ARTICLE II. CLASSIFICATION OF CLAIMS AND INTERESTS; IMPAIRMENT

2.1 Generally. Pursuant to section 1122 of the Bankruptcy Code, all Claims and Interests in the Debtors, except Administrative Expense Claims, Professional Claims, and Priority Tax Claims, are placed in Classes as summarized in this Article below and more fully set forth in Article III. In accordance with section 1123(a)(1) of the Bankruptcy Code, Administrative Expense Claims, Professional Claims and Priority Tax Claims have not been classified and are treated as set forth in Article IV, below.

The following summary is for the convenience of all interested parties and is superseded for all purposes by the classification, description and treatment of Claims and Interests in Articles III and IV. The categories of Claims and Interests set forth below classify all Claims against and Interests in the Debtors for all purposes of this Plan. A Claim or Interest shall be deemed classified in a particular Class only to the extent the Claim or Interest qualifies within the description of that Class and shall be deemed classified in a different Class to the extent that any remainder of such Claim or Interest

qualifies within the description of such different Class. A Claim or Interest is in a particular Class only to the extent that such Claim or Interest is Allowed in that Class and has not been paid or otherwise settled prior to the Effective Date. The treatment with respect to each Class of Claims and Interests provided for in Articles III and IV shall be in full and complete satisfaction, release and discharge of such Claims and Interests.

2.2 Settlement of Intercompany Claims and Treatment of Claims Generally. In settlement and compromise of certain existing and potential disputes regarding Interdebtor Claims and related matters, pursuant to sections 1123(b)(3) and (6) of the Bankruptcy Code and Bankruptcy Rule 9019, the Plan treats the Debtors as compromising a single Estate solely for purposes of voting on the Plan, Confirmation of the Plan and making Distributions in respect of Claims and Interests under the Plan. Such treatment shall not affect any Debtor’s status as a separate legal entity, change the organizational structure of the Debtors’ business enterprise, constitute a change of control of any Debtor for any purpose, cause a merger or consolidation of any legal entities, nor cause the transfer of any Assets of any of the Debtors or their Estates, and all Debtors shall continue to exist as separate legal entities. The above treatment serves only as a mechanism to effect a fair distribution of value to the Debtors’ constituencies. Any Avoidance Action held by any of the Debtors against any Entity other than another Debtor or a Non-Debtor Affiliate is preserved and remains unaffected by the provisions of this Section.

2.3 Treatment of Multiple Claims and Guaranty and Joint Liability Claims Against Multiple Debtors. A Creditor which holds multiple Claims against a single Debtor or multiple Claims against multiple Debtors, all of which Claims are based upon or relate to the same or similar indebtedness or obligations, whether by reason of guarantee, indemnity agreement, joint and several obligation or otherwise, shall be deemed to have only one Claim against the Estates in an amount equal to the largest of all such similar Allowed Claims for purposes of Distributions under the Plan. For purposes of voting on the Plan, any Creditor holding such similar Claims against a Debtor or multiple Debtors may only vote the largest of all such similar Allowed Claims.

2.4 Summary of Classification. The classification of Claims under this Plan is as follows:

3.16 Class 13 – Non-Debtor Intercompany Claims.

- (1) Classification. Class 13 consists of Non-Debtor Intercompany Claims, which includes all Claims asserted by any Creditor whose Claims are derivative of liabilities owed to any Non-Debtor Affiliate.
- (2) Treatment. The Holder of each Allowed Class 13 Claim will not receive or retain any property of the Debtors under the Plan on account of such Claim and such Non-Debtor Intercompany Claims will be cancelled as of the Effective Date.
- (3) Voting. No Allowed Class 13 Claims are entitled to vote to accept or reject the Plan because the Holders of such Claims will receive no Distribution under the Plan and, pursuant to section 1126(g) of the Bankruptcy Code, such Holders are conclusively deemed to have rejected the Plan and, therefore, are not entitled to vote to accept or reject the Plan.

3.17 Special Provision Governing Unimpaired Claims. Except as otherwise provided in this Plan, nothing under this Plan is intended to or shall affect the Debtors', the Reorganized Debtors' or the Claims Agent's rights and defenses in respect of any Claim that is Unimpaired under this Plan, including all rights in respect of legal and equitable defenses to or setoffs or recoupment against such Unimpaired Claims.

3.18 Preservation of Subordination Rights. Nothing contained in this Plan shall be deemed to modify, impair, terminate or otherwise affect in any way the rights of any Entity under section 510(a) of the Bankruptcy Code, and all such rights are expressly preserved under this Plan. The treatment set forth in this Article III and the Distributions to the various Classes of Claims hereunder shall not affect the right of any Person to levy, garnish, attach, or employ any other legal process with respect to such Distributions by

reason of any claimed subordination rights or otherwise. All such rights and any agreements relating thereto shall remain in full force and effect, except as otherwise expressly compromised and settled pursuant to the Plan.

Distributions shall be subject to and modified by any Final Order directing Distributions other than as provided in the Plan. Except respecting the FRN Claims, the right of the Debtors or any other Entity to seek subordination of any Claim pursuant to section 510 of the Bankruptcy Code is fully reserved except as set forth in Sections 11.3, 11.4 and 11.8 below, and the treatment afforded any Claim that becomes a subordinated Claim at any time shall be modified to reflect such subordination. Except respecting the FRN Claims, unless the Confirmation Order provides otherwise, no Distribution shall be made to the Holder of a subordinated Claim on account of such claim until the rights or the Holders of Claims senior to such Claim have been satisfied.

Unless the Confirmation Order provides otherwise and unless and until all Allowed Class 5A Claims have been satisfied in full in accordance with the provisions of the Exchangeable Debentures Indenture and the Senior Notes Indenture, no Distribution shall be made on account of Class 5C Claims to the Indenture Trustee for the Exchangeable Debentures or the Holders of Exchangeable Debentures Claims. Accordingly, unless the Confirmation Order provides otherwise, the Pro Rata portion of any Distribution allocable to Allowed Class 5C Claims shall be distributed to Holders of Allowed Class 5A Claims unless and until all Allowed Class 5A Claims have been satisfied in full in accordance with the provisions of the Exchangeable Debentures Indenture and the Senior Notes Indenture.³

Payment on an Administrative Expense Claim that arose in the ordinary course of the Debtors' business will not be made until such payment would have become due in the ordinary course of the Debtors' business or under the terms of the legal obligation giving rise to the Claim in the absence of the Chapter 11 Cases.

(b) Payment Of Statutory Fees.

On or before the Effective Date, all fees then payable pursuant to 28 U.S.C. § 1930 shall be paid in full in Cash.

(c) Bar Date for Administrative Expense Claims.

(i) General Provisions.

Except for Administrative Expense Claims of Professionals for Professional Compensation, which are addressed in Section 4.2(1)(c)(ii) below, and 503(b)(9) Claims, which are addressed in Section 4.2(1)(c)(vi) below, and except as otherwise provided below for (A) non-tax liabilities incurred in the ordinary course of business by each Debtor, (B) Postpetition Tax Claims and (C) the fees and expenses of the Ad Hoc Consortium professionals, Indenture Trustees and Indenture Trustee Fees and Expenses, requests for payment of Administrative Expense Claims must be Filed and served on counsel for the Reorganized Debtors no later than (x) the Administrative Expense Claim Bar Date, or (y) such later date, if any, as the Bankruptcy Court shall order upon application made prior to the expiration of the Administrative Expense Claim Bar Date. Holders of Administrative Expense Claims (including the Holders of any Claims for federal, state or local taxes) that are required to File a request for payment of such Claims and that do not File such requests by the applicable bar date shall be forever barred from asserting such Claims against any of the Debtors or the Reorganized Debtors or any of their respective properties.

(ii) Professionals.

(A) Entities requesting Professional Compensation pursuant to any of sections 327, 328, 330, 331, 363, 503(b) and 1103 of the Bankruptcy Code for services rendered on or before the Confirmation Date shall File and serve on the

Debtors, or the Reorganized Debtors, as applicable, the Fee Auditor, the United States Trustee, and any other party entitled to receive a copy of such application pursuant to rule or Order of the Bankruptcy Court, an application for final allowance of compensation and reimbursement of expenses on or before sixty (60) days after the Effective Date.

(B) Objections to applications of Professionals or other Entities for Professional Compensation must be Filed and served on the Debtors or Reorganized Debtors, as applicable, the Fee Auditor, the United States Trustee, and the Professionals (or other Entities) to whose application the objections are addressed on or before the later of (i) thirty (30) days after such application is Filed with the Bankruptcy Court, (ii) ninety (90) days after the Effective Date, or (iii) such later date as the Bankruptcy Court shall order upon application or upon agreement between the Reorganized Debtors and the affected Professional (or other Entity).

(C) The Fee Auditor shall continue to act in its appointed capacity until all final applications for Professional Compensation have been ruled on by the Bankruptcy Court, and the Debtors and Reorganized Debtors, as the case may be, shall be responsible to pay the fees and expenses incurred by the Fee Auditor in rendering services prior to and after the Effective Date.

(iii) Ad Hoc Consortium Professionals, Indenture Trustees and Indenture Trustees' Professionals.

The Ad Hoc Consortium's professionals, the Indenture Trustees, and the Indenture Trustees' professionals may seek payment of their reasonable fees and/or expenses incurred on or before the Effective Date, to the extent unpaid as of the Effective Date, by delivering copies to the Reorganized Debtors of invoices, statements, receipts and/or other documents evidencing, in reasonable detail, such fees and/or expenses, which invoices, statements, receipts and/or other documents may be delivered prior to the Effective Date. The Reorganized Debtors shall have thirty (30) days from receipt of such invoices, statements, receipts and/or other documents to send written notice to the requesting Entity that they object to the payment thereof in full or in part, and describing the portion objected to, if less than all. In the event the Reorganized Debtors give notice of objection hereunder, the disputed portion of such fees and/or expenses shall not be required to be paid to such requesting Entity until such objection is withdrawn or the Bankruptcy Court resolves the dispute by Final Order following notice and hearing. To the extent the objecting party and such requesting Entity are unable to resolve any objection to the disputed fees and expenses within thirty (30) days after the date on which the objecting party delivered its notice of objection to the requesting Entity, the objecting party shall be required to immediately File its objection with the Bankruptcy Court. The requesting Entity may file a motion seeking payment of any disputed amounts at any time after receiving written notice of a dispute from the Reorganized Debtors. If no written objection to such fees and/or expenses is timely sent to the requesting Entity, then the Reorganized Debtors will promptly pay the amounts requested.

The Ad Hoc Consortium's professionals shall be entitled to assert a Claim for reasonable services rendered and expenses incurred in connection with the consummation

of the Plan. In the event an appeal is pending from the Confirmation Order as of the Effective Date, the Ad Hoc Consortium's professionals shall be entitled to compensation and reimbursement of expenses for services related to such appeal; provided, however, that the Ad Hoc Consortium's professionals shall not be entitled to compensation and reimbursement of expenses for services related to such appeal if the Holders of FRN Claims have received the Distributions set forth in Section 3.3 herein. The Ad Hoc Consortium Professionals may also recover their reasonable fees and expenses incurred in litigating any disputed fees and/or expenses to the extent allowed by the court adjudicating such litigation.

Notwithstanding the foregoing or anything to the contrary in the Plan, any "charging lien" held by any Indenture Trustee is unaffected by the Plan, and the Indenture Trustees are entitled to assert any such "charging liens" to obtain payment of their respective fees and expenses and the fees and expenses of their professionals in lieu of the Bankruptcy Court resolution procedure described above, and nothing in this Section shall be deemed to impair, extinguish, or negatively impact the Indenture Trustees' charging liens.

(iv) Ordinary Course Liabilities.

Holders of Administrative Expense Claims (other than Postpetition Tax Claims) based on liabilities incurred in the ordinary course of the Debtors' business within 60 days prior to the Effective Date shall not be required to File any request for payment of such Claims. Such Administrative Expense Claims shall be assumed and paid by the Reorganized Debtors, as appropriate, pursuant to the terms and conditions of the particular transaction giving rise to such Administrative Expense Claim, without any further action by the Holders of such Claims; provided, however, that, notwithstanding the foregoing, the Reorganized Debtors reserve the right to dispute through any means permitted at law, equity and/or contract any Administrative Expense Claims based on liabilities incurred after the Petition Date in the ordinary course of the Debtors' business that the Reorganized Debtors believe are incorrect, invalid or otherwise objectionable.

(v) Postpetition Tax Claims.

All requests for payment of Postpetition Tax Claims, for which no Bar Date has otherwise been previously established, must be Filed on or before the later of (i) sixty (60) days following the Effective Date; and (ii) one hundred and twenty (120) days following the filing of the tax return for such tax year or period with the applicable governmental unit. Any Holder of any Postpetition Tax Claim that is required to File a request for payment of such taxes and that does not File such a Claim by the applicable Bar Date shall be forever barred from asserting any such Postpetition Tax Claim against any of the Debtors or Reorganized Debtors, or any of their respective Assets, whether any such Postpetition Tax Claim is deemed to arise prior to, on, or subsequent to, the Effective Date.

(vi) 503(b)(9) Claims.

