7. The Debtors seek to sell free and clear of the judgment liens. None of the judgment creditors have levied upon the Property prepetition and all of the judgment liens are subject to avoidance under section 544(a) of the Bankruptcy Code.
8. Section 363(b) of the Bankruptcy Code (11 U.S.C. §363(b)) provides that the Trustee, “after notice and a hearing, may use, sell, or lease, other than in the ordinary course of business, property of the Estate.” 11 U.S.C. § 363(b).
9. In the Third Circuit, the standards for evaluation and approval of a sale pursuant to Section 363 set forth in the case of In re Abbotts Dairies of Pennsylvania, Inc., 788 F.2d 143 (3rd Cir. 1986). In Abbotts Dairies, the Court is required to find that the purchaser has acted in good faith and that the proposed sale has been arrived at arm’s length and free of fraud, collusion or improper conduct. Abbotts Dairies, 788 F.2d at 147 (citations omitted). While “good faith” is not defined in the Bankruptcy Code, the Third Circuit in Abbotts Dairies has held that the phrase means one who purchase in “good faith” and for

“value”. *Id.*

10. The Third Circuit in Abbotts Dairies then analogized the bona fides of a Section 363(b) purchaser to a buyer at a judicial sale:

The requirement that a purchaser act in good faith . . . speaks to the integrity of his conduct in the course of the sale proceedings. Typically, the misconduct that would destroy a purchaser's good faith status at a judicial sale involves fraud, collusion between the purchaser and other bidders or the trustee, or an attempt to take grossly unfair advantage of other bidders.

Abbotts Dairies, 788 F.2d at 147 (*quoting* Rock Industries, 572 F.2d at 1198).

11. Finally, the Court noted that "[t]raditionally, courts have held that 'fair and valuable consideration is given in a bankruptcy sale when the purchaser pays 75% of the appraised value of the assets.'" Abbotts Dairies, 788 F.2d at 149 (*quoting* Rock Industries, 572 F.2d at 1198); In re Karpe, 84 B.R. 926, 933 (Bankr. M.D. Pa. 1988).
12. The sale of the Property pursuant to the annexed satisfies the "good faith" prong of the Abbotts Dairies test. The Debtors have listed the Property with a licensed real estate broker and exposed it to sale for months prior to the execution of the present contract. The Debtors have fully disclosed and requested the Court's approval of the proposed contract. The Debtors have disclosed all aspects of the sale and there are no agreements or terms which are not included in the written contract that has been annexed hereto. *See* In re Colony Hill Assoc., 111 F.3d 269 (2d Cir. 1997) (determination of "good faith" is based on traditional equitable principles, including whether there has been full disclosure to the Bankruptcy Court).
13. In addition to the Abbotts Dairies requirements, courts typically require a sound business purpose to sell a debtor's assets. In re Lionel Corp., 722 F.2d 1063 (2d Cir. 1983); In re Delaware & Hudson Railway Co., 124 B.R. 169, 175-76 (D. Del. 1991); In re Titusville

Country Club, 128 B.R. 396, 399 (Bankr. W.D. Pa. 1991); In re Sovereign Estates, Ltd., 104 B.R. 702, 704 (Bankr. E.D. Pa. 1989); In re Conroe Forge & Manufacturing Corp., 82 B.R. 781, 783-86 (Bankr. W.D. Pa. 1988); In re Industrial Valley Refrigeration & Air Conditioning Supplies, Inc., 77 B.R. 15, 21 (Bankr. E.D. Pa. 1987).

14. Courts consider the following non-exhaustive list of factors in determining whether a sound business purpose exists: (a) sound business reason for the sale; (b) accurate and reasonable notice; (c) proportionate value of the asset to the estate as a whole (fair and reasonable); (d) the amount of elapsed time since the filing; (e) the likelihood that a plan of reorganization will be proposed and confirmed in the near future; (f) the effect of the proposed disposition on the future plan; (g) the amount of proceeds to be obtained from the sale versus the appraised value of the property sold; and (h) whether the asset is decreasing or increasing in value. Lionel Corp., 722 F.2d at 1071; Delaware & Hudson Railway, 124 B.R. at 176; In re Weatherly Frozen Food Group, Inc., 149 B.R. 480, 483 (Bankr. N.D. Ohio 1992). A debtor's showing of sound business justification need not be unduly exhaustive. Rather, a debtor is "simply required to justify the proposed disposition with sound business reason." In re Baldwin United Corp., 43 B.R. 888, 906 (Bankr. S.D. Ohio 1984).

The Proposed Sale Satisfies the Abbots Dairy Factors

15. The consideration being tendered is fair and reasonable compared to the fair market value of the property when evaluated under the totality of the circumstances.
16. The Confirmation Order requires the Debtors to sell the Property by June 30 or suffer its loss through foreclosure.

