**GLOBAL NOTES, METHODOLOGY AND SPECIFIC
DISCLOSURES REGARDING THE DEBTORS' SCHEDULES OF
ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

Introduction

On January 28, 2013 (the "Petition Date"), School Specialty, Inc. ("SSI") and its affiliated debtors and debtors-in-possession in the above-captioned chapter 11 cases (each a "Debtor," collectively, the "Debtors") filed voluntary petitions for relief under Chapter 11 of Title 11 of the United States Code (the "Bankruptcy Code").

Pursuant to the requirements of Bankruptcy Code Section 521 and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), the Debtors, with the assistance of their advisors, have filed their respective Schedules of Assets and Liabilities (the "Schedules") and Statements of Financial Affairs (the "Statements") with the United States Bankruptcy Court for the District of Delaware (the "Bankruptcy Court").

Mr. David Vander Ploeg has signed each of the Schedules and Statements. Mr. Vander Ploeg is the Executive Vice President of SSI and Vice President & Treasurer of all remaining Debtors. In reviewing and signing the Schedules and Statements, Mr. Vander Ploeg has relied upon the efforts, statements and representations of various personnel employed by the Debtors. Mr. Vander Ploeg has not (and could not have) personally verified the accuracy of each statement and representation contained in the Schedules and Statements, including statements and representations concerning amounts owed to creditors.

These Global Notes, Methodology and Specific Disclosures Regarding the Debtors' Schedules of Assets and Liabilities and Statements of Financial Affairs (the "Global Notes") pertain to, are incorporated by reference in and comprise an integral part of each of the Debtors' Schedules and Statements. The Global Notes should be referred to and reviewed in connection with any review of the Schedules and Statements.

¹ The Debtors in these cases, along with the last four digits of each Debtor's federal tax identification number and state of incorporation, are: School Specialty, Inc. (Wisc.; 1239), Bird-In-Hand Woodworks, Inc. (N.J.; 8811), Califone International, Inc. (Del.; 3578), Childcraft Education Corp. (N.Y.; 9818), ClassroomDirect.com, LLC (Del.; 2425), Delta Education, LLC (Del.; 8764), Frey Scientific, Inc. (Del.; 3771), Premier Agendas, Inc. (Wash.; 1380), Sax Arts & Crafts, Inc. (Del.; 6436), and Sportime, LLC (Del.; 6939). The address of the Debtors' corporate headquarters is W6316 Design Drive, Greenville, Wisconsin 54942.

The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States (“GAAP”), nor are they intended to be fully reconciled with the financial statements of each Debtor. Additionally, the Schedules and Statements contain unaudited information that is subject to further review and potential adjustment, and reflect the Debtors’ reasonable best efforts to report the assets and liabilities of each Debtor on an unconsolidated basis.

In preparing the Schedules and Statements, the Debtors relied upon financial data derived from their books and records that was available at the time of such preparation. Although the Debtors have made reasonable efforts to ensure the accuracy and completeness of such financial information, inadvertent errors or omissions, as well as the discovery of conflicting, revised or subsequent information, may cause a material change to the Schedules and Statements. Thus, the Debtors are unable to warrant or represent that the Schedules and Statements are without inadvertent errors, omissions or inaccuracies. Accordingly, the Debtors reserve all of their rights to amend, supplement or otherwise modify the Schedules and Statements as is necessary and appropriate. Notwithstanding the foregoing, the Debtors shall not be required to update the Schedules and Statements.

Global Notes and Overview of Methodology

Reservation of Rights. Nothing contained in the Schedules and Statements shall constitute a waiver of the Debtors’ rights or an admission with respect to their chapter 11 cases, including, without limitation, any issues involving substantive consolidation, equitable subordination, offsets or defenses and/or causes of action arising under the provisions of Chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws.

Description of Cases. On the Petition Date, the Debtors filed voluntary petitions for relief under Chapter 11 of the Bankruptcy Code. The Debtors are operating their businesses and managing their properties as debtors-in-possession pursuant to Bankruptcy Code Sections 1107(a) and 1108. No trustee or examiner has been requested in these chapter 11 cases.

