Buyer shall pay (i) all state, county and local Transfer Taxes required to be paid in connection with the assignment and assumption of the Leases, and the consummation of the transactions contemplated herein, all of

which amounts shall be paid, if applicable, to the proper Governmental Authority on or prior to the Closing Date, and (ii) all title and escrow charges, if any.

b. Except as otherwise provided in this Agreement, all other costs and expenses of the transaction contemplated by this Agreement shall be borne by Buyer.

c. Buyer agrees to fully indemnify and hold each Seller harmless for, from and against any loss, cost, claim, damage or expense incurred, directly or indirectly, by Sellers as a result of Buyer's failure to pay any Taxes or costs pursuant to clauses (a) and (b) above. Buyer's obligations in this Section 13 shall survive the Closing Date.

14. Conditions to Closing.

a. Conditions to Both Seller's and Buyer's Obligations. Buyer's and Seller's obligations to consummate the transactions contemplated hereby in connection with the Closing are conditioned upon the entry by the United States Bankruptcy Court before which Sellers intend to file petitions under Chapter 11 of Title 11 of the United States Code (the "Bankruptcy Code") approving the sale of the Acquired Assets, including the assumption and assignment of the Leases, to Buyer pursuant to the terms of this Agreement (the "Sale Order"). The Sale Order shall provide: (i) that the Closing of the transactions contemplated by this Agreement is authorized; (ii) that the stay imposed by Federal Rule of Bankruptcy Procedure 6004(h) is waived; (iii) that the purchase and sale of the Acquired Assets is made in good faith and that Buyer, as a good-faith purchaser, is entitled to the protections set forth in Section 363(m) of the Bankruptcy Code; (iv) that the sale of the Acquired Assets to Buyer is free and clear of all claims, liens, encumbrances and other interests (the "Released Claims") pursuant to Sections 363(b) and (f) of the Bankruptcy Code; (v) that the liens of the Released Claims shall attach to the proceeds of the sale of the Acquired Assets, except as otherwise specified therein; (vi) that Sellers are authorized and ordered to cure the monetary defaults under the Leases in accordance with the procedures set forth in the pleading filed with the Bankruptcy Court requesting approval of the sale.

b. Conditions to Buyer's Obligations. Buyer's obligation to consummate the transactions contemplated hereby in connection with the Closing is subject to satisfaction or waiver of the following conditions:

(i) the representations and warranties set forth in Section 22.a) shall have been true and correct on the date hereof and as of the Closing (except to the extent expressly made as of an earlier date, in which case as of such date as if made at and as of such date), except where the failure of such representations and warranties to be so true and correct has not had and would not reasonably be expected to have a material adverse effect on the condition of Acquired Assets as a whole or on the ability of Sellers to consummate the transactions contemplated herein;

(ii) Sellers shall have performed and complied with its covenants and agreements hereunder through the Closing in all material respects;

(iii) each delivery contemplated by Section 11(a) to be delivered to Buyer shall have been delivered; and

(iv) Sellers shall deliver the Premises in vacant, broom clean condition with all FF&E being purchased pursuant to this Agreement, provided however that in the event Buyer is only purchasing FF&E, then Buyer shall have a period of fourteen (14) days from the Closing Date to remove the FF&E from the Leased Premises where it is located and Seller shall allow reasonable access to the applicable Leased Premises for such purpose.

c. Conditions to Seller's Obligations. Seller's obligations to consummate the transactions contemplated hereby in connection with the Closing are subject to satisfaction or waiver of the following conditions:

(i) the representations and warranties set forth in Section 22(b) shall have been true and correct on the date hereof and as of the Closing (except to the extent expressly made as of an earlier date, in which case as of such date as if made at and as of such date), except where the failure of such representations and warranties to be so true and correct has not had and would not reasonably be expected to have a material adverse effect on the ability of Buyer to consummate the transactions contemplated herein;

(ii) Buyer shall have performed and complied with all of its covenants and agreements hereunder through the Closing in all material respects; and

(iii) each payment contemplated by Section 2 to be made to Sellers shall have been made, and each delivery contemplated by Section 11(b) to be delivered to Sellers shall have been delivered.

d. No Frustration of Closing Conditions. Neither Buyer nor Sellers may rely on the failure of any condition to their respective obligations to consummate the transactions contemplated hereby set forth in Section 14(a) or Section 14(b), as the case may be, to be satisfied if such failure was caused by such Party's or its Affiliate's failure to use its reasonable best efforts to satisfy the conditions to the consummation of the transactions contemplated hereby or by any other breach by such Party or its Affiliates hereunder.

15. No Other Contingencies. Buyer expressly agrees and acknowledges that Buyer's obligations hereunder are not in any way conditioned upon or qualified by Buyer's ability to obtain financing of any type or nature whatsoever (i.e., whether by way of debt, financing or equity investment or otherwise) nor upon Buyer's ability to obtain title insurance.

