**GLOBAL NOTES, METHODOLOGY AND SPECIFIC  
DISCLOSURES REGARDING THE DEBTORS’ SCHEDULES OF  
ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

**Introduction**

Savient Pharmaceuticals, Inc. and Savient Pharma Holdings, Inc., the debtors and debtors-in-possession in the above-captioned cases (together, the “Debtors,” and the Debtors together with their non-debtor subsidiaries and affiliates, the “Company”), with the assistance of their advisors, have filed their respective Schedules of Assets and Liabilities (the “Schedules”) and Statements of Financial Affairs (the “Statements” and, together with the Schedules, the “Schedules and Statements”) with the United States Bankruptcy Court for the District of Delaware (the “Bankruptcy Court”), pursuant to section 521 of title 11 of the United States Code (the “Bankruptcy Code”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”).

These Global Notes, Methodology and Specific Disclosures Regarding the Debtors’ Schedules and Statements (the “Global Notes”) pertain to, are incorporated by reference in, and comprise an integral part of all the Schedules and Statements. The Global Notes should be referred to, considered and reviewed in connection with any review of the Schedules and Statements.<sup>2</sup>

Mr. John P. Hamill has signed the Schedules and Statements. Mr. Hamill is Co-President and the Chief Financial Officer of Savient Pharmaceuticals, Inc., and an authorized signatory for the Debtors. In reviewing and signing the Schedules and Statements, Mr. Hamill necessarily has relied

<sup>1</sup> The Debtors and the last four digits of their respective taxpayer identification numbers are as follows: Savient Pharmaceuticals, Inc. (3811); and Savient Pharma Holdings, Inc. (0701). The address of the Debtors’ corporate headquarters is 400 Crossing Boulevard, 3rd Floor, Bridgewater, New Jersey 08807.

<sup>2</sup> These Global Notes are in addition to any specific notes contained in each Debtor’s Schedules or Statement. The fact that the Debtors have prepared a “General Note” with respect to any of the Schedules and Statements and not to others should not be interpreted as a decision by the Debtors to exclude the applicability of such General Note to any of the Debtors’ remaining Schedules and Statements, as appropriate.

upon the efforts, statements and representations of the Debtors' advisors and various personnel employed by the Debtors. Mr. Hamill has not (and could not have) personally verified the accuracy of each statement and representation contained in the Schedules and Statements, including statements and representations concerning amounts owed to creditors, classification of such amounts and creditor addresses.

### **Global Notes and Overview of Methodology**

**1. Reservation of Rights.** Although reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements, inadvertent errors or omissions may exist. The Debtors reserve all rights to amend, supplement or otherwise modify the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate, including, without limitation, the right to amend the Schedules and Statements with respect to a claim (including, but not limited to, amending the description or designation of any claim; disputing or otherwise asserting offsets or defenses to any claim reflected in the Schedules and Statements as to amount, liability, priority, status or classification; subsequently designating any claim as "disputed," "contingent" or "unliquidated"; or objecting to the extent, validity, enforceability, priority or avoidability of any claim). Notwithstanding the foregoing, the Debtors shall not be required to update the Schedules and Statements.

Further, nothing contained in the Schedules and Statements shall constitute a waiver of rights or an admission with respect to the Chapter 11 Cases (as defined below), including, without limitation, matters involving objections to claims, substantive consolidation, equitable subordination, defenses, characterization or re-characterization of contracts, assumption or rejection of contracts under the provisions of chapter 3 of the Bankruptcy Code and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code or any other relevant applicable laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this or the preceding paragraph.

**2. Description of Cases and "as of" Information Date.** On October 14, 2013 (the "Petition Date"), the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code (the "Chapter 11 Cases"). The Debtors are operating their business and managing their properties as debtors-in-possession pursuant to Bankruptcy Code sections 1107(a) and 1108. On October 16, 2014, the Bankruptcy Court entered an order (Docket No. 34) providing for the joint administration of these cases pursuant to Bankruptcy Rule 1015(b).

On October 24, 2013, the United States Trustee for the District of Delaware appointed a statutory committee of unsecured creditors pursuant to Bankruptcy Code section 1102(a)(1). (Docket No. 81).

