**GLOBAL NOTES AND STATEMENT OF  
LIMITATIONS, METHODOLOGY AND DISCLAIMERS  
REGARDING THE DEBTORS' SCHEDULES OF ASSETS  
AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

---

Sabine Oil & Gas Corporation ("Sabine") and certain of its affiliates, as debtors and debtors in possession in the above-captioned chapter 11 cases, (the "Debtors") have filed their respective Schedules of Assets and Liabilities (the "Schedules") and Statements of Financial Affairs (the "Statements") in the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court"). The Debtors, with the assistance of their advisors, prepared the Schedules and Statements in accordance with section 521 of chapter 11 of title 11 of the United States Code (the "Bankruptcy Code") and Rule 1007 of the Federal Rules of Bankruptcy Procedure.

Michael Magilton has signed each set of the Schedules and Statements. Mr. Magilton serves as the Senior Vice President and Chief Financial Officer, or authorized signatory, for all of the Debtors. In reviewing and signing the Schedules and Statements, Mr. Magilton has necessarily relied upon the efforts, statements, advice, and representations of personnel of the Debtors and the Debtors' advisors. Mr. Magilton has not (and could not have) personally verified the accuracy of each such statement and representation, including statements and representations concerning amounts owed to creditors.

In preparing the Schedules and Statements, the Debtors relied on financial data derived from their books and records that was available at the time of such preparation. Although the Debtors have made every reasonable effort to ensure the accuracy and completeness of the Schedules and Statements, subsequent information or discovery may result in material changes to the Schedules and Statements. As a result, inadvertent errors or omissions may exist.

The location of Debtor Sabine Oil & Gas Corporation's corporate headquarters and the Debtors' service address is: 1415 Louisiana, Suite 1600, Houston, Texas 77002.

The Debtors and their agents, attorneys and financial advisors do not guarantee or warrant the accuracy or completeness of the data that is provided herein, and will not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors, or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein. While commercially reasonable efforts have been made to provide accurate and complete information herein, inadvertent errors or omissions may exist. The Debtors and their agents, attorneys and financial advisors expressly do not undertake any obligation to update, modify, revise, or re-categorize the information provided herein, or to notify any third party should the information be updated, modified, revised, or re-categorized. In no event will the Debtors or their agents, attorneys and financial advisors be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost business, or lost profits), whether foreseeable or not and however caused, even if the Debtors or their agents, attorneys, and financial advisors are advised of the possibility of such damages.

### **Global Notes and Overview of Methodology**

1. **Description of Cases.** On July 15, 2015, (the “Petition Date”), the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code. The Debtors are operating their business and managing their property as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On July 16, 2015, an order was entered directing procedural consolidation and joint administration of these chapter 11 cases [Docket No. 48]. Notwithstanding the joint administration of the Debtors’ cases for procedural purposes, each Debtor has filed its own Schedules and Statements. The information provided herein, except as otherwise noted, is reported as of the close of business on the Petition Date.
2. **Global Notes Control.** These Global Notes pertain to and comprise an integral part of all of the Schedules and Statements and should be referenced in connection with any review thereof. In the event that the Schedules and Statements differ from these Global Notes, the Global Notes control.
3. **Reservations and Limitations.** Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, as noted above, inadvertent errors or omissions may exist. The Debtors reserve all rights to amend or supplement the Schedules and Statements as is necessary and appropriate. Nothing contained in the Schedules and Statements constitutes a waiver of any of the Debtors’ rights or an admission of any kind with respect to these chapter 11 cases, including, but not limited to, any rights or claims of the Debtors against any third party or issues involving substantive consolidation, equitable subordination, or defenses or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code or any other relevant applicable bankruptcy or non-bankruptcy laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph.

