#### HEREBY FOUND AND DETERMINED THAT:

A. <u>Findings and Conclusions Contained</u>. The findings and conclusions set forth herein constitute the Court's findings of fact and conclusions of law. To the extent any of the following findings of fact constitute conclusions of law, they are adopted as such. To the extent any of the following conclusions of law constitute findings of fact, they are adopted as such.

B. <u>Jurisdiction and Venue</u>. This Court has jurisdiction over the Sale Motion and transactions related to the APA, pursuant to 28 U.S.C. §§ 157 and 1334, and this matter is a core proceeding pursuant to 28 U.S.C. § 157(b)(2)(A), (M) and (O). Venue in this district is proper under 28 U.S.C. §§ 1408 and 1409.

C. <u>Statutory Predicates</u>. The statutory predicates for the relief requested in the Sale Motion are Bankruptcy Code §§ 105, 363, 365, and 541, and Bankruptcy Rules 2002, 6004, 6006, 9006, 9007, 9008, and 9014.

D. <u>Notice</u>. Proper, timely, adequate, and sufficient notice has been provided in accordance with Bankruptcy Code §§ 102(1), 363(b) and 365, Bankruptcy Rules 2002, 6004, 9006, and 9007, and the Local Bankruptcy Rules for this District, and in compliance with the Procedures Order. Such notice was good and sufficient and appropriate under the particular circumstances. No other or further notice is necessary or shall be required. A reasonable opportunity to object or be heard regarding the requested relief has been afforded to all interested persons and entities.

E. <u>Property of Estate</u>. The Acquired Assets (as defined in the APA), including the executory contracts and unexpired leases to be assumed and assigned, if any (collectively, the "Assumed Contracts"), constitute property of Debtor's estate and title thereto is vested in Debtor's estate within the meaning of Bankruptcy Code §541(a).

F. <u>Sale is Appropriate</u>. Debtor has demonstrated a sufficient basis and compelling circumstances supporting its entry into the APA substantially in the form filed with the Court, and to sell the Acquired Assets under Bankruptcy Code §§ 363 and 365, and entering into the APA and the transactions contemplated by the APA is an appropriate exercise of Debtor's business judgment and in the best interests of Debtor, its estate and its creditors. Such business

#### 17-35871-cgm Doc 70 Filed 08/08/17 Entered 08/08/17 14:26:30 Main Document Pg 4 of 23

reasons include, but are not limited to, the facts that: (i) the Debtor's business (the "**Business**") continues to lose money; (ii) there is a substantial risk that the value of the Business and the Acquired Assets will deteriorate if the sale is not consummated promptly; and (iii) the APA with the Purchaser constitutes the highest and best offer for the Acquired Assets.

G. <u>Business Justification</u>. Prior to the Petition Date, Debtor marketed the Acquired Assets as set forth in the Supporting Declaration. Based upon the record of these proceedings, a sale of the Acquired Assets to Purchaser (the "**Sale**") is warranted under the circumstances. All creditors and other parties in interest were afforded a reasonable and fair opportunity to be heard.

H. <u>Highest or Otherwise Best Offer</u>. The total consideration provided by Purchaser for the Acquired Assets is the highest and best offer received at the Auction by the Debtor, and the Purchase Price constitutes reasonably equivalent value under the Bankruptcy Code.

I. <u>Arm's Length Transaction and No Collusion</u>. The APA and the transactions contemplated by the APA have been negotiated by Debtor and Purchaser in good faith, at arm's length and without collusion. The terms and conditions of the APA and the transactions contemplated by the APA are fair and reasonable, and the transactions are in the best interest of Debtor, its creditors and its estate.

J. <u>Good Faith</u>. Purchaser is a "good faith purchaser" entitled to the full benefits and protections of Bankruptcy Code §363(m) with respect to the Sale and assignment of the Acquired Assets and the transactions contemplated by the APA. Purchaser will be acting in good faith pursuant to Bankruptcy Code § 363(m) in consummating the APA and the transactions contemplated by the APA, at any time on or after entry of this Sale Order, and cause has been shown as to why this Sale Order should not be subject to the stay provided by

#### 17-35871-cgm Doc 70 Filed 08/08/17 Entered 08/08/17 14:26:30 Main Document Pg 5 of 23

Bankruptcy Rules 6004(h) and 6006(d). Purchaser is not an "insider" as that term is defined in Bankruptcy Code § 101(31).