16. Termination of Agreement.

a. The Parties may terminate this Agreement at any time prior to the Closing as provided below:

(i) by the mutual written consent of the Parties;

(ii) by any Party by giving written notice to the other Party if any court of competent jurisdiction shall have enacted or issued a Law or Decree permanently restraining, enjoining or otherwise prohibiting the consummation of the transactions contemplated by this Agreement and such Law or Decree or other action shall have become final and non-appealable; provided, however, that the right to terminate this Agreement under this Section 16(a)(ii) shall

not be available to Buyer if the failure to consummate the Assignment because of such action by a Governmental Authority shall be due to the failure of Buyer to have fulfilled any of its obligations under this Agreement.

b. Sellers may terminate this Agreement at any time prior to Closing if Buyer fails to satisfy the requirement set forth under Section 14(b)(iii), including delivery of the Deposit required hereunder. In such case, the Agreement shall be rendered null and void, Sellers shall be entitled to retain any and all consideration already paid to Seller, including, but not limited to, the Deposit.

c. Buyer may terminate this Agreement at any time prior to Closing if Seller fails to satisfy the requirements set forth under Sections 14(a)(iii) and 14(a)(iv). In such case, the Agreement shall be rendered null and void, and the Deposit and any and all consideration already paid to Seller shall be returned to Buyer.

d. Effect of Termination. If any Party terminates this Agreement pursuant to Sections 16(a) or 16(b), all rights and obligations of the Parties hereunder shall terminate upon such termination and shall become null and void (except this Section 166, Sections 21 and thereafter, and Schedule I shall survive any such termination) and no Party shall have any Liability to the other Party hereunder; provided, however, that nothing in this Section 166 shall relieve any Party from Liability for any breach occurring prior to any such termination set forth in this Agreement; provided, further, that other than in the case of fraud or willful misconduct, (a) the maximum Liability of Sellers under this Agreement shall not exceed the reasonable out of pocket expenses incurred by Buyer and (b) the maximum liability of Buyer under this Agreement shall not exceed the Deposit.

17. Delivery; "AS IS" Transaction.

a. Buyer acknowledges that it has fully inspected or waived the right to inspect the Premises prior to the execution of this Agreement and does hereby assume all of the risks, including, but not limited to, latent defects in the Premises. Sellers shall not be obligated to do any work or alter, restore, repair or develop the Premises, but Sellers shall deliver the Premises in vacant, broom clean condition, and with all FF&E. Any work (including demolition) which may be necessary to adapt the Premises for Buyer's occupancy or for the operation of Buyer's business therein shall be the sole responsibility of Buyer and shall be performed by Buyer at its sole cost and expense, in accordance with the terms of the Lease.

b. BUYER HEREBY ACKNOWLEDGES AND AGREES THAT EXCEPT AS PROVIDED HEREIN SELLERS MAKE NO REPRESENTATIONS, WARRANTIES, OR GUARANTEES WHATSOEVER, EXPRESS OR IMPLIED, WITH RESPECT TO: ANY MATTER RELATED TO THE LEASES, FEE SIMPLE PROPERTY OR THE PREMISES (INCLUDING, WITHOUT LIMITATION, INCOME TO BE DERIVED FROM OR EXPENSES TO BE INCURRED IN CONNECTION WITH THE PREMISES; THE PHYSICAL CONDITION OF THE PREMISES; THE PRESENCE OR ABSENCE OF ANY HAZARDOUS MATERIALS IN, ON OR ABOUT THE PREMISES OR ANY OTHER MATTER RELATED TO THE ENVIRONMENTAL CONDITION OF THE PREMISES; THE ZONING OF THE PREMISES; THE POSSIBILITY OF DEVELOPING OR USING THE

