2. Payment of Purchase Price. The Purchase Price shall be paid to Seller by Buyer as follows:

a. Deposit. Upon execution of this Agreement, Buyer shall deposit with Escrow Agent by a bank wire transfer of immediately available federal funds to an account designated by Escrow Agent on Exhibit E hereto the sum of Eight Hundred Fifty Thousand and No/100 Dollars (\$850,000.00) (together with any and all interest thereon, the "**Deposit**"), which Deposit shall be held by Escrow Agent in accordance with the terms of Section 45.

b. Closing Payment. On the Initial Closing Date (as defined below) the Purchase Price for the applicable Leased Premises as adjusted by the application of the applicable portion of the Deposit allocated to the applicable Leased Premises as shown on Exhibit A (the "**Initial Closing Payment**"), shall be paid by Buyer by wire transfer of immediately available federal funds to the account designated Escrow Agent on Exhibit E hereto and Escrow Agent, upon receiving verbal and written confirmation (email shall be acceptable) from Buyer that Escrow Agent has permission to disburse funds, shall disburse by wire transfer such amount to an account designated by Seller on Exhibit E hereto. 3. Allocation. If, at least three (3) Business Days prior to Closing, either Seller or Buyer requests a further allocation of the Purchase Price (and all other relevant items) among the Acquired Assets, the Parties mutually agree to determine in good faith an appropriate allocation to be reflected in writing no later than the Closing (the "**Allocation Schedule**"). The Allocation Schedule shall be conclusive and binding on the Parties, and Seller and Buyer agree to (and agree

to cause their respective subsidiaries and Affiliates to) prepare, execute, and file all Tax Returns on a basis consistent with the Allocation Schedule (including any update thereto). None of the Parties will take any position inconsistent with the Allocation Schedule (including any update thereto) on any Tax Return or in any audit or Tax proceeding, unless otherwise required by a final determination by a Governmental Authority. The Allocation Schedule may be updated from time to time by mutual agreement of the Parties and as necessary to reflect any adjustment to the Purchase Price for applicable Tax purposes or as required by applicable Law.

4. Acquired Inventory and Pharmacy Records

a. At a mutually agreed upon time, but no later than the evening of the date preceding the Closing Date, Seller shall cause the applicable Leased Premises to close, so that the Parties can conduct physical inventories in accordance with this Section 4; provided, however, that a different commencement time may be used for any Leased Premises if Buyer and Seller mutually agree (each an “Inventory Date”). No store conversion activity can take place during the inventory verification with the exception of the removal or installation of exterior signage and staging of materials, supplies, and equipment in preparation of a store conversion. After the conclusion of the inventory count for each Leased Premise, or upon closing of each store, whichever is earlier, keys, combinations to safes, passwords for such store and exclusive physical possession of the store and the Acquired Assets shall be delivered to authorized personnel of Buyer, and Buyer may commence preparation for the opening of such store as Buyer’s store, including without limitation, disconnecting items of equipment which are included in Excluded Assets and moving such items aside, and commencing electrical and wiring work required in order to install Buyer's computer and point-of-sale systems and other equipment and interior signage. Seller, on the one hand, and Buyer, on the other hand, shall each designate one (1) qualified representative (each a “Qualified Representative”) to be present at, lead and sign-off on the inventory verification at each of the Leased Premises.

b. At an agreed-upon date and time no later than two (2) days prior to the start of the Acquired Inventory verification at each Leased Premises, the Qualified Representatives shall tour the Leased Premises to agree upon items of Excluded Inventory and to ensure segregation of such items from the inventory to be counted in connection with the inventory verification. Buyer will have a reasonable opportunity to have its Qualified Representative (or his designated representatives) check the dates and condition of items to be considered Excluded Inventory, including tobacco products. The Qualified Representatives will cooperate in good faith to agree on the inclusion of any item of merchandise in the Acquired Inventory and/or the valuation of any such item of Acquired Inventory. In the event that a dispute is not resolved by the Qualified Representatives during the course of the inventory verification process, Buyer and Seller will each designate a more senior company employee (each a “Senior Representative”) to meet and confer with the other in an attempt to promptly resolve any such dispute during the inventory counting process. Any unresolved disputes regarding the foregoing or such matters as the existence of excessive stocks of Inventory not resolved by the Closing will be separately listed until settled as soon as expeditiously practicable thereafter by the Parties or by another independent third party mutually acceptable to both Parties, or if the Parties are unable to agree within three (3) days then the independent third party shall be chosen by the Inventory Service. The determination of the independent third party shall be final and binding on the Parties. No failure to resolve any such matters shall prevent the Closing or payment of the Purchase Price for the Acquired Inventory that

are not in dispute and any amount in dispute shall be held by the Escrow Agent until such dispute is resolved.

c. No merchandise will be accepted, moved into or moved out of any of the Leased Premises between the start and the conclusion of the physical inventory. All will-call pharmacy prescriptions must be credit returned before the start of the inventory count process on the Inventory Date. Seller will be responsible for payment of invoices and claims for vendor credits associated with inventory and products received at the Leased Premises prior to the start of the inventory verification process. Except for the Excluded Inventory, all merchandise received at each Leased Premises prior to the commencement of the inventory taking at such Leased Premises must be included in the inventory taking process. In the event any will call prescription has not been sold as of the Inventory Date, Seller will provide Buyer a list of non-sold prescriptions to include prescription number, customer name, and drug name.

d. The Inventory Service will use its established inventory policies and procedures (copies of which shall be furnished to the Qualified Representatives of Buyer and Seller prior to the Inventory Date) to complete the count of Acquired Inventory at each Leased Premises; provided, however, that Seller's personnel (and not the Inventory Service) shall conduct the inventory in the presence of the Qualified Representatives and Senior Representatives (as applicable) with respect to all drugs classified as "Schedule II Drugs" under the United States Controlled Substances Act. Inventory shall be taken using "one-tenth" estimating, as that term is customarily used in the pharmacy industry. The transaction must be finalized by an executed DEA 222 form from Buyer to Seller. The inventory count conducted by the Inventory Service will be final and binding (subject to any adjustments mutually agreed upon by Seller and Buyer) (the "**Final Inventory Report**"). The counted Acquired Inventory from the Final Inventory Report will be summarized for each Leased Premises using an Inventory Certificate Form attached hereto as Exhibit G. Subject to any unresolved disputes as set forth in Section 4(b) above, final Acquired Inventory amounts and the Acquired Inventory Costs must be agreed upon and the Inventory Certificate Form must be signed before the Qualified Representatives or the Senior Representatives (as applicable) leave the Leased Premises. To the extent required by Legal Requirements as of the Closing, Seller (i) shall provide a signed affidavit stating all pharmaceutical products (A) were purchased from legitimate wholesalers or manufacturers licensed at State & Federal level, (B) were stored in accordance to manufacturer recommendations, and (C) are unadulterated in any way; and (ii) shall provide a release to its wholesaler to permit Buyer to have access to all transaction information, transaction supplier, and transaction history data available.

e. Notwithstanding the foregoing, the Parties agree that the average wholesale price ("**AWP**") to be used to determine the Acquired Inventory Costs for certain Pharmacy Inventory shall be determined as follows:

(i) Pharmacy Inventory shall include all of the "**Prescription Drugs**" (defined as all drugs required by law to be dispensed under the supervision of a registered or licensed pharmacist) owned by Seller and utilized in the operation of the pharmacies at the Leased Premises having an expiration date of more than ninety (90) days after the Inventory Date, and all insulin, hypodermic needles, syringes and pseudo-ephedrine products ("**PSE**") (limited to \$1,000 in PSE) having an expiration date of more than ninety (90) days after the Inventory Date and listed

on the Final Pharmacy Inventory Report (excluding private label PSE), located at each such pharmacy as of the Inventory Date, all non-expired, over-the-counter medications and soft-goods inventory (“**OTC Inventory**”), having an expiration date of more than ninety (90) days after the Inventory Date, durable medical equipment (“**DME**”) (limited to \$3,000.00 in DME subject to Buyer’s needs and discretion) inventory held for re-sale for cash, Seller’s compounding inventory including raw ingredients and any other equipment mutually agreed upon (limited to \$10,000.00 in compounding inventory including raw ingredients and any other equipment subject to Buyer’s needs and discretion), and all supplies, over-the-counter, and non-pharmaceutical items. Seller shall work in good faith to sell down existing OTC Inventory in accordance with Seller’s ordinary course of business prior to Closing. Seller shall not transfer-in any unnecessary or surplus inventory for the pharmacy out of the Seller’s ordinary course of business prior to Closing.

