SUMMARY

The following summary is qualified in its entirety by the more detailed information appearing elsewhere in this Disclosure Statement and in the Debtors' Consolidated Chapter 11 Plan, filed with the Bankruptcy Court on February 3, 2014 (the "Plan"). All capitalized terms contained in this summary as well as elsewhere in this Disclosure Statement shall, unless otherwise defined herein, have the meaning ascribed to such capitalized terms in Article I, "DEFINITIONS", of the Plan. The words "herein", "hereof" and "hereunder" and other words of similar import used in the Disclosure Statement and in the Plan shall refer to the Plan as a whole and not to any particular article, section, subsection or clause contained herein or in the Plan. Wherever from the context it appears appropriate, each term stated in either the singular or the plural includes the singular and the plural, and pronouns stated in the masculine, feminine or neuter gender shall include the masculine, feminine, and the neuter.

The Debtors have prepared this Disclosure Statement in connection with its solicitation of acceptances or rejections of the Plan, which was filed with the Bankruptcy Court in connection with the Debtors' Chapter 11 cases. The Plan was proposed by the Debtors.

Except as expressly indicated, the portions of this Disclosure Statement describing the Debtors, their businesses, and the Plan have been prepared from information, materials, and reports furnished by the Debtors. No representations concerning the Debtors or the Plan are authorized by the Debtors other than as set forth in this Disclosure Statement. Any representations or inducements made by any other person to secure your vote other than those contained herein should not be relied upon.

Great effort has been taken by the Debtors to be accurate in this Disclosure Statement in all material respects, but the Debtors are not able to warrant or represent that the information contained herein is without inaccuracy. The Debtors believe, however, that the contents of this Disclosure Statement are complete and accurate.

The Bankruptcy Court will set a date for a hearing to consider whether, pursuant to Section 1125 of the Bankruptcy Code, this Disclosure Statement should be approved as containing information of a kind and in sufficient detail to enable a hypothetical, reasonable investor, typical of each of the classes of Creditors being solicited, to make an informed judgment whether to vote or accept or reject the Plan. Such approval by the Bankruptcy Court does not constitute a recommendation of the Plan by the Bankruptcy Court. The Bankruptcy Court will hold a hearing on confirmation of the Plan, at which time the Bankruptcy Court will consider objections to confirmation, if any.

The Confirmation Hearing may be adjourned from time to time without notice other than the announcement of an adjourned date at the hearing. Objections to confirmation of the Plan, if any, must be in writing and served and filed as described below under the caption, "III. CONFIRMATION."

DEBTORS SHALL MAKE PAYMENTS AS CALLED FOR BY THE PLAN THROUGH CONTINUED OPERATIONS OF THE DEBTORS' BUSINESSES. THE PLAN PROPOSES TO PAY ALL ALLOWED CLAIMS IN FULL.

INTRODUCTION

Shotwell Landfill, Inc., Capitol Recycling, LLC, Capitol Waste Transfer, LLC, Debris Removal Partners, LLC, Shotwell Transfer Station II, Inc., and King's Grading, Inc., debtors and debtors-in-possession in this Chapter 11 case ("Debtors"), submit this Disclosure Statement pursuant to Section 1125 of the Bankruptcy Code in connection with the solicitation of acceptances or rejections of the Debtor's Chapter 11 Plan dated February 3, 2014. All six of the debtors-in-possession shall collectively be called the "Debtors" in this Disclosure Statement. The purpose of this Disclosure Statement is to provide adequate information to enable Creditors to make an informed judgment as to whether or not to vote in favor of the Plan.

The Bankruptcy Code requires, as a condition to confirmation of a Chapter 11 plan under Section 1129(a) of the Bankruptcy Code, that each class of claims or interests which is impaired under such plan shall have accepted the plan. Under Section 1126(c) of the Bankruptcy Code, a class of claims has accepted a plan if such plan has been accepted by creditors that hold at least two-thirds (2/3) in dollar amount and more than one-half (1/2) in number of the allowed claims of such held by creditors that have voted to accept or reject such plan. Under Section 1126(d) of the Bankruptcy Code, a class of equity interests has accepted a plan if such plan has been accepted by holders of such interests that hold at least two-thirds (2/3) in amount of the allowed interests of such class held by holders of such interest that have voted to accept or reject such plan.

Section 1129(b) of the Bankruptcy Code permits the confirmation of a plan notwithstanding the nonacceptance of such plan by some of the classes of claims or interests impaired thereunder if (a) at least one impaired class of Claims votes to accept the plan and (b) the Bankruptcy Court finds that, with respect to the nonaccepting class or classes, the plan does not discriminate unfairly and is fair and equitable.