PREMISES IN THE MANNER CONTEMPLATED BY BUYER OR OBTAINING ANY CONSENTS, APPROVALS, PERMITS, AUTHORIZATIONS OR ENTITLEMENTS IN CONNECTION THEREWITH; THE VALUE OF THE LEASES OR THE PREMISES; THE FITNESS OF THE PREMISES, FOR ANY PARTICULAR PURPOSE OR USE; THE ACCURACY, COMPLETENESS, OWNERSHIP OR TRANSFERABILITY OF ANY DOCUMENTS OR OTHER MATERIALS FURNISHED TO BUYER WITH RESPECT TO THE PREMISES (OR ANY PORTION THEREOF); OR ANY OTHER MATTER OR THING RELATED TO THE LEASES OR THE PREMISES). BUYER ACKNOWLEDGES THAT BUYER HAS NOT RELIED, AND IS NOT RELYING, UPON ANY INFORMATION, DOCUMENT, SALES BROCHURES OR OTHER LITERATURE, MAPS OR SKETCHES, PROJECTIONS, PRO FORMAS, STATEMENTS, REPRESENTATIONS, GUARANTEES OR WARRANTIES (WHETHER EXPRESS OR IMPLIED, ORAL OR WRITTEN, OR MATERIAL OR IMMATERIAL) THAT MAY HAVE BEEN GIVEN BY OR MADE BY OR ON BEHALF OF SELLERS. BUYER ALSO ACKNOWLEDGES THAT EXCEPT AS PROVIDED HEREIN BUYER HAS CONDUCTED OR WAIVED THE RIGHT TO CONDUCT AN INDEPENDENT INSPECTION AND INVESTIGATION OF THE PHYSICAL AND ENVIRONMENTAL CONDITIONS OF THE PREMISES AND ALL SUCH OTHER MATTERS RELATED TO OR AFFECTING THE PREMISES AND/OR THE LEASES, AS BUYER DEEMED NECESSARY OR APPROPRIATE AND BUYER IS ACQUIRING THE LEASES AND THE PREMISES, BASED SOLELY UPON SUCH INDEPENDENT INSPECTIONS AND INVESTIGATIONS OR BUYER'S INDEPENDENT JUDGMENT, AND BUYER IS NOT RELYING UPON ANY REPRESENTATIONS OF SELLERS OR SELLERS' AGENTS. ACCORDINGLY, BUYER HEREBY ACCEPTS THE PREMISES IN THEIR "AS IS, WHERE IS," "WITH ALL FAULTS," CONDITION AND ALL LATENT OR PATENT DEFECTS.

performance of, or the failure or refusal to perform, any Legal Requirements. On and after the Closing Date, Seller and its successors and assigns agree to defend and indemnify Buyer and its Related Parties against, and hold each Seller and its Related Parties harmless from, any and all claims, actions, proceedings, suits, costs, Liabilities, losses, damages or expenses (including, without limitation, reasonable attorneys' fees and disbursements) that accrue after the Closing Date, arising from the breach of any representation or warranty made by Seller in this Agreement or made in connection with this Agreement or the failure by Seller to perform any covenant or obligation set forth in this Agreement or made in connection with this Agreement..

21. Casualty and Condemnation.

a. Sellers agrees to give Buyer prompt written notice of any fire, flood or similar casualty affecting any portion of the Acquired Assets or of any actual or threatened (to the extent that Sellers have current knowledge thereof) taking or condemnation of all or any portion of any Premises.

b. If prior to Closing there shall occur: (i) damage to any Premises caused by fire or other casualty; or (ii) the taking or condemnation of all or any portion of the Premises; then, in each case, the Closing Date shall occur as provided in this Agreement, and Buyer shall be assigned at the Closing Date (A) all interest of Sellers in and to any insurance proceeds (including, but not limited to, any proceeds of business interruption insurance for the period after the date of the Closing Date), subject to all applicable deductible amounts or (B) condemnation awards payable to Sellers on account of that event, less sums which Sellers incur before the Closing Date for the direct cost of the repair of any of the damage or taking that Sellers may elect, in its sole discretion, to undertake or in pursuing the collection of any such insurance proceeds or participating in any condemnation proceeding.

c. The Parties hereby waive the provisions of the Uniform Vendor and Purchaser Risk Act (to the extent the same is applicable to the Premises) and of any other Law to the same or similar effect, and agree that the same shall not apply to this Agreement.

22. Representations and Warranties.

a. Each Seller represents and warrants (as to its respective entity) to the Buyer that the statements contained in this Section 22.a) are true and correct as of the date of this Agreement and as of the Closing Date except as set forth in any materials or information furnished to Buyer by Sellers:

Sellers are not required to give any notice to, make any filing with, or obtain any authorization, consent or approval of any Governmental Authority in order for the Parties to consummate the transactions contemplated by this Agreement or any Related Agreement, provided that, in the event that a Seller is required or elects to give notice, file or obtain such authorization, consent or approval, such action does not, individually or in the aggregate, prevent or materially impair the applicable Seller's ability to consummate the transactions contemplated hereby or perform its obligations hereunder.

(iv) Title to Acquired Assets. As of the Closing Date, Sellers will have good and valid title to all of the Acquired Assets to be sold, transferred or conveyed by Sellers to Buyer pursuant to this Agreement, free and clear of any title defect, mortgage, security interest, lien or other encumbrance arising by, through or under Sellers.

Buyer is not required to give any notice to, make any filing with, or obtain any authorization, consent or approval of any Governmental Authority in order for the Parties to consummate the transactions contemplated by this Agreement or any Related Agreement, except where the failure to give notice, file or obtain such authorization, consent or approval would not, individually or in the aggregate, prevent or materially impair or delay Buyer's ability to consummate the transactions contemplated hereby or perform its obligations hereunder on a timely basis.

This Agreement, any documents delivered at Closing pursuant hereto, and any confidentiality agreement entered into by Sellers and Buyer in connection with this transaction, constitute the entire agreement between the Parties and supersede any prior understandings, agreements or representations (whether written or oral) by or between the Parties to the extent they relate in any way to the subject matter hereof. Notwithstanding any confidentiality agreement entered into by Sellers and Buyer, Sellers may disclose this Agreement to any Governmental Authority as Sellers deems necessary.