On January 30, 2013, the Bankruptcy Court entered an *Order Authorizing Joint Administration Pursuant to Bankruptcy Rule 1015 and Local Rule 1015-1* [Docket No. 77] directing the procedural consolidation and joint administration of the Debtors’ chapter 11 cases [Docket No. 77]. On February 5, 2013, the United States Trustee for the District of Delaware appointed the Official Committee of Unsecured Creditors (the “Creditors’ Committee”) [Docket No. 110] pursuant to section 1102(a)(1) of the Bankruptcy Code.

Net Book Value of Assets. It would be prohibitively expensive, unduly burdensome and an inefficient use of estate assets for the Debtors to obtain current market valuations for all of their assets. Accordingly, unless otherwise indicated, the Debtors’ Schedules and Statements reflect net book values as of January 27, 2013. Market values of these assets may vary, at some times materially, from the net book value of such assets. Additionally, because the book values of assets such as patents, trademarks and copyrights may materially differ from their fair market values, they are listed as undetermined amounts as of the Petition Date. Furthermore, assets which have fully depreciated or were expensed for accounting purposes do not appear in these Schedules and Statements as they have no net book value.

Personal Property – Leased. In the ordinary course of business, the Debtors may lease furniture, fixtures, and office equipment from certain third-party lessors for use in the daily operation of their businesses. Nothing in the Schedules and Statements is or shall be construed as an admission regarding any determination as to the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtors reserve all of their rights with respect to any such issue.

Recharacterization. Notwithstanding the Debtors' reasonable best efforts to properly characterize, classify, categorize or designate certain claims, assets, executory contracts, unexpired leases and other items reported in the Schedules and Statements, the Debtors may nevertheless have improperly characterized, classified, categorized, designated or omitted certain items. Accordingly, the Debtors reserve all of their rights to recharacterize, reclassify, recategorize, redesignate, add or delete items reported in the Schedules and Statements at a later time as is necessary and appropriate, as additional information becomes available.

Liabilities. The Debtors allocated liabilities between the prepetition and postpetition periods based on the information and research conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between the prepetition and postpetition periods may change. Accordingly, the Debtors reserve all of their rights to amend, supplement or otherwise modify the Schedules and Statements as is necessary and appropriate.

The liabilities listed on the Schedules do not reflect any analysis of claims under Bankruptcy Code Section 503(b)(9). Accordingly, the Debtors reserve all of their rights to dispute or challenge the validity of any asserted claims under Bankruptcy Code Section 503(b)(9) or the characterization of the structure of any such transaction or any document or instrument related to any creditor's claim.

Insiders. For purposes of the Schedules and Statements, the Debtors define "insiders" pursuant to section 101(31) of the Bankruptcy Code to include the following: (a) directors; (b) officers; (c) shareholders holding in excess of 5% of the voting shares of one of the Debtor entities (whether directly or indirectly); (d) relatives of directors, officers or shareholders of the Debtors (to the extent known by the Debtors); (e) persons in control; and (f) Debtor/non-Debtor affiliates.

Persons listed as "insiders" have been included for informational purposes only. The Debtors do not take any position with respect to: (a) such person's influence over the control of the Debtors; (b) the management responsibilities or functions of such individual; (c) the decision-making or corporate authority of such individual; or (d) whether such individual could successfully argue that he or she is not an "insider" under applicable law, including the federal securities laws, or with respect to any theories of liability or for any other purpose.

Intellectual Property Rights. Exclusion of certain intellectual property shall not be construed as an admission that such intellectual property rights have been abandoned, terminated, assigned, expired by their terms or otherwise transferred pursuant to a sale, acquisition or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, terminated, assigned, expired by their terms or otherwise transferred pursuant to a sale, acquisition or other transaction.

In addition, although the Debtors have made diligent efforts to attribute intellectual property to the rightful Debtor entity, in certain instances, intellectual property owned by one Debtor may, in fact, be owned by another. Accordingly, the Debtors reserve all of their rights with respect to the legal status of any and all such intellectual property rights.