The Debtors filed for chapter 11 protection after the close of regular business on the Petition Date. Because substantially all changes to the Debtors' assets and liabilities occur during the business day, the Debtors have assumed for purposes of the Schedules and Statements that all business transactions involving the Debtors occurring on the Petition Date occurred before the chapter 11 filings. The asset information provided herein, except as otherwise noted, represents the

asset data of the Debtors as of the Petition Date, and the liability information provided herein, except as otherwise noted, represents the liability data of the Debtors as of the close of business on Petition Date.

**3. Basis of Presentation.** The Schedules and Statements, except where otherwise indicated, reflect the assets and liabilities of each Debtor on a non-consolidated basis where possible. Accordingly, the totals listed in the Schedules and Statements may not be comparable to Savient Pharmaceuticals, Inc. consolidated financial reports prepared for public reporting purposes or otherwise as these reports include Savient Pharmaceuticals, Inc. and each of its subsidiaries, some of which are not Debtors in these proceedings.

For purposes of the Schedules and Statements, the Debtors used reasonable efforts to attribute the assets and liabilities of each of their businesses to the proper legal entity; however, because the Debtors' accounting systems are designed to report for purposes of operational and managerial decision making, rather than by individual legal entity, it is possible that not all assets or liabilities have been recorded at the correct legal entity on the Schedules and Statements. As such, the Debtors reserve all rights to amend these Schedules and Statements accordingly.

Although these Schedules and Statements may, at times, incorporate information prepared in accordance with generally accepted accounting principles in the United States ("GAAP"), the Statements and Schedules neither purport to represent nor reconcile to financial statements otherwise prepared and/or distributed by the Debtors in accordance with GAAP or otherwise. Additionally, the Schedules and Statements contain unaudited information that is subject to further review and potential adjustment, and reflect the Debtors' reasonable best efforts to report the assets and liabilities of the Debtors on an unconsolidated basis.

**4. Confidentiality.** Due to the nature of an agreement between the Debtors and a third party, concerns of confidentiality or concerns for the privacy of an individual, the Debtors have deemed it appropriate and necessary to avoid listing certain names, addresses and amounts in the Schedules and Statements. Accordingly, there are instances within the Schedules and Statements where names, addresses or amounts have been left blank.

**5. Intercompany Claims.** Receivables and payables between the Debtors and/or the Debtors and their non-Debtor affiliates (each an "Intercompany Receivable" or "Intercompany Payable" and, collectively, the "Intercompany Claims") are reported as assets on Schedule B or liabilities on Schedule F. These Intercompany Claims may or may not result in allowed or enforceable claims by or against a given Debtor, and by listing these claims the Debtors are not indicating a conclusion that the Intercompany Claims are enforceable. Intercompany Claims also may be subject to set off, recoupment and netting not reflected in the Schedules. In situations where there is not an enforceable claim, the assets and/or liabilities of the applicable Debtor may be greater or less than the amounts stated herein. All rights to amend the Intercompany Claims in the Schedules and Statements are reserved.

The Debtors have listed all intercompany payables as unsecured non-priority claims on Schedule F for each applicable Debtor but reserve their rights to later change the characterization, classification, categorization or designation of such claims.

**6. Recharacterization.** Notwithstanding the Debtors' reasonable efforts to properly characterize, classify, categorize and designate certain claims, assets, executory contracts, unexpired leases and other items reported in the Schedules and Statements, the Debtors may nevertheless seek to recharacterize, reclassify, recategorize, redesignate, add or delete items. Accordingly, the Debtors reserve all of their rights to recharacterize, reclassify, recategorize, redesignate, add or delete items reported in the Schedules and Statements at a later time as is necessary or appropriate as additional information becomes available, including, without limitation, whether contracts or leases listed in the Schedules and Statements were deemed executory or unexpired as of the Petition Date and remain executory and unexpired postpetition.

**7. Liabilities.** The Debtors have sought to allocate liabilities between the prepetition and postpetition periods based on the information and research conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between the prepetition and postpetition periods may change. Accordingly, the Debtors reserve all of their rights to amend, supplement or otherwise modify the Schedules and Statements as is necessary or appropriate.

The liabilities listed on the Schedules do not reflect any analysis of claims under Bankruptcy Code section 503(b)(9). Accordingly, the Debtors reserve all of their rights to dispute or challenge the validity of any asserted claims under Bankruptcy Code section 503(b)(9) or the characterization of the structure of any such transaction or any document or instrument related to any creditor's claim.