17. The Purchasers are not affiliates of the Debtors and are not related to the Debtors in any manner. The Debtors will not derive any benefit, financial or otherwise, from the sale except to the extent reflected in the Purchase Agreement. Consequently, the Purchasers are “good faith” purchaser under the criteria set forth in *In re Abbotts Dairies of Pennsylvania, Inc.* 788 F.2d 143 (3rd Cir. 1986).
18. The proceeds of sale will be applied at closing to satisfy the mortgage(s) encumbering the Property pursuant to the terms of the confirmed chapter 11 plan, municipal real estate taxes, and real estate commissions, if any. Other liens, in particular the judgment liens, will attach to the proceeds of sale, and the Property will be sold free and clear of those liens.
19. In order to facilitate the proposed sale, it is essential and a requirement of the proposed sale that the transfer of the Transferred Assets be free and clear of all existing liens, claims and encumbrances other than those liens which shall be satisfied at closing.
20. 11 U.S.C. §363(f) authorizes the sale of property under 11 U.S.C. §363(b)(2) free and clear of liens with such liens to attach to the sale proceeds. That section provides:
 - (a) The Debtor may sell property under subsection (b) or (c) of this section free and clear of any interest in such property of an entity other than the estate only if-
 - (1) Applicable non-bankruptcy law permits sale of such property free and clear of such interest;
 - (2) Such entity consents;
 - (3) Such interest is a lien and the price at which such property is to be sold is greater than the aggregate value of all liens on such property;
 - (4) Such interest is in bona fide dispute; or
 - (5) Such entity could be compelled, in a legal or equitable proceeding, to accept a money satisfaction of such interest.
21. A sale free and clear of the interest may occur if any one of the specified conditions

- under §363(f) have been met. *See, Collier on Bankruptcy*, ¶363.06 at 363-43 (15th Rev. Ed. 1999).
22. The judgment liens are subject to avoidance pursuant to section 544(a) of the Bankruptcy Code which confers on the trustee or debtor-in-possession the rights of a levying creditor. Section 544(a)(2) of the Code provides that the trustee, standing in the position of a hypothetical executing judicial lienholder as of the time of the debtor's bankruptcy filing, can avoid certain liens over which she has priority. Priority in this context is determined by state law. *In re Silverman*, 6 B.R. 991, 995 (D.N.J.1980); *In re Visiting Nurse Ass'n of Western Pa.*, 143 B.R. 633, 643 (W.D.Pa.1992), *aff'd*, 986 F.2d 1410 3d Cir.1993); *Farm Credit Bank of St. Louis v. Lucas*, 152 B.R. 244, 246 (C.D.Ill.1993), *rev'd on other grounds*, 18 F.3d 413 (7th Cir.1994). Under New Jersey law, "[p]riority among judgment creditors is determined by the order of their liens of execution." *In re Silverman*, 2 B.R. 326, 330 (Bankr.D.N.J.) (citing *Burg v. Edmondson*, 111 N.J.Super. 82, 85, 267 A.2d 545 (Ch.Div.1970), *aff'd in part and rev'd in part on other grounds*, 6 B.R. 991 (1980)).
23. The contract of sale further provides that the Seller(s) have agreed to pay a six (6%) percent commission for services rendered by Partners Realty Group .
24. In light of the foregoing, the Debtors respectfully request that the Court authorize the sale of the Subject Property to MEOR 77, LLC, or such other person or entity making a higher or better offer, free and clear of all liens (except municipal liens), with valid liens, if any, to attach to the proceeds of sale.
25. Debtors also seeks relief from the 14-day stay of Bankr. Rule 6004(h) in order to expedite the sale.

EXHIBIT A

NOTICE

TO BUYER AND SELLER

READ THIS NOTICE BEFORE SIGNING THE CONTRACT

The Law requires real estate brokers to give you the following information before you sign this contract. It requires us to tell you that you must read all of it before you sign. The purpose is to help you in this purchase or sale.

1) As a real estate broker, I represent: the seller, not the buyer; the buyer, not the seller;
 both the seller and the buyer; neither the seller nor the buyer.
The title company does not represent either the seller or the buyer.

2) You will not get any legal advice unless you have your own lawyer. Neither I nor anyone from the title company can give legal advice to either the buyer or the seller. If you do not hire a lawyer, no one will represent you in legal matters now or at the closing. Neither I nor the title company will represent you in those matters.

3) The contract is the most important part of the transaction. It determines your rights, risks, and obligations. Signing the contract is a big step. A lawyer would review the contract, help you to understand it, and to negotiate its terms.

4) The contract becomes final and binding unless your lawyer cancels it within the following three business days. If you do not have a lawyer, you cannot change or cancel the contract unless the other party agrees. Neither can the real estate broker nor the title insurance company change the contract.

5) Another important service of a lawyer is to order a survey, title report, or other important reports. The lawyer will review them and help to resolve any questions that may arise about the ownership and condition of the property. These reports and survey can cost you a lot of money. A lawyer will also prepare the documents needed to close title and represent you at the closing.

6) A buyer without a lawyer runs special risks. Only a lawyer can advise a buyer about what to do if problems arise concerning the purchase of this property. The problems may be about the seller's title, the size and shape of the property, or other matters that may affect the value of the property. If either the broker or the title company knows about the problems, they should tell you. But they may not recognize the problem, see it from your point of view, or know what to do. Ordinarily, the broker and the title company have an interest in seeing that the sale is completed, because only then do they usually receive their commissions. So, their interests may differ from yours.

7) Whether you retain a lawyer is up to you. It is your decision. The purpose of this notice is to make sure that you have the information needed to make your decision.

