**Supplemental Disclosure**

### **Supplemental Disclosure Regarding DIP Dilution Factor**

The Debtors and the DIP Lenders have agreed that as part of the Plan, on the Effective Date, the DIP Facility Claims will be converted into common equity of the Reorganized Debtors in full and complete satisfaction of such claims. As it is a condition to the Debtors' anticipated Exit Credit Facility, it is expected that as of the Effective Date, the DIP Facility will be fully drawn by the Debtors pursuant to the terms of the DIP Credit Agreement and DIP Orders. The conversion of the DIP Facility Claims will have a dilutive effect on the common equity received by the holders of Senior Notes Claims and Rejection Claims pursuant to the Plan. However, the conversion will not dilute the common equity distributed as part of the Backstop Fee to the Backstoppers or the Shareholder Equity Distribution to the holders of Stock Interests of Swift. Consistent with the upper end of the range set forth in the Disclosure Statement, the dilution factor will be equal to 75% of the total distribution of common equity of the Reorganized Debtors (88.5% (96% minus the 7.5% Backstop Fee)) available for holders of Senior Notes Claims and Rejection Claims. The chart attached hereto as **Exhibit A** provides the estimated effect of the dilution factor on the recoveries to holders of Senior Notes Claims and Rejection Claims. As detailed in the attached chart, the dilution on account of the DIP Facility conversion will be substantial but would be mitigated to the extent that a holder of a Senior Note Claim or Rejection Claim exercises its right to participate in the opportunity described below.

All holders of Senior Notes Claims will be offered subscription rights to purchase a pro rata share of the DIP Facility, which will also provide such holders with the opportunity to participate in the equitization of the DIP Facility Claims after evaluating the impact of the dilution factor. However, such holders of Senior Notes Claims will not be entitled to the Backstop Fee or the full amount of the Commitment Fee earned by the Backstoppers. A subscription form, instructions for participating in the syndication process, and other related materials are attached hereto as **Exhibit B** and are posted on the Debtors' case website at [www.kccllc.net/swiftenegy](http://www.kccllc.net/swiftenegy). As more detailed in the syndication materials, interested holders of Senior Notes Claims should complete the subscription documents and return them to Kurtzman Carson Consultants LLC (the "Information Agent") at Swift Energy DIP Syndication c/o Kurtzman Carson Consultants LLC, 1290 Avenue of the Americas, 9th Floor, New York, NY 10104, no later than 5:00 p.m., New York City Time, on Wednesday, March 23, 2016, to fund their respective pro rata share of the subscription funding and provide their pro rata share of the subscription commitment. All holders should carefully review all of the DIP syndication materials and those materials referenced therein, as well as the risks entailed by participating as a DIP Facility lender. Questions related to the subscription process should be directed to the Information Agent at the above address or by telephone at (877) 833-4150 or email at [swiftenegy.dip@kccllc.com](mailto:swiftenegy.dip@kccllc.com).

In addition to their rights as claimants, holders of Rejection Claims will be offered the opportunity to purchase a pro rata share of the DIP Facility or an economically similar opportunity to acquire common equity of the Reorganized Debtors. The precise manner in which this opportunity will be effectuated has not yet been completed, but will be finalized by the Debtors and the DIP Lenders, in consultation with the Creditors' Committee, and filed with the Court no later than seven calendar days prior to the confirmation hearing.

To the Holders:

On December 31, 2015, Swift Energy Company (the “**Company**”) and certain of its subsidiaries (together with the Company, the “**Debtors**”) filed voluntary petitions (the “**Chapter 11 Petitions**”) for relief under the provisions of Chapter 11 of Title 11 of the United States Code (“**Chapter 11**”) in the United States Bankruptcy Court for the District of Delaware (the “**Bankruptcy Court**”). On January 6, 2015, the Debtors entered into a Debtor in Possession Credit Agreement (the “**DIP Credit Agreement**”) <sup>1</sup> with (among others) certain holders (the “**Holders**”) of the Company’s 7.125% Senior Notes due in 2017, 8.875% Senior Notes due 2020 and 7.825% Senior Notes due 2022 (collectively, the “**Senior Notes**”), which was approved by interim order of the Bankruptcy Court on January 5, 2016 and by the final order of the Bankruptcy Court (the “**Final DIP Order**”) on February 1, 2016. The Backstop Lenders and the Company have elected to provide the Opportunity (as defined below) to certain Holders that are not party to the DIP Credit Agreement to participate in the DIP Facility as set forth herein up to their respective Pro Rata Shares (as defined below) of the Loans and Facility Amounts, subject to the procedures and documentation detailed herein.

You have received this Notice and Instruction Form because you indicated to the Information Agent that, as of March 9, 2016 (the “**Record Date**”), you were a holder of the Company’s Senior Notes. Pursuant to and subject to the terms hereof, you are being given notice of your opportunity (the “**Opportunity**”) to be a Lender in a secured multi-draw debtor-in-possession term loan facility (the “**DIP Facility**”). **Importantly, to the extent that you choose to participate in the Opportunity, you must also execute the enclosed Joinder to the Restructuring Support Agreement (the “RSA”), making you a party thereto, both in your capacity as a Lender under the DIP Facility and a holder of Senior Notes (and in any other capacity in which you hold debt of the Debtors).**

Notwithstanding the foregoing, only Holders that satisfy all of the following are “**Eligible Holders**”: (i) unless otherwise mutually agreed between the Company and the Backstop Lenders, either (A) qualified institutional buyers (a “**QIB**”), as such term is defined in Rule 144A under the Securities Act of 1933, as amended (the “**Securities Act**”), or (B) institutional accredited investors within the meaning of Rule 501(a)(1), (2), (3) or (7) under the Securities Act or an entity in which all of the equity investors are such institutional accredited investors (an “**IAI**”), (ii) beneficial owner of Senior Notes on the Record Date, (iii) not the Borrower or an Affiliate of the Borrower and (iv) not Backstop Lenders. If you are not an Eligible Holder, you may not participate in the Opportunity.

Please use the attached Subscription Form (the “**Subscription Form**”) to transmit your elections, if any. To participate in the Opportunity, you must: (i) complete and execute the Subscription Documents, including the enclosed Subscription Form, an assignment agreement to the DIP Credit Agreement, a Joinder to the RSA, an administrative detail document for the Administrative Agent, and applicable tax forms, each of which are attached hereto, and such other documents as the Administrative Agent may reasonably require (collectively, the “**Subscription Documents**”), (ii) deliver such Subscription Documents (as defined below) to the nominee holding your Senior Notes with sufficient time to allow your nominee to complete the nominee certification attached hereto (the “**Nominee Certification**”) on your behalf and deliver it to Kurtzman Carson Consultants LLC (the “**Information Agent**”) on or before the Expiration Time as instructed below and (iii) or prior to **5:00 p.m., New York City Time, on Wednesday, March 23, 2016** (the “**Subscription Funding Deadline**”), fund your respective Pro Rata Share of the Subscription Funding (as defined below) and provide your respective Pro Rata Share of the Subscription Commitment, each as explained below. If your Senior Notes are held through more than one nominee, please have each nominee complete a nominee certification for the respective Senior Notes held.

Certain principal terms of the DIP Facility and the Debtors’ contemplated restructuring are set forth in the DIP Credit Agreement and the RSA, each of which is available at <http://www.kccllc.net/swiftenergy> (by clicking on the link for “**DIP Syndication Materials**”).

The DIP Facility provides for a Maximum Facility Amount to the Company of up to \$75,000,000 (i) with an aggregate principal amount of up to \$15,000,000 available to be borrowed on and after the Closing Date (the “**Initial Funding Availability**”), (ii) with an additional aggregate principal amount of up to \$15,000,000 available to be borrowed on the Final Order Funding Availability Date (the “**Final Order Funding Availability**”) and (iii) with

<sup>1</sup> Capitalized terms used herein and not otherwise defined herein shall have the meanings ascribed thereto in the DIP Credit Agreement.

the remaining \$45,000,000 to be made available on the Third Borrowing Funding Availability Date (the “**Third Funding Availability**”), in each case, subject to the terms set forth in the DIP Credit Agreement (collectively, the “**DIP Loans**”). To participate in the Opportunity, you must (a) fund your respective Pro Rata Share of the DIP Loans outstanding as of the close of business on Monday, March 21, 2016, (as notified to you by the Administrative Agent after the Expiration Time) (the “**Subscription Funding**”) on or prior to the Subscription Funding Deadline and (b) commit to fund your respective Pro Rata Share of the Initial Funding Availability (if any), of the Final Order Funding Availability and the Third Funding Availability upon the occurrence of certain conditions as set forth in the DIP Credit Agreement (the “**Subscription Commitment**”).

The DIP Facility will mature on the date that is the earliest to occur of (i) 6 months after the Closing Date, (ii) the effective date (the “**Effective Date**”) of a Chapter 11 plan for the reorganization of the Company (the “**Chapter 11 Plan**”), (iii) the consummation of a sale of all or substantially all of the assets of the Borrower and its Subsidiaries pursuant to Section 363 of the Bankruptcy Code or otherwise or (iv) the date of termination of the Lenders’ DIP Loans and the acceleration of the DIP Loans in accordance with the DIP Credit Agreement and the Final DIP Order. Interest on the outstanding principal amount under the DIP Facility accrues and is payable at a rate per annum equal to (i) LIBOR plus 12.00% for Eurodollar Rate Loans and (ii) the Alternative Base Rate plus 11.00% for each Alternative Base Rate Loan. Interest on past-due principal and, to the extent permitted by applicable law, past-due interest, will accrue at the Alternative Base Rate plus 13.00%. In connection with the DIP Facility, the Debtors are required to pay a non-refundable commitment fee of 3.0% on the incremental amounts available under the DIP Facility on the Closing Date, the Final Order Funding Availability Date and the Third Borrowing Funding Availability Date. Each Eligible Holder may elect to participate and lend up to its respective Pro Rata Share of the DIP Loans, *provided* that the minimum participation amount of DIP Loans by any Eligible Holder and any of its affiliates (taken together) shall not be less than \$500,000 (or, if such Eligible Holder holds in the aggregate less than \$500,000, the entire amount of such Eligible Holder’s DIP Loans) (the “**Minimum Condition**”). *The foregoing description of the DIP Facility is a summary only and does not purport to be complete. It is subject and qualified in its entirety by reference to the DIP Credit Agreement and the Final DIP Order.*

Each Eligible Holder’s Pro Rata Share (“**Pro Rata Share**”) shall be equal to a fraction (expressed as a factor) the numerator of which is the principal amount of Senior Notes owned by such party as of the Record Date and the denominator of which is the aggregate outstanding principal amount of all Senior Notes, which amount is equal to \$875,000,000; *provided, however*, that to the extent you transfer, sell or assign your Senior Notes from the Record Date until the Expiration Time, your respective Pro Rata Share shall be calculated based on your beneficial ownership of such Senior Notes, as of the Expiration Time, as certified by you in your executed Joinder to the RSA.