In accordance with the Bar Date Order, all proofs of claim or requests for payment of 503(b)(9) Claims were required to be Filed on or before September 4, 2009. Pursuant to the Bar Date Order, any Holder of a 503(b)(9) Claims that failed to File such a Claim by September 4, 2009, shall be forever barred from asserting any 503(b)(9) Claim against any of the Debtors or Reorganized Debtors, or any of their respective Assets.

(2) Treatment of Priority Tax Claims.

At the election of the Debtors, each Holder of an Allowed Priority Tax Claim will receive in full satisfaction of such Allowed Priority Tax Claim (a) payments in Cash, in regular installments over a period ending not later than five (5) years after the Petition Date, of a total value, as of the Effective Date, equal to the Allowed amount of such Claim; (b) a lesser amount in one Cash payment as may be agreed upon in writing by such Holder and the Debtors or Reorganized Debtors, as applicable; or (c) such other treatment as may be agreed upon in writing by such Holder and the Debtors or Reorganized Debtors, as applicable, provided that, such agreed upon treatment may not provide such Holder with a return having a present value as of the Effective Date that is greater than the amount of such Holder's Allowed Priority Tax Claim or that is less favorable than the treatment provided to the most favored nonpriority Unsecured Claims under the Plan. A Secured Claim which would otherwise meet the description of an Allowed Priority Tax Claim, but for the secured status of that Claim, shall be deemed to be a Priority Tax Claim for purposes of this Plan and receive the treatment set forth in the preceding sentence. The Confirmation Order shall enjoin any Holder of an Allowed Priority Tax Claim from commencing or continuing any action or proceeding against any responsible person, officer or director of the Debtors or the Reorganized Debtors that might be liable to such Holder for payment of a Priority Tax Claim so long as the Debtors or Reorganized Debtors, as the case may be, are in compliance with this Section as to such Allowed Priority Tax Claim. So long as the Holder of an Allowed Priority Tax Claim is enjoined from commencing or continuing any action or proceeding against any responsible person, officer or director under this Section or pursuant to the Confirmation Order, the statute of limitations for commencing or continuing any such action or proceeding shall be tolled. In accordance with section 1124 of the Bankruptcy Code, this Plan leaves unaltered the legal, equitable, and contractual rights of each Holder of a Priority Tax Claim.

ARTICLE V.

TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

5.1 Assumption and Cure of Executory Contracts and Unexpired Leases. On or before the date that is the fifth day before the Voting Deadline, the Debtors will File an Exhibit to this Plan identifying executory contracts and unexpired leases to be assumed pursuant to the Plan in addition to those previously assumed by the Debtors by order of the Bankruptcy Court (the "**Contract/Lease Schedule**"), provided that the Debtors reserve the right to amend the Contract/Lease Schedule at any time up to three (3) days before the Confirmation Hearing to delete any executory contract or unexpired lease contained therein, or, with the consent of the affected counterparty, to add any executory

contract or unexpired lease to the Contract/Lease Schedule. The Debtors will provide notice of any amendments to the Contract/Lease Schedule to the parties to the executory contracts and unexpired leases added or removed and the Creditors' Committee, the Ad Hoc Consortium and the Senior Noteholders Group. The Contract/Lease Schedule shall include a designation of the monetary cure amount the Debtors believe is owed with respect to each executory contract or unexpired lease set forth in the schedule. Except as provided elsewhere in this Plan, any non-Debtor party to an executory contract or unexpired lease shall File and serve its objection thereto in writing no later than 4:00 p.m. (prevailing Eastern Time) on the day that is seven (7) days after the Debtors file and serve the Contract/Lease Schedule. The failure of any non-Debtor party to an executory contract or unexpired lease to File and serve an objection to the cure amount listed on the Contract/Lease Schedule for such contract or lease, or an objection to the assumption of the contract or lease, by the deadline therefor shall be deemed consent to the assumption of the contract or lease and to such cure amount. On the Effective Date, in addition to all executory contracts and unexpired leases that have been previously assumed by the Debtors by Order of the Bankruptcy Court, each of the executory contracts and unexpired leases of the Debtors that are identified in the Contract/Lease Schedule, shall be deemed assumed in accordance with the provision and requirements of sections 365 and 1123 of the Bankruptcy Code.

5.2 Cure of Defaults of Assumed Executory Contracts and Unexpired Leases.

The monetary cure amounts owed under each executory contract and unexpired lease to be assumed pursuant to the Plan, as set forth in the Contract/Lease Schedule, or as otherwise established by the Bankruptcy Court at the Confirmation Hearing, shall be satisfied, pursuant to section 365(b)(1) of the Bankruptcy Code, by payment of the cure amount in Cash on the later of (i) the Effective Date (or as soon as practicable thereafter), (ii) as due in the ordinary course of business or (iii) on such other terms as the parties to such executory contracts or unexpired leases may otherwise agree. In the event of a dispute regarding: (1) the amount of any cure payments, (2) the ability of the Reorganized Debtors or any assignee to provide "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code) under the contract or lease to be assumed or assigned, or (3) any other matter pertaining to assumption, the cure payments required by section 365(b)(1) of the Bankruptcy Code shall be made on the later of: (A) the applicable date set forth in clause (i), (ii), or (iii), above, and (B) fifteen (15) days following the entry of a Final Order resolving the dispute and approving the assumption.

5.3 Consent Rights.

[Reserved.]

5.4 Effect of Assumption and/or Assignment.

Each executory contract and unexpired lease assumed and/or assigned pursuant to this Article V (or pursuant to Bankruptcy Court Order) shall remain in full force and effect and be fully enforceable by the applicable Reorganized Debtor(s) in accordance with its terms, except as modified by the provisions of the Plan, or any Order of the Bankruptcy Court authorizing and

providing for its assumption. To the extent applicable, all executory contracts or unexpired leases of the Reorganized Debtors assumed during the Chapter 11 Cases, including those assumed pursuant to Section 5.1, shall be deemed modified such that the transactions contemplated by the Plan shall not be a “change of control,” however such term may be defined in the relevant executory contract or unexpired lease, and any required consent under any such contract or lease shall be deemed satisfied by the confirmation of the Plan.

5.5 Rejection of Executory Contracts and Unexpired Leases. All executory contracts or unexpired leases of the Reorganized Debtors not set forth on the Contract/Lease Schedule (or not previously assumed by the Debtors by Order of the Bankruptcy Court or the subject of a motion to assume Filed prior to the commencement of the Confirmation Hearing) that were not previously rejected will be deemed rejected as of the Effective Date pursuant to sections 365 and 1123 of the Bankruptcy Code.

5.6 Employment Agreements and Other Benefits.

- (1) Employment Agreements. Except as otherwise provided in this Plan, to the extent the Debtors had employment agreements with certain of their employees as of the Petition Date, the Debtors will disclose in the Contract/Lease Schedule whether they intend to assume or reject such contracts. Notwithstanding anything to the contrary in this Plan, the Reorganized Debtors shall maintain all of their existing rights, including any rights that they may have to amend, modify, or terminate, the employment agreements assumed pursuant to this Article, subject to the existing contractual rights, if any, of the directors, officers or employees affected thereby.
- (2) Compensation and Benefit Programs. All employment and severance agreements and policies and all compensation and benefit plans, policies, and programs of the Debtors applicable to their employees, officers and directors in effect as of the Confirmation Date (including all savings plans, retirement plans, health care plans, disability plans, severance benefit agreements and plans, incentive plans, and life, accidental death and dismemberment insurance plans) shall, to the extent listed on the Contract/Lease Schedule, be treated as executory contracts under the Plan, and on the Effective Date will be deemed assumed pursuant to the provisions of sections 365 and 1123 of the Bankruptcy Code; and the Debtors’ and Reorganized Debtors’ obligations under such programs to such Entities shall survive Confirmation of the Plan, provided that any and all such agreements, policies, plans, or programs of the Debtors entitling their employees, officers or directors to acquire Old Spansion Interests or Other Old Equity Rights in the form of stock options, restricted stock units or any other form of equity-based compensation of any kind, will be deemed rejected and cancelled.

- (3) Workers' Compensation Programs. As of the Effective Date, the Reorganized Debtors shall continue to honor all of the obligations of the Debtors to insurers, including those incurred on or prior to the Effective Date, under: (i) all applicable workers' compensation laws; and (ii) the Debtors' written contracts, agreements, agreements of indemnity, self-insurer workers' compensation bonds, policies, programs, and plans for workers' compensation and workers' compensation insurance. Notwithstanding anything to the contrary in the Plan, nothing in the Plan or the Confirmation Order shall: (a) limit, diminish, or otherwise alter or impair the Debtors', Reorganized Debtors' and/or insurers' defenses, claims, Causes of Action, or other rights under applicable non-bankruptcy law with respect to any such contracts, agreements, policies, programs and/or plans; or (b) preclude or limit, in any way, the rights of the Debtors, Reorganized Debtors and/or insurers to contest and/or litigate with any party the existence, primacy and/or scope of available coverage under any alleged applicable policy, provided further that nothing herein shall be deemed to impose any obligations on the Debtors, Reorganized Debtors or insurers beyond what is provided for in the applicable laws, policies and/or related insurance agreements.

5.7 Insurance Policies.

- (1) Notwithstanding anything to the contrary in the Plan, nothing in the Plan or any of the Plan Documents (including any other provision that purports to be preemptory or supervening), shall in any way operate to or have the effect of impairing the legal, equitable or contractual rights of any of (i) the Debtors' insurers, or (ii) any of the Holders of any Claims with respect to such Holders' rights, if any, to recover under applicable insurance policies providing coverage for such Claims (including any amounts recoverable within any policy deductible and provided that any recovery under any insurance policy is not in duplication of any Distribution such Holder may receive under this Plan). The rights, obligations and liabilities of insurers and the Debtors shall be determined under the subject insurance policies and related agreements. All insurance policies and related agreements entered into or issued prior to the Effective Date shall continue after the Effective Date unaltered by the Plan or the Confirmation Order. The terms, conditions, limitations, exclusions and coverages, and the Debtors' rights, obligations and liabilities under their insurance policies and related agreements shall remain unmodified, including any duty of the Debtors to defend, at their own expense, against claims asserted under their insurance policies; provided, however, that the rights, obligations and liabilities of the Debtors, whether now existing or hereafter arising, shall be the rights, obligations and liabilities of the Reorganized Debtors and shall be fully enforceable by and against the Reorganized Debtors.

- (2) Nothing in the Plan, including the injunction and release provisions of Sections 11.3, 11.4 and 11.8, or in the Confirmation Order shall preclude the Debtors or any insurer from asserting in any proceeding any and all claims, defenses, rights or causes of action that it has or may have under or in connection with any insurance policy or any insurance settlement agreement, including the rights of the insurers to contest and/or litigate with any party, including the Debtors, the existence, primacy and/or scope of available coverage under any alleged applicable insurance policy.
- (3) All of the Debtors' rights, obligations and liabilities arising under any insurance policies and any agreements, documents and instruments relating thereto shall be deemed transferred to and fully enforceable by and against the Reorganized Debtors on the Effective Date.

5.8 Rejection Damages Claims Bar Date; Approval of Rejection.

- (1) The Holder of any Claim arising from the rejection of an executory contract or unexpired lease must File a proof of Claim within the earlier of (a) thirty (30) days following entry of an Order by the Bankruptcy Court authorizing rejection of the applicable contract or lease, and (b) thirty (30) days after the Confirmation Date.
- (2) Entry of the Confirmation Order by the Bankruptcy Court shall, subject to the occurrence of the Effective Date, constitute approval of such rejections pursuant to sections 365(a) and 1123 of the Bankruptcy Code.

**ARTICLE VI.
MEANS FOR IMPLEMENTATION OF PLAN**

6.1 Continued Corporate Existence and Vesting of Assets in Reorganized Debtors.

- (1) Subject to the other provisions of this Plan, after the Effective Date, each Reorganized Debtor shall continue to exist in accordance with the law in the jurisdiction in which it is incorporated or organized and pursuant to its certificate of incorporation and bylaws or other applicable organizational documents in effect prior to the Effective Date, except to the extent such certificate of incorporation and bylaws or other applicable organizational documents are amended or restated under the Plan and as provided in the New Governing Documents. Spansion Inc., on or after the Effective Date, shall operate under its New Governing Documents.
- (2) On and after the Effective Date, all Assets of the Estates, including all claims, rights and Causes of Action and any assets acquired by any Debtor or Reorganized Debtor under or in connection with the Plan (including Retained Actions, but excluding Assets that have been abandoned pursuant to an Order of the Bankruptcy Court), shall vest in the Reorganized Debtors free and clear of all Claims, Liens, charges, other

encumbrances and Interests, except as specifically set forth in the Plan. On and after the Effective Date, each Reorganized Debtor may operate its business, may use, acquire and dispose of property, may retain, compensate and pay any professionals or advisors, and compromise or settle any Claims or Interests without supervision of or approval by the Bankruptcy Court and free and clear of any restrictions of the Bankruptcy Code or the Bankruptcy Rules other than restrictions expressly imposed by the Plan or the Confirmation Order.

