Case No. 15-11498 (MFW)

**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND
DISCLAIMERS REGARDING THE DEBTORS' SCHEDULES OF ASSETS AND
LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

On July 12, 2015 (the "**Petition Date**"), Signal International, Inc. ("**SI Inc.**") and its subsidiaries (each a "**Debtor**" and, collectively, the "**Debtors**") filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the "**Bankruptcy Code**").

Pursuant to the requirements of section 521 of the Bankruptcy Code and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the "**Bankruptcy Rules**"), the Debtors, with the assistance of their advisors, have filed their respective Schedules of Assets and Liabilities (collectively, the "**Schedules**") and Statements of Financial Affairs (collectively, the "**Statements**" or "**SOFAs**") with the United States Bankruptcy Court for the District of Delaware (the "**Bankruptcy Court**").

These Global Notes and Statement of Limitations, Methodology, and Disclaimers Regarding the Debtors' Schedules of Assets and Liabilities and Statements of Financial Affairs (the "**Global Notes**") pertain to, are incorporated by reference in, and comprise an integral part of, all of each Debtor's Schedules and Statements. The Global Notes should be referred to, and reviewed in connection with, any review of the Schedules and Statements.

The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States ("**GAAP**"), nor are they intended to be fully reconciled with the financial statements of each Debtor. Additionally, the Schedules and Statements contain unaudited information that is subject to further review and potential adjustment and reflect the Debtors' reasonable best efforts to report the assets and liabilities of each Debtor on an unconsolidated basis. Substantially all of the Debtors' books and records have historically been kept on a consolidated basis rather than by legal entity. For purposes of the Schedules and Statements, the Debtors have attempted, to the extent reasonably practicable under the circumstances, to attribute and describe the assets and liabilities of each Debtor entity. Because of the consolidated nature of the Debtors' bookkeeping, it is possible that not all assets or liabilities have been recorded at the correct legal entity on the Schedules and Statements.

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, are: Signal International, Inc. (4248); Signal Ship Repair, LLC (2642); Signal International, LLC (5074); Signal International Texas GP, LLC (3050); and Signal International Texas, L.P. (5066). The Debtors' principal offices are located at RSA Battle House Tower, 11 North Water Street, Mobile, Alabama 36602.

These Global Notes regarding the Debtors' Schedules and SOFAs comprise an integral part of the Schedules and SOFAs and should be referred to and considered in connection with any review of them.

Christopher S. Cunningham has signed each of the Schedules and Statements. Mr. Cunningham serves as Chief Financial Officer of each Debtor and as such is an authorized signatory for each Debtor. In reviewing and signing the Schedules and Statements, Mr. Cunningham has relied upon the efforts, statements, and representations of various personnel employed by the Debtors and the Debtors' professionals. Mr. Cunningham has not (and could not reasonably have) personally verified the accuracy of each statement and representation contained in the Schedules and Statements, including statements and representations concerning amounts owed to creditors.

In preparing the Schedules and Statements, the Debtors relied upon financial data derived from their books and records that was available at the time of such preparation. Although the Debtors have made reasonable efforts to ensure the accuracy and completeness of such financial information, inadvertent errors or omissions, as well as the discovery of conflicting, revised or subsequent information, may cause a material change to the Schedules and Statements. Accordingly, the Debtors reserve all of their rights to amend, supplement, or otherwise modify the Schedules and Statements as is necessary and appropriate. Notwithstanding the foregoing, the Debtors shall not be required to update the Schedules and Statements.

1. Reservation of Rights. The Debtors' chapter 11 cases are large and complex. Although the Debtors' management made every reasonable effort to ensure the Schedules and SOFAs are as accurate and complete as possible, based on the information available at the time of preparation, subsequent information or discovery may result in material changes to these Schedules and SOFAs, and inadvertent errors or omissions may have occurred. Because the Schedules and SOFAs contain unaudited information, which is subject to further review, verification and potential adjustment, there can be no assurance that these Schedules and SOFAs are complete.