(D) IF PERFORMANCE BY BUYER IS CONTINGENT UPON OBTAINING A MORTGAGE:

If payment of the purchase price requires a mortgage loan other than by Seller or other than assumption of Seller's mortgage,
Buyer shall apply for the loan through any lending institution of Buyer's choice in writing on lender's standard form within ten (10)

if Buyer has not obtained the commitment, then either Buyer or Seller may void this Contract by written notice to the other party and

provided, however, if Seller alleges in writing to Escrowee within said ten (10) calendar days of the commitment date or any extension of
the commitment date, whichever is later, that the failure to obtain the mortgage commitment is the result of Buyer's bad faith, negligence,
intentional conduct or failure to diligently pursue the mortgage application, then Escrowee shall not return the deposit monies to Buyer
without the written authorization of Seller.

(E) BALANCE OF PURCHASE PRICE: The balance of the purchase price shall be paid by Buyer in cash, or by certified, cashier's

and Buyer may agree ("the Closing").

4. SUFFICIENT ASSETS:

Buyer represents that Buyer has or will have as of the Closing, all necessary cash assets, together with the mortgage loan proceeds, to
complete the Closing. Should Buyer not have sufficient cash assets at the Closing, Buyer will be in breach of this Contract and Seller shall
be entitled to any remedies as provided by law.

5. ACCURATE DISCLOSURE OF SELLING PRICE:

order as of the Closing. Seller does not guarantee the condition of the appliances after the Deed and affidavit of title have been delivered to Buyer at the Closing. The following items are also specifically included (If reference is made to the MLS Sheet and/or any other document, then the document(s) referenced should be attached.):

7. ITEMS EXCLUDED FROM SALE: (If reference is made to the MLS Sheet and/or any other document, then the document(s) referenced should be attached.):

furniture if any

8. DATES AND TIMES FOR PERFORMANCE:

Seller and Buyer agree that all dates and times included in this Contract are of the essence. This means that Seller and Buyer must satisfy the terms of this Contract within the time limits that are set in this Contract or will be in default, except as otherwise provided in this Contract or required by applicable law, including but not limited to if the Closing has to be delayed either because a lender does not timely provide documents through no fault of Buyer or Seller or for three (3) business days because of the change of terms as required by the Consumer Financial Protection Bureau.

9. CERTIFICATE OF OCCUPANCY AND ZONING COMPLIANCE:

Seller makes no representations concerning existing zoning ordinances, except that Seller's use of the Property is not presently in violation of any zoning ordinances.

Some municipalities may require a Certificate of Occupancy or Housing Code Letter to be issued. If any is required for this Property, Seller shall obtain it at Seller's expense and provide to Buyer prior to Closing and shall be responsible to make and pay for any repairs required in order to obtain the Certificate or Letter. However, if this expense exceeds \$ 1,500.00 (if left blank, then 1.5% of the purchase price) to Seller, then Seller may terminate this Contract and refund to Buyer all deposit monies plus Buyer's reasonable expenses, if any, in connection with this transaction unless Buyer elects to make repairs in excess of said amount at Buyer's expense, in which event Seller shall not have the right to terminate this Contract. In addition, Seller shall comply with all New Jersey laws, and local ordinances, including but not limited to smoke detectors, carbon monoxide detectors, fire extinguishers and indoor sprinklers, the cost of which shall be paid by Seller and not be considered as a repair cost.

10. MUNICIPAL ASSESSMENTS: (Seller represents that Seller has has not been notified of any such municipal assessments as explained in this Section.)

Title shall be free and clear of all assessments for municipal improvements, including but not limited to municipal liens, as well as assessments and liabilities for future assessments for improvements constructed and completed. All confirmed assessments and all unconfirmed assessments that have been or may be imposed by the municipality for improvements that have been completed as of the Closing are to be paid in full by Seller or credited to Buyer at the Closing. A confirmed assessment is a lien against the Property. An unconfirmed assessment is a potential lien that, when approved by the appropriate governmental entity, will become a legal claim against the Property.

11. QUALITY AND INSURABILITY OF TITLE:

At the Closing, Seller shall deliver a duly executed Bargain and Sale Deed with Covenant as to Grantor's Acts or other Deed satisfactory to Buyer. Title to the Property will be free from all claims or rights of others, except as described in this Section and Section 12 of this Contract. The Deed shall contain the full legal description of the Property.

This sale will be subject to utility and other easements and restrictions of record, if any, and such state of facts as an accurate survey might disclose, provided such easement or restriction does not unreasonably limit the use of the Property. Generally, an easement is a right of a person other than the owner of property to use a portion of the property for a special purpose. A restriction is a recorded limitation on the manner in which a property owner may use the property. Buyer does not have to complete the purchase, however, if any easement, restriction or facts disclosed by an accurate survey would substantially interfere with the use of the Property for residential purposes. A violation of any restriction shall not be a reason for Buyer refusing to complete the Closing as long as the title company insures Buyer against loss at regular rates. The sale also will be made subject to applicable zoning ordinances, provided that the ordinances do not render title unmarketable.

Title to the Property shall be good, marketable and insurable, at regular rates, by any title insurance company licensed to do business in New Jersey, subject only to the claims and rights described in this Section and Section 12. Buyer agrees to order a title insurance commitment (title search) and survey, if required by Buyer's lender, title company or the municipality where the Property is located.

and to furnish copies to Seller. If Seller's title contains any exceptions other than as set forth in this Section, Buyer shall notify Seller and Seller shall have thirty (30) calendar days within which to eliminate those exceptions. Seller represents, to the best of Seller's knowledge, that there are no restrictions in any conveyance or plans of record that will prohibit use and/or occupancy of the Property as a single family residential dwelling. Seller represents that all buildings and other improvements on the Property are within its boundary lines and that no improvements on adjoining properties extend across boundary lines of the Property.

