could negatively affect Reorganized Relativity's business, financial condition and results of operations.

11. *Relativity will need to attract and retain key employees to rebuild management its management team post-confirmation.*

Reorganized Relativity's ability to compete as a business, and more particularly in the entertainment industry, will depend in part on its ability to attract and retain key personnel. If Reorganized Relativity is unable to

hire and retain qualified management or if any key member of management leaves, such departure could adversely affect Reorganized Relativity's operations. In addition, if Reorganized Relativity experiences material growth, it will need to attract and retain additional qualified personnel. The market for qualified and talented personnel in the entertainment industry is intensely competitive, and Reorganized Relativity cannot be sure that it will be able to attract and retain a sufficient number of qualified personnel in future periods. If Reorganized Relativity is unable to attract or retain qualified personnel as needed, its growth will be hampered and operating results could be materially adversely affected.

XII. FEDERAL INCOME TAX CONSEQUENCES OF CONSUMMATION OF THE PLAN

A. General

A DESCRIPTION OF CERTAIN U.S. FEDERAL INCOME TAX CONSEQUENCES OF THE PLAN IS PROVIDED BELOW. THE DESCRIPTION IS BASED ON THE INTERNAL REVENUE CODE (THE "IRC"), TREASURY REGULATIONS, JUDICIAL DECISIONS AND ADMINISTRATIVE DETERMINATIONS, ALL AS IN EFFECT ON THE DATE OF THIS DISCLOSURE STATEMENT AND ALL SUBJECT TO CHANGE, POSSIBLY WITH RETROACTIVE EFFECT. CHANGES IN ANY OF THESE AUTHORITIES OR IN THEIR INTERPRETATION COULD CAUSE THE U.S. FEDERAL INCOME TAX CONSEQUENCES OF THE PLAN TO DIFFER MATERIALLY FROM THE CONSEQUENCES DESCRIBED BELOW.

THE U.S. FEDERAL INCOME TAX CONSEQUENCES OF THE PLAN ARE COMPLEX AND, IN IMPORTANT RESPECTS, UNCERTAIN. NO RULING HAS BEEN REQUESTED FROM THE INTERNAL REVENUE SERVICE (THE "IRS"); NO OPINION HAS BEEN REQUESTED FROM DEBTORS' COUNSEL CONCERNING ANY TAX CONSEQUENCES OF THE PLAN; AND NO TAX OPINION IS GIVEN BY THIS DISCLOSURE STATEMENT.

THE DESCRIPTION THAT FOLLOWS DOES NOT COVER ALL ASPECTS OF U.S. FEDERAL INCOME TAXATION THAT MAY BE RELEVANT TO THE DEBTORS OR HOLDERS OF CLAIMS OR INTERESTS IN THE DEBTORS. FOR EXAMPLE, THE DESCRIPTION DOES NOT ADDRESS ISSUES OF SPECIAL CONCERN TO CERTAIN TYPES OF TAXPAYERS, SUCH AS DEALERS IN SECURITIES, LIFE INSURANCE COMPANIES, FINANCIAL INSTITUTIONS, TAX-EXEMPT ORGANIZATIONS, PARTNERSHIPS OR PARTNERS IN PARTNERSHIPS; NOR DOES IT ADDRESS TAX CONSEQUENCES TO HOLDERS OF CLAIMS OR INTERESTS IN THE DEBTORS WHO ARE NOT ENTITLED TO VOTE ON THE PLAN. THE DESCRIPTION ALSO DOES NOT DISCUSS STATE, LOCAL, NON-U.S. OR NON-INCOME TAX CONSEQUENCES, NOR DOES IT DISCUSS TAX CONSEQUENCES TO NON-U.S. HOLDERS OF CLAIMS.

FOR THESE REASONS, THE DESCRIPTION THAT FOLLOWS IS NOT A SUBSTITUTE FOR CAREFUL TAX PLANNING AND PROFESSIONAL TAX ADVICE BASED UPON THE INDIVIDUAL CIRCUMSTANCES OF EACH HOLDER OF A CLAIM OR INTERESTS IN THE DEBTORS. HOLDERS OF CLAIMS OR INTERESTS IN THE DEBTORS ARE URGED TO CONSULT WITH THEIR OWN TAX ADVISORS REGARDING THE U.S. FEDERAL, STATE, LOCAL AND NON-U.S. TAX CONSEQUENCES OF THE PLAN.

B. U.S. Federal Income Tax Consequences to the Debtors

Relativity Holdings is a limited liability company that is treated as a partnership for U.S. federal income tax purposes, and the vast majority of Relativity Holdings' subsidiaries that are Debtors are disregarded entities for U.S. federal income tax purposes. Accordingly, Relativity Holdings and such Debtors are not subject to U.S. federal income tax, and Holders of Interests in Relativity Holdings, as partners in Relativity Holdings, generally are liable for U.S. federal income tax on their distributive (i.e., allocable) shares of Relativity Holdings' and such Debtors' income, gain, loss and deductions, including discharge of indebtedness (i.e., cancellation of debt) income.