Nothing contained in the Schedules and SOFAs or these Global Notes shall constitute an admission or a waiver of any of the Debtors' rights to assert any claims or defenses. For the avoidance of doubt, listing a claim on Schedule D as "secured," on Schedule E as "priority," on Schedule F as "unsecured nonpriority," or listing a contract or lease on Schedule G as "executory" or "unexpired," does not constitute an admission by the Debtors of the legal rights of any claimant, or a waiver of the Debtors' right to recharacterize or reclassify such claim or contract. Failure to designate a claim on the Schedules as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtors that such amount is not "disputed," "contingent," or "unliquidated." Further, nothing contained in the Schedules and SOFAs shall constitute a waiver of any of the rights of the Debtors or their estates with respect to these chapter 11 cases and specifically with respect to any issues involving equitable subordination and/or causes of

These Global Notes regarding the Debtors' Schedules and SOFAs comprise an integral part of the Schedules and SOFAs and should be referred to and considered in connection with any review of them.

action arising under the provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws to recover assets or avoid transfers.

The Debtors reserve the right to dispute, or to assert setoff or other defenses to, any claim reflected on the Schedules and/or SOFAs. The Debtors also reserve all rights with respect to the values, amounts, and characterizations of the assets and liabilities listed in their Schedules and SOFAs.

2. Reporting Date. The Debtors' fiscal year ends on December 31. All asset and liability information, except where otherwise noted, is provided as of the Petition Date.
3. Currency. All amounts are reflected in U.S. dollars as of the Petition Date, unless otherwise noted below.
4. Estimates and Assumptions. The preparation of the Schedules and SOFAs required the Debtors to make certain estimates and assumptions that affected the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported amounts of revenue and expense. Actual results could differ materially from these estimates.
5. Asset Presentation and Valuation. The Debtors do not have current market valuations for all assets. It would be prohibitively expensive, unduly burdensome, and an inefficient use of estate resources for the Debtors to obtain current market valuations for all assets. Wherever possible, unless otherwise indicated, net book values as of the Petition Date are presented. When necessary, the Debtors have indicated that the value of certain assets is "Unknown" or "Undetermined." Amounts ultimately realized may vary materially from net book value (or whatever value was ascribed). Accordingly, the Debtors reserve all rights to amend, supplement, or adjust the asset values set forth in the Schedules and SOFAs. As applicable, certain fixed assets and leasehold improvement assets that have been fully depreciated or fully amortized, or were expensed for GAAP accounting purposes, have no net book value and, therefore, may not have been included in the Schedules and SOFAs.
6. Liabilities. Some of the scheduled liabilities are unknown, contingent, and/or unliquidated at this time. In some cases, the amounts are listed as "Unknown" or "Undetermined." Accordingly, the Schedules and SOFAs are not a completely accurate reflection of the aggregate amount of the Debtors' total liabilities.
7. Consolidated Accounts Payable and Disbursements System. The Debtors use a centralized cash management system to streamline collection, transfer, and disbursement of funds generated by the Debtors' business operations. The cash

These Global Notes regarding the Debtors' Schedules and SOFAs comprise an integral part of the Schedules and SOFAs and should be referred to and considered in connection with any review of them.

management system is operated and maintained by SI Inc., the holding entity in the Debtors' corporate structure.

In the ordinary course of business, Signal Ship Repair, LLC ("**SSR**") and Signal International, LLC ("**SI LLC**") maintain the accounts receivable and payable that are attributable to their respective operations, though corporate overhead may appear on either's books. All collections of receivables and all payments of payables, regardless of Debtor, are deposited in and disbursed out of the bank accounts held by SI Inc. Accordingly, the Schedules and SOFAs of SI Inc. (Case No. 15-11498), SSR (Case No. 15-11499), and SI LLC (Case No. 15-11500) should be reviewed for a complete view of the Debtors' cash flows.