If Seller is unable to transfer the quality of title required and Buyer and Seller are unable to agree upon a reduction of the purchase price, Buyer shall have the option to either void this Contract, in which case the monies paid by Buyer toward the purchase price shall be returned to Buyer, together with the actual costs of the title search and the survey and the mortgage application fees in preparing for the Closing without further liability to Seller, or to proceed with the Closing without any reduction of the purchase price.

12. POSSESSION, OCCUPANCY AND TENANCIES:

(A) Possession and Occupancy.

Possession and occupancy will be given to Buyer at the Closing. Buyer shall be entitled to possession of the Property, and any rents or profits from the Property, immediately upon the delivery of the Deed and the Closing. Seller shall pay off any person with a claim or right affecting the Property from the proceeds of this sale at or before the Closing.

(B) Tenancies. Applicable Not Applicable

Occupancy will be subject to the tenancies listed below as of the Closing. Seller represents that the tenancies are not in violation of any existing Municipal, County, State or Federal rules, regulations or laws. Seller agrees to transfer all security deposits to Buyer at the Closing and to provide to Brokers and Buyer a copy of all leases concerning the tenancies, if any, along with this Contract when it is signed by Seller. Seller represents that such leases can be assigned and that Seller will assign said leases, and Buyer agrees to accept title subject to these leases.

13. LEAD-BASED PAINT AND/OR LEAD-BASED PAINT HAZARD: (This section is applicable only to all dwellings built prior to 1978.) Applicable Not Applicable

(A) Document Acknowledgement.

Buyer acknowledges receipt of the EPA pamphlet entitled "Protect Your Family From Lead In Your Home." Moreover, a copy of a document entitled "Disclosure of Information and Acknowledgement Lead-Based Paint and Lead-Based Paint Hazards" has been fully completed and signed by Buyer, Seller and Broker(s) and is appended to and made a part of this Contract.

(B) Lead Warning Statement.

Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to purchase.

(C) Inspection.

The law requires that, unless Buyer and Seller agree to a longer or shorter period, Seller must allow Buyer a ten (10) calendar day period within which to complete an inspection and/or risk assessment of the Property as set forth in the next paragraph. Buyer, however, has the right to waive this requirement in its entirety.

This Contract is contingent upon an inspection and/or risk assessment (the "Inspection") of the Property by a certified inspector/risk assessor for the presence of lead-based paint and/or lead-based paint hazards. The Inspection shall be ordered and obtained by Buyer at Buyer's expense within ten (10) calendar days after the attorney-review period is completed or, if this Contract is timely disapproved by an attorney as provided in the Attorney-Review Clause Section of this Contract, then within ten (10) calendar days after the parties agree to the terms in this Contract ("Completion Date"). If the Inspection indicates that no lead-based paint or lead-based paint hazard is present at the Property, this contingency clause shall be deemed null and void. If the Inspection indicates that lead-based paint or lead-based paint hazard is present at the Property, this contingency clause will terminate at the time set forth above unless, within five (5) business days from the Completion Date, Buyer delivers a copy of the inspection and/or risk assessment report to Seller and Brokers and (1) advises Seller and Brokers, in writing that Buyer is voiding this Contract; or (2) delivers to Seller and Brokers a written amendment (the "Amendment")

Buyer's Initials: EB Seller's Initials: SH

to this Contract listing the specific existing deficiencies and corrections required by Buyer. The Amendment shall provide that Seller agrees to (a) correct the deficiencies; and (b) furnish Buyer with a certification from a certified inspector/risk assessor that the deficiencies have been corrected, before the Closing. Seller shall have _____ (if left blank, then 3) business days after receipt of the Amendment to sign and return it to Buyer or send a written counter-proposal to Buyer. If Seller does not sign and return the Amendment or fails to offer a counter-proposal, this Contract shall be null and void. If Seller offers a counter-proposal, Buyer shall have _____ (if left blank, then 3) business days after receipt of the counter-proposal to accept it. If Buyer fails to accept the counter-proposal within the time limit provided, this Contract shall be null and void.

14. POINT-OF-ENTRY TREATMENT ("POET") SYSTEMS: Applicable Not Applicable

A point-of-entry treatment ("POET") system is a type of water treatment system used to remove contaminants from the water entering a structure from a potable well, usually through a filtration process. Seller represents that a POET system has been installed to an existing well on the Property and the POET system was installed and/or maintained using funds received from the New Jersey Spill Compensation Fund Claims Program, N.J.S.A. 58:10-23.11, et seq. The Buyer understands that Buyer will not be eligible to receive any such funds for the continued maintenance of the POET system. Pursuant to N.J.A.C. 7:1J-2.5(c), Seller agrees to notify the Department of Environmental Protection within thirty (30) calendar days of executing this Contract that the Property is to be sold.

15. CESSPOOL REQUIREMENTS: Applicable Not Applicable

(This section is applicable if the Property has a cesspool, except in certain limited circumstances set forth in N.J.A.C. 7:9A-3.16.) Pursuant to New Jersey's Standards for Individual Subsurface Sewage Disposal Systems, N.J.A.C. 7:9A (the "Standards"), if this Contract is for the sale of real property at which any cesspool, privy, outhouse, latrine or pit toilet (collectively "Cesspool") is located, the Cesspool must be abandoned and replaced with an individual subsurface sewage disposal system at or before the time of the real property transfer, except in limited circumstances.