**8. Insiders.** Solely for purposes of the Schedules and Statements, the Debtors define "insiders" to include the following: (a) members of the board of directors; (b) employees who hold the position of Senior Vice President or above; (c) shareholders holding in excess of 5% of the voting shares the Debtors (whether directly or indirectly); (d) relatives of (a) – (c) (to the extent known by the Debtors); and (e) non-Debtor affiliates.

Persons listed as "insiders" have been included for informational purposes only. The Debtors do not take any position with respect to: (a) such person's influence over the control of the Debtors; (b) the management responsibilities or functions of such individual; (c) the decision-making or corporate authority of such individual; or (d) whether such individual could successfully argue that he or she is not an "insider" under applicable law, including the federal securities laws, or with respect to any theories of liability or for any other purpose.

**9. Leases.** In the ordinary course of business, the Debtors lease certain fixtures and equipment from certain third party lessors for use in the daily operation of the Debtors' business. The Debtors' obligations pursuant to such leases appear on Schedule F, and the underlying lease agreements are listed on Schedule G. Nothing in the Schedules and Statements is or shall be construed as an admission as to the determination of the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtors reserve all rights with respect to such issues.

**10. Classifications.** Listing a claim on (a) Schedule D as "secured," (b) Schedule E as "priority" or (c) Schedule F as "unsecured"; or listing a contract on Schedule G as "executory" or "unexpired,"

does not constitute an admission by the Debtors of the legal rights of the claimant or a waiver of the Debtors' rights to recharacterize or reclassify such claims or contracts.

**11. Claims Description.** Schedules D, E and F permit the Debtors to designate a claim as "disputed," "contingent" and/or "unliquidated." Any failure to designate a claim on a given Schedule as "disputed," "contingent" or "unliquidated" does not constitute an admission by the Debtors that such amount is not "disputed," "contingent" or "unliquidated," or that such claim is not subject to objection. The Debtors reserve all of their rights to dispute, or assert offsets or defenses to, any claim reflected on their Schedules on any grounds, including, but not limited to amount, liability, validity, priority or classification. Additionally, the Debtors expressly reserve all of their rights to subsequently designate such claims as "disputed," "contingent" or "unliquidated."

**12. Causes of Action.** Despite their reasonable efforts to identify all known assets, the Debtors may not have identified and/or listed as assets in the Schedules and Statements all of their causes of action or potential causes of action against third-parties (and in particular have not identified or listed causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers). The Debtors reserve all of their rights with respect to any cause of action (including avoidance actions), controversy, right of setoff, cross-claim, counterclaim or recoupment; any claim on a contract or for breach of duty imposed by law or in equity; and any demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license or franchise, in each case of any kind or character whatsoever, known or unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertable directly or derivatively, whether arising before, on or after the Petition Date, in contract or in tort, in law or in equity, or pursuant to any other theory of law (collectively, "Causes of Action") they may have, and neither the Global Notes nor the Schedules and Statements shall be deemed a waiver of any claims or Causes of Action or in any way prejudice or impair the assertion of such claims or Causes of Action.

**13. Summary of Significant Reporting Policies.** The following is a summary of significant reporting policies:

- a. Currency. Unless otherwise indicated, all amounts are reflected in U.S. dollars.
- b. Undetermined Amounts. The description of an amount as "unknown," "TBD" or "undetermined" is not intended to reflect upon the materiality of such amount.
- c. Net Book Value of Assets. It would be prohibitively expensive, unduly burdensome and an inefficient use of estate assets for the Debtors to obtain current market valuations for all of their assets. Accordingly, unless otherwise indicated, the Debtors' Schedules and Statements reflect net book values as of the Petition Date. Additionally, because the book values of assets such as patents, trademarks and copyrights may materially differ from their fair market values, they are listed as undetermined amounts as of the Petition Date. Furthermore, assets that have fully depreciated or were expensed for accounting purposes may not appear in the

Schedules and Statements as they have no net book value, or may appear but be listed as undetermined amounts.

