**In re: 360 Degree Solar Holdings, Inc.**

**Case No. 11-12800 (MFW)**

**Notes and Statement of Limitations, Methodology and Disclaimer Regarding the Debtor's Statement and Schedules**

---

360 Degree Solar Holdings, Inc. (the "Debtor") submits its Statement of Financial Affairs (the "Statement") and Schedules of Assets and Liabilities (the "Schedules"), pursuant to 11 U.S.C. § 521 and Federal Rule of Bankruptcy Procedure 1007. The following notes regarding the Statement and Schedules are fully incorporated into and made part of the Statement and Schedules. These notes comprise an integral part of the Statement and Schedules and should be referred to and considered in connection with any review of the Statement and Schedules. Unless otherwise noted, the financial and other information contained in the Statement and Schedules is derived from the Debtor in accordance with the Debtor's financial reporting and accounting policies and procedures and are the Debtor's best estimates based upon the information and knowledge readily available to the Debtor.

The Debtor's bankruptcy petition was filed on September 6, 2011, along with the bankruptcy petitions of its affiliate (collectively, the "Debtors"). The Debtors' bankruptcy cases are jointly administered by order of the Bankruptcy Court under the caption In re Solyndra LLC, Case No. 11-12799 (MFW).

The Debtor reserves all rights to amend the Statement and Schedules in all respects, as may be necessary or appropriate, including, but not limited to, the right to dispute or to assert offsets or defenses to any claim reflected on the Statement and Schedules as to amount, liability or classification of the claim, or to otherwise subsequently designate any claim as "disputed," "contingent" or "unliquidated." Furthermore, nothing contained in the Statement and Schedules shall constitute a waiver of rights by the Debtor involving any present or future causes of action, contested matters or other issues under the provisions of chapter 11 of title 11 of the United States Code or other applicable non-bankruptcy laws.

Given the differences between the information to be submitted in the Statement and Schedules and the financial information utilized under U.S. Generally Accepted Accounting Principles, the aggregate asset values and claim amounts set forth in the Statement and Schedules may not reflect the values and amounts that would be set forth in a balance sheet for the Debtor prepared in accordance with U.S. Generally Accepted Accounting Principles on a consolidated basis.

It would be prohibitively expensive, unduly burdensome and extremely time-consuming to obtain current market valuations of the Debtor's assets. Accordingly, unless otherwise indicated, book values rather than current market values are reflected on the Statement and Schedules. Assets that have been fully depreciated or expensed for accounting purposes have no book value. The current book values may not reflect a comprehensive review of accounting adjustments, including asset impairments and write-downs, which may be required and conducted in relation to the Debtor's bankruptcy. The reader therefore should not place undue reliance upon the book values associated with the assets listed.

## **General Notes Regarding the Debtor's Statement and Schedules**

### **1. Financial Information.**

The information provided for herein, except as otherwise noted, represents the assets and liabilities, and other data of the Debtor as of September 3, 2011, unless otherwise noted.

### **2. Unaudited Financial Information.**

The Statement and Schedules prepared by the Debtor's management and professionals are unaudited. While the Debtor has tried to ensure that the Statement and Schedules are accurate and complete based upon information that was available at the time of the preparation, the subsequent receipt of information or an audit may result in material changes in financial data contained in the Statement and Schedules.

### **3. Claim Description.**

Any failure to designate a claim on the Statement and Schedules as "contingent," "unliquidated," or "disputed" does not constitute an admission that such claim is not "contingent," "unliquidated," or "disputed." The Debtor reserves the right to dispute, or to assert offsets or defenses to any claim reflected on its Schedules as to amount, liability, or classification, or to otherwise subsequently designate any claim as "contingent," "unliquidated," or "disputed."

Moreover, the Debtor reserves all rights to amend the Statement and Schedules, in all respects, as may be necessary or appropriate, including, but not limited to, the right to dispute or to assert offsets or defenses to any claim reflected on the Statement and Schedules as to amount, liability or classification of the claim, or to otherwise subsequently designate any claim as "disputed," "contingent" or "unliquidated."

Furthermore, nothing contained in the Statement and Schedules shall constitute a waiver of rights by the Debtor involving any present or future causes of action, contested matters or other issues under the provisions of Chapter 11 of title 11 of the United States Code or other relevant non-bankruptcy laws.

### **4. Accuracy.**

While the Debtor has sought to file complete and accurate Statement and Schedules, inadvertent errors and omissions may exist. The Debtor reserves the right to amend its Statement and Schedules as necessary or appropriate.

### **5. Liabilities.**

The Debtor has sought to allocate liabilities between the pre-petition and post-petition periods based on the information and research that was conducted in connection with the preparation of the Statement and Schedules. As additional information becomes available and further research is conducted, the allocation of liabilities between pre-petition and post-petition periods may change.

### **6. Insiders.**

For the purposes of the Schedules and Statements, the Debtor defines "insiders" pursuant to section 101(31) as (a) directors, (b) officers, (c) those in control of the Debtor, (d) relatives of directors, officers, or persons in control of the Debtor and (e) non-debtor affiliates. Persons listed as "insiders" have been included for informational purposes only. The Debtor does not

take any position with respect to (a) such person's influence over the control of the Debtor, (b) the management responsibilities or functions of such individual, (c) the decision-making or corporate authority of such individual or (d) whether such individual could successfully argue that he or she is not an "insider" under applicable law.