8. Leases. Any unexpired leases are included on Schedule G. To the extent any amounts were outstanding under any leases as of the Petition Date, such amounts have been included on Schedule F.
9. Recharacterization. The Debtors made all reasonable efforts to correctly characterize, classify, categorize, or designate the claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and SOFAs. Due to the complexity and size of the Debtors' businesses, however, it is possible that certain items have been improperly characterized, classified, categorized, or designated. In addition, certain items reported in the Schedules and SOFAs may be included in more than one category. The designation of a category is not meant to be wholly inclusive or descriptive of the rights or obligations represented by such item.
10. Claim Description. Any failure to designate a claim on the Schedules and SOFAs as "contingent," "unliquidated," or "disputed" does not constitute an admission by the Debtors that such claim is not "contingent," "unliquidated," or "disputed." The Debtors reserve all rights to object or otherwise dispute, or to assert setoff rights, cross-claims, counterclaims, or defenses to, any claim reflected on the Schedules and SOFAs as to amount, liability, priority, secured or unsecured status, classification, or any other grounds or to otherwise subsequently designate any claim as "contingent," "unliquidated," or "disputed" (by amendment to the Schedules or otherwise). Additionally, the dollar amounts of claims listed may be exclusive of contingent and additional unliquidated amounts. Further, the claims of certain creditors for, among other things, merchandise, goods, services, or taxes are listed as the amounts entered on the Debtors' books and records and may not reflect credits or allowances due from such creditors to the applicable Debtor. The Debtors reserve all of their rights with respect to any such credits and allowances.

These Global Notes regarding the Debtors' Schedules and SOFAs comprise an integral part of the Schedules and SOFAs and should be referred to and considered in connection with any review of them.

11. Undetermined or Unknown Amounts. The description of an amount as "Undetermined" or "Unknown" is not intended to reflect upon the materiality of such amount. Additionally, the dollar amounts of claims listed may be exclusive of contingent and additional unliquidated amounts. Further, the claims of individual creditors, for, among other things, goods, services, or taxes are listed as amounts entered on the Debtors' books and records and may not reflect credits or allowances due from such creditors to the Debtors or setoffs applied by such creditors against amounts due by such creditors to the Debtors with respect to any such credits and allowances.

12. Bankruptcy Court Orders. The Bankruptcy Court authorized the Debtors, in their discretion, to pay various outstanding prepetition claims, including, but not limited to, certain claims relating to employee compensation and benefits and certain claims of customers, critical vendors, insurers, and taxing authorities. Where the Schedules list creditors and set forth the Debtors' scheduled amount attributable to such claims, such scheduled amount reflects amounts owed as of the Petition Date. To the extent any adjustments have been made for payments made pursuant to the authority granted to the Debtors by the Bankruptcy Court after the commencement of these chapter 11 cases, the Debtors have included such adjustments in the Schedules and SOFAs unless otherwise noted on the applicable Schedule or these Global Notes. Thus, certain creditors holding prepetition claims that have been satisfied pursuant to Court order are not listed.

Although the Debtors have made reasonable efforts to ensure the accurate and complete listing of prepetition claims, inadvertent errors or omissions in the adjustments relating to payments made pursuant to Court order may cause a material change to the Schedules and Statements. Accordingly, the Debtors reserve all of their rights to amend, supplement, or otherwise modify the Schedules and Statements as necessary and appropriate.

13. Contingent Assets and Causes of Action. Despite the Debtors' reasonable efforts to identify all known assets, the Debtors may not have listed all causes of action or potential causes of action against third parties as assets in the Schedules and SOFAs, including, but not limited to, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions under other relevant non-bankruptcy laws to recover assets. The Debtors reserve all rights with respect to any potential claims, causes of action, or avoidance actions, and neither these Global Notes nor the Schedules and SOFAs shall be deemed a waiver of any such potential claims, causes of actions, or avoidance actions or in any way prejudice or impair the assertion of such claims.

These Global Notes regarding the Debtors' Schedules and SOFAs comprise an integral part of the Schedules and SOFAs and should be referred to and considered in connection with any review of them.

Additionally, prior to the Petition Date, the Debtors, as plaintiff, cross-claimant, and/or third-party plaintiff may have asserted claims against third parties, seeking monetary damages for business-related losses.