- d. Totals. All totals that are included in the Schedules and Statements represent totals of all known amounts. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total.
- e. Paid Claims. The Debtors were authorized (but not directed) to pay certain outstanding prepetition claims pursuant to various orders entered by the Bankruptcy Court (collectively, the “First-Day Orders”). The Schedules and Statements generally reflect (and do not list) prepetition obligations that have been satisfied pursuant to such First-Day Orders. To the extent the Schedules and Statements fail to reflect any such payments or the Debtors pay in the future claims listed in the Schedules and Statements pursuant to orders entered by the Bankruptcy Court, the Debtors reserve all of their rights to amend or supplement the Schedules and Statements or take other action as is necessary or appropriate to avoid over-payment of or duplicate payments for any such liabilities.
- f. Credits and Adjustments. The claims of individual creditors for, among other things, goods, products, services or taxes are listed as the amounts entered on the Debtors’ books and records and may not reflect credits, allowances or other adjustments due from such creditors to the Debtors. The Debtors reserve all of their rights with regard to such credits, allowances and other adjustments, including the right to assert claim objections and/or setoffs with respect to same.
- g. Accounts Receivable. The accounts receivable information listed on Schedule B includes net receivables from the Debtors’ customers which receivables are calculated net of any amounts that, as of the Petition Date, may be owed to such customers in the form of rebates, offsets or other price adjustments pursuant to the Debtors’ customer program policies and day-to-day operating policies. A claim is listed on Schedule F to the extent that a net payable remains to a given customer.
- h. Excluded Assets and Liabilities. The Debtors have excluded certain categories of assets, tax accruals and liabilities from the Schedules and Statements, including, without limitation, goodwill, accrued salaries, certain employee benefit accruals, accrued accounts payable and deferred gains. The Debtors also have excluded rejection damage claims of counterparties to executory contracts and unexpired leases that may be rejected, to the extent such damage claims exist. In addition, certain immaterial assets and liabilities may have been excluded.
- i. Liens. Property and equipment listed in the Schedules and Statements are presented without consideration of any liens that may attach (or have attached) to such property and equipment.

**14. Estimates**. To prepare and file the Schedules and Statements in accordance with the deadlines established in the Chapter 11 Cases, the Debtors were required to make certain estimates

and assumptions that affect the reported amounts of assets and liabilities and reported revenue and expenses as of the Petition Date. The Debtors reserve all rights to amend the reported amounts of assets, liabilities, revenue and expenses to reflect changes in those estimates and assumptions.

**15. Setoffs.** The Debtors periodically incur certain setoffs from customers and suppliers in the ordinary course of business. Setoffs in the ordinary course can result from various items including, but not limited to, intercompany transactions, pricing discrepancies, returns, refunds and other disputes between the Debtors and their customers and/or suppliers, as well as rebates, chargebacks, incentives and other obligations in connection with the Debtors' customer programs. These normal setoffs are consistent with the ordinary course of business in the Debtors' industry and can be voluminous, making it unduly burdensome and costly for the Debtors to list such ordinary course setoffs. Therefore, although such setoffs and other similar rights may have been accounted for when scheduling certain amounts, these ordinary course setoffs are not independently accounted for, and as such, are excluded from the Schedules and Statements.

**16. Totals.** The asset totals listed on Schedule B represent all known amounts included in the Debtors' books and records as of the Petition Date. The liability totals listed on Schedule F, however, reflect postpetition payments on prepetition claims made pursuant to First-Day Orders, as noted above. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total. Also as noted above, certain liabilities reflected in the books and records in accordance with GAAP, but which would not represent a claim against the Debtors, are not reflected on Schedule F.

**17. Global Notes Control.** In the event that the Schedules and Statements differ from the foregoing Global Notes, the Global Notes shall control.

#### **Specific Disclosures with Respect to the Debtors' Schedules**

**Schedule B4.** The Debtors have included a comprehensive response to Schedule B4, to the extent that it is applicable, on Schedule B28.

**Schedule B5.** The Debtors own various framed art work that hangs in the Debtors' Bridgewater, New Jersey office facility. Although such art work was expensed for accounting purposes and therefore has no net book value, the Debtors have listed the estimated original purchase price of such art work for informational purposes.