**Eligible Holders will not have rights to lend in an amount in excess of their respective Pro Rata Shares of the DIP Loans.**

**A commitment to participate may not be withdrawn, unless otherwise mutually determined by the Company and the Backstop Lenders.** Additionally, the Company, the Backstop Lenders and the Administrative Agent will mutually determine whether any Holder is an Eligible Holder, has made the representations referenced above, has properly executed and delivered the required documentation and funded its proposed amount of the DIP Facility and whether to reject or accept any subscription to participate that has not been properly completed and delivered.

Each Eligible Holder that intends to participate as a lender in the DIP Facility must (i) prior to the Expiration Time, deliver the duly executed Subscription Documents to the nominee holding its Senior Notes with sufficient time to allow the nominee to complete the Nominee Certification on its behalf and deliver it to the Information Agent and (ii) prior to the Subscription Funding Deadline, cause the amount of the Subscription Funding to be funded by such Eligible Holder to be sent by wire transfer of immediately available federal funds to the escrow account (the “**Escrow Account**”) established by Cantor Fitzgerald Securities, the Administrative Agent for the DIP Facility according to the wire instructions below:

Name of Bank:	The Bank of New York Mellon
ABA:	021-000-018
Acct. Name:	Cantor Fitzgerald Securities - Bank Loan Agency
Acct. #:	8900730501

Attn:	Louis Pagnotta

Ref: Agency - Swift Energy DIP Syndication

Funds held in the Escrow Account will not accrue interest.

The Administrative Agent assumes no responsibility for the funds delivered to the Escrow Account and shall be entitled to rely solely on the direction of the Information Agent and the Company with respect to the disposition of such funds.

Promptly after Wednesday, March 23, 2016, the Administrative Agent will disburse the funds in the Escrow Account funded by participating Eligible Holders to the Backstop Lenders, in accordance with the terms of the DIP Credit Agreement and other relevant documentation relating to the DIP Facility, and record the DIP Loans in a register for the DIP Facility. If the Third Borrowing Funding Availability Date occurs after Wednesday, March 23, 2016, on the Third Borrowing Funding Availability Date, the Administrative Agent, on behalf of the Company, will pay to each participating Eligible Holder an aggregate amount equal to 3% of the aggregate amount of such Facility Amount held by such participating Eligible Holder and in effect on the Third Borrowing Funding Availability Date (after giving effect to the syndication).

If the Debtors' syndication process is terminated by the mutual agreement of the Company and the Backstop Lenders for any reason, the Subscription Documents submitted by participating Eligible Holders will terminate and the Administrative Agent will immediately return by wire funds transferred by such Eligible Holders to the Escrow Account.

Before you deliver the executed Subscription Documents and wire funds to the Escrow Account, please carefully review (i) the filings on the Debtors' docket with the Bankruptcy Court related to their Chapter 11 Petitions, available at <http://www.kccllc.net/swiftenergy> (the "**Bankruptcy Filings**"), (ii) the RSA, and the DIP Credit Agreement, and (iii) the Company's current and periodic reports, including those listed below (the "**Exchange Act Reports**"), which were filed by the Company with the Securities and Exchange Commission (the "**SEC**") pursuant to the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated thereunder, and which are available on the SEC's website at [www.sec.gov](http://www.sec.gov):

- Current Reports on Form 8-K filed with the SEC on January 14, 2015, May 20, 2015, August 20, 2015, November 23, 2015, December 1, 2015, December 21, 2015, December 24, 2015, January 4, 2016 and January 11, 2016
- Quarterly Reports on Form 10-Q for the quarterly periods ended March 31, 2015, June 30, 2015, and September 30, 2015, filed with the SEC on May 7, 2015, August 6, 2015, and November 5, 2015, respectively, and
- Annual Report on Form 10-K for the fiscal year ended December 31, 2015, filed with the SEC on March 4, 2016

Participating as a lender in the DIP Facility entails risks, including, but not limited to, the risk that the Company may be liquidated or may be unsuccessful executing its business plan, and as a result may be unable to repay all or part of your commitment. The Debtors are operating as debtors-in-possession under Chapter 11. The continuation of the Company as a going concern is contingent upon, among other things, the Company's ability to develop a plan of reorganization, to obtain approval of such plan under the applicable provisions of the United States Bankruptcy Code and to successfully execute its business plan upon its emergence from Chapter 11, if any. The risks inherent in lending to a company operating under Chapter 11 are materially higher than normal and there is no assurance that any of the conditions described above will be met. There is a material risk that the Company will not be able to develop a feasible plan of reorganization or obtain the necessary approvals thereof, in which case it may be unable to reorganize under Chapter 11, and it may be liquidated. In addition, if the Company is unable to successfully execute its business plan, it may be unable to meet its obligations under the DIP Facility. In either case, the Company may be unable to repay loan amounts borrowed from you and you may lose all or part of your loan commitment.

This Notice and Instruction Form relates only to the opportunity to participate as a lender in the DIP Facility (which, as noted above, will also require Holders to become a party to the RSA).

Calculation of Your Desired Percentage Share.** In order to participate in the DIP Facility, you must commit to participate in any unfunded portion of the DIP Facility in the same percentage as your Desired Participation Amount is of the Maximum Facility Amount. To determine such percentage, insert below your Desired Participation Amount and divide by \$75 million (expressed as a percentage by multiplying by 100):

$$\begin{array}{l} \$ \underline{\hspace{2cm}} \\ \text{(Insert Desired Participation} \\ \text{Amount from Item 2b above)} \end{array} / \$75,000,000 = \underline{\hspace{2cm}} \%^5 \\ \text{(Your “Desired} \\ \text{Participation Percentage”)} \end{array}$$

**To illustrate:**

An Eligible Holder owning \$60,000,000 in principal amount of Senior Notes is entitled to participate as a Lender in the DIP Facility in the maximum amount (Item 2a) of \$60,000,000 \* 0.0857142857142857, or \$5,142,857.14.

If such Eligible Holder desires to participate as a Lender in a lesser amount, for example, \$4,000,000 (Item 2b), then its Participation Percentage is equal to \$4,000,000 / \$75,000,000 (\* 100), or 5.33333333% (Item 2c). Such Eligible Holder will be required to fund 5.33333333% of each DIP Loan funded on or after January 28, 2016.

<sup>3</sup> Note that to the extent you transfer, sell or assign your Senior Notes from the Record Date until the Expiration Time, your respective Pro Rata Share must be calculated based on your beneficial ownership of such Senior Notes, as of the Expiration Time, as certified by you in your executed Joinder to the RSA. In the event that you are due a refund of amounts actually funded into the Escrow Account as a result of a reduction of your Pro Rata Share, such amounts will be refunded by Administrative Agent in accordance with instructions of the Information Agent.

<sup>4</sup> 0.0857142857142857 is equal to (a) the total amount of DIP Loans that all holders of Senior Notes are entitled to participate for in the DIP Facility (i.e., \$75,000,000) divided by (b) the total principal amount of Senior Notes outstanding.

<sup>5</sup> Carried out to eight decimals.

**Item 3. Certification.** By signing this Subscription Form, the undersigned certifies that it understands that the right to participate in the Opportunity is subject to all the terms and conditions set forth in the Notice and Instruction Form, and agrees that the commitment to participate in the DIP Facility as specified in Item 2, above, constitutes an irrevocable offer by the undersigned to fund the DIP Loans up to the amount so specified.

Each Warrant evidenced thereby shall be exercisable (upon payment of their respective Exercise Prices and compliance with the procedures set forth in this Warrant Agreement) for one Common Share. On the Closing Date, the Warrant Agent shall, upon receipt of such Global Warrants and Authentication Orders, authenticate such Global Warrants in accordance with Section 2.02 and register such Global Warrants in the Warrant Register. The Global Warrants shall be dated as of the Closing Date and, subject to the terms hereof, shall evidence the only Warrants issued or outstanding under this Warrant Agreement. The Global Warrant Certificates shall be deposited on or after the date hereof with the Warrant Agent.

(b) All Warrants issued under this Warrant Agreement shall in all respects be equally and ratably entitled to the benefits hereof, without preference, priority, or distinction on account of the actual time of the issuance and authentication or any other terms thereof. Each Warrant shall be, and shall remain, subject to the provisions of this Warrant Agreement until such time as all of the Warrants evidenced thereby shall have been duly exercised or shall have expired or been canceled in accordance with the terms hereof. The Global Warrant Holder shall be bound by all of the terms and provisions of this Warrant Agreement as fully and effectively as if the Global Warrant Holder had signed the same.