(ii) Seller shall provide Buyer a true and accurate current SKU item inventory file as maintained in the Ordinary Course of Business that will include SKU/NDC item number, description, AWP, discount, and final net price after discount (the “**Initial Pharmacy Inventory Report**”) no later than fifteen (15) days prior to the Inventory Date and Buyer shall not in any circumstances be obligated to pay more for such items than the amount listed on the Initial Pharmacy Inventory Report; and

(iii) Any disagreements or disputes regarding the AWP set forth in the Initial Pharmacy Inventory Report shall be resolved by the Parties prior to the Inventory Date (upon resolution of any disagreement or disputes, such Initial Pharmacy Inventory Report shall constitute a “**Final Pharmacy Inventory Report**”). Buyer agrees to, at least two (2) weeks prior to Closing, make an offer of employment to a sufficient number of Seller's current Full-Time Employees (to be selected by Buyer at Buyer's sole discretion) at each of the stores to ensure that no notice requirements are triggered under the Worker Adjustment and Retraining Notification Act of 1988, as amended, or any successor or similar state or local law (collectively the "**Warn Act**"). These offers of employment will be at the discretion of Buyer. Buyer agrees to indemnify Seller against any costs or judgments under the Warn Act resulting from terminations of employees at the stores occurring on or after the Closing Date. Seller consents to (i) Buyer extending offers of employment to any or all persons employed or previously employed in the conduct of the Seller's grocery businesses conducted at the stores and (ii) the employment by Buyer of such persons on or after the Closing Date.

If any amounts cannot be definitely calculated on the Closing Date, they shall be estimated based on the corresponding amounts from 2017. No post-assignment reconciliations or adjustments of any kind shall occur after Closing. Buyer shall receive the benefits and burdens for all adjustments under the Leases that occur after the Closing Date (regardless of the period in question that is subject to the adjustment), including year-end adjustments for Taxes, fees, any common area maintenance charges, and percentage rent for calendar year 2018 and thereafter, and Buyer shall fully indemnify and hold harmless Seller with respect thereto.

(i) the representations and warranties set forth in Section 22(a) shall have been true and correct on the date hereof and as of the Closing (except to the extent expressly made as of an earlier date, in which case as of such date as if made at and as of such date), except where the failure of such representations and warranties to be so true and correct has not had and would not reasonably be expected to have a material adverse effect on the condition of Acquired Assets as a whole or on the ability of Seller to consummate the transactions contemplated herein;

(ii) Seller shall have performed and complied with its covenants and agreements hereunder through the Closing in all material respects;

(iii) each delivery contemplated by Section 11(a) and Section 11(b) and Section 11(c) to be delivered to Buyer shall have been delivered; and

b. Seller may terminate this Agreement as to any Leased Premises that have not transferred to Buyer pursuant to a Closing at any time prior to a Closing if Buyer fails to satisfy the requirement set forth under Section 14(b)(iii), including delivery of the Deposit required hereunder. 20. Release; Indemnity; Covenant Not to Compete.

a. On and after the Closing Date, Buyer and its successors and assigns, subsidiaries, affiliates, and all of their respective current and former officers, directors, principals, controlling shareholders, managing members, general partners, agents, employees, advisors and professionals (collectively, with respect to either Party, the “**Related Parties**”) agree to defend and indemnify Seller and its Related Parties against, and hold Seller and its Related Parties harmless from, any and all claims, actions, proceedings, suits, costs, Liabilities, losses, damages or expenses (including, without limitation, reasonable attorneys’ fees and disbursements) that accrue after the Closing Date, whether foreseen or unforeseen, in connection with this Agreement, the Leases, and the Leased Premises, including, without limitation, the (i) performance or observance of, or the failure or refusal to perform or observe any agreement or obligation of the Tenant under the Leases or any term or provision thereof required to be performed by the Tenant under the Leases or (ii) compliance with Environmental Laws or performance of, or the failure or refusal to perform, any Legal Requirements. In no event shall the Buyer or its Related Parties be required to defend, indemnify, or hold harmless the Seller or its Related Parties hereunder until the aggregate amount of all claims suffered or incurred by them exceeds \$10,000.00 (the “Basket Amount”) and then only to the total extent such claims exceed the Basket Amount. In addition, the Buyer or its Related Parties shall have no further liability to the Seller or its Related Parties on account of such claims after such persons collectively (not individually) have received total indemnity payments from the Buyer on account of all such breaches equal to \$2,000,000.

b. Seller and its Related Parties agree to defend and indemnify Buyer and its Related Parties against, and hold Buyer and its Related Parties harmless from, any and all claims, actions, proceedings, suits, costs, Liabilities, losses, damages or expenses (including, without limitation, reasonable attorneys' fees and disbursements), whether foreseen or unforeseen, in connection with this Agreement, the Leases, and the Leased Premises, including, without limitation, the (i) performance or observance of, or the failure or refusal to perform or observe any agreement or obligation of the Tenant under the Leases or any term or provision thereof required to be performed by the Tenant under the Leases, that accrue or arise before the Closing Date, (ii) compliance with Environmental Laws or performance of, or the failure or refusal to perform, any Legal Requirements that accrue or arise before the Closing Date, (iii) the failure of any representation or warranty of Seller contained herein, or in any agreement, certificate or document executed by Seller in connection herewith, to be true and correct in all material respects when made, or (iv) the breach in any material respect of any material covenant or agreement of Seller contained in this Agreement. In no event shall the Seller or its Related Parties be required to defend, indemnify, or hold harmless the Buyer or its Related Parties hereunder until the aggregate amount of all claims suffered or incurred by them exceeds \$10,000.00 (the "Basket Amount") and then only to the total extent such claims exceed the Basket Amount. In addition, the Seller or its Related Parties shall have no further liability to the Buyer or its Related Parties on account of such claims after such persons collectively (not individually) have received total indemnity payments from the Seller on account of all such breaches equal to \$2,000,000.

c. For a period of twenty-four (24) months following the Closing Date, neither Seller nor any Affiliate of Seller or any principal owner of Seller (the "**Restricted Parties**") shall, directly or indirectly, engage in the grocery business or operate a grocery store or supermarket or pharmacy within any five (5) miles of any of the Leased Premises located in Iberia Parish, St. Mary Parish, Vermilion Parish, Acadia Parish, St. Landry Parish, Pointe Coupee Parish, and St. Martin Parish (the "**Restricted Area**"), provided competition is permitted in the foregoing parishes only outside of the applicable Restricted Area, and the Restricted Parties shall not be permitted to open or acquire any new supermarkets or grocery stores within the Restricted Area during the time period set out in this section, but this Section 20(b) shall not prevent the Restricted Parties from continuing to operate an existing grocery store or supermarket owned by the Restricted Parties on the Effective Date of this Agreement, including the conduct of advertising and marketing activities within the Restricted Area for such existing grocery stores or supermarkets, nor shall this Section 20(b) prevent any of the Restricted Parties from being acquired by an entity which owns, directly or indirectly, stores within the Restricted Area (the "**Covenant Not to Compete**"). The Parties acknowledge and agree that the time, scope, geographic area and other provisions of this Section 20(b) have been specifically negotiated by sophisticated, commercial parties and specifically hereby agree that such time, scope, geographic area and other provisions are reasonable under the circumstances. The Parties further acknowledge and agree that, if any of the Restricted Parties shall violate or breach this Section 20.b of this Agreement, Buyer shall have the right to specific performance of the obligations of Seller and the Restricted Parties under this Section 20.b of the Agreement in addition to any other rights or remedies afforded to Buyer under the law. Further, the prevailing party will be entitled to recover reasonable attorney's fees and court and other costs in addition to any other sums to which such party may be entitled.