**Schedule B9.** General information regarding the Debtors' insurance policies is available in the Debtors' Motion For Order Pursuant To 11 U.S.C. §§ 105, 361, 362, 363, 364, 1107 And 1108, And Fed. R. Bankr. P. 6003 And 6004 Authorizing Debtors To (I) Maintain Existing Insurance Policies And Pay All Insurance Obligations Arising Thereunder And (II) Renew, Revise, Extend, Supplement, Change Or Enter Into New Insurance Policies (Docket No. 8).

**Schedule B13.** Ownership interests in incorporated and unincorporated businesses, including subsidiaries, have been listed on Schedule B13 at net book value as of the Petition Date. The fair market value of such ownership is dependent on numerous variables and factors and may differ significantly from the listed net book value.

**Schedule B16.** The Debtors have disclosed the net book value with respect to accounts receivable listed on Schedule B16, which represents the amount of the accounts receivable netted by a “prompt payment” discount.

**Schedule B21.** In the ordinary course of their business, the Debtors may have accrued, or may subsequently accrue, certain rights to counterclaims, setoffs, refunds with their customers and suppliers, or potential warranty claims against their suppliers. Additionally, the Debtors may be a party to pending litigation in which the Debtors have asserted, or may assert, claims as a plaintiff or counterclaims as a defendant. Because such claims are unknown to the Debtors and not quantifiable as of the Petition Date, they are not listed on Schedule B21.

**Schedule B22.** Schedule 22 lists intellectual property owned or licensed by the Debtors. Although the Debtors have made reasonable efforts to schedule intellectual property owned by the Debtors, in certain instances intellectual property listed in the Schedules and Statements may be owned by an affiliate. Accordingly, the Debtors reserve all of their rights with respect to the legal status of any and all such intellectual property rights.

Exclusion of certain intellectual property shall not be construed as an admission that such intellectual property rights have been abandoned, terminated or assigned; have expired by their terms; or otherwise have been transferred pursuant to a sale, acquisition or other transaction. Conversely, inclusion of certain intellectual property shall not be construed as an admission that such intellectual property rights have not been abandoned, terminated or assigned; have not expired by their terms; or otherwise have not been transferred pursuant to a sale, acquisition or other transaction.

Finally, the Debtors have numerous pieces of unregistered intellectual property which have not been included on Schedule B22.

**Schedule B24.** While the Company maintains customer lists in the ordinary course of its business, such lists do not contain “personally identifiable information” within the meaning of section 101(41A) of the Bankruptcy Code.

**Schedule B28.** In addition to the various office equipment (including computer equipment), furnishings and supplies specifically listed on Schedule B28, the Debtors may own various other office equipment and furnishings that have not been specifically identified. Moreover, many assets listed on Schedule B28 are listed with generic descriptions.

Unless otherwise stated in these Global Notes, values of assets appearing on Schedule B28 are listed at book value or, for assets that have fully depreciated or were expensed for accounting purposes, at an undetermined amount.

**Schedule B29.** The Debtors have included a comprehensive response to Schedule B29 on Schedule B28.

**Schedule D.** Although there are multiple holders of the Debtors' prepetition secured notes, only the indenture trustee for such notes has been listed for purposes of Schedule D. The amount outstanding under the Debtors' prepetition secured notes reflects an approximate amount as of the Petition Date.

Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements.

Finally, the Debtors have not included on Schedule D parties that may believe their claims are secured through setoff rights, deposit posted by, or on behalf of, the Debtors, or inchoate statutory lien rights, including real property lessors, utility companies and other parties that may hold security deposits.

**Schedule E.** All tax-related claims listed on the Schedule E are claims to various tax authorities to which the Debtors may potentially be liable. Certain of such claims may be subject to ongoing audits and the Debtors are otherwise unable to determine with certainty the amount of many, if not all, of the remaining claims listed on Schedule E. Therefore, the Debtors have listed all such claims as underdetermined in amount.

**Schedule F.** The Debtors have used reasonable efforts to report all general unsecured claims against the Debtors on Schedule F based upon the Debtors' existing books and records as of the Petition Date. The claims of individual creditors for, among other things, products, goods or services are listed as either the lower of the amounts invoiced by such creditor or the amounts entered on the Debtors' books and records and may not reflect credits or allowances due from such creditors to the Debtors. The Debtors reserve all of their rights with respect to any such credits and allowances including the right to assert objections and/or setoffs with respect to same. Schedule F does not include certain deferred charges, deferred liabilities, accruals or general reserves, although such amounts are reflected on the Debtors' books and records as required in accordance with GAAP. Such accruals are general estimates of liabilities and do not represent specific claims as of the Petition Date. The Debtors have attempted to include as contingent, unliquidated or disputed the claim of any vendor not included on the Debtors' open accounts payable that is associated with an account that has an accrual or receipt not invoiced.