- (a) **No Admission.** Nothing contained in the Schedules and Statements is intended or should be construed as an admission or stipulation of the validity of any claim against the Debtors, any assertion made therein or herein, or a waiver of the Debtors' rights to dispute any claim or assert any cause of action or defense against any party.
- (b) **Recharacterization.** Notwithstanding that the Debtors have made reasonable efforts to correctly characterize, classify, categorize, or designate certain claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements, the Debtors nonetheless may have improperly characterized, classified, categorized, or designated certain items. The Debtors thus reserve all rights to recharacterize, reclassify, recategorize, or redesignate items reported in the Schedules and Statements at a later time as is necessary and appropriate.
- (c) **Classifications.** Listing (i) a claim on Schedule D as "secured," (ii) a claim on Schedule E as "priority," (iii) a claim on Schedule F as "unsecured," or (iv) a contract on Schedule G as "executory" or "unexpired" does not constitute an admission by the Debtors of the legal rights of the claimant, or a waiver of the Debtors' right to recharacterize or reclassify such claim or contract.
- (d) **Claims Description.** Any failure to designate a claim on a given Debtor's Schedules and Statements as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtor that such amount is not "disputed," "contingent," or "unliquidated." The Debtors reserve all rights to dispute, or assert offsets or defenses to, any claim ("Claim") reflected on their respective Schedules and Statements on any grounds, including, without limitation, liability or classification, or to otherwise subsequently designate such claims as "disputed," "contingent," or "unliquidated" or object to the extent, validity, enforceability, priority, or avoidability of any Claim. Moreover, listing a Claim does not constitute an admission of liability by the Debtor against which the Claim is listed or by any of the Debtors. The Debtors reserve all rights to amend their Schedules and Statements as necessary and appropriate, including, but not limited to, with respect to claim description and designation.
- (e) **Estimates and Assumptions.** The preparation of the Schedules and Statements required the Debtors to make reasonable estimates and assumptions with respect to the reported amounts of assets and liabilities, the amount of contingent assets and contingent liabilities on the date of the Schedules and Statements, and the reported amounts of revenues and expenses during the applicable reporting periods. Actual results could differ from those estimates.
- (f) **Causes of Action.** Despite reasonable efforts, the Debtors may not have identified and/or set forth all of their causes of action (filed or potential) against third parties as assets in their Schedules and Statements, including, without limitation, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions under other relevant bankruptcy and non-bankruptcy laws to recover

assets. The Debtors reserve all rights with respect to any causes of action, and nothing in these Global Notes or the Schedules and Statements should be construed as a waiver of any such causes of action.

- (g) **Intellectual Property Rights.** Exclusion of certain intellectual property should not be construed to be an admission that such intellectual property rights have been abandoned, have been terminated or otherwise expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property should not be construed to be an admission that such intellectual property rights have not been abandoned, have not been terminated or otherwise expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction.
- (h) **Insiders.** In the circumstance where the Schedules and Statements require information regarding “insiders” (as defined on page 1 of Sabine’s Statement of Financial Affairs) the Debtors have included information with respect to individuals who served as officers and directors, as the case may be, during the relevant time periods. Such individuals may no longer serve as an officer or director of the Debtors. The listing of a party as an insider for purposes of the Schedules and Statements is not intended to be, nor should it be, construed as a legal characterization of such party as an insider and does not act as an admission of any fact, right, claim, or defense, and all such rights, claims and defenses are hereby expressly reserved. Information regarding the individuals listed as “insiders” in the Schedules and Statements has been included for informational purposes only and such information may not be used for the purposes of determining control of the Debtors, the extent to which any individual exercised management responsibilities or functions, corporate decision-making authority over the Debtors, or whether such individual could successfully argue that he or she is not an “insider” under applicable law, including the Bankruptcy Code and federal securities laws, or with respect to any theories of liability or any other purpose.

#### 4. **Methodology.**

- (a) **Basis of Presentation.** The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States (“GAAP”), nor are they intended to be fully reconciled to the financial statements of each Debtor. The Schedules and Statements contain unaudited information that is subject to further review and potential adjustment. The Schedules and Statements reflect the Debtors’ reasonable efforts to report the assets and liabilities of each Debtor on an unconsolidated basis.
- (b) **Confidential Information.** There may be instances in the Schedules and Statements where the Debtors deemed it necessary and appropriate to redact from the public record information such as names, addresses, or amounts. Typically,

the Debtors have used this approach because of an agreement between the Debtors and a third party, concerns of confidentiality, or concerns for the privacy of an individual.