(A) Seller represents to Buyer that no Cesspool is located at or on the Property, or one or more Cesspools are located at or on the Property. [If there are one or more Cesspools, then also check EITHER Box 1 or 2 below.]

1. Seller agrees that, prior to the Closing and at its sole cost and expense, Seller shall abandon and replace any and all Cesspools located at or on the Property and replace such Cesspools with an individual subsurface sewage disposal system ("System") meeting all the requirements of the Standards. At or prior to the Closing, Seller shall deliver to Buyer a certificate of compliance ("Certificate of Compliance") issued by the administrative authority ("Administrative Authority") (as those terms are defined in N.J.A.C. 7:9A-2.1) with respect to the System. Notwithstanding the foregoing, if the Administrative Authority determines that a fully compliant system cannot be installed at the Property, then Seller shall notify Buyer in writing within three (3) business days of its receipt of the Administrative Authority's determination of its intent to install either a nonconforming System or a permanent holding tank, as determined by the Administrative Authority ("Alternate System"), and Buyer shall then have the right to void this Contract by notifying Seller in writing within seven (7) business days of receipt of the notice from Seller. If Buyer fails to timely void this Contract, Buyer shall have waived its right to cancel this Contract under this paragraph, and Seller shall install the Alternate System and, at or prior to the Closing, deliver to Buyer such Certificate of Compliance or other evidence of approval of the Alternate System as may be issued by the Administrative Authority. The delivery of said Certificate of Compliance or other evidence of approval shall be a condition precedent to the Closing; or

2. Buyer agrees that, at its sole cost and expense, Buyer shall take all actions necessary to abandon and replace any and all Cesspools located at or on the Property and replace such Cesspools with a System meeting all the requirements of the Standards or an Alternate System. Buyer shall indemnify and hold Seller harmless for any and all costs, damages, claims, fines, penalties and assessments (including but not limited to reasonable attorneys' and experts' fees) arising from Buyer's violation of this paragraph. This paragraph shall survive the Closing.

(B) If prior to the Closing, either Buyer or Seller becomes aware of any Cesspool at or on the Property that was not disclosed by Seller at or prior to execution of this Contract, the party with knowledge of the newly identified Cesspool shall promptly, but in no event later than three (3) business days after receipt of such knowledge, advise the other party of the newly identified Cesspool in writing. In such event, the parties in good faith shall agree, no later than seven (7) business days after sending or receiving the written notice of the newly identified Cesspool, or the day preceding the scheduled Closing, whichever is sooner, to proceed pursuant to subsection (A) 1 or 2 above or such other agreement as satisfies the Standards, or either party may terminate this Contract.

16. INSPECTION CONTINGENCY CLAUSE:

(A) Responsibilities of Home Ownership.

Buyer and Seller acknowledge and agree that, because the purchase of a home is one of the most significant investments a person can make in a lifetime, all aspects of this transaction require considerable analysis and investigation by Buyer before closing title to the Property. While Brokers and salespersons who are involved in this transaction are trained as licensees under the New Jersey Licensing Act they readily acknowledge that they have had no special training or experience with respect to the complexities pertaining to the multitude of structural, topographical and environmental components of this Property. For example, and not by way of limitation, Brokers and salespersons have no special training, knowledge or experience with regard to discovering and/or evaluating physical defects, including

Buyer's Initials:

Seller's Initials:

structural defects, roof, basement, mechanical equipment, such as heating, air conditioning, and electrical systems, sewage, plumbing, exterior drainage, termite, and other types of insect infestation or damage caused by such infestation. Moreover, Brokers and salespersons similarly have no special training, knowledge or experience with regard to evaluation of possible environmental conditions which might affect the Property pertaining to the dwelling, such as the existence of radon gas, formaldehyde gas, airborne asbestos fibers, toxic chemicals, underground storage tanks, lead, mold or other pollutants in the soil, air or water.

(B) Radon Testing, Reports and Mitigation.

(Radon is a radioactive gas which results from the natural breakdown of uranium in soil, rock and water. It has been found in homes all over the United States and is a carcinogen. For more information on radon, go to www.epa.gov/radon/pubs/citguide.html and www.nj.gov/dep/rpp/radon or call the NJ Radon Hot Line at 800-648-0394 or 609-984-5425.)

If the Property has been tested for radon prior to the date of this Contract, Seller agrees to provide to Buyer, at the time of the execution of this Contract, a copy of the result of the radon test(s) and evidence of any subsequent radon mitigation or treatment of the Property. In any event, Buyer shall have the right to conduct a radon inspection/test as provided and subject to the conditions set forth in paragraph (D) below. If any test results furnished or obtained by Buyer indicate a concentration level of 4 picocuries per liter (4.0 pCi/L) or more in the subject dwelling, Buyer shall then have the right to void this Contract by notifying Seller in writing within seven (7) business days of the receipt of any such report. For the purposes of this Section 16, Seller and Buyer agree that, in the event a radon gas concentration level in the subject dwelling is determined to be less than 4 picocuries per liter (4.0 pCi/L) without any remediation, such level of radon gas concentration shall be deemed to be an acceptable level ("Acceptable Level") for the purposes of this Contract. Under those circumstances, Seller shall be under no obligation to remediate, and this contingency clause as it relates to radon shall be deemed fully satisfied.