(d) So long as any Global Warrant is registered in the name of the Depository or its nominee, the Beneficial Owners shall have no rights under this Warrant Agreement with respect to such Global Warrant held on their behalf by the Depository, and the Depository may be treated by the Company, the Warrant Agent and any agent of the Company or the Warrant Agent as the absolute owner of such Global Warrant for all purposes. Accordingly, any such Beneficial Owner's interest in such Global Warrant will be shown only on, and the Transfer of such interest shall be effected only through, records maintained by the Depository or its nominee or the applicable Participant, and neither the Company nor the Warrant Agent shall have any responsibility or liability with respect to such records maintained by the Depository or its nominee or the applicable Participant. Notwithstanding the foregoing, nothing herein shall prevent the Company, the Warrant Agent or any agent of the Company or the Warrant Agent from giving effect to any written certification, proxy or other authorization furnished by the Depository or impair the operation of customary practices of the Depository or Participants governing the exercise of the rights of a Beneficial Owner.

Section 2.04 Form of Global Warrant Certificates. Each of the Global Warrant Certificates shall be in substantially the form set forth in Exhibit A hereto and shall have such insertions as are appropriate or required by this Warrant Agreement and may have such letters, numbers or other marks of identification and such legends and endorsements, stamped, printed, lithographed or engraved thereon, as the Company may deem appropriate and as are not inconsistent with the provisions of this Warrant Agreement, such as may be required to comply with this Warrant Agreement, any Law or any rule of any securities exchange on which Warrants may be listed, and such as may be necessary to conform to customary usage.

Section 2.05 Cancellation of the 2019 Global Warrant Certificates. Any 2019 Global Warrant Certificate shall be promptly cancelled by the Warrant Agent upon the earlier of (i) the 2019 Expiration Date, (ii) the mutilation of the 2019 Global Warrant Certificate as described in Section 5.02, or (iii) registration of Transfer or exercise of all 2019 Warrants represented thereby and, except as provided in this Article 2 in case of a Transfer or Section 5.02 in case of mutilation, no 2019 Global Warrant Certificate shall be issued hereunder in lieu thereof.

Section 2.06 Cancellation of the 2020 Global Warrant Certificates. Any 2020 Global Warrant Certificate shall be promptly cancelled by the Warrant Agent upon the earlier of (i) the 2020 Expiration Date, (ii) the mutilation of the 2020 Global Warrant Certificate as described in Section 5.02, or (iii) registration of Transfer or exercise of all 2020 Warrants represented thereby and, except as provided in this Article 2 in case of a Transfer or Section 5.02 in case of mutilation, no 2020 Global Warrant Certificate shall be issued hereunder in lieu thereof.

Section 2.07 Limitations on Transfer. Notwithstanding any other provision of this Warrant Agreement, the Warrants are being offered and sold, and the Common Shares issuable upon exercise thereof are being offered and sold, pursuant to an exemption from the registration requirement of Section 5 of the Securities Act provided by Section 1145 of the Bankruptcy Code, and to the extent that any Beneficial Owner is an "underwriter" as defined in Section 1145(b)(1) of the Bankruptcy Code, such Beneficial Owner may not be able to sell or transfer any Warrants in the absence of an effective registration statement under the Securities Act or an exemption from registration thereunder. Notwithstanding anything contained in this Warrant Agreement (but without limiting or modifying any express obligation of the Warrant Agent hereunder), the Warrant Agent shall not be under any duty or responsibility to ensure compliance by the Company, the Global Warrant Holder, any Beneficial Owner or any other Person with any applicable federal or state securities or bankruptcy Laws. By accepting a Transfer of a Warrant, (x) the applicable Participant agrees to inform the Beneficial Owner of the limitations on Transfer set forth in this Section 2.07, and shall instruct and direct such Beneficial Owner to conform to the restrictions set forth herein and shall maintain any applicable legends in its books and records and (y) the Beneficial Owner acknowledges the foregoing.

### Article 3

#### Exercise and Settlement of Warrants

Section 3.01 Exercise of Warrants. At any time prior to Close of Business on their applicable Expiration Date, each Warrant may be exercised, in accordance with this Article 3. Any Warrants not exercised prior to their applicable Expiration Date shall expire unexercised and all rights thereunder and all rights in respect thereof under this Warrant Agreement shall cease as of the Close of Business on their applicable Expiration Date. Only whole Warrants may be exercised.

Section 3.02 Procedure for Exercise.

(a) To exercise each Warrant, a Beneficial Owner must arrange for (i) the delivery of the Exercise Notice duly completed and executed by its applicable Participant to the principal office of the Warrant Agent and the Company, (ii) if Full Physical Settlement is elected, payment to the Warrant Agent in an amount equal to the respective Exercise Price for each Warrant to be exercised together with all applicable taxes and charges thereto, (iii) delivery of each Warrant to be exercised through the facilities of the Depository and (iv) compliance with all other procedures established by the Depository, the applicable Participant and the Warrant Agent for the exercise of Warrants.

(b) The date on which all the requirements for exercise set forth in this Section 3.02 in respect of a Warrant are satisfied is the “**Exercise Date**” for such Warrant.

(c) Subject to Section 3.02(e) and Section 3.02(f), any exercise of a Warrant pursuant to the terms of this Warrant Agreement shall be irrevocable and enforceable in accordance with its terms.

(d) All funds received by the Warrant Agent under this Agreement that are to be distributed or applied by the Warrant Agent in the performance of services in accordance with this Agreement (the “**Funds**”) shall be held by the Warrant Agent as agent for the Company and deposited in one or more bank accounts to be maintained by the Warrant Agent in its name as agent for the Company (the “**Funds Account**”). Until paid pursuant to the terms of this Agreement, the Warrant Agent will hold the Funds through the Funds Account in: deposit accounts of commercial banks with Tier 1 capital exceeding \$1 billion or with an average rating above investment grade by S&P (LT Local Issuer Credit Rating), Moody’s (Long Term Rating) and Fitch Ratings, Inc. (LT Issuer Default Rating), each as reported by Bloomberg Finance L.P. The Warrant Agent shall have no responsibility or liability for any diminution of the Funds that may result from any deposit made by the Warrant Agent in accordance with this paragraph, including any losses resulting from a default by any bank, financial institution or other third party. The Warrant Agent may from time to time receive interest, dividends or other earnings in connection with such deposits. The Warrant Agent shall not be obligated to pay such interest, dividends or earnings to the Company, any Beneficial Owner or any other party.

(e) The Company shall assist and cooperate with any Beneficial Owner required to make any governmental filings or obtain any governmental approvals prior to or in connection with any exercise of a Warrant (including, without limitation, making any filings required to be made by the Company), and any exercise of a Warrant may be made contingent upon the making of any such filing and the receipt of any such approval.

(f) Notwithstanding any other provision of this Warrant Agreement, if the exercise of any Warrant is to be made in connection with a registered public offering or a Change of Control, such exercise may, upon proper election in the Exercise Notice, be conditioned upon consummation of such transaction or event in which case such exercise shall not be deemed effective until the consummation of such transaction or event.

(g) The Warrant Agent shall forward funds deposited in the Funds Account in a given month by the fifth Business Day of the following month by wire transfer to an account designated by the Company.

(h) The Company hereby instructs the Warrant Agent to record tax basis for newly issued Common Shares as follows: the tax basis of each newly issued Common Share equals the tax basis of the exercised

Warrant plus the applicable Exercise Price. The Company shall provide the tax basis of the Warrants no later than 90 days after the Closing Date.

(i) Payment of the applicable Exercise Price by or on behalf of a Beneficial Owner upon exercise of Warrants, in the case of Full Physical Settlement, shall be by federal wire or other immediately available funds payable to the order of the Company to the account maintained by the Warrant Agent in its name as agent for the Company. The Warrant Agent shall provide an exercising Beneficial Owner, upon request, with the appropriate payment instructions.

Section 3.03 Settlement of Warrants.

(a) Full Physical Settlement shall apply to each Warrant unless the Beneficial Owner elects for Net Share Settlement to apply upon exercise of such Warrant. Such election shall be made in the Exercise Notice for such Warrant.

(b) If Full Physical Settlement applies to the exercise of a Warrant, upon the proper and valid exercise thereof by a Beneficial Owner the Company shall cause to be delivered to the exercising Beneficial Owner the Fully Physical Settlement Amount.

(c) If Net Share Settlement applies to the exercise of a Warrant, upon the proper and valid exercise thereof by a Beneficial Owner the Company shall cause to be delivered to the exercising Beneficial Owner the Net Share Amount, with any fractional Common Share rounded down to the nearest whole share as provided in Section 3.05.

(d) If there is a dispute as to the determination of the applicable Exercise Price or the calculation of the number of shares of Common Stock to be delivered to an exercising Beneficial Owner, the Company shall cause to be promptly delivered to the exercising Beneficial Owner the number of Common Shares that is not in dispute.

Section 3.04 Delivery of Common Shares.

(a) In connection with the exercise of Warrants, the Warrant Agent shall:

(1) examine all Exercise Notices and all other documents delivered to it to ascertain whether, on their face, such Exercise Notices and any such other documents have been executed and completed in accordance with their terms;

(2) where an Exercise Notice or other document appears on its face to have been improperly completed or executed or some other irregularity in connection with the exercise of the Warrant exists, endeavor to inform the appropriate parties (including the Person submitting such instrument) of the need for fulfillment of all requirements, specifying those requirements which appear to be unfulfilled;

(3) inform the Company of and cooperate with and assist the Company in resolving any reconciliation problems between the Exercise Notices received and delivery of Warrants to the Warrant Agent's account;

(4) advise the Company with respect to an exercise, no later than two Business Days following the satisfaction of each of the applicable procedures for exercise set forth in Section 3.02(a), of (v) the receipt of such Exercise Notice and the number of Warrants exercised in accordance with the terms and conditions of this Warrant Agreement, (w) the number of Common Shares to be delivered by the Company; (x) the instructions with respect to issuance of the Common Shares, subject to the timely receipt from the Depository of the necessary information, (y) the number of Persons who will become holders of record of the Company (who were not

previously holders of record) as a result of receiving Common Shares upon exercise of the Warrants and (z) such other information as the Company shall reasonably require;

(5) promptly deposit in the Funds Account all Funds received in payment of the applicable Exercise Price in connection with Full Physical Settlement of Warrants;

(6) promptly cancel and destroy the applicable Global Warrant Certificate if all Warrants represented thereby have been exercised in full and deliver a certificate of destruction to the Company, unless the Company shall otherwise direct in writing;

(7) if all Warrants represented by a Global Warrant Certificate shall not have been exercised in full, note and authenticate such decrease in the Number of Warrants on Schedule A of such Global Warrant Certificate; and

(8) provide to the Company, upon the Company's request, the number of Warrants previously exercised, the number of Common Shares issued in connection with such exercises and the number of remaining outstanding Warrants.