Classifications. Listing a claim on (a) Schedule D as “secured,” (b) Schedule E as “priority,” (c) Schedule F as “unsecured” or (d) listing a contract or lease on Schedule G as “executory” or “unexpired,” does not constitute an admission by the Debtors of the legal rights of the claimant or a waiver of the Debtors’ rights to recharacterize or reclassify such claims or contracts or leases or to setoff of such claims.

Claims Description. Schedules D, E and F permit each of the Debtors to designate a claim as “disputed,” “contingent” and/or “unliquidated.” Any failure to designate a claim on a given Debtor’s Schedules as “disputed,” “contingent” or “unliquidated” does not constitute an admission by that Debtor that such amount is not “disputed,” “contingent” or “unliquidated,” or that such claim is not subject to objection. The Debtors reserve all of their rights to dispute, or assert offsets or defenses to, any claim reflected on their respective Schedules and Statements on any grounds, including liability or classification. Additionally, the Debtors expressly reserve all of their rights to subsequently designate such claims as “disputed,” “contingent” or “unliquidated.” Moreover, listing a claim does not constitute an admission of liability by the Debtors.

Causes of Action. Despite reasonable efforts, the Debtors may not have identified and/or set forth all of their (filed or potential) causes of action against third parties as assets in their Schedules and Statements. The Debtors reserve all of their rights with respect to any causes of action against third parties and nothing in the Global Notes or the Schedules and Statements shall be deemed a waiver of any such causes of action.

Employee Addresses. Employee addresses have been removed from entries listed on Schedules E, F & G. These addresses are available upon request of the Office of the United States Trustee and the Bankruptcy Court.

Consolidated Accounts Payable. The Debtors maintain a consolidated accounts payable system with the exception of Califone International, Inc. As such all outstanding liabilities related to accounts payable are listed on Schedule F of Debtor School Specialty, Inc. with the exception of Califone International, Inc.

Inter-Company Balances. The Debtors did not maintain pre-petition segregated balances for amounts owed between individual Debtors. No inter-company obligations related amounts payable / receivable between Debtors are included in response to Schedule B16 or Schedule F. Additionally, no response has been provided for Statement question 3C as it relates to payments made between Debtors.

Excluded Tax Refunds. The Debtors have notified several taxing authorities to use outstanding tax refunds to offset future tax liabilities. These tax refunds have not been included in response to Schedule B18.

Summary of Significant Reporting Policies. The following is a summary of significant reporting policies:

- a. **Undetermined Amounts.** The description of an amount as “unknown,” “TBD” or “undetermined” is not intended to reflect upon the materiality of such amount.
- b. **Totals.** All totals that are included in the Schedules and Statements represent totals of all known amounts. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total.
- c. **Paid Claims.** The Debtors have authority to pay certain outstanding prepetition payables pursuant to various Bankruptcy Court orders (the “Prepetition Payment Orders”). Accordingly, certain outstanding liabilities may have been reduced by postpetition payments made on account of prepetition liabilities. In most instances, as applicable, the Debtors have omitted listing those prepetition liabilities which have been fully satisfied prior to the filing of these Schedules or reduced the remaining liability to reflect payments described herein. To the extent the Debtors pay any of the liabilities listed in the Schedules pursuant to the Prepetition Payment Orders, the Debtors reserve all of their rights to amend or supplement the Schedules or take other action as is necessary and appropriate to avoid over-payment of or duplicate payments for any such liabilities.
- d. **Excluded Assets and Liabilities.** The Debtors have excluded certain accrued liabilities, including accrued salaries and employee benefits and tax accruals from the Schedules. Certain other immaterial assets and liabilities may also have been excluded.
- e. **Liens.** Property, inventory and equipment listed in the Schedules are presented without consideration of any liens that may attach (or have attached) to such property and equipment.
- f. **Currency.** Unless otherwise indicated, all amounts are reflected in U.S. dollars.