14. Guarantees and Other Secondary Liability Claims. The Debtors placed Guaranty obligations on Schedule H for both the primary obligor and the guarantor of the relevant obligation. Guarantees embedded in the Debtors' executory contracts, unexpired leases, secured financings, debt instruments, and other agreements may have been inadvertently omitted. Thus, the Debtors reserve their rights to amend or supplement the Schedules to the extent that additional Guarantees are identified. In addition, the Debtors reserve the right to amend the Schedules and SOFAs to recharacterize or reclassify any such contract or claim.
15. Excluded Assets and Liabilities. The Debtors have excluded certain categories of assets, tax accruals, and liabilities from the Schedules and SOFAs, including, without limitation, certain accrued salaries for hourly workers. The Debtors also have excluded rejection damage claims of counterparties to executory contracts and unexpired leases that may be rejected, to the extent such damage claims exist. In addition, certain immaterial assets and liabilities may have been excluded.
16. Materialman's/Mechanic's Liens. The inventories, property, and equipment listed on the Schedules and SOFAs are presented without consideration of any materialman's or mechanic's liens.
17. Liens. Property and equipment listed on the Schedules and SOFAs are presented without consideration of any liens that may attach (or have attached) to such property and equipment.
18. Intercompany Transactions. In the ordinary course of the Debtors' business, the Debtors have numerous intercompany transactions that offset or eliminate upon consolidation of the Debtors. These intercompany transactions have not been included in the SOFAs or Schedules.
19. Assumptions Used in Responding to Specific Questions in the SOFAs:
 - a. SOFA Question 3b. The Debtors have scheduled known payments to creditors aggregating more than \$6,225 that were made during the 90 days prior to the Petition Date other than ordinary course wages or expense reimbursements to non-insider employees.

The Debtors use a consolidated cash management system and the obligations of the Debtors are paid by and through SI Inc. (Case No. 15-11498), notwithstanding the fact that certain of those obligations may be

obligations of one or more of SI Inc.'s affiliated Debtors. Accordingly, the response to Question 3b of SI Inc. should be reviewed for a complete list of payments to creditors aggregating more than \$6,225 that were made during the 90 days prior to the Petition Date.

Certain payments made to creditors were made via corporate credit card. Those payments to creditors will not be reflected in the Debtors' responses to Question 3b.

- b. SOFA Question 3c. The listing of a party as an "Insider," throughout the Schedules and SOFAs, is not intended to be, nor shall be, construed as a legal characterization or determination of such party as an actual insider and does not act as an admission of any fact, claim, right, or defense, and all such rights, claims, and defenses are hereby expressly reserved.

In the list of payments under Statement 3c, the Debtors define "insiders" to include the following: (a) directors; (b) officers; (c) general partners of the Debtor entities and equity holders holding in excess of 5% of the voting securities the Debtor entities; (d) Debtor/non-Debtor affiliates; and (e) relatives of any of the foregoing (to the extent known by the Debtors). The listing of such individuals under Statement 3c is not intended to be, nor shall be, construed as a legal characterization or determination of such party as an "insider," as that term is defined under section 101(31) of the Bankruptcy Code, and does not act as an admission of any fact, claim, right, or defense, and all such rights, claims, and defenses are hereby expressly reserved.

- c. SOFA Question 4a. The actions described in response to SOFA Question 4a are the responsive proceedings of which the Debtors are aware.
- d. SOFA Question 5. The operating Debtors routinely return damaged, unsatisfactory, or out-of-specification raw materials and other goods to vendors in the ordinary course of business. These returns have not been listed in response to SOFA Question 5.
- e. SOFA Question 8. Worker's compensation and health insurance claims generally were excluded from the Schedules and SOFAs except for being shown in Schedule F because the Debtors are performing their obligations as required by law and in accordance with Bankruptcy Court orders granting authority to the Debtors to satisfy those obligations in the ordinary course.