The Debtors are soliciting acceptance or rejection of the Plan by all Creditors whose Claims are impaired under the Plan. (See "III. CONFIRMATION" for a complete description of the requirements for acceptance of the Plan.)

The Bankruptcy Court may schedule a hearing to consider whether this Disclosure Statement contains information of a kind and in sufficient detail to enable a hypothetical, reasonable person, typical of a Creditor of each of the Classes set forth in the Plan to make an informed judgment whether to vote to accept or reject the Plan. Approval of this Disclosure Statement by the Bankruptcy Court does not constitute a ruling as to the fairness or merits of the Plan.

No statement or information concerning the Debtors (particularly as to the liquidation of the Debtors, as to the results of operations or the financial condition of the Debtors, or as to distributions to be made under the Plan) or any of the respective assets or businesses of the Debtors is authorized other than as set forth in this Disclosure Statement, and no other such statement of information should be relied upon in determining how to vote with respect to the Plan.

The Bankruptcy Court, pursuant to Section 1128 of the Bankruptcy Code, will schedule a hearing to consider the confirmation of the Plan and objections to confirmation, if any. The Confirmation Hearing will be set by a separate order and may be adjourned from time to time by the Bankruptcy Court without further notice except for an announcement of the adjourned date made at the Confirmation Hearing. Objections to confirmation of the Plan, if any, must be made in writing and filed and served as described below under the caption “III. CONFIRMATION.”

Debtors anticipate that the Class 8 Claim will be approximately \$23,000.00.

(i) Class 9 Claims – Allowed Unsecured Claim of LSCG Fund 18, LLC. Class 9 is comprised of the Allowed Unsecured Claim of LSCG Fund 18, LLC. However, if an Objection to Claim is filed, the first payment shall be made within ten (10) Business Days following the resolution of that Objection to Claim. Debtors anticipate that the Class 9 Claim will be \$9,500,000.00. Class 9 has filed a proof of claim in the amount of \$13,667,659.67. The claim amount is disputed, and the Debtors anticipate filing an objection to this claim.

(j) Class 10 Claims – Allowed Small Unsecured Claims. Class 10 is comprised of all Allowed Unsecured Claims of less than \$5,000.00. Class 10 shall be paid in full ninety (90) days after the Effective Date. B. Release of the Debtor. The confirmation of the Plan shall constitute waiver and release of the right to pursue litigation and causes of action against the Debtors.

C. Treatment of Leases. The confirmation of the Plan shall act as an acceptance of all scheduled leases and executory contracts, other than those rejected prior to confirmation of the Plan. All unscheduled leases and executory contracts shall be deemed rejected upon confirmation. All parties, including those with executory contracts, shall have thirty (30) days from the Effective Date to file proofs of claim for rejection damages.

III. CONFIRMATION

A. Confirmation Hearing.

Section 1128 of the Bankruptcy Code requires the Bankruptcy Court after notice, to hold a confirmation hearing on the Plan at which time any party in interest may be heard in support of or opposition to confirmation. The Confirmation Hearing will be scheduled by the Bankruptcy Court by court order. The Confirmation Hearing may be adjourned from time to time without further notice except for an announcement made at the Confirmation Hearing. Any objection to confirmation must be made in writing and filed with: Clerk, U.S. Bankruptcy Court, Eastern

District of North Carolina, Raleigh Division, 300 Fayetteville Street, Second Floor, PO Box 791, Raleigh, N.C. 27602 as indicated in the order establishing the date for the confirmation hearing.

B. Confirmation Standards.

In order for a plan of reorganization to be confirmed, the Bankruptcy Code requires among other things, that a plan be proposed in good faith, and that a plan comply with the applicable provisions of Chapter 11 of the Bankruptcy Code. Section 1129 of the Bankruptcy Code also imposes requirements that at least one class of claims accept a plan, that confirmation of the plan is not likely to be followed by the need for further financial reorganization, that a plan be in the best interests of creditors, and that a plan be fair and equitable with respect to each class of claims of interest which is impaired under the plan. The Bankruptcy Court shall confirm a plan only if it finds that all of the requirements enumerated in Section 1129 of the Bankruptcy Code have been met. The Debtors believe that the Plan satisfies all of the requirements for confirmation.