- (3) There are certain Non-Debtor Affiliates of the Debtors that are not Debtors in the Chapter 11 Cases. The continued existence, operation and ownership of such Non-Debtor Affiliates are a material component of the Debtors' businesses. All of the Interests and other property interests in such Non-Debtor Affiliates held by any Debtor on the Petition Date (other than Non-Debtor Affiliates owned by other Non-Debtor Affiliates) shall vest in the applicable Reorganized Debtor or its successor on the Effective Date free and clear of all Claims, Liens, charges, other encumbrances, and interests, except as specifically set forth in the Plan.

6.2 Sources of Cash for Distribution. All Cash necessary for the Debtors or Reorganized Debtors to make payments required by this Plan shall be obtained from existing Cash balances, the operations of the Debtors or Reorganized Debtors, the Exit Financing Facility, the New Spansion Debt (if issued or incurred), the Rights Offering (if consummated) and other Cash available to the Debtors or Reorganized Debtors, as applicable. Except as provided in Article VIII, Cash payments to be made pursuant to the Plan shall be made by the Debtors and the Reorganized Debtors, as applicable, provided that, subject to the terms of the New Senior Notes Documents, the New Convertible Notes Documents and the documents related to the Exit Financing Facility, the Debtors and the Reorganized Debtors, as applicable, shall be entitled to transfer funds between and among themselves as may be necessary or appropriate to enable any of the Debtors or the Reorganized Debtors, as applicable, to satisfy its or their obligations under the Plan.

6.3 Corporate and Limited Liability Company Action. Each of the matters provided for under this Plan involving the corporate or limited liability company structure of any Debtor or Reorganized Debtor or any corporate or limited liability company action to be taken by or required of any Debtor or Reorganized Debtor, including the adoption of the New Governing Documents of each of the Reorganized Debtors as provided for in Section 7.1 of this Plan, the initial selection of directors and officers for the Reorganized Debtors, the Distribution of Cash pursuant to the Plan, the issuance and sale of New Spansion Common Stock, the adoption, execution, delivery and implementation of all contracts, leases, instruments, releases and other agreements or documents related to any of the foregoing, and other matters involving the corporate or organizational structure of any Debtor or Reorganized Debtor or corporate or organizational action to be taken by or required of any Debtor or Reorganized Debtor shall be deemed to have occurred and be effective as provided herein, and shall be authorized, approved and, to the extent authorized pursuant to the Plan or taken prior to the Effective Date, ratified in all respects without any requirement of further action by stockholders, members, Creditors, directors, or managers of any of the Debtors or the Reorganized Debtors.

6.4 Effectuating Documents; Further Transactions. Each of the Debtors and Reorganized Debtors, as applicable, and any of their respective officers and designees, is authorized to execute, deliver, file, or record such contracts, instruments, releases, indentures, and other agreements or documents (including any documents relating to the Exit Financing Facility), provided that such documents are in form and substance satisfactory to the Senior Noteholders Group and the Creditors' Committee, and take such actions or seek such orders, judgments, injunctions and rulings as the Debtors or Reorganized Debtors deem necessary or appropriate to effectuate and further evidence the terms and conditions of this Plan, or any notes or securities issued pursuant to this Plan, or to otherwise comply with applicable law.

6.5 Exemption from Certain Transfer Taxes and Recording Fees. Pursuant to section 1146 of the Bankruptcy Code, any transfers from a Debtor to a Reorganized Debtor or to any other Entity pursuant to this Plan, or any agreement regarding the transfer of title to or ownership of any of the Debtors' Assets will not be subject to any document recording tax, stamp tax, conveyance fee, sales tax, intangibles or similar tax, mortgage tax, stamp act, real estate transfer tax, mortgage recording tax, Uniform Commercial Code filing or recording fee, or other similar tax or governmental assessment, and the Confirmation Order will direct the appropriate state or local governmental officials or agents to forego the collection of any such tax or governmental assessment and to accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax or governmental assessment.

6.6 Retained Actions. Except as set forth in this Section, in accordance with section 1123(b) of the Bankruptcy Code, the Reorganized Debtors will retain and may exclusively enforce any Retained Actions subject only to any express waiver or release thereof in the Plan or in any other contract, instrument, release, indenture or other agreement entered into, in connection with the Plan, provided that the Senior Noteholders Group and the Creditors' Committee shall consent to any waiver or release of any Retained Action by the Debtors entered into after February 5, 2010 and prior to the

Effective Date. The Confirmation Order's approval of the Plan shall be deemed a *res judicata* determination of such rights to retain and exclusively enforce such Causes of Action, and no such Retained Action is deemed waived, released or determined by virtue of the entry of the Confirmation Order or the occurrence of the Effective Date, notwithstanding that the specific Claims and Retained Actions are not identified or described in more detail than as contained in this Plan or in the Disclosure Statement. All Retained Actions may be asserted or prosecuted before or after solicitation of votes on the Plan and before or after the Effective Date.

Absent an express waiver or release as referenced above, nothing in the Plan shall (or is intended to) prevent, estop or be deemed to preclude the Reorganized Debtors from utilizing, pursuing, prosecuting or otherwise acting upon all or any of their Retained Actions and, therefore, no preclusion doctrine, including the doctrines of *res judicata*, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable or otherwise) or laches shall apply to such Retained Actions upon or after Confirmation, the Effective Date or the consummation of the Plan. For example (and without limiting the generality of the foregoing), the utilization or assertion of a Retained Action, or the initiation of any proceeding with respect thereto against an Entity, by the Reorganized Debtors or any of their successors or assigns, shall not be barred (whether by estoppel, collateral estoppel, *res judicata* or otherwise) as a result of: (a) the solicitation of a vote on the Plan from such Entity or such Entity's predecessor in interest; (b) the Claim, Interest or Administrative Expense Claim of such Entity or such Entity's predecessor in interest having been listed in a Debtor's Schedules, List of Holders of Interests, or in the Plan, Disclosure Statement or any exhibit thereto; (c) prior objection to or allowance of a Claim or Interest of the Entity or such Entity's predecessor in interest; or (d) Confirmation of the Plan.

Notwithstanding any allowance of a Claim, the Claims Agent and/or the Reorganized Debtors, as applicable, reserve the right to seek, among other things, to have such Claim Disallowed if the Claims Agent or any Reorganized Debtor, as applicable, at the appropriate time, determines that it has a defense under section 502(d) of the Bankruptcy Code, e.g., the Claims Agent or the Reorganized Debtor holds an Avoidance Action against the Holder of such Claim and such Holder after demand refuses to pay the amount due in respect thereto.

6.7 Employee Claims. Except as provided in the Final Order (I) Authorizing the Debtors to (A) Pay Certain Prepetition (1) Wages, Salaries, and Other Compensation; (2) Employee Medical, Retirement and Similar Benefits; (3) Withholdings and Deductions; and (4) Reimbursable Employee Expenses; (B) Continue to Provide Employee Benefits in the Ordinary Course of Business; and (C) Pay All Related Costs and Expenses; and (II) Authorizing and Directing Banks and Other Financial Institutions to Receive, Process, Honor and Pay All Checks Presented for Payment and All Funds Transfer Requests Relating to the Foregoing, entered by the Bankruptcy Court on March 23, 2009 [D.I. 143], each Debtor's employees shall have a Priority Claim for unpaid wages, benefits and other entitlements to the extent permitted by section 507(a)(3) of the Bankruptcy Code, which, if allowed, will be either (i) paid in full, or (ii) Reinstated. To the extent that any employee's Claim exceeds the amount prescribed by section 507(a)(3) of the Bankruptcy

Code, the employee shall receive a General Unsecured Claim for the excess amount. Notwithstanding the foregoing, any employee who continues to be an employee in good standing with the Reorganized Debtors after the Effective Date shall be entitled to take (in the form of vacation days and not in Cash) all unused and unpaid vacation time accrued prior to the Petition Date or while the Chapter 11 Cases are pending on such terms as will be prescribed by the Reorganized Debtors.

6.8 Executory Contracts and Unexpired Leases Entered Into, and Other Obligations Incurred After, the Petition Date. All executory contracts and unexpired leases (a) assumed by the Debtors after the Petition Date, or (b) entered into, and other obligations incurred, after the Petition Date by the Debtors, shall survive and remain unaffected by the entry of the Confirmation Order or the occurrence of the Effective Date under, and the effectiveness of, the Plan.

6.9 Operations Between Confirmation Date and the Effective Date. During the period from the Confirmation Date through and until the Effective Date, the Debtors shall continue to operate their businesses as debtors in possession, subject to the oversight of the Bankruptcy Court as provided in the Bankruptcy Code, the Bankruptcy Rules and all Orders of the Bankruptcy Court that are then in full force and effect.

6.10 Rights Offering.

(1) Introduction.

Subject to Section 6.10(10) below, the Debtors shall have the right to consummate the Rights Offering on or before the Effective Date if they determine that it is desirable and feasible to do so. If the Debtors decide to consummate the Rights Offering, they may do so with or without a Backstop Party. In order to consummate the Rights Offering, proceeds from the Rights Offering must be deposited in a segregated account or escrow account as of the earlier to occur of the Effective Date or February 12, 2010 in a sufficient amount, when combined with any other New Capital Proceeds held in one or more segregated accounts or escrow accounts, to (i) satisfy the requirements of clause (i) of Section 3.3(2)(b) and (ii) reduce the principal amount of the New Convertible Notes to zero. **The Debtors shall not effectuate the Rights Offering if any New Convertible Notes will be issued to Holders of Allowed Class 3 Claims on the Effective Date.**

(2) Issuance of Rights.

Each Rights Offering Participant will receive Subscription Rights (a) to subscribe for its Pro Rata Share of the Rights Offering Shares (each such subscription, a “**Primary Offering Subscription**”) and/or (b) to subscribe for additional Rights Offering Shares, in a number of shares not to exceed such Rights Offering Participant’s Oversubscription Pro Rata Share of the Remaining Rights Offering Shares (each such subscription, an “**Oversubscription Offering Subscription**”), for an aggregate purchase price equal to the applicable Subscription Payment Amount. The Rights Offering Shares will be issued to the Rights Offering Purchasers at a price per share equal to the Subscription Price.

(3) Subscription Period.

The Rights Offering shall commence on the Subscription Commencement Date and shall expire on the Subscription Deadline. Each Rights Offering Participant that intends or desires to participate in the Rights Offering must affirmatively elect to exercise its Subscription Rights (and if it submits a Primary Offering Subscription, may elect to submit an Oversubscription Offering Subscription), and provide written notice thereof to the Entities specified in the Subscription Form, on or prior to the Subscription Deadline in accordance with the terms of this Plan and the Subscription Form. On the Subscription Deadline, (a) if the Debtors select a Backstop Party, the Remaining Rights Offering Shares shall be allocated to, and purchased by the Backstop Party, and (b) if the Debtors do not select a Backstop Party, the Oversubscription Shares for each Rights Offering Participant that submitted Oversubscription Offering Subscriptions shall be allocated to, and purchased by such Rights Offering Participant.

(4) Exercise of Subscription Rights and Payment of Subscription Payment Amount.

On the Subscription Commencement Date, the Debtors, through the Claims and Voting Agent, will mail the Subscription Form to each Rights Offering Participant known as of the Rights Offering Record Date, together with appropriate instructions for the proper completion, due execution, and timely delivery of the Subscription Form, as well as instructions for the payment of the eventual Subscription Payment Amount for that portion of the Subscription Rights sought to be exercised by such Person. The Debtors may adopt such additional detailed procedures consistent with the provisions of this Plan to more efficiently administer the exercise of the Subscription Rights.

In order to exercise the Subscription Rights, each Rights Offering Participant must return a duly completed Subscription Form (making a binding and irrevocable commitment to participate in the Rights Offering, including a binding and irrevocable commitment to purchase Oversubscription Shares if such Rights Offering Participant submits an Oversubscription Offering Subscription) to the Debtors or other Entity specified in the Subscription Form so that such form is actually received by the Debtors or such other Entity on or before the Subscription Deadline. In order to exercise its Subscription Rights, a Rights Offering Participant must subscribe for its entire Pro Rata Share of the Rights Offering Shares rather than only a part of its Pro Rata Share of the Rights Offering Shares. If the Debtors or such other Entity for any reason does not receive from a given holder of Subscription Rights a duly completed Subscription Form on or prior to the Subscription Deadline, then such holder shall be deemed to have forever and irrevocably relinquished and waived its right to participate in the Rights Offering. On the Subscription Notification Date, the Debtors will notify each Rights Offering Purchaser of its respective allocated portion of Rights Offering Shares (including its Oversubscription Shares, if any), and if the Debtors have selected a Backstop Party, the Debtors will notify the Backstop Party after the Subscription Deadline of its portion of the Remaining Rights Offering Shares that the Backstop Party is obligated to purchase pursuant to the Backstop Rights Purchase Agreement. Each

Rights Offering Purchaser (including the Backstop Party, if applicable) must tender its Subscription Payment Amount to the Debtors so that it is actually received on or prior to the Subscription Payment Date. Any Rights Offering Purchaser who fails to tender its Subscription Payment Amount so that it is received on or prior to the Subscription Payment Date shall be deemed to have forever and irrevocably relinquished and waived its right to participate in the Rights Offering. The Debtors shall hold the payments they receive for the exercise of Subscription Rights in a separate account. In the event the conditions to the Effective Date are not met or waived by the deadline set forth in Section 10.2(8) below or the requirements of Section 6.10(1) are not satisfied, such payments shall be returned, without accrual or payment of any interest thereon, to the applicable Rights Offering Purchaser, without reduction, offset or counter-claim.