(b) With respect to each properly exercised Warrant in accordance with this Warrant Agreement, the Company shall cause its transfer agent to issue, in book-entry form at the transfer agent or through the Depository, the Common Shares due in connection with such exercise for the benefit and in the name of the Person designated by the Beneficial Owner submitting the applicable Exercise Notice. The Person on whose behalf and in whose name any Common Shares are registered shall for all purposes be deemed to have become the holder of record of such Common Shares as of the Close of Business on the applicable Exercise Date.

(c) Promptly after the Warrant Agent shall have taken the action required by this Section 3.04 (or at such later time as may be mutually agreeable to the Company and the Warrant Agent), the Warrant Agent shall account to the Company with respect to the consummation of any exercise of any Warrants.

Section 3.05 No Fractional Common Shares to Be Issued.

(a) Notwithstanding anything to the contrary in this Warrant Agreement, the Company shall not be required to issue any fraction of a Common Share upon exercise of any Warrants.

(b) If any fraction of a Common Share would, except for the provisions of this Section 3.05, be issuable on the exercise of any Warrants, the Company shall instead round down to the nearest whole share the number of Common Shares that such Person designated in the applicable Exercise Notice shall receive. All Warrants exercised by a Beneficial Owner on the same Exercise Date shall be aggregated for purposes of determining the number of Common Shares to be delivered pursuant to Section 3.04(b).

(c) Each Beneficial Owner, by its acceptance of an interest in a Warrant, expressly waives its right to any fraction of a Common Share upon its exercise of such Warrant.

Section 3.06 Acquisition of Warrants by Company. The Company shall have the right, except as limited by Law, to purchase or otherwise to acquire one or more Warrants at such times, in such manner and for such consideration as it may deem appropriate.

Section 3.07 Validity of Exercise. All questions as to the validity, form and sufficiency (including time of receipt) of a Warrant exercise shall be determined by the Company, which determination shall be final and binding with respect to the Warrant Agent. The Warrant Agent shall incur no liability for or in respect of and, except to the extent such liability arises from the Warrant Agent's gross negligence, willful misconduct or bad faith (as determined by a court of competent jurisdiction in a final non-appealable judgment), shall be indemnified and held harmless by the Company for acting or refraining from acting upon, or as a result of such determination by the Company. The Company reserves the absolute right to waive any of the conditions to the exercise of Warrants or defects in Exercise Notices with regard to any particular exercise of Warrants.

Section 3.08 Certain Calculations.

(a) The Warrant Agent shall be responsible for performing all calculations required in connection with the exercise and settlement of the Warrants as described in this Article 3. In connection therewith, the Warrant Agent shall provide prompt written notice to the Company, in accordance with Section 3.04(a)(4), of the number of Common Shares deliverable upon exercise and settlement of Warrants. For the avoidance of doubt, the Warrant Agent shall not be responsible for performing the calculations set forth in Article 4.

(b) The Warrant Agent shall not be accountable with respect to the validity or value of any Common Shares or Units of Reference Property that may at any time be issued or delivered upon the exercise of any Warrant, and it makes no representation with respect thereto. The Warrant Agent shall not be responsible, to the extent not arising from the Warrant Agent's gross negligence, willful misconduct or bad faith (as determined by a court of competent jurisdiction in a final non-appealable judgment), for any failure of the Company to issue, transfer or deliver any Common Shares or Units of Reference Property, or to comply with any of the covenants of the Company contained in this Article 3.

**Article 4****Adjustments**

Section 4.01 Adjustments to Exercise Price. After the date on which the Warrants are first issued and while any Warrants remain outstanding and unexpired, the Exercise Prices shall be subject to adjustment (without duplication) upon the occurrence of any of the following events:

(a) The issuance of Common Shares as a dividend or distribution to all holders of Common Shares, or a subdivision, combination, split, reverse split or reclassification of the outstanding Common Shares into a greater or smaller number of Common Shares, in which event the Exercise Prices shall be adjusted based on the following formula:

$$E_1 = E_0 \times \frac{N_0}{N_1}$$

where:

- $E_1$  = the applicable Exercise Price in effect immediately after (i) the Open of Business on the Ex-Date in the case of a dividend or distribution or (ii) the consummation of the transaction in the case of a subdivision, combination, split, reverse split or reclassification;
- $E_0$  = the applicable Exercise Price in effect immediately prior to (i) the Open of Business on the Ex-Date in the case of a dividend or distribution or (ii) the consummation of the transaction in the case of a subdivision, combination, split, reverse split or reclassification;
- $N_0$  = the number of Common Shares Deemed Outstanding immediately prior to (i) the Open of Business on the Record Date in the case of a dividend or distribution or (ii) the consummation of the transaction in the case of a subdivision, combination, split, reverse split or reclassification; and
- $N_1$  = the number of Common Shares equal to (i) in the case of a dividend or distribution, the sum of the number of Common Shares Deemed Outstanding immediately prior to the Open of Business on the Record Date for such dividend or distribution plus the total number of Common Shares issued pursuant to such dividend or distribution or (ii) in the case of a subdivision, combination, split, reverse split or reclassification, the number of Common Shares Deemed Outstanding immediately after such subdivision, combination, split, reverse split or reclassification.

Such adjustment shall become effective immediately after (i) the Open of Business on the Ex-Date in the case of a dividend or distribution or (ii) the consummation of the transaction in the case of a subdivision, combination, split, reverse split or reclassification. If any dividend or distribution or subdivision, combination, split, reverse split or reclassification of the type described in this Section 4.01(a) is declared or announced but not so paid or made, the Exercise Prices shall again be adjusted to the applicable Exercise Prices that would then be in effect if such dividend

or distribution or subdivision, combination, split, reverse split or reclassification had not been declared or announced, as the case may be.

(b) Reserved.

(c) The issuance as a dividend or distribution to all holders of Common Shares of evidences of indebtedness, Securities of the Company or any other Person (other than Common Shares), Cash or other property (excluding any dividend or distribution covered by Section 4.01(a)), in which event the Exercise Prices will be adjusted based on the following formula:

$$E_1 = E_0 \times \frac{P - FMV}{P}$$

where:

- $E_1$  = the applicable Exercise Price in effect immediately after the Open of Business on the Ex-Date for such dividend or distribution;
- $E_0$  = the applicable Exercise Price in effect immediately prior to the Open of Business on the Ex-Date for such dividend or distribution;
- $P$  = the Fair Value of a Common Share as of immediately prior to the Open of Business on the second Business Day preceding the Ex-Date for such dividend or distribution; and
- $FMV$  = the Fair Value of the portion of such dividend or distribution applicable to one Common Share as of the Open of Business on the date of such dividend or distribution.

Such decrease shall become effective immediately after the Open of Business on the Ex-Date for such dividend or distribution. In the event that such dividend or distribution is declared or announced but not so paid or made, the Exercise Prices shall again be adjusted to be the Exercise Prices which would then be in effect if such distribution had not been declared or announced.

(d) Reserved.

(e) If any single action would require adjustment of the Exercise Prices pursuant to more than one subsection of this Section 4.01, only one adjustment shall be made and such adjustment shall be the amount of adjustment that has the highest, relative to the rights and interests of the registered holders of the Warrants then outstanding, absolute value. For the purpose of calculations pursuant to Section 4.01, the number of Common Shares outstanding shall be equal to the sum of (i) the number of Common Shares issued and outstanding and (ii) the number of Common Shares issuable pursuant to the conversion or exercise of Convertible Securities that are outstanding, in each case on the applicable date of determination.

(f) The Company may from time to time, to the extent permitted by Law, decrease the Exercise Prices and/or increase the Number of Warrants by any amount for any period of at least twenty days. In that case, the Company shall give the Global Warrant Holder and the Warrant Agent at least ten days' prior written notice of such increase or decrease, and such notice shall state the applicable decreased Exercise Price and/or increased Number of Warrants and the period during which the decrease and/or increase will be in effect. The Company may make such decreases in the Exercise Prices and/or increases in the Number of Warrants, in addition to those set forth in this Article 4, as the Board deems advisable, including to avoid or diminish any income tax to holders of the Common Shares resulting from any dividend or distribution of stock (or rights to acquire stock) or from any event treated as such for income tax purposes.

(g) Notwithstanding this Section 4.01 or any other provision of this Warrant Agreement or the Warrants, if an Exercise Prices adjustment becomes effective on any Ex-Date, and a Warrant has been exercised on or after such Ex-Date and on or prior to the related Record Date resulting in the Person issued Common Shares being treated as the record holder of the Common Shares on or prior to the Record Date, then, notwithstanding the Exercise Prices adjustment provisions in this Section 4.01, the Exercise Prices adjustment relating to such Ex-Date

will not be made with respect to such Warrant. Instead, such Person will be treated as if it were the record owner of Common Shares on an un-adjusted basis and participate in the related dividend, distribution or other event giving rise to such adjustment.