C. U.S. Federal Income Tax Consequences to Holders of Allowed Claims

The U.S. federal income tax consequences of the implementation of the Plan to each Holder of an Allowed Claim will depend on, among other things, the consideration to be received by the Holder, whether the Holder reports income on the accrual or cash method, whether the Holder's Claim is Allowed or Disputed on the Effective Date, whether the Holder receives distributions under the Plan in more than one (1) taxable year and whether the Holder has taken a bad debt deduction or a worthless security deduction with respect to its Claim.

1. *Recognition of Gain or Loss*

In general, a Holder of an Allowed Claim will recognize gain or loss equal to the amount realized under the Plan in respect of its Claim less the Holder's tax basis in the Claim. Any gain or loss recognized in the exchange may be long-term or short-term capital gain or loss or ordinary income or loss, depending upon the nature of the Allowed Claim and the Holder, the length of time the Holder held the Claim and whether the Claim was acquired with market discount. If the Holder realizes a capital loss, the Holder's deduction with respect to such loss may be subject to limitation. The Holder's tax basis for any property received under the Plan generally will equal the amount realized. The Holder's amount realized generally will equal such Holder's share of the sum of the Cash and the fair market value of any other property received by the Holder on the Effective Date (including with respect to a Holder of an Allowed General Unsecured Claim, the fair market value of such Holder's Pro Rata share of Litigation Trust Assets (as discussed below in "Litigation Trust")) or a subsequent distribution date, less the amount, if any, treated as interest (as discussed below in "Accrued but Unpaid Interest").

To the extent a Holder of an Allowed Claim receives Reorganized Relativity Common Units or Reorganized Relativity Preferred Units in exchange for such Allowed Claim, the Holder generally will not recognize gain or loss, except to the extent the transfer of Reorganized Relativity Common Units or Reorganized Relativity Preferred Units to a Holder is in exchange for an Allowed Claim for unpaid rent, royalties or interest (including accrued original issue discount) that accrued on or after the beginning of the Holder's holding period for the Allowed Claim. The Holder's tax basis in Reorganized Relativity Common Units or Reorganized Relativity Preferred Units generally will include the Holder's adjusted tax basis in the Allowed Claim exchanged, and the Holder's holding period of the Allowed Claim exchanged generally will be taken into account in determining the Holder's holding period for the Reorganized Relativity Common Units or Reorganized Relativity Preferred Units received. As equityholders of Reorganized Relativity, certain Holders of Allowed Claims generally would be required to take into account their shares of income, gain, loss and deduction of Relativity Holdings (as set forth in the Revised Relativity Holdings Operating Agreement) regardless of whether any actual distributions are made, and any Cash distributions generally would be treated as tax-free return of basis (to the extent thereof) and then capital gain.

To the extent a Holder of an Allowed Claim receives a new obligation of Reorganized Relativity or a subsidiary of Reorganized Relativity (such as the BidCo Note) in exchange for such Allowed Claim, the Holder generally will recognize gain or loss, provided that the exchange constitutes a "significant modification" of the Allowed Claim. Assuming neither the Allowed Claim nor the new obligation is "publicly traded" within the meaning of applicable Treasury Regulations, such Holder's gain or loss generally would equal the difference between the principal amount of the new obligation and the Holder's adjusted basis in the Allowed Claim. If either the Allowed Claim or the new obligation is publicly traded within the meaning of applicable Treasury Regulations, then the Holder's amount realized would be the fair market value of such publicly traded debt. Alternatively, if, based on all relevant facts and circumstances, the exchange does not constitute a significant modification, then no gain or loss will be recognized on the exchange of an Allowed Claim for the new obligation. It is unclear whether

receipt of the new obligation would constitute a significant modification because the terms of such obligations are not finalized.

