("**SSC Canada**") were present and available to answer any questions that arose.

Introduction

After inquiring to see if any parties had attended to deposit proxy/ballots, the Chair called the meeting to order at 2:15 pm and briefly outlined the business to be conducted at the meeting to

the participants (a copy of the meeting attendance log is attached hereto as Appendix "A" and a copy of the Chairman's Meeting Agenda is attached as Appendix "B"), including outlining the various classes of creditors. The Chair informed the participants that Epiq Bankruptcy Solutions, LLC, the Company's claims agent, had provided him with proof of service of the Notice of Meeting of the Affected Creditors of Smurfit-Stone Container Canada Inc. and the Other Applicants and Partnerships (Canadian Debtors), the Company's Disclosure Statement and the various other materials provided for in the Plan Filing and Meeting Order of the Honourable Justice Pepall dated February 10, 2010 (a copy of the relevant portions of the affidavit of service is attached hereto as Appendix "C"). The Chair confirmed that the scrutineers had advised that a quorum (being one voting creditor in each class present in person or by proxy) was present and the meeting was duly constituted for business (a copy of the scrutineers' report on attendance is attached hereto as Appendix "D").

Overview of the Plan and Monitor's Comments

The Chair indicated that a description and analysis of the Joint Plan of Reorganization for Smurfit-Stone Container Corporation and its Debtor Subsidiaries and Plan of Compromise and Arrangement for Smurfit-Stone Container Canada Inc. and Affiliated Canadian Debtors (the "**Plan**") and the Monitor's recommendations in respect of the Plan were set out in the Thirteenth Report of the Monitor dated March 19, 2010 (the "**Thirteenth Report**"), which was served on the service list and posted on the Monitor's website. The Chair then offered an overview of the review and analysis contained in the Monitor's Thirteenth Report, including the Monitor's recommendation that each class of creditors vote to accept the Plan. The Chair also noted that the Plan was a consolidated cross-border Plan and that, as such, it was subject to approval in the U.S. Chapter 11 cases of SSCC and its affiliates (the "**Chapter 11 Cases**"). In addition, the Chair noted that: (i) the settlement of placeholder claims of certain taxing authorities filed against SSC Canada had not yet been finalized; and (ii) Aurelius Capital Management, LP and Columbus Hill Capital Management, L.P. (the "**Noteholders**") were pursuing a claim (the "**Stone FinCo II Claim**") by Stone Container Finance Company of Canada II ("**Finance II**") against SSC Canada in the Chapter 11 Cases and still had appeal rights available to them in Canada.

Following this overview, the Chair called for questions in respect of the Plan. Mr. Andrew Hatnay of Koskie Minsky LLP, counsel to certain retirees, inquired whether the Noteholders had sought leave to the Supreme Court of Canada to appeal the Ontario Court of Appeal's dismissal of the Noteholders' various notices of motion for leave to appeal the Orders of the Honourable Justice Pepall in respect of the Stone FinCo II Claim. The Chair indicated that he understood the Noteholders would be seeking leave but had not yet filed their leave motion. Mr. Neil Rabinovitch, counsel to the Noteholders, confirmed that the Noteholders would be seeking leave shortly.

Votes on the Plan

After providing an overview of the voting procedures, the Chair indicated the vote for each of the eight classes of creditors would proceed. The Chair also indicated that tabulation of the vote for each class would begin after all of the votes were completed.

The Chair inquired whether any Affected Secured Creditors were voting in person. As no Affected Secured Creditors had attended to vote in person, the Chair indicated he was inclined to table the resolutions for each class of Affected Secured Creditors (being the Affected Secured Creditors of each of SSC Canada, Smurfit-MBI, MBI Limited, Francobec Company and

3083527 Nova Scotia Company) simultaneously. Accordingly, the resolution for each class of Affected Secured Creditors was read by the Chair (attached as Appendix "E" is a list of the resolutions for each class).

The Chair asked for a motion to consider the resolutions for each class of Affected Secured Creditors. The motion was brought forward by Ms. Catherine Hristow, the Monitor proxyholder for the Bank of Nova Scotia, and was seconded by Mr. Philippe Jordan, the Monitor proxyholder for Wachovia Bank. The Chair called for a show of hands but no votes were cast in person.

The meeting then proceeded to the vote for the Affected Unsecured Creditors of SSC Canada. The Chair read the resolution for the Affected Unsecured Creditors of SSC Canada and asked for a motion to consider the resolution. Mr. Hatnay, proxyholder for certain retirees, brought the Motion and it was seconded by Ms. Hristow, Monitor proxyholder for Argo Partners. The Chair called for a show of hands on the resolution for those creditors voting in person. Mr. Hatnay, proxyholder for certain retirees, voted to accept the resolution. No other creditors voted in person.

The Chair next read the resolution for the Affected Unsecured Creditors of Smurfit-MBI (including the Affected Unsecured Creditors of MBI Limited in its capacity as general partner of Smurfit-MBI) and asked for a motion to consider the resolution. Ms. Hristow, Monitor proxyholder for Gerrity Corrugated Paper Products, brought the Motion and it was seconded by Mr. Jordan, the Monitor proxyholder for Ms. Vanessa Higgott. The Chair called for a show of hands but no votes were cast in person.

The Chair then read the resolution for the Affected Unsecured Creditors of Finance II. Ms. Hristow, Monitor proxyholder for the beneficial holder of 7.375% notes issued by Finance II due 2014 (the "**Notes**") held through Goldman Sachs & Co (account number AA2), brought the Motion and it was seconded by Mr. Jordan, the Monitor proxyholder for the beneficial holder of Notes held through State Street Bank and Trust Co. (account number IBEO). The Chair called for a show of hands but no votes were cast in person.

The Meeting was then adjourned at 2:37 pm to allow for the scrutineers to tabulate the votes cast in each class.

The Chair stated that a 9:30 appointment was scheduled before the Honourable Mme. Justice Pepall on April 19, 2010, to schedule a date for the sanction hearing and called for any final questions.

Mr. Hatnay, on behalf of certain retirees, inquired about the timing of the Chapter 11 Cases. Mr. Andy O'Neill, U.S. counsel to the Company, indicated the ballots were still being counted and provided a brief overview of the confirmation hearing process indicating that the hearing was scheduled to start on April 15, 2010, and that it was expected to last at least several days and that his firm was coordinating with Judge Shannon's office regarding scheduling.