Setoffs. The Debtors incur certain setoffs and other similar rights during the ordinary course of business. Offsets in the ordinary course can result from various items, including, without limitation, intercompany transactions, pricing discrepancies, returns, warranties, and other disputes between the Debtors and their customers and/or suppliers. These offsets and other

similar rights are consistent with the ordinary course of business in the Debtors' industry and are not tracked separately. Therefore, although such offsets and other similar rights may have been accounted for when certain amounts were included in the Schedules, offsets are not independently accounted for, and as such, are excluded from the Schedules. Notwithstanding the foregoing, the Debtors have not reviewed the validity of the aforementioned setoff rights and hereby reserve all rights to challenge such setoff rights.

Global Notes Control. In the event that the Schedules and Statements differ from the foregoing Global Notes, the Global Notes shall control.

Specific Disclosures with Respect to the Debtors' Schedules

Schedule A. For those Debtors that own real property, such owned real estate is reported at book value, net of accumulated depreciation. The Debtors may have listed certain assets as real property when such assets are in fact personal property, or the Debtors may have listed certain assets as personal property when such assets are in fact real property. The Debtors reserve all of their rights to recategorize and/or recharacterize such asset holdings to the extent the Debtors determine that such holdings were improperly listed.

Schedule B "as of" Dates. Unless indicated otherwise, asset values described in Schedule B are representative of values reflected on the Debtors' January 27, 2013 balance sheet.

Schedule B1 and B2. Details with respect to the Debtors' cash management system and bank accounts are provided in the *Debtors' Motion for an Order (I) Approving Continued Use of the Debtors' Existing Cash Management System, (II) Authorizing Use of Existing Bank Accounts and Checks, (III) Waiving the Requirements of 11 U.S.C. § 345(B) on an Interim Basis, and (IV) Authorizing Continuance of Postpetition Intercompany Transactions* [Docket No. 8] (the "Cash Management Motion").

Schedule B3. The Bankruptcy Court, pursuant to the *Motion for an Order Pursuant to Section 366 of the Bankruptcy Code (I) Prohibiting Utility Companies From Altering, Refusing, or Discontinuing Utility Services, (II) Deeming Utility Companies Adequately Assured of Future Performance, (III) Establishing Procedures for Determining Adequate Assurance of Payment; and (IV) Setting a Final Hearing Related Thereto* [Docket No. 5], has authorized the Debtors to provide adequate assurance of payment for future utility services, including a deposit in the amount of \$330,000.00. Such deposits are not listed on Schedule B3, which was prepared as of the Petition Date.

Schedule B4. Unless indicated otherwise in a Debtor's specific response to Schedule B4, the Debtors have included a comprehensive response to Schedule B4 in Schedules B28 and B29.

Schedule B9. Additional information regarding the insurance policies listed on Schedule B9 is available in the *Debtors' Motion for Order (I) Authorizing the Debtors (A) to Continue Existing Insurance Policies and Agreements Related Thereto and (B) To Honor Certain Prepetition Obligations in Respect Thereof and (II) Granting Related Relief* [Docket No. 7].

Schedules B13 and B14. Ownership interests in subsidiaries, partnerships and joint ventures have been listed in Schedules B13 and B14 as an undetermined amount on account of the fact

that the fair market value of such ownership is dependent on numerous variables and factors and may differ significantly from their net book value.

Schedule B16. The Debtors have disclosed the net book value with respect to accounts receivable listed on Schedule B16, which represents the amount of the accounts receivable netted by any “doubtful accounts.” For purposes of Schedule B16, “doubtful accounts” are those accounts that the Debtors have identified as unlikely to be paid given the amount of time such accounts have been outstanding.

Schedule B21. In the ordinary course of their businesses, the Debtors may have accrued, or may subsequently accrue, certain rights to causes of action, counterclaims, setoffs, refunds with their customers and suppliers or potential warranty claims against their suppliers. Additionally, certain of the Debtors may be a party to pending litigation in which the Debtors have asserted, or may assert, causes of action as a plaintiff or counter-claims as a defendant. To the extent such rights are known and quantifiable, they are listed on Schedule B21; however, any such rights which are unknown to the Debtors or not quantifiable as of the Petition Date are not listed on Schedule B21.