21. Casualty and Condemnation.

a. Seller agrees to give Buyer prompt written notice of any fire, flood or similar casualty affecting any portion of the Leased Premises or of any actual or threatened (to the extent that Seller has current knowledge thereof) taking or condemnation of all or any portion of any Leased Premises.

b. If prior to Closing there shall occur: (i) damage to any Leased Premises caused by fire or other casualty; or (ii) the taking or condemnation of all or any portion of the Leased Premises; then, in each case, the Closing Date shall occur as provided in this Agreement, and Buyer shall be assigned at the Closing Date (A) all interest of Seller in and to any insurance proceeds (including, but not limited to, any proceeds of business interruption insurance for the period after the date of the Closing Date), subject to all applicable deductible amounts or (B) condemnation awards payable to Seller on account of that event, less sums which Seller incurs before the Closing Date for the direct cost of the repair of any of the damage or taking that Seller may elect, in its sole discretion, to undertake or in pursuing the collection of any such insurance proceeds or participating in any condemnation proceeding.

c. In the event that the retail building or other improvements on a Leased Premise should be catastrophically damaged or destroyed by fire or other casualty, or a taking or condemnation of all of the Leased Premises occurs, prior to Closing, so that business operations at a Leased Premises cannot be resumed within forty-five (45) days of such damage, then Buyer, at its sole discretion, (i) may elect to terminate this Agreement as to such Leased Premises by providing written notice to Seller not later than ten (10) days following the casualty or condemnation, in which case the Purchase Price shall be reduced by an amount allocated to such Leased Premises. If Buyer does not elect to terminate the obligation to purchase such Leased Premises within the time period provided above, then at the Closing Date Seller shall assign all interest of Seller (A) in and to any insurance proceeds (including, but not limited to, any proceeds of business interruption insurance for the period after the date of the Closing Date), subject to all applicable deductible amounts or (B) condemnation awards payable to Seller on account of that event, less sums which Seller incurs before the Closing Date for the direct cost of the repair of any of the damage or taking that Seller may elect, in its sole discretion, to undertake or in pursuing the collection of any such insurance proceeds or participating in any condemnation proceeding.

d. In the event that the retail building or other improvements on four (4) or more Leased Premises should be catastrophically damaged or destroyed by fire or other casualty, or a taking or condemnation of all of two (2) or more Leased Premises occurs, prior to Closing, so that business operations at those Leased Premises cannot be resumed within forty-five (45) days of such damage, then Buyer, at its sole discretion, may elect to terminate this Agreement as to all Leased Premises by providing written notice to Seller not later than ten (10) days following the casualty or condemnation, in which case the Escrow Deposit will be immediately refunded by Escrow Agent to Purchaser, or (ii) may elect to terminate this Agreement as to such damaged Leased Premises in which case the Purchase Price shall be reduced by the amount allocated to such Leased Premises. If Buyer does not elect to terminate, then at the Closing Date Seller shall assign all interest of Seller (A) in and to any insurance proceeds (including, but not limited to, any proceeds of business interruption insurance for the period after the date of the Closing Date), subject to all applicable deductible amounts or (B) condemnation awards payable to Seller on

account of that event, less sums which Seller incurs before the Closing Date for the direct cost of the repair of any of the damage or taking that Seller may elect, in its sole discretion, to undertake or in pursuing the collection of any such insurance proceeds or participating in any condemnation proceeding.

e. The Parties hereby waive the provisions of the Uniform Vendor and Purchaser Risk Act (to the extent the same is applicable to the Leased Premises) and of any other Law to the same or similar effect, and agree that the same shall not apply to this Agreement.

22. Representations and Warranties.

a. Seller represents and warrants to the Buyer that the statements contained in this Section 22.a) are true and correct as of the date of this Agreement and as of the Closing Date:

(i) Organization of Seller; Good Standing. Seller is a limited liability company duly organized, validly existing and in good standing under the Laws of Florida and has all requisite power and authority to own, lease and operate its assets and to carry on its business as now being conducted.

(ii) Authorization of Transaction. Seller has full power and authority to execute and deliver this Agreement and all other agreements contemplated hereby to which it is a party and to perform its obligations hereunder and thereunder. The execution, delivery, and performance of this Agreement and all other agreements contemplated hereby to which Seller is a party have been duly authorized by Seller. This Agreement has been duly executed and delivered by Seller and upon due execution hereof by Seller, this Agreement (assuming due authorization and delivery by Buyer) shall constitute, the valid and legally binding obligation of Seller, enforceable against Seller in accordance with its terms and conditions. All consents, approvals and waivers from third parties and Governmental Authorities and any other parties necessary to permit Seller to transfer the Acquired Assets to Buyer as contemplated hereby shall have been obtained prior to the applicable Closing Date, unless the failure to obtain any such consent, approval or waiver would not in the reasonable judgment of Seller have a material adverse effect upon Seller and would not restrict the transferability of any material Acquired Asset or the Leased Premises.

(iii) Taxes. All taxes and levies of every kind, character or description relating to the Acquired Assets which are due and payable by Seller, and all sales, use, franchise, excise, payroll, unemployment, and other taxes which are due and payable by Seller, have been or will be paid prior to delinquency.

(iv) Title to Acquired Assets. As of the Closing Date, Seller will have good and valid title to all of the Acquired Assets to be sold, transferred or conveyed by Seller to Buyer pursuant to this Agreement, free and clear of any title defect, mortgage, security interest, lien or other encumbrance arising by, through or under Seller.

(v) Litigation, Proceedings and Applicable Law. Except as previously disclosed to Buyer, there are no material actions, suits or proceedings pending (or, to the best knowledge of Seller, threatened in writing) against or affecting any of the Acquired Assets to be

sold, transferred or conveyed by Seller pursuant to this Agreement or the consummation of the transactions contemplated hereby, at law or in equity or before or by any Governmental Authority or instrumentality or before any arbitrator of any kind, except for actions, suits or proceedings that would not if determined adversely to Seller reasonably be expected to prevent access to or the operation of the Leased Premises in the Ordinary Course of Business in any material manner.

(vi) Compliance with Law. To the best knowledge of Seller, except as previously disclosed to Buyer, the Business conducted at the Leased Premises have been operated by Seller in compliance, in all material respects, with all applicable statutes, rules, regulations, ordinances, codes, orders, licenses, permits or authorizations, as such now apply to the Purchased Assets or Stores, except for any violation that would not reasonably be expected to prevent access to or the operation of any Store in the Ordinary Course of Business in any material manner.

(vii) Absence of Licenses, Subleases and/or Concessions. Other than the Leases, there are no licenses, subleases, concessions or similar agreements that grant any third party the right to operate any business or conduct any other activity in the Leased Premises, or to use or possess any of the Acquired Assets to be sold, transferred or conveyed by Seller under this Agreement.

(viii) Absence of Union Representation. Seller is not a party to any collective bargaining or other labor or union agreement respecting the Leased Premises.

(ix) Benefit Plans. To the knowledge of Seller, the consummation of the transactions contemplated by this Agreement, including, without limitation, any hiring by Buyer of persons currently employed by Seller, will not under the terms of the Seller's employee benefit plans result in Buyer being held liable for any obligation under such plans. To the knowledge of Seller, the consummation of the transactions contemplated by this Agreement, including, without limitation, any hiring by Buyer of selected employees of Seller, will not under the Seller's employee benefit plans or any agreement between such employee and Seller entitle any current or former employee or officer of Seller to any compensation or benefit from the Buyer, including, without limitation, severance pay, or unemployment compensation.

(x) Noncontravention. Neither the execution and delivery of this Agreement, nor the consummation of the transactions contemplated hereby will (a) conflict with or result in a breach of the certificate of incorporation or bylaws, or other organizational documents, of Seller, (b) violate any Law or Decree to which Seller is, or its assets or properties are, subject or (c) conflict with, result in a breach of, constitute a default under, result in the acceleration of, create in any party the right to accelerate, terminate, modify or cancel, or require any notice under any contract to which Seller is a party or by which it is bound, except, in the case of either clause (b) or (c), for such conflicts, breaches, defaults, accelerations, rights or failures to give notice as would not, individually or in the aggregate, have a material adverse effect on Seller. Seller is not required to give any notice to, make any filing with, or obtain any authorization, consent or approval of any Governmental Authority in order for the Parties to consummate the transactions contemplated by this Agreement or any Related Agreement, provided that, in the event that Seller is required or elects to give notice, file or obtain such authorization, consent or approval, such action does not, individually or in the aggregate, prevent or materially impair Seller's ability to consummate the transactions contemplated hereby or perform its obligations hereunder.

(xi) Patriot Act. Seller is in compliance with the requirements of Executive Order No. 133224, 66 Fed. Reg. 49079 (Sept. 25, 2001) (the “Order”) and other similar requirements contained in the rules and regulations of the Office of Foreign Assets Control, Department of the Treasury (“OFAC”) and in any enabling legislation or other Executive Orders or regulations in respect thereof (the Order and such other rules, regulations, legislation, or orders are collectively called the “Orders”). Neither Seller nor each of its shareholders or members, as applicable: (1) is listed on the Specially Designated Nationals and Blocked Persons List maintained by OFAC pursuant to the Order and/or on any other list of terrorists or terrorist organizations maintained pursuant to any of the rules and regulations of OFAC or pursuant to any other applicable Orders (such lists are collectively referred to as the “Lists”); (2) is a person who has been determined by competent authority to be subject to the prohibitions contained in the Orders; or (3) is owned or controlled by, or acts for or on behalf of, any person on the Lists or any other person who has been determined by competent authority to be subject to the prohibitions contained in the Orders.