These Global Notes regarding the Debtors' Schedules and SOFAs comprise an integral part of the Schedules and SOFAs and should be referred to and considered in connection with any review of them.

- f. SOFA Question 13. The operating Debtors engage in certain customer programs, including various cost pass-through, rebate and discount, prepayment, warranty, and indemnity programs pursuant to which customers may receive credits and/or cash payments. Such transactions were not considered setoffs for the purpose of responding to SOFA Question 13, although the Debtors reserve all rights with respect thereto and make no admission of waiver thereby.
- g. SOFA Question 14. The response to SOFA Question 14 does not include equipment leased by the Debtors that is located on the Debtors' premises. These leases are included in Schedule G.

In the ordinary course of business, the Debtors enter into consignment agreements (the "**Consignment Agreements**") with some of their vendors. Under the Consignment Agreements, the Debtors take possession but not title to various materials and supplies (the "**Consigned Assets**"). Title to the Consigned Assets does not transfer to the Debtors, and the Debtors are not obligated to pay for the Consigned Assets until the Consigned Assets are placed in service. Accordingly, the response to SOFA Question 14 does not include any Consigned Assets. Consignment Agreements are included on Schedule G.

The Debtors routinely withhold or retain certain funds from employees for payment to certain governmental authorities. These funds are held on behalf of and remitted to the applicable governmental authority. Since the Debtors do not retain control of these funds, nor are these funds considered property of the estates, such amounts have not been itemized in response to SOFA Question 14.

- h. SOFA Question 19d. Prior to the commencement of these chapter 11 cases, the Debtors considered various restructuring alternatives. These restructuring alternatives included discussions with third parties, including potential lenders and investors, who, subject to confidentiality agreements, may have been granted access to certain information as requested from the Debtors' books and records. The Debtors also may have provided consolidated financial information to banks, customers, suppliers, rating agencies and other various interested parties, both in the ordinary course of business and in consideration of the aforementioned restructuring alternatives. Accordingly, the Debtors are not providing a list of the various parties to whom they may have issued financial statements during the requested period because it would be unduly burdensome for them to produce such a list.

These Global Notes regarding the Debtors' Schedules and SOFAs comprise an integral part of the Schedules and SOFAs and should be referred to and considered in connection with any review of them.

- i. SOFA Question 23. The items listed under SOFA Question 23 incorporate by reference any items listed under SOFA Question 3c, and vice versa.
20. Assumptions Used in Responding to Specific Questions in the Schedules:
- a. Schedule A. Schedule A includes, without limitation, both the real property and buildings or structures located thereon owned by the Debtors.
 - b. Schedule B. While the Debtors have attempted to relate assets to a particular Debtor entity, given the Debtors' consolidated operations, Schedule B for a Debtor in these cases should be reviewed in their totality for a comprehensive understanding of the assets owned by the Debtors' estates. Unless otherwise noted, the amounts shown are based on closing account balances as of the Petition Date.
 - c. Schedule B9. While SI Inc. is the Debtor that holds interests in the insurance policies listed on Schedule B, each of the Debtors is covered by the policies listed on SI Inc.'s Schedule B. Accordingly, the response to Question B9 of SI Inc. should be reviewed for a complete list of the Debtors' insurance policies.
 - d. Schedule B16. Trade accounts receivable is net of customer allowances and discounts. At the conclusion of each fiscal period, the Debtors recalculate the allowance for doubtful accounts. Thus, the allowance for doubtful accounts represents management's estimate as of the Debtors' fiscal period ending on June 30.
 - e. Schedule D. Except as otherwise agreed pursuant to a stipulation, agreed order, or general order entered by the Bankruptcy Court, the Debtors reserve all rights to dispute or challenge validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor's claim. The descriptions provided in Schedule D are intended only as a summary. Reference to the applicable security agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in these Global Notes or the Schedules and SOFAs shall be deemed a modification or interpretation of the terms of such agreements.

These Global Notes regarding the Debtors' Schedules and SOFAs comprise an integral part of the Schedules and SOFAs and should be referred to and considered in connection with any review of them.