Schedules B28 and B29. For purposes of Schedules B28 and B29, the value of certain assets may be included in a fixed asset group or certain assets with a net book value of zero may not be set forth on Schedule B28 or B29.

Schedule B30. Unless otherwise stated in a specific Debtor’s Schedule B30, book value is presented net of inventory reserves.

Schedule D. The claims listed on Schedule D arose or were incurred on various dates; a determination of the date upon which each claim arose or was incurred would be unduly burdensome and cost prohibitive. Accordingly, not all such dates are included for each claim. All claims listed on Schedule D, however, appear to have arisen or been incurred before the Petition Date.

Except as otherwise agreed pursuant to a stipulation or order entered by the Bankruptcy Court, the Debtors reserve their rights to dispute or challenge the validity, perfection or immunity from avoidance of any lien purported to be granted or perfected in any specific asset of a secured creditor listed on Schedule D of any Debtor. Moreover, although the Debtors have scheduled claims of various creditors as secured claims, the Debtors reserve all of their rights to dispute or challenge the secured nature of any such creditor’s claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor’s claim. The descriptions provided in Schedule D are solely intended to be a summary – and not an admission – of liability.

On January 31, 2013, the Bankruptcy Court entered the *Interim Order (I) Authorizing Debtors to (A) Obtain Postpetition Financing Pursuant to 11 U.S.C. §§ 105, 361, 362, 364(c)(1), 364(c)(3), 364(d)(1), 364(e) and 507, (B) Utilize Cash Collateral Pursuant to 11 U.S.C. § 363, (C) Grant Priming Liens and Superpriority Claims to the DIP Lenders, (D) Provide Adequate Protection to Prepetition Secured Parties Pursuant to 11 U.S.C. §§ 361, 362, 363 and 364, and (E) Repay in Full Amounts Owed in Connection With the*

Prepetition Secured Loans or Otherwise Converting the Prepetition Secured Obligations Into Postpetition Secured Obligations, (II) Scheduling a Final Hearing Pursuant to Bankruptcy Rules 4001(b) and (c) and (III) Granting Related Relief [Docket No. 86] (the “Interim DIP Order”)

Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements. Except as specifically stated herein, real property lessors, utility companies and other parties that may hold security deposits have not been listed on Schedule D. The Debtors reserve all of their rights to amend Schedule D to the extent that the Debtors determine that any claims associated with such agreements should be reported on Schedule D. Nothing herein shall be construed as an admission by the Debtors of the legal rights of the claimant or a waiver of the Debtors’ rights to recharacterize or reclassify such claim or contract.

Moreover, the Debtors have not included on Schedule D parties that may believe their claims are secured through setoff rights or inchoate statutory lien rights. Where an administrative agent serves with respect to any prepetition secured debt, only the administrative agent is listed as the creditor on Schedule D and not any other parties who may hold a portion of the debt.

Schedule E. The Bankruptcy Court has authorized the Debtors, in their discretion, to pay certain liabilities that may be entitled to priority under the applicable provisions of the Bankruptcy Code. For example, on January 30, 2013, the Bankruptcy Court entered the *Interim Order (A) Authorizing, But Not Directing, the Debtors to Pay Certain Prepetition Wages, Compensation, and Employee Benefits and Continue Payment of Wages, Compensation, and Employee Benefits in the Ordinary Course of Business; and (B) Authorizing and Directing Applicable Banks and Other Financial Institutions to Process and Pay All Checks Presented for Payment and to Honor All Funds Transfer Requests Made by the Debtors Relating to the Foregoing* [Docket No. 75], authorizing the Debtors to pay or honor certain prepetition obligations with respect to employee wages, salaries and other compensation, reimbursable employee expenses and employee medical and similar benefits on an interim basis. Additionally, on January 30, 2013, the Bankruptcy Court entered the *Order Pursuant to Sections 105(a), 363(b), 541, and 507(a)(8) of the Bankruptcy Code Authorizing (I) Payment of Certain Prepetition Taxes and Fees, and (II) Financial Institutions to Process and Cash Related Checks and Transfers* [Docket No. 72], authorizing the Debtors to pay or honor certain prepetition obligations owed to taxing authorities. The Debtors’ are seeking final approval for additional payments with respect to employee wages. To the extent such claims have been paid or may be paid pursuant to further Bankruptcy Court order, they may not be included on Schedule E.