(xii) Fraudulent Transfer. This Agreement was negotiated, proposed, and entered into without collusion, in good faith, and was the result of arm’s-length bargaining between the Parties and is a valid and binding contract between the Seller and Buyer and shall be enforceable pursuant to its terms. This Agreement was not entered into by either Party for the purpose of hindering, delaying, or defrauding creditors under the laws of the United States, any state, territory, possession, or the District of Columbia, or foreign jurisdiction. Buyer is a good faith purchaser, and the consideration provided by Buyer for the Acquired Assets pursuant to this Agreement (i) is fair and reasonable, (ii) is the highest and best offer for the Acquired Assets, and (iii) constitutes equivalent value and fair consideration under or with respect to the fraudulent transfer or comparable laws of any jurisdiction, foreign or domestic, as to which equivalence and/or fairness of consideration is a constitutive element, defense, or otherwise a legally relevant fact. Neither the Seller nor the Buyer is entering into the transactions contemplated by this Agreement fraudulently for the purpose of statutory and common-law fraudulent conveyance and fraudulent transfer claims.

b. Buyer represents and warrants to Seller that the statements contained in this Section 22.b are true and correct as of the date of this Agreement and as of the Closing Date:

(i) Organization of Buyer; Good Standing. Buyer is a corporation duly organized, validly existing, and in good standing under the Laws of the State of Texas and has all requisite corporate or power and authority to own, lease, and operate its assets and to carry on its business as now being conducted.

(ii) Authorization of Transaction. Buyer has full power and authority (including full corporate power and authority) to execute and deliver this Agreement and all other agreements contemplated hereby to which it is a party and to perform its obligations hereunder and thereunder. The execution, delivery, and performance of this Agreement and all other agreements contemplated hereby to which Buyer is a party have been duly authorized by Buyer. This Agreement (assuming due authorization and delivery by Seller) constitutes the valid and legally binding obligation of Buyer, enforceable against Buyer in accordance with its terms and conditions.

(iii) Sufficient Funds. Upon the Closing, Buyer will have immediately available funds sufficient for the satisfaction of all of Buyer's obligations under this Agreement, including the payment of the Purchase Price and all fees, expenses of, and other amounts required to be paid by, Buyer in connection with the transactions contemplated hereby.

(iv) Noncontravention. Neither the execution and delivery of this Agreement, nor the consummation of the transactions contemplated hereby will (a) conflict with or result in a breach of the certificate of incorporation or bylaws, or other organizational documents, of Buyer, (b) violate any Law or Decree to which Buyer is, or its assets or properties are, subject or (c) conflict with, result in a breach of, constitute a default under, result in the acceleration of, create in any party the right to accelerate, terminate, modify or cancel, or require any notice under any contract to which Buyer is a party or by which it is bound, except, in the case of either clause (b) or (c), for such conflicts, breaches, defaults, accelerations, rights or failures to give notice as would not, individually or in the aggregate, have a material adverse effect on Buyer. Buyer is not required to give any notice to, make any filing with, or obtain any authorization, consent or approval of any Governmental Authority in order for the Parties to consummate the transactions contemplated by this Agreement or any Related Agreement, except where the failure to give notice, file or obtain such authorization, consent or approval would not, individually or in the aggregate, prevent or materially impair or delay Buyer's ability to consummate the transactions contemplated hereby or perform its obligations hereunder on a timely basis.

(v) Patriot Act. Buyer is in compliance with the requirements of Executive Order No. 133224, 66 Fed. Reg. 49079 (Sept. 25, 2001) (the "Order") and other similar requirements contained in the rules and regulations of the Office of Foreign Assets Control, Department of the Treasury ("OFAC") and in any enabling legislation or other Executive Orders or regulations in respect thereof (the Order and such other rules, regulations, legislation, or orders are collectively called the "Orders"). Neither Buyer nor each of its shareholders: (1) is listed on the Specially Designated Nationals and Blocked Persons List maintained by OFAC pursuant to the Order and/or on any other list of terrorists or terrorist organizations maintained pursuant to any of the rules and regulations of OFAC or pursuant to any other applicable Orders (such lists are collectively referred to as the "Lists"); (2) is a person who has been determined by competent authority to be subject to the prohibitions contained in the Orders; or (3) is owned or controlled by, or acts for or on behalf of, any person on the Lists or any other person who has been determined by competent authority to be subject to the prohibitions contained in the Orders.

c. Survival of Representations and Warranties. All of the representations and warranties contained in Section 22.a and Section 22.b shall survive the Closing for a period of twelve (12) months following the Closing Date.

23. Conduct of the Business Pending the Closing. Prior to the Closing and except as permitted by this Agreement or with the prior written consent of Buyer (which consent shall not be unreasonably withheld, conditioned or delayed), Seller shall:

- a. not renew or amend or modify any Lease;

b. notify Buyer promptly upon receipt by Seller prior to Closing of written notice of the institution or pendency of any action, suit, or proceeding against or affecting the Leased Premises, or relating to or arising out of the ownership of such Leased Premises;

c. operate the Business conducted at the Leased Premises in the Ordinary Course of Business and will maintain the Acquired Assets until the Closing Date in substantially the same condition as on the Effective Date, ordinary wear and tear and casualty excepted;

d. not sell, move or otherwise dispose of any of the Acquired Assets;

e. not change the retail price of any Acquired Inventory item other than in the Ordinary Course of Business;

f. maintain Inventory levels reasonably consistent with its Ordinary Course of Business for the Leased Premises, except that Seller may maintain less than ordinary levels of Excluded Inventory and may sell, transfer or otherwise dispose of Excluded Inventory on such terms, and in such manner, as may be deemed appropriate by Seller (subject to Section 4(f));

g. continue to perform routine and necessary maintenance to maintain Ordinary Course of Business;

h. maintain its current insurance coverage in force and effect and shall not accelerate revenues, fail to pay any invoices, or defer expenses in connection with the operation of the Leased Premises except in the Ordinary Course of Business;

i. not consent to or enter into any easements, mortgages or other encumbrances upon the Leased Premises, nor shall Seller grant, create or suffer any rights in any third parties affecting the Leased Premises or any part thereof; and

j. not knowingly use or authorize any party to knowingly use any portion of the Leased Premises (including the surface and subsurface thereof) for the dumping, emission, Release or storage of any Hazardous Materials in violation of any Environmental Law.

24. Brokers' Fees. Buyer and Seller shall each indemnify, hold harmless and defend the other party from the payment of any and all broker's and finder's expenses, commissions, fees or other forms of compensation which may be due or payable from or by the indemnifying party, or may have been earned by any third party acting on behalf of the indemnifying party in connection with the negotiation and execution of this Agreement and the consummation of the transactions contemplated hereby.

25. Survival. Except as expressly provided herein, none of the representations, warranties, or covenants of any Party set forth in this Agreement shall survive, and each of the same shall terminate and be of no further force or effect as of the Closing.

26. Entire Agreement; Confidentiality. This Agreement, any documents delivered at Closing pursuant hereto, and any confidentiality agreement entered into by Seller and Buyer in connection with this transaction, constitute the entire agreement between the Parties and supersede any prior understandings, agreements or representations (whether written or oral) by or between

the Parties to the extent they relate in any way to the subject matter hereof. Notwithstanding any confidentiality agreement entered into by Seller and Buyer, Seller may disclose this Agreement to any Governmental Authority as Seller deems necessary or as otherwise required by Law. Subject to the foregoing right to disclose this Agreement to any Governmental Authority, Seller shall not disclose the terms and conditions of this Agreement to any other party without the written consent of Buyer. No Party shall issue any Press Release or make any public announcement relating to the existence or subject matter of this Agreement without the prior written approval of the other Party.

27. Further Assurances. In case at any time after the Closing any further action is necessary to carry out the purposes of this Agreement, each of the Parties will, at the requesting Party's sole cost and expense, take such further action (including the execution and delivery of such other reasonable instruments of sale, transfer, conveyance, assignment, assumption and confirmation, providing materials and information) as the other Party may reasonably request; provided, however, the transfer of any utilities relating to the Leased Premises to the Buyer shall be done promptly by Seller at no cost to Buyer or Seller.

28. Incorporation of Exhibits and Schedules. The Exhibits and Schedule(s) to this Agreement are incorporated herein by reference and made a part hereof.

29. Amendments and Waivers. No amendment of any provision of this Agreement shall be valid unless the same shall be in writing and signed by each Party except as expressly provided herein. No waiver of any breach of this Agreement shall be construed as an implied amendment or agreement to amend or modify any provision of this Agreement. No waiver by any Party of any default, misrepresentation or breach hereunder, whether intentional or not, shall be valid unless the same shall be in writing and signed by the Party making such waiver, nor shall such waiver be deemed to extend to any prior or subsequent default, misrepresentation or breach hereunder or affect in any way any rights arising by virtue of any prior or subsequent default, misrepresentation or breach. No conditions, course of dealing or performance, understanding, or agreement purporting to modify, vary, explain, or supplement the terms or conditions of this Agreement shall be binding unless this Agreement is amended or modified in writing pursuant to the first sentence of this Section 29 except as expressly provided herein. Except where a specific period for action or inaction is provided herein, no delay on the part of any Party in exercising any right, power or privilege hereunder shall operate as a waiver thereof.

