Rojo One, LLC ("Debtor"), pursuant to 11 U.S.C. § 363(c)(2), Fed. R. Bankr. P. 4001(b), and Bankruptcy Rule 4001-2, hereby requests that this Court, in the above-captioned bankruptcy case, pursuant to sections 105, 363 and 365 of chapter 11 of Title 11 of the United States Code ("Sale Motion"), 11 U.S.C. §§ 101 et seq. (the "Bankruptcy Code"), Rules 2002, 6004 and 6006 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), and Rules 6004-1 and 9014-1 of the Local Bankruptcy Rules for the United States Bankruptcy Court for the Eastern District of Michigan (the "Local Rules"), for the entry of an order (a) authorizing the Debtor to effectuate and close the transaction contemplated by a Letter of Intent to Purchase dated February 28, 2017,(the "Agreement") with an entity to be formed, managed by Scott Pelc("Purchaser") See Attached Exhibit A, (b) authorizing the sale of substantially

An Order has been entered in this case directing the procedural consolidation and joint administration of the chapter 11 cases of Rojo One, LLC Case No. 16-54348-mlo, Rojo Two LLC Case No 16-54349-mlo, Rojo Four, LLC Case No. 16-54350-mlo, Rojo Five LLC, Case No. 16-54352-mlo, and Rojo Six, LLC Case No. 16-54353-mlo. The docket in Case No. 16-54348-mlo should be consulted for all matters affecting this case.

The instant Motion is being amended solely to reflect that Rojo One, LLC is being sold pursuant to a sale of assets only.

all of the Debtor's assets(the "Sale") by private sale, free and clear of all liens, claims, interests and other encumbrances, © for related relief.

The assets to be purchased by the Purchaser pursuant to the letter of intent are referred to in this Sale Motion as the "Property".

Except for those liabilities of the Debtor expressly assumed by Purchaser pursuant to the Sale, the Property will be transferred and conveyed to the Purchaser free and clear of all liens, claims, interests and other Encumbrances, and all liens, claims, interests and other Encumbrances shall attach to the proceeds of the Sale to the same extent, and with the same priority and validity, that existed on the Petition Date (as defined below).

The Purchaser has agreed to pay \$81,000.00 for purchase of the Property as outlined in the Agreement. The Property is not being sold as a going concern. Accordingly, in support of this motion (the "Sale Motion"), the Debtor submits as follows:

### **JURISDICTION AND VENUE**

- 1. This Court has jurisdiction over this Sale Motion pursuant to 28 U.S.C. §§ 1334 and 157.
- 2. This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2)(A), (new) and (O). Venue in this district is proper pursuant to 28 U.S.C. § 1409(a).
- 3. The statutory predicates for the relief sought in this Sale Motion are sections 105, 363 and 365 of the Bankruptcy Code, Federal Rule of Bankruptcy Procedure 2002, 6004 and 6006 and Local Rules 6004-1 and 9014-1.

### BACKGROUND

4. On October 20, 2016 ("Petition Date"), the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code (the "Case"). The Debtors' principal place of business assets are located in Rochester, Michigan; Novi, Michigan; Sterling

Heights, MI; and Birmingham, MI. The Debtors now have possession of their assets and plan to manage the affairs of their estate as a debtor in possession in accordance with 11 U.S.C. §§ 1107 and 1108. The Debtors have all of the rights and powers of a trustee in bankruptcy pursuant to 11 U.S.C. § 1107(a).

- 5. Debtor Rojo One, LLC conducts business out of Novi, Michigan as Duel Novi and operates as a dueling piano bar.
- 6. Debtor Rojo Two, LLC conducts business out of Rochester, Michigan as Rojo Mexican Bistro and operates as a restaurant.
- 7. Debtor Rojo Four, LLC conducts business out of Sterling Heights, Michigan as Rojo Mexican Bistro and operates as a restaurant.
- 8. Debtor Rojo Five, LLC conducts business out of Birmingham, Michigan as Rojo Mexican Bistro and Sidecar Slider Bar and operates as two (2) restaurants.
- 9. Debtor Rojo Six, LLC conducts business out of Novi, Michigan as Rojo Mexican Bistro and Michigan Beer Company and operates as two (2) restaurants.

