REPRESENTED PARTIES SHOULD ACT THROUGH THEIR ATTORNEY.

COMES NOW, Supply Pro, Inc., and Supply Pro Sorbents, LLC, Debtors and Debtors-In Possession and files there *Emergency Application to Approve and Allow Sale Free And Clear Of Liens*, and would respectfully show the court as follows:

1. These voluntary Chapter 11's were filed on December 19, 2018.
2. The Debtors seek approval for the sale of all of their personal/business property and equipment for \$1.00 million.
3. The property to be sold is listed and included on the Schedules filed in this proceeding, and which are attached hereto.
4. The offer to purchase has been made by Melt Blown Technologies, Derek Yurgaitis, president.
5. The Debtors propose the sale to be free and clear of all claims, liens, interests and encumbrances.
6. Any and all valid liens will attach to the proceeds, to be distributed pursuant to the Debtors' Chapter 11 Plan.

EMERGENCY CONSIDERATION

1. The Debtor requests emergency consideration of this Motion.
2. The proposed purchaser would like to immediately begin their due diligence, and requests Court authority for their investigation.

JURISDICTION AND VENUE

3. The Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 1334 and 157(a). This matter is a core-proceeding pursuant to 28 U.S.C. §157(b)(2)(A), (N), and (O).
4. Venue is proper in this District pursuant to 28 U.S.C. § 1408.
5. The Court has constitutional authority to enter a final order with respect to this Motion. The sale of property of the estate under 11 U.S.C. § 363(b) has no

equivalent in state law, thereby rendering the Supreme Court's opinion in *Stern v. Marshall* inapplicable. See *In re Carlew*, 469 B.R. 666, 672 (Bankr. S.D. Tex. 2012) (discussing See *Stern v. Marshall*, 131 S.Ct. 2594, (2011)). In the alternative, the sale of estate property outside the ordinary course of business is an essential bankruptcy matter which triggers the "public rights" exception. See *id.* The Debtor consents to the constitutional authority of this Court to enter a final order regarding the proposed sale.

RELIEF REQUESTED

7. Debtor requests permission to sell all the identified property to Melt Blown Technologies for \$1.00 million.
8. Melt Blown Technologies has proposed to deposit \$20,000.00 in earnest money, and request 30-45 days to confirm the condition of the equipment and the current levels of inventory.
9. Ecosorb Investments, LLC asserts a lien on the Debtors' assets – one note with approximately \$465,000.00 owed (equipment of Supply Pro, Inc.) , and a note with approximately \$248,000.00 owed (inventory and receivables of Supply Pro Sorbents, LLC). Total liens of approximately \$713,000.00.
10. The Debtor is requesting the sale be free and clear of liens, claims, interests, and encumbrances pursuant to 11 U.S.C. § 363(b) and (f).
11. A sale of estate property outside the ordinary course of business may be allowed, but the Debtor must articulate a sound business reason for the sale and show that the sale is in the best interest of the estate (*i.e.* that it is fair and reasonable), that the sale has been negotiated and proposed in good faith, that the purchaser is proceeding in good faith, and that the sale is an arms-length transaction. See, e.g., *In re Continental Airlines, Inc.*, 780 F.2d 1223, 1225 (5th Cir. 1986).
12. The business justification for a sale must be considered on a case-by-case

basis. *Id.* at 1226. In evaluating such a sale, the Court must balance the need for flexibility with the concerns of affected creditors. *In re Terrace Gardens Park Partnership*, 96 B.R. 707, 715 (Bankr. W.D. Tex. 1989). The Court must also determine that creditors' lien rights are adequately protected and that the offered price is the highest price obtainable under the circumstances in the particular case. *Id.*; *In re Beker Indus. Corp.*, 63 B.R. 474, 477-479 (Bankr. S.D.N.Y. 1986).

13. The Bankruptcy Code provides that property may be sold free and clear of "any interest in such property other than the estate" only if certain conditions are met. 11 U.S.C. § 363(f). These conditions are as follows:

- a. applicable non-bankruptcy law permits the sale of such property free and clear of such interests;
- b. such entity consents;
- c. such interest is a lien and the price at which such property is to be sold is greater than the aggregate value of all liens on such property;
- d. such interest is in bona fide dispute; or
- e. such entity could be compelled, in a legal or equitable proceeding, to accept a money satisfaction of such interest.

14. The proposed sale will result in \$1.00 million in gross proceeds. Based upon the condition and the operation of the Debtor's business, the Debtor believes the sale to be the best and highest available use of the assets at this time. As such, the sale is in the best interest of the estate.

15. The Debtor has been contacted by additional, potentially interested buyers. If subsequent offers are received, or other significant interest, the Debtors may request the Court to institute auction procedures in order to ensure the highest and best price for the Debtors' assets.

16. Accordingly, the Debtor respectfully requests that the Court: (a) approve the

sale of the Property pursuant to the terms contained herein, and (b) award such other and further relief to which the Debtor may be justly entitled.

WHEREFORE, Debtor requests that the Court enter an order authorizing the sale of the Property to Melt Blown Technologies according to the terms contained herein, and to grant such other and further relief, at law or in equity, to which the Debtor may be justly entitled.

Dated: January 30, 2019

Respectfully submitted,

Schedule A/B: Assets -- Real and Personal Property

12/15

Disclose all property, real and personal, which the debtor owns or in which the debtor has any other legal, equitable, or future interest. Include all property in which the debtor holds rights and powers exercisable for the debtor's own benefit. Also include assets and properties which have no book value, such as fully depreciated assets or assets that were not capitalized. In Schedule A/B, list any executory contracts or unexpired leases. Also list them on *Schedule G: Executory Contracts and Unexpired Leases* (Official Form 206G).

Be as complete and accurate as possible. If more space is needed, attach a separate sheet to this form. At the top of any pages added, write the debtor's name and case number (if known). Also identify the form and line number to which the additional information applies. If an additional sheet is attached, include the amounts from the attachment in the total for the pertinent part.