2. *Litigation Trust*

As more fully described in the Plan and herein, the Litigation Trust is intended to be treated for U.S. federal income tax purposes (1) in part as a liquidating trust within the meaning of Treasury Regulation § 301.7701-4(d) and (2) in part as one or more disputed ownership funds pursuant to Treasury Regulation § 1.468B-9(b)(1). Except to the extent discussed below with respect to Disputed Claims and any reserves established therefore, the Litigation Trust will not be treated as a separate entity for U.S. federal income tax purposes. Instead, the Litigation Trust Beneficiaries (or the beneficial owners thereof) will be treated as owning their respective Pro Rata shares of the applicable Litigation Trust Assets, subject to any liabilities of the Debtors assumed by the Litigation Trust and any liabilities of the Litigation Trust itself. For U.S. federal income tax purposes, the transfer of the Litigation Trust Assets to the Litigation Trust will be treated as a transfer of the Litigation Trust Assets from the Debtors to the Litigation Trust Beneficiaries on a Pro Rata basis, followed by a transfer of the Litigation Trust Assets by the Litigation Trust Beneficiaries to the Litigation Trust. The Litigation Trust Beneficiaries will thereafter be treated for U.S. federal income tax purposes as the grantors and deemed owners of their respective shares of the Litigation Trust Assets. The Litigation Trust Beneficiaries will include in their annual taxable incomes, and pay tax to the extent due on, their Pro Rata shares of each item of income, gain, deduction, loss and credit, and all other such items will be allocated by the Litigation Trustee to the Litigation Trust Beneficiaries using any reasonable allocation method. The Litigation Trustee will be required by the Litigation Trust Agreement to file U.S. federal income tax returns for the Litigation Trust as a grantor trust of the Litigation Trust Beneficiaries. In addition, the Litigation Trust Agreement will require consistent valuation by the Litigation Trustee and the Litigation Trust Beneficiaries, for all U.S. federal income tax and reporting purposes, of any property held by the Litigation Trust. Accordingly, references herein to “units in the Litigation Trust” shall be construed to mean the Holder’s Pro Rata share of the Litigation Trust Assets.

Any reserves for Disputed Claims or other similar reserves that may be established by the Litigation Trustee will be treated as one or more disputed ownership funds pursuant to Treasury Regulation § 1.468B-9(b)(1). Income and gain recognized with respect to the Litigation Trust Assets in any Disputed Claims reserve will be subject to an entity-level tax. Regarding Litigation Trust Assets contributed to any Disputed Claims reserve, Litigation Trust Beneficiaries are not intended to be treated for U.S. federal income tax purposes as receiving such Litigation Trust Assets until such time as such Disputed Claims reserve makes distributions, in which case (and at which time) the Litigation Trust Beneficiaries are intended to be treated as receiving the distributions actually received from the Disputed Claims reserve.

D. Certain Other U.S. Federal Income Tax Considerations for Holders of Allowed Claims

1. *Medicare Surtax*

Subject to certain limitations and exceptions, Holders who are individuals, estates or trusts may be required to pay a 3.8% Medicare surtax on all or part of their “net investment income,” which includes, among other items, dividends on stock and interest (including original issue discount) on, and capital gains from the sale or other taxable disposition of, debt. Holders should consult their own tax advisors regarding the effect, if any, of this surtax on their receipt and ownership of Reorganized Relativity Common Units, Reorganized Relativity Preferred Units, the BidCo Note and/or units in the Litigation Trust issued pursuant to the Plan.

2. *Accrued but Unpaid Interest*

In general, a Holder that was not previously required to include in taxable income any accrued but unpaid interest on the Holder’s Allowed Claim may be required to include such amount as taxable interest income upon receipt of a distribution under the Plan. The Plan provides that, to the extent applicable, all distributions to a Holder of an Allowed Claim will apply first to the principal amount of such Allowed Claim until such principal amount is paid in full and then to any accrued but unpaid interest on such Allowed Claim. There is no assurance, however, that the IRS will respect this treatment and will not determine that all or a portion of amounts distributed to such Holder and attributable to principal under the Plan is properly allocable to interest. A Holder that was previously

required to include in taxable income any accrued but unpaid interest on the Holder's Allowed Claim may be entitled to recognize a deductible loss to the extent that such interest is not satisfied under the Plan. Each Holder of a Claim on which interest has accrued is urged to consult its tax advisor regarding the tax treatment of distributions under the Plan and the deductibility of any accrued but unpaid interest for U.S. federal income tax purposes.

3. *Post-Effective Date Distributions*

Because certain Holders of Allowed Claims may receive distributions subsequent to the Effective Date, the imputed interest provisions of the IRC may apply and cause a portion of any post-Effective Date distribution to be treated as imputed interest. Imputed interest may, with respect to certain Holders, accrue over time using the constant interest method, in which event such Holders may, under some circumstances, be required to include imputed interest in income prior to receipt of a post-Effective Date distribution. Additionally, to the extent Holders may receive distributions with respect to Allowed Claims in a taxable year or years following the year of the initial distribution, any loss and a portion of any gain realized by such Holders may be deferred. Holders of Allowed Claims are urged to consult their tax advisors regarding the possible application of (or ability to elect out of) the "installment method" of reporting with respect to their Allowed Claims.

4. *Bad Debt and/or Worthless Securities Deduction*

A Holder who, under the Plan, receives in respect of an Allowed Claim an amount less than the Holder's tax basis in the Allowed Claim may be entitled in the year of receipt (or in an earlier or later year) to a bad debt deduction in some amount under § 166(a) of the IRC or a worthless securities deduction under § 165 of the IRC. The rules governing the character, timing and amount of bad debt or worthless securities deductions place considerable emphasis on the facts and circumstances of the Holder, the obligor and the instrument with respect to which a deduction is claimed. Holders of Allowed Claims, therefore, are urged to consult their tax advisors with respect to their ability to take such deductions.