- (c) **Net Book Value.** In certain instances, current market valuations for individual items of property and other assets are neither maintained by, nor readily available to, the Debtors. Accordingly, unless otherwise indicated, the Debtors' Schedules and Statements reflect net book values. Market values may vary, at some times materially, from net book values. The Debtors believe that it would be an inefficient use of the assets of the Debtors' estates for the Debtors to obtain the current market values of their assets. Accordingly, the Debtors have indicated in the Schedules and Statements that the values of certain assets and liabilities are undetermined. Also, assets that have been fully depreciated or that were expensed for accounting purposes either do not appear in these Schedules and Statements or are listed with a zero-dollar value, as such assets have no net book value. The omission of an asset from the Schedules and Statements does not constitute a representation regarding the ownership of the such asset, and any such omission does not constitute a waiver of any rights of the Debtors with respect to such asset.
- (d) **Property and Equipment.** Unless otherwise indicated, owned property and equipment are valued at net book value. The Debtors may lease furniture, fixtures, and equipment from certain third-party lessors. Any such leases are listed in the Schedules and Statements. Nothing in the Schedules and Statements is, or should be construed as, an admission as to the determination of the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtors reserve all rights with respect thereto.
- (e) **Allocation of Liabilities.** The Debtors allocated liabilities between the prepetition and postpetition periods based on the information and research conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between the prepetition and postpetition periods may change.
- (f) **Undetermined Amounts.** The description of an amount as "unknown," "TBD," or "undetermined" is not intended to reflect upon the materiality of such amount.
- (g) **Unliquidated Amounts.** Amounts that could not be fairly quantified by the Debtors are scheduled as "unliquidated."
- (h) **Totals.** All totals that are included in the Schedules and Statements represent totals of all known amounts. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total.
- (i) **Paid Claims.** The Debtors have authority to pay certain outstanding prepetition payables pursuant to bankruptcy or other court order; as such, outstanding

liabilities may have been reduced by any court-approved postpetition payments made on prepetition payables. Where and to the extent these liabilities have been satisfied, they are not listed in the Schedules and Statements. To the extent the Debtors later pay any amount of the claims listed in the Schedules and Statements pursuant to any orders entered by the Bankruptcy Court, the Debtors reserve all rights to amend or supplement the Schedules and Statements or to take other action, such as filing claims objections, as is necessary and appropriate to avoid overpayment or duplicate payments for liabilities. Nothing contained herein should be deemed to alter the rights of any party in interest to contest a payment made pursuant to an order of the Bankruptcy Court where such order preserves the right to contest.

- (j) **Intercompany Claims.** Receivables and payables among the Debtors in these chapter 11 cases and their affiliates are reported on Schedule B and Schedule F, respectively. The listing of any amounts with respect to such receivables and payables is not, and should not be construed as, an admission of the characterization of such balances, as debt, equity, or otherwise.
- (k) **Guarantees and Other Secondary Liability Claims.** The Debtors have exercised reasonable efforts to locate and identify guarantees in their executory contracts, unexpired leases, secured financings, and other such agreements. Where guarantees have been identified, they have been included in the relevant Schedules G and H for the affected Debtor or Debtors. The Debtors may have inadvertently omitted guarantees embedded in their contractual agreements and may identify additional guarantees as they continue their review of their books and records and contractual agreements. The Debtors reserve their rights, but are not required, to amend the Schedules and Statements if additional guarantees are identified.
- (l) **Excluded Assets and Liabilities.** The Debtors have excluded the following categories of assets and liabilities from the Schedules and Statements: certain deferred charges, accounts, or reserves recorded only for purposes of complying with the requirements of GAAP; deferred tax assets and liabilities; goodwill and other intangibles; and certain accrued liabilities including, but not limited to, accrued salaries and employee benefits. Other immaterial assets and liabilities may also have been excluded.
- (m) **Liens.** The inventories, property and equipment listed in the Schedules and Statements are presented without consideration of any liens.
- (n) **Currency.** Unless otherwise indicated, all amounts are reflected in U.S. dollars.
- (o) **Setoffs.** The Debtors routinely incur setoffs and net payments in the ordinary course of business. Such setoffs and nettings may occur due to a variety of transactions or disputes including, but not limited to, intercompany transactions, counterparty settlements, pricing discrepancies, rebates, returns, warranties, refunds, negotiations and/or disputes between Debtors and their customers