30. Succession and Assignment. This Agreement shall be binding upon and inure to the benefit of the Parties and their respective successors and permitted assigns. No Party may assign either this Agreement or any of its rights, interests, or obligations hereunder without the prior written consent of each other Party.

32. Governing Law. This Agreement shall be governed by and construed in accordance with the internal Laws of the State of Louisiana (without giving effect to the principles of conflict of laws thereof).

33. **APPLICABLE LAW; VENUE; SUBMISSION TO JURISDICTION.** IT IS THE INTENTION OF THE PARTIES THAT THIS AGREEMENT AND THE OTHER DELIVERABLES SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE INTERNAL LAWS OF THE STATE OF LOUISIANA (WITHOUT REGARD TO CHOICE OF LAWS OR CONFLICT OF LAWS RULES). NOTHING CONTAINED HEREIN SHALL AFFECT THE RIGHT OF SELLER OR BUYER TO SERVE PROCESS IN ANY MANNER PERMITTED BY LAW.

34. Waiver of Jury Trial. EACH PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY RELATED AGREEMENTS OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

35. Specific Performance. Each of the Parties acknowledges and agrees that the other Parties and their estate would be damaged irreparably in the event it does not perform its obligations under this Agreement in accordance with its specific terms or otherwise breaches this Agreement, so that, in addition to any other remedy that a Party may have under Law or equity, each of the Parties shall be entitled, without the requirement of posting a bond or other security to the extent a court of competent jurisdiction deems appropriate, to enforce specifically this Agreement and the terms and provisions hereof.

36. Severability. The invalidity or unenforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provisions of this Agreement. In the event that any of the provisions of this Agreement shall be held by a court or other tribunal of competent jurisdiction to be illegal, invalid or unenforceable, such provisions shall be limited or eliminated only to the minimum extent necessary so that this Agreement shall otherwise remain in full force and effect.

37. No Third Party Beneficiaries. This Agreement shall not confer any rights or remedies upon any Person other than Buyer, Seller, and their respective successors and permitted assigns, except as expressly set forth in this Agreement.

38. Non-Recourse. All claims or causes of action (whether in contract or in tort, in Law or in equity, or granted by statute) that may be based upon, in respect of, arise under, out or by reason of, be connected with, or related in any manner to this Agreement may be made only against (and are expressly limited to) the Persons that are expressly identified as parties hereto or thereto (the "**Contracting Parties**"). In no event shall any Contracting Party have any shared or vicarious Liability for the actions or omissions of any other Person. No Person who is not a Contracting Party, including any director, officer, employee, incorporator, managing member, general partner, manager, shareholder, principal, Affiliate, agent, attorney or Representative of, and any financial advisor or lender to, any of the foregoing ("**Non-Party Affiliates**"), shall have any Liability (whether in contract or in tort, in Law or in equity, or granted by statute or based

upon any theory that seeks to impose Liability of an entity party against its owners or Affiliates) for any claims, causes of action, obligations or Liabilities arising under, out of, in connection with or related in any manner to this Agreement or the Related Agreements or based on, in respect of, or by reason of this Agreement or their negotiation, execution, performance or breach; and, to the maximum extent permitted by Law, each Contracting Party waives and releases all such Liabilities, claims and obligations against any such Non-Party Affiliates. Without limiting the foregoing, to the maximum extent permitted by Law, (a) each Contracting Party hereby waives and releases any and all rights, claims, demands, or causes of action that may otherwise be available at Law or in equity, or granted by statute, to avoid or disregard the entity form of a Contracting Party or otherwise impose Liability of a Contracting Party on any Non-Party Affiliate, whether granted by statute or based on theories of equity, agency, control, instrumentality, alter ego, domination, sham, single business enterprise, piercing the veil, unfairness, undercapitalization, or otherwise; and (b) each Contracting Party disclaims any reliance upon any Non-Party Affiliates with respect to the performance of this Agreement or any representation or warranty made in, in connection with, or as an inducement to this Agreement. The Parties acknowledge and agree that the Non-Party Affiliates are intended third-party beneficiaries of this Section 38.

41. Counterparts; Facsimile and Electronic Signatures. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original but all of which together will constitute one and the same instrument. This Agreement or any counterpart may be executed and delivered by facsimile copies or delivered by electronic communications by portable document format (.pdf), each of which shall be deemed an original.

42. Prevailing Party. If any action is brought by either of the Parties against the other, then the prevailing Party shall be entitled to recover from the other Party court costs and reasonable attorneys' fees and costs actually incurred.

43. Intentionally Omitted.

44. Recording. Seller and Buyer each covenant not to record this Agreement; provided, however, nothing herein shall be deemed to prohibit either Party from (a) making this Agreement or any of the documents referenced herein a matter of public record in any court proceeding seeking the enforcement of such documents or in any bankruptcy court proceeding, (b) making any other public filing or disclosure of this Agreement or the related transaction documents necessary for the enforcement of such document, or (c) making any other public filing or disclosure required by applicable law or order of an applicable Governmental Authority.

WHEREAS, capitalized terms used but not defined herein shall have the meanings given thereto in the Agreement.

NOW, THEREFORE, in consideration of the foregoing premises, the parties hereto hereby agree as follows:

For purposes of this Agreement and the transactions contemplated hereby, the Closing will be deemed to occur and be effective at 12:01 a.m., New York City time, on the respective Closing Date."

2. Excluded Assets. The following paragraph shall be added to the end of Section 5 of the Agreement:

P. 7052.** The findings and conclusions set forth herein constitute the Court's findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052 made applicable to this proceeding pursuant to Bankruptcy Rule 9014. To the extent any of the following findings of fact constitute conclusions of law, they are adopted as such. To the extent any of the following conclusions of law constitute findings of fact, they are adopted as such.

B. **Jurisdiction and Venue.** This Court has jurisdiction to decide the Sale Notice and over the Sale Transaction and the property of the Debtors' estates, including the Assets, pursuant to 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference* from the United States District Court for the District of Delaware, dated as of February 29, 2012. This matter is a core proceeding pursuant to 28 U.S.C. § 157. Venue of these chapter 11 cases and the Sale Notice in this District is proper under 28 U.S.C. §§ 1408 and 1409.

C. **Statutory and Rule Predicates.** The statutory and other legal predicates for the relief sought in the Motion and Sale Notice are sections 105(a), 363 and 365 of the Bankruptcy Code, Bankruptcy Rules 2002, 6004, and 6006, and Local Rules 2002-1 and 6004-1.

D. **Notice and Opportunity to Object.** A fair and reasonable opportunity to object to and to be heard with respect to the Sale Notice, the Sale Transaction and the relief requested in the Sale Notice has been given, as required by the Bankruptcy Code, the Bankruptcy Rules, and the Local Rules to all Persons entitled to notice pursuant to the Discrete Procedures Order,

including, but not limited to, the following: (i) all non-Debtor parties to the Leases, (ii) counsel to the Buyer; (iii) all entities known or reasonably believed to have asserted a lien, encumbrance, claim or other interest in any of the Assets; (iv) all parties who have requested notice in these chapter 11 cases pursuant to Bankruptcy Rule 2002; and (v) all other Sale Notice Parties. Such notice was good, sufficient, and appropriate under the circumstances, and complied in all respects with the Discrete Procedures Order and the Local Rules. No other or further notice of the foregoing is required.

E. **Final Order**. This Order constitutes a final order within the meaning of 28 U.S.C. § 158(a).

F. **Sound Business Purpose**. The Debtors have demonstrated good, sufficient, and sound business purposes and justifications for approval of the Sale Notice, the Lease Sale Agreement, and the Sale Transaction and in entering into the Lease Sale Agreement and related Bill of Sale and Assignment and Assumption Agreements (the “**Related Agreements**”). The Debtors’ entry into and performance under the Lease Sale Agreement and Related Agreements (i) are a result of due deliberation by the Debtors and constitute a sound and reasonable exercise of the Debtors’ business judgment consistent with their fiduciary duties, (ii) provide value to and are beneficial to the Debtors’ estates, and are in the best interests of the Debtors and their stakeholders, and (iii) are reasonable and appropriate under the circumstances. Business justifications for the Sale Transaction include, but are not limited to, the following: (i) the Lease Sale Agreement constitutes the highest and best offer received for the Assets; (ii) the Lease Sale Agreement presents the best opportunity to maximize the value of the Assets and avoid decline and devaluation of the Assets; and (iii) the value of the Debtors’ estates will be maximized through the sale of the Assets pursuant to the Lease Sale Agreement.