27. Further Assurances. In case at any time after the Closing any further action is necessary to carry out the purposes of this Agreement, each of the Parties will, at the requesting Party's sole cost and expense, take such further action (including the execution and delivery of such other reasonable instruments of sale, transfer, conveyance, assignment, assumption and confirmation, providing materials and information) as the other Party may reasonably request; provided, however, the transfer of any utilities relating to the Premises to the Buyer shall be done promptly by Sellers at no cost to Buyer or Sellers.

IT IS HEREBY FOUND AND DETERMINED THAT:

A. **Fed. R. Bankr. P. 7052**. The findings and conclusions set forth herein constitute the Court's findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052 made applicable to this proceeding pursuant to Bankruptcy Rule 9014. To the extent any of the following findings of fact constitute conclusions of law, they are adopted as such. To the extent any of the following conclusions of law constitute findings of fact, they are adopted as such.

B. **Jurisdiction and Venue**. This Court has jurisdiction to decide the Sale Notice and over the Sale Transaction and the property of the Debtors' estates, including the Assets, pursuant to 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference* from the United States District Court for the District of Delaware, dated as of February 29, 2012. This matter is a core proceeding pursuant to 28 U. S.C. § 157. Venue of these chapter 11 cases and the Sale Notice in this District is proper under 28 U.S.C. §§ 1408 and 1409.

C. **Statutory and Rule Predicates**. The statutory and other legal predicates for the relief sought in the Motion and Sale Notice are sections 105(a), 363 and 365 of the Bankruptcy Code, Bankruptcy Rules 2002, 6004, and 6006, and Local Rules 2002-1 and 6004-1.

D. **Notice and Opportunity to Object**. A fair and reasonable opportunity to object to and to be heard with respect to the Sale Notice, the Sale Transaction and the relief requested in the Sale Notice has been given, as required by the Bankruptcy Code, the Bankruptcy Rules, and the Local Rules to all Persons entitled to notice pursuant to the Discrete Procedures Order, including, but not limited to, the following: (i) all non-Debtor parties to the Leases, (ii) counsel to the Buyers; (iii) all entities known or reasonably believed to have asserted a lien, encumbrance, claim or other interest in any of the Assets; (iv) all parties who have requested notice in these chapter 11 cases pursuant to Bankruptcy Rule 2002; and (v) all other Sale Notice Parties. Such notice was good, sufficient, and appropriate under the circumstances, and complied in all respects with the Discrete Procedures Order and the Local Rules. No other or further notice of the foregoing is required.

E. **Final Order**. This Order constitutes a final order within the meaning of 28 U.S.C. § 158(a).

F. **Sound Business Purpose**. The Debtors have demonstrated good, sufficient, and sound business purposes and justifications for approval of the Sale Notice, the Lease Sale Agreement, and the Sale Transaction and in entering into the Lease Sale Agreement and related Bill of Sale and Assignment and Assumption Agreements (the "**Related Agreements**"). The Debtors' entry into and performance under the Lease Sale Agreement and Related Agreements (i) are a result of due deliberation by the Debtors and constitute a sound and reasonable exercise of the Debtors' business judgment consistent with their fiduciary duties, (ii) provide value to and are beneficial to the Debtors' estates, and are in the best interests of the Debtors and their stakeholders, and (iii) are reasonable and appropriate under the circumstances. Business justifications for the Sale Transaction include, but are not limited to, the following: (i) the Lease

Sale Agreement constitutes the highest or otherwise best offer received for the Assets; (ii) the Lease Sale Agreement presents the best opportunity to maximize the value of the Assets and avoid decline and devaluation of the Assets; and (iii) the value of the Debtors' estates will be maximized through the sale of the Assets pursuant to the Lease Sale Agreement.

G. **Compliance with Discrete Procedures Order**. The Debtors, the Buyers, and their respective counsel and other advisors have complied with the Discrete Procedures Order and the Discrete Lease Sale Procedures in all respects.

H. **Sale Process**. (i) The Debtors and their advisors, including Evercore Partners, LLC, engaged in a robust and comprehensive marketing and sale process, (ii) the Debtors conducted a fair and open sale process, (iii) the sale process was non-collusive and provided a full, fair and reasonable opportunity for other entities to make an offer to purchase the Assets, and (iv) the process maximized value for the Assets for the Debtors and their estates.

I. **Fair Consideration**. The consideration to be paid by the Buyers under the Lease Sale Agreement constitutes fair and reasonable consideration for the Assets.

J. **No Successor or Other Derivative Liability**. Buyers are not, and will not be, mere continuations, and are not holding themselves out as mere continuations, of any of the Debtors or their respective estates and there is no continuity between the Buyers and the Debtors. The Sale Transaction does not amount to a consolidation, merger or *de facto* merger of any Buyer and any of the Debtors.