regarding regulatory or governmental impositions costs incurred by Debtors, and other disputes between the Debtors and their customers and/or suppliers. These normal, ordinary course setoffs and nettings are common to the oil and gas industry. Due to the voluminous nature of setoffs and nettings, it would be unduly burdensome and costly for the Debtors to list each such transaction. Therefore, although such setoffs and other similar rights may have been accounted for when scheduling certain amounts, these ordinary course setoffs are not independently accounted for, and as such, are or may be excluded from the Debtors' Schedules and Statements. In addition, some amounts listed in the Schedules and Statements may have been affected by setoffs or nettings by third parties of which the Debtors are not yet aware. The Debtors reserve all rights to challenge any setoff and/or recoupment rights that may be asserted.

**5. Specific Schedules Disclosures.**

- (a) **Schedule A – Real Property.** The Debtors are party to agreements regarding interests in oil and gas in several states. Such interests are listed on Schedule A to the extent that they may be treated as freehold property interests under the laws of the state in which the property is located. Alternatively, to the extent such interests may be treated as leasehold interests under the laws of the state in which the relevant property is located, the agreements governing the conveyance of such interests are listed on Schedule G. The listing of such agreements on either Schedule A or Schedule G does not constitute an admission by the Debtors that such agreements are leases, contracts, property interests, or leasehold interests.

The Debtors have made reasonable efforts to identify all counterparties in respect of their oil and gas interests. Where, among other circumstances, the Debtors have been unable to identify subsequent transferees of counterparties' interests in property, the Debtors have listed the last known counterparty for a given oil and gas interest, as well as other identifying information.

- (b) **Schedules B1 and B2 – Cash on Hand and Financial Accounts.** Details with respect to the Debtors' cash management system and bank accounts are provided in the *Debtors' Motion for Entry of Interim and Final Orders (I) Authorizing the Debtors to (A) Continue Using the Cash Management System, (B) Maintain Existing Bank Accounts and Business Forms, (C) Continue Intercompany Transactions, and (II) Granting Superpriority Administrative Expense Status to Postpetition Intercompany Payments* [Docket No. 10] (the "Cash Management Motion").
- (c) **Schedule B3 – Security Deposits.** The Bankruptcy Court, pursuant to the *Order Determining Adequate Assurance of Payment for Future Utility Services* [Docket No. 144], has authorized the Debtors to provide adequate assurance of payment for future utility services, including an initial deposit in the amount of \$100,000. Such deposits are not listed on Schedule B3, which was prepared as of the Petition Date.

- (d) **Schedule B9 – Interests in Insurance Policies.** A list of the Debtors’ insurance policies and related information is available in the *Debtors’ Motion for Entry of an Order Authorizing the Debtors to (I) Continue Insurance Coverage Entered into Prepetition and Satisfy Prepetition Obligations Related Thereto and (II) Renew, Supplement, or Purchase Insurance Policies* [Docket No. 17]. The Debtors believe that there is little or no cash value in such insurance policies. Accordingly, such policies are not listed on Schedule B9.
- (e) **Schedules B13 and B14 – Stock and Interests in Businesses, Partnerships, and Joint Ventures.** Ownership interests in subsidiaries, partnerships, and joint ventures have been listed in Schedules B13 and B14 as undetermined amounts on account of the fact that the fair market value of such ownership is dependent on numerous variables and factors, and may differ significantly from their net book value.
- (f) **Schedule B21 – Other Contingent and Unliquidated Claims, Including Setoffs.** In the ordinary course of their businesses, the Debtors may have accrued, or may subsequently accrue, certain rights to counter-claims, cross-claims, setoffs, refunds with their customers and suppliers, or potential warranty claims against their suppliers. Additionally, certain of the Debtors may be party to pending litigation in which the Debtors have asserted, or may assert, claims as a plaintiff or counter-claims and/or cross-claims as a defendant. Because such claims are unknown to the Debtors and not quantifiable as of the Petition Date, they are not listed on Schedule B21.
- (g) **Schedule B25 – Automobiles, Trucks, Trailers, and Other Vehicles and Accessories.** In some cases, the assets listed on Schedule B25 are mobile assets that are moved frequently in the ordinary course of the Debtors’ businesses. It would be unduly burdensome and costly for the Debtors’ estates, and in some circumstances, impossible, for the Debtors to determine the precise location of such assets as of the Petition Date. Accordingly, to the extent that the precise location of an asset listed on Schedule B25 as of the Petition Date is not known to the Debtors, such asset’s location is listed as “Various Locations” in the state within which such mobile asset typically operates.
- (h) **Schedule B28 and B29 – Equipment, Furnishings, Machinery, Supplies, and Fixtures.** Dollar amounts are presented net of accumulated depreciation and other adjustments.
- (i) **Schedule B35 – Other Personal Property.** Dollar amounts are presented net of impairments and other adjustments.
- (j) **Schedule D – Creditors Holding Secured Claims.** Except as otherwise agreed pursuant to a stipulation or order entered by the Bankruptcy Court, the Debtors reserve their rights to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D. Moreover, although the Debtors