If Buyer's qualified inspector reports that the radon gas concentration level in the subject dwelling is four picocuries per liter (4.0 pCi/L) or more, Seller shall have a seven (7) business day period after receipt of such report to notify Buyer in writing that Seller agrees to remediate the gas concentration to an Acceptable Level (unless Buyer has voided this Contract as provided in the preceding paragraph). Upon such remediation, the contingency in this Contract which relates to radon shall be deemed fully satisfied. If Seller fails to notify Buyer of Seller's agreement to so remediate, such failure to so notify shall be deemed to be a refusal by Seller to remediate the radon level to an Acceptable Level, and Buyer shall then have the right to void this Contract by notifying Seller in writing within seven (7) calendar days thereafter. If Buyer fails to void this Contract within the seven (7) business day period, Buyer shall have waived Buyer's right to cancel this Contract and this Contract shall remain in full force and effect, and Seller shall be under no obligation to remediate the radon gas concentration. If Seller agrees to remediate the radon to an Acceptable Level, such remediation and associated testing shall be completed by Seller prior to the Closing.

(C) Infestation and/or Damage By Wood Boring Insects.

Buyer shall have the right to have the Property inspected by a licensed exterminating company of Buyer's choice, for the purpose of determining if the Property is free from infestation and damage from termites or other wood destroying insects. If Buyer chooses to make this inspection, Buyer shall pay for the inspection unless Buyer's lender prohibits Buyer from paying, in which case Seller shall pay. The inspection must be completed and written reports must be furnished to Seller and Broker(s) within ____ (if left blank, then 14) calendar days after the attorney-review period is completed or, if this Contract is timely disapproved by an attorney as provided in the Attorney-Review Clause Section of this Contract, then within ____ (if left blank, then 14) calendar days after the parties agree to the terms of this Contract. This report shall state the nature and extent of any infestation and/or damage and the full cost of treatment for any infestation. Seller agrees to treat any infestation and cure any damage at Seller's expense prior to Closing, provided, however, if the cost to cure exceeds 1% of the purchase price of the Property, then either party may void this Contract provided they do so within ____ (if left blank, then 7) business days after the report has been delivered to Seller and Brokers. If Buyer and Seller are unable to agree upon who will pay for the cost to cure and neither party timely voids this Contract, then Buyer will be deemed to have waived its right to terminate this Contract and will bear the cost to cure that is over 1% of the purchase price, with Seller bearing the cost that is under 1% of the purchase price.

(D) Buyer's Right to Inspections.

Buyer acknowledges that the Property is being sold in an "as is" condition and that this Contract is entered into based upon the knowledge of Buyer as to the value of the land and whatever buildings are upon the Property, and not on any representation made by Seller, Brokers or their agents as to character or quality of the Property. Therefore, Buyer, at Buyer's sole cost and expense, is granted the right to have the dwelling and all other aspects of the Property, inspected and evaluated by "qualified inspectors" (as the term is defined in subsection G below) for the purpose of determining the existence of any physical defects or environmental conditions such as outlined above. If Buyer chooses to make inspections referred to in this paragraph, such inspections must be completed, and written reports including a list of repairs Buyer is requesting must be furnished to Seller and Brokers within ____ (if left blank, then 14) calendar days after the attorney-review period is completed or, if this Contract is timely disapproved by an attorney as provided in the Attorney-Review Clause Section of this Contract, then within ____ (if left blank, then 14) calendar days after the parties agree to the terms of this Contract. If Buyer fails to furnish such written reports to Seller and Brokers within the ____ (if left blank, then 14) calendar days specified in this paragraph, this contingency clause shall be deemed waived by Buyer, and the Property shall be deemed acceptable by Buyer. The time period for furnishing the inspection reports is referred to as the "Inspection Time Period." Seller shall have all utilities in service for inspections.

(E) Responsibility to Cure.

If any physical defects or environmental conditions (other than radon or woodboring insects) are reported by the qualified inspectors to Seller within the Inspection Time Period, Seller shall then have seven (7) business days after the receipt of such reports to notify Buyer in writing that Seller shall correct or cure any of the defects set forth in such reports. If Seller fails to notify Buyer of Seller's agreement to so cure and correct, such failure to so notify shall be deemed to be a refusal by Seller to cure or correct such defects. If Seller fails to agree to cure or correct such defects within the seven (7) business day period, or if the environmental condition at the Property (other than radon) is incurable and is of such significance as to unreasonably endanger the health of Buyer, Buyer shall then have the right to void this Contract by notifying Seller in writing within seven (7) business days thereafter. If Buyer fails to void this Contract within the seven (7) business day period, Buyer shall have waived Buyer's right to cancel this Contract and this Contract shall remain in full force, and Seller shall be under no obligation to correct or cure any of the defects set forth in the inspections. If Seller agrees to correct or cure such defects, all such repair work shall be completed by Seller prior to the closing of title. Radon at the Property shall be governed by the provisions of subsection (B), above.

(F) Flood Hazard Area (if applicable).