The claims listed on Schedule F arose or were incurred on various dates. Determining the date upon which each claim on Schedule F was incurred or arose would be unduly burdensome and cost prohibitive and, therefore, the Debtors do not list a date for each claim listed on Schedule F.

Schedule F contains information regarding pending litigation involving the Debtors. The dollar amount of potential claims associated with any such pending litigation is listed as "undetermined" and marked as contingent, unliquidated and disputed in the Schedules and Statements. Some of the litigation claims listed on Schedule F may be subject to subordination pursuant to Bankruptcy Code section 510.

Schedule F also may include potential or threatened legal disputes that are not formally recognized by an administrative, judicial or other adjudicative forum due to certain procedural

conditions that counterparties have yet to satisfy. Any information contained on Schedule F with respect to such potential litigation shall not be a binding representation of the Debtors' liabilities with respect to any of the potential suits and proceedings included therein.

Schedule F reflects the prepetition amounts owing to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in connection with the assumption or assumption and assignment of an executory contract or unexpired lease. Additionally, as set forth above, Schedule F does not include potential rejection damage claims, if any, of the counterparties to executory contracts and unexpired leases that may be rejected.

**Schedule G.** Although reasonable efforts have been made to ensure the accuracy of Schedule G regarding executory contracts and unexpired leases (collectively, the "Agreements"), inadvertent errors, omissions or over-inclusion may have occurred. The Debtors may have entered into various other types of Agreements in the ordinary course of their business, such as indemnity agreements, supplemental agreements, amendments/letter agreements and confidentiality agreements, which may not be set forth on Schedule G. In addition, Schedule G does not include certain confidential agreements which, by their terms, prohibit disclosure of the existence of such agreements. Omission of an Agreement from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease, and Schedule G may be amended at any time to add any omitted Agreement. Likewise, the listing of an Agreement on Schedule G does not constitute an admission that such Agreement is an executory contract or unexpired lease or that such Agreement was in effect on the Petition Date or is valid or enforceable.

Certain of the contracts and agreements listed on Schedule G may consist of several parts, including purchase orders, amendments, restatements, waivers, letters and other documents that may not be listed separately on Schedule G or that may be listed as a single entry. The Debtors expressly reserve their rights to challenge whether such related materials constitute an executory contract, a single contract or agreement or multiple, severable or separate contracts.

The contracts, agreements and leases listed on Schedule G may have expired or may have been modified, amended or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, memoranda, and other documents, instruments and agreements that may not be listed on Schedule G. Further, unless otherwise specified on Schedule G, each executory contract or unexpired lease listed thereon shall include all exhibits, schedules, riders, modifications, declarations, amendments, supplements, attachments, restatements or other agreements, instruments or other documents that in any manner affect such executory contract or unexpired lease, without respect to whether such agreement, instrument or other document is listed separately on Schedule G. In some cases, the same counterparty appears multiple times on Schedule G. This multiple listing is intended to reflect distinct agreements between the Debtors and such counterparty.

Any and all of the Debtors' rights, claims and Causes of Action with respect to the Agreements listed on Schedule G are hereby reserved and preserved and, as such, the Debtors hereby reserve all of their rights to, among other things, (i) dispute the validity, status or enforceability of any Agreements set forth on Schedule G, (ii) dispute or challenge the characterization of the structure of any transaction, or any document or instrument related to a

creditor's claim, including, but not limited to, the Agreements listed on Schedule G, and (iii) amend or supplement such Schedule as necessary.

Certain of the Agreements may not have been memorialized and could be subject to dispute. Further, Agreements that are oral in nature have not been included on Schedule G.

**Schedule H.** The Debtors may not have identified certain guarantees associated with the Debtors' executory contracts, unexpired leases, secured financings, debt instruments and other such agreements. The Debtors reserve all of their rights to amend the Schedules to the extent that additional guarantees are identified or such guarantees are discovered to have expired or be unenforceable.