K. **Good Faith**. The Lease Sale Agreement and each of the transactions contemplated therein were negotiated, proposed and entered into by the Debtors and Buyers in good faith, without collusion and from arm's-length bargaining positions. The Buyers are "good faith purchasers" within the meaning of section 363(m) of the Bankruptcy Code and, as such, are

entitled to all the protections afforded thereby. Neither the Debtors nor Buyers have engaged in any conduct that would cause or permit the Lease Sale Agreement to be avoided or costs and damages to be imposed under section 363(n) of the Bankruptcy Code. The Buyers are not "insiders" of any of the Debtors, as that term is defined in section 101 of the Bankruptcy Code, and no common identity of incorporators, directors, or controlling stockholders existed between any Buyer and any of the Debtors.

L. **Notice**. As evidenced by the certificates of service filed with the Court: (i) proper, timely, adequate and sufficient notice of the Sale Notice, [the Sale Hearing,] the Sale Transaction and the Proposed Sale Order was provided by the Debtors; (ii) such notice was good, sufficient and appropriate under the particular circumstances and complied with the Discrete Lease Sale Procedures as approved by the Discrete Procedures Order and the Local Rules; and (iii) no other or further notice of the Sale Notice[, the Sale Hearing], the Sale Transaction, or the Proposed Sale Order is required.

M. **Cure Notice**. As evidenced by the certificates of service filed with the Court, and in accordance with the provisions of the Discrete Lease Sale Procedures as approved by the Discrete Procedures Order, the Debtors have served notice (the "Cure Notice") of the Debtors' intent to assume and assign the Leases and of the related proposed cure amounts (the "Cure Amounts") upon each non-debtor counterparty to the Leases. The service of the Cure Notice was good, sufficient and appropriate under the circumstances and no further notice need be given with respect to the Cure Amounts for the assumption and assignment of the Leases. All non-Debtor parties to the Leases have had a reasonable opportunity to object both to the Cure Amounts listed on the applicable Cure Notice and to the assumption and assignment of the Leases to the Buyers.

N. **Satisfaction of Section 363(f) Standards**. The Debtors may sell the Assets free and clear of all liens, claims (including those that constitute a "claim" as defined in section 101(5) of the Bankruptcy Code), rights, liabilities, encumbrances and other interests of any kind or nature whatsoever against the Debtors or the Assets, including, without limitation, any debts arising under or out of, in connection with, or in any way relating to, any acts or omissions, obligations, demands, guaranties, rights, contractual commitments, restrictions, product liability claims, environmental liabilities, employee pension or benefit plan claims, multiemployer benefit plan claims, retiree healthcare or life insurance claims or claims for taxes of or against the Debtors, and any derivative, vicarious, transferee or successor liability claims, rights or causes of action (whether in law or in equity, under any law, statute, rule or regulation of the United States, any state, territory, or possession thereof or the District of Columbia), whether arising prior to or subsequent to the commencement of these chapter 11 cases, whether known or unknown, and whether imposed by agreement, understanding, law, equity or otherwise arising under or out of, in connection with, or in any way related to the Debtors, the Debtors' interests in the Assets, the operation of the Debtors' businesses before the Closing (as defined below), or the transfer of the Debtors' interests in the Assets to the Buyers (collectively, excluding any liabilities expressly assumed under the Lease Sale Agreement, the "Claims"), because, in each case, one or more of the standards set forth in section 363(f)(1)-(5) of the Bankruptcy Code have been satisfied. Those holders of Claims who did not timely object (or who ultimately withdrew their objections, if any) to the Sale Transaction or the Sale Notice are deemed to have consented pursuant to section 363(f)(2) of the Bankruptcy Code. Those holders of Claims who did object that have an interest in the Assets fall within one or more of the other subsections of section 363(f) of the Bankruptcy Code and are therefore adequately protected by having their Claims that constitute interests in the Assets, if any, attach

solely to the proceeds of the Sale Transaction ultimately attributable to the property in which they have an interest, in the same order of priority and with the same validity, force and effect that such holders had prior to the Sale Transaction, subject to any defenses of the Debtors. All Persons having Claims of any kind or nature whatsoever against the Debtors or the Assets shall be forever barred, estopped and permanently enjoined from pursuing or asserting such Claims against the Buyers or any of their assets, property, Affiliates, successors, assigns, or the Assets.

O. **Assumption and Assignment of Leases**. The assumption and assignment of the Leases is integral to the Lease Sale Agreement, is in the best interests of the Debtors and their estates, and represents the reasonable exercise of the Debtors' sound business judgment. Specifically, the assumption and assignment of the Leases (i) is necessary to sell the Assets to the Buyers, (ii) limits the losses suffered by counterparties to the Leases, and (iii) maximizes value for all of the Debtors' stakeholders by limiting the amount of claims against the Debtors' estates by avoiding the rejection of the Leases.