(5) Rights Offering Backstop.

If the Debtors decide to have a Backstop Party for the Rights Offering, they will enter into the Backstop Rights Purchase Agreement. In accordance with the Backstop Rights Purchase Agreement, the Backstop Party will commit to purchase all Remaining Rights Offering Shares. As part of the Backstop Rights Purchase Agreement, the Debtors may grant certain rights and protections to the Backstop Party, including, without limitation, the rights, protections and fees set forth in Exhibit D. If the Debtors enter into a Backstop Rights Purchase Agreement, each Rights Offering Purchaser (other than the Backstop Party) shall, subject to Section 6.10(4) above, be entitled to only its Primary Offering Subscription (and not its Oversubscription Offering Subscription), and no Oversubscription Shares will be issued to any Rights Offering Participant other than in its capacity as a Backstop Party.

(6) Number of Rights Offering Shares.

The number of Rights Offering Shares to be sold pursuant to the Rights Offering shall be determined by dividing the Rights Offering Amount by the Subscription Price.

(7) No Transfer; Detachment Restrictions; No Revocation.

The Subscription Rights are not Transferable or detachable. Any such Transfer or detachment, or attempted Transfer or detachment, will be null and void and the Debtors will not treat any purported transferee of the Subscription Rights separate from the associated Class 5A Claims, Class 5B Claims and/or Class 5C Claims as the holder of any Subscription Rights. Once a Rights Offering Participant has exercised any of its Subscription Rights by properly executing and delivering a Subscription Form to the Debtors or other Entity specified in the Subscription Form, such exercise may only be revoked, rescinded or annulled in the sole discretion of the Debtors or Reorganized Debtors.

(8) Distribution of Rights Offering Shares.

On, or as soon as reasonably practicable after, the Effective Date, the Reorganized Debtors or other applicable Disbursing Agent shall distribute the Rights Offering Shares purchased by each Rights Offering Purchaser.

(9) Validity of Exercise of Subscription Rights.

All questions concerning the timeliness, validity, form, and eligibility of any exercise, or purported exercise, of Subscription Rights shall be determined by the Debtors or Reorganized Debtors. The Debtors or Reorganized Debtors, in their discretion reasonably exercised in good faith, may waive any defect or irregularity, or permit a defect or irregularity to be corrected within such times as they may determine, or reject the purported exercise of any Subscription Rights. Subscription Forms shall be deemed not to have been received or accepted until all irregularities have been waived or cured within such time as the Debtors or Reorganized Debtors determine in their discretion reasonably exercised in good faith. The Debtors or Reorganized Debtors will use commercially reasonable efforts to give written notice to any Rights Offering Participant regarding any defect or irregularity in connection with any purported exercise of Subscription Rights by such Entity and may permit such defect or irregularity to be cured within such time as they may determine in good faith to be appropriate; provided, however, that neither the Debtors and Reorganized Debtors nor any of their predecessors, successors, assigns, present and former Affiliates and subsidiaries, and each of their respective current and former officers, directors, principals, employees, shareholders, members (including ex officio members), partners, agents, financial advisors, attorneys, accountants, investment bankers, investment advisors, consultants, representatives, and other professionals, in each case acting in such capacity on or any time after the Petition Date, and any Person claiming by or through any of them, shall incur any liability for giving, or failing to give, such notification and opportunity to cure. Once a Rights Offering Participant has timely and validly exercised its Subscription Rights, subject to the occurrence or satisfaction of all conditions precedent to the Rights Offering and to the Rights Offering Participants' participation in same, and notwithstanding the subsequent disallowance of any or all of its underlying Claim, such Rights Offering Participant's right to participate in the Rights Offering will be irreversible and shall not be subject to dissolution, avoidance or disgorgement and shall not be withheld from such Rights Offering Participant on account of such disallowance.

(10) Rights Offering Proceeds.

The proceeds of the Rights Offering will be used to fund Cash payments contemplated by Section 3.3(2)(b). Notwithstanding the foregoing, the Debtors shall be entitled to effectuate the Rights Offering only if (i) the New Capital Proceeds therefrom, when coupled with the New Capital Proceeds of any New Spansion Debt, are sufficient to (x) satisfy the requirements of clause (i) of Section 3.3(2)(b) and (y) reduce the principal amount of the New Convertible Notes to zero and (ii) such New Capital Proceeds are used for those purposes. In the event that the Debtors receive any New Capital Proceeds from the Rights Offering and those proceeds, when coupled with any other New Capital Proceeds, are insufficient to satisfy the requirements of the preceding

sentence, the Debtors shall return such New Capital Proceeds to the applicable Rights Offering Purchaser or Rights Offering Purchasers in accordance with Section 6.10(4).

6.11 New Spansion Debt. The Debtors shall have the right to issue or incur the New Spansion Debt on or before the Effective Date if they determine that it is desirable and feasible to do so. The New Spansion Debt, if any, will have terms that are no less favorable than those set forth on Exhibit C. In order to issue or incur the New Spansion Debt, proceeds from the New Spansion Debt must be deposited in a segregated account or escrow account in a sufficient amount, when combined with any other New Capital Proceeds held in one or more segregated accounts or escrow accounts, to satisfy the requirements of Section 3.3(2)(b) as of the earlier to occur of the Effective Date or February 12, 2010. Notwithstanding anything to the contrary contained in this Plan, the Debtors shall be permitted to issue or incur New Spansion Debt only to make the Cash payments contemplated by Section 3.3(2)(b) unless the New Capital Proceeds from such New Spansion Debt, when combined with the New Capital Proceeds from the Rights Offering, if any, exceed the total amount necessary to pay all Class 3 Claims in Cash in full pursuant to Section 3.3(2)(b).

6.12 Cancellation of the FRNs, Senior Notes, and the Exchangeable Debentures. The FRN Indenture, the Senior Notes Indenture, and the Exchangeable Debentures Indenture and the FRNs, the Senior Notes and the Exchangeable Debentures issued thereunder, shall terminate as of the Effective Date, except as necessary to preserve, pursue or administer the rights, claims, liens, and interests of the applicable Indenture Trustees and the Holders of the FRN Claims, the Senior Notes Claims and the Exchangeable Debentures Claims (including the claims asserted in the complaint filed by the Senior Notes Indenture Trustee in the Bankruptcy Court against the Debtors and the Exchangeable Debentures Indenture Trustee (case number 09-52274) seeking, inter alia, a declaratory judgment with respect to the subordination provisions governing the Senior Notes and the Exchangeable Debentures), and except the FRN Indenture, the Senior Notes Indenture and the Exchangeable Debentures Indenture shall continue in effect to the extent necessary to allow the applicable Indenture Trustees to receive Distributions pursuant to this Plan and make distributions under the FRN Indenture, the Senior Notes Indenture and the Exchangeable Debentures Indenture on account of their respective allowed FRN Claims, Exchangeable Debentures Claims, and Senior Notes Claims. The applicable Indenture Trustees will close their respective transfer records as of the Record Date and the applicable Indenture Trustees (and their agents) shall have no further obligation under the FRN Indenture, the Senior Notes Indenture, and the Exchangeable Debentures Indenture, and shall be relieved of all obligations under their respective indentures relating to the FRNs, the Senior Notes, and the Exchangeable Debentures, except with respect to the distributions required to be made to the applicable Indenture Trustees in respect of their claims, and with respect to such other rights, claims, liens, and interests of the applicable Indenture Trustees and the Holders of the FRN Claims, the Senior Notes Claims and the Exchangeable Debentures Claims described herein or that, pursuant to the terms of their respective indentures, survive the termination of same. Termination of the FRN Indenture, the Senior Notes Indenture, and the Exchangeable Debentures Indenture shall not impair the rights of the Holders of the FRN Claims, the Senior Notes Claims and the Exchangeable Debentures Claims to receive Distributions

on account of such Claims pursuant to the Plan, and shall not impair the rights of the applicable Indenture Trustees to enforce their charging liens, created in law or pursuant to the indentures governing the FRNs, the Senior Notes and the Exchangeable Debenture, as applicable, against property that would otherwise be distributed to such Holders. The rights, claims, liens, and interests of the Senior Notes Indenture Trustee and the Holders of Senior Notes Claims arising under the subordination provisions of the Exchangeable Debentures Indenture, to the extent applicable, shall survive any termination of the Exchangeable Debentures Indenture. Upon termination of the indentures for the FRNs, the Senior Notes and the Exchangeable Debentures, and without further action or order of the Bankruptcy Court, the charging liens of the applicable Indenture Trustee shall attach to any property distributable to the Holders of the FRN Claims, the Senior Notes Claims or the Exchangeable Debentures Claims under the Plan, as applicable, with the same priority, dignity, and effect that such liens had on property distributable under the indenture for the FRNS, the Senior Notes or the Exchangeable Debentures, as applicable. Subsequent to the performance by the applicable Indenture Trustee (or its agents) of its obligations pursuant to the Plan and the Confirmation Order, such Indenture Trustee (and its agents) shall be relieved of all obligations related to the indenture for the FRNs, the Senior Notes or the Exchangeable Debentures, as applicable.

ARTICLE VII. PROVISIONS REGARDING CORPORATE GOVERNANCE OF REORGANIZED DEBTORS

7.1 New Governing Documents. The New Governing Documents of each of the Reorganized Debtors shall be adopted as may be required in order to be consistent with the provisions of this Plan and the Bankruptcy Code. The New Governing Documents of the Reorganized Debtors shall, as applicable and among other things, (a) authorize the issuance of New Spansion Common Stock in amounts not less than the amounts necessary to permit the Distributions thereof required or contemplated by the Plan, and (b) provide, pursuant to section 1123(a)(6) of the Bankruptcy Code, for (i) a provision prohibiting the issuance of nonvoting equity securities, and (ii) to the extent necessary, a provision setting forth an appropriate distribution of voting power among classes of equity securities possessing voting power, including, in the case of any class of equity securities having a preference over another class of equity securities with respect to dividends, adequate provisions for the election of directors representing such preferred class in the event of default in the payment of such dividends. Forms of the New Governing Documents of the Debtors will be contained in the Plan Supplement.

7.2 Directors and Officers of Reorganized Debtors. The initial board of directors of Reorganized Spansion Inc. (the “**Initial Board**”) shall consist of the seven (7) Persons identified in the Third Addendum to the Plan Supplement; provided that (i) if any of the identified Persons, other than any Person selected by the Backstop Party pursuant to the terms of the Backstop Rights Purchase Agreement, is unable or unwilling to serve on the Initial Board for any reason, the Debtors, the Senior Noteholders Group and the Creditors’ Committee shall jointly designate a replacement and (ii) if any of the identified Persons that were designated by the Backstop Party to serve on the Initial Board pursuant to the terms of the Backstop Rights Purchase Agreement is unable or unwilling to serve

on the Initial Board for any reason, the Backstop Party shall designate a replacement. The Initial Board shall choose the members of the Boards of Directors of each of the other Reorganized Debtors on the Effective Date or as soon as practicable thereafter. Each of the Persons on the Initial Board, the post-Effective Date board of directors or managers of each of the Reorganized Debtors (other than Reorganized Spansion Inc.), and each of the initial officers of the respective Reorganized Debtors shall serve in accordance with the New Governing Documents of each of the respective Reorganized Debtors, as the same may be amended from time to time.

7.3 New Employee Incentive Compensation Programs. Reorganized Spansion Inc. shall reserve 9,005,376 shares of New Spansion Common Stock for issuance under an equity incentive plan for employees, management and the directors of Reorganized Spansion Inc. and the other Reorganized Debtors, provided, that grants of no more than 3,752,240 shares of New Spansion Common Stock may be issued for an exercise, conversion or purchase price below (i) in the 90 days following the Effective Date, the greater of (A) the value per share of New Spansion Common Stock issued under the Plan or (B) the fair market value per share of New Spansion Common Stock at the time of issuance and (ii) thereafter, the fair market value per share of New Spansion Common Stock at the time of grant. The new equity incentive plan shall have a term of 10 years, and shall permit the issuance of up to 9,005,376 shares in the form of incentive stock options within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended, and other standard equity incentive awards. In all other regards, the remaining terms of and distribution under the equity incentive plan will be determined by Reorganized Spansion Inc.'s Initial Board within 90 days after the Effective Date of the Plan without further notice to or order of the Bankruptcy Court, or the vote, consent, authorization or approval of any Entity or shareholder. Confirmation constitutes approval of the equity incentive plan pursuant to Section 303 of the Delaware General Corporate Law.

7.4 Authorization and Issuance of New Equity; Securities Laws. The issuance of securities pursuant to the Plan shall be made pursuant to section 1145 of the Bankruptcy Code and, except with respect to securities held by any entity that is an "underwriter" as that term is defined in section 1145(b) of the Bankruptcy Code, shall be (A) validly issued, fully paid and nonassessable, and (B) freely tradable. The entry of the Confirmation Order shall be (1) a final determination of the Bankruptcy Court that the securities authorized, issued or Distributed pursuant to this Plan shall be freely tradable securities and (2) deemed to incorporate the provisions of this Article VII as mixed findings of fact and conclusions of law. Section 5 of the Securities Act and any state or local law requiring registration for the offer or sale of a security, or registration or licensing of an issuer or underwriter or broker or dealer in securities, do not apply to the offer or sale of any New Equity in accordance with the Plan.