The Debtor has included all gross payments and awards made over the twelve months preceding the filing to any individual deemed an insider. Included in the value reflected are cash payments to or for the benefit of the insider; commissions, relocation stipends; vacation payouts and bonuses.

**7. Transfers Made Within 90 Days of Petition Date.**

These payments include payroll and payroll related expenses or commissions paid to employees. The response to Question 3.b of the Statements lists all transfers made to any party within 90 days immediately preceding the Petition Date, whether or not the transferee is a creditor of any of the Debtor. Accordingly, the listing of any transfer in response to Question 3.b of the Statements does not constitute an admission that the transferee of such transfer is a creditor of any of the Debtors.

**8. Setoffs.**

The Debtor routinely incurs setoffs from third parties during the ordinary course of business. Setoffs in the ordinary course can result from various routine transactions, including intercompany transactions, counterparty settlements, pricing discrepancies, rebates, and other disputes between the Debtor and third parties. Certain of these constitute normal setoffs consistent with the ordinary course of business in the Debtor's industry. In such instances, such ordinary course setoffs are excluded from the Debtor's responses to Question 13 of the Statements. The Debtor reserves all rights to enforce or challenge, as the case may be, any setoffs that have been or may be asserted.

**9. Specific Notes.**

These general notes are in addition to the specific notes set forth in the related Statement and Schedules hereinafter.

**Note to Schedule "B"**

**Schedule B Disclaimer**

Unless otherwise noted, all of the amounts listed on Schedule B represent the value of the Debtor's assets as reflected in the Debtor's books and records (net of depreciation or amortization where applicable). For the bank accounts, the values are as of the Petition Date. In some instances, the assets are also net of reserves. The Debtor has performed no independent review of the value of these assets. The actual value of the assets listed may differ significantly from the amounts reflected in the Debtor's books and records.

**Note to Schedule "D"**

The amounts listed on Schedule D do not include accrued interest, and are listed at principal amounts only.

## **Note to Schedule "E"**

### **Taxes**

Schedule "E" contains the Debtor's best estimate of all of the potential priority claims against the Debtor's estate held by governmental and quasi-governmental entities. The Debtor has not determined whether, and to what extent, any of the creditors identified on Schedule "E" in fact are entitled to priority under Section 507 of the Bankruptcy Code. The Debtor reserves the right to assert that claims identified on Schedule "E" are not claims of governmental entities and/or that such claims are not entitled to priority.

## **Note to Schedule "G"**

### **Executory Contracts and Unexpired Leases**

While commercially reasonable efforts have been made to ensure the accuracy of Schedule G, inadvertent errors, omissions or over-inclusions may have occurred, and the listing of an agreement on Schedule G does not constitute an admission that such agreement is either an executory contract or an unexpired lease. The Debtor hereby reserves all of their rights to dispute the validity, status, or enforceability of any contracts, agreements or leases set forth in Schedule G and to amend or supplement such Schedule as necessary. The contracts, agreements and leases listed on Schedule G may not have taken effect or be binding on any party and may have expired or been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letter and other documents, instruments and agreements which may not be listed therein.

Certain of the real property leases and contracts listed on Schedule G may contain renewal options, guarantees of payments, options to purchase, rights of first refusal, rights to lease additional space and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth on Schedule G.

Certain of the agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financings. The presence of these agreements or any other agreements on Schedule G does not constitute an admission that any such agreement is an executory contract or unexpired lease.

The Debtor reserves all of their rights, claims and causes of action with respect to the contracts and agreements listed on the Schedule, including the right to dispute or challenge the characterization or the structure of any transaction, document, or instrument as either an executory contract or an unexpired lease, as the case may be. Certain executory agreements may not have been memorialized in writing and could be subject to dispute. Generally, executory agreements that are oral in nature have not been included in the Schedule. Schedule G generally does not include standalone equipment, materials and supply purchase orders. Additionally, the Debtors may be parties to various other agreements concerning real property, such as easements, rights of way, subordination, non-disturbance, supplemental agreements, amendments/letter agreements, title documents, consents, site plans, maps and other miscellaneous agreements. Such agreements, if any, are not set forth in Schedule G.

Certain of the contracts, agreements and leases listed on Schedule G may have been entered into by more than one of the Debtors. Such contracts, agreements and leases are listed on Schedule G of each such Debtor.

The Debtor has not listed any customer purchase orders.

#### **Note to Schedule "H"**

Certain of the contracts, agreements and leases listed on Schedule G may have been entered into by more than one of the Debtors. Such contracts, agreements and leases are listed on Schedule G of each such Debtor, however such co-debtor references have not been captured on Schedule H.

#### **General Disclaimer**

The Debtor has prepared the Schedules and the Statements based on the information reflected in the Debtor's books and records. However, inasmuch as the Debtor's books and records have not been audited, the Debtor cannot warrant the absolute accuracy of these documents. The Debtor has made a diligent effort to complete these documents accurately and completely. To the extent additional information becomes available, the Debtor will amend and supplement the Schedules and Statements.