have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor's claim.

The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable agreements and other related relevant documents is necessary for a complete description of the collateral and the nature, extent, and priority of any liens. In certain instances, a Debtor may be a co-obligor, co-mortgagor, or guarantor with respect to scheduled claims of other Debtors, and no claim set forth on Schedule D of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities.

The Debtors have not included on Schedule D parties that may believe their claims are secured through setoff rights or inchoate statutory lien rights. Although there are multiple parties that hold a portion of the debt included in the secured facilities, only the administrative agents have been listed for purposes of Schedule D.

- (k) **Schedule E – Creditors Holding Unsecured Priority Claims.** Pursuant to the *Final Order Authorizing the Payment of Certain Prepetition Taxes and Fees*, dated August 10, 2015 [Docket No. 152], the Debtors have been granted the authority to pay, in their discretion, certain tax liabilities that accrued prepetition. Accordingly, any unsecured priority claims based upon prepetition tax accruals are not listed in Schedule E.

Furthermore, pursuant to the *Final Order Authorizing the Debtors to (I) Pay Prepetition Wages, Salaries, Other Compensation, and Reimbursable Expenses, and (II) Continue Certain Employee Benefits Programs* [Docket No. 148], the Debtors received final authority to pay certain prepetition obligations, including to pay employee wages and other employee benefits, in the ordinary course of business. The Debtors believe that any employee claims for prepetition amounts related to ongoing payroll and benefits, whether allowable as a priority or nonpriority claim, have been or will be satisfied, and such satisfied amounts are not listed. To the extent that an individual's claim exceeded the \$12,475 priority limit under section 507 of the Bankruptcy Code, the Debtors have scheduled the unsecured portion of such claim on Schedule F.

The listing of a claim on Schedule E does not constitute an admission by the Debtors that such claim or any portion thereof is entitled to priority status.

- (l) **Schedule F – Creditors Holding Unsecured Nonpriority Claims.** The liabilities identified in Schedule F are derived from the Debtors' books and records. The Debtors made a reasonable attempt to set forth their unsecured obligations, although the actual amount of claims against the Debtors may vary from those liabilities represented on Schedule F. The listed liabilities may not

reflect the correct amount of any unsecured creditor's allowed claims or the correct amount of all unsecured claims.

The Debtors generally allocate individual liabilities to particular Debtors. However, in certain cases, it would be a time-consuming and inefficient use of the assets of the Debtors' estates, or impracticable, to assign a given liability to a particular Debtor. To the extent the debt could not be attributed to a specific Debtor, the liability has been listed on Schedule F of Sabine Oil and Gas Corporation.

Schedule F contains information regarding threatened or pending litigation involving the Debtors. The amounts for these potential claims are listed as "undetermined" and are marked as contingent, unliquidated, and disputed in the Schedules and Statements.

Schedule F reflects certain prepetition amounts owing to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in connection with the assumption or assumption and assignment of an executory contract or unexpired lease. In addition, Schedule F does not include rejection damages claims, if any, of the counterparties to executory contracts and unexpired leases that may be or have been rejected.

In many cases, the claims listed on Schedule F arose, accrued, or were incurred on various dates or on a date or dates that are unknown to the Debtors or are subject to dispute. Where the determination of the date on which a claim arose, accrued, or was incurred would be unduly burdensome and costly to the Debtors' estates, the Debtors have not listed a specific date or dates for such claim.