### THE PROPOSED SALE

10. Subject to the approval of the Bankruptcy Court the Debtor entered into an agreement with Purchaser.

### A. The Purchase Price And The Property to be Purchased

11. The purchase price for the Property is \$81,000.00 plus certain cure costs associated with the Debtor's assumption and assignment (the "Purchase Price"). The Purchase Price is subject to increase or decrease on account of certain prorations and adjustments customarily prorated between a purchaser and a seller of similar assets. The Purchaser has made a good faith deposit in the amount of \$5,000.00 which will be credited to the Purchase Price at Closing.

12. Except for certain cost to be paid by Purchaser pursuant to the Agreement certain other costs to be paid by the Purchaser, the Agreement requires that the Debtor deliver the Property to Purchaser free and clear of all liens, claims, interests and Encumbrances pursuant to sections 363 and 365 of the Bankruptcy Code.

### B. Conditions to Closing

13. The consummation of the proposed Sale to Purchaser is conditioned, among other things set forth the entry of an order ("Sale Order") approving the sale by the Bankruptcy Court;

### C. Purchaser's Ability to Consummate the Sale

- 14. The Purchaser's obligations under the letter of intent are not subject to any financing contingency. The Debtor believes that the Purchaser will be able to consummate the Sale.
- 15. The Agreement is the product of arm's length negotiations between the Debtor and the Purchaser. The Debtor believes that the Purchaser is a good faith purchaser for all purposes under section 363(m) of the Bankruptcy Code.
- 16. The Property will be sold free and clear of all liens, claims, interests and other Encumbrances, with all such liens, claims, interests and other Encumbrances attaching to the proceeds of the Sale.

### D. Marketing Efforts

- 17. Since July 2016, Thomas Hospitality Group was engaged by the Rojo ownership to market the five (5) existing restaurants.
- 18. The initial engagement efforts were focused on making personal contact with potential buyers without the marketplace and the customer base becoming aware of the marketing activity. Generally, when the public becomes aware of a potential sale

there is a drop off in patronage. On a parallel note, when the staff become aware of a potential sale, the uncertainty leads them to look for work elsewhere as a reaction to not knowing who they might be working for if a sale occurs.

- 19. In February 2015, Thomas Hospitality Group successfully assisted management in selling the Rojo Three, LLC location in St Clair Shores. Thomas Hospitality Group was familiar with the concept and had an understanding of who was in the marketplace to purchase the remaining locations. Thomas Hospitality Group made direct phone calls to restaurant operators who may have had an interest in the subject locations.
- 20. Thomas Hospitality Group wrote Letters of Intent on the Lakeside (Rojo Four), Novi (Rojo One), and Rochester (Rojo Two) locations. Unfortunately, none of them resulted in a sale of the property. It has been a buyers' market for the last two years and that pressure had candidates engaging on several properties to see where they could get the best deal.
- 21. Thomas Hospitality Group's marketing efforts have focused on presenting each of the restaurant sites on its website. Thomas Hospitality Group then fields calls from people who have visited its site; have executed a confidentiality agreement; and have discussed their operational needs and locations of interest.
- 22. Parallel to the marketing done through the Thomas Hospitality Group website, advertisements are placed on Loopnet (the commercial "MLS") and on BizBuySell, a website that focuses on businesses for sale that may not have a real estate component, and advertisements are placed in the Detroit News (and their internet component).
- 23. All of the media advertising efforts supplement the phone calls that the agents of Thomas Hospitality Group make to people in the industry. Thomas

Hospitality Group specializes in restaurants, bars and nightclubs, and its employees are specifically experienced in this industry and have personal contacts with many of the key players in the hospitality industry.