G. **Compliance with Discrete Procedures Order.** The Debtors, the Buyer, and their respective counsel and other advisors have complied with the Discrete Procedures Order and the Discrete Lease Sale Procedures in all respects.

H. **Sale Process.** (i) The Debtors and their advisors, including Evercore Partners, LLC, engaged in a robust and comprehensive marketing and sale process, (ii) the Debtors conducted a fair and open sale process, (iii) the sale process was non-collusive and provided a full, fair and reasonable opportunity for other entities to make an offer to purchase the Assets, and (iv) the process maximized value for the Assets for the Debtors and their estates.

I. **Fair Consideration.** The consideration to be paid by Buyer under the Lease Sale Agreement constitutes fair and reasonable consideration for the Assets.

J. **No Successor or Other Derivative Liability.** Buyer is not, and will not be, a mere continuation, and is not holding itself out as a mere continuation, of any of the Debtors or their respective estates and there is no continuity between Buyer and the Debtors. The Sale Transaction does not amount to a consolidation, merger or *de facto* merger of Buyer and any of the Debtors.

K. **Good Faith.** The Lease Sale Agreement and each of the transactions contemplated therein were negotiated, proposed and entered into by the Debtors and Buyer in good faith, without collusion and from arm's-length bargaining positions. Buyer is a "good faith purchaser" within the meaning of section 363(m) of the Bankruptcy Code and, as such, is entitled to all the protections afforded thereby. Neither the Debtors nor Buyer have engaged in any conduct that would cause or permit the Lease Sale Agreement to be avoided or costs and damages to be imposed under section 363(n) of the Bankruptcy Code. Buyer is not an "insider" of any of the Debtors, as that term is defined in section 101 of the Bankruptcy Code, and no common identity of incorporators, directors, or controlling stockholders existed between Buyer and the Debtors.

L. **Notice.** As evidenced by the certificates of service filed with the Court: (i) proper, timely, adequate and sufficient notice of the Sale Notice, [the Sale Hearing,] the Sale Transaction and the Proposed Sale Order was provided by the Debtors; (ii) such notice was good, sufficient and appropriate under the particular circumstances and complied with the Discrete Lease Sale Procedures as approved by the Discrete Procedures Order and the Local Rules; and (iii) no other or further notice of the Sale Notice[, the Sale Hearing], the Sale Transaction, or the Proposed Sale Order is required.

M. **Cure Notice.** As evidenced by the certificates of service filed with the Court, and in accordance with the provisions of the Discrete Lease Sale Procedures as approved by the Discrete Procedures Order, the Debtors have served notice (the "Cure Notice") of the Debtors' intent to assume and assign the Leases and of the related proposed cure amounts (the "Cure Amounts") upon each non-debtor counterparty to the Leases. The service of the Cure Notice was good, sufficient and appropriate under the circumstances and no further notice need be given with respect to the Cure Amounts for the assumption and assignment of the Leases. All non-Debtor parties to the Leases have had a reasonable opportunity to object both to the Cure Amounts listed on the applicable Cure Notice and to the assumption and assignment of the Leases to Buyer.

N. **Satisfaction of Section 363(f) Standards.** The Debtors may sell the Assets free and clear of all liens, claims (including those that constitute a "claim" as defined in section 101(5) of the Bankruptcy Code), rights, liabilities, encumbrances and other interests of any kind or nature whatsoever against the Debtors or the Assets, including, without limitation, any debts arising under or out of, in connection with, or in any way relating to, any acts or omissions, obligations, demands, guaranties, rights, contractual commitments, restrictions, product liability claims, environmental liabilities, employee pension or benefit plan claims, multiemployer benefit plan claims, retiree

healthcare or life insurance claims or claims for taxes of or against the Debtors, and any derivative, vicarious, transferee or successor liability claims, rights or causes of action (whether in law or in equity, under any law, statute, rule or regulation of the United States, any state, territory, or possession thereof or the District of Columbia), whether arising prior to or subsequent to the commencement of these chapter 11 cases, whether known or unknown, and whether imposed by agreement, understanding, law, equity or otherwise arising under or out of, in connection with, or in any way related to the Debtors, the Debtors' interests in the Assets, the operation of the Debtors' businesses before the Closing (as defined below), or the transfer of the Debtors' interests in the Assets to Buyer (collectively, excluding any liabilities expressly assumed under the Lease Sale Agreement, the "Claims"), because, in each case, one or more of the standards set forth in section 363(f)(1)-(5) of the Bankruptcy Code have been satisfied. Those holders of Claims who did not timely object (or who ultimately withdrew their objections, if any) to the Sale Transaction or the Sale Notice are deemed to have consented pursuant to section 363(f)(2) of the Bankruptcy Code. Those holders of Claims who did object that have an interest in the Assets fall within one or more of the other subsections of section 363(f) of the Bankruptcy Code and are therefore adequately protected by having their Claims that constitute interests in the Assets, if any, attach solely to the proceeds of the Sale Transaction ultimately attributable to the property in which they have an interest, in the same order of priority and with the same validity, force and effect that such holders had prior to the Sale Transaction, subject to any defenses of the Debtors. All Persons having Claims of any kind or nature whatsoever against the Debtors or the Assets shall be forever barred, estopped and permanently enjoined from pursuing or asserting such Claims against Buyer or any of its assets, property, Affiliates, successors, assigns, or the Assets.

O. **Assumption and Assignment of Leases.** The assumption and assignment of the Leases is integral to the Lease Sale Agreement, is in the best interests of the Debtors and their estates, and represents the reasonable exercise of the Debtors' sound business judgment. Specifically, the assumption and assignment of the Leases (i) is necessary to sell the Assets to Buyer, (ii) limits the losses suffered by counterparties to the Leases, and (iii) maximizes value for all of the Debtors' stakeholders by limiting the amount of claims against the Debtors' estates by avoiding the rejection of the Leases.

P. With respect to each of the Leases, the Debtors have met all requirements of section 365(b) of the Bankruptcy Code. Further, Buyer has provided adequate assurance of future performance under the Leases in satisfaction of sections 365(b) and 365(f) of the Bankruptcy Code to the extent that any such assurance is required and not waived by the counterparties to such Leases. Accordingly, the Leases may be assumed by the Debtors and assigned to Buyer as provided for in the Lease Sale Agreement.

Q. **Validity of the Transfer.** As of the Closing (as defined in the Lease Sale Agreement), the transfer of the Assets to Buyer will be a legal, valid and effective transfer of the Assets, and will vest Buyer with all right, title and interest of the Debtors in and to the Assets, free and clear of all Claims.

R. The Debtors (i) have full corporate or limited liability company (as applicable) power and authority to execute the Lease Sale Agreement and all other documents contemplated thereby, and the Sale Transaction has been duly and validly authorized by all necessary action of the Debtors, (ii) have all of the corporate or limited liability company (as applicable) power and authority necessary to consummate the transactions contemplated by the Lease Sale Agreement, and (iii) upon entry of this Order, other than any consents identified in the Lease Sale Agreement

(including with respect to antitrust matters), need no consent or approval from any other Person to consummate the Sale Transaction.

S. The Assets constitute property of the Debtors' estates and good title is vested in the Debtors' estate within the meaning of section 541(a) of the Bankruptcy Code. The Debtors are the sole and rightful owners of the Assets, and no other Person has any ownership right, title, or interests therein.

T. The Lease Sale Agreement is a valid and binding contract between the Debtors and Buyer and shall be enforceable pursuant to its terms. The Lease Sale Agreement and the Sale Transaction, and the consummation thereof shall be specifically enforceable against and binding upon (without posting any bond) the Debtors, any chapter 7 or chapter 11 trustee appointed in these chapter 11 cases, and shall not be subject to rejection or avoidance by the foregoing parties or any other Person.

U. **Waiver of Bankruptcy Rules 6004(h) and 6006(d)**. The sale of the Assets must be approved and consummated promptly in order to preserve the value of the Assets. Therefore, time is of the essence in consummating the Sale Transaction, and the Debtors and Buyer intend to close the Sale Transaction as soon as reasonably practicable. The Debtors have demonstrated compelling circumstances and a good, sufficient, and sound business purpose and justification for the immediate approval and consummation of the Sale Transaction as contemplated by the Lease Sale Agreement. Accordingly, there is sufficient cause to lift the stay contemplated by Bankruptcy Rules 6004(h) and 6006(d) with regards to the transactions contemplated by this Order.

V. **Legal and Factual Bases**. The legal and factual bases set forth in the Sale Notice and herein establish just cause for the relief granted herein.