As of the time of filing of the Schedules and Statements, the Debtors had not received all invoices for payables, expenses, and other liabilities that may have accrued prior to the Petition Date. Accordingly, the information contained in Schedules D, E, and F may be incomplete. The Debtors reserve their rights, but undertake no obligations, to amend Schedules D, E, and F if and as they receive such invoices.

- (m) **Schedule G – Executory Contracts.** While every effort has been made to ensure the accuracy of Schedule G, inadvertent errors or omissions may have occurred. Listing a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease or that such contract or agreement was in effect on the Petition Date or is valid or enforceable. The Debtors hereby reserve all of their rights to dispute the validity, status, or enforceability of any contracts, agreements, or leases set forth in Schedule G and to amend or supplement such Schedule as necessary. Certain of the leases and contracts listed on Schedule G may contain renewal options, guarantees of payment, indemnifications, options to purchase, rights of first refusal and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth separately on Schedule G. In addition, the Debtors

may have entered into various other types of agreements in the ordinary course of their business, such as supplemental agreements and letter agreement, which documents may not be set forth in Schedule G.

The Debtors reserve all rights to dispute or challenge the characterization of the structure of any transaction or any document or instrument related to a creditor's claim.

In some cases, the same supplier or provider may appear multiple times in Schedule G. Multiple listings, if any, reflect distinct agreements between the applicable Debtor and such supplier or provider.

The listing of any contract on Schedule G does not constitute an admission by the Debtors as to the validity of any such contract. The Debtors reserve the right to dispute the effectiveness of any such contract listed on Schedule G or to amend Schedule G at any time to remove any contract.

Omission of a contract or agreement from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. The Debtors' rights under the Bankruptcy Code with respect to any such omitted contracts or agreements are not impaired by the omission. Certain Debtors are guarantors and parties to guaranty agreements regarding the Debtors' prepetition credit facility. The guaranty obligations arising under these agreements are reflected on Schedules D and F only.

- (n) **Schedule H** –. For purposes of Schedule H, only the agent under the prepetition credit facility or counterparties that are subject to a guaranty are listed as Co-Debtors on Schedule H. The Debtors have not listed any litigation-related Co-Debtors on Schedule H. Instead, all such listings can be found on the Debtors' Schedule F.

**6. Specific Statements Disclosures.**

- (a) **Question 3 – Payments to Creditors.** Prior to the Petition Date, the Debtors maintained a centralized cash management system through which Sabine and certain of its Debtor affiliates made certain payments on behalf of other entities. Consequently, all payments to creditors and insiders listed in response to Questions 3b and 3c on each of the Debtors' Statements reflect payments made by Sabine or one of its Debtor affiliates from operating bank accounts (the "Operating Accounts"), on behalf of the corresponding debtor, pursuant to the Debtors' cash management system described in the Cash Management Motion. In addition, for the sake of completeness and out of an abundance of caution, the Debtors have listed transfers valued at less than \$6,225 in their response to Question 3b.
- (b) **Question 9 – Payments Related to Debt Counseling or Bankruptcy.** The attachment to Question 9 reflects payments to professionals made from the debtors' main Operating Account, which is owned by Sabine, on behalf of the ten

debtors on a consolidated basis. The Debtors believe that it would be an inefficient use of the assets of the Debtors' estates for the Debtors to allocate these payments on a debtor-by-debtor basis. The response to Question 9 in each of the Debtors' Statements thus refers to Attachment 9 to Sabine's Statement.