24. Thomas Hospitality Group performed a valuation report of the Debtor. The values are summarized in Exhibit B.

### E. Authority to Sell the Property

- 25. The Debtor requests authority to sell the Property and sections 105 and 363(b) of the Bankruptcy Code. The Bankruptcy Code requires court approval for the use, sale or lease of a debtor's assets outside the ordinary course of business. See 11 U.S.C. § 363. In pertinent part, section 363(b)(1) provides that a "trustee, after notice and a hearing, may use, sell, or lease other than in the ordinary course of business, property of the estate." 11 U.S.C. §363(b)(1).
- 26. Courts have approved a sale of a debtor's assets if the proposed transaction represents a reasonable business judgment on the part of the debtor. See In re Martin, 91 F.3d 389, 396 (3d Cir. 1996); In re Lionel Corp., 722 F.2d 1063, 1070 (2d Cir. 1983); see also Stephens Indus. v. McClung, 789 F.2d 386, 390 (6th Cir. 1986); In re Thomas McKinnon Securities, Inc., 120 B.R. 301 (Bankr. S.D.N.Y. 1990).
- 27. Courts typically consider the following factors in determining whether a proposed sale satisfies this standard: (a) whether a sound business justification exists for the sale; (b) whether adequate and reasonable notice of the sale was given to interested parties; (c) whether the sale will produce a fair and reasonable price for the property; and (d) whether the parties have acted in good faith. See In re Delaware & Hudson Ry., 124 B.R. 169, 176 (D. Del. 1991). A "debtor's business decision 'should be approved by the court unless it is shown to be 'so manifestly unreasonable that it could not be based upon sound business judgment, but only on bad faith, or whim or

caprice." In re Aerovox, Inc., 269 B.R. 74, 80 (Bankr. D. Mass. 2001) (Feeney, J.) (quoting In re Logical Software, 66 B.R. 683, 686 (Bankr. D. Mass. 1986); see also Committee of Asbestos-Related Litigants and/or Creditors v. Johns-Manville Corp. (In re Johns-Manville Corp.), 60 B.R. 612, 616 (Bankr. S.D.N.Y. 1986) (same); In re Quality Stores, Inc., 272 B.R. 643, 647 (Bankr. W.D. Mich. 2002) (noting the "wide business discretion" afforded to debtors selling assets under section 363).

- 28. The Debtor has concluded, in its business judgment, that the Sale of the Property to the Purchaser will result in the highest and best value for the Property, and that the sale of the Property is in the best interests of the Debtor, the Debtor's estate, and its creditors; therefore approval of the Sale and the Agreement is warranted. See In re Martin, 91 F.3d at 396; In re Lionel Corp., 722 F.2d at 1070.
- 29. Further, pursuant to section 363(f) of the Bankruptcy Code, the Debtor requests the authority to sell the Property free and clear of all liens, claims, interests and other Encumbrances. All liens, claims, interests and other Encumbrances in and against the Property will attach to the proceeds from the Sale to the same extent, priority and validity that existed on the Petition Date.
- 30. Section 363(f) of the Bankruptcy Code authorizes the sale of assets free and clear of liens, claims, interests and encumbrances if:

applicable non-bankruptcy law permits sale of such property free and clear of such interests;

- (a) such entity consents;
- (b) such interest is a lien and the price at which such property is to be sold is greater than the value of all liens on such property;
  - (c) such interest is in bona fide dispute; or
- (d) such entity could be compelled, in a legal or equitable proceeding, to accept a money satisfaction of such interest.
   11 U.S.C. § 363(f).
- 31. This provision is supplemented by section 105(a) of the Bankruptcy Code, which provides that "[t]he Court may issue any order, process or judgment that is necessary or appropriate to carry out the provisions of [the Bankruptcy Code]." 11 U.S.C. § 105(a).
- 32. Because section 363(f) of the Bankruptcy Code is drafted in the disjunctive, satisfaction of any one of its five requirements will suffice to permit the sale of the Property "free and clear" of liens and interests. *Michigan Employment Sec. Comm'n v. Wolverine Radio Co.* (*In re Wolverine Radio Co.*), 930 F.2d 1132, 1147 n.24 (6th Cir. 1991) (holding that the court may approve the sale "free and clear" provided at least one of the subsections of Bankruptcy Code section 363(f) is met); *In re Dundee Equity Corp.*, 1992 Bankr. LEXIS 436, at \*12 (Bankr. S.D. N.Y. March 6, 1992) (same).
- 33. Here, the Debtor will demonstrate at the Sale Hearing (to the extent necessary) that one or more of the tests of section 363(f) are satisfied with respect to the Sale. In the first instance, the Debtor has no reason to believe that holders of liens, claims, interests and Encumbrances would not consent to the terms of the Sale pursuant to section 363(f)(2) of the Bankruptcy Code.