7.5 Holdback from Common Stock Distribution. The Reorganized Debtors shall be authorized, without further act or action by the Initial Board and without further act or action under applicable law, regulation, order, or rule to hold back from the issuance of the authorized shares of New Spansion Common Stock, that number of shares of New Spansion Common Stock required for issuance to the Holders of Allowed Claims as and

when required under the Plan as well as that number of shares necessary for the employee and management incentive programs described in Section 7.3. The Initial Board may reduce the number of shares of New Spansion Common Stock so held at any time as it deems appropriate to the extent it determines in good faith that such holdback is in excess of the number of shares needed to satisfy the foregoing requirements.

7.6 Listing of New Spansion Common Stock. Reorganized Spansion Inc. shall use good faith efforts to list the New Spansion Common Stock on a national securities exchange or over-the-counter trading market within 90 days of the Effective Date. Except as set forth in the New Senior Notes Documents and the New Convertible Notes Documents, Reorganized Spansion Inc. shall have no liability if it is unable to list the New Spansion Common Stock as described above. Entities receiving Distributions of New Spansion Common Stock, by accepting such Distributions, agree to cooperate with the Reorganized Debtors' reasonable requests to assist Reorganized Spansion Inc. in its efforts to list the New Spansion Common Stock on a securities exchange or over-the-counter trading market to the extent necessary, provided that such cooperation shall not require them to incur more than immaterial expense.

7.7 Old Spansion Interests. On the Effective Date, all Old Spansion Interests and all Other Old Equity Rights will be cancelled. All Other Old Equity will be Unimpaired.

ARTICLE VIII. VOTING AND DISTRIBUTIONS

8.1 Voting of Claims. Only Claims in the Voting Classes are entitled to vote to accept or reject the Plan. Claims in other impaired Classes are deemed to have accepted or rejected the Plan, as applicable, in accordance with sections 1126(f) and 1126(g) of the Bankruptcy Code. A Claim in a Voting Class must be an Allowed Claim or "allowed" for purposes of voting in order for the Holder of such Claim to have the right to vote on the Plan. If an objection to a Claim is Filed, the Holder of such Claim cannot vote unless the Bankruptcy Court, after notice and hearing, either overrules the objection, or orders that the Claim be Allowed for voting purposes. Pursuant to the treatment for the FRN Claims specified in Section 3.3, all FRN Claims are deemed Allowed for voting purposes.

8.2 Distributions of Cash on Account of Claims Allowed as of the Effective Date. Except as otherwise provided in this Article VIII, Distributions of Cash to be made on the Effective Date to Holders of Claims that are Allowed as of the Effective Date will be made on the Effective Date or as promptly thereafter as practicable, but in no event later than: (i) 30 days after the Effective Date, or (ii) 30 days after such later date when the applicable conditions of Section 5.2 (regarding cure payments for executory contracts and unexpired leases being assumed) and Section 8.6 (regarding undeliverable Distributions) are satisfied. Distributions on account of Claims that become Allowed Claims after the Effective Date will be made pursuant to Section 9.5.

8.3 Disbursing Agent. Except as otherwise provided in this Article VIII, the Reorganized Debtors, or such Disbursing Agents as the Reorganized Debtors may

employ in their sole discretion, will make all Distributions of Cash, New Spancion Common Stock, the New Senior Notes, the New Convertible Notes and other instruments or documents required under the Plan. Each Disbursing Agent will serve without bond, and any Disbursing Agent may employ or contract with other Entities to assist in or to make the Distributions required by the Plan. Each Disbursing Agent, including, for these purposes, any Indenture Trustee providing services related to Distributions pursuant to the Plan, will receive reasonable compensation for such services and reimbursement of reasonable out-of-pocket expenses incurred in connection with such services from the Reorganized Debtors without Bankruptcy Court approval. These payments will be made on terms agreed to with the Reorganized Debtors and will not be deducted from Distributions to be made pursuant to the Plan to Holders of Allowed Claims. Any Indenture Trustee shall receive an Administrative Claim in an amount equal to such Indenture Trustee's reasonable fees and expenses related to such Distributions. To the extent such Administrative Claim is not paid to the Indenture Trustee (or escrowed pending the resolution of any dispute), the Indenture Trustee shall retain its charging lien on Distributions to Holders of the Claims to the fullest extent permitted under the applicable indentures or credit agreements.

8.4 Distributions of Cash. Except as otherwise specified herein, Cash payments made pursuant to the Plan will be in United States currency by checks drawn on a domestic bank selected by the applicable Reorganized Debtor or by wire transfer from a domestic bank; provided that Cash payments to foreign Holders of Allowed Claims may be made, at the option of the applicable Reorganized Debtor, in such funds and by such means as are necessary or customary in a particular foreign jurisdiction or in United States currency utilizing the exchange rate on or about the time of such Distribution.

8.5 No Interest on Claims or Interests. Unless otherwise specifically provided for or contemplated elsewhere in the Plan or Confirmation Order, or required by applicable bankruptcy law to render a Claim Unimpaired or otherwise, postpetition interest shall not accrue or be paid on any Claims and no Holder of a Claim shall be entitled to interest accruing on or after the Petition Date on any Claim, other than an Other Secured Claim to the extent required by the applicable documents giving rise to such Claim, provided that to the extent a Holder of an Other Secured Claim has a Deficiency Claim on account of such Other Secured Claim, interest shall not accrue on or after the Petition Date on the Other Secured Claim or the Deficiency Claim. Notwithstanding the foregoing, nothing in this Plan shall affect the rights of the Holders of the Senior Notes, if any, to receive the interest accrued or accruing after the commencement of the Chapter 11 Cases pursuant to the Exchangeable Debentures Indenture.

8.6 Delivery of Distributions. The Distribution to a Holder of an Allowed Claim shall be made by the Reorganized Debtors (a) at the address set forth on the proof of Claim Filed by such Holder, (b) at the address set forth in any written notices of address change delivered to the Reorganized Debtors after the date of any related proof of Claim, (c) at the addresses reflected in the Schedules if no proof of Claim has been Filed and the Reorganized Debtors have not received a written notice of a change of address, (d) if the Holder's address is not listed in the Schedules, at the last known address of such Holder according to the Debtor's books and records, or (e) in the case of Claims owed to Holders

of Secured Credit Facility Claims, FRN Claims, Senior Notes Claims, and Exchangeable Debentures Claims (subject to Section 3.18 above), to the appropriate Indenture Trustee for ultimate distribution to the Record Holders of such Claims. The Indenture Trustees shall be directed to effect any Distribution under the Plan through the most efficient method available in the Indenture Trustees' discretion, including through the book entry transfer facilities of the Depository Trust Company pursuant to the procedures used for effecting distributions thereunder on the date of any such distribution. If any Holder's Distribution is returned as undeliverable, no further Distributions to such Holder shall be made unless and until the Reorganized Debtors are notified of such Holder's then-current address, at which time all missed Distributions shall be made to such Holder without interest. All Cash Distributions returned to the Reorganized Debtors and not claimed within six (6) months of return shall be irrevocably retained by the Reorganized Debtors notwithstanding any federal or state escheat laws to the contrary. All Distributions of New Spansion Common Stock returned to the Reorganized Debtors and not claimed within six (6) months of return, shall irrevocably revert to Reorganized Spansion Inc. and shall be retained and held as set forth in the New Governing Documents. Upon such reversion, the claim of any Holder or their successors with respect to such property shall be discharged and forever barred notwithstanding any federal or state escheat laws to the contrary.

8.7 Distributions to Holders of the FRNs, the Senior Notes, and the Exchangeable Debentures. The distribution provisions contained in the FRN Indenture, the Senior Notes Indenture, and the Exchangeable Debentures Indenture will continue in effect to the extent necessary for the applicable Indenture Trustee to make distributions on account of Allowed FRN, Senior Notes, and Exchangeable Debentures Claims. Nothing in the Plan shall limit the right of the Indenture Trustees to distribute Cash to the Holders of Class 5 Claims.

8.8 Distributions to Holders as of the Record Date. All Distributions on Allowed Claims shall be made to the Record Holders of such Claims. As of the close of business on the Record Date, the Claims register maintained by the Claims and Voting Agent shall be closed, and there shall be no further changes in the Record Holder of any Claim. The Reorganized Debtors, the Indenture Trustees and any Disbursing Agents shall have no obligation to recognize any transfer of any Claim occurring after the Record Date. The Reorganized Debtors shall instead be entitled to recognize and deal for all purposes under this Plan with the Record Holders as of the Record Date. As of the close of business on the Record Date, the transfer ledgers for the Indenture Trustees shall be deemed closed and the Indenture Trustees may take whatever action is necessary to close the transfer ledgers and there shall be no further transfers or changes in the holders of record of such securities in such transfer ledgers. The Disbursing Agent and the Indenture Trustees shall have no obligation to recognize the transfer of, or sale of any participation in, any of the Secured Credit Facility, FRNs, Senior Notes, and Exchangeable Debentures, or any Claim based thereon, that occurs after close of business on the Record Date, and will be entitled for all purposes herein to recognize and distribute only to those Holders of Allowed Claims who are Holders of such Claims, or participants therein, as of the close of business on the Record Date. PLEASE NOTE THAT IF YOU ACQUIRE A CLAIM FOLLOWING THE RECORD DATE, YOU WILL NOT RECEIVE A DISTRIBUTION

FROM THE DEBTORS OR THE REORGANIZED DEBTORS ON ACCOUNT OF THAT CLAIM. IN ADDITION, IF YOU SELL OR TRANSFER YOUR CLAIM BEFORE THE RECORD DATE, YOU WILL NOT RECEIVE A DISTRIBUTION ON ACCOUNT OF THAT CLAIM.

8.9 Indenture Trustees as Claim Holders. Consistent with Bankruptcy Rule 3003(c), the Debtors and Reorganized Debtors shall recognize the proofs of Claim Filed by the Indenture Trustees in respect of the Claims for the Holders each represents, in the amounts as Allowed herein. Accordingly, any Claim Filed by the registered or beneficial holder of such Claims shall be Disallowed by the Confirmation Order as duplicative of the Claims of the Indenture Trustees without need for any further action or Bankruptcy Court Order except to the extent any Claim, or a portion of a proof of Claim, Filed by a holder of such Claims is not included within the proofs of Claim filed by the Indenture Trustees.

8.10 Payments and Distributions to Holders of Disputed Claims Which Become Allowed Claims. Following the Effective Date, as soon as reasonably practicable after (i) a Disputed Claim becomes an Allowed Claim, (ii) the deadline to object to a previously Allowed Claim, other than a Claim expressly allowed pursuant to this Plan or a Claim covered by the definition of “Allowed” in subsections (a) and (b) of Section 1.1(8), expires and no objection has been asserted, or (iii) a notice of no objection is Filed with respect to an Allowed Claim as provided in clause (c)(ii) of the definition of the term “Allowed,” the Holder of such Allowed Claim shall be entitled to receive such payments and Distributions which the Holder of such an Allowed Claim would have received if its Claim were an Allowed Claim as of the Effective Date, provided that with respect to any Disputed Claim in Class 5A, Class 5B, or Class 5C that becomes an Allowed Claim after the date of the initial Distribution to Class 5A, Class 5B, and Class 5C, the Reorganized Debtors (or the Disbursing Agent) shall make the Distribution from the Reserve for Disputed Claims to which such Holder is entitled within thirty (30) days after the Reorganized Debtors receive a report from the Claims Agent pursuant to Section 9.2(6) informing them that such Holder’s Claim has become an Allowed Claim. Subject to Section 3.18 hereof, the Holder of a Disputed Class 5A Claim, Disputed Class 5B Claim, or Disputed Class 5C Claim which becomes an Allowed Class 5A Claim, Allowed Class 5B Claim, or Allowed Class 5C Claim shall receive from the Reserve for Disputed Claims its Unsecured Claims Pro Rata share of any Distributions which have been made on account of Class 5A Claims, Class 5B Claims, and Class 5C Claims prior to the date such Disputed Claim becomes an Allowed Class 5A Claim, Allowed Class 5B Claim, or Allowed Class 5C Claim, as contemplated by Section 8.12, but only with respect to the portion of such Disputed Claim which has become an Allowed Class 5A Claim, Allowed Class 5B Claim, or Allowed Class 5C Claim and shall be entitled to any subsequent distributions from the Reserve for Disputed Claims to which such Allowed Claim is entitled pursuant to Section 8.12.

8.11 Distributions of Stock to Holders of Allowed Class 5A Claims, Allowed Class 5B Claims and Allowed Class 5C Claims. The initial Distribution to Holders of Allowed Class 5A Claims, Allowed Class 5B Claims and Allowed Class 5C Claims of shares of New Spansion Common Stock will be made on the Effective Date or as soon as

practicable after such date, provided, however, that all Distributions to Holders of Allowed Class 5C Claims are subject to Section 3.18. Thereafter, subject to Section 3.18 hereof, the Reorganized Debtors or any Disbursing Agents employed by the Reorganized Debtors shall make a supplemental Distribution (in accordance with Section 8.12) to Holders of Allowed Class 5A Claims, Allowed Class 5B Claims and Allowed Class 5C Claims who have previously received a Distribution not less frequently than quarterly, provided that, except as otherwise provided in Section 8.12(7), there are not less than 100,000 shares (the “**Minimum Shares for Distribution**”) available for a Distribution as of the end of the previous calendar quarter.