The federal and state governments have designated certain areas as flood areas. If the Property is located in a flood area, the use of the Property may be limited. If Buyer's inquiry reveals that the Property is in a flood area, Buyer may cancel this Contract within ten (10) calendar days after the attorney-review period is completed or, if this Contract is timely disapproved by an attorney as provided in the Attorney-Review Clause Section of this Contract, then within ten (10) calendar days after the parties agree to the terms of this Contract. If the mortgage lender requires flood insurance, then Buyer shall be responsible for obtaining such insurance on the Property. For a flood policy to be in effect immediately, there must be a loan closing. There is a thirty (30) calendar day wait for flood policies to be in effect for cash transactions. Therefore, cash buyers are advised to make application and make advance payment for a flood policy at least thirty (30) calendar days in advance of closing if they want coverage to be in effect upon transfer of title.

Buyer's mortgage lender may require Buyer to purchase flood insurance in connection with Buyer's purchase of this Property. The National Flood Insurance Program ("NFIP") provides for the availability of flood insurance but also establishes flood insurance policy premiums based on the risk of flooding in the area where properties are located. Due to amendments to federal law governing the NFIP, those premiums are increasing and, in some cases, will rise by a substantial amount over the premiums previously charged for flood insurance for the Property. As a result, Buyer should not rely on the premiums paid for flood insurance on this Property previously as an indication of the premiums that will apply after Buyer completes the purchase. In considering Buyer's purchase of this Property, Buyer is therefore urged to consult with one or more carriers of flood insurance for a better understanding of flood insurance coverage, the premiums that are likely to be required to purchase such insurance and any available information about how those premiums may increase in the future.

(G) Qualifications of Inspectors.

Where the term "qualified inspectors" is used in this Contract, it is intended to refer to persons or businesses that are licensed or certified by the State of New Jersey for such purpose.

17. MEGAN'S LAW STATEMENT:

Under New Jersey law, the county prosecutor determines whether and how to provide notice of the presence of convicted sex offenders in an area. In their professional capacity, real estate licensees are not entitled to notification by the county prosecutor under Megan's Law and are unable to obtain such information for you. Upon closing, the county prosecutor may be contacted for such further information as may be disclosable to you.

18. MEGAN'S LAW REGISTRY:

Buyer is notified that New Jersey law establishes an Internet Registry of Sex Offenders that may be accessed at www.njsp.org. Neither Seller nor any real estate broker nor salesperson make any representation as to the accuracy of the registry.

19. NOTIFICATION REGARDING OFF-SITE CONDITIONS: (Applicable to all resale transactions.)

Pursuant to the New Residential Construction Off-Site Conditions Disclosure Act, N.J.S.A. 46:3C-1, et. seq, the clerks of municipalities in New Jersey maintain lists of off-site conditions which may affect the value of residential properties in the vicinity of the off-site condition. Buyers may examine the lists and are encouraged to independently investigate the area surrounding this property in order to become familiar with any off-site conditions which may affect the value of the property. In cases where a property is located near the border of a municipality, buyers may wish to also examine the list maintained by the neighboring municipality.

20. AIR SAFETY AND ZONING NOTICE:

Any person who sells or transfers a property that is in an airport safety zone as set forth in the New Jersey Air Safety and Zoning Act of 1983, N.J.S.A. 6:1-80, et seq., and appearing on a municipal map used for tax purposes, as well as Seller's agent, shall provide notice to a prospective buyer that the property is located in an airport safety zone prior to the signing of the contract of sale. The Air Safety and Zoning Act also requires that each municipality in an airport safety zone enact an ordinance or ordinances incorporating the standards promulgated under the Act and providing for their enforcement within the delineated areas in the municipality. Buyer acknowledges

411 receipt of the following list of airports and the municipalities that may be affected by them and that Buyer has the responsibility to
 412 contact the municipal clerk of any affected municipality concerning any ordinance that may affect the Property.

448 **21. BULK SALES:**

449 The New Jersey Bulk Sales Law, N.J.S.A. 54:50-38, (the "Law") applies to the sale of certain residential property. Under the Law,
 450 Buyer may be liable for taxes owed by Seller if the Law applies and Buyer does not deliver to the Director of the New Jersey Division
 451 of Taxation (the "Division") a copy of this Contract and a notice on a form required by the Division (the "Tax Form") at least ten
 452 (10) business days prior to the Closing. If Buyer decides to deliver the Tax Form to the Division, Seller shall cooperate with Buyer by
 453 promptly providing Buyer with any information that Buyer needs to complete and deliver the Tax Form in a timely manner. Buyer
 454 promptly shall deliver to Seller a copy of any notice that Buyer receives from the Division in response to the Tax Form.
 455

456 The Law does not apply to the sale of a simple dwelling house, or the sale or lease of a seasonal rental property, if Seller is an
 457 individual, estate or trust. A simple dwelling house is a one or two family residential building, or a cooperative or condominium unit
 458 used as a residential dwelling, none of which has any commercial property. A seasonal rental property is a time share, or a dwelling unit
 459 that is rented for residential purposes for a term of not more than 125 consecutive days, by an owner that has a permanent residence
 460 elsewhere.
 461

462 If, prior to the Closing, the Division notifies Buyer to withhold an amount (the "Tax Amount") from the purchase price proceeds for
 463 possible unpaid tax liabilities of Seller. Buyer's attorney or Buyer's title insurance company (the "Escrow Agent") shall withhold the Tax
 464 Amount from the closing proceeds and place that amount in escrow (the "Tax Escrow"). If the Tax Amount exceeds the amount of
 465 available closing proceeds, Seller shall bring the deficiency to the Closing and the deficiency shall be added to the Tax Escrow. If the
 466 Division directs the Escrow Agent or Buyer to remit funds from the Tax Escrow to the Division or some other entity, the Escrow Agent
 467 or Buyer shall do so. The Escrow Agent or Buyer shall only release the Tax Escrow, or the remaining balance thereof, to Seller (or as
 468 otherwise directed by the Division) upon receipt of written notice from the Division that it can be released, and that no liability will be
 469 asserted under the Law against Buyer.
 470