Section 4.02 Adjustments to Number of Warrants. Concurrently with any adjustment to the Exercise Prices under Section 4.01, the Number of Warrants will be adjusted such that the Number of Warrants in effect immediately following the effectiveness of such adjustment will be equal to the Number of Warrants in effect immediately prior to such adjustment, multiplied by a fraction, (i) the numerator of which is the applicable Exercise Price in effect immediately prior to such adjustment and (ii) the denominator of which is the applicable Exercise Price in effect immediately following such adjustment.

Section 4.03 Certain Distributions of Rights and Warrants.

(a) Rights or warrants distributed by the Company to all holders of Common Shares entitling the holders thereof to subscribe for or purchase the Company's Securities (either initially or under certain circumstances), which rights or warrants, until the occurrence of a specified event or events (a "**Trigger Event**"):

- (1) are deemed to be transferred with such Common Shares;
- (2) are not exercisable; and
- (3) are also issued in respect of future issuances of Common Shares,

shall be deemed not to have been distributed for purposes of Article 4 (and no adjustment to the Exercise Prices or the Number of Warrants under this Article 4 will be made) until the occurrence of the earliest Trigger Event, whereupon such rights and warrants shall be deemed to have been distributed and an appropriate adjustment (if any is required) to the Exercise Prices and the Number of Warrants shall be made under this Article 4 (subject in all respects to Section 4.04).

(b) If any such right or warrant is subject to events, upon the occurrence of which such rights or warrants become exercisable to purchase different securities, evidences of indebtedness or other assets, then the date of the occurrence of any and each such event shall be deemed to be the date of distribution and Record Date with respect to new rights or warrants with such rights (subject in all respects to Section 4.04).

(c) In addition, except as set forth in Section 4.04, in the event of any distribution (or deemed distribution) of rights or warrants, or any Trigger Event or other event (of the type described in Section 4.03(b)) with respect thereto that was counted for purposes of calculating a distribution amount for which an adjustment to the Exercise Prices and the Number of Warrants under Article 4 was made (including any adjustment contemplated in Section 4.04):

(1) in the case of any such rights or warrants that shall all have been redeemed or repurchased without exercise by the holders thereof, the Exercise Prices and the Number of Warrants shall be readjusted upon such final redemption or repurchase to give effect to such distribution or Trigger Event, as the case may be, as though it were a distribution under Section 4.01(c), equal to the per share redemption or repurchase price received by a holder or holders of Common Shares with respect to such rights or warrants (assuming such holder had retained such rights or warrants), made to all holders of Common Shares as of the date of such redemption or repurchase; and

(2) in the case of such rights or warrants that shall have expired or been terminated without exercise by the holders thereof, the Exercise Prices and the Number of Warrants shall be readjusted as if such rights and warrants had not been issued or distributed.

Section 4.04 Stockholder Rights Plans. If the Company has a stockholder rights plan in effect with respect to the Common Shares, upon exercise of a Warrant the holder shall be entitled to receive, in addition to the

Common Shares, the rights under such stockholder rights plan, unless, prior to such exercise, such rights have separated from the Common Shares.

Section 4.05 Restrictions on Adjustments.

(a) Except in accordance with Section 4.01, the Exercise Prices and the Number of Warrants will not be adjusted for the issuance of Common Shares or other Securities of the Company.

(b) For the avoidance of doubt, neither the Exercise Prices nor the Number of Warrants will be adjusted:

(1) upon the issuance of any Securities by the Company on or after the Closing Date pursuant to the Plan or upon the issuance of Common Shares upon the exercise of such Securities;

(2) upon the issuance of any Common Shares or other Securities or any payments pursuant to the Management Plan or any other equity incentive plan of the Company;

(3) upon any issuance of any Common Shares (or Convertible Securities) pursuant to the exercise of the Warrants; and

(4) upon the offer and sale of Common Shares by the Company in a registered primary offering at a price that is less than Fair Value for Common Shares at the time of such offer and sale; and

(5) upon the issuance of Common Shares or other Securities of the Company in connection with a business acquisition transaction (except to the extent otherwise expressly required by this Warrant Agreement).

(c) No adjustment shall be made to the Exercise Prices or the Number of Warrants for any of the transactions described in Section 4.01 if the Company makes provisions for participation in any such transaction with respect to Warrants without exercise of such Warrants on the same basis as with respect to Common Shares with notice that the Board determines in good faith to be fair and appropriate.

(d) No adjustment shall be made to the 2019 Exercise Price or the 2020 Exercise Price, nor will any corresponding adjustment be made to the Number of Warrants, unless the adjustment would result in a change of at least 1% of the 2019 Exercise Price or the 2020 Exercise Price, respectively; provided, however, that any adjustment of less than 1% that was not made by reason of this Section 4.04(d) shall be carried forward and made as soon as such adjustment, together with any other adjustments not previously made by reason of this Section 4.04(d), would result in a change of at least 1% in the aggregate. All calculations under this Article 4 shall be made to the nearest cent or to the nearest 1/100th of a Common Share, as the case may be.

(e) If the Company takes a record of the holders of Common Shares for the purpose of entitling them to receive a dividend or other distribution, and thereafter (and before the dividend or distribution has been paid or delivered to members) legally abandons its plan to pay or deliver such dividend or distribution, then thereafter no adjustment to the Exercise Prices or the Number of Warrants then in effect shall be required by reason of the taking of such record.

Section 4.06 Successor upon Consolidation, Merger and Sale of Assets.

(a) The Company may consolidate or merge with another Person (a “**Fundamental Equity Change**”) only (i) if the Company is the surviving Person or (ii), if the Company is not the surviving Person, then:

(1) the successor to the Company assumes all of the Company’s obligations under this Warrant Agreement and the Warrants, other than as provided in Section 4.06(d) and Section

4.07, shall become exercisable into the common stock or other common equity of the successor;  
and

(2) the successor to the Company provides written notice of such assumption to the Warrant Agent promptly following the Fundamental Equity Change.

(b) In the case of a Fundamental Equity Change, the successor Person to the Company shall succeed to and be substituted for the Company with the same effect as if it had been named herein as the Company, and the Company shall thereupon be released from all obligations and covenants under this Warrant Agreement and the Warrants. Such successor Person shall provide in writing to the Warrant Agent with such identifying corporate information as may be reasonably requested by the Warrant Agent. Such successor Person thereafter may cause to be signed, and may issue any or all of, the Global Warrants issuable pursuant to this Warrant Agreement which theretofore shall not have been issued by the Company; and, upon the order of such successor Person, instead of the Company, and subject to all the terms, conditions and limitations in this Warrant Agreement, the Warrant Agent shall authenticate and deliver, as applicable, any Global Warrants that previously shall have been signed and delivered by the officers of the Company to the Warrant Agent for authentication, and any Warrants which such successor Person thereafter shall cause to be signed and delivered to the Warrant Agent for such purpose.

(c) If the Company desires to sell, lease, convey or otherwise transfer in one transaction or a series of related transactions all or substantially all of the consolidated assets of the Company and its Subsidiaries (an “**Asset Sale**”), the Company may only consummate such Asset Sale if such Buyer agrees (i) to enter into a warrant agreement in form and substance substantially similar to this Warrant Agreement and (ii) to issue warrants for equity in such Buyer (or a Person to which all or substantially all of the assets of the Company and its Subsidiaries acquired in such Asset Sale are transferred or conveyed) to the Global Warrant Holder on terms (including economic) and conditions substantially similar to the Global Warrant (taking into account any Warrants that are exercised prior to the applicable Expiration Dates (as defined in clause (ii)(A) of the respective definitions of the Expiration Dates and taking into account the materiality of the transferred assets to the total assets and operations of the Affiliated Buyer, taken as a whole), for crediting to the accounts of the applicable Participants for the benefit of the Beneficial Owners pursuant to the procedures of the Depository.

(d) Notwithstanding the foregoing and the other provisions of this Section 4.06 and the provisions of Section 4.07 below, in the event of a Fundamental Equity Change or an Asset Sale, if a Holder has not exercised the Warrant in full prior to the consummation of such transaction, then the Company may elect (the “**Merger/Sale Election**”) to cancel such Warrant in exchange for the Holder receiving, at the time of any such cancellation, simultaneously with the consummation of the Fundamental Equity Change or Asset Sale, either (i) Cash in an amount equal to the value of the remaining unexercised portion of this Warrant on the date of such consummation or (ii) the kind and amount of shares of stock, other securities or other property or assets (including Cash or any combination thereof, if applicable) that a holder of Common Shares is or will be entitled to receive in connection with such Fundamental Equity Change or Asset Sale in an amount equal to the value of the remaining unexercised portion of this Warrant on the date of such consummation. [For purposes of determining the amount of cash, securities or other property or assets contemplated by clause (i) and (ii) above, the amount shall be equal to the Fair Value of the unexercised warrant. For the avoidance of doubt, in no instance shall a warrant have the same Fair Value as a Common Share. To the extent that there is a dispute between the Company, on the one hand, and a majority of Holders of the Warrants, on the other, as to the value of item (i) or (ii) above, the Company shall promptly appoint, at its expense, an Independent Appraiser and such dispute shall be resolved by such Independent Appraiser which shall make a determination. The determination by any such Independent Appraiser shall be conclusive and binding on the Company and on all Holders for purposes of the transaction giving rise to the need for such determination.] [**To be discussed**]

Section 4.07 Adjustment upon Reorganization Event.

(a) If there occurs any Fundamental Equity Change (other than in the event the Company exercises the Merger/Sale Election under Section 4.06(d)) or any recapitalization, reorganization, consolidation, reclassification, change in the outstanding Common Shares (other than changes resulting from a subdivision or combination to which Section 4.01(a) applies), statutory share exchange or other transaction (each such event a “**Reorganization Event**”), in each case as a result of which the Common Shares would be converted into, changed

into or exchanged for, stock, other securities, other property or assets (including Cash or any combination thereof) (the “**Reference Property**”) while any Warrants remain outstanding and unexpired, then following the effective time of the Reorganization Event, the right to receive Common Shares upon exercise of a Warrant shall be changed to a right to receive, upon exercise of such Warrant, the kind and amount of shares of stock, other securities or other property or assets (including Cash or any combination thereof) that a holder of one Common Share would have owned or been entitled to receive in connection with such Reorganization Event (such kind and amount of Reference Property per Common Share, a “**Unit of Reference Property**”). In the event holders of Common Shares have the opportunity to elect the form of consideration to be received in a Reorganization Event, the type and amount of consideration into which the Warrants shall be exercisable from and after the effective time of such Reorganization Event shall be deemed to be the weighted average of the types and amounts of consideration received by the holders of Common Shares in such Reorganization Event. The Company hereby agrees not to become a party to any Reorganization Event unless its terms are consistent with this Section 4.07.