8.12 Reserve for Disputed Claims.

(1) Notwithstanding any other provisions of the Plan, no payment or Distribution shall be made to any Holder on account of any Claim until such Claim becomes an Allowed Claim, and then only to the extent that it becomes an Allowed Claim.

(2) Subject to Section 3.18, at any time that a Distribution is made to Class 5A, Class 5B or Class 5C under the Plan, such Distribution shall be made to (a) all of the Holders of Allowed Claims in Class 5A, Class 5B or Class 5C and (b), if at the time of such Distribution, there are any Disputed Claims in Class 5A, Class 5B or Class 5C, to a reserve for Disputed Claims on account of such Disputed Claims (the “**Reserve for Disputed Claims**”), pending resolution of such Disputed Claims, in each case, as determined on an Unsecured Claims Pro Rata basis.

(3) The Distributions on account of Disputed Claims shall be made to the Reserve for Disputed Claims and any Disputed Claim (to the extent not previously Disallowed) shall be treated as being Allowed in the lesser of (i) the Face Amount of such Disputed Claims or (ii) any other amount for purposes of the Reserve for Disputed Claims established by the Bankruptcy Court for such Disputed Claims.

(4) To the extent that any Disputed Claim in Class 5A, Class 5B or Class 5C becomes an Allowed Class 5A Claim, Allowed Class 5B Claim or Allowed Class 5C Claim after a Distribution has been made with respect to Class 5A, Class 5B or Class 5C, the shares of New Spansion Common Stock reserved for such Disputed Claim shall be distributed (at the time specified in Section 8.10) from the Reserve for Disputed Claims to the Holder of such Allowed Claim such that, after giving effect to such Distribution, it shall have received the aggregate Distribution that such Holder would have received if such Allowed Claim had been Allowed on the Effective Date (subject to Section 3.18 hereof).

(5) Within forty (40) days after their receipt of any report provided by the Claims Agent pursuant to Section 9.2(6), the Reorganized Debtors shall determine whether the number of shares of New Spansion Common Stock held in the Reserve for Disputed Claims exceeds, as of the end of the three-month period that is the subject of such report, the number of shares that is required to be held in the Reserve for Disputed Claims on account of Disputed Claims in Class 5A, Class 5B and Class 5C pursuant to

this Section as a result of Disputed Claims becoming Allowed Claims in less than the amount used to determine the reserve for such Disputed Claim as set forth in paragraph (3) of this Section 8.12; provided that (solely for purposes of distributions to Class 5A and Class 5C) the value of such shares shall be based on the share price of the New Spansion Common Stock as determined by the Bankruptcy Court at the Confirmation Hearing.

(6) If the Reorganized Debtors determine that the number of shares of New Spansion Common Stock held in the Reserve for Disputed Claims exceeds the number of shares required to be held in such Reserve pursuant to this Section (as a result of Disputed Claims becoming Allowed Claims in less than the amount reserved for such Disputed Claim as set forth in paragraph (3) of this Section 8.12) as of the preceding calendar quarter end by at least the Minimum Shares for Distribution, the Reorganized Debtors (or the Disbursing Agent) shall distribute promptly, in accordance with Section 8.12(2) to (a) the Holders of Allowed Class 5A Claims, Allowed Class 5B Claims, and, subject to Section 3.18 hereof, Allowed Class 5C Claims, the number of shares that are available for Distribution to each such Holders of Allowed Class 5A Claims, Allowed Class 5B Claims and, subject to Section 3.18 hereof, Allowed Class 5C Claims, and (b) the Reserve for Disputed Claims, the number of shares that are to be allocated to the Reserve for Disputed Claims.

(7) In addition, within sixty (60) days after all Disputed Claims in Class 5A, Class 5B and Class 5C have been Allowed or Disallowed and Distributions have been made to the Holders of Disputed Claims that have become Allowed Class 5A Claims, Allowed Class 5B Claims or Allowed Class 5C Claims, the Reorganized Debtors (or the Disbursing Agent) shall distribute any shares of New Spansion Common Stock then remaining in the Reserve for Disputed Claims to Holders of Allowed Class 5A Claims, Allowed Class 5B Claims and, subject to Section 3.18 hereof, Allowed Class 5C Claims on an Unsecured Claims Pro Rata basis.

8.13 De Minimis Distributions. The Reorganized Debtors shall have no obligation to make a Distribution to any Holder of an Allowed Claim (whether an initial Distribution or any subsequent Distribution) if the amount to be distributed to such Holder is Cash in an amount less than fifty dollars (\$50.00) or is fewer than five (5) shares of New Spansion Common Stock. Any Holder of an Allowed Claim on account of which the amount of Cash to be distributed is less than fifty (\$50.00) dollars or the number of shares of New Spansion Common Stock to be distributed is fewer than five (5) shares will have its claim for such Distribution discharged and will be forever barred from asserting any such claim against the Reorganized Debtors or their property. Any Cash not distributed pursuant to this Section will be the property of the Reorganized Debtors, free of any restrictions thereon, and any such Cash held by a Disbursing Agent will be returned to or retained by the Reorganized Debtors.

8.14 No Fractional Securities; No Fractional Dollars. Any other provision of this Plan notwithstanding, Distributions of fractional shares of New Spansion Common Stock will not be made. Whenever any Distribution of securities, including in connection with the Rights Offering, would require the Distribution of a fractional share, the Distribution

will be rounded to the nearest integer of shares (any fraction of 0.50 or less shall be rounded down to the next lower integer; any fraction higher than 0.50 shall be rounded up to the next higher integer). Any other provision of this Plan notwithstanding, the Reorganized Debtors shall not be required to make Distributions or payments of fractions of dollars. Whenever any payment of a fraction of a dollar is due under this Plan, the payment made shall be rounded to the nearest whole dollar (with \$.50 or less being rounded down to the next lower dollar and any amount greater than \$.50 being rounded up to the next higher dollar).

8.15 Surrender of Instruments. Except as set forth in Section 8.16 below and except for Holders of Secured Credit Facility Claims and UBS Credit Facility Claims, each Holder of a promissory note, bond, or other Instrument evidencing a Claim shall surrender such promissory note, bond, or Instrument to the Debtors or Reorganized Debtors, as the case may be, prior to being entitled to receive any Distribution, unless this requirement is waived by the Debtors or Reorganized Debtors, as the case may be, provided, however, that the Holders of Senior Notes and Exchangeable Debentures shall return the Instruments evidencing their Claims to the applicable Indenture Trustee. No Distribution of Cash or other property shall be made to or on behalf of any such Holder unless and until (A) such promissory note, bond, or Instrument is received by the Debtors or the Reorganized Debtors, as the case may be, (B) the unavailability of such promissory note, bond, or Instrument is established to the reasonable satisfaction of the Debtors or Reorganized Debtors, as the case may be, or (C) such requirement is waived by the Debtors or Reorganized Debtors, as the case may be. The Debtors or Reorganized Debtors, as the case may be, may require any such Holder who is unable to surrender or cause to be surrendered any such promissory note, bond, or Instrument to deliver an affidavit of loss and indemnity and/or furnish a bond in form and substance (including with respect to amount) reasonably satisfactory to the Debtors or Reorganized Debtors, as the case may be. Any such Holder that fails within the later of (i) one year after the Effective Date, and (ii) the date of Allowance of its Claim, (a) if possible, to surrender or cause to be surrendered such promissory note, bond or Instrument, or (b) if requested, to execute and deliver an affidavit of loss and indemnity reasonably satisfactory to the Debtors or Reorganized Debtors, as the case may be, shall be deemed to have forfeited all rights, claims, and causes of action against the Debtors or Reorganized Debtors, as the case may be, and shall not participate in any Distribution under this Plan.

8.16 Procedures for Distributions to Holders of FRN Claims, Senior Notes Claims, and Allowed Exchangeable Debentures Claims. Distributions to be made under the Plan to Holders of Allowed FRN, Senior Notes, or Exchangeable Debentures Claims will be made to the applicable Indenture Trustee, which, subject to the right of the Indenture Trustee to assert any charging lien that it might have under the applicable indenture, will transmit the Distributions to the Holders of such Allowed FRN, Senior Notes, and Exchangeable Debentures Claims. Such Distributions will only be made after the Holder's compliance with the requirement to surrender such FRN, Senior Note, or Exchangeable Debentures set forth in Section 8.15 of the Plan, and are subject to the rights of the applicable Indenture Trustee to assert its applicable charging lien, if any, against such Distribution.

8.17 Allocation of Distributions Between Principal and Interest. To the extent that any Allowed Claim entitled to a Distribution under this Plan is composed of indebtedness and accrued but unpaid interest thereon, such Distribution shall, to the extent permitted by applicable law, be allocated, for purposes of United States federal income tax, first to the principal amount of the Claim, and then, to the extent the consideration exceeds the principal amount of the Claim, to the portion of the Claim representing accrued but unpaid interest.

8.18 Compliance With Tax Requirements. The Debtors or the Reorganized Debtors, as the case may be, shall comply with all withholding and reporting requirements imposed by any federal, state, local, or foreign taxing authority, and all Distributions under this Plan shall be subject to any such withholding and reporting requirements. The Debtors and the Reorganized Debtors shall be authorized to take any actions that may be necessary or appropriate to comply with such withholding and reporting requirements. Notwithstanding any other provision of the Plan, each Entity receiving a Distribution of Cash or New Spansion Common Stock pursuant to the Plan, including pursuant to the Rights Offering, shall have sole and exclusive responsibility for the satisfaction and payment of any tax obligations imposed on it by any governmental unit on account of such Distribution, including income, withholding and other tax obligations.

8.19 Saturday, Sunday or Legal Holiday. If any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date.

ARTICLE IX.

PROCEDURES FOR TREATING AND RESOLVING DISPUTED CLAIMS

9.1 Objections to Claims. All objections to Claims must be Filed and served on the Holders of such Claims by the Claims Objection Deadline, and: (a) if Filed prior to the Effective Date, such objections shall be served on the parties on the then applicable service list in the Chapter 11 Cases; and (b) if Filed after the Effective Date, such objections shall be served on the Reorganized Debtors and the United States Trustee. If an objection has not been Filed to a proof of Claim or a scheduled Claim by the Claims Objection Deadline, the Claim to which the proof of Claim or scheduled Claim relates will be treated as an Allowed Claim.

9.2 Authority to Prosecute Objections.

(1) Mr. Eugene Davis shall act as the agent for the Estates (the “**Claims Agent**”) in evaluating and prosecuting (i) objections to Disputed Claims in Classes 5A, 5B, and 5C, and (ii) Avoidance Actions to recover any alleged transfers made to any Entity that received payments or transfers during the applicable “look back” period (the “**Claims Agent Avoidance Actions**”) and (iii) all actions brought pursuant to Section 510(c) of the Bankruptcy Code (the “**510(c) Actions**”), except with respect to Holders of Designated Disputed Claims, Secured Credit Facility Claims, UBS Credit Facility Claims, FRN Claims, Senior Note Claims, Exchangeable Debentures Claims, Other

Secured Claims and Claims for Professional Compensation, provided that such exclusion from the authority of the Claims Agent is solely for such Entities in their capacity as Holders of such Claims. The Claims Agent's compensation shall be approved by the Senior Noteholders Group, in consultation with the Creditors' Committee, and shall be reasonably satisfactory to the Debtors. Any adjustment in the Claims Agent's compensation shall be subject to the approval of Reorganized Spansion Inc.'s board of directors but may not be adjusted downward prior to the second anniversary of the Effective Date; provided, however, that the Claims Agent shall be entitled to such compensation only until the earlier to occur of (x) the date on which all Disputed Claims in Classes 5A – 5C and all Claims Agent Avoidance Actions have been resolved or adjudicated pursuant to a Final Order and (y) the date on which such Claims Agent resigns, terminates his or her engagement as Claims Agent or is removed pursuant to Section 9.2(3).