22. NOTICE TO BUYER CONCERNING INSURANCE:

Buyer should obtain appropriate casualty and liability insurance for the Property. Buyer's mortgage lender will require that such insurance be in place at Closing. Occasionally, there are issues and delays in obtaining insurance. Be advised that a "binder" is only a temporary commitment to provide insurance coverage and is not an insurance policy. Buyer is therefore urged to contact a licensed insurance agent or broker to assist Buyer in satisfying Buyer's insurance requirements.

23. MAINTENANCE AND CONDITION OF PROPERTY:

Seller agrees to maintain the grounds, buildings and improvements, in good condition, subject to ordinary wear and tear. The premises shall be in "broom clean" condition and free of debris as of the Closing. Seller represents that all electrical, plumbing, heating and air conditioning systems (if applicable), together with all fixtures included within the terms of the Contract now work and shall be in proper working order at the Closing. Seller further states, that to the best of Seller's knowledge, there are currently no leaks or seepage in the roof, walls or basement. Seller does not guarantee the continuing condition of the premises as set forth in this Section after the Closing.

24. RISK OF LOSS:

The risk of loss or damage to the Property by fire or otherwise, except ordinary wear and tear, is the responsibility of Seller until the Closing.

25. INITIAL AND FINAL WALK-THROUGHS:

In addition to the inspections set forth elsewhere in this Contract, Seller agrees to permit Buyer or Buyer's duly authorized representative to conduct an initial and a final walk-through inspection of the interior and exterior of the Property at any reasonable time before the Closing. Seller shall have all utilities in service for the inspections.

26. ADJUSTMENTS AT CLOSING:

Seller shall pay for the preparation of the Deed, realty transfer fee, lien discharge fees, if any, and one-half of the title company charges for disbursements and attendance allowed by the Commissioner of Insurance; but all searches, title insurance premium and other conveyancing expenses are to be paid for by Buyer.

Seller and Buyer shall make prorated adjustments at Closing for items which have been paid by Seller or are due from Seller, such as real estate taxes, water and sewer charges that could be claims against the Property, rental and security deposits, association and condominium dues, and fuel in Seller's tank. Adjustments of fuel shall be based upon physical inventory and pricing by Seller's supplier. Such determination shall be conclusive.

If Buyer is assuming Seller's mortgage loan, Buyer shall credit Seller for all monies, such as real estate taxes and insurance premiums paid in advance or on deposit with Seller's mortgage lender. Buyer shall receive a credit for monies, which Seller owes to Seller's Mortgage lender, such as current interest or a deficit in the mortgage escrow account.

If the Property is used or enjoyed by not more than four families and the purchase price exceeds \$1,000,000, then pursuant to N.J.S.A. 46:15-7.2, Buyer will be solely responsible for payment of the fee due for the transfer of the Property, which is the so-called "Mansion Tax", in the amount of one (1%) percent of the purchase price.

Unless an exemption applies, non-resident individuals, estates, or trusts that sell or transfer real property in New Jersey are required to make an estimated gross income tax payment to the State of New Jersey on the gain from a transfer/sale of real property (the so-called "Exit Tax,") as a condition of the recording of the deed.

If Seller is a foreign person (an individual, corporation or entity that is a non-US resident) under the Foreign Investment in Real Property Tax Act of 1980, as amended ("FIRPTA"), then with a few exceptions, a portion of the proceeds of sale may need to be withheld from Seller and paid to the Internal Revenue Service as an advance payment against Seller's tax liability.

Seller agrees that, if applicable, Seller will (a) be solely responsible for payment of any state or federal income tax withholding amount(s) required by law to be paid by Seller (which Buyer may deduct from the purchase price and pay at the Closing); and (b) execute and deliver to Buyer at the Closing any and all forms, affidavits or certifications required under state and federal law to be filed in connection with the amount(s) withheld.

There shall be no adjustment on any Homestead Rebate due or to become due.

27. FAILURE OF BUYER OR SELLER TO CLOSE:

If Seller fails to close title to the Property in accordance with this Contract, Buyer then may commence any legal or equitable action to which Buyer may be entitled. If Buyer fails to close title in accordance with this Contract, Seller then may commence an action for damages it has suffered, and, in such case, the deposit monies paid on account of the purchase price shall be applied against such damages. If Buyer or Seller breach this Contract, the breaching party will nevertheless be liable to Brokers for the commissions in the

31. EQUITABLE LIEN:

Under New Jersey law, brokers who bring the parties together in a real estate transaction are entitled to an equitable lien in the amount of their commission. This lien attaches to the property being sold from when the contract of sale is signed until the closing and then to the funds due to seller at closing, and is not contingent upon the notice provided in this Section. As a result of this lien, the party who disburses the funds at the Closing in this transaction should not release any portion of the commission to any party other than Broker(s) and, if there is a dispute with regard to the commission to be paid, should hold the disputed amount in escrow until the dispute with Broker(s) is resolved and written authorization to release the funds is provided by Broker(s).