(b) At any time from, and including, the effective time of a Reorganization Event:

(1) each Warrant shall be exercisable for a single Unit of Reference Property instead of one Common Share; and

(2) the Fair Value shall be calculated with respect to a Unit of Reference Property.

(c) On or prior to the effective time of any Reorganization Event (other than in the event the Company exercises the Merger/Sale Election under Section 4.06(d)), the Company or the successor or purchasing Person, as the case may be, shall execute an amendment to this Warrant Agreement providing that the Warrants shall be exercisable for Units of Reference Property in accordance with the terms of this Section 4.07. If the Reference Property in connection with any Reorganization Event includes shares of stock or other securities and assets of a Person other than the successor or purchasing Person, as the case may be, in such Reorganization Event, then the Company shall cause such amendment to this Warrant Agreement to be executed by such other Person and such amendment shall contain such additional provisions to protect the interests of the Global Warrant Holder (for the benefit of the Beneficial Owners) as the Board shall reasonably consider necessary by reason of the foregoing. Any such amendment to this Warrant Agreement shall provide for adjustments which shall be as nearly equivalent as may be practicable to the adjustments provided for in this Article 4. In the event the Company shall execute an amendment to this Warrant Agreement pursuant to this Section 4.07, the Company shall promptly file with the Warrant Agent an Officers’ Certificate briefly stating the reasons therefor, the kind or amount of Cash, securities or property or assets that will comprise a Unit of Reference Property after the relevant Reorganization Event, any adjustment to be made with respect thereto and that all conditions precedent have been complied with. The Company shall cause notice of the execution of the amendment to be mailed to the Global Warrant Holder within 20 Business Days after execution thereof.

(d) The above provisions of this Section 4.07 shall similarly apply to successive Reorganization Events.

(e) If this Section 4.07 applies to any event or occurrence, no other provision of this Article 4 shall apply to such event or occurrence (other than Section 4.06).

Section 4.08 Reserved.

Section 4.09 Common Shares Outstanding; Common Shares Reserved for Issuance on Exercise.

(a) For the purposes of this Article 4, the number of Common Shares at any time outstanding shall not include Common Shares held, directly or indirectly, by the Company or any of its Subsidiaries.

(b) The Board has authorized and reserved for issuance such number of Common Shares as will be issuable upon the exercise of all outstanding Warrants for Common Shares. The Company covenants that all Common Shares that shall be so issuable shall be duly and validly issued, fully paid and non-assessable.

(c) The Company agrees to authorize and direct its current and future transfer agents for the Common Shares to reserve for issuance the number of Common Shares specified in this Section 4.09 and shall take all action required to increase the authorized number of Common Shares if at any time there shall be insufficient authorized but unissued Common Shares to permit such reservation or to permit the exercise of a Warrant. Promptly after each of the Expiration Dates, the Warrant Agent shall certify to the Company the aggregate Number of Warrants then outstanding, and thereafter no Common Shares shall be required to be reserved in respect of such Warrants.

Section 4.10 Calculations; Instructions to Warrant Agent.

(a) Subject to Section 4.10(b), the Company shall be responsible for making all calculations called for under this Section 4 for purposes of determining any adjustments to the Exercise Prices and the Number of Warrants, including determinations as to Fair Value and the composition of Units of Reference Property. Such calculations and determinations shall be final and binding on the Global Warrant Holder and all Beneficial Owners absent manifest error. The Company shall provide a schedule of the Company's calculations and determinations to the Warrant Agent, and the Warrant Agent is entitled to rely upon the accuracy of the Company's calculations without independent verification.

(b) In the event the Board engages a Representative to advise it with respect to the determination of Fair Value, the Board shall be entitled to rely upon the determination of such Representation. The Company shall pay the fees and expenses of any Representative.

Section 4.11 Notice of Adjustments. The Company shall mail, or cause to be mailed, to the Global Warrant Holder and the Warrant Agent, in accordance with Section 6.15, a notice of any adjustment or readjustment to the Exercise Prices or the Number of Warrants no less than three Business Days prior to the effective date of such adjustment or readjustment. The Company shall file with the Warrant Agent such notice and an Officer's Certificate setting forth such adjustment or readjustment and kind and amount of securities, Cash or other property for which a Warrant shall thereafter be exercisable and the applicable Exercise Price, showing in reasonable detail the facts upon which such adjustment or readjustment is based. The Officer's Certificate shall be conclusive evidence that the adjustment or readjustment is correct, and the Warrant Agent shall not be deemed to have any knowledge of any adjustments or readjustments unless and until it has received such Officer's Certificate. The Warrant Agent shall not be under any duty or responsibility with respect to any such Officer's Certificate except to exhibit the same to the Global Warrant Holder.

Section 4.12 Warrant Agent Not Responsible for Adjustments or Validity. The Warrant Agent shall at no time be under any duty or responsibility to determine whether any facts exist that may require an adjustment or readjustment of the Exercise Prices and the Number of Warrants, or with respect to the nature or extent of any such adjustment or readjustment when made, or with respect to the method employed, herein or in any supplemental agreement provided to be employed, in making the same. The Warrant Agent shall have no duty to verify or confirm any calculation called for hereunder. The Warrant Agent shall have no liability for any failure or delay in performing its duties hereunder caused by any failure or delay of the Company in providing such calculations to the Warrant Agent. The Warrant Agent shall not be accountable with respect to the validity or value (or the kind or amount) of any Common Shares or of any Securities or property which may at any time be issued or delivered upon the exercise of any Warrant or upon any adjustment or readjustment pursuant to this Article 4, and it makes no representation with respect thereto. The Warrant Agent shall not be responsible for any failure of the Company to make any Cash payment or to issue, transfer or deliver any Common Shares or stock certificates or other securities or property or scrip upon the surrender of any Warrant for the purpose of exercise or upon any adjustment pursuant to this Article 4, or to comply with any of the covenants of the Company contained in this Article 4.

Section 4.13 Statements on Warrants. Other than notation of any applicable increase or decrease in the Number of Warrants on Schedule A of each Global Warrant Certificate, the form of each Global Warrant Certificate need not be changed because of any adjustment or readjustment made pursuant to this Article 4, and Global Warrant Certificates issued after such adjustment or readjustment may state the same information (other than the applicable adjusted Exercise Price and the adjusted Number of Warrants) as are stated in the Global Warrant Certificates initially issued pursuant to this Warrant Agreement.

Section 4.14 Effect of Adjustment. The Depository and applicable Participants shall effect any applicable adjustments, changes or payments to the Beneficial Owners with respect to beneficial interests in the Global Warrants resulting from any adjustments or readjustments, changes or payments effected pursuant to this Article 4 in accordance with the procedures of the Depository and the applicable Participants.

## Article 5

### Other Provisions Relating to Rights of Global Warrant Holder

Section 5.01 No Rights as Stockholders. Nothing contained in this Warrant Agreement or in any Global Warrant Certificate shall be construed as conferring upon any Person, by virtue of holding or having a beneficial interest in a Global Warrant, the right to vote, to consent, to receive any Cash dividends, stock dividends, allotments or rights or other distributions paid, allotted or distributed or distributable to the holders of Common Shares, or to exercise any rights whatsoever as a stockholder of the Company unless, until and only to the extent such Persons become holders of record of Common Shares issued upon settlement of Warrants.

Section 5.02 Mutilated or Missing Global Warrant Certificates. If any Global Warrant Certificate held by the Warrant Agent at any time is mutilated, defaced, lost, destroyed or stolen, then on the terms set forth in this Warrant Agreement, such Global Warrant Certificate may be replaced with a new Global Warrant Certificate, of like date and tenor and representing the same number of Warrants, at the cost of the Company at the office of the Warrant Agent subject to the replacement procedures of the Warrant Agent which shall include obtaining an open penalty surety bond satisfactory to the Warrant Agent holding the Company and the Warrant Agent harmless. Any such new Global Warrant Certificate shall constitute an original contractual obligation of the Company, whether or not the allegedly lost, stolen, mutilated or destroyed Global Warrant Certificate shall be at any time enforceable by anyone. All Global Warrant Certificates shall be issued upon the express condition that the foregoing provisions are exclusive with respect to the substitution for lost, stolen, mutilated or destroyed Global Warrant Certificates, and shall preclude any and all other rights or remedies notwithstanding any Law or statute existing or hereafter enacted to the contrary with respect to the substitution for and replacement of negotiable instruments or other securities without their surrender.

### Section 5.03 Modification, Waiver and Meetings.

(a) This Warrant Agreement may be modified or amended by the Company and the Warrant Agent, without the consent of the Global Warrant Holder, any Beneficial Owner of any Warrant, or any applicable Participant with respect to any Warrant, for the purposes of curing any ambiguity or correcting or supplementing any defective provision contained in this Warrant Agreement or to make any other provisions in regard to matters or questions arising in this Warrant Agreement which the Company and the Warrant Agent may deem necessary or desirable; provided that such modification or amendment does not adversely affect the interests of the Global Warrant Holder or the Beneficial Owners in any material respect. As a condition precedent to the Warrant Agent's execution of any amendment, the Company shall deliver to the Warrant Agent a certificate from an Appropriate Officer that states that the proposed amendment is in compliance with the terms of this Section 5.03.