K. <u>Proper Purposes</u>. The APA and the transactions contemplated thereby, were not entered into, and neither Debtor nor Purchaser has entered into the APA, or propose to consummate the transactions contemplated by the APA, for the purpose of hindering, delaying or defrauding creditors of Debtor under the Bankruptcy Code or under the laws of the United States, any state, territory, possession thereof, or the District of Columbia. Neither Debtor nor Purchaser has entered into the APA, or is consummating the transactions contemplated thereby, with any fraudulent or improper purpose.

L. <u>No Collusion</u>. Neither the Debtor nor the Purchaser has engaged in any conduct that would cause or permit the APA to be avoided under Bankruptcy Code §363(n). Specifically, Purchaser has not acted in a collusive manner with any person and the Purchase Price (as defined in the APA) was not controlled by any agreement with unrelated third parties.

M. <u>Corporate Power</u>. The Debtor and the Purchaser have full corporate power and authority to execute and deliver the APA and the transactions related to the APA, and to perform all of their respective obligations thereunder, and the Sale and assignment of the Acquired Assets has been duly and validly authorized by all corporate authority necessary to consummate the transactions.

N. <u>Free and Clear</u>. The Sale and assignment of the Acquired Assets to Purchaser will be, as of the Closing (as defined in the APA), a legal, valid and effective transfer of such assets, and each such transfer and assignment vests or will vest Purchaser with all right, title and interest of Debtor to and in the Acquired Assets free and clear, to the fullest extent available under the Bankruptcy Code or any other applicable law of all liens (statutory, contractual, or

#### 17-35871-cgm Doc 70 Filed 08/08/17 Entered 08/08/17 14:26:30 Main Document Pg 6 of 23

otherwise), claims (including those that constitute a "claim" as defined in Bankruptcy Code \$101(5)), interests, rights, liabilities, encumbrances or other interests of any kind or nature whatsoever, security interests or other restrictions on transfer, debts arising under or out of, in connection with, or in any way relating to, any acts or omissions, obligations, demands, guaranties, rights, contractual commitments, restrictions, product liability claims, environmental liabilities, employment-related claims, employee pension or benefit plan claims, multiemployer benefit plan claims, retiree healthcare or life insurance claims of or against Debtor, and any transferee or successor liability claims, rights or causes of action (whether in law or in equity, under any law, statue rule, or regulation of the United States, or any state, territory, or possession thereof or the District of Columbia), whether arising prior to or subsequent to the commencement of this case, whether known or unknown, and whether imposed by agreement, understanding, law, equity or otherwise (all of the foregoing are hereinafter referred to as "Claims"). As of the Closing Date (as defined in the APA), the transfer of the Acquired Assets to the Purchaser will be a legal, valid, and effective transfer of the Acquired Assets, and will vest Purchaser with all right, title, and interest of Debtor in and to the Acquired Assets, free and clear of all Claims, with any such Claims to attach to the proceeds of the Sale, in order of their priority and with the same validity, force, and effect that they now have against the Acquired Assets, subject to any rights, claims and defenses of Debtor or its estate, as applicable, may possess with respect thereto.

O. <u>Sale Free and Clear in Best Interests of Debtor</u>. The Purchaser would not enter into the APA to acquire the Acquired Assets if the Sale of the Acquired Assets were not free and clear of all Claims. A sale of the Acquired Assets other than one free and clear of all Claims would adversely impact Debtor's estate, and would yield substantially less value for Debtor's

#### 17-35871-cgm Doc 70 Filed 08/08/17 Entered 08/08/17 14:26:30 Main Document Pg 7 of 23

estate. Therefore, the Sale contemplated by the APA is in the best interests of Debtor, its estate and creditors, and all other parties in interest.