To generate the list of creditors holding secured claims by virtue of a UCC filing, the Debtors utilized a UCC lien search that was performed on or about June 24, 2015. Because this lien search was performed approximately 18 days prior to the Petition Date, it is possible that certain claimants perfected their respective interests within the intervening period and, to the extent this occurred, these claimants may not be listed on Schedule D. By listing a party on Schedule D based on a UCC filing, the Debtors are not conceding that such party actually holds a perfected, non-avoidable security interest in the asset that is the subject of such filing, and reserve all rights in connection therewith.

- f. Schedule E. Certain claims listed on Schedule E are claims held by employees of the Debtors for paid vacation leave ("**Vacation Claims**"). Accrued, unused paid vacation leave is paid out only upon separation from the Debtors. The Vacation Claims listed on Schedule E reflect amounts owed as of the Petition Date and have not been adjusted for any vacation leave used since the Petition Date. As such, the Debtors believe that current amounts may differ from those Vacation Claims listed in Schedule E as of the Petition Date. With respect to all other employee wage claims, the Debtors believe that all such claims have been, or will be, satisfied in the ordinary course of business during these chapter 11 cases pursuant to the authority granted in the relevant order(s). The Debtors and their estates reserve all rights to dispute or challenge whether creditors listed on Schedule E are entitled to priority claims. Due to confidentiality concerns and sensitivity to employees' rights of privacy, addresses for employees receiving disbursements have not been included in response to this question.

The Debtors have not listed certain priority employee wage and benefit claims and priority claims owing to various taxing authorities for which the Debtors have been granted authority (but not direction) to pay pursuant to the "first day" order from the Bankruptcy Court.

- g. Schedule F. Schedule F does not include certain deferred charges, deferred liabilities, or general reserves. Such amounts, however, are reflected on the Debtors' books and records as required in accordance with GAAP. Such accruals are general estimates of liabilities and do not represent specific claims as of the Petition Date. The claims listed in Schedule F arose or were incurred on various dates. In certain instances, the date on which a claim arose is an open issue of fact. Although reasonable efforts have been made to identify the date of incurrence of each claim, determination of the date that each claim in Schedule F was

These Global Notes regarding the Debtors' Schedules and SOFAs comprise an integral part of the Schedules and SOFAs and should be referred to and considered in connection with any review of them.

incurred or arose would be unduly burdensome; therefore, the Debtors do not list a date for each claim listed on Schedule F. Similarly, the Debtors have not determined whether any claims indicated on Schedule F are subject to setoff and reserve all rights to assert setoff defenses as applicable.

The Debtors participate in a centralized cash management system through which all payments are made by one Debtor on behalf of other Debtors or through which all customer collections are made to one Debtor. Certain claims listed on Schedule F may include amounts entitled to administrative priority pursuant to section 503(b)(9) of the Bankruptcy Code.

- h. Schedule G. The Debtors' business is large and complex. Although the Debtors' existing records and information systems have been relied upon to identify and schedule executory contracts and unexpired leases and every effort has been made to ensure the accuracy of Schedule G, inadvertent errors or omissions may have occurred. The Debtors reserve all rights to dispute the validity, status, or enforceability of any contracts, agreements or leases set forth in Schedule G and to amend or supplement Schedule G as necessary. The contracts, agreements, and leases listed therein may have expired or been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, memoranda, and other documents, instruments, and agreements which may not be listed therein.

The presence of a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease. The Debtors reserve all rights, claims and, causes of action with respect to the contracts and agreements listed on Schedule G, including the rights to dispute or challenge the characterization or the structure of any transaction document or instrument. Certain executory agreements may not have been memorialized in writing and could be subject to dispute. Executory agreements that are oral in nature have not been included in Schedule G.

The Debtors' rejection of executory contracts and unexpired leases may result in the assertion of rejection damage claims; the Schedules and SOFAs do not reflect any claims for rejection damages. The Debtors reserve the right to make any arguments and objections with respect to the assertion of any such claims.