The claims listed on Schedule E arose or were incurred on various dates; a determination of the date upon which each claim arose or was incurred would be unduly burdensome and cost prohibitive. Accordingly, not all such dates are included for each claim. All claims listed on Schedule E, however, appear to have arisen or to have been incurred before the Petition Date.

Schedule F. The Debtors have used best reasonable efforts to report all general unsecured claims against the Debtors on Schedule F based upon the Debtors’ existing books and records as of the Petition Date. The claims of individual creditors for, among other things, products, goods or services are listed as either the lower of the amounts invoiced by such creditor or the amounts entered on the Debtors’ books and records and may not reflect credits or allowances due from

such creditors to the applicable Debtor. The Debtors reserve all of their rights with respect to any such credits and allowances including the right to assert objections and/or setoffs with respect to same. Schedule F does not include certain deferred charges, deferred liabilities, accruals or general reserves. Such amounts are, however, reflected on the Debtors' books and records as required in accordance with GAAP. Such accruals are general estimates of liabilities and do not represent specific claims as of the Petition Date. The Debtors have made every effort to include as a contingent, unliquidated or disputed the claim of any vendor not included on the Debtors' open accounts payable that is associated with an account that has an accrual or receipt not invoiced.

The Bankruptcy Court has authorized the Debtors to pay, in their discretion, certain non-priority unsecured claims on a postpetition basis. For example, on January 30, 2013, the Bankruptcy Court entered the *Order Authorizing the Debtors to Honor Certain Prepetition Customer Obligations and to Continue Prepetition Customer Programs and Practices in the Ordinary Course of Business* [Docket No. 76] (the "Customer Programs Order"). Additionally, on January 30, 2013, the Bankruptcy Court entered the *Interim Order Authorizing the Debtors to Pay Prepetition Claims of Certain Critical Vendors, Foreign Suppliers, Freight Carriers and Section 503(B)(9) Claimants* [Docket No. 79] (the "Shippers Order"). Each Debtor's Schedule F may reflect the Debtor's payment of certain claims pursuant to the Customer Programs Order or the Shippers Order, and, to the extent an unsecured claim has been paid or may be paid, it is possible such claim is not included on Schedule F. Certain Debtors may pay additional claims listed on Schedule F during this chapter 11 case pursuant to these and other orders of the Bankruptcy Court and reserve all of their rights to update Schedule F to reflect such payments.

Schedule F contains information regarding pending litigation involving the Debtors. In certain instances, the amount that is the subject of the litigation is uncertain or undetermined. The dollar amount of potential claims associated with any such pending litigation is listed as "undetermined" and marked as contingent, unliquidated and disputed in the Schedules and Statements.

Schedule F also includes potential or threatened legal disputes that are not formally recognized by an administrative, judicial or other adjudicative forum due to certain procedural conditions that counterparties have yet to satisfy. Any information contained in Schedule F with respect to such potential litigation shall not be a binding representation of the Debtors' liabilities with respect to any of the potential suits and proceedings included therein.

Schedule F reflects unsecured claims that a Debtor may have against another Debtor on account of intercompany receivables and payables. To the extent a Debtor has a claim against another Debtor on account of the Debtors' prepetition secured facilities, these claims are not reflected on Schedule F.

The Debtors believe that their prepetition secured lenders are undersecured; however, Schedule F does not reflect any unsecured deficiency claims that such prepetition secured lenders may have.

To the extent they are known, Schedule F reflects the prepetition amounts owing to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in connection with the assumption or the assumption and assignment of an executory contract or unexpired lease. Additionally, Schedule F does not include potential

rejection damage claims, if any, of the counterparties to executory contracts and unexpired leases that may be rejected.