P. <u>Standards of Section 363(f) of the Bankruptcy Code Satisfied</u>. The Debtor is selling and assigning the Acquired Assets free and clear of all Claims because, with respect to each creditor asserting a Claim, one or more of the standards set forth in Bankruptcy Code §§ 363(f)(1) through (5) has been satisfied. Those holders of Claims who did not object, or who withdrew their objections to the Sale Motion, or to the Cure Notice, are deemed to have consented to the Sale Motion and Sale and assignment of the Acquired Assets to Purchaser pursuant to Bankruptcy Code § 363(f)(2). Those holders of Claims who did object fall within one or more of the other subsections of Bankruptcy Code § 363(f) and are adequately protected by having their Claims, if any, attach to the proceeds of the Sale, in the same order of priority, with the same validity, force and effect that such holder had prior to the Sale of the Acquired Assets, and subject to any claims and defenses Debtor and its estate may possess with respect thereto.

Q. <u>No Successor Liability</u>. The Sale and the transactions contemplated under the APA do not amount to a consolidation, merger, or *de facto* merger of the Purchaser and the Debtor and/or the Debtor's estate, there is no substantial continuity between the Purchaser and the Debtor, there is no common identity between the Debtor and the Purchaser, there is no continuity of enterprise between the Debtor and the Purchaser, the Purchaser is not a mere continuation of the Debtor or its estate, and the Purchaser does not constitute a successor to the Debtor or its estate. The Purchaser and the Acquired Assets shall have no liability with respect to or be required to satisfy in any matter, whether at law or in equity, whether by payment setoff or otherwise, directly or indirectly any Claims.

#### 17-35871-cgm Doc 70 Filed 08/08/17 Entered 08/08/17 14:26:30 Main Document Pg 8 of 23

R. <u>Assumed Contracts</u>. Purchaser is not taking an assignment of any contracts, other than the Assumed Contracts as set forth in Schedule A annexed to the APA. The Assumed Contracts are executory contracts or unexpired leases within the meaning of Bankruptcy Code § 365(a). The Debtor has established a prompt cure of any and all defaults under the Assumed Contracts, as required by Bankruptcy Code § 365(b).

S. <u>Limited Liability of Purchaser</u>. Except as specifically provided in the APA, and consistent with Bankruptcy Code §363(f), Purchaser shall have no liability for any Claims arising out of or related to the APA or transfer of the Acquired Assets, or arising from Claims against Debtor or its estate or any liabilities or obligations of Debtor and/or its estate, under the laws of the United States, any state, territory, or possession thereof, based, in whole or in part, directly or indirectly, in any theory of law or equity including, without limitation, any laws affecting antitrust, successor, transferee or vicarious liability, except as specifically provided in the APA. Except as specifically provided in the APA, all persons and entities asserting or holding any Claims in or with respect to the Acquired Assets (whether legal or equitable, secured or unsecured, matured or unmatured, contingent or non-contingent, senior or subordinated), however, arising, shall be forever barred, estopped and permanently enjoined from asserting, prosecuting or otherwise pursuing such Claims against the Purchaser.

T. <u>Environmental Laws</u>. Nothing contained in this Sale Order or in the APA shall in any way (1) diminish the obligation of any entity to comply with environmental laws; or (2) diminish the obligations of the Debtor to comply with environmental laws consistent with its rights and obligations as a debtor in possession under the Bankruptcy Code. Notwithstanding anything to the contrary contained herein, nothing in this Sale Order shall be interpreted to deem the Purchaser as the successor to the Debtor under any state law or federal law, successor

liability doctrine with respect to any liabilities under environmental laws or regulations for penalties for days of violation prior to the Closing Date or liable for liability or obligation of the Debtor. Nothing in this Paragraph shall be construed to create for any governmental unit any substantive right that does not already exist under law.

U. [Adequate Assurances. Purchaser has provided good and sufficient evidence constituting adequate assurance of future performance of its obligations under the Assumed Contracts within the meaning of Bankruptcy Code §§ 365(b)(1)(c) and 365(f)(2)(B).]

V. [Assignability of Assumed Contracts. Any provisions of the Assumed Contracts which purport to prohibit, condition or restrict Debtor's assignment of the Assumed Contracts are unenforceable pursuant to Bankruptcy Code § 365(f)(1).]