(b) Modifications and amendments to this Warrant Agreement or to the terms and conditions of Warrants not contemplated by Section 5.03(a) may also be made by the Company and the Warrant Agent, and noncompliance with any provision of the Warrant Agreement or Warrants may be waived, by the Global Warrant Holder (pursuant to a proper vote or consent of a majority of the Warrants at the time outstanding). Notwithstanding anything to the contrary herein, the Company may amend Schedule A from time to time to accurately reflect the name and address of the Global Warrant Holder after the Closing Date without any further consent or agreement from any other Person.

(c) However, no modification, amendment or waiver may, without the written consent of:

(1) the Global Warrant Holder (pursuant to a proper vote or consent of each Warrant):

- (A) change either of the Expiration Dates; or
  - (B) increase either of the Exercise Prices or decrease the Number of Warrants (except as set forth in Article 4);
- (2) the Global Warrant Holder (pursuant to a proper vote or consent of 66.66% of the Warrants affected):
- (A) impair the right to institute suit for the enforcement of any payment or delivery with respect to the exercise and settlement of any Warrant;
  - (B) except as otherwise expressly permitted by provisions of this Warrant Agreement concerning specified reclassifications or corporate reorganizations, impair or adversely affect the exercise rights with respect to Warrants, including any change to the calculation or payment of the number of Common Shares received upon exercise of each Warrant;
  - (C) reduce the percentage of Warrants outstanding necessary to modify or amend this Warrant Agreement or to waive any past default; or
  - (D) reduce the percentage in Warrants outstanding required for any other waiver under this Warrant Agreement.

Section 5.04 Notices of Date, etc. In the event of any Change of Control, then, and in each such case, the Company will mail or cause to be mailed to the Global Warrant Holder, at least 15 days prior to the effective date, a notice specifying the effective date on which such Change of Control is or is expected to take place, and the time, if any is to be fixed, as of which the holders of record of Common Shares (or such other stock or Securities at the time deliverable upon the exercise of a Warrant) shall be entitled to exchange their Common Shares (or such other stock or Securities) for Securities or other property deliverable upon such Change of Control.

## **Article 6**

### **Concerning the Warrant Agent and Other Matters**

Section 6.01 Payment of Certain Taxes.

(a) The Company shall pay any and all documentary, stamp or similar issue or transfer taxes that may be payable upon the initial issuance of the Global Warrants hereunder and delivery to the Global Warrant Holder.

(b) The Company shall pay any and all documentary, stamp or similar issue or transfer taxes that may be payable upon the issuance of Common Shares upon the exercise of Warrants hereunder.

Section 6.02 Reserved.

Section 6.03 Change of Warrant Agent.

(a) The Warrant Agent, or any successor to it hereafter appointed, may resign its duties and be discharged from all further duties and liabilities hereunder (except for liability arising as a result of the Warrant Agent's own gross negligence, willful misconduct or bad faith) after giving sixty days' notice in writing to the Company, except that such shorter notice may be given as the Company shall, in writing, accept as sufficient. If the office of the Warrant Agent becomes vacant by resignation or incapacity to act or otherwise, the Company shall appoint in writing a successor warrant agent in place of the Warrant Agent. If the Company shall fail to make such appointment within a period of thirty days after it has been notified in writing of such resignation or incapacity by

the resigning or incapacitated warrant agent or by the Global Warrant Holder, then the Global Warrant Holder may apply to any court of competent jurisdiction for the appointment of a successor warrant agent.

(b) The Warrant Agent may be removed by the Company at any time upon sixty days' written notice to the Warrant Agent; provided, however, that the Company shall not remove the Warrant Agent until a successor warrant agent meeting the qualifications hereof shall have been appointed; provided, further, that, until such successor warrant agent has been appointed, the Company shall compensate the Warrant Agent in accordance with Section 6.04.

(c) Any successor warrant agent, whether appointed by the Company or by such a court, shall be a corporation or banking association organized, in good standing and doing business under the Laws of the United States of America or any state thereof or the District of Columbia, and authorized under such Laws to exercise corporate trust powers and subject to supervision or examination by federal or state authority and having a combined capital and surplus of not less than \$50,000,000. The combined capital and surplus of any such successor warrant agent shall be deemed to be the combined capital and surplus as set forth in the most recent report of its condition published prior to its appointment; provided that such reports are published at least annually pursuant to Law or to the requirements of a federal or state supervising or examining authority. After acceptance in writing of such appointment by the successor warrant agent, such successor warrant agent shall be vested with all the authority, powers, rights, immunities, duties and obligations of its predecessor warrant agent with like effect as if originally named as warrant agent hereunder, without any further act or deed; but if for any reason it becomes necessary or appropriate, the predecessor warrant agent shall execute and deliver, at the expense of the Company, an instrument transferring to such successor warrant agent all the authority, powers and rights of such predecessor warrant agent hereunder; and upon request of any successor warrant agent, the Company shall make, execute, acknowledge and deliver any and all instruments in writing to more fully and effectually vest in and conform to such successor warrant agent all such authority, powers, rights, immunities, duties and obligations. Upon assumption by a successor warrant agent of the duties and responsibilities hereunder, the predecessor warrant agent shall deliver and transfer, at the expense of the Company, to the successor warrant agent any property at the time held by it hereunder. As soon as practicable after such appointment, the Company shall give notice thereof to the predecessor warrant agent, the Global Warrant Holder and each transfer agent for its Common Shares. Failure to give such notice, or any defect therein, shall not affect the validity of the appointment of the successor warrant agent.

(d) Any entity into which the Warrant Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Warrant Agent shall be a party, or any Person succeeding to all or substantially all of the corporate trust or agency business of the Warrant Agent, shall be the successor warrant agent under this Warrant Agreement without the execution or filing of any paper or any further act on the part of any of the parties hereto; provided that such entity would be eligible for appointment as a successor warrant agent under Section 6.03(c). In case at the time such successor to the Warrant Agent shall succeed to the agency created by this Warrant Agreement, any Global Warrant Certificate shall have been countersigned but not delivered, any such successor to the Warrant Agent may adopt the countersignature of the original Warrant Agent and deliver such Global Warrant Certificate so countersigned, and in case at that time any Global Warrant Certificates shall not have been countersigned, any successor to the Warrant Agent may countersign such Global Warrant Certificate either in the name of the predecessor Warrant Agent or in the name of the successor Warrant Agent; and in all such cases such Global Warrant Certificate shall have the full force provided in the Global Warrant Certificate and in this Warrant Agreement.

(e) In case at any time the name of the Warrant Agent shall be changed and at such time any Global Warrant Certificate shall have been countersigned but not delivered, the Warrant Agent may adopt the countersignatures under its prior name and deliver such Global Warrant Certificate so countersigned; and in case at that time any Global Warrant Certificate shall not have been countersigned, the Warrant Agent may countersign such Global Warrant Certificate either in its prior name or in its changed name; and in all such cases such Global Warrant Certificate shall have the full force provided in the Global Warrant Certificate and in this Warrant Agreement.

Section 6.04 Compensation; Further Assurances. The Company agrees that it will (a) pay the Warrant Agent reasonable compensation for its services as Warrant Agent in accordance with Exhibit C attached hereto and, except as otherwise expressly provided, will pay or reimburse the Warrant Agent upon written demand for all

reasonable and documented expenses, disbursements and advances incurred or made by the Warrant Agent in accordance with any of the provisions of this Warrant Agreement (including the reasonable compensation, expenses and disbursements of its agents and counsel incurred in connection with the execution and administration of this Agreement), except any such expense, disbursement or advance as may arise from its or any of their gross negligence, willful misconduct or bad faith, and (b) perform, execute, acknowledge and deliver or cause to be performed, executed, acknowledged and delivered all such further and other acts, instruments and assurances as may reasonably be required by the Warrant Agent for the carrying out or performing of the provisions of this Warrant Agreement.

Section 6.05 Reliance on Counsel. The Warrant Agent may consult with legal counsel (who may be legal counsel for the Company), and the written opinion of such counsel or any advice of legal counsel subsequently confirmed by a written opinion of such counsel shall be full and complete authorization and protection to the Warrant Agent as to any action taken or omitted by it in good faith and in accordance with such written opinion or advice.

Section 6.06 Proof of Actions Taken. Whenever in the performance of its duties under this Warrant Agreement the Warrant Agent shall deem it necessary or desirable that any matter be proved or established by the Company prior to taking or suffering or omitting any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of bad faith on the part of the Warrant Agent, be deemed to be conclusively proved and established by an Officer's Certificate delivered to the Warrant Agent; and such Officer's Certificate shall, in the absence of bad faith on the part of the Warrant Agent, be full warrant to the Warrant Agent for any action taken, suffered or omitted in good faith by it under the provisions of this Warrant Agreement in reliance upon such Officer's Certificate; but in its discretion the Warrant Agent may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as to it may seem reasonable.

Section 6.07 Correctness of Statements. The Warrant Agent shall not be liable for or by reason of any of the statements of fact or recitals contained in this Warrant Agreement or any Global Warrant Certificate (except its countersignature thereof) or be required to verify the same, and all such statements and recitals are and shall be deemed to have been made by the Company only.

Section 6.08 Validity of Agreement. From time to time, the Warrant Agent may apply to any Appropriate Officer for instruction and the Company shall provide the Warrant Agent with such instructions concerning the services to be provided hereunder. The Warrant Agent shall not be held to have notice of any change of authority of any Person, until receipt of notice thereof from the Company. The Warrant Agent shall not be under any responsibility in respect of the validity of this Warrant Agreement or the execution and delivery hereof or in respect of the validity or execution of any Global Warrant Certificate (except its countersignature thereof); nor shall it be responsible for any breach by the Company of any covenant or condition contained in this Warrant Agreement or in any Global Warrant Certificate; nor shall it by any act hereunder be deemed to make any representation or warranty as to the authorization or reservation of any Common Shares to be issued pursuant to this Warrant Agreement or any Warrants or as to whether any Common Shares will, when issued, be validly issued and fully paid and non-assessable. The Warrant Agent and its agents and subcontractors shall not be liable and shall be indemnified by the Company for any action taken or omitted by Warrant Agent in reliance upon any Company instructions except to the extent that the Warrant Agent had actual knowledge of facts and circumstances that would render such reliance unreasonable.