Schedule G. The Debtors' businesses are complex. Although the Debtors' existing books, records and financial systems have been relied upon to identify and schedule executory contracts and unexpired leases at each of the Debtors and diligent efforts have been made to ensure the accuracy of each Debtor's Schedule G, inadvertent errors, omissions or over-inclusion may have occurred. Certain information, such as the contact information of the counter-party, may not be included where such information could not be obtained using the Debtors' reasonable efforts.

Listing a contract or lease on Schedule G does not constitute an admission that such contract or lease is an executory contract or unexpired lease or that such contract or lease was in effect on the Petition Date or is valid or enforceable. The Debtors hereby reserve all of their rights to dispute the validity, status or enforceability of any contracts, leases or other agreements set forth on Schedule G and to amend or supplement Schedule G as necessary. Certain of the contracts and leases listed on Schedule G may contain certain renewal options, guarantees of payment, indemnifications, options to purchase, rights of first refusal and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth separately on Schedule G.

Certain confidentiality or non-disclosure agreements may not be listed on Schedule G. The Debtors reserve all of their rights with respect to such agreements.

Certain of the contracts and leases listed on Schedule G may consist of several parts, including, purchase orders, amendments, restatements, waivers, letters and other documents that may not be listed on Schedule G or that may be listed as a single entry. The Debtors expressly reserve their rights to challenge whether such related materials constitute an executory contract or unexpired lease, a single contract or lease or multiple, severable or separate contracts or leases.

The contracts, leases and other agreements listed on Schedule G may have expired or may have been modified, amended or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, memoranda and other documents, instruments and agreements that may not be listed therein despite the Debtors' use of reasonable efforts to identify such documents. In some cases, the same supplier or provider appears multiple times on Schedule G. This multiple listing is intended to reflect distinct agreements between the applicable Debtor and such supplier or provider.

The Debtors reserve all of their rights, claims and causes of action with respect to the contracts and leases on Schedule G, including the right to dispute or challenge the characterization of the structure of any transaction or any document or instrument related to a creditor's claim.

In addition, the Debtors may have entered into various other types of agreements in the ordinary course of their businesses, such as subordination, nondisturbance and attornment agreements, supplemental agreements, amendments/letter agreements, title agreements and confidentiality agreements. Such documents may not be set forth on Schedule G. Further, the Debtors reserve all of their rights to alter or amend these Schedules to the extent that additional information regarding the Debtor obligor to such executory contracts or unexpired leases becomes available. Certain of the executory contracts or unexpired leases may not have been memorialized and

could be subject to dispute. Executory contracts that are oral in nature have not been included on Schedule G.

Omission of a contract or lease from Schedule G does not constitute an admission that such omitted contract or lease is not an executory contract or unexpired lease. The Debtors' rights under the Bankruptcy Code with respect to any such omitted contracts or leases are not impaired by the omission.

The listing of any contract or lease on Schedule G does not constitute an admission by the Debtors as to the validity of any such contract or lease or an admission that such contract or lease is an executory contract or unexpired lease. The Debtors reserve all of their rights to dispute the effectiveness of any such contract or lease listed on Schedule G or to amend Schedule G at any time to remove any contract or lease.

Schedule H. For purposes of Schedule H, the Debtors that are either the principal obligors or guarantors under the prepetition secured credit facilities are listed as co-Debtors on Schedule H. The Debtors may not have identified certain guarantees associated with the Debtors' executory contracts, unexpired leases, secured financings, debt instruments and other such agreements. The Debtors reserve all of their rights to amend the Schedules to the extent that additional guarantees are identified or such guarantees are discovered to have expired or be unenforceable.

Where an administrative agent serves with respect to any debt as to which there are co-debtors, only the administrative agent is listed as the creditor on Schedule H and not any other parties who may hold a portion of the debt.