34. In addition, the Debtor believes that all such holders could be compelled to accept a money satisfaction of their interests in legal or equitable proceedings in accordance with section 363(f)(5) of the Bankruptcy Code, to the extent that such interests are sought to be discharged in the Sale Order. This is true even where, as here, the Purchase Price for the Property, although unquestionably fair, is nonetheless smaller than the amount of all liens against the Property. Pursuant to the cram down provisions of the Bankruptcy Code, section 1129(b)(2), holders of liens on collateral may be compelled to accept the value of the collateral, in satisfaction of their liens. even though that value may be less than the liens on the collateral. Section 1129(b)(2) constitutes the "legal or equitable" proceeding under which lien holders could be compelled to accept a money satisfaction of their interest. See In re Terrace Chalet Apartments, Ltd., 159 B.R. 821,829 (N.D. III. 1993) ("By its express terms, Section 363(f)(5) permits lien extinguishment if the trustee can demonstrate the existence of another legal mechanism by which a lien could be extinguished without full satisfaction of the secured debt. Section 1129(b)(2) cram down is such a provision."); In re Grand Slam U.S.A., 178 B.R. 460, 462 (Bankr. E.D. Mich. 1995) ("A typical legal proceeding which compels a creditor to receive less than full money satisfaction is a procedure, commonly known as 'cram down,' that is applicable to Chapter 11 cases."); In re Healthco Int'l, Inc., 174 B.R. 174, 176 (Bankr. D. Mass. 1994) (A cram down proceeding "complies with the description of proceedings referred to in subparagraph [363](f)(5), and many courts have held so.").

35. Based upon the foregoing, the Debtor submits that the Sale, free and clear of liens, claims, interests and Encumbrances, should be approved by the Bankruptcy Court in accordance with section 363(f) of the Bankruptcy Code.

36. The Debtor requests that the Bankruptcy Court waive the fourteen (14) day stay provision of Federal Rule of Bankruptcy Procedure 6004(g).

### ORDER APPROVING SALE OF SUBSTANTIALLY ALL OF DEBTOR'S ASSETS FREE AND CLEAR OF LIENS, CLAIMS, AND ENCUMBRANCES

This matter having come before the Court upon the Debtor-In-Possession, Rojo One, LLC's, Motion for Approval of Sale of Substantially all of the Debtor's Assets Free and Clear of Liens, Claims and Encumbrances.

### THE COURT FINDS THAT:

This Court has jurisdiction over this matter pursuant to 28 U.S.C. §§157 and 1334. This matter is a core proceeding withing the meaning of 28 U.S.C. §157(b)(2)(A). Venue is proper pursuant to 28 U.S.C. §§1408 and 1409. The statutory bases for the relief requested are §§105(a), 363 and 1129 of the United States Bankruptcy Code, 11 U.S.C. §101 et seq. ("Bankruptcy Code") and Fed. R. Bankr. P. 2002 and 6004. This is a "final" order within the meaning of 28 U.S.C. §158(a). To the extent any of the following findings of fact constitute conclusions of law, they are adopted as such.

Capitalized terms no otherwise defined herein shall have those meanings ascribed to them in the Motion.

The Debtor has conducted a thorough search for financing and investors, and having found none, negotiated with a potential purchaser for the sale of its assets.

Adequate and proper notice for request of the relief granted herein was given and no further notice is necessary.

The findings and conclusions set forth herein constitute the Court's findings of fact and conclusions of law pursuant to Fed. R. Bankr. P 7052, made applicable to this proceeding pursuant to Fed.R. Bankr. 9014.

#### SOUND BUSINESS PURPOSE

13 V:

The Debtor seeks to sell, assign, transfer and convey the Property to the Purchaser, and the Purchaser seeks to purchase and acquire the Property from the Debtor, pursuant to this Sale Order.

The Debtor has demonstrated, and the Agreement and the relief requested in the Sale Motion reflects, both (1) good, sufficient, and sound business purposes and justifications for the Sale and (2) compelling circumstances for the Sale outside of the ordinary course of the Debtor's business pursuant to section 363(b) of the Bankruptcy Code, the value obtained as a result of the Sale will result in a prompt and substantial

reduction of the Debtor's secured indebtedness. Accordingly, time is of the essence in consummating the Sale.

The consummation of the Sale pursuant to the Agreement neither impermissibly restructures the rights of the Debtor's creditors nor impermissibly dictates the terms of a plan of reorganization. The Sale does not constitute a sub rosa or de facto plan of reorganization.

The Agreement was not entered into, and neither the Debtor nor the Purchaser has entered into the Agreement, or propose to consummate the Sale, for the purpose of hindering, delaying, or defrauding the Debtor's creditors.