P. With respect to each of the Leases, the Debtors have met all requirements of section 365(b) of the Bankruptcy Code. Further, the Buyers have provided adequate assurance of future performance under the Leases in satisfaction of sections 365(b) and 365(f) of the Bankruptcy Code to the extent that any such assurance is required and not waived by the counterparties to such Leases. Accordingly, the Leases may be assumed by the Debtors and assigned to the Buyers as provided for in the Lease Sale Agreement.

Q. **Validity of the Transfer**. As of the Closing (as defined in the Lease Sale Agreement), the transfer of the Assets to the Buyers will be a legal, valid and effective transfer of the Assets, and will vest the Buyers with all right, title and interest of the Debtors in and to the Assets, free and clear of all Claims.

R. The Debtors (i) have full corporate or limited liability company (as applicable) power and authority to execute the Lease Sale Agreement and all other documents contemplated thereby, and the Sale Transaction has been duly and validly authorized by all necessary action of the Debtors, (ii) have all of the corporate or limited liability company (as applicable) power and authority necessary to consummate the transactions contemplated by the Lease Sale Agreement, and (iii) upon entry of this Order, other than any consents identified in the Lease Sale Agreement (including with respect to antitrust matters), need no consent or approval from any other Person to consummate the Sale Transaction.

S. The Assets constitute property of the Debtors' estates and good title is vested in the Debtors' estate within the meaning of section 541(a) of the Bankruptcy Code. The Debtors are the sole and rightful owners of the Assets, and no other Person has any ownership right, title, or interests therein.

T. The Lease Sale Agreement is a valid and binding contract between the Debtors and the Buyers and shall be enforceable pursuant to its terms. The Lease Sale Agreement and the Sale Transaction, and the consummation thereof shall be specifically enforceable against and binding upon (without posting any bond) the Debtors, any chapter 7 or chapter 11 trustee appointed in these chapter 11 cases, and shall not be subject to rejection or avoidance by the foregoing parties or any other Person.

U. **Waiver of Bankruptcy Rules 6004(h) and 6006(d)**. The sale of the Assets must be approved and consummated promptly in order to preserve the value of the Assets. Therefore, time is of the essence in consummating the Sale Transaction, and the Debtors and the Buyers intend to close the Sale Transaction as soon as reasonably practicable. The Debtors have demonstrated compelling circumstances and a good, sufficient, and sound business purpose and

justification for the immediate approval and consummation of the Sale Transaction as contemplated by the Lease Sale Agreement. Accordingly, there is sufficient cause to lift the stay contemplated by Bankruptcy Rules 6004(h) and 6006(d) with regards to the transactions contemplated by this Order.

3. **Notice.** Notice of the Sale Notice and the relief requested therein [and the Sale Hearing] was fair and equitable under the circumstances and complied in all respects with section 102(1) of the Bankruptcy Code and Bankruptcy Rules 2002, 6004 and 6006.

4. **Fair Purchase Price**. The consideration provided by the Buyers under the Lease Sale Agreement is fair and reasonable.

5. **Approval of the Lease Sale Agreement**. The Lease Sale Agreement, all transactions contemplated therein and all of the terms and conditions thereof are hereby approved.

The failure specifically to include any particular provision of the Lease Sale Agreement in this Order shall not diminish or impair the effectiveness of such provision, it being the intent of the Court that the Lease Sale Agreement be authorized and approved in its entirety.

6. **Consummation of Sale Transaction**. Pursuant to sections 105, 363 and 365 of the Bankruptcy Code, the Debtors, as well as their officers, employees and agents, are authorized to execute, deliver and perform their obligations under and comply with the terms of the Lease Sale Agreement and to consummate the Sale Transaction, pursuant to and in accordance with the terms and conditions of the Lease Sale Agreement and this Order.

The Assets shall be transferred to the Buyers, and upon the Closing, such transfer shall: (a) be valid, legal, binding and effective; (b) vest the Buyers with all right, title and interest of the Debtors in the Assets; and (c) be free and clear of all Claims in accordance with section 363(f) of the Bankruptcy Code, with all Claims that represent interests in property to attach to the net proceeds of the Sale Transaction, in the same amount and order of their priority, with the same validity, force and effect which they have against the Assets, and subject to any claims and defenses the Debtors may possess with respect thereto, in each case immediately before the Closing.

any obligation due the Buyers or their successors or assigns; or (e) commencing or continuing any action in any manner or place that does not comply, or is inconsistent, with the provisions of this Order or the agreements or actions contemplated or taken in respect thereof. No such Persons shall assert or pursue against the Buyers or their Affiliates, successors or assigns any such Claim.