- (c) **Question 13 – Setoffs.** For a discussion of setoffs and nettings incurred by the Debtors, refer to paragraph ¶ 4(o) herein.
- (d) **Question 14 – Property Held for Another Person.** Pursuant to various oil and gas leases, marketing agreements, working and royalty interest arrangements, and joint interests and joint operating agreements, all of which are common in the oil and gas industry, the Debtors regularly pay and hold funds, including portions of revenue generated by oil and gas assets, on behalf of third parties in the ordinary course of business. The Debtors are obligated under various agreements to remit certain funds held for third parties to those parties, and have received authorization to do so under the *Final Order Authorizing Payment of (I) Operating Expenses, (II) Joint Interest Billings, (III) Shipper and Warehousemen Claims, and (IV) Section 503(B)(9) Claims* [Docket No. 180] and the *Final Order Authorizing Payment of (I) Working Interest Disbursements and (II) Royalty Payments in the Ordinary Course of Business* [Docket No. 178]. To the extent that any of the funds described above are held or paid for the benefit of third parties, such funds do not constitute property of the Debtors' estates, and the Debtors therefore have not included such amounts in their responses to Statement Question 14.
- (e) **Question 15 – Prior Addresses.** From time to time, in the ordinary course of business, the Debtors buy and sell real property interests, including fee simple interests in land, in connection with their operations. The Debtors have not disclosed the addresses of these properties. Rather, the address of each Debtor's main center of operations or headquarters has been included in response to Statements Question 18(a). For most of these locations, the dates of occupancy are unknown.
- (f) **Question 17(b) – Environmental Information.** The Debtors have endeavored to disclose all applicable information in response to Statements Question 17. The Debtors' tracking system for any spills, however, was updated in 2015 to allow for easier recovery of such data. The Debtors have endeavored to include reportable spills or releases of Hazardous Material that occurred before 2006 in their response. However, to fully research and report such events that may have occurred before that time would require significant time and resources and as a result would be unduly burdensome.
- (g) **Question 18(a) – Location of Business.** The Debtors have disclosed all known addresses of each Debtor's main center of operations or headquarters and have not included information regarding any related ground stations, warehousing, storage facilities, or any other site or location where a portion of a Debtor's business operations are conducted. Because the Debtors operate, and have operated, in

many locations and have regularly entered into transactions contemplating partnerships, joint ventures, acquisitions, and divestments of diversely located assets, and, in some cases, subsidiaries, the Debtors do not have complete information that is reasonably accessible regarding all businesses in which the Debtors have owned a 5% or higher stake over the past 6 years; accordingly, information that would require significant time and resources or would otherwise be unduly burdensome to obtain, or information that is not otherwise available to the Debtors, may not be reflected in Question 18(a).

- (h) **Question 19(d) – Books, Records, and Financial Statements.** Pursuant to the requirements of the Securities Exchange Act of 1934, as amended, Sabine has filed with the U.S. Securities and Exchange Commission (the “SEC”) reports on Form 8-K, Form 10-Q, and Form 10-K. These SEC filings contain consolidated financial information relating to the Debtors. Additionally, consolidated financial information for the Debtors is posted on the company’s website at [www.sabineoil.com](http://www.sabineoil.com). In addition, the Debtors provide certain parties, such as banks, auditors, potential investors, vendors, and financial advisors, with financial statements that may not be part of a public filing. The Debtors do not maintain complete lists or other records tracking such disclosures. Therefore, the Debtors have not provided lists of these parties in their Responses to Statement Question 19(d).
- (i) **Question 21(b) – Current Partners, Officers, Directors, and Shareholders.** The Debtors have excluded from Statements Question 21(b) shareholders who hold less than five percent of each Debtor’s voting or equity securities. For a full list of equity securities holders of Sabine, readers of the Schedules and Statements should refer to the list of Shareholders filed as Schedule 1(m) to Exhibit B to the *Debtors’ Application for Entry of an Order Authorizing the Retention and Employment of Kirkland & Ellis LLP and Kirkland & Ellis International LLP as Attorneys for the Debtors and Debtors In Possession Effective Nunc Pro Tunc to the Petition Date* [Docket No. 218].
- (j) **Question 23 – Withdrawals from a Partnership or Distributions by a Corporation.** Distributions by the Debtors to their directors and officers are listed on the attachment to Question 3c. Certain directors and executive officers of Sabine are also directors and executive officers of certain of Sabine’s Debtor and non-Debtor affiliates. To the extent payments to such individuals are not listed in the response to Question 3c on the Statements for such Debtor affiliates, they did not receive payment for their services as directors or executive officers of these entities. Certain of the Debtors’ directors and executive officers received distributions net of tax withholdings in the year preceding the Petition Date. The amounts listed under Question 3c reflect the gross amounts paid to such directors and executive officers, rather than the net amounts after deducting for tax withholdings.