In the ordinary course of their businesses, the Debtors may be involved in pending or threatened litigation. These matters may involve multiple plaintiffs and defendants, some or all of whom may assert cross-claims and counter-claims against other parties. Because all such claims are contingent, disputed or unliquidated, such claims have not been set forth individually on Schedule H. Litigation matters can be found on each Debtor's Schedule F and Statement 4a, as applicable.

Specific Disclosures with Respect to the Debtors' Statements

Statement 1. The amounts listed in Statement 1 reflect the gross revenue for the fiscal years 2011, 2012 and the year to date portion of fiscal year 2013 of each Debtor as such amount is calculated in the Debtors' records.

Statement 3b. Statement 3b includes any disbursement or other transfer made by the Debtors except for those made to insiders (see Statement 3c), employees and bankruptcy professionals (see Statement 9). The amounts listed in Statement 3b reflect the Debtors' disbursements netted against any check level detail; thus, to the extent a disbursement was made to pay for multiple invoices, only one entry has been listed on Statement 3b. All disbursements listed on Statement 3b are made through the Debtors' cash management system. Additionally, all disbursement information reported in Statement 3b for a specific Debtor pertains to the bank accounts maintained by that respective Debtor.

Statement 4a. Information provided in Statement 4a includes only those legal disputes and administrative proceedings that are formally recognized by an administrative, judicial or other adjudicative forum. In the Debtors' attempt to provide full disclosure, to the extent a legal dispute or administrative proceeding is not formally recognized by an administrative, judicial or other adjudicative forum due to certain procedural conditions that counterparties have yet to satisfy, the Debtors have identified such matters on Schedule F for the applicable Debtor. Additionally, any information contained in Statement 4a shall not be a binding representation of the Debtors' liabilities with respect to any of the suits and proceedings identified therein.

Statement 8. The Debtors occasionally incur losses for a variety of reasons, including theft and property damage. The Debtors, however, may not have records of all such losses as to the extent such losses do not have a material impact on the Debtors' businesses or are not reported for insurance purposes.

Statement 9. Although all of the Debtors retained or paid the entities and individuals who provided consultation concerning debt consolidation, relief under the Bankruptcy Code or preparation of a petition in bankruptcy within one year immediately preceding the Petition Date, all of the payments, or property transferred by or on behalf of a Debtor for such services, were made by School Specialty, Inc. and are therefore listed on that Debtor's response to Statement 9.

Statement 18a. With respect to information provided in Statement 18a, the Debtors have, where applicable, disclosed the address of each Debtor's main center of operations or headquarters, and have not included information regarding any related manufacturing, warehousing or storage facilities, or any other site or location where a portion of a Debtor's business operations are conducted.

Statement 19d. The Debtors have provided financial statements in the ordinary course of their businesses to numerous financial institutions, creditors and other parties within two years immediately before the Petition Date. Considering the number of such recipients and the possibility that such information may have been shared with parties without the Debtors' knowledge or consent, the Debtors have not disclosed any parties that may have received such financial statements for the purposes of Statement 19d.

Statement 20a. The Debtor elects to use cycle counting procedures instead of taking a complete physical inventory of all items. All items are counted at least once over the course of the fiscal period with most items being counted multiple times. If accuracy falls below the minimum requirements a physical inventory would be required prior to returning to the cycle counting process.

Statement 23. Unless otherwise indicated in a Debtor's specific response to Statement 23, the Debtors have included a comprehensive response to Statement 23 in Statement 3c.

SCHEDULE D - CREDITORS HOLDING SECURED CLAIMS

State the name, mailing address, including zip code, and last four digits of any account number of all entities holding claims secured by property of the debtor as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. List creditors holding all types of secured interests such as judgment liens, garnishments, statutory liens, mortgages, deeds of trust, and other security interests.

List creditors in alphabetical order to the extent practicable. If a minor child is the creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child by John Doe, guardian." Do not disclose the child's name. See 11 U.S.C. § 112. and Fed. R. Bankr. P. 1007(m). If all secured creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H – Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Total the columns labeled "Amount of Claim Without Deducting Value of Collateral" and "Unsecured Portion, if Any" in the boxes labeled "Total(s)" on the last sheet of the completed schedule.