12. This Order (a) shall be effective as a determination that, as of the Closing, all Claims, have been unconditionally released, discharged and terminated as to the Buyers and the Assets, and that the conveyances and transfers described herein have been effected, and (b) is and shall be binding upon and govern the acts of all Persons, including all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, administrative agencies, governmental departments, secretaries of state, federal and local officials and all other Persons who may be required by operation of law, the duties of their office, or contract, to accept, file, register or otherwise record or release any documents or instruments, or who may be required to report or insure any title or state of title in or to any lease; and each of the foregoing Persons is hereby directed to accept for filing any and all of the documents and instruments necessary and appropriate to consummate the transactions contemplated by the Lease Sale Agreement.

15. If any Person that has filed financing statements, mortgages, mechanic's liens, *lis pendens* or other documents or agreements evidencing Claims against or in the Debtors or the Assets shall not have delivered to the Debtors prior to the Closing of the Sale Transaction, in proper form for filing and executed by the appropriate parties, termination statements, instruments of satisfaction, releases of all interests which the Person has with respect to the Debtors or the Assets or otherwise, then with regard to the Assets that are purchased by the Buyers pursuant to the Lease Sale Agreement and this Order (a) the Debtors are hereby authorized and directed to execute and file such statements, instruments, releases and other documents on behalf of the Person with respect to the Assets and (b) the Buyers are hereby authorized to file, register or otherwise record a certified copy of this Order, which, once filed, registered or otherwise recorded, shall constitute conclusive evidence of the release of all Claims against the Assets. This Order is deemed to be in recordable form sufficient to be placed in the filing or recording system of each and every federal, state or local government agency, department or office.

16. **No Successor or Other Derivative Liability**. By virtue of the Sale Transaction, the Buyers shall not be deemed to: (a) be legal successors, or otherwise be deemed successors to any of the Debtors; (b) have, *de facto* or otherwise, merged with or into any or all Debtors; or (c) be mere continuations or substantial continuations of any or all Debtors or the enterprise or operations of any or all Debtors.

17. **Assumption and Assignment of Leases**. The Debtors are hereby authorized in accordance with sections 105(a) and 365 of the Bankruptcy Code to assume and assign the Leases to the Buyers free and clear of all Claims, and to execute and deliver to the Buyers such documents or other instruments as may be necessary to assign and transfer the Leases to the Buyers as provided in the Lease Sale Agreement. Upon the Closing, the Buyers shall be fully and irrevocably vested with all right, title and interest of the Debtors under the Leases and, pursuant to section 365(k) of the Bankruptcy Code, the Debtors shall be relieved from any further liability with respect to the Leases. The Buyers acknowledge and agree that from and after the Closing, subject to and in accordance with the Lease Sale Agreement, they shall comply with the terms of each assumed and assigned Lease in its entirety, including any indemnification obligations expressly contained in such Lease that could arise as a result of events or omissions that occur from and after the Closing, unless any such provisions are not enforceable pursuant to the terms of this Order.

18. All Cure Amounts shall be determined and paid by the Debtors in accordance with the Discrete Lease Sale Procedures as approved by the Discrete Procedures Order. Payment of the Cure Amounts shall be in full satisfaction and cure of any and all defaults under the Leases, whether monetary or non-monetary. Each non-Debtor party to a Lease is forever barred, estopped and permanently enjoined from asserting against the Debtors or Buyers, their respective Affiliates, successors or assigns or the property of any of them, any default if such default was not raised or asserted prior to [or on the Objection Deadline]/[or at the Sale Hearing].

19. [An Adjourned Cure Objection may be resolved after the Closing Date. Upon resolution of an Adjourned Cure Objection and the payment of the applicable Cure Amount, if any, the applicable Lease that was the subject of such Adjourned Cure Objection shall be deemed assumed and assigned to the applicable Buyer, as of the Closing Date.]

20. **Ipso Facto Clauses Ineffective**. The Leases shall be transferred to, and remain in full force and effect for the benefit of, the Buyers in accordance with their respective terms, including all obligations of the Buyers as the assignees of the Leases, notwithstanding any provision in such Leases (including, without limitation, those of the type described in sections 365(e)(1) and (f) of the Bankruptcy Code) that prohibits, restricts or conditions such assignment or transfer. There shall be no rent accelerations, escalations, assignment fees, increases or any other fees charged to the Buyers or the Debtors as a result of the assumption or assignment of the Leases.

21. Upon the Debtors' assignment of the Leases to the Buyers under the provisions of this Order, no default shall exist under any Leases, and no counterparty to any Leases shall be permitted to declare a default by any Debtor or Buyer or otherwise take action against the Buyers as a result of any Debtor's financial condition, bankruptcy or failure to perform any of its obligations under the relevant Lease. Any provision in a Lease that prohibits or conditions the assignment or sublease of such Lease (including without limitation, the granting of a lien therein) or allows the counterparty thereto to terminate, recapture, impose any penalty, condition on renewal or extension, or modify any term or condition upon such assignment or sublease, constitutes an unenforceable anti-assignment provision that is void and of no force and effect. The failure of the Debtors or Buyers to enforce at any time one or more terms or conditions of any Lease shall not be a waiver of such terms or conditions, or of the Debtors' and Buyers' rights to enforce every term and condition of such Lease.