(2) Subject to the terms and provisions of this Section 9.2 and except as otherwise set forth in this subsection or Section 9.2(4), the Claims Agent shall be authorized and empowered to evaluate, make, File, prosecute, settle and abandon objections to (i) any Disputed Claims in Classes 5A – 5C (ii) any Claims Agent Avoidance Actions and (iii) any 510(c) Actions. Notwithstanding the foregoing, the Reorganized Debtors shall have the right to settle, but not prosecute objections to, any Designated Disputed Claims, provided that the Reorganized Debtors shall promptly give written notice of any such settlement to the Claims Agent. The Claims Agent shall not make, File or prosecute an objection to any Designated Disputed Claim without first obtaining the consent of the Reorganized Debtors unless (i) the objection to such Designated Disputed Claim was pending as of the Effective Date or (ii) the objection to such Designated Disputed Claim is based entirely on such Designated Disputed Claim not being filed by the applicable Bar Date, or such Designated Disputed Claim being duplicative of or superseded by another Claim filed in the Chapter 11 Cases. No Disputed Claim in Classes 5A – 5C, other than Designated Disputed Claims, may be settled or deemed Allowed by the Debtors after Confirmation and prior to the Effective Date without the consent of both the Creditors' Committee and the Senior Noteholders Group, which consents shall not be unreasonably withheld. The Claims Agent shall be entitled to retain counsel and other advisors to exercise the foregoing rights and duties, which counsel and other advisors, as well as the terms of their employment, shall be reasonably satisfactory to the Claims Agent and paid for by the Reorganized Debtors subject to receipt by the Debtors of invoices, statements and/or other documentation demonstrating in sufficient detail the reasonableness of the proposed charges. On or before the Effective Date, the Debtors shall deposit \$750,000, or such other amount as agreed to by the Debtors, the Creditors' Committee and the Senior Noteholders Group, into an account designated by and held in the name of the Claims Agent (the "**Claims Agent Fund**"), which amounts shall be used from and after (but not for services rendered or costs or expenses incurred before) the Effective Date by the Claims Agent to perform the duties and responsibilities set forth above (other than for the payment of the Claims Agent's professionals, who shall be paid by the Reorganized Debtors subject to receipt by the Debtors of invoices, statements and/or other documentation demonstrating in sufficient detail the reasonableness of the proposed charges). If, subsequent to the initial funding of the Claims Agent Fund, the Claims Agent determines that the amount then held in the

Claims Agent Fund is insufficient for it to conclude the performance of its duties under this Section 9.2, it shall notify the Reorganized Debtors, and they shall meet together in good faith to determine what, if any, additional amounts should be deposited by the Reorganized Debtors into the Claims Agent Fund. Reorganized Spansion Inc.'s board of directors shall determine the amount of subsequent funding of the Claims Agent Fund.

(3) In the event that the Claims Agent resigns or otherwise terminates its service in such capacity prior to the resolution or adjudication of all Disputed Claims in Classes 5A – 5C, Reorganized Spansion Inc.'s board of directors shall designate a successor Claims Agent (which shall be vested with all of the rights and powers set forth in this Section 9.2). The Reorganized Debtors shall provide the Claims Agent (or any successor Claims Agent) with reasonable access to the Debtors' books and records and personnel during normal business hours upon reasonable prior notice, and the Reorganized Debtors shall take commercially reasonable steps (so long as such steps are not unduly burdensome or costly) to cooperate with the Claims Agent in the performance of its duties under this Section 9.2. The Claims Agent may only be removed for gross negligence or fraud.

(4) After the Effective Date, except as provided in subsections 9.2(1) and 9.2(2) above or otherwise in the Plan, only the Claims Agent shall have the authority to File, prosecute, settle, compromise, withdraw or litigate to judgment objections to Disputed Classes 5A – 5C Claims, Claims Agent Avoidance Actions or 510(c) Actions, provided that (i) the Debtors' authority to File, prosecute, settle, compromise, withdraw or litigate to judgment objections to Disputed Class 5B Claims, Claims Agent Avoidance Actions or 510(c) Actions shall terminate on the Effective Date as provided in this Section 9.2, and (ii) the Claims Agent shall provide periodic updates on claims resolutions to Reorganized Spansion Inc.'s board of directors. Before bringing any Claims Agent Avoidance Actions other than Claims Agent Avoidance Actions brought solely for purposes of section 502(d) of the Bankruptcy Code, the Claims Agent shall obtain the approval of Reorganized Spansion Inc.'s board of directors to such proposal, which approval shall not be unreasonably withheld. Notwithstanding the foregoing, the Claims Agent shall have full authority to settle (x) any Claims that would result in an Allowed Claim in an amount less than \$500,000 and (y) any Claims Agent Avoidance Action that would result in a recovery of less than \$500,000. Any settlements of Class 5A-C Disputed Claims or Claims Agent Avoidance Actions that result in Claims or recoveries in excess of \$500,000 shall require approval of Reorganized Spansion Inc.'s board of directors.

(5) Any previously prosecuted objections to any Disputed Claims in Classes 5A – 5C or Claims Agent Avoidance Action pending as of the Effective Date shall be deemed to have been assigned to the Claims Agent, and, subject to subsection 9.2(3), the Claims Agent shall have the sole and exclusive right, subject to the limitations set forth above, to continue the prosecution of such Disputed Classes 5A – 5C Claim or Claims Agent Avoidance Action, abandon such Claim objections, or settle or compromise such Disputed Claims in Classes 5A – 5C or Claims Agent Avoidance Action, subject to the terms of this Section 9.2.

(6) Within thirty (30) days following the end of each February, May, August and November until all Disputed Claims in Classes 5A – 5C have been Allowed or Disallowed and all Claims Agent Avoidance Actions and 510(c) Actions have been settled, abandoned or prosecuted to judgment and recoveries of judgments received, the Claims Agent shall provide to the Reorganized Debtors a report with such information and detail as the Reorganized Debtors shall reasonably request in order for them to make the Distributions described in Section 8.10.

(7) All amounts recovered by the Claims Agent as a result of its prosecution or settlement of any Claims Agent Avoidance Action or 510(c) Action shall be promptly paid to the Reorganized Debtors.

(8) Except as set forth herein, notwithstanding that the Claims Agent shall have the right to File objections to Disputed Classes 5A – 5C Claims, litigate and/or settle objections to Disputed Claims in Classes 5A – 5C on behalf of the Debtors and their Estates, and commence, prosecute, litigate and settle any Claims Agent Avoidance Actions or 510(c) Actions, nothing contained herein shall be deemed to obligate the Claims Agent to take any such actions, all of which shall be determined by the Claims Agent in its sole and absolute discretion.

(9) Notwithstanding the foregoing, (a) the Claims Agent shall not have any right or authority to evaluate, make, File, prosecute, settle or abandon objections to any Disputed Claims other than Claims in Classes 5A – 5C, and (b) the Debtors or Reorganized Debtors, as applicable, shall have the sole and exclusive right and authority to evaluate, make, File, prosecute, settle or abandon objections to any and all Disputed Claims other than Claims in Classes 5A – 5C. Notwithstanding the foregoing, (x) the Reorganized Debtors shall have full authority to settle any Claims other than Disputed Claims in Classes 5A – 5C that would result in an Allowed Claim in an amount less than \$500,000 and (y) any settlements of by the Debtors of any non-Class 5A, 5B, or 5C Disputed Claim that result in an Allowed Claim in excess of \$500,000 shall require approval of the Claims Agent.

9.3 No Distributions Pending Allowance. Notwithstanding anything to the contrary in this Plan, no Distributions will be made with respect to any portion of a Claim unless and until (i) the Claims Objection Deadline has passed and no objection to such Claim has been Filed, (ii) any objection to such Claim has been settled, withdrawn or overruled pursuant to a Final Order of the Bankruptcy Court or (iii) such Claim has been Allowed pursuant to the Confirmation Order or other Final Order of the Bankruptcy Court.

9.4 Estimation of Claims. Except as otherwise ordered by the Bankruptcy Court, the Debtors, the Reorganized Debtors (with respect to non-Class 5A – 5C Claims) or the Claims Agent (with respect to Class 5A – 5C Claims), as the case may be, may, at any time, request that the Bankruptcy Court estimate any contingent or unliquidated Claim pursuant to section 502 of the Bankruptcy Code regardless of whether the Debtors or the Reorganized Debtors have previously objected to such Claim or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court will retain jurisdiction to estimate any Claim at any time during litigation concerning any objection to any

Claim, including during the pendency of any appeal relating to any such objection. In the event that the Bankruptcy Court estimates any contingent or unliquidated Claim, that estimated amount will constitute either the Allowed amount of such Claim or a maximum limitation on such Claim, as determined by the Bankruptcy Court. If the estimated amount constitutes a maximum limitation on such Claim, the Debtors (and after the Effective Date, the Reorganized Debtors) may elect to pursue any supplemental proceedings to object to any ultimate payment on such Claim, subject to Section 9.2 hereof. All of the aforementioned Claims objection, estimation and resolution procedures are cumulative and are not necessarily exclusive of one another.

9.5 Distributions After Allowance. As soon as practicable after (i) the occurrence of the applicable Claims Objection Deadline, if no objection to such Claim has been timely Filed, or (ii) the Disputed Claim becomes an Allowed Claim, the Reorganized Debtors will distribute to the Holder thereof all Distributions to which such Holder is then entitled under this Plan. In the event that the New Spansion Common Stock being held for Distribution with respect to a Claim is greater than the Distribution that is made to a Holder once the Claim becomes entitled to a Distribution, the excess remaining New Spansion Common Stock will be held by the Reserve for Disputed Claims pending subsequent Distributions in accordance with Section 8.12. All Distributions made under this Article IX will be made with any dividends, payments, or other Distributions made on account of, as well as any obligations arising from, the distributed property as if such Claim had been an Allowed Claim on the dates Distributions were previously made to Allowed Holders included in the applicable Class.

9.6 Claims Covered by Insurance Policy. To the extent a Claim is asserted for liability that is covered, in whole or in part, by any insurance policy or related agreement of the Debtors (“**Insured Claim**”), the Holder of such Claim may continue to pursue the Claim against the Reorganized Debtors solely for the purpose of liquidating such Claim, provided that in accordance with the terms of the applicable insurance policies, related agreements and the Plan, the Reorganized Debtors (on behalf of the Debtors) or the insurer, as applicable, may employ counsel, direct the defense, and determine whether and on what terms to settle any such Claim. Once the Claim is determined to be valid by agreement or Final Order, then the Claim shall be an Allowed Insured Claim in the amount set forth in such Order or agreement. Subject to applicable policy terms, conditions, endorsements and applicable non-bankruptcy law, the Holder of such Allowed Insured Claim will be entitled to: (i) a Distribution under the Plan only to the extent of (a) any unpaid or unexhausted deductible or self-insured retention under the applicable insurance policies or related agreements, and (b) any amount in excess of the limit of coverage provided by any applicable insurance policy or related agreement; and (ii) a recovery under the applicable insurance policy of the amount of such Allowed Insured Claim that is in excess of the deductible or self-insured retention but subject to the limit of coverage provided by such applicable insurance policy or related agreement.

ARTICLE X.

- (10) All applicable waiting periods imposed by applicable law (including under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, if applicable) in connection with the consummation of the Plan and transactions contemplated thereby shall have expired or been terminated without any action having been taken by any court of competent jurisdiction restraining, preventing or imposing materially adverse conditions upon such transactions, and the Debtors shall have received all material regulatory approvals required for the consummation of the Plan and the transactions contemplated thereby and for the Reorganized Debtors to continue to carry on their businesses without material change, each of which approvals shall have become final.
- (11) All other actions and documents necessary to implement the treatment of Claims and Interests set forth in this Plan shall have been effected or executed or, if waivable, waived by the Entity or Entities entitled to the benefit thereof.

6.10(10), shall be held in an escrow account or segregated account of the Debtors.

10.3 Waiver of Conditions. The conditions to Confirmation of the Plan set forth in Section 10.1 or the Effective Date set forth in Section 10.2 may be waived, in whole or in part, by the Debtors, with the consent of the Creditors' Committee and the Senior Noteholders Group and, as to the conditions set forth in Sections 10.1(1) and (2) and Sections 10.2(3) and (8), with the consent of the Ad Hoc Consortium, without any notice to any other parties in interest or the Bankruptcy Court and without leave or Order of the Bankruptcy Court, and without any formal action other than proceeding to confirm or consummate the Plan. The failure to satisfy or waive any condition to the Confirmation Date or the Effective Date may be asserted by the Debtors in their respective sole discretion regardless of the circumstances giving rise to the failure of such condition to be satisfied (including any action or inaction by the Debtors). The failure of the Debtors to exercise any of the foregoing rights shall not be deemed a waiver of any other rights, and each such right shall be deemed an ongoing right, which may be asserted at any time.

10.4 Effect of Failure of Conditions. In the event that all of the conditions to the Effective Date are not satisfied or waived within three (3) months following entry of the Confirmation Order (or such longer period as is agreed to by the Debtors, the Ad Hoc Consortium, the Creditors' Committee and the Senior Noteholders Group): (a) any party-in-interest may request that the Bankruptcy Court vacate the Confirmation Order; (b) no Distributions shall be made; (c) the Debtors and all Holders of Claims and Interests shall be restored to the status quo ante as of the day immediately preceding the Confirmation Date as though the Confirmation Date had never occurred; (d) all settlements included in the Plan or incorporated into the Plan, including settlements implicit in the terms of the Plan, shall be deemed revoked; and (e) the Debtors' obligations with respect to the Claims and Interests shall remain unchanged (except to the extent of any payments made after entry of the Confirmation Order but prior to the Effective Date) and nothing contained in the Plan shall constitute or be deemed a waiver or release of any Claims or Interests by or against the Debtors or any other Entity or to prejudice in any manner the rights of the Debtors or any Entity in any further proceedings involving the Debtors.

10.5 Order Denying Confirmation. If an Order denying confirmation of the Plan is entered by the Bankruptcy Court, then the Plan shall be null and void in all respects, and nothing contained in the Plan shall (a) constitute a waiver or release of any Claims against or Interests in the Debtors, (b) prejudice in any manner the rights of the Holder of any Claim against, or Interest in, the Debtors, (c) prejudice in any manner any right, remedy or Claim of the Debtors, (d) be deemed an admission against interest by the Debtors, or (e) constitute a settlement, implicit or otherwise, of any kind whatsoever.