NOW THEREFORE, IT IS ORDERED THAT:

1. **Motion is Granted.** The Sale Notice and the relief requested therein is granted and approved, as set forth herein.

2. **Objections Overruled.** [All objections (except for objections to Cure Amounts, if any, that have been adjourned, solely to the extent such objections relate to any asserted cure obligations pursuant to sections 365(b)(1)(A) and (B) of the Bankruptcy Code (the “**Adjourned Cure Objections**”)), if any, to the Sale Notice or the relief requested therein that have not been withdrawn, waived or settled as announced to the Court at the Sale Hearing or by stipulation filed with the Court, and all reservations of rights included therein, are hereby overruled on the merits]/[No objections to the relief requested in the Sale Notice were received].

3. **Notice.** Notice of the Sale Notice and the relief requested therein [and the Sale Hearing] was fair and equitable under the circumstances and complied in all respects with section 102(1) of the Bankruptcy Code and Bankruptcy Rules 2002, 6004 and 6006.

4. **Fair Purchase Price.** The consideration provided by Buyer under the Lease Sale Agreement is fair and reasonable.

5. **Approval of the Lease Sale Agreement.** The Lease Sale Agreement, all transactions contemplated therein and all of the terms and conditions thereof are hereby approved. The failure specifically to include any particular provision of the Lease Sale Agreement in this Order shall not diminish or impair the effectiveness of such provision, it being the intent of the Court that the Lease Sale Agreement be authorized and approved in its entirety.

6. **Consummation of Sale Transaction.** Pursuant to sections 105, 363 and 365 of the Bankruptcy Code, the Debtors, as well as their officers, employees and agents, are authorized to execute, deliver and perform their obligations under and comply with the terms of the Lease

Sale Agreement and to consummate the Sale Transaction, pursuant to and in accordance with the terms and conditions of the Lease Sale Agreement and this Order.

7. The Debtors, their Affiliates and their respective officers, employees and agents, are authorized to execute and deliver, and authorized to perform under, consummate and implement all additional instruments and documents that may be reasonably necessary or desirable to implement the Lease Sale Agreement and to take all further actions as may be (a) reasonably requested by Buyer for the purpose of assigning, transferring, granting, conveying and conferring to Buyer, or reducing to possession, the Assets or (b) necessary or appropriate to the performance of the obligations contemplated by the Lease Sale Agreement, all without further order of the Court.

8. All Persons that are currently in possession of some or all of the Assets are hereby directed to surrender possession of such Assets to Buyer as of the Closing.

9. Each and every any federal, state, local, or foreign government or governmental or regulatory authority, agency, board, bureau, commission, court, department, or other governmental entity is hereby directed to accept any and all documents and instruments necessary and appropriate to consummate the transactions contemplated by the Lease Sale Agreement.

10. **Transfer of Assets Free and Clear.** Pursuant to sections 105(a), 363(b), 363(f) and 365 of the Bankruptcy Code, the Debtors are authorized to transfer the Assets in accordance with the terms of the Lease Sale Agreement. The Assets shall be transferred to Buyer, and upon the Closing, such transfer shall: (a) be valid, legal, binding and effective; (b) vest Buyer with all right, title and interest of the Debtors in the Assets; and (c) be free and clear of all Claims in accordance with section 363(f) of the Bankruptcy Code, with all Claims that represent interests in property to attach to the net proceeds of the Sale Transaction, in the same amount and order of

their priority, with the same validity, force and effect which they have against the Assets, and subject to any claims and defenses the Debtors may possess with respect thereto, in each case immediately before the Closing.

11. Except as otherwise provided in the Lease Sale Agreement, all Persons (and their respective successors and assigns) including, without limitation, all debt security holders, equity security holders, governmental, tax and regulatory authorities, lenders, employees, former employees, trade creditors and any other creditors holding Claims against the Debtors or the Assets, are hereby forever barred, estopped and permanently enjoined from asserting or pursuing such Claims against Buyer, its Affiliates, successors or assigns, its property or the Assets, including, without limitation, taking any of the following actions with respect to a Claim (other than an Assumed Liability): (a) commencing or continuing in any manner any action or other proceeding against Buyer, its Affiliates, successors or assigns, assets or properties; (b) enforcing, attaching, collecting or recovering in any manner any judgment, award, decree, or order against Buyer, its Affiliates, successors or assigns, assets, or properties; (c) creating, perfecting, or enforcing any Claims against Buyer, its successors or assigns, assets or properties; (d) asserting a Claim as a setoff, right of subrogation or recoupment of any kind against any obligation due Buyer or its successors or assigns; or (e) commencing or continuing any action in any manner or place that does not comply, or is inconsistent, with the provisions of this Order or the agreements or actions contemplated or taken in respect thereof. No such Persons shall assert or pursue against Buyer or its Affiliates, successors or assigns any such Claim.

12. This Order (a) shall be effective as a determination that, as of the Closing, all Claims, have been unconditionally released, discharged and terminated as to Buyer and the Assets, and that the conveyances and transfers described herein have been effected, and (b) is and shall be

binding upon and govern the acts of all Persons, including all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, administrative agencies, governmental departments, secretaries of state, federal and local officials and all other Persons who may be required by operation of law, the duties of their office, or contract, to accept, file, register or otherwise record or release any documents or instruments, or who may be required to report or insure any title or state of title in or to any lease; and each of the foregoing Persons is hereby directed to accept for filing any and all of the documents and instruments necessary and appropriate to consummate the transactions contemplated by the Lease Sale Agreement.

13. Following the Closing of the Sale Transaction, no holder of any Claim shall interfere with Buyer's title to or use and enjoyment of the Assets based on or related to any such Claim or based on any actions the Debtors may take in these chapter 11 cases.

14. Except as expressly set forth in the Lease Sale Agreement, Buyer and its successors and assigns shall have no liability for any Claim, whether known or unknown as of the Closing Date (as defined in the Lease Sale Agreement), now existing or hereafter arising, whether fixed or contingent, whether derivatively, vicariously, as a transferee or successor or otherwise, of any kind, nature or character whatsoever, including Claims arising under, without limitation: (a) any employment or labor agreements or the termination thereof; (b) any pension, welfare, compensation or other employee benefit plans, agreements, practices and programs, including, without limitation, any pension plan of or related to any of the Debtors or any Debtor's Affiliates or predecessors or any current or former employees of any of the foregoing, or the termination of any of the foregoing; (c) the Debtors' business operations or the cessation thereof; (d) any litigation involving one or more of the Debtors; and (e) any employee, workers' compensation, occupational

disease or unemployment or temporary disability related law, including, without limitation, claims that might otherwise arise under or pursuant to (i) the Employee Retirement Income Security Act of 1974, as amended, (ii) the Fair Labor Standards Act, (iii) Title VII of the Civil Rights Act of 1964, (iv) the Federal Rehabilitation Act of 1973, (v) the National Labor Relations Act, (vi) the Worker Adjustment and Retraining Notification Act of 1988, (vii) the Age Discrimination and Employee Act of 1967 and Age Discrimination in Employment Act, as amended, (viii) the Americans with Disabilities Act of 1990, (ix) the Consolidated Omnibus Budget Reconciliation Act of 1985, (x) the Multiemployer Pension Plan Amendments Act of 1980, (xi) state and local discrimination laws, (xii) state and local unemployment compensation laws or any other similar state and local laws, (xiii) state workers' compensation laws or (xiv) any other state, local or federal employee benefit laws, regulations or rules or other state, local or federal laws, regulations or rules relating to, wages, benefits, employment or termination of employment with any or all Debtors or any predecessors; (xv) any antitrust laws; (xvi) any product liability or similar laws, whether state or federal or otherwise; (xvii) any environmental laws, rules, or regulations, including, without limitation, under the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. §§ 9601, et seq., or similar state statutes; (xviii) any bulk sales or similar laws; (xix) any federal, state or local tax statutes, regulations or ordinances, including, without limitation, the Internal Revenue Code of 1986, as amended; and (xx) any common law doctrine of *de facto* merger or successor or transferee liability, successor-in-interest liability theory or any other theory of or related to successor liability.

15. If any Person that has filed financing statements, mortgages, mechanic's liens, *lis pendens* or other documents or agreements evidencing Claims against or in the Debtors or the Assets shall not have delivered to the Debtors prior to the Closing of the Sale Transaction, in proper

form for filing and executed by the appropriate parties, termination statements, instruments of satisfaction, releases of all interests which the Person has with respect to the Debtors or the Assets or otherwise, then with regard to the Assets that are purchased by Buyer pursuant to the Lease Sale Agreement and this Order (a) the Debtors are hereby authorized and directed to execute and file such statements, instruments, releases and other documents on behalf of the Person with respect to the Assets and (b) Buyer is hereby authorized to file, register or otherwise record a certified copy of this Order, which, once filed, registered or otherwise recorded, shall constitute conclusive evidence of the release of all Claims against the Assets. This Order is deemed to be in recordable form sufficient to be placed in the filing or recording system of each and every federal, state or local government agency, department or office.