1. Best Interest Test. Before the Plan may be confirmed, the Bankruptcy Court must find (with certain exceptions) that the Plan provides, with respect to each Class, that each holder of a Claim or Equity Interest of such Class either (a) has accepted the Plan or (b) will receive or retain under the Plan on account of such Claim or Equity Interest, property of a value, as of the Effective Date, that is not less than the amount that such person would receive or retain if the Debtors were, on the Effective Date, liquidated under Chapter 7 of the Bankruptcy Code. The Debtors believe that their Plan satisfies this requirement because the Plan proposes to pay all creditors in full. Appraisals of most of the Debtors' assets are attached hereto as **Exhibits "D" and "E."** **Both appraisals indicate that the Debtors' going concern value far exceeds the value of the Debtors' assets.**

2. Financial Feasibility. The Bankruptcy Code requires, as a condition to confirmation, that confirmation of a plan is not likely to be followed by the liquidation (unless the plan calls for liquidation) of the Debtors or the need for further financial reorganization. The Debtors anticipate that their operations will be sufficient to make the payments required under the Plan. The Debtors will present testimony and projections at the hearing to be held on Confirmation of the Plan which the Debtors believe will demonstrate the viability of their Plan. Debtors' projected income and expenses, including plan payments, for 2014 and a portion of 2015 are attached hereto as **Exhibit "G."** **Shotwell Landfill, Inc.'s ability to accept waste is limited by its franchise. Copies of franchise related documents are attached hereto as Exhibit "H."** **The Debtor intends to increase expanding its reuse and recycling capabilities in order to be able to accept more waste. The Debtor expects to invest approximately \$750,000 in a Material Recovery Facility or other equipment to facilitate further recycling and reuse.**

3. Acceptance by Impaired Classes. The Bankruptcy Code requires as a condition of confirmation that each Class of Claims or Equity Interests that is impaired under the Plan accept such Plan, with the exception described in the following section. A Class of Claims has accepted the Plan if the Plan has been accepted by creditors (other than insiders) that hold at least two-

thirds (2/3) in dollar amount and more than one-half (1/2) in number of the Allowed Claims of such Class who actually vote to accept or to reject the Plan.

A Class that is not impaired under a Plan is deemed to have accepted such Plan; solicitation of acceptances with respect to such Class is not required. A Class is impaired unless (i) the legal, equitable and contractual rights to which the Claim or Equity Interest entitles the holder of such Claim or Equity Interest are not modified, or (ii) with respect to Secured Claims, the effect of any default is cured and the original terms of the obligation are reinstated.

4. Confirmation Without Acceptance by All Impaired Classes. The Bankruptcy Code contains provisions that would enable the Bankruptcy Court to confirm the Plan, even though the Plan has not been accepted by all impaired Classes, provided that the Plan has been accepted by at least one impaired Class of Claims.

Section 1129(b)(1) of the Bankruptcy Code states: “Notwithstanding section 510(a) of this title, if all of the applicable requirements of subsection (a) of this section other than paragraph (8) are met with respect to a plan, the court, on request of the proponent of the plan, shall confirm the plan notwithstanding the requirements of such paragraph if the plan does not discriminate unfairly, and is fair and equitable, with respect to each class of claims or interests that is impaired under, and has not accepted, the plan.”

The Debtors believe that the Plan meets the 1129(b) test because the Debtor’s Plan will benefit all classes by providing more than would be received in a Chapter 7 liquidation. As a result, the Plan does not discriminate unfairly and is fair and equitable with respect to each Class of Claims or Equity Interest that is impaired by and does not accept the Plan. The Debtors believe that, if necessary, they will be able to meet the statutory standards set forth in the Bankruptcy Code with respect to the nonconsensual confirmation of the Plan.

C. Consummation.

The Plan will be consummated and distributions made if the Plan is confirmed pursuant to a Final Order of the Bankruptcy Court. It will not be necessary for the Debtors to await any required regulatory approvals from agencies or departments of the United States Government to consummate the Plan. The Plan will be implemented pursuant to its provisions and the provisions of the Bankruptcy Code.

V. ALTERNATIVE TO THE PLAN

A. Liquidation.

If the Plan is not confirmed and consummated, the most likely alternative is dismissal or the liquidation of the Debtors under Chapter 7 of the Bankruptcy Code. Under Chapter 7 of the Bankruptcy Code, a trustee would be elected or appointed to liquidate the assets of the Debtors for distributions to Creditors in accordance with the priorities established by the Bankruptcy Code. The Debtor’s analysis of the probable recovery to Creditors and holders of Equity Interests upon such a liquidation under Chapter 7 has been presented in the foregoing discussion

regarding the “best interests” tests. Alternatively, the Debtors’ Chapter 11 Case could be dismissed.

In the judgment of the Debtors, a Chapter 7 liquidation of its estate would be detrimental to its holders of Unsecured Claims for the reasons stated above.