Neither the Debtor nor the Purchaser has entered into the Agreement or proposes to consummate the Sale fraudulently for the purpose of statutory and common law fraudulent conveyance or fraudulent transfer claims, whether under the Bankruptcy Code or under the laws of the United States, any state, territory or possession thereof, the District of Columbia, or any other applicable jurisdiction with laws substantially similar to the foregoing.

#### **HIGHEST AND BEST OFFERS**

The sale process undertaken by the Debtor provided a full, fair, and reasonable opportunity for any person or entity to make an offer to purchase the Property.

As demonstrated by the testimony and/or other evidence proffered or adduced at the Sale Hearing (1) the Debtor has actively adequately marketed the Property for sale: (2) the purchase price contained in the Agreement constitutes the highest and otherwise best offer for the Property; (3) the Sale will provide a greater recovery for the Debtor's estate and creditors than would be provided by any other practical available alternative including, without limitation, liquidation under chapter 7 or chapter 11 of the Bankruptcy Code; (4) a private sale of the Property pursuant to the Sale, as opposed to a public sale, is in the best interests of the Debtor's estate and its creditors because it will result in a significant reduction of the Debtor's indebtedness to its primary secured creditor; (5) no other party has offered to purchase the Property for greater economic value to the Debtor or its estate; and (6) the Agreement and the consideration to be paid by the Purchaser under the Agreement constitutes reasonably equivalent value and fair consideration (as those terms are defined in each of the Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act and section 548 of the Bankruptcy Code) under the Bankruptcy Code and under the laws of the United States, any state, territory or possession thereof, and the District of Columbia.

The Debtor's determination that the Agreement constitutes the highest and best offer for the Property reasonable, valid, and sound exercise of the Debtor's business judgment.

#### BEST INTEREST OF CREDITORS

Approval of the Agreement and the consummation of the Sale at this time are in the best interests of the Debtor, its creditors, the estate and other parties in interest.

#### GOOD FAITH

The Purchaser is not an "insider" of the Debtor, as that term is defined by section 101(31) of the Bankruptcy Code.

The Agreement and each of the transactions contemplated therein were negotiated, proposed, and entered into by the Debtor and the Purchaser in good faith and from arm's-length bargaining positions. The Purchaser has proceeded in good faith in all respects in connection with this proceeding and the Sale, is a "good faith purchaser" within the meaning of section 363(m) of the Bankruptcy Code and, as such, is entitled to all the protections afforded by section 363(m) of the Bankruptcy Code. Neither the Debtor nor the Purchaser have engaged in any conduct that would cause or permit the Agreement to be avoided; that would tend to hinder or delay creditors; or impose costs and damages under section 363(n) of the Bankruptcy Code.

### SECTION 363(F) REQUIREMENTS MET FOR FREE AND CLEAR SALE

The Debtor may sell the Property to the Purchaser free and clear of all liens, claims, interests and encumbrances of every kind and nature whatsoever (collectively, Claims") because, in each case, one or more of the standards set forth in section 363(f)(1)-(5) of the Bankruptcy Code have been satisfied. The holders of Claims who did not object, or who withdrew their objections, to the Sale or the Sale Motion are deemed to have consented pursuant to section 363(f)(2) of the Bankruptcy Code. Those holders of Claims who did object fall within one or more of the other subsections of section 363(f) of the Bankruptcy Code and are adequately protected by having their Claims, if any, attach to the proceeds of the Sale ultimately attributable to the property against which they have a Claim, in the same order of priority and with the same validity, force and effect that such creditor had prior to the Sale, subject to any defenses of the Debtor.

The Debtor is the sole and lawful owner of the Property and no other person has any ownership right, title, or interest therein.

All holders of Claims are adequately protected, and the Sale thus satisfies section 363(e) of the Bankruptcy Code, by having their Claims, if any, attach to the proceeds of the Sale ultimately attributable to the property against which they have a Claim, in the same order of priority and with the same validity, force, and effect that such Claimholder had prior to the Sale, subject to any rights, claims, and defenses of the Debtor and its estate.

The Purchaser would not have entered into the Agreement and would not consummate the transactions contemplated thereby, thus adversely affecting the Debtor, its estate and its creditors, if the sale of the Property were not free and clear of all Claims or if the Purchaser would, or in the future could, be liable for any such Claims.