16. **No Successor or Other Derivative Liability.** By virtue of the Sale Transaction, Buyer shall not be deemed to: (a) be a legal successor, or otherwise be deemed a successor to any of the Debtors; (b) have, *de facto* or otherwise, merged with or into any or all Debtors; or (c) be a mere continuation or substantial continuation of any or all Debtors or the enterprise or operations of any or all Debtors.

17. **Assumption and Assignment of Leases.** The Debtors are hereby authorized in accordance with sections 105(a) and 365 of the Bankruptcy Code to assume and assign the Leases to Buyer free and clear of all Claims, and to execute and deliver to Buyer such documents or other instruments as may be necessary to assign and transfer the Leases to Buyer as provided in the Lease Sale Agreement. Upon the Closing, Buyer shall be fully and irrevocably vested with all right, title and interest of the Debtors under the Leases and, pursuant to section 365(k) of the Bankruptcy Code, the Debtors shall be relieved from any further liability with respect to the Leases. Buyer acknowledges and agrees that from and after the Closing, subject to and in

accordance with the Lease Sale Agreement, it shall comply with the terms of each assumed and assigned Lease in its entirety, including any indemnification obligations expressly contained in such Lease that could arise as a result of events or omissions that occur from and after the Closing, unless any such provisions are not enforceable pursuant to the terms of this Order.

18. All Cure Amounts shall be determined and paid by the Debtors in accordance with the Discrete Lease Sale Procedures as approved by the Discrete Procedures Order. Payment of the Cure Amounts shall be in full satisfaction and cure of any and all defaults under the Leases, whether monetary or non-monetary. Each non-Debtor party to a Lease is forever barred, estopped and permanently enjoined from asserting against the Debtors or Buyer, their respective Affiliates, successors or assigns or the property of any of them, any default if such default was not raised or asserted prior to [or on the Objection Deadline]/[or at the Sale Hearing].

19. [An Adjourned Cure Objection may be resolved after the Closing Date. Upon resolution of an Adjourned Cure Objection and the payment of the applicable Cure Amount, if any, the applicable Lease that was the subject of such Adjourned Cure Objection shall be deemed assumed and assigned to the Buyer, as of the Closing Date.]

20. **Ipsa Facto Clauses Ineffective**. The Leases shall be transferred to, and remain in full force and effect for the benefit of, Buyer in accordance with their respective terms, including all obligations of Buyer as the assignee of the Leases, notwithstanding any provision in such Leases (including, without limitation, those of the type described in sections 365(e)(1) and (f) of the Bankruptcy Code) that prohibits, restricts or conditions such assignment or transfer. There shall be no rent accelerations, escalations, assignment fees, increases or any other fees charged to Buyer or the Debtors as a result of the assumption or assignment of the Leases.

21. Upon the Debtors' assignment of the Leases to Buyer under the provisions of this Order, no default shall exist under any Leases, and no counterparty to any Leases shall be permitted to declare a default by any Debtor or Buyer otherwise take action against Buyer as a result of any Debtor's financial condition, bankruptcy or failure to perform any of its obligations under the relevant Lease. Any provision in a Lease that prohibits or conditions the assignment or sublease of such Lease (including without limitation, the granting of a lien therein) or allows the counterparty thereto to terminate, recapture, impose any penalty, condition on renewal or extension, or modify any term or condition upon such assignment or sublease, constitutes an unenforceable anti-assignment provision that is void and of no force and effect. The failure of the Debtors or Buyer to enforce at any time one or more terms or conditions of any Lease shall not be a waiver of such terms or conditions, or of the Debtors' and Buyer's rights to enforce every term and condition of such Lease.

22. **Statutory Mootness.** The transactions contemplated by the Lease Sale Agreement are undertaken by Buyer in good faith, as that term is used in section 363(m) of the Bankruptcy Code, and accordingly, the reversal or modification on appeal of the authorization provided herein of the Sale Transaction shall neither affect the validity of the Sale Transaction nor the transfer of the Assets to Buyer, free and clear of Claims, unless such authorization is duly stayed before the Closing pending such appeal.

23. **No Avoidance of Lease Sale Agreement.** Neither the Debtors nor Buyer has engaged in any conduct that would cause or permit the Lease Sale Agreement to be avoided or costs and damages to be imposed under section 363(n) of the Bankruptcy Code. Accordingly, the Lease Sale Agreement, Related Agreements, and the Sale Transaction shall not be avoidable under section 363(n) of the Bankruptcy Code, and no party shall be entitled to any damages or other

recovery pursuant to section 363(n) of the Bankruptcy Code in respect of the Lease Sale Agreement, Related Agreements, or the Sale Transaction.

24. **Waiver of Bankruptcy Rules 6004(h) and 6006(d).** Notwithstanding the provisions of Bankruptcy Rules 6004(h) and 6006(d) or any applicable provisions of the Local Rules, this Order shall not be stayed after the entry hereof, but shall be effective and enforceable immediately upon entry, and the fourteen (14) day stay provided in Bankruptcy Rules 6004(h) and 6006(d) is hereby expressly waived and shall not apply. Any party objecting to this Order must exercise due diligence in filing an appeal and pursuing a stay within the time prescribed by law and prior to the Closing, or risk its appeal will be foreclosed as moot.

25. **Binding Effect of this Order.** The terms and provisions of the Lease Sale Agreement and this Order shall be binding in all respects upon, or shall inure to the benefit of, the Debtors, their estates and their creditors, Buyer, and each of their respective Affiliates, successors and assigns, and any affected third parties, including all Persons asserting Claims, notwithstanding any subsequent appointment of any trustee, examiner or receiver under any chapter of the Bankruptcy Code or any other law, and all such provisions and terms shall likewise be binding on such trustee, examiner or receiver and shall not be subject to rejection or avoidance by the Debtors, their estates, their creditors or any trustee, examiner or receiver.

26. **Conflicts; Precedence.** In the event that there is a direct conflict between the terms of this Order and the terms of the Lease Sale Agreement, the terms of this Order shall control.

27. **Modification of Lease Sale Agreement.** The Lease Sale Agreement, and any related agreements, documents or other instruments, may be modified, amended or supplemented by the parties thereto, in a writing signed by each party, and in accordance with the terms thereof, without further order of the Court; provided that any such modification, amendment or supplement

does not materially change the terms of the Lease Sale Agreement or any related agreements, documents or other instruments.

28. **Bulk Sales.** No bulk sales law or similar law of any state or other jurisdiction shall apply in any way to the transactions contemplated by the Lease Sale Agreement, the Sale Notice or this Order.

29. **Distribution of Proceeds.**

(a) On the Closing Date, Buyer shall pay to Debtors (in accordance with the terms of the Lease Sale Agreement), the balance of the purchase price remaining due and owing under the Lease Sale Agreement after accounting for the Deposit (as defined below) held by the Escrow Agent (as defined in the Lease Sale Agreement) such balance, together with the Deposit, the “**Purchase Price**”).

(b) On the Closing Date, the Debtors shall pay from the Purchase Price [the undisputed portion of] the Cure Amount to the applicable counterparty of each Lease. [The disputed portion of the Cure Amount set forth in an Adjourned Cure Objection shall be paid by the Debtors upon the earlier of (i) when the Debtors and the applicable counterparty to a Lease resolve an Adjourned Cure Objection and agree to a Cure Amount (with the consent of the Initial Consenting Noteholders solely as to any cure payment that is not within the ordinary course and consistent with the Debtors’ past practice, which consent shall not be unreasonably withheld) or (ii) within five (5) days after the date of the entry of a final order by this Court determining the Cure Amount.]

30. **Deposit.** Buyer has deposited with the Escrow Agent (as defined in the Lease Sale Agreement) the sum of \$850,000 (the “**Deposit**”) in connection with the Sale Transaction. On the

Closing Date, the Escrow Agent shall transfer the Deposit to the Debtors in accordance with the terms of the Lease Sale Agreement to be applied towards full satisfaction of the Purchase Price.

31. **Retention of Jurisdiction.** This Court shall retain exclusive jurisdiction to, among other things, interpret, enforce and implement the terms and provisions of this Order and the Lease Sale Agreement, all amendments thereto, any waivers and consents thereunder (and of each of the agreements executed in connection therewith), to adjudicate disputes related to this Order or the Lease Sale Agreement (and such other related agreements, documents or other instruments) and to enforce the injunctions set forth herein.