Section 6.09 Use of Agents. The Warrant Agent may execute and exercise any of the rights or powers hereby vested in it or perform any duty hereunder either itself or by or through its attorneys or agents provided that the Warrant Agent shall remain responsible for the activities or omissions of any such agent or attorney and reasonable care has been exercised in the selection and in the continued employment of such attorney or agent.

Section 6.10 Liability of Warrant Agent. The Warrant Agent shall incur no liability or responsibility to the Company or to any Global Warrant Holder for any action taken or not taken (i) in reliance on any notice, resolution, waiver, consent, order, certificate, or other paper, document or instrument believed by it to be genuine and to have been signed, sent or presented by the proper party or parties or (ii) in relation to its services under this Warrant Agreement, unless such liability arises out of or is attributable to the Warrant Agent's gross negligence,

material breach of this Warrant Agreement, or willful misconduct or bad faith or material breach of any representation or warranty of the Warrant Agent hereunder. The Company agrees to indemnify the Warrant Agent and save it harmless against any and all losses, expenses and liabilities, including judgments, costs and reasonable counsel fees, for anything done or omitted in good faith by the Warrant Agent in the execution of this Warrant Agreement or otherwise arising in connection with this Warrant Agreement, except as a result of the Warrant Agent's gross negligence, material breach of this Warrant Agreement, willful misconduct or bad faith (as determined by a court of competent jurisdiction in a final non-appealable judgment) or material breach of any representation or warranty of the Warrant Agent hereunder. The Warrant Agent shall be liable hereunder only for its gross negligence, material breach of this Warrant Agreement, willful misconduct or bad faith (as determined by a court of competent jurisdiction in a final non-appealable judgment) or its material breach of any representation or warranty of the Warrant Agent hereunder, for which the Warrant Agent is not entitled to indemnification under this Warrant Agreement. Notwithstanding anything contained herein to the contrary, the Warrant Agent's aggregate liability during any term of this Agreement with respect to, arising from, or arising in connection with this Agreement, or from all services provided or omitted to be provided under this Agreement, whether in contract, or in tort, or otherwise, is limited to, and shall not exceed, the amounts paid hereunder by the Company to the Warrant Agent as fees and charges, but not including reimbursable expenses, during the twelve (12) months immediately preceding the event for which recovery from Warrant Agent is being sought. Neither party to this Agreement shall be liable to the other party for any consequential, indirect, punitive, special or incidental damages under any provisions of this Agreement or for any consequential, indirect, punitive, special or incidental damages arising out of any act or failure to act hereunder even if that party has been advised of or has foreseen the possibility of such damages.

Section 6.11 Legal Proceedings. The Warrant Agent shall be under no obligation to institute any action, suit or legal proceeding or to take any other action likely to involve expense unless the Company, the Global Warrant Holder or any applicable Participant on behalf of a Beneficial Owner shall furnish the Warrant Agent with reasonable indemnity for any costs and expenses which may be incurred, but this provision shall not affect the power of the Warrant Agent to take such action as the Warrant Agent may consider proper, whether with or without any such security or indemnity. The Warrant Agent shall promptly notify the Company and the Global Warrant Holder in writing of any claim made or action, suit or proceeding instituted against it arising out of or in connection with this Warrant Agreement.

Section 6.12 Actions as Agent. The Warrant Agent shall act hereunder solely as agent and not in a ministerial or fiduciary capacity, and its duties shall be determined solely by the provisions hereof. The duties and obligations of the Warrant Agent shall be determined solely by the express provisions of the Warrant Agreement, and the Warrant Agent shall not be liable except for the performance of such duties and obligations as are specifically set forth in the Warrant Agreement. No implied covenants or obligations shall be read into the Warrant Agreement against the Warrant Agent. The Warrant Agent shall not be liable for anything that it may do or refrain from doing in good faith in connection with this Warrant Agreement except for its own gross negligence, willful misconduct or bad faith.

Section 6.13 Appointment and Acceptance of Agency. The Company hereby appoints the Warrant Agent to act as agent for the Company in accordance with the instructions set forth in this Warrant Agreement, and the Warrant Agent hereby accepts the agency established by this Warrant Agreement and agrees to perform the same upon the terms and conditions herein set forth or as the Company and the Warrant Agent may hereafter agree.

Section 6.14 Successors and Assigns. All the covenants and provisions of this Warrant Agreement by or for the benefit of the Company or the Warrant Agent shall bind and inure to the benefit of their respective successors and assigns hereunder. The Warrant Agent may assign this Agreement or any rights and obligations hereunder, in whole or in part, to an Affiliate thereof with the prior consent of the Company, provided that the Warrant Agent may make such an assignment without consent of the Company to any successor to the Warrant Agent by consolidation, merger or transfer of its assets subject to the terms and conditions of the Agreement.

Section 6.15 Notices. Any notice or demand authorized by this Warrant Agreement to be given or made to the Company shall be sufficiently given or made if sent by mail first-class, postage prepaid, addressed (until another address is filed in writing by the Company with the Warrant Agent), as follows:

Section 6.16 Applicable Law; Jurisdiction. The validity, interpretation and performance of this Warrant Agreement and of the Global Warrant Certificates shall be governed in accordance with the laws of the State of New York. The parties hereto irrevocably consent to the exclusive jurisdiction of the courts of the State of New York and any federal court located in such state in connection with any action, suit or proceeding arising out of or relating to this Warrant Agreement.

Section 6.17 Waiver of Jury Trial. EACH OF THE COMPANY AND THE WARRANT AGENT ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS WARRANT AGREEMENT OR A WARRANT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH SUCH PERSON HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PERSON MAY HAVE TO A TRIAL BY JURY WITH RESPECT TO ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS WARRANT AGREEMENT OR A WARRANT. EACH OF THE COMPANY AND THE WARRANT AGENT CERTIFIES AND ACKNOWLEDGES THAT (a) NO REPRESENTATIVE, AGENT OR ATTORNEY OF THE OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (b) SUCH PERSON UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (c) SUCH PERSON MAKES THIS WAIVER VOLUNTARILY, AND (d) SUCH PERSON HAS BEEN INDUCED TO ENTER INTO THIS WARRANT AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 6.18 Benefit of this Warrant Agreement. Nothing in this Warrant Agreement expressed and nothing that may be implied from any of the provisions hereof is intended, or shall be construed, to confer upon, or give to, any Person or corporation other than the parties hereto and the Global Warrant Holder any right, remedy or claim under or by reason of this Warrant Agreement or of any covenant, condition, stipulation, promise or agreement hereof, and all covenants, conditions, stipulations, promises and agreements in this Warrant Agreement contained shall be for the sole and exclusive benefit of the parties hereto and their successors and of the Global Warrant Holder.

Section 6.19 Registered Global Warrant Holder. Prior to due presentment for registration of Transfer, the Company and the Warrant Agent may deem and treat the Person in whose name any Warrants are registered in the Warrant Register as the absolute owner thereof for all purposes whatever (notwithstanding any notation of ownership or other writing thereon made by anyone other than the Company or the Warrant Agent) and neither the Company nor the Warrant Agent shall be affected by any notice to the contrary or be bound to recognize any equitable or other claim to or interest in any Warrants on the part of any other Person and shall not be liable for any registration of Transfer of Warrants that are registered or to be registered in the name of a fiduciary or the nominee of a fiduciary unless made with actual knowledge that a fiduciary or nominee is committing a breach of trust in

requesting such registration of Transfer or with such knowledge of such facts that its participation therein amounts to bad faith.

Section 6.20 Headings. The Article and Section headings herein are for convenience only and are not a part of this Warrant Agreement and shall not affect the interpretation thereof.

Section 6.21 Counterparts. This Warrant Agreement may be executed in any number of counterparts on separate counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute one and the same instrument.

Section 6.22 Entire Agreement. This Warrant Agreement and the Global Warrant Certificates constitute the entire agreement of the Company, the Warrant Agent and Global Warrant Holder with respect to the subject matter hereof and supersede all prior agreements and undertakings, both written and oral, among the Company, the Warrant Agent and the Global Warrant Holder with respect to the subject matter hereof.

Section 6.23 Severability. Wherever possible, each provision of this Warrant Agreement shall be interpreted in such manner as to be effective and valid under applicable Law, but if any provision of this Warrant Agreement shall be prohibited by or invalid under applicable Law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Warrant Agreement.

Section 6.24 Termination. This Warrant Agreement, as it relates to the 2019 Warrants and the 2020 Warrants shall terminate at the 2019 Expiration Date and the 2020 Expiration Date, respectively (or Close of Business on the Settlement Date with respect to any Exercise Notice delivered prior to the applicable Expiration Date). Notwithstanding the foregoing, this Warrant Agreement, as it relates to the 2019 Warrants and the 2020 Warrants will terminate on such earlier date on which all outstanding 2019 Warrants or the 2020 Warrants have been exercised, respectively. All provisions regarding indemnification, warranty, liability and limits thereon shall survive the termination or expiration of this Warrant Agreement.

Section 6.25 Confidentiality. The Warrant Agent and the Company agree that (a) personal, non-public Global Warrant Holder and Beneficial Owner information which is exchanged or received pursuant to the negotiation or the carrying out of this Agreement and (b) the fees for services set forth in the attached schedule shall remain confidential, and shall not be voluntarily disclosed to any other person, except disclosures pursuant to applicable securities Laws or otherwise as may be required by Law, including, without limitation, pursuant to subpoenas from state or federal government authorities.