The Sale shall not impose or result in the imposition of any liability or responsibility of the Purchaser or its affiliates, successors or assigns or any of their assets (including, without limitation, the Property), and the transfer of the Property to the Purchaser does not and will not subject the Purchaser or its affiliates, successors or assigns or any of their assets (including, without limitation, the Property), to any liability for any Claims including, without limitation, successor liability or any products liability.

### VALIDITY OF THE TRANSFER

As of the closing of the Sale (the "Closing"), the transfer of the Property to the Purchaser will be a legal, valid, and effective transfer of the Property, and will vest the Purchaser with all right, title and interest of the Debtor in and to the Property, free and clear of (1) all Claims and (2) all debts arising under or out of, in connection with, or in any way relating to, any acts of the Debtor, claims (as defined in section 101(5) of the Bankruptcy Code), rights or causes of action (whether in law or in equity, including, but not limited to, any rights or causes of action based on theories of transferee or successor liability under any law, statute, rule or regulation of the United States, any state, territory, or possession thereof or the District of Columbia), obligations, demands, guaranties, rights, contractual commitments, restrictions, interests and matters of any kind or nature whatsoever, whether arising prior to or subsequent to the commencement of this case, and whether imposed by agreement, understanding, law, equity or otherwise.

The Debtor (1) has full limited liability company power and authority to execute the Agreement and all other documents contemplated thereby, and the Sale has been duly and validly authorized by all necessary limited liability company action of the Debtor, (2) has all of the limited liability company power and authority necessary to consummate the transactions contemplated by the Agreement, (3) has taken all actions necessary to authorize and approve the Agreement and the consummation by the Debtor of the transactions contemplated thereby, and (4) no consents or approvals, other than those expressly provided for in the Agreement, are required for the Debtor to consummate such transactions.

### NOW, THEREFORE, IT IS HEREBY ORDERED, ADJUDGED, AND DECREED THAT:

### **GENERAL PROVISIONS**

- 1. The Sale Motion is granted in all respects and the Sale is approved as set forth in this Sale Order

- 5. Pursuant to sections 105, 363 and 365 of the Bankruptcy Code, the Debtor is authorized to perform its obligations under and comply with each of the terms of the Agreement and consummate the Sale pursuant to and in accordance with the terms and conditions of the Agreement and this Sale Order.
- 6. The Debtor, as well as its affiliates, officers, employees and agents, are authorized and directed to execute and deliver, and empowered to perform under, consummate and implement, the Agreement, together with all additional instruments and documents that may be reasonably necessary or desirable to implement the Agreement and to take all further actions as may be (a) reasonably requested by the Purchaser for the purpose of assigning, transferring, granting, conveying and conferring to the Purchaser, or reducing to the Purchaser's possession, the Property(b) necessary or appropriate to the performance of the obligations contemplated by the Agreement, and © as may be reasonably requested by the Purchaser to implement the Agreement and consummate the Sale in accordance with the terms thereof, all without further order of the Court.
- 7. This Sale Order shall be binding in all respects upon the Purchaser, the Debtor and its affiliates, any trustee appointed in the Debtor's Bankruptcy Case (whether under chapter 7 or chapter 11 of the Bankruptcy Code), all creditors (both known and unknown) of the Debtor, all interested parties and their successors and assigns, including, but not limited to, any person or entity asserting a Claim against the Debtor, the Property.
- 8. Nothing contained in any chapter 11 plan confirmed in this Bankruptcy Case, or any order confirming any such chapter 11 plan, or any order entered in any subsequent case under chapter 7 of the Bankruptcy Code with respect to the Debtor, shall conflict with or derogate from the provisions of the Agreement and this Sale Order, and to the extent of any conflict or derogation between the Agreement and this Sale Order and any such plans or orders, the terms of the Agreement and this Sale Order shall govern and control in all respects.

### TRANSFER OF DEBTOR'S PROPERTY

- 9. Pursuant to sections 105(a) and 363(f) of the Bankruptcy Code, the Debtor is authorized to transfer the Property to the Purchaser in accordance with the terms of the Agreement. - 10. Except as otherwise provided in the Agreement, all persons and entities (and their respective successors and assigns), including, but not limited to, all debt security holders, equity security holders, governmental, tax and regulatory authorities, lenders, and trade and other creditors, holding Claims (whether legal or equitable, secured or unsecured, matured or unmatured, contingent or non-contingent, senior or subordinated) arising under or out of, in connection with, or in any way relating to, the Debtor, Property, the operation of the Debtor's business prior to Closing, or the transfer

