d/b/a DAYS INN BY WYNDHAM	Subchapter V
WHITMORE LAKE, MI,	Hon. Maria Oxholm

Debtor.

FINAL ORDER AUTHORIZING THE DEBTOR'S USE OF CASH COLLATERAL

This case is before the Court on the Debtor's First Day Motion for Use of Cash Collateral, Regarding Adequate Protection and Related Relief (ECF No. 9, the "Motion"). Pursuant to the Court's Order Setting Hearing on Debtor's First Day Motion for Use of Cash Collateral (ECF No. 10), the Court held a hearing on the Motion on June 18, 2026 (the "Hearing"). For the reasons stated on the record during the Hearing, the Court found sufficient cause to enter the Interim Order Authorizing Debtor to Use Cash Collateral in a Specified Amount, and Providing Adequate Protection, and Scheduling a Final Hearing on Debtor's First Day Motion for Use of Cash Collateral (the "Interim Order") [ECF No. 18]. Debtor served a copy of the Interim Order on June 18, 2026 as indicated in the proof of service at ECF No. 38, and no objections were filed to the Interim Order becoming a Final Order, the time to file such objection or response under paragraph 8 of the Interim Order has expired, and Debtor has filed a certification of non-response to that effect.

IT IS ORDERED THAT:

1. **Continued Use of Cash Collateral.** The Debtor is authorized to continue to use cash collateral in accordance with the line items listed on the 13-Week Budget attached to the Motion as Exhibit A, as amended (the "Budget"), in aggregate cash disbursements of no more than $31,000 per budget week (including all operating expenses and the adequate protection payments set forth in the Budget), with allowance for a ten percent (10%) variance per line item, in the ordinary course of business, until further Order of the Court.

2. **Replacement Liens.** The Debtor is authorized to grant the purported secured claimant(s) identified in the Motion a replacement lien on postpetition assets of the same type and to the extent they may have a perfected security interest on the particular type of prepetition asset, to the extent that Debtor will be using those prepetition assets postpetition and to the extent they constitute cash collateral, and at the same priority as existed prepetition. Such replacement lien shall be deemed automatically valid and perfected upon entry of this Order, subject to the limitations in this Final Order and the Interim Order. This protection being afforded to the purported secured claimant(s) is adequate.

3. **Adequate Protection Payments.** The Debtor shall continue to make the monthly adequate protection payments set forth in paragraph 5(a) of the Interim Order, on a monthly basis until further Order of the Court: (a) to The Bancorp Bank, N.A., the sum of $10,000.00 per month; and (b)

to the United States Small Business Administration, the sum of $731.00 per month.

4. **Professional Fee and Trustee Fee Reserves.** The Debtor's Counsel Fees and Subchapter V Trustee Fees line items in the Budget remain reserve line items only. No payment to Debtor's counsel or any other professional may be made from such reserves except after further order of the Court. This Order does not approve compensation to any professional, and these funds remain property of the estate until further order of this Court.

5. **Final Use of Cash Collateral.** Because no objections were timely filed to the Interim Order becoming a Final Order, the Debtor may use its funds, including cash collateral, in the ordinary course of business according to the Budget until further Order of the Court. All other provisions in the Interim Order shall continue in effect absent being modified by entry of this Order.