5. *Market Discount*

A Holder that purchased its Allowed Claim from a prior Holder with market discount will be subject to the market discount rules of the IRC. Under those rules, assuming that the Holder has made no election to amortize the market discount into income on a current basis with respect to any market discount instrument, any gain recognized on the exchange of such Holder's Allowed Claim (subject to a *de minimis* rule) generally would be characterized as ordinary income to the extent of the accrued market discount on such Allowed Claim as of the date of the exchange.

To the extent that a Holder's Allowed Claim is exchanged in a transaction in which gain or loss is not recognized for U.S. federal income tax purposes, any accrued market discount not treated as ordinary income upon such exchange should carry over, on an allocable basis, to any Reorganized Relativity Common Units or Reorganized Relativity Preferred Units received, such that any gain recognized by the Holder upon a subsequent disposition of such Reorganized Relativity Common Units or Reorganized Relativity Preferred Units would be treated as ordinary income to the extent of any accrued market discount not previously included in income.

6. *Holding Reorganized Relativity Holdings Warrants*

A Holder of Allowed Claims that receives Reorganized Relativity Holdings Warrants pursuant to the Plan generally will recognize no income, gain or loss upon a subsequent exercise of such warrants. Such Holder's tax basis in the Reorganized Relativity Holdings Common Units acquired on such Holder's exercise of warrants will equal the sum of the exercise price paid for such units and the Holder's tax basis in the warrants. Such Holder's holding period for the acquired Reorganized Relativity Holdings Common Units will begin on the date the warrants are exercised. See Section XII.C.1 above for a discussion of consequences of receiving Reorganized Relativity Holdings Warrants in exchange for an Allowed Claim.

If a Holder sells the Reorganized Relativity Holdings Warrants or they expire unexercised, such Holder would recognize capital gain or loss upon the date of the sale or expiration of the warrants, reflecting the amount by

which the consideration received, or the fair market value of the warrants, exceeds, or is less than, such Holder's tax basis in the warrants.

Upon receipt, Reorganized Relativity Holdings Warrants may be treated as partnership interests under certain circumstances. While it is not expected that such warrants would be treated as partnership interests, to the extent they are treated as partnership interests, then a Holder would be treated as a partner. See XII.C.1 above for a discussion of consequences of holding units in a partnership.

7. *Information Reporting and Backup Withholding*

All distributions under the Plan will be subject to applicable U.S. federal income tax reporting and withholding. The IRC imposes "backup withholding" (currently at a rate of 28%) on certain "reportable" payments to certain taxpayers, including payments of interest. Under the IRC's backup withholding rules, a Holder of an Allowed Claim may be subject to backup withholding with respect to distributions or payments made pursuant to the Plan, unless the Holder (a) comes within certain exempt categories of payees (which generally include corporations) and, when required, demonstrates this fact or (b) provides a correct taxpayer identification number and certifies under penalty of perjury that the taxpayer identification number is correct and that the taxpayer is not subject to backup withholding because of a failure to report all dividend and interest income. Backup withholding is not an additional U.S. federal income tax, but merely an advance payment that may be refunded to the extent it results in an overpayment of U.S. federal income tax. A Holder of an Allowed Claim may be required to establish an exemption from backup withholding or to make arrangements with respect to the payment of backup withholding.

E. Importance of Obtaining Professional Tax Assistance

THE FOREGOING DISCUSSION IS INTENDED ONLY AS A SUMMARY OF CERTAIN U.S. FEDERAL INCOME TAX CONSEQUENCES OF THE PLAN, AND IS NOT A SUBSTITUTE FOR CAREFUL TAX PLANNING WITH A TAX PROFESSIONAL. THE ABOVE DISCUSSION IS FOR INFORMATION PURPOSES ONLY AND IS NOT TAX ADVICE. THE TAX CONSEQUENCES ARE IN MANY CASES UNCERTAIN AND MAY VARY DEPENDING ON A HOLDER'S INDIVIDUAL CIRCUMSTANCES. ACCORDINGLY, HOLDERS ARE URGED TO CONSULT WITH THEIR TAX ADVISORS ABOUT THE U.S. FEDERAL, STATE, LOCAL AND NON-U.S. INCOME AND OTHER TAX CONSEQUENCES OF THE PLAN.

XIII. RECOMMENDATION AND CONCLUSION

The Plan Proponents believe that the confirmation and consummation of the Plan is preferable to all other alternatives. Consequently, the Debtors urge all parties entitled to vote to accept the Plan and to evidence their acceptance by duly completing and returning their Ballots so that they will be received on or before the Voting Deadline.