22. **Statutory Mootness**. The transactions contemplated by the Lease Sale Agreement are undertaken by the Buyers in good faith, as that term is used in section 363(m) of the Bankruptcy Code, and accordingly, the reversal or modification on appeal of the authorization provided herein

of the Sale Transaction shall neither affect the validity of the Sale Transaction nor the transfer of the Assets to the Buyers, free and clear of Claims, unless such authorization is duly stayed before the Closing pending such appeal.

23. **No Avoidance of Lease Sale Agreement**. Neither the Debtors nor the Buyers have engaged in any conduct that would cause or permit the Lease Sale Agreement to be avoided or costs and damages to be imposed under section 363(n) of the Bankruptcy Code. Accordingly, the Lease Sale Agreement, Related Agreements, and the Sale Transaction shall not be avoidable under section 363(n) of the Bankruptcy Code, and no party shall be entitled to any damages or other recovery pursuant to section 363(n) of the Bankruptcy Code in respect of the Lease Sale Agreement, Related Agreements, or the Sale Transaction.

24. **Waiver of Bankruptcy Rules 6004(h) and 6006(d)**. Notwithstanding the provisions of Bankruptcy Rules 6004(h) and 6006(d) or any applicable provisions of the Local Rules, this Order shall not be stayed after the entry hereof, but shall be effective and enforceable immediately upon entry, and the fourteen (14) day stay provided in Bankruptcy Rules 6004(h) and 6006(d) is hereby expressly waived and shall not apply. Any party objecting to this Order must exercise due diligence in filing an appeal and pursuing a stay within the time prescribed by law and prior to the Closing, or risk its appeal will be foreclosed as moot.

25. **Binding Effect of this Order**. The terms and provisions of the Lease Sale Agreement and this Order shall be binding in all respects upon, or shall inure to the benefit of, the Debtors, their estates and their creditors, the Buyers, and each of their respective Affiliates, successors and assigns, and any affected third parties, including all Persons asserting Claims, notwithstanding any subsequent appointment of any trustee, examiner or receiver under any chapter of the Bankruptcy Code or any other law, and all such provisions and terms shall likewise

be binding on such trustee, examiner or receiver and shall not be subject to rejection or avoidance by the Debtors, their estates, their creditors or any trustee, examiner or receiver.

26. **Conflicts; Precedence**. In the event that there is a direct conflict between the terms of this Order and the terms of the Lease Sale Agreement, the terms of this Order shall control.

27. **Modification of Lease Sale Agreement**. The Lease Sale Agreement, and any related agreements, documents or other instruments, may be modified, amended or supplemented by the parties thereto, in a writing signed by each party, and in accordance with the terms thereof, without further order of the Court; provided that any such modification, amendment or supplement does not materially change the terms of the Lease Sale Agreement or any related agreements, documents or other instruments.

28. **Bulk Sales**. No bulk sales law or similar law of any state or other jurisdiction shall apply in any way to the transactions contemplated by the Lease Sale Agreement, the Sale Notice or this Order.

29. **Distribution of Proceeds**.

(a) On the Closing Date, the Buyers shall pay to Debtors (in accordance with the terms of the Lease Sale Agreement), the balance of the purchase price remaining due and owing under the Lease Sale Agreement after accounting for the Deposit (as defined below) held by the Escrow Agent (as defined in the Lease Sale Agreement) such balance, together with the Deposit, the "**Purchase Price**").

(b) On the Closing Date, the Debtors shall pay from the Purchase Price [the undisputed portion of] the Cure Amount to the applicable counterparty of each Lease. [The disputed portion of the Cure Amount set forth in an Adjourned Cure Objection shall be paid by the Debtors upon the earlier of (i) when the Debtors and the applicable counterparty to a Lease

resolve an Adjourned Cure Objection and agree to a Cure Amount (with the consent of the Initial Consenting Noteholders solely as to any cure payment that is not within the ordinary course and consistent with the Debtors' past practice, which consent shall not be unreasonably withheld) or (ii) within five (5) days after the date of the entry of a final order by this Court determining the Cure Amount.

30. **Deposit**. The Buyers have deposited with the Escrow Agent (as defined in the Lease Sale Agreement) the sum of $197,700 (the "**Deposit**") in connection with the Sale Transaction. On the Closing Date, the Escrow Agent shall transfer the Deposit to the Debtors in accordance with the terms of the Lease Sale Agreement to be applied towards full satisfaction of the Purchase Price.

31. **Retention of Jurisdiction**. This Court shall retain exclusive jurisdiction to, among other things, interpret, enforce and implement the terms and provisions of this Order and the Lease Sale Agreement, all amendments thereto, any waivers and consents thereunder (and of each of the agreements executed in connection therewith), to adjudicate disputes related to this Order or the Lease Sale Agreement (and such other related agreements, documents or other instruments) and to enforce the injunctions set forth herein.