10.6 Revocation of the Plan. The Debtors reserve the right to revoke or withdraw the Plan prior to the Confirmation Date. If the Debtors revoke or withdraw the Plan, or if Confirmation does not occur or if the Plan does not become effective, then the Plan shall be null and void, and nothing contained in the Plan or Disclosure Statement shall: (a) constitute a waiver or release of any Claims by or against, or any Interests in, the Debtors; (b) constitute an admission of any fact or legal conclusion by the Debtors or any

other Entity; or (c) prejudice in any manner the rights of the Debtors or any other party, including the Creditors' Committee, the Ad Hoc Consortium and the Senior Noteholders Group, in any related or further proceedings.

**ARTICLE XI.
EFFECT OF PLAN ON CLAIMS AND INTERESTS**

11.1 Discharge of Claims and Termination of Interests. Except as otherwise provided in the Plan or the Confirmation Order:

Please be advised that this Term Sheet is for your exclusive and confidential use and that your receipt and retention of it shall constitute, without further action, an agreement by you that the contents will not be disclosed by you to any person or entity other than your employees, accountants, attorneys and other advisors with a need to know in order to evaluate the facility on your behalf and then only on a confidential basis.

Re: Commitment Letter for Backstop

Gentlemen:

Reference is made to the Second Amended Joint Plan of Reorganization (as may be further amended, the "Plan") of Spansion Inc., a Delaware corporation ("Spansion" or the "Company") and certain of its subsidiaries filed on December 9, 2009, and the Rights Offering Preliminary Term Sheet (the "Term Sheet") attached thereto (a copy which is also attached hereto for your convenience). Capitalized terms not defined herein shall have the meanings ascribed to them in the Term Sheet.

In connection with the Rights Offering, Silver Lake Sumeru, L.P. (together with its designated affiliates and managed accounts, "Silver Lake") is pleased to provide the Company with its commitment to provide a backstop on the terms contained in the Term Sheet. Such commitment is subject to the conditions set forth in this commitment letter (this "Commitment Letter") and in the Term Sheet, including the preparation, execution and delivery of definitive documentation in form and substance satisfactory to Silver Lake, but excluding the Due Diligence Condition which we acknowledge has been satisfied. Notwithstanding the foregoing, our commitment will additionally be subject to Silver Lake's confirmation that the reasonably likely sum of (i) the aggregate amount of cash and cash equivalents that may be classified, in accordance with generally accepted accounting principles, as "unrestricted" on the consolidated balance sheet of the Company, plus (ii) the aggregate amount available to be drawn down under the Company's credit facilities, will be not less than \$115 million in the aggregate as of immediately after the effective date under the Plan.

Silver Lake, founded in 1999, is a private equity firm that manages over \$13 billion of investments in technology and technology-enabled companies with personnel located in Menlo Park, New York, London, Hong Kong, Tokyo, Shanghai and Paris. We are the world's largest private equity firm focused solely on technology and technology-enabled companies. The firm has invested in Flextronics, Seagate, Avago, Skype, NASDAQ, Gartner, SunGard, Thomson, Avaya, Intelsat, and other leading companies. Silver Lake's principals possess a wealth of operating experience and have

had management roles at companies including IBM, Cisco, Sun Microsystems, Hewlett-Packard, Oracle, Adobe, Force Computers, and including memory semiconductor companies such as SMART Modular Technologies, Samsung and AMD.

Partnering with management is a fundamental part of our investment. Moreover, as technology investors, we firmly believe that (i) world-class talent and know-how are more critical in technology than in any other industry, and (ii) organizations with outstanding technology and leading market positions will enjoy significantly more profits than second- and third-place finishers. We view Spansion as a leading market player in its field of expertise, and therefore this opportunity is particularly attractive to us. Additionally, we believe we are uniquely qualified to add value to the business as an investor and as a director-level participant, more so than any other investor.

Because of our sector specialization and experience helping technology market leaders achieve further growth, we believe we are uniquely positioned to assist management in adding significant additional value to Spansion. Normally, we do not assume management responsibilities when overseeing our investments. Instead, we seek to serve as value-added partners and advisors to management. In this regard, we believe we will be highly valuable members of the board.

In consideration for the commitments made herein by Silver Lake, by signing this Commitment Letter below, the Company agrees that it shall: (i) pay or reimburse the reasonable fees and expenses of Silver Lake in accordance with the terms set forth under the caption "Expense Reimbursement" in the Term Sheet; (ii) at any time prior to the approval by the Bankruptcy Court of the terms of the Backstop Commitment, including but not limited to the Backstop Fee and the matters set forth under the captions "Termination Fee" and "Expense Reimbursement" (without reference to the \$350,000 cap) in the Term Sheet, not initiate or approach or, unless the board of directors of the Company determines on a reasonable basis following consultation with its outside advisors that the applicable proposal is superior to the proposal of Silver Lake and is reasonably capable of being consummated prior to January 31, 2010 (a "Superior Backstop Proposal"), enter into any understanding or other agreement with, any financial institution, person or entity other than Silver Lake with respect to providing a backstop commitment in connection with any rights offering pursuant to the Plan, and will promptly inform Silver Lake of the identity of, and material terms proposed by, any such financial institution, person or entity who makes an offer to provide a backstop commitment or approaches the Company or any representative thereof with respect thereto; and (iii) unless the Company proceeds with a Superior Backstop Proposal with another party, designate Silver Lake as the Backstop Party in connection with any such rights offering should the Company proceed with a rights offering pursuant to the Plan.

This Commitment Letter, including the attached Term Sheet: (i) supersedes all prior discussions, agreements, commitments, arrangements, negotiations or

understandings, whether oral or written, of Silver Lake and the Company with respect thereto; (ii) shall be governed, except to the extent that the Bankruptcy Code is applicable, by the laws of the State of Delaware, without giving effect to the conflict of laws provisions thereof; (iii) shall not be assignable by the Company without the prior written consent of Silver Lake (and any purported assignment without such consent shall be null and void); (iv) is intended to be solely for the benefit of the parties hereto and is not intended to confer any benefits upon, or create any rights in favor of, any person other than the parties hereto; and (v) may not be amended or waived except by an instrument in writing signed by the parties hereto.

This Commitment Letter, and the obligations of the parties hereto contained herein, shall be effective only upon the exchange and delivery of executed signature pages by both parties, and only if such signature pages are received by no later than December 16, 2009. This Commitment Letter may be executed in any number of counterparts, each of which shall be an original, and all of which, when taken together, shall constitute one agreement. Delivery of an executed signature page of this Commitment Letter by facsimile transmission shall be effective as delivery of a manually executed counterpart hereof.

THIS PRELIMINARY TERM SHEET IS FOR DISCUSSION PURPOSES ONLY. IT DOES NOT CONSTITUTE AN OFFER TO ENTER INTO A TRANSACTION OR ADDRESS ALL MATERIAL TERMS THAT THE PARTIES WOULD REQUIRE TO BE ADDRESSED IN CONNECTION WITH ANY PROPOSED TRANSACTION, NOR SHALL IT BE CONSTRUED AS A BINDING AGREEMENT OF ANY KIND OR A COMMITMENT TO ENTER INTO, OR OFFER TO ENTER INTO, ANY AGREEMENT OR TO CONSUMMATE ANY TRANSACTION.

December 8, 2009

This preliminary term sheet (this "Term Sheet") is submitted on a strictly confidential basis by Silver Lake Sumeru, L.P. and its affiliates ("Silver Lake"). This Term Sheet describes certain of the principal terms and conditions of a proposed rights offering (the "Rights Offering") to be conducted by Spansion Inc. (the "Company") in connection with its restructuring (the "Restructuring") and the proposed "backstop" commitment by Silver Lake. This Term Sheet has been produced for discussion purposes only. Receipt of this Term Sheet constitutes the Company's agreement that it shall not be disclosed to any third party. This Term Sheet is non-binding and the proposals contained herein are subject to, among other conditions, the completion of appropriate due diligence and the execution of definitive documentation. Nothing in this Term Sheet is, nor shall be construed as, an agreement by any person or entity to vote to accept or reject any Restructuring, to participate in the Rights Offering or to provide a "backstop" commitment in respect of a Rights Offering.

Capitalized terms used herein and not otherwise defined herein have the meanings given to such terms in the Amended Plan (as defined below).

- Amended Plan:** The Debtors' Amended and Restated Debtors' Joint Plan of Reorganization in form and substance acceptable to Silver Lake (the "Amended Plan").
- Rights Offering Participants:** The holders of Class 5A, 5B and 5C Allowed Claims (each, a "Rights Offering Participant").

Each Rights Offering Participant will have the right to elect to participate in the Rights Offering (each such Rights Offering Participant so electing to participate, an “Electing Holder”) and purchase all but not less than all of its Pro Rata Share (as defined below) of the Rights Offering Shares. “Pro Rata Share” of an Electing Holder means the ratio of such Electing Holder's Deemed Allowed Class 5A, 5B or 5C Claim to the aggregated total of all Deemed Allowed Class 5A, 5B and 5C Claims.

Transferability of Rights: The right to participate in the Rights Offering shall be non-detachable from Deemed Allowed Class 5A, 5B and 5C Claims. Accordingly, the right to participate in the Rights Offering may not be separately sold, transferred, assigned or pledged, in whole or in part.

Backstop: Silver Lake and/or its designated affiliates and managed accounts (collectively, the “Backstop Party”) will provide a standby commitment (the “Backstop Commitment”) pursuant to which the Backstop Party will agree to purchase all Rights Offered Shares offered pursuant to the Rights Offering but not otherwise subscribed for by the Rights Offering Participants. One hundred percent (100%) of the Backstop Commitment shall be undertaken by the Backstop Party.

Class A Shares: Silver Lake and its affiliates and managed accounts (including their successors, the “Silver Lake Parties”), at their election, shall have the right to receive shares of common stock of the Reorganized Company classified as “Class A Common Stock” (the “Class A Shares”) in lieu of receiving some or all of the New Spansion Common Stock issuable to the Silver Lake Parties, whether issuable in respect of their Deemed Allowed Class 5A, 5B and/or 5C Claims or purchased in the Rights Offering or pursuant to the Backstop Commitment. The Silver Lake Parties shall have the exclusive right to receive Class A Shares, and the Company will issue no Class A Shares to any other person. The Class A Shares will have the following terms, to be set forth in the Amended and Restated Certificate of Incorporation of the Reorganized Company:

- (i) General. The Class A Shares will have all of the same economic and voting rights as the New Spansion Common Stock and, except as described below, will vote together with the New Spansion Common Stock as

- (ii) Directors: At any time the Class A Shares, together with any New Spansion Common Stock or other common stock of the Reorganized Company held by the Silver Lake Parties, represent 5% or more of the outstanding common stock of the Reorganized Company: (A) the board of directors of each Reorganized Debtor shall be constituted with no more than seven directors; (B) the holders of a majority of the Class A Shares will have the right to elect (I) at any time the Class A Shares, together with any New Spansion Common Stock or other common stock of the Reorganized Company held by the Silver Lake Parties, represent 5% or more, but less than 10%, of the outstanding common stock of the Reorganized Company, one member of the board of directors of each Reorganized Debtor, and (II) at any time the Class A Shares, together with any New Spansion Common Stock or other common stock of the Reorganized Company held by the Silver Lake Parties, represent 10% or more of the outstanding common stock of the Reorganized Company, two members of the board of directors of each Reorganized Debtor; and (C) unless otherwise agreed by the holders of a majority of the Class A Shares (or as otherwise required by law or stock exchange rules), one director elected by the holders of the Class A Shares will be entitled to be a member of each committee of the board of directors of each Reorganized Debtor.

Protective Provisions: So long as any Class A Shares remain outstanding, the Reorganized Company shall not take any of the following actions without the prior written consent of the holders of a majority of the Class A Shares: (A) alter or change the rights or privileges of the Class A Shares so as to affect adversely the Class A Shares; (B) offer to purchase any shares of New Spansion Common Stock or other common stock of the Reorganized Company from all holders of such New Spansion Common Stock or other common stock unless such offer is made pro rata to the holders of the Class A Shares; or (C) issue or commit to issue any additional Class A Shares.

- (iii) Reservation of Shares: The Reorganized Company will agree to reserve a number of shares of New Spansion Common Stock equal to the outstanding Class A Shares.

- (iv) Automatic Conversion: All Class A Shares shall be automatically converted into New Spansion Common Stock on a one-for-one basis upon the written consent of the holders of a majority of the outstanding Class A Shares. In the event that any person other than a Silver Lake Party becomes the owner of a Class A Share, such Class A Share shall automatically be converted into one share of New Spansion Common Stock on a one-for-one basis; provided, however, that the holders of the Class A Shares may elect to not have the Class A Shares so converted in connection with a sale of 100% of the Class A Shares to one or more related persons.
- (v) Optional Conversion: Any holder of Class A Shares shall be entitled to convert one or more Class A Shares into shares of New Spansion Common Stock on a one-for-one basis at any time.

In addition, if following the waiver of the Due Diligence