W. <u>Specific Performance</u>. The APA and the transactions related to the APA, shall be specifically performable and enforceable against and binding upon, and not subject to rejection or avoidance by, the Debtor, its respective successors and permitted assigns, including, without limitation, any chapter 11 trustee hereinafter appointed for the Debtor's estate or any trustee appointed in a chapter 7 case if the Debtor's case is converted from chapter 11, all creditors of the Debtor (whether known or unknown), filing agents, filing officers, title agents, recording agencies, secretaries of state, and all other persons and entities who may be required by operation of law, the duties of their office or contract, to accept, file, register, or otherwise record or release any documents or instruments or who may be required to report or insure any title in or to the Acquired Assets.

X. <u>Due Authorization</u>. The consummation of the Sale under the APA and the transactions related to the Sale are legal, valid and properly authorized under all applicable provisions of the Bankruptcy Code, including without limitation Bankruptcy Code §§ 105(a),

#### 17-35871-cgm Doc 70 Filed 08/08/17 Entered 08/08/17 14:26:30 Main Document Pg 10 of 23

363(b), 363(f), 363(m), 365(b)(1) and 365(f)(2) and all of the applicable requirements of such sections have been or will be complied with in respect of the Sale and the transactions related to the Sale.

Y. <u>No Impermissible Restructuring or Dictation of Terms of Liquidating Plan</u>. The sale and assignment of the Acquired Assets outside of a plan of reorganization pursuant to the APA neither impermissibly restructures the rights of the Debtor's creditors nor impermissibly dictates the terms of a liquidating plan for the Debtor.

Z. <u>Time of the Essence</u>. In order to preserve the value of the Acquired Assets, reduce claims against the Debtor's estate, and minimize losses to the Debtor's estate, time is of the essence with respect to the entry of this Sale Order approving the Sale. Accordingly, there is cause to waive the stays contemplated by Bankruptcy Rules 6004(h) and 6006(d).

AA. <u>Best Interests</u>. The Sale and the transactions contemplated by the APA are in the best interests of Debtor and its estate, creditors, interest holders, and all other parties in interest.

#### NOW, THEREFORE, IT IS ORDERED, ADJUDGED AND DECREED THAT:

1. <u>Sale Motion Granted</u>. The relief requested in the Sale Motion is granted in its entirety, subject to the terms and conditions contained herein.

2. <u>Findings of Fact and Conclusions of Law</u>. The findings of fact set forth above and conclusions of law stated herein shall constitute this Court's findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052, made applicable to this proceeding pursuant to Bankruptcy Rule 9014. To the extent any finding of fact later shall be determined to be a conclusion of law, it shall be so deemed and deemed so ordered, and to the extent any conclusion of law shall be determined to be a finding of fact, it shall be so deemed and deemed so ordered.

reversal, modification or vacatur shall be governed in all respects by the provisions of this Sale Order or the APA, as the case may be.

B. The Debtor is hereby authorized and directed to assign the Assumed Contracts to the Purchaser pursuant to Bankruptcy Code § 365(f)(1).

C. Pursuant to Bankruptcy Code § 365(f)(3), each party to an Assumed Contract is hereby prohibited and enjoined from terminating or modifying such Assumed Contract because of the assignment of such Assumed Contract pursuant to this Sale Order.

D. The Assumed Contracts shall be transferred to, and shall remain in full force and effect for the benefit of, the Purchaser in accordance with their respective terms, notwithstanding any provision in any such Assumed Contract (including any of the type described in Bankruptcy Code § 365(f)) that prohibits, restricts, or conditions such assignment or transfer. #### 17-35871-cgm Doc 70 Filed 08/08/17 Entered 08/08/17 14:26:30 Main Document Pg 13 of 23

E. Consistent with the requirements of Bankruptcy Code §§ 365(b) and 365(f), upon the Closing and payment and satisfaction of the Cure Costs with respect to the Assumed Contracts in accordance with the terms and conditions of the APA:

- i. all defaults of Debtor under such Assumed Contract existing as of the Closing Date (without giving effect to any acceleration clauses or any default provisions of the kind specified in Bankruptcy Code § 365(b)(2)) shall be deemed in all respects cured, and the Purchaser shall have no further liability or obligation in respect of any such defaults (including, without limitation, any liability to compensate any counterparty for any actual pecuniary loss to such counterparty resulting from such defaults), except as may otherwise be expressly agreed between the Purchaser and the applicable counterparty;