- of the Property are hereby forever barred, estopped, and permanently enjoined from asserting such Claims against the Purchaser, its successors or assigns, its property or the Property. No such persons or entities shall assert against the Purchaser or its successors in interest any liability, debt, claim, or obligation arising from, related to, or in connection with the ownership or operation of the Property.
- 11. Mr. Michael Scheid Thomas Hospitality Group, Inc. 2581 McClintock Road Bloomfield Hills, Michigan 48302

RE: Asset Purchase; Rojo One, LLC, said assets currently located at 44375 Twelve Mile Road, Space G-147, Novi, Michigan 48377

Dear Mr. Scheid:

On behalf of **AN ENTITY TO BE FORMED** ("Buyer"), I respectfully submit this proposal to acquire the MLCC Class C liquor license (180864-2014) and SDM License (180865-2014), furniture, fixtures, equipment and other assets for the above referenced business, from **Rojo One, LLC.** ("Seller"). This correspondence should not be construed as a legally binding obligation (except for the confidentiality provisions and the Exclusive Period provisions contained on page 2 which are intended to be binding), but rather as a letter of intent to purchase on the terms and conditions under which the Buyer may purchase such assets.

The terms of the proposed purchase are as follows:

1. Price: Eighty-One Thousand (\$81,000.00) Dollars. Terms: Cash.

- 2. Conditions: a. Buyer's attorney will prepare a formal purchase agreement within Fifteen (15) days after counter-signature of this Letter of Intent;
  - b. A schedule of existing assets to be sold is attached to this Letter of Intent:
  - c. Any purchase agreement subsequently entered into will be contingent upon approval of the transfer of the MLCC liquor licenses:
  - d. Buyer acknowledges that the personal property related to the Dueling Piano concept is not included in the sale of assets contemplated herein;
  - e. Buyer shall deposit in the Thomas Hospitality Group Client Escrow account five thousand (\$5,000.00) dollars upon counter execution of this letter of intent. Said earnest money deposit will be applied to the purchase price in this transaction upon closing. In the event that the transaction contemplated herein does not conclude in a sale, the earnest money deposit will be promptly returned to the Buyer upon written confirmation by Buyer and Seller of the termination of the transaction.

It is understood and agreed that this writing is offered as a summary and is a non-binding offer. Neither Seller nor Buyer shall have any obligations to the other unless and until: (1) a mutually acceptable purchase agreement is executed by Seller and Buyer. Seller and Buyer acknowledge that this letter of intent is executed by their respective authorized representatives.

Rojo One, LLC d/b/a Duel Letter of Intent, Page 1

which representatives shall have no personal liability or responsibility in connection with the execution and delivery of this letter of intent for the transactions contemplated herein.

Seller and Buyer agree that the existence of this letter of intent, its contents, previous discussions between the parties regarding the possibility of the purchase and lease transactions and subsequent negotiations pursuant to this letter of intent shall not be disclosed by any unrelated third party except to those officers, employees, directors, attorneys, accountants, brokers and financial advisors assisting the parties in connection with such transactions. Except for the obligation of confidentiality required by this letter of intent, the parties shall only have those obligations set forth in the purchase agreement. No party shall have any obligation or liability based upon or arising under this letter of intent to any other party by reason of the fact that a purchase agreement is not prepared, authorized, executed or delivered.

For a period of fifteen (15) business days after Seller signs this Letter of Intent (the "Exclusive Period"), Seller shall not, directly or indirectly, exchange, transfer, encumber, sell or otherwise dispose of the assets or the lease or sublease of the property to any person or entity other than Buyer. If Seller and Buyer have not executed a purchase agreement prior to the expiration of the Exclusive Period (unless extended by mutual agreement of Seller and Buyer), this letter of intent shall terminate and Seller and Buyer shall have no further obligations under this letter of intent, except the confidentiality provision which shall continue for a period of six (6) months after the expiration of the Exclusive Period.

This proposal will remain in effect until 5:00 P.M. on Friday, March 10, 2017 unless extended by mutual agreement of the parties. If the terms of this proposal are acceptable, please have the Seller acknowledge its acceptance in the space provided below, return this letter of intent to me, and I will prepare a formal purchase agreement incorporating the terms outlined above.

We look forward to working with you. If you wish to proceed further on the above terms, please acknowledge their approval by signing this letter and returning one copy to me.