Although there are multiple holders of the Debtors' prepetition secured notes, only the indenture trustee for such notes has been listed for purposes of Schedule H.

In the ordinary course of their business, the Debtors may be involved in pending or threatened litigation. These matters may involve multiple plaintiffs and defendants, some or all of whom may assert cross-claims and counterclaims against other parties. Because all such claims are contingent, disputed or unliquidated, such claims have not been set forth individually on Schedule H. Litigation matters can be found on the Debtors' Schedule F and Statement 4a, as applicable.

### **Specific Disclosures with Respect to the Debtors' Statements**

**Statement 3b.** Statement 3b includes any disbursement or other transfer made by the Debtors except for those made to insiders and bankruptcy professionals, which disbursements and transfers are listed on Statement 23 (insiders) and Statement 9 (bankruptcy professionals). The amounts listed in Statement 3b reflect the Debtors' disbursements netted against any check level detail; thus, to the extent a disbursement was made to pay for multiple invoices, only one entry has been listed on Statement 3b. All disbursements listed on Statement 3b are made through the Debtors' cash management system.

The Debtors' disbursements to their employees for salaries, commissions, bonuses, severance and similar payments are administered through Paychex, Inc. Accordingly, Statement 3b does not reflect disbursements to individual employees for such amounts, but rather reflects aggregate payments to Paychex, Inc.

**Statement 3c.** The Debtors have provided a comprehensive response to Statement 3c in Statement 23.

**Statement 4a.** Information provided in Statement 4a includes only those legal disputes and administrative proceedings that are formally recognized by an administrative, judicial or other adjudicative forum. In the Debtors' attempt to provide full disclosure, to the extent a legal dispute or administrative proceeding is not formally recognized by an administrative, judicial or other adjudicative forum due to certain procedural conditions that counterparties have yet to satisfy, the Debtors have identified such matters on Schedule F. Additionally, any information contained in

Statement 4a shall not be a binding representation of the Debtors' liabilities with respect to any of the suits and proceedings identified therein.

**Statement 7.** In addition to the gifts noted in the Schedules and Statements, the Debtors may make *de minimis* gifts or gifts in kind from time to time.

**Statement 8.** The Debtors occasionally incur losses for a variety of reasons, including theft and property damage. The Debtors, however, may not have records of all such losses to the extent such losses do not have a material impact on the Debtors' business or are not reported for insurance purposes.

**Statement 23.** Statement 23 accounts for the Debtors' intercompany transactions, as well as other transfers to insiders, as applicable. As described in the Debtors' Motion For Interim And Final Orders Pursuant To 11 U.S.C. §§ 105(a), 345, 363 And 503(b), Fed. R. Bankr. P. 6003 And 6004, And Del. Bankr. L.R. 2015-2 And 4001-3 (I) Authorizing (A) The Continued Use Of Existing Cash Management System, Bank Accounts, Business Forms, And Deposit And Investment Practices; (B) Payment Of Related Prepetition Obligations And (C) A Waiver Of Certain Operating Guidelines Relating To Bank Accounts; (II) Authorizing Continued Engagement In Intercompany Transactions; And (III) According Administrative Expense Priority Status To All Postpetition Intercompany Claims (Docket No. 5), prior to the Petition Date and in the ordinary course of business certain of the Debtors and their non-Debtor affiliates maintained business relationships with each other, resulting in Intercompany Claims.

State the name, mailing address, including zip code, and last four digits of any account number of all entities holding claims secured by property of the debtor as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. List creditors holding all types of secured interests such as judgment liens, garnishments, statutory liens, mortgages, deeds of trust, and other security interests.

List creditors in alphabetical order to the extent practicable. If a minor child is the creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. §112 and Fed R. Bankr. P. 1007(m). If all secured creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H - Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns).

**SCHEDULE F - CREDITORS HOLDING UNSECURED NONPRIORITY CLAIMS**

State the name, mailing address, including zip code, and last four digits of any account number, of all entities holding unsecured claims without priority against the debtor or the property of the debtor, as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. §112 and Fed. R. Bankr. P. 1007(m). Do not include claims listed in Schedules D and E. If all creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H - Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of all claims listed on this schedule in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report this total also on the Statistical Summary of Certain Liabilities and Related Data.

Check this box if debtor has no creditors holding unsecured claims to report on this Schedule F.