These Global Notes regarding the Debtors' Schedules and SOFAs comprise an integral part of the Schedules and SOFAs and should be referred to and considered in connection with any review of them.

The Debtors scheduled only claims and executory contracts for which the Debtors may be contractually and/or directly liable. No claims have been scheduled for which the Debtors may have benefited indirectly from a contractual relationship to which a Debtor was not a named party. No claims have been scheduled where payments to third parties were made on the Debtors' behalf for administrative convenience or as a result of the Debtors' cash management system. Though exhaustive efforts were made to locate all executory contracts, the Debtors do not attest that this list is comprehensive, nor that each contract contained is executory in nature.

- i. Schedule H. In the ordinary course of business, the Debtors may be involved in pending or threatened litigation or other claims. These matters may involve multiple plaintiffs and defendants, some or all of whom may assert cross-claims and counter-claims against other parties. Because all such claims are "contingent," "unliquidated," or "disputed," such claims have not been set forth individually on Schedule H.

Codefendants in any litigation matters involving the Debtors are not listed in Schedule H. In addition, the Debtors may not have identified all Guarantees embedded in the Debtors' executory contracts, unexpired leases, secured financings, debt instruments, or other such agreements. The Debtors reserve all rights to amend or supplement the Schedules to the extent that additional Guarantees are identified or such Guarantees are discovered to have expired or be unenforceable.

21. Amendment. The Debtors have made reasonable efforts to prepare and file complete and accurate Schedules and SOFAs. Despite these efforts, inadvertent errors or omissions may exist. The Debtors reserve the right to amend and/or supplement the Schedules and SOFAs as may be necessary or appropriate.
22. Limitation of Liability. The Debtors and their officers, employees, agents, attorneys, and financial advisors do not guarantee or warrant the accuracy, completeness, or currentness of the data that is provided herein and shall not be liable for any loss or injury arising out of or caused, in whole or in part, by the acts, errors or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein. The Debtors and their officers, employees, agents, attorneys, and financial advisors expressly do not undertake any obligation to update, modify, revise, or re-categorize the information provided herein or to notify any third party should the information be updated, modified, revised, or re-categorized. In no event shall the Debtors or their officers, employees, agents, attorneys, and financial advisors be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited

to, damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost business, or lost profits), whether foreseeable or not and however caused.

SCHEDULE A - REAL PROPERTY

Except as directed below, list all real property in which the debtor has any legal, equitable, or future interest, including all property owned as a co-tenant, community property, or in which the debtor has a life estate. Include any property in which the debtor holds rights and powers exercisable for the debtor's own benefit. SCHEDULE D - CREDITORS HOLDING SECURED CLAIMS

State the name, mailing address, including zip code, and last four digits of any account number of all entities holding claims secured by property of the debtor as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. List creditors holding all types of secured interests such as judgment liens, garnishments, statutory liens, mortgages, deeds of trust, and other security interests.

List creditors in alphabetical order to the extent practicable. If a minor child is the creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. § 112 and Fed. R. Bankr. P. 1007(m). If all secured creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H – Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "HWJC."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Total the columns labeled "Amount of Claim Without Deducting Collateral" and "Unsecured Portion, if Any" in the boxes labeled "Total(s)" on the last sheet of the completed schedule. Report the total from the column labeled "Amount of Claim Without Deducting Value of Collateral" also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report the total from the column labeled "Unsecured Portion, if Any" on the Statistical Summary of Certain Liabilities and Related Data.

SCHEDULE F - CREDITORS HOLDING UNSECURED NONPRIORITY CLAIMS

State the name, mailing address, including zip code, and last four digits of any account number, of all entities holding unsecured claims without priority against the debtor or the property of the debtor, as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See 11 U.S.C. § 112 and Fed. R. Bankr. P. 1007(m). Do not include claims listed in Schedules D and E. If all creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H - Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "HWJC."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of all claims listed on this schedule in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report this total also on the Statistical Summary of Certain Liabilities and Related Data.

Check this box if debtor has no creditors holding unsecured nonpriority claims to report on this Schedule F.