Very truly yours,

Valuation Report, Rojo Restaurants. @2016 Thomas Hospitality Group, Inc. page

estimates from those models for the value of the personal property and the value of the enterprise. The models included:

Personal property value estimate based upon:

- 1. Fair Market Value
- 2. Orderly Liquidation Value
- 3. Forced Liquidation Value

Current Market Value of the MLCC Class C Liquor License

The Value of the Enterprises was calculated upon the following models:

- 1. Sales multiple model
- 2. Percentage of Gross Sales Model

### **Assumptions and Limiting Conditions**

This valuation is subject to the following assumptions and limiting conditions. The information, estimates and opinions contained in this report are obtained from various sources considered to be reliable. However, we assume no liability for such sources. The Company and it representatives warranted to us that the information they supplied was complete and accurate to the best of their knowledge and that the financial statement information reflects the company's results of operations and financial condition in accordance with generally accepted accounting principles. Information-supplied-by-management has been accepted as correct without further verification (and we express no opinion on that information).

Possession of this report, or a copy thereof, does not carry with it the right of publication of all or part of it, nor may it be used for any purpose by anyone but the client without the previous written consent of the client or us and, in any event, only with proper attribution.

We are not required to testify in court, or be in attendance during any hearings or depositions, with reference to the company being valued, unless previous arrangements have been made.

The various estimates of value presented in this report apply to this opinion of value only and may not be used out of the context presented herein. This opinion of value is valid only for the purpose specified herein.

This opinion of value assumes that the company will continue to operate as a going concern, and that the character of its present business will remain intact.

The opinion of value contemplates facts and conditions existing as of the current date. Events and conditions occurring after that date have not been considered, and we have no obligation to update our report for such events and conditions.

We have assumed that there is full compliance with all applicable federal, state and local regulations and laws unless otherwise specified in this report.

This report was prepared under the direction of Michael E. Scheid. Neither the professionals who worked on this engagement nor members of Thomas Hospitality Group, Inc. have any present or contemplated future interest in any of the Rojo, LLC entities, any personal interest with respect to the parties involved, or any other interest that might prevent us from performing an unbiased valuation. Our conclusion is not contingent on an action or event resulting from the analysis, opinions, or conclusions in, or the use of, this report.

### **Opinion of Value**

Our efforts to establish an Opinion of Value were based upon our knowledge of the marketplace and data gathered from numerous public and private sources. Our primary focus has been to establish a convergence from several value estimation models as a confirmation of the actual value of the enterprise. The working papers are attached for your review and consideration.

An estimate based upon **personal property** across all entities yielded a value range of \$194,773.00 to \$280,376.00. This model is comprised of the current market value of the three (3) MLCC liquor licenses of \$175,000.00 and the value estimate for the other personal property across three entities: the Current Market value estimated of \$105,376.00, the Orderly Liquidation value of \$68,163.00 and the Forced Liquidation value of \$19,773.00.

Subdivided by entity, the results are as follows:

The range of value for Rojo One, LLC; all assets included, is \$80,093.00 to \$114,986.00.

The range of value for Rojo Two, LLC; all assets included, is \$77,423.00 to 115,290.00.

The range of value for Rojo Four, LLC; all assets included, is \$37,257.00 to \$50,100.00.

The range of value for Rojo Five, LLC; all assets included, is \$0.00 (all personal property is leased by Company).

The range of value for Rojo Six, LLC; all assets included, is \$0.00 (all personal property is leased by Company).

The Sales/Income Multiple Model is based upon establishing an adjusted net income value multiplied by a factor that reflects like kind transactions in the marketplace. The factor utilized in this opinion of value is a 2.5 multiple which yielded a business enterprise value of \$0.00 which was a result of the negative income reported across all entities.

The **Gross Sales Model** would have yielded an estimation of business value of **\$2,511,035.00** or **\$502,207.00**, on average, per unit if the operating units were generating a profit. The Gross Sales Model was considered **not effective** in this analysis due to the negative income generated across all operating units.

The lack of convergence between the Sales Multiple Model and the Gross Sales Model indicates a failure to predict a reliable value for the operations of the business units.

Across all models the value estimate of the enterprise is **\$0.00**. The value of the Personal Property is estimated to be between \$194,773.00 and \$280,376.00.

The Asset Value of the operating units as of December 18 & 19, 2016 was estimated to be between \$194,773.00 and \$280,376.00.
